Max Moszkowicz Interview

Journalist/Filmmaker

1
00:00:07,349 --> 00:00:04,230
hello hello everybody

2
00:00:11,350 --> 00:00:07,359
thank you for joining me i am

3
00:00:12,950 --> 00:00:11,360
let's just wait for i'm sorry i'm new to

4
00:00:16,230 --> 00:00:12,960
this so i'm just checking my settings

5
00:00:20,150 --> 00:00:16,240
and stuff

6
00:00:24,470 --> 00:00:22,950
here we go guys welcome to another video

7
00:00:27,269 --> 00:00:24,480
like i said i'm new to this

8
00:00:27,990 --> 00:00:27,279
i'm doing this it's completely not what

9
00:00:30,070 --> 00:00:28,000
i'm used to

10
00:00:31,189 --> 00:00:30,080
but i am here tonight with mr max

11
00:00:32,870 --> 00:00:31,199
muskowitz so

12
00:00:34,389 --> 00:00:32,880
i'm gonna bring max in straight away

13
00:00:37,510 --> 00:00:34,399

let's not wait around

14

00:00:40,430 --> 00:00:37,520

here he is boom

15

00:00:42,150 --> 00:00:40,440

max hello sir hello vincent

16

00:00:45,990 --> 00:00:42,160

congratulations

17

00:00:49,510 --> 00:00:46,000

podcast man

18

00:00:52,630 --> 00:00:49,520

thank you my friend thank you yeah

19

00:00:55,270 --> 00:00:52,640

well how does it feel it feels

20

00:00:57,350 --> 00:00:55,280

good it feels a bit strange i'm not used

21

00:00:58,389 --> 00:00:57,360

to i'm used to going live on instagram

22

00:01:00,709 --> 00:00:58,399

that's something i've been doing for a

23

00:01:01,430 --> 00:01:00,719

while this just feels a little bit more

24

00:01:04,390 --> 00:01:01,440

pressure

25

00:01:05,990 --> 00:01:04,400

but hey i'll get used to it and uh yeah

26

00:01:08,390 --> 00:01:06,000

thank you for joining me man

27

00:01:09,590 --> 00:01:08,400

any time or a brother any time so it's

28

00:01:12,469 --> 00:01:09,600

going to be quite a relaxed

29

00:01:13,429 --> 00:01:12,479

discussion i've got a drink and we're

30

00:01:17,720 --> 00:01:13,439

just gonna chat

31

00:01:23,830 --> 00:01:19,830

[Laughter]

32

00:01:25,990 --> 00:01:23,840

cheers cheers brother clink

33

00:01:26,870 --> 00:01:26,000

hey it's good to see people here in the

34

00:01:28,710 --> 00:01:26,880

chat as well

35

00:01:30,469 --> 00:01:28,720

thank you for joining us guys and

36

00:01:31,510 --> 00:01:30,479

apologies if we have any technical

37

00:01:33,749 --> 00:01:31,520

issues

38

00:01:35,510 --> 00:01:33,759

uh um my internet service provider is

39

00:01:37,109 --> 00:01:35,520

terrible at the moment

40

00:01:39,190 --> 00:01:37,119

my internet comes through really old

41

00:01:40,069 --> 00:01:39,200

copper lines i've not got fibre optic

42

00:01:45,190 --> 00:01:40,079

yet so please

43

00:01:50,789 --> 00:01:47,350

dude it feels like that man it feels

44

00:01:54,389 --> 00:01:53,190

yeah yeah yeah you got you got the

45

00:01:57,429 --> 00:01:54,399

landlines huh

46

00:01:59,510 --> 00:01:57,439

well yeah

47

00:02:00,950 --> 00:01:59,520

you know this the streamyard stuff it's

48

00:02:04,230 --> 00:02:00,960

it's it's really uh

49

00:02:05,270 --> 00:02:04,240

hey wilfred this screamyard stuff is

50

00:02:08,949 --> 00:02:05,280

really uh

51

00:02:12,470 --> 00:02:08,959

very avant-garde but you know

52

00:02:13,830 --> 00:02:12,480

you probably need a very very strong

53

00:02:17,030 --> 00:02:13,840

connection because i do have some

54

00:02:19,990 --> 00:02:17,040

problems with the with the delay or the

55

00:02:22,550 --> 00:02:20,000

uh you know it it goes black sometimes

56

00:02:25,110 --> 00:02:22,560

for me but um all right okay

57

00:02:26,550 --> 00:02:25,120

when i tried uh the cable it actually

58

00:02:26,790 --> 00:02:26,560

worked much better but you know you have

59

00:02:30,150 --> 00:02:26,800

to

60

00:02:32,550 --> 00:02:30,160

have the isdn cable yeah i've got such a

61

00:02:34,790 --> 00:02:32,560

strange setup i won't go into it but

62

00:02:36,550 --> 00:02:34,800

hey it's working scott thank you scott

63

00:02:38,229 --> 00:02:36,560

has just chimed in picture and sound is

64

00:02:41,670 --> 00:02:38,239

great we're rolling man

65

00:02:42,710 --> 00:02:41,680

so you're a man's car yeah so this is

66

00:02:43,670 --> 00:02:42,720

really meant to be kind of me

67

00:02:45,030 --> 00:02:43,680

interviewing you

68

00:02:47,589 --> 00:02:45,040

but i think it's going to be more of a

69

00:02:49,270 --> 00:02:47,599

chat but i mean we've got to talk about

70

00:02:50,309 --> 00:02:49,280

what you've been doing recently man i

71

00:02:52,869 --> 00:02:50,319

mean

72

00:02:53,430 --> 00:02:52,879

luella is on no for a second time harry

73

00:02:56,550 --> 00:02:53,440

reid

74

00:03:00,149 --> 00:02:56,560

i mean dude you've been killing it man

75

00:03:01,990 --> 00:03:00,159

sean gail sure god this the list goes on

76

00:03:04,309 --> 00:03:02,000

my friend

77

00:03:06,390 --> 00:03:04,319

that was the last one actually yeah well

78

00:03:09,830 --> 00:03:06,400

and chris christina obviously uh

79

00:03:12,390 --> 00:03:09,840

last night yeah yesterday yeah yeah yeah

80

00:03:14,309 --> 00:03:12,400

she's a warrior i mean you always seem

81

00:03:15,910 --> 00:03:14,319

to you always seem to get

82

00:03:17,509 --> 00:03:15,920

real valuable little chunks of

83

00:03:19,030 --> 00:03:17,519

information out of all these people as

84

00:03:20,869 --> 00:03:19,040

well which is

85

00:03:22,070 --> 00:03:20,879

i don't know how you do it man it's just

86

00:03:26,630 --> 00:03:22,080

something i am

87

00:03:29,030 --> 00:03:26,640

i want to be like i i really

88

00:03:31,190 --> 00:03:29,040

enjoy what i do i think that's that's it

89

00:03:33,270 --> 00:03:31,200

you know i'm having a lot of fun

90

00:03:34,789 --> 00:03:33,280

and i'm i'm i'm really really uh

91

00:03:38,229 --> 00:03:34,799

interested into the subject

92

00:03:41,670 --> 00:03:38,239

and uh i have

93

00:03:44,309 --> 00:03:41,680

really no shame

94

00:03:46,309 --> 00:03:44,319

in the weird way i just asked that's so

95

00:03:49,110 --> 00:03:46,319

good man that's great

96

00:03:49,910 --> 00:03:49,120

yeah no no no i don't feel i don't feel

97

00:03:52,070 --> 00:03:49,920

boundaries

98

00:03:53,670 --> 00:03:52,080

uh you know i always stay respectful but

99

00:03:56,710 --> 00:03:53,680

i i do feel

100

00:03:58,630 --> 00:03:56,720

um you know if you if you are really if

101
00:04:00,309 --> 00:03:58,640
you did your homework you get to ask the

102
00:04:03,910 --> 00:04:00,319
real questions and

103
00:04:07,350 --> 00:04:03,920
um yeah you know a man like lou elizondo

104
00:04:08,630 --> 00:04:07,360
uh you know he's very open but he's also

105
00:04:10,710 --> 00:04:08,640
very clear you know

106
00:04:12,710 --> 00:04:10,720
i cannot answer this but i can't tell

107
00:04:15,350 --> 00:04:12,720
this but you know it's

108
00:04:16,469 --> 00:04:15,360
it's your job vincent to ask the

109
00:04:18,069 --> 00:04:16,479
question and you know

110
00:04:19,509 --> 00:04:18,079
if you're lucky you know sometimes you

111
00:04:22,230 --> 00:04:19,519
you'll get a uh uh

112
00:04:22,550 --> 00:04:22,240
some new information and you know that

113
00:04:24,310 --> 00:04:22,560

that

114

00:04:25,749 --> 00:04:24,320

those are the the moments you know you

115

00:04:26,469 --> 00:04:25,759

you have this little jump in your head

116

00:04:28,710 --> 00:04:26,479

you're like

117

00:04:30,870 --> 00:04:28,720

yes yeah about well that's the thing you

118

00:04:32,469 --> 00:04:30,880

know my interview with lou has been

119

00:04:34,710 --> 00:04:32,479

knocked back one week so that's just

120

00:04:36,629 --> 00:04:34,720

given me a little bit extra time to

121

00:04:39,030 --> 00:04:36,639

plan a little bit more and and believe

122

00:04:40,550 --> 00:04:39,040

me my i'm planning hard i'm

123

00:04:42,390 --> 00:04:40,560

trying to come out with a whole new

124

00:04:43,510 --> 00:04:42,400

bunch of questions that i've not really

125

00:04:45,430 --> 00:04:43,520

seen

126

00:04:47,430 --> 00:04:45,440

put at him before i'm going to come in

127

00:04:48,710 --> 00:04:47,440

from a scientific angle i'm going to

128

00:04:52,710 --> 00:04:48,720

just start picking apart

129

00:04:55,270 --> 00:04:52,720

other things um yeah i'm excited

130

00:04:55,749 --> 00:04:55,280

yeah i'm excited too to be honest that's

131

00:04:59,189 --> 00:04:55,759

one

132

00:05:00,469 --> 00:04:59,199

about because i've had so much time to

133

00:05:03,430 --> 00:05:00,479

prepare for it

134

00:05:05,110 --> 00:05:03,440

right um it's all down to the answers

135

00:05:08,310 --> 00:05:05,120

that he gives us now

136

00:05:11,350 --> 00:05:08,320

come on lou come on lou yeah yeah

137

00:05:13,749 --> 00:05:11,360

well you know lou is a very humble and a

138

00:05:16,870 --> 00:05:13,759

very nice man and you know

139

00:05:17,510 --> 00:05:16,880

he will give you whatever he can give so

140

00:05:19,990 --> 00:05:17,520

yeah

141

00:05:21,029 --> 00:05:20,000

man you go for it no well i have to say

142

00:05:23,830 --> 00:05:21,039

his wife as well

143

00:05:25,270 --> 00:05:23,840

such an amazing lovely lady oh big so to

144

00:05:26,870 --> 00:05:25,280

jennifer i loved it i

145

00:05:28,790 --> 00:05:26,880

loved it she's just incredible she's

146

00:05:31,430 --> 00:05:28,800

just super nice and respectful

147

00:05:32,710 --> 00:05:31,440

and yeah we've been communicating back

148

00:05:34,629 --> 00:05:32,720

and forth quite a bit and

149

00:05:36,070 --> 00:05:34,639

yeah i just can't sing our praises

150

00:05:38,790 --> 00:05:36,080

enough man so

151
00:05:39,590 --> 00:05:38,800
both of them very very nice people yeah

152
00:05:42,790 --> 00:05:39,600
they're lovely

153
00:05:45,830 --> 00:05:42,800
what

154
00:05:47,590 --> 00:05:45,840
wife

155
00:05:49,670 --> 00:05:47,600
they're just human beings they're

156
00:05:52,150 --> 00:05:49,680
regular human beings the only thing is

157
00:05:54,150 --> 00:05:52,160
lou happens to be a former special agent

158
00:05:57,830 --> 00:05:54,160
who investigated

159
00:05:59,830 --> 00:05:57,840
in secrecy ufos but totally normal

160
00:06:01,670 --> 00:05:59,840
yeah that's it man i need to try and

161
00:06:04,790 --> 00:06:01,680
remember that sometimes i think i

162
00:06:06,870 --> 00:06:04,800
like the incredibles exactly i hold him

163
00:06:08,309 --> 00:06:06,880

to such high regard

164

00:06:09,749 --> 00:06:08,319

every now and again i have to just reel

165

00:06:11,749 --> 00:06:09,759

myself back and just go look he's just

166

00:06:13,029 --> 00:06:11,759

another guy like me you and everyone

167

00:06:14,950 --> 00:06:13,039

else

168

00:06:16,950 --> 00:06:14,960

it just so happens to be the guy that

169

00:06:18,790 --> 00:06:16,960

everyone wants to talk to at the moment

170

00:06:20,550 --> 00:06:18,800

yeah that's true that's true i'm lucky

171

00:06:21,990 --> 00:06:20,560

to have that chance and hey it's half

172

00:06:23,830 --> 00:06:22,000

thanks to you my friend

173

00:06:25,660 --> 00:06:23,840

you made this happen for me and put me

174

00:06:28,150 --> 00:06:25,670

on

175

00:06:31,350 --> 00:06:28,160

[Laughter]

176

00:06:33,990 --> 00:06:31,360

okeydokes so

177

00:06:35,510 --> 00:06:34,000

where should we start man where we

178

00:06:38,629 --> 00:06:35,520

should always start

179

00:06:41,830 --> 00:06:38,639

where shall we start you know um i i

180

00:06:42,790 --> 00:06:41,840

uh the the what the thing that blew my

181

00:06:45,990 --> 00:06:42,800

mind the most

182

00:06:48,309 --> 00:06:46,000

the last two weeks were all these former

183

00:06:50,150 --> 00:06:48,319

presidents who started singing

184

00:06:51,510 --> 00:06:50,160

yes ma'am and they've all seen they all

185

00:06:53,670 --> 00:06:51,520

seem to be sort of doing it

186

00:06:55,029 --> 00:06:53,680

around the same time it's like all of a

187

00:06:56,469 --> 00:06:55,039

sudden they're all coming out and

188

00:06:58,710 --> 00:06:56,479

talking about it which is great

189

00:06:59,510 --> 00:06:58,720

obviously i mean i loved it i loved it i

190

00:07:01,510 --> 00:06:59,520

loved it

191

00:07:03,110 --> 00:07:01,520

yeah what did you think you know when

192

00:07:06,070 --> 00:07:03,120

obama

193

00:07:07,749 --> 00:07:06,080

started talking to the well what's the

194

00:07:08,230 --> 00:07:07,759

the dude from the band the roots right

195

00:07:10,150 --> 00:07:08,240

shame

196

00:07:11,830 --> 00:07:10,160

he was talking to the guy on james

197

00:07:13,589 --> 00:07:11,840

corden's show the guy in the band i

198

00:07:15,189 --> 00:07:13,599

forget his name man that's terrible

199

00:07:16,710 --> 00:07:15,199

yeah the band is the roots the roots i

200

00:07:18,870 --> 00:07:16,720

is it the roots

201
00:07:19,749 --> 00:07:18,880
yeah yeah yeah i love the roots man yeah

202
00:07:22,870 --> 00:07:19,759
they're like

203
00:07:24,230 --> 00:07:22,880
great [\h__\h] i like that you can swear

204
00:07:27,909 --> 00:07:24,240
on this channel man

205
00:07:27,919 --> 00:07:31,990
just checking in the chat the

206
00:07:36,230 --> 00:07:33,510
yeah it was good that he chimed in with

207
00:07:38,309 --> 00:07:36,240
that that question for obama and obama

208
00:07:39,430 --> 00:07:38,319
he kind of just laid it out quite

209
00:07:41,189 --> 00:07:39,440
casually as well and

210
00:07:43,029 --> 00:07:41,199
you know it wasn't like you know when

211
00:07:44,550 --> 00:07:43,039
you saw obama a few years ago while he

212
00:07:45,990 --> 00:07:44,560
was still president talking on

213
00:07:48,390 --> 00:07:46,000

i think it was jimmy kimmel or one of

214

00:07:50,150 --> 00:07:48,400

them it was a lot of a different vibe

215

00:07:53,749 --> 00:07:50,160

but this time it was a lot more

216

00:07:56,950 --> 00:07:53,759

flowing and i think i think he felt

217

00:07:58,309 --> 00:07:56,960

uh powered by the fact you know all this

218

00:08:01,029 --> 00:07:58,319

is coming out now right

219

00:08:01,589 --> 00:08:01,039

so it's like look uh if if my military

220

00:08:09,270 --> 00:08:01,599

is

221

00:08:12,950 --> 00:08:09,280

i will too yeah so absolutely and then

222

00:08:16,150 --> 00:08:12,960

um clinton came out um

223

00:08:20,150 --> 00:08:18,309

no not trump right no no just clinton

224

00:08:21,589 --> 00:08:20,160

yeah yeah clinton came out i

225

00:08:22,950 --> 00:08:21,599

posted it i can't remember what show it

226

00:08:24,550 --> 00:08:22,960

was i'm not familiar with all these

227

00:08:26,469 --> 00:08:24,560

different chat shows in the states that

228

00:08:27,029 --> 00:08:26,479

much but uh yeah i didn't know they want

229

00:08:28,469 --> 00:08:27,039

to

230

00:08:30,869 --> 00:08:28,479

it was good it was good you know they're

231

00:08:32,709 --> 00:08:30,879

talking about it and they're not

232

00:08:34,709 --> 00:08:32,719

you know the stigma's dropped all that

233

00:08:35,589 --> 00:08:34,719

taboo has dropped and people are talking

234

00:08:38,870 --> 00:08:35,599

about it and

235

00:08:42,550 --> 00:08:38,880

that is just so important look finn

236

00:08:46,310 --> 00:08:42,560

if the damn past presidents

237

00:08:50,550 --> 00:08:49,509

you know saying this is a real thing

238

00:08:52,550 --> 00:08:50,560

they were talking

239

00:08:53,590 --> 00:08:52,560

i did you know i my first question to

240

00:08:56,710 --> 00:08:53,600

harry reid right

241

00:08:59,990 --> 00:08:56,720

senator harry reid i saw that thing on

242

00:09:02,389 --> 00:09:00,000

uh james gordon and i

243

00:09:03,670 --> 00:09:02,399

i i think it was just days away from

244

00:09:06,150 --> 00:09:03,680

from uh interviewing

245

00:09:07,750 --> 00:09:06,160

the senator i thought that's my i have

246

00:09:09,829 --> 00:09:07,760

to add that's the first thing i'm going

247

00:09:12,949 --> 00:09:09,839

to ask because you know he was working

248

00:09:16,710 --> 00:09:12,959

with obama at the time it was i was like

249

00:09:19,030 --> 00:09:16,720

oh god whatever is up there

250

00:09:20,550 --> 00:09:19,040

yeah came together no that's perfect i

251
00:09:22,550 --> 00:09:20,560
remember i watched it and then yeah it

252
00:09:25,030 --> 00:09:22,560
was great it was a great opener

253
00:09:27,030 --> 00:09:25,040
just lay the level and yeah i was

254
00:09:30,310 --> 00:09:27,040
impressed by that it was really good

255
00:09:33,590 --> 00:09:30,320
yeah and and and the senator was like

256
00:09:35,269 --> 00:09:33,600
yeah yeah yeah we talked about that like

257
00:09:37,030 --> 00:09:35,279
like a water cooler conversation or

258
00:09:39,829 --> 00:09:37,040
something exactly just just casual

259
00:09:41,430 --> 00:09:39,839
casual chat as you do when you're at

260
00:09:43,910 --> 00:09:41,440
that higher level

261
00:09:45,350 --> 00:09:43,920
yeah we're in the white house hey harry

262
00:09:47,190 --> 00:09:45,360
hey baroque

263
00:09:50,150 --> 00:09:47,200

man just to be a fly on the wall for

264

00:09:52,550 --> 00:09:50,160

some of those conversations

265

00:09:54,070 --> 00:09:52,560

cheer about that damn gimbal yesterday

266

00:09:56,470 --> 00:09:54,080

yeah

267

00:09:58,389 --> 00:09:56,480

insane but the thing is as well is that

268

00:10:01,110 --> 00:09:58,399

they're talking about it you know across

269

00:10:03,509 --> 00:10:01,120

all the mainstream media i guess the

270

00:10:05,670 --> 00:10:03,519

only negative thing i have to say is

271

00:10:07,350 --> 00:10:05,680

is watching all the people complain that

272

00:10:09,350 --> 00:10:07,360

the mainstream media are talking about

273

00:10:10,790 --> 00:10:09,360

it like oh there's fake news they're

274

00:10:11,190 --> 00:10:10,800

lying and that it's like hang on a

275

00:10:12,949 --> 00:10:11,200

minute

276

00:10:14,630 --> 00:10:12,959

we've been crying out for years for the

277

00:10:17,190 --> 00:10:14,640

mainstream to cover it

278

00:10:17,990 --> 00:10:17,200

take it seriously and now that they are

279

00:10:20,550 --> 00:10:18,000

people are

280

00:10:22,310 --> 00:10:20,560

complaining even more it's like you

281

00:10:24,790 --> 00:10:22,320

can't win

282

00:10:25,350 --> 00:10:24,800

no it's it's it's it's the weirdest

283

00:10:28,710 --> 00:10:25,360

thing

284

00:10:30,550 --> 00:10:28,720

yeah but i i do think it's still a human

285

00:10:31,990 --> 00:10:30,560

reflex you know people are have a really

286

00:10:36,069 --> 00:10:32,000

hard time coping with this

287

00:10:38,310 --> 00:10:36,079

new yeah reality and um

288

00:10:39,509 --> 00:10:38,320

that there there is a problem it's

289

00:10:41,990 --> 00:10:39,519

because we still

290

00:10:42,550 --> 00:10:42,000

do not know what the hell this is you

291

00:10:45,509 --> 00:10:42,560

know

292

00:10:46,949 --> 00:10:45,519

it doesn't help i guess so but then a

293

00:10:48,389 --> 00:10:46,959

lot of people will still say well of

294

00:10:49,910 --> 00:10:48,399

course they know what it is they're just

295

00:10:52,949 --> 00:10:49,920

not telling us

296

00:10:54,790 --> 00:10:52,959

and it's like oh yeah we don't know

297

00:10:56,150 --> 00:10:54,800

they've always this is the thing there's

298

00:10:58,630 --> 00:10:56,160

a lot of people out there that think

299

00:11:00,790 --> 00:10:58,640

they have the answers or that they know

300

00:11:02,949 --> 00:11:00,800

who has the answers and in fact we we

301
00:11:04,069 --> 00:11:02,959
don't and and this is where my research

302
00:11:07,030 --> 00:11:04,079
goes is that we

303
00:11:07,910 --> 00:11:07,040
hit brick walls and we can't get that

304
00:11:10,470 --> 00:11:07,920
final

305
00:11:11,990 --> 00:11:10,480
yes it's conclusive this is what it is

306
00:11:13,350 --> 00:11:12,000
or this is who knows and things like

307
00:11:17,190 --> 00:11:13,360
that what is that

308
00:11:19,430 --> 00:11:17,200
oh there's wine sorry that's a nice oh

309
00:11:20,949 --> 00:11:19,440
nah please go ahead man i just took off

310
00:11:22,550 --> 00:11:20,959
the cork like a pirate

311
00:11:25,590 --> 00:11:22,560
yeah i was gonna say like a boss

312
00:11:27,829 --> 00:11:25,600
[Laughter]

313
00:11:29,509 --> 00:11:27,839

i always like like smack the cork but

314

00:11:31,590 --> 00:11:29,519

then i can't open it again and i have to

315

00:11:32,710 --> 00:11:31,600

use my teeth

316

00:11:34,790 --> 00:11:32,720

and just carrying on from where we're

317

00:11:36,310 --> 00:11:34,800

talking about the media is like a lot of

318

00:11:38,949 --> 00:11:36,320

people say it's fake news in that it's

319

00:11:40,949 --> 00:11:38,959

like i don't care what network it's on

320

00:11:43,030 --> 00:11:40,959

don't pay attention to the newscaster

321

00:11:46,230 --> 00:11:43,040

pay attention to who they're talking to

322

00:11:47,269 --> 00:11:46,240

louis ondo sean cahill and you know

323

00:11:48,790 --> 00:11:47,279

people like that

324

00:11:50,870 --> 00:11:48,800

it doesn't matter what network they're

325

00:11:51,190 --> 00:11:50,880

on it's not fake news if we're hearing

326

00:11:53,750 --> 00:11:51,200

it

327

00:11:55,030 --> 00:11:53,760

straight from people that that we have

328

00:11:57,910 --> 00:11:55,040

time for that we like

329

00:11:58,790 --> 00:11:57,920

we want to hear from yeah so this is my

330

00:12:00,550 --> 00:11:58,800

this this is my

331

00:12:01,829 --> 00:12:00,560

criticism to the dutch media actually

332

00:12:04,069 --> 00:12:01,839

you know because

333

00:12:06,069 --> 00:12:04,079

they they have been writing about this a

334

00:12:08,790 --> 00:12:06,079

lot now especially this week

335

00:12:11,509 --> 00:12:08,800

like this yeah the three biggest dutch

336

00:12:14,230 --> 00:12:11,519

newspapers started to cover it but they

337

00:12:15,590 --> 00:12:14,240

just take over literally the new york

338

00:12:19,030 --> 00:12:15,600

times

339

00:12:21,990 --> 00:12:19,040

even the the first uh fault

340

00:12:22,470 --> 00:12:22,000

faultive uh title then you know they

341

00:12:25,509 --> 00:12:22,480

they

342

00:12:26,949 --> 00:12:25,519

changed it you know it uh we can't rule

343

00:12:30,389 --> 00:12:26,959

out its aliens you know

344

00:12:32,069 --> 00:12:30,399

yeah dutch media is covering just

345

00:12:33,670 --> 00:12:32,079

you know whatever they see and whatever

346

00:12:35,350 --> 00:12:33,680

they want to see

347

00:12:37,829 --> 00:12:35,360

listen you just you just said it's three

348

00:12:39,350 --> 00:12:37,839

dutch media outlets now because i'm sure

349

00:12:40,230 --> 00:12:39,360

only a month or two ago you were talking

350

00:12:42,790 --> 00:12:40,240

about one

351
00:12:44,470 --> 00:12:42,800
the big one was covering it so yeah more

352
00:12:45,750 --> 00:12:44,480
it's expanded now there's more of them

353
00:12:48,790 --> 00:12:45,760
covered

354
00:12:51,350 --> 00:12:48,800
we have like three three big newspapers

355
00:12:53,269 --> 00:12:51,360
uh and now they all cover but you know

356
00:12:53,590 --> 00:12:53,279
they cover it in a weird way you know

357
00:12:57,990 --> 00:12:53,600
they

358
00:12:59,269 --> 00:12:58,000
me you know like um

359
00:13:01,190 --> 00:12:59,279
they don't talk to people you know

360
00:13:04,230 --> 00:13:01,200
they're not like you or me you know

361
00:13:07,509 --> 00:13:04,240
they don't just approach someone who's

362
00:13:10,389 --> 00:13:07,519
incredibly important like lou elizondo

363
00:13:11,350 --> 00:13:10,399

or or a politician or or one of the

364

00:13:13,750 --> 00:13:11,360

military men

365

00:13:15,509 --> 00:13:13,760

no yeah they they just copy paste the

366

00:13:17,269 --> 00:13:15,519

damn american media

367

00:13:19,030 --> 00:13:17,279

you know what the hell do something

368

00:13:20,629 --> 00:13:19,040

realism

369

00:13:22,710 --> 00:13:20,639

in this country all the tabloids and

370

00:13:24,870 --> 00:13:22,720

that it's exactly the same

371

00:13:27,190 --> 00:13:24,880

you know we're crying out for them to

372

00:13:27,430 --> 00:13:27,200

just contact someone who who knows about

373

00:13:35,590 --> 00:13:27,440

it

374

00:13:36,470 --> 00:13:35,600

the bullet points and basic information

375

00:13:40,230 --> 00:13:36,480

we need more

376

00:13:44,150 --> 00:13:40,240

any i came to a weird conclusion oh okay

377

00:13:46,949 --> 00:13:44,160

there's a rare exception

378

00:13:48,069 --> 00:13:46,959

uh on this topic where tabloids are

379

00:13:51,509 --> 00:13:48,079

actually

380

00:13:55,110 --> 00:13:51,519

more on point than

381

00:13:57,030 --> 00:13:55,120

you know real uh respected mainstream

382

00:13:59,990 --> 00:13:57,040

media newspapers

383

00:14:01,030 --> 00:14:00,000

tabloids are more on point on this

384

00:14:02,389 --> 00:14:01,040

subject

385

00:14:05,269 --> 00:14:02,399

they've definitely jumped on it quicker

386

00:14:08,230 --> 00:14:05,279

than the main domain respected

387

00:14:08,790 --> 00:14:08,240

and they're covering it quite well you

388

00:14:10,310 --> 00:14:08,800

know

389

00:14:11,990 --> 00:14:10,320

they are i mean as much as they're

390

00:14:13,189 --> 00:14:12,000

saying it's just copied and pasted and

391

00:14:15,269 --> 00:14:13,199

that they're covering it

392

00:14:16,870 --> 00:14:15,279

it's taking it's you know it's been put

393

00:14:18,310 --> 00:14:16,880

out there to a lot of people that

394

00:14:20,230 --> 00:14:18,320

it wouldn't be on their radar if they

395

00:14:21,590 --> 00:14:20,240

weren't so i guess we have to throw a

396

00:14:23,829 --> 00:14:21,600

little bit of credit their way

397

00:14:25,030 --> 00:14:23,839

you know and what's also so weird to me

398

00:14:29,670 --> 00:14:25,040

is like like

399

00:14:34,949 --> 00:14:33,030

it's black all the stuff in that not all

400

00:14:35,670 --> 00:14:34,959

of it not all of it but there's a lot of

401
00:14:38,550 --> 00:14:35,680

things that

402
00:14:39,590 --> 00:14:38,560

that were you know uh in this fictional

403
00:14:42,790 --> 00:14:39,600

uh story about

404
00:14:44,790 --> 00:14:42,800

uh you know alien life but some elements

405
00:14:46,310 --> 00:14:44,800

some facets are actually dead on you

406
00:14:47,269 --> 00:14:46,320

know like the tabloids are actually

407
00:14:50,389 --> 00:14:47,279

covering it quite

408
00:14:53,350 --> 00:14:50,399

well absolutely and um

409
00:14:54,949 --> 00:14:53,360

you know uh i well you know i might

410
00:14:57,110 --> 00:14:54,959

drift off a little bit but

411
00:14:58,230 --> 00:14:57,120

what do you think yeah no no i totally

412
00:14:59,990 --> 00:14:58,240

agree and i think we've seen it

413
00:15:01,269 --> 00:15:00,000

especially in movies through hollywood

414

00:15:03,110 --> 00:15:01,279

over the

415

00:15:04,949 --> 00:15:03,120

for decades you know we see little

416

00:15:08,470 --> 00:15:04,959

pieces of movies

417

00:15:11,670 --> 00:15:08,480

that that make sense and they compare to

418

00:15:12,870 --> 00:15:11,680

what we've heard in real ufo history ufo

419

00:15:14,949 --> 00:15:12,880

cases

420

00:15:16,870 --> 00:15:14,959

you know done by researchers you hear

421

00:15:18,710 --> 00:15:16,880

the stories about these directors such

422

00:15:21,189 --> 00:15:18,720

as spielberg talking with

423

00:15:22,710 --> 00:15:21,199

government and stuff you know right so

424

00:15:23,910 --> 00:15:22,720

yeah there's got to be little pieces of

425

00:15:26,790 --> 00:15:23,920

truth in there

426
00:15:29,030 --> 00:15:26,800
somewhere yeah yeah yeah definitely

427
00:15:33,030 --> 00:15:29,040
definitely

428
00:15:36,230 --> 00:15:33,040
so i can't wait for this

429
00:15:39,509 --> 00:15:36,240
you know report to come out but uh

430
00:15:41,749 --> 00:15:39,519
you know i hear so many different

431
00:15:43,990 --> 00:15:41,759
angles and stories and people have you

432
00:15:45,269 --> 00:15:44,000
know that they're very skeptical

433
00:15:47,350 --> 00:15:45,279
you know they prepare for a

434
00:15:48,550 --> 00:15:47,360
disappointment some people are actually

435
00:15:52,069 --> 00:15:48,560
very

436
00:15:54,310 --> 00:15:52,079
positive you know yeah yeah

437
00:15:55,269 --> 00:15:54,320
but with the but with the in inspector

438
00:15:56,389 --> 00:15:55,279

general uh

439

00:15:58,550 --> 00:15:56,399
involved you know this might be

440

00:15:59,829 --> 00:15:58,560
interesting it will be yeah i mean i

441

00:16:01,829 --> 00:15:59,839
think the report will come out on the

442

00:16:03,110 --> 00:16:01,839
25th with very little information for

443

00:16:04,629 --> 00:16:03,120
the public

444

00:16:07,590 --> 00:16:04,639
the evaluation being done by the

445

00:16:10,310 --> 00:16:07,600
inspector general may lead to

446

00:16:11,269 --> 00:16:10,320
them pushing the task force into a more

447

00:16:12,790 --> 00:16:11,279
prominent position

448

00:16:15,189 --> 00:16:12,800
going forward you know something a bit

449

00:16:16,949 --> 00:16:15,199
more permanent maybe give them more

450

00:16:18,550 --> 00:16:16,959
members more funding

451
00:16:20,230 --> 00:16:18,560
just give them the opportunity to stop

452
00:16:21,509 --> 00:16:20,240
hitting these robot roadblocks and

453
00:16:22,790 --> 00:16:21,519
getting these pushbacks that we we've

454
00:16:25,269 --> 00:16:22,800
heard they've been getting

455
00:16:27,269 --> 00:16:25,279
you know struggling to get the

456
00:16:29,110 --> 00:16:27,279
information from some of these agencies

457
00:16:31,749 --> 00:16:29,120
um it really needs to be a longer

458
00:16:35,749 --> 00:16:31,759
process 180 days is not long enough

459
00:16:36,230 --> 00:16:35,759
no no no lou said like 180 days you know

460
00:16:37,749 --> 00:16:36,240
it's even

461
00:16:40,310 --> 00:16:37,759
it's not even long enough to build a new

462
00:16:42,389 --> 00:16:40,320
kitchen maybe exactly man it's it's

463
00:16:44,310 --> 00:16:42,399

it's too much to ask of them it really

464

00:16:46,470 --> 00:16:44,320

is yeah

465

00:16:48,470 --> 00:16:46,480

but then we can't forget that there are

466

00:16:50,389 --> 00:16:48,480

still a lot of people out there

467

00:16:52,150 --> 00:16:50,399

not connected to the government anymore

468

00:16:54,150 --> 00:16:52,160

necessarily who

469

00:16:55,670 --> 00:16:54,160

we've seen leaks coming from them

470

00:16:57,590 --> 00:16:55,680

there's got to be more to come

471

00:16:59,670 --> 00:16:57,600

there really has we've heard it teased

472

00:17:03,030 --> 00:16:59,680

jeremy's teased it a lot more

473

00:17:03,829 --> 00:17:03,040

so you know yeah he does a good job

474

00:17:06,069 --> 00:17:03,839

teasing

475

00:17:07,189 --> 00:17:06,079

yeah very good very good and i know a

476
00:17:08,870 --> 00:17:07,199
lot of people hate that and they

477
00:17:09,750 --> 00:17:08,880
complain but if you can just see past

478
00:17:13,110 --> 00:17:09,760
that and just

479
00:17:15,909 --> 00:17:13,120
no i i i i get upset when people

480
00:17:16,470 --> 00:17:15,919
you know criticize jeremy because this

481
00:17:18,470 --> 00:17:16,480
guy is

482
00:17:19,750 --> 00:17:18,480
goddamn pioneer you know if you didn't

483
00:17:23,429 --> 00:17:19,760
have jeremy

484
00:17:25,990 --> 00:17:23,439
you know these military men feel uh

485
00:17:26,549 --> 00:17:26,000
safe enough to to uh release their

486
00:17:29,590 --> 00:17:26,559
footage

487
00:17:33,270 --> 00:17:29,600
through jeremy you know but you know

488
00:17:36,150 --> 00:17:33,280

if if you and look

489

00:17:36,710 --> 00:17:36,160

jeremy is a human being who who needs to

490

00:17:39,830 --> 00:17:36,720

live

491

00:17:42,789 --> 00:17:39,840

you know he needs to pay bills so why

492

00:17:43,909 --> 00:17:42,799

so why is he being like uh cast tied for

493

00:17:47,029 --> 00:17:43,919

you know making uh

494

00:17:48,230 --> 00:17:47,039

making a living i i i make a living

495

00:17:50,150 --> 00:17:48,240

because of this you know

496

00:17:51,350 --> 00:17:50,160

yeah i write about it i get paid for

497

00:17:52,950 --> 00:17:51,360

that you know

498

00:17:54,470 --> 00:17:52,960

if i wouldn't get paid for it i wouldn't

499

00:17:56,310 --> 00:17:54,480

be able to do this

500

00:17:58,789 --> 00:17:56,320

no i understand of course i mean that's

501
00:18:00,310 --> 00:17:58,799
the thing as soon as money gets involved

502
00:18:02,549 --> 00:18:00,320
people take it so far

503
00:18:03,909 --> 00:18:02,559
and just think that that it revolves

504
00:18:04,789 --> 00:18:03,919
around that money where of course it

505
00:18:06,230 --> 00:18:04,799
doesn't man

506
00:18:07,830 --> 00:18:06,240
and there's a lot there's not a lot of

507
00:18:09,430 --> 00:18:07,840
money in it

508
00:18:10,870 --> 00:18:09,440
you know people just get get enough to

509
00:18:12,549 --> 00:18:10,880
survive and get by

510
00:18:14,470 --> 00:18:12,559
you're certainly not driving around in

511
00:18:16,950 --> 00:18:14,480
the latest cars and stuff like that

512
00:18:18,470 --> 00:18:16,960
and what people don't realize is we are

513
00:18:20,710 --> 00:18:18,480

taking a damn risk

514

00:18:21,990 --> 00:18:20,720

you know as look i'm a bonafide

515

00:18:24,710 --> 00:18:22,000

journalist filmmaker

516

00:18:25,110 --> 00:18:24,720

so is jeremy yeah so is james fox

517

00:18:27,750 --> 00:18:25,120

exactly

518

00:18:28,390 --> 00:18:27,760

so is jess shaw so is christina gomez

519

00:18:32,390 --> 00:18:28,400

you know

520

00:18:35,190 --> 00:18:32,400

and the list goes on i have heard

521

00:18:36,470 --> 00:18:35,200

uh people in holland telling me dude you

522

00:18:39,830 --> 00:18:36,480

are committing career

523

00:18:42,950 --> 00:18:39,840

suicide stop covering that [h__\h]

524

00:18:44,470 --> 00:18:42,960

stop covering paranormal stuff you know

525

00:18:46,789 --> 00:18:44,480

it's it's a real risk

526

00:18:48,310 --> 00:18:46,799

if you cover this so you're actually

527

00:18:50,789 --> 00:18:48,320

lucky to make a little uh

528

00:18:51,909 --> 00:18:50,799

money uh you know as a journalist or or

529

00:18:54,830 --> 00:18:51,919

as a filmmaker

530

00:18:56,230 --> 00:18:54,840

you know it's a it it you know we are

531

00:18:58,789 --> 00:18:56,240

not we are

532

00:19:00,150 --> 00:18:58,799

not doing this because we are making

533

00:19:02,710 --> 00:19:00,160

millions and millions of

534

00:19:03,669 --> 00:19:02,720

euros or dollars no we are not making a

535

00:19:07,270 --> 00:19:03,679

lot of money

536

00:19:09,830 --> 00:19:07,280

we struggle but we keep on going

537

00:19:11,110 --> 00:19:09,840

coverage exactly man it's a passion it's

538

00:19:14,070 --> 00:19:11,120

a dedication

539

00:19:16,549 --> 00:19:14,080

yeah i don't think sometimes certain

540

00:19:20,230 --> 00:19:16,559

people realize that um

541

00:19:23,110 --> 00:19:20,240

i mean i've neglected family and friends

542

00:19:24,870 --> 00:19:23,120

doing this but i think it'll be worth it

543

00:19:26,310 --> 00:19:24,880

i i think you know

544

00:19:29,110 --> 00:19:26,320

we're just we're in we're in it for the

545

00:19:32,230 --> 00:19:29,120

long haul we're in it in a fight almost

546

00:19:34,390 --> 00:19:32,240

look yeah we are fighting look vinnie um

547

00:19:35,750 --> 00:19:34,400

you know but what we whatever we're

548

00:19:36,710 --> 00:19:35,760

doing we're doing something right

549

00:19:39,350 --> 00:19:36,720

because you know

550

00:19:40,870 --> 00:19:39,360

this train is picking up speed it's not

551
00:19:42,710 --> 00:19:40,880
stopping anymore

552
00:19:44,549 --> 00:19:42,720
absolutely covering they're covering you

553
00:19:46,950 --> 00:19:44,559
know they're still hesitant you know

554
00:19:47,830 --> 00:19:46,960
they they don't dare to really interview

555
00:19:49,990 --> 00:19:47,840
the people they

556
00:19:50,950 --> 00:19:50,000
but in holland you know i'm just talking

557
00:19:53,190 --> 00:19:50,960
about holland but

558
00:19:54,789 --> 00:19:53,200
you know we there there's something you

559
00:19:58,230 --> 00:19:54,799
know this this is moving

560
00:20:00,390 --> 00:19:58,240
and quickly it's fast exactly man and we

561
00:20:02,390 --> 00:20:00,400
and that's another reason i cannot stop

562
00:20:04,230 --> 00:20:02,400
you know i feel guilty if i take a few

563
00:20:05,990 --> 00:20:04,240

hours off without checking

564

00:20:07,430 --> 00:20:06,000

what's happening just you know i don't

565

00:20:09,510 --> 00:20:07,440

want to miss anything

566

00:20:11,750 --> 00:20:09,520

i was talking i was talking to christina

567

00:20:13,909 --> 00:20:11,760

about this yesterday you know i almost

568

00:20:15,590 --> 00:20:13,919

get stressed falling asleep because i

569

00:20:17,909 --> 00:20:15,600

know i'm going to miss so much

570

00:20:20,070 --> 00:20:17,919

exactly man it's it's it's like an

571

00:20:21,669 --> 00:20:20,080

addiction man

572

00:20:23,750 --> 00:20:21,679

yeah when i wake up and i go onto

573

00:20:26,149 --> 00:20:23,760

twitter i'm like [h__h]

574

00:20:28,070 --> 00:20:26,159

you i'm just all of it there's always

575

00:20:28,750 --> 00:20:28,080

something going on yeah oh good it's not

576

00:20:31,430 --> 00:20:28,760

just me then

577

00:20:34,390 --> 00:20:31,440

[Laughter]

578

00:20:36,230 --> 00:20:34,400

my fellow countryman wilfred is asking a

579

00:20:39,270 --> 00:20:36,240

question when does the new uap

580

00:20:43,430 --> 00:20:39,280

edition of new review come out uh

581

00:20:47,190 --> 00:20:43,440

well lil fred i think i have an answer

582

00:20:50,630 --> 00:20:47,200

for you i think it is going to be

583

00:20:53,110 --> 00:20:50,640

first week of july but but but i'll uh

584

00:20:54,070 --> 00:20:53,120

you know i'll i'll announce is that

585

00:20:55,990 --> 00:20:54,080

something you've written have you

586

00:20:58,149 --> 00:20:56,000

written for these guys

587

00:21:00,230 --> 00:20:58,159

yeah yeah yeah this is the magazine i'm

588

00:21:02,710 --> 00:21:00,240

actually writing for and uh

589

00:21:03,270 --> 00:21:02,720

it is a new review weekly magazine it's

590

00:21:10,470 --> 00:21:03,280

a

591

00:21:13,110 --> 00:21:10,480

two uh full uh

592

00:21:13,990 --> 00:21:13,120

editions consecutive about the uap

593

00:21:16,630 --> 00:21:14,000

subject

594

00:21:18,549 --> 00:21:16,640

and after those um were released the

595

00:21:21,029 --> 00:21:18,559

biggest newspaper started to cover

596

00:21:21,830 --> 00:21:21,039

you know because of because of that they

597

00:21:23,430 --> 00:21:21,840

saw it and then

598

00:21:25,590 --> 00:21:23,440

i don't know if it was because of me but

599

00:21:29,350 --> 00:21:25,600

it was like

600

00:21:31,669 --> 00:21:29,360

come on coincidence yeah

601
00:21:33,029 --> 00:21:31,679
i don't know man i don't know that's

602
00:21:36,310 --> 00:21:33,039
awesome man

603
00:21:37,750 --> 00:21:36,320
yeah yeah so hey listen um i'm gonna

604
00:21:39,270 --> 00:21:37,760
jump straight into this conversation

605
00:21:41,270 --> 00:21:39,280
i've been having a bit recently

606
00:21:42,549 --> 00:21:41,280
and you've probably heard of it is the

607
00:21:46,149 --> 00:21:42,559
elusive

608
00:21:48,390 --> 00:21:46,159
triangle photo yeah

609
00:21:49,190 --> 00:21:48,400
yeah what i'm talking about i think so

610
00:21:50,950 --> 00:21:49,200
yeah

611
00:21:52,710 --> 00:21:50,960
so there's this photograph that's been

612
00:21:55,350 --> 00:21:52,720
teased for so long

613
00:21:56,230 --> 00:21:55,360

of this triangle that's 50 feet away

614

00:21:59,909 --> 00:21:56,240

from a cockpit

615

00:22:04,070 --> 00:21:59,919

taken by the systems on board the f-18

616

00:22:05,590 --> 00:22:04,080

pulled it up jamie uh yeah yeah

617

00:22:07,510 --> 00:22:05,600

but then everyone's talking about it

618

00:22:09,110 --> 00:22:07,520

might get released it might not and i

619

00:22:10,470 --> 00:22:09,120

keep finding little bits of information

620

00:22:11,510 --> 00:22:10,480

out about it that it is highly

621

00:22:14,470 --> 00:22:11,520

classified

622

00:22:16,230 --> 00:22:14,480

but um it really is the high fidelity hd

623

00:22:17,110 --> 00:22:16,240

photograph that everybody's crying out

624

00:22:19,270 --> 00:22:17,120

for

625

00:22:20,230 --> 00:22:19,280

is this the the the thing um tim

626

00:22:23,510 --> 00:22:20,240

mcmillan is

627

00:22:26,549 --> 00:22:23,520

talking about yes now i know

628

00:22:28,390 --> 00:22:26,559

i mean i'm still thinking that it's it's

629

00:22:30,789 --> 00:22:28,400

i think it's gonna come out i'm not even

630

00:22:33,669 --> 00:22:30,799

gonna i think it'll come out from

631

00:22:34,630 --> 00:22:33,679

channels outside of the intelligence

632

00:22:36,950 --> 00:22:34,640

community

633

00:22:37,830 --> 00:22:36,960

well my brother i think uh me and you

634

00:22:40,070 --> 00:22:37,840

should both

635

00:22:41,270 --> 00:22:40,080

both invite uh mr macmillan for a

636

00:22:42,710 --> 00:22:41,280

podcast

637

00:22:43,990 --> 00:22:42,720

that would be incredible i've just seen

638

00:22:44,470 --> 00:22:44,000

in the comments people are saying we

639

00:22:47,750 --> 00:22:44,480

should do

640

00:22:51,110 --> 00:22:47,760

an interview together as like co-hosting

641

00:22:53,190 --> 00:22:51,120

oh i'm all i'm i'm in man yes yes

642

00:22:54,870 --> 00:22:53,200

let's do it man let's get to mcmillan

643

00:22:55,909 --> 00:22:54,880

i'd love to speak to that guy man he's

644

00:22:57,909 --> 00:22:55,919

just that's

645

00:22:59,669 --> 00:22:57,919

he's just done a couple of um interviews

646

00:23:01,430 --> 00:22:59,679

with that ufo podcast

647

00:23:03,750 --> 00:23:01,440

with andy you know the guy from scotland

648

00:23:06,710 --> 00:23:03,760

i love that podcast that's my favorite

649

00:23:07,350 --> 00:23:06,720

um and i'm a patreon supporter and i got

650

00:23:08,950 --> 00:23:07,360

to hear

651
00:23:11,909 --> 00:23:08,960
the second part of the tim mcmillan

652
00:23:15,110 --> 00:23:11,919
interview last night and oh boy

653
00:23:18,149 --> 00:23:15,120
it's great it's really good yeah i i saw

654
00:23:19,990 --> 00:23:18,159
a little snippet of it there

655
00:23:22,870 --> 00:23:20,000
i'm excited i really want to speak to

656
00:23:25,350 --> 00:23:22,880
tim man he's just he's the man

657
00:23:28,070 --> 00:23:25,360
i've talked to him before um i think a

658
00:23:30,950 --> 00:23:28,080
month ago or something

659
00:23:32,549 --> 00:23:30,960
yeah he's really easy going and he's

660
00:23:33,270 --> 00:23:32,559
actually pretty close to us man he's in

661
00:23:36,310 --> 00:23:33,280
germany

662
00:23:40,549 --> 00:23:36,320
yes indeed so time difference is not a

663
00:23:46,310 --> 00:23:43,669

vincent uh i have asked tim

664

00:23:47,590 --> 00:23:46,320

to go and visit him you know and and

665

00:23:49,269 --> 00:23:47,600

talk about stuff

666

00:23:51,590 --> 00:23:49,279

you know you're not that far you know

667

00:23:53,830 --> 00:23:51,600

you can take yeah you could take the

668

00:23:54,789 --> 00:23:53,840

the the train or the pond or the plane

669

00:23:58,950 --> 00:23:54,799

but uh it's

670

00:24:02,870 --> 00:23:58,960

you're you're close we could do a

671

00:24:05,669 --> 00:24:02,880

trip from amsterdam to [h__h] germany

672

00:24:06,789 --> 00:24:05,679

uh because tim is actually quite close

673

00:24:09,830 --> 00:24:06,799

to the dutch border

674

00:24:11,909 --> 00:24:09,840

really so yeah he is yeah hey bro it's

675

00:24:13,029 --> 00:24:11,919

like a 45 minute flight from me to

676

00:24:15,510 --> 00:24:13,039

amsterdam

677

00:24:16,390 --> 00:24:15,520

yeah easyjet your ass over here and

678

00:24:19,430 --> 00:24:16,400

we'll drive up

679

00:24:23,350 --> 00:24:21,430

i'm so down for that i've got my covered

680

00:24:25,830 --> 00:24:23,360

passport now i'm double vaxxed up

681

00:24:27,669 --> 00:24:25,840

i'm all ready to go man i'm gonna get my

682

00:24:29,990 --> 00:24:27,679

shots uh next week

683

00:24:30,870 --> 00:24:30,000

yeah first one or second one first one

684

00:24:43,190 --> 00:24:30,880

yeah

685

00:24:45,830 --> 00:24:43,200

in my arm

686

00:24:47,510 --> 00:24:45,840

so hey listen if they've put a tracker

687

00:24:49,110 --> 00:24:47,520

in me let them track me my life isn't

688

00:24:53,350 --> 00:24:49,120

that interesting man

689

00:24:57,029 --> 00:24:56,070

so yeah except for all right except for

690

00:25:00,070 --> 00:24:57,039

all those

691

00:25:01,430 --> 00:25:00,080

no i was you actually

692

00:25:03,269 --> 00:25:01,440

helped me out because i was about to

693

00:25:08,789 --> 00:25:03,279

make a really bad joke

694

00:25:10,710 --> 00:25:08,799

that jokes yeah yeah even worse

695

00:25:12,710 --> 00:25:10,720

hey yeah so listen i'm down for this

696

00:25:14,789 --> 00:25:12,720

trip man i'm ready to go

697

00:25:16,710 --> 00:25:14,799

speaking to tim it seems like you've got it

698

00:25:18,549 --> 00:25:16,720

in with him already

699

00:25:20,870 --> 00:25:18,559

yeah i did a podcast with him so let's

700

00:25:22,149 --> 00:25:20,880

go let's dude let's get it sorted man

701

00:25:25,590 --> 00:25:22,159

and we can do like

702

00:25:28,630 --> 00:25:25,600

road trip live interview oh

703

00:25:30,230 --> 00:25:28,640

man hey man we can man we can just stop

704

00:25:32,789 --> 00:25:30,240

and podcast and we can do

705

00:25:33,750 --> 00:25:32,799

all kinds of stuff we can make a stop at

706

00:25:37,830 --> 00:25:33,760

susta bear

707

00:25:40,950 --> 00:25:37,840

we can do oh yes yes ma'am

708

00:25:42,310 --> 00:25:40,960

definitely yeah yeah

709

00:25:44,070 --> 00:25:42,320

even if the whole tim thing doesn't

710

00:25:46,390 --> 00:25:44,080

happen i'm still coming out there to

711

00:25:47,430 --> 00:25:46,400

to do that stuff with you man because it

712

00:25:49,190 --> 00:25:47,440

would be great if

713

00:25:51,269 --> 00:25:49,200

uh somebody's watching this we need a

714

00:25:57,909 --> 00:25:51,279

sponsor

715

00:25:58,870 --> 00:25:57,919

and uh you know we'll cover all of your

716

00:26:03,029 --> 00:25:58,880

stuff

717

00:26:06,549 --> 00:26:03,039

by the way is great wine for

718

00:26:08,830 --> 00:26:06,559

uap talk hell yeah

719

00:26:09,990 --> 00:26:08,840

i'm always on that red argentinian

720

00:26:14,390 --> 00:26:10,000

malbec

721

00:26:17,510 --> 00:26:14,400

keeps the conversation loose yeah

722

00:26:19,110 --> 00:26:17,520

no i i do think you know we you know

723

00:26:21,190 --> 00:26:19,120

we are talking to the right people but

724

00:26:23,110 --> 00:26:21,200

you know it it might be interesting to

725

00:26:24,549 --> 00:26:23,120

you know really make a bit of a

726

00:26:26,310 --> 00:26:24,559

documentary effort

727

00:26:27,830 --> 00:26:26,320

yes that's the thing i've just seen

728

00:26:29,430 --> 00:26:27,840

scott in the comments there say film it

729

00:26:31,590 --> 00:26:29,440

and make a road trip documentary i mean

730

00:26:37,110 --> 00:26:31,600

that's a great idea

731

00:26:41,350 --> 00:26:38,870

yeah man i'm down for that man you're

732

00:26:43,430 --> 00:26:41,360

the filmmaker so

733

00:26:44,710 --> 00:26:43,440

you can make make it look glossy and

734

00:26:48,789 --> 00:26:44,720

make us make me look

735

00:26:51,750 --> 00:26:48,799

pretty and though you know what

736

00:26:52,630 --> 00:26:51,760

uh like i i love the gorilla filmmaking

737

00:27:00,070 --> 00:26:52,640

uh

738

00:27:03,590 --> 00:27:00,080

two small decent cameras

739

00:27:05,750 --> 00:27:03,600

and um we'll do this hell yeah it's on

740

00:27:06,710 --> 00:27:05,760

man i'm serious as well man i'm ready to

741

00:27:09,269 --> 00:27:06,720

go

742

00:27:11,190 --> 00:27:09,279

and you know it will be like it probably

743

00:27:13,110 --> 00:27:11,200

will turn out like a blair witch project

744

00:27:15,909 --> 00:27:13,120

or something you know

745

00:27:17,190 --> 00:27:15,919

no just joking hey you never know man i

746

00:27:20,710 --> 00:27:17,200

might get emotional i might get

747

00:27:23,510 --> 00:27:20,720

emotional on camera

748

00:27:24,310 --> 00:27:23,520

did you see blair witch hell yeah hell

749

00:27:27,110 --> 00:27:24,320

yeah

750

00:27:29,269 --> 00:27:27,120

loved it man it was uh it started off

751
00:27:31,990 --> 00:27:29,279
that whole genre of like

752
00:27:32,950 --> 00:27:32,000
of that type of film didn't it really

753
00:27:35,430 --> 00:27:32,960
definitely

754
00:27:36,470 --> 00:27:35,440
you know it i i didn't think of that

755
00:27:40,149 --> 00:27:36,480
film for a while

756
00:27:43,990 --> 00:27:40,159
until i uh went to susta bear air base

757
00:27:46,630 --> 00:27:44,000
why did it have that spooky feeling dude

758
00:27:47,669 --> 00:27:46,640
nice yeah that's what that's what i want

759
00:27:52,470 --> 00:27:47,679
man

760
00:27:54,389 --> 00:27:52,480
dude i want to feel the vibes that's the

761
00:27:56,149 --> 00:27:54,399
thing i want to get that kind of

762
00:27:57,510 --> 00:27:56,159
you know hairs on your arm standing up

763
00:28:00,389 --> 00:27:57,520

and all that [\h__\h] ah

764

00:28:01,269 --> 00:28:00,399

yeah yeah yeah i i'm highly receptive to

765

00:28:03,350 --> 00:28:01,279

energy

766

00:28:04,789 --> 00:28:03,360

and this sounds you know very uh

767

00:28:07,110 --> 00:28:04,799

spiritual but

768

00:28:08,070 --> 00:28:07,120

i just feel [\h__\h] and you know the the

769

00:28:11,750 --> 00:28:08,080

the air was

770

00:28:14,830 --> 00:28:11,760

heavy no i don't know what it was yeah

771

00:28:18,549 --> 00:28:14,840

yeah that sounds awesome

772

00:28:22,630 --> 00:28:18,559

hmm so

773

00:28:25,029 --> 00:28:22,640

um you have been preparing for lou

774

00:28:25,830 --> 00:28:25,039

quite a bit i'm i'm i'm excited for your

775

00:28:34,549 --> 00:28:25,840

questions

776

00:28:37,590 --> 00:28:36,149

well just a little hint of some of the

777

00:28:38,389 --> 00:28:37,600

questions like the areas i'm going to

778

00:28:40,789 --> 00:28:38,399

touch on

779

00:28:41,990 --> 00:28:40,799

is that what you're asking no yeah i

780

00:28:43,830 --> 00:28:42,000

mean

781

00:28:45,260 --> 00:28:43,840

i just started to talk dutch to you i'm

782

00:28:49,110 --> 00:28:45,270

sorry

783

00:28:52,630 --> 00:28:49,120

[Laughter]

784

00:28:55,350 --> 00:28:52,640

um no no no like i i'm i'm

785

00:28:56,070 --> 00:28:55,360

curious you know do you have like a like

786

00:29:05,510 --> 00:28:56,080

a

787

00:29:07,350 --> 00:29:05,520

uh best question this is why

788

00:29:09,510 --> 00:29:07,360

the way i've been planning it is i'm not

789

00:29:10,230 --> 00:29:09,520

i'm not going i'm not going to start off

790

00:29:12,230 --> 00:29:10,240

slightly

791

00:29:13,590 --> 00:29:12,240

slow and work my way up towards the end

792

00:29:15,750 --> 00:29:13,600

of the interview i don't want to do it

793

00:29:16,549 --> 00:29:15,760

like that i want to go up and down i

794

00:29:21,110 --> 00:29:16,559

want to

795

00:29:24,149 --> 00:29:22,950

in a respectful but i'll always be

796

00:29:26,549 --> 00:29:24,159

respectful

797

00:29:27,430 --> 00:29:26,559

i just want to keep him on his toes you

798

00:29:30,549 --> 00:29:27,440

know he's

799

00:29:31,990 --> 00:29:30,559

he's told me via email he doesn't want

800

00:29:32,310 --> 00:29:32,000

to know anything about what i'm going to

801
00:29:34,950 --> 00:29:32,320
ask

802
00:29:36,470 --> 00:29:34,960
he wants it to be straight off the cuff

803
00:29:38,950 --> 00:29:36,480
freestyle it

804
00:29:40,470 --> 00:29:38,960
um he's amazing i'm going to go in on

805
00:29:42,310 --> 00:29:40,480
the science a little bit and i know

806
00:29:43,909 --> 00:29:42,320
it was not him that was directly doing

807
00:29:45,590 --> 00:29:43,919
the science when he was in atip it was

808
00:29:47,110 --> 00:29:45,600
it was other people it was hell put off

809
00:29:49,750 --> 00:29:47,120
and oh you know

810
00:29:51,510 --> 00:29:49,760
eric davis was involved but don't you

811
00:29:53,350 --> 00:29:51,520
underestimate lou elizando

812
00:29:54,630 --> 00:29:53,360
well this is this this is why the

813
00:29:56,549 --> 00:29:54,640

science questions are going to come

814

00:29:58,310 --> 00:29:56,559

because i know he knows things

815

00:29:59,750 --> 00:29:58,320

christina christina just told me

816

00:30:02,630 --> 00:29:59,760

yesterday he was actually

817

00:30:04,149 --> 00:30:02,640

teaching on universities physics this

818

00:30:07,350 --> 00:30:04,159

dude is a bonafide

819

00:30:10,549 --> 00:30:07,360

yeah he knows he knows his stuff so

820

00:30:14,789 --> 00:30:10,559

luke if you ask him science questions

821

00:30:16,950 --> 00:30:14,799

prepare to get a very long answer

822

00:30:18,549 --> 00:30:16,960

hey that's fine man that's absolutely

823

00:30:20,630 --> 00:30:18,559

fine that gives me a chance to get ready

824

00:30:22,310 --> 00:30:20,640

with the next one to follow it

825

00:30:23,830 --> 00:30:22,320

yeah but you know what the the thing

826

00:30:27,110 --> 00:30:23,840

about lewis um

827

00:30:29,990 --> 00:30:27,120

look i'm an idiot i'm a dumb guy

828

00:30:31,110 --> 00:30:30,000

but whenever he explains uh uh science

829

00:30:34,149 --> 00:30:31,120

to me i

830

00:30:35,510 --> 00:30:34,159

get it you know exactly yeah i mean that

831

00:30:36,630 --> 00:30:35,520

that part of the interview you did with

832

00:30:38,230 --> 00:30:36,640

him where he talked about the different

833

00:30:39,450 --> 00:30:38,240

shapes and the way they formed and stuff

834

00:30:41,590 --> 00:30:39,460

like that i mean

835

00:30:45,669 --> 00:30:41,600

[Music]

836

00:30:47,510 --> 00:30:45,679

exactly um yeah i think i'm gonna even

837

00:30:49,909 --> 00:30:47,520

try and expand on that a little bit if i

838

00:30:50,389 --> 00:30:49,919

can do it did you see my dumb face when

839

00:30:52,630 --> 00:30:50,399

he when

840

00:30:53,990 --> 00:30:52,640

uh you know when he unfolded that for me

841

00:30:55,510 --> 00:30:54,000

like i could

842

00:30:57,590 --> 00:30:55,520

tell you know everybody that was

843

00:30:58,630 --> 00:30:57,600

watching that had exactly the same face

844

00:31:02,070 --> 00:30:58,640

man

845

00:31:04,710 --> 00:31:02,080

i know i did yeah oh oh

846

00:31:06,070 --> 00:31:04,720

yeah it was crazy it was crazy man i

847

00:31:08,149 --> 00:31:06,080

couldn't believe it

848

00:31:09,350 --> 00:31:08,159

it's it by the way that that episode is

849

00:31:12,310 --> 00:31:09,360

being watched like

850

00:31:12,950 --> 00:31:12,320

mofu i i think i now have nearly 25k

851
00:31:16,070 --> 00:31:12,960
views

852
00:31:19,430 --> 00:31:16,080
no way man that's so sweet man

853
00:31:21,029 --> 00:31:19,440
yeah so sweet i love it yeah oh yeah

854
00:31:23,509 --> 00:31:21,039
man you deserve that you deserve a lot

855
00:31:26,789 --> 00:31:23,519
more in my opinion but you'll get there

856
00:31:27,990 --> 00:31:26,799
you'll get there yeah but you're not a

857
00:31:31,990 --> 00:31:28,000
dutch

858
00:31:33,509 --> 00:31:32,000
you're one of the most important

859
00:31:35,350 --> 00:31:33,519
people with the youtube channel covering

860
00:31:38,789 --> 00:31:35,360
this subject

861
00:31:39,350 --> 00:31:38,799
globally you know well well you know i i

862
00:31:44,549 --> 00:31:39,360
have a

863
00:31:47,430 --> 00:31:44,559

know it's

864

00:31:48,789 --> 00:31:47,440

it it's not big but it's big enough you

865

00:31:52,149 --> 00:31:48,799

know it's growing

866

00:31:55,590 --> 00:31:52,159

it is yeah it is growing fast and um

867

00:31:58,470 --> 00:31:55,600

you know i i like two months ago

868

00:32:00,549 --> 00:31:58,480

if you would ask me if this was gonna be

869

00:32:02,789 --> 00:32:00,559

like reality two months later

870

00:32:03,750 --> 00:32:02,799

you know i i i would have laughed in

871

00:32:06,870 --> 00:32:03,760

your face you know

872

00:32:08,310 --> 00:32:06,880

like a international youtuber about uaps

873

00:32:12,870 --> 00:32:08,320

no

874

00:32:19,190 --> 00:32:12,880

same

875

00:32:22,149 --> 00:32:19,200

1 000 followers on instagram that was it

876
00:32:23,750 --> 00:32:22,159
no connections no friends no one to talk

877
00:32:26,870 --> 00:32:23,760
to about the subject and now

878
00:32:28,470 --> 00:32:26,880
i mean jesus christ it's crazy but your

879
00:32:29,509 --> 00:32:28,480
instagram your instagram was already

880
00:32:30,870 --> 00:32:29,519
huge

881
00:32:33,029 --> 00:32:30,880
no it wasn't that's the thing it would

882
00:32:33,509 --> 00:32:33,039
literally january was 1 000 followers

883
00:32:37,669 --> 00:32:33,519
and now

884
00:32:40,310 --> 00:32:37,679
16. yeah no really yeah

885
00:32:41,190 --> 00:32:40,320
six months it's gone from 1000 to 16

886
00:32:45,269 --> 00:32:41,200
000.

887
00:32:47,269 --> 00:32:45,279
how did you pull that off i have no idea

888
00:32:48,710 --> 00:32:47,279

this is why i still don't get it man i

889

00:32:50,710 --> 00:32:48,720

mean

890

00:32:52,710 --> 00:32:50,720

i just do what i do and if people like

891

00:32:53,269 --> 00:32:52,720

it then hey i'm glad and it keeps me

892

00:32:56,230 --> 00:32:53,279

going

893

00:32:57,990 --> 00:32:56,240

it it motivates me i'm certainly not in

894

00:32:58,630 --> 00:32:58,000

it for the followers but the reach that

895

00:33:01,509 --> 00:32:58,640

i'm getting

896

00:33:03,350 --> 00:33:01,519

has opened up doors it's open allowed me

897

00:33:05,909 --> 00:33:03,360

to meet people like yourself and

898

00:33:07,269 --> 00:33:05,919

be able to get these interviews people

899

00:33:09,350 --> 00:33:07,279

like yourself who said vinnie you've got

900

00:33:10,470 --> 00:33:09,360

to start a youtube channel so here i am

901
00:33:12,950 --> 00:33:10,480
and you know

902
00:33:14,549 --> 00:33:12,960
look yeah look you really represent the

903
00:33:19,029 --> 00:33:14,559
uk now you know i re

904
00:33:20,789 --> 00:33:19,039
represent the netherlands but uh the uk

905
00:33:22,950 --> 00:33:20,799
you know it's a it's a very interesting

906
00:33:24,950 --> 00:33:22,960
uh source of information you know there

907
00:33:28,310 --> 00:33:24,960
there's a lot going on there

908
00:33:29,750 --> 00:33:28,320
uh so i'm not just excited you uh opened

909
00:33:31,750 --> 00:33:29,760
up your youtube and your

910
00:33:33,350 --> 00:33:31,760
you've already had that instagram but

911
00:33:35,909 --> 00:33:33,360
i'm excited for you to

912
00:33:37,990 --> 00:33:35,919
you know deep dive into whatever has

913
00:33:40,710 --> 00:33:38,000

happened there and what is going on

914

00:33:41,669 --> 00:33:40,720

yeah yeah there's so much to come and so

915

00:33:44,389 --> 00:33:41,679

much work to do

916

00:33:45,590 --> 00:33:44,399

but i'm ready man i'm totally ready i

917

00:33:47,029 --> 00:33:45,600

know what i've got to do and that's a

918

00:33:49,350 --> 00:33:47,039

beautiful feeling you know

919

00:33:50,870 --> 00:33:49,360

vinnie is wired yeah i'm yeah i'm ready

920

00:33:53,269 --> 00:33:50,880

man i'm feeling pumped

921

00:33:54,950 --> 00:33:53,279

i'm excited i don't this is why i keep

922

00:33:56,310 --> 00:33:54,960

saying to people i don't

923

00:33:58,630 --> 00:33:56,320

it doesn't matter what happens on the

924

00:34:00,870 --> 00:33:58,640

25th of june with this report

925

00:34:02,630 --> 00:34:00,880

there's so much work to do beyond that

926
00:34:03,430 --> 00:34:02,640
going forward whether it takes months

927
00:34:05,590 --> 00:34:03,440
years

928
00:34:06,470 --> 00:34:05,600
however long i'm ready man i'm i'm in it

929
00:34:10,389 --> 00:34:06,480
for the long

930
00:34:13,109 --> 00:34:10,399
journey yeah yeah yeah yeah

931
00:34:14,710 --> 00:34:13,119
you know the and another thing you know

932
00:34:18,069 --> 00:34:14,720
this

933
00:34:19,909 --> 00:34:18,079
just die

934
00:34:22,230 --> 00:34:19,919
off like a like a candle in the wind or

935
00:34:24,230 --> 00:34:22,240
something you know this is going to go

936
00:34:26,310 --> 00:34:24,240
this is going to go you know so

937
00:34:28,629 --> 00:34:26,320
absolutely man

938
00:34:29,349 --> 00:34:28,639

the door has been swung wide open and it

939

00:34:33,030 --> 00:34:29,359

ain't closing

940

00:34:34,869 --> 00:34:33,040

the door absolutely that's

941

00:34:36,470 --> 00:34:34,879

it uh i'm just going to shout out this

942

00:34:38,230 --> 00:34:36,480

comment here vinnie where was it i

943

00:34:40,710 --> 00:34:38,240

missed it something about the background

944

00:34:41,750 --> 00:34:40,720

the background for my thing is olaf

945

00:34:43,430 --> 00:34:41,760

rochner

946

00:34:46,069 --> 00:34:43,440

um i will i will be putting it in the

947

00:34:48,550 --> 00:34:46,079

description yeah finish this but olaf

948

00:34:49,109 --> 00:34:48,560

is probably the best or one of the best

949

00:34:51,430 --> 00:34:49,119

uav

950

00:34:53,190 --> 00:34:51,440

artists out there i was gonna ask you

951
00:34:54,470 --> 00:34:53,200
why are you insulting me with your

952
00:34:56,230 --> 00:34:54,480
amazing background

953
00:34:58,630 --> 00:34:56,240
every i think every video i've done i've

954
00:35:00,710 --> 00:34:58,640
had a different painting by olaf

955
00:35:02,550 --> 00:35:00,720
he is incredible he's captured some of

956
00:35:04,390 --> 00:35:02,560
the most famous cases

957
00:35:06,310 --> 00:35:04,400
out there this one is actually from a

958
00:35:07,750 --> 00:35:06,320
case that i did recently with uap

959
00:35:10,990 --> 00:35:07,760
colombia this is the uss

960
00:35:14,470 --> 00:35:11,000
america case from from colombia in

961
00:35:16,150 --> 00:35:14,480
2014. cool man olaf

962
00:35:17,750 --> 00:35:16,160
yeah olaf he's actually he's he's

963
00:35:20,069 --> 00:35:17,760

actually is he there

964

00:35:21,430 --> 00:35:20,079

hooked me up hey listen he's actually

965

00:35:23,349 --> 00:35:21,440

doing me sir he's doing

966

00:35:25,190 --> 00:35:23,359

my own like youtube banner and stuff at

967

00:35:26,790 --> 00:35:25,200

the moment i'm really excited for him to

968

00:35:27,910 --> 00:35:26,800

be doing that for me um he's he's

969

00:35:29,589 --> 00:35:27,920

incredible

970

00:35:31,430 --> 00:35:29,599

by the way vinnie do you know you can

971

00:35:32,630 --> 00:35:31,440

like uh pull up uh some of these

972

00:35:34,950 --> 00:35:32,640

comments into the

973

00:35:35,750 --> 00:35:34,960

into the frame yes i keep forgetting

974

00:35:37,990 --> 00:35:35,760

that i'm so

975

00:35:39,270 --> 00:35:38,000

new to this max thank you ma'am yeah

976

00:35:41,349 --> 00:35:39,280

that's really you know

977

00:35:42,950 --> 00:35:41,359

you know you have a great fans you know

978

00:35:44,550 --> 00:35:42,960

give him some love

979

00:35:45,750 --> 00:35:44,560

i know i just i'm just going to pull up

980

00:35:47,040 --> 00:35:45,760

i'm just going to pull up the really

981

00:35:49,190 --> 00:35:47,050

nice ones

982

00:35:50,870 --> 00:35:49,200

[Laughter]

983

00:35:52,950 --> 00:35:50,880

there we go yeah what's up with your

984

00:35:54,390 --> 00:35:52,960

background yeah it is a painting um

985

00:35:56,790 --> 00:35:54,400

actually i say that i think it's

986

00:35:58,950 --> 00:35:56,800

actually done on a tablet

987

00:36:00,470 --> 00:35:58,960

um and do you know what thing is about

988

00:36:03,510 --> 00:36:00,480

olaf is

989

00:36:05,349 --> 00:36:03,520

he does them super quick and look how

990

00:36:07,589 --> 00:36:05,359

detailed they are man

991

00:36:09,030 --> 00:36:07,599

it's crazy i'm gonna put all his stuff

992

00:36:11,030 --> 00:36:09,040

in the description

993

00:36:12,390 --> 00:36:11,040

when i update when the video goes live i

994

00:36:13,190 --> 00:36:12,400

might not get around to it till tomorrow

995

00:36:15,030 --> 00:36:13,200

but

996

00:36:16,390 --> 00:36:15,040

everybody needs to check this guy out he

997

00:36:18,630 --> 00:36:16,400

is incredible and also

998

00:36:20,630 --> 00:36:18,640

he's he's super knowledgeable about the

999

00:36:22,870 --> 00:36:20,640

whole uap topic as well

1000

00:36:25,030 --> 00:36:22,880

he has to be look man i see tic tacs i

1001

00:36:27,750 --> 00:36:25,040

see orbs you know

1002

00:36:29,030 --> 00:36:27,760

and it's quite it's quite nice it's

1003

00:36:30,790 --> 00:36:29,040

really beautiful

1004

00:36:32,790 --> 00:36:30,800

i've just i've just popped his name into

1005

00:36:33,990 --> 00:36:32,800

the comments there he's on instagram

1006

00:36:36,069 --> 00:36:34,000

he's on twitter

1007

00:36:38,150 --> 00:36:36,079

oh man that that that that's like a porn

1008

00:36:40,790 --> 00:36:38,160

name man

1009

00:36:41,990 --> 00:36:40,800

i think he's from i mean i apologize

1010

00:36:44,790 --> 00:36:42,000

olaf if you see this i

1011

00:36:47,270 --> 00:36:44,800

think he's from sweden it sounds uh

1012

00:36:49,829 --> 00:36:47,280

scandinavian yeah he is scandinavian

1013

00:36:51,750 --> 00:36:49,839

i should know i should know better my my

1014

00:36:55,109 --> 00:36:51,760

brain is always filled with so much

1015

00:36:58,470 --> 00:36:57,430

norwegian or swedish he might be

1016

00:37:03,430 --> 00:36:58,480

norwegian actually

1017

00:37:07,589 --> 00:37:03,440

ah anyway sorry olaf i love you man

1018

00:37:11,109 --> 00:37:09,109

it's the only thing i know it means i

1019

00:37:14,150 --> 00:37:11,119

love you in

1020

00:37:14,960 --> 00:37:14,160

i think swedish yeah you know more than

1021

00:37:17,190 --> 00:37:14,970

i do

1022

00:37:19,030 --> 00:37:17,200

[Laughter]

1023

00:37:20,710 --> 00:37:19,040

but yeah that's the thing he sees he

1024

00:37:21,589 --> 00:37:20,720

lets me use his artwork he doesn't ask

1025

00:37:24,390 --> 00:37:21,599

for anything

1026
00:37:25,510 --> 00:37:24,400
and he's just you can't ask for a nicer

1027
00:37:28,950 --> 00:37:25,520
dude

1028
00:37:32,470 --> 00:37:28,960
so well big eso to olaf

1029
00:37:36,150 --> 00:37:32,480
yeah right so let's talk

1030
00:37:38,310 --> 00:37:36,160
about who hey dude i'm gonna ask you

1031
00:37:40,069 --> 00:37:38,320
if you can give us a little hint about

1032
00:37:41,030 --> 00:37:40,079
what you've got coming up

1033
00:37:44,069 --> 00:37:41,040
because you've got to have some

1034
00:37:46,070 --> 00:37:44,079
interviews in the bag

1035
00:37:48,870 --> 00:37:46,080
i okay

1036
00:37:52,150 --> 00:37:48,880
[Laughter]

1037
00:37:55,430 --> 00:37:52,160
put him on the spot well

1038
00:37:58,310 --> 00:37:55,440

um okay i'll give this away i am

1039

00:37:59,910 --> 00:37:58,320

trying to get a former president i knew

1040

00:38:01,270 --> 00:37:59,920

it do you know what that tweet you put

1041

00:38:04,470 --> 00:38:01,280

out the other day

1042

00:38:05,910 --> 00:38:04,480

do you remember yeah i knew there was a

1043

00:38:07,670 --> 00:38:05,920

hint there man

1044

00:38:09,109 --> 00:38:07,680

yeah i don't know if i'm gonna pull it

1045

00:38:12,069 --> 00:38:09,119

off but uh

1046

00:38:13,670 --> 00:38:12,079

wow i'm trying for sure yeah that's

1047

00:38:17,829 --> 00:38:13,680

incredible

1048

00:38:19,829 --> 00:38:17,839

look i i there's nothing there yet

1049

00:38:21,670 --> 00:38:19,839

i'm trying i'm not saying it's gonna

1050

00:38:23,030 --> 00:38:21,680

happen yeah but if you can get harry

1051
00:38:24,950 --> 00:38:23,040
reid then i i

1052
00:38:26,390 --> 00:38:24,960
i'm fairly confident that you'll get

1053
00:38:29,510 --> 00:38:26,400
whoever you want

1054
00:38:31,750 --> 00:38:29,520
no no no no no no no no no no

1055
00:38:33,510 --> 00:38:31,760
and look there's a lot of uh amsterdam

1056
00:38:37,349 --> 00:38:33,520
bluff over here you know like

1057
00:38:39,430 --> 00:38:37,359
that's what but um i i'm trying

1058
00:38:41,030 --> 00:38:39,440
uh so good man that's all good i

1059
00:38:43,910 --> 00:38:41,040
appreciate you just saying that much

1060
00:38:46,069 --> 00:38:43,920
to be honest and there's a scientist uh

1061
00:38:47,430 --> 00:38:46,079
i'm excited for i got approached by a

1062
00:38:50,470 --> 00:38:47,440
guy

1063
00:38:54,470 --> 00:38:50,480

um and i might i might have a

1064

00:38:57,589 --> 00:38:54,480

podcast with uh professor avi lu the

1065

00:39:01,030 --> 00:38:57,599

woman guy yeah yeah

1066

00:39:02,710 --> 00:39:01,040

that's cool man i've actually been um

1067

00:39:05,750 --> 00:39:02,720

i was in contact with rich hoffman of

1068

00:39:07,430 --> 00:39:05,760

the scu a couple of weeks ago

1069

00:39:09,030 --> 00:39:07,440

um so i might be you might be getting

1070

00:39:10,630 --> 00:39:09,040

him on mine i've got quite a lot of

1071

00:39:12,230 --> 00:39:10,640

people i'm talking to it's just getting

1072

00:39:15,349 --> 00:39:12,240

that date you know that

1073

00:39:17,030 --> 00:39:15,359

confirmation date it's uh there's a lot

1074

00:39:18,550 --> 00:39:17,040

of back and forth conversations going on

1075

00:39:21,589 --> 00:39:18,560

at the moment

1076

00:39:23,750 --> 00:39:21,599

yeah okay i'm excited for it

1077

00:39:25,109 --> 00:39:23,760

yeah bro yeah so many things i mean i

1078

00:39:27,829 --> 00:39:25,119

can say i've got

1079

00:39:29,510 --> 00:39:27,839

uh james and ian doley coming on from

1080

00:39:31,589 --> 00:39:29,520

engaging the phenomenon

1081

00:39:33,109 --> 00:39:31,599

awesome uh i've got the undead gaucho

1082

00:39:36,950 --> 00:39:33,119

coming on in in the near

1083

00:39:39,109 --> 00:39:36,960

future oh i love that guy yeah

1084

00:39:40,950 --> 00:39:39,119

yeah yeah yeah i want to talk to him too

1085

00:39:41,990 --> 00:39:40,960

oh really i mean he was actually on

1086

00:39:46,630 --> 00:39:42,000

instagram a minute ago

1087

00:39:49,829 --> 00:39:49,510

i love that so much we've only spoken in

1088

00:39:52,950 --> 00:39:49,839

the

1089

00:39:54,390 --> 00:39:52,960

you know on instagram and and stuff like

1090

00:39:56,790 --> 00:39:54,400

that yeah he's not active anymore he was

1091

00:39:58,470 --> 00:39:56,800

active a little while ago i was

1092

00:39:59,910 --> 00:39:58,480

yeah i was going to speak to him we'll

1093

00:40:01,430 --> 00:39:59,920

get maybe hey listen

1094

00:40:03,109 --> 00:40:01,440

when i get him to come on then you're

1095

00:40:05,109 --> 00:40:03,119

very welcome to join us

1096

00:40:06,710 --> 00:40:05,119

awesome thank you because i think i

1097

00:40:08,470 --> 00:40:06,720

think a three-way conversation

1098

00:40:12,309 --> 00:40:08,480

is is better than a two-way this thing i

1099

00:40:17,750 --> 00:40:14,309

well hey bro let's find it fourth let's

1100

00:40:24,870 --> 00:40:20,870

um no no no look look i

1101

00:40:25,349 --> 00:40:24,880

i think i love i love these collabs you

1102

00:40:27,270 --> 00:40:25,359

know

1103

00:40:29,109 --> 00:40:27,280

let's uh let's do that more absolutely

1104

00:40:30,710 --> 00:40:29,119

that whole panel discussion as well it

1105

00:40:32,230 --> 00:40:30,720

really is good to get as many heads

1106

00:40:33,670 --> 00:40:32,240

together as you can when especially when

1107

00:40:35,270 --> 00:40:33,680

you're talking about this subject you

1108

00:40:36,150 --> 00:40:35,280

know as many angles as you can get

1109

00:40:38,870 --> 00:40:36,160

together

1110

00:40:39,670 --> 00:40:38,880

you know it's great yeah so by the way i

1111

00:40:42,309 --> 00:40:39,680

was wondering

1112

00:40:42,950 --> 00:40:42,319

the the how many people are right now uh

1113

00:40:45,670 --> 00:40:42,960

looking

1114

00:40:46,790 --> 00:40:45,680

can you see that or how do i know oh i

1115

00:40:49,109 --> 00:40:46,800

think we've got 16

1116

00:40:50,150 --> 00:40:49,119

okay that's cool i'm happy with that

1117

00:40:52,069 --> 00:40:50,160

it's better

1118

00:40:53,990 --> 00:40:52,079

you got to upskill that you know yeah

1119

00:40:56,230 --> 00:40:54,000

but i i only put

1120

00:40:57,670 --> 00:40:56,240

the the shout out on instagram like what

1121

00:40:59,349 --> 00:40:57,680

30 minutes beforehand

1122

00:41:00,710 --> 00:40:59,359

as most of my other ones i've been

1123

00:41:03,910 --> 00:41:00,720

promoting for a week or

1124

00:41:04,950 --> 00:41:03,920

two weeks or so so hey it's all good man

1125

00:41:09,270 --> 00:41:04,960

you know

1126

00:41:13,190 --> 00:41:09,280

well look i'm gonna i i'm um

1127

00:41:15,910 --> 00:41:13,200

i'm gonna predict the future no no

1128

00:41:16,630 --> 00:41:15,920

i'm gonna predict the future like after

1129

00:41:20,550 --> 00:41:16,640

your lou

1130

00:41:22,710 --> 00:41:20,560

elizondo interview

1131

00:41:23,450 --> 00:41:22,720

yeah i think it's going to be um yeah a

1132

00:41:25,750 --> 00:41:23,460

bit more

1133

00:41:28,069 --> 00:41:25,760

[Laughter]

1134

00:41:29,030 --> 00:41:28,079

maybe maybe we'll we'll see man not if i

1135

00:41:32,390 --> 00:41:29,040

have to stick on this

1136

00:41:36,309 --> 00:41:32,400

old school internet connection we'll see

1137

00:41:38,309 --> 00:41:36,319

yeah i'll get that fixed in the future

1138

00:41:40,390 --> 00:41:38,319

you might need to be better off wireless

1139

00:41:43,910 --> 00:41:40,400

you know the thing is

1140

00:41:46,230 --> 00:41:43,920

yeah maybe yeah i mean

1141

00:41:48,710 --> 00:41:46,240

i did i did i recorded an interview

1142

00:41:52,630 --> 00:41:48,720

which i've not put out on youtube yet

1143

00:41:55,670 --> 00:41:52,640

um and i actually hot spotted off my

1144

00:41:57,670 --> 00:41:55,680

my cell phone yeah 4g

1145

00:41:59,510 --> 00:41:57,680

that's like that's it's full i only get

1146

00:42:01,990 --> 00:41:59,520

4g at the moment here

1147

00:42:03,589 --> 00:42:02,000

right um but it worked that the video

1148

00:42:05,190 --> 00:42:03,599

came out well i just need to upload it

1149

00:42:05,750 --> 00:42:05,200

to youtube it was with a friend of mine

1150

00:42:09,349 --> 00:42:05,760

and

1151

00:42:13,190 --> 00:42:09,359

i'll

1152

00:42:15,829 --> 00:42:13,200

construction industry

1153

00:42:17,750 --> 00:42:15,839

and they they're putting up this big

1154

00:42:21,190 --> 00:42:17,760

telemetry station in florida

1155

00:42:23,829 --> 00:42:21,200

the this is by the the us air force and

1156

00:42:25,510 --> 00:42:23,839

he was talking to a contractor about it

1157

00:42:27,270 --> 00:42:25,520

and he joked oh these would be able to

1158

00:42:28,230 --> 00:42:27,280

pick up uap because it's such a big

1159

00:42:31,829 --> 00:42:28,240

radar tower

1160

00:42:33,750 --> 00:42:31,839

and the guy was like yep like dropping

1161

00:42:35,670 --> 00:42:33,760

hints left right and center

1162

00:42:37,510 --> 00:42:35,680

and it's all highly classified

1163

00:42:38,870 --> 00:42:37,520

information that will come from it

1164

00:42:40,230 --> 00:42:38,880

it's just a great interview as well

1165

00:42:41,589 --> 00:42:40,240

he'll be live on youtube in the next

1166

00:42:46,950 --> 00:42:41,599

couple of days

1167

00:42:50,309 --> 00:42:49,829

in my feed uh today actually i i saw a

1168

00:42:54,309 --> 00:42:50,319

uh

1169

00:42:59,589 --> 00:42:54,319

show

1170

00:43:01,750 --> 00:42:59,599

experience with the uap

1171

00:43:03,190 --> 00:43:01,760

15 years ago so i'm excited for her for

1172

00:43:05,349 --> 00:43:03,200

that you know nice

1173

00:43:06,790 --> 00:43:05,359

i i haven't seen anything in holland uh

1174

00:43:08,630 --> 00:43:06,800

like that before so

1175

00:43:11,750 --> 00:43:08,640

that's really actually i put something

1176

00:43:14,230 --> 00:43:11,760

out yesterday it was a dutch pilot

1177

00:43:15,589 --> 00:43:14,240

talking about an experience he had uh i

1178

00:43:17,589 --> 00:43:15,599

think

1179

00:43:19,510 --> 00:43:17,599

that's the same guy oh that's the same

1180

00:43:21,430 --> 00:43:19,520

guy yeah that's the same guy

1181

00:43:23,109 --> 00:43:21,440

yeah let me bring it up um yeah it was

1182

00:43:25,349 --> 00:43:23,119

about i think it was about a while back

1183

00:43:27,990 --> 00:43:25,359

25 years ago maybe something like that

1184

00:43:29,589 --> 00:43:28,000

i i i think 15 or something but the

1185

00:43:31,349 --> 00:43:29,599

description the way i mean it was

1186

00:43:33,510 --> 00:43:31,359

subtitled someone had done the subtitles

1187

00:43:36,230 --> 00:43:33,520

for it but the the story sounded

1188

00:43:38,390 --> 00:43:36,240

really compelling man like really i can

1189

00:43:41,990 --> 00:43:38,400

i can translate

1190

00:43:45,109 --> 00:43:42,000

uh here it is dutch ua

1191

00:43:48,870 --> 00:43:45,119

dutch klm pilot yeah klm is like the

1192

00:43:52,230 --> 00:43:48,880

the the the the main the main airline

1193

00:43:55,589 --> 00:43:52,240

yeah so yeah he was flying from the us

1194

00:43:58,630 --> 00:43:55,599

to amsterdam

1195

00:44:00,150 --> 00:43:58,640

okay yeah so are you looking into that

1196

00:44:02,309 --> 00:44:00,160

case then or

1197

00:44:04,069 --> 00:44:02,319

well i i just found out tonight uh

1198

00:44:11,349 --> 00:44:04,079

tonight yeah so i'm gonna

1199

00:44:14,870 --> 00:44:13,430

his name is flavio pasquino uh i know

1200

00:44:18,309 --> 00:44:14,880

his brother eddie

1201

00:44:21,750 --> 00:44:18,319

uh long story it's a small world

1202

00:44:23,270 --> 00:44:21,760

yeah it is man it is that's all good

1203

00:44:24,870 --> 00:44:23,280

gavin gavin in the comments is asking

1204

00:44:26,630 --> 00:44:24,880

where in florida um so the guy

1205

00:44:30,069 --> 00:44:26,640

interviewed jeff he lives near

1206

00:44:31,750 --> 00:44:30,079

tampa bay so um yeah

1207

00:44:33,270 --> 00:44:31,760

i'll be posting when i like when i send

1208

00:44:34,150 --> 00:44:33,280

this video live in a couple of days my

1209

00:44:35,589 --> 00:44:34,160

interview with jeff

1210

00:44:37,270 --> 00:44:35,599

i will be it will be all over my

1211

00:44:38,950 --> 00:44:37,280

instagram and twitter and stuff so you

1212

00:44:40,950 --> 00:44:38,960

guys will all see it

1213

00:44:42,390 --> 00:44:40,960

um and i i'd like some feedback on it

1214

00:44:44,390 --> 00:44:42,400

because the story is

1215

00:44:46,710 --> 00:44:44,400

incredible jeff also goes into his own

1216

00:44:47,270 --> 00:44:46,720

uap sighting of these triangles that he

1217

00:44:50,550 --> 00:44:47,280

saw

1218

00:44:52,390 --> 00:44:50,560

it's a great interview man oh man hey

1219

00:44:53,670 --> 00:44:52,400

max and we've probably talked we have

1220

00:44:57,030 --> 00:44:53,680

talked about this before but

1221

00:44:59,990 --> 00:44:57,040

your ufo sighting oh [h__h] yeah everybody

1222

00:45:01,670 --> 00:45:00,000

keeps asking me about that i still watch

1223

00:45:03,589 --> 00:45:01,680

it because you sent it to me and every

1224

00:45:05,190 --> 00:45:03,599

few days i go through my photos and i go

1225

00:45:06,710 --> 00:45:05,200

oh what's this then i look and oh that's

1226

00:45:09,910 --> 00:45:06,720

max's sighting

1227

00:45:13,349 --> 00:45:09,920

right have you put it out anywhere

1228

00:45:15,750 --> 00:45:13,359

i did actually uh the night i saw it

1229

00:45:16,950 --> 00:45:15,760

i sent it to luis jimenez you know the

1230

00:45:19,990 --> 00:45:16,960

the big

1231

00:45:21,510 --> 00:45:20,000

yeah yeah yeah and uh he's coming on

1232

00:45:23,829 --> 00:45:21,520

here as well by the way

1233

00:45:25,670 --> 00:45:23,839

oh that's cool i loved it kid so you can

1234

00:45:29,270 --> 00:45:25,680

join me for that one as well man

1235

00:45:32,950 --> 00:45:29,280

ah i love it i love it but yeah

1236

00:45:35,109 --> 00:45:32,960

you sent it to him yeah like

1237

00:45:36,069 --> 00:45:35,119

maybe a couple of hours after i uh i

1238

00:45:39,349 --> 00:45:36,079

filmed it

1239

00:45:42,390 --> 00:45:39,359

and and um maybe i should

1240

00:45:45,109 --> 00:45:42,400

ju and they used it in their uh live

1241

00:45:46,390 --> 00:45:45,119

podcast but you can actually look it

1242

00:45:49,430 --> 00:45:46,400

back and look it up

1243

00:45:50,470 --> 00:45:49,440

okay uh so i might uh ask them or maybe

1244

00:45:54,230 --> 00:45:50,480

i will make a

1245

00:45:56,390 --> 00:45:54,240

uh a little clip about that do it

1246

00:45:58,470 --> 00:45:56,400

because i keep i'll bring it up as well

1247

00:45:59,349 --> 00:45:58,480

because i really want to post it on my

1248

00:46:01,750 --> 00:45:59,359

instagram

1249

00:46:02,950 --> 00:46:01,760

oh yo go for it man you know you're free

1250

00:46:05,430 --> 00:46:02,960

yeah sure yeah yeah

1251
00:46:06,950 --> 00:46:05,440
that's okay a nice discussion and yeah

1252
00:46:10,270 --> 00:46:06,960
actually you're liberating me

1253
00:46:11,829 --> 00:46:10,280
because they they keep on busting my

1254
00:46:15,589 --> 00:46:11,839
b-a-l-l-s

1255
00:46:16,069 --> 00:46:15,599
about that i've talked about it so many

1256
00:46:17,270 --> 00:46:16,079
times

1257
00:46:19,270 --> 00:46:17,280
in the past and i've never really

1258
00:46:20,150 --> 00:46:19,280
actually asked you out right max can i

1259
00:46:23,190 --> 00:46:20,160
post this

1260
00:46:25,030 --> 00:46:23,200
so i haven't but feel free man because

1261
00:46:26,069 --> 00:46:25,040
it's amazing i think i remember the

1262
00:46:27,910 --> 00:46:26,079
night

1263
00:46:29,510 --> 00:46:27,920

i think you actually messaged me going

1264

00:46:32,870 --> 00:46:29,520

bro you're still awake

1265

00:46:35,910 --> 00:46:32,880

yeah that's true that is true i had

1266

00:46:39,510 --> 00:46:35,920

no one to talk to i felt so lonely

1267

00:46:40,790 --> 00:46:39,520

i i was like i was like what the hell is

1268

00:46:42,710 --> 00:46:40,800

going on right now

1269

00:46:44,470 --> 00:46:42,720

and i wanted to talk to someone like on

1270

00:46:47,990 --> 00:46:44,480

on the same mindset

1271

00:46:51,270 --> 00:46:48,000

mate yeah thank god i found lewis

1272

00:46:53,190 --> 00:46:51,280

yeah but it's it was it's a really crazy

1273

00:46:55,190 --> 00:46:53,200

video

1274

00:46:56,309 --> 00:46:55,200

dude tell us about it let's let's re

1275

00:46:57,750 --> 00:46:56,319

rehash it talk

1276

00:47:00,150 --> 00:46:57,760

to tell everyone who's watching about it

1277

00:47:03,750 --> 00:47:00,160

because they want to hear it look

1278

00:47:10,470 --> 00:47:06,790

i have never seen a ufo

1279

00:47:12,150 --> 00:47:10,480

uap in my life before but i started

1280

00:47:15,270 --> 00:47:12,160

covering this stuff

1281

00:47:18,069 --> 00:47:15,280

and you know you know when you read and

1282

00:47:19,829 --> 00:47:18,079

and and talk and and see a lot about the

1283

00:47:23,030 --> 00:47:19,839

subject

1284

00:47:24,549 --> 00:47:23,040

and have a bad habit uh you start

1285

00:47:27,910 --> 00:47:24,559

smoking on your balcony

1286

00:47:30,150 --> 00:47:27,920

uh you know you you

1287

00:47:31,190 --> 00:47:30,160

you tend to look up to the stars to the

1288

00:47:33,510 --> 00:47:31,200

sky yeah

1289

00:47:35,670 --> 00:47:33,520

yeah you know and and you know i i i

1290

00:47:37,589 --> 00:47:35,680

keep on doing that i'm like

1291

00:47:39,670 --> 00:47:37,599

what the hell is going on up there you

1292

00:47:43,109 --> 00:47:39,680

know like that always but now

1293

00:47:46,470 --> 00:47:43,119

but now i see on my balcony uh

1294

00:47:49,510 --> 00:47:46,480

uh like hold on i see like

1295

00:47:50,870 --> 00:47:49,520

three light dots you know i thought it

1296

00:47:53,190 --> 00:47:50,880

was like a

1297

00:47:56,470 --> 00:47:53,200

maybe stars or something but now they

1298

00:48:00,150 --> 00:47:58,870

like that and i'm looking around in the

1299

00:48:02,950 --> 00:48:00,160

sky and i see

1300

00:48:05,270 --> 00:48:02,960

more like these dots like moving around

1301

00:48:08,790 --> 00:48:05,280

like this like this

1302

00:48:09,510 --> 00:48:08,800

and i'm like holy [\h__\h] ran inside got my

1303

00:48:11,670 --> 00:48:09,520

phone

1304

00:48:13,510 --> 00:48:11,680

but there's a lot of uh light poisoning

1305

00:48:13,910 --> 00:48:13,520

in amsterdam right it's a big city yeah

1306

00:48:17,829 --> 00:48:13,920

so

1307

00:48:20,950 --> 00:48:17,839

especially where i live

1308

00:48:24,549 --> 00:48:20,960

it's it's just big city um

1309

00:48:26,630 --> 00:48:24,559

but i i could see a little bit

1310

00:48:28,390 --> 00:48:26,640

but then what you what i actually

1311

00:48:32,549 --> 00:48:28,400

captured was one of those

1312

00:48:35,349 --> 00:48:32,559

three just lit up and

1313

00:48:37,829 --> 00:48:35,359

moved down like like in a light flash

1314

00:48:41,109 --> 00:48:37,839

and i was like

1315

00:48:42,870 --> 00:48:41,119

wow that's well and you captured that

1316

00:48:45,510 --> 00:48:42,880

that's what i saw and i was like what

1317

00:48:46,230 --> 00:48:45,520

i did get for that i did capture that

1318

00:48:48,150 --> 00:48:46,240

but you know

1319

00:48:50,069 --> 00:48:48,160

but the the [h__h] up thing is you know

1320

00:48:52,470 --> 00:48:50,079

there was so much more

1321

00:48:53,430 --> 00:48:52,480

but the only thing you can really see is

1322

00:48:55,670 --> 00:48:53,440

that

1323

00:48:56,790 --> 00:48:55,680

it was like i was it was like what the

1324

00:49:00,069 --> 00:48:56,800

hell is

1325

00:49:03,349 --> 00:49:00,079

and okay this is gonna sound crazy but i

1326

00:49:06,470 --> 00:49:03,359

i have it i i keep seeing [h__h]

1327

00:49:07,589 --> 00:49:06,480

and i keep seeing it you know like

1328

00:49:09,750 --> 00:49:07,599

maybe that's because you went to

1329

00:49:10,710 --> 00:49:09,760

sisterberg that time and it's following

1330

00:49:13,990 --> 00:49:10,720

you

1331

00:49:15,990 --> 00:49:14,000

i don't know what is going on right now

1332

00:49:18,150 --> 00:49:16,000

people are thinking i'm crazy maybe i am

1333

00:49:21,670 --> 00:49:18,160

going i am going crazy but

1334

00:49:23,670 --> 00:49:21,680

i keep you know i just i keep like

1335

00:49:25,750 --> 00:49:23,680

not every night but like once in a while

1336

00:49:30,230 --> 00:49:25,760

i i'll just notice one

1337

00:49:33,270 --> 00:49:30,240

and i'm like [h__h] you you know

1338

00:49:33,990 --> 00:49:33,280

am i going nuts what then let's go man

1339

00:49:36,790 --> 00:49:34,000

you're lucky

1340

00:49:38,630 --> 00:49:36,800

that you're very lucky man maybe that's

1341

00:49:40,549 --> 00:49:38,640

all it takes that one sighting and it

1342

00:49:41,990 --> 00:49:40,559

switches you on somehow inside and then

1343

00:49:44,309 --> 00:49:42,000

you're able to just see them again i

1344

00:49:46,309 --> 00:49:44,319

don't know man there's many reasons

1345

00:49:47,829 --> 00:49:46,319

well you know there's this thing i keep

1346

00:49:51,670 --> 00:49:47,839

on thinking about you know i

1347

00:49:53,990 --> 00:49:51,680

i've been uh i'm a history freak

1348

00:49:56,470 --> 00:49:54,000

and one of the things i i read about was

1349

00:50:00,390 --> 00:49:56,480

the native americans

1350

00:50:03,190 --> 00:50:00,400

uh some people couldn't spot

1351
00:50:04,950 --> 00:50:03,200
the ships in front of their shores of

1352
00:50:08,470 --> 00:50:04,960
the europeans when they

1353
00:50:11,030 --> 00:50:08,480
were coming because their

1354
00:50:12,230 --> 00:50:11,040
uh their minds their their their brains

1355
00:50:14,069 --> 00:50:12,240
couldn't comprehend

1356
00:50:15,990 --> 00:50:14,079
something that they hadn't experienced

1357
00:50:18,069 --> 00:50:16,000
before or hadn't seen before

1358
00:50:19,349 --> 00:50:18,079
so they you know they just didn't see it

1359
00:50:22,150 --> 00:50:19,359
but there were other people who

1360
00:50:23,750 --> 00:50:22,160
did see it you know that makes sense man

1361
00:50:26,309 --> 00:50:23,760
i've been looking into that kind of

1362
00:50:28,470 --> 00:50:26,319
area the last few days and yeah i read a

1363
00:50:31,510 --> 00:50:28,480

really interesting

1364

00:50:32,549 --> 00:50:31,520

uh paper that you may get two people

1365

00:50:35,109 --> 00:50:32,559

seeing the same thing

1366

00:50:35,750 --> 00:50:35,119

one person might see as a sphere or a

1367

00:50:38,549 --> 00:50:35,760

disc

1368

00:50:40,710 --> 00:50:38,559

another person might see the same object

1369

00:50:42,710 --> 00:50:40,720

but perceive it as a triangle

1370

00:50:44,470 --> 00:50:42,720

and it's because of the way that the

1371

00:50:46,950 --> 00:50:44,480

object is interacting with

1372

00:50:48,630 --> 00:50:46,960

with the mind you know on some crazy

1373

00:50:50,390 --> 00:50:48,640

consciousness level

1374

00:50:53,190 --> 00:50:50,400

you know um because there's been

1375

00:50:56,950 --> 00:50:53,200

obviously been a lot of talk about this

1376

00:51:00,150 --> 00:50:56,960

um ultra dimensional ultra terrestrial

1377

00:51:02,069 --> 00:51:00,160

thing which we don't understand yet that

1378

00:51:03,430 --> 00:51:02,079

can really affect people's minds and the

1379

00:51:06,150 --> 00:51:03,440

consciousness and that

1380

00:51:07,510 --> 00:51:06,160

that level that is just beyond what we

1381

00:51:07,990 --> 00:51:07,520

understand at the moment so i've been

1382

00:51:09,750 --> 00:51:08,000

trying to look

1383

00:51:11,430 --> 00:51:09,760

into that kind of thing it's quite hard

1384

00:51:13,349 --> 00:51:11,440

to research to be honest but

1385

00:51:15,510 --> 00:51:13,359

yeah i'm starting to open up to that

1386

00:51:18,950 --> 00:51:15,520

kind of thing a little bit more and it

1387

00:51:21,990 --> 00:51:18,960

you know it's interesting so

1388

00:51:25,670 --> 00:51:22,000

vincent have you ever seen a

1389

00:51:28,630 --> 00:51:25,680

uav no my friend i haven't and i say

1390

00:51:30,230 --> 00:51:28,640

i haven't i've seen things in the sky um

1391

00:51:32,390 --> 00:51:30,240

but i've always managed to

1392

00:51:34,230 --> 00:51:32,400

figure out what they are you know it's

1393

00:51:36,230 --> 00:51:34,240

the beauty of having apps that you know

1394

00:51:38,390 --> 00:51:36,240

star tracking apps and satellite

1395

00:51:39,589 --> 00:51:38,400

tracking apps and things like that so

1396

00:51:41,270 --> 00:51:39,599

i've seen things and i've been blown

1397

00:51:42,470 --> 00:51:41,280

away and then like straight away i go to

1398

00:51:43,910 --> 00:51:42,480

my phone get the apps out

1399

00:51:45,589 --> 00:51:43,920

point it upwards and you can see that

1400

00:51:48,950 --> 00:51:45,599

it's the iss or

1401
00:51:49,430 --> 00:51:48,960
there's a meteor shower things like that

1402
00:51:52,790 --> 00:51:49,440
so

1403
00:51:54,150 --> 00:51:52,800
i think i've managed to work out what

1404
00:51:57,670 --> 00:51:54,160
they are

1405
00:52:00,549 --> 00:51:57,680
i think so in my eyes i've never had one

1406
00:52:01,190 --> 00:52:00,559
well yeah yeah i saw a starlink too you

1407
00:52:05,750 --> 00:52:01,200
know

1408
00:52:09,109 --> 00:52:05,760
uh in one line

1409
00:52:10,870 --> 00:52:09,119
multiple satellites going like in in in

1410
00:52:12,309 --> 00:52:10,880
the same direction you know you know

1411
00:52:14,069 --> 00:52:12,319
it's ilan

1412
00:52:15,670 --> 00:52:14,079
yeah but the thing is in my opinion i i

1413
00:52:17,190 --> 00:52:15,680

don't see the fact that i've not had an

1414

00:52:19,270 --> 00:52:17,200

experience as

1415

00:52:20,630 --> 00:52:19,280

as a negative it doesn't stop me from

1416

00:52:21,109 --> 00:52:20,640

researching and looking into this

1417

00:52:23,750 --> 00:52:21,119

subject

1418

00:52:24,870 --> 00:52:23,760

very different no i i didn't have

1419

00:52:28,630 --> 00:52:24,880

anything

1420

00:52:31,750 --> 00:52:28,640

all

1421

00:52:31,990 --> 00:52:31,760

and you know i will bet my [h__h] pinky

1422

00:52:34,150 --> 00:52:32,000

on

1423

00:52:36,150 --> 00:52:34,160

it you will get an experience anytime

1424

00:52:38,150 --> 00:52:36,160

soon man i hope so because i do

1425

00:52:39,270 --> 00:52:38,160

i do look up at this guy an awful lot

1426

00:52:42,470 --> 00:52:39,280

man i really do

1427

00:52:43,910 --> 00:52:42,480

i always have um so yeah

1428

00:52:46,630 --> 00:52:43,920

fingers crossed i mean i'll be blown

1429

00:52:48,470 --> 00:52:46,640

away i'll be blown away i'll be excited

1430

00:52:49,750 --> 00:52:48,480

it's it's it's a weird experience it's

1431

00:52:52,790 --> 00:52:49,760

very intimate it's

1432

00:52:54,470 --> 00:52:52,800

weird it's weird it's like it's like a

1433

00:52:57,670 --> 00:52:54,480

first kiss or something you know

1434

00:53:01,510 --> 00:52:57,680

it's it's crazy yeah yeah

1435

00:53:04,069 --> 00:53:01,520

and yeah i want that sensation man i

1436

00:53:05,750 --> 00:53:04,079

need it i need it it's like a

1437

00:53:07,510 --> 00:53:05,760

yeah yeah yeah it's it's it's like they

1438

00:53:09,030 --> 00:53:07,520

give you a little little kiss on the

1439

00:53:11,910 --> 00:53:09,040

nose or something

1440

00:53:13,589 --> 00:53:11,920

that's how it feels absolutely man

1441

00:53:14,630 --> 00:53:13,599

that's it that's it

1442

00:53:16,549 --> 00:53:14,640

i see we've got some other

1443

00:53:19,190 --> 00:53:16,559

non-experiences here in the chat and

1444

00:53:20,470 --> 00:53:19,200

that's the thing man like

1445

00:53:22,470 --> 00:53:20,480

we're not any different to the

1446

00:53:23,109 --> 00:53:22,480

experiences we all want the same thing

1447

00:53:26,150 --> 00:53:23,119

and

1448

00:53:29,349 --> 00:53:26,160

yeah it'll happen one day man yeah

1449

00:53:33,349 --> 00:53:29,359

definitely definitely so

1450

00:53:35,349 --> 00:53:33,359

um give me your bucket list who are you

1451
00:53:37,030 --> 00:53:35,359
gonna interview for your podcast uh in

1452
00:53:42,150 --> 00:53:37,040
the coming uh

1453
00:53:45,910 --> 00:53:42,160
months um all right okay i don't like

1454
00:53:49,670 --> 00:53:45,920
doing this but i'm in

1455
00:53:52,790 --> 00:53:49,680
conversation with hold back okay

1456
00:53:56,150 --> 00:53:52,800
richard dolan yeah uh

1457
00:53:57,829 --> 00:53:56,160
james fox oh nice so

1458
00:53:59,190 --> 00:53:57,839
and and this is conversations i've been

1459
00:54:01,589 --> 00:53:59,200
having it's

1460
00:54:03,030 --> 00:54:01,599
they've been they're very busy guys and

1461
00:54:04,710 --> 00:54:03,040
there's a lot of conferences happening

1462
00:54:06,549 --> 00:54:04,720
at the moment in america

1463
00:54:08,150 --> 00:54:06,559

obviously james fox is just a busy man

1464

00:54:10,150 --> 00:54:08,160

in general you know he's just announced

1465

00:54:11,990 --> 00:54:10,160

his new documentary so i bet there's so

1466

00:54:14,309 --> 00:54:12,000

much work going on there

1467

00:54:15,829 --> 00:54:14,319

so we i mean i'm in conversation with

1468

00:54:17,510 --> 00:54:15,839

these people so

1469

00:54:19,349 --> 00:54:17,520

you know the reason why i don't like to

1470

00:54:20,630 --> 00:54:19,359

talk about it is because they might

1471

00:54:22,870 --> 00:54:20,640

turn around and say look i'm busy now

1472

00:54:23,349 --> 00:54:22,880

for six months and then i'm like oh okay

1473

00:54:25,589 --> 00:54:23,359

cool

1474

00:54:26,950 --> 00:54:25,599

so you know i don't want to tease people

1475

00:54:28,630 --> 00:54:26,960

with something that i can't follow

1476
00:54:31,510 --> 00:54:28,640
through with

1477
00:54:32,630 --> 00:54:31,520
so soon but you know yeah they're both

1478
00:54:35,030 --> 00:54:32,640
very nice people

1479
00:54:36,549 --> 00:54:35,040
um see i'm working with the observation

1480
00:54:38,470 --> 00:54:36,559
deck you know the guys that put on the

1481
00:54:41,990 --> 00:54:38,480
virtual conference with the little

1482
00:54:44,069 --> 00:54:42,000
video game style thing that looted that

1483
00:54:46,710 --> 00:54:44,079
conference with uh with dolan the

1484
00:54:47,430 --> 00:54:46,720
interview but is there any uk stuff you

1485
00:54:50,230 --> 00:54:47,440
know like uh

1486
00:54:51,910 --> 00:54:50,240
something from the uk no our only the

1487
00:54:54,789 --> 00:54:51,920
only thing about the uk is nick pope and

1488
00:54:56,309 --> 00:54:54,799

he even lives in america so

1489

00:54:58,069 --> 00:54:56,319

you know that's that's it you know what

1490

00:54:59,829 --> 00:54:58,079

you mean there's nothing here man

1491

00:55:01,190 --> 00:54:59,839

i mean i'd love to do something here

1492

00:55:03,910 --> 00:55:01,200

even if it's just meeting up with

1493

00:55:06,309 --> 00:55:03,920

followers and stuff and doing a little

1494

00:55:07,910 --> 00:55:06,319

gathering or something but look look

1495

00:55:11,510 --> 00:55:07,920

let's make a deal

1496

00:55:15,430 --> 00:55:11,520

uh vinnie uh i want to go to wales

1497

00:55:16,069 --> 00:55:15,440

wales yeah okay dude i'm going in like

1498

00:55:19,589 --> 00:55:16,079

i'm going

1499

00:55:20,390 --> 00:55:19,599

next month next week a little family

1500

00:55:22,230 --> 00:55:20,400

vacation

1501
00:55:25,349 --> 00:55:22,240
out to the coast of wales but yeah bro

1502
00:55:27,349 --> 00:55:25,359
come over man i'll take you to wales

1503
00:55:29,109 --> 00:55:27,359
yeah but you know why i want to go to

1504
00:55:34,150 --> 00:55:29,119
wheels right i want to

1505
00:55:36,549 --> 00:55:34,160
you know what penn turk or yeah bro

1506
00:55:38,789 --> 00:55:36,559
let's go on a little mission now i want

1507
00:55:41,589 --> 00:55:38,799
the the army thing i want to investigate

1508
00:55:43,910 --> 00:55:41,599
i want to talk to people i want to go

1509
00:55:45,270 --> 00:55:43,920
in that's great because i was actually

1510
00:55:47,589 --> 00:55:45,280
researching that case

1511
00:55:49,030 --> 00:55:47,599
up until about three or four weeks ago

1512
00:55:50,950 --> 00:55:49,040
when everything started kicking off with

1513
00:55:52,309 --> 00:55:50,960

this report coming in and that

1514

00:55:54,069 --> 00:55:52,319

i had to put that on hold because there

1515

00:55:55,190 --> 00:55:54,079

was just so much information coming in i

1516

00:55:57,109 --> 00:55:55,200

couldn't do the research

1517

00:55:58,470 --> 00:55:57,119

of that case and keep up to date with

1518

00:56:00,470 --> 00:55:58,480

everything so i kind of

1519

00:56:01,990 --> 00:56:00,480

had started looking into that case it's

1520

00:56:03,670 --> 00:56:02,000

now on hold but bro come

1521

00:56:05,510 --> 00:56:03,680

over we'll pick it back right back up

1522

00:56:07,829 --> 00:56:05,520

and go out there look it's so

1523

00:56:09,510 --> 00:56:07,839

recent it's it's you know like yeah i i

1524

00:56:12,069 --> 00:56:09,520

think it's very interesting

1525

00:56:13,910 --> 00:56:12,079

i agree yeah there you go man i'll come

1526
00:56:15,670 --> 00:56:13,920
to amsterdam we'll go and do that maybe

1527
00:56:20,870 --> 00:56:15,680
go to germany see tim

1528
00:56:24,069 --> 00:56:23,270
nah and then yeah then you come out to

1529
00:56:25,109 --> 00:56:24,079
to me

1530
00:56:27,829 --> 00:56:25,119
i mean because you could fly from

1531
00:56:29,430 --> 00:56:27,839
amsterdam quite close to where i am and

1532
00:56:31,670 --> 00:56:29,440
then we could like road trip it

1533
00:56:34,390 --> 00:56:31,680
to wales yeah so you're in sheffield

1534
00:56:36,390 --> 00:56:34,400
right yeah so you can fly into

1535
00:56:38,150 --> 00:56:36,400
leed sheffield which is only like 40

1536
00:56:40,549 --> 00:56:38,160
minutes away from me

1537
00:56:42,150 --> 00:56:40,559
all right and then you know then we can

1538
00:56:42,470 --> 00:56:42,160

just jump in my car and i'll drive you

1539

00:56:44,069 --> 00:56:42,480

out

1540

00:56:46,390 --> 00:56:44,079

and we'll go to wales probably like

1541

00:56:49,910 --> 00:56:46,400

three hours in the car road trip again

1542

00:56:52,630 --> 00:56:49,920

film that another documentary awesome

1543

00:56:53,270 --> 00:56:52,640

awesome awesome i love i'm loving it i'm

1544

00:56:55,589 --> 00:56:53,280

loving it

1545

00:56:57,109 --> 00:56:55,599

it's awesome great ideas man we gotta do

1546

00:57:00,069 --> 00:56:57,119

it

1547

00:57:00,470 --> 00:57:00,079

that's true that's true my god vincent

1548

00:57:03,750 --> 00:57:00,480

hey

1549

00:57:06,950 --> 00:57:03,760

by the way um i want to

1550

00:57:09,750 --> 00:57:06,960

uh ask anyone watching this

1551
00:57:10,829 --> 00:57:09,760
if you haven't subscribed to the channel

1552
00:57:13,829 --> 00:57:10,839
of

1553
00:57:14,630 --> 00:57:13,839
vinnie you need to [h__h] do that right

1554
00:57:18,789 --> 00:57:14,640
now

1555
00:57:20,789 --> 00:57:18,799
because i struggle to keep these

1556
00:57:22,789 --> 00:57:20,799
conversations going you're a pro at this

1557
00:57:23,990 --> 00:57:22,799
man so i appreciate you uh

1558
00:57:26,549 --> 00:57:24,000
doing this kind of thing i don't know

1559
00:57:28,789 --> 00:57:26,559
what i'm doing i'm still new man

1560
00:57:29,589 --> 00:57:28,799
all right just be you man just be i am i

1561
00:57:30,710 --> 00:57:29,599
am it's just

1562
00:57:32,390 --> 00:57:30,720
all those little things like you're

1563
00:57:35,190 --> 00:57:32,400

saying about subscribe i'm used to being

1564

00:57:37,190 --> 00:57:35,200

on instagram going oh yeah go follow and

1565

00:57:38,950 --> 00:57:37,200

yeah i guess it's similar but yeah it's

1566

00:57:41,190 --> 00:57:38,960

just a whole new world

1567

00:57:43,430 --> 00:57:41,200

yeah but look at this beautiful bottom

1568

00:57:45,270 --> 00:57:43,440

look look i'm talking yiddish right now

1569

00:57:46,549 --> 00:57:45,280

look at that bottom look at that bottom

1570

00:57:49,030 --> 00:57:46,559

subscribe

1571

00:57:50,870 --> 00:57:49,040

you know listen this is my friend jeff

1572

00:57:52,309 --> 00:57:50,880

robert blask in the comments here this

1573

00:57:53,910 --> 00:57:52,319

is the guy i did the interview with from

1574

00:57:55,109 --> 00:57:53,920

florida that's coming out on my youtube

1575

00:57:57,829 --> 00:57:55,119

channel soon

1576

00:57:59,109 --> 00:57:57,839

shout out to jeff he's also got a blog

1577

00:58:01,510 --> 00:57:59,119

that he's just started

1578

00:58:02,870 --> 00:58:01,520

um i'm actually i'll put that in the

1579

00:58:04,069 --> 00:58:02,880

description as well everyone needs to go

1580

00:58:06,829 --> 00:58:04,079

and check that out

1581

00:58:08,710 --> 00:58:06,839

now then he's just commented cesium

1582

00:58:12,230 --> 00:58:08,720

isotopes

1583

00:58:14,230 --> 00:58:12,240

this is to do what did he say about my

1584

00:58:15,510 --> 00:58:14,240

mother

1585

00:58:17,750 --> 00:58:15,520

no this is this is what i'm going to be

1586

00:58:20,309 --> 00:58:17,760

trying so good this is what i'm going to

1587

00:58:23,430 --> 00:58:20,319

be talking to mr elizondo about

1588

00:58:25,589 --> 00:58:23,440

cesium isotopes what the hell is that ah

1589

00:58:28,710 --> 00:58:25,599

that's just a little hint for everyone

1590

00:58:31,109 --> 00:58:28,720

i'm gonna google that right now

1591

00:58:32,950 --> 00:58:31,119

no you're not gonna get away with this

1592

00:58:34,309 --> 00:58:32,960

jeff has uh you know i've asked a lot

1593

00:58:36,309 --> 00:58:34,319

i've asked all my followers to send me

1594

00:58:37,750 --> 00:58:36,319

questions you know and i can ask lou a

1595

00:58:39,910 --> 00:58:37,760

few of them i'm going to work some of

1596

00:58:41,670 --> 00:58:39,920

them into what i'm going to ask

1597

00:58:43,109 --> 00:58:41,680

and jeff has come at me with some

1598

00:58:46,710 --> 00:58:43,119

incredible stuff man

1599

00:58:50,230 --> 00:58:46,720

um so shout out jeff

1600

00:58:52,710 --> 00:58:50,240

oh now i know

1601
00:58:53,510 --> 00:58:52,720
all right that's great yeah that's gonna

1602
00:58:56,549 --> 00:58:53,520
be amazing

1603
00:58:59,190 --> 00:58:56,559
yeah yeah yeah jeff's uh it's just a

1604
00:59:02,150 --> 00:58:59,200
knowledgeable dude man in in all aspects

1605
00:59:03,510 --> 00:59:02,160
um yeah so this is what i'm saying this

1606
00:59:06,789 --> 00:59:03,520
is why i'm coming at lou with

1607
00:59:07,109 --> 00:59:06,799
new things man look i i i gotta give a

1608
00:59:10,630 --> 00:59:07,119
big

1609
00:59:11,030 --> 00:59:10,640
so to to uh all of our followers because

1610
00:59:14,309 --> 00:59:11,040
you know

1611
00:59:15,030 --> 00:59:14,319
you are right they always come up with

1612
00:59:18,630 --> 00:59:15,040
great

1613
00:59:21,829 --> 00:59:18,640

uh suggestions uh questions

1614

00:59:25,109 --> 00:59:21,839

um you know and and

1615

00:59:27,430 --> 00:59:25,119

it's such a big part of of you know

1616

00:59:28,630 --> 00:59:27,440

uh unfolding what whatever is happening

1617

00:59:32,710 --> 00:59:28,640

you know it's not

1618

00:59:34,390 --> 00:59:32,720

me it's not just you it's also everyone

1619

00:59:37,750 --> 00:59:34,400

who's supporting us you know

1620

00:59:39,030 --> 00:59:37,760

they they have they help out you know

1621

00:59:40,870 --> 00:59:39,040

man i couldn't do half of what i do

1622

00:59:43,750 --> 00:59:40,880

without them

1623

00:59:44,549 --> 00:59:43,760

i get leads like things to look at areas

1624

00:59:48,230 --> 00:59:44,559

to research

1625

00:59:50,630 --> 00:59:48,240

things to help me out yeah nice great

1626
00:59:51,270 --> 00:59:50,640
um i've just noticed benji shout out

1627
00:59:53,589 --> 00:59:51,280
benji

1628
00:59:54,870 --> 00:59:53,599
cesium has ton of isotopes which ones

1629
00:59:58,829 --> 00:59:54,880
listen i'm not going to give any more

1630
01:00:04,150 --> 01:00:01,270
um

1631
01:00:05,750 --> 01:00:04,160
i can't spill all the beans no no no

1632
01:00:07,510 --> 01:00:05,760
it's just an example of like it's just

1633
01:00:08,630 --> 01:00:07,520
an example of the area that i'm coming

1634
01:00:11,670 --> 01:00:08,640
from you know with

1635
01:00:12,470 --> 01:00:11,680
thanks to jeff and that um yeah and it

1636
01:00:15,990 --> 01:00:12,480
relates

1637
01:00:17,510 --> 01:00:16,000
to a lot of stuff so yeah

1638
01:00:18,789 --> 01:00:17,520

benji i'm going to keep you on your toes

1639

01:00:22,309 --> 01:00:18,799

brother you got to wait a little bit

1640

01:00:25,750 --> 01:00:24,870

he's one of my he's one of my people

1641

01:00:28,230 --> 01:00:25,760

yeah

1642

01:00:29,510 --> 01:00:28,240

so nice interesting stuff so listen

1643

01:00:33,270 --> 01:00:29,520

let's jump on

1644

01:00:36,390 --> 01:00:33,280

and talk about these dutch cases

1645

01:00:37,990 --> 01:00:36,400

um let's jump into the socialberg case

1646

01:00:41,030 --> 01:00:38,000

man i don't think a lot of people

1647

01:00:43,109 --> 01:00:41,040

really are that familiar with it man um

1648

01:00:44,789 --> 01:00:43,119

i mean i am and i think it's one of my

1649

01:00:47,670 --> 01:00:44,799

most the cases i love

1650

01:00:49,190 --> 01:00:47,680

the best you know it's exciting it's got

1651
01:00:50,710 --> 01:00:49,200
everything it's got the military the

1652
01:00:52,950 --> 01:00:50,720
nukes it's got the

1653
01:00:55,270 --> 01:00:52,960
the craft yeah give us a little give us

1654
01:00:58,789 --> 01:00:55,280
a little overview max

1655
01:00:59,510 --> 01:00:58,799
yeah look do you mean uh the the recap

1656
01:01:02,870 --> 01:00:59,520
of whatever

1657
01:01:05,990 --> 01:01:02,880
whatever the case man the famous case

1658
01:01:10,390 --> 01:01:06,000
okay um so uh

1659
01:01:13,589 --> 01:01:10,400
in 1979 um

1660
01:01:14,309 --> 01:01:13,599
12 dutch military men were witness to a

1661
01:01:17,270 --> 01:01:14,319
uap

1662
01:01:18,870 --> 01:01:17,280
on a military air base but it was not

1663
01:01:21,109 --> 01:01:18,880

just a

1664

01:01:23,990 --> 01:01:21,119

dutch military air base it was actually

1665

01:01:26,069 --> 01:01:24,000

a secret american air base and now we

1666

01:01:28,150 --> 01:01:26,079

know it was called new amsterdam

1667

01:01:31,270 --> 01:01:28,160

but it was in the center of holland cult

1668

01:01:34,390 --> 01:01:31,280

uh in a city called or a

1669

01:01:36,309 --> 01:01:34,400

village called susta berg

1670

01:01:38,789 --> 01:01:36,319

so it was a shared base with the

1671

01:01:41,910 --> 01:01:38,799

americans and the dutch military

1672

01:01:45,030 --> 01:01:41,920

um and now we know

1673

01:01:48,230 --> 01:01:45,040

there were nuclear weapons rocket heads

1674

01:01:51,190 --> 01:01:48,240

this was full-blown cold war so

1675

01:01:53,349 --> 01:01:51,200

you know they were appointed that moscow

1676

01:01:57,750 --> 01:01:53,359

icbms

1677

01:02:01,829 --> 01:01:57,760

yeah minutemen rockets whatever you know

1678

01:02:05,430 --> 01:02:01,839

yeah um but

1679

01:02:08,950 --> 01:02:05,440

in a cold february february morning

1680

01:02:11,349 --> 01:02:08,960

um 12 dutch military men who were

1681

01:02:12,230 --> 01:02:11,359

in charge of security of the the air

1682

01:02:15,430 --> 01:02:12,240

base

1683

01:02:19,270 --> 01:02:15,440

um were witness to a uap

1684

01:02:22,630 --> 01:02:19,280

triangle showing up above the base

1685

01:02:23,109 --> 01:02:22,640

and you have to imagine uh it was pitch

1686

01:02:26,630 --> 01:02:23,119

dark

1687

01:02:30,069 --> 01:02:26,640

but this thing lit up the place

1688

01:02:33,109 --> 01:02:30,079

like it was a summer afternoon you know

1689

01:02:33,829 --> 01:02:33,119

everything was lit up you could read a

1690

01:02:36,309 --> 01:02:33,839

book

1691

01:02:37,109 --> 01:02:36,319

yeah yeah yeah yeah yeah not only was

1692

01:02:40,230 --> 01:02:37,119

this thing

1693

01:02:44,470 --> 01:02:40,240

uh without any noise it was

1694

01:02:48,789 --> 01:02:44,480

without any silence it was also 40

1695

01:02:51,190 --> 01:02:48,799

meters uh in size white right

1696

01:02:52,150 --> 01:02:51,200

so that's that's huge that this really

1697

01:02:54,309 --> 01:02:52,160

what

1698

01:02:56,069 --> 01:02:54,319

it was about the size of the the the

1699

01:02:59,270 --> 01:02:56,079

landing streak

1700

01:03:01,990 --> 01:02:59,280

so yeah

1701
01:03:03,510 --> 01:03:02,000
and there were witnesses who saw it

1702
01:03:06,390 --> 01:03:03,520
shooting down a beam

1703
01:03:07,750 --> 01:03:06,400
into the the the silo where the the

1704
01:03:10,470 --> 01:03:07,760
heads were

1705
01:03:11,510 --> 01:03:10,480
and uh it just took off like a bullet

1706
01:03:14,549 --> 01:03:11,520
fire

1707
01:03:16,150 --> 01:03:14,559
bomb but it wasn't just

1708
01:03:18,230 --> 01:03:16,160
the military men who were witness to

1709
01:03:21,109 --> 01:03:18,240
that also civilians in the area

1710
01:03:21,829 --> 01:03:21,119
and there's a very famous account by a

1711
01:03:24,870 --> 01:03:21,839
lady

1712
01:03:28,390 --> 01:03:24,880
um she still talks about it

1713
01:03:30,309 --> 01:03:28,400

you know it's it's it's one of the most

1714

01:03:32,069 --> 01:03:30,319

amazing cases because there were so many

1715

01:03:34,069 --> 01:03:32,079

witnesses yeah

1716

01:03:35,750 --> 01:03:34,079

it's big man it is a big case and it's

1717

01:03:37,349 --> 01:03:35,760

just like i say it's got everything it's

1718

01:03:38,230 --> 01:03:37,359

got all the witnesses the military the

1719

01:03:40,309 --> 01:03:38,240

nuclear

1720

01:03:42,710 --> 01:03:40,319

the triangle i mean what more could you

1721

01:03:44,630 --> 01:03:42,720

want from a case man it's incredible

1722

01:03:46,630 --> 01:03:44,640

yeah so this is why we've got to go

1723

01:03:49,109 --> 01:03:46,640

there man

1724

01:03:50,789 --> 01:03:49,119

yeah i know i i've been there i showed

1725

01:03:53,029 --> 01:03:50,799

you the footage yeah actually

1726

01:03:54,150 --> 01:03:53,039

yeah and you went on your own as well

1727

01:03:56,950 --> 01:03:54,160

didn't you

1728

01:03:57,990 --> 01:03:56,960

like my brother lives like one one mile

1729

01:04:00,390 --> 01:03:58,000

away from from

1730

01:04:01,109 --> 01:04:00,400

that place so and it was his birthday

1731

01:04:05,109 --> 01:04:01,119

and i was like

1732

01:04:07,029 --> 01:04:05,119

let me just take a little

1733

01:04:08,549 --> 01:04:07,039

little turn and i'll i'll check it out

1734

01:04:11,430 --> 01:04:08,559

and

1735

01:04:12,710 --> 01:04:11,440

but the the when i when they're there

1736

01:04:15,750 --> 01:04:12,720

there was stuff

1737

01:04:17,109 --> 01:04:15,760

going on you know um i thought did i

1738

01:04:20,390 --> 01:04:17,119

tell you about it but

1739

01:04:23,589 --> 01:04:20,400

maybe later okay okay yeah

1740

01:04:26,150 --> 01:04:23,599

yeah do you want to talk about it now no

1741

01:04:27,349 --> 01:04:26,160

um oh no wait wait i understand no no i

1742

01:04:28,230 --> 01:04:27,359

know what you're talking about nana it's

1743

01:04:30,230 --> 01:04:28,240

all good it's all good

1744

01:04:32,309 --> 01:04:30,240

i'm gonna jump onto this comment here

1745

01:04:34,390 --> 01:04:32,319

because this is really interesting

1746

01:04:36,789 --> 01:04:34,400

what about the uap filmed from a police

1747

01:04:39,270 --> 01:04:36,799

helicopter over the bristol channel

1748

01:04:39,990 --> 01:04:39,280

so in england um now this is like an

1749

01:04:41,990 --> 01:04:40,000

eight minute

1750

01:04:43,670 --> 01:04:42,000

and i think it's a flircam footage as

1751

01:04:45,750 --> 01:04:43,680

well and this

1752

01:04:47,349 --> 01:04:45,760

yeah this is a case that i've i think

1753

01:04:49,510 --> 01:04:47,359

i've posted the footage to be honest

1754

01:04:50,470 --> 01:04:49,520

a couple of months back but this is

1755

01:04:52,870 --> 01:04:50,480

literally a

1756

01:04:54,230 --> 01:04:52,880

uap tracked on by a helicopter for eight

1757

01:04:56,309 --> 01:04:54,240

minutes

1758

01:04:57,750 --> 01:04:56,319

and no one's really researched the case

1759

01:04:59,589 --> 01:04:57,760

or at least

1760

01:05:01,190 --> 01:04:59,599

examined the flare you know someone that

1761

01:05:02,950 --> 01:05:01,200

knows how to break down what

1762

01:05:04,549 --> 01:05:02,960

what is being seen or what's not being

1763

01:05:06,630 --> 01:05:04,559

seen and things like that

1764

01:05:08,390 --> 01:05:06,640

we see all these flare videos like the

1765

01:05:09,910 --> 01:05:08,400

you know the nimitz cases and the go

1766

01:05:13,029 --> 01:05:09,920

fast and the gimbal

1767

01:05:14,309 --> 01:05:13,039

um the aguadilla puerto rico case um i

1768

01:05:15,910 --> 01:05:14,319

think this police

1769

01:05:17,349 --> 01:05:15,920

case from the bristol channel needs to

1770

01:05:20,150 --> 01:05:17,359

be looked at

1771

01:05:21,430 --> 01:05:20,160

big time um definitely it's a very

1772

01:05:24,710 --> 01:05:21,440

important case it's just

1773

01:05:26,390 --> 01:05:24,720

not been much researched uh yeah yeah i

1774

01:05:29,510 --> 01:05:26,400

i've got it somewhere i'll

1775

01:05:31,270 --> 01:05:29,520

i'll link it to you probably tomorrow by

1776

01:05:33,270 --> 01:05:31,280

the time i get around to it but

1777

01:05:34,470 --> 01:05:33,280

i'll check it out really interesting

1778

01:05:37,589 --> 01:05:34,480

it's really interesting

1779

01:05:38,950 --> 01:05:37,599

i mean it's it's not like a clear object

1780

01:05:41,109 --> 01:05:38,960

it's it's what you would expect from

1781

01:05:42,630 --> 01:05:41,119

flair but there's no

1782

01:05:44,470 --> 01:05:42,640

you know there's no visible propulsion

1783

01:05:46,309 --> 01:05:44,480

output there's no like heat coming off

1784

01:05:47,109 --> 01:05:46,319

of it or anything like that so you know

1785

01:05:48,710 --> 01:05:47,119

that it's

1786

01:05:50,150 --> 01:05:48,720

something strange and they tracked it

1787

01:05:52,230 --> 01:05:50,160

for eight minutes it's not just a

1788

01:05:56,549 --> 01:05:52,240

balloon flying in the wind

1789

01:05:58,390 --> 01:05:56,559

so it really is kind of unknown still

1790

01:06:00,470 --> 01:05:58,400

yeah man it's compelling it's very

1791

01:06:02,630 --> 01:06:00,480

compelling

1792

01:06:04,950 --> 01:06:02,640

maybe that warrants some investigation

1793

01:06:06,470 --> 01:06:04,960

we'll see i don't know

1794

01:06:08,069 --> 01:06:06,480

but yeah that's the thing people

1795

01:06:09,750 --> 01:06:08,079

complain about these clear videos but

1796

01:06:11,190 --> 01:06:09,760

they give so much data you know you know

1797

01:06:12,230 --> 01:06:11,200

that there's no heat coming off them you

1798

01:06:13,910 --> 01:06:12,240

can tell

1799

01:06:15,670 --> 01:06:13,920

things like that you don't get that from

1800

01:06:18,710 --> 01:06:15,680

just a regular video camera

1801
01:06:20,870 --> 01:06:18,720
no no signature exactly yeah totally man

1802
01:06:22,150 --> 01:06:20,880
like it's data driven them videos and

1803
01:06:24,710 --> 01:06:22,160
that's why i really appreciate them

1804
01:06:27,510 --> 01:06:24,720
people say they're sick of seeing these

1805
01:06:29,349 --> 01:06:27,520
blurry videos i think that i think

1806
01:06:32,230 --> 01:06:29,359
that's super interesting man

1807
01:06:34,549 --> 01:06:32,240
you know yeah it's like you see these

1808
01:06:36,150 --> 01:06:34,559
conversations going off on ufo twitter

1809
01:06:37,510 --> 01:06:36,160
from people like mick west going back

1810
01:06:41,510 --> 01:06:37,520
and forth about

1811
01:06:45,029 --> 01:06:41,520
bogey oh man

1812
01:06:48,230 --> 01:06:45,039
so yeah interesting yeah

1813
01:06:51,829 --> 01:06:48,240

hey uh my brother um

1814

01:06:55,109 --> 01:06:51,839

i gotta go no problem man no problem

1815

01:06:59,270 --> 01:06:55,119

uh because i i get texts uh from my

1816

01:07:01,589 --> 01:06:59,280

uh wife and son and yeah i i understand

1817

01:07:03,190 --> 01:07:01,599

i totally understand listen max thank

1818

01:07:04,870 --> 01:07:03,200

you so much for doing this i know it's

1819

01:07:06,950 --> 01:07:04,880

very short notice

1820

01:07:08,630 --> 01:07:06,960

i always wanted you to be my first or

1821

01:07:10,230 --> 01:07:08,640

one of my first guests on here because

1822

01:07:13,109 --> 01:07:10,240

you had me on your channel

1823

01:07:13,670 --> 01:07:13,119

and i needed you know you're my brother

1824

01:07:15,750 --> 01:07:13,680

man

1825

01:07:17,270 --> 01:07:15,760

i think you're awesome and listen we've

1826

01:07:18,950 --> 01:07:17,280

made some promises tonight and we've got

1827

01:07:20,390 --> 01:07:18,960

to stick to them so i am going to come

1828

01:07:22,549 --> 01:07:20,400

out to amsterdam

1829

01:07:23,750 --> 01:07:22,559

i'm going to do it this year so we'll

1830

01:07:27,990 --> 01:07:23,760

start

1831

01:07:31,910 --> 01:07:28,000

we are going to do

1832

01:07:34,390 --> 01:07:31,920

this uh so uh everyone

1833

01:07:36,390 --> 01:07:34,400

looking at this uh there's gonna be a

1834

01:07:37,670 --> 01:07:36,400

road trip

1835

01:07:39,349 --> 01:07:37,680

we're gonna film it we're gonna make a

1836

01:07:40,870 --> 01:07:39,359

video like a little mini movie little

1837

01:07:42,069 --> 01:07:40,880

documentary out of it it's gonna be

1838

01:07:43,589 --> 01:07:42,079

incredible

1839

01:07:45,109 --> 01:07:43,599

so something for everyone to look

1840

01:07:47,270 --> 01:07:45,119

forward to i know i am so

1841

01:07:48,630 --> 01:07:47,280

max i will let you go to your family i'm

1842

01:07:50,710 --> 01:07:48,640

going to go to mine

1843

01:07:51,990 --> 01:07:50,720

thank you to everyone who's been here

1844

01:07:53,190 --> 01:07:52,000

live with us tonight

1845

01:07:55,029 --> 01:07:53,200

and everyone that will watch this

1846

01:07:56,630 --> 01:07:55,039

afterwards i appreciate every single one

1847

01:07:58,230 --> 01:07:56,640

of you making me feel welcome on a new

1848

01:07:59,270 --> 01:07:58,240

platform such as youtube

1849

01:08:01,349 --> 01:07:59,280

yeah if you don't if you're not

1850

01:08:04,150 --> 01:08:01,359

following vinnie uh

1851

01:08:05,190 --> 01:08:04,160

you are that uh you know every person

1852

01:08:08,069 --> 01:08:05,200

who's not following

1853

01:08:19,110 --> 01:08:08,079

vinnie an angel dies right now if you're

1854

01:08:22,709 --> 01:08:21,269

yeah guys thank you so much and i will

1855

01:08:24,550 --> 01:08:22,719

be uploading the other video that i've

1856

01:08:27,030 --> 01:08:24,560

got coming out soon as well i've got

1857

01:08:30,149 --> 01:08:27,040

loads of things in the works so just
