

1

00:00:00,000 --> 00:00:07,000

Hidden power, secrets, cover-ups, corruption.

2

00:00:07,000 --> 00:00:12,000

You think you know the whole story?

3

00:00:12,000 --> 00:00:15,000

Think again.

4

00:00:15,000 --> 00:00:22,000

I've been governor, a Navy SEAL, a fighter.

5

00:00:22,000 --> 00:00:25,000

I've heard things that'll blow your mind,

6

00:00:25,000 --> 00:00:29,000

and now I think it's time you get the whole story.

7

00:00:29,000 --> 00:00:33,000

Now Jesse steps into America's most controversial conspiracy.

8

00:00:33,000 --> 00:00:35,000

The attacks of 9-11.

9

00:00:35,000 --> 00:00:41,000

If everything they told us was true, then why would they need to stonewall us?

10

00:00:41,000 --> 00:00:47,000

Was the official 9-11 report a whitewash and cover-up?

11

00:00:47,000 --> 00:00:50,000

These people are lion's-ears.

12

00:00:50,000 --> 00:00:56,000

Did the terrorists use more than jetliners to do their devastating damage?

13

00:00:56,000 --> 00:01:00,000

There's residues of explosives in the dust.

14

00:01:00,000 --> 00:01:04,000

Is the FBI hiding the flight recorders they say have never been recovered?

15

00:01:04,000 --> 00:01:08,000

The odds of not finding these black boxes are...

16

00:01:08,000 --> 00:01:10,000

Almost zero.

17

00:01:10,000 --> 00:01:16,000

And was ground zero a crime scene that Washington obliterated in plain sight?

18

00:01:16,000 --> 00:01:21,000

There's something about 9-11 our government doesn't want us to know.

19

00:01:21,000 --> 00:01:25,000

These are questions that few have dared to ask,

20

00:01:25,000 --> 00:01:27,000

let alone investigate.

21

00:01:27,000 --> 00:01:32,000

It was a false flag attack on America by Americans.

22

00:01:32,000 --> 00:01:34,000

The Unthinkable.

23

00:01:34,000 --> 00:01:37,000

The All Too Real.

24

00:01:37,000 --> 00:01:40,000

The 9-11 Conspiracy.

25

00:01:40,000 --> 00:01:42,000

Just cut it off.

26

00:01:42,000 --> 00:01:46,000

I'm Jesse Ventura, and this is Conspiracy Theory.

27

00:01:47,000 --> 00:01:50,000

The Unthinkable

28

00:01:53,000 --> 00:01:57,000

Jesse Ventura cares deeply about his country,

29

00:01:57,000 --> 00:02:04,000

but no event did more to shake his beliefs than the attacks of September 11, 2001.

30

00:02:04,000 --> 00:02:10,000

Now, he leads a raid on the hangar where evidence from ground zero is hidden.

31

00:02:10,000 --> 00:02:14,000

He's on a mission for the truth.

32

00:02:17,000 --> 00:02:19,000

Get up here!

33

00:02:20,000 --> 00:02:23,000

This is what they don't want me to see.

34

00:02:27,000 --> 00:02:32,000

With 9-11, some things just never added up for me.

35

00:02:32,000 --> 00:02:35,000

Why weren't those jetliners brought down?

36

00:02:35,000 --> 00:02:38,000

Why did the buildings go down so quickly?

37

00:02:38,000 --> 00:02:43,000

I knew this investigation was going to get some people pretty angry,

38

00:02:43,000 --> 00:02:47,000

but I also knew I owed this one to the victims.

39

00:02:50,000 --> 00:02:51,000

Hi.

40

00:02:51,000 --> 00:02:52,000

Governor.

41

00:02:52,000 --> 00:02:53,000

How are you?

42

00:02:53,000 --> 00:02:55,000

Donna, nice to meet you.

43

00:02:55,000 --> 00:02:59,000

It all began when I got a call from Donna Marshall Conner.

44

00:02:59,000 --> 00:03:03,000

She lost her daughter on September the 11th.

45

00:03:03,000 --> 00:03:06,000

Vanessa Langer worked in the Trade Center.

46

00:03:06,000 --> 00:03:08,000

She was four months pregnant.

47

00:03:08,000 --> 00:03:11,000

I don't want to bring up a lot of pain.

48

00:03:11,000 --> 00:03:14,000

Please, you know, I want to make this really clear.

49

00:03:14,000 --> 00:03:17,000

When you say when 9-11 ended, I don't...

50

00:03:17,000 --> 00:03:19,000

It still didn't end for me.

51

00:03:19,000 --> 00:03:20,000

It still didn't end for me.

52

00:03:20,000 --> 00:03:25,000

We'll never end for the country as long as we don't investigate what exactly happened.

53

00:03:25,000 --> 00:03:27,000

We never had an investigation.

54

00:03:27,000 --> 00:03:32,000

And my kid is a victim of the second plane?

55

00:03:32,000 --> 00:03:36,000

Why would I not ask questions?

56

00:03:36,000 --> 00:03:38,000

I'm not a scientist.

57

00:03:38,000 --> 00:03:42,000

But all I want is for someone to validate the questions

58

00:03:42,000 --> 00:03:47,000

and have every American citizen exposed to the questions.

59

00:03:47,000 --> 00:03:52,000

Donna O'Connor made it very clear that she and other 9-11 survivors

60

00:03:52,000 --> 00:03:56,000

are not satisfied with the official answers.

61

00:03:56,000 --> 00:04:01,000

Uncovering the truth, exposing the lies, will only ease the pain.

62

00:04:01,000 --> 00:04:03,000

That was good enough for me.

63

00:04:04,000 --> 00:04:06,000

Donna, thank you.

64

00:04:06,000 --> 00:04:10,000

My governor, keep working hard.

65

00:04:10,000 --> 00:04:12,000

We need you.

66

00:04:12,000 --> 00:04:15,000

The investigation moves to the banks of the Hudson River

67

00:04:15,000 --> 00:04:19,000

under an empty sky where the World Trade Towers once loomed.

68

00:04:19,000 --> 00:04:24,000

The governor meets the last man out of the last tower to fall.

69

00:04:24,000 --> 00:04:26,000

You see that peak over there?

70

00:04:26,000 --> 00:04:27,000

Where the round one is?

71

00:04:27,000 --> 00:04:28,000

Yes, correct.

72

00:04:28,000 --> 00:04:29,000

Right there was the tower.

73

00:04:29,000 --> 00:04:30,000

Right in front of you.

74

00:04:30,000 --> 00:04:35,000

William Rodriguez was a maintenance worker at number two World Trade Center.

75

00:04:35,000 --> 00:04:39,000

He has a story that not only contradicts the official 9-11 account

76

00:04:39,000 --> 00:04:42,000

but shakes it to its very foundation.

77

00:04:42,000 --> 00:04:46,000

At 846, while we're talking in front of the office, we hear

78

00:04:46,000 --> 00:04:48,000

BAH! An explosion very loud.

79

00:04:48,000 --> 00:04:50,000

Push us upwards.

80

00:04:50,000 --> 00:04:51,000

Upwards.

81

00:04:51,000 --> 00:04:53,000

Upwards. All the walls shaped.

82

00:04:53,000 --> 00:04:56,000

They cracked. The fall seating fell on top of us.

83

00:04:56,000 --> 00:04:59,000

The sprinkler system got activated.

84

00:04:59,000 --> 00:05:01,000

Water started spewing everywhere.

85

00:05:01,000 --> 00:05:03,000

Everybody screaming in horror.

86

00:05:03,000 --> 00:05:05,000

Oh my God, oh my God, oh my God.

87

00:05:05,000 --> 00:05:08,000

Now, was this a result from the plane hitting?

88

00:05:08,000 --> 00:05:11,000

No, no, no. This is before the plane hitting the tower.

89

00:05:11,000 --> 00:05:13,000

So this explosion came from below.

90

00:05:13,000 --> 00:05:17,000

But the first thing that I thought it was that it came from the mechanical room

91

00:05:17,000 --> 00:05:19,000

that was on the basement number two.

92

00:05:19,000 --> 00:05:23,000

I went to say, you know, it may be when we hear BAH!

93

00:05:23,000 --> 00:05:25,000

All the way on the top of the building.

94

00:05:25,000 --> 00:05:27,000

And I speculated that it was the plane hitting the tower.

95

00:05:27,000 --> 00:05:31,000

So these two explosions were completely separate?

96

00:05:31,000 --> 00:05:32,000

Completely separate.

97

00:05:32,000 --> 00:05:37,000

The official 9-11 story says hijacked jets brought down the towers,

98

00:05:37,000 --> 00:05:39,000

not explosive devices.

99

00:05:39,000 --> 00:05:44,000

If you can remember, how much time would you say was between the two explosions?

100

00:05:44,000 --> 00:05:46,000

Six to seven seconds difference.

101

00:05:46,000 --> 00:05:47,000

That close.

102

00:05:47,000 --> 00:05:48,000

That close.

103

00:05:48,000 --> 00:05:50,000

And I wasn't the only one that felt this.

104

00:05:50,000 --> 00:05:52,000

There were the 14 people inside the office.

105

00:05:52,000 --> 00:05:55,000

Did all you people tell this to the 9-11 commission?

106

00:05:55,000 --> 00:05:58,000

I testified for the 9-11 commission behind closed doors.

107

00:05:58,000 --> 00:06:00,000

Why behind closed doors?

108

00:06:00,000 --> 00:06:04,000

Well, my speculation was that they didn't want the story to be out.

109

00:06:04,000 --> 00:06:11,000

How does the last man out get left out of the 9-11 commission report?

110

00:06:11,000 --> 00:06:14,000

We've definitely got the makings of a conspiracy.

111

00:06:18,000 --> 00:06:22,000

The governor arrives at his war room where his elite team of investigators

112

00:06:22,000 --> 00:06:25,000

and researchers is at the ready.

113

00:06:25,000 --> 00:06:29,000

He was there the day that the towers were hit.

114

00:06:29,000 --> 00:06:31,000

And William swears up and down.

115

00:06:31,000 --> 00:06:36,000

This is the intriguing part, that an explosion took place below them.

116

00:06:36,000 --> 00:06:41,000

About six to eight seconds before anything happened way up above.

117

00:06:41,000 --> 00:06:42,000

Below?

118

00:06:42,000 --> 00:06:43,000

Below.

119

00:06:43,000 --> 00:06:44,000

Why come out now?

120

00:06:44,000 --> 00:06:45,000

What's he getting from this?

121

00:06:45,000 --> 00:06:46,000

Come out now.

122

00:06:46,000 --> 00:06:48,000

He was brought in front of the 9-11 commission.

123

00:06:48,000 --> 00:06:50,000

They took him in a private room.

124

00:06:50,000 --> 00:06:55,000

He testified for 30 minutes and today there's no record of him even being there.

125

00:06:55,000 --> 00:06:58,000

Any chance he's not in the record because his story doesn't check out?

126

00:06:58,000 --> 00:07:01,000

His story contradicts the official story.

127

00:07:01,000 --> 00:07:03,000

Alex pretty severely doesn't it?

128

00:07:03,000 --> 00:07:04,000

But even if-

129

00:07:04,000 --> 00:07:06,000

Bombs going off below?

130

00:07:06,000 --> 00:07:08,000

Well, if you don't want that out to the public,

131

00:07:08,000 --> 00:07:11,000

why would you acknowledge William Rodriguez in any way, shape or form?

132

00:07:11,000 --> 00:07:14,000

To just deny or not even acknowledge that the guy testified?

133

00:07:14,000 --> 00:07:15,000

Come on, that's all shady.

134

00:07:15,000 --> 00:07:19,000

And they wouldn't call you to testify unless you had something credible to say.

135

00:07:19,000 --> 00:07:21,000

We're going to check out William Rodriguez.

136

00:07:21,000 --> 00:07:23,000

Now get me somebody else.

137

00:07:23,000 --> 00:07:25,000

Okay, we are going to look at Stephen Jones.

138

00:07:25,000 --> 00:07:28,000

He's a former physics professor from Brigham Young University.

139

00:07:28,000 --> 00:07:37,000

Now he analyzed dust samples from September 11th and says that he found explosive residue in it.

140

00:07:37,000 --> 00:07:38,000

Really?

141

00:07:38,000 --> 00:07:44,000

As soon as he published his findings, he was forced to leave his post at Brigham Young.

142

00:07:44,000 --> 00:07:45,000

No kidding.

143

00:07:45,000 --> 00:07:46,000

No.

144

00:07:46,000 --> 00:07:47,000

So he's effectively fired.

145

00:07:47,000 --> 00:07:51,000

Alex, get on a plane, get up to Salt Lake City, interview Professor Jones,

146

00:07:51,000 --> 00:07:53,000

find out anything you can about this.

147

00:07:53,000 --> 00:07:54,000

You got it.

148

00:08:00,000 --> 00:08:01,000

Utah.

149

00:08:01,000 --> 00:08:05,000

Investigator Alex Piper meets Professor Stephen Jones,

150

00:08:05,000 --> 00:08:10,000

a physicist whose conclusions about 9-11 proved to be highly explosive.

151

00:08:10,000 --> 00:08:16,000

I just within a couple days had angry emails

152

00:08:16,000 --> 00:08:19,000

and particularly from an engineer,

153

00:08:19,000 --> 00:08:26,000

identified himself as a consultant with Homeland Security saying that if I published this,

154

00:08:26,000 --> 00:08:29,000

the pain would be great.

155

00:08:29,000 --> 00:08:35,000

Professor Jones says evidence shows the twin towers were brought down by explosives.

156

00:08:35,000 --> 00:08:39,000

The first clue was what happened to another building in the Trade Center complex.

157

00:08:39,000 --> 00:08:47,000

Number seven was never hit by a plane, but it collapsed the same way as the ones that were.

158

00:08:47,000 --> 00:08:51,000

The official story for building seven, the claim is it was due to fire.

159

00:08:51,000 --> 00:08:54,000

Well, it just didn't add up.

160

00:08:54,000 --> 00:09:01,000

I mean, in terms of the speed and the completeness of the collapse, explosives on the other hand explain it handily.

161

00:09:01,000 --> 00:09:06,000

But explosives mean someone had access to this building.

162

00:09:06,000 --> 00:09:08,000

We're not talking now about Al Qaeda.

163

00:09:08,000 --> 00:09:10,000

There's a highly secure building.

164

00:09:10,000 --> 00:09:12,000

So I did some checking on building seven.

165

00:09:12,000 --> 00:09:16,000

Seven World Trade Center was a 47-story office building.

166

00:09:16,000 --> 00:09:22,000

Among its tenants, the Department of Defense, the Secret Service, and the CIA.

167

00:09:22,000 --> 00:09:26,000

Not the easiest place to plant a bomb.

168

00:09:26,000 --> 00:09:32,000

You're not going to have Al Qaeda running in there, planting explosives to bring that down in that way.

169

00:09:32,000 --> 00:09:34,000

Then we start looking at the dust.

170

00:09:34,000 --> 00:09:37,000

We've all seen that dust that produced as the towers came down.

171

00:09:37,000 --> 00:09:40,000

Building seven also produces enormous dust cloud.

172

00:09:40,000 --> 00:09:46,000

It was in that dust that Professor Jones made the very startling discovery.

173

00:09:46,000 --> 00:09:52,000

There's a residue of explosive in this World Trade Center dust.

174

00:09:52,000 --> 00:09:57,000

The presence of explosive residue was never mentioned in the official report.

175

00:09:57,000 --> 00:10:03,000

So do you believe that there was controlled demolition used not only in World Trade Center seven, but also in buildings one and two as well?

176

00:10:03,000 --> 00:10:05,000

Yes, I do.

177

00:10:05,000 --> 00:10:09,000

We do have good evidence for the use of explosives.

178

00:10:09,000 --> 00:10:12,000

Sure, they were hit by planes. I'm not challenging that.

179

00:10:12,000 --> 00:10:18,000

But I'm saying that's not the full story, because there's residues of explosives in the dust.

180

00:10:18,000 --> 00:10:23,000

Professor Jones claims the residue is a substance called superthermite,

181

00:10:23,000 --> 00:10:27,000

a combination of powdered iron oxide and aluminum.

182

00:10:27,000 --> 00:10:34,000

When ignited, it burns at 2,500 degrees Celsius, much hotter than jet fuel.

183

00:10:34,000 --> 00:10:39,000

It's a liquid when it's wet, and it can actually be painted on.

184

00:10:39,000 --> 00:10:42,000

I mean, these guys might actually have thought they were just painting.

185

00:10:42,000 --> 00:10:44,000

When you're painting with it, it's safe.

186

00:10:44,000 --> 00:10:46,000

It's really quite remarkable stuff.

187

00:10:46,000 --> 00:10:49,000

When it dries, it's a high explosive.

188

00:10:49,000 --> 00:10:53,000

The Professor has offered one very frightening scenario.

189

00:10:53,000 --> 00:11:00,000

Is it a plausible explanation that supports William Rodriguez, who heard the explosions down below?

190

00:11:00,000 --> 00:11:07,000

Coming up, the superthermite theory is put to the test.

191

00:11:07,000 --> 00:11:13,000

Then, Jesse Ventura heads to ground zero in search of that explosive residue.

192

00:11:13,000 --> 00:11:18,000

The main focus going on that day was to get rid of every shred of evidence.

193

00:11:18,000 --> 00:11:22,000

And later, he finds new evidence of a 9-11 cover-up.

194

00:11:22,000 --> 00:11:25,000

You saw the black boxes at some point.

195

00:11:25,000 --> 00:11:30,000

They had found one that I know of that I actually physically saw.

196

00:11:30,000 --> 00:11:53,000

Jesse Ventura is investigating the 9-11 conspiracy, and a claim that the World Trade Towers were brought down by an explosive substance called superthermite.

197

00:11:53,000 --> 00:12:06,000

Sure, they were hit by planes, but I'm saying that's not the full story, because there's residues of explosives in the dust.

198

00:12:06,000 --> 00:12:11,000

People, did we find anybody who can back up Professor Jones' findings?

199

00:12:11,000 --> 00:12:19,000

Yes, we did. We contacted the research lab at New Mexico Tech, and they've agreed to conduct an experiment using superthermite.

200

00:12:19,000 --> 00:12:23,000

This is Van Romero. He's one of their top researchers, and he's going to do the test.

201

00:12:23,000 --> 00:12:28,000

Hello, Governor. My name is Van Romero, and I understand you have some questions about superthermite.

202

00:12:28,000 --> 00:12:33,000

Let's do an experiment. The first step in the experiment is to make the liquid superthermite.

203

00:12:33,000 --> 00:12:37,000

We mix it in with the paint, and then we have our superthermite liquid paint.

204

00:12:37,000 --> 00:12:44,000

Once we make the mixture in the lab, we take it out into the field to do the test.

205

00:12:44,000 --> 00:12:50,000

Before we apply superthermite to a beam, let's take a beam without superthermite on it and subject it to a fire.

206

00:12:50,000 --> 00:12:56,000

Three, two, one, fire.

207

00:12:56,000 --> 00:13:01,000

As you can see, fire burns, and the beam slowly heats up.

208

00:13:01,000 --> 00:13:06,000

The beam burns briefly, but it does not melt.

209

00:13:06,000 --> 00:13:12,000

Now let's paint the superthermite onto the metal beam, subject it to a fire, see what happens.

210

00:13:12,000 --> 00:13:15,000

Fire.

211

00:13:15,000 --> 00:13:21,000

As we expected, the beam of the thermite is burning much brighter. It's a much hotter fire than we had before.

212

00:13:21,000 --> 00:13:27,000

So the temperature is going to rise in this beam more than it would in a beam without the thermite.

213

00:13:27,000 --> 00:13:36,000

Does it burn long enough and hot enough so that we have structural failure?

214

00:13:36,000 --> 00:13:41,000

Alright. Anybody still got any doubts, Alex?

215

00:13:41,000 --> 00:13:46,000

I do. I mean, listen, it's one thing to say that this thing can be liquefied and used as paint.

216

00:13:46,000 --> 00:13:49,000

It's another thing to say that it was used at the World Trade Center site.

217

00:13:49,000 --> 00:13:53,000

Rodriguez told me construction was a daily thing there.

218

00:13:53,000 --> 00:13:54,000

Yeah.

219

00:13:54,000 --> 00:13:59,000

That every floor when a tenant moved out, construction took place, what happens then? Painting.

220

00:13:59,000 --> 00:14:05,000

And painters could be painting this stuff on and not even know it.

221

00:14:05,000 --> 00:14:15,000

Imagine if this stuff was painted on buildings in New York, Boston, Washington, D.C., all over the country.

222

00:14:15,000 --> 00:14:18,000

That stuff could be everywhere.

223

00:14:18,000 --> 00:14:21,000

Holy word!

224

00:14:21,000 --> 00:14:29,000

After seeing that, there was only one place to go next. I headed to ground zero.

225

00:14:29,000 --> 00:14:39,000

I didn't expect to find any super thermite, but I also didn't expect to find so many victims' survivors still looking for answers.

226

00:14:39,000 --> 00:14:40,000

My name is Manny Bedeo.

227

00:14:40,000 --> 00:14:41,000

Hi, Danny.

228

00:14:41,000 --> 00:14:44,000

I lost my uncle on 9-11. I'm in Strosa, Troy.

229

00:14:44,000 --> 00:14:50,000

I really appreciate what you're doing right now because we need as many people as possible. Knowledge is power.

230

00:14:50,000 --> 00:14:55,000

You've said that. And what it comes down to is people need to know what happened here.

231

00:14:55,000 --> 00:15:01,000

What really upset me about this so-called investigation? My son's murder, all these family members, they're murder.

232

00:15:01,000 --> 00:15:02,000

Right.

233

00:15:02,000 --> 00:15:06,000

And people had said within that commission, we're not here to place blame.

234

00:15:06,000 --> 00:15:11,000

Now, just think of yourself as a parent losing a son. And the police commissioner says we're not here to place blame.

235

00:15:11,000 --> 00:15:15,000

When they said that, my response was, well then what are you for?

236

00:15:15,000 --> 00:15:19,000

You know what, we can talk about these buildings. That tower seven falling down.

237

00:15:19,000 --> 00:15:22,000

You know, most people don't even know that tower seven came down.

238

00:15:22,000 --> 00:15:23,000

I know.

239

00:15:23,000 --> 00:15:25,000

You're not going to lie to us.

240

00:15:26,000 --> 00:15:29,000

Jesse makes his way closer to the scene of the crime.

241

00:15:29,000 --> 00:15:37,000

He's hoping to get into the ground zero site, maybe find some remnants of the original steel that he can bring back for testing.

242

00:15:37,000 --> 00:15:40,000

You can walk in there and they'll tell you to shut this off.

243

00:15:40,000 --> 00:15:41,000

Yeah.

244

00:15:41,000 --> 00:15:49,000

But the police guard won't let him closer than a view of the new Freedom Tower, built to withstand impacts from above and below.

245

00:15:49,000 --> 00:15:58,000

How did they build this building any different than the first one so that this one don't collapse if it catches on fire, which I don't fully believe.

246

00:15:58,000 --> 00:16:08,000

If you look up from the street level, straight up to about maybe seven stories, how you see the difference, all of that is steel and concrete encasement.

247

00:16:08,000 --> 00:16:11,000

Which is different from the original building.

248

00:16:11,000 --> 00:16:23,000

All of these buildings are being built with the same technology, the forced and reinforced steel and concrete structures, normal cement walls, maybe 12 to 18 inches.

249

00:16:23,000 --> 00:16:25,000

This is like three feet thick.

250

00:16:25,000 --> 00:16:30,000

The new buildings would withstand the heat from jet fuel or super thermite.

251

00:16:30,000 --> 00:16:34,000

But the original steel, it was long gone.

252

00:16:34,000 --> 00:16:37,000

Most of it shipped out and recycled.

253

00:16:37,000 --> 00:16:41,000

This crime scene had been destroyed a long time ago.

254

00:16:45,000 --> 00:16:47,000

The end result is this.

255

00:16:47,000 --> 00:16:51,000

The government knowingly has destroyed all the evidence.

256

00:16:51,000 --> 00:16:53,000

Anything that's because they're covering it up.

257

00:16:53,000 --> 00:16:54,000

Why else?

258

00:16:54,000 --> 00:16:59,000

Give me an example of why they would change basic police investigation.

259

00:16:59,000 --> 00:17:06,000

The logic is that people didn't want to have to look at that ice or remind themselves of what happened on that day.

260

00:17:06,000 --> 00:17:07,000

I'll give that to you.

261

00:17:07,000 --> 00:17:09,000

But then why did it all have to be destroyed?

262

00:17:09,000 --> 00:17:14,000

Couldn't they have removed it and taken it to another spot so that then it could be investigated?

263

00:17:14,000 --> 00:17:15,000

No.

264

00:17:15,000 --> 00:17:25,000

The main focus going on that day was to get rid of every shred of evidence, melt it down, build navy ships out of it, ship it off to China.

265

00:17:25,000 --> 00:17:29,000

Anything they could do with the remains out there, they did it.

266

00:17:29,000 --> 00:17:32,000

It would have taken a mere two to three hours to check for demolition.

267

00:17:33,000 --> 00:17:39,000

The visit to Lower Manhattan does pay off when Jesse Ventura meets a Ground Zero rescue worker.

268

00:17:39,000 --> 00:17:43,000

Mike Ballone says he witnessed a 9-11 cover-up.

269

00:17:43,000 --> 00:17:47,000

The recovery of the black box flight recorders from the attack jetliners.

270

00:17:47,000 --> 00:17:51,000

The 9-11 commission report says the boxes were never found.

271

00:17:51,000 --> 00:17:55,000

Jesse arranges to meet with Ballone away from the scene.

272

00:17:55,000 --> 00:18:00,000

To my knowledge, they've never, ever not been able to find the black boxes before.

273

00:18:00,000 --> 00:18:02,000

They're supposedly pretty much indestructible.

274

00:18:02,000 --> 00:18:10,000

Now if they went through the debris to the point where they could find small bone fragments, DNA tested, match it up to victims,

275

00:18:10,000 --> 00:18:18,000

how could they miss these big yellow striped boxes that everyone and their uncle would be looking for?

276

00:18:18,000 --> 00:18:22,000

Jesse and his team arrive at Mike Ballone's home in upstate New York.

277

00:18:22,000 --> 00:18:25,000

Ballone was a volunteer at Ground Zero.

278

00:18:25,000 --> 00:18:30,000

He did recovery and rescue work for 257 straight days.

279

00:18:30,000 --> 00:18:35,000

On one of those days, he says he witnessed something he wasn't supposed to see.

280

00:18:35,000 --> 00:18:40,000

From the very day that 9-11 happened, you were there every day.

281

00:18:40,000 --> 00:18:47,000

And you were there the day that you saw the black boxes at some point.

282

00:18:47,000 --> 00:18:49,000

Was it nighttime that that happened?

283

00:18:49,000 --> 00:18:50,000

Yes.

284

00:18:50,000 --> 00:18:51,000

It was nighttime.

285

00:18:51,000 --> 00:18:54,000

So at how many days in would you have any idea?

286

00:18:54,000 --> 00:18:58,000

I would say in the September to the beginning of October.

287

00:18:58,000 --> 00:19:00,000

So literally three to four weeks.

288

00:19:00,000 --> 00:19:06,000

Three to four weeks after the collapse, the particular night you're there working and take us through.

289

00:19:06,000 --> 00:19:08,000

What happened that night?

290

00:19:08,000 --> 00:19:10,000

The night of the black boxes.

291

00:19:10,000 --> 00:19:19,000

Nick, who was the other ATV man, the FBI was loading all their teleponders and all their fancy equipment

292

00:19:19,000 --> 00:19:21,000

onto the back of his rig.

293

00:19:21,000 --> 00:19:24,000

And these are the things that will locate the black box?

294

00:19:24,000 --> 00:19:25,000

Yes.

295

00:19:25,000 --> 00:19:27,000

These are the type of devices that will locate us?

296

00:19:27,000 --> 00:19:35,000

He was to escort these FBI agents into the area so they can look for the boxes.

297

00:19:35,000 --> 00:19:41,000

They had found one that I know of that I actually physically saw.

298

00:19:41,000 --> 00:19:46,000

And when he was finished, he came back and told me that they had found two more.

299

00:19:46,000 --> 00:19:48,000

You actually saw one?

300

00:19:48,000 --> 00:19:50,000

I actually physically saw one.

301

00:19:50,000 --> 00:19:53,000

Nick told you that they found two more for a total of three of the four?

302

00:19:53,000 --> 00:19:54,000

Yes.

303

00:19:54,000 --> 00:19:55,000

Okay.

304

00:19:55,000 --> 00:19:59,000

And the FBI looked pretty happy about it.

305

00:19:59,000 --> 00:20:03,000

And that was the list they saw of it.

306

00:20:03,000 --> 00:20:09,000

What was your response when the 9-11 commission that they said that no black boxes were found?

307

00:20:09,000 --> 00:20:16,000

Because their official position is that there were no black boxes discovered at the trade centers.

308

00:20:16,000 --> 00:20:17,000

None of the four.

309

00:20:17,000 --> 00:20:21,000

I started getting a lot of phone calls from a lot of different people.

310

00:20:21,000 --> 00:20:22,000

Like?

311

00:20:22,000 --> 00:20:28,000

I had a visit from an FBI agent that said I shouldn't discuss the matter and I asked him why.

312

00:20:28,000 --> 00:20:34,000

And he says, well, it's just something that we really shouldn't discuss right now.

313

00:20:34,000 --> 00:20:36,000

You really shouldn't talk about it.

314

00:20:36,000 --> 00:20:38,000

You guys know what we saw.

315

00:20:38,000 --> 00:20:40,000

Yeah, we know what we saw. We know what we did.

316

00:20:40,000 --> 00:20:43,000

What would cause Mike Ballone to tell a lie?

317

00:20:43,000 --> 00:20:46,000

I don't think he is lying. I think that that's exactly what happened.

318

00:20:46,000 --> 00:20:49,000

This is why we've got to pursue this.

319

00:20:49,000 --> 00:20:50,000

We have to.

320

00:20:54,000 --> 00:20:58,000

Still ahead, have the black boxes really been found?

321

00:20:58,000 --> 00:21:02,000

I said, so how many of these boxes did they actually ever find?

322

00:21:02,000 --> 00:21:08,000

And he said, do you want the real answer or the official answer?

323

00:21:08,000 --> 00:21:12,000

Then, Jesse Ventura storms the building where the evidence is hidden.

324

00:21:12,000 --> 00:21:15,000

Get up here!

325

00:21:15,000 --> 00:21:17,000

This is what they don't want me to see.

326

00:21:17,000 --> 00:21:20,000

And later, he confronts the FBI.

327

00:21:20,000 --> 00:21:24,000

Many times the left hand doesn't know what the right hand is doing.

328

00:21:24,000 --> 00:21:25,000

Absolutely.

329

00:21:33,000 --> 00:21:40,000

Jesse Ventura's conspiracy team focuses on the flight recorders from the two jetliners that crashed into the World Trade Towers.

330

00:21:40,000 --> 00:21:47,000

According to the 9-11 Commission, those black boxes and all the crucial information they held were never recovered.

331

00:21:47,000 --> 00:21:52,000

According to ground zero volunteer Mike Ballone, the FBI found at least three.

332

00:21:52,000 --> 00:21:54,000

You actually saw one.

333

00:21:54,000 --> 00:21:56,000

I actually physically saw one.

334

00:21:56,000 --> 00:21:59,000

And Nick told you that they found two more for a total of three of the four.

335

00:21:59,000 --> 00:22:00,000

Yes.

336

00:22:02,000 --> 00:22:05,000

Investigator Alex Piper still has his doubts.

337

00:22:05,000 --> 00:22:08,000

But Ballone's story leads him to Dale Leppard.

338

00:22:08,000 --> 00:22:16,000

Leppard has been a commercial airline pilot for five decades, and he's the expert in aviation accident investigation.

339

00:22:16,000 --> 00:22:24,000

So in your 48 years in the industry, have you ever been to a scene or heard of a scene where the black boxes were not recovered?

340

00:22:24,000 --> 00:22:26,000

No, sir. I've not.

341

00:22:26,000 --> 00:22:27,000

Never once?

342

00:22:27,000 --> 00:22:28,000

Never once, no.

343

00:22:28,000 --> 00:22:33,000

Were you surprised when you heard that none of the four black boxes were found from the World Trade Center site?

344

00:22:33,000 --> 00:22:36,000

Yes, I was. I was quite surprised.

345

00:22:36,000 --> 00:22:41,000

It was a big mess there, let's face it, but these things are very distinctive.

346

00:22:41,000 --> 00:22:44,000

They're bright orange color and they're very easy to see.

347

00:22:44,000 --> 00:22:46,000

What are they built of?

348

00:22:46,000 --> 00:22:49,000

Usually steel or titanium. They're practically indestructible.

349

00:22:49,000 --> 00:22:59,000

They're designed to withstand the temperature of fuel in an aircraft that's burning is about 1100 degrees Celsius, which is about 2000 degrees Fahrenheit.

350

00:22:59,000 --> 00:23:07,000

So the odds of going to an accident scene and not finding these black boxes are almost zero.

351

00:23:09,000 --> 00:23:15,000

The odds get even slimmer after the governor tracks down Dave Lindorf in the Pennsylvania Mountains.

352

00:23:15,000 --> 00:23:22,000

Lindorf is a respected award-winning investigative journalist. He has his own black box story to tell.

353

00:23:22,000 --> 00:23:30,000

I'm talking with one of the people at the NTSA, National Transportation Safety Administration, which is the place that investigates these boxes.

354

00:23:30,000 --> 00:23:34,000

And I said, so how many of these boxes did they actually ever find?

355

00:23:34,000 --> 00:23:39,000

And he said, do you want the real answer or the official answer?

356

00:23:39,000 --> 00:23:42,000

Of course I want the real answer. And he said, well then that has to be off the record.

357

00:23:42,000 --> 00:23:44,000

I said, fine, so what's the deal?

358

00:23:44,000 --> 00:23:48,000

And he said, well, the real answer is we got all four of them.

359

00:23:48,000 --> 00:23:52,000

And that they are now in the possession of the FBI, which took them away from us.

360

00:23:52,000 --> 00:23:58,000

He said, if you want the official answer, call the Public Relations Office at the NTSA and ask them, which I did.

361

00:23:58,000 --> 00:24:00,000

And they said, we never got them.

362

00:24:00,000 --> 00:24:07,000

And I called the FBI and got the official answer too, which is the answer that they gave to the 9-11 Commission, which is that they weren't recovered.

363

00:24:07,000 --> 00:24:12,000

They always find the black boxes. They found the TWA one in the middle of the ocean.

364

00:24:12,000 --> 00:24:20,000

And here they were finding, you know, fingernail-shaving-sized pieces of bone to identify bodies in the World Trade Center.

365

00:24:20,000 --> 00:24:27,000

And they didn't find these four, you know, they're this big, these big orange metal boxes painted orange.

366

00:24:27,000 --> 00:24:29,000

No, it's not possible.

367

00:24:31,000 --> 00:24:36,000

Look, people, these black boxes were made to withstand nearly anything.

368

00:24:36,000 --> 00:24:42,000

Now, you're telling me they can't find them when they went through this debris with a fine-tooth comb?

369

00:24:42,000 --> 00:24:48,000

And you're going to tell me that they wouldn't find these black boxes even if they were charred, burnt, and melted?

370

00:24:48,000 --> 00:24:49,000

Of course they would.

371

00:24:49,000 --> 00:24:51,000

What are the black boxes going to tell us that we don't already know?

372

00:24:51,000 --> 00:24:54,000

The hijackers were in the cockpit and the planes crashed into the buildings.

373

00:24:54,000 --> 00:24:57,000

Alex, are you kidding me? They tell us everything.

374

00:24:57,000 --> 00:25:05,000

They will tell us what the hijackers were saying, who they said it to, were they receiving transmitted instructions from the ground, what language they were speaking in.

375

00:25:05,000 --> 00:25:13,000

It might even go as far as to tell us how these lousy pilots were able to fly commercial airlines into the World Trade Center like they were stunt planes.

376

00:25:13,000 --> 00:25:14,000

Where did they stash them?

377

00:25:14,000 --> 00:25:20,000

Well, a lot of the evidence from 9-11 is stored at a hangar at JFK, hangar 17.

378

00:25:20,000 --> 00:25:24,000

We asked permission to go in and they wouldn't let us in even without our cameras.

379

00:25:24,000 --> 00:25:30,000

And they wonder why there's conspiracy theories. Let's get on this one, people.

380

00:25:31,000 --> 00:25:37,000

Coming up, Jesse Ventura shifts into combat mode for an assault on hangar 17.

381

00:25:37,000 --> 00:25:42,000

An authorized personnel prohibited beyond this point. Let's see if we all get arrested.

382

00:25:44,000 --> 00:25:48,000

Then, the black box mystery takes a wild turn.

383

00:25:48,000 --> 00:25:50,000

Just cut it off.

384

00:25:51,000 --> 00:25:56,000

And later, shocking accusations about who was behind the 9-11 conspiracy.

385

00:25:57,000 --> 00:26:01,000

It was a false flag attack on America by Americans.

386

00:26:11,000 --> 00:26:20,000

Jesse Ventura's conspiracy team has found enough overlooked and hidden reasons to ask even more questions about the events of 9-11.

387

00:26:21,000 --> 00:26:26,000

Now, Jesse is in stealth mode at John F. Kennedy Airport.

388

00:26:26,000 --> 00:26:30,000

This is where much of the remaining evidence from ground zero is stored.

389

00:26:30,000 --> 00:26:35,000

That evidence could hold many answers.

390

00:26:39,000 --> 00:26:42,000

This is the infamous hangar 17.

391

00:26:42,000 --> 00:26:50,000

This is a place where we've contacted on multiple, multiple occasions to go inside and see what they have inside this building.

392

00:26:50,000 --> 00:26:55,000

Because there are remnants from September the 11th in there.

393

00:27:02,000 --> 00:27:06,000

I'd like to see him lift that door so we could see what would be beyond that, maybe.

394

00:27:06,000 --> 00:27:08,000

No access to that.

395

00:27:08,000 --> 00:27:11,000

Get up here! Get up here!

396

00:27:16,000 --> 00:27:23,000

This is what they don't want me to see. We've tried to get in this building. We can't even get in it now. The door's locked.

397

00:27:23,000 --> 00:27:29,000

You can see girders, obviously from the 9-11 site where they tested for super thermite.

398

00:27:29,000 --> 00:27:34,000

I doubt it. Look at all that dust. That's where they'd find it.

399

00:27:35,000 --> 00:27:41,000

Why won't they give us access to this building? What is the reason for it?

400

00:27:41,000 --> 00:27:50,000

There's no way in. The contents of hangar 17 remain sealed. But the investigation has only begun.

401

00:27:50,000 --> 00:27:52,000

Oh, my word!

402

00:27:59,000 --> 00:28:01,000

The only way this works is if it's an inside job.

403

00:28:01,000 --> 00:28:04,000

Isn't that what we're investigating here, Alex?

404

00:28:04,000 --> 00:28:11,000

Do I believe that the government would set out to kill over 3,000 of its own citizens and bring down some of its most iconic landmarks?

405

00:28:11,000 --> 00:28:13,000

No, I don't. You're telling me that you do?

406

00:28:13,000 --> 00:28:20,000

I don't necessarily believe the government did it. But I will tell you who I think mine of.

407

00:28:22,000 --> 00:28:27,000

How many people here know what a false flag operation is? You have any idea?

408

00:28:27,000 --> 00:28:38,000

Okay, what it is basically, it's a lie. It's a deception that the government does in which to get the public to believe something so that they can carry out an agenda.

409

00:28:39,000 --> 00:28:46,000

False flag. A covert operation designed to appear it was carried out by another nation or group.

410

00:28:46,000 --> 00:28:53,000

The biggest one I know of is called Operation Northwoods. And in my opinion, it was clear treason.

411

00:28:53,000 --> 00:29:09,000

And what it was, it was submitted by the head of the Joint Chiefs that the CIA and military would attack certain U.S. cities and they would make it look like Cuba did it, thus to justify and get the public behind an invasion of Cuba.

412

00:29:09,000 --> 00:29:16,000

Now, this never happened because Kennedy wouldn't do it. But it was still placed on the table in 1961.

413

00:29:16,000 --> 00:29:24,000

Now, if you understand that it was on the table in 1961, could it not have been on the table in 2001?

414

00:29:25,000 --> 00:29:36,000

False flag operation? While the governor lays out the possibility, Jun Sarpang meets a former U.S.

Air Force pilot who claims that's exactly what it was.

415

00:29:37,000 --> 00:29:51,000

Jeff Dahlstrom was a lieutenant during the Vietnam era. He was one of 25 former military officers, including a deputy assistant secretary of defense, who joined forces to challenge the official 9-11 report.

416

00:29:51,000 --> 00:30:02,000

It was a false flag attack on America by Americans, coupled with a stand down. In other words, our military was told not to respond.

417

00:30:02,000 --> 00:30:06,000

What proof is there that this was a false flag?

418

00:30:32,000 --> 00:30:41,000

So they had already set it up ahead of time. There was 67 other hijackings or intercepts by the U.S. Air Force for the years prior to this.

419

00:30:41,000 --> 00:30:52,000

And how could we have four airliners on the very same day flying into buildings in our country and not have the military stop them?

420

00:30:53,000 --> 00:31:00,000

The first stage of what the 9-11 attacks did was it created a justification for passing the Patriot Act.

421

00:31:00,000 --> 00:31:06,000

And what did that do? That took away at least half of the original Bill of Rights.

422

00:31:06,000 --> 00:31:16,000

No question that it was a false flag attack. In other words, that we created this in our own country in order to justify going to war, for the bankers to finance the war, etc.

423

00:31:17,000 --> 00:31:23,000

The missing Black Box recorders from the 9-11 jets could show whether government forces were involved in the attack.

424

00:31:23,000 --> 00:31:29,000

They could resolve the false flag issue. And suddenly, they're back in play.

425

00:31:29,000 --> 00:31:38,000

Jesse responds to another call from Mike Ballone. Ballone had said he saw FBI men recover a black box from the ashes.

426

00:31:38,000 --> 00:31:45,000

Now he's promising more. People who've heard the Black Box recordings, they're willing to talk to the governor.

427

00:31:46,000 --> 00:31:50,000

Still ahead, Jesse Ventura gets closer to the Black Box cover-up.

428

00:31:50,000 --> 00:31:57,000

They monitored the phone calls that were coming in from the actual flight.

429

00:31:57,000 --> 00:32:00,000

They know things that are different from the official story.

430

00:32:00,000 --> 00:32:01,000

Yes.

431

00:32:01,000 --> 00:32:05,000

And then, he goes mono-a-mono with the FBI.

432

00:32:05,000 --> 00:32:11,000

Did you do things that have never seen the light of day when you were on the SEAL teams? Of course you did.

433

00:32:17,000 --> 00:32:23,000

Jesse Ventura meets up again with Mike Ballone.

434

00:32:23,000 --> 00:32:30,000

The Ground Zero Rescue worker has promised to lead the governor to people who've heard the missing 9-11 flight recordings.

435

00:32:30,000 --> 00:32:34,000

But the plans hit a snag.

436

00:32:34,000 --> 00:32:36,000

Hey, Mike.

437

00:32:36,000 --> 00:32:38,000

How's it going? Okay.

438

00:32:38,000 --> 00:32:40,000

I'm hanging in there.

439

00:32:40,000 --> 00:32:42,000

So what's happening? I hear we got problems.

440

00:32:43,000 --> 00:32:50,000

Some of my friends from Boston just seem to have a little issue with what we're talking about.

441

00:32:50,000 --> 00:32:54,000

They don't want to participate anymore? They don't want to talk?

442

00:32:54,000 --> 00:32:55,000

Well, they're scared.

443

00:32:55,000 --> 00:32:56,000

They're scared?

444

00:32:56,000 --> 00:32:57,000

They're scared.

445

00:32:57,000 --> 00:33:04,000

Inside the diner, Jesse and his advisor, Michael Braverman, take the situation one step at a time.

446

00:33:04,000 --> 00:33:07,000

Mike, these friends of yours, they all work for the airlines, right?

447

00:33:07,000 --> 00:33:10,000

They were supervisors for Flight 11.

448

00:33:10,000 --> 00:33:12,000

Which is the flight that hit where?

449

00:33:12,000 --> 00:33:21,000

That was the first plane that hit the tower, and they monitored the phone calls that were coming in from the actual flight.

450

00:33:21,000 --> 00:33:25,000

They know things that are different from the official story?

451

00:33:25,000 --> 00:33:28,000

Yes. None of them are with American Airlines anymore.

452

00:33:28,000 --> 00:33:34,000

One of them is running for a life because our house is bugged.

453

00:33:34,000 --> 00:33:37,000

They bugged her vehicle, her cell phone.

454

00:33:37,000 --> 00:33:39,000

She finds bugs wherever she goes.

455

00:33:39,000 --> 00:33:42,000

She finds people following her up until this day.

456

00:33:42,000 --> 00:33:50,000

This is happening because they're trying to frighten this person into not talking about what they know?

457

00:33:50,000 --> 00:33:51,000

Absolutely.

458

00:33:51,000 --> 00:33:55,000

Just like the FBI came to me and said, listen, I don't want you talking about any of this.

459

00:33:55,000 --> 00:33:57,000

Black Fox is nothing.

460

00:33:57,000 --> 00:34:00,000

Don't talk about it anymore, or you'll have a problem.

461

00:34:00,000 --> 00:34:03,000

You're telling me that you're going to be in a black box?

462

00:34:03,000 --> 00:34:06,000

You're telling me that they will not talk to us in silhouette?

463

00:34:06,000 --> 00:34:08,000

They will not talk to us protected?

464

00:34:08,000 --> 00:34:09,000

No.

465

00:34:09,000 --> 00:34:11,000

If we scramble their voice and scramble their voice?

466

00:34:11,000 --> 00:34:13,000

They will all of their voice.

467

00:34:17,000 --> 00:34:19,000

We came all this way.

468

00:34:19,000 --> 00:34:21,000

You can't make them, Mike.

469

00:34:21,000 --> 00:34:22,000

Why not?

470

00:34:22,000 --> 00:34:24,000

Why not?

471

00:34:24,000 --> 00:34:26,000

You can't make them.

472

00:34:26,000 --> 00:34:28,000

Because you'll find them dead.

473

00:34:28,000 --> 00:34:32,000

You know what? Just, can you cut that for a minute? Just cut it off.

474

00:34:32,000 --> 00:34:38,000

The law alone refuses to allow Jesse Ventura to repeat what he tells him about the black boxes.

475

00:34:41,000 --> 00:34:44,000

But the governor wants it all on the record.

476

00:34:44,000 --> 00:34:50,000

Hi, this is Governor Jesse Ventura, sorry to bother you, but I understand that you canceled talking to us.

477

00:34:50,000 --> 00:34:55,000

My only message to you is this, remember, the truth will set you free.

478

00:34:55,000 --> 00:35:01,000

And you really want to live your whole life with the knowledge you have and not pass it on.

479

00:35:01,000 --> 00:35:05,000

We're here for you to talk to you and we're going to keep moving forward.

480

00:35:05,000 --> 00:35:09,000

We're going to keep seeking the truth because we're not going to let this thing go away.

481

00:35:09,000 --> 00:35:11,000

It's not going to disappear.

482

00:35:11,000 --> 00:35:14,000

Trust me, the truth will set you free.

483

00:35:14,000 --> 00:35:15,000

Thank you.

484

00:35:15,000 --> 00:35:20,000

Back in New York City, the governor and braver men hook up with Alex Piper.

485

00:35:20,000 --> 00:35:26,000

Alex's doubts about Belone are not what Jesse Ventura wants to hear after a five-hour drive.

486

00:35:26,000 --> 00:35:33,000

Don't you think it's a little shady that Belone says he has these people and then when we actually go and fly all the way to Syracuse,

487

00:35:33,000 --> 00:35:37,000

he's going to go meet with them all of a sudden? They aren't Virginia or they don't want to hide us?

488

00:35:37,000 --> 00:35:39,000

I do. We've gotten his face about that.

489

00:35:39,000 --> 00:35:46,000

Belone told us unequivocally they're in fear of their lives. Why are people hiding and who would be

threatening them?

490

00:35:46,000 --> 00:35:53,000

Mike Belone says he's been threatened. The guy came up and badged him and the whole thing and told him to stop talking about the black boxes.

491

00:35:54,000 --> 00:35:56,000

Is Mike telling the truth?

492

00:35:56,000 --> 00:35:57,000

So what do we do now?

493

00:35:57,000 --> 00:36:03,000

I think we go to the Department of Justice. I think we go to the FBI and I think I walk in and ask them questions.

494

00:36:03,000 --> 00:36:06,000

You have your wasting your time. The government says there isn't a black box.

495

00:36:06,000 --> 00:36:13,000

Well, I believe Belone. And I want to go to the FBI. I want to go wherever we got to go to find out

about the black boxes.

496

00:36:15,000 --> 00:36:16,000

Take me there.

497

00:36:17,000 --> 00:36:23,000

Coming up, Jesse Ventura confronts the FBI with the 9-11 evidence.

498

00:36:23,000 --> 00:36:30,000

Does the United States government do some things in the dead of night that you did on SEAL teams that we would not want to have discussed?

499

00:36:30,000 --> 00:36:32,000

Of course we did.

500

00:36:33,000 --> 00:36:40,000

And then, an astonishing revelation from the black box flight recorders. Does it confirm a government cover-up?

501

00:36:40,000 --> 00:36:43,000

Mike Belone told us a real mind-blower.

502

00:36:47,000 --> 00:36:54,000

I just want to go on record that this is a really bad idea.

503

00:36:54,000 --> 00:37:03,000

Jesse Ventura was turned away from ground zero, denied entrance at Hangar 17 where crucial evidence is under lock and key.

504

00:37:03,000 --> 00:37:12,000

Yet he and his team have uncovered real clues to a 9-11 conspiracy and he refuses to be stonewalled by the FBI.

505

00:37:12,000 --> 00:37:19,000

We've already asked them to sit down with you. They've said no. Why do you think all of a sudden you're just going to walk into the lobby and they're going to say, yeah, come on up?

506

00:37:19,000 --> 00:37:26,000

Maybe, face to face. I told you before, it's easy to say no over the phone. It's easy to say no on an email.

507

00:37:26,000 --> 00:37:31,000

It's not that easy to say no when someone walks in face to face. I'm going inside.

508

00:37:31,000 --> 00:37:32,000

It's a bad idea.

509

00:37:32,000 --> 00:37:34,000

You can't go in while I'm going in.

510

00:37:35,000 --> 00:37:44,000

The combination of determination and reputation gets results.

511

00:37:44,000 --> 00:37:56,000

Jack Clunin is no public relations man. He's an FBI agent, a counter-terrorism specialist with the New York Bureau, and he played a key role in the 9-11 investigation.

512

00:37:57,000 --> 00:38:04,000

Why was everything shipped away and destroyed before it could be looked at?

513

00:38:04,000 --> 00:38:14,000

They built a ship out of it. I remember Rudy Giuliani bragging 24 hours after the event that they had already gotten 41 truckloads out of there.

514

00:38:14,000 --> 00:38:23,000

The FBI did a meticulous investigation of that crime scene given its enormity.

515

00:38:23,000 --> 00:38:31,000

Jesse cuts to the chase. He reveals Mike Ballone's claim that he saw a black box being recovered by Clunin's FBI colleagues.

516

00:38:31,000 --> 00:38:51,000

He visibly saw one of them. His partner said they've got two more to give three out of the four black boxes, and we've also talked to an airline investigative specialist who says never in the annals of history have they ever found where they couldn't at least find the black boxes.

517

00:38:51,000 --> 00:39:02,000

You guys, everybody at this site went through that debris with such a fine toothed comb. They were finding bone fragments the size of nail clippings and DNA matching it.

518

00:39:02,000 --> 00:39:13,000

Yet we're told the black boxes for the first time in history destroyed, gone, never found them. I'm expected to believe that. You believe that?

519

00:39:13,000 --> 00:39:25,000

Do you think that the FBI could possibly look in the faces of victims, families, and say we're not going to share this information with you?

520

00:39:25,000 --> 00:39:26,000

Then where are they?

521

00:39:26,000 --> 00:39:28,000

I don't know where they are.

522

00:39:28,000 --> 00:39:29,000

First time in history?

523

00:39:29,000 --> 00:39:31,000

So what? So first time is the first time?

524

00:39:31,000 --> 00:39:33,000

Oh, there were so many firsts at 9-11.

525

00:39:33,000 --> 00:39:35,000

There's a first time? There's a first time for everything?

526

00:39:35,000 --> 00:39:43,000

The real structured building fell from fire alone. First time, first, first, first, first. There's so many firsts here.

527

00:39:43,000 --> 00:39:45,000

That's your point of view. I'm telling you.

528

00:39:45,000 --> 00:39:48,000

I'm asking you, we find the boxes.

529

00:39:48,000 --> 00:40:04,000

I'm asking you to not close your mind to this and to listen to what I'm saying. There is no reason for the FBI to lie to you or anybody else in this country about what took place on the morning of 9-11.

530

00:40:04,000 --> 00:40:07,000

Many times the left hand doesn't know what the right hand is doing.

531

00:40:07,000 --> 00:40:08,000

Absolutely.

532

00:40:08,000 --> 00:40:09,000

And that goes on.

533

00:40:09,000 --> 00:40:10,000

And every, every, all the time.

534

00:40:10,000 --> 00:40:11,000

All the time.

535

00:40:11,000 --> 00:40:18,000

All the time. Listen, does the United States government on occasion shade things to protect sources and methods? Of course they do.

536

00:40:18,000 --> 00:40:27,000

Do they do some things in the dead of night that you did on SEAL teams that we would not want to have discussed? Of course we did.

537

00:40:27,000 --> 00:40:35,000

And did you do things that have never seen the light of day when you were on the SEAL teams? Of course you did. That's what I'm here to tell you.

538

00:40:35,000 --> 00:40:37,000

Okay. And you've told me.

539

00:40:41,000 --> 00:40:52,000

Another question is answered when Mike Ballone has a change of heart. He allows the governor to go on the record with the shocking revelations about the 9-11 Black Box Flight Recorders.

540

00:40:57,000 --> 00:41:10,000

Mike Ballone told us a real mind-blower. He said the airline people said the hijackers were in the cockpit of American Airlines while it was still on the runway before it even took off.

541

00:41:10,000 --> 00:41:11,000

What?

542

00:41:11,000 --> 00:41:19,000

Ballone says that somebody on the ground knew hijacker was in the cockpit and somebody else on the ground let that plane take off.

543

00:41:19,000 --> 00:41:27,000

Whatever the reasons they let the plane take off, I think we now know why they don't want to discover the Black Boxes.

544

00:41:27,000 --> 00:41:43,000

The Black Boxes would reveal if the hijackers were speaking English and if the government knew they were at the controls before the jetliners took off, we'd know they'd have had even more time to scramble fighter jets to intercept them.

545

00:41:43,000 --> 00:41:46,000

They didn't. And who'd gain from that?

546

00:41:49,000 --> 00:41:54,000

The Black Boxes

547

00:41:57,000 --> 00:42:10,000

Every government official we talk to refers us back to the 9-11 report. Well, I've read the 9-11 report and there's nothing in it that talks about the explosion below that William Rodriguez told us about.

548

00:42:10,000 --> 00:42:18,000

There's nothing in the 9-11 report that talks about the thermite discovered in the dust that Professor Jones told us about.

549

00:42:18,000 --> 00:42:27,000

And it certainly doesn't explain why our air defense was in a stand-down mode while all hell was breaking loose in our airspace.

550

00:42:27,000 --> 00:42:36,000

And finally, where are the eyewitness testimonies? People like Mike Ballone who swear they found the Black Boxes at Ground Zero.

551

00:42:36,000 --> 00:42:47,000

And where are those Black Boxes now? Are they being hidden? Because they might tell us that the hijackers were in the cockpit of American Airlines before it even took off.

552

00:42:47,000 --> 00:42:56,000

These are the facts as we found them. But I'm more convinced than ever that the real story of 9-11 is lying in some government vault somewhere.

553

00:42:56,000 --> 00:43:00,000

I'm Jesse Ventura and this is Conspiracy Theory.

554

00:43:07,000 --> 00:43:11,000

I'm not sure if you can see this, but I'm not sure if you can see this.

555

00:43:11,000 --> 00:43:16,000

I'm not sure if you can see this, but I'm not sure if you can see this, but I'm not sure if you can see this.

556

00:43:16,000 --> 00:43:21,000

I'm not sure if you can see this, but I'm not sure if you can see this, but I'm not sure if you can see this.

557

00:43:21,000 --> 00:43:26,000

I'm not sure if you can see this, but I'm not sure if you can see this, but I'm not sure if you can see this.
