

1

00:00:00,000 --> 00:00:06,280

Stargazing scientists at NASA are confident that when the next few decades humans will

2

00:00:06,280 --> 00:00:12,240

discover the very first signs of extraterrestrial life. Yet some believe it's entirely possible

3

00:00:12,240 --> 00:00:18,280

alien craft have already visited Earth.

4

00:00:18,280 --> 00:00:22,560

Large black flying object. Hey calm down calm down.

5

00:00:22,560 --> 00:00:27,120

But extraordinary claims demand extraordinary evidence.

6

00:00:27,120 --> 00:00:32,800

In this series I'm going to investigate some of the most remarkable and recent UFO sightings

7

00:00:32,800 --> 00:00:39,080

from around the world. They saw something really strange in the sky that day.

8

00:00:39,080 --> 00:00:44,880

And I'll be joined by renowned astrophysicist and space journalist Sarah Cruders.

9

00:00:44,880 --> 00:00:48,480

The thing is with something so extraordinary like this we've got to look at all the more

10

00:00:48,480 --> 00:00:53,600

logical explanations. I still think this can be explained by science.

11

00:00:53,600 --> 00:00:57,800

As together we'll separate back from fiction once and for all.

12

00:00:57,800 --> 00:01:02,040

That is an unidentified flying object. I knew you were going to say that and yes

13

00:01:02,040 --> 00:01:05,960

it is. It's one of the greatest UFO mysteries of all time.

14

00:01:05,960 --> 00:01:11,440

From our specially created UFO investigation hub we'll speak to experts.

15

00:01:11,440 --> 00:01:16,440

We have no conventional explanation for what we are seeing here.

16

00:01:16,440 --> 00:01:21,480

Whistleblowers. Any time you step out of ranks in an organization like mine there's obviously

17

00:01:21,560 --> 00:01:25,440

going to be some repercussions. And first hand witnesses.

18

00:01:25,440 --> 00:01:30,120

There was this massive boomerang. At least a mile to a mile and a half wide.

19

00:01:30,120 --> 00:01:34,440

It was huge. Wow that's just spooked me now.

20

00:01:34,440 --> 00:01:40,480

And finally answer the big question. Are we alone in the universe?

21

00:01:40,480 --> 00:01:42,960

Whatever they are they're not of this world.

22

00:01:51,480 --> 00:01:56,840

Ever since it was reported that the US Air Force had recovered a flying disk from a ranch

23

00:01:56,840 --> 00:02:02,800

near Roswell in 1947 the relationship between UFOs and the military has been inextricably

24

00:02:02,800 --> 00:02:08,160

linked. With thousands of UFO sightings reports are

25

00:02:08,160 --> 00:02:14,600

close to warships, nuclear installations and air bases.

26

00:02:14,600 --> 00:02:20,560

One of the most famous in the UK was recorded in December 1980 close to RAF Woodbridge in

27

00:02:20,640 --> 00:02:37,040

Rendlesham Forest Suffolk. But despite mountains of evidence an eyewitness reports for decades

28

00:02:37,040 --> 00:02:43,560

the military remained silent and believers ridiculed.

29

00:02:43,560 --> 00:02:48,880

But the events that took place during a US Navy training exercise on the 14th of November

30

00:02:48,880 --> 00:03:00,200

2004 changed everything. It was a clear autumn afternoon.

31

00:03:00,200 --> 00:03:06,560

A hundred miles off the coast of San Diego. Multiple vessels including the USS Nimitz

32

00:03:06,560 --> 00:03:13,800

and missile cruiser USS Princeton were involved in a routine military drill.

33

00:03:13,800 --> 00:03:18,360

But things were about to take an extra ordinary turn.

34

00:03:19,360 --> 00:03:27,000

At 2pm two super hornet fighter pilots received a highly unusual order. They were instructed

35

00:03:27,000 --> 00:03:34,720

to stop training and prepare for a real world task.

36

00:03:34,720 --> 00:03:40,840

Their mission to intercept an immediate unidentified aerial threat.

37

00:03:40,840 --> 00:03:48,160

Nothing could have prepared the experienced pilots for what happened next.

38

00:03:48,160 --> 00:03:59,960

Arriving on scene lead pilot Commander David Fraves saw something shocking.

39

00:03:59,960 --> 00:04:09,160

An area of white water shimmering and bubbling over what seemed to be a large submerged object.

40

00:04:09,160 --> 00:04:15,440

Then the pilots noticed a small strange craft moving above the breaking waves.

41

00:04:15,440 --> 00:04:24,600

On 12 meters in length white smooth and oval shaped like a tic tac.

42

00:04:24,600 --> 00:04:29,680

Commander Fraves immediately locked onto the object and these are the actual images captured

43

00:04:29,680 --> 00:04:34,040

on his infrared camera.

44

00:04:34,040 --> 00:04:41,120

The bizarre craft performed a series of high velocity accelerations.

45

00:04:41,120 --> 00:04:46,440

Starting from 50,000 feet to sea level and back again. Executing a series of twists and

46

00:04:46,440 --> 00:04:52,560

turns with pinpoint accuracy. With no visible means of propulsion the jaw dropping manoeuvres

47

00:04:52,560 --> 00:04:59,840

defied all laws of physics.

48

00:04:59,840 --> 00:05:06,720

In April 2020 the Pentagon took the extraordinary step of confirming the authenticity of this

49

00:05:06,720 --> 00:05:09,720

footage.

50

00:05:09,720 --> 00:05:13,880

For the first time it's official UFOs whatever they are they're real.

51

00:05:13,880 --> 00:05:20,920

You have the recognition by the US government that UAPs are real whatever they are is at

52

00:05:20,920 --> 00:05:25,840

a threat we still have no clue of the intent.

53

00:05:25,840 --> 00:05:31,840

The question is after years of science why are governments making disclosures now and

54

00:05:31,840 --> 00:05:37,880

if it's taken this long to confirm a single sighting what else might they be hiding from

55

00:05:37,880 --> 00:05:48,520

us.

56

00:05:48,520 --> 00:05:55,680

They capture this craft in the sky breaking all the rules of flight acting like no aircraft

57

00:05:55,680 --> 00:06:02,400

as ever acted before and the Pentagon came out in 2020 and they verified the pictures

58

00:06:02,400 --> 00:06:04,720

as being taken by the Navy.

59

00:06:05,080 --> 00:06:09,240

Well I've heard of this case this is one of the most compelling UFO cases of all time

60

00:06:09,240 --> 00:06:12,920

if not the most compelling but it hasn't yet been solved.

61

00:06:12,920 --> 00:06:19,280

Let's have a look at this video you'll see why I'm so interested. Can we run it again?

62

00:06:19,280 --> 00:06:20,280

Look at this.

63

00:06:20,280 --> 00:06:23,080

It's certainly unusual.

64

00:06:23,080 --> 00:06:32,080

It's travelling a fair lick. Look at the shape of it. Then it stops. It changes direction

65

00:06:32,440 --> 00:06:34,680

really quite severely.

66

00:06:34,680 --> 00:06:37,200

I don't think it's changing directions it doesn't.

67

00:06:37,200 --> 00:06:39,800

It's changed directions there.

68

00:06:39,800 --> 00:06:45,080

That is an unidentified flying object.

69

00:06:45,080 --> 00:06:46,760

I knew you were going to say that.

70

00:06:46,760 --> 00:06:48,560

It's certainly unexplained.

71

00:06:48,560 --> 00:06:51,680

See I think that is mind boggling. I don't know what that is.

72

00:06:51,680 --> 00:06:52,680

I agree.

73

00:06:52,680 --> 00:06:54,920

So how do we move this case forward?

74

00:06:54,920 --> 00:06:59,440

We need to speak to someone who can give us more information and that person is Nick Pope

75

00:06:59,440 --> 00:07:04,600

former M.O.D. investigator and UFO expert.

76

00:07:04,600 --> 00:07:09,600

Having worked at the UK Ministry of Defence Nick is uniquely placed to be able to comment

77

00:07:09,600 --> 00:07:15,040

on military sightings like these and why the Pentagon finally broke cover.

78

00:07:15,040 --> 00:07:22,080

We're investigating the Tic Tac incident. What can you tell us about it all?

79

00:07:22,080 --> 00:07:28,680

Well I think the most fundamental point about all of this is that this is official US Navy

80

00:07:28,680 --> 00:07:32,440

footage.

81

00:07:32,440 --> 00:07:38,160

We've always known that pilots have seen UFOs but usually governments deny this sort of

82

00:07:38,160 --> 00:07:44,320

thing. Now the Pentagon has confirmed that this footage is real and some of the pilots

83

00:07:44,320 --> 00:07:47,680

and indeed radar operators have spoken out.

84

00:07:47,680 --> 00:07:51,720

So for the first time UFOs whatever they are they're real.

85

00:07:51,720 --> 00:07:58,160

Why do you think the Pentagon have suddenly become so free with their information?

86

00:07:58,160 --> 00:08:04,200

Well part of it might be that it's got to the point where it's undeniable. I think

87

00:08:04,200 --> 00:08:11,920

this has built up a sort of critical mass where there's just so much evidence that you

88

00:08:11,920 --> 00:08:19,320

can't keep it hidden anymore. But yeah even the US government has not ruled out the extraterrestrial

89

00:08:19,320 --> 00:08:22,240

hypothesis.

90

00:08:22,240 --> 00:08:28,120

But surely the most obvious explanation is it's just military technology and if this

91

00:08:28,120 --> 00:08:33,000

was aliens they would let it be known. They wouldn't just be speaking to the government.

92

00:08:33,000 --> 00:08:40,480

No that's true. Sure. And that's certainly one of the theories that is being discussed

93

00:08:40,480 --> 00:08:47,720

right now. The Senate Intelligence Committee are asking themselves could it be that this

94

00:08:47,720 --> 00:08:56,680

is one part of the US government testing something against the US fleet and it's so highly classified

95

00:08:56,680 --> 00:09:04,600

and so deeply compartmentalized or worse as far as the US government is concerned. Could

96

00:09:04,600 --> 00:09:11,520

it be that an adversary has made some technological breakthrough. I guess the simplest theory the

97

00:09:11,520 --> 00:09:18,840

one that needs fewest leaps of faith is usually the correct one so that's got to be our start

98

00:09:18,840 --> 00:09:24,760

point. That craft is skimming. It looks like it's skimming along the ocean going in and

99

00:09:24,760 --> 00:09:31,880

out and in and out and in and out. Now if that is an enemy powers weapon then we're in trouble

100

00:09:31,880 --> 00:09:38,840

aren't we. Yes we're in big trouble. To me as somebody with a defence background it doesn't

101

00:09:38,840 --> 00:09:44,720

matter if it's Russian or Martian we need to know what it is. Nick in addition to the

102

00:09:44,720 --> 00:09:50,880

tic tac incidents we've seen is it true that there's like this there's thousands if not

103

00:09:50,880 --> 00:09:57,680

hundreds of video clips the sightings and pictures of of alien craft. Where you've got

104

00:09:57,680 --> 00:10:04,960

something that was taken from a military aircraft with forward looking infrared cameras or whatever.

105

00:10:05,080 --> 00:10:11,920

It's authentic. So yeah what we're looking at now what we're reading about in the media

106

00:10:11,920 --> 00:10:19,280

is the tip of the iceberg. There you go those pilots saw something very unusual up in that

107

00:10:19,280 --> 00:10:24,720

sky but they don't know what it is. There is more stuff going on than we know about.

108

00:10:24,720 --> 00:10:28,960

Where do you think we should go next. Well the thing is every time someone's tried to

109

00:10:28,960 --> 00:10:32,800

solve this case they've spoken to the same people so the best thing we can do Craig is

110

00:10:32,840 --> 00:10:37,920

speak to a new witness and try and get a new account about this. We need to dig deeper.

111

00:10:40,800 --> 00:10:47,800

Coming up a first hand eyewitness account of the tic tac UFO sighting from petty officer

112

00:10:47,800 --> 00:10:55,960

Jason Turner of the USS Princeton. What did you see first hand. No wings it had no propulsion

113

00:10:55,960 --> 00:11:05,320

system. I would like to get answers to it. And two more Pentagon verified UFOs in 2050

114

00:11:05,320 --> 00:11:12,160

they caught them at it again. I can't explain it Craig. Look at that one that is going so

115

00:11:12,160 --> 00:11:24,200

fast. Wow. In November 2004 during a routine naval training exercise American fighter planes

116

00:11:24,200 --> 00:11:29,200

from the USS Nimitz aircraft carrier engaged the UFO of the Pacific Ocean.

117

00:11:29,200 --> 00:11:37,960

Oh my God. Oh my God. Dubbed the tic tac because of the UFO's appearance it's become one of

118

00:11:37,960 --> 00:11:48,920

the most high profile cases of the 21st century. This still inexplicable encounter was captured

119

00:11:48,920 --> 00:11:54,600

on a US Navy fighter jets infrared cockpit camera. With the weight of the US Navy's official

120

00:11:54,600 --> 00:12:00,920

stamp of approval these jaw dropping encounters have changed everything we thought we knew

121

00:12:00,920 --> 00:12:15,720

about UFOs. So Sarah we're looking at a case from 2004 when two Navy pilots flying off the

122

00:12:15,720 --> 00:12:22,120

USS Nimitz caught the now infamous tic tac UFO on cockpit cameras flying in a way that

123

00:12:22,120 --> 00:12:27,640

no human designed aircraft possibly could. And it was declared legitimate by the Pentagon.

124

00:12:27,640 --> 00:12:33,200

So how do we move this case forward. Well the thing is every time someone's tried to solve

125

00:12:33,200 --> 00:12:36,960

this case they've spoken to the same people so the best thing we can do Craig is speak

126

00:12:36,960 --> 00:12:41,280

to someone else speak to a new witness and try and get a new account about this. So I've

127

00:12:41,360 --> 00:12:49,160

got here Jason Turner. He was aboard the USS Princeton which is alongside the Nimitz in 2004.

128

00:12:49,160 --> 00:12:53,520

Hi Jason Craig and Sarah here. How are you. Good guys. How are you.

129

00:12:56,840 --> 00:13:03,120

US Navy Petty Officer Jason Turner was an active duty on the missile cruiser USS Princeton.

130

00:13:04,120 --> 00:13:11,120

When radar technicians noticed ghost tracks of mysterious objects appearing on their radar

131

00:13:11,120 --> 00:13:19,120

screen over an entire week their speed so impossible it prompted a full recalibration

132

00:13:19,120 --> 00:13:25,440

of the radar equipment to see if it had somehow developed a fault but still the objects continued

133

00:13:25,440 --> 00:13:32,520

to appear. This is the rarely told background event that prompted the scrambling of fighter

134

00:13:32,920 --> 00:13:39,520

jets to intercept the tic tac which appears to be just one of a fleet. And when the footage

135

00:13:39,520 --> 00:13:47,720

landed back on deck Jason became an unwitting crucial witness and he's prepared to share his story with us.

136

00:13:52,720 --> 00:13:59,320

Actually we really didn't know much about it. It was pretty much kept on lockdown for I don't know

137

00:13:59,720 --> 00:14:06,120

two days. So yeah I had traveled up to the ship signal exportation space and was going to take some

138

00:14:06,120 --> 00:14:14,680

parts there and saw a video playing of basically what we had been the chatter around the ship had been about

139

00:14:17,000 --> 00:14:18,680

was a UFO.

140

00:14:20,680 --> 00:14:26,360

How many people were watching with you Jason and did the guys with the gun see what was going on.

141

00:14:27,240 --> 00:14:33,800

You have to remember there are over 4000 people on the carrier and we had at least 400 people on

142

00:14:33,800 --> 00:14:38,200

our ship and then there were two more ships in the battle group that were participating at this time

143

00:14:38,200 --> 00:14:43,480

so there were quite a lot of eyes on this thing. Can you describe what you saw because we see these

144

00:14:43,480 --> 00:14:49,880

radar images we see these camera images but what did you see firsthand. So the video that you see

145

00:14:49,880 --> 00:14:55,800

now is a lot more grainy. It's worse than it was back in 2004.

146

00:14:58,600 --> 00:15:04,600

Initially you could see the you could see the object it had no identifying marks it had no wings it

147

00:15:04,600 --> 00:15:11,000

had no propulsion system but it did have two what looked like antenna that were sticking out of the

148

00:15:11,000 --> 00:15:19,480

bottom of it. Beyond that there was really not much to describe on what it looked like other than a

149

00:15:19,480 --> 00:15:25,880

tic tac. And how was it moving was it moving really erratically. Not initially on the video

150

00:15:25,880 --> 00:15:31,480

it wasn't and then it would move from it would say it would go from point A to point B no acceleration

151

00:15:31,480 --> 00:15:40,440

no deceleration and just excel and stop. Well aircraft designed by humans don't do that do they.

152

00:15:40,440 --> 00:15:45,800

No no. And does it concern you that we don't know what this is.

153

00:15:46,520 --> 00:15:51,400

It does it does because if it's if it's someone else's technology and we don't understand it

154

00:15:52,440 --> 00:15:58,520

we're behind the eight ball. The fact that you you would be able to witness this means that there's

155

00:15:58,520 --> 00:16:03,640

definitely a scare on board if people are like looking at it closely in front of people that

156

00:16:03,640 --> 00:16:08,520

maybe shouldn't have been seeing what's going on. You know it was just a tap instance that I that I

157

00:16:08,520 --> 00:16:14,440

that I was there. I was one of the lucky ones who got to see it and kind of went under the radar.

158

00:16:15,160 --> 00:16:23,960

No pun intended. We've only seen a very short grainy snippet of this tic tac. How long was the

159

00:16:23,960 --> 00:16:31,480

the original video the much clearer video that you saw. So yeah the original video was about seven

160

00:16:31,480 --> 00:16:40,360

to ten minutes. And it was once while I was in there it was on a loop. Wow so we've only seen a

161

00:16:40,360 --> 00:16:45,720

we've only seen a very small bit of that. Did anything happen in the bits that we haven't seen

162

00:16:45,720 --> 00:16:52,680

that that were surprising. Yeah just the the way that the tic tac actually maneuvered.

163

00:16:53,880 --> 00:17:01,400

You don't get to see the full detail in the video that's been released. If we saw the the full video

164

00:17:01,480 --> 00:17:03,640

would we be more scared.

165

00:17:06,840 --> 00:17:13,480

That the well the the the Department of Defense had recently come out after people had done open

166

00:17:13,480 --> 00:17:19,480

record requests and they admitted that there is more video but they're not going to release it

167

00:17:19,480 --> 00:17:27,720

due to national security. Do you have any idea what it is that you saw.

168

00:17:28,440 --> 00:17:34,680

No but I would like I would like to get answers to it. I think we all would and you know if it's not

169

00:17:34,680 --> 00:17:38,840

our technology if it's not from this world then we've got a lot of learning to do.

170

00:17:44,520 --> 00:17:49,880

Jason and others close to the incident have risked their reputation for the truth.

171

00:17:50,440 --> 00:17:56,440

But the tic tac sighting in 2004 was only the beginning of the story.

172

00:17:57,880 --> 00:18:02,040

Ten years later it happened again.

173

00:18:13,240 --> 00:18:18,280

Between 2014 and 2015 radar operators on the USS

174

00:18:18,760 --> 00:18:25,400

Theodore Roosevelt reported numerous sometimes daily inexplicable blips on the radar.

175

00:18:28,280 --> 00:18:34,520

Leading seasoned US Navy pilots to a series of close encounters but seemingly impossible

176

00:18:34,520 --> 00:18:40,360

flying objects. Two of these mysterious UFOs were captured on the pilot cockpit cameras

177

00:18:41,160 --> 00:18:43,400

clips that have become known as Go Fast.

178

00:18:48,520 --> 00:18:50,280

Projector now and gimbal.

179

00:18:55,800 --> 00:19:00,840

Just like the tic tac these craft also had no visible means of propulsion and appeared to

180

00:19:00,840 --> 00:19:03,960

perform movements that defy all known physics.

181

00:19:04,920 --> 00:19:18,760

In 2014 and 2015 they caught them at it again. Let's have a look at these cockpit pictures.

182

00:19:22,680 --> 00:19:29,400

Look at this a tic tac again. Ten years later opposite coast east coast.

183

00:19:34,280 --> 00:19:36,200

What do you think that is?

184

00:19:37,880 --> 00:19:40,440

I can't explain it Craig I don't know what it is.

185

00:19:42,520 --> 00:19:45,400

But it is technically an unidentified flying object.

186

00:19:50,200 --> 00:19:53,080

So they made a chain shape there it almost became a disc for a minute.

187

00:19:54,840 --> 00:19:56,120

Okay let's look at the other one.

188

00:19:56,120 --> 00:20:10,440

Look at that one. That is going so fast. It's going into the water.

189

00:20:12,440 --> 00:20:16,440

Wow.

190

00:20:16,760 --> 00:20:27,240

Coming up the Pentagon have confirmed that this is now genuine footage.

191

00:20:28,040 --> 00:20:33,160

A shocking new US Navy leak captures a pyramid shaped craft on camera.

192

00:20:33,800 --> 00:20:40,360

This is explosive information this is probably the best UFO military filmed footage certainly

193

00:20:40,360 --> 00:20:43,480

that I've ever seen but I think also that the world has ever seen.

194

00:20:45,560 --> 00:20:52,920

And XMOD official Nick Pope has a theory about why extraterrestrials might be visiting Earth.

195

00:20:52,920 --> 00:21:00,040

There might be terrifying things out there in the cosmos for super predator species. We should be frightened.

196

00:21:00,440 --> 00:21:13,000

In 2004 2014 and 2015 US Navy fighter jets flying off aircraft carriers

197

00:21:13,560 --> 00:21:20,920

USS Nimitz and USS Theodore Roosevelt engage with UFOs above the ocean close to the United

198

00:21:20,920 --> 00:21:35,160

States coastline. The images captured were officially released by the Pentagon in 2020.

199

00:21:41,400 --> 00:21:47,400

These extraordinary encounters have heralded a sea change in how UFOs are perceived and

200

00:21:47,400 --> 00:21:56,040

talked about by the authorities. But the question remains are these craft inconceivably advanced

201

00:21:56,040 --> 00:22:04,200

enemy technology or are they from another world? We've heard firsthand from experts and witnesses

202

00:22:04,200 --> 00:22:09,640

how the most sophisticated air force in the world can be outmaneuvered by UFOs.

203

00:22:17,480 --> 00:22:18,680

It's going into the water.

204

00:22:26,200 --> 00:22:31,400

It's like someone has thrown a pebble like that it's skimming it across.

205

00:22:34,600 --> 00:22:39,400

You can't get concept in size because there's nothing else you've just got the ocean to compare

206

00:22:39,400 --> 00:22:44,600

it to. Yeah but look at the speed that's traveling. A proper rate of knots that.

207

00:22:45,560 --> 00:22:50,920

So that is very strange. It's freaky isn't it? The scientists I want to be able to explain this but

208

00:22:50,920 --> 00:23:02,520

I can't offer that explanation. And the story doesn't end here. A further US Navy video has been

209

00:23:02,520 --> 00:23:09,400

obtained and released by investigative filmmaker Jeremy Corbell and appears to show at least one

210

00:23:09,480 --> 00:23:18,360

pyramid shaped craft hovering close to US Navy ships including destroyer USS Russell in July 2019.

211

00:23:19,720 --> 00:23:26,520

This is explosive information. This is probably the best UFO military filmed footage certainly that

212

00:23:26,520 --> 00:23:31,720

I've ever seen but I think also that the world has ever seen. There were a number of anomalous

213

00:23:31,800 --> 00:23:40,440

contacts what they call UAPs or UFOs that swarmed these carriers. So what you're seeing is some of

214

00:23:40,440 --> 00:23:46,520

what I obtained and released is some of that footage. These are genuine unknowns.

215

00:23:47,800 --> 00:23:55,720

The Pentagon have confirmed that this is now genuine footage and this is a flying pyramid.

216

00:23:56,120 --> 00:24:02,840

Look so you can see it's a pyramid shape.

217

00:24:06,120 --> 00:24:10,440

It might be a completely different shape to Tic Tac but it was filmed in the same

218

00:24:10,440 --> 00:24:17,080

geographical location in the Pacific Ocean off the coast of San Diego. It's certainly

219

00:24:17,800 --> 00:24:22,520

interesting but what I do find even more interesting is the fact that we've now got multiple videos

220

00:24:22,520 --> 00:24:26,440

which have been verified by the Pentagon. Okay so it means that there are lots of

221

00:24:26,440 --> 00:24:29,320

unidentified flying objects in our skies.

222

00:24:35,400 --> 00:24:41,320

Something remarkable is happening. We appear to have an organized leaking campaign of videos of

223

00:24:41,320 --> 00:24:46,600

UFOs and official statements from the Pentagon confirming their authenticity.

224

00:24:47,320 --> 00:24:50,120

It's roasted.

225

00:24:52,200 --> 00:24:56,920

Are we being prepared for the truth? The extraterrestrials have long been visiting Earth

226

00:24:57,880 --> 00:25:02,600

or could this be a strategic agenda to remove the taboo around such sightings

227

00:25:03,880 --> 00:25:07,720

and encourage more open reporting of UFOs to the authorities?

228

00:25:09,880 --> 00:25:11,320

David that is the weirdest thing.

229

00:25:12,200 --> 00:25:13,000

What the f*** is that?

230

00:25:14,600 --> 00:25:19,880

The one person closest to understanding the military strategy towards UFO sightings

231

00:25:19,880 --> 00:25:28,840

is ex-MOD official Nick Pope. We need to speak to him again.

232

00:25:34,920 --> 00:25:37,640

Nick the patient sightings just seems to be speeding up.

233

00:25:38,600 --> 00:25:44,920

Yeah it seems at the moment hardly a week goes by without someone else coming forward. Whether it's

234

00:25:45,560 --> 00:25:53,000

a pilot, a radar operator, whether it's more photos and videos and again the US government

235

00:25:53,000 --> 00:26:00,040

has confirmed yes all this was taken by US Navy military personnel so again it's official.

236

00:26:01,800 --> 00:26:07,480

Is that just because we're better at finding them now or has this been going on since time

237

00:26:07,560 --> 00:26:14,200

and memorial? I think that there's a lot of political pressure now in the United States.

238

00:26:14,200 --> 00:26:21,080

The Senate Intelligence Committee has demanded a report on this from the Director of National

239

00:26:21,080 --> 00:26:27,320

Intelligence. I mean once you start looking at this I think even within government you realize

240

00:26:27,320 --> 00:26:33,240

hey wait a minute we've been missing a trick all these years. There is something here it's a defense

241

00:26:33,320 --> 00:26:39,400

and national security issue we should be taking it seriously and that thank goodness is now happening.

242

00:26:39,400 --> 00:26:45,720

Nick in addition to the clips we've seen is it true that there's like this there's thousands if not

243

00:26:45,720 --> 00:26:52,120

hundreds of video clips and and sightings and pictures of of alien craft?

244

00:26:54,120 --> 00:27:01,560

Yes I mean when the US government started looking into this seriously in in the last

245

00:27:02,520 --> 00:27:11,640

decade or so through a program called ATIP, Advanced Aerospace Threat Identification Program,

246

00:27:12,280 --> 00:27:19,560

the contractor for that project amassed a huge archive of historical material.

247

00:27:21,400 --> 00:27:28,600

They would have had and considered photographs, videos, satellite, imagery,

248

00:27:29,400 --> 00:27:35,560

space tracking radar, data, all sorts of stuff. But we know there's more videos out there which

249

00:27:35,560 --> 00:27:42,120

haven't been released do you think the government's holding things back? I think they're still hiding

250

00:27:42,120 --> 00:27:51,480

a lot but I think the vast majority still is being kept within government maybe because they can't

251

00:27:51,480 --> 00:27:58,120

figure it out maybe because they think they can derive some novel military technologies from

252

00:27:58,840 --> 00:28:05,720

figuring out what we are dealing with but for whatever reason I think what we see that's probably

253

00:28:05,720 --> 00:28:07,880

one in a thousand of what's out there.

254

00:28:12,200 --> 00:28:17,960

Stick with me on this one Nick, stick with me okay don't don't lose me now. You know could

255

00:28:17,960 --> 00:28:23,640

something like be happening in some part of the universe and people are running away from it and

256

00:28:23,720 --> 00:28:30,680

they're coming here as a place of safety because these ships are coming in various sizes they could

257

00:28:30,680 --> 00:28:36,280

be coming from all over the universe surely. Yes that's an interesting idea I must say the idea

258

00:28:36,280 --> 00:28:44,120

I mean some scientists who've thought about this have used the phrase super predator species

259

00:28:44,120 --> 00:28:50,680

to suggest that there might be terrifying things out there in the cosmos and yeah absolutely in

260

00:28:50,760 --> 00:28:56,360

the face of a super predator species whether it's biological or as many people believe

261

00:28:56,360 --> 00:29:03,320

post biological machine intelligence hunting down perhaps other intelligences ruthlessly

262

00:29:03,320 --> 00:29:09,960

what you would need what you would want would be a place of safety a haven so that's a fascinating

263

00:29:09,960 --> 00:29:15,800

thought the idea they might be coming here almost as as refugees. And now you're frightening me.

264

00:29:15,800 --> 00:29:22,760

We should be frightened or at least at the least we should be concerned I mean look at what Stephen

265

00:29:22,760 --> 00:29:30,040

Hawking warned about in terms of contact with extraterrestrials and he used that analogy

266

00:29:30,040 --> 00:29:37,240

that if we look to our own history where less advanced civilizations have been visited by more

267

00:29:37,240 --> 00:29:45,080

advanced ones the very existence sometimes of of the less advanced ones is under threat so yeah

268

00:29:45,080 --> 00:29:50,200

we should be worried. Well there you go there's people keeping secrets there's a lot that we don't

269

00:29:50,200 --> 00:29:55,240

know there's a lot we're not being told where do we go next. Well we need to try and find someone

270

00:29:55,240 --> 00:30:00,280

from ATIP now I know about this organisation it's the Advanced Aerospace Threat Identification

271

00:30:00,280 --> 00:30:05,560

Programme this was a five-year secret programme in the US but it wasn't classified yet nobody

272

00:30:05,560 --> 00:30:10,120

knew about it. Is that secret enough to me? Exactly it doesn't make sense but we need to try and

273

00:30:10,120 --> 00:30:15,240

find someone from ATIP to speak to because we don't know what's going on in our skies.

274

00:30:18,200 --> 00:30:25,720

Coming up, Pentagon whistleblower and former head of ATIP, Lewis Elizondo. You have the recognition

275

00:30:25,720 --> 00:30:33,240

by the US government that UAPs are real whatever they are is at a threat and no breaking news.

276

00:30:33,320 --> 00:30:39,800

Another leaked US Navy video has dropped online. What was splashed? Splashed.

277

00:30:43,960 --> 00:30:49,240

The Pentagon videos and subsequent statements suggest we are living in a world where the

278

00:30:49,240 --> 00:30:54,680

military of one of the most powerful countries on earth is admitting to unknown objects flying

279

00:30:54,680 --> 00:31:02,280

around in our skies. With more and more evidence from the US military being leaked into the public

280

00:31:02,280 --> 00:31:12,520

domain. The US government has been forced to produce an unclassified in-depth intelligence

281

00:31:12,520 --> 00:31:22,280

report on the phenomenon and establish a UAP task force. It's impossible not to question

282

00:31:22,280 --> 00:31:31,880

what's really going on and ask are we in danger? We should be worried to me as somebody with a

283

00:31:31,880 --> 00:31:37,400

defence background. It doesn't matter if it's Russian or Martian. We need to know what it is.

284

00:31:40,600 --> 00:31:47,000

We're on a mission to get to the truth about these mysterious craft that appear to be prowling our skies.

285

00:31:56,520 --> 00:32:01,000

Well Sarah this started out as a simple investigation. This has got so much bigger.

286

00:32:01,000 --> 00:32:07,080

We started out looking at the Tic Tac incident in 2004 and then we got to go fast and gimbal in

287

00:32:07,080 --> 00:32:14,120

2015. We've seen some amazing footage of what we both agree are inexplicable flying crafts.

288

00:32:14,120 --> 00:32:20,600

We need to know is there a threat to life? Well we don't know that much yet but someone who can

289

00:32:20,600 --> 00:32:28,440

give us a unique insight into this is Louis Elizondo. He's the former head of ATIF, the Advanced

290

00:32:28,440 --> 00:32:33,960

Aerospace Threat Identification Program which was this shadowy organization within the US government.

291

00:32:33,960 --> 00:32:40,680

Listen can you tell us a bit about your work at ATIF? I was part of a very interesting and nuanced

292

00:32:40,680 --> 00:32:45,640

program within the United States Department of Defense and the intelligence community

293

00:32:45,640 --> 00:32:51,080

and it was a nuanced effort within the Pentagon that was focused on looking at what we call UAPs

294

00:32:51,080 --> 00:32:56,280

or I guess in the vernacular UFOs. And what did you discover?

295

00:32:58,600 --> 00:33:06,280

Well we discovered a lot. First of all we discovered that there is absolutely something in our skies.

296

00:33:09,000 --> 00:33:14,520

It's something that has the ability to to fly within controlled US airspace and frankly in

297

00:33:14,520 --> 00:33:20,760

some cases displays capabilities beyond those capabilities we have currently within the United

298

00:33:20,760 --> 00:33:24,840

States. Have the American government have they released all the tapes they've got? Have they

299

00:33:24,840 --> 00:33:33,880

released all the pictures all the videos? No not hardly no but that's up to the government to decide

300

00:33:33,880 --> 00:33:39,560

when and where and if they want to do that you know I'm going to respect my non-disclosure agreement.

301

00:33:39,560 --> 00:33:42,760

So you're telling us you know more about this than you're able to tell us?

302

00:33:46,840 --> 00:33:53,560

What I'm saying is that I'm quite confident that that the government is aware of more data than

303

00:33:53,560 --> 00:34:00,360

just a video. I suppose the big question is are these crafts human or are the extras

304

00:34:00,360 --> 00:34:08,280

terrestrial? Can it be from Earth? Yes. Can it be from elsewhere outer space? Yes. We still have no

305

00:34:08,280 --> 00:34:14,360

idea if this is something that some sort of foreign adversary has managed to strategically leapfrog

306

00:34:14,360 --> 00:34:20,200

ahead of us or if we're dealing with something completely and totally different. What we know

307

00:34:20,200 --> 00:34:26,200

is that these things are real. There is something in our controlled US airspace that we don't know

308

00:34:26,200 --> 00:34:31,720

what it is, we don't know how it works, we don't know what its intentions are and really at this

309

00:34:31,720 --> 00:34:37,160

point there's not a whole lot we can do about it. What kind of threat do you think these crafts are

310

00:34:37,160 --> 00:34:43,800

to our whale security? You know my position is that it could be a threat if it wanted to be so we

311

00:34:43,800 --> 00:34:49,080

should probably try to figure it out. We still have no clue of the intent. Are we ever going to

312

00:34:49,080 --> 00:34:57,960

know the truth? Well I think we're on that journey right now Sarah and as long as we let the government

313

00:34:57,960 --> 00:35:02,840

and our elected officials know that this is a topic worth discussing, at least having the conversation,

314

00:35:03,400 --> 00:35:08,920

then I think the answer is a resounding yes. You have the establishment of a UAP task force

315

00:35:08,920 --> 00:35:14,760

under our Secretary of Defense and you also have a 180-day report that is due to Congress

316

00:35:15,320 --> 00:35:19,960

from the Director of National Intelligence. Last but not least you have the recognition that the

317

00:35:19,960 --> 00:35:27,960

videos taken by Navy personnel is indeed legitimate. Since you left your organization have you

318

00:35:27,960 --> 00:35:34,520

been intimidated at all? Have you felt scared? Have there been any dark shadowy forces telling

319

00:35:34,520 --> 00:35:40,280

you to keep your mouth shut? Have people attempted to intimidate me? Absolutely, that continues to occur.

320

00:35:41,160 --> 00:35:45,720

There's a lot of people that are pretty upset with me when I left the government and decided to

321

00:35:45,720 --> 00:35:51,720

have this conversation. It hasn't been very easy for me personally to continue to pursue this.

322

00:35:52,920 --> 00:35:58,840

You know anytime you step out of ranks in an organization like mine there's obviously going

323

00:35:58,840 --> 00:36:01,720

to be some repercussions. People needed to know the truth.

324

00:36:01,720 --> 00:36:15,080

Well what do you make of that? That was certainly powerful. It's quite disturbing,

325

00:36:15,080 --> 00:36:19,320

some of the things he was talking about, how he has been threatened. And when I asked him, I say,

326

00:36:19,320 --> 00:36:23,720

oh you know we've got any more tapes, any more videos, any more films, I just went, oh yes.

327

00:36:24,600 --> 00:36:27,640

Things are definitely being covered up. But what are they covering up? That's the question,

328

00:36:27,640 --> 00:36:32,280

is it alien technology? Are the governments really colluding with an extra-treshtrial species?

329

00:36:32,280 --> 00:36:35,880

Or is it just something else, something that we haven't thought of yet?

330

00:36:42,440 --> 00:36:49,640

This is without doubt a most extraordinary and significant UFO investigation. This isn't speculation.

331

00:36:50,840 --> 00:36:56,520

We're now in a world where UFOs exist and US intelligence agencies are preparing reports at

332

00:36:56,520 --> 00:37:05,160

Congress on what they know about them. The question is, are they from this world or another?

333

00:37:17,080 --> 00:37:21,480

Feel like we're getting closer and closer and closer. So before we draw a conclusion and

334

00:37:21,480 --> 00:37:31,160

reach our verdict, let's look at those videos again. So this is the Tic Tac incident, 2004.

335

00:37:31,960 --> 00:37:35,320

I think we can safely say it's not a plane, but we can't really say what it is.

336

00:37:36,280 --> 00:37:42,840

It's just weird, it is Tic Tac shaped and it kind of changes direction very, very, very peculiarly,

337

00:37:42,840 --> 00:37:49,880

almost at right angles. No earthly aircraft can do that. No, I agree, we cannot explain what is in

338

00:37:49,880 --> 00:37:57,400

this video and nor can anyone else. That's what's so intriguing about this. So let's move on to the

339

00:37:57,400 --> 00:38:08,200

Gullfast incident. Now this is the one where it's like skimming across the water. It's in the air,

340

00:38:08,760 --> 00:38:15,480

it almost enters into the water. Yeah. USO, unidentified submerged objects and then it

341

00:38:15,480 --> 00:38:19,960

accelerates at such a huge rate. Yeah. So it's now going at an impossible speed.

342

00:38:21,720 --> 00:38:24,120

And let's go for the gimbal.

343

00:38:27,240 --> 00:38:32,600

Um, looks like a Tic Tac again really. It's that sort of oval shape.

344

00:38:33,880 --> 00:38:39,800

This is incredible, this one. It's traveling very fast. You're almost speechless when you're

345

00:38:39,800 --> 00:38:45,640

watching something like this. These are in all night skies. This is just, it's just quite scary

346

00:38:45,640 --> 00:38:54,280

really. And oh breaking news. While we've been recording this series. Another bombshell, yet

347

00:38:54,280 --> 00:39:01,560

another US Navy video obtained and released by investigative filmmaker Jeremy Corbell. Here we go.

348

00:39:01,720 --> 00:39:10,840

This mind blowing UFO was filmed by crew aboard the USS Omaha back in July 15,

349

00:39:11,400 --> 00:39:14,440

2019. And it's just dropped online.

350

00:39:18,680 --> 00:39:25,560

It shows a bizarre black spherical object crossing the sky with striking similarity to the Tic Tac

351

00:39:25,640 --> 00:39:34,520

encounters. But then shockingly, it descends towards the ocean surface and appears to submerge.

352

00:39:40,120 --> 00:39:43,240

No wreckage was found and no craft recovered.

353

00:39:45,560 --> 00:39:50,120

If it did enter the water, as other UFOs have been seen to do like go fast,

354

00:39:51,080 --> 00:39:56,040

it disappeared from sight soon afterwards. It's going into the water.

355

00:40:01,800 --> 00:40:09,080

And like this astonishing UFO, filmed by a US customs plane in Puerto Rico in April 2013,

356

00:40:10,920 --> 00:40:16,760

it also dips into the ocean before briefly reemerging and then vanishing.

357

00:40:17,480 --> 00:40:21,480

It suggests they're moving with ease between our atmosphere and our ocean.

358

00:40:23,480 --> 00:40:30,680

Gravitationally propelled craft that are trans medium and they can go from space to air to sea

359

00:40:30,680 --> 00:40:37,720

without destruction. This is astonishing capabilities. What are these things in the sky that outpace

360

00:40:37,720 --> 00:40:45,240

out maneuver and completely defy what we understand as propulsion? This is now a new reality.

361

00:40:45,560 --> 00:40:50,840

A new reality that we are living in and it doesn't matter if we bury our heads in the sand.

362

00:40:51,480 --> 00:40:59,000

It doesn't cease to exist. UFOs are real. The UFO presence is real. What are these things?

363

00:40:59,560 --> 00:41:01,640

We deserve some answers, whatever those may be.

364

00:41:04,600 --> 00:41:09,560

And if these craft are intergalactic refugees searching for a safe haven,

365

00:41:11,000 --> 00:41:12,600

what a perfect place to hide.

366

00:41:15,960 --> 00:41:22,680

But now it's time to decide once and for all whether these UFOs are extraterrestrial or not.

367

00:41:24,200 --> 00:41:25,000

Watch your verdict.

368

00:41:27,240 --> 00:41:32,920

When we first spoke about this, I was kind of skeptical. I knew how enthusiastic you were

369

00:41:32,920 --> 00:41:38,760

about this, but I almost owe you an apology with this one, Craig, because the evidence we've seen

370

00:41:38,760 --> 00:41:46,680

today is hugely compelling. It's hugely convincing. We can't explain any of these videos. We do not know

371

00:41:46,680 --> 00:41:54,440

what is going on in our skies. And in that case, I'm going to say investigation ongoing.

372

00:41:57,000 --> 00:42:01,320

Well, I'm going to go a little further. I'm not saying that this is a sign of aliens.

373

00:42:01,320 --> 00:42:08,120

But I'm not sure they're manned by any living body. They could be robots. They could be drones.

374

00:42:08,200 --> 00:42:16,440

They could be advanced probes. I'm going to have to say that whatever they are, they're not off this world.

375

00:42:27,960 --> 00:42:34,360

On the 25th of June, 2021, the United States Office of the Director of National Intelligence

376

00:42:35,160 --> 00:42:40,120

released its preliminary report on unidentified aerial phenomena to Congress.

377

00:42:43,160 --> 00:42:49,640

Although it posited a range of plausible explanations, the majority of the 144 major

378

00:42:49,640 --> 00:42:56,680

UFO sightings officially investigated, ranging from covert military aircraft and airborne

379

00:42:56,680 --> 00:43:04,360

clutter to abnormal weather phenomena. It was only able to confirm one as being definitely manmade.

380

00:43:06,920 --> 00:43:10,520

For the remaining 143, which include Tic Tac,

381

00:43:13,320 --> 00:43:25,080

Gimbal, Go Fast, and Pyramid, an extraterrestrial explanation could not be ruled out.
