

FIRESIDE CHAT

with

**John Ramirez
&
Anjali**

May 24, 2023

1
00:00:32,350 --> 00:00:18,970

[Music]

2
00:00:35,690 --> 00:00:32,360

yeah

3
00:00:38,690 --> 00:00:35,700

welcome back we got the big daddy going

4
00:00:40,790 --> 00:00:38,700

tonight on calling all beings how's it

5
00:00:43,130 --> 00:00:40,800

going everybody I'm your host DJ welcome

6
00:00:45,709 --> 00:00:43,140

back to calling all beings and we about

7
00:00:49,250 --> 00:00:45,719

to get into it with two of the Premier

8
00:00:53,270 --> 00:00:49,260

original gangsters from the IC tonight

9
00:00:55,810 --> 00:00:53,280

to educate regulate all truth dilate

10
00:00:59,029 --> 00:00:55,820

right come on Nathan

11
00:01:02,450 --> 00:00:59,039

but before we get into any of that let's

12
00:01:05,270 --> 00:01:02,460

introduce my amazing uh co-creators and

13
00:01:06,770 --> 00:01:05,280

collaborators here on cab uh the man

14

00:01:09,289 --> 00:01:06,780

you're seeing with the glasses who

15

00:01:12,950 --> 00:01:09,299

somebody just said you know I mean it's

16

00:01:15,310 --> 00:01:12,960

so good to see you so adorable but I

17

00:01:18,109 --> 00:01:15,320

don't think it's money now

18

00:01:21,590 --> 00:01:18,119

it's the co-conspirita and fun

19

00:01:23,690 --> 00:01:21,600

interesting uh and illuminating uh talk

20

00:01:25,910 --> 00:01:23,700

about the phenomenon money Nathan

21

00:01:27,770 --> 00:01:25,920

hey it's great to be here uh great to

22

00:01:30,109 --> 00:01:27,780

see all of you very excited to have this

23

00:01:31,850 --> 00:01:30,119

conversation this evening I welcome

24

00:01:33,469 --> 00:01:31,860

everybody who's in the in the audience

25

00:01:35,810 --> 00:01:33,479

uh viewing the show

26

00:01:38,510 --> 00:01:35,820

let's get into it all right then but

27

00:01:42,050 --> 00:01:38,520

before we do that we got the the center

28

00:01:43,789 --> 00:01:42,060

the Keystone of the joint the researcher

29

00:01:46,370 --> 00:01:43,799

the one who gives us a little bit of

30

00:01:49,789 --> 00:01:46,380

legitimacy up in here and that is a

31

00:01:51,469 --> 00:01:49,799

study of UAP Dems yes I'm just glad that

32

00:01:59,569 --> 00:01:51,479

Jules is here to make sure that we're

33

00:02:04,190 --> 00:02:01,370

here uh because I'll tell you what

34

00:02:05,929 --> 00:02:04,200

myself and uh and our other co-hosts

35

00:02:08,089 --> 00:02:05,939

here Leah Primetime are definitely not

36

00:02:11,150 --> 00:02:08,099

the adults in this joint what's up Prime

37

00:02:14,030 --> 00:02:11,160

Time hi DJ Just Another Day in Paradise

38

00:02:15,650 --> 00:02:14,040

do you have like a box of wine somewhere

39

00:02:17,390 --> 00:02:15,660

like where it's just got like an extra

40

00:02:18,949 --> 00:02:17,400

amount you could just you know it's got

41

00:02:20,869 --> 00:02:18,959

a couple liters worth of that do you

42

00:02:23,630 --> 00:02:20,879

have a box of wine anywhere within yeah

43

00:02:25,250 --> 00:02:23,640

dude about six boxes of frenzy and I

44

00:02:27,670 --> 00:02:25,260

just rolled my chair over and stick my

45

00:02:30,710 --> 00:02:27,680

head under the spigot

46

00:02:32,990 --> 00:02:30,720

that's my own girl right there I know

47

00:02:34,910 --> 00:02:33,000

you usually are reading this young lady

48

00:02:37,729 --> 00:02:34,920

in the chat where she brings positivity

49

00:02:39,530 --> 00:02:37,739

everywhere she goes uh but tonight uh

50

00:02:42,110 --> 00:02:39,540

since we're not having a chat guess what

51
00:02:44,630 --> 00:02:42,120
she decided to jump in this joint and uh

52
00:02:46,729 --> 00:02:44,640
that is our lovely chat host of The

53
00:02:48,830 --> 00:02:46,739
Jewel of of the Nile what's going on

54
00:02:51,830 --> 00:02:48,840
homegirl

55
00:02:55,330 --> 00:02:51,840
hey Darlings I'm happy to be here and do

56
00:02:59,809 --> 00:02:57,890
all right man I got you

57
00:03:02,150 --> 00:02:59,819
um all right before we go any further uh

58
00:03:04,190 --> 00:03:02,160
we're gonna have a a statement from our

59
00:03:06,229 --> 00:03:04,200
brother money Nason so go ahead and make

60
00:03:07,910 --> 00:03:06,239
yourself larger Nathan and then we'll

61
00:03:09,110 --> 00:03:07,920
we'll bring in on our guests of honor

62
00:03:10,790 --> 00:03:09,120
who we're super excited to speak with

63
00:03:12,710 --> 00:03:10,800

this evening

64

00:03:14,270 --> 00:03:12,720

awesome uh all right well I've never

65

00:03:16,369 --> 00:03:14,280

done an opening statement like this on

66

00:03:18,649 --> 00:03:16,379

our show before but I'd like to welcome

67

00:03:20,449 --> 00:03:18,659

everyone to calling all beings and for

68

00:03:22,850 --> 00:03:20,459

those of you who may not have watched

69

00:03:25,309 --> 00:03:22,860

our show before we occasionally do what

70

00:03:27,350 --> 00:03:25,319

we affectionately call a fireside chat

71

00:03:29,210 --> 00:03:27,360

which is just a cozy way of saying that

72

00:03:31,910 --> 00:03:29,220

we're hosting an open-ended round robin

73

00:03:34,130 --> 00:03:31,920

type conversation where each panelist

74

00:03:36,530 --> 00:03:34,140

has an opportunity to introduce a topic

75

00:03:38,990 --> 00:03:36,540

of their choice regardless of the show

76

00:03:41,809 --> 00:03:39,000

or the guests we Endeavor to host

77

00:03:44,630 --> 00:03:41,819

discussions which are fun serious silly

78

00:03:46,670 --> 00:03:44,640

and thought provoking cab has never been

79

00:03:48,289 --> 00:03:46,680

a show about gotcha questions we have

80

00:03:50,809 --> 00:03:48,299

disabled the live chat so that we can

81

00:03:53,509 --> 00:03:50,819

all focus on tonight's content and I'm

82

00:03:55,430 --> 00:03:53,519

fostering a meaningful dialogue cab is

83

00:03:57,770 --> 00:03:55,440

not monetized in any way nor do we

84

00:03:59,869 --> 00:03:57,780

begrudge shows which are no matter your

85

00:04:02,690 --> 00:03:59,879

perspective we tend to believe that

86

00:04:04,550 --> 00:04:02,700

valuing the integrity and dignity of our

87

00:04:07,430 --> 00:04:04,560

fellow humans is more important than

88

00:04:09,350 --> 00:04:07,440

scoring points or clicks or likes that

89

00:04:11,630 --> 00:04:09,360

said we ask for your like if you are

90

00:04:12,890 --> 00:04:11,640

open to giving it and believe we have

91

00:04:14,750 --> 00:04:12,900

earned it

92

00:04:17,270 --> 00:04:14,760

now there has been a great deal of talk

93

00:04:20,150 --> 00:04:17,280

lately about imminent disclosure and all

94

00:04:21,890 --> 00:04:20,160

that entails it's fun to speculate on a

95

00:04:23,629 --> 00:04:21,900

subject which many of us spend a great

96

00:04:26,689 --> 00:04:23,639

deal of time and energy contemplating

97

00:04:29,210 --> 00:04:26,699

every day whether you're simply UFO

98

00:04:31,010 --> 00:04:29,220

curious a Believer an experiencer or an

99

00:04:32,990 --> 00:04:31,020

Ardent skeptic we should be able to

100

00:04:35,330 --> 00:04:33,000

agree that the conversation can be made

101
00:04:38,030 --> 00:04:35,340
better when we enter into good faith

102
00:04:40,610 --> 00:04:38,040
discussion and work together toward

103
00:04:42,350 --> 00:04:40,620
understanding in short if the

104
00:04:45,110 --> 00:04:42,360
conversation is worth having it is

105
00:04:47,570 --> 00:04:45,120
worthy of our best efforts

106
00:04:49,310 --> 00:04:47,580
lastly I personally find it very

107
00:04:50,870 --> 00:04:49,320
important to make space for those who

108
00:04:53,270 --> 00:04:50,880
have the courage to share their

109
00:04:56,150 --> 00:04:53,280
phenomenal experiences as well as their

110
00:04:58,790 --> 00:04:56,160
interpretation of them interpretation is

111
00:05:00,650 --> 00:04:58,800
a funny thing not a static picture but

112
00:05:02,510 --> 00:05:00,660
rather an evolving process of meaning

113
00:05:05,810 --> 00:05:02,520

making shaped by every moment

114

00:05:07,430 --> 00:05:05,820

interaction and new experience at cab we

115

00:05:10,249 --> 00:05:07,440

welcome the sharing of these experiences

116

00:05:11,749 --> 00:05:10,259

and are eager to listen however as a

117

00:05:13,610 --> 00:05:11,759

larger Community we often aren't

118

00:05:15,770 --> 00:05:13,620

particularly great at listening but we

119

00:05:18,230 --> 00:05:15,780

believe that listening is an exercise in

120

00:05:21,890 --> 00:05:18,240

honoring our fellow human it is an act

121

00:05:23,810 --> 00:05:21,900

of compassion a sacrament of presence

122

00:05:26,629 --> 00:05:23,820

so this evening that's what we'll do as

123

00:05:29,570 --> 00:05:26,639

we welcome both John and Anjali to share

124

00:05:31,189 --> 00:05:29,580

a conversation with all of us we are so

125

00:05:33,650 --> 00:05:31,199

grateful for their time and willingness

126
00:05:35,210 --> 00:05:33,660
to speak we are also deeply grateful for

127
00:05:38,330 --> 00:05:35,220
those of you who have stopped by to

128
00:05:39,469 --> 00:05:38,340
watch and listen in even if only for a

129
00:05:42,050 --> 00:05:39,479
little while

130
00:05:44,930 --> 00:05:42,060
the Fireside chap again

131
00:05:46,850 --> 00:05:44,940
I love this guy right here and I love to

132
00:05:48,350 --> 00:05:46,860
be a part of this show

133
00:05:50,990 --> 00:05:48,360
um so we are honored to have these two

134
00:05:53,270 --> 00:05:51,000
guests on tonight our first guest uh our

135
00:05:56,330 --> 00:05:53,280
guest of honor is a veteran of the USAF

136
00:05:59,810 --> 00:05:56,340
a former Analyst at the DIA a respected

137
00:06:02,629 --> 00:05:59,820
member of the IC an experiencer of the

138
00:06:04,010 --> 00:06:02,639

phenomenon a citizen of the world and a

139

00:06:07,129 --> 00:06:04,020

proliferator of love and light

140

00:06:10,909 --> 00:06:07,139

everywhere she goes party people put

141

00:06:14,510 --> 00:06:10,919

them together for my homegirl Anjali

142

00:06:18,590 --> 00:06:14,520

Schultz yeah

143

00:06:20,689 --> 00:06:18,600

gonna get an A man amen amen for Anjali

144

00:06:22,969 --> 00:06:20,699

amen our other special guest is a

145

00:06:26,210 --> 00:06:22,979

veteran of the United States Navy a

146

00:06:28,370 --> 00:06:26,220

retired CIA officer a well-read and

147

00:06:30,890 --> 00:06:28,380

learned analyst also a citizen of the

148

00:06:32,689 --> 00:06:30,900

world who has helped contextualize the

149

00:06:34,850 --> 00:06:32,699

operations of the U.S government for

150

00:06:37,129 --> 00:06:34,860

civilians who we toil away on Twitter

151
00:06:38,390 --> 00:06:37,139
and people just don't understand what

152
00:06:40,309 --> 00:06:38,400
they're listening to and how to

153
00:06:42,770 --> 00:06:40,319
interpret what the government is doing

154
00:06:46,490 --> 00:06:42,780
is saying and is not saying

155
00:06:48,350 --> 00:06:46,500
um this gentleman is also a he's a

156
00:06:50,510 --> 00:06:48,360
blessing to the community like Anjali

157
00:06:54,170 --> 00:06:50,520
and also a citizen of the world so put

158
00:06:58,790 --> 00:06:54,180
them together from Mom yeah Mr John

159
00:07:06,850 --> 00:07:01,110
cheers

160
00:07:12,170 --> 00:07:09,170
doing it too you can't see but I'm doing

161
00:07:14,689 --> 00:07:12,180
it so the way I know you're putting them

162
00:07:16,909 --> 00:07:14,699
together Debs we love you

163
00:07:19,010 --> 00:07:16,919

um so uh what we wanted the way we

164

00:07:21,230 --> 00:07:19,020

wanted to start this off tonight is um

165

00:07:23,689 --> 00:07:21,240

there's interesting things that uh John

166

00:07:25,909 --> 00:07:23,699

and Anjali had to discuss and and I'm

167

00:07:28,370 --> 00:07:25,919

gonna get out the way so you got to and

168

00:07:30,469 --> 00:07:28,380

people like yeah damn I'm glad man get

169

00:07:32,210 --> 00:07:30,479

yourself out of the way and let these

170

00:07:35,330 --> 00:07:32,220

two talk so without further Ado Mr

171

00:07:37,850 --> 00:07:35,340

Ramirez please take it away sir

172

00:07:42,409 --> 00:07:37,860

okay yeah um

173

00:07:44,629 --> 00:07:42,419

I wanted to be with Anjali uh because

174

00:07:47,570 --> 00:07:44,639

we've had private conversations before

175

00:07:50,809 --> 00:07:47,580

and we've texted each other emailed each

176

00:07:53,029 --> 00:07:50,819

other but we've never been uh on form on

177

00:07:54,529 --> 00:07:53,039

the record together on any kind of

178

00:07:57,230 --> 00:07:54,539

podcast

179

00:08:00,589 --> 00:07:57,240

and I know uh in the beginning a lot of

180

00:08:03,830 --> 00:08:00,599

people question anjali's background I

181

00:08:05,390 --> 00:08:03,840

did not because I knew that she was part

182

00:08:07,189 --> 00:08:05,400

of the intelligence Community just the

183

00:08:09,290 --> 00:08:07,199

way she presented herself and some of

184

00:08:11,809 --> 00:08:09,300

the terminology she used

185

00:08:13,969 --> 00:08:11,819

um it was I see speak and I knew she was

186

00:08:18,950 --> 00:08:13,979

genuine and

187

00:08:20,749 --> 00:08:18,960

um I know recently uh I stated that uh

188

00:08:23,809 --> 00:08:20,759

Anjali was

189

00:08:26,930 --> 00:08:23,819

interview by members of the UAP task

190

00:08:31,189 --> 00:08:26,940

force and I believe Ted McMillan reached

191

00:08:33,430 --> 00:08:31,199

out to Jake's uh Jay Stratton and Jay

192

00:08:36,230 --> 00:08:33,440

Stratton made the statement uh

193

00:08:38,750 --> 00:08:36,240

unequivocal statement that

194

00:08:41,269 --> 00:08:38,760

um no member of the UAP task force

195

00:08:45,650 --> 00:08:41,279

officially or unofficially interviewed

196

00:08:47,750 --> 00:08:45,660

Anjali and uh when I read that I go okay

197

00:08:49,190 --> 00:08:47,760

Jay we need to straighten out the

198

00:08:52,850 --> 00:08:49,200

records because I know what you really

199

00:08:54,829 --> 00:08:52,860

meant to say and you didn't say it so um

200

00:08:58,130 --> 00:08:54,839

I wanted to um

201
00:09:01,970 --> 00:08:58,140
at least bridge that subject first and

202
00:09:05,570 --> 00:09:01,980
foremost and so with Anjali I was just

203
00:09:08,090 --> 00:09:05,580
wanted to know in your own words what

204
00:09:09,230 --> 00:09:08,100
was your experience like um someone or

205
00:09:10,970 --> 00:09:09,240
uh

206
00:09:13,130 --> 00:09:10,980
other people

207
00:09:15,470 --> 00:09:13,140
interviewed you they they talked to you

208
00:09:17,090 --> 00:09:15,480
is that isn't that correct

209
00:09:19,009 --> 00:09:17,100
absolutely

210
00:09:20,130 --> 00:09:19,019
um

211
00:09:22,970 --> 00:09:20,140
I was in

212
00:09:27,230 --> 00:09:22,980
[Music]

213
00:09:31,250 --> 00:09:27,240

the Lincoln Memorial on in August of

214

00:09:37,430 --> 00:09:31,260

2021 at the presser I was interviewed by

215

00:09:40,130 --> 00:09:37,440

a lady and a gentleman I had to really

216

00:09:44,930 --> 00:09:40,140

um jog my brain

217

00:09:48,530 --> 00:09:44,940

um to recollect that because I was in I

218

00:09:52,009 --> 00:09:48,540

I spoke to so many people that day and I

219

00:09:55,190 --> 00:09:52,019

wasn't keeping my own personal recording

220

00:09:58,370 --> 00:09:55,200

of what was happening around me and so I

221

00:10:01,610 --> 00:09:58,380

don't have a complete picture of all of

222

00:10:05,630 --> 00:10:01,620

the people that I spoke to that day

223

00:10:09,170 --> 00:10:05,640

um but it was previously mentioned on

224

00:10:13,550 --> 00:10:09,180

um the guy networked television

225

00:10:17,829 --> 00:10:13,560

um show Cosmic Disclosure by Richard

226

00:10:19,509 --> 00:10:17,839

Doty who is a self-confessed prior

227

00:10:23,509 --> 00:10:19,519

disinformation

228

00:10:28,009 --> 00:10:23,519

intelligence officer uh he had he said

229

00:10:30,410 --> 00:10:28,019

on that show that I was interviewed by

230

00:10:32,750 --> 00:10:30,420

um by two official people that day and

231

00:10:35,570 --> 00:10:32,760

and he was correct and I just want to

232

00:10:38,269 --> 00:10:35,580

set that straight because on that show

233

00:10:41,150 --> 00:10:38,279

um I I was kind of taken aback I didn't

234

00:10:43,250 --> 00:10:41,160

recollect it very well I had a lot of

235

00:10:44,630 --> 00:10:43,260

other directions that my mind was going

236

00:10:46,970 --> 00:10:44,640

so

237

00:10:52,370 --> 00:10:46,980

um I followed up on that and yes that is

238

00:10:54,769 --> 00:10:52,380

correct so as far as my my other contact

239

00:10:58,329 --> 00:10:54,779

UM with

240

00:11:02,990 --> 00:10:58,339

with people who were

241

00:11:06,230 --> 00:11:03,000

associated with the UAP task force and

242

00:11:08,870 --> 00:11:06,240

taking interviews and pres and

243

00:11:13,790 --> 00:11:08,880

presenting those interviews to them

244

00:11:17,449 --> 00:11:13,800

um I had a gentleman who contacted me

245

00:11:21,110 --> 00:11:17,459

um and through him he brought in two

246

00:11:23,509 --> 00:11:21,120

other friends I had multiple encounters

247

00:11:25,310 --> 00:11:23,519

with the first gentleman

248

00:11:27,889 --> 00:11:25,320

um and

249

00:11:28,430 --> 00:11:27,899

by encounters I mean

250

00:11:33,050 --> 00:11:28,440

um

251
00:11:34,030 --> 00:11:33,060
phone calls and zoom conversations

252
00:11:36,710 --> 00:11:34,040
um

253
00:11:40,370 --> 00:11:36,720
and then he brought in a couple of

254
00:11:42,710 --> 00:11:40,380
friends and they actually they were

255
00:11:44,870 --> 00:11:42,720
interested in

256
00:11:45,710 --> 00:11:44,880
um they asked a lot of questions of the

257
00:11:49,610 --> 00:11:45,720
beings

258
00:11:53,030 --> 00:11:49,620
and I gave him the best interpretation

259
00:11:56,329 --> 00:11:53,040
and answers that I could that day it was

260
00:11:59,389 --> 00:11:56,339
it was really kind of a wild experience

261
00:12:01,009 --> 00:11:59,399
the experience the the day that I had

262
00:12:03,710 --> 00:12:01,019
all three gentlemen

263
00:12:07,250 --> 00:12:03,720

um that that I spoke with

264

00:12:08,650 --> 00:12:07,260

because over the course of the three of

265

00:12:11,630 --> 00:12:08,660

them

266

00:12:15,230 --> 00:12:11,640

and several days

267

00:12:18,889 --> 00:12:15,240

I probably had

268

00:12:23,090 --> 00:12:18,899

easily 24 hours of contact

269

00:12:24,650 --> 00:12:23,100

um with the these three gentlemen in one

270

00:12:27,650 --> 00:12:24,660

way or the other

271

00:12:29,690 --> 00:12:27,660

um regarding my experiences with the

272

00:12:32,150 --> 00:12:29,700

beings and and

273

00:12:34,610 --> 00:12:32,160

um lifelong experiences not just what

274

00:12:36,410 --> 00:12:34,620

happened in the Mojave

275

00:12:37,310 --> 00:12:36,420

um although they were very interested in

276

00:12:39,170 --> 00:12:37,320

that

277

00:12:42,470 --> 00:12:39,180

and

278

00:12:46,610 --> 00:12:42,480

um they uh one of the questions that I

279

00:12:50,150 --> 00:12:46,620

thought was an interesting question was

280

00:12:52,310 --> 00:12:50,160

um do you know if if the tunnel is still

281

00:12:56,629 --> 00:12:52,320

there

282

00:12:58,129 --> 00:12:56,639

um and I said yes you know the tunnel is

283

00:13:01,970 --> 00:12:58,139

still there

284

00:13:07,850 --> 00:13:05,389

um and uh

285

00:13:11,990 --> 00:13:07,860

and two of the gentlemen

286

00:13:15,410 --> 00:13:12,000

asked if they could be members of of the

287

00:13:18,530 --> 00:13:15,420

Expedition team and be part of that that

288

00:13:21,170 --> 00:13:18,540

collection team just be present and

289

00:13:24,230 --> 00:13:21,180

um and I didn't ask a lot of other

290

00:13:27,610 --> 00:13:24,240

questions about it my what I said to

291

00:13:31,550 --> 00:13:27,620

them was that at the time my only

292

00:13:33,650 --> 00:13:31,560

requirement was that no one came armed

293

00:13:35,990 --> 00:13:33,660

um you know that we that nobody came

294

00:13:39,710 --> 00:13:36,000

with any kinds of weapons or any kinds

295

00:13:41,569 --> 00:13:39,720

of thoughts of the need or the desire

296

00:13:42,949 --> 00:13:41,579

for a weapon

297

00:13:45,829 --> 00:13:42,959

um that they were going to have to leave

298

00:13:49,129 --> 00:13:45,839

that that aside so

299

00:13:52,310 --> 00:13:49,139

um we had contact for a number of months

300

00:13:56,990 --> 00:13:52,320

several months and um

301
00:13:59,329 --> 00:13:57,000
so it happened and uh you know I I'm

302
00:14:01,009 --> 00:13:59,339
beyond the point of really caring what

303
00:14:03,710 --> 00:14:01,019
the public says because every time

304
00:14:05,930 --> 00:14:03,720
someone says you know that that I wasn't

305
00:14:09,230 --> 00:14:05,940
interviewed and or that I'm not who I

306
00:14:11,210 --> 00:14:09,240
said I was or just whatever other kinds

307
00:14:13,009 --> 00:14:11,220
of things they're saying it just it's

308
00:14:16,430 --> 00:14:13,019
rolling right off of my back at this

309
00:14:19,310 --> 00:14:16,440
point because uh I

310
00:14:22,610 --> 00:14:19,320
I am at the center of of my experience

311
00:14:24,769 --> 00:14:22,620
and and I'm the only one who can put

312
00:14:26,449 --> 00:14:24,779
all of those pieces and all of the

313
00:14:29,990 --> 00:14:26,459

contacts that I've had from across the

314

00:14:32,170 --> 00:14:30,000

IC or across social media and and from

315

00:14:36,350 --> 00:14:32,180

across other types of messages

316

00:14:38,030 --> 00:14:36,360

and the the types of beings who may be

317

00:14:41,329 --> 00:14:38,040

um communicating

318

00:14:45,889 --> 00:14:41,339

they may be there there's a chance that

319

00:14:50,030 --> 00:14:45,899

that humans have developed this ability

320

00:14:53,930 --> 00:14:50,040

um and I'm just unaware of it there is

321

00:14:57,350 --> 00:14:53,940

um I have absolute faith that there are

322

00:15:00,110 --> 00:14:57,360

higher beings and by higher I mean that

323

00:15:03,110 --> 00:15:00,120

their consciousnesses are appear to be

324

00:15:05,689 --> 00:15:03,120

much more advanced um older they appear

325

00:15:07,910 --> 00:15:05,699

to have a higher perspective than we do

326

00:15:10,790 --> 00:15:07,920

um kind of like they can look down and

327

00:15:12,350 --> 00:15:10,800

see inside the entire house at once you

328

00:15:14,210 --> 00:15:12,360

know where we have to go from room to

329

00:15:16,490 --> 00:15:14,220

room to room they don't have to they

330

00:15:17,990 --> 00:15:16,500

could whole whole house they can see it

331

00:15:20,150 --> 00:15:18,000

at once

332

00:15:23,090 --> 00:15:20,160

um and that doesn't mean omnipresence

333

00:15:25,430 --> 00:15:23,100

and that doesn't mean omniscience

334

00:15:27,170 --> 00:15:25,440

um it means that we have we have a

335

00:15:29,210 --> 00:15:27,180

complicated ecosystem

336

00:15:31,910 --> 00:15:29,220

and I have

337

00:15:33,290 --> 00:15:31,920

um personally and professionally now I

338

00:15:38,290 --> 00:15:33,300

have reached out through the icy

339

00:15:43,550 --> 00:15:38,300

Community to contact a former colleague

340

00:15:47,030 --> 00:15:43,560

peer mentor and absolute hero of mine

341

00:15:49,069 --> 00:15:47,040

her name is Nicole and

342

00:15:51,110 --> 00:15:49,079

um I think that anyone who has worked

343

00:15:53,810 --> 00:15:51,120

with me previously who would be watching

344

00:15:55,670 --> 00:15:53,820

will know who I'm talking about and

345

00:15:58,910 --> 00:15:55,680

um I am in need of Cole Nicole's

346

00:16:03,230 --> 00:15:58,920

assistance if she could reach out to me

347

00:16:05,329 --> 00:16:03,240

um it's it's about time that uh we

348

00:16:06,590 --> 00:16:05,339

finished that lesson we started

349

00:16:09,170 --> 00:16:06,600

so

350

00:16:10,430 --> 00:16:09,180

thanks very much Anjali and let me

351

00:16:12,710 --> 00:16:10,440

interject here

352

00:16:15,530 --> 00:16:12,720

um some background information

353

00:16:16,430 --> 00:16:15,540

so show of hands to those who are on

354

00:16:19,430 --> 00:16:16,440

camera

355

00:16:22,430 --> 00:16:19,440

you heard about the UAP task force and

356

00:16:24,310 --> 00:16:22,440

here's the task force set up by the

357

00:16:27,590 --> 00:16:24,320

Senate select committee on intelligence

358

00:16:29,290 --> 00:16:27,600

and also the United States Navy through

359

00:16:33,350 --> 00:16:29,300

the Office of Naval

360

00:16:35,210 --> 00:16:33,360

intelligence it is the first announced

361

00:16:37,490 --> 00:16:35,220

task force since

362

00:16:39,829 --> 00:16:37,500

the Project Blue Book under the Air

363

00:16:42,530 --> 00:16:39,839

Force so if you have this task force

364

00:16:44,389 --> 00:16:42,540

studying this very important phenomenon

365

00:16:47,150 --> 00:16:44,399

how many people would you dedicate to

366

00:16:50,150 --> 00:16:47,160

this task for sure hands how many just

367

00:16:52,009 --> 00:16:50,160

or you can say out out loud

368

00:16:55,189 --> 00:16:52,019

you know there would have to be you know

369

00:16:58,370 --> 00:16:55,199

50 or so people I would think yeah I'd

370

00:16:59,889 --> 00:16:58,380

say dozens dozens yeah Leia are you

371

00:17:03,650 --> 00:16:59,899

pretty much

372

00:17:08,270 --> 00:17:03,660

uh between 50 and 100 minimum 100 Jewels

373

00:17:13,010 --> 00:17:10,569

so I

374

00:17:15,530 --> 00:17:13,020

[Music]

375

00:17:16,909 --> 00:17:15,540

Jules if you type it in the chat we'll

376

00:17:18,590 --> 00:17:16,919

read it off for you because we didn't

377

00:17:20,569 --> 00:17:18,600

hear you

378

00:17:23,390 --> 00:17:20,579

let's just type it

379

00:17:26,569 --> 00:17:23,400

so well okay I got I got the gist of it

380

00:17:28,010 --> 00:17:26,579

uh anywhere from 50 to 100. all right I

381

00:17:33,530 --> 00:17:28,020

am now going to reveal for the first

382

00:17:38,450 --> 00:17:35,330

that's it

383

00:17:40,430 --> 00:17:38,460

so you know one member of the task force

384

00:17:42,650 --> 00:17:40,440

Jay Stratton he was the commander of the

385

00:17:44,330 --> 00:17:42,660

task force as they call it and of course

386

00:17:46,310 --> 00:17:44,340

you know it's a Navy thing right so you

387

00:17:48,230 --> 00:17:46,320

have to have commanders so he's the

388

00:17:50,090 --> 00:17:48,240

commander of the task force and we also

389

00:17:52,070 --> 00:17:50,100

know one other individual right who came

390

00:17:55,010 --> 00:17:52,080

forward and that's Dr Travis Taylor

391

00:17:56,810 --> 00:17:55,020

there's two and they were like a couple

392

00:17:58,250 --> 00:17:56,820

of other people on this task force

393

00:18:00,950 --> 00:17:58,260

that's it

394

00:18:02,029 --> 00:18:00,960

so what Jay Stratton meant to say is

395

00:18:05,630 --> 00:18:02,039

this

396

00:18:08,870 --> 00:18:05,640

no member of the UAP task force his

397

00:18:10,430 --> 00:18:08,880

direct reports and DJ you your Air Force

398

00:18:12,710 --> 00:18:10,440

guy you know what a direct report is is

399

00:18:14,090 --> 00:18:12,720

someone you supervise personally and

400

00:18:16,909 --> 00:18:14,100

you're responsible for writing their

401
00:18:19,430 --> 00:18:16,919
performance evaluation so no member of

402
00:18:22,190 --> 00:18:19,440
the task force all three of my guys that

403
00:18:24,289 --> 00:18:22,200
I was responsible for as the career

404
00:18:26,630 --> 00:18:24,299
service officer I was responsible for

405
00:18:29,510 --> 00:18:26,640
their promotions and their Career

406
00:18:33,770 --> 00:18:29,520
Development so forth and so on November

407
00:18:36,650 --> 00:18:33,780
interviewed Anjali that's three people

408
00:18:40,310 --> 00:18:36,660
now who did interview Anjali so in order

409
00:18:43,010 --> 00:18:40,320
for the small tiny task force the first

410
00:18:46,310 --> 00:18:43,020
kind of any kind of entity within the US

411
00:18:47,690 --> 00:18:46,320
government since uh Project Blue Book to

412
00:18:49,909 --> 00:18:47,700
do anything

413
00:18:52,070 --> 00:18:49,919

it had to do something which DJ you know

414

00:18:55,430 --> 00:18:52,080

very familiar these words it's called

415

00:18:58,909 --> 00:18:55,440

enter agency Outreach

416

00:19:02,210 --> 00:18:58,919

the interagency is the other agencies

417

00:19:04,549 --> 00:19:02,220

you know for example you have the CIA

418

00:19:06,049 --> 00:19:04,559

the DIA the NSA you know the alphabet

419

00:19:08,270 --> 00:19:06,059

soup the major

420

00:19:11,270 --> 00:19:08,280

organizations of the intelligence

421

00:19:13,370 --> 00:19:11,280

Community they relied on Outreach in

422

00:19:16,850 --> 00:19:13,380

order to get any work done

423

00:19:20,570 --> 00:19:16,860

so it's the Outreach to the task force

424

00:19:24,169 --> 00:19:20,580

that interviewed Anjali and a member of

425

00:19:26,390 --> 00:19:24,179

that task force was cognizant of the

426

00:19:28,789 --> 00:19:26,400

interview taking place

427

00:19:31,909 --> 00:19:28,799

and in fact

428

00:19:34,850 --> 00:19:31,919

the interagency continued to interact

429

00:19:37,130 --> 00:19:34,860

with the task force and by when the

430

00:19:38,870 --> 00:19:37,140

actual interview occurred uh Jay

431

00:19:41,570 --> 00:19:38,880

Stratton was no longer commander of the

432

00:19:44,270 --> 00:19:41,580

task force but he kept into the email

433

00:19:46,310 --> 00:19:44,280

Loop so he knew what was going on

434

00:19:48,289 --> 00:19:46,320

and so

435

00:19:52,310 --> 00:19:48,299

they would not have reached out to

436

00:19:54,529 --> 00:19:52,320

Anjali unless something was validated

437

00:19:57,289 --> 00:19:54,539

and that is the fact that she is an

438

00:20:00,289 --> 00:19:57,299

intelligence Community officer and how

439

00:20:02,390 --> 00:20:00,299

does one tell if another member is an

440

00:20:04,690 --> 00:20:02,400

intelligence Community officer well

441

00:20:08,510 --> 00:20:04,700

first of all there's something called

442

00:20:11,930 --> 00:20:08,520

and in the old days it was called jpas J

443

00:20:14,529 --> 00:20:11,940

pass it stood for joint personnel

444

00:20:16,850 --> 00:20:14,539

I believe stands for joint Personnel

445

00:20:19,190 --> 00:20:16,860

adjudication system

446

00:20:21,830 --> 00:20:19,200

and if you're in the dod side your name

447

00:20:24,350 --> 00:20:21,840

is going to be in there as having a top

448

00:20:25,909 --> 00:20:24,360

secret clearance and it will have all

449

00:20:29,150 --> 00:20:25,919

the compartments that you have been read

450

00:20:32,330 --> 00:20:29,160

into on my end scattered castles and

451

00:20:34,130 --> 00:20:32,340

civilian side it's called Uh the same

452

00:20:36,529 --> 00:20:34,140

thing it's called scattered castles and

453

00:20:39,169 --> 00:20:36,539

it has the same information has my name

454

00:20:40,130 --> 00:20:39,179

and all of the compartments I was read

455

00:20:41,930 --> 00:20:40,140

into

456

00:20:44,990 --> 00:20:41,940

they would not have reached out to

457

00:20:47,570 --> 00:20:45,000

Anjali and thus they knew that she

458

00:20:49,970 --> 00:20:47,580

wasn't someone off the street who's an

459

00:20:53,270 --> 00:20:49,980

experiencer because there are many many

460

00:20:55,549 --> 00:20:53,280

many experiencers as Deb would tell you

461

00:20:57,350 --> 00:20:55,559

now there are many many experiencers out

462

00:21:00,169 --> 00:20:57,360

there and all of us probably are

463

00:21:02,930 --> 00:21:00,179

experiences as well but she was an

464

00:21:04,549 --> 00:21:02,940

experiencer who happened to be a member

465

00:21:06,890 --> 00:21:04,559

of the intelligence community

466

00:21:09,529 --> 00:21:06,900

and that's what got their attention

467

00:21:12,770 --> 00:21:09,539

and secondly when she talks about beings

468

00:21:14,810 --> 00:21:12,780

if they thought that she was somewhat

469

00:21:16,909 --> 00:21:14,820

disturbed because she talked about these

470

00:21:19,909 --> 00:21:16,919

beings they would not have contacted her

471

00:21:22,310 --> 00:21:19,919

because they know that these beings are

472

00:21:25,190 --> 00:21:22,320

real they know that there is a presence

473

00:21:28,070 --> 00:21:25,200

of these other non-humans on the planet

474

00:21:30,370 --> 00:21:28,080

and thank you Dr Gary Nolan because he

475

00:21:32,330 --> 00:21:30,380

said the same thing

476
00:21:34,730 --> 00:21:32,340
is known

477
00:21:36,470 --> 00:21:34,740
within the intelligence community so it

478
00:21:39,409 --> 00:21:36,480
was the Outreach people

479
00:21:41,810 --> 00:21:39,419
with the cognizance of the UAP task

480
00:21:44,450 --> 00:21:41,820
force who reached out to Anjali and they

481
00:21:48,110 --> 00:21:44,460
may not identify themselves by true

482
00:21:49,909 --> 00:21:48,120
affiliation because they were Undercover

483
00:21:53,630 --> 00:21:49,919
and what does that mean that means that

484
00:21:55,070 --> 00:21:53,640
your affiliation with the IC has to be

485
00:21:58,490 --> 00:21:55,080
protected

486
00:22:00,770 --> 00:21:58,500
and what is the two agencies that can do

487
00:22:02,450 --> 00:22:00,780
that well one is Dia

488
00:22:06,110 --> 00:22:02,460

because they have a defense Human

489

00:22:07,789 --> 00:22:06,120

Service they too have human officers

490

00:22:09,710 --> 00:22:07,799

collecting human intelligence so they

491

00:22:11,230 --> 00:22:09,720

have to be undercover and what's the

492

00:22:15,710 --> 00:22:11,240

other agency that's been doing it since

493

00:22:18,289 --> 00:22:15,720

1947. my guys home office CIA

494

00:22:19,789 --> 00:22:18,299

so it was at that level of the

495

00:22:21,289 --> 00:22:19,799

intelligence community that reached out

496

00:22:25,190 --> 00:22:21,299

to Anjali because they knew she was

497

00:22:28,370 --> 00:22:25,200

genuine they found her information

498

00:22:30,710 --> 00:22:28,380

in the appropriate personnel databases

499

00:22:33,710 --> 00:22:30,720

to verify that she had the clearances

500

00:22:35,570 --> 00:22:33,720

that she said she had and then thirdly

501
00:22:37,130 --> 00:22:35,580
and most importantly they knew that her

502
00:22:39,529 --> 00:22:37,140
contact experiences were real because

503
00:22:43,250 --> 00:22:39,539
they knew about the contact experiences

504
00:22:45,230 --> 00:22:43,260
that others have had even within the

505
00:22:47,750 --> 00:22:45,240
intelligence community

506
00:22:48,649 --> 00:22:47,760
and I'll just name one person who's come

507
00:22:51,710 --> 00:22:48,659
out

508
00:22:53,810 --> 00:22:51,720
my buddy at CIA Jim Simi van who stated

509
00:22:57,230 --> 00:22:53,820
that yo yes he's he's had these contact

510
00:22:59,930 --> 00:22:57,240
experiences that's right and I'm sure

511
00:23:02,270 --> 00:22:59,940
um come later this year you'll hear more

512
00:23:04,669 --> 00:23:02,280
about Intelligence Officers with contact

513
00:23:07,610 --> 00:23:04,679

experiences so I just want to let the

514

00:23:09,770 --> 00:23:07,620

set the record straight yes Jay is right

515

00:23:13,070 --> 00:23:09,780

that no member of the UAP task force

516

00:23:15,590 --> 00:23:13,080

interviewed Anjali

517

00:23:17,630 --> 00:23:15,600

the other three people on the task force

518

00:23:19,450 --> 00:23:17,640

they didn't interview Anjali but the

519

00:23:21,890 --> 00:23:19,460

Outreach people did the interagency

520

00:23:24,770 --> 00:23:21,900

Outreach people did with the full

521

00:23:25,970 --> 00:23:24,780

cognizance of the member members of the

522

00:23:29,330 --> 00:23:25,980

task force

523

00:23:32,210 --> 00:23:29,340

and so let let the record stand that

524

00:23:34,610 --> 00:23:32,220

this is what actually happened and so if

525

00:23:36,590 --> 00:23:34,620

you disbelieve me or disbelieve Anjali

526

00:23:38,510 --> 00:23:36,600

you're fine I'm not here to convince you

527

00:23:40,730 --> 00:23:38,520

one way or the other you can believe

528

00:23:42,710 --> 00:23:40,740

anything you want you can believe what

529

00:23:44,470 --> 00:23:42,720

other people in the government who you

530

00:23:48,110 --> 00:23:44,480

think belong to the government tell you

531

00:23:51,169 --> 00:23:48,120

that's fine because uh toward the end of

532

00:23:53,810 --> 00:23:51,179

this year as uh Science Bob McGuire

533

00:23:57,710 --> 00:23:53,820

stated at the spaced out radio uh Vegas

534

00:24:00,649 --> 00:23:57,720

party and as uh Dr Nolan stated you know

535

00:24:03,409 --> 00:24:00,659

something is going to occur some event

536

00:24:05,990 --> 00:24:03,419

will occur it's the disclosure we all

537

00:24:06,890 --> 00:24:06,000

have been waiting for and it all will be

538

00:24:09,830 --> 00:24:06,900

laid out

539

00:24:11,810 --> 00:24:09,840

so I just want to say that hey John I'd

540

00:24:14,409 --> 00:24:11,820

like to interject right now that the

541

00:24:17,090 --> 00:24:14,419

significance of people like yourself

542

00:24:19,250 --> 00:24:17,100

Anjali Jim semi van coming out and

543

00:24:23,090 --> 00:24:19,260

talking about this amongst the IC

544

00:24:26,090 --> 00:24:23,100

Community is akin to Dave fraver coming

545

00:24:28,010 --> 00:24:26,100

out and and people

546

00:24:30,470 --> 00:24:28,020

um in in the aviation Community saying

547

00:24:32,210 --> 00:24:30,480

man if this you know youngest airwing

548

00:24:35,270 --> 00:24:32,220

commander in the Navy Top Gun graduate

549

00:24:38,270 --> 00:24:35,280

Dave fraver and Alex Dietrich and Chad

550

00:24:40,370 --> 00:24:38,280

Chad Underwood and help me Ryan Graves

551
00:24:42,649 --> 00:24:40,380
if they can come and talk about it then

552
00:24:44,450 --> 00:24:42,659
that means I can talk about it that's

553
00:24:46,669 --> 00:24:44,460
the significance of you guys coming out

554
00:24:49,070 --> 00:24:46,679
I think is that your colleagues are

555
00:24:51,470 --> 00:24:49,080
going to have a that have been holding

556
00:24:54,590 --> 00:24:51,480
this inside uh are going to have a sigh

557
00:24:57,110 --> 00:24:54,600
of relief about it in my opinion

558
00:24:59,029 --> 00:24:57,120
um also I want to say uh regarding

559
00:25:01,789 --> 00:24:59,039
something that Anjali said I want to say

560
00:25:04,370 --> 00:25:01,799
that the fact that the phenomenon is

561
00:25:06,590 --> 00:25:04,380
able to have this sort of top-down view

562
00:25:08,390 --> 00:25:06,600
of the entire house I would really

563
00:25:11,570 --> 00:25:08,400

appreciate shape that because I've lost

564

00:25:14,090 --> 00:25:11,580

both spare set of car keys and with that

565

00:25:15,529 --> 00:25:14,100

ability like I you know what I mean like

566

00:25:17,630 --> 00:25:15,539

at the I could see the whole house at

567

00:25:19,130 --> 00:25:17,640

once oh there they are and I keep them

568

00:25:20,390 --> 00:25:19,140

in this little Ziploc bag case you're

569

00:25:21,830 --> 00:25:20,400

out in the woods and it you know it

570

00:25:23,930 --> 00:25:21,840

starts raining you know your car keys

571

00:25:25,549 --> 00:25:23,940

are still going to work so uh I would

572

00:25:26,990 --> 00:25:25,559

love to have that ability actually I

573

00:25:30,470 --> 00:25:27,000

don't know

574

00:25:33,350 --> 00:25:30,480

anyways Branson

575

00:25:35,330 --> 00:25:33,360

so did you do um so where Linda was

576

00:25:36,529 --> 00:25:35,340

trying to come in and ask a question to

577

00:25:38,630 --> 00:25:36,539

you guys I don't know if she's going to

578

00:25:40,070 --> 00:25:38,640

make it in or not but uh would you uh

579

00:25:42,289 --> 00:25:40,080

Anjali would you like to say something

580

00:25:44,810 --> 00:25:42,299

about what John said or would you like

581

00:25:47,450 --> 00:25:44,820

to continue that discussion well I would

582

00:25:49,669 --> 00:25:47,460

just I would like to say

583

00:25:53,690 --> 00:25:49,679

um just to follow up on that but

584

00:25:56,390 --> 00:25:53,700

one of the the neatest parts of the

585

00:25:59,450 --> 00:25:56,400

interview experience with me

586

00:26:02,690 --> 00:25:59,460

um and the three gentlemen was not only

587

00:26:05,570 --> 00:26:02,700

just how incredibly respectful and

588

00:26:09,890 --> 00:26:05,580

informed they were uh

589

00:26:12,769 --> 00:26:09,900

and curious very curious but they were

590

00:26:16,250 --> 00:26:12,779

also affirming and validating quite

591

00:26:19,310 --> 00:26:16,260

often they would say things such as

592

00:26:21,289 --> 00:26:19,320

um we have we have other sources who

593

00:26:23,330 --> 00:26:21,299

also tell us that and then sometimes

594

00:26:27,649 --> 00:26:23,340

they'd raise their eyes and say oh yeah

595

00:26:30,950 --> 00:26:27,659

we have other sources that say that and

596

00:26:32,750 --> 00:26:30,960

um and I understood you know that that

597

00:26:34,490 --> 00:26:32,760

this was something that they were that

598

00:26:38,390 --> 00:26:34,500

they were heavily invested in and I

599

00:26:39,169 --> 00:26:38,400

appreciate I appreciate their time and

600

00:26:43,430 --> 00:26:39,179

um

601
00:26:48,049 --> 00:26:43,440
I think that we had a and have a good

602
00:26:50,690 --> 00:26:48,059
relationship and um yeah I enjoy working

603
00:26:52,610 --> 00:26:50,700
with others I have

604
00:26:58,010 --> 00:26:52,620
um

605
00:27:01,610 --> 00:26:58,020
I I I enjoy working with

606
00:27:05,630 --> 00:27:01,620
with folks that typically others would

607
00:27:08,390 --> 00:27:05,640
shy away from I guess you know

608
00:27:09,649 --> 00:27:08,400
um I

609
00:27:13,310 --> 00:27:09,659
um

610
00:27:15,470 --> 00:27:13,320
I'm not hesitant at all in this

611
00:27:20,510 --> 00:27:15,480
experience that I'm having

612
00:27:23,390 --> 00:27:20,520
and I I think I made that fairly well

613
00:27:26,510 --> 00:27:23,400

known publicly

614

00:27:29,390 --> 00:27:26,520

um there have been some you know some

615

00:27:32,690 --> 00:27:29,400

developments and and some redirections

616

00:27:35,149 --> 00:27:32,700

um and I I can acknowledge that

617

00:27:37,730 --> 00:27:35,159

um I can't wait for the other

618

00:27:39,490 --> 00:27:37,740

experiencers from the IC to come forward

619

00:27:42,649 --> 00:27:39,500

and help you understand

620

00:27:49,370 --> 00:27:42,659

why what I said

621

00:27:52,010 --> 00:27:49,380

um is can be both true to to me and

622

00:27:55,789 --> 00:27:52,020

um I could have been physically inside

623

00:27:58,430 --> 00:27:55,799

of another place and at the same time

624

00:28:00,710 --> 00:27:58,440

the other people that I was with do not

625

00:28:01,909 --> 00:28:00,720

experience that

626

00:28:06,470 --> 00:28:01,919

um it's

627

00:28:09,409 --> 00:28:06,480

it's a part of the phenomena I I can't

628

00:28:10,909 --> 00:28:09,419

understand it I can explain to you

629

00:28:16,789 --> 00:28:10,919

what

630

00:28:18,909 --> 00:28:16,799

uh I you know I can I can try to

631

00:28:21,470 --> 00:28:18,919

interpret that to the best of my ability

632

00:28:24,169 --> 00:28:21,480

and always with the knowledge of a

633

00:28:25,490 --> 00:28:24,179

couple of things number one that you

634

00:28:28,610 --> 00:28:25,500

know that I became an intelligence

635

00:28:30,169 --> 00:28:28,620

officer is isn't that kind of odd and

636

00:28:33,710 --> 00:28:30,179

that I was that I was working at

637

00:28:35,210 --> 00:28:33,720

Pentagon isn't that even otter and uh

638

00:28:37,190 --> 00:28:35,220

you know and that I had this contact

639

00:28:39,769 --> 00:28:37,200

after

640

00:28:42,110 --> 00:28:39,779

um you know doing Intel work for the

641

00:28:43,490 --> 00:28:42,120

USMC I keep looking at the desert as if

642

00:28:46,370 --> 00:28:43,500

you can see

643

00:28:49,669 --> 00:28:46,380

I am I'm literally looking West I don't

644

00:28:55,909 --> 00:28:53,570

I'm trying to show you the desert uh and

645

00:28:58,010 --> 00:28:55,919

um I I completely lost my train of

646

00:29:01,190 --> 00:28:58,020

thought now if someone wants me back on

647

00:29:03,049 --> 00:29:01,200

it okay I I mean my my question for you

648

00:29:05,450 --> 00:29:03,059

is going to be and I'll ask John if we

649

00:29:07,070 --> 00:29:05,460

could uh turn it over to Nathan and get

650

00:29:09,649 --> 00:29:07,080

the cabbies with some initial questions

651
00:29:11,750 --> 00:29:09,659
for you guys but during any of these

652
00:29:13,850 --> 00:29:11,760
meetings with the intelligence officials

653
00:29:16,490 --> 00:29:13,860
did anybody ask you for example what

654
00:29:20,269 --> 00:29:16,500
kind of conditioner that you use

655
00:29:23,810 --> 00:29:20,279
what kind of condition or I yes yes

656
00:29:28,310 --> 00:29:23,820
um no no okay that would have been my

657
00:29:30,350 --> 00:29:28,320
first question Nathan uh same brand hey

658
00:29:32,870 --> 00:29:30,360
um DJ it's the same brand you and I use

659
00:29:35,570 --> 00:29:32,880
oh yeah yeah

660
00:29:37,250 --> 00:29:35,580
all right yeah me and me and uh me and

661
00:29:40,370 --> 00:29:37,260
John are using prel I think I can't

662
00:29:42,230 --> 00:29:40,380
remember uh but yeah I know right but uh

663
00:29:44,149 --> 00:29:42,240

no it is interesting though that that

664

00:29:46,250 --> 00:29:44,159

people spoke with you and maybe it

665

00:29:48,889 --> 00:29:46,260

wasn't those three guys that are on that

666

00:29:50,930 --> 00:29:48,899

staff but obviously uh somebody did

667

00:29:53,269 --> 00:29:50,940

speak with Anjali and they would be very

668

00:29:55,610 --> 00:29:53,279

interested to hear what she has to say

669

00:29:57,830 --> 00:29:55,620

given the nature of her experience and

670

00:30:00,289 --> 00:29:57,840

also the nature of her background the

671

00:30:02,450 --> 00:30:00,299

seriousness of it John can I give it

672

00:30:05,269 --> 00:30:02,460

over to Nathan to get a get a question

673

00:30:08,510 --> 00:30:05,279

uh sure I just want to inject one thing

674

00:30:10,490 --> 00:30:08,520

please do that people might think um Oh

675

00:30:11,570 --> 00:30:10,500

I thought it was illegal to CIA to

676
00:30:14,210 --> 00:30:11,580
contact

677
00:30:16,909 --> 00:30:14,220
UM U.S citizens or anybody

678
00:30:18,950 --> 00:30:16,919
um no uh not if you're a member of the

679
00:30:22,130 --> 00:30:18,960
intelligence Community right you're

680
00:30:23,389 --> 00:30:22,140
contacting a colleague not a U.S citizen

681
00:30:24,830 --> 00:30:23,399
off the street

682
00:30:26,090 --> 00:30:24,840
so

683
00:30:27,350 --> 00:30:26,100
um I just want to make that plain

684
00:30:30,649 --> 00:30:27,360
because I'm sure some people are

685
00:30:33,830 --> 00:30:30,659
wondering about cia's uh operations

686
00:30:36,350 --> 00:30:33,840
inside the country it is authorized if

687
00:30:37,970 --> 00:30:36,360
the person approaches CIA first or if

688
00:30:39,769 --> 00:30:37,980

that other person is a member of the

689

00:30:42,049 --> 00:30:39,779

intelligence community

690

00:30:44,510 --> 00:30:42,059

so I just want to say that off the bat

691

00:30:46,490 --> 00:30:44,520

and Nathan take it away awesome yeah

692

00:30:47,930 --> 00:30:46,500

thanks Sean um I'm cognizant of time and

693

00:30:50,149 --> 00:30:47,940

I know we've only got Leah for another

694

00:30:53,149 --> 00:30:50,159

few minutes so I'm going to pass it to

695

00:30:55,490 --> 00:30:53,159

her before she has to take off

696

00:30:57,289 --> 00:30:55,500

sure um sign up a little bit I think of

697

00:30:59,389 --> 00:30:57,299

a maybe a perfunctory question which is

698

00:31:01,490 --> 00:30:59,399

just as general citizens

699

00:31:04,070 --> 00:31:01,500

um what do you see our responsibilities

700

00:31:06,710 --> 00:31:04,080

as being in and around this subject

701

00:31:08,930 --> 00:31:06,720

particularly as it pertains to

702

00:31:11,389 --> 00:31:08,940

um like government involvement

703

00:31:14,330 --> 00:31:11,399

well I think um the participation of

704

00:31:16,730 --> 00:31:14,340

citizens will be expanded and in fact it

705

00:31:18,430 --> 00:31:16,740

will be essential because once the

706

00:31:21,769 --> 00:31:18,440

government discloses what it knows

707

00:31:24,769 --> 00:31:21,779

citizens will need to carry forward and

708

00:31:26,090 --> 00:31:24,779

complete disclosure because I think all

709

00:31:30,169 --> 00:31:26,100

the government's going to actually

710

00:31:32,330 --> 00:31:30,179

reveal at the beginning is that yes the

711

00:31:34,370 --> 00:31:32,340

craft we're seeing is flown by

712

00:31:36,289 --> 00:31:34,380

non-humans and yes there's a non-human

713

00:31:40,190 --> 00:31:36,299

presence on Earth basically everything

714

00:31:43,310 --> 00:31:40,200

that um Dr Gary Nolan stated at the uh I

715

00:31:46,370 --> 00:31:43,320

saw conference and it's 18 minutes that

716

00:31:48,409 --> 00:31:46,380

pretty much said it all and you'll be

717

00:31:50,870 --> 00:31:48,419

hearing a lot more of that later this

718

00:31:54,590 --> 00:31:50,880

year and greater detail for many more

719

00:31:56,810 --> 00:31:54,600

people but from there I mean for me it's

720

00:31:58,610 --> 00:31:56,820

like okay they're they're here and

721

00:32:00,649 --> 00:31:58,620

they're visiting us

722

00:32:02,149 --> 00:32:00,659

to me that's not as exciting as who they

723

00:32:04,190 --> 00:32:02,159

are why they're here

724

00:32:06,470 --> 00:32:04,200

right what should how should we contact

725

00:32:07,970 --> 00:32:06,480

them what is the interaction that we as

726

00:32:09,350 --> 00:32:07,980

Humanity should have with these other

727

00:32:11,149 --> 00:32:09,360

beings

728

00:32:14,389 --> 00:32:11,159

um and so that's something that citizens

729

00:32:17,510 --> 00:32:14,399

can can come forward with also um there

730

00:32:19,909 --> 00:32:17,520

are citizens who've had like not so

731

00:32:22,430 --> 00:32:19,919

happy encounters with these beings for

732

00:32:23,870 --> 00:32:22,440

whatever reason and so that needs to be

733

00:32:25,549 --> 00:32:23,880

taken seriously that there are not

734

00:32:28,430 --> 00:32:25,559

there's nothing wrong with them there's

735

00:32:30,230 --> 00:32:28,440

they don't need to be treated

736

00:32:32,570 --> 00:32:30,240

um in a conventional sense in a

737

00:32:36,769 --> 00:32:32,580

conventional uh mental health therapy

738

00:32:38,570 --> 00:32:36,779

like pathologized yes exactly and so I'm

739

00:32:40,850 --> 00:32:38,580

hoping that stigma will remove from that

740

00:32:42,830 --> 00:32:40,860

and so we can have an honest discussion

741

00:32:45,529 --> 00:32:42,840

to that you know some people perceive

742

00:32:47,330 --> 00:32:45,539

these in a way that uh perceive these

743

00:32:49,430 --> 00:32:47,340

beings in a way that they don't quite

744

00:32:51,769 --> 00:32:49,440

understand and that misunderstanding

745

00:32:54,769 --> 00:32:51,779

might cause some consternation added

746

00:32:56,810 --> 00:32:54,779

with that is the stigma associated with

747

00:32:59,029 --> 00:32:56,820

that that just adds to the bad

748

00:33:01,730 --> 00:32:59,039

experience more so than the experience

749

00:33:04,430 --> 00:33:01,740

itself so I would suggest citizens will

750

00:33:05,990 --> 00:33:04,440

continue especially uh with their

751
00:33:07,850 --> 00:33:06,000
governments because I believe other

752
00:33:09,590 --> 00:33:07,860
countries will come forward after the

753
00:33:11,870 --> 00:33:09,600
U.S comes forward

754
00:33:14,690 --> 00:33:11,880
um that these other countries have

755
00:33:16,730 --> 00:33:14,700
information about this phenomena that

756
00:33:18,950 --> 00:33:16,740
they've been keeping

757
00:33:20,210 --> 00:33:18,960
hidden they've been kept hidden and

758
00:33:22,970 --> 00:33:20,220
they're waiting for the US to take the

759
00:33:26,210 --> 00:33:22,980
first step so you know like pressure

760
00:33:27,470 --> 00:33:26,220
your your your legislators

761
00:33:29,509 --> 00:33:27,480
um to come forward with more information

762
00:33:31,370 --> 00:33:29,519
and uh make it part of the political

763
00:33:33,470 --> 00:33:31,380

discourse we're going into a uh in the

764

00:33:35,049 --> 00:33:33,480

U.S we're going into a presidential

765

00:33:37,970 --> 00:33:35,059

campaign

766

00:33:39,110 --> 00:33:37,980

this year and so make it part of the

767

00:33:41,690 --> 00:33:39,120

campaign

768

00:33:44,509 --> 00:33:41,700

so that's that's what citizens can do

769

00:33:45,889 --> 00:33:44,519

um raise awareness that this is real

770

00:33:48,470 --> 00:33:45,899

um and the government can remove the

771

00:33:50,990 --> 00:33:48,480

stigma from itself from other government

772

00:33:53,090 --> 00:33:51,000

officers from the military and help

773

00:33:55,070 --> 00:33:53,100

civilians also remove that stigma

774

00:33:57,710 --> 00:33:55,080

because when you see who's going to come

775

00:33:59,269 --> 00:33:57,720

forward and what position they held in

776

00:34:00,230 --> 00:33:59,279

the government

777

00:34:02,269 --> 00:34:00,240

um

778

00:34:04,669 --> 00:34:02,279

it's a fork on conclusion that this is

779

00:34:08,510 --> 00:34:04,679

real that this is a real thing that has

780

00:34:11,389 --> 00:34:10,310

yeah I get uh I'm gonna get Anjali on

781

00:34:12,849 --> 00:34:11,399

that too

782

00:34:15,589 --> 00:34:12,859

please

783

00:34:17,149 --> 00:34:15,599

would you restate that or did you did

784

00:34:19,730 --> 00:34:17,159

you already write it down on Julie her

785

00:34:22,070 --> 00:34:19,740

question I think it was the question was

786

00:34:24,109 --> 00:34:22,080

what are the responsibilities

787

00:34:26,990 --> 00:34:24,119

what do we see see as the

788

00:34:29,750 --> 00:34:27,000

responsibilities of citizens in after

789

00:34:31,730 --> 00:34:29,760

exposure was that right Leah yep yeah

790

00:34:33,409 --> 00:34:31,740

either in ushering the process um and

791

00:34:36,649 --> 00:34:33,419

John was so kind to answer this almost

792

00:34:38,750 --> 00:34:36,659

from a uh participatory citizen

793

00:34:40,070 --> 00:34:38,760

perspective but even just in the sense

794

00:34:42,230 --> 00:34:40,080

of

795

00:34:45,290 --> 00:34:42,240

um being good neighbors right to other

796

00:34:48,530 --> 00:34:45,300

humans you know right how do we sort of

797

00:34:54,169 --> 00:34:48,540

um experience this collectively in a way

798

00:34:58,490 --> 00:34:54,179

um that's uh supportive of others

799

00:35:03,050 --> 00:35:00,349

she's done a really important point and

800

00:35:05,210 --> 00:35:03,060

that is that not everyone has a positive

801
00:35:07,310 --> 00:35:05,220
contact experience that there are

802
00:35:10,010 --> 00:35:07,320
experiences out there who have had

803
00:35:12,410 --> 00:35:10,020
negative experiences and who have

804
00:35:14,630 --> 00:35:12,420
residual Trauma from that

805
00:35:16,550 --> 00:35:14,640
um and you know this is well documented

806
00:35:20,390 --> 00:35:16,560
and we

807
00:35:21,609 --> 00:35:20,400
we have to acknowledge that and one

808
00:35:25,490 --> 00:35:21,619
thing that's going to be really

809
00:35:31,670 --> 00:35:25,500
important from a government position is

810
00:35:35,089 --> 00:35:31,680
once we can finally admit as a as as a

811
00:35:36,770 --> 00:35:35,099
nation that this context exists and it

812
00:35:39,710 --> 00:35:36,780
has been ongoing and that we've known

813
00:35:41,990 --> 00:35:39,720

about it and that yes we did hide it and

814

00:35:44,270 --> 00:35:42,000

this is why and

815

00:35:46,550 --> 00:35:44,280

um and see how far the the conversation

816

00:35:51,490 --> 00:35:46,560

is taken

817

00:35:54,410 --> 00:35:51,500

um it's I think that the

818

00:35:57,470 --> 00:35:54,420

uh I'm sorry I forgot I forgot my train

819

00:35:59,450 --> 00:35:57,480

of thought Leah do you remember this

820

00:36:02,210 --> 00:35:59,460

happens to me I'm sorry I have I have

821

00:36:04,069 --> 00:36:02,220

epilepsy and just oh no stress no

822

00:36:05,930 --> 00:36:04,079

worries no worries basically like like

823

00:36:08,450 --> 00:36:05,940

what are our responsibilities to our

824

00:36:10,670 --> 00:36:08,460

fellow man or fellow humans in this

825

00:36:13,190 --> 00:36:10,680

situation there were some there was some

826

00:36:15,170 --> 00:36:13,200

place I was trying to go with that

827

00:36:17,030 --> 00:36:15,180

I don't remember exactly

828

00:36:22,310 --> 00:36:17,040

exactly where it was

829

00:36:24,170 --> 00:36:22,320

um but going back to our our spiritual

830

00:36:25,490 --> 00:36:24,180

responsibilities

831

00:36:28,790 --> 00:36:25,500

mm-hmm

832

00:36:31,550 --> 00:36:28,800

I would say that

833

00:36:34,010 --> 00:36:31,560

it's

834

00:36:37,190 --> 00:36:34,020

one of the I just remembered at Leah I'm

835

00:36:40,030 --> 00:36:37,200

so sorry okay that because we are so

836

00:36:43,190 --> 00:36:40,040

behind the curve in

837

00:36:46,010 --> 00:36:43,200

admitting that this is ongoing and

838

00:36:49,550 --> 00:36:46,020

having a dedicated effort and a

839

00:36:53,630 --> 00:36:49,560

dedicated force that is well funded and

840

00:36:57,170 --> 00:36:53,640

well supported to to try to analyze

841

00:37:00,589 --> 00:36:57,180

what's actually going on and who the cat

842

00:37:02,030 --> 00:37:00,599

who is having contact with home then we

843

00:37:05,510 --> 00:37:02,040

really don't have a very clear picture

844

00:37:08,510 --> 00:37:05,520

of what's going on okay I can I can tell

845

00:37:11,329 --> 00:37:08,520

you you know until I'm blue in the face

846

00:37:14,270 --> 00:37:11,339

um you know what different beings also

847

00:37:19,690 --> 00:37:14,280

but one of the things that I am working

848

00:37:25,670 --> 00:37:23,510

who is delivering which kinds of

849

00:37:27,890 --> 00:37:25,680

messages to us

850

00:37:29,630 --> 00:37:27,900

um where they may be coming from for

851
00:37:31,010 --> 00:37:29,640
what purpose you know what is motivating

852
00:37:35,390 --> 00:37:31,020
them

853
00:37:37,190 --> 00:37:35,400
um and other other signs in society that

854
00:37:39,650 --> 00:37:37,200
may support

855
00:37:41,210 --> 00:37:39,660
um interference or signs of interference

856
00:37:41,870 --> 00:37:41,220
you know

857
00:37:45,349 --> 00:37:41,880
um

858
00:37:49,069 --> 00:37:45,359
so I'm I'm working diligently at

859
00:37:52,069 --> 00:37:49,079
developing this methodology

860
00:37:53,390 --> 00:37:52,079
um kind of based on some of what I

861
00:37:56,030 --> 00:37:53,400
understood

862
00:37:57,410 --> 00:37:56,040
from from my time you know working in

863
00:38:00,410 --> 00:37:57,420

the IC some of the things that I've

864

00:38:03,950 --> 00:38:00,420

learned I'm trying to put that uh put

865

00:38:05,870 --> 00:38:03,960

that to play right away here I've been

866

00:38:08,990 --> 00:38:05,880

I've been doing this for a couple of

867

00:38:10,910 --> 00:38:09,000

years just and you it's very difficult

868

00:38:18,829 --> 00:38:10,920

in

869

00:38:21,530 --> 00:38:18,839

ton of them before you can reach any

870

00:38:24,290 --> 00:38:21,540

kind of conclusion so it's not like even

871

00:38:26,690 --> 00:38:24,300

if if I've had let's say I've had you

872

00:38:28,069 --> 00:38:26,700

know conscious contact once a year I'm

873

00:38:30,170 --> 00:38:28,079

just throwing this out there nobody get

874

00:38:32,390 --> 00:38:30,180

attached to this okay this is just a

875

00:38:34,849 --> 00:38:32,400

hypothetical I've had let's just say you

876

00:38:37,190 --> 00:38:34,859

know for the first 45 years of my life I

877

00:38:39,050 --> 00:38:37,200

had contact once a year and I

878

00:38:41,089 --> 00:38:39,060

experienced um some kind of conscious

879

00:38:43,670 --> 00:38:41,099

communication okay that certainly

880

00:38:46,010 --> 00:38:43,680

doesn't mean that as

881

00:38:48,349 --> 00:38:46,020

um the years have gone by

882

00:38:53,390 --> 00:38:48,359

um that this has been like a collective

883

00:38:55,130 --> 00:38:53,400

experience in my own mind okay because

884

00:38:57,470 --> 00:38:55,140

they

885

00:39:03,170 --> 00:39:00,430

it's very complicated

886

00:39:06,050 --> 00:39:03,180

it's very very complicated I guess what

887

00:39:08,750 --> 00:39:06,060

I'm trying to say is that the IC the

888

00:39:11,150 --> 00:39:08,760

government has a responsibility to get

889

00:39:13,609 --> 00:39:11,160

these experiences especially the ones

890

00:39:15,069 --> 00:39:13,619

from the IC

891

00:39:18,970 --> 00:39:15,079

together

892

00:39:22,930 --> 00:39:18,980

and get these communications

893

00:39:25,910 --> 00:39:22,940

on record and then put that up against

894

00:39:28,849 --> 00:39:25,920

the templates and matrices that we have

895

00:39:31,190 --> 00:39:28,859

out there uh because they do exist I

896

00:39:33,970 --> 00:39:31,200

already know that some of them exist

897

00:39:37,010 --> 00:39:33,980

that we could use to try to understand

898

00:39:39,410 --> 00:39:37,020

what is actually happening here and we

899

00:39:41,690 --> 00:39:39,420

aren't doing it and that's going to Bear

900

00:39:44,810 --> 00:39:41,700

to our own regret I do believe we have

901
00:39:47,329 --> 00:39:44,820
waited a very long time and I I think

902
00:39:49,730 --> 00:39:47,339
that that's that's a real crying shame

903
00:39:52,130 --> 00:39:49,740
now as far as spiritual responsibilities

904
00:39:56,569 --> 00:39:52,140
and people

905
00:39:59,690 --> 00:39:56,579
um one of the things that the the beings

906
00:40:03,530 --> 00:39:59,700
that I have been in contact want us to

907
00:40:06,290 --> 00:40:03,540
understand is that through

908
00:40:09,530 --> 00:40:06,300
through our meditation through through

909
00:40:14,329 --> 00:40:09,540
meditation and presence of mind

910
00:40:18,710 --> 00:40:14,339
and presence of attention Okay be really

911
00:40:20,450 --> 00:40:18,720
being mindfully attentive in a moment

912
00:40:23,390 --> 00:40:20,460
um and

913
00:40:28,490 --> 00:40:25,790

and and they're saying

914

00:40:29,990 --> 00:40:28,500

and recognizing their diversity in the

915

00:40:33,170 --> 00:40:30,000

forms of life

916

00:40:37,849 --> 00:40:33,180

will help to prepare everyone

917

00:40:40,310 --> 00:40:37,859

for the for for coming contact and that

918

00:40:42,410 --> 00:40:40,320

some of this that the contact will be

919

00:40:45,349 --> 00:40:42,420

experienced

920

00:40:48,470 --> 00:40:45,359

um through conscious communication that

921

00:40:51,829 --> 00:40:48,480

doesn't mean to say that that you won't

922

00:40:55,609 --> 00:40:51,839

visibly have

923

00:40:57,050 --> 00:40:55,619

um you know visual perception okay I'm

924

00:40:59,030 --> 00:40:57,060

not saying that and that you know

925

00:41:02,270 --> 00:40:59,040

everybody won't be able to see that I'm

926
00:41:07,190 --> 00:41:02,280
saying that when we we hear and

927
00:41:10,030 --> 00:41:07,200
communicate it will most likely with the

928
00:41:12,349 --> 00:41:10,040
vast majority of beings be through

929
00:41:14,089 --> 00:41:12,359
conscious communication

930
00:41:15,770 --> 00:41:14,099
that doesn't mean that they don't have

931
00:41:19,609 --> 00:41:15,780
language

932
00:41:21,770 --> 00:41:19,619
understand

933
00:41:23,870 --> 00:41:21,780
and beyond that

934
00:41:25,310 --> 00:41:23,880
um just real quick they're also saying I

935
00:41:27,050 --> 00:41:25,320
just have to they want me to throw this

936
00:41:30,290 --> 00:41:27,060
in there very quickly

937
00:41:33,370 --> 00:41:30,300
um to remind everyone that um the

938
00:41:38,030 --> 00:41:33,380

importance of meditation and recognizing

939

00:41:41,329 --> 00:41:38,040

uh the like the collectiveness of of the

940

00:41:43,069 --> 00:41:41,339

human Spirit the the human mind like the

941

00:41:49,670 --> 00:41:43,079

human

942

00:41:51,829 --> 00:41:49,680

um that we can collectively tap into

943

00:41:56,569 --> 00:41:51,839

this

944

00:41:59,390 --> 00:41:56,579

there's whatever is connecting all of us

945

00:42:01,970 --> 00:41:59,400

yeah the neurosphere

946

00:42:06,349 --> 00:42:03,829

um yeah that

947

00:42:09,170 --> 00:42:06,359

um that

948

00:42:12,589 --> 00:42:09,180

that we will recognize and be able to

949

00:42:13,790 --> 00:42:12,599

communicate with each other when we are

950

00:42:16,609 --> 00:42:13,800

scattered

951
00:42:18,050 --> 00:42:16,619
and no longer have

952
00:42:22,430 --> 00:42:18,060
um electricity

953
00:42:23,930 --> 00:42:22,440
at our hands oh that is that's a very

954
00:42:27,290 --> 00:42:23,940
scary proposition of not having

955
00:42:30,109 --> 00:42:27,300
electricity but uh but yeah I mean what

956
00:42:33,109 --> 00:42:30,119
could be better than uh than uh humans

957
00:42:35,690 --> 00:42:33,119
seeing in one another value instead of

958
00:42:39,410 --> 00:42:35,700
seeing oh this person's different or

959
00:42:41,630 --> 00:42:39,420
their Outlook or their their politics or

960
00:42:43,849 --> 00:42:41,640
their Lookout and you know the social

961
00:42:46,430 --> 00:42:43,859
framework of America you know that stuff

962
00:42:49,490 --> 00:42:46,440
is not important just you know seeing

963
00:42:51,530 --> 00:42:49,500

value in one another and uh you know

964

00:42:53,150 --> 00:42:51,540

somebody recently I heard said there is

965

00:42:55,970 --> 00:42:53,160

no them there's only us

966

00:42:59,030 --> 00:42:55,980

so um I can't remember where that was

967

00:43:00,710 --> 00:42:59,040

anyway uh I have a question from the

968

00:43:03,650 --> 00:43:00,720

inter first of all welcome to Linda

969

00:43:06,109 --> 00:43:03,660

Linda Thompson made it here with uh you

970

00:43:07,809 --> 00:43:06,119

know we tested 16 or 17 links in one of

971

00:43:10,730 --> 00:43:07,819

them great clumps

972

00:43:13,609 --> 00:43:10,740

awesome and uh I have one question from

973

00:43:15,470 --> 00:43:13,619

the internet for John before you go DJ I

974

00:43:18,710 --> 00:43:15,480

think DJ um sorry Leah may have to take

975

00:43:20,990 --> 00:43:18,720

off yeah I need to take off I just

976
00:43:22,910 --> 00:43:21,000
to jump in and say thank you to Anjali

977
00:43:25,790 --> 00:43:22,920
and to John for your considered and very

978
00:43:27,170 --> 00:43:25,800
thoughtful answers and as always thank

979
00:43:28,069 --> 00:43:27,180
you so much to the cabbies and to the

980
00:43:33,349 --> 00:43:28,079
fans

981
00:43:39,410 --> 00:43:36,470
and our actually ironically uh for John

982
00:43:42,230 --> 00:43:39,420
and Anjali our our new newer cabbie Matt

983
00:43:44,690 --> 00:43:42,240
who has a Bigfoot show is having a

984
00:43:48,050 --> 00:43:44,700
Bigfoot experencer on tonight that just

985
00:43:49,849 --> 00:43:48,060
had to get fed individuals like um I I

986
00:43:52,430 --> 00:43:49,859
really have tonight to be able to speak

987
00:43:54,050 --> 00:43:52,440
with you about this and I said Matt you

988
00:43:56,089 --> 00:43:54,060

know if you're getting this kind of a

989

00:43:57,890 --> 00:43:56,099

you know this kind of an experience you

990

00:43:59,870 --> 00:43:57,900

you know we'll see you later have a good

991

00:44:02,030 --> 00:43:59,880

show so that's that's what match

992

00:44:04,670 --> 00:44:02,040

recording but uh hopefully next time we

993

00:44:07,490 --> 00:44:04,680

see you guys you'll get to experience uh

994

00:44:09,890 --> 00:44:07,500

Matt uh he's he's a great cabbie

995

00:44:15,010 --> 00:44:09,900

um so we have this question from uh

996

00:44:21,290 --> 00:44:18,290

369-2525 and he said hi can you ask John

997

00:44:25,190 --> 00:44:21,300

how he knows about the arrival of our

998

00:44:27,109 --> 00:44:25,200

visitor friends in 2027. so sir would

999

00:44:29,270 --> 00:44:27,119

you John please

1000

00:44:31,670 --> 00:44:29,280

um yes that's not nothing official

1001
00:44:32,809 --> 00:44:31,680
um let me tell you about 2027. I was

1002
00:44:35,329 --> 00:44:32,819
asked that

1003
00:44:37,670 --> 00:44:35,339
um in a secure facility a skiff about

1004
00:44:40,010 --> 00:44:37,680
what I knew about 2027 because the word

1005
00:44:42,349 --> 00:44:40,020
in government is that something is going

1006
00:44:44,030 --> 00:44:42,359
to happen and that comes from not unique

1007
00:44:46,430 --> 00:44:44,040
government knowledge but they're

1008
00:44:48,589 --> 00:44:46,440
monitoring of social media their

1009
00:44:50,630 --> 00:44:48,599
contacts with Chris Chris Bledsoe and

1010
00:44:53,809 --> 00:44:50,640
everyone knows that Chris Bledsoe has

1011
00:44:56,030 --> 00:44:53,819
had the alphabet soup or the IC and the

1012
00:44:57,530 --> 00:44:56,040
federal government visiting him and it's

1013
00:44:58,450 --> 00:44:57,540

he's been very very

1014

00:45:01,730 --> 00:44:58,460

um

1015

00:45:03,530 --> 00:45:01,740

vocal about 2026 2027 something

1016

00:45:05,690 --> 00:45:03,540

happening and it's coming through as

1017

00:45:08,870 --> 00:45:05,700

well through channelers and experiencers

1018

00:45:11,150 --> 00:45:08,880

and so there's some marker in the

1019

00:45:13,370 --> 00:45:11,160

federal government in the ice in the

1020

00:45:15,710 --> 00:45:13,380

intelligence uh area that there's

1021

00:45:18,230 --> 00:45:15,720

something happening 2027.

1022

00:45:21,170 --> 00:45:18,240

um John you an experiencer do you have

1023

00:45:25,190 --> 00:45:21,180

you heard anything have you had have any

1024

00:45:28,250 --> 00:45:25,200

inkling about 2027 and I said well I

1025

00:45:30,410 --> 00:45:28,260

actually deferred and I told them um why

1026

00:45:32,089 --> 00:45:30,420

don't you like contact Anjali and

1027

00:45:33,829 --> 00:45:32,099

contact Chris Bledsoe because they

1028

00:45:37,010 --> 00:45:33,839

talked about those years

1029

00:45:39,770 --> 00:45:37,020

um as far as I'm concerned um I'm hoping

1030

00:45:42,109 --> 00:45:39,780

that 2027 would be uh the year where

1031

00:45:43,010 --> 00:45:42,119

they feel comfortable to arrive in

1032

00:45:44,809 --> 00:45:43,020

public

1033

00:45:46,970 --> 00:45:44,819

whereas you know the government already

1034

00:45:51,530 --> 00:45:46,980

knows of their existence the public does

1035

00:45:55,309 --> 00:45:51,540

not and I told these people in this

1036

00:45:58,250 --> 00:45:55,319

secure facility and it was in 2022 you

1037

00:46:00,470 --> 00:45:58,260

have five years to get everyone prepared

1038

00:46:03,109 --> 00:46:00,480

if you're going to do disclosure do it

1039

00:46:04,910 --> 00:46:03,119

now because if they do decide to show up

1040

00:46:08,930 --> 00:46:04,920

you're going to have a lot of explaining

1041

00:46:10,849 --> 00:46:08,940

to do I also mentioned uh louisando so

1042

00:46:13,250 --> 00:46:10,859

you know Lewis been saying that you know

1043

00:46:17,150 --> 00:46:13,260

in 2022 wait five years and all be out

1044

00:46:19,849 --> 00:46:17,160

yes yes well yes you said that yes and

1045

00:46:21,890 --> 00:46:19,859

he and so it's not just like I'll be out

1046

00:46:23,870 --> 00:46:21,900

what does that mean it's not just oh

1047

00:46:25,849 --> 00:46:23,880

we're gonna we're gonna disclose that

1048

00:46:28,309 --> 00:46:25,859

what you're seeing up in the sky is real

1049

00:46:30,710 --> 00:46:28,319

that that's not disclosure the real

1050

00:46:33,050 --> 00:46:30,720

disclosure is who's flying these got uh

1051

00:46:35,150 --> 00:46:33,060

these craft up in the air and um where

1052

00:46:37,730 --> 00:46:35,160

they come from and do we know about them

1053

00:46:40,550 --> 00:46:37,740

and according to Dr Gary Nolan who seems

1054

00:46:43,069 --> 00:46:40,560

extremely well connected that uh what he

1055

00:46:46,010 --> 00:46:43,079

stated is probably uh pretty close to

1056

00:46:48,650 --> 00:46:46,020

what the government actually knows but

1057

00:46:51,109 --> 00:46:48,660

they will need more than one voice

1058

00:46:53,990 --> 00:46:51,119

um other than Dr Gary Nolan to state

1059

00:46:56,510 --> 00:46:54,000

that in succession of people who have

1060

00:46:59,750 --> 00:46:56,520

the program clearances to actually back

1061

00:47:02,750 --> 00:46:59,760

up Dr Gary Nolan who is not an official

1062

00:47:05,930 --> 00:47:02,760

in the IC he is a consultant to the IC

1063

00:47:08,450 --> 00:47:05,940

so once we have officials in the IC and

1064

00:47:11,030 --> 00:47:08,460

in the Pentagon saying that it'll give

1065

00:47:12,650 --> 00:47:11,040

more Credence to uh their presence and

1066

00:47:15,190 --> 00:47:12,660

perhaps then we can have a discussion

1067

00:47:18,589 --> 00:47:15,200

about 2027.

1068

00:47:20,450 --> 00:47:18,599

uh you know I have ques I'm passing into

1069

00:47:22,730 --> 00:47:20,460

Deb right now because I've I have a

1070

00:47:24,710 --> 00:47:22,740

question of about that and but I'll wait

1071

00:47:27,109 --> 00:47:24,720

till it comes around um so Deb please go

1072

00:47:28,569 --> 00:47:27,119

ahead ma'am oh okay I think we skipped

1073

00:47:31,430 --> 00:47:28,579

Nathan so we have to go back today

1074

00:47:34,010 --> 00:47:31,440

Nathan but please go ahead uh please go

1075

00:47:36,109 --> 00:47:34,020

ahead okay yeah so I just wanted to like

1076

00:47:38,990 --> 00:47:36,119

I I've had a lot of different questions

1077

00:47:41,150 --> 00:47:39,000

come to my mind but the one that really

1078

00:47:43,130 --> 00:47:41,160

is catching me right now is all these

1079

00:47:45,710 --> 00:47:43,140

institutes that seem to be doing like a

1080

00:47:47,530 --> 00:47:45,720

tug of war with this topic we have the

1081

00:47:50,450 --> 00:47:47,540

White House pulled some things away

1082

00:47:52,490 --> 00:47:50,460

arrows doing some things the Navy was

1083

00:47:53,750 --> 00:47:52,500

doing some things the US Air Force is

1084

00:47:56,569 --> 00:47:53,760

pretending they're not doing anything

1085

00:47:59,510 --> 00:47:56,579

the space force is definitely doing

1086

00:48:02,270 --> 00:47:59,520

something NASA's about to talk to us on

1087

00:48:04,430 --> 00:48:02,280

the 31st so

1088

00:48:06,890 --> 00:48:04,440

um with all of that happening who should

1089

00:48:09,349 --> 00:48:06,900

we be turning to and what is the role of

1090

00:48:11,270 --> 00:48:09,359

places like the Monroe Institute who are

1091

00:48:13,790 --> 00:48:11,280

also trying to contribute to these

1092

00:48:16,250 --> 00:48:13,800

conversations is that for Anjali or John

1093

00:48:18,890 --> 00:48:16,260

both whoever wants to take it first I

1094

00:48:20,030 --> 00:48:18,900

know that either of you can answer this

1095

00:48:23,270 --> 00:48:20,040

one

1096

00:48:25,910 --> 00:48:23,280

I will defer to John first

1097

00:48:28,370 --> 00:48:25,920

okay um I'll take that

1098

00:48:30,170 --> 00:48:28,380

um so everyone should know that um you

1099

00:48:31,790 --> 00:48:30,180

know when the remote viewing program was

1100

00:48:33,170 --> 00:48:31,800

removed from the federal government one

1101

00:48:35,690 --> 00:48:33,180

of the hardest things to do in federal

1102

00:48:38,089 --> 00:48:35,700

government is to kill programs basically

1103

00:48:40,069 --> 00:48:38,099

what you do is uh you remove you move

1104

00:48:42,170 --> 00:48:40,079

the program into another office by

1105

00:48:44,870 --> 00:48:42,180

creating another office and hiding it

1106

00:48:46,730 --> 00:48:44,880

there and so you you never get rid of a

1107

00:48:49,609 --> 00:48:46,740

federal program once it started and for

1108

00:48:52,370 --> 00:48:49,619

remote viewing it was removed from the

1109

00:48:55,370 --> 00:48:52,380

federal government proper and Outsource

1110

00:48:59,270 --> 00:48:55,380

to outside organizations such as the

1111

00:49:01,670 --> 00:48:59,280

Monroe Institute such as I would also

1112

00:49:03,710 --> 00:49:01,680

add the farsight institute in Atlanta

1113

00:49:07,550 --> 00:49:03,720

as two organizations that are doing

1114

00:49:09,410 --> 00:49:07,560

remote viewing uh Dr Paul Smith has his

1115

00:49:11,150 --> 00:49:09,420

own organization and now you know

1116

00:49:12,170 --> 00:49:11,160

there's a international remote viewing

1117

00:49:14,390 --> 00:49:12,180

Association

1118

00:49:15,890 --> 00:49:14,400

and so a lot of remote viewing still

1119

00:49:18,109 --> 00:49:15,900

happens but it's outside the government

1120

00:49:19,550 --> 00:49:18,119

purview so that addresses Monroe

1121

00:49:21,890 --> 00:49:19,560

Institute they're very important because

1122

00:49:24,349 --> 00:49:21,900

they focus on Consciousness and

1123

00:49:26,930 --> 00:49:24,359

Consciousness is a major part of the

1124

00:49:29,569 --> 00:49:26,940

experience as well as a major part of

1125

00:49:32,329 --> 00:49:29,579

the physics of how they fly

1126

00:49:34,790 --> 00:49:32,339

um and so to answer your first part of

1127

00:49:36,890 --> 00:49:34,800

the question yeah this it seems like we

1128

00:49:41,150 --> 00:49:36,900

have a lot of cooks making one big mess

1129

00:49:43,130 --> 00:49:41,160

of a stew but they all have parts to

1130

00:49:45,290 --> 00:49:43,140

contribute because no one single

1131

00:49:48,349 --> 00:49:45,300

organization has it all

1132

00:49:50,329 --> 00:49:48,359

and if anyone has it all I would say the

1133

00:49:52,370 --> 00:49:50,339

Central Intelligence Agency probably is

1134

00:49:54,650 --> 00:49:52,380

that organization because they were

1135

00:49:57,109 --> 00:49:54,660

there from the very beginning

1136

00:49:59,030 --> 00:49:57,119

uh from the time of Roswell and perhaps

1137

00:50:02,930 --> 00:49:59,040

also the Navy because there was an

1138

00:50:05,210 --> 00:50:02,940

Office of Naval intelligence since 1882.

1139

00:50:06,950 --> 00:50:05,220

so they definitely has they've been

1140

00:50:08,630 --> 00:50:06,960

there since the beginning so these two

1141

00:50:10,910 --> 00:50:08,640

organizations I would pay attention to

1142

00:50:13,250 --> 00:50:10,920

now as far as like getting it all

1143

00:50:15,950 --> 00:50:13,260

together that's what the this disclosure

1144

00:50:19,430 --> 00:50:15,960

is all about that Dr Gary Nolan has been

1145

00:50:22,010 --> 00:50:19,440

hinting at that there will be this

1146

00:50:24,950 --> 00:50:22,020

admission by the government of what he

1147

00:50:26,809 --> 00:50:24,960

said about the craft being non-human and

1148

00:50:28,370 --> 00:50:26,819

the non-human presence they're finally

1149

00:50:31,130 --> 00:50:28,380

going to get it together

1150

00:50:33,290 --> 00:50:31,140

under one conductor

1151
00:50:35,569 --> 00:50:33,300
conducting the orchestra of many many

1152
00:50:38,510 --> 00:50:35,579
instruments playing their part and I

1153
00:50:41,150 --> 00:50:38,520
believe that conductor is actually the

1154
00:50:43,790 --> 00:50:41,160
intelligence Community Committees of the

1155
00:50:46,250 --> 00:50:43,800
U.S Congress and so who do we have to

1156
00:50:49,250 --> 00:50:46,260
thank for being the conductor as well uh

1157
00:50:52,010 --> 00:50:49,260
my hat's off to uh Senator Kristen

1158
00:50:53,990 --> 00:50:52,020
gillibran uh she's been very

1159
00:50:56,510 --> 00:50:54,000
instrumental in putting it all together

1160
00:50:58,190 --> 00:50:56,520
and she has a role to play as well as as

1161
00:50:59,930 --> 00:50:58,200
the conductor she can't play the

1162
00:51:01,609 --> 00:50:59,940
instruments but she knows the sheet of

1163
00:51:03,710 --> 00:51:01,619

music she's working from and she's

1164

00:51:06,230 --> 00:51:03,720

trying to get all these musicians to

1165

00:51:08,329 --> 00:51:06,240

play the same sheet of music

1166

00:51:09,770 --> 00:51:08,339

um their part whatever instruments

1167

00:51:11,270 --> 00:51:09,780

they're bringing to the symphony so

1168

00:51:15,230 --> 00:51:11,280

that's what's going to happen at the uh

1169

00:51:19,549 --> 00:51:16,849

um Anjali if you have something on that

1170

00:51:23,390 --> 00:51:19,559

uh please go ahead ma'am

1171

00:51:25,970 --> 00:51:23,400

I I don't have anything of of real value

1172

00:51:29,690 --> 00:51:25,980

to add um I'm not surprised you know

1173

00:51:30,770 --> 00:51:29,700

that we have a tug of war uh when you

1174

00:51:32,150 --> 00:51:30,780

have

1175

00:51:42,290 --> 00:51:32,160

a

1176

00:51:44,210 --> 00:51:42,300

you would expect for it

1177

00:51:47,650 --> 00:51:44,220

to be this is my new thing lately

1178

00:51:52,849 --> 00:51:50,750

suddenly it just keeps coming

1179

00:51:56,210 --> 00:51:52,859

it works I'm telling you it's such a

1180

00:52:00,109 --> 00:51:56,220

great metaphor for so many things but

1181

00:52:02,450 --> 00:52:00,119

um but that's really a a

1182

00:52:04,010 --> 00:52:02,460

um a good way of looking at how they

1183

00:52:06,650 --> 00:52:04,020

pulled compartmented this is and

1184

00:52:08,690 --> 00:52:06,660

sometimes we can easily lose sight of

1185

00:52:11,089 --> 00:52:08,700

those programs over the years

1186

00:52:15,530 --> 00:52:11,099

um in in the IC outside of those that

1187

00:52:17,329 --> 00:52:15,540

are uh you know who are read into them

1188

00:52:19,190 --> 00:52:17,339

um simply because we stopped talking

1189

00:52:22,670 --> 00:52:19,200

about them and there's a turnover in

1190

00:52:27,069 --> 00:52:22,680

Workforce and blah blah blah and

1191

00:52:31,730 --> 00:52:29,690

thank you thank you very much for those

1192

00:52:33,950 --> 00:52:31,740

uh thoughtful answers and I know the

1193

00:52:35,510 --> 00:52:33,960

question I asked John Deb I think got

1194

00:52:37,490 --> 00:52:35,520

three or four people on Twitter that

1195

00:52:40,250 --> 00:52:37,500

asked her that same question so I think

1196

00:52:42,170 --> 00:52:40,260

we knock those out okay so now we have

1197

00:52:44,809 --> 00:52:42,180

about 30 minutes left we're probably

1198

00:52:46,490 --> 00:52:44,819

going to end up going over 15. so let's

1199

00:52:48,170 --> 00:52:46,500

try to shorten things up a little bit

1200

00:52:50,690 --> 00:52:48,180

because we actually do have a lot to get

1201

00:52:52,609 --> 00:52:50,700

to uh in in the time that we have

1202

00:52:54,109 --> 00:52:52,619

together this evening like I said uh

1203

00:52:56,569 --> 00:52:54,119

with the concurrence of our special

1204

00:52:58,730 --> 00:52:56,579

guests we might go over 15 minutes but

1205

00:53:00,589 --> 00:52:58,740

we still gotta just tighten it up a

1206

00:53:03,109 --> 00:53:00,599

little bit so Nathan please go ahead sir

1207

00:53:06,290 --> 00:53:03,119

and then we'll go to uh Linda

1208

00:53:08,690 --> 00:53:06,300

sure uh yeah so we live in a time where

1209

00:53:10,910 --> 00:53:08,700

I I think it's fair to say a lot of the

1210

00:53:13,430 --> 00:53:10,920

people of the world have a have a

1211

00:53:16,069 --> 00:53:13,440

distrust of the institutions that that

1212

00:53:19,849 --> 00:53:16,079

that that are here

1213

00:53:22,849 --> 00:53:19,859

um and the distrust is only growing uh

1214

00:53:25,849 --> 00:53:22,859

it seems difficult to find a consensus

1215

00:53:27,650 --> 00:53:25,859

opinion on who to listen to and and

1216

00:53:29,569 --> 00:53:27,660

there's been a legacy particularly with

1217

00:53:32,270 --> 00:53:29,579

this topic of obfuscation and

1218

00:53:34,130 --> 00:53:32,280

disinformation and you know you you name

1219

00:53:36,950 --> 00:53:34,140

it so you can understand why a lot of

1220

00:53:38,990 --> 00:53:36,960

folks heads are are spinning uh

1221

00:53:42,049 --> 00:53:39,000

sometimes when they hear about

1222

00:53:44,930 --> 00:53:42,059

institutions sort of taking the lead in

1223

00:53:47,270 --> 00:53:44,940

in this process and I was wondering you

1224

00:53:49,130 --> 00:53:47,280

know kind of broadly what are your

1225

00:53:51,290 --> 00:53:49,140

perspectives on whether or not

1226

00:53:54,770 --> 00:53:51,300

institutions can actually handle what

1227

00:53:57,109 --> 00:53:54,780

disclosure is or is it on some level a

1228

00:53:59,870 --> 00:53:57,119

deeply personal process that really only

1229

00:54:02,390 --> 00:53:59,880

can happen at an individual level what

1230

00:54:04,970 --> 00:54:02,400

is the role of the institution and the

1231

00:54:07,069 --> 00:54:04,980

individual here

1232

00:54:09,170 --> 00:54:07,079

and I guess I'll pass to John first and

1233

00:54:12,290 --> 00:54:09,180

I definitely want to hear from Anjali so

1234

00:54:14,450 --> 00:54:12,300

okay um real quickly now um I would say

1235

00:54:17,270 --> 00:54:14,460

that after disclosure happens by the

1236

00:54:19,250 --> 00:54:17,280

government to remove the stigma that

1237

00:54:21,470 --> 00:54:19,260

there are actually non-human craft

1238

00:54:23,569 --> 00:54:21,480

flying in our skies and that there are

1239

00:54:25,849 --> 00:54:23,579

non-human beings the presence of

1240

00:54:27,530 --> 00:54:25,859

non-human beings on our planet

1241

00:54:28,730 --> 00:54:27,540

um from there the institutions can take

1242

00:54:31,309 --> 00:54:28,740

over because that's the biggest

1243

00:54:32,870 --> 00:54:31,319

stumbling block right now is that the

1244

00:54:35,809 --> 00:54:32,880

government will not admit what it has

1245

00:54:37,790 --> 00:54:35,819

known for decades for decades and once

1246

00:54:40,670 --> 00:54:37,800

the government emits first they have to

1247

00:54:43,250 --> 00:54:40,680

admit that yes we've lied and the

1248

00:54:46,250 --> 00:54:43,260

government has lied and yes we cannot

1249

00:54:48,349 --> 00:54:46,260

now acknowledge what you've suspected

1250

00:54:50,569 --> 00:54:48,359

and known all along

1251
00:54:52,430 --> 00:54:50,579
um everyone here listening to us who are

1252
00:54:54,470 --> 00:54:52,440
into this topic they're going to listen

1253
00:54:56,210 --> 00:54:54,480
to it and say gee that wasn't nothing

1254
00:54:58,130 --> 00:54:56,220
Burger I already knew that but think

1255
00:55:00,710 --> 00:54:58,140
about the 8 billion people on the planet

1256
00:55:03,109 --> 00:55:00,720
we're trying to reach the rest of the

1257
00:55:06,470 --> 00:55:03,119
planet not just the enthusiasts who are

1258
00:55:08,150 --> 00:55:06,480
now tuning in to calling all beings

1259
00:55:09,890 --> 00:55:08,160
um those are the people we're trying to

1260
00:55:11,329 --> 00:55:09,900
reach because we want to have a global

1261
00:55:13,370 --> 00:55:11,339
discourse and that's when the other

1262
00:55:14,630 --> 00:55:13,380
institutions come in and we're talking

1263
00:55:16,069 --> 00:55:14,640

about

1264

00:55:19,250 --> 00:55:16,079

um uh religious beliefs we're talking

1265

00:55:22,790 --> 00:55:19,260

about sociologists psychologists

1266

00:55:25,609 --> 00:55:22,800

um Physical Therapy uh phys physiologist

1267

00:55:29,150 --> 00:55:25,619

um therapists and everything else in in

1268

00:55:31,910 --> 00:55:29,160

society including the the scientists who

1269

00:55:34,190 --> 00:55:31,920

uh will have to relearn the science they

1270

00:55:36,530 --> 00:55:34,200

were taught and the rest of us will have

1271

00:55:38,569 --> 00:55:36,540

to relearn the history that we've been

1272

00:55:40,010 --> 00:55:38,579

taught and I think the institutions can

1273

00:55:42,950 --> 00:55:40,020

take over from there and that's why I

1274

00:55:44,750 --> 00:55:42,960

support the uh project Titan initiative

1275

00:55:46,809 --> 00:55:44,760

by San Marino going to the United

1276
00:55:49,970 --> 00:55:46,819
Nations that's where it needs to happen

1277
00:55:51,589 --> 00:55:49,980
and I told the folks in government doing

1278
00:55:54,410 --> 00:55:51,599
this disclosure and you know if you guys

1279
00:55:55,970 --> 00:55:54,420
just talk about the non-human beings and

1280
00:55:59,329 --> 00:55:55,980
you talk about the non-human craft and

1281
00:56:01,490 --> 00:55:59,339
don't show what you have it's it's back

1282
00:56:03,349 --> 00:56:01,500
to square one you guys got to release

1283
00:56:06,109 --> 00:56:03,359
everything you have and let civilian

1284
00:56:08,630 --> 00:56:06,119
scientists in Academia global really

1285
00:56:10,370 --> 00:56:08,640
look at what you have and maybe they can

1286
00:56:12,589 --> 00:56:10,380
come up with something better than this

1287
00:56:14,630 --> 00:56:12,599
flying triangle that's a spy plane the

1288
00:56:16,730 --> 00:56:14,640

Air Force wants to keep hidden and so

1289

00:56:18,770 --> 00:56:16,740

that's my quick answer uh to that there

1290

00:56:21,710 --> 00:56:18,780

is a there is a role to play but after

1291

00:56:24,349 --> 00:56:21,720

after the government actually emits its

1292

00:56:25,569 --> 00:56:24,359

lied and we acknowledge that they're

1293

00:56:31,370 --> 00:56:25,579

here

1294

00:56:34,910 --> 00:56:31,380

she's raising the roof go ahead Anjali

1295

00:56:37,730 --> 00:56:34,920

I just I I just had to give him the Amen

1296

00:56:40,250 --> 00:56:37,740

on that um trying the black triangle and

1297

00:56:42,710 --> 00:56:40,260

I think that anybody who has been on

1298

00:56:45,470 --> 00:56:42,720

Twitter this week understands why I just

1299

00:56:47,530 --> 00:56:45,480

was it's been a wild strange strange

1300

00:56:51,370 --> 00:56:47,540

week but um

1301

00:56:54,829 --> 00:56:51,380

disclosure uh and uh

1302

00:56:57,349 --> 00:56:54,839

how how deeply personal

1303

00:56:58,250 --> 00:56:57,359

How Deeply personally will we experience

1304

00:57:00,410 --> 00:56:58,260

it

1305

00:57:02,390 --> 00:57:00,420

well

1306

00:57:06,470 --> 00:57:02,400

how deeply personal do you feel about

1307

00:57:08,270 --> 00:57:06,480

someone being in inside of your mind

1308

00:57:09,290 --> 00:57:08,280

directly communicating with your

1309

00:57:11,329 --> 00:57:09,300

consciousness

1310

00:57:12,890 --> 00:57:11,339

I'd say that's about as intimate As It

1311

00:57:16,069 --> 00:57:12,900

Gets

1312

00:57:18,170 --> 00:57:16,079

um it is a very intimate experience it's

1313

00:57:22,309 --> 00:57:18,180

and I don't mean intimate in any kind of

1314

00:57:26,210 --> 00:57:22,319

sexual way I mean it in a very emotional

1315

00:57:31,609 --> 00:57:29,390

um informational okay because you get so

1316

00:57:34,510 --> 00:57:31,619

much information from it

1317

00:57:37,069 --> 00:57:34,520

um it's it's an immersive experience

1318

00:57:38,690 --> 00:57:37,079

that uh

1319

00:57:43,970 --> 00:57:38,700

we

1320

00:57:45,849 --> 00:57:43,980

what does that mean

1321

00:57:50,270 --> 00:57:45,859

I have no idea

1322

00:57:53,630 --> 00:57:50,280

I had no idea what exactly it's going to

1323

00:57:56,870 --> 00:57:53,640

look like when people begin coming forth

1324

00:57:59,690 --> 00:57:56,880

and we We Begin having

1325

00:58:01,609 --> 00:57:59,700

um actual physical contact with beings

1326

00:58:03,950 --> 00:58:01,619

okay uh

1327

00:58:05,770 --> 00:58:03,960

I don't know what that's going to look

1328

00:58:09,589 --> 00:58:05,780

like

1329

00:58:11,690 --> 00:58:09,599

I suspect some things

1330

00:58:13,010 --> 00:58:11,700

um and

1331

00:58:16,130 --> 00:58:13,020

um

1332

00:58:18,470 --> 00:58:16,140

people aren't you know they're probably

1333

00:58:19,609 --> 00:58:18,480

not going to like the things that I

1334

00:58:22,490 --> 00:58:19,619

suspect

1335

00:58:25,730 --> 00:58:22,500

um this is not where yes we are going

1336

00:58:27,650 --> 00:58:25,740

into a very interesting period

1337

00:58:30,589 --> 00:58:27,660

um we are also going into a very

1338

00:58:33,290 --> 00:58:30,599

difficult period This is not going to be

1339

00:58:35,930 --> 00:58:33,300

a period without its struggles

1340

00:58:40,010 --> 00:58:35,940

um and without its enlightening moments

1341

00:58:42,650 --> 00:58:40,020

without its Revelations and I think that

1342

00:58:44,230 --> 00:58:42,660

um as long as

1343

00:58:47,150 --> 00:58:44,240

we all understand

1344

00:58:48,710 --> 00:58:47,160

that this is more than

1345

00:59:18,410 --> 00:58:48,720

a

1346

00:59:19,849 --> 00:59:18,420

this experience so uh you know if if XO

1347

00:59:22,069 --> 00:59:19,859

Academia can't make it happen for us

1348

00:59:25,250 --> 00:59:22,079

maybe Anjali can I don't know

1349

00:59:26,690 --> 00:59:25,260

um so um let's get Linda and then Julian

1350

00:59:28,970 --> 00:59:26,700

there with their questions and then

1351

00:59:31,490 --> 00:59:28,980

we're going to go into uh the round

1352

00:59:34,010 --> 00:59:31,500

table where we'll all bring

1353

00:59:36,349 --> 00:59:34,020

um put our topics out there one by one

1354

00:59:38,990 --> 00:59:36,359

onto the table including our guests of

1355

00:59:42,230 --> 00:59:39,000

honor uh Anjali and John or John Julie

1356

00:59:44,630 --> 00:59:42,240

so anyway go ahead Linda

1357

00:59:47,690 --> 00:59:44,640

um Julie wanted to go ahead you were

1358

00:59:53,990 --> 00:59:50,750

the sister from another mister go ahead

1359

00:59:57,890 --> 00:59:54,000

all right thank you sister Linda can you

1360

01:00:03,829 --> 01:00:00,289

okay well

1361

01:00:05,630 --> 01:00:03,839

as an experiencer and talking with other

1362

01:00:07,609 --> 01:00:05,640

experiences and listening to what Chris

1363

01:00:09,109 --> 01:00:07,619

Bledsoe has had to say and you well

1364

01:00:11,870 --> 01:00:09,119

actually

1365

01:00:14,569 --> 01:00:11,880

I I am

1366

01:00:16,430 --> 01:00:14,579

personally convinced that

1367

01:00:19,069 --> 01:00:16,440

they are so interested in the lady

1368

01:00:21,410 --> 01:00:19,079

because it is

1369

01:00:23,809 --> 01:00:21,420

Mother Earth it is Mother Earth

1370

01:00:26,589 --> 01:00:23,819

communicating with us it is the holy

1371

01:00:30,230 --> 01:00:26,599

spirit it is the female of the Trinity

1372

01:00:32,390 --> 01:00:30,240

it is what they are afraid to admit

1373

01:00:36,650 --> 01:00:32,400

because it will upset the apple cart of

1374

01:00:42,250 --> 01:00:39,770

something that communicates like you

1375

01:00:45,589 --> 01:00:42,260

said in your head it gets in your head

1376

01:00:47,450 --> 01:00:45,599

and it hears your thoughts it knows your

1377

01:00:50,150 --> 01:00:47,460

soul and

1378

01:00:53,089 --> 01:00:50,160

yes it has everything to do with

1379

01:00:55,910 --> 01:00:53,099

spirituality and I am wondering if the

1380

01:00:58,970 --> 01:00:55,920

IC Community has also picked up censor

1381

01:01:01,690 --> 01:00:58,980

readings as to something I believe that

1382

01:01:03,890 --> 01:01:01,700

it actually works with dark matter

1383

01:01:06,829 --> 01:01:03,900

quantum mechanics

1384

01:01:08,930 --> 01:01:06,839

that that is part of how it communicates

1385

01:01:11,750 --> 01:01:08,940

it's part of how it cloaks it's part of

1386

01:01:13,849 --> 01:01:11,760

how it manifests I mean even the sulfur

1387

01:01:16,190 --> 01:01:13,859

smell of things that come that people

1388

01:01:20,870 --> 01:01:16,200

say oh it's a demon that can just be

1389

01:01:22,490 --> 01:01:20,880

Alchemy you know I I I'm wondering if

1390

01:01:25,730 --> 01:01:22,500

y'all have

1391

01:01:29,870 --> 01:01:25,740

anything to say on that kind of matter

1392

01:01:32,510 --> 01:01:31,490

well

1393

01:01:35,270 --> 01:01:32,520

um

1394

01:01:37,430 --> 01:01:35,280

I I tell you what one of the things that

1395

01:01:39,770 --> 01:01:37,440

I absolutely loved that you saw Jules

1396

01:01:41,450 --> 01:01:39,780

that I could really relate to it

1397

01:01:43,430 --> 01:01:41,460

resonates with me

1398

01:01:46,910 --> 01:01:43,440

um was the idea that we're experiencing

1399

01:01:49,250 --> 01:01:46,920

all of this through quantum mechanics

1400

01:01:52,490 --> 01:01:49,260

um I

1401

01:01:54,349 --> 01:01:52,500

I agree I think that there is truly

1402

01:01:57,470 --> 01:01:54,359

something there

1403

01:01:58,670 --> 01:01:57,480

um I think that it has to do with the

1404

01:02:00,109 --> 01:01:58,680

breath

1405

01:02:02,750 --> 01:02:00,119

and we're always talking about the

1406

01:02:04,970 --> 01:02:02,760

importance ref

1407

01:02:07,309 --> 01:02:04,980

um and I think people are

1408

01:02:10,970 --> 01:02:07,319

misunderstanding

1409

01:02:12,230 --> 01:02:10,980

um it's it's not that it's because we

1410

01:02:16,130 --> 01:02:12,240

are

1411

01:02:18,170 --> 01:02:16,140

um we're just exchanging oxygen and

1412

01:02:21,470 --> 01:02:18,180

getting out carbon dioxide

1413

01:02:25,430 --> 01:02:21,480

I think it's that we are taking in

1414

01:02:28,549 --> 01:02:25,440

like we're getting feedback like like

1415

01:02:31,870 --> 01:02:28,559

it's a biosphere all right we're

1416

01:02:35,930 --> 01:02:31,880

breathing his life yeah breath is life

1417

01:02:38,630 --> 01:02:35,940

there is so much that is living in our

1418

01:02:40,910 --> 01:02:38,640

air there are there is there is so much

1419

01:02:43,549 --> 01:02:40,920

water in our air

1420

01:02:46,549 --> 01:02:43,559

and we already know that that water is

1421

01:02:50,450 --> 01:02:46,559

conscious water reacts to thoughts it

1422

01:02:54,230 --> 01:02:50,460

reacts to our intentions

1423

01:02:56,450 --> 01:02:54,240

um it responds to us emotionally and in

1424

01:03:00,470 --> 01:02:56,460

the way that it it in the way that it

1425

01:03:02,809 --> 01:03:00,480

shifts and changes under our focus and

1426

01:03:06,770 --> 01:03:02,819

our observation

1427

01:03:09,349 --> 01:03:06,780

um so it's life it too like air it's

1428

01:03:11,210 --> 01:03:09,359

yeah like water is in the air for the

1429

01:03:14,450 --> 01:03:11,220

love of Pete and we are breathing this

1430

01:03:17,270 --> 01:03:14,460

in and it's memory breathing in water is

1431

01:03:20,809 --> 01:03:17,280

in memory of of the whole universe I

1432

01:03:22,970 --> 01:03:20,819

mean it holds memory It's So Divine it's

1433

01:03:26,030 --> 01:03:22,980

so so

1434

01:03:27,349 --> 01:03:26,040

um I I tend to agree that I think that

1435

01:03:33,109 --> 01:03:27,359

that

1436

01:03:36,470 --> 01:03:33,119

clasp of learning a lot and I just hope

1437

01:03:39,230 --> 01:03:36,480

that that we that we continue that that

1438

01:03:42,109 --> 01:03:39,240

Progressive path forward

1439

01:03:43,849 --> 01:03:42,119

in a positive so so much I also love

1440

01:03:46,309 --> 01:03:43,859

where Jules said that Mother Earth is

1441

01:03:48,049 --> 01:03:46,319

communicating with us because uh that's

1442

01:03:49,849 --> 01:03:48,059

something that just personally resonates

1443

01:03:51,470 --> 01:03:49,859

with me also all right so we're gonna

1444

01:03:54,829 --> 01:03:51,480

get Linda in there and then we're gonna

1445

01:03:56,750 --> 01:03:54,839

get into the uh the the fireside chat

1446

01:03:58,849 --> 01:03:56,760

portion where everyone will throw their

1447

01:04:00,650 --> 01:03:58,859

topics out for the group and again let's

1448

01:04:02,089 --> 01:04:00,660

try to just just tight and tighten it up

1449

01:04:04,849 --> 01:04:02,099

just because we want to be respectful of

1450

01:04:07,910 --> 01:04:04,859

the time of our guests go ahead uh ma'am

1451

01:04:11,630 --> 01:04:07,920

okay I just want to say it's wonderful

1452

01:04:14,809 --> 01:04:11,640

being here with John and Anjali and

1453

01:04:17,450 --> 01:04:14,819

um really it's difficult to ask anything

1454

01:04:20,270 --> 01:04:17,460

very fast

1455

01:04:22,910 --> 01:04:20,280

um but do either one of you have any

1456

01:04:25,910 --> 01:04:22,920

experience flying The Craft

1457

01:04:31,670 --> 01:04:28,069

I could go first um

1458

01:04:34,730 --> 01:04:31,680

I have experiences writing the craft at

1459

01:04:35,690 --> 01:04:34,740

least two of them so I've been on board

1460

01:04:38,210 --> 01:04:35,700

one

1461

01:04:41,270 --> 01:04:38,220

um in terms of being examined but as far

1462

01:04:44,450 --> 01:04:41,280

as a craft and movement I do have very

1463

01:04:45,530 --> 01:04:44,460

very Vivid memories of being at least on

1464

01:04:48,530 --> 01:04:45,540

to craft

1465

01:04:50,870 --> 01:04:48,540

that were flying in our skies and so I

1466

01:04:53,030 --> 01:04:50,880

have that experience but I never was a

1467

01:04:56,630 --> 01:04:53,040

pilot of a craft

1468

01:04:58,309 --> 01:04:56,640

um in recent memory I did have a qhht or

1469

01:05:02,150 --> 01:04:58,319

Quantum healing hypnosis technique

1470

01:05:04,970 --> 01:05:02,160

session where I was flying a craft

1471

01:05:08,030 --> 01:05:04,980

um but I was not human I was an another

1472

01:05:10,970 --> 01:05:08,040

type of non-human being visiting this

1473

01:05:15,349 --> 01:05:10,980

planet a long long time ago so I have

1474

01:05:17,930 --> 01:05:15,359

that recovered qhst session memory

1475

01:05:21,530 --> 01:05:17,940

okay thank you a couple different

1476
01:05:23,450 --> 01:05:21,540
lifetimes awesome man and Linda I gotta

1477
01:05:26,510 --> 01:05:23,460
just to throw it back at you have you

1478
01:05:28,370 --> 01:05:26,520
flown the craft yes

1479
01:05:30,710 --> 01:05:28,380
may you don't even have your pilot's

1480
01:05:33,849 --> 01:05:30,720
license this is ridiculous all right

1481
01:05:39,289 --> 01:05:37,309
Linda but but the phenomenon does go

1482
01:05:41,990 --> 01:05:39,299
ahead Anjali

1483
01:05:43,309 --> 01:05:42,000
um I will have to say that I I don't

1484
01:05:46,730 --> 01:05:43,319
know

1485
01:05:48,670 --> 01:05:46,740
um I have

1486
01:05:51,650 --> 01:05:48,680
I have had

1487
01:05:53,210 --> 01:05:51,660
conscious communication with

1488
01:06:00,650 --> 01:05:53,220

a

1489

01:06:03,309 --> 01:06:00,660

um

1490

01:06:07,430 --> 01:06:03,319

who has shown me

1491

01:06:11,870 --> 01:06:07,440

how their craft works okay

1492

01:06:16,130 --> 01:06:11,880

and it has to do with their

1493

01:06:18,589 --> 01:06:16,140

their hand slipping into a mold

1494

01:06:20,030 --> 01:06:18,599

of some sort you know that's I don't

1495

01:06:23,089 --> 01:06:20,040

know if it's I think it's just

1496

01:06:26,329 --> 01:06:23,099

specifically for their their specific

1497

01:06:30,049 --> 01:06:26,339

um hand you know like a personal mold

1498

01:06:33,410 --> 01:06:30,059

um and and it's like three prongs but

1499

01:06:35,150 --> 01:06:33,420

it's like fingers okay and they slip in

1500

01:06:40,370 --> 01:06:35,160

and

1501
01:06:45,069 --> 01:06:40,380
of The Craft

1502
01:06:50,210 --> 01:06:45,079
and so suddenly the craft and the pilot

1503
01:06:52,609 --> 01:06:50,220
are ones one like one

1504
01:06:55,069 --> 01:06:52,619
hybrid you know

1505
01:06:56,930 --> 01:06:55,079
being for a little while they don't

1506
01:06:58,190 --> 01:06:56,940
remain that way

1507
01:07:01,670 --> 01:06:58,200
um but

1508
01:07:05,089 --> 01:07:01,680
so no I don't have that experience but I

1509
01:07:06,950 --> 01:07:05,099
have experienced it through them if that

1510
01:07:09,529 --> 01:07:06,960
makes sense okay

1511
01:07:11,270 --> 01:07:09,539
amazing and you know one of Linda's uh

1512
01:07:15,109 --> 01:07:11,280
connections

1513
01:07:18,289 --> 01:07:15,119

um ganga today told me that that skin of

1514

01:07:20,930 --> 01:07:18,299

The Craft has embedded wave guides in

1515

01:07:23,750 --> 01:07:20,940

the skin and therefore the pulses of or

1516

01:07:26,390 --> 01:07:23,760

signals of uh or electricity that runs

1517

01:07:28,370 --> 01:07:26,400

that craft runs through those wavegues

1518

01:07:30,589 --> 01:07:28,380

and I found that fascinating because

1519

01:07:32,329 --> 01:07:30,599

that seems like the way you would do it

1520

01:07:35,569 --> 01:07:32,339

if you were you know that advanced so

1521

01:07:37,789 --> 01:07:35,579

it's fascinating uh okay so we've been

1522

01:07:39,829 --> 01:07:37,799

through everybody am I right money

1523

01:07:42,349 --> 01:07:39,839

I think so yeah yeah

1524

01:07:45,890 --> 01:07:42,359

um I'll save my question for after maybe

1525

01:07:49,490 --> 01:07:45,900

we'll if we can get through uh uh I

1526

01:07:50,990 --> 01:07:49,500

because I do have a a question but uh um

1527

01:07:52,849 --> 01:07:51,000

I'm not sure if I should we should go

1528

01:07:55,549 --> 01:07:52,859

through the round table and I'll get

1529

01:07:56,750 --> 01:07:55,559

mine and what are you thinking Nathan

1530

01:07:59,210 --> 01:07:56,760

um yeah whatever you what do you think

1531

01:08:02,329 --> 01:07:59,220

is best all right um I'll throw this in

1532

01:08:03,170 --> 01:08:02,339

there real quick to Anjali and John

1533

01:08:05,210 --> 01:08:03,180

um

1534

01:08:07,370 --> 01:08:05,220

you know what no I'll I'll

1535

01:08:09,529 --> 01:08:07,380

um I'll save that for uh I'll save this

1536

01:08:11,750 --> 01:08:09,539

one for the uh the question for the

1537

01:08:14,150 --> 01:08:11,760

round table so let's let's go right into

1538

01:08:16,370 --> 01:08:14,160

it and I

1539

01:08:18,169 --> 01:08:16,380

we can start with would you like to

1540

01:08:20,209 --> 01:08:18,179

start with your topic John and then

1541

01:08:21,650 --> 01:08:20,219

Anjali and then we'll go through the

1542

01:08:24,050 --> 01:08:21,660

cabbies or would you like to get the

1543

01:08:26,689 --> 01:08:24,060

cabbies uh topics first you don't care

1544

01:08:28,610 --> 01:08:26,699

doesn't matter okay John go ahead and

1545

01:08:30,289 --> 01:08:28,620

start us off we'll go through the guests

1546

01:08:32,030 --> 01:08:30,299

of honor first and then we'll just go

1547

01:08:33,890 --> 01:08:32,040

down through the cabbies and and our

1548

01:08:36,550 --> 01:08:33,900

guest cabin tonight Linda

1549

01:08:39,289 --> 01:08:36,560

okay I'm very happy to be here this is

1550

01:08:41,570 --> 01:08:39,299

almost one of my last interviews I'll do

1551
01:08:44,390 --> 01:08:41,580
until after disclosure

1552
01:08:47,410 --> 01:08:44,400
um in this entire week I was

1553
01:08:51,169 --> 01:08:47,420
um involved in a series of talks

1554
01:08:52,930 --> 01:08:51,179
sponsored by Dr Jack sarfati who's a

1555
01:08:55,970 --> 01:08:52,940
physicist who worked with the CIA and

1556
01:08:58,249 --> 01:08:55,980
understands the mechanics and the

1557
01:09:00,470 --> 01:08:58,259
quantum characteristics of of these

1558
01:09:02,809 --> 01:09:00,480
craft and how they work and this morning

1559
01:09:04,610 --> 01:09:02,819
we had a great talk about the

1560
01:09:06,829 --> 01:09:04,620
Consciousness has Quantum

1561
01:09:08,809 --> 01:09:06,839
characteristics and physicists are

1562
01:09:11,930 --> 01:09:08,819
actually working on like a Quantum

1563
01:09:13,870 --> 01:09:11,940

equation to understand Consciousness and

1564

01:09:17,870 --> 01:09:13,880

you're absolutely right about the craft

1565

01:09:19,610 --> 01:09:17,880

having a Consciousness aspect to it and

1566

01:09:21,470 --> 01:09:19,620

the government actually knows that there

1567

01:09:24,229 --> 01:09:21,480

is a Consciousness aspect to the

1568

01:09:26,930 --> 01:09:24,239

phenomenon without the conscious aspect

1569

01:09:28,010 --> 01:09:26,940

all of this makes no sense whatsoever it

1570

01:09:33,330 --> 01:09:28,020

only makes sense when you add

1571

01:09:36,950 --> 01:09:35,269

[Music]

1572

01:09:40,390 --> 01:09:36,960

absolutely right

1573

01:09:43,010 --> 01:09:40,400

that um you know

1574

01:09:44,450 --> 01:09:43,020

right the amount of materials are

1575

01:09:48,349 --> 01:09:44,460

infused with

1576

01:09:50,269 --> 01:09:48,359

um uh wave guides that respond in a very

1577

01:09:52,370 --> 01:09:50,279

small short wavelength uh in the

1578

01:09:54,350 --> 01:09:52,380

terahertz wavelength and something about

1579

01:09:56,689 --> 01:09:54,360

the amount of materials and that freak

1580

01:09:57,490 --> 01:09:56,699

that wavelength of electromagnetic

1581

01:10:01,189 --> 01:09:57,500

energy

1582

01:10:03,890 --> 01:10:01,199

causes uh interesting effects causes it

1583

01:10:06,709 --> 01:10:03,900

to actually have those characteristics

1584

01:10:09,290 --> 01:10:06,719

those five observables using very little

1585

01:10:10,910 --> 01:10:09,300

energy very little energy and that's

1586

01:10:13,250 --> 01:10:10,920

something that's seriously being talked

1587

01:10:14,450 --> 01:10:13,260

about so I'll leave it with that thank

1588

01:10:19,130 --> 01:10:14,460

you

1589

01:10:21,590 --> 01:10:19,140

all right so um I let um so we're gonna

1590

01:10:23,209 --> 01:10:21,600

just comment on that uh because that's

1591

01:10:25,790 --> 01:10:23,219

basically what it is is they're sort of

1592

01:10:29,209 --> 01:10:25,800

like conversation starters so go for me

1593

01:10:31,550 --> 01:10:29,219

Angeline down through the cabbies I you

1594

01:10:33,350 --> 01:10:31,560

know this is a this is again what I

1595

01:10:36,410 --> 01:10:33,360

heard from somebody who's an experimenter

1596

01:10:39,709 --> 01:10:36,420

ganga today I believe that Linda knows

1597

01:10:42,050 --> 01:10:39,719

this person uh if I'm not mistaken and

1598

01:10:46,010 --> 01:10:42,060

it sounded very plausible and logical

1599

01:10:49,430 --> 01:10:46,020

because the way that we construct uh

1600

01:10:53,870 --> 01:10:49,440

aircraft and wire them today seems uh

1601
01:10:55,850 --> 01:10:53,880
extremely I guess archaic uh compared to

1602
01:10:58,390 --> 01:10:55,860
what I would think that how the

1603
01:11:02,149 --> 01:10:58,400
phenomenon would transfer information

1604
01:11:04,669 --> 01:11:02,159
signals pulses Direction

1605
01:11:06,169 --> 01:11:04,679
um uh information back and forth

1606
01:11:08,149 --> 01:11:06,179
throughout the craft it would seem to me

1607
01:11:10,970 --> 01:11:08,159
that it would be something like that so

1608
01:11:13,310 --> 01:11:10,980
it's interesting that that is where uh

1609
01:11:16,070 --> 01:11:13,320
that the you've verified that the

1610
01:11:17,270 --> 01:11:16,080
community is headed in that direction

1611
01:11:19,250 --> 01:11:17,280
um go ahead Anjali do you have anything

1612
01:11:22,090 --> 01:11:19,260
on that map

1613
01:11:23,950 --> 01:11:22,100

oh my goodness I mean

1614

01:11:26,930 --> 01:11:23,960

come on

1615

01:11:28,370 --> 01:11:26,940

she's like I've I've designed this in

1616

01:11:33,770 --> 01:11:28,380

the easel in the other room I could draw

1617

01:11:37,250 --> 01:11:35,810

okay I could I could talk for a couple

1618

01:11:39,050 --> 01:11:37,260

of days but

1619

01:11:43,130 --> 01:11:39,060

um I think that everybody's pretty much

1620

01:11:45,050 --> 01:11:43,140

aware of where I stand on on this being

1621

01:12:16,930 --> 01:11:45,060

a

1622

01:12:20,570 --> 01:12:16,940

um

1623

01:12:24,410 --> 01:12:20,580

the the

1624

01:12:31,430 --> 01:12:24,420

to

1625

01:12:33,050 --> 01:12:31,440

um and present it in the way that I

1626

01:12:36,169 --> 01:12:33,060

think would be

1627

01:12:38,750 --> 01:12:36,179

um best understood and and I haven't had

1628

01:12:41,990 --> 01:12:38,760

a platform to do that you know and so

1629

01:12:43,490 --> 01:12:42,000

let me do now is calling on me you will

1630

01:12:46,250 --> 01:12:43,500

bring you back for the entire hour you

1631

01:12:47,689 --> 01:12:46,260

can talk about it I'm sorry

1632

01:12:50,330 --> 01:12:47,699

so

1633

01:12:52,729 --> 01:12:50,340

um uh I am

1634

01:12:54,669 --> 01:12:52,739

I'm excited to

1635

01:12:57,770 --> 01:12:54,679

to be able to put together

1636

01:13:02,450 --> 01:12:57,780

these really what I what I hope will be

1637

01:13:05,570 --> 01:13:02,460

just explanatory videos with

1638

01:13:07,610 --> 01:13:05,580

um with other guests who will be able to

1639

01:13:10,970 --> 01:13:07,620

add

1640

01:13:14,750 --> 01:13:10,980

um you know their own insights into not

1641

01:13:16,669 --> 01:13:14,760

just my experience but the experience of

1642

01:13:21,830 --> 01:13:16,679

being contacted

1643

01:13:26,450 --> 01:13:21,840

by non-human entities okay so

1644

01:13:33,169 --> 01:13:29,630

without Consciousness there

1645

01:13:35,149 --> 01:13:33,179

there is nothing I mean there's just

1646

01:13:37,610 --> 01:13:35,159

everything is is consciousness that's

1647

01:13:39,910 --> 01:13:37,620

what we're doing here

1648

01:13:42,169 --> 01:13:39,920

um just we're learning and growing and

1649

01:13:47,209 --> 01:13:42,179

becoming and realizing that we already

1650

01:13:50,330 --> 01:13:47,219

are and we're we're shedding off layers

1651

01:13:52,189 --> 01:13:50,340

that don't belong to us and we're

1652

01:13:55,130 --> 01:13:52,199

reaffirming what does

1653

01:13:58,070 --> 01:13:55,140

and um I think it's a it's a beautiful

1654

01:14:01,130 --> 01:13:58,080

ride and uh there will be another

1655

01:14:03,649 --> 01:14:01,140

symbols aspect to it but golly gee I'm

1656

01:14:05,510 --> 01:14:03,659

I'm really not even kidding when I say

1657

01:14:10,070 --> 01:14:05,520

if that's where you're focusing you are

1658

01:14:11,689 --> 01:14:10,080

missing out uh on on really where the

1659

01:14:13,430 --> 01:14:11,699

bread and butter of all of this is going

1660

01:14:15,890 --> 01:14:13,440

to lead

1661

01:14:17,750 --> 01:14:15,900

yeah just both things are fascinating

1662

01:14:19,669 --> 01:14:17,760

you know to different archetypes you

1663

01:14:21,950 --> 01:14:19,679

know different persons find a different

1664

01:14:24,470 --> 01:14:21,960

aspect I I agree with you you know I

1665

01:14:26,209 --> 01:14:24,480

mean that awareness is going and the

1666

01:14:27,649 --> 01:14:26,219

connection between all of us and how

1667

01:14:29,510 --> 01:14:27,659

even they interact with the craft

1668

01:14:30,950 --> 01:14:29,520

Consciousness space but there are some

1669

01:14:32,870 --> 01:14:30,960

people you know that just read Popular

1670

01:14:34,490 --> 01:14:32,880

Science and Popular Mechanics and they

1671

01:14:36,290 --> 01:14:34,500

just want to know how does this Tech

1672

01:14:38,630 --> 01:14:36,300

work I mean that's what makes the world

1673

01:14:40,910 --> 01:14:38,640

go around is we're all different

1674

01:14:42,590 --> 01:14:40,920

um Nathan uh go ahead brother you want

1675

01:14:44,330 --> 01:14:42,600

to react to that real quick sure

1676

01:14:46,189 --> 01:14:44,340

actually and I kind of I'm just going to

1677

01:14:48,530 --> 01:14:46,199

connect it up with my own topic because

1678

01:14:51,169 --> 01:14:48,540

I think it's pretty similar I mean if if

1679

01:14:53,209 --> 01:14:51,179

what we're looking at here is an

1680

01:14:55,189 --> 01:14:53,219

upending of reality as we know it which

1681

01:14:56,990 --> 01:14:55,199

I think many of us would argue that's

1682

01:14:59,450 --> 01:14:57,000

exactly what's happening that the world

1683

01:15:01,550 --> 01:14:59,460

that we thought we understood is not the

1684

01:15:04,370 --> 01:15:01,560

way we understood it that reality is far

1685

01:15:06,050 --> 01:15:04,380

more complicated uh that it is far more

1686

01:15:08,450 --> 01:15:06,060

diverse that is teeming with life and

1687

01:15:10,610 --> 01:15:08,460

intelligence not just those that are on

1688

01:15:13,430 --> 01:15:10,620

a similar level of intelligence that

1689

01:15:15,830 --> 01:15:13,440

that we are other embodied beings but

1690

01:15:18,229 --> 01:15:15,840

those that aren't embodied and all in

1691

01:15:20,090 --> 01:15:18,239

between it's it's a a very sort of big

1692

01:15:23,090 --> 01:15:20,100

Zoo if you will

1693

01:15:26,090 --> 01:15:23,100

um how difficult is it going to be

1694

01:15:28,430 --> 01:15:26,100

for the average person to really get all

1695

01:15:29,149 --> 01:15:28,440

of that how much time is it going to

1696

01:15:32,270 --> 01:15:29,159

take

1697

01:15:33,890 --> 01:15:32,280

in your estimation to understand that

1698

01:15:36,649 --> 01:15:33,900

multifaceted

1699

01:15:39,770 --> 01:15:36,659

reality if in fact that is

1700

01:15:42,290 --> 01:15:39,780

what we are stepping toward

1701
01:15:44,990 --> 01:15:42,300
okay Debs that goes to you my friend

1702
01:15:47,090 --> 01:15:45,000
and then it'll go all the way around the

1703
01:15:48,830 --> 01:15:47,100
okay so I have to say that I have a

1704
01:15:51,110 --> 01:15:48,840
materialistic view of Consciousness

1705
01:15:54,169 --> 01:15:51,120
which is annoying to some people who

1706
01:15:58,250 --> 01:15:54,179
don't but I actually do think that

1707
01:15:59,990 --> 01:15:58,260
wavelengths light sound frequency em

1708
01:16:01,669 --> 01:16:00,000
terahertz

1709
01:16:04,250 --> 01:16:01,679
um that waveguide you were talking about

1710
01:16:06,290 --> 01:16:04,260
they're all intrical to all of this when

1711
01:16:08,810 --> 01:16:06,300
people talk about raising your vibration

1712
01:16:12,550 --> 01:16:08,820
and all that they don't even realize how

1713
01:16:14,990 --> 01:16:12,560

important that is because with these

1714

01:16:18,310 --> 01:16:15,000

wavelengths we can reach all the way

1715

01:16:20,510 --> 01:16:18,320

across the universe they just keep going

1716

01:16:23,090 --> 01:16:20,520

wavelengths control whether or not

1717

01:16:26,270 --> 01:16:23,100

something's even matter or sound or

1718

01:16:28,490 --> 01:16:26,280

light it goes back and forth so I think

1719

01:16:29,930 --> 01:16:28,500

that that is going to be the secret and

1720

01:16:32,030 --> 01:16:29,940

then I think once people really

1721

01:16:35,030 --> 01:16:32,040

understand that and they see that it's

1722

01:16:36,950 --> 01:16:35,040

not magic that it's a real scientific

1723

01:16:39,110 --> 01:16:36,960

thing because we're going to get it with

1724

01:16:41,930 --> 01:16:39,120

Quantum Computing and we're going to get

1725

01:16:44,570 --> 01:16:41,940

it with other examples as people keep

1726

01:16:47,330 --> 01:16:44,580

playing with it then they'll be able to

1727

01:16:49,430 --> 01:16:47,340

accept it as reality as you were saying

1728

01:16:51,110 --> 01:16:49,440

Nathan I'm tying it back to your

1729

01:16:53,450 --> 01:16:51,120

statement I think that when they

1730

01:16:55,010 --> 01:16:53,460

understand the science they'll

1731

01:16:56,450 --> 01:16:55,020

understand what's going on a little

1732

01:17:00,590 --> 01:16:56,460

better

1733

01:17:02,750 --> 01:17:00,600

awesome and uh so let's go to on this uh

1734

01:17:04,490 --> 01:17:02,760

we could go to Jules what what would you

1735

01:17:07,550 --> 01:17:04,500

like to say about Nathan's topic then

1736

01:17:12,110 --> 01:17:09,530

I think that they're going to have to

1737

01:17:14,270 --> 01:17:12,120

accept that dark matter is real

1738

01:17:17,209 --> 01:17:14,280

I think they're going to have to accept

1739

01:17:20,030 --> 01:17:17,219

that dark matter phenomenon has a lot to

1740

01:17:22,930 --> 01:17:20,040

do with all of this the Consciousness

1741

01:17:26,390 --> 01:17:22,940

aspect of it the manifestation

1742

01:17:28,250 --> 01:17:26,400

Consciousness underlies all matter

1743

01:17:30,350 --> 01:17:28,260

and

1744

01:17:33,410 --> 01:17:30,360

I believe that there is an entity

1745

01:17:35,630 --> 01:17:33,420

whether it be Mother Earth or some alien

1746

01:17:38,030 --> 01:17:35,640

civilization that can manipulate this

1747

01:17:40,430 --> 01:17:38,040

dark matter and it can make things

1748

01:17:43,090 --> 01:17:40,440

disappear it can make things appear it

1749

01:17:45,010 --> 01:17:43,100

can travel through time and dimensions

1750

01:17:47,330 --> 01:17:45,020

it it

1751

01:17:49,850 --> 01:17:47,340

explains an awful lot of everything

1752

01:17:52,550 --> 01:17:49,860

including the cold spots because it

1753

01:17:56,510 --> 01:17:52,560

sucks all the energy out before as it's

1754

01:17:59,330 --> 01:17:56,520

manifesting it is it I really think that

1755

01:18:03,590 --> 01:17:59,340

science is going to have to just man up

1756

01:18:07,550 --> 01:18:03,600

and say dark matter is real and quantum

1757

01:18:09,830 --> 01:18:07,560

mechanics is real and this is how

1758

01:18:11,090 --> 01:18:09,840

reality is just forget what you were

1759

01:18:14,390 --> 01:18:11,100

told

1760

01:18:16,070 --> 01:18:14,400

that's my opinion Dr Hein is so excited

1761

01:18:18,530 --> 01:18:16,080

right now that you just did the seasons

1762

01:18:20,390 --> 01:18:18,540

apartment go yeah right on girl that's

1763

01:18:22,030 --> 01:18:20,400

what I told you that's right you're out

1764

01:18:25,490 --> 01:18:22,040

here Martin

1765

01:18:28,910 --> 01:18:25,500

Fleischman Memorial project man

1766

01:18:33,649 --> 01:18:28,920

Martin Fleischman Memorial project

1767

01:18:36,350 --> 01:18:33,659

Linda uh how difficult uh will it be to

1768

01:18:38,090 --> 01:18:36,360

understand how much time will it take uh

1769

01:18:40,130 --> 01:18:38,100

for people to and if I understand tell

1770

01:18:43,130 --> 01:18:40,140

me if I got this wrong Nathan for people

1771

01:18:45,410 --> 01:18:43,140

to accept the multiple Dimensions that

1772

01:18:47,510 --> 01:18:45,420

the reality is beyond what they can just

1773

01:18:49,250 --> 01:18:47,520

see and feel and taste and hear and

1774

01:18:51,470 --> 01:18:49,260

touch is that correct Nathan you got it

1775

01:18:53,530 --> 01:18:51,480

brother okay

1776

01:18:57,649 --> 01:18:53,540

gosh I don't know

1777

01:19:00,110 --> 01:18:57,659

I mean if you take and I just there's so

1778

01:19:01,970 --> 01:19:00,120

many dimensions I don't exclude anything

1779

01:19:03,770 --> 01:19:01,980

in this

1780

01:19:06,310 --> 01:19:03,780

um we all

1781

01:19:11,149 --> 01:19:06,320

I think we all

1782

01:19:14,149 --> 01:19:11,159

intuitively in us realize

1783

01:19:16,189 --> 01:19:14,159

this Consciousness and realize that

1784

01:19:20,149 --> 01:19:16,199

there's different dimensions and

1785

01:19:22,370 --> 01:19:20,159

vibrations and frequencies but

1786

01:19:31,370 --> 01:19:25,850

we're so used to using other terminology

1787

01:19:35,270 --> 01:19:31,380

and other things to describe it you know

1788

01:19:39,169 --> 01:19:35,280

it's like feelings or gut reactions or

1789

01:19:41,270 --> 01:19:39,179

you know something's not right today or

1790

01:19:43,850 --> 01:19:41,280

whatever I mean that's the kind of stuff

1791

01:19:45,590 --> 01:19:43,860

you hear at offices all the time when

1792

01:19:49,490 --> 01:19:45,600

you're talking with people

1793

01:19:52,010 --> 01:19:49,500

so they're basically all sensing these

1794

01:19:56,090 --> 01:19:52,020

things they just don't have the language

1795

01:19:56,689 --> 01:19:56,100

or framework to put it in so

1796

01:19:59,530 --> 01:19:56,699

um

1797

01:20:02,209 --> 01:19:59,540

you know I think

1798

01:20:06,850 --> 01:20:02,219

everybody's different but I just say

1799

01:20:10,250 --> 01:20:06,860

don't make it an age situation because

1800

01:20:14,390 --> 01:20:10,260

age I don't think has anything to do

1801

01:20:15,830 --> 01:20:14,400

with this at all and that's one of my

1802

01:20:16,430 --> 01:20:15,840

concerns

1803

01:20:20,870 --> 01:20:16,440

um

1804

01:20:24,649 --> 01:20:20,880

you know so yeah it's all

1805

01:20:28,130 --> 01:20:24,659

Consciousness and quantum

1806

01:20:29,149 --> 01:20:28,140

it's just all together

1807

01:20:32,209 --> 01:20:29,159

John

1808

01:20:38,149 --> 01:20:34,610

how difficult how much time will it take

1809

01:20:40,970 --> 01:20:38,159

before people will accept the nature

1810

01:20:43,490 --> 01:20:40,980

that that there's a reality Beyond with

1811

01:20:46,970 --> 01:20:43,500

their sensing well I don't think of that

1812

01:20:48,410 --> 01:20:46,980

that long I think it'll uh within our

1813

01:20:52,189 --> 01:20:48,420

lifetimes

1814

01:20:54,130 --> 01:20:52,199

um I think the uh science science will

1815

01:20:55,970 --> 01:20:54,140

have to rewrite everything

1816

01:20:57,050 --> 01:20:55,980

philosophy will have to rethink

1817

01:20:59,209 --> 01:20:57,060

everything

1818

01:21:01,910 --> 01:20:59,219

and religions will have to re-preach

1819

01:21:03,709 --> 01:21:01,920

everything because what we think is real

1820

01:21:08,450 --> 01:21:03,719

has not been real

1821

01:21:13,010 --> 01:21:11,810

it without the Consciousness aspect of

1822

01:21:16,189 --> 01:21:13,020

any of this

1823

01:21:17,870 --> 01:21:16,199

um we can't make it work and so here's

1824

01:21:19,689 --> 01:21:17,880

these physicists this morning in Dr

1825

01:21:22,189 --> 01:21:19,699

Safari's group

1826

01:21:24,169 --> 01:21:22,199

who were talking about you know how

1827

01:21:25,850 --> 01:21:24,179

essential it is for Consciousness to

1828

01:21:27,649 --> 01:21:25,860

explain the phenomena

1829

01:21:29,390 --> 01:21:27,659

and these are physicists who are on The

1830

01:21:32,570 --> 01:21:29,400

Cutting Edge right and they're working

1831

01:21:34,130 --> 01:21:32,580

on like equations to make that happen

1832

01:21:35,810 --> 01:21:34,140

because you know they're still

1833

01:21:37,130 --> 01:21:35,820

physicists and they need to write

1834

01:21:39,649 --> 01:21:37,140

equations they need to formulate

1835

01:21:42,669 --> 01:21:39,659

equations to you know make it turn into

1836

01:21:45,110 --> 01:21:42,679

whatever whatever equals zero you know

1837

01:21:46,729 --> 01:21:45,120

and that's the goal of like theoretical

1838

01:21:49,550 --> 01:21:46,739

physics you got to get back to zero

1839

01:21:52,010 --> 01:21:49,560

somehow but they're doing a tremendous

1840

01:21:55,430 --> 01:21:52,020

amount of work and uh I know um they're

1841

01:21:58,610 --> 01:21:55,440

publishing these uh lectures

1842

01:22:02,890 --> 01:21:58,620

um I think uh through Ventura

1843

01:22:05,390 --> 01:22:02,900

and so through Tim Ventura's uh uh

1844

01:22:07,189 --> 01:22:05,400

Outlets you know you can you can see

1845

01:22:09,169 --> 01:22:07,199

this morning's lecture but it was it was

1846

01:22:11,630 --> 01:22:09,179

really brilliantly portrayed

1847

01:22:13,610 --> 01:22:11,640

of how they're thinking about it and so

1848

01:22:15,350 --> 01:22:13,620

that's the only comment I have and oh I

1849

01:22:18,169 --> 01:22:15,360

just want to leave with

1850

01:22:20,330 --> 01:22:18,179

um to Jules um you know this we used to

1851

01:22:24,410 --> 01:22:20,340

be a matriarchal world

1852

01:22:26,990 --> 01:22:24,420

until uh everything turned upside down

1853

01:22:29,330 --> 01:22:27,000

and uh so I don't blame any particular

1854

01:22:31,430 --> 01:22:29,340

religion uh but you know I used to be

1855

01:22:34,430 --> 01:22:31,440

Catholic I'm a Catholic and Perpetual

1856

01:22:36,530 --> 01:22:34,440

recovery and a lot of that patriarchy

1857

01:22:37,970 --> 01:22:36,540

came through there you know and we used

1858

01:22:40,430 --> 01:22:37,980

to be matriarchal

1859

01:22:42,350 --> 01:22:40,440

that's right and I think we go back one

1860

01:22:44,450 --> 01:22:42,360

of the things we might see is we'll turn

1861

01:22:46,130 --> 01:22:44,460

into a matriarchal globe

1862

01:22:47,990 --> 01:22:46,140

to in order to make any kind of progress

1863

01:22:50,149 --> 01:22:48,000

and at least have peace

1864

01:22:52,390 --> 01:22:50,159

well men have screwed it up uh royalty

1865

01:22:55,669 --> 01:22:52,400

oh yeah

1866

01:22:57,490 --> 01:22:55,679

uh anjalisa I think that would be a

1867

01:22:59,270 --> 01:22:57,500

beautiful thing

1868

01:23:01,910 --> 01:22:59,280

thank you

1869

01:23:04,669 --> 01:23:01,920

um Anjali so how how difficult uh will

1870

01:23:06,169 --> 01:23:04,679

it be how long will it take uh for

1871

01:23:07,790 --> 01:23:06,179

people to accept that there's an

1872

01:23:11,750 --> 01:23:07,800

alternate reality that's the nature of

1873

01:23:11,760 --> 01:23:18,950

um

1874

01:23:23,270 --> 01:23:20,149

I think

1875

01:23:25,370 --> 01:23:23,280

that there's a possibility

1876

01:23:29,689 --> 01:23:25,380

that it

1877

01:23:32,450 --> 01:23:29,699

won't take more than a few seconds

1878

01:23:36,709 --> 01:23:32,460

um to realize that

1879

01:23:39,530 --> 01:23:36,719

you need to let go of some really tight

1880

01:23:42,649 --> 01:23:39,540

paradigms that you've been hoping on to

1881

01:23:44,090 --> 01:23:42,659

I think it literally happens in a Split

1882

01:23:46,910 --> 01:23:44,100

Second

1883

01:23:48,169 --> 01:23:46,920

what happens for you beyond that that's

1884

01:23:48,709 --> 01:23:48,179

really

1885

01:23:50,990 --> 01:23:48,719

um

1886

01:23:53,229 --> 01:23:51,000

that's a different subject you know

1887

01:23:57,530 --> 01:23:53,239

that's where

1888

01:24:00,530 --> 01:23:57,540

mindfulness and uh being centered and

1889

01:24:01,370 --> 01:24:00,540

grounded is going to be so important for

1890

01:24:03,110 --> 01:24:01,380

you

1891

01:24:07,310 --> 01:24:03,120

um or for every one of us

1892

01:24:09,410 --> 01:24:07,320

um because it is it is

1893

01:24:11,149 --> 01:24:09,420

um how do I put it it's I guess

1894

01:24:16,390 --> 01:24:11,159

discombobulating

1895

01:24:19,850 --> 01:24:16,400

of a sudden you know we're going to have

1896

01:24:21,890 --> 01:24:19,860

a a press conference and beings come

1897

01:24:24,169 --> 01:24:21,900

forward and they introduce themselves

1898

01:24:29,890 --> 01:24:24,179

and we're all just sitting at our TVs

1899

01:24:34,669 --> 01:24:32,450

no that's not what it's going to be like

1900

01:24:37,550 --> 01:24:34,679

okay in

1901

01:24:40,250 --> 01:24:37,560

um you you will know

1902

01:24:42,110 --> 01:24:40,260

um they will they will speak to you

1903

01:24:42,770 --> 01:24:42,120

um you will see them

1904

01:24:46,310 --> 01:24:42,780

um

1905

01:24:48,050 --> 01:24:46,320

and how when

1906

01:24:50,570 --> 01:24:48,060

guys I don't know

1907

01:24:53,870 --> 01:24:50,580

but they

1908

01:24:56,810 --> 01:24:53,880

they give the impression that it will

1909

01:25:00,250 --> 01:24:56,820

happen quickly it will be Swift

1910

01:25:04,250 --> 01:25:00,260

and that's why they're trying

1911

01:25:06,530 --> 01:25:04,260

to warn us in a sense that we need to

1912

01:25:08,990 --> 01:25:06,540

prepare consciously

1913

01:25:11,090 --> 01:25:09,000

um because it can be incredibly

1914

01:25:14,270 --> 01:25:11,100

discombobulating

1915

01:25:16,250 --> 01:25:14,280

um and uh you know we can have some

1916

01:25:18,050 --> 01:25:16,260

pretty fragile psyches in these bodies

1917

01:25:19,790 --> 01:25:18,060

and um

1918

01:25:26,750 --> 01:25:19,800

it would be

1919

01:25:29,030 --> 01:25:26,760

some sort of grounding spiritual

1920

01:25:31,130 --> 01:25:29,040

practice what that looks like for you

1921

01:25:34,490 --> 01:25:31,140

you know I that's none of my business

1922

01:25:37,070 --> 01:25:34,500

that it really isn't that's in in an

1923

01:25:39,470 --> 01:25:37,080

individual decision

1924

01:25:42,770 --> 01:25:39,480

um and I'm not suggesting you take up a

1925

01:25:45,229 --> 01:25:42,780

religious practice okay I'm suggest you

1926

01:25:47,750 --> 01:25:45,239

to take up a spiritual practice where

1927

01:25:51,470 --> 01:25:47,760

you Ponder the nature of your own

1928

01:25:53,810 --> 01:25:51,480

existence the nature of the source of

1929

01:25:55,250 --> 01:25:53,820

Consciousness just start with those two

1930

01:25:57,530 --> 01:25:55,260

questions you don't have to get any

1931

01:25:59,930 --> 01:25:57,540

deeper than that just start with those

1932

01:26:03,370 --> 01:25:59,940

two questions and that that's pretty

1933

01:26:07,550 --> 01:26:05,870

I'm gonna tell you though Nathan I would

1934

01:26:10,370 --> 01:26:07,560

love to send them at you I would love to

1935

01:26:13,310 --> 01:26:10,380

see Chris Bledsoe Anjali and John go

1936

01:26:15,610 --> 01:26:13,320

like on a just a nighttime fishing trip

1937

01:26:19,250 --> 01:26:15,620

wouldn't you oh my God

1938

01:26:22,030 --> 01:26:19,260

yeah I'll fly on that wall fishing those

1939

01:26:28,070 --> 01:26:26,810

to use any actual hooks yeah you don't

1940

01:26:30,649 --> 01:26:28,080

have to you know you could just be out

1941

01:26:32,990 --> 01:26:30,659

there with the net okay yeah we need to

1942

01:26:34,129 --> 01:26:33,000

get you know Chris Angeline John go on a

1943

01:26:36,110 --> 01:26:34,139

fishing trip and then I want to hear

1944

01:26:39,290 --> 01:26:36,120

what happened after that

1945

01:26:41,330 --> 01:26:39,300

um okay so so it's it's down to me and

1946

01:26:42,770 --> 01:26:41,340

Nathan I think uh in answer to your

1947

01:26:44,149 --> 01:26:42,780

question I think it's going to run the

1948

01:26:46,550 --> 01:26:44,159

gamut

1949

01:26:49,189 --> 01:26:46,560

um I think uh you know if you you know

1950

01:26:51,530 --> 01:26:49,199

present company and folks that are sort

1951

01:26:54,169 --> 01:26:51,540

of like us and are sort of tribe of the

1952

01:26:56,689 --> 01:26:54,179

phenomenon or are very much ready to

1953

01:26:58,430 --> 01:26:56,699

accept uh what the nature of reality is

1954

01:27:01,010 --> 01:26:58,440

that we have not yet seen nor

1955

01:27:04,189 --> 01:27:01,020

experienced but are are welcome and open

1956

01:27:06,709 --> 01:27:04,199

to and I think something that Lynn Linda

1957

01:27:08,030 --> 01:27:06,719

may have alluded to is that you know

1958

01:27:10,010 --> 01:27:08,040

maybe some people are actually just

1959

01:27:12,470 --> 01:27:10,020

suppressing that that they believe that

1960

01:27:14,330 --> 01:27:12,480

this exists and there is a nature of

1961

01:27:16,490 --> 01:27:14,340

reality that they haven't experience

1962

01:27:17,930 --> 01:27:16,500

they believe it's out there but they

1963

01:27:19,669 --> 01:27:17,940

suppress it they don't want to talk

1964

01:27:22,610 --> 01:27:19,679

about it it's these things you don't

1965

01:27:25,310 --> 01:27:22,620

tell your friends at work about actually

1966

01:27:27,950 --> 01:27:25,320

earlier you know during some of anjali's

1967

01:27:30,950 --> 01:27:27,960

commentary talking about people in the

1968

01:27:33,229 --> 01:27:30,960

IC the culture and the climate that

1969

01:27:35,030 --> 01:27:33,239

exists there is an enormous amount of

1970

01:27:37,310 --> 01:27:35,040

Courage that would be necessary for

1971

01:27:39,590 --> 01:27:37,320

somebody to come out and say hey I need

1972

01:27:42,350 --> 01:27:39,600

to be interviewed about this I've had

1973

01:27:44,870 --> 01:27:42,360

experiences or I've experienced a

1974

01:27:48,310 --> 01:27:44,880

different part of reality that is very

1975

01:27:50,870 --> 01:27:48,320

very and John knows this I know this

1976

01:27:52,610 --> 01:27:50,880

Anjali knows this it's very difficult in

1977

01:27:54,169 --> 01:27:52,620

that climate to do that because now the

1978

01:27:57,050 --> 01:27:54,179

sudden you're different

1979

01:28:00,950 --> 01:27:57,060

so I think it's going to happen all

1980

01:28:04,129 --> 01:28:00,960

along the Spectrum Nathan until some

1981

01:28:06,530 --> 01:28:04,139

sort of irrefutable event happens that

1982

01:28:11,149 --> 01:28:06,540

is covered so widely that it can't be

1983

01:28:12,950 --> 01:28:11,159

ignored and then uh I think you know

1984

01:28:14,629 --> 01:28:12,960

there's going to be parts of society

1985

01:28:18,110 --> 01:28:14,639

that are going to have a lot of issues

1986

01:28:19,850 --> 01:28:18,120

with it probably most of society will

1987

01:28:22,850 --> 01:28:19,860

have a lot of issues with it because we

1988

01:28:24,410 --> 01:28:22,860

are the minority and not the majority

1989

01:28:26,810 --> 01:28:24,420

um and then there'll be sort of that

1990

01:28:28,910 --> 01:28:26,820

Center group that kind of thinks about

1991

01:28:30,530 --> 01:28:28,920

this but don't talk about it and then

1992

01:28:33,229 --> 01:28:30,540

there's going to be a group that you

1993

01:28:36,290 --> 01:28:33,239

know probably a a predominant group that

1994

01:28:38,689 --> 01:28:36,300

has no idea this exists and when or

1995

01:28:40,850 --> 01:28:38,699

they're confronted with it are going to

1996

01:28:43,610 --> 01:28:40,860

find it very difficult to manage that

1997

01:28:47,270 --> 01:28:43,620

that's my thought

1998

01:28:49,970 --> 01:28:47,280

all right uh was that okay Nathan

1999

01:28:52,370 --> 01:28:49,980

no it was great thank you okay let's go

2000

01:28:54,410 --> 01:28:52,380

to uh debs's topic and that one will go

2001

01:28:57,050 --> 01:28:54,420

around the room I feel like this is

2002

01:28:59,570 --> 01:28:57,060

actually tied in a little bit one of the

2003

01:29:01,910 --> 01:28:59,580

hardest things for

2004

01:29:05,570 --> 01:29:01,920

um people to accept is that experiencers

2005

01:29:08,030 --> 01:29:05,580

are having encounters with entities

2006

01:29:10,129 --> 01:29:08,040

um going back to what rupolt said that

2007

01:29:11,689 --> 01:29:10,139

when that was mentioned they essentially

2008

01:29:15,050 --> 01:29:11,699

took those reports and put them in the

2009

01:29:17,570 --> 01:29:15,060

trash he said that in his book when you

2010

01:29:19,189 --> 01:29:17,580

take a look at John Mack people said oh

2011

01:29:21,110 --> 01:29:19,199

you've gone native and they try to get

2012

01:29:25,310 --> 01:29:21,120

him out of Harvard

2013

01:29:28,430 --> 01:29:25,320

um do we think considering that the ndaa

2014

01:29:30,370 --> 01:29:28,440

did specify the physiological effects

2015

01:29:33,890 --> 01:29:30,380

and psychiatric effects would be

2016

01:29:37,550 --> 01:29:33,900

researched but Arrow hasn't mentioned

2017

01:29:39,709 --> 01:29:37,560

experiences one iota since

2018

01:29:43,129 --> 01:29:39,719

that the time for the experiencer has

2019

01:29:45,470 --> 01:29:43,139

come yet or is it also still being

2020

01:29:47,629 --> 01:29:45,480

thrown in the trash can

2021

01:29:50,510 --> 01:29:47,639

okay so the question is to just

2022

01:29:53,090 --> 01:29:50,520

contextualize it into a question is has

2023

01:29:54,950 --> 01:29:53,100

the time come for the experiencer in

2024

01:29:56,750 --> 01:29:54,960

terms of the icr has it just been thrown

2025

01:29:58,729 --> 01:29:56,760

in the trash can is that the question

2026

01:30:01,430 --> 01:29:58,739

that's what I'm concerned about because

2027

01:30:03,470 --> 01:30:01,440

it just seems to be the pattern and I

2028

01:30:06,229 --> 01:30:03,480

think it needs to change

2029

01:30:08,570 --> 01:30:06,239

okay so if that's going to Julie first

2030

01:30:11,030 --> 01:30:08,580

and then it'll go Linda and John and

2031

01:30:13,010 --> 01:30:11,040

Anjali and then uh myself and Nathan go

2032

01:30:14,450 --> 01:30:13,020

ahead Jules

2033

01:30:17,930 --> 01:30:14,460

what do you think they're considering

2034

01:30:20,629 --> 01:30:17,940

about experiences right now in the IC

2035

01:30:23,330 --> 01:30:20,639

I think they are trying to keep us out

2036

01:30:27,430 --> 01:30:23,340

of it as much as they possibly can

2037

01:30:30,770 --> 01:30:27,440

I don't think they are ready to face

2038

01:30:34,370 --> 01:30:30,780

experiencers at all

2039

01:30:35,629 --> 01:30:34,380

um it's time for us yes indeed

2040

01:30:38,330 --> 01:30:35,639

but

2041

01:30:41,270 --> 01:30:38,340

I have no idea how we're going to get

2042

01:30:42,470 --> 01:30:41,280

everybody on the same page even talking

2043

01:30:45,649 --> 01:30:42,480

about

2044

01:30:48,410 --> 01:30:45,659

things being actually real let alone

2045

01:30:52,250 --> 01:30:48,420

things actually being interacting with

2046

01:30:54,470 --> 01:30:52,260

people you know it it it

2047

01:30:56,030 --> 01:30:54,480

I have I have no clue how we're going to

2048

01:31:00,290 --> 01:30:56,040

do that that was going to be one of my

2049

01:31:02,930 --> 01:31:00,300

questions to to UIC people because I

2050

01:31:05,930 --> 01:31:02,940

don't know you can't throw Jewels right

2051
01:31:07,390 --> 01:31:05,940
we're human so you know that we are not

2052
01:31:10,610 --> 01:31:07,400
given to that that's not going to happen

2053
01:31:14,350 --> 01:31:10,620
just look at you yeah

2054
01:31:18,169 --> 01:31:14,360
I know I know and and

2055
01:31:20,689 --> 01:31:18,179
it it it boggles my mind and I don't

2056
01:31:23,390 --> 01:31:20,699
know how it's going to happen that that

2057
01:31:25,430 --> 01:31:23,400
they actually bring us

2058
01:31:27,770 --> 01:31:25,440
into the fold because right now we're

2059
01:31:29,689 --> 01:31:27,780
not in the fold experiencers aren't they

2060
01:31:33,169 --> 01:31:29,699
are trying their best just to push us

2061
01:31:34,669 --> 01:31:33,179
aside in a Corral and and not pay any

2062
01:31:37,070 --> 01:31:34,679
attention to us

2063
01:31:40,629 --> 01:31:37,080

as much as they possibly can

2064

01:31:46,250 --> 01:31:40,639

at least that's how I see it and and

2065

01:31:48,110 --> 01:31:46,260

I in my opinion you know we are it we

2066

01:31:50,450 --> 01:31:48,120

are the ones that this stuff has been

2067

01:31:54,350 --> 01:31:50,460

trying to interact with all our lives

2068

01:31:56,390 --> 01:31:54,360

and we're the ones who can help others

2069

01:31:59,149 --> 01:31:56,400

when they get interacted with because

2070

01:32:01,729 --> 01:31:59,159

we've been dealing with it for all our

2071

01:32:04,430 --> 01:32:01,739

lives you know we've already had the

2072

01:32:06,830 --> 01:32:04,440

ontological shock we've already had the

2073

01:32:09,470 --> 01:32:06,840

the pondering of the nature of reality

2074

01:32:11,709 --> 01:32:09,480

we've already had the spiritual

2075

01:32:15,770 --> 01:32:11,719

you know

2076

01:32:17,930 --> 01:32:15,780

desperation Dark Souls of the night and

2077

01:32:20,330 --> 01:32:17,940

all that and and hopefully come through

2078

01:32:21,830 --> 01:32:20,340

the other side without being insane you

2079

01:32:24,890 --> 01:32:21,840

know what I mean

2080

01:32:26,930 --> 01:32:24,900

and just one thing Jules whenever

2081

01:32:29,570 --> 01:32:26,940

someone says ontological shock on the

2082

01:32:34,270 --> 01:32:29,580

show everybody say XO and just go like

2083

01:32:34,280 --> 01:32:39,669

definitely excellent yeah

2084

01:32:47,930 --> 01:32:43,790

that's how I feel about it thank you

2085

01:32:53,390 --> 01:32:47,940

love I appreciate it Linda excellent

2086

01:32:54,830 --> 01:32:53,400

Jilly's on fire tonight yes she is okay

2087

01:32:59,030 --> 01:32:54,840

um

2088

01:33:02,149 --> 01:32:59,040

okay so I'm a mama bear when it comes to

2089

01:33:04,669 --> 01:33:02,159

protecting abductees and experiencers

2090

01:33:08,030 --> 01:33:04,679

and

2091

01:33:09,530 --> 01:33:08,040

I get very concerned

2092

01:33:13,209 --> 01:33:09,540

um because

2093

01:33:16,129 --> 01:33:13,219

I refuse to be treated as a guinea pig

2094

01:33:19,010 --> 01:33:16,139

and to be

2095

01:33:22,729 --> 01:33:19,020

treated like I'm some kind of Lab Rat

2096

01:33:25,550 --> 01:33:22,739

and I do not want abductees and

2097

01:33:30,770 --> 01:33:25,560

experiencers to be treated that way

2098

01:33:34,370 --> 01:33:30,780

I do believe based on very old documents

2099

01:33:37,850 --> 01:33:34,380

in the CI papers and other papers that

2100

01:33:42,010 --> 01:33:37,860

they are concerned about us

2101
01:33:43,550 --> 01:33:42,020
as far as what we're capable of doing

2102
01:33:44,330 --> 01:33:43,560
and

2103
01:33:47,629 --> 01:33:44,340
um

2104
01:33:50,209 --> 01:33:47,639
and I you know talking about the

2105
01:33:53,510 --> 01:33:50,219
collective Consciousness

2106
01:33:55,370 --> 01:33:53,520
um I don't know if you've ever been in a

2107
01:33:56,689 --> 01:33:55,380
room of

2108
01:33:58,570 --> 01:33:56,699
um

2109
01:34:01,430 --> 01:33:58,580
ah

2110
01:34:03,850 --> 01:34:01,440
abductees and experiencers that are

2111
01:34:06,649 --> 01:34:03,860
really tied in together

2112
01:34:09,250 --> 01:34:06,659
collectively but there's some really

2113
01:34:11,390 --> 01:34:09,260

bizarre things that can happen

2114

01:34:15,830 --> 01:34:11,400

you know

2115

01:34:17,810 --> 01:34:15,840

um I mean electricity everything and so

2116

01:34:19,209 --> 01:34:17,820

I don't think they really want to piss

2117

01:34:24,610 --> 01:34:19,219

us off

2118

01:34:27,649 --> 01:34:24,620

may not go well but anyway

2119

01:34:29,750 --> 01:34:27,659

I love it I don't want to piss you off

2120

01:34:32,390 --> 01:34:29,760

either uh let's go to John and then

2121

01:34:37,430 --> 01:34:32,400

Anjali and then Nathan or myself and

2122

01:34:42,830 --> 01:34:40,490

unmute uh it may surprise you that in

2123

01:34:45,530 --> 01:34:42,840

the odni there's a Microsoft surepoint

2124

01:34:48,470 --> 01:34:45,540

server which is the top secret SEI

2125

01:34:50,629 --> 01:34:48,480

equivalent of UFO Twitter where people

2126
01:34:52,189 --> 01:34:50,639
in the IC can post their experiences

2127
01:34:55,070 --> 01:34:52,199
you'd be surprised what's in that

2128
01:34:57,890 --> 01:34:55,080
database uh one of the people who came

2129
01:35:04,250 --> 01:34:57,900
forward recently wrote a letter to Mr

2130
01:35:07,729 --> 01:35:04,260
James Fox of the marina Brazil film Fame

2131
01:35:10,250 --> 01:35:07,739
um and he was uh sharing his experiences

2132
01:35:11,870 --> 01:35:10,260
in that and they found out about it and

2133
01:35:13,970 --> 01:35:11,880
you know they they talked to him and

2134
01:35:16,189 --> 01:35:13,980
they considered him serious and I'll

2135
01:35:17,810 --> 01:35:16,199
just leave it at that so um if you think

2136
01:35:19,370 --> 01:35:17,820
that

2137
01:35:20,570 --> 01:35:19,380
um the US government doesn't know about

2138
01:35:23,149 --> 01:35:20,580

experiences

2139

01:35:25,610 --> 01:35:23,159

um I said it before that outside of a

2140

01:35:27,169 --> 01:35:25,620

UFO convention or conference

2141

01:35:28,790 --> 01:35:27,179

um the most experiences I've ever met

2142

01:35:31,910 --> 01:35:28,800

were inside the intelligence community

2143

01:35:33,950 --> 01:35:31,920

and there are many many many of them and

2144

01:35:36,050 --> 01:35:33,960

many of them will be coming forward I

2145

01:35:38,209 --> 01:35:36,060

would say uh at least

2146

01:35:40,430 --> 01:35:38,219

four or more dozen people you'll hear

2147

01:35:43,910 --> 01:35:40,440

from uh toward the end of the year who

2148

01:35:46,189 --> 01:35:43,920

are who have had some encounters and

2149

01:35:47,390 --> 01:35:46,199

experiences with this phenomenon and

2150

01:35:48,950 --> 01:35:47,400

they're going to be very Frank about it

2151
01:35:52,430 --> 01:35:48,960
so

2152
01:35:54,410 --> 01:35:52,440
um yes we are taking seriously and uh

2153
01:35:56,270 --> 01:35:54,420
we're not treated

2154
01:35:59,330 --> 01:35:56,280
um as if there's something wrong with us

2155
01:36:03,169 --> 01:35:59,340
great um and actually uh The Havana

2156
01:36:04,550 --> 01:36:03,179
syndrome and skinwalker uh hitchhiker

2157
01:36:08,030 --> 01:36:04,560
effect

2158
01:36:10,010 --> 01:36:08,040
um they they are like strange high

2159
01:36:11,990 --> 01:36:10,020
strangeness experiences

2160
01:36:13,610 --> 01:36:12,000
um and so you know they were taken

2161
01:36:16,790 --> 01:36:13,620
seriously maybe not at first but later

2162
01:36:18,830 --> 01:36:16,800
on they were and so I would say that you

2163
01:36:21,410 --> 01:36:18,840

know from the government standpoint

2164

01:36:24,050 --> 01:36:21,420

um they are aware that an encounter with

2165

01:36:26,090 --> 01:36:24,060

the phenomenon will result in some kind

2166

01:36:29,209 --> 01:36:26,100

of experience let's go to bed

2167

01:36:31,850 --> 01:36:29,219

and uh in fact you know we all know

2168

01:36:34,310 --> 01:36:31,860

about Axelrod and his family's

2169

01:36:37,189 --> 01:36:34,320

experiences with the bipedal wolf it was

2170

01:36:38,870 --> 01:36:37,199

written about in um The Skin Walkers of

2171

01:36:41,270 --> 01:36:38,880

the Pentagon book and that skin wants to

2172

01:36:43,910 --> 01:36:41,280

the Pentagon book which was

2173

01:36:46,129 --> 01:36:43,920

um actually approved by the defense

2174

01:36:48,729 --> 01:36:46,139

intelligence agency as being

2175

01:36:52,010 --> 01:36:48,739

unclassified is just full of experiences

2176
01:36:54,410 --> 01:36:52,020
in there including orbs of all colors

2177
01:36:56,689 --> 01:36:54,420
orange and blue and apparently bluers is

2178
01:36:59,090 --> 01:36:56,699
not a good orb to be encountering and

2179
01:37:02,510 --> 01:36:59,100
also that had uh

2180
01:37:04,250 --> 01:37:02,520
encounters with triangles and so right

2181
01:37:07,430 --> 01:37:04,260
there I mean

2182
01:37:10,550 --> 01:37:07,440
if that's in playing Black and White

2183
01:37:13,430 --> 01:37:10,560
that a book written by A dia officer was

2184
01:37:14,450 --> 01:37:13,440
about experiences related to Skinwalker

2185
01:37:16,910 --> 01:37:14,460
Ranch

2186
01:37:18,950 --> 01:37:16,920
so leave it at that thank you thank you

2187
01:37:21,229 --> 01:37:18,960
that's great to hear John I'm glad that

2188
01:37:23,629 --> 01:37:21,239

some of my fears are laid there and that

2189

01:37:25,430 --> 01:37:23,639

the fact that there is a SharePoint up

2190

01:37:27,229 --> 01:37:25,440

on a secret Network that they can share

2191

01:37:30,709 --> 01:37:27,239

their experiences that is brilliant

2192

01:37:34,910 --> 01:37:30,719

that's a huge step and um uh we do have

2193

01:37:38,689 --> 01:37:34,920

two Bigfoot experiences here uh Julian I

2194

01:37:40,610 --> 01:37:38,699

I believe Linda also has has had one and

2195

01:37:42,010 --> 01:37:40,620

there's a lot of orbs from people that

2196

01:37:44,330 --> 01:37:42,020

have I've heard a number of people

2197

01:37:47,330 --> 01:37:44,340

dozens of people out in the woods that

2198

01:37:50,030 --> 01:37:47,340

have experienced orbs uh when they're

2199

01:37:52,790 --> 01:37:50,040

out there uh camping out for bigfoot so

2200

01:37:54,470 --> 01:37:52,800

I'm not sure the connection but Anjali

2201

01:37:57,350 --> 01:37:54,480

please would you take that that that

2202

01:37:59,870 --> 01:37:57,360

question Deb's question about the IC

2203

01:38:04,310 --> 01:37:59,880

community and experiencers

2204

01:38:09,890 --> 01:38:05,629

I

2205

01:38:13,250 --> 01:38:09,900

broken record with this

2206

01:38:16,490 --> 01:38:13,260

but I think it's it's highly important

2207

01:38:18,410 --> 01:38:16,500

that as soon as possible that the IC

2208

01:38:22,129 --> 01:38:18,420

Community

2209

01:38:24,050 --> 01:38:22,139

um stands up a division that is devoted

2210

01:38:27,110 --> 01:38:24,060

to

2211

01:38:30,050 --> 01:38:27,120

um understanding the types of contact

2212

01:38:31,610 --> 01:38:30,060

that are occurring with individuals what

2213

01:38:34,850 --> 01:38:31,620

those beings are saying and we need to

2214

01:38:36,129 --> 01:38:34,860

be looking for patterns we need to be

2215

01:38:41,090 --> 01:38:36,139

um

2216

01:38:45,169 --> 01:38:41,100

uh we need to be assessing intentions

2217

01:38:46,510 --> 01:38:45,179

um and you know try to to predict what

2218

01:38:50,570 --> 01:38:46,520

they're going to be doing in the future

2219

01:38:52,970 --> 01:38:50,580

everything that the IC Community is

2220

01:38:58,250 --> 01:38:52,980

supposed to do we need to do we need to

2221

01:39:00,910 --> 01:38:58,260

do that with respect to these these

2222

01:39:03,850 --> 01:39:00,920

other life forms that are interacting

2223

01:39:07,669 --> 01:39:03,860

with human beings

2224

01:39:12,770 --> 01:39:07,679

very heavily in the IC community and so

2225

01:39:14,689 --> 01:39:12,780

for for me as as a a former member

2226

01:39:16,729 --> 01:39:14,699

um although it never really feels like

2227

01:39:19,610 --> 01:39:16,739

your your former you know I mean it's

2228

01:39:22,550 --> 01:39:19,620

kind of like just a lifelong way of

2229

01:39:23,410 --> 01:39:22,560

understanding and viewing the world and

2230

01:39:27,530 --> 01:39:23,420

um

2231

01:39:29,410 --> 01:39:27,540

there we have we have too many

2232

01:39:32,450 --> 01:39:29,420

experiencers

2233

01:39:36,890 --> 01:39:32,460

in the IC community

2234

01:39:38,750 --> 01:39:36,900

for it not to be significant and

2235

01:39:43,790 --> 01:39:38,760

purposeful

2236

01:39:46,129 --> 01:39:43,800

and if we aren't trying to answer the

2237

01:39:52,129 --> 01:39:46,139

question of what that purpose is

2238

01:39:53,750 --> 01:39:52,139

then then we cannot for a moment be be

2239

01:39:55,910 --> 01:39:53,760

claiming

2240

01:39:58,189 --> 01:39:55,920

um that we are practicing good Homeland

2241

01:40:01,490 --> 01:39:58,199

Security okay

2242

01:40:02,450 --> 01:40:01,500

um so just to bring it down to the basic

2243

01:40:04,550 --> 01:40:02,460

level

2244

01:40:06,290 --> 01:40:04,560

um the IC has a job to do and they

2245

01:40:08,270 --> 01:40:06,300

haven't done it and it's not their fault

2246

01:40:11,450 --> 01:40:08,280

they haven't been given the permission

2247

01:40:16,250 --> 01:40:11,460

the resources the funding

2248

01:40:18,110 --> 01:40:16,260

um and the the uh the Personnel the

2249

01:40:21,189 --> 01:40:18,120

actual Personnel

2250

01:40:24,830 --> 01:40:21,199

um and and I see I see a way

2251

01:40:27,830 --> 01:40:24,840

to to rectify that and um and I see a

2252

01:40:31,610 --> 01:40:27,840

path forward for for analyzing

2253

01:40:33,890 --> 01:40:31,620

um what what is happening

2254

01:40:36,790 --> 01:40:33,900

um and I think we can get we can get

2255

01:40:39,649 --> 01:40:36,800

pretty close but we can't do it without

2256

01:40:43,370 --> 01:40:39,659

experiencers period

2257

01:40:47,770 --> 01:40:43,380

if we don't interview experiences in

2258

01:40:50,390 --> 01:40:47,780

depth and start taking that information

2259

01:40:53,450 --> 01:40:50,400

like it is in treating it like it is

2260

01:40:56,149 --> 01:40:53,460

human intelligence that we are failing

2261

01:40:58,669 --> 01:40:56,159

We are failing We are failing

2262

01:41:01,070 --> 01:40:58,679

that's all I got to say yeah I don't

2263

01:41:03,410 --> 01:41:01,080

think I can add much to what John and

2264

01:41:06,350 --> 01:41:03,420

Anjali said other than maybe to point

2265

01:41:08,990 --> 01:41:06,360

out that there is at least it's

2266

01:41:11,450 --> 01:41:09,000

reportedly there are agencies that went

2267

01:41:13,010 --> 01:41:11,460

and interacted with Chris Bledsoe and

2268

01:41:15,590 --> 01:41:13,020

I'd like to believe that that

2269

01:41:17,750 --> 01:41:15,600

information that they gathered on

2270

01:41:21,050 --> 01:41:17,760

multiple interactions with him probably

2271

01:41:24,350 --> 01:41:21,060

didn't just get put into a mason jar but

2272

01:41:27,050 --> 01:41:24,360

that there is probably somewhere in the

2273

01:41:28,850 --> 01:41:27,060

dod somebody studying him and I don't

2274

01:41:34,010 --> 01:41:28,860

know that he's the only one

2275

01:41:35,990 --> 01:41:34,020

so I I suspect that there may be again I

2276

01:41:38,149 --> 01:41:36,000

don't know more than what what John and

2277

01:41:40,070 --> 01:41:38,159

Anjali know but I suspect that there may

2278

01:41:42,350 --> 01:41:40,080

be an office somewhere that is taking in

2279

01:41:44,629 --> 01:41:42,360

that data from sources that they deem

2280

01:41:46,970 --> 01:41:44,639

credible and I think we all know at this

2281

01:41:50,810 --> 01:41:46,980

panel here that there are many more

2282

01:41:52,550 --> 01:41:50,820

credible experiences Beyond them

2283

01:41:56,450 --> 01:41:52,560

um I'm going to throw my topic out there

2284

01:41:58,129 --> 01:41:56,460

because we have about 11 minutes left

2285

01:42:01,370 --> 01:41:58,139

um and see what you guys think of that

2286

01:42:03,470 --> 01:42:01,380

one and we'll take it to Nathan uh first

2287

01:42:06,290 --> 01:42:03,480

and then go around the table and as you

2288

01:42:09,050 --> 01:42:06,300

guys can see Hera the Black Panther has

2289

01:42:11,750 --> 01:42:09,060

decided to make an appearance hello Hera

2290

01:42:14,149 --> 01:42:11,760

and um there we go now she's probably

2291

01:42:17,090 --> 01:42:14,159

gonna dig her claws into my back all

2292

01:42:19,010 --> 01:42:17,100

right Hera let me see let's bring up my

2293

01:42:20,450 --> 01:42:19,020

notepad here

2294

01:42:21,770 --> 01:42:20,460

um okay

2295

01:42:25,129 --> 01:42:21,780

so

2296

01:42:26,510 --> 01:42:25,139

um this uh this question I guess this

2297

01:42:28,370 --> 01:42:26,520

question actually was for John and

2298

01:42:31,010 --> 01:42:28,380

Anjali but I I'm just going to take it

2299

01:42:34,790 --> 01:42:31,020

around the table to everybody

2300

01:42:36,350 --> 01:42:34,800

and do you think that uh a group of the

2301

01:42:39,830 --> 01:42:36,360

phenomenon

2302

01:42:42,109 --> 01:42:39,840

uh that that comes into play let's say

2303

01:42:44,390 --> 01:42:42,119

that is 2027.

2304

01:42:46,370 --> 01:42:44,400

do you think they will accept um

2305

01:42:50,990 --> 01:42:46,380

exercise a certain amount of control

2306

01:42:53,330 --> 01:42:51,000

over Humanity thereby removing agency

2307

01:42:55,129 --> 01:42:53,340

from Humanity

2308

01:42:58,550 --> 01:42:55,139

what do you think Nathan do you think

2309

01:43:01,070 --> 01:42:58,560

that there is a group or groups that

2310

01:43:05,450 --> 01:43:01,080

will decide to exercise some control

2311

01:43:09,229 --> 01:43:05,460

over us as humans and remove some of our

2312

01:43:10,910 --> 01:43:09,239

agency maybe all what's your thought

2313

01:43:12,590 --> 01:43:10,920

yeah it's an interesting question I

2314

01:43:15,109 --> 01:43:12,600

think this sort of gets to me at least

2315

01:43:17,270 --> 01:43:15,119

to the um the way in which our

2316

01:43:18,890 --> 01:43:17,280

understanding of of reality is actually

2317

01:43:20,810 --> 01:43:18,900

kind of busted and broken I don't know

2318

01:43:23,270 --> 01:43:20,820

that they even think like that I don't

2319

01:43:26,209 --> 01:43:23,280

know that it really I don't either yeah

2320

01:43:28,790 --> 01:43:26,219

so I I I and I'm sure Anjali and John

2321

01:43:32,149 --> 01:43:28,800

have more to say on this but I I think

2322

01:43:36,709 --> 01:43:34,790

to to many of us it might look like that

2323

01:43:38,510 --> 01:43:36,719

like I could see why we might have that

2324

01:43:40,609 --> 01:43:38,520

impression or as we speculate about it

2325

01:43:42,830 --> 01:43:40,619

that's something we would speculate that

2326

01:43:44,750 --> 01:43:42,840

would happen that's a very in a way kind

2327

01:43:46,910 --> 01:43:44,760

of almost an Antiquated you know

2328

01:43:49,790 --> 01:43:46,920

anthropomorphic way of looking at this

2329

01:43:52,010 --> 01:43:49,800

sort of you know relationship but uh

2330

01:43:54,229 --> 01:43:52,020

based on what many have said not just

2331

01:43:56,570 --> 01:43:54,239

those here tonight the the kind of

2332

01:44:00,109 --> 01:43:56,580

contact the kind of communication the

2333

01:44:02,270 --> 01:44:00,119

kind of relationship is so radically

2334

01:44:03,770 --> 01:44:02,280

different than what we are accustomed to

2335

01:44:06,590 --> 01:44:03,780

and in the world that we have

2336

01:44:08,930 --> 01:44:06,600

constructed around ourselves that you

2337

01:44:10,910 --> 01:44:08,940

know in a way it uh it's like a it's a

2338

01:44:13,010 --> 01:44:10,920

it's the definition of a paradigm shift

2339

01:44:15,109 --> 01:44:13,020

right it's literally like breaking all

2340

01:44:18,050 --> 01:44:15,119

of the things that we thought we

2341

01:44:19,669 --> 01:44:18,060

understood and reframing that

2342

01:44:21,590 --> 01:44:19,679

um and I think along those lines just

2343

01:44:23,689 --> 01:44:21,600

the last thing that I'll say related to

2344

01:44:25,910 --> 01:44:23,699

the earlier conversation is that I you

2345

01:44:28,729 --> 01:44:25,920

know I hope what Anjali said is true

2346

01:44:31,129 --> 01:44:28,739

because it at some level I believe we

2347

01:44:32,090 --> 01:44:31,139

all intuitively understand that that

2348

01:44:38,330 --> 01:44:32,100

that

2349

01:44:40,669 --> 01:44:38,340

there's something broken about it and I

2350

01:44:43,250 --> 01:44:40,679

think we know this at a very fundamental

2351

01:44:45,649 --> 01:44:43,260

level and we will in a way kind of like

2352

01:44:47,689 --> 01:44:45,659

welcome this revelatory moment because

2353

01:44:49,310 --> 01:44:47,699

it's like the reanimation of the human

2354

01:44:51,950 --> 01:44:49,320

Spirit

2355

01:44:55,310 --> 01:44:51,960

um waking us from a slumber

2356

01:44:56,870 --> 01:44:55,320

interesting interesting uh uh you know

2357

01:44:59,209 --> 01:44:56,880

depending upon what their vision is and

2358

01:45:02,570 --> 01:44:59,219

how it comports with what your vision

2359

01:45:04,790 --> 01:45:02,580

might be you know I mean that's open

2360

01:45:07,070 --> 01:45:04,800

interpretation Deb do you think that uh

2361

01:45:08,750 --> 01:45:07,080

do you think the phenomenal exercise a

2362

01:45:12,590 --> 01:45:08,760

certain amount of control it might be

2363

01:45:14,990 --> 01:45:12,600

positive uh or and remove agency or not

2364

01:45:19,010 --> 01:45:15,000

well I'll be honest

2365

01:45:21,709 --> 01:45:19,020

um I sometimes have to pause and think

2366

01:45:25,129 --> 01:45:21,719

about what we've seen previously in

2367

01:45:28,310 --> 01:45:25,139

terms of behavior and we have seen some

2368

01:45:31,790 --> 01:45:28,320

use of humans as basically tools to an

2369

01:45:34,129 --> 01:45:31,800

end and um I remember Dave Scott talking

2370

01:45:36,950 --> 01:45:34,139

about

2371

01:45:39,770 --> 01:45:36,960

um the flying of a UFO and there was an

2372

01:45:41,990 --> 01:45:39,780

entity flying a UFO that no longer had a

2373

01:45:44,570 --> 01:45:42,000

body but the Consciousness was still

2374

01:45:46,790 --> 01:45:44,580

being used to fly the UFO and the one

2375

01:45:50,750 --> 01:45:46,800

thing that freaked me out out of this

2376

01:45:53,270 --> 01:45:50,760

whole topic was the idea of being used

2377

01:45:56,570 --> 01:45:53,280

to fly a UFO

2378

01:45:58,810 --> 01:45:56,580

um and basically as a tool or a battery

2379

01:46:02,990 --> 01:45:58,820

and other people have talked about that

2380

01:46:04,669 --> 01:46:03,000

so that is a concern that I have that

2381

01:46:07,129 --> 01:46:04,679

they may not think about it the way that

2382

01:46:08,689 --> 01:46:07,139

we do they might just think well of

2383

01:46:11,870 --> 01:46:08,699

course you'd be willing and wanting to

2384

01:46:13,910 --> 01:46:11,880

do this right be a battery for us right

2385

01:46:16,070 --> 01:46:13,920

so

2386

01:46:18,470 --> 01:46:16,080

you know I can't say because we I don't

2387

01:46:20,270 --> 01:46:18,480

have that conversation with you know a

2388

01:46:22,189 --> 01:46:20,280

non-human intelligence we don't that's

2389

01:46:24,770 --> 01:46:22,199

not a discussion that I've had you know

2390

01:46:26,689 --> 01:46:24,780

but um that is a concern that that's

2391

01:46:29,689 --> 01:46:26,699

just because like Nathan said they don't

2392

01:46:32,570 --> 01:46:29,699

think like we do it may look like we've

2393

01:46:35,450 --> 01:46:32,580

lost agency in that sense

2394

01:46:40,430 --> 01:46:35,460

interesting great way to put it let's go

2395

01:46:43,870 --> 01:46:43,010

well that just tripped me out

2396

01:46:46,090 --> 01:46:43,880

um

2397

01:46:48,890 --> 01:46:46,100

but but

2398

01:46:52,129 --> 01:46:48,900

maybe it's not just being a battery

2399

01:46:54,950 --> 01:46:52,139

maybe it's an extension of Life maybe

2400

01:46:58,550 --> 01:46:54,960

you are being installed in that craft to

2401
01:47:00,350 --> 01:46:58,560
live another existence you know they may

2402
01:47:02,390 --> 01:47:00,360
not think like we do but maybe we aren't

2403
01:47:05,750 --> 01:47:02,400
thinking like them either and therefore

2404
01:47:07,669 --> 01:47:05,760
we're wrong in that you know I I don't

2405
01:47:09,290 --> 01:47:07,679
know I don't think until we experience

2406
01:47:10,970 --> 01:47:09,300
something like that can we actually

2407
01:47:14,570 --> 01:47:10,980
judge it

2408
01:47:19,310 --> 01:47:14,580
but that's that's just me I try to see

2409
01:47:23,750 --> 01:47:22,010
yeah think about something the way that

2410
01:47:25,629 --> 01:47:23,760
a non-human intelligent you can only

2411
01:47:28,250 --> 01:47:25,639
think as a human it's your limitation

2412
01:47:30,830 --> 01:47:28,260
they may not be yeah Think Like Us

2413
01:47:32,750 --> 01:47:30,840

unless they've just you know have

2414

01:47:34,490 --> 01:47:32,760

understand so much about us that they've

2415

01:47:38,030 --> 01:47:34,500

learned to be able to think like us

2416

01:47:40,490 --> 01:47:38,040

perhaps and maybe maybe after you you

2417

01:47:42,649 --> 01:47:40,500

are a craft for a while and you're

2418

01:47:44,030 --> 01:47:42,659

flying around seeing the universe you go

2419

01:47:47,030 --> 01:47:44,040

on to be something else because I

2420

01:47:48,830 --> 01:47:47,040

believe we're Eternal you know and maybe

2421

01:47:51,229 --> 01:47:48,840

you're just going to go on to something

2422

01:47:54,530 --> 01:47:51,239

else after that I don't know if it's

2423

01:47:57,109 --> 01:47:54,540

actually like being punished or or used

2424

01:47:59,570 --> 01:47:57,119

or whatever it just may be

2425

01:48:01,129 --> 01:47:59,580

a different existence

2426

01:48:03,709 --> 01:48:01,139

so

2427

01:48:07,310 --> 01:48:03,719

but but that that that is kind of trippy

2428

01:48:09,169 --> 01:48:07,320

and I can see how it might scare people

2429

01:48:11,390 --> 01:48:09,179

I mean what Deb described was basically

2430

01:48:13,070 --> 01:48:11,400

the Headless Horseman right they chopped

2431

01:48:14,640 --> 01:48:13,080

that Hessian Soldier they chopped that

2432

01:48:19,129 --> 01:48:14,650

up he's still able to operate

2433

01:48:22,430 --> 01:48:19,139

[Laughter]

2434

01:48:24,290 --> 01:48:22,440

the crap Linda my friend uh what do you

2435

01:48:28,370 --> 01:48:24,300

think's gonna happen my friend uh are

2436

01:48:31,790 --> 01:48:28,380

they going to uh maybe uh exercise some

2437

01:48:33,590 --> 01:48:31,800

control over our Destiny or we'll take

2438

01:48:35,330 --> 01:48:33,600

some of our agency or not what's your

2439

01:48:37,250 --> 01:48:35,340

thoughts you've communicated with a

2440

01:48:39,470 --> 01:48:37,260

number of these intelligences

2441

01:48:40,910 --> 01:48:39,480

I made it just won over and over I don't

2442

01:48:45,890 --> 01:48:40,920

know

2443

01:48:47,930 --> 01:48:45,900

I think if they take agency over

2444

01:48:56,209 --> 01:48:51,709

keeping us safe from nuclear keeping us

2445

01:48:59,750 --> 01:48:56,219

safe from Putin keeping us safe from

2446

01:49:03,649 --> 01:48:59,760

um various factors that can

2447

01:49:04,570 --> 01:49:03,659

be good for us that's great

2448

01:49:09,470 --> 01:49:04,580

um

2449

01:49:12,850 --> 01:49:09,480

we cannot suppose to understand any

2450

01:49:16,729 --> 01:49:12,860

Grand Design or no Grand Design

2451

01:49:20,510 --> 01:49:16,739

and multiple

2452

01:49:24,470 --> 01:49:20,520

types of these okay so I think they've

2453

01:49:29,030 --> 01:49:24,480

been exercising an amount of agency from

2454

01:49:32,510 --> 01:49:29,040

the very beginning on our planet with us

2455

01:49:35,030 --> 01:49:32,520

not being aware of it so I think they're

2456

01:49:40,490 --> 01:49:38,510

do what they plan to do

2457

01:49:43,310 --> 01:49:40,500

so it'll be relatively transparent

2458

01:49:45,530 --> 01:49:43,320

because at this point no no I'm I'm

2459

01:49:47,689 --> 01:49:45,540

saying that because obviously you know

2460

01:49:50,270 --> 01:49:47,699

they shut down you know uh Robert

2461

01:49:52,609 --> 01:49:50,280

solace's nukes and whereas they turned

2462

01:49:54,890 --> 01:49:52,619

on you know Soviet nukes at that point

2463

01:49:58,010 --> 01:49:54,900

and start made it uh initiated a start

2464

01:50:01,310 --> 01:49:58,020

sequence that they then interrupted so

2465

01:50:03,410 --> 01:50:01,320

but to the largest swath of of the

2466

01:50:05,689 --> 01:50:03,420

population of the world it's it's

2467

01:50:10,129 --> 01:50:05,699

largely transparent or they don't know

2468

01:50:18,109 --> 01:50:15,050

I think we're gonna have more

2469

01:50:19,609 --> 01:50:18,119

more con conscious we're going to be all

2470

01:50:21,169 --> 01:50:19,619

Consciousness

2471

01:50:24,530 --> 01:50:21,179

um I think it's going to be more

2472

01:50:25,189 --> 01:50:24,540

consciously aware

2473

01:50:29,390 --> 01:50:25,199

um

2474

01:50:31,550 --> 01:50:29,400

so I don't know it's up to them

2475

01:50:35,510 --> 01:50:31,560

um we're getting to that point where we

2476

01:50:37,129 --> 01:50:35,520

need more help quick yeah

2477

01:50:39,830 --> 01:50:37,139

I mean yeah we I think you and Nathan

2478

01:50:42,470 --> 01:50:39,840

both are on that same that same line and

2479

01:50:44,510 --> 01:50:42,480

I agree with you John yes sir and then

2480

01:50:46,790 --> 01:50:44,520

Anjali okay here's the thought it's

2481

01:50:50,090 --> 01:50:46,800

already happened uh that agency was

2482

01:50:52,490 --> 01:50:50,100

imposed upon the planet long time ago uh

2483

01:50:55,790 --> 01:50:52,500

when they uh established kingship and

2484

01:50:58,030 --> 01:50:55,800

priesthood based on a patriarchal model

2485

01:51:01,310 --> 01:50:58,040

and we've been living with it ever since

2486

01:51:04,209 --> 01:51:01,320

and so I would say that it's not them

2487

01:51:07,910 --> 01:51:04,219

that did it it's us did it to ourselves

2488

01:51:09,770 --> 01:51:07,920

by elevating them to a Divinity that

2489

01:51:10,970 --> 01:51:09,780

they themselves would admit they don't

2490

01:51:13,669 --> 01:51:10,980

deserve

2491

01:51:17,390 --> 01:51:13,679

but we elevated them to a Divinity a a

2492

01:51:21,169 --> 01:51:17,400

male based hierarchy uh of their divine

2493

01:51:24,350 --> 01:51:21,179

presence and uh we establish you know

2494

01:51:25,870 --> 01:51:24,360

nation states based on kingship

2495

01:51:28,790 --> 01:51:25,880

um and a male

2496

01:51:31,129 --> 01:51:28,800

aristocratic line establishing kingship

2497

01:51:33,770 --> 01:51:31,139

and land ownership and a priesthood of

2498

01:51:36,649 --> 01:51:33,780

us worshiping them through a male

2499

01:51:39,050 --> 01:51:36,659

type of lineage whereas the natural

2500

01:51:42,109 --> 01:51:39,060

order of things was to have a

2501

01:51:43,850 --> 01:51:42,119

matriarchal society and so I think

2502

01:51:46,490 --> 01:51:43,860

they're here to undo what we did to

2503

01:51:48,590 --> 01:51:46,500

ourselves so I don't buy that they're

2504

01:51:50,330 --> 01:51:48,600

going to come here and and and take away

2505

01:51:53,689 --> 01:51:50,340

our agency they're trying to give us

2506

01:51:55,910 --> 01:51:53,699

back what we once had and that's what I

2507

01:51:59,390 --> 01:51:55,920

think is going to be a shift in our

2508

01:52:00,169 --> 01:51:59,400

Consciousness is to actually know who we

2509

01:52:02,689 --> 01:52:00,179

were

2510

01:52:05,149 --> 01:52:02,699

who we are and what we can become

2511

01:52:08,510 --> 01:52:05,159

Because unless we know that we cannot

2512

01:52:10,669 --> 01:52:08,520

join them as a space-faring planet to

2513

01:52:13,370 --> 01:52:10,679

explore the rest of the universe with

2514

01:52:15,770 --> 01:52:13,380

them that's right and I just want to say

2515

01:52:17,750 --> 01:52:15,780

I wasn't suggesting that they were going

2516

01:52:19,490 --> 01:52:17,760

to do that I was just asking do you

2517

01:52:21,830 --> 01:52:19,500

think they'll do that and so I'm just

2518

01:52:23,510 --> 01:52:21,840

it's a question now it's not a

2519

01:52:26,450 --> 01:52:23,520

declarative statement so just to make

2520

01:52:27,950 --> 01:52:26,460

sure you're uh that that nobody thinks

2521

01:52:30,709 --> 01:52:27,960

that I was suggesting that's what would

2522

01:52:32,390 --> 01:52:30,719

happen I don't know but that's why you

2523

01:52:33,830 --> 01:52:32,400

have on smart people like you guys so we

2524

01:52:37,970 --> 01:52:33,840

can ask

2525

01:52:43,609 --> 01:52:41,030

um okay so

2526
01:52:46,910 --> 01:52:43,619
um I'm going to go back again and kind

2527
01:52:49,550 --> 01:52:46,920
of tease the IC a little bit again

2528
01:52:50,750 --> 01:52:49,560
um and I guess roast them a little

2529
01:52:52,729 --> 01:52:50,760
um

2530
01:52:54,109 --> 01:52:52,739
I guess I'm doing more boasting than I'm

2531
01:52:55,030 --> 01:52:54,119
doing anything

2532
01:52:59,030 --> 01:52:55,040
um

2533
01:53:00,770 --> 01:52:59,040
again I'm going to say that we need to

2534
01:53:03,950 --> 01:53:00,780
stand up a division

2535
01:53:06,729 --> 01:53:03,960
that is dedicated to Discerning the

2536
01:53:09,649 --> 01:53:06,739
difference between the non-human

2537
01:53:14,990 --> 01:53:09,659
stakeholders that we have

2538
01:53:17,209 --> 01:53:15,000

um we we don't just have one group of of

2539

01:53:20,870 --> 01:53:17,219

beings that are

2540

01:53:21,729 --> 01:53:20,880

are present here on Earth and we need to

2541

01:53:24,169 --> 01:53:21,739

understand

2542

01:53:26,270 --> 01:53:24,179

not only where we come from but where

2543

01:53:29,209 --> 01:53:26,280

they come from how long they've been

2544

01:53:30,290 --> 01:53:29,219

here what their intentions are

2545

01:53:35,169 --> 01:53:30,300

um

2546

01:53:38,570 --> 01:53:35,179

we know that from a lot of experiencers

2547

01:53:41,750 --> 01:53:38,580

that uh We've we've heard

2548

01:53:44,510 --> 01:53:41,760

about the positive side of the I'll call

2549

01:53:47,330 --> 01:53:44,520

it the Consciousness effect right

2550

01:53:50,330 --> 01:53:47,340

um where we have we begin having

2551

01:53:53,149 --> 01:53:50,340

conscious communication with them and uh

2552

01:53:56,450 --> 01:53:53,159

it really it transforms our lives and

2553

01:53:58,490 --> 01:53:56,460

we've had you know some some type of

2554

01:54:00,290 --> 01:53:58,500

experience that we can probably anchor

2555

01:54:02,689 --> 01:54:00,300

at different points throughout our lives

2556

01:54:04,129 --> 01:54:02,699

that that connect that feeling for us

2557

01:54:08,450 --> 01:54:04,139

right so

2558

01:54:10,910 --> 01:54:08,460

um we uh gosh I can't remember where

2559

01:54:13,850 --> 01:54:10,920

exactly where I was going with that

2560

01:54:15,350 --> 01:54:13,860

um well basically the question is uh the

2561

01:54:17,810 --> 01:54:15,360

question was do you think that they're

2562

01:54:19,850 --> 01:54:17,820

going to exercise some sort of control

2563

01:54:21,350 --> 01:54:19,860

over Humanity that any of the

2564

01:54:23,870 --> 01:54:21,360

intelligences that you've either

2565

01:54:25,430 --> 01:54:23,880

interacted with or heard about through

2566

01:54:29,689 --> 01:54:25,440

the ones that you're reacting with okay

2567

01:54:31,550 --> 01:54:29,699

yeah thank you yes so so again we're

2568

01:54:37,010 --> 01:54:31,560

dealing with what more than one thing

2569

01:54:41,209 --> 01:54:37,020

here and I I cannot stress that enough

2570

01:54:45,169 --> 01:54:41,219

um there there are

2571

01:54:46,850 --> 01:54:45,179

um there are intricacies to this that we

2572

01:54:51,050 --> 01:54:46,860

need to take

2573

01:54:53,090 --> 01:54:51,060

great care in examining and attempting

2574

01:54:53,750 --> 01:54:53,100

to understand

2575

01:54:55,250 --> 01:54:53,760

um

2576

01:55:02,090 --> 01:54:55,260

I

2577

01:55:06,729 --> 01:55:02,100

um the idea of agency removed has was

2578

01:55:08,990 --> 01:55:06,739

very perfectly addressed by Mr Ramirez

2579

01:55:12,050 --> 01:55:09,000

that was going to be one of the first

2580

01:55:15,350 --> 01:55:12,060

things that I offered up is that our

2581

01:55:16,729 --> 01:55:15,360

agency was restricted a very long time

2582

01:55:20,350 --> 01:55:16,739

ago

2583

01:55:21,950 --> 01:55:20,360

um and we need to understand why

2584

01:55:25,669 --> 01:55:21,960

and

2585

01:55:29,209 --> 01:55:25,679

framework

2586

01:55:32,390 --> 01:55:29,219

with the other groups and beings who are

2587

01:55:34,250 --> 01:55:32,400

here to better understand so

2588

01:55:37,669 --> 01:55:34,260

um

2589

01:55:40,250 --> 01:55:37,679

so will they come in and remove

2590

01:55:43,189 --> 01:55:40,260

additional agency

2591

01:55:47,030 --> 01:55:43,199

um I I have no idea

2592

01:55:48,350 --> 01:55:47,040

um the there are uh there are concerns

2593

01:55:59,149 --> 01:55:48,360

that

2594

01:56:01,250 --> 01:55:59,159

having some kind of psychotic break

2595

01:56:03,229 --> 01:56:01,260

where we decide we're going to you know

2596

01:56:04,790 --> 01:56:03,239

nuke the entire planet because you know

2597

01:56:07,010 --> 01:56:04,800

we have some something that we don't

2598

01:56:08,990 --> 01:56:07,020

understand in the atmosphere or you know

2599

01:56:10,729 --> 01:56:09,000

on our Lawns or whatever

2600

01:56:12,530 --> 01:56:10,739

um so you know we're we're going to have

2601
01:56:17,149 --> 01:56:12,540
to definitely

2602
01:56:23,510 --> 01:56:17,159
um as as a species

2603
01:56:26,750 --> 01:56:23,520
and as a I hope at some point as a

2604
01:56:29,750 --> 01:56:26,760
um a global family

2605
01:56:32,870 --> 01:56:29,760
we have to begin to approach this

2606
01:56:35,090 --> 01:56:32,880
uh we have we are about to discover

2607
01:56:37,430 --> 01:56:35,100
that all of the differences that we have

2608
01:56:40,970 --> 01:56:37,440
on this planet are minutia they're

2609
01:56:44,030 --> 01:56:40,980
nothing they are they're illusory they

2610
01:56:46,550 --> 01:56:44,040
they keep us divided they keep us from

2611
01:56:47,810 --> 01:56:46,560
hampering our progress they keep us from

2612
01:56:53,930 --> 01:56:47,820
from

2613
01:56:56,390 --> 01:56:53,940

into the beings that we are capable of

2614

01:56:59,209 --> 01:56:56,400

of becoming and of and who we already

2615

01:57:01,790 --> 01:56:59,219

are all of these things need to be

2616

01:57:04,490 --> 01:57:01,800

addressed and we haven't even started

2617

01:57:06,590 --> 01:57:04,500

the conversation yet honestly

2618

01:57:08,810 --> 01:57:06,600

um there might be a few back rooms

2619

01:57:11,390 --> 01:57:08,820

somewhere where there are a group of

2620

01:57:13,430 --> 01:57:11,400

powerful men pardon me

2621

01:57:15,109 --> 01:57:13,440

um who are having those private

2622

01:57:16,609 --> 01:57:15,119

conversations and making those decisions

2623

01:57:17,930 --> 01:57:16,619

for all of us

2624

01:57:21,709 --> 01:57:17,940

but

2625

01:57:24,709 --> 01:57:21,719

um the IC and the nation

2626

01:57:27,410 --> 01:57:24,719

are ill-prepared and

2627

01:57:29,750 --> 01:57:27,420

um it's time to get to work

2628

01:57:34,550 --> 01:57:29,760

can I get an amen for my home girl

2629

01:57:39,709 --> 01:57:37,609

I'm sorry that that is uh about all the

2630

01:57:44,570 --> 01:57:39,719

time we have what I want to do throw out

2631

01:57:46,070 --> 01:57:44,580

there is uh John or or Linda or Andre

2632

01:57:47,390 --> 01:57:46,080

would you like to promote Anjali you

2633

01:57:49,490 --> 01:57:47,400

mentioned we start with you you

2634

01:57:50,930 --> 01:57:49,500

mentioned that you have a podcast coming

2635

01:57:52,550 --> 01:57:50,940

up that you're going to be involved with

2636

01:57:55,870 --> 01:57:52,560

they're starting can you do would you

2637

01:58:00,350 --> 01:57:58,370

just very quickly because I you know

2638

01:58:02,689 --> 01:58:00,360

it's it's not why I'm here and I don't I

2639

01:58:06,229 --> 01:58:02,699

don't want you to messenger seat

2640

01:58:09,169 --> 01:58:06,239

um I uh yes I the decision to have a

2641

01:58:12,109 --> 01:58:09,179

podcast is is just based on my need to

2642

01:58:13,850 --> 01:58:12,119

be able to accurately communicate

2643

01:58:16,490 --> 01:58:13,860

um in

2644

01:58:18,830 --> 01:58:16,500

um and present the information in a way

2645

01:58:22,430 --> 01:58:18,840

that I think will be

2646

01:58:25,490 --> 01:58:22,440

um that will be best reflective of what

2647

01:58:26,810 --> 01:58:25,500

I have learned even over the last two

2648

01:58:29,270 --> 01:58:26,820

years

2649

01:58:32,810 --> 01:58:29,280

um and I'm not I'm not even the same

2650

01:58:35,689 --> 01:58:32,820

woman who who came out you know in in

2651
01:58:37,550 --> 01:58:35,699
March of 2021 and and came forward and

2652
01:58:39,950 --> 01:58:37,560
said hey guys this is what I experienced

2653
01:58:42,530 --> 01:58:39,960
and I'm this changed woman well I feel

2654
01:58:45,189 --> 01:58:42,540
like you know I can barely relate to her

2655
01:58:48,290 --> 01:58:45,199
you know I mean it's just like my my

2656
01:58:51,470 --> 01:58:48,300
constant movement and growth is just I'm

2657
01:58:53,510 --> 01:58:51,480
really enjoying it and um and I think

2658
01:58:56,030 --> 01:58:53,520
that that uh

2659
01:58:57,589 --> 01:58:56,040
that I want to share that I want to

2660
01:59:01,250 --> 01:58:57,599
share that with everyone

2661
01:59:03,770 --> 01:59:01,260
um I want them to uh

2662
01:59:07,550 --> 01:59:03,780
um understand

2663
01:59:09,649 --> 01:59:07,560

my not only my experiences

2664

01:59:11,810 --> 01:59:09,659

but I want to share with them my

2665

01:59:14,270 --> 01:59:11,820

analysis of

2666

01:59:17,810 --> 01:59:14,280

of what is happening and who we may be

2667

01:59:21,830 --> 01:59:17,820

uh communicating with and

2668

01:59:24,050 --> 01:59:21,840

um the the different stakeholders and

2669

01:59:25,669 --> 01:59:24,060

um what those intentions may be

2670

01:59:27,169 --> 01:59:25,679

that doesn't mean I'm right just because

2671

01:59:28,490 --> 01:59:27,179

my because I come up with something

2672

01:59:31,189 --> 01:59:28,500

right I mean

2673

01:59:33,950 --> 01:59:31,199

um a lot of you know Intel Intelligence

2674

01:59:35,570 --> 01:59:33,960

Officers write a lot of reports and they

2675

01:59:37,250 --> 01:59:35,580

get sent right back to their desk to

2676
01:59:39,229 --> 01:59:37,260
write them again and they get sent back

2677
01:59:41,089 --> 01:59:39,239
again and they get sent back again you

2678
01:59:44,810 --> 01:59:41,099
know I mean it can happen

2679
01:59:46,250 --> 01:59:44,820
um I'm not I'm not claiming to be

2680
01:59:49,910 --> 01:59:46,260
be or end-all

2681
01:59:53,270 --> 01:59:49,920
um but I do hope to be

2682
01:59:54,470 --> 01:59:53,280
um one of the first the public voices

2683
01:59:58,070 --> 01:59:54,480
um coming from the intelligence

2684
02:00:01,370 --> 01:59:58,080
Community who tries to bring analysis

2685
02:00:02,990 --> 02:00:01,380
and understanding you know to humanity

2686
02:00:10,669 --> 02:00:03,000
of

2687
02:00:13,129 --> 02:00:10,679
our normal framework

2688
02:00:15,709 --> 02:00:13,139

so join me if that sounds interesting to

2689

02:00:16,430 --> 02:00:15,719

you and if it doesn't then um I wish you

2690

02:00:18,830 --> 02:00:16,440

well

2691

02:00:20,470 --> 02:00:18,840

I will be subscribing I'll put you that

2692

02:00:23,510 --> 02:00:20,480

way so what's the name of it going to be

2693

02:00:25,250 --> 02:00:23,520

Discerning just certain oh I like it I

2694

02:00:27,530 --> 02:00:25,260

like it John would you like to have

2695

02:00:29,750 --> 02:00:27,540

anything you'd like to promote I know

2696

02:00:31,669 --> 02:00:29,760

you're coming up with I don't remember

2697

02:00:35,089 --> 02:00:31,679

your next pod but please promote

2698

02:00:40,609 --> 02:00:37,729

I basically have two left um interview

2699

02:00:43,129 --> 02:00:40,619

with uh UAP studies podcast on Saturday

2700

02:00:46,010 --> 02:00:43,139

and they'll post the links to it and my

2701
02:00:47,770 --> 02:00:46,020
final one would be uh into the weird uh

2702
02:00:49,930 --> 02:00:47,780
weird spelled

2703
02:00:53,510 --> 02:00:49,940
w-y-r-d-e with Hollywood

2704
02:00:56,089 --> 02:00:53,520
yeah Holly and uh yeah and you had her

2705
02:00:58,910 --> 02:00:56,099
on as well yes and uh so that would be

2706
02:01:03,229 --> 02:00:58,920
my last one and uh stay tuned because uh

2707
02:01:05,510 --> 02:01:03,239
you won't see me until after disclosure

2708
02:01:08,149 --> 02:01:05,520
and then we'll have a very different

2709
02:01:10,550 --> 02:01:08,159
conversation all the conversations were

2710
02:01:13,250 --> 02:01:10,560
changed so stay tuned and thank you very

2711
02:01:16,010 --> 02:01:13,260
much for uh hosting us gracious house

2712
02:01:18,709 --> 02:01:16,020
everyone you got you got cabbie goodbyes

2713
02:01:21,290 --> 02:01:18,719

yet so just hang on so

2714

02:01:25,570 --> 02:01:21,300

um I I don't know if if Julie knows how

2715

02:01:32,149 --> 02:01:29,330

I want to say thank you so much for

2716

02:01:35,390 --> 02:01:32,159

coming and riding in the cab with us it

2717

02:01:38,209 --> 02:01:35,400

has been an enlightening show thanks to

2718

02:01:41,930 --> 02:01:38,219

my cabbie comrades because they let me

2719

02:01:44,629 --> 02:01:41,940

on the panel and out of the chat and it

2720

02:01:47,570 --> 02:01:44,639

has been grand having a reunion with my

2721

02:01:50,149 --> 02:01:47,580

sister Linda since it's been so long

2722

02:01:52,310 --> 02:01:50,159

since I've been on a show with her and I

2723

02:01:54,890 --> 02:01:52,320

just I just hope the best for both of

2724

02:01:57,470 --> 02:01:54,900

you I I can't wait until after

2725

02:02:00,410 --> 02:01:57,480

disclosure when you come back John I'm

2726

02:02:03,470 --> 02:02:00,420

ready for that conversation and I will

2727

02:02:04,490 --> 02:02:03,480

definitely be subscribing Angeline thank

2728

02:02:12,290 --> 02:02:04,500

you

2729

02:02:15,290 --> 02:02:12,300

and have a great day bye

2730

02:02:17,149 --> 02:02:15,300

I appreciate you Debs I wanted to say

2731

02:02:19,729 --> 02:02:17,159

thank you to both of you for coming and

2732

02:02:23,030 --> 02:02:19,739

speaking with us I wish more people had

2733

02:02:24,950 --> 02:02:23,040

that ability to come out and communicate

2734

02:02:26,629 --> 02:02:24,960

what they know I really appreciate that

2735

02:02:29,930 --> 02:02:26,639

you guys are brave enough to do that

2736

02:02:32,030 --> 02:02:29,940

immensely also I wanted to say a extra

2737

02:02:35,649 --> 02:02:32,040

thank you to John who has agreed to let

2738

02:02:40,669 --> 02:02:35,659

me do a recap of his previous interview

2739

02:02:43,250 --> 02:02:40,679

on the dojo for UAP Med because he was

2740

02:02:46,310 --> 02:02:43,260

talking about supporting experiencers so

2741

02:02:48,229 --> 02:02:46,320

we will be putting that out soon

2742

02:02:50,870 --> 02:02:48,239

thank you so much

2743

02:02:52,609 --> 02:02:50,880

all right devsi money

2744

02:02:55,430 --> 02:02:52,619

yeah thank you guys it's been a

2745

02:02:57,410 --> 02:02:55,440

wonderful conversation and uh

2746

02:03:00,470 --> 02:02:57,420

you know I feel personally touched by

2747

02:03:05,089 --> 02:03:00,480

what you shared and um

2748

02:03:08,510 --> 02:03:07,010

uh thank you money

2749

02:03:09,950 --> 02:03:08,520

um and by the way Harris here she's

2750

02:03:12,109 --> 02:03:09,960

trying to like get in the shot here

2751

02:03:14,990 --> 02:03:12,119

she's just she's ready to just claw me

2752

02:03:17,870 --> 02:03:15,000

to Pieces uh but yes uh I want to say

2753

02:03:20,390 --> 02:03:17,880

thank you to uh our guests of honor John

2754

02:03:22,310 --> 02:03:20,400

and Anjali you guys are awesome brother

2755

02:03:22,910 --> 02:03:22,320

and sister

2756

02:03:25,609 --> 02:03:22,920

um

2757

02:03:28,129 --> 02:03:25,619

and just sharing your experience and uh

2758

02:03:30,410 --> 02:03:28,139

with us and and allowing us to welcome

2759

02:03:32,810 --> 02:03:30,420

you into the cab

2760

02:03:35,270 --> 02:03:32,820

um it's it's it really was an honor to

2761

02:03:37,609 --> 02:03:35,280

have you John I'm so it it's great to be

2762

02:03:39,109 --> 02:03:37,619

able to call you and speak with you on

2763

02:03:41,030 --> 02:03:39,119

the phone about stuff when when

2764

02:03:44,209 --> 02:03:41,040

something comes up or have a question

2765

02:03:45,770 --> 02:03:44,219

and I did get to speak with uh Anjali

2766

02:03:48,290 --> 02:03:45,780

recently on the phone for the first time

2767

02:03:51,109 --> 02:03:48,300

that was pretty awesome and

2768

02:03:53,930 --> 02:03:51,119

um and thank you so much uh I realize

2769

02:03:56,149 --> 02:03:53,940

you know John you may be uh at for a

2770

02:03:57,709 --> 02:03:56,159

while after these next two and Anjali

2771

02:04:00,950 --> 02:03:57,719

you're starting your own Papa just know

2772

02:04:03,350 --> 02:04:00,960

that the cab is here uh anytime we we

2773

02:04:05,689 --> 02:04:03,360

would welcome you to come on and and

2774

02:04:08,149 --> 02:04:05,699

speak about things because really you

2775

02:04:10,310 --> 02:04:08,159

know as usual we we still have questions

2776

02:04:12,169 --> 02:04:10,320

that we didn't even get to answer in

2777

02:04:13,910 --> 02:04:12,179

this forum and and that's just the way

2778

02:04:16,189 --> 02:04:13,920

we like it because that gives an

2779

02:04:19,910 --> 02:04:16,199

opportunity for you guys to come back so

2780

02:04:23,390 --> 02:04:19,920

on behalf of uh Jules and Linda and um

2781

02:04:27,470 --> 02:04:23,400

Anjali John Debs Nathan and my myself

2782

02:04:29,450 --> 02:04:27,480

this is DJ saying peace out one love

2783

02:04:31,189 --> 02:04:29,460

we'll see you down the road

2784

02:04:33,620 --> 02:04:31,199

and we're always wondering what's up
