21

00:01:18,469 --> 00:01:15,900

42

00:02:09,109 --> 00:02:05,520

of the tracks and howls that this dude's

43

00:02:11,449 --> 00:02:09,119

44

00:02:13,250 --> 00:02:11,459

45

00:02:15,650 --> 00:02:13,260

episode is brought to you by none other

46

00:02:18,290 --> 00:02:15,660

49

00:02:27,890 --> 00:02:26,280

middle of the week middle of the week I

50

00:02:30,350 --> 00:02:27,900

eat that song when I was active duty

51
00:02:33,530 --> 00:02:30,360
we'll get we'll get to that later uh and

52
00:02:36,110 --> 00:02:33,540
man back from living loving she's just a

53
00:02:39,110 --> 00:02:36,120
woman as Led Zeppelin might say out west

54
00:02:44,750 --> 00:02:39,120
skiing her ass off put it together for

55
00:02:47,869 --> 00:02:44,760
Leah Prime Time prime time oh man TJ it

56
00:02:49,850 --> 00:02:47,879
should be my ringtone hey folks

57
00:02:51,650 --> 00:02:49,860
welcome back prime time we missed you

58
00:02:53,270 --> 00:02:51,660
buddy we're glad that we could get you

59
00:02:55,430 --> 00:02:53,280
off the slopes and the only reason is is

60
00:02:58,369 --> 00:02:55,440
I told the chairlift guy to shut it off

61
00:03:02,210 --> 00:02:58,379
man I'd send him a hundred that's how we

62
00:03:05,449 --> 00:03:02,220
got you from shut it down yeah

63
00:03:08,449 --> 00:03:05,459

all right oh man so again this one was

64

00:03:11,270 --> 00:03:08,459

circled on the calendar and uh when when

65

00:03:13,790 --> 00:03:11,280

it went down I was he's like oh man I

66

00:03:17,030 --> 00:03:13,800

know I know Vic I I can get this up I'm

67

00:03:18,949 --> 00:03:17,040

like Matt man Original Gangster man he

68

00:03:23,030 --> 00:03:18,959

goes I can I can make this happen I was

69

00:03:26,869 --> 00:03:23,040

like awesome so uh our guest tonight is

70

00:03:30,470 --> 00:03:26,879

the prolific host of three shows Bigfoot

71

00:03:33,410 --> 00:03:30,480

eyewitness radio my Bigfoot sighting and

72

00:03:35,750 --> 00:03:33,420

dog man encounters he treats the

73

00:03:37,850 --> 00:03:35,760

experiencers with Karen respect and

74

00:03:41,330 --> 00:03:37,860

offers that same regard to both bigfoots

75

00:03:46,940 --> 00:03:41,340

and dogmen themselves party people put

76
00:03:50,030 --> 00:03:46,950
those hands together for Mr Vic Conde

77
00:03:50,030 --> 00:03:50,040
[Music]

78
00:03:55,190 --> 00:03:52,970
yeah

79
00:03:56,990 --> 00:03:55,200
well thanks for the great invite and a

80
00:03:59,809 --> 00:03:57,000
good introduction I don't deserve it but

81
00:04:01,610 --> 00:03:59,819
yeah thank you damn the way you taking

82
00:04:04,250 --> 00:04:01,620
care of everybody Vic you deserve this

83
00:04:06,530 --> 00:04:04,260
man the way you know Nathan's listened

84
00:04:08,750 --> 00:04:06,540
to these episodes he turned me on to

85
00:04:11,149 --> 00:04:08,760
your joint and

86
00:04:14,210 --> 00:04:11,159
um you know just like I said the care

87
00:04:16,550 --> 00:04:14,220
and the regard uh with which you you you

88
00:04:19,009 --> 00:04:16,560

treat the people that come on

89

00:04:22,790 --> 00:04:19,019

uh the empathetic way that you deal with

90

00:04:24,530 --> 00:04:22,800

them and also I could tell that you have

91

00:04:27,170 --> 00:04:24,540

a genuine respect

92

00:04:30,710 --> 00:04:27,180

for these creatures uh all of all of

93

00:04:33,590 --> 00:04:30,720

them that we've mentioned in the intro

94

00:04:36,590 --> 00:04:33,600

well I don't have a genuine respect for

95

00:04:38,270 --> 00:04:36,600

dogmen Sasquatch I do but

96

00:04:40,430 --> 00:04:38,280

you can only talk with so many

97

00:04:43,129 --> 00:04:40,440

eyewitnesses who have been tormented by

98

00:04:45,230 --> 00:04:43,139

these guys by these things and have

99

00:04:47,510 --> 00:04:45,240

respect for them I mean what they do in

100

00:04:48,830 --> 00:04:47,520

a lot of cases in most cases is pretty

101
00:04:51,230 --> 00:04:48,840
despicable when they interact with

102
00:04:52,390 --> 00:04:51,240
people so no I don't have any respect

103
00:04:56,629 --> 00:04:52,400
for dogs

104
00:04:59,090 --> 00:04:56,639
horrible how they how they interact with

105
00:05:00,890 --> 00:04:59,100
people not all dogmen of course but the

106
00:05:03,590 --> 00:05:00,900
ones that do interact with people in

107
00:05:06,110 --> 00:05:03,600
almost every case it's just deplorable

108
00:05:08,450 --> 00:05:06,120
how they go out of their way to deterize

109
00:05:11,090 --> 00:05:08,460
people and try to ruin their lives it's

110
00:05:13,189 --> 00:05:11,100
just horrible I I have an idea about

111
00:05:14,990 --> 00:05:13,199
that I think Nathan will sign on to this

112
00:05:17,150 --> 00:05:15,000
that I wanted to float to you but you

113
00:05:20,330 --> 00:05:17,160

know cab has done certain fundraisers

114

00:05:23,450 --> 00:05:20,340

and stuff before so what if we were to

115

00:05:25,610 --> 00:05:23,460

raise money to get a front line t top

116

00:05:27,650 --> 00:05:25,620

spot you know flea and tick preventative

117

00:05:30,170 --> 00:05:27,660

and then we'll distribute it out in the

118

00:05:32,450 --> 00:05:30,180

lbl to Dogman wouldn't that improve

119

00:05:34,189 --> 00:05:32,460

their mood if we were I mean Dogman

120

00:05:36,590 --> 00:05:34,199

doesn't want to be coated with teas

121

00:05:38,330 --> 00:05:36,600

fleas and ticks I mean you know is that

122

00:05:40,370 --> 00:05:38,340

an idea that's worth doing you know is

123

00:05:42,710 --> 00:05:40,380

making sure they're treated for fleas

124

00:05:44,749 --> 00:05:42,720

and ticks maybe they'd be friendlier

125

00:05:47,029 --> 00:05:44,759

well I don't know about fleas but I do

126

00:05:50,270 --> 00:05:47,039

know that ticks are a big problem in the

127

00:05:51,850 --> 00:05:50,280

lbl so it might help all right so yeah I

128

00:05:54,529 --> 00:05:51,860

Endeavor we'll have to get together

129

00:05:56,210 --> 00:05:54,539

Nathan we gotta distribute Dogman

130

00:05:58,189 --> 00:05:56,220

deserves flea and tick preventive would

131

00:05:59,870 --> 00:05:58,199

you agree it must oh man yeah I mean

132

00:06:02,029 --> 00:05:59,880

what uh we'll put it on the healthcare

133

00:06:03,070 --> 00:06:02,039

plans for it that way what about Milk

134

00:06:06,770 --> 00:06:03,080

Bones

135

00:06:08,689 --> 00:06:06,780

I mean ridiculous for the good boys yeah

136

00:06:10,850 --> 00:06:08,699

that's right for all the good boys if

137

00:06:13,129 --> 00:06:10,860

you don't attack a human at least this

138

00:06:14,810 --> 00:06:13,139

week you know I'm willing to spring for

139

00:06:16,969 --> 00:06:14,820

a Nyla bone just so you can chew on it

140

00:06:19,610 --> 00:06:16,979

and of course obviously some some large

141

00:06:21,469 --> 00:06:19,620

large size Milk Bones but uh that aside

142

00:06:22,969 --> 00:06:21,479

all kidding aside let me pass you over

143

00:06:24,050 --> 00:06:22,979

the capable hands of my brother money

144

00:06:26,809 --> 00:06:24,060

Nathan

145

00:06:28,610 --> 00:06:26,819

Vic it is great to have you with us uh I

146

00:06:31,129 --> 00:06:28,620

can't say just like how impressed I am

147

00:06:32,809 --> 00:06:31,139

with all the shows that you do and and

148

00:06:35,330 --> 00:06:32,819

the way that you treat your guests as DJ

149

00:06:37,249 --> 00:06:35,340

said uh you know we're big big fans of

150

00:06:38,450 --> 00:06:37,259

that and your content

151
00:06:41,090 --> 00:06:38,460
um I was listening to one of your recent

152
00:06:43,550 --> 00:06:41,100
shows and I was really struck by

153
00:06:45,110 --> 00:06:43,560
something that the guest said and I

154
00:06:46,730 --> 00:06:45,120
wonder if you kind of reflected on this

155
00:06:49,309 --> 00:06:46,740
a little bit as well but they basically

156
00:06:52,189 --> 00:06:49,319
put it like this that that the same

157
00:06:55,490 --> 00:06:52,199
response to experiencing something like

158
00:06:57,469 --> 00:06:55,500
this experiencing encrypted uh dog man a

159
00:06:58,490 --> 00:06:57,479
Bigfoot whatever is to be obsessed with

160
00:07:00,469 --> 00:06:58,500
it

161
00:07:02,930 --> 00:07:00,479
and I wonder after all the interviews

162
00:07:06,550 --> 00:07:02,940
that you've done your own experiences if

163
00:07:08,930 --> 00:07:06,560

that you know resonates with you

164

00:07:10,909 --> 00:07:08,940

well the response you get from my

165

00:07:12,350 --> 00:07:10,919

Witnesses it's kind of a binary

166

00:07:15,110 --> 00:07:12,360

situation

167

00:07:17,870 --> 00:07:15,120

on one hand you've got the people who

168

00:07:20,210 --> 00:07:17,880

are just drawn to it like a a moth to a

169

00:07:22,370 --> 00:07:20,220

flame they can't get enough info about

170

00:07:24,230 --> 00:07:22,380

dogmen it's an obsession after they have

171

00:07:26,510 --> 00:07:24,240

their first encounter and then on the

172

00:07:28,370 --> 00:07:26,520

other hand you've got this group of

173

00:07:30,710 --> 00:07:28,380

people who after having their experience

174

00:07:33,350 --> 00:07:30,720

in a lot of cases we're talking about

175

00:07:35,089 --> 00:07:33,360

particularly bad ones but they don't

176

00:07:38,870 --> 00:07:35,099

want anything to do with the topic they

177

00:07:42,170 --> 00:07:38,880

avoid thinking about dogmen were wolves

178

00:07:44,210 --> 00:07:42,180

they just avoid it like the plague so

179

00:07:47,029 --> 00:07:44,220

yeah some people

180

00:07:50,270 --> 00:07:47,039

while some do actually get drawn to the

181

00:07:53,629 --> 00:07:50,280

topic and they have this insatiable

182

00:07:55,850 --> 00:07:53,639

desire for knowledge like I said others

183

00:07:58,129 --> 00:07:55,860

they don't want a thing to do with it so

184

00:08:00,290 --> 00:07:58,139

it just depends on the person and it

185

00:08:02,510 --> 00:08:00,300

really depends on the nature of the

186

00:08:04,129 --> 00:08:02,520

encounter they had

187

00:08:05,749 --> 00:08:04,139

do you find that those that have been

188

00:08:07,309 --> 00:08:05,759

traumatized I mean it seems like that

189

00:08:08,870 --> 00:08:07,319

would be their initial reaction is to

190

00:08:11,930 --> 00:08:08,880

not want anything to do with it but

191

00:08:14,270 --> 00:08:11,940

those who have worked through the trauma

192

00:08:15,710 --> 00:08:14,280

by processing it where do you find that

193

00:08:19,309 --> 00:08:15,720

they come out at the end of that

194

00:08:21,469 --> 00:08:19,319

experience well a lot of it just has to

195

00:08:22,990 --> 00:08:21,479

do with the nature of the person some

196

00:08:25,249 --> 00:08:23,000

people after they've

197

00:08:26,689 --> 00:08:25,259

processed it and come to terms with it

198

00:08:28,550 --> 00:08:26,699

they still don't want a thing to do with

199

00:08:31,189 --> 00:08:28,560

thinking about dogmen any more than

200

00:08:33,889 --> 00:08:31,199

necessary other people just because of

201
00:08:36,589 --> 00:08:33,899
their makeup okay yeah right from the

202
00:08:39,050 --> 00:08:36,599
start even after an extremely traumatic

203
00:08:40,909 --> 00:08:39,060
encounter they can't get enough info

204
00:08:43,430 --> 00:08:40,919
about them they're constantly listening

205
00:08:45,590 --> 00:08:43,440
to shows and that right there in and of

206
00:08:48,230 --> 00:08:45,600
itself can be a huge problem considering

207
00:08:50,930 --> 00:08:48,240
the almost fad nail for people making up

208
00:08:54,350 --> 00:08:50,940
fake stories about Dogman attacks and

209
00:08:56,990 --> 00:08:54,360
everything like that but yeah I mean

210
00:08:59,509 --> 00:08:57,000
some people even after a very traumatic

211
00:09:02,269 --> 00:08:59,519
encounter right away they just dig deep

212
00:09:04,610 --> 00:09:02,279
into the topic and try to find out all

213
00:09:06,710 --> 00:09:04,620

they can about these guys so it just

214

00:09:08,630 --> 00:09:06,720

depends on the person's makeup that's

215

00:09:10,850 --> 00:09:08,640

what's going to determine what direction

216

00:09:13,310 --> 00:09:10,860

they go

217

00:09:15,050 --> 00:09:13,320

I want to just stumble backward real

218

00:09:19,370 --> 00:09:15,060

quick Vic if we could draw sort of like

219

00:09:22,970 --> 00:09:19,380

use a music appreciation analogy it is

220

00:09:25,910 --> 00:09:22,980

there a different hook for bigfoot than

221

00:09:28,130 --> 00:09:25,920

dog man that Drew you in what what was

222

00:09:30,350 --> 00:09:28,140

the thing that Drew you into each of

223

00:09:32,630 --> 00:09:30,360

these if it's if it's the same or

224

00:09:39,530 --> 00:09:35,870

well I was drawn to the Bigfoot topic

225

00:09:41,810 --> 00:09:39,540

just because of the the interest in

226

00:09:45,130 --> 00:09:41,820

Things That Go Bump in the night

227

00:09:48,530 --> 00:09:45,140

is Matt will tell you I mean back in

228

00:09:51,170 --> 00:09:48,540

2007-2008 I was a co-host of campfire

229

00:09:56,329 --> 00:09:51,180

Shadows with the now deceased gentleman

230

00:09:59,329 --> 00:09:56,339

named Sheen McMahon but yeah back then I

231

00:10:02,150 --> 00:09:59,339

would listen to Bigfoot podcasts and

232

00:10:04,190 --> 00:10:02,160

every opportunity because it was to me

233

00:10:05,870 --> 00:10:04,200

it was neat it was kind of like a fad

234

00:10:08,630 --> 00:10:05,880

almost it was

235

00:10:11,329 --> 00:10:08,640

there was like an Allure to the

236

00:10:12,829 --> 00:10:11,339

well I guess a good way to describe it

237

00:10:14,630 --> 00:10:12,839

is you know how people can't look away

238

00:10:17,329 --> 00:10:14,640

from the car crash well that's basically

239

00:10:19,790 --> 00:10:17,339

it but with dog man that's not the case

240

00:10:23,570 --> 00:10:19,800

I don't have any

241

00:10:25,730 --> 00:10:23,580

any Fascination for dog men people think

242

00:10:27,590 --> 00:10:25,740

for some reason they think that in my

243

00:10:30,650 --> 00:10:27,600

spirit time I listened to Dogman

244

00:10:32,389 --> 00:10:30,660

podcasts and I'm a dog man connoisseur

245

00:10:35,570 --> 00:10:32,399

but no far from it

246

00:10:37,250 --> 00:10:35,580

Matt he's got my go-to show I have a

247

00:10:38,630 --> 00:10:37,260

problem with insomnia no not from

248

00:10:40,490 --> 00:10:38,640

helping people with their dog man

249

00:10:42,829 --> 00:10:40,500

encounters I just have a hard time

250

00:10:46,490 --> 00:10:42,839

sleeping a lot of the time but yeah my

251
00:10:50,090 --> 00:10:46,500
go-to show when I can't sleep is Bigfoot

252
00:10:51,590 --> 00:10:50,100
Crossroads in Bigfoot Outlaw radio I

253
00:10:54,230 --> 00:10:51,600
mean if I had a nickel for every episode

254
00:10:56,530 --> 00:10:54,240
of of that show that I've listened to or

255
00:11:00,949 --> 00:10:56,540
those two shows I've listened to

256
00:11:03,230 --> 00:11:00,959
I'd be a rich man so yeah for the fun

257
00:11:05,870 --> 00:11:03,240
side of things that's where Bigfoot

258
00:11:08,090 --> 00:11:05,880
comes in but for the more serious side

259
00:11:11,050 --> 00:11:08,100
of things yeah that's where dogmen come

260
00:11:14,150 --> 00:11:11,060
in yeah back when I was I think it was

261
00:11:16,370 --> 00:11:14,160
2007. that's when I spoke with my first

262
00:11:17,930 --> 00:11:16,380
Dogman eyewitness and after speaking

263
00:11:19,970 --> 00:11:17,940

with him I thought you know what there's

264

00:11:22,250 --> 00:11:19,980

a really big Niche here that needs to be

265

00:11:24,290 --> 00:11:22,260

filled if you have an encounter with a

266

00:11:26,389 --> 00:11:24,300

Sasquatch that frightened you that

267

00:11:28,310 --> 00:11:26,399

traumatized you you can almost go to

268

00:11:30,410 --> 00:11:28,320

your corner grocery store and find

269

00:11:32,329 --> 00:11:30,420

someone to talk with and get help okay

270

00:11:34,670 --> 00:11:32,339

well that's great but if you have an

271

00:11:35,990 --> 00:11:34,680

encounter with one of these guys with a

272

00:11:37,970 --> 00:11:36,000

dog man

273

00:11:40,190 --> 00:11:37,980

who are you gonna go talk with

274

00:11:42,350 --> 00:11:40,200

yeah there wasn't really anyone back

275

00:11:44,210 --> 00:11:42,360

then that you could seek out for help

276

00:11:45,650 --> 00:11:44,220

coming to terms with your encounters

277

00:11:47,870 --> 00:11:45,660

yeah there are people back then who

278

00:11:49,430 --> 00:11:47,880

might want to take your money or do

279

00:11:51,470 --> 00:11:49,440

things like that but

280

00:11:54,290 --> 00:11:51,480

there I didn't know of anyone back then

281

00:11:56,329 --> 00:11:54,300

you could go to that wasn't going to

282

00:11:58,850 --> 00:11:56,339

charge you a dime for helping you was

283

00:12:00,949 --> 00:11:58,860

just going to do the best they could to

284

00:12:04,310 --> 00:12:00,959

help you come to terms with your Dogma

285

00:12:07,130 --> 00:12:04,320

related experience or experiences as it

286

00:12:09,710 --> 00:12:07,140

sometimes is but yeah I just felt there

287

00:12:11,630 --> 00:12:09,720

was a need and years later after that I

288

00:12:14,690 --> 00:12:11,640

put the pieces into place to start the

289

00:12:16,790 --> 00:12:14,700

website dogmanaccounters.com and then

290

00:12:18,530 --> 00:12:16,800

the report started coming in I spoke

291

00:12:21,050 --> 00:12:18,540

with eyewitness after eyewitness and

292

00:12:23,329 --> 00:12:21,060

then after that after some period of

293

00:12:25,550 --> 00:12:23,339

time that's when I actually started

294

00:12:27,889 --> 00:12:25,560

airing episodes of the show and then I

295

00:12:31,389 --> 00:12:27,899

aired the first episode of Dogman

296

00:12:36,650 --> 00:12:31,399

encounters on August

297

00:12:38,090 --> 00:12:36,660

22nd of 2015. so it's been a wild ride

298

00:12:39,949 --> 00:12:38,100

yeah

299

00:12:41,930 --> 00:12:39,959

um I was going to say basically in yogic

300

00:12:43,850 --> 00:12:41,940

terms or in terms that everybody here

301
00:12:46,850 --> 00:12:43,860
understands these days you've created a

302
00:12:49,009 --> 00:12:46,860
safe space whereas there was exist there

303
00:12:50,210 --> 00:12:49,019
were safe spaces uh so to speak that

304
00:12:52,250 --> 00:12:50,220
existed that people could share

305
00:12:54,470 --> 00:12:52,260
Bigfoot's experience but not Dogman and

306
00:12:56,569 --> 00:12:54,480
you created that safe space like we

307
00:12:59,030 --> 00:12:56,579
would say in yoga so I think that's uh

308
00:13:01,850 --> 00:12:59,040
that's awesome uh and we will by the way

309
00:13:04,190 --> 00:13:01,860
Vic everything and anything uh you send

310
00:13:06,470 --> 00:13:04,200
me on DM that will go in the show notes

311
00:13:08,210 --> 00:13:06,480
uh tonight when I when I type those up

312
00:13:10,670 --> 00:13:08,220
so so anything that you'd like me to put

313
00:13:12,889 --> 00:13:10,680

out I will have those links up uh for

314

00:13:15,650 --> 00:13:12,899

anyone that uh isn't familiar with Vic

315

00:13:18,710 --> 00:13:15,660

any UFO heads out there uh let's go over

316

00:13:21,110 --> 00:13:18,720

to Deb please okay so I had a question

317

00:13:24,230 --> 00:13:21,120

that I was told to reserve for this

318

00:13:27,110 --> 00:13:24,240

episode and it had to do with how much I

319

00:13:30,110 --> 00:13:27,120

love dogs and whether or not that would

320

00:13:31,910 --> 00:13:30,120

change my encounter and it sounds like

321

00:13:34,730 --> 00:13:31,920

it's funny but actually the underlying

322

00:13:37,129 --> 00:13:34,740

question is does intention impact these

323

00:13:38,990 --> 00:13:37,139

encounters with these Cryptids with dog

324

00:13:40,610 --> 00:13:39,000

that is a great way to put it Deb now

325

00:13:42,769 --> 00:13:40,620

you framed it differently it was funny

326

00:13:44,690 --> 00:13:42,779

before last time you said it but go

327

00:13:47,569 --> 00:13:44,700

ahead Vic I'm sorry

328

00:13:49,850 --> 00:13:47,579

Oh no you're fine no intention doesn't

329

00:13:51,949 --> 00:13:49,860

seem to steer how these encounters play

330

00:13:54,230 --> 00:13:51,959

out normally it doesn't seem to steer

331

00:13:56,030 --> 00:13:54,240

that at all the dog men are gonna do

332

00:13:59,269 --> 00:13:56,040

what they're going to do they have

333

00:14:01,610 --> 00:13:59,279

something in mind you know they travel

334

00:14:03,889 --> 00:14:01,620

the distance that they did to force this

335

00:14:06,949 --> 00:14:03,899

encounter to happen they've got a goal

336

00:14:10,250 --> 00:14:06,959

in mind and in almost every case

337

00:14:12,470 --> 00:14:10,260

the goal is to terrify you to within an

338

00:14:16,190 --> 00:14:12,480

inch of your life and then once they can

339

00:14:17,930 --> 00:14:16,200

see that's been accomplished move on

340

00:14:20,150 --> 00:14:17,940

over the years I've been doing this

341

00:14:24,290 --> 00:14:20,160

since I spoke with that first eyewitness

342

00:14:27,710 --> 00:14:24,300

in 2007. I've spoken with thousands upon

343

00:14:30,230 --> 00:14:27,720

thousands of Dogman eyewitnesses

344

00:14:31,610 --> 00:14:30,240

that it can be hard to see how that

345

00:14:34,670 --> 00:14:31,620

could be the case but understand

346

00:14:36,829 --> 00:14:34,680

something I mean for a long time to give

347

00:14:39,829 --> 00:14:36,839

you an idea of the volume I deal with

348

00:14:42,290 --> 00:14:39,839

for a long time

349

00:14:44,569 --> 00:14:42,300

I don't even bat an eye if I have three

350

00:14:47,629 --> 00:14:44,579

four brand new encounters come in in one

351

00:14:48,949 --> 00:14:47,639

day and in some days obvious many a

352

00:14:51,889 --> 00:14:48,959

seven or eight

353

00:14:54,290 --> 00:14:51,899

brand new Dogman encounters coming in

354

00:14:58,189 --> 00:14:54,300

from Dogman eyewitnesses I've never

355

00:15:01,910 --> 00:14:58,199

heard from before well that's been that

356

00:15:03,829 --> 00:15:01,920

way for a long time so over the years

357

00:15:05,810 --> 00:15:03,839

I've been doing this yeah the number of

358

00:15:08,870 --> 00:15:05,820

people I've spoken with about their

359

00:15:10,490 --> 00:15:08,880

encounters is huge well a lot of these

360

00:15:12,650 --> 00:15:10,500

people don't want to be guests on the

361

00:15:14,750 --> 00:15:12,660

show and it always gets me when people

362

00:15:16,430 --> 00:15:14,760

they say well you know I would reach out

363

00:15:18,590 --> 00:15:16,440

to you for help dick but I don't want to

364

00:15:20,629 --> 00:15:18,600

be a guest on the show well there's no

365

00:15:22,790 --> 00:15:20,639

requirement to be a guest on Dogman

366

00:15:24,290 --> 00:15:22,800

encounters there never has been a

367

00:15:27,110 --> 00:15:24,300

requirement

368

00:15:29,329 --> 00:15:27,120

I'd help dogmen eyewitnesses and oh by

369

00:15:31,730 --> 00:15:29,339

the way I had also happened to have a

370

00:15:34,189 --> 00:15:31,740

podcast that's really what's going on

371

00:15:36,110 --> 00:15:34,199

it's all about helping the eyewitnesses

372

00:15:38,990 --> 00:15:36,120

if you want to do a show then by all

373

00:15:41,569 --> 00:15:39,000

means let's do a show but the most

374

00:15:43,850 --> 00:15:41,579

important thing is helping eyewitnesses

375

00:15:47,090 --> 00:15:43,860

come to terms with their encounters

376

00:15:49,790 --> 00:15:47,100

some people well in most cases people

377

00:15:52,210 --> 00:15:49,800

benefit from coming on and doing a show

378

00:15:55,189 --> 00:15:52,220

where they air their their

379

00:15:56,990 --> 00:15:55,199

experiences and put themselves out there

380

00:15:59,750 --> 00:15:57,000

and then when they see how they're

381

00:16:02,810 --> 00:15:59,760

received by the listeners

382

00:16:05,030 --> 00:16:02,820

that helps them grow and it benefits

383

00:16:07,430 --> 00:16:05,040

them which that's what this is all about

384

00:16:10,790 --> 00:16:07,440

but for some people it would be a huge

385

00:16:12,769 --> 00:16:10,800

mistake to come on and record a show so

386

00:16:14,389 --> 00:16:12,779

I always tell people you know there's no

387

00:16:17,150 --> 00:16:14,399

pressure to ever come on and do a show

388

00:16:18,650 --> 00:16:17,160

it's totally up to you I've had people

389

00:16:20,629 --> 00:16:18,660

reach out to me and say you know what

390

00:16:22,009 --> 00:16:20,639

Vic when I ask why they want to do a

391

00:16:24,170 --> 00:16:22,019

show they say well you know I'll help

392

00:16:26,150 --> 00:16:24,180

you out Vic I'll come on and I'll be a

393

00:16:28,850 --> 00:16:26,160

guest do you a favor well I don't need

394

00:16:30,290 --> 00:16:28,860

you to do me a favor if you want to do a

395

00:16:32,030 --> 00:16:30,300

show it's got to be for the right

396

00:16:34,910 --> 00:16:32,040

reasons because of your own personal

397

00:16:36,590 --> 00:16:34,920

reasons you think it's gonna benefit you

398

00:16:39,230 --> 00:16:36,600

help you come to terms with your

399

00:16:42,530 --> 00:16:39,240

encounter or encounters

400

00:16:43,910 --> 00:16:42,540

or some people they'll tell you that

401
00:16:45,590 --> 00:16:43,920
they want to do it to help other people

402
00:16:48,530 --> 00:16:45,600
because they think okay I had my

403
00:16:50,870 --> 00:16:48,540
encounter just outside of Nashville and

404
00:16:53,210 --> 00:16:50,880
maybe someone else in this area is going

405
00:16:55,069 --> 00:16:53,220
to listen who until they heard the show

406
00:16:57,290 --> 00:16:55,079
they're going to think it's just me

407
00:17:00,470 --> 00:16:57,300
who's ever had an experience with one of

408
00:17:03,410 --> 00:17:00,480
these guys and then bam okay well my

409
00:17:05,990 --> 00:17:03,420
show is they get to say well listen to

410
00:17:08,390 --> 00:17:06,000
that this guy he lives here and he

411
00:17:10,010 --> 00:17:08,400
hadn't encounter too so yeah I mean the

412
00:17:11,990 --> 00:17:10,020
reason behind why they want to come on

413
00:17:14,689 --> 00:17:12,000

and do a show that's also important to

414

00:17:16,850 --> 00:17:14,699

me but I just tried to do all this for

415

00:17:20,630 --> 00:17:16,860

the right reasons don't always succeed

416

00:17:22,250 --> 00:17:20,640

but that's what I try to do

417

00:17:24,470 --> 00:17:22,260

this is really ironic because the

418

00:17:28,730 --> 00:17:24,480

individual who asked you that question

419

00:17:29,930 --> 00:17:28,740

Deb has a UAP Med uh Coalition that

420

00:17:31,850 --> 00:17:29,940

she's one of the principals of that

421

00:17:34,669 --> 00:17:31,860

basically has the very same mission that

422

00:17:36,529 --> 00:17:34,679

basically you know people can uh contact

423

00:17:39,409 --> 00:17:36,539

them and talk about what's happened to

424

00:17:41,930 --> 00:17:39,419

them and even get uh get professional

425

00:17:44,270 --> 00:17:41,940

help with it if if necessary so that is

426

00:17:46,549 --> 00:17:44,280

ironic isn't it Debs

427

00:17:49,850 --> 00:17:46,559

yeah I'm actually thinking if you have a

428

00:17:51,890 --> 00:17:49,860

link for the Dogman support okay I need

429

00:17:54,289 --> 00:17:51,900

that it's just a show it's like you

430

00:17:57,169 --> 00:17:54,299

contacting him right well no it's the

431

00:17:59,090 --> 00:17:57,179

website dogmanencounters.com okay that's

432

00:18:00,830 --> 00:17:59,100

how you can reach out to me for help if

433

00:18:02,690 --> 00:18:00,840

you have a an encounter a Dogman

434

00:18:04,549 --> 00:18:02,700

encounter that you need help with and

435

00:18:06,830 --> 00:18:04,559

something else I get asked about all the

436

00:18:09,169 --> 00:18:06,840

time is do I help Sasquatch our

437

00:18:11,510 --> 00:18:09,179

Witnesses well no I don't I have two

438

00:18:13,669 --> 00:18:11,520

Bigfoot podcasts I also have a

439

00:18:15,950 --> 00:18:13,679

paranormal podcast that's been out for

440

00:18:18,010 --> 00:18:15,960

over a year now called my paranormal

441

00:18:21,950 --> 00:18:18,020

experience but

442

00:18:24,049 --> 00:18:21,960

I only help Dogman eyewitnesses come to

443

00:18:26,350 --> 00:18:24,059

terms if you look at all the people out

444

00:18:28,789 --> 00:18:26,360

there good people out there who can help

445

00:18:30,710 --> 00:18:28,799

Sasquatch eyewitnesses come to terms

446

00:18:32,630 --> 00:18:30,720

with their encounters I mean I can't

447

00:18:35,650 --> 00:18:32,640

think of a better person to do that than

448

00:18:38,570 --> 00:18:35,660

Matt Knapp here I mean he's a great guy

449

00:18:42,430 --> 00:18:38,580

obviously very well read very well

450

00:18:45,110 --> 00:18:42,440

spoken I mean I don't need to jump into

451
00:18:47,270 --> 00:18:45,120
that side of this when you have so many

452
00:18:49,970 --> 00:18:47,280
good people like him who are available

453
00:18:52,070 --> 00:18:49,980
easy to reach to help eyewitnesses with

454
00:18:54,049 --> 00:18:52,080
their Bigfoot encounters now I just

455
00:18:56,150 --> 00:18:54,059
focus on helping Dogman eyewitnesses

456
00:18:59,690 --> 00:18:56,160
come to terms with their experiences and

457
00:19:02,810 --> 00:18:59,700
yeah that's that's my forte

458
00:19:04,730 --> 00:19:02,820
so awesome of you and Jules was quick on

459
00:19:06,470 --> 00:19:04,740
the draw she had your website up and

460
00:19:08,630 --> 00:19:06,480
again we'll have all those links

461
00:19:10,190 --> 00:19:08,640
including the one the one pod I didn't

462
00:19:12,409 --> 00:19:10,200
know about we'll we'll make sure that we

463
00:19:14,510 --> 00:19:12,419

have those in the show notes before I

464

00:19:16,970 --> 00:19:14,520

post this episode

465

00:19:19,549 --> 00:19:16,980

um and let the aforementioned the great

466

00:19:21,110 --> 00:19:19,559

one the Wayne Gretzky of uh Bigfoot Matt

467

00:19:23,810 --> 00:19:21,120

Knapp

468

00:19:26,570 --> 00:19:23,820

geez you humble me with your word sir

469

00:19:29,570 --> 00:19:26,580

are you wearing a number 99 Jersey right

470

00:19:33,830 --> 00:19:29,580

now I hope you are I I am not I am not

471

00:19:35,750 --> 00:19:33,840

uh dick man I will cash out that to you

472

00:19:38,630 --> 00:19:35,760

after the show

473

00:19:40,430 --> 00:19:38,640

um to venmo Vic

474

00:19:41,690 --> 00:19:40,440

you know both of us have been involved

475

00:19:43,549 --> 00:19:41,700

in this in a long time and I know that

476

00:19:47,690 --> 00:19:43,559

you've spoken with a lot of Bigfoot

477

00:19:50,510 --> 00:19:47,700

Witnesses uh that have what's uh

478

00:19:52,310 --> 00:19:50,520

commonly referred to as habituation uh

479

00:19:54,470 --> 00:19:52,320

encounters where they have ongoing

480

00:19:57,830 --> 00:19:54,480

activity and interactions with the

481

00:20:00,529 --> 00:19:57,840

Bigfoot do you run across that in the

482

00:20:03,830 --> 00:20:00,539

dog man sector as well

483

00:20:06,409 --> 00:20:03,840

oh yeah yeah all the time what gets me

484

00:20:08,450 --> 00:20:06,419

though is I wish you could say it's

485

00:20:09,830 --> 00:20:08,460

uncommon to talk with an eyewitness who

486

00:20:12,470 --> 00:20:09,840

lives out in the middle of nowhere who's

487

00:20:16,029 --> 00:20:12,480

got these guys living around their cabin

488

00:20:19,690 --> 00:20:16,039

their house whatever who

489

00:20:22,070 --> 00:20:19,700

gets their situation totally wrong but

490

00:20:23,990 --> 00:20:22,080

unfortunately it's a common thing where

491

00:20:26,750 --> 00:20:24,000

I'm contacted by somebody who talks

492

00:20:28,970 --> 00:20:26,760

about an encounter that they had 20

493

00:20:30,529 --> 00:20:28,980

years ago and that's how they realize

494

00:20:32,810 --> 00:20:30,539

that they have dogmen living around

495

00:20:35,150 --> 00:20:32,820

their cabin or dogmen are living around

496

00:20:37,610 --> 00:20:35,160

their home way out in the sticks and

497

00:20:40,549 --> 00:20:37,620

then they go on to tell me how

498

00:20:42,890 --> 00:20:40,559

they are still here 20 years later

499

00:20:45,830 --> 00:20:42,900

because of all the precautions they've

500

00:20:48,529 --> 00:20:45,840

taken to protect themselves from these

501
00:20:51,650 --> 00:20:48,539
dangerous dogmen so when I hear that I

502
00:20:53,930 --> 00:20:51,660
say oh you take precautions to protect

503
00:20:55,730 --> 00:20:53,940
yourself what have you done

504
00:20:58,669 --> 00:20:55,740
to protect yourself

505
00:21:00,650 --> 00:20:58,679
from these guys for the past 20 years

506
00:21:03,650 --> 00:21:00,660
and then they'll go on to tell you how

507
00:21:05,510 --> 00:21:03,660
they don't go out after dark they if

508
00:21:07,549 --> 00:21:05,520
they need to go deep into the woods or

509
00:21:09,529 --> 00:21:07,559
into the woods period they only do it on

510
00:21:12,049 --> 00:21:09,539
bright sunny days in the middle of the

511
00:21:14,150 --> 00:21:12,059
afternoon and then after they tell you

512
00:21:16,010 --> 00:21:14,160
all these things that they think they're

513
00:21:17,930 --> 00:21:16,020

doing to protect themselves that's when

514

00:21:20,270 --> 00:21:17,940

you let them know you help them

515

00:21:22,130 --> 00:21:20,280

understand look these guys they're out

516

00:21:25,549 --> 00:21:22,140

and about during

517

00:21:27,110 --> 00:21:25,559

daylight hours on the brightest days are

518

00:21:30,110 --> 00:21:27,120

out doing their thing in the woods

519

00:21:32,210 --> 00:21:30,120

sometimes Out of the Woods as well if

520

00:21:33,890 --> 00:21:32,220

they wanted to come and get you when you

521

00:21:35,810 --> 00:21:33,900

stay inside the house to protect

522

00:21:37,370 --> 00:21:35,820

yourself at night if they wanted to come

523

00:21:39,169 --> 00:21:37,380

into your house and get you there's not

524

00:21:41,330 --> 00:21:39,179

a door around that's going to stop them

525

00:21:42,470 --> 00:21:41,340

there's not a window around that's going

526

00:21:45,710 --> 00:21:42,480

to stop them they can come through

527

00:21:47,690 --> 00:21:45,720

pretty much any wall and get you if they

528

00:21:50,149 --> 00:21:47,700

want to do that but here's the good news

529

00:21:53,090 --> 00:21:50,159

you've been living there for 20 years

530

00:21:56,110 --> 00:21:53,100

and not once has a single hair in your

531

00:21:59,990 --> 00:21:56,120

head been harmed not once has a dog man

532

00:22:01,610 --> 00:22:00,000

broken a pane of glass in your home and

533

00:22:03,590 --> 00:22:01,620

that's because

534

00:22:05,930 --> 00:22:03,600

of the best possible reason there is

535

00:22:08,390 --> 00:22:05,940

they don't want to come in and get you

536

00:22:10,909 --> 00:22:08,400

the dog man you encountered 20 years ago

537

00:22:12,710 --> 00:22:10,919

that was standing within grabbing

538

00:22:14,930 --> 00:22:12,720

distance of you

539

00:22:17,090 --> 00:22:14,940

but never harmed you

540

00:22:19,610 --> 00:22:17,100

it had you dead to rights

541

00:22:22,669 --> 00:22:19,620

you were hundreds of yards from your

542

00:22:25,190 --> 00:22:22,679

cabin you told me you had you dead to

543

00:22:27,649 --> 00:22:25,200

rights and you walked away from that for

544

00:22:29,870 --> 00:22:27,659

one reason and one reason only like I

545

00:22:32,990 --> 00:22:29,880

said he didn't want to hurt you he

546

00:22:35,090 --> 00:22:33,000

wanted to get a rise out of you so yeah

547

00:22:37,730 --> 00:22:35,100

understand the difference understand

548

00:22:40,130 --> 00:22:37,740

what makes these guys tick and that

549

00:22:42,230 --> 00:22:40,140

right there is the key to dealing with

550

00:22:44,870 --> 00:22:42,240

your encounter in a healthy way but no

551
00:22:47,210 --> 00:22:44,880
that's just one example of tons of

552
00:22:49,610 --> 00:22:47,220
eyewitnesses who have contacted me who

553
00:22:51,890 --> 00:22:49,620
are an ongoing

554
00:22:54,250 --> 00:22:51,900
you can't say relationships but they

555
00:22:58,370 --> 00:22:54,260
have ongoing experiences contact guys

556
00:22:59,450 --> 00:22:58,380
are there people that claim to have uh

557
00:23:01,370 --> 00:22:59,460
positive

558
00:23:02,810 --> 00:23:01,380
and peaceful relationships like some

559
00:23:04,010 --> 00:23:02,820
people claim in the you know in the

560
00:23:08,510 --> 00:23:04,020
Bigfoot Community where they're

561
00:23:10,669 --> 00:23:08,520
interacting as friends pretty much well

562
00:23:12,470 --> 00:23:10,679
I have yet to talk with anyone who talks

563
00:23:14,390 --> 00:23:12,480

about having a quote-unquote friendly

564

00:23:16,430 --> 00:23:14,400

relationship with a dog man it's more a

565

00:23:18,649 --> 00:23:16,440

matter of Tolerance I mean I know of

566

00:23:20,870 --> 00:23:18,659

people who have them around and they

567

00:23:22,450 --> 00:23:20,880

seem to be acting as somewhat of a

568

00:23:25,970 --> 00:23:22,460

guardian

569

00:23:28,190 --> 00:23:25,980

but I can't think of any instances where

570

00:23:30,830 --> 00:23:28,200

they've displayed any kind of behavior

571

00:23:33,830 --> 00:23:30,840

that could be considered as being

572

00:23:36,590 --> 00:23:33,840

friendly they just tolerate you being

573

00:23:40,250 --> 00:23:36,600

around they do things that seemingly

574

00:23:43,370 --> 00:23:40,260

will help the person but I think more

575

00:23:45,710 --> 00:23:43,380

than likely it's helping them out of

576

00:23:47,630 --> 00:23:45,720

happenstance more so than the dog man is

577

00:23:48,950 --> 00:23:47,640

doing this or doing that to actually

578

00:23:52,010 --> 00:23:48,960

help them

579

00:23:54,169 --> 00:23:52,020

so yeah unlike With Sasquatch as you

580

00:23:56,210 --> 00:23:54,179

know there are situations where these

581

00:23:58,370 --> 00:23:56,220

guys they do seem to look out for people

582

00:24:00,590 --> 00:23:58,380

and they do seem to intentionally

583

00:24:02,690 --> 00:24:00,600

protect them I can't tell you I do know

584

00:24:06,710 --> 00:24:02,700

of one instance this lady

585

00:24:08,570 --> 00:24:06,720

she was about to be raped by several men

586

00:24:10,909 --> 00:24:08,580

it was

587

00:24:13,610 --> 00:24:10,919

at some kind of concert that was kind of

588

00:24:16,010 --> 00:24:13,620

like a Woodstock type setup where the

589

00:24:19,789 --> 00:24:16,020

stage was way over there and there are

590

00:24:22,010 --> 00:24:19,799

tons of people the ported Johns were all

591

00:24:24,289 --> 00:24:22,020

they're the wines to the ported Johns

592

00:24:26,330 --> 00:24:24,299

were ridiculous so she really had to go

593

00:24:29,210 --> 00:24:26,340

so she just headed for this distant wood

594

00:24:30,890 --> 00:24:29,220

line well she went into the wood line

595

00:24:32,750 --> 00:24:30,900

just far enough where people wouldn't be

596

00:24:34,310 --> 00:24:32,760

able to see her and there were some guys

597

00:24:37,490 --> 00:24:34,320

back there that made their presence

598

00:24:38,990 --> 00:24:37,500

known and next thing you know they were

599

00:24:42,110 --> 00:24:39,000

trying to rape her well all of a sudden

600

00:24:44,510 --> 00:24:42,120

the dog man made its presence known and

601
00:24:46,310 --> 00:24:44,520
well I'll just say he talked them out of

602
00:24:48,289 --> 00:24:46,320
it

603
00:24:50,690 --> 00:24:48,299
they beat feet like there's no tomorrow

604
00:24:53,930 --> 00:24:50,700
Leah I don't know like if you're seeing

605
00:24:56,270 --> 00:24:53,940
like you know a dog man dog man like

606
00:24:58,070 --> 00:24:56,280
contact near like this mountain area

607
00:25:00,529 --> 00:24:58,080
where you're staying I'm thinking like

608
00:25:02,690 --> 00:25:00,539
you carry like a foot long subway BMT

609
00:25:05,029 --> 00:25:02,700
you can counter one you sort of slowly

610
00:25:07,970 --> 00:25:05,039
take it out of the plastic sheath unwrap

611
00:25:10,250 --> 00:25:07,980
it and be like here you have the BMT you

612
00:25:12,049 --> 00:25:10,260
can have my baked lays I'm headed back

613
00:25:14,450 --> 00:25:12,059

this way

614

00:25:18,049 --> 00:25:14,460

that's exactly my strategy

615

00:25:19,970 --> 00:25:18,059

uh or I'll be taking big packs of like

616

00:25:22,669 --> 00:25:19,980

raw steak out with me when I'm in the

617

00:25:22,679 --> 00:25:26,630

raw meat

618

00:25:30,890 --> 00:25:29,029

so uh this has been super fascinating

619

00:25:32,750 --> 00:25:30,900

right like like I came of age on Art

620

00:25:34,850 --> 00:25:32,760

Bell and a lot of the Bigfoot stories

621

00:25:36,110 --> 00:25:34,860

but don't know anything uh about these

622

00:25:37,370 --> 00:25:36,120

encounters

623

00:25:38,930 --> 00:25:37,380

um Vic I was wondering if you could talk

624

00:25:40,610 --> 00:25:38,940

a little bit about

625

00:25:42,409 --> 00:25:40,620

um indigenous myth or traditional

626

00:25:45,350 --> 00:25:42,419

stories around these kinds of encounters

627

00:25:48,289 --> 00:25:45,360

if you have any familiarity with that

628

00:25:51,289 --> 00:25:48,299

some have been shared with me but I'd be

629

00:25:54,470 --> 00:25:51,299

lying if I said that I could recall many

630

00:25:57,110 --> 00:25:54,480

details about any of them it's a Canard

631

00:25:59,210 --> 00:25:57,120

that just persists and persists that

632

00:26:02,750 --> 00:25:59,220

that Native Americans don't have any

633

00:26:05,690 --> 00:26:02,760

legends about dogmen a lot of people who

634

00:26:07,549 --> 00:26:05,700

try to say that dogmen don't exist and

635

00:26:08,810 --> 00:26:07,559

then when you ask them about why they

636

00:26:10,850 --> 00:26:08,820

say that they say well the Native

637

00:26:12,169 --> 00:26:10,860

Americans they don't have any legends

638

00:26:14,450 --> 00:26:12,179

about them well yeah that couldn't be

639

00:26:15,649 --> 00:26:14,460

further from the truth a lot of Native

640

00:26:18,110 --> 00:26:15,659

Americans

641

00:26:21,950 --> 00:26:18,120

a lot of tribes have legends about these

642

00:26:25,070 --> 00:26:21,960

guys so yeah there's so many things

643

00:26:27,110 --> 00:26:25,080

about dogmen that are misunderstood so

644

00:26:31,190 --> 00:26:27,120

many lies floating around about them

645

00:26:33,350 --> 00:26:31,200

that's just one of many out there

646

00:26:36,289 --> 00:26:33,360

um can I can I squeak in a second

647

00:26:38,870 --> 00:26:36,299

follow-up question thank you DJ

648

00:26:40,310 --> 00:26:38,880

um so uh going off that especially this

649

00:26:42,049 --> 00:26:40,320

notion that there's a lot of

650

00:26:43,909 --> 00:26:42,059

misconceptions and sort of bad

651
00:26:45,110 --> 00:26:43,919
information or poor understanding out

652
00:26:45,769 --> 00:26:45,120
there

653
00:26:47,750 --> 00:26:45,779
um

654
00:26:49,430 --> 00:26:47,760
could you give just like a basic

655
00:26:52,070 --> 00:26:49,440
overview

656
00:26:53,870 --> 00:26:52,080
um of the subject particularly what

657
00:26:57,470 --> 00:26:53,880
themes or events characterize these

658
00:27:02,930 --> 00:26:59,630
can you rephrase that I think you lost

659
00:27:05,269 --> 00:27:02,940
me I want to make sure I understand you

660
00:27:07,549 --> 00:27:05,279
what sort of theme or events

661
00:27:09,590 --> 00:27:07,559
characterize these encounters like do

662
00:27:12,830 --> 00:27:09,600
you tend to hear like repeated reports

663
00:27:15,830 --> 00:27:12,840

of sounds or physical encounters or

664

00:27:17,210 --> 00:27:15,840

smells or even like particular locations

665

00:27:19,669 --> 00:27:17,220

where people tend to have these

666

00:27:21,830 --> 00:27:19,679

experiences and and can I just cut in

667

00:27:23,450 --> 00:27:21,840

while you're at it uh Scott gearen in

668

00:27:24,830 --> 00:27:23,460

the chat is asking if you could tell

669

00:27:27,409 --> 00:27:24,840

what a dog man is so if you could

670

00:27:29,570 --> 00:27:27,419

preface with that and then go into the

671

00:27:32,269 --> 00:27:29,580

kind of uh events and encounters and how

672

00:27:36,470 --> 00:27:32,279

they unfold what Leo's asking

673

00:27:38,630 --> 00:27:36,480

well a Cryptid is a creature that is

674

00:27:40,789 --> 00:27:38,640

purported to be in existence that

675

00:27:43,850 --> 00:27:40,799

science doesn't officially acknowledge

676
00:27:45,890 --> 00:27:43,860
to be in existence that's what a Cryptid

677
00:27:48,830 --> 00:27:45,900
is the most commonly talked about

678
00:27:51,289 --> 00:27:48,840
Cryptid is obviously Sasquatch you've

679
00:27:53,990 --> 00:27:51,299
got another Cryptids like Nessie the

680
00:27:58,130 --> 00:27:54,000
Loch Ness monster of course and others

681
00:28:00,769 --> 00:27:58,140
Mothman but Dogman seems to be right up

682
00:28:03,289 --> 00:28:00,779
there probably number two or number

683
00:28:07,730 --> 00:28:03,299
three now in popularity when it comes to

684
00:28:10,490 --> 00:28:07,740
Cryptids dogmen are Cryptids that can

685
00:28:13,070 --> 00:28:10,500
range in size from maybe a foot or two

686
00:28:15,529 --> 00:28:13,080
tall for a pup all the way up to 11 or

687
00:28:16,970 --> 00:28:15,539
12 feet tall on their back legs at full

688
00:28:17,750 --> 00:28:16,980

maturity when you're talking about a

689

00:28:21,110 --> 00:28:17,760

male

690

00:28:22,630 --> 00:28:21,120

but if you've ever seen a werewolf movie

691

00:28:27,110 --> 00:28:22,640

like

692

00:28:29,510 --> 00:28:27,120

underworld or Van Helsing

693

00:28:31,490 --> 00:28:29,520

imagine the werewolf from that movie but

694

00:28:34,669 --> 00:28:31,500

instead of a situation where it's a

695

00:28:37,370 --> 00:28:34,679

human transforming via magic or or

696

00:28:40,010 --> 00:28:37,380

whatever else into the form of a beast

697

00:28:42,649 --> 00:28:40,020

to look that way imagine imagine

698

00:28:47,269 --> 00:28:42,659

something that looks that way

699

00:28:49,250 --> 00:28:47,279

24 7 365. and that's what a Dogman is

700

00:28:53,029 --> 00:28:49,260

now

701
00:28:55,610 --> 00:28:53,039
as far as their behavior yes they in a

702
00:28:58,130 --> 00:28:55,620
lot of cases do look like Mindless

703
00:29:00,890 --> 00:28:58,140
monstrous killing machines but to

704
00:29:03,110 --> 00:29:00,900
describe their behavior there are cases

705
00:29:04,549 --> 00:29:03,120
where they have attack people but in

706
00:29:06,470 --> 00:29:04,559
most cases

707
00:29:08,630 --> 00:29:06,480
like I said earlier

708
00:29:10,430 --> 00:29:08,640
the behavior pattern is normally if

709
00:29:13,909 --> 00:29:10,440
there's an interaction between a Dogman

710
00:29:15,529 --> 00:29:13,919
and a human the purpose is to terrify

711
00:29:17,090 --> 00:29:15,539
that person to within an inch of their

712
00:29:22,330 --> 00:29:17,100
life and then once they can see that's

713
00:29:27,710 --> 00:29:25,190

I mean just the the thought of what it

714

00:29:29,690 --> 00:29:27,720

looks like is is so terrifying something

715

00:29:31,190 --> 00:29:29,700

that's sort of snarling and you know

716

00:29:32,690 --> 00:29:31,200

there's different faces some have the

717

00:29:34,970 --> 00:29:32,700

German Shepherd face some have the

718

00:29:36,529 --> 00:29:34,980

Anubis face and Vic I've heard you talk

719

00:29:39,230 --> 00:29:36,539

about some have this sort of flatter

720

00:29:43,250 --> 00:29:39,240

face more like I guess the pit bullish

721

00:29:45,289 --> 00:29:43,260

sort of face so uh that's pretty scary

722

00:29:48,889 --> 00:29:45,299

stuff man it really is

723

00:29:50,690 --> 00:29:48,899

um so uh Julie's asking in the chat has

724

00:29:52,730 --> 00:29:50,700

there been an uptick or did you notice

725

00:29:55,029 --> 00:29:52,740

that there's been a great uptick in

726

00:29:58,370 --> 00:29:55,039

Dogman encounters if so when

727

00:30:00,049 --> 00:29:58,380

now I haven't noticed any uptick a lot

728

00:30:02,389 --> 00:30:00,059

of people think that there is an uptick

729

00:30:05,210 --> 00:30:02,399

in sightings because

730

00:30:08,210 --> 00:30:05,220

you see all these podcasts out earring

731

00:30:10,669 --> 00:30:08,220

encounters now so that makes you think

732

00:30:13,549 --> 00:30:10,679

that there's a ramping up effect but

733

00:30:15,409 --> 00:30:13,559

yeah it's been my experience it

734

00:30:17,690 --> 00:30:15,419

it's pretty much

735

00:30:20,330 --> 00:30:17,700

no different now than it's been years

736

00:30:22,730 --> 00:30:20,340

ago I mean it's

737

00:30:24,649 --> 00:30:22,740

I think what you're looking at is a

738

00:30:27,049 --> 00:30:24,659

situation where our ability to

739

00:30:29,870 --> 00:30:27,059

communicate is so much more efficient

740

00:30:31,430 --> 00:30:29,880

now than it's ever been that's why it

741

00:30:33,409 --> 00:30:31,440

seems like there are more encounters now

742

00:30:36,169 --> 00:30:33,419

I mean think about it back in the 80s if

743

00:30:38,870 --> 00:30:36,179

someone in China had an encounter

744

00:30:40,909 --> 00:30:38,880

or in New Zealand

745

00:30:43,610 --> 00:30:40,919

it could take a while for that to get

746

00:30:45,230 --> 00:30:43,620

out and to get around and for people to

747

00:30:47,210 --> 00:30:45,240

hear about it but now

748

00:30:48,230 --> 00:30:47,220

with our communication being so

749

00:30:50,870 --> 00:30:48,240

efficient

750

00:30:53,570 --> 00:30:50,880

it can happen this morning and then this

751

00:30:56,269 --> 00:30:53,580

afternoon it can be plastered over every

752

00:31:00,289 --> 00:30:56,279

newspaper or maybe not newspaper but

753

00:31:01,850 --> 00:31:00,299

every news agency on TV you name it so

754

00:31:04,850 --> 00:31:01,860

yeah I think that's what you're looking

755

00:31:06,350 --> 00:31:04,860

at our ability to communicate over the

756

00:31:08,269 --> 00:31:06,360

whole globe now is so much more

757

00:31:09,830 --> 00:31:08,279

efficient that's why it seems like

758

00:31:11,750 --> 00:31:09,840

that's the case

759

00:31:14,269 --> 00:31:11,760

so there you go Jules they may have been

760

00:31:16,909 --> 00:31:14,279

terrifying people in the lbl generations

761

00:31:18,230 --> 00:31:16,919

ago but people you know uh you didn't

762

00:31:20,450 --> 00:31:18,240

know about it plus you have the whole

763

00:31:23,330 --> 00:31:20,460

cultural aspect where a lot of people

764

00:31:24,889 --> 00:31:23,340

from as they say in Appalachia uh if

765

00:31:27,590 --> 00:31:24,899

you're not from there and they don't

766

00:31:29,389 --> 00:31:27,600

know you or you're not I guess that's a

767

00:31:30,950 --> 00:31:29,399

better way to say it if if you're not

768

00:31:32,510 --> 00:31:30,960

from there they're not going to open up

769

00:31:34,310 --> 00:31:32,520

to you about what they've experienced

770

00:31:36,049 --> 00:31:34,320

you can go in there and try and

771

00:31:38,990 --> 00:31:36,059

interview them and I think the healthier

772

00:31:41,750 --> 00:31:39,000

folks ran into that to a degree

773

00:31:45,230 --> 00:31:41,760

um so Vic uh one of the the awesome

774

00:31:47,750 --> 00:31:45,240

things uh as you alluded to people do

775

00:31:49,610 --> 00:31:47,760

call you and share things with you there

776

00:31:52,850 --> 00:31:49,620

are some people I believe that probably

777

00:31:55,250 --> 00:31:52,860

only have shared things with you which

778

00:31:58,789 --> 00:31:55,260

is a compliment to you and your show and

779

00:32:02,570 --> 00:31:58,799

you as a person uh and one of those that

780

00:32:05,269 --> 00:32:02,580

was fascinating that um uh that's been

781

00:32:07,610 --> 00:32:05,279

on your show as a young lady uh who owns

782

00:32:11,930 --> 00:32:07,620

a home in Montana named Robin who has

783

00:32:13,970 --> 00:32:11,940

been on four episodes of uh Bigfoot

784

00:32:15,889 --> 00:32:13,980

eyewitness radio and if anybody wants to

785

00:32:18,529 --> 00:32:15,899

know those I can get you those numbers

786

00:32:21,169 --> 00:32:18,539

but they're absolutely riveting what

787

00:32:23,269 --> 00:32:21,179

what happened uh with this woman

788

00:32:25,130 --> 00:32:23,279

um can you delve into that a little bit

789

00:32:28,310 --> 00:32:25,140

and and just tell the audience a little

790

00:32:31,190 --> 00:32:28,320

bit about what Robin has experienced and

791

00:32:32,149 --> 00:32:31,200

and where they're at even today

792

00:32:35,090 --> 00:32:32,159

foreign

793

00:32:37,430 --> 00:32:35,100

yeah Robin she's good people a really

794

00:32:40,190 --> 00:32:37,440

nice lady it's so unfortunate though the

795

00:32:42,889 --> 00:32:40,200

situation that she's in she doesn't seem

796

00:32:44,630 --> 00:32:42,899

to be too terrified of the dogmen that

797

00:32:46,850 --> 00:32:44,640

around her property well

798

00:32:49,970 --> 00:32:46,860

let me qualify that there's one that

799

00:32:53,149 --> 00:32:49,980

just is monstrous in its appearance the

800

00:32:54,649 --> 00:32:53,159

other dog man on her property

801
00:32:57,230 --> 00:32:54,659
it's never going to give you the warm

802
00:32:58,909 --> 00:32:57,240
and fuzzies to look at a dog man and to

803
00:33:01,430 --> 00:32:58,919
think okay yeah Dogman might be right

804
00:33:03,049 --> 00:33:01,440
outside the house right now but these

805
00:33:06,169 --> 00:33:03,059
other dogmen

806
00:33:10,430 --> 00:33:06,179
they don't have that terrifying vibe

807
00:33:14,389 --> 00:33:10,440
that this one dog man has but yeah the

808
00:33:17,750 --> 00:33:14,399
situation that she's in she has a a

809
00:33:20,450 --> 00:33:17,760
cabin slash house she calls it a cabin

810
00:33:23,690 --> 00:33:20,460
but it's a really nice house that's got

811
00:33:25,870 --> 00:33:23,700
Captain like qualities to it but it's

812
00:33:28,549 --> 00:33:25,880
been her family for years upon years

813
00:33:31,009 --> 00:33:28,559

well because of that

814

00:33:33,889 --> 00:33:31,019

that's why she's so reluctant to sell it

815

00:33:37,190 --> 00:33:33,899

and move out of the area but almost ever

816

00:33:40,789 --> 00:33:37,200

since she's lived there she's at

817

00:33:43,250 --> 00:33:40,799

issues with these guys now

818

00:33:46,190 --> 00:33:43,260

in the early days I guess there were

819

00:33:48,529 --> 00:33:46,200

more issues than they are now now she'll

820

00:33:50,509 --> 00:33:48,539

have experiences from time to time that

821

00:33:52,789 --> 00:33:50,519

frighten her but for the most part

822

00:33:55,130 --> 00:33:52,799

she'll see a Dogman over here see a dog

823

00:33:57,590 --> 00:33:55,140

man over there so it's not a an issue

824

00:33:59,870 --> 00:33:57,600

they're not trying to frighten her or

825

00:34:02,810 --> 00:33:59,880

terrorize her but

826

00:34:04,909 --> 00:34:02,820

the big problem that she faced not long

827

00:34:09,649 --> 00:34:04,919

after she moved in is her daughter is

828

00:34:11,510 --> 00:34:09,659

sensitive and these dog men they seem to

829

00:34:13,869 --> 00:34:11,520

be trying to communicate with her

830

00:34:17,629 --> 00:34:13,879

daughter and lure her daughter outside

831

00:34:19,790 --> 00:34:17,639

that was bad what's that Bigfoot well

832

00:34:22,909 --> 00:34:19,800

she has Sasquatch on the property as

833

00:34:25,250 --> 00:34:22,919

well but no she has dogmen also that

834

00:34:27,169 --> 00:34:25,260

have tried to lure her outside some

835

00:34:30,409 --> 00:34:27,179

Sasquatch have tried to lure out also

836

00:34:32,810 --> 00:34:30,419

but the big problem is the dogmen that

837

00:34:34,250 --> 00:34:32,820

have tried to get her to come out in the

838

00:34:37,609 --> 00:34:34,260

middle of the night

839

00:34:42,230 --> 00:34:37,619

so yeah her daughter's obviously very

840

00:34:44,329 --> 00:34:42,240

intelligent very precocious so even at

841

00:34:47,149 --> 00:34:44,339

her young age she knew not to go outside

842

00:34:48,770 --> 00:34:47,159

but yeah it's still a very unnerving

843

00:34:51,349 --> 00:34:48,780

situation when you know you've got this

844

00:34:54,050 --> 00:34:51,359

little kid living in your home your

845

00:34:57,410 --> 00:34:54,060

daughter and you're terrified that

846

00:34:59,150 --> 00:34:57,420

maybe one bad decision might wind up

847

00:35:01,910 --> 00:34:59,160

causing her to go out there at three in

848

00:35:05,950 --> 00:35:01,920

the morning with these things so yeah

849

00:35:08,750 --> 00:35:05,960

that's basically the gist of of

850

00:35:11,630 --> 00:35:08,760

what Robin has come on all those times

851
00:35:13,430 --> 00:35:11,640
and talked about on the show the four

852
00:35:16,550 --> 00:35:13,440
times that you mentioned but

853
00:35:18,890 --> 00:35:16,560
yes just an amazing situation that she's

854
00:35:21,290 --> 00:35:18,900
dealing with there but the front the

855
00:35:25,190 --> 00:35:21,300
friendship that she spoke about with the

856
00:35:27,770 --> 00:35:25,200
Bigfoot seemed uncanny to me among not

857
00:35:29,390 --> 00:35:27,780
unheard of not unheard of but because

858
00:35:31,370 --> 00:35:29,400
shoot I heard about I don't know which

859
00:35:33,109 --> 00:35:31,380
one of y'all's show it was on the guy

860
00:35:35,870 --> 00:35:33,119
from Arkansas who planted that garden

861
00:35:37,730 --> 00:35:35,880
and found the Bigfoot there uh picking

862
00:35:39,530 --> 00:35:37,740
vegetables in this garden and he kind of

863
00:35:41,990 --> 00:35:39,540

put his hands to his heart and said it's

864

00:35:43,609 --> 00:35:42,000

okay they were you know they're freaked

865

00:35:45,589 --> 00:35:43,619

out when he caught them and then he

866

00:35:47,390 --> 00:35:45,599

ended up planning a second Garden just

867

00:35:49,130 --> 00:35:47,400

for them and they'd use one garden and

868

00:35:51,770 --> 00:35:49,140

then he eats out of the other one so I

869

00:35:53,390 --> 00:35:51,780

mean it's not unheard of but from what

870

00:35:55,970 --> 00:35:53,400

she described on your show is a very

871

00:35:57,829 --> 00:35:55,980

friendly relationship with the Bigfoot

872

00:36:00,349 --> 00:35:57,839

where they would visit and come and slap

873

00:36:01,970 --> 00:36:00,359

the side of the house and she's you know

874

00:36:05,410 --> 00:36:01,980

just if you could go into that a little

875

00:36:07,310 --> 00:36:05,420

bit because I think that's unique

876

00:36:13,910 --> 00:36:07,320

well

877

00:36:15,609 --> 00:36:13,920

presence early on by loud slaps on the

878

00:36:19,609 --> 00:36:15,619

side of the house like you mentioned

879

00:36:21,589 --> 00:36:19,619

that weren't friendly hellos they were

880

00:36:24,530 --> 00:36:21,599

destructive they actually damaged her

881

00:36:26,810 --> 00:36:24,540

roof and they caused some other damage

882

00:36:29,150 --> 00:36:26,820

but

883

00:36:31,069 --> 00:36:29,160

At first she was just terrified she took

884

00:36:33,050 --> 00:36:31,079

steps to reinforce the house and try to

885

00:36:34,910 --> 00:36:33,060

make it so they couldn't break in

886

00:36:36,109 --> 00:36:34,920

because she had this idea that oh my God

887

00:36:38,630 --> 00:36:36,119

they're gonna get me they're going to

888

00:36:41,510 --> 00:36:38,640

get me and even one time when she was

889

00:36:43,609 --> 00:36:41,520

gone they came into her house

890

00:36:47,150 --> 00:36:43,619

and did something in the kitchen I think

891

00:36:49,550 --> 00:36:47,160

it was but no after some period of time

892

00:36:51,170 --> 00:36:49,560

she found out she could tell that okay

893

00:36:53,569 --> 00:36:51,180

yeah they might do this they might do

894

00:36:56,150 --> 00:36:53,579

that but it's clear that they don't want

895

00:36:58,790 --> 00:36:56,160

to harm us and they're just having fun

896

00:37:01,250 --> 00:36:58,800

with us so that's when they both she and

897

00:37:05,829 --> 00:37:01,260

her daughter reached out and they tried

898

00:37:11,450 --> 00:37:05,839

to make it so that the Sasquatch

899

00:37:13,370 --> 00:37:11,460

knew that she wasn't an enemy she she

900

00:37:15,650 --> 00:37:13,380

was trying to get along with them and

901
00:37:17,450 --> 00:37:15,660
make peace with them and after some

902
00:37:19,490 --> 00:37:17,460
period of time

903
00:37:23,089 --> 00:37:19,500
they had a they started to have a pretty

904
00:37:27,950 --> 00:37:25,190
yeah that's uh that's what it sounded

905
00:37:30,410 --> 00:37:27,960
like it talked about the uh the messing

906
00:37:32,750 --> 00:37:30,420
with the the lip gloss or something I

907
00:37:34,550 --> 00:37:32,760
can't remember how many things that they

908
00:37:36,829 --> 00:37:34,560
would take stuff and put them back you

909
00:37:38,329 --> 00:37:36,839
know from her house and they scared the

910
00:37:40,670 --> 00:37:38,339
plumbers off when the plumbers were

911
00:37:43,310 --> 00:37:40,680
really disrespectful to her and they did

912
00:37:45,170 --> 00:37:43,320
some infrasound business so I won't take

913
00:37:46,490 --> 00:37:45,180

up all the air time I've got a

914

00:37:48,589 --> 00:37:46,500

little more on that but let me let me

915

00:37:51,890 --> 00:37:48,599

pass it to money Nathan please

916

00:37:53,870 --> 00:37:51,900

yeah Vic I wanted to ask you with your

917

00:37:56,089 --> 00:37:53,880

depth of experience

918

00:37:58,670 --> 00:37:56,099

um I'd love your Insight because we we

919

00:38:00,770 --> 00:37:58,680

deal with a lot of claims and encounters

920

00:38:02,870 --> 00:38:00,780

as well and I know you've as you said

921

00:38:05,270 --> 00:38:02,880

you've heard of thousands of them what

922

00:38:07,670 --> 00:38:05,280

what have you learned after hearing

923

00:38:09,650 --> 00:38:07,680

those things the ones that you've done

924

00:38:11,810 --> 00:38:09,660

podcasts with but also just collected

925

00:38:13,550 --> 00:38:11,820

and people telling you things what have

926
00:38:16,010 --> 00:38:13,560
you learned in terms of how to suss out

927
00:38:18,109 --> 00:38:16,020
the difference between a genuine

928
00:38:20,210 --> 00:38:18,119
experience versus someone that's kind of

929
00:38:24,050 --> 00:38:20,220
out seeking attention or fabricating

930
00:38:29,870 --> 00:38:27,470
well a lot of common sense goes into it

931
00:38:32,030 --> 00:38:29,880
if you put yourself in a situation where

932
00:38:33,410 --> 00:38:32,040
okay you've had an encounter with a dog

933
00:38:35,569 --> 00:38:33,420
man with something that you didn't even

934
00:38:37,730 --> 00:38:35,579
know existed you didn't even think could

935
00:38:39,069 --> 00:38:37,740
exist and then all of a sudden you have

936
00:38:41,569 --> 00:38:39,079
this supposedly

937
00:38:43,730 --> 00:38:41,579
nightmarish experience with this dog man

938
00:38:47,870 --> 00:38:43,740

you find out there's a guy named Vic

939

00:38:49,670 --> 00:38:47,880

condiff who specializes in helping dogma

940

00:38:51,829 --> 00:38:49,680

and eyewitnesses come to terms with

941

00:38:54,050 --> 00:38:51,839

these guys he's spoken with thousands

942

00:38:56,390 --> 00:38:54,060

upon thousands of dogmen eyewitnesses

943

00:38:58,490 --> 00:38:56,400

about their experiences and from that

944

00:38:59,329 --> 00:38:58,500

he's gleaned a lot of information about

945

00:39:01,870 --> 00:38:59,339

them

946

00:39:04,790 --> 00:39:01,880

okay well you set a time

947

00:39:06,770 --> 00:39:04,800

for Vic to call you

948

00:39:08,450 --> 00:39:06,780

so you can have a good conversation it

949

00:39:10,069 --> 00:39:08,460

makes it clear to you I'm looking

950

00:39:11,690 --> 00:39:10,079

forward to talking with you so we can

951
00:39:14,750 --> 00:39:11,700
have a good conversation about your

952
00:39:17,690 --> 00:39:14,760
encounter or sometimes encounters

953
00:39:19,609 --> 00:39:17,700
and so that you know I'm pretty darn

954
00:39:21,710 --> 00:39:19,619
sure after that conversation you're

955
00:39:23,810 --> 00:39:21,720
going to feel much better about your

956
00:39:25,609 --> 00:39:23,820
experience this experience that you told

957
00:39:28,730 --> 00:39:25,619
me in your report that you submitted on

958
00:39:30,470 --> 00:39:28,740
the website that it's just turned your

959
00:39:32,930 --> 00:39:30,480
world upside down

960
00:39:35,510 --> 00:39:32,940
okay well the time comes for you to talk

961
00:39:36,589 --> 00:39:35,520
with that eyewitness you call they don't

962
00:39:39,170 --> 00:39:36,599
answer

963
00:39:41,390 --> 00:39:39,180

you send them text messages no response

964

00:39:42,470 --> 00:39:41,400

and then maybe a week later they tell

965

00:39:44,870 --> 00:39:42,480

you that they forgot about the

966

00:39:47,030 --> 00:39:44,880

conversation oh that's right we have

967

00:39:48,650 --> 00:39:47,040

that conversation scheduled now you tell

968

00:39:50,030 --> 00:39:48,660

me if you had an experience if you

969

00:39:52,069 --> 00:39:50,040

really would have had an experience like

970

00:39:54,170 --> 00:39:52,079

that what are the odds that you're going

971

00:39:55,310 --> 00:39:54,180

to forget about this conversation where

972

00:39:58,370 --> 00:39:55,320

you might be able to get all these

973

00:40:00,349 --> 00:39:58,380

answers another way to frame it is this

974

00:40:02,510 --> 00:40:00,359

was years ago I had a guy on my Facebook

975

00:40:05,390 --> 00:40:02,520

page that brought a lot of attention to

976
00:40:09,349 --> 00:40:05,400
hey everybody my son just had a Dogman

977
00:40:11,270 --> 00:40:09,359
encounter I forgot where it was but he

978
00:40:14,210 --> 00:40:11,280
just brought a lot of attention to it

979
00:40:16,250 --> 00:40:14,220
and he said I'm gonna see if my son will

980
00:40:19,069 --> 00:40:16,260
reach out to vix and talk with Vic about

981
00:40:21,410 --> 00:40:19,079
his experience and when I caught wind of

982
00:40:23,030 --> 00:40:21,420
that I said sure yeah I'd be more than

983
00:40:25,310 --> 00:40:23,040
happy to talk with your son and

984
00:40:27,470 --> 00:40:25,320
basically put the things in place where

985
00:40:29,450 --> 00:40:27,480
I could actually call a son and when I

986
00:40:31,970 --> 00:40:29,460
called his son his son acted like I was

987
00:40:33,770 --> 00:40:31,980
wasting his time and couldn't get off

988
00:40:36,589 --> 00:40:33,780

the phone quick enough and I'm thinking

989

00:40:40,250 --> 00:40:36,599

well your dad seems nice enough but

990

00:40:42,349 --> 00:40:40,260

you're a liar you didn't have any Dogman

991

00:40:44,569 --> 00:40:42,359

encounter if you would have had a Dogman

992

00:40:46,130 --> 00:40:44,579

encounter you've got a guy on the phone

993

00:40:48,230 --> 00:40:46,140

who could answer quite a few questions

994

00:40:50,569 --> 00:40:48,240

for you about this thing that you saw he

995

00:40:52,609 --> 00:40:50,579

lives out on this Farm you've got a guy

996

00:40:54,170 --> 00:40:52,619

who can answer quite a few questions for

997

00:40:57,410 --> 00:40:54,180

you about this thing that's not supposed

998

00:40:59,510 --> 00:40:57,420

to be there that's so terrifying and and

999

00:41:01,310 --> 00:40:59,520

whatnot it could possibly harm your

1000

00:41:03,589 --> 00:41:01,320

animals and you don't even have any

1001
00:41:04,910 --> 00:41:03,599
questions for me you don't even want to

1002
00:41:06,890 --> 00:41:04,920
talk about it

1003
00:41:09,770 --> 00:41:06,900
I mean you act like I'm wasting your

1004
00:41:11,510 --> 00:41:09,780
time there's no point in this you didn't

1005
00:41:13,670 --> 00:41:11,520
have that experience

1006
00:41:16,010 --> 00:41:13,680
I mean who in their right mind in that

1007
00:41:18,770 --> 00:41:16,020
circumstance is going to try to get at

1008
00:41:21,290 --> 00:41:18,780
least some information about this thing

1009
00:41:25,370 --> 00:41:21,300
that walked right up to them on the farm

1010
00:41:27,050 --> 00:41:25,380
so yeah just common sense now let me

1011
00:41:28,490 --> 00:41:27,060
qualify that there are people who just

1012
00:41:30,770 --> 00:41:28,500
they don't want to talk about it because

1013
00:41:33,950 --> 00:41:30,780

they're too terrified and that's totally

1014

00:41:36,170 --> 00:41:33,960

understandable but how it's presented to

1015

00:41:39,829 --> 00:41:36,180

you like yeah you're wasting my time

1016

00:41:41,930 --> 00:41:39,839

versus I I just don't feel comfortable

1017

00:41:43,670 --> 00:41:41,940

enough about this to talk about it I

1018

00:41:45,650 --> 00:41:43,680

have all these nightmares and I think

1019

00:41:48,589 --> 00:41:45,660

talking about it's gonna make the

1020

00:41:50,390 --> 00:41:48,599

nightmares worse is how it's framed but

1021

00:41:53,690 --> 00:41:50,400

when they frame it like you're wasting

1022

00:41:56,990 --> 00:41:53,700

their time then yeah it's pretty obvious

1023

00:41:59,030 --> 00:41:57,000

that No One's Gonna respond that way

1024

00:42:00,530 --> 00:41:59,040

for sure well I wonder if you could

1025

00:42:02,210 --> 00:42:00,540

speak a little bit too this may be a

1026
00:42:03,770 --> 00:42:02,220
little harder because you've heard a lot

1027
00:42:05,870 --> 00:42:03,780
of encounters and you've obviously

1028
00:42:08,510 --> 00:42:05,880
identified a lot of commonalities in

1029
00:42:11,690 --> 00:42:08,520
these experiences have you heard an

1030
00:42:15,170 --> 00:42:11,700
experience that had some elements to it

1031
00:42:17,750 --> 00:42:15,180
that weren't common but felt genuine to

1032
00:42:21,290 --> 00:42:17,760
you and what were those elements

1033
00:42:23,930 --> 00:42:21,300
oh sure yeah tons of times

1034
00:42:26,810 --> 00:42:23,940
I use certain vetting questions

1035
00:42:29,870 --> 00:42:26,820
to vet people who have

1036
00:42:32,390 --> 00:42:29,880
encounters with certain qualities to it

1037
00:42:36,170 --> 00:42:32,400
if someone saw a dog man from say 100

1038
00:42:37,849 --> 00:42:36,180

feet away or 200 feet away or further

1039

00:42:40,190 --> 00:42:37,859

there's really not that much you can do

1040

00:42:42,950 --> 00:42:40,200

to vet that person

1041

00:42:44,690 --> 00:42:42,960

to know if they are blowing smoke or if

1042

00:42:46,970 --> 00:42:44,700

they're telling the truth but if you

1043

00:42:50,210 --> 00:42:46,980

have someone like

1044

00:42:52,490 --> 00:42:50,220

Michael Lawrence from Episode 34 where

1045

00:42:54,349 --> 00:42:52,500

Michael talked about this juvenile dog

1046

00:42:56,510 --> 00:42:54,359

man that came into his tent one night

1047

00:42:58,609 --> 00:42:56,520

when he was camped out with his boy

1048

00:43:00,710 --> 00:42:58,619

scout troop in the Anza Borrego Desert

1049

00:43:02,809 --> 00:43:00,720

in California when he was a kid he

1050

00:43:05,690 --> 00:43:02,819

talked about this juvenile dog man that

1051
00:43:08,510 --> 00:43:05,700
unzipped his tent came into his tent sat

1052
00:43:11,270 --> 00:43:08,520
on his legs licked his face while it's

1053
00:43:13,849 --> 00:43:11,280
seemingly its mother it was a huge dog

1054
00:43:16,069 --> 00:43:13,859
man well not huge as far as Dogman go

1055
00:43:17,870 --> 00:43:16,079
but this one I think was I think maybe

1056
00:43:21,050 --> 00:43:17,880
eight feet tall or something like that

1057
00:43:24,349 --> 00:43:21,060
it was towering over his tent looking

1058
00:43:26,390 --> 00:43:24,359
down through the vented hem but all the

1059
00:43:27,589 --> 00:43:26,400
while the juvenile Dogma was doing this

1060
00:43:31,309 --> 00:43:27,599
to him but

1061
00:43:33,710 --> 00:43:31,319
when you have someone contact you and

1062
00:43:35,690 --> 00:43:33,720
tell you about such an unusual such an

1063
00:43:37,550 --> 00:43:35,700

extreme experience

1064

00:43:39,170 --> 00:43:37,560

when I read that report that he

1065

00:43:41,569 --> 00:43:39,180

submitted I thought okay yeah I

1066

00:43:43,430 --> 00:43:41,579

definitely need to vet this guy so when

1067

00:43:45,530 --> 00:43:43,440

I got him on the phone we scheduled a

1068

00:43:47,870 --> 00:43:45,540

conversation once I got him on the phone

1069

00:43:49,550 --> 00:43:47,880

I just broke the eyes we had a little

1070

00:43:51,890 --> 00:43:49,560

bit of small talk and then when we got

1071

00:43:54,530 --> 00:43:51,900

down to brass tacks

1072

00:43:56,569 --> 00:43:54,540

I started lobbying vetting questions at

1073

00:43:59,690 --> 00:43:56,579

him that only someone who was that close

1074

00:44:02,930 --> 00:43:59,700

to a genuine Bonafide dog man would know

1075

00:44:05,030 --> 00:44:02,940

the answers to and instantly he was

1076

00:44:08,870 --> 00:44:05,040

throwing the right answers back

1077

00:44:12,829 --> 00:44:08,880

I mean if I asked DJ

1078

00:44:15,950 --> 00:44:12,839

who the coach of the uh uh who's the

1079

00:44:18,170 --> 00:44:15,960

coach of the Cowboys is or or who owns

1080

00:44:19,970 --> 00:44:18,180

the Cowboys or whatever team I mean just

1081

00:44:21,589 --> 00:44:19,980

a very common question that everyone

1082

00:44:23,750 --> 00:44:21,599

knows the answer to or most people would

1083

00:44:25,970 --> 00:44:23,760

know the answer to It's a situation like

1084

00:44:29,210 --> 00:44:25,980

that Michael Lawrence was just firing

1085

00:44:30,650 --> 00:44:29,220

the answers back wow that's impressive

1086

00:44:33,710 --> 00:44:30,660

okay well if that's the case how about

1087

00:44:34,910 --> 00:44:33,720

this instantly the answer came back I

1088

00:44:37,130 --> 00:44:34,920

thought you know what this is the real

1089

00:44:39,410 --> 00:44:37,140

deal here this guy really had that

1090

00:44:41,690 --> 00:44:39,420

experience and then after that episode

1091

00:44:44,329 --> 00:44:41,700

aired I had tons of messages coming in

1092

00:44:46,370 --> 00:44:44,339

from people poo pooing him and talking

1093

00:44:48,349 --> 00:44:46,380

about how he was just full of it that

1094

00:44:50,450 --> 00:44:48,359

never happened and I'm laughing at them

1095

00:44:52,970 --> 00:44:50,460

because yeah you don't know what you're

1096

00:44:56,630 --> 00:44:52,980

talking about he really did have that

1097

00:44:59,930 --> 00:44:56,640

experience but yeah I mean the

1098

00:45:02,329 --> 00:44:59,940

encounters that come in are so varied I

1099

00:45:04,730 --> 00:45:02,339

can't really necessarily answer your

1100

00:45:07,550 --> 00:45:04,740

question properly by laying out too many

1101

00:45:10,130 --> 00:45:07,560

examples but there are ways that you can

1102

00:45:12,470 --> 00:45:10,140

use vetting questions like that to make

1103

00:45:14,450 --> 00:45:12,480

sure that the person is

1104

00:45:17,870 --> 00:45:14,460

actually telling the truth about their

1105

00:45:20,450 --> 00:45:17,880

encounter if it did happen at extremely

1106

00:45:22,069 --> 00:45:20,460

close ranges like that and there are

1107

00:45:23,329 --> 00:45:22,079

certain other things you can do too to

1108

00:45:25,490 --> 00:45:23,339

try and weed out the people who are

1109

00:45:27,770 --> 00:45:25,500

trying to lie their way onto the show

1110

00:45:30,710 --> 00:45:27,780

which yeah that does happen all too

1111

00:45:33,050 --> 00:45:30,720

often tons of people try to lie the way

1112

00:45:35,450 --> 00:45:33,060

onto the show

1113

00:45:37,309 --> 00:45:35,460

um no that's right I I was going to say

1114

00:45:39,650 --> 00:45:37,319

I think people wish they didn't know who

1115

00:45:42,290 --> 00:45:39,660

the Cowboys coach was Mike McCarthy

1116

00:45:43,670 --> 00:45:42,300

because I because uh the fact that he's

1117

00:45:45,349 --> 00:45:43,680

decided I'm going to take over play

1118

00:45:46,849 --> 00:45:45,359

calling duties I don't think that

1119

00:45:48,470 --> 00:45:46,859

Cowboys fans are going to be really

1120

00:45:50,390 --> 00:45:48,480

heartened by that I think they wish

1121

00:45:52,790 --> 00:45:50,400

there was a new coach that were that

1122

00:45:54,270 --> 00:45:52,800

were on the way uh anyway I was gonna

1123

00:45:57,109 --> 00:45:54,280

say the Cowboys don't have a coach

1124

00:45:59,930 --> 00:45:57,119

[Laughter]

1125

00:46:01,609 --> 00:45:59,940

he was such a poor choice and uh but you

1126
00:46:03,710 --> 00:46:01,619
know Jerry Jerry Jones hates to admit

1127
00:46:05,450 --> 00:46:03,720
he's wrong so uh by the way let me just

1128
00:46:07,309 --> 00:46:05,460
let me just Nathan let me do this real

1129
00:46:10,609 --> 00:46:07,319
quick let me shout out Victor win

1130
00:46:13,130 --> 00:46:10,619
benyama the seven foot five uh 19 year

1131
00:46:14,990 --> 00:46:13,140
old Frenchman who will be the first pick

1132
00:46:18,530 --> 00:46:15,000
in the NBA draft the lotteries last

1133
00:46:20,030 --> 00:46:18,540
night and and uh uh congratulations to

1134
00:46:22,790 --> 00:46:20,040
you Victor we can't wait to see you in

1135
00:46:24,170 --> 00:46:22,800
the NBA uh anyway

1136
00:46:25,550 --> 00:46:24,180
um let's go with Leah prime time because

1137
00:46:28,190 --> 00:46:25,560
she has to get out of here and go to

1138
00:46:30,710 --> 00:46:28,200

another show so

1139

00:46:32,390 --> 00:46:30,720

and it was talking about how it's a

1140

00:46:34,130 --> 00:46:32,400

totally common knowledge everybody knows

1141

00:46:36,109 --> 00:46:34,140

who the Cowboys coach is I was like

1142

00:46:39,829 --> 00:46:36,119

getting that creeping tight feeling in

1143

00:46:41,750 --> 00:46:39,839

my chest and thinking oh man I have like

1144

00:46:43,730 --> 00:46:41,760

a brain the size of a walnut rattling

1145

00:46:46,450 --> 00:46:43,740

around in a wooden Bowl I have no idea

1146

00:46:49,910 --> 00:46:46,460

who these people are

1147

00:46:51,790 --> 00:46:49,920

but authors Leah you know them all oh

1148

00:46:54,109 --> 00:46:51,800

yeah yeah

1149

00:46:56,210 --> 00:46:54,119

I'm a librarian

1150

00:46:57,410 --> 00:46:56,220

um yeah so yeah one of the questions uh

1151

00:46:59,329 --> 00:46:57,420

this is sort of one of my favorite

1152

00:47:01,430 --> 00:46:59,339

questions to always ask Vic especially

1153

00:47:03,530 --> 00:47:01,440

for people that have a lifetime interest

1154

00:47:05,150 --> 00:47:03,540

in these kinds of subjects I'm always

1155

00:47:06,770 --> 00:47:05,160

curious about how views and

1156

00:47:08,569 --> 00:47:06,780

understandings of this subject have

1157

00:47:09,770 --> 00:47:08,579

changed over time

1158

00:47:12,290 --> 00:47:09,780

um so if you could talk just a little

1159

00:47:14,150 --> 00:47:12,300

bit about either opinions you've held

1160

00:47:16,130 --> 00:47:14,160

that may have changed

1161

00:47:18,170 --> 00:47:16,140

um or ideas or theories that have

1162

00:47:21,109 --> 00:47:18,180

evolved as you've gotten deeper into the

1163

00:47:23,329 --> 00:47:21,119

subject I'd love to hear them

1164

00:47:25,370 --> 00:47:23,339

well when I first started out doing this

1165

00:47:27,050 --> 00:47:25,380

I was convinced these guys had to be

1166

00:47:29,870 --> 00:47:27,060

Flesh and Blood creatures and that's all

1167

00:47:31,910 --> 00:47:29,880

there was to it no extra abilities or

1168

00:47:35,569 --> 00:47:31,920

anything like that that a bear wouldn't

1169

00:47:37,730 --> 00:47:35,579

have but As Time Goes By the Waters tend

1170

00:47:40,190 --> 00:47:37,740

to muddy a little bit you can only talk

1171

00:47:42,349 --> 00:47:40,200

with so many credible eyewitnesses who

1172

00:47:46,490 --> 00:47:42,359

talk about seeing

1173

00:47:49,450 --> 00:47:46,500

this dog man do this or do that that a

1174

00:47:52,609 --> 00:47:49,460

flesh and blood creature could not do

1175

00:47:56,050 --> 00:47:52,619

and after you hear that from so many

1176

00:47:58,250 --> 00:47:56,060

credible eyewitnesses who they report

1177

00:48:00,230 --> 00:47:58,260

all these things happening in their

1178

00:48:02,450 --> 00:48:00,240

encounters on the report the ones that

1179

00:48:04,730 --> 00:48:02,460

really write out the extensive reports

1180

00:48:06,170 --> 00:48:04,740

about their experiences and then when

1181

00:48:08,870 --> 00:48:06,180

they talk with you everything that they

1182

00:48:10,609 --> 00:48:08,880

tell you matches what they put on paper

1183

00:48:12,770 --> 00:48:10,619

when they reported their experience

1184

00:48:15,170 --> 00:48:12,780

every time you talk with them their

1185

00:48:17,809 --> 00:48:15,180

story never changes the way they deliver

1186

00:48:21,650 --> 00:48:17,819

it it sounds totally genuine

1187

00:48:23,390 --> 00:48:21,660

bona fide very credible eyewitnesses you

1188

00:48:25,790 --> 00:48:23,400

can only talk with so many people like

1189

00:48:28,089 --> 00:48:25,800

that who report seeing things that a

1190

00:48:33,589 --> 00:48:28,099

flesh and blood creature could not do

1191

00:48:37,069 --> 00:48:33,599

and have that mindset so now having said

1192

00:48:39,530 --> 00:48:37,079

that am I saying that all dogmen are

1193

00:48:41,930 --> 00:48:39,540

ethereal beings no I'm not saying that

1194

00:48:44,690 --> 00:48:41,940

because right why wouldn't ethereal

1195

00:48:47,329 --> 00:48:44,700

being drink nasty stagnant water out of

1196

00:48:50,210 --> 00:48:47,339

a a moss-covered pond why would an

1197

00:48:51,710 --> 00:48:50,220

ethereal being why would it be fetid

1198

00:48:54,290 --> 00:48:51,720

Roadkill

1199

00:48:56,569 --> 00:48:54,300

but on the other hand

1200

00:48:58,730 --> 00:48:56,579

maybe we're looking at a situation where

1201
00:49:00,650 --> 00:48:58,740
some dogmen are from The Ether and other

1202
00:49:03,470 --> 00:49:00,660
dog men are Flesh and Blood I don't know

1203
00:49:06,109 --> 00:49:03,480
what the story is on that I mean we do

1204
00:49:07,849 --> 00:49:06,119
have the technology now to Gene splice

1205
00:49:11,329 --> 00:49:07,859
and do things like that maybe some

1206
00:49:14,089 --> 00:49:11,339
dogmen are are created in a test tube

1207
00:49:15,950 --> 00:49:14,099
While others are from The Ether I don't

1208
00:49:18,530 --> 00:49:15,960
know I don't know what the answer is to

1209
00:49:20,329 --> 00:49:18,540
that but this whole thing is so much

1210
00:49:22,849 --> 00:49:20,339
deeper than I thought it was at first

1211
00:49:25,670 --> 00:49:22,859
glance when I got into this and I spoke

1212
00:49:28,309 --> 00:49:25,680
with that eyewitness in 2007 for example

1213
00:49:29,990 --> 00:49:28,319

and I meant to bring attention to the

1214

00:49:33,109 --> 00:49:30,000

fact that I forgot who that eyewitness

1215

00:49:36,829 --> 00:49:33,119

was it's been so long since I spoke with

1216

00:49:39,470 --> 00:49:36,839

him but whoever he is I do know that he

1217

00:49:41,089 --> 00:49:39,480

knows Matt and Matt's spoken with him I

1218

00:49:43,490 --> 00:49:41,099

wish I could remember what his name was

1219

00:49:44,990 --> 00:49:43,500

but yeah this eyewitness he actually had

1220

00:49:47,650 --> 00:49:45,000

spoken with Martin

1221

00:49:50,390 --> 00:49:47,660

I think you might know Matt

1222

00:49:52,609 --> 00:49:50,400

and y'all are like original gangsters

1223

00:49:54,470 --> 00:49:52,619

man you got the Skull and Bones ring for

1224

00:49:55,329 --> 00:49:54,480

Bigfoot and all that stuff man you and

1225

00:49:58,550 --> 00:49:55,339

Matt

1226

00:49:59,809 --> 00:49:58,560

incredible I don't know about that I

1227

00:50:03,109 --> 00:49:59,819

will tell you that guys that

1228

00:50:05,990 --> 00:50:03,119

eyewitnesses encounter it was a really

1229

00:50:08,450 --> 00:50:06,000

frightening encounter holy cow

1230

00:50:10,069 --> 00:50:08,460

yeah that's one of the things I was at

1231

00:50:11,930 --> 00:50:10,079

prime time I don't want to hold you up

1232

00:50:14,329 --> 00:50:11,940

do you got to bounce at this point are

1233

00:50:15,950 --> 00:50:14,339

you good no I have to I have to dip Vic

1234

00:50:17,390 --> 00:50:15,960

this was a pleasure thank you so much I

1235

00:50:18,650 --> 00:50:17,400

can't wait to listen to the back half of

1236

00:50:20,809 --> 00:50:18,660

the episode

1237

00:50:23,210 --> 00:50:20,819

oh you know you're welcome thanks for

1238

00:50:25,069 --> 00:50:23,220

having me of course have a nice night uh

1239

00:50:27,170 --> 00:50:25,079

cheers see you later have fun tonight

1240

00:50:29,030 --> 00:50:27,180

buddy

1241

00:50:30,710 --> 00:50:29,040

um yeah I was kind of well actually I

1242

00:50:32,870 --> 00:50:30,720

don't want to I don't want to take time

1243

00:50:36,470 --> 00:50:32,880

because uh Debs in matter next so I'll

1244

00:50:38,270 --> 00:50:36,480

save mine uh go for it Debs yeah so

1245

00:50:40,370 --> 00:50:38,280

unfortunately I missed a little bit of

1246

00:50:42,829 --> 00:50:40,380

Leah so hopefully this doesn't touch on

1247

00:50:45,470 --> 00:50:42,839

it too much but I'm also interested in

1248

00:50:47,510 --> 00:50:45,480

the history of this um I saw that you

1249

00:50:51,049 --> 00:50:47,520

had mentioned at some point that this

1250

00:50:53,210 --> 00:50:51,059

has been going on for probably centuries

1251

00:50:55,790 --> 00:50:53,220

um and I have recently

1252

00:50:57,470 --> 00:50:55,800

um learned a little bit about ogres and

1253

00:50:59,990 --> 00:50:57,480

trolls and I found there's a lot of

1254

00:51:02,630 --> 00:51:00,000

parallels between what's going on with

1255

00:51:05,990 --> 00:51:02,640

dog man and Sasquatch and what happened

1256

00:51:08,809 --> 00:51:06,000

previously in literature regarding ogres

1257

00:51:13,190 --> 00:51:08,819

and trolls including that habituation

1258

00:51:14,690 --> 00:51:13,200

that territorial takeover or terrifying

1259

00:51:16,190 --> 00:51:14,700

humans

1260

00:51:18,230 --> 00:51:16,200

um so I just wanted to know what your

1261

00:51:20,630 --> 00:51:18,240

thoughts were on that

1262

00:51:24,710 --> 00:51:20,640

oh my goodness definitely already asked

1263

00:51:29,690 --> 00:51:27,170

I'm just kidding

1264

00:51:32,210 --> 00:51:29,700

wow yeah in a lot of ways I guess you

1265

00:51:35,150 --> 00:51:32,220

could draw comparisons between dogmen

1266

00:51:37,069 --> 00:51:35,160

and trolls ogres anything like that if

1267

00:51:38,750 --> 00:51:37,079

they actually do exist

1268

00:51:42,309 --> 00:51:38,760

in that

1269

00:51:44,690 --> 00:51:42,319

they're purported to almost live for

1270

00:51:47,329 --> 00:51:44,700

terrifying people at every opportunity

1271

00:51:49,309 --> 00:51:47,339

with these guys I mean

1272

00:51:51,109 --> 00:51:49,319

they do have other things to do they

1273

00:51:53,750 --> 00:51:51,119

have to feed themselves apparently and

1274

00:51:57,650 --> 00:51:53,760

do other things but they do seem to take

1275

00:51:59,809 --> 00:51:57,660

a lot of joy and terrifying people but

1276

00:52:01,010 --> 00:51:59,819

when you look at how many dogmen must be

1277

00:52:03,589 --> 00:52:01,020

out there compared to how many

1278

00:52:05,030 --> 00:52:03,599

encounters seem to happen

1279

00:52:07,490 --> 00:52:05,040

it would seem that there are a lot of

1280

00:52:09,589 --> 00:52:07,500

dogmen that don't go out of their way to

1281

00:52:11,510 --> 00:52:09,599

force encounters to happen they just do

1282

00:52:12,950 --> 00:52:11,520

their own thing and they don't bother

1283

00:52:15,109 --> 00:52:12,960

people so

1284

00:52:16,970 --> 00:52:15,119

it's really hard to get a beat on these

1285

00:52:19,430 --> 00:52:16,980

guys I mean it might be a small

1286

00:52:22,010 --> 00:52:19,440

percentage of these guys who actually do

1287

00:52:23,510 --> 00:52:22,020

seek out encounters with people we just

1288

00:52:25,430 --> 00:52:23,520

don't know there's so many things about

1289

00:52:28,190 --> 00:52:25,440

them that we just don't know and we're

1290

00:52:30,530 --> 00:52:28,200

never gonna know but yeah it is fair to

1291

00:52:33,589 --> 00:52:30,540

draw comparisons between them and the

1292

00:52:37,250 --> 00:52:33,599

way ogres and trolls are supposed to be

1293

00:52:39,410 --> 00:52:37,260

if they actually ever did exist

1294

00:52:41,870 --> 00:52:39,420

yeah it's interesting that there's more

1295

00:52:44,329 --> 00:52:41,880

mystery around dot if there's not enough

1296

00:52:47,930 --> 00:52:44,339

mystery already around bigfoots there's

1297

00:52:50,630 --> 00:52:47,940

even more mystery about Dogman uh I just

1298

00:52:53,390 --> 00:52:50,640

want to say in the chat I uh uh Jules

1299

00:52:55,970 --> 00:52:53,400

had asked if there was activity prior to

1300

00:52:57,770 --> 00:52:55,980

Robin moving in there uh was there

1301
00:53:01,910 --> 00:52:57,780
activity on the property with her family

1302
00:53:03,710 --> 00:53:01,920
and I'm I remember that uh you uh uh you

1303
00:53:05,569 --> 00:53:03,720
she had talked about that that she was

1304
00:53:07,430 --> 00:53:05,579
angry that her mom knew that there was

1305
00:53:09,890 --> 00:53:07,440
activity on the property before they

1306
00:53:12,349 --> 00:53:09,900
moved in uh at least Bigfoot activity if

1307
00:53:13,849 --> 00:53:12,359
I remember that episode correctly so

1308
00:53:17,030 --> 00:53:13,859
anyway

1309
00:53:22,970 --> 00:53:20,270
um have you done any uh looking into

1310
00:53:25,069 --> 00:53:22,980
research whatever you want to call it uh

1311
00:53:27,829 --> 00:53:25,079
in the historical references to

1312
00:53:32,510 --> 00:53:27,839
dog-headed humans

1313
00:53:34,670 --> 00:53:32,520

like sinencephali yeah is do you think

1314

00:53:37,430 --> 00:53:34,680

that's the same thing as what we're

1315

00:53:42,230 --> 00:53:37,440

talking about in terms of dogmen

1316

00:53:44,569 --> 00:53:42,240

no no I don't well there's certain looks

1317

00:53:46,849 --> 00:53:44,579

that dogmen have I mean you've got what

1318

00:53:49,250 --> 00:53:46,859

I call the canine type they'd have

1319

00:53:51,650 --> 00:53:49,260

digital grade style legs where they walk

1320

00:53:53,930 --> 00:53:51,660

on their toes way a dog or a cat or

1321

00:53:56,930 --> 00:53:53,940

horse would then they have another type

1322

00:53:59,630 --> 00:53:56,940

that some people call type 3 Dog men

1323

00:54:02,089 --> 00:53:59,640

there is a lot of controversy around

1324

00:54:04,849 --> 00:54:02,099

this whole type 3 thing some people

1325

00:54:07,309 --> 00:54:04,859

insist that they're not canads which I

1326
00:54:10,430 --> 00:54:07,319
totally agree because type threes have

1327
00:54:12,950 --> 00:54:10,440
hominid style legs not legs like a dog

1328
00:54:15,349 --> 00:54:12,960
so they can't be members of the canid

1329
00:54:18,710 --> 00:54:15,359
family but

1330
00:54:21,349 --> 00:54:18,720
a lot of people if you see the the

1331
00:54:23,809 --> 00:54:21,359
Appalachian dog man that's what they

1332
00:54:26,450 --> 00:54:23,819
think of a type three not something with

1333
00:54:29,450 --> 00:54:26,460
digitigrade style legs so it's just

1334
00:54:31,849 --> 00:54:29,460
tomato tomato what you call this what

1335
00:54:33,790 --> 00:54:31,859
they call that that's really what it is

1336
00:54:37,609 --> 00:54:33,800
when it boils down to it but the

1337
00:54:40,910 --> 00:54:37,619
sinusiphili to get to your question they

1338
00:54:44,089 --> 00:54:40,920

were reported to have heads of canids

1339

00:54:46,430 --> 00:54:44,099

but bodies like men they had hominid

1340

00:54:48,530 --> 00:54:46,440

style legs and I'm not sure how

1341

00:54:49,910 --> 00:54:48,540

human-like their bodies were supposed to

1342

00:54:52,609 --> 00:54:49,920

be but

1343

00:54:55,730 --> 00:54:52,619

from the way I've heard them described

1344

00:54:57,410 --> 00:54:55,740

it sounds like it's a situation where

1345

00:55:00,290 --> 00:54:57,420

you could almost take the head off of a

1346

00:55:02,930 --> 00:55:00,300

wolf or head off of a big dog and slap

1347

00:55:05,329 --> 00:55:02,940

it onto a man's body and that's what

1348

00:55:07,970 --> 00:55:05,339

they were supposed to look like but no I

1349

00:55:10,069 --> 00:55:07,980

haven't put too much work into that I

1350

00:55:13,309 --> 00:55:10,079

don't study dogmen a lot of people think

1351
00:55:15,710 --> 00:55:13,319
that I'm a Dogman researcher I'm not I

1352
00:55:18,589 --> 00:55:15,720
know a lot about dogmen because

1353
00:55:21,950 --> 00:55:18,599
of doing this for so long and this

1354
00:55:24,109 --> 00:55:21,960
information has rubbed off on me but I

1355
00:55:26,089 --> 00:55:24,119
don't actually sit down and study them

1356
00:55:27,650 --> 00:55:26,099
now I focus on just helping the

1357
00:55:30,049 --> 00:55:27,660
eyewitnesses come to terms with their

1358
00:55:32,450 --> 00:55:30,059
encounters and the information I glean

1359
00:55:34,309 --> 00:55:32,460
from doing that that's why I know what I

1360
00:55:37,250 --> 00:55:34,319
know about Dogma now

1361
00:55:38,510 --> 00:55:37,260
I know you and I have spoken about uh

1362
00:55:40,930 --> 00:55:38,520
some of the things that have been

1363
00:55:44,390 --> 00:55:40,940

privately shared with you by different

1364

00:55:47,210 --> 00:55:44,400

eyewitnesses but have you seen any

1365

00:55:48,890 --> 00:55:47,220

photos or video out in the public World

1366

00:55:50,150 --> 00:55:48,900

on YouTube or anything that you believe

1367

00:55:53,630 --> 00:55:50,160

are authentic

1368

00:55:55,430 --> 00:55:53,640

oh yeah oh yeah yeah I've seen tons of

1369

00:55:57,770 --> 00:55:55,440

them too that were authentic but they

1370

00:55:59,630 --> 00:55:57,780

were taken down almost right away I've

1371

00:56:01,250 --> 00:55:59,640

seen somewhere I think oh that picture

1372

00:56:02,809 --> 00:56:01,260

is not going to be around long and sure

1373

00:56:05,030 --> 00:56:02,819

enough it wasn't

1374

00:56:07,490 --> 00:56:05,040

understand I've been doing this for as

1375

00:56:10,130 --> 00:56:07,500

long as I have been Matt because I know

1376
00:56:12,650 --> 00:56:10,140
that there's a line and I also know that

1377
00:56:15,710 --> 00:56:12,660
it's not wise for me to try to cross

1378
00:56:17,809 --> 00:56:15,720
that line I don't even get too close to

1379
00:56:19,430 --> 00:56:17,819
the line there have been people ever

1380
00:56:21,290 --> 00:56:19,440
since I started this who have come and

1381
00:56:22,970 --> 00:56:21,300
gone because they didn't either

1382
00:56:25,370 --> 00:56:22,980
understand that there is a line there

1383
00:56:27,410 --> 00:56:25,380
that's not to be crossed or they did

1384
00:56:29,930 --> 00:56:27,420
understand that and unfortunately

1385
00:56:33,589 --> 00:56:29,940
decided to cross it and now they're not

1386
00:56:35,510 --> 00:56:33,599
around what's the line well the line is

1387
00:56:37,609 --> 00:56:35,520
the government does not want these

1388
00:56:40,490 --> 00:56:37,619

things to be proven to be in existence

1389

00:56:42,290 --> 00:56:40,500

officially and if you start putting

1390

00:56:44,870 --> 00:56:42,300

pictures and evidence out there that's

1391

00:56:46,790 --> 00:56:44,880

above a certain quality

1392

00:56:48,950 --> 00:56:46,800

that's when they have trouble with it

1393

00:56:52,370 --> 00:56:48,960

you can post pictures until you're blue

1394

00:56:55,430 --> 00:56:52,380

in the face that are below a certain

1395

00:56:58,010 --> 00:56:55,440

quality and they don't care they don't

1396

00:57:01,069 --> 00:56:58,020

care at all but if it's above a certain

1397

00:57:03,730 --> 00:57:01,079

quality then they do have problems with

1398

00:57:06,290 --> 00:57:03,740

that so yeah if you make a habit out of

1399

00:57:08,569 --> 00:57:06,300

putting evidence out there that's a

1400

00:57:10,069 --> 00:57:08,579

little too good that's when you have

1401
00:57:12,230 --> 00:57:10,079
trouble that's when you have people who

1402
00:57:14,210 --> 00:57:12,240
just disappear hey where did so and so

1403
00:57:17,270 --> 00:57:14,220
go I don't know I haven't heard about

1404
00:57:20,870 --> 00:57:17,280
him and heard anything from him his show

1405
00:57:22,670 --> 00:57:20,880
stopped and I don't know so yeah that's

1406
00:57:24,890 --> 00:57:22,680
why I've been around so long because I

1407
00:57:27,109 --> 00:57:24,900
know about the line and I refuse to

1408
00:57:28,549 --> 00:57:27,119
cross it or even get too close to it but

1409
00:57:30,230 --> 00:57:28,559
yeah I've seen evidence I've had

1410
00:57:33,770 --> 00:57:30,240
evidence that's been sheer with me

1411
00:57:36,890 --> 00:57:33,780
that's just amazing I mean

1412
00:57:38,990 --> 00:57:36,900
just blow your socks off amazing

1413
00:57:40,910 --> 00:57:39,000

that was my next question so you already

1414

00:57:42,710 --> 00:57:40,920

I was going to say because I know Matt

1415

00:57:44,870 --> 00:57:42,720

knows but for the benefit of myself and

1416

00:57:47,990 --> 00:57:44,880

Nathan and Debs I assume people have

1417

00:57:50,329 --> 00:57:48,000

shared with you uh photos or video that

1418

00:57:52,490 --> 00:57:50,339

had a high quality resolution that you

1419

00:57:55,309 --> 00:57:52,500

could definitely see what it was oh

1420

00:57:58,309 --> 00:57:55,319

definitely there are so many foolish

1421

00:58:00,530 --> 00:57:58,319

comments that I see about these guys and

1422

00:58:03,170 --> 00:58:00,540

one of the most foolish ones I see all

1423

00:58:05,450 --> 00:58:03,180

the time is Skeptics saying well yeah

1424

00:58:08,510 --> 00:58:05,460

dogmen don't exist because if they did

1425

00:58:11,030 --> 00:58:08,520

there'd be very impressive evidence out

1426
00:58:12,770 --> 00:58:11,040
there supporting their existence well

1427
00:58:14,510 --> 00:58:12,780
just because you haven't seen that

1428
00:58:15,589 --> 00:58:14,520
evidence does that mean that it's not

1429
00:58:17,990 --> 00:58:15,599
out there

1430
00:58:22,490 --> 00:58:18,000
yeah far from it you want to talk about

1431
00:58:25,130 --> 00:58:22,500
a myopic point of view holy cow yeah

1432
00:58:27,530 --> 00:58:25,140
there is very impressive evidence out

1433
00:58:30,950 --> 00:58:27,540
there it's not available in most cases

1434
00:58:32,930 --> 00:58:30,960
for the general public to to look at but

1435
00:58:35,030 --> 00:58:32,940
it's definitely out there it's been

1436
00:58:37,010 --> 00:58:35,040
shared with me the most impressive

1437
00:58:40,309 --> 00:58:37,020
evidence that's been shared with me was

1438
00:58:42,289 --> 00:58:40,319

taken some time well it's been about

1439

00:58:43,849 --> 00:58:42,299

seven eight years since this gentleman

1440

00:58:46,849 --> 00:58:43,859

sent it to me but

1441

00:58:49,730 --> 00:58:46,859

the gist of it is either he or a friend

1442

00:58:52,069 --> 00:58:49,740

of his found out that a dog man or dog

1443

00:58:54,049 --> 00:58:52,079

men were hanging out in this particular

1444

00:58:58,430 --> 00:58:54,059

area in the foothills of the Sierra

1445

00:59:01,010 --> 00:58:58,440

Nevada mountains and they decided to

1446

00:59:03,710 --> 00:59:01,020

take a more expensive game cam you know

1447

00:59:05,450 --> 00:59:03,720

how the more expensive ones you don't

1448

00:59:07,430 --> 00:59:05,460

only have the option to set them up to

1449

00:59:09,410 --> 00:59:07,440

Snap photos when they detect motion you

1450

00:59:11,089 --> 00:59:09,420

can also set them to film when they

1451

00:59:14,030 --> 00:59:11,099

detect motion well that's what these

1452

00:59:18,470 --> 00:59:14,040

guys did either he or a friend did I

1453

00:59:21,289 --> 00:59:18,480

should say they set the cam to film when

1454

00:59:23,750 --> 00:59:21,299

it detected Motion in either I guess

1455

00:59:26,150 --> 00:59:23,760

maybe that afternoon or a day or two

1456

00:59:27,710 --> 00:59:26,160

after they strapped it to a tree it's

1457

00:59:30,890 --> 00:59:27,720

been so long I can't remember but

1458

00:59:32,210 --> 00:59:30,900

nonetheless in broad daylight it looked

1459

00:59:34,630 --> 00:59:32,220

like it was a bright sunny day

1460

00:59:37,309 --> 00:59:34,640

mid-afternoon you could see everything

1461

00:59:40,609 --> 00:59:37,319

this dog man comes walking in the view

1462

00:59:42,650 --> 00:59:40,619

from left to right and they hung some

1463

00:59:44,809 --> 00:59:42,660

bait on a branch about five feet away

1464

00:59:47,089 --> 00:59:44,819

from the camera lens while it was moving

1465

00:59:50,569 --> 00:59:47,099

between the bait in the camera lens

1466

00:59:53,210 --> 00:59:50,579

again broad daylight moving from left to

1467

00:59:54,890 --> 00:59:53,220

right I could see everything I could see

1468

00:59:56,930 --> 00:59:54,900

its front when they came into view and

1469

00:59:59,690 --> 00:59:56,940

then once it got directly between that

1470

01:00:02,450 --> 00:59:59,700

camera lens and the bait on the branch

1471

01:00:04,730 --> 01:00:02,460

it turns us back to the camera and it

1472

01:00:06,670 --> 01:00:04,740

goes for the the bait there but it was

1473

01:00:13,670 --> 01:00:06,680

kind of like a

1474

01:00:16,910 --> 01:00:13,680

Timber Wolf is she some hairs were some

1475

01:00:19,490 --> 01:00:16,920

hairs were maybe deep down grayish and

1476

01:00:22,789 --> 01:00:19,500

then maybe blackish and then would kind

1477

01:00:24,770 --> 01:00:22,799

of like transition into like a uh a

1478

01:00:26,930 --> 01:00:24,780

cocoa-ish color towards the tips and all

1479

01:00:29,930 --> 01:00:26,940

kind of like a multi-color look like

1480

01:00:32,690 --> 01:00:29,940

that but I was so blown away by the the

1481

01:00:34,010 --> 01:00:32,700

film I contacted the gentleman who sent

1482

01:00:36,730 --> 01:00:34,020

it to me and I said hey there's a

1483

01:00:40,690 --> 01:00:36,740

gentleman that I know who

1484

01:00:44,030 --> 01:00:40,700

analyzes Sasquatch footage in evidence

1485

01:00:45,230 --> 01:00:44,040

and I'm wondering if you would mind I

1486

01:00:47,270 --> 01:00:45,240

didn't think he was going to go for this

1487

01:00:49,069 --> 01:00:47,280

but I asked him I said I wonder if you

1488

01:00:51,950 --> 01:00:49,079

would mind if I shared this video with

1489

01:00:54,049 --> 01:00:51,960

him so he could give me a second opinion

1490

01:00:56,510 --> 01:00:54,059

on this tell me what he thinks about it

1491

01:00:58,910 --> 01:00:56,520

and he said Yeah by all means send it to

1492

01:01:00,950 --> 01:00:58,920

him he had sent me a private link to

1493

01:01:02,390 --> 01:01:00,960

this video that was on YouTube you had

1494

01:01:04,549 --> 01:01:02,400

to have that private link to be able to

1495

01:01:06,170 --> 01:01:04,559

view it so I sent that link the private

1496

01:01:09,950 --> 01:01:06,180

link to this gentleman

1497

01:01:13,309 --> 01:01:09,960

his name is Richard Eady yeah Richard

1498

01:01:15,950 --> 01:01:13,319

Eddie was I think he was on episode

1499

01:01:17,510 --> 01:01:15,960

six maybe of dogs and encounter seals on

1500

01:01:20,210 --> 01:01:17,520

one of the very very early episodes

1501
01:01:23,569 --> 01:01:20,220
where he talked about analyzing all this

1502
01:01:25,190 --> 01:01:23,579
evidence I sent that link to Richard and

1503
01:01:26,990 --> 01:01:25,200
I said hey Richard I told him the whole

1504
01:01:28,849 --> 01:01:27,000
story I'd love to know what you think

1505
01:01:30,770 --> 01:01:28,859
about this video

1506
01:01:32,270 --> 01:01:30,780
all the while thinking I can't see how

1507
01:01:34,789 --> 01:01:32,280
you're not going to be blown away by it

1508
01:01:36,890 --> 01:01:34,799
and sure enough you was yeah it just

1509
01:01:39,170 --> 01:01:36,900
blew his socks off too so we talked

1510
01:01:40,730 --> 01:01:39,180
about it and everything and we noticed a

1511
01:01:42,770 --> 01:01:40,740
couple of things that that guy hadn't

1512
01:01:45,950 --> 01:01:42,780
even noticed about the the film footage

1513
01:01:47,990 --> 01:01:45,960

but yeah I guess I took the long way

1514

01:01:49,789 --> 01:01:48,000

around the barn to say that yeah there

1515

01:01:52,010 --> 01:01:49,799

is amazing evidence out there about

1516

01:01:54,410 --> 01:01:52,020

these guys just because the general

1517

01:01:56,750 --> 01:01:54,420

Public's not privy to it then yeah that

1518

01:01:58,670 --> 01:01:56,760

doesn't mean that that these guys aren't

1519

01:02:00,710 --> 01:01:58,680

really out there

1520

01:02:02,870 --> 01:02:00,720

you know In fairness that dog man could

1521

01:02:03,950 --> 01:02:02,880

have just come from the salon could have

1522

01:02:05,930 --> 01:02:03,960

like you know been trying to choose

1523

01:02:07,730 --> 01:02:05,940

between different hair colors and been

1524

01:02:09,950 --> 01:02:07,740

like you know what just just make it

1525

01:02:11,630 --> 01:02:09,960

multi-color a lot of guys in the NBA are

1526

01:02:13,609 --> 01:02:11,640

doing that these days it's not totally

1527

01:02:17,170 --> 01:02:13,619

out of character for Northern California

1528

01:02:20,030 --> 01:02:17,180

I would say spice it up so yeah I'd say

1529

01:02:21,470 --> 01:02:20,040

Vic so you've been so dot I mean are we

1530

01:02:23,510 --> 01:02:21,480

gonna get any Sasquatch out of you

1531

01:02:25,250 --> 01:02:23,520

tonight Vic you've been very dog man

1532

01:02:28,010 --> 01:02:25,260

Centric

1533

01:02:30,530 --> 01:02:28,020

I will by all means yeah you name the

1534

01:02:32,809 --> 01:02:30,540

Sasquatch topic and yeah well talk about

1535

01:02:34,670 --> 01:02:32,819

it yeah I mean

1536

01:02:36,950 --> 01:02:34,680

um I I we need to get into the round

1537

01:02:38,870 --> 01:02:36,960

table uh here here

1538

01:02:41,809 --> 01:02:38,880

um quickly you know we'll throw our our

1539

01:02:43,789 --> 01:02:41,819

topics out there but I was curious uh if

1540

01:02:45,829 --> 01:02:43,799

have you have people sent you any you

1541

01:02:47,809 --> 01:02:45,839

know interesting Sasquatch videos that

1542

01:02:49,970 --> 01:02:47,819

are of that quality that you know you're

1543

01:02:51,829 --> 01:02:49,980

just not at Liberty to share but that

1544

01:02:52,670 --> 01:02:51,839

you you know that you could uh tell us

1545

01:02:54,589 --> 01:02:52,680

about

1546

01:02:56,450 --> 01:02:54,599

well people have sent me impressive

1547

01:02:57,289 --> 01:02:56,460

evidence about Sasquatch but nothing

1548

01:02:59,270 --> 01:02:57,299

like

1549

01:03:01,670 --> 01:02:59,280

what people have sent me about dog men

1550

01:03:03,349 --> 01:03:01,680

so but then again you know there are so

1551
01:03:05,510 --> 01:03:03,359
many people out there who have been

1552
01:03:08,089 --> 01:03:05,520
burned by putting evidence out there

1553
01:03:10,510 --> 01:03:08,099
that this photo that they took that

1554
01:03:14,990 --> 01:03:10,520
footage that they took and then people

1555
01:03:18,650 --> 01:03:15,000
ridicule the footage the film they talk

1556
01:03:20,990 --> 01:03:18,660
about blob swatches and they say that

1557
01:03:22,789 --> 01:03:21,000
it's fake well yeah why would a lot of

1558
01:03:24,890 --> 01:03:22,799
these people have Bigfoot evidence want

1559
01:03:27,289 --> 01:03:24,900
to come forward with it the impressive

1560
01:03:30,410 --> 01:03:27,299
evidence so yeah it's not as common as

1561
01:03:32,990 --> 01:03:30,420
on the dog man's side but I have gotten

1562
01:03:35,150 --> 01:03:33,000
pretty impressive evidence

1563
01:03:37,490 --> 01:03:35,160

and by the way so you see the fire below

1564

01:03:39,829 --> 01:03:37,500

you Vic if you've brought any s'mores

1565

01:03:42,530 --> 01:03:39,839

any graham crackers Hershey's chocolate

1566

01:03:44,450 --> 01:03:42,540

feel free to just dangle over the fire

1567

01:03:47,030 --> 01:03:44,460

just make sure you share with us

1568

01:03:50,510 --> 01:03:47,040

okay

1569

01:03:52,010 --> 01:03:50,520

I mean Nathan I mean he comes prepared

1570

01:03:53,870 --> 01:03:52,020

for all these outings you know what I

1571

01:03:55,069 --> 01:03:53,880

mean he always has the fire going he

1572

01:03:57,049 --> 01:03:55,079

never doesn't worry that's the

1573

01:03:58,730 --> 01:03:57,059

marshmallow right I don't have to go get

1574

01:03:59,990 --> 01:03:58,740

kindling I don't have to do any of that

1575

01:04:03,710 --> 01:04:00,000

stuff man I don't have to get my light

1576

01:04:05,390 --> 01:04:03,720

or not so anyway it was a perfect night

1577

01:04:07,250 --> 01:04:05,400

my mom always taught me that if you play

1578

01:04:13,069 --> 01:04:07,260

with fire then you're gonna pee the bed

1579

01:04:17,150 --> 01:04:15,170

um all right so let's see do you want to

1580

01:04:19,670 --> 01:04:17,160

uh get into the round table now Nathan

1581

01:04:21,410 --> 01:04:19,680

he's good yeah let's do it okay Vic

1582

01:04:23,210 --> 01:04:21,420

would you like to throw your topic out

1583

01:04:24,950 --> 01:04:23,220

there first would you rather be last how

1584

01:04:26,450 --> 01:04:24,960

would you prefer to do this you are the

1585

01:04:31,910 --> 01:04:26,460

guest of honor sir

1586

01:04:34,490 --> 01:04:31,920

how about I go last okay okay all right

1587

01:04:37,309 --> 01:04:34,500

um I'll go I'll go first

1588

01:04:39,589 --> 01:04:37,319

um so my question for the group is and

1589

01:04:42,710 --> 01:04:39,599

uh I'll start off with Vic and then go

1590

01:04:44,930 --> 01:04:42,720

Nathan Deb and Matt

1591

01:04:46,789 --> 01:04:44,940

um so my question is

1592

01:04:49,549 --> 01:04:46,799

do you think

1593

01:04:52,210 --> 01:04:49,559

um Vic that there are communication

1594

01:04:54,890 --> 01:04:52,220

between these Bigfoot

1595

01:04:55,910 --> 01:04:54,900

tribes or families however we want to

1596

01:04:59,690 --> 01:04:55,920

call them

1597

01:05:02,329 --> 01:04:59,700

if so is there a consensus do you think

1598

01:05:03,650 --> 01:05:02,339

on how to interact with Humanity do you

1599

01:05:07,130 --> 01:05:03,660

think they're communicating with one

1600

01:05:10,190 --> 01:05:07,140

another and do you think that there's a

1601
01:05:11,930 --> 01:05:10,200
consensus on how they would interact

1602
01:05:14,990 --> 01:05:11,940
with humanity and I say that because

1603
01:05:17,390 --> 01:05:15,000
there appears it you know there is so

1604
01:05:19,549 --> 01:05:17,400
much synthesis and uh or commonality in

1605
01:05:22,130 --> 01:05:19,559
how they interact with us

1606
01:05:25,069 --> 01:05:22,140
well in most cases it would appear that

1607
01:05:27,109 --> 01:05:25,079
these two dogmen and Sasquatch mix like

1608
01:05:28,730 --> 01:05:27,119
water and oil but there are cases where

1609
01:05:31,849 --> 01:05:28,740
credible people have reported having

1610
01:05:34,849 --> 01:05:31,859
these two together on their property and

1611
01:05:37,370 --> 01:05:34,859
it's an ongoing thing it's not a once

1612
01:05:40,250 --> 01:05:37,380
the Blue Moon type situation no it's an

1613
01:05:42,170 --> 01:05:40,260

ongoing thing where yeah they see dogmen

1614

01:05:45,410 --> 01:05:42,180

next to Sasquatch and that's how it's

1615

01:05:47,809 --> 01:05:45,420

been for years so it happens but it

1616

01:05:50,750 --> 01:05:47,819

seems like it's an exception more so

1617

01:05:52,849 --> 01:05:50,760

than the norm but

1618

01:05:54,410 --> 01:05:52,859

yeah as far as them being able to

1619

01:05:56,089 --> 01:05:54,420

communicate with each other I don't know

1620

01:05:57,890 --> 01:05:56,099

how effective they are at doing that

1621

01:06:00,530 --> 01:05:57,900

other than just getting vague points

1622

01:06:02,569 --> 01:06:00,540

across I don't really know let me

1623

01:06:05,329 --> 01:06:02,579

clarify I'm in between big Bigfoot

1624

01:06:07,309 --> 01:06:05,339

tribes and families I'd exclusive I I

1625

01:06:08,870 --> 01:06:07,319

wasn't including dog man in that because

1626

01:06:10,730 --> 01:06:08,880

that is interesting there are different

1627

01:06:13,010 --> 01:06:10,740

species certainly they wouldn't be able

1628

01:06:14,690 --> 01:06:13,020

to communicate

1629

01:06:16,849 --> 01:06:14,700

well

1630

01:06:20,210 --> 01:06:16,859

a lot of credible eyewitnesses have

1631

01:06:21,950 --> 01:06:20,220

reported mind speak so so many

1632

01:06:23,870 --> 01:06:21,960

incredible people have reported that I

1633

01:06:27,770 --> 01:06:23,880

think it's kind of hard to to say that

1634

01:06:29,329 --> 01:06:27,780

it couldn't be a reality but yeah when

1635

01:06:31,370 --> 01:06:29,339

there's been communication between

1636

01:06:33,470 --> 01:06:31,380

Sasquatch and people

1637

01:06:37,010 --> 01:06:33,480

I don't know of any other situations

1638

01:06:39,289 --> 01:06:37,020

where it hasn't taken place via mind

1639

01:06:41,990 --> 01:06:39,299

speak I don't know of any situations

1640

01:06:43,849 --> 01:06:42,000

where Sasquatch have used sign language

1641

01:06:46,370 --> 01:06:43,859

or anything like that it's always been

1642

01:06:49,190 --> 01:06:46,380

via mind speak so yeah apparently it

1643

01:06:52,069 --> 01:06:49,200

does happen but in most cases obviously

1644

01:06:53,349 --> 01:06:52,079

there is no mind speak once it'll do the

1645

01:06:55,970 --> 01:06:53,359

Moon

1646

01:06:58,430 --> 01:06:55,980

let me rephrase the question

1647

01:07:00,950 --> 01:06:58,440

do you think that Bigfoot groups are

1648

01:07:05,210 --> 01:07:00,960

speaking with one another

1649

01:07:06,970 --> 01:07:05,220

oh yeah I do I do and also let me

1650

01:07:10,210 --> 01:07:06,980

qualify that there are a lot of people

1651
01:07:14,510 --> 01:07:10,220
who seem to know a lot about these guys

1652
01:07:17,589 --> 01:07:14,520
who claim that Sasquatch do speak

1653
01:07:21,230 --> 01:07:17,599
various languages like Native American

1654
01:07:24,109 --> 01:07:21,240
languages Cherokee had a gentleman on an

1655
01:07:27,950 --> 01:07:24,119
episode of my Bigfoot sighting last week

1656
01:07:30,410 --> 01:07:27,960
Rick who talked about how he thinks the

1657
01:07:34,549 --> 01:07:30,420
Sasquatch can speak Cherokee in certain

1658
01:07:37,190 --> 01:07:34,559
areas where Cherokee used to live but in

1659
01:07:38,750 --> 01:07:37,200
big numbers but yeah I think there's

1660
01:07:42,109 --> 01:07:38,760
something to that

1661
01:07:44,750 --> 01:07:42,119
so maybe outside of Mind speak if you're

1662
01:07:46,549 --> 01:07:44,760
talking about a situation like that then

1663
01:07:49,910 --> 01:07:46,559

maybe that is the case where they can

1664

01:07:52,010 --> 01:07:49,920

communicate with people like that and I

1665

01:07:54,289 --> 01:07:52,020

you interviewed Alex midnight Walker and

1666

01:07:57,230 --> 01:07:54,299

I think he said he was he heard elements

1667

01:07:59,930 --> 01:07:57,240

of Spanish didn't he I think he did I

1668

01:08:02,150 --> 01:07:59,940

think you're right yeah yeah see see

1669

01:08:04,670 --> 01:08:02,160

I've I've listened to all those I think

1670

01:08:08,029 --> 01:08:04,680

all your episodes brother

1671

01:08:09,650 --> 01:08:08,039

thanks for listening Nathan do you do

1672

01:08:11,930 --> 01:08:09,660

you think that these groups are

1673

01:08:14,750 --> 01:08:11,940

communicating with one another and do

1674

01:08:17,150 --> 01:08:14,760

you think that maybe they've come to a

1675

01:08:18,890 --> 01:08:17,160

consensus on you know hey this is how

1676
01:08:20,689 --> 01:08:18,900
you deal with humans and granted that

1677
01:08:22,010 --> 01:08:20,699
you know there are ones that are going

1678
01:08:24,169 --> 01:08:22,020
off the reservation because they're

1679
01:08:26,209 --> 01:08:24,179
having regular contact at the back of

1680
01:08:27,590 --> 01:08:26,219
people's properties but what's your

1681
01:08:29,809 --> 01:08:27,600
thought on that

1682
01:08:32,990 --> 01:08:29,819
yeah it's a good question I I it almost

1683
01:08:35,090 --> 01:08:33,000
seems as if they uh are content to

1684
01:08:38,090 --> 01:08:35,100
largely live in the world that they have

1685
01:08:40,189 --> 01:08:38,100
with uh as limited involvement and

1686
01:08:42,229 --> 01:08:40,199
engagement with human beings as possible

1687
01:08:43,970 --> 01:08:42,239
which is you know probably for their

1688
01:08:44,749 --> 01:08:43,980

their own benefit

1689

01:08:47,269 --> 01:08:44,759

um

1690

01:08:49,309 --> 01:08:47,279

all right you know because it is it is

1691

01:08:51,890 --> 01:08:49,319

it fascinates me that they seem to be

1692

01:08:53,990 --> 01:08:51,900

have some degree of intelligence right

1693

01:08:56,269 --> 01:08:54,000

they have some uh higher order

1694

01:08:58,970 --> 01:08:56,279

intelligence than say I don't know a

1695

01:09:01,130 --> 01:08:58,980

bear would uh and so with that they have

1696

01:09:03,349 --> 01:09:01,140

the capacity for culture and language

1697

01:09:05,050 --> 01:09:03,359

and things of that nature and it's

1698

01:09:08,030 --> 01:09:05,060

interesting that if they have those

1699

01:09:10,070 --> 01:09:08,040

components that they're not uh willingly

1700

01:09:13,070 --> 01:09:10,080

at least seemingly not willingly trying

1701

01:09:15,950 --> 01:09:13,080

to engage or partner with the other

1702

01:09:18,169 --> 01:09:15,960

intelligent species human beings that

1703

01:09:21,289 --> 01:09:18,179

kind of cross their paths there seems to

1704

01:09:23,749 --> 01:09:21,299

be a very much an arms length stance to

1705

01:09:24,709 --> 01:09:23,759

to to humans although we you know we

1706

01:09:26,150 --> 01:09:24,719

like to think of ourselves as

1707

01:09:29,090 --> 01:09:26,160

intelligent quite frankly maybe we

1708

01:09:31,729 --> 01:09:29,100

aren't relative to the way they've they

1709

01:09:33,349 --> 01:09:31,739

might view us they might view us as uh I

1710

01:09:35,570 --> 01:09:33,359

don't know just more of a pest than

1711

01:09:39,050 --> 01:09:35,580

anything else

1712

01:09:41,809 --> 01:09:39,060

noisy yeah just not really good at you

1713

01:09:44,870 --> 01:09:41,819

know being at one with nature Etc

1714

01:09:47,030 --> 01:09:44,880

yeah one thing that Vic says on his show

1715

01:09:49,430 --> 01:09:47,040

that I love is when they end up coming

1716

01:09:51,470 --> 01:09:49,440

up to people's trailer you know they'll

1717

01:09:53,510 --> 01:09:51,480

come and and put their face up to the

1718

01:09:55,010 --> 01:09:53,520

window or something like that is that

1719

01:09:56,990 --> 01:09:55,020

hey they're bored out in the woods all

1720

01:09:58,669 --> 01:09:57,000

day what are they you know I want some

1721

01:10:01,189 --> 01:09:58,679

entertainment I mean that totally makes

1722

01:10:04,490 --> 01:10:01,199

sense to me uh

1723

01:10:06,050 --> 01:10:04,500

uh Deb uh Debs so what do you think do

1724

01:10:08,390 --> 01:10:06,060

you think that these groups are

1725

01:10:11,930 --> 01:10:08,400

communicating do you think they've sort

1726

01:10:13,790 --> 01:10:11,940

of uh you know sort of like the Iroquois

1727

01:10:15,290 --> 01:10:13,800

had the Great Law of Peace and this sort

1728

01:10:16,850 --> 01:10:15,300

of thing do you think they've come to

1729

01:10:19,669 --> 01:10:16,860

some consensus on how to deal with

1730

01:10:21,050 --> 01:10:19,679

humans as well so my thought is I think

1731

01:10:23,450 --> 01:10:21,060

about what happened within the

1732

01:10:25,189 --> 01:10:23,460

Neanderthals right and now granted this

1733

01:10:27,649 --> 01:10:25,199

is just theoretical because we were

1734

01:10:30,050 --> 01:10:27,659

there but a lot of people think they

1735

01:10:32,870 --> 01:10:30,060

might have died out or had smaller

1736

01:10:36,370 --> 01:10:32,880

subgroups because they didn't socialize

1737

01:10:38,990 --> 01:10:36,380

in a vast large way and the reason we

1738

01:10:41,090 --> 01:10:39,000

prospered is because we did like we

1739

01:10:45,470 --> 01:10:41,100

started really socializing and coming

1740

01:10:47,570 --> 01:10:45,480

together so I think that they may in a

1741

01:10:49,130 --> 01:10:47,580

limited way communicate like when they

1742

01:10:51,530 --> 01:10:49,140

run into each other but I don't think

1743

01:10:53,390 --> 01:10:51,540

they're seeking each other out and I

1744

01:10:55,430 --> 01:10:53,400

don't think they're necessarily coming

1745

01:10:58,310 --> 01:10:55,440

up with great plans together otherwise

1746

01:10:59,930 --> 01:10:58,320

they would probably multiply and be a

1747

01:11:02,390 --> 01:10:59,940

stronger Force

1748

01:11:04,130 --> 01:11:02,400

so Bigfoot Viagra could be the answer

1749

01:11:07,130 --> 01:11:04,140

like Dogman and the flea and tick

1750

01:11:09,410 --> 01:11:07,140

preventative we get that along with the

1751
01:11:10,729 --> 01:11:09,420
organic apples and maybe they're you

1752
01:11:12,410 --> 01:11:10,739
know they start to multiply the

1753
01:11:15,350 --> 01:11:12,420
population growth you ever know where

1754
01:11:17,630 --> 01:11:15,360
they just chat even dolphins or you know

1755
01:11:21,470 --> 01:11:17,640
even tall fans are known for

1756
01:11:23,930 --> 01:11:21,480
um their social skills being

1757
01:11:26,630 --> 01:11:23,940
um selective like it helps them to

1758
01:11:28,430 --> 01:11:26,640
survive right so they that's how they

1759
01:11:30,470 --> 01:11:28,440
keep the pot alive so if they're not

1760
01:11:31,970 --> 01:11:30,480
really communicating that way at that

1761
01:11:33,290 --> 01:11:31,980
level then they're going to stay in

1762
01:11:36,110 --> 01:11:33,300
small groups

1763
01:11:39,770 --> 01:11:36,120

I want to say that hello blue Sasquatch

1764

01:11:41,570 --> 01:11:39,780

welcome uh I want to say uh that I'm out

1765

01:11:44,030 --> 01:11:41,580

in the ocean swimming two three days a

1766

01:11:45,709 --> 01:11:44,040

week not a dolphin has come up to say

1767

01:11:48,890 --> 01:11:45,719

hello to me I want you guys to know that

1768

01:11:51,110 --> 01:11:48,900

not one I mean where the hell is flipper

1769

01:11:52,010 --> 01:11:51,120

I'm friendly with animals Nathan what's

1770

01:11:54,890 --> 01:11:52,020

going on

1771

01:11:57,229 --> 01:11:54,900

it's troubling uh also I didn't think uh

1772

01:12:00,350 --> 01:11:57,239

I would hear Bigfoot Viagra on the show

1773

01:12:02,510 --> 01:12:00,360

that's not on my bingo card but I'm here

1774

01:12:04,790 --> 01:12:02,520

for it so I was just like trying to

1775

01:12:06,530 --> 01:12:04,800

think wait if they're having if they

1776

01:12:08,510 --> 01:12:06,540

have a declining birth rate is Dr

1777

01:12:11,630 --> 01:12:08,520

Michael Masters alludes to that we're

1778

01:12:13,130 --> 01:12:11,640

having you know I you know I just want

1779

01:12:14,870 --> 01:12:13,140

to share this metric with you guys I

1780

01:12:18,350 --> 01:12:14,880

think I I may have shared this on the

1781

01:12:21,229 --> 01:12:18,360

show my high school at the end of 85 had

1782

01:12:22,790 --> 01:12:21,239

approximately 800 students uh the

1783

01:12:24,250 --> 01:12:22,800

current students there told us they're

1784

01:12:27,350 --> 01:12:24,260

500 now

1785

01:12:29,450 --> 01:12:27,360

I and the high school is significantly

1786

01:12:31,070 --> 01:12:29,460

more diverse than it was when I was

1787

01:12:33,590 --> 01:12:31,080

there but I was just surprised by that

1788

01:12:35,870 --> 01:12:33,600

so maybe Dr Masters is on something I

1789

01:12:39,050 --> 01:12:35,880

don't know that birth rate statistics I

1790

01:12:41,870 --> 01:12:39,060

need to go and search those out but uh

1791

01:12:44,330 --> 01:12:41,880

um we'll have to uh connect you up with

1792

01:12:47,990 --> 01:12:44,340

uh Dr Michael Masters who believe that

1793

01:12:51,290 --> 01:12:48,000

there is a possible future us Vic that

1794

01:12:54,169 --> 01:12:51,300

is responsible for certain of the E.T

1795

01:12:56,570 --> 01:12:54,179

Grays that it is a future us coming back

1796

01:12:58,130 --> 01:12:56,580

to visit and he cites declining birth

1797

01:13:01,910 --> 01:12:58,140

rates and the fact that they harvest

1798

01:13:03,470 --> 01:13:01,920

biology from uh abductees and so forth

1799

01:13:06,530 --> 01:13:03,480

so

1800

01:13:08,090 --> 01:13:06,540

um it's a fascinating hypothesis uh Matt

1801

01:13:09,950 --> 01:13:08,100

uh what do you think are they

1802

01:13:12,169 --> 01:13:09,960

communicating

1803

01:13:16,010 --> 01:13:12,179

no DJ

1804

01:13:20,450 --> 01:13:16,020

what okay so this is like a multi

1805

01:13:23,510 --> 01:13:20,460

faceted answer uh okay are they let's

1806

01:13:26,270 --> 01:13:23,520

theorize for a second that uh at least

1807

01:13:28,490 --> 01:13:26,280

some of the limb formations attributed

1808

01:13:29,450 --> 01:13:28,500

to Sasquatch are indeed being made by

1809

01:13:33,410 --> 01:13:29,460

Sasquatch

1810

01:13:36,110 --> 01:13:33,420

I'm just going to use an X formation as

1811

01:13:37,550 --> 01:13:36,120

an example sure you find those

1812

01:13:40,430 --> 01:13:37,560

everywhere

1813

01:13:41,689 --> 01:13:40,440

okay you find them in Oklahoma you find

1814

01:13:42,470 --> 01:13:41,699

them in Texas you find them in

1815

01:13:47,270 --> 01:13:42,480

California

1816

01:13:49,310 --> 01:13:47,280

there's no Geographic specific uh

1817

01:13:52,130 --> 01:13:49,320

Factor whenever it comes to these limb

1818

01:13:54,350 --> 01:13:52,140

formations so

1819

01:13:56,450 --> 01:13:54,360

that would indicate that they have at

1820

01:13:58,030 --> 01:13:56,460

least warm one form of universal

1821

01:14:02,270 --> 01:13:58,040

language at that point

1822

01:14:05,510 --> 01:14:02,280

even if it's just symbology okay that

1823

01:14:08,870 --> 01:14:05,520

had to come from somewhere then if they

1824

01:14:10,970 --> 01:14:08,880

can if they have their own language

1825

01:14:12,950 --> 01:14:10,980

language has to be taught they had to

1826

01:14:15,649 --> 01:14:12,960

have learned it from somewhere it had to

1827

01:14:19,189 --> 01:14:15,659

have been passed through the entire

1828

01:14:22,430 --> 01:14:19,199

Society of them if they have

1829

01:14:24,830 --> 01:14:22,440

figured out uh you know Vic was talking

1830

01:14:26,390 --> 01:14:24,840

about them speaking Cherokee and Spanish

1831

01:14:28,669 --> 01:14:26,400

and all these different languages it's

1832

01:14:30,770 --> 01:14:28,679

something that I have heard myself uh

1833

01:14:31,669 --> 01:14:30,780

from different you know people in the

1834

01:14:34,370 --> 01:14:31,679

community

1835

01:14:36,950 --> 01:14:34,380

if that is the case the question I have

1836

01:14:39,169 --> 01:14:36,960

always had is well who taught them

1837

01:14:41,750 --> 01:14:39,179

Cherokee who sat down with them and

1838

01:14:43,490 --> 01:14:41,760

taught them the entire language and then

1839

01:14:45,709 --> 01:14:43,500

they took that language and went back

1840

01:14:46,970 --> 01:14:45,719

and spread it and memorized it and

1841

01:14:49,010 --> 01:14:46,980

everything else

1842

01:14:52,610 --> 01:14:49,020

if it is true that they have that

1843

01:14:54,050 --> 01:14:52,620

ability then that would uh persuade me

1844

01:14:55,669 --> 01:14:54,060

more in the direction that they have

1845

01:14:56,750 --> 01:14:55,679

psychic abilities and that it was

1846

01:14:59,209 --> 01:14:56,760

learned

1847

01:15:01,070 --> 01:14:59,219

uh psychically which would also

1848

01:15:03,229 --> 01:15:01,080

reinforce mind-speak abilities and if

1849

01:15:05,390 --> 01:15:03,239

they can speak telepathically then they

1850

01:15:07,010 --> 01:15:05,400

don't have to go anywhere to speak to

1851

01:15:08,209 --> 01:15:07,020

one another they can

1852

01:15:12,770 --> 01:15:08,219

uh

1853

01:15:14,390 --> 01:15:12,780

mine speak with one in Washington we

1854

01:15:15,729 --> 01:15:14,400

don't know

1855

01:15:17,750 --> 01:15:15,739

um

1856

01:15:19,490 --> 01:15:17,760

I was gonna say the oral history

1857

01:15:22,430 --> 01:15:19,500

suggests though that they had these

1858

01:15:24,110 --> 01:15:22,440

meetings with the the various uh Native

1859

01:15:27,350 --> 01:15:24,120

American tribes

1860

01:15:30,709 --> 01:15:27,360

in some aspects not all tribes that

1861

01:15:31,430 --> 01:15:30,719

that's only certain tribe specific

1862

01:15:34,189 --> 01:15:31,440

um

1863

01:15:36,169 --> 01:15:34,199

but another thing to keep in mind is

1864

01:15:37,729 --> 01:15:36,179

Bears don't tell each other to stay away

1865

01:15:39,890 --> 01:15:37,739

from humans

1866

01:15:41,750 --> 01:15:39,900

uh wolves don't tell each other to stay

1867

01:15:44,090 --> 01:15:41,760

away from humans it's just natural

1868

01:15:45,950 --> 01:15:44,100

instinct so I think you'd have

1869

01:15:49,189 --> 01:15:45,960

situations for sure where

1870

01:15:51,350 --> 01:15:49,199

a mother and father parental unit the

1871

01:15:53,689 --> 01:15:51,360

the Elders of the group would teach the

1872

01:15:55,669 --> 01:15:53,699

young to stay away from us and that

1873

01:15:57,169 --> 01:15:55,679

would just be a continuing thing that

1874

01:15:59,390 --> 01:15:57,179

would be passed on and on and on

1875

01:16:01,850 --> 01:15:59,400

regardless of where they were and that

1876

01:16:05,209 --> 01:16:01,860

doesn't necessarily require any inner

1877

01:16:07,370 --> 01:16:05,219

species communication with one another

1878

01:16:11,030 --> 01:16:07,380

that that's a great Point that's your

1879

01:16:12,470 --> 01:16:11,040

knowledge of of uh of animals is came

1880

01:16:14,990 --> 01:16:12,480

came into play there that's a great

1881

01:16:17,990 --> 01:16:15,000

great way to look at it thanks a lot

1882

01:16:19,910 --> 01:16:18,000

uh Vic uh actually you answered this

1883

01:16:22,430 --> 01:16:19,920

first so the next will be Nathan with

1884

01:16:25,790 --> 01:16:22,440

his topic

1885

01:16:29,689 --> 01:16:25,800

yeah so just a a quick answer I'd love

1886

01:16:32,689 --> 01:16:29,699

to get everybody's take uh what

1887

01:16:35,570 --> 01:16:32,699

is your hope for a world that recognizes

1888

01:16:38,689 --> 01:16:35,580

the existence of of this

1889

01:16:40,610 --> 01:16:38,699

uh reality in addition to some of the

1890

01:16:42,649 --> 01:16:40,620

other things that of course our show is

1891

01:16:44,330 --> 01:16:42,659

interested in what

1892

01:16:47,330 --> 01:16:44,340

do you think that that's a better world

1893

01:16:50,990 --> 01:16:47,340

in general or that it's better that

1894

01:16:53,209 --> 01:16:51,000

these Cryptids uh continue on with you

1895

01:16:54,530 --> 01:16:53,219

know the ignorance of the larger human

1896

01:16:56,090 --> 01:16:54,540

population

1897

01:16:57,709 --> 01:16:56,100

so I'm gonna go to Deb with that first

1898

01:16:59,810 --> 01:16:57,719

yeah

1899

01:17:02,330 --> 01:16:59,820

I'm I'm trying to remember the name of

1900

01:17:05,209 --> 01:17:02,340

the show where they actually showed um

1901

01:17:07,550 --> 01:17:05,219

not necessarily just Cryptids but they

1902

01:17:09,610 --> 01:17:07,560

showed an alien species that landed and

1903

01:17:12,770 --> 01:17:09,620

just kind of lived side by side with us

1904

01:17:15,950 --> 01:17:12,780

and you know of course it took some time

1905

01:17:17,990 --> 01:17:15,960

for everyone to adapt but eventually

1906

01:17:19,790 --> 01:17:18,000

people did and then there were benefits

1907

01:17:22,130 --> 01:17:19,800

to that interaction

1908

01:17:25,430 --> 01:17:22,140

um I can't help but think that if we

1909

01:17:28,250 --> 01:17:25,440

were able to have that engagement we

1910

01:17:31,430 --> 01:17:28,260

would learn the benefits also you know

1911

01:17:33,830 --> 01:17:31,440

and if we could overcome fears

1912

01:17:35,930 --> 01:17:33,840

um and develop increased acceptance Not

1913

01:17:38,510 --> 01:17:35,940

only would we you know probably develop

1914

01:17:40,430 --> 01:17:38,520

acceptance for other humans we would

1915

01:17:43,729 --> 01:17:40,440

just have a better acceptance of what

1916

01:17:45,770 --> 01:17:43,739

our planet and reality actually are so

1917

01:17:48,770 --> 01:17:45,780

that's kind of part of my hope but you

1918

01:17:52,010 --> 01:17:48,780

know just that contact is the underlying

1919

01:17:54,770 --> 01:17:52,020

hope you know just get it over with so

1920

01:17:57,169 --> 01:17:54,780

that people can move on and address and

1921

01:18:01,130 --> 01:17:57,179

and also you want Deb's day to daycare

1922

01:18:03,950 --> 01:18:01,140

right that's yeah yes and of course I

1923

01:18:06,229 --> 01:18:03,960

will establish a daycare I will have to

1924

01:18:07,370 --> 01:18:06,239

you know have someone provide a ranch I

1925

01:18:11,290 --> 01:18:07,380

think there's a ranch called like

1926

01:18:14,090 --> 01:18:11,300

Skinwalker that might work it's not safe

1927

01:18:16,850 --> 01:18:14,100

I know you know Brandon field was cool

1928

01:18:18,470 --> 01:18:16,860

he might help he might yeah or Vic may

1929

01:18:20,030 --> 01:18:18,480

know a ranch that we can go to that's

1930

01:18:22,209 --> 01:18:20,040

considerably safer I don't know we'll

1931

01:18:24,470 --> 01:18:22,219

have to

1932

01:18:26,450 --> 01:18:24,480

uh all right we'll put it to Vic then so

1933

01:18:28,610 --> 01:18:26,460

Vic what uh what's your take then the

1934

01:18:31,310 --> 01:18:28,620

world uh a better place with the

1935

01:18:33,350 --> 01:18:31,320

acknowledgment of this reality or better

1936

01:18:35,209 --> 01:18:33,360

to leave it as is

1937

01:18:38,630 --> 01:18:35,219

well

1938

01:18:40,850 --> 01:18:38,640

it's a double-edged sword if these guys

1939

01:18:43,310 --> 01:18:40,860

were officially acknowledged by the

1940

01:18:44,510 --> 01:18:43,320

government to be in existence a lot of

1941

01:18:46,970 --> 01:18:44,520

people don't agree with this but I've

1942

01:18:49,189 --> 01:18:46,980

got no doubts that our economy our way

1943

01:18:51,649 --> 01:18:49,199

of life would just falter think about

1944

01:18:55,430 --> 01:18:51,659

how many things that we rely upon on a

1945

01:18:59,090 --> 01:18:55,440

day-to-day basis that are harvested from

1946

01:19:01,430 --> 01:18:59,100

the forest and if all of a sudden it was

1947

01:19:04,130 --> 01:19:01,440

lit out of the bag guess what you just

1948

01:19:07,189 --> 01:19:04,140

might run into a something that looks

1949

01:19:09,169 --> 01:19:07,199

like a giant werewolf if you go into the

1950

01:19:11,450 --> 01:19:09,179

woods ever again because they're

1951

01:19:13,310 --> 01:19:11,460

definitely out there if that was led out

1952

01:19:16,370 --> 01:19:13,320

of the bag who's going to want to run a

1953

01:19:18,050 --> 01:19:16,380

noisy chainsaw 10 12 hours out of the

1954

01:19:20,450 --> 01:19:18,060

day where you can't see anything behind

1955

01:19:23,990 --> 01:19:20,460

you you can't hear anything behind you

1956

01:19:25,729 --> 01:19:24,000

that's gonna cause a huge Exodus of not

1957

01:19:28,729 --> 01:19:25,739

just workers but who's going to want to

1958

01:19:30,410 --> 01:19:28,739

live near a forest so yeah not only are

1959

01:19:32,750 --> 01:19:30,420

we going to have all these issues

1960

01:19:35,570 --> 01:19:32,760

getting all these things we rely on

1961

01:19:37,189 --> 01:19:35,580

daily

1962

01:19:39,350 --> 01:19:37,199

we're going to have all these other

1963

01:19:42,890 --> 01:19:39,360

issues as well so yeah that would cause

1964

01:19:45,410 --> 01:19:42,900

our economy to falter almost overnight

1965

01:19:47,209 --> 01:19:45,420

so yeah that's why I've got no doubts

1966

01:19:49,910 --> 01:19:47,219

the government will do anything it can

1967

01:19:52,310 --> 01:19:49,920

to prevent their existence from being

1968

01:19:55,510 --> 01:19:52,320

LED out of the bag and on top of that

1969

01:19:58,010 --> 01:19:55,520

yeah you've got spotted owl type issues

1970

01:20:00,229 --> 01:19:58,020

environmental issues on top of that but

1971

01:20:02,090 --> 01:20:00,239

the most important thing that that we

1972

01:20:04,189 --> 01:20:02,100

should be concerned with as far as

1973

01:20:08,090 --> 01:20:04,199

Fallout from that would be how it would

1974

01:20:10,669 --> 01:20:08,100

affect our day-to-day life not having

1975

01:20:13,790 --> 01:20:10,679

a reliable source of lumber for example

1976

01:20:16,070 --> 01:20:13,800

to build homes buildings medicines a lot

1977

01:20:18,709 --> 01:20:16,080

of medicines are harvested in the forest

1978

01:20:20,870 --> 01:20:18,719

so yeah that's why I think the

1979

01:20:22,490 --> 01:20:20,880

government would be crazy to ever allow

1980

01:20:25,550 --> 01:20:22,500

this out of the bag but on the other

1981

01:20:28,729 --> 01:20:25,560

hand yeah if it was acknowledged that

1982

01:20:30,410 --> 01:20:28,739

these guys are extant then yeah all

1983

01:20:33,050 --> 01:20:30,420

these eyewitnesses who have all these

1984

01:20:35,689 --> 01:20:33,060

encounters that are laughed at and

1985

01:20:37,250 --> 01:20:35,699

ridiculed by family and friends that

1986

01:20:39,229 --> 01:20:37,260

would just go out the window and stop

1987

01:20:41,270 --> 01:20:39,239

happening well of course I'm a fan of

1988

01:20:43,850 --> 01:20:41,280

that I hate the idea that they're

1989

01:20:45,950 --> 01:20:43,860

persecuted the way they are not just by

1990

01:20:48,050 --> 01:20:45,960

maybe people they work with but yeah

1991

01:20:50,510 --> 01:20:48,060

unfortunately their own family members

1992

01:20:52,790 --> 01:20:50,520

their significant others if I had a

1993

01:20:54,350 --> 01:20:52,800

nickel for every time someone contacted

1994

01:20:56,450 --> 01:20:54,360

me and told me about their significant

1995

01:20:58,310 --> 01:20:56,460

other making fun of them every time they

1996

01:21:00,229 --> 01:20:58,320

go to a family get-together they're the

1997

01:21:02,209 --> 01:21:00,239

the punch line of the get-together

1998

01:21:04,010 --> 01:21:02,219

because they actually let it not be

1999

01:21:07,070 --> 01:21:04,020

known that they had this Dogman

2000

01:21:09,709 --> 01:21:07,080

encounter or a Bigfoot encounter so yeah

2001

01:21:11,930 --> 01:21:09,719

I would love for it to be

2002

01:21:13,669 --> 01:21:11,940

LED out of the bag but I totally

2003

01:21:15,169 --> 01:21:13,679

understand why it's never going to be

2004

01:21:16,910 --> 01:21:15,179

let out of the bag at least to my

2005

01:21:17,950 --> 01:21:16,920

opinion I don't think that's ever going

2006

01:21:20,510 --> 01:21:17,960

to happen

2007

01:21:22,189 --> 01:21:20,520

Nathan also the chanterelle mushroom

2008

01:21:24,590 --> 01:21:22,199

industry you think about you making an

2009

01:21:27,110 --> 01:21:24,600

Asian stir fry at home what would happen

2010

01:21:28,970 --> 01:21:27,120

you know to your some sort of a Chinese

2011

01:21:30,590 --> 01:21:28,980

stir fry where you need Chantal

2012

01:21:31,970 --> 01:21:30,600

mushrooms so yeah very challenging under

2013

01:21:33,770 --> 01:21:31,980

that yeah

2014

01:21:35,510 --> 01:21:33,780

it's enough to make me not want it to

2015

01:21:36,950 --> 01:21:35,520

come out so

2016

01:21:38,330 --> 01:21:36,960

what do we have left to get to do we

2017

01:21:40,010 --> 01:21:38,340

have Matt or Dad we want to hear from

2018

01:21:42,229 --> 01:21:40,020

Matt and from you I think so I'm going

2019

01:21:44,090 --> 01:21:42,239

to put you up next what do you think DJ

2020

01:21:47,209 --> 01:21:44,100

so I think there's probably a different

2021

01:21:49,850 --> 01:21:47,219

answer for each each entity you know

2022

01:21:52,729 --> 01:21:49,860

with UFOs I mean we're very very close

2023

01:21:54,169 --> 01:21:52,739

to it being out of the bag and that you

2024

01:21:56,390 --> 01:21:54,179

know then maybe the non-human

2025

01:21:58,550 --> 01:21:56,400

intelligence or as Dr Masters say a

2026

01:22:00,110 --> 01:21:58,560

future humans that have that are coming

2027

01:22:04,790 --> 01:22:00,120

back and interacting with this and

2028

01:22:07,070 --> 01:22:04,800

seeing checking on our custodial uh uh

2029

01:22:09,709 --> 01:22:07,080

of our our custody of the planet you

2030

01:22:11,630 --> 01:22:09,719

know uh and and so you know even what

2031

01:22:14,810 --> 01:22:11,640

would Deb's answer kind of is something

2032

01:22:17,810 --> 01:22:14,820

I want for a future Roundtable uh to

2033

01:22:19,970 --> 01:22:17,820

delve into that area of it but um I

2034

01:22:22,550 --> 01:22:19,980

think for bigfoot I I don't think it

2035

01:22:24,290 --> 01:22:22,560

would be good uh because of what what we

2036

01:22:26,330 --> 01:22:24,300

discussed on prior shows I think they

2037

01:22:28,070 --> 01:22:26,340

would could become a hunting trophy

2038

01:22:29,990 --> 01:22:28,080

Target

2039

01:22:32,209 --> 01:22:30,000

um there could it could turn into a

2040

01:22:33,590 --> 01:22:32,219

political football where uh it's

2041

01:22:35,270 --> 01:22:33,600

something that the left and the right

2042

01:22:37,970 --> 01:22:35,280

might want to fight about because then

2043

01:22:39,530 --> 01:22:37,980

people might want to hunt them and if uh

2044

01:22:41,630 --> 01:22:39,540

there were hunting laws that were

2045

01:22:44,149 --> 01:22:41,640

enacted or they were protected people

2046

01:22:47,930 --> 01:22:44,159

might say hey this is a load of crap

2047

01:22:50,689 --> 01:22:47,940

it's a danger and and go out anyway so

2048

01:22:52,610 --> 01:22:50,699

you know with with groups uh more groups

2049

01:22:54,530 --> 01:22:52,620

that are heavily armed looking to take

2050

01:22:58,310 --> 01:22:54,540

out some of these creatures so I think

2051

01:23:00,770 --> 01:22:58,320

it it probably would not turn out well

2052

01:23:03,290 --> 01:23:00,780

for Bigfoot and then what Vic alluded to

2053

01:23:06,169 --> 01:23:03,300

I'll just say that I'll I agree you know

2054

01:23:08,810 --> 01:23:06,179

relative to Dogman uh I I agree entirely

2055

01:23:12,290 --> 01:23:08,820

with what he said on that I couldn't say

2056

01:23:14,149 --> 01:23:12,300

it better uh but in the UFO phenomenon I

2057

01:23:17,810 --> 01:23:14,159

think is is different I think we've

2058

01:23:20,149 --> 01:23:17,820

talked about that I think um that it it

2059

01:23:22,910 --> 01:23:20,159

could be really good for a group of us

2060

01:23:24,830 --> 01:23:22,920

to know that these exist and have all

2061

01:23:27,290 --> 01:23:24,840

the new stations saying that yes this is

2062

01:23:29,209 --> 01:23:27,300

a thing and I also think there's a much

2063

01:23:31,850 --> 01:23:29,219

larger group of us that would not handle

2064

01:23:34,790 --> 01:23:31,860

it as well as the folks that we have

2065

01:23:37,729 --> 01:23:34,800

chosen as our our family that we sort of

2066

01:23:39,590 --> 01:23:37,739

have come to know our our family of The

2067

01:23:41,510 --> 01:23:39,600

Unexplained or the phenomenon that we

2068

01:23:43,490 --> 01:23:41,520

interact with that is ready to hear this

2069

01:23:45,290 --> 01:23:43,500

and ready to know that truth and ready

2070

01:23:46,850 --> 01:23:45,300

to just deal with it

2071

01:23:49,430 --> 01:23:46,860

um I don't know that everybody is going

2072

01:23:52,850 --> 01:23:49,440

to necessarily handle it quite that well

2073

01:23:56,990 --> 01:23:55,250

yeah geez this is a question I think

2074

01:24:00,590 --> 01:23:57,000

about a lot uh

2075

01:24:04,070 --> 01:24:00,600

not just because I'm a podcaster in that

2076

01:24:06,890 --> 01:24:04,080

subject matter but just as a witness as

2077

01:24:09,770 --> 01:24:06,900

a person who's talked to multiple

2078

01:24:12,950 --> 01:24:09,780

Witnesses you know like what's already

2079

01:24:15,350 --> 01:24:12,960

been said it's that great moment that we

2080

01:24:17,630 --> 01:24:15,360

would finally have where I told you so

2081

01:24:21,470 --> 01:24:17,640

you know shut up I was you know I'm not

2082

01:24:24,590 --> 01:24:21,480

crazy uh that that justification

2083

01:24:25,310 --> 01:24:24,600

that would be great

2084

01:24:27,649 --> 01:24:25,320

um

2085

01:24:30,890 --> 01:24:27,659

I think a lot of it would depend on how

2086

01:24:32,870 --> 01:24:30,900

it was presented how it was acknowledged

2087

01:24:35,750 --> 01:24:32,880

to exist uh depending on what it was

2088

01:24:38,630 --> 01:24:35,760

because in my mind it's a lot safer

2089

01:24:40,910 --> 01:24:38,640

for the government to say yeah there's

2090

01:24:43,490 --> 01:24:40,920

something up in the skies but you know

2091

01:24:46,850 --> 01:24:43,500

we're trying to figure it out then to

2092

01:24:49,729 --> 01:24:46,860

say there's a monster that can kill you

2093

01:24:52,070 --> 01:24:49,739

that lives in your backyard

2094

01:24:54,709 --> 01:24:52,080

that we can't do anything about

2095

01:24:56,090 --> 01:24:54,719

uh whenever you go camping and you hear

2096

01:24:59,090 --> 01:24:56,100

something walking around your tent at

2097

01:25:01,550 --> 01:24:59,100

night it's probably one of these things

2098

01:25:04,250 --> 01:25:01,560

I I mean how do you even approach that

2099

01:25:05,870 --> 01:25:04,260

uh and the problems it would cause and

2100

01:25:08,689 --> 01:25:05,880

like Vic was saying you know the the

2101
01:25:12,050 --> 01:25:08,699
impact it would have on you know various

2102
01:25:13,850 --> 01:25:12,060
uh industries that it also gives humans

2103
01:25:16,850 --> 01:25:13,860
the excuse to charge more for those

2104
01:25:18,590 --> 01:25:16,860
items you know we've gotta we've gotta

2105
01:25:20,270 --> 01:25:18,600
up the price because now that that

2106
01:25:22,490 --> 01:25:20,280
chainsaw operator that Vic was talking

2107
01:25:24,050 --> 01:25:22,500
about was twice the salary he's putting

2108
01:25:26,270 --> 01:25:24,060
his life at risk because these things

2109
01:25:27,950 --> 01:25:26,280
are out there so now we have to double

2110
01:25:31,850 --> 01:25:27,960
the price of the goods that that company

2111
01:25:35,050 --> 01:25:31,860
ultimately produces uh so those impacts

2112
01:25:38,450 --> 01:25:35,060
would be very negative uh from a

2113
01:25:41,510 --> 01:25:38,460

philosophical standpoint however

2114

01:25:43,370 --> 01:25:41,520

I kind of think we need some Mysteries I

2115

01:25:45,950 --> 01:25:43,380

think we need that humbling as human

2116

01:25:47,990 --> 01:25:45,960

beings to let us know that you know

2117

01:25:49,550 --> 01:25:48,000

there's still some unanswered questions

2118

01:25:52,370 --> 01:25:49,560

out there and we don't know everything

2119

01:25:54,350 --> 01:25:52,380

and we don't have that understanding

2120

01:25:57,910 --> 01:25:54,360

that we think we do over the universe

2121

01:26:02,090 --> 01:25:57,920

and that there's much more out there

2122

01:26:05,149 --> 01:26:02,100

than just us we're not the all-knowing

2123

01:26:08,390 --> 01:26:05,159

all-powerful beings in creation

2124

01:26:10,370 --> 01:26:08,400

and we might possibly share our own home

2125

01:26:12,770 --> 01:26:10,380

and spaces with some things that are

2126

01:26:14,990 --> 01:26:12,780

much greater than we are

2127

01:26:16,250 --> 01:26:15,000

that eye on top of the pyramid on the

2128

01:26:19,010 --> 01:26:16,260

back of the dollar bill that was

2129

01:26:22,010 --> 01:26:19,020

brilliant Matt uh to cash out Matt

2130

01:26:28,550 --> 01:26:25,970

yeah so will said uh thank you um Dad

2131

01:26:31,430 --> 01:26:28,560

let's get your topic honestly I had

2132

01:26:34,189 --> 01:26:31,440

another one but I'm so intrigued by this

2133

01:26:36,229 --> 01:26:34,199

one that I have to go back to it so I

2134

01:26:39,050 --> 01:26:36,239

keep thinking about the psychology of

2135

01:26:41,570 --> 01:26:39,060

humans okay so there's there's new

2136

01:26:44,090 --> 01:26:41,580

species that are found every day that

2137

01:26:46,010 --> 01:26:44,100

people ignore there are scientific facts

2138

01:26:48,649 --> 01:26:46,020

that are astounding that happen all the

2139

01:26:50,810 --> 01:26:48,659

time that people ignore I feel like if

2140

01:26:52,790 --> 01:26:50,820

something was presented in a scientific

2141

01:26:55,370 --> 01:26:52,800

magazine about a Cryptid being real

2142

01:26:58,189 --> 01:26:55,380

people would suddenly be like okay and

2143

01:26:59,990 --> 01:26:58,199

they'd move on in two weeks I really do

2144

01:27:02,390 --> 01:27:00,000

um I don't think it's going to be the

2145

01:27:04,610 --> 01:27:02,400

game changing thing that other people

2146

01:27:07,010 --> 01:27:04,620

are talking about and I'll tell you why

2147

01:27:09,250 --> 01:27:07,020

I think people are arrogant there are

2148

01:27:12,110 --> 01:27:09,260

there's already Bears there's already

2149

01:27:13,790 --> 01:27:12,120

mountain lions there's already you know

2150

01:27:17,149 --> 01:27:13,800

other things that can kill you out in

2151
01:27:19,209 --> 01:27:17,159
the woods and people figure out a way so

2152
01:27:22,129 --> 01:27:19,219
I guess my question now is going to be

2153
01:27:24,350 --> 01:27:22,139
what do you think would be the best way

2154
01:27:26,629 --> 01:27:24,360
to subtly bring this to the people

2155
01:27:28,669 --> 01:27:26,639
people so that they just go about their

2156
01:27:30,110 --> 01:27:28,679
business in two weeks like they do now

2157
01:27:32,090 --> 01:27:30,120
when all those other things are

2158
01:27:35,330 --> 01:27:32,100
presented say that again Deb just

2159
01:27:38,090 --> 01:27:35,340
succinctly so yeah so what do you think

2160
01:27:40,010 --> 01:27:38,100
that people should do so that it can be

2161
01:27:41,930 --> 01:27:40,020
accepted the way those other things are

2162
01:27:45,110 --> 01:27:41,940
and then just ignore it two weeks later

2163
01:27:48,410 --> 01:27:45,120

like everything else okay so Vic uh what

2164

01:27:51,110 --> 01:27:48,420

what could make disclosure of and and

2165

01:27:53,149 --> 01:27:51,120

you know and so are you asking about one

2166

01:27:57,470 --> 01:27:53,159

or the other Deb do you mean Bigfoot dog

2167

01:27:59,990 --> 01:27:57,480

man uh all of them all the UFOs okay so

2168

01:28:02,390 --> 01:28:00,000

there you go Vic

2169

01:28:03,950 --> 01:28:02,400

well I'm not too sure that the

2170

01:28:05,649 --> 01:28:03,960

government isn't actually doing that

2171

01:28:08,510 --> 01:28:05,659

when it comes to UFOs

2172

01:28:10,070 --> 01:28:08,520

allowing certain classified documents to

2173

01:28:12,770 --> 01:28:10,080

be released and

2174

01:28:15,770 --> 01:28:12,780

and certain forms that used to be

2175

01:28:18,229 --> 01:28:15,780

redacted until the point maybe there was

2176

01:28:21,950 --> 01:28:18,239

one letter that was still

2177

01:28:23,510 --> 01:28:21,960

available to read but now

2178

01:28:25,250 --> 01:28:23,520

you've got all this information that's

2179

01:28:26,930 --> 01:28:25,260

being released

2180

01:28:29,870 --> 01:28:26,940

I'm not so sure that the government

2181

01:28:32,750 --> 01:28:29,880

isn't grooming us right now for that not

2182

01:28:35,689 --> 01:28:32,760

with regards to the Cryptids but with

2183

01:28:37,729 --> 01:28:35,699

regards to aliens UFOs and all that

2184

01:28:39,590 --> 01:28:37,739

as far as the best way for them to do

2185

01:28:41,870 --> 01:28:39,600

that when it comes to the Cryptids would

2186

01:28:44,510 --> 01:28:41,880

go I think if they follow the same

2187

01:28:46,270 --> 01:28:44,520

practice by just leaking out bit by bit

2188

01:28:49,270 --> 01:28:46,280

information

2189

01:28:52,850 --> 01:28:49,280

acknowledging that okay this did happen

2190

01:28:56,570 --> 01:28:52,860

Ranger was called to this particular

2191

01:28:59,090 --> 01:28:56,580

campsite where a camper reported seeing

2192

01:29:01,430 --> 01:28:59,100

of course use Sasquatch to break the ice

2193

01:29:04,129 --> 01:29:01,440

reported seeing a Nate foot tall

2194

01:29:07,370 --> 01:29:04,139

Sasquatch yet never dog him that would

2195

01:29:11,990 --> 01:29:07,380

just be a horrible way to do it but yeah

2196

01:29:13,790 --> 01:29:12,000

Ranger did respond to a call where

2197

01:29:15,649 --> 01:29:13,800

campers reported seeing an eight foot

2198

01:29:19,010 --> 01:29:15,659

tall Sasquatch in their camp and

2199

01:29:21,970 --> 01:29:19,020

basically support the fact that okay

2200

01:29:23,570 --> 01:29:21,980

yeah what this Ranger

2201
01:29:26,930 --> 01:29:23,580
reported

2202
01:29:29,629 --> 01:29:26,940
we support basically to let that out of

2203
01:29:33,410 --> 01:29:29,639
the bag finally that okay this did

2204
01:29:36,110 --> 01:29:33,420
happen the ranger investigated and here

2205
01:29:38,990 --> 01:29:36,120
she did find evidence supporting the

2206
01:29:41,689 --> 01:29:39,000
fact that there was an eight foot tall

2207
01:29:43,790 --> 01:29:41,699
hair covered creature the ranger saw

2208
01:29:45,410 --> 01:29:43,800
this creature and maybe even have some

2209
01:29:48,729 --> 01:29:45,420
film footage of it or something like

2210
01:29:52,310 --> 01:29:48,739
that maybe not the best film footage but

2211
01:29:55,430 --> 01:29:52,320
that that they don't shoot down as being

2212
01:29:58,669 --> 01:29:55,440
ridiculous and just kind of break the

2213
01:30:00,229 --> 01:29:58,679

ice like that start small and and just

2214

01:30:02,990 --> 01:30:00,239

kind of like they're doing with UFO

2215

01:30:05,870 --> 01:30:03,000

phenomena just release information bit

2216

01:30:07,610 --> 01:30:05,880

by bit and build up to a total

2217

01:30:09,830 --> 01:30:07,620

acceptance of the fact that yes they're

2218

01:30:12,229 --> 01:30:09,840

out there that my opinion would be the

2219

01:30:13,729 --> 01:30:12,239

best way for them to do that now there

2220

01:30:15,649 --> 01:30:13,739

still are going to be people even by

2221

01:30:17,570 --> 01:30:15,659

doing it that way who are gonna never

2222

01:30:19,490 --> 01:30:17,580

believe in their existence but in my

2223

01:30:21,470 --> 01:30:19,500

opinion I think that's the best way to

2224

01:30:24,470 --> 01:30:21,480

do it

2225

01:30:28,070 --> 01:30:24,480

I agree am I next Nathan yeah go away

2226

01:30:30,110 --> 01:30:28,080

yeah um so yeah I I agree with Vic that

2227

01:30:32,090 --> 01:30:30,120

that that's a you know a plausible way

2228

01:30:35,209 --> 01:30:32,100

to do it I think the concern is that if

2229

01:30:37,270 --> 01:30:35,219

it if it gets to the cable news stations

2230

01:30:40,970 --> 01:30:37,280

and then it becomes a political football

2231

01:30:42,649 --> 01:30:40,980

where one Associated political party in

2232

01:30:45,350 --> 01:30:42,659

their cable news station take this

2233

01:30:47,990 --> 01:30:45,360

position and then the other uh party

2234

01:30:50,629 --> 01:30:48,000

takes the other position that could make

2235

01:30:52,370 --> 01:30:50,639

it problematic but be you know I think

2236

01:30:54,010 --> 01:30:52,380

that's the sensible way to do it like

2237

01:30:57,410 --> 01:30:54,020

what what you're saying is to

2238

01:30:58,910 --> 01:30:57,420

desensitize to slow leaks low drip that

2239

01:31:01,070 --> 01:30:58,920

information out there that would be the

2240

01:31:04,850 --> 01:31:01,080

way to do it uh with with these other

2241

01:31:06,770 --> 01:31:04,860

phenomena and the Cryptids uh but um I I

2242

01:31:09,830 --> 01:31:06,780

I just have that little concern I'll

2243

01:31:12,950 --> 01:31:09,840

just uh that uh that cable news could

2244

01:31:14,810 --> 01:31:12,960

could turn it for their own purpose

2245

01:31:17,570 --> 01:31:14,820

yeah I'll go for money

2246

01:31:19,070 --> 01:31:17,580

yeah I mean it's almost like we are

2247

01:31:20,330 --> 01:31:19,080

um

2248

01:31:23,750 --> 01:31:20,340

it's like we're toddlers we're

2249

01:31:26,510 --> 01:31:23,760

outgrowing our our play zone right so

2250

01:31:31,010 --> 01:31:26,520

we're getting to a point where our reach

2251

01:31:34,010 --> 01:31:31,020

uh is is coming up against the reality

2252

01:31:36,370 --> 01:31:34,020

more often than it's not and I think

2253

01:31:40,970 --> 01:31:36,380

that's probably what is

2254

01:31:42,770 --> 01:31:40,980

prompting these Revelations and we've

2255

01:31:45,770 --> 01:31:42,780

heard that before right DJ at least in

2256

01:31:48,649 --> 01:31:45,780

the UFO circles that our sensor

2257

01:31:51,110 --> 01:31:48,659

technology and and the fact that we're

2258

01:31:53,689 --> 01:31:51,120

you know just sort of bathing the entire

2259

01:31:56,510 --> 01:31:53,699

planet and a electromagnetic information

2260

01:32:00,050 --> 01:31:56,520

all the time like we're gonna it we

2261

01:32:02,090 --> 01:32:00,060

can't contain the reality of the UFO all

2262

01:32:04,010 --> 01:32:02,100

that much longer

2263

01:32:06,410 --> 01:32:04,020

um and I think that the same thing with

2264

01:32:09,290 --> 01:32:06,420

with the Cryptids it's just sort of this

2265

01:32:11,390 --> 01:32:09,300

slow realization that we're not

2266

01:32:14,450 --> 01:32:11,400

the top of the food chain one of the top

2267

01:32:17,870 --> 01:32:14,460

of the pyramid we are uh

2268

01:32:21,410 --> 01:32:17,880

you know really like children again in

2269

01:32:23,270 --> 01:32:21,420

this Cosmic Family and uh we have to

2270

01:32:25,370 --> 01:32:23,280

kind of come to this realization that

2271

01:32:29,149 --> 01:32:25,380

that that is the truth and that we have

2272

01:32:32,330 --> 01:32:29,159

to mature in order to I think engage and

2273

01:32:34,729 --> 01:32:32,340

interact with with all of the different

2274

01:32:36,350 --> 01:32:34,739

things that that are out there

2275

01:32:38,149 --> 01:32:36,360

um you know are we at that place where

2276

01:32:39,649 --> 01:32:38,159

we actually have the ability to to

2277

01:32:42,050 --> 01:32:39,659

mature in the way that I think would be

2278

01:32:43,910 --> 01:32:42,060

it would be healthy probably not I

2279

01:32:46,669 --> 01:32:43,920

concur with a lot of the things that

2280

01:32:48,850 --> 01:32:46,679

have been said on the episode that there

2281

01:32:52,189 --> 01:32:48,860

would be some pretty

2282

01:32:55,430 --> 01:32:52,199

dramatic shifts in in social behavior

2283

01:32:58,070 --> 01:32:55,440

and as we react to this news

2284

01:33:01,669 --> 01:32:58,080

um it wouldn't be very smooth

2285

01:33:04,250 --> 01:33:01,679

um particularly if we don't have a uh

2286

01:33:06,290 --> 01:33:04,260

like a clear transparent cordial

2287

01:33:08,330 --> 01:33:06,300

relationship with some of these entities

2288

01:33:10,370 --> 01:33:08,340

it might be a little bit different if we

2289

01:33:13,490 --> 01:33:10,380

could kind of parade them on a on a

2290

01:33:15,169 --> 01:33:13,500

reality TV show you know which would be

2291

01:33:17,090 --> 01:33:15,179

just hilarious to think about

2292

01:33:18,649 --> 01:33:17,100

um just the concept but you know to kind

2293

01:33:20,930 --> 01:33:18,659

of get to know them but I don't see that

2294

01:33:23,510 --> 01:33:20,940

happening so I think it's um it's going

2295

01:33:25,430 --> 01:33:23,520

to be a challenge people have to Grapple

2296

01:33:26,870 --> 01:33:25,440

with this because it really is like a

2297

01:33:28,850 --> 01:33:26,880

house of cards almost like a domino

2298

01:33:32,149 --> 01:33:28,860

effect you know once once a certain

2299

01:33:34,310 --> 01:33:32,159

thing is is admitted as true then it

2300

01:33:36,709 --> 01:33:34,320

opens up the door for so many other

2301

01:33:39,290 --> 01:33:36,719

phenomena that people have ridiculed for

2302

01:33:42,110 --> 01:33:39,300

so long and then all of a sudden

2303

01:33:43,790 --> 01:33:42,120

you know everything is on the table and

2304

01:33:44,750 --> 01:33:43,800

I don't know that the world's ready for

2305

01:33:46,790 --> 01:33:44,760

that

2306

01:33:50,870 --> 01:33:46,800

um I hope I'm wrong

2307

01:33:52,669 --> 01:33:50,880

yeah I mean it's it's 2017. so let's

2308

01:33:55,490 --> 01:33:52,679

see it's three years so it's six years

2309

01:33:58,189 --> 01:33:55,500

ago that that you know that newspaper

2310

01:34:01,270 --> 01:33:58,199

article New York Times happened and

2311

01:34:04,070 --> 01:34:01,280

we're a significant way down the road

2312

01:34:07,610 --> 01:34:04,080

from where we were where it was socially

2313

01:34:10,490 --> 01:34:07,620

unacceptable in in polite company to to

2314

01:34:12,229 --> 01:34:10,500

talk about this this topic Matt did you

2315

01:34:13,370 --> 01:34:12,239

did you get a shot at this one forgive

2316

01:34:15,770 --> 01:34:13,380

me

2317

01:34:16,850 --> 01:34:15,780

if we're out of order as Al Pacino once

2318

01:34:21,470 --> 01:34:16,860

said

2319

01:34:24,350 --> 01:34:23,510

I should take a flamethrower to this

2320

01:34:27,729 --> 01:34:24,360

place

2321

01:34:37,070 --> 01:34:33,649

I mean so so Deb made references to

2322

01:34:39,290 --> 01:34:37,080

things like Bears already existing uh

2323

01:34:40,850 --> 01:34:39,300

dangerous things in the woods yeah

2324

01:34:42,350 --> 01:34:40,860

correct

2325

01:34:45,790 --> 01:34:42,360

um

2326

01:34:49,729 --> 01:34:45,800

the problem is if you listen to

2327

01:34:51,770 --> 01:34:49,739

Witnesses and take their word for it uh

2328

01:34:55,129 --> 01:34:51,780

this isn't another animal

2329

01:34:57,050 --> 01:34:55,139

this isn't hey look we there there is

2330

01:35:00,169 --> 01:34:57,060

another primate or there is another

2331

01:35:03,350 --> 01:35:00,179

canine uh so

2332

01:35:04,970 --> 01:35:03,360

if let's just say for instance Bigfoot

2333

01:35:07,010 --> 01:35:04,980

can mind speak

2334

01:35:08,890 --> 01:35:07,020

they would have to figure out a way to

2335

01:35:12,050 --> 01:35:08,900

introduce

2336

01:35:13,910 --> 01:35:12,060

telepathy as being a real thing before

2337

01:35:15,890 --> 01:35:13,920

they could introduce the Bigfoot they

2338

01:35:17,870 --> 01:35:15,900

would have to take baby steps leading up

2339

01:35:19,970 --> 01:35:17,880

to these abilities that these things

2340

01:35:22,010 --> 01:35:19,980

have before they can just introduce

2341

01:35:24,649 --> 01:35:22,020

here's something that does it

2342

01:35:26,090 --> 01:35:24,659

uh they would definitely have to control

2343

01:35:28,610 --> 01:35:26,100

the narrative

2344

01:35:32,030 --> 01:35:28,620

uh I think that would be the the main

2345

01:35:34,910 --> 01:35:32,040

thing and the only way I can foresee

2346

01:35:37,790 --> 01:35:34,920

them being able to introduce it where

2347

01:35:41,689 --> 01:35:37,800

people would just take it as that and

2348

01:35:45,050 --> 01:35:41,699

just shrug it off would be uh to make it

2349

01:35:49,070 --> 01:35:45,060

an animal to control the narrative to

2350

01:35:52,490 --> 01:35:49,080

the aspect of uh what a lot of the

2351

01:35:53,870 --> 01:35:52,500

mainstream Bigfoot researchers uh

2352

01:35:56,390 --> 01:35:53,880

believe that this is just some

2353

01:35:58,910 --> 01:35:56,400

undiscovered primate for instance and

2354

01:36:00,709 --> 01:35:58,920

just spin it like that

2355

01:36:02,990 --> 01:36:00,719

um and and they would have to stay on

2356

01:36:04,250 --> 01:36:03,000

top of that you know and then you would

2357

01:36:05,990 --> 01:36:04,260

still have the same problem where

2358

01:36:08,510 --> 01:36:06,000

Witnesses would come forward and say

2359

01:36:10,310 --> 01:36:08,520

well no no no no you know I saw one step

2360

01:36:12,709 --> 01:36:10,320

through a portal or you know one spoke

2361

01:36:15,169 --> 01:36:12,719

to me in my mind and those people would

2362

01:36:17,450 --> 01:36:15,179

still be ridiculed and laughed at so we

2363

01:36:21,290 --> 01:36:17,460

really wouldn't progress anywhere

2364

01:36:24,110 --> 01:36:21,300

and I really honestly feel that uh the

2365

01:36:26,930 --> 01:36:24,120

government already knows uh these things

2366

01:36:29,209 --> 01:36:26,940

are out there and if they were just an

2367

01:36:30,709 --> 01:36:29,219

animal then they wouldn't be hiding the

2368

01:36:32,030 --> 01:36:30,719

fact that they're out there they

2369

01:36:35,330 --> 01:36:32,040

wouldn't care about suppressing the

2370

01:36:37,070 --> 01:36:35,340

information if it was just in fact some

2371

01:36:39,410 --> 01:36:37,080

undiscovered primate or some

2372

01:36:41,750 --> 01:36:39,420

undiscovered canine that happens to walk

2373

01:36:44,870 --> 01:36:41,760

by peterly I I think it would have been

2374

01:36:47,570 --> 01:36:44,880

allowed to come out years and years ago

2375

01:36:50,510 --> 01:36:47,580

but for some reason it hasn't

2376

01:36:52,430 --> 01:36:50,520

you know the interesting thing and you

2377

01:36:54,350 --> 01:36:52,440

know I'm taking a comic shot at here I

2378

01:36:56,930 --> 01:36:54,360

was thinking of you know Chewbacca

2379

01:37:00,590 --> 01:36:56,940

walking through the uh you know the the

2380

01:37:02,990 --> 01:37:00,600

uh what's that uh Imperial cruiser and

2381

01:37:05,750 --> 01:37:03,000

and if that were Sasquatch you know in

2382

01:37:07,610 --> 01:37:05,760

in some sort of handcuffs like The

2383

01:37:09,470 --> 01:37:07,620

Wookiee you know there's no question that

2384

01:37:11,209 --> 01:37:09,480

people are gonna look at this thing and

2385

01:37:13,490 --> 01:37:11,219

it's going to present a problem because

2386

01:37:15,890 --> 01:37:13,500

they're going to realize that there's a

2387

01:37:18,290 --> 01:37:15,900

certain a significant amount of humanity

2388

01:37:20,629 --> 01:37:18,300

in this that they don't see when they

2389

01:37:22,850 --> 01:37:20,639

look at a gorilla you know when you see

2390

01:37:26,209 --> 01:37:22,860

gorillas in the you know in their native

2391

01:37:28,370 --> 01:37:26,219

environment you know uh in you know

2392

01:37:29,689 --> 01:37:28,380

jungles of Africa Etc you know you you

2393

01:37:32,450 --> 01:37:29,699

know that you're looking at something

2394

01:37:34,610 --> 01:37:32,460

that even though they have 95 of our DNA

2395

01:37:36,110 --> 01:37:34,620

there you could just tell it's something

2396

01:37:38,390 --> 01:37:36,120

different whereas Bigfoot you know

2397

01:37:40,850 --> 01:37:38,400

people might look at that and have a

2398

01:37:42,950 --> 01:37:40,860

visceral reaction uh that this thing's

2399

01:37:44,629 --> 01:37:42,960

part human and then of course there's

2400

01:37:46,850 --> 01:37:44,639

going to become the licensing fees

2401

01:37:49,250 --> 01:37:46,860

they're going to want to cut of all

2402

01:37:50,870 --> 01:37:49,260

these t-shirts and mugs and then Vic

2403

01:37:51,950 --> 01:37:50,880

right the dogmen are going to be upset

2404

01:37:53,870 --> 01:37:51,960

because you know they're

2405

01:37:55,910 --> 01:37:53,880

underrepresented there's not enough

2406

01:37:58,430 --> 01:37:55,920

t-shirts and different and mugs and

2407

01:38:00,950 --> 01:37:58,440

material on Etsy that that represents

2408

01:38:03,770 --> 01:38:00,960

dog managers Bigfoot so you know it's

2409

01:38:06,350 --> 01:38:03,780

going to get competitive uh I'm sorry

2410

01:38:11,750 --> 01:38:06,360

Matt I think it's your topic right buddy

2411

01:38:15,709 --> 01:38:14,090

so uh yeah we'll go with this one

2412

01:38:17,330 --> 01:38:15,719

because I I'm interested in hearing

2413

01:38:18,590 --> 01:38:17,340

Vic's answer on this one so I want to go

2414

01:38:22,550 --> 01:38:18,600

to the Vic first

2415

01:38:24,050 --> 01:38:22,560

um oh boy yeah so this beautiful this

2416

01:38:25,070 --> 01:38:24,060

beautiful platform we have here the

2417

01:38:28,129 --> 01:38:25,080

internet

2418

01:38:30,350 --> 01:38:28,139

and uh the modern ability for anybody to

2419

01:38:32,149 --> 01:38:30,360

go on Amazon and self-publish a book you

2420

01:38:34,850 --> 01:38:32,159

don't have to go through any of the

2421

01:38:37,610 --> 01:38:34,860

rigmarole to get stuff out there uh

2422

01:38:39,410 --> 01:38:37,620

anybody can create a podcast and they

2423

01:38:42,830 --> 01:38:39,420

can create a following they can create

2424

01:38:46,550 --> 01:38:42,840

an audience uh how do you think that

2425

01:38:49,189 --> 01:38:46,560

helps or hurts the study and further any

2426

01:38:50,169 --> 01:38:49,199

education of these subjects whenever

2427

01:38:54,890 --> 01:38:50,179

somebody

2428

01:38:56,510 --> 01:38:54,900

uh can grow a large audience and popular

2429

01:38:57,890 --> 01:38:56,520

opinion theories aren't always the

2430

01:39:00,070 --> 01:38:57,900

correct ones and the followers will

2431

01:39:03,169 --> 01:39:00,080

support whatever their favorite

2432

01:39:06,410 --> 01:39:03,179

podcaster or favorite author says and

2433

01:39:09,530 --> 01:39:06,420

just take that as the gospel uh do you

2434

01:39:12,890 --> 01:39:09,540

think is this helping is it hurting it

2435

01:39:15,830 --> 01:39:12,900

how do we go forward from here

2436

01:39:18,770 --> 01:39:15,840

well that too is a double-edged sword I

2437

01:39:20,450 --> 01:39:18,780

do believe in free speech but yeah

2438

01:39:22,070 --> 01:39:20,460

unfortunately there's so much bad

2439

01:39:24,709 --> 01:39:22,080

information floating around when it

2440

01:39:26,510 --> 01:39:24,719

comes to Dogman and Sasquatch that it

2441

01:39:29,390 --> 01:39:26,520

really ultimately hurts what we're all

2442

01:39:33,350 --> 01:39:29,400

trying to do here if the main goal which

2443

01:39:38,209 --> 01:39:33,360

I believe it is is to raise awareness of

2444

01:39:40,490 --> 01:39:38,219

these Cryptids and to educate people on

2445

01:39:42,850 --> 01:39:40,500

these Cryptids if you have so many shows

2446

01:39:46,010 --> 01:39:42,860

out there who are putting out

2447

01:39:48,350 --> 01:39:46,020

Creepypasta without acknowledging the

2448

01:39:50,750 --> 01:39:48,360

fact that it's Creepypasta or if they're

2449

01:39:54,610 --> 01:39:50,760

putting out information that isn't

2450

01:39:58,490 --> 01:39:54,620

Creepypasta but they know that it's not

2451

01:40:00,770 --> 01:39:58,500

accurate it's not true information it's

2452

01:40:03,229 --> 01:40:00,780

just information that maybe furthers

2453

01:40:05,270 --> 01:40:03,239

their agenda yeah we're ultimately

2454

01:40:07,010 --> 01:40:05,280

hurting ourselves and then you have so

2455

01:40:08,810 --> 01:40:07,020

many people who listen to these shows

2456

01:40:10,790 --> 01:40:08,820

and they they take what they hear as

2457

01:40:13,910 --> 01:40:10,800

gospel from this person or that person

2458

01:40:16,250 --> 01:40:13,920

yeah it just causes a lot of problems I

2459

01:40:18,950 --> 01:40:16,260

mean talking about the Dogman front

2460

01:40:21,890 --> 01:40:18,960

time after time I talk with eyewitnesses

2461

01:40:23,810 --> 01:40:21,900

who have had traumatic experiences with

2462

01:40:25,970 --> 01:40:23,820

dog men and then they listen to this

2463

01:40:28,430 --> 01:40:25,980

show or that show about the the

2464

01:40:31,729 --> 01:40:28,440

mind-eating dog man who will split your

2465

01:40:34,729 --> 01:40:31,739

skull open and devour your brains and

2466

01:40:36,950 --> 01:40:34,739

they take that as being a gospel story a

2467

01:40:38,270 --> 01:40:36,960

factual story and then next thing you

2468

01:40:39,950 --> 01:40:38,280

know I'm talking with them and trying to

2469

01:40:42,709 --> 01:40:39,960

talk them off the ledge having to

2470

01:40:44,450 --> 01:40:42,719

explain no that's not how it is that was

2471

01:40:47,330 --> 01:40:44,460

just a story that was made up to get

2472

01:40:50,689 --> 01:40:47,340

views and put butts and seeds and line

2473

01:40:54,050 --> 01:40:50,699

whoever's pocket that hosts that show

2474

01:40:55,970 --> 01:40:54,060

basically so yeah like I said I do

2475

01:40:57,229 --> 01:40:55,980

believe in freedom of speech but

2476

01:40:59,450 --> 01:40:57,239

unfortunately when it comes to the

2477

01:41:01,750 --> 01:40:59,460

Cryptid side of things here talking

2478

01:41:04,490 --> 01:41:01,760

about dog man or Sasquatch especially

2479

01:41:08,870 --> 01:41:04,500

dogmen in my opinion It ultimately

2480

01:41:13,370 --> 01:41:11,570

and uh Matt so if I understand correctly

2481

01:41:15,470 --> 01:41:13,380

understand where do we go from here in

2482

01:41:17,689 --> 01:41:15,480

terms of information that's getting out

2483

01:41:19,970 --> 01:41:17,699

there that's just not worthy etc etc is

2484

01:41:22,729 --> 01:41:19,980

that it well I mean just how we deal

2485

01:41:26,330 --> 01:41:22,739

with the conundrum in general uh you

2486

01:41:29,209 --> 01:41:26,340

know uh anybody can have a voice which

2487

01:41:32,570 --> 01:41:29,219

is great that's fantastic unfortunately

2488

01:41:35,209 --> 01:41:32,580

there are people out there who just want

2489

01:41:37,510 --> 01:41:35,219

a following and they do just want to

2490

01:41:40,370 --> 01:41:37,520

make money and they put out information

2491

01:41:42,490 --> 01:41:40,380

uh whatever gets the most views the most

2492

01:41:45,770 --> 01:41:42,500

attention and they grow these huge

2493

01:41:47,810 --> 01:41:45,780

audiences yeah and those audiences

2494

01:41:49,550 --> 01:41:47,820

believe everything they say and support

2495

01:41:53,570 --> 01:41:49,560

them to the Grave

2496

01:41:55,310 --> 01:41:53,580

so then you have a huge uh wealth of

2497

01:41:57,050 --> 01:41:55,320

misinformation that's out there that's

2498

01:42:00,770 --> 01:41:57,060

considered true

2499

01:42:03,770 --> 01:42:00,780

whenever it's actually not I I have I

2500

01:42:05,950 --> 01:42:03,780

have got you on this now this theme has

2501
01:42:08,689 --> 01:42:05,960
played out I mean you could go back to

2502
01:42:13,070 --> 01:42:08,699
uh when the Atlantic was published in

2503
01:42:14,750 --> 01:42:13,080
the 1850s and someone uh a uh you know

2504
01:42:17,090 --> 01:42:14,760
someone might have said oh it's a

2505
01:42:19,010 --> 01:42:17,100
federalist rag you know what I mean and

2506
01:42:21,830 --> 01:42:19,020
and there were counter newspapers

2507
01:42:24,109 --> 01:42:21,840
perhaps in the South countering maybe

2508
01:42:26,330 --> 01:42:24,119
what was written in the Atlantic or

2509
01:42:27,890 --> 01:42:26,340
something like that so that's gone all

2510
01:42:31,970 --> 01:42:27,900
the way back to then then you can get

2511
01:42:35,330 --> 01:42:31,980
into uh the 80s but really the 90s in in

2512
01:42:37,910 --> 01:42:35,340
talk radio when you know uh sports radio

2513
01:42:40,790 --> 01:42:37,920

came in in the late 80s and then turned

2514

01:42:42,649 --> 01:42:40,800

into talk radio so similar things are

2515

01:42:44,709 --> 01:42:42,659

happening in in those mediums where

2516

01:42:46,910 --> 01:42:44,719

people are putting out false information

2517

01:42:48,950 --> 01:42:46,920

and are just trying to cultivate

2518

01:42:52,010 --> 01:42:48,960

audiences and make a living off of it

2519

01:42:54,770 --> 01:42:52,020

and not really trying to be even-handed

2520

01:42:56,450 --> 01:42:54,780

or see both sides or or this sort of

2521

01:42:58,910 --> 01:42:56,460

thing so I don't think this is any

2522

01:43:02,629 --> 01:42:58,920

different and I I don't think we have a

2523

01:43:05,629 --> 01:43:02,639

a solution to it if you even step near

2524

01:43:07,790 --> 01:43:05,639

anything that would approach

2525

01:43:10,609 --> 01:43:07,800

um trying to curb that it would look

2526
01:43:13,070 --> 01:43:10,619
like the way that half a Lex Friedman's

2527
01:43:15,290 --> 01:43:13,080
podcast these days and Joe Rogan's

2528
01:43:17,270 --> 01:43:15,300
podcasts are talking about free speech

2529
01:43:19,129 --> 01:43:17,280
and everybody should be able to say

2530
01:43:21,830 --> 01:43:19,139
anything and do anything on Twitter

2531
01:43:23,930 --> 01:43:21,840
so I think it you know I hate to use

2532
01:43:25,430 --> 01:43:23,940
that well overused American phrase that

2533
01:43:27,410 --> 01:43:25,440
is what it is but I think that's just

2534
01:43:30,050 --> 01:43:27,420
where we are and people are going to

2535
01:43:34,669 --> 01:43:30,060
have to discern for themselves and

2536
01:43:37,910 --> 01:43:34,679
luckily this topic is

2537
01:43:42,770 --> 01:43:37,920
less dangerous if you will than other

2538
01:43:46,189 --> 01:43:42,780

topics that become politicized that uh

2539

01:43:49,189 --> 01:43:46,199

there could be lives at stake uh this is

2540

01:43:51,350 --> 01:43:49,199

something that we enjoy that is

2541

01:43:53,810 --> 01:43:51,360

interesting that is true

2542

01:43:56,810 --> 01:43:53,820

and we want the world to know about it

2543

01:44:02,030 --> 01:43:56,820

but they're not paying a heavy cost to

2544

01:44:08,629 --> 01:44:05,750

okay so let me see is that who hasn't

2545

01:44:11,030 --> 01:44:08,639

gone yet money money Nathan right

2546

01:44:12,229 --> 01:44:11,040

yeah I can uh just on this um from

2547

01:44:13,310 --> 01:44:12,239

Matt's question

2548

01:44:15,530 --> 01:44:13,320

um

2549

01:44:18,649 --> 01:44:15,540

you know I think we were entering into

2550

01:44:20,209 --> 01:44:18,659

the end of consensus reality

2551

01:44:23,169 --> 01:44:20,219

um I think that we are reaching the

2552

01:44:28,550 --> 01:44:23,179

point of information over saturation

2553

01:44:31,209 --> 01:44:28,560

and everyone is going to live in a in a

2554

01:44:34,390 --> 01:44:31,219

bubble of information that they find

2555

01:44:38,149 --> 01:44:34,400

interesting fascinating you know

2556

01:44:40,669 --> 01:44:38,159

palatable you know self-soothing all the

2557

01:44:42,830 --> 01:44:40,679

above right I mean that's that's the

2558

01:44:45,830 --> 01:44:42,840

world that we're transitioning into I

2559

01:44:48,709 --> 01:44:45,840

think at the moment and um

2560

01:44:49,970 --> 01:44:48,719

it's going to be pretty weird I I I want

2561

01:44:51,590 --> 01:44:49,980

to come back to something that I think

2562

01:44:52,490 --> 01:44:51,600

Vic touched on at the beginning of the

2563

01:44:56,149 --> 01:44:52,500

show

2564

01:44:58,189 --> 01:44:56,159

and it came out pretty clearly in in his

2565

01:44:59,990 --> 01:44:58,199

explanation about you know how long he's

2566

01:45:02,570 --> 01:45:00,000

been doing this and why he's doing what

2567

01:45:04,729 --> 01:45:02,580

he's doing and that is you know one of

2568

01:45:06,470 --> 01:45:04,739

the things that we I think on this show

2569

01:45:09,350 --> 01:45:06,480

get from

2570

01:45:12,490 --> 01:45:09,360

hosting a show like this and creating a

2571

01:45:17,330 --> 01:45:12,500

space for these conversations is it

2572

01:45:19,750 --> 01:45:17,340

provides a uh kind of a a validating

2573

01:45:22,490 --> 01:45:19,760

function for The Human Experience

2574

01:45:25,370 --> 01:45:22,500

and it's community building and that's

2575

01:45:28,370 --> 01:45:25,380

the one thing that human beings I

2576

01:45:31,609 --> 01:45:28,380

believe are really hungry for now

2577

01:45:32,810 --> 01:45:31,619

in in this world of disconnected connect

2578

01:45:36,050 --> 01:45:32,820

connection

2579

01:45:37,910 --> 01:45:36,060

uh we we want community and to have a

2580

01:45:39,290 --> 01:45:37,920

place like this and other shows where

2581

01:45:42,229 --> 01:45:39,300

you can have a

2582

01:45:45,649 --> 01:45:42,239

an open conversation and treat people

2583

01:45:47,689 --> 01:45:45,659

with respect and and you know eagerly

2584

01:45:49,729 --> 01:45:47,699

listen to their experience and validate

2585

01:45:51,470 --> 01:45:49,739

their experience even if you may not

2586

01:45:53,450 --> 01:45:51,480

agree with every facet of it I think

2587

01:45:55,430 --> 01:45:53,460

that that's meaningful and then that we

2588

01:45:57,709 --> 01:45:55,440

are going to need that meaning

2589

01:46:00,590 --> 01:45:57,719

in our lives we will always need that

2590

01:46:04,250 --> 01:46:00,600

kind of meaning in our lives and so

2591

01:46:07,430 --> 01:46:04,260

these shows and platforms I think if if

2592

01:46:10,790 --> 01:46:07,440

hosted with the right intent really do

2593

01:46:13,430 --> 01:46:10,800

provide a valuable service

2594

01:46:16,550 --> 01:46:13,440

um it will be very difficult though to

2595

01:46:19,490 --> 01:46:16,560

parse I think that the truth from from

2596

01:46:22,070 --> 01:46:19,500

fiction unfortunately

2597

01:46:24,050 --> 01:46:22,080

dabs

2598

01:46:26,209 --> 01:46:24,060

um so there's this thing in Psychology

2599

01:46:29,390 --> 01:46:26,219

where if you try to tell someone they're

2600

01:46:31,850 --> 01:46:29,400

wrong they will actually double down on

2601

01:46:33,169 --> 01:46:31,860

their opinion rather than change their

2602

01:46:35,450 --> 01:46:33,179

mind

2603

01:46:36,950 --> 01:46:35,460

um in fact the the best strategy

2604

01:46:39,530 --> 01:46:36,960

generally is just to give people

2605

01:46:42,129 --> 01:46:39,540

information and educate them with facts

2606

01:46:46,310 --> 01:46:42,139

and I understand that gets muddled a bit

2607

01:46:47,689 --> 01:46:46,320

but the best you can do is continue to

2608

01:46:49,430 --> 01:46:47,699

do what you're doing because you can't

2609

01:46:51,890 --> 01:46:49,440

stop those

2610

01:46:55,070 --> 01:46:51,900

um leaks of misinformation at this point

2611

01:46:57,470 --> 01:46:55,080

it's it's impossible I do think that

2612

01:46:58,910 --> 01:46:57,480

like it's almost like whack-a-mole so if

2613

01:47:01,490 --> 01:46:58,920

someone's sitting there whacking all the

2614

01:47:03,290 --> 01:47:01,500

people who are in their opinion giving

2615

01:47:05,450 --> 01:47:03,300

misinformation

2616

01:47:06,950 --> 01:47:05,460

um what happens on social media is that

2617

01:47:08,629 --> 01:47:06,960

people get upset about the person doing

2618

01:47:11,990 --> 01:47:08,639

the whacking actually they don't

2619

01:47:14,030 --> 01:47:12,000

actually pay attention to them all so so

2620

01:47:15,709 --> 01:47:14,040

that's that's something I've noticed I

2621

01:47:17,390 --> 01:47:15,719

get a little offended by those people

2622

01:47:20,629 --> 01:47:17,400

doing the whacking too because they go

2623

01:47:22,790 --> 01:47:20,639

at it too hard so I just recommend just

2624

01:47:24,950 --> 01:47:22,800

putting out the best information you

2625

01:47:27,350 --> 01:47:24,960

can't and that's the best you can do and

2626

01:47:29,450 --> 01:47:27,360

hope that reasonable people will make

2627

01:47:31,910 --> 01:47:29,460

good decisions

2628

01:47:33,350 --> 01:47:31,920

that is right on the money Debs right on

2629

01:47:35,090 --> 01:47:33,360

the money

2630

01:47:36,770 --> 01:47:35,100

um and last but certainly not least our

2631

01:47:38,450 --> 01:47:36,780

guest of honor we got to get through

2632

01:47:39,890 --> 01:47:38,460

this quickly because I I didn't expect

2633

01:47:41,689 --> 01:47:39,900

we were going to keep him here for two

2634

01:47:43,430 --> 01:47:41,699

hours let's see if we can get through

2635

01:47:44,870 --> 01:47:43,440

this in 12 minutes Vic what was your

2636

01:47:46,790 --> 01:47:44,880

topic my friend

2637

01:47:50,750 --> 01:47:46,800

my topic is I think we're all in

2638

01:47:55,070 --> 01:47:50,760

agreement that Sasquatch dogmen all the

2639

01:47:57,950 --> 01:47:55,080

major Cryptids are extant but

2640

01:48:01,010 --> 01:47:57,960

how do you explain the lack

2641

01:48:03,410 --> 01:48:01,020

of breadcrumbs pretty much the total

2642

01:48:05,870 --> 01:48:03,420

lack of breadcrumbs supporting their

2643

01:48:08,270 --> 01:48:05,880

existence

2644

01:48:09,890 --> 01:48:08,280

I'll go first and then I'll I'll pass it

2645

01:48:11,629 --> 01:48:09,900

to Nathan and pass it around the horn

2646

01:48:13,490 --> 01:48:11,639

but

2647

01:48:15,530 --> 01:48:13,500

I uh

2648

01:48:17,570 --> 01:48:15,540

you know I think that it's what you we

2649

01:48:19,430 --> 01:48:17,580

we spoke about earlier sorting my

2650

01:48:23,390 --> 01:48:19,440

question is is there communication going

2651
01:48:25,910 --> 01:48:23,400
on I think they've figured out uh us and

2652
01:48:27,590 --> 01:48:25,920
our if they've been on this continent

2653
01:48:29,090 --> 01:48:27,600
for long enough and the other continents

2654
01:48:32,030 --> 01:48:29,100
that they exist on because it's not only

2655
01:48:34,189 --> 01:48:32,040
this one they've figured out what our

2656
01:48:37,629 --> 01:48:34,199
Tendencies are what our methodologies

2657
01:48:40,129 --> 01:48:37,639
are the fact that we have to

2658
01:48:42,410 --> 01:48:40,139
synthetically manufacture things to

2659
01:48:43,729 --> 01:48:42,420
survive in the woods we need to cook we

2660
01:48:46,070 --> 01:48:43,739
need to do all these different things

2661
01:48:48,109 --> 01:48:46,080
for to make ourselves comfortable that

2662
01:48:50,450 --> 01:48:48,119
they perhaps don't have to do and

2663
01:48:51,950 --> 01:48:50,460

they've figured out how to avoid us Matt

2664

01:48:54,229 --> 01:48:51,960

and I recently had a conversation about

2665

01:48:56,750 --> 01:48:54,239

what they do with uh with their bones

2666

01:48:59,149 --> 01:48:56,760

how are they getting rid of them Beyond

2667

01:49:01,850 --> 01:48:59,159

just nature taking them and you know

2668

01:49:04,189 --> 01:49:01,860

different uh uh smaller Predators coming

2669

01:49:05,810 --> 01:49:04,199

and eating the meat and then you've seen

2670

01:49:08,750 --> 01:49:05,820

the insects and all these sorts of

2671

01:49:11,209 --> 01:49:08,760

things are they do they have a berry a

2672

01:49:13,070 --> 01:49:11,219

burying ritual and we talked about how

2673

01:49:16,370 --> 01:49:13,080

they might do that maybe hiding them

2674

01:49:17,870 --> 01:49:16,380

under uh tree structures or Fallen trees

2675

01:49:20,689 --> 01:49:17,880

or something where we'd be less likely

2676

01:49:23,629 --> 01:49:20,699

to look so it it is a mystery it's

2677

01:49:26,750 --> 01:49:23,639

what's awesome about it is that we we

2678

01:49:29,090 --> 01:49:26,760

don't know and I just it seems to me

2679

01:49:32,090 --> 01:49:29,100

that they have mastered their

2680

01:49:34,850 --> 01:49:32,100

environment the way that perhaps a a

2681

01:49:36,709 --> 01:49:34,860

computer programmer has has mastered

2682

01:49:37,550 --> 01:49:36,719

certain computer languages and can

2683

01:49:39,830 --> 01:49:37,560

create

2684

01:49:42,649 --> 01:49:39,840

what we're using for example this medium

2685

01:49:45,410 --> 01:49:42,659

right now that we would have thought was

2686

01:49:46,729 --> 01:49:45,420

space age in the 70s when we were

2687

01:49:49,850 --> 01:49:46,739

growing up

2688

01:49:52,689 --> 01:49:49,860

so I think uh Bigfoot and perhaps Dogman

2689

01:49:57,109 --> 01:49:52,699

as well have have done that

2690

01:49:59,629 --> 01:49:57,119

yeah I think uh we see the world that we

2691

01:50:01,910 --> 01:49:59,639

are sort of trained to see we which

2692

01:50:04,550 --> 01:50:01,920

means we operate with blinders on most

2693

01:50:06,950 --> 01:50:04,560

of the time and uh there's a lot of

2694

01:50:10,189 --> 01:50:06,960

things that happen in reality that we

2695

01:50:11,149 --> 01:50:10,199

are completely oblivious to

2696

01:50:14,090 --> 01:50:11,159

um

2697

01:50:16,189 --> 01:50:14,100

whether it be uh you know a range of

2698

01:50:19,490 --> 01:50:16,199

light that we cannot perceive or sound

2699

01:50:23,570 --> 01:50:19,500

that we cannot hear uh it's just small

2700

01:50:26,510 --> 01:50:23,580

examples of that so I think that we are

2701
01:50:29,750 --> 01:50:26,520
in a way like incapable of seeing some

2702
01:50:31,970 --> 01:50:29,760
of the evidence for these uh creatures

2703
01:50:32,930 --> 01:50:31,980
and other phenomena

2704
01:50:35,470 --> 01:50:32,940
um

2705
01:50:38,209 --> 01:50:35,480
until maybe maybe one day we will be

2706
01:50:41,530 --> 01:50:38,219
maybe you know part of the maturation

2707
01:50:44,149 --> 01:50:41,540
process of a species as it becomes more

2708
01:50:47,709 --> 01:50:44,159
intelligent is that it goes through this

2709
01:50:50,209 --> 01:50:47,719
kind of uh trans

2710
01:50:53,390 --> 01:50:50,219
mogrification you know it goes through

2711
01:50:55,609 --> 01:50:53,400
this transitional phase of uh being more

2712
01:50:57,350 --> 01:50:55,619
and more aware of the greater world

2713
01:50:58,010 --> 01:50:57,360

around it

2714

01:51:01,070 --> 01:50:58,020

um

2715

01:51:02,930 --> 01:51:01,080

and and that's an integral part of its

2716

01:51:07,970 --> 01:51:02,940

maturation right that it has to kind of

2717

01:51:11,149 --> 01:51:07,980

learn uh to get along in its confined

2718

01:51:14,510 --> 01:51:11,159

space well before it's given in a way a

2719

01:51:18,229 --> 01:51:14,520

kind of permission to play with the big

2720

01:51:21,530 --> 01:51:18,239

kids at the other spaces so

2721

01:51:24,169 --> 01:51:21,540

it would be so so fascinating if we

2722

01:51:26,209 --> 01:51:24,179

could get to see what it's like within

2723

01:51:29,330 --> 01:51:26,219

those family units and how they're

2724

01:51:31,850 --> 01:51:29,340

interacting with one another uh as they

2725

01:51:34,669 --> 01:51:31,860

sit around and and go through whatever

2726

01:51:36,649 --> 01:51:34,679

their rituals are it just would be the

2727

01:51:38,390 --> 01:51:36,659

most fascinating thing and see how much

2728

01:51:40,430 --> 01:51:38,400

they have in common with us and and

2729

01:51:41,689 --> 01:51:40,440

perhaps how different they are

2730

01:51:44,689 --> 01:51:41,699

um Debs

2731

01:51:46,850 --> 01:51:44,699

so I was thinking also about the nature

2732

01:51:50,149 --> 01:51:46,860

of reality a lot lately and Donald

2733

01:51:52,910 --> 01:51:50,159

Hoffman said he did some studies and

2734

01:51:55,790 --> 01:51:52,920

some research and found that the species

2735

01:51:58,070 --> 01:51:55,800

that can't see reality as it is is

2736

01:52:01,010 --> 01:51:58,080

actually the fittest the one that will

2737

01:52:02,750 --> 01:52:01,020

adapt and survive the longest which is

2738

01:52:05,090 --> 01:52:02,760

really interesting

2739

01:52:07,550 --> 01:52:05,100

um so it's actually if he who of us not

2740

01:52:09,350 --> 01:52:07,560

to see everything apparently

2741

01:52:12,109 --> 01:52:09,360

um in some way or it might be too

2742

01:52:13,850 --> 01:52:12,119

overwhelming for for some people and who

2743

01:52:15,830 --> 01:52:13,860

knows what would happen but when you

2744

01:52:18,470 --> 01:52:15,840

said breadcrumbs I actually was thinking

2745

01:52:20,689 --> 01:52:18,480

of you mean like books written by

2746

01:52:22,550 --> 01:52:20,699

government people like the skinwalkers

2747

01:52:24,830 --> 01:52:22,560

at the ranch that talks about dog man

2748

01:52:27,470 --> 01:52:24,840

that's what gave him my mind when you

2749

01:52:29,689 --> 01:52:27,480

said bread crumbs so I do think they're

2750

01:52:32,750 --> 01:52:29,699

actually coming out those breadcrumbs

2751
01:52:34,609 --> 01:52:32,760
from the government slowly and even the

2752
01:52:37,250 --> 01:52:34,619
fact that we have so many documentaries

2753
01:52:39,830 --> 01:52:37,260
on these things that are out so much

2754
01:52:41,930 --> 01:52:39,840
going on on social media all of that is

2755
01:52:43,790 --> 01:52:41,940
part of the breadcrumbs

2756
01:52:45,169 --> 01:52:43,800
I was thinking chicken parm when he said

2757
01:52:46,970 --> 01:52:45,179
bread crumbs that's what's interesting

2758
01:52:48,590 --> 01:52:46,980
about that

2759
01:52:51,530 --> 01:52:48,600
um Matt

2760
01:52:56,030 --> 01:52:51,540
hold on just writing something down okay

2761
01:53:01,149 --> 01:52:56,040
never Place gravel with Nathan

2762
01:53:06,350 --> 01:53:04,370
I think transmogrification yeah but that

2763
01:53:07,669 --> 01:53:06,360

one did it man that's got to be a trip

2764

01:53:10,669 --> 01:53:07,679

award score

2765

01:53:12,770 --> 01:53:10,679

uh so I think it's a

2766

01:53:15,709 --> 01:53:12,780

a combination of things maybe a perfect

2767

01:53:19,010 --> 01:53:15,719

storm so to speak uh I I think first off

2768

01:53:22,310 --> 01:53:19,020

these uh things are self-aware which

2769

01:53:24,350 --> 01:53:22,320

most animals are not uh self-aware that

2770

01:53:26,209 --> 01:53:24,360

live out in that

2771

01:53:29,090 --> 01:53:26,219

part of the woods

2772

01:53:31,550 --> 01:53:29,100

those type of areas you know deer and

2773

01:53:33,890 --> 01:53:31,560

things like that I mean perhaps they're

2774

01:53:37,490 --> 01:53:33,900

self-aware but they don't seem to be

2775

01:53:41,689 --> 01:53:37,500

um so in other words

2776

01:53:43,850 --> 01:53:41,699

how much do I give away so we at

2777

01:53:45,649 --> 01:53:43,860

different points in time have found

2778

01:53:47,750 --> 01:53:45,659

evidence to believe that they're aware

2779

01:53:49,550 --> 01:53:47,760

that they leave tracks for instance

2780

01:53:54,169 --> 01:53:49,560

and that they will go out of their way

2781

01:53:56,750 --> 01:53:54,179

to not leave tracks or to hide their

2782

01:53:59,390 --> 01:53:56,760

tracks from us meaning that they know

2783

01:54:01,070 --> 01:53:59,400

that we can see their tracks and look at

2784

01:54:02,470 --> 01:54:01,080

their tracks and can use those tracks

2785

01:54:06,109 --> 01:54:02,480

against them

2786

01:54:08,090 --> 01:54:06,119

but also as someone who grew up in a

2787

01:54:11,689 --> 01:54:08,100

family of outdoorsmen hunting and

2788

01:54:13,609 --> 01:54:11,699

fishing and spinning countless hours in

2789

01:54:17,209 --> 01:54:13,619

the Woods running around looking for

2790

01:54:19,189 --> 01:54:17,219

animal tracks specifically I never saw a

2791

01:54:20,930 --> 01:54:19,199

Bigfoot track until I started to look

2792

01:54:23,510 --> 01:54:20,940

for Bigfoot trucks

2793

01:54:26,209 --> 01:54:23,520

and I think that's

2794

01:54:28,490 --> 01:54:26,219

more likely the case that the

2795

01:54:31,129 --> 01:54:28,500

breadcrumbs are there people just don't

2796

01:54:33,290 --> 01:54:31,139

bother to look or whenever they do

2797

01:54:36,470 --> 01:54:33,300

happen to run across them they just

2798

01:54:38,810 --> 01:54:36,480

assume it's a bear it's something else

2799

01:54:40,490 --> 01:54:38,820

that a human must have walked Barefoot

2800

01:54:43,609 --> 01:54:40,500

through here whatever the case may be

2801
01:54:45,410 --> 01:54:43,619
and they just refuse to even go the

2802
01:54:47,750 --> 01:54:45,420
direction of Bigfoot or Dogman or

2803
01:54:50,030 --> 01:54:47,760
anything else that they believe doesn't

2804
01:54:53,030 --> 01:54:50,040
even exist so why entertain the thought

2805
01:54:55,430 --> 01:54:53,040
that that could be a breadcrumb of that

2806
01:54:57,590 --> 01:54:55,440
individual creature

2807
01:54:59,689 --> 01:54:57,600
it's an enormous amount of concentration

2808
01:55:01,129 --> 01:54:59,699
any time you're walking through the

2809
01:55:03,830 --> 01:55:01,139
woods and you're talking to your friend

2810
01:55:06,470 --> 01:55:03,840
you are literally not going to pick up

2811
01:55:09,129 --> 01:55:06,480
on anything any signs that they leave

2812
01:55:11,810 --> 01:55:09,139
I've seen a couple of tracks in Ocala

2813
01:55:14,090 --> 01:55:11,820

and you know you have to really just not

2814

01:55:17,149 --> 01:55:14,100

be you know just in your own world

2815

01:55:19,910 --> 01:55:17,159

looking and just doing that sort of 180

2816

01:55:22,970 --> 01:55:19,920

degree scan left to right up and down so

2817

01:55:25,070 --> 01:55:22,980

yeah I feel you Matt and great Answers

2818

01:55:26,390 --> 01:55:25,080

by everybody great question by Vic but

2819

01:55:28,310 --> 01:55:26,400

we knew it was going to be a great

2820

01:55:31,010 --> 01:55:28,320

question

2821

01:55:34,010 --> 01:55:31,020

um Vic thank you so much we'll do our

2822

01:55:35,570 --> 01:55:34,020

cabbie goodbyes now uh beginning with uh

2823

01:55:38,629 --> 01:55:35,580

Matt please

2824

01:55:42,229 --> 01:55:38,639

Vic thank you for tolerating me once

2825

01:55:44,030 --> 01:55:42,239

again sir and uh coming on here with

2826

01:55:47,030 --> 01:55:44,040

these Knuckleheads of my newfound

2827

01:55:49,550 --> 01:55:47,040

friends uh I have thoroughly enjoyed it

2828

01:55:52,129 --> 01:55:49,560

as always and uh thank you for

2829

01:55:55,370 --> 01:55:52,139

everything you do uh for dog man

2830

01:55:58,010 --> 01:55:55,380

Witnesses and uh Bigfoot Witnesses and

2831

01:55:59,990 --> 01:55:58,020

paranormal Witnesses and just uh

2832

01:56:02,149 --> 01:56:00,000

everybody in general you're a great guy

2833

01:56:05,629 --> 01:56:02,159

and I'm uh proud to call you a friend

2834

01:56:07,250 --> 01:56:05,639

and I'm glad I've uh got to know you

2835

01:56:09,830 --> 01:56:07,260

over these years and I look forward to

2836

01:56:13,609 --> 01:56:11,750

well thank you sir

2837

01:56:16,189 --> 01:56:13,619

I really can't say enough good things

2838

01:56:18,410 --> 01:56:16,199

about mad in return it's not uh just

2839

01:56:20,330 --> 01:56:18,420

cheap reciprocity

2840

01:56:22,310 --> 01:56:20,340

when you look at all the players in the

2841

01:56:24,229 --> 01:56:22,320

cryptic community

2842

01:56:27,350 --> 01:56:24,239

I mean who's been around longer than

2843

01:56:29,450 --> 01:56:27,360

Matt that that does it the right way so

2844

01:56:31,850 --> 01:56:29,460

now I've always been really impressed by

2845

01:56:33,530 --> 01:56:31,860

the way you you do what you do Matt and

2846

01:56:36,229 --> 01:56:33,540

I just wish there were more people in

2847

01:56:37,669 --> 01:56:36,239

this like you so if anyone's looking to

2848

01:56:39,470 --> 01:56:37,679

get into this and it's looking for a

2849

01:56:41,830 --> 01:56:39,480

good model well there's your model right

2850

01:56:44,810 --> 01:56:41,840

there to follow

2851
01:56:47,090 --> 01:56:44,820
is a blessing to have his friendship and

2852
01:56:48,890 --> 01:56:47,100
having part of the show and be able to

2853
01:56:50,689 --> 01:56:48,900
speak to him on the regular it really is

2854
01:56:52,490 --> 01:56:50,699
Debs

2855
01:56:54,830 --> 01:56:52,500
um thank you so much for coming and

2856
01:56:56,930 --> 01:56:54,840
speaking to us it's exciting to get to

2857
01:56:59,930 --> 01:56:56,940
approach a topic that we don't hear

2858
01:57:02,209 --> 01:56:59,940
about enough in my opinion I'd really

2859
01:57:04,370 --> 01:57:02,219
like of course for you to come back one

2860
01:57:06,300 --> 01:57:04,380
day and um if you want to just slip us

2861
01:57:10,850 --> 01:57:06,310
some of those dog man videos

2862
01:57:14,149 --> 01:57:12,109
always asking

2863
01:57:17,950 --> 01:57:14,159

if you show me I want to see um because

2864

01:57:22,550 --> 01:57:17,960

I'm not in the woods ever so

2865

01:57:25,189 --> 01:57:22,560

thank you so much again truly

2866

01:57:26,689 --> 01:57:25,199

well thank you for having me thanks for

2867

01:57:28,669 --> 01:57:26,699

saying all those nice words but Matt

2868

01:57:31,490 --> 01:57:28,679

mentioned a check where do I get the

2869

01:57:33,770 --> 01:57:31,500

check we were talking to that guy right

2870

01:57:36,410 --> 01:57:33,780

now uh yeah checks in the mail as they

2871

01:57:37,430 --> 01:57:36,420

used to say uh dick it's been a real

2872

01:57:39,470 --> 01:57:37,440

pleasure

2873

01:57:41,089 --> 01:57:39,480

um thank you so much for your time uh

2874

01:57:42,890 --> 01:57:41,099

being very generous generous with your

2875

01:57:45,950 --> 01:57:42,900

time and also sharing your heart I think

2876

01:57:48,169 --> 01:57:45,960

I got a really strong sense of your your

2877

01:57:50,390 --> 01:57:48,179

passion for the topic and but more than

2878

01:57:51,649 --> 01:57:50,400

that the passion for the people who've

2879

01:57:53,450 --> 01:57:51,659

had these experiences and your

2880

01:57:55,850 --> 01:57:53,460

willingness to listen to them even if

2881

they don't end up on a podcast I know

2882

01:57:59,270 --> 01:57:57,540

that makes a huge difference and and

2883

01:58:01,370 --> 01:57:59,280

that comes through in your in your shows

2884

01:58:03,709 --> 01:58:01,380

and uh as something I picked up on right

2885

01:58:06,470 --> 01:58:03,719

2886

01:58:08,390 --> 01:58:06,480

new Bigfoot show would go it's called My

2929

01:59:44,209 --> 01:59:40,860

Bigfoot sighting what makes it different

2930

01:59:46,010 --> 01:59:44,219

is I don't interview the guest I don't

2931

01:59:48,649 --> 01:59:46,020

ask any questions there's no back and

2932

01:59:50,689 --> 01:59:48,659

forth It's just true story time where I

2933

01:59:52,910 --> 01:59:50,699

witness after eyewitness comes on and

2934

01:59:55,910 --> 01:59:52,920

as my Bigfoot podcast skill that would

2945

02:00:27,589 --> 02:00:24,840
