

1
00:00:08,390 --> 00:00:01,400
all right good level on you she's quite

2
00:00:11,839 --> 00:00:08,400
late so well it's it's late and they

3
00:00:16,220 --> 00:00:11,849
you're expecting to have like gone to to

4
00:00:21,439 --> 00:00:16,230
bed at this point but like but you know

5
00:00:22,759 --> 00:00:21,449
I really well you're across the pond

6
00:00:26,570 --> 00:00:22,769
wait for us we're just getting into the

7
00:00:28,550 --> 00:00:26,580
evening this is the off work time so you

8
00:00:31,310 --> 00:00:28,560
know I'm I'm classically right back on

9
00:00:34,040 --> 00:00:31,320
Neil you know to to the new format which

10
00:00:36,139 --> 00:00:34,050
is considerably more laid-back and not

11
00:00:38,510 --> 00:00:36,149
nearly as drunken but you know a little

12
00:00:39,770 --> 00:00:38,520
more relaxed we've good conversations

13
00:00:41,180 --> 00:00:39,780

and your problem one of the people I

14

00:00:43,459 --> 00:00:41,190

like having conversations with the most

15

00:00:44,630 --> 00:00:43,469

I'm like Neil yeah it's like if I'm

16

00:00:47,180 --> 00:00:44,640

reaching in the format you want to come

17

00:00:52,130 --> 00:00:47,190

on [h__h] yeah brother from like okay

18

00:00:53,540 --> 00:00:52,140

let's do this and a quick shout out also

19

00:00:56,000 --> 00:00:53,550

to just a couple couple I got to do with

20

00:00:58,069 --> 00:00:56,010

the top of the at the top of the show to

21

00:01:00,740 --> 00:00:58,079

writing the guys to king of the dot and

22

00:01:05,750 --> 00:01:00,750

foreign city foreign city CA it's gonna

23

00:01:08,330 --> 00:01:05,760

be launching soon and also to the people

24

00:01:11,719 --> 00:01:08,340

at Paracon or eastern ontario Paracon

25

00:01:12,500 --> 00:01:11,729

I'll be there tomorrow 3:30 p.m. Eastern

26

00:01:15,770 --> 00:01:12,510

Standard Time

27

00:01:18,260 --> 00:01:15,780

giving the big UFO disclosure talk cuz I

28

00:01:22,420 --> 00:01:18,270

got the inside information the actual

29

00:01:24,679 --> 00:01:22,430

inside information on the secret of UFOs

30

00:01:26,690 --> 00:01:24,689

\$35 at the door 30 in advance get your

31

00:01:28,520 --> 00:01:26,700

tickets now that's gonna be at the bells

32

00:01:31,219 --> 00:01:28,530

corners Legion if you're within 500

33

00:01:32,929 --> 00:01:31,229

meters or so your friend can talk it's

34

00:01:35,270 --> 00:01:32,939

fine you know so get your tickets come

35

00:01:36,679 --> 00:01:35,280

on by or if you're in Ottawa come by say

36

00:01:38,810 --> 00:01:36,689

hi and if you don't like what I'm saying

37

00:01:42,740 --> 00:01:38,820

please don't take a swing at me I've got

38

00:01:45,100 --> 00:01:42,750

some Brazilian Jujitsu skills although

39

00:01:47,480 --> 00:01:45,110

we'll see up still there's gonna be beer

40

00:01:48,950 --> 00:01:47,490

actually getting paid in beer getting

41

00:01:55,700 --> 00:01:48,960

paid in beer is awesome I like having

42

00:01:56,510 --> 00:01:55,710

fun um actually it you can see me Neil

43

00:02:00,530 --> 00:01:56,520

we're good

44

00:02:06,440 --> 00:02:00,540

yeah okay fantastic how are you doing

45

00:02:12,530 --> 00:02:08,960

like man I'm kind of stoked because you

46

00:02:13,670 --> 00:02:12,540

know dealing with the stuff I'd been

47

00:02:15,530 --> 00:02:13,680

kind of going through for the last

48

00:02:18,589 --> 00:02:15,540

little while there's very few people I

49

00:02:22,190 --> 00:02:18,599

know that can understand on a it's an

50

00:02:23,360 --> 00:02:22,200

actual practical level the insanity

51
00:02:24,949 --> 00:02:23,370
that's going out there considering we've

52
00:02:29,300 --> 00:02:24,959
discussed it on the show on multiple

53
00:02:31,550 --> 00:02:29,310
occasions but you're kind of the guy to

54
00:02:33,620 --> 00:02:31,560
talk to when on a real world sense like

55
00:02:36,530 --> 00:02:33,630
not just from a conspiracy sense but

56
00:02:39,860 --> 00:02:36,540
from a you get what's going on and how

57
00:02:42,440 --> 00:02:39,870
it works and I know that some people

58
00:02:44,839 --> 00:02:42,450
probably haven't seen you before they've

59
00:02:46,339 --> 00:02:44,849
read your book but maybe not necessarily

60
00:02:48,979 --> 00:02:46,349
are too familiar with some of the stuff

61
00:02:51,640 --> 00:02:48,989
we've done here before you know you're

62
00:02:54,620 --> 00:02:51,650
pretty well the top conspiracy

63
00:02:58,069 --> 00:02:54,630

psychologists expert on the planet at

64

00:03:01,610 --> 00:02:58,079

least one of if not the you've multiple

65

00:03:03,170 --> 00:03:01,620

books that he wrote right now national

66

00:03:07,069 --> 00:03:03,180

television interviews on a constant

67

00:03:09,170 --> 00:03:07,079

basis you're also a to remember for a

68

00:03:13,069 --> 00:03:09,180

bassist order or guitarist in a metal

69

00:03:16,490 --> 00:03:13,079

band guitarist III he's pretty mo well

70

00:03:19,789 --> 00:03:16,500

Chris Punk but like but yeah I play tech

71

00:03:20,960 --> 00:03:19,799

notes but so I have the genres mixed up

72

00:03:23,690 --> 00:03:20,970

for me it's got you play technical

73

00:03:25,610 --> 00:03:23,700

progressive house with some you know

74

00:03:29,030 --> 00:03:25,620

epic trance like it's techno yeah okay

75

00:03:32,240 --> 00:03:29,040

sure with that in addition to that

76
00:03:34,039 --> 00:03:32,250
you're also a fan of battle rap which is

77
00:03:47,180 --> 00:03:34,049
something that we have a connection

78
00:03:48,319 --> 00:03:47,190
that's that isn't the proper knocks you

79
00:03:53,979 --> 00:03:48,329
don't get the worst full master to open

80
00:04:02,260 --> 00:03:57,520
it's all good on the show

81
00:04:04,210 --> 00:04:02,270
I've had my cats stick their faces and

82
00:04:06,910 --> 00:04:04,220
guests faces before their asses and

83
00:04:09,070 --> 00:04:06,920
guest faces before and had our dog knock

84
00:04:10,390 --> 00:04:09,080
over a camera you know during a

85
00:04:11,560 --> 00:04:10,400
three-and-a-half-hour multiple times

86
00:04:15,760 --> 00:04:11,570
during a three and a half hour interview

87
00:04:18,460 --> 00:04:15,770
or you know you sit back you relax you

88
00:04:20,410 --> 00:04:18,470

listen you have a good time

89

00:04:23,200 --> 00:04:20,420

how did you get in a battle rap and

90

00:04:26,200 --> 00:04:23,210

first of all you know what I know that

91

00:04:27,970 --> 00:04:26,210

there's a UK a very big leaguer UK based

92

00:04:31,180 --> 00:04:27,980

League and king of the dog seems to be

93

00:04:32,740 --> 00:04:31,190

very Eastern like East Coast and I know

94

00:04:36,670 --> 00:04:32,750

that it reaches into the into the west

95

00:04:38,380 --> 00:04:36,680

coast of the US how that's like a punk

96

00:04:41,770 --> 00:04:38,390

rock guitarist it seems kind of

97

00:04:44,920 --> 00:04:41,780

interesting as we now like as well I you

98

00:04:48,940 --> 00:04:44,930

know from my ODB t-shirt on like yeah I

99

00:04:53,110 --> 00:04:48,950

mean to be quite honest and a grime

100

00:04:56,020 --> 00:04:53,120

timer I used to watch grind time so when

101
00:04:59,230 --> 00:04:56,030
king of the dot sort of popped off a bit

102
00:05:01,900 --> 00:04:59,240
like I do I didn't see the origination

103
00:05:03,970 --> 00:05:01,910
of it but like very very early on I I

104
00:05:07,659 --> 00:05:03,980
think I saw I think probably the first

105
00:05:09,159 --> 00:05:07,669
battle I saw was that sort of led me

106
00:05:11,470 --> 00:05:09,169
towards that was disaster versus five

107
00:05:15,150 --> 00:05:11,480
seven and then obviously I started

108
00:05:18,700 --> 00:05:15,160
watching disaster disaster versus DNA

109
00:05:21,310 --> 00:05:18,710
and yeah just got into it like that I

110
00:05:24,040 --> 00:05:21,320
think it's great I really like that the

111
00:05:25,990 --> 00:05:24,050
sort of least as close to watching sport

112
00:05:30,700 --> 00:05:26,000
as I'll get I do occasionally watch

113
00:05:38,680 --> 00:05:30,710

boxing or MMA and just because that like

114

00:05:40,000 --> 00:05:38,690

the nihilism of people destroying one if

115

00:05:42,450 --> 00:05:40,010

I'm really nice and this is gonna sound

116

00:05:44,950 --> 00:05:42,460

test for the uncool probably but that

117

00:05:47,770 --> 00:05:44,960

probably the introduction to battle rap

118

00:05:50,610 --> 00:05:47,780

that I had being that I come from you

119

00:05:54,790 --> 00:05:50,620

know the middle of nowhere in England

120

00:05:56,980 --> 00:05:54,800

was Eminem to be quite honest and from

121

00:05:59,980 --> 00:05:56,990

there I saw a few that I probably even

122

00:06:02,740 --> 00:05:59,990

like eight-mile to be quite honest and

123

00:06:05,529 --> 00:06:02,750

then from there I saw a few of these

124

00:06:07,390 --> 00:06:05,539

videos doing what was it scribble jam or

125

00:06:11,110 --> 00:06:07,400

rapper limpets or whatever he was doing

126

00:06:13,270 --> 00:06:11,120

and yes it's just fascinating

127

00:06:17,340 --> 00:06:13,280

I think he's fantastic I actually saw

128

00:06:19,990 --> 00:06:17,350

some batter up life years and years ago

129

00:06:22,659 --> 00:06:20,000

did we go see once he scheme I didn't

130

00:06:24,820 --> 00:06:22,669

really and and he was headlining that

131

00:06:27,340 --> 00:06:24,830

skinny skinny man a roll deep all right

132

00:06:29,379 --> 00:06:27,350

these like quite underground UK hip hop

133

00:06:33,189 --> 00:06:29,389

artists and at some point throughout the

134

00:06:36,120 --> 00:06:33,199

night there was a battle rap thing out

135

00:06:39,610 --> 00:06:36,130

de Ville played actually Scorsese who is

136

00:06:42,129 --> 00:06:39,620

an incredibly talented UK rapper was a

137

00:06:44,590 --> 00:06:42,139

part of our de Ville don't actually had

138

00:06:48,689 --> 00:06:44,600

that gig as well and he's done some

139

00:06:51,340 --> 00:06:48,699

battle rap on an English league called

140

00:06:53,550 --> 00:06:51,350

his clash money which is actually I

141

00:06:56,950 --> 00:06:53,560

think it's actually based in Nottingham

142

00:07:00,760 --> 00:06:56,960

so yeah I really like power up I think

143

00:07:04,210 --> 00:07:00,770

it's really it's got the aggression it's

144

00:07:05,740 --> 00:07:04,220

got the witticisms I think when you get

145

00:07:08,260 --> 00:07:05,750

that mixed I like this is why I very

146

00:07:13,120 --> 00:07:08,270

much like Pat stay oh my god Pat today

147

00:07:15,129 --> 00:07:13,130

oh he's but he's he's got the delivery

148

00:07:16,870 --> 00:07:15,139

of a comedian but he's got the

149

00:07:21,070 --> 00:07:16,880

aggression and the performance and the

150

00:07:24,339 --> 00:07:21,080

presentation of any did you sort of

151
00:07:27,610 --> 00:07:24,349
top-tier rappers he's incredible it's

152
00:07:30,460 --> 00:07:27,620
absolutely incredible and yeah I think

153
00:07:31,839 --> 00:07:30,470
he's great like it's a he's got

154
00:07:35,379 --> 00:07:31,849
everything he's got that aggression he's

155
00:07:37,480 --> 00:07:35,389
got the cleverness in which he makes you

156
00:07:40,390 --> 00:07:37,490
feel like oh I know that reference see

157
00:07:43,150 --> 00:07:40,400
it's got the word play it's got the

158
00:07:45,070 --> 00:07:43,160
comedy yeah you know and to be quite

159
00:07:46,870 --> 00:07:45,080
honest I know they're your friends who

160
00:07:49,570 --> 00:07:46,880
this sounds like a plug but he stays

161
00:07:52,779 --> 00:07:49,580
true in king of the dark are the best

162
00:07:54,689 --> 00:07:52,789
but raptly they they managed to get

163
00:07:58,420 --> 00:07:54,699

there better than URL because you're L

164

00:08:01,900 --> 00:07:58,430

you're a lease for a certain like it's

165

00:08:03,909 --> 00:08:01,910

not a dick you can't be too clever in

166

00:08:04,540 --> 00:08:03,919

URL it's all about gun bars and stuff

167

00:08:08,110 --> 00:08:04,550

like that

168

00:08:10,689 --> 00:08:08,120

he's brilliant it like but it's I prefer

169

00:08:12,760 --> 00:08:10,699

king of the dark to be quite honest yeah

170

00:08:15,850 --> 00:08:12,770

I think it was um oh yeah it was

171

00:08:19,149 --> 00:08:15,860

blackout 3 not blackout - and that was

172

00:08:22,209 --> 00:08:19,159

arcane versus disaster and I'd heard

173

00:08:24,399 --> 00:08:22,219

disasters more aggressive style and it

174

00:08:24,820 --> 00:08:24,409

blew criticism behind it in the the palm

175

00:08:28,180 --> 00:08:24,830

in the

176

00:08:31,120 --> 00:08:28,190

I'm stance of just the production it's

177

00:08:34,480 --> 00:08:31,130

it's like pro wrestling with with lyrics

178

00:08:35,860 --> 00:08:34,490

and yes you know as they always say like

179

00:08:37,450 --> 00:08:35,870

sometimes people take it too seriously

180

00:08:39,430 --> 00:08:37,460

and it's supposed to be a show and you

181

00:08:41,770 --> 00:08:39,440

know you your support while you're

182

00:08:45,370 --> 00:08:41,780

basically there to lyrically destroy

183

00:08:52,510 --> 00:08:45,380

somebody and being with the best insult

184

00:08:55,660 --> 00:08:52,520

possible it's like it's debate isn't it

185

00:08:57,220 --> 00:08:55,670

but what was what I like about it is

186

00:08:58,630 --> 00:08:57,230

that there's very simple ways you can

187

00:09:01,390 --> 00:08:58,640

win you can you can win by being the

188

00:09:03,700 --> 00:09:01,400

better rapper you wasn't incredibly

189

00:09:07,420 --> 00:09:03,710

sometimes it's one round and wouldn't

190

00:09:09,250 --> 00:09:07,430

you the entire battle like which is you

191

00:09:10,960 --> 00:09:09,260

know not often he has to be a very

192

00:09:13,540 --> 00:09:10,970

spectacular round but you know you've

193

00:09:16,000 --> 00:09:13,550

seen examples of that I mean these are

194

00:09:18,760 --> 00:09:16,010

argumentative you could say that though

195

00:09:21,760 --> 00:09:18,770

it looks won that particular battle

196

00:09:24,040 --> 00:09:21,770

against calico with that one round and

197

00:09:29,370 --> 00:09:24,050

the Calico had the more punches or

198

00:09:33,850 --> 00:09:29,380

whatever but looks had the thematic

199

00:09:36,760 --> 00:09:33,860

presence to to carry off and it was yeah

200

00:09:38,950 --> 00:09:36,770

it you know did it it's almost

201
00:09:40,810 --> 00:09:38,960
impossible to score sometimes that's

202
00:09:44,140 --> 00:09:40,820
what's interesting about Bauer rap I

203
00:09:46,870 --> 00:09:44,150
mean the guy and nameless there's got

204
00:09:48,460 --> 00:09:46,880
you score system however I'd be a very

205
00:09:54,660 --> 00:09:48,470
interest to see how that is because

206
00:09:57,990 --> 00:09:54,670
sometimes the delivery of the right of

207
00:10:02,170 --> 00:09:58,000
of a bar on whether and how its received

208
00:10:05,640 --> 00:10:02,180
it is as important as the actual written

209
00:10:09,160 --> 00:10:05,650
itself and and it's it is complicated

210
00:10:13,060 --> 00:10:09,170
yes it's pretty nothing's massive amount

211
00:10:17,740 --> 00:10:13,070
of fun she was it's you look at people

212
00:10:19,720 --> 00:10:17,750
on social media nowadays and how and how

213
00:10:20,920 --> 00:10:19,730

you've got people who are just beefing

214

00:10:23,830 --> 00:10:20,930

back and forth and you know I'm not

215

00:10:25,450 --> 00:10:23,840

exactly innocent I'm pretty much the

216

00:10:27,310 --> 00:10:25,460

instigator in a lot of it and I I do it

217

00:10:32,140 --> 00:10:27,320

as big and bad as anybody else and I

218

00:10:34,030 --> 00:10:32,150

don't care cuz it's apparently I'm in

219

00:10:35,320 --> 00:10:34,040

the Illuminati so it's like okay well

220

00:10:37,930 --> 00:10:35,330

you got to got your conspiracy nut is

221

00:10:40,860 --> 00:10:37,940

really going like I do anything

222

00:10:43,960 --> 00:10:40,870

oh man I'm high level I'm telling you

223

00:10:47,230 --> 00:10:43,970

apparently so you've got you know people

224

00:10:48,340 --> 00:10:47,240

who are already you know a little bit

225

00:10:51,880 --> 00:10:48,350

off and they're not expecting it because

226

00:10:53,740 --> 00:10:51,890

they have the whole well niceness to it

227

00:10:55,290 --> 00:10:53,750

if I go you have to stay positive you

228

00:10:57,430 --> 00:10:55,300

got to stay positive you can't criticize

229

00:10:58,780 --> 00:10:57,440

so when you come in to criticize you

230

00:11:07,600 --> 00:10:58,790

criticize like a sledgehammer to the

231

00:11:09,370 --> 00:11:07,610

face it bigger like oh sorry because you

232

00:11:10,540 --> 00:11:09,380

go to stay positive all the time well

233

00:11:11,830 --> 00:11:10,550

it's kind of the the idea is that you

234

00:11:13,120 --> 00:11:11,840

don't criticize you're supposed to stay

235

00:11:14,410 --> 00:11:13,130

positive because you have to have a key

236

00:11:16,840 --> 00:11:14,420

you know it has to be a community and

237

00:11:19,510 --> 00:11:16,850

you have to be you know as as part of

238

00:11:21,070 --> 00:11:19,520

this larger movement and most of the

239

00:11:24,480 --> 00:11:21,080

time it just comes down to you don't

240

00:11:26,230 --> 00:11:24,490

criticize so that you don't split up the

241

00:11:32,050 --> 00:11:26,240

yeah I mean you don't split up the

242

00:11:34,450 --> 00:11:32,060

audience criticized I mean like for

243

00:11:40,060 --> 00:11:34,460

example if someone's putting their face

244

00:11:44,110 --> 00:11:40,070

in a fan should you say love it still

245

00:11:47,440 --> 00:11:44,120

figure it out let's stay positive see

246

00:11:50,500 --> 00:11:47,450

what oh maybe because a lot of the time

247

00:11:52,450 --> 00:11:50,510

it's it's positivity to keep an audience

248

00:11:53,680 --> 00:11:52,460

together because if you're if you split

249

00:11:55,600 --> 00:11:53,690

your audience then you know there goes

250

00:11:56,800 --> 00:11:55,610

your ad revenue it's like what happened

251
00:11:58,390 --> 00:11:56,810
yeah what happens if your ad revenue

252
00:12:00,880 --> 00:11:58,400
goes away so a lot of the times they'll

253
00:12:04,300 --> 00:12:00,890
push that that positivity angle and it's

254
00:12:05,860 --> 00:12:04,310
like okay well you know I I go oh yeah

255
00:12:08,470 --> 00:12:05,870
well there you go

256
00:12:09,610 --> 00:12:08,480
you know you yeah unity through strength

257
00:12:11,920 --> 00:12:09,620
or whatever the hell they're there

258
00:12:13,870 --> 00:12:11,930
they're pushing now and I know that like

259
00:12:15,940 --> 00:12:13,880
oh man even the meme sometimes is is

260
00:12:19,210 --> 00:12:15,950
just insane now they've got this like a

261
00:12:20,740 --> 00:12:19,220
flat face meme or just like a like they

262
00:12:21,910 --> 00:12:20,750
they take over somebody's face and

263
00:12:25,480 --> 00:12:21,920

they'll color it and then it would just

264

00:12:27,070 --> 00:12:25,490

be like two dots and yeah yeah I don't

265

00:12:28,630 --> 00:12:27,080

understand that was that that was the

266

00:12:31,810 --> 00:12:28,640

point I I don't know what it's supposed

267

00:12:34,660 --> 00:12:31,820

to be Louis for tonight I think that was

268

00:12:36,400 --> 00:12:34,670

it it's a mass movement a coordinated

269

00:12:39,910 --> 00:12:36,410

mass movement to show that the

270

00:12:42,130 --> 00:12:39,920

opposition is of one voice and soleus

271

00:12:46,890 --> 00:12:42,140

isn't it which some might say was

272

00:12:49,230 --> 00:12:46,900

contradictory top minds think alike

273

00:12:51,720 --> 00:12:49,240

individuality we have we

274

00:12:53,490 --> 00:12:51,730

inclusive of everybody but if you talk

275

00:12:56,100 --> 00:12:53,500

against us or question the president

276

00:13:00,000 --> 00:12:56,110

your room you know you're banned from

277

00:13:01,320 --> 00:13:00,010

whatever that's I don't know I don't go

278

00:13:06,170 --> 00:13:01,330

to those forums that's what I was here

279

00:13:10,530 --> 00:13:06,180

for with Blair white we're who's

280

00:13:12,720 --> 00:13:10,540

transgender lady who but is also alright

281

00:13:15,990 --> 00:13:12,730

in the same way that like you know Jesus

282

00:13:17,760 --> 00:13:16,000

sort of seen an angle here I could like

283

00:13:19,829 --> 00:13:17,770

you know cozy up to the bodies in the

284

00:13:21,570 --> 00:13:19,839

same way that Candice Oh instance over

285

00:13:23,870 --> 00:13:21,580

there Candice Owens is financed by

286

00:13:26,510 --> 00:13:23,880

turning point which is Betsy DeVos and

287

00:13:31,470 --> 00:13:26,520

various other people connected to the

288

00:13:33,150 --> 00:13:31,480

showman foundation so Blair White's a

289

00:13:35,040 --> 00:13:33,160

sort of lower level one of these people

290

00:13:37,740 --> 00:13:35,050

that sort of you know saw a market and

291

00:13:39,389 --> 00:13:37,750

to you know jumped on it but she's

292

00:13:42,410 --> 00:13:39,399

basically outta did that series of

293

00:13:44,730 --> 00:13:42,420

people recently like t gold pissy and

294

00:13:45,990 --> 00:13:44,740

she's not name names but it's fairly

295

00:13:47,870 --> 00:13:46,000

clear that she's talking about people

296

00:13:50,610 --> 00:13:47,880

like Steven crowd is he saying that he's

297

00:13:53,519 --> 00:13:50,620

just in it for the money and not really

298

00:13:56,579 --> 00:13:53,529

bothered and actually you know he's just

299

00:14:00,480 --> 00:13:56,589

playing a character and that my Liliana

300

00:14:03,690 --> 00:14:00,490

populist has created outrage and hired

301
00:14:07,050 --> 00:14:03,700
people to this is what she do have hired

302
00:14:08,880 --> 00:14:07,060
people to protest at these talks to make

303
00:14:11,280 --> 00:14:08,890
it look like he's a victim

304
00:14:15,769 --> 00:14:11,290
that's simultaneously you know attacking

305
00:14:19,319 --> 00:14:15,779
binkham culture is a pathetic which is a

306
00:14:21,630 --> 00:14:19,329
Freudian nightmare which we haven't got

307
00:14:23,819 --> 00:14:21,640
time to go into but this was something

308
00:14:27,420 --> 00:14:23,829
up he says he hates himself

309
00:14:29,010 --> 00:14:27,430
he's self-loathing and you know various

310
00:14:31,170 --> 00:14:29,020
people like that she did this numerous

311
00:14:34,980 --> 00:14:31,180
people like recently Ann Coulter Ben

312
00:14:37,139 --> 00:14:34,990
Shapiro Charlie Kirk and Candace Owens

313
00:14:41,040 --> 00:14:37,149

all dropped out of politican because

314

00:14:44,280 --> 00:14:41,050

they refused to debate against people

315

00:14:45,660 --> 00:14:44,290

like Sam cedar and kolinsky and and

316

00:14:48,269 --> 00:14:45,670

embarrass other people whoever was on

317

00:14:49,910 --> 00:14:48,279

the panel and he just basically shows it

318

00:14:53,519 --> 00:14:49,920

like you know this is a money-making

319

00:14:58,590 --> 00:14:53,529

operation that's what is it they don't

320

00:15:01,260 --> 00:14:58,600

believe in their so-called ideology they

321

00:15:03,280 --> 00:15:01,270

saw a gap in the market and they they

322

00:15:04,870 --> 00:15:03,290

mood with it if you want to be cruel

323

00:15:07,749 --> 00:15:04,880

they were weak and they went with the

324

00:15:11,050 --> 00:15:07,759

way because people like Alex Jones and

325

00:15:14,620 --> 00:15:11,060

and very so the red ice and other

326

00:15:16,420 --> 00:15:14,630

prominent and old media outlets when

327

00:15:19,540 --> 00:15:16,430

that way and they'll say I know we got

328

00:15:21,519 --> 00:15:19,550

red pill red pill you just like scared

329

00:15:24,160 --> 00:15:21,529

to say oh no this is [h__\h] and and

330

00:15:28,389 --> 00:15:24,170

you went with the crowd I think that's

331

00:15:28,960 --> 00:15:28,399

what it is and yeah you can't convince

332

00:15:31,269 --> 00:15:28,970

me otherwise

333

00:15:34,809 --> 00:15:31,279

because people can have legitimate you

334

00:15:37,809 --> 00:15:34,819

know grapes her or political your

335

00:15:39,430 --> 00:15:37,819

complaints or or criticisms and like the

336

00:15:41,259 --> 00:15:39,440

whole idea is okay well what what's the

337

00:15:43,030 --> 00:15:41,269

now what's the thing that's gonna be

338

00:15:46,629 --> 00:15:43,040

used to be able to improve things if

339

00:15:47,829 --> 00:15:46,639

you're just constantly again I'm also

340

00:15:51,009 --> 00:15:47,839

thinking back it's like oh I probably

341

00:15:52,689 --> 00:15:51,019

don't you know give very many solutions

342

00:15:54,280 --> 00:15:52,699

to problems of all with with the

343

00:15:57,840 --> 00:15:54,290

alternative research community it comes

344

00:16:00,670 --> 00:15:57,850

down to actually research as a solution

345

00:16:02,949 --> 00:16:00,680

but in politics is like they tear it

346

00:16:04,389 --> 00:16:02,959

they use that they tear it down as far

347

00:16:05,410 --> 00:16:04,399

as the personalities are concerned but

348

00:16:06,579 --> 00:16:05,420

you know the people themselves that

349

00:16:10,509 --> 00:16:06,589

they're just looking for an answer but

350

00:16:15,639 --> 00:16:10,519

and they hijack that is absolutely I

351

00:16:17,559 --> 00:16:15,649

mean this is it appeals to them it

352

00:16:19,180 --> 00:16:17,569

appeals to disenfranchised you know I I

353

00:16:20,290 --> 00:16:19,190

get out I understand why people are sort

354

00:16:23,860 --> 00:16:20,300

of driven to these things because it

355

00:16:27,250 --> 00:16:23,870

offers easy answers it gives you a you

356

00:16:28,900 --> 00:16:27,260

know a song to blame an esoteric victim

357

00:16:30,610 --> 00:16:28,910

that you know just about enough about

358

00:16:33,160 --> 00:16:30,620

that so that you can hate them but know

359

00:16:35,680 --> 00:16:33,170

enough about so that you and understand

360

00:16:38,889 --> 00:16:35,690

them like these people are putting this

361

00:16:41,250 --> 00:16:38,899

dichotomy about this innocence people

362

00:16:44,759 --> 00:16:41,260

have got to be powerful enough to

363

00:16:49,269 --> 00:16:44,769

threaten the very existence of your life

364

00:16:51,730 --> 00:16:49,279

and also not often enough to have a form

365

00:16:53,860 --> 00:16:51,740

to make making a counter-argument to

366

00:16:55,449 --> 00:16:53,870

this which you know most people would

367

00:16:57,120 --> 00:16:55,459

look at that go with assist this is

368

00:16:59,829 --> 00:16:57,130

oxymoronic all it doesn't make any sense

369

00:17:01,809 --> 00:16:59,839

but that's the whole point of it is it's

370

00:17:05,079 --> 00:17:01,819

not an appeal to logic it's an appeal to

371

00:17:08,640 --> 00:17:05,089

emotion it's based on two things it's

372

00:17:11,110 --> 00:17:08,650

based on the misnomer that the ruling

373

00:17:15,429 --> 00:17:11,120

majority class is under threat from

374

00:17:17,710 --> 00:17:15,439

minorities and is founded in a concept

375

00:17:20,710 --> 00:17:17,720

of a mythic understanding

376

00:17:24,100 --> 00:17:20,720

past that never existed that we want to

377

00:17:26,980 --> 00:17:24,110

go back to make America great again for

378

00:17:31,360 --> 00:17:26,990

example like this this is the the the

379

00:17:34,149 --> 00:17:31,370

the very definition of the imposition of

380

00:17:39,460 --> 00:17:34,159

tyrannical order essentially like it

381

00:17:41,580 --> 00:17:39,470

uses the fears and the hopes and dreams

382

00:17:46,299 --> 00:17:41,590

essentially of their normal working man

383

00:17:48,640 --> 00:17:46,309

and it goes again it uses them to go

384

00:17:50,200 --> 00:17:48,650

against their best interests and I'm

385

00:17:53,529 --> 00:17:50,210

gonna stay right now because it makes me

386

00:17:58,240 --> 00:17:53,539

say like a right total lefty the left is

387

00:18:00,810 --> 00:17:58,250

is incredibly flawed as well the problem

388

00:18:07,270 --> 00:18:00,820

with the left is that they essentially

389

00:18:09,039 --> 00:18:07,280

this they are dismissive of the working

390

00:18:11,080 --> 00:18:09,049

people dismissive normal people they

391

00:18:13,810 --> 00:18:11,090

have an attitude that is arrogant that

392

00:18:15,549 --> 00:18:13,820

says that is sneering and that says

393

00:18:19,720 --> 00:18:15,559

basically no you're not bright enough to

394

00:18:22,360 --> 00:18:19,730

understand what's going on and and this

395

00:18:27,450 --> 00:18:22,370

is this is a flaw with the left they

396

00:18:31,750 --> 00:18:27,460

also have characters like a Penske

397

00:18:33,130 --> 00:18:31,760

versus named John Oliver and and Stewart

398

00:18:35,620 --> 00:18:33,140

and stuff like that it's very very funny

399

00:18:39,310 --> 00:18:35,630

people but the representative of the

400

00:18:42,430 --> 00:18:39,320

left wing is not a strong person it is a

401

00:18:44,560 --> 00:18:42,440

better cook it is it is the sort of

402

00:18:50,110 --> 00:18:44,570

person that is intellectual but it's not

403

00:18:52,510 --> 00:18:50,120

a strong it's not strong archetype for

404

00:18:54,250 --> 00:18:52,520

you to attach yourself to and I saw

405

00:18:56,409 --> 00:18:54,260

something very very attractive that the

406

00:18:58,000 --> 00:18:56,419

right wing does promote is that they

407

00:19:00,850 --> 00:18:58,010

promote strength and they prevent

408

00:19:03,250 --> 00:19:00,860

promote this sort of alpha type thing

409

00:19:04,750 --> 00:19:03,260

and and so it's very very seductive and

410

00:19:08,110 --> 00:19:04,760

and this is an incredible incredible

411

00:19:11,230 --> 00:19:08,120

floor with the left the not only did

412

00:19:13,840 --> 00:19:11,240

they do that but they also essentially

413

00:19:18,909 --> 00:19:13,850

really [h__\h] on normal people by being

414

00:19:20,620 --> 00:19:18,919

arrogant and and being dismissive of

415

00:19:23,260 --> 00:19:20,630

their ideas and dismissive of the

416

00:19:26,409 --> 00:19:23,270

understanding of the situation that a

417

00:19:28,270 --> 00:19:26,419

lot of people are in and and and this is

418

00:19:30,220 --> 00:19:28,280

you say this is very very very very very

419

00:19:31,899 --> 00:19:30,230

complicated because to be quite honest

420

00:19:34,299 --> 00:19:31,909

if you ask me when I

421

00:19:36,819 --> 00:19:34,309

on the political spectrum I'd be left

422

00:19:38,759 --> 00:19:36,829

but I don't really focus I don't

423

00:19:41,949 --> 00:19:38,769

actually think the political system

424

00:19:45,759 --> 00:19:41,959

represents normal people now it's just a

425

00:19:49,659 --> 00:19:45,769

dog and pony show but what I am

426

00:19:52,180 --> 00:19:49,669

interested in is how both sides utilize

427

00:19:54,279 --> 00:19:52,190

certain elements of psychology and

428

00:19:58,599 --> 00:19:54,289

certain elements of fear-mongering and

429

00:20:01,299 --> 00:19:58,609

sentiments of camaraderie and joining

430

00:20:03,819 --> 00:20:01,309

people to a group that makes them feel

431

00:20:06,639 --> 00:20:03,829

psychologic um fitted and how they

432

00:20:09,099 --> 00:20:06,649

utilize data to manipulate people and

433

00:20:12,039 --> 00:20:09,109

use people and some people are out on a

434

00:20:13,419 --> 00:20:12,049

path and I think the post both parties

435

00:20:15,759 --> 00:20:13,429

have both sides of the political

436

00:20:17,439 --> 00:20:15,769

spectrum and guilty but I think that

437

00:20:18,699 --> 00:20:17,449

these interesting more interesting look

438

00:20:20,079 --> 00:20:18,709

at the right-wing and the mash

439

00:20:21,939 --> 00:20:20,089

initiatives right-wing at the minute

440

00:20:25,930 --> 00:20:21,949

because essentially they're on the rise

441

00:20:30,029 --> 00:20:25,940

and they are in power and so they have

442

00:20:33,339 --> 00:20:30,039

the the ability to actually implement or

443

00:20:37,539 --> 00:20:33,349

cause any change in a particular life

444

00:20:39,909 --> 00:20:37,549

and I don't trust them because the the

445

00:20:45,459 --> 00:20:39,919

people who financing them I don't trust

446

00:20:47,079 --> 00:20:45,469

them and identify years ago and Obama's

447

00:20:49,180 --> 00:20:47,089

power would be having exactly the same

448

00:20:51,699 --> 00:20:49,190

stupid conversation but I'd be talking

449

00:20:53,979 --> 00:20:51,709

about left-wing people basically so that

450

00:20:56,469 --> 00:20:53,989

that's that's that's where I fall in

451
00:20:58,749 --> 00:20:56,479
that you like your well you if you're

452
00:21:00,699 --> 00:20:58,759
looking at the politics it's the same

453
00:21:02,349 --> 00:21:00,709
thing with with a new apology and I have

454
00:21:05,979 --> 00:21:02,359
to at least you know Thoreau to the

455
00:21:08,169 --> 00:21:05,989
dental or faithful who do follow the the

456
00:21:10,180 --> 00:21:08,179
more mr. mysterious parts of the

457
00:21:13,749 --> 00:21:10,190
paranormal world an alternative research

458
00:21:15,879 --> 00:21:13,759
world and you have very similar

459
00:21:17,349 --> 00:21:15,889
archetypes from the celebrities the

460
00:21:18,939 --> 00:21:17,359
Talking Heads although now I guess I'm

461
00:21:20,709 --> 00:21:18,949
kind of a talking head on on this show

462
00:21:23,379 --> 00:21:20,719
cuz they can only really see my head

463
00:21:25,569 --> 00:21:23,389

from the top up but you've got people

464

00:21:26,859 --> 00:21:25,579

who've been around for 30 years who

465

00:21:28,689 --> 00:21:26,869

basically have been saying well I've got

466

00:21:31,599 --> 00:21:28,699

the truth I've got the truth and they'll

467

00:21:34,839 --> 00:21:31,609

say the truth as far as they're saying

468

00:21:36,219 --> 00:21:34,849

it but they don't haven't not provided

469

00:21:37,930 --> 00:21:36,229

any actual evidence and they're just

470

00:21:40,869 --> 00:21:37,940

collecting a paycheck off of their their

471

00:21:42,489 --> 00:21:40,879

tours and it's very similar to the way

472

00:21:45,049 --> 00:21:42,499

that politicians are saying like well

473

00:21:46,700 --> 00:21:45,059

you know this is happening this way and

474

00:21:50,840 --> 00:21:46,710

maybe it is to a certain extent in some

475

00:21:52,310 --> 00:21:50,850

cases but you know okay well what are

476

00:21:54,409 --> 00:21:52,320

you gonna do to fix it have you actually

477

00:21:56,869 --> 00:21:54,419

fix the problem or if you're fixing the

478

00:21:58,820 --> 00:21:56,879

problem is is it you know the other side

479

00:22:01,190 --> 00:21:58,830

that's then twisting that problem that

480

00:22:03,889 --> 00:22:01,200

solution around to then attack you by

481

00:22:08,360 --> 00:22:03,899

outright lying like yeah the amount of

482

00:22:12,499 --> 00:22:08,370

times I've I'm gonna say presented

483

00:22:14,330 --> 00:22:12,509

actual verifiable evidence to somebody

484

00:22:16,430 --> 00:22:14,340

who was considered fairly influential

485

00:22:17,600 --> 00:22:16,440

and the first thing that they did was

486

00:22:19,310 --> 00:22:17,610

turn around and say like oh well you're

487

00:22:20,450 --> 00:22:19,320

a freemason so you're part of the

488

00:22:21,440 --> 00:22:20,460

Illuminati like you're you're part of

489

00:22:24,080 --> 00:22:21,450

the deep state and I'm sitting there

490

00:22:26,509 --> 00:22:24,090

going you've been manipulating people

491

00:22:31,239 --> 00:22:26,519

for your own financial gain using your

492

00:22:34,310 --> 00:22:31,249

media job like I'm the problem and

493

00:22:36,619 --> 00:22:34,320

that's that's the that's the hook that's

494

00:22:38,869 --> 00:22:36,629

the general way that politicians will

495

00:22:39,409 --> 00:22:38,879

use to manipulate whether it's from the

496

00:22:42,440 --> 00:22:39,419

left or the right

497

00:22:46,159 --> 00:22:42,450

yeah the right uses fear the left uses

498

00:22:49,039 --> 00:22:46,169

shame yes and it it's you're still

499

00:22:50,840 --> 00:22:49,049

trying to appeal to that base animal

500

00:22:52,389 --> 00:22:50,850

instinct and it's like okay well like

501
00:22:54,649 --> 00:22:52,399
not if I get pissed off about something

502
00:22:55,909 --> 00:22:54,659
I'm pissed off because the people

503
00:22:57,710 --> 00:22:55,919
believe and I'm pissed off the people

504
00:23:01,190 --> 00:22:57,720
who I know we're using the tricks that I

505
00:23:03,769 --> 00:23:01,200
know that they're using to to affect

506
00:23:05,690 --> 00:23:03,779
whatever so you know I'm sitting there

507
00:23:07,549 --> 00:23:05,700
going well this is you know on a much

508
00:23:10,580 --> 00:23:07,559
higher than full of anger and

509
00:23:11,810 --> 00:23:10,590
frustration then it is from you know

510
00:23:14,060 --> 00:23:11,820
your average person who thinks that

511
00:23:17,419 --> 00:23:14,070
let's say Obama's a secret [h__\h]

512
00:23:23,419 --> 00:23:17,429
or you know Donald Trump is doing

513
00:23:26,960 --> 00:23:23,429

whatever it's so very isolating to a lot

514

00:23:30,440 --> 00:23:26,970

of people mm-hm yeah defining conquer

515

00:23:32,930 --> 00:23:30,450

toxic it really isn't it like which is

516

00:23:35,119 --> 00:23:32,940

again which is very very complex because

517

00:23:38,060 --> 00:23:35,129

it essentially doesn't mean that there

518

00:23:42,980 --> 00:23:38,070

aren't elements of truth to these sort

519

00:23:45,129 --> 00:23:42,990

of you know left-right politics there

520

00:23:48,830 --> 00:23:45,139

are left-wing there are right-wing plots

521

00:23:50,659 --> 00:23:48,840

and how I see it

522

00:23:54,019 --> 00:23:50,669

it's like a big bonafide behind the

523

00:23:56,450 --> 00:23:54,029

scenes right I mean that's that's how

524

00:23:58,049 --> 00:23:56,460

I've described what happened with the

525

00:24:01,499 --> 00:23:58,059

election of Donald Trump

526

00:24:04,070 --> 00:24:01,509

I think there was this essentially a

527

00:24:06,779 --> 00:24:04,080

sort of a COO behind the scenes like

528

00:24:10,109 --> 00:24:06,789

very sort of far-right fascist like the

529

00:24:11,729 --> 00:24:10,119

mercies of the Reza is it listed with

530

00:24:13,529 --> 00:24:11,739

people like the Koch brothers and this

531

00:24:17,810 --> 00:24:13,539

is all provable by them through the way

532

00:24:21,749 --> 00:24:17,820

that they manipulated finance to create

533

00:24:25,499 --> 00:24:21,759

and finance a degree of alternative

534

00:24:28,139 --> 00:24:25,509

media is like Breitbart very so that Ben

535

00:24:31,709 --> 00:24:28,149

Shapiro and Dave Rubin people like that

536

00:24:36,119 --> 00:24:31,719

Tommy Lauren rebel media Tommy Robinson

537

00:24:39,599 --> 00:24:36,129

in the UK through the the Sherman

538

00:24:41,700 --> 00:24:39,609

foundation and and things like that it

539

00:24:44,729 --> 00:24:41,710

was a coup it was a coup that was sort

540

00:24:47,099 --> 00:24:44,739

of behind the scenes that was not

541

00:24:49,619 --> 00:24:47,109

necessarily liked by the establishment

542

00:24:52,219 --> 00:24:49,629

it doesn't mean it's right okay

543

00:24:55,109 --> 00:24:52,229

it means that it was it was an anomaly

544

00:24:57,180 --> 00:24:55,119

but what's incredible is that it's it's

545

00:24:59,820 --> 00:24:57,190

not necessary now here's the thing that

546

00:25:01,379 --> 00:24:59,830

gets even more complex look at the glow

547

00:25:03,899 --> 00:25:01,389

we talked about before with I came to

548

00:25:06,779 --> 00:25:03,909

journalistic and stuff like that this

549

00:25:09,599 --> 00:25:06,789

isn't just some of oligarchs and

550

00:25:11,310 --> 00:25:09,609

billionaires this element of government

551

00:25:14,969 --> 00:25:11,320

involved in this like for example this

552

00:25:17,249 --> 00:25:14,979

is too many things this the use of

553

00:25:18,479 --> 00:25:17,259

Cambridge analytic it with history sorry

554

00:25:21,239 --> 00:25:18,489

and this is the use of Cambridge

555

00:25:24,959 --> 00:25:21,249

analytical with the Trump campaign which

556

00:25:26,430 --> 00:25:24,969

is admitted okay and if people don't

557

00:25:28,079 --> 00:25:26,440

know what chemical in it occurs please

558

00:25:31,200 --> 00:25:28,089

watch the previous show that we've done

559

00:25:32,759 --> 00:25:31,210

on this or go I did a show curriculum or

560

00:25:34,469 --> 00:25:32,769

go on my website you know Sam's mind

561

00:25:36,269 --> 00:25:34,479

control comb there's a blog there this

562

00:25:39,269 --> 00:25:36,279

3-part now it keeps growing all the time

563

00:25:41,219 --> 00:25:39,279

it discusses all all of this and it's

564

00:25:42,779 --> 00:25:41,229

incredible it's basically it's sort of

565

00:25:45,359 --> 00:25:42,789

like government-sponsored mind control

566

00:25:47,249 --> 00:25:45,369

program essentially came Charlie to go

567

00:25:52,109 --> 00:25:47,259

just to give you a part of history what

568

00:25:53,789 --> 00:25:52,119

they did was they took them they stole a

569

00:25:55,769 --> 00:25:53,799

load of data from Facebook Instagram and

570

00:25:59,579 --> 00:25:55,779

all you social media things that it

571

00:26:01,259 --> 00:25:59,589

applied analytics to it and basically

572

00:26:03,359 --> 00:26:01,269

created soccer accounts that would

573

00:26:05,369 --> 00:26:03,369

interact with you and see what it was

574

00:26:07,349 --> 00:26:05,379

that got you riled up that got you

575

00:26:10,019 --> 00:26:07,359

particularly angry and then they would

576

00:26:12,279 --> 00:26:10,029

Hasan if like personally create news

577

00:26:15,419 --> 00:26:12,289

stories and

578

00:26:17,919 --> 00:26:15,429

threads and such like that that

579

00:26:20,190 --> 00:26:17,929

particularly sort of worked your own

580

00:26:23,769 --> 00:26:20,200

particular hatreds and these were were

581

00:26:26,440 --> 00:26:23,779

combined with videos that portrayed lies

582

00:26:28,719 --> 00:26:26,450

about Europe coming under Sharia law and

583

00:26:32,709 --> 00:26:28,729

and various other things like that and

584

00:26:34,329 --> 00:26:32,719

these were particularly aimed at across

585

00:26:36,489 --> 00:26:34,339

the sort of the like swing state areas

586

00:26:39,329 --> 00:26:36,499

as a fact that the hundred millions and

587

00:26:41,199 --> 00:26:39,339

millions of people were targeted by this

588

00:26:43,989 --> 00:26:41,209

sort of personalized advertising

589

00:26:45,819 --> 00:26:43,999

campaign now what's a particularly

590

00:26:48,369 --> 00:26:45,829

strange about this is that this isn't

591

00:26:50,440 --> 00:26:48,379

just a private company that's financed

592

00:26:53,079 --> 00:26:50,450

by Robert Mercer who is connected Steve

593

00:26:54,819 --> 00:26:53,089

Bannon through bite bar and revel media

594

00:26:57,459 --> 00:26:54,829

and all the other allies that was talked

595

00:27:00,339 --> 00:26:57,469

about and connected to Betsy DeVos and

596

00:27:02,680 --> 00:27:00,349

Robert Shulman and very for the people

597

00:27:05,680 --> 00:27:02,690

who financed all of the alt-right

598

00:27:08,440 --> 00:27:05,690

essentially but they were also connected

599

00:27:11,199 --> 00:27:08,450

to mark on defense and they're ever so

600

00:27:13,989 --> 00:27:11,209

connected to various expand to con

601
00:27:17,560 --> 00:27:13,999
people that are connected to the mi5 and

602
00:27:20,049 --> 00:27:17,570
they're connected to numerous lords that

603
00:27:24,699 --> 00:27:20,059
are a collective conservative party and

604
00:27:27,749 --> 00:27:24,709
aid to the royal family and essentially

605
00:27:29,409 --> 00:27:27,759
the the cream of the aristocracy of the

606
00:27:33,180 --> 00:27:29,419
British establishment

607
00:27:35,529 --> 00:27:33,190
what's also confusing about this company

608
00:27:40,239 --> 00:27:35,539
Cambridge analytically these parent

609
00:27:43,209 --> 00:27:40,249
company SCL is run by an X mi5 spy

610
00:27:45,669 --> 00:27:43,219
called Nigel Oakes SEL in Cambridge

611
00:27:48,069 --> 00:27:45,679
Allen Etica have two things they have a

612
00:27:51,129 --> 00:27:48,079
secret X clearance which means that

613
00:27:54,039 --> 00:27:51,139

basically they have a license to hold

614

00:27:56,469 --> 00:27:54,049

government secrets of the UK from top

615

00:27:57,909 --> 00:27:56,479

secret and - sorry from secret and

616

00:28:02,369 --> 00:27:57,919

higher which means that they're a

617

00:28:04,869 --> 00:28:02,379

government agency they also have a

618

00:28:07,449 --> 00:28:04,879

export control which means that the use

619

00:28:10,479 --> 00:28:07,459

of this aids considered a psychological

620

00:28:13,209 --> 00:28:10,489

weapon of mi5 and so the use of

621

00:28:15,069 --> 00:28:13,219

Cambridge analytic as techniques and has

622

00:28:17,469 --> 00:28:15,079

to be approved by certain members of the

623

00:28:20,229 --> 00:28:17,479

of the UK government which means that

624

00:28:23,240 --> 00:28:20,239

the campaign to get Trump elected and

625

00:28:24,910 --> 00:28:23,250

the campaign to get

626

00:28:27,170 --> 00:28:24,920

England out of the European Union

627

00:28:29,300 --> 00:28:27,180

regardless of what you think about the

628

00:28:32,210 --> 00:28:29,310

outcomes of those two campaigns they

629

00:28:35,050 --> 00:28:32,220

were approved by a section of the UK

630

00:28:37,400 --> 00:28:35,060

government further to this there is

631

00:28:40,670 --> 00:28:37,410

Cambridge analytical has got an offshoot

632

00:28:43,220 --> 00:28:40,680

could black cube which is run mainly out

633

00:28:45,260 --> 00:28:43,230

of Israel and has Mossad ex-mossad

634

00:28:48,050 --> 00:28:45,270

employees on the on its board and is

635

00:28:50,000 --> 00:28:48,060

connected to can be honest goodbye and

636

00:28:54,550 --> 00:28:50,010

gentle convince and Shaggy's the highest

637

00:29:00,460 --> 00:28:54,560

shareholder for Kim jong-un Ithaca now

638

00:29:05,570 --> 00:29:00,470

they were very involved with the recent

639

00:29:08,000 --> 00:29:05,580

implementation of things all all ban in

640

00:29:09,740 --> 00:29:08,010

Hungary they essentially ran his

641

00:29:11,930 --> 00:29:09,750

campaign in the same way that they ran

642

00:29:15,200 --> 00:29:11,940

Hungary Donald Trump's campaign in the

643

00:29:17,360 --> 00:29:15,210

practicum pain via a campaign of

644

00:29:20,090 --> 00:29:17,370

Michaelis essentially across social

645

00:29:23,230 --> 00:29:20,100

media spreading lies setting up a false

646

00:29:26,180 --> 00:29:23,240

enemy this is from their own

647

00:29:27,650 --> 00:29:26,190

documentation they set up a false enemy

648

00:29:29,210 --> 00:29:27,660

for people to fight against that they

649

00:29:33,620 --> 00:29:29,220

rallied behind a sort of nationalist

650

00:29:37,790 --> 00:29:33,630

concept so Mossad admittedly got Viktor

651
00:29:39,770 --> 00:29:37,800
Orban in power in Hungary the cemetery

652
00:29:42,230 --> 00:29:39,780
thing Mossad are also financing

653
00:29:43,100 --> 00:29:42,240
right-wing groups and militias in the

654
00:29:45,500 --> 00:29:43,110
Ukraine

655
00:29:49,790 --> 00:29:45,510
which is you know find out they're

656
00:29:53,170 --> 00:29:49,800
fighting against forces Russian forces

657
00:29:56,960 --> 00:29:53,180
at the minute all the same time you like

658
00:30:01,400 --> 00:29:56,970
Mariana Penn and her niece and salvini

659
00:30:04,040 --> 00:30:01,410
in Italy and a Gert wielders in Holland

660
00:30:05,960 --> 00:30:04,050
and I forget the guys name in

661
00:30:07,550 --> 00:30:05,970
Czechoslovakia now there's one thing

662
00:30:09,080 --> 00:30:07,560
that connects all of these people

663
00:30:12,320 --> 00:30:09,090

they're all basically financed to

664

00:30:15,770 --> 00:30:12,330

promote I know she's strong promoted

665

00:30:18,170 --> 00:30:15,780

with heavy heavy like losses to that

666

00:30:20,510 --> 00:30:18,180

particular company by gatestone media

667

00:30:22,550 --> 00:30:20,520

gave stone media is again run by and

668

00:30:24,980 --> 00:30:22,560

basically a but she Robert Sherman bear

669

00:30:27,740 --> 00:30:24,990

she gave us and another woman whose

670

00:30:30,800 --> 00:30:27,750

name's escaping me but basically it's

671

00:30:34,790 --> 00:30:30,810

all connected to Robert Mercer and this

672

00:30:36,530 --> 00:30:34,800

whole thing which it is really really

673

00:30:36,889 --> 00:30:36,540

sketchy and it's really really mental

674

00:30:40,099 --> 00:30:36,899

because

675

00:30:43,009 --> 00:30:40,109

basically it's a lot of very very very

676
00:30:45,560 --> 00:30:43,019
rich right-wing people who also haven't

677
00:30:49,549 --> 00:30:45,570
been connected to sort of like Israel in

678
00:30:56,200 --> 00:30:49,559
in a sense that they're promoting you

679
00:31:00,109 --> 00:30:56,210
know the the annexation of Palestine and

680
00:31:03,320 --> 00:31:00,119
Jerusalem being the capital and worth

681
00:31:05,089 --> 00:31:03,330
quickly for whatever reason but they're

682
00:31:09,229 --> 00:31:05,099
also as the say promoting this this

683
00:31:10,549 --> 00:31:09,239
right-wing neo-nazi agenda like for

684
00:31:15,529 --> 00:31:10,559
example it's really strange all these

685
00:31:17,539 --> 00:31:15,539
people in the Ukraine using Israeli

686
00:31:19,489 --> 00:31:17,549
military weapons shipped over there by

687
00:31:22,039 --> 00:31:19,499
the Israeli military admittedly being

688
00:31:24,950 --> 00:31:22,049

promoted by by by again people like

689

00:31:26,629 --> 00:31:24,960

black human stuff like that the the

690

00:31:28,639 --> 00:31:26,639

reason they've been convinced to fight

691

00:31:32,690 --> 00:31:28,649

against Putin is because pitting is a

692

00:31:37,549 --> 00:31:32,700

Jew which is not true like and and he's

693

00:31:39,289 --> 00:31:37,559

nonsensical anyway so like the he's

694

00:31:45,019 --> 00:31:39,299

crackers mate we're living in a really

695

00:31:47,119 --> 00:31:45,029

really really like like it's at the

696

00:31:49,159 --> 00:31:47,129

point now where I I don't even really go

697

00:31:54,680 --> 00:31:49,169

and read it anymore like I can't like

698

00:31:59,959 --> 00:31:54,690

it's I any of the news subreddits heck

699

00:32:02,029 --> 00:31:59,969

you want to go to sports yeah NHL NFL at

700

00:32:03,919 --> 00:32:02,039

one point or another it someone always

701
00:32:06,769 --> 00:32:03,929
turns into politics you can always tell

702
00:32:11,149 --> 00:32:06,779
based on either their username or based

703
00:32:13,099 --> 00:32:11,159
on their their post history like it's

704
00:32:16,820 --> 00:32:13,109
pretty wild sometimes where you just

705
00:32:18,289 --> 00:32:16,830
like seed complete breakdown in entire

706
00:32:21,349 --> 00:32:18,299
threads let's say it's even just a

707
00:32:24,649 --> 00:32:21,359
discussion on it'll even local politics

708
00:32:27,249 --> 00:32:24,659
yeah they're the big one now that's been

709
00:32:30,320 --> 00:32:27,259
over the last I've seen it over the last

710
00:32:34,219 --> 00:32:30,330
couple of months now which is the the

711
00:32:36,079 --> 00:32:34,229
animal cruelty videos or posts and you

712
00:32:38,450 --> 00:32:36,089
can usually tell because of the broken

713
00:32:41,629 --> 00:32:38,460

English or they'll misuse the term for a

714

00:32:45,409 --> 00:32:41,639

local like for a local spot there was

715

00:32:46,789 --> 00:32:45,419

one that I saw that said well it starts

716

00:32:48,229 --> 00:32:46,799

out with this big sob story and all

717

00:32:50,510 --> 00:32:48,239

these photos of like their dog that

718

00:32:52,490 --> 00:32:50,520

their dog that was

719

00:32:54,710 --> 00:32:52,500

attacked by some wild animal and was

720

00:32:57,020 --> 00:32:54,720

taken to a veterinary hospital and the

721

00:32:59,720 --> 00:32:57,030

dog died because well it was attacked

722

00:33:03,230 --> 00:32:59,730

and well damn the City Council for you

723

00:33:04,400 --> 00:33:03,240

know for not stopping this and then just

724

00:33:05,720 --> 00:33:04,410

kind of leaving it at that I take a look

725

00:33:07,490 --> 00:33:05,730

at the person's profile and it's like

726

00:33:09,380 --> 00:33:07,500

you know him shots of this person

727

00:33:11,210 --> 00:33:09,390

holding a gun and they're talking about

728

00:33:13,910 --> 00:33:11,220

the spot where their dog was attacked at

729

00:33:15,830 --> 00:33:13,920

a place that I take my dog it's like you

730

00:33:18,560 --> 00:33:15,840

didn't use the name that everyone uses

731

00:33:20,510 --> 00:33:18,570

for the name your punctuation was wrong

732

00:33:23,690 --> 00:33:20,520

and you're based in Toronto and Hamilton

733

00:33:26,990 --> 00:33:23,700

why why why are you talking about an

734

00:33:29,780 --> 00:33:27,000

Ottawa issue and I don't know for how

735

00:33:31,790 --> 00:33:29,790

many people who live in town who you

736

00:33:33,620 --> 00:33:31,800

know have guns it's few and far in

737

00:33:37,310 --> 00:33:33,630

between and obviously it's possible in

738

00:33:39,290 --> 00:33:37,320

Canada but it just you know things like

739

00:33:42,020 --> 00:33:39,300

that for me as a guy who knows social

740

00:33:46,640 --> 00:33:42,030

media and kind of has been using a lot

741

00:33:48,410 --> 00:33:46,650

of the same stuff since I was a kid when

742

00:33:50,240 --> 00:33:48,420

it was called new media to basically you

743

00:33:52,580 --> 00:33:50,250

know what we called shitposting you know

744

00:33:54,110 --> 00:33:52,590

or or you know calling somebody and

745

00:33:56,750 --> 00:33:54,120

you know something calling somebody an

746

00:34:00,110 --> 00:33:56,760

asshat these these are all terms that

747

00:34:03,380 --> 00:34:00,120

originated from back in the early 2000s

748

00:34:05,560 --> 00:34:03,390

when nobody knew how to use social media

749

00:34:08,840 --> 00:34:05,570

we just used it to organize raves so

750

00:34:10,430 --> 00:34:08,850

it's like it was pretty effective but

751

00:34:12,080 --> 00:34:10,440

it's gotta now to the point where you

752

00:34:13,909 --> 00:34:12,090

can you can profile somebody just based

753

00:34:16,180 --> 00:34:13,919

on their browsing history and Facebook

754

00:34:20,260 --> 00:34:16,190

well scrapes so much personal

755

00:34:26,080 --> 00:34:22,909

that's kind of the point I mean like if

756

00:34:30,919 --> 00:34:26,090

you look at this sort of foundation of

757

00:34:34,399 --> 00:34:30,929

Facebook it was James brand or Sue's

758

00:34:36,409 --> 00:34:34,409

name Pizza tile who's now Palantir and

759

00:34:38,210 --> 00:34:36,419

don't think like a massive sort of

760

00:34:41,120 --> 00:34:38,220

injection of cash from in-q-tel and in

761

00:34:45,470 --> 00:34:41,130

catelli's you CIA CIA's venture capital

762

00:34:49,250 --> 00:34:45,480

arm and Facebook and Twitter and

763

00:34:50,840 --> 00:34:49,260

Instagram like they're a dead Howard how

764

00:34:52,610 --> 00:34:50,850

far do you want to take it like it that

765

00:34:55,399 --> 00:34:52,620

they're doing they're an absolute like

766

00:34:57,680 --> 00:34:55,409

gift to local law enforcement

767

00:35:00,290 --> 00:34:57,690

because fast get on there and brag about

768

00:35:02,090 --> 00:35:00,300

like what they've done like look at the

769

00:35:04,220 --> 00:35:02,100

drugs I've got look at the guns I've got

770

00:35:07,310 --> 00:35:04,230

look at the money I've got like you know

771

00:35:08,840 --> 00:35:07,320

people watch watch that [h__\h] like and I

772

00:35:10,820 --> 00:35:08,850

don't know there's sort of like you know

773

00:35:14,930 --> 00:35:10,830

national or international level is its

774

00:35:17,450 --> 00:35:14,940

data harvesting tool like I mean my

775

00:35:24,710 --> 00:35:17,460

first a good guy he's Justin Timberlake

776

00:35:27,170 --> 00:35:24,720

in the film he was he was like pulled

777

00:35:30,020 --> 00:35:27,180

into the CIA II I used about either 14

778

00:35:31,790 --> 00:35:30,030

or 16 I forget exactly because he was a

779

00:35:35,960 --> 00:35:31,800

sort of super hacker it's like really

780

00:35:37,670 --> 00:35:35,970

really like an you know skilled at

781

00:35:39,710 --> 00:35:37,680

getting into different computer systems

782

00:35:40,849 --> 00:35:39,720

and stuff like that and then he just so

783

00:35:44,900 --> 00:35:40,859

happens to be one of the people that

784

00:35:47,359 --> 00:35:44,910

this starts Facebook along with like you

785

00:35:48,740 --> 00:35:47,369

know I say to James Bryan Piatt I'll did

786

00:35:50,810 --> 00:35:48,750

you hear all that stuff like recently

787

00:35:56,120 --> 00:35:50,820

like Sean Parker I've got a quote here

788

00:35:58,760 --> 00:35:56,130

actually segue like Sean Parker he said

789

00:36:01,010 --> 00:35:58,770

this recently I forget exactly where I

790

00:36:02,240 --> 00:36:01,020

went basically he said that I don't know

791

00:36:04,190 --> 00:36:02,250

if I really understood the consequences

792

00:36:06,050 --> 00:36:04,200

of what I was saying because of the only

793

00:36:08,120 --> 00:36:06,060

10 consequences of a network when it

794

00:36:10,400 --> 00:36:08,130

grows up to a billion or two billion

795

00:36:12,410 --> 00:36:10,410

people and it literally changes your

796

00:36:12,830 --> 00:36:12,420

relationship with society with each

797

00:36:15,080 --> 00:36:12,840

other

798

00:36:18,230 --> 00:36:15,090

god only knows what he's doing to our

799

00:36:20,300 --> 00:36:18,240

children's brains and as Parker says the

800

00:36:21,920 --> 00:36:20,310

social networking sites exploit human

801
00:36:23,870 --> 00:36:21,930
psychological vulnerabilities through

802
00:36:26,300 --> 00:36:23,880
validation feedback loop that gets

803
00:36:29,390 --> 00:36:26,310
people to constantly post to get even

804
00:36:31,250 --> 00:36:29,400
more likes and comments it's exactly the

805
00:36:32,930 --> 00:36:31,260
kind of thing that hackle and myself

806
00:36:34,910 --> 00:36:32,940
would come up with because you're

807
00:36:37,370 --> 00:36:34,920
exploiting a vulnerability in human

808
00:36:39,800 --> 00:36:37,380
psychology he said the inventors

809
00:36:42,440 --> 00:36:39,810
creators his maze Mark Zuckerberg is

810
00:36:44,180 --> 00:36:42,450
Karen's eyes drawn Instagram is all of

811
00:36:48,470 --> 00:36:44,190
these people we understood this

812
00:36:50,960 --> 00:36:48,480
consciously and we did it anyway so yeah

813
00:36:53,420 --> 00:36:50,970

you know they're quite aware of what

814

00:36:56,060 --> 00:36:53,430

they were doing like it's them these

815

00:36:59,900 --> 00:36:56,070

several problems with with social media

816

00:37:04,120 --> 00:36:59,910

a so data mining tool it's a normalizing

817

00:37:06,980 --> 00:37:04,130

behavior and like that that's not normal

818

00:37:09,140 --> 00:37:06,990

and there's a whole gamut of that like

819

00:37:11,359 --> 00:37:09,150

from sort of sharing every aspect of

820

00:37:13,830 --> 00:37:11,369

your existence like you know like

821

00:37:16,830 --> 00:37:13,840

somehow they've managed to thing

822

00:37:20,040 --> 00:37:16,840

make that that that change for something

823

00:37:24,600 --> 00:37:20,050

that's completely grotesque to like the

824

00:37:29,190 --> 00:37:24,610

norm from sort of creating relationships

825

00:37:31,740 --> 00:37:29,200

online to de like the way that people

826

00:37:34,080 --> 00:37:31,750

interact online it's very strange people

827

00:37:35,670 --> 00:37:34,090

sometimes have a persona online

828

00:37:38,730 --> 00:37:35,680

sometimes they don't have a persona

829

00:37:40,770 --> 00:37:38,740

online the lines have a very blurred

830

00:37:42,960 --> 00:37:40,780

there's this whole sort of dopamine

831

00:37:44,880 --> 00:37:42,970

reward system for getting likes on your

832

00:37:47,550 --> 00:37:44,890

posts and stuff like that essentially

833

00:37:50,400 --> 00:37:47,560

it's gambling like and again they were

834

00:37:53,160 --> 00:37:50,410

very very aware of this you put down a

835

00:37:55,530 --> 00:37:53,170

statement you might get a lot of likes

836

00:37:58,100 --> 00:37:55,540

you might not get a lot like you might

837

00:38:01,110 --> 00:37:58,110

get a lot of like she comment so ever

838

00:38:02,850 --> 00:38:01,120

like gambling but like you know like any

839

00:38:04,650 --> 00:38:02,860

smart gambler what you're gonna do next

840

00:38:06,300 --> 00:38:04,660

time you're gonna follow the odds like

841

00:38:07,830 --> 00:38:06,310

you're gonna you're gonna like look at

842

00:38:09,330 --> 00:38:07,840

the form and you're gonna go another

843

00:38:11,250 --> 00:38:09,340

post about that because that's far too

844

00:38:14,490 --> 00:38:11,260

controversial or that's gonna cause this

845

00:38:17,070 --> 00:38:14,500

or ba-ba-ba-ba-ba etc etc so you might

846

00:38:19,980 --> 00:38:17,080

you might start to sort of cater your

847

00:38:22,650 --> 00:38:19,990

output because of the response you get

848

00:38:24,300 --> 00:38:22,660

because of the scenario that you're in

849

00:38:26,910 --> 00:38:24,310

because all of a sudden everyone's gone

850

00:38:28,830 --> 00:38:26,920

right way I am for Wars and read write

851

00:38:30,720 --> 00:38:28,840

read license to fight out and you see

852

00:38:32,820 --> 00:38:30,730

where the money's going or whatever so

853

00:38:35,340 --> 00:38:32,830

you decide like I'm gonna get red pills

854

00:38:39,210 --> 00:38:35,350

like you know get red you getting green

855

00:38:42,900 --> 00:38:39,220

pills like that that's that that's

856

00:38:44,880 --> 00:38:42,910

that's perfectly normal human behavior

857

00:38:46,470 --> 00:38:44,890

is make you vulnerable in any sense but

858

00:38:48,600 --> 00:38:46,480

like the people that create these

859

00:38:50,160 --> 00:38:48,610

systems understanding you manipulate

860

00:38:53,850 --> 00:38:50,170

people you can sort of drive them like

861

00:38:58,080 --> 00:38:53,860

[h__h] Buffalo a cliff like to do

862

00:38:59,580 --> 00:38:58,090

whatever you want really and then you've

863

00:39:03,320 --> 00:38:59,590

got the fact that you've got an audience

864

00:39:07,520 --> 00:39:03,330

and so it's not just a question of life

865

00:39:10,890 --> 00:39:07,530

putting out a statement of a baby it's

866

00:39:12,360 --> 00:39:10,900

you've got critics now whether you

867

00:39:15,420 --> 00:39:12,370

believe these critics or whether you

868

00:39:16,920 --> 00:39:15,430

care about these critics it opens up a

869

00:39:19,080 --> 00:39:16,930

whole sort of mealy area of difference

870

00:39:21,600 --> 00:39:19,090

or reactions that people aren't normally

871

00:39:24,120 --> 00:39:21,610

used to you've got this fabulous sort of

872

00:39:26,130 --> 00:39:24,130

like platform to stay anything and

873

00:39:27,570 --> 00:39:26,140

everything on and somebody's gonna come

874

00:39:29,550 --> 00:39:27,580

and go like

875

00:39:31,800 --> 00:39:29,560

yeah your daughter's really ugly in that

876

00:39:33,900 --> 00:39:31,810

photo what the [h__h] you gonna do about

877

00:39:36,360 --> 00:39:33,910

that like but this is this this you know

878

00:39:39,330 --> 00:39:36,370

this is this is the good sort of

879

00:39:42,480 --> 00:39:39,340

Pandora's box I watched this happen to

880

00:39:45,450 --> 00:39:42,490

it and I'm not prude and you know I

881

00:39:47,730 --> 00:39:45,460

don't like like shitposting cultures and

882

00:39:50,040 --> 00:39:47,740

stuff like that but it's an emerging

883

00:39:51,990 --> 00:39:50,050

technology and they'd like this huge

884

00:39:56,430 --> 00:39:52,000

amounts of problems that people attach

885

00:39:57,840 --> 00:39:56,440

ego to this and you might say like like

886

00:40:00,240 --> 00:39:57,850

you know you're getting all these rashes

887

00:40:02,130 --> 00:40:00,250

stuff like that the next thing you're

888

00:40:03,990 --> 00:40:02,140

gonna notice after the fact that will

889

00:40:09,390 --> 00:40:04,000

change your output perhaps because of

890

00:40:12,990 --> 00:40:09,400

the this about you know the the outside

891

00:40:15,720 --> 00:40:13,000

influences and you'll notice our Christ

892

00:40:17,370 --> 00:40:15,730

my young Facebook post or my Instagram

893

00:40:19,200 --> 00:40:17,380

like you know you've got a million

894

00:40:21,570 --> 00:40:19,210

photos on Instagram or whatever how many

895

00:40:23,940 --> 00:40:21,580

main city got you've got seven if you're

896

00:40:27,180 --> 00:40:23,950

looking right and three of them were a

897

00:40:29,310 --> 00:40:27,190

bit sketchy like so you know and that's

898

00:40:30,840 --> 00:40:29,320

that's that's fine that's that's real

899

00:40:35,300 --> 00:40:30,850

life okay

900

00:40:38,280 --> 00:40:35,310

Instagram is [h__h] but the people

901
00:40:40,290 --> 00:40:38,290
that a fantasy world is is far more

902
00:40:42,750 --> 00:40:40,300
seductive and it's far more rewarding

903
00:40:44,430 --> 00:40:42,760
the the real life real much crap you've

904
00:40:45,960 --> 00:40:44,440
got to get up in the morning going like

905
00:40:47,940 --> 00:40:45,970
brush your [\h__\h] teeth in the hair and

906
00:40:48,420 --> 00:40:47,950
go to [\h__\h] work nobody wants to do

907
00:40:50,880 --> 00:40:48,430
that

908
00:40:53,100 --> 00:40:50,890
like he's crap right okay you get you

909
00:40:55,170 --> 00:40:53,110
get no recognition you get [\h__\h] on all

910
00:40:58,110 --> 00:40:55,180
the time no what you do get recognition

911
00:40:58,650 --> 00:40:58,120
for flashing your ass on Instagram not

912
00:41:01,610 --> 00:40:58,660
me

913
00:41:05,040 --> 00:41:01,620

I've tried acting like to see my house

914

00:41:07,080 --> 00:41:05,050

no no no no globe that my demographic

915

00:41:08,070 --> 00:41:07,090

was wrong it was like poor poor

916

00:41:10,500 --> 00:41:08,080

marketing campaign

917

00:41:12,330 --> 00:41:10,510

but hey oh you know you've got to try

918

00:41:14,100 --> 00:41:12,340

these things but like do you know I mean

919

00:41:15,720 --> 00:41:14,110

like I'm being glib but but this is the

920

00:41:17,310 --> 00:41:15,730

point and and what's really really

921

00:41:20,810 --> 00:41:17,320

tragic is dude this is combined with

922

00:41:25,170 --> 00:41:20,820

like rising things like Big Brother and

923

00:41:27,900 --> 00:41:25,180

reality TV and x-factor and American is

924

00:41:30,990 --> 00:41:27,910

next millionaire or afro-americans most

925

00:41:34,230 --> 00:41:31,000

talented and bagua by yesterday's show

926

00:41:35,940 --> 00:41:34,240

where you know the the the concept is

927

00:41:38,510 --> 00:41:35,950

that basically you can become a person

928

00:41:41,580 --> 00:41:38,520

you can become a person of significance

929

00:41:44,900 --> 00:41:41,590

by that and here's the the problem

930

00:41:48,480 --> 00:41:44,910

is that that that it's constructive and

931

00:41:49,350 --> 00:41:48,490

weasel argument because essentially you

932

00:41:54,540 --> 00:41:49,360

are a person of significance

933

00:41:57,330 --> 00:41:54,550

significance is is you know is whatever

934

00:41:59,160 --> 00:41:57,340

like somebody determines it to be your

935

00:42:01,140 --> 00:41:59,170

you're a fabulous person you don't need

936

00:42:03,090 --> 00:42:01,150

this [h__\h] and this like sort of like

937

00:42:06,390 --> 00:42:03,100

recognition on an international scale

938

00:42:07,050 --> 00:42:06,400

because essentially like it is false is

939

00:42:09,360 --> 00:42:07,060

fake

940

00:42:12,480 --> 00:42:09,370

but this is the point in his snake or

941

00:42:14,070 --> 00:42:12,490

the sold people and now people have got

942

00:42:18,300 --> 00:42:14,080

the opportunity to do that independently

943

00:42:21,690 --> 00:42:18,310

and so you know they'd they would strive

944

00:42:23,940 --> 00:42:21,700

to do that via social media like that

945

00:42:26,820 --> 00:42:23,950

and there is a difference between as I

946

00:42:28,710 --> 00:42:26,830

doing it because you've got a talent or

947

00:42:32,760 --> 00:42:28,720

something that you wish to share with

948

00:42:36,720 --> 00:42:32,770

people that the you put out like being

949

00:42:40,140 --> 00:42:36,730

in a band or anything really liked

950

00:42:43,020 --> 00:42:40,150

knowing and just Inc for the sort of

951
00:42:46,020 --> 00:42:43,030
what was turned in England is like an it

952
00:42:49,260 --> 00:42:46,030
girl on it person like famous for the

953
00:42:51,300 --> 00:42:49,270
sake of being famous with no to with the

954
00:42:52,830 --> 00:42:51,310
sort of circular thing Kim Kardashian

955
00:42:55,020 --> 00:42:52,840
essentially you know she's famous

956
00:42:56,940 --> 00:42:55,030
because she's famous and she's paying

957
00:43:01,740 --> 00:42:56,950
these pictures you know she made an

958
00:43:06,240 --> 00:43:01,750
incredibly poor porn film like but you

959
00:43:08,700 --> 00:43:06,250
know let's not split hairs so that

960
00:43:11,250 --> 00:43:08,710
that's that's the problematical thing

961
00:43:13,920 --> 00:43:11,260
and and the other thing like this is

962
00:43:15,360 --> 00:43:13,930
also like all these shitty SoundCloud

963
00:43:19,260 --> 00:43:15,370

Rapids they're coming out at the minute

964

00:43:23,760 --> 00:43:19,270

like gun like a little pump and lows and

965

00:43:25,680 --> 00:43:23,770

they're all lilz they've got huge like I

966

00:43:27,600 --> 00:43:25,690

mean the again this should be like

967

00:43:30,210 --> 00:43:27,610

hidden as well but a lot of time but

968

00:43:32,130 --> 00:43:30,220

they've got marketing campaigns behind

969

00:43:34,620 --> 00:43:32,140

they've got they're controlling their

970

00:43:37,170 --> 00:43:34,630

social media or what what happens is the

971

00:43:40,890 --> 00:43:37,180

people a knowledge essentially way to

972

00:43:43,710 --> 00:43:40,900

got a little buzz this cause decision by

973

00:43:45,750 --> 00:43:43,720

hype not by anything of any sort things

974

00:43:47,940 --> 00:43:45,760

and then they seize on that the game

975

00:43:50,630 --> 00:43:47,950

touch with you and they do a 360 gear

976
00:43:53,190 --> 00:43:50,640
which essentially promotes you as being

977
00:43:54,990 --> 00:43:53,200
more popular than you are because the

978
00:43:56,820 --> 00:43:55,000
thing is that this is like a stone

979
00:43:59,190 --> 00:43:56,830
Effects of the basically popularity

980
00:44:02,040 --> 00:43:59,200
breeds popularity and and this breeds

981
00:44:04,530 --> 00:44:02,050
sales and etc etcetera accentuating hi

982
00:44:06,510 --> 00:44:04,540
and and this is again tied into this

983
00:44:08,400 --> 00:44:06,520
sort of social media concept with like

984
00:44:10,890 --> 00:44:08,410
fear of missing out and what is the next

985
00:44:13,970 --> 00:44:10,900
meme and why it's the next thing and who

986
00:44:17,520 --> 00:44:13,980
is the the fresh sort of perspective

987
00:44:19,230 --> 00:44:17,530
it's like any David Wilcock video that

988
00:44:21,030 --> 00:44:19,240

has something no David Wilcock you know

989

00:44:22,800 --> 00:44:21,040

this videos got like a million views and

990

00:44:25,080 --> 00:44:22,810

I'm sitting there going anybody I know

991

00:44:26,070 --> 00:44:25,090

knows that he's just crazy as [h__h] so

992

00:44:28,680 --> 00:44:26,080

the only way that he would have gotten a

993

00:44:30,270 --> 00:44:28,690

million views with the you know the

994

00:44:32,820 --> 00:44:30,280

insanity that's coming off of his page

995

00:44:34,110 --> 00:44:32,830

is like you probably bought Facebook

996

00:44:37,290 --> 00:44:34,120

views and if I took a look at your

997

00:44:38,880 --> 00:44:37,300

analytics it would be like you know nine

998

00:44:42,260 --> 00:44:38,890

hundred ninety nine thousand views left

999

00:44:46,280 --> 00:44:42,270

in within three to five seconds yeah

1000

00:44:49,890 --> 00:44:46,290

come on sing thing right okay like base

1001
00:44:54,300 --> 00:44:49,900
the minute Infowars is really pushing

1002
00:44:55,770 --> 00:44:54,310
this Iranian resistance here on I may

1003
00:44:59,310 --> 00:44:55,780
have got that wrong hashtag resistance

1004
00:45:02,100 --> 00:44:59,320
around I'm Deb yeah I can't remove even

1005
00:45:03,810 --> 00:45:02,110
the guy's name like and but basically is

1006
00:45:06,240 --> 00:45:03,820
this sort of a resistance movement in

1007
00:45:12,480 --> 00:45:06,250
Iran like going against the government

1008
00:45:14,460 --> 00:45:12,490
and I it's all promoted fire that the

1009
00:45:17,310 --> 00:45:14,470
internet server who was using was is

1010
00:45:19,710 --> 00:45:17,320
like triple like traveled I don't know

1011
00:45:21,840 --> 00:45:19,720
[h__h] or other right the point is that

1012
00:45:24,960 --> 00:45:21,850
basically it's all done via this sort of

1013
00:45:29,370 --> 00:45:24,970

like dark web sort of like sort of tall

1014

00:45:31,860 --> 00:45:29,380

sort of like a messaging service and

1015

00:45:33,450 --> 00:45:31,870

with on the on the phone page of this

1016

00:45:35,250 --> 00:45:33,460

service because I looked into and to see

1017

00:45:38,190 --> 00:45:35,260

like who is this guy what's going on and

1018

00:45:40,380 --> 00:45:38,200

done on the front page of it it gives

1019

00:45:42,210 --> 00:45:40,390

you a sort of total tutorial but you can

1020

00:45:44,820 --> 00:45:42,220

click on on how to create an army of

1021

00:45:45,900 --> 00:45:44,830

boss to spread your message now what I

1022

00:45:47,490 --> 00:45:45,910

found was interesting was that

1023

00:45:49,050 --> 00:45:47,500

essentially like I exchanged he's

1024

00:45:50,880 --> 00:45:49,060

pushing this guy this guy I don't know

1025

00:45:53,310 --> 00:45:50,890

where you come from it like he's you

1026
00:45:54,870 --> 00:45:53,320
speak game show host in Iran and now

1027
00:45:57,090 --> 00:45:54,880
apparent he's got some sort of like

1028
00:45:58,980 --> 00:45:57,100
Western mediator of connection like it

1029
00:46:01,470 --> 00:45:58,990
you're at least have to promote Ori that

1030
00:46:04,440 --> 00:46:01,480
like like this and and he's behind some

1031
00:46:06,450 --> 00:46:04,450
self organic revolution in Iran I was

1032
00:46:08,280 --> 00:46:06,460
like this is [h__\h] this is just

1033
00:46:08,670 --> 00:46:08,290
basically like the most tech thing right

1034
00:46:11,010 --> 00:46:08,680
over

1035
00:46:14,010 --> 00:46:11,020
again this is exactly what the BBC did

1036
00:46:17,900 --> 00:46:14,020
it spread discontent it's entirely

1037
00:46:21,290 --> 00:46:17,910
identical to the Libyan Arab Spring and

1038
00:46:23,579 --> 00:46:21,300

various so like you know the Twitter

1039

00:46:26,280 --> 00:46:23,589

color revolutions that have previously

1040

00:46:28,319 --> 00:46:26,290

been started in Iran and again I'm not

1041

00:46:30,510 --> 00:46:28,329

Canadian like I understand that Iran is

1042

00:46:34,760 --> 00:46:30,520

not pleasant place to be right and

1043

00:46:37,920 --> 00:46:34,770

there's incredibly harsh government

1044

00:46:39,630 --> 00:46:37,930

crackdowns on on various things and I

1045

00:46:41,730 --> 00:46:39,640

will in no way want to live there right

1046

00:46:45,960 --> 00:46:41,740

but you know what okay this is [h__h]

1047

00:46:49,440 --> 00:46:45,970

like I know you tryna for men

1048

00:46:51,270 --> 00:46:49,450

ass of coloremovement I had and to my

1049

00:46:53,010 --> 00:46:51,280

mind again this is wider doing it right

1050

00:46:54,299 --> 00:46:53,020

they're doing it because not because do

1051

00:46:55,230 --> 00:46:54,309

you think this will be successful

1052

00:46:57,809 --> 00:46:55,240

because they think this will be

1053

00:46:59,670 --> 00:46:57,819

unsuccessful okay what's he gonna do is

1054

00:47:05,040 --> 00:46:59,680

gonna try and run off via social media

1055

00:47:07,200 --> 00:47:05,050

this organic uprising of people who are

1056

00:47:09,059 --> 00:47:07,210

gonna protest very very publicly against

1057

00:47:10,980 --> 00:47:09,069

the current Iranian regime and they

1058

00:47:12,780 --> 00:47:10,990

gonna get massacred which is gonna give

1059

00:47:15,630 --> 00:47:12,790

the pretext for us to go look at these

1060

00:47:18,720 --> 00:47:15,640

bad bastards let's go in there and get

1061

00:47:21,870 --> 00:47:18,730

them I and and and that eats eats so

1062

00:47:24,539 --> 00:47:21,880

transferrin is it likely it's ridiculous

1063

00:47:27,420 --> 00:47:24,549

and and and the fact that there's really

1064

00:47:29,849 --> 00:47:27,430

talking to me is the I exchanged in for

1065

00:47:32,609 --> 00:47:29,859

some really really pushing this and it

1066

00:47:34,559 --> 00:47:32,619

is so transparent and yet nobody on

1067

00:47:37,460 --> 00:47:34,569

their site engine picking up honest that

1068

00:47:43,670 --> 00:47:37,470

this is a complete retreading of of

1069

00:47:45,329 --> 00:47:43,680

previous successful endeavors to

1070

00:47:47,670 --> 00:47:45,339

overthrow Iran

1071

00:47:49,980 --> 00:47:47,680

they and and it's just it just boggles

1072

00:47:52,589 --> 00:47:49,990

the mind recorders well you know it you

1073

00:47:54,930 --> 00:47:52,599

look at the political solution to the

1074

00:47:56,250 --> 00:47:54,940

the nuclear crisis in Iran and and how

1075

00:47:57,930 --> 00:47:56,260

that was essentially turned on its head

1076

00:48:01,099 --> 00:47:57,940

now they're okay well now but now we're

1077

00:48:02,520 --> 00:48:01,109

gonna put sanctions back on well animals

1078

00:48:05,490 --> 00:48:02,530

I'm sorry

1079

00:48:09,390 --> 00:48:05,500

hey Steve Pitts is ridiculous like he's

1080

00:48:13,620 --> 00:48:09,400

old until I us three and these two

1081

00:48:15,089 --> 00:48:13,630

things like this gonna hopefully come up

1082

00:48:17,220 --> 00:48:15,099

but I don't think you will because that

1083

00:48:19,339 --> 00:48:17,230

you can you can expose this level of

1084

00:48:22,320 --> 00:48:19,349

corrosion the connections between like

1085

00:48:24,960 --> 00:48:22,330

Donald Trump and Saudi Arabia

1086

00:48:26,850 --> 00:48:24,970

you try cake you open eight businesses

1087

00:48:28,920 --> 00:48:26,860

Joey close them like because of the

1088

00:48:31,620 --> 00:48:28,930

emollients like if investigation be open

1089

00:48:34,200 --> 00:48:31,630

eight businesses in Saudi Arabia during

1090

00:48:35,760 --> 00:48:34,210

the campaign his daughter's foundation

1091

00:48:37,620 --> 00:48:35,770

they didn't actually get any of this

1092

00:48:40,530 --> 00:48:37,630

money but they received over a hundred

1093

00:48:43,640 --> 00:48:40,540

million dollars from the Saudi Arabian

1094

00:48:46,400 --> 00:48:43,650

government right for her foundation

1095

00:48:48,870 --> 00:48:46,410

which would make her business thrive

1096

00:48:51,750 --> 00:48:48,880

technically known legal but ethically

1097

00:48:54,300 --> 00:48:51,760

very very dodgy during the campaign as

1098

00:48:56,700 --> 00:48:54,310

well basically I can finally actually

1099

00:48:58,890 --> 00:48:56,710

the exact pose but essentially that they

1100

00:49:01,110 --> 00:48:58,900

paid for the renewal of numerous of his

1101
00:49:03,510 --> 00:49:01,120
hotels the Saudi Arabian government and

1102
00:49:07,410 --> 00:49:03,520
what he did in return for this was he

1103
00:49:10,590 --> 00:49:07,420
put many findings that guy's name he he

1104
00:49:12,570 --> 00:49:10,600
um he put some guy at Arcana be saying

1105
00:49:16,800 --> 00:49:12,580
he's a lobbyist for the Saudi Arabian

1106
00:49:18,870 --> 00:49:16,810
government and he put him in a Richard

1107
00:49:20,400 --> 00:49:18,880
hole he's a lobbyist for the Saudi

1108
00:49:22,050 --> 00:49:20,410
Arabian government Richard are you

1109
00:49:23,720 --> 00:49:22,060
putting me to a position of power as the

1110
00:49:27,000 --> 00:49:23,730
Commission of the White House fellows

1111
00:49:29,040 --> 00:49:27,010
during his company took the \$300,000 as

1112
00:49:31,320 --> 00:49:29,050
a donation from the House of Saud to

1113
00:49:33,060 --> 00:49:31,330

renovate one of his hotels and and his

1114

00:49:35,100 --> 00:49:33,070

daughter also accepted over a hundred

1115

00:49:38,190 --> 00:49:35,110

million dollars from Saudi Arabia for it

1116

00:49:41,670 --> 00:49:38,200

for her foundation and now you've gotta

1117

00:49:44,130 --> 00:49:41,680

remember the basically during the run-up

1118

00:49:45,900 --> 00:49:44,140

to election he campaigned very hard on

1119

00:49:49,050 --> 00:49:45,910

like you know release these hidden pages

1120

00:49:51,150 --> 00:49:49,060

and Saudi Arabia's thing like the nest

1121

00:49:53,070 --> 00:49:51,160

of terrorism with all this [h__\h] well

1122

00:49:54,150 --> 00:49:53,080

here yes here's something that even goes

1123

00:49:56,670 --> 00:49:54,160

further than this and this will probably

1124

00:49:57,870 --> 00:49:56,680

you know I guess a blow your mind and

1125

00:49:58,950 --> 00:49:57,880

make people question I'm not doing this

1126

00:50:01,080 --> 00:49:58,960

from from a right-wing or left-wing

1127

00:50:04,380 --> 00:50:01,090

standpoint but I know a little bit of

1128

00:50:06,330 --> 00:50:04,390

the history of you know the Middle East

1129

00:50:09,150 --> 00:50:06,340

as far as the the relations between

1130

00:50:11,100 --> 00:50:09,160

Israel or Saudi Arabia and the peace

1131

00:50:13,620 --> 00:50:11,110

process cuz I followed it cuz when I was

1132

00:50:15,810 --> 00:50:13,630

growing up that's yeah uh you read the

1133

00:50:17,160 --> 00:50:15,820

news or you read whatever the hell was

1134

00:50:18,770 --> 00:50:17,170

popular at that point for me was like

1135

00:50:22,410 --> 00:50:18,780

okay I'll read the newspaper

1136

00:50:26,430 --> 00:50:22,420

Michael Evan Eddie was on a race team

1137

00:50:30,090 --> 00:50:26,440

with Abdul Aziz bin Turkey Al Saud whose

1138

00:50:32,910 --> 00:50:30,100

father is Prince Turki bin faisal Al

1139

00:50:34,690 --> 00:50:32,920

Saud who was actually one of the more

1140

00:50:38,859 --> 00:50:34,700

moderating forces

1141

00:50:40,420 --> 00:50:38,869

to actually try and push the Arab states

1142

00:50:43,150 --> 00:50:40,430

to recognize and start working with

1143

00:50:46,150 --> 00:50:43,160

Israel and I think at one point he was

1144

00:50:51,010 --> 00:50:46,160

actually forced out by the current Crown

1145

00:50:54,220 --> 00:50:51,020

Prince really so for what you will if

1146

00:50:56,079 --> 00:50:54,230

you're in a conspiracies and one of the

1147

00:50:59,500 --> 00:50:56,089

things that the Daily Caller had been

1148

00:51:02,290 --> 00:50:59,510

attacking a vanetti on was that well you

1149

00:51:04,180 --> 00:51:02,300

know his race teams father was part of

1150

00:51:06,700 --> 00:51:04,190

the Saudi off a family who apparently

1151
00:51:08,319 --> 00:51:06,710
knew bin Laden and there's no actual

1152
00:51:10,540 --> 00:51:08,329
connection between them II hadn't

1153
00:51:14,140 --> 00:51:10,550
actually seen him for years or even had

1154
00:51:17,319 --> 00:51:14,150
contact with him and one of the

1155
00:51:20,170 --> 00:51:17,329
prevailing theories on the left is that

1156
00:51:22,569 --> 00:51:20,180
well you know the moderating forest sees

1157
00:51:24,339 --> 00:51:22,579
the the writing on the wall and is

1158
00:51:26,800 --> 00:51:24,349
basically using his connections to try

1159
00:51:28,750 --> 00:51:26,810
and stave off complete destruction of

1160
00:51:31,270 --> 00:51:28,760
the Western world because it's not gonna

1161
00:51:32,829 --> 00:51:31,280
be good for anybody but and it's at the

1162
00:51:35,020 --> 00:51:32,839
same time if you've got the Saudis who

1163
00:51:36,730 --> 00:51:35,030

are funding Trump and a vanetti of runs

1164

00:51:40,839 --> 00:51:36,740

for president on the left

1165

00:51:42,550 --> 00:51:40,849

you basically have to besides possibly

1166

00:51:45,099 --> 00:51:42,560

potentially of the Saudi royal family

1167

00:51:47,170 --> 00:51:45,109

that are funding the two opposition

1168

00:51:50,260 --> 00:51:47,180

members in that election and how messed

1169

00:51:54,010 --> 00:51:50,270

up is that that's crazy I mean of course

1170

00:51:57,579 --> 00:51:54,020

now to even further complicate that we

1171

00:52:02,380 --> 00:51:57,589

know who finances is Daily Caller is the

1172

00:52:04,990 --> 00:52:02,390

Koch brothers so yeah like you know

1173

00:52:07,420 --> 00:52:05,000

you've got to is the perhaps and I love

1174

00:52:09,460 --> 00:52:07,430

an advise to that but no I would

1175

00:52:12,160 --> 00:52:09,470

actually suggest that that may well be

1176

00:52:16,630 --> 00:52:12,170

correct but yeah this is the thing it's

1177

00:52:18,220 --> 00:52:16,640

a crazy crazy sort of like situation

1178

00:52:22,319 --> 00:52:18,230

that we're in in the minute know I don't

1179

00:52:26,890 --> 00:52:22,329

like much of this this is you know is

1180

00:52:28,150 --> 00:52:26,900

complicated by by the into the thing

1181

00:52:30,370 --> 00:52:28,160

it's like it can you verify the

1182

00:52:32,440 --> 00:52:30,380

information like no I can't you know you

1183

00:52:34,630 --> 00:52:32,450

can infer things and you can make common

1184

00:52:36,609 --> 00:52:34,640

connections to say this is possible you

1185

00:52:39,040 --> 00:52:36,619

know there there's there's possible and

1186

00:52:40,270 --> 00:52:39,050

there's impossible possible that there

1187

00:52:42,940 --> 00:52:40,280

are foreign forces that are funding

1188

00:52:44,440 --> 00:52:42,950

certain you know aspects or political

1189

00:52:45,760 --> 00:52:44,450

opponents it happens every single

1190

00:52:49,810 --> 00:52:45,770

election anywhere

1191

00:52:50,830 --> 00:52:49,820

it's not the Western world doesn't the

1192

00:52:52,990 --> 00:52:50,840

other parts of the world do it in

1193

00:52:54,640 --> 00:52:53,000

smaller countries it's an incident it's

1194

00:52:55,960 --> 00:52:54,650

unfortunate and it shouldn't necessarily

1195

00:52:57,670 --> 00:52:55,970

get it shouldn't be a part of the

1196

00:53:01,870 --> 00:52:57,680

political process you know Americans or

1197

00:53:05,020 --> 00:53:01,880

came easily and that's this is the point

1198

00:53:07,540 --> 00:53:05,030

you can't sort of like pretend it's not

1199

00:53:09,820 --> 00:53:07,550

happening well no you look at it in a

1200

00:53:12,580 --> 00:53:09,830

sensible way I mean like if we're honest

1201
00:53:13,990 --> 00:53:12,590
like you know we don't guys to say I'm

1202
00:53:20,410 --> 00:53:14,000
pretty sure I said this before

1203
00:53:24,520 --> 00:53:20,420
I don't think and that Russia colluded

1204
00:53:26,950 --> 00:53:24,530
with Trump I I think the merciful

1205
00:53:29,680 --> 00:53:26,960
Cambridge analytical and the mi5 and the

1206
00:53:32,370 --> 00:53:29,690
Pentagon colluded with Trump to get him

1207
00:53:36,850 --> 00:53:32,380
in I think that Russia colluded with

1208
00:53:41,100 --> 00:53:36,860
Trump in as much as they were behind the

1209
00:53:44,830 --> 00:53:41,110
release of the WikiLeaks documents and

1210
00:53:47,830 --> 00:53:44,840
then I think that after the fact 20

1211
00:53:49,750 --> 00:53:47,840
Donald Trump jr. and Paul Manafort who

1212
00:53:53,609 --> 00:53:49,760
had basically just sleazy idiotic

1213
00:53:55,720 --> 00:53:53,619

businessmen knew that this was a sort of

1214

00:53:58,330 --> 00:53:55,730

opportunity and they arranged that

1215

00:54:00,550 --> 00:53:58,340

meeting at Rahm Tower I think that Trump

1216

00:54:03,280 --> 00:54:00,560

probably knew about it but I don't think

1217

00:54:05,050 --> 00:54:03,290

that he be sort of like as the brains

1218

00:54:08,170 --> 00:54:05,060

from honest to actually be caught the

1219

00:54:09,790 --> 00:54:08,180

sort of like KGB or so for that I think

1220

00:54:11,050 --> 00:54:09,800

he's totally compromised because he

1221

00:54:13,570 --> 00:54:11,060

basically as I'm sure he's laundered

1222

00:54:16,450 --> 00:54:13,580

money for Russian gangsters I don't know

1223

00:54:17,980 --> 00:54:16,460

if the piss-take is true but I'm sure

1224

00:54:22,180 --> 00:54:17,990

they've gotten numerous things that they

1225

00:54:23,920 --> 00:54:22,190

could get on and yeah that's the thing

1226

00:54:25,420 --> 00:54:23,930

but whether any of this will come out I

1227

00:54:27,280 --> 00:54:25,430

don't think I don't think it will it's

1228

00:54:29,290 --> 00:54:27,290

become honest I think that the the

1229

00:54:31,840 --> 00:54:29,300

Mueller investigation or first layer I

1230

00:54:33,670 --> 00:54:31,850

think you'll get reelected in 2020 and I

1231

00:54:36,430 --> 00:54:33,680

think life will get [h__h] for everyone

1232

00:54:38,320 --> 00:54:36,440

in America but they'll there's this

1233

00:54:42,240 --> 00:54:38,330

mechanism where basically you know it

1234

00:54:46,090 --> 00:54:42,250

can be blamed on other factors

1235

00:54:48,220 --> 00:54:46,100

which is yeah they totally cover my

1236

00:54:49,450 --> 00:54:48,230

doing in the UK the minute so the funny

1237

00:54:51,220 --> 00:54:49,460

thing is like even though we're talking

1238

00:54:55,570 --> 00:54:51,230

about this and I know this is very

1239

00:54:56,920 --> 00:54:55,580

conspiratorial all these people I could

1240

00:55:00,310 --> 00:54:56,930

do my Alex Jones impression but my

1241

00:55:03,100 --> 00:55:00,320

throat's cyllid gone but this is the

1242

00:55:04,330 --> 00:55:03,110

same type of thing that people talk

1243

00:55:05,470 --> 00:55:04,340

about in their at their kitchen tables

1244

00:55:07,000 --> 00:55:05,480

you know people talk politics

1245

00:55:09,930 --> 00:55:07,010

immediately goes to conspiracy I

1246

00:55:13,330 --> 00:55:09,940

actually watched a c-span lecture on

1247

00:55:15,010 --> 00:55:13,340

conspiracy in in American politics it

1248

00:55:16,540 --> 00:55:15,020

was like an hour and a half and you know

1249

00:55:18,400 --> 00:55:16,550

the first 15 minutes of it was

1250

00:55:20,950 --> 00:55:18,410

essentially establishing the fact that

1251

00:55:22,510 --> 00:55:20,960

conspiracy is act like you talk

1252

00:55:25,090 --> 00:55:22,520

conspiracy and people think well your

1253

00:55:26,920 --> 00:55:25,100

conspiracy theorist yeah okay well what

1254

00:55:30,190 --> 00:55:26,930

was what was the Kennedy assassination

1255

00:55:32,280 --> 00:55:30,200

that was a conspirator what behind that

1256

00:55:36,280 --> 00:55:32,290

but that's part of the political process

1257

00:55:38,470 --> 00:55:36,290

in the u.s. it is it is ingrained within

1258

00:55:45,580 --> 00:55:38,480

the system and the psyche of of the

1259

00:55:47,980 --> 00:55:45,590

culture yeah it's about dismissing it is

1260

00:55:50,380 --> 00:55:47,990

missing cursed as a status quo sensually

1261

00:55:53,110 --> 00:55:50,390

like I mean there's a slight misnomer

1262

00:55:56,350 --> 00:55:53,120

that like that's this classically it's

1263

00:56:00,730 --> 00:55:56,360

very serious it was but it was the food

1264

00:56:03,460 --> 00:56:00,740

the face was created as a sort of pass

1265

00:56:05,890 --> 00:56:03,470

to investigations to the Warren

1266

00:56:08,350 --> 00:56:05,900

Commission JFK assassination it's not

1267

00:56:13,060 --> 00:56:08,360

strictly true but it was popularized and

1268

00:56:16,450 --> 00:56:13,070

the term was utilized as a snarl word in

1269

00:56:20,530 --> 00:56:16,460

order to scuse me in order to just you

1270

00:56:21,550 --> 00:56:20,540

know shut down any any argument so yeah

1271

00:56:28,000 --> 00:56:21,560

you're absolutely right

1272

00:56:30,070 --> 00:56:28,010

oh well that's where your honor was with

1273

00:56:32,290 --> 00:56:30,080

transsexual porn on his phone oh he

1274

00:56:35,800 --> 00:56:32,300

totally did get caught with trans hasn't

1275

00:56:40,330 --> 00:56:35,810

missed one but to to open browsers like

1276
00:56:42,880 --> 00:56:40,340
and yeah you know what's his name um

1277
00:56:44,410 --> 00:56:42,890
McGinnis I keep forgetting is his first

1278
00:56:46,930 --> 00:56:44,420
name the guy who was fired from rebel

1279
00:56:48,700 --> 00:56:46,940
and is now like another fraud not the

1280
00:56:51,460 --> 00:56:48,710
proud boy founder or the you know that

1281
00:56:55,380 --> 00:56:51,470
you had yet to pick a name from a

1282
00:57:00,660 --> 00:56:55,390
musical Mike white supremacist ant

1283
00:57:02,009 --> 00:57:00,670
LGTBQ organization and there's actually

1284
00:57:03,299 --> 00:57:02,019
a video you can google it I haven't

1285
00:57:06,690 --> 00:57:03,309
actually seen it myself because it's

1286
00:57:09,289 --> 00:57:06,700
like I don't need to see it but he goes

1287
00:57:13,019 --> 00:57:09,299
on about stuff and he's been on camera

1288
00:57:15,240 --> 00:57:13,029

Todd likes going anti you know an

1289

00:57:18,089 --> 00:57:15,250

anti-gay and he goes and penetrates

1290

00:57:20,069 --> 00:57:18,099

himself with a dildo on you know on live

1291

00:57:22,759 --> 00:57:20,079

on air that's out there I'm not kidding

1292

00:57:28,670 --> 00:57:22,769

I'm not kidding it's out there so I

1293

00:57:33,480 --> 00:57:28,680

please it's it's quite a psychologically

1294

00:57:35,910 --> 00:57:33,490

violent man shows like like indications

1295

00:57:41,460 --> 00:57:35,920

that he might actually cause sexual

1296

00:57:44,759 --> 00:57:41,470

which is cool he's like hey man buddy I

1297

00:57:47,009 --> 00:57:44,769

mean it's about redirecting anger isn't

1298

00:57:49,440 --> 00:57:47,019

it like you know this is like on both

1299

00:57:52,200 --> 00:57:49,450

sides of the spectrum but more more very

1300

00:57:55,500 --> 00:57:52,210

recently with the right-wing and is

1301

00:57:57,329 --> 00:57:55,510

basically give an excuse for the fellas

1302

00:57:59,430 --> 00:57:57,339

you know life like now what's really

1303

00:58:01,410 --> 00:57:59,440

really galling about all of this from

1304

00:58:03,269 --> 00:58:01,420

again on both sides and inspection

1305

00:58:05,370 --> 00:58:03,279

because it's really rich people saying

1306

00:58:07,049 --> 00:58:05,380

really really poor people that even

1307

00:58:09,059 --> 00:58:07,059

poorer and more disenfranchised people

1308

00:58:10,470 --> 00:58:09,069

the [h__\h] cause of their problems what

1309

00:58:12,690 --> 00:58:10,480

could the American sub award enough

1310

00:58:16,829 --> 00:58:12,700

stood that well I do understand it right

1311

00:58:18,799 --> 00:58:16,839

tell you what because like it it's

1312

00:58:22,410 --> 00:58:18,809

easier for me to hate

1313

00:58:23,519 --> 00:58:22,420

Chappy's like got no issues right okay

1314

00:58:26,430 --> 00:58:23,529

because she's come across the border

1315

00:58:28,319 --> 00:58:26,440

okay for some nonsensical concept like

1316

00:58:30,839 --> 00:58:28,329

he's taking my job which is impossible

1317

00:58:32,940 --> 00:58:30,849

because he doesn't even speak English

1318

00:58:35,789 --> 00:58:32,950

right you there's this huge

1319

00:58:38,039 --> 00:58:35,799

confrontation of like different issues

1320

00:58:40,620 --> 00:58:38,049

then to have a go at the person that I

1321

00:58:43,109 --> 00:58:40,630

know he's [h__h] me over right and and

1322

00:58:45,059 --> 00:58:43,119

the psychological sort of like rewards

1323

00:58:47,309 --> 00:58:45,069

are there is that easy

1324

00:58:51,420 --> 00:58:47,319

please I don't mean to make me feel

1325

00:58:53,880 --> 00:58:51,430

superior like because the problem is the

1326

00:58:55,920 --> 00:58:53,890

last hard fight against that guy right

1327

00:58:58,710 --> 00:58:55,930

and you might lose you're probably gonna

1328

00:59:02,370 --> 00:58:58,720

lose okay the best thing you can do is

1329

00:59:05,070 --> 00:59:02,380

sidestep their [h__h] right

1330

00:59:08,790 --> 00:59:05,080

who wants to do that nobody wants to do

1331

00:59:11,510 --> 00:59:08,800

that right that's why these on again on

1332

00:59:14,250 --> 00:59:11,520

both sides of the political spectrum

1333

00:59:16,080 --> 00:59:14,260

utilize that fear and that understanding

1334

00:59:18,450 --> 00:59:16,090

they're basically you're in a really

1335

00:59:20,130 --> 00:59:18,460

really difficult position that this

1336

00:59:22,500 --> 00:59:20,140

actually you clinging to the belly of a

1337

00:59:24,690 --> 00:59:22,510

beast that's running along and it's

1338

00:59:27,570 --> 00:59:24,700

gonna kill you when it stops what are we

1339

00:59:29,430 --> 00:59:27,580

going to do you know jump off you going

1340

00:59:34,440 --> 00:59:29,440

at 100 miles per hour you're gonna die

1341

00:59:37,380 --> 00:59:34,450

like you can't do that and this is again

1342

00:59:39,240 --> 00:59:37,390

this is the fear mechanism that is

1343

00:59:41,880 --> 00:59:39,250

utilized again on both sides of the

1344

00:59:44,010 --> 00:59:41,890

spectrum in order to manipulate you to

1345

00:59:47,760 --> 00:59:44,020

do something else and the easiest way to

1346

00:59:50,730 --> 00:59:47,770

do like to get the target and calls for

1347

00:59:53,100 --> 00:59:50,740

all the [h__h] in your life and it's those

1348

00:59:55,800 --> 00:59:53,110

people it's those people like I said

1349

00:59:58,050 --> 00:59:55,810

it's an old Greg Proops joke you know

1350

01:00:01,200 --> 00:59:58,060

what's wrong with this country people

1351

01:00:03,750 --> 01:00:01,210

from other countries nice [h__h] but

1352

01:00:07,620 --> 01:00:03,760

it's easy and it's a bumper sticker that

1353

01:00:10,170 --> 01:00:07,630

can be can be be beat sort of like you

1354

01:00:13,020 --> 01:00:10,180

know really what he sort of got behind

1355

01:00:16,080 --> 01:00:13,030

and and what's really despicable as well

1356

01:00:18,000 --> 01:00:16,090

as that that to my mind as well people

1357

01:00:20,040 --> 01:00:18,010

might disagree with this is the way that

1358

01:00:23,750 --> 01:00:20,050

the Trump administration is utilize this

1359

01:00:26,190 --> 01:00:23,760

because it's such an oxymoron this

1360

01:00:27,750 --> 01:00:26,200

nonsense about him being a man of the

1361

01:00:30,540 --> 01:00:27,760

people he's got a track record of

1362

01:00:32,760 --> 01:00:30,550

ripping off small businesses got a track

1363

01:00:36,720 --> 01:00:32,770

record of by utilizing the tax systems

1364

01:00:40,640 --> 01:00:36,730

who were to for his own benefit he lies

1365

01:00:44,340 --> 01:00:40,650

constantly he's rollback environmental

1366

01:00:47,130 --> 01:00:44,350

standard she's rollback worker unions

1367

01:00:51,150 --> 01:00:47,140

standards all this [h__h] about like

1368

01:00:53,550 --> 01:00:51,160

lowest unemployment rate a lowest and

1369

01:00:57,900 --> 01:00:53,560

highest economy why don't you look at

1370

01:01:02,940 --> 01:00:57,910

realistic figures like standard of

1371

01:01:05,100 --> 01:01:02,950

living or wages or how much it cost to

1372

01:01:06,900 --> 01:01:05,110

live in that country like what the

1373

01:01:10,770 --> 01:01:06,910

metric is of what you get marooned on

1374

01:01:15,770 --> 01:01:10,780

and that type of thing whether people

1375

01:01:17,359 --> 01:01:15,780

are happy whether people are undying

1376

01:01:18,920 --> 01:01:17,369

whether in a certain wage bracket

1377

01:01:21,589 --> 01:01:18,930

because they don't have adequate health

1378

01:01:23,080 --> 01:01:21,599

care this is this stupid [h__h] that's

1379

01:01:25,130 --> 01:01:23,090

going on at the minute right okay about

1380

01:01:28,130 --> 01:01:25,140

socialism trying to sort of like tie

1381

01:01:31,010 --> 01:01:28,140

socialism and with hardcore Stalinist

1382

01:01:34,250 --> 01:01:31,020

communism right what socialism is right

1383

01:01:35,450 --> 01:01:34,260

okay free [h__h] school dinners right

1384

01:01:37,849 --> 01:01:35,460

that's what it is

1385

01:01:39,680 --> 01:01:37,859

right it's a health care that is paid

1386

01:01:42,560 --> 01:01:39,690

for by a national insurance thing that

1387

01:01:45,050 --> 01:01:42,570

benefits everybody not just the wealthy

1388

01:01:48,050 --> 01:01:45,060

right okay there's a huge difference

1389

01:01:51,710 --> 01:01:48,060

between socialism and Leninism and

1390

01:01:54,620 --> 01:01:51,720

Stalinism and Maoism and just like I've

1391

01:01:56,300 --> 01:01:54,630

moaned about cultural Marxism on under

1392

01:01:57,800 --> 01:01:56,310

the last thing that we did this is all

1393

01:02:01,220 --> 01:01:57,810

based in the fact that people aren't

1394

01:02:04,190 --> 01:02:01,230

[h__h] bothered to read right so they

1395

01:02:06,620 --> 01:02:04,200

won't read the actual like cortex the

1396

01:02:08,870 --> 01:02:06,630

read what some bigoted [h__h] has

1397

01:02:11,839 --> 01:02:08,880

written about those cortex and got

1398

01:02:13,609 --> 01:02:11,849

completely wrong and and that's the

1399

01:02:16,220 --> 01:02:13,619

problem that we have at the minute and

1400

01:02:18,500 --> 01:02:16,230

again it's exacerbated now this shows

1401

01:02:20,839 --> 01:02:18,510

supposed to be how the internet and

1402

01:02:23,990 --> 01:02:20,849

social media it's exacerbated by that

1403

01:02:26,930 --> 01:02:24,000

because it's that quick need an answer

1404

01:02:30,170 --> 01:02:26,940

culture that everybody wants that that

1405

01:02:32,780 --> 01:02:30,180

easy answer and there is no easy answer

1406

01:02:34,760 --> 01:02:32,790

right because the system of government

1407

01:02:36,589 --> 01:02:34,770

and the system of society in the system

1408

01:02:38,810 --> 01:02:36,599

of civilization has been set up for

1409

01:02:41,150 --> 01:02:38,820

thousands of years right okay the

1410

01:02:43,310 --> 01:02:41,160

principle basis of it is to [h__\h] you

1411

01:02:45,440 --> 01:02:43,320

over so that a certain national line of

1412

01:02:48,290 --> 01:02:45,450

people can maintain what they're

1413

01:02:50,960 --> 01:02:48,300

actually accustomed to which is

1414

01:02:54,170 --> 01:02:50,970

happiness as an aristocratic level and

1415

01:02:56,750 --> 01:02:54,180

and and that's it right it's it's a crab

1416

01:02:58,730 --> 01:02:56,760

bucket and it's a mire and and there's

1417

01:03:03,440 --> 01:02:58,740

two ways you go about this right okay

1418

01:03:06,320 --> 01:03:03,450

you can follow the dislike disarming

1419

01:03:08,089 --> 01:03:06,330

sort of psychological comfort of hating

1420

01:03:10,040 --> 01:03:08,099

other people right or you can go the

1421

01:03:12,320 --> 01:03:10,050

slightly more difficult route of

1422

01:03:13,880 --> 01:03:12,330

actually liking people actually getting

1423

01:03:16,010 --> 01:03:13,890

to know people and get to understand

1424

01:03:20,180 --> 01:03:16,020

people and get to empathize with people

1425

01:03:23,450 --> 01:03:20,190

and getting to the point where you can

1426
01:03:24,970 --> 01:03:23,460
understand other people's play and the

1427
01:03:28,500 --> 01:03:24,980
situation

1428
01:03:31,770 --> 01:03:28,510
those those causes to come into play

1429
01:03:34,750 --> 01:03:31,780
unfortunately as they complicate it and

1430
01:03:36,849 --> 01:03:34,760
like to quote rob newman the problem

1431
01:03:39,849 --> 01:03:36,859
with the world is that the majority of

1432
01:03:43,030 --> 01:03:39,859
people are thick as [h__\h] and they just

1433
01:03:45,300 --> 01:03:43,040
don't want to do that okay like it's

1434
01:03:47,770 --> 01:03:45,310
completely done and it's a disservice

1435
01:03:49,630 --> 01:03:47,780
right okay to the people that aren't

1436
01:03:51,820 --> 01:03:49,640
thinkers [h__\h] that they don't actually

1437
01:03:54,480 --> 01:03:51,830
step up and go like what the hell are we

1438
01:03:56,890 --> 01:03:54,490

doing being manipulated labels

1439

01:03:58,599 --> 01:03:56,900

I'm understand exactly what you're

1440

01:04:04,180 --> 01:03:58,609

saying that last that last part there

1441

01:04:06,010 --> 01:04:04,190

it's the kind of understanding that

1442

01:04:07,690 --> 01:04:06,020

perspective and again this is a Canadian

1443

01:04:10,150 --> 01:04:07,700

show and I know well where you are it's

1444

01:04:12,280 --> 01:04:10,160

not legalized a logan happy legalization

1445

01:04:13,780 --> 01:04:12,290

everybody i'm gonna stick to my scotch

1446

01:04:16,720 --> 01:04:13,790

but you know if you want to be able to

1447

01:04:18,070 --> 01:04:16,730

toke up and here in Canada you know

1448

01:04:21,070 --> 01:04:18,080

although apparently we sold out

1449

01:04:23,950 --> 01:04:21,080

completely our Canadian stock like is

1450

01:04:25,230 --> 01:04:23,960

gone you can coast to coast it's it's

1451

01:04:28,270 --> 01:04:25,240

not gonna break you up

1452

01:04:31,240 --> 01:04:28,280

well I I'm sure if you attach it to a

1453

01:04:34,420 --> 01:04:31,250

swallow you know maybe an African

1454

01:04:39,910 --> 01:04:34,430

swallow just I'm sure Daniel can can

1455

01:04:42,880 --> 01:04:39,920

hook you up by the husk about what are

1456

01:04:44,290 --> 01:04:42,890

you talking about you know I know that

1457

01:04:45,430 --> 01:04:44,300

we're getting getting close to the end

1458

01:04:46,690 --> 01:04:45,440

here because we're trying to do this

1459

01:04:49,270 --> 01:04:46,700

whole but now we're gonna keep it to

1460

01:04:51,280 --> 01:04:49,280

about an hour three to five that we used

1461

01:04:53,290 --> 01:04:51,290

to do or you know seven when I would get

1462

01:04:55,359 --> 01:04:53,300

really referrin and we'd get in a like

1463

01:04:58,090 --> 01:04:55,369

hard math and by the end of it I'm going

1464

01:05:01,270 --> 01:04:58,100

like I I think I can see the universe

1465

01:05:03,010 --> 01:05:01,280

now it's good but we're gonna try and

1466

01:05:03,880 --> 01:05:03,020

you know well keep usually we're going

1467

01:05:05,440 --> 01:05:03,890

to keep it to about an hour and then

1468

01:05:07,660 --> 01:05:05,450

we're be able to have interesting

1469

01:05:09,460 --> 01:05:07,670

conversations on a more constant basis

1470

01:05:11,650 --> 01:05:09,470

and plus you need to eat soon and I want

1471

01:05:14,200 --> 01:05:11,660

to make sure you can eat cuz you know I

1472

01:05:16,210 --> 01:05:14,210

like you and I'm gonna know you and I

1473

01:05:20,970 --> 01:05:16,220

can empathize with your hunger just just

1474

01:05:24,250 --> 01:05:20,980

so bad to my like last completely state

1475

01:05:26,590 --> 01:05:24,260

test I know like that's a broad

1476

01:05:30,609 --> 01:05:26,600

statement people are thinking [h__h] okay

1477

01:05:32,259 --> 01:05:30,619

what I'm saying is that there's half of

1478

01:05:34,479 --> 01:05:32,269

us is half true

1479

01:05:37,749 --> 01:05:34,489

but there is a mechanism that basically

1480

01:05:44,739 --> 01:05:37,759

contains people and makes them ignorant

1481

01:05:46,389 --> 01:05:44,749

via fear and via new things and via all

1482

01:05:47,979 --> 01:05:46,399

the sort of like mechanisms of

1483

01:05:49,449 --> 01:05:47,989

civilization again they're been around

1484

01:05:51,219 --> 01:05:49,459

since you know it's really interesting

1485

01:05:53,109 --> 01:05:51,229

it's like you can read sort of Diaries

1486

01:05:54,669 --> 01:05:53,119

of something like it's like Romans or

1487

01:05:56,589 --> 01:05:54,679

whatever and what they're talking about

1488

01:05:57,939 --> 01:05:56,599

is the same [h__h] that you and I talking

1489

01:06:00,789 --> 01:05:57,949

about how am I gonna pay for this

1490

01:06:01,479 --> 01:06:00,799

so-and-so's pregnant bloody hell I got a

1491

01:06:05,229 --> 01:06:01,489

promotion

1492

01:06:09,579 --> 01:06:05,239

bloody sodding guy Claudius he's being a

1493

01:06:11,949 --> 01:06:09,589

[h__h] at work all this stuff this is the

1494

01:06:15,249 --> 01:06:11,959

same thing throughout civilization and

1495

01:06:19,229 --> 01:06:15,259

these mechanisms are there to tie people

1496

01:06:21,459 --> 01:06:19,239

in and to get them to the point where

1497

01:06:25,779 --> 01:06:21,469

they they just don't have the

1498

01:06:27,879 --> 01:06:25,789

perspective to react to people because

1499

01:06:30,039 --> 01:06:27,889

they're out on a first level basis which

1500

01:06:32,109 --> 01:06:30,049

is the entire point of sick propaganda

1501

01:06:34,599 --> 01:06:32,119

right which is to make people go boom

1502

01:06:38,679 --> 01:06:34,609

quick what's the response rather than go

1503

01:06:42,669 --> 01:06:38,689

hang on that's nonsense isn't it like

1504

01:06:44,709 --> 01:06:42,679

and again this this this whole mill year

1505

01:06:46,209 --> 01:06:44,719

of difference of media outlets at the

1506

01:06:48,249 --> 01:06:46,219

minute as well that they basically make

1507

01:06:50,859 --> 01:06:48,259

it almost impossible for you to go

1508

01:06:52,659 --> 01:06:50,869

against the grain because you'll get

1509

01:06:55,509 --> 01:06:52,669

your turn from a great high you get

1510

01:06:59,529 --> 01:06:55,519

downtown immediately and I mean so yeah

1511

01:07:01,929 --> 01:06:59,539

yeah it is stuff just was being very

1512

01:07:03,429 --> 01:07:01,939

live you do I'm kind of like socially

1513

01:07:05,439 --> 01:07:03,439

masochistic in that way where it's like

1514

01:07:09,159 --> 01:07:05,449

the more hate that I get from the people

1515

01:07:12,669 --> 01:07:09,169

that I know deserve to at least I don't

1516

01:07:13,959 --> 01:07:12,679

know have their their stuff exposed to a

1517

01:07:15,609 --> 01:07:13,969

certain extent in terms of like oh

1518

01:07:18,039 --> 01:07:15,619

you're like you're somebody who doesn't

1519

01:07:21,879 --> 01:07:18,049

have integrity okay let's have some fun

1520

01:07:24,129 --> 01:07:21,889

with this and to see the paradigm be

1521

01:07:25,739 --> 01:07:24,139

cracked a little bit it's like at that

1522

01:07:27,669 --> 01:07:25,749

point I know that I'm doing my job

1523

01:07:29,379 --> 01:07:27,679

because I believe that there is a

1524

01:07:31,509 --> 01:07:29,389

certain amount of you know the the order

1525

01:07:33,759 --> 01:07:31,519

is the truth and and truth and suffering

1526

01:07:35,679 --> 01:07:33,769

that's kind of my thing or the truth

1527

01:07:37,719 --> 01:07:35,689

will set you free that is a good

1528

01:07:39,779 --> 01:07:37,729

experience from that to be able to end

1529

01:07:43,059 --> 01:07:39,789

things off I'm gonna ask you one thing

1530

01:07:45,060 --> 01:07:43,069

okay how is it that we you know your

1531

01:07:48,000 --> 01:07:45,070

common person your common man

1532

01:07:51,900 --> 01:07:48,010

and or woman or pineapple or whomever or

1533

01:07:55,050 --> 01:07:51,910

whatever you identify as how can we as a

1534

01:07:56,520 --> 01:07:55,060

regular folk break through the crap

1535

01:07:59,610 --> 01:07:56,530

that's out there to actually connect

1536

01:08:02,430 --> 01:07:59,620

with people just on an emotional or

1537

01:08:04,950 --> 01:08:02,440

one-to-one level even if they do not

1538

01:08:06,770 --> 01:08:04,960

have things in common I know for myself

1539

01:08:10,110 --> 01:08:06,780

there are individuals that I have

1540

01:08:12,330 --> 01:08:10,120

diametrically opposed political views on

1541

01:08:14,010 --> 01:08:12,340

that I have told like listen like III

1542

01:08:16,230 --> 01:08:14,020

respect you as a guy I respect you as an

1543

01:08:17,970 --> 01:08:16,240

artist I respect you as a father we

1544

01:08:19,470 --> 01:08:17,980

don't talk about this this this or

1545

01:08:21,930 --> 01:08:19,480

mention this word this word this word

1546

01:08:25,260 --> 01:08:21,940

and we're cool because I like you I

1547

01:08:27,750 --> 01:08:25,270

don't want to maintain that right that's

1548

01:08:30,510 --> 01:08:27,760

a small [h__h] revelation right that's

1549

01:08:32,910 --> 01:08:30,520

common courtesy right that's that's how

1550

01:08:36,540 --> 01:08:32,920

you you know if I [h__h] you know if I

1551

01:08:39,030 --> 01:08:36,550

if I couldn't hold a conversation with

1552

01:08:43,650 --> 01:08:39,040

racists I never spoke it's my

1553

01:08:45,530 --> 01:08:43,660

grandparents like D cope that's what

1554

01:08:50,640 --> 01:08:45,540

it's about it's about understanding

1555

01:08:52,560 --> 01:08:50,650

right it's about just be nice I know

1556

01:08:54,599 --> 01:08:52,570

that sounds really hippy and shitty in

1557

01:08:56,099 --> 01:08:54,609

like that sort of B+ [h__h] that we were

1558

01:08:57,210 --> 01:08:56,109

like having a go at the beginning right

1559

01:08:59,610 --> 01:08:57,220

but this is different

1560

01:09:01,620 --> 01:08:59,620

I should be nice be courteous be aware

1561

01:09:03,390 --> 01:09:01,630

that other people have got you know it's

1562

01:09:06,329 --> 01:09:03,400

really weird writing these numerous

1563

01:09:08,940 --> 01:09:06,339

examples where like I've someone said

1564

01:09:11,550 --> 01:09:08,950

something on Facebook or Twitter or

1565

01:09:13,920 --> 01:09:11,560

whatever okay and I've the instant urge

1566

01:09:17,220 --> 01:09:13,930

for me is to go you're you're an idiot

1567

01:09:19,710 --> 01:09:17,230

right okay that's wrong that's racist

1568

01:09:22,260 --> 01:09:19,720

you're only saying that because you're

1569

01:09:24,180 --> 01:09:22,270

insecure and you feel like it

1570

01:09:27,030 --> 01:09:24,190

disempowered and you want to get some

1571

01:09:29,099 --> 01:09:27,040

some there's some feedback and you want

1572

01:09:31,050 --> 01:09:29,109

to get some like yeah I feel good about

1573

01:09:34,070 --> 01:09:31,060

myself and it's pathetic and I'm gonna

1574

01:09:37,620 --> 01:09:34,080

stamp you down and like thankfully I've

1575

01:09:39,420 --> 01:09:37,630

not done right okay because later I've

1576

01:09:42,860 --> 01:09:39,430

like sort of seen other posts from that

1577

01:09:46,290 --> 01:09:42,870

person and it's it and I found out that

1578

01:09:51,300 --> 01:09:46,300

they've lost their job okay or they've

1579

01:09:53,970 --> 01:09:51,310

got a health problem or there's a mirror

1580

01:09:56,250 --> 01:09:53,980

of the things that stupid me that

1581

01:09:57,880 --> 01:09:56,260

basically is ignorant of their their

1582

01:10:00,880 --> 01:09:57,890

life and

1583

01:10:04,240 --> 01:10:00,890

didn't know about and you can't judge a

1584

01:10:06,580 --> 01:10:04,250

person by a single line on Facebook okay

1585

01:10:08,800 --> 01:10:06,590

and I'm as guilty as anybody about this

1586

01:10:11,500 --> 01:10:08,810

right and recently say some some really

1587

01:10:13,060 --> 01:10:11,510

sort of like I've seen some exotic I'm

1588

01:10:15,610 --> 01:10:13,070

really glad I didn't respond to that

1589

01:10:17,740 --> 01:10:15,620

because it doesn't matter what this

1590

01:10:19,690 --> 01:10:17,750

person into a you can't categorize

1591

01:10:21,280 --> 01:10:19,700

yourself through it is very easy to some

1592

01:10:26,050 --> 01:10:21,290

misrepresent yourself theaters whose

1593

01:10:28,450 --> 01:10:26,060

bike like social media and be I don't

1594

01:10:30,370 --> 01:10:28,460

know that person's circumstance this is

1595

01:10:33,100 --> 01:10:30,380

the problem about social media is that

1596

01:10:34,810 --> 01:10:33,110

basically it gives you a grace his even

1597

01:10:36,660 --> 01:10:34,820

if your posture history okay

1598

01:10:38,920 --> 01:10:36,670

and it doesn't give you all the

1599

01:10:41,590 --> 01:10:38,930

difficult stuff it's not the difficult

1600

01:10:44,050 --> 01:10:41,600

weird third album it's not this sort of

1601
01:10:45,880 --> 01:10:44,060
like the way that Syd Barrett died and

1602
01:10:48,880 --> 01:10:45,890
you had to go on to that and stuff i

1603
01:10:52,260 --> 01:10:48,890
dice it's not a bits of intricacies that

1604
01:10:55,650 --> 01:10:52,270
make you you it's just the sort of like

1605
01:10:58,900 --> 01:10:55,660
boom easy

1606
01:11:02,920 --> 01:10:58,910
like what's the economy with the phrase

1607
01:11:04,840 --> 01:11:02,930
like like I meet a soundbite sorry it's

1608
01:11:07,840 --> 01:11:04,850
going to be soundbite you and it's

1609
01:11:11,140 --> 01:11:07,850
really really really easy to like [\h__\h]

1610
01:11:13,660 --> 01:11:11,150
on somebody that he's acting out because

1611
01:11:16,120 --> 01:11:13,670
social media is given them this so forum

1612
01:11:18,460 --> 01:11:16,130
that they can in some when feel like

1613
01:11:21,700 --> 01:11:18,470

it's not necessarily the right thing to

1614

01:11:23,920 --> 01:11:21,710

do but you know it's so complicated

1615

01:11:26,080 --> 01:11:23,930

like I think essentially like it to

1616

01:11:28,180 --> 01:11:26,090

answer your original question be nice to

1617

01:11:30,370 --> 01:11:28,190

people for [h__h] sake okay just just to

1618

01:11:31,870 --> 01:11:30,380

be nice before they've been are so just

1619

01:11:34,450 --> 01:11:31,880

try and not be an [h__h]

1620

01:11:36,130 --> 01:11:34,460

all the people are gonna be okay and

1621

01:11:37,720 --> 01:11:36,140

there's nothing that you can do about

1622

01:11:40,900 --> 01:11:37,730

about it okay

1623

01:11:43,240 --> 01:11:40,910

and I'm not decade I'm not pacifist a

1624

01:11:48,400 --> 01:11:43,250

liberal never ever or anything like that

1625

01:11:50,230 --> 01:11:48,410

and I hippie okay but you know every

1626
01:11:52,330 --> 01:11:50,240
single bad situation has ever happened

1627
01:11:54,850 --> 01:11:52,340
in my life has been predicated by being

1628
01:11:56,860 --> 01:11:54,860
me being a bit of a prick okay and you

1629
01:11:58,180 --> 01:11:56,870
get to a certain age and you go oh yeah

1630
01:11:59,980 --> 01:11:58,190
you know if you weren't a bit of a dick

1631
01:12:03,220 --> 01:11:59,990
it then like that wouldn't have been as

1632
01:12:05,860 --> 01:12:03,230
bad as it as it might have been so you

1633
01:12:08,320 --> 01:12:05,870
know try not to be a bit of a prick okay

1634
01:12:10,510 --> 01:12:08,330
that that would be the best advice that

1635
01:12:11,740 --> 01:12:10,520
I could give to people you've been

1636
01:12:15,160 --> 01:12:11,750
following my social media for the

1637
01:12:16,480 --> 01:12:15,170
last week or so haven't you this is very

1638
01:12:18,520 --> 01:12:16,490

men and you could I could just see the

1639

01:12:25,480 --> 01:12:18,530

crowd or the people sitting back on like

1640

01:12:26,740 --> 01:12:25,490

yeah Chris don't don't look yak you know

1641

01:12:29,230 --> 01:12:26,750

you don't like ladies and gents I'm

1642

01:12:30,880 --> 01:12:29,240

actually to try this new radical idea

1643

01:12:33,970 --> 01:12:30,890

when I run into things that obviously

1644

01:12:36,730 --> 01:12:33,980

are as you said very difficult to to

1645

01:12:47,770 --> 01:12:36,740

Paris one I know it's hard it is very

1646

01:12:51,100 --> 01:12:47,780

hard very hard like like like Annie is

1647

01:12:53,500 --> 01:12:51,110

because I'm as guilty as anybody else

1648

01:12:57,340 --> 01:12:53,510

right right but she's probably like you

1649

01:12:58,320 --> 01:12:57,350

know it is it's not helping anyone is it

1650

01:13:01,480 --> 01:12:58,330

ready

1651
01:13:03,460 --> 01:13:01,490
well here we go okay so again ladies and

1652
01:13:04,870 --> 01:13:03,470
gents the the lesson for today the cool

1653
01:13:08,650 --> 01:13:04,880
[h__h] you're gonna learn on how to

1654
01:13:13,830 --> 01:13:08,660
survive the social media landscape don't

1655
01:13:17,400 --> 01:13:13,840
be a dick I'm gonna try I'm going to try

1656
01:13:22,360 --> 01:13:17,410
this maybe the birth of a newer softer

1657
01:13:23,980 --> 01:13:22,370
slightly less a holy Sh you know Chris

1658
01:13:26,020 --> 01:13:23,990
well we'll see at least online when

1659
01:13:28,950 --> 01:13:26,030
dealing with some very out-there

1660
01:13:31,120 --> 01:13:28,960
theories with the paranormal although

1661
01:13:34,180 --> 01:13:31,130
you do need to hold a speak truth to

1662
01:13:35,710 --> 01:13:34,190
power when it comes to stuff that just

1663
01:13:37,210 --> 01:13:35,720

isn't true so it's a matter of how you

1664

01:13:39,670 --> 01:13:37,220

know pick your battles I'm guessing

1665

01:13:42,190 --> 01:13:39,680

that's kind of what you're getting all

1666

01:13:45,730 --> 01:13:42,200

right yeah all right yeah Oh we'll go

1667

01:13:47,880 --> 01:13:45,740

ahead one for this week I I think I'm

1668

01:13:51,280 --> 01:13:47,890

liking this new format so I'm just gonna

1669

01:13:53,140 --> 01:13:51,290

see if I can get the outro music playing

1670

01:13:56,230 --> 01:13:53,150

and actually make sure doesn't cut out

1671

01:13:57,670 --> 01:13:56,240

at the end like it did the last time cuz

1672

01:14:03,140 --> 01:13:57,680

I didn't say it properly

1673

01:14:12,620 --> 01:14:03,150

turn on studio mode here kind of hear it

1674

01:14:14,210 --> 01:14:12,630

oh that's right I didn't unplugged all

1675

01:14:15,500 --> 01:14:14,220

of my sound cards so it's gonna come on

1676

01:14:18,630 --> 01:14:15,510

here pretty loud in a second will you

1677

01:14:26,830 --> 01:14:23,970

oh yes and we need to talk about your UX

1678

01:14:28,270 --> 01:14:26,840

it's not working here but it isn't

1679

01:14:35,620 --> 01:14:28,280

working up that audio out why isn't it

1680

01:14:37,600 --> 01:14:35,630

working well apparently I've got I've

1681

01:14:38,380 --> 01:14:37,610

got music on the outside I just can't

1682

01:14:39,970 --> 01:14:38,390

hear it myself

1683

01:14:44,560 --> 01:14:39,980

so I guess everyone else is hearing it

1684

01:14:48,220 --> 01:14:44,570

and if that's the case then I'm just

1685

01:14:50,140 --> 01:14:48,230

gonna go with that so ladies and gents

1686

01:14:52,420 --> 01:14:50,150

been in den of war talking about social

1687

01:14:55,000 --> 01:14:52,430

media you know check out checking out it

1688

01:14:57,220 --> 01:14:55,010

to Eastern Ontario paraquat I'll be

1689

01:14:59,230 --> 01:14:57,230

lettin read through the truth of every

1690

01:15:00,760 --> 01:14:59,240

move opposed the disclosure fully

1691

01:15:02,980 --> 01:15:00,770

expected teacher chalking the parking

1692

01:15:04,360 --> 01:15:02,990

lot outdoors with this one
