

1

00:00:00,000 --> 00:00:07,000

Hidden power, secrets, cover-ups, corruption.

2

00:00:07,000 --> 00:00:13,000

You think you know the whole story?

3

00:00:13,000 --> 00:00:16,000

Think again.

4

00:00:16,000 --> 00:00:22,000

I've been governor, a Navy SEAL, a fighter.

5

00:00:22,000 --> 00:00:25,000

I've heard things that'll blow your mind,

6

00:00:25,000 --> 00:00:29,000

and now I think it's time you get the whole story.

7

00:00:29,000 --> 00:00:34,000

Now, time is running out.

8

00:00:34,000 --> 00:00:37,000

As Jesse investigates a conspiracy...

9

00:00:37,000 --> 00:00:38,000

They know something's coming.

10

00:00:38,000 --> 00:00:40,000

...to launch worldwide chaos...

11

00:00:40,000 --> 00:00:42,000

Isn't financial collapse?

12

00:00:42,000 --> 00:00:44,000

Are they getting ready for World War III?

13

00:00:44,000 --> 00:00:46,000

...a powerful group,

14

00:00:46,000 --> 00:00:48,000

bans on overthrowing our government,

15

00:00:48,000 --> 00:00:50,000

and taking over the world

16

00:00:50,000 --> 00:00:54,000

from a command post in the American heartland.

17

00:00:54,000 --> 00:00:57,000

Why would anybody want to hide out there?

18

00:00:57,000 --> 00:01:00,000

Jesse's team hits the ground running.

19

00:01:00,000 --> 00:01:03,000

I want you in and out of the shadows in this town.

20

00:01:03,000 --> 00:01:05,000

It finds that something very strange...

21

00:01:05,000 --> 00:01:08,000

How often are these earthquakes occurring?

22

00:01:08,000 --> 00:01:09,000

Four, five, ten a day.

23

00:01:09,000 --> 00:01:10,000

...is happening.

24

00:01:10,000 --> 00:01:15,000

A private house has a front for a government operation center.

25

00:01:15,000 --> 00:01:17,000

Jesse clashes with the local law.

26

00:01:17,000 --> 00:01:20,000

You're gonna put a governor face down on the dirt?

27

00:01:20,000 --> 00:01:22,000

He goes to extremes.

28

00:01:22,000 --> 00:01:27,000

We're meeting the white rabbit on the Wizard of Oz on an ark.

29

00:01:27,000 --> 00:01:29,000

But it may be too late.

30

00:01:29,000 --> 00:01:31,000

The Illuminati symbolism is everywhere.

31

00:01:31,000 --> 00:01:33,000

As he heads underground...

32

00:01:33,000 --> 00:01:34,000

Should we be scared?

33

00:01:34,000 --> 00:01:35,000

We should be scared.

34

00:01:35,000 --> 00:01:39,000

...to uncover the Ozarks' conspiracy.

35

00:01:39,000 --> 00:01:44,000

I'm Jesse Ventura, and this is Conspiracy Theory.

36

00:01:44,000 --> 00:01:48,000

Jesse Ventura is staging a kamikaze raid

37

00:01:48,000 --> 00:01:53,000

on a secret underground lair.

38

00:01:53,000 --> 00:01:58,000

An investigation into a shocking conspiracy has led here...

39

00:01:58,000 --> 00:02:02,000

This doorway to a hidden fortress.

40

00:02:02,000 --> 00:02:04,000

Oh, look at this place.

41

00:02:04,000 --> 00:02:07,000

The doorway to a new world.

42

00:02:07,000 --> 00:02:09,000

But the end of ours.

43

00:02:09,000 --> 00:02:11,000

Do you think they're watching us?

44

00:02:11,000 --> 00:02:15,000

When this one began, I thought I already knew it all.

45

00:02:15,000 --> 00:02:20,000

All those stories about the world being run by some secret elite group.

46

00:02:20,000 --> 00:02:24,000

To me, they were something you could never come close to proving.

47

00:02:24,000 --> 00:02:28,000

And then I got a call from Anthony Hilder.

48

00:02:28,000 --> 00:02:32,000

This must be the man I'm looking for right here.

49

00:02:32,000 --> 00:02:37,000

This Paul Maher man is a man who's been in the dark for a long time.

50

00:02:37,000 --> 00:02:40,000

This must be the man I'm looking for right here.

51

00:02:40,000 --> 00:02:45,000

This Paul McCartney looking guy is a big name in the conspiracy field.

52

00:02:45,000 --> 00:02:50,000

He spent 30 years making documentaries about the secret elite.

53

00:02:50,000 --> 00:02:54,000

And now, he says, they're ready to make their biggest move yet.

54

00:02:54,000 --> 00:02:56,000

Okay, what do you got for me?

55

00:02:56,000 --> 00:02:58,000

Why am I meeting you?

56

00:02:58,000 --> 00:03:02,000

You're meeting me because there's a war against the people of the world.

57

00:03:02,000 --> 00:03:05,000

They're out hitlering Hitler at the height of his hysteria.

58

00:03:05,000 --> 00:03:10,000

They're out murdering Mao, intending to kill 95% of the people.

59

00:03:10,000 --> 00:03:12,000

And who's they?

60

00:03:12,000 --> 00:03:14,000

They is the Illuminati.

61

00:03:14,000 --> 00:03:20,000

Those who control the managed media, those who control the currency, and the commerce.

62

00:03:20,000 --> 00:03:24,000

The oligarchy of evil, it controls the world, the evilarchy.

63

00:03:24,000 --> 00:03:27,000

Right. The Illuminati.

64

00:03:27,000 --> 00:03:30,000

That secret organization that runs the world.

65

00:03:30,000 --> 00:03:34,000

Controlling currencies by causing financial crisis.

66

00:03:34,000 --> 00:03:37,000

Controlling nations through wars.

67

00:03:37,000 --> 00:03:41,000

Cutting the population through famine and vaccines.

68

00:03:41,000 --> 00:03:47,000

Even promoting inner city crime through the violent lyrics in rap music.

69

00:03:47,000 --> 00:03:50,000

I'm always hearing about the Illuminati.

70

00:03:50,000 --> 00:03:53,000

I'm still waiting for somebody to nail them down.

71

00:03:53,000 --> 00:03:56,000

They want to kill us.

72

00:03:56,000 --> 00:04:01,000

This plan isn't down the road. It's right here. It's right now.

73

00:04:01,000 --> 00:04:02,000

Now.

74

00:04:02,000 --> 00:04:06,000

And this guy, I'm starting to think he might be a quack.

75

00:04:06,000 --> 00:04:09,000

I figure there's one question I better get out of the way.

76

00:04:09,000 --> 00:04:12,000

What do you say to people that say you're nuts, you're crazy?

77

00:04:12,000 --> 00:04:15,000

Well, we say take a look at the facts.

78

00:04:15,000 --> 00:04:17,000

Exactly. Facts.

79

00:04:17,000 --> 00:04:20,000

And this is when things get urgent.

80

00:04:20,000 --> 00:04:22,000

And those facts are what?

81

00:04:22,000 --> 00:04:26,000

They're doing it now. They're going underground.

82

00:04:26,000 --> 00:04:29,000

It's like a ship. The ship is sinking.

83

00:04:29,000 --> 00:04:32,000

They're like rats. They're going to be like the rats.

84

00:04:32,000 --> 00:04:35,000

They're going to jump ship. They're going to go out to the Ozarks.

85

00:04:35,000 --> 00:04:39,000

You're telling me the Ozarks?

86

00:04:39,000 --> 00:04:45,000

The Ozarks. That big region smack in the center of the United States.

87

00:04:45,000 --> 00:04:51,000

Parts of Missouri, Arkansas, Kansas and Oklahoma.

88

00:04:51,000 --> 00:04:55,000

The Ozarks. Where hillbillies live. That's where they can be safest.

89

00:04:55,000 --> 00:04:58,000

This is like a James Bond story.

90

00:04:58,000 --> 00:05:05,000

What you're telling me is down in the Ozarks, they're building places underground

91

00:05:05,000 --> 00:05:09,000

where they can survive this turmoil that will happen here above ground.

92

00:05:09,000 --> 00:05:13,000

That's where Jesse Ventura comes in to go out there and do this investigation.

93

00:05:13,000 --> 00:05:16,000

And if I go to the Ozarks, I'll be convinced this is happening.

94

00:05:16,000 --> 00:05:21,000

Right. It'll no longer be conspiracy theory. It'll be conspiracy facts.

95

00:05:24,000 --> 00:05:26,000

Jesse gets his team on the case.

96

00:05:26,000 --> 00:05:28,000

This is what we got.

97

00:05:28,000 --> 00:05:35,000

Investigator June Sarbog, Braverman, Jesse's advisor, and the new blood,

98

00:05:35,000 --> 00:05:42,000

John Stone, son of director Oliver Stone, and Jesse's son Tyrell.

99

00:05:42,000 --> 00:05:46,000

This is basically the entire Ozark region in the middle of the country.

100

00:05:46,000 --> 00:05:49,000

It extends all the way from Arkansas into Missouri.

101

00:05:49,000 --> 00:05:53,000

Why would anybody want to hide out there of all places?

102

00:05:53,000 --> 00:05:57,000

Actually, Governor, from my research, I think this would be a great place to hide.

103

00:05:57,000 --> 00:06:01,000

They've got tunnels everywhere, fresh water supply, lots of food.

104

00:06:01,000 --> 00:06:03,000

You're going to hide anywhere. It'd be there.

105

00:06:03,000 --> 00:06:04,000

No kidding.

106

00:06:04,000 --> 00:06:06,000

Well, this whole region is totally Illuminati.

107

00:06:06,000 --> 00:06:12,000

Wait a minute, Sean. How do we even truly know the Illuminati really exist?

108

00:06:12,000 --> 00:06:21,000

Okay. We know for historical fact that the Illuminati was organized by a guy named Adam Weishaupt in 1776,

109

00:06:21,000 --> 00:06:23,000

the Star Declaration of Independence.

110

00:06:23,000 --> 00:06:27,000

The agenda is a new world order, and that's the same agenda that they still have.

111

00:06:27,000 --> 00:06:30,000

Now, how do you know that today?

112

00:06:30,000 --> 00:06:34,000

Because I've been contacted by them.

113

00:06:34,000 --> 00:06:37,000

Someone within the Illuminati called you.

114

00:06:37,000 --> 00:06:38,000

Why would they call you?

115

00:06:38,000 --> 00:06:42,000

We have contacts within it. All this is very real.

116

00:06:42,000 --> 00:06:47,000

Sean is really out there, but I'm hoping he comes in handy.

117

00:06:47,000 --> 00:06:49,000

I find it hard to believe.

118

00:06:49,000 --> 00:06:55,000

Well, clearly we've got to start doing our research. Let's get out there and learn what we can learn.

119

00:06:55,000 --> 00:06:56,000

Yeah.

120

00:06:56,000 --> 00:07:01,000

You're going to get any Illuminati calls if we do that?

121

00:07:01,000 --> 00:07:06,000

They call me. I don't call them.

122

00:07:06,000 --> 00:07:11,000

Jesse sends Tyrell and Sean to get the goods.

123

00:07:11,000 --> 00:07:16,000

First step? Finding out if the Illuminati is real.

124

00:07:16,000 --> 00:07:20,000

Sean has an underground connection.

125

00:07:20,000 --> 00:07:26,000

He rides off into the night to find her.

126

00:07:26,000 --> 00:07:31,000

Tyrell arrives in downtown L.A. to meet Mark Dice.

127

00:07:31,000 --> 00:07:38,000

Dice is an author, activist, and well-known Illuminati fellow.

128

00:07:38,000 --> 00:07:50,000

The Los Angeles Public Library featured prominently on the top is a pyramid with a torch of illumination on the very capstone of the pyramid.

129

00:07:50,000 --> 00:07:51,000

Oh, wow.

130

00:07:51,000 --> 00:07:57,000

To the initiated, to the Illuminati, it's the symbol of power.

131

00:07:57,000 --> 00:08:00,000

Right on top of the library in downtown Los Angeles.

132

00:08:00,000 --> 00:08:04,000

The Illuminati symbolism is everywhere.

133

00:08:04,000 --> 00:08:06,000

What are the Illuminati?

134

00:08:06,000 --> 00:08:10,000

The Illuminati is basically the pinnacle of secret societies.

135

00:08:10,000 --> 00:08:15,000

It's the top level of intersecting secret societies.

136

00:08:15,000 --> 00:08:18,000

It's an international mafia, essentially.

137

00:08:18,000 --> 00:08:25,000

People that have started these multinational banking corporations are Illuminati.

138

00:08:25,000 --> 00:08:28,000

They run the media. They decide who's going to get elected.

139

00:08:28,000 --> 00:08:32,000

They're powerful people.

140

00:08:32,000 --> 00:08:37,000

We've gotten word that the Illuminati are making strong moves into the Ozarks.

141

00:08:37,000 --> 00:08:38,000

Does that make any sense to you?

142

00:08:38,000 --> 00:08:39,000

Absolutely.

143

00:08:39,000 --> 00:08:40,000

Really.

144

00:08:40,000 --> 00:08:49,000

It's a secluded area that in the event of a catastrophe would most likely remain untouched.

145

00:08:49,000 --> 00:08:54,000

Far from the city, Sean Stone finds his contact.

146

00:08:54,000 --> 00:08:58,000

Lisa LaRue is a Cherokee Indian.

147

00:08:58,000 --> 00:09:05,000

Privy to secrets, passed on for generations.

148

00:09:05,000 --> 00:09:07,000

Do you know why the Illuminati is interested in the Ozarks?

149

00:09:07,000 --> 00:09:14,000

There's a lot of caves and a lot of tunnels, places where people can hide things.

150

00:09:14,000 --> 00:09:17,000

The way you describe the tunnels, it makes it sound as though they're very intricate.

151

00:09:17,000 --> 00:09:20,000

They're connected caves. They're not simply random.

152

00:09:20,000 --> 00:09:21,000

Yes.

153

00:09:21,000 --> 00:09:23,000

They go for thousands of miles.

154

00:09:23,000 --> 00:09:29,000

They've been used for many, many years for lots of secret type of things.

155

00:09:29,000 --> 00:09:35,000

So we hear the Illuminati activity in the Ozarks is increasing on a daily basis.

156

00:09:35,000 --> 00:09:36,000

What's really going on now?

157

00:09:36,000 --> 00:09:38,000

There's a lot of construction.

158

00:09:38,000 --> 00:09:41,000

There's been a lot of mysterious things happening lately.

159

00:09:41,000 --> 00:09:52,000

A lot of earthquakes, a lot of the disturbances indicate to me that a lot of people are something going on underground.

160

00:09:52,000 --> 00:09:57,000

What are some of the other signs in that region that the Illuminati are moving in?

161

00:09:57,000 --> 00:10:02,000

Well, there's a very strange compound that's being built there.

162

00:10:02,000 --> 00:10:05,000

I would call it a bunker, okay?

163

00:10:05,000 --> 00:10:12,000

It's a fully off-the-grid, self-sustaining, massive compound,

164

00:10:12,000 --> 00:10:21,000

which really I think the sole purpose of it is to function as the new capital of the United States or the world.

165

00:10:21,000 --> 00:10:28,000

It's reasonable to believe that the compound is also accessible via underground tunnels that span the country

166

00:10:28,000 --> 00:10:32,000

and connect numerous important places around the country.

167

00:10:32,000 --> 00:10:36,000

And as you're saying, essentially the Illuminati would use that house as a central command.

168

00:10:36,000 --> 00:10:37,000

Yes.

169

00:10:37,000 --> 00:10:39,000

Absolutely.

170

00:10:39,000 --> 00:10:43,000

The Illuminati seem to be digging around them, underground in the caves.

171

00:10:43,000 --> 00:10:45,000

If we were to go down there, would we run into these guys?

172

00:10:45,000 --> 00:10:49,000

All I can tell you, Sean, is be very, very careful.

173

00:10:49,000 --> 00:10:51,000

It could be really dangerous.

174

00:10:54,000 --> 00:10:58,000

Coming up, the mystery of the Ozarn's castle.

175

00:10:58,000 --> 00:11:04,000

A private house with giant thick concrete walls, bullet-proof glass, you name it.

176

00:11:04,000 --> 00:11:08,000

72,000 square feet. That's bigger than the White House.

177

00:11:08,000 --> 00:11:12,000

And the hunt for the man who could be key to the Illuminati takeover.

178

00:11:12,000 --> 00:11:18,000

This guy runs many of the spy satellites that are surveilling the world and the people of the United States.

179

00:11:18,000 --> 00:11:22,000

Then, Sean, I want you in and out of the shadows in this town.

180

00:11:22,000 --> 00:11:24,000

Jesse's team hits the Ozarn's.

181

00:11:24,000 --> 00:11:26,000

I hear this place goes underground.

182

00:11:26,000 --> 00:11:28,000

I'm sure it has a basement.

183

00:11:28,000 --> 00:11:34,000

And you won't believe what they find when conspiracy theory continues.

184

00:11:43,000 --> 00:11:52,000

Jesse Ventura and his team are racing the clock, investigating reports that the Illuminati is setting up headquarters in the Ozarn's.

185

00:11:52,000 --> 00:11:58,000

Tyrell and Sean have confirmed that underground construction is moving at a furious pace.

186

00:11:58,000 --> 00:12:02,000

And a giant project is being rushed to completion above.

187

00:12:02,000 --> 00:12:06,000

That would be the area where they would reconstitute the government.

188

00:12:06,000 --> 00:12:09,000

Is this evidence of a plot to take over the world?

189

00:12:10,000 --> 00:12:13,000

Jesse needs to find out.

190

00:12:15,000 --> 00:12:18,000

While June Sarpong finds even more reason for urgency.

191

00:12:19,000 --> 00:12:23,000

She's at an Occupy encampment where she finds Clyde Lewis.

192

00:12:25,000 --> 00:12:28,000

Lewis is a radio broadcaster and conspiracy researcher.

193

00:12:29,000 --> 00:12:33,000

He's taken heat for talking about the Illuminati end game.

194

00:12:33,000 --> 00:12:39,000

June, what you need to understand is that the things are happening now and the clock is ticking now.

195

00:12:39,000 --> 00:12:41,000

They want to initiate this to a new empire.

196

00:12:41,000 --> 00:12:47,000

You need to understand that they have this idea that out of chaos comes order, the new world order.

197

00:12:48,000 --> 00:12:55,000

Lewis's charges are explosive from the Occupy movement to the Arab Spring.

198

00:12:56,000 --> 00:13:03,000

He says the rebellion against the elite has been orchestrated by the elite, the Illuminati.

199

00:13:04,000 --> 00:13:08,000

Let's take a look around you. The financial meltdown, the mortgage crisis.

200

00:13:08,000 --> 00:13:11,000

We have people right now occupying certain areas of the United States.

201

00:13:11,000 --> 00:13:14,000

And what's happening with that? They're getting people riled up.

202

00:13:14,000 --> 00:13:17,000

That is the plan. Chaos and anarchy.

203

00:13:17,000 --> 00:13:22,000

So where would the Illuminati go when the Tuesday scenario actually happens?

204

00:13:22,000 --> 00:13:25,000

June, I believe that they're going to go underground.

205

00:13:25,000 --> 00:13:29,000

And then while they're underground safe and sound, we're going to turn on each other.

206

00:13:30,000 --> 00:13:32,000

Should we be scared?

207

00:13:32,000 --> 00:13:35,000

We should be scared. The clock is ticking now.

208

00:13:37,000 --> 00:13:40,000

Meanwhile, Jesse is concentrating on what's above ground.

209

00:13:42,000 --> 00:13:46,000

That mysterious compound going up outside the town of Ozark, Missouri.

210

00:13:47,000 --> 00:13:53,000

If this is just someone's vacation place, it's time to move on to the next conspiracy.

211

00:13:54,000 --> 00:14:00,000

And if anyone's going to know if it's the real deal, it's Alex Jones, my conspiracy tipster.

212

00:14:00,000 --> 00:14:02,000

Well, they're pointing you in the right direction.

213

00:14:02,000 --> 00:14:10,000

We've seen incredible Illuminati movements into that area because they believe it's one of the safest areas in North America during a disaster.

214

00:14:11,000 --> 00:14:16,000

They know something's coming and we need to find out are they getting ready for World War III?

215

00:14:16,000 --> 00:14:19,000

That's what must be looked into, Governor.

216

00:14:19,000 --> 00:14:23,000

Launching World War III from a house in the woods?

217

00:14:23,000 --> 00:14:29,000

Governor, this armored redoubt is everything that the anti-Illuminati movement has been afraid of.

218

00:14:29,000 --> 00:14:32,000

It signifies the globalist preparing for the collapse.

219

00:14:33,000 --> 00:14:39,000

Alex gives me the lowdown. That house? Totally self-sufficient.

220

00:14:39,000 --> 00:14:46,000

It's got its own water supply built to withstand a tornado or nuclear blast.

221

00:14:46,000 --> 00:14:51,000

Giant thick concrete walls, bulletproof glass, you name it.

222

00:14:51,000 --> 00:15:00,000

From our research, what we've determined is it is a private house that's basically being developed as a front for a government operations center,

223

00:15:00,000 --> 00:15:09,000

an ops center, but at the same time, this is a model to build armored fortresses that just look like regular nice mansion manors.

224

00:15:09,000 --> 00:15:15,000

This is no vacation place. Do the locals, are they aware of this down there?

225

00:15:15,000 --> 00:15:21,000

At first, there were a lot of stories coming out because of people working inside, but they had to sign nondisclosure agreements.

226

00:15:21,000 --> 00:15:27,000

Now they've kind of put out a PR spin story and say, oh, we're just building this to demonstrate these new building materials.

227

00:15:28,000 --> 00:15:35,000

I have talked to so many high-end construction company people who are in contact with me and they say all over the U.S.,

228

00:15:35,000 --> 00:15:42,000

rich former government contractors, CIA, NSA, and others are getting ready for something.

229

00:15:42,000 --> 00:15:46,000

It is just so important to find out what's happening with this Ozarks mystery.

230

00:15:49,000 --> 00:15:52,000

Listen up, people. I got some interesting information.

231

00:15:52,000 --> 00:16:01,000

This structure is right now currently being built in the Ozarks. Get a load of this. 72,000 square feet.

232

00:16:03,000 --> 00:16:04,000

It looks like a fortress more than a house.

233

00:16:05,000 --> 00:16:06,000

It does.

234

00:16:06,000 --> 00:16:12,000

72,000 square feet. In other words, this is bigger than the White House.

235

00:16:12,000 --> 00:16:19,000

The White House is 55,000 square feet, but I'll give you a better idea the size of this place.

236

00:16:19,000 --> 00:16:22,000

Think about the biggest houses you know.

237

00:16:22,000 --> 00:16:25,000

This is bigger than the Spelling Mansion in Beverly Hills.

238

00:16:25,000 --> 00:16:31,000

That Aaron Spelling Mansion you always hear about? 57,000.

239

00:16:31,000 --> 00:16:34,000

It's larger than Bill Gates's house.

240

00:16:34,000 --> 00:16:39,000

Bill Gates's place? 66,000 square feet.

241

00:16:39,000 --> 00:16:44,000

This building in the Ozarks is 72,000.

242

00:16:44,000 --> 00:16:49,000

And that's just the part you can see, the part above the ground.

243

00:16:49,000 --> 00:16:53,000

I must say I'm more interested by what's underneath this house than what you see on the surface.

244

00:16:53,000 --> 00:16:54,000

Why?

245

00:16:54,000 --> 00:16:57,000

Well, think about it. The structure of this size looks like a fortress.

246

00:16:57,000 --> 00:17:01,000

What's going on underneath could connect to the tunnels and caves we've been talking about in the Ozarks.

247

00:17:01,000 --> 00:17:07,000

You know what's really funny? I've been digging up some statistics about the Ozarks, and this is really interesting.

248

00:17:07,000 --> 00:17:09,000

There are a ton of banks being built.

249

00:17:09,000 --> 00:17:10,000

Banks?

250

00:17:10,000 --> 00:17:11,000

Banks.

251

00:17:11,000 --> 00:17:16,000

Now in New York, you have one bank per 7,000 people.

252

00:17:16,000 --> 00:17:20,000

In LA, one bank per 11,000 people.

253

00:17:20,000 --> 00:17:29,000

In a tiny region in Ozarks, a place called Mountain View Arkansas, you have one bank for 53 people.

254

00:17:29,000 --> 00:17:30,000

53?

255

00:17:30,000 --> 00:17:31,000

Oh, no.

256

00:17:31,000 --> 00:17:34,000

And LA one bank per 11,000?

257

00:17:34,000 --> 00:17:39,000

And this little tiny town, there's one bank for every 53 people.

258

00:17:39,000 --> 00:17:43,000

53 people couldn't even support a bank.

259

00:17:43,000 --> 00:17:46,000

Okay, so we have to find out what they're preparing for down here.

260

00:17:46,000 --> 00:17:48,000

Well, what will this money is doing here?

261

00:17:48,000 --> 00:17:49,000

No.

262

00:17:49,000 --> 00:17:52,000

Let's head to the Ozarks, people.

263

00:17:55,000 --> 00:18:03,000

Still ahead is the owner, billionaire, of the Ozarks Fortress, involved with the government, the head of the Illuminati.

264

00:18:03,000 --> 00:18:06,000

This guy sounds like black water of surveillance.

265

00:18:06,000 --> 00:18:08,000

Then, look at the name.

266

00:18:08,000 --> 00:18:13,000

One member of the conspiracy team, Ozark, takes a left turn at crazy.

267

00:18:13,000 --> 00:18:14,000

Ozark.

268

00:18:14,000 --> 00:18:21,000

And finds the mysterious white rabbit, who reveals the secrets of the Ozarks' caves.

269

00:18:21,000 --> 00:18:25,000

A few years ago, these were all open and now they're just closing them all out.

270

00:18:25,000 --> 00:18:28,000

And later, Jesse locks horns with the law.

271

00:18:28,000 --> 00:18:30,000

You're going to put a governor face down on the dirt.

272

00:18:30,000 --> 00:18:32,000

All ahead on conspiracy theory.

273

00:18:39,000 --> 00:18:52,000

From underground caves to a hilltop fortress, Jesse Ventura has solid leads that the Illuminati is building a base in the Ozarks.

274

00:18:52,000 --> 00:18:55,000

A hideout from a major catastrophe.

275

00:18:55,000 --> 00:18:59,000

Now, he and his team arrive in the Ozarks to get the proof.

276

00:19:02,000 --> 00:19:03,000

Here's the plan, guys.

277

00:19:03,000 --> 00:19:08,000

I think you and I should get all the background information we can get, learn what we can learn officially.

278

00:19:08,000 --> 00:19:13,000

Sean, I want you in and out of the shadows in this town.

279

00:19:13,000 --> 00:19:18,000

If there's string stuff happening here, Sean will find it out for sure.

280

00:19:18,000 --> 00:19:21,000

We'll all meet back later.

281

00:19:21,000 --> 00:19:28,000

While Sean rushes off to the shadows, Jesse and Tyrell stop at the local newspaper.

282

00:19:28,000 --> 00:19:33,000

Donna Osborne broke the story about the round-the-clock construction on the edge of town.

283

00:19:33,000 --> 00:19:41,000

We've got word that this place is like a monstrosity, 72,000 square feet.

284

00:19:41,000 --> 00:19:43,000

Yes, quite unusual indeed.

285

00:19:43,000 --> 00:19:48,000

Generally, when we have a structure of that size, it will come up in planning and zoning.

286

00:19:48,000 --> 00:19:50,000

And this did not come up in planning and zoning?

287

00:19:50,000 --> 00:19:56,000

It did not come up for public review in planning and zoning because it's a single family residence,

288

00:19:56,000 --> 00:19:59,000

which does not need a public hearing.

289

00:19:59,000 --> 00:20:05,000

I can't even add a bathroom to my house without having to clear it through the planning commission.

290

00:20:05,000 --> 00:20:09,000

This guy must have some powerful friends to keep all that a secret.

291

00:20:09,000 --> 00:20:13,000

So this is officially a single family home?

292

00:20:13,000 --> 00:20:16,000

It is permitted as a single family residence.

293

00:20:16,000 --> 00:20:18,000

That's a hell of a single family home.

294

00:20:18,000 --> 00:20:24,000

And there was some speculation about it being a government type installation, which is what my first thought was.

295

00:20:24,000 --> 00:20:25,000

Really?

296

00:20:25,000 --> 00:20:26,000

Something that big.

297

00:20:26,000 --> 00:20:27,000

What makes you think that?

298

00:20:27,000 --> 00:20:30,000

It's just big and it's fortified.

299

00:20:30,000 --> 00:20:32,000

Yeah, but who owns this place?

300

00:20:32,000 --> 00:20:35,000

Somebody's got to be signing the bills.

301

00:20:35,000 --> 00:20:45,000

We did some research and we found out that it was owned under Stephen Huff LLC from Leesburg, Virginia.

302

00:20:45,000 --> 00:20:52,000

And we found his name associated with some defense contracting with something called Overwatch Systems,

303

00:20:52,000 --> 00:20:57,000

which is geospatial surveillance satellites.

304

00:20:57,000 --> 00:21:02,000

Sloanana, is it so he is involved with the government in surveillance?

305

00:21:02,000 --> 00:21:08,000

Well, I suspect if the government wants to read the newspaper over our shoulders,

306

00:21:08,000 --> 00:21:14,000

the satellite technology might be developed by somebody like Stephen Huff.

307

00:21:16,000 --> 00:21:18,000

Overwatch, the all seeing eye.

308

00:21:18,000 --> 00:21:25,000

Many conspiracy theorists have called the Overwatch Corporation an Illuminati tool.

309

00:21:25,000 --> 00:21:37,000

And they point to the eye in its logo, all seeing, all powerful, all knowing, a symbol of the Illuminati.

310

00:21:37,000 --> 00:21:42,000

So this has the potential to even be domestic spying.

311

00:21:42,000 --> 00:21:46,000

And who is Stephen Huff?

312

00:21:46,000 --> 00:21:48,000

He's a billionaire.

313

00:21:48,000 --> 00:21:53,000

The mainstream media refers to him as a software entrepreneur.

314

00:21:53,000 --> 00:21:58,000

For some reason, the mainstream media ignores his official biography.

315

00:21:58,000 --> 00:22:03,000

Stephen Huff began his career in US Army Intelligence.

316

00:22:03,000 --> 00:22:10,000

Then he moved up the ladder and became an officer in the CIA.

317

00:22:11,000 --> 00:22:13,000

Does his background bother you at all?

318

00:22:13,000 --> 00:22:19,000

It certainly lends credibility to it being something other than what it stated to be.

319

00:22:19,000 --> 00:22:23,000

And that may be why he wanted to keep it so secret.

320

00:22:23,000 --> 00:22:25,000

I think next we gotta go out and get a view of this house.

321

00:22:25,000 --> 00:22:27,000

Well, you can talk to the sheriff.

322

00:22:30,000 --> 00:22:32,000

Let's go over and talk to the sheriff.

323

00:22:32,000 --> 00:22:34,000

Yep, I think that's her next move.

324

00:22:34,000 --> 00:22:37,000

See if he'll take us up to the house or whatever and go from there.

325

00:22:37,000 --> 00:22:39,000

Whoa, whoa, Sean, what the hell did you find?

326

00:22:39,000 --> 00:22:41,000

Look, look at what?

327

00:22:41,000 --> 00:22:43,000

Look at what? What are we talking about here?

328

00:22:43,000 --> 00:22:44,000

Look at the name.

329

00:22:44,000 --> 00:22:45,000

Name?

330

00:22:45,000 --> 00:22:46,000

What's the name of the town?

331

00:22:46,000 --> 00:22:48,000

Ozark Main Street.

332

00:22:48,000 --> 00:22:49,000

Oh no.

333

00:22:49,000 --> 00:22:51,000

Break it down.

334

00:22:51,000 --> 00:22:53,000

Ozark Main Street.

335

00:22:53,000 --> 00:22:54,000

Oz.

336

00:22:54,000 --> 00:22:55,000

Oz.

337

00:22:55,000 --> 00:22:56,000

Oz.

338

00:22:56,000 --> 00:22:57,000

Oz, arc.

339

00:22:57,000 --> 00:22:59,000

Arc of Oz, okay.

340

00:22:59,000 --> 00:23:01,000

But that's the name of the town.

341

00:23:01,000 --> 00:23:02,000

I know.

342

00:23:02,000 --> 00:23:03,000

Oz is an Illuminati name.

343

00:23:03,000 --> 00:23:05,000

It's the Wizard of Oz.

344

00:23:05,000 --> 00:23:06,000

Okay.

345

00:23:06,000 --> 00:23:12,000

Oz, either Sean got into a moonshine still or he's on to something.

346

00:23:12,000 --> 00:23:17,000

This Illuminati has been out here a lot longer than anyone suspects.

347

00:23:17,000 --> 00:23:19,000

It's called Illuminati Programming, like Oz.

348

00:23:19,000 --> 00:23:21,000

Like Oz Wall, you know, it's like, it's not coincidence.

349

00:23:21,000 --> 00:23:22,000

It's Osama Bin Laden.

350

00:23:22,000 --> 00:23:25,000

Oz is always an indication of some kind of Illuminati program operation.

351

00:23:25,000 --> 00:23:27,000

I met this guy, White Rabbit.

352

00:23:27,000 --> 00:23:29,000

It's another Alice in Wonderland.

353

00:23:29,000 --> 00:23:30,000

It's another program.

354

00:23:30,000 --> 00:23:31,000

Right, yeah.

355

00:23:31,000 --> 00:23:32,000

They use for mind control operations.

356

00:23:32,000 --> 00:23:35,000

White Rabbit, Arc of Oz.

357

00:23:35,000 --> 00:23:39,000

It all sounds crazy to me, but this is why Sean is on the team.

358

00:23:39,000 --> 00:23:41,000

I've got to let him go his way.

359

00:23:41,000 --> 00:23:42,000

Arc of Oz.

360

00:23:42,000 --> 00:23:45,000

So the house, I mean, it's basically a fortress, a compound.

361

00:23:45,000 --> 00:23:46,000

It's not a house.

362

00:23:46,000 --> 00:23:49,000

You got to get inside there and find out and go underground, underneath the house.

363

00:23:49,000 --> 00:23:50,000

Okay.

364

00:23:50,000 --> 00:23:54,000

You check underground, we'll check him up.

365

00:23:54,000 --> 00:23:58,000

My rabbit?

366

00:23:58,000 --> 00:24:00,000

Yeah.

367

00:24:00,000 --> 00:24:02,000

Sean meets his connection.

368

00:24:02,000 --> 00:24:06,000

White Rabbit is a local who explores Ozark's caves and tunnels.

369

00:24:06,000 --> 00:24:07,000

Right.

370

00:24:07,000 --> 00:24:11,000

He keeps track of what's been closed off or under construction.

371

00:24:11,000 --> 00:24:15,000

Then he posts the information online.

372

00:24:15,000 --> 00:24:21,000

He's got reason to keep his identity hidden, but he has a lot to show Sean.

373

00:24:21,000 --> 00:24:23,000

So what do we got here?

374

00:24:23,000 --> 00:24:27,000

That's the cave that used to be accessible, and now it's blocked off.

375

00:24:27,000 --> 00:24:32,000

This network of caves and tunnels is extensive enough to form underground cities.

376

00:24:32,000 --> 00:24:36,000

This is where Illuminati leaders can hide from the World War III.

377

00:24:36,000 --> 00:24:38,000

They start.

378

00:24:38,000 --> 00:24:39,000

So we're down here.

379

00:24:39,000 --> 00:24:41,000

Where is the Huff House?

380

00:24:41,000 --> 00:24:43,000

It's up in here.

381

00:24:43,000 --> 00:24:44,000

And we're down here right now, right?

382

00:24:44,000 --> 00:24:46,000

Yeah.

383

00:24:46,000 --> 00:24:49,000

A few years ago, these were all open and now they're just closing them all out.

384

00:24:49,000 --> 00:24:51,000

But there's others around here we can check out.

385

00:24:51,000 --> 00:24:52,000

Yeah, there's others.

386

00:24:52,000 --> 00:24:56,000

Let's see what we can find.

387

00:24:56,000 --> 00:25:00,000

Meanwhile, June has made a connection of her own.

388

00:25:00,000 --> 00:25:03,000

She's in Mountain View, Arkansas.

389

00:25:03,000 --> 00:25:07,000

That's the hillbilly town where all those banks are springing up,

390

00:25:07,000 --> 00:25:15,000

where many suspect the Illuminati is hoarding money for the post-apocalyptic world.

391

00:25:15,000 --> 00:25:21,000

Whether it is a man-made Armageddon or whether it is the end of all times,

392

00:25:21,000 --> 00:25:25,000

something is going on.

393

00:25:25,000 --> 00:25:29,000

A local historian, Frida Cruz, drives June around her hometown.

394

00:25:29,000 --> 00:25:34,000

A town that's undergoing some strange changes.

395

00:25:34,000 --> 00:25:35,000

Let's drive you up through here.

396

00:25:35,000 --> 00:25:37,000

We have a little bank up here.

397

00:25:37,000 --> 00:25:40,000

The Bank of Mountain View is owned by the Hinkle family.

398

00:25:40,000 --> 00:25:42,000

And this was our only bank.

399

00:25:42,000 --> 00:25:44,000

For the whole New York.

400

00:25:44,000 --> 00:25:46,000

Everybody banked there.

401

00:25:46,000 --> 00:25:50,000

Then all of a sudden there was an influx of banks into the town.

402

00:25:50,000 --> 00:25:51,000

Yes.

403

00:25:51,000 --> 00:25:53,000

I'll point out a few to you as we drive through here.

404

00:25:53,000 --> 00:25:58,000

This is First Security Bank, you know, huge bank.

405

00:25:58,000 --> 00:26:01,000

And up here you have two more banks.

406

00:26:01,000 --> 00:26:04,000

Those are all new banks.

407

00:26:04,000 --> 00:26:08,000

But it's what's underground that's really got folks shaken.

408

00:26:08,000 --> 00:26:10,000

We've never had earthquakes.

409

00:26:10,000 --> 00:26:12,000

Earthquakes.

410

00:26:12,000 --> 00:26:15,000

Caused by work in the caves.

411

00:26:15,000 --> 00:26:21,000

It's just unbelievable the amount of building that's going on.

412

00:26:21,000 --> 00:26:27,000

They're basically turning their head to the fact that it's causing earthquakes.

413

00:26:27,000 --> 00:26:28,000

Wow.

414

00:26:28,000 --> 00:26:30,000

And how often are these earthquakes occurring now?

415

00:26:30,000 --> 00:26:32,000

Four, five, ten a day.

416

00:26:32,000 --> 00:26:34,000

Frida Cruz is not exaggerating.

417

00:26:34,000 --> 00:26:40,000

In 2009, the state of Arkansas reported 36 earthquakes.

418

00:26:40,000 --> 00:26:45,000

In 2011, 788.

419

00:26:45,000 --> 00:26:49,000

That's a 2,000% increase.

420

00:26:49,000 --> 00:26:54,000

That's like California getting more than 6 million earthquakes in a year.

421

00:26:54,000 --> 00:27:02,000

In fact, yesterday I think it was, we had the largest earthquake we've had on record.

422

00:27:02,000 --> 00:27:04,000

Back in Ozark.

423

00:27:04,000 --> 00:27:06,000

You must be Sheriff Joe Kyle.

424

00:27:06,000 --> 00:27:07,000

It'd be me.

425

00:27:07,000 --> 00:27:13,000

The local sheriff says he's been deputized to take Jesse and Tyrell up to the Huff House.

426

00:27:13,000 --> 00:27:16,000

Jesse looks forward to meeting the man behind the curtain.

427

00:27:17,000 --> 00:27:21,000

I understand you've got a pretty interesting home that got built here that I need to look at.

428

00:27:21,000 --> 00:27:24,000

Yeah, it's a rather large house. We call it the castle.

429

00:27:24,000 --> 00:27:25,000

The castle.

430

00:27:25,000 --> 00:27:26,000

Let's go see the castle.

431

00:27:26,000 --> 00:27:27,000

Right this way.

432

00:27:27,000 --> 00:27:30,000

While Sean investigates the caves firsthand.

433

00:27:30,000 --> 00:27:34,000

So this cave we're going into, this is man-made or natural?

434

00:27:34,000 --> 00:27:35,000

Partially man-made.

435

00:27:35,000 --> 00:27:38,000

There's pig marks and boar marks.

436

00:27:38,000 --> 00:27:40,000

So what have you found?

437

00:27:40,000 --> 00:27:42,000

The police, a bug in you.

438

00:27:42,000 --> 00:27:45,000

You said you've been arrested a few times.

439

00:27:45,000 --> 00:27:47,000

Do they're doing this down these caves?

440

00:27:47,000 --> 00:27:50,000

There's something in these places they don't like we see and they're showing everybody.

441

00:27:52,000 --> 00:27:54,000

I don't like refilling.

442

00:27:59,000 --> 00:28:01,000

How deep is this go?

443

00:28:04,000 --> 00:28:05,000

Coming up.

444

00:28:05,000 --> 00:28:07,000

Deep in the caves.

445

00:28:07,000 --> 00:28:10,000

Sean makes a shocking discovery.

446

00:28:10,000 --> 00:28:12,000

Just get out of here man, this is not good.

447

00:28:12,000 --> 00:28:14,000

But will he get out in time?

448

00:28:16,000 --> 00:28:17,000

And later.

449

00:28:17,000 --> 00:28:18,000

Let me get stopped.

450

00:28:18,000 --> 00:28:20,000

An amazing sight.

451

00:28:20,000 --> 00:28:21,000

Look at this place.

452

00:28:21,000 --> 00:28:26,000

Will have you convinced that this conspiracy theory is real.

453

00:28:26,000 --> 00:28:30,000

You could definitely hide out from the world of the bugs.

454

00:28:30,000 --> 00:28:49,000

Jesse Ventura and his son Tyrell are rolling toward a massive mystery mansion under construction outside Ozark, Missouri.

455

00:28:49,000 --> 00:28:54,000

Word is the place is an Illuminati Death Star.

456

00:28:54,000 --> 00:29:00,000

Jesse wants to confront the owner, a billionaire and former agent for the CIA.

457

00:29:05,000 --> 00:29:12,000

Sean Stone is a few miles away with an Illuminati investigator who calls himself White Rabbit.

458

00:29:12,000 --> 00:29:18,000

He's seeing how the Death Star may be connected to thousands of miles of caves and tunnels.

459

00:29:19,000 --> 00:29:26,000

And June Sarpong is in Arkansas, where locals are very aware that something strange is brewing.

460

00:29:28,000 --> 00:29:32,000

Pastor Lois Monroe insists the Illuminati has moved into her community.

461

00:29:32,000 --> 00:29:35,000

She fights them by preaching.

462

00:29:37,000 --> 00:29:40,000

God has an army.

463

00:29:40,000 --> 00:29:43,000

The army that will not break rank.

464

00:29:43,000 --> 00:29:47,000

And that they all fight the kingdom of darkness.

465

00:29:49,000 --> 00:29:53,000

So do you think there are new dark forces in Mountain View?

466

00:29:53,000 --> 00:29:58,000

There is dark forces everywhere. That's why he's saying that he has people here.

467

00:29:58,000 --> 00:30:04,000

So do you believe that there is a sort of a world order, as it were, that's against?

468

00:30:04,000 --> 00:30:05,000

Very much so.

469

00:30:05,000 --> 00:30:06,000

Of course you believe.

470

00:30:06,000 --> 00:30:07,000

Oh yes.

471

00:30:07,000 --> 00:30:08,000

The Illuminati.

472

00:30:08,000 --> 00:30:09,000

Oh yes.

473

00:30:09,000 --> 00:30:13,000

Look into the background of it. You'll see it's all linked together.

474

00:30:13,000 --> 00:30:20,000

Now I hear this thing is 72,000 square feet.

475

00:30:20,000 --> 00:30:26,000

I would guess that that's probably very true. I mean, it's a huge building.

476

00:30:26,000 --> 00:30:29,000

I mean, it's just, it's more like a house.

477

00:30:29,000 --> 00:30:31,000

Yeah, it's more like a government building.

478

00:30:33,000 --> 00:30:36,000

Did he just say government building?

479

00:30:36,000 --> 00:30:40,000

Like a headquarters for that new world order after the big war?

480

00:30:40,000 --> 00:30:44,000

I'd like to know where they got the money. If they're a government contractor,

481

00:30:44,000 --> 00:30:48,000

our government paid these guys enough that they're billionaires?

482

00:30:49,000 --> 00:30:52,000

Again, you know, I'm just a public official.

483

00:30:52,000 --> 00:30:55,000

Oh yeah, I'm just, I can't speculate.

484

00:30:57,000 --> 00:31:03,000

While we're getting closer, Sean's getting deeper into the caves,

485

00:31:03,000 --> 00:31:06,000

maybe even approaching the house from a different angle.

486

00:31:06,000 --> 00:31:09,000

Yeah, hi, how is this ceiling?

487

00:31:09,000 --> 00:31:14,000

Oh, probably 23 feet, I mean, with these spikes and the pic marks down here

488

00:31:14,000 --> 00:31:16,000

where they've been digging and making it bigger.

489

00:31:18,000 --> 00:31:21,000

You know, I'll bet if we could get close enough to that huff house,

490

00:31:21,000 --> 00:31:24,000

we could find caves that would lead us right to it.

491

00:31:24,000 --> 00:31:26,000

Probably so.

492

00:31:26,000 --> 00:31:28,000

Oh.

493

00:31:38,000 --> 00:31:39,000

Hold on.

494

00:31:39,000 --> 00:31:41,000

Whoa, whoa, whoa.

495

00:31:41,000 --> 00:31:44,000

I think I heard something up there. This is not good.

496

00:31:47,000 --> 00:31:49,000

Can you hear that?

497

00:31:49,000 --> 00:31:50,000

Yeah.

498

00:31:52,000 --> 00:31:53,000

Let's get out of here.

499

00:31:53,000 --> 00:31:55,000

Sean heard something in that cave.

500

00:31:55,000 --> 00:31:58,000

I'm about to see that fortress up close.

501

00:31:58,000 --> 00:32:00,000

At least I think I am.

502

00:32:02,000 --> 00:32:03,000

Oh, wow.

503

00:32:03,000 --> 00:32:05,000

That's the building up on the hill.

504

00:32:05,000 --> 00:32:06,000

Yes, you can see.

505

00:32:06,000 --> 00:32:07,000

Wow, look at that.

506

00:32:07,000 --> 00:32:10,000

From back here, you don't really get how big it is.

507

00:32:10,000 --> 00:32:11,000

Right, right, right.

508

00:32:11,000 --> 00:32:13,000

I'm sure as we get closer to it, it'll be much larger

509

00:32:13,000 --> 00:32:14,000

because it's pretty far off.

510

00:32:14,000 --> 00:32:18,000

Well, unfortunately, this is the best view you're going to get of it right here.

511

00:32:18,000 --> 00:32:19,000

I got the money.

512

00:32:19,000 --> 00:32:22,000

Well, unfortunately, this is the best view you're going to get of it right here.

513

00:32:22,000 --> 00:32:24,000

I got news for this guy.

514

00:32:24,000 --> 00:32:27,000

I didn't come all this way to be stopped here.

515

00:32:27,000 --> 00:32:29,000

We're going up the road.

516

00:32:29,000 --> 00:32:30,000

You know what it reminds me of?

517

00:32:30,000 --> 00:32:32,000

Tyria 51.

518

00:32:32,000 --> 00:32:36,000

As you pull up to it, a vehicle will come up on the ridge.

519

00:32:36,000 --> 00:32:39,000

And if you cross that, they will come down

520

00:32:39,000 --> 00:32:42,000

and then put your face down in the dirt with weapons.

521

00:32:44,000 --> 00:32:47,000

You're going to put a governor face down on the dirt.

522

00:32:50,000 --> 00:32:52,000

Coming up.

523

00:32:52,000 --> 00:32:54,000

We're going to go up to the house.

524

00:32:54,000 --> 00:32:57,000

Jesse orders the sheriff to show him the Illuminati Command Center.

525

00:32:57,000 --> 00:32:59,000

Look at the size of this place.

526

00:32:59,000 --> 00:33:00,000

And later.

527

00:33:00,000 --> 00:33:06,000

We're meeting the white rabbit on the Wizard of Oz on an Ark.

528

00:33:07,000 --> 00:33:10,000

Sean's mysterious informant leads them to a place.

529

00:33:10,000 --> 00:33:11,000

I'm a little scared.

530

00:33:11,000 --> 00:33:12,000

That will truly.

531

00:33:12,000 --> 00:33:16,000

You're saying this is like an entire city underground.

532

00:33:16,000 --> 00:33:17,000

Amaze you.

533

00:33:17,000 --> 00:33:20,000

That definitely answers the question of why here.

534

00:33:20,000 --> 00:33:23,000

That's coming up on conspiracy theory.

535

00:33:34,000 --> 00:33:37,000

Jesse Ventura is set to meet the owner of a massive fortress

536

00:33:37,000 --> 00:33:39,000

in the middle of the Ozarks.

537

00:33:40,000 --> 00:33:43,000

He's ready to confront the Illuminati.

538

00:33:44,000 --> 00:33:48,000

When the local sheriff tells him the meeting's been canceled,

539

00:33:48,000 --> 00:33:50,000

Jesse plays it cool.

540

00:33:51,000 --> 00:33:53,000

I hear this place goes underground.

541

00:33:53,000 --> 00:33:54,000

Does it?

542

00:33:54,000 --> 00:33:57,000

Well, I'm sure it has a basement.

543

00:33:59,000 --> 00:34:02,000

I've heard there's tunnels and caves all around you.

544

00:34:02,000 --> 00:34:03,000

Could this connect?

545

00:34:03,000 --> 00:34:05,000

Well, you know, there's caves all over the Degum state.

546

00:34:05,000 --> 00:34:06,000

Right.

547

00:34:06,000 --> 00:34:08,000

So it's entirely possible anywhere in the state

548

00:34:08,000 --> 00:34:10,000

you could have an underground complex.

549

00:34:11,000 --> 00:34:16,000

It sounds to me like they're preparing for some type of disaster.

550

00:34:16,000 --> 00:34:19,000

Well, I mean, that's the premise behind the building construction.

551

00:34:19,000 --> 00:34:21,000

They're planning for disaster.

552

00:34:21,000 --> 00:34:23,000

He just admitted it.

553

00:34:23,000 --> 00:34:24,000

What about the rest of us?

554

00:34:24,000 --> 00:34:27,000

Well, you know, I can't answer that question.

555

00:34:30,000 --> 00:34:33,000

Jesse tells the sheriff to get back on the phone

556

00:34:33,000 --> 00:34:35,000

and get him up to the house.

557

00:34:36,000 --> 00:34:38,000

All right, we're going to go up to the house,

558

00:34:38,000 --> 00:34:41,000

and if I can't find him, we'll just turn and leave.

559

00:34:41,000 --> 00:34:42,000

OK.

560

00:34:42,000 --> 00:34:43,000

Bye.

561

00:34:44,000 --> 00:34:48,000

Meanwhile, Sean Stone has made a fast escape

562

00:34:48,000 --> 00:34:51,000

from the caves that lead beneath the compound.

563

00:34:52,000 --> 00:34:54,000

His guide, the white rabbit, promises

564

00:34:54,000 --> 00:34:57,000

he's got something even more impressive in store.

565

00:34:58,000 --> 00:34:59,000

So if you think that's something,

566

00:34:59,000 --> 00:35:01,000

just wait and see what I've got to show you.

567

00:35:01,000 --> 00:35:02,000

All right, let's go.

568

00:35:05,000 --> 00:35:08,000

Sean is anxious to go along, but not alone.

569

00:35:11,000 --> 00:35:13,000

He wants Jesse to see for himself.

570

00:35:14,000 --> 00:35:19,000

But right now, Jesse is heading up the hill toward the mystery house,

571

00:35:19,000 --> 00:35:21,000

closing in on the Illuminati.

572

00:35:24,000 --> 00:35:26,000

And then it comes into view.

573

00:35:27,000 --> 00:35:29,000

This is the house here, huh?

574

00:35:29,000 --> 00:35:30,000

Look at this.

575

00:35:30,000 --> 00:35:31,000

Wow.

576

00:35:31,000 --> 00:35:33,000

Look at the size of this place.

577

00:35:33,000 --> 00:35:35,000

It is like a big castle.

578

00:35:36,000 --> 00:35:38,000

This place is bigger than my high school.

579

00:35:38,000 --> 00:35:41,000

I can't wait to get a look around.

580

00:35:45,000 --> 00:35:49,000

But then the sheriff gets out.

581

00:35:49,000 --> 00:35:52,000

He doesn't know we can hear what he's saying.

582

00:35:52,000 --> 00:35:54,000

They'll tell me they're going to cancel this one.

583

00:35:54,000 --> 00:35:55,000

They're going to do it from the road.

584

00:35:55,000 --> 00:35:56,000

OK.

585

00:35:58,000 --> 00:36:00,000

OK, that's all I needed to hear.

586

00:36:00,000 --> 00:36:03,000

And we didn't expect he'd lock us in.

587

00:36:03,000 --> 00:36:06,000

The only place we're going is away.

588

00:36:08,000 --> 00:36:11,000

Stephen Huff, he's not around.

589

00:36:11,000 --> 00:36:14,000

If he is, he's hiding.

590

00:36:16,000 --> 00:36:20,000

We'll have to get a look at his place from that other angle.

591

00:36:20,000 --> 00:36:22,000

That house was pretty amazing.

592

00:36:22,000 --> 00:36:24,000

Well, where's Crazy Sean right now?

593

00:36:24,000 --> 00:36:27,000

There's no telling where he goes when I send him off.

594

00:36:27,000 --> 00:36:28,000

That's what I like about him.

595

00:36:28,000 --> 00:36:29,000

Oh, there he is.

596

00:36:29,000 --> 00:36:31,000

What do you got, man?

597

00:36:31,000 --> 00:36:33,000

Yeah, I found my rabbit.

598

00:36:33,000 --> 00:36:35,000

Just come with me.

599

00:36:35,000 --> 00:36:36,000

What?

600

00:36:36,000 --> 00:36:37,000

What are we seeing, man?

601

00:36:37,000 --> 00:36:38,000

We got to meet my rabbit.

602

00:36:38,000 --> 00:36:40,000

He'll take us there.

603

00:36:40,000 --> 00:36:42,000

White rabbit?

604

00:36:42,000 --> 00:36:44,000

We got to meet him at parking lot.

605

00:36:44,000 --> 00:36:45,000

Don't worry.

606

00:36:45,000 --> 00:36:50,000

We're meeting the white rabbit on the Wizard of Oz on an ark.

607

00:36:50,000 --> 00:36:52,000

That's what you're telling me.

608

00:36:54,000 --> 00:36:55,000

I'm not saying anything.

609

00:36:55,000 --> 00:36:57,000

Just wait and see for yourself.

610

00:36:57,000 --> 00:36:58,000

All right.

611

00:36:58,000 --> 00:36:59,000

All right, man.

612

00:36:59,000 --> 00:37:01,000

I'm just having fun with you, Sean.

613

00:37:01,000 --> 00:37:02,000

You're bizarre enough.

614

00:37:02,000 --> 00:37:03,000

We're in Ozark.

615

00:37:03,000 --> 00:37:05,000

What do you want?

616

00:37:05,000 --> 00:37:08,000

We pile into the SUV.

617

00:37:08,000 --> 00:37:13,000

White rabbit says he'll show us what the Huff people tried to hide.

618

00:37:13,000 --> 00:37:18,000

So what you're saying, this is like an entire, what, city underground?

619

00:37:18,000 --> 00:37:19,000

Really?

620

00:37:19,000 --> 00:37:21,000

A city underground.

621

00:37:21,000 --> 00:37:22,000

You want to be in the right?

622

00:37:22,000 --> 00:37:23,000

Okay.

623

00:37:23,000 --> 00:37:25,000

I'll be turning the air.

624

00:37:25,000 --> 00:37:26,000

I know.

625

00:37:26,000 --> 00:37:28,000

You can't go just across that.

626

00:37:28,000 --> 00:37:33,000

How many underground facilities or caves do you think you've been in?

627

00:37:33,000 --> 00:37:37,000

What, a dozen caves or a dozen cities underground?

628

00:37:37,000 --> 00:37:39,000

I don't know.

629

00:37:39,000 --> 00:37:42,000

To your knowledge, what are they used for?

630

00:37:42,000 --> 00:37:45,000

Why underground and why it doesn't?

631

00:37:45,000 --> 00:37:48,000

Simply to survive the end of the world.

632

00:37:49,000 --> 00:38:02,000

White rabbit leads the team on a long drive to an underground facility with security

633

00:38:02,000 --> 00:38:04,000

and guards.

634

00:38:04,000 --> 00:38:07,000

We need to start to actually go through the gate here.

635

00:38:07,000 --> 00:38:09,000

We tried the high road.

636

00:38:09,000 --> 00:38:11,000

Now we're taking the low road.

637

00:38:11,000 --> 00:38:15,000

We're going to try and infiltrate this fortress from below.

638

00:38:15,000 --> 00:38:17,000

Let me get stopped.

639

00:38:17,000 --> 00:38:19,000

I'm going to kill you.

640

00:38:30,000 --> 00:38:38,000

The hunt for the Illuminati has led Jesse Ventura from a mountaintop fortress to an underground hide-up.

641

00:38:38,000 --> 00:38:43,000

This may be the Illuminati's last stand.

642

00:38:43,000 --> 00:38:46,000

A sprawling multi-million square foot bunker.

643

00:38:46,000 --> 00:38:51,000

Taylor made protection from an armored get-in of their own creation.

644

00:38:59,000 --> 00:39:03,000

Tyrell moves closer and closer to the entrance.

645

00:39:03,000 --> 00:39:10,000

At any moment, the team can be stopped by armed security guards.

646

00:39:10,000 --> 00:39:12,000

I say we keep moving.

647

00:39:12,000 --> 00:39:17,000

Tyrell waits for his moment and drives inside.

648

00:39:17,000 --> 00:39:22,000

I make sure we've got cameras rolling.

649

00:39:22,000 --> 00:39:27,000

This place isn't only the largest underground facility in the area.

650

00:39:27,000 --> 00:39:32,000

They say it's the largest in the world.

651

00:39:32,000 --> 00:39:34,000

Look at this.

652

00:39:34,000 --> 00:39:38,000

They got room for two lanes of 18 wheelers.

653

00:39:38,000 --> 00:39:41,000

The road literally goes on for miles.

654

00:39:41,000 --> 00:39:45,000

Look, there it's branching off again.

655

00:39:45,000 --> 00:39:47,000

Who knows where that leads?

656

00:39:47,000 --> 00:39:49,000

Maybe even to the Huff House.

657

00:39:49,000 --> 00:39:51,000

Do you think they're watching us right now?

658

00:39:51,000 --> 00:39:53,000

Yeah.

659

00:39:53,000 --> 00:39:57,000

And this thing's hooked up to railroad too.

660

00:40:00,000 --> 00:40:04,000

This facility covers 50 million square feet.

661

00:40:04,000 --> 00:40:06,000

All underground.

662

00:40:06,000 --> 00:40:08,000

All climate control.

663

00:40:08,000 --> 00:40:13,000

They got warehouses for food, data, all sorts of things.

664

00:40:13,000 --> 00:40:18,000

Offices, manufacturing, even underground farming,

665

00:40:18,000 --> 00:40:21,000

and stockpiles of crude oil.

666

00:40:21,000 --> 00:40:25,000

Oh yeah, there's plenty of space to live in.

667

00:40:25,000 --> 00:40:28,000

You can fit thousands of people here.

668

00:40:28,000 --> 00:40:30,000

If you want to save that money.

669

00:40:30,000 --> 00:40:34,000

Well, you could definitely hide out from the world above.

670

00:40:34,000 --> 00:40:38,000

You use stuff like this, no doubt about it.

671

00:40:38,000 --> 00:40:41,000

I never knew places like this existed before.

672

00:40:41,000 --> 00:40:43,000

Yeah, this is scale.

673

00:40:43,000 --> 00:40:45,000

You can store anything now.

674

00:40:45,000 --> 00:40:47,000

This is huge.

675

00:40:47,000 --> 00:40:50,000

This is an underground city.

676

00:40:50,000 --> 00:40:53,000

And there are dozens of these across the region.

677

00:40:53,000 --> 00:40:57,000

This is starting to look a lot like conspiracy fact.

678

00:40:57,000 --> 00:41:01,000

That definitely answers the question of why here?

679

00:41:01,000 --> 00:41:03,000

Yup.

680

00:41:03,000 --> 00:41:06,000

Because you don't have that type of round and rock work

681

00:41:06,000 --> 00:41:09,000

generally anywhere else in the country.

682

00:41:09,000 --> 00:41:12,000

We head back into daylight.

683

00:41:12,000 --> 00:41:14,000

And what do you know?

684

00:41:14,000 --> 00:41:18,000

Just across the way, railroad tracks.

685

00:41:18,000 --> 00:41:23,000

And parking lots, full of buses and green energy vehicles.

686

00:41:23,000 --> 00:41:27,000

It's like they got door-to-door transportation for the chosen few.

687

00:41:27,000 --> 00:41:32,000

When it's time to move inside and weld those doors shut.

688

00:41:32,000 --> 00:41:34,000

Is that a coincidence?

689

00:41:34,000 --> 00:41:37,000

It just happens to be there.

690

00:41:37,000 --> 00:41:40,000

I don't necessarily think it would be a good place to live,

691

00:41:40,000 --> 00:41:43,000

but it would be a good place to survive.

692

00:41:43,000 --> 00:41:47,000

For Jesse, the conspiracy falls into place.

693

00:41:47,000 --> 00:41:52,000

Who would think that worldwide rebellion against the 1%

694

00:41:52,000 --> 00:41:58,000

would actually be part of a plan orchestrated by the 0.1%.

695

00:41:58,000 --> 00:42:04,000

And now, emerging from the underground, it all makes sense.

696

00:42:04,000 --> 00:42:09,000

A vast, hidden shelter beneath a hilltop command post.

697

00:42:09,000 --> 00:42:12,000

What's going on here is setting the stage for the Ozarks

698

00:42:12,000 --> 00:42:15,000

to take its place as the center.

699

00:42:15,000 --> 00:42:18,000

Not only of the United States, but the world.

700

00:42:18,000 --> 00:42:22,000

The New World Order.

701

00:42:22,000 --> 00:42:27,000

If I hadn't seen all this with my own eyes, I wouldn't believe it.

702

00:42:27,000 --> 00:42:30,000

A self-sufficient, nuke-proof fortress?

703

00:42:30,000 --> 00:42:32,000

That ain't no dream house.

704

00:42:32,000 --> 00:42:34,000

It's a nightmare house.

705

00:42:34,000 --> 00:42:37,000

And that underground city just waiting to be populated?

706

00:42:37,000 --> 00:42:39,000

That's no theory.

707

00:42:39,000 --> 00:42:45,000

The facts are that the rich and powerful are always going to try to pull the strings.

708

00:42:45,000 --> 00:42:48,000

And they're going to try to stay a step ahead of the rest of us.

709

00:42:48,000 --> 00:42:52,000

It's up to you and me to watch out for ourselves.

710

00:42:52,000 --> 00:42:55,000

Don't let them pull the wool over your eyes.

711

00:42:55,000 --> 00:42:58,000

It's a long way down that rabbit hole.

712

00:42:58,000 --> 00:43:02,000

I'm Jesse Ventura, and this is Conspiracy Theory.
