EP. 021 - 02/02/2017

## DEN OF LORE

TRISTAN BOURLARD

FILMMAKER - TERRA MASONICA

1  
00:00:14,310 --> 00:00:11,509

[Music]

2  
00:00:15,990 --> 00:00:14,320  
good afternoon everybody listeners

3  
00:00:17,990 --> 00:00:16,000  
around the world in the united states

4  
00:00:19,910 --> 00:00:18,000  
canada the uk

5  
00:00:22,150 --> 00:00:19,920  
i am your host chris george zuger and

6  
00:00:24,790 --> 00:00:22,160  
you have entered the den of lore uh we

7  
00:00:26,790 --> 00:00:24,800  
have a special uh episode today where

8  
00:00:29,269 --> 00:00:26,800  
episode 21

9  
00:00:30,790 --> 00:00:29,279  
and uh to my right is my co-host alex

10  
00:00:33,670 --> 00:00:30,800  
how are you doing alex very good very

11  
00:00:35,670 --> 00:00:33,680  
good uh you know we have a wonderful

12  
00:00:38,950 --> 00:00:35,680  
episode with a fantastic multiple

13  
00:00:40,549 --> 00:00:38,960

award-winning filmmaker tristan burra

14

00:00:43,750 --> 00:00:40,559

excuse me

15

00:00:47,029 --> 00:00:45,069

i should i should have stayed in french

16

00:00:49,350 --> 00:00:47,039

emergency immersion a lot more than i

17

00:00:51,750 --> 00:00:49,360

did i do apologize uh we're going to be

18

00:00:53,990 --> 00:00:51,760

discussing his new film which has the

19

00:00:57,189 --> 00:00:54,000

masonic community worldwide in an

20

00:00:58,470 --> 00:00:57,199

absolute tizzy uh terra masonica um i

21

00:01:00,709 --> 00:00:58,480

have to say when i heard about this

22

00:01:02,869 --> 00:01:00,719

movie and i saw the two trailers for it

23

00:01:04,549 --> 00:01:02,879

they absolutely blew my mind and i said

24

00:01:05,540 --> 00:01:04,559

we have to get tristan on this program

25

00:01:06,870 --> 00:01:05,550

and talk to him because

26

00:01:09,590 --> 00:01:06,880

[Music]

27

00:01:11,670 --> 00:01:09,600

damn this looks like a good film

28

00:01:13,910 --> 00:01:11,680

and you know what it's going to be

29

00:01:16,630 --> 00:01:13,920

released worldwide

30

00:01:18,310 --> 00:01:16,640

shortly and uh you know the details are

31

00:01:19,990 --> 00:01:18,320

still being worked out and i know that

32

00:01:22,710 --> 00:01:20,000

tristan will be able to share more than

33

00:01:24,789 --> 00:01:22,720

information if he has it available um

34

00:01:26,710 --> 00:01:24,799

as far as the release dates but yeah if

35

00:01:28,149 --> 00:01:26,720

you're anywhere in the world and if

36

00:01:29,429 --> 00:01:28,159

you're a freemason or interested in

37

00:01:32,550 --> 00:01:29,439

freemasonry

38

00:01:35,270 --> 00:01:32,560

this is the film to watch uh absolutely

39

00:01:36,789 --> 00:01:35,280

different cinematography

40

00:01:38,069 --> 00:01:36,799

absolutely beautiful cinematography

41

00:01:38,830 --> 00:01:38,079

beautiful cinematography thank you very

42

00:01:41,830 --> 00:01:38,840

much

43

00:01:43,800 --> 00:01:41,840

alex and i would def i would like to be

44

00:01:45,429 --> 00:01:43,810

able to introduce uh tristan

45

00:01:46,469 --> 00:01:45,439

[Music]

46

00:01:48,630 --> 00:01:46,479

himself

47

00:01:51,590 --> 00:01:48,640

and how are you doing

48

00:01:54,550 --> 00:01:51,600

i'm going well it's very freezing now

49

00:01:56,550 --> 00:01:54,560

i'm in europe in belgium in brussels

50

00:01:58,789 --> 00:01:56,560

and uh

51  
00:02:00,469 --> 00:01:58,799  
but everything's okay i'm happy to have

52  
00:02:02,469 --> 00:02:00,479  
finished this uh

53  
00:02:04,149 --> 00:02:02,479  
project and i'm starting a new one

54  
00:02:05,030 --> 00:02:04,159  
because uh

55  
00:02:09,910 --> 00:02:05,040  
uh

56  
00:02:12,309 --> 00:02:09,920  
me so i like challenges and a new

57  
00:02:13,830 --> 00:02:12,319  
project all the time

58  
00:02:15,670 --> 00:02:13,840  
that's it

59  
00:02:17,190 --> 00:02:15,680  
you've certainly

60  
00:02:18,630 --> 00:02:17,200  
had quite the challenge with doing all

61  
00:02:20,309 --> 00:02:18,640  
this amazing footage for the film

62  
00:02:21,990 --> 00:02:20,319  
recently

63  
00:02:23,589 --> 00:02:22,000

sorry i said you've had quite the

64

00:02:25,350 --> 00:02:23,599

challenge with doing some of the amazing

65

00:02:27,030 --> 00:02:25,360

footage for the film

66

00:02:29,190 --> 00:02:27,040

the shots yes

67

00:02:31,589 --> 00:02:29,200

yeah it was it was very difficult it's

68

00:02:33,110 --> 00:02:31,599

an incredible project and uh

69

00:02:36,550 --> 00:02:33,120

you know i was thinking about that

70

00:02:37,589 --> 00:02:36,560

yesterday and uh making into in the 21

71

00:02:39,509 --> 00:02:37,599

century

72

00:02:41,430 --> 00:02:39,519

be able to have the privilege to make a

73

00:02:43,509 --> 00:02:41,440

trip around the world and

74

00:02:46,710 --> 00:02:43,519

defense that fantastic journey during

75

00:02:48,949 --> 00:02:46,720

one year it's uh just incredible to to

76

00:02:51,509 --> 00:02:48,959

to be able to live that today you know

77

00:02:53,670 --> 00:02:51,519

we are living in a society and we think

78

00:02:55,589 --> 00:02:53,680

that uh everything is discovered and is

79

00:02:58,309 --> 00:02:55,599

not the case so um

80

00:03:00,630 --> 00:02:58,319

uh traveling like this and discovering

81

00:03:03,350 --> 00:03:00,640

so many incredible architectural

82

00:03:05,030 --> 00:03:03,360

heritage so many incredible brethren

83

00:03:08,229 --> 00:03:05,040

around the world

84

00:03:10,710 --> 00:03:08,239

was really an incredible experience and

85

00:03:12,710 --> 00:03:10,720

still now when i'm looking the movie i

86

00:03:15,430 --> 00:03:12,720

said to myself it's not me i made i

87

00:03:17,430 --> 00:03:15,440

didn't make this movie myself you know

88

00:03:19,990 --> 00:03:17,440

i'm discovering the movie like everybody

89

00:03:21,910 --> 00:03:20,000

because it was uh just incredible but

90

00:03:25,270 --> 00:03:21,920

it's just the top of the iceberg you

91

00:03:27,830 --> 00:03:25,280

know and because there is 10 000 shot

92

00:03:30,390 --> 00:03:27,840

during uh made during the

93

00:03:33,430 --> 00:03:30,400

one year so it was a very difficult

94

00:03:37,270 --> 00:03:33,440

editing and finally i decided to make

95

00:03:39,990 --> 00:03:37,280

two movie of one hour because uh

96

00:03:42,630 --> 00:03:40,000

it was impossible to to do that

97

00:03:46,070 --> 00:03:42,640

with less time but i hope that i would

98

00:03:48,149 --> 00:03:46,080

made a fun movie with tehra

99

00:03:50,470 --> 00:03:48,159

and it would not be a

100

00:03:53,190 --> 00:03:50,480

trip around the world in 80 large it

101

00:03:55,670 --> 00:03:53,200

will be a trip around the lodge in 80

102

00:03:57,830 --> 00:03:55,680

minutes it will be a different approach

103

00:04:01,110 --> 00:03:57,840

more philosophical because

104

00:04:01,830 --> 00:04:01,120

i have hundreds of incredible interviews

105

00:04:04,229 --> 00:04:01,840

with

106

00:04:06,470 --> 00:04:04,239

brothers around the world and there's a

107

00:04:09,190 --> 00:04:06,480

lot of aspect of freemasonry that we

108

00:04:11,589 --> 00:04:09,200

discuss you know more philosophical and

109

00:04:13,270 --> 00:04:11,599

all these aspects are in the

110

00:04:15,110 --> 00:04:13,280

computer now

111

00:04:16,390 --> 00:04:15,120

and i will i would like to use it in the

112

00:04:17,990 --> 00:04:16,400

future so

113

00:04:20,229 --> 00:04:18,000

um

114

00:04:21,270 --> 00:04:20,239

i think there will be a third episode

115

00:04:23,590 --> 00:04:21,280

yes

116

00:04:26,870 --> 00:04:23,600

now i i you know for for somebody who's

117

00:04:27,749 --> 00:04:26,880

uh i've watched a lot of masonic

118

00:04:29,830 --> 00:04:27,759

uh

119

00:04:31,350 --> 00:04:29,840

a lot of sonic documentaries and content

120

00:04:33,030 --> 00:04:31,360

uh there are certain ones that have gone

121

00:04:35,749 --> 00:04:33,040

into the history certain ones that have

122

00:04:38,150 --> 00:04:35,759

gone into the the mystery and secrets

123

00:04:40,150 --> 00:04:38,160

uh and others that have uh you know

124

00:04:41,990 --> 00:04:40,160

there are some independent movies that

125

00:04:43,990 --> 00:04:42,000

we'll even try and link freemasonry to

126

00:04:46,629 --> 00:04:44,000

things like the illuminati or what have

127

00:04:48,230 --> 00:04:46,639

you which you know as a freemason myself

128

00:04:49,749 --> 00:04:48,240

i always laugh at because we can't

129

00:04:51,510 --> 00:04:49,759

organize a pancake breakfast without

130

00:04:52,469 --> 00:04:51,520

getting into fights so

131

00:04:53,670 --> 00:04:52,479

uh

132

00:04:56,550 --> 00:04:53,680

it's

133

00:04:59,350 --> 00:04:56,560

you know so the the idea of

134

00:05:01,189 --> 00:04:59,360

uh a movie that contrasts

135

00:05:02,629 --> 00:05:01,199

the various types of freemasonry

136

00:05:05,110 --> 00:05:02,639

worldwide

137

00:05:06,870 --> 00:05:05,120

along with the histories of freemasonry

138

00:05:08,550 --> 00:05:06,880

not only as a craft

139

00:05:11,670 --> 00:05:08,560

you know as a whole

140

00:05:14,070 --> 00:05:11,680

but also uh the the different countries

141

00:05:16,070 --> 00:05:14,080

and and uh that you have

142

00:05:18,150 --> 00:05:16,080

um you know that you visited is is

143

00:05:19,189 --> 00:05:18,160

something that nobody's ever done before

144

00:05:21,909 --> 00:05:19,199

and

145

00:05:25,270 --> 00:05:21,919

how how did the idea for this particular

146

00:05:26,870 --> 00:05:25,280

documentary start well it was directly

147

00:05:30,710 --> 00:05:26,880

after uh

148

00:05:35,189 --> 00:05:32,710

a very good movie historical movie the

149

00:05:37,350 --> 00:05:35,199

name was the scottish key

150

00:05:39,189 --> 00:05:37,360

and the question was what was the origin

151  
00:05:41,510 --> 00:05:39,199  
of freemasonry because in freemasonry

152  
00:05:43,510 --> 00:05:41,520  
you have two main questions what was the

153  
00:05:45,670 --> 00:05:43,520  
what is the origin of freemasonry and

154  
00:05:48,150 --> 00:05:45,680  
the second question is what is freemason

155  
00:05:51,430 --> 00:05:48,160  
is not the same but it's linked you know

156  
00:05:53,270 --> 00:05:51,440  
because uh the heritage tradition the

157  
00:05:54,710 --> 00:05:53,280  
history is

158  
00:05:57,029 --> 00:05:54,720  
the craft so

159  
00:06:00,469 --> 00:05:57,039  
but uh just after making this movie in

160  
00:06:03,270 --> 00:06:00,479  
2008 i directly write two script

161  
00:06:05,189 --> 00:06:03,280  
uh the second script was the age of

162  
00:06:07,830 --> 00:06:05,199  
darkness it was the idea of the

163  
00:06:09,189 --> 00:06:07,840

confrontation of the freemasonry and the

164

00:06:11,350 --> 00:06:09,199

fascist

165

00:06:12,870 --> 00:06:11,360

period of the 20th century because it's

166

00:06:14,710 --> 00:06:12,880

very interesting to

167

00:06:20,950 --> 00:06:14,720

to

168

00:06:24,790 --> 00:06:20,960

because freemasonry can't

169

00:06:30,070 --> 00:06:27,510

a honorable society just in democracy

170

00:06:32,230 --> 00:06:30,080

everybody knows that so it was an

171

00:06:34,629 --> 00:06:32,240

interesting question but it was a very

172

00:06:37,430 --> 00:06:34,639

difficult project so i decided to write

173

00:06:39,749 --> 00:06:37,440

a book about that and the first script

174

00:06:41,749 --> 00:06:39,759

was that ramazanica so i i said to

175

00:06:43,590 --> 00:06:41,759

myself directly that

176

00:06:46,230 --> 00:06:43,600

to answer the question what is

177

00:06:48,790 --> 00:06:46,240

freemasonry

178

00:06:51,110 --> 00:06:48,800

it's impossible to answer this question

179

00:06:54,309 --> 00:06:51,120

in my personal point of view because

180

00:06:56,790 --> 00:06:54,319

it's a very local view you know and um

181

00:06:58,710 --> 00:06:56,800

if i has a question to

182

00:07:00,629 --> 00:06:58,720

any brother around the world all the

183

00:07:02,710 --> 00:07:00,639

time it's a local view it's depend on

184

00:07:03,909 --> 00:07:02,720

the largest depend of the history of the

185

00:07:06,950 --> 00:07:03,919

nation

186

00:07:08,309 --> 00:07:06,960

et cetera so um to have a

187

00:07:10,469 --> 00:07:08,319

very

188

00:07:13,110 --> 00:07:10,479

i think um

189

00:07:17,029 --> 00:07:13,120

good answer to this question we have to

190

00:07:19,189 --> 00:07:17,039

the only way was to to visit maximum of

191

00:07:20,550 --> 00:07:19,199

large of around the world it was very

192

00:07:22,070 --> 00:07:20,560

simple id

193

00:07:24,150 --> 00:07:22,080

and

194

00:07:26,070 --> 00:07:24,160

because the expansion of freemasonry

195

00:07:30,309 --> 00:07:26,080

started very quickly in 10 years after

196

00:07:32,950 --> 00:07:30,319

1717 so 303 centuries ago the expansion

197

00:07:36,070 --> 00:07:32,960

of freemasonry in 10 years the

198

00:07:38,790 --> 00:07:36,080

freemasonry arrived in all the the part

199

00:07:41,270 --> 00:07:38,800

uh in the five continents so

200

00:07:43,749 --> 00:07:41,280

this expansion is very incredible

201  
00:07:45,790 --> 00:07:43,759  
for example freemasonry arrived in

202  
00:07:48,629 --> 00:07:45,800  
calcutta in india in

203  
00:07:51,270 --> 00:07:48,639  
1727. so very quickly freemasonry

204  
00:07:53,749 --> 00:07:51,280  
arrived thanks to the travelers

205  
00:07:56,550 --> 00:07:53,759  
thanks to the militars

206  
00:08:02,710 --> 00:08:00,710  
naval large it was uh so um and directly

207  
00:08:04,550 --> 00:08:02,720  
free masonry

208  
00:08:07,029 --> 00:08:04,560  
uh

209  
00:08:09,350 --> 00:08:07,039  
after this moment of expansion during

210  
00:08:11,589 --> 00:08:09,360  
three century there is different kind of

211  
00:08:14,070 --> 00:08:11,599  
evolution of this different type of

212  
00:08:16,390 --> 00:08:14,080  
freemason will run the world depending

213  
00:08:19,510 --> 00:08:16,400

of the culture depending of the

214

00:08:21,670 --> 00:08:19,520

uh history of these nations and um but

215

00:08:23,990 --> 00:08:21,680

in the same way everywhere is the same

216

00:08:26,550 --> 00:08:24,000

this is the incredible fact when you see

217

00:08:30,070 --> 00:08:26,560

the movies that you have this incredible

218

00:08:34,310 --> 00:08:30,080

feeling that freemasonry uh could

219

00:08:36,469 --> 00:08:34,320

give so much to to uh do to uh the

220

00:08:40,550 --> 00:08:36,479

members of of the craft

221

00:08:42,870 --> 00:08:40,560

and uh it's not the way that

222

00:08:44,070 --> 00:08:42,880

it's a form of it's a form of teaching

223

00:08:47,030 --> 00:08:44,080

so uh

224

00:08:49,670 --> 00:08:47,040

i was very surprised that and everybody

225

00:08:51,350 --> 00:08:49,680

was watching the movie tehran sonica

226

00:08:53,670 --> 00:08:51,360

have this feeling that everybody is

227

00:08:56,230 --> 00:08:53,680

speaking not in the warm voice everybody

228

00:08:57,990 --> 00:08:56,240

have different point of view but

229

00:09:00,710 --> 00:08:58,000

we have this feeling that everybody is

230

00:09:03,350 --> 00:09:00,720

amazing and uh we have

231

00:09:04,790 --> 00:09:03,360

this very close relation with everybody

232

00:09:06,470 --> 00:09:04,800

you don't have this feeling that

233

00:09:11,030 --> 00:09:06,480

somebody is very

234

00:09:13,509 --> 00:09:11,040

a stranger in freemasonry you know so um

235

00:09:15,509 --> 00:09:13,519

the idea is very simple but it was very

236

00:09:17,910 --> 00:09:15,519

difficult to organize that

237

00:09:20,470 --> 00:09:17,920

uh take months of discussion with the

238

00:09:23,030 --> 00:09:20,480

different lodge and to find the lodge

239

00:09:26,070 --> 00:09:23,040

and to find a good balance between all

240

00:09:28,150 --> 00:09:26,080

the continents all the countries so it

241

00:09:29,910 --> 00:09:28,160

was a long process

242

00:09:31,509 --> 00:09:29,920

and

243

00:09:33,150 --> 00:09:31,519

i had to wait

244

00:09:36,949 --> 00:09:33,160

uh

245

00:09:39,670 --> 00:09:36,959

2015 to start this movie because before

246

00:09:42,230 --> 00:09:39,680

that and i was not in good health enough

247

00:09:44,870 --> 00:09:42,240

to to do the all this travel

248

00:09:48,710 --> 00:09:44,880

and uh you know after for example three

249

00:09:50,630 --> 00:09:48,720

weeks of filming in usa of south america

250

00:09:54,710 --> 00:09:50,640

of africa and

251  
00:09:56,470 --> 00:09:54,720  
it was it's a very physical job so

252  
00:09:59,190 --> 00:09:56,480  
it was a

253  
00:10:05,350 --> 00:10:02,310  
process and very hard editing

254  
00:10:08,230 --> 00:10:05,360  
but i'm very happy of the result and

255  
00:10:12,710 --> 00:10:08,240  
very happy of all the feedback of the

256  
00:10:18,230 --> 00:10:16,230  
around the world now and every time

257  
00:10:21,670 --> 00:10:18,240  
especially the young generation

258  
00:10:25,350 --> 00:10:21,680  
especially our families especially uh

259  
00:10:27,030 --> 00:10:25,360  
our wives etc uh comes to me and said

260  
00:10:29,190 --> 00:10:27,040  
okay this is the first time that i

261  
00:10:32,630 --> 00:10:29,200  
really understand what my husband do you

262  
00:10:35,269 --> 00:10:32,640  
know uh what is freemasonry so um

263  
00:10:37,110 --> 00:10:35,279

this suspicion of freemasonry go down

264

00:10:39,670 --> 00:10:37,120

directly after the movie because we

265

00:10:42,790 --> 00:10:39,680

directly see that the all these guys

266

00:10:45,990 --> 00:10:42,800

around the world are absolutely hannibal

267

00:10:48,069 --> 00:10:46,000

to to make a complex you know

268

00:10:49,590 --> 00:10:48,079

they have no time and they're it's not

269

00:10:52,790 --> 00:10:49,600

that they they

270

00:10:54,949 --> 00:10:52,800

they have to deal with uh some lot some

271

00:10:57,430 --> 00:10:54,959

very it's a normal life for all the

272

00:11:00,870 --> 00:10:57,440

mason around the world and to see that

273

00:11:03,509 --> 00:11:00,880

it's just great so um this is it

274

00:11:04,870 --> 00:11:03,519

and what was the uh

275

00:11:07,030 --> 00:11:04,880

you're the i'm going to say that the

276  
00:11:10,150 --> 00:11:07,040  
main

277  
00:11:13,269 --> 00:11:10,160  
you wanted people to understand from

278  
00:11:14,710 --> 00:11:13,279  
actually seeing this film is it like

279  
00:11:17,430 --> 00:11:14,720  
is it more of just a you know these are

280  
00:11:20,069 --> 00:11:17,440  
regular individuals what was it a a

281  
00:11:22,389 --> 00:11:20,079  
pushback or at least a personal uh wish

282  
00:11:23,750 --> 00:11:22,399  
to push back against uh individuals who

283  
00:11:27,030 --> 00:11:23,760  
may look at the craft you know

284  
00:11:30,870 --> 00:11:27,040  
differently or in a negative light or is

285  
00:11:32,389 --> 00:11:30,880  
it more just a uh you know just a a

286  
00:11:35,350 --> 00:11:32,399  
general appreciation yeah general

287  
00:11:38,630 --> 00:11:35,360  
appreciation for the craft

288  
00:11:41,590 --> 00:11:38,640

my goal is to to you know i don't

289

00:11:43,910 --> 00:11:41,600

i we don't need me to make

290

00:11:45,990 --> 00:11:43,920

i'm not a journalist i'm a filmmaker so

291

00:11:46,790 --> 00:11:46,000

it's very different i have a vision you

292

00:11:49,509 --> 00:11:46,800

know

293

00:11:53,430 --> 00:11:49,519

i wanted to to to make some picture to

294

00:11:55,910 --> 00:11:53,440

show a vision of uh of uh this uh

295

00:11:58,150 --> 00:11:55,920

the subject the craft the freemasonry

296

00:11:59,990 --> 00:11:58,160

because i'm freemason also myself it's

297

00:12:01,990 --> 00:12:00,000

more easy but it's not because i'm

298

00:12:04,150 --> 00:12:02,000

freemason that i could make a good movie

299

00:12:05,430 --> 00:12:04,160

about freemasonry i'm first of all i'm a

300

00:12:07,829 --> 00:12:05,440

filmmaker

301

00:12:10,870 --> 00:12:07,839

but i had this vision and i wanted to

302

00:12:14,230 --> 00:12:10,880

link uh the beauty of the lands of the

303

00:12:17,190 --> 00:12:14,240

nation of the masonic heritage

304

00:12:18,710 --> 00:12:17,200

to meet very normal brothers because uh

305

00:12:20,870 --> 00:12:18,720

the pro one of the problem of

306

00:12:22,790 --> 00:12:20,880

remastering is that

307

00:12:24,550 --> 00:12:22,800

all the people who are speaking about

308

00:12:28,470 --> 00:12:24,560

freemasonry they are

309

00:12:30,150 --> 00:12:28,480

scientific historian or maybe in in 90

310

00:12:33,750 --> 00:12:30,160

person it's uh

311

00:12:35,430 --> 00:12:33,760

people who don't have uh

312

00:12:37,750 --> 00:12:35,440

want to write books you know about free

313

00:12:40,310 --> 00:12:37,760

mastery but they don't have the

314

00:12:42,310 --> 00:12:40,320

scientific education of the they are not

315

00:12:44,069 --> 00:12:42,320

uh historian really professional

316

00:12:46,949 --> 00:12:44,079

historian so they are speaking about

317

00:12:49,030 --> 00:12:46,959

free masonry but uh i think there is so

318

00:12:50,790 --> 00:12:49,040

many books about freemasonry you don't

319

00:12:52,790 --> 00:12:50,800

give is just blah blah you know they

320

00:12:54,310 --> 00:12:52,800

don't give you nothing about free mass

321

00:12:56,790 --> 00:12:54,320

and what is really freemaster and

322

00:12:59,030 --> 00:12:56,800

freemasonry is something very simple in

323

00:13:01,990 --> 00:12:59,040

fact so um

324

00:13:05,190 --> 00:13:02,000

i wanted to show that and to because

325

00:13:09,110 --> 00:13:05,200

when we go on internet of course

326

00:13:15,829 --> 00:13:11,190

anti-masonic movement who is very

327

00:13:18,870 --> 00:13:15,839

powerful today and i feel very sad

328

00:13:20,949 --> 00:13:18,880

about that and

329

00:13:23,509 --> 00:13:20,959

and i know a lot of

330

00:13:26,790 --> 00:13:23,519

good guys from the young generation who

331

00:13:27,990 --> 00:13:26,800

have suspicion against masonry and uh

332

00:13:30,790 --> 00:13:28,000

for me

333

00:13:32,949 --> 00:13:30,800

uh it's very difficult to to fight

334

00:13:36,069 --> 00:13:32,959

against myself alone you know to

335

00:13:39,910 --> 00:13:36,079

convince p uh uh uh uh i think for

336

00:13:40,870 --> 00:13:39,920

example and i had a young um

337

00:13:43,030 --> 00:13:40,880

friend

338

00:13:44,870 --> 00:13:43,040

and uh we had a long discussion about

339

00:13:48,069 --> 00:13:44,880

freemason it was impossible for me to

340

00:13:50,550 --> 00:13:48,079

convince him that freemasonry is not uh

341

00:13:54,389 --> 00:13:50,560

had nothing to do with the complete and

342

00:13:57,670 --> 00:13:54,399

illuminati etc and but after i i invite

343

00:13:59,670 --> 00:13:57,680

him to see the movie in a premiere and

344

00:14:01,430 --> 00:13:59,680

everything changed in his mind you know

345

00:14:04,069 --> 00:14:01,440

it's not a question that after that you

346

00:14:06,550 --> 00:14:04,079

want to come in freemason just that you

347

00:14:08,949 --> 00:14:06,560

see exactly what is freemasonry today so

348

00:14:10,150 --> 00:14:08,959

my goal is to show the reality of the

349

00:14:13,030 --> 00:14:10,160

freemason

350

00:14:15,030 --> 00:14:13,040

around the world is very simple in fact

351

00:14:16,629 --> 00:14:15,040

that we have uh that we're taking up way

352

00:14:20,470 --> 00:14:16,639

too much of our time learning lines to

353

00:14:24,310 --> 00:14:22,550

the the learning of of ritual has always

354

00:14:27,030 --> 00:14:24,320

been um something that i could be quite

355

00:14:29,670 --> 00:14:27,040

good at or absolutely be horrible at

356

00:14:31,829 --> 00:14:29,680

and you know i know some people who will

357

00:14:34,470 --> 00:14:31,839

do certain parts of degree work they

358

00:14:35,829 --> 00:14:34,480

they can spend hours and hours and hours

359

00:14:37,350 --> 00:14:35,839

uh learning it and they will still when

360

00:14:38,710 --> 00:14:37,360

they get up when they get up to to

361

00:14:40,790 --> 00:14:38,720

deliver their part

362

00:14:42,550 --> 00:14:40,800

they still can stumble over their lines

363

00:14:45,189 --> 00:14:42,560

it's you know it goes goes part and

364

00:14:47,990 --> 00:14:45,199

parcel with trying to constantly perfect

365

00:14:48,710 --> 00:14:48,000

ourselves as individuals and and uh you

366

00:14:50,150 --> 00:14:48,720

know

367

00:14:53,110 --> 00:14:50,160

improve ourselves whether it's from

368

00:14:54,069 --> 00:14:53,120

memory or just you know public speaking

369

00:14:57,829 --> 00:14:54,079

is this

370

00:14:59,990 --> 00:14:57,839

common uh commonly found throughout

371

00:15:01,670 --> 00:15:00,000

freemasonry worldwide

372

00:15:04,230 --> 00:15:01,680

and is that affected

373

00:15:06,310 --> 00:15:04,240

based on language have you found that

374

00:15:08,629 --> 00:15:06,320

certain individuals

375

00:15:11,350 --> 00:15:08,639

or certain brothers who are let's say in

376

00:15:13,269 --> 00:15:11,360

india and speaking urzu at their at

377

00:15:14,629 --> 00:15:13,279

their lodge do they have do they have

378

00:15:15,750 --> 00:15:14,639

did you hear that they have an easier

379

00:15:17,509 --> 00:15:15,760

time learning

380

00:15:21,430 --> 00:15:17,519

their ritual work than let's say

381

00:15:24,230 --> 00:15:21,720

um

382

00:15:27,910 --> 00:15:24,240

[Music]

383

00:15:31,110 --> 00:15:27,920

the the question of the rituals um

384

00:15:33,750 --> 00:15:31,120

it's uh a very difficult question in uh

385

00:15:35,670 --> 00:15:33,760

for this movie because this movie will

386

00:15:37,829 --> 00:15:35,680

be broadcast worldwide and everybody

387

00:15:39,430 --> 00:15:37,839

knows that it's impossible to film

388

00:15:43,189 --> 00:15:39,440

inside the lodge

389

00:15:46,069 --> 00:15:43,199

so um i respect that of course and you

390

00:15:49,350 --> 00:15:46,079

know it's exactly making a movie

391

00:15:50,629 --> 00:15:49,360

about wolfgang amadeus mozart without

392

00:15:52,790 --> 00:15:50,639

your music

393

00:15:55,749 --> 00:15:52,800

so the real treasure of freemasonry is

394

00:15:58,310 --> 00:15:55,759

the ritual and is the only treasure we

395

00:16:00,069 --> 00:15:58,320

have it's irritated from the past

396

00:16:01,749 --> 00:16:00,079

and there is thousands of different

397

00:16:03,189 --> 00:16:01,759

rituals in the world

398

00:16:06,310 --> 00:16:03,199

and

399

00:16:09,910 --> 00:16:06,320

everybody's uh keep this treasure very

400

00:16:14,150 --> 00:16:09,920

safely and the there is this this idea

401  
00:16:17,749 --> 00:16:16,150  
and the ritual is the center of the

402  
00:16:20,310 --> 00:16:17,759  
craft so

403  
00:16:22,550 --> 00:16:20,320  
but for me it was impossible to explain

404  
00:16:25,749 --> 00:16:22,560  
that in this movie and

405  
00:16:28,629 --> 00:16:25,759  
because it's very complex and maybe i

406  
00:16:29,370 --> 00:16:28,639  
will do that in another project

407  
00:16:31,670 --> 00:16:29,380  
but

408  
00:16:33,910 --> 00:16:31,680  
[Music]

409  
00:16:36,230 --> 00:16:33,920  
i think it's not the main question in in

410  
00:16:39,590 --> 00:16:36,240  
this project the most important question

411  
00:16:42,790 --> 00:16:39,600  
it is what is the you know when you are

412  
00:16:45,189 --> 00:16:42,800  
traveling uh you need to have a compass

413  
00:16:46,949 --> 00:16:45,199

you need to directly when you arrive in

414

00:16:49,269 --> 00:16:46,959

a country in a large uni you need to

415

00:16:52,230 --> 00:16:49,279

have to know where you are and what is

416

00:16:54,150 --> 00:16:52,240

uh the dna of this large what is the the

417

00:16:56,069 --> 00:16:54,160

spirit of the lodge what is this the

418

00:16:58,150 --> 00:16:56,079

spirit of this craft for example in

419

00:17:00,150 --> 00:16:58,160

scotland is very incredible in marvel

420

00:17:00,870 --> 00:17:00,160

lodge of scotland i love them so much

421

00:17:03,509 --> 00:17:00,880

and

422

00:17:05,350 --> 00:17:03,519

it's uh you have a very incredible

423

00:17:06,870 --> 00:17:05,360

spirit there in india is the same

424

00:17:08,789 --> 00:17:06,880

everywhere in the world is the same but

425

00:17:11,189 --> 00:17:08,799

it's different so you have to understand

426

00:17:13,829 --> 00:17:11,199

where you are and you are here just for

427

00:17:16,789 --> 00:17:13,839

one week two weeks so um

428

00:17:19,029 --> 00:17:16,799

after sometimes i i understood that the

429

00:17:20,630 --> 00:17:19,039

craft is based of seven

430

00:17:23,429 --> 00:17:20,640

main value

431

00:17:25,429 --> 00:17:23,439

you have of course faith hope charity

432

00:17:28,309 --> 00:17:25,439

you have of course liberty equality

433

00:17:30,870 --> 00:17:28,319

fraternity but you have also of course

434

00:17:33,110 --> 00:17:30,880

unity and the unity is very important

435

00:17:35,270 --> 00:17:33,120

you have the the unity of the brother

436

00:17:37,830 --> 00:17:35,280

brethren in the inside the large but

437

00:17:40,549 --> 00:17:37,840

also universality is the same word but

438

00:17:44,470 --> 00:17:40,559

uh it's more global so you have seven

439

00:17:46,310 --> 00:17:44,480

main value and if um you you and you

440

00:17:48,230 --> 00:17:46,320

have some masonry

441

00:17:50,230 --> 00:17:48,240

who are more connected for example with

442

00:17:52,789 --> 00:17:50,240

charity but you if you do too much

443

00:17:55,510 --> 00:17:52,799

charity you lose the the path of the

444

00:17:57,190 --> 00:17:55,520

craft you so all the time in madison is

445

00:17:59,190 --> 00:17:57,200

the question of balance and when you

446

00:18:00,950 --> 00:17:59,200

have a decrease of membership and when

447

00:18:02,070 --> 00:18:00,960

you have some problem inside the lodge

448

00:18:03,750 --> 00:18:02,080

it's because

449

00:18:07,430 --> 00:18:03,760

you you lose

450

00:18:10,150 --> 00:18:07,440

one of these seven value and uh

451  
00:18:13,750 --> 00:18:10,160  
it was my way my compass as a traveler

452  
00:18:15,350 --> 00:18:13,760  
you know and uh a mason uh mason

453  
00:18:16,230 --> 00:18:15,360  
traveler so uh

454  
00:18:18,789 --> 00:18:16,240  
um

455  
00:18:21,270 --> 00:18:18,799  
this is uh for me the most important

456  
00:18:23,909 --> 00:18:21,280  
thing is go back to the basis it's not

457  
00:18:25,830 --> 00:18:23,919  
be too intellectual you know and of

458  
00:18:27,990 --> 00:18:25,840  
course it's it's very interesting to see

459  
00:18:31,110 --> 00:18:28,000  
the problem of translation the problem

460  
00:18:33,110 --> 00:18:31,120  
of language which kind of ritual is is

461  
00:18:35,190 --> 00:18:33,120  
this ritual is very close to the

462  
00:18:37,510 --> 00:18:35,200  
tradition of not

463  
00:18:39,430 --> 00:18:37,520

uh i know that in usa there is some

464

00:18:41,350 --> 00:18:39,440

problem with some rituals who are not

465

00:18:43,750 --> 00:18:41,360

connected with the young generation is

466

00:18:44,870 --> 00:18:43,760

not the case in in the continental

467

00:18:47,830 --> 00:18:44,880

europa

468

00:18:49,590 --> 00:18:47,840

so uh of course the ritual had an impact

469

00:18:52,310 --> 00:18:49,600

of um

470

00:18:54,950 --> 00:18:52,320

the quality of the craft and all the

471

00:18:58,230 --> 00:18:54,960

time we are looking for the best rituals

472

00:18:58,240 --> 00:19:01,750

i think

473

00:19:07,590 --> 00:19:04,870

the ritual could be also a problem and

474

00:19:08,710 --> 00:19:07,600

especially for the young generation and

475

00:19:10,390 --> 00:19:08,720

uh

476

00:19:13,510 --> 00:19:10,400

there is a time

477

00:19:15,909 --> 00:19:13,520

in our life in our path uh

478

00:19:19,110 --> 00:19:15,919

for each age there is a time for a

479

00:19:20,549 --> 00:19:19,120

different evolution when you are below

480

00:19:22,630 --> 00:19:20,559

25

481

00:19:23,669 --> 00:19:22,640

uh you have different question when you

482

00:19:25,430 --> 00:19:23,679

have

483

00:19:28,070 --> 00:19:25,440

14 or 15

484

00:19:30,070 --> 00:19:28,080

years old and um

485

00:19:31,110 --> 00:19:30,080

when you visit the lodge now around the

486

00:19:33,990 --> 00:19:31,120

world is

487

00:19:34,870 --> 00:19:34,000

you see directly that there is a lot of

488

00:19:38,150 --> 00:19:34,880

white

489

00:19:41,270 --> 00:19:38,160

hairs in the large the average age is

490

00:19:42,549 --> 00:19:41,280

very high so uh as a young mix and it's

491

00:19:45,350 --> 00:19:42,559

a problem

492

00:19:48,310 --> 00:19:45,360

why uh we are not connected with the

493

00:19:51,590 --> 00:19:48,320

young generation and the answer is very

494

00:19:53,830 --> 00:19:51,600

simple is because we don't organize

495

00:19:56,390 --> 00:19:53,840

the possibility to have exchange with

496

00:19:58,390 --> 00:19:56,400

the young generation if we are meeting

497

00:20:00,789 --> 00:19:58,400

young generation directly there is a

498

00:20:03,669 --> 00:20:00,799

connection so the

499

00:20:05,270 --> 00:20:03,679

the main we i think we have to focus of

500

00:20:08,150 --> 00:20:05,280

organizing

501  
00:20:10,390 --> 00:20:08,160  
moment in a good place to have this this

502  
00:20:12,230 --> 00:20:10,400  
possibility to meet the young generation

503  
00:20:14,789 --> 00:20:12,240  
and to have exchange about the craft

504  
00:20:15,830 --> 00:20:14,799  
because it's very useful for a young

505  
00:20:16,950 --> 00:20:15,840  
mason

506  
00:20:18,870 --> 00:20:16,960  
uh the

507  
00:20:20,789 --> 00:20:18,880  
what we learn as a young mason is very

508  
00:20:21,510 --> 00:20:20,799  
useful in the life you know

509  
00:20:28,390 --> 00:20:21,520  
and

510  
00:20:32,950 --> 00:20:30,950  
men are waiting uh

511  
00:20:35,430 --> 00:20:32,960  
when they are

512  
00:20:39,029 --> 00:20:35,440  
finishing their working life you know

513  
00:20:40,710 --> 00:20:39,039

around 16 60 years old and entering in

514

00:20:43,350 --> 00:20:40,720

the craft because they are they have

515

00:20:44,549 --> 00:20:43,360

more free time now so

516

00:20:46,870 --> 00:20:44,559

um

517

00:20:49,669 --> 00:20:46,880

in the past in the 18th century all the

518

00:20:50,710 --> 00:20:49,679

great mason entered in the large very

519

00:20:53,110 --> 00:20:50,720

young

520

00:20:55,510 --> 00:20:53,120

and they were very active in the world

521

00:20:59,510 --> 00:20:55,520

in every kind of field artistic

522

00:21:02,390 --> 00:20:59,520

political economical any kind of field

523

00:21:05,110 --> 00:21:02,400

and freemasonry was very attractive it

524

00:21:07,669 --> 00:21:05,120

was the golden age of freemasonry

525

00:21:10,310 --> 00:21:07,679

and maybe we have the possibility in the

526

00:21:12,630 --> 00:21:10,320

20 21 century to enter in this new

527

00:21:14,870 --> 00:21:12,640

golden age it's just a question of

528

00:21:16,870 --> 00:21:14,880

choice and organized possibility to make

529

00:21:19,110 --> 00:21:16,880

the young generation i think that now

530

00:21:21,590 --> 00:21:19,120

the large all the brand larger of the

531

00:21:22,630 --> 00:21:21,600

world have this difficulty to

532

00:21:33,510 --> 00:21:22,640

to

533

00:21:35,990 --> 00:21:33,520

saying that we have big secret it's not

534

00:21:38,789 --> 00:21:36,000

the case the lodge are in the center of

535

00:21:41,270 --> 00:21:38,799

the city open to the community we are

536

00:21:43,510 --> 00:21:41,280

making community service we are we are

537

00:21:45,909 --> 00:21:43,520

open to the world and it was what i

538

00:21:47,750 --> 00:21:45,919

wanted to show you know and that that's

539

00:21:49,110 --> 00:21:47,760

kind of that's very correct and i agree

540

00:21:50,870 --> 00:21:49,120

with that statement

541

00:21:51,990 --> 00:21:50,880

the interesting thing i always used to

542

00:21:53,430 --> 00:21:52,000

say to my friends when they said oh

543

00:21:55,190 --> 00:21:53,440

you're joining that secret society i'm

544

00:21:57,029 --> 00:21:55,200

like well it's not really a secret

545

00:21:58,390 --> 00:21:57,039

society because we have a giant building

546

00:22:00,149 --> 00:21:58,400

with a neon sign

547

00:22:01,350 --> 00:22:00,159

you know on the main like on this main

548

00:22:02,070 --> 00:22:01,360

road

549

00:22:05,190 --> 00:22:02,080

so

550

00:22:07,430 --> 00:22:05,200

the idea of the um you know the secrets

551  
00:22:08,870 --> 00:22:07,440  
as part of something that

552  
00:22:09,909 --> 00:22:08,880  
you know helps to prove that somebody

553  
00:22:11,750 --> 00:22:09,919  
can keep their word and that they're

554  
00:22:13,590 --> 00:22:11,760  
reliable

555  
00:22:15,190 --> 00:22:13,600  
you know in addition to being symbolic

556  
00:22:16,630 --> 00:22:15,200  
of of um

557  
00:22:19,350 --> 00:22:16,640  
you know somebody having the knowledge

558  
00:22:21,029 --> 00:22:19,360  
to work in certain parts of the uh

559  
00:22:22,549 --> 00:22:21,039  
certain parts of the world or i should

560  
00:22:24,549 --> 00:22:22,559  
say certain parts of

561  
00:22:27,510 --> 00:22:24,559  
work sites

562  
00:22:29,270 --> 00:22:27,520  
but but the question of the secret uh we

563  
00:22:32,149 --> 00:22:29,280

don't i really understand what is the

564

00:22:34,470 --> 00:22:32,159

secret and we we have to to be very

565

00:22:36,549 --> 00:22:34,480

clear about this this question

566

00:22:39,270 --> 00:22:36,559

uh there is two aspects of the secret

567

00:22:41,510 --> 00:22:39,280

one aspect is the privacy if you have

568

00:22:43,830 --> 00:22:41,520

friend in your house and you

569

00:22:47,190 --> 00:22:43,840

your best friend and if you organize a

570

00:22:49,669 --> 00:22:47,200

meeting a private meeting in your house

571

00:22:51,430 --> 00:22:49,679

you don't want that everybody knows

572

00:22:53,909 --> 00:22:51,440

we'll know the

573

00:22:55,430 --> 00:22:53,919

next week what was the discussion

574

00:22:57,669 --> 00:22:55,440

you had with your friend this is the

575

00:23:00,710 --> 00:22:57,679

name of privacy and this is in our

576

00:23:03,270 --> 00:23:00,720

constitution in our democratic society

577

00:23:05,190 --> 00:23:03,280

the privacy is very important for a

578

00:23:07,510 --> 00:23:05,200

democratic country this is the first

579

00:23:10,470 --> 00:23:07,520

aspect the second aspect is that the

580

00:23:14,950 --> 00:23:10,480

secret is coming from the history of

581

00:23:16,630 --> 00:23:14,960

freemasonry and one on one on the roof

582

00:23:19,909 --> 00:23:16,640

there is two roof

583

00:23:22,710 --> 00:23:19,919

there is a lot of explanation but one

584

00:23:25,830 --> 00:23:22,720

very important roof of freemasonry is

585

00:23:29,190 --> 00:23:25,840

the royal society who was created in

586

00:23:31,190 --> 00:23:29,200

1614 london it was the first scientific

587

00:23:34,230 --> 00:23:31,200

institution of the world

588

00:23:35,750 --> 00:23:34,240

and the royal society in london

589

00:23:38,710 --> 00:23:35,760

was

590

00:23:40,630 --> 00:23:38,720

uh created by a gentleman mason because

591

00:23:42,070 --> 00:23:40,640

freemasonry didn't exist at this time

592

00:23:45,029 --> 00:23:42,080

the modern freemasonry it was a

593

00:23:47,350 --> 00:23:45,039

gentleman mason uh robert morre is very

594

00:23:50,549 --> 00:23:47,360

famous i love him so much these guys and

595

00:23:53,190 --> 00:23:50,559

uh um when you know a little bit about

596

00:23:55,590 --> 00:23:53,200

how science is working you understand

597

00:23:58,390 --> 00:23:55,600

directly the meaning of the secret and i

598

00:24:01,990 --> 00:23:58,400

gave you an explanation if you today if

599

00:24:04,230 --> 00:24:02,000

you are visiting um the most important

600

00:24:06,230 --> 00:24:04,240

scientific meeting around the world ex

601  
00:24:07,350 --> 00:24:06,240  
for example about the research against

602  
00:24:08,950 --> 00:24:07,360  
concert

603  
00:24:11,430 --> 00:24:08,960  
uh you have

604  
00:24:13,909 --> 00:24:11,440  
each three months six months the best

605  
00:24:14,950 --> 00:24:13,919  
scientific of the world who have secret

606  
00:24:17,669 --> 00:24:14,960  
meeting

607  
00:24:19,590 --> 00:24:17,679  
so um there there is not a secret

608  
00:24:22,310 --> 00:24:19,600  
meeting everybody knows that there is a

609  
00:24:23,830 --> 00:24:22,320  
very big um uh meeting for a

610  
00:24:27,110 --> 00:24:23,840  
lot of uh

611  
00:24:29,830 --> 00:24:27,120  
different uh important city but uh

612  
00:24:31,669 --> 00:24:29,840  
when the the meetings start you have the

613  
00:24:34,549 --> 00:24:31,679

best scientific for example about

614

00:24:37,110 --> 00:24:34,559

melanoma of breast cancer i don't know

615

00:24:38,630 --> 00:24:37,120

and you have 16 person around the table

616

00:24:41,110 --> 00:24:38,640

and they start the discussion but they

617

00:24:44,230 --> 00:24:41,120

close the door why because the nobel

618

00:24:46,390 --> 00:24:44,240

prize is in question you know so science

619

00:24:47,909 --> 00:24:46,400

when you exchange information

620

00:24:50,149 --> 00:24:47,919

it's very important to exchange

621

00:24:52,310 --> 00:24:50,159

information to be a better scientific to

622

00:24:54,390 --> 00:24:52,320

be sure that you research as a

623

00:24:55,510 --> 00:24:54,400

scientific will be

624

00:25:11,269 --> 00:24:55,520

the

625

00:25:14,390 --> 00:25:11,279

just

626  
00:25:16,390 --> 00:25:14,400  
to have the best quality of discussion

627  
00:25:18,149 --> 00:25:16,400  
if you know that the the

628  
00:25:20,390 --> 00:25:18,159  
doors are open

629  
00:25:22,789 --> 00:25:20,400  
you will not have the same quality of

630  
00:25:25,430 --> 00:25:22,799  
discussion if the doors are closed you

631  
00:25:28,390 --> 00:25:25,440  
will be very frank and

632  
00:25:30,950 --> 00:25:28,400  
you you will have trust

633  
00:25:34,070 --> 00:25:30,960  
you could do you could say mistake for

634  
00:25:35,669 --> 00:25:34,080  
example and another brother could

635  
00:25:38,470 --> 00:25:35,679  
explain his point of view and change

636  
00:25:40,549 --> 00:25:38,480  
your mind etc etc so this process of

637  
00:25:42,950 --> 00:25:40,559  
evolution by the quality of the

638  
00:25:45,110 --> 00:25:42,960

discussion and by the the simple fact

639

00:25:47,029 --> 00:25:45,120

that we close the door and we know that

640

00:25:49,350 --> 00:25:47,039

uh monday morning it will not be in the

641

00:25:52,390 --> 00:25:49,360

newspaper so this is the only

642

00:25:54,070 --> 00:25:52,400

explanation of the secret and uh of

643

00:25:56,230 --> 00:25:54,080

course there is another explanation it

644

00:25:57,110 --> 00:25:56,240

was the craft in the middle age it was

645

00:25:59,110 --> 00:25:57,120

uh

646

00:26:01,750 --> 00:25:59,120

the only way that the workers the

647

00:26:04,390 --> 00:26:01,760

builders have had to

648

00:26:06,950 --> 00:26:04,400

protect the work you know protect the

649

00:26:09,510 --> 00:26:06,960

the simple fact that they have to to

650

00:26:12,549 --> 00:26:09,520

to to have a work so they have a secret

651  
00:26:16,549 --> 00:26:12,559  
words to to to to be sure that they were

652  
00:26:18,630 --> 00:26:16,559  
uh operative mission but uh we are it's

653  
00:26:21,590 --> 00:26:18,640  
not for me the secret is more the

654  
00:26:23,990 --> 00:26:21,600  
quality of the relation and uh

655  
00:26:26,630 --> 00:26:24,000  
we discovered that as when we enter in

656  
00:26:27,990 --> 00:26:26,640  
the lodge that uh

657  
00:26:30,310 --> 00:26:28,000  
it's

658  
00:26:32,230 --> 00:26:30,320  
directly after two minutes when you are

659  
00:26:34,310 --> 00:26:32,240  
traveling for example you have directly

660  
00:26:36,830 --> 00:26:34,320  
this quality of relation

661  
00:26:43,110 --> 00:26:36,840  
um

662  
00:26:46,710 --> 00:26:43,120  
and directly you are connected to the

663  
00:26:49,430 --> 00:26:46,720

mankind to do to the human and uh the

664

00:26:52,630 --> 00:26:49,440

feelings and you ha directly we go very

665

00:26:55,190 --> 00:26:52,640

deep in the in the discussion and uh

666

00:26:58,470 --> 00:26:55,200

this is something wonderful to to live

667

00:27:00,310 --> 00:26:58,480

it's a wonderful experience and um this

668

00:27:03,029 --> 00:27:00,320

is the secret

669

00:27:05,669 --> 00:27:03,039

this is one of my explanation and with

670

00:27:08,549 --> 00:27:05,679

regards to parts of parts of europe you

671

00:27:10,710 --> 00:27:08,559

being a european native yourself and in

672

00:27:13,029 --> 00:27:10,720

the film and not to spoil anything for

673

00:27:15,029 --> 00:27:13,039

those listening at home uh there are

674

00:27:17,350 --> 00:27:15,039

certain parts of the world europe that

675

00:27:19,590 --> 00:27:17,360

you visit where there has been um you

676  
00:27:20,549 --> 00:27:19,600  
know throughout recent history in the

677  
00:27:23,590 --> 00:27:20,559  
last

678  
00:27:26,870 --> 00:27:23,600  
uh 100 years let's say for instance a

679  
00:27:27,669 --> 00:27:26,880  
very strong persecution of freemasons

680  
00:27:29,909 --> 00:27:27,679  
and

681  
00:27:32,390 --> 00:27:29,919  
what what is your opinion or what is

682  
00:27:33,750 --> 00:27:32,400  
your what did you take away from seeing

683  
00:27:35,750 --> 00:27:33,760  
that you know in places where

684  
00:27:38,630 --> 00:27:35,760  
freemasonry was very heavily persecuted

685  
00:27:41,669 --> 00:27:38,640  
that it started to come back

686  
00:27:45,350 --> 00:27:41,679  
it's wonderful to leave that because um

687  
00:27:47,590 --> 00:27:45,360  
we have to do our best to to to because

688  
00:27:49,350 --> 00:27:47,600

we are living in the global world today

689

00:27:53,669 --> 00:27:49,360

and it's very interesting for for

690

00:27:56,870 --> 00:27:53,679

example canadian us uk freemason to know

691

00:27:59,350 --> 00:27:56,880

that in middle europa there is a reborn

692

00:28:02,870 --> 00:27:59,360

of free mass and we in new democratic

693

00:28:05,430 --> 00:28:02,880

country just since 15 years of 20 years

694

00:28:08,549 --> 00:28:05,440

and this young mason have

695

00:28:11,110 --> 00:28:08,559

so much incredible speech about freedom

696

00:28:14,149 --> 00:28:11,120

about liberty what is to be free to be

697

00:28:16,870 --> 00:28:14,159

to leave liberty so in our whole

698

00:28:19,110 --> 00:28:16,880

democracy maybe we forget that

699

00:28:23,029 --> 00:28:19,120

and we forget that

700

00:28:27,110 --> 00:28:23,039

freemasonry is also a way to build a

701  
00:28:28,830 --> 00:28:27,120  
free nation uh without borders and uh

702  
00:28:31,909 --> 00:28:28,840  
um

703  
00:28:35,110 --> 00:28:31,919  
and i think that freemason is very is

704  
00:28:37,350 --> 00:28:35,120  
more strong is more powerful more strong

705  
00:28:38,149 --> 00:28:37,360  
in the in this new ground lodge with

706  
00:28:41,990 --> 00:28:38,159  
just

707  
00:28:45,110 --> 00:28:42,000  
300 members for one nation but uh you

708  
00:28:46,710 --> 00:28:45,120  
feel that the you you you have this

709  
00:28:47,750 --> 00:28:46,720  
strong feeling that they are leaving

710  
00:28:48,549 --> 00:28:47,760  
something

711  
00:28:56,549 --> 00:28:48,559  
uh

712  
00:28:58,549 --> 00:28:56,559  
choice because you need

713  
00:29:00,310 --> 00:28:58,559

courage to to do that

714

00:29:01,830 --> 00:29:00,320

so um

715

00:29:04,470 --> 00:29:01,840

for me it was

716

00:29:06,950 --> 00:29:04,480

and especially in the in middle europa

717

00:29:09,190 --> 00:29:06,960

you have so great culture as ukraine

718

00:29:13,590 --> 00:29:09,200

poland and um

719

00:29:15,510 --> 00:29:13,600

and georgia and so this all this great

720

00:29:18,230 --> 00:29:15,520

nationwide

721

00:29:20,549 --> 00:29:18,240

struggling now there is a war now just

722

00:29:24,789 --> 00:29:20,559

now we are speaking now and you have war

723

00:29:27,510 --> 00:29:24,799

in the with uh uh not directly russia

724

00:29:30,470 --> 00:29:27,520

but the whole world is here is still

725

00:29:32,710 --> 00:29:30,480

here and maybe maybe we will

726

00:29:33,990 --> 00:29:32,720

we will i hope not but maybe we will

727

00:29:36,789 --> 00:29:34,000

live in the

728

00:29:39,510 --> 00:29:36,799

next 10 years or 20 years uh

729

00:29:41,830 --> 00:29:39,520

new words in this part of the world so i

730

00:29:43,830 --> 00:29:41,840

don't hope that but the people who are

731

00:29:46,549 --> 00:29:43,840

living and the river brothers who are

732

00:29:48,310 --> 00:29:46,559

living there know that it's a dangerous

733

00:29:50,710 --> 00:29:48,320

situation so

734

00:29:53,029 --> 00:29:50,720

have the possibility to to meet a

735

00:29:55,110 --> 00:29:53,039

brother and maybe trying just not to

736

00:29:56,950 --> 00:29:55,120

help them but to beco they need

737

00:30:00,310 --> 00:29:56,960

connection with with

738

00:30:03,190 --> 00:30:00,320

the world because they choose to be

739

00:30:05,909 --> 00:30:03,200

a part of the free world and this is

740

00:30:07,990 --> 00:30:05,919

very important because i'm a democratic

741

00:30:10,470 --> 00:30:08,000

guys and uh

742

00:30:13,350 --> 00:30:10,480

i want to live in democratic world so i

743

00:30:16,630 --> 00:30:13,360

i'm i'm very connected with them and

744

00:30:20,070 --> 00:30:16,640

very happy to to know to to to have the

745

00:30:22,870 --> 00:30:20,080

privilege to be received there and uh

746

00:30:23,990 --> 00:30:22,880

and uh to share with them the same value

747

00:30:25,990 --> 00:30:24,000

and uh

748

00:30:27,830 --> 00:30:26,000

it's you know it's not just

749

00:30:29,830 --> 00:30:27,840

this movie tehran syndicate is a

750

00:30:32,470 --> 00:30:29,840

beautiful movie with beautiful picture

751  
00:30:33,430 --> 00:30:32,480  
but what is beauty beauty

752  
00:30:34,310 --> 00:30:33,440  
is

753  
00:30:35,909 --> 00:30:34,320  
uh

754  
00:30:38,149 --> 00:30:35,919  
not just

755  
00:30:41,190 --> 00:30:38,159  
a question of aesthetic it's also a

756  
00:30:43,190 --> 00:30:41,200  
political question the beauty

757  
00:30:45,909 --> 00:30:43,200  
when you have beautiful painting

758  
00:30:46,789 --> 00:30:45,919  
beautiful music is because people are

759  
00:30:49,350 --> 00:30:46,799  
free

760  
00:30:50,630 --> 00:30:49,360  
and you see that in

761  
00:30:52,310 --> 00:30:50,640  
some

762  
00:30:55,110 --> 00:30:52,320  
dictatorial uh

763  
00:30:57,909 --> 00:30:55,120

country that uh the beauty don't exist

764

00:31:01,110 --> 00:30:57,919

you don't you have a very bad music and

765

00:31:04,880 --> 00:31:01,120

uh very bad hearts and etc so beauty is

766

00:31:07,029 --> 00:31:04,890

a part of the free world also so

767

00:31:10,070 --> 00:31:07,039

[Music]

768

00:31:11,830 --> 00:31:10,080

this is why i make a lot of effort to

769

00:31:13,750 --> 00:31:11,840

have beautiful picture and to make the

770

00:31:16,230 --> 00:31:13,760

connection with the countries and trying

771

00:31:18,070 --> 00:31:16,240

to show that the beauty is the the

772

00:31:20,230 --> 00:31:18,080

beautiful landscape the beautiful

773

00:31:22,310 --> 00:31:20,240

picture of the country is very important

774

00:31:25,590 --> 00:31:22,320

and the marvel language is also

775

00:31:28,230 --> 00:31:25,600

important and all all of that is a part

776  
00:31:31,110 --> 00:31:28,240  
of the beauty of the world beauty of and

777  
00:31:33,590 --> 00:31:31,120  
it's very inspiring to to

778  
00:31:53,509 --> 00:31:33,600  
to

779  
00:31:56,470 --> 00:31:53,519  
desert in the sarah and just say wow

780  
00:31:58,549 --> 00:31:56,480  
what a beautiful world and i think this

781  
00:32:03,269 --> 00:31:58,559  
is the part of the craft is the ability

782  
00:32:07,190 --> 00:32:04,950  
i think you did a pretty amazing job

783  
00:32:08,310 --> 00:32:07,200  
with the film sort of showing just how

784  
00:32:10,230 --> 00:32:08,320  
approachable

785  
00:32:12,870 --> 00:32:10,240  
some of those lodges can be i would

786  
00:32:14,710 --> 00:32:12,880  
think that the youth today

787  
00:32:16,470 --> 00:32:14,720  
the hierarchical structure of it was

788  
00:32:18,710 --> 00:32:16,480

probably what's more intimidating for a

789

00:32:20,549 --> 00:32:18,720

lot of the younger people today but then

790

00:32:22,710 --> 00:32:20,559

a lot of the younger people today

791

00:32:24,470 --> 00:32:22,720

are less likely to reach out to

792

00:32:25,830 --> 00:32:24,480

community defined

793

00:32:27,269 --> 00:32:25,840

mentors

794

00:32:28,789 --> 00:32:27,279

they're more likely to try to go to the

795

00:32:31,430 --> 00:32:28,799

internet or something like that or you

796

00:32:33,590 --> 00:32:31,440

know men of old or the older generation

797

00:32:35,350 --> 00:32:33,600

they didn't have that available to them

798

00:32:36,789 --> 00:32:35,360

they're more likely to get out there in

799

00:32:37,590 --> 00:32:36,799

their community and they're more likely

800

00:32:42,230 --> 00:32:37,600

to

801  
00:32:44,230 --> 00:32:42,240  
each other i think that's yeah part of

802  
00:32:46,470 --> 00:32:44,240  
the cultural shift and why it's why

803  
00:32:47,669 --> 00:32:46,480  
there's so many gray hairs

804  
00:32:51,269 --> 00:32:47,679  
it's it

805  
00:32:53,430 --> 00:32:51,279  
somewhat of a generation gap where

806  
00:32:55,669 --> 00:32:53,440  
uh you know people's grandfathers were

807  
00:32:57,590 --> 00:32:55,679  
freemasons and it's their grandsons that

808  
00:32:59,350 --> 00:32:57,600  
are now becoming freemasons

809  
00:33:00,549 --> 00:32:59,360  
and sometimes people who have lived

810  
00:33:01,909 --> 00:33:00,559  
through different things can see the

811  
00:33:04,230 --> 00:33:01,919  
world differently

812  
00:33:06,230 --> 00:33:04,240  
so i'm you know

813  
00:33:08,870 --> 00:33:06,240

how do you see freemasonry

814

00:33:11,029 --> 00:33:08,880

evolving uh with the old generation and

815

00:33:13,590 --> 00:33:11,039

the new generation combining

816

00:33:16,070 --> 00:33:13,600

and you know what kind of challenges are

817

00:33:17,830 --> 00:33:16,080

are you seeing uh with during this

818

00:33:19,190 --> 00:33:17,840

evolution

819

00:33:21,110 --> 00:33:19,200

yeah i think that

820

00:33:23,190 --> 00:33:21,120

it's very important in a lot to have a

821

00:33:25,830 --> 00:33:23,200

good mix and good balance between the

822

00:33:28,389 --> 00:33:25,840

different generations so um

823

00:33:30,789 --> 00:33:28,399

uh when i was 20 years ago a young mason

824

00:33:32,070 --> 00:33:30,799

i was very happy to to have a whole mess

825

00:33:33,110 --> 00:33:32,080

and to to

826  
00:33:40,630 --> 00:33:33,120  
to

827  
00:33:42,870 --> 00:33:40,640  
have you are when you are young

828  
00:33:45,190 --> 00:33:42,880  
you just have to open you you

829  
00:33:47,350 --> 00:33:45,200  
your eyes you and listening to what

830  
00:33:49,669 --> 00:33:47,360  
people have to do so you you keep the

831  
00:33:51,669 --> 00:33:49,679  
silence and you are listening so this is

832  
00:33:54,630 --> 00:33:51,679  
the way to learn is to listening when

833  
00:33:57,029 --> 00:33:54,640  
you are young but

834  
00:33:59,350 --> 00:33:57,039  
we are entering in the in a very new

835  
00:34:00,789 --> 00:33:59,360  
world and the young generation is very

836  
00:34:03,110 --> 00:34:00,799  
different now

837  
00:34:04,630 --> 00:34:03,120  
they are connected they see global and

838  
00:34:07,509 --> 00:34:04,640

they want to travel

839

00:34:11,909 --> 00:34:07,519

so what i say to the young generation is

840

00:34:14,470 --> 00:34:11,919

uh beer mason is uh is exactly that you

841

00:34:16,950 --> 00:34:14,480

are thinking global you are connected

842

00:34:19,510 --> 00:34:16,960

and this is the case since three century

843

00:34:22,310 --> 00:34:19,520

because uh the beginning of the you know

844

00:34:25,589 --> 00:34:22,320

today we are we are living in a very

845

00:34:27,430 --> 00:34:25,599

anxious world a lot of anxiety a lot of

846

00:34:30,710 --> 00:34:27,440

fear about the future

847

00:34:32,950 --> 00:34:30,720

and um because of this globalization but

848

00:34:34,550 --> 00:34:32,960

the globalization is not a new new

849

00:34:37,990 --> 00:34:34,560

things

850

00:34:40,470 --> 00:34:38,000

it's happening since uh

851  
00:34:43,349 --> 00:34:40,480  
the beginning of the navy the discovery

852  
00:34:45,750 --> 00:34:43,359  
the beginning of the big empires like

853  
00:34:47,510 --> 00:34:45,760  
the commonwealth it was a globalized

854  
00:34:49,109 --> 00:34:47,520  
world and uh

855  
00:34:51,829 --> 00:34:49,119  
and if you know a little bit about

856  
00:34:53,909 --> 00:34:51,839  
history you see you know that there is

857  
00:34:56,629 --> 00:34:53,919  
there were a lot of exchange between all

858  
00:34:59,190 --> 00:34:56,639  
the civilization during babylon and

859  
00:35:01,750 --> 00:34:59,200  
during the beginning of the humanity

860  
00:35:04,310 --> 00:35:01,760  
so we are living in a globalized world

861  
00:35:06,550 --> 00:35:04,320  
but the new generation wanted to be a

862  
00:35:08,710 --> 00:35:06,560  
part of that and they want to travel and

863  
00:35:10,230 --> 00:35:08,720

they want to meet people and they're

864

00:35:13,670 --> 00:35:10,240

very open

865

00:35:17,030 --> 00:35:14,870

they have this

866

00:35:19,510 --> 00:35:17,040

this feeling that of

867

00:35:22,630 --> 00:35:19,520

lonely loneliness and

868

00:35:23,589 --> 00:35:22,640

because of the computers etc everybody

869

00:35:25,670 --> 00:35:23,599

is uh

870

00:35:27,670 --> 00:35:25,680

finally

871

00:35:31,670 --> 00:35:27,680

people are very separate and it's very

872

00:35:35,030 --> 00:35:31,680

difficult to meet people so

873

00:35:36,870 --> 00:35:35,040

as a social club freemasonry is a

874

00:35:38,950 --> 00:35:36,880

wonderful opportunity for the young

875

00:35:41,670 --> 00:35:38,960

generation first of all to

876

00:35:45,270 --> 00:35:41,680

to have new tools to be a better man to

877

00:35:48,069 --> 00:35:45,280

to to separate the the truth from

878

00:35:50,550 --> 00:35:48,079

from the the fake to have to to to to

879

00:35:53,829 --> 00:35:50,560

try to to

880

00:35:56,230 --> 00:35:53,839

to think a little bit about um to to to

881

00:35:58,069 --> 00:35:56,240

go directly to the to the basic value

882

00:35:59,829 --> 00:35:58,079

the most important value to be a good

883

00:36:01,910 --> 00:35:59,839

man this is the first part and the same

884

00:36:04,950 --> 00:36:01,920

time to travel to be connected and to

885

00:36:07,270 --> 00:36:04,960

know that you if you have to go to work

886

00:36:09,510 --> 00:36:07,280

and this is why in in india there is a

887

00:36:11,829 --> 00:36:09,520

very big increase of membership because

888

00:36:13,910 --> 00:36:11,839

the young generation is educated and

889

00:36:16,390 --> 00:36:13,920

they want to travel and they want to

890

00:36:18,150 --> 00:36:16,400

learn so freemasonry is absolutely

891

00:36:20,230 --> 00:36:18,160

perfect for them and they understand

892

00:36:22,150 --> 00:36:20,240

that it's an opportunity

893

00:36:23,990 --> 00:36:22,160

so

894

00:36:26,069 --> 00:36:24,000

maybe we have to speak a little bit

895

00:36:28,790 --> 00:36:26,079

about brotherhood what is brotherhood

896

00:36:31,030 --> 00:36:28,800

brotherhood eve opened the door of a

897

00:36:34,069 --> 00:36:31,040

brother with a traveler

898

00:36:35,990 --> 00:36:34,079

and uh if you a brother have a of a you

899

00:36:37,510 --> 00:36:36,000

lodge have a problem you will be there

900

00:36:40,310 --> 00:36:37,520

maybe at 3 00

901  
00:36:42,230 --> 00:36:40,320  
a.m in the morning if you have the crash

902  
00:36:44,390 --> 00:36:42,240  
with this car i don't know you you will

903  
00:36:46,790 --> 00:36:44,400  
be here to help him so this is the

904  
00:36:47,750 --> 00:36:46,800  
definition of brotherhood is just help

905  
00:36:49,030 --> 00:36:47,760  
uh

906  
00:36:50,630 --> 00:36:49,040  
your brother

907  
00:36:53,270 --> 00:36:50,640  
so uh

908  
00:36:55,190 --> 00:36:53,280  
i think we have to to be very proud of

909  
00:36:56,470 --> 00:36:55,200  
that and don't

910  
00:36:59,109 --> 00:36:56,480  
say that

911  
00:37:01,270 --> 00:36:59,119  
because you know the non-masons think

912  
00:37:04,069 --> 00:37:01,280  
that brotherhood is to have privilege

913  
00:37:07,030 --> 00:37:04,079

it's not the case it's just a very basic

914

00:37:09,430 --> 00:37:07,040

value of humanity help the others is

915

00:37:11,829 --> 00:37:09,440

very important we have hazard has a

916

00:37:15,030 --> 00:37:11,839

mission i have medicine of course but i

917

00:37:16,950 --> 00:37:15,040

help non-medicine of in the same times

918

00:37:19,589 --> 00:37:16,960

i'm not focused about just the missing

919

00:37:20,550 --> 00:37:19,599

but if a medicine need something i will

920

00:37:23,349 --> 00:37:20,560

be here

921

00:37:26,470 --> 00:37:23,359

so a brotherhood is a basic value very

922

00:37:29,510 --> 00:37:26,480

important value in life and in our very

923

00:37:33,430 --> 00:37:29,520

selfish society especially in the us

924

00:37:35,030 --> 00:37:33,440

uh focus uh about uh material world and

925

00:37:38,950 --> 00:37:35,040

about money

926

00:37:42,870 --> 00:37:38,960

this value are very important so

927

00:37:46,390 --> 00:37:42,880

this young generation we need to make a

928

00:37:47,190 --> 00:37:46,400

contact and to to build a trust

929

00:37:48,310 --> 00:37:47,200

and

930

00:37:52,870 --> 00:37:48,320

to

931

00:37:56,550 --> 00:37:52,880

it's very useful and for a very

932

00:37:59,109 --> 00:37:56,560

intelligent young guys who finish his uh

933

00:38:01,990 --> 00:37:59,119

high degree in university uh they

934

00:38:04,230 --> 00:38:02,000

understand very quickly that

935

00:38:06,150 --> 00:38:04,240

it's an opportunity so i know that there

936

00:38:08,470 --> 00:38:06,160

is a big problem

937

00:38:10,870 --> 00:38:08,480

in the western world uh

938

00:38:14,150 --> 00:38:10,880

um

939

00:38:16,069 --> 00:38:14,160

with a decrease of membership and uh

940

00:38:17,829 --> 00:38:16,079

but it's also a problem of culture

941

00:38:20,069 --> 00:38:17,839

because to be a mission you have to be

942

00:38:22,310 --> 00:38:20,079

very curious about different culture

943

00:38:24,870 --> 00:38:22,320

about the heritage about the history

944

00:38:27,750 --> 00:38:24,880

about some different knowledge so if you

945

00:38:30,950 --> 00:38:27,760

have a at one moment as a

946

00:38:33,750 --> 00:38:30,960

big nation who facing the problem of

947

00:38:36,069 --> 00:38:33,760

culture and problem of education it's

948

00:38:38,390 --> 00:38:36,079

normal that after two three generations

949

00:38:40,230 --> 00:38:38,400

you have guys who are a little bit idiot

950

00:38:41,990 --> 00:38:40,240

so um

951  
00:38:45,190 --> 00:38:42,000  
education uh

952  
00:38:47,670 --> 00:38:45,200  
democracy and education it's

953  
00:38:50,550 --> 00:38:47,680  
the good ground for uh

954  
00:38:52,630 --> 00:38:50,560  
to to have a expansion of free masonry

955  
00:38:55,190 --> 00:38:52,640  
so it's a more large-scale problem of

956  
00:38:57,109 --> 00:38:55,200  
society and freemasonry you know i'm

957  
00:38:59,750 --> 00:38:57,119  
living in belgium and we have an

958  
00:39:01,430 --> 00:38:59,760  
industrial tradition and

959  
00:39:04,230 --> 00:39:01,440  
we had here in belgium

960  
00:39:07,270 --> 00:39:04,240  
also like in scotland and in england we

961  
00:39:10,470 --> 00:39:07,280  
had the mines you know with the

962  
00:39:13,109 --> 00:39:10,480  
the coke you know and

963  
00:39:14,870 --> 00:39:13,119

and when the guys go down in the ground

964

00:39:18,630 --> 00:39:14,880

in the mines

965

00:39:21,510 --> 00:39:18,640

to extract uh the the the coke uh they

966

00:39:24,390 --> 00:39:21,520

bring with them little birds yellow

967

00:39:27,190 --> 00:39:24,400

birds and the name in french it's canary

968

00:39:29,589 --> 00:39:27,200

and uh they bring these little birds to

969

00:39:31,109 --> 00:39:29,599

detect the gas and uh because they have

970

00:39:32,790 --> 00:39:31,119

to to to

971

00:39:35,829 --> 00:39:32,800

to it was very dangerous of the

972

00:39:38,790 --> 00:39:35,839

explosion of the gaza in the mines and

973

00:39:40,790 --> 00:39:38,800

when the little birds was uh

974

00:39:43,430 --> 00:39:40,800

dying because of the gas they had to get

975

00:39:46,310 --> 00:39:43,440

out of the mines to to to be safe

976  
00:39:49,349 --> 00:39:46,320  
freemasonry is the little uh canaries

977  
00:39:51,829 --> 00:39:49,359  
the little yellow birds of the society

978  
00:39:54,550 --> 00:39:51,839  
freemasonry is in expansion so the

979  
00:39:58,069 --> 00:39:54,560  
society is in good health

980  
00:40:00,550 --> 00:39:58,079  
and uh so uh maybe um

981  
00:40:02,950 --> 00:40:00,560  
i'm very positive guys i'm very optimist

982  
00:40:05,270 --> 00:40:02,960  
about the future not in all the part of

983  
00:40:07,430 --> 00:40:05,280  
the world of course in some part of the

984  
00:40:11,349 --> 00:40:07,440  
world uh societies are facing

985  
00:40:14,310 --> 00:40:11,359  
difficulties in very large scale

986  
00:40:16,790 --> 00:40:14,320  
and they are losing uh the all this

987  
00:40:19,670 --> 00:40:16,800  
basic value i explained before

988  
00:40:21,190 --> 00:40:19,680

and in another other part of the world

989

00:40:23,670 --> 00:40:21,200

things are going

990

00:40:26,470 --> 00:40:23,680

better so um

991

00:40:29,349 --> 00:40:26,480

[Music]

992

00:40:32,310 --> 00:40:29,359

i i but we don't have a

993

00:40:34,550 --> 00:40:32,320

very simple solution to this problem and

994

00:40:37,349 --> 00:40:34,560

it's not in five minutes that we will

995

00:40:40,069 --> 00:40:37,359

find the solution everybody is

996

00:40:41,670 --> 00:40:40,079

thinking about how it's possible to

997

00:40:46,710 --> 00:40:41,680

to

998

00:40:48,150 --> 00:40:46,720

disappear because this is the question

999

00:40:51,030 --> 00:40:48,160

you have a lot of logic what is

1000

00:40:52,790 --> 00:40:51,040

appearing in usa in uh in different

1001

00:40:56,309 --> 00:40:52,800

parts of the world because you don't

1002

00:40:58,550 --> 00:40:56,319

have enough young members and uh but in

1003

00:41:01,190 --> 00:40:58,560

the same times it's a question of time

1004

00:41:02,630 --> 00:41:01,200

and it's a cycle and uh we everybody

1005

00:41:05,270 --> 00:41:02,640

knows that uh

1006

00:41:08,150 --> 00:41:05,280

uh during three centuries there is so

1007

00:41:11,190 --> 00:41:08,160

much uh in the history of freemasonry

1008

00:41:13,349 --> 00:41:11,200

masonry a lot of large uh disappear

1009

00:41:15,589 --> 00:41:13,359

reappear there is a lot of creation of

1010

00:41:18,230 --> 00:41:15,599

you new lodge so it's a part of the life

1011

00:41:22,150 --> 00:41:18,240

you know and if a lodge disappears like

1012

00:41:25,910 --> 00:41:22,160

this and uh we have to build a new lodge

1013

00:41:27,430 --> 00:41:25,920

and uh to be to try to to

1014

00:41:29,349 --> 00:41:27,440

uh

1015

00:41:30,870 --> 00:41:29,359

so it's a it's a part of life i think

1016

00:41:32,550 --> 00:41:30,880

and um

1017

00:41:35,589 --> 00:41:32,560

and uh

1018

00:41:37,910 --> 00:41:35,599

but uh the the speech about freemasonry

1019

00:41:39,750 --> 00:41:37,920

had to be more simple and say to the

1020

00:41:41,589 --> 00:41:39,760

young nation what

1021

00:41:43,270 --> 00:41:41,599

just to explain to the

1022

00:41:45,430 --> 00:41:43,280

young generation

1023

00:41:47,990 --> 00:41:45,440

what freemasonry is useful for a young

1024

00:41:49,910 --> 00:41:48,000

guy today and after that he will have

1025

00:41:52,470 --> 00:41:49,920

time to discover different aspects of

1026  
00:41:55,990 --> 00:41:52,480  
freemasonry maybe more esoterical maybe

1027  
00:41:57,670 --> 00:41:56,000  
more mystical maybe more spiritual um

1028  
00:42:00,069 --> 00:41:57,680  
okay but

1029  
00:42:02,309 --> 00:42:00,079  
you know in judaism for example when you

1030  
00:42:04,630 --> 00:42:02,319  
want to study the kabbalah you have to

1031  
00:42:06,550 --> 00:42:04,640  
wait 40 years and you have children and

1032  
00:42:10,390 --> 00:42:06,560  
you have to wait to have a job so this

1033  
00:42:12,790 --> 00:42:10,400  
is the rules to study kabbalah so uh

1034  
00:42:15,349 --> 00:42:12,800  
in the life of a man you have a good

1035  
00:42:18,069 --> 00:42:15,359  
time for for different part and all the

1036  
00:42:19,510 --> 00:42:18,079  
aspect of freemasonry are so rich so

1037  
00:42:21,349 --> 00:42:19,520  
different so

1038  
00:42:23,190 --> 00:42:21,359

it's like a diamond and you could spend

1039

00:42:25,030 --> 00:42:23,200

your life

1040

00:42:27,990 --> 00:42:25,040

in freemasonry and all the time

1041

00:42:29,109 --> 00:42:28,000

discovering new aspect and because you

1042

00:42:30,230 --> 00:42:29,119

are being

1043

00:42:32,069 --> 00:42:30,240

beginning

1044

00:42:34,630 --> 00:42:32,079

you are

1045

00:42:36,710 --> 00:42:34,640

you begin to be older more experienced

1046

00:42:39,270 --> 00:42:36,720

so you rediscover all the time

1047

00:42:40,470 --> 00:42:39,280

freemasonry but it's a very very long

1048

00:42:44,790 --> 00:42:40,480

process

1049

00:42:49,030 --> 00:42:46,870

we have to listen for of the young

1050

00:42:51,829 --> 00:42:49,040

generation for example one of the basic

1051

00:42:56,309 --> 00:42:51,839

aspects of freemasonry is hope

1052

00:42:59,430 --> 00:42:56,319

hope hope is very important and it's uh

1053

00:43:01,829 --> 00:42:59,440

hope it's for me in my mind uh it's

1054

00:43:05,670 --> 00:43:01,839

exactly what is the feeling of a young

1055

00:43:08,790 --> 00:43:05,680

generation man and woman uh when you are

1056

00:43:12,230 --> 00:43:08,800

speaking with somebody who is 25 27

1057

00:43:14,790 --> 00:43:12,240

years old uh hope is very important part

1058

00:43:16,390 --> 00:43:14,800

of the of their wishes you know they

1059

00:43:18,870 --> 00:43:16,400

have hope in

1060

00:43:20,390 --> 00:43:18,880

so hope is very important so we have to

1061

00:43:23,030 --> 00:43:20,400

listening to the hope of the young

1062

00:43:26,630 --> 00:43:23,040

generation what they want for the future

1063

00:43:29,030 --> 00:43:26,640

and be and try to be more at the same

1064

00:43:30,390 --> 00:43:29,040

level than them you know sometimes

1065

00:43:32,790 --> 00:43:30,400

freemason

1066

00:43:34,470 --> 00:43:32,800

are in the

1067

00:43:36,550 --> 00:43:34,480

you have the feeling

1068

00:43:40,069 --> 00:43:36,560

when you are young and i i know that

1069

00:43:40,650 --> 00:43:40,079

that freemason is a little bit uh

1070

00:43:44,550 --> 00:43:40,660

um

1071

00:43:48,790 --> 00:43:46,470

they have maybe this feeling that there

1072

00:43:51,750 --> 00:43:48,800

is too much knowledge they will not have

1073

00:43:53,510 --> 00:43:51,760

time to to spend to read all these books

1074

00:43:54,950 --> 00:43:53,520

etc etc

1075

00:43:57,670 --> 00:43:54,960

but

1076

00:44:00,550 --> 00:43:57,680

a freemasonry is not a university it's

1077

00:44:02,950 --> 00:44:00,560

not a question of uh to to to have more

1078

00:44:05,990 --> 00:44:02,960

learn more knowledge than the other

1079

00:44:07,349 --> 00:44:06,000

brothers more it's more the human

1080

00:44:11,510 --> 00:44:07,359

relation

1081

00:44:16,309 --> 00:44:11,520

so all this aspect of esoterism and um

1082

00:44:18,630 --> 00:44:16,319

and knowledge and etc and studying uh

1083

00:44:20,950 --> 00:44:18,640

it's one it's just one aspect of free

1084

00:44:22,870 --> 00:44:20,960

masonry and for the young generation the

1085

00:44:24,950 --> 00:44:22,880

relation the quality of the relation is

1086

00:44:27,589 --> 00:44:24,960

more important and to be there to help

1087

00:44:29,190 --> 00:44:27,599

them is what we have to do and after

1088

00:44:31,750 --> 00:44:29,200

that if

1089

00:44:34,550 --> 00:44:31,760  
changing a country for work and

1090

00:44:38,950 --> 00:44:34,560  
maybe there will be great doctors and

1091

00:44:40,950 --> 00:44:38,960  
that had a very uh professional life uh

1092

00:44:44,069 --> 00:44:40,960  
without free time to come in the lodge

1093

00:44:46,390 --> 00:44:44,079  
it's not a problem uh initiation is

1094

00:44:48,390 --> 00:44:46,400  
different than the the masonic path you

1095

00:44:51,829 --> 00:44:48,400  
have initiation after that you have

1096

00:44:53,990 --> 00:44:51,839  
masonic parts so the in in his you know

1097

00:44:57,510 --> 00:44:54,000  
uh

1098

00:45:00,309 --> 00:44:57,520  
they are more open for this idea of

1099

00:45:03,349 --> 00:45:00,319  
lifetime you know and uh

1100

00:45:07,510 --> 00:45:03,359  
you could come in the lodge as a levis

1101

00:45:11,910 --> 00:45:10,069

spend 10 years of 20 years because you

1102

00:45:15,270 --> 00:45:11,920

are very busy in your work and come back

1103

00:45:18,390 --> 00:45:15,280

you will still part of the lodge so

1104

00:45:20,550 --> 00:45:18,400

i think we have to be more cool in fact

1105

00:45:22,550 --> 00:45:20,560

more yes more cool with the young

1106

00:45:25,670 --> 00:45:22,560

generation and uh

1107

00:45:28,309 --> 00:45:25,680

and not be too stressful you know about

1108

00:45:30,710 --> 00:45:28,319

the challenge of be a good man and we

1109

00:45:32,950 --> 00:45:30,720

have time we have one life to be a good

1110

00:45:35,510 --> 00:45:32,960

man

1111

00:45:37,910 --> 00:45:35,520

we are all the only judge at the end of

1112

00:45:40,230 --> 00:45:37,920

our life to judge ourselves and said

1113

00:45:42,470 --> 00:45:40,240

okay i try to do my best i'm not a god

1114

00:45:44,470 --> 00:45:42,480

but i i try to do my best for the

1115

00:45:47,750 --> 00:45:44,480

society and maybe i was a good man

1116

00:45:49,750 --> 00:45:47,760

that's all now uh just as we're we're

1117

00:45:51,109 --> 00:45:49,760

starting to to wrap up here because i

1118

00:45:53,430 --> 00:45:51,119

know that you're a very busy man with

1119

00:45:55,510 --> 00:45:53,440

the impending release of this film

1120

00:45:57,270 --> 00:45:55,520

um how did you become a freemason

1121

00:45:59,910 --> 00:45:57,280

yourself

1122

00:46:02,230 --> 00:45:59,920

oh it's a long story you know i'm living

1123

00:46:04,950 --> 00:46:02,240

in europe but i was not born in europe

1124

00:46:07,030 --> 00:46:04,960

and i discovered uh europe when i was

1125

00:46:09,190 --> 00:46:07,040

teenager before that i was born in

1126  
00:46:11,349 --> 00:46:09,200  
africa and i spent my life

1127  
00:46:12,470 --> 00:46:11,359  
my childhood and i was teenager in

1128  
00:46:14,870 --> 00:46:12,480  
africa

1129  
00:46:16,630 --> 00:46:14,880  
and when i arrived in europe i was very

1130  
00:46:18,069 --> 00:46:16,640  
surprised by

1131  
00:46:19,190 --> 00:46:18,079  
the

1132  
00:46:22,309 --> 00:46:19,200  
uh

1133  
00:46:24,870 --> 00:46:22,319  
the very low level of quality of

1134  
00:46:26,870 --> 00:46:24,880  
relation between neighbors and different

1135  
00:46:29,510 --> 00:46:26,880  
religions etc in africa is very

1136  
00:46:32,470 --> 00:46:29,520  
different everybody respect everybody

1137  
00:46:34,710 --> 00:46:32,480  
and all the religions are respected

1138  
00:46:35,910 --> 00:46:34,720

between christian jewish

1139

00:46:38,150 --> 00:46:35,920

muslim

1140

00:46:40,710 --> 00:46:38,160

animist etc there is no problem of

1141

00:46:43,910 --> 00:46:40,720

relation in my childhood it was what

1142

00:46:45,910 --> 00:46:43,920

what was what i had experiences well so

1143

00:46:48,630 --> 00:46:45,920

when i discovered europe

1144

00:46:50,630 --> 00:46:48,640

um

1145

00:46:53,510 --> 00:46:50,640

i had this feeling that

1146

00:46:54,710 --> 00:46:53,520

i was losing something from my

1147

00:46:57,270 --> 00:46:54,720

childhood

1148

00:47:00,710 --> 00:46:57,280

and this quality of relation uh with

1149

00:47:03,109 --> 00:47:00,720

different people and thanks to a hankel

1150

00:47:05,670 --> 00:47:03,119

uh who explained to me that he was

1151

00:47:08,390 --> 00:47:05,680

amazing and he was speaking to me

1152

00:47:10,950 --> 00:47:08,400

i was 14 years old and i directly ask

1153

00:47:13,109 --> 00:47:10,960

him i want to be a part of that

1154

00:47:14,710 --> 00:47:13,119

because you say that it's great i want

1155

00:47:15,750 --> 00:47:14,720

to be a part he said you are too young i

1156

00:47:18,390 --> 00:47:15,760

said no

1157

00:47:22,150 --> 00:47:18,400

so i had to wait a little bit ten years

1158

00:47:24,630 --> 00:47:22,160

to be amazing so uh but i didn't read

1159

00:47:27,910 --> 00:47:24,640

nothing about masonry you know i was

1160

00:47:30,150 --> 00:47:27,920

very passionate and uh i was uh waiting

1161

00:47:32,470 --> 00:47:30,160

to be a miss and and i didn't regret

1162

00:47:35,829 --> 00:47:32,480

that and i spent uh

1163

00:47:38,150 --> 00:47:35,839

20 years in my mother lodge and i was a

1164

00:47:40,870 --> 00:47:38,160

very happy miss and masonic life is not

1165

00:47:43,349 --> 00:47:40,880

a his life it's not perfect we have to

1166

00:47:45,829 --> 00:47:43,359

struggling to to really build a

1167

00:47:48,470 --> 00:47:45,839

brotherhood really practice practice

1168

00:47:51,430 --> 00:47:48,480

what what we are preaching

1169

00:47:56,710 --> 00:47:51,440

uh it's not easy it's a long path but in

1170

00:48:00,870 --> 00:47:58,309

i was looking

1171

00:48:04,870 --> 00:48:01,710

this

1172

00:48:08,230 --> 00:48:04,880

universality finally you know the the

1173

00:48:11,109 --> 00:48:08,240

universality in terra masanica

1174

00:48:13,349 --> 00:48:11,119

it was exactly what i was looking when i

1175

00:48:16,870 --> 00:48:13,359

was 14 years old you know there's just

1176

00:48:18,950 --> 00:48:16,880

the respect of everybody and

1177

00:48:21,109 --> 00:48:18,960

because you you have

1178

00:48:23,750 --> 00:48:21,119

knowledge you have wisdom in all the

1179

00:48:26,950 --> 00:48:23,760

culture and we have a lot of things to

1180

00:48:31,270 --> 00:48:27,750

the

1181

00:48:34,470 --> 00:48:31,280

uh

1182

00:48:37,109 --> 00:48:34,480

so finally i i finished a cycle with

1183

00:48:38,390 --> 00:48:37,119

this movie and uh

1184

00:48:47,510 --> 00:48:38,400

and

1185

00:48:49,430 --> 00:48:47,520

if i saw tehra masonica when i was 14

1186

00:48:52,069 --> 00:48:49,440

what what i what was

1187

00:48:54,549 --> 00:48:52,079

what will be the impact on me i think it

1188

00:48:57,109 --> 00:48:54,559

will be it will have a huge impact

1189

00:48:59,910 --> 00:48:57,119

because seeing terra massanica is

1190

00:49:01,910 --> 00:48:59,920

exactly a dream you know it's a utopia

1191

00:49:04,470 --> 00:49:01,920

and to see all this universal

1192

00:49:07,670 --> 00:49:04,480

brotherhood is uh just something

1193

00:49:09,270 --> 00:49:07,680

wonderful and knowing that it

1194

00:49:11,829 --> 00:49:09,280

exists really

1195

00:49:14,710 --> 00:49:11,839

and knowing that you could traveling

1196

00:49:17,030 --> 00:49:14,720

everywhere uh and find a large and fine

1197

00:49:19,589 --> 00:49:17,040

brother and spend time with them is is

1198

00:49:22,069 --> 00:49:19,599

just something great so uh

1199

00:49:24,309 --> 00:49:22,079

despite our difference but we have

1200

00:49:29,510 --> 00:49:24,319

respect and we don't speak about politic

1201

00:49:34,950 --> 00:49:32,230

so i was looking for something when i

1202

00:49:35,990 --> 00:49:34,960

was young and a better relation because

1203

00:49:38,470 --> 00:49:36,000

uh

1204

00:49:41,190 --> 00:49:38,480

life today is not easy

1205

00:49:43,190 --> 00:49:41,200

and especially now with all this uh

1206

00:49:44,710 --> 00:49:43,200

problem we are facing now

1207

00:49:48,870 --> 00:49:44,720

and uh

1208

00:49:52,150 --> 00:49:48,880

knowing that we are uh we we are

1209

00:49:54,630 --> 00:49:52,160

we have light in our lodge and we are we

1210

00:49:56,230 --> 00:49:54,640

have this tradition and when we are

1211

00:49:59,030 --> 00:49:56,240

opening the

1212

00:50:01,349 --> 00:49:59,040

the meeting we are closing the meeting

1213

00:50:04,549 --> 00:50:01,359

there is something between the opening

1214

00:50:07,430 --> 00:50:04,559

and the closing was just great and uh to

1215

00:50:09,430 --> 00:50:07,440

have the the opportunity to leave that

1216

00:50:10,470 --> 00:50:09,440

in our lodge is uh

1217

00:50:12,870 --> 00:50:10,480

is like

1218

00:50:15,109 --> 00:50:12,880

a young mason said in my movie is going

1219

00:50:18,549 --> 00:50:15,119

to have vitamin you know in french we

1220

00:50:21,030 --> 00:50:18,559

said um to have energy you know to

1221

00:50:23,510 --> 00:50:21,040

to find a new energy to after that get

1222

00:50:25,349 --> 00:50:23,520

out of the lodge and come in the world

1223

00:50:28,710 --> 00:50:25,359

and and start again you know it's a

1224

00:50:33,349 --> 00:50:30,710

it's a long answer for a very simple

1225

00:50:35,030 --> 00:50:33,359

question why we come in the lodge but i

1226

00:50:37,829 --> 00:50:35,040

think uh

1227

00:50:40,870 --> 00:50:37,839

my uncle had a very big impact and of

1228

00:50:41,829 --> 00:50:40,880

course in our farm in in the craft we

1229

00:50:44,710 --> 00:50:41,839

see that

1230

00:50:46,470 --> 00:50:44,720

50 percent of the mason are a part of

1231

00:50:47,829 --> 00:50:46,480

mason family

1232

00:50:50,950 --> 00:50:47,839

so you have this we have this

1233

00:50:53,030 --> 00:50:50,960

transmission uh through generation in

1234

00:50:55,990 --> 00:50:53,040

the same family especially in scotland

1235

00:50:59,430 --> 00:50:56,000

very it's very strong in scotland all

1236

00:51:04,150 --> 00:50:59,440

the male inside a family are missing

1237

00:51:06,430 --> 00:51:05,190

i think

1238

00:51:07,750 --> 00:51:06,440

as a man

1239

00:51:09,750 --> 00:51:07,760

[Music]

1240

00:51:11,910 --> 00:51:09,760

we have a special relation the

1241

00:51:15,430 --> 00:51:11,920

friendship between men are special

1242

00:51:17,589 --> 00:51:15,440

because uh it's not like a woman we are

1243

00:51:20,230 --> 00:51:17,599

it's not so easy for the men to speak

1244

00:51:23,829 --> 00:51:20,240

about themselves you know between men to

1245

00:51:26,150 --> 00:51:23,839

be uh to to to to a very deep uh

1246

00:51:28,950 --> 00:51:26,160

discussion so uh

1247

00:51:30,950 --> 00:51:28,960

women have are more have more facilities

1248

00:51:34,069 --> 00:51:30,960

you know it's more easy for them to to

1249

00:51:37,829 --> 00:51:34,079

to have this personal uh discussion so

1250

00:51:39,910 --> 00:51:37,839

uh the masonry is a way to have to build

1251  
00:51:42,470 --> 00:51:39,920  
this friendship between men i think it's

1252  
00:51:44,390 --> 00:51:42,480  
a it's a great thing and

1253  
00:51:46,390 --> 00:51:44,400  
i said to you i'm optimist for the

1254  
00:51:49,349 --> 00:51:46,400  
future and i'm sure that we have the

1255  
00:51:51,589 --> 00:51:49,359  
possibility to enter the new golden age

1256  
00:51:54,309 --> 00:51:51,599  
because all these value are very

1257  
00:51:57,109 --> 00:51:54,319  
important for them for for the future

1258  
00:52:01,270 --> 00:51:57,119  
and for our children i want that

1259  
00:52:03,829 --> 00:52:01,280  
my i have a daughter and i want i i pray

1260  
00:52:06,390 --> 00:52:03,839  
every day that

1261  
00:52:09,589 --> 00:52:06,400  
the world will be better for her than

1262  
00:52:11,270 --> 00:52:09,599  
for me so uh this is my hope

1263  
00:52:13,589 --> 00:52:11,280

well you know and that that's that's the

1264

00:52:15,670 --> 00:52:13,599

hope i should hope for every basin

1265

00:52:17,270 --> 00:52:15,680

that's out there that that we you know

1266

00:52:18,710 --> 00:52:17,280

leave the world and our craft better

1267

00:52:20,630 --> 00:52:18,720

than we got it

1268

00:52:22,710 --> 00:52:20,640

um and

1269

00:52:24,710 --> 00:52:22,720

you know speaking of brothers the world

1270

00:52:27,190 --> 00:52:24,720

over uh just for those of our

1271

00:52:28,390 --> 00:52:27,200

international uh listeners i'm just

1272

00:52:29,510 --> 00:52:28,400

going to read from your website here i

1273

00:52:31,270 --> 00:52:29,520

know that you there's of several

1274

00:52:33,829 --> 00:52:31,280

premieres that are coming up

1275

00:52:35,589 --> 00:52:33,839

um uh yeah the 28th uh premiere in

1276

00:52:38,150 --> 00:52:35,599

brussels has already happened uh

1277

00:52:40,549 --> 00:52:38,160

february 10th is in valencia

1278

00:52:42,950 --> 00:52:40,559

february 24th is in yent

1279

00:52:44,470 --> 00:52:42,960

yeah and then the last week of march uh

1280

00:52:46,870 --> 00:52:44,480

you're a pre uh

1281

00:52:48,790 --> 00:52:46,880

you're in brazil to to

1282

00:52:50,710 --> 00:52:48,800

premiere of the film which is amazing

1283

00:52:53,430 --> 00:52:50,720

um and then from there the spring it

1284

00:52:56,150 --> 00:52:53,440

will be available on dvds excuse me dvd

1285

00:52:57,430 --> 00:52:56,160

as well as in video on demand um and and

1286

00:53:00,069 --> 00:52:57,440

it's uh

1287

00:53:02,390 --> 00:53:00,079

and it's a longer version which is um

1288

00:53:05,589 --> 00:53:02,400

two one hour uh parts if i'm not

1289

00:53:07,589 --> 00:53:05,599

mistaken twice by one hour and uh from

1290

00:53:09,829 --> 00:53:07,599

in in september it will be broadcast in

1291

00:53:11,910 --> 00:53:09,839

uh on television throughout the world as

1292

00:53:14,069 --> 00:53:11,920

well as uh it will be translated into

1293

00:53:15,190 --> 00:53:14,079

italian spanish portuguese french and

1294

00:53:17,030 --> 00:53:15,200

dutch

1295

00:53:19,190 --> 00:53:17,040

and german and german

1296

00:53:22,230 --> 00:53:19,200

yeah so that that that's that makes it a

1297

00:53:24,069 --> 00:53:22,240

truly um strong international film and i

1298

00:53:25,270 --> 00:53:24,079

i do know that you that you do have a

1299

00:53:26,390 --> 00:53:25,280

previous engagement that you do need to

1300

00:53:28,470 --> 00:53:26,400

get to but

1301

00:53:30,790 --> 00:53:28,480

we are so absolutely

1302

00:53:32,870 --> 00:53:30,800

um uh privileged to have had you on on

1303

00:53:35,510 --> 00:53:32,880

the radio program and share your story

1304

00:53:37,829 --> 00:53:35,520

and uh help help you get the word of the

1305

00:53:40,630 --> 00:53:37,839

film out there i know that the brethren

1306

00:53:43,430 --> 00:53:40,640

here in ottawa as well as around canada

1307

00:53:46,470 --> 00:53:43,440

are very excited for its release um and

1308

00:53:48,230 --> 00:53:46,480

yes i'm i know within our community and

1309

00:53:50,870 --> 00:53:48,240

uh the community as a whole from there

1310

00:53:54,069 --> 00:53:50,880

it will it will be a success the trailer

1311

00:53:57,589 --> 00:53:54,079

also on vimeo right now i believe yes

1312

00:54:00,390 --> 00:53:57,599

okay thank you so much for these hours

1313

00:54:01,510 --> 00:54:00,400

uh i'm so happy to to spend this time

1314

00:54:02,790 --> 00:54:01,520

with you

1315

00:54:04,630 --> 00:54:02,800

and uh

1316

00:54:05,510 --> 00:54:04,640

there will be a

1317

00:54:07,750 --> 00:54:05,520

very

1318

00:54:11,349 --> 00:54:07,760

there is now a lot of discussion to have

1319

00:54:12,790 --> 00:54:11,359

a different premiere in london in usa

1320

00:54:16,150 --> 00:54:12,800

everywhere so

1321

00:54:18,870 --> 00:54:16,160

i hope i will come in hotawa and uh and

1322

00:54:21,750 --> 00:54:18,880

meet you in an organizer premiere in

1323

00:54:24,150 --> 00:54:21,760

canada and

1324

00:54:25,670 --> 00:54:24,160

it could be down very quickly so if

1325

00:54:27,270 --> 00:54:25,680

there is some

1326

00:54:29,430 --> 00:54:27,280

listener in the audience who want to

1327

00:54:31,910 --> 00:54:29,440

organize something we are very open

1328

00:54:34,230 --> 00:54:31,920

because organize a screening in a

1329

00:54:36,470 --> 00:54:34,240

theater in very good condition it's

1330

00:54:37,430 --> 00:54:36,480

better than show that on your computer

1331

00:54:40,710 --> 00:54:37,440

screen

1332

00:54:42,870 --> 00:54:40,720

so uh it's a better experience and

1333

00:54:45,349 --> 00:54:42,880

and also it's opportunity to meet the

1334

00:54:48,150 --> 00:54:45,359

young generation so i come back i come

1335

00:54:50,150 --> 00:54:48,160

again with that so uh organize something

1336

00:54:52,390 --> 00:54:50,160

it's open the doors and uh

1337

00:54:54,710 --> 00:54:52,400

and uh and the opportunity to make

1338

00:54:57,750 --> 00:54:54,720

contact so uh of course we have to do

1339

00:55:00,870 --> 00:54:57,760

our best to promote that and uh and try

1340

00:55:03,190 --> 00:55:00,880

to to organize opportunities

1341

00:55:05,349 --> 00:55:03,200

and uh you know it as they say many

1342

00:55:07,190 --> 00:55:05,359

hands make light work

1343

00:55:08,549 --> 00:55:07,200

so yes i know that with with the

1344

00:55:10,470 --> 00:55:08,559

brethren that i've been discussing and

1345

00:55:12,069 --> 00:55:10,480

the amount of excitement we'll we'll

1346

00:55:14,309 --> 00:55:12,079

i'll talk to a few of them and we'll see

1347

00:55:16,230 --> 00:55:14,319

what uh what we can do for your brother

1348

00:55:18,470 --> 00:55:16,240

thank you so much it's my pleasure again

1349

00:55:22,309 --> 00:55:18,480

thank you very much uh and uh that was

1350

00:55:24,470 --> 00:55:22,319

uh tristan borlaud and tara masonica.com

1351

00:55:26,630 --> 00:55:24,480

uh if you also so you can see both the

1352

00:55:28,710 --> 00:55:26,640

trailers up there and i would very

1353

00:55:30,790 --> 00:55:28,720

strongly suggest you check it out and

1354

00:55:33,190 --> 00:55:30,800

you can also follow them on facebook so

1355

00:55:35,190 --> 00:55:33,200

please do make your searches and make

1356

00:55:38,390 --> 00:55:35,200

your likes uh

1357

00:55:39,670 --> 00:55:38,400

this has been uh chris george zuger of

1358

00:55:41,349 --> 00:55:39,680

den of lore

1359

00:55:43,030 --> 00:55:41,359

and i do just have a quick quick short

1360

00:55:45,349 --> 00:55:43,040

announcement for next week's show that

1361

00:55:46,549 --> 00:55:45,359

i'm going to put on there uh which if

1362

00:55:49,430 --> 00:55:46,559

you're watching on youtube you can see

1363

00:55:51,589 --> 00:55:49,440

it right now and this is very exciting

1364

00:55:54,390 --> 00:55:51,599

as you may know the great john anthony

1365

00:55:57,270 --> 00:55:54,400

west is uh currently fighting cancer

1366

00:55:59,109 --> 00:55:57,280

and we have the privilege in a

1367

00:56:00,390 --> 00:55:59,119

combination with sacred geometry

1368

00:56:01,910 --> 00:56:00,400

international

1369

00:56:05,589 --> 00:56:01,920

we're going to be presenting next week

1370

00:56:08,789 --> 00:56:05,599

february 10th at 8 30 pm eastern 7 30

1371

00:56:12,309 --> 00:56:08,799

central 5 30 pacific live on this

1372

00:56:14,470 --> 00:56:12,319

channel uh the john anthony west project

1373

00:56:17,510 --> 00:56:14,480

telethon in uh

1374

00:56:19,990 --> 00:56:17,520

in support of clay roops um john anthony

1375

00:56:21,670 --> 00:56:20,000

west project uh a fundraiser to try and

1376

00:56:24,230 --> 00:56:21,680

raise funds for john anthony west's

1377

00:56:26,309 --> 00:56:24,240

cancer treatment uh now the guest list

1378

00:56:28,150 --> 00:56:26,319

for this is truly amazing

1379

00:56:30,870 --> 00:56:28,160

we're going to have graham hancock

1380

00:56:34,069 --> 00:56:30,880

dr robert shock of boston university

1381

00:56:36,069 --> 00:56:34,079

laird scranton scotty roberts and the

1382

00:56:38,549 --> 00:56:36,079

we're not renowned randall carlson of

1383

00:56:40,710 --> 00:56:38,559

sacred geometry international all on one

1384

00:56:43,510 --> 00:56:40,720

show we're going to be trying to raise

1385

00:56:45,430 --> 00:56:43,520

ten thousand dollars during that

1386

00:56:47,349 --> 00:56:45,440

broadcast and another forty thousand

1387

00:56:49,910 --> 00:56:47,359

dollars for the following seven days

1388

00:56:51,510 --> 00:56:49,920

total um i would very strongly suggest

1389

00:56:55,030 --> 00:56:51,520

that you do set your reminders now

1390

00:56:56,390 --> 00:56:55,040

because this will be absolutely amazing

1391

00:56:58,230 --> 00:56:56,400

we're going to be talking about john

1392

00:57:00,630 --> 00:56:58,240

anthony west's work we're going to be

1393

00:57:01,829 --> 00:57:00,640

discussing the impact on knowledge in

1394

00:57:05,990 --> 00:57:01,839

addition to

1395

00:57:08,309 --> 00:57:06,000

about john anthony west from his friends

1396

00:57:11,109 --> 00:57:08,319

and colleagues please do check us out at

1397

00:57:13,670 --> 00:57:11,119

denovlor.com for all the details or the

1398

00:57:15,270 --> 00:57:13,680

show notes in the upcoming events uh

1399

00:57:17,190 --> 00:57:15,280

again this is chris george zuger

1400

00:57:19,030 --> 00:57:17,200

producer and host of den of lore and my

1401  
00:57:21,589 --> 00:57:19,040  
co-host alex

1402  
00:57:23,190 --> 00:57:21,599  
say hello alex hi everyone thank you

1403  
00:57:25,270 --> 00:57:23,200  
tristan very much for joining us on the

1404  
00:57:27,109 --> 00:57:25,280  
show today and we appreciate having you

1405  
00:57:29,030 --> 00:57:27,119  
on and it's a beautiful uh beautiful

1406  
00:57:31,349 --> 00:57:29,040  
work of film that you've made

1407  
00:57:32,789 --> 00:57:31,359  
thank you alex thank you chris see you

1408  
00:57:33,190 --> 00:57:32,799  
soon see you soon

1409  
00:57:35,430 --> 00:57:33,200  
thanks

1410  
00:57:37,750 --> 00:57:35,440  
[Music]

1411  
00:57:39,670 --> 00:57:37,760  
all right well i guess it's uh alex what

1412  
00:57:41,109 --> 00:57:39,680  
what did you think of that it was a good

1413  
00:57:43,109 --> 00:57:41,119

show very good

1414

00:57:45,109 --> 00:57:43,119

fantastic i can't wait for this film to

1415

00:57:46,549 --> 00:57:45,119

come out it's going to be so amazing

1416

00:57:48,630 --> 00:57:46,559

all right well ladies and gentlemen who

1417

00:57:50,789 --> 00:57:48,640

are still listening uh i am going to

1418

00:57:54,150 --> 00:57:50,799

play the outro music

1419

00:57:55,670 --> 00:57:54,160

which we have uh and kind of a very very

1420

00:57:57,309 --> 00:57:55,680

apropos

1421

00:58:02,390 --> 00:57:57,319

uh we're going to have

1422

00:58:06,069 --> 00:58:04,390

so don't forget to set your reminders uh

1423

00:58:07,990 --> 00:58:06,079

again you can check out [dentalvore.com](http://dentalvore.com)

1424

00:58:10,150 --> 00:58:08,000

for all the information there will be

1425

00:58:12,789 --> 00:58:10,160

more guests that will be confirming as

1426

00:58:15,670 --> 00:58:12,799

time goes on in addition to our five

1427

00:58:17,990 --> 00:58:15,680

guests so we will also be uh bringing in

1428

00:58:20,630 --> 00:58:18,000

again soraya from where to the road go

1429

00:58:23,349 --> 00:58:20,640

who will be guest hosting along with dr

1430

00:58:25,430 --> 00:58:23,359

robert shock for

1431

00:58:26,710 --> 00:58:25,440

most if not the entire show depending on

1432

00:58:29,270 --> 00:58:26,720

schedules so

1433

00:58:30,549 --> 00:58:29,280

uh also special thanks what goes out to

1434

00:58:31,670 --> 00:58:30,559

cameron from sacred geometry

1435

00:58:33,670 --> 00:58:31,680

international

1436

00:58:35,670 --> 00:58:33,680

uh greg from the higher side chats and

1437

00:58:37,829 --> 00:58:35,680

darren and graham from cry america for

1438

00:58:39,990 --> 00:58:37,839

all of your help and support as well as

1439

00:58:42,470 --> 00:58:40,000

adam loyal from friends to know uh you

1440

00:58:44,630 --> 00:58:42,480

guys are amazing uh the warmth and

1441

00:58:46,630 --> 00:58:44,640

support from this community for this

1442

00:58:49,190 --> 00:58:46,640

wonderful man who has given a large part

1443

00:58:51,349 --> 00:58:49,200

of his life to the search for knowledge

1444

00:58:53,270 --> 00:58:51,359

and uh critical thinking towards where

1445

00:58:55,109 --> 00:58:53,280

we came from as a species

1446

00:58:57,750 --> 00:58:55,119

is absolutely warm

1447

00:58:59,750 --> 00:58:57,760

uh and inspiring i'm i'm privileged to

1448

00:59:00,630 --> 00:58:59,760

be a part of this uh this effort for

1449

00:59:01,589 --> 00:59:00,640

john

1450

00:59:03,030 --> 00:59:01,599

and

1451

00:59:04,549 --> 00:59:03,040

let's make this a very successful one

1452

00:59:06,870 --> 00:59:04,559

and you know make sure that he knows

1453

00:59:08,470 --> 00:59:06,880

that we stand behind him and that he's

1454

00:59:10,870 --> 00:59:08,480

got all the love in the world from this

1455

00:59:11,670 --> 00:59:10,880

large and wonderful community uh once

1456

00:59:13,030 --> 00:59:11,680

again

1457

00:59:14,549 --> 00:59:13,040

thank you very much for listening to the

1458

00:59:21,580 --> 00:59:14,559

den of lore

1459

00:59:21,590 --> 00:59:37,349

[Music]

1460

00:59:37,359 --> 00:59:41,440

so
