

1

00:00:00,000 --> 00:00:06,000

Hidden power, secrets, cover-ups, corruption.

2

00:00:06,000 --> 00:00:12,000

You think you know the whole story?

3

00:00:12,000 --> 00:00:15,000

Think again.

4

00:00:15,000 --> 00:00:21,000

I've been governor, a Navy SEAL, a fighter.

5

00:00:21,000 --> 00:00:24,000

I've heard things that'll blow your mind,

6

00:00:24,000 --> 00:00:28,000

and now I think it's time you get the whole story.

7

00:00:28,000 --> 00:00:32,000

Now, proof of extraterrestrial contact.

8

00:00:32,000 --> 00:00:34,000

It's the most far out...

9

00:00:34,000 --> 00:00:35,000

This is crazy.

10

00:00:35,000 --> 00:00:37,000

...conspiracy investigation yet.

11

00:00:37,000 --> 00:00:40,000

What is he really doing up there in orbit?

12

00:00:40,000 --> 00:00:43,000

...a cover-up of an extraterrestrial invasion.

13

00:00:43,000 --> 00:00:45,000

People have been killed.

14

00:00:45,000 --> 00:00:47,000

Jesse follows the clues.

15

00:00:47,000 --> 00:00:50,000

They've got 40 feet long with short wings that would fly out.

16

00:00:50,000 --> 00:00:52,000

...to a mysterious mogul...

17

00:00:52,000 --> 00:00:54,000

He sounds to me like a new millennium-hour Hughes...

18

00:00:54,000 --> 00:00:57,000

...whose building is owned private space station.

19

00:00:57,000 --> 00:00:58,000

City and space.

20

00:00:58,000 --> 00:01:00,000

What would a private individual need all that for?

21

00:01:00,000 --> 00:01:03,000

Who spent millions contacting UFOs.

22

00:01:03,000 --> 00:01:05,000

He knows for a factor here.

23

00:01:05,000 --> 00:01:07,000

He knows bailing himself.

24

00:01:07,000 --> 00:01:09,000

Who's got connections in Washington.

25

00:01:09,000 --> 00:01:12,000

He's the only one that's allowed.

26

00:01:12,000 --> 00:01:15,000

And Navy in outer space.

27

00:01:15,000 --> 00:01:17,000

What's that clicking?

28

00:01:17,000 --> 00:01:22,000

Are billionaires and politicians plotting with ETs to run the world?

29

00:01:22,000 --> 00:01:26,000

These secret backers of his could be extraterrestrial.

30

00:01:27,000 --> 00:01:29,000

Real life, cowboys and aliens.

31

00:01:29,000 --> 00:01:31,000

I don't want to get shot.

32

00:01:31,000 --> 00:01:34,000

The skinwalker, conspiracy.

33

00:01:34,000 --> 00:01:36,000

I'm Jesse Ventura.

34

00:01:36,000 --> 00:01:39,000

And this is Conspiracy Theory.

35

00:01:43,000 --> 00:01:47,000

Jesse Ventura is charging toward a long-awaited confrontation...

36

00:01:47,000 --> 00:01:51,000

...chasing down a mysterious, elusive billionaire.

37

00:01:51,000 --> 00:01:55,000

A man who said to be at the center of an alien invasion conspiracy.

38

00:01:55,000 --> 00:01:59,000

Mr. Big almost never goes out in public.

39

00:01:59,000 --> 00:02:02,000

He'd never agree to an interview.

40

00:02:02,000 --> 00:02:05,000

But now, tough luck.

41

00:02:05,000 --> 00:02:11,000

Jesse's got him cornered to expose his earth-shattering secret.

42

00:02:11,000 --> 00:02:13,000

Mr. Bigelow.

43

00:02:18,000 --> 00:02:23,000

I get a lot of calls from a lot of people who want me to investigate conspiracies.

44

00:02:23,000 --> 00:02:27,000

This one was different from the start.

45

00:02:27,000 --> 00:02:32,000

This guy said he had a conspiracy that's out of this world.

46

00:02:32,000 --> 00:02:34,000

Stay here. Stay here. That'll work.

47

00:02:34,000 --> 00:02:37,000

Ron Reghears is his name.

48

00:02:37,000 --> 00:02:41,000

He worked with NASA on the Apollo Moon missions and Skylab Space Station.

49

00:02:41,000 --> 00:02:43,000

Ron, what can I do for you?

50

00:02:43,000 --> 00:02:45,000

Why do you need to talk to me?

51

00:02:45,000 --> 00:02:47,000

I've got a concern.

52

00:02:47,000 --> 00:02:49,000

He's got a concern, all right.

53

00:02:49,000 --> 00:02:53,000

A concern about trouble brewing in outer space.

54

00:02:53,000 --> 00:02:57,000

As you're aware, we the United States have lost our heavy launch capability.

55

00:02:57,000 --> 00:03:01,000

You mean that the United States, through economic reasons, whatever it is,

56

00:03:01,000 --> 00:03:06,000

is pretty much giving up on space exploration, space program, NASA and all that.

57

00:03:06,000 --> 00:03:11,000

Just like the Oklahoma land rush, there's a lot of civilians moving in

58

00:03:11,000 --> 00:03:14,000

to take over the void left by NASA.

59

00:03:14,000 --> 00:03:18,000

Will it be the government overseeing, or will the corporations be able to run wild?

60

00:03:18,000 --> 00:03:21,000

Right now, they're running wild.

61

00:03:21,000 --> 00:03:24,000

Fat Cat corporate suits.

62

00:03:24,000 --> 00:03:27,000

They're already making billions in salaries,

63

00:03:27,000 --> 00:03:32,000

and now they're finding a new way to keep us under control from high above.

64

00:03:32,000 --> 00:03:36,000

I'm concerned that they're going to start doing a lot of things

65

00:03:36,000 --> 00:03:41,000

that before have been constrained by international and national treaty.

66

00:03:41,000 --> 00:03:47,000

Right now, and correct me if I'm wrong, there's treaties that there will be no weapons in space.

67

00:03:47,000 --> 00:03:49,000

Is that correct? Yes.

68

00:03:49,000 --> 00:03:53,000

And what would be the probability that they could actually weaponize space?

69

00:03:53,000 --> 00:03:57,000

Well, they could, and there's no control over that.

70

00:03:57,000 --> 00:04:01,000

So, what's the conspiracy? We chase conspiracies.

71

00:04:01,000 --> 00:04:07,000

The conspiracy is there's a large consortium, corporations that make Wall Street look like children.

72

00:04:07,000 --> 00:04:09,000

Think Blackwater, KBR.

73

00:04:09,000 --> 00:04:11,000

Alliburton. Alliburton.

74

00:04:11,000 --> 00:04:15,000

There's Black Ops groups within our own government

75

00:04:15,000 --> 00:04:19,000

that have been doing things that nobody wants to speak of for years.

76

00:04:19,000 --> 00:04:25,000

There's nothing to stop them from going into space and continuing their efforts on a global scale.

77

00:04:25,000 --> 00:04:33,000

These guys could be spying on us, shooting at us, enslaving us from outer space.

78

00:04:33,000 --> 00:04:37,000

Heck, they could even be colluding with aliens in outer space.

79

00:04:37,000 --> 00:04:39,000

I wouldn't put it past them.

80

00:04:39,000 --> 00:04:44,000

So, it's a conspirator danger that's out there that potentially could affect us all?

81

00:04:44,000 --> 00:04:49,000

Wild, wild west all over again.

82

00:04:49,000 --> 00:04:52,000

All right, people, this one's a big one.

83

00:04:52,000 --> 00:04:54,000

Jesse takes it to his team.

84

00:04:54,000 --> 00:04:57,000

Investigator, June Sarbang.

85

00:04:57,000 --> 00:04:59,000

His advisor, Pravehrman.

86

00:04:59,000 --> 00:05:03,000

John Stone, son of director Oliver Stone.

87

00:05:03,000 --> 00:05:06,000

And Jesse's son, Tyrell.

88

00:05:06,000 --> 00:05:09,440

This person told me that NASA, our space program,

89

00:05:09,440 --> 00:05:11,680

was basically being shut down,

90

00:05:11,680 --> 00:05:15,440

and it's being turned over to private enterprise.

91

00:05:15,440 --> 00:05:18,480

We have such a great history of Blackwater XC,

92

00:05:18,480 --> 00:05:19,880

you know, all these mercenaries.

93

00:05:19,880 --> 00:05:22,020

Now we're gonna turn space over to these kind of people.

94

00:05:22,020 --> 00:05:24,720

Well, it appears so, according to this whistleblower,

95

00:05:24,720 --> 00:05:26,020

if you want to call him that.

96

00:05:26,020 --> 00:05:27,760

Well, let me tell you something else.

97

00:05:27,760 --> 00:05:29,820

There's a thing called the International Traffic

98

00:05:29,820 --> 00:05:31,320

in Arms Regulation.

99

00:05:31,320 --> 00:05:33,400

It prevents companies from exporting weapons

100

00:05:33,400 --> 00:05:34,860

and munitions into space.

101

00:05:34,860 --> 00:05:35,700

Right.

102

00:05:35,700 --> 00:05:40,040

Turns out there's only one guy who's got an exemption.

103

00:05:40,040 --> 00:05:42,800

Robert Bigelow, a Bigelow aerospace,

104

00:05:42,800 --> 00:05:44,680

which means there can be...

105

00:05:44,680 --> 00:05:45,640

Arms, missiles.

106

00:05:45,640 --> 00:05:47,440

And weapons.

107

00:05:47,440 --> 00:05:50,220

He could legitimately take weapons into space,

108

00:05:50,220 --> 00:05:52,020

and he's the only one that's allowed.

109

00:05:52,020 --> 00:05:53,220

That's correct.

110

00:05:53,220 --> 00:05:54,620

Now you have to ask yourself,

111

00:05:54,620 --> 00:05:57,620

why does he, of all of them, have an exemption?

112

00:05:57,620 --> 00:05:58,460

Why him?

113

00:05:58,460 --> 00:06:00,260

Exactly, why him?

114

00:06:00,260 --> 00:06:01,400

Now, what's the end game?

115

00:06:01,400 --> 00:06:03,100

I think people, we better get on this.

116

00:06:03,100 --> 00:06:04,760

Let's find out everything we can

117

00:06:04,800 --> 00:06:07,460

about this Mr. Bigelow and go from there.

118

00:06:07,460 --> 00:06:12,000

Already, the investigation's taken a turn.

119

00:06:12,000 --> 00:06:15,840

One man with the go-ahead to take weapons into outer space.

120

00:06:15,840 --> 00:06:20,640

A guy with his own private spaceship factory in Las Vegas.

121

00:06:20,640 --> 00:06:24,820

A guy who might just be employing illegal aliens.

122

00:06:24,820 --> 00:06:26,120

Space aliens.

123

00:06:28,120 --> 00:06:28,960

Don Ecker?

124

00:06:28,960 --> 00:06:30,260

Yes.

125

00:06:30,260 --> 00:06:34,120

Tyrell gets the first whack when he meets Don Ecker.

126

00:06:34,380 --> 00:06:37,360

Ecker was research director for UFO Magazine.

127

00:06:38,420 --> 00:06:40,760

He's a respected UFO investigator.

128

00:06:42,060 --> 00:06:43,960

Tell me about Mr. Robert Bigelow.

129

00:06:43,960 --> 00:06:47,540

Bigelow was born in 1945 in the Vegas area.

130

00:06:47,540 --> 00:06:50,440

He is, of course, a multi-billionaire.

131

00:06:50,440 --> 00:06:52,840

Made most of his money originally

132

00:06:52,840 --> 00:06:55,840

from his hotel business budget suites.

133

00:06:55,840 --> 00:06:59,880

As of 2010, according to public records,

134

00:06:59,900 --> 00:07:03,440

he has pushed over \$180 million

135

00:07:03,440 --> 00:07:05,780

into Bigelow Aerospace.

136

00:07:05,780 --> 00:07:08,720

He sounds to me like a new millennium hour Hughes.

137

00:07:08,720 --> 00:07:12,780

There is no doubt that he has an absolutely

138

00:07:12,780 --> 00:07:17,160

dedicated approach to getting into outer space.

139

00:07:17,160 --> 00:07:20,420

But how does a guy go from budget motels

140

00:07:20,420 --> 00:07:23,400

to budget-busting booster rockets?

141

00:07:23,400 --> 00:07:25,960

According to the story that Bigelow himself told,

142

00:07:25,960 --> 00:07:29,600

his grandparents were north of Las Vegas one night.

143

00:07:29,720 --> 00:07:32,660

When they saw an unidentified flying object,

144

00:07:33,820 --> 00:07:37,860

an object that swooped directly at their car

145

00:07:37,860 --> 00:07:41,060

and at the last second made a dramatic right-angle turn,

146

00:07:41,060 --> 00:07:43,100

took off and flew up into the sky.

147

00:07:45,400 --> 00:07:47,500

And there's the first major clue.

148

00:07:48,640 --> 00:07:52,380

Long before Robert Bigelow invested in aerospace,

149

00:07:52,380 --> 00:07:54,040

he spent time and money

150

00:07:54,040 --> 00:07:56,780

researching alien abductions and UFOs.

151

00:07:57,780 --> 00:08:01,280

In the mid-'90s, he funded a group called NIDS,

152

00:08:01,280 --> 00:08:04,280

the National Institute for Discovery Science.

153

00:08:05,780 --> 00:08:10,780

It was staffed by some of the finest scientists

154

00:08:10,780 --> 00:08:13,780

that Bigelow was able to secure

155

00:08:13,780 --> 00:08:17,780

to go after things like UFOs.

156

00:08:17,780 --> 00:08:20,280

Do you know what exactly he was looking for?

157

00:08:20,280 --> 00:08:24,780

I believe ultimately proof of extraterrestrial contact.

158

00:08:27,780 --> 00:08:31,780

In 1996, NIDS purchased a ranch in Utah.

159

00:08:31,780 --> 00:08:34,780

The previous owners had been chased out

160

00:08:34,780 --> 00:08:38,780

by paranormal activity and UFOs.

161

00:08:39,780 --> 00:08:42,780

The infamous Skinwalker Ranch.

162

00:08:42,780 --> 00:08:44,780

The Skinwalker Ranch,

163

00:08:44,780 --> 00:08:47,780

named for the shape-shifting witches

164

00:08:47,780 --> 00:08:49,780

of Native American legends.

165

00:08:49,780 --> 00:08:51,780

Bigelow moved his NIDS team in.

166

00:08:51,780 --> 00:08:54,780

Top scientific researchers studied the property

167

00:08:54,780 --> 00:08:57,780

around the clock for eight solid years,

168

00:08:57,780 --> 00:09:00,780

searching for evidence of alien contact.

169

00:09:00,780 --> 00:09:03,780

But then something happened.

170

00:09:03,780 --> 00:09:07,780

Something that caused Bigelow to suddenly turn tail,

171

00:09:07,780 --> 00:09:10,780

pull out, never to reveal what was found.

172

00:09:10,780 --> 00:09:13,780

All the evidence, all the data that's been collected

173

00:09:13,780 --> 00:09:16,780

has been locked away by Mr. Bigelow.

174

00:09:16,780 --> 00:09:18,780

What was Bigelow hiding?

175

00:09:18,780 --> 00:09:22,780

Sean Stone finds a deadly clue in plain sight.

176

00:09:22,780 --> 00:09:24,780

Robert Bigelow knows something.

177

00:09:24,780 --> 00:09:25,780

The rest of us don't.

178

00:09:25,780 --> 00:09:27,780

And it's a vitally important, Sean.

179

00:09:27,780 --> 00:09:30,780

Dr. Franklin Ruhl is a nuclear physicist

180

00:09:30,780 --> 00:09:32,780

and leading ufologist.

181

00:09:32,780 --> 00:09:35,780

He's followed up on every credible sighting

182

00:09:35,780 --> 00:09:38,780

and close encounter of the past 20 years.

183

00:09:38,780 --> 00:09:41,780

But nothing compares to an almost impossible

184

00:09:41,780 --> 00:09:43,780

and unneeded discovery.

185

00:09:43,780 --> 00:09:45,780

He's been in the US for 30 years,

186

00:09:45,780 --> 00:09:49,780

but nothing compares to an almost unbelievable event

187

00:09:49,780 --> 00:09:53,780

buried in a newspaper article and largely ignored.

188

00:09:53,780 --> 00:09:56,780

The state's back to June of 2010

189

00:09:56,780 --> 00:09:59,780

when he's been interviewed in the New York Times.

190

00:09:59,780 --> 00:10:01,780

The reporter asked him about UFOs,

191

00:10:01,780 --> 00:10:04,780

and he said, people have been killed.

192

00:10:04,780 --> 00:10:06,780

People have been hurt.

193

00:10:06,780 --> 00:10:08,780

Wait, what do you mean people have been killed?

194

00:10:08,780 --> 00:10:10,780

Well, that's the question.

195

00:10:10,780 --> 00:10:13,780

Dr. Francisco Dr. Jack Sarfati,

196

00:10:13,780 --> 00:10:17,780

who claimed that he had been told by reliable sources

197

00:10:17,780 --> 00:10:20,780

that there was actually an invasion of aliens

198

00:10:20,780 --> 00:10:24,780

on Bigelow's Skinwalker Ranch in Eastern Utah.

199

00:10:24,780 --> 00:10:26,780

And he claims that a number of Bigelow's men

200

00:10:26,780 --> 00:10:30,780

were either killed or injured by the ETs.

201

00:10:30,780 --> 00:10:33,780

What we had on that ranch

202

00:10:33,780 --> 00:10:37,780

was like the movie Cowboys and Aliens.

203

00:10:37,780 --> 00:10:40,780

A deadly battle between humans and ETs?

204

00:10:40,780 --> 00:10:44,780

American citizens not only hurt, but killed?

205

00:10:44,780 --> 00:10:48,780

Some say it wouldn't be the first time aliens attacked Earth.

206

00:10:48,780 --> 00:10:51,780

Sean, if you ever had a chance to meet Bigelow in person,

207

00:10:51,780 --> 00:10:53,780

ask him about this.

208

00:10:53,780 --> 00:10:55,780

He'll deny that he was referring to the Skinwalker Ranch,

209

00:10:55,780 --> 00:10:58,780

but rather to the Kalaris battle of Brazil.

210

00:10:58,780 --> 00:11:01,780

Kalaris Brazil.

211

00:11:01,780 --> 00:11:03,780

The Brazilian military witnessed and photographed

212

00:11:03,780 --> 00:11:07,780

a UFO attack on the island in 1977.

213

00:11:07,780 --> 00:11:11,780

We have documentation that possibly as many as 35 humans

214

00:11:11,780 --> 00:11:14,780

were killed or injured by aliens.

215

00:11:14,780 --> 00:11:17,780

The military investigation was classified,

216

00:11:17,780 --> 00:11:21,780

but it makes the Skinwalker claims all the more plausible.

217

00:11:21,780 --> 00:11:24,780

And there are many eyewitnesses as accounts.

218

00:11:24,780 --> 00:11:27,780

Dr. Ruhl cites other evidence that Bigelow

219

00:11:27,780 --> 00:11:30,780

made some kind of ET contact,

220

00:11:30,780 --> 00:11:33,780

including an entry on his NID's website in 2000.

221

00:11:33,780 --> 00:11:37,780

Bigelow said that the first step is to go into space

222

00:11:37,780 --> 00:11:41,780

to get the same technology used by our UFO friends.

223

00:11:41,780 --> 00:11:45,780

He had it on his website, but he has taken that off.

224

00:11:45,780 --> 00:11:47,780

That's the question.

225

00:11:47,780 --> 00:11:49,780

Did they actually provide him with technology?

226

00:11:49,780 --> 00:11:53,780

Is Robert Bigelow hiding alien technology?

227

00:11:53,780 --> 00:11:56,780

It's a scary and a dangerous place,

228

00:11:56,780 --> 00:11:59,780

but the key is the Skinwalker Ranch.

229

00:11:59,780 --> 00:12:01,780

If you want to know more about Bigelow,

230

00:12:01,780 --> 00:12:04,780

I would start at the Skinwalker Ranch.

231

00:12:06,780 --> 00:12:08,780

Coming up.

232

00:12:08,780 --> 00:12:10,780

I don't want two eyes up at the Skinwalker Ranch.

233

00:12:10,780 --> 00:12:12,780

I want you both to go.

234

00:12:12,780 --> 00:12:15,780

The team heads to the most dangerous ranch in the world.

235

00:12:15,780 --> 00:12:18,780

You have to go on a very dark night.

236

00:12:18,780 --> 00:12:20,780

And finds deadly warnings.

237

00:12:20,780 --> 00:12:22,780

I don't want to get shot.

238

00:12:22,780 --> 00:12:24,780

Before...

239

00:12:24,780 --> 00:12:26,780

All hell breaks loose.

240

00:12:26,780 --> 00:12:28,780

I heard it. What'd it look like?

241

00:12:28,780 --> 00:12:31,780

The aliens attack the conspiracy team.

242

00:12:31,780 --> 00:12:34,780

Right above us, it did a flash. It disappeared right in the sky.

243

00:12:34,780 --> 00:12:35,780

And later...

244

00:12:35,780 --> 00:12:38,780

Well, guys, Robert Bigelow is inside.

245

00:12:38,780 --> 00:12:40,780

Jesse confronts the man himself.

246

00:12:40,780 --> 00:12:43,780

I heard that whenever there's a UFO sighting,

247

00:12:43,780 --> 00:12:46,780

they defer to you. The government. Is that true?

248

00:12:46,780 --> 00:12:50,780

It began as a warning about a conspiracy to weaponize space.

249

00:12:50,780 --> 00:12:53,780

Now it's blasted in a bizarre direction.

250

00:12:53,780 --> 00:12:57,780

A conspiracy to cover up an alien invasion.

251

00:12:57,780 --> 00:13:02,780

At the center, a mysterious aerospace billionaire named Robert Bigelow.

252

00:13:02,780 --> 00:13:06,780

A ranch he bought in Utah is believed to be a magnet

253

00:13:06,780 --> 00:13:09,780

that can be used to destroy the entire universe.

254

00:13:09,780 --> 00:13:11,780

And it's a very dangerous place.

255

00:13:11,780 --> 00:13:13,780

Robert Bigelow.

256

00:13:13,780 --> 00:13:17,780

A ranch he bought in Utah is believed to be a magnet for UFOs.

257

00:13:17,780 --> 00:13:20,780

I guess this is New York Times interviewed Bigelow

258

00:13:20,780 --> 00:13:22,780

about the extraterrestrials in UFOs.

259

00:13:22,780 --> 00:13:26,780

And he says, this is so dangerous that people have been killed.

260

00:13:26,780 --> 00:13:28,780

I just thought to this guy, he claims

261

00:13:28,780 --> 00:13:31,780

Bigelow was referring to an incident at Skinwalker Ranch

262

00:13:31,780 --> 00:13:35,780

that involved his personnel getting killed by extraterrestrials.

263

00:13:35,780 --> 00:13:37,780

I realized how it was named.

264

00:13:37,780 --> 00:13:39,780

Are you kidding me?

265

00:13:39,780 --> 00:13:41,780

Well, I'll tell you what.

266

00:13:41,780 --> 00:13:44,780

I don't want two eyes up at the Skinwalker Ranch.

267

00:13:44,780 --> 00:13:48,780

I want four, which means I want you both to go.

268

00:13:54,780 --> 00:13:59,780

Before heading out, Tyrell and Sean stop to meet Zach Van Eyck.

269

00:13:59,780 --> 00:14:05,780

He's the reporter who wrote the first stories about the Skinwalker Ranch.

270

00:14:05,780 --> 00:14:08,780

I would say the most spectacular thing that happened on the ranch

271

00:14:08,780 --> 00:14:11,780

is they saw these openings in the sky,

272

00:14:11,780 --> 00:14:13,780

sort of a round spiral opening

273

00:14:13,780 --> 00:14:16,780

and probably about 100 feet in diameter.

274

00:14:16,780 --> 00:14:19,780

And there was a total of four of them that would open up,

275

00:14:19,780 --> 00:14:24,780

and crafts would fly out, about 40 feet long with short wings that would fly out.

276

00:14:24,780 --> 00:14:26,780

Like a portal.

277

00:14:27,780 --> 00:14:31,780

Van Eyck's articles led Robert Bigelow to buy the ranch

278

00:14:31,780 --> 00:14:34,780

and begin those eight years of research.

279

00:14:34,780 --> 00:14:36,780

What do you think Bigelow was after?

280

00:14:36,780 --> 00:14:39,780

How important was he to discover?

281

00:14:39,780 --> 00:14:42,780

We'll really never know, because Bob Bigelow owns the property.

282

00:14:42,780 --> 00:14:46,780

He controls all information about the property in and out.

283

00:14:47,780 --> 00:14:49,780

Now we have to go find out.

284

00:14:49,780 --> 00:14:51,780

Now we have to go find out.

285

00:14:51,780 --> 00:14:56,780

My recommendation to you guys, you have to go on a very dark night.

286

00:14:58,780 --> 00:15:02,780

Tyrell and Sean arrive at Skinwalker the next day.

287

00:15:02,780 --> 00:15:07,780

Paranormal researcher Chris O'Brien is waiting on the outskirts.

288

00:15:07,780 --> 00:15:13,780

Every type of paranormal event that you could possibly imagine at one time has been reported here.

289

00:15:13,780 --> 00:15:17,780

O'Brien spent years investigating UFO activity in the region.

290

00:15:17,780 --> 00:15:21,780

He confirms the stories about the alien battle.

291

00:15:21,780 --> 00:15:23,780

Have anyone ever been killed out here?

292

00:15:23,780 --> 00:15:25,780

Bigelow's people.

293

00:15:25,780 --> 00:15:27,780

I've heard it from more than enough sources

294

00:15:27,780 --> 00:15:32,780

that two of the security personnel got into some sort of altercation

295

00:15:32,780 --> 00:15:35,780

with something here and ended up getting killed.

296

00:15:35,780 --> 00:15:36,780

Wait, are my aliens?

297

00:15:36,780 --> 00:15:40,780

That would be the logical leap.

298

00:15:43,780 --> 00:15:46,780

These big triangular ships come through and then...

299

00:15:46,780 --> 00:15:47,780

Triangle shape.

300

00:15:47,780 --> 00:15:49,780

Yeah, the delta shape.

301

00:15:49,780 --> 00:15:50,780

What do you think his agenda is up here?

302

00:15:50,780 --> 00:15:54,780

I think his agenda is he's trying to gather as much scientific data as he can

303

00:15:54,780 --> 00:15:56,780

because of his aerospace company.

304

00:15:57,780 --> 00:16:01,780

O'Brien is talking about reverse engineering,

305

00:16:01,780 --> 00:16:05,780

building spacecraft based on UFO technology.

306

00:16:05,780 --> 00:16:10,780

It's a direct link between NIDS and Bigelow Aerospace.

307

00:16:10,780 --> 00:16:13,780

You can figure out some of the crap we're seeing around here.

308

00:16:13,780 --> 00:16:17,780

Obviously, that's going to give his scientific team a leg up

309

00:16:17,780 --> 00:16:20,780

on possibly designing exotic propulsion systems.

310

00:16:20,780 --> 00:16:26,780

Bigelow said that the first step is to get the same technology used by our UFO friends.

311

00:16:27,780 --> 00:16:29,780

Does it make you nervous?

312

00:16:29,780 --> 00:16:32,780

You know, it does. It really does.

313

00:16:32,780 --> 00:16:34,780

Evidently, there's still things going on here.

314

00:16:34,780 --> 00:16:37,780

If there weren't, they wouldn't have to have the security that they have here.

315

00:16:37,780 --> 00:16:39,780

What are some of the reports of things happening now?

316

00:16:39,780 --> 00:16:41,780

Just within the last few nights, some of them are semi-automatic,

317

00:16:41,780 --> 00:16:44,780

really squeezing off rounds, trying to scare people away.

318

00:16:44,780 --> 00:16:48,780

We want to get on and stake out this place tonight.

319

00:16:48,780 --> 00:16:49,780

Would you come with us?

320

00:16:49,780 --> 00:16:50,780

Nope.

321

00:16:50,780 --> 00:16:51,780

No.

322

00:16:51,780 --> 00:16:54,780

I have problems with ex-military trigger happy guards.

323

00:16:54,780 --> 00:16:56,780

I don't want to get shot.

324

00:16:58,780 --> 00:16:59,780

Still ahead.

325

00:16:59,780 --> 00:17:01,780

I do feel kind of nervous for Sean right now.

326

00:17:01,780 --> 00:17:04,780

The skinwalker ranch lives up to its reputation.

327

00:17:04,780 --> 00:17:05,780

He is in danger right now.

328

00:17:05,780 --> 00:17:07,780

Sean, watch yourself, man.

329

00:17:07,780 --> 00:17:08,780

With strained sights.

330

00:17:08,780 --> 00:17:09,780

I'll be to my aliens.

331

00:17:09,780 --> 00:17:11,780

And close encounters.

332

00:17:11,780 --> 00:17:12,780

Someone's riding the signal.

333

00:17:12,780 --> 00:17:14,780

Do you think they're trying to communicate with us?

334

00:17:14,780 --> 00:17:18,780

Then, new mystery surrounding a possible alien invasion.

335

00:17:18,780 --> 00:17:24,780

Is there a possibility that these secret backers could be extraterrestrials?

336

00:17:25,780 --> 00:17:30,780

And later, Jesse confronts Bigelow's alleged black ops connection.

337

00:17:30,780 --> 00:17:32,780

I thought we would agree not to go off into here.

338

00:17:32,780 --> 00:17:35,780

And crashes in on Bigelow himself.

339

00:17:35,780 --> 00:17:37,780

Does the government defer to you?

340

00:17:37,780 --> 00:17:39,780

What is he hiding from you and me?

341

00:17:39,780 --> 00:17:40,780

Um...

342

00:17:54,780 --> 00:17:58,780

He refuses to set foot on Robert Bigelow's skinwalker ranch.

343

00:17:58,780 --> 00:18:00,780

I don't want to get shot.

344

00:18:02,780 --> 00:18:06,780

But another skinwalker expert has agreed to be their guide.

345

00:18:06,780 --> 00:18:10,780

Ryan Skinner is not as afraid as O'Brien.

346

00:18:10,780 --> 00:18:12,780

But he's afraid just the same.

347

00:18:12,780 --> 00:18:14,780

One of the most scariest places on earth.

348

00:18:14,780 --> 00:18:17,780

I've been doing this for five years.

349

00:18:17,780 --> 00:18:20,780

And each time we come out, I've had something, a close encounter,

350

00:18:20,780 --> 00:18:23,780

that occurred each time at the ranch.

351

00:18:23,780 --> 00:18:28,780

This is supposedly the site of a deadly battle with extraterrestrials.

352

00:18:28,780 --> 00:18:32,780

Now, it's under constant surveillance and armed guard.

353

00:18:32,780 --> 00:18:36,780

Some believe they're guarding alien remains.

354

00:18:37,780 --> 00:18:41,780

Let's go take a look and see how far we can make on the perimeter.

355

00:18:53,780 --> 00:18:55,780

Is he in danger right now?

356

00:18:55,780 --> 00:18:58,780

These are armed guards that are out there right now.

357

00:18:58,780 --> 00:19:00,780

There's armed guards out there, man.

358

00:19:00,780 --> 00:19:02,780

Hey, Sean, get back here, man.

359

00:19:04,780 --> 00:19:06,780

While Sean takes his chances,

360

00:19:06,780 --> 00:19:10,780

June Sarpong is in Robert Bigelow's hometown.

361

00:19:10,780 --> 00:19:13,780

Las Vegas business reporter Richard Vallada

362

00:19:13,780 --> 00:19:16,780

has a few more surprises about Bigelow Aerospace.

363

00:19:16,780 --> 00:19:21,780

So can you show me exactly what Bigelow Aerospace is working on now?

364

00:19:21,780 --> 00:19:25,780

Well, they build space habitats, these modules, just like this.

365

00:19:25,780 --> 00:19:28,780

And people can actually live and work in them.

366

00:19:28,780 --> 00:19:31,780

And then they can be connected together to make a space station.

367

00:19:31,780 --> 00:19:36,780

And so if all of these are attached and they keep on growing,

368

00:19:36,780 --> 00:19:40,780

this will effectively become one of the biggest space stations out there.

369

00:19:40,780 --> 00:19:42,780

It'll be a city in space.

370

00:19:42,780 --> 00:19:44,780

Started by a private individual.

371

00:19:45,780 --> 00:19:49,780

It seems Robert Bigelow is intent on living in space.

372

00:19:50,780 --> 00:19:53,780

The question is, why is he so eager to leave Earth?

373

00:19:55,780 --> 00:19:58,780

So is this all theoretical, or has it actually been done?

374

00:19:58,780 --> 00:20:00,780

Oh, it's been done. It's been done.

375

00:20:00,780 --> 00:20:05,780

In 2007 and in 2009, they launched vehicles from Russia, and they're flying.

376

00:20:05,780 --> 00:20:09,780

They have a command center here, but they are actually up there.

377

00:20:11,780 --> 00:20:15,780

Genesis 1 and Genesis 2 are identical space station modules.

378

00:20:16,780 --> 00:20:19,780

The only private spacecraft orbiting Earth.

379

00:20:20,780 --> 00:20:21,780

So they're doing something.

380

00:20:21,780 --> 00:20:25,780

Yes, they're doing something, but I can't tell you what that something would be.

381

00:20:27,780 --> 00:20:29,780

There's armed guards out there, man.

382

00:20:29,780 --> 00:20:31,780

Hey, Sean, get back here, man.

383

00:20:34,780 --> 00:20:37,780

Are security forces homing in on Sean?

384

00:20:37,780 --> 00:20:39,780

Something is.

385

00:20:39,780 --> 00:20:42,780

Suddenly, he turns and runs.

386

00:20:43,780 --> 00:20:47,780

Here, hop the gate, get on this side, and here's something coming up that way.

387

00:20:47,780 --> 00:20:49,780

Let's see what they got.

388

00:20:49,780 --> 00:20:50,780

Here we go.

389

00:20:52,780 --> 00:20:56,780

We are being a tingling sensation in my muscle right here.

390

00:20:56,780 --> 00:20:57,780

Really? Right here in the thigh?

391

00:20:57,780 --> 00:20:59,780

Really, yeah.

392

00:20:59,780 --> 00:21:06,780

I literally felt like something had electromagnetically attacked me, and that's when I ran back.

393

00:21:07,780 --> 00:21:12,780

While Tyrell and Sean investigate, I'm not waiting around.

394

00:21:12,780 --> 00:21:21,780

I'm meeting somebody who works with the mutual UFO network, MUFON, the group that reports UFO sightings around the world.

395

00:21:22,780 --> 00:21:29,780

MUFON's job is to be absolutely transparent and make all the information available to the public.

396

00:21:29,780 --> 00:21:32,780

Robert Begelo seems to have a different agenda.

397

00:21:32,780 --> 00:21:33,780

Robert Begelo does?

398

00:21:33,780 --> 00:21:39,780

Yes. His agenda seems to be to get the information for himself and his quote, unseen backers.

399

00:21:40,780 --> 00:21:44,780

Robert Begelo bought into MUFON in 2009.

400

00:21:44,780 --> 00:21:52,780

He took everything they'd learned and clamped down on all of the records, so the general public wouldn't know the truth.

401

00:21:52,780 --> 00:22:05,780

Unseen backers is what Mr. Begelo told the MUFON board he had when he offered them \$760,000 for a one-year contract.

402

00:22:05,780 --> 00:22:15,780

When all this started happening, MUFON suddenly jumped up and said, these investigations are secret, although in the whole industry of MUFON, we've always been completely open about it.

403

00:22:16,780 --> 00:22:20,780

Douglas says Begelo made sure everything stayed secret.

404

00:22:20,780 --> 00:22:33,780

He replaced the MUFON investigators with his minions, paid experts on call 24-7 to follow up on UFO sightings, recover the craft before anyone else gets to it.

405

00:22:34,780 --> 00:22:37,780

Do they gather evidence or are they there to suppress evidence?

406

00:22:37,780 --> 00:22:43,780

The question is whether they would bring it back because now they were all sworn to secrecy.

407

00:22:43,780 --> 00:22:52,780

Any evidence that aliens have made contact has been locked away. The only ones who have access are Begelo and his clones.

408

00:22:52,780 --> 00:22:58,780

You've spoke about Mr. Begelo and these secret backers of his, correct?

409

00:22:58,780 --> 00:22:59,780

I did.

410

00:22:59,780 --> 00:23:05,780

Is there a possibility that these secret backers could be extraterrestrials?

411

00:23:08,780 --> 00:23:09,780

You're getting interference?

412

00:23:09,780 --> 00:23:12,780

Yeah, something electronic is clouding your...

413

00:23:12,780 --> 00:23:15,780

Legitimately, that's what you're hearing. Can I hear?

414

00:23:15,780 --> 00:23:20,780

Back at the Skinwalker Ranch, things really do begin to happen after dark.

415

00:23:21,780 --> 00:23:25,780

In the middle of nowhere, something is interfering with the camera.

416

00:23:25,780 --> 00:23:31,780

And then, somehow, their power source is suddenly drained.

417

00:23:31,780 --> 00:23:32,780

I think the battery's dead.

418

00:23:33,780 --> 00:23:38,780

When they move on to a new location, things get even scarier.

419

00:23:42,780 --> 00:23:45,780

It just keeps going in and out. Something's riding the signal.

420

00:23:45,780 --> 00:23:51,780

It's a radio channel coming through, but that's kind of distortion I've never heard of, kind of robotic distortion on a radio.

421

00:23:51,780 --> 00:23:52,780

Tricky evo!

422

00:23:52,780 --> 00:23:54,780

Whoa, did you hear that?

423

00:23:54,780 --> 00:23:55,780

Tricky evo!

424

00:23:55,780 --> 00:23:58,780

Whoa, do you think they're trying to communicate with us?

425

00:23:58,780 --> 00:23:59,780

Get off!

426

00:24:02,780 --> 00:24:04,780

Still ahead, close encounters.

427

00:24:04,780 --> 00:24:07,780

I swear to God, it was right above you guys. I just saw it.

428

00:24:07,780 --> 00:24:08,780

At the Skinwalker Ranch.

429

00:24:08,780 --> 00:24:11,780

I was leaving a long trail. I just saw it with my own eyes.

430

00:24:11,780 --> 00:24:14,780

And then, is it a warning of a UFO invasion?

431

00:24:14,780 --> 00:24:16,780

How many aliens do you have?

432

00:24:16,780 --> 00:24:18,780

Jesse's team raids Bigelow's space factory.

433

00:24:18,780 --> 00:24:24,780

I'm not able to answer any questions about what may or may not be in this new Bigelow's property.

434

00:24:24,780 --> 00:24:27,780

And confronts the man himself.

435

00:24:33,780 --> 00:24:37,780

I'm not able to answer any questions about what may or may not be in this new Bigelow's property.

436

00:24:37,780 --> 00:24:42,780

Jesse Ventura is investigating an alien invasion conspiracy.

437

00:24:42,780 --> 00:24:47,780

His team is driving around a ranch known to attract UFOs.

438

00:24:47,780 --> 00:24:51,780

When something unbelievable occurs.

439

00:24:51,780 --> 00:24:54,780

Get off!

440

00:24:54,780 --> 00:24:56,780

Do you think they're trying to communicate with us?

441

00:24:56,780 --> 00:24:58,780

Is it a hidden message?

442

00:24:58,780 --> 00:24:59,780

Get off!

443

00:24:59,780 --> 00:25:01,780

Or a threat?

444

00:25:01,780 --> 00:25:04,780

This is crazy.

445

00:25:04,780 --> 00:25:06,780

Tyrell and Sean are stunned.

446

00:25:06,780 --> 00:25:11,780

Something has taken over the car radio.

447

00:25:21,780 --> 00:25:24,780

Ryan, did you hear that radio station?

448

00:25:24,780 --> 00:25:27,780

I did. Flipping through the stations like that, I've never heard of it.

449

00:25:27,780 --> 00:25:34,780

Out of the car, skinwalker researcher Ryan Skinner leads them to another hotspot.

450

00:25:34,780 --> 00:25:41,780

When we were watching the ranch, we saw about eight spheres of light that were pulsating on and off above and around the ranch house.

451

00:25:41,780 --> 00:25:45,780

Suddenly three of the lights broke off from the group and started heading our direction.

452

00:25:45,780 --> 00:25:47,780

Hold on a second.

453

00:25:47,780 --> 00:25:54,780

Are you alright Sean?

454

00:25:54,780 --> 00:25:57,780

What you got Sean?

455

00:25:57,780 --> 00:26:00,780

What are you doing?

456

00:26:00,780 --> 00:26:05,780

My despair is to come.

457

00:26:05,780 --> 00:26:07,780

Sean's ritual pays off.

458

00:26:07,780 --> 00:26:11,780

Within minutes, a light appears in the sky.

459

00:26:11,780 --> 00:26:18,780

It's a UFO.

460

00:26:18,780 --> 00:26:20,780

Look there.

461

00:26:20,780 --> 00:26:21,780

Right there.

462

00:26:21,780 --> 00:26:23,780

Look at that.

463

00:26:23,780 --> 00:26:25,780

Where's the camera?

464

00:26:25,780 --> 00:26:27,780

There's a shot clip right over there.

465

00:26:27,780 --> 00:26:29,780

Yeah, and a shot to the right.

466

00:26:29,780 --> 00:26:32,780

It's almost like the laser is hitting it.

467

00:26:32,780 --> 00:26:34,780

There it is.

468

00:26:34,780 --> 00:26:36,780

It moved.

469

00:26:36,780 --> 00:26:38,780

I was over here and it's now over there.

470

00:26:38,780 --> 00:26:40,780

The bright light hovers.

471

00:26:40,780 --> 00:26:43,780

It makes a sharp turn.

472

00:26:43,780 --> 00:26:46,780

It darts across the heavens.

473

00:26:46,780 --> 00:26:49,780

Then suddenly it's gone.

474

00:26:49,780 --> 00:26:52,780

This is unlike anything they've ever seen.

475

00:26:52,780 --> 00:26:54,780

Right there.

476

00:26:54,780 --> 00:26:56,780

There it is.

477

00:26:56,780 --> 00:26:58,780

It's flashing its back.

478

00:26:58,780 --> 00:27:00,780

I just saw it.

479

00:27:00,780 --> 00:27:02,780

It was leaving a long trail.

480

00:27:02,780 --> 00:27:04,780

I just saw it with my own eyes.

481

00:27:04,780 --> 00:27:06,780

You saw what?

482

00:27:06,780 --> 00:27:08,780

I can't say what I saw.

483

00:27:08,780 --> 00:27:10,780

I don't know what I saw.

484

00:27:10,780 --> 00:27:12,780

I just know that I saw a light in the sky.

485

00:27:12,780 --> 00:27:14,780

It was emerald in color.

486

00:27:14,780 --> 00:27:16,780

It was moving in between these two trees.

487

00:27:16,780 --> 00:27:18,780

And it closed like it was a beep.

488

00:27:18,780 --> 00:27:20,780

And then melted into the sky.

489

00:27:20,780 --> 00:27:22,780

Hold on. Did you report this?

490

00:27:22,780 --> 00:27:25,780

Because you're supposed to report any UFO.

491

00:27:25,780 --> 00:27:27,780

We did report it.

492

00:27:27,780 --> 00:27:33,780

He told us to contact Bigelow Aerospace Advanced Space Studies Group.

493

00:27:33,780 --> 00:27:35,780

Contact Robert Bigelow?

494

00:27:35,780 --> 00:27:39,780

It's another sign that he's trapping the truth.

495

00:27:39,780 --> 00:27:42,780

Controlling information about UFOs.

496

00:27:42,780 --> 00:27:44,780

What?

497

00:27:44,780 --> 00:27:46,780

Wait a minute.

498

00:27:46,780 --> 00:27:48,780

You called the government and reported this

499

00:27:48,780 --> 00:27:50,780

and the government referred you to Bigelow?

500

00:27:50,780 --> 00:27:52,780

Yes.

501

00:27:52,780 --> 00:27:55,780

At what point did Bigelow become in charge?

502

00:27:55,780 --> 00:27:57,780

Of UFO sightings.

503

00:27:57,780 --> 00:28:01,780

You need to report to the Bigelow Advanced Aerospace Studies?

504

00:28:01,780 --> 00:28:04,780

Federal Aviation Administration letter.

505

00:28:05,780 --> 00:28:07,780

This is it.

506

00:28:07,780 --> 00:28:11,780

The FAA directive dated February 11, 2010.

507

00:28:11,780 --> 00:28:14,780

Instructing citizens to report UFO sightings

508

00:28:14,780 --> 00:28:18,780

to Bigelow's Aerospace Advanced Space Studies Group.

509

00:28:18,780 --> 00:28:20,780

Not to the government.

510

00:28:20,780 --> 00:28:22,780

It's spelled out.

511

00:28:22,780 --> 00:28:27,780

Bigelow adds go-between for the government and extraterrestrials.

512

00:28:27,780 --> 00:28:29,780

That's unbelievable.

513

00:28:29,780 --> 00:28:34,780

Well, he has completely taken over NASA's Inflatable Space Module program.

514

00:28:34,780 --> 00:28:37,780

Yeah, I've heard about these modules.

515

00:28:37,780 --> 00:28:41,780

He is building a complete space station of his own.

516

00:28:41,780 --> 00:28:43,780

What for?

517

00:28:43,780 --> 00:28:45,780

What would a private individual need all that for?

518

00:28:45,780 --> 00:28:47,780

Exactly why him.

519

00:28:47,780 --> 00:28:52,780

I think it's about time that Mr. Bigelow and Jesse Ventura have a face-to-face.

520

00:28:52,780 --> 00:28:55,780

Let's find this guy, people.

521

00:28:56,780 --> 00:29:00,780

Jesse Tyrell and Sean descend on Las Vegas, Nevada,

522

00:29:00,780 --> 00:29:03,780

and Robert Bigelow's Aerospace Factory.

523

00:29:06,780 --> 00:29:08,780

It's a painted alien.

524

00:29:08,780 --> 00:29:09,780

It looks just like an alien.

525

00:29:09,780 --> 00:29:10,780

It is.

526

00:29:10,780 --> 00:29:11,780

Big bug eyes.

527

00:29:11,780 --> 00:29:12,780

Yeah, I mean, isn't that the classic?

528

00:29:12,780 --> 00:29:13,780

The classic gray alien.

529

00:29:13,780 --> 00:29:15,780

Yeah.

530

00:29:15,780 --> 00:29:17,780

What's that dome over there on the hill?

531

00:29:17,780 --> 00:29:20,780

It's like a droid from Star Wars or something.

532

00:29:20,780 --> 00:29:22,780

Let's go around to the other side.

533

00:29:22,780 --> 00:29:25,780

Jesse leads the team to the main entrance.

534

00:29:25,780 --> 00:29:28,780

They're immediately confronted by armed guards

535

00:29:28,780 --> 00:29:31,780

with a bizarre insignia on their uniforms.

536

00:29:31,780 --> 00:29:33,780

That's like a universal logo?

537

00:29:33,780 --> 00:29:35,780

Yeah, it's a company logo.

538

00:29:35,780 --> 00:29:37,780

What is it?

539

00:29:37,780 --> 00:29:38,780

It's an alien.

540

00:29:38,780 --> 00:29:40,780

How many aliens in the place, do you?

541

00:29:40,780 --> 00:29:41,780

Any compound?

542

00:29:41,780 --> 00:29:46,780

I'm not able to answer any questions about what may or may not be in Mr. Bigelow's property.

543

00:29:46,780 --> 00:29:48,780

Talk about weird.

544

00:29:48,780 --> 00:29:52,780

I won't even deny that ETs might be working in there.

545

00:29:52,780 --> 00:29:55,780

So we have to ask Mr. Bigelow if we can get access to the place?

546

00:29:55,780 --> 00:29:56,780

Absolutely.

547

00:29:56,780 --> 00:29:57,780

Yeah, yeah, yeah, yeah.

548

00:29:57,780 --> 00:29:59,780

There'll be a lot of few corporates.

549

00:29:59,780 --> 00:30:02,780

Yeah, we already ran a few corporate.

550

00:30:02,780 --> 00:30:03,780

No go.

551

00:30:03,780 --> 00:30:07,780

But then we got a tip on where we might find him.

552

00:30:07,780 --> 00:30:11,780

So we make a detour to Las Cruces, New Mexico.

553

00:30:11,780 --> 00:30:15,780

I'm going to walk in and meet Mr. Robert Bigelow.

554

00:30:15,780 --> 00:30:17,780

Mr. Bigelow.

555

00:30:18,780 --> 00:30:23,780

Coming up, the Ventura team hits Bigelow on his government connections.

556

00:30:23,780 --> 00:30:25,780

Does the government defer to you?

557

00:30:25,780 --> 00:30:27,780

And his UFO connections.

558

00:30:27,780 --> 00:30:29,780

We were quoted as saying people have died.

559

00:30:29,780 --> 00:30:32,780

And later, more mind-blowing twists.

560

00:30:32,780 --> 00:30:34,780

What do you say to that?

561

00:30:34,780 --> 00:30:37,780

Jesse finds the real power behind the scenes.

562

00:30:37,780 --> 00:30:39,780

I'm the guy who set that up.

563

00:30:39,780 --> 00:30:41,780

He's one scary son of a bitch.

564

00:30:41,780 --> 00:30:43,780

And warnings of an alien apocalypse.

565

00:30:43,780 --> 00:30:45,780

It's an escape pod.

566

00:30:49,780 --> 00:30:53,780

Jesse Ventura has tracked down the mysterious billionaire

567

00:30:53,780 --> 00:30:57,780

in the middle of an alien invasion conspiracy.

568

00:30:57,780 --> 00:31:00,780

And now he's about to meet him face to face

569

00:31:00,780 --> 00:31:03,780

with some hard-hitting questions.

570

00:31:03,780 --> 00:31:06,780

Make sure you hit him on the UFO question.

571

00:31:06,780 --> 00:31:07,780

This is very important.

572

00:31:07,780 --> 00:31:11,780

And what I want to find out, too, is why does the government defer to him?

573

00:31:11,780 --> 00:31:12,780

Exactly.

574

00:31:12,780 --> 00:31:13,780

You know, who put him in charge?

575

00:31:13,780 --> 00:31:15,780

Why isn't the government handling it their own?

576

00:31:15,780 --> 00:31:18,780

So it's a corporate takeover, UFOs, too?

577

00:31:18,780 --> 00:31:23,780

The reclusive Bigelow is speaking at a meeting of the aerospace elite.

578

00:31:23,780 --> 00:31:26,780

Jesse walks right in.

579

00:31:26,780 --> 00:31:29,780

And writes award the man himself.

580

00:31:29,780 --> 00:31:31,780

Former Governor Jesse Ventura.

581

00:31:31,780 --> 00:31:32,780

Yes, sir.

582

00:31:32,780 --> 00:31:35,780

I heard that whenever there's a UFO sighting,

583

00:31:35,780 --> 00:31:37,780

they defer to you, the government.

584

00:31:37,780 --> 00:31:38,780

Is that true?

585

00:31:38,780 --> 00:31:40,780

It's a passion I've had for a long time.

586

00:31:40,780 --> 00:31:41,780

Well, I understand that.

587

00:31:41,780 --> 00:31:43,780

But does the government defer to you?

588

00:31:43,780 --> 00:31:47,780

I have a company that is referred in the FAA manuals

589

00:31:47,780 --> 00:31:50,780

that we are to receive a phone call or something like that.

590

00:31:50,780 --> 00:31:52,780

How did you get to that level?

591

00:31:52,780 --> 00:31:55,780

That's a short answer for,

592

00:31:55,780 --> 00:31:58,780

I'll be damned if I'm telling you the truth.

593

00:31:58,780 --> 00:32:02,780

Bigelow's people move in and hustle their man away.

594

00:32:02,780 --> 00:32:05,780

But Jesse has a backup plan.

595

00:32:05,780 --> 00:32:07,780

Sean Stone is waiting.

596

00:32:07,780 --> 00:32:09,780

I'm working with Jesse Ventura.

597

00:32:09,780 --> 00:32:12,780

Is there anything that you can tell me about what you've been covered

598

00:32:12,780 --> 00:32:15,780

in regards to the UT phenomenon or UFO phenomenon?

599

00:32:17,780 --> 00:32:22,780

Years ago, I had to make a decision that was probably best,

600

00:32:22,780 --> 00:32:24,780

that we not talk too much.

601

00:32:24,780 --> 00:32:28,780

Can you tell me that you believe that there are ET's on this planet?

602

00:32:30,780 --> 00:32:32,780

Somebody asks me that.

603

00:32:32,780 --> 00:32:35,780

I say, first thing I say is, how much research have you done?

604

00:32:35,780 --> 00:32:36,780

Quite a bit.

605

00:32:36,780 --> 00:32:38,780

How many interviews have you done?

606

00:32:38,780 --> 00:32:40,780

How many people who have seen things?

607

00:32:40,780 --> 00:32:44,780

Including Tyrell Ventura actually saw something at the property at the UFO.

608

00:32:44,780 --> 00:32:50,780

Most folks have somebody in their family that has seen something very strange

609

00:32:50,780 --> 00:32:52,780

that was anomalous.

610

00:32:52,780 --> 00:32:56,780

So yes, I do believe that there is enough evidence and enough proof

611

00:32:56,780 --> 00:33:00,780

that a prosaic explanation doesn't cover the phenomenon.

612

00:33:00,780 --> 00:33:02,780

So, believe it or not.

613

00:33:02,780 --> 00:33:06,780

Can you say if you've had any access to UFOs?

614

00:33:06,780 --> 00:33:08,780

You've referred to it in an article, I think you said,

615

00:33:08,780 --> 00:33:12,780

refer to them as our UFO friends and then have actually helped our space program,

616

00:33:12,780 --> 00:33:14,780

our development of the equipment.

617

00:33:14,780 --> 00:33:16,780

I don't know if I ever said our UFO friends.

618

00:33:16,780 --> 00:33:21,780

Seems Bigelow forgot his reference to his UFO friends on his website.

619

00:33:21,780 --> 00:33:24,780

You're quoted as saying people have died.

620

00:33:24,780 --> 00:33:27,780

I mean, I don't know which you were referencing at that time.

621

00:33:27,780 --> 00:33:29,780

Wasp or Polaris, Brazil.

622

00:33:29,780 --> 00:33:34,780

He was a died that he was referring to the Skinwanker Ranch, to the Kaloris battle.

623

00:33:34,780 --> 00:33:37,780

Would you ever consider putting together some kind of dossier or document

624

00:33:37,780 --> 00:33:40,780

based on all the investigation that you've done over the years?

625

00:33:40,780 --> 00:33:43,780

I try to stay away from words like ever or never.

626

00:33:43,780 --> 00:33:48,780

I think right now is not the time for that and I don't see that on the horizon.

627

00:33:48,780 --> 00:33:52,780

The close encounters with Bigelow are very revealing.

628

00:33:52,780 --> 00:33:56,780

But to Jesse, there's something missing.

629

00:33:56,780 --> 00:34:03,780

Who'd be the link between Bigelow, the government, and the extraterrestrials?

630

00:34:03,780 --> 00:34:05,780

Jesse knows who to ask.

631

00:34:05,780 --> 00:34:10,780

Governor, Bigelow is an unwitting front man.

632

00:34:10,780 --> 00:34:16,780

Conspiracy insider Alex Jones is about to rock his world with another amazing revelation.

633

00:34:16,780 --> 00:34:20,780

The guy who's really behind this is Colonel John B. Alexander.

634

00:34:20,780 --> 00:34:28,780

John B. Alexander, a retired U.S. Army colonel and mysterious military legend.

635

00:34:28,780 --> 00:34:31,780

This guy headed up special forces in Vietnam.

636

00:34:31,780 --> 00:34:36,780

He brought the occult into the Pentagon in the 60s, 70s, and 80s.

637

00:34:36,780 --> 00:34:41,780

The occult. Alexander was part of the infamous First Earth Battalion,

638

00:34:41,780 --> 00:34:49,780

the New Age military project that tried to develop a super soldier who could walk through walls.

639

00:34:49,780 --> 00:34:55,780

Alexander's group inspired the George Clooney film, The Man Who Stare at Goats.

640

00:34:55,780 --> 00:35:00,780

In a previous investigation, Jesse met his former commander.

641

00:35:00,780 --> 00:35:04,780

Whoa, whoa, whoa, whoa, whoa, whoa, whoa, whoa.

642

00:35:04,780 --> 00:35:08,780

So he has an idea where Alexander is coming from.

643

00:35:08,780 --> 00:35:12,780

Governor, it is insane when you start researching this.

644

00:35:12,780 --> 00:35:18,780

Alexander also led a top secret study into the government's UFO files.

645

00:35:18,780 --> 00:35:25,780

The study concluded that UFOs are not only real, but controlled by superior intelligence.

646

00:35:25,780 --> 00:35:31,780

Colonel Alexander moved here to head up the paranormal research that Bigelow's into.

647

00:35:31,780 --> 00:35:34,780

Think about how bizarre that is, this private space program.

648

00:35:34,780 --> 00:35:38,780

They've got two spacecraft in orbit right now. NASA can't even do that.

649

00:35:38,780 --> 00:35:43,780

And the head guy who ran black ops was at a genesis of this setup.

650

00:35:43,780 --> 00:35:46,780

What is he really doing up there in orbit?

651

00:35:46,780 --> 00:35:50,780

I mean, I'm not even into this UFO stuff. There's a freaking gray alien on the sign there,

652

00:35:50,780 --> 00:35:53,780

and the government sends their UFO stuff through this.

653

00:35:53,780 --> 00:35:57,780

I'm telling you, this is literally the rabbit hole right here. Something's going on.

654

00:35:57,780 --> 00:36:00,780

So it's Colonel Alexander's the guy I gotta find.

655

00:36:00,780 --> 00:36:03,780

He is probably one of the most scary living people out there today.

656

00:36:03,780 --> 00:36:06,780

He's the real deal, so watch it.

657

00:36:06,780 --> 00:36:09,780

He's one scary son of a bitch.

658

00:36:10,780 --> 00:36:17,780

Next, bull-***, Jesse faces down the man they call Bigelow's Dick Cheney.

659

00:36:17,780 --> 00:36:19,780

You're not the wizard of Oz behind the curtain.

660

00:36:19,780 --> 00:36:24,780

And alien Armageddon, the reason Bigelow would want to escape.

661

00:36:24,780 --> 00:36:29,780

Bigelow has found the truth about UFOs. He knows for a fact they're here.

662

00:36:30,780 --> 00:36:32,780

Music

663

00:36:37,780 --> 00:36:42,780

Alex Jones told Jesse if he wants to find the truth about Robert Bigelow,

664

00:36:42,780 --> 00:36:46,780

he needs to track down retired Army Colonel John Alexander.

665

00:36:46,780 --> 00:36:50,780

Bigelow is an unwitting frontman.

666

00:36:50,780 --> 00:36:53,780

Jesse finds Alexander in Las Vegas.

667

00:36:53,780 --> 00:36:57,380

The military's UFO expert moved here in the 1990s

668

00:36:57,380 --> 00:37:00,220

to work with Bigelow on paranormal research

669

00:37:00,220 --> 00:37:03,060

and the skinwalker UFO investigation.

670

00:37:03,060 --> 00:37:07,220

Bigelow Aerospace is a totally privately held company.

671

00:37:07,220 --> 00:37:11,000

Alexander denies he still works for Bigelow,

672

00:37:11,000 --> 00:37:14,040

but he says Bigelow called him after he met Jesse.

673

00:37:15,040 --> 00:37:16,300

I asked him one question.

674

00:37:16,300 --> 00:37:17,940

I asked him why does the government

675

00:37:17,940 --> 00:37:21,400

if their UFO reports to be direct them directly to you?

676

00:37:21,400 --> 00:37:23,300

No, I'm the guy who set that up.

677

00:37:24,800 --> 00:37:26,340

That was easy enough.

678

00:37:26,340 --> 00:37:28,540

He admits he's the connection.

679

00:37:28,540 --> 00:37:30,800

I wonder what else he's connected to.

680

00:37:30,800 --> 00:37:33,140

If it's directed to the private sector,

681

00:37:33,140 --> 00:37:36,140

then how does the public ever get the truth?

682

00:37:36,140 --> 00:37:37,580

He doesn't have an obligation.

683

00:37:37,580 --> 00:37:38,980

Publicly disclose anything.

684

00:37:38,980 --> 00:37:41,220

Most of them don't go.

685

00:37:41,220 --> 00:37:44,860

These are only reports where people call the FAA.

686

00:37:44,860 --> 00:37:46,460

Where else would people go?

687

00:37:46,460 --> 00:37:48,700

MUFON gets most of them.

688

00:37:49,520 --> 00:37:52,500

MUFON, Bigelow bought in to MUFON

689

00:37:52,500 --> 00:37:54,900

to get a hold of those UFO reports.

690

00:37:56,100 --> 00:37:59,100

His agenda seems to be to get the information for himself

691

00:37:59,100 --> 00:38:02,140

and his quote unseen backers.

692

00:38:02,140 --> 00:38:05,300

Bigelow's like a sponge, soaking up truth

693

00:38:05,300 --> 00:38:07,820

you and I will never know.

694

00:38:07,820 --> 00:38:10,820

Some conspiracy theorists passionately believe

695

00:38:10,820 --> 00:38:14,220

that we have contact with alien life force

696

00:38:14,220 --> 00:38:17,580

and that they're passing to us technology

697

00:38:17,600 --> 00:38:21,040

that we're now using that they term reverse engineering.

698

00:38:21,040 --> 00:38:22,720

What do you say to that?

699

00:38:22,720 --> 00:38:24,420

Bull-a-d**e.

700

00:38:24,420 --> 00:38:25,740

Total.

701

00:38:25,740 --> 00:38:28,520

I think your bull-a-d**e filters just don't work.

702

00:38:28,520 --> 00:38:32,720

BS, tell that to Bigelow's UFO friends.

703

00:38:32,720 --> 00:38:35,460

What's the story on the Skinwalker Ranch?

704

00:38:37,860 --> 00:38:39,600

It's a very strange place.

705

00:38:39,600 --> 00:38:41,640

Mr. Bigelow owns it, correct?

706

00:38:41,640 --> 00:38:42,900

Yeah.

707

00:38:42,900 --> 00:38:45,140

And I was told you were in charge of it for a while.

708

00:38:45,140 --> 00:38:46,460

No.

709

00:38:46,460 --> 00:38:47,540

Not at all.

710

00:38:47,540 --> 00:38:48,760

But I was never in charge.

711

00:38:48,760 --> 00:38:51,200

Tell me why it's a strange place.

712

00:38:51,200 --> 00:38:54,740

Just very strange things happen in the area.

713

00:38:54,740 --> 00:38:57,300

When you tell me very strange things happen,

714

00:38:57,300 --> 00:38:58,640

define strange to me.

715

00:38:58,640 --> 00:39:01,540

What is a strange thing that would happen at this ranch?

716

00:39:03,720 --> 00:39:07,380

Well, I thought we had agreed not to go off into here.

717

00:39:07,380 --> 00:39:08,920

I mean, you know, well...

718

00:39:08,920 --> 00:39:11,220

I'm trying to learn about are there space?

719

00:39:11,220 --> 00:39:12,560

What do we do?

720

00:39:12,560 --> 00:39:14,060

At least the government being truthful

721

00:39:14,060 --> 00:39:15,420

about what they've told us.

722

00:39:15,420 --> 00:39:16,420

I'm not convinced of the related issues.

723

00:39:16,440 --> 00:39:17,740

That's the whole point.

724

00:39:17,740 --> 00:39:20,220

So Skinwalker has nothing to do with space?

725

00:39:20,220 --> 00:39:21,620

I don't think so. No.

726

00:39:21,620 --> 00:39:24,620

Could you call up and get me to the ranch

727

00:39:24,620 --> 00:39:26,120

and let me spend a week there?

728

00:39:26,120 --> 00:39:30,360

Well, it's his ranch and Bay, you'd be really bored.

729

00:39:30,360 --> 00:39:32,060

I mean, remember, we talked about...

730

00:39:32,060 --> 00:39:33,360

Not so sure.

731

00:39:33,360 --> 00:39:34,900

I had a couple of my protégés go up there

732

00:39:34,900 --> 00:39:36,500

and said it wasn't boring at all.

733

00:39:37,740 --> 00:39:39,000

Ah!

734

00:39:39,000 --> 00:39:41,740

Then I asked him, did Bigelow let on

735

00:39:41,740 --> 00:39:45,880

that people were killed by ETs at the Skinwalker Ranch?

736

00:39:45,900 --> 00:39:47,500

Yeah, you're sending it to me.

737

00:39:47,500 --> 00:39:50,780

That stuff from Brazil, pretty well known.

738

00:39:50,780 --> 00:39:52,740

And what else?

739

00:39:52,740 --> 00:39:53,940

Dumb statement.

740

00:39:53,940 --> 00:39:55,440

Dumb statement.

741

00:39:55,440 --> 00:39:56,780

Dumb statement.

742

00:39:56,780 --> 00:39:59,480

That's one of those ones where the throwaway has a gotcha.

743

00:39:59,480 --> 00:40:03,120

Well, he admitted he's Bigelow's government connection,

744

00:40:03,120 --> 00:40:06,060

but will he admit he's Bigelow's Dick Cheney?

745

00:40:06,060 --> 00:40:08,760

Is he the one pulling the strings?

746

00:40:08,760 --> 00:40:10,160

That's silly.

747

00:40:10,160 --> 00:40:11,760

Ha ha.

748

00:40:11,760 --> 00:40:13,160

So that's silly.

749

00:40:13,180 --> 00:40:15,380

You're not the power behind the...

750

00:40:15,380 --> 00:40:18,320

You're not the Wizard of Oz behind the curtain.

751

00:40:18,320 --> 00:40:20,320

Heavens know.

752

00:40:20,320 --> 00:40:23,520

John Alexander is one tough nut to crack,

753

00:40:23,520 --> 00:40:25,260

and that's where it would have ended

754

00:40:25,260 --> 00:40:28,060

if Tyrell and Sean's Skinwalker Adventure

755

00:40:28,060 --> 00:40:29,760

hadn't have paid off.

756

00:40:31,900 --> 00:40:35,740

The pair respond to a call from Preston Dennett,

757

00:40:35,740 --> 00:40:38,140

a leading UFO researcher,

758

00:40:38,140 --> 00:40:41,180

a Mufon field investigator pushed aside

759

00:40:41,180 --> 00:40:42,840

by Bigelow's minions.

760

00:40:43,600 --> 00:40:47,940

Dennett says he has urgent news about Bigelow's space station.

761

00:40:47,940 --> 00:40:49,940

He knows the aliens now.

762

00:40:49,940 --> 00:40:52,100

He's taken their message to heart.

763

00:40:52,100 --> 00:40:54,500

So you're telling me that Bigelow's in a conspiracy

764

00:40:54,500 --> 00:40:56,940

with these extraterrestrial friends of his?

765

00:40:56,940 --> 00:40:58,240

Yes.

766

00:40:58,240 --> 00:40:59,240

He's using their technology as well

767

00:40:59,240 --> 00:41:01,440

to get to his space station.

768

00:41:01,440 --> 00:41:03,440

See, but the problem that he has with this space station

769

00:41:03,440 --> 00:41:06,140

is that he really has no way of getting up there.

770

00:41:06,140 --> 00:41:08,380

Right, and that's exactly why I wanted to meet with you guys

771

00:41:08,380 --> 00:41:09,640

and speak with you,

772

00:41:09,640 --> 00:41:12,440

because there's big news that just happened.

773

00:41:12,440 --> 00:41:15,440

It turns out that he has made a deal

774

00:41:15,440 --> 00:41:20,440

with a company called SpaceX to use this rocket.

775

00:41:21,440 --> 00:41:23,740

It's a shocking development,

776

00:41:23,740 --> 00:41:26,440

and Preston Dennett is about to explain why.

777

00:41:27,600 --> 00:41:31,080

In May, 2012, when Bigelow announced the deal

778

00:41:31,080 --> 00:41:35,000

to use the SpaceX rocket to reach his space station,

779

00:41:35,000 --> 00:41:36,140

there was a catch.

780

00:41:36,140 --> 00:41:38,500

These things hold only six, seven people,

781

00:41:38,500 --> 00:41:41,180

just enough for Bigelow and his other friends.

782

00:41:42,180 --> 00:41:43,980

To people like Dennett,

783

00:41:43,980 --> 00:41:46,180

the small number of passengers

784

00:41:46,180 --> 00:41:49,080

combined with the information Bigelow has gathered

785

00:41:49,080 --> 00:41:52,080

add up to one conclusion.

786

00:41:52,080 --> 00:41:56,680

Earth is about to come under attack by aliens.

787

00:41:56,680 --> 00:42:01,180

Bigelow and his chosen few have means to escape,

788

00:42:01,180 --> 00:42:03,980

while the rest of us remain.

789

00:42:03,980 --> 00:42:05,980

Our planet is in serious trouble.

790

00:42:05,980 --> 00:42:07,580

Bigelow knows this.

791

00:42:07,580 --> 00:42:10,980

He's ready to take off and evacuate the planet.

792

00:42:10,980 --> 00:42:12,480

Just him and his cronies,

793

00:42:12,480 --> 00:42:15,480

when the old apocalyptic scenario goes down

794

00:42:15,480 --> 00:42:17,480

as the ETs are predicting,

795

00:42:17,480 --> 00:42:19,780

which again could happen any day.

796

00:42:19,780 --> 00:42:22,980

This rocket and this space hotel,

797

00:42:22,980 --> 00:42:24,580

it's an escape pod.

798

00:42:24,580 --> 00:42:27,380

You've got to let Jesse know that this is all real.

799

00:42:27,380 --> 00:42:29,980

This is important stuff, and this is no joke.

800

00:42:30,980 --> 00:42:37,980

MUSIC

801

00:42:37,980 --> 00:42:40,980

Robert Bigelow is an American dreamer.

802

00:42:40,980 --> 00:42:42,980

He's like Howard Hughes,

803

00:42:42,980 --> 00:42:45,480

with all the good and bad that comes with it.

804

00:42:45,480 --> 00:42:48,480

He doesn't hide his fascination with UFOs,

805

00:42:48,480 --> 00:42:50,980

and his hope is there's life out there.

806

00:42:50,980 --> 00:42:54,480

But his connections with government, individuals,

807

00:42:54,480 --> 00:42:58,980

other nations, hell, who knows, maybe extraterrestrials.

808

00:42:58,980 --> 00:43:00,980

That's got to keep us all worried.

809

00:43:00,980 --> 00:43:03,480

When corporations take over space,

810

00:43:03,480 --> 00:43:05,480

when they're allowed to spy,

811

00:43:05,480 --> 00:43:09,480

haul weapons, even create their own space stations,

812

00:43:09,480 --> 00:43:11,980

somebody's got to be held accountable.

813

00:43:11,980 --> 00:43:15,480

A conspiracy of silence ain't the answer.

814

00:43:15,480 --> 00:43:19,480

And what's going on at that skinwalker ranch anyway?

815

00:43:19,480 --> 00:43:22,980

I'm Jesse Ventura, and this is Conspiracy Theory.

816

00:43:22,980 --> 00:43:36,980

MUSIC
