Science Bob & Lala

1
00:00:30,470 --> 00:00:12,249

[Music]

2
00:00:38,209 --> 00:00:33,049

what's up everybody

3
00:00:42,709 --> 00:00:40,910

he's he's there he's somewhere oh wait I

4
00:00:44,750 --> 00:00:42,719

think hold on

5
00:00:47,869 --> 00:00:44,760

uh

6
00:00:49,850 --> 00:00:47,879

[Laughter]

7
00:00:51,770 --> 00:00:49,860

hold on I gotta change my microphone I

8
00:00:53,630 --> 00:00:51,780

think that's what's up incredible well

9
00:00:56,990 --> 00:00:53,640

welcome to calling all beings everybody

10
00:00:59,569 --> 00:00:57,000

happy uh what day is it Tuesday Tuesday

11
00:01:01,250 --> 00:00:59,579

that's right Tuesday happy Tuesday hope

12
00:01:04,149 --> 00:01:01,260

everyone's doing well it's great to be

13
00:01:07,490 --> 00:01:04,159

with you this week we've got our

14

00:01:09,469 --> 00:01:07,500

illustrious co-host here DJ uh doing a

15

00:01:12,910 --> 00:01:09,479

little costume wardrobe change she'll be

16

00:01:16,190 --> 00:01:12,920

back with us in a moment and the uh

17

00:01:20,390 --> 00:01:16,200

wonderful and amazing and and sonorous

18

00:01:23,090 --> 00:01:20,400

met how are you I'm good Nathan how are

19

00:01:25,730 --> 00:01:23,100

you I'm good man it's uh it's a far side

20

00:01:27,530 --> 00:01:25,740

chat night which I love uh the weather

21

00:01:30,109 --> 00:01:27,540

outside is amazing at least it is where

22

00:01:31,490 --> 00:01:30,119

I am so it's been a great day and

23

00:01:33,710 --> 00:01:31,500

looking forward to an amazing

24

00:01:35,450 --> 00:01:33,720

conversation yeah me too I've been

25

00:01:37,550 --> 00:01:35,460

looking uh forward to this one all day

26

00:01:41,210 --> 00:01:37,560

for sure

27

00:01:42,890 --> 00:01:41,220

um I'm glad DJ is doing a wardrobe

28

00:01:46,490 --> 00:01:42,900

change as opposed to a wardrobe

29

00:01:49,370 --> 00:01:46,500

malfunction yes uh much better

30

00:01:51,170 --> 00:01:49,380

and uh yeah just uh waiting to get

31

00:01:53,450 --> 00:01:51,180

started I think you know for the sake of

32

00:01:56,889 --> 00:01:53,460

our audience uh it's important that he

33

00:02:01,130 --> 00:01:56,899

be properly dressed for the occasion so

34

00:02:02,330 --> 00:02:01,140

typically yes preferably yes I know

35

00:02:03,889 --> 00:02:02,340

maybe we'll get a request for a show

36

00:02:05,330 --> 00:02:03,899

like that at some point and I don't know

37

00:02:06,889 --> 00:02:05,340

you know he might be willing to oblige

38

00:02:08,870 --> 00:02:06,899

we'll see

39

00:02:11,089 --> 00:02:08,880

um we got some great guests tonight Matt

40

00:02:12,170 --> 00:02:11,099

while we're working on DJ's uh technical

41

00:02:13,729 --> 00:02:12,180

stuff I want to go ahead and get get

42

00:02:15,410 --> 00:02:13,739

them on stage and get this conversation

43

00:02:19,490 --> 00:02:15,420

started because I'm really excited to

44

00:02:21,830 --> 00:02:19,500

jump in so we've got Science Bob and

45

00:02:23,809 --> 00:02:21,840

Lala bright two amazing people in the

46

00:02:26,089 --> 00:02:23,819

UFO community that I think most people

47

00:02:27,770 --> 00:02:26,099

are familiar with and and know and have

48

00:02:29,930 --> 00:02:27,780

interacted with in some degree on

49

00:02:32,030 --> 00:02:29,940

Twitter but we've also been following

50

00:02:34,010 --> 00:02:32,040

along with both the growth of their

51
00:02:35,869 --> 00:02:34,020
relationship and the experiences that

52
00:02:37,369 --> 00:02:35,879
they've been sharing and no folks have a

53
00:02:38,869 --> 00:02:37,379
lot of questions about what they're

54
00:02:39,949 --> 00:02:38,879
seeing and hearing and interacting with

55
00:02:43,190 --> 00:02:39,959
so hopefully we're going to get into

56
00:02:45,350 --> 00:02:43,200
some of that today but I know now that

57
00:02:47,869 --> 00:02:45,360
he's back he will want to do his

58
00:02:49,070 --> 00:02:47,879
signature introduction so DJ welcome

59
00:02:51,890 --> 00:02:49,080
back

60
00:02:54,110 --> 00:02:51,900
and uh once you once you do what you do

61
00:02:59,030 --> 00:02:54,120
best and bring these folks on to a warm

62
00:03:04,509 --> 00:03:01,309
down with the love couple somebody we

63
00:03:07,970 --> 00:03:04,519

admire and respect a

64

00:03:11,509 --> 00:03:07,980

ph-d-o-w-g from Brown University put

65

00:03:15,250 --> 00:03:11,519

your hands together for Science Bob and

66

00:03:23,089 --> 00:03:18,610

can I get it amen

67

00:03:30,830 --> 00:03:25,250

what is up brother and sister

68

00:03:36,229 --> 00:03:32,809

we are wait you know what I made the

69

00:03:38,270 --> 00:03:36,239

rookie error brother Bob I had I was

70

00:03:40,850 --> 00:03:38,280

looking at Nathan's

71

00:03:43,130 --> 00:03:40,860

um YouTube uh that he put up because he

72

00:03:45,770 --> 00:03:43,140

always writes stuff about the guest and

73

00:03:48,589 --> 00:03:45,780

in doing so I had double audio coming in

74

00:03:50,690 --> 00:03:48,599

and the timing was off so rookie mistake

75

00:03:53,630 --> 00:03:50,700

I hope you'll forgive that and not send

76

00:03:55,190 --> 00:03:53,640

me to uh uh you know to the Death Eaters

77

00:03:57,110 --> 00:03:55,200

I guess what they would do in Harry

78

00:03:58,970 --> 00:03:57,120

Potter it's a medial podcaster school

79

00:04:01,089 --> 00:03:58,980

that's what I'm sucking the life out of

80

00:04:03,830 --> 00:04:01,099

you right now

81

00:04:10,449 --> 00:04:03,840

and and then am I going to Mordor right

82

00:04:16,430 --> 00:04:13,990

we're going into them

83

00:04:18,530 --> 00:04:16,440

I love it man you guys are gonna be all

84

00:04:20,689 --> 00:04:18,540

kinds of fun I'm gonna I'm gonna reopen

85

00:04:23,390 --> 00:04:20,699

my notes here that when I restarted the

86

00:04:25,070 --> 00:04:23,400

computer for fear to clear out any of

87

00:04:28,550 --> 00:04:25,080

the the Gremlins that may have been

88

00:04:31,909 --> 00:04:28,560

inside uh and you know

89

00:04:35,390 --> 00:04:31,919

really when I I think about uh you too

90

00:04:38,270 --> 00:04:35,400

and I see the uh the vibrant colors that

91

00:04:40,010 --> 00:04:38,280

you posted it resonates with me and the

92

00:04:41,870 --> 00:04:40,020

co-conspirator of this joint that you

93

00:04:44,390 --> 00:04:41,880

see at the bottom of the screen money

94

00:04:46,430 --> 00:04:44,400

Nathan and it's just there's so much

95

00:04:47,749 --> 00:04:46,440

love that you're putting out to the

96

00:04:50,030 --> 00:04:47,759

universe and I think it's just

97

00:04:53,330 --> 00:04:50,040

indicative of the love between you two

98

00:04:56,090 --> 00:04:53,340

and it's very very inspiring so uh thank

99

00:04:58,430 --> 00:04:56,100

you for posting that stuff Bob I I I see

100

00:05:00,469 --> 00:04:58,440

it and uh and it makes me feel good you

101
00:05:02,930 --> 00:05:00,479
know it's like Nathan's AI artwork that

102
00:05:05,050 --> 00:05:02,940
says all these colors so thank you well

103
00:05:06,790 --> 00:05:05,060
I'm inspired by

104
00:05:10,070 --> 00:05:06,800
The

105
00:05:13,070 --> 00:05:10,080
Unbelievable artist sitting next to me

106
00:05:15,830 --> 00:05:13,080
so Lala bright this is the UFO Community

107
00:05:19,189 --> 00:05:15,840
does not know of her art ability but

108
00:05:21,409 --> 00:05:19,199
they will shortly so look she she does

109
00:05:23,810 --> 00:05:21,419
all sorts of things but in the but let

110
00:05:26,510 --> 00:05:23,820
me brag about one because I love to brag

111
00:05:28,129 --> 00:05:26,520
on she's a face painter now a lot of

112
00:05:30,230 --> 00:05:28,139
people don't know what that is but it's

113
00:05:33,230 --> 00:05:30,240

you know really truly fancy artwork

114

00:05:36,469 --> 00:05:33,240

makeup but Lyle O'Brien has done face

115

00:05:41,870 --> 00:05:36,479

painting on kids at the White House

116

00:05:44,930 --> 00:05:41,880

twice Jesus she's a serious artist does

117

00:05:46,670 --> 00:05:44,940

watercolor acrylic oil whatever and

118

00:05:47,450 --> 00:05:46,680

people will get to know that side of her

119

00:05:49,790 --> 00:05:47,460

Stone

120

00:05:51,830 --> 00:05:49,800

I'm gonna say this Lala you have made a

121

00:05:53,930 --> 00:05:51,840

podcast host here who needs some paint

122

00:05:55,730 --> 00:05:53,940

on his damn face to cover up what's

123

00:05:58,070 --> 00:05:55,740

happening and then maybe I won't have to

124

00:06:00,290 --> 00:05:58,080

wear these glasses okay

125

00:06:01,790 --> 00:06:00,300

all right so just get some brushes you

126
00:06:04,969 --> 00:06:01,800
can work some Miracles man add some

127
00:06:07,490 --> 00:06:04,979
waves yeah exactly yeah actually

128
00:06:09,490 --> 00:06:07,500
actually I'm 110 years old and she put

129
00:06:12,170 --> 00:06:09,500
makeup on me

130
00:06:13,610 --> 00:06:12,180
damn I'm gonna tell you what man then

131
00:06:14,830 --> 00:06:13,620
she definitely needs to go to work on

132
00:06:17,870 --> 00:06:14,840
this grill right now

133
00:06:19,850 --> 00:06:17,880
but um but yeah you got to meet uh money

134
00:06:22,490 --> 00:06:19,860
Nathan and our new one of our newest

135
00:06:24,529 --> 00:06:22,500
additions to cab matnap uh Bigfoot

136
00:06:26,210 --> 00:06:24,539
researcher out of Oklahoma we're

137
00:06:28,610 --> 00:06:26,220
extremely happy and proud to have him

138
00:06:31,070 --> 00:06:28,620

join the team and Debs who you know

139

00:06:38,270 --> 00:06:31,080

should be joining us later this girl

140

00:06:44,029 --> 00:06:40,010

do the short amount of time we have on

141

00:06:46,309 --> 00:06:44,039

this podcast to explain to you

142

00:06:48,409 --> 00:06:46,319

the importance of her to us don't you

143

00:06:51,590 --> 00:06:48,419

want to say that Deb shocked he's going

144

00:06:53,809 --> 00:06:51,600

oh my God I love her yeah yeah Deb is

145

00:06:55,129 --> 00:06:53,819

Deb is so dope man so talk about

146

00:06:58,070 --> 00:06:55,139

something she's done for you if you

147

00:07:00,409 --> 00:06:58,080

would just anything she's magical I

148

00:07:02,890 --> 00:07:00,419

swear every time I speak with her

149

00:07:06,830 --> 00:07:02,900

something

150

00:07:09,110 --> 00:07:06,840

paranormal happens and they love her and

151
00:07:12,650 --> 00:07:09,120
and she's the sweetest you could like

152
00:07:14,749 --> 00:07:12,660
rob a bank and she'd be like okay but

153
00:07:17,090 --> 00:07:14,759
nobody got hurt right I actually have

154
00:07:20,089 --> 00:07:17,100
and she was really great about it yeah

155
00:07:22,730 --> 00:07:20,099
she she did she did our regression so in

156
00:07:25,550 --> 00:07:22,740
my regression uh I'm laying on the bed

157
00:07:28,969 --> 00:07:25,560
all hypnotized and stuff talking some

158
00:07:31,129 --> 00:07:28,979
crazy stuff which I've Loved uh and

159
00:07:32,930 --> 00:07:31,139
outside we have these security cameras

160
00:07:35,710 --> 00:07:32,940
and they were disabled because it was

161
00:07:38,749 --> 00:07:35,720
daytime well a security camera came home

162
00:07:40,370 --> 00:07:38,759
and recorded a clear

163
00:07:43,010 --> 00:07:40,380

uh uh

164

00:07:43,870 --> 00:07:43,020

uh invisible Predator walking across our

165

00:07:46,129 --> 00:07:43,880

deck

166

00:07:48,469 --> 00:07:46,139

totally clear

167

00:07:50,629 --> 00:07:48,479

I mean I mean like the Rippling moves

168

00:07:52,490 --> 00:07:50,639

and you could see that it was a humanoid

169

00:07:54,589 --> 00:07:52,500

and it walked across the deck but you

170

00:07:57,050 --> 00:07:54,599

couldn't see me see it you could see the

171

00:07:59,629 --> 00:07:57,060

background through it wiggling you can

172

00:08:01,550 --> 00:07:59,639

see its shape I'm talking exit stage

173

00:08:03,650 --> 00:08:01,560

left if I see that that's all I got to

174

00:08:05,570 --> 00:08:03,660

say yeah oh it was long after it was

175

00:08:07,850 --> 00:08:05,580

gone and not there but it was on the

176

00:08:09,290 --> 00:08:07,860

video recorded I have a feeling though

177

00:08:12,170 --> 00:08:09,300

you're talking about a different Deb

178

00:08:14,589 --> 00:08:12,180

than our Deb our Deb met you at the

179

00:08:18,170 --> 00:08:14,599

Symposium oh I'm sorry

180

00:08:21,529 --> 00:08:18,180

no this lady is

181

00:08:23,330 --> 00:08:21,539

yeah yeah and and uh she's been with us

182

00:08:25,730 --> 00:08:23,340

she has her own show called Deb's data

183

00:08:27,529 --> 00:08:25,740

dojo and she's been with us you know

184

00:08:29,809 --> 00:08:27,539

almost since the beginning we probably

185

00:08:34,269 --> 00:08:29,819

were about five episodes in by the time

186

00:08:39,170 --> 00:08:37,010

well you know okay it's okay because I

187

00:08:40,909 --> 00:08:39,180

you as the person you described sounds a

188

00:08:43,130 --> 00:08:40,919

lot like the dev that we know so we we

189

00:08:44,530 --> 00:08:43,140

felt like it was right on the money not

190

00:08:47,329 --> 00:08:44,540

on a Monday night

191

00:08:49,610 --> 00:08:47,339

okay so covered for me brother yeah no

192

00:08:52,310 --> 00:08:49,620

worries no worries quick story about Deb

193

00:08:55,490 --> 00:08:52,320

before I asked you the before I have you

194

00:08:57,530 --> 00:08:55,500

participate in our cab uh study of UFO

195

00:08:59,750 --> 00:08:57,540

phds that these two know that we're

196

00:09:01,490 --> 00:08:59,760

doing but so Deb goes to a restaurant

197

00:09:04,550 --> 00:09:01,500

with her family there in in Baltimore

198

00:09:06,889 --> 00:09:04,560

area and the waiter tells her that it's

199

00:09:09,710 --> 00:09:06,899

an older restaurant that is haunted and

200

00:09:12,470 --> 00:09:09,720

he goes yeah we have a problem with a

201
00:09:16,370 --> 00:09:12,480
haunting in the bathroom upstairs Deb

202
00:09:18,230 --> 00:09:16,380
being Deb is like UPS I got this man you

203
00:09:20,030 --> 00:09:18,240
know Little Don Knotts pull up on the

204
00:09:21,410 --> 00:09:20,040
trousers I'm gonna go upstairs and

205
00:09:24,650 --> 00:09:21,420
handle this

206
00:09:28,250 --> 00:09:24,660
goes upstairs goes in the bathroom

207
00:09:31,930 --> 00:09:28,260
the door swings closed on it on its own

208
00:09:35,030 --> 00:09:31,940
and she's like okay I'm out

209
00:09:41,389 --> 00:09:35,040
investigation over I'm going back to my

210
00:09:45,710 --> 00:09:43,490
stand outside the building

211
00:09:47,930 --> 00:09:45,720
I see this stuff going on here and

212
00:09:50,030 --> 00:09:47,940
here's what I think it is let me see if

213
00:09:53,690 --> 00:09:50,040

I can handle this and she will go in or

214

00:09:56,389 --> 00:09:53,700

she won't based on what she sees but uh

215

00:09:58,790 --> 00:09:56,399

Spirits are spirits they're not whether

216

00:10:01,310 --> 00:09:58,800

they're ET or a ghost she'll let her

217

00:10:03,889 --> 00:10:01,320

tell you she she talks to all of them

218

00:10:06,350 --> 00:10:03,899

I I don't I can't Amy Allen you know

219

00:10:09,050 --> 00:10:06,360

people I don't that more people don't

220

00:10:11,690 --> 00:10:09,060

know her the stuff she does is amazing

221

00:10:13,310 --> 00:10:11,700

and and how she's able to gather the

222

00:10:15,710 --> 00:10:13,320

entire history on her property and the

223

00:10:17,449 --> 00:10:15,720

people in it while not having gone to

224

00:10:19,370 --> 00:10:17,459

you know City Hall and pulled the

225

00:10:21,110 --> 00:10:19,380

records is pretty amazing anybody out

226

00:10:23,690 --> 00:10:21,120

there Amy Allen I can't remember the

227

00:10:26,509 --> 00:10:23,700

name of that show on Travel Channel dead

228

00:10:30,910 --> 00:10:26,519

file she's amazing her and her partner

229

00:10:33,590 --> 00:10:30,920

um let's get into our Steve yeah

230

00:10:35,150 --> 00:10:33,600

that does all the stuff that confirms

231

00:10:36,829 --> 00:10:35,160

what she sees

232

00:10:38,150 --> 00:10:36,839

you know Bob if only you were a little

233

00:10:39,889 --> 00:10:38,160

more on your game this guy is no

234

00:10:42,530 --> 00:10:39,899

information Nathan I mean what are we

235

00:10:45,769 --> 00:10:42,540

doing here all right so

236

00:10:48,470 --> 00:10:45,779

all right so um we have this study that

237

00:10:50,690 --> 00:10:48,480

cab is doing and it was based on an

238

00:10:53,090 --> 00:10:50,700

innocuous question to Dr Jeff [h__h]

239

00:10:55,910 --> 00:10:53,100

which then went to Dr Sean s Bjorn

240

00:10:59,329 --> 00:10:55,920

hargens which then went to Dr Gary Nolan

241

00:11:01,610 --> 00:10:59,339

and now to Dr Bob Science Bob McGuire so

242

00:11:03,110 --> 00:11:01,620

well that's that's August company and I

243

00:11:04,970 --> 00:11:03,120

know all of them and they know me so

244

00:11:07,250 --> 00:11:04,980

let's go I hope I don't embarrass them

245

00:11:08,210 --> 00:11:07,260

oh not at all I don't think you can in

246

00:11:09,889 --> 00:11:08,220

this one

247

00:11:12,530 --> 00:11:09,899

um so the question is about your

248

00:11:14,810 --> 00:11:12,540

preference in potato chips and we're

249

00:11:18,110 --> 00:11:14,820

trying to see we're Gathering data Trend

250

00:11:22,670 --> 00:11:18,120

data on the potato chip preferences of

251
00:11:24,290 --> 00:11:22,680
UFO phds so so we're going to give you a

252
00:11:28,670 --> 00:11:24,300
couple of choices here

253
00:11:32,329 --> 00:11:28,680
are you a sea salt only chip either

254
00:11:35,449 --> 00:11:32,339
Ridge or not ridged chips are you a

255
00:11:36,889 --> 00:11:35,459
seasoned chip person that would be b or

256
00:11:39,949 --> 00:11:36,899
are you C

257
00:11:42,050 --> 00:11:39,959
uh are you sort of omni chip or what did

258
00:11:44,630 --> 00:11:42,060
one of our our guests called it polychip

259
00:11:48,110 --> 00:11:44,640
so uh what is your preference in potato

260
00:11:51,110 --> 00:11:48,120
chip Science Bob C polychip

261
00:11:53,150 --> 00:11:51,120
oh my goodness Nathan

262
00:11:54,949 --> 00:11:53,160
should we release the data or do you

263
00:11:57,350 --> 00:11:54,959

think we need to have this peer reviewed

264

00:11:59,650 --> 00:11:57,360

and I I mean we uh this is getting

265

00:12:03,350 --> 00:11:59,660

pretty compelling djm

266

00:12:05,810 --> 00:12:03,360

I'm uh three for three on the potato

267

00:12:08,509 --> 00:12:05,820

chip well you have there is there is an

268

00:12:09,530 --> 00:12:08,519

outlier doctor there is this in this

269

00:12:10,810 --> 00:12:09,540

cohort

270

00:12:12,949 --> 00:12:10,820

there is

271

00:12:16,730 --> 00:12:12,959

you know you could guess who it might be

272

00:12:19,130 --> 00:12:16,740

but uh it I think should we withhold

273

00:12:21,230 --> 00:12:19,140

until we get to Dr pasoka maybe we

274

00:12:23,090 --> 00:12:21,240

should maybe we should okay for our

275

00:12:24,769 --> 00:12:23,100

final findings but so far we've got some

276

00:12:27,350 --> 00:12:24,779

pretty strong

277

00:12:30,889 --> 00:12:27,360

correlative evidence to look at here

278

00:12:33,170 --> 00:12:30,899

this is big I mean Bob is there is there

279

00:12:35,449 --> 00:12:33,180

I just want to make sure because I I

280

00:12:37,610 --> 00:12:35,459

like a lot of chips too okay I'm a big

281

00:12:39,590 --> 00:12:37,620

chip fan but is there a chip you

282

00:12:41,269 --> 00:12:39,600

wouldn't eat because like for me I and

283

00:12:42,530 --> 00:12:41,279

I'll I'll go out there I'll put myself

284

00:12:44,509 --> 00:12:42,540

out there I don't like the salt and

285

00:12:46,310 --> 00:12:44,519

vinegar I know that's controversial some

286

00:12:50,530 --> 00:12:46,320

people love them the salt and vinegar

287

00:12:56,990 --> 00:12:54,110

chips but I eat barbecue I eat Charles

288

00:12:58,930 --> 00:12:57,000

Chips I eat all flavored chips dill

289

00:13:02,150 --> 00:12:58,940

pickle chips

290

00:13:04,490 --> 00:13:02,160

wow he this is a true poly chip it's

291

00:13:06,290 --> 00:13:04,500

true he is polyamorous when it comes to

292

00:13:08,590 --> 00:13:06,300

chips I love it yeah so there's no

293

00:13:12,230 --> 00:13:08,600

question polychiperous

294

00:13:14,569 --> 00:13:12,240

there we go nailed it really be careful

295

00:13:16,190 --> 00:13:14,579

of that word polyamorous I do not want

296

00:13:19,730 --> 00:13:16,200

to get home

297

00:13:21,350 --> 00:13:19,740

yeah I said I qualified it Bob when it

298

00:13:23,449 --> 00:13:21,360

comes to chips

299

00:13:25,790 --> 00:13:23,459

you love you love multiple types of

300

00:13:27,590 --> 00:13:25,800

chips that's fair all right

301

00:13:29,030 --> 00:13:27,600

um I'm gonna get to my first serious

302

00:13:31,190 --> 00:13:29,040

question I know you thought that the

303

00:13:34,370 --> 00:13:31,200

potato chip one was serious Bob but it

304

00:13:37,850 --> 00:13:34,380

actually wasn't uh that was our um uh

305

00:13:40,730 --> 00:13:37,860

that was our our our opening Icebreaker

306

00:13:42,350 --> 00:13:40,740

um so anyway anyway now to all right I'm

307

00:13:44,769 --> 00:13:42,360

gonna get serious now here I go Nathan

308

00:13:49,250 --> 00:13:44,779

mm-hmm

309

00:13:53,810 --> 00:13:49,260

okay so uh Bob what I'm curious about

310

00:13:56,389 --> 00:13:53,820

having listened to you again it was very

311

00:13:59,629 --> 00:13:56,399

um inspiring to hear

312

00:14:02,990 --> 00:13:59,639

um I I don't know I I mean I had heard

313

00:14:06,470 --> 00:14:03,000

you before you uh you you met Lala and

314

00:14:09,170 --> 00:14:06,480

after and I'm curious in what ways

315

00:14:12,889 --> 00:14:09,180

has the framework through which you view

316

00:14:16,550 --> 00:14:12,899

or study the phenomenon shifted as a

317

00:14:19,430 --> 00:14:16,560

result of your meeting and becoming

318

00:14:22,250 --> 00:14:19,440

acquainted with Lala Okay so

319

00:14:24,290 --> 00:14:22,260

that's that's really I'll just go

320

00:14:26,269 --> 00:14:24,300

through the story and you you guys can

321

00:14:28,069 --> 00:14:26,279

tell me to cut off or say oh that's

322

00:14:30,170 --> 00:14:28,079

enough but anyway let's discuss the

323

00:14:33,410 --> 00:14:30,180

entire story is interesting

324

00:14:35,690 --> 00:14:33,420

so uh I'm gonna jump to the beginning of

325

00:14:40,129 --> 00:14:35,700

my serious interaction with paranormal

326

00:14:42,350 --> 00:14:40,139

and UFOs was me requesting in 2019 to go

327

00:14:44,329 --> 00:14:42,360

visit Chris Bledsoe so I went and

328

00:14:48,769 --> 00:14:44,339

visited Chris and I left there with a

329

00:14:51,530 --> 00:14:48,779

hitchhiker we saw UFOs orbs Critters uh

330

00:14:53,750 --> 00:14:51,540

flash votes in the air purple auras and

331

00:14:56,750 --> 00:14:53,760

I got photos all of all the stuff in

332

00:14:59,629 --> 00:14:56,760

videos so Chris Chris did something the

333

00:15:03,110 --> 00:14:59,639

person who went with me came home uh

334

00:15:05,810 --> 00:15:03,120

they had right side weakness and almost

335

00:15:08,689 --> 00:15:05,820

drove their foot from a stroke and two

336

00:15:11,269 --> 00:15:08,699

weeks later after The Hitchhiker did a

337

00:15:15,170 --> 00:15:11,279

number on us and convinced us they were

338

00:15:16,910 --> 00:15:15,180

there uh uh the person was healed to the

339

00:15:18,889 --> 00:15:16,920

point where the neurosurgeon released

340

00:15:20,870 --> 00:15:18,899

them and told them they did not need to

341

00:15:21,949 --> 00:15:20,880

go back because they couldn't even find

342

00:15:24,110 --> 00:15:21,959

the lesions

343

00:15:26,090 --> 00:15:24,120

so the stories of Chris Bledsoe doing

344

00:15:30,710 --> 00:15:26,100

the healing I have personally

345

00:15:35,449 --> 00:15:30,720

experienced okay so well I did a I did a

346

00:15:40,610 --> 00:15:35,459

UFO con slide Deck with Chris for his

347

00:15:44,030 --> 00:15:40,620

first serious Public Presentation of the

348

00:15:46,490 --> 00:15:44,040

data that videos the audio the other

349

00:15:50,329 --> 00:15:46,500

stuff the people who's met the people

350

00:15:53,509 --> 00:15:50,339

have been there at ufocon 2020. at

351

00:15:56,030 --> 00:15:53,519

ufocon in 2020 I met Dave Scott

352

00:15:59,090 --> 00:15:56,040

and Dave Scott invited me to be on his

353

00:16:00,650 --> 00:15:59,100

spaced out radio show and he gave me the

354

00:16:03,829 --> 00:16:00,660

name Science Bob

355

00:16:07,430 --> 00:16:03,839

so wow oh yeah so here we let's jump

356

00:16:12,110 --> 00:16:07,440

forward to 2020 uh 2022

357

00:16:15,230 --> 00:16:12,120

A lot's happened but anyway 2022 and

358

00:16:18,110 --> 00:16:15,240

um Lala has seen me on the Science Bob

359

00:16:20,210 --> 00:16:18,120

and other things on spaced out radio so

360

00:16:22,430 --> 00:16:20,220

she and I became Facebook friends it was

361

00:16:24,410 --> 00:16:22,440

no big deal otherwise he had a like here

362

00:16:29,629 --> 00:16:24,420

hit a like there that's interesting okay

363

00:16:32,150 --> 00:16:29,639

so so destiniel so uh in April of last

364

00:16:34,610 --> 00:16:32,160

year my mother passed but before my

365

00:16:36,110 --> 00:16:34,620

mother passed Lala told me hey when your

366

00:16:37,249 --> 00:16:36,120

mother passes come back and I'll give

367

00:16:40,790 --> 00:16:37,259

you a reading

368

00:16:42,710 --> 00:16:40,800

and I went oh okay so she was nice but

369

00:16:47,449 --> 00:16:42,720

I'm making it short so we don't take all

370

00:16:50,509 --> 00:16:47,459

night okay so uh the the a Deb so uh the

371

00:16:53,870 --> 00:16:50,519

the uh the I went over to visit my

372

00:16:56,569 --> 00:16:53,880

mother and while I was there they had

373

00:16:59,509 --> 00:16:56,579

they invoked her Advanced Medical

374

00:17:01,550 --> 00:16:59,519

directive and put her on hospice and we

375

00:17:04,549 --> 00:17:01,560

knew it was coming to an end I'm going

376

00:17:06,409 --> 00:17:04,559

wow this woman I just met on Facebook

377

00:17:08,750 --> 00:17:06,419

told me my mother was going to pass and

378

00:17:10,069 --> 00:17:08,760

here it is happening so anyway she was

379

00:17:12,590 --> 00:17:10,079

very nice about it but that but that's

380

00:17:14,750 --> 00:17:12,600

the suggested it okay so while I was

381

00:17:17,270 --> 00:17:14,760

there I watched my mother go really

382

00:17:19,610 --> 00:17:17,280

really badly off into a coma and then

383

00:17:21,890 --> 00:17:19,620

pop off away and talk to our dead

384

00:17:23,270 --> 00:17:21,900

relatives and then go back into the a

385

00:17:26,150 --> 00:17:23,280

coma and pass

386

00:17:27,829 --> 00:17:26,160

okay Solomon now I'm really going to

387

00:17:30,169 --> 00:17:27,839

talk to Lala so we went through the

388

00:17:32,990 --> 00:17:30,179

funeral all those stuff I finally make

389

00:17:35,029 --> 00:17:33,000

it back home I get on uh our

390

00:17:37,549 --> 00:17:35,039

communication Channel she and I had

391

00:17:39,529 --> 00:17:37,559

which is the Facebook messenger and we

392

00:17:42,049 --> 00:17:39,539

start I told her okay I want the reading

393

00:17:46,070 --> 00:17:42,059

it's because I'm now quite curious

394

00:17:47,750 --> 00:17:46,080

so she got on and within moments

395

00:17:49,669 --> 00:17:47,760

I had to kind of confirmed in my head

396

00:17:52,370 --> 00:17:49,679

okay she really is talking to my mother

397

00:17:54,890 --> 00:17:52,380

so it's clear and her that she was

398

00:17:57,890 --> 00:17:54,900

buoyed by the fact that I thought she

399

00:17:59,330 --> 00:17:57,900

was talking my mother so then the pace

400

00:18:02,630 --> 00:17:59,340

picked up

401
00:18:05,390 --> 00:18:02,640
and then after her confidence grows it

402
00:18:09,230 --> 00:18:05,400
turns into lightning speed so she

403
00:18:12,230 --> 00:18:09,240
quickly told me five or six things I

404
00:18:14,409 --> 00:18:12,240
can't remember which I have a transcript

405
00:18:17,810 --> 00:18:14,419
so I could go a little bit anyway five

406
00:18:21,169 --> 00:18:17,820
five things which I caught five my

407
00:18:25,150 --> 00:18:21,179
mother knew and I knew but no one else

408
00:18:31,190 --> 00:18:28,730
she's getting it out of my brain okay so

409
00:18:34,250 --> 00:18:31,200
it's like she and my she and or my

410
00:18:36,830 --> 00:18:34,260
mother heard me think this because the

411
00:18:38,870 --> 00:18:36,840
next few things my mother told me

412
00:18:41,210 --> 00:18:38,880
I didn't know

413
00:18:43,549 --> 00:18:41,220

none of my siblings knew

414

00:18:44,930 --> 00:18:43,559

but between the five of us we confirmed

415

00:18:46,130 --> 00:18:44,940

all of them with our friends and

416

00:18:49,010 --> 00:18:46,140

relatives

417

00:18:52,070 --> 00:18:49,020

okay so it was like wow

418

00:18:55,250 --> 00:18:52,080

okay so I'm kind of emotional because my

419

00:18:58,370 --> 00:18:55,260

mother just passed and then

420

00:19:01,730 --> 00:18:58,380

um she stops and says hey there's this

421

00:19:04,610 --> 00:19:01,740

little five foot two feisty lady come up

422

00:19:07,010 --> 00:19:04,620

here button in she's got curly brown

423

00:19:09,169 --> 00:19:07,020

hair with red highlights and I she has

424

00:19:10,970 --> 00:19:09,179

this thick southern accent and I can't

425

00:19:12,830 --> 00:19:10,980

even understand her but I keep hearing

426

00:19:13,549 --> 00:19:12,840

his word and I don't understand what it

427

00:19:23,330 --> 00:19:13,559

is

428

00:19:26,270 --> 00:19:23,340

that's when I lost it

429

00:19:27,470 --> 00:19:26,280

truly lost it I mean I was like beside

430

00:19:29,630 --> 00:19:27,480

myself

431

00:19:32,510 --> 00:19:29,640

when I was one year old my grandmother

432

00:19:35,029 --> 00:19:32,520

would gradually keep me and she would

433

00:19:38,090 --> 00:19:35,039

call me sweetie and I wasn't talking too

434

00:19:40,010 --> 00:19:38,100

well so I called her Tweety and that's

435

00:19:42,770 --> 00:19:40,020

the name my grandmother had for all

436

00:19:45,710 --> 00:19:42,780

grandkids until she passed she was doing

437

00:19:48,590 --> 00:19:45,720

me to all of us there is no way she knew

438

00:19:50,270 --> 00:19:48,600

this I mean it's just no way and she

439

00:19:53,390 --> 00:19:50,280

could have found out my grandmother's

440

00:19:55,130 --> 00:19:53,400

name was Lois McGuire there's no way she

441

00:19:57,830 --> 00:19:55,140

could have found out that I called her

442

00:20:00,409 --> 00:19:57,840

Tweety this is no way and she did that

443

00:20:02,110 --> 00:20:00,419

since the 1980s okay so that was before

444

00:20:07,370 --> 00:20:02,120

she was born

445

00:20:08,409 --> 00:20:07,380

decent so anyway

446

00:20:10,610 --> 00:20:08,419

um

447

00:20:13,810 --> 00:20:10,620

uh oh dear I'm not supposed to tell you

448

00:20:16,610 --> 00:20:13,820

how old you are am I yeah

449

00:20:17,950 --> 00:20:16,620

it reminds me of fresh freshman year of

450

00:20:21,130 --> 00:20:17,960

high school

451
00:20:24,529 --> 00:20:21,140
so yeah yeah so uh

452
00:20:25,789 --> 00:20:24,539
so we we start talking about all sorts

453
00:20:28,070 --> 00:20:25,799
of paranormal

454
00:20:31,250 --> 00:20:28,080
and she starts telling me about some of

455
00:20:36,289 --> 00:20:31,260
her quote dreams and the dreams I

456
00:20:40,010 --> 00:20:36,299
realized are recovering memories of her

457
00:20:41,270 --> 00:20:40,020
alien abductions and so I interact with

458
00:20:42,710 --> 00:20:41,280
her I don't want to tell all these

459
00:20:45,289 --> 00:20:42,720
stories I want her to tell somebody's

460
00:20:48,230 --> 00:20:45,299
story but anyway we get we continue to

461
00:20:50,390 --> 00:20:48,240
grow in our talking relationship and I

462
00:20:52,190 --> 00:20:50,400
went and met her so we established a

463
00:20:54,070 --> 00:20:52,200

business which is right now in highest

464

00:20:56,630 --> 00:20:54,080

but we're going to bring it back

465

00:21:02,150 --> 00:20:56,640

okay so anyway we started some business

466

00:21:09,230 --> 00:21:06,289

and so we started a relationship and now

467

00:21:11,870 --> 00:21:09,240

we lived we live together in Maryland I

468

00:21:13,370 --> 00:21:11,880

sold my house in Alabama and moved to

469

00:21:15,650 --> 00:21:13,380

Maryland

470

00:21:17,450 --> 00:21:15,660

it's beautiful it really it really is I

471

00:21:20,029 --> 00:21:17,460

mean you could see it you could feel it

472

00:21:22,430 --> 00:21:20,039

I could feel it and listening to you

473

00:21:25,190 --> 00:21:22,440

guys on other podcasts and you're on a

474

00:21:28,190 --> 00:21:25,200

podcast that loves love because we are

475

00:21:30,230 --> 00:21:28,200

co-conspirators and positivity on this

476

00:21:32,210 --> 00:21:30,240

joint so watch yourself hurt why don't

477

00:21:34,070 --> 00:21:32,220

you let her tell about some of the stuff

478

00:21:36,169 --> 00:21:34,080

that happened here Paul let me let me

479

00:21:38,690 --> 00:21:36,179

refocus the question because the

480

00:21:41,630 --> 00:21:38,700

question we didn't get to the question

481

00:21:44,510 --> 00:21:41,640

was basically how you viewed the

482

00:21:46,669 --> 00:21:44,520

phenomenon prior to meeting her and how

483

00:21:48,470 --> 00:21:46,679

you viewed it now were you so in other

484

00:21:50,630 --> 00:21:48,480

words if I were to just expound upon

485

00:21:53,149 --> 00:21:50,640

that were you more nuts and bolts were

486

00:21:55,750 --> 00:21:53,159

you you know were you more scientific

487

00:21:57,890 --> 00:21:55,760

and now looking into the more

488

00:21:59,750 --> 00:21:57,900

consciousness-based aspects that that

489

00:22:03,830 --> 00:21:59,760

was sort of the where I was going with

490

00:22:05,990 --> 00:22:03,840

that I drove her absolutely crazy

491

00:22:09,289 --> 00:22:06,000

the first part of our relationship

492

00:22:11,690 --> 00:22:09,299

trying to get her to get the aliens to

493

00:22:13,669 --> 00:22:11,700

tell me how the craft work

494

00:22:15,830 --> 00:22:13,679

and

495

00:22:18,529 --> 00:22:15,840

hey did you tell him the dilithium

496

00:22:22,970 --> 00:22:18,539

crystals Lala did you

497

00:22:26,570 --> 00:22:23,990

you know

498

00:22:29,510 --> 00:22:26,580

what I was told told John was

499

00:22:32,409 --> 00:22:29,520

has to work on ego before they would say

500

00:22:38,270 --> 00:22:32,419

anything like that what

501
00:22:40,789 --> 00:22:38,280
PhD with ego come on that's not true

502
00:22:44,390 --> 00:22:40,799
okay as they would any of us I'm sure

503
00:22:46,070 --> 00:22:44,400
especially me it's gone from me wanting

504
00:22:49,430 --> 00:22:46,080
nuts and bolts craft

505
00:22:50,990 --> 00:22:49,440
to in a year me and knowing I don't care

506
00:22:52,130 --> 00:22:51,000
about the nuts and bolts crap I don't

507
00:22:54,950 --> 00:22:52,140
care at all

508
00:22:57,230 --> 00:22:54,960
because it's all about Consciousness we

509
00:23:00,470 --> 00:22:57,240
are all energy

510
00:23:03,110 --> 00:23:00,480
and the energy takes different forms E

511
00:23:05,390 --> 00:23:03,120
equals $m c^2$ so the energy can be

512
00:23:08,149 --> 00:23:05,400
converted into mass and the mass can

513
00:23:10,310 --> 00:23:08,159

take different forms and so all the

514

00:23:13,610 --> 00:23:10,320

things we see fly in the sky all of us

515

00:23:16,250 --> 00:23:13,620

here all the table I'm sitting out in a

516

00:23:18,529 --> 00:23:16,260

chair I'm on it's all mass and energy

517

00:23:20,450 --> 00:23:18,539

and all of it's related and

518

00:23:23,390 --> 00:23:20,460

Consciousness is the thing that binds

519

00:23:25,850 --> 00:23:23,400

the universe together that is a rapid

520

00:23:29,090 --> 00:23:25,860

change from a applied mathematician with

521

00:23:31,130 --> 00:23:29,100

a PhD who minored in physics okay I'm

522

00:23:33,049 --> 00:23:31,140

just saying this is a major change hey

523

00:23:34,730 --> 00:23:33,059

Bob this is the problem is right now I

524

00:23:37,909 --> 00:23:34,740

have too much mass and not enough energy

525

00:23:39,169 --> 00:23:37,919

so if I could somehow convert one into

526

00:23:42,470 --> 00:23:39,179

the other I think we'd be in business

527

00:23:45,409 --> 00:23:42,480

but I have to turn you guys over

528

00:23:48,289 --> 00:23:45,419

to the capable hands of my

529

00:23:51,830 --> 00:23:48,299

co-conspirator in this joint known as

530

00:23:53,930 --> 00:23:51,840

calling all beings money Nathan okay yes

531

00:23:55,610 --> 00:23:53,940

great to talk with you guys

532

00:23:57,590 --> 00:23:55,620

um Lala I would love for you to talk a

533

00:23:59,810 --> 00:23:57,600

little bit about because not as many

534

00:24:01,310 --> 00:23:59,820

folks are familiar with the things that

535

00:24:03,350 --> 00:24:01,320

you do and Bob did a great job

536

00:24:05,630 --> 00:24:03,360

explaining some of your amazing skill

537

00:24:07,549 --> 00:24:05,640

and I was wondering how did that happen

538

00:24:10,250 --> 00:24:07,559

for you is it something you've had your

539

00:24:12,649 --> 00:24:10,260

entire life has this uh developed more

540

00:24:14,149 --> 00:24:12,659

over time what would you say are the

541

00:24:15,950 --> 00:24:14,159

benefits but also maybe some of the

542

00:24:20,169 --> 00:24:15,960

downsides of having the uh the

543

00:24:24,529 --> 00:24:20,179

mediumship ability so I was born with it

544

00:24:26,510 --> 00:24:24,539

and my dad had it too he was uh he did

545

00:24:30,169 --> 00:24:26,520

Reiki and

546

00:24:33,830 --> 00:24:30,179

um other things like that so he tried to

547

00:24:37,789 --> 00:24:33,840

help me along the way but my mom was

548

00:24:39,350 --> 00:24:37,799

wanting me to be you know normal so I

549

00:24:41,990 --> 00:24:39,360

would kind of push it away for a long

550

00:24:43,190 --> 00:24:42,000

time and you know bullying and all that

551
00:24:44,930 --> 00:24:43,200
stuff

552
00:24:51,049 --> 00:24:44,940
but

553
00:24:53,710 --> 00:24:51,059
I guess I it got more strong when I

554
00:24:57,169 --> 00:24:53,720
decided not to hide from it anymore

555
00:24:58,390 --> 00:24:57,179
so a few years ago I lost my parents and

556
00:25:02,630 --> 00:24:58,400
boyfriend

557
00:25:04,909 --> 00:25:02,640
and I hated how it felt and I wanted to

558
00:25:07,850 --> 00:25:04,919
help other people feel better

559
00:25:09,590 --> 00:25:07,860
and that's how I found Bob the spirits

560
00:25:12,590 --> 00:25:09,600
kind of find me

561
00:25:15,529 --> 00:25:12,600
to talk to the person because I'm super

562
00:25:17,149 --> 00:25:15,539
shy and I wouldn't normally do that but

563
00:25:18,649 --> 00:25:17,159

they're just like okay this person say

564

00:25:21,110 --> 00:25:18,659

this so I'm like I'm sorry to sound

565

00:25:21,890 --> 00:25:21,120

weird but I have a message for you you

566

00:25:23,930 --> 00:25:21,900

know

567

00:25:27,350 --> 00:25:23,940

but yeah it's interesting and I didn't

568

00:25:29,990 --> 00:25:27,360

know I was talking to other beings until

569

00:25:32,570 --> 00:25:30,000

I met Bob because I knew that the

570

00:25:35,210 --> 00:25:32,580

spirits felt different I knew that the

571

00:25:38,630 --> 00:25:35,220

aliens felt different but I didn't know

572

00:25:41,149 --> 00:25:38,640

why there are more business and ghosts

573

00:25:43,789 --> 00:25:41,159

people Spirits are very emotional

574

00:25:46,010 --> 00:25:43,799

they're the same you know

575

00:25:47,090 --> 00:25:46,020

I I would like for you to expand on that

576

00:25:50,029 --> 00:25:47,100

a little bit because I've heard others

577

00:25:53,450 --> 00:25:50,039

say something similar that human emotion

578

00:25:55,730 --> 00:25:53,460

is uh in some ways alien to the

579

00:25:58,549 --> 00:25:55,740

non-human intelligences that there's

580

00:26:01,130 --> 00:25:58,559

something about our ability to emote and

581

00:26:02,930 --> 00:26:01,140

feel that they don't quite understand so

582

00:26:05,090 --> 00:26:02,940

what what's it like interacting with an

583

00:26:06,549 --> 00:26:05,100

entity that just doesn't quite get how

584

00:26:10,310 --> 00:26:06,559

we feel about things

585

00:26:12,649 --> 00:26:10,320

so they understand and cater to our

586

00:26:16,490 --> 00:26:12,659

feelings but they just can't show it

587

00:26:20,630 --> 00:26:16,500

they do it in ways of being kind or or

588

00:26:23,029 --> 00:26:20,640

helpful but they don't get upset like us

589

00:26:24,710 --> 00:26:23,039

and things like that

590

00:26:27,830 --> 00:26:24,720

gotcha

591

00:26:29,510 --> 00:26:27,840

um are they uh and do you have instances

592

00:26:32,149 --> 00:26:29,520

where you're interacting with both

593

00:26:34,310 --> 00:26:32,159

humans and alien intelligence at the

594

00:26:36,830 --> 00:26:34,320

same time or they kind of is it sort of

595

00:26:46,970 --> 00:26:36,840

like a chorus of voices there what's

596

00:26:53,810 --> 00:26:49,810

it and then I'll come back to an alien

597

00:26:55,970 --> 00:26:53,820

it it kind of opens doors each time to

598

00:26:58,490 --> 00:26:55,980

other beings it's really interesting

599

00:27:00,590 --> 00:26:58,500

actually that sounds fascinating and the

600

00:27:04,490 --> 00:27:00,600

uh I've heard too that some people can

601
00:27:05,990 --> 00:27:04,500
have kind of uh different energetic

602
00:27:07,730 --> 00:27:06,000
lineages may be the right way to

603
00:27:10,070 --> 00:27:07,740
describe it so like some people have

604
00:27:12,350 --> 00:27:10,080
through their incarnations for example

605
00:27:15,710 --> 00:27:12,360
have you know human histories and then

606
00:27:17,269 --> 00:27:15,720
some have maybe more alien histories do

607
00:27:18,649 --> 00:27:17,279
you find that to be true in your

608
00:27:21,710 --> 00:27:18,659
experience

609
00:27:23,810 --> 00:27:21,720
I I know that's true I haven't met

610
00:27:26,870 --> 00:27:23,820
anyone yet that I read that from but

611
00:27:29,149 --> 00:27:26,880
that is that is correct

612
00:27:31,010 --> 00:27:29,159
we've done we were different being well

613
00:27:34,610 --> 00:27:31,020

I mean I think people are hybrids I've

614

00:27:38,510 --> 00:27:34,620

I've met hybrids but

615

00:27:40,970 --> 00:27:38,520

you know I think that we could uh she

616

00:27:43,610 --> 00:27:40,980

thinks she's a hybrid I know I'm

617

00:27:45,350 --> 00:27:43,620

different yeah I just am I I'm O

618

00:27:48,049 --> 00:27:45,360

Negative I think there's a thing to that

619

00:27:50,930 --> 00:27:48,059

too I don't know what nobody has an

620

00:27:53,090 --> 00:27:50,940

answer to the O Negative not one person

621

00:27:55,310 --> 00:27:53,100

and I find that interesting we know

622

00:27:57,409 --> 00:27:55,320

everything else in the world but for

623

00:28:00,529 --> 00:27:57,419

some reason we can't figure that out

624

00:28:02,269 --> 00:28:00,539

and it's just it makes sense that

625

00:28:04,570 --> 00:28:02,279

they're I'm a little different and she's

626

00:28:08,269 --> 00:28:04,580

she's back descent

627

00:28:10,430 --> 00:28:08,279

basket oh wow like uh over in uh Spain

628

00:28:12,049 --> 00:28:10,440

where all of them are all negative and

629

00:28:15,470 --> 00:28:12,059

their genetics doesn't fit with anybody

630

00:28:17,510 --> 00:28:15,480

else's fascinating and by the way Nathan

631

00:28:20,690 --> 00:28:17,520

my energy lineage runs from Red Bull

632

00:28:22,730 --> 00:28:20,700

directly to me yeah and then it results

633

00:28:25,070 --> 00:28:22,740

in output that's right so anyway yeah

634

00:28:27,649 --> 00:28:25,080

yeah I mean we gotta we gotta pass it

635

00:28:29,330 --> 00:28:27,659

over to Deb I know she's uh she has she

636

00:28:31,190 --> 00:28:29,340

got here as fast as she is humanly

637

00:28:33,169 --> 00:28:31,200

possible I'm sure that there are people

638

00:28:35,330 --> 00:28:33,179

on the highway we're just pull over if

639

00:28:37,210 --> 00:28:35,340

his dad was just get out of my way

640

00:28:40,370 --> 00:28:37,220

exactly

641

00:28:44,450 --> 00:28:40,380

what you got I'm I'm sad because I

642

00:28:48,049 --> 00:28:44,460

missed the chip answer but I'm here so

643

00:28:50,090 --> 00:28:48,059

um I wanted to ask because both of you

644

00:28:52,010 --> 00:28:50,100

receive information

645

00:28:54,409 --> 00:28:52,020

um and I know that you know Bob you've

646

00:28:56,450 --> 00:28:54,419

said it's downloads for you and you have

647

00:28:57,950 --> 00:28:56,460

different information from the spirits

648

00:28:59,990 --> 00:28:57,960

although so I was wondering if you could

649

00:29:02,149 --> 00:29:00,000

do like have you done a comparison about

650

00:29:03,529 --> 00:29:02,159

how you guys are receiving

651
00:29:05,750 --> 00:29:03,539
um have you talked about what that's

652
00:29:08,210 --> 00:29:05,760
like for you

653
00:29:10,010 --> 00:29:08,220
um and can you explain that to people

654
00:29:11,810 --> 00:29:10,020
I'm just telling you all of a sudden I

655
00:29:14,210 --> 00:29:11,820
get a thought in my head and I don't

656
00:29:16,610 --> 00:29:14,220
have a clue where it came from and it's

657
00:29:19,970 --> 00:29:16,620
almost always something technical but it

658
00:29:21,889 --> 00:29:19,980
can be something else it just just so

659
00:29:23,029 --> 00:29:21,899
your audience can get a kind of

660
00:29:25,370 --> 00:29:23,039
grounding

661
00:29:29,090 --> 00:29:25,380
this is not about what I've done but I'm

662
00:29:32,630 --> 00:29:29,100
going to say how this pertains it I got

663
00:29:35,810 --> 00:29:32,640

messages in my head that told me how to

664

00:29:38,450 --> 00:29:35,820

make Federated Wireless work and that's

665

00:29:41,450 --> 00:29:38,460

the company I found I got a message in

666

00:29:44,510 --> 00:29:41,460

my head three years later that was the

667

00:29:46,130 --> 00:29:44,520

secrets that turned into Hawkeye 360.

668

00:29:48,649 --> 00:29:46,140

both of those are successful

669

00:29:50,750 --> 00:29:48,659

corporations that I founded and the

670

00:29:53,810 --> 00:29:50,760

intellectual property which people can

671

00:29:55,490 --> 00:29:53,820

go look up my patents and see that there

672

00:29:58,370 --> 00:29:55,500

that the patents are real and they have

673

00:30:01,330 --> 00:29:58,380

my name on them those were all downloads

674

00:30:04,970 --> 00:30:01,340

but I have no clue where they come from

675

00:30:06,830 --> 00:30:04,980

they're just like something

676

00:30:09,049 --> 00:30:06,840

puts a hole in my head and pours

677

00:30:10,370 --> 00:30:09,059

something in and then closes it and all

678

00:30:11,930 --> 00:30:10,380

of a sudden it's there and I have no

679

00:30:14,149 --> 00:30:11,940

idea where it came from because nothing

680

00:30:16,370 --> 00:30:14,159

comes before or after that makes any

681

00:30:18,889 --> 00:30:16,380

sense it's just all of a sudden there

682

00:30:21,769 --> 00:30:18,899

nice wow it's completely different so

683

00:30:25,310 --> 00:30:23,570

that's something I'd like to have is I

684

00:30:27,649 --> 00:30:25,320

have property but I don't have the

685

00:30:30,230 --> 00:30:27,659

intellectual and property together you

686

00:30:32,149 --> 00:30:30,240

know what I mean Nathan that's what I'm

687

00:30:35,750 --> 00:30:32,159

yeah I need to be able

688

00:30:41,570 --> 00:30:35,760

all right let's get let's get Matt nap

689

00:30:48,350 --> 00:30:44,269

why do you guys oh

690

00:30:49,610 --> 00:30:48,360

do this don't you know okay yes Lala

691

00:30:52,070 --> 00:30:49,620

needs to answer

692

00:30:55,250 --> 00:30:52,080

I I want to hear her answer before I

693

00:30:57,169 --> 00:30:55,260

proceed oh did I miss it did okay I

694

00:30:59,149 --> 00:30:57,179

apologize

695

00:31:01,909 --> 00:30:59,159

um thank you I just

696

00:31:04,250 --> 00:31:01,919

I just get a feeling and it's a certain

697

00:31:07,610 --> 00:31:04,260

feeling where I don't there's no

698

00:31:09,110 --> 00:31:07,620

question it's just a knowing and a

699

00:31:11,389 --> 00:31:09,120

little bit of a push

700

00:31:13,130 --> 00:31:11,399

and and that's how I get it it's because

701

00:31:15,409 --> 00:31:13,140

usually I'm wishy-washy like I don't

702

00:31:17,690 --> 00:31:15,419

know what to do you know but this is

703

00:31:21,049 --> 00:31:17,700

very direct yeah

704

00:31:23,510 --> 00:31:21,059

she looks up to the right like this like

705

00:31:25,669 --> 00:31:23,520

this and I know she's conversing with

706

00:31:27,889 --> 00:31:25,679

the being they send pictures words music

707

00:31:30,289 --> 00:31:27,899

whatever yeah

708

00:31:32,210 --> 00:31:30,299

is there an electrical pulse feeling not

709

00:31:36,590 --> 00:31:32,220

and I don't mean that like being shocked

710

00:31:38,870 --> 00:31:36,600

but is there sort of a a hum or um a

711

00:31:41,269 --> 00:31:38,880

vibration or something that's associated

712

00:31:43,370 --> 00:31:41,279

with both of you when you receive these

713

00:31:50,210 --> 00:31:43,380

11

714

00:31:55,250 --> 00:31:52,490
they felt it that's what it feels like

715

00:31:58,610 --> 00:31:55,260
and a lot of times they either sound

716

00:32:02,149 --> 00:31:58,620
like they're a radio frequency changing

717

00:32:04,190 --> 00:32:02,159
Channel or like a high-pitched kind of

718

00:32:05,690 --> 00:32:04,200
thing it all depends on the being

719

00:32:08,630 --> 00:32:05,700
actually

720

00:32:12,230 --> 00:32:08,640
she did after the reading for me she had

721

00:32:18,289 --> 00:32:15,830
really you and yeah she's like Amy Allen

722

00:32:21,049 --> 00:32:18,299
if she's a physical medium

723

00:32:27,529 --> 00:32:21,059
I got a hernia after during a reading

724

00:32:33,549 --> 00:32:29,330
sweat pouring down my face and I don't

725

00:32:36,529 --> 00:32:33,559
sweat it was I had to learn

726

00:32:38,149 --> 00:32:36,539

to not allow that it's okay to take

727

00:32:40,970 --> 00:32:38,159

information but it's not okay for me to

728

00:32:43,070 --> 00:32:40,980

take it on she doesn't know she doesn't

729

00:32:45,169 --> 00:32:43,080

channel for that reason yeah yeah

730

00:32:46,669 --> 00:32:45,179

because then you'll inherit whatever

731

00:32:49,610 --> 00:32:46,679

that person's

732

00:32:51,649 --> 00:32:49,620

Afflicted with right yeah

733

00:32:53,750 --> 00:32:51,659

and so I apologize I didn't mean to step

734

00:32:56,389 --> 00:32:53,760

on Lala's answer I didn't realize that

735

00:32:59,450 --> 00:32:56,399

uh I didn't compute that it was so but

736

00:33:02,210 --> 00:32:59,460

uh Matt can we go to you now yeah yeah

737

00:33:08,750 --> 00:33:04,970

um so whenever you uh

738

00:33:09,710 --> 00:33:08,760

communicate with human Spirits how it's

739

00:33:12,470 --> 00:33:09,720

different

740

00:33:15,350 --> 00:33:12,480

comparatively to uh communicating with

741

00:33:18,289 --> 00:33:15,360

aliens are you communicating with alien

742

00:33:20,389 --> 00:33:18,299

Spirits or are the aliens still alive

743

00:33:23,509 --> 00:33:20,399

and just communicating the same way as

744

00:33:25,370 --> 00:33:23,519

Spirits yeah they're alive but they can

745

00:33:28,250 --> 00:33:25,380

communicate the same way it's a

746

00:33:32,810 --> 00:33:31,190

have you encountered the spirit of an

747

00:33:38,990 --> 00:33:32,820

alien

748

00:33:43,610 --> 00:33:41,330

know every couple weeks we have a new

749

00:33:45,649 --> 00:33:43,620

being show up outside our house on

750

00:33:47,630 --> 00:33:45,659

camera and you can see the evidence in

751
00:33:51,110 --> 00:33:47,640
our evidence database so these Critters

752
00:33:53,090 --> 00:33:51,120
but these these entities in standing in

753
00:33:55,789 --> 00:33:53,100
front of our yard and videos of them

754
00:33:57,350 --> 00:33:55,799
walking yeah maybe we did that's

755
00:33:59,149 --> 00:33:57,360
something to look into I didn't even

756
00:34:00,710 --> 00:33:59,159
think of that I just assumed because

757
00:34:04,009 --> 00:34:00,720
they were kind of like in the same

758
00:34:06,590 --> 00:34:04,019
frequency right that they didn't die and

759
00:34:08,869 --> 00:34:06,600
become ghosts but I don't know

760
00:34:12,829 --> 00:34:08,879
is is it fair they're using the same

761
00:34:16,609 --> 00:34:12,839
access point to you that the nhi and the

762
00:34:19,550 --> 00:34:16,619
spirit of a former human is using the

763
00:34:21,589 --> 00:34:19,560

same access point to reach you is what I

764

00:34:23,930 --> 00:34:21,599

know Nathan said that Debs has said that

765

00:34:25,550 --> 00:34:23,940

Matt I'm I'm not sure if we've actually

766

00:34:30,649 --> 00:34:25,560

had that discussion but we don't know

767

00:34:35,570 --> 00:34:32,629

paranormal experiences keeping that door

768

00:34:37,129 --> 00:34:35,580

shut for a while all I know is you know

769

00:34:40,730 --> 00:34:37,139

there's this you're talking about

770

00:34:43,970 --> 00:34:40,740

electrical energies DJ and uh

771

00:34:46,129 --> 00:34:43,980

if you've ever been around uh guitars

772

00:34:48,710 --> 00:34:46,139

electric guitars and amplifiers how

773

00:34:52,010 --> 00:34:48,720

whenever you plug in a guitar cable and

774

00:34:52,790 --> 00:34:52,020

it grounds out on the jack for a second

775

00:34:55,250 --> 00:34:52,800

um

776

00:34:58,130 --> 00:34:55,260

let's just say I used to hear that sound

777

00:35:01,849 --> 00:34:58,140

quite often really loud enough that it

778

00:35:04,130 --> 00:35:01,859

would kind of jolt me uh

779

00:35:06,710 --> 00:35:04,140

and and I've also heard like explosive

780

00:35:08,750 --> 00:35:06,720

like electrical explosive sounds

781

00:35:12,589 --> 00:35:08,760

uh in my home

782

00:35:15,050 --> 00:35:12,599

at different times so so I can relate to

783

00:35:18,410 --> 00:35:15,060

the electrical pulses and energies

784

00:35:20,030 --> 00:35:18,420

shifting so we had we had the first

785

00:35:22,310 --> 00:35:20,040

thing we got when we moved to this house

786

00:35:24,230 --> 00:35:22,320

was Poltergeist activity things would

787

00:35:26,990 --> 00:35:24,240

get lifted up and moon wall would be

788

00:35:28,250 --> 00:35:27,000

thumped lights would go on and off so we

789

00:35:31,250 --> 00:35:28,260

got a camera

790

00:35:33,710 --> 00:35:31,260

and the camera the cameras and the

791

00:35:35,710 --> 00:35:33,720

camera that was in the front hall was in

792

00:35:38,329 --> 00:35:35,720

night mode because the lights were out

793

00:35:41,390 --> 00:35:38,339

and in the middle of the night while we

794

00:35:42,710 --> 00:35:41,400

were asleep the light turned on it

795

00:35:45,370 --> 00:35:42,720

wasn't us

796

00:35:48,890 --> 00:35:45,380

a kind of shadowy thing

797

00:35:50,210 --> 00:35:48,900

shimmered into the camera view and all

798

00:35:53,569 --> 00:35:50,220

of a sudden

799

00:35:54,710 --> 00:35:53,579

uh the microphone picks up on the

800

00:35:57,589 --> 00:35:54,720

security camera

801
00:36:00,470 --> 00:35:57,599
a hello Zander

802
00:36:03,290 --> 00:36:00,480
and Xander is my son's name and it

803
00:36:05,750 --> 00:36:03,300
sounded like my boyfriend his father had

804
00:36:09,109 --> 00:36:05,760
passed uh two years ago so

805
00:36:12,890 --> 00:36:09,119
so he he came to the household you think

806
00:36:15,710 --> 00:36:12,900
and he's here he's here wow

807
00:36:18,710 --> 00:36:15,720
I had his picture and a drawer in the

808
00:36:21,710 --> 00:36:18,720
bedroom he started shaking it to where

809
00:36:23,569 --> 00:36:21,720
it sounded like he was banging and so I

810
00:36:26,270 --> 00:36:23,579
took the picture up and I placed it on

811
00:36:29,030 --> 00:36:26,280
top it is now in a place of honor in our

812
00:36:29,810 --> 00:36:29,040
bedroom yeah again hasn't happened again

813
00:36:34,970 --> 00:36:29,820

yeah

814

00:36:38,510 --> 00:36:34,980

part to react to that situation and I

815

00:36:40,310 --> 00:36:38,520

did see the the uh and I we didn't prep

816

00:36:42,230 --> 00:36:40,320

to you know bring some stuff but we saw

817

00:36:45,109 --> 00:36:42,240

what you showed Grant Cameron some

818

00:36:46,670 --> 00:36:45,119

amazing videos and first of all Bob is

819

00:36:48,470 --> 00:36:46,680

it bad that when you show the amazing

820

00:36:50,270 --> 00:36:48,480

orb video in the room the first thing I

821

00:36:54,250 --> 00:36:50,280

noticed was the crown molding I don't

822

00:36:58,910 --> 00:36:54,260

know if Nathan noticed the same thing

823

00:37:01,849 --> 00:36:58,920

all that notices that the room the the

824

00:37:04,910 --> 00:37:01,859

original owner here was Chinese so this

825

00:37:07,430 --> 00:37:04,920

this this master bedroom is as feng shui

826
00:37:09,770 --> 00:37:07,440
as it can possibly be and so you have

827
00:37:11,930 --> 00:37:09,780
the Octagon the ceiling the bed points

828
00:37:13,849 --> 00:37:11,940
the correct direction I mean every bit

829
00:37:15,670 --> 00:37:13,859
of that stuff she must really be

830
00:37:19,250 --> 00:37:15,680
superstitious

831
00:37:21,589 --> 00:37:19,260
feng shui and there's a portal right

832
00:37:24,849 --> 00:37:21,599
behind our head on the wall there really

833
00:37:28,190 --> 00:37:24,859
is I mean there's a what

834
00:37:32,750 --> 00:37:28,200
go in and out on the wall

835
00:37:39,050 --> 00:37:36,349
every day every night people think it's

836
00:37:41,089 --> 00:37:39,060
weird we we video our bedroom and I

837
00:37:43,010 --> 00:37:41,099
while we sleep but we do because I don't

838
00:37:45,770 --> 00:37:43,020

want any I don't want to miss this we

839

00:37:47,390 --> 00:37:45,780

don't mind showing it hell no that orb

840

00:37:51,109 --> 00:37:47,400

was that the size of a it looked like

841

00:37:53,150 --> 00:37:51,119

the size of a baseball or a tennis ball

842

00:37:55,490 --> 00:37:53,160

Nathan had you seen that

843

00:37:56,870 --> 00:37:55,500

yeah I did I mean I just sometimes I was

844

00:37:58,730 --> 00:37:56,880

trying to get my head around all the

845

00:37:59,750 --> 00:37:58,740

activity that's happening and yeah and

846

00:38:03,010 --> 00:37:59,760

how delighted you are that it's

847

00:38:05,990 --> 00:38:03,020

happening in your personal space

848

00:38:08,210 --> 00:38:06,000

Matt what is going on here well I mean

849

00:38:09,829 --> 00:38:08,220

he is polychiperous that's true that's

850

00:38:12,349 --> 00:38:09,839

what it is it's the potato chip thing

851

00:38:15,290 --> 00:38:12,359

yeah that's why he's able to deal with

852

00:38:17,630 --> 00:38:15,300

it so what we have to do maybe if Lala

853

00:38:20,870 --> 00:38:17,640

could get Matt to change his preference

854

00:38:23,510 --> 00:38:20,880

in potato chips then the Paranormal

855

00:38:25,490 --> 00:38:23,520

Activity that's bothered him May cease

856

00:38:29,750 --> 00:38:25,500

to bother him so we we actually we have

857

00:38:31,849 --> 00:38:29,760

something we can work on uh so I wanted

858

00:38:33,650 --> 00:38:31,859

to launch into the fireside chat and

859

00:38:35,390 --> 00:38:33,660

then after we get into the part where

860

00:38:37,550 --> 00:38:35,400

everyone throws the topic on the table

861

00:38:39,530 --> 00:38:37,560

we can because I have another question

862

00:38:42,050 --> 00:38:39,540

I'm sure everybody in the panel has

863

00:38:46,069 --> 00:38:42,060

another question for you but we wanted

864

00:38:49,010 --> 00:38:46,079

to uh start with uh either uh Lala or

865

00:38:52,130 --> 00:38:49,020

Bob whomever and throw a topic out there

866

00:38:54,410 --> 00:38:52,140

and everyone here around the table will

867

00:38:56,630 --> 00:38:54,420

react to it and then uh I'll go after

868

00:39:02,030 --> 00:38:56,640

whichever uh YouTube and then we'll just

869

00:39:10,490 --> 00:39:04,930

go for it

870

00:39:12,410 --> 00:39:10,500

yeah oh okay go ahead oh my God pick

871

00:39:14,510 --> 00:39:12,420

something I mean you've had so many

872

00:39:17,690 --> 00:39:14,520

things happen describe how you capture

873

00:39:21,770 --> 00:39:17,700

the big the craft oh but what she's

874

00:39:23,450 --> 00:39:21,780

amazing well what what this is this is

875

00:39:24,950 --> 00:39:23,460

what you guys will do is you guys will

876

00:39:26,150 --> 00:39:24,960

throw a topic out there and everyone

877

00:39:28,250 --> 00:39:26,160

will

878

00:39:31,490 --> 00:39:28,260

So you you're almost like you're asking

879

00:39:33,410 --> 00:39:31,500

a question I see see what I mean and

880

00:39:35,690 --> 00:39:33,420

then everybody will react to that but we

881

00:39:37,670 --> 00:39:35,700

will like I said after we go through go

882

00:39:39,290 --> 00:39:37,680

around the horn we'll get into because I

883

00:39:46,010 --> 00:39:39,300

know we all have more

884

00:39:50,150 --> 00:39:46,849

um

885

00:39:53,050 --> 00:39:50,160

all right so I'll start off yes uh I'm

886

00:39:56,630 --> 00:39:53,060

from the Hudson Valley and it was about

887

00:39:58,370 --> 00:39:56,640

in the 80s uh so it was right after

888

00:40:00,530 --> 00:39:58,380

freshman year it's ironic we were

889

00:40:01,990 --> 00:40:00,540

talking about freshman year so between

890

00:40:04,790 --> 00:40:02,000

freshman year

891

00:40:07,310 --> 00:40:04,800

uh at the beginning of sophomore year so

892

00:40:11,329 --> 00:40:07,320

it might have been 82 and

893

00:40:12,890 --> 00:40:11,339

um I I did a friend and I saw one uh but

894

00:40:15,650 --> 00:40:12,900

it was not

895

00:40:19,190 --> 00:40:15,660

it didn't go over our head so it was we

896

00:40:21,650 --> 00:40:19,200

saw it above the tree line moving away

897

00:40:23,270 --> 00:40:21,660

um from us ironically over towards

898

00:40:24,950 --> 00:40:23,280

Yorktown Heights those of you guys who

899

00:40:26,930 --> 00:40:24,960

have heard the stories about you know

900

00:40:28,609 --> 00:40:26,940

Yorktown Heights and ironically triangle

901
00:40:30,170 --> 00:40:28,619
shopping center and then the triangle

902
00:40:32,089 --> 00:40:30,180
UFO

903
00:40:33,589 --> 00:40:32,099
um so that's over where James iandoli

904
00:40:35,750 --> 00:40:33,599
was from that area if you guys know

905
00:40:38,450 --> 00:40:35,760
James yeah he's from obviously you guys

906
00:40:40,730 --> 00:40:38,460
know James James grew up very close to

907
00:40:43,069 --> 00:40:40,740
me and and so if you had like about

908
00:40:44,870 --> 00:40:43,079
seven or eight miles that way that was

909
00:40:47,450 --> 00:40:44,880
the direction it was headed so I didn't

910
00:40:49,609 --> 00:40:47,460
get to see the shape of it but it was

911
00:40:51,530 --> 00:40:49,619
like a Sunday night and it lit up the

912
00:40:53,210 --> 00:40:51,540
sky like you know you just couldn't

913
00:40:55,310 --> 00:40:53,220

believe

914

00:40:58,790 --> 00:40:55,320

um in that direction and you're just

915

00:41:02,150 --> 00:40:58,800

like holy s that's UFO so that was it

916

00:41:04,370 --> 00:41:02,160

wasn't a profound experience because it

917

00:41:08,450 --> 00:41:04,380

didn't come overhead I didn't get a

918

00:41:11,630 --> 00:41:08,460

protracted look at it but yes so anybody

919

00:41:15,170 --> 00:41:11,640

missing time after that uh not that I'm

920

00:41:17,390 --> 00:41:15,180

aware of I did So Pro the reason I I

921

00:41:20,810 --> 00:41:17,400

started this this podcast or started

922

00:41:23,569 --> 00:41:20,820

doing a UFO podcast before this is uh I

923

00:41:26,750 --> 00:41:23,579

had done an MMA podcast for years for a

924

00:41:29,390 --> 00:41:26,760

decade and I just when David fravor came

925

00:41:32,270 --> 00:41:29,400

out and talked about uh his experience

926

00:41:34,490 --> 00:41:32,280

and I'm a military Aviator I decided I'm

927

00:41:36,589 --> 00:41:34,500

gonna talk about my experience so I told

928

00:41:38,990 --> 00:41:36,599

my MMA co-host I'm going to start

929

00:41:40,910 --> 00:41:39,000

talking about UFOs are you down and they

930

00:41:43,069 --> 00:41:40,920

said no and I said all right it's good

931

00:41:45,589 --> 00:41:43,079

good and we're still friends but I was

932

00:41:47,690 --> 00:41:45,599

like I'm starting to show on my own and

933

00:41:50,210 --> 00:41:47,700

that's that's how this this happened is

934

00:41:52,130 --> 00:41:50,220

because uh I felt empowered that I could

935

00:41:55,069 --> 00:41:52,140

speaking about it without being embarrassed

936

00:41:58,849 --> 00:41:55,079

so let me go to money Nathan yeah I've

937

00:42:01,310 --> 00:41:58,859

not had a sighting in in uh waking State

938

00:42:04,130 --> 00:42:01,320

I've had a experience in a dream that

939

00:42:07,550 --> 00:42:04,140

was um incredibly powerful and it was

940

00:42:10,010 --> 00:42:07,560

long before I knew anything about orbs

941

00:42:11,990 --> 00:42:10,020

or uh you know orb sightings whatever

942

00:42:13,370 --> 00:42:12,000

but essentially uh there are a lot

943

00:42:16,130 --> 00:42:13,380

there's a lot of detail in the dream but

944

00:42:18,230 --> 00:42:16,140

the main part about the UFO is in the

945

00:42:20,690 --> 00:42:18,240

sky

946

00:42:22,250 --> 00:42:20,700

first of all the ocean was like gone I

947

00:42:25,250 --> 00:42:22,260

was like standing at the shoreline the

948

00:42:28,250 --> 00:42:25,260

ocean was gone and in the sky this

949

00:42:30,710 --> 00:42:28,260

cloudy dark sky it was a dancing swirl

950

00:42:33,589 --> 00:42:30,720

of orbs

951

00:42:34,910 --> 00:42:33,599

and at the time I just reflecting on it

952

00:42:36,710 --> 00:42:34,920

then I was like oh these weird lights

953

00:42:38,390 --> 00:42:36,720

like that's just weird lights in the sky

954

00:42:41,390 --> 00:42:38,400

I don't know what that is but looking

955

00:42:43,670 --> 00:42:41,400

back on it now I um it's a very

956

00:42:46,010 --> 00:42:43,680

significant dream for me and uh and the

957

00:42:50,510 --> 00:42:46,020

orbs were very powerful probably present

958

00:42:55,010 --> 00:42:52,910

Debs

959

00:42:58,130 --> 00:42:55,020

um see that couple I've saw one year in

960

00:43:00,109 --> 00:42:58,140

airport and I had a really unusual

961

00:43:06,589 --> 00:43:00,119

response that I've talked to TJ several

962

00:43:09,349 --> 00:43:08,089

I was driving back it was still there

963

00:43:12,050 --> 00:43:09,359

and I like I should probably take a

964

00:43:14,390 --> 00:43:12,060

picture of that but I I got clients in

965

00:43:16,790 --> 00:43:14,400

the car I gotta keep going so I just was

966

00:43:19,790 --> 00:43:16,800

like okay that was cool and then like I

967

00:43:22,430 --> 00:43:19,800

didn't even study UFOs at the time

968

00:43:24,230 --> 00:43:22,440

um and then the second one was just an

969

00:43:26,809 --> 00:43:24,240

orb sighting and it happened when I was

970

00:43:29,630 --> 00:43:26,819

trying to do C5 by myself

971

00:43:31,490 --> 00:43:29,640

um and then I will say also there's been

972

00:43:33,710 --> 00:43:31,500

a couple times that clients have told me

973

00:43:36,410 --> 00:43:33,720

something is near the car but I can't

974

00:43:38,089 --> 00:43:36,420

look I can't do anything about it they

975

00:43:40,010 --> 00:43:38,099

don't know that I'm interested in UFOs

976
00:43:42,050 --> 00:43:40,020
so they just kind of said like one

977
00:43:44,150 --> 00:43:42,060
something was

978
00:43:45,829 --> 00:43:44,160
um floating over the car and they

979
00:43:48,050 --> 00:43:45,839
thought it was a plane and they're like

980
00:43:50,750 --> 00:43:48,060
why is it so low and you know some

981
00:43:51,530 --> 00:43:50,760
things like that have happened but

982
00:43:54,589 --> 00:43:51,540
um

983
00:43:57,230 --> 00:43:54,599
I've had more intensive experiences with

984
00:43:59,510 --> 00:43:57,240
meditation also but yeah so to answer

985
00:44:02,270 --> 00:43:59,520
your question yes I have

986
00:44:04,370 --> 00:44:02,280
I just want to answer a non-et in the in

987
00:44:06,950 --> 00:44:04,380
the chat because a non-et's asked me

988
00:44:10,069 --> 00:44:06,960

what did it look like so I'm seeing rare

989

00:44:13,790 --> 00:44:10,079

aspect and so I didn't see the shape of

990

00:44:15,530 --> 00:44:13,800

the craft I saw a lot of lighting and I

991

00:44:18,589 --> 00:44:15,540

was like I'm looking at the other kid

992

00:44:20,930 --> 00:44:18,599

who I've since contacted so one of the

993

00:44:23,450 --> 00:44:20,940

the first UFO episode I did was getting

994

00:44:26,089 --> 00:44:23,460

this kid who's from Brooklyn back on the

995

00:44:28,190 --> 00:44:26,099

on the show so that we could we could go

996

00:44:30,890 --> 00:44:28,200

over together and

997

00:44:33,290 --> 00:44:30,900

um I I didn't see the shape of it it

998

00:44:35,930 --> 00:44:33,300

just was so lit up that I thought this

999

00:44:38,390 --> 00:44:35,940

is like some close encounters kind of

1000

00:44:40,130 --> 00:44:38,400

deal it it and the thing is you're just

1001
00:44:43,370 --> 00:44:40,140
like man that's a UFO man that's just

1002
00:44:46,370 --> 00:44:43,380
not an airplane but anyway uh let me let

1003
00:44:48,890 --> 00:44:46,380
me get to uh Matt please

1004
00:44:49,600 --> 00:44:48,900
okay DJ I don't want to get a call about

1005
00:44:52,550 --> 00:44:49,610
this later

1006
00:44:55,790 --> 00:44:52,560
[Laughter]

1007
00:44:58,690 --> 00:44:55,800
so my first experience with UFO stuff

1008
00:45:04,790 --> 00:44:58,700
was actually whenever I was about

1009
00:45:07,970 --> 00:45:04,800
uh 14 years old I think uh we are at my

1010
00:45:11,170 --> 00:45:07,980
family's uh lake house I had taken a

1011
00:45:15,250 --> 00:45:11,180
friend with me and

1012
00:45:18,650 --> 00:45:15,260
we went down to the lake at night

1013
00:45:20,390 --> 00:45:18,660

to specifically look for UFOs to see if

1014

00:45:24,050 --> 00:45:20,400

we could see any UFOs

1015

00:45:25,430 --> 00:45:24,060

and we took an audio recorder with us uh

1016

00:45:27,950 --> 00:45:25,440

back then we didn't have access to any

1017

00:45:29,089 --> 00:45:27,960

video equipment or anything and we went

1018

00:45:31,309 --> 00:45:29,099

down there

1019

00:45:32,569 --> 00:45:31,319

and we saw UFOs

1020

00:45:33,849 --> 00:45:32,579

uh

1021

00:45:39,589 --> 00:45:33,859

so

1022

00:45:42,890 --> 00:45:39,599

we saw lights that we could not identify

1023

00:45:45,410 --> 00:45:42,900

that appeared extremely high altitude uh

1024

00:45:48,970 --> 00:45:45,420

two of them uh

1025

00:45:51,470 --> 00:45:48,980

on a path to intersect with one another

1026

00:45:54,589 --> 00:45:51,480

and whenever they got to the

1027

00:45:56,150 --> 00:45:54,599

intersection point they became one light

1028

00:45:59,630 --> 00:45:56,160

instead of two

1029

00:46:02,089 --> 00:45:59,640

uh went a separate Direction then made a

1030

00:46:05,390 --> 00:46:02,099

complete right angle turn

1031

00:46:07,790 --> 00:46:05,400

like on a dime uh went a little bit

1032

00:46:11,030 --> 00:46:07,800

further and stopped and then looked like

1033

00:46:14,210 --> 00:46:11,040

they just it whatever just zoomed off

1034

00:46:16,790 --> 00:46:14,220

into orbit in a fraction of a second

1035

00:46:18,589 --> 00:46:16,800

mine's blown I spent the rest of my life

1036

00:46:20,390 --> 00:46:18,599

looking up in the night sky trying to

1037

00:46:22,790 --> 00:46:20,400

see that again trying to identify I've

1038

00:46:25,250 --> 00:46:22,800

seen uh satellites in orbit you know

1039

00:46:28,250 --> 00:46:25,260

various aircraft and stuff fast forward

1040

00:46:30,470 --> 00:46:28,260

a few a couple years or so I'm 16 I'm

1041

00:46:33,650 --> 00:46:30,480

with my cousin we're sitting waiting for

1042

00:46:36,650 --> 00:46:33,660

a train to cross uh we're surrounded by

1043

00:46:40,370 --> 00:46:36,660

cars we're in the city I happen to look

1044

00:46:44,569 --> 00:46:40,380

up and see the classic uh Tic Tac or

1045

00:46:46,730 --> 00:46:44,579

cigar shaped UFO metallic smooth no

1046

00:46:49,670 --> 00:46:46,740

wings no tell nothing

1047

00:46:51,349 --> 00:46:49,680

staying pretty stationary in the sky it

1048

00:46:53,990 --> 00:46:51,359

was a bright sunny day there was a

1049

00:46:57,109 --> 00:46:54,000

little bit of puffy cloud cover and this

1050

00:47:00,050 --> 00:46:57,119

thing was kind of behind the clouds and

1051

00:47:01,970 --> 00:47:00,060

I like called to my cousin hey look at

1052

00:47:05,030 --> 00:47:01,980

that what is that he looked up he saw it

1053

00:47:06,589 --> 00:47:05,040

too a cloud passed in front of it and

1054

00:47:08,630 --> 00:47:06,599

after the cloud moved out of the way it

1055

00:47:11,210 --> 00:47:08,640

was just gone we never saw anything fly

1056

00:47:15,349 --> 00:47:11,220

off or anything like that same cousin

1057

00:47:18,650 --> 00:47:15,359

I'm actually uh on my way I took him

1058

00:47:23,030 --> 00:47:18,660

with me to my first major Bigfoot outing

1059

00:47:25,069 --> 00:47:23,040

and it was down in uh Lufkin Texas area

1060

00:47:27,589 --> 00:47:25,079

and on the way to Lufkin we drive

1061

00:47:30,050 --> 00:47:27,599

through the town of Tyler Texas

1062

00:47:32,569 --> 00:47:30,060

well on the way back we're talking

1063

00:47:38,450 --> 00:47:32,579

and we're going back through Tyler

1064

00:47:41,690 --> 00:47:40,609

I have no explanation I I don't know

1065

00:47:45,230 --> 00:47:41,700

this is kind of

1066

00:47:46,849 --> 00:47:45,240

so missing time yeah basically we're

1067

00:47:48,349 --> 00:47:46,859

sitting there talking as we enter Tyler

1068

00:47:49,910 --> 00:47:48,359

the next thing I know we're on the other

1069

00:47:51,710 --> 00:47:49,920

side of Tyler

1070

00:47:53,630 --> 00:47:51,720

and I'm like looking at him and he's

1071

00:47:56,870 --> 00:47:53,640

looking at me and I can tell he's

1072

00:47:59,089 --> 00:47:56,880

nervous you can tell I'm nervous and I

1073

00:48:01,370 --> 00:47:59,099

was like do you remember driving through

1074

00:48:04,309 --> 00:48:01,380

Tyler just now and he's like not at all

1075

00:48:06,890 --> 00:48:04,319

and I was like we didn't take any of the

1076

00:48:08,329 --> 00:48:06,900

turn like there's specific landmarks and

1077

00:48:10,430 --> 00:48:08,339

stuff that we had seen on the way down

1078

00:48:12,109 --> 00:48:10,440

there the route that we think neither

1079

00:48:14,329 --> 00:48:12,119

one of us could remember any of those

1080

00:48:15,770 --> 00:48:14,339

things we're not from down there as the

1081

00:48:18,170 --> 00:48:15,780

first time we had ever been through

1082

00:48:21,589 --> 00:48:18,180

there you know other than previously on

1083

00:48:23,210 --> 00:48:21,599

the way down so it's not like I

1084

00:48:25,010 --> 00:48:23,220

subconsciously just drove back through

1085

00:48:27,349 --> 00:48:25,020

the town because I know it from you know

1086

00:48:29,809 --> 00:48:27,359

memory or anything right

1087

00:48:32,690 --> 00:48:29,819

um but we were in a car and I don't know

1088

00:48:34,430 --> 00:48:32,700

I've you know other than incidents of

1089

00:48:36,050 --> 00:48:34,440

people being in automobiles and like

1090

00:48:37,370 --> 00:48:36,060

pulling off on the side of the road or

1091

00:48:38,930 --> 00:48:37,380

waking up on the side of the road or

1092

00:48:41,450 --> 00:48:38,940

something I've never really heard of

1093

00:48:42,730 --> 00:48:41,460

missing time where people were actually

1094

00:48:45,170 --> 00:48:42,740

driving

1095

00:48:48,530 --> 00:48:45,180

but it's I mean

1096

00:48:52,010 --> 00:48:48,540

so yeah uh those were my experiences

1097

00:48:55,390 --> 00:48:52,020

with UFOs and in turn missing time

1098

00:48:57,109 --> 00:48:55,400

so did I get a turn absolutely

1099

00:49:01,490 --> 00:48:57,119

yes sir

1100

00:49:03,589 --> 00:49:01,500

okay all right so when I was 18 I went

1101

00:49:05,750 --> 00:49:03,599

uh went to school with my then

1102

00:49:08,930 --> 00:49:05,760

girlfriend and I picked her up to take

1103

00:49:10,790 --> 00:49:08,940

her home and we had an hour and a half

1104

00:49:13,190 --> 00:49:10,800

of missing time she remembers it I

1105

00:49:15,710 --> 00:49:13,200

remember two weeks later I changed every

1106

00:49:18,710 --> 00:49:15,720

single aspect of my life

1107

00:49:21,349 --> 00:49:18,720

uh and and went from being wanting to be

1108

00:49:22,670 --> 00:49:21,359

a doctor to wanting to be an engineer

1109

00:49:25,490 --> 00:49:22,680

and I went to a different University

1110

00:49:27,530 --> 00:49:25,500

changed universities and on my path to

1111

00:49:31,910 --> 00:49:27,540

being an engineer I decided that I would

1112

00:49:35,630 --> 00:49:31,920

be better off if I was a master of the

1113

00:49:38,030 --> 00:49:35,640

underlying principles that God guide all

1114

00:49:40,250 --> 00:49:38,040

of these Sciences so I became an applied

1115

00:49:42,770 --> 00:49:40,260

mathematician and now I can do any one

1116

00:49:46,370 --> 00:49:42,780

of those things and so that led to my

1117

00:49:49,849 --> 00:49:46,380

career and everything after okay so Mike

1118

00:49:52,010 --> 00:49:49,859

and I vaguely remember seeing craft when

1119

00:49:55,490 --> 00:49:52,020

I was 10 years old in the sky when I was

1120

00:49:58,069 --> 00:49:55,500

out my telescope okay but let's go to

1121

00:50:00,890 --> 00:49:58,079

last year

1122

00:50:04,910 --> 00:50:00,900

Lala and I are driving down the road

1123

00:50:07,069 --> 00:50:04,920

and she has a sunroof in her Toyota

1124

00:50:09,410 --> 00:50:07,079

I look up through the sunroof and

1125

00:50:11,809 --> 00:50:09,420

there's a triangle

1126

00:50:13,990 --> 00:50:11,819

um 300 feet over us

1127

00:50:18,010 --> 00:50:14,000

so it's and it's

1128

00:50:22,490 --> 00:50:18,020

definitely pacing us right in the center

1129

00:50:25,609 --> 00:50:22,500

of the sunroof for well over two miles

1130

00:50:28,010 --> 00:50:25,619

so it's pacing up at every turn every

1131

00:50:31,309 --> 00:50:28,020

speed change is right there

1132

00:50:33,950 --> 00:50:31,319

so and of course in that moment you are

1133

00:50:36,829 --> 00:50:33,960

just too dumbfounded to even think to

1134

00:50:39,890 --> 00:50:36,839

yank out your iPhone and take a picture

1135

00:50:42,410 --> 00:50:39,900

I'm just wanting to look hell yeah so

1136

00:50:44,450 --> 00:50:42,420

then look over my shoulder when a bright

1137

00:50:48,230 --> 00:50:44,460

light looks and I see a military

1138

00:50:51,109 --> 00:50:48,240

helicopter coming from the base that is

1139

00:50:55,430 --> 00:50:51,119

near us okay so

1140

00:50:58,609 --> 00:50:55,440

um uh and the the triangle does this

1141

00:51:00,950 --> 00:50:58,619

turns around and starts moving off

1142

00:51:03,109 --> 00:51:00,960

and she says I said turn around with the

1143

00:51:05,809 --> 00:51:03,119

other way so she goes down about hour 15

1144

00:51:08,210 --> 00:51:05,819

seconds to a to a to a thing through the

1145

00:51:10,430 --> 00:51:08,220

median she makes a U-turn turns around

1146

00:51:14,150 --> 00:51:10,440

and I look up where the craft ought to

1147

00:51:16,069 --> 00:51:14,160

be and that bad boy is long gone and the

1148

00:51:21,530 --> 00:51:16,079

helicopter's going home

1149

00:51:24,890 --> 00:51:21,540

so yeah so now now we've I I got a cyanx

1150

00:51:26,750 --> 00:51:24,900

option night night camera I've had a

1151

00:51:29,210 --> 00:51:26,760

triangle fly over the house

1152

00:51:31,490 --> 00:51:29,220

I've had zigzagging

1153

00:51:32,870 --> 00:51:31,500

uh thing that's high up in the sky but

1154

00:51:35,750 --> 00:51:32,880

it's a zigzagging lot but it's

1155

00:51:37,730 --> 00:51:35,760

non-ballistic motion and I have that on

1156

00:51:41,089 --> 00:51:37,740

clear-cut video

1157

00:51:44,030 --> 00:51:41,099

so uh with the op7 camera so it's just

1158

00:51:47,870 --> 00:51:46,549

whatever I wanted to see when I was a

1159

00:51:50,210 --> 00:51:47,880

kid and thought maybe it was always

1160

00:51:54,309 --> 00:51:50,220

going to happen to somebody else the day

1161

00:51:58,309 --> 00:51:56,690

I don't know what's funnier is that you

1162

00:52:00,890 --> 00:51:58,319

got to stare at this thing and look at

1163

00:52:02,690 --> 00:52:00,900

it or them sending out a helicopter to

1164

00:52:05,150 --> 00:52:02,700

intercept a triangle which is like

1165

00:52:07,609 --> 00:52:05,160

really really dumb because your evasive

1166

00:52:10,069 --> 00:52:07,619

maneuver capability if it comes toward

1167

00:52:11,510 --> 00:52:10,079

you you can't even do like what uh the

1168

00:52:13,190 --> 00:52:11,520

guy who was the guy that was in New York

1169

00:52:14,870 --> 00:52:13,200

with Ryan Graves and those guys where

1170

00:52:17,630 --> 00:52:14,880

they were able to split their formation

1171

00:52:19,670 --> 00:52:17,640

the helicopter I mean you just can't you

1172

00:52:22,190 --> 00:52:19,680

can't roll and maneuver that quickly so

1173

00:52:22,970 --> 00:52:22,200

that's I don't know man they have I

1174

00:52:25,609 --> 00:52:22,980

don't know

1175

00:52:28,790 --> 00:52:25,619

but I saw

1176

00:52:32,150 --> 00:52:28,800

before I knew I was driving and I saw

1177

00:52:35,990 --> 00:52:32,160

this I didn't know UFOs could be orbs I

1178

00:52:39,170 --> 00:52:36,000

I had no clue at all and I see these

1179

00:52:41,270 --> 00:52:39,180

things up in the sky and a helicopters

1180

00:52:43,790 --> 00:52:41,280

following them and then two different

1181

00:52:45,650 --> 00:52:43,800

color helicopters from the base

1182

00:52:48,530 --> 00:52:45,660

stay in the background not get close

1183

00:52:51,890 --> 00:52:48,540

watching and this guy was in the

1184

00:52:53,390 --> 00:52:51,900

helicopter and he was holding it was but

1185

00:52:55,549 --> 00:52:53,400

whatever this huge thing was it was

1186

00:52:57,470 --> 00:52:55,559

bolted into the floor and they were

1187

00:53:00,109 --> 00:52:57,480

aiming it at them and the things would

1188

00:53:03,470 --> 00:53:00,119

go in and out of of view so they would

1189

00:53:06,109 --> 00:53:03,480

disappear and they come back and I was I

1190

00:53:09,470 --> 00:53:06,119

always wondered what what was that it

1191

00:53:12,829 --> 00:53:09,480

looked like a big bazooka bolted to

1192

00:53:15,470 --> 00:53:12,839

well yeah there's I mean like in Apache

1193

00:53:17,930 --> 00:53:15,480

has you know has uh I think they have a

1194

00:53:20,150 --> 00:53:17,940

belly mounted uh weapon as well I don't

1195

00:53:22,030 --> 00:53:20,160

know if it's like a 20 millimeter or 30

1196

00:53:25,309 --> 00:53:22,040

millimeter I don't know what type of a

1197

00:53:27,589 --> 00:53:25,319

helicopter you saw I mean if it was like

1198

00:53:30,770 --> 00:53:27,599

a uh like an Apache you're gonna have

1199

00:53:33,410 --> 00:53:30,780

like uh one uh like a pilot and then

1200

00:53:35,089 --> 00:53:33,420

like a a co-pilot or like a sensor

1201

00:53:48,670 --> 00:53:35,099

operator right behind him so it's like

1202

00:53:54,650 --> 00:53:51,829

yeah it may have been adapts you know

1203

00:53:56,390 --> 00:53:54,660

like they have these uh mh60s with the

1204

00:53:59,270 --> 00:53:56,400

daps it has like it has they have

1205

00:54:00,770 --> 00:53:59,280

rockets and they also have uh I again I

1206

00:54:02,930 --> 00:54:00,780

don't know what millimeter weapon but

1207

00:54:07,609 --> 00:54:02,940

but they have those for strafing and

1208

00:54:10,250 --> 00:54:07,619

stuff I don't know DJ we live on uh

1209

00:54:14,870 --> 00:54:10,260

Chesapeake Bay and right at Susquehanna

1210

00:54:17,329 --> 00:54:14,880

River and this is heavily populated they

1211

00:54:20,089 --> 00:54:17,339

would not be firing a missile at

1212

00:54:22,490 --> 00:54:20,099

anything right that would be stupid

1213

00:54:25,370 --> 00:54:22,500

right we really notice this stuff

1214

00:54:29,270 --> 00:54:25,380

because we have const you're going to

1215

00:54:32,210 --> 00:54:29,280

figure out where we are we have 100 all

1216

00:54:36,010 --> 00:54:32,220

times seven days a week 24 hour a day no

1217

00:54:37,910 --> 00:54:36,020

tabs nobody's supposed to be flying here

1218

00:54:39,710 --> 00:54:37,920

they come out

1219

00:54:41,690 --> 00:54:39,720

and of course they got their radar on

1220

00:54:43,130 --> 00:54:41,700

they went oops Here Comes one into our

1221

00:54:44,930 --> 00:54:43,140

Zone again

1222

00:54:46,970 --> 00:54:44,940

you know you you

1223

00:54:49,069 --> 00:54:46,980

you bring up a really interesting point

1224

00:54:52,130 --> 00:54:49,079

that I never even thought of Bob which

1225

00:54:55,670 --> 00:54:52,140

is that if there is a craft and some and

1226
00:54:58,250 --> 00:54:55,680
and just a military organization X Y or

1227
00:55:00,230 --> 00:54:58,260
Z decides to fire on it I think what you

1228
00:55:02,329 --> 00:55:00,240
were alluding to is now you've got

1229
00:55:04,370 --> 00:55:02,339
falling debris what if you don't hit it

1230
00:55:06,829 --> 00:55:04,380
where does that missile Go I mean you

1231
00:55:09,650 --> 00:55:06,839
have to be very careful and I think

1232
00:55:11,210 --> 00:55:09,660
that's why sometimes they wait for you

1233
00:55:12,530 --> 00:55:11,220
know things to go out over the water and

1234
00:55:15,049 --> 00:55:12,540
things like that because you're not

1235
00:55:16,990 --> 00:55:15,059
going to have any sort of fratricide or

1236
00:55:19,910 --> 00:55:17,000
or anything like that you know

1237
00:55:22,430 --> 00:55:19,920
what they call like sivkas civilian

1238
00:55:24,470 --> 00:55:22,440

casualties as a result of shooting down

1239

00:55:27,890 --> 00:55:24,480

something that's not offensive and and

1240

00:55:29,809 --> 00:55:27,900

surely if either your weapon or a piece

1241

00:55:32,390 --> 00:55:29,819

of that craft should you be able to even

1242

00:55:34,430 --> 00:55:32,400

injure it is going to fall on somebody's

1243

00:55:41,230 --> 00:55:34,440

townhouse so

1244

00:55:46,910 --> 00:55:44,089

around you know but they got so low to

1245

00:55:49,250 --> 00:55:46,920

my car that the the air pushed my car

1246

00:55:51,950 --> 00:55:49,260

off the road a little bit the rotor wash

1247

00:55:54,650 --> 00:55:51,960

blew her up the road dude I'm telling

1248

00:55:58,069 --> 00:55:54,660

you it was amazing but but this isn't

1249

00:56:00,650 --> 00:55:58,079

daylight with tons of traffic on

1250

00:56:04,130 --> 00:56:00,660

um in Baltimore and

1251

00:56:06,230 --> 00:56:04,140

I was I was I couldn't believe it well I

1252

00:56:09,170 --> 00:56:06,240

think she followed them for so far that

1253

00:56:10,790 --> 00:56:09,180

they blew her and her best friend but

1254

00:56:12,290 --> 00:56:10,800

her bet they blew them off the road to

1255

00:56:14,809 --> 00:56:12,300

get rid of them I don't know

1256

00:56:16,549 --> 00:56:14,819

this is this is actually a whole nother

1257

00:56:19,010 --> 00:56:16,559

because you know Linda Thompson talks

1258

00:56:21,109 --> 00:56:19,020

about stuff like this but not as drastic

1259

00:56:24,650 --> 00:56:21,119

as them coming within because they

1260

00:56:27,049 --> 00:56:24,660

shouldn't be below 500 feet and I have

1261

00:56:29,930 --> 00:56:27,059

to go look at FAA airspace but they

1262

00:56:32,210 --> 00:56:29,940

shouldn't be below 500 feet in in unless

1263

00:56:35,210 --> 00:56:32,220

you're in an unpopulated area so over

1264

00:56:38,990 --> 00:56:35,220

the ocean both report the same

1265

00:56:43,670 --> 00:56:41,390

on Eastern Avenue you know what I'm

1266

00:56:44,750 --> 00:56:43,680

talking about I I don't know but I but I

1267

00:56:50,750 --> 00:56:44,760

know what you're talking about Aberdeen

1268

00:56:55,549 --> 00:56:52,809

you can hear the empire in artillery

1269

00:56:56,390 --> 00:56:55,559

multiple days a week There's No flights

1270

00:56:57,530 --> 00:56:56,400

there

1271

00:56:59,870 --> 00:56:57,540

yep

1272

00:57:01,430 --> 00:56:59,880

yeah that that is uh that's very

1273

00:57:03,349 --> 00:57:01,440

interesting and it's also it's not

1274

00:57:05,510 --> 00:57:03,359

terribly surprising that they're coming

1275

00:57:07,069 --> 00:57:05,520

after Lala because they're looking at

1276

00:57:08,450 --> 00:57:07,079

her like well we got our own Chris

1277

00:57:12,530 --> 00:57:08,460

bledso we didn't have to go to North

1278

00:57:14,510 --> 00:57:12,540

Carolina but uh all right I'm gonna go

1279

00:57:17,510 --> 00:57:14,520

with my topic and what we'll do is we'll

1280

00:57:20,210 --> 00:57:17,520

come around so it'll go myself Nathan

1281

00:57:21,470 --> 00:57:20,220

Debs Matt and then Bob if you have a a

1282

00:57:22,490 --> 00:57:21,480

question you like to throw out to the

1283

00:57:24,349 --> 00:57:22,500

group we'll put it out there so I'm

1284

00:57:27,829 --> 00:57:24,359

going to start with mine which is on

1285

00:57:29,930 --> 00:57:27,839

this word documento and it is this and

1286

00:57:32,750 --> 00:57:29,940

and it really was interesting to listen

1287

00:57:35,569 --> 00:57:32,760

to you guys and Graham

1288

00:57:37,250 --> 00:57:35,579

um talk about uh downloads from

1289

00:57:40,309 --> 00:57:37,260

different intelligences and things that

1290

00:57:42,230 --> 00:57:40,319

they say so here here goes

1291

00:57:43,970 --> 00:57:42,240

and I'll repeat this for each each

1292

00:57:45,109 --> 00:57:43,980

individual that has to answer it so you

1293

00:57:46,549 --> 00:57:45,119

don't have to remember it like 10

1294

00:57:49,490 --> 00:57:46,559

minutes from now

1295

00:57:51,589 --> 00:57:49,500

the notion that uh the origin of

1296

00:57:54,290 --> 00:57:51,599

intelligence is visiting Earth our alien

1297

00:57:56,089 --> 00:57:54,300

in nature could be as out of Vogue as

1298

00:57:57,410 --> 00:57:56,099

the clothing worn at Woodstock would you

1299

00:58:01,309 --> 00:57:57,420

agree Lala

1300

00:58:05,089 --> 00:58:01,319

um is this significant to you Nathan in

1301
00:58:09,710 --> 00:58:05,099
one way or another and why as compared

1302
00:58:12,950 --> 00:58:09,720
to a uh an intelligence that is uh has

1303
00:58:15,530 --> 00:58:12,960
does reside and has resided on Earth

1304
00:58:18,109 --> 00:58:15,540
repeat that first part one more okay

1305
00:58:19,730 --> 00:58:18,119
okay so yeah I won't I won't add in the

1306
00:58:20,930 --> 00:58:19,740
funny bit because you guys won't want to

1307
00:58:22,910 --> 00:58:20,940
hear that again

1308
00:58:25,430 --> 00:58:22,920
um the notion that uh intelligence is

1309
00:58:28,370 --> 00:58:25,440
visiting Earth or alien nature

1310
00:58:31,670 --> 00:58:28,380
um is this significant to you in one way

1311
00:58:34,970 --> 00:58:31,680
or another and why whether or not their

1312
00:58:38,390 --> 00:58:34,980
origin is is alien meaning coming from a

1313
00:58:41,030 --> 00:58:38,400

different planet Galaxy or its origin is

1314

00:58:43,309 --> 00:58:41,040

from here on our planet that they share

1315

00:58:46,370 --> 00:58:43,319

the planet is that significant to you in

1316

00:58:48,289 --> 00:58:46,380

any way and why yeah so for me it used

1317

00:58:49,670 --> 00:58:48,299

to be significant and I would say it's

1318

00:58:51,230 --> 00:58:49,680

not anymore

1319

00:58:55,190 --> 00:58:51,240

um in part because

1320

00:58:58,250 --> 00:58:55,200

the way I have come to look at any

1321

00:59:00,349 --> 00:58:58,260

intelligence is just every every

1322

00:59:02,569 --> 00:59:00,359

intelligence is valuable no matter where

1323

00:59:04,190 --> 00:59:02,579

it comes from and there are other

1324

00:59:07,130 --> 00:59:04,200

intelligences with us on the planet

1325

00:59:09,109 --> 00:59:07,140

right now that that you know are

1326

00:59:11,150 --> 00:59:09,119

incredible and uh and the fact that

1327

00:59:14,750 --> 00:59:11,160

intelligence exists at all and all of

1328

00:59:17,390 --> 00:59:14,760

its varied forms is to me uh this sort

1329

00:59:20,690 --> 00:59:17,400

of clue that there is this you know

1330

00:59:22,609 --> 00:59:20,700

richness to life everywhere

1331

00:59:24,410 --> 00:59:22,619

um so I'm I'm deeply fascinated just by

1332

00:59:27,289 --> 00:59:24,420

what we have here I don't know that I

1333

00:59:29,210 --> 00:59:27,299

need an another Intelligence coming from

1334

00:59:31,670 --> 00:59:29,220

elsewhere and I think also too I think

1335

00:59:35,150 --> 00:59:31,680

the distinctions are less important to

1336

00:59:38,150 --> 00:59:35,160

me like Earth non-earth you know here

1337

00:59:41,510 --> 00:59:38,160

out out in space like to me is there's

1338

00:59:44,270 --> 00:59:41,520

this interconnectedness that just

1339

00:59:47,390 --> 00:59:44,280

reframing the entire space as we're all

1340

00:59:48,950 --> 00:59:47,400

in the same sandbox uh it's just that

1341

00:59:52,250 --> 00:59:48,960

you know I think we kind of tend to

1342

00:59:54,470 --> 00:59:52,260

dwell on the distance component of it as

1343

00:59:56,809 --> 00:59:54,480

being this huge factor that somehow

1344

00:59:58,849 --> 00:59:56,819

makes it you know I don't know

1345

01:00:00,829 --> 00:59:58,859

insurmountable or we're super separate

1346

01:00:02,390 --> 01:00:00,839

from one another but distance to me

1347

01:00:04,430 --> 01:00:02,400

doesn't matter when it comes to

1348

01:00:05,930 --> 01:00:04,440

Consciousness so

1349

01:00:09,410 --> 01:00:05,940

um yeah it's not as important to me

1350

01:00:12,230 --> 01:00:09,420

anymore it's become much more personal

1351

01:00:15,049 --> 01:00:12,240

um and uh and I try to find the meaning

1352

01:00:17,030 --> 01:00:15,059

in all sort of aspects of intelligence

1353

01:00:20,030 --> 01:00:17,040

that I that I encounter

1354

01:00:22,250 --> 01:00:20,040

and as an add-on just the fact that so

1355

01:00:24,470 --> 01:00:22,260

many people are out on the alien

1356

01:00:28,609 --> 01:00:24,480

hypothesis just if you would just give a

1357

01:00:31,370 --> 01:00:28,619

quick comment on that yeah uh well I I

1358

01:00:33,950 --> 01:00:31,380

think we find over time that our

1359

01:00:35,569 --> 01:00:33,960

our hypotheses sort of model where we

1360

01:00:38,750 --> 01:00:35,579

are developmentally

1361

01:00:41,049 --> 01:00:38,760

in in both our personal lives but also

1362

01:00:43,430 --> 01:00:41,059

culturally and societally like globally

1363

01:00:46,910 --> 01:00:43,440

and it makes sense that we would have

1364

01:00:49,609 --> 01:00:46,920

that ET hypothesis at a at an age where

1365

01:00:52,609 --> 01:00:49,619

we have gone to space right and where we

1366

01:00:55,430 --> 01:00:52,619

have left our own atmosphere for the

1367

01:00:59,270 --> 01:00:55,440

first time and so we have this kind of

1368

01:01:00,890 --> 01:00:59,280

corollary idea that well in order to to

1369

01:01:03,170 --> 01:01:00,900

get here they have to come from out

1370

01:01:04,970 --> 01:01:03,180

there and do what we did by leaving and

1371

01:01:06,289 --> 01:01:04,980

they left somewhere and like it's our

1372

01:01:07,970 --> 01:01:06,299

it's the best model we have because

1373

01:01:11,230 --> 01:01:07,980

we've just gotten to it

1374

01:01:14,270 --> 01:01:11,240

but I think as we continue to explore

1375

01:01:17,270 --> 01:01:14,280

the nature of reality and and explore

1376

01:01:19,069 --> 01:01:17,280

the uh the revelations of of quantum

1377

01:01:22,370 --> 01:01:19,079

mechanics for example among other things

1378

01:01:24,609 --> 01:01:22,380

we're learning that uh that's a

1379

01:01:27,410 --> 01:01:24,619

simplistic way just to look at reality

1380

01:01:28,849 --> 01:01:27,420

uh the the that they would come from

1381

01:01:30,349 --> 01:01:28,859

elsewhere I don't think they have to

1382

01:01:32,210 --> 01:01:30,359

which is not to say that they might not

1383

01:01:35,450 --> 01:01:32,220

be there I mean I think that there are

1384

01:01:37,910 --> 01:01:35,460

ETS out there but uh it doesn't surprise

1385

01:01:40,789 --> 01:01:37,920

me that our hypotheses are shifting away

1386

01:01:42,650 --> 01:01:40,799

from that being the assault Focus

1387

01:01:44,030 --> 01:01:42,660

Amen brother

1388

01:01:45,829 --> 01:01:44,040

Debs

1389

01:01:48,530 --> 01:01:45,839

um I'll restate for you

1390

01:01:51,589 --> 01:01:48,540

um the origin of these intelligences

1391

01:01:54,650 --> 01:01:51,599

visiting Earth whether they be alien in

1392

01:01:57,109 --> 01:01:54,660

nature or or that their origin is just

1393

01:01:59,089 --> 01:01:57,119

is here on Earth with us is this

1394

01:02:01,309 --> 01:01:59,099

significant to you one way or the other

1395

01:02:03,289 --> 01:02:01,319

the origin of it

1396

01:02:06,710 --> 01:02:03,299

is it significant to you in one way or

1397

01:02:08,990 --> 01:02:06,720

another and why I would say to me it is

1398

01:02:11,030 --> 01:02:09,000

significant in the sense that I feel

1399

01:02:14,150 --> 01:02:11,040

like we're starting to understand more

1400

01:02:17,870 --> 01:02:14,160

about Humanity's history when we look

1401

01:02:21,530 --> 01:02:17,880

into how long these other entities

1402

01:02:25,309 --> 01:02:21,540

whether they are extraterrestrial or

1403

01:02:27,289 --> 01:02:25,319

um ultra-terrestrial have been here I

1404

01:02:30,230 --> 01:02:27,299

get the sense that the more we look into

1405

01:02:31,490 --> 01:02:30,240

that and we look into their Origins

1406

01:02:34,549 --> 01:02:31,500

we're actually learning more about

1407

01:02:36,589 --> 01:02:34,559

ourselves so I find that fascinating I

1408

01:02:38,870 --> 01:02:36,599

find the the path leads us to

1409

01:02:41,569 --> 01:02:38,880

understanding ourselves more

1410

01:02:43,130 --> 01:02:41,579

um I can't say where they're from if

1411

01:02:44,930 --> 01:02:43,140

they are extraterrestrial they may have

1412

01:02:47,030 --> 01:02:44,940

been here for a really long time so when

1413

01:02:49,190 --> 01:02:47,040

do they stop having to use the

1414

01:02:51,170 --> 01:02:49,200

Extraterrestrial card that's confusing

1415

01:02:53,750 --> 01:02:51,180

right I don't know like if they've been

1416

01:02:55,010 --> 01:02:53,760

here a billion more years than us for

1417

01:02:57,950 --> 01:02:55,020

instance do they still have to be

1418

01:02:59,510 --> 01:02:57,960

extraterrestrial like I don't know but

1419

01:03:01,690 --> 01:02:59,520

yeah we've got to check their passport

1420

01:03:03,650 --> 01:03:01,700

documents and see when they right yeah

1421

01:03:07,910 --> 01:03:03,660

so

1422

01:03:11,809 --> 01:03:07,920

Nathan give her a bump in her 401K share

1423

01:03:14,870 --> 01:03:11,819

if you would and Matt who put nothing

1424

01:03:17,030 --> 01:03:14,880

about the UFO experience on his

1425

01:03:19,130 --> 01:03:17,040

onboarding forms when we onboarded him

1426

01:03:21,170 --> 01:03:19,140

onto cab did you see any of that Nathan

1427

01:03:23,270 --> 01:03:21,180

and that narrative okay

1428

01:03:26,410 --> 01:03:23,280

all right go ahead man

1429

01:03:30,170 --> 01:03:26,420

um I got a question myself you know

1430

01:03:31,250 --> 01:03:30,180

not it's uh no you have a question for

1431

01:03:33,650 --> 01:03:31,260

me or are you going to answer my

1432

01:03:35,390 --> 01:03:33,660

question I'll answer you I mean I guess

1433

01:03:38,690 --> 01:03:35,400

okay um

1434

01:03:45,170 --> 01:03:42,650

of course it is uh both ways whether it

1435

01:03:48,530 --> 01:03:45,180

be from somewhere else or something from

1436

01:03:54,170 --> 01:03:50,329

people always

1437

01:03:55,789 --> 01:03:54,180

uh have thought about aliens visiting us

1438

01:03:58,789 --> 01:03:55,799

and what it would be like you know you

1439

01:04:01,370 --> 01:03:58,799

see it in pop culture uh

1440

01:04:03,589 --> 01:04:01,380

it's a mind-blowing thing to even think

1441

01:04:05,870 --> 01:04:03,599

about you know what are the

1442

01:04:08,990 --> 01:04:05,880

ramifications of another civilization

1443

01:04:10,089 --> 01:04:09,000

from some other planet or some other you

1444

01:04:13,010 --> 01:04:10,099

know

1445

01:04:15,470 --> 01:04:13,020

Universe possibly uh making contact with

1446

01:04:18,530 --> 01:04:15,480

us and wanting to communicate with us

1447

01:04:20,150 --> 01:04:18,540

there's there's lots of different ways

1448

01:04:22,609 --> 01:04:20,160

that could go

1449

01:04:24,890 --> 01:04:22,619

and on the other side of the coin if

1450

01:04:26,450 --> 01:04:24,900

these things are from here

1451

01:04:29,030 --> 01:04:26,460

uh

1452

01:04:31,910 --> 01:04:29,040

that makes me think that man

1453

01:04:33,890 --> 01:04:31,920

we don't know anything everything we

1454

01:04:36,170 --> 01:04:33,900

think we know is even more insignificant

1455

01:04:39,349 --> 01:04:36,180

and wrong we have to turn inward and

1456

01:04:41,390 --> 01:04:39,359

start trying to re-understand and kind

1457

01:04:43,849 --> 01:04:41,400

of Reinventing the will and seeing where

1458

01:04:46,970 --> 01:04:43,859

we forked left whenever we should have

1459

01:04:48,789 --> 01:04:46,980

went right to understand what we're

1460

01:04:52,309 --> 01:04:48,799

experiencing

1461

01:04:55,309 --> 01:04:52,319

sometimes I think the uh possibility of

1462

01:04:58,370 --> 01:04:55,319

you know these things being alien in

1463

01:05:00,530 --> 01:04:58,380

nature would actually be better for us

1464

01:05:04,030 --> 01:05:00,540

as a civilization

1465

01:05:07,130 --> 01:05:04,040

than if they are from here just because

1466

01:05:08,930 --> 01:05:07,140

of what it means that there's something

1467

01:05:10,309 --> 01:05:08,940

like that going on

1468

01:05:12,349 --> 01:05:10,319

uh

1469

01:05:13,910 --> 01:05:12,359

I mean now we have governments involved

1470

01:05:15,410 --> 01:05:13,920

in it you know trying to understand what

1471

01:05:16,789 --> 01:05:15,420

they are and acknowledging that they

1472

01:05:19,190 --> 01:05:16,799

exist and if that's something coming

1473

01:05:20,990 --> 01:05:19,200

from this planet I think that's more

1474

01:05:24,170 --> 01:05:21,000

terrifying than the idea of it being

1475

01:05:25,250 --> 01:05:24,180

something from outside of our planet

1476

01:05:29,510 --> 01:05:25,260

yeah

1477

01:05:32,030 --> 01:05:29,520

man there's a lot of Rich a lot of Rich

1478

01:05:33,349 --> 01:05:32,040

material in there uh Matt because you

1479

01:05:35,870 --> 01:05:33,359

you brought up a lot of interesting

1480

01:05:37,670 --> 01:05:35,880

points there were intersections in both

1481

01:05:40,789 --> 01:05:37,680

of what Nathan said and what Deb said

1482

01:05:43,069 --> 01:05:40,799

and and what you said and as far as uh

1483

01:05:45,770 --> 01:05:43,079

going left or right picking a direction

1484

01:05:47,930 --> 01:05:45,780

I'm thinking the one that doesn't lead

1485

01:05:49,370 --> 01:05:47,940

to bigfoot coming out on the trail and

1486

01:05:51,950 --> 01:05:49,380

hitting you in the chest with a log

1487

01:05:54,289 --> 01:05:51,960

because he wants you to get away that

1488

01:05:58,609 --> 01:05:54,299

was the right way then absolutely

1489

01:06:01,190 --> 01:05:58,619

absolutely 100 all right so uh Lala or

1490

01:06:03,589 --> 01:06:01,200

Bob our beautiful love couple which uh

1491

01:06:05,569 --> 01:06:03,599

whoever wants to answer that first is it

1492

01:06:07,549 --> 01:06:05,579

significant to you one way or the other

1493

01:06:10,609 --> 01:06:07,559

whether the origin is extraterrestrial

1494

01:06:15,710 --> 01:06:10,619

or as dip put it ultra-terrestrial is

1495

01:06:15,720 --> 01:06:18,549

um

1496

01:06:24,549 --> 01:06:22,250

yes and no I think that from what I hear

1497

01:06:28,970 --> 01:06:24,559

from some people that I admire that

1498

01:06:32,870 --> 01:06:28,980

essentially we're all one big thing

1499

01:06:36,250 --> 01:06:32,880

connected and all of this is made up to

1500

01:06:37,789 --> 01:06:36,260

an extent to learn different things

1501

01:06:41,270 --> 01:06:37,799

so

1502

01:06:43,789 --> 01:06:41,280

I mean I I don't know but I feel that

1503

01:06:46,010 --> 01:06:43,799

just from us communicating with the

1504

01:06:50,210 --> 01:06:46,020

beings that have come to our home that

1505

01:06:52,910 --> 01:06:50,220

we are very much more connected than we

1506

01:06:55,250 --> 01:06:52,920

know and I think we're not taught for a

1507

01:06:57,650 --> 01:06:55,260

reason and I think

1508

01:07:01,430 --> 01:06:57,660

so we can kind of stay stuck you know

1509

01:07:03,470 --> 01:07:01,440

but then from another place I you know I

1510

01:07:05,270 --> 01:07:03,480

asked them a question there's certain

1511

01:07:06,650 --> 01:07:05,280

ones come around that I ask yes or no

1512

01:07:08,990 --> 01:07:06,660

questions to

1513

01:07:12,230 --> 01:07:09,000

kind of like a pendulum question yes or

1514

01:07:13,849 --> 01:07:12,240

no and I said are you

1515

01:07:17,089 --> 01:07:13,859

from here

1516

01:07:19,430 --> 01:07:17,099

I said if you are please show up a lot

1517

01:07:21,650 --> 01:07:19,440

if not don't do anything

1518

01:07:24,650 --> 01:07:21,660

and like 50 of them

1519

01:07:27,650 --> 01:07:24,660

started coming towards the camera

1520

01:07:30,230 --> 01:07:27,660

and and I thought to myself and then I

1521

01:07:32,690 --> 01:07:30,240

said is is where we're living bigger

1522

01:07:34,130 --> 01:07:32,700

than what we're taught is there more to

1523

01:07:36,170 --> 01:07:34,140

it and they go yes

1524

01:07:38,089 --> 01:07:36,180

and and so

1525

01:07:40,130 --> 01:07:38,099

but then I started asking dumb questions

1526
01:07:41,650 --> 01:07:40,140
because I got my ADHD but I mean the

1527
01:07:45,049 --> 01:07:41,660
point is

1528
01:07:45,829 --> 01:07:45,059
I was surprised by their answers you

1529
01:07:47,870 --> 01:07:45,839
know

1530
01:07:50,450 --> 01:07:47,880
Lala you can imagine me I'd be asking

1531
01:07:52,370 --> 01:07:50,460
their pizza order like at Domino's do

1532
01:07:56,329 --> 01:07:52,380
they want the banana peppers do you want

1533
01:07:58,010 --> 01:07:56,339
the so no I understand Bob okay you

1534
01:07:59,690 --> 01:07:58,020
don't expect me to contradict or do you

1535
01:08:03,589 --> 01:07:59,700
so let me tell you I want you I'll give

1536
01:08:06,829 --> 01:08:03,599
you no no seriously yeah I'm gonna take

1537
01:08:10,130 --> 01:08:06,839
you down a really deep road

1538
01:08:12,109 --> 01:08:10,140

so Donald Hoffman is a cognitive

1539

01:08:13,789 --> 01:08:12,119

scientist at the University of

1540

01:08:16,309 --> 01:08:13,799

California Irvine

1541

01:08:18,110 --> 01:08:16,319

and several years ago he proved a

1542

01:08:22,309 --> 01:08:18,120

mathematical theorem

1543

01:08:23,990 --> 01:08:22,319

evolutionary Game Theory there's some

1544

01:08:25,789 --> 01:08:24,000

controversy in the Neuroscience

1545

01:08:28,010 --> 01:08:25,799

Community about it but to me there's

1546

01:08:29,329 --> 01:08:28,020

zero controversy I've totally accept

1547

01:08:34,189 --> 01:08:29,339

what he's done

1548

01:08:36,590 --> 01:08:34,199

and he has shown that if the hypothesis

1549

01:08:38,689 --> 01:08:36,600

in his theorem are true

1550

01:08:41,930 --> 01:08:38,699

then we

1551
01:08:44,269 --> 01:08:41,940
are our senses hooked to our

1552
01:08:46,370 --> 01:08:44,279
Consciousness through ever our brain

1553
01:08:50,990 --> 01:08:46,380
Network which is our antenna to our

1554
01:08:53,809 --> 01:08:51,000
Consciousness uh are not seeing reality

1555
01:08:55,329 --> 01:08:53,819
that our evolutionary

1556
01:08:59,390 --> 01:08:55,339
upbringing

1557
01:09:01,849 --> 01:08:59,400
adapted our senses to maximize the

1558
01:09:05,269 --> 01:09:01,859
fitness function on our species

1559
01:09:08,630 --> 01:09:05,279
continuing to exist and that if a

1560
01:09:11,209 --> 01:09:08,640
species such as us does perceive actual

1561
01:09:14,269 --> 01:09:11,219
reality it's splitted with so much stuff

1562
01:09:17,990 --> 01:09:14,279
that is selected against by evolution

1563
01:09:21,829 --> 01:09:18,000

so he proved that we all lived in The

1564

01:09:25,729 --> 01:09:21,839

Matrix mathematically okay so a year or

1565

01:09:29,809 --> 01:09:25,739

so ago Donald got coveted

1566

01:09:31,910 --> 01:09:29,819

he was deathly ill I mean really badly

1567

01:09:35,570 --> 01:09:31,920

ill and everybody thought he was gonna

1568

01:09:38,749 --> 01:09:35,580

die but he made it he got out of it and

1569

01:09:41,329 --> 01:09:38,759

when he came out he unloaded on the

1570

01:09:44,030 --> 01:09:41,339

world the most unbelievably beautiful

1571

01:09:46,430 --> 01:09:44,040

thing I believe I have ever seen in my

1572

01:09:48,410 --> 01:09:46,440

mathematical life outside of girdle's

1573

01:09:50,329 --> 01:09:48,420

incompleteness theorem but that's also

1574

01:09:54,950 --> 01:09:50,339

relevant

1575

01:09:56,689 --> 01:09:54,960

Donald has come up with a collection of

1576

01:10:00,950 --> 01:09:56,699

objects

1577

01:10:03,830 --> 01:10:00,960

for his conscious ages so all EX all

1578

01:10:06,770 --> 01:10:03,840

experiences in any Consciousness are

1579

01:10:09,470 --> 01:10:06,780

born by a conscious agent all

1580

01:10:11,630 --> 01:10:09,480

experiences of a conscious being are an

1581

01:10:14,270 --> 01:10:11,640

example of a conscious agent and it's a

1582

01:10:17,390 --> 01:10:14,280

mathematical object okay he came up with

1583

01:10:19,189 --> 01:10:17,400

a version of conscious agent which has

1584

01:10:22,370 --> 01:10:19,199

some really interesting properties

1585

01:10:26,410 --> 01:10:22,380

called decorated permutations

1586

01:10:31,610 --> 01:10:26,420

and so the universe is just a vast

1587

01:10:33,410 --> 01:10:31,620

sea of all these conscious agents that

1588

01:10:36,950 --> 01:10:33,420

jump around and move around and have

1589

01:10:40,310 --> 01:10:36,960

Dynamics through a mathematical process

1590

01:10:42,649 --> 01:10:40,320

called a Markov process so this is kind

1591

01:10:44,149 --> 01:10:42,659

of a the future of what this is going to

1592

01:10:46,189 --> 01:10:44,159

be the next step of what this is going

1593

01:10:47,810 --> 01:10:46,199

to be is dependent only what the passed

1594

01:10:50,510 --> 01:10:47,820

on so everything kind of moves forward

1595

01:10:54,470 --> 01:10:50,520

through this Markov process

1596

01:10:56,990 --> 01:10:54,480

so how do we get from that to your and

1597

01:11:00,950 --> 01:10:57,000

my consciousness

1598

01:11:03,729 --> 01:11:00,960

that is a humongous collection of things

1599

01:11:07,610 --> 01:11:03,739

so how you get to our tiny little self

1600

01:11:10,790 --> 01:11:07,620

is we are each a projection to a lower

1601
01:11:13,610 --> 01:11:10,800
dimensional space of all that stuff in

1602
01:11:18,110 --> 01:11:13,620
the sea of of conscious agents

1603
01:11:20,689 --> 01:11:18,120
and we can't get all the stuff that's up

1604
01:11:24,229 --> 01:11:20,699
there down to us so we only see a small

1605
01:11:26,990 --> 01:11:24,239
piece of it but what we get projected to

1606
01:11:29,990 --> 01:11:27,000
each and every one of us is our own

1607
01:11:32,270 --> 01:11:30,000
illusion or virtual reality of

1608
01:11:32,990 --> 01:11:32,280
space-time and all the physics that's in

1609
01:11:36,649 --> 01:11:33,000
it

1610
01:11:39,830 --> 01:11:36,659
and the year the the big huge space of

1611
01:11:42,470 --> 01:11:39,840
conscious agents he says conclusively

1612
01:11:45,649 --> 01:11:42,480
that's the universal consciousness

1613
01:11:47,990 --> 01:11:45,659

and this projection from the universal

1614

01:11:50,450 --> 01:11:48,000

Consciousness means that each and every

1615

01:11:53,030 --> 01:11:50,460

one of our beings our little beings our

1616

01:11:55,310 --> 01:11:53,040

little Consciousness is a piece of the

1617

01:11:57,950 --> 01:11:55,320

universal Consciousness projected down

1618

01:11:59,570 --> 01:11:57,960

onto our little virtual reality

1619

01:12:01,610 --> 01:11:59,580

and

1620

01:12:04,370 --> 01:12:01,620

furthermore

1621

01:12:09,950 --> 01:12:04,380

he believes and is on the path with

1622

01:12:12,649 --> 01:12:09,960

others to deriving all of the physics of

1623

01:12:15,890 --> 01:12:12,659

space-time quantum mechanics general

1624

01:12:17,810 --> 01:12:15,900

relativity everything from the sea of

1625

01:12:21,890 --> 01:12:17,820

conscious agents as decorated

1626
01:12:24,110 --> 01:12:21,900
permutations and we get so remember I

1627
01:12:26,570 --> 01:12:24,120
said yes it's a this this projection is

1628
01:12:28,310 --> 01:12:26,580
a little funnel it's a funnel on the

1629
01:12:30,590 --> 01:12:28,320
ocean and it's only getting a few drops

1630
01:12:32,870 --> 01:12:30,600
for it so the drops are squeezing

1631
01:12:35,030 --> 01:12:32,880
through the funnel and that squeezing of

1632
01:12:37,610 --> 01:12:35,040
the drops through the funnel jumping out

1633
01:12:40,250 --> 01:12:37,620
drip drip drip one at a time that drip

1634
01:12:42,410 --> 01:12:40,260
drip drip one at a time is a loss of

1635
01:12:44,270 --> 01:12:42,420
information from the big conscious face

1636
01:12:48,110 --> 01:12:44,280
down to our little piece and that drip

1637
01:12:50,750 --> 01:12:48,120
drip drip is where we get time that drip

1638
01:12:55,130 --> 01:12:50,760

drip drip is one second two seconds

1639

01:12:57,590 --> 01:12:55,140

three seconds so time is not real it's

1640

01:12:59,930 --> 01:12:57,600

formed from the loss of information from

1641

01:13:02,810 --> 01:12:59,940

this huge conscious space down to us

1642

01:13:04,610 --> 01:13:02,820

from the universal Consciousness to us I

1643

01:13:06,830 --> 01:13:04,620

told you you wanted me to agree with it

1644

01:13:09,649 --> 01:13:06,840

so mathematically I just agreed with

1645

01:13:11,450 --> 01:13:09,659

everything she said but just a lot of

1646

01:13:14,770 --> 01:13:11,460

math and what I left out

1647

01:13:16,610 --> 01:13:14,780

so Bob for somebody who has a

1648

01:13:20,090 --> 01:13:16,620

bags degree

1649

01:13:22,669 --> 01:13:20,100

is could I make an analogy that each of

1650

01:13:25,850 --> 01:13:22,679

us has our own set of these VR goggles

1651

01:13:28,850 --> 01:13:25,860

yes and what's projected inside those

1652

01:13:31,610 --> 01:13:28,860

goggles is what you perceive so for

1653

01:13:34,490 --> 01:13:31,620

example myself and Lala I can't perceive

1654

01:13:38,149 --> 01:13:34,500

everything in my goggles that is reality

1655

01:13:40,669 --> 01:13:38,159

or receive those projections uh but to

1656

01:13:43,390 --> 01:13:40,679

the same degree perhaps that she is is

1657

01:13:46,790 --> 01:13:43,400

that the analogy that that is

1658

01:13:48,530 --> 01:13:46,800

but let me add one more thing sure you

1659

01:13:51,649 --> 01:13:48,540

both are projected from the same

1660

01:13:54,470 --> 01:13:51,659

computer data right but that means both

1661

01:13:56,870 --> 01:13:54,480

of you are facets right Universal

1662

01:13:59,390 --> 01:13:56,880

Consciousness but right I I got that but

1663

01:14:02,510 --> 01:13:59,400

I mean as far as what I as that entity

1664

01:14:05,630 --> 01:14:02,520

can perceive I if I had you know my

1665

01:14:07,430 --> 01:14:05,640

goggles I can't see outside that but the

1666

01:14:10,130 --> 01:14:07,440

the expanse of them could be a different

1667

01:14:12,290 --> 01:14:10,140

size from Nathan and Deb and Lala on

1668

01:14:15,410 --> 01:14:12,300

yourself and what and what's what

1669

01:14:17,570 --> 01:14:15,420

comprises the information that or or the

1670

01:14:20,330 --> 01:14:17,580

reality that I can perceive is that fair

1671

01:14:23,750 --> 01:14:20,340

that's fair that's why that's why five

1672

01:14:25,430 --> 01:14:23,760

people who have a UFO experience can see

1673

01:14:27,229 --> 01:14:25,440

five different things because each of

1674

01:14:29,149 --> 01:14:27,239

them has their own goggles and the

1675

01:14:31,490 --> 01:14:29,159

universal Consciousness sends each of

1676

01:14:34,070 --> 01:14:31,500

them something slightly different

1677

01:14:43,729 --> 01:14:34,080

okay so Nathan I think I got it all

1678

01:14:49,310 --> 01:14:47,030

my reality or yours oh it's the

1679

01:14:50,510 --> 01:14:49,320

universal Consciousness but your

1680

01:14:53,990 --> 01:14:50,520

projection

1681

01:14:55,550 --> 01:14:54,000

down to your brain interface to the

1682

01:14:58,850 --> 01:14:55,560

universal Consciousness through that

1683

01:15:01,189 --> 01:14:58,860

projection is your virtual reality it's

1684

01:15:05,209 --> 01:15:01,199

yours alone and the universal

1685

01:15:08,689 --> 01:15:05,219

Consciousness belongs to who or what God

1686

01:15:10,729 --> 01:15:08,699

if you want yeah that's why I use the

1687

01:15:13,250 --> 01:15:10,739

goggle analogy Matt because when you

1688

01:15:15,110 --> 01:15:13,260

throw those on I'm just using that as

1689

01:15:17,630 --> 01:15:15,120

just an analogy that that's what you can

1690

01:15:20,390 --> 01:15:17,640

perceive is what and you don't actually

1691

01:15:23,090 --> 01:15:20,400

have the goggles on but what you can

1692

01:15:24,649 --> 01:15:23,100

perceive in reality if you you know you

1693

01:15:27,169 --> 01:15:24,659

could use those goggles say okay that's

1694

01:15:29,689 --> 01:15:27,179

me mine isn't the same as What DJ is

1695

01:15:31,669 --> 01:15:29,699

perceiving I may be perceiving less than

1696

01:15:33,709 --> 01:15:31,679

you but that that goggles at least gives

1697

01:15:35,209 --> 01:15:33,719

you a framework for simple people like

1698

01:15:39,649 --> 01:15:35,219

myself to understand what he's talking

1699

01:15:40,669 --> 01:15:39,659

about Nathan yeah I mean wow all that is

1700

01:15:43,990 --> 01:15:40,679

amazing

1701

01:15:48,470 --> 01:15:46,430

it's a great great summary of Hoffman

1702

01:15:50,209 --> 01:15:48,480

and Bob and are really resonate with

1703

01:15:52,550 --> 01:15:50,219

that and um and I'm a big fan of

1704

01:15:54,649 --> 01:15:52,560

Bernardo Castro as well who yeah I'm

1705

01:15:56,750 --> 01:15:54,659

sure familiar with and Bernardo talks

1706

01:15:58,610 --> 01:15:56,760

about the disassociated altar so he's a

1707

01:16:01,189 --> 01:15:58,620

different terminology to talk about the

1708

01:16:02,330 --> 01:16:01,199

individual way to conscious agents

1709

01:16:04,669 --> 01:16:02,340

um and I think that that's a helpful

1710

01:16:08,209 --> 01:16:04,679

term too essentially like taking this

1711

01:16:10,310 --> 01:16:08,219

concept that uh that we're used to in

1712

01:16:12,290 --> 01:16:10,320

human psychology of individuals that

1713

01:16:15,350 --> 01:16:12,300

have split personality we call them

1714

01:16:18,410 --> 01:16:15,360

altered personalities so in this analogy

1715

01:16:22,010 --> 01:16:18,420

The Source God if you will essentially

1716

01:16:24,050 --> 01:16:22,020

has split personality disorder which is

1717

01:16:26,689 --> 01:16:24,060

what all conscious agents are in that

1718

01:16:28,610 --> 01:16:26,699

engine kind of giant Matrix and we're

1719

01:16:31,370 --> 01:16:28,620

all interacting with one another it's

1720

01:16:32,750 --> 01:16:31,380

sort of a process of the source of

1721

01:16:36,430 --> 01:16:32,760

Consciousness trying to understand

1722

01:16:39,229 --> 01:16:36,440

itself uh spinning out novel experience

1723

01:16:41,450 --> 01:16:39,239

uh and and it's an iterative process

1724

01:16:43,510 --> 01:16:41,460

it's fractal it's uh it's expansive it

1725

01:16:46,250 --> 01:16:43,520

is ever everything that there is

1726

01:16:48,649 --> 01:16:46,260

individual process is a Markov process

1727

01:16:50,990 --> 01:16:48,659

the Markov process there you go

1728

01:16:52,910 --> 01:16:51,000

um yeah it's beautiful and I wonder you

1729

01:16:54,290 --> 01:16:52,920

know since we're on this topic I think

1730

01:16:57,470 --> 01:16:54,300

we can kind of keep going on a little

1731

01:17:00,169 --> 01:16:57,480

bit but with this understanding of

1732

01:17:02,689 --> 01:17:00,179

reality and Bob you you kind of touched

1733

01:17:05,470 --> 01:17:02,699

on this earlier on going from the nuts

1734

01:17:08,450 --> 01:17:05,480

and bolts to this focus on Consciousness

1735

01:17:10,490 --> 01:17:08,460

and I think in a way like your

1736

01:17:12,950 --> 01:17:10,500

relationship is a mirror of this uh

1737

01:17:15,229 --> 01:17:12,960

shift as well right and and many of us

1738

01:17:17,630 --> 01:17:15,239

who are in relationships if we're like a

1739

01:17:19,850 --> 01:17:17,640

rational minded person the person we

1740

01:17:21,350 --> 01:17:19,860

tend to be attracted to is is a little a

1741

01:17:23,930 --> 01:17:21,360

little bit more emotive right there

1742

01:17:26,750 --> 01:17:23,940

we're used to this kind of pairing of

1743

01:17:29,030 --> 01:17:26,760

thinking and there's a beauty in that

1744

01:17:31,550 --> 01:17:29,040

pairing as opposed to just going one

1745

01:17:33,649 --> 01:17:31,560

side or the other yeah one of us is more

1746

01:17:34,850 --> 01:17:33,659

right brain one of us is more left brain

1747

01:17:36,770 --> 01:17:34,860

but we have this little piece of

1748

01:17:38,630 --> 01:17:36,780

intersection in the middle so we're like

1749

01:17:41,689 --> 01:17:38,640

two circles in a Venn diagram that

1750

01:17:44,209 --> 01:17:41,699

overlap exactly and so you know maybe

1751

01:17:46,970 --> 01:17:44,219

what we can talk about is just

1752

01:17:49,610 --> 01:17:46,980

kind of leaning into that and and where

1753

01:17:53,350 --> 01:17:49,620

is it in your own experience and we can

1754

01:17:57,350 --> 01:17:53,360

start with the two of you where you find

1755

01:18:00,350 --> 01:17:57,360

the I guess the the presence of this

1756

01:18:02,810 --> 01:18:00,360

reality most manifests to you you know

1757

01:18:04,610 --> 01:18:02,820

how do you feel it most manifest to you

1758

01:18:07,370 --> 01:18:04,620

because you know we can all get kind of

1759

01:18:09,950 --> 01:18:07,380

sidetracked on the light show of of The

1760

01:18:11,570 --> 01:18:09,960

Craft or whatever it is but really I

1761

01:18:13,189 --> 01:18:11,580

think as you pointed out it's not really

1762

01:18:15,050 --> 01:18:13,199

about that per se it's something more

1763

01:18:18,229 --> 01:18:15,060

meaningful and where is it that you find

1764

01:18:20,090 --> 01:18:18,239

that that meaning most manifest

1765

01:18:22,430 --> 01:18:20,100

okay

1766

01:18:26,689 --> 01:18:22,440

so

1767

01:18:30,410 --> 01:18:26,699

I have see Stephen in coincidences as

1768

01:18:32,930 --> 01:18:30,420

much as I used to I have just ceased now

1769

01:18:34,130 --> 01:18:32,940

I know the synchronicities exist

1770

01:18:37,070 --> 01:18:34,140

everywhere

1771

01:18:38,030 --> 01:18:37,080

so I'm sitting around just looking at

1772

01:18:40,130 --> 01:18:38,040

YouTube

1773

01:18:41,930 --> 01:18:40,140

and all of a sudden Here Comes This

1774

01:18:44,450 --> 01:18:41,940

video pops up is next in my YouTube

1775

01:18:46,130 --> 01:18:44,460

sequence and it's Donald Hoffman telling

1776

01:18:49,370 --> 01:18:46,140

me about his new ideas

1777

01:18:52,790 --> 01:18:49,380

and I'm perfectly positioned at just

1778

01:18:55,550 --> 01:18:52,800

that moment it floods over me I feel

1779

01:19:01,130 --> 01:18:55,560

this unbelievable

1780

01:19:05,330 --> 01:19:01,140

uh Cog sentience and uh just just this

1781

01:19:08,090 --> 01:19:05,340

this cognitive over overflow and I'm

1782

01:19:10,790 --> 01:19:08,100

absolutely certain I understand what it

1783

01:19:14,270 --> 01:19:10,800

is and it's just this overwhelming sense

1784

01:19:17,870 --> 01:19:14,280

of disguise right and I know he's right

1785

01:19:20,990 --> 01:19:17,880

and I just know it I know it and I just

1786

01:19:22,910 --> 01:19:21,000

call it Cog sentience the I know it that

1787

01:19:24,590 --> 01:19:22,920

he's right and so I'm jumping in

1788

01:19:25,430 --> 01:19:24,600

learning all his math and all this other

1789

01:19:28,850 --> 01:19:25,440

stuff

1790

01:19:31,689 --> 01:19:28,860

and just one more thing is

1791

01:19:33,770 --> 01:19:31,699

uh Roger Penrose is a brilliant

1792

01:19:36,110 --> 01:19:33,780

mathematician and physicist he won the

1793

01:19:38,090 --> 01:19:36,120

Nobel Prize because he dreamed of the

1794

01:19:39,890 --> 01:19:38,100

theorem that shows all things that are

1795

01:19:42,350 --> 01:19:39,900

certain size when they squish are going

1796

01:19:44,450 --> 01:19:42,360

to turn into a black hole

1797

01:19:49,130 --> 01:19:44,460

um he got the Nobel Prize for that last

1798

01:19:50,770 --> 01:19:49,140

year he has taken a very hard to

1799

01:19:53,410 --> 01:19:50,780

understand and follow

1800

01:19:55,970 --> 01:19:53,420

mathematical theorem called girdles

1801
01:19:57,290 --> 01:19:55,980
incompleteness theorem which there are

1802
01:20:00,530 --> 01:19:57,300
some questions to which you can never

1803
01:20:03,470 --> 01:20:00,540
find the answer yes or no in math okay

1804
01:20:06,890 --> 01:20:03,480
so he has shown how

1805
01:20:09,229 --> 01:20:06,900
that implies that an artificial

1806
01:20:12,290 --> 01:20:09,239
intelligence machine

1807
01:20:15,770 --> 01:20:12,300
all trying to put Consciousness on a

1808
01:20:17,270 --> 01:20:15,780
computer is doomed to failure before you

1809
01:20:20,209 --> 01:20:17,280
ever start

1810
01:20:25,430 --> 01:20:20,219
there is no process that you can write

1811
01:20:27,410 --> 01:20:25,440
on any computer ever that will tell what

1812
01:20:29,270 --> 01:20:27,420
you are working on you have achieved

1813
01:20:34,850 --> 01:20:29,280

understanding

1814

01:20:37,790 --> 01:20:34,860

not conscious you're not conscious no

1815

01:20:39,770 --> 01:20:37,800

computer can ever have a program written

1816

01:20:42,110 --> 01:20:39,780

on it that will determine when you've

1817

01:20:44,209 --> 01:20:42,120

achieved understanding

1818

01:20:46,910 --> 01:20:44,219

before the before the before the thing

1819

01:20:49,370 --> 01:20:46,920

has started it's impossible to write

1820

01:20:52,550 --> 01:20:49,380

such a program that means no computer

1821

01:20:54,649 --> 01:20:52,560

will ever be a conscious entity now they

1822

01:20:57,169 --> 01:20:54,659

can be approximately conscious

1823

01:21:00,410 --> 01:20:57,179

approximately like us so my personal

1824

01:21:02,870 --> 01:21:00,420

belief is where our future goes is a

1825

01:21:05,810 --> 01:21:02,880

marriage between the human mind and its

1826

01:21:08,209 --> 01:21:05,820

Consciousness and machines which we will

1827

01:21:11,030 --> 01:21:08,219

interface with with the neural link uh

1828

01:21:13,310 --> 01:21:11,040

and we too will become these cybernetic

1829

01:21:15,770 --> 01:21:13,320

organisms which are much better bigger

1830

01:21:18,709 --> 01:21:15,780

and better and more capable than either

1831

01:21:20,209 --> 01:21:18,719

of us alone and so I'm just telling you

1832

01:21:22,610 --> 01:21:20,219

this to all this kind of Consciousness

1833

01:21:23,750 --> 01:21:22,620

stuff it's like everything I'm thinking

1834

01:21:25,209 --> 01:21:23,760

about now

1835

01:21:29,209 --> 01:21:25,219

I

1836

01:21:32,090 --> 01:21:29,219

watch her talk to this stuff and it does

1837

01:21:35,270 --> 01:21:32,100

in the sky what she wants it to

1838

01:21:37,790 --> 01:21:35,280

you it's just amazing well

1839

01:21:40,010 --> 01:21:37,800

yeah phenomenal

1840

01:21:41,570 --> 01:21:40,020

um a lot what comes to mind for you when

1841

01:21:45,410 --> 01:21:41,580

you when you hear about that or think

1842

01:21:48,169 --> 01:21:45,420

about that the Consciousness uh aspect

1843

01:21:51,470 --> 01:21:50,209

yeah sure I mean it's you know we've

1844

01:21:54,410 --> 01:21:51,480

been talking about Consciousness we've

1845

01:21:56,090 --> 01:21:54,420

been talking about how uh and source and

1846

01:21:59,990 --> 01:21:56,100

uh the interrelatedness of all things

1847

01:22:02,330 --> 01:22:00,000

and uh you know I think you as a psychic

1848

01:22:04,550 --> 01:22:02,340

media may be more attuned to this than

1849

01:22:06,590 --> 01:22:04,560

than most maybe more second nature to

1850

01:22:08,270 --> 01:22:06,600

you than the rest of us who come at it

1851
01:22:10,490 --> 01:22:08,280
from more of a materialist background

1852
01:22:12,110 --> 01:22:10,500
that we're all kind of like cancel the

1853
01:22:14,090 --> 01:22:12,120
laser pointer all looking for the UFO

1854
01:22:16,189 --> 01:22:14,100
and you know so fascinated by that but

1855
01:22:19,550 --> 01:22:16,199
but you've you've tapped into or you can

1856
01:22:21,649 --> 01:22:19,560
tap into that deeper layer and so what

1857
01:22:24,050 --> 01:22:21,659
does it mean to you or where do you find

1858
01:22:27,410 --> 01:22:24,060
the greatest source of meaning in in

1859
01:22:28,669 --> 01:22:27,420
life uh tapping into that deep deeper

1860
01:22:31,010 --> 01:22:28,679
layer you know is it through

1861
01:22:35,570 --> 01:22:31,020
relationship is it through the work that

1862
01:22:38,689 --> 01:22:37,430
I enjoyed

1863
01:22:42,229 --> 01:22:38,699

the

1864

01:22:44,810 --> 01:22:42,239

how pure it is you have to be a product

1865

01:22:46,330 --> 01:22:44,820

and with good intentions because they

1866

01:22:50,350 --> 01:22:46,340

know anyway

1867

01:22:52,490 --> 01:22:50,360

and I I don't have to do any

1868

01:22:55,550 --> 01:22:52,500

rituals or anything I literally just

1869

01:22:57,350 --> 01:22:55,560

talked to them I talked to him with

1870

01:22:58,970 --> 01:22:57,360

with my heart sometimes out loud

1871

01:23:03,110 --> 01:22:58,980

sometimes in my mind

1872

01:23:05,810 --> 01:23:03,120

and they hear me it's and anybody can do

1873

01:23:08,810 --> 01:23:05,820

it and it originally started out that

1874

01:23:10,430 --> 01:23:08,820

they were they look like stars when we

1875

01:23:12,890 --> 01:23:10,440

first moved in they looked like stars

1876

01:23:14,570 --> 01:23:12,900

and I kept talking to them and asked

1877

01:23:16,310 --> 01:23:14,580

them do certain things and they would

1878

01:23:18,470 --> 01:23:16,320

and they did baby steps they kept

1879

01:23:21,050 --> 01:23:18,480

getting closer and closer eventually

1880

01:23:22,610 --> 01:23:21,060

they were moving our camera for us

1881

01:23:25,070 --> 01:23:22,620

because we didn't have it in the right

1882

01:23:27,290 --> 01:23:25,080

direction energy being falls down in a

1883

01:23:29,689 --> 01:23:27,300

beam stands up in front of the camera

1884

01:23:31,310 --> 01:23:29,699

grabs it and turns it and boom blinks

1885

01:23:33,890 --> 01:23:31,320

out of his goodness right in front of

1886

01:23:37,310 --> 01:23:33,900

the camera the video is on our data

1887

01:23:40,010 --> 01:23:37,320

right but you know the

1888

01:23:43,149 --> 01:23:40,020

Consciousness and everything it is a big

1889

01:23:45,950 --> 01:23:43,159

family that that's what it feels like

1890

01:23:47,330 --> 01:23:45,960

they if you're having a bad day you need

1891

01:23:48,830 --> 01:23:47,340

cheering off they will cheer you up if

1892

01:23:51,110 --> 01:23:48,840

you need help and guide us they will

1893

01:23:55,070 --> 01:23:51,120

help you if you can help them they will

1894

01:23:56,330 --> 01:23:55,080

take it it's it's very interesting I

1895

01:23:57,410 --> 01:23:56,340

thought it was just you pray to

1896

01:23:58,370 --> 01:23:57,420

something and hopefully something

1897

01:24:01,070 --> 01:23:58,380

happens

1898

01:24:04,250 --> 01:24:01,080

not at all it's very much

1899

01:24:08,450 --> 01:24:04,260

like a friend or family is interesting

1900

01:24:11,630 --> 01:24:08,460

wow hear what she says do so now you

1901

01:24:13,250 --> 01:24:11,640

have an answer if I'm an alien why don't

1902

01:24:15,290 --> 01:24:13,260

I calm down and land on the White House

1903

01:24:17,209 --> 01:24:15,300

Long the first thing that would happen

1904

01:24:18,890 --> 01:24:17,219

is every military and intelligence

1905

01:24:20,930 --> 01:24:18,900

person would be wanting to come get

1906

01:24:22,910 --> 01:24:20,940

whatever they've got for technology and

1907

01:24:23,990 --> 01:24:22,920

turn it into a war machine you think

1908

01:24:26,149 --> 01:24:24,000

they're going to land on the White House

1909

01:24:28,310 --> 01:24:26,159

on and that's they know ahead of time

1910

01:24:29,810 --> 01:24:28,320

that's what would happen they're never

1911

01:24:31,310 --> 01:24:29,820

going to land on the White House long

1912

01:24:34,130 --> 01:24:31,320

because they don't care about their

1913

01:24:36,830 --> 01:24:34,140

stupid Wars and I'm not saying that all

1914

01:24:39,530 --> 01:24:36,840
of them are peace and love but it

1915

01:24:42,470 --> 01:24:39,540
you'll attract what you

1916

01:24:44,209 --> 01:24:42,480
are or feel or intent

1917

01:24:46,010 --> 01:24:44,219
so

1918

01:24:48,530 --> 01:24:46,020
and I'm sure you know we're talking

1919

01:24:50,810 --> 01:24:48,540
about it like we wonder what types are

1920

01:24:53,390 --> 01:24:50,820
there any types that aren't so great

1921

01:24:57,169 --> 01:24:53,400
watching us and I think the answer is

1922

01:24:59,930 --> 01:24:57,179
yes but I think we're protected and

1923

01:25:02,810 --> 01:24:59,940
there's much more good than there is

1924

01:25:05,930 --> 01:25:02,820
anything else the reptilians woke her up

1925

01:25:08,630 --> 01:25:05,940
doing exactly what reptilians do if you

1926

01:25:13,010 --> 01:25:08,640

know what I mean and

1927

01:25:16,790 --> 01:25:14,689

know what was going on I didn't

1928

01:25:17,689 --> 01:25:16,800

understand nobody was in

1929

01:25:19,669 --> 01:25:17,699

it wasn't it shouldn't have been

1930

01:25:21,410 --> 01:25:19,679

happening all she knew that something

1931

01:25:28,729 --> 01:25:21,420

was having sex with her in the middle of

1932

01:25:35,090 --> 01:25:32,030

it was literally it felt exactly like

1933

01:25:36,950 --> 01:25:35,100

the real thing and that's I wasn't shock

1934

01:25:38,930 --> 01:25:36,960

to the point where I I didn't move I

1935

01:25:41,390 --> 01:25:38,940

mean my legs were closed it was I didn't

1936

01:25:43,370 --> 01:25:41,400

understand it and then after a few

1937

01:25:46,910 --> 01:25:43,380

moments I freaked out and then it

1938

01:25:49,430 --> 01:25:46,920

stopped and I kept that to myself and

1939

01:25:51,530 --> 01:25:49,440

took it for years until I met him and I

1940

01:25:53,090 --> 01:25:51,540

told him and he goes no a lot of people

1941

01:25:55,370 --> 01:25:53,100

go through that and now what you

1942

01:25:58,490 --> 01:25:55,380

described to me as a reptilian she never

1943

01:26:01,490 --> 01:25:58,500

heard of it no I never looked into it if

1944

01:26:03,290 --> 01:26:01,500

I ever saw a craft I like Deb I just go

1945

01:26:05,209 --> 01:26:03,300

okay there you go there's one it was

1946

01:26:08,330 --> 01:26:05,219

like a head I like to call it alien

1947

01:26:10,370 --> 01:26:08,340

Xanax I did not react at all and then

1948

01:26:11,689 --> 01:26:10,380

I'd have a missing time I mean I've seen

1949

01:26:14,350 --> 01:26:11,699

a craft

1950

01:26:18,290 --> 01:26:14,360

at night hiding in a cloud

1951

01:26:21,709 --> 01:26:18,300

and a helicopter shine a spotlight on it

1952

01:26:25,550 --> 01:26:21,719

and this thing was massive and I saw the

1953

01:26:26,810 --> 01:26:25,560

detail of the underbelly of it I mean it

1954

01:26:29,450 --> 01:26:26,820

was

1955

01:26:32,330 --> 01:26:29,460

I will never forget that I forget

1956

01:26:35,090 --> 01:26:32,340

everything after that I looked at it I

1957

01:26:36,950 --> 01:26:35,100

don't remember driving home I don't

1958

01:26:38,450 --> 01:26:36,960

and my friends yeah you should you tell

1959

01:26:39,890 --> 01:26:38,460

that reptilian you come in this bed

1960

01:26:45,169 --> 01:26:39,900

again you're gonna end up as a pair of

1961

01:26:50,510 --> 01:26:48,709

I mean you've yeah so I you know

1962

01:26:52,250 --> 01:26:50,520

something really weird happened in the

1963

01:26:55,370 --> 01:26:52,260

middle of I don't remember if it was Bob

1964

01:26:57,290 --> 01:26:55,380

or Lala speaking I've never had the

1965

01:27:00,229 --> 01:26:57,300

computer just shut down before like

1966

01:27:02,810 --> 01:27:00,239

literally it shut the screen went black

1967

01:27:04,970 --> 01:27:02,820

the camera was still on and then that

1968

01:27:07,189 --> 01:27:04,980

went dead and I'm just like what the

1969

01:27:08,810 --> 01:27:07,199

hell just happened I was like I have

1970

01:27:10,790 --> 01:27:08,820

never had that happen with my computer

1971

01:27:12,830 --> 01:27:10,800

before so

1972

01:27:14,930 --> 01:27:12,840

um that was really weird you should live

1973

01:27:17,689 --> 01:27:14,940

with her we've had batteries go good and

1974

01:27:19,729 --> 01:27:17,699

devices things shut off lights lights

1975

01:27:22,070 --> 01:27:19,739

turn on and off it's just a daily

1976

01:27:24,590 --> 01:27:22,080

occurrence with her if I lived with Lala

1977

01:27:25,910 --> 01:27:24,600

I would have that Apple care plan when

1978

01:27:27,950 --> 01:27:25,920

this stuff starts you know like I'm not

1979

01:27:29,990 --> 01:27:27,960

paying for it now but I would yeah all

1980

01:27:31,910 --> 01:27:30,000

right so let me know where we're at guys

1981

01:27:33,410 --> 01:27:31,920

because we are at an hour and a half I

1982

01:27:36,229 --> 01:27:33,420

don't want to keep you over I don't

1983

01:27:38,330 --> 01:27:36,239

think Deb got her topic or Matt so it's

1984

01:27:41,450 --> 01:27:38,340

up to you guys we could do quick hitters

1985

01:27:43,250 --> 01:27:41,460

if you guys want to present a a question

1986

01:27:45,229 --> 01:27:43,260

and we'll make them we'll make them like

1987

01:27:47,390 --> 01:27:45,239

rapid fire what do you want to do Nathan

1988

01:27:49,910 --> 01:27:47,400

yeah let's do some quick hitters and uh

1989

01:27:51,770 --> 01:27:49,920

okay okay since it's a time here and uh

1990

01:28:00,729 --> 01:27:51,780

you guys have been so gracious with your

1991

01:28:08,390 --> 01:28:04,790

I guess I was really interested in

1992

01:28:11,149 --> 01:28:08,400

understanding why it is the experiencers

1993

01:28:13,370 --> 01:28:11,159

tend to gravitate to each other

1994

01:28:16,250 --> 01:28:13,380

um Gary Nolan implied there might be a

1995

01:28:18,830 --> 01:28:16,260

biological imperative there that sort of

1996

01:28:22,070 --> 01:28:18,840

uh hidden to us so it's not so obvious

1997

01:28:26,570 --> 01:28:22,080

but it turns out that some people that

1998

01:28:30,050 --> 01:28:26,580

have the uh extra white matter uh in the

1999

01:28:32,870 --> 01:28:30,060

caudi fatayman uh have it and then end

2000

01:28:35,330 --> 01:28:32,880

up as couples and uh it seems like

2001

01:28:37,430 --> 01:28:35,340

people who are gifted often get drawn to

2002

01:28:40,129 --> 01:28:37,440

other people who are gifted like I feel

2003

01:28:43,189 --> 01:28:40,139

like this protective bond with anyone

2004

01:28:44,689 --> 01:28:43,199

who has gifts or experiences so what do

2005

01:28:46,310 --> 01:28:44,699

you think about that

2006

01:28:48,709 --> 01:28:46,320

let me just let me just say one thing

2007

01:28:51,590 --> 01:28:48,719

this question is going to Matt and then

2008

01:28:55,550 --> 01:28:51,600

it'll go to Lala Bob myself and then

2009

01:29:03,770 --> 01:28:59,470

uh yeah quick answer right

2010

01:29:07,310 --> 01:29:03,780

all I can say is up to this point in my

2011

01:29:08,750 --> 01:29:07,320

life which I mean literally this exact

2012

01:29:11,629 --> 01:29:08,760

moment

2013

01:29:13,250 --> 01:29:11,639

I have always found

2014

01:29:16,850 --> 01:29:13,260

others

2015

01:29:20,450 --> 01:29:16,860

that have shared similar experiences

2016

01:29:22,550 --> 01:29:20,460

and had like-minded thoughts whenever it

2017

01:29:24,050 --> 01:29:22,560

came to matters of the unknown and

2018

01:29:28,250 --> 01:29:24,060

unexplained

2019

01:29:30,470 --> 01:29:28,260

uh people that I didn't know would just

2020

01:29:32,750 --> 01:29:30,480

randomly be in situations where they

2021

01:29:34,729 --> 01:29:32,760

would open up about it

2022

01:29:38,629 --> 01:29:34,739

and that has happened time and time and

2023

01:29:41,090 --> 01:29:38,639

time again I why that is what the actual

2024

01:29:43,850 --> 01:29:41,100

explanation behind it the cause I have

2025

01:29:46,970 --> 01:29:43,860

no idea but I firmly believe

2026

01:29:50,270 --> 01:29:46,980

and to my own self no

2027

01:29:52,850 --> 01:29:50,280

that experiencers uh gifted people

2028

01:29:56,870 --> 01:29:52,860

whatever you want to put the label on it

2029

01:29:59,090 --> 01:29:56,880

are definitely drawn to one another and

2030

01:30:02,090 --> 01:29:59,100

something somewhere out there guides

2031

01:30:07,010 --> 01:30:04,010

thank you clearly you have an extended

2032

01:30:10,850 --> 01:30:07,020

basal ganglia would you would you

2033

01:30:14,570 --> 01:30:13,070

um you know some people think that we're

2034

01:30:16,970 --> 01:30:14,580

remembering

2035

01:30:19,189 --> 01:30:16,980

seeing each other on a craft when we

2036

01:30:20,990 --> 01:30:19,199

were some were taken and we don't even

2037

01:30:23,750 --> 01:30:21,000

know and it's just like we're drawing to

2038

01:30:26,270 --> 01:30:23,760

each other and I think some have

2039

01:30:29,030 --> 01:30:26,280

implants and we can kind of feel it

2040

01:30:32,149 --> 01:30:29,040

without realizing it I have one in my

2041

01:30:35,030 --> 01:30:32,159

leg and one of her head and I mean I've

2042

01:30:37,430 --> 01:30:35,040

got proof it's it's weird but anyway I

2043

01:30:39,410 --> 01:30:37,440

set off metal detectors and I let them I

2044

01:30:41,450 --> 01:30:39,420

I asked to see and it's like the size of

2045

01:30:43,129 --> 01:30:41,460

rice and when we went to an airport she

2046

01:30:46,689 --> 01:30:43,139

told me ahead of time where to look on

2047

01:30:51,830 --> 01:30:46,699

the Monitor and it was right I love it

2048

01:30:56,510 --> 01:30:54,050

like a you know you feel safe with that

2049

01:31:00,470 --> 01:30:58,790

you are amongst if if you are called

2050

01:31:02,810 --> 01:31:00,480

weird I tell this to Priscilla the

2051
01:31:04,550 --> 01:31:02,820
quantum witch all the time if you were

2052
01:31:06,290 --> 01:31:04,560
if you thought you're weird a people

2053
01:31:08,209 --> 01:31:06,300
told you of weird just look on the

2054
01:31:10,010 --> 01:31:08,219
screen here because we're all the you

2055
01:31:13,490 --> 01:31:10,020
know you've found your family we're all

2056
01:31:16,189 --> 01:31:13,500
that way everybody you can see here so

2057
01:31:28,629 --> 01:31:16,199
um we're you know there who defines the

2058
01:31:34,189 --> 01:31:32,570
so I believe in the end that quantum

2059
01:31:35,750 --> 01:31:34,199
mechanics it's kind of basically

2060
01:31:38,990 --> 01:31:35,760
describes the functioning of our

2061
01:31:40,490 --> 01:31:39,000
universe and I believe so people go

2062
01:31:41,990 --> 01:31:40,500
visit somebody and they have an

2063
01:31:45,530 --> 01:31:42,000

experience and they come home they have

2064

01:31:48,050 --> 01:31:45,540

a hitchhiker so all of that has said to

2065

01:31:51,649 --> 01:31:48,060

me from the beginning like Claire

2066

01:31:53,870 --> 01:31:51,659

sentience in some way that since it's

2067

01:31:56,390 --> 01:31:53,880

all kind of a Quantum system when you do

2068

01:31:57,830 --> 01:31:56,400

these things and interact and we are all

2069

01:31:59,330 --> 01:31:57,840

brother and sister and we've all been

2070

01:32:01,370 --> 01:31:59,340

we've worked with each other we're

2071

01:32:04,010 --> 01:32:01,380

Quantum entangled

2072

01:32:06,229 --> 01:32:04,020

and I believe in the end my intuition

2073

01:32:09,410 --> 01:32:06,239

tells me that it's going to be a version

2074

01:32:12,350 --> 01:32:09,420

of quantum entanglement

2075

01:32:13,970 --> 01:32:12,360

I love it uh you have not washed the

2076

01:32:15,410 --> 01:32:13,980

science out of him Lala that's all I

2077

01:32:16,910 --> 01:32:15,420

have to say

2078

01:32:20,149 --> 01:32:16,920

um you know I

2079

01:32:21,770 --> 01:32:20,159

to me you know it's the universal laws

2080

01:32:25,250 --> 01:32:21,780

of attraction you know Nathan once said

2081

01:32:28,810 --> 01:32:25,260

to me because it it turns out that his

2082

01:32:31,729 --> 01:32:28,820

brother Justin had a website called

2083

01:32:35,149 --> 01:32:31,739

birthdayshoes.com that uh basically

2084

01:32:38,270 --> 01:32:35,159

reviews all kinds of zero drop and

2085

01:32:41,209 --> 01:32:38,280

natural shoes that have are the shape of

2086

01:32:44,209 --> 01:32:41,219

a foot sort of and allow you to to walk

2087

01:32:46,010 --> 01:32:44,219

and run naturally and around 2009 or

2088

01:32:47,810 --> 01:32:46,020

2010 I can't remember what year I

2089

01:32:49,669 --> 01:32:47,820

started following his website and bought

2090

01:32:52,129 --> 01:32:49,679

a whole bunch of different shoes that

2091

01:32:55,310 --> 01:32:52,139

he's reviewed and still am to this day

2092

01:32:59,270 --> 01:32:55,320

and I didn't and Nathan says it's

2093

01:33:02,750 --> 01:32:59,280

because you and I are Partners now that

2094

01:33:04,189 --> 01:33:02,760

you perused his website back then

2095

01:33:06,590 --> 01:33:04,199

so

2096

01:33:10,129 --> 01:33:06,600

I you know I know this is the Quantum

2097

01:33:13,129 --> 01:33:10,139

this is the Quantum Erasure from genre

2098

01:33:15,110 --> 01:33:13,139

so yeah or you could Deb I wish I had a

2099

01:33:16,490 --> 01:33:15,120

better answer for you the universal laws

2100

01:33:18,350 --> 01:33:16,500

of attraction

2101
01:33:19,910 --> 01:33:18,360
um Nathan is probably gonna I I'm sorry

2102
01:33:22,370 --> 01:33:19,920
that I can't entertain this question

2103
01:33:24,470 --> 01:33:22,380
certainly not better than Bob and Lala

2104
01:33:25,370 --> 01:33:24,480
and and probably not as good as Nathan's

2105
01:33:27,229 --> 01:33:25,380
about to

2106
01:33:28,970 --> 01:33:27,239
but no I mean I don't think so I think

2107
01:33:31,310 --> 01:33:28,980
he did a great job I think we are all

2108
01:33:33,410 --> 01:33:31,320
interconnected we are and we are all one

2109
01:33:36,110 --> 01:33:33,420
right as Bob talked about earlier we are

2110
01:33:38,750 --> 01:33:36,120
all part of the same thing uh kind of

2111
01:33:40,729 --> 01:33:38,760
having a a little bit of an Amnesia

2112
01:33:42,830 --> 01:33:40,739
experience that that we are in fact

2113
01:33:45,709 --> 01:33:42,840

connected in that way and so

2114

01:33:48,169 --> 01:33:45,719

synchronicity and the feeling that you

2115

01:33:52,570 --> 01:33:48,179

know this person that you're meant to be

2116

01:33:56,810 --> 01:33:52,580

with them or the these are to me just

2117

01:34:00,890 --> 01:33:56,820

hints little cracks in the in the facade

2118

01:34:02,990 --> 01:34:00,900

of the world that we think is real that

2119

01:34:07,010 --> 01:34:03,000

there is this deeper connected

2120

01:34:08,510 --> 01:34:07,020

connectivity behind it and uh I think

2121

01:34:09,950 --> 01:34:08,520

it's incredibly powerful and meaningful

2122

01:34:13,430 --> 01:34:09,960

right when you start looking at the

2123

01:34:15,890 --> 01:34:13,440

world in this way uh everyone that you

2124

01:34:18,530 --> 01:34:15,900

interact with every experience that you

2125

01:34:22,430 --> 01:34:18,540

have uh you know carries a whole

2126

01:34:25,310 --> 01:34:22,440

different weight to it and ultimately it

2127

01:34:28,250 --> 01:34:25,320

means that that no one is alone right no

2128

01:34:30,890 --> 01:34:28,260

no one is is forgotten no life is Left

2129

01:34:34,070 --> 01:34:30,900

Behind you know all of the experience is

2130

01:34:37,510 --> 01:34:34,080

is one and is and and Redemption is a

2131

01:34:40,790 --> 01:34:37,520

real quality of existence

2132

01:34:42,649 --> 01:34:40,800

uh I don't know to me that's great amen

2133

01:34:45,229 --> 01:34:42,659

and it's something I need on like a

2134

01:34:47,209 --> 01:34:45,239

weekly basis Matt

2135

01:34:49,850 --> 01:34:47,219

uh

2136

01:34:55,850 --> 01:34:49,860

Lala did you have contacts on earlier

2137

01:35:01,729 --> 01:34:58,250

that was a great question thank you all

2138

01:35:03,530 --> 01:35:01,739

I have contacts on earlier man look she

2139

01:35:05,930 --> 01:35:03,540

had blue contacts on and they drive

2140

01:35:07,750 --> 01:35:05,940

drove her crazy because if you have the

2141

01:35:09,370 --> 01:35:07,760

air on and they dry it out

2142

01:35:11,629 --> 01:35:09,380

Mac

2143

01:35:13,310 --> 01:35:11,639

hey man all this talk about

2144

01:35:15,850 --> 01:35:13,320

Consciousness and reality and everything

2145

01:35:25,910 --> 01:35:15,860

I had to ask

2146

01:35:29,090 --> 01:35:27,590

kind of touched on this earlier about

2147

01:35:31,729 --> 01:35:29,100

you know aliens showing up on the

2148

01:35:35,149 --> 01:35:31,739

playhouse lawn but you know a throwback

2149

01:35:38,030 --> 01:35:35,159

to the days of the uh movie V and

2150

01:35:39,950 --> 01:35:38,040

subsequent television series if aliens

2151
01:35:42,950 --> 01:35:39,960
were to actually you know fast forward

2152
01:35:46,550 --> 01:35:42,960
to the day where an alien race of any

2153
01:35:49,910 --> 01:35:46,560
kind uh decides to make actual public

2154
01:35:52,189 --> 01:35:49,920
contact with humans and everything as a

2155
01:35:56,390 --> 01:35:52,199
culture would we ever

2156
01:35:59,930 --> 01:35:56,400
be able to trust and accept them uh just

2157
01:36:02,990 --> 01:35:59,940
the way we are with our own uh

2158
01:36:05,450 --> 01:36:03,000
civilization already

2159
01:36:06,950 --> 01:36:05,460
uh this question is going to La La but

2160
01:36:10,250 --> 01:36:06,960
Nathan you know why I'm trying to hold

2161
01:36:10,260 --> 01:36:16,189
Nathan's hypothesis go ahead ma'am

2162
01:36:20,870 --> 01:36:19,490
I can't cause no more okay so I think

2163
01:36:23,270 --> 01:36:20,880

people

2164

01:36:25,129 --> 01:36:23,280

can't handle it I think

2165

01:36:27,530 --> 01:36:25,139

too much of a good thing would turn into

2166

01:36:30,229 --> 01:36:27,540

a bad thing for a lot of people you know

2167

01:36:31,970 --> 01:36:30,239

it's it's not you can't control this

2168

01:36:36,290 --> 01:36:31,980

kind of a situation

2169

01:36:39,350 --> 01:36:36,300

it's I don't know here you go I I I

2170

01:36:41,149 --> 01:36:39,360

think that when when they come

2171

01:36:43,189 --> 01:36:41,159

the people they're going to interact

2172

01:36:45,649 --> 01:36:43,199

with they're going to be selective yeah

2173

01:36:48,169 --> 01:36:45,659

those that are capable of handling it

2174

01:36:50,450 --> 01:36:48,179

they will interact with them those that

2175

01:36:53,209 --> 01:36:50,460

want to use them or have bad intentions

2176

01:36:54,830 --> 01:36:53,219

they will shun them and they have all

2177

01:36:56,870 --> 01:36:54,840

the power they need to do all of that

2178

01:36:58,850 --> 01:36:56,880

remember they have these wands and knock

2179

01:37:00,590 --> 01:36:58,860

people out they're just knock anybody

2180

01:37:02,330 --> 01:37:00,600

out they don't want to talk to

2181

01:37:05,209 --> 01:37:02,340

I mean we got to remember they're gonna

2182

01:37:07,129 --> 01:37:05,219

be way ahead of us and just it's just

2183

01:37:09,229 --> 01:37:07,139

silly to think we're going to take what

2184

01:37:10,970 --> 01:37:09,239

they have and use it for bad things

2185

01:37:12,890 --> 01:37:10,980

they'll just talk to the people they

2186

01:37:14,270 --> 01:37:12,900

want to she and I are trying to get

2187

01:37:16,310 --> 01:37:14,280

ready

2188

01:37:19,729 --> 01:37:16,320

he wants to be beamed up right now I

2189

01:37:23,229 --> 01:37:21,410

I want you to come back though Bob

2190

01:37:25,970 --> 01:37:23,239

that's the part I'm worried about

2191

01:37:27,890 --> 01:37:25,980

go for a run and be brought back yeah

2192

01:37:29,990 --> 01:37:27,900

and Matt can you just restate the

2193

01:37:32,930 --> 01:37:30,000

question uh for me

2194

01:37:35,750 --> 01:37:32,940

yeah with uh the human race ever come to

2195

01:37:39,169 --> 01:37:35,760

a point where they would actually accept

2196

01:37:41,930 --> 01:37:39,179

a species from another planet and trust

2197

01:37:48,709 --> 01:37:45,050

not all of us you know I that question

2198

01:37:51,530 --> 01:37:48,719

could be as diverse as humans are

2199

01:37:55,129 --> 01:37:51,540

so there are people now who don't trust

2200

01:37:57,590 --> 01:37:55,139

other of the same species

2201

01:38:00,410 --> 01:37:57,600

um you know that that say oh well this

2202

01:38:03,950 --> 01:38:00,420

person is a different color so they're

2203

01:38:06,649 --> 01:38:03,960

not me I they're not the same as me uh

2204

01:38:08,390 --> 01:38:06,659

it could be something as you know and

2205

01:38:10,970 --> 01:38:08,400

and if that isn't stupid enough maybe

2206

01:38:12,709 --> 01:38:10,980

even more stupid is this person is from

2207

01:38:14,930 --> 01:38:12,719

a different political party than me it's

2208

01:38:18,410 --> 01:38:14,940

almost like there are different uh

2209

01:38:20,209 --> 01:38:18,420

species of the other than human so you

2210

01:38:23,750 --> 01:38:20,219

could only imagine that if you were to

2211

01:38:26,390 --> 01:38:23,760

bring in if somebody were to land that

2212

01:38:28,790 --> 01:38:26,400

you know doesn't you know that projects

2213

01:38:32,030 --> 01:38:28,800

doesn't even speak but projects thoughts

2214

01:38:35,090 --> 01:38:32,040

as their language and is technologically

2215

01:38:37,669 --> 01:38:35,100

Superior of course there's going to be

2216

01:38:39,530 --> 01:38:37,679

People Like Us who are going to be

2217

01:38:42,110 --> 01:38:39,540

celebrating and hoping that they want to

2218

01:38:43,790 --> 01:38:42,120

come and and sort of like have tea and

2219

01:38:46,550 --> 01:38:43,800

maybe Bob can throw some steaks on the

2220

01:38:48,770 --> 01:38:46,560

grill uh and then there's other other

2221

01:38:51,649 --> 01:38:48,780

people that will won't want anything to

2222

01:38:55,310 --> 01:38:51,659

do with them so I I think that as

2223

01:38:57,950 --> 01:38:55,320

diverse as humans are is how diverse the

2224

01:38:59,990 --> 01:38:57,960

response will be although when you look

2225

01:39:02,270 --> 01:39:00,000

at the community that you're involved in

2226

01:39:05,030 --> 01:39:02,280

that we're involved in that is we're

2227

01:39:06,530 --> 01:39:05,040

bringing together this UFO Bigfoot and

2228

01:39:09,350 --> 01:39:06,540

paranormal community that we're

2229

01:39:12,530 --> 01:39:09,360

attempting to to join together I think

2230

01:39:13,850 --> 01:39:12,540

that Community to a degree and you have

2231

01:39:16,250 --> 01:39:13,860

you have illustrated some of the

2232

01:39:17,930 --> 01:39:16,260

differences in the communities but to a

2233

01:39:19,010 --> 01:39:17,940

degree will be accepting of it but

2234

01:39:22,189 --> 01:39:19,020

beyond that

2235

01:39:24,410 --> 01:39:22,199

I don't know Nathan what do you think

2236

01:39:26,870 --> 01:39:24,420

salt and vinegar really I just can't get

2237

01:39:28,850 --> 01:39:26,880

behind that ship we're back to chips

2238

01:39:33,250 --> 01:39:28,860

again yeah oh sorry

2239

01:39:37,729 --> 01:39:36,169

uh vinegar man I just can't smell it's

2240

01:39:41,870 --> 01:39:37,739

never been good for me

2241

01:39:44,090 --> 01:39:41,880

um yeah I think um you know a lot I love

2242

01:39:47,750 --> 01:39:44,100

these answers and that for me I think in

2243

01:39:51,950 --> 01:39:47,760

some ways uh it does come back to

2244

01:39:54,350 --> 01:39:51,960

those that are ready or willing or you

2245

01:39:56,149 --> 01:39:54,360

know if the time is right you know for

2246

01:39:58,070 --> 01:39:56,159

for that experience then that experience

2247

01:40:01,129 --> 01:39:58,080

will occur

2248

01:40:03,590 --> 01:40:01,139

um I think that uh you know intelligent

2249

01:40:06,709 --> 01:40:03,600

beings that are you know kind of higher

2250

01:40:08,750 --> 01:40:06,719

up in the intelligence ladder from us

2251

01:40:10,129 --> 01:40:08,760

I mean they they I'd like to think they

2252

01:40:11,570 --> 01:40:10,139

know better than we we do about what

2253

01:40:12,950 --> 01:40:11,580

those interactions will look like and

2254

01:40:16,129 --> 01:40:12,960

whether or not they will be beneficial

2255

01:40:17,990 --> 01:40:16,139

for us or not beneficial for us

2256

01:40:20,270 --> 01:40:18,000

um but long as you said earlier not all

2257

01:40:22,010 --> 01:40:20,280

of them are great and all of them have

2258

01:40:25,010 --> 01:40:22,020

good intentions just like not all humans

2259

01:40:27,290 --> 01:40:25,020

are great uh so uh yeah I don't know

2260

01:40:29,149 --> 01:40:27,300

what those uh

2261

01:40:30,950 --> 01:40:29,159

with this kind of Clashing of Worlds

2262

01:40:32,810 --> 01:40:30,960

with that what that would look like I

2263

01:40:34,669 --> 01:40:32,820

I'm optimistic what I would love to see

2264

01:40:38,090 --> 01:40:34,679

happen is that it catalyzed the change

2265

01:40:41,570 --> 01:40:38,100

in humanity that it kind of wake us up

2266

01:40:44,270 --> 01:40:41,580

from our Collective stupor

2267

01:40:46,850 --> 01:40:44,280

but I don't know history has not been

2268

01:40:49,729 --> 01:40:46,860

kind to us in that regard and in those

2269

01:40:51,890 --> 01:40:49,739

instances that we've had in the past

2270

01:40:55,310 --> 01:40:51,900

Ronald Reagan certainly said that he

2271

01:40:57,950 --> 01:40:55,320

believed that would happen so uh I it's

2272

01:41:00,229 --> 01:40:57,960

possible it's possible yeah I mean you

2273

01:41:02,209 --> 01:41:00,239

have to hold out hope uh

2274

01:41:04,550 --> 01:41:02,219

um

2275

01:41:07,370 --> 01:41:04,560

you know it's just very difficult

2276

01:41:10,010 --> 01:41:07,380

for me when I hear

2277

01:41:12,169 --> 01:41:10,020

people will look at a person again you

2278

01:41:14,270 --> 01:41:12,179

know and I hate to bring up this example

2279

01:41:16,550 --> 01:41:14,280

of a different skin tone and say that

2280

01:41:19,010 --> 01:41:16,560

person is not like me it's like no that

2281

01:41:20,930 --> 01:41:19,020

person actually is like you it's just

2282

01:41:24,290 --> 01:41:20,940

there have a different skin tone than

2283

01:41:26,330 --> 01:41:24,300

you and so those you know I I look at it

2284

01:41:28,189 --> 01:41:26,340

through that prison but I'd I'd like I'd

2285

01:41:30,890 --> 01:41:28,199

prefer to be more hopeful as you are

2286

01:41:33,830 --> 01:41:30,900

Nathan Debs

2287

01:41:37,490 --> 01:41:33,840

so what comes to mind is that we are

2288

01:41:40,669 --> 01:41:37,500

probably as alien to them as they would

2289

01:41:43,129 --> 01:41:40,679

be to us and they do not clearly fully

2290

01:41:44,930 --> 01:41:43,139

understand us because if they did they

2291

01:41:47,570 --> 01:41:44,940

would not be doing things that are scary

2292

01:41:49,729 --> 01:41:47,580

or horrific to us

2293

01:41:51,350 --> 01:41:49,739

um and they do not all of them granted I

2294

01:41:54,229 --> 01:41:51,360

have to point that out there's some that

2295

01:41:57,410 --> 01:41:54,239

are good light beings yay thumbs up but

2296

01:41:59,629 --> 01:41:57,420

let's be honest when it comes to Grays

2297

01:42:01,910 --> 01:41:59,639

like that was not a good choice

2298

01:42:04,870 --> 01:42:01,920

that was never a good choice the

2299

01:42:07,970 --> 01:42:04,880

abduction's bad choice very bad choice

2300

01:42:11,030 --> 01:42:07,980

the covert behavior that might be

2301

01:42:12,649 --> 01:42:11,040

defensive is still scaring people

2302

01:42:15,350 --> 01:42:12,659

um and of course A lot of people are

2303

01:42:18,770 --> 01:42:15,360

being hurt which is you know something I

2304

01:42:20,689 --> 01:42:18,780

talk about kind of often now so if they

2305

01:42:23,149 --> 01:42:20,699

want trust from us they're not making

2306

01:42:25,189 --> 01:42:23,159

the decisions for that and I think that

2307

01:42:26,689 --> 01:42:25,199

they will ultimately change their

2308

01:42:28,790 --> 01:42:26,699

methods

2309

01:42:30,350 --> 01:42:28,800

um especially the good guys let's just

2310

01:42:31,790 --> 01:42:30,360

you know give a thumbs up to light

2311

01:42:35,750 --> 01:42:31,800

beings again

2312

01:42:41,270 --> 01:42:38,390

that was an amazing answer Deb I loved

2313

01:42:44,330 --> 01:42:41,280

it uh you had a totally different and

2314

01:42:47,149 --> 01:42:44,340

interesting perspective from us and I'm

2315

01:42:49,910 --> 01:42:47,159

thinking man we we have so much uh

2316

01:42:51,290 --> 01:42:49,920

ammunition to do a part two with uh Lala

2317

01:42:54,169 --> 01:42:51,300

and Bob

2318

01:42:56,270 --> 01:42:54,179

um because I have questions to ask but

2319

01:42:58,370 --> 01:42:56,280

uh we gotta we gotta wrap it up here you

2320

01:43:01,790 --> 01:42:58,380

guys as Nathan said earlier you've been

2321

01:43:05,870 --> 01:43:01,800

uh very giving of your time

2322

01:43:08,030 --> 01:43:05,880

um and we really appreciate it so uh you

2323

01:43:09,770 --> 01:43:08,040

know final comments Bob if you have

2324

01:43:11,930 --> 01:43:09,780

anything and then we're gonna we do our

2325

01:43:13,609 --> 01:43:11,940

cabbie goodbyes so we could you could

2326

01:43:16,310 --> 01:43:13,619

come in after that or if you have

2327

01:43:18,350 --> 01:43:16,320

something you'd like to say now no I'd

2328

01:43:20,030 --> 01:43:18,360

like both of us probably would like to

2329

01:43:24,229 --> 01:43:20,040

come back and one of the topics we would

2330

01:43:28,570 --> 01:43:24,239

like to tell you is about our ability to

2331

01:43:31,910 --> 01:43:28,580

use technology married with her ability

2332

01:43:34,790 --> 01:43:31,920

and other stuff we know about to

2333

01:43:36,830 --> 01:43:34,800

establish a full-blown two-way

2334

01:43:38,149 --> 01:43:36,840

communication system stuff with the

2335

01:43:42,050 --> 01:43:38,159

entities

2336

01:43:43,609 --> 01:43:42,060

oh wow I mean we already wanted to have

2337

01:43:45,890 --> 01:43:43,619

you back Bob you really didn't need to

2338

01:43:47,930 --> 01:43:45,900

sweeten the pot this is like we have

2339

01:43:49,669 --> 01:43:47,940

those those egg rolls and then you put

2340

01:43:53,330 --> 01:43:49,679

the the Duck Sauce there for us to dip

2341

01:43:57,229 --> 01:43:53,340

it in you know it's really really cream

2342

01:44:02,330 --> 01:43:59,950

that's the good stuff

2343

01:44:04,609 --> 01:44:02,340

[Laughter]

2344

01:44:06,470 --> 01:44:04,619

you guys are so much

2345

01:44:08,330 --> 01:44:06,480

all right let's go with cabbie goodbye

2346

01:44:09,950 --> 01:44:08,340

starting with Matt please

2347

01:44:12,290 --> 01:44:09,960

yeah uh

2348

01:44:14,510 --> 01:44:12,300

ETB to the punch on that one Bob I don't

2349

01:44:16,850 --> 01:44:14,520

know how to break the news to you uh the

2350

01:44:18,129 --> 01:44:16,860

old speaking spell and

2351

01:44:21,229 --> 01:44:18,139

you know

2352

01:44:25,729 --> 01:44:21,239

you can't you can't who is invention

2353

01:44:29,510 --> 01:44:25,739

you absolutely see it so yeah anyway and

2354

01:44:32,090 --> 01:44:29,520

uh I'm I'm uh definitely walking away

2355

01:44:34,790 --> 01:44:32,100

from this conversation with some uh

2356

01:44:37,370 --> 01:44:34,800

some Enlightenment some uh new

2357

01:44:39,229 --> 01:44:37,380

approaches to thoughts and uh ideas and

2358

01:44:42,530 --> 01:44:39,239

stuff you you really got my mind going

2359

01:44:44,510 --> 01:44:42,540

uh which is a very good thing in my

2360

01:44:46,609 --> 01:44:44,520

opinion and I appreciate you guys coming

2361

01:44:48,830 --> 01:44:46,619

on and being so open and transparent

2362

01:44:50,209 --> 01:44:48,840

with the information you know it takes a

2363

01:44:51,530 --> 01:44:50,219

lot to sit out here in front of

2364

01:44:52,910 --> 01:44:51,540

everybody and say

2365

01:44:55,370 --> 01:44:52,920

you know some of the things you've said

2366

01:44:57,830 --> 01:44:55,380

and talk about these subjects and I

2367

01:44:59,870 --> 01:44:57,840

think it really uh helps out people to

2368

01:45:01,310 --> 01:44:59,880

hear these things uh especially people

2369

01:45:05,990 --> 01:45:01,320

who are going through similar

2370

01:45:08,030 --> 01:45:06,000

experiences uh and it's helped me so I

2371

01:45:10,250 --> 01:45:08,040

thank you for that I want to add just

2372

01:45:12,550 --> 01:45:10,260

just specifically for you that Lala and

2373

01:45:15,410 --> 01:45:12,560

I are part of the remote viewing

2374

01:45:18,470 --> 01:45:15,420

interaction through Simeon Hein who is a

2375

01:45:20,270 --> 01:45:18,480

remote viewing teacher and the topic of

2376

01:45:22,669 --> 01:45:20,280

our little group is remote viewing

2377

01:45:25,790 --> 01:45:22,679

Bigfoot oh wow

2378

01:45:28,669 --> 01:45:25,800

and the order too we have an or yes look

2379

01:45:31,550 --> 01:45:28,679

we have been part of an org group that

2380

01:45:34,990 --> 01:45:31,560

Durant Cameron started they have been

2381

01:45:39,050 --> 01:45:35,000

the most amazing collection of beautiful

2382

01:45:41,689 --> 01:45:39,060

kind helping people that I have ever run

2383

01:45:44,629 --> 01:45:41,699

into in my life and they have helped us

2384

01:45:47,209 --> 01:45:44,639

so much understand what we're doing how

2385

01:45:50,450 --> 01:45:47,219

we're going and we have been completely

2386

01:45:52,609 --> 01:45:50,460

remiss in these podcasts with not

2387

01:45:56,390 --> 01:45:52,619

thanking them for all they have done for

2388

01:45:58,970 --> 01:45:56,400

us so this is the premiere show uh we

2389

01:46:00,950 --> 01:45:58,980

will never fail to thank them and bless

2390

01:46:04,550 --> 01:46:00,960

them again

2391

01:46:06,229 --> 01:46:04,560

Namaste Namaste

2392

01:46:09,350 --> 01:46:06,239

um The Light in Me sees the light in you

2393

01:46:12,410 --> 01:46:09,360

Bob and Lala uh and I just want to say

2394

01:46:15,950 --> 01:46:12,420

in the chat I want to thank you AV

2395

01:46:17,990 --> 01:46:15,960

um anonymity it looks like Gaspar 74.

2396

01:46:19,910 --> 01:46:18,000

everybody else who's chimed in tonight

2397

01:46:22,370 --> 01:46:19,920

Jules obviously the queen of the chat

2398

01:46:24,649 --> 01:46:22,380

our friend and yeah thank you so much

2399

01:46:26,689 --> 01:46:24,659

you guys for for hanging in there and

2400

01:46:29,030 --> 01:46:26,699

I'm sorry we couldn't get more there's a

2401

01:46:30,410 --> 01:46:29,040

lot of material to get through and uh

2402

01:46:32,030 --> 01:46:30,420

and we didn't even get through it also

2403

01:46:34,189 --> 01:46:32,040

and that's why we'll have these guys on

2404

01:46:35,689 --> 01:46:34,199

again uh Debs if you would with your

2405

01:46:38,209 --> 01:46:35,699

cabbie goodbye please

2406

01:46:40,070 --> 01:46:38,219

well I want to say thank you so much for

2407

01:46:41,330 --> 01:46:40,080

accepting the invitation to come speak

2408

01:46:43,609 --> 01:46:41,340

with us

2409

01:46:46,129 --> 01:46:43,619

um obviously when once you're in our cab

2410

01:46:49,010 --> 01:46:46,139

you're part of the family so we have

2411

01:46:52,550 --> 01:46:49,020

adopted you welcome to cab

2412

01:46:54,229 --> 01:46:52,560

um and I have a feeling that Lala and I

2413

01:46:56,750 --> 01:46:54,239

are supposed to have more conversations

2414

01:46:59,330 --> 01:46:56,760

in the future I just have a sense and by

2415

01:47:00,410 --> 01:46:59,340

the way I am in Maryland so maybe we

2416

01:47:03,470 --> 01:47:00,420

should be doing lunch and dinner

2417

01:47:06,590 --> 01:47:03,480

sometime yes let's let's meet at

2418

01:47:09,709 --> 01:47:06,600

Conrad's and have crabs

2419

01:47:12,950 --> 01:47:09,719

and Deb's data Dojo as well uh her show

2420

01:47:15,109 --> 01:47:12,960

which is also on the cab Network so

2421

01:47:18,050 --> 01:47:15,119

um Nathan man I want to go to Maryland

2422

01:47:19,910 --> 01:47:18,060

to have crabs too that sounds awesome

2423

01:47:21,890 --> 01:47:19,920

um you guys have been fantastic thank

2424

01:47:23,870 --> 01:47:21,900

you so much for for your time for your

2425

01:47:26,870 --> 01:47:23,880

generosity for your willingness to be

2426

01:47:30,590 --> 01:47:26,880

bold and share your experiences

2427

01:47:33,649 --> 01:47:30,600

um I I am fascinated by what you've gone

2428

01:47:35,930 --> 01:47:33,659

through and what you both bring to this

2429

01:47:38,930 --> 01:47:35,940

conversation uh you're a unique

2430

01:47:40,669 --> 01:47:38,940

combination of individuals and the fact

2431

01:47:42,669 --> 01:47:40,679

that you are willing to kind of bring

2432

01:47:45,770 --> 01:47:42,679

your whole self into this conversation

2433

01:47:47,330 --> 01:47:45,780

is uh it's really inspiring so thank you

2434

01:47:48,229 --> 01:47:47,340

so much and I'm looking forward to part

2435

01:47:50,570 --> 01:47:48,239

two

2436

01:47:52,910 --> 01:47:50,580

thank you so are we

2437

01:47:54,709 --> 01:47:52,920

I was trying to play Chicago for you

2438

01:47:56,930 --> 01:47:54,719

guys I was trying to play Beginnings but

2439

01:47:59,330 --> 01:47:56,940

I didn't have this other program up and

2440

01:48:03,709 --> 01:47:59,340

running I'm gonna see if I can get it

2441

01:48:06,590 --> 01:48:03,719

um yeah I just you know I I love love

2442

01:48:09,410 --> 01:48:06,600

and it and so therefore it's just so

2443

01:48:11,689 --> 01:48:09,420

great to see you guys and uh this

2444

01:48:13,970 --> 01:48:11,699

relationship and the positivity that

2445

01:48:17,330 --> 01:48:13,980

between you guys and certainly how

2446

01:48:20,330 --> 01:48:17,340

you've inspired me us uh and everybody

2447

01:48:21,890 --> 01:48:20,340

else Bob you know obviously you're you

2448

01:48:24,830 --> 01:48:21,900

know known in the community everybody

2449

01:48:26,629 --> 01:48:24,840

knows you and

2450

01:48:28,310 --> 01:48:26,639

um oh wait here it is do you guys hear

2451
01:48:30,830 --> 01:48:28,320
it now

2452
01:48:32,390 --> 01:48:30,840
no maybe not

2453
01:48:34,810 --> 01:48:32,400
I'll make sure I got The Right

2454
01:48:38,450 --> 01:48:34,820
microphone on here

2455
01:48:40,629 --> 01:48:38,460
can you hear it oh okay but

2456
01:48:45,970 --> 01:48:40,639
this is

2457
01:48:51,770 --> 01:48:49,790
all right so only the beginning is uh

2458
01:48:53,330 --> 01:48:51,780
this song and very appropriate for for

2459
01:48:55,070 --> 01:48:53,340
you guys it's only the beginning of

2460
01:48:57,890 --> 01:48:55,080
everything that you'll accomplish

2461
01:49:00,050 --> 01:48:57,900
together uh once again we're honored

2462
01:49:02,330 --> 01:49:00,060
that you would come and join us uh on

2463
01:49:04,310 --> 01:49:02,340

cab and I look forward to a part two

2464

01:49:05,810 --> 01:49:04,320

where because I have more questions I

2465

01:49:08,930 --> 01:49:05,820

want to get to and get your thoughts on

2466

01:49:11,450 --> 01:49:08,940

and um you guys are just you just guys

2467

01:49:14,390 --> 01:49:11,460

just bring such a happy feeling thank

2468

01:49:18,290 --> 01:49:14,400

you so much on behalf of uh money Nathan

2469

01:49:20,930 --> 01:49:18,300

Debs Matt and myself uh we always say

2470

01:49:22,970 --> 01:49:20,940

peace out we say one love we'll see you

2471

01:49:27,520 --> 01:49:22,980

down the road and as always we wonder

2472

01:49:27,530 --> 01:49:33,590
