***Calling All Beings***

1  
00:00:38,350 --> 00:00:14,850  
calling all beans y'all let's get it

2  
00:00:45,110 --> 00:00:41,770  
yeah baby

3  
00:00:47,690 --> 00:00:45,120  
welcome back to calling all Beats I'm

4  
00:00:51,229 --> 00:00:47,700  
your host DJ here on a delicious

5  
00:00:53,029 --> 00:00:51,239  
Wednesday night where guess what you're

6  
00:00:55,310 --> 00:00:53,039  
wondering why we're talking Bigfoot

7  
00:00:57,889 --> 00:00:55,320  
right well take a look at that logo look

8  
00:01:00,709 --> 00:00:57,899  
at that cab logo who's inside that UFO

9  
00:01:03,889 --> 00:01:00,719  
yes there's a gray in there and there's

10  
00:01:07,850 --> 00:01:03,899  
also a big foot so you feel what I'm

11  
00:01:10,370 --> 00:01:07,860  
saying get with me all right so anyway I

12  
00:01:12,170 --> 00:01:10,380  
want to introduce my amazing co-host one

13  
00:01:14,510 --> 00:01:12,180

of them whom has probably dropped off

14

00:01:16,310 --> 00:01:14,520

due to some sort of a technical issue

15

00:01:19,370 --> 00:01:16,320

but let's start with one of the original

16

00:01:21,170 --> 00:01:19,380

gangsters of this joint who is doing so

17

00:01:25,249 --> 00:01:21,180

many things in the community

18

00:01:27,350 --> 00:01:25,259

uh in the scenes behind the scenes a

19

00:01:30,590 --> 00:01:27,360

wonderful human being who I'm honored to

20

00:01:34,190 --> 00:01:30,600

know and that is a study of uap's Debs

21

00:01:35,810 --> 00:01:34,200

what's up homie hi there how are you

22

00:01:38,390 --> 00:01:35,820

good ma'am how you doing it's good to

23

00:01:40,550 --> 00:01:38,400

speak with you last night oh yeah it was

24

00:01:42,710 --> 00:01:40,560

it was good and um I've had a

25

00:01:45,830 --> 00:01:42,720

interesting day I learned about you know

26

00:01:48,109 --> 00:01:45,840

microwaves from NASA

27

00:01:49,850 --> 00:01:48,119

well I was going to say I mean I have an

28

00:01:53,149 --> 00:01:49,860

extra one in the garage actually if you

29

00:01:54,649 --> 00:01:53,159

need one yeah it's only like a 750 watt

30

00:01:58,130 --> 00:01:54,659

I don't know if that's gonna

31

00:02:00,950 --> 00:01:58,140

yeah so NASA told us don't open it like

32

00:02:06,889 --> 00:02:00,960

you no matter what wattage it is while

33

00:02:11,449 --> 00:02:09,469

here's how far radar still

34

00:02:15,290 --> 00:02:11,459

it's really great we get to the UAP Park

35

00:02:17,390 --> 00:02:15,300

all right uh our next is uh our newest

36

00:02:19,250 --> 00:02:17,400

uh we have two new cabbies here so we

37

00:02:20,390 --> 00:02:19,260

could let's start with the one on the

38

00:02:22,130 --> 00:02:20,400

left because the one on the right is

39

00:02:25,550 --> 00:02:22,140

responsible for us getting the guest of

40

00:02:27,110 --> 00:02:25,560

honor tonight so uh she uh is hosting

41

00:02:29,510 --> 00:02:27,120

this show called invisible night school

42

00:02:31,670 --> 00:02:29,520

she's dope as hell she's smart as hell

43

00:02:33,770 --> 00:02:31,680

and she's read more books this month

44

00:02:37,070 --> 00:02:33,780

than I've read in the last year or two

45

00:02:40,070 --> 00:02:37,080

years and that is Leah prep time

46

00:02:42,170 --> 00:02:40,080

yes hello everyone sorry you can't see

47

00:02:44,150 --> 00:02:42,180

my beautiful face I'm uh apparently

48

00:02:46,309 --> 00:02:44,160

connecting to the internet with two tin

49

00:02:49,690 --> 00:02:46,319

cans and a string so it's just gonna be

50

00:02:51,890 --> 00:02:49,700

my dulcet voice instead this evening

51  
00:02:53,390 --> 00:02:51,900  
and you know but your knowledge of

52  
00:02:54,650 --> 00:02:53,400  
things you know you figured it out

53  
00:02:56,930 --> 00:02:54,660  
you're like okay this is what I'm gonna

54  
00:02:59,270 --> 00:02:56,940  
do to mitigate this situation so that's

55  
00:03:00,710 --> 00:02:59,280  
dope man glad you did that

56  
00:03:03,110 --> 00:03:00,720  
um because now we've got we're hearing

57  
00:03:05,150 --> 00:03:03,120  
you nice and stable and here is another

58  
00:03:08,630 --> 00:03:05,160  
of our new cabbies uh who we brought on

59  
00:03:11,809 --> 00:03:08,640  
to educate and regulate all about the

60  
00:03:14,630 --> 00:03:11,819  
phenomenon and for those UFO folks that

61  
00:03:18,050 --> 00:03:14,640  
are out there that are kind of poo

62  
00:03:20,990 --> 00:03:18,060  
pooing about Bigfoot I'm news for you

63  
00:03:23,990 --> 00:03:21,000

um there are enough extremely credible

64

00:03:26,509 --> 00:03:24,000

people from all walks of life and most

65

00:03:28,850 --> 00:03:26,519

certainly probably the Walk of a Walk of

66

00:03:31,130 --> 00:03:28,860

Life that you find admirable and

67

00:03:33,589 --> 00:03:31,140

believable that have seen this creature

68

00:03:35,570 --> 00:03:33,599

uh walking around in the woods uh and

69

00:03:37,490 --> 00:03:35,580

with family members male female the

70

00:03:39,410 --> 00:03:37,500

whole nine yards not to mention the fact

71

00:03:41,869 --> 00:03:39,420

that the Patterson gimlin film is in

72

00:03:44,990 --> 00:03:41,879

fact a female and that is the host of

73

00:03:46,070 --> 00:03:45,000

Bigfoot Crossroads Mac nah what's up

74

00:03:49,850 --> 00:03:46,080

Gangster

75

00:03:53,030 --> 00:03:49,860

what's up what's up what's up what's up

76

00:03:55,309 --> 00:03:53,040

man G-Unit I love it man

77

00:03:56,690 --> 00:03:55,319

um so ever since I met Matt um we

78

00:03:59,330 --> 00:03:56,700

couldn't have been more than a couple of

79

00:04:03,170 --> 00:03:59,340

phone conversations in when he told me

80

00:04:03,949 --> 00:04:03,180

about the guy that he refers to as my

81

00:04:07,309 --> 00:04:03,959

brother

82

00:04:10,729 --> 00:04:07,319

and a Gentleman whom he has researched

83

00:04:14,270 --> 00:04:10,739

with spent many hours with uh probably

84

00:04:16,969 --> 00:04:14,280

shared campsites in many places uh they

85

00:04:19,009 --> 00:04:16,979

visited one another and I've heard this

86

00:04:20,509 --> 00:04:19,019

podcast as well and really respect this

87

00:04:24,590 --> 00:04:20,519

gentleman

88

00:04:27,530 --> 00:04:24,600

um and he is the host of the Bigfoot

89

00:04:29,210 --> 00:04:27,540

Club so party people put those hands

90

00:04:38,450 --> 00:04:29,220

together

91

00:04:48,350 --> 00:04:42,290

oh hell yeah hey guys that was a good

92

00:04:52,129 --> 00:04:50,330

what you got Leah go ahead I'm sorry I

93

00:04:53,870 --> 00:04:52,139

was just gonna say DJ I always wish I

94

00:04:54,650 --> 00:04:53,880

had you to announce my entry into every

95

00:04:57,110 --> 00:04:54,660

room

96

00:04:58,550 --> 00:04:57,120

oh we can you know I'm willing to do

97

00:05:00,830 --> 00:04:58,560

that for you prime time you're what

98

00:05:04,249 --> 00:05:00,840

you're donating your time to this show

99

00:05:07,430 --> 00:05:04,259

uh and I'm always you know not only uh

100

00:05:10,249 --> 00:05:07,440

Bob you know you feel when uh you're

101  
00:05:12,830 --> 00:05:10,259  
honored when a guest wants to come on uh

102  
00:05:15,350 --> 00:05:12,840  
every time because someone's willing to

103  
00:05:18,170 --> 00:05:15,360  
give of their time similarly they're

104  
00:05:19,670 --> 00:05:18,180  
honored because you are asked you're

105  
00:05:21,530 --> 00:05:19,680  
curious what their opinion is on

106  
00:05:23,150 --> 00:05:21,540  
something and it's an honor anytime

107  
00:05:24,650 --> 00:05:23,160  
somebody's like I want to know what you

108  
00:05:27,770 --> 00:05:24,660  
think about X

109  
00:05:29,330 --> 00:05:27,780  
and in this case uh you know someone is

110  
00:05:32,029 --> 00:05:29,340  
willing to collab with you that's

111  
00:05:35,150 --> 00:05:32,039  
another honor so really as much as

112  
00:05:37,189 --> 00:05:35,160  
people sort of will

113  
00:05:38,510 --> 00:05:37,199

um have something to say about the

114

00:05:40,430 --> 00:05:38,520

Bigfoot community and the Twitter

115

00:05:42,409 --> 00:05:40,440

Community there's a lot of great people

116

00:05:43,790 --> 00:05:42,419

like uh there are a lot of great friends

117

00:05:46,129 --> 00:05:43,800

that you make and that's what you need

118

00:05:47,810 --> 00:05:46,139

to focus on uh as opposed to the

119

00:05:50,570 --> 00:05:47,820

negativity you know that that's what I

120

00:05:52,010 --> 00:05:50,580

focus on is all the people I've met as a

121

00:05:55,189 --> 00:05:52,020

result of this just like I'm meeting you

122

00:05:57,950 --> 00:05:55,199

tonight so welcome welcome sir and um

123

00:06:00,110 --> 00:05:57,960

we'd love to hear uh more about you Matt

124

00:06:02,150 --> 00:06:00,120

suggested you know you kind of go in and

125

00:06:04,430 --> 00:06:02,160

tell people about your couple of decades

126

00:06:10,249 --> 00:06:04,440

worth of research and then Matt's going

127

00:06:14,210 --> 00:06:11,870

um you know I've known Matt a long time

128

00:06:16,010 --> 00:06:14,220

and you know he and I we're we we

129

00:06:18,650 --> 00:06:16,020

stomped a lot of the same woods and put

130

00:06:21,590 --> 00:06:18,660

our boots down in the same area so

131

00:06:23,510 --> 00:06:21,600

um I mean I I started like in almost the

132

00:06:26,270 --> 00:06:23,520

same way he did almost like in the 90s

133

00:06:29,150 --> 00:06:26,280

and uh you know way back I can even go

134

00:06:31,550 --> 00:06:29,160

back further whenever I was a kid uh my

135

00:06:33,650 --> 00:06:31,560

father took me to uh to go see a

136

00:06:36,529 --> 00:06:33,660

drive-in uh to go see the Legend of

137

00:06:38,390 --> 00:06:36,539

Boggy Creek and I was terrified but I

138

00:06:41,510 --> 00:06:38,400

was like intrigued you know at the same

139

00:06:43,909 --> 00:06:41,520

time so you know decades later

140

00:06:46,309 --> 00:06:43,919

I'm on I'm on the internet looking up

141

00:06:47,689 --> 00:06:46,319

Texas Bigfoot and you know long and

142

00:06:49,730 --> 00:06:47,699

behold I always thought it was like the

143

00:06:51,529 --> 00:06:49,740

Pacific Northwest and a lot you know

144

00:06:54,830 --> 00:06:51,539

long and behold it's like in East Texas

145

00:06:57,290 --> 00:06:54,840

and I met up with some people uh in East

146

00:06:59,870 --> 00:06:57,300

Dallas and we formed a Texas Bigfoot

147

00:07:01,490 --> 00:06:59,880

research center and without you know I

148

00:07:02,270 --> 00:07:01,500

would just say this without joining that

149

00:07:04,670 --> 00:07:02,280

group

150

00:07:07,969 --> 00:07:04,680

I probably would never have met and met

151

00:07:10,730 --> 00:07:07,979

so I'm really happy I'm no longer in

152

00:07:14,090 --> 00:07:10,740

that group uh and I've moved on

153

00:07:15,830 --> 00:07:14,100

but uh you know I was really happy to be

154

00:07:20,089 --> 00:07:15,840

a part of that group helped get started

155

00:07:21,950 --> 00:07:20,099

and then uh just kind of you know and

156

00:07:23,870 --> 00:07:21,960

I'll just say that at that time there

157

00:07:25,670 --> 00:07:23,880

wasn't that many Spanish people

158

00:07:27,469 --> 00:07:25,680

doing Bigfoot stuff and like the night

159

00:07:30,529 --> 00:07:27,479

it was like me and maybe Daniel Perez

160

00:07:32,390 --> 00:07:30,539

and maybe a guy in uh Pennsylvania

161

00:07:33,529 --> 00:07:32,400

Bigfoot society and I think that's about

162

00:07:35,150 --> 00:07:33,539

it so

163

00:07:36,469 --> 00:07:35,160

whenever I would tell people I would go

164

00:07:38,029 --> 00:07:36,479

looking for bigfoot people would always

165

00:07:39,309 --> 00:07:38,039

like dude Double Take On Me or something

166

00:07:43,730 --> 00:07:39,319

so

167

00:07:45,950 --> 00:07:43,740

are you weird homes I know like I said

168

00:07:48,830 --> 00:07:45,960

don't be in the Woods Homes

169

00:07:50,450 --> 00:07:48,840

no it's awesome when there's people of

170

00:07:52,670 --> 00:07:50,460

color in it you know there's a couple of

171

00:07:54,589 --> 00:07:52,680

yeah Brothers in Alabama that are doing

172

00:07:56,510 --> 00:07:54,599

it and I just love hearing it because I

173

00:07:57,950 --> 00:07:56,520

don't I don't and they basically got it

174

00:07:59,870 --> 00:07:57,960

they're using a

175

00:08:01,490 --> 00:07:59,880

they're Hunting Buddies you know they're

176

00:08:03,890 --> 00:08:01,500

like a hunting uh lease that they would

177

00:08:06,110 --> 00:08:03,900

go to and they're they're so into it man

178

00:08:07,550 --> 00:08:06,120

and and it's just it's awesome to see I

179

00:08:10,070 --> 00:08:07,560

just want to add a show note before we

180

00:08:12,350 --> 00:08:10,080

begin first of all um I I forgot to

181

00:08:15,170 --> 00:08:12,360

mention that Nathan is uh on a trip

182

00:08:17,330 --> 00:08:15,180

tonight uh driving with his son

183

00:08:20,450 --> 00:08:17,340

um so he couldn't make it tonight uh but

184

00:08:23,089 --> 00:08:20,460

his regards to you Robert uh Nathan

185

00:08:24,710 --> 00:08:23,099

increasingly involved in not only uh

186

00:08:26,390 --> 00:08:24,720

working full-time in the family but he's

187

00:08:29,210 --> 00:08:26,400

got a couple podcasts that he's working

188

00:08:30,529 --> 00:08:29,220

with and um so I regret he couldn't be

189

00:08:34,370 --> 00:08:30,539

there and I also want to say hello to

190

00:08:36,709 --> 00:08:34,380

Jules Jules is our chat moderator she is

191

00:08:38,089 --> 00:08:36,719

the best in the business that's what I'm

192

00:08:40,010 --> 00:08:38,099

trying to say

193

00:08:43,790 --> 00:08:40,020

um so hi Jules good evening thank you

194

00:08:45,889 --> 00:08:43,800

for being here and um and please uh go

195

00:08:48,110 --> 00:08:45,899

go on ahead with uh what you're saying

196

00:08:50,630 --> 00:08:48,120

the Red River the Red River rivalry

197

00:08:51,829 --> 00:08:50,640

apparently was canceled so that you and

198

00:08:53,449 --> 00:08:51,839

Matt could get together that's what

199

00:08:57,769 --> 00:08:53,459

happened you know it's funny because

200

00:08:59,690 --> 00:08:57,779

like I had I had left the tbrc and at

201  
00:09:02,630 --> 00:08:59,700  
the time we were doing some stuff in

202  
00:09:05,750 --> 00:09:02,640  
Lamar County and it was uh we had a

203  
00:09:08,570 --> 00:09:05,760  
couple videos that we were doing

204  
00:09:10,850 --> 00:09:08,580  
and um we were going to Showcase him and

205  
00:09:13,550 --> 00:09:10,860  
I think that's how I met Matt I met him

206  
00:09:15,530 --> 00:09:13,560  
through another body of ours and uh we

207  
00:09:17,750 --> 00:09:15,540  
were we were showcasing some video and

208  
00:09:19,850 --> 00:09:17,760  
Matt just came up and we ended up we

209  
00:09:21,470 --> 00:09:19,860  
ended up meeting we just hooked up and

210  
00:09:22,970 --> 00:09:21,480  
for some reason you know we just

211  
00:09:24,949 --> 00:09:22,980  
gravitated toward each other because

212  
00:09:28,070 --> 00:09:24,959  
like kids believes to my beliefs were

213  
00:09:30,530 --> 00:09:28,080

similar and uh the way we approached it

214

00:09:34,250 --> 00:09:30,540

and how you know we we always thought

215

00:09:36,110 --> 00:09:34,260

about helping people first before uh you

216

00:09:39,530 --> 00:09:36,120

know trying to kind of prove that this

217

00:09:42,350 --> 00:09:39,540

animal is the real so uh I always I

218

00:09:45,350 --> 00:09:42,360

always wanted to do that and so once I

219

00:09:47,509 --> 00:09:45,360

met Matt he was he was always

220

00:09:50,870 --> 00:09:47,519

um in that perspective of just helping

221

00:09:52,490 --> 00:09:50,880

people so and I I don't know we just we

222

00:09:55,910 --> 00:09:52,500

just like the same things we like comics

223

00:09:57,350 --> 00:09:55,920

and we like the same music and uh so I

224

00:10:00,710 --> 00:09:57,360

don't know we just kind of hit it off

225

00:10:02,990 --> 00:10:00,720

and we've been close since then so

226

00:10:05,170 --> 00:10:03,000

um I can't think of anybody else because

227

00:10:07,850 --> 00:10:05,180

I know he's been on my show a ton

228

00:10:11,090 --> 00:10:07,860

I've been on his show with ton just like

229

00:10:13,670 --> 00:10:11,100

you know uh sometimes me and Stephen my

230

00:10:15,110 --> 00:10:13,680

my co-host for my show we always we

231

00:10:16,370 --> 00:10:15,120

started showing up and go I wonder if

232

00:10:19,550 --> 00:10:16,380

Matt's gonna call

233

00:10:22,490 --> 00:10:19,560

so so that's awesome that's how close we

234

00:10:24,350 --> 00:10:22,500

are so um and you know so but you know

235

00:10:28,490 --> 00:10:24,360

end up doing that and then uh after

236

00:10:31,009 --> 00:10:28,500

after I left the tbrc and went on my own

237

00:10:32,449 --> 00:10:31,019

I started doing some other stuff started

238

00:10:34,009 --> 00:10:32,459

researching because like whenever you're

239

00:10:37,430 --> 00:10:34,019

with a group you did

240

00:10:40,250 --> 00:10:37,440

sometimes groups have like you know laws

241

00:10:42,710 --> 00:10:40,260

and bylaws and Dynamics yeah Dynamics

242

00:10:44,810 --> 00:10:42,720

yeah in the past so you know you can't

243

00:10:47,630 --> 00:10:44,820

talk you know to people who have

244

00:10:49,550 --> 00:10:47,640

paranormal or Supernatural events or no

245

00:10:52,250 --> 00:10:49,560

similar to that so

246

00:10:55,190 --> 00:10:52,260

and so that once I did that then I I got

247

00:10:57,170 --> 00:10:55,200

recruited to be on a paranormal with a

248

00:10:59,150 --> 00:10:57,180

lady by the name of uh Kendall Wilkerson

249

00:11:01,910 --> 00:10:59,160

which she's the best by the way

250

00:11:02,810 --> 00:11:01,920

yeah I was her case director for 10

251  
00:11:06,949 --> 00:11:02,820  
years

252  
00:11:09,110 --> 00:11:06,959  
so I I have the the good graces of you

253  
00:11:11,030 --> 00:11:09,120  
know doing Cryptid stuff you know for 20

254  
00:11:13,850 --> 00:11:11,040  
and then doing paranormal stuff for Ted

255  
00:11:17,150 --> 00:11:13,860  
so I got I got to touch both sides of

256  
00:11:20,150 --> 00:11:17,160  
that on helping people so to me that was

257  
00:11:21,710 --> 00:11:20,160  
that was you know great because you see

258  
00:11:23,810 --> 00:11:21,720  
you know a lot of times whenever you're

259  
00:11:25,970 --> 00:11:23,820  
in a field and Matt can you know I'm not

260  
00:11:28,490 --> 00:11:25,980  
gonna speak for Matt but I know he he'll

261  
00:11:30,110 --> 00:11:28,500  
he'll agree with me on this but

262  
00:11:31,490 --> 00:11:30,120  
you know you can be in the woods and

263  
00:11:34,069 --> 00:11:31,500

looking for bigfoot and all of a sudden

264

00:11:37,250 --> 00:11:34,079

paranormal stuff happens and it just

265

00:11:38,690 --> 00:11:37,260

comes out of nowhere and so there's some

266

00:11:40,009 --> 00:11:38,700

stuff I've had in the woods that I

267

00:11:45,350 --> 00:11:40,019

cannot explain

268

00:11:47,930 --> 00:11:45,360

and uh we gonna get into it baby so

269

00:11:49,730 --> 00:11:47,940

so fast forward now you know I kind of

270

00:11:52,550 --> 00:11:49,740

you know Matt Matt's been doing his show

271

00:11:54,110 --> 00:11:52,560

for a long time and uh I know I've been

272

00:11:56,569 --> 00:11:54,120

a guest like I said I've been a guest on

273

00:11:58,850 --> 00:11:56,579

his show and so I kind of wanted to do a

274

00:12:01,009 --> 00:11:58,860

show off off you know come almost off

275

00:12:02,329 --> 00:12:01,019

his but you know like like I was saying

276

00:12:03,889 --> 00:12:02,339

earlier you know whenever you're with

277

00:12:06,050 --> 00:12:03,899

groups you're kind of limited on what

278

00:12:08,530 --> 00:12:06,060

you can say and what you can't say and

279

00:12:11,329 --> 00:12:08,540

so I wanted to do you know Bigfoot Club

280

00:12:13,370 --> 00:12:11,339

to talk about stuff that I did with

281

00:12:15,410 --> 00:12:13,380

killing me you know I said okay I got I

282

00:12:17,389 --> 00:12:15,420

have to talk about this this is bugging

283

00:12:20,750 --> 00:12:17,399

me and so that's how I kind of got the

284

00:12:22,970 --> 00:12:20,760

idea of doing Bigfoot Club so so we're

285

00:12:24,949 --> 00:12:22,980

like we're like anti-heroes so that's

286

00:12:26,990 --> 00:12:24,959

the way I look at it so I I tell Matt

287

00:12:31,610 --> 00:12:27,000

this all the time we're not podcasters

288

00:12:31,620 --> 00:12:35,810

describe it when

289

00:12:38,870 --> 00:12:37,370

it was Court you know like you work in

290

00:12:40,910 --> 00:12:38,880

that Advocate and you're like you know I

291

00:12:42,889 --> 00:12:40,920

really like the way the lutherans of

292

00:12:45,710 --> 00:12:42,899

think about this aspect of the Bible but

293

00:12:47,569 --> 00:12:45,720

you dare not say it right and you get

294

00:12:50,210 --> 00:12:47,579

chastised and stuff so

295

00:12:52,009 --> 00:12:50,220

uh I want to go I want to go off-roading

296

00:12:54,110 --> 00:12:52,019

for a second Robert because you said

297

00:12:56,329 --> 00:12:54,120

something when you talked about deep

298

00:12:57,949 --> 00:12:56,339

talking about proving the existence of

299

00:13:00,170 --> 00:12:57,959

these creatures in the woods you know

300

00:13:02,150 --> 00:13:00,180

and because we have four wheel drive I

301  
00:13:05,150 --> 00:13:02,160  
want to go to Prime Time real quick and

302  
00:13:08,030 --> 00:13:05,160  
say prime time you're very very familiar

303  
00:13:11,090 --> 00:13:08,040  
with this community why is it that the

304  
00:13:12,829 --> 00:13:11,100  
UFO Community seems to or and maybe this

305  
00:13:15,350 --> 00:13:12,839  
is a perception problem with me and it's

306  
00:13:16,970 --> 00:13:15,360  
not it's it's it's perceived only why do

307  
00:13:19,490 --> 00:13:16,980  
people have a problem acknowledging

308  
00:13:21,410 --> 00:13:19,500  
Bigfoot or recognizing Bigfoot could you

309  
00:13:24,530 --> 00:13:21,420  
do you have any hypothesis about that

310  
00:13:28,329 --> 00:13:24,540  
well is the formal spokesperson for the

311  
00:13:31,250 --> 00:13:28,339  
entire Community yes

312  
00:13:33,230 --> 00:13:31,260  
qualified to comment on this

313  
00:13:36,889 --> 00:13:33,240

um you know I I

314

00:13:39,410 --> 00:13:36,899

I mean it my my honest to God answer is

315

00:13:41,290 --> 00:13:39,420

that I think ufology given how

316

00:13:43,610 --> 00:13:41,300

incredibly personal

317

00:13:46,910 --> 00:13:43,620

the relationship seemed to be between

318

00:13:49,610 --> 00:13:46,920

people in the subject they see any kind

319

00:13:53,569 --> 00:13:49,620

of encroachment by any other paranormal

320

00:13:55,970 --> 00:13:53,579

phenomenon or experience or Cryptid is

321

00:13:57,530 --> 00:13:55,980

basically an adulterant

322

00:13:59,810 --> 00:13:57,540

um or a threat to sort of their

323

00:14:02,629 --> 00:13:59,820

perception of the subject oh my God I'm

324

00:14:06,350 --> 00:14:02,639

not a kid I am not kidding now now but

325

00:14:09,230 --> 00:14:06,360

like my my actual answer is also that um

326

00:14:12,050 --> 00:14:09,240

I see these I see Cryptid phenomena High

327

00:14:14,329 --> 00:14:12,060

strangeness for Tiana ufology experience

328

00:14:17,090 --> 00:14:14,339

or phenomena is all part of a

329

00:14:19,009 --> 00:14:17,100

constellation of or spectrum of

330

00:14:20,449 --> 00:14:19,019

experiences that exist sort of in the

331

00:14:23,210 --> 00:14:20,459

numerous like exist in this like

332

00:14:25,250 --> 00:14:23,220

mysterious third place beyond like truth

333

00:14:27,530 --> 00:14:25,260

and falsity

334

00:14:29,509 --> 00:14:27,540

um but I I genuinely think a lot of it

335

00:14:31,550 --> 00:14:29,519

has to do with basically people's

336

00:14:34,069 --> 00:14:31,560

immensely personal connections to

337

00:14:36,290 --> 00:14:34,079

ufology in the sense that

338

00:14:39,230 --> 00:14:36,300

um there's almost like a ideological

339

00:14:40,550 --> 00:14:39,240

Purity associated with ufology so any

340

00:14:44,569 --> 00:14:40,560

other subject

341

00:14:48,290 --> 00:14:44,579

um is uh almost taboo or verboten

342

00:14:50,930 --> 00:14:48,300

because it affects kind of the the pure

343

00:14:52,189 --> 00:14:50,940

um you know Flying Saucer Nuts and Bolts

344

00:14:53,990 --> 00:14:52,199

Etc

345

00:14:55,610 --> 00:14:54,000

um interpretation of events I'm not

346

00:14:59,389 --> 00:14:55,620

saying I agree with this to be clear but

347

00:14:59,399 --> 00:15:05,389

uh oh DJ you're silent

348

00:15:11,389 --> 00:15:07,430

let's just try to read his lips for a

349

00:15:13,069 --> 00:15:11,399

little while he's saying prime time this

350

00:15:16,490 --> 00:15:13,079

is the most brilliant words that have

351  
00:15:19,069 --> 00:15:16,500  
ever been broadcast on cab I I wanted to

352  
00:15:21,110 --> 00:15:19,079  
use our telepathy skills I'm like trying

353  
00:15:23,090 --> 00:15:21,120  
to repeat

354  
00:15:26,870 --> 00:15:23,100  
I'm trying to remote view his mute

355  
00:15:33,110 --> 00:15:31,069  
I think I think the answer is because uh

356  
00:15:36,290 --> 00:15:33,120  
uh ufologists are always looking up and

357  
00:15:39,110 --> 00:15:36,300  
bigfooters are always looking down

358  
00:15:41,590 --> 00:15:39,120  
so they don't ever see one another they

359  
00:15:44,210 --> 00:15:41,600  
don't see eye to eye

360  
00:15:46,310 --> 00:15:44,220  
Matt has the very actual pragmatic

361  
00:15:48,829 --> 00:15:46,320  
response I just like it's so clear I sat

362  
00:15:53,569 --> 00:15:48,839  
way too long in Academia right

363  
00:15:58,970 --> 00:15:56,090

um you know no I mean this is like I I

364

00:16:01,310 --> 00:15:58,980

think it's a good it's a great question

365

00:16:03,230 --> 00:16:01,320

too because I feel like there there is

366

00:16:06,050 --> 00:16:03,240

or seems to be a major correlation

367

00:16:08,569 --> 00:16:06,060

between Bigfoot encrypted encounters and

368

00:16:10,430 --> 00:16:08,579

UFO experiences right isn't there

369

00:16:12,290 --> 00:16:10,440

something isn't there a major Passover

370

00:16:14,090 --> 00:16:12,300

with these things yeah it was one of the

371

00:16:16,430 --> 00:16:14,100

first things that I ever heard whenever

372

00:16:18,769 --> 00:16:16,440

I got involved in Bigfoot uh people that

373

00:16:21,650 --> 00:16:18,779

wouldn't dare uh

374

00:16:24,050 --> 00:16:21,660

you know mention a breath of paranormal

375

00:16:26,569 --> 00:16:24,060

involvement with Bigfoot you know around

376

00:16:28,250 --> 00:16:26,579

a campfire uh so to speak when the

377

00:16:30,530 --> 00:16:28,260

recorders are all turned off and you

378

00:16:31,970 --> 00:16:30,540

can't document what they're saying uh

379

00:16:35,449 --> 00:16:31,980

one of the first stories I heard was

380

00:16:38,449 --> 00:16:35,459

about a UFO being scene coming down in a

381

00:16:40,670 --> 00:16:38,459

field and opening up and this this orb

382

00:16:42,829 --> 00:16:40,680

of light traveled out and grew in size

383

00:16:44,749 --> 00:16:42,839

and then this orb of light turned into

384

00:16:47,749 --> 00:16:44,759

Bigfoot creatures that ran off into the

385

00:16:50,569 --> 00:16:47,759

woods and I mean that was coming from a

386

00:16:53,030 --> 00:16:50,579

hardcore Flesh and Blood guy uh DJ

387

00:16:54,730 --> 00:16:53,040

you're back test test that sound oh

388

00:16:57,769 --> 00:16:54,740

there he is

389

00:17:00,949 --> 00:16:57,779

is that crackling has the level sounds

390

00:17:03,110 --> 00:17:00,959

good yeah it's good okay thank you it it

391

00:17:05,390 --> 00:17:03,120

had switched over to airpods and then my

392

00:17:07,010 --> 00:17:05,400

mic program went to mute so everything

393

00:17:08,689 --> 00:17:07,020

went wrong and I'm gonna blame Matt

394

00:17:09,549 --> 00:17:08,699

because I believe like sure Drew sure

395

00:17:11,929 --> 00:17:09,559

whatever

396

00:17:18,049 --> 00:17:11,939

that came here and said we're gonna be

397

00:17:18,059 --> 00:17:21,909

um

398

00:17:26,390 --> 00:17:24,049

I think one of the reasons we have

399

00:17:28,010 --> 00:17:26,400

problems with overlap is that there are

400

00:17:30,710 --> 00:17:28,020

some topics that just are really

401  
00:17:33,650 --> 00:17:30,720  
uncomfortable for people so people have

402  
00:17:35,630 --> 00:17:33,660  
to overcome their discomfort to like

403  
00:17:38,270 --> 00:17:35,640  
some people are terrified of the idea of

404  
00:17:41,570 --> 00:17:38,280  
Bigfoot some people are terrified of the

405  
00:17:43,909 --> 00:17:41,580  
idea of like UFOs and some people are

406  
00:17:45,650 --> 00:17:43,919  
terrified of ghosts

407  
00:17:46,970 --> 00:17:45,660  
so I'm just going to throw that out

408  
00:17:48,890 --> 00:17:46,980  
there is one of the reasons that people

409  
00:17:51,770 --> 00:17:48,900  
are like nope that one needs to stay at

410  
00:17:53,570 --> 00:17:51,780  
arm's length this one I'll talk about I

411  
00:17:56,090 --> 00:17:53,580  
I just want to say Deb is not terrified

412  
00:17:58,970 --> 00:17:56,100  
of ghosts despite the speed that she

413  
00:18:02,210 --> 00:17:58,980

left that restaurant bathroom in after

414

00:18:04,130 --> 00:18:02,220

that door moved on its own terrified I

415

00:18:07,510 --> 00:18:04,140

want to get a yes I wanted for the

416

00:18:11,870 --> 00:18:10,190

do you so you're and this is what's

417

00:18:13,610 --> 00:18:11,880

interesting Robert is you're down with

418

00:18:18,230 --> 00:18:13,620

all three of these topics

419

00:18:20,630 --> 00:18:18,240

yes I I am I mean I don't I have I have

420

00:18:23,930 --> 00:18:20,640

like to be honest I use a lot of the

421

00:18:26,870 --> 00:18:23,940

equipment that I have in both so I have

422

00:18:28,850 --> 00:18:26,880

like uh a couple of um you know K2

423

00:18:31,310 --> 00:18:28,860

meters and I use that in the field all

424

00:18:32,930 --> 00:18:31,320

the time because uh I I've said this

425

00:18:34,909 --> 00:18:32,940

repeatedly and then if I'm bringing

426

00:18:38,330 --> 00:18:34,919

stuff I'm sorry but I always feel that

427

00:18:39,710 --> 00:18:38,340

EVP and infrasound is the same I've

428

00:18:41,810 --> 00:18:39,720

always I've always felt that you know

429

00:18:44,390 --> 00:18:41,820

because like people people react

430

00:18:45,650 --> 00:18:44,400

differently to EVP and

431

00:18:47,210 --> 00:18:45,660

um you know infrasound they get

432

00:18:49,070 --> 00:18:47,220

nauseated they get they get headaches

433

00:18:52,549 --> 00:18:49,080

and stuff like so some of the stuff I

434

00:18:54,529 --> 00:18:52,559

have like gear wise I the ghost stuff I

435

00:18:56,510 --> 00:18:54,539

will take into the field is the Bigfoot

436

00:18:58,549 --> 00:18:56,520

stuff so I kind of I kind of like

437

00:19:00,289 --> 00:18:58,559

because I've gone back and asked people

438

00:19:01,610 --> 00:19:00,299

whenever I've done like years of

439

00:19:03,289 --> 00:19:01,620

research and I've interviewed people I

440

00:19:05,930 --> 00:19:03,299

go back to them and say Hey whenever you

441

00:19:07,430 --> 00:19:05,940

saw this Bigfoot how did you feel you

442

00:19:11,029 --> 00:19:07,440

know did you feel nauseated did you feel

443

00:19:13,190 --> 00:19:11,039

sick did you feel you know like you know

444

00:19:15,529 --> 00:19:13,200

just crazy and then they always agree

445

00:19:17,810 --> 00:19:15,539

because yeah I felt all that and so I I

446

00:19:19,549 --> 00:19:17,820

don't know I mean I I think I you can

447

00:19:21,890 --> 00:19:19,559

use you know some of the stuff that you

448

00:19:24,590 --> 00:19:21,900

learn on both sides uh with each other

449

00:19:26,390 --> 00:19:24,600

so that's the way I see it and it's

450

00:19:28,430 --> 00:19:26,400

worth adding that quantum physics is

451  
00:19:31,190 --> 00:19:28,440  
having a lot of fun looking at that

452  
00:19:34,010 --> 00:19:31,200  
Spectrum right now you know from sound

453  
00:19:37,070 --> 00:19:34,020  
light frequency

454  
00:19:40,010 --> 00:19:37,080  
yes yeah and the sound that they make uh

455  
00:19:42,470 --> 00:19:40,020  
is not it's not unknown in in the animal

456  
00:19:46,549 --> 00:19:42,480  
world other animals other Predators use

457  
00:19:50,270 --> 00:19:46,559  
it but Bigfoot seems to be able to maybe

458  
00:19:52,549 --> 00:19:50,280  
project it in a unique way and in in and

459  
00:19:54,710 --> 00:19:52,559  
in in some cases isolated it seems like

460  
00:19:56,210 --> 00:19:54,720  
to an individual does that check Matt

461  
00:19:58,250 --> 00:19:56,220  
Robert

462  
00:20:00,350 --> 00:19:58,260  
yeah I mean I I've been in the field

463  
00:20:02,270 --> 00:20:00,360

I've been in the field like with a K2

464

00:20:05,150 --> 00:20:02,280

meter and there's like no power lines

465

00:20:07,490 --> 00:20:05,160

nothing no houses and when I was doing

466

00:20:11,450 --> 00:20:07,500

Bigfoot stuff the K2 leader was reading

467

00:20:14,330 --> 00:20:11,460

at 20 milliamps for no reason so I go

468

00:20:16,669 --> 00:20:14,340

man you know two metal gas is a lot 20

469

00:20:19,370 --> 00:20:16,679

uh and it would just it would just Peg

470

00:20:21,710 --> 00:20:19,380

off for like 10 minutes so and I didn't

471

00:20:23,270 --> 00:20:21,720

get any calls at the time but I don't

472

00:20:25,850 --> 00:20:23,280

know what was in the area but I don't

473

00:20:27,710 --> 00:20:25,860

know if I was standing on a Ley line or

474

00:20:30,049 --> 00:20:27,720

a portal I don't know so but it's it's

475

00:20:33,230 --> 00:20:30,059

crazy and I was documenting I said oh my

476

00:20:34,669 --> 00:20:33,240

God look at this and I I and I for you

477

00:20:36,470 --> 00:20:34,679

know I looked up on satellite stuff

478

00:20:39,289 --> 00:20:36,480

afterwards and there was nothing around

479

00:20:41,090 --> 00:20:39,299

us that was close enough to even make it

480

00:20:45,110 --> 00:20:41,100

Peg off that much but

481

00:20:47,029 --> 00:20:45,120

give us a reference on what what uh what

482

00:20:49,070 --> 00:20:47,039

that give us a reference of that so

483

00:20:50,570 --> 00:20:49,080

we're what is the the uh the measurement

484

00:20:53,390 --> 00:20:50,580

that you're measuring there

485

00:20:54,470 --> 00:20:53,400

it is uh the the

486

00:20:55,310 --> 00:20:54,480

the

487

00:20:57,650 --> 00:20:55,320

um

488

00:21:00,289 --> 00:20:57,660

the amount of gas is it's what it's it's

489

00:21:02,090 --> 00:21:00,299

common known as uh people in theory

490

00:21:05,510 --> 00:21:02,100

believe that whenever a ghost uh

491

00:21:09,289 --> 00:21:05,520

manifestes it uses uh this The Melodies

492

00:21:11,289 --> 00:21:09,299

to to conjure itself out to be seen uh

493

00:21:14,570 --> 00:21:11,299

as a full body aberration or something

494

00:21:17,090 --> 00:21:14,580

so and then at the same time I I always

495

00:21:18,590 --> 00:21:17,100

felt that bigfoots can do

496

00:21:20,690 --> 00:21:18,600

um

497

00:21:23,990 --> 00:21:20,700

you know they can they can admit this as

498

00:21:25,909 --> 00:21:24,000

well so uh it's just a theory of mine is

499

00:21:28,250 --> 00:21:25,919

this conjecture so I mean it's just

500

00:21:29,870 --> 00:21:28,260

whenever I interview people I come

501  
00:21:31,730 --> 00:21:29,880  
across sometimes that whenever I'm

502  
00:21:33,289 --> 00:21:31,740  
interviewing some people they have they

503  
00:21:35,690 --> 00:21:33,299  
have some stories that I have some

504  
00:21:37,789 --> 00:21:35,700  
Supernatural stuff to it and I can't

505  
00:21:40,549 --> 00:21:37,799  
explain it so that's what kind of got me

506  
00:21:44,450 --> 00:21:40,559  
you know to think of that way so

507  
00:21:46,610 --> 00:21:44,460  
I just wanted to say that I I uh I love

508  
00:21:49,490 --> 00:21:46,620  
it because it does keep people's minds

509  
00:21:51,289 --> 00:21:49,500  
open about what the possibilities are

510  
00:21:53,090 --> 00:21:51,299  
and that's the key of what you said you

511  
00:21:54,470 --> 00:21:53,100  
weren't getting in those groups but um

512  
00:21:57,049 --> 00:21:54,480  
at this point what I'd like to do is

513  
00:21:59,810 --> 00:21:57,059

turn the floor over to Matt so that you

514

00:22:01,669 --> 00:21:59,820

guys can have some dialogue about the uh

515

00:22:03,770 --> 00:22:01,679

dearth of experiences that you guys have

516

00:22:05,690 --> 00:22:03,780

had and as far as our cabbies here when

517

00:22:08,149 --> 00:22:05,700

you want to ask a question just you know

518

00:22:10,430 --> 00:22:08,159

sort of Roger up that you want to get in

519

00:22:12,830 --> 00:22:10,440

there and ask something so that uh they

520

00:22:14,270 --> 00:22:12,840

don't get too far away from that

521

00:22:16,370 --> 00:22:14,280

particular topic that you're interested

522

00:22:18,110 --> 00:22:16,380

in and and let's Fireside we got the

523

00:22:19,549 --> 00:22:18,120

fire going all you got to do now I don't

524

00:22:21,169 --> 00:22:19,559

know what you if you brought any hot

525

00:22:23,029 --> 00:22:21,179

dogs or if you've got any s'mores or

526

00:22:25,430 --> 00:22:23,039

marshmallows but but it's right there

527

00:22:28,990 --> 00:22:25,440

below you right there Bob okay Teresa

528

00:22:32,270 --> 00:22:29,000

T-Rex chorizo baby now we're talking

529

00:22:34,310 --> 00:22:32,280

all right go ahead go ahead Matt I had

530

00:22:36,190 --> 00:22:34,320

chorizo on a Bigfoot outing once and I

531

00:22:39,169 --> 00:22:36,200

would not suggest it

532

00:22:42,289 --> 00:22:39,179

just to be perfectly honest it does not

533

00:22:44,510 --> 00:22:42,299

make good camp food

534

00:22:47,630 --> 00:22:44,520

it's breakfast food I'm just saying it's

535

00:22:48,830 --> 00:22:47,640

breakfast food so yeah yeah started that

536

00:22:50,470 --> 00:22:48,840

day out wrong

537

00:22:56,090 --> 00:22:50,480

laughs

538

00:22:59,270 --> 00:22:56,100

like hey man I gotta go dig a hole Yeah

539

00:23:00,890 --> 00:22:59,280

uh anybody who's not familiar I I don't

540

00:23:03,310 --> 00:23:00,900

know DJ if this is like what you're

541

00:23:06,649 --> 00:23:03,320

asking but a K2 meter measures uh

542

00:23:08,570 --> 00:23:06,659

electromagnetic field uh fluctuations in

543

00:23:11,090 --> 00:23:08,580

the environment I I don't know what the

544

00:23:14,270 --> 00:23:11,100

exact range is on it like how far out it

545

00:23:16,430 --> 00:23:14,280

can detect these changes or if something

546

00:23:19,789 --> 00:23:16,440

close would measure higher than it would

547

00:23:21,649 --> 00:23:19,799

if it was far away but uh you know

548

00:23:24,830 --> 00:23:21,659

Robert and I have talked over the years

549

00:23:27,909 --> 00:23:24,840

and he was the first person that ever

550

00:23:30,950 --> 00:23:27,919

pointed out to myself at least that uh

551

00:23:33,529 --> 00:23:30,960

the symptoms that a person kills from

552

00:23:37,010 --> 00:23:33,539

infrasound are very similar and the same

553

00:23:39,350 --> 00:23:37,020

as symptoms reported from uh EMF which

554

00:23:40,970 --> 00:23:39,360

paranormal researchers have paid

555

00:23:43,610 --> 00:23:40,980

attention to for years

556

00:23:45,350 --> 00:23:43,620

yeah and uh out in the woods you know

557

00:23:49,190 --> 00:23:45,360

there shouldn't be

558

00:23:51,529 --> 00:23:49,200

any measurable EMF at least not with the

559

00:23:53,630 --> 00:23:51,539

type of equipment that you know a

560

00:23:57,289 --> 00:23:53,640

typical consumer would have in their

561

00:23:59,330 --> 00:23:57,299

possession or anything and Robert and uh

562

00:24:01,610 --> 00:23:59,340

from what I've heard other people as

563

00:24:04,370 --> 00:24:01,620

well have discovered these fluctuations

564

00:24:06,049 --> 00:24:04,380

at different times while in areas where

565

00:24:07,010 --> 00:24:06,059

reported Bigfoot activity is taking

566

00:24:09,770 --> 00:24:07,020

place

567

00:24:11,390 --> 00:24:09,780

uh so it's definitely an Avenue that

568

00:24:15,830 --> 00:24:11,400

needs to be studied more

569

00:24:17,210 --> 00:24:15,840

and uh I wish more big Footers would get

570

00:24:19,970 --> 00:24:17,220

on board with it

571

00:24:22,669 --> 00:24:19,980

in the past we've had

572

00:24:24,049 --> 00:24:22,679

uh numerous occasions where paranormal

573

00:24:27,169 --> 00:24:24,059

researchers

574

00:24:30,049 --> 00:24:27,179

would be out in the field in a wooded

575

00:24:31,490 --> 00:24:30,059

area or a remote area especially old

576  
00:24:32,870 --> 00:24:31,500  
cemeteries

577  
00:24:34,669 --> 00:24:32,880  
and while they were doing their

578  
00:24:37,310 --> 00:24:34,679  
paranormal research they would end up

579  
00:24:39,169 --> 00:24:37,320  
having what we would think as a typical

580  
00:24:42,110 --> 00:24:39,179  
Bigfoot encounter

581  
00:24:44,630 --> 00:24:42,120  
and uh Robert do you have any old

582  
00:24:46,130 --> 00:24:44,640  
Cemetery stories like that

583  
00:24:48,710 --> 00:24:46,140  
I know

584  
00:24:51,649 --> 00:24:48,720  
um whenever I took Stephen out my my

585  
00:24:54,230 --> 00:24:51,659  
nephew we went out to Hallsville uh

586  
00:24:56,029 --> 00:24:54,240  
Texas and um I went out there with Luke

587  
00:24:59,270 --> 00:24:56,039  
we were meeting with another paranormal

588  
00:25:00,289 --> 00:24:59,280

group and we were doing uh we we tagged

589

00:25:02,870 --> 00:25:00,299

along with them because they were doing

590

00:25:07,070 --> 00:25:02,880

it was the old Cemetery

591

00:25:09,350 --> 00:25:07,080

um for uh the slave cemetery and we went

592

00:25:12,710 --> 00:25:09,360

out we tagged along with them to do some

593

00:25:15,470 --> 00:25:12,720

to do some uh EVP work and then I had

594

00:25:17,090 --> 00:25:15,480

noticed on uh some website I can't I

595

00:25:19,490 --> 00:25:17,100

can't recall which which website it was

596

00:25:22,430 --> 00:25:19,500

but there was some Bigfoot activity in

597

00:25:23,990 --> 00:25:22,440

that area so we tagged along and as soon

598

00:25:26,029 --> 00:25:24,000

as they were done with their with their

599

00:25:28,669 --> 00:25:26,039

session we did a couple tree knocks and

600

00:25:30,590 --> 00:25:28,679

it was in a cemetery and we did a couple

601  
00:25:33,830 --> 00:25:30,600  
tree knocks couple couple yells and then

602  
00:25:36,769 --> 00:25:33,840  
within five to ten minutes we got uh

603  
00:25:38,210 --> 00:25:36,779  
maybe a call back over to our right and

604  
00:25:40,430 --> 00:25:38,220  
then we got another call back over to

605  
00:25:42,230 --> 00:25:40,440  
our left and then

606  
00:25:44,269 --> 00:25:42,240  
um and then we got I shine like eight

607  
00:25:47,630 --> 00:25:44,279  
feet off the ground over to our left

608  
00:25:49,909 --> 00:25:47,640  
again oh and so uh once once we got that

609  
00:25:52,549 --> 00:25:49,919  
uh once we got our shine someone said I

610  
00:25:54,289 --> 00:25:52,559  
shine and we were looking something

611  
00:25:55,909 --> 00:25:54,299  
across the street was probably like 100

612  
00:25:58,970 --> 00:25:55,919  
yards away because we started helping us

613  
00:26:02,470 --> 00:25:58,980

with rocks and so as soon as we took the

614

00:26:05,870 --> 00:26:02,480

flashlight off the eye shine

615

00:26:09,350 --> 00:26:05,880

was gone and so

616

00:26:11,570 --> 00:26:09,360

um but that was in a cemetery and it was

617

00:26:14,149 --> 00:26:11,580

just kind of odd how that happened it

618

00:26:17,990 --> 00:26:14,159

was like and I was telling Stephen my my

619

00:26:19,730 --> 00:26:18,000

co-host at the time he was 10 and um his

620

00:26:24,490 --> 00:26:19,740

nephew just before anybody thinks

621

00:26:29,750 --> 00:26:28,370

my uh nephew whenever whenever he I took

622

00:26:32,330 --> 00:26:29,760

him out to the field

623

00:26:34,130 --> 00:26:32,340

um he uh I told him I said you don't

624

00:26:35,810 --> 00:26:34,140

know we don't ever get Bigfoot stuff the

625

00:26:36,769 --> 00:26:35,820

first time we go in the field so I feel

626

00:26:39,950 --> 00:26:36,779

lucky

627

00:26:41,690 --> 00:26:39,960

so so it happened yeah so he was pretty

628

00:26:43,310 --> 00:26:41,700

he was pretty excited he was pretty

629

00:26:45,049 --> 00:26:43,320

scared at the same time so that that's

630

00:26:46,669 --> 00:26:45,059

one of the stories I had with the

631

00:26:49,310 --> 00:26:46,679

cemetery so

632

00:26:50,750 --> 00:26:49,320

he was very reluctant to be tied to the

633

00:26:55,269 --> 00:26:50,760

tree at first and left out there by

634

00:26:59,630 --> 00:26:57,950

I was I was hazing him too because like

635

00:27:01,909 --> 00:26:59,640

it was like he was pit it was pitch

636

00:27:03,649 --> 00:27:01,919

black dark you couldn't see your hand in

637

00:27:06,110 --> 00:27:03,659

front of you and so I was telling him I

638

00:27:08,269 --> 00:27:06,120

said hey uh I think I got flashlights or

639

00:27:10,970 --> 00:27:08,279

did I put batteries in it I don't know

640

00:27:12,409 --> 00:27:10,980

oh well and he goes come on man I didn't

641

00:27:14,029 --> 00:27:12,419

like I had a spotlight going oh yeah I

642

00:27:15,490 --> 00:27:14,039

have a spotlight oh but wait did I

643

00:27:18,230 --> 00:27:15,500

charge it

644

00:27:21,110 --> 00:27:18,240

so he was he was pretty scared he goes

645

00:27:22,610 --> 00:27:21,120

come on man come on so what Matt is

646

00:27:24,590 --> 00:27:22,620

suggesting is you did like King Kong

647

00:27:26,450 --> 00:27:24,600

where they tied the woman the Scandal

648

00:27:29,690 --> 00:27:26,460

plaid went into the tree and just draw

649

00:27:31,789 --> 00:27:29,700

Kong in so um the question I was gonna

650

00:27:34,070 --> 00:27:31,799

ask and and please after this uh Prime

651  
00:27:37,850 --> 00:27:34,080  
Time and Deb if you have something

652  
00:27:40,549 --> 00:27:37,860  
um Robert your theory is it I shine is

653  
00:27:44,210 --> 00:27:40,559  
it reflecting light off of either

654  
00:27:46,669 --> 00:27:44,220  
someone's emitter or the or the moon or

655  
00:27:48,590 --> 00:27:46,679  
it or are those eyes do you think that

656  
00:27:51,409 --> 00:27:48,600  
they are actually emitting light that is

657  
00:27:54,649 --> 00:27:51,419  
different than a fox or a raccoon or a

658  
00:27:57,230 --> 00:27:54,659  
dog or a cat or Etc yeah I think at the

659  
00:28:00,470 --> 00:27:57,240  
time uh they were emitting like red

660  
00:28:02,750 --> 00:28:00,480  
eyeshadow from what I I recall immune

661  
00:28:05,990 --> 00:28:02,760  
light not reflecting light yeah I was I

662  
00:28:08,390 --> 00:28:06,000  
mean well okay I'm sorry it was it was

663  
00:28:09,830 --> 00:28:08,400

re-reflecting the flashlight and

664

00:28:12,890 --> 00:28:09,840

whenever whenever whenever we got

665

00:28:18,110 --> 00:28:12,900

eyeshine it was red so it was it yellow

666

00:28:20,149 --> 00:28:18,120

it was in white it wasn't it was red so

667

00:28:22,370 --> 00:28:20,159

so you don't you haven't seen evidence

668

00:28:26,510 --> 00:28:22,380

that their eyes can emit light that that

669

00:28:29,090 --> 00:28:26,520

is more of more uh given to lore Bigfoot

670

00:28:30,409 --> 00:28:29,100

lower than yeah I I would I would I

671

00:28:31,970 --> 00:28:30,419

would agree with that because that's

672

00:28:34,730 --> 00:28:31,980

what and I'm sorry about it it wasn't

673

00:28:37,070 --> 00:28:34,740

clear on that but that's fine it's yeah

674

00:28:39,049 --> 00:28:37,080

so that's what that's what we got in in

675

00:28:41,810 --> 00:28:39,059

the field of in the cemetery first time

676

00:28:43,970 --> 00:28:41,820

I took my nephew out so okay

677

00:28:47,029 --> 00:28:43,980

Debs has something for you

678

00:28:49,070 --> 00:28:47,039

yeah it's just that section of lore and

679

00:28:51,049 --> 00:28:49,080

since you since you kind of said you

680

00:28:53,090 --> 00:28:51,059

don't think that one's the case

681

00:28:55,970 --> 00:28:53,100

um can you kind of crack down on some

682

00:28:58,970 --> 00:28:55,980

other lore that might be

683

00:29:01,789 --> 00:29:01,010

um let me see let me let me think on

684

00:29:03,370 --> 00:29:01,799

that one

685

00:29:06,230 --> 00:29:03,380

um

686

00:29:07,549 --> 00:29:06,240

uh I can't think of I mean because I

687

00:29:08,690 --> 00:29:07,559

know I've talked a lot of people in the

688

00:29:10,730 --> 00:29:08,700

past about

689

00:29:12,470 --> 00:29:10,740

about portals and

690

00:29:14,149 --> 00:29:12,480

um they've always talked about that

691

00:29:16,490 --> 00:29:14,159

portals and

692

00:29:18,110 --> 00:29:16,500

um and they and you know some of the old

693

00:29:19,909 --> 00:29:18,120

stories were that they would just like

694

00:29:21,350 --> 00:29:19,919

steal children

695

00:29:24,409 --> 00:29:21,360

um there there are there are some

696

00:29:26,810 --> 00:29:24,419

stories of you know supposedly stealing

697

00:29:28,490 --> 00:29:26,820

children but um it's usually on Reddit

698

00:29:31,210 --> 00:29:28,500

and I don't really I don't go along with

699

00:29:33,169 --> 00:29:31,220

Reddit too much so that's me

700

00:29:35,870 --> 00:29:33,179

but uh

701  
00:29:38,269 --> 00:29:35,880  
but lore wise I mean yeah you you always

702  
00:29:40,669 --> 00:29:38,279  
hear like you know Native Americans

703  
00:29:43,010 --> 00:29:40,679  
saying that Bigfoot's come they said

704  
00:29:44,330 --> 00:29:43,020  
they said they should be like the like

705  
00:29:45,529 --> 00:29:44,340  
the protector of the woods and if you

706  
00:29:47,990 --> 00:29:45,539  
went out in the woods you know you got

707  
00:29:51,710 --> 00:29:48,000  
to take it and so I I don't get a lot of

708  
00:29:53,450 --> 00:29:51,720  
stories like recently of Bigfoot's

709  
00:29:55,370 --> 00:29:53,460  
taking children I've heard from another

710  
00:29:57,169 --> 00:29:55,380  
person from another person that's

711  
00:30:00,950 --> 00:29:57,179  
happened but it's never never been

712  
00:30:03,350 --> 00:30:00,960  
factual or actually been uh proven or uh

713  
00:30:05,510 --> 00:30:03,360

substantiated so

714

00:30:08,570 --> 00:30:05,520

I think that's interesting because it

715

00:30:11,690 --> 00:30:08,580

seems to be a common thing theme along

716

00:30:15,230 --> 00:30:11,700

like a lot of the Paranormal like going

717

00:30:18,049 --> 00:30:15,240

back to trolls and Fae and into of

718

00:30:19,610 --> 00:30:18,059

course or of course the UFO issues the

719

00:30:22,850 --> 00:30:19,620

concern that they keep interacting with

720

00:30:26,269 --> 00:30:22,860

children that's an interesting uh

721

00:30:28,130 --> 00:30:26,279

interesting one to tag on to Bigfoot too

722

00:30:30,230 --> 00:30:28,140

I mean you hear a lot of stuff like that

723

00:30:32,029 --> 00:30:30,240

go ahead go ahead go ahead Robert please

724

00:30:34,909 --> 00:30:32,039

please I was just going to say like like

725

00:30:37,250 --> 00:30:34,919

because I'm I'm I'm Spanish so you get a

726

00:30:40,370 --> 00:30:37,260

lot of Lords of like Thunderbirds uh

727

00:30:42,169 --> 00:30:40,380

brujas which are witches and uh you get

728

00:30:44,090 --> 00:30:42,179

uh you get a lot of stories of them like

729

00:30:45,950 --> 00:30:44,100

taking children as well and like from

730

00:30:48,169 --> 00:30:45,960

Villages and stuff like that so I don't

731

00:30:49,789 --> 00:30:48,179

know if it's just a common story that

732

00:30:52,490 --> 00:30:49,799

just kind of carries over to the next

733

00:30:54,409 --> 00:30:52,500

the next lore the next Cryptid so I I

734

00:30:57,169 --> 00:30:54,419

don't know that's that's it's just kind

735

00:30:59,389 --> 00:30:57,179

of common to me I wonder if it was

736

00:31:01,430 --> 00:30:59,399

something that you know was just kind of

737

00:31:04,850 --> 00:31:01,440

ingrained in humanity from an early

738

00:31:06,769 --> 00:31:04,860

start you know like say Like A Primitive

739

00:31:08,690 --> 00:31:06,779

tribes out there and the child wanders

740

00:31:11,029 --> 00:31:08,700

off or gets taken by a mountain lion or

741

00:31:12,769 --> 00:31:11,039

something and just disappears and you

742

00:31:14,870 --> 00:31:12,779

know the stories traveling around about

743

00:31:17,450 --> 00:31:14,880

children disappearing like that because

744

00:31:18,950 --> 00:31:17,460

we know that still today like people go

745

00:31:21,169 --> 00:31:18,960

camping and children wander off into the

746

00:31:23,090 --> 00:31:21,179

woods and disappear all the time uh

747

00:31:23,990 --> 00:31:23,100

sometimes they're found but most often

748

00:31:26,990 --> 00:31:24,000

they're not

749

00:31:29,810 --> 00:31:27,000

and I'm wondering if that's how it ended

750

00:31:32,210 --> 00:31:29,820

up in all these different uh pieces of

751  
00:31:34,130 --> 00:31:32,220  
folklore about them taking children like

752  
00:31:40,549 --> 00:31:34,140  
that

753  
00:31:42,230 --> 00:31:40,559  
Bobo told a story told two narratives

754  
00:31:43,310 --> 00:31:42,240  
everyone knows the one from North

755  
00:31:45,710 --> 00:31:43,320  
Carolina

756  
00:31:48,470 --> 00:31:45,720  
but they told two narratives about young

757  
00:31:50,269 --> 00:31:48,480  
children I think they were both male one

758  
00:31:52,010 --> 00:31:50,279  
may have been a female I've actually

759  
00:31:55,070 --> 00:31:52,020  
heard a third in Canada that was a

760  
00:31:58,970 --> 00:31:55,080  
female where the Bigfoot apparently kept

761  
00:32:00,470 --> 00:31:58,980  
the child warm and at night and guided

762  
00:32:03,889 --> 00:32:00,480  
the child back to where it came from

763  
00:32:06,110 --> 00:32:03,899

there I mean one of them what the kid

764

00:32:07,909 --> 00:32:06,120

describes it certainly was not a bear

765

00:32:09,289 --> 00:32:07,919

that took care of them that's not

766

00:32:11,810 --> 00:32:09,299

happening

767

00:32:14,269 --> 00:32:11,820

yeah I had a I had a story in recently

768

00:32:16,310 --> 00:32:14,279

probably like a season ago this lady

769

00:32:18,350 --> 00:32:16,320

reached out to me uh she's lived in

770

00:32:20,630 --> 00:32:18,360

Texas but she was camping in Arkansas

771

00:32:22,610 --> 00:32:20,640

and she had a story of her little her

772

00:32:25,190 --> 00:32:22,620

little boy I think at the time he was

773

00:32:26,690 --> 00:32:25,200

like four or five and they were they

774

00:32:28,370 --> 00:32:26,700

were camping somewhere in Arkansas I

775

00:32:30,049 --> 00:32:28,380

wish I could remember which one it was

776

00:32:32,389 --> 00:32:30,059

and

777

00:32:34,850 --> 00:32:32,399

um she had two sons one was ten the

778

00:32:37,970 --> 00:32:34,860

other one was four or five and the the

779

00:32:39,769 --> 00:32:37,980

smallest one wandered off and they

780

00:32:41,990 --> 00:32:39,779

couldn't they couldn't find him so they

781

00:32:43,970 --> 00:32:42,000

were camping with other people in this

782

00:32:46,190 --> 00:32:43,980

one area so they kind of kind of got all

783

00:32:48,169 --> 00:32:46,200

together and they started Fanning out to

784

00:32:49,850 --> 00:32:48,179

go find this little boy and they must

785

00:32:52,310 --> 00:32:49,860

look for like an hour

786

00:32:54,649 --> 00:32:52,320

and whenever he eventually came back

787

00:32:56,630 --> 00:32:54,659

like an hour and he told his he told his

788

00:32:58,490 --> 00:32:56,640

mom which is the lady that was on that

789

00:33:01,909 --> 00:32:58,500

was talking to me about it she said that

790

00:33:03,769 --> 00:33:01,919

uh he was he was guided back by two

791

00:33:06,889 --> 00:33:03,779

talking bears

792

00:33:09,110 --> 00:33:06,899

and the mama bear was holding the baby

793

00:33:10,909 --> 00:33:09,120

and the daddy bear was arguing with the

794

00:33:13,909 --> 00:33:10,919

mama bear and they were like corralling

795

00:33:15,730 --> 00:33:13,919

him with their arms to go back

796

00:33:19,130 --> 00:33:15,740

and so that was probably one of those

797

00:33:21,230 --> 00:33:19,140

you know strangest Amazing Stories I

798

00:33:24,590 --> 00:33:21,240

ever had I said man that's that I go can

799

00:33:26,690 --> 00:33:24,600

I tell that story please so so that was

800

00:33:29,149 --> 00:33:26,700

that was a really really good story and

801  
00:33:31,610 --> 00:33:29,159  
I wish I I recall what lake or what

802  
00:33:34,130 --> 00:33:31,620  
camping ground that was at but Prime

803  
00:33:37,190 --> 00:33:34,140  
Time what do you think about that

804  
00:33:40,610 --> 00:33:37,200  
oh man I love these kinds of stories

805  
00:33:43,310 --> 00:33:40,620  
um and I also I'm really taken with this

806  
00:33:45,590 --> 00:33:43,320  
sort of perennialist but on the subject

807  
00:33:46,909 --> 00:33:45,600  
like that these stories show up across

808  
00:33:49,250 --> 00:33:46,919  
different cultures across different

809  
00:33:51,049 --> 00:33:49,260  
geographies throughout time

810  
00:33:54,529 --> 00:33:51,059  
um you know what I always come back to

811  
00:33:56,570 --> 00:33:54,539  
with the subject of Cryptids or with

812  
00:33:58,610 --> 00:33:56,580  
um like the continuity of these myths

813  
00:34:00,649 --> 00:33:58,620

Legends folklore's I use those terms

814

00:34:02,690 --> 00:34:00,659

without conferring like belief or not

815

00:34:05,149 --> 00:34:02,700

beliefs it's just sort of popular

816

00:34:09,530 --> 00:34:05,159

popular imagination

817

00:34:11,570 --> 00:34:09,540

um is I'm always curious and wondering

818

00:34:13,730 --> 00:34:11,580

basically

819

00:34:15,829 --> 00:34:13,740

how much of these are strict materialist

820

00:34:18,829 --> 00:34:15,839

phenomena and how much of them aren't

821

00:34:21,409 --> 00:34:18,839

and I I bring that up because

822

00:34:22,849 --> 00:34:21,419

um when we had Vicon to talk about the

823

00:34:25,550 --> 00:34:22,859

dog man this was something that he

824

00:34:27,770 --> 00:34:25,560

talked about if I recall like this sort

825

00:34:30,950 --> 00:34:27,780

of evolution of his view on the subject

826

00:34:33,109 --> 00:34:30,960

from being a strictly materialist

827

00:34:35,270 --> 00:34:33,119

um physical phenomena to something

828

00:34:37,430 --> 00:34:35,280

um I think much deeper or more

829

00:34:39,770 --> 00:34:37,440

sophisticated than just base physical

830

00:34:42,290 --> 00:34:39,780

reality

831

00:34:44,210 --> 00:34:42,300

um and so uh that's my very long

832

00:34:47,270 --> 00:34:44,220

circuitous way of saying that like when

833

00:34:50,750 --> 00:34:47,280

I hear like a child recounting this kind

834

00:34:52,790 --> 00:34:50,760

of story right like where or how like I

835

00:34:55,609 --> 00:34:52,800

you wouldn't expect a kid to have that

836

00:34:57,170 --> 00:34:55,619

that uh nuanced of a world view to be

837

00:34:59,030 --> 00:34:57,180

able to just craft and make up something

838

00:35:01,849 --> 00:34:59,040

like this

839

00:35:05,450 --> 00:35:01,859

um let alone a motivation

840

00:35:07,910 --> 00:35:05,460

um and I'm

841

00:35:10,069 --> 00:35:07,920

I don't know I I I just love these kinds

842

00:35:11,750 --> 00:35:10,079

of stories I think uh or these

843

00:35:13,730 --> 00:35:11,760

narratives or these experiences that

844

00:35:15,530 --> 00:35:13,740

people report because I think they speak

845

00:35:16,910 --> 00:35:15,540

to

846

00:35:19,069 --> 00:35:16,920

um

847

00:35:20,630 --> 00:35:19,079

they speak to events I think that have

848

00:35:24,470 --> 00:35:20,640

happened throughout human history and

849

00:35:26,810 --> 00:35:24,480

also uh address some of the most like

850

00:35:29,030 --> 00:35:26,820

Primal fears that humans possess right

851

00:35:31,069 --> 00:35:29,040

the loss of a child the the mystery of

852

00:35:34,730 --> 00:35:31,079

losing a child and then the delivery

853

00:35:40,370 --> 00:35:38,510

yeah and Matt and and and Robert jump in

854

00:35:41,870 --> 00:35:40,380

on this because there's been first of

855

00:35:44,569 --> 00:35:41,880

all there's been multiple stories about

856

00:35:47,329 --> 00:35:44,579

hearing them speak in that manner which

857

00:35:50,510 --> 00:35:47,339

the child described from from seasoned

858

00:35:52,069 --> 00:35:50,520

adults in the Woods by the way man I I

859

00:35:53,750 --> 00:35:52,079

I'm sorry one more thing to say which is

860

00:35:55,490 --> 00:35:53,760

I come to stay to remember like my

861

00:35:57,710 --> 00:35:55,500

Bigfoot education came from coast to

862

00:35:59,870 --> 00:35:57,720

coast to Amazon right in the 90s and

863

00:36:01,250 --> 00:35:59,880

early arts and I say that because I can

864

00:36:03,349 --> 00:36:01,260

distinctly remember him playing

865

00:36:04,730 --> 00:36:03,359

recordings I think there was like a very

866

00:36:07,490 --> 00:36:04,740

specific recording he played pretty

867

00:36:09,050 --> 00:36:07,500

frequently any years explicitly yeah the

868

00:36:10,670 --> 00:36:09,060

Sierra sounds and he explicitly talked

869

00:36:12,349 --> 00:36:10,680

about how it sounded like Bigfoot's

870

00:36:16,010 --> 00:36:12,359

fighting

871

00:36:17,390 --> 00:36:16,020

um yeah yeah uh and so it was kind of

872

00:36:19,069 --> 00:36:17,400

interesting too to hear that description

873

00:36:21,290 --> 00:36:19,079

brought up

874

00:36:23,089 --> 00:36:21,300

yeah I I know I interviewed this one guy

875

00:36:25,609 --> 00:36:23,099

and he didn't know anything about

876

00:36:27,890 --> 00:36:25,619

Bigfoot and he said that it sounded like

877

00:36:30,430 --> 00:36:27,900

a samurai that's when he said it sounds

878

00:36:34,069 --> 00:36:30,440

like it sounded like

879

00:36:36,829 --> 00:36:34,079

that and I go I go exactly like that he

880

00:36:39,170 --> 00:36:36,839

goes exactly so

881

00:36:42,109 --> 00:36:39,180

um that to me that was amazing whenever

882

00:36:44,390 --> 00:36:42,119

he told me that story so

883

00:36:46,849 --> 00:36:44,400

yeah I mean there's there's a multiple

884

00:36:49,130 --> 00:36:46,859

people I don't know how many I know Matt

885

00:36:51,829 --> 00:36:49,140

knows so I'm sure Robert knows some of

886

00:36:52,670 --> 00:36:51,839

hearing a Native American dialect

887

00:36:56,870 --> 00:36:52,680

um

888

00:36:59,690 --> 00:36:56,880

Oklahoma if you guys can help me out

889

00:37:01,370 --> 00:36:59,700

that has the uh the uh the piece of

890

00:37:04,069 --> 00:37:01,380

property that Rick Taylor went to what's

891

00:37:07,190 --> 00:37:04,079

her name again Arlo Williams yeah Arlo

892

00:37:09,050 --> 00:37:07,200

Williams you know speak Cherokee and

893

00:37:12,109 --> 00:37:09,060

hears them speaking that there's a guy

894

00:37:14,510 --> 00:37:12,119

from uh Georgia named Alex uh midnight

895

00:37:17,450 --> 00:37:14,520

Walker who would

896

00:37:20,210 --> 00:37:17,460

um hear elements of Spanish and would

897

00:37:22,910 --> 00:37:20,220

would speak Spanish to them and play his

898

00:37:24,290 --> 00:37:22,920

guitar for them and they would they

899

00:37:25,730 --> 00:37:24,300

would make noises when he would stop

900

00:37:28,130 --> 00:37:25,740

playing his guitar

901  
00:37:29,450 --> 00:37:28,140  
uh Alex would go out there he'd go a

902  
00:37:30,950 --> 00:37:29,460  
couple miles out into the woods by

903  
00:37:33,109 --> 00:37:30,960  
himself in the middle of the night and

904  
00:37:35,750 --> 00:37:33,119  
do this I'm sure you guys remember him

905  
00:37:38,569 --> 00:37:35,760  
so there's there's so much out there

906  
00:37:40,370 --> 00:37:38,579  
Prime Time on on on these guys and also

907  
00:37:41,930 --> 00:37:40,380  
real quickly Matt and I discussed this

908  
00:37:44,810 --> 00:37:41,940  
the other night but there's a British

909  
00:37:47,450 --> 00:37:44,820  
woman who came in the late 80s to work

910  
00:37:50,750 --> 00:37:47,460  
in Mountain View California in the early

911  
00:37:53,630 --> 00:37:50,760  
software computer days and had an

912  
00:37:55,250 --> 00:37:53,640  
experience where she went out to one of

913  
00:37:58,490 --> 00:37:55,260

those trailheads that led to the beach

914

00:38:00,410 --> 00:37:58,500

and was sitting out there and as she was

915

00:38:03,589 --> 00:38:00,420

getting ready to photograph the sunset

916

00:38:06,109 --> 00:38:03,599

she was offset from the trailhead so you

917

00:38:08,930 --> 00:38:06,119

know she was laterally away from it and

918

00:38:11,569 --> 00:38:08,940

supposedly a family of Bigfoots came out

919

00:38:12,890 --> 00:38:11,579

and got into the water and started

920

00:38:16,490 --> 00:38:12,900

playing in the water and playing with

921

00:38:18,770 --> 00:38:16,500

the seaweed and she nearly had a heart

922

00:38:21,109 --> 00:38:18,780

attack dropped her camera lens and when

923

00:38:23,349 --> 00:38:21,119

the alpha male turned around she was

924

00:38:26,390 --> 00:38:23,359

absolutely Frozen and it was the female

925

00:38:28,130 --> 00:38:26,400

that was great sort of grabbing in him

926  
00:38:30,530 --> 00:38:28,140  
telling him don't you know don't go over

927  
00:38:32,630 --> 00:38:30,540  
there don't go over there you know in

928  
00:38:34,970 --> 00:38:32,640  
whatever their language is and she

929  
00:38:37,970 --> 00:38:34,980  
talked about them chantering back and

930  
00:38:39,770 --> 00:38:37,980  
forth quote unquote that that sounded

931  
00:38:42,109 --> 00:38:39,780  
like what they described and that

932  
00:38:43,849 --> 00:38:42,119  
Samurai chatter and Sierra sounds at

933  
00:38:45,890 --> 00:38:43,859  
least anyway it was a terrifying

934  
00:38:48,650 --> 00:38:45,900  
encounter she ended up getting drugged

935  
00:38:52,370 --> 00:38:48,660  
back to her about 30 yards from her car

936  
00:38:54,050 --> 00:38:52,380  
and kind of left there uh uh by whatever

937  
00:38:55,430 --> 00:38:54,060  
she just passed out and doesn't know

938  
00:38:59,990 --> 00:38:55,440

what happened but she got drugged back

939

00:39:03,410 --> 00:39:01,370

even if these aren't malevolent

940

00:39:05,210 --> 00:39:03,420

encounters I can imagine that having the

941

00:39:07,190 --> 00:39:05,220

in and of themselves are almost dramatic

942

00:39:10,370 --> 00:39:07,200

right because they're so

943

00:39:13,609 --> 00:39:10,380

um shocking and surprising yes

944

00:39:15,170 --> 00:39:13,619

yes uh well when you have you know the

945

00:39:17,510 --> 00:39:15,180

way that she tells it if you have an

946

00:39:20,270 --> 00:39:17,520

alpha male staring at you and he won't

947

00:39:21,770 --> 00:39:20,280

remove his eyes from you and he's trying

948

00:39:24,710 --> 00:39:21,780

to get over to you and he's sort of

949

00:39:27,290 --> 00:39:24,720

being held back by the the matriarch of

950

00:39:28,970 --> 00:39:27,300

this family and then eventually pulls

951  
00:39:31,010 --> 00:39:28,980  
away from her and starts making his way

952  
00:39:33,050 --> 00:39:31,020  
toward you I mean we've heard of people

953  
00:39:35,450 --> 00:39:33,060  
urinating we heard of people passing out

954  
00:39:36,770 --> 00:39:35,460  
all these things are commonplace in

955  
00:39:39,410 --> 00:39:36,780  
Bigfoot

956  
00:39:41,930 --> 00:39:39,420  
um slightly different than than the type

957  
00:39:43,430 --> 00:39:41,940  
of fear from UFOs although you know if

958  
00:39:45,530 --> 00:39:43,440  
you talk to Travis Walton he might

959  
00:39:48,050 --> 00:39:45,540  
differ with that but but

960  
00:39:49,849 --> 00:39:48,060  
um there's a physical imposition that's

961  
00:39:53,510 --> 00:39:49,859  
going on there that that generally

962  
00:39:55,550 --> 00:39:53,520  
people aren't experiencing uh with with

963  
00:39:56,990 --> 00:39:55,560

the gray that they may feel like they're

964

00:39:58,970 --> 00:39:57,000

bigger than even though if they have no

965

00:40:01,250 --> 00:39:58,980

power over it so I'm sorry take it away

966

00:40:02,150 --> 00:40:01,260

Matt and Robert with whatever commentary

967

00:40:03,650 --> 00:40:02,160

on that

968

00:40:05,510 --> 00:40:03,660

oh

969

00:40:08,030 --> 00:40:05,520

I'm thinking about telling a story but I

970

00:40:11,990 --> 00:40:08,040

don't know uh

971

00:40:13,910 --> 00:40:12,000

I mean fair warning now this story is

972

00:40:17,450 --> 00:40:13,920

somewhat X-rated

973

00:40:20,569 --> 00:40:17,460

uh I I know I believe I believe it

974

00:40:21,950 --> 00:40:20,579

happened in the Van Halen album title so

975

00:40:24,290 --> 00:40:21,960

fair warning you're good to go right

976

00:40:27,770 --> 00:40:24,300

there yeah I believe

977

00:40:31,430 --> 00:40:27,780

it happened in the Red River area

978

00:40:34,609 --> 00:40:31,440

along the Red River somewhere uh so the

979

00:40:36,410 --> 00:40:34,619

story goes there was a a lady who had

980

00:40:38,270 --> 00:40:36,420

gone into an argument with her husband

981

00:40:41,510 --> 00:40:38,280

or her boyfriend or something and had

982

00:40:45,230 --> 00:40:41,520

taken off in the pickup truck and she is

983

00:40:47,870 --> 00:40:45,240

pulled down in the riverbed area uh

984

00:40:50,810 --> 00:40:47,880

there's areas where it's very shallow

985

00:40:54,530 --> 00:40:50,820

and Sandy on each side almost like a

986

00:40:56,569 --> 00:40:54,540

beach and it sits much lower so like you

987

00:40:59,329 --> 00:40:56,579

if you were 30 yards off of the river

988

00:41:01,250 --> 00:40:59,339

you wouldn't be able to see over the we

989

00:41:04,130 --> 00:41:01,260

have this Tall Grass that's about four

990

00:41:06,530 --> 00:41:04,140

feet tall you know and it's down lower

991

00:41:08,450 --> 00:41:06,540

so she was well out of view of anybody

992

00:41:10,910 --> 00:41:08,460

she goes out in the middle of nowhere

993

00:41:13,010 --> 00:41:10,920

and uh she had

994

00:41:15,290 --> 00:41:13,020

slept or I

995

00:41:16,430 --> 00:41:15,300

just to be fully transparent she might

996

00:41:19,010 --> 00:41:16,440

have passed out she might have been

997

00:41:20,270 --> 00:41:19,020

drinking I don't remember but she slept

998

00:41:23,510 --> 00:41:20,280

in the truck

999

00:41:24,349 --> 00:41:23,520

and at some point uh early early in the

1000

00:41:27,109 --> 00:41:24,359

morning

1001

00:41:29,750 --> 00:41:27,119

uh it was Daylight

1002

00:41:31,849 --> 00:41:29,760

she was woken up by something and she's

1003

00:41:33,770 --> 00:41:31,859

like laying kind of in the seat of the

1004

00:41:36,670 --> 00:41:33,780

truck all stretched out and she opens

1005

00:41:40,970 --> 00:41:36,680

her eyes and at her feet

1006

00:41:42,349 --> 00:41:40,980

is a very large Bigfoot staring at her

1007

00:41:44,030 --> 00:41:42,359

through the window

1008

00:41:48,650 --> 00:41:44,040

and uh

1009

00:41:50,870 --> 00:41:48,660

he is self-pleasuring himself

1010

00:41:52,609 --> 00:41:50,880

and she freaks out and you know

1011

00:41:55,069 --> 00:41:52,619

scrunches her legs up and draws up

1012

00:41:58,370 --> 00:41:55,079

against the window of the opposite side

1013

00:42:01,670 --> 00:41:58,380

up against the door and she can now see

1014

00:42:03,109 --> 00:42:01,680

a female Bigfoot standing kind of

1015

00:42:05,150 --> 00:42:03,119

farther up

1016

00:42:06,410 --> 00:42:05,160

towards the front of the truck past the

1017

00:42:09,829 --> 00:42:06,420

front of the truck

1018

00:42:11,930 --> 00:42:09,839

and the female preg is pregnant uh

1019

00:42:13,870 --> 00:42:11,940

visibly pregnant

1020

00:42:17,390 --> 00:42:13,880

and starts

1021

00:42:18,230 --> 00:42:17,400

saying something she can tell by its

1022

00:42:21,950 --> 00:42:18,240

tone

1023

00:42:25,250 --> 00:42:21,960

this female Bigfoot is very displeased

1024

00:42:27,890 --> 00:42:25,260

with what's going on you know she's

1025

00:42:30,109 --> 00:42:27,900

bitching at him basically this is a

1026  
00:42:31,490 --> 00:42:30,119  
family show I just everybody that you

1027  
00:42:33,710 --> 00:42:31,500  
know but go ahead

1028  
00:42:36,410 --> 00:42:33,720  
uh so

1029  
00:42:37,970 --> 00:42:36,420  
the mill stops and like looks at the

1030  
00:42:40,810 --> 00:42:37,980  
female Bigfoot and then kind of looks

1031  
00:42:44,109 --> 00:42:40,820  
back at her and there's more you know

1032  
00:42:46,790 --> 00:42:44,119  
back and forth and then the male Bigfoot

1033  
00:42:49,310 --> 00:42:46,800  
walks off and joins the female and they

1034  
00:42:51,890 --> 00:42:49,320  
walk off down the riverbed and disappear

1035  
00:42:52,609 --> 00:42:51,900  
outside and the woman hauls it out of

1036  
00:42:54,530 --> 00:42:52,619  
there

1037  
00:42:58,190 --> 00:42:54,540  
Robert how do you say you're cut off in

1038  
00:43:04,430 --> 00:42:58,200

Bigfoot do you know the actual words

1039

00:43:08,390 --> 00:43:07,010

so that is the first time I've ever

1040

00:43:10,790 --> 00:43:08,400

heard that

1041

00:43:12,650 --> 00:43:10,800

but there is that question so I I'm

1042

00:43:15,470 --> 00:43:12,660

gonna have to bring it up

1043

00:43:17,150 --> 00:43:15,480

because you guys have heard a lot of

1044

00:43:18,950 --> 00:43:17,160

stories and I have heard a lot of

1045

00:43:21,410 --> 00:43:18,960

stories from people and of their

1046

00:43:24,230 --> 00:43:21,420

experiences where Bigfoot is looking in

1047

00:43:25,849 --> 00:43:24,240

the window and a lot of and a lot of

1048

00:43:27,710 --> 00:43:25,859

times there's a female involved not

1049

00:43:30,829 --> 00:43:27,720

always sometimes there's a male

1050

00:43:33,650 --> 00:43:30,839

sometimes it's a it's a young person

1051

00:43:37,370 --> 00:43:33,660

but a lot of times it's attributed to

1052

00:43:41,030 --> 00:43:37,380

curiosity uh what what is your take on I

1053

00:43:45,530 --> 00:43:41,040

mean Matt Bob what is your take on if

1054

00:43:51,890 --> 00:43:49,990

by all means the floor is yours sir

1055

00:43:54,650 --> 00:43:51,900

there's been there's been a couple

1056

00:43:57,710 --> 00:43:54,660

there's been a couple cases where a lady

1057

00:43:59,329 --> 00:43:57,720

reached out to me and at the time I

1058

00:44:00,950 --> 00:43:59,339

think I forgot what county it was but

1059

00:44:03,109 --> 00:44:00,960

they were burning trash they were they

1060

00:44:04,609 --> 00:44:03,119

were burning their trash and she was

1061

00:44:06,710 --> 00:44:04,619

getting a Bigfoot coming to her back

1062

00:44:09,170 --> 00:44:06,720

back of her house look into the windows

1063

00:44:12,829 --> 00:44:09,180

she had two two young girls the entire

1064

00:44:14,630 --> 00:44:12,839

life you know five and six so uh I asked

1065

00:44:16,790 --> 00:44:14,640

her a bunch of questions and I you know

1066

00:44:18,829 --> 00:44:16,800

we got to the part of her burnt trash

1067

00:44:20,690 --> 00:44:18,839

and then I asked her I said this is

1068

00:44:24,050 --> 00:44:20,700

gonna be a personal question I go but

1069

00:44:25,670 --> 00:44:24,060

are you a heavy bleeder and she said yes

1070

00:44:28,370 --> 00:44:25,680

I am

1071

00:44:30,349 --> 00:44:28,380

and I I hate to say that but you know

1072

00:44:32,450 --> 00:44:30,359

because like she was burning she was

1073

00:44:33,829 --> 00:44:32,460

burning her stuff at the at you know at

1074

00:44:35,210 --> 00:44:33,839

the I guess the end of the week or

1075

00:44:37,910 --> 00:44:35,220

something and she would leave it out

1076

00:44:41,390 --> 00:44:37,920

there so the big foot was attracted

1077

00:44:43,370 --> 00:44:41,400

to her her bleeding and so I told her I

1078

00:44:45,829 --> 00:44:43,380

said this is what you do you know

1079

00:44:47,870 --> 00:44:45,839

freezer Ziploc bag for some girls put it

1080

00:44:49,910 --> 00:44:47,880

in a Ziploc put it in the freezer when

1081

00:44:52,849 --> 00:44:49,920

you're ready to burn it take it out and

1082

00:44:55,250 --> 00:44:52,859

burn it so I eventually told her that at

1083

00:44:57,589 --> 00:44:55,260

the time uh I told her to you know Kmart

1084

00:44:59,770 --> 00:44:57,599

was available in Walmart back then I

1085

00:45:03,410 --> 00:44:59,780

said go to Kmart go to Walmart recycle

1086

00:45:07,010 --> 00:45:03,420

yeah do that and also get you some um

1087

00:45:09,829 --> 00:45:07,020

some uh some game trackers and they they

1088

00:45:10,910 --> 00:45:09,839

run off C batteries and just put them in

1089

00:45:13,609 --> 00:45:10,920

back to your house and you won't see a

1090

00:45:16,190 --> 00:45:13,619

Bigfoot again that's what I told her and

1091

00:45:18,290 --> 00:45:16,200

um so that was that was the case on a

1092

00:45:21,670 --> 00:45:18,300

couple times that you know I've had to

1093

00:45:24,109 --> 00:45:21,680

tell somebody okay and you know it

1094

00:45:25,609 --> 00:45:24,119

it's just kind of awkward whenever you

1095

00:45:27,050 --> 00:45:25,619

talk about stuff like that but you know

1096

00:45:28,730 --> 00:45:27,060

you gotta get to the root of the matter

1097

00:45:30,349 --> 00:45:28,740

and trying to you know try to help the

1098

00:45:31,790 --> 00:45:30,359

people the like the best they can

1099

00:45:33,890 --> 00:45:31,800

because she clearly didn't want to see a

1100

00:45:34,790 --> 00:45:33,900

big but you know with her kids and stuff

1101

00:45:38,750 --> 00:45:34,800

so

1102

00:45:39,890 --> 00:45:38,760

I mean you guys are acting like

1103

00:45:42,890 --> 00:45:39,900

detectives and they have to ask

1104

00:45:45,589 --> 00:45:42,900

uncomfortable questions Leah I mean all

1105

00:45:47,870 --> 00:45:45,599

I would say is that I don't want to date

1106

00:45:49,490 --> 00:45:47,880

a female Bigfoot but I I would at least

1107

00:45:50,809 --> 00:45:49,500

it would be nice to know if she thought

1108

00:45:55,250 --> 00:45:50,819

I was attractive

1109

00:45:58,970 --> 00:45:55,260

yeah yes I I wanted a comment if I can

1110

00:46:02,750 --> 00:45:58,980

that yes ma'am please of course I do

1111

00:46:04,910 --> 00:46:02,760

some deep Dives on anthropology and what

1112

00:46:07,010 --> 00:46:04,920

they've discovered about hominins on the

1113

00:46:10,490 --> 00:46:07,020

planet and one thing that they've said

1114

00:46:13,550 --> 00:46:10,500

recently is that it may have been that

1115

00:46:16,970 --> 00:46:13,560

when hominins for interbreeding they may

1116

00:46:20,690 --> 00:46:16,980

not have had the same problem of species

1117

00:46:22,069 --> 00:46:20,700

being unable to breed back in the day

1118

00:46:24,770 --> 00:46:22,079

um that there may have been more

1119

00:46:25,670 --> 00:46:24,780

different rules for nature back in the

1120

00:46:27,770 --> 00:46:25,680

day

1121

00:46:30,109 --> 00:46:27,780

so like these different hominins may

1122

00:46:32,089 --> 00:46:30,119

have actually been different species so

1123

00:46:34,010 --> 00:46:32,099

there was attraction between different

1124

00:46:36,170 --> 00:46:34,020

species back in the days what I was

1125

00:46:38,270 --> 00:46:36,180

gonna follow up on

1126

00:46:39,770 --> 00:46:38,280

um that's like most recent research

1127

00:46:41,450 --> 00:46:39,780

essentially

1128

00:46:44,150 --> 00:46:41,460

Deb I was gonna say you make an

1129

00:46:46,069 --> 00:46:44,160

interesting point but I I think

1130

00:46:48,650 --> 00:46:46,079

um I have heard researchers say this

1131

00:46:50,930 --> 00:46:48,660

before and I'm sure Matt and Robert have

1132

00:46:53,210 --> 00:46:50,940

heard this Deb but they've said well an

1133

00:46:55,790 --> 00:46:53,220

elk isn't attracted to a deer and vice

1134

00:46:58,670 --> 00:46:55,800

versa but they're very close cousins so

1135

00:47:01,190 --> 00:46:58,680

and what you guys take on on on that uh

1136

00:47:02,150 --> 00:47:01,200

attraction piece Madison and Robert now

1137

00:47:04,550 --> 00:47:02,160

go ahead Deb

1138

00:47:06,530 --> 00:47:04,560

oh I had a question too that's what I

1139

00:47:08,870 --> 00:47:06,540

was gonna have switched gears but I will

1140

00:47:10,849 --> 00:47:08,880

say for that I think like any canine

1141

00:47:14,329 --> 00:47:10,859

they're gonna mess with each other like

1142

00:47:16,130 --> 00:47:14,339

you know a fox they don't care

1143

00:47:18,470 --> 00:47:16,140

yeah I was gonna say there's plenty of

1144

00:47:28,849 --> 00:47:18,480

examples of like cross species warning

1145

00:47:31,569 --> 00:47:30,170

should be talking about a completely

1146

00:47:35,630 --> 00:47:31,579

different subject

1147

00:47:37,550 --> 00:47:35,640

I can put skiers with my questions let

1148

00:47:38,750 --> 00:47:37,560

me just say this okay I I mean I know

1149

00:47:42,650 --> 00:47:38,760

we're having a good time and we're

1150

00:47:44,890 --> 00:47:42,660

joking around but honestly so I mean

1151

00:47:48,710 --> 00:47:44,900

there's a lot of theory out there okay

1152

00:47:52,490 --> 00:47:48,720

uh and one of those theories is that

1153

00:47:54,530 --> 00:47:52,500

these uh things live in groups very

1154

00:47:58,550 --> 00:47:54,540

similar to

1155

00:48:01,970 --> 00:47:58,560

uh basically other primates where you

1156

00:48:05,030 --> 00:48:01,980

have an alpha male in the group

1157

00:48:07,430 --> 00:48:05,040

and that if you're a subordinate male

1158

00:48:11,210 --> 00:48:07,440

you eventually reach an age where you

1159

00:48:12,530 --> 00:48:11,220

have certain desires and if they can't

1160

00:48:16,130 --> 00:48:12,540

uh

1161

00:48:18,230 --> 00:48:16,140

solve those issues among the group

1162

00:48:22,010 --> 00:48:18,240

because the alpha male won't like let

1163

00:48:24,650 --> 00:48:22,020

them then those subordinate Mills might

1164

00:48:27,170 --> 00:48:24,660

seek it elsewhere and that's where you

1165

00:48:28,550 --> 00:48:27,180

get a lot of these stories and what

1166

00:48:32,170 --> 00:48:28,560

you're talking about looking in the

1167

00:48:35,450 --> 00:48:32,180

windows yes there are countless stories

1168

00:48:40,790 --> 00:48:35,460

of they are looking in the windows at

1169

00:48:43,550 --> 00:48:40,800

women or teenage girls uh we Robert and

1170

00:48:46,490 --> 00:48:43,560

I both know a lady down in Texas who's a

1171

00:48:49,490 --> 00:48:46,500

veteran of this field a long long time

1172

00:48:51,230 --> 00:48:49,500

researcher and

1173

00:48:53,150 --> 00:48:51,240

as a matter of fact the first time I

1174

00:48:56,750 --> 00:48:53,160

ever went on a huge group outing we

1175

00:48:59,030 --> 00:48:56,760

stayed at her house and she was at the

1176

00:49:02,089 --> 00:48:59,040

time married to a gentleman who was a a

1177

00:49:04,490 --> 00:49:02,099

long over the road truck driver

1178

00:49:07,010 --> 00:49:04,500

and these things were coming up to her

1179

00:49:10,010 --> 00:49:07,020

house when he would leave

1180

00:49:13,069 --> 00:49:10,020

and only when he would leave and he

1181

00:49:14,930 --> 00:49:13,079

parked his truck uh basically at the end

1182

00:49:17,870 --> 00:49:14,940

of the road where they lived

1183

00:49:19,309 --> 00:49:17,880

and whenever you heard his truck pull up

1184

00:49:21,230 --> 00:49:19,319

and Park

1185

00:49:23,630 --> 00:49:21,240

the activity would stop until he left

1186

00:49:26,990 --> 00:49:23,640

town again and it wouldn't start back up

1187

00:49:28,670 --> 00:49:27,000

until he had been gone for a day or two

1188

00:49:30,710 --> 00:49:28,680

and they were coming right up to her

1189

00:49:34,010 --> 00:49:30,720

bedroom window she got some amazing

1190

00:49:36,349 --> 00:49:34,020

audio recorded over the years by setting

1191

00:49:38,750 --> 00:49:36,359

a recorder in her bedroom window at

1192

00:49:42,710 --> 00:49:38,760

night okay now I have another question

1193

00:49:46,730 --> 00:49:44,990

both of you have you heard stories of

1194

00:49:50,870 --> 00:49:46,740

one male with lots of females like

1195

00:49:53,870 --> 00:49:50,880

primates tend to gravitate towards

1196

00:49:56,329 --> 00:49:53,880

I haven't I haven't heard of any

1197

00:49:58,910 --> 00:49:56,339

sightings of lots of females

1198

00:50:00,950 --> 00:49:58,920

I I haven't either and I did wanted to

1199

00:50:03,829 --> 00:50:00,960

add to the story I was talking about

1200

00:50:06,230 --> 00:50:03,839

about the the lady with the heavy

1201

00:50:07,430 --> 00:50:06,240

bleeder she did state that the Bigfoot

1202

00:50:11,450 --> 00:50:07,440

that was coming to the back of her house

1203

00:50:14,750 --> 00:50:11,460

was extremely skinny and like linky and

1204

00:50:17,150 --> 00:50:14,760

not not a like a big big film so it was

1205

00:50:18,470 --> 00:50:17,160

yeah it was to me it was like maybe a

1206

00:50:19,270 --> 00:50:18,480

juvenile that got pushed out of the

1207

00:50:22,490 --> 00:50:19,280

group

1208

00:50:25,190 --> 00:50:22,500

and he was looking for you know a mate

1209

00:50:27,770 --> 00:50:25,200

or something and so her husband was also

1210

00:50:30,109 --> 00:50:27,780

a trucker and so whenever he left town

1211

00:50:32,210 --> 00:50:30,119

you know this activity happened as well

1212

00:50:34,010 --> 00:50:32,220

so she whenever she rested whenever she

1213

00:50:35,089 --> 00:50:34,020

reached out to me I think I talked to

1214

00:50:37,790 --> 00:50:35,099

her for like three or four months

1215

00:50:39,589 --> 00:50:37,800

afterwards and uh just she would call me

1216

00:50:42,050 --> 00:50:39,599

at three o'clock in the morning and we

1217

00:50:43,910 --> 00:50:42,060

would talk and uh I would talk her

1218

00:50:44,809 --> 00:50:43,920

through stuff and I said I wouldn't I

1219

00:50:46,730 --> 00:50:44,819

wouldn't be able to get out there till

1220

00:50:48,950 --> 00:50:46,740

you know this weekend it's Thursday so

1221

00:50:50,630 --> 00:50:48,960

but uh but I just wanted to mention that

1222

00:50:51,530 --> 00:50:50,640

I forgot to mention that in that story

1223

00:50:54,770 --> 00:50:51,540

so

1224

00:50:57,890 --> 00:50:54,780

Matt is is a Bigfoot dating site for

1225

00:51:00,410 --> 00:50:57,900

these lonely teen bigfoots in the offing

1226

00:51:02,510 --> 00:51:00,420

like maybe we could become more popular

1227

00:51:04,609 --> 00:51:02,520

among them if we're able to provide

1228

00:51:06,650 --> 00:51:04,619

we'll go out try to get some photographs

1229

00:51:08,930 --> 00:51:06,660

of eligible females males and then they

1230

00:51:11,829 --> 00:51:08,940

can migrate I mean you might have just

1231

00:51:14,210 --> 00:51:11,839

deciphered the stick formations

1232

00:51:17,150 --> 00:51:14,220

that might be what those are actually

1233

00:51:20,690 --> 00:51:17,160

I'm single ready to mingle is what that

1234

00:51:22,010 --> 00:51:20,700

big a with the okay there we go this

1235

00:51:24,710 --> 00:51:22,020

could be it I think we're on to

1236

00:51:28,490 --> 00:51:24,720

something here Robert do not want to

1237

00:51:31,609 --> 00:51:28,500

camp ever Deb feel free to change topics

1238

00:51:33,829 --> 00:51:31,619

I can't believe I've camped alone as

1239

00:51:36,890 --> 00:51:33,839

much as I have and never had a Bigfoot

1240

00:51:40,970 --> 00:51:36,900

oh man okay okay I'm changing the topic

1241

00:51:46,849 --> 00:51:44,510

Bigfoot people seriously well okay yeah

1242

00:51:48,710 --> 00:51:46,859

that's over now guys sorry

1243

00:51:52,250 --> 00:51:48,720

um that's it we're never camping now

1244

00:51:55,130 --> 00:51:52,260

also okay so um I just wanted to say

1245

00:51:58,549 --> 00:51:55,140

that when we were talking before about

1246

00:52:01,670 --> 00:51:58,559

that speech pattern that tends to be

1247

00:52:03,770 --> 00:52:01,680

um either infrasound or telepathic it

1248

00:52:06,589 --> 00:52:03,780

made me wonder if the Bigfoot Community

1249

00:52:08,630 --> 00:52:06,599

has done experience or research like we

1250

00:52:11,690 --> 00:52:08,640

do with the UFO community and other

1251  
00:52:14,150 --> 00:52:11,700  
communities is anyone taking Bigfoot

1252  
00:52:16,130 --> 00:52:14,160  
experiencers and like studying what's

1253  
00:52:18,170 --> 00:52:16,140  
going on possibly with their abilities

1254  
00:52:20,809 --> 00:52:18,180  
their brains and things like that like

1255  
00:52:23,809 --> 00:52:20,819  
they do with the UFO community

1256  
00:52:25,670 --> 00:52:23,819  
uh I don't know anyone that's actually

1257  
00:52:28,970 --> 00:52:25,680  
doing that do you Matt

1258  
00:52:30,650 --> 00:52:28,980  
no but I mean Peter bankman of

1259  
00:52:32,690 --> 00:52:30,660  
Ghostbusters that's definitely how I

1260  
00:52:33,890 --> 00:52:32,700  
would go about it if I were to start

1261  
00:52:36,950 --> 00:52:33,900  
doing it

1262  
00:52:40,250 --> 00:52:36,960  
uh with the you know the ESP cards

1263  
00:52:42,829 --> 00:52:40,260

um in all seriousness no uh where the

1264

00:52:45,710 --> 00:52:42,839

UFO Community tends to have a lot more

1265

00:52:47,089 --> 00:52:45,720

structure uh with things like that the

1266

00:52:49,849 --> 00:52:47,099

Bigfoot community

1267

00:52:53,150 --> 00:52:49,859

there's so much uh infighting and

1268

00:52:56,990 --> 00:52:53,160

division based on Theory and conjecture

1269

00:53:00,410 --> 00:52:57,000

and just personality types uh

1270

00:53:02,450 --> 00:53:00,420

I mean the idea of coming together for a

1271

00:53:05,630 --> 00:53:02,460

cause like that I mean it might be

1272

00:53:09,490 --> 00:53:05,640

happening but not on a level like it

1273

00:53:12,890 --> 00:53:09,500

should be uh and I'm certainly not aware

1274

00:53:16,250 --> 00:53:12,900

of anybody doing it well it's not in

1275

00:53:17,569 --> 00:53:16,260

public right for people to observe and

1276

00:53:19,430 --> 00:53:17,579

see because

1277

00:53:21,829 --> 00:53:19,440

they're just not like that

1278

00:53:25,069 --> 00:53:21,839

yeah I just want to say and Julie's

1279

00:53:27,109 --> 00:53:25,079

asking uh Sasquatch harem's Jules

1280

00:53:29,210 --> 00:53:27,119

um you know I I we the the problem is

1281

00:53:30,170 --> 00:53:29,220

that we don't know about the I don't

1282

00:53:32,930 --> 00:53:30,180

know if you would call it animal

1283

00:53:37,030 --> 00:53:32,940

husbandry or they you know the the the

1284

00:53:41,569 --> 00:53:37,040

mating rituals of Bigfoots we we suspect

1285

00:53:43,250 --> 00:53:41,579

that sometimes when the teenager gets to

1286

00:53:45,470 --> 00:53:43,260

where at the point where he could be an

1287

00:53:47,569 --> 00:53:45,480

alpha male sometimes he'll have to leave

1288

00:53:50,450 --> 00:53:47,579

the tribe and go out on his own people

1289

00:53:52,430 --> 00:53:50,460

will talk about a very well quaffed

1290

00:53:54,589 --> 00:53:52,440

Bigfoot where the hair is combed and

1291

00:53:57,530 --> 00:53:54,599

they look very clean and taken care of

1292

00:53:59,150 --> 00:53:57,540

and that that may be your Alpha uh and

1293

00:54:01,790 --> 00:53:59,160

and the females in the group taking care

1294

00:54:03,290 --> 00:54:01,800

of them and then some when when a

1295

00:54:04,730 --> 00:54:03,300

teenager gets old enough and big enough

1296

00:54:06,770 --> 00:54:04,740

and be like okay it's time for you to go

1297

00:54:08,450 --> 00:54:06,780

and find your own your own group and

1298

00:54:11,569 --> 00:54:08,460

that's when they can get in trouble they

1299

00:54:14,030 --> 00:54:11,579

get into areas uh where maybe you

1300

00:54:15,470 --> 00:54:14,040

wouldn't see a family unit and all these

1301

00:54:16,970 --> 00:54:15,480

sorts of things can come into play but

1302

00:54:20,630 --> 00:54:16,980

we really don't the answers we really

1303

00:54:23,690 --> 00:54:20,640

don't know and night gazers saying so we

1304

00:54:27,109 --> 00:54:23,700

just need a hot chick to lure one into a

1305

00:54:29,630 --> 00:54:27,119

trap so you know if you know Deb and yes

1306

00:54:32,049 --> 00:54:29,640

hello is willing to I'm not sure Mr

1307

00:54:34,430 --> 00:54:32,059

Prime would be good with this

1308

00:54:37,910 --> 00:54:34,440

it's going to look a lot like King Kong

1309

00:54:39,890 --> 00:54:37,920

but no I'm getting back to what you guys

1310

00:54:42,530 --> 00:54:39,900

are saying I'm sorry

1311

00:54:44,450 --> 00:54:42,540

um so yeah I'm sorry get to take it away

1312

00:54:49,010 --> 00:54:44,460

Matt

1313

00:54:54,290 --> 00:54:51,290

there's so many so many things uh to

1314

00:54:56,210 --> 00:54:54,300

discuss but what Deb says is uh you know

1315

00:54:58,010 --> 00:54:56,220

what you said was true to Debs uh the

1316

00:54:59,809 --> 00:54:58,020

Bigfoot Community First of all there's a

1317

00:55:02,329 --> 00:54:59,819

stigma attached to anything of what

1318

00:55:05,510 --> 00:55:02,339

we're talking about and there's a lot of

1319

00:55:07,609 --> 00:55:05,520

uh quote serious Bigfoot researchers

1320

00:55:09,609 --> 00:55:07,619

unquote that would look like when you

1321

00:55:11,510 --> 00:55:09,619

start talking about this aspect about

1322

00:55:13,430 --> 00:55:11,520

infrasound and all that they're not

1323

00:55:16,430 --> 00:55:13,440

interested to discuss it's it's kind of

1324

00:55:19,430 --> 00:55:16,440

a non-starter yeah I think yeah I think

1325

00:55:22,690 --> 00:55:19,440

it has a lot to do with just uh

1326

00:55:25,609 --> 00:55:22,700

the whole mindset and the fear of

1327

00:55:27,770 --> 00:55:25,619

appearances to the public and you know

1328

00:55:30,290 --> 00:55:27,780

their peers in the Bigfoot community and

1329

00:55:34,549 --> 00:55:30,300

everything they're

1330

00:55:36,290 --> 00:55:34,559

there's this underlying fear uh with a

1331

00:55:38,089 --> 00:55:36,300

lot of researchers I mean if you take

1332

00:55:41,870 --> 00:55:38,099

somebody we'll just say Cliff barrickman

1333

00:55:44,329 --> 00:55:41,880

okay he he's put his face out there uh

1334

00:55:46,910 --> 00:55:44,339

he's obviously well known from Finding

1335

00:55:50,750 --> 00:55:46,920

Bigfoot and everything if he were to run

1336

00:55:52,250 --> 00:55:50,760

across uh situations which I know he has

1337

00:55:57,470 --> 00:55:52,260

of

1338

00:55:59,390 --> 00:55:57,480

blood as we understand it uh being tied

1339

00:56:01,190 --> 00:55:59,400

to a Bigfoot event

1340

00:56:02,530 --> 00:56:01,200

he wouldn't talk about it he wouldn't

1341

00:56:06,650 --> 00:56:02,540

put it out there

1342

00:56:09,410 --> 00:56:06,660

he would be overly concerned that you

1343

00:56:12,290 --> 00:56:09,420

know we have to do everything by the

1344

00:56:14,030 --> 00:56:12,300

scientific book to try and prove that

1345

00:56:15,950 --> 00:56:14,040

these creatures exist and the only way

1346

00:56:18,589 --> 00:56:15,960

we're going to accomplish that is by

1347

00:56:20,990 --> 00:56:18,599

sticking to the rules that the

1348

00:56:23,809 --> 00:56:21,000

scientific Community has laid out

1349

00:56:26,809 --> 00:56:23,819

uh and beyond that they're they're just

1350

00:56:29,210 --> 00:56:26,819

not even going to entertain any Notions

1351  
00:56:31,430 --> 00:56:29,220  
and you and I have talked enough you

1352  
00:56:35,109 --> 00:56:31,440  
know obviously Robert you know and I

1353  
00:56:39,349 --> 00:56:35,119  
have talked at exhaustion about it

1354  
00:56:42,230 --> 00:56:39,359  
we don't know that Bigfoot isn't just

1355  
00:56:44,990 --> 00:56:42,240  
flesh and blood what we do know is that

1356  
00:56:48,710 --> 00:56:45,000  
people report things happening

1357  
00:56:51,710 --> 00:56:48,720  
and that the Paranormal and UFOs and

1358  
00:56:54,170 --> 00:56:51,720  
everything else out there overlaps one

1359  
00:56:55,730 --> 00:56:54,180  
another and that includes into the

1360  
00:56:56,990 --> 00:56:55,740  
Bigfoot world

1361  
00:56:59,270 --> 00:56:57,000  
so

1362  
00:57:01,130 --> 00:56:59,280  
how do we prove that there's really no

1363  
00:57:03,950 --> 00:57:01,140

way to prove that Bigfoot can or can't

1364

00:57:05,930 --> 00:57:03,960

do things like Deb was saying uh

1365

00:57:09,470 --> 00:57:05,940

something very interesting about the

1366

00:57:12,230 --> 00:57:09,480

whole uh telepathic abilities of Bigfoot

1367

00:57:14,809 --> 00:57:12,240

there are people uh Robert and I both

1368

00:57:16,609 --> 00:57:14,819

know people that have claimed to have

1369

00:57:18,589 --> 00:57:16,619

heard a voice in their head coming from

1370

00:57:20,710 --> 00:57:18,599

the Bigfoot but then whenever you start

1371

00:57:23,030 --> 00:57:20,720

asking them specific questions

1372

00:57:24,530 --> 00:57:23,040

why do you think it came from the

1373

00:57:27,349 --> 00:57:24,540

Bigfoot well they were out there looking

1374

00:57:30,650 --> 00:57:27,359

for bigfoot so it must have been a

1375

00:57:32,990 --> 00:57:30,660

Bigfoot yes but that's not necessarily

1376

00:57:35,690 --> 00:57:33,000

true it you know it could be their own

1377

00:57:36,890 --> 00:57:35,700

intuition it could be their own psychic

1378

00:57:38,870 --> 00:57:36,900

abilities that they didn't even know

1379

00:57:42,170 --> 00:57:38,880

they had it could be divine intervention

1380

00:57:43,970 --> 00:57:42,180

we don't know the source of the voice we

1381

00:57:46,010 --> 00:57:43,980

just know that the voice according to

1382

00:57:48,410 --> 00:57:46,020

them isn't theirs it wasn't their

1383

00:57:49,970 --> 00:57:48,420

conscious doing it but since they were

1384

00:57:58,730 --> 00:57:49,980

out looking for bigfoot they've

1385

00:58:04,390 --> 00:58:01,970

again because I I'm so fascinated by the

1386

00:58:07,329 --> 00:58:04,400

discussions around this subject about

1387

00:58:14,150 --> 00:58:07,339

materialism versus

1388

00:58:16,190 --> 00:58:14,160

the few or two and

1389

00:58:18,530 --> 00:58:16,200

um even just how we contextualize and

1390

00:58:21,230 --> 00:58:18,540

interpret

1391

00:58:23,270 --> 00:58:21,240

um strange and mysterious Encounters in

1392

00:58:27,650 --> 00:58:23,280

daily life right like like you said like

1393

00:58:30,170 --> 00:58:27,660

this whole idea of connecting uh an

1394

00:58:31,730 --> 00:58:30,180

internal Voice or monologue to a Bigfoot

1395

00:58:32,990 --> 00:58:31,740

experience this is so fascinating it

1396

00:58:36,470 --> 00:58:33,000

reminds me of when I started to put

1397

00:58:39,410 --> 00:58:36,480

together like oh uh when I hear people

1398

00:58:41,990 --> 00:58:39,420

talk about experiences from a UFO

1399

00:58:44,150 --> 00:58:42,000

perspective to me in the league of

1400

00:58:45,530 --> 00:58:44,160

reality that maps to spiritual emergence

1401

00:58:47,030 --> 00:58:45,540

and once I started seeing those

1402

00:58:48,710 --> 00:58:47,040

parallels I was like oh yeah this is

1403

00:58:50,750 --> 00:58:48,720

like actually super common like lots of

1404

00:58:52,549 --> 00:58:50,760

people have these things happen

1405

00:58:54,589 --> 00:58:52,559

um it's just that people interpret and

1406

00:58:56,030 --> 00:58:54,599

contextualize them so differently based

1407

00:58:57,910 --> 00:58:56,040

on where they happen and the

1408

00:59:00,829 --> 00:58:57,920

circumstances and their sort of

1409

00:59:03,470 --> 00:59:00,839

anthropological and cultural framing

1410

00:59:05,030 --> 00:59:03,480

um again I I don't have strong beliefs

1411

00:59:06,650 --> 00:59:05,040

on this subject as much as I'm always

1412

00:59:10,010 --> 00:59:06,660

really fascinated by how people

1413

00:59:11,510 --> 00:59:10,020

understand and interpret uh what happens

1414

00:59:12,890 --> 00:59:11,520

to them

1415

00:59:14,450 --> 00:59:12,900

um and kind of build them into their

1416

00:59:16,130 --> 00:59:14,460

personal cosmologies of how they

1417

00:59:17,630 --> 00:59:16,140

understand reality and assign meaning

1418

00:59:19,670 --> 00:59:17,640

and stuff

1419

00:59:22,370 --> 00:59:19,680

there is a I just want to say one thing

1420

00:59:24,710 --> 00:59:22,380

about what Leah said there is a bit of a

1421

00:59:26,990 --> 00:59:24,720

weighted system though right Leah like

1422

00:59:30,470 --> 00:59:27,000

if if you say like Travis Walton for

1423

00:59:33,470 --> 00:59:30,480

example you had five witnesses or

1424

00:59:37,370 --> 00:59:33,480

whatever in the truck that saw what

1425

00:59:39,410 --> 00:59:37,380

happened to him and then he was gone so

1426  
00:59:42,410 --> 00:59:39,420  
um you also have people like you know

1427  
00:59:45,349 --> 00:59:42,420  
we've spoken to Linda Thompson and she

1428  
00:59:47,390 --> 00:59:45,359  
said there are times when my husband is

1429  
00:59:50,089 --> 00:59:47,400  
woken up and I'm not there

1430  
00:59:52,430 --> 00:59:50,099  
so there's something you know there's

1431  
00:59:55,789 --> 00:59:52,440  
sort of a a backup there's something

1432  
00:59:57,710 --> 00:59:55,799  
tangible right there he wakes up I'm not

1433  
00:59:59,750 --> 00:59:57,720  
there my keys are there where in the

1434  
01:00:01,549 --> 00:59:59,760  
hell is my wife you know if people are

1435  
01:00:04,549 --> 01:00:01,559  
having these experiences then there's a

1436  
01:00:07,370 --> 01:00:04,559  
little more weight to them than someone

1437  
01:00:09,710 --> 01:00:07,380  
that could be in a dream like State and

1438  
01:00:11,450 --> 01:00:09,720

and dreams can be very very real we know

1439

01:00:12,650 --> 01:00:11,460

that we all saw Freddy Krueger just

1440

01:00:15,109 --> 01:00:12,660

kidding

1441

01:00:18,349 --> 01:00:15,119

um I have not seen Freddy Krueger well

1442

01:00:20,930 --> 01:00:18,359

good it's probably for the best yes it

1443

01:00:22,490 --> 01:00:20,940

is but but but for example I want to

1444

01:00:25,609 --> 01:00:22,500

point out and this is a popular One

1445

01:00:28,549 --> 01:00:25,619

Survivor Man Les Stroud now

1446

01:00:31,190 --> 01:00:28,559

if you took somebody like me who's not

1447

01:00:32,990 --> 01:00:31,200

in the woods all that much hasn't camped

1448

01:00:34,789 --> 01:00:33,000

out all that much at least lately yeah

1449

01:00:37,010 --> 01:00:34,799

I've been through survival school and

1450

01:00:39,950 --> 01:00:37,020

all that good stuff but I I don't spend

1451

01:00:43,309 --> 01:00:39,960

anywhere near the kind of time alone in

1452

01:00:45,829 --> 01:00:43,319

the woods that Survivorman does and if

1453

01:00:47,870 --> 01:00:45,839

he were to say you know with the

1454

01:00:50,390 --> 01:00:47,880

thousands of hours that he has spent in

1455

01:00:52,849 --> 01:00:50,400

the woods as a professional survivalist

1456

01:00:54,710 --> 01:00:52,859

and he's never heard voices in his head

1457

01:00:56,930 --> 01:00:54,720

and then all of a sudden he heard

1458

01:00:59,630 --> 01:00:56,940

something that carries a little more

1459

01:01:02,630 --> 01:00:59,640

weight to me than somebody who doesn't

1460

01:01:06,589 --> 01:01:02,640

who's not a professional Woodsman if you

1461

01:01:08,569 --> 01:01:06,599

will oh yes for sure yeah that that's my

1462

01:01:10,549 --> 01:01:08,579

interpretation and I'm not saying that

1463

01:01:13,190 --> 01:01:10,559

you know there's probably people that

1464

01:01:14,750 --> 01:01:13,200

like Matt said it could be just a voice

1465

01:01:17,150 --> 01:01:14,760

in your head telling me I need to get

1466

01:01:19,130 --> 01:01:17,160

out of here now I don't I don't need to

1467

01:01:21,109 --> 01:01:19,140

walk further down this Trail I think

1468

01:01:23,990 --> 01:01:21,119

that's what Matt was alluding I need to

1469

01:01:26,870 --> 01:01:24,000

turn turn back and head towards camp but

1470

01:01:30,049 --> 01:01:26,880

there also is it possible that someone

1471

01:01:32,030 --> 01:01:30,059

like survivor man who you know I mean it

1472

01:01:34,010 --> 01:01:32,040

doesn't exist for hey what's up man

1473

01:01:35,809 --> 01:01:34,020

Tim's in the house I was just speaking

1474

01:01:38,270 --> 01:01:35,819

with Tim Halloran Bigfoot influencers

1475

01:01:39,890 --> 01:01:38,280

early working on another book well um

1476

01:01:41,210 --> 01:01:39,900

but anyway Robert you look like you got

1477

01:01:43,250 --> 01:01:41,220

some brother

1478

01:01:44,390 --> 01:01:43,260

hey I wanted to ask you guys I'm going

1479

01:01:47,829 --> 01:01:44,400

to change subject I want to ask you guys

1480

01:01:50,930 --> 01:01:47,839

a question sure um I'm fascinated by

1481

01:01:53,210 --> 01:01:50,940

Ingrid Cole I wanted y'all's take on

1482

01:01:55,430 --> 01:01:53,220

intercoal

1483

01:01:56,630 --> 01:01:55,440

in case anyone who doesn't know the

1484

01:01:59,630 --> 01:01:56,640

context

1485

01:02:02,450 --> 01:01:59,640

um that is actually in the Mothman

1486

01:02:05,450 --> 01:02:02,460

Prophecies movie it was another legend

1487

01:02:08,329 --> 01:02:05,460

that got mashed in with that one and

1488

01:02:10,490 --> 01:02:08,339

it's about an individual that is also

1489

01:02:13,670 --> 01:02:10,500

known as The Smiling man that has been

1490

01:02:16,130 --> 01:02:13,680

seen in a couple cases he's like an

1491

01:02:18,530 --> 01:02:16,140

entity that has this huge grin on his

1492

01:02:22,870 --> 01:02:18,540

face and he told someone he encountered

1493

01:02:27,890 --> 01:02:25,789

unfamiliar he's in a couple books right

1494

01:02:31,190 --> 01:02:27,900

he's in Alan Greenspan's book

1495

01:02:34,069 --> 01:02:31,200

he's in Stephen keel's book I think yes

1496

01:02:35,750 --> 01:02:34,079

oh yeah yeah Kiel talks about him it

1497

01:02:38,390 --> 01:02:35,760

also feels like there's some overlap in

1498

01:02:42,370 --> 01:02:38,400

the Venn diagram with uh Ben and black

1499

01:02:46,910 --> 01:02:44,990

yeah his description always his

1500

01:02:49,730 --> 01:02:46,920

description always seemed to match a Men

1501

01:02:52,549 --> 01:02:49,740

In Black type scenario to me

1502

01:02:53,870 --> 01:02:52,559

yeah which kind of slips into my labs

1503

01:02:55,789 --> 01:02:53,880

actually because there's like this

1504

01:02:57,589 --> 01:02:55,799

overlap between

1505

01:03:00,950 --> 01:02:57,599

um entities and entities wearing

1506

01:03:06,170 --> 01:03:03,770

yeah I was I've been I was intrigued by

1507

01:03:08,950 --> 01:03:06,180

that that guy and I I don't know I just

1508

01:03:11,750 --> 01:03:08,960

wanted to ask you something so

1509

01:03:14,289 --> 01:03:11,760

you know if I had to give out my theory

1510

01:03:17,930 --> 01:03:14,299

on it it seems like what often happens

1511

01:03:20,030 --> 01:03:17,940

is that we're getting almost

1512

01:03:22,789 --> 01:03:20,040

um a hallucination of what the actual

1513

01:03:25,630 --> 01:03:22,799

entity might be like

1514

01:03:28,670 --> 01:03:25,640

um a hologram like if we're not actually

1515

01:03:32,210 --> 01:03:28,680

encountering the authentic entity that

1516

01:03:33,770 --> 01:03:32,220

we're encountering some kind of illusion

1517

01:03:36,950 --> 01:03:33,780

um and this is why I was making that

1518

01:03:39,650 --> 01:03:36,960

comment earlier because I'm really

1519

01:03:42,829 --> 01:03:39,660

thinking we need to investigate if it is

1520

01:03:44,510 --> 01:03:42,839

an external thing or something within us

1521

01:03:47,210 --> 01:03:44,520

that is allowing us to have these

1522

01:03:49,490 --> 01:03:47,220

experiences if we're like a lot of

1523

01:03:51,349 --> 01:03:49,500

people are using the term antennas so to

1524

01:03:53,630 --> 01:03:51,359

speak and it would be great if someone

1525

01:03:55,789 --> 01:03:53,640

listening wanted to investigate that

1526

01:03:57,289 --> 01:03:55,799

would be quite experiences a little bit

1527

01:03:58,789 --> 01:03:57,299

more deeply

1528

01:04:02,089 --> 01:03:58,799

hmm

1529

01:04:05,870 --> 01:04:02,099

oh Dad yes I mean that's that's

1530

01:04:09,109 --> 01:04:05,880

something uh that I've tried to you know

1531

01:04:12,950 --> 01:04:09,119

dip my toes into with my own podcast is

1532

01:04:16,450 --> 01:04:12,960

talking to Witnesses uh about the

1533

01:04:19,670 --> 01:04:16,460

overlaps and how a lot of experiencers

1534

01:04:22,370 --> 01:04:19,680

aren't uh relegated to a single subject

1535

01:04:24,170 --> 01:04:22,380

in their lives they'll experience things

1536

01:04:26,210 --> 01:04:24,180

from all different aspects of the

1537

01:04:27,170 --> 01:04:26,220

Paranormal and the Cryptids it's not

1538

01:04:29,750 --> 01:04:27,180

just

1539

01:04:32,210 --> 01:04:29,760

yeah I saw a Bigfoot it's I saw a

1540

01:04:34,430 --> 01:04:32,220

Bigfoot oh well there was also a UFO oh

1541

01:04:38,450 --> 01:04:34,440

well I also saw a ghost whenever I was

1542

01:04:44,569 --> 01:04:40,370

there was hardens at the

1543

01:04:47,390 --> 01:04:44,579

um inquiry into an almost experiences uh

1544

01:04:49,250 --> 01:04:47,400

conference back in October 2022 and he

1545

01:04:51,710 --> 01:04:49,260

basically pulled up super experiercer

1546

01:04:54,349 --> 01:04:51,720

slides where he went through people that

1547

01:04:56,210 --> 01:04:54,359

had reported basically encounters with

1548

01:04:58,549 --> 01:04:56,220

every single conceivable thing across

1549

01:05:02,750 --> 01:04:58,559

the entire spectrum of high strangeness

1550

01:05:05,270 --> 01:05:02,760

from Bigfoot to uh extremely close

1551

01:05:07,430 --> 01:05:05,280

encounters to precognition to clear

1552

01:05:09,829 --> 01:05:07,440

audience Clairvoyance

1553

01:05:11,390 --> 01:05:09,839

um near-death experiences Etc and and I

1554

01:05:13,010 --> 01:05:11,400

keep coming back to this idea that once

1555

01:05:14,870 --> 01:05:13,020

you have one kind of mysterious or high

1556

01:05:17,450 --> 01:05:14,880

strangeness experience it's almost like

1557

01:05:19,250 --> 01:05:17,460

it makes a crack in the dam where your

1558

01:05:22,309 --> 01:05:19,260

Consciousness is then more

1559

01:05:23,930 --> 01:05:22,319

um apt or prone to experiencing or

1560

01:05:25,730 --> 01:05:23,940

interpreting other high strangeness

1561

01:05:27,349 --> 01:05:25,740

events right like once you have one it's

1562

01:05:29,270 --> 01:05:27,359

easier to have the next and every

1563

01:05:31,190 --> 01:05:29,280

subsequent one becomes easier and easier

1564

01:05:33,109 --> 01:05:31,200

to access and experience

1565

01:05:35,329 --> 01:05:33,119

what's your thoughts on that Robert yeah

1566

01:05:37,430 --> 01:05:35,339

I hear I hear a lot of people saying you

1567

01:05:39,650 --> 01:05:37,440

know thinning of the veil whenever that

1568

01:05:41,510 --> 01:05:39,660

stuff like that happens when yes when

1569

01:05:44,630 --> 01:05:41,520

they have like you know multiple

1570

01:05:46,069 --> 01:05:44,640

different paranormal Cryptid and you

1571

01:05:48,230 --> 01:05:46,079

hear that more and more now at the end

1572

01:05:50,210 --> 01:05:48,240

of the day yeah the new age term is

1573

01:05:53,390 --> 01:05:50,220

raising your frequency

1574

01:05:56,690 --> 01:05:53,400

yes or a vibration which of course

1575

01:06:00,410 --> 01:05:56,700

frequency yes raising your frequency or

1576

01:06:02,270 --> 01:06:00,420

vibration then you have more experiences

1577

01:06:04,730 --> 01:06:02,280

what's your thought on that Matt do you

1578

01:06:06,950 --> 01:06:04,740

well you've seen all three right you

1579

01:06:12,349 --> 01:06:06,960

have you had UFO experience as well Matt

1580

01:06:15,650 --> 01:06:12,359

yeah okay okay yeah yeah okay I've had

1581

01:06:18,349 --> 01:06:15,660

some crazy experiences over the span of

1582

01:06:20,210 --> 01:06:18,359

my lifetime I had some crazy experiences

1583

01:06:24,230 --> 01:06:20,220

today that we'll talk about uh later

1584

01:06:25,849 --> 01:06:24,240

privately but uh this is why we hired

1585

01:06:28,870 --> 01:06:25,859

you by the way I'm just kidding yeah

1586

01:06:32,089 --> 01:06:28,880

you're the late on payment by the way uh

1587

01:06:33,829 --> 01:06:32,099

you know geez so

1588

01:06:36,470 --> 01:06:33,839

I don't I don't want to keep on getting

1589

01:06:39,230 --> 01:06:36,480

sidetracked I mean there this leads to a

1590

01:06:41,630 --> 01:06:39,240

whole nother discussion but I do want to

1591

01:06:44,450 --> 01:06:41,640

allow Robert since he's giving us some

1592

01:06:47,690 --> 01:06:44,460

of his time I if you don't mind talking

1593

01:06:49,609 --> 01:06:47,700

about your experiences at Kenny's place

1594

01:06:51,650 --> 01:06:49,619

uh because there was some overlap there

1595

01:06:53,690 --> 01:06:51,660

you know and I think I think that's a

1596

01:06:56,630 --> 01:06:53,700

great story yeah

1597

01:06:58,670 --> 01:06:56,640

um there was there was this one time I I

1598

01:07:00,529 --> 01:06:58,680

would I would say this this is I'm gonna

1599

01:07:01,910 --> 01:07:00,539

say where it's at it's in the kimchi

1600

01:07:04,069 --> 01:07:01,920

mountains in Oklahoma

1601

01:07:07,789 --> 01:07:04,079

so a buddy of mine had he had a cabin

1602

01:07:09,109 --> 01:07:07,799

there and we used to you know like rumor

1603

01:07:11,750 --> 01:07:09,119

was that there was a bunch of Bigfoot up

1604

01:07:14,270 --> 01:07:11,760

there and so we would go up there and

1605

01:07:16,010 --> 01:07:14,280

and uh one of our friends had a cabin so

1606

01:07:18,650 --> 01:07:16,020

sometimes we would tan you know put a

1607

01:07:20,450 --> 01:07:18,660

tent out or we would just stay like in

1608

01:07:22,730 --> 01:07:20,460

the cabin and there was a couple times

1609

01:07:25,430 --> 01:07:22,740

where I think at the time

1610

01:07:27,410 --> 01:07:25,440

he had a neighbor that was probably like

1611

01:07:29,150 --> 01:07:27,420

a good 200 yards away

1612

01:07:32,270 --> 01:07:29,160

and there were there were building

1613

01:07:34,190 --> 01:07:32,280

cabins in this one area so one of you

1614

01:07:36,109 --> 01:07:34,200

know like one of his neighbors used to

1615

01:07:38,210 --> 01:07:36,119

chop up wood and sometimes he was there

1616

01:07:41,089 --> 01:07:38,220

sometimes he wasn't and so whenever he

1617

01:07:42,410 --> 01:07:41,099

was there we would take Texas beer up to

1618

01:07:44,270 --> 01:07:42,420

Oklahoma because Texas beer is a little

1619

01:07:45,950 --> 01:07:44,280

stronger than Oklahoma beer used to be

1620

01:07:48,950 --> 01:07:45,960

yeah

1621

01:07:52,010 --> 01:07:48,960

Red River baby and then we used to we

1622

01:07:54,470 --> 01:07:52,020

used to train beer for firewood so there

1623

01:07:56,690 --> 01:07:54,480

was there was this one time uh it was

1624

01:07:58,789 --> 01:07:56,700

like me and two other guys we were out

1625

01:07:59,750 --> 01:07:58,799

there and we see a car coming up the

1626

01:08:03,049 --> 01:07:59,760

road

1627

01:08:05,029 --> 01:08:03,059

and so I out of I automatically nudged

1628

01:08:06,529 --> 01:08:05,039

Kenny I said hey your neighbors coming

1629

01:08:07,849 --> 01:08:06,539

let's go get some firewood because I

1630

01:08:10,490 --> 01:08:07,859

didn't want to go look for firewood at

1631

01:08:12,589 --> 01:08:10,500

night I just didn't want to and so you

1632

01:08:13,970 --> 01:08:12,599

know we got a pack a beer we shot her

1633

01:08:16,249 --> 01:08:13,980

walking up the road you know to meet him

1634

01:08:18,050 --> 01:08:16,259

at his house and so as we're walking up

1635

01:08:19,849 --> 01:08:18,060

the road uh we noticed that the

1636

01:08:22,849 --> 01:08:19,859

headlights were coming up you're getting

1637

01:08:26,090 --> 01:08:22,859

closer and closer and then we realized I

1638

01:08:28,309 --> 01:08:26,100

think like halfway walking up there that

1639

01:08:30,050 --> 01:08:28,319

um these headlights didn't have an

1640

01:08:31,610 --> 01:08:30,060

engine running at all there was no motor

1641

01:08:34,490 --> 01:08:31,620

nothing

1642

01:08:37,010 --> 01:08:34,500

and so the these two lights were white

1643

01:08:40,669 --> 01:08:37,020

okay and so as we noticed it okay

1644

01:08:42,829 --> 01:08:40,679

there's no motor it noticed dust and as

1645

01:08:44,689 --> 01:08:42,839

soon as it noticed us it these two

1646

01:08:46,070 --> 01:08:44,699

lights just took off into the woods and

1647

01:08:49,189 --> 01:08:46,080

they were dodging they were going around

1648

01:08:50,809 --> 01:08:49,199

trees and there was like a probably like

1649

01:08:52,430 --> 01:08:50,819

a drop off like 100 foot drop off

1650

01:08:54,530 --> 01:08:52,440

probably like 300 yards away and went to

1651  
01:08:57,590 --> 01:08:54,540  
the drop-off and went straight down

1652  
01:08:58,970 --> 01:08:57,600  
and so all three of us stopped and we

1653  
01:09:01,130 --> 01:08:58,980  
all looked at each other I said don't

1654  
01:09:03,769 --> 01:09:01,140  
say a word so we walked back to the

1655  
01:09:06,769 --> 01:09:03,779  
cabin and we wrote down exactly what we

1656  
01:09:09,410 --> 01:09:06,779  
all saw and we compared notes

1657  
01:09:11,030 --> 01:09:09,420  
and I don't know what that was I don't

1658  
01:09:12,829 --> 01:09:11,040  
know if it was UFO I didn't know if it

1659  
01:09:14,269 --> 01:09:12,839  
was paranormal I don't know but it was

1660  
01:09:15,829 --> 01:09:14,279  
the strangest thing that ever happened

1661  
01:09:17,450 --> 01:09:15,839  
to me when I was in the woods you know

1662  
01:09:18,590 --> 01:09:17,460  
looking for a Bigfoot

1663  
01:09:20,930 --> 01:09:18,600

so

1664

01:09:22,729 --> 01:09:20,940

that's crazy

1665

01:09:23,630 --> 01:09:22,739

what what's your what's your thoughts on

1666

01:09:26,450 --> 01:09:23,640

that guys

1667

01:09:29,930 --> 01:09:26,460

gals I'm thinking of that

1668

01:09:31,189 --> 01:09:29,940

um what is it Edgar Casey or one of

1669

01:09:32,809 --> 01:09:31,199

those people

1670

01:09:35,030 --> 01:09:32,819

um was saying if you look into the

1671

01:09:38,030 --> 01:09:35,040

abyssio this looks back

1672

01:09:39,410 --> 01:09:38,040

who was it

1673

01:09:42,289 --> 01:09:39,420

I'm pretty sure that was Frederick

1674

01:09:44,689 --> 01:09:42,299

Nietzsche yeah but you know Edgar Casey

1675

01:09:47,930 --> 01:09:44,699

next best thing yeah I was gonna say

1676

01:09:54,590 --> 01:09:51,890

it just seems like if you if you open up

1677

01:09:55,870 --> 01:09:54,600

and invite the stuff in it's going to

1678

01:09:58,490 --> 01:09:55,880

happen right

1679

01:10:02,390 --> 01:09:58,500

I guess that's part of that raising the

1680

01:10:05,090 --> 01:10:02,400

frequency stuff well orbs I mean for

1681

01:10:08,330 --> 01:10:05,100

lack of better term uh is something that

1682

01:10:11,630 --> 01:10:08,340

is reported on a consistent basis in the

1683

01:10:15,410 --> 01:10:11,640

Bigfoot world uh oftentimes by

1684

01:10:18,790 --> 01:10:15,420

researchers in the Bigfoot world uh some

1685

01:10:22,070 --> 01:10:18,800

people connect them to Bigfoot directly

1686

01:10:24,110 --> 01:10:22,080

uh I'm still of the mindset of just

1687

01:10:25,970 --> 01:10:24,120

because they're in the same area at the

1688

01:10:28,070 --> 01:10:25,980

same time doesn't mean they have

1689

01:10:29,990 --> 01:10:28,080

anything to do with one another and

1690

01:10:31,910 --> 01:10:30,000

otherwise you could say that orbs are

1691

01:10:33,169 --> 01:10:31,920

connected to deer because deer also live

1692

01:10:36,470 --> 01:10:33,179

in these areas

1693

01:10:38,510 --> 01:10:36,480

uh and orbs are also something that I

1694

01:10:41,209 --> 01:10:38,520

have learned uh through you guys that

1695

01:10:44,030 --> 01:10:41,219

are consistent in the UFO world as well

1696

01:10:46,070 --> 01:10:44,040

all over the world Dr Sean Kirkpatrick

1697

01:10:48,950 --> 01:10:46,080

said it today at the NASA briefing yeah

1698

01:10:52,189 --> 01:10:48,960

I'm all over the world so Robert is

1699

01:10:54,950 --> 01:10:52,199

obviously somebody I trust uh a thousand

1700

01:10:57,350 --> 01:10:54,960

percent over you know and and he saw

1701

01:10:59,630 --> 01:10:57,360

these two orbs uh acting independent of

1702

01:11:01,850 --> 01:10:59,640

one another and traveling through the

1703

01:11:03,530 --> 01:11:01,860

woods and taking off over you know a

1704

01:11:06,649 --> 01:11:03,540

cliff basically

1705

01:11:08,450 --> 01:11:06,659

uh in a known hot spot for bigfoot

1706

01:11:09,770 --> 01:11:08,460

activity

1707

01:11:14,270 --> 01:11:09,780

I don't know if there's any connection

1708

01:11:17,270 --> 01:11:14,280

or not uh these mountains though

1709

01:11:20,030 --> 01:11:17,280

you know there might be something to the

1710

01:11:22,430 --> 01:11:20,040

uh material content of the mountain

1711

01:11:24,649 --> 01:11:22,440

range itself uh

1712

01:11:27,590 --> 01:11:24,659

a lot of these areas are believed to be

1713

01:11:29,689 --> 01:11:27,600

high in quartz uh and different types of

1714

01:11:31,669 --> 01:11:29,699

crystals I know in this area

1715

01:11:33,470 --> 01:11:31,679

whenever I visited down there you could

1716

01:11:35,689 --> 01:11:33,480

literally just walk around and find

1717

01:11:37,310 --> 01:11:35,699

crystals laying on the ground it was

1718

01:11:39,649 --> 01:11:37,320

absolutely insane I brought some home

1719

01:11:42,950 --> 01:11:39,659

with me as a matter of fact and there

1720

01:11:47,390 --> 01:11:42,960

are beliefs that uh crystals can record

1721

01:11:50,030 --> 01:11:47,400

information or Draw in energy and are

1722

01:11:53,149 --> 01:11:50,040

oftentimes considered in theories along

1723

01:11:55,310 --> 01:11:53,159

with a paranormal and psychic events you

1724

01:11:57,110 --> 01:11:55,320

know there's Crystal healing

1725

01:11:59,030 --> 01:11:57,120

there's all kinds of things going on

1726

01:12:00,890 --> 01:11:59,040

with crystals uh the folklore of

1727

01:12:03,649 --> 01:12:00,900

Atlantis was based off of the idea of

1728

01:12:05,030 --> 01:12:03,659

using crystals as these technological

1729

01:12:07,189 --> 01:12:05,040

devices

1730

01:12:09,649 --> 01:12:07,199

so maybe that has something to do with

1731

01:12:12,530 --> 01:12:09,659

the orbs I don't know crystal meth

1732

01:12:14,630 --> 01:12:12,540

crystal meth uh very popular in

1733

01:12:18,649 --> 01:12:14,640

Southeastern Oklahoma in the same region

1734

01:12:19,729 --> 01:12:18,659

uh so yeah does it all is it all

1735

01:12:22,130 --> 01:12:19,739

connected

1736

01:12:24,070 --> 01:12:22,140

is it all separate who knows uh but

1737

01:12:28,310 --> 01:12:24,080

there's definitely things taking place

1738

01:12:29,990 --> 01:12:28,320

in certain areas uh where it seems

1739

01:12:33,890 --> 01:12:30,000

almost concentrated where these things

1740

01:12:36,830 --> 01:12:35,209

Robert I don't know if you have

1741

01:12:38,330 --> 01:12:36,840

something on that I'm gonna add I'm

1742

01:12:40,610 --> 01:12:38,340

going to add on to it but go ahead if

1743

01:12:42,530 --> 01:12:40,620

you'd like to react to that sir well I

1744

01:12:44,870 --> 01:12:42,540

was gonna I was gonna say also

1745

01:12:46,610 --> 01:12:44,880

um that same area because we were we

1746

01:12:48,770 --> 01:12:46,620

were in like in the kimichi mountains

1747

01:12:50,930 --> 01:12:48,780

and it's like a you know routing like a

1748

01:12:53,570 --> 01:12:50,940

big hill at the bottom of this hill was

1749

01:12:55,189 --> 01:12:53,580

a dam and there was an area I've never

1750

01:12:57,470 --> 01:12:55,199

seen it but there's been an area down

1751

01:12:59,270 --> 01:12:57,480

there that some of the locals used to

1752

01:13:01,490 --> 01:12:59,280

say that they would see UFOs come and

1753

01:13:03,530 --> 01:13:01,500

land there and so right next to this Dam

1754

01:13:06,169 --> 01:13:03,540

with this green field and it was

1755

01:13:09,590 --> 01:13:06,179

pristine green like like and there was

1756

01:13:11,930 --> 01:13:09,600

no Shrubbery in this area no trees no

1757

01:13:13,970 --> 01:13:11,940

shrubs nothing it's just like a big it

1758

01:13:16,729 --> 01:13:13,980

was probably like I don't know like a

1759

01:13:18,470 --> 01:13:16,739

hundred hundred yards or something and

1760

01:13:20,209 --> 01:13:18,480

uh and I used to go there and just look

1761

01:13:22,610 --> 01:13:20,219

at it I said it's almost like someone

1762

01:13:25,669 --> 01:13:22,620

was making a soccer field or a baseball

1763

01:13:27,470 --> 01:13:25,679

field at football field and and I would

1764

01:13:28,669 --> 01:13:27,480

ask the owner of that area I said what's

1765

01:13:32,390 --> 01:13:28,679

this for this I don't know it's just

1766

01:13:34,490 --> 01:13:32,400

there and so rumors were like like

1767

01:13:37,130 --> 01:13:34,500

swirling around that UFOs come in there

1768

01:13:38,990 --> 01:13:37,140

but I never got a chance to talk to

1769

01:13:40,850 --> 01:13:39,000

anybody who said that

1770

01:13:42,770 --> 01:13:40,860

but I thought that was kind of odd in

1771

01:13:46,189 --> 01:13:42,780

that same area with those orbs and

1772

01:13:48,890 --> 01:13:46,199

Bigfoot stuff in that area too so

1773

01:13:51,470 --> 01:13:48,900

it yeah I mean it's funny that there

1774

01:13:53,709 --> 01:13:51,480

there is a convergence there but I

1775

01:13:56,570 --> 01:13:53,719

actually heard I want to throw this this

1776

01:13:59,090 --> 01:13:56,580

hypothesis that you then I heard posited

1777

01:14:01,669 --> 01:13:59,100

by Christopher Noel the author

1778

01:14:04,669 --> 01:14:01,679

researcher from up in Maine and

1779

01:14:05,990 --> 01:14:04,679

apparently a lot of people uh that there

1780

01:14:08,450 --> 01:14:06,000

are there are others in the community

1781

01:14:09,649 --> 01:14:08,460

that have stated this but

1782

01:14:12,770 --> 01:14:09,659

um the reason that I found this

1783

01:14:16,430 --> 01:14:12,780

hypothesis interesting is because

1784

01:14:19,790 --> 01:14:16,440

there are so many cross sections between

1785

01:14:22,189 --> 01:14:19,800

humans and Bigfoot uh just the fact that

1786

01:14:25,669 --> 01:14:22,199

you know the the way that we walk the

1787

01:14:27,649 --> 01:14:25,679

fact that we share 95 DNA with apes and

1788

01:14:30,050 --> 01:14:27,659

we we it's unknown how much we share

1789

01:14:33,610 --> 01:14:30,060

with Bigfoot but they we have more in

1790

01:14:37,070 --> 01:14:33,620

common with the Bigfoot as acute as a a

1791

01:14:38,990 --> 01:14:37,080

homo sapien then then we even do with a

1792

01:14:42,050 --> 01:14:39,000

gorilla and we have 95 percent of the

1793

01:14:44,930 --> 01:14:42,060

same DNA and so just to announce uh

1794

01:14:46,910 --> 01:14:44,940

Chris uh rather Tim Halloran from

1795

01:14:48,950 --> 01:14:46,920

Bigfoot and Insulin from Bigfoot

1796

01:14:53,030 --> 01:14:48,960

influencers said uh it was just sent to

1797

01:14:55,250 --> 01:14:53,040

me that the Darby or Darby orquit from

1798

01:14:57,830 --> 01:14:55,260

NC State they have officially launched

1799

01:15:02,390 --> 01:14:57,840

their genetic analysis project which is

1800

01:15:05,209 --> 01:15:02,400

going to focus on samples of uh uh DNA

1801  
01:15:07,430 --> 01:15:05,219  
that's been attributed to Bigfoot uh you

1802  
01:15:10,610 --> 01:15:07,440  
know hair samples so forth Collections

1803  
01:15:12,770 --> 01:15:10,620  
and um and then test those and and see

1804  
01:15:14,270 --> 01:15:12,780  
what they come up with I had heard about

1805  
01:15:16,370 --> 01:15:14,280  
this I'm sure you guys have heard about

1806  
01:15:17,870 --> 01:15:16,380  
it too and I'm really glad that they're

1807  
01:15:20,390 --> 01:15:17,880  
taking it on because that's what Deb was

1808  
01:15:22,310 --> 01:15:20,400  
calling for earlier in the show but what

1809  
01:15:25,370 --> 01:15:22,320  
I wanted to say is that

1810  
01:15:29,090 --> 01:15:25,380  
when we look at ghosts and everybody

1811  
01:15:31,250 --> 01:15:29,100  
here I mean there's uh three of you I'm

1812  
01:15:33,350 --> 01:15:31,260  
not sure what Leah's experiences with

1813  
01:15:35,990 --> 01:15:33,360

ghosts and and Poltergeist and

1814

01:15:38,630 --> 01:15:36,000

paranormal but they say that people have

1815

01:15:41,570 --> 01:15:38,640

heard them walking within a home people

1816

01:15:43,550 --> 01:15:41,580

many many thousands of people have had

1817

01:15:46,130 --> 01:15:43,560

experiences where they can move

1818

01:15:48,649 --> 01:15:46,140

something within the home they can throw

1819

01:15:50,030 --> 01:15:48,659

something they can close the door they

1820

01:15:52,490 --> 01:15:50,040

can change the temperature in the room

1821

01:15:55,010 --> 01:15:52,500

you can hear them you can occasionally

1822

01:15:56,750 --> 01:15:55,020

see them they can interact with you and

1823

01:15:59,149 --> 01:15:56,760

then just separate and they're they're

1824

01:16:01,370 --> 01:15:59,159

gone right they can walk through walls

1825

01:16:04,790 --> 01:16:01,380

all these sorts of things

1826

01:16:08,030 --> 01:16:04,800

so when Christopher Noel said isn't it

1827

01:16:11,750 --> 01:16:08,040

possible then that what people are

1828

01:16:15,530 --> 01:16:11,760

seeing in the woods that appears to have

1829

01:16:17,750 --> 01:16:15,540

a extraterrestrial component to it or or

1830

01:16:20,510 --> 01:16:17,760

the fact that a Bigfoot could be walking

1831

01:16:24,350 --> 01:16:20,520

through a portal couldn't it be a spirit

1832

01:16:26,209 --> 01:16:24,360

or ghost of a former uh living Bigfoot

1833

01:16:29,270 --> 01:16:26,219

that inhabited those woods that has

1834

01:16:31,130 --> 01:16:29,280

returned and decided to interact with

1835

01:16:34,070 --> 01:16:31,140

people that are in those woods looking

1836

01:16:35,870 --> 01:16:34,080

for their flesh and blood uh live

1837

01:16:38,450 --> 01:16:35,880

brethren

1838

01:16:41,750 --> 01:16:38,460

um and it and if that's so and they can

1839

01:16:44,510 --> 01:16:41,760

move branches and they can change the

1840

01:16:46,610 --> 01:16:44,520

temperature around you and they can uh

1841

01:16:49,490 --> 01:16:46,620

interact with you in all the ways that a

1842

01:16:52,490 --> 01:16:49,500

ghost does in somebody's home then isn't

1843

01:16:54,050 --> 01:16:52,500

it possible that this cousin of ours uh

1844

01:16:56,270 --> 01:16:54,060

could also be doing the same thing in

1845

01:16:58,130 --> 01:16:56,280

the woods I ask you that Robert and and

1846

01:17:00,290 --> 01:16:58,140

Matt and then the other cabbies as well

1847

01:17:02,570 --> 01:17:00,300

you know I was going to say that I know

1848

01:17:04,370 --> 01:17:02,580

Matt and I have talked about this on

1849

01:17:06,370 --> 01:17:04,380

your show Matt that wasn't at the

1850

01:17:09,709 --> 01:17:06,380

episode where we were talking about

1851

01:17:12,110 --> 01:17:09,719

uh dead Bigfoot right um Bigfoot Barry

1852

01:17:13,970 --> 01:17:12,120

they're dead right yeah yeah and we and

1853

01:17:16,010 --> 01:17:13,980

we discussed that and I know I asked

1854

01:17:18,709 --> 01:17:16,020

that question I said you know why

1855

01:17:20,689 --> 01:17:18,719

couldn't it not be a a you know a ghost

1856

01:17:22,430 --> 01:17:20,699

of a Bigfoot because I know one of the

1857

01:17:25,669 --> 01:17:22,440

stories I've talked to with a gentleman

1858

01:17:27,950 --> 01:17:25,679

when he said he saw a Bigfoot he said he

1859

01:17:29,930 --> 01:17:27,960

was massive and then and it was like it

1860

01:17:31,729 --> 01:17:29,940

was floating he was walking so fluidly

1861

01:17:33,169 --> 01:17:31,739

it looked like it's floating and then it

1862

01:17:36,169 --> 01:17:33,179

when it stepped into the woods he said

1863

01:17:38,330 --> 01:17:36,179

the woods swallowed it and so that

1864

01:17:40,130 --> 01:17:38,340

always stuck with me whenever they

1865

01:17:42,950 --> 01:17:40,140

whenever like an eyewitness tells me

1866

01:17:44,330 --> 01:17:42,960

stories like that and I I know like I

1867

01:17:47,149 --> 01:17:44,340

said I've talked about this on that show

1868

01:17:49,430 --> 01:17:47,159

Matt I'm gonna let you go over there

1869

01:17:52,729 --> 01:17:49,440

yeah um

1870

01:17:53,750 --> 01:17:52,739

it's something that kind of uh intrigued

1871

01:17:58,250 --> 01:17:53,760

me

1872

01:18:01,970 --> 01:17:58,260

early on especially with the idea of

1873

01:18:05,149 --> 01:18:01,980

some Bigfoot experiences uh being

1874

01:18:07,130 --> 01:18:05,159

attributed to Bigfoot when it could have

1875

01:18:08,930 --> 01:18:07,140

just been a ghost I mean if you hear

1876

01:18:13,430 --> 01:18:08,940

like for instance if you're in your tent

1877

01:18:15,590 --> 01:18:13,440

and something slaps the tent or you hear

1878

01:18:17,330 --> 01:18:15,600

footsteps running around your camp but

1879

01:18:19,610 --> 01:18:17,340

you don't see anything

1880

01:18:21,590 --> 01:18:19,620

if you're out there looking for bigfoot

1881

01:18:23,270 --> 01:18:21,600

or Bigfoot happens to pop in your head

1882

01:18:25,550 --> 01:18:23,280

whenever those things happen

1883

01:18:28,250 --> 01:18:25,560

you attribute them to Bigfoot naturally

1884

01:18:30,350 --> 01:18:28,260

but it could be a haunting you know

1885

01:18:32,510 --> 01:18:30,360

Woods can be haunted just as easily as

1886

01:18:35,270 --> 01:18:32,520

an old graveyard or a house or anything

1887

01:18:39,590 --> 01:18:35,280

else the grounds the grounds could be up

1888

01:18:41,630 --> 01:18:39,600

on it yeah so there's actually a guy who

1889

01:18:44,510 --> 01:18:41,640

uh I used to talk to every now and then

1890

01:18:48,169 --> 01:18:44,520

who was in Missouri I believe yeah

1891

01:18:51,649 --> 01:18:48,179

Missouri and uh he was under the firm

1892

01:18:53,689 --> 01:18:51,659

belief that there was a Bigfoot uh going

1893

01:18:55,310 --> 01:18:53,699

into a building

1894

01:18:57,830 --> 01:18:55,320

at night

1895

01:19:01,250 --> 01:18:57,840

and this building was reportedly haunted

1896

01:19:02,270 --> 01:19:01,260

because of the Bigfoot activity wow

1897

01:19:05,149 --> 01:19:02,280

um

1898

01:19:06,709 --> 01:19:05,159

now that obviously he never crossed over

1899

01:19:09,830 --> 01:19:06,719

into the realm of it being a ghost

1900

01:19:12,229 --> 01:19:09,840

Bigfoot uh but he just thought you know

1901

01:19:15,590 --> 01:19:12,239

one was being attributed to the other

1902

01:19:18,950 --> 01:19:15,600

but sure yeah absolutely in my opinion

1903

01:19:20,870 --> 01:19:18,960

uh a Bigfoot can be a ghost just like

1904

01:19:21,890 --> 01:19:20,880

anything else can be a ghost that was

1905

01:19:24,110 --> 01:19:21,900

once living

1906

01:19:25,910 --> 01:19:24,120

and they would be able to I'm sorry go

1907

01:19:27,830 --> 01:19:25,920

ahead Matt sorry they would be able to

1908

01:19:31,250 --> 01:19:27,840

interact the same way that any other

1909

01:19:34,970 --> 01:19:31,260

Spirits interact and it could very well

1910

01:19:36,890 --> 01:19:34,980

possibly explain some of the uh Bigfoot

1911

01:19:39,110 --> 01:19:36,900

encounters that we hear about that have

1912

01:19:41,990 --> 01:19:39,120

sort of a paranormal tone to them or

1913

01:19:45,830 --> 01:19:42,000

have uh events that are beyond the scope

1914

01:19:48,470 --> 01:19:45,840

of our own scientific understandings

1915

01:19:50,510 --> 01:19:48,480

and we have about 10 minutes left but I

1916

01:19:53,450 --> 01:19:50,520

want to get uh What uh get your thoughts

1917

01:19:56,330 --> 01:19:53,460

on that Prime Time and Deb

1918

01:19:58,810 --> 01:19:56,340

I mean it opens a can of worms because

1919

01:20:02,750 --> 01:19:58,820

there's like a whole field of psychology

1920

01:20:05,030 --> 01:20:02,760

that has to do with our ancestors and

1921

01:20:07,189 --> 01:20:05,040

like Neanderthal interactions and how

1922

01:20:11,330 --> 01:20:07,199

that has caused fear and it might be

1923

01:20:13,250 --> 01:20:11,340

like mapped in our DNA right to to see

1924

01:20:15,169 --> 01:20:13,260

like large eyes for instance is

1925

01:20:17,530 --> 01:20:15,179

something scary

1926

01:20:21,890 --> 01:20:17,540

um because our ancestors were scared of

1927

01:20:24,770 --> 01:20:21,900

beings with large eyes so like the other

1928

01:20:27,229 --> 01:20:24,780

aspect of that is that people who study

1929

01:20:28,910 --> 01:20:27,239

um ghosts also study that that maybe

1930

01:20:31,610 --> 01:20:28,920

some of these ghosts are Remnant

1931

01:20:33,649 --> 01:20:31,620

memories so some of these Bigfoot

1932

01:20:35,990 --> 01:20:33,659

sightings could be really ancient

1933

01:20:38,330 --> 01:20:36,000

Bigfoot or primates that we've

1934

01:20:40,729 --> 01:20:38,340

encountered and whether or not it's in

1935

01:20:44,330 --> 01:20:40,739

our DNA to be afraid of them or it's a

1936

01:20:46,070 --> 01:20:44,340

Memory that just replays is a question

1937

01:20:48,470 --> 01:20:46,080

that we might have to answer at some

1938

01:20:48,480 --> 01:20:51,709

prime time

1939

01:20:51,719 --> 01:20:55,750

yes everything Deb just said

1940

01:21:02,149 --> 01:20:59,990

your check's in the mail too all right

1941

01:21:04,610 --> 01:21:02,159

and and whether or not you're afraid of

1942

01:21:07,010 --> 01:21:04,620

it or not really for this part of the

1943

01:21:10,130 --> 01:21:07,020

discussion is immaterial though it's

1944

01:21:12,229 --> 01:21:10,140

just looking to explain how things are

1945

01:21:14,630 --> 01:21:12,239

for example Terry Wendell from Rock Hill

1946

01:21:18,530 --> 01:21:14,640

Bigfoot in South Carolina he came along

1947

01:21:20,689 --> 01:21:18,540

with us and he said he heard the Bigfoot

1948

01:21:22,970 --> 01:21:20,699

approaching his tent he said it sounded

1949

01:21:25,250 --> 01:21:22,980

like a football player with cinder

1950

01:21:26,810 --> 01:21:25,260

blocks on his feet in the approach it

1951  
01:21:29,390 --> 01:21:26,820  
came up to his tent and you guys have

1952  
01:21:31,550 --> 01:21:29,400  
heard many stories where it puts its

1953  
01:21:34,610 --> 01:21:31,560  
finger on the fabric and touches the the

1954  
01:21:36,709 --> 01:21:34,620  
human inside it and then when it left it

1955  
01:21:38,570 --> 01:21:36,719  
removed its finger and it left he didn't

1956  
01:21:41,330 --> 01:21:38,580  
hear it he didn't hear a thing

1957  
01:21:44,030 --> 01:21:41,340  
so physics would dictate that's not

1958  
01:21:48,169 --> 01:21:44,040  
possible but what if it was a ghost

1959  
01:21:50,149 --> 01:21:48,179  
I mean just because the the just

1960  
01:21:52,189 --> 01:21:50,159  
everything that Matt said I mean they

1961  
01:21:54,229 --> 01:21:52,199  
exhibit the same behaviors that they

1962  
01:21:56,510 --> 01:21:54,239  
exhibit in the home their home happens

1963  
01:21:58,970 --> 01:21:56,520

to be in the forest

1964

01:22:01,850 --> 01:21:58,980

um so go ahead prime time

1965

01:22:04,010 --> 01:22:01,860

oh no I I was I was vocally agreeing

1966

01:22:05,050 --> 01:22:04,020

with you this idea that

1967

01:22:08,149 --> 01:22:05,060

um

1968

01:22:10,850 --> 01:22:08,159

ghosts or hauntings or experiences of

1969

01:22:12,470 --> 01:22:10,860

them uh certainly are not restricted to

1970

01:22:14,870 --> 01:22:12,480

our homes

1971

01:22:16,970 --> 01:22:14,880

I mean something you said many times DJ

1972

01:22:18,470 --> 01:22:16,980

and I just think this is another fine

1973

01:22:20,630 --> 01:22:18,480

example of that

1974

01:22:23,750 --> 01:22:20,640

it doesn't have to be one or the other

1975

01:22:27,169 --> 01:22:23,760

right it's just multiple things can be

1976

01:22:29,209 --> 01:22:27,179

true at the same time yeah

1977

01:22:31,250 --> 01:22:29,219

what occurs to me is it's like super

1978

01:22:34,250 --> 01:22:31,260

time bending if you think that some of

1979

01:22:38,149 --> 01:22:34,260

it is really from the ancient past like

1980

01:22:43,070 --> 01:22:40,310

I'm sorry say that again Deb I was just

1981

01:22:45,050 --> 01:22:43,080

putting up night gazers uh uh experience

1982

01:22:46,910 --> 01:22:45,060

from in his friends and his friends in

1983

01:22:49,100 --> 01:22:46,920

the bathroom and night gazer that's

1984

01:22:56,470 --> 01:22:49,110

that's known as a house cat

1985

01:22:59,930 --> 01:22:58,550

that ghost arm with the virtual

1986

01:23:02,209 --> 01:22:59,940

background it does that man

1987

01:23:04,790 --> 01:23:02,219

unfortunately but people seeing less of

1988

01:23:05,930 --> 01:23:04,800

me is not necessarily A Bad Thing uh you

1989

01:23:07,790 --> 01:23:05,940

know we have the good looking people on

1990

01:23:10,910 --> 01:23:07,800

the show for that

1991

01:23:14,689 --> 01:23:10,920

um so anyway uh it's just it's a

1992

01:23:17,390 --> 01:23:14,699

fascinating aspect it could actually uh

1993

01:23:20,270 --> 01:23:17,400

explain at least part of it and and

1994

01:23:23,209 --> 01:23:20,280

they're also maybe uh an aspect of it

1995

01:23:25,990 --> 01:23:23,219

that uh has to do with you know because

1996

01:23:29,149 --> 01:23:26,000

the other the other aspect of it is okay

1997

01:23:31,729 --> 01:23:29,159

if you believe the thousands of

1998

01:23:33,110 --> 01:23:31,739

experiencers and before actually before

1999

01:23:35,090 --> 01:23:33,120

I get to that

2000

01:23:36,890 --> 01:23:35,100

um Julie pointed out something earlier

2001

01:23:39,050 --> 01:23:36,900

that I want to point out to anybody

2002

01:23:43,189 --> 01:23:39,060

bigfooter who's listening

2003

01:23:46,910 --> 01:23:43,199

Dr Simeon Hein has a Bigfoot support

2004

01:23:48,350 --> 01:23:46,920

group uh Julie can get me the link and I

2005

01:23:51,050 --> 01:23:48,360

will make sure that's in the show notes

2006

01:23:52,970 --> 01:23:51,060

so that if you want to

2007

01:23:54,950 --> 01:23:52,980

um it's a support group it's not a

2008

01:23:56,750 --> 01:23:54,960

podcast it's you know none of that stuff

2009

01:24:00,010 --> 01:23:56,760

it's something that Matt has been

2010

01:24:02,930 --> 01:24:00,020

calling for and Dr Simeon Hein is great

2011

01:24:05,450 --> 01:24:02,940

uh in and has expertise in both remote

2012

01:24:09,110 --> 01:24:05,460

viewing he teaches that

2013

01:24:11,390 --> 01:24:09,120

um he also has uh is very into the study

2014

01:24:13,370 --> 01:24:11,400  
of UFOs and speaks on that at

2015

01:24:15,590 --> 01:24:13,380  
conferences and also Bigfoot he has an

2016

01:24:17,990 --> 01:24:15,600  
equal interest in Bigfoot and thank God

2017

01:24:19,370 --> 01:24:18,000  
that we don't have to just say no I'm

2018

01:24:21,770 --> 01:24:19,380  
only about this one thing and nothing

2019

01:24:24,950 --> 01:24:21,780  
else so and thankfully everybody in this

2020

01:24:26,830 --> 01:24:24,960  
panel kind of has that attitude uh right

2021

01:24:30,169 --> 01:24:26,840  
Robert I mean yes

2022

01:24:31,610 --> 01:24:30,179  
but yeah maybe if if if there is a

2023

01:24:34,610 --> 01:24:31,620  
phenomenon that is coming and

2024

01:24:38,510 --> 01:24:34,620  
interacting with humans uh for its

2025

01:24:41,209 --> 01:24:38,520  
purpose that is literally taking DNA and

2026  
01:24:43,189 --> 01:24:41,219  
body parts out of a cattle that we can't

2027  
01:24:45,890 --> 01:24:43,199  
figure out how they want because we

2028  
01:24:48,229 --> 01:24:45,900  
can't figure out how to use of this this

2029  
01:24:50,689 --> 01:24:48,239  
particular pieces of biology that they

2030  
01:24:52,310 --> 01:24:50,699  
take well then what's to say that they

2031  
01:24:54,350 --> 01:24:52,320  
wouldn't want to interact with Bigfoot

2032  
01:24:55,729 --> 01:24:54,360  
how would we know that they wouldn't be

2033  
01:24:58,490 --> 01:24:55,739  
interested to interact with Bigfoot

2034  
01:25:03,709 --> 01:25:00,530  
go ahead Robert

2035  
01:25:06,169 --> 01:25:03,719  
no I was just going to say that I um

2036  
01:25:08,510 --> 01:25:06,179  
I I agree with you on 100 I mean it's

2037  
01:25:11,390 --> 01:25:08,520  
just one of those things that I I really

2038  
01:25:14,390 --> 01:25:11,400

support you know people and I want to

2039

01:25:16,970 --> 01:25:14,400

help them and the best I can and so

2040

01:25:19,189 --> 01:25:16,980

I I love doing what I do I love helping

2041

01:25:20,510 --> 01:25:19,199

Matt I'm really happy being on this show

2042

01:25:24,830 --> 01:25:20,520

so

2043

01:25:27,290 --> 01:25:24,840

man this is just this is just part one

2044

01:25:30,290 --> 01:25:27,300

man we gotta have you back for part two

2045

01:25:32,090 --> 01:25:30,300

because I know that uh we we and when I

2046

01:25:34,430 --> 01:25:32,100

say we didn't really scratch the surface

2047

01:25:36,590 --> 01:25:34,440

of the experiences that you and Matt had

2048

01:25:39,229 --> 01:25:36,600

but we really just had you know stream

2049

01:25:42,350 --> 01:25:39,239

of Consciousness on on Bigfoot and

2050

01:25:44,510 --> 01:25:42,360

paranormal here which is also enjoyable

2051

01:25:46,850 --> 01:25:44,520

um so but let me make sure everybody we

2052

01:25:48,770 --> 01:25:46,860

we get around and everybody gets a last

2053

01:25:50,209 --> 01:25:48,780

question in or a last word in and then

2054

01:25:53,149 --> 01:25:50,219

we'll we'll go with cabbie goodbyes

2055

01:25:54,830 --> 01:25:53,159

after that but uh Deb's uh if you would

2056

01:25:57,649 --> 01:25:54,840

is there something else that you wanted

2057

01:26:00,590 --> 01:25:57,659

us to consider yeah I'm just thrown by

2058

01:26:04,070 --> 01:26:00,600

this idea of the spiritual Bigfoot

2059

01:26:08,149 --> 01:26:04,080

because when we when we open that door

2060

01:26:11,270 --> 01:26:08,159

like we also open this time concept

2061

01:26:13,370 --> 01:26:11,280

because unfortunately when when you talk

2062

01:26:15,649 --> 01:26:13,380

about spirits some people are saying

2063

01:26:18,470 --> 01:26:15,659

some of those Spirits are maybe from the

2064

01:26:20,450 --> 01:26:18,480

future and like ah there's like a whole

2065

01:26:23,149 --> 01:26:20,460

science quantum physics aspect to that

2066

01:26:24,709 --> 01:26:23,159

that which leads me to like what if

2067

01:26:27,350 --> 01:26:24,719

Bigfoot or our

2068

01:26:30,350 --> 01:26:27,360

future selves rather than our past

2069

01:26:32,750 --> 01:26:30,360

selves and it's like ah

2070

01:26:35,149 --> 01:26:32,760

okay just let's flesh that out a little

2071

01:26:36,890 --> 01:26:35,159

further to make sure we understand what

2072

01:26:38,689 --> 01:26:36,900

you're wrestling with here and and it

2073

01:26:42,350 --> 01:26:38,699

forgive me if you guys understand it and

2074

01:26:44,810 --> 01:26:42,360

I don't okay so when you talk about

2075

01:26:47,270 --> 01:26:44,820

ghosts and you say that there are

2076  
01:26:49,610 --> 01:26:47,280  
memories some people say that they may

2077  
01:26:52,129 --> 01:26:49,620  
be from the future that there's like an

2078  
01:26:54,770 --> 01:26:52,139  
imprint from the future rather than the

2079  
01:26:58,310 --> 01:26:54,780  
past so if we're talking about a ghost

2080  
01:27:01,189 --> 01:26:58,320  
Bigfoot some of them may actually be

2081  
01:27:03,649 --> 01:27:01,199  
future Bigfoot which would also explain

2082  
01:27:06,350 --> 01:27:03,659  
some of these portal experiences so now

2083  
01:27:08,450 --> 01:27:06,360  
I'm like thrown thinking about this

2084  
01:27:10,550 --> 01:27:08,460  
yeah but aren't is there a difference

2085  
01:27:13,129 --> 01:27:10,560  
between like a poltergeist and a ghost

2086  
01:27:15,410 --> 01:27:13,139  
can somebody help me out here that one

2087  
01:27:17,450 --> 01:27:15,420  
of them is a memory and the other one I

2088  
01:27:19,729 --> 01:27:17,460

mean spiritually manifestation there's

2089

01:27:22,189 --> 01:27:19,739

what's called a residual haunting which

2090

01:27:24,470 --> 01:27:22,199

seems to replay an event over and over

2091

01:27:26,330 --> 01:27:24,480

and over and it doesn't have any

2092

01:27:28,129 --> 01:27:26,340

intelligent interaction with any of the

2093

01:27:30,310 --> 01:27:28,139

people around it then there's an

2094

01:27:32,990 --> 01:27:30,320

intelligent haunting where the spirit

2095

01:27:34,850 --> 01:27:33,000

knows you're there and interacts with

2096

01:27:37,669 --> 01:27:34,860

you directly and then there's

2097

01:27:41,090 --> 01:27:37,679

Poltergeist activity which just means

2098

01:27:42,890 --> 01:27:41,100

it's more like noises and objects being

2099

01:27:44,390 --> 01:27:42,900

thrown across the room and things like

2100

01:27:47,090 --> 01:27:44,400

that

2101

01:27:49,910 --> 01:27:47,100

um and there's also a whole train of

2102

01:27:53,450 --> 01:27:49,920

thought that Blues Poltergeist activity

2103

01:27:55,669 --> 01:27:53,460

is actually us because it seems to be

2104

01:27:58,910 --> 01:27:55,679

centered around a lot of

2105

01:28:01,310 --> 01:27:58,920

younger people and teenagers uh and

2106

01:28:06,530 --> 01:28:01,320

people going through really intense

2107

01:28:11,209 --> 01:28:08,629

and Jules thank you for putting this up

2108

01:28:13,310 --> 01:28:11,219

there's about Dr simeon's uh Bigfoot

2109

01:28:14,990 --> 01:28:13,320

support group if you can just DM me that

2110

01:28:17,149 --> 01:28:15,000

because I'll get it in the show notes

2111

01:28:19,430 --> 01:28:17,159

tonight and thank you so much for always

2112

01:28:22,129 --> 01:28:19,440

being like totally Johnny on the spot

2113

01:28:23,930 --> 01:28:22,139

with uh different links that we need

2114

01:28:26,750 --> 01:28:23,940

that that are pertinent to what the

2115

01:28:27,550 --> 01:28:26,760

guest is talking about thank you

2116

01:28:30,830 --> 01:28:27,560

um

2117

01:28:33,110 --> 01:28:30,840

uh prime time

2118

01:28:36,050 --> 01:28:33,120

um last parting shots any last parting

2119

01:28:38,090 --> 01:28:36,060

shots you know um I I'm always kind of

2120

01:28:39,950 --> 01:28:38,100

returning and returning to just how

2121

01:28:42,169 --> 01:28:39,960

people experience and interpret these

2122

01:28:43,490 --> 01:28:42,179

encounters whether it's Bigfoot or any

2123

01:28:47,090 --> 01:28:43,500

other kind of

2124

01:28:48,410 --> 01:28:47,100

um mysterious or strange encounter

2125

01:28:50,330 --> 01:28:48,420

um and

2126

01:28:52,310 --> 01:28:50,340

uh at a certain point I think

2127

01:28:54,169 --> 01:28:52,320

conversations about whether things are

2128

01:28:56,390 --> 01:28:54,179

real or not in any meaningful sense

2129

01:28:58,910 --> 01:28:56,400

cease to be important because they still

2130

01:29:01,310 --> 01:28:58,920

deeply affect uh experiencers they still

2131

01:29:03,470 --> 01:29:01,320

deeply affect humans and I think that at

2132

01:29:05,209 --> 01:29:03,480

the very least we owe it to ourselves

2133

01:29:07,189 --> 01:29:05,219

um just as thinking and considering

2134

01:29:08,689 --> 01:29:07,199

human beings to explore these ideas very

2135

01:29:11,390 --> 01:29:08,699

seriously

2136

01:29:13,010 --> 01:29:11,400

um so uh I I just really appreciate

2137

01:29:14,510 --> 01:29:13,020

having the guest tonight and really

2138

01:29:16,129 --> 01:29:14,520

appreciate kind of the depth and breadth

2139

01:29:18,649 --> 01:29:16,139

of conversation we've had

2140

01:29:21,110 --> 01:29:18,659

thank you definitely

2141

01:29:22,910 --> 01:29:21,120

um Matt uh do you have a a Parting Shot

2142

01:29:25,010 --> 01:29:22,920

parting thought and then and then we

2143

01:29:28,250 --> 01:29:25,020

will officially say goodbye to Mr

2144

01:29:30,110 --> 01:29:28,260

Dominguez cabbie with our our patented

2145

01:29:32,270 --> 01:29:30,120

cabbie goodbye

2146

01:29:35,090 --> 01:29:32,280

yeah what if

2147

01:29:40,270 --> 01:29:35,100

there's something

2148

01:29:43,189 --> 01:29:40,280

else uh uh greater intelligence uh God

2149

01:29:46,430 --> 01:29:43,199

whatever you want to say

2150

01:29:49,430 --> 01:29:46,440

that's actually in control of everything

2151  
01:29:52,990 --> 01:29:49,440  
and it controls what our field of view

2152  
01:29:55,370 --> 01:29:53,000  
is at any given time what our reality is

2153  
01:29:57,470 --> 01:29:55,380  
and if it doesn't want us to see

2154  
01:29:59,209 --> 01:29:57,480  
something it just changes our field of

2155  
01:30:01,729 --> 01:29:59,219  
view where we can't see it

2156  
01:30:04,129 --> 01:30:01,739  
or sometimes we you know whenever it's

2157  
01:30:06,590 --> 01:30:04,139  
not looking we do get a chance to see

2158  
01:30:09,530 --> 01:30:06,600  
real reality for a second

2159  
01:30:12,470 --> 01:30:09,540  
uh one of the thoughts that I've had for

2160  
01:30:16,610 --> 01:30:12,480  
a long time is maybe all of these things

2161  
01:30:18,890 --> 01:30:16,620  
are so mysterious and go unproven for so

2162  
01:30:21,110 --> 01:30:18,900  
long like Bigfoot for instance

2163  
01:30:23,149 --> 01:30:21,120

it's real simple because we're not

2164

01:30:25,490 --> 01:30:23,159

supposed to know they're there we're

2165

01:30:29,050 --> 01:30:25,500

we're not supposed to discover them

2166

01:30:31,729 --> 01:30:29,060

and if that's the case we're all screwed

2167

01:30:34,070 --> 01:30:31,739

it sounds like the Donald Hoffman theory

2168

01:30:35,810 --> 01:30:34,080

that Science Bob uh explained when he

2169

01:30:38,270 --> 01:30:35,820

was on with us

2170

01:30:40,310 --> 01:30:38,280

um I you know my personal feeling about

2171

01:30:42,770 --> 01:30:40,320

that is

2172

01:30:45,290 --> 01:30:42,780

um I try not to Define reality for

2173

01:30:48,950 --> 01:30:45,300

somebody else and I think that's kind of

2174

01:30:51,470 --> 01:30:48,960

like a tangent of what Leah was saying I

2175

01:30:54,169 --> 01:30:51,480

think there are experiences that people

2176

01:30:58,070 --> 01:30:54,179

have that are tangible to the point

2177

01:30:59,990 --> 01:30:58,080

where another witness could see that and

2178

01:31:02,209 --> 01:31:00,000

say okay something is happening now

2179

01:31:04,490 --> 01:31:02,219

something just happened for example

2180

01:31:06,229 --> 01:31:04,500

Terry Loveless and if you hadn't heard

2181

01:31:08,510 --> 01:31:06,239

about him uh is I don't know if it's

2182

01:31:12,169 --> 01:31:08,520

called Devil's Den or Devil's Canyon in

2183

01:31:14,990 --> 01:31:12,179

in Missouri uh Robert but it was an Air

2184

01:31:17,290 --> 01:31:15,000

Force Airman named uh Terry Lovelace who

2185

01:31:19,629 --> 01:31:17,300

ended up became assistant U.S attorney

2186

01:31:23,689 --> 01:31:19,639

uh in in a couple of different states

2187

01:31:26,570 --> 01:31:23,699

ausa and uh and his friend Toby and they

2188

01:31:28,850 --> 01:31:26,580

were abducted uh and saw a whole bunch

2189

01:31:31,430 --> 01:31:28,860

of people on board a very very large

2190

01:31:34,070 --> 01:31:31,440

craft and when they came back they were

2191

01:31:35,870 --> 01:31:34,080

taken in by OSI and all kinds of things

2192

01:31:37,189 --> 01:31:35,880

happen the park rangers went and picked

2193

01:31:39,950 --> 01:31:37,199

up their campsite because they just left

2194

01:31:41,450 --> 01:31:39,960

it so there are certain things that have

2195

01:31:44,149 --> 01:31:41,460

a certain tangibility and then there are

2196

01:31:45,890 --> 01:31:44,159

other things kind of that you know we

2197

01:31:47,689 --> 01:31:45,900

just have to take them and just you know

2198

01:31:49,910 --> 01:31:47,699

say okay something happened to this

2199

01:31:53,390 --> 01:31:49,920

person I might not have seen it I can't

2200

01:31:55,689 --> 01:31:53,400

prove it but I believe they you know

2201

01:31:58,010 --> 01:31:55,699

something happened in in their reality

2202

01:32:00,830 --> 01:31:58,020

and we don't necessarily have to

2203

01:32:02,450 --> 01:32:00,840

differentiate but at the same time

2204

01:32:05,570 --> 01:32:02,460

um

2205

01:32:08,570 --> 01:32:05,580

you know I I just try not to codify and

2206

01:32:11,930 --> 01:32:08,580

Define what has happened to to someone

2207

01:32:13,729 --> 01:32:11,940

else because that can that can be you

2208

01:32:15,890 --> 01:32:13,739

know that I'm trying to you know

2209

01:32:17,930 --> 01:32:15,900

subtract from what happened to them and

2210

01:32:19,790 --> 01:32:17,940

I don't want to do that uh but they're

2211

01:32:23,270 --> 01:32:19,800

they're probably are you know different

2212

01:32:24,410 --> 01:32:23,280

levels of of experiences and and

2213

01:32:26,750 --> 01:32:24,420

certainly

2214

01:32:30,290 --> 01:32:26,760

whether we're meant to see it or not met

2215

01:32:33,290 --> 01:32:30,300

I mean geez thousands of of people you

2216

01:32:35,629 --> 01:32:33,300

guys and gals have been out there and

2217

01:32:37,430 --> 01:32:35,639

have seen this so if it was if we

2218

01:32:39,050 --> 01:32:37,440

weren't meant to discover it they're a

2219

01:32:41,330 --> 01:32:39,060

little bit late

2220

01:32:44,689 --> 01:32:41,340

um DHA unfortunately I'm gonna have to

2221

01:32:47,030 --> 01:32:44,699

go in just a moment and I wanted to I

2222

01:32:49,850 --> 01:32:47,040

wanted to say that what you've said and

2223

01:32:51,530 --> 01:32:49,860

what Leah has said and what you know a

2224

01:32:53,990 --> 01:32:51,540

lot of people have been saying about

2225

01:32:55,790 --> 01:32:54,000

Bigfoot leads me to just think the most

2226

01:32:57,110 --> 01:32:55,800

important thing we can do is look to the

2227

01:33:00,530 --> 01:32:57,120

experiencer

2228

01:33:03,890 --> 01:33:00,540

and find out what is happening that

2229

01:33:06,590 --> 01:33:03,900

they're able to see past that

2230

01:33:09,950 --> 01:33:06,600

that illusion that seems to be part of

2231

01:33:12,410 --> 01:33:09,960

life that reality that isn't

2232

01:33:14,270 --> 01:33:12,420

um what we're actually experiencing

2233

01:33:17,629 --> 01:33:14,280

because Donald Hoffman has spoken about

2234

01:33:20,570 --> 01:33:17,639

that too about what we're perceiving is

2235

01:33:23,209 --> 01:33:20,580

not the actual reality that we're in and

2236

01:33:25,370 --> 01:33:23,219

I think what Matt's alluding to is that

2237

01:33:27,129 --> 01:33:25,380

there's like a someone behind the scenes

2238

01:33:29,930 --> 01:33:27,139

that doesn't want us to see but we are

2239

01:33:32,570 --> 01:33:29,940

and why is that so we need to go to the

2240

01:33:34,189 --> 01:33:32,580

experencer and find out so I wanted to

2241

01:33:36,050 --> 01:33:34,199

say thank you so much

2242

01:33:37,250 --> 01:33:36,060

um Robert for coming and talking to us

2243

01:33:39,110 --> 01:33:37,260

thank you

2244

01:33:41,209 --> 01:33:39,120

um I hope that we get to have you again

2245

01:33:43,189 --> 01:33:41,219

and get more information from you

2246

01:33:46,129 --> 01:33:43,199

because of course obviously you've

2247

01:33:47,990 --> 01:33:46,139

inspired so much thought for us today of

2248

01:33:49,129 --> 01:33:48,000

course so thank you and take care

2249

01:33:51,590 --> 01:33:49,139

everybody

2250

01:33:56,270 --> 01:33:51,600

bye Debs we'll see thank you so much see

2251

01:33:58,070 --> 01:33:56,280

Dex uh let's go with uh uh Matt or prime

2252

01:34:00,350 --> 01:33:58,080

time go ahead Matt since that's your

2253

01:34:01,550 --> 01:34:00,360

brother go ahead and cabbie goodbye with

2254

01:34:03,770 --> 01:34:01,560

Robert

2255

01:34:06,830 --> 01:34:03,780

Bobby D

2256

01:34:09,350 --> 01:34:06,840

my bro what's happening dog thanks so

2257

01:34:12,410 --> 01:34:09,360

much man uh thank you I know you're a

2258

01:34:15,050 --> 01:34:12,420

busy guy and I I finally been able to

2259

01:34:17,270 --> 01:34:15,060

unite these two worlds

2260

01:34:20,209 --> 01:34:17,280

yes yeah you got you guys already know

2261

01:34:22,669 --> 01:34:20,219

about each other so I'm glad that it's

2262

01:34:26,270 --> 01:34:22,679

finally happened and I've really enjoyed

2263

01:34:27,890 --> 01:34:26,280

the conversation as I always do anytime

2264

01:34:29,450 --> 01:34:27,900

you're involved

2265

01:34:35,090 --> 01:34:29,460

appreciate it

2266

01:34:40,370 --> 01:34:37,910

I'm here didn't I do my cabbie goodbye

2267

01:34:41,870 --> 01:34:40,380

okay if well we weren't doing cabbies

2268

01:34:46,250 --> 01:34:41,880

goodbyes yet but if that was it then

2269

01:34:50,330 --> 01:34:48,890

all right um our prime prime time

2270

01:34:52,010 --> 01:34:50,340

apparently already did her cabbie

2271

01:34:54,110 --> 01:34:52,020

goodbye Robert

2272

01:34:56,209 --> 01:34:54,120

um thank you so much as as Matt said you

2273

01:34:59,209 --> 01:34:56,219

know I've heard about you for a period

2274

01:35:01,490 --> 01:34:59,219

of time now and uh any brother of Matt's

2275

01:35:05,090 --> 01:35:01,500

is a brother of mine and I really would

2276

01:35:06,649 --> 01:35:05,100

like to do a episode two with you uh

2277

01:35:08,689 --> 01:35:06,659

hopefully money Nathan will be here

2278

01:35:12,729 --> 01:35:08,699

because he's such great conversation as

2279

01:35:14,930 --> 01:35:12,739

well and uh we had there's we we

2280

01:35:16,610 --> 01:35:14,940

literally we have so much more to learn

2281

01:35:18,590 --> 01:35:16,620

from you I mean I get to learn from Matt

2282

01:35:20,209 --> 01:35:18,600

but having another resource like

2283

01:35:22,430 --> 01:35:20,219

yourself

2284

01:35:23,990 --> 01:35:22,440

um because we're brand newbies in

2285

01:35:25,850 --> 01:35:24,000

Bigfoot you know what I mean so yeah

2286

01:35:28,310 --> 01:35:25,860

thank you so much for being here sir

2287

01:35:31,010 --> 01:35:28,320

thank you thank you for having me I'm

2288

01:35:32,689 --> 01:35:31,020

glad to be a part of this uh tonight and

2289

01:35:34,970 --> 01:35:32,699

you know Matt's been talking so highly

2290

01:35:37,430 --> 01:35:34,980

you guys and uh you know same thing here

2291

01:35:40,370 --> 01:35:37,440

any any friend of Matt's is friends of

2292

01:35:41,629 --> 01:35:40,380

mine so that's the way I see it so you

2293

01:35:44,149 --> 01:35:41,639

will come back on for a part two

2294

01:35:46,850 --> 01:35:44,159

absolutely absolutely I may I may have

2295

01:35:48,050 --> 01:35:46,860

you guys on uh Nick from the club we can

2296

01:35:50,810 --> 01:35:48,060

talk about Justin Timberlake and all

2297

01:35:53,209 --> 01:35:50,820

that stuff so I'm definitely down for

2298

01:35:54,770 --> 01:35:53,219

that man I definitely come on man as you

2299

01:35:57,169 --> 01:35:54,780

can see I have no trouble talking about

2300

01:35:58,910 --> 01:35:57,179

any of these genres I enjoy the hell out

2301

01:36:01,550 --> 01:35:58,920

of it Julie's saying thanks for riding

2302

01:36:02,149 --> 01:36:01,560

with us as always uh Deb

2303

01:36:04,790 --> 01:36:02,159

um

2304

01:36:06,830 --> 01:36:04,800

and what Terry has visited our group a

2305

01:36:09,350 --> 01:36:06,840

couple times I don't know if I'm not

2306

01:36:12,110 --> 01:36:09,360

sure if Julie's talking about uh Terry

2307
