

1

00:00:00,000 --> 00:00:07,000

Hidden power, secrets, cover-ups, corruption.

2

00:00:07,000 --> 00:00:12,000

You think you know the whole story?

3

00:00:12,000 --> 00:00:15,000

Think again.

4

00:00:15,000 --> 00:00:22,000

I've been governor, a Navy SEAL, a fighter.

5

00:00:22,000 --> 00:00:25,000

I've heard things that'll blow your mind,

6

00:00:25,000 --> 00:00:29,000

and now I think it's time you get the whole story.

7

00:00:29,000 --> 00:00:34,000

Now, you guys are telling me that humans turn into lizards?

8

00:00:34,000 --> 00:00:38,000

Jesse Ventura takes on a conspiracy from another dimension.

9

00:00:38,000 --> 00:00:40,000

I come from the world of pro-wrestling.

10

00:00:40,000 --> 00:00:45,000

I've seen it all, and I've never seen any six-foot-tall

11

00:00:45,000 --> 00:00:47,000

walking on two legs lizard.

12

00:00:47,000 --> 00:00:49,000

Can it be true?

13

00:00:49,000 --> 00:00:53,000

They came to Earth and interbred with humans.

14

00:00:53,000 --> 00:00:56,000

Are some world leaders, whoa, what the hell,

15

00:00:56,000 --> 00:00:59,000

shapeshifting reptiles from another dimension?

16

00:00:59,000 --> 00:01:01,000

This is Obama.

17

00:01:01,000 --> 00:01:05,000

Jesse and his team head out to find the facts behind the mystery.

18

00:01:05,000 --> 00:01:07,000

Reptilians occupy under the ground.

19

00:01:07,000 --> 00:01:09,000

We occupy above the ground.

20

00:01:09,000 --> 00:01:11,000

They meet the hunters.

21

00:01:11,000 --> 00:01:12,000

This goes to a base.

22

00:01:12,000 --> 00:01:14,000

They raid the lair.

23

00:01:14,000 --> 00:01:15,000

I don't want to go...

24

00:01:15,000 --> 00:01:17,000

Oh, my God.

25

00:01:17,000 --> 00:01:19,000

They witness the transformation.

26

00:01:19,000 --> 00:01:21,000

Is she a kiss?

27

00:01:21,000 --> 00:01:23,000

To tell you that she came.

28

00:01:23,000 --> 00:01:25,000

Her eyes seem to have, like, slits.

29

00:01:25,000 --> 00:01:27,000

They're jumping down like a reptile.

30

00:01:27,000 --> 00:01:30,000

They come out with guns blazing.

31

00:01:30,000 --> 00:01:34,000

And Jesse confronts the man who's done more than anyone

32

00:01:34,000 --> 00:01:36,000

to spread this bizarre theory.

33

00:01:36,000 --> 00:01:39,000

I would go right to the head of the snake

34

00:01:39,000 --> 00:01:41,000

and say, hey, put up or shut up.

35

00:01:41,000 --> 00:01:44,000

Jesse lays it all on the line.

36

00:01:44,000 --> 00:01:46,000

Little more rapid now, Sean.

37

00:01:46,000 --> 00:01:48,000

We've got reptilian charging.

38

00:01:48,000 --> 00:01:51,000

As he exposes, I want to blow the lid off this thing.

39

00:01:51,000 --> 00:01:54,000

The reptilian conspiracine.

40

00:01:54,000 --> 00:01:58,000

I'm Jesse Ventura, a Mrs. Conspiracy Theory.

41

00:01:58,000 --> 00:02:02,000

MUSIC

42

00:02:02,000 --> 00:02:04,000

Hey, guy.

43

00:02:04,000 --> 00:02:07,000

Jesse Ventura's latest investigation

44

00:02:07,000 --> 00:02:10,000

has led to a very strange encounter.

45

00:02:10,000 --> 00:02:13,000

A meeting with a woman who claims to be part human

46

00:02:13,000 --> 00:02:16,000

and part reptile.

47

00:02:16,000 --> 00:02:18,000

We've seen shape-shifting on TV.

48

00:02:18,000 --> 00:02:20,000

Has that happened to you?

49

00:02:20,000 --> 00:02:21,000

Yes.

50

00:02:21,000 --> 00:02:24,000

When I was in bed sleeping, my partner woke up

51

00:02:24,000 --> 00:02:30,000

and turned over and saw this huge reptilian laying next to her.

52

00:02:30,000 --> 00:02:35,000

Yeah, I've seen a lot in my life, but this takes the cake.

53

00:02:37,000 --> 00:02:39,000

It's a sign of me that I can't control.

54

00:02:39,000 --> 00:02:41,000

It's far out all right,

55

00:02:41,000 --> 00:02:44,000

especially when she starts speaking reptilian.

56

00:02:44,000 --> 00:02:46,000

Yes.

57

00:02:46,000 --> 00:02:47,000

Yes.

58

00:02:47,000 --> 00:02:48,000

I am so gay.

59

00:02:48,000 --> 00:02:49,000

Gay.

60

00:02:49,000 --> 00:02:52,000

Even weirder when she appears to transform.

61

00:02:52,000 --> 00:02:59,000

MUSIC

62

00:02:59,000 --> 00:03:01,000

I saw her eye shift.

63

00:03:01,000 --> 00:03:03,000

Did you see her eye shift?

64

00:03:03,000 --> 00:03:06,000

We're just saying that we should look into this.

65

00:03:06,000 --> 00:03:07,000

It's important.

66

00:03:07,000 --> 00:03:10,000

So many people, I get phone calls, I get messages begging us.

67

00:03:10,000 --> 00:03:11,000

Are they nuts?

68

00:03:11,000 --> 00:03:15,000

You know, when I added a couple of young guys to the team,

69

00:03:15,000 --> 00:03:18,000

I should have expected they'd start trying to sell me

70

00:03:18,000 --> 00:03:20,000

on some crazy stuff.

71

00:03:20,000 --> 00:03:22,000

You guys got to be kidding me.

72

00:03:22,000 --> 00:03:26,000

After all, Sean Stone is Oliver Stone's kid

73

00:03:26,000 --> 00:03:29,000

and the apple doesn't fall far from the tree.

74

00:03:29,000 --> 00:03:32,000

Tyrell Ventura is my son.

75

00:03:32,000 --> 00:03:34,000

Maybe I taught him too well.

76

00:03:34,000 --> 00:03:38,000

You guys are telling me that humans turn into lizards?

77

00:03:38,000 --> 00:03:41,000

There are shapeshifters that have been recorded throughout history.

78

00:03:41,000 --> 00:03:42,000

Sean, you forget, man.

79

00:03:42,000 --> 00:03:45,000

I come from the world of pro wrestling.

80

00:03:45,000 --> 00:03:47,000

I've never seen it all.

81

00:03:47,000 --> 00:03:50,000

And I've never seen anybody some six-foot tall

82

00:03:50,000 --> 00:03:52,000

walking on two legs lizard.

83

00:03:52,000 --> 00:03:53,000

Yeah, you did.

84

00:03:53,000 --> 00:03:55,000

He saw it in a Predator movie.

85

00:03:55,000 --> 00:03:56,000

That was a movie.

86

00:03:56,000 --> 00:03:57,000

It was a fictional script.

87

00:03:57,000 --> 00:03:58,000

Science fiction.

88

00:03:58,000 --> 00:04:00,000

It was JFK, but the point is,

89

00:04:00,000 --> 00:04:02,000

what if someone took a real situation

90

00:04:02,000 --> 00:04:04,000

and put it into a fictional term

91

00:04:04,000 --> 00:04:06,000

so people could have digested it more readily?

92

00:04:06,000 --> 00:04:07,000

Maybe they wouldn't believe it.

93

00:04:07,000 --> 00:04:08,000

So if we tell them this is true,

94

00:04:08,000 --> 00:04:10,000

they'll say, oh, it's like that movie I saw.

95

00:04:10,000 --> 00:04:12,000

Millions of people around the world believe

96

00:04:12,000 --> 00:04:14,000

that the reptilian elite are controlling

97

00:04:14,000 --> 00:04:16,000

and pulling the strings of everything,

98

00:04:16,000 --> 00:04:18,000

that our elected leaders are reptilian.

99

00:04:18,000 --> 00:04:20,000

To me, that's worth looking into.

100

00:04:20,000 --> 00:04:22,000

Can you believe these guys

101

00:04:22,000 --> 00:04:24,000

actually trying to convince me

102

00:04:24,000 --> 00:04:27,000

that some world leaders are shapeshifting reptiles

103

00:04:27,000 --> 00:04:29,000

from another dimension?

104

00:04:29,000 --> 00:04:33,000

That they're hiding reptilian armies in underground bases

105

00:04:33,000 --> 00:04:35,000

ready to come out and kill us all?

106

00:04:35,000 --> 00:04:36,000

It's nuts.

107

00:04:36,000 --> 00:04:38,000

Where's my credibility?

108

00:04:38,000 --> 00:04:40,000

I'm gonna run around the country.

109

00:04:40,000 --> 00:04:42,000

Okay, okay. Credibility? Do you want credibility?

110

00:04:42,000 --> 00:04:43,000

Look at this. Look at this.

111

00:04:43,000 --> 00:04:44,000

Here's credibility.

112

00:04:44,000 --> 00:04:47,000

Time Magazine, top 10 conspiracies in the world

113

00:04:47,000 --> 00:04:48,000

that most people believe in.

114

00:04:48,000 --> 00:04:49,000

Right here, Time Magazine.

115

00:04:49,000 --> 00:04:50,000

Look down the list.

116

00:04:50,000 --> 00:04:53,000

JFK assassination, 9-11, area 51.

117

00:04:53,000 --> 00:04:56,000

Right here, the reptilian elite, the reptilian agenda.

118

00:04:56,000 --> 00:04:59,000

Millions of people around the world believe in this.

119

00:04:59,000 --> 00:05:02,000

Now, that much is true.

120

00:05:02,000 --> 00:05:05,000

Time Magazine does put it in the top 10.

121

00:05:05,000 --> 00:05:07,000

But you ask me,

122

00:05:07,000 --> 00:05:11,000

it makes all us conspiracy theorists look nuts.

123

00:05:11,000 --> 00:05:13,000

Look, I don't even believe it.

124

00:05:13,000 --> 00:05:15,000

But we gotta see if it's true or not.

125

00:05:15,000 --> 00:05:17,000

Okay, I'll tell you what.

126

00:05:17,000 --> 00:05:19,000

We'll investigate this thing.

127

00:05:19,000 --> 00:05:20,000

We'll go forward on it,

128

00:05:20,000 --> 00:05:22,000

because I want to blow the lid off this thing.

129

00:05:22,000 --> 00:05:24,000

And if it's not true,

130

00:05:24,000 --> 00:05:26,000

I'm not only gonna blow the lid off this,

131

00:05:26,000 --> 00:05:28,000

I'm gonna blow the lid off you two.

132

00:05:30,000 --> 00:05:32,000

Lizard people.

133

00:05:32,000 --> 00:05:35,000

Jesse's not leaving it to the new kids on the block.

134

00:05:35,000 --> 00:05:37,000

He finds himself an expert.

135

00:05:37,000 --> 00:05:41,000

Someone who can put this reptilian talk into perspective.

136

00:05:41,000 --> 00:05:44,000

Yeah, I meet her in a cave.

137

00:05:44,000 --> 00:05:48,000

If this reptilian talk is real, this is where they live.

138

00:05:48,000 --> 00:05:50,000

Tracy Twyman?

139

00:05:50,000 --> 00:05:53,000

Tracy Twyman looks to be pretty nervous.

140

00:05:53,000 --> 00:05:56,000

Maybe she should be.

141

00:05:56,000 --> 00:05:58,000

I mean, this is bizarre to me.

142

00:05:58,000 --> 00:06:00,000

I gotta be honest with you.

143

00:06:00,000 --> 00:06:02,000

And those sunglasses,

144

00:06:02,000 --> 00:06:05,000

maybe she's hiding her lizard eyes.

145

00:06:05,000 --> 00:06:07,000

My two young investigators came to me

146

00:06:07,000 --> 00:06:09,000

with this reptilian stuff.

147

00:06:09,000 --> 00:06:11,000

Lizard people running around the country.

148

00:06:11,000 --> 00:06:14,000

I gotta tell you, I'm a bit of a skeptic.

149

00:06:14,000 --> 00:06:16,000

I mean, I've been on this planet 60 years now.

150

00:06:16,000 --> 00:06:18,000

I've been to all 50 states,

151

00:06:18,000 --> 00:06:22,000

and I ain't never seen no lizard person in my 60 years on the planet.

152

00:06:22,000 --> 00:06:24,000

Am I crazy?

153

00:06:24,000 --> 00:06:26,000

No, you're not crazy.

154

00:06:26,000 --> 00:06:28,000

Of course, you don't see them running around.

155

00:06:28,000 --> 00:06:32,000

It has to do with all of the royal bloodlines in the world, basically.

156

00:06:32,000 --> 00:06:34,000

But let's just talk about Europe, for instance.

157

00:06:34,000 --> 00:06:36,000

They're all interrelated.

158

00:06:36,000 --> 00:06:39,000

And this is a reptilian bloodline?

159

00:06:39,000 --> 00:06:40,000

Yes.

160

00:06:40,000 --> 00:06:41,000

Right.

161

00:06:41,000 --> 00:06:44,000

Reptiles breeding with humans.

162

00:06:44,000 --> 00:06:47,000

Way back in 8,000 BC,

163

00:06:47,000 --> 00:06:50,000

the Sumerians artwork depicted it.

164

00:06:50,000 --> 00:06:55,000

Hey, those pictures they carved sure do look like spaceman.

165

00:06:55,000 --> 00:06:58,000

Maybe that's when all this interbreeding began.

166

00:06:58,000 --> 00:07:01,000

You can actually trace the king or queen of England

167

00:07:01,000 --> 00:07:05,000

all the way back to the kings of ancient Sumeria.

168

00:07:05,000 --> 00:07:09,000

And the kings of ancient Sumeria were set to be reptile gods, the Anunnaki.

169

00:07:09,000 --> 00:07:15,000

They came to Earth and interbred with humans to create a royal line.

170

00:07:15,000 --> 00:07:18,000

And that's the origin of kingship.

171

00:07:18,000 --> 00:07:20,000

This is bizarre stuff.

172

00:07:20,000 --> 00:07:24,000

You'll never get this in history class at public school, will you?

173

00:07:24,000 --> 00:07:25,000

No, not at all.

174

00:07:25,000 --> 00:07:30,000

It's very little known, but when you talk to people who are connected to these families,

175

00:07:30,000 --> 00:07:32,000

it's not a secret to them.

176

00:07:32,000 --> 00:07:36,000

While Jesse is getting the history lesson, he never got in school.

177

00:07:36,000 --> 00:07:42,000

Tyrell is learning how millions of people are being schooled in the reptilian theory.

178

00:07:42,000 --> 00:07:44,000

Come on in, I got some stuff.

179

00:07:44,000 --> 00:07:46,000

Okay, pass on the show.

180

00:07:46,000 --> 00:07:51,000

YouTube has opened a huge avenue for people to investigate the phenomenon,

181

00:07:51,000 --> 00:07:54,000

such as reptilians, UFOs, ghosts, everything else.

182

00:07:54,000 --> 00:07:58,000

Jose Esquimia is a video effects expert.

183

00:07:58,000 --> 00:08:05,000

And it's videos on the internet that supposedly reveal reptilians disguised as prominent people.

184

00:08:05,000 --> 00:08:11,000

In fact, if you go to do a YouTube search, you'll probably find about 40 or 50 pages.

185

00:08:11,000 --> 00:08:13,000

What types of people are generally on these videos?

186

00:08:13,000 --> 00:08:18,000

Mostly politicians, presidents, world leaders, and some celebrities too.

187

00:08:18,000 --> 00:08:20,000

This is the queen of England.

188

00:08:20,000 --> 00:08:26,000

Her eyes are starting to twitch and really turn weird, and then they have this split effect.

189

00:08:26,000 --> 00:08:30,000

And that's why people are saying she's a reptilian or a reptoid.

190

00:08:30,000 --> 00:08:32,000

Watch closely.

191

00:08:32,000 --> 00:08:34,000

Look at the eyes.

192

00:08:36,000 --> 00:08:39,000

This is what's called shape-shifting.

193

00:08:39,000 --> 00:08:42,000

Reptilians supposedly revealing their original form.

194

00:08:42,000 --> 00:08:47,000

We can't see it in real time, but the camera can pick it up.

195

00:08:47,000 --> 00:08:52,000

You know, that looks to me just like lighting, and then the bad quality footage, bad quality camera.

196

00:08:52,000 --> 00:08:54,000

It's not video distortion.

197

00:08:56,000 --> 00:09:01,000

This reptilian bloodline you talk about, how do they manage to keep it pure?

198

00:09:01,000 --> 00:09:03,000

Well, they haven't, in fact.

199

00:09:03,000 --> 00:09:08,000

The reason why people in positions of power today look like normal humans and basically act like normal humans

200

00:09:08,000 --> 00:09:12,000

is because they have inner bread over and over again.

201

00:09:12,000 --> 00:09:16,000

I've heard this rumor that our presidents come from this bloodline.

202

00:09:16,000 --> 00:09:18,000

That is absolutely true.

203

00:09:18,000 --> 00:09:24,000

Here's one of the ones that I, even myself, I have to say, I don't know about this one.

204

00:09:24,000 --> 00:09:25,000

Really? Okay.

205

00:09:25,000 --> 00:09:27,000

This is Obama.

206

00:09:28,000 --> 00:09:30,000

Oh, okay, what the hell?

207

00:09:31,000 --> 00:09:38,000

Still ahead, Barack Obama, George Bush, Bill Clinton, they all come from this one bloodline?

208

00:09:38,000 --> 00:09:40,000

That's the most bizarre thing I've ever seen.

209

00:09:40,000 --> 00:09:44,000

A mysterious death many people believe that she was murdered.

210

00:09:44,000 --> 00:09:47,000

Exposes a reptilian cover-up.

211

00:09:47,000 --> 00:09:50,000

The agenda is to kill 85% of the population.

212

00:09:50,000 --> 00:09:53,000

Then a bizarre channeling session.

213

00:09:53,000 --> 00:09:54,000

A shoo-patter.

214

00:09:54,000 --> 00:09:56,000

A reptilian speaks.

215

00:09:57,000 --> 00:09:58,000

He's a pig.

216

00:09:59,000 --> 00:10:00,000

A meal.

217

00:10:00,000 --> 00:10:05,000

And later, Jesse and his team go reptile hunting.

218

00:10:05,000 --> 00:10:10,000

If these reptilians are real, what do you think we need to knock them down?

219

00:10:15,000 --> 00:10:17,000

The reptilian is a real man.

220

00:10:19,000 --> 00:10:22,000

Reptilians masquerading as world leaders.

221

00:10:23,000 --> 00:10:28,000

Plotting to enslave, maybe kill off the human population.

222

00:10:28,000 --> 00:10:34,000

Jesse Ventura is closing in on a conspiracy that's too urgent to ignore.

223

00:10:35,000 --> 00:10:39,000

This is bizarre stuff, to say the least.

224

00:10:39,000 --> 00:10:41,000

Talking about reptilians.

225

00:10:41,000 --> 00:10:44,000

The reptilian itself is so far-fetched to me.

226

00:10:44,000 --> 00:10:47,000

This is like the biggest fantasy you could write about.

227

00:10:47,000 --> 00:10:51,000

And yet you're here with a straight face telling me it's real.

228

00:10:51,000 --> 00:10:53,000

I'm telling you that it's real.

229

00:10:53,000 --> 00:10:58,000

These reptilian people and positions of power are literally coming from another dimension.

230

00:10:59,000 --> 00:11:01,000

Jesse doesn't buy it.

231

00:11:01,000 --> 00:11:09,000

But he's thrown for a loop when an alternative historian claims that U.S. presidents come from a reptilian bloodline.

232

00:11:10,000 --> 00:11:16,000

Barack Obama, George Bush, Bill Clinton, they all come from this one bloodline?

233

00:11:16,000 --> 00:11:17,000

That is absolutely true.

234

00:11:17,000 --> 00:11:22,000

That's coming from Burke's Purge, which is the premier genealogical research firm in the world.

235

00:11:22,000 --> 00:11:26,000

Burke's Purge is the definitive guide to royal family trees.

236

00:11:27,000 --> 00:11:33,000

Its research shows that nearly every U.S. president has ties to British and French royal families.

237

00:11:34,000 --> 00:11:35,000

You can call them reptilians.

238

00:11:36,000 --> 00:11:39,000

Sure, some are connected through distant cousins.

239

00:11:40,000 --> 00:11:43,000

But what does it matter if our leaders are actually reptilians?

240

00:11:45,000 --> 00:11:48,000

In the big picture, we're hearing about global government today.

241

00:11:48,000 --> 00:11:58,000

And obviously, if all our hierarchy are reptilian, wouldn't this then be a global reptilian takeover of the Earth?

242

00:11:58,000 --> 00:11:59,000

Is that accurate?

243

00:11:59,000 --> 00:12:01,000

It is accurate.

244

00:12:01,000 --> 00:12:03,000

And there is a new world order forming.

245

00:12:03,000 --> 00:12:09,000

And we know that people from this bloodline are the ones in positions of power.

246

00:12:09,000 --> 00:12:16,000

So it only makes sense that if there's going to be a global government in the future, it will be ruled by one of these reptilians.

247

00:12:16,000 --> 00:12:18,000

Reptilians, correct?

248

00:12:18,000 --> 00:12:19,000

Yes.

249

00:12:20,000 --> 00:12:25,000

Meanwhile, video debunker Jose Escamilla shows Tyrell more internet clips.

250

00:12:26,000 --> 00:12:31,000

Ones that spread the theory that world leaders are reptilians in disguise.

251

00:12:32,000 --> 00:12:33,000

This is Obama.

252

00:12:34,000 --> 00:12:41,000

Like this video of President Barack Obama, when it slowed down, you could see scales on his face.

253

00:12:41,000 --> 00:12:44,000

A shift to lizard-like eyes.

254

00:12:45,000 --> 00:12:46,000

Bazaar.

255

00:12:46,000 --> 00:12:47,000

Whoa, okay, what the hell?

256

00:12:48,000 --> 00:12:49,000

This is pretty bizarre.

257

00:12:49,000 --> 00:12:51,000

First, don't do it with a lizard tongue.

258

00:12:51,000 --> 00:12:52,000

I mean, yeah.

259

00:12:53,000 --> 00:12:55,000

Anyone can kind of do that.

260

00:12:58,000 --> 00:13:02,000

Escamilla admits that 98% of the stuff on the web is fake.

261

00:13:02,000 --> 00:13:04,000

But what's left?

262

00:13:04,000 --> 00:13:06,000

That's what he can't explain.

263

00:13:08,000 --> 00:13:13,000

Here's one of the ones that I, even myself, I have to say, I don't know about this.

264

00:13:13,000 --> 00:13:14,000

Really?

265

00:13:14,000 --> 00:13:15,000

Okay.

266

00:13:16,000 --> 00:13:17,000

Here we have good old Hillary.

267

00:13:17,000 --> 00:13:18,000

Okay.

268

00:13:18,000 --> 00:13:20,000

But there's things that start happening here.

269

00:13:21,000 --> 00:13:26,000

If only for a flash, it seems the reptilian beneath her skin is exposed.

270

00:13:27,000 --> 00:13:29,000

That's the most bizarre thing I've ever seen.

271

00:13:31,000 --> 00:13:33,000

The revelations keep coming.

272

00:13:34,000 --> 00:13:41,000

Investigator June Sarpong finds the latest from radio host and conspiracy researcher Clyde Lewis.

273

00:13:41,000 --> 00:13:43,000

I'm investigating the case of Susan Rape.

274

00:13:43,000 --> 00:13:44,000

Her real name is Jenny Gossbell.

275

00:13:44,000 --> 00:13:46,000

She wrote the book The Body Snatchers.

276

00:13:46,000 --> 00:13:53,000

The Body Snatchers is the story of the author's alleged affair with a reptilian disguised in a human body.

277

00:13:53,000 --> 00:13:59,000

She was hoping she could get the word out about the agenda of the reptilian rights.

278

00:13:59,000 --> 00:14:00,000

The agenda?

279

00:14:00,000 --> 00:14:03,000

So what is the reptilian agenda?

280

00:14:03,000 --> 00:14:07,000

The answer is nothing, June, or anyone would expect.

281

00:14:07,000 --> 00:14:12,000

The agenda is to colonize and also kill 85% of the population.

282

00:14:12,000 --> 00:14:13,000

85%?

283

00:14:13,000 --> 00:14:14,000

Yes.

284

00:14:14,000 --> 00:14:18,000

They're here to take up all of our resources and possess as many people as they can.

285

00:14:18,000 --> 00:14:21,000

This is what she was trying to get out there to try and stop it.

286

00:14:21,000 --> 00:14:22,000

So what happened to her?

287

00:14:22,000 --> 00:14:26,000

Well, many times in the book she said that someone was out to murder her.

288

00:14:26,000 --> 00:14:30,000

And sure enough, she was found dead behind her place in the Bahamas.

289

00:14:30,000 --> 00:14:32,000

She was found drowned.

290

00:14:32,000 --> 00:14:35,000

Susan Reed was known to be a strong swimmer.

291

00:14:36,000 --> 00:14:39,000

Her body was found floating in warm, calm waters.

292

00:14:40,000 --> 00:14:42,000

There were multiple lacerations.

293

00:14:42,000 --> 00:14:46,000

Severe bruising and a gash to the forehead.

294

00:14:46,000 --> 00:14:50,000

Oddly, police ruled out foul play.

295

00:14:51,000 --> 00:14:55,000

Many people believe, including her own mother, that she was murdered.

296

00:14:55,000 --> 00:14:57,000

Was anyone ever charged?

297

00:14:57,000 --> 00:14:58,000

Not that I know of.

298

00:14:58,000 --> 00:15:01,000

So who would have wanted Susan Reed dead?

299

00:15:01,000 --> 00:15:05,000

Well, there were people that were out to get her because she was trying to talk about the alien agenda.

300

00:15:05,000 --> 00:15:09,000

So those people pushing the alien agenda are responsible for her death.

301

00:15:10,000 --> 00:15:15,000

This book was released and shortly thereafter she's found dead in the water.

302

00:15:15,000 --> 00:15:16,000

Yeah, in the Bahamas.

303

00:15:16,000 --> 00:15:21,000

Was it the reptilian order or the people who are pushing the reptilian conspiracy that killed her?

304

00:15:21,000 --> 00:15:26,000

They believe that there is a reptilian order who do not want this information coming out.

305

00:15:26,000 --> 00:15:34,000

Well, hey, as crazy as it is, we should investigate this to prove it otherwise, if for one thing.

306

00:15:34,000 --> 00:15:38,000

If it is a bunch of bull, then let's expose it for what it is.

307

00:15:38,000 --> 00:15:42,000

When we're dealing with this universe, we're dealing outside of our three-dimensional reality here.

308

00:15:42,000 --> 00:15:44,000

And it's very difficult to prove it.

309

00:15:44,000 --> 00:15:50,000

It's very difficult for me to understand outside of my three-dimensional reality.

310

00:15:50,000 --> 00:15:56,000

In fact, a friend of mine, she's a channel, so she has that potential.

311

00:15:56,000 --> 00:16:00,000

You know a lot of strange people that seem Sean.

312

00:16:01,000 --> 00:16:05,000

The team is about to find out how strange.

313

00:16:05,000 --> 00:16:08,000

Sean's friend, the channeler, comes through.

314

00:16:08,000 --> 00:16:11,000

She sets up a meeting with a woman named Juju.

315

00:16:13,000 --> 00:16:15,000

Juju says she's a reptilian.

316

00:16:16,000 --> 00:16:21,000

When did you first become aware of your ancestry or what we are?

317

00:16:21,000 --> 00:16:23,000

When I was born, I knew I was different.

318

00:16:23,000 --> 00:16:27,000

I've always known I just didn't have the words or the knowledge to describe what it was.

319

00:16:27,000 --> 00:16:34,000

We've seen certain shapeshifting on TV where they freeze the monitor and their eyes all of a sudden become dragons.

320

00:16:34,000 --> 00:16:35,000

Slits?

321

00:16:35,000 --> 00:16:36,000

Does that happen to you?

322

00:16:36,000 --> 00:16:37,000

Yes.

323

00:16:37,000 --> 00:16:39,000

Do you feel it?

324

00:16:39,000 --> 00:16:42,000

It's a pressure in your eye and this lits will form.

325

00:16:42,000 --> 00:16:49,000

My friend, who was looking at me saw me shift and she started stuttering and it freaked her out.

326

00:16:49,000 --> 00:16:51,000

And she goes, oh my god, your eyes.

327

00:16:51,000 --> 00:16:56,000

I think the reptilian said to me, just wanted to pop out and say, look, you know.

328

00:16:56,000 --> 00:16:58,000

But you can also fully shape shift.

329

00:16:58,000 --> 00:17:00,000

It's not something safe to do.

330

00:17:00,000 --> 00:17:04,000

If I'm in the grocery store shopping, first of all, I lose my clothes.

331

00:17:04,000 --> 00:17:06,000

My tail would pop out.

332

00:17:06,000 --> 00:17:08,000

I mean, that would be really hard to deal with.

333

00:17:09,000 --> 00:17:13,000

Then, suddenly, Juju acts strangely.

334

00:17:13,000 --> 00:17:16,000

I can definitely feel it right now.

335

00:17:16,000 --> 00:17:17,000

Strong.

336

00:17:18,000 --> 00:17:22,000

After all this talk of shapeshifting, is it happening now?

337

00:17:25,000 --> 00:17:29,000

Coming up, Juju exposes the reptilian with his eyes.

338

00:17:30,000 --> 00:17:32,000

I saw her eyes shift.

339

00:17:32,000 --> 00:17:37,000

Then, is the US government hiding reptilians?

340

00:17:37,000 --> 00:17:39,000

They occupy under the ground.

341

00:17:39,000 --> 00:17:41,000

On a secret military base?

342

00:17:41,000 --> 00:17:44,000

Basically, we occupy above the ground.

343

00:17:44,000 --> 00:17:46,000

And later.

344

00:17:46,000 --> 00:17:48,000

Is that what this is really about?

345

00:17:48,000 --> 00:17:49,000

Making money?

346

00:17:49,000 --> 00:17:50,000

Oh.

347

00:17:50,000 --> 00:17:53,000

Showdown with the man behind the conspiracy theory.

348

00:17:53,000 --> 00:17:55,000

I thought this was going to be a serious conversation.

349

00:17:55,000 --> 00:17:57,000

You're insulting me and saying it's not?

350

00:18:00,000 --> 00:18:01,000

Yes.

351

00:18:05,000 --> 00:18:10,000

Jesse Ventura's investigators are meeting with a woman who has a unique ability.

352

00:18:10,000 --> 00:18:14,000

The ability to shape shift into a lizard.

353

00:18:14,000 --> 00:18:15,000

You feel it?

354

00:18:15,000 --> 00:18:16,000

I can feel it.

355

00:18:16,000 --> 00:18:19,000

And she may be about to do it right now.

356

00:18:19,000 --> 00:18:35,520

If Juju did shapeshift, it was too quick to be seen by the naked eye.

357

00:18:35,520 --> 00:18:37,920

It's a sight of me that I can't control.

358

00:18:37,920 --> 00:18:39,920

But she's not finished yet.

359

00:18:39,920 --> 00:18:44,440

I'm glad I can't voluntarily do it because I'd be doing it all the time.

360

00:18:44,440 --> 00:18:46,680

People, the first thing they want to do is shoot you.

361

00:18:46,680 --> 00:18:47,680

Very dangerous to do.

362

00:18:47,680 --> 00:18:49,680

What did the hands have?

363

00:18:49,680 --> 00:18:56,520

Yes, when I was in bed sleeping, my partner woke up and turned over and saw this huge

364

00:18:56,520 --> 00:18:59,720

reptilian laying next to her.

365

00:18:59,720 --> 00:19:04,560

She said the only reason why she didn't run out of the room screaming was because she

366

00:19:04,560 --> 00:19:10,600

could actually see my characteristics within it, even though the extra eyelid was kind

367

00:19:10,600 --> 00:19:12,680

of moving.

368

00:19:12,680 --> 00:19:17,360

Juju says the rest of her family live on a far off planet.

369

00:19:17,360 --> 00:19:22,240

Channeler Cassandra Van Zant is here to connect her with them.

370

00:19:22,240 --> 00:19:26,240

Van Zant is speaking for the reptilian.

371

00:19:26,240 --> 00:19:28,920

Greetings, we have come far.

372

00:19:28,920 --> 00:19:30,560

We have come for you.

373

00:19:30,560 --> 00:19:34,040

We have come because you have asked us to here.

374

00:19:34,040 --> 00:19:38,840

There is no fear with us for we come to you.

375

00:19:38,840 --> 00:19:42,680

Juju talks back in her native reptilian tongue.

376

00:19:42,680 --> 00:20:02,200

It's a long-awaited family reunion.

377

00:20:02,200 --> 00:20:11,080

For Juju, it's overwhelming.

378

00:20:11,080 --> 00:20:20,360

Sean Stone listens intently.

379

00:20:20,360 --> 00:20:28,480

Skeptic Tyrell Ventura watches for signs of fakery when suddenly he thinks he sees something

380

00:20:28,480 --> 00:20:34,840

he missed earlier.

381

00:20:34,840 --> 00:20:37,720

I saw her eyeshift, and did you see her eyeshift?

382

00:20:37,720 --> 00:20:38,720

No.

383

00:20:38,720 --> 00:20:43,320

I didn't see that.

384

00:20:43,320 --> 00:20:44,320

Juju?

385

00:20:44,320 --> 00:20:45,320

Yeah.

386

00:20:45,320 --> 00:20:51,440

I mean, they look like slits.

387

00:20:51,440 --> 00:20:56,680

They were talking to some star system from way up in a galaxy, and I'm not even a word

388

00:20:56,680 --> 00:20:57,680

of it, you know.

389

00:20:57,680 --> 00:21:01,480

As this woman's like talking in tongues or her language.

390

00:21:01,480 --> 00:21:05,080

I don't know, I just noticed that her eyes seemed to have like slits.

391

00:21:05,080 --> 00:21:08,600

They looked like her pupils were up and down like her reptiles.

392

00:21:08,600 --> 00:21:10,120

And Sean, you were there.

393

00:21:10,120 --> 00:21:11,120

Did you see this?

394

00:21:11,120 --> 00:21:15,760

No, I was sitting kind of like he is, and she was facing more towards Ty, so I wasn't

395

00:21:15,760 --> 00:21:16,760

watching her eyes.

396

00:21:16,760 --> 00:21:19,640

I mean, it was a really bizarre situation to sit in.

397

00:21:19,640 --> 00:21:22,600

Well, you're the one that has to be convinced more than Sean.

398

00:21:22,600 --> 00:21:23,600

True.

399

00:21:23,600 --> 00:21:27,120

Sean's part of the program.

400

00:21:27,120 --> 00:21:29,640

Now Tyrell's buying in.

401

00:21:29,640 --> 00:21:32,800

Jesse's got no choice but to take this to the next step.

402

00:21:32,800 --> 00:21:34,480

Jesse, nice to meet you too.

403

00:21:35,120 --> 00:21:38,800

He agrees to meet John Rhodes.

404

00:21:38,800 --> 00:21:42,000

Rhodes runs the Reptoid Research Center.

405

00:21:42,000 --> 00:21:45,560

He calls himself a Reptilian Hunter.

406

00:21:45,560 --> 00:21:52,480

John, look, I never seen no lizard man or no reptile humanoid thing.

407

00:21:52,480 --> 00:21:56,600

Hey, listen, there's a lot of skeptics out there, and it's a healthy thing.

408

00:21:56,600 --> 00:22:02,520

The Reptilian Hunter is definitely about to take things to a new level with startling

409

00:22:02,520 --> 00:22:03,520

information.

410

00:22:03,520 --> 00:22:11,080

I'm telling you that there's a lot of evidence showing that Dulce, New Mexico is actually

411

00:22:11,080 --> 00:22:15,840

a secret location for genetics lab run by the US military.

412

00:22:15,840 --> 00:22:18,040

How does that pertain to reptilians?

413

00:22:18,040 --> 00:22:23,440

It pertains to reptilians because the information that we're getting from reliable sources say

414

00:22:23,440 --> 00:22:28,720

that there are other beings operating the center that are not human, and they describe

415

00:22:28,720 --> 00:22:32,000

them as being reptilian humanoid beings.

416

00:22:33,000 --> 00:22:39,320

Primarily humanoid body with reptilian features to it.

417

00:22:39,320 --> 00:22:43,240

An underground base where reptilians are hatching their plot.

418

00:22:43,240 --> 00:22:51,200

What you're telling me is these humanoid reptilians, as you call them, and they occupy under the

419

00:22:51,200 --> 00:22:54,360

ground and basically we occupy above the ground?

420

00:22:54,360 --> 00:22:56,800

The very dangerous surface of the earth.

421

00:22:56,800 --> 00:22:59,960

At last, a solid lead.

422

00:22:59,960 --> 00:23:05,640

A government program hiding reptilians on a secret military base.

423

00:23:05,640 --> 00:23:07,640

That's a conspiracy.

424

00:23:07,640 --> 00:23:13,400

I'll tell you what, you don't seem crazy to me.

425

00:23:13,400 --> 00:23:18,600

You seem exceptionally intelligent to me, so I'm going to give you the benefit of the

426

00:23:18,600 --> 00:23:19,600

doubt.

427

00:23:19,600 --> 00:23:23,000

Let's go reptilian hunting.

428

00:23:23,000 --> 00:23:32,920

Next, on conspiracy theory, Jesse and his team go head to head with the reptilians.

429

00:23:32,920 --> 00:23:36,720

What do you think we'd need to knock them down with if we had to go to war with them?

430

00:23:36,720 --> 00:23:39,000

Then, all hell breaks loose.

431

00:23:39,000 --> 00:23:41,080

I don't want to go.

432

00:23:41,080 --> 00:23:43,200

As they close in on the underground layer.

433

00:23:43,200 --> 00:23:44,200

What do they go to?

434

00:23:44,200 --> 00:23:45,200

We don't know.

435

00:23:45,200 --> 00:23:46,200

This one's going underground.

436

00:23:46,200 --> 00:23:47,200

And later.

437

00:23:47,200 --> 00:23:48,720

Listen, listen a minute.

438

00:23:48,720 --> 00:23:52,000

Jesse confronts the man behind the conspiracy theory.

439

00:23:52,000 --> 00:23:59,000

Wait a minute, you listen.

440

00:23:59,000 --> 00:24:05,320

Are you John?

441

00:24:05,320 --> 00:24:06,320

Sean?

442

00:24:06,320 --> 00:24:13,520

Jesse Ventura's investigation into a reptilian conspiracy has led to Dulce, New Mexico.

443

00:24:13,520 --> 00:24:18,480

Long rumor to be the site of an underground base where reptilians masquerade as military

444

00:24:18,480 --> 00:24:23,520

officials carrying out a plot to take over the world.

445

00:24:23,520 --> 00:24:31,560

This location in Dulce, New Mexico is actually a secret genetics lab run by the US military

446

00:24:31,560 --> 00:24:36,240

and the beings operating the center that are reptilian humanoids.

447

00:24:36,240 --> 00:24:41,720

This reptilian hunter John Rhodes says he'll take us to an underground base full of lizard

448

00:24:41,720 --> 00:24:42,720

people.

449

00:24:42,720 --> 00:24:44,560

I'll get you close.

450

00:24:44,560 --> 00:24:52,040

At first, me and the boys have some preparing to do.

451

00:24:52,040 --> 00:24:53,040

Target practice.

452

00:24:53,040 --> 00:24:57,880

If these reptilians are real, what do you think we'd need to knock them down with if we had

453

00:24:57,880 --> 00:24:58,880

to go to war with them?

454

00:24:58,880 --> 00:25:02,200

Well, you'd probably want to go ahead and shoot them in the brain box.

455

00:25:02,200 --> 00:25:04,560

Probably right in between the eyes.

456

00:25:04,560 --> 00:25:11,360

Hey, I'm not saying we're going in armed, but these reptilians can be nine feet tall,

457

00:25:11,360 --> 00:25:13,160

wrong, and fast.

458

00:25:13,160 --> 00:25:14,160

So maybe we should.

459

00:25:14,160 --> 00:25:20,520

If you find an army pool, I'm going to machine gun.

460

00:25:20,520 --> 00:25:22,200

Little more rapid now, Sean.

461

00:25:22,200 --> 00:25:24,000

You've got reptilian charges.

462

00:25:24,000 --> 00:25:25,520

There's three of them.

463

00:25:25,520 --> 00:25:36,160

You can't be sitting around.

464

00:25:36,160 --> 00:25:42,120

The next morning, the team assembles at the edge of an Indian reservation near Dulce.

465

00:25:42,120 --> 00:25:47,040

Conspiracy theorists say this is the site of the hidden base.

466

00:25:47,040 --> 00:25:51,080

Headquarters for a reptilian army.

467

00:25:51,080 --> 00:25:58,240

Sean's brought along one of his contacts, a psychic named Anya.

468

00:25:58,240 --> 00:26:04,000

Reptilian hunter John Rhodes has an Apache guide named Wayne Velardi.

469

00:26:04,000 --> 00:26:08,920

They say they've got clear evidence of activity underground.

470

00:26:08,920 --> 00:26:09,920

So wait a minute.

471

00:26:09,920 --> 00:26:11,760

This power line comes off of this line.

472

00:26:11,760 --> 00:26:15,840

As you can see here, it runs up all the way to the top of the hill.

473

00:26:15,840 --> 00:26:17,760

Now, for sure we know it ends there.

474

00:26:17,760 --> 00:26:18,760

You know that it ends there.

475

00:26:18,760 --> 00:26:20,440

It doesn't continue over?

476

00:26:20,440 --> 00:26:21,440

No.

477

00:26:21,440 --> 00:26:23,200

It doesn't continue over.

478

00:26:23,200 --> 00:26:26,680

Power lines branch off and lead up the mesa.

479

00:26:26,680 --> 00:26:28,360

Does it go into the ground?

480

00:26:28,360 --> 00:26:29,360

It terminates.

481

00:26:29,360 --> 00:26:31,840

They channel through the center of post and go underground.

482

00:26:31,840 --> 00:26:34,320

What in your opinion does it lead to?

483

00:26:34,320 --> 00:26:40,640

I believe power lines lead underground in this area to an underground base, a military

484

00:26:40,640 --> 00:26:43,840

scientific underground base.

485

00:26:43,840 --> 00:26:47,560

Whatever's under that hill requires a lot of power.

486

00:26:47,560 --> 00:26:50,240

Lines like these can carry half a million volts.

487

00:26:50,240 --> 00:26:53,400

There's no people living up there neither.

488

00:26:53,400 --> 00:26:56,680

You're talking about one of the most advanced governments on earth.

489

00:26:56,680 --> 00:27:00,480

They could actually take a phone pole, hollow it down through the center and route wires

490

00:27:00,480 --> 00:27:05,680

down through the center going directly under ground.

491

00:27:05,680 --> 00:27:07,000

This goes to a base.

492

00:27:07,000 --> 00:27:09,760

Well, a base, obviously you got to dig it out.

493

00:27:09,760 --> 00:27:15,120

What this comes down to is in 1972, the US government had developed technology for boring

494

00:27:15,120 --> 00:27:17,800

machines that literally melt through rock.

495

00:27:17,800 --> 00:27:23,960

They found out there was a way to easily tunnel into the earth and be hidden from satellites.

496

00:27:23,960 --> 00:27:25,760

But they still had to start from somewhere.

497

00:27:25,760 --> 00:27:26,760

Where did they start?

498

00:27:26,760 --> 00:27:27,760

Los Alamos.

499

00:27:27,760 --> 00:27:28,760

In Los Alamos.

500

00:27:28,760 --> 00:27:29,760

Yes.

501

00:27:29,760 --> 00:27:30,760

Los Alamos from here.

502

00:27:30,760 --> 00:27:31,760

120.

503

00:27:31,760 --> 00:27:32,760

120.

504

00:27:32,760 --> 00:27:33,760

120.

505

00:27:33,760 --> 00:27:40,400

Drilling an underground tunnel from the heavily guarded Los Alamos national laboratories,

506

00:27:40,400 --> 00:27:41,840

that's wild enough.

507

00:27:41,840 --> 00:27:44,800

But Rhodes says there's more evidence.

508

00:27:44,800 --> 00:27:47,840

In the middle of these fields, openings.

509

00:27:47,840 --> 00:27:49,480

They could be entrances to the base.

510

00:27:49,480 --> 00:27:50,480

What do they got?

511

00:27:50,480 --> 00:27:51,480

We don't know.

512

00:27:51,480 --> 00:27:52,480

I mean, they're out now.

513

00:27:52,480 --> 00:27:53,480

This one ends.

514

00:27:53,480 --> 00:27:56,080

This one's going underground.

515

00:27:56,080 --> 00:27:59,800

And it's, I don't know if you can tell if it sounds like...

516

00:27:59,800 --> 00:28:02,800

Yeah, I don't know.

517

00:28:02,800 --> 00:28:07,800

I mean, there's a weird little concrete thing in the rubble over here.

518

00:28:07,800 --> 00:28:09,280

What does Rhodes say, John?

519

00:28:09,280 --> 00:28:11,280

Come on, you've been around here long enough.

520

00:28:11,280 --> 00:28:14,600

You must know about some kind of entry points or exit points to this base.

521

00:28:14,600 --> 00:28:16,600

I guess I've heard something by now.

522

00:28:16,600 --> 00:28:19,600

One thing is, you're talking about a secret base.

523

00:28:19,600 --> 00:28:23,600

Every single entrance is an exit.

524

00:28:23,600 --> 00:28:24,600

Hidden.

525

00:28:24,600 --> 00:28:25,600

Very well hidden.

526

00:28:26,120 --> 00:28:28,680

I'm going to remember some of these things are even going through ice caves and stuff

527

00:28:28,680 --> 00:28:31,160

to try and cool down the temperatures leaving the base.

528

00:28:31,160 --> 00:28:34,000

So even thermal imaging doesn't pick it up from the satellite.

529

00:28:34,000 --> 00:28:37,920

John Rhodes seems to have an answer for everything.

530

00:28:37,920 --> 00:28:41,760

But no one spotted an actual reptilian.

531

00:28:41,760 --> 00:28:45,360

And then, suddenly, the psychic picks up something.

532

00:28:45,360 --> 00:28:47,360

I feel like I'm going to throw up.

533

00:28:47,360 --> 00:28:48,360

I don't care.

534

00:28:48,360 --> 00:28:49,360

I'm going to go in there.

535

00:28:49,360 --> 00:28:50,360

But I don't want to go.

536

00:28:50,360 --> 00:28:51,360

Oh, my God.

537

00:28:52,120 --> 00:28:56,120

A powerful sensation that reptilians aren't here.

538

00:28:56,120 --> 00:28:57,120

Oh, she's moving.

539

00:28:57,120 --> 00:28:58,120

She's moving.

540

00:28:58,120 --> 00:28:59,120

She's moving.

541

00:28:59,120 --> 00:29:00,120

She's moving.

542

00:29:00,120 --> 00:29:01,120

Right here.

543

00:29:01,120 --> 00:29:02,120

Right here.

544

00:29:02,120 --> 00:29:03,120

Right here.

545

00:29:03,120 --> 00:29:04,120

Right here.

546

00:29:04,120 --> 00:29:05,120

Right here.

547

00:29:05,120 --> 00:29:06,120

Right here.

548

00:29:06,120 --> 00:29:07,120

What are you getting?

549

00:29:07,120 --> 00:29:08,120

Wait on.

550

00:29:11,120 --> 00:29:12,120

Coming up.

551

00:29:12,120 --> 00:29:13,120

Please.

552

00:29:13,120 --> 00:29:14,120

Calm down.

553

00:29:14,120 --> 00:29:15,120

Calm down.

554

00:29:15,120 --> 00:29:17,120

The psychic faces the reptilians.

555

00:29:17,120 --> 00:29:19,120

I can't go in there.

556

00:29:19,120 --> 00:29:23,120

You're not going to let me go in there.

557

00:29:23,120 --> 00:29:30,120

And later, Jesse confronts the man who started it all.

558

00:29:30,120 --> 00:29:33,120

Wait, before you get all up in you with me.

559

00:29:33,120 --> 00:29:36,120

The father of the reptilian conspiracy.

560

00:29:36,120 --> 00:29:40,120

You won't want to miss this explosive confrontation.

561

00:29:40,120 --> 00:29:50,120

Jesse Ventura and his team are in Dulce, New Mexico.

562

00:29:50,120 --> 00:29:54,120

The alleged sight of an underground reptilian base.

563

00:29:54,120 --> 00:29:56,120

They're looking for evidence.

564

00:29:56,120 --> 00:30:01,120

When Sean Stone's psychic pal suddenly senses reptilians.

565

00:30:01,120 --> 00:30:04,120

Please stay back.

566

00:30:04,120 --> 00:30:06,120

What is it?

567

00:30:06,120 --> 00:30:07,120

Reptilians.

568

00:30:07,120 --> 00:30:08,120

Reptilians?

569

00:30:08,120 --> 00:30:09,120

Please.

570

00:30:09,120 --> 00:30:10,120

Calm down.

571

00:30:10,120 --> 00:30:11,120

Calm down.

572

00:30:11,120 --> 00:30:12,120

Come here.

573

00:30:12,120 --> 00:30:13,120

I can't go in there.

574

00:30:13,120 --> 00:30:16,120

You're not going to let me go in there.

575

00:30:16,120 --> 00:30:17,120

It's all right.

576

00:30:17,120 --> 00:30:18,120

Nothing's going to catch you.

577

00:30:18,120 --> 00:30:19,120

You're right here.

578

00:30:19,120 --> 00:30:20,120

You're right in the open.

579

00:30:20,120 --> 00:30:23,120

It's the only thing that can come out.

580

00:30:23,120 --> 00:30:26,120

Anya might be feeling the presence of reptilians.

581

00:30:26,120 --> 00:30:27,120

Right here.

582

00:30:27,120 --> 00:30:29,120

But Jesse's not feeling anything.

583

00:30:29,120 --> 00:30:31,120

That spot right there.

584

00:30:31,120 --> 00:30:33,120

He's about ready to pack it in.

585

00:30:33,120 --> 00:30:37,120

When reptilian hunter John is about to attack the man.

586

00:30:37,120 --> 00:30:43,120

The reptilian hunter John Rhodes says he'll show him an entrance to the base.

587

00:30:43,120 --> 00:30:45,120

But when they arrive.

588

00:30:45,120 --> 00:30:47,120

It's full of water.

589

00:30:47,120 --> 00:30:50,120

Flooded.

590

00:30:50,120 --> 00:30:54,120

Do you think they run the water to keep people out?

591

00:30:54,120 --> 00:30:55,120

Yes.

592

00:30:55,120 --> 00:31:00,120

These are openings into the earth that people would pass by and never give a second thought.

593

00:31:00,120 --> 00:31:04,120

See, this could essentially turn right into a tunnel that you could walk into.

594

00:31:04,120 --> 00:31:05,120

Right.

595

00:31:05,120 --> 00:31:06,120

About three miles.

596

00:31:06,120 --> 00:31:09,120

They have it pretty well secured.

597

00:31:09,120 --> 00:31:10,120

Do they?

598

00:31:10,120 --> 00:31:11,120

Yeah.

599

00:31:11,120 --> 00:31:12,120

The government.

600

00:31:12,120 --> 00:31:13,120

Right.

601

00:31:13,120 --> 00:31:14,120

The government.

602

00:31:14,120 --> 00:31:16,120

We're not getting in.

603

00:31:16,120 --> 00:31:19,120

And like I've always said, if I don't see it.

604

00:31:19,120 --> 00:31:21,120

I don't believe it.

605

00:31:21,120 --> 00:31:23,120

If it's not true.

606

00:31:23,120 --> 00:31:25,120

I'm not only going to blow the lid off this.

607

00:31:25,120 --> 00:31:28,120

I'm going to blow the lid off you two.

608

00:31:28,120 --> 00:31:31,120

Well, I'll give the guys a break.

609

00:31:31,120 --> 00:31:32,120

They're new.

610

00:31:32,120 --> 00:31:34,120

But I'm going to get to the bottom of this.

611

00:31:34,120 --> 00:31:39,120

I'm not buying that there's reptilians running around here in our world,

612

00:31:39,120 --> 00:31:41,120

masking as our leaders.

613

00:31:41,120 --> 00:31:43,120

Yeah, I'm not buying either.

614

00:31:43,120 --> 00:31:45,120

Couldn't there be reality to this other dimension?

615

00:31:45,120 --> 00:31:47,120

Yeah, but let's take a step back.

616

00:31:47,120 --> 00:31:49,120

People that believe in this conspiracy.

617

00:31:49,120 --> 00:31:50,120

Why did they believe?

618

00:31:50,120 --> 00:31:51,120

A big reason.

619

00:31:51,120 --> 00:31:52,120

David Ike.

620

00:31:52,120 --> 00:31:53,120

There you go.

621

00:31:53,120 --> 00:31:55,120

That's our catch here.

622

00:31:55,120 --> 00:31:56,120

Yeah.

623

00:31:56,120 --> 00:32:00,120

The more we investigate, the more it goes back to one guy.

624

00:32:00,120 --> 00:32:03,120

David Ike.

625

00:32:03,120 --> 00:32:07,120

One of the world's most popular conspiracy theorists.

626

00:32:07,120 --> 00:32:11,120

He used to be a TV sportscaster until 1991,

627

00:32:11,120 --> 00:32:16,120

when he went on a talk show and announced he was the son of God.

628

00:32:16,120 --> 00:32:18,120

I am the son of God.

629

00:32:18,120 --> 00:32:21,120

I am an aspect of the soul of the Godhead incarnate

630

00:32:21,120 --> 00:32:25,120

because of things that need to be done on this planet urgently.

631

00:32:25,120 --> 00:32:28,120

Was it a great shock for you to discover this at 38?

632

00:32:28,120 --> 00:32:34,120

You know the best way of removing negativity is to laugh and be joyous.

633

00:32:34,120 --> 00:32:37,120

So I'm delighted that they're so much loved in the audience tonight.

634

00:32:37,120 --> 00:32:38,120

But no, that's it.

635

00:32:38,120 --> 00:32:40,120

Just let me say this.

636

00:32:40,120 --> 00:32:42,120

They're laughing at you.

637

00:32:42,120 --> 00:32:44,120

They're not laughing with you.

638

00:32:44,120 --> 00:32:45,120

Fine.

639

00:32:50,120 --> 00:32:54,120

In 1999, Ike took a bunch of New Age philosophies,

640

00:32:54,120 --> 00:32:56,120

alternative history and paranoia,

641

00:32:56,120 --> 00:33:01,120

and tied them together in a book that launched the reptilian conspiracy.

642

00:33:01,120 --> 00:33:06,120

In the time since, he's turned his home ground theory into a personal monument.

643

00:33:09,120 --> 00:33:11,120

Oh yeah, he's got his critics.

644

00:33:11,120 --> 00:33:15,120

One of them is my tipster, Alex Jones.

645

00:33:17,120 --> 00:33:20,120

I don't blame people for looking into this because so many ancient cultures

646

00:33:20,120 --> 00:33:24,120

and even the Bible itself with a snake, write about this.

647

00:33:24,120 --> 00:33:29,120

But at the end of the day, it becomes a diversion.

648

00:33:29,120 --> 00:33:34,120

It sells us on the idea that we're powerless and it's some off-world group running our planet.

649

00:33:34,120 --> 00:33:39,120

So what are you telling me that they're sending me off on a wild goose chase on this deal?

650

00:33:39,120 --> 00:33:42,120

I don't think it's a wild goose chase overall

651

00:33:42,120 --> 00:33:45,120

because the globalists are definitely into some weird stuff.

652

00:33:45,120 --> 00:33:50,120

I'm simply saying that it tends to discredit all the things we can prove

653

00:33:50,120 --> 00:33:52,120

because it can't be proven.

654

00:33:52,120 --> 00:33:54,120

You always say show you.

655

00:33:54,120 --> 00:33:57,120

But some people out there like David Icke have been absolutely certain

656

00:33:57,120 --> 00:34:00,120

saying our ruling class is off-world.

657

00:34:00,120 --> 00:34:03,120

Yep, my instincts were right. David Icke.

658

00:34:03,120 --> 00:34:05,120

I think you should talk to David Icke.

659

00:34:05,120 --> 00:34:08,120

Years ago, I said that he was the turd in the punch bowl

660

00:34:08,120 --> 00:34:11,120

because he discredits all the serious stuff we covered.

661

00:34:11,120 --> 00:34:14,120

So if I was you, I would go right to the head of the snake.

662

00:34:14,120 --> 00:34:16,120

I would go right to David Icke and say,

663

00:34:16,120 --> 00:34:20,120

hey, put up or shut up, show me the proof of the reptoid.

664

00:34:20,120 --> 00:34:24,120

Now the only problem is tracking him down.

665

00:34:24,120 --> 00:34:28,120

Today, David Icke is a one-man conspiracy conglomerate.

666

00:34:28,120 --> 00:34:31,120

Always on the move, traveling the world,

667

00:34:31,120 --> 00:34:34,120

giving lectures that are more like rock concerts.

668

00:34:34,120 --> 00:34:40,120

All-day affairs that attract thousands of people at a time at rock star ticket prices.

669

00:34:43,120 --> 00:34:45,120

Jesse finally catches up with David Icke.

670

00:34:45,120 --> 00:34:49,120

He stakes him out at a sold-out appearance in Cleveland, Ohio.

671

00:34:50,120 --> 00:34:55,120

Then Jesse corners him backstage.

672

00:34:55,120 --> 00:34:58,120

It's time to put up or shut up.

673

00:34:58,120 --> 00:35:01,120

Okay, we chase things down.

674

00:35:01,120 --> 00:35:04,120

I've been chasing all over the countryside.

675

00:35:04,120 --> 00:35:07,120

I've been as far as Dulce, New Mexico and all this

676

00:35:07,120 --> 00:35:09,120

looking for these reptilian people.

677

00:35:09,120 --> 00:35:11,120

I haven't found any.

678

00:35:11,120 --> 00:35:13,120

And?

679

00:35:13,120 --> 00:35:15,120

Well, that's why I'm coming to you.

680

00:35:15,120 --> 00:35:17,120

You're the noted expert and everybody's geared me

681

00:35:17,120 --> 00:35:19,120

and focused me towards you.

682

00:35:19,120 --> 00:35:21,120

Well...

683

00:35:21,120 --> 00:35:23,120

And they tell me you got the answers here.

684

00:35:23,120 --> 00:35:25,120

Well, who's got all the answers?

685

00:35:25,120 --> 00:35:28,120

None of us, really, but we've all got some of the answers.

686

00:35:28,120 --> 00:35:30,120

I've been on the planet 60 years.

687

00:35:30,120 --> 00:35:32,120

So have I.

688

00:35:32,120 --> 00:35:34,120

I have not seen a reptilian yet.

689

00:35:34,120 --> 00:35:36,120

Tell me where to go to see one.

690

00:35:36,120 --> 00:35:38,120

They operate outside of this visible light,

691

00:35:38,120 --> 00:35:40,120

which I started talking about.

692

00:35:40,120 --> 00:35:43,120

Ah, so we can't see them, they're just imaginary.

693

00:35:43,120 --> 00:35:46,120

I mean, you know, not everything

694

00:35:46,120 --> 00:35:50,120

that exists

695

00:35:50,120 --> 00:35:52,120

exists with invisible light.

696

00:35:52,120 --> 00:35:55,120

This room is full of radio stations, right?

697

00:35:55,120 --> 00:35:57,120

Broadcasting to Cleveland.

698

00:35:57,120 --> 00:36:00,120

So how do I turn the radio on and see a reptilian?

699

00:36:00,120 --> 00:36:03,120

One thing I can see,

700

00:36:03,120 --> 00:36:06,120

I can see this is going to be a lot of double talk.

701

00:36:06,120 --> 00:36:08,120

They are...

702

00:36:08,120 --> 00:36:10,120

Tell me what I gotta do to see one.

703

00:36:10,120 --> 00:36:12,120

It's a simple question.

704

00:36:12,120 --> 00:36:14,120

Shapeshifters, I want to see a shapeshifter.

705

00:36:14,120 --> 00:36:16,120

It's just an experience.

706

00:36:16,120 --> 00:36:18,120

Give me some proof.

707

00:36:18,120 --> 00:36:21,120

My last book was 355,000 words, nearly 700 pages.

708

00:36:21,120 --> 00:36:24,120

That's there to be read in detail.

709

00:36:24,120 --> 00:36:27,120

This guy expects me to read 700 pages

710

00:36:27,120 --> 00:36:29,120

to get a simple answer.

711

00:36:29,120 --> 00:36:31,120

I'm asking you right now, tell me some proof

712

00:36:31,120 --> 00:36:34,120

where I can go see one of these shapeshifting lizards.

713

00:36:34,120 --> 00:36:37,120

What do I have to do to prove it to myself?

714

00:36:37,120 --> 00:36:42,120

You have to either be in a situation where it happens

715

00:36:42,120 --> 00:36:44,120

and these...

716

00:36:44,120 --> 00:36:46,120

Are most of our leaders this?

717

00:36:46,120 --> 00:36:49,120

They enter visible light, you see them.

718

00:36:49,120 --> 00:36:51,120

They do occasionally.

719

00:36:51,120 --> 00:36:53,120

You've got a big list of all these world leaders

720

00:36:53,120 --> 00:36:55,120

and these political that you say are these

721

00:36:55,120 --> 00:36:57,120

shapeshifting hybrids.

722

00:36:57,120 --> 00:36:59,120

Am I one?

723

00:36:59,120 --> 00:37:01,120

I have no idea.

724

00:37:01,120 --> 00:37:04,120

You're telling me you can't answer anything

725

00:37:04,120 --> 00:37:07,120

that I need to sit through nine hours of your discussion

726

00:37:07,120 --> 00:37:10,120

in which to grasp what you're going to talk about.

727

00:37:10,120 --> 00:37:12,120

And then if I sit through this nine hours,

728

00:37:12,120 --> 00:37:15,120

will it then come clear to me?

729

00:37:15,120 --> 00:37:18,120

It depends what you make of the information.

730

00:37:18,120 --> 00:37:21,120

You're deflecting it from what you're saying

731

00:37:21,120 --> 00:37:23,120

and putting it on to me.

732

00:37:23,120 --> 00:37:26,120

That I have to be open-minded enough

733

00:37:26,120 --> 00:37:28,120

to accept everything that you talk about.

734

00:37:28,120 --> 00:37:30,120

What bloody rubbish.

735

00:37:30,120 --> 00:37:32,120

I'm putting information out that doesn't normally get there.

736

00:37:32,120 --> 00:37:35,120

Is the information accurate?

737

00:37:35,120 --> 00:37:37,120

Yeah, it gets down to that.

738

00:37:37,120 --> 00:37:39,120

He's pushing the theory,

739

00:37:39,120 --> 00:37:41,120

but he's not taking responsibility.

740

00:37:41,120 --> 00:37:44,120

You know, you keep using this word expert.

741

00:37:44,120 --> 00:37:46,120

Now, what is required?

742

00:37:46,120 --> 00:37:48,120

It's an open mind.

743

00:37:48,120 --> 00:37:50,120

Or is it an imagination?

744

00:37:50,120 --> 00:37:54,120

Look, Jesse, you can take it as you want,

745

00:37:54,120 --> 00:37:57,120

but what you need is an open mind,

746

00:37:57,120 --> 00:38:01,120

and then you spend 21 years, as I have,

747

00:38:01,120 --> 00:38:03,120

traveling to 55 countries,

748

00:38:03,120 --> 00:38:06,120

researching this full time.

749

00:38:06,120 --> 00:38:08,120

Ten and more hours a day.

750

00:38:08,120 --> 00:38:10,120

How do you get paid?

751

00:38:10,120 --> 00:38:12,120

I get paid by the books that I sell.

752

00:38:12,120 --> 00:38:14,120

Because, I mean, that's a lot of resources,

753

00:38:14,120 --> 00:38:17,120

spending 21 years going to 55 countries

754

00:38:17,120 --> 00:38:19,120

and doing this type of research.

755

00:38:19,120 --> 00:38:22,120

You're going to have some money behind you to do that.

756

00:38:22,120 --> 00:38:24,120

Well, not really.

757

00:38:24,120 --> 00:38:26,120

I've come to America. I'm researching now,

758

00:38:26,120 --> 00:38:29,120

and I'm speaking, and therefore it will pay for itself.

759

00:38:29,120 --> 00:38:31,120

And, you know, I went...

760

00:38:31,120 --> 00:38:33,120

Is that what this is really about?

761

00:38:33,120 --> 00:38:35,120

Making money?

762

00:38:37,120 --> 00:38:39,120

Up next.

763

00:38:39,120 --> 00:38:41,120

Listen to me.

764

00:38:41,120 --> 00:38:44,120

The reptilian confrontation gets even hotter.

765

00:38:44,120 --> 00:38:46,120

I thought this was going to be a serious conversation.

766

00:38:46,120 --> 00:38:48,120

You're insulting me and saying it's not?

767

00:38:48,120 --> 00:38:50,120

A lot hotter.

768

00:38:50,120 --> 00:38:55,120

That's mighty brave of him to say that when he leaves the room.

769

00:38:55,120 --> 00:38:59,120

Jesse Ventura's investigation into a reptilian conspiracy

770

00:38:59,120 --> 00:39:01,120

has led to David Icke.

771

00:39:01,120 --> 00:39:04,120

He's the one who combined various theories and philosophies

772

00:39:04,120 --> 00:39:07,120

and came up with the idea that many of the world's leaders

773

00:39:07,120 --> 00:39:10,120

are shapeshifting, blood-drinking reptiles.

774

00:39:10,120 --> 00:39:12,120

I have not seen a reptilian yet.

775

00:39:12,120 --> 00:39:14,120

Tell me where to go to see one.

776

00:39:14,120 --> 00:39:16,120

I've seen a reptilian.

777

00:39:16,120 --> 00:39:18,120

I've seen a reptilian.

778

00:39:18,120 --> 00:39:20,120

I've seen a reptilian.

779

00:39:20,120 --> 00:39:22,120

I've seen a reptilian.

780

00:39:22,120 --> 00:39:24,120

I've seen a reptilian.

781

00:39:24,120 --> 00:39:26,120

I've seen a reptilian before to go to see one.

782

00:39:26,120 --> 00:39:28,120

Since 1999,

783

00:39:28,120 --> 00:39:32,120

the reptilian conspiracy theory has meant big money for David Icke.

784

00:39:32,120 --> 00:39:35,120

One analysis shows that Icke breaks in more than one hundred thousand

785

00:39:35,120 --> 00:39:39,120

dollars a year from his books and DVD's,

786

00:39:39,120 --> 00:39:42,120

close to two hundred and fifty thousand dollars from his website,

787

00:39:42,120 --> 00:39:46,120

over a million and a half from his speaking tours.

788

00:39:46,120 --> 00:39:50,120

That's almost two million dollars a year.

789

00:39:51,120 --> 00:39:53,120

Is that what this is really about?

790

00:39:53,120 --> 00:39:54,660

Oh.

791

00:39:54,700 --> 00:39:56,660

And look, I got to ask the hard questions, Dave.

792

00:39:56,700 --> 00:39:58,160

That's not a hard question, Jesse.

793

00:39:58,200 --> 00:39:58,960

Sure it is.

794

00:39:59,000 --> 00:39:59,660

No, it's not.

795

00:39:59,700 --> 00:40:00,500

Wait.

796

00:40:00,540 --> 00:40:01,000

Listen.

797

00:40:01,040 --> 00:40:01,400

Wait.

798

00:40:01,440 --> 00:40:02,000

Wait a minute.

799

00:40:02,040 --> 00:40:03,040

You listen.

800

00:40:03,060 --> 00:40:05,000

I thought this was going to be a serious conversation.

801

00:40:05,040 --> 00:40:07,800

You're insulting me and saying it's not?

802

00:40:07,840 --> 00:40:12,080

I went throughout the 90s holding on for dear life

803

00:40:12,120 --> 00:40:13,120

financially.

804

00:40:13,140 --> 00:40:14,820

I couldn't go down any street in Britain

805

00:40:14,840 --> 00:40:17,820

without being laughed at by virtually everybody.

806

00:40:17,860 --> 00:40:18,580

Being insulted.

807

00:40:18,620 --> 00:40:19,420

And I thought, OK.

808

00:40:19,460 --> 00:40:20,580

You talk about being insulted.

809

00:40:20,620 --> 00:40:23,060

When you've been through that, and you've been insulted,

810

00:40:23,060 --> 00:40:23,760

I've been through it.

811

00:40:23,800 --> 00:40:24,900

Is it just about the money?

812

00:40:24,940 --> 00:40:25,760

I've been through it.

813

00:40:25,800 --> 00:40:26,600

Don't get offended.

814

00:40:26,640 --> 00:40:27,600

I'm not getting offended.

815

00:40:27,640 --> 00:40:28,640

I ask hard questions.

816

00:40:28,660 --> 00:40:30,140

They're not hard questions.

817

00:40:30,160 --> 00:40:30,940

Well, good.

818

00:40:30,960 --> 00:40:31,940

Then don't get upset.

819

00:40:31,960 --> 00:40:33,040

That's a hard question.

820

00:40:33,060 --> 00:40:34,140

Then don't get upset.

821

00:40:34,180 --> 00:40:37,440

I'm asking questions that I as a regular citizen would ask me.

822

00:40:37,480 --> 00:40:38,640

I was fine.

823

00:40:38,680 --> 00:40:42,840

And I was led to believe that this was going to be an interview

824

00:40:42,880 --> 00:40:44,820

about what was going on in the world.

825

00:40:44,840 --> 00:40:46,420

And open hour into this.

826

00:40:46,440 --> 00:40:47,480

I'm doing an interview.

827

00:40:47,520 --> 00:40:51,420

I want to know who you are and why you believe what you

828

00:40:51,420 --> 00:40:54,980

believe and what facts you have to back up what you believe.

829

00:40:55,020 --> 00:40:55,880

Well, exactly.

830

00:40:55,920 --> 00:40:56,880

So what's the problem?

831

00:40:56,920 --> 00:40:58,020

Well, I'm asking questions.

832

00:40:58,060 --> 00:40:58,820

With an infinite.

833

00:40:58,860 --> 00:40:59,820

Let me explain.

834

00:40:59,860 --> 00:41:00,760

Wait.

835

00:41:00,800 --> 00:41:03,000

Before you get all up in you with me,

836

00:41:03,020 --> 00:41:06,500

so there's no question that can be simply answered yes or no?

837

00:41:06,540 --> 00:41:07,900

Yeah, go on then.

838

00:41:07,940 --> 00:41:09,060

Is there a question that?

839

00:41:09,100 --> 00:41:09,700

Go on then.

840

00:41:09,740 --> 00:41:10,500

Yes or no?

841

00:41:10,540 --> 00:41:13,500

Am I going to talk today for nine hours?

842

00:41:13,540 --> 00:41:14,000

Yes.

843

00:41:14,040 --> 00:41:14,800

Yes.

844

00:41:14,840 --> 00:41:16,140

That's a question for you.

845

00:41:16,180 --> 00:41:19,840

So nine hours it requires to get a yes or no answer on something?

846

00:41:19,880 --> 00:41:21,340

I've just given a yes or no answer.

847

00:41:22,260 --> 00:41:22,760

Yes.

848

00:41:25,200 --> 00:41:27,240

I'm glad I read the world of wrestling.

849

00:41:27,260 --> 00:41:28,540

It prepared me for more.

850

00:41:28,580 --> 00:41:29,500

Yeah.

851

00:41:29,540 --> 00:41:32,040

Ah, ah.

852

00:41:32,080 --> 00:41:34,880

And with that, David Ike storms off.

853

00:41:37,420 --> 00:41:37,920

That's it.

854

00:41:37,940 --> 00:41:38,820

Come on.

855

00:41:38,840 --> 00:41:40,780

That guy can f*** off.

856

00:41:40,820 --> 00:41:41,980

He told me to f*** off.

857

00:41:42,020 --> 00:41:44,820

Well, that's mighty brave of him to say that when he leaves the room.

858

00:41:44,860 --> 00:41:47,120

Why did he say it in front of my face?

859

00:41:47,160 --> 00:41:50,000

He's attacking me for asking questions.

860

00:41:50,020 --> 00:41:52,660

He's asking questions about something as bizarre as this.

861

00:41:59,200 --> 00:42:02,300

So David Ike and I didn't exactly hit it off.

862

00:42:02,340 --> 00:42:06,580

He's got his racket talking for nine hours in a clip.

863

00:42:06,600 --> 00:42:11,740

People must walk out of there so exhausted they believe they're green reptiles.

864

00:42:11,780 --> 00:42:15,080

But this conspiracy is a lot bigger than David Ike.

865

00:42:15,120 --> 00:42:19,120

Too many people really believe that their lives are controlled by leaders

866

00:42:19,240 --> 00:42:22,580

who are half human, half alien reptiles.

867

00:42:22,620 --> 00:42:24,480

How cynical are we?

868

00:42:24,520 --> 00:42:29,820

How fed up can we be that we decide our leaders are powerful aliens

869

00:42:29,860 --> 00:42:32,160

and that it's useless to fight back?

870

00:42:32,200 --> 00:42:33,460

Take it from me.

871

00:42:33,500 --> 00:42:36,500

There are forces out there that want to keep us down

872

00:42:36,520 --> 00:42:40,340

to take away our freedoms, control how we live.

873

00:42:40,360 --> 00:42:46,200

But they're people, just human beings, just like you and me.

874

00:42:46,240 --> 00:42:47,440

Keep fighting.

875

00:42:47,440 --> 00:42:50,900

I'm Jesse Ventura and this is Conspiracy Theory.
