STEPHEN MEHLER

LECTURE ON

KHEMITOLOGY

HAKIM AWYAN

DEN OF LORE

1  
00:00:22,269 --> 00:00:18,210

[Music]

2  
00:00:26,080 --> 00:00:22,279

area.if hopefully everyone can hear me

3  
00:00:28,210 --> 00:00:26,090

now on the outside sound should be good

4  
00:00:31,120 --> 00:00:28,220

we've got sound in the studio we've got

5  
00:00:35,500 --> 00:00:31,130

sound out to mr. Mellor and sound to the

6  
00:00:38,610 --> 00:00:35,510

rest of our audience so how have you

7  
00:00:41,170 --> 00:00:38,620

been in the ensuing a couple of weeks

8  
00:00:42,369 --> 00:00:41,180

you you've got a big tour that's coming

9  
00:00:46,720 --> 00:00:42,379

up in the next three weeks if I'm not

10  
00:00:50,470 --> 00:00:46,730

mistaken we started we have started

11  
00:00:53,680 --> 00:00:50,480

we're good to go thank you very much

12  
00:00:55,389 --> 00:00:53,690

Steve and I appreciate it and actually

13  
00:00:56,950 --> 00:00:55,399

we're going to talk about Aries it's

14

00:00:58,569 --> 00:00:56,960

interesting we're gonna talk about the

15

00:01:01,330 --> 00:00:58,579

age of Aries and it's gonna be your sign

16

00:01:03,490 --> 00:01:01,340

so it's gonna be great and I also would

17

00:01:07,420 --> 00:01:03,500

like to start off by paying condolences

18

00:01:08,980 --> 00:01:07,430

and paying respects to a person who if

19

00:01:10,930 --> 00:01:08,990

it wasn't for him we wouldn't be talking

20

00:01:14,590 --> 00:01:10,940

now and that's the late great art Bell

21

00:01:16,120 --> 00:01:14,600

mmm passed away last Friday was the

22

00:01:18,790 --> 00:01:16,130

pioneer of this kind of radio

23

00:01:20,859 --> 00:01:18,800

programming I first started to listen to

24

00:01:23,249 --> 00:01:20,869

art in the mid 90s I was actually

25

00:01:26,170 --> 00:01:23,259

scheduled to be interviewed with him in

26

00:01:28,270 --> 00:01:26,180

2002 my book had been released I was

27

00:01:31,480 --> 00:01:28,280

interviewed with whitley strieber on

28

00:01:33,520 --> 00:01:31,490

Dream Land in January of 2002 I was

29

00:01:35,649 --> 00:01:33,530

scheduled to be on with art in April of

30

00:01:38,050 --> 00:01:35,659

2002 and I was really looking forward to

31

00:01:40,060 --> 00:01:38,060

it and as what happened a lot of times

32

00:01:43,030 --> 00:01:40,070

at that time period his back went out

33

00:01:44,590 --> 00:01:43,040

and we had a substitute that sat in and

34

00:01:46,139 --> 00:01:44,600

that guy's name was George Noory and the

35

00:01:49,719 --> 00:01:46,149

rest is history

36

00:01:52,929 --> 00:01:49,729

well George has again he's as much of a

37

00:01:56,109 --> 00:01:52,939

pioneer to this generation as art was to

38

00:01:59,459 --> 00:01:56,119

the last of independent radio and arts

39

00:02:05,980 --> 00:01:59,469

has what was a big inspiration to me in

40

00:02:09,460 --> 00:02:05,990

just doing this as a whole I listen to

41

00:02:13,300 --> 00:02:09,470

art for a very long time myself and you

42

00:02:15,280 --> 00:02:13,310

know if he's great yeah so it I know

43

00:02:17,380 --> 00:02:15,290

that he'll be missed I know that it's um

44

00:02:20,680 --> 00:02:17,390

it's a big legacy to live up to for a

45

00:02:24,250 --> 00:02:20,690

lot of us in independent broadcasting

46

00:02:27,189 --> 00:02:24,260

and you know it's it's a great loss and

47

00:02:30,710 --> 00:02:27,199

we hope that his family and his friends

48

00:02:34,520 --> 00:02:30,720

are doing well and

49

00:02:37,760 --> 00:02:34,530

and wool wool keep going his name it is

50

00:02:39,830 --> 00:02:37,770

name and it was it was our two first

51  
00:02:42,380 --> 00:02:39,840  
gave a voice to people to speak

52  
00:02:43,790 --> 00:02:42,390  
alternative Egyptology like John Anthony

53  
00:02:45,950 --> 00:02:43,800  
where's Mary apparent conch and others

54  
00:02:50,300 --> 00:02:45,960  
and so he was a champion and we

55  
00:02:50,810 --> 00:02:50,310  
respected and looking forward to the

56  
00:02:53,740 --> 00:02:50,820  
future

57  
00:02:57,170 --> 00:02:53,750  
yes what I would like to do tonight is

58  
00:02:59,960 --> 00:02:57,180  
start out by just establishing the clear

59  
00:03:01,120 --> 00:02:59,970  
difference between Egyptology and Kemet

60  
00:03:03,500 --> 00:03:01,130  
ology so people have an understanding

61  
00:03:05,810 --> 00:03:03,510  
because there is a framework here there

62  
00:03:07,790 --> 00:03:05,820  
was a basis that our King gave us and it

63  
00:03:11,140 --> 00:03:07,800

starts out what's called with the number

64

00:03:13,850 --> 00:03:11,150

five we talk about five houses five pers

65

00:03:16,460 --> 00:03:13,860

are meant house in the ancient language

66

00:03:18,710 --> 00:03:16,470

and the first one is really significant

67

00:03:21,980 --> 00:03:18,720

to get us going because as I have said

68

00:03:24,890 --> 00:03:21,990

we've all used the word fair or wrong

69

00:03:27,350 --> 00:03:24,900

determines per eye and in the ancient

70

00:03:30,260 --> 00:03:27,360

language it meant the high house now

71

00:03:32,540 --> 00:03:30,270

again we differentiate Egyptology and

72

00:03:35,479 --> 00:03:32,550

Kemet ology as that Egyptology is

73

00:03:36,920 --> 00:03:35,489

basically greco-roman mythology it was

74

00:03:39,110 --> 00:03:36,930

the Greeks and the Romans who came out

75

00:03:40,940 --> 00:03:39,120

gave to the Western world that this was

76

00:03:43,130 --> 00:03:40,950

a civilization of kings and their sons

77

00:03:45,890 --> 00:03:43,140

male pharaohs kings and their sons and

78

00:03:47,870 --> 00:03:45,900

they all used the word wrong per our

79

00:03:51,110 --> 00:03:47,880

means the high house it's the woman's

80

00:03:52,729 --> 00:03:51,120

house there were never any male pharaohs

81

00:03:54,830 --> 00:03:52,739

period end of discussion

82

00:03:57,170 --> 00:03:54,840

it was always the descent went for

83

00:03:58,580 --> 00:03:57,180

mother to daughter open people always it

84

00:04:00,470 --> 00:03:58,590

would have been whose the people that we

85

00:04:02,810 --> 00:04:00,480

see on the walls all of these statues of

86

00:04:05,750 --> 00:04:02,820

ah we're gonna discuss that tonight as

87

00:04:08,180 --> 00:04:05,760

we discussed how religion came to be but

88

00:04:10,120 --> 00:04:08,190

this was really an alliance that was

89

00:04:12,740 --> 00:04:10,130

formed in Adam myths of prehistory

90

00:04:15,920 --> 00:04:12,750

between what we can call the warrior

91

00:04:17,240 --> 00:04:15,930

class or the ruling class or the wealthy

92

00:04:19,759 --> 00:04:17,250

class all fitting the same

93

00:04:22,640 --> 00:04:19,769

characteristic and the clergy the

94

00:04:24,710 --> 00:04:22,650

budding emerging clergy they formed an

95

00:04:27,800 --> 00:04:24,720

alliance to form civilization and they

96

00:04:29,960 --> 00:04:27,810

created religion together and so per I

97

00:04:31,790 --> 00:04:29,970

was the high house the mother's house

98

00:04:34,430 --> 00:04:31,800

dissent went from mother to daughter

99

00:04:36,530 --> 00:04:34,440

never was the person that was depicted

100

00:04:38,779 --> 00:04:36,540

on the walls and statues was what would

101  
00:04:41,750 --> 00:04:38,789  
you call the male head of the family the

102  
00:04:44,210 --> 00:04:41,760  
person that was chosen by the / art to

103  
00:04:46,670 --> 00:04:44,220  
rule and so the priest

104  
00:04:48,950 --> 00:04:46,680  
this person created the tombs and all

105  
00:04:50,330 --> 00:04:48,960  
the drawings and statues we see just to

106  
00:04:52,880 --> 00:04:50,340  
flatter this person but they were not

107  
00:04:56,630 --> 00:04:52,890  
the rulers in fact Hakim used to even

108  
00:04:58,760 --> 00:04:56,640  
say that they were not even Kings until

109  
00:05:00,920 --> 00:04:58,770  
we come to what we call and again we use

110  
00:05:02,840 --> 00:05:00,930  
their distinction because people always

111  
00:05:06,320 --> 00:05:02,850  
in reference of it what we call the New

112  
00:05:08,360 --> 00:05:06,330  
Kingdom period around 1500 BCE is when

113  
00:05:10,670 --> 00:05:08,370

actually starts to become what you could

114

00:05:13,070 --> 00:05:10,680

call a king but they still have the

115

00:05:16,460 --> 00:05:13,080

power and again the story was the

116

00:05:18,320 --> 00:05:16,470

civilization was a theocracy not a

117

00:05:22,820 --> 00:05:18,330

monarchy declared you ruled everything

118

00:05:23,420 --> 00:05:22,830

so the second / we come up to is / ba /

119

00:05:27,500 --> 00:05:23,430

ba

120

00:05:29,690 --> 00:05:27,510

mistranslated by many people especially

121

00:05:31,910 --> 00:05:29,700

Egyptologists it meant the spirit

122

00:05:33,950 --> 00:05:31,920

some people say soul but we don't go

123

00:05:35,390 --> 00:05:33,960

there we'll say spirit so the house of

124

00:05:36,740 --> 00:05:35,400

the spirit well that's your temple

125

00:05:38,840 --> 00:05:36,750

that's where you go to raise

126

00:05:42,380 --> 00:05:38,850

consciousness to deal with spiritual

127

00:05:45,050 --> 00:05:42,390

spirituality then we have de / calm now

128

00:05:47,570 --> 00:05:45,060

cut as another word which is terribly

129

00:05:50,360 --> 00:05:47,580

mistranslated I came translated as the

130

00:05:53,690 --> 00:05:50,370

physical projection of the body meaning

131

00:05:56,480 --> 00:05:53,700

the the personality or the astral body

132

00:05:58,700 --> 00:05:56,490

so that's and it's also something that

133

00:06:00,770 --> 00:05:58,710

stays with the body so the perk car was

134

00:06:02,930 --> 00:06:00,780

the tomb when it would make offerings to

135

00:06:05,120 --> 00:06:02,940

the body which is hot came with a tea

136

00:06:06,469 --> 00:06:05,130

they would make offerings to the car the

137

00:06:08,930 --> 00:06:06,479

personality was supposed to stay with

138

00:06:10,520 --> 00:06:08,940

the body and be with the body so then

139

00:06:11,810 --> 00:06:10,530

last of course is the most controversial

140

00:06:14,210 --> 00:06:11,820

which is premature

141

00:06:16,640 --> 00:06:14,220

now nectar is the word has been terribly

142

00:06:18,800 --> 00:06:16,650

missed translated by Egyptologists the

143

00:06:20,030 --> 00:06:18,810

best translations and is to go to the

144

00:06:22,940 --> 00:06:20,040

work of John Anthony West who was a

145

00:06:24,440 --> 00:06:22,950

follower of RA swalla to Lubitsch it was

146

00:06:27,290 --> 00:06:24,450

followed to Lubitsch who first said that

147

00:06:29,780 --> 00:06:27,300

netter does not mean deity is an aspect

148

00:06:31,700 --> 00:06:29,790

of the whole and we further call it a

149

00:06:34,370 --> 00:06:31,710

sense that we have that's why I came to

150

00:06:36,110 --> 00:06:34,380

talk with former 360 senses so natives

151

00:06:38,870 --> 00:06:36,120

were not gods there are aspects of

152

00:06:41,180 --> 00:06:38,880

consciousness sir / nectar the house of

153

00:06:44,719 --> 00:06:41,190

the nectar and it's also the word nectar

154

00:06:46,670 --> 00:06:44,729

when the Greeks came in to Egypt they

155

00:06:48,680 --> 00:06:46,680

started to look they saw this word they

156

00:06:51,710 --> 00:06:48,690

saw this concept and they pronounced it

157

00:06:55,100 --> 00:06:51,720

nature nature they had their own word

158

00:06:56,630 --> 00:06:55,110

physis physis meant nature it meant the

159

00:06:58,100 --> 00:06:56,640

physical it meant physics with where we

160

00:06:59,930 --> 00:06:58,110

get those words today

161

00:07:02,180 --> 00:06:59,940

but the Latin speaking people followed

162

00:07:04,940 --> 00:07:02,190

them to Roman's hearing the Greek say

163

00:07:06,890 --> 00:07:04,950

nature for the sign they identified it

164

00:07:10,130 --> 00:07:06,900

with their word not to de which is

165

00:07:10,820 --> 00:07:10,140

nature so we say the Houston predictor

166

00:07:12,500 --> 00:07:10,830

as well

167

00:07:14,990 --> 00:07:12,510

the word pyramid comes from but it's a

168

00:07:17,120 --> 00:07:15,000

total distortion per nature meant the

169

00:07:19,160 --> 00:07:17,130

house of nature the house of energy

170

00:07:21,440 --> 00:07:19,170

never did anything to do with a tomb

171

00:07:22,940 --> 00:07:21,450

never to anything to do with a burial so

172

00:07:24,350 --> 00:07:22,950

therefore no one was ever supposed to

173

00:07:26,570 --> 00:07:24,360

have been buried in a pyramid its

174

00:07:28,550 --> 00:07:26,580

original intent house of energy answer

175

00:07:30,440 --> 00:07:28,560

nature now we can go into more detail to

176

00:07:31,700 --> 00:07:30,450

discuss the pyramid if you'd like all

177

00:07:33,800 --> 00:07:31,710

the different energies and things we

178

00:07:36,050 --> 00:07:33,810

have but never were they to be burial

179

00:07:38,000 --> 00:07:36,060

places that's key that's the first basic

180

00:07:39,320 --> 00:07:38,010

understanding and then Hakeem gave us

181

00:07:40,970 --> 00:07:39,330

what we call what we talked about last

182

00:07:42,950 --> 00:07:40,980

time we'll go into a little more detail

183

00:07:45,530 --> 00:07:42,960

now so we have an understanding the five

184

00:07:47,840 --> 00:07:45,540

stages of the Sun the Sun as it makes

185

00:07:50,240 --> 00:07:47,850

its daily movement across the sky is

186

00:07:52,460 --> 00:07:50,250

broken into five stages those stages

187

00:07:54,580 --> 00:07:52,470

also represent our level of

188

00:07:58,370 --> 00:07:54,590

consciousness and our development are

189

00:08:00,320 --> 00:07:58,380

actual prehistory so the first one the

190

00:08:02,120 --> 00:08:00,330

dawn is the scarab beetle called leper

191

00:08:04,610 --> 00:08:02,130

it means a dawn of consciousness the

192

00:08:07,010 --> 00:08:04,620

birth of consciousness second is raw at

193

00:08:09,320 --> 00:08:07,020

noon that's the Sun at noon it means

194

00:08:17,240 --> 00:08:09,330

adolescent consciousness and then the

195

00:08:19,850 --> 00:08:17,250

third is is it is is is a it is excuse

196

00:08:21,890 --> 00:08:19,860

me is owned moon represents the Sun

197

00:08:24,080 --> 00:08:21,900

moving across the day the afternoon sky

198

00:08:26,330 --> 00:08:24,090

as it's becoming conscious it means the

199

00:08:28,130 --> 00:08:26,340

wise we become conscious we've attained

200

00:08:29,780 --> 00:08:28,140

some degree of consciousness and the and

201  
00:08:31,640 --> 00:08:29,790  
the lab next stage the fourth stage is

202  
00:08:33,500 --> 00:08:31,650  
often or it in which we'll discuss in

203  
00:08:36,110 --> 00:08:33,510  
more detail later we're going to discuss

204  
00:08:37,820 --> 00:08:36,120  
my second book and that means the

205  
00:08:40,219 --> 00:08:37,830  
highest state of consciousness the Sun

206  
00:08:42,200 --> 00:08:40,229  
in its full flowering of the day the

207  
00:08:44,090 --> 00:08:42,210  
peak of the Sun it's the highest state

208  
00:08:47,000 --> 00:08:44,100  
of consciousness the fifth stage is

209  
00:08:49,640 --> 00:08:47,010  
night the Sun gets swallowed there's no

210  
00:08:51,620 --> 00:08:49,650  
image and it's night it's darkness and

211  
00:08:54,680 --> 00:08:51,630  
it's characterized by polarity conscious

212  
00:08:56,330 --> 00:08:54,690  
my separation now of course as I said

213  
00:08:57,950 --> 00:08:56,340

last time when I usually used to give

214

00:08:59,090 --> 00:08:57,960

these lectures I would say well folks in

215

00:09:01,010 --> 00:08:59,100

the audience where do you think what

216

00:09:02,420 --> 00:09:01,020

stage we're in now and everybody at that

217

00:09:04,010 --> 00:09:02,430

time period would say oh we're in opted

218

00:09:06,530 --> 00:09:04,020

with a higher state of consciousness I'd

219

00:09:09,380 --> 00:09:06,540

say no thanks for playing

220

00:09:11,319 --> 00:09:09,390

we're in alman we're in the stage of

221

00:09:13,179 --> 00:09:11,329

darkness for the last five

222

00:09:15,249 --> 00:09:13,189

plus years now what has this been

223

00:09:18,309 --> 00:09:15,259

characterized by institutionalized

224

00:09:20,949 --> 00:09:18,319

warfare as we discussed by the rise of

225

00:09:23,139 --> 00:09:20,959

patriarchal religions and here is where

226

00:09:24,850 --> 00:09:23,149

we can link as we do in the greatest

227

00:09:26,530 --> 00:09:24,860

person in someone you should interview

228

00:09:28,989 --> 00:09:26,540

is the co-worker that I work with

229

00:09:30,669 --> 00:09:28,999

Patricia Laban Howie Hahn who was a

230

00:09:32,919 --> 00:09:30,679

Keim's daughter-in-law she talks about

231

00:09:35,199 --> 00:09:32,929

cycles and in symbology

232

00:09:38,769 --> 00:09:35,209

to a tremendous degree but here's the

233

00:09:41,499 --> 00:09:38,779

key this age of almond was characterized

234

00:09:43,900 --> 00:09:41,509

by the RAM will characterize McGann we

235

00:09:46,660 --> 00:09:43,910

could put our astrological Ages fit

236

00:09:49,239 --> 00:09:46,670

right in to these cycles because the age

237

00:09:52,419 --> 00:09:49,249

of Amun is also the age of Aries is the

238

00:09:55,359 --> 00:09:52,429

ages come around 2,000 BCE to around

239

00:09:57,009 --> 00:09:55,369

1800 BCE is this time period so the

240

00:09:59,590 --> 00:09:57,019

astrological age of Aries is there what

241

00:10:02,139 --> 00:09:59,600

is the sign of Aries the RAM I had a

242

00:10:03,549 --> 00:10:02,149

very very good friend one of my dearest

243

00:10:06,100 --> 00:10:03,559

friends of my life she was a Rosicrucian

244

00:10:07,780 --> 00:10:06,110

a dear friend for many years and being

245

00:10:10,150 --> 00:10:07,790

an Aries she opened a bookstore right

246

00:10:13,090 --> 00:10:10,160

next to Rosicrucian Park in the 80s and

247

00:10:15,759 --> 00:10:13,100

called it Ram metaphysical coastal she

248

00:10:18,039 --> 00:10:15,769

was an Aries and so the characteristic

249

00:10:20,799 --> 00:10:18,049

of alias Aries is of course the God of

250

00:10:22,840 --> 00:10:20,809

War - the root to the Greeks yes yes we

251

00:10:24,009 --> 00:10:22,850

have institutionalized warfare so it's

252

00:10:25,509 --> 00:10:24,019

gonna be the age of Aries we're gonna

253

00:10:27,460 --> 00:10:25,519

discuss in more detail later when we

254

00:10:29,739 --> 00:10:27,470

discuss the rise of religion but it's

255

00:10:32,019 --> 00:10:29,749

key for people to understand we are a

256

00:10:34,689 --> 00:10:32,029

basic difference between what other

257

00:10:36,879 --> 00:10:34,699

tours do and what other people

258

00:10:38,889 --> 00:10:36,889

Egyptology teaches we do not teach kings

259

00:10:39,340 --> 00:10:38,899

and their sons kings lists pyramids

260

00:10:41,109 --> 00:10:39,350

tombs

261

00:10:43,090 --> 00:10:41,119

that's all nonsense and what I came

262

00:10:45,309 --> 00:10:43,100

toward us because of these understanding

263

00:10:47,169 --> 00:10:45,319

of cycles the cycle before this one

264

00:10:50,350 --> 00:10:47,179

often when we were in the highest state

265

00:10:52,329 --> 00:10:50,360

of consciousness is about 25,000 years

266

00:10:54,069 --> 00:10:52,339

ago and it is when the pyramids were

267

00:10:56,019 --> 00:10:54,079

built so we're in a higher state of

268

00:10:57,609 --> 00:10:56,029

consciousness when we built the pyramids

269

00:11:00,100 --> 00:10:57,619

and when we did this incredible

270

00:11:01,960 --> 00:11:00,110

megalithic civilization which is left to

271

00:11:03,539 --> 00:11:01,970

us which is one of the first things I

272

00:11:05,799 --> 00:11:03,549

came toward that there was a previous

273

00:11:07,780 --> 00:11:05,809

civilization to the so called dynasties

274

00:11:09,909 --> 00:11:07,790

highly advanced working in the hardest

275

00:11:12,400 --> 00:11:09,919

stones on his planet doing machining and

276

00:11:14,769 --> 00:11:12,410

engineering that equals an or higher

277

00:11:15,999 --> 00:11:14,779

than things we could do today and it's

278

00:11:17,650 --> 00:11:16,009

because we were in a higher state of

279

00:11:20,439 --> 00:11:17,660

consciousness it was not in this

280

00:11:22,929 --> 00:11:20,449

dynastic time period so what we teach

281

00:11:24,610 --> 00:11:22,939

and a lot of what we teach has to do

282

00:11:26,470 --> 00:11:24,620

with what's called citrate

283

00:11:28,060 --> 00:11:26,480

information again it's how I explained

284

00:11:30,760 --> 00:11:28,070

to you before and we'll do it again

285

00:11:33,490 --> 00:11:30,770

Hakeem's teachings were like peeling

286

00:11:36,840 --> 00:11:33,500

away the layers of an onion the top

287

00:11:40,240 --> 00:11:36,850

layer is the current Islamic Arab layer

288

00:11:44,830 --> 00:11:40,250

under that is a Coptic Christian layer

289

00:11:46,840 --> 00:11:44,840

under that was a Roman layer under that

290

00:11:49,540 --> 00:11:46,850

was a Jewish layer which very few people

291

00:11:52,660 --> 00:11:49,550

talked about under that was a Greek

292

00:11:56,200 --> 00:11:52,670

layer under that was a Persian layer

293

00:11:58,240 --> 00:11:56,210

then under that is the dynasties from

294

00:12:00,850 --> 00:11:58,250

what they say Old Kingdom to Middle

295

00:12:03,340 --> 00:12:00,860

Kingdom to nuking first starting but for

296

00:12:05,650 --> 00:12:03,350

going backwards New Kingdom bill Kingdom

297

00:12:08,530 --> 00:12:05,660

Old Kingdom and that's what they say is

298

00:12:10,720 --> 00:12:08,540

Egypt no we peel away the dynasties and

299

00:12:14,380 --> 00:12:10,730

show you ancient Kemet underneath

300

00:12:16,150 --> 00:12:14,390

now how did you first meet her came well

301

00:12:18,160 --> 00:12:16,160

it was a great story and it's an article

302

00:12:20,110 --> 00:12:18,170

that I said to you that is it's up on

303

00:12:21,760 --> 00:12:20,120

upset it's up on my page on my Facebook

304

00:12:23,080 --> 00:12:21,770

page to where we've written a little

305

00:12:26,340 --> 00:12:23,090

history cuz we're doing history if I

306

00:12:29,110 --> 00:12:26,350

came this year I first heard his name in

307

00:12:30,940 --> 00:12:29,120

1987 I was involved with the research on

308

00:12:35,470 --> 00:12:30,950

crystal skulls and that's another show

309

00:12:36,850 --> 00:12:35,480

now we could do skulls 1987 I was a part

310

00:12:38,800 --> 00:12:36,860

of a panel discussion at the San

311

00:12:40,420 --> 00:12:38,810

Francisco Co Life Expo there was a

312

00:12:42,430 --> 00:12:40,430

company there was a group there that was

313

00:12:44,410 --> 00:12:42,440

a tour company that was leading towards

314

00:12:46,510 --> 00:12:44,420

Egypt was called power places tours

315

00:12:47,860 --> 00:12:46,520

they're still in existence they were the

316

00:12:49,330 --> 00:12:47,870

first group in the eighties to lead

317

00:12:52,210 --> 00:12:49,340

people to Egypt to do so-called

318

00:12:54,310 --> 00:12:52,220

spiritual or metaphysical tours now I

319

00:12:56,350 --> 00:12:54,320

talked with the people there and we got

320

00:12:58,540 --> 00:12:56,360

real friendly and I knew I knew it so

321

00:13:01,870 --> 00:12:58,550

you gotta come with us and we have a

322

00:13:03,550 --> 00:13:01,880

guide this guy knows the old ways and he

323

00:13:05,140 --> 00:13:03,560

does a lot of the old teachings and he

324

00:13:08,230 --> 00:13:05,150

just said the name Hakim

325

00:13:09,730 --> 00:13:08,240

that's all that was 1987 it was until

326

00:13:12,580 --> 00:13:09,740

five years later through a series of

327

00:13:14,950 --> 00:13:12,590

miraculous events which I document money

328

00:13:18,130 --> 00:13:14,960

was available there was a tour I went

329

00:13:19,510 --> 00:13:18,140

and I met with Nicky Scully who was

330

00:13:21,910 --> 00:13:19,520

another great story that I could tell

331

00:13:24,250 --> 00:13:21,920

Nicky skully is probably the Dean of any

332

00:13:26,710 --> 00:13:24,260

Americans who lead towards Egypt she's

333

00:13:28,180 --> 00:13:26,720

been going to Egypt since 1978 when she

334

00:13:30,310 --> 00:13:28,190

went with the Grateful Dead and that's

335

00:13:31,690 --> 00:13:30,320

another great Hakim story and then she

336

00:13:33,910 --> 00:13:31,700

came back and started doing tours so I

337

00:13:36,100 --> 00:13:33,920

hooked up with her in 1992 and lo and

338

00:13:37,750 --> 00:13:36,110

behold who was the tour guide she was

339

00:13:39,940 --> 00:13:37,760

using Abdel a king

340

00:13:41,560 --> 00:13:39,950

are we on so the first day I'd met him

341

00:13:44,710 --> 00:13:41,570

and I never will forget this date

342

00:13:47,830 --> 00:13:44,720

November 16th 1992 will be 26 years

343

00:13:50,140 --> 00:13:47,840

going that air he was standing in front

344

00:13:52,450 --> 00:13:50,150

of the Sphinx and as I have said I have

345

00:13:54,880 --> 00:13:52,460

a deep connection how my connection to

346

00:13:57,040 --> 00:13:54,890

all of this is is that a young boy about

347

00:13:58,720 --> 00:13:57,050

eight years old I picked up a copy of

348

00:14:00,670 --> 00:13:58,730

National Geographic which my mother took

349

00:14:02,380 --> 00:14:00,680

her blessed memory always kept around

350

00:14:03,730 --> 00:14:02,390

the house and there was a picture of the

351  
00:14:05,710 --> 00:14:03,740  
Sphinx in the Great Pyramid and I was

352  
00:14:07,540 --> 00:14:05,720  
mesmerised at eight years old I could

353  
00:14:09,490 --> 00:14:07,550  
not articulate what was happening but

354  
00:14:11,650 --> 00:14:09,500  
something deep within my core was

355  
00:14:13,840 --> 00:14:11,660  
awakened and now what I know was is a

356  
00:14:15,910 --> 00:14:13,850  
great unconscious connection to this fix

357  
00:14:18,550 --> 00:14:15,920  
the Sphinx has always been my guard my

358  
00:14:21,070 --> 00:14:18,560  
guardian my guardian my guide to Egypt

359  
00:14:23,290 --> 00:14:21,080  
and and she was there for me and then I

360  
00:14:24,910 --> 00:14:23,300  
that started eight years old an undying

361  
00:14:27,430 --> 00:14:24,920  
passion to want to know anything about

362  
00:14:29,950 --> 00:14:27,440  
Egypt and finally in 1968 it formally

363  
00:14:31,360 --> 00:14:29,960

became my life's work so there it was

364

00:14:33,280 --> 00:14:31,370

and there he was standing in front of

365

00:14:36,730 --> 00:14:33,290

the Sphinx so I look at him and I look

366

00:14:39,370 --> 00:14:36,740

at her and he says carefully to us just

367

00:14:41,470 --> 00:14:39,380

calmly discussing he would say and she

368

00:14:43,960 --> 00:14:41,480

first time I ever heard anybody whose

369

00:14:47,230 --> 00:14:43,970

the word she pointing to her over his

370

00:14:49,840 --> 00:14:47,240

shoulder said she is fifty to fifty four

371

00:14:51,940 --> 00:14:49,850

thousand years old now my toe hit the

372

00:14:55,540 --> 00:14:51,950

floor and I knew and I looked at her and

373

00:14:57,190 --> 00:14:55,550

she said to me this is your teacher this

374

00:14:59,890 --> 00:14:57,200

is the man you've been searching for all

375

00:15:02,560 --> 00:14:59,900

your life he is my son and that began

376

00:15:05,200 --> 00:15:02,570

the sixteen year journey of working with

377

00:15:10,090 --> 00:15:05,210

him until his passing in August of 2008

378

00:15:13,810 --> 00:15:10,100

it will be ten years in August and how

379

00:15:16,270 --> 00:15:13,820

and I'm trying to be able to to join the

380

00:15:19,440 --> 00:15:16,280

two stories one being Kemet ology as a

381

00:15:22,420 --> 00:15:19,450

whole and one being the story of Hakeem

382

00:15:25,330 --> 00:15:22,430

what was the first lesson that he taught

383

00:15:28,660 --> 00:15:25,340

you boom this makes is 54,000 news okay

384

00:15:30,610 --> 00:15:28,670

the second the second question male

385

00:15:32,770 --> 00:15:30,620

making King making an offering to the

386

00:15:34,600 --> 00:15:32,780

Sun it's something totally else and then

387

00:15:36,610 --> 00:15:34,610

he told us the story of tefnuit and

388

00:15:38,680 --> 00:15:36,620

that's who she was this is the first

389

00:15:40,840 --> 00:15:38,690

teaching this is a basic teaching of the

390

00:15:43,750 --> 00:15:40,850

matriarchy this was a matriarchal

391

00:15:47,200 --> 00:15:43,760

civilization their only idea of deity

392

00:15:50,410 --> 00:15:47,210

was the cosmos itself was feminine and

393

00:15:52,540 --> 00:15:50,420

they called it Newt and UT but at first

394

00:15:53,949 --> 00:15:52,550

was no image of her but then came as

395

00:15:55,360 --> 00:15:53,959

people were coming into certain degrees

396

00:15:59,980 --> 00:15:55,370

of consciousness came the understanding

397

00:16:02,350 --> 00:15:59,990

that note herself the great mother what

398

00:16:05,110 --> 00:16:02,360

did the manifest in physical form so the

399

00:16:08,860 --> 00:16:05,120

legend the story that he gave us is note

400

00:16:11,470 --> 00:16:08,870

spit and where she spent the term is

401  
00:16:13,810 --> 00:16:11,480  
called Taft Newt death note is the spit

402  
00:16:15,490 --> 00:16:13,820  
of new toys Chur humidity means a lot of

403  
00:16:18,430 --> 00:16:15,500  
different things but the spit of the

404  
00:16:21,699 --> 00:16:18,440  
Great Mother and why why did he say why

405  
00:16:23,019 --> 00:16:21,709  
would he say using saliva spit well you

406  
00:16:26,110 --> 00:16:23,029  
know the scientific term is when we

407  
00:16:28,509 --> 00:16:26,120  
expect the rate we never it's never the

408  
00:16:31,090 --> 00:16:28,519  
same thing and it has no measurable mass

409  
00:16:33,040 --> 00:16:31,100  
and weight so they were saying to us the

410  
00:16:35,290 --> 00:16:33,050  
ancients you cannot define the Great

411  
00:16:37,420 --> 00:16:35,300  
Mother but if you must will make a

412  
00:16:39,220 --> 00:16:37,430  
statue of her and here she is and that

413  
00:16:41,650 --> 00:16:39,230

was the sphinx definite so the

414

00:16:43,449 --> 00:16:41,660

matriarchal understanding was the basis

415

00:16:45,639 --> 00:16:43,459

of this civilization there were no male

416

00:16:48,129 --> 00:16:45,649

deities there were no male letters

417

00:16:49,870 --> 00:16:48,139

it was tech newt didn't afternoon then

418

00:16:53,530 --> 00:16:49,880

they came a series of stories where the

419

00:16:56,410 --> 00:16:53,540

priests created 360 180 feminine we

420

00:16:59,050 --> 00:16:56,420

label 180 we labeled masculine they are

421

00:17:00,639 --> 00:16:59,060

the letters this is not polytheism and

422

00:17:02,350 --> 00:17:00,649

this is what we could discuss more we'll

423

00:17:03,939 --> 00:17:02,360

go a little bit more into the second

424

00:17:07,120 --> 00:17:03,949

book but this was the first teaching

425

00:17:09,280 --> 00:17:07,130

matriarchy and then cycles the cycles

426  
00:17:11,289 --> 00:17:09,290  
that continue over and over and again we

427  
00:17:13,270 --> 00:17:11,299  
can show the different prime time

428  
00:17:14,799 --> 00:17:13,280  
periods on the walls in the temples of

429  
00:17:17,559 --> 00:17:14,809  
Egypt where you can see what's the

430  
00:17:19,720 --> 00:17:17,569  
dominating symbol at that time and if

431  
00:17:21,640 --> 00:17:19,730  
it's the RAM it's it's it's it's of

432  
00:17:23,710 --> 00:17:21,650  
constant it's the discontent age of

433  
00:17:26,409 --> 00:17:23,720  
Aries we could go back to older ages we

434  
00:17:29,200 --> 00:17:26,419  
see how the symbols changed and we see

435  
00:17:32,380 --> 00:17:29,210  
how the priests marked the energy lines

436  
00:17:34,390 --> 00:17:32,390  
they knew what we called ley lines what

437  
00:17:36,940 --> 00:17:34,400  
we call vortexes what we call power

438  
00:17:39,549 --> 00:17:36,950

places they understood running water and

439

00:17:42,520 --> 00:17:39,559

crystal create an energy field that's

440

00:17:46,360 --> 00:17:42,530

why and how Kim would always say to us

441

00:17:48,310 --> 00:17:46,370

the site dictates what's there so why is

442

00:17:49,960 --> 00:17:48,320

this things where she is why are the

443

00:17:52,090 --> 00:17:49,970

three great pyramids there and the

444

00:17:53,440 --> 00:17:52,100

reason there were nine not three it's

445

00:17:56,830 --> 00:17:53,450

because that isn't one of the most

446

00:17:59,200 --> 00:17:56,840

powerful energy spots on our planet the

447

00:18:01,450 --> 00:17:59,210

Giza Plateau underground running water

448

00:18:04,060 --> 00:18:01,460

underground source of crystal and

449

00:18:06,010 --> 00:18:04,070

igneous rock which is crystalline stone

450

00:18:08,470 --> 00:18:06,020

it's the magnetic energy fields that we

451  
00:18:11,320 --> 00:18:08,480  
feel and our power place and that's why

452  
00:18:13,570 --> 00:18:11,330  
temples pyramids and sacred sites all

453  
00:18:16,240 --> 00:18:13,580  
around the world will have structures

454  
00:18:18,820 --> 00:18:16,250  
created by indigenous peoples because

455  
00:18:20,140 --> 00:18:18,830  
they knew the energy lines and so this

456  
00:18:21,970 --> 00:18:20,150  
is part of Patricia's teachings

457  
00:18:23,800 --> 00:18:21,980  
Patricia's teachings are tremendous

458  
00:18:25,810 --> 00:18:23,810  
she shows how the priests followed the

459  
00:18:27,640 --> 00:18:25,820  
energy lines understood certain areas

460  
00:18:29,500 --> 00:18:27,650  
controlled the energy lines and this is

461  
00:18:31,210 --> 00:18:29,510  
what's on the walls this were teachings

462  
00:18:33,010 --> 00:18:31,220  
for different degrees of people they

463  
00:18:35,980 --> 00:18:33,020

were not just things they had a flatter

464

00:18:37,840 --> 00:18:35,990

said person a king or male that's

465

00:18:40,090 --> 00:18:37,850

passing on and he was great he did this

466

00:18:41,860 --> 00:18:40,100

he did that that was you know propaganda

467

00:18:43,630 --> 00:18:41,870

nonsense the teachings they did on the

468

00:18:45,310 --> 00:18:43,640

walls were for different degrees of

469

00:18:47,260 --> 00:18:45,320

understanding and there were different

470

00:18:48,940 --> 00:18:47,270

levels of priesthood only the high

471

00:18:50,680 --> 00:18:48,950

priests only the very highest initiates

472

00:18:52,780 --> 00:18:50,690

would understand totally what was being

473

00:18:54,100 --> 00:18:52,790

written on there and different levels to

474

00:18:56,110 --> 00:18:54,110

different levels of understanding and

475

00:18:57,910 --> 00:18:56,120

because Egyptologists don't have the

476

00:19:00,310 --> 00:18:57,920

understanding they only see the very

477

00:19:00,940 --> 00:19:00,320

superficial and translations of these

478

00:19:04,930 --> 00:19:00,950

glyphs

479

00:19:09,400 --> 00:19:04,940

well III can understand the idea that of

480

00:19:11,050 --> 00:19:09,410

the feminine being the ruling class or

481

00:19:15,150 --> 00:19:11,060

at least that the ruling side versus the

482

00:19:18,160 --> 00:19:15,160

the symbolic ruling side being the male

483

00:19:20,320 --> 00:19:18,170

the ancient teaching is defendant calls

484

00:19:21,880 --> 00:19:20,330

the masculine into being so here in

485

00:19:24,010 --> 00:19:21,890

other words this teaching was not saying

486

00:19:25,960 --> 00:19:24,020

male-female created together and if you

487

00:19:27,250 --> 00:19:25,970

know the true teaching of Genesis the

488

00:19:28,810 --> 00:19:27,260

Old Testament you know that there was a

489

00:19:31,330 --> 00:19:28,820

story before had a meeting there was a

490

00:19:33,820 --> 00:19:31,340

creation before Eve Oh Lilith mmm and

491

00:19:35,170 --> 00:19:33,830

Lilith came to to Adam and said I'm not

492

00:19:36,970 --> 00:19:35,180

gonna lie between you while hard way

493

00:19:38,980 --> 00:19:36,980

Eagles and little Adam suppose he

494

00:19:40,330 --> 00:19:38,990

complains the God said wait a minute you

495

00:19:40,690 --> 00:19:40,340

created this woman here I can't control

496

00:19:44,920 --> 00:19:40,700

her

497

00:19:47,650 --> 00:19:44,930

of all demons and succubi and then comes

498

00:19:49,270 --> 00:19:47,660

gentle sweet Eve who can submit data

499

00:19:51,850 --> 00:19:49,280

that's the patriarchal mythology of

500

00:19:54,040 --> 00:19:51,860

course the understanding is matriarchy

501  
00:19:57,130 --> 00:19:54,050  
was first before we everything we ever

502  
00:20:01,030 --> 00:19:57,140  
knew was mother in fact in ancient Kemet

503  
00:20:04,480 --> 00:20:01,040  
there was no word for wife for husband

504  
00:20:07,150 --> 00:20:04,490  
for brother for father it was only

505  
00:20:09,550 --> 00:20:07,160  
mother and child every other relation in

506  
00:20:12,100 --> 00:20:09,560  
your tribe we would use a word that

507  
00:20:13,870 --> 00:20:12,110  
would be comparable to cousin they were

508  
00:20:16,450 --> 00:20:13,880  
you know related because you were

509  
00:20:17,440 --> 00:20:16,460  
tribally related but in Cajun cabin you

510  
00:20:19,389 --> 00:20:17,450  
never know who you father

511  
00:20:21,820 --> 00:20:19,399  
was it wasn't important your biological

512  
00:20:23,560 --> 00:20:21,830  
father was descending image wasn't for

513  
00:20:26,200 --> 00:20:23,570

your mother's uncle which is called you

514

00:20:28,330 --> 00:20:26,210

know which is agreed it's an example in

515

00:20:29,860 --> 00:20:28,340

matriarchal societies today the mother's

516

00:20:32,529 --> 00:20:29,870

brother is usually the father's symbol

517

00:20:35,379 --> 00:20:32,539

it's right here in this household

518

00:20:37,750 --> 00:20:35,389

everything revolves around Coco she's

519

00:20:41,320 --> 00:20:37,760

she is God she is master everything is

520

00:20:44,710 --> 00:20:41,330

done to serve her that is apparently the

521

00:20:47,440 --> 00:20:44,720

way that it's done in most so it's like

522

00:20:50,080 --> 00:20:47,450

yes and it would be a great a great

523

00:20:52,690 --> 00:20:50,090

British comedy show about a judge what

524

00:20:54,909 --> 00:20:52,700

bowl of the jury of the Bailey and they

525

00:20:58,440 --> 00:20:54,919

used to always call his wife she who

526

00:21:03,360 --> 00:21:00,549

so these themes are have been prevalent

527

00:21:07,000 --> 00:21:03,370

all throughout society even within a

528

00:21:08,560 --> 00:21:07,010

patriarchal structure system well

529

00:21:11,200 --> 00:21:08,570

there's yeah there's now elite didn't I

530

00:21:13,149 --> 00:21:11,210

did now why we're at a balance hmm for

531

00:21:15,519 --> 00:21:13,159

5000 plus years because we've gone now

532

00:21:18,009 --> 00:21:15,529

with a male deity where the male is

533

00:21:20,259 --> 00:21:18,019

ruling the women is secondary and this

534

00:21:22,240 --> 00:21:20,269

is the last 5,000 years this is why the

535

00:21:24,060 --> 00:21:22,250

world is out of balance and is coming

536

00:21:27,639 --> 00:21:24,070

back that way this is why we've had

537

00:21:29,799 --> 00:21:27,649

LGBTQ women's rights and feminism etc it

538

00:21:31,840 --> 00:21:29,809

said it has to lean swing one way to

539

00:21:34,419 --> 00:21:31,850

swing back we're always looking for for

540

00:21:36,879 --> 00:21:34,429

balance for homeostasis for equality for

541

00:21:39,100 --> 00:21:36,889

equilibrium and so it has to swing more

542

00:21:42,759 --> 00:21:39,110

one way now to bring it back because

543

00:21:49,529 --> 00:21:42,769

we've had 5000 years I've simply been

544

00:21:53,409 --> 00:21:49,539

[h\_\_h] it up you know and I'm going to

545

00:21:57,070 --> 00:21:53,419

take yeah that's it at the same time

546

00:22:00,460 --> 00:21:57,080

I've seen whether it's it's one or the

547

00:22:02,799 --> 00:22:00,470

other just alone because if you're

548

00:22:04,419 --> 00:22:02,809

dealing with a with a whole what made up

549

00:22:07,360 --> 00:22:04,429

of two parts you need both parts working

550

00:22:10,330 --> 00:22:07,370

unison for it to function one can either

551

00:22:13,049 --> 00:22:10,340

lead one which again completes the

552

00:22:18,399 --> 00:22:13,059

second half of the cycle and moves on

553

00:22:20,560 --> 00:22:18,409

you know yeah if it's the understanding

554

00:22:22,779 --> 00:22:20,570

is people people do not understand what

555

00:22:24,070 --> 00:22:22,789

matriarchy means this is why I have to

556

00:22:26,680 --> 00:22:24,080

hammer it and Hammer it and keep going

557

00:22:28,570 --> 00:22:26,690

over it doesn't mean women are on top

558

00:22:30,680 --> 00:22:28,580

admit or inferior like I think today

559

00:22:32,299 --> 00:22:30,690

because patriarchy is that way no

560

00:22:34,310 --> 00:22:32,309

men knew their place they knew their

561

00:22:36,289 --> 00:22:34,320

importance they knew their Tirol they

562

00:22:38,690 --> 00:22:36,299

understood that women were the source of

563

00:22:40,580 --> 00:22:38,700

life the source of spirituality their

564

00:22:42,499 --> 00:22:40,590

spiritual power was infinitely greater

565

00:22:44,419 --> 00:22:42,509

than men's and physical power they

566

00:22:46,519 --> 00:22:44,429

understood it but men were not inferior

567

00:22:48,589 --> 00:22:46,529

that's what's to be understood everybody

568

00:22:50,029 --> 00:22:48,599

knew they had a purpose in a row and

569

00:22:52,969 --> 00:22:50,039

even though it was like a group

570

00:22:54,889 --> 00:22:52,979

consciousness it's not like it is in

571

00:22:56,810 --> 00:22:54,899

China everybody wears the same uniform

572

00:22:59,749 --> 00:22:56,820

I was during tomorrow revolution and

573

00:23:00,919 --> 00:22:59,759

everybody's nameless no everybody had an

574

00:23:03,440 --> 00:23:00,929

individuality

575

00:23:07,729 --> 00:23:03,450

everybody had a role but there was the

576

00:23:09,169 --> 00:23:07,739

idea of sesh sesh meant the people it

577

00:23:11,180 --> 00:23:09,179

didn't mean race because there was no

578

00:23:12,560 --> 00:23:11,190

concept of race it didn't mean religion

579

00:23:16,009 --> 00:23:12,570

because there was no concept of religion

580

00:23:19,519 --> 00:23:16,019

it did all it meant was the people men

581

00:23:21,529 --> 00:23:19,529

and women equal the people the only

582

00:23:23,269 --> 00:23:21,539

importance in this ancient civilization

583

00:23:25,339 --> 00:23:23,279

was who your tribe was who your mother

584

00:23:27,499 --> 00:23:25,349

was of course but what tribe you belong

585

00:23:30,379 --> 00:23:27,509

to I'm constantly getting into arguments

586

00:23:32,719 --> 00:23:30,389

with a lot of African Americans because

587

00:23:34,190 --> 00:23:32,729

as we want to explain and I'm explain

588

00:23:36,889 --> 00:23:34,200

this now and explain why I got into this

589

00:23:39,259 --> 00:23:36,899

argument the word itself Egypt we have

590

00:23:42,229 --> 00:23:39,269

to go there too Egypt is based on a

591

00:23:45,639 --> 00:23:42,239

Greek word Egypt us which is based on a

592

00:23:49,789 --> 00:23:45,649

contraction degree so he gave the ptosis

593

00:23:51,649 --> 00:23:49,799

the ancient term is het the time it

594

00:23:53,779 --> 00:23:51,659

appears on a steel a well we call as a

595

00:23:55,639 --> 00:23:53,789

steel a is a stone slab that has

596

00:23:57,950 --> 00:23:55,649

writings on it usually history appears

597

00:23:59,960 --> 00:23:57,960

all ancient civilizations this delay is

598

00:24:02,869 --> 00:23:59,970

that the current Egyptian village of

599

00:24:05,599 --> 00:24:02,879

Mitra Hina ancient site Greeks called

600

00:24:08,930 --> 00:24:05,609

Memphis ancient term min' f er this

601  
00:24:11,899 --> 00:24:08,940  
steel is there shows head carpet da that

602  
00:24:13,369 --> 00:24:11,909  
means head place con we talked about

603  
00:24:16,669 --> 00:24:13,379  
with a physical projection or the

604  
00:24:18,619 --> 00:24:16,679  
personality of pitar now we could spend

605  
00:24:21,349 --> 00:24:18,629  
a whole couple of hours on what does

606  
00:24:23,359 --> 00:24:21,359  
potami it is not a god but it is

607  
00:24:26,539 --> 00:24:23,369  
considered creator masculine principle

608  
00:24:28,489 --> 00:24:26,549  
of creation so created deity to them the

609  
00:24:30,529 --> 00:24:28,499  
Egyptologists to us principle of

610  
00:24:32,810 --> 00:24:30,539  
creation so what does the term mean head

611  
00:24:36,289 --> 00:24:32,820  
to capita it means this is the place

612  
00:24:38,389 --> 00:24:36,299  
where the car of pitar manifested it's

613  
00:24:41,119 --> 00:24:38,399

not the whole civilization it was just

614

00:24:44,330 --> 00:24:41,129

one location head Kappa topic and Egypt

615

00:24:48,230 --> 00:24:44,340

those he kept those Egypt owes no

616

00:24:51,620 --> 00:24:48,240

was kempt KMT Tim it is what I use we

617

00:24:54,500 --> 00:24:51,630

put into vowels kempt KMT it meant the

618

00:24:56,659 --> 00:24:54,510

Blackland the dark rich alluvial soil

619

00:24:58,399 --> 00:24:56,669

denial she deposits when she floods

620

00:25:00,560 --> 00:24:58,409

which is the basis of the agriculture

621

00:25:02,720 --> 00:25:00,570

the basis of this civilization and it

622

00:25:04,970 --> 00:25:02,730

was not the only name of the

623

00:25:06,740 --> 00:25:04,980

civilization Tim it actually had done

624

00:25:08,570 --> 00:25:06,750

with other days other terms which

625

00:25:10,370 --> 00:25:08,580

related to the entire civilization but

626

00:25:12,380 --> 00:25:10,380

Egypt was never one of them and why I

627

00:25:14,830 --> 00:25:12,390

say we get into problems there has been

628

00:25:17,090 --> 00:25:14,840

host school of african-american

629

00:25:18,919 --> 00:25:17,100

researchers and we said scholars but

630

00:25:21,169 --> 00:25:18,929

that would be not correct researchers

631

00:25:22,220 --> 00:25:21,179

who started out and I can actually get

632

00:25:23,990 --> 00:25:22,230

the history of how this whole movement

633

00:25:26,990 --> 00:25:24,000

came to be but basically they're saying

634

00:25:29,360 --> 00:25:27,000

commitment black skin that it's based on

635

00:25:32,299 --> 00:25:29,370

a statement that was made by the BBD boy

636

00:25:35,480 --> 00:25:32,309

the first black man to get a doctor from

637

00:25:37,490 --> 00:25:35,490

Harvard in 1903 and being a sociology of

638

00:25:39,310 --> 00:25:37,500

being a profiling sociologist that he

639

00:25:41,870 --> 00:25:39,320

was he just made a simple observation

640

00:25:42,260 --> 00:25:41,880

Egypt is in Africa it's not the Middle

641

00:25:43,899 --> 00:25:42,270

East

642

00:25:47,240 --> 00:25:43,909

so it shouldn't have been at the ancient

643

00:25:48,590 --> 00:25:47,250

Egyptians were black not white like all

644

00:25:51,110 --> 00:25:48,600

the white scholars are saying and

645

00:25:53,450 --> 00:25:51,120

perhaps taking away our history and that

646

00:25:55,310 --> 00:25:53,460

was 1903 picked up again in the 60s and

647

00:25:57,590 --> 00:25:55,320

70s and then there was this movement

648

00:25:59,930 --> 00:25:57,600

saying that all the Egyptians were black

649

00:26:01,549 --> 00:25:59,940

and it's not true and again I come off

650

00:26:03,019 --> 00:26:01,559

then being just another white guy he was

651  
00:26:05,060 --> 00:26:03,029  
trying to rip off black culture that's

652  
00:26:08,480 --> 00:26:05,070  
their criticism of me but you just have

653  
00:26:11,480 --> 00:26:08,490  
to do the duty mass duty of duty uh do

654  
00:26:13,460 --> 00:26:11,490  
the research so I always say to those

655  
00:26:16,279 --> 00:26:13,470  
people have any better listening there

656  
00:26:19,639 --> 00:26:16,289  
were 42 tribes that made up ancient

657  
00:26:21,440 --> 00:26:19,649  
committee 42 main tribes another number

658  
00:26:23,330 --> 00:26:21,450  
I said five was a number of repeats

659  
00:26:27,049 --> 00:26:23,340  
itself over and over throughout ancient

660  
00:26:29,510 --> 00:26:27,059  
Egypt so does 42 42 judges of Osiris 42

661  
00:26:30,860 --> 00:26:29,520  
steps to the holy of holies 42 42 42

662  
00:26:32,870 --> 00:26:30,870  
geographical areas that were called

663  
00:26:35,990 --> 00:26:32,880

gnomes 20 in the north 22 in the south

664

00:26:38,090 --> 00:26:36,000

so this or each a tribal area there were

665

00:26:39,529 --> 00:26:38,100

42 tribes so then I can I've had

666

00:26:41,510 --> 00:26:39,539

african-american City oh no it is

667

00:26:43,299 --> 00:26:41,520

hundreds of tribes a thousands of tribes

668

00:26:47,149 --> 00:26:43,309

in Africa it wasn't just forty-two well

669

00:26:50,269 --> 00:26:47,159

forty-two main tribes so we'll say to

670

00:26:51,500 --> 00:26:50,279

those people that out of the 4228 adam

671

00:26:52,820 --> 00:26:51,510

could have been black African tribes

672

00:26:56,030 --> 00:26:52,830

without a doubt could have been the

673

00:26:58,930 --> 00:26:56,040

majority but it was Hakeem's bias

674

00:27:02,480 --> 00:26:58,940

and his teaching that I follow that all

675

00:27:06,500 --> 00:27:02,490

races involved in Africa not just black

676

00:27:09,770 --> 00:27:06,510

but red but yellow but brown and white

677

00:27:12,470 --> 00:27:09,780

even Caucasians so that we all came from

678

00:27:14,360 --> 00:27:12,480

Africa and we all were part engined

679

00:27:16,730 --> 00:27:14,370

Kenneth was the original melting pot

680

00:27:18,260 --> 00:27:16,740

there was every race every type of

681

00:27:19,460 --> 00:27:18,270

people that have ever been on this

682

00:27:22,400 --> 00:27:19,470

planet were part of the civilization

683

00:27:25,100 --> 00:27:22,410

even the blue race which has disappeared

684

00:27:27,050 --> 00:27:25,110

but as is characterized by Krishna by

685

00:27:29,840 --> 00:27:27,060

others by him but the top who showed us

686

00:27:32,150 --> 00:27:29,850

being blue there was a blue race and so

687

00:27:33,820 --> 00:27:32,160

they were all part of it so you know I

688

00:27:36,980 --> 00:27:33,830

don't want to get into the argument

689

00:27:40,310 --> 00:27:36,990

we're very clear that chemic meant the

690

00:27:43,220 --> 00:27:40,320

black land that race was my race again

691

00:27:46,310 --> 00:27:43,230

is a modern construct of this modern age

692

00:27:48,830 --> 00:27:46,320

of amun of areas of separation us and

693

00:27:50,840 --> 00:27:48,840

then black white Jew Christian Gentile

694

00:27:52,040 --> 00:27:50,850

blah blah blah blah that's the

695

00:27:53,780 --> 00:27:52,050

separation we're in the last five

696

00:27:55,790 --> 00:27:53,790

thousand years ancient Commission's do

697

00:27:58,550 --> 00:27:55,800

not differentiate people by skin color

698

00:28:00,320 --> 00:27:58,560

only by tribe well it seems that the

699

00:28:04,400 --> 00:28:00,330

Commission's had an understanding that

700

00:28:07,520 --> 00:28:04,410

of human nature of the inherent

701  
00:28:10,160 --> 00:28:07,530  
biological need to simplify things

702  
00:28:12,890 --> 00:28:10,170  
because we have this great ability to

703  
00:28:15,890 --> 00:28:12,900  
process large amounts of information and

704  
00:28:17,450 --> 00:28:15,900  
and trying and not gonna say reduce it

705  
00:28:19,250 --> 00:28:17,460  
but distill it down to something that we

706  
00:28:21,650 --> 00:28:19,260  
can actually understand consciously

707  
00:28:24,980 --> 00:28:21,660  
although on a subconscious leg in if we

708  
00:28:27,320 --> 00:28:24,990  
had it when Nate Lee born with 360

709  
00:28:30,440 --> 00:28:27,330  
senses and you say you're only using

710  
00:28:32,390 --> 00:28:30,450  
five you are limiting yourself how keen

711  
00:28:33,950 --> 00:28:32,400  
would tell people I don't want to insult

712  
00:28:35,750 --> 00:28:33,960  
anyone but we're a great book today

713  
00:28:38,390 --> 00:28:35,760

we're crippled we think we only have

714

00:28:40,580 --> 00:28:38,400

five and again as I said last time we

715

00:28:41,810 --> 00:28:40,590

only have two language of the five I saw

716

00:28:43,460 --> 00:28:41,820

a dream last night no you're not you

717

00:28:45,020 --> 00:28:43,470

asleep and your eyes are closed or I

718

00:28:46,070 --> 00:28:45,030

hear what you saying man no but you're

719

00:28:48,530 --> 00:28:46,080

not hearing with your ears your

720

00:28:50,000 --> 00:28:48,540

understanding your grokking your your

721

00:28:51,920 --> 00:28:50,010

becoming to understand I feel you but

722

00:28:53,690 --> 00:28:51,930

I'm not touching you so we used the

723

00:28:55,580 --> 00:28:53,700

language of these senses but we have all

724

00:28:59,960 --> 00:28:55,590

these other senses so the point being

725

00:29:02,960 --> 00:28:59,970

Chris we once were using 360 senses so

726

00:29:04,700 --> 00:29:02,970

we didn't think we didn't believe we

727

00:29:07,760 --> 00:29:04,710

knew that's the difference

728

00:29:09,190 --> 00:29:07,770

and these people us at that time period

729

00:29:11,980 --> 00:29:09,200

could think and

730

00:29:13,960 --> 00:29:11,990

geometry could think in four and five

731

00:29:15,430 --> 00:29:13,970

dimensions we only think in a two

732

00:29:17,409 --> 00:29:15,440

dimensional linear plane could think of

733

00:29:21,220 --> 00:29:17,419

three dimensions so this is why they saw

734

00:29:25,360 --> 00:29:21,230

cubes they saw which what Great Pyramid

735

00:29:29,139 --> 00:29:25,370

actually is is a dead star tetrahedron

736

00:29:30,490 --> 00:29:29,149

so they could see in solid geometry and

737

00:29:32,320 --> 00:29:30,500

that's where of course Pythagoras went

738

00:29:33,879 --> 00:29:32,330

to Egypt and studied with the Masters

739

00:29:35,470 --> 00:29:33,889

and learned solid geometry and gave it

740

00:29:35,860 --> 00:29:35,480

and brought sacred geometry to the

741

00:29:37,810 --> 00:29:35,870

Greeks

742

00:29:40,570 --> 00:29:37,820

I I've tried to think in four dimensions

743

00:29:42,490 --> 00:29:40,580

there was a period of time I'm gonna say

744

00:29:44,350 --> 00:29:42,500

about a week until it started to drive

745

00:29:46,240 --> 00:29:44,360

me insane where I tried to understand

746

00:29:48,759 --> 00:29:46,250

the idea of a tesseract and how that

747

00:29:50,320 --> 00:29:48,769

would appear in in 3d space show that

748

00:29:52,720 --> 00:29:50,330

the equivalent of drawing a cube on a

749

00:29:54,220 --> 00:29:52,730

piece of paper and I'd say after about

750

00:29:56,350 --> 00:29:54,230

two or three days of trying to be able

751  
00:29:58,360 --> 00:29:56,360  
to wrap my mind around this concept I'm

752  
00:29:59,620 --> 00:29:58,370  
like okay I'm gonna you know it I could

753  
00:30:05,289 --> 00:29:59,630  
feel that my brain was starting to hurt

754  
00:30:06,460 --> 00:30:05,299  
just a little bit exactly so there there

755  
00:30:10,149 --> 00:30:06,470  
was obviously this training that they've

756  
00:30:12,220 --> 00:30:10,159  
had from from a very large body of time

757  
00:30:15,070 --> 00:30:12,230  
as you said the you know Hakim the first

758  
00:30:17,889 --> 00:30:15,080  
lesson was that the the Sphinx was 52 to

759  
00:30:22,539 --> 00:30:17,899  
54 thousand years old so this is going

760  
00:30:26,049 --> 00:30:22,549  
back to an age far earlier than even you

761  
00:30:27,700 --> 00:30:26,059  
know even even some and most alternative

762  
00:30:30,100 --> 00:30:27,710  
researchers would give as a possibility

763  
00:30:32,169 --> 00:30:30,110

obvious obviously some would say well

764

00:30:35,889 --> 00:30:32,179

we're gonna give you an age based on

765

00:30:37,240 --> 00:30:35,899

well this is the absolute latest time I

766

00:30:38,500 --> 00:30:37,250

can possibly put this and they're not

767

00:30:40,120 --> 00:30:38,510

gonna give you an earlier time because

768

00:30:41,350 --> 00:30:40,130

well if somebody said well we're a

769

00:30:42,940 --> 00:30:41,360

hundred thousand years old or two

770

00:30:44,919 --> 00:30:42,950

hundred thousand years old most people

771

00:30:47,950 --> 00:30:44,929

would say you're crazy and you think

772

00:30:49,180 --> 00:30:47,960

that just in the last couple weeks this

773

00:30:51,610 --> 00:30:49,190

information has come out there was

774

00:30:55,210 --> 00:30:51,620

something on Facebook today where they

775

00:30:59,019 --> 00:30:55,220

have found now a fossil human remains in

776

00:31:01,870 --> 00:30:59,029

Israel that they date to be 200 thousand

777

00:31:03,279 --> 00:31:01,880

years old modern man it's the oldest

778

00:31:05,950 --> 00:31:03,289

outside of Africa

779

00:31:08,110 --> 00:31:05,960

modern man ever yet been discovered but

780

00:31:11,320 --> 00:31:08,120

now they've read dated a fossil found a

781

00:31:12,820 --> 00:31:11,330

jawbone found in Africa of being over

782

00:31:14,769 --> 00:31:12,830

three hundred and ten thousand years old

783

00:31:16,990 --> 00:31:14,779

so they're constantly pushing what we

784

00:31:20,470 --> 00:31:17,000

call modern man further back and we will

785

00:31:22,240 --> 00:31:20,480

too and so in again to say like like the

786

00:31:22,990 --> 00:31:22,250

one who has read dated to think Jonathan

787

00:31:27,340 --> 00:31:23,000

West

788

00:31:29,590 --> 00:31:27,350

to Egypt dr. Robert Schoch of Boston

789

00:31:30,820 --> 00:31:29,600

University outstanding geologist he just

790

00:31:32,860 --> 00:31:30,830

looked at the erosion around his fing

791

00:31:35,980 --> 00:31:32,870

cell notice his water not wind and sand

792

00:31:37,960 --> 00:31:35,990

and put a conservative estimate of 8000

793

00:31:39,640 --> 00:31:37,970

BCE for the Sphinx at least three or

794

00:31:41,560 --> 00:31:39,650

four thousand years old that is dated

795

00:31:43,450 --> 00:31:41,570

now conservative but he told John

796

00:31:44,799 --> 00:31:43,460

Anthony West in confidence it could be a

797

00:31:47,440 --> 00:31:44,809

home for a hundred thousand years no way

798

00:31:49,000 --> 00:31:47,450

he saw the erosion there and so as I

799

00:31:51,220 --> 00:31:49,010

mentioned less and we have a solid

800

00:31:52,750 --> 00:31:51,230

geological marker that the Sphinx has to

801  
00:31:54,460 --> 00:31:52,760  
build into 30,000 years it hasn't been

802  
00:31:56,680 --> 00:31:54,470  
the type of rainfall to cause the

803  
00:31:58,750 --> 00:31:56,690  
erosion there in that time period and so

804  
00:31:59,950 --> 00:31:58,760  
she's at least 2,000 years old so yes

805  
00:32:01,390 --> 00:31:59,960  
and now we're seeing all around the

806  
00:32:04,230 --> 00:32:01,400  
world again like I mentioned we go to

807  
00:32:07,149 --> 00:32:04,240  
Baalbek in Lebanon we got a tea a

808  
00:32:09,460 --> 00:32:07,159  
Tiahuanaco and Pumapunku and Bolivia we

809  
00:32:12,570 --> 00:32:09,470  
see the same type of technology and it's

810  
00:32:15,070 --> 00:32:12,580  
the same time period over 20 over 12

811  
00:32:16,810 --> 00:32:15,080  
20,000 years ago there was advanced

812  
00:32:18,580 --> 00:32:16,820  
civilization all around the planet and

813  
00:32:20,770 --> 00:32:18,590

we're finding remnants of it all the

814

00:32:22,870 --> 00:32:20,780

time all different ways finding pyramids

815

00:32:27,340 --> 00:32:22,880

all around the planet on the same energy

816

00:32:28,899 --> 00:32:27,350

lines so this was advanced we have not

817

00:32:29,590 --> 00:32:28,909

been taught the truth prehistory it's as

818

00:32:32,950 --> 00:32:29,600

simple as that

819

00:32:34,930 --> 00:32:32,960

now what period within the five the five

820

00:32:37,000 --> 00:32:34,940

points of this of the the overall cycle

821

00:32:38,640 --> 00:32:37,010

did did its construction occur and was

822

00:32:41,440 --> 00:32:38,650

it was it within one of the first ones

823

00:32:44,649 --> 00:32:41,450

these pyramids oh Sh it's been two weeks

824

00:32:46,510 --> 00:32:44,659

in 54,000 we date the Giza Plateau as

825

00:32:49,450 --> 00:32:46,520

being 65 thousand years in other words

826

00:32:52,120 --> 00:32:49,460

we are king gave us a date for the full

827

00:32:54,039 --> 00:32:52,130

cycle for pepper Tommen as we are now

828

00:32:56,560 --> 00:32:54,049

and we're coming out of Amin into the

829

00:32:56,919 --> 00:32:56,570

new Hepper again has been 65 thousand

830

00:32:59,289 --> 00:32:56,929

years

831

00:33:01,960 --> 00:32:59,299

interestingly enough there was

832

00:33:03,820 --> 00:33:01,970

excavation done in Nineveh which is

833

00:33:06,340 --> 00:33:03,830

today Iraq which would be the ancient

834

00:33:09,460 --> 00:33:06,350

Sumerian civilization they found an

835

00:33:10,990 --> 00:33:09,470

important date and one of the artifacts

836

00:33:12,580 --> 00:33:11,000

there of sixty four thousand eight

837

00:33:13,960 --> 00:33:12,590

hundred years ago that they're kept

838

00:33:15,940 --> 00:33:13,970

pointing saying something was very

839

00:33:17,560 --> 00:33:15,950

important about this date well this is

840

00:33:19,899 --> 00:33:17,570

this would be the beginning of the

841

00:33:22,120 --> 00:33:19,909

current cycle so 65 thousand years

842

00:33:23,950 --> 00:33:22,130

nobody dates two keys a plateau as old

843

00:33:25,539 --> 00:33:23,960

as we do nobody no none of the people

844

00:33:28,210 --> 00:33:25,549

you go to interview except for petition

845

00:33:30,370 --> 00:33:28,220

are we on and people work with us are

846

00:33:32,169 --> 00:33:30,380

gonna say the Giza Plateau is 65

847

00:33:33,669 --> 00:33:32,179

thousand years you've got people saying

848

00:33:35,830 --> 00:33:33,679

that they consider good completely

849

00:33:36,480 --> 00:33:35,840

eppley in Turkey to be the oldest temple

850

00:33:39,240 --> 00:33:36,490

in the world

851  
00:33:41,610 --> 00:33:39,250  
the site nonsense the Giza Plateau is a

852  
00:33:45,360 --> 00:33:41,620  
factor of ten times older than Giza

853  
00:33:46,730 --> 00:33:45,370  
gobekli tepe and gobekli tepe it's the

854  
00:33:49,200 --> 00:33:46,740  
the earliest circle that they found was

855  
00:33:51,030 --> 00:33:49,210  
10,500 BC right now actually

856  
00:33:53,400 --> 00:33:51,040  
I actually went back to the site reports

857  
00:33:54,780 --> 00:33:53,410  
which in original German archaeologist

858  
00:33:58,049 --> 00:33:54,790  
who excavated the site named Klaus

859  
00:33:59,520 --> 00:33:58,059  
Schmidt who classified it as a Neolithic

860  
00:34:02,760 --> 00:33:59,530  
site which means it's not older than

861  
00:34:04,669 --> 00:34:02,770  
10,000 years no it was done around the

862  
00:34:06,570 --> 00:34:04,679  
other

863  
00:34:09,230 --> 00:34:06,580

what-whatever the Cataclysm that

864

00:34:11,460 --> 00:34:09,240

happened between younger dear I'm sorry

865

00:34:13,470 --> 00:34:11,470

cataclysmic we say the Sphinx and the

866

00:34:16,500 --> 00:34:13,480

pyramids of Egypt are pre cataclysmic

867

00:34:18,210 --> 00:34:16,510

now what was that first age that that

868

00:34:19,889 --> 00:34:18,220

first part of the cycle like whoa what

869

00:34:22,820 --> 00:34:19,899

are some of the characteristics and and

870

00:34:26,609 --> 00:34:22,830

is it's not just a societal but is there

871

00:34:30,030 --> 00:34:26,619

are there characteristics within other

872

00:34:32,520 --> 00:34:30,040

geological events or you know climate

873

00:34:34,649 --> 00:34:32,530

change or some type of that's yet to be

874

00:34:37,050 --> 00:34:34,659

discovered because there is no very

875

00:34:39,930 --> 00:34:37,060

little archaeology besides the remnants

876

00:34:41,909 --> 00:34:39,940

you know we haven't found any fast and

877

00:34:44,250 --> 00:34:41,919

he remains because they didn't bury

878

00:34:46,139 --> 00:34:44,260

didn't mummified in those days there was

879

00:34:48,030 --> 00:34:46,149

no word for death so the body was not

880

00:34:50,460 --> 00:34:48,040

valued the body would be considered like

881

00:34:53,430 --> 00:34:50,470

the Tibetans did today when a person

882

00:34:55,169 --> 00:34:53,440

dies in Tibet they take the body they

883

00:34:57,720 --> 00:34:55,179

break the bones they put it on a

884

00:34:59,250 --> 00:34:57,730

platform for the vultures to get because

885

00:35:00,900 --> 00:34:59,260

they believe in reincarnation so the

886

00:35:02,310 --> 00:35:00,910

body wasn't important to them well the

887

00:35:04,230 --> 00:35:02,320

ancient people didn't believe in

888

00:35:06,090 --> 00:35:04,240

reincarnation or resurrection they just

889

00:35:09,090 --> 00:35:06,100

knew that this was just a physical

890

00:35:11,040 --> 00:35:09,100

temporary form wasn't important so we're

891

00:35:13,230 --> 00:35:11,050

not gonna find too many fossils too many

892

00:35:15,210 --> 00:35:13,240

burials from that time period so how

893

00:35:17,340 --> 00:35:15,220

didn't know what how they lived all we

894

00:35:18,960 --> 00:35:17,350

know is this face fifty four thousand we

895

00:35:21,000 --> 00:35:18,970

don't have anything else that can be

896

00:35:22,800 --> 00:35:21,010

dated that far back so how did they live

897

00:35:24,930 --> 00:35:22,810

we we just know that they lived

898

00:35:26,640 --> 00:35:24,940

according to the emerging consciousness

899

00:35:28,290 --> 00:35:26,650

that they were coming out like we're

900

00:35:29,550 --> 00:35:28,300

doing now they understood they were all

901  
00:35:31,320 --> 00:35:29,560  
connected that they were part of the

902  
00:35:33,390 --> 00:35:31,330  
book they would form tribes form the

903  
00:35:35,010 --> 00:35:33,400  
session has moved on and on to the other

904  
00:35:37,770 --> 00:35:35,020  
periods from my heart

905  
00:35:39,120 --> 00:35:37,780  
to own as it moved on until Acton is

906  
00:35:40,710 --> 00:35:39,130  
where we build the pyramids that's

907  
00:35:44,490 --> 00:35:40,720  
twenty five thousand twenty thousand

908  
00:35:47,760 --> 00:35:44,500  
years ago and metaphysically it can we

909  
00:35:50,970 --> 00:35:47,770  
go through with the the the aspects of

910  
00:35:52,470 --> 00:35:50,980  
each particular part of the cycle I'd

911  
00:35:53,640 --> 00:35:52,480  
like being able to recognize these

912  
00:35:55,890 --> 00:35:53,650  
things that I think would be fairly

913  
00:35:57,360 --> 00:35:55,900

important for any individual who wants

914

00:35:59,280 --> 00:35:57,370

to be able to understand Kemet ology as

915

00:36:02,310 --> 00:35:59,290

as a whole is at least especially as a

916

00:36:04,710 --> 00:36:02,320

basis point this is a good point

917

00:36:06,570 --> 00:36:04,720

because we don't have any you know what

918

00:36:09,360 --> 00:36:06,580

do we have physical to point at and

919

00:36:11,010 --> 00:36:09,370

after you say that if the Sphinx was

920

00:36:13,050 --> 00:36:11,020

fifty four thousand and still during our

921

00:36:14,580 --> 00:36:13,060

we're moving into rosso we're moving

922

00:36:16,350 --> 00:36:14,590

into an idea where we have conscious

923

00:36:19,440 --> 00:36:16,360

will you have the ability to carve this

924

00:36:20,910 --> 00:36:19,450

great limestone statue but we don't have

925

00:36:23,790 --> 00:36:20,920

any physical again this is only

926  
00:36:25,800 --> 00:36:23,800  
mythology if you look at the myths of

927  
00:36:27,510 --> 00:36:25,810  
the Golden Age from all the authors

928  
00:36:29,370 --> 00:36:27,520  
who've written at the time that they

929  
00:36:31,380 --> 00:36:29,380  
called the Golden Age that would be

930  
00:36:33,750 --> 00:36:31,390  
these periods how people behave there

931  
00:36:36,780 --> 00:36:33,760  
was there was no Wars there was no God

932  
00:36:38,670 --> 00:36:36,790  
there was no religion people lived in

933  
00:36:40,890 --> 00:36:38,680  
harmony according to natural law natural

934  
00:36:42,840 --> 00:36:40,900  
cycles as they understood the lectures

935  
00:36:44,610 --> 00:36:42,850  
principles of creation principles of

936  
00:36:48,090 --> 00:36:44,620  
nature they lived in harmony with nature

937  
00:36:50,160 --> 00:36:48,100  
and so what we believe again is all just

938  
00:36:51,420 --> 00:36:50,170

the oral tradition that's handed down to

939

00:36:53,580 --> 00:36:51,430

us because the physical evidence is

940

00:36:55,920 --> 00:36:53,590

lacking except until when we get up to

941

00:36:57,540 --> 00:36:55,930

pyramids and physical constructions in

942

00:36:59,280 --> 00:36:57,550

stone which we can date as being older

943

00:37:01,530 --> 00:36:59,290

than 4,000 years I believe has had

944

00:37:02,880 --> 00:37:01,540

brought a physical more of the the

945

00:37:04,920 --> 00:37:02,890

societal and again it would be

946

00:37:05,520 --> 00:37:04,930

understanding that we are we are with

947

00:37:12,720 --> 00:37:05,530

nature

948

00:37:15,060 --> 00:37:12,730

believe the patriarchs of the Old

949

00:37:17,040 --> 00:37:15,070

Testament were actual physical beings

950

00:37:19,920 --> 00:37:17,050

the ancient Commission's perhaps lived

951  
00:37:21,930 --> 00:37:19,930  
hundreds of years because using all

952  
00:37:23,940 --> 00:37:21,940  
these senses there was no bacteria no

953  
00:37:25,290 --> 00:37:23,950  
virus could affect us so people didn't

954  
00:37:27,630 --> 00:37:25,300  
have cancer didn't have heart attacks

955  
00:37:29,870 --> 00:37:27,640  
the only thing that would affect people

956  
00:37:33,300 --> 00:37:29,880  
then would be bacterial diseases or

957  
00:37:35,100 --> 00:37:33,310  
parasites or accidents which of course

958  
00:37:37,500 --> 00:37:35,110  
do what happened even if walking around

959  
00:37:39,480 --> 00:37:37,510  
with 360 senses you can fall and bang

960  
00:37:40,620 --> 00:37:39,490  
your head and crash and hurt yourself so

961  
00:37:42,750 --> 00:37:40,630  
people could have died of accidents they

962  
00:37:44,700 --> 00:37:42,760  
could have died of bacteria but

963  
00:37:45,150 --> 00:37:44,710

basically most people lived a hundreds

964

00:37:47,340 --> 00:37:45,160

of years

965

00:37:50,730 --> 00:37:47,350

this is Methuselah this is Enoch this is

966

00:37:52,740 --> 00:37:50,740

the Old Testament characters and so

967

00:37:55,560 --> 00:37:52,750

person people because there was no

968

00:37:57,360 --> 00:37:55,570

concept of death and this is very hard

969

00:37:58,860 --> 00:37:57,370

for us to understand today would

970

00:38:00,270 --> 00:37:58,870

probably come to a point where they say

971

00:38:01,410 --> 00:38:00,280

well I've had it I've lived a couple of

972

00:38:03,480 --> 00:38:01,420

hundred years and you know

973

00:38:06,089 --> 00:38:03,490

enough of this and move on and

974

00:38:08,160 --> 00:38:06,099

consciously but pass on without any fear

975

00:38:09,870 --> 00:38:08,170

of it without any knowledge of it there

976

00:38:11,870 --> 00:38:09,880

was no word for death in their language

977

00:38:14,370 --> 00:38:11,880

it was just moving to another form so

978

00:38:16,440 --> 00:38:14,380

metaphysically would have been in the

979

00:38:18,359 --> 00:38:16,450

highest state of what you people what we

980

00:38:20,190 --> 00:38:18,369

think today which has been taught to us

981

00:38:22,140 --> 00:38:20,200

by the Masters that have come along

982

00:38:24,510 --> 00:38:22,150

you take Jesus's teachings and you

983

00:38:26,789 --> 00:38:24,520

follow Jesus's teachings exactly as he

984

00:38:27,839 --> 00:38:26,799

said that's how people lived 10,000 to

985

00:38:29,069 --> 00:38:27,849

15,000 years ago

986

00:38:30,569 --> 00:38:29,079

you follow what the Buddha was really

987

00:38:32,220 --> 00:38:30,579

saying you follow what Muhammad is

988

00:38:34,049 --> 00:38:32,230

really saying and what Moses was really

989

00:38:35,430 --> 00:38:34,059

teaching and you live in harmony and

990

00:38:36,900 --> 00:38:35,440

peace with nature for hundreds of years

991

00:38:39,480 --> 00:38:36,910

no conflict no harmony

992

00:38:41,730 --> 00:38:39,490

basically basically it's the Golden Age

993

00:38:43,740 --> 00:38:41,740

so metaphysically it would be everything

994

00:38:45,809 --> 00:38:43,750

that we think we're striving for today

995

00:38:48,120 --> 00:38:45,819

metaphysically to be in harmony to be at

996

00:38:51,809 --> 00:38:48,130

peace not to have any fears not to have

997

00:38:53,490 --> 00:38:51,819

any hatred any piety any racism sexes of

998

00:38:55,349 --> 00:38:53,500

all these stupid things that have come

999

00:38:57,960 --> 00:38:55,359

out in the last 5,000 years didn't exist

1000

00:39:01,289 --> 00:38:57,970

so basically we would be each will be an

1001

00:39:03,510 --> 00:39:01,299

individual able to live his or her life

1002

00:39:05,280 --> 00:39:03,520

fully as according to what they want to

1003

00:39:06,750 --> 00:39:05,290

be and how they are and I could go much

1004

00:39:08,220 --> 00:39:06,760

more into detail about that how the

1005

00:39:10,380 --> 00:39:08,230

ancient Commission's actually raised

1006

00:39:11,730 --> 00:39:10,390

their children and and for

1007

00:39:13,380 --> 00:39:11,740

metaphysically it would have been the

1008

00:39:15,620 --> 00:39:13,390

height of what we consider metaphysics

1009

00:39:17,940 --> 00:39:15,630

today metaphysics was only invented

1010

00:39:20,039 --> 00:39:17,950

supposedly by Aristotle and the Greeks

1011

00:39:21,750 --> 00:39:20,049

because they would say what there's more

1012

00:39:23,220 --> 00:39:21,760

than just a physical world there's more

1013

00:39:24,930 --> 00:39:23,230

than just physics well that was already

1014

00:39:26,789 --> 00:39:24,940

known again the Greeks learned

1015

00:39:28,559 --> 00:39:26,799

everything from ancient coming and just

1016

00:39:29,760 --> 00:39:28,569

passed it down so all the mystery

1017

00:39:31,740 --> 00:39:29,770

schools and the things we have today

1018

00:39:33,809 --> 00:39:31,750

Rosicrucians masons are all just

1019

00:39:35,970 --> 00:39:33,819

remnants of what was taught then how I'm

1020

00:39:39,020 --> 00:39:35,980

really supposed to live in harmony with

1021

00:39:42,200 --> 00:39:39,030

each other with life there was nature

1022

00:39:44,940 --> 00:39:42,210

and I have one question coming in from

1023

00:39:47,400 --> 00:39:44,950

from our masters group and this one's

1024

00:39:49,140 --> 00:39:47,410

coming from Lee and he's asking with

1025

00:39:52,319 --> 00:39:49,150

regards to the temple of Luxor and

1026

00:39:55,200 --> 00:39:52,329

whether there is a date that we can or

1027

00:39:58,710 --> 00:39:55,210

whether whether the mythology or the

1028

00:40:01,170 --> 00:39:58,720

teachings that it dates to is there a

1029

00:40:02,339 --> 00:40:01,180

timeline that we can get again the term

1030

00:40:04,079 --> 00:40:02,349

were going to give you who's a term

1031

00:40:06,480 --> 00:40:04,089

whose coin to give you as a credit to

1032

00:40:08,760 --> 00:40:06,490

Joseph's own Hakim son we call it psyche

1033

00:40:10,710 --> 00:40:08,770

transformation like I said to you all

1034

00:40:12,839 --> 00:40:10,720

the later people's all those layers of

1035

00:40:14,819 --> 00:40:12,849

onion they came in and they transformed

1036

00:40:15,150 --> 00:40:14,829

the site's into what to have the temple

1037

00:40:19,710 --> 00:40:15,160

of

1038

00:40:22,500 --> 00:40:19,720

years over many different so-called

1039

00:40:24,390 --> 00:40:22,510

dynasties and it's actually was based on

1040

00:40:26,580 --> 00:40:24,400

an ancient site that was there pretty

1041

00:40:28,200 --> 00:40:26,590

nasty so yeah the teachings that came

1042

00:40:30,990 --> 00:40:28,210

out in the temple of Luxor as we know

1043

00:40:32,820 --> 00:40:31,000

now were the dynastic teachings it was

1044

00:40:34,560 --> 00:40:32,830

basically built and what's called the

1045

00:40:35,640 --> 00:40:34,570

Old Kingdom period there were took

1046

00:40:37,620 --> 00:40:35,650

thousands of years with different

1047

00:40:39,120 --> 00:40:37,630

dynasties but it was built on and on so

1048

00:40:41,100 --> 00:40:39,130

it was the tea it becomes a temple of

1049

00:40:41,940 --> 00:40:41,110

Amun it becomes a temple of hidden of

1050

00:40:43,380 --> 00:40:41,950

darkness

1051  
00:40:45,600 --> 00:40:43,390  
so that's the teachings that came out of

1052  
00:40:47,130 --> 00:40:45,610  
it and it's and it's as I said and it

1053  
00:40:48,510 --> 00:40:47,140  
looks like we may not even have time I

1054  
00:40:50,580 --> 00:40:48,520  
was gonna go into the second book

1055  
00:40:53,730 --> 00:40:50,590  
because it is the age of Amun where

1056  
00:40:55,710 --> 00:40:53,740  
religion comes to be as we recognize it

1057  
00:40:57,390 --> 00:40:55,720  
today the patriarchal religions which is

1058  
00:40:59,670 --> 00:40:57,400  
carried in my second book from light

1059  
00:41:01,530 --> 00:40:59,680  
into dark how Judaism came to be have

1060  
00:41:03,630 --> 00:41:01,540  
Judaism led to Christianity have they

1061  
00:41:06,120 --> 00:41:03,640  
led to Islam all the dates for the

1062  
00:41:08,130 --> 00:41:06,130  
religion of Brahman that came out of the

1063  
00:41:10,350 --> 00:41:08,140

temple of Luxor that's where the temple

1064

00:41:12,930 --> 00:41:10,360

were the religion of Amun folklore came

1065

00:41:15,300 --> 00:41:12,940

around 1500 BCE all the way down to 1100

1066

00:41:17,250 --> 00:41:15,310

BC again it took hundreds of years to

1067

00:41:19,230 --> 00:41:17,260

build this temple age suppose it King

1068

00:41:21,810 --> 00:41:19,240

each priesthood added something to the

1069

00:41:24,750 --> 00:41:21,820

temple but the teachings in the temple

1070

00:41:28,140 --> 00:41:24,760

of Luxor during dynastic times worry

1071

00:41:30,450 --> 00:41:28,150

Distortion religion is a distortion of

1072

00:41:32,220 --> 00:41:30,460

spirituality which is what the second

1073

00:41:34,020 --> 00:41:32,230

book was about I had to make a

1074

00:41:37,110 --> 00:41:34,030

distinction because I found that

1075

00:41:39,120 --> 00:41:37,120

academia religion was was defined

1076

00:41:41,160 --> 00:41:39,130

according to the discipline to find

1077

00:41:42,930 --> 00:41:41,170

differently and sociology to find

1078

00:41:44,670 --> 00:41:42,940

differently in psychology to find

1079

00:41:46,290 --> 00:41:44,680

differently in comparative religion all

1080

00:41:49,320 --> 00:41:46,300

have their own definition of religion

1081

00:41:50,970 --> 00:41:49,330

but they all excuse me are saying the

1082

00:41:53,160 --> 00:41:50,980

same thing religion in spirituality were

1083

00:41:54,630 --> 00:41:53,170

the same thing academia teaches that

1084

00:41:57,750 --> 00:41:54,640

were hardwired for religion we've always

1085

00:42:00,390 --> 00:41:57,760

had religion and I denied that extremely

1086

00:42:01,830 --> 00:42:00,400

in 2004 which was my book from writing

1087

00:42:03,720 --> 00:42:01,840

to doctors a separation there is

1088

00:42:05,760 --> 00:42:03,730

virtuality and there is religion

1089

00:42:07,440 --> 00:42:05,770

religion is the business based on

1090

00:42:09,390 --> 00:42:07,450

spirituality and we actually could give

1091

00:42:11,820 --> 00:42:09,400

a teaching how it came to be the

1092

00:42:13,560 --> 00:42:11,830

business but spirituality is what was

1093

00:42:16,490 --> 00:42:13,570

ancient chem it that's the metaphysics

1094

00:42:19,200 --> 00:42:16,500

of ancient Canon pure spirituality

1095

00:42:20,760 --> 00:42:19,210

understanding basically using all those

1096

00:42:22,770 --> 00:42:20,770

senses that you know you're more than

1097

00:42:24,210 --> 00:42:22,780

the body you know that there's spirit

1098

00:42:26,340 --> 00:42:24,220

there's something within us is not

1099

00:42:27,840 --> 00:42:26,350

created and does not die how cam'st

1100

00:42:28,670 --> 00:42:27,850

teachings would not talk about a big

1101

00:42:30,859 --> 00:42:28,680

bang

1102

00:42:32,839 --> 00:42:30,869

recognize a big Devane these teachings

1103

00:42:34,490 --> 00:42:32,849

say as the Buddha taught as all the

1104

00:42:36,230 --> 00:42:34,500

great masters have taught there is no

1105

00:42:39,890 --> 00:42:36,240

beginning and there is no end

1106

00:42:41,990 --> 00:42:39,900

it's just interminable cycles so that's

1107

00:42:44,480 --> 00:42:42,000

what the spirituality would have been an

1108

00:42:46,730 --> 00:42:44,490

understanding our place in a great

1109

00:42:48,559 --> 00:42:46,740

scheme of things in these last five

1110

00:42:50,630 --> 00:42:48,569

thousand years that we've moved away

1111

00:42:53,750 --> 00:42:50,640

from that and have just gone into Amun

1112

00:42:57,890 --> 00:42:53,760

into separation us and then we've lost

1113

00:43:00,620 --> 00:42:57,900

the idea the concept to see the big

1114

00:43:02,599 --> 00:43:00,630

picture religions have taken that place

1115

00:43:04,819 --> 00:43:02,609

our religions are supposed to give us

1116

00:43:07,609 --> 00:43:04,829

the big picture God the Creator God

1117

00:43:09,140 --> 00:43:07,619

created God said this God gave us our

1118

00:43:10,760 --> 00:43:09,150

rules you don't follow the rules you

1119

00:43:13,309 --> 00:43:10,770

[h\_\_\h] and then you go to hell

1120

00:43:15,290 --> 00:43:13,319

well that wasn't what was taught there

1121

00:43:18,380 --> 00:43:15,300

was no hell there was no heaven it's all

1122

00:43:20,780 --> 00:43:18,390

living in full spent that's why I Keane

1123

00:43:24,410 --> 00:43:20,790

would say our goal is to become healthy

1124

00:43:26,059 --> 00:43:24,420

Seche to use all 360 senses then you

1125

00:43:29,329 --> 00:43:26,069

don't need a guru you don't need a

1126

00:43:31,430 --> 00:43:29,339

master and you don't need God but answer

1127

00:43:33,319 --> 00:43:31,440

that question the temple of Luxor is

1128

00:43:36,079 --> 00:43:33,329

where the religion of Amun came full

1129

00:43:38,000 --> 00:43:36,089

bore originally was an older site it was

1130

00:43:39,770 --> 00:43:38,010

bad way way back but the teachings that

1131

00:43:42,680 --> 00:43:39,780

we have down to us today were the

1132

00:43:44,569 --> 00:43:42,690

religion of him and that became Judaism

1133

00:43:48,859 --> 00:43:44,579

eventually the religion of Amun

1134

00:43:51,470 --> 00:43:48,869

eventually led to Judaism and if it led

1135

00:43:52,819 --> 00:43:51,480

to Judaism or around I know certain

1136

00:43:54,079 --> 00:43:52,829

people I've had I know that we have a

1137

00:43:55,450 --> 00:43:54,089

little bit of time left I did want to

1138

00:43:59,059 --> 00:43:55,460

touch on your second book briefly

1139

00:44:03,470 --> 00:43:59,069

because the discussion of whom the

1140

00:44:06,200 --> 00:44:03,480

identity of Moses and whether it was not

1141

00:44:08,660 --> 00:44:06,210

often but a Connaughton or whether it

1142

00:44:10,370 --> 00:44:08,670

was some amalgamation between several

1143

00:44:11,780 --> 00:44:10,380

different figures and that was the fact

1144

00:44:14,359 --> 00:44:11,790

that was what led me into making

1145

00:44:16,640 --> 00:44:14,369

Egyptology my life's work in 1968 I

1146

00:44:18,349 --> 00:44:16,650

discovered Sigmund Freud's last work

1147

00:44:20,870 --> 00:44:18,359

which was published posthumously after

1148

00:44:22,910 --> 00:44:20,880

he passed called Moses and monotheism

1149

00:44:25,099 --> 00:44:22,920

but basically Freud during a lot of what

1150

00:44:27,620 --> 00:44:25,109

to eat the German archaeologists had

1151

00:44:29,480 --> 00:44:27,630

found the city of our Catocin American

1152

00:44:32,089 --> 00:44:29,490

city they found out restored him to

1153

00:44:33,620 --> 00:44:32,099

history so Moses so Freud speculated

1154

00:44:35,690 --> 00:44:33,630

that Moses had been an Egyptian priest

1155

00:44:37,339 --> 00:44:35,700

under this particular King Akhenaten and

1156

00:44:39,440 --> 00:44:37,349

it was Akhenaten teachings that became

1157

00:44:42,170 --> 00:44:39,450

the basis of what we call mosaic Judaism

1158

00:44:43,700 --> 00:44:42,180

well my book degrees was for it but

1159

00:44:46,190 --> 00:44:43,710

only elaborates it takes it out to a

1160

00:44:47,660 --> 00:44:46,200

different idea in that the life of

1161

00:44:49,730 --> 00:44:47,670

Akhenaten was incorporated the myth of

1162

00:44:51,799 --> 00:44:49,740

Moses there when a Freud students was

1163

00:44:53,900 --> 00:44:51,809

called an a-rank his specialty was

1164

00:44:55,849 --> 00:44:53,910

called the myth of the great man he

1165

00:44:58,579 --> 00:44:55,859

talked about people like Jesus like

1166

00:45:01,730 --> 00:44:58,589

Buddha like Muhammad and like Moses and

1167

00:45:04,490 --> 00:45:01,740

said the mythology of them is actually

1168

00:45:06,500 --> 00:45:04,500

more than one living people few living

1169

00:45:08,720 --> 00:45:06,510

persons fused together into the myth and

1170

00:45:11,029 --> 00:45:08,730

Moses definitely is that I identify a

1171

00:45:12,859 --> 00:45:11,039

character who was a vizier of Akhenaten

1172

00:45:15,319 --> 00:45:12,869

whose name was aramos and English will

1173

00:45:17,359 --> 00:45:15,329

be dummy su where Moses comes from Moses

1174

00:45:18,200 --> 00:45:17,369

is Greek actually Ramos becomes rah

1175

00:45:20,150 --> 00:45:18,210

Moses in Greek

1176

00:45:21,799 --> 00:45:20,160

Moses is actually Greek title and they

1177

00:45:24,500 --> 00:45:21,809

think it meant child of and actually

1178

00:45:26,630 --> 00:45:24,510

meant a rebirth of or the one who was

1179

00:45:28,190 --> 00:45:26,640

defeated it becomes me sue which means

1180

00:45:30,650 --> 00:45:28,200

the basis of Messiah the one who was

1181

00:45:31,970 --> 00:45:30,660

defeated death so Moses was a

1182

00:45:34,039 --> 00:45:31,980

combination of different people but

1183

00:45:35,809 --> 00:45:34,049

basically was not Akhenaten was

1184

00:45:38,120 --> 00:45:35,819

basically his Vizier but it wasn't on

1185

00:45:39,559 --> 00:45:38,130

his teachings so Hakim and I totally

1186

00:45:42,170 --> 00:45:39,569

agreed that's why he collaborated with

1187

00:45:44,299 --> 00:45:42,180

me on the second book the what is the

1188

00:45:46,609 --> 00:45:44,309

Exodus and again they're even Jewish

1189

00:45:47,839 --> 00:45:46,619

scholars today the same Exodus never

1190

00:45:49,819 --> 00:45:47,849

happened it was just a mythological

1191

00:45:52,730 --> 00:45:49,829

event just an event it was made up to

1192

00:45:54,529 --> 00:45:52,740

give an identity no every myth has the

1193

00:45:56,390 --> 00:45:54,539

truth in space and time

1194

00:45:59,359 --> 00:45:56,400

becomes distorted in the telling over

1195

00:46:02,089 --> 00:45:59,369

time but it is a truth and the truth is

1196

00:46:03,650 --> 00:46:02,099

the Exodus was the allman priesthood

1197

00:46:05,930 --> 00:46:03,660

chasing the followers of a mountain

1198

00:46:08,029 --> 00:46:05,940

called the a tonight's out of Egypt and

1199

00:46:10,130 --> 00:46:08,039

we show it on the walls people come with

1200

00:46:12,650 --> 00:46:10,140

us in September I will show you the

1201  
00:46:14,809 --> 00:46:12,660  
physical proof in Egypt from where how

1202  
00:46:16,910 --> 00:46:14,819  
can we call the Egyptian side of the

1203  
00:46:18,859 --> 00:46:16,920  
Exodus that talks about an actual event

1204  
00:46:20,779 --> 00:46:18,869  
that occurred at the end of the 18th

1205  
00:46:22,460 --> 00:46:20,789  
dynasty after nothing's gone the

1206  
00:46:25,240 --> 00:46:22,470  
followers there was a king and another

1207  
00:46:27,230 --> 00:46:25,250  
king and the king was Ramos who in

1208  
00:46:28,940 --> 00:46:27,240  
Judaism that's called the Pharaoh

1209  
00:46:31,279 --> 00:46:28,950  
there's a call to fer of the Exodus and

1210  
00:46:32,420 --> 00:46:31,289  
a pharaoh of the of the dispersal well

1211  
00:46:34,970 --> 00:46:32,430  
they're both there were two different

1212  
00:46:36,890 --> 00:46:34,980  
supposed Kings identify them in the book

1213  
00:46:38,750 --> 00:46:36,900

we were discussing this in great detail

1214

00:46:41,240 --> 00:46:38,760

on tour in September

1215

00:46:43,339 --> 00:46:41,250

how do deism came to be how Akhenaten

1216

00:46:46,010 --> 00:46:43,349

related to the Rosicrucian teachings as

1217

00:46:48,019 --> 00:46:46,020

well as the Judaic teachings and how the

1218

00:46:49,579 --> 00:46:48,029

exodus really was a physical event that

1219

00:46:52,400 --> 00:46:49,589

can be documented on the walls in Egypt

1220

00:46:54,980 --> 00:46:52,410

and it for for the tour that's coming up

1221

00:46:56,000 --> 00:46:54,990

what sites I know that it's going to be

1222

00:46:58,190 --> 00:46:56,010

on the website but I know that

1223

00:47:00,050 --> 00:46:58,200

for anybody who's listening at home and

1224

00:47:04,190 --> 00:47:00,060

it's going to be listening to this on

1225

00:47:07,910 --> 00:47:04,200

their audio podcast player what sites

1226  
00:47:09,920 --> 00:47:07,920  
can they expect to see and what themes

1227  
00:47:12,710 --> 00:47:09,930  
can be learned or subjects are going to

1228  
00:47:15,800 --> 00:47:12,720  
be taught at these sites great elector

1229  
00:47:20,630 --> 00:47:15,810  
September 14th to 27th and and the site

1230  
00:47:22,610 --> 00:47:20,640  
is WWF Capital a DEP T capital exp D

1231  
00:47:25,160 --> 00:47:22,620  
idea you know what s Dex adept

1232  
00:47:27,020 --> 00:47:25,170  
expeditions comm we will start out on

1233  
00:47:29,060 --> 00:47:27,030  
the Giza Plateau and we will explain the

1234  
00:47:31,400 --> 00:47:29,070  
Giza Plateau like no one else does the

1235  
00:47:33,320 --> 00:47:31,410  
age of it how how what we think with

1236  
00:47:34,550 --> 00:47:33,330  
tombs were originally water tunnels and

1237  
00:47:36,320 --> 00:47:34,560  
again we'll even do that in the Valley

1238  
00:47:38,720 --> 00:47:36,330

of the Kings will show that what we

1239

00:47:40,730 --> 00:47:38,730

think were tombs cut for Kings nonsense

1240

00:47:42,950 --> 00:47:40,740

they were original water tunnels that

1241

00:47:45,680 --> 00:47:42,960

were modified into tombs we will talk

1242

00:47:47,900 --> 00:47:45,690

about how how came first day on the Giza

1243

00:47:49,520 --> 00:47:47,910

Plateau how I came came to the

1244

00:47:51,650 --> 00:47:49,530

understanding that there was a previous

1245

00:47:53,420 --> 00:47:51,660

civilization and the idea that pyramids

1246

00:47:55,400 --> 00:47:53,430

were tombs were wrong will show the

1247

00:47:57,770 --> 00:47:55,410

layers there will show even people

1248

00:47:59,660 --> 00:47:57,780

mysterious fourth pyramid which was

1249

00:48:01,790 --> 00:47:59,670

excavated which no other group goes to

1250

00:48:06,020 --> 00:48:01,800

but us we will go to all the different

1251  
00:48:08,240 --> 00:48:06,030  
sites we will go to to Dussehra p.m. at

1252  
00:48:10,880 --> 00:48:08,250  
saqqara to show these incredible stone

1253  
00:48:14,660 --> 00:48:10,890  
boxes twenty or thirty three of them

1254  
00:48:17,060 --> 00:48:14,670  
they're 22 now made ahead of one single

1255  
00:48:20,090 --> 00:48:17,070  
piece of diorite or granite that

1256  
00:48:22,520 --> 00:48:20,100  
estimate to weigh up to 100 tons that

1257  
00:48:25,670 --> 00:48:22,530  
are that are machined to a precision

1258  
00:48:28,430 --> 00:48:25,680  
approaching to one hundredth of an inch

1259  
00:48:30,380 --> 00:48:28,440  
in flatness in granite and we will show

1260  
00:48:32,300 --> 00:48:30,390  
other things we will show amazing

1261  
00:48:34,040 --> 00:48:32,310  
statues in granite at the temple of

1262  
00:48:36,320 --> 00:48:34,050  
luxor that are not original to the

1263  
00:48:38,720 --> 00:48:36,330

temple of luxor what basically we will

1264

00:48:41,090 --> 00:48:38,730

do it is to go to every site that normal

1265

00:48:43,460 --> 00:48:41,100

tourists go to but we will show what

1266

00:48:44,330 --> 00:48:43,470

Hakim showed where the Howey we can

1267

00:48:47,330 --> 00:48:44,340

discriminate

1268

00:48:49,760 --> 00:48:47,340

what is dynastic to pre-dynastic what is

1269

00:48:51,440 --> 00:48:49,770

old and what is that will show statues

1270

00:48:52,850 --> 00:48:51,450

will show things and have no writing on

1271

00:48:54,350 --> 00:48:52,860

it wait a minute

1272

00:48:56,180 --> 00:48:54,360

these people who obsessed with putting

1273

00:48:57,560 --> 00:48:56,190

the inscriptions everywhere how can we

1274

00:48:59,450 --> 00:48:57,570

have a statue and granite that has no

1275

00:49:01,730 --> 00:48:59,460

writing on it because it was made before

1276

00:49:03,020 --> 00:49:01,740

writing and already was added later will

1277

00:49:05,090 --> 00:49:03,030

even show that to people

1278

00:49:07,160 --> 00:49:05,100

will show you how you can date these

1279

00:49:09,230 --> 00:49:07,170

things by the writing but the writing

1280

00:49:09,890 --> 00:49:09,240

does not date the object we can show you

1281

00:49:11,390 --> 00:49:09,900

okay

1282

00:49:13,070 --> 00:49:11,400

writing we can show you Middle Kingdom

1283

00:49:14,720 --> 00:49:13,080

writing we can show you New Kingdom

1284

00:49:16,670 --> 00:49:14,730

writing on The Late Kingdom writing that

1285

00:49:18,830 --> 00:49:16,680

was added thousands of years after the

1286

00:49:21,380 --> 00:49:18,840

piece was made so this is how we differ

1287

00:49:23,600 --> 00:49:21,390

we differ much differently with geology

1288

00:49:25,190 --> 00:49:23,610

we have an expert geologist with us who

1289

00:49:26,930 --> 00:49:25,200

explained the difference in stone how

1290

00:49:28,250 --> 00:49:26,940

the ancients used the hardest stones

1291

00:49:30,350 --> 00:49:28,260

that we know on the planet with

1292

00:49:32,840 --> 00:49:30,360

incredible precision could not be done

1293

00:49:34,640 --> 00:49:32,850

with copper tools etc so we going to

1294

00:49:36,470 --> 00:49:34,650

museum will show you things in the

1295

00:49:38,390 --> 00:49:36,480

museum with people have not shown what

1296

00:49:40,790 --> 00:49:38,400

any other tour guide which only Hakeem

1297

00:49:42,950 --> 00:49:40,800

would show so this is the advantage

1298

00:49:44,780 --> 00:49:42,960

coming with us that coming with me and

1299

00:49:46,430 --> 00:49:44,790

Patricia we can show what her team

1300

00:49:49,070 --> 00:49:46,440

taught we can differentiate between

1301  
00:49:51,560 --> 00:49:49,080  
Kemet ology and Egyptology and clearly

1302  
00:49:53,870 --> 00:49:51,570  
show that there was an ancient advanced

1303  
00:49:59,720 --> 00:49:53,880  
civilization way before the so-called

1304  
00:50:01,100 --> 00:49:59,730  
dynasties fantastic my goodness I've got

1305  
00:50:02,480 --> 00:50:01,110  
everyone in the chats like this is

1306  
00:50:04,190 --> 00:50:02,490  
absolutely fascinating and every single

1307  
00:50:06,110 --> 00:50:04,200  
time we had we have a conversation I sit

1308  
00:50:08,270 --> 00:50:06,120  
down here and I could just I have my

1309  
00:50:12,230 --> 00:50:08,280  
monitor across the room and I'm just

1310  
00:50:24,020 --> 00:50:12,240  
sitting here just in awe just at it

1311  
00:50:26,600 --> 00:50:24,030  
brings the magic goes well you know came

1312  
00:50:29,240 --> 00:50:26,610  
to be is a beautiful understanding how

1313  
00:50:32,510 --> 00:50:29,250

it shows how these early priests who he

1314

00:50:34,310 --> 00:50:32,520

called her noot pure plural ha nu T

1315

00:50:36,110 --> 00:50:34,320

their original time was funerary priest

1316

00:50:37,460 --> 00:50:36,120

they created the idea of death they

1317

00:50:39,440 --> 00:50:37,470

created mummification

1318

00:50:40,550 --> 00:50:39,450

they created the idea of Resurrection

1319

00:50:43,190 --> 00:50:40,560

that you could come back to the body

1320

00:50:46,070 --> 00:50:43,200

this was all created ideas and the

1321

00:50:49,310 --> 00:50:46,080

people losing consciousness brought into

1322

00:50:52,300 --> 00:50:49,320

it just like people today buy into

1323

00:50:55,220 --> 00:50:52,310

religion and politicians without

1324

00:50:58,580 --> 00:50:55,230

discovering for themselves what Jesus

1325

00:51:00,710 --> 00:50:58,590

said maybe few Christians follow he said

1326  
00:51:03,530 --> 00:51:00,720  
the way is through me he said follow my

1327  
00:51:05,990 --> 00:51:03,540  
example what was Jesus example he

1328  
00:51:08,120 --> 00:51:06,000  
traveled all over the world he met

1329  
00:51:11,120 --> 00:51:08,130  
masters and all traditions he became a

1330  
00:51:13,190 --> 00:51:11,130  
Buddhist master in Tibet he learned all

1331  
00:51:15,290 --> 00:51:13,200  
the traditions and then came back and

1332  
00:51:17,480 --> 00:51:15,300  
preached his ministry and said the way

1333  
00:51:20,240 --> 00:51:17,490  
is through me follow my example don't

1334  
00:51:24,099 --> 00:51:20,250  
worship me as God follow my example

1335  
00:51:28,759 --> 00:51:24,109  
Moses said the same Mohammed said to say

1336  
00:51:32,690 --> 00:51:28,769  
and well I'm gonna say following example

1337  
00:51:34,430 --> 00:51:32,700  
okay and go check out the website it

1338  
00:51:36,979 --> 00:51:34,440

again you can also go go depth

1339

00:51:39,049 --> 00:51:36,989

initiatives for the September did tour

1340

00:51:40,759 --> 00:51:39,059

for there's a legend good know I'd

1341

00:51:43,940 --> 00:51:40,769

recommend and I could set it up way that

1342

00:51:46,249 --> 00:51:43,950

you you interview Patricia Ariane from

1343

00:51:48,709 --> 00:51:46,259

Egypt she has a new website called Horus

1344

00:51:51,049 --> 00:51:48,719

rising excellent website and there is

1345

00:51:52,819 --> 00:51:51,059

chemic ology calm which is the candid

1346

00:51:55,069 --> 00:51:52,829

school of ancient mysticism and for

1347

00:51:57,019 --> 00:51:55,079

those photos for anybody who's wondering

1348

00:51:59,299 --> 00:51:57,029

where the photos came from those were

1349

00:52:03,589 --> 00:51:59,309

from both the Kemet ology Souls the

1350

00:52:06,289 --> 00:52:03,599

Adept initiates site on Hakeem and you

1351  
00:52:07,789 --> 00:52:06,299  
know these these are at least important

1352  
00:52:09,589 --> 00:52:07,799  
things to look at and important things

1353  
00:52:12,019 --> 00:52:09,599  
to be able to consider you know one of

1354  
00:52:13,819 --> 00:52:12,029  
the a lot of people get some good buzzes

1355  
00:52:15,319 --> 00:52:13,829  
by just looking at his picture so that's

1356  
00:52:16,999 --> 00:52:15,329  
why I'm glad you put two pictures up

1357  
00:52:18,349 --> 00:52:17,009  
there different time periods that he

1358  
00:52:20,390 --> 00:52:18,359  
when I went together different years

1359  
00:52:23,630 --> 00:52:20,400  
working together but people sometimes

1360  
00:52:28,160 --> 00:52:23,640  
get it by just seeing his picture oh he

1361  
00:52:29,749 --> 00:52:28,170  
seems like so somebody who I'm gonna bet

1362  
00:52:30,859 --> 00:52:29,759  
if we use me as an example I don't I

1363  
00:52:32,959 --> 00:52:30,869

don't like to try and toot my own horn

1364

00:52:34,759 --> 00:52:32,969

on this he seemed like somebody who was

1365

00:52:39,739 --> 00:52:34,769

a very very jovial person but very very

1366

00:52:41,269 --> 00:52:39,749

wise beyond his years I've been taught

1367

00:52:43,219 --> 00:52:41,279

over the years for many many great

1368

00:52:45,799 --> 00:52:43,229

teachers if you meet somebody who claims

1369

00:52:46,579 --> 00:52:45,809

to be a guru or a master and they don't

1370

00:52:51,140 --> 00:52:46,589

make you laugh

1371

00:52:53,029 --> 00:52:51,150

they're not real how came and I would

1372

00:52:55,249 --> 00:52:53,039

tell him to dirtiest buddies jokes and

1373

00:52:56,959 --> 00:52:55,259

he would laugh and laugh we would talk

1374

00:52:59,449 --> 00:52:56,969

to each other all the time laughing

1375

00:53:01,160 --> 00:52:59,459

laughing had to be with joy he said you

1376

00:53:03,469 --> 00:53:01,170

must live your life with joy in fact

1377

00:53:05,479 --> 00:53:03,479

here's something I want to leave people

1378

00:53:09,099 --> 00:53:05,489

have many Hakeem isms this is one of his

1379

00:53:12,910 --> 00:53:09,109

greatest he would say life is a struggle
