

**WILLIAM  
PULLIN**

**EP #005**

**DEN OF LORE**

1  
00:00:05,269 --> 00:00:03,110  
going live

2  
00:00:08,810 --> 00:00:05,279  
we're live ladies and gentlemen how's

3  
00:00:13,430 --> 00:00:08,820  
everyone doing this evening I would like

4  
00:00:14,990 --> 00:00:13,440  
to make a special shout out to our den

5  
00:00:16,189 --> 00:00:15,000  
mother Ellen who has been extremely

6  
00:00:17,990 --> 00:00:16,199  
patient I know it's been a while since

7  
00:00:21,170 --> 00:00:18,000  
I've started 15 minutes after a stream

8  
00:00:22,609 --> 00:00:21,180  
several years in fact uh so I just

9  
00:00:26,090 --> 00:00:22,619  
wanted to be able to apologize for all

10  
00:00:29,029 --> 00:00:26,100  
those in the chat it has been kind of uh

11  
00:00:30,589 --> 00:00:29,039  
kind of crazy the last couple of days

12  
00:00:33,530 --> 00:00:30,599  
um the basement that I was in last week

13  
00:00:36,110 --> 00:00:33,540

is now construction zone as you can see

14

00:00:37,610 --> 00:00:36,120

everything's blurred out because there's

15

00:00:39,229 --> 00:00:37,620

an even larger mess than there was

16

00:00:41,810 --> 00:00:39,239

behind me

17

00:00:44,150 --> 00:00:41,820

um but that's neither here nor there

18

00:00:46,910 --> 00:00:44,160

I'm very thankful that I'm able to

19

00:00:48,110 --> 00:00:46,920

welcome a good dear old friend onto the

20

00:00:48,709 --> 00:00:48,120

show

21

00:00:51,529 --> 00:00:48,719

um

22

00:00:53,510 --> 00:00:51,539

and first just to let everyone know uh

23

00:00:54,950 --> 00:00:53,520

super chats are open so if you do want

24

00:00:56,450 --> 00:00:54,960

to be able to throw a super chat up you

25

00:00:58,130 --> 00:00:56,460

can pretty much at any point we'll read

26

00:01:00,470 --> 00:00:58,140

them out as they come or just wait to

27

00:01:01,310 --> 00:01:00,480

the last back quarter of the show as

28

00:01:04,430 --> 00:01:01,320

well as don't forget to visit

29

00:01:07,370 --> 00:01:04,440

patreon.com uh forward slash den of lore

30

00:01:10,010 --> 00:01:07,380

uh for all the patreons patrons that are

31

00:01:11,929 --> 00:01:10,020

currently uh that are currently

32

00:01:13,969 --> 00:01:11,939

contributing to the show thank you very

33

00:01:16,730 --> 00:01:13,979

much especially to Ellen our den mother

34

00:01:18,410 --> 00:01:16,740

who has been a very long-term supporter

35

00:01:19,609 --> 00:01:18,420

of the show and has basically been one

36

00:01:21,710 --> 00:01:19,619

of the reasons why we started things

37

00:01:25,070 --> 00:01:21,720

back up uh getting things a little bit

38

00:01:28,190 --> 00:01:25,080

organized trying to currently do the

39

00:01:29,990 --> 00:01:28,200

full-time job thing and uh deal with

40

00:01:32,630 --> 00:01:30,000

major Renovations in my house before we

41

00:01:33,890 --> 00:01:32,640

sell it so uh bear with me we'll get

42

00:01:35,450 --> 00:01:33,900

everything sorted out I haven't even

43

00:01:36,950 --> 00:01:35,460

looked at the patreon in like three

44

00:01:39,770 --> 00:01:36,960

years or four years so if you're

45

00:01:41,390 --> 00:01:39,780

contributing fantastic it helps with the

46

00:01:44,810 --> 00:01:41,400

software we're using to actually stream

47

00:01:46,730 --> 00:01:44,820

and and keep things going as well as uh

48

00:01:48,710 --> 00:01:46,740

well you know generally just offset the

49

00:01:50,690 --> 00:01:48,720

costs which is kind of one of the things

50

00:01:51,770 --> 00:01:50,700

but one of the things that makes it

51  
00:01:53,690 --> 00:01:51,780  
possible to be able to do the show

52  
00:01:55,850 --> 00:01:53,700  
especially when your wife is like you're

53  
00:01:58,389 --> 00:01:55,860  
running the podcast again yes how much

54  
00:02:00,889 --> 00:01:58,399  
this is going to cost us

55  
00:02:01,789 --> 00:02:00,899  
you know we'll we'll take it as it comes

56  
00:02:03,350 --> 00:02:01,799  
Honey

57  
00:02:05,450 --> 00:02:03,360  
um but again it's not about making money

58  
00:02:09,589 --> 00:02:05,460  
it's about just making sure we can you

59  
00:02:12,350 --> 00:02:09,599  
know keep on the up and up uh so

60  
00:02:14,630 --> 00:02:12,360  
now that I do have that out of the way I

61  
00:02:16,729 --> 00:02:14,640  
did want to be able to welcome uh

62  
00:02:19,369 --> 00:02:16,739  
William but again you've you've seen the

63  
00:02:22,790 --> 00:02:19,379

the ads you've seen the Facebook group

64

00:02:24,530 --> 00:02:22,800

uh but you have not seen the man William

65

00:02:27,050 --> 00:02:24,540

Pullen on the show for quite some time

66

00:02:29,510 --> 00:02:27,060

uh William is a pastor at UFO Enthusiast

67

00:02:31,309 --> 00:02:29,520

historian independent researcher who's

68

00:02:33,770 --> 00:02:31,319

dedicated his life to understanding the

69

00:02:36,410 --> 00:02:33,780

complex and enigmatic world of

70

00:02:38,030 --> 00:02:36,420

unidentified flying objects with a keen

71

00:02:41,089 --> 00:02:38,040

eye for detail and a strong commitment

72

00:02:42,770 --> 00:02:41,099

to evidence-based research William has

73

00:02:44,690 --> 00:02:42,780

developed a reputation as a trusted

74

00:02:47,150 --> 00:02:44,700

voice in the UFO Community through his

75

00:02:48,470 --> 00:02:47,160

personal blog you will feel real a

76  
00:02:50,930 --> 00:02:48,480  
historical review

77  
00:02:53,089 --> 00:02:50,940  
Poland provides a unique and insightful

78  
00:02:56,150 --> 00:02:53,099  
insightful perspective on the history of

79  
00:02:58,430 --> 00:02:56,160  
UFO sightings encounters and research by

80  
00:03:00,170 --> 00:02:58,440  
analyzing past incidents and Trends he

81  
00:03:02,449 --> 00:03:00,180  
helps his audience to better understand

82  
00:03:04,490 --> 00:03:02,459  
the current state of phenomenon or the

83  
00:03:06,470 --> 00:03:04,500  
phenomenon and his implica into the

84  
00:03:08,690 --> 00:03:06,480  
implications for the future William's

85  
00:03:10,670 --> 00:03:08,700  
Blog has attracted a loyal following I

86  
00:03:14,390 --> 00:03:10,680  
think you're up to like 7.7 000 right

87  
00:03:18,350 --> 00:03:16,309  
and readers value his thoughtful and

88  
00:03:20,869 --> 00:03:18,360

well researched commentary on subjects

89

00:03:24,110 --> 00:03:20,879

that often provoke strong emotions and

90

00:03:26,410 --> 00:03:24,120

Divergent opinions and

91

00:03:28,910 --> 00:03:26,420

you know for the

92

00:03:30,110 --> 00:03:28,920

now Williams interesting UFOs began at a

93

00:03:31,309 --> 00:03:30,120

young age and we could probably go

94

00:03:34,009 --> 00:03:31,319

through that

95

00:03:35,449 --> 00:03:34,019

now he has also been a staunch advocate

96

00:03:37,190 --> 00:03:35,459

for open and honest discussion about

97

00:03:39,350 --> 00:03:37,200

UFOs encouraging a respectful and

98

00:03:41,089 --> 00:03:39,360

rational discourse with the within the

99

00:03:43,130 --> 00:03:41,099

community it leaves that the key to

100

00:03:45,170 --> 00:03:43,140

understanding UFO phenomena lies in

101  
00:03:47,210 --> 00:03:45,180  
maintaining a critical and inquisitive

102  
00:03:49,789 --> 00:03:47,220  
mindset and he is not afraid to question

103  
00:03:51,949 --> 00:03:49,799  
wildly widely held beliefs and

104  
00:03:53,869 --> 00:03:51,959  
assumptions through his blog he seeks to

105  
00:03:56,149 --> 00:03:53,879  
create a space for engaging conversation

106  
00:03:58,009 --> 00:03:56,159  
for individuals can explore their ideas

107  
00:04:01,070 --> 00:03:58,019  
and opinions while learning from each

108  
00:04:03,050 --> 00:04:01,080  
other's perspectives William once again

109  
00:04:05,149 --> 00:04:03,060  
welcome to

110  
00:04:08,750 --> 00:04:05,159  
the den of Laura so you've you've pulled

111  
00:04:12,850 --> 00:04:08,760  
up your chair you've got your your

112  
00:04:18,110 --> 00:04:15,589  
again it's an honor to be here always a

113  
00:04:19,969 --> 00:04:18,120

pleasure my goodness you're you're one

114

00:04:21,949 --> 00:04:19,979

of the world's most renowned UFO

115

00:04:23,629 --> 00:04:21,959

historians and you're honored to be on

116

00:04:27,110 --> 00:04:23,639

my show writing for my basement

117

00:04:29,570 --> 00:04:27,120

currently I'm I'm pretty much though the

118

00:04:31,670 --> 00:04:29,580

Honor's mind the honor is all mine we

119

00:04:35,030 --> 00:04:31,680

share a pension for

120

00:04:37,249 --> 00:04:35,040

maintaining a level of critical thinking

121

00:04:40,070 --> 00:04:37,259

um and just uh

122

00:04:41,990 --> 00:04:40,080

ah you know the older I get the more I

123

00:04:43,550 --> 00:04:42,000

realize that we can

124

00:04:46,670 --> 00:04:43,560

we can

125

00:04:49,550 --> 00:04:46,680

um entertain some far out possibilities

126

00:04:52,070 --> 00:04:49,560

without losing our ability to think we

127

00:04:54,590 --> 00:04:52,080

can still use our brains so you and I

128

00:04:57,650 --> 00:04:54,600

have always uh shared that in common uh

129

00:04:59,749 --> 00:04:57,660

a common search for the answers and you

130

00:05:01,610 --> 00:04:59,759

know using what that gray matter in our

131

00:05:03,670 --> 00:05:01,620

head that we evolved so you know it's

132

00:05:06,469 --> 00:05:03,680

all good I've always found that you're

133

00:05:11,150 --> 00:05:06,479

gonna say patience has been a lot

134

00:05:12,110 --> 00:05:11,160

further along than mine over the last uh

135

00:05:13,790 --> 00:05:12,120

uh

136

00:05:18,170 --> 00:05:13,800

several years

137

00:05:20,150 --> 00:05:18,180

and your ability to remain eloquent and

138

00:05:24,050 --> 00:05:20,160

level-headed when

139

00:05:25,550 --> 00:05:24,060

I just can't astounds me on a constant

140

00:05:28,490 --> 00:05:25,560

basis

141

00:05:30,770 --> 00:05:28,500

um so you know I normally the last four

142

00:05:33,770 --> 00:05:30,780

episodes I actually planned out I didn't

143

00:05:36,170 --> 00:05:33,780

actually I realized that I didn't save

144

00:05:38,330 --> 00:05:36,180

the file so we're just going to do this

145

00:05:40,550 --> 00:05:38,340

old school in wing it today so I'm quite

146

00:05:44,570 --> 00:05:40,560

excited for this

147

00:05:45,950 --> 00:05:44,580

now for those who don't know like how

148

00:05:49,189 --> 00:05:45,960

how

149

00:05:50,870 --> 00:05:49,199

like everyone's got an origin story uh

150

00:05:52,370 --> 00:05:50,880

whether you're a super villain or a

151  
00:05:53,990 --> 00:05:52,380  
superhero

152  
00:05:56,749 --> 00:05:54,000  
um what what is your origin story how

153  
00:05:57,830 --> 00:05:56,759  
did you get into like not just like UFOs

154  
00:06:00,950 --> 00:05:57,840  
but like

155  
00:06:03,529 --> 00:06:00,960  
the community as a whole yeah

156  
00:06:06,409 --> 00:06:03,539  
um and Mike I grew up with Star Trek

157  
00:06:09,830 --> 00:06:06,419  
the original series it was in reruns in

158  
00:06:11,629 --> 00:06:09,840  
the 70s I saw the original Star Wars I

159  
00:06:14,390 --> 00:06:11,639  
liked science fiction but

160  
00:06:16,370 --> 00:06:14,400  
uh I always had this idea that there has

161  
00:06:19,129 --> 00:06:16,380  
to be something real about it

162  
00:06:21,050 --> 00:06:19,139  
the idea that yeah we're seeing a movie

163  
00:06:23,930 --> 00:06:21,060

on the screen or what have you but

164

00:06:25,550 --> 00:06:23,940

uh in reality are there other people's

165

00:06:29,629 --> 00:06:25,560

out there in Universe I was always

166

00:06:30,409 --> 00:06:29,639

fascinated by that that uh idea

167

00:06:33,409 --> 00:06:30,419

um

168

00:06:34,550 --> 00:06:33,419

and by the 80s I was I was obviously in

169

00:06:37,510 --> 00:06:34,560

high school in college and I actually

170

00:06:40,010 --> 00:06:37,520

joined afro the aerial phenomenon

171

00:06:43,610 --> 00:06:40,020

resource organization

172

00:06:46,490 --> 00:06:43,620

um it went it went uh it went to put in

173

00:06:48,050 --> 00:06:46,500

87-88 when the Lorenzen passed away

174

00:06:50,749 --> 00:06:48,060

but I was a member for the last three or

175

00:06:52,610 --> 00:06:50,759

four years of the organization and um

176

00:06:55,189 --> 00:06:52,620

I wasn't investigating you opposed I was

177

00:06:58,430 --> 00:06:55,199

just reading content I was reading their

178

00:07:00,290 --> 00:06:58,440

their journals and getting to know

179

00:07:02,210 --> 00:07:00,300

what's been seen and what's been claimed

180

00:07:04,370 --> 00:07:02,220

and what have you and then I really

181

00:07:07,070 --> 00:07:04,380

didn't start researching the topic until

182

00:07:10,490 --> 00:07:07,080

April told him and

183

00:07:11,510 --> 00:07:10,500

um late 80s early 90s and then it went

184

00:07:12,529 --> 00:07:11,520

from there

185

00:07:14,210 --> 00:07:12,539

um

186

00:07:15,350 --> 00:07:14,220

I don't know if I've ever been like

187

00:07:17,330 --> 00:07:15,360

really a member of the community

188

00:07:20,270 --> 00:07:17,340

whatever that means

189

00:07:22,129 --> 00:07:20,280

um the local community is a term that as

190

00:07:23,930 --> 00:07:22,139

Thomas going on has kind of really

191

00:07:26,390 --> 00:07:23,940

doesn't have mean much to me really at

192

00:07:28,670 --> 00:07:26,400

this point but um

193

00:07:29,990 --> 00:07:28,680

um I I have friends in the community I'm

194

00:07:31,969 --> 00:07:30,000

going to college that people I've

195

00:07:35,330 --> 00:07:31,979

interacted with and people just know

196

00:07:37,129 --> 00:07:35,340

even my blog and uh they all know my my

197

00:07:39,650 --> 00:07:37,139

fascination with the unknown extends

198

00:07:41,150 --> 00:07:39,660

past you opposed but are you opposed to

199

00:07:44,510 --> 00:07:41,160

being they've taken the Lion's Share of

200

00:07:46,430 --> 00:07:44,520

my thought process for decades so um

201  
00:07:47,450 --> 00:07:46,440  
but I consistently get pushed back in

202  
00:07:48,350 --> 00:07:47,460  
the community because I've never seen

203  
00:07:49,730 --> 00:07:48,360  
one

204  
00:07:51,969 --> 00:07:49,740  
I've never experienced anything a

205  
00:07:55,490 --> 00:07:51,979  
novelist

206  
00:07:57,110 --> 00:07:55,500  
not even a starling satellite yeah you

207  
00:08:01,730 --> 00:07:57,120  
talk about the data for me I have no

208  
00:08:03,950 --> 00:08:01,740  
personal experience to refer to it's all

209  
00:08:05,570 --> 00:08:03,960  
uh exploring what other people have seen

210  
00:08:08,150 --> 00:08:05,580  
but I've never I've never seen anything

211  
00:08:09,529 --> 00:08:08,160  
I couldn't identify so it all started

212  
00:08:11,290 --> 00:08:09,539  
with that really well that's kind of the

213  
00:08:13,850 --> 00:08:11,300

whole thing it's like UFOs it's it's

214

00:08:17,150 --> 00:08:13,860

unidentified flying objects like what is

215

00:08:19,790 --> 00:08:17,160

that if you know what running lights are

216

00:08:22,070 --> 00:08:19,800

on an airplane or a helicopter or what a

217

00:08:25,070 --> 00:08:22,080

satellite looks like you can identify it

218

00:08:26,210 --> 00:08:25,080

so technically that would I'm just going

219

00:08:27,230 --> 00:08:26,220

to try and see if I can get my glasses

220

00:08:29,330 --> 00:08:27,240

here

221

00:08:31,010 --> 00:08:29,340

um you know like technically that would

222

00:08:32,930 --> 00:08:31,020

make like if you're gonna identify it

223

00:08:34,430 --> 00:08:32,940

it's no longer UFO

224

00:08:37,490 --> 00:08:34,440

um but even even though you you've never

225

00:08:38,570 --> 00:08:37,500

gotten pushback like it has or I should

226

00:08:41,930 --> 00:08:38,580

say like even though you've gotten

227

00:08:44,690 --> 00:08:41,940

pushback like has this really hit you

228

00:08:46,610 --> 00:08:44,700

uh like

229

00:08:48,530 --> 00:08:46,620

like as this like it has the criticism

230

00:08:50,630 --> 00:08:48,540

ever gotten to like have you ever had to

231

00:08:52,250 --> 00:08:50,640

just kind of like take a step back and

232

00:08:54,050 --> 00:08:52,260

and think like

233

00:08:55,970 --> 00:08:54,060

you know what why do you do it what

234

00:08:58,130 --> 00:08:55,980

what's what's kind of the point or or do

235

00:09:00,110 --> 00:08:58,140

you just Shake It Off

236

00:09:01,730 --> 00:09:00,120

I just take it all I mean everyone has

237

00:09:04,190 --> 00:09:01,740

their own opinion whether I agree with

238

00:09:05,990 --> 00:09:04,200

it or not you know if somebody's

239

00:09:07,970 --> 00:09:06,000

straightforward with me and they're not

240

00:09:09,650 --> 00:09:07,980

attacking me I'm cool with their opinion

241

00:09:11,449 --> 00:09:09,660

you know I'll accept that they have

242

00:09:13,070 --> 00:09:11,459

their own point of view and their own

243

00:09:13,970 --> 00:09:13,080

experiences or like their own I'm okay

244

00:09:15,050 --> 00:09:13,980

with that

245

00:09:17,990 --> 00:09:15,060

um

246

00:09:20,269 --> 00:09:18,000

I just want to know for no reason other

247

00:09:22,190 --> 00:09:20,279

than that I just want to know are we

248

00:09:23,930 --> 00:09:22,200

alone have they visited here

249

00:09:25,670 --> 00:09:23,940

I'm a firm believer that we're not alone

250

00:09:28,550 --> 00:09:25,680

the chances of us being alone in the

251  
00:09:30,829 --> 00:09:28,560  
universe is virtually nil with all the

252  
00:09:32,870 --> 00:09:30,839  
billions and billions of planets out

253  
00:09:34,009 --> 00:09:32,880  
there uh the vast majority of which we

254  
00:09:36,230 --> 00:09:34,019  
haven't discovered

255  
00:09:38,269 --> 00:09:36,240  
the question is if they come here that's

256  
00:09:40,490 --> 00:09:38,279  
the question we all have

257  
00:09:42,949 --> 00:09:40,500  
um I'm comfortable with entertaining the

258  
00:09:45,769 --> 00:09:42,959  
idea we have been visited I have no

259  
00:09:47,269 --> 00:09:45,779  
proof of that and

260  
00:09:49,730 --> 00:09:47,279  
um but the pushback thing actually it's

261  
00:09:51,350 --> 00:09:49,740  
not a big deal every Swap and every few

262  
00:09:53,870 --> 00:09:51,360  
years I'll get a comment on my blog

263  
00:09:55,670 --> 00:09:53,880

spending something like well you've

264

00:09:57,230 --> 00:09:55,680

never seen a UFO so your point of view

265

00:10:01,550 --> 00:09:57,240

isn't really valid

266

00:10:03,350 --> 00:10:01,560

no I always I always respond with so the

267

00:10:05,750 --> 00:10:03,360

points of view of Kevin Randall and and

268

00:10:07,610 --> 00:10:05,760

Stan Friedman and Don Schmidt and Alan

269

00:10:09,410 --> 00:10:07,620

heinek don't count either because

270

00:10:11,329 --> 00:10:09,420

they've never received UFO either well I

271

00:10:13,009 --> 00:10:11,339

I would say that for for most people it

272

00:10:14,230 --> 00:10:13,019

goes to

273

00:10:17,269 --> 00:10:14,240

um

274

00:10:20,449 --> 00:10:17,279

like it goes to the

275

00:10:22,009 --> 00:10:20,459

um trusted Authority uh logical fallacy

276

00:10:24,290 --> 00:10:22,019

where you know those individuals are

277

00:10:26,509 --> 00:10:24,300

like oh well you know heineck was uh you

278

00:10:29,150 --> 00:10:26,519

know was a scientist and and uh you know

279

00:10:31,250 --> 00:10:29,160

Friedman was a rocket scientist uh

280

00:10:32,990 --> 00:10:31,260

whereas you're you're not to my

281

00:10:35,030 --> 00:10:33,000

knowledge well like what what when

282

00:10:37,070 --> 00:10:35,040

you're not blogging on UFOs

283

00:10:37,970 --> 00:10:37,080

you know what what's your day your day

284

00:10:41,050 --> 00:10:37,980

to day

285

00:10:43,850 --> 00:10:41,060

I'm a semi retired tennis coach

286

00:10:46,670 --> 00:10:43,860

semi-retired you're still a young guy

287

00:10:48,110 --> 00:10:46,680

what do you mean semi-retired I I put in

288

00:10:49,610 --> 00:10:48,120

20 years at the Alba Heights School

289

00:10:50,750 --> 00:10:49,620

District I put in two years that in

290

00:10:53,269 --> 00:10:50,760

cornerwood high school you're in San

291

00:10:55,009 --> 00:10:53,279

Antonio so I retired from Elmo Heights

292

00:10:56,810 --> 00:10:55,019

I'm still working as a coach

293

00:10:58,910 --> 00:10:56,820

independently

294

00:10:59,690 --> 00:10:58,920

um so that that that's how I make a

295

00:11:02,269 --> 00:10:59,700

living

296

00:11:04,550 --> 00:11:02,279

but when I'm on the court

297

00:11:05,930 --> 00:11:04,560

me and my life is very my life is cut

298

00:11:07,730 --> 00:11:05,940

into three parts

299

00:11:10,670 --> 00:11:07,740

my wife Venus

300

00:11:11,990 --> 00:11:10,680

my Congratulations by the way I I didn't

301

00:11:14,389 --> 00:11:12,000

get a chance to say that in person to

302

00:11:15,769 --> 00:11:14,399

you oh yeah yeah she'll be she'll be

303

00:11:18,170 --> 00:11:15,779

walking from work at some point tonight

304

00:11:20,210 --> 00:11:18,180

but yeah my life has three aspects you

305

00:11:21,889 --> 00:11:20,220

know a fourth aspect when the end of All

306

00:11:23,389 --> 00:11:21,899

Seasons underway but beyond that it's

307

00:11:26,509 --> 00:11:23,399

just those three things and even when

308

00:11:29,269 --> 00:11:26,519

I'm on the court I'm looking up to say

309

00:11:30,290 --> 00:11:29,279

okay I'm Outdoors you know but I come

310

00:11:31,069 --> 00:11:30,300

across something

311

00:11:34,250 --> 00:11:31,079

um

312

00:11:37,370 --> 00:11:34,260

but I mean this is a question no one has

313

00:11:39,110 --> 00:11:37,380

any answers to and of course we once

314

00:11:42,050 --> 00:11:39,120

we want educated people from different

315

00:11:43,490 --> 00:11:42,060

fields to examine this issue like any

316

00:11:45,650 --> 00:11:43,500

other issue that's unknown that that

317

00:11:48,430 --> 00:11:45,660

counts for a lot you know

318

00:11:51,170 --> 00:11:48,440

um but any person who has a measured

319

00:11:53,389 --> 00:11:51,180

logical critical thinking kind of

320

00:11:54,650 --> 00:11:53,399

approach to this topic regardless of

321

00:11:56,690 --> 00:11:54,660

their background

322

00:11:58,910 --> 00:11:56,700

could have some input

323

00:12:01,910 --> 00:11:58,920

um and uh and most people would say that

324

00:12:04,310 --> 00:12:01,920

that's kind of the truth uh like if if

325

00:12:07,310 --> 00:12:04,320

we don't necessarily know what it is or

326

00:12:09,170 --> 00:12:07,320

the technology so far beyond us if it is

327

00:12:11,509 --> 00:12:09,180

uh you know something not from this

328

00:12:14,870 --> 00:12:11,519

planet then you know anybody can can

329

00:12:16,310 --> 00:12:14,880

make a comment on it and be an expert uh

330

00:12:18,730 --> 00:12:16,320

you know some people would throw back

331

00:12:20,750 --> 00:12:18,740

that there's there is a certain

332

00:12:23,569 --> 00:12:20,760

understanding you know with with regards

333

00:12:26,389 --> 00:12:23,579

to physics or aerodynamics or you know

334

00:12:29,990 --> 00:12:26,399

what have you that would provide more

335

00:12:31,310 --> 00:12:30,000

insight into what these things are or at

336

00:12:33,290 --> 00:12:31,320

least be able to identify if something

337

00:12:34,190 --> 00:12:33,300

you know can turn on it at a 90 degree

338

00:12:36,949 --> 00:12:34,200

angle

339

00:12:38,930 --> 00:12:36,959

well you know that could be XYZ or you

340

00:12:42,650 --> 00:12:38,940

know this is uh you know swamp gas

341

00:12:44,030 --> 00:12:42,660

versus you know exhaust fumes but I I

342

00:12:46,190 --> 00:12:44,040

would think that at this point because

343

00:12:48,110 --> 00:12:46,200

we don't know what it is you know some

344

00:12:50,509 --> 00:12:48,120

of that expertise just goes right out

345

00:12:51,590 --> 00:12:50,519

it goes right out the window to to some

346

00:12:55,310 --> 00:12:51,600

extent

347

00:12:57,889 --> 00:12:55,320

absolutely yeah there's

348

00:12:59,990 --> 00:12:57,899

the level of ignorance we have about the

349

00:13:01,850 --> 00:13:00,000

universe around us is astounding

350

00:13:02,810 --> 00:13:01,860

the more we learned about the universe

351  
00:13:04,190 --> 00:13:02,820  
around us

352  
00:13:09,050 --> 00:13:04,200  
the

353  
00:13:11,449 --> 00:13:09,060  
grows but we still have this vast amount

354  
00:13:13,129 --> 00:13:11,459  
of ignorance we have surrounding that

355  
00:13:14,210 --> 00:13:13,139  
so the search for knowledge is never

356  
00:13:15,170 --> 00:13:14,220  
ending

357  
00:13:17,569 --> 00:13:15,180  
um

358  
00:13:20,210 --> 00:13:17,579  
in my experience in the local field the

359  
00:13:23,090 --> 00:13:20,220  
UFO Community is populated by

360  
00:13:25,310 --> 00:13:23,100  
uh Skeptics like myself who are measured

361  
00:13:27,410 --> 00:13:25,320  
and cautious then there are the True

362  
00:13:29,690 --> 00:13:27,420  
Believers the True Believers are in two

363  
00:13:32,629 --> 00:13:29,700

camps one individuals that believe

364

00:13:34,670 --> 00:13:32,639

everything is alien or individuals that

365

00:13:40,069 --> 00:13:34,680

believe nothing is alien

366

00:13:41,690 --> 00:13:40,079

uh and so those those polarized points

367

00:13:45,350 --> 00:13:41,700

of view

368

00:13:47,210 --> 00:13:45,360

um the True Believers tend to

369

00:13:48,949 --> 00:13:47,220

stick to their positions no matter what

370

00:13:50,509 --> 00:13:48,959

no matter what the evidence is no matter

371

00:13:52,690 --> 00:13:50,519

what Dad is brought Force so they they

372

00:13:55,250 --> 00:13:52,700

closed their mind off to learning more

373

00:13:56,990 --> 00:13:55,260

whereas myself I always I always tell

374

00:13:58,970 --> 00:13:57,000

people you know my opinion amounts to

375

00:14:00,889 --> 00:13:58,980

nothing I can't prove anything I'm

376

00:14:02,810 --> 00:14:00,899

always searching for more knowledge and

377

00:14:04,550 --> 00:14:02,820

I think that's a good thing now what's

378

00:14:06,170 --> 00:14:04,560

the difference between a skeptic and

379

00:14:09,470 --> 00:14:06,180

let's say somebody who's considered a

380

00:14:15,230 --> 00:14:12,290

uh to my mind a skeptic is an individual

381

00:14:17,990 --> 00:14:15,240

that that is cautious and withholds

382

00:14:20,030 --> 00:14:18,000

making a declaration of a position until

383

00:14:21,590 --> 00:14:20,040

after they've looked at all the data

384

00:14:23,629 --> 00:14:21,600

they they educate themselves about

385

00:14:25,730 --> 00:14:23,639

whatever topic they're examining and way

386

00:14:26,990 --> 00:14:25,740

to declare what they think until after

387

00:14:28,610 --> 00:14:27,000

they've learned as much as they can

388

00:14:29,870 --> 00:14:28,620

about the topic

389

00:14:33,290 --> 00:14:29,880

um

390

00:14:34,730 --> 00:14:33,300

is Iraq a uh a a critical thinker along

391

00:14:37,310 --> 00:14:34,740

those lines it's kind of the same thing

392

00:14:40,790 --> 00:14:37,320

uh but that skeptic label is thrown

393

00:14:42,769 --> 00:14:40,800

around a lot in the opal field

394

00:14:46,490 --> 00:14:42,779

Skeptics and debunkers are labeled

395

00:14:49,550 --> 00:14:46,500

they're lumped into one big big uh jumbo

396

00:14:52,129 --> 00:14:49,560

pile of poop and they're different a

397

00:14:54,650 --> 00:14:52,139

debunker is an individual that has made

398

00:14:56,210 --> 00:14:54,660

their mind up prior to if they ever look

399

00:14:58,370 --> 00:14:56,220

at the data they made their mind up

400

00:14:59,870 --> 00:14:58,380

there's a weather balloon or birds or

401  
00:15:01,970 --> 00:14:59,880  
alien spacecraft whatever the case may

402  
00:15:05,470 --> 00:15:01,980  
be they made their mind up prior to any

403  
00:15:08,269 --> 00:15:05,480  
examination of the information a skeptic

404  
00:15:10,250 --> 00:15:08,279  
withholds their their declaration so

405  
00:15:12,350 --> 00:15:10,260  
after they've educated themselves so

406  
00:15:13,970 --> 00:15:12,360  
they're two different things

407  
00:15:15,769 --> 00:15:13,980  
but in the UFO appeal if you don't

408  
00:15:18,110 --> 00:15:15,779  
believe it's alien you labeled a

409  
00:15:19,850 --> 00:15:18,120  
debunker that's kind of the funny thing

410  
00:15:22,030 --> 00:15:19,860  
like the the debunker label gets thrown

411  
00:15:24,710 --> 00:15:22,040  
around like you know

412  
00:15:26,150 --> 00:15:24,720  
if you want to be able to vilify

413  
00:15:27,410 --> 00:15:26,160

somebody you know it's like oh this

414

00:15:28,730 --> 00:15:27,420

person's a debunker I've been called it

415

00:15:29,810 --> 00:15:28,740

a bunker

416

00:15:31,610 --> 00:15:29,820

um by

417

00:15:32,370 --> 00:15:31,620

trying to remember his name

418

00:15:34,730 --> 00:15:32,380

it's been so long

419

00:15:36,769 --> 00:15:34,740

[Laughter]

420

00:15:39,889 --> 00:15:36,779

oh my goodness oh my goodness it's been

421

00:15:42,410 --> 00:15:39,899

that long of a day uh radio show guy

422

00:15:43,910 --> 00:15:42,420

lives in Vegas

423

00:15:45,470 --> 00:15:43,920

oh uh

424

00:15:47,150 --> 00:15:45,480

um George Knapp yeah I know he never

425

00:15:48,949 --> 00:15:47,160

called me by name but he's like you know

426

00:15:52,610 --> 00:15:48,959

when there was the whole to the Stars

427

00:15:54,889 --> 00:15:52,620

Academy thing and and that you know the

428

00:15:57,769 --> 00:15:54,899

apparent alleged scam I'm not gonna call

429

00:15:59,509 --> 00:15:57,779

it because I know my legal you know the

430

00:16:01,310 --> 00:15:59,519

boundaries I gotta go and it's like man

431

00:16:03,829 --> 00:16:01,320

that you know that those debunkers

432

00:16:05,689 --> 00:16:03,839

they're they're just trying to keep you

433

00:16:07,670 --> 00:16:05,699

from the truth and I'm like

434

00:16:09,769 --> 00:16:07,680

no I'm not a debunker I just think

435

00:16:11,389 --> 00:16:09,779

you're full of [h\_\_h] you know or at least

436

00:16:14,449 --> 00:16:11,399

you in particular on this particular

437

00:16:18,170 --> 00:16:14,459

subject yeah um but

438

00:16:21,050 --> 00:16:18,180

you know the if if you're trying to uh

439

00:16:22,790 --> 00:16:21,060

assuage your followers or that you know

440

00:16:25,550 --> 00:16:22,800

your marks

441

00:16:27,470 --> 00:16:25,560

um and trying to make sure that they

442

00:16:29,870 --> 00:16:27,480

they think that the other side is

443

00:16:31,189 --> 00:16:29,880

completely wrong yeah you're gonna go

444

00:16:34,310 --> 00:16:31,199

right for the right for the nuclear

445

00:16:36,590 --> 00:16:34,320

option sure like have you been called it

446

00:16:37,790 --> 00:16:36,600

a bunker have you been you know more

447

00:16:39,650 --> 00:16:37,800

guys I can kill

448

00:16:41,749 --> 00:16:39,660

uh they call it the other choice Words

449

00:16:44,930 --> 00:16:41,759

which one will be here because there's

450

00:16:46,970 --> 00:16:44,940

ladies listening I'm sure but uh it

451  
00:16:48,410 --> 00:16:46,980  
happens I mean it's interesting uh I

452  
00:16:50,749 --> 00:16:48,420  
recall the late Sam agreement always

453  
00:16:52,610 --> 00:16:50,759  
used to say that individuals that are

454  
00:16:54,949 --> 00:16:52,620  
ready to attack you will attack you as

455  
00:16:57,530 --> 00:16:54,959  
opposed to attacking the data

456  
00:16:59,389 --> 00:16:57,540  
they've already had their minds made up

457  
00:17:00,769 --> 00:16:59,399  
um and he was right you know if

458  
00:17:04,130 --> 00:17:00,779  
someone's uncomfortable with my position

459  
00:17:06,590 --> 00:17:04,140  
about a case or what have you uh I mean

460  
00:17:08,750 --> 00:17:06,600  
don't call me a name just bring forth

461  
00:17:10,130 --> 00:17:08,760  
some information that will possibly

462  
00:17:11,929 --> 00:17:10,140  
convince me to change my mind I'm cool

463  
00:17:13,970 --> 00:17:11,939

with that it's all about learning you

464

00:17:16,870 --> 00:17:13,980

know that that's kind of true and I I

465

00:17:19,669 --> 00:17:16,880

find that you know on the flip side too

466

00:17:21,590 --> 00:17:19,679

the archeology too you know like the

467

00:17:23,689 --> 00:17:21,600

ancient history archaeologists to Graham

468

00:17:26,150 --> 00:17:23,699

Hancock and you know the back and forth

469

00:17:29,690 --> 00:17:26,160

between just individuals and that in

470

00:17:31,730 --> 00:17:29,700

that realm you know he'll go on

471

00:17:35,210 --> 00:17:31,740

grandma go on wild tirades about how

472

00:17:37,549 --> 00:17:35,220

he's treated and and uh you know he'll

473

00:17:39,409 --> 00:17:37,559

call them all sorts of very eloquent you

474

00:17:41,990 --> 00:17:39,419

know names to people to to position them

475

00:17:44,150 --> 00:17:42,000

and they'll say like oh you know like we

476

00:17:45,770 --> 00:17:44,160

don't do that we don't call him names

477

00:17:47,710 --> 00:17:45,780

and then they just turn around and start

478

00:17:50,510 --> 00:17:47,720

calling him names and I'm like

479

00:17:54,049 --> 00:17:50,520

you're you're both doing you're both

480

00:17:55,730 --> 00:17:54,059

doing it man like yeah it's it's you

481

00:17:57,289 --> 00:17:55,740

know at the same time it's like they're

482

00:17:59,570 --> 00:17:57,299

they're getting grant money and he's

483

00:18:01,010 --> 00:17:59,580

made he's selling more books so it's

484

00:18:02,990 --> 00:18:01,020

it's it's part of the part of the

485

00:18:04,730 --> 00:18:03,000

entertainment sphere

486

00:18:08,390 --> 00:18:04,740

um yeah that's kind of the next thing

487

00:18:10,250 --> 00:18:08,400

that is has always been a big thing for

488

00:18:13,430 --> 00:18:10,260

me UFO

489

00:18:18,350 --> 00:18:13,440

ufology UFO research the the UFO

490

00:18:19,850 --> 00:18:18,360

Community is a massive and again I'm

491

00:18:21,470 --> 00:18:19,860

saying this for any of the new potential

492

00:18:23,150 --> 00:18:21,480

viewers anybody else who's subscribed

493

00:18:24,830 --> 00:18:23,160

and you know listens to the show and I'm

494

00:18:26,750 --> 00:18:24,840

seeing Lee I'm seeing you know anybody

495

00:18:29,029 --> 00:18:26,760

who watches the show on a constant basis

496

00:18:31,430 --> 00:18:29,039

you you know

497

00:18:32,930 --> 00:18:31,440

you know what I'm about to say uh it

498

00:18:35,270 --> 00:18:32,940

seems to be very big entertainment

499

00:18:37,190 --> 00:18:35,280

industry

500

00:18:39,529 --> 00:18:37,200

um which is responsible for generating

501  
00:18:41,690 --> 00:18:39,539  
billions and billions of dollars uh you

502  
00:18:46,130 --> 00:18:41,700  
know from ad revenue from merchandise

503  
00:18:48,169 --> 00:18:46,140  
sales from uh uh tickets to you know

504  
00:18:48,950 --> 00:18:48,179  
conferences

505  
00:18:51,890 --> 00:18:48,960  
um

506  
00:18:55,490 --> 00:18:51,900  
you know in various deserts

507  
00:18:57,409 --> 00:18:55,500  
that people claim to be contacted at

508  
00:18:58,970 --> 00:18:57,419  
um where they're getting

509  
00:19:00,590 --> 00:18:58,980  
you know these experts these speakers

510  
00:19:03,470 --> 00:19:00,600  
who are then paid to be there they're

511  
00:19:05,930 --> 00:19:03,480  
you know given VIP access you know hotel

512  
00:19:07,789 --> 00:19:05,940  
rooms flights the whole nine yards and

513  
00:19:09,230 --> 00:19:07,799

they meet up and they get television

514

00:19:14,330 --> 00:19:09,240

deals they get paid for their television

515

00:19:15,650 --> 00:19:14,340

appearances so it seems like uh it's

516

00:19:17,810 --> 00:19:15,660

always reminded me a lot kind of like

517

00:19:19,909 --> 00:19:17,820

pro wrestling where they know it's

518

00:19:22,130 --> 00:19:19,919

entertainment they know that what

519

00:19:24,890 --> 00:19:22,140

they're saying but has no real basis

520

00:19:26,090 --> 00:19:24,900

even if there is a real phenomena but

521

00:19:27,830 --> 00:19:26,100

they're just trying to be able to feed

522

00:19:29,630 --> 00:19:27,840

the masses with content because this is

523

00:19:30,590 --> 00:19:29,640

what they want to hear and as long as

524

00:19:33,230 --> 00:19:30,600

they keep getting the money they're just

525

00:19:35,750 --> 00:19:33,240

going to keep doing it

526

00:19:37,370 --> 00:19:35,760

that's exactly that you you nailed you

527

00:19:39,650 --> 00:19:37,380

uh hit the nail in the head and that's

528

00:19:44,930 --> 00:19:39,660

exactly what's happening uh sorry sorry

529

00:19:49,490 --> 00:19:47,930

um yeah from a number standpoint I love

530

00:19:52,490 --> 00:19:49,500

numbers and data

531

00:19:54,350 --> 00:19:52,500

um if if let's say

532

00:19:56,990 --> 00:19:54,360

from one to a hundred how many people

533

00:19:59,090 --> 00:19:57,000

how many researchers quote unquote are

534

00:20:00,890 --> 00:19:59,100

actually working on the Oppo issue and

535

00:20:03,169 --> 00:20:00,900

how many versus how many are just

536

00:20:05,390 --> 00:20:03,179

basically celebrities

537

00:20:07,250 --> 00:20:05,400

uh appearing on the circuit I would

538

00:20:08,990 --> 00:20:07,260

think people are working on the actual

539

00:20:10,450 --> 00:20:09,000

vehicle problem are probably less than

540

00:20:13,549 --> 00:20:10,460

five percent

541

00:20:15,110 --> 00:20:13,559

by working on the UFO problem can you

542

00:20:18,230 --> 00:20:15,120

define what you would say would be

543

00:20:20,390 --> 00:20:18,240

working on the UFO problem they are

544

00:20:22,310 --> 00:20:20,400

conducting field investigations they are

545

00:20:24,110 --> 00:20:22,320

examining videos they are vetting

546

00:20:26,450 --> 00:20:24,120

documentation they are searching for

547

00:20:28,810 --> 00:20:26,460

through foil requests looking for

548

00:20:31,730 --> 00:20:28,820

documentation according to UFOs they are

549

00:20:34,490 --> 00:20:31,740

examining alleged physical evidence they

550

00:20:35,990 --> 00:20:34,500

are uh looking at videos and photographs

551  
00:20:37,669 --> 00:20:36,000  
to determine what's hoaxed what isn't

552  
00:20:40,310 --> 00:20:37,679  
they're actually working on the content

553  
00:20:41,810 --> 00:20:40,320  
people are bringing forth to them which

554  
00:20:44,210 --> 00:20:41,820  
may or may not be valid but it's the

555  
00:20:46,250 --> 00:20:44,220  
exercise that counts

556  
00:20:50,029 --> 00:20:46,260  
um the rest are appearing accomplishes

557  
00:20:51,890 --> 00:20:50,039  
better notice festivals they're doing a

558  
00:20:53,990 --> 00:20:51,900  
whole Litany of

559  
00:20:58,010 --> 00:20:54,000  
other operations like selling tickets

560  
00:20:59,630 --> 00:20:58,020  
selling books doing shows this is not a

561  
00:21:02,510 --> 00:20:59,640  
show Chris this is a program there's a

562  
00:21:04,810 --> 00:21:02,520  
difference there a program asks well

563  
00:21:07,789 --> 00:21:04,820

this is a YouTube stream for my basement

564

00:21:09,650 --> 00:21:07,799

completely different uh program is

565

00:21:12,529 --> 00:21:09,660

hosted by an individual that will

566

00:21:14,510 --> 00:21:12,539

challenge the guests with logical

567

00:21:16,610 --> 00:21:14,520

measured questions to make them defend

568

00:21:19,190 --> 00:21:16,620

their positions a show

569

00:21:21,350 --> 00:21:19,200

is hosted by somebody who just goes

570

00:21:23,750 --> 00:21:21,360

along with whatever rhetoric the guest

571

00:21:26,390 --> 00:21:23,760

is putting forth so that makes sense

572

00:21:27,350 --> 00:21:26,400

that makes sense here and it's not it's

573

00:21:30,909 --> 00:21:27,360

not

574

00:21:32,750 --> 00:21:30,919

it does the entire field uh just service

575

00:21:33,649 --> 00:21:32,760

what would who would you say would be

576  
00:21:36,169 --> 00:21:33,659  
the biggest

577  
00:21:37,970 --> 00:21:36,179  
at least alleged perpetrator again we

578  
00:21:40,970 --> 00:21:37,980  
have to be careful with with our

579  
00:21:43,010 --> 00:21:40,980  
language uh I I should like who who's

580  
00:21:45,409 --> 00:21:43,020  
the biggest like who in your mind is the

581  
00:21:47,210 --> 00:21:45,419  
person who's in that camp

582  
00:21:50,450 --> 00:21:47,220  
um that allegedly would be doing this

583  
00:21:52,310 --> 00:21:50,460  
kind of hokey non-sciency more Showbiz

584  
00:21:54,820 --> 00:21:52,320  
type stuff if claiming to be a scientist

585  
00:21:56,149 --> 00:21:54,830  
at this time

586  
00:21:58,310 --> 00:21:56,159  
[Music]

587  
00:22:01,130 --> 00:21:58,320  
you got

588  
00:22:02,570 --> 00:22:01,140

the the issue with the European is that

589

00:22:04,190 --> 00:22:02,580

you have people that were researching

590

00:22:07,190 --> 00:22:04,200

things and they've morphed into

591

00:22:09,770 --> 00:22:07,200

celebrities

592

00:22:11,990 --> 00:22:09,780

um and they're going from actually doing

593

00:22:14,390 --> 00:22:12,000

research with Witnesses and that has

594

00:22:15,770 --> 00:22:14,400

changed to

595

00:22:17,510 --> 00:22:15,780

um simply

596

00:22:18,409 --> 00:22:17,520

make it appearances on conferences and

597

00:22:20,110 --> 00:22:18,419

whatnot

598

00:22:22,669 --> 00:22:20,120

um

599

00:22:24,409 --> 00:22:22,679

I think of people like appear to appear

600

00:22:26,210 --> 00:22:24,419

at every Festival uh Travis Walton

601  
00:22:28,490 --> 00:22:26,220  
appears at every Festival

602  
00:22:30,710 --> 00:22:28,500  
and my own my own position on his case

603  
00:22:32,390 --> 00:22:30,720  
is not the issue the issue is about that

604  
00:22:35,630 --> 00:22:32,400  
he does every conference he's part of

605  
00:22:37,190 --> 00:22:35,640  
the circus uh Brian straight it's part

606  
00:22:38,210 --> 00:22:37,200  
of the circuit Nick Pope is part of the

607  
00:22:43,490 --> 00:22:38,220  
circus

608  
00:22:47,450 --> 00:22:46,250  
um I guess a bigger issue here nowadays

609  
00:22:49,370 --> 00:22:47,460  
is that

610  
00:22:52,130 --> 00:22:49,380  
prior to the internet

611  
00:22:53,750 --> 00:22:52,140  
he had individuals like um

612  
00:22:56,630 --> 00:22:53,760  
Stan Freeman

613  
00:22:59,750 --> 00:22:56,640

Kevin Randall you had drawn a blank

614

00:23:01,610 --> 00:22:59,760

Donald Kehoe Alan heineck they conducted

615

00:23:03,470 --> 00:23:01,620

Decades of research and work in the

616

00:23:04,990 --> 00:23:03,480

field and gave their notoriety as a

617

00:23:07,370 --> 00:23:05,000

result of that

618

00:23:08,630 --> 00:23:07,380

efforts well keep in mind though as it

619

00:23:10,610 --> 00:23:08,640

was Stanton Friedman and this is and

620

00:23:11,870 --> 00:23:10,620

I've been I've interviewed Stanton I was

621

00:23:13,850 --> 00:23:11,880

one of his last interviews before he

622

00:23:16,610 --> 00:23:13,860

passed unfortunately

623

00:23:18,230 --> 00:23:16,620

um and one of the things that he told me

624

00:23:19,669 --> 00:23:18,240

and again he this is this is kind of his

625

00:23:22,850 --> 00:23:19,679

shtick because he would basically say

626

00:23:25,130 --> 00:23:22,860

the the same general story and and he

627

00:23:27,430 --> 00:23:25,140

layered it very very subtextually in

628

00:23:30,350 --> 00:23:27,440

terms of this is kind of how it goes

629

00:23:32,330 --> 00:23:30,360

where he told his story about how he got

630

00:23:34,370 --> 00:23:32,340

into speaking which he was already a

631

00:23:35,870 --> 00:23:34,380

scientist and he just kind of got it's

632

00:23:37,250 --> 00:23:35,880

like hey you're a scientist can you come

633

00:23:39,110 --> 00:23:37,260

talk about this stuff and he's like okay

634

00:23:40,789 --> 00:23:39,120

and then like after the third or fourth

635

00:23:43,730 --> 00:23:40,799

one he's like I'm starting to get paid

636

00:23:45,890 --> 00:23:43,740

for this and it just kind of rolled from

637

00:23:47,570 --> 00:23:45,900

there so but he still did the research

638

00:23:52,010 --> 00:23:47,580

or at least he lent his credibility

639

00:23:53,750 --> 00:23:52,020

towards more of a uh rational mind but I

640

00:23:55,909 --> 00:23:53,760

would say like at least in my opinion

641

00:23:58,310 --> 00:23:55,919

and then he was up there with the you

642

00:24:00,230 --> 00:23:58,320

know with with that Cadre of

643

00:24:01,549 --> 00:24:00,240

entertainers but at least he was one who

644

00:24:03,350 --> 00:24:01,559

had credibility when he was standing up

645

00:24:05,810 --> 00:24:03,360

there to a certain extent

646

00:24:07,370 --> 00:24:05,820

yes he earned his notoriety as a result

647

00:24:08,930 --> 00:24:07,380

of his work

648

00:24:12,649 --> 00:24:08,940

but again with that beard could you

649

00:24:14,570 --> 00:24:12,659

really ever say no to him like

650

00:24:16,490 --> 00:24:14,580

you know

651  
00:24:17,750 --> 00:24:16,500  
I think William's Frozen

652  
00:24:19,310 --> 00:24:17,760  
I gotta take a picture of this one

653  
00:24:20,930 --> 00:24:19,320  
second

654  
00:24:25,310 --> 00:24:20,940  
am I Frozen

655  
00:24:29,029 --> 00:24:26,930  
oh no

656  
00:24:30,830 --> 00:24:29,039  
they see you the power just went out

657  
00:24:32,750 --> 00:24:30,840  
here

658  
00:24:34,490 --> 00:24:32,760  
man man I'm telling you it's the Deep

659  
00:24:37,210 --> 00:24:34,500  
State Illuminati who's trying to silence

660  
00:24:39,830 --> 00:24:37,220  
you wow I guess so

661  
00:24:42,169 --> 00:24:39,840  
my lovely wife is holding the light for

662  
00:24:45,049 --> 00:24:42,179  
me so here she is hello Venus it's been

663  
00:24:48,110 --> 00:24:45,059

a long long time uh congratulations I

664

00:24:50,510 --> 00:24:48,120

know it's it's late uh in saying but you

665

00:24:55,190 --> 00:24:50,520

know good good to good to see the UFO

666

00:24:59,029 --> 00:24:56,930

I appreciate it and he said better half

667

00:25:07,190 --> 00:24:59,039

never let him forget that okay

668

00:25:12,049 --> 00:25:09,950

we'll go from uh we've gone from people

669

00:25:13,909 --> 00:25:12,059

that gain their noradi as a result of

670

00:25:15,529 --> 00:25:13,919

their work their credentials their

671

00:25:18,110 --> 00:25:15,539

educational background and the Decades

672

00:25:20,570 --> 00:25:18,120

of what they did on this issue

673

00:25:23,029 --> 00:25:20,580

and we've come full circle so now people

674

00:25:25,730 --> 00:25:23,039

are getting notoriety for

675

00:25:27,350 --> 00:25:25,740

what and now their notoriety as a result

676  
00:25:29,450 --> 00:25:27,360  
of them doing conferences selling books

677  
00:25:31,010 --> 00:25:29,460  
what not but did they do the work to

678  
00:25:33,049 --> 00:25:31,020  
earn that position

679  
00:25:35,450 --> 00:25:33,059  
I I don't know if they have any

680  
00:25:37,970 --> 00:25:35,460  
peer-reviewed papers have they published

681  
00:25:39,529 --> 00:25:37,980  
books of actual work and not just

682  
00:25:40,850 --> 00:25:39,539  
their opinions

683  
00:25:42,950 --> 00:25:40,860  
um

684  
00:25:44,690 --> 00:25:42,960  
that is an issue nowadays and that

685  
00:25:46,430 --> 00:25:44,700  
that's the end result of social media in

686  
00:25:48,289 --> 00:25:46,440  
the internet they've allowed them that

687  
00:25:50,149 --> 00:25:48,299  
those platforms have allowed them to

688  
00:25:52,010 --> 00:25:50,159

gain a level of notoriety

689

00:25:54,529 --> 00:25:52,020

without having to work

690

00:25:58,250 --> 00:25:54,539

per se and um

691

00:26:00,230 --> 00:25:58,260

that is the UFO field now in a you know

692

00:26:02,029 --> 00:26:00,240

in an International Film it really is

693

00:26:04,130 --> 00:26:02,039

and so it's a

694

00:26:06,529 --> 00:26:04,140

it's a Yoko circuit it's your whole

695

00:26:08,510 --> 00:26:06,539

industry and now you have accomplished

696

00:26:10,730 --> 00:26:08,520

this or festivals

697

00:26:13,250 --> 00:26:10,740

um where people are paid to speak sell

698

00:26:14,870 --> 00:26:13,260

their books take selfies

699

00:26:16,130 --> 00:26:14,880

um with other researchers and other

700

00:26:17,810 --> 00:26:16,140

people and they dress up in their

701

00:26:20,810 --> 00:26:17,820

outfits in their 10 ball have some

702

00:26:23,269 --> 00:26:20,820

addressable hey hey hey our producer

703

00:26:25,789 --> 00:26:23,279

Audrey does do that goes to shows and

704

00:26:28,070 --> 00:26:25,799

she has a great time not a bad thing to

705

00:26:29,870 --> 00:26:28,080

be able to close to cosplay let's just

706

00:26:32,510 --> 00:26:29,880

let's just end that right there it's

707

00:26:33,950 --> 00:26:32,520

when you're claiming that you're a time

708

00:26:35,330 --> 00:26:33,960

traveling

709

00:26:38,390 --> 00:26:35,340

super cop

710

00:26:40,250 --> 00:26:38,400

that was trained with Obama on the dark

711

00:26:42,890 --> 00:26:40,260

side of the moon or Mars and you work

712

00:26:45,289 --> 00:26:42,900

with space bird aliens that's kind of

713

00:26:46,909 --> 00:26:45,299

where the bad part is and trust me those

714

00:26:47,870 --> 00:26:46,919

people who do that at these conferences

715

00:26:49,010 --> 00:26:47,880

from what I can understand at least

716

00:26:50,210 --> 00:26:49,020

remember I'm not sure if you're still

717

00:26:51,289 --> 00:26:50,220

around

718

00:26:55,070 --> 00:26:51,299

um that's another thing we're gonna get

719

00:26:57,350 --> 00:26:55,080

into is uh not not not CD directly but

720

00:26:58,130 --> 00:26:57,360

just more that kind of end of things

721

00:27:01,010 --> 00:26:58,140

um

722

00:27:02,269 --> 00:27:01,020

like the the characters and I've been

723

00:27:04,549 --> 00:27:02,279

out of the game a while so I'm like okay

724

00:27:06,710 --> 00:27:04,559

if I'm going to do a UFO show who's the

725

00:27:11,210 --> 00:27:06,720

guy I'm going to call first which is you

726

00:27:14,330 --> 00:27:11,220

know the the the wgp uh the big man Lou

727

00:27:16,250 --> 00:27:14,340

Elizondo well no I was going to call you

728

00:27:17,810 --> 00:27:16,260

because you you got your pulse on the

729

00:27:20,630 --> 00:27:17,820

ground floor but what's going on I'm a

730

00:27:22,789 --> 00:27:20,640

little bit of the loop with regrets you

731

00:27:24,169 --> 00:27:22,799

know the drama the going ons and and you

732

00:27:26,390 --> 00:27:24,179

know what characters are currently out

733

00:27:28,430 --> 00:27:26,400

who's got the latest gimmick for all you

734

00:27:31,390 --> 00:27:28,440

pro wrestling fans out there

735

00:27:37,850 --> 00:27:35,029

yeah they have their podcast they have

736

00:27:39,409 --> 00:27:37,860

they have leaked videos that come out

737

00:27:41,870 --> 00:27:39,419

every few weeks with Drive John

738

00:27:43,370 --> 00:27:41,880

Greenwald nuts and Cameron too they're

739

00:27:44,810 --> 00:27:43,380

just like really more content like this

740

00:27:52,010 --> 00:27:44,820

and

741

00:27:54,710 --> 00:27:52,020

having alleged Elite videos or

742

00:27:56,990 --> 00:27:54,720

documentation that they they they they

743

00:27:59,090 --> 00:27:57,000

put it out there then the next shoe

744

00:28:00,409 --> 00:27:59,100

doesn't drop

745

00:28:01,970 --> 00:28:00,419

um more information doesn't come to

746

00:28:03,409 --> 00:28:01,980

light yeah because they've got to keep

747

00:28:06,409 --> 00:28:03,419

you on the hook for the next week

748

00:28:09,350 --> 00:28:06,419

yeah for example was they had a uh

749

00:28:11,450 --> 00:28:09,360

emotional orb which is a short

750

00:28:12,730 --> 00:28:11,460

uh it was a screenshot of a legend video

751  
00:28:15,950 --> 00:28:12,740  
that was taken

752  
00:28:17,750 --> 00:28:15,960  
home yeah it was an oral photograph of a

753  
00:28:19,669 --> 00:28:17,760  
remorseful and then they talked about

754  
00:28:23,210 --> 00:28:19,679  
that and no information came to light

755  
00:28:25,370 --> 00:28:23,220  
after that so where we at it's just um

756  
00:28:27,289 --> 00:28:25,380  
how the subscriber number's been that's

757  
00:28:29,269 --> 00:28:27,299  
that's the next question you know yeah

758  
00:28:31,250 --> 00:28:29,279  
that's you know what what is the traffic

759  
00:28:33,130 --> 00:28:31,260  
like what how many conversions are there

760  
00:28:35,390 --> 00:28:33,140  
getting on there on their sign up page

761  
00:28:36,649 --> 00:28:35,400  
how many newsletters are they putting

762  
00:28:38,049 --> 00:28:36,659  
out a week

763  
00:28:44,750 --> 00:28:38,059

um

764

00:28:47,210 --> 00:28:44,760

Lazar or that stuff

765

00:28:50,149 --> 00:28:47,220

so it's just content between a

766

00:28:52,970 --> 00:28:50,159

documentary shows for sale

767

00:28:56,210 --> 00:28:52,980

to bring money together like to

768

00:28:58,250 --> 00:28:56,220

uh you know it's all self-promotion uh

769

00:29:00,470 --> 00:28:58,260

which is fine and of itself but that is

770

00:29:01,630 --> 00:29:00,480

not research that is not working on the

771

00:29:05,330 --> 00:29:01,640

issue

772

00:29:08,390 --> 00:29:05,340

no well how how do you like you you were

773

00:29:11,090 --> 00:29:08,400

part of mufon as well in Texas

774

00:29:12,610 --> 00:29:11,100

at least for a very short amount of time

775

00:29:15,230 --> 00:29:12,620

um and

776

00:29:18,010 --> 00:29:15,240

oh well again that's that's

777

00:29:20,630 --> 00:29:18,020

we're going to talk about that yeah

778

00:29:22,130 --> 00:29:20,640

uh but you've done the research you

779

00:29:24,169 --> 00:29:22,140

understand like you've been part of the

780

00:29:26,510 --> 00:29:24,179

the the groups before and I know that

781

00:29:28,490 --> 00:29:26,520

primarily that you're

782

00:29:30,169 --> 00:29:28,500

um you know your contributions over the

783

00:29:30,830 --> 00:29:30,179

last several years

784

00:29:32,389 --> 00:29:30,840

um

785

00:29:34,190 --> 00:29:32,399

I'm gonna say several years around

786

00:29:35,810 --> 00:29:34,200

decades because I still see you as you

787

00:29:37,789 --> 00:29:35,820

know a young guy you're a lot more

788

00:29:39,649 --> 00:29:37,799

active than I am so I'm like if you can

789

00:29:41,690 --> 00:29:39,659

you can teach somebody to run around to

790

00:29:42,769 --> 00:29:41,700

run around a tennis court even half

791

00:29:46,610 --> 00:29:42,779

retired

792

00:29:51,169 --> 00:29:49,070

but like you're you're primarily around

793

00:29:52,970 --> 00:29:51,179

the documentation and discussion over

794

00:29:55,970 --> 00:29:52,980

either historical events current events

795

00:29:58,730 --> 00:29:55,980

so you look at the uh the overall

796

00:30:00,289 --> 00:29:58,740

arching but it's a storyline or at least

797

00:30:01,490 --> 00:30:00,299

situation

798

00:30:02,990 --> 00:30:01,500

um but you don't necessarily like you

799

00:30:05,450 --> 00:30:03,000

haven't gone out in the field in quite

800

00:30:08,149 --> 00:30:05,460

some time have you no this is almost

801  
00:30:11,510 --> 00:30:08,159  
nine years now yeah what was it like

802  
00:30:17,090 --> 00:30:14,210  
um it was an exercising futility

803  
00:30:18,769 --> 00:30:17,100  
uh to be blunt uh the vast majority of

804  
00:30:21,889 --> 00:30:18,779  
reports were

805  
00:30:24,590 --> 00:30:21,899  
turned out to be misidentified aircraft

806  
00:30:27,669 --> 00:30:24,600  
uh books of the Witnesses on windshield

807  
00:30:29,930 --> 00:30:27,679  
Birds hoaxes

808  
00:30:31,430 --> 00:30:29,940  
the Hulk says again we're a very small

809  
00:30:32,409 --> 00:30:31,440  
percentage but the vast majority were

810  
00:30:35,750 --> 00:30:32,419  
just

811  
00:30:37,130 --> 00:30:35,760  
misidentifications of mundane so you're

812  
00:30:39,649 --> 00:30:37,140  
literally spending so many money to go

813  
00:30:42,230 --> 00:30:39,659

investigate a flock of burdens or

814

00:30:45,350 --> 00:30:42,240

aircraft or a misidentified planetary

815

00:30:46,870 --> 00:30:45,360

system or whatever or or uh when two

816

00:30:49,010 --> 00:30:46,880

planets lined up we had

817

00:30:53,149 --> 00:30:49,020

Venus and um

818

00:30:55,010 --> 00:30:53,159

I think with Jupiter uh were lined up in

819

00:30:56,389 --> 00:30:55,020

the night sky I think was early early

820

00:30:58,730 --> 00:30:56,399

this month

821

00:31:00,230 --> 00:30:58,740

and people were inundated with UFO

822

00:31:03,950 --> 00:31:00,240

reports

823

00:31:06,350 --> 00:31:03,960

over people misunder apply two planets

824

00:31:08,510 --> 00:31:06,360

um so that kind of stuff was immediately

825

00:31:10,730 --> 00:31:08,520

frustrating but it's part of the process

826

00:31:12,889 --> 00:31:10,740

of trying to weed out we're trying to

827

00:31:14,570 --> 00:31:12,899

explain cases that that warrant

828

00:31:16,010 --> 00:31:14,580

explanation trying to find those

829

00:31:16,669 --> 00:31:16,020

unexplained cases

830

00:31:20,450 --> 00:31:16,679

um

831

00:31:23,750 --> 00:31:20,460

and I never found a case that

832

00:31:25,190 --> 00:31:23,760

that strongly suggested really enormous

833

00:31:28,850 --> 00:31:25,200

activity everything virtually everything

834

00:31:31,250 --> 00:31:28,860

was explainable uh in mundane terms

835

00:31:34,310 --> 00:31:31,260

which was not frustrating but you know

836

00:31:36,950 --> 00:31:34,320

it is what it is so you know I I get

837

00:31:38,029 --> 00:31:36,960

that and I know from from an experience

838

00:31:39,649 --> 00:31:38,039

that I used to talk about on the show

839

00:31:41,269 --> 00:31:39,659

all the time that freaked me out when I

840

00:31:43,430 --> 00:31:41,279

first saw it

841

00:31:45,889 --> 00:31:43,440

um where is I I saw

842

00:31:48,049 --> 00:31:45,899

um at least at least here in Auto they

843

00:31:50,630 --> 00:31:48,059

call it St Lucian's lights it's ball

844

00:31:52,850 --> 00:31:50,640

lightning uh caused but because we're on

845

00:31:54,950 --> 00:31:52,860

a fault line and you know I had a

846

00:31:56,330 --> 00:31:54,960

picture of it and I'm like man this like

847

00:31:59,389 --> 00:31:56,340

it was you know it was it was a straight

848

00:32:01,850 --> 00:31:59,399

up glowing glowing orb that danced

849

00:32:03,649 --> 00:32:01,860

around and I watched it for an x amount

850

00:32:05,450 --> 00:32:03,659

of time and it just absolutely freaked

851  
00:32:07,490 --> 00:32:05,460  
the heck out of me and then I'm like oh

852  
00:32:09,049 --> 00:32:07,500  
ball lightning this is how it you know

853  
00:32:11,289 --> 00:32:09,059  
what causes it this is what it can look

854  
00:32:13,430 --> 00:32:11,299  
like and I I got more into

855  
00:32:16,070 --> 00:32:13,440  
understanding that phenomenon saying

856  
00:32:17,990 --> 00:32:16,080  
okay it was it aliens maybe was it you

857  
00:32:19,850 --> 00:32:18,000  
know the was it plausibly something else

858  
00:32:21,289 --> 00:32:19,860  
yeah you know more and more likely than

859  
00:32:23,810 --> 00:32:21,299  
anything else yeah

860  
00:32:25,669 --> 00:32:23,820  
and it brings the fear down uh it also

861  
00:32:27,830 --> 00:32:25,679  
kind of bums you out because you're like

862  
00:32:30,289 --> 00:32:27,840  
damn you know like I thought it was

863  
00:32:31,610 --> 00:32:30,299

something cooler than that yeah but then

864

00:32:33,529 --> 00:32:31,620

it's like well I actually saw ball

865

00:32:35,870 --> 00:32:33,539

lightning you know how many people do

866

00:32:37,730 --> 00:32:35,880

you know of that have been able to

867

00:32:39,769 --> 00:32:37,740

actually well besides the

868

00:32:41,510 --> 00:32:39,779

potential tens of thousands of people

869

00:32:44,330 --> 00:32:41,520

who've also seen it claiming it was an

870

00:32:45,889 --> 00:32:44,340

old UFO but how you know like that's a

871

00:32:47,389 --> 00:32:45,899

phenomenon that is very rarely seen and

872

00:32:50,149 --> 00:32:47,399

it's like maybe that's something that's

873

00:32:53,990 --> 00:32:50,159

even cooler you know so

874

00:32:57,590 --> 00:32:54,000

I I try and frame it around that but if

875

00:32:59,269 --> 00:32:57,600

you've got individuals who are saying oh

876

00:33:01,909 --> 00:32:59,279

man I saw this something I can't explain

877

00:33:03,710 --> 00:33:01,919

and then you explain it to them do they

878

00:33:05,930 --> 00:33:03,720

generally get more entrenched in their

879

00:33:07,970 --> 00:33:05,940

belief or do they you know like do they

880

00:33:10,070 --> 00:33:07,980

reject what you're saying and say no man

881

00:33:12,470 --> 00:33:10,080

it's got to be aliens or you know do

882

00:33:15,590 --> 00:33:12,480

they kind of do what I did and you know

883

00:33:17,990 --> 00:33:15,600

just more sit down and like ah okay that

884

00:33:18,950 --> 00:33:18,000

kind of sucked yeah

885

00:33:21,230 --> 00:33:18,960

um

886

00:33:23,690 --> 00:33:21,240

I started doing field investigations by

887

00:33:25,250 --> 00:33:23,700

about 9293

888

00:33:27,649 --> 00:33:25,260

on my own

889

00:33:29,149 --> 00:33:27,659

um I never the whole football thing we

890

00:33:32,570 --> 00:33:29,159

can discuss later but I never joined

891

00:33:34,610 --> 00:33:32,580

mukon uh the actual organization but

892

00:33:35,690 --> 00:33:34,620

um in the 90s people seem to be much

893

00:33:39,529 --> 00:33:35,700

more

894

00:33:40,789 --> 00:33:39,539

accepting of the investigation the

895

00:33:42,190 --> 00:33:40,799

results of that

896

00:33:44,810 --> 00:33:42,200

um so if it turned out to be

897

00:33:46,909 --> 00:33:44,820

misidentified birds or or what about

898

00:33:49,669 --> 00:33:46,919

whatever the explanation was see people

899

00:33:52,789 --> 00:33:49,679

seem to let a lot more willing to accept

900

00:33:57,710 --> 00:33:54,889

um something happened around the 2000s

901  
00:34:00,710 --> 00:33:57,720  
where people just became more

902  
00:34:03,350 --> 00:34:00,720  
yeah and uh so now

903  
00:34:05,330 --> 00:34:03,360  
an investigator can bring forth you they

904  
00:34:07,970 --> 00:34:05,340  
they probably reported woop on the field

905  
00:34:09,829 --> 00:34:07,980  
investigator is assigned that case they

906  
00:34:11,930 --> 00:34:09,839  
conduct an investigation they do it

907  
00:34:13,909 --> 00:34:11,940  
thoroughly objectively hopefully using

908  
00:34:16,010 --> 00:34:13,919  
the scientific method gather as much

909  
00:34:17,990 --> 00:34:16,020  
information they can compile an

910  
00:34:20,270 --> 00:34:18,000  
investigative report bring it to the

911  
00:34:23,389 --> 00:34:20,280  
witness that witness reads the report

912  
00:34:26,210 --> 00:34:23,399  
and will double down on their precon

913  
00:34:28,070 --> 00:34:26,220

their preconceived bias and say no I

914

00:34:30,770 --> 00:34:28,080

know I saw something alien

915

00:34:33,169 --> 00:34:30,780

it happens all the time now so we've

916

00:34:36,050 --> 00:34:33,179

gone from Witnesses saying researchers

917

00:34:38,270 --> 00:34:36,060

were closed-minded back 30 years ago

918

00:34:39,470 --> 00:34:38,280

now it's reverse the closed-minded

919

00:34:41,210 --> 00:34:39,480

individuals in the field are the

920

00:34:43,490 --> 00:34:41,220

witnesses because they're not willing to

921

00:34:45,530 --> 00:34:43,500

accept that

922

00:34:47,629 --> 00:34:45,540

a lot of your home reports are a mundane

923

00:34:50,210 --> 00:34:47,639

phenomenon they just are

924

00:34:51,829 --> 00:34:50,220

um that has certainly changed yeah do

925

00:34:54,770 --> 00:34:51,839

you think that's more of a product of

926  
00:34:57,370 --> 00:34:54,780  
social media as a whole uh you know

927  
00:35:00,589 --> 00:34:57,380  
media and and the whole Ancient Aliens

928  
00:35:03,349 --> 00:35:00,599  
fad uh taking off and basically claim

929  
00:35:06,710 --> 00:35:03,359  
that anything is is as a result of alien

930  
00:35:08,570 --> 00:35:06,720  
contact whether ancient or not like is

931  
00:35:10,849 --> 00:35:08,580  
is it people just wanting to feel like

932  
00:35:11,990 --> 00:35:10,859  
they belong to something or is it just

933  
00:35:13,790 --> 00:35:12,000  
because it's been thrown in front of

934  
00:35:15,470 --> 00:35:13,800  
their eyes so many times and they've

935  
00:35:17,450 --> 00:35:15,480  
been told that everyone else is lying to

936  
00:35:19,069 --> 00:35:17,460  
them so many times that they're like no

937  
00:35:20,510 --> 00:35:19,079  
I know what I saw I gotta trust my own

938  
00:35:24,050 --> 00:35:20,520

eyes

939

00:35:27,290 --> 00:35:24,060

I think it's more of the of the

940

00:35:30,050 --> 00:35:27,300

the ancient alien slash internet slash

941

00:35:32,930 --> 00:35:30,060

social media kind of deal that scenario

942

00:35:35,329 --> 00:35:32,940

has made individuals just Embrace

943

00:35:37,490 --> 00:35:35,339

everything as extraterrestrial which is

944

00:35:39,530 --> 00:35:37,500

not supported by the data

945

00:35:42,589 --> 00:35:39,540

um to look at it coldly I mean there's

946

00:35:44,690 --> 00:35:42,599

available data we have now

947

00:35:47,510 --> 00:35:44,700

for the last 80 years

948

00:35:49,190 --> 00:35:47,520

shows that the percentage of unexplained

949

00:35:51,290 --> 00:35:49,200

cases worldwide is less than three

950

00:35:53,930 --> 00:35:51,300

percent

951  
00:35:55,790 --> 00:35:53,940  
and of all those that remaining three

952  
00:35:57,710 --> 00:35:55,800  
percent or any of the mailing I don't

953  
00:36:00,290 --> 00:35:57,720  
know possibly maybe maybe not who knows

954  
00:36:02,870 --> 00:36:00,300  
but we do know the vast majority are

955  
00:36:06,170 --> 00:36:02,880  
explained by mundane phenomena

956  
00:36:09,290 --> 00:36:06,180  
people don't like that declaration

957  
00:36:11,690 --> 00:36:09,300  
despite it being supported by the data

958  
00:36:13,069 --> 00:36:11,700  
um so now people are just enamored with

959  
00:36:15,230 --> 00:36:13,079  
the Extraterrestrial they're not willing

960  
00:36:16,970 --> 00:36:15,240  
to buckle from that point of view and

961  
00:36:19,190 --> 00:36:16,980  
like the ancient alien guys say

962  
00:36:22,069 --> 00:36:19,200  
everything's alien Asian Alien series

963  
00:36:24,290 --> 00:36:22,079

say yes they ever say no

964

00:36:25,370 --> 00:36:24,300

um so individuals have their minds made

965

00:36:28,250 --> 00:36:25,380

up

966

00:36:29,630 --> 00:36:28,260

already and it makes you wonder

967

00:36:31,130 --> 00:36:29,640

sometimes why are they bothering you to

968

00:36:32,630 --> 00:36:31,140

report anything at all if they've

969

00:36:34,069 --> 00:36:32,640

already got their mind made up why

970

00:36:36,470 --> 00:36:34,079

actually

971

00:36:37,550 --> 00:36:36,480

why ask for an investigation

972

00:36:38,870 --> 00:36:37,560

if they're not going to accept the

973

00:36:42,730 --> 00:36:38,880

results of the investigation then what's

974

00:36:46,970 --> 00:36:42,740

the point were they expecting a cookie

975

00:36:48,470 --> 00:36:46,980

here's your hat in your T-shirt

976  
00:36:50,870 --> 00:36:48,480  
yeah

977  
00:36:52,490 --> 00:36:50,880  
um you know that's a shame because this

978  
00:36:56,150 --> 00:36:52,500  
is a

979  
00:36:58,190 --> 00:36:56,160  
examination

980  
00:36:59,810 --> 00:36:58,200  
I further leave something's going on in

981  
00:37:01,609 --> 00:36:59,820  
the skies of overheads

982  
00:37:03,710 --> 00:37:01,619  
nobody on the planet knows what's going

983  
00:37:06,970 --> 00:37:03,720  
on it's an unsolved mystery it's a UFO

984  
00:37:09,170 --> 00:37:06,980  
problem a problem is an unsolved mystery

985  
00:37:11,150 --> 00:37:09,180  
and it's worthy of scientific

986  
00:37:15,109 --> 00:37:11,160  
examination it's worthy examination on a

987  
00:37:17,390 --> 00:37:15,119  
worldwide basis it is not worthy of a

988  
00:37:20,690 --> 00:37:17,400

less than serious

989

00:37:24,290 --> 00:37:22,310

um kind of approach that's given to it

990

00:37:25,550 --> 00:37:24,300

now where we everyone was watching The

991

00:37:27,290 --> 00:37:25,560

History Channel shows and going to

992

00:37:28,190 --> 00:37:27,300

festivals and whatnot and they're not

993

00:37:30,470 --> 00:37:28,200

really

994

00:37:31,970 --> 00:37:30,480

focused on okay what's going on what is

995

00:37:33,890 --> 00:37:31,980

going on here

996

00:37:36,170 --> 00:37:33,900

no they're selling their book

997

00:37:38,150 --> 00:37:36,180

they're doing a show they are

998

00:37:40,609 --> 00:37:38,160

call themselves an expert when they're a

999

00:37:42,770 --> 00:37:40,619

barista or what have you there no that

1000

00:37:44,930 --> 00:37:42,780

is not working I do you like that Chris

1001  
00:37:46,670 --> 00:37:44,940  
I know you'd love that uh is he still

1002  
00:37:49,370 --> 00:37:46,680  
slinging coffee

1003  
00:37:53,390 --> 00:37:49,380  
or is it has he moved or has he moved to

1004  
00:37:57,589 --> 00:37:55,730  
with him so

1005  
00:38:00,410 --> 00:37:57,599  
spring is still

1006  
00:38:01,609 --> 00:38:00,420  
he was on a he was on a program I can't

1007  
00:38:04,430 --> 00:38:01,619  
recall the name of the program I won't

1008  
00:38:05,990 --> 00:38:04,440  
plug it either but it was on um

1009  
00:38:09,230 --> 00:38:06,000  
Network TV

1010  
00:38:11,089 --> 00:38:09,240  
and he was uh the host of the pro

1011  
00:38:14,450 --> 00:38:11,099  
program she examined different

1012  
00:38:17,150 --> 00:38:14,460  
paranormal issues whether it's Loch Ness

1013  
00:38:20,329 --> 00:38:17,160

uh Bigfoot UFOs or whatever well they

1014

00:38:22,069 --> 00:38:20,339

had a Roswell episode of course and

1015

00:38:24,650 --> 00:38:22,079

Sprague is there with her I can't look

1016

00:38:25,430 --> 00:38:24,660

over now my memory is shot now at my age

1017

00:38:27,170 --> 00:38:25,440

um

1018

00:38:29,150 --> 00:38:27,180

he's going with her through the episode

1019

00:38:31,130 --> 00:38:29,160

they go to the opal Museum they

1020

00:38:33,950 --> 00:38:31,140

discussed it with Frank kimbler who is a

1021

00:38:36,290 --> 00:38:33,960

assistant professor of geology at the

1022

00:38:38,089 --> 00:38:36,300

New Mexico Military Institute a

1023

00:38:38,990 --> 00:38:38,099

qualified researcher and I know him

1024

00:38:41,750 --> 00:38:39,000

personally

1025

00:38:44,510 --> 00:38:41,760

um and Sprague has this deer and

1026  
00:38:46,370 --> 00:38:44,520  
headlight look disgusting Roswell as if

1027  
00:38:48,470 --> 00:38:46,380  
he's never heard about the case at all

1028  
00:38:50,270 --> 00:38:48,480  
is if this is all new to him

1029  
00:38:52,310 --> 00:38:50,280  
you could ask the average person in New

1030  
00:38:53,930 --> 00:38:52,320  
York City or Chicago Illinois asking

1031  
00:38:55,790 --> 00:38:53,940  
what is Roswell and they can give you

1032  
00:38:58,310 --> 00:38:55,800  
the synopsis of the entire case maybe

1033  
00:38:59,210 --> 00:38:58,320  
not the details the general idea of what

1034  
00:39:02,390 --> 00:38:59,220  
happened

1035  
00:39:04,849 --> 00:39:02,400  
so he's uh promoting a program that's

1036  
00:39:07,069 --> 00:39:04,859  
it's the celebrity it's the UFO industry

1037  
00:39:08,710 --> 00:39:07,079  
uh that does not move the field forward

1038  
00:39:11,450 --> 00:39:08,720

it doesn't

1039

00:39:13,430 --> 00:39:11,460

we're spitting our Wheels because of

1040

00:39:16,190 --> 00:39:13,440

that kind of that kind of content well

1041

00:39:19,190 --> 00:39:16,200

considering that there you've

1042

00:39:21,109 --> 00:39:19,200

like why why then why would you I'm not

1043

00:39:25,250 --> 00:39:21,119

going to say why would you why do you

1044

00:39:26,510 --> 00:39:25,260

still do it if this at least and and I'm

1045

00:39:27,770 --> 00:39:26,520

playing Devil's Advocate not in a

1046

00:39:30,410 --> 00:39:27,780

negative way but just to be able to

1047

00:39:33,050 --> 00:39:30,420

frame things here you're you've

1048

00:39:37,190 --> 00:39:33,060

basically taken on this lifelong

1049

00:39:39,230 --> 00:39:37,200

um task of trying to bring rationalism

1050

00:39:41,089 --> 00:39:39,240

to something that has become more and

1051  
00:39:43,250 --> 00:39:41,099  
more rational where entropy has taken

1052  
00:39:45,349 --> 00:39:43,260  
over and it's going completely crazier

1053  
00:39:46,910 --> 00:39:45,359  
and crazier as years go on and you're

1054  
00:39:48,109 --> 00:39:46,920  
still the old school

1055  
00:39:52,130 --> 00:39:48,119  
you know

1056  
00:39:57,410 --> 00:39:52,140  
voice of reason the gentlemanly

1057  
00:40:00,470 --> 00:39:57,420  
um uh non-paragraph writer uh that

1058  
00:40:02,390 --> 00:40:00,480  
you know that continuously that's that's

1059  
00:40:04,569 --> 00:40:02,400  
an inside joke every single post he

1060  
00:40:07,089 --> 00:40:04,579  
posts does not have paragraphs

1061  
00:40:10,370 --> 00:40:07,099  
excellently written

1062  
00:40:12,109 --> 00:40:10,380  
well-researched great like pros that I

1063  
00:40:13,430 --> 00:40:12,119

would never be able to do

1064

00:40:15,290 --> 00:40:13,440

um uh you know and he does it

1065

00:40:16,790 --> 00:40:15,300

effortlessly not one paragraph in the

1066

00:40:19,190 --> 00:40:16,800

entire post just a giant wall of text

1067

00:40:20,390 --> 00:40:19,200

every single time I think he does it

1068

00:40:21,410 --> 00:40:20,400

just to be able to tick me off at this

1069

00:40:23,690 --> 00:40:21,420

point

1070

00:40:26,270 --> 00:40:23,700

um but it's like you're you're kind of

1071

00:40:29,329 --> 00:40:26,280

like you're a Don Quixote uh going after

1072

00:40:32,569 --> 00:40:29,339

going out the windmills and

1073

00:40:35,750 --> 00:40:32,579

you know you have not given up

1074

00:40:37,670 --> 00:40:35,760

uh your purpose and from from what I can

1075

00:40:40,310 --> 00:40:37,680

see you've actually strengthened it

1076

00:40:41,630 --> 00:40:40,320

you've become more resilient you've

1077

00:40:43,609 --> 00:40:41,640

become more eloquent you've become

1078

00:40:45,410 --> 00:40:43,619

better written you're doing posts more

1079

00:40:48,470 --> 00:40:45,420

often

1080

00:40:51,410 --> 00:40:48,480

yeah you know you you seem to

1081

00:40:53,870 --> 00:40:51,420

um have this fortitude of of

1082

00:40:56,089 --> 00:40:53,880

perseverance that is kind of lacking

1083

00:40:57,890 --> 00:40:56,099

like you know I I get stalked by a

1084

00:40:59,870 --> 00:40:57,900

Kabbalah cult for like three four months

1085

00:41:01,130 --> 00:40:59,880

and I'm like man maybe podcasting's not

1086

00:41:02,270 --> 00:41:01,140

for me at this point you know I'm gonna

1087

00:41:04,849 --> 00:41:02,280

take a little bit of a chill and you're

1088

00:41:07,490 --> 00:41:04,859

you're getting just

1089

00:41:11,630 --> 00:41:07,500

completely slammed sometimes by people

1090

00:41:12,950 --> 00:41:11,640

you know no no evidence uh cases that

1091

00:41:17,210 --> 00:41:12,960

are completely

1092

00:41:21,290 --> 00:41:19,670

um you know just the scenes getting

1093

00:41:23,210 --> 00:41:21,300

crazier the Witnesses are getting

1094

00:41:25,130 --> 00:41:23,220

crazier the media is getting more

1095

00:41:27,410 --> 00:41:25,140

intense on a constant basis and here you

1096

00:41:29,329 --> 00:41:27,420

are just continuously just going along

1097

00:41:30,710 --> 00:41:29,339

going along going along and getting

1098

00:41:32,569 --> 00:41:30,720

better and better and better as time

1099

00:41:36,109 --> 00:41:32,579

goes on

1100

00:41:37,970 --> 00:41:36,119

how how what would you attribute this to

1101

00:41:40,190 --> 00:41:37,980

uh I will answer that question when I

1102

00:41:41,210 --> 00:41:40,200

close this bridge sorry Chris I'll be

1103

00:41:49,609 --> 00:41:41,220

right back

1104

00:41:52,910 --> 00:41:51,050

um

1105

00:41:54,589 --> 00:41:52,920

what happens is that individuals when

1106

00:41:57,349 --> 00:41:54,599

they give me their point of view

1107

00:41:59,630 --> 00:41:57,359

and it's contrary to what I think it

1108

00:42:01,970 --> 00:41:59,640

always kicks off a conversation

1109

00:42:04,970 --> 00:42:01,980

an exchange of ideas and opinions that's

1110

00:42:06,589 --> 00:42:04,980

grab all for them uh when I get a

1111

00:42:09,290 --> 00:42:06,599

negative

1112

00:42:11,870 --> 00:42:09,300

comment aim toward me

1113

00:42:13,430 --> 00:42:11,880

that becomes personal or I've clearly

1114

00:42:17,270 --> 00:42:13,440

made them uncomfortable would be with

1115

00:42:18,650 --> 00:42:17,280

the data itself I find that it's firing

1116

00:42:20,150 --> 00:42:18,660

um if I'm not making people

1117

00:42:22,849 --> 00:42:20,160

uncomfortable with the numbers and the

1118

00:42:24,470 --> 00:42:22,859

data I'm not doing my job I'm not I'm

1119

00:42:27,349 --> 00:42:24,480

not here to

1120

00:42:30,650 --> 00:42:27,359

voice my opinion I'm here to

1121

00:42:33,349 --> 00:42:30,660

clear out the packs I don't know time to

1122

00:42:35,750 --> 00:42:33,359

learn time to research and go from there

1123

00:42:40,210 --> 00:42:38,150

yeah I've read some of my some of my

1124

00:42:43,310 --> 00:42:40,220

blogs from years past and my writing was

1125

00:42:45,530 --> 00:42:43,320

I just don't want to read them

1126

00:42:47,030 --> 00:42:45,540

um whether I've improved or not I'll

1127

00:42:49,010 --> 00:42:47,040

take your word for it I appreciate your

1128

00:42:53,089 --> 00:42:49,020

kind words but it's um

1129

00:42:54,109 --> 00:42:53,099

I seem to have been reinvigorated as of

1130

00:42:56,930 --> 00:42:54,119

late

1131

00:43:00,710 --> 00:42:56,940

um yeah I can understand that and uh

1132

00:43:03,470 --> 00:43:00,720

reinvested in just the work just to

1133

00:43:06,230 --> 00:43:03,480

vocalize a rational approach to this

1134

00:43:08,390 --> 00:43:06,240

topic which again is deserting though

1135

00:43:10,370 --> 00:43:08,400

focusing on the data we know the

1136

00:43:14,750 --> 00:43:10,380

availability information we have and not

1137

00:43:16,730 --> 00:43:14,760

really engaging in unsupported

1138

00:43:17,630 --> 00:43:16,740

um declarations that may or may not be

1139

00:43:19,130 --> 00:43:17,640

true

1140

00:43:20,809 --> 00:43:19,140

um we have enough opinion we have 80

1141

00:43:22,970 --> 00:43:20,819

years of opinions about what's going on

1142

00:43:27,290 --> 00:43:22,980

we don't have any answers

1143

00:43:29,930 --> 00:43:27,300

we are not at all and you know

1144

00:43:31,730 --> 00:43:29,940

guesswork and conversation is good it

1145

00:43:33,530 --> 00:43:31,740

gets our minds working but it still

1146

00:43:35,510 --> 00:43:33,540

needs to be it still needs to be framed

1147

00:43:37,250 --> 00:43:35,520

within the within the framework of the

1148

00:43:40,309 --> 00:43:37,260

available data

1149

00:43:41,870 --> 00:43:40,319

period we can't just guess and have

1150

00:43:43,430 --> 00:43:41,880

nothing behind us to support our

1151

00:43:44,270 --> 00:43:43,440

guesswork

1152

00:43:46,910 --> 00:43:44,280

um

1153

00:43:48,890 --> 00:43:46,920

so it's just become as the last you know

1154

00:43:50,329 --> 00:43:48,900

year or two or three it's become a point

1155

00:43:52,670 --> 00:43:50,339

where I'm just writing all the time

1156

00:43:54,430 --> 00:43:52,680

sometimes twice a day so they popped on

1157

00:43:57,230 --> 00:43:54,440

my head and where I see something online

1158

00:43:59,690 --> 00:43:57,240

whether it's nonsensical or not I write

1159

00:44:01,250 --> 00:43:59,700

along those lines or make it make an

1160

00:44:03,170 --> 00:44:01,260

analogy that doesn't seem like it's

1161

00:44:05,030 --> 00:44:03,180

answers you opposed but it is

1162

00:44:08,870 --> 00:44:05,040

in a certain way

1163

00:44:11,630 --> 00:44:08,880

um or even just um a case comes to mind

1164

00:44:13,790 --> 00:44:11,640

that I wrote about years ago and there's

1165

00:44:15,650 --> 00:44:13,800

more information about it now so my mind

1166

00:44:17,150 --> 00:44:15,660

just changed about it my positions

1167

00:44:18,829 --> 00:44:17,160

changed which is another thing that

1168

00:44:21,190 --> 00:44:18,839

never happened nowadays nowadays people

1169

00:44:23,210 --> 00:44:21,200

make up their mind about a case and

1170

00:44:25,069 --> 00:44:23,220

regardless of what the data shows

1171

00:44:28,390 --> 00:44:25,079

regardless of what new evidence comes to

1172

00:44:31,430 --> 00:44:28,400

life they won't change their mind

1173

00:44:32,329 --> 00:44:31,440

is flip-flopping

1174

00:44:34,730 --> 00:44:32,339

um

1175

00:44:37,550 --> 00:44:34,740

so I'm always writing and processing

1176

00:44:38,450 --> 00:44:37,560

thinking and whatnot and and it's just

1177

00:44:41,450 --> 00:44:38,460

um

1178

00:44:43,309 --> 00:44:41,460

it's a never-ending process but I really

1179

00:44:45,109 --> 00:44:43,319

don't think of it as work now because I

1180

00:44:47,030 --> 00:44:45,119

just enjoy it so much well do you get

1181

00:44:51,170 --> 00:44:47,040

paid for it

1182

00:44:55,790 --> 00:44:53,809

um because it's actually that's actually

1183

00:44:57,710 --> 00:44:55,800

the wrong term you're right it's it's a

1184

00:45:01,130 --> 00:44:57,720

wrong choice of words but it's working

1185

00:45:04,069 --> 00:45:01,140

it out it takes a level of dedication a

1186

00:45:06,349 --> 00:45:04,079

level of commitment to getting rights

1187

00:45:07,190 --> 00:45:06,359

or not at all

1188

00:45:10,190 --> 00:45:07,200

um

1189

00:45:13,190 --> 00:45:10,200

fully one-third of my blogs I write up

1190

00:45:14,690 --> 00:45:13,200

I delete them I look at them after I've

1191

00:45:15,770 --> 00:45:14,700

written them before I post them and just

1192

00:45:16,910 --> 00:45:15,780

look at the way it's constructed I'm

1193

00:45:19,250 --> 00:45:16,920

like you know I just don't like that

1194

00:45:21,290 --> 00:45:19,260

delete it and walk away

1195

00:45:23,870 --> 00:45:21,300

because it doesn't either it either

1196

00:45:25,430 --> 00:45:23,880

didn't frame the idea I wanted correctly

1197

00:45:28,130 --> 00:45:25,440

or there was the information that was

1198

00:45:30,230 --> 00:45:28,140

left out or it just didn't come off well

1199

00:45:31,430 --> 00:45:30,240

written at all you actually used a hard

1200

00:45:34,550 --> 00:45:31,440

return

1201

00:45:37,250 --> 00:45:34,560

yeah yeah so

1202

00:45:40,190 --> 00:45:37,260

um uh I thought it separately work it's

1203

00:45:42,589 --> 00:45:40,200

it's it's uh it's it's I love the effort

1204

00:45:44,750 --> 00:45:42,599

to do it I love the effort of writing

1205

00:45:48,010 --> 00:45:44,760

and researching and learning and whatnot

1206

00:45:50,270 --> 00:45:48,020

so it's not really work per se but um

1207

00:45:52,849 --> 00:45:50,280

I guess well the biggest expression I

1208

00:45:54,950 --> 00:45:52,859

get is just making a cursory scan of

1209

00:45:57,349 --> 00:45:54,960

other groups on Facebook and you come

1210

00:45:59,030 --> 00:45:57,359

across so much nonsense

1211

00:46:01,430 --> 00:45:59,040

so much

1212

00:46:05,930 --> 00:46:01,440

content this is not true

1213

00:46:10,069 --> 00:46:08,569

um it's like it's like I'm one and I'm

1214

00:46:11,690 --> 00:46:10,079

talking about myself and I wouldn't put

1215

00:46:13,670 --> 00:46:11,700

myself in that position or label myself

1216

00:46:15,050 --> 00:46:13,680

as such but it's like I'm a little voice

1217

00:46:17,329 --> 00:46:15,060

of reason

1218

00:46:19,730 --> 00:46:17,339

covered up by this vast cloud of

1219

00:46:21,589 --> 00:46:19,740

misinformation

1220

00:46:24,349 --> 00:46:21,599

um we're not going to fight against fake

1221

00:46:26,510 --> 00:46:24,359

news then where we at we have to keep

1222

00:46:29,569 --> 00:46:26,520

things valid and embrace what's valid

1223

00:46:31,910 --> 00:46:29,579

and accurate and ground in reality and

1224

00:46:34,430 --> 00:46:31,920

not just believe things that aren't true

1225

00:46:35,329 --> 00:46:34,440

but that's not the case of your mobile a

1226

00:46:37,730 --> 00:46:35,339

lot of things are believed that are

1227

00:46:38,870 --> 00:46:37,740

simply not true and that again hurt to

1228

00:46:41,630 --> 00:46:38,880

feel

1229

00:46:44,089 --> 00:46:41,640

you know it took you a long time to

1230

00:46:46,309 --> 00:46:44,099

get into that mode myself and you're

1231

00:46:48,650 --> 00:46:46,319

like yeah every now and again I'll you

1232

00:46:52,370 --> 00:46:48,660

know shades of the old

1233

00:46:54,170 --> 00:46:52,380

zuger will come out uh usually just for

1234

00:46:56,690 --> 00:46:54,180

fun it's like I got five minutes to kill

1235

00:46:59,690 --> 00:46:56,700

you know it's like oh but we got these

1236

00:47:01,130 --> 00:46:59,700

photos of uh you know this this cave on

1237

00:47:02,690 --> 00:47:01,140

Mars and there's like this alien

1238

00:47:04,609 --> 00:47:02,700

creature in the background it's like it

1239

00:47:06,890 --> 00:47:04,619

could be pixelation and I'm like oh they

1240

00:47:08,510 --> 00:47:06,900

found like I zoomed in on the image this

1241

00:47:11,349 --> 00:47:08,520

is what I found and it's like those you

1242

00:47:16,130 --> 00:47:13,730

and which is great for you know people

1243

00:47:18,530 --> 00:47:16,140

not to be able to say your our age and

1244

00:47:20,930 --> 00:47:18,540

your age who will remember Sesame Street

1245

00:47:22,069 --> 00:47:20,940

and what have you sure and it gets a

1246

00:47:26,210 --> 00:47:22,079

couple of laughs and I'm like you know

1247

00:47:28,309 --> 00:47:26,220

I'll move on uh you know whereas

1248

00:47:31,329 --> 00:47:28,319

five years ago I'd be I'd be out

1249

00:47:35,410 --> 00:47:31,339

searching for the fight and well yeah

1250

00:47:38,510 --> 00:47:35,420

you know keyboard Warrior warring

1251  
00:47:40,309 --> 00:47:38,520  
yeah whatever we'll go with that and you

1252  
00:47:41,750 --> 00:47:40,319  
know uh actively and trying to be able

1253  
00:47:43,730 --> 00:47:41,760  
to antagonize people and troll people

1254  
00:47:46,609 --> 00:47:43,740  
and you know Lee will

1255  
00:47:48,530 --> 00:47:46,619  
Lee and Chad is just like yes Chris I've

1256  
00:47:50,630 --> 00:47:48,540  
seen it I've done it we've had good

1257  
00:47:51,890 --> 00:47:50,640  
times with it I'm like yeah

1258  
00:47:54,109 --> 00:47:51,900  
um and it's you know there's a certain

1259  
00:47:55,490 --> 00:47:54,119  
point in time where you're like

1260  
00:47:56,809 --> 00:47:55,500  
it doesn't really matter like you you

1261  
00:47:59,870 --> 00:47:56,819  
want to believe the moon's made of

1262  
00:48:02,930 --> 00:47:59,880  
cheese like sure you know like I'm good

1263  
00:48:05,150 --> 00:48:02,940

over here uh and I'm I'm starting I'm

1264

00:48:09,410 --> 00:48:05,160

starting to see where you'll at some

1265

00:48:10,370 --> 00:48:09,420

point there was kind of a switch with a

1266

00:48:11,690 --> 00:48:10,380

lot of people where they're just like

1267

00:48:15,050 --> 00:48:11,700

I'm just gonna keep doing what I'm doing

1268

00:48:17,089 --> 00:48:15,060

and let my work stand on its own and if

1269

00:48:18,349 --> 00:48:17,099

people want to like it great you know I

1270

00:48:20,510 --> 00:48:18,359

don't have the energy for anything else

1271

00:48:22,309 --> 00:48:20,520

and I'm not going to worry about it and

1272

00:48:23,809 --> 00:48:22,319

you're one of the people who seems to be

1273

00:48:26,210 --> 00:48:23,819

doing more of that

1274

00:48:29,630 --> 00:48:26,220

which is awesome because it's super

1275

00:48:33,250 --> 00:48:29,640

positive not just from a a research

1276

00:48:37,190 --> 00:48:33,260

standpoint but also it shows a level of

1277

00:48:38,270 --> 00:48:37,200

maturity that is much lacking again this

1278

00:48:41,089 --> 00:48:38,280

is used so of course you have the

1279

00:48:43,670 --> 00:48:41,099

maturity uh that's lacking sorely in

1280

00:48:45,290 --> 00:48:43,680

society in general and it's just like

1281

00:48:49,370 --> 00:48:45,300

super positive from a mental health

1282

00:48:50,990 --> 00:48:49,380

standpoint you know like if you you if

1283

00:48:54,410 --> 00:48:51,000

you're not so much worried about what

1284

00:48:56,510 --> 00:48:54,420

other people are saying or or doing and

1285

00:48:57,710 --> 00:48:56,520

and you know what's the next comment or

1286

00:48:59,630 --> 00:48:57,720

what's the next response going to come

1287

00:49:01,849 --> 00:48:59,640

in or you know what's so and so in this

1288

00:49:04,250 --> 00:49:01,859

blah in in this Facebook group thinking

1289

00:49:05,450 --> 00:49:04,260

or saying you're you're a lot more in

1290

00:49:07,430 --> 00:49:05,460

tune to be able to focus on your own

1291

00:49:09,109 --> 00:49:07,440

work and your own writing and and what

1292

00:49:11,870 --> 00:49:09,119

you do and you tend to become more

1293

00:49:14,270 --> 00:49:11,880

happier with what you uh uh with what

1294

00:49:16,150 --> 00:49:14,280

you accomplish and you know that that

1295

00:49:18,470 --> 00:49:16,160

produces a feedback loop of just

1296

00:49:20,089 --> 00:49:18,480

positivity versus just constantly

1297

00:49:22,430 --> 00:49:20,099

negativity of you tearing somebody else

1298

00:49:24,290 --> 00:49:22,440

down and you know and don't get me wrong

1299

00:49:26,030 --> 00:49:24,300

it's fun to be able to to sit on on the

1300

00:49:28,430 --> 00:49:26,040

occasional person who's we all know is

1301

00:49:31,550 --> 00:49:28,440

out to lunch or just I'm talking about

1302

00:49:33,109 --> 00:49:31,560

you know and sure we're we're shooting

1303

00:49:36,170 --> 00:49:33,119

the [h\_\_\h] back and forth I'm like ah this

1304

00:49:38,150 --> 00:49:36,180

person's J you know this person so and

1305

00:49:41,510 --> 00:49:38,160

so and that that's just people talking

1306

00:49:43,430 --> 00:49:41,520

crap but if you're you as an individual

1307

00:49:44,990 --> 00:49:43,440

are just focusing on what you're doing

1308

00:49:47,270 --> 00:49:45,000

and what you're creating and the content

1309

00:49:50,030 --> 00:49:47,280

that you're putting out there and not

1310

00:49:54,230 --> 00:49:50,040

worrying about what the the competition

1311

00:49:56,030 --> 00:49:54,240

is doing uh you are more focused on

1312

00:49:58,849 --> 00:49:56,040

building up something and you know in

1313

00:50:01,730 --> 00:49:58,859

yourself which helps you sustain

1314

00:50:03,829 --> 00:50:01,740

yourself through tough times and and be

1315

00:50:06,530 --> 00:50:03,839

able to enjoy the good times a lot

1316

00:50:09,190 --> 00:50:06,540

better uh at least that's that's kind of

1317

00:50:11,809 --> 00:50:09,200

my perspective what I've found on it and

1318

00:50:13,309 --> 00:50:11,819

for somebody like yourself who spent a

1319

00:50:16,730 --> 00:50:13,319

lifetime

1320

00:50:18,829 --> 00:50:16,740

um not just to teaching somebody a skill

1321

00:50:21,410 --> 00:50:18,839

or teaching somebody the rules of a

1322

00:50:24,770 --> 00:50:21,420

sport but how to be able to perform how

1323

00:50:26,450 --> 00:50:24,780

to be able to uh you know move their

1324

00:50:28,490 --> 00:50:26,460

body in a certain way to to try and

1325

00:50:30,670 --> 00:50:28,500

attain greatness or trying and Achieve

1326  
00:50:33,470 --> 00:50:30,680  
something or you know to win something

1327  
00:50:34,730 --> 00:50:33,480  
uh you know that that to me like it

1328  
00:50:36,170 --> 00:50:34,740  
there's a certain something that you

1329  
00:50:37,730 --> 00:50:36,180  
need to have to be able to do that not

1330  
00:50:40,609 --> 00:50:37,740  
just for yourself but to be able to to

1331  
00:50:43,130 --> 00:50:40,619  
instill that in somebody else

1332  
00:50:45,650 --> 00:50:43,140  
yeah it can be immediately challenging

1333  
00:50:48,410 --> 00:50:45,660  
because part of the process is to uh try

1334  
00:50:50,569 --> 00:50:48,420  
to prove a coaching standpoint

1335  
00:50:54,109 --> 00:50:50,579  
uh every individual is different how

1336  
00:50:56,150 --> 00:50:54,119  
they process what I vocalize to them

1337  
00:50:58,549 --> 00:50:56,160  
it was different some individuals like

1338  
00:51:00,410 --> 00:50:58,559

b2ts of a slice forehand slice backhand

1339

00:51:02,030 --> 00:51:00,420

kick serve whatever the stroke may be

1340

00:51:04,010 --> 00:51:02,040

and

1341

00:51:06,290 --> 00:51:04,020

I wanted to curse my players look if if

1342

00:51:08,450 --> 00:51:06,300

you're not progressing in a positive way

1343

00:51:09,710 --> 00:51:08,460

with my efforts go to another coach

1344

00:51:11,690 --> 00:51:09,720

they'll probably tell you to send it but

1345

00:51:13,130 --> 00:51:11,700

their book Lies in a different way so

1346

00:51:15,829 --> 00:51:13,140

that individual can process that

1347

00:51:17,870 --> 00:51:15,839

information in their own way and then

1348

00:51:19,609 --> 00:51:17,880

report and improve themselves as a

1349

00:51:22,069 --> 00:51:19,619

player and they think it's that

1350

00:51:24,589 --> 00:51:22,079

communication effort that is important I

1351  
00:51:27,950 --> 00:51:24,599  
learned then you could appeal that

1352  
00:51:30,829 --> 00:51:27,960  
how we communicate is

1353  
00:51:33,170 --> 00:51:30,839  
pretty important because we're trying to

1354  
00:51:35,390 --> 00:51:33,180  
convey our thoughts and opinions and at

1355  
00:51:36,589 --> 00:51:35,400  
times we're trying to convey important

1356  
00:51:38,089 --> 00:51:36,599  
information

1357  
00:51:40,069 --> 00:51:38,099  
and if we're not able to use the English

1358  
00:51:42,170 --> 00:51:40,079  
language correctly or productively then

1359  
00:51:44,630 --> 00:51:42,180  
it makes it very hard to convert to

1360  
00:51:46,490 --> 00:51:44,640  
convey thoughts and opinions

1361  
00:51:50,510 --> 00:51:46,500  
um I've interacted with some people

1362  
00:51:53,329 --> 00:51:50,520  
online in a in a very not internet not

1363  
00:51:55,370 --> 00:51:53,339

kind of in-depth way but an individual

1364

00:51:58,370 --> 00:51:55,380

posted I recall

1365

00:52:00,890 --> 00:51:58,380

a picture she literally took over her

1366

00:52:03,049 --> 00:52:00,900

house it turned to be lens Blair but

1367

00:52:04,309 --> 00:52:03,059

she's always yupo and I guess by

1368

00:52:06,109 --> 00:52:04,319

definition it was because she didn't

1369

00:52:08,150 --> 00:52:06,119

know what it was it was unidentified

1370

00:52:10,069 --> 00:52:08,160

she went down the Extraterrestrial angle

1371

00:52:13,130 --> 00:52:10,079

she was immediately kind of going toward

1372

00:52:15,230 --> 00:52:13,140

the alien angle and I asked her on

1373

00:52:16,730 --> 00:52:15,240

Facebook I said what information do you

1374

00:52:18,650 --> 00:52:16,740

have that supports the idea of this

1375

00:52:19,970 --> 00:52:18,660

would be alien you've already made up

1376

00:52:22,490 --> 00:52:19,980

your mind about that

1377

00:52:24,829 --> 00:52:22,500

and she said why just know

1378

00:52:27,109 --> 00:52:24,839

and I said and I responded to her

1379

00:52:29,690 --> 00:52:27,119

basically saying I respect your opinion

1380

00:52:31,309 --> 00:52:29,700

how do you know I I want to know she

1381

00:52:33,470 --> 00:52:31,319

merely got upset with me asking that

1382

00:52:35,630 --> 00:52:33,480

question I wasn't trying to troll her I

1383

00:52:38,870 --> 00:52:35,640

really wanted to know I wanted how did

1384

00:52:40,190 --> 00:52:38,880

we learn by asking questions period I

1385

00:52:42,109 --> 00:52:40,200

was asking questions about alleged

1386

00:52:43,849 --> 00:52:42,119

witness to find out what she saw what

1387

00:52:47,030 --> 00:52:43,859

she witnessed she was not comfortable

1388

00:52:48,410 --> 00:52:47,040

conveying the information and not to

1389

00:52:50,089 --> 00:52:48,420

mention the way she spelled on Facebook

1390

00:52:51,290 --> 00:52:50,099

I couldn't understand what she was

1391

00:52:53,390 --> 00:52:51,300

trying to convey because she couldn't

1392

00:52:54,650 --> 00:52:53,400

spell she was capitalizing words in the

1393

00:52:56,930 --> 00:52:54,660

middle of a sentence

1394

00:52:59,450 --> 00:52:56,940

usually the wrong word misspelled but I

1395

00:53:01,190 --> 00:52:59,460

can't I can't understand what a person

1396

00:53:03,290 --> 00:53:01,200

is trying to convey to me as an

1397

00:53:04,730 --> 00:53:03,300

individual they can't use the language

1398

00:53:07,309 --> 00:53:04,740

correctly

1399

00:53:08,390 --> 00:53:07,319

happens all the time on social media

1400

00:53:10,849 --> 00:53:08,400

um

1401  
00:53:12,470 --> 00:53:10,859  
and and by extension Society people

1402  
00:53:14,569 --> 00:53:12,480  
can't spell words they misidentify

1403  
00:53:16,910 --> 00:53:14,579  
things they they use wrong punctuation

1404  
00:53:18,549 --> 00:53:16,920  
they use real words that don't mean what

1405  
00:53:21,530 --> 00:53:18,559  
they're trying to convey that is

1406  
00:53:22,430 --> 00:53:21,540  
problematic to say the least

1407  
00:53:24,650 --> 00:53:22,440  
um

1408  
00:53:26,270 --> 00:53:24,660  
Venus and I discusses about you opposed

1409  
00:53:28,730 --> 00:53:26,280  
we'll be we'll be sitting watching TV

1410  
00:53:31,250 --> 00:53:28,740  
having dinner we'll see Miss felons on

1411  
00:53:33,290 --> 00:53:31,260  
National media Outlets I mean these are

1412  
00:53:34,430 --> 00:53:33,300  
journalists they're journalists but they

1413  
00:53:37,910 --> 00:53:34,440

don't have a QC Department because

1414

00:53:46,250 --> 00:53:42,230

yeah so uh yeah it's it's um it can be

1415

00:53:47,210 --> 00:53:46,260

very Troublesome however despite that

1416

00:53:48,770 --> 00:53:47,220

um

1417

00:53:50,630 --> 00:53:48,780

frequently I'll come across the person

1418

00:53:52,910 --> 00:53:50,640

who's very articulate

1419

00:53:55,309 --> 00:53:52,920

very eloquent very well thought of and

1420

00:53:57,049 --> 00:53:55,319

they don't have to have a PhD but

1421

00:53:58,849 --> 00:53:57,059

they're measured and they're able to

1422

00:54:00,109 --> 00:53:58,859

convey their thoughts correctly and

1423

00:54:02,150 --> 00:54:00,119

thoroughly

1424

00:54:04,250 --> 00:54:02,160

in a straightforward way I had no

1425

00:54:06,710 --> 00:54:04,260

trouble communicate with them they're

1426

00:54:07,690 --> 00:54:06,720

not as rare as you would think

1427

00:54:11,270 --> 00:54:07,700

um

1428

00:54:13,609 --> 00:54:11,280

but I find on social media

1429

00:54:16,309 --> 00:54:13,619

the ability to convey to communicate

1430

00:54:17,450 --> 00:54:16,319

productively is lost on some people and

1431

00:54:19,010 --> 00:54:17,460

that makes it difficult to find out

1432

00:54:20,630 --> 00:54:19,020

what's going on

1433

00:54:22,790 --> 00:54:20,640

um

1434

00:54:24,170 --> 00:54:22,800

uh it just that's just the way is that I

1435

00:54:25,910 --> 00:54:24,180

don't know why that's happening but it's

1436

00:54:27,710 --> 00:54:25,920

happening not just the local people but

1437

00:54:30,290 --> 00:54:27,720

in society in general that's what's

1438

00:54:31,430 --> 00:54:30,300

happening well people tend to uh

1439

00:54:33,109 --> 00:54:31,440

interpret what they want to be able to

1440

00:54:35,150 --> 00:54:33,119

interpret from a text

1441

00:54:37,790 --> 00:54:35,160

it's it's easier for somebody to be able

1442

00:54:39,710 --> 00:54:37,800

to interpret something direct like you

1443

00:54:41,210 --> 00:54:39,720

know if they're telling you to to fly

1444

00:54:42,710 --> 00:54:41,220

off the

1445

00:54:44,329 --> 00:54:42,720

you're going to know pretty well flat

1446

00:54:47,450 --> 00:54:44,339

out what that means

1447

00:54:49,910 --> 00:54:47,460

um but a lot of yeah you're dealing with

1448

00:54:52,970 --> 00:54:49,920

cultural differences between just even

1449

00:54:55,609 --> 00:54:52,980

different regions within North America

1450

00:54:58,790 --> 00:54:55,619

um you know you're dealing with uh

1451

00:55:01,450 --> 00:54:58,800

different levels of subtext within uh

1452

00:55:04,430 --> 00:55:01,460

communication the English language which

1453

00:55:08,930 --> 00:55:04,440

you know subtlety can can mean one thing

1454

00:55:11,270 --> 00:55:08,940

in New York or you know what's the

1455

00:55:14,329 --> 00:55:11,280

saying uh I'm gonna I'll attribute it

1456

00:55:16,490 --> 00:55:14,339

back to people on the East Coast are

1457

00:55:18,829 --> 00:55:16,500

kind but not nice but people on the west

1458

00:55:20,150 --> 00:55:18,839

coast are nice but not kind

1459

00:55:21,890 --> 00:55:20,160

I don't know how that works like more

1460

00:55:25,370 --> 00:55:21,900

you know in Texas but it's you know if

1461

00:55:27,589 --> 00:55:25,380

you're on the east coast and somebody

1462

00:55:29,210 --> 00:55:27,599

um you know if your tire breaks down

1463

00:55:30,770 --> 00:55:29,220

you don't have a spare or something or

1464

00:55:32,450 --> 00:55:30,780

if you don't know how to use a jack

1465

00:55:33,470 --> 00:55:32,460

someone's going to stop and help you

1466

00:55:34,849 --> 00:55:33,480

change your tire and they're just going

1467

00:55:35,930 --> 00:55:34,859

to curse at you the entire time saying

1468

00:55:37,910 --> 00:55:35,940

like oh man like what do you mean you

1469

00:55:39,170 --> 00:55:37,920

can't use this what kind of you know

1470

00:55:40,309 --> 00:55:39,180

idiot doesn't want to change the tire

1471

00:55:42,349 --> 00:55:40,319

type of thing and then they'll help you

1472

00:55:44,030 --> 00:55:42,359

and get you on your way whereas on the

1473

00:55:46,670 --> 00:55:44,040

west coast they'll you know they'll stop

1474

00:55:48,470 --> 00:55:46,680

and say wow man I'm really sorry that

1475

00:55:49,970 --> 00:55:48,480

happened to you but you know like man

1476

00:55:52,010 --> 00:55:49,980

that really sucks and they'll just be on

1477

00:55:54,470 --> 00:55:52,020

their way and leave you

1478

00:55:55,910 --> 00:55:54,480

um you know that that kind of like just

1479

00:55:59,089 --> 00:55:55,920

that kind of cultural difference in

1480

00:56:01,370 --> 00:55:59,099

mindset can can mean can make somebody

1481

00:56:03,710 --> 00:56:01,380

reading a sentence or somebody reading a

1482

00:56:05,450 --> 00:56:03,720

situation uh interpret that's it that

1483

00:56:07,329 --> 00:56:05,460

sentence even if it's you know if it's

1484

00:56:10,370 --> 00:56:07,339

not direct if it's not

1485

00:56:11,390 --> 00:56:10,380

explicit uh explicitly accepted as

1486

00:56:13,849 --> 00:56:11,400

something

1487

00:56:16,010 --> 00:56:13,859

throughout you know throughout Society

1488

00:56:17,569 --> 00:56:16,020

they're going to read it differently uh

1489

00:56:19,190 --> 00:56:17,579

and and some people are just more prone

1490

00:56:21,530 --> 00:56:19,200

to just flying off the handle and

1491

00:56:22,970 --> 00:56:21,540

because you don't see the person it's

1492

00:56:24,650 --> 00:56:22,980

one of the reasons I like podcasts and

1493

00:56:26,870 --> 00:56:24,660

like you and I can go more in depth on

1494

00:56:28,790 --> 00:56:26,880

uh more you know the philosophy of

1495

00:56:31,250 --> 00:56:28,800

something and me just me just rambling

1496

00:56:34,609 --> 00:56:31,260

on uh 15 you know the top 15 questions

1497

00:56:35,990 --> 00:56:34,619

to ask William Bolin about UFOs yeah we

1498

00:56:37,609 --> 00:56:36,000

can get in depth about things we can

1499

00:56:39,890 --> 00:56:37,619

actually and we're talking relatively

1500

00:56:42,950 --> 00:56:39,900

face to face and there's something

1501  
00:56:44,630 --> 00:56:42,960  
personal about that versus oh here's

1502  
00:56:48,349 --> 00:56:44,640  
this profile picture where someone's you

1503  
00:56:49,730 --> 00:56:48,359  
know in a you know in a white tea with

1504  
00:56:52,250 --> 00:56:49,740  
like a hat backwards and they're like

1505  
00:56:53,809 --> 00:56:52,260  
you know doing some signs or you know

1506  
00:56:56,030 --> 00:56:53,819  
somebody's just you know the 15th person

1507  
00:56:57,410 --> 00:56:56,040  
holding a fish by a lake you you have a

1508  
00:56:59,750 --> 00:56:57,420  
preconceived notion of who that person

1509  
00:57:02,089 --> 00:56:59,760  
is what they're about what their values

1510  
00:57:04,849 --> 00:57:02,099  
are and that immediately will put your

1511  
00:57:06,170 --> 00:57:04,859  
own your own guards up towards how

1512  
00:57:08,930 --> 00:57:06,180  
you're going to react to that person how

1513  
00:57:10,670 --> 00:57:08,940

you're going to uh think that person you

1514

00:57:13,250 --> 00:57:10,680

you've already judged that person before

1515

00:57:17,150 --> 00:57:13,260

you've even even uh yeah you've gone to

1516

00:57:19,150 --> 00:57:17,160

know them and like that that itself is

1517

00:57:23,150 --> 00:57:19,160

broken down Communication online

1518

00:57:24,710 --> 00:57:23,160

drastically and I I will be uh one of

1519

00:57:27,349 --> 00:57:24,720

the first people to admit hey man I was

1520

00:57:28,990 --> 00:57:27,359

there been there done that uh went down

1521

00:57:31,670 --> 00:57:29,000

that rabbit hole and and

1522

00:57:35,030 --> 00:57:31,680

you know it's very difficult to be able

1523

00:57:36,290 --> 00:57:35,040

to solve realize and and self-reflect to

1524

00:57:38,410 --> 00:57:36,300

try and pull yourself back from that

1525

00:57:40,490 --> 00:57:38,420

because if if you're like that online

1526

00:57:41,750 --> 00:57:40,500

what do you like it on the rest of

1527

00:57:43,790 --> 00:57:41,760

society

1528

00:57:45,109 --> 00:57:43,800

that's a that's a valid question yes

1529

00:57:47,150 --> 00:57:45,119

absolutely

1530

00:57:48,609 --> 00:57:47,160

um you have all this line that I think I

1531

00:57:52,910 --> 00:57:48,619

wrote a Blog last year about

1532

00:57:55,370 --> 00:57:52,920

communication skills how if you're

1533

00:57:56,390 --> 00:57:55,380

let's take the UFO topic of all topics

1534

00:57:59,930 --> 00:57:56,400

to bring up

1535

00:58:01,490 --> 00:57:59,940

um if you discuss the UFO topic the vast

1536

00:58:04,370 --> 00:58:01,500

majority of information we have is that

1537

00:58:06,170 --> 00:58:04,380

adult with its testimonies

1538

00:58:08,390 --> 00:58:06,180

if we're unable to convey those

1539

00:58:09,890 --> 00:58:08,400

testimonials and communicate them to

1540

00:58:11,450 --> 00:58:09,900

investigators thoroughly and accurately

1541

00:58:14,450 --> 00:58:11,460

what do we have

1542

00:58:17,030 --> 00:58:14,460

we can't give out a date a name an

1543

00:58:19,089 --> 00:58:17,040

address a geographical location and have

1544

00:58:21,730 --> 00:58:19,099

those spelled correctly and accurately

1545

00:58:23,690 --> 00:58:21,740

then we're committing potentially

1546

00:58:25,970 --> 00:58:23,700

inaccurate data which makes an

1547

00:58:28,790 --> 00:58:25,980

investigation a moot point

1548

00:58:31,730 --> 00:58:28,800

or an entire blog about the the this

1549

00:58:33,829 --> 00:58:31,740

necessity for accurate conveyance of

1550

00:58:35,030 --> 00:58:33,839

information accurate communication

1551  
00:58:36,410 --> 00:58:35,040  
skills

1552  
00:58:37,970 --> 00:58:36,420  
and I've got several colors of

1553  
00:58:39,049 --> 00:58:37,980  
individuals saying why is it so

1554  
00:58:41,510 --> 00:58:39,059  
important for me to convey my

1555  
00:58:43,670 --> 00:58:41,520  
testimonials accurately really

1556  
00:58:46,670 --> 00:58:43,680  
that's a question why

1557  
00:58:49,190 --> 00:58:46,680  
it's important it's you know I can't

1558  
00:58:53,510 --> 00:58:49,200  
imagine somebody who has been victim of

1559  
00:58:55,970 --> 00:58:53,520  
a rape or or a or a robbery or not and

1560  
00:58:58,970 --> 00:58:55,980  
the investigative uh police officers

1561  
00:59:02,150 --> 00:58:58,980  
weren't really you know uh worried about

1562  
00:59:04,190 --> 00:59:02,160  
getting accurate information no you want

1563  
00:59:05,450 --> 00:59:04,200

accurate information and yet people were

1564

00:59:07,609 --> 00:59:05,460

very comfortable

1565

00:59:10,609 --> 00:59:07,619

just give her their stories out

1566

00:59:13,910 --> 00:59:10,619

in a very haphazard way I was very

1567

00:59:15,650 --> 00:59:13,920

troubled by that we would we um

1568

00:59:17,510 --> 00:59:15,660

whether you're in high school secondary

1569

00:59:19,609 --> 00:59:17,520

school college graduate school what have

1570

00:59:21,349 --> 00:59:19,619

you you're trying to learn accurate

1571

00:59:22,250 --> 00:59:21,359

information you're trying to educate

1572

00:59:23,930 --> 00:59:22,260

yourself

1573

00:59:27,530 --> 00:59:23,940

or your professors are trying to educate

1574

00:59:28,789 --> 00:59:27,540

you using accurate information

1575

00:59:29,809 --> 00:59:28,799

you're not trying to learn things that

1576

00:59:31,309 --> 00:59:29,819

aren't true

1577

00:59:34,309 --> 00:59:31,319

you're not trying to learn dates and

1578

00:59:35,569 --> 00:59:34,319

times in scenarios that are inaccurately

1579

00:59:37,730 --> 00:59:35,579

portrayed you're not you're trying to

1580

00:59:39,829 --> 00:59:37,740

learn things as they are the truth the

1581

00:59:42,289 --> 00:59:39,839

objective truth and the demands of

1582

00:59:44,450 --> 00:59:42,299

accuracy but in this

1583

00:59:47,150 --> 00:59:44,460

as it pertains to UFOs nowadays people

1584

00:59:49,010 --> 00:59:47,160

are very comfortable just rambling on

1585

00:59:51,230 --> 00:59:49,020

about what they saw what they claim to

1586

00:59:54,109 --> 00:59:51,240

solve and not providing any details and

1587

00:59:56,510 --> 00:59:54,119

when they do it's done inaccurately

1588

00:59:58,549 --> 00:59:56,520

which makes it impossible to investigate

1589

00:59:59,870 --> 00:59:58,559

well because most of these experiences

1590

01:00:01,910 --> 00:59:59,880

for these people but like for anybody

1591

01:00:04,010 --> 01:00:01,920

who's an experimenter and I can tell you

1592

01:00:06,770 --> 01:00:04,020

right now it is a it is a potentially

1593

01:00:08,270 --> 01:00:06,780

traumatic experience there is a lot of

1594

01:00:11,930 --> 01:00:08,280

you know there's fear there's confusion

1595

01:00:14,150 --> 01:00:11,940

there are you know you're there's

1596

01:00:16,910 --> 01:00:14,160

adrenaline you're not necessarily trying

1597

01:00:18,710 --> 01:00:16,920

to process the facts as as much as the

1598

01:00:20,150 --> 01:00:18,720

emotion so people will remember the

1599

01:00:22,670 --> 01:00:20,160

emotion of the situation before they

1600

01:00:23,630 --> 01:00:22,680

remember the facts uh you know I could

1601  
01:00:26,210 --> 01:00:23,640  
tell you

1602  
01:00:27,950 --> 01:00:26,220  
at least from from from my you know ball

1603  
01:00:30,049 --> 01:00:27,960  
lightning situation

1604  
01:00:32,630 --> 01:00:30,059  
like I could tell you

1605  
01:00:34,309 --> 01:00:32,640  
um the general situation I could tell

1606  
01:00:35,690 --> 01:00:34,319  
you how it ended but most of all I could

1607  
01:00:38,030 --> 01:00:35,700  
tell you about the fear I could tell you

1608  
01:00:40,849 --> 01:00:38,040  
about the you know the pit in my stomach

1609  
01:00:42,470 --> 01:00:40,859  
of oh what the heck is that and just the

1610  
01:00:44,450 --> 01:00:42,480  
dread and the sweat and the the

1611  
01:00:46,370 --> 01:00:44,460  
inability to be able to sleep afterwards

1612  
01:00:48,650 --> 01:00:46,380  
I could tell you the specific day

1613  
01:00:50,089 --> 01:00:48,660

anymore I couldn't tell you the year I

1614

01:00:51,349 --> 01:00:50,099

could probably guess about the time of

1615

01:00:52,910 --> 01:00:51,359

night

1616

01:00:55,730 --> 01:00:52,920

um you know I could maybe guess the

1617

01:00:59,030 --> 01:00:55,740

color but you know any of the specifics

1618

01:01:00,829 --> 01:00:59,040

those are gone you know so you you try

1619

01:01:03,230 --> 01:01:00,839

and ask anybody who's had this kind of

1620

01:01:05,809 --> 01:01:03,240

you know this type of situation

1621

01:01:07,370 --> 01:01:05,819

and again plain Devil's Advocate it's

1622

01:01:09,589 --> 01:01:07,380

very difficult to be able to try and

1623

01:01:11,210 --> 01:01:09,599

convey that even for people who are

1624

01:01:12,289 --> 01:01:11,220

expert communicators

1625

01:01:18,349 --> 01:01:12,299

yeah

1626

01:01:20,870 --> 01:01:19,069

um

1627

01:01:23,750 --> 01:01:20,880

some interactions with some other people

1628

01:01:27,370 --> 01:01:23,760

without researchers or researchers but

1629

01:01:32,270 --> 01:01:29,870

they clearly wore the name of my point

1630

01:01:34,270 --> 01:01:32,280

of view about how this topic is

1631

01:01:37,309 --> 01:01:34,280

deserving of a serious look

1632

01:01:38,809 --> 01:01:37,319

and they I get questions like why is

1633

01:01:40,370 --> 01:01:38,819

that so necessary

1634

01:01:42,349 --> 01:01:40,380

I said because people are seeing things

1635

01:01:43,430 --> 01:01:42,359

and experience things they can't

1636

01:01:46,309 --> 01:01:43,440

identify

1637

01:01:47,990 --> 01:01:46,319

it's traumatic the experience is they're

1638

01:01:50,150 --> 01:01:48,000

left with a

1639

01:01:52,250 --> 01:01:50,160

a pit in their stomach traumatized

1640

01:01:54,289 --> 01:01:52,260

feeling that what just happened to me

1641

01:01:56,089 --> 01:01:54,299

they have no idea what happened they're

1642

01:01:58,609 --> 01:01:56,099

traumatized they're mostly scarred about

1643

01:02:00,770 --> 01:01:58,619

this that means they're deserving of

1644

01:02:03,770 --> 01:02:00,780

some investigation if they want that

1645

01:02:06,109 --> 01:02:03,780

that does not deserve a tongue-in-cheek

1646

01:02:09,170 --> 01:02:06,119

celebrity driven approach to the topic

1647

01:02:11,030 --> 01:02:09,180

true does it disturbish the witnesses

1648

01:02:13,130 --> 01:02:11,040

um but people don't really realize that

1649

01:02:15,589 --> 01:02:13,140

I mean I can't imagine

1650

01:02:17,750 --> 01:02:15,599

uh a young woman who sexually molested

1651  
01:02:19,910 --> 01:02:17,760  
or a gentleman who is mugged on the

1652  
01:02:21,289 --> 01:02:19,920  
streets in New York City and then the

1653  
01:02:23,030 --> 01:02:21,299  
police arrived to do an investigation

1654  
01:02:24,950 --> 01:02:23,040  
They're laughing and joking and doing it

1655  
01:02:28,390 --> 01:02:24,960  
less than a serious way we wouldn't

1656  
01:02:31,910 --> 01:02:30,109  
you'll get that sometimes in the

1657  
01:02:35,329 --> 01:02:31,920  
investigative field as well depending on

1658  
01:02:36,950 --> 01:02:35,339  
the Aryan and the situation it you you

1659  
01:02:39,049 --> 01:02:36,960  
never really know what you're gonna get

1660  
01:02:40,430 --> 01:02:39,059  
from from anybody

1661  
01:02:43,250 --> 01:02:40,440  
um but especially from the UFO field

1662  
01:02:45,950 --> 01:02:43,260  
it's it's because that sells emotion

1663  
01:02:47,030 --> 01:02:45,960

cells the information doesn't sell the

1664

01:02:50,809 --> 01:02:47,040

the

1665

01:02:53,230 --> 01:02:50,819

guest clicks that's what that's what

1666

01:02:55,789 --> 01:02:53,240

sells ads that's what gets subscriptions

1667

01:02:57,829 --> 01:02:55,799

but the overall information like that

1668

01:03:00,530 --> 01:02:57,839

was one of the things where you know

1669

01:03:02,809 --> 01:03:00,540

looking at this podcast like yeah

1670

01:03:04,190 --> 01:03:02,819

we could and we've we've always been

1671

01:03:05,510 --> 01:03:04,200

information but it's always been

1672

01:03:06,770 --> 01:03:05,520

entertainment to a certain extent of

1673

01:03:08,630 --> 01:03:06,780

trying to be able to Jazz up the

1674

01:03:11,349 --> 01:03:08,640

information and make it seem cool and

1675

01:03:13,609 --> 01:03:11,359

make it seem fun it's got to be fun

1676

01:03:16,370 --> 01:03:13,619

emotion is fun

1677

01:03:18,349 --> 01:03:16,380

facts and data is School

1678

01:03:21,289 --> 01:03:18,359

people generally shut off when it comes

1679

01:03:23,390 --> 01:03:21,299

to that unless you're you know ADHD like

1680

01:03:24,829 --> 01:03:23,400

myself where it's just like you know you

1681

01:03:26,089 --> 01:03:24,839

see a scene in something and then all of

1682

01:03:28,309 --> 01:03:26,099

a sudden you're on Wikipedia for four

1683

01:03:29,510 --> 01:03:28,319

hours becoming an expert in it you know

1684

01:03:32,630 --> 01:03:29,520

that's

1685

01:03:34,670 --> 01:03:32,640

it it but it from from a an apples to

1686

01:03:35,569 --> 01:03:34,680

oranges yeah man it's always about the

1687

01:03:37,370 --> 01:03:35,579

story

1688

01:03:38,569 --> 01:03:37,380

yeah like that that's that's a fact it's

1689

01:03:41,089 --> 01:03:38,579

been like that for thousands of years

1690

01:03:45,589 --> 01:03:41,099

with humans we've sat around fires you

1691

01:03:46,970 --> 01:03:45,599

know uh passing down a spoken word from

1692

01:03:48,950 --> 01:03:46,980

you know from generation to generation

1693

01:03:50,809 --> 01:03:48,960

since time immemorial

1694

01:03:52,430 --> 01:03:50,819

um when it comes to survival that's

1695

01:03:53,990 --> 01:03:52,440

where the facts come in that's the facts

1696

01:03:55,130 --> 01:03:54,000

come in handy but nobody wants to learn

1697

01:03:56,089 --> 01:03:55,140

them

1698

01:03:59,809 --> 01:03:56,099

yeah

1699

01:04:03,170 --> 01:03:59,819

no that's right I mean I recall um

1700

01:04:05,150 --> 01:04:03,180

listen to Kevin Randall my friend on a

1701

01:04:08,329 --> 01:04:05,160

podcast discussing

1702

01:04:11,030 --> 01:04:08,339

the UFO industry celebrity what have you

1703

01:04:13,789 --> 01:04:11,040

and that he remarked that a show bug you

1704

01:04:15,049 --> 01:04:13,799

opposed has to be about the stories yeah

1705

01:04:16,309 --> 01:04:15,059

not to that

1706

01:04:17,930 --> 01:04:16,319

the show about the data would be

1707

01:04:19,250 --> 01:04:17,940

canceled after two episodes

1708

01:04:21,829 --> 01:04:19,260

he's right

1709

01:04:23,770 --> 01:04:21,839

you know the data does not sell the dad

1710

01:04:26,210 --> 01:04:23,780

didn't get to clicks or likes or viewers

1711

01:04:28,849 --> 01:04:26,220

stories do because they're emotional

1712

01:04:30,770 --> 01:04:28,859

they're admittedly vague but they're

1713

01:04:32,750 --> 01:04:30,780

fascinating they're describing things

1714

01:04:34,190 --> 01:04:32,760

that are anomalous to potential

1715

01:04:36,950 --> 01:04:34,200

extraterrestrial that's fascinating by

1716

01:04:39,589 --> 01:04:36,960

itself discussing the statistical sheet

1717

01:04:42,109 --> 01:04:39,599

of UFO signing for a decade is

1718

01:04:44,690 --> 01:04:42,119

although that wouldn't make much good

1719

01:04:46,849 --> 01:04:44,700

viewership well no well because if if

1720

01:04:48,589 --> 01:04:46,859

people want that if people want facts

1721

01:04:50,390 --> 01:04:48,599

they're going to watch the uh the public

1722

01:04:53,089 --> 01:04:50,400

access television that you know we'll

1723

01:04:55,250 --> 01:04:53,099

preview the local universities uh

1724

01:04:57,170 --> 01:04:55,260

science lectures but when people are

1725

01:04:59,450 --> 01:04:57,180

watching TV if they're if they're tuning

1726

01:05:00,890 --> 01:04:59,460

into Ancient Aliens sure the

1727

01:05:02,510 --> 01:05:00,900

information's there but it's the story

1728

01:05:04,549 --> 01:05:02,520

behind it that it that gets them

1729

01:05:07,250 --> 01:05:04,559

involved because it's Escape

1730

01:05:09,230 --> 01:05:07,260

because most people they're dealing with

1731

01:05:10,849 --> 01:05:09,240

their nine-to-five job they're dealing

1732

01:05:13,010 --> 01:05:10,859

with their hour and a half commute stuck

1733

01:05:14,870 --> 01:05:13,020

in stop and go traffic their you know

1734

01:05:16,010 --> 01:05:14,880

their job that they don't like and

1735

01:05:17,690 --> 01:05:16,020

they're going to want to come home and

1736

01:05:19,370 --> 01:05:17,700

say like oh man eight o'clock let's get

1737

01:05:21,530 --> 01:05:19,380

dinner you know at the coffee table

1738

01:05:23,930 --> 01:05:21,540

let's turn on the TV and let's watch you

1739

01:05:25,730 --> 01:05:23,940

know so and so because for that you know

1740

01:05:28,010 --> 01:05:25,740

for that hour they're learning they're

1741

01:05:32,890 --> 01:05:28,020

hearing about somebody else's

1742

01:05:36,170 --> 01:05:32,900

out of this world uh experience you know

1743

01:05:38,450 --> 01:05:36,180

not not to use a pun versus their own

1744

01:05:41,630 --> 01:05:38,460

mundane nine to five and it's it it's

1745

01:05:43,190 --> 01:05:41,640

it's junk food for the brain yes but

1746

01:05:46,190 --> 01:05:43,200

it's also somebody's ability to

1747

01:05:49,250 --> 01:05:46,200

decompress and it I'm saying that just

1748

01:05:50,630 --> 01:05:49,260

from a factual I don't necessarily agree

1749

01:05:54,710 --> 01:05:50,640

with it

1750

01:05:57,289 --> 01:05:54,720

you know I it sucks that we as people

1751

01:05:58,190 --> 01:05:57,299

especially in in you know the 21st

1752

01:06:00,530 --> 01:05:58,200

century

1753

01:06:02,630 --> 01:06:00,540

go that route

1754

01:06:03,770 --> 01:06:02,640

yeah but you know you've got people who

1755

01:06:05,630 --> 01:06:03,780

want to make a buck they're going to

1756

01:06:07,490 --> 01:06:05,640

capitalize on it what is what is

1757

01:06:09,410 --> 01:06:07,500

something that's very exciting it's

1758

01:06:12,710 --> 01:06:09,420

unknown which is you know it's danger

1759

01:06:14,150 --> 01:06:12,720

it's risk it's it it's uh um you know

1760

01:06:16,130 --> 01:06:14,160

trying to learn something that other

1761

01:06:18,410 --> 01:06:16,140

people don't know about so it hits all

1762

01:06:21,470 --> 01:06:18,420

the bells of oh man I'm gonna learn

1763

01:06:23,690 --> 01:06:21,480

something really cool uh you know and

1764

01:06:24,829 --> 01:06:23,700

just secret and mysterious and I'm going

1765

01:06:27,410 --> 01:06:24,839

to know something that a lot of other

1766

01:06:29,150 --> 01:06:27,420

people aren't gonna know and that's

1767

01:06:31,430 --> 01:06:29,160

really that's really sexy to a lot of

1768

01:06:35,109 --> 01:06:32,690

yeah

1769

01:06:40,910 --> 01:06:39,049

Venus and I uh went to go see um

1770

01:06:42,770 --> 01:06:40,920

months ago the latest Jurassic Park

1771

01:06:45,289 --> 01:06:42,780

movie I can't recall the actual full

1772

01:06:48,010 --> 01:06:45,299

name of it

1773

01:06:50,029 --> 01:06:48,020

yeah later or something I think yeah

1774

01:06:52,789 --> 01:06:50,039

personally though late in the movie

1775

01:06:54,650 --> 01:06:52,799

every single species of animal in the

1776

01:06:56,270 --> 01:06:54,660

movie is a dinosaur

1777

01:06:57,710 --> 01:06:56,280

save one

1778

01:06:58,910 --> 01:06:57,720

toward the end of the movie there the

1779

01:07:01,010 --> 01:06:58,920

the main characters are trying to escape

1780

01:07:02,630 --> 01:07:01,020

they're in this underground tunnel and

1781

01:07:06,230 --> 01:07:02,640

they come across that species of

1782

01:07:07,970 --> 01:07:06,240

Dimetrodon which was a a mammal like

1783

01:07:09,829 --> 01:07:07,980

reptile that appeared prior to the

1784

01:07:11,870 --> 01:07:09,839

dinosaurs

1785

01:07:14,809 --> 01:07:11,880

um and

1786

01:07:17,029 --> 01:07:14,819

that animal has been mislabeled for

1787

01:07:18,589 --> 01:07:17,039

decades as a dinosaur it isn't it's it's

1788

01:07:20,450 --> 01:07:18,599

a reptile but it's not a dinosaur it's

1789

01:07:23,270 --> 01:07:20,460

not for that group so wrote A Blog about

1790

01:07:26,990 --> 01:07:23,280

it and people just people liked that

1791

01:07:29,510 --> 01:07:27,000

kind of they kind of uh write up about a

1792

01:07:31,609 --> 01:07:29,520

something that's not UFO related but I

1793

01:07:34,309 --> 01:07:31,619

make a I make a point to write it in a

1794

01:07:35,990 --> 01:07:34,319

way that's enjoyable to read if I I

1795

01:07:37,910 --> 01:07:36,000

wrote it twice

1796

01:07:39,529 --> 01:07:37,920

and didn't post it because it came off

1797

01:07:41,329 --> 01:07:39,539

as a lecture

1798

01:07:42,890 --> 01:07:41,339

as opposed to I wanted to write about a

1799

01:07:44,990 --> 01:07:42,900

fascinating animal that lived millions

1800

01:07:47,450 --> 01:07:45,000

of years ago there wasn't a dinosaur but

1801

01:07:49,010 --> 01:07:47,460

was special is a way once I got it

1802

01:07:51,470 --> 01:07:49,020

written the way I wanted to

1803

01:07:54,049 --> 01:07:51,480

then I posted it so is that effort to

1804

01:07:56,690 --> 01:07:54,059

convey information but in a way that's

1805

01:07:59,990 --> 01:07:56,700

enjoyable and not coming off as a

1806

01:08:01,370 --> 01:08:00,000

uh you know a college uh lecture it

1807

01:08:04,490 --> 01:08:01,380

becomes boring then you lose the

1808

01:08:06,289 --> 01:08:04,500

attention of the readers and I'm very

1809

01:08:08,450 --> 01:08:06,299

lucky that a lot of my readers are

1810

01:08:10,849 --> 01:08:08,460

enamored with science they

1811

01:08:13,130 --> 01:08:10,859

uh don't mind the non-paragraphs they

1812

01:08:16,070 --> 01:08:13,140

they like the most stuff they like other

1813

01:08:18,349 --> 01:08:16,080

topics that are you know no you are

1814

01:08:21,110 --> 01:08:18,359

related and they like the banter they

1815

01:08:22,309 --> 01:08:21,120

like to ask questions and some seem to

1816

01:08:24,110 --> 01:08:22,319

like when I say you know I don't know

1817

01:08:25,729 --> 01:08:24,120

that that I've tons of time to do some

1818

01:08:27,890 --> 01:08:25,739

research I don't know about that topic

1819

01:08:29,689 --> 01:08:27,900

you know uh I'm not very lucky that way

1820

01:08:31,970 --> 01:08:29,699

and maybe maybe people have seen my blog

1821

01:08:34,309 --> 01:08:31,980

and say this is a place where nonsense

1822

01:08:36,530 --> 01:08:34,319

does not go on it's not tolerated my

1823

01:08:39,169 --> 01:08:36,540

blog is all about accurate information

1824

01:08:42,229 --> 01:08:39,179

exchange of ideas opinions the

1825

01:08:43,970 --> 01:08:42,239

conversation critical thinking so it

1826

01:08:46,130 --> 01:08:43,980

attracts those kind of individuals and

1827

01:08:47,090 --> 01:08:46,140

I'm very lucky to have those readers you

1828

01:08:48,530 --> 01:08:47,100

know

1829

01:08:50,090 --> 01:08:48,540

um actually pay attention to what I'm

1830

01:08:52,249 --> 01:08:50,100

writing so that's a good thing I guess

1831

01:08:54,229 --> 01:08:52,259

well that was the entertaining part and

1832

01:08:56,630 --> 01:08:54,239

I know from your blog and you know I

1833

01:08:59,930 --> 01:08:56,640

like to I'm not going to say apologize

1834

01:09:01,430 --> 01:08:59,940

but just at least there was that one

1835

01:09:03,650 --> 01:09:01,440

person that I think I commented on and

1836

01:09:05,689 --> 01:09:03,660

they said something along the lines of

1837

01:09:08,209 --> 01:09:05,699

uh because I'm known for my smart-ass

1838

01:09:10,970 --> 01:09:08,219

com my smart alec comments that's that's

1839

01:09:12,229 --> 01:09:10,980

kind of my shtick and I I'm just also

1840

01:09:14,030 --> 01:09:12,239

going to find it funny that through this

1841

01:09:15,950 --> 01:09:14,040

podcast for anybody who watches it it's

1842

01:09:17,689 --> 01:09:15,960

like I've steadily just become more and

1843

01:09:18,950 --> 01:09:17,699

more reclined as the time goes on it's

1844

01:09:22,370 --> 01:09:18,960

like oh man it must be in the second

1845

01:09:23,510 --> 01:09:22,380

hour Chris has got his feet up and man I

1846

01:09:25,849 --> 01:09:23,520

haven't I'm not used to having a couch

1847

01:09:26,809 --> 01:09:25,859

on a podcast so this is this is new for

1848

01:09:28,070 --> 01:09:26,819

me

1849

01:09:30,769 --> 01:09:28,080

um

1850

01:09:32,809 --> 01:09:30,779

and you know they had said something

1851

01:09:34,370 --> 01:09:32,819

and I'm like like well William Tell like

1852

01:09:37,309 --> 01:09:34,380

tell them who I am when you know the bad

1853

01:09:38,809 --> 01:09:37,319

boy morphology and I'm like no that was

1854

01:09:41,510 --> 01:09:38,819

probably not appropriate and it's like

1855

01:09:45,050 --> 01:09:41,520

okay well but it's also kind of my brand

1856

01:09:47,749 --> 01:09:45,060

to be that I'm not like jackass light as

1857

01:09:49,970 --> 01:09:47,759

it were so you know but it's it's

1858

01:09:51,410 --> 01:09:49,980

interesting to see that like yes you do

1859

01:09:52,729 --> 01:09:51,420

have people who are interested that is

1860

01:09:53,990 --> 01:09:52,739

their entertainment whether it's not

1861

01:09:56,689 --> 01:09:54,000

necessarily about

1862

01:09:58,430 --> 01:09:56,699

the the story the story is you

1863

01:09:59,450 --> 01:09:58,440

presenting the information and their

1864

01:10:01,430 --> 01:09:59,460

Entertainment Systems to be able to

1865

01:10:03,709 --> 01:10:01,440

discuss with one another about what that

1866

01:10:05,090 --> 01:10:03,719

information entails so they're getting

1867

01:10:06,830 --> 01:10:05,100

they're getting their enjoyment and

1868

01:10:08,750 --> 01:10:06,840

their escape out of that which is a very

1869

01:10:10,910 --> 01:10:08,760

Niche audience

1870

01:10:13,130 --> 01:10:10,920

um you know look you're you're in you're

1871

01:10:16,870 --> 01:10:13,140

you're in influence or territory as as

1872

01:10:21,110 --> 01:10:18,950

that that blogger wrote about the

1873

01:10:22,850 --> 01:10:21,120

dimetrodon well the comments I got from

1874

01:10:25,550 --> 01:10:22,860

one of my readers was

1875

01:10:26,930 --> 01:10:25,560

um uh great rodent William I didn't know

1876

01:10:28,430 --> 01:10:26,940  
about this animal thanks for the

1877

01:10:30,050 --> 01:10:28,440  
information

1878

01:10:32,270 --> 01:10:30,060  
they just blur something new you know

1879

01:10:33,770 --> 01:10:32,280  
and invariably these are all topics I

1880

01:10:36,470 --> 01:10:33,780  
write about that I'm learning about too

1881

01:10:38,510 --> 01:10:36,480  
and if I write a blog about the extinct

1882

01:10:40,669 --> 01:10:38,520  
animal or you opposed signing or what

1883

01:10:42,709 --> 01:10:40,679  
have you God don't take my research and

1884

01:10:45,169 --> 01:10:42,719  
do some more in-depth reading and

1885

01:10:46,850 --> 01:10:45,179  
searching for information

1886

01:10:49,130 --> 01:10:46,860  
because I don't know everything I don't

1887

01:10:50,930 --> 01:10:49,140  
I'm I'm a pretty good in person I want

1888

01:10:53,870 --> 01:10:50,940

to find out about things I don't know

1889

01:10:55,189 --> 01:10:53,880

about them and so that effort to find

1890

01:10:57,050 --> 01:10:55,199

out more information about something I'm

1891

01:10:59,450 --> 01:10:57,060

fascinated by and then convey that into

1892

01:11:02,930 --> 01:10:59,460

a Blog I like that effort I like that

1893

01:11:05,630 --> 01:11:02,940

because it it the effort to try to

1894

01:11:07,910 --> 01:11:05,640

frame the data in a way that's enjoyable

1895

01:11:09,649 --> 01:11:07,920

to read as opposed to just

1896

01:11:12,950 --> 01:11:09,659

something boring

1897

01:11:15,470 --> 01:11:12,960

um and then the search search the

1898

01:11:19,790 --> 01:11:15,480

wonderful tool Google to find images of

1899

01:11:22,070 --> 01:11:19,800

the animal or individuals that that are

1900

01:11:25,070 --> 01:11:22,080

um part of your vocation we're not that

1901

01:11:27,890 --> 01:11:25,080

whole process is enjoyable and whether

1902

01:11:29,930 --> 01:11:27,900

it's photographs images or the actual

1903

01:11:31,370 --> 01:11:29,940

blog most of that stuff I actually

1904

01:11:33,169 --> 01:11:31,380

delete and don't post at all because I

1905

01:11:35,270 --> 01:11:33,179

end up rewriting it and reframing it so

1906

01:11:37,010 --> 01:11:35,280

yeah how do you come up with the idea

1907

01:11:39,169 --> 01:11:37,020

does it just like hit you because you

1908

01:11:40,610 --> 01:11:39,179

see something more you know you read

1909

01:11:41,810 --> 01:11:40,620

about something or see something on TV

1910

01:11:44,510 --> 01:11:41,820

and you're like oh I should write about

1911

01:11:48,350 --> 01:11:44,520

that or do you do you plan out your your

1912

01:11:52,850 --> 01:11:49,850

it really does

1913

01:11:55,010 --> 01:11:52,860

it's possible but no I I I try to stay

1914

01:11:56,630 --> 01:11:55,020

more focused on you opposed but in

1915

01:11:57,890 --> 01:11:56,640

recent months I've been kind of

1916

01:12:00,590 --> 01:11:57,900

exploring

1917

01:12:02,950 --> 01:12:00,600

Island biogeography extinct animals that

1918

01:12:05,390 --> 01:12:02,960

we've made extinct through our own

1919

01:12:08,810 --> 01:12:05,400

efforts humans

1920

01:12:10,610 --> 01:12:08,820

um and astronomy the thing is that that

1921

01:12:12,229 --> 01:12:10,620

uh that have been fascinating to me

1922

01:12:13,189 --> 01:12:12,239

since I was a kid

1923

01:12:14,930 --> 01:12:13,199

um

1924

01:12:18,169 --> 01:12:14,940

and but it really is Pops in my head

1925

01:12:19,790 --> 01:12:18,179

whether it's the great awk or or I write

1926

01:12:21,470 --> 01:12:19,800

a blog about a moon that might have

1927

01:12:22,370 --> 01:12:21,480

liquid water under service or what have

1928

01:12:24,169 --> 01:12:22,380

you

1929

01:12:27,290 --> 01:12:24,179

I've always been a fan of Science and

1930

01:12:29,149 --> 01:12:27,300

Math so those ideas just pop in my head

1931

01:12:30,649 --> 01:12:29,159

um there was one day I was out giving a

1932

01:12:32,090 --> 01:12:30,659

few lessons in the morning got back home

1933

01:12:34,010 --> 01:12:32,100

and

1934

01:12:36,890 --> 01:12:34,020

it was one day where the moon was out

1935

01:12:38,750 --> 01:12:36,900

during daylight hours and

1936

01:12:40,130 --> 01:12:38,760

um I looked up and I for some reason

1937

01:12:41,689 --> 01:12:40,140

popped in my head I thought you know

1938

01:12:43,910 --> 01:12:41,699

what I wonder what that move would look

1939

01:12:45,830 --> 01:12:43,920

like on the surface of Saturn

1940

01:12:47,930 --> 01:12:45,840

but it obviously is darker there than

1941

01:12:48,830 --> 01:12:47,940

also sorry Saturn is much further than

1942

01:12:51,110 --> 01:12:48,840

the Sun

1943

01:12:52,970 --> 01:12:51,120

but this idea so I'll write a blog about

1944

01:12:54,470 --> 01:12:52,980

that is a little more research and

1945

01:12:56,270 --> 01:12:54,480

things I already knew

1946

01:12:58,070 --> 01:12:56,280

to some degree about but just a little

1947

01:12:59,450 --> 01:12:58,080

more information and brought it up and

1948

01:13:01,310 --> 01:12:59,460

it came out pretty good I posted people

1949

01:13:03,530 --> 01:13:01,320

liked it so but you're right I have my

1950

01:13:07,729 --> 01:13:03,540

my readers are there's a certain kind of

1951

01:13:09,649 --> 01:13:07,739

person that likes what I'm doing

1952

01:13:12,830 --> 01:13:09,659

um just conveying data in a way that's

1953

01:13:14,689 --> 01:13:12,840

enjoyable to read yeah it's a niche of

1954

01:13:16,550 --> 01:13:14,699

readers that like that

1955

01:13:17,630 --> 01:13:16,560

um I don't know if I'm I don't know if

1956

01:13:19,130 --> 01:13:17,640

that's the norm

1957

01:13:20,450 --> 01:13:19,140

but it seems like the majority of my

1958

01:13:22,310 --> 01:13:20,460

readers really like that kind of stuff

1959

01:13:24,590 --> 01:13:22,320

and then ask questions and exchange

1960

01:13:26,030 --> 01:13:24,600

ideas with each other not just me per se

1961

01:13:27,770 --> 01:13:26,040

but with each other and I like that

1962

01:13:29,510 --> 01:13:27,780

because I get to read their comments and

1963

01:13:31,390 --> 01:13:29,520

see how this guy's using his brain this

1964

01:13:34,189 --> 01:13:31,400

guy's thinking and then oftentimes

1965

01:13:36,410 --> 01:13:34,199

individuals will comment with each other

1966

01:13:38,630 --> 01:13:36,420

back and forth and it'll give me an idea

1967

01:13:40,610 --> 01:13:38,640

about another blog or I'll or I'll jump

1968

01:13:43,189 --> 01:13:40,620

into making comment like you know what

1969

01:13:45,830 --> 01:13:43,199

have you I like that that

1970

01:13:47,390 --> 01:13:45,840

um level of interaction so you know it's

1971

01:13:50,470 --> 01:13:47,400

really enjoyable I'm starting to think

1972

01:13:54,110 --> 01:13:50,480

that people think that I might hate you

1973

01:13:56,570 --> 01:13:54,120

no now I'm just like I post like one

1974

01:13:58,250 --> 01:13:56,580

word and I every single time I post in

1975

01:14:01,310 --> 01:13:58,260

your blog it's just because like you and

1976

01:14:03,410 --> 01:14:01,320

I like I will read your posts you and I

1977

01:14:05,930 --> 01:14:03,420

will talk back and forth on Facebook so

1978

01:14:08,510 --> 01:14:05,940

for me the uh and my Facebook is

1979

01:14:10,430 --> 01:14:08,520

essentially now basically my friends so

1980

01:14:13,250 --> 01:14:10,440

you know you're you're on my feed

1981

01:14:14,689 --> 01:14:13,260

constantly because of that now and I'm

1982

01:14:16,310 --> 01:14:14,699

like okay I look at it from like just

1983

01:14:18,169 --> 01:14:16,320

the microcosm of your posting and I'm

1984

01:14:20,390 --> 01:14:18,179

commenting on it not necessarily

1985

01:14:22,250 --> 01:14:20,400

realizing oh my God he's got like 8 000

1986

01:14:23,930 --> 01:14:22,260

people who read this thing on a constant

1987

01:14:25,430 --> 01:14:23,940

basis so there's probably a lot of

1988

01:14:27,530 --> 01:14:25,440

people out there who are going like man

1989

01:14:29,810 --> 01:14:27,540

this this Chris guy thinks that you know

1990

01:14:32,810 --> 01:14:29,820

it must be real dick he's so mean to

1991

01:14:34,070 --> 01:14:32,820

William all the time like I'm like no

1992

01:14:36,770 --> 01:14:34,080

I'm just

1993

01:14:40,550 --> 01:14:36,780

no we're just it's just two guys just

1994

01:14:44,510 --> 01:14:40,560

you know busting each other's balls in a

1995

01:14:46,189 --> 01:14:44,520

friendly way so that to me is

1996

01:14:49,070 --> 01:14:46,199

like that kind of self-awareness is like

1997

01:14:51,530 --> 01:14:49,080

oh my God uh kind of embarrassing and

1998

01:14:52,910 --> 01:14:51,540

it's also kind of funny too like from A

1999

01:14:55,250 --> 01:14:52,920

Very Metal level

2000

01:14:57,110 --> 01:14:55,260

and I I look at you know other people

2001

01:15:00,010 --> 01:14:57,120

who are like they they search for that

2002

01:15:03,890 --> 01:15:00,020

that that connection that community that

2003

01:15:05,090 --> 01:15:03,900

long-standing uh um uh interaction and

2004

01:15:06,649 --> 01:15:05,100

it's part of their day it's part of

2005

01:15:08,149 --> 01:15:06,659

their community and I just you know in

2006

01:15:10,189 --> 01:15:08,159

people like myself will just come in and

2007

01:15:12,770 --> 01:15:10,199

just [h\_\_h] all over it and make a mockery

2008

01:15:15,470 --> 01:15:12,780

of it not knowing that that's what

2009

01:15:17,930 --> 01:15:15,480

they're looking for yeah so you know

2010

01:15:19,970 --> 01:15:17,940

that's kind of part of the uh um

2011

01:15:22,330 --> 01:15:19,980

that's part and parcel the learn some

2012

01:15:25,070 --> 01:15:22,340

cool [h\_\_h] some sometimes about yourself

2013

01:15:27,229 --> 01:15:25,080

uh and

2014

01:15:28,669 --> 01:15:27,239

when you

2015

01:15:30,410 --> 01:15:28,679

it's it's

2016

01:15:32,149 --> 01:15:30,420

empowering to know that you have people

2017

01:15:34,729 --> 01:15:32,159

out there that do look for that and and

2018

01:15:37,850 --> 01:15:34,739

yeah it shows a certain hype not high

2019

01:15:39,410 --> 01:15:37,860

brownness or elitism but yeah like

2020

01:15:41,450 --> 01:15:39,420

you've got people who are going to just

2021

01:15:42,649 --> 01:15:41,460

discuss a topic back and forth because

2022

01:15:44,870 --> 01:15:42,659

they're interested in it and because

2023

01:15:46,189 --> 01:15:44,880

they like the person you know they want

2024

01:15:48,890 --> 01:15:46,199

to support you they want to support the

2025

01:15:50,270 --> 01:15:48,900

ideas they want to support the page and

2026

01:15:51,709 --> 01:15:50,280

and they like what you're putting out

2027

01:15:53,870 --> 01:15:51,719

and they believe in what you're doing

2028

01:15:55,970 --> 01:15:53,880

they believe in the brand

2029

01:15:57,470 --> 01:15:55,980

so they're going to they're going to

2030

01:16:00,350 --> 01:15:57,480

interact they're going to like the page

2031

01:16:01,610 --> 01:16:00,360

and they want to see you succeed

2032

01:16:04,910 --> 01:16:01,620

so

2033

01:16:06,770 --> 01:16:04,920

you know if you getting enjoyment out of

2034

01:16:07,910 --> 01:16:06,780

the discussion is as much as the

2035

01:16:09,169 --> 01:16:07,920

enjoyment that they're getting out of

2036

01:16:10,790 --> 01:16:09,179

you posting it

2037

01:16:13,189 --> 01:16:10,800

so

2038

01:16:14,810 --> 01:16:13,199

how would you

2039

01:16:16,189 --> 01:16:14,820

think that they would reactive like

2040

01:16:18,229 --> 01:16:16,199

let's say you don't post for a while

2041

01:16:20,030 --> 01:16:18,239

like do you get to a point where if you

2042

01:16:21,709 --> 01:16:20,040

let's say are sick or you go on a trip

2043

01:16:23,450 --> 01:16:21,719

or something that they will come back

2044

01:16:24,649 --> 01:16:23,460

and comment and say well man where's

2045

01:16:26,630 --> 01:16:24,659

William you haven't you haven't done

2046

01:16:27,830 --> 01:16:26,640

anything in like you know four days

2047

01:16:30,649 --> 01:16:27,840

what's up

2048

01:16:33,830 --> 01:16:30,659

I don't know that's interesting

2049

01:16:35,270 --> 01:16:33,840

um I don't know it's the dynamic the

2050

01:16:37,550 --> 01:16:35,280

dynamic is very interesting because my

2051

01:16:38,990 --> 01:16:37,560

personal account on Facebook

2052

01:16:40,610 --> 01:16:39,000

a number of people actually have my

2053

01:16:42,350 --> 01:16:40,620

friends on Facebook is very short people

2054

01:16:44,450 --> 01:16:42,360

I've interacted with a lot good friends

2055

01:16:46,729 --> 01:16:44,460

with a method of a person or not it's

2056

01:16:50,090 --> 01:16:46,739

very small my friends list on Facebook

2057

01:16:51,110 --> 01:16:50,100

is less than one 190 it's very small

2058

01:16:54,470 --> 01:16:51,120

list

2059

01:16:56,750 --> 01:16:54,480

and on my blog you've got almost 8 000

2060

01:16:58,790 --> 01:16:56,760

readers and whatnot I really don't give

2061

01:16:59,870 --> 01:16:58,800

them any glimpses into my personal life

2062

01:17:02,209 --> 01:16:59,880

per se

2063

01:17:03,950 --> 01:17:02,219

emotional married they know I'm into

2064

01:17:05,750 --> 01:17:03,960

science and math occasional makeup

2065

01:17:08,270 --> 01:17:05,760

reference to something I did my personal

2066

01:17:09,590 --> 01:17:08,280

life but generally not they're my

2067

01:17:12,410 --> 01:17:09,600

readers are much more knowledgeable

2068

01:17:14,050 --> 01:17:12,420

about me as a thinker how I think or

2069

01:17:16,430 --> 01:17:14,060

don't think as occasion to be whatever

2070

01:17:19,490 --> 01:17:16,440

they really don't know my personal life

2071

01:17:22,250 --> 01:17:19,500

at all uh so I get two different points

2072

01:17:24,050 --> 01:17:22,260

of view but if I didn't post for a

2073

01:17:25,310 --> 01:17:24,060

protracted to bring in a time I don't

2074

01:17:27,350 --> 01:17:25,320

know what people would think I don't

2075

01:17:29,630 --> 01:17:27,360

know because I'm so used to blogging at

2076

01:17:31,669 --> 01:17:29,640

least once a day if not twice a day or

2077

01:17:34,430 --> 01:17:31,679

sharing something I see on your page or

2078

01:17:36,530 --> 01:17:34,440

drunk remotes page or post a video from

2079

01:17:39,410 --> 01:17:36,540

Kevin or whatever there's only something

2080

01:17:41,689 --> 01:17:39,420

I'm keeping it active

2081

01:17:44,030 --> 01:17:41,699

um and part of that is because I get so

2082

01:17:46,430 --> 01:17:44,040

many comments and interactions if I

2083

01:17:48,350 --> 01:17:46,440

didn't I wouldn't feel so pressured I'm

2084

01:17:50,930 --> 01:17:48,360

not feeling pressure but I wouldn't feel

2085

01:17:52,430 --> 01:17:50,940

so motivated to post all the time but I

2086

01:17:53,630 --> 01:17:52,440

feel like with all these interactions I

2087

01:17:54,890 --> 01:17:53,640

get so much conversation people

2088

01:17:56,330 --> 01:17:54,900

commenting

2089

01:17:57,890 --> 01:17:56,340  
whether I agree with it or not the

2090

01:17:59,450 --> 01:17:57,900  
interaction is important

2091

01:18:01,189 --> 01:17:59,460  
it feels like okay I'm not wasting my

2092

01:18:03,770 --> 01:18:01,199  
time here people are interacting And

2093

01:18:05,510 --> 01:18:03,780  
discussing these topics openly okay I'll

2094

01:18:06,470 --> 01:18:05,520  
keep posting because I'm making them use

2095

01:18:08,330 --> 01:18:06,480  
their brain they're comfortable

2096

01:18:10,189 --> 01:18:08,340  
discussing things on the Block knowing

2097

01:18:12,229 --> 01:18:10,199  
that it's a safe place or not we attack

2098

01:18:13,669 --> 01:18:12,239  
I'm not going to tolerate any kind of

2099

01:18:16,250 --> 01:18:13,679  
out of balance Behavior but I do like

2100

01:18:19,370 --> 01:18:16,260  
interactions and exchanges that's all

2101  
01:18:20,770 --> 01:18:19,380  
good I saw that so I'm saying I'm going

2102  
01:18:23,770 --> 01:18:20,780  
like man I'm

2103  
01:18:25,910 --> 01:18:23,780  
I'm realizing how much you like me

2104  
01:18:27,770 --> 01:18:25,920  
oh I love you Chris with the under

2105  
01:18:30,410 --> 01:18:27,780  
trouble I've caused and not necessarily

2106  
01:18:32,450 --> 01:18:30,420  
realized it so uh you know thank you

2107  
01:18:34,910 --> 01:18:32,460  
that's awesome and at the same time to

2108  
01:18:37,130 --> 01:18:34,920  
all of your listeners I'm sorry for

2109  
01:18:39,709 --> 01:18:37,140  
anything even if it's like just you know

2110  
01:18:42,110 --> 01:18:39,719  
me just being me but I haven't been

2111  
01:18:45,110 --> 01:18:42,120  
meaning for for many many years so I've

2112  
01:18:47,689 --> 01:18:45,120  
I'm well sure but it that warms my heart

2113  
01:18:50,810 --> 01:18:47,699

at least and that's really really cool

2114

01:18:52,850 --> 01:18:50,820

um now how have you kept your level head

2115

01:18:53,990 --> 01:18:52,860

when you're dealing with these you know

2116

01:18:55,490 --> 01:18:54,000

like all you're talking about like all

2117

01:18:58,550 --> 01:18:55,500

these interactions you've got all these

2118

01:18:59,870 --> 01:18:58,560

people and you know you you obviously

2119

01:19:01,850 --> 01:18:59,880

understand that you have a certain

2120

01:19:03,110 --> 01:19:01,860

amount of influence within this within

2121

01:19:05,510 --> 01:19:03,120

this community and you've built this uh

2122

01:19:07,370 --> 01:19:05,520

this you know UFO information sharing

2123

01:19:08,330 --> 01:19:07,380

discussion community

2124

01:19:11,270 --> 01:19:08,340

um

2125

01:19:14,270 --> 01:19:11,280

like how how have like how do you look

2126

01:19:16,610 --> 01:19:14,280

at that knowing that you can

2127

01:19:19,790 --> 01:19:16,620

grab so many eyes or grab so much

2128

01:19:21,590 --> 01:19:19,800

attention uh like how have you kept your

2129

01:19:23,330 --> 01:19:21,600

level head to not let it go like okay

2130

01:19:24,890 --> 01:19:23,340

well now I'm going to monetize this and

2131

01:19:27,410 --> 01:19:24,900

you know I'm gonna start you know

2132

01:19:29,510 --> 01:19:27,420

posting every third post as an ad or

2133

01:19:34,070 --> 01:19:29,520

something like that

2134

01:19:36,110 --> 01:19:34,080

uh I mean but one or not I mean the list

2135

01:19:37,610 --> 01:19:36,120

of programs I'll go along is pavely

2136

01:19:39,910 --> 01:19:37,620

shorts

2137

01:19:42,770 --> 01:19:39,920

uh yours

2138

01:19:46,430 --> 01:19:42,780

uh Everett themers program exception 13

2139

01:19:48,410 --> 01:19:46,440

and then Jim allards uh the mounted

2140

01:19:50,209 --> 01:19:48,420

report that's it shout out to the

2141

01:19:52,130 --> 01:19:50,219

mallard report uh yeah I forget I

2142

01:19:54,530 --> 01:19:52,140

believe it's live every Tuesday at 7 00

2143

01:19:56,570 --> 01:19:54,540

PM Central I I forget sorry Jim Dem

2144

01:19:58,550 --> 01:19:56,580

killing it's been a while Central yeah

2145

01:20:02,270 --> 01:19:58,560

okay so there you go

2146

01:20:04,970 --> 01:20:02,280

yeah and uh so I just don't go on shows

2147

01:20:07,130 --> 01:20:04,980

that promote and embrace nonsensical

2148

01:20:10,130 --> 01:20:07,140

content I won't do that

2149

01:20:12,530 --> 01:20:10,140

um I don't make any appears as

2150

01:20:15,169 --> 01:20:12,540

accomplish the questions anymore uh

2151  
01:20:16,610 --> 01:20:15,179  
Venus and I were burned late last year

2152  
01:20:19,370 --> 01:20:16,620  
in San Antonio

2153  
01:20:21,350 --> 01:20:19,380  
uh we were pretty much in charge of

2154  
01:20:23,450 --> 01:20:21,360  
organizing a vegetable scheduling

2155  
01:20:25,070 --> 01:20:23,460  
secrets and we got stabbed in the back

2156  
01:20:28,070 --> 01:20:25,080  
so we're done

2157  
01:20:30,770 --> 01:20:28,080  
um so all our International online what

2158  
01:20:34,490 --> 01:20:30,780  
happened with that and sorry conference

2159  
01:20:36,169 --> 01:20:34,500  
uh yeah we uh uh before Venus and I met

2160  
01:20:38,810 --> 01:20:36,179  
I was in charge of scheduling speakers

2161  
01:20:41,270 --> 01:20:38,820  
for the Wonderland UFO Festival here in

2162  
01:20:43,669 --> 01:20:41,280  
San Antonio I've heard of that scheduled

2163  
01:20:44,930 --> 01:20:43,679

I scheduled Venus to speak at this

2164

01:20:48,530 --> 01:20:44,940

year's Festival

2165

01:20:50,030 --> 01:20:48,540

and was asked by the by the uh

2166

01:20:51,830 --> 01:20:50,040

organization of the event to take her

2167

01:20:54,709 --> 01:20:51,840

off

2168

01:20:58,189 --> 01:20:54,719

for personal reasons not professional

2169

01:21:00,169 --> 01:20:58,199

reasons personal reasons and I said well

2170

01:21:03,910 --> 01:21:00,179

what kind of personal

2171

01:21:06,410 --> 01:21:03,920

like like are we talking like you know

2172

01:21:07,490 --> 01:21:06,420

we all know that the UFO Community can

2173

01:21:10,010 --> 01:21:07,500

attract a certain type of people

2174

01:21:11,450 --> 01:21:10,020

depending on like or are we talking

2175

01:21:13,970 --> 01:21:11,460

they're just being me like we're talking

2176

01:21:16,070 --> 01:21:13,980

like oh this person's you know like uh

2177

01:21:19,630 --> 01:21:16,080

you know girls can't be a part of this

2178

01:21:22,370 --> 01:21:19,640

club or which which is insane backwards

2179

01:21:25,130 --> 01:21:22,380

this person was a woman or is it woman

2180

01:21:26,750 --> 01:21:25,140

and

2181

01:21:29,090 --> 01:21:26,760

she was on my friends list on Facebook

2182

01:21:30,709 --> 01:21:29,100

so she was aware of kill Venus and I our

2183

01:21:31,970 --> 01:21:30,719

relationship or what have you as as

2184

01:21:35,330 --> 01:21:31,980

we've gotten closer and closer together

2185

01:21:37,370 --> 01:21:35,340

will she use that information to

2186

01:21:39,229 --> 01:21:37,380

uh people who told me that this woman

2187

01:21:41,030 --> 01:21:39,239

had a crush on me

2188

01:21:43,970 --> 01:21:41,040

she had feelings toward me when they

2189

01:21:46,370 --> 01:21:43,980

were inappropriate and he based her

2190

01:21:47,750 --> 01:21:46,380

Perpetual decision on personal

2191

01:21:49,310 --> 01:21:47,760

information

2192

01:21:52,250 --> 01:21:49,320

that's no place

2193

01:21:54,350 --> 01:21:52,260

no whatsoever you know and so Playing

2194

01:21:55,910 --> 01:21:54,360

devil's advocate can can you can you

2195

01:21:57,350 --> 01:21:55,920

look at it from the perspective and I'm

2196

01:21:59,390 --> 01:21:57,360

looking at it from like you know former

2197

01:22:00,410 --> 01:21:59,400

Rave promoter where we're like we're

2198

01:22:02,209 --> 01:22:00,420

going to throw a rave and book our

2199

01:22:05,050 --> 01:22:02,219

friends type of thing instead of like

2200

01:22:08,030 --> 01:22:05,060

supporting the scene by booking local so

2201

01:22:10,430 --> 01:22:08,040

they're looking at it from like well

2202

01:22:12,050 --> 01:22:10,440

you know like well this spot could go to

2203

01:22:13,610 --> 01:22:12,060

somebody else instead of one of your

2204

01:22:15,530 --> 01:22:13,620

friends or somebody's got a crush on you

2205

01:22:17,750 --> 01:22:15,540

and by the way you married the woman and

2206

01:22:18,950 --> 01:22:17,760

she's amazing so she technically was

2207

01:22:19,970 --> 01:22:18,960

right on that that she didn't have a

2208

01:22:22,310 --> 01:22:19,980

crush on you

2209

01:22:24,590 --> 01:22:22,320

but at the same time it's like no you're

2210

01:22:27,649 --> 01:22:24,600

in charge of booking you can book Elmo

2211

01:22:29,870 --> 01:22:27,659

and Big Bird if you want to it doesn't

2212

01:22:32,630 --> 01:22:29,880

really freaking matter are they pain

2213

01:22:34,010 --> 01:22:32,640

like was this person paying for like any

2214

01:22:38,590 --> 01:22:34,020

part of it were they like or were they

2215

01:22:41,750 --> 01:22:38,600

just some random Joe person who

2216

01:22:44,169 --> 01:22:41,760

was all volunteer work all volunteer

2217

01:22:46,610 --> 01:22:44,179

then and um

2218

01:22:49,370 --> 01:22:46,620

was to schedule speakers they're

2219

01:22:52,310 --> 01:22:49,380

grounded and critical thinkers serious

2220

01:22:53,930 --> 01:22:52,320

researchers in the topic not Riff Raff

2221

01:22:57,830 --> 01:22:53,940

and

2222

01:23:02,169 --> 01:22:57,840

so I was asked to Ruby this is a speaker

2223

01:23:05,149 --> 01:23:02,179

I said I won't do that I'm going to

2224

01:23:06,050 --> 01:23:05,159

uh terminate my affiliation with the

2225

01:23:07,370 --> 01:23:06,060

festival

2226

01:23:09,470 --> 01:23:07,380

that was that

2227

01:23:11,810 --> 01:23:09,480

and Venus has not heard from the

2228

01:23:12,770 --> 01:23:11,820

festival to confirm her termination as

2229

01:23:15,110 --> 01:23:12,780

the speaker

2230

01:23:16,970 --> 01:23:15,120

to this book to this day nothing

2231

01:23:19,550 --> 01:23:16,980

which is a level of unprofessional

2232

01:23:21,709 --> 01:23:19,560

conduct so

2233

01:23:23,870 --> 01:23:21,719

um says no more festivals yeah I do very

2234

01:23:26,630 --> 01:23:23,880

few programs and so

2235

01:23:29,270 --> 01:23:26,640

uh now it's all online writing and

2236

01:23:31,189 --> 01:23:29,280

blogging in and whatever programs I'll

2237

01:23:33,709 --> 01:23:31,199

do on my own or this outstanding this

2238

01:23:35,209 --> 01:23:33,719

outstanding program uh that's about it

2239

01:23:37,010 --> 01:23:35,219

and

2240

01:23:39,229 --> 01:23:37,020

so

2241

01:23:41,090 --> 01:23:39,239

um people have asked me several times I

2242

01:23:43,130 --> 01:23:41,100

said well you you promote

2243

01:23:45,590 --> 01:23:43,140

the mallard report you you promote

2244

01:23:47,209 --> 01:23:45,600

extension 13. you promote dead of War

2245

01:23:49,550 --> 01:23:47,219

why is that that's it because they're

2246

01:23:51,050 --> 01:23:49,560

outstanding programs they're not shows

2247

01:23:54,830 --> 01:23:51,060

they're not embracing the nonsensical

2248

01:23:57,669 --> 01:23:54,840

content they're programs

2249

01:24:00,530 --> 01:23:57,679

well-run programs that convey

2250

01:24:03,590 --> 01:24:00,540

interactions you're being very very very

2251

01:24:05,330 --> 01:24:03,600

very very generous with that

2252

01:24:07,130 --> 01:24:05,340

great Jackie

2253

01:24:09,590 --> 01:24:07,140

[h\_\_h] that very much so we'll promote

2254

01:24:10,910 --> 01:24:09,600

that and we'll share it on my page

2255

01:24:13,070 --> 01:24:10,920

um

2256

01:24:15,110 --> 01:24:13,080

and is that

2257

01:24:16,910 --> 01:24:15,120

am I influencing things I don't know I

2258

01:24:19,490 --> 01:24:16,920

mean you are one of two people has told

2259

01:24:21,649 --> 01:24:19,500

me I have influence in the community the

2260

01:24:23,510 --> 01:24:21,659

other being my lovely wife Venus well I

2261

01:24:26,209 --> 01:24:23,520

look at it from from the like I'm in the

2262

01:24:28,850 --> 01:24:26,219

business so when I see numbers like oh

2263

01:24:34,090 --> 01:24:28,860

you gotta you have a UFO page and a page

2264

01:24:38,990 --> 01:24:37,070

the page has

2265

01:24:40,669 --> 01:24:39,000

almost eight of almost eight thousand

2266

01:24:42,649 --> 01:24:40,679

readers the group is a little under four

2267

01:24:46,250 --> 01:24:42,659

thousand so yeah so like you've got a

2268

01:24:48,290 --> 01:24:46,260

page which has very little reach in

2269

01:24:51,229 --> 01:24:48,300

terms of Facebook's algorithm pages are

2270

01:24:54,709 --> 01:24:51,239

like down here like live video you know

2271

01:24:57,290 --> 01:24:54,719

uh um I think live video is still fairly

2272

01:25:00,050 --> 01:24:57,300

high up but you've got like your shorts

2273

01:25:02,450 --> 01:25:00,060

and then you know boosted posts you know

2274

01:25:05,450 --> 01:25:02,460

like all those things down pages from

2275

01:25:06,709 --> 01:25:05,460

companies and groups well like groups

2276

01:25:08,930 --> 01:25:06,719

are fairly High the pages are pretty

2277

01:25:10,550 --> 01:25:08,940

much the lowest so the fact you have

2278

01:25:13,790 --> 01:25:10,560

that much reach you've got 8 000 people

2279

01:25:16,550 --> 01:25:13,800

and if you're you're uh reach I believe

2280

01:25:18,770 --> 01:25:16,560

is about 25 of your audience per post or

2281

01:25:21,590 --> 01:25:18,780

on average about 25 that's kind of

2282

01:25:23,630 --> 01:25:21,600

insane so because you've got people who

2283

01:25:25,729 --> 01:25:23,640

will actively you know actively search

2284

01:25:28,189 --> 01:25:25,739

your page for those posts and check it

2285

01:25:29,930 --> 01:25:28,199

regularly or they've said okay well I

2286

01:25:32,270 --> 01:25:29,940

want to see this on a constant basis

2287

01:25:33,350 --> 01:25:32,280

which shows a higher level of trust so

2288

01:25:34,910 --> 01:25:33,360

yeah there's a certain amount of

2289

01:25:37,090 --> 01:25:34,920

influence but that's more from an

2290

01:25:40,490 --> 01:25:37,100

industrial uh industry side of things

2291

01:25:41,870 --> 01:25:40,500

versus you know like you're an

2292

01:25:44,149 --> 01:25:41,880

influencer but you don't really care

2293

01:25:45,649 --> 01:25:44,159

that you're an influencer which is yeah

2294

01:25:49,250 --> 01:25:45,659

kind of endearing

2295

01:25:50,870 --> 01:25:49,260

yeah I really don't care I've had one

2296

01:25:53,209 --> 01:25:50,880

gentleman a couple years ago asked me

2297

01:25:55,250 --> 01:25:53,219

are you worried about well people think

2298

01:25:57,290 --> 01:25:55,260

of your writing or if you as a

2299

01:25:59,270 --> 01:25:57,300

researcher I said no if I was worried

2300

01:26:00,649 --> 01:25:59,280

about that I wouldn't have a Blog

2301  
01:26:01,550 --> 01:26:00,659  
if I was worried about that we'll be

2302  
01:26:06,169 --> 01:26:01,560  
online

2303  
01:26:08,030 --> 01:26:06,179  
a page I'm kind of putting myself out

2304  
01:26:09,709 --> 01:26:08,040  
there if I was worried about what we

2305  
01:26:10,910 --> 01:26:09,719  
will think was what they would what they

2306  
01:26:12,530 --> 01:26:10,920  
would think about me or what have you

2307  
01:26:15,470 --> 01:26:12,540  
then I wouldn't have a page I would just

2308  
01:26:17,330 --> 01:26:15,480  
have my group discreetly posting data

2309  
01:26:20,629 --> 01:26:17,340  
and that wouldn't I wouldn't convey my

2310  
01:26:22,070 --> 01:26:20,639  
personal opinions not at all but um I'm

2311  
01:26:23,510 --> 01:26:22,080  
comfortable with people agree with me or

2312  
01:26:25,370 --> 01:26:23,520  
not that that's fine as long as they're

2313  
01:26:27,950 --> 01:26:25,380

cordial they don't attack me personally

2314

01:26:31,189 --> 01:26:27,960

that I won't tolerate I would just block

2315

01:26:32,750 --> 01:26:31,199

them but beyond that you know a

2316

01:26:33,950 --> 01:26:32,760

straightforward bad chemical with that

2317

01:26:35,149 --> 01:26:33,960

you know because we're just exchange

2318

01:26:37,729 --> 01:26:35,159

ideas the game we're talking about

2319

01:26:40,910 --> 01:26:37,739

things we can't explain no one has any

2320

01:26:43,070 --> 01:26:40,920

answers so straightforward commentary

2321

01:26:44,810 --> 01:26:43,080

from different points of view it's all

2322

01:26:47,149 --> 01:26:44,820

good just block them

2323

01:26:48,890 --> 01:26:47,159

like I would do that too but before be

2324

01:26:52,390 --> 01:26:48,900

like your mother and then you know then

2325

01:26:55,250 --> 01:26:52,400

block them because you gotta uh

2326

01:26:57,169 --> 01:26:55,260

but you take it in a

2327

01:27:01,070 --> 01:26:57,179

yeah you take it in a much better way

2328

01:27:02,689 --> 01:27:01,080

that that's awesome uh so like I'm I'm

2329

01:27:05,450 --> 01:27:02,699

like even even with our show like our

2330

01:27:07,189 --> 01:27:05,460

page I think is around close to five or

2331

01:27:08,450 --> 01:27:07,199

six hundred and like that that's with me

2332

01:27:09,830 --> 01:27:08,460

not doing anything on like I've only

2333

01:27:11,330 --> 01:27:09,840

just started posting on it because I'm

2334

01:27:12,890 --> 01:27:11,340

like oh the show's coming back all right

2335

01:27:15,110 --> 01:27:12,900

I'll you know like we gotta put the

2336

01:27:18,590 --> 01:27:15,120

content up but I literally didn't touch

2337

01:27:20,450 --> 01:27:18,600

it for like three or four years and

2338

01:27:23,030 --> 01:27:20,460

I know how hard it is to try and gain

2339

01:27:24,290 --> 01:27:23,040

that kind of following uh and there's a

2340

01:27:25,970 --> 01:27:24,300

certain consistency that you have to

2341

01:27:28,370 --> 01:27:25,980

have so like the once a day twice a day

2342

01:27:33,050 --> 01:27:28,380

posts are you know necessary and there

2343

01:27:35,810 --> 01:27:33,060

is a certain skill not skill but um

2344

01:27:37,790 --> 01:27:35,820

uh discipline I was going to say that

2345

01:27:39,410 --> 01:27:37,800

with regards to doing it even if you're

2346

01:27:41,149 --> 01:27:39,420

just saying okay well I got to do one

2347

01:27:42,830 --> 01:27:41,159

post and then you get inspiration and

2348

01:27:44,870 --> 01:27:42,840

you do it

2349

01:27:46,850 --> 01:27:44,880

you know do you think that's more like

2350

01:27:49,189 --> 01:27:46,860

good luck or is your mind just

2351

01:27:51,169 --> 01:27:49,199

constantly going

2352

01:27:54,169 --> 01:27:51,179

probably going

2353

01:27:55,729 --> 01:27:54,179

it's always going always going

2354

01:27:56,930 --> 01:27:55,739

um semi-retirement it's like that I

2355

01:28:00,590 --> 01:27:56,940

gotta think about something

2356

01:28:02,149 --> 01:28:00,600

oh yeah just I'm always always

2357

01:28:04,610 --> 01:28:02,159

turning

2358

01:28:06,950 --> 01:28:04,620

um Venus and I are the same

2359

01:28:08,810 --> 01:28:06,960

that way

2360

01:28:10,550 --> 01:28:08,820

um we have different thoughts and

2361

01:28:12,770 --> 01:28:10,560

different positions about a lot of all a

2362

01:28:14,689 --> 01:28:12,780

set of different topics

2363

01:28:16,370 --> 01:28:14,699

but our minds work the same as far as

2364

01:28:19,129 --> 01:28:16,380

they're always they're always there's

2365

01:28:21,649 --> 01:28:19,139

always wheels turning in the head

2366

01:28:23,390 --> 01:28:21,659

um so I'm always different topics come

2367

01:28:25,610 --> 01:28:23,400

up to my head I'm like oh I write a vlog

2368

01:28:27,350 --> 01:28:25,620

about that sometimes I write them down

2369

01:28:28,729 --> 01:28:27,360

and say I'll get back to that at some

2370

01:28:30,290 --> 01:28:28,739

point you know I may not forget about

2371

01:28:31,970 --> 01:28:30,300

come across again well I forgot about

2372

01:28:35,570 --> 01:28:31,980

that let me write something on that and

2373

01:28:40,189 --> 01:28:37,729

um you know if I'm influencing people

2374

01:28:41,810 --> 01:28:40,199

to be more enamored with data if I'll be

2375

01:28:43,189 --> 01:28:41,820

ability to be able to have a more of a

2376

01:28:44,930 --> 01:28:43,199

critical way of thinking about things

2377

01:28:46,070 --> 01:28:44,940

that's all good I'm fine with that I

2378

01:28:47,689 --> 01:28:46,080

mean

2379

01:28:50,330 --> 01:28:47,699

um

2380

01:28:52,310 --> 01:28:50,340

my readers know I'm a strong advocate of

2381

01:28:55,129 --> 01:28:52,320

the scientific method

2382

01:28:57,729 --> 01:28:55,139

using science to explain things they

2383

01:29:00,229 --> 01:28:57,739

also know that I'm fully

2384

01:29:02,450 --> 01:29:00,239

uh embracing the idea that science is

2385

01:29:04,370 --> 01:29:02,460

only one tool in our toolbox

2386

01:29:05,149 --> 01:29:04,380

you can't explain everything at this

2387

01:29:06,890 --> 01:29:05,159

point

2388

01:29:08,990 --> 01:29:06,900

so we can't throw it away we need to use

2389

01:29:11,209 --> 01:29:09,000

science but we need to use other other

2390

01:29:14,209 --> 01:29:11,219

possibilities to possibly move ourselves

2391

01:29:16,370 --> 01:29:14,219

going forward instead of just sticking

2392

01:29:18,830 --> 01:29:16,380

to our guns we're using one

2393

01:29:20,169 --> 01:29:18,840

and one choice scientists are guilty of

2394

01:29:22,370 --> 01:29:20,179

that they're guilty of thinking

2395

01:29:24,050 --> 01:29:22,380

scientifically but they're not open to

2396

01:29:27,590 --> 01:29:24,060

other possibilities they're kind of very

2397

01:29:29,570 --> 01:29:27,600

closed and set in their ways and that

2398

01:29:31,070 --> 01:29:29,580

doesn't really

2399

01:29:35,990 --> 01:29:31,080

uh

2400

01:29:37,750 --> 01:29:36,000

are these are evidently paranormal

2401  
01:29:40,310 --> 01:29:37,760  
topics we're discussing at this point

2402  
01:29:41,750 --> 01:29:40,320  
which made me explain the support later

2403  
01:29:43,970 --> 01:29:41,760  
down the road I mean

2404  
01:29:47,030 --> 01:29:43,980  
you know a couple of years ago you know

2405  
01:29:49,970 --> 01:29:47,040  
uh scientists thought that rocks falling

2406  
01:29:52,490 --> 01:29:49,980  
from the sky was an impossibility

2407  
01:29:54,470 --> 01:29:52,500  
we now know they're called meteorites

2408  
01:29:56,950 --> 01:29:54,480  
but we're talking parallel at one point

2409  
01:30:02,410 --> 01:29:56,960  
we'll explain well

2410  
01:30:08,330 --> 01:30:05,930  
is that true because I I look at you

2411  
01:30:11,330 --> 01:30:08,340  
know let's say the uh

2412  
01:30:14,030 --> 01:30:11,340  
um you know in Mecca the the Kaaba that

2413  
01:30:15,709 --> 01:30:14,040

you know there is there is a stone that

2414

01:30:17,030 --> 01:30:15,719

they that they know fell from the sky

2415

01:30:18,350 --> 01:30:17,040

and that's one of the reasons why it's

2416

01:30:20,390 --> 01:30:18,360

reversed

2417

01:30:24,169 --> 01:30:20,400

um you know within you know within the

2418

01:30:25,850 --> 01:30:24,179

overall uh um uh you know dogma and and

2419

01:30:28,610 --> 01:30:25,860

scripture

2420

01:30:31,490 --> 01:30:28,620

um and how that relates to you know how

2421

01:30:32,810 --> 01:30:31,500

that relates to their faith so they've

2422

01:30:35,229 --> 01:30:32,820

known that it's fallen from the sky but

2423

01:30:37,790 --> 01:30:35,239

like have they known specifically

2424

01:30:39,830 --> 01:30:37,800

the type or

2425

01:30:40,970 --> 01:30:39,840

you know the trajectory like how are you

2426  
01:30:43,070 --> 01:30:40,980  
basing that information I know I'm

2427  
01:30:44,410 --> 01:30:43,080  
nitpicking on that one thing I just

2428  
01:30:48,770 --> 01:30:44,420  
don't know if it's an example

2429  
01:30:50,390 --> 01:30:48,780  
in Europe which were uh gotten by their

2430  
01:30:53,570 --> 01:30:50,400  
religious space so they're talking about

2431  
01:30:55,910 --> 01:30:53,580  
300 years ago 400 years ago okay yeah as

2432  
01:30:57,890 --> 01:30:55,920  
opposed to you know nowadays the

2433  
01:31:00,070 --> 01:30:57,900  
information is thrown around on a

2434  
01:31:03,110 --> 01:31:00,080  
worldwide basis as a drop of a half

2435  
01:31:05,090 --> 01:31:03,120  
whereas prior to let's say the

2436  
01:31:06,890 --> 01:31:05,100  
Industrial Revolution

2437  
01:31:08,870 --> 01:31:06,900  
the peoples around the world were not

2438  
01:31:11,390 --> 01:31:08,880

aware of other people's knowledge or a

2439

01:31:13,310 --> 01:31:11,400

point of view or belief structure so but

2440

01:31:15,830 --> 01:31:13,320

European scientists

2441

01:31:17,450 --> 01:31:15,840

uh particularly in Britain and France

2442

01:31:19,310 --> 01:31:17,460

and Spain and some of the other

2443

01:31:21,709 --> 01:31:19,320

countries were not enamored with the

2444

01:31:24,350 --> 01:31:21,719

idea that rock spoke with the sky

2445

01:31:25,729 --> 01:31:24,360

and it wasn't until the mid 1700s that

2446

01:31:28,430 --> 01:31:25,739

they probably embraced the idea that

2447

01:31:30,890 --> 01:31:28,440

rocks do follow this guy and

2448

01:31:33,169 --> 01:31:30,900

it breaks the reality of that

2449

01:31:35,629 --> 01:31:33,179

um there were scientists in the

2450

01:31:38,810 --> 01:31:35,639

mid-1950s that felt that the

2451

01:31:40,970 --> 01:31:38,820

the manler missions might fail

2452

01:31:41,870 --> 01:31:40,980

because they felt a lunar regulus the

2453

01:31:43,790 --> 01:31:41,880

dirt

2454

01:31:44,930 --> 01:31:43,800

that any provision men would sink into

2455

01:31:47,030 --> 01:31:44,940

the dirt

2456

01:31:49,370 --> 01:31:47,040

not so that's a real possibility

2457

01:31:51,590 --> 01:31:49,380

yeah it was a possibility but we proved

2458

01:31:54,350 --> 01:31:51,600

that was wrong it takes scientific

2459

01:31:55,550 --> 01:31:54,360

Endeavors and exploration to prove or

2460

01:31:58,129 --> 01:31:55,560

disprove

2461

01:32:01,250 --> 01:31:58,139

serious that's how it works

2462

01:32:03,050 --> 01:32:01,260

um I I love the scientific method but

2463

01:32:05,629 --> 01:32:03,060

there are other ways to look at things

2464

01:32:07,910 --> 01:32:05,639

Beyond science that opened up

2465

01:32:10,370 --> 01:32:07,920

possibilities that we may not consider

2466

01:32:11,330 --> 01:32:10,380

if we just stick to science it has its

2467

01:32:14,290 --> 01:32:11,340

place

2468

01:32:17,270 --> 01:32:14,300

but it's not the end-all be-all so um

2469

01:32:19,490 --> 01:32:17,280

speaking of the scientific method for

2470

01:32:22,010 --> 01:32:19,500

the three percent of UFO sightings that

2471

01:32:24,350 --> 01:32:22,020

are unexplained and let's say you know

2472

01:32:25,370 --> 01:32:24,360

whether it's another three percent of

2473

01:32:28,430 --> 01:32:25,380

those

2474

01:32:29,990 --> 01:32:28,440

for argument's sake are unexpl

2475

01:32:32,570 --> 01:32:30,000

completely unexplained so we don't know

2476

01:32:35,689 --> 01:32:32,580

like it's not meteorological it's not

2477

01:32:38,330 --> 01:32:35,699

human Tech we don't know what it is how

2478

01:32:40,070 --> 01:32:38,340

what kind of scientific I should say

2479

01:32:42,050 --> 01:32:40,080

scientific method how would you go about

2480

01:32:44,390 --> 01:32:42,060

trying to analyze that as a

2481

01:32:46,550 --> 01:32:44,400

non-scientist to say whether it's

2482

01:32:49,370 --> 01:32:46,560

extraterrestrial or really potentially

2483

01:32:51,169 --> 01:32:49,380

extraterrestrial or you know something

2484

01:32:52,850 --> 01:32:51,179

else like maybe it's a bird or insect

2485

01:32:53,930 --> 01:32:52,860

that refracted off of something we just

2486

01:32:56,149 --> 01:32:53,940

don't know

2487

01:32:58,850 --> 01:32:56,159

so I say okay we have 100 cases in our

2488

01:33:01,430 --> 01:32:58,860

on our own books we conduct a hundred

2489

01:33:03,530 --> 01:33:01,440

field investigations or examinations

2490

01:33:07,550 --> 01:33:03,540

which is a lot of work but we explain

2491

01:33:10,370 --> 01:33:07,560

things as balloons aircraft Birds bugs

2492

01:33:12,350 --> 01:33:10,380

and a windshield what not those we were

2493

01:33:14,810 --> 01:33:12,360

left the three percent We examined those

2494

01:33:16,490 --> 01:33:14,820

three percent of cases so explain

2495

01:33:18,410 --> 01:33:16,500

there's a certain percentage that are

2496

01:33:20,330 --> 01:33:18,420

still explainable because the data we

2497

01:33:21,950 --> 01:33:20,340

have is incomplete

2498

01:33:23,570 --> 01:33:21,960

or there's not enough data to really

2499

01:33:25,189 --> 01:33:23,580

come to a conclusion

2500

01:33:27,410 --> 01:33:25,199

there seems to be a percentage of those

2501  
01:33:31,010 --> 01:33:27,420  
unexplained that are explainable by or

2502  
01:33:35,149 --> 01:33:31,020  
suggested that they're explainable by

2503  
01:33:37,189 --> 01:33:35,159  
um secret military technology that we as

2504  
01:33:38,930 --> 01:33:37,199  
civilians are not privy to I I'm

2505  
01:33:41,209 --> 01:33:38,940  
comfortable with that idea

2506  
01:33:43,250 --> 01:33:41,219  
and then a certain percentage are just

2507  
01:33:45,790 --> 01:33:43,260  
unexplained they're unexplainable the

2508  
01:33:50,750 --> 01:33:45,800  
the information we have

2509  
01:33:52,669 --> 01:33:50,760  
uh evades uh explanation for some reason

2510  
01:33:56,270 --> 01:33:52,679  
and

2511  
01:33:59,209 --> 01:33:56,280  
uh there was a project done in the 1970s

2512  
01:34:01,370 --> 01:33:59,219  
or late or early 80s it was called the

2513  
01:34:05,209 --> 01:34:03,050

um a movie was called the g-pad report

2514

01:34:07,729 --> 01:34:05,219

he was conducted by the French the

2515

01:34:10,550 --> 01:34:07,739

French version of NASA

2516

01:34:12,890 --> 01:34:10,560

and the percentage of unexplained cases

2517

01:34:14,450 --> 01:34:12,900

they they got which was about I think

2518

01:34:18,290 --> 01:34:14,460

eight to ten percent was a little higher

2519

01:34:20,689 --> 01:34:18,300

in France with that with that project

2520

01:34:23,149 --> 01:34:20,699

um they found that the vast majority of

2521

01:34:26,570 --> 01:34:23,159

unexplained cases were the ones with

2522

01:34:29,870 --> 01:34:26,580

more data and more information they were

2523

01:34:31,729 --> 01:34:29,880

reported by more Highly Educated people

2524

01:34:33,229 --> 01:34:31,739

I found it interesting

2525

01:34:35,570 --> 01:34:33,239

that

2526

01:34:37,070 --> 01:34:35,580

the higher the educational level of the

2527

01:34:39,830 --> 01:34:37,080

witness

2528

01:34:41,390 --> 01:34:39,840

the more information you have the more

2529

01:34:43,970 --> 01:34:41,400

quality information you have about the

2530

01:34:45,649 --> 01:34:43,980

signing the less likely it was they

2531

01:34:48,890 --> 01:34:45,659

could explain it which is kind of

2532

01:34:54,410 --> 01:34:48,900

counter-intuitive now going back to the

2533

01:34:56,149 --> 01:34:54,420

um alleged videos that nap and all are

2534

01:34:59,330 --> 01:34:56,159

releasing on a constant basis which you

2535

01:35:04,189 --> 01:34:59,340

know you and I both know are probably

2536

01:35:07,790 --> 01:35:06,770

if you're taking I'm trying to be able

2537

01:35:11,330 --> 01:35:07,800

to remember what I was actually going to

2538

01:35:14,990 --> 01:35:11,340

say uh go okay

2539

01:35:16,729 --> 01:35:15,000

those videos you and I both know based

2540

01:35:20,689 --> 01:35:16,739

on the fact that we've seen a million

2541

01:35:23,270 --> 01:35:20,699

you know Facebook posts videos claims

2542

01:35:25,070 --> 01:35:23,280

um when somebody's taking a

2543

01:35:28,790 --> 01:35:25,080

screen cap

2544

01:35:31,189 --> 01:35:28,800

closed in on a computer screen

2545

01:35:32,629 --> 01:35:31,199

trying to obviously obfuscate everything

2546

01:35:34,310 --> 01:35:32,639

else around it except for the actual

2547

01:35:37,370 --> 01:35:34,320

item itself to try and keep it in frame

2548

01:35:40,030 --> 01:35:37,380

that it's being done for a reason

2549

01:35:47,629 --> 01:35:44,750

those initial reports were claimed by

2550

01:35:50,149 --> 01:35:47,639

individuals that had high status you

2551

01:35:53,470 --> 01:35:50,159

know like you know fraver who was former

2552

01:35:55,850 --> 01:35:53,480

USAF pilot uh

2553

01:35:57,729 --> 01:35:55,860

for those people who were educated or at

2554

01:36:00,649 --> 01:35:57,739

least providing all that information

2555

01:36:03,169 --> 01:36:00,659

like how many of those do you think are

2556

01:36:04,430 --> 01:36:03,179

people whom are trying to game the

2557

01:36:06,770 --> 01:36:04,440

system or just trying to be able to get

2558

01:36:09,229 --> 01:36:06,780

attention and know how to be able to do

2559

01:36:13,370 --> 01:36:11,390

I think that's an unknown I couldn't put

2560

01:36:15,169 --> 01:36:13,380

a number of that but it's a definite

2561

01:36:16,550 --> 01:36:15,179

possibility

2562

01:36:24,290 --> 01:36:16,560

that's

2563

01:36:26,689 --> 01:36:24,300

you might have qualified observers

2564

01:36:29,750 --> 01:36:26,699

whatever that means uh let's say

2565

01:36:31,910 --> 01:36:29,760

military Pilots uh scientists

2566

01:36:34,250 --> 01:36:31,920

astronomers what not that they they're

2567

01:36:36,290 --> 01:36:34,260

aware of things in our skies or in the

2568

01:36:38,090 --> 01:36:36,300

universe around us and and so when

2569

01:36:41,570 --> 01:36:38,100

something is seen bought them they were

2570

01:36:43,790 --> 01:36:41,580

that that is still unexplained they

2571

01:36:45,470 --> 01:36:43,800

can't identify okay that that speaks

2572

01:36:47,570 --> 01:36:45,480

volumes that doesn't mean their

2573

01:36:50,510 --> 01:36:47,580

testimony is invaluable it just means

2574

01:36:54,050 --> 01:36:50,520

that it's interesting to say the least

2575

01:36:56,090 --> 01:36:54,060

um or all those individuals coming forth

2576

01:36:58,550 --> 01:36:56,100

in an honest average who convey their

2577

01:37:00,649 --> 01:36:58,560

information or is it or is there an

2578

01:37:02,930 --> 01:37:00,659

ulterior motive I don't know we're still

2579

01:37:04,430 --> 01:37:02,940

talking about human beings here well so

2580

01:37:07,129 --> 01:37:04,440

and that that's that's always been my

2581

01:37:07,970 --> 01:37:07,139

issue with regards to

2582

01:37:11,090 --> 01:37:07,980

um

2583

01:37:12,590 --> 01:37:11,100

testimony as a form of evidence in the

2584

01:37:15,229 --> 01:37:12,600

scientific method testimony is the

2585

01:37:17,090 --> 01:37:15,239

lowest form of evidence agreed so yeah

2586

01:37:20,149 --> 01:37:17,100

you have individuals who claim something

2587

01:37:22,310 --> 01:37:20,159

that's great in a court of law that is

2588

01:37:24,890 --> 01:37:22,320

uh you know a potential even then it's

2589

01:37:26,390 --> 01:37:24,900

still hearsay but when we're talking

2590

01:37:28,930 --> 01:37:26,400

data if somebody's reporting something

2591

01:37:33,050 --> 01:37:28,940

and saying well I saw X

2592

01:37:35,570 --> 01:37:33,060

it was uh you know approximately 1500

2593

01:37:37,669 --> 01:37:35,580

feet away from me maybe 50 feet in the

2594

01:37:38,930 --> 01:37:37,679

sky 50 feet in the sky it was this time

2595

01:37:40,189 --> 01:37:38,940

of day the sun was in this position

2596

01:37:41,450 --> 01:37:40,199

they're going to give you all this

2597

01:37:42,830 --> 01:37:41,460

information

2598

01:37:45,530 --> 01:37:42,840

unless you're actually getting the

2599

01:37:48,709 --> 01:37:45,540

first-hand readings of you know the the

2600

01:37:50,149 --> 01:37:48,719

the light meter the the uh you know

2601  
01:37:52,790 --> 01:37:50,159  
laser range finder you're still going

2602  
01:37:55,669 --> 01:37:52,800  
off of their word and their testimony so

2603  
01:38:00,050 --> 01:37:55,679  
how how can we as people draw

2604  
01:38:01,970 --> 01:38:00,060  
conclusions or a test to credibility to

2605  
01:38:04,610 --> 01:38:01,980  
something when we're still basing that

2606  
01:38:05,990 --> 01:38:04,620  
information off of shaky potential you

2607  
01:38:07,129 --> 01:38:06,000  
know thread information from somebody

2608  
01:38:08,209 --> 01:38:07,139  
who's been through a traumatic

2609  
01:38:12,290 --> 01:38:08,219  
experience

2610  
01:38:14,570 --> 01:38:12,300  
we can't there's no way to do that uh

2611  
01:38:18,490 --> 01:38:14,580  
that is not a popular

2612  
01:38:23,030 --> 01:38:18,500  
uh position the opioid because

2613  
01:38:25,070 --> 01:38:23,040

yeah your researchers hold

2614

01:38:26,330 --> 01:38:25,080

testimonials at a very high standard

2615

01:38:28,310 --> 01:38:26,340

they really do

2616

01:38:30,890 --> 01:38:28,320

but in the scientific method testimony

2617

01:38:33,110 --> 01:38:30,900

is is the weakest form of evidence

2618

01:38:35,810 --> 01:38:33,120

um like you said so

2619

01:38:38,629 --> 01:38:35,820

um I heard things about like

2620

01:38:41,750 --> 01:38:38,639

uh more percentage of UFO reports well

2621

01:38:43,850 --> 01:38:41,760

reports are just that their reports

2622

01:38:46,370 --> 01:38:43,860

that's it that does not mean it's

2623

01:38:49,310 --> 01:38:46,380

anomalous that it's just a report

2624

01:38:50,810 --> 01:38:49,320

um we have to be very very cautious at

2625

01:38:52,669 --> 01:38:50,820

being

2626

01:38:54,229 --> 01:38:52,679

never lose sight of the fact that with

2627

01:38:58,189 --> 01:38:54,239

his testimonies are just that

2628

01:39:01,189 --> 01:38:58,199

testimonies the human brain is not a

2629

01:39:05,530 --> 01:39:01,199

objective chronicler of events it isn't

2630

01:39:08,870 --> 01:39:05,540

memories change one more time they do so

2631

01:39:10,490 --> 01:39:08,880

testimonials are not cut and dry they're

2632

01:39:11,390 --> 01:39:10,500

not X's and O's they're not black and

2633

01:39:13,370 --> 01:39:11,400

white

2634

01:39:15,770 --> 01:39:13,380

people are describing anomalous

2635

01:39:17,629 --> 01:39:15,780

emotionally charged events

2636

01:39:19,669 --> 01:39:17,639

they're not conveying the testimonials

2637

01:39:21,770 --> 01:39:19,679

in an objective way they're doing the

2638

01:39:24,590 --> 01:39:21,780

best they can but it can't be viewed as

2639

01:39:26,330 --> 01:39:24,600

objective data it cannot be no it's so

2640

01:39:28,129 --> 01:39:26,340

that that is part of the issue so how

2641

01:39:29,270 --> 01:39:28,139

can researchers claim to be researchers

2642

01:39:30,590 --> 01:39:29,280

when they're just essentially getting

2643

01:39:32,450 --> 01:39:30,600

testimonies they're getting stories from

2644

01:39:33,709 --> 01:39:32,460

people that isn't researching that's

2645

01:39:37,669 --> 01:39:33,719

journalism

2646

01:39:39,590 --> 01:39:37,679

yep yep exactly right yeah so that

2647

01:39:43,070 --> 01:39:39,600

majority of work the vast majority of

2648

01:39:46,669 --> 01:39:43,080

information we have is anecdotal

2649

01:39:47,689 --> 01:39:46,679

that story bro yeah where where's where

2650

01:39:49,729 --> 01:39:47,699

you know where where's my damn

2651

01:39:52,129 --> 01:39:49,739

Rangefinder readings where where's my uh

2652

01:39:53,870 --> 01:39:52,139

my radar track reports you know where

2653

01:39:56,149 --> 01:39:53,880

exactly yeah

2654

01:39:57,430 --> 01:39:56,159

we have very few reports that feature

2655

01:39:59,450 --> 01:39:57,440

that kind of information

2656

01:40:01,370 --> 01:39:59,460

very few

2657

01:40:03,050 --> 01:40:01,380

and then the vast majority are the

2658

01:40:04,970 --> 01:40:03,060

stories

2659

01:40:05,750 --> 01:40:04,980

to Yvonne

2660

01:40:09,169 --> 01:40:05,760

um

2661

01:40:10,669 --> 01:40:09,179

having said that will I accept firsthand

2662

01:40:12,050 --> 01:40:10,679

testimony for somebody I'm much more

2663

01:40:13,669 --> 01:40:12,060

comfortable with first-hand testimony

2664

01:40:15,530 --> 01:40:13,679

once you go second to third hand I don't

2665

01:40:17,750 --> 01:40:15,540

want to hear it no because I'm hearing

2666

01:40:19,910 --> 01:40:17,760

that from someone else no the likelihood

2667

01:40:24,410 --> 01:40:19,920

of that being conveyed accurately no no

2668

01:40:27,770 --> 01:40:24,420

no no these mothers dogs saw something

2669

01:40:30,290 --> 01:40:27,780

one day no not good enough no uh first

2670

01:40:32,930 --> 01:40:30,300

had testimony that's conveyed relatively

2671

01:40:34,129 --> 01:40:32,940

soon after the event is reasonable to

2672

01:40:38,629 --> 01:40:34,139

embrace

2673

01:40:40,970 --> 01:40:38,639

second third hand no no it's it's not um

2674

01:40:43,430 --> 01:40:40,980

but physical evidence I mean radar

2675

01:40:45,410 --> 01:40:43,440

traces they're radiation traces uh burn

2676

01:40:48,890 --> 01:40:45,420

marks lightning traces

2677

01:40:51,649 --> 01:40:48,900

in very few cases feature that very few

2678

01:40:53,930 --> 01:40:51,659

and how easy is it to fake let's say

2679

01:40:56,810 --> 01:40:53,940

like uh

2680

01:40:58,490 --> 01:40:56,820

um you know burn traces like obviously

2681

01:41:00,410 --> 01:40:58,500

burn traces with radiation are a little

2682

01:41:02,090 --> 01:41:00,420

bit more difficult to find unless the

2683

01:41:04,430 --> 01:41:02,100

person who's doing it is ending up in

2684

01:41:07,550 --> 01:41:04,440

the ER with uh with radiation poisoning

2685

01:41:10,790 --> 01:41:07,560

but yeah I would think that if you've

2686

01:41:13,790 --> 01:41:10,800

got individuals who can use uh cricket

2687

01:41:15,709 --> 01:41:13,800

bats attached to some string to over a

2688

01:41:18,110 --> 01:41:15,719

night create entire intricate circle

2689

01:41:19,910 --> 01:41:18,120

pattern on a field that you could also

2690

01:41:21,770 --> 01:41:19,920

have somebody do that and then you know

2691

01:41:26,990 --> 01:41:21,780

use

2692

01:41:30,649 --> 01:41:27,000

fire or like a you know just a can with

2693

01:41:33,169 --> 01:41:30,659

with a lighter to Scorch some some more

2694

01:41:34,609 --> 01:41:33,179

of the grass that's coming up to give

2695

01:41:36,229 --> 01:41:34,619

that effect of like oh a landing

2696

01:41:37,669 --> 01:41:36,239

Crafters here you know this was the pad

2697

01:41:39,470 --> 01:41:37,679

that they came down on you can see that

2698

01:41:42,169 --> 01:41:39,480

it's burned because it came in through

2699

01:41:44,450 --> 01:41:42,179

through the atmosphere like those are

2700

01:41:45,890 --> 01:41:44,460

the kinds of it's not just the testimony

2701

01:41:48,709 --> 01:41:45,900

it's also like the physical evidence

2702

01:41:50,510 --> 01:41:48,719

which can also be falsified and like to

2703

01:41:53,030 --> 01:41:50,520

me that piss that that pisses me off

2704

01:41:54,590 --> 01:41:53,040

because like okay if there there's

2705

01:41:56,990 --> 01:41:54,600

actually phenomena that's going on of

2706

01:41:58,070 --> 01:41:57,000

some kind nobody knows what it is and

2707

01:41:59,510 --> 01:41:58,080

it's that kind of thing that makes it

2708

01:42:01,609 --> 01:41:59,520

more difficult not only for it to be

2709

01:42:02,810 --> 01:42:01,619

taken seriously but for people to

2710

01:42:05,570 --> 01:42:02,820

actually figure out what they need to be

2711

01:42:07,850 --> 01:42:05,580

able to to research and to measure or or

2712

01:42:09,709 --> 01:42:07,860

what they need to look out for because

2713

01:42:12,169 --> 01:42:09,719

you know half the stuff that we've been

2714

01:42:14,090 --> 01:42:12,179

told is is evidence or or physical Trace

2715

01:42:18,169 --> 01:42:14,100

could be completely BS

2716

01:42:19,970 --> 01:42:18,179

yep sure can yep you got uh

2717

01:42:22,490 --> 01:42:19,980

been a great example of how easy it is

2718

01:42:24,470 --> 01:42:22,500

to hoax things I guess before I go up

2719

01:42:25,910 --> 01:42:24,480

one or Another Chance is that

2720

01:42:28,689 --> 01:42:25,920

um

2721

01:42:32,330 --> 01:42:28,699

let's let's talk move on first okay

2722

01:42:34,790 --> 01:42:32,340

you'll feel about scares the move on

2723

01:42:37,070 --> 01:42:34,800

are not qualified investigators they're

2724

01:42:38,930 --> 01:42:37,080

not retired law enforcement they're not

2725

01:42:41,030 --> 01:42:38,940

retired scientists they're not

2726

01:42:44,209 --> 01:42:41,040

they're not educated in the the Earth

2727

01:42:46,370 --> 01:42:44,219

Sciences they're not

2728

01:42:47,870 --> 01:42:46,380

knowledgeable into how to conduct an

2729

01:42:50,450 --> 01:42:47,880

actual investigation

2730

01:42:52,490 --> 01:42:50,460

uh field investors investigator school

2731

01:42:55,550 --> 01:42:52,500

for Boost phones a few days long

2732

01:42:57,830 --> 01:42:55,560

I would not want a murder investigation

2733

01:42:59,209 --> 01:42:57,840

or some such crime like that

2734

01:43:00,890 --> 01:42:59,219

investigated by somebody who has like a

2735

01:43:04,310 --> 01:43:00,900

few days experience that

2736

01:43:07,370 --> 01:43:04,320

I don't think anybody three days yeah so

2737

01:43:09,470 --> 01:43:07,380

that we have that level of of quality

2738

01:43:18,850 --> 01:43:09,480

investigation three days and I bet you

2739

01:43:25,790 --> 01:43:22,910

uh beyond that putting that aside

2740

01:43:28,850 --> 01:43:25,800

it's easy to hoax even qualified

2741

01:43:32,450 --> 01:43:28,860

individuals there was a pair of

2742

01:43:34,450 --> 01:43:32,460

gentlemen in the late 60s 1967.

2743

01:43:36,470 --> 01:43:34,460

um Dan and Grant

2744

01:43:39,050 --> 01:43:36,480

jaroslaw I think it was they were in

2745

01:43:40,490 --> 01:43:39,060

Michigan State I the memory memory

2746

01:43:42,950 --> 01:43:40,500

doesn't serve me but a couple of

2747

01:43:45,109 --> 01:43:42,960

brothers that allegedly took four or

2748

01:43:46,490 --> 01:43:45,119

three or four photographs of UFO

2749

01:43:48,050 --> 01:43:46,500

overhead

2750

01:43:50,270 --> 01:43:48,060

those photographs were examined by

2751

01:43:52,430 --> 01:43:50,280

Project Blue Book they were examined by

2752

01:43:55,669 --> 01:43:52,440

ground Foster walk they were grounded by

2753

01:43:56,810 --> 01:43:55,679

nightcap they were examined by Dr Jalen

2754

01:43:59,689 --> 01:43:56,820

Hunter

2755

01:44:01,609 --> 01:43:59,699

who was the uh head of astronomy at

2756

01:44:04,490 --> 01:44:01,619

Northwestern University

2757

01:44:06,290 --> 01:44:04,500

qualified individual educated man

2758

01:44:08,149 --> 01:44:06,300

and nobody could explain them so

2759

01:44:09,950 --> 01:44:08,159

everybody kind of embraced the idea that

2760

01:44:12,709 --> 01:44:09,960

these photographs were about

2761

01:44:16,370 --> 01:44:12,719

possibly of alien spacecraft

2762

01:44:18,470 --> 01:44:16,380

so 1976 arrives and Dan and

2763

01:44:21,410 --> 01:44:18,480

granddaughter's law write a letter to

2764

01:44:23,990 --> 01:44:21,420

Allah honey give it into having host the

2765

01:44:28,010 --> 01:44:24,000

photographs

2766

01:44:29,890 --> 01:44:28,020

so a a a man who was a PhD

2767

01:44:32,810 --> 01:44:29,900

and was head of astronomy for University

2768

01:44:35,510 --> 01:44:32,820

was fooled by a couple of guys that

2769

01:44:37,729 --> 01:44:35,520

didn't hold that level of Education if

2770

01:44:40,850 --> 01:44:37,739

he could hold he we can pull him

2771

01:44:41,930 --> 01:44:40,860

and how easy how easy to pull a blue

2772

01:44:43,910 --> 01:44:41,940

collar worker who's the fuel

2773

01:44:45,890 --> 01:44:43,920

investigator oh I I got one I got one

2774

01:44:48,109 --> 01:44:45,900

better on for you on that

2775

01:44:51,050 --> 01:44:48,119

uh

2776

01:44:54,590 --> 01:44:51,060

Roswell autopsy

2777

01:44:56,689 --> 01:44:54,600

no God yeah good good friend of mine and

2778

01:44:59,450 --> 01:44:56,699

friend of the show spiritus malaris go

2779

01:45:02,330 --> 01:44:59,460

go Google him he was the guy uh for

2780

01:45:03,010 --> 01:45:02,340

anybody out there he was the man who

2781

01:45:07,609 --> 01:45:03,020

um

2782

01:45:10,790 --> 01:45:07,619

planned shots and like produced the

2783

01:45:15,229 --> 01:45:10,800

autopsy video uh he is a master magician

2784

01:45:19,370 --> 01:45:15,239

he is a uh an expert expert photographer

2785

01:45:20,570 --> 01:45:19,380

experts uh videographer uh filmmaker and

2786

01:45:22,970 --> 01:45:20,580

uh

2787

01:45:25,790 --> 01:45:22,980

I should go back and unfortunately I

2788

01:45:26,810 --> 01:45:25,800

can't actually uh post the videos

2789

01:45:28,790 --> 01:45:26,820

um

2790

01:45:31,250 --> 01:45:28,800

beat him because we basically did a uh

2791

01:45:33,290 --> 01:45:31,260

uh a director's commentary on the entire

2792

01:45:35,330 --> 01:45:33,300

alien autopsy video and fox did not like

2793

01:45:38,090 --> 01:45:35,340

that at all so that's in private right

2794

01:45:39,410 --> 01:45:38,100

now and in the video feed but he told me

2795

01:45:42,770 --> 01:45:39,420

like the way that I when I asked him

2796

01:45:45,050 --> 01:45:42,780

like how did you get the video like the

2797

01:45:47,330 --> 01:45:45,060

actual real because they they faked The

2798

01:45:50,209 --> 01:45:47,340

Reel like or I should say the real was

2799

01:45:53,149 --> 01:45:50,219

it was real video of a fake event but

2800

01:45:57,169 --> 01:45:53,159

they faked the authentication by sleight

2801  
01:45:59,629 --> 01:45:57,179  
of hand which got past the Kodak ex the

2802  
01:46:02,090 --> 01:45:59,639  
person from Kodak the person who

2803  
01:46:06,169 --> 01:46:02,100  
basically knew on the planet more about

2804  
01:46:08,570 --> 01:46:06,179  
that particular uh physical film and

2805  
01:46:09,950 --> 01:46:08,580  
they managed to fool him through sleight

2806  
01:46:11,810 --> 01:46:09,960  
of hand

2807  
01:46:15,050 --> 01:46:11,820  
and that's that's how the entire thing

2808  
01:46:17,629 --> 01:46:15,060  
got going and I'm

2809  
01:46:20,510 --> 01:46:17,639  
like you you have somebody like you've

2810  
01:46:22,669 --> 01:46:20,520  
got a magician videographer who knows uh

2811  
01:46:24,890 --> 01:46:22,679  
who knows about time continuity and how

2812  
01:46:25,970 --> 01:46:24,900  
to be able to change uh switches out so

2813  
01:46:27,950 --> 01:46:25,980

that they're from the right time period

2814

01:46:29,689 --> 01:46:27,960

so it seems more believable

2815

01:46:32,629 --> 01:46:29,699

you know who's who has sleight of hand

2816

01:46:36,229 --> 01:46:32,639

and he's able to fool undoubtedly the

2817

01:46:40,250 --> 01:46:36,239

top expert on the planet uh in in the

2818

01:46:42,709 --> 01:46:40,260

film the actual brand of physical film

2819

01:46:44,870 --> 01:46:42,719

like what what you know now we've got 3D

2820

01:46:48,050 --> 01:46:44,880

generated uh imagery that's almost life

2821

01:46:50,450 --> 01:46:48,060

like we've got AI photography or or

2822

01:46:53,090 --> 01:46:50,460

imagery that can be created like just by

2823

01:46:56,930 --> 01:46:53,100

a prompt by a 12 year old and a phone

2824

01:46:59,109 --> 01:46:56,940

what hope do any of us have you know uh

2825

01:47:01,689 --> 01:46:59,119

yeah yeah

2826

01:47:03,310 --> 01:47:01,699

for my for my money

2827

01:47:09,770 --> 01:47:03,320

the

2828

01:47:12,109 --> 01:47:09,780

maybe have captured and knowledge things

2829

01:47:15,229 --> 01:47:12,119

we're taking part of the 70s

2830

01:47:17,510 --> 01:47:15,239

But as time has gone on and technology

2831

01:47:19,550 --> 01:47:17,520

has become more and more prevalent and

2832

01:47:21,350 --> 01:47:19,560

more and more advanced becomes easier

2833

01:47:23,689 --> 01:47:21,360

and easier to hoax things and those

2834

01:47:27,290 --> 01:47:23,699

hoaxes become more and more complex and

2835

01:47:30,290 --> 01:47:27,300

more and more difficult to weed out so

2836

01:47:31,729 --> 01:47:30,300

um is it because it's easier how much

2837

01:47:34,609 --> 01:47:31,739

time does it take to be able to produce

2838

01:47:36,770 --> 01:47:34,619

a 3D video that seems lifelike versus

2839

01:47:38,750 --> 01:47:36,780

taking a broom handle in some fishing

2840

01:47:40,729 --> 01:47:38,760

line and you know attaching at the top

2841

01:47:42,890 --> 01:47:40,739

of the hubcap and then taking a photo I

2842

01:47:46,970 --> 01:47:42,900

would say that the ladder is technically

2843

01:47:50,209 --> 01:47:46,980

easier yeah but you know

2844

01:47:51,770 --> 01:47:50,219

time I mean a 16 year old kid buying a

2845

01:47:54,709 --> 01:47:51,780

keyboard can make a pretty good pretty

2846

01:47:56,870 --> 01:47:54,719

damn good video nowadays so and the

2847

01:48:00,229 --> 01:47:56,880

internet even any cursory scanner

2848

01:48:01,609 --> 01:48:00,239

YouTube YouTube is chock full of UFO

2849

01:48:04,669 --> 01:48:01,619

videos

2850

01:48:06,050 --> 01:48:04,679

are any of those valid I know hoaxed but

2851

01:48:08,870 --> 01:48:06,060

I have no idea it's like a needle and

2852

01:48:12,109 --> 01:48:08,880

ASAP no face of moving I don't know Miss

2853

01:48:14,629 --> 01:48:12,119

talk well I I can recall even even a

2854

01:48:16,669 --> 01:48:14,639

couple uh you know videos that were

2855

01:48:20,090 --> 01:48:16,679

claimed of UFOs but they were actually

2856

01:48:21,709 --> 01:48:20,100

of like NASA NASA's 3D generated images

2857

01:48:24,590 --> 01:48:21,719

that were trying to be able to

2858

01:48:25,729 --> 01:48:24,600

demonstrate the Chandra satellites which

2859

01:48:28,970 --> 01:48:25,739

were

2860

01:48:32,030 --> 01:48:28,980

um basically put in orbit to measure the

2861

01:48:35,750 --> 01:48:32,040

level of water in the Grand Canyon and

2862

01:48:39,109 --> 01:48:35,760

it was like this this guy's video was

2863

01:48:41,209 --> 01:48:39,119

picked up by uh um a couple of tabloids

2864

01:48:44,570 --> 01:48:41,219

in the UK which will pretty much post

2865

01:48:46,189 --> 01:48:44,580

and you know anything up and it's just

2866

01:48:50,390 --> 01:48:46,199

like no like you know I went and

2867

01:48:51,590 --> 01:48:50,400

actually found the physical uh video or

2868

01:48:54,770 --> 01:48:51,600

not the physical video but like the

2869

01:48:56,330 --> 01:48:54,780

video on on you know NASA's jet

2870

01:48:59,209 --> 01:48:56,340

propulsion laboratory satellite and the

2871

01:49:02,390 --> 01:48:59,219

exact same video and I'm like what UFOs

2872

01:49:04,490 --> 01:49:02,400

this is yeah this is this is JPL imagery

2873

01:49:06,109 --> 01:49:04,500

this is like really bad 3D generated

2874

01:49:07,450 --> 01:49:06,119

imagery how do you think this is real

2875

01:49:11,209 --> 01:49:07,460

people

2876

01:49:14,689 --> 01:49:11,219

there is a video and actually this is

2877

01:49:16,070 --> 01:49:14,699

images of a of an object that was seen

2878

01:49:17,870 --> 01:49:16,080

or were I think was the New Jersey

2879

01:49:20,689 --> 01:49:17,880

Turnpike years ago

2880

01:49:22,729 --> 01:49:20,699

it was a europeo aliens pitchcraft it's

2881

01:49:24,410 --> 01:49:22,739

good to your blue

2882

01:49:26,390 --> 01:49:24,420

it was shown to be a Goodyear political

2883

01:49:28,550 --> 01:49:26,400

we have documentation showing he was

2884

01:49:30,770 --> 01:49:28,560

flying in that area at the exact same

2885

01:49:33,890 --> 01:49:30,780

time those prematures were taken

2886

01:49:36,590 --> 01:49:33,900

and now that is resurfaced despite the

2887

01:49:38,530 --> 01:49:36,600

information which supports and proves it

2888

01:49:41,090 --> 01:49:38,540

was the Goodyear blip people are still

2889

01:49:42,109 --> 01:49:41,100

posting those photographs saying they're

2890

01:49:43,729 --> 01:49:42,119

alien

2891

01:49:46,609 --> 01:49:43,739

well that's why so hopefully they never

2892

01:49:48,290 --> 01:49:46,619

go away never do well this is why I I

2893

01:49:50,390 --> 01:49:48,300

know that there are

2894

01:49:53,570 --> 01:49:50,400

um like for the some of the videos that

2895

01:49:55,490 --> 01:49:53,580

to the Stars Academy put out uh you know

2896

01:49:57,109 --> 01:49:55,500

claiming to show the Tic Tac which was

2897

01:49:59,810 --> 01:49:57,119

just like the heat uh the the floor

2898

01:50:00,830 --> 01:49:59,820

camera uh like I I'm I to this day

2899

01:50:02,090 --> 01:50:00,840

people will say like oh it was the

2900

01:50:04,189 --> 01:50:02,100

internal reflection of the camera yes

2901

01:50:07,070 --> 01:50:04,199

it's a possibility I still think that it

2902

01:50:08,990 --> 01:50:07,080

was you know that it was film from the

2903

01:50:11,030 --> 01:50:09,000

ex I believe it was the x23 the

2904

01:50:12,890 --> 01:50:11,040

hypersonic

2905

01:50:14,510 --> 01:50:12,900

um like top secret Hypersonic model that

2906

01:50:16,609 --> 01:50:14,520

was launched because the Nimitz was out

2907

01:50:17,810 --> 01:50:16,619

at Sea in that area at around the same

2908

01:50:20,330 --> 01:50:17,820

time and pretty much the same flight

2909

01:50:21,590 --> 01:50:20,340

flight path so if somebody actually

2910

01:50:23,870 --> 01:50:21,600

caught that video and it was from the

2911

01:50:25,729 --> 01:50:23,880

Nimitz you know something going that

2912

01:50:28,970 --> 01:50:25,739

fast well that that thing went that fast

2913

01:50:29,510 --> 01:50:28,980

so it was an actual physical object

2914

01:50:31,129 --> 01:50:29,520

um

2915

01:50:32,689 --> 01:50:31,139

and like that was something that was

2916

01:50:34,550 --> 01:50:32,699

man-made

2917

01:50:35,810 --> 01:50:34,560

and you know even though we only had

2918

01:50:38,510 --> 01:50:35,820

like maybe about a minute worth of

2919

01:50:39,649 --> 01:50:38,520

footage and it was really bad quality uh

2920

01:50:41,870 --> 01:50:39,659

you know like those kind of strange

2921

01:50:43,430 --> 01:50:41,880

things just uh

2922

01:50:46,189 --> 01:50:43,440

like it's it's those kind of videos that

2923

01:50:47,750 --> 01:50:46,199

just like they spawn a um kind of a mind

2924

01:50:48,709 --> 01:50:47,760

of their own like you know the the white

2925

01:50:53,510 --> 01:50:48,719

van

2926

01:50:55,790 --> 01:50:53,520

kids it's it's that urban Urban

2927

01:50:59,629 --> 01:50:55,800

lore or Urban myth

2928

01:51:02,090 --> 01:50:59,639

yeah you know and that yeah the UFO

2929

01:51:03,770 --> 01:51:02,100

topic is

2930

01:51:05,209 --> 01:51:03,780

blue

2931

01:51:07,609 --> 01:51:05,219

tails

2932

01:51:09,830 --> 01:51:07,619

that aren't true that become myths

2933

01:51:12,169 --> 01:51:09,840

they've embraced as

2934

01:51:14,330 --> 01:51:12,179

uh what what does a certain ex-president

2935

01:51:16,070 --> 01:51:14,340

say you know as a publisher with

2936

01:51:18,649 --> 01:51:16,080

bookstand the more you say something the

2937

01:51:21,470 --> 01:51:18,659

more people will end up believing them

2938

01:51:23,689 --> 01:51:21,480

yeah you've got the the Richard Nixon

2939

01:51:26,149 --> 01:51:23,699

Jackie Gleason UFO store you've got the

2940

01:51:28,570 --> 01:51:26,159

Aztec New Mexico Story You've Got the

2941

01:51:31,790 --> 01:51:28,580

Aurora Texas crash

2942

01:51:34,850 --> 01:51:31,800

uh Memorial event those are all shown to

2943

01:51:37,490 --> 01:51:34,860

be hoaxes the Phoenix Lights

2944

01:51:40,430 --> 01:51:37,500

I'm sorry Phoenix Lights

2945

01:51:41,590 --> 01:51:40,440

yeah and that they they live again they

2946

01:51:43,850 --> 01:51:41,600

never go away

2947

01:51:45,050 --> 01:51:43,860

even if Pilots will come forward and say

2948

01:51:47,450 --> 01:51:45,060

no I was actually in that training

2949

01:51:48,530 --> 01:51:47,460

exercise it was flares yeah and it's

2950

01:51:50,390 --> 01:51:48,540

like no man you're part of the

2951  
01:51:53,050 --> 01:51:50,400  
government it's a conspiracy it was UFO

2952  
01:51:58,430 --> 01:51:56,270  
it's invalid let's embrace the reality

2953  
01:52:00,709 --> 01:51:58,440  
of an investigation no let's embrace the

2954  
01:52:03,169 --> 01:52:00,719  
myth perpetuated down the road never

2955  
01:52:04,970 --> 01:52:03,179  
goes away and

2956  
01:52:06,410 --> 01:52:04,980  
that that's why the fuel doesn't get

2957  
01:52:07,729 --> 01:52:06,420  
anywhere we're spitting our Wheels we're

2958  
01:52:09,169 --> 01:52:07,739  
still discussing things they've been

2959  
01:52:12,050 --> 01:52:09,179  
shown to be untrue

2960  
01:52:14,810 --> 01:52:12,060  
and we asked it happened in January of

2961  
01:52:17,090 --> 01:52:14,820  
48th that's a long time ago

2962  
01:52:20,990 --> 01:52:17,100  
he will still embrace it as real come on

2963  
01:52:23,090 --> 01:52:21,000

boy a lot of a lot of UFO uh media is

2964

01:52:24,830 --> 01:52:23,100

again rehashing stories from I guess

2965

01:52:26,810 --> 01:52:24,840

it's just rehashing the same lore over

2966

01:52:28,430 --> 01:52:26,820

and over and over again it's it's like

2967

01:52:31,070 --> 01:52:28,440

you're watching howdy Duty from the you

2968

01:52:32,930 --> 01:52:31,080

know the 40s or 50s and it's it's 2023

2969

01:52:34,790 --> 01:52:32,940

yeah like I'm sorry I'm not watching

2970

01:52:35,930 --> 01:52:34,800

Pluto TV here to try and relive The

2971

01:52:38,750 --> 01:52:35,940

Glory Days I want to know what's going

2972

01:52:40,189 --> 01:52:38,760

on with these damn things yeah and you

2973

01:52:41,090 --> 01:52:40,199

know what I'm not going to say we're

2974

01:52:43,790 --> 01:52:41,100

going to solve it on this show because

2975

01:52:44,649 --> 01:52:43,800

we're coming near near the end here uh

2976

01:52:47,390 --> 01:52:44,659

but

2977

01:52:48,709 --> 01:52:47,400

outrageous oh and you mean I mean like

2978

01:52:50,750 --> 01:52:48,719

we've gone through two hours already I

2979

01:52:53,570 --> 01:52:50,760

know and I'm like wow at the after the

2980

01:52:56,750 --> 01:52:53,580

the week I've had I'm like we may we may

2981

01:52:58,790 --> 01:52:56,760

move back to 8 30. in a couple of weeks

2982

01:53:01,370 --> 01:52:58,800

once I can I can get things out because

2983

01:53:02,689 --> 01:53:01,380

I think this 10 P.M to uh midnight thing

2984

01:53:05,149 --> 01:53:02,699

is it's just it's just too much for me

2985

01:53:07,550 --> 01:53:05,159

I'm not I'm not you know 30 30 anymore

2986

01:53:10,310 --> 01:53:07,560

guys uh you know everyone on the East

2987

01:53:11,870 --> 01:53:10,320

Coast yay if we're on the west coast I'm

2988

01:53:13,010 --> 01:53:11,880

still going to be at work Chris what are

2989

01:53:15,530 --> 01:53:13,020

you doing to me like you know what

2990

01:53:18,410 --> 01:53:15,540

listen in the car on the way home

2991

01:53:21,229 --> 01:53:18,420

yes sir yeah so

2992

01:53:24,410 --> 01:53:23,090

do you have any final words of wisdom

2993

01:53:26,510 --> 01:53:24,420

that you'd like to be able to impart

2994

01:53:27,770 --> 01:53:26,520

what what is a message

2995

01:53:30,910 --> 01:53:27,780

that you want to be able to tell the

2996

01:53:36,709 --> 01:53:34,189

the yopo issue is worthy of a scientific

2997

01:53:39,950 --> 01:53:36,719

not sure the wrong term it's worthy of a

2998

01:53:41,510 --> 01:53:39,960

serious discussion a serious examination

2999

01:53:43,669 --> 01:53:41,520

whether you're enabler with science or

3000

01:53:46,490 --> 01:53:43,679

whatever point of view you want to say

3001  
01:53:49,189 --> 01:53:46,500  
a tongued Chic lighthearted approach is

3002  
01:53:52,669 --> 01:53:49,199  
not going to get us anywhere a

3003  
01:53:53,750 --> 01:53:52,679  
serious critically thought out

3004  
01:53:57,290 --> 01:53:53,760  
um

3005  
01:53:59,390 --> 01:53:57,300  
look at this topic is this topic is

3006  
01:54:03,470 --> 01:53:59,400  
worthy of that whether you're witness or

3007  
01:54:05,870 --> 01:54:03,480  
not and if we do that and all keep

3008  
01:54:08,510 --> 01:54:05,880  
ourselves grounded in reality and

3009  
01:54:10,790 --> 01:54:08,520  
embrace the ballot and push away from

3010  
01:54:13,729 --> 01:54:10,800  
the untruths we might have a chance to

3011  
01:54:15,530 --> 01:54:13,739  
solve this issue at some point

3012  
01:54:16,850 --> 01:54:15,540  
um but we keep embracing things that

3013  
01:54:20,450 --> 01:54:16,860

aren't true

3014

01:54:23,330 --> 01:54:20,460

and keep not using our brain

3015

01:54:26,270 --> 01:54:23,340

will never solve the issue

3016

01:54:29,629 --> 01:54:26,280

um but again like I said my blogs that's

3017

01:54:35,870 --> 01:54:32,390

and with that his humble opinion and a

3018

01:54:37,010 --> 01:54:35,880

Hubble man he is uh William thank you

3019

01:54:40,970 --> 01:54:37,020

very much for coming on the show I know

3020

01:54:42,290 --> 01:54:40,980

you've been eager to come on and from

3021

01:54:43,430 --> 01:54:42,300

you know it's like when can we promote

3022

01:54:45,350 --> 01:54:43,440

the show I'm like man you can do

3023

01:54:48,169 --> 01:54:45,360

whatever you want whenever you want you

3024

01:54:50,870 --> 01:54:48,179

got free reign like I'm I am I am in

3025

01:54:52,189 --> 01:54:50,880

low-key having a good time mode like you

3026

01:54:53,810 --> 01:54:52,199

want to promote it six weeks I'll go for

3027

01:54:56,450 --> 01:54:53,820

it uh we're definitely gonna have you

3028

01:54:58,550 --> 01:54:56,460

back on the show uh cause

3029

01:55:00,890 --> 01:54:58,560

this this is this is supposed to be fun

3030

01:55:03,229 --> 01:55:00,900

time for everybody learn some cool [h\_\_h]

3031

01:55:05,629 --> 01:55:03,239

oh yeah you know we will we talk about

3032

01:55:07,850 --> 01:55:05,639

philosophy we talk about the topics we

3033

01:55:09,109 --> 01:55:07,860

talk about the the bigger picture but at

3034

01:55:10,609 --> 01:55:09,119

the end of the day it's it's literally

3035

01:55:13,310 --> 01:55:10,619

two hours for me to be able to talk with

3036

01:55:14,570 --> 01:55:13,320

friends and people I find interesting uh

3037

01:55:16,189 --> 01:55:14,580

which is one of the reasons why I'm like

3038

01:55:17,930 --> 01:55:16,199

I gotta I had to have you on the show

3039

01:55:19,970 --> 01:55:17,940

for like one of the first guests because

3040

01:55:23,030 --> 01:55:19,980

I think it would be criminal to not do

3041

01:55:25,310 --> 01:55:23,040

so because we used to have so much fun

3042

01:55:27,290 --> 01:55:25,320

on that one show that we won't name with

3043

01:55:30,649 --> 01:55:27,300

that from with that one guy that Round

3044

01:55:32,570 --> 01:55:30,659

Table yeah yeah and I'm like yeah he's

3045

01:55:34,729 --> 01:55:32,580

he's a good he's a good gent and you

3046

01:55:36,050 --> 01:55:34,739

know the people love you I love you man

3047

01:55:37,729 --> 01:55:36,060

um next week

3048

01:55:41,689 --> 01:55:37,739

it's like actually to get up from the

3049

01:55:46,450 --> 01:55:43,669

that's the thing it's so comfortable

3050

01:55:51,169 --> 01:55:48,709

oh man you can come on whenever you want

3051  
01:55:52,850 --> 01:55:51,179  
it's like where do we say man let's talk

3052  
01:55:54,709 --> 01:55:52,860  
about UFOs I'm like dude we're we're

3053  
01:55:58,149 --> 01:55:54,719  
talking about in the English language

3054  
01:56:00,229 --> 01:55:58,159  
and translating it into Sumerian

3055  
01:56:04,850 --> 01:56:00,239  
you know they claimed that they were

3056  
01:56:08,030 --> 01:56:06,169  
actually you know what ladies and

3057  
01:56:09,950 --> 01:56:08,040  
gentlemen next week

3058  
01:56:12,109 --> 01:56:09,960  
um very very special very special

3059  
01:56:15,109 --> 01:56:12,119  
edition of the show I'm gonna have

3060  
01:56:17,270 --> 01:56:15,119  
chance Gardner and Venice McNeil from

3061  
01:56:19,370 --> 01:56:17,280  
magical Egypt

3062  
01:56:20,870 --> 01:56:19,380  
on the show they're going to be live

3063  
01:56:24,649 --> 01:56:20,880

from I think there still might be in

3064

01:56:27,189 --> 01:56:24,659

Thailand so that will be a 10 p.m show

3065

01:56:29,870 --> 01:56:27,199

um I'm gonna figure out the schedule

3066

01:56:31,129 --> 01:56:29,880

in oh

3067

01:56:32,810 --> 01:56:31,139

sorry I'm going to figure out the

3068

01:56:34,550 --> 01:56:32,820

schedule for like April's pretty much

3069

01:56:35,930 --> 01:56:34,560

not going to change I don't think and

3070

01:56:38,510 --> 01:56:35,940

then in May once I get in a new house

3071

01:56:41,570 --> 01:56:38,520

and actually have a somewhat of a studio

3072

01:56:44,209 --> 01:56:41,580

built again then I can I can really kick

3073

01:56:46,010 --> 01:56:44,219

things into high gear so I want to say

3074

01:56:50,030 --> 01:56:46,020

thank you very much everybody for tuning

3075

01:56:52,430 --> 01:56:50,040

in you guys make this a a treat every

3076

01:56:54,590 --> 01:56:52,440

single week I'm honored and I'm humbled

3077

01:56:57,169 --> 01:56:54,600

uh to be joined by people such as

3078

01:56:58,870 --> 01:56:57,179

William who are willing to come talk to

3079

01:57:01,310 --> 01:56:58,880

me for two hours

3080

01:57:03,649 --> 01:57:01,320

and for all of you for spending your

3081

01:57:06,109 --> 01:57:03,659

time with me on this Thursday evening

3082

01:57:07,430 --> 01:57:06,119

night or afternoon or more or Friday

3083

01:57:09,229 --> 01:57:07,440

morning if you're listening from

3084

01:57:12,410 --> 01:57:09,239

Australia because I know we do have a

3085

01:57:14,990 --> 01:57:12,420

lot of a lot of Aussie friends uh

3086

01:57:18,229 --> 01:57:15,000

uh it it's this is this is episode five

3087

01:57:20,570 --> 01:57:18,239

uh I'm starting to get back into the

3088

01:57:23,270 --> 01:57:20,580

mode of uh starting the show late which

3089

01:57:25,490 --> 01:57:23,280

means it's starting to get good and I'm

3090

01:57:26,689 --> 01:57:25,500

starting to feel that this was something

3091

01:57:29,930 --> 01:57:26,699

that I missed and I missed all of you

3092

01:57:32,149 --> 01:57:29,940

guys truly uh and this isn't just me

3093

01:57:33,290 --> 01:57:32,159

just being tired talking it it has been

3094

01:57:35,330 --> 01:57:33,300

something that I've been looking I look

3095

01:57:36,890 --> 01:57:35,340

forward to every single week and I have

3096

01:57:38,570 --> 01:57:36,900

missed it

3097

01:57:40,910 --> 01:57:38,580

um so

3098

01:57:43,010 --> 01:57:40,920

what I'm trying to say is

3099

01:57:44,870 --> 01:57:43,020

it doesn't matter if you start something

3100

01:57:47,149 --> 01:57:44,880

you stop something

3101

01:57:49,570 --> 01:57:47,159

if you're going to do something whether

3102

01:57:53,030 --> 01:57:49,580

you wait a week a month a year a decade

3103

01:57:56,990 --> 01:57:53,040

it's got to be right for you and it has

3104

01:57:58,129 --> 01:57:57,000

to be something that you enjoy and it

3105

01:57:59,750 --> 01:57:58,139

has to be something that adds to your

3106

01:58:00,950 --> 01:57:59,760

life not takes away

3107

01:58:03,109 --> 01:58:00,960

so

3108

01:58:07,550 --> 01:58:03,119

wherever you are whatever you're doing

3109

01:58:08,810 --> 01:58:07,560

uh be kind yourselves and if you're in a

3110

01:58:10,189 --> 01:58:08,820

spot of trouble

3111

01:58:12,410 --> 01:58:10,199

or you need to talk to somebody about

3112

01:58:15,410 --> 01:58:12,420

something don't be afraid to be kind to

3113

01:58:16,550 --> 01:58:15,420

yourself I already said that just yeah

3114

01:58:19,250 --> 01:58:16,560

like at the end of the day just be kind

3115

01:58:20,270 --> 01:58:19,260

to yourselves like especially online uh

3116

01:58:23,510 --> 01:58:20,280

don't

3117

01:58:25,070 --> 01:58:23,520

it day by day you'll get through it

3118

01:58:27,169 --> 01:58:25,080

we'll all get through it

3119

01:58:28,490 --> 01:58:27,179

so to all of you
