

1

00:00:00,000 --> 00:00:10,000

Stargazing scientists at NASA are confident that when the next few decades humans will discover the very first signs of extraterrestrial life.

2

00:00:10,000 --> 00:00:15,000

Yet some believe it's entirely possible alien craft have already visited Earth.

3

00:00:18,000 --> 00:00:20,000

Large black flying object.

4

00:00:20,000 --> 00:00:22,000

Hey calm down calm down.

5

00:00:22,000 --> 00:00:26,000

But extraordinary claims demand extraordinary evidence.

6

00:00:27,000 --> 00:00:34,000

In this series I'm going to investigate some of the most remarkable and recent UFO sightings from around the world.

7

00:00:34,000 --> 00:00:37,000

They saw something really strange in the sky that day.

8

00:00:39,000 --> 00:00:44,000

And I'll be joined by renowned astrophysicist and space journalist Sarah Cruders.

9

00:00:45,000 --> 00:00:49,000

The thing is with something so extraordinary like this we've got to look at all the more logical explanations.

10

00:00:49,000 --> 00:00:52,000

I still think this can be explained by science.

11

00:00:53,000 --> 00:00:57,000

As together we'll separate back from fiction once and for all.

12

00:00:57,000 --> 00:01:00,000

That is an unidentified flying object.

13

00:01:00,000 --> 00:01:02,000

I knew you were going to say that and yes it is.

14

00:01:02,000 --> 00:01:05,000

It's one of the greatest UFO mysteries of all time.

15

00:01:05,000 --> 00:01:10,000

From our specially created UFO investigation hub we'll speak to experts.

16

00:01:11,000 --> 00:01:15,000

We have no conventional explanation for what we are seeing here.

17

00:01:15,000 --> 00:01:16,000

Whistle blowers.

18

00:01:16,000 --> 00:01:21,000

Anytime you step out of ranks in an organization like mine there's obviously going to be a lot of people who are going to be in the same place.

19

00:01:22,000 --> 00:01:23,000

There's going to be some repercussions.

20

00:01:23,000 --> 00:01:25,000

And first hand witnesses.

21

00:01:25,000 --> 00:01:27,000

There was this massive boomerang.

22

00:01:27,000 --> 00:01:30,000

At least a mile to a mile and a half wide.

23

00:01:30,000 --> 00:01:31,000

It was huge.

24

00:01:31,000 --> 00:01:33,000

Wow that's just spooked me now.

25

00:01:34,000 --> 00:01:37,000

And finally answer the big question.

26

00:01:38,000 --> 00:01:40,000

Are we alone in the universe?

27

00:01:40,000 --> 00:01:43,000

Whatever they are they're not of this world.

28

00:01:52,000 --> 00:01:54,000

Huge explosions.

29

00:01:55,000 --> 00:01:56,000

Blinding lights.

30

00:01:58,000 --> 00:02:02,000

A military dogfight with a giant shape-shifting UFO.

31

00:02:05,000 --> 00:02:08,000

It's a scene worthy of an ex files finale.

32

00:02:08,000 --> 00:02:12,000

Except this all took place in a quiet village in south Wales.

33

00:02:14,000 --> 00:02:17,000

There were theories about portals.

34

00:02:17,000 --> 00:02:18,000

Opening up.

35

00:02:18,000 --> 00:02:20,000

I don't know time portals.

36

00:02:20,000 --> 00:02:21,000

Dimensional portals.

37

00:02:21,000 --> 00:02:25,000

This was something genuinely very rare.

38

00:02:25,000 --> 00:02:29,000

Whatever it was was not of this world or of this dimension.

39

00:02:30,000 --> 00:02:32,000

I believe it wasn't military put it that way.

40

00:02:34,000 --> 00:02:39,000

A structured craft of unknown origin operating over the UK.

41

00:02:39,000 --> 00:02:42,000

It must be a potential threat.

42

00:02:42,000 --> 00:02:43,000

It must be.

43

00:02:43,000 --> 00:02:44,000

It must be.

44

00:02:51,000 --> 00:02:55,000

In the early hours of the 26th of February 2016.

45

00:02:55,000 --> 00:02:59,000

Residents of Penturk witnessed an event that would change their lives

46

00:02:59,000 --> 00:03:02,000

and rock the international UFO community.

47

00:03:02,000 --> 00:03:06,000

Witnesses describe a vast pyramid shaped vessel

48

00:03:06,000 --> 00:03:08,000

forming over a row of trees.

49

00:03:09,000 --> 00:03:13,000

The huge craft was outlined in brilliant bright lights.

50

00:03:18,000 --> 00:03:20,000

Then things got even stranger.

51

00:03:23,000 --> 00:03:27,000

An aerial or martyr of military planes and helicopters

52

00:03:27,000 --> 00:03:30,000

engaged the UFO in a terrifying battle.

53

00:03:31,000 --> 00:03:34,000

Culminating in its apparent destruction.

54

00:03:38,000 --> 00:03:42,000

Witnesses remain convinced what they saw was extraterrestrial.

55

00:03:42,000 --> 00:03:45,000

But the official line taken by the military.

56

00:03:45,000 --> 00:03:47,000

It was a training exercise.

57

00:03:48,000 --> 00:03:50,000

Could this be pointing to a cover up?

58

00:03:52,000 --> 00:03:55,000

As an XMOD official himself, Nick Pope,

59

00:03:55,000 --> 00:03:59,000

is perfectly placed to know how the authorities react in such situations.

60

00:04:02,000 --> 00:04:05,000

You're dealing with these inherently secretive organisations

61

00:04:05,000 --> 00:04:09,000

whose default mindset is not to share this information.

62

00:04:09,000 --> 00:04:14,000

It always worries me when you come up against the secrecy.

63

00:04:14,000 --> 00:04:17,000

And that's the most frustrating thing of all.

64

00:04:19,000 --> 00:04:23,000

If the Penturk UFO incident is being covered up by the military,

65

00:04:23,000 --> 00:04:26,000

we'll stop at nothing to get to the bottom

66

00:04:26,000 --> 00:04:31,000

of what is surely one of the most sensational UFO sightings in British history.

67

00:04:36,000 --> 00:04:39,000

This is an amazing story.

68

00:04:39,000 --> 00:04:42,000

It sounds so dramatic. How come I've not heard of this?

69

00:04:42,000 --> 00:04:44,000

I am really curious about this one.

70

00:04:44,000 --> 00:04:47,000

Again, we're talking about a triangular shaped object,

71

00:04:47,000 --> 00:04:49,000

multiple witnesses, bright lights.

72

00:04:49,000 --> 00:04:52,000

It's something we hear a lot in all these unexplained cases.

73

00:04:52,000 --> 00:04:55,000

What I am curious about, though, is the lack of hard evidence.

74

00:04:55,000 --> 00:04:58,000

Where's the photographs? Where's the video? This was 2016.

75

00:04:58,000 --> 00:05:01,000

Yeah, but I mean, they're talking about firefights in the sky,

76

00:05:01,000 --> 00:05:04,000

the military, the military, the military, the military,

77

00:05:04,000 --> 00:05:07,000

the military, the military being involved. Surely the military

78

00:05:07,000 --> 00:05:10,000

would release a statement about this, wouldn't they?

79

00:05:10,000 --> 00:05:13,000

Potentially, yes. The fact is we've got to investigate this.

80

00:05:13,000 --> 00:05:15,000

We've got to trust what people are saying.

81

00:05:15,000 --> 00:05:17,000

OK, who do we talk to first?

82

00:05:17,000 --> 00:05:19,000

We need to talk to a witness, and one of those witnesses,

83

00:05:19,000 --> 00:05:21,000

her name is Kaz Clark.

84

00:05:23,000 --> 00:05:25,000

She saw things firsthand.

85

00:05:25,000 --> 00:05:28,000

I believe this experience changed her whole life.

86

00:05:28,000 --> 00:05:30,000

Tell us what you saw that night.

87

00:05:30,000 --> 00:05:33,000

OK, well, it was really the military

88

00:05:33,000 --> 00:05:36,000

that attracted my attention to everything

89

00:05:36,000 --> 00:05:39,000

with the planes that they had in the air for three nights

90

00:05:39,000 --> 00:05:41,000

prior to its arrival.

91

00:05:41,000 --> 00:05:43,000

I was just about to go back into my home

92

00:05:43,000 --> 00:05:45,000

when I heard a huge plane coming.

93

00:05:45,000 --> 00:05:47,000

It sounded like a missile.

94

00:05:48,000 --> 00:05:51,000

So I went back out, and the first red light

95

00:05:51,000 --> 00:05:54,000

was visible high above the trees behind my house.

96

00:05:56,000 --> 00:05:59,000

So I called one of my neighbours and we ran over to the gate.

97

00:05:59,000 --> 00:06:02,000

And this one red light turned into three red lights

98

00:06:02,000 --> 00:06:06,000

that was the very pinnacle of an enormous pyramid.

99

00:06:09,000 --> 00:06:13,000

It came through a black veil into our world.

100

00:06:14,000 --> 00:06:17,000

It was turning very slowly anti-clockwise.

101

00:06:17,000 --> 00:06:19,000

When it got into the upright position,

102

00:06:19,000 --> 00:06:22,000

it fired this really bright green object out of the top,

103

00:06:22,000 --> 00:06:24,000

like a big bright green star.

104

00:06:24,000 --> 00:06:27,000

And that moved across to the trees,

105

00:06:27,000 --> 00:06:31,000

just stopped there, just rocking gently backwards and forwards.

106

00:06:31,000 --> 00:06:33,000

I stood on the five-bar gate to get a better look

107

00:06:33,000 --> 00:06:35,000

and explained that it's landing, it's landing,

108

00:06:35,000 --> 00:06:37,000

thinking it was coming down.

109

00:06:37,000 --> 00:06:41,000

And it ejected what I described as a hand of lightning.

110

00:06:44,000 --> 00:06:47,000

After that, we saw the helicopters flying low across the field

111

00:06:47,000 --> 00:06:51,000

on our left-hand side in a triangular formation

112

00:06:51,000 --> 00:06:55,000

on an interception course with this green object.

113

00:06:56,000 --> 00:06:58,000

And after the helicopters had gone out of sight,

114

00:06:58,000 --> 00:07:01,000

there were these two barrel-shaped objects.

115

00:07:02,000 --> 00:07:05,000

Absolutely silent about the size of a small car,

116

00:07:05,000 --> 00:07:10,000

red in colour and the insides appeared to be moving.

117

00:07:10,000 --> 00:07:14,000

It was turning in on itself, a bit like a cake mix, you know?

118

00:07:17,000 --> 00:07:20,000

And one of these red objects stopped above the hedge

119

00:07:20,000 --> 00:07:22,000

about 20 feet away from me.

120

00:07:22,000 --> 00:07:25,000

The only thing I could think to do was to wave.

121

00:07:26,000 --> 00:07:29,000

And I felt it scam me.

122

00:07:29,000 --> 00:07:33,000

Within 24 hours, it turned my hair white.

123

00:07:36,000 --> 00:07:40,000

Now, these objects moved off in different directions.

124

00:07:41,000 --> 00:07:45,000

We walked back to my home, which is about 30 seconds away,

125

00:07:45,000 --> 00:07:48,000

and we heard an enormous explosion.

126

00:07:50,000 --> 00:07:53,000

And the explosion was so loud, so big,

127

00:07:53,000 --> 00:07:56,000

people were shaken awake in their beds.

128

00:07:56,000 --> 00:08:00,000

They had 20 military gunships in the air.

129

00:08:00,000 --> 00:08:05,000

C-17s, C-130s, Chinook helicopters, Apaches.

130

00:08:05,000 --> 00:08:07,000

This was not an exercise.

131

00:08:08,000 --> 00:08:11,000

This was real life over a residential area

132

00:08:11,000 --> 00:08:13,000

and were not allowed to know.

133

00:08:16,000 --> 00:08:21,000

Later that morning, Kaz began to post on social media,

134

00:08:21,000 --> 00:08:24,000

stating that this was no exercise

135

00:08:24,000 --> 00:08:27,000

and, in fact, a major UFO event.

136

00:08:28,000 --> 00:08:32,000

Soon after, she was contacted by a mysterious man

137

00:08:32,000 --> 00:08:34,000

with a list of questions.

138

00:08:35,000 --> 00:08:37,000

What did they say to you, Kaz?

139

00:08:37,000 --> 00:08:40,000

They wanted to know who I'd spoken to

140

00:08:40,000 --> 00:08:43,000

and how exactly I'd spoken to them.

141

00:08:43,000 --> 00:08:46,000

So I agreed to meet with them

142

00:08:46,000 --> 00:08:50,000

and was immediately threatened with perhaps a fatal car accident.

143

00:08:50,000 --> 00:08:52,000

They asked me, you know, wasn't I worried about

144

00:08:52,000 --> 00:08:54,000

what was going to happen to me and my family?

145

00:08:54,000 --> 00:08:56,000

Accidents happen all the time.

146

00:08:56,000 --> 00:08:58,000

What did I want?

147

00:08:58,000 --> 00:09:01,000

Which I thought was a very strange question to ask.

148

00:09:02,000 --> 00:09:06,000

So whoever this person was was part of what happened that night.

149

00:09:08,000 --> 00:09:11,000

It's just, it's chilling. It's powerful.

150

00:09:11,000 --> 00:09:15,000

How do you feel now? How do you feel telling us your story now?

151

00:09:15,000 --> 00:09:17,000

It still affects me.

152

00:09:17,000 --> 00:09:19,000

I can't say it doesn't.

153

00:09:19,000 --> 00:09:22,000

It made me question absolutely everything

154

00:09:23,000 --> 00:09:25,000

because these things are real.

155

00:09:27,000 --> 00:09:30,000

And our military know they're real

156

00:09:30,000 --> 00:09:34,000

and our military are actively pursuing and shooting these things down.

157

00:09:36,000 --> 00:09:40,000

Our problem with this at the moment in trying to investigate it is

158

00:09:42,000 --> 00:09:46,000

your account of it is so vivid and so well told.

159

00:09:46,000 --> 00:09:50,000

We've got no evidence at all that it actually happened.

160

00:09:52,000 --> 00:09:54,000

When you waved, why didn't you reach for your phone?

161

00:09:54,000 --> 00:09:56,000

Why didn't you take video evidence of it?

162

00:09:56,000 --> 00:09:58,000

Why didn't you take photographs?

163

00:09:58,000 --> 00:09:59,000

I know...

164

00:09:59,000 --> 00:10:00,000

You tried.

165

00:10:00,000 --> 00:10:01,000

You tried?

166

00:10:01,000 --> 00:10:02,000

We tried.

167

00:10:02,000 --> 00:10:04,000

Our phones were completely dead.

168

00:10:04,000 --> 00:10:06,000

Completely dead.

169

00:10:06,000 --> 00:10:09,000

I don't know if that was something to do with the E3 Sentry.

170

00:10:10,000 --> 00:10:12,000

I'm actually blown away.

171

00:10:12,000 --> 00:10:16,000

We're going to see if we can play some small part

172

00:10:16,000 --> 00:10:18,000

in trying to get to the bottom of it.

173

00:10:18,000 --> 00:10:19,000

But your story is...

174

00:10:19,000 --> 00:10:22,000

It might help that I took three polygraph tests

175

00:10:22,000 --> 00:10:24,000

to prove that what I said I saw was real.

176

00:10:25,000 --> 00:10:28,000

Kaz, have you got the polygraph data?

177

00:10:28,000 --> 00:10:29,000

I do, yeah.

178

00:10:29,000 --> 00:10:31,000

Can you send us that?

179

00:10:31,000 --> 00:10:32,000

Yes, I can.

180

00:10:32,000 --> 00:10:35,000

That is the scariest story I've heard in wealth forever.

181

00:10:35,000 --> 00:10:38,000

My concern is are we at risk investigating this

182

00:10:38,000 --> 00:10:40,000

when you hear what's happened to her?

183

00:10:40,000 --> 00:10:43,000

I've got no idea, but I'm going to look into it

184

00:10:43,000 --> 00:10:45,000

because that is the most harrowing, disturbing story

185

00:10:45,000 --> 00:10:48,000

I've ever heard in my life and so believable.

186

00:10:48,000 --> 00:10:51,000

She was so genuine. She was so honest.

187

00:10:51,000 --> 00:10:52,000

She was so honest.

188

00:10:52,000 --> 00:10:53,000

She was so honest.

189

00:10:53,000 --> 00:10:54,000

She was so honest.

190

00:10:54,000 --> 00:10:55,000

She was so honest.

191

00:10:55,000 --> 00:10:56,000

She was so honest.

192

00:10:56,000 --> 00:10:57,000

She was so honest.

193

00:10:57,000 --> 00:10:58,000

She was so honest.

194

00:10:58,000 --> 00:10:59,000

She was so honest.

195

00:10:59,000 --> 00:11:01,000

She was so honest.

196

00:11:01,000 --> 00:11:03,000

She was so genuine. She was so effective.

197

00:11:03,000 --> 00:11:05,000

I mean, it could be...

198

00:11:05,000 --> 00:11:07,000

It could still be military activity.

199

00:11:07,000 --> 00:11:08,000

We don't know what's happened with it.

200

00:11:08,000 --> 00:11:10,000

The fact that people try to close it down...

201

00:11:10,000 --> 00:11:11,000

Why? Why?

202

00:11:11,000 --> 00:11:12,000

...shatter the forces...

203

00:11:12,000 --> 00:11:14,000

This is getting really interesting.

204

00:11:17,000 --> 00:11:18,000

Coming up.

205

00:11:18,000 --> 00:11:21,000

60-foot trees have been snapped in half.

206

00:11:21,000 --> 00:11:24,000

So it's like something's crashed through it.

207

00:11:24,000 --> 00:11:27,000

We reveal hard evidence of a potential crash site

208

00:11:27,000 --> 00:11:28,000

in South Wales.

209

00:11:28,000 --> 00:11:30,000

We followed the Daigre trail through to its end.

210

00:11:30,000 --> 00:11:32,000

It's where all these burn marks and scrape marks

211

00:11:32,000 --> 00:11:34,000

on the surrounding trees.

212

00:11:35,000 --> 00:11:37,000

And here's startling testimony,

213

00:11:37,000 --> 00:11:40,000

suggestive of a military cover-up.

214

00:11:40,000 --> 00:11:42,000

They changed their story, at least,

215

00:11:42,000 --> 00:11:45,000

I would say a good half a dozen times, at least.

216

00:11:45,000 --> 00:11:46,000

There's people keeping secrets.

217

00:11:46,000 --> 00:11:47,000

There's a lot that we don't know.

218

00:11:47,000 --> 00:11:49,000

There's a lot we're not being told.

219

00:11:49,000 --> 00:11:50,000

We have a right to know, you know,

220

00:11:50,000 --> 00:11:52,000

if we're in any danger or any threat.

221

00:11:56,000 --> 00:11:59,000

Most UFO sightings have earthly origins.

222

00:11:59,000 --> 00:12:02,000

Over half can be easily explained by meteors,

223

00:12:02,000 --> 00:12:05,000

weather phenomena or military aircraft.

224

00:12:07,000 --> 00:12:10,000

But occasionally, there's a sighting so strange

225

00:12:10,000 --> 00:12:13,000

and so baffling, it's impossible to deny.

226

00:12:13,000 --> 00:12:16,000

It could be something we don't yet understand.

227

00:12:17,000 --> 00:12:19,000

Something which is beyond the imagination

228

00:12:19,000 --> 00:12:21,000

is something we need to investigate.

229

00:12:22,000 --> 00:12:25,000

An incident in Wales in 2016

230

00:12:25,000 --> 00:12:28,000

dubbed the Welsh Roswell, is one such event.

231

00:12:29,000 --> 00:12:32,000

Despite a wall of silence from the authorities,

232

00:12:32,000 --> 00:12:36,000

witnesses are convinced they saw a vast triangle of lights

233

00:12:36,000 --> 00:12:39,000

and a violent dogfight between the military

234

00:12:39,000 --> 00:12:44,000

and an unidentified, clearly visible, alien craft.

235

00:12:46,000 --> 00:12:51,000

This extraordinary event culminated in a massive explosion

236

00:12:51,000 --> 00:12:54,000

and the apparent shooting down of a UFO.

237

00:12:55,000 --> 00:12:58,000

The only witness to tell their story publicly

238

00:12:58,000 --> 00:13:00,000

has been warned off.

239

00:13:03,000 --> 00:13:06,000

I was immediately threatened with perhaps a fatal car accident.

240

00:13:06,000 --> 00:13:08,000

I don't want anything for myself.

241

00:13:08,000 --> 00:13:10,000

Just the truth.

242

00:13:17,000 --> 00:13:19,000

OK, Sarah, we've got witnesses you say.

243

00:13:19,000 --> 00:13:23,000

They saw a vast pyramid-shaped aircraft in the sky.

244

00:13:23,000 --> 00:13:28,000

Being chased and shot down by RAF jets,

245

00:13:28,000 --> 00:13:32,000

by Chinook helicopters, by Hercules helicopters,

246

00:13:32,000 --> 00:13:34,000

C-13, C-70s.

247

00:13:34,000 --> 00:13:37,000

I mean, you talk about the air force in the sky.

248

00:13:38,000 --> 00:13:40,000

We spoke to Kaz Clark.

249

00:13:40,000 --> 00:13:42,000

And that was a powerful interview.

250

00:13:42,000 --> 00:13:44,000

I'll give you that. That was... It was chilling.

251

00:13:44,000 --> 00:13:46,000

It was harrowing. She was so affected

252

00:13:46,000 --> 00:13:48,000

by what's happened to Harrowett Craig.

253

00:13:48,000 --> 00:13:50,000

I like to go by the motto, trust and verify.

254

00:13:50,000 --> 00:13:52,000

I trust it, but we haven't verified it yet.

255

00:13:52,000 --> 00:13:54,000

We need to see more evidence.

256

00:13:56,000 --> 00:14:01,000

The dramatic events of the night of the 26th of February, 2016,

257

00:14:01,000 --> 00:14:04,000

were just the beginning of this extraordinary story.

258

00:14:06,000 --> 00:14:08,000

What was discovered the morning after

259

00:14:08,000 --> 00:14:11,000

provides more vital pieces of the puzzle.

260

00:14:13,000 --> 00:14:16,000

At 9 a.m., cars along with some of their neighbours

261

00:14:16,000 --> 00:14:20,000

headed straight for where they believed the UFO would come down.

262

00:14:21,000 --> 00:14:25,000

addensely forested the area, four miles west of Pentake,

263

00:14:25,000 --> 00:14:27,000

and smile on the woods.

264

00:14:28,000 --> 00:14:30,000

Kaz, what did you discover?

265

00:14:31,000 --> 00:14:36,000

60-foot trees had been snapped in half, mid-trunk,

266

00:14:36,000 --> 00:14:38,000

as far as the eye could see.

267

00:14:39,000 --> 00:14:43,000

Trunks 12 to 14 inches thick had been snapped.

268

00:14:44,000 --> 00:14:47,000

We followed the Daigre trail through to its end,

269

00:14:47,000 --> 00:14:49,000

where we found the impact site.

270

00:14:49,000 --> 00:14:52,000

There were all these burn marks and straight marks

271

00:14:52,000 --> 00:14:56,000

on the surrounding trees, but the burn marks were white, not black,

272

00:14:57,000 --> 00:14:59,000

and a very pungent smell in the air.

273

00:15:01,000 --> 00:15:04,000

The location of the damaged trees is less than half a mile

274

00:15:04,000 --> 00:15:06,000

from the Royal Glamorgan Hospital.

275

00:15:07,000 --> 00:15:10,000

And we have an email from an ex-staff member of the hospital

276

00:15:10,000 --> 00:15:13,000

dated December 2017,

277

00:15:14,000 --> 00:15:17,000

describing hearing an extremely loud explosion

278

00:15:17,000 --> 00:15:20,000

and smelling unusual, sulphurous odours

279

00:15:20,000 --> 00:15:25,000

in the early hours of February 26, 2016.

280

00:15:27,000 --> 00:15:30,000

It shook patients awake in their beds in the hospital.

281

00:15:31,000 --> 00:15:35,000

The smoke was so dense it was going in through the vents and through the windows.

282

00:15:35,000 --> 00:15:37,000

Car alarms were set off in the streets.

283

00:15:39,000 --> 00:15:43,000

Without a doubt, something significant happened that night,

284

00:15:43,000 --> 00:15:46,000

and with little information forthcoming from the military,

285

00:15:46,000 --> 00:15:49,000

we need to take a closer look at the evidence, photographs,

286

00:15:49,000 --> 00:15:51,000

and footage from that time.

287

00:15:58,000 --> 00:16:00,000

This is the Smilog Woods.

288

00:16:01,000 --> 00:16:03,000

And let's have a look at that. See, that's a path of broken trees.

289

00:16:05,000 --> 00:16:08,000

So it's like something's crashed through it.

290

00:16:08,000 --> 00:16:12,000

Some sort of aircraft, potentially, or an explosion.

291

00:16:12,000 --> 00:16:16,000

All at the same level as those things come down right through them.

292

00:16:16,000 --> 00:16:19,000

Snap them, snap them. It could potentially be wind damage.

293

00:16:19,000 --> 00:16:21,000

Normally when the trees come down in the wind,

294

00:16:21,000 --> 00:16:25,000

they come down from the roots and they've got a big root thing,

295

00:16:25,000 --> 00:16:29,000

and that's all... Nighting strike, potentially, but on so many trees.

296

00:16:32,000 --> 00:16:34,000

There's one other thing I want to investigate as well.

297

00:16:34,000 --> 00:16:37,000

Bear with me. Tectonic activity.

298

00:16:37,000 --> 00:16:39,000

We'll investigate that as well.

299

00:16:43,000 --> 00:16:47,000

Over the days and weeks to follow the 26th of February,

300

00:16:47,000 --> 00:16:51,000

rows of tents appeared on farmland close to where the UFO had been seen,

301

00:16:51,000 --> 00:16:57,000

and a mysterious team of people began an apparent survey of the area.

302

00:16:59,000 --> 00:17:02,000

They told me they were doing field research,

303

00:17:02,000 --> 00:17:06,000

and they were using some kind of large laptop device,

304

00:17:06,000 --> 00:17:10,000

but it was twice the width of the laptop in a metal case.

305

00:17:11,000 --> 00:17:14,000

I took some covert pictures of their camp,

306

00:17:14,000 --> 00:17:20,000

and they were doing a fingertip search of the field where this pyramid came in.

307

00:17:21,000 --> 00:17:24,000

And as we walked past, every single one of them would stand up

308

00:17:24,000 --> 00:17:27,000

and watch you until you were out of sight.

309

00:17:28,000 --> 00:17:32,000

Like some weird cult 60s movie. It was really spooky.

310

00:17:36,000 --> 00:17:39,000

It's undeniable that something's happened here,

311

00:17:39,000 --> 00:17:43,000

but if this was a real military operation, a real military cleanup,

312

00:17:43,000 --> 00:17:46,000

they wouldn't be able to get close enough to take photos like that.

313

00:17:47,000 --> 00:17:49,000

What are these people doing?

314

00:17:51,000 --> 00:17:55,000

The evidence is building, and highly suggestive of a cover-up.

315

00:17:55,000 --> 00:17:59,000

But still, there's no evidence of the presence of an actual UFO.

316

00:17:59,000 --> 00:18:03,000

It all relies on Kaz Clark's testimony.

317

00:18:03,000 --> 00:18:06,000

I'm keen to see the results of her polygraph.

318

00:18:07,000 --> 00:18:13,000

LiDOT tests are on foolproof, with accuracy estimated to be between 80 and 90%,

319

00:18:13,000 --> 00:18:17,000

but the results could help us build a clearer picture.

320

00:18:18,000 --> 00:18:20,000

Let's see what the answers were.

321

00:18:24,000 --> 00:18:27,000

No deception indicated. Truthful.

322

00:18:32,000 --> 00:18:35,000

Kaz Clark certainly believes she's telling the truth.

323

00:18:36,000 --> 00:18:39,000

The secret to this case surely lies with the military.

324

00:18:40,000 --> 00:18:42,000

What are they not telling us?

325

00:18:42,000 --> 00:18:45,000

We need to speak to someone else.

326

00:18:45,000 --> 00:18:48,000

And UFO investigator and journalist Gary Jones

327

00:18:48,000 --> 00:18:52,000

has spent the last five years trying to get answers.

328

00:18:53,000 --> 00:18:55,000

He's been on this case since it happened.

329

00:18:55,000 --> 00:18:58,000

Hi, Gary. Craig and Sarah here.

330

00:18:58,000 --> 00:19:01,000

So did you approach the Ministry of Defence?

331

00:19:01,000 --> 00:19:03,000

Yes, we approached the Ministry of Defence,

332

00:19:03,000 --> 00:19:07,000

as well as something called the Joint Forces Command, which is also the RAF.

333

00:19:07,000 --> 00:19:10,000

And how have you found dealing with them?

334

00:19:10,000 --> 00:19:13,000

I found dealing with them quite frustrating.

335

00:19:15,000 --> 00:19:18,000

They answered their questions, and then we give them more questions for the answers

336

00:19:18,000 --> 00:19:21,000

and the evidence we find, and they changed their story,

337

00:19:21,000 --> 00:19:24,000

I would say a good half a dozen times, at least.

338

00:19:25,000 --> 00:19:28,000

OK, I've got a bit of the Ministry of Defence reply here.

339

00:19:29,000 --> 00:19:32,000

You asked, a green light was seen by witnesses in these fields later,

340

00:19:32,000 --> 00:19:34,000

being followed by military airplanes.

341

00:19:34,000 --> 00:19:37,000

What was the screen light doing there, please?

342

00:19:37,000 --> 00:19:40,000

Gunfire and explosions were heard at the same time.

343

00:19:40,000 --> 00:19:43,000

Did the military shoot at anything during this exercise?

344

00:19:43,000 --> 00:19:46,000

Did this object crash into Smile O'Gh would's?

345

00:19:46,000 --> 00:19:48,000

This is their reply.

346

00:19:48,000 --> 00:19:53,000

This letter is to inform you that the MAD holds information relating to your request,

347

00:19:53,000 --> 00:19:58,000

but that we believe that some of the information falls into the scope of section 26

348

00:19:58,000 --> 00:20:00,000

of the FOI Act.

349

00:20:03,000 --> 00:20:08,000

They say that you've got valid questions, but we're not telling you.

350

00:20:08,000 --> 00:20:13,000

It's kind of like a way for them to just say, you know, sweep it all aside.

351

00:20:13,000 --> 00:20:17,000

They know that people have seen the events of that night,

352

00:20:17,000 --> 00:20:20,000

but when we've actually gone right to them and say,

353

00:20:20,000 --> 00:20:23,000

look, you know, can you provide answers, they just come back and say,

354

00:20:23,000 --> 00:20:26,000

it's not in the public interest, we cannot reveal or disclose it to you.

355

00:20:26,000 --> 00:20:29,000

Perhaps it's the security risk, and they're not telling you

356

00:20:29,000 --> 00:20:31,000

because they're trying to protect you.

357

00:20:32,000 --> 00:20:35,000

I understand that certain things may have to be kept secret,

358

00:20:35,000 --> 00:20:38,000

but people were put at risk by this, you know.

359

00:20:38,000 --> 00:20:42,000

We have a right to know, you know, if we're in any danger or any threat.

360

00:20:42,000 --> 00:20:44,000

I don't think that this is something they have the right to keep quiet,

361

00:20:44,000 --> 00:20:46,000

to be perfectly honest with you.

362

00:20:46,000 --> 00:20:50,000

And how does it make you feel knowing that you can't answer this just yet?

363

00:20:50,000 --> 00:20:52,000

Well, it's quite frustrating, actually,

364

00:20:52,000 --> 00:20:55,000

because obviously we have all this evidence that clearly shows

365

00:20:55,000 --> 00:20:58,000

it was not a military exercise, and that they even prepared

366

00:20:58,000 --> 00:21:01,000

and know that these things are coming because of the way

367

00:21:01,000 --> 00:21:05,000

that those military spotter planes came out the few days before.

368

00:21:05,000 --> 00:21:09,000

We have radar tracks of them going around the country,

369

00:21:09,000 --> 00:21:13,000

and then finally settling on the Penturk Fields area for three days and nights,

370

00:21:13,000 --> 00:21:16,000

with planes taking turns circling and doing zigzag patterns.

371

00:21:16,000 --> 00:21:19,000

So they know that these things are real.

372

00:21:21,000 --> 00:21:25,000

I think it is time for them to come clean and say, you know, what's going on?

373

00:21:26,000 --> 00:21:30,000

What you've got here is a really credible and really powerful story.

374

00:21:30,000 --> 00:21:34,000

All we know is that this is something that we can't explain.

375

00:21:34,000 --> 00:21:38,000

When you take cars, clerks, testimony, as well as a polygraph test,

376

00:21:38,000 --> 00:21:41,000

everything else that we've done, this was clearly a UFO event.

377

00:21:41,000 --> 00:21:45,000

What we believe this one is, is an interdimensional craft that came from somewhere else.

378

00:21:45,000 --> 00:21:47,000

This thing came through a portal in the sky,

379

00:21:47,000 --> 00:21:50,000

and I know maybe that's harder people to accept,

380

00:21:50,000 --> 00:21:53,000

but this is where the case has led us.

381

00:21:56,000 --> 00:21:59,000

It's the same story.

382

00:21:59,000 --> 00:22:03,000

These bright lights, it's the military then coming in, confusing their stories,

383

00:22:03,000 --> 00:22:05,000

and it seems to be like there's almost a pattern.

384

00:22:05,000 --> 00:22:08,000

There's people keeping secrets. There's a lot that we don't know.

385

00:22:08,000 --> 00:22:12,000

There's a lot we're not being told. How do we move this case forward?

386

00:22:12,000 --> 00:22:14,000

We need to dig deeper.

387

00:22:16,000 --> 00:22:17,000

Coming up.

388

00:22:17,000 --> 00:22:19,000

So I've got the weather report in the wind speed.

389

00:22:19,000 --> 00:22:21,000

Could the wind have knocked those trees over,

390

00:22:21,000 --> 00:22:24,000

as well as earthquake seismic activity?

391

00:22:24,000 --> 00:22:27,000

The hunt for evidence continues at pace.

392

00:22:27,000 --> 00:22:30,000

If we can manage to get hard physical evidence,

393

00:22:30,000 --> 00:22:33,000

this will blow this case out of the water.

394

00:22:33,000 --> 00:22:36,000

And XMOD official, Nick Pope,

395

00:22:36,000 --> 00:22:40,000

breaks silence on another major UFO cover-up.

396

00:22:40,000 --> 00:22:43,000

Report after report after report came in.

397

00:22:43,000 --> 00:22:48,000

A huge triangular shaped craft moving from a very slow speed

398

00:22:48,000 --> 00:22:51,000

to high-match speeds.

399

00:22:54,000 --> 00:22:57,000

Five years ago, a small village in South Wales

400

00:22:57,000 --> 00:23:00,000

was rocked by an epic UFO sighting.

401

00:23:00,000 --> 00:23:05,000

An armada of alien ships engaged in a battle with the British Air Force.

402

00:23:08,000 --> 00:23:11,000

But the dramatic witness accounts bear so little in common

403

00:23:11,000 --> 00:23:14,000

with the official line taken by the military.

404

00:23:15,000 --> 00:23:18,000

This case demands further scrutiny.

405

00:23:27,000 --> 00:23:29,000

So far we spoke to Kaz Clark,

406

00:23:29,000 --> 00:23:32,000

who gave an amazingly compelling story.

407

00:23:32,000 --> 00:23:35,000

Quite traumatic for her.

408

00:23:35,000 --> 00:23:38,000

She saw a pyramid-shaped spaceship in the sky,

409

00:23:38,000 --> 00:23:41,000

being hounded by the British Air Force.

410

00:23:41,000 --> 00:23:44,000

Helicopters, hair killies, as a patchy.

411

00:23:44,000 --> 00:23:48,000

It was an E3 sentry plane all circling this spaceship.

412

00:23:48,000 --> 00:23:51,000

She says it's gonna get blown out of the sky.

413

00:23:52,000 --> 00:23:55,000

It made me question absolutely everything

414

00:23:55,000 --> 00:23:58,000

because these things are real.

415

00:23:58,000 --> 00:24:02,000

And our military are actively pursuing and shooting these things down.

416

00:24:02,000 --> 00:24:05,000

We've got videos of what she says at the crash site.

417

00:24:05,000 --> 00:24:08,000

Now, look at this.

418

00:24:08,000 --> 00:24:11,000

Something's come down right through them. Snap them. Snap them.

419

00:24:13,000 --> 00:24:16,000

We've got photographs of what she says as a cleanup operation.

420

00:24:16,000 --> 00:24:19,000

Oh, so that's... What are these people doing?

421

00:24:19,000 --> 00:24:22,000

It's undeniable that something's happened here.

422

00:24:22,000 --> 00:24:24,000

We spoke to Gary Jones and said the Ministry of Defence

423

00:24:24,000 --> 00:24:26,000

tried to shut him down,

424

00:24:26,000 --> 00:24:29,000

issued him with a section 26.

425

00:24:29,000 --> 00:24:31,000

They've changed the story, at least, I would say,

426

00:24:31,000 --> 00:24:34,000

a good half a dozen times at least.

427

00:24:34,000 --> 00:24:36,000

So I've got the weather report in.

428

00:24:36,000 --> 00:24:40,000

The wind speed, could the wind have knocked those trees over?

429

00:24:40,000 --> 00:24:43,000

But actually, it just says a gentle breeze that evening,

430

00:24:43,000 --> 00:24:45,000

so that's now gone.

431

00:24:47,000 --> 00:24:49,000

As well as earthquake seismic activity.

432

00:24:49,000 --> 00:24:51,000

Now, bear with me on this one.

433

00:24:51,000 --> 00:24:53,000

Sometimes when you get earthquakes,

434

00:24:53,000 --> 00:24:56,000

and we don't know what causes this, you get lights in the sky.

435

00:24:56,000 --> 00:24:58,000

These are known as earthquake lights,

436

00:24:58,000 --> 00:25:01,000

perhaps caused by rocks rubbing together, generating electric charge.

437

00:25:01,000 --> 00:25:04,000

Often mistaken for UFOs, but we now know

438

00:25:04,000 --> 00:25:06,000

there was no seismic activity that evening,

439

00:25:06,000 --> 00:25:08,000

so we can rule out natural phenomena.

440

00:25:11,000 --> 00:25:14,000

But still, we've got no hard physical evidence.

441

00:25:14,000 --> 00:25:17,000

Well, that's the problem. We've got this great story from Cat,

442

00:25:17,000 --> 00:25:19,000

but no evidence to back it up.

443

00:25:19,000 --> 00:25:22,000

However, if we can manage to get hard physical evidence,

444

00:25:22,000 --> 00:25:25,000

this will blow this case out the water.

445

00:25:28,000 --> 00:25:33,000

The Wales UFO encounter of the 26th of February, 2016,

446

00:25:33,000 --> 00:25:36,000

is a most intriguing and frustrating case.

447

00:25:38,000 --> 00:25:41,000

We have the highest quality witness testimony.

448

00:25:41,000 --> 00:25:44,000

We have inexplicable damage to trees.

449

00:25:45,000 --> 00:25:47,000

We have evidence of an explosion.

450

00:25:48,000 --> 00:25:51,000

And a paper trail, suggestive of a cover-up.

451

00:25:52,000 --> 00:25:57,000

But still, no hard evidence of the existence of the UFO itself.

452

00:25:57,000 --> 00:26:00,000

Where's the photographs? Where's the video? This was 2016.

453

00:26:01,000 --> 00:26:05,000

The next logical step is to compare the Pentake incident

454

00:26:05,000 --> 00:26:08,000

with other comparable military cover-ups

455

00:26:08,000 --> 00:26:11,000

to see if they follow a similar pattern.

456

00:26:12,000 --> 00:26:16,000

And one major UFO case that was never disclosed to the public

457

00:26:16,000 --> 00:26:24,000

took place over RAF Cosford at 1.15am on March 31, 1993.

458

00:26:26,000 --> 00:26:28,000

So earlier, I caught up with Nick Pope,

459

00:26:28,000 --> 00:26:31,000

former MOD investigator and UFO expert.

460

00:26:31,000 --> 00:26:34,000

And what he doesn't know about this case isn't worth knowing.

461

00:26:36,000 --> 00:26:41,000

Can you just talk me through what happened in Cosford back in 1993?

462

00:26:41,000 --> 00:26:45,000

Well, the so-called Cosford incident was extraordinary,

463

00:26:45,000 --> 00:26:51,000

and it fell right in the middle of my tour of duty on the MOD's UFO desk.

464

00:26:51,000 --> 00:26:55,000

And I came into work the particular morning,

465

00:26:55,000 --> 00:26:57,000

and the phones were ringing off the hook,

466

00:26:57,000 --> 00:27:02,000

and over the next few hours, report after report after report came in.

467

00:27:03,000 --> 00:27:09,000

Not just from the public, but from military officers, from police.

468

00:27:09,000 --> 00:27:11,000

And what did people witness?

469

00:27:11,000 --> 00:27:15,000

A common theme was a huge triangular-shaped craft

470

00:27:16,000 --> 00:27:22,000

that was capable of moving from a very slow speed or a virtual hover

471

00:27:22,000 --> 00:27:26,000

to high-mach speeds.

472

00:27:27,000 --> 00:27:33,000

What I was able to do was eliminate some of the conventional explanations

473

00:27:33,000 --> 00:27:35,000

that usually explain UFOs.

474

00:27:35,000 --> 00:27:41,000

So, for example, we knew about all the flight paths in the United Kingdom.

475

00:27:41,000 --> 00:27:45,000

We knew, obviously, where the commercial airlines flew,

476

00:27:45,000 --> 00:27:48,000

where any military training was undertaken.

477

00:27:48,000 --> 00:27:53,000

We could determine that we had nothing in the particular areas

478

00:27:53,000 --> 00:27:55,000

where these UFOs were seen.

479

00:27:55,000 --> 00:27:58,000

We knew that there were no weather balloon launches.

480

00:27:58,000 --> 00:28:02,000

We just went through all the things that people commonly misidentify,

481

00:28:02,000 --> 00:28:05,000

and we were able to eliminate them one by one.

482

00:28:05,000 --> 00:28:08,000

Could it not be possible, or that this is technology

483

00:28:08,000 --> 00:28:11,000

that the general public doesn't know about just yet?

484

00:28:11,000 --> 00:28:13,000

Yes, it could be possible.

485

00:28:13,000 --> 00:28:15,000

But I think you hit the nail on the head there.

486

00:28:15,000 --> 00:28:18,000

Yeah, the public wouldn't know about it.

487

00:28:18,000 --> 00:28:20,000

But we in the Ministry of Defence would.

488

00:28:20,000 --> 00:28:22,000

And what was your conclusion then?

489

00:28:22,000 --> 00:28:26,000

The summary of my investigation concluded

490

00:28:26,000 --> 00:28:31,000

there is strong evidence that on 31st of March, 1993,

491

00:28:31,000 --> 00:28:38,000

an unknown object or objects was operating over the United Kingdom,

492

00:28:38,000 --> 00:28:43,000

and clearly this is of defence significance.

493

00:28:44,000 --> 00:28:49,000

All the data suggest technology ahead of ours.

494

00:28:49,000 --> 00:28:52,000

Why won't you be able to push this further?

495

00:28:52,000 --> 00:28:55,000

There's a lot of bureaucracy in the Ministry of Defence.

496

00:28:55,000 --> 00:29:03,000

There are a lot of, I think I would say, fairly sort of conventional thinkers

497

00:29:03,000 --> 00:29:06,000

rather than people thinking outside the box.

498

00:29:06,000 --> 00:29:11,000

But certainly there was scepticism at the senior ranks

499

00:29:11,000 --> 00:29:15,000

in the military and the civil service

500

00:29:15,000 --> 00:29:19,000

with the defence ministers, of course, the politicians.

501

00:29:19,000 --> 00:29:22,000

And there were always people higher up the chain

502

00:29:22,000 --> 00:29:24,000

who were going to shut this down.

503

00:29:28,000 --> 00:29:31,000

Despite Nick Pope declaring the Cosvill event

504

00:29:31,000 --> 00:29:34,000

an incident of considerable defence significance,

505

00:29:34,000 --> 00:29:36,000

no public statement on it

506

00:29:36,000 --> 00:29:39,000

has ever been issued by the Ministry of Defence.

507

00:29:40,000 --> 00:29:42,000

It's therefore reasonable to assume

508

00:29:42,000 --> 00:29:46,000

the military are doing the same in South Wales.

509

00:29:46,000 --> 00:29:50,000

The Pentair Incident cannot be dismissed.

510

00:29:57,000 --> 00:30:00,000

Well, Sarah, this started out as a simple investigation.

511

00:30:00,000 --> 00:30:02,000

This has got so much bigger.

512

00:30:02,000 --> 00:30:04,000

Where do we go from here?

513

00:30:04,000 --> 00:30:06,000

How are we going to find our truth in this investigation?

514

00:30:06,000 --> 00:30:08,000

Well, there's one person we need to speak to,

515

00:30:08,000 --> 00:30:10,000

one person who might hold the key.

516

00:30:13,000 --> 00:30:14,000

Coming up.

517

00:30:14,000 --> 00:30:17,000

Can you explain to me what electromagnetic readings are?

518

00:30:17,000 --> 00:30:21,000

It measures the electromagnetic fields in an environment.

519

00:30:21,000 --> 00:30:24,000

UFO investigator Emlim Williams shares the result

520

00:30:24,000 --> 00:30:28,000

of a major survey of the Pentair crash site.

521

00:30:28,000 --> 00:30:31,000

It did show an effect in the EMF field.

522

00:30:31,000 --> 00:30:34,000

Before a major breakthrough,

523

00:30:34,000 --> 00:30:38,000

news just in blows the whole case wide open.

524

00:30:38,000 --> 00:30:40,000

The US Navy have just confirmed

525

00:30:40,000 --> 00:30:43,000

that this is a genuine recording of a pyramid-shaped UFO.

526

00:30:43,000 --> 00:30:45,000

It's certainly something that I can't explain

527

00:30:45,000 --> 00:30:47,000

stood here right now.

528

00:30:51,000 --> 00:30:53,000

We're on a mission to uncover the truth

529

00:30:53,000 --> 00:30:56,000

about an extraordinary UFO encounter

530

00:30:56,000 --> 00:31:00,000

that took place in the early hours of the 26th of February,

531

00:31:00,000 --> 00:31:05,000

2016 in Pentair, South Wales.

532

00:31:05,000 --> 00:31:09,000

If an extraterrestrial craft was shot down by the military,

533

00:31:09,000 --> 00:31:12,000

as crucial eyewitnesses claim,

534

00:31:12,000 --> 00:31:15,000

then it will prove to be one of the biggest UFO cover-ups

535

00:31:15,000 --> 00:31:17,000

of all time.

536

00:31:19,000 --> 00:31:22,000

Step by step, we've collected a mountain of evidence

537

00:31:22,000 --> 00:31:26,000

and no detail has escaped our forensic examination.

538

00:31:27,000 --> 00:31:29,000

Sarah, let's look at what we've got.

539

00:31:29,000 --> 00:31:32,000

We've got this superbly emotive, powerful description

540

00:31:32,000 --> 00:31:34,000

of what happened that night from Kaz Clark.

541

00:31:34,000 --> 00:31:37,000

She says she saw a pyramid-shaped spaceship in the sky

542

00:31:37,000 --> 00:31:40,000

being assaulted by the British Air Force

543

00:31:40,000 --> 00:31:42,000

and being blown out of the sky.

544

00:31:42,000 --> 00:31:45,000

We heard an enormous explosion.

545

00:31:45,000 --> 00:31:49,000

Our military are actively pursuing and shooting these things down.

546

00:31:49,000 --> 00:31:52,000

I mean, it was a powerful account from Kaz.

547

00:31:52,000 --> 00:31:56,000

We've also got video and photographic evidence of the aftermath,

548

00:31:56,000 --> 00:32:00,000

which Kaz went and reported herself as well as a cleanup operation.

549

00:32:01,000 --> 00:32:03,000

And then that polygraph.

550

00:32:03,000 --> 00:32:05,000

If the results are to be believed,

551

00:32:05,000 --> 00:32:09,000

it raises the credibility of Kaz Clark's testimony.

552

00:32:10,000 --> 00:32:12,000

No deception indicated.

553

00:32:12,000 --> 00:32:14,000

Truthful.

554

00:32:15,000 --> 00:32:18,000

We've seen the broken trees. It wasn't windy.

555

00:32:18,000 --> 00:32:21,000

There's been no seismic activity in the area.

556

00:32:23,000 --> 00:32:25,000

They've snapped. They've been severed.

557

00:32:28,000 --> 00:32:33,000

What concerns me is that we've got the M.O.D. issuing a section 26,

558

00:32:33,000 --> 00:32:36,000

which means they don't want to talk about this.

559

00:32:36,000 --> 00:32:41,000

We've got shadowy organisations leaning on Kaz to tell her to keep her mouth shut.

560

00:32:41,000 --> 00:32:43,000

I mean, it's certainly interesting.

561

00:32:43,000 --> 00:32:45,000

It's certainly building up as a credible case,

562

00:32:45,000 --> 00:32:48,000

but we need to speak to one more person, Emily Williams.

563

00:32:48,000 --> 00:32:50,000

Emily Williams.

564

00:32:51,000 --> 00:32:53,000

He's another UFO investigator.

565

00:32:55,000 --> 00:32:57,000

Hi, Emily. Craig and Sarah here.

566

00:32:57,000 --> 00:32:59,000

Hi. Great to be with you.

567

00:33:01,000 --> 00:33:05,000

Emily has dedicated the last five years of his life to this case.

568

00:33:06,000 --> 00:33:08,000

And he's convinced that he's got evidence

569

00:33:08,000 --> 00:33:12,000

that proves something extraterrestrial did crash in Smilog Woods

570

00:33:12,000 --> 00:33:15,000

in February 2016.

571

00:33:16,000 --> 00:33:21,000

He's carried out a detailed electromagnetic survey of the entire crash site,

572

00:33:21,000 --> 00:33:25,000

an uncovered anomaly that could be the smoking gun.

573

00:33:26,000 --> 00:33:29,000

Can you explain to me what electromagnetic readings are?

574

00:33:29,000 --> 00:33:35,000

Well, it measures the electromagnetic fields in an environment.

575

00:33:35,000 --> 00:33:41,000

And we measured the area below where the objects that Kaz saw.

576

00:33:41,000 --> 00:33:45,000

And it did show a different reading to any other area.

577

00:33:47,000 --> 00:33:52,000

It did seem to have been an effect in the EMF field.

578

00:33:55,000 --> 00:34:01,000

An electromagnetic field, or EMF, is one of the four fundamental forces of nature.

579

00:34:02,000 --> 00:34:06,000

While high levels of EMF can be caused by natural events like thunderstorms,

580

00:34:07,000 --> 00:34:15,000

they can also be caused by the exposure of natural objects to as yet unexplained upsurges in electromagnetism.

581

00:34:18,000 --> 00:34:22,000

When did you collect your EMF, your electromagnetic field sample?

582

00:34:22,000 --> 00:34:26,000

That was in October 2017. It was good 18 months afterwards.

583

00:34:26,000 --> 00:34:28,000

18 months afterwards. Yeah.

584

00:34:28,000 --> 00:34:31,000

And how did that compare with your control sample?

585

00:34:31,000 --> 00:34:38,000

Well, the only control sample we had really was just in other areas where we know...

586

00:34:38,000 --> 00:34:42,000

So you didn't have a control sample from the incident?

587

00:34:44,000 --> 00:34:50,000

No. We could only compare it with other areas where we're neutral areas of the club.

588

00:34:50,000 --> 00:34:52,000

What do you believe it was?

589

00:34:54,000 --> 00:34:57,000

Well, I believe it wasn't military, but it that way.

590

00:34:58,000 --> 00:35:02,000

That's to be plain. So you think it was something not of this world?

591

00:35:02,000 --> 00:35:05,000

Yeah. Where it came from, I couldn't say.

592

00:35:05,000 --> 00:35:13,000

But what the witnesses saw don't correspond to any sort of vehicle or craft that the military possess in it, as far as we know.

593

00:35:13,000 --> 00:35:18,000

We find that difficult to believe that it was primarily a military exercise on its own.

594

00:35:18,000 --> 00:35:26,000

It's a built-up area involving what seemed to be explosions near a hospital.

595

00:35:27,000 --> 00:35:32,000

There's lots of other areas which aren't populated where military exercises do occur.

596

00:35:32,000 --> 00:35:37,000

Why are they doing it in a populated area in the early hours of the morning?

597

00:35:37,000 --> 00:35:40,000

Because there was a plane flying around for three days prior,

598

00:35:40,000 --> 00:35:44,000

it seems to me that they were waiting for something to happen.

599

00:35:44,000 --> 00:35:52,000

They had some kind of information that they knew something was going to occur in that locality, but they didn't know exactly when.

600

00:35:53,000 --> 00:35:58,000

But do you not think we're jumping to conclusions somewhat with this?

601

00:35:58,000 --> 00:36:04,000

Do you really think we've got enough evidence to say this was something which has nothing to do with the military?

602

00:36:04,000 --> 00:36:06,000

This was something not of this earth?

603

00:36:06,000 --> 00:36:10,000

All I can say is that it's pretty amazing case.

604

00:36:10,000 --> 00:36:18,000

It's one of the best documented cases that we've got, and the witness testimony stands on its own.

605

00:36:19,000 --> 00:36:23,000

Would you be satisfied with a more earthly explanation?

606

00:36:23,000 --> 00:36:26,000

Yeah, I've got no axe to grind.

607

00:36:26,000 --> 00:36:32,000

We've got to rule out what it could be first, whether it's military, satellites, meteors, what have you.

608

00:36:32,000 --> 00:36:38,000

And whatever's left at the end of the day is what we've got to accept.

609

00:36:38,000 --> 00:36:41,000

Well, Emmalyn, we've done some of that research.

610

00:36:41,000 --> 00:36:45,000

It was just a gentle breeze that night, so it wasn't caused by any weather systems.

611

00:36:46,000 --> 00:36:51,000

There was no seismic activity, so it wasn't caused. There was no earthquakes.

612

00:36:51,000 --> 00:36:57,000

So it still leaves something that's very, very baffling.

613

00:36:57,000 --> 00:36:59,000

Yeah, absolutely.

614

00:36:59,000 --> 00:37:01,000

Thank you very much, Emmalyn.

615

00:37:01,000 --> 00:37:02,000

Thank you.

616

00:37:02,000 --> 00:37:09,000

Well, Sarah, I don't think his evidence brought our investigation forward.

617

00:37:09,000 --> 00:37:13,000

For me, we're going to have to rule out these electromagnetic field readings.

618

00:37:13,000 --> 00:37:17,000

It wasn't a scientifically conducted test. It was 18 months after the incident,

619

00:37:17,000 --> 00:37:19,000

so it doesn't help the investigation.

620

00:37:19,000 --> 00:37:24,000

But Kaz's case was so compelling that I'm still torn with this.

621

00:37:25,000 --> 00:37:37,000

For now, hard proof that a pyramid-shaped extraterrestrial craft visited Pentair in South Wales in 2016 still eludes us.

622

00:37:37,000 --> 00:37:43,000

But just as our investigation is drawing to its conclusion, and we prepare to reach a verdict,

623

00:37:44,000 --> 00:37:46,000

News just in.

624

00:37:48,000 --> 00:37:53,000

I'd like to show you something that the US Navy have just confirmed in real time as we film.

625

00:37:53,000 --> 00:37:59,000

They've confirmed that this is a genuine recording of a pyramid-shaped UFO captured by navy personnel.

626

00:37:59,000 --> 00:38:01,000

Let's look at this footage.

627

00:38:02,000 --> 00:38:14,000

Film by the crew of the USS Russell in July 2019, the US Navy has now confirmed its authenticity.

628

00:38:16,000 --> 00:38:22,000

Incredibly, it shows what they claim is a UFO tracking alongside US Navy ships.

629

00:38:23,000 --> 00:38:28,000

And just like the craft described by Kaz Clark, it's a pyramid shape.

630

00:38:29,000 --> 00:38:36,000

This extraordinary footage was obtained and released by investigative filmmaker Jeremy Corbell.

631

00:38:37,000 --> 00:38:43,000

This is explosive information. This is probably the best UFO military filmed footage,

632

00:38:43,000 --> 00:38:47,000

certainly that I've ever seen, but I think also that the world has ever seen.

633

00:38:47,000 --> 00:38:56,000

There were a number of anomalous contacts, what they call UAPs or UFOs, that swarmed these carriers.

634

00:38:56,000 --> 00:39:02,000

So what you're seeing is some of that footage. These are genuine or not.

635

00:39:03,000 --> 00:39:05,000

Tell me what you think of this, Sarah.

636

00:39:06,000 --> 00:39:09,000

At one stage, to me, it becomes three-dimensional.

637

00:39:11,000 --> 00:39:13,000

It could be natural phenomena.

638

00:39:13,000 --> 00:39:18,000

But there, can't you see the three-dimensional aspect of it? I can sort of see.

639

00:39:18,000 --> 00:39:19,000

Oh, it's kind of morphine.

640

00:39:20,000 --> 00:39:26,000

It's certainly credible. It's certainly something that I can't explain stood here right now.

641

00:39:27,000 --> 00:39:32,000

What I'm wondering, though, has this added another layer to it? Do you think it's going to affect the decision?

642

00:39:33,000 --> 00:39:36,000

But it's, I don't know, I am lost for words.

643

00:39:41,000 --> 00:39:47,000

Never in my wildest imagination did I think we'd see an officially confirmed pyramid-shaped UFO.

644

00:39:49,000 --> 00:39:54,000

Almost exactly the craft described by our eyewitness, Cass Clark, in Wales.

645

00:39:54,000 --> 00:39:58,000

Surely her testimony must now take on new significance.

646

00:40:00,000 --> 00:40:06,000

The Pentair case of February 2016 has taken us on a roller coaster ride.

647

00:40:06,000 --> 00:40:16,000

But now we must put our personal prejudice and bias to one side, and let facts and science be our guide, as we come to a final conclusion.

648

00:40:20,000 --> 00:40:22,000

OK, so let's have a look at what we've got.

649

00:40:23,000 --> 00:40:28,000

The Welsh Roswell. Cass said she saw pyramid-triangle-shaped spaceships in the sky.

650

00:40:28,000 --> 00:40:34,000

I've just seen a pyramid-shaped triangular spaceship on the screen, captured by the US Navy.

651

00:40:34,000 --> 00:40:39,000

And then there was all those broken trees cracked halfway up their trunks.

652

00:40:43,000 --> 00:40:48,000

But there was no wind that night. There was no seismic activity that night.

653

00:40:48,000 --> 00:40:57,000

And then Cass said she saw C-130s, Hercules helicopters, Apache helicopters, the E3 sentry plane, circling, circling.

654

00:40:57,000 --> 00:41:03,000

It was happening for days beforehand, as though they thought something was going to happen.

655

00:41:03,000 --> 00:41:07,000

And Cass, she passed three lie detector tests.

656

00:41:09,000 --> 00:41:14,000

Yes, we were able to rule out weather-related activity, seismic-related activity,

657

00:41:14,000 --> 00:41:19,000

but there's still not enough credible evidence for me to say this was something extraordinary.

658

00:41:19,000 --> 00:41:25,000

Yeah, but the Ministry of Defence issued a section 26, which means something happened, but we don't want to talk about it.

659

00:41:27,000 --> 00:41:30,000

Now it's time to put our cards on the table.

660

00:41:30,000 --> 00:41:38,000

Was the UFO encounter over South Wales in 2016 extra-terrestrial or not?

661

00:41:39,000 --> 00:41:42,000

What is your verdict?

662

00:41:42,000 --> 00:41:49,000

Cass' story was very compelling. She's clearly been affected by something that she cannot explain.

663

00:41:49,000 --> 00:41:55,000

We know she's honest. Yes, the MOD has come out and said something happened, but they can't discuss it.

664

00:41:55,000 --> 00:41:58,000

It doesn't mean it's aliens coming to Earth.

665

00:41:58,000 --> 00:42:04,000

So with that in mind, I'm going to say this remains unsolved.

666

00:42:09,000 --> 00:42:17,000

Okay, what I'm going to say is I really, really sort of believe Cass' story was very well told,

667

00:42:17,000 --> 00:42:20,000

and she told it with so much emotion.

668

00:42:20,000 --> 00:42:25,000

She wasn't lying. Something definitely strange happened in those woods.

669

00:42:25,000 --> 00:42:33,000

It's just so unfortunate that we haven't got any photographic evidence, so for that reason,

670

00:42:34,000 --> 00:42:40,000

I'd like to make a plea, if you were in that area and if you've got any more information about this,

671

00:42:40,000 --> 00:42:47,000

if you've got any video footage or mobile phone footage, if you're out there and you caught it,

672

00:42:47,000 --> 00:42:52,000

get in touch because at the moment I'm going to say the jury's out.

673

00:42:52,000 --> 00:43:03,000

This remarkable UK case raises as many questions as it answers.

674

00:43:03,000 --> 00:43:11,000

I'm 100% convinced something very strange happened that night in Pentake, South Wales,

675

00:43:11,000 --> 00:43:20,000

and extraterrestrial or not, there's no doubt in my mind, it's something the military don't want us to know about.

676

00:43:23,000 --> 00:43:39,000

An unsolved case comes back to haunt a retired detective in the Stephen King adaptation,

677

00:43:39,000 --> 00:43:44,000

Mr Mercedes, now streaming on SBS On Demand.
