are one of the coolest dudes in this

14

00:00:40,549 --> 00:00:37,040

field

15

00:00:41,510 --> 00:00:40,559

i gotta say i'm always like thank you so

16

00:00:46,310 --> 00:00:41,520

much man

17

00:00:48,869 --> 00:00:46,320

have so much respect for you as well

18

00:00:50,630 --> 00:00:48,879

you know i've been following a i've been

19

00:00:51,990 --> 00:00:50,640

following you for some time man i love

20

00:00:54,790 --> 00:00:52,000

everything you do

21

00:00:56,549 --> 00:00:54,800

your artwork your viewpoints you always

22

00:00:59,349 --> 00:00:56,559

stay really grounded and

23

00:01:00,310 --> 00:00:59,359

you keep people calm as well i feel you

24

00:01:02,709 --> 00:01:00,320

know

25

00:01:03,990 --> 00:01:02,719

thanks man i mean i think it's important

26

00:01:05,429 --> 00:01:04,000

right i think

27

00:01:07,830 --> 00:01:05,439

that's one of the cool things about

28

00:01:10,950 --> 00:01:07,840

being the cool guys

29

00:01:12,630 --> 00:01:10,960

it's like it's like you gotta

30

00:01:14,310 --> 00:01:12,640

you got to try and stay grounded and you

31

00:01:15,190 --> 00:01:14,320

got to keep people calm because this can

32

00:01:18,950 --> 00:01:15,200

get wild

33

00:01:21,990 --> 00:01:18,960

quick yeah nah for sure man

34

00:01:25,590 --> 00:01:22,000

so let's jump straight in and address

35

00:01:27,670 --> 00:01:25,600

yesterday the ua ptf report

36

00:01:28,630 --> 00:01:27,680

what were your expectations leading up

37

00:01:30,550 --> 00:01:28,640

to it

38

00:01:32,310 --> 00:01:30,560

were they matched when it released and

39

00:01:33,830 --> 00:01:32,320

just a general overview of what you took

40

00:01:37,030 --> 00:01:33,840

from it

41

00:01:39,109 --> 00:01:37,040

um my expectations leading up to it were

42

00:01:40,710 --> 00:01:39,119

very low you know i made a whole video

43

00:01:42,149 --> 00:01:40,720

about worrying about

44

00:01:43,830 --> 00:01:42,159

the the report and thinking it might

45

00:01:45,270 --> 00:01:43,840

come out and become like the condon

46

00:01:45,990 --> 00:01:45,280

report again you know another take of

47

00:01:47,350 --> 00:01:46,000

that

48

00:01:49,990 --> 00:01:47,360

yeah and i was just trying to tell

49

00:01:51,190 --> 00:01:50,000

people like the message needs to be

50

00:01:52,789 --> 00:01:51,200

right or else

51
00:01:54,469 --> 00:01:52,799
we might not get the attention that we

52
00:01:57,990 --> 00:01:54,479
need and

53
00:01:59,990 --> 00:01:58,000
i think the message

54
00:02:01,190 --> 00:02:00,000
if you read it a few times and you

55
00:02:03,910 --> 00:02:01,200
really like

56
00:02:05,590 --> 00:02:03,920
piece it up piece it apart and think

57
00:02:08,389 --> 00:02:05,600
about what's being said in it

58
00:02:09,990 --> 00:02:08,399
it's important and it seems like a

59
00:02:11,029 --> 00:02:10,000
watered-down version of the world that

60
00:02:14,070 --> 00:02:11,039
we live in

61
00:02:15,430 --> 00:02:14,080
right i know people what did you think

62
00:02:20,229 --> 00:02:15,440
about the nine pages

63
00:02:21,430 --> 00:02:20,239

to be honest even leading up the week

64

00:02:22,869 --> 00:02:21,440

leading up so i heard that it was

65

00:02:23,830 --> 00:02:22,879

possibly even going to be as low as four

66

00:02:27,110 --> 00:02:23,840

pages

67

00:02:29,589 --> 00:02:27,120

so you know to get nice

68

00:02:30,949 --> 00:02:29,599

double definitely but i saw your tweet

69

00:02:33,750 --> 00:02:30,959

today and you made a great point you

70

00:02:35,750 --> 00:02:33,760

said uh i think it was your tweet

71

00:02:37,750 --> 00:02:35,760

i might have retweeted somebody else but

72

00:02:40,390 --> 00:02:37,760

yeah well what the tweet was

73

00:02:42,229 --> 00:02:40,400

if it was yours or not tweet was that

74

00:02:44,229 --> 00:02:42,239

it's actually like six pages

75

00:02:45,589 --> 00:02:44,239

and it's not nine and everyone's saying

76

00:02:46,790 --> 00:02:45,599

that it's nine but it's actually you

77

00:02:48,550 --> 00:02:46,800

know you got the title page and then you

78

00:02:52,949 --> 00:02:48,560

have two pages of appendix

79

00:02:56,150 --> 00:02:52,959

at the end which are nothing um so

80

00:02:58,790 --> 00:02:56,160

look yesterday i was on a

81

00:03:01,030 --> 00:02:58,800

what's called twitter space with uh on

82

00:03:02,869 --> 00:03:01,040

danny silva's twitter space and i said

83

00:03:05,270 --> 00:03:02,879

that to me it was almost like a book

84

00:03:08,790 --> 00:03:05,280

report from high school

85

00:03:09,990 --> 00:03:08,800

yeah and i said i've written longer book

86

00:03:11,670 --> 00:03:10,000

reports in high school

87

00:03:13,110 --> 00:03:11,680

and danny was like what book what book

88

00:03:15,110 --> 00:03:13,120

was it and i was like the catcher in the

89

00:03:18,390 --> 00:03:15,120

rye

90

00:03:20,390 --> 00:03:18,400

yeah um

91

00:03:21,430 --> 00:03:20,400

but i don't know what do you like what

92

00:03:24,390 --> 00:03:21,440

do you think do you think this is going

93

00:03:26,070 --> 00:03:24,400

to actually make the impact that we need

94

00:03:28,630 --> 00:03:26,080

what do you do i think it is going to

95

00:03:28,949 --> 00:03:28,640

lead to a task force being set up that

96

00:03:33,350 --> 00:03:28,959

is

97

00:03:35,910 --> 00:03:33,360

staffed correctly

98

00:03:37,350 --> 00:03:35,920

then it has more time it can get i mean

99

00:03:38,390 --> 00:03:37,360

i've got it up right in front of me now

100

00:03:40,309 --> 00:03:38,400

when it's talking about all the

101
00:03:41,830 --> 00:03:40,319
different agencies that they had access

102
00:03:43,670 --> 00:03:41,840
to

103
00:03:45,190 --> 00:03:43,680
we know we heard behind the scenes that

104
00:03:47,350 --> 00:03:45,200
they were getting stonewalled

105
00:03:48,710 --> 00:03:47,360
and in such a limited amount of time

106
00:03:50,550 --> 00:03:48,720
it's no surprise that there's very

107
00:03:53,270 --> 00:03:50,560
little data that's come out

108
00:03:54,949 --> 00:03:53,280
but if those if this new task force the

109
00:03:57,429 --> 00:03:54,959
permanent one that may get set up has

110
00:04:00,309 --> 00:03:57,439
access to the same

111
00:04:01,350 --> 00:04:00,319
agencies then it might be a different

112
00:04:03,270 --> 00:04:01,360
story a year

113
00:04:05,429 --> 00:04:03,280

two years down the line and i think

114

00:04:07,509 --> 00:04:05,439

that's a minimum time scale plus the

115

00:04:10,789 --> 00:04:07,519

possibility of congressional hearings

116

00:04:13,030 --> 00:04:10,799

that'll be a massive massive plus

117

00:04:15,030 --> 00:04:13,040

definitely definitely um there was one

118

00:04:17,030 --> 00:04:15,040

thing i was thinking about yesterday

119

00:04:18,870 --> 00:04:17,040

have you ever heard uh heard tom delong

120

00:04:20,550 --> 00:04:18,880

talk about the others

121

00:04:22,550 --> 00:04:20,560

yeah he says that they're actually

122

00:04:24,469 --> 00:04:22,560

called the others and

123

00:04:26,830 --> 00:04:24,479

yeah and they kind of like you know mess

124

00:04:29,749 --> 00:04:26,840

with our species and manipulate us and

125

00:04:31,909 --> 00:04:29,759

the uh term they use for

126
00:04:33,030 --> 00:04:31,919
the uap instead of saying i don't know

127
00:04:34,310 --> 00:04:33,040
unidentified

128
00:04:36,070 --> 00:04:34,320
you know there's a there's a term in

129
00:04:37,030 --> 00:04:36,080
there and it's other

130
00:04:39,749 --> 00:04:37,040
and i thought that was really

131
00:04:43,590 --> 00:04:41,749
because these days these days i don't

132
00:04:44,310 --> 00:04:43,600
even want to say extraterrestrial or

133
00:04:45,830 --> 00:04:44,320
anything because

134
00:04:48,230 --> 00:04:45,840
because we know it could be

135
00:04:49,430 --> 00:04:48,240
ultra-terrestrial or interdimensional so

136
00:04:52,230 --> 00:04:49,440
i just say

137
00:04:53,590 --> 00:04:52,240
unknowns that's my kind of go-to so i've

138
00:04:56,629 --> 00:04:53,600

had to switch it up a bit

139

00:04:58,629 --> 00:04:56,639

like you know i like that i like that

140

00:04:59,749 --> 00:04:58,639

it's smart it's a smart way to approach

141

00:05:02,469 --> 00:04:59,759

it definitely

142

00:05:03,830 --> 00:05:02,479

because i know people pick sorry go on

143

00:05:05,990 --> 00:05:03,840

no no no no

144

00:05:07,189 --> 00:05:06,000

say what you were going to say people

145

00:05:09,430 --> 00:05:07,199

will pick you apart

146

00:05:10,870 --> 00:05:09,440

based on the word you use so i have to

147

00:05:14,469 --> 00:05:10,880

be very careful about

148

00:05:17,749 --> 00:05:14,479

using broader terms 100

149

00:05:19,110 --> 00:05:17,759

and um you know when you really do look

150

00:05:21,270 --> 00:05:19,120

into this

151
00:05:23,029 --> 00:05:21,280
i think you are going to change back and

152
00:05:23,990 --> 00:05:23,039
forth trying to figure out what these

153
00:05:25,189 --> 00:05:24,000
things really are

154
00:05:27,189 --> 00:05:25,199
and you're always going to be thinking

155
00:05:28,550 --> 00:05:27,199
are they interdimensional are they are

156
00:05:29,670 --> 00:05:28,560
ultra-terrestrial are they

157
00:05:32,310 --> 00:05:29,680
extraterrestrial

158
00:05:33,749 --> 00:05:32,320
i've actually been leaning more to the

159
00:05:36,070 --> 00:05:33,759
side of like

160
00:05:37,830 --> 00:05:36,080
you know it seems like they've been here

161
00:05:39,590 --> 00:05:37,840
for a very very very long time

162
00:05:41,990 --> 00:05:39,600
interacting with our species

163
00:05:42,870 --> 00:05:42,000

and i think it's funny that we say alien

164

00:05:44,870 --> 00:05:42,880

uh

165

00:05:45,990 --> 00:05:44,880

i was saying i said this to my i said

166

00:05:47,590 --> 00:05:46,000

this is my mom

167

00:05:49,990 --> 00:05:47,600

i was saying she was asking me about the

168

00:05:51,670 --> 00:05:50,000

report we were talking and i said

169

00:05:53,110 --> 00:05:51,680

i think it's funny that people say alien

170

00:05:54,710 --> 00:05:53,120

for something that

171

00:05:56,710 --> 00:05:54,720

like how long do they have to be here

172

00:05:59,749 --> 00:05:56,720

until they're not alien anymore

173

00:06:04,070 --> 00:06:01,270

like it doesn't really make any sense

174

00:06:06,870 --> 00:06:04,080

it's like it seems more like

175

00:06:08,309 --> 00:06:06,880

they're just part of this world

176

00:06:09,749 --> 00:06:08,319

absolutely

177

00:06:11,430 --> 00:06:09,759

they could well have been here way

178

00:06:13,670 --> 00:06:11,440

before we were as well so

179

00:06:15,590 --> 00:06:13,680

you know if you say alien then maybe

180

00:06:17,830 --> 00:06:15,600

we're the aliens and

181

00:06:20,629 --> 00:06:17,840

yeah it's crazy isn't it when you really

182

00:06:22,629 --> 00:06:20,639

dig and think and

183

00:06:24,150 --> 00:06:22,639

try and wrap your head around it i think

184

00:06:25,029 --> 00:06:24,160

that's the most beautiful part of this

185

00:06:27,350 --> 00:06:25,039

whole thing

186

00:06:28,550 --> 00:06:27,360

is like philosophy like the philosophy

187

00:06:30,070 --> 00:06:28,560

and trying to figure it out

188

00:06:32,070 --> 00:06:30,080

and trying to understand what it's

189

00:06:33,430 --> 00:06:32,080

really about because we can talk all day

190

00:06:36,070 --> 00:06:33,440

about

191

00:06:37,510 --> 00:06:36,080

the craft you know people love to focus

192

00:06:38,870 --> 00:06:37,520

on the craft all the time and right now

193

00:06:39,189 --> 00:06:38,880

that's kind of where the conversation's

194

00:06:41,990 --> 00:06:39,199

at

195

00:06:43,029 --> 00:06:42,000

you know yeah um people are afraid to

196

00:06:45,990 --> 00:06:43,039

talk about

197

00:06:48,150 --> 00:06:46,000

experiences or abductees or when people

198

00:06:50,390 --> 00:06:48,160

see the beings or

199

00:06:51,749 --> 00:06:50,400

uh just anything outside of the content

200

00:06:53,270 --> 00:06:51,759

anything

201
00:06:55,589 --> 00:06:53,280
outside of the context we've been

202
00:06:56,790 --> 00:06:55,599
presented with for the last few months

203
00:06:58,710 --> 00:06:56,800
it's kind of like you have to walk a

204
00:07:01,749 --> 00:06:58,720
line you have to be careful

205
00:07:03,189 --> 00:07:01,759
what you say yeah definitely man

206
00:07:04,950 --> 00:07:03,199
and i've heard a lot of talk and a lot

207
00:07:05,830 --> 00:07:04,960
of people who are complaining a little

208
00:07:07,350 --> 00:07:05,840
bit saying

209
00:07:08,710 --> 00:07:07,360
well why do they bother just talking to

210
00:07:10,550 --> 00:07:08,720
the military why don't they go and speak

211
00:07:11,589 --> 00:07:10,560
to the millions of witnesses out there

212
00:07:13,350 --> 00:07:11,599
and i mean

213
00:07:16,469 --> 00:07:13,360

you kind of just have to explain that

214

00:07:18,629 --> 00:07:16,479

it's trained observers in that whole

215

00:07:19,990 --> 00:07:18,639

narrative which is fine and we're not

216

00:07:21,270 --> 00:07:20,000

saying that or

217

00:07:23,189 --> 00:07:21,280

i don't think the government is saying

218

00:07:23,830 --> 00:07:23,199

they don't want to listen to them people

219

00:07:26,390 --> 00:07:23,840

but yeah

220

00:07:26,950 --> 00:07:26,400

step by step i mean oh definitely step

221

00:07:30,790 --> 00:07:26,960

by step

222

00:07:32,390 --> 00:07:30,800

a lot of us have taken leaps

223

00:07:34,150 --> 00:07:32,400

and bounds and we're sitting here like

224

00:07:36,070 --> 00:07:34,160

that's why the nine-page report for some

225

00:07:37,110 --> 00:07:36,080

people was a complete letdown

226

00:07:38,390 --> 00:07:37,120

because they were thinking i don't know

227

00:07:39,110 --> 00:07:38,400

they were going to see alien bodies in

228

00:07:42,390 --> 00:07:39,120

it or

229

00:07:42,950 --> 00:07:42,400

yeah yeah and i i was when has a

230

00:07:46,070 --> 00:07:42,960

government

231

00:07:49,990 --> 00:07:48,469

open with its people that's something

232

00:07:53,189 --> 00:07:50,000

you should never forget

233

00:07:55,589 --> 00:07:53,199

you know people there's a lot of it's

234

00:07:56,869 --> 00:07:55,599

strange it's like i don't know if this

235

00:07:57,990 --> 00:07:56,879

happened to you or how long you've been

236

00:08:00,550 --> 00:07:58,000

looking into this topic

237

00:08:01,670 --> 00:08:00,560

but when i was younger the government

238

00:08:03,430 --> 00:08:01,680

was like the bad guy

239

00:08:05,670 --> 00:08:03,440

you know it was like they kept all the

240

00:08:08,550 --> 00:08:05,680

secrets they don't trust them you know

241

00:08:08,790 --> 00:08:08,560

then you had people like richard doughy

242

00:08:13,110 --> 00:08:08,800

and

243

00:08:15,589 --> 00:08:13,120

because he's still around

244

00:08:17,909 --> 00:08:15,599

yeah ah man that's another conversation

245

00:08:20,950 --> 00:08:17,919

we'll maybe get to it in a little while

246

00:08:21,589 --> 00:08:20,960

yeah um i don't know if you felt that

247

00:08:25,749 --> 00:08:21,599

way but

248

00:08:28,790 --> 00:08:25,759

for me like i had to let

249

00:08:30,790 --> 00:08:28,800

chris mellon and just this this aspect

250

00:08:33,269 --> 00:08:30,800

of this story kind of i had to like

251
00:08:34,550 --> 00:08:33,279
sit on it and think on it and see where

252
00:08:35,750 --> 00:08:34,560
they were coming from before i could

253
00:08:37,990 --> 00:08:35,760
actually invest myself

254
00:08:40,149 --> 00:08:38,000
in what they were saying oh absolutely

255
00:08:42,550 --> 00:08:40,159
man i think from that first tsa press

256
00:08:44,230 --> 00:08:42,560
conference in october of 2017 when i saw

257
00:08:45,910 --> 00:08:44,240
them all stand up on stage and you

258
00:08:48,389 --> 00:08:45,920
you got to see the different names and

259
00:08:48,949 --> 00:08:48,399
who they are from that day on i was

260
00:08:50,470 --> 00:08:48,959
watching

261
00:08:52,710 --> 00:08:50,480
everything and as much as i could of

262
00:08:53,990 --> 00:08:52,720
them i think lou did a i think it was a

263
00:08:55,190 --> 00:08:54,000

move on

264

00:08:57,829 --> 00:08:55,200

talk and it was probably one of his

265

00:08:59,829 --> 00:08:57,839

first talks on stage

266

00:09:02,870 --> 00:08:59,839

and it really gave me hope and i was

267

00:09:04,949 --> 00:09:02,880

like this guy better be the real deal

268

00:09:07,430 --> 00:09:04,959

and it turned out to me that in my

269

00:09:09,350 --> 00:09:07,440

opinion he is the real deal

270

00:09:10,630 --> 00:09:09,360

me too you know i think he is a real

271

00:09:11,829 --> 00:09:10,640

deal and i think we're lucky to have

272

00:09:13,509 --> 00:09:11,839

somebody is

273

00:09:15,269 --> 00:09:13,519

with that kind of mindset and that kind

274

00:09:16,710 --> 00:09:15,279

of background and training

275

00:09:18,150 --> 00:09:16,720

because he's going in to get the job

276

00:09:18,949 --> 00:09:18,160

done you know he's kind of like an

277

00:09:22,150 --> 00:09:18,959

action hero

278

00:09:23,829 --> 00:09:22,160

he's the guy that's uh he's he's

279

00:09:25,670 --> 00:09:23,839

kicking down doors and taking names he's

280

00:09:28,870 --> 00:09:25,680

not like

281

00:09:30,470 --> 00:09:28,880

you know he's not sitting back it's talk

282

00:09:33,829 --> 00:09:30,480

and action

283

00:09:36,790 --> 00:09:33,839

totally 100 um

284

00:09:38,470 --> 00:09:36,800

but the report i gotta say i think it

285

00:09:41,030 --> 00:09:38,480

was good and i think i agree with you

286

00:09:42,630 --> 00:09:41,040

where i think now they're gonna get more

287

00:09:46,230 --> 00:09:42,640

funding and they're gonna

288

00:09:47,430 --> 00:09:46,240

focus a little bit more on this topic um

289

00:09:49,590 --> 00:09:47,440

there were so many parts of the report

290

00:09:52,230 --> 00:09:49,600

that were kind of crazy like the

291

00:09:53,509 --> 00:09:52,240

uh they talk about if i'm not mistaken i

292

00:09:57,670 --> 00:09:53,519

actually have it open too

293

00:10:00,230 --> 00:09:57,680

cool i was gonna say they talk about uh

294

00:10:01,590 --> 00:10:00,240

was it balloons at one point like as uh

295

00:10:03,750 --> 00:10:01,600

yeah

296

00:10:05,030 --> 00:10:03,760

as an explanation and i was like i can't

297

00:10:07,030 --> 00:10:05,040

believe this man like

298

00:10:08,630 --> 00:10:07,040

they're again with the balloons they

299

00:10:11,509 --> 00:10:08,640

don't stop with these balloons

300

00:10:13,590 --> 00:10:11,519

i know it's just a continuous thing and

301
00:10:15,750 --> 00:10:13,600
the funny part is

302
00:10:16,870 --> 00:10:15,760
like i think a lot of the time i

303
00:10:20,550 --> 00:10:16,880
understand that

304
00:10:27,990 --> 00:10:23,750
it's not always ufos it's not always

305
00:10:29,509 --> 00:10:28,000
what we think it is but i think that um

306
00:10:30,870 --> 00:10:29,519
you know the drone conversation these

307
00:10:31,590 --> 00:10:30,880
kinds of conversations that people have

308
00:10:33,430 --> 00:10:31,600
i'm like

309
00:10:34,949 --> 00:10:33,440
most of the time you know it's a drone i

310
00:10:35,910 --> 00:10:34,959
mean if you've ever seen a drone in the

311
00:10:37,190 --> 00:10:35,920
sky

312
00:10:39,030 --> 00:10:37,200
you know it's a drone if you see a

313
00:10:42,550 --> 00:10:39,040

balloon you kind of know it's a balloon

314

00:10:44,829 --> 00:10:42,560

yeah um especially for trained observers

315

00:10:46,310 --> 00:10:44,839

that's the part that really gets me

316

00:10:48,150 --> 00:10:46,320

absolutely

317

00:10:50,389 --> 00:10:48,160

and that that just actually that's some

318

00:10:51,590 --> 00:10:50,399

pops something just popped into my head

319

00:10:54,150 --> 00:10:51,600

and

320

00:10:56,389 --> 00:10:54,160

it was uh when mick west appeared on the

321

00:10:59,110 --> 00:10:56,399

unidentified celebrity review because i

322

00:11:00,790 --> 00:10:59,120

was in the comments i kept seeing you

323

00:11:02,550 --> 00:11:00,800

in as well i wanted to talk to you about

324

00:11:03,910 --> 00:11:02,560

that as well not just mick west but the

325

00:11:05,110 --> 00:11:03,920

whole debunking and

326

00:11:07,590 --> 00:11:05,120

trying to stick to that balloon

327

00:11:09,990 --> 00:11:07,600

narrative it's it's yeah

328

00:11:11,190 --> 00:11:10,000

it's frustrating uh that day i was

329

00:11:13,030 --> 00:11:11,200

actually having a bad day

330

00:11:15,509 --> 00:11:13,040

and i went into the you know i told the

331

00:11:17,430 --> 00:11:15,519

guys after i said hey sorry i was

332

00:11:19,110 --> 00:11:17,440

reacting that way in the chat i was just

333

00:11:20,710 --> 00:11:19,120

i had a bad day and then i saw mick west

334

00:11:22,230 --> 00:11:20,720

and i got to say

335

00:11:24,470 --> 00:11:22,240

i got triggered by mick west and i'm a

336

00:11:26,470 --> 00:11:24,480

cool guy i'm a collective guy

337

00:11:28,710 --> 00:11:26,480

and that day i was just not feeling it

338

00:11:29,910 --> 00:11:28,720

it's just because you know i saw him on

339

00:11:31,430 --> 00:11:29,920

cnn

340

00:11:33,990 --> 00:11:31,440

and i'm like i can't believe this guy's

341

00:11:37,269 --> 00:11:34,000

on cnn look what we've created

342

00:11:38,630 --> 00:11:37,279

we created a monster yeah

343

00:11:40,389 --> 00:11:38,640

it's definitely like i don't know if you

344

00:11:41,829 --> 00:11:40,399

get this take but i understand that

345

00:11:43,990 --> 00:11:41,839

people want to have

346

00:11:46,069 --> 00:11:44,000

all possibilities on the table and

347

00:11:48,389 --> 00:11:46,079

discussion is always good

348

00:11:49,750 --> 00:11:48,399

but being a blind skeptic is dangerous

349

00:11:50,470 --> 00:11:49,760

just like being a blind believer is

350

00:11:54,710 --> 00:11:50,480

dangerous

351

00:11:56,710 --> 00:11:54,720

right yeah and for me mick west is

352

00:11:58,230 --> 00:11:56,720

not blind he's like has no eyes you know

353

00:12:00,710 --> 00:11:58,240

he's like

354

00:12:02,310 --> 00:12:00,720

he's just sitting there he just he for

355

00:12:04,069 --> 00:12:02,320

me hasn't debunked anything

356

00:12:06,470 --> 00:12:04,079

no he's in here because he just

357

00:12:08,870 --> 00:12:06,480

continues he uses

358

00:12:10,470 --> 00:12:08,880

that bit of data that fits his narrative

359

00:12:11,829 --> 00:12:10,480

and then eliminates all the rest or kind

360

00:12:16,710 --> 00:12:11,839

of hides it

361

00:12:18,230 --> 00:12:16,720

away 100 i completely agree with you man

362

00:12:19,829 --> 00:12:18,240

so i i don't think i'll ever bring him

363

00:12:20,230 --> 00:12:19,839

on my channel just because i feel like

364

00:12:23,110 --> 00:12:20,240

he's

365

00:12:24,470 --> 00:12:23,120

he has enough voices out there you know

366

00:12:27,990 --> 00:12:24,480

uh help helping his

367

00:12:30,470 --> 00:12:28,000

his his point of view get out and

368

00:12:31,269 --> 00:12:30,480

i don't want to sound like somebody that

369

00:12:32,550 --> 00:12:31,279

thinks that

370

00:12:33,990 --> 00:12:32,560

you know not everybody's point of view

371

00:12:35,670 --> 00:12:34,000

should be listened to but he's become a

372

00:12:37,430 --> 00:12:35,680

very powerful voice in the community

373

00:12:40,790 --> 00:12:37,440

like people

374

00:12:42,949 --> 00:12:40,800

they always bring up make west right yes

375

00:12:44,629 --> 00:12:42,959

that day i was just kind of like oh my

376

00:12:46,470 --> 00:12:44,639

god like i'm so over this guy

377

00:12:47,990 --> 00:12:46,480

like i'm so done with and he made he

378

00:12:48,710 --> 00:12:48,000

made one of my favorite video games of

379

00:12:51,030 --> 00:12:48,720

all time

380

00:12:51,750 --> 00:12:51,040

now he helped make it like yeah i never

381

00:12:54,069 --> 00:12:51,760

thought that

382

00:12:56,389 --> 00:12:54,079

the person that created that video game

383

00:12:57,990 --> 00:12:56,399

would ever be on my like

384

00:12:59,990 --> 00:12:58,000

you know on my list of people that i

385

00:13:01,910 --> 00:13:00,000

don't want to talk to

386

00:13:03,829 --> 00:13:01,920

but this is always i think funny as well

387

00:13:05,750 --> 00:13:03,839

as i just want to say to him

388

00:13:07,670 --> 00:13:05,760

dude there were glitches in tony hawk

389

00:13:09,269 --> 00:13:07,680

pro's gator that wasn't perfect

390

00:13:11,350 --> 00:13:09,279

you know there were tricks missing that

391

00:13:13,829 --> 00:13:11,360

should have been in there god damn it

392

00:13:16,389 --> 00:13:13,839

but definitely i could pull him apart he

393

00:13:17,990 --> 00:13:16,399

can pull us apart we can pull him apart

394

00:13:19,590 --> 00:13:18,000

the dangerous part definitely the

395

00:13:20,069 --> 00:13:19,600

dangerous part about mick west and a lot

396

00:13:21,430 --> 00:13:20,079

of people

397

00:13:23,590 --> 00:13:21,440

in this community is there are a lot of

398

00:13:26,069 --> 00:13:23,600

brilliant minds in this community

399

00:13:27,430 --> 00:13:26,079

and i look i'm a chill dude you got

400

00:13:28,870 --> 00:13:27,440

venice in the background

401
00:13:30,470 --> 00:13:28,880
i don't know if i'm a brilliant mind or

402
00:13:32,790 --> 00:13:30,480
not you know i can't have

403
00:13:33,590 --> 00:13:32,800
conversations about quantum physics or

404
00:13:35,350 --> 00:13:33,600
sure yeah

405
00:13:36,790 --> 00:13:35,360
i can have basic ones we can talk about

406
00:13:38,389 --> 00:13:36,800
a little bit but i can't break it down

407
00:13:41,350 --> 00:13:38,399
for you like

408
00:13:42,949 --> 00:13:41,360
and make west is one of those dangerous

409
00:13:45,350 --> 00:13:42,959
minds you know

410
00:13:47,350 --> 00:13:45,360
it's like uh i don't know if you

411
00:13:50,389 --> 00:13:47,360
remember like back in high school

412
00:13:51,670 --> 00:13:50,399
i was kind of like uh one of the you

413
00:13:53,750 --> 00:13:51,680

know freaks and geeks

414

00:13:55,189 --> 00:13:53,760

you know yeah if i if i wanted to be

415

00:13:56,470 --> 00:13:55,199

cool i could be cool but i didn't like

416

00:13:57,670 --> 00:13:56,480

the cool kids too much because they were

417

00:13:58,870 --> 00:13:57,680

always kind of you know messing with

418

00:14:00,389 --> 00:13:58,880

everybody and

419

00:14:02,470 --> 00:14:00,399

i mean like the sports jocks and that

420

00:14:04,069 --> 00:14:02,480

kind of thing yeah and i thought they

421

00:14:06,550 --> 00:14:04,079

were just a bunch of jerks you know

422

00:14:08,550 --> 00:14:06,560

um so then i would like stand up

423

00:14:10,310 --> 00:14:08,560

sometimes for like

424

00:14:11,670 --> 00:14:10,320

somebody that's getting picked on or i

425

00:14:12,870 --> 00:14:11,680

try to become friends with them because

426

00:14:13,430 --> 00:14:12,880

they were alone eating alone or

427

00:14:15,829 --> 00:14:13,440

something

428

00:14:16,550 --> 00:14:15,839

yeah sometimes you'd do that and it

429

00:14:19,910 --> 00:14:16,560

would be this

430

00:14:20,790 --> 00:14:19,920

smart brilliant kid and he was just as

431

00:14:25,030 --> 00:14:20,800

much

432

00:14:26,949 --> 00:14:25,040

of a jerk as the jock and you were like

433

00:14:28,230 --> 00:14:26,959

and you were just like wow man i thought

434

00:14:29,269 --> 00:14:28,240

you know i came over here to eat with

435

00:14:33,990 --> 00:14:29,279

you

436

00:14:35,910 --> 00:14:34,000

and uh i guess i'm gonna leave now but

437

00:14:37,750 --> 00:14:35,920

you know i i've met a lot of brilliant

438

00:14:39,750 --> 00:14:37,760

people that

439

00:14:41,110 --> 00:14:39,760

are pretty dumb at the end of the day

440

00:14:43,509 --> 00:14:41,120

you know uh

441

00:14:44,470 --> 00:14:43,519

so i don't want to call mick west dumb

442

00:14:45,910 --> 00:14:44,480

but you know

443

00:14:47,350 --> 00:14:45,920

i get what you're trying to say no i'm

444

00:14:47,910 --> 00:14:47,360

fully i fully get what you're trying to

445

00:14:50,389 --> 00:14:47,920

say

446

00:14:52,389 --> 00:14:50,399

um yeah i mean i think we know as well

447

00:14:54,150 --> 00:14:52,399

that mick west

448

00:14:55,990 --> 00:14:54,160

i i don't have a problem with debunkers

449

00:14:58,069 --> 00:14:56,000

as as a general rule

450

00:14:59,990 --> 00:14:58,079

they make us work harder or other people

451
00:15:01,670 --> 00:15:00,000
that are researching the same things but

452
00:15:04,629 --> 00:15:01,680
i think mick west

453
00:15:05,670 --> 00:15:04,639
he's become something more he he plays

454
00:15:08,550 --> 00:15:05,680
on it a bit for me

455
00:15:10,150 --> 00:15:08,560
and i think he really likes testing

456
00:15:13,030 --> 00:15:10,160
people on ufo twitter

457
00:15:13,350 --> 00:15:13,040
especially because he always does seem

458
00:15:14,790 --> 00:15:13,360
to

459
00:15:17,350 --> 00:15:14,800
calm and i think he just sees other

460
00:15:19,030 --> 00:15:17,360
people getting riled up and heated

461
00:15:20,389 --> 00:15:19,040
and he yeah yeah i just think it's a

462
00:15:23,910 --> 00:15:20,399
ploy

463
00:15:24,389 --> 00:15:23,920

and he's got some hardcore uh fans you

464

00:15:25,829 --> 00:15:24,399

know

465

00:15:27,670 --> 00:15:25,839

that are just like at the moment you say

466

00:15:29,030 --> 00:15:27,680

make west they start popping up

467

00:15:31,590 --> 00:15:29,040

and they start popping up and i'm sure

468

00:15:34,710 --> 00:15:31,600

i've lost subscribers or

469

00:15:35,430 --> 00:15:34,720

followers or whatever yeah or contacts

470

00:15:39,030 --> 00:15:35,440

because

471

00:15:41,990 --> 00:15:39,040

conversation but

472

00:15:42,949 --> 00:15:42,000

it's fine you know just personally it's

473

00:15:44,310 --> 00:15:42,959

like

474

00:15:46,870 --> 00:15:44,320

you can pick to have certain people in

475

00:15:48,710 --> 00:15:46,880

your circle and you don't and for me

476

00:15:49,990 --> 00:15:48,720

i wouldn't have that that in my circle

477

00:15:50,389 --> 00:15:50,000

it would just drive me nuts it would

478

00:15:52,389 --> 00:15:50,399

just be

479

00:15:53,509 --> 00:15:52,399

too it's too much i understand like you

480

00:15:55,990 --> 00:15:53,519

said debunking

481

00:15:56,949 --> 00:15:56,000

is very useful because it helps i'm i'm

482

00:15:59,189 --> 00:15:56,959

so down

483

00:16:00,310 --> 00:15:59,199

for people debunking stuff even if i

484

00:16:01,590 --> 00:16:00,320

post something and i'm like hey what do

485

00:16:03,910 --> 00:16:01,600

you guys think and somebody goes

486

00:16:05,670 --> 00:16:03,920

that is proven this way and this is

487

00:16:07,910 --> 00:16:05,680

wrong and this is what it is boom

488

00:16:09,030 --> 00:16:07,920

if they can do it and show it to me i'm

489

00:16:10,949 --> 00:16:09,040

all good high five

490

00:16:12,230 --> 00:16:10,959

them thank you man let's throw that in

491

00:16:12,870 --> 00:16:12,240

the garbage you know let's get rid of

492

00:16:15,670 --> 00:16:12,880

that

493

00:16:17,030 --> 00:16:15,680

let's look at something else um

494

00:16:20,310 --> 00:16:17,040

sometimes we're wrong

495

00:16:23,430 --> 00:16:20,320

i mean i would say i'm wrong

496

00:16:25,350 --> 00:16:23,440

like uh i i'm a normal person

497

00:16:26,870 --> 00:16:25,360

like i make mistakes i have bad

498

00:16:28,870 --> 00:16:26,880

judgments sometimes

499

00:16:31,430 --> 00:16:28,880

yeah i think it's people just like to

500

00:16:33,030 --> 00:16:31,440

pull ufo

501
00:16:34,470 --> 00:16:33,040
i was gonna say researchers but everyone

502
00:16:35,749 --> 00:16:34,480
in the field of ufology they say

503
00:16:38,949 --> 00:16:35,759
something wrong like it

504
00:16:40,790 --> 00:16:38,959
they're like you know they zone in

505
00:16:43,350 --> 00:16:40,800
yeah they get you man they go for the

506
00:16:45,670 --> 00:16:43,360
jugular straight away

507
00:16:47,269 --> 00:16:45,680
um definitely you you must know what

508
00:16:49,269 --> 00:16:47,279
that's like too because

509
00:16:50,949 --> 00:16:49,279
any of us on social media we totally get

510
00:16:53,990 --> 00:16:50,959
it you know

511
00:16:55,749 --> 00:16:54,000
um every single day every day yeah you

512
00:16:57,269 --> 00:16:55,759
get a comment you get a message you get

513
00:17:00,629 --> 00:16:57,279

a weird dm

514

00:17:04,150 --> 00:17:00,639

you get uh some crazy dm sometimes

515

00:17:08,309 --> 00:17:04,160

um so

516

00:17:10,470 --> 00:17:08,319

yeah man i would say ignore the trolls

517

00:17:12,309 --> 00:17:10,480

the best you can don't let them get to

518

00:17:15,429 --> 00:17:12,319

you you know

519

00:17:17,270 --> 00:17:15,439

absolutely everyone listening to this

520

00:17:19,189 --> 00:17:17,280

right now please

521

00:17:21,669 --> 00:17:19,199

this is a service announcement from the

522

00:17:24,230 --> 00:17:21,679

gaucho ignore the trolls

523

00:17:25,270 --> 00:17:24,240

ignore them don't let them get to you

524

00:17:26,949 --> 00:17:25,280

because they will

525

00:17:29,350 --> 00:17:26,959

yeah they will and there's people that

526

00:17:31,510 --> 00:17:29,360

will like um

527

00:17:32,870 --> 00:17:31,520

they'll like troll you without even

528

00:17:33,909 --> 00:17:32,880

without you even realizing that they're

529

00:17:35,190 --> 00:17:33,919

trolling you

530

00:17:36,310 --> 00:17:35,200

and they and they're cracking up and

531

00:17:37,270 --> 00:17:36,320

there for them it's the funniest thing

532

00:17:39,270 --> 00:17:37,280

in the world

533

00:17:41,029 --> 00:17:39,280

i don't know i don't troll anybody

534

00:17:43,350 --> 00:17:41,039

really no

535

00:17:45,350 --> 00:17:43,360

i don't get it i don't get it either i

536

00:17:48,310 --> 00:17:45,360

don't have time for that like

537

00:17:49,750 --> 00:17:48,320

it's a waste of time yeah i mean i'm all

538

00:17:50,150 --> 00:17:49,760

for disagreeing with someone but i

539

00:17:52,470 --> 00:17:50,160

always

540

00:17:53,669 --> 00:17:52,480

when i say this to all my my colleagues

541

00:17:56,789 --> 00:17:53,679

across

542

00:17:59,110 --> 00:17:56,799

twitter and especially instagram is that

543

00:18:00,310 --> 00:17:59,120

it's totally okay to have differences of

544

00:18:02,789 --> 00:18:00,320

opinion

545

00:18:03,590 --> 00:18:02,799

completely different views on uap and

546

00:18:07,510 --> 00:18:03,600

anything else

547

00:18:08,230 --> 00:18:07,520

life in general but you've always got to

548

00:18:11,029 --> 00:18:08,240

maintain

549

00:18:12,230 --> 00:18:11,039

a level of maturity of respect and of

550

00:18:14,390 --> 00:18:12,240

class

551
00:18:15,830 --> 00:18:14,400
and if if you don't then you're just

552
00:18:16,950 --> 00:18:15,840
going to make yourself look like a fool

553
00:18:17,990 --> 00:18:16,960
it's not necessarily then about what

554
00:18:19,430 --> 00:18:18,000
you're saying it's about

555
00:18:21,430 --> 00:18:19,440
how you're saying it how you're coming

556
00:18:23,750 --> 00:18:21,440
across i'm i'm not

557
00:18:24,950 --> 00:18:23,760
i'm not down for that kind of thing and

558
00:18:26,710 --> 00:18:24,960
that's a great

559
00:18:28,390 --> 00:18:26,720
that's great advice definitely the

560
00:18:29,590 --> 00:18:28,400
especially the class part

561
00:18:31,029 --> 00:18:29,600
because at the end of the day that's

562
00:18:32,710 --> 00:18:31,039
what you need you know it's because

563
00:18:33,190 --> 00:18:32,720

we're all we're all after the same thing

564

00:18:35,190 --> 00:18:33,200

and that's

565

00:18:36,710 --> 00:18:35,200

that's kind of if we get we have to

566

00:18:38,789 --> 00:18:36,720

split out and then come together at a

567

00:18:41,430 --> 00:18:38,799

later time in in the future when

568

00:18:43,590 --> 00:18:41,440

we get more information that middle bit

569

00:18:45,990 --> 00:18:43,600

where we're all separated a bit

570

00:18:47,350 --> 00:18:46,000

doesn't mean it has to be dicks no

571

00:18:51,110 --> 00:18:47,360

that's totally true you know you know

572

00:18:54,310 --> 00:18:51,990

i don't know if you've been thinking

573

00:18:55,909 --> 00:18:54,320

about this but like everyone keeps

574

00:18:57,590 --> 00:18:55,919

saying like so what about ufo like in

575

00:18:58,950 --> 00:18:57,600

the media they're like so the ufos

576

00:19:00,470 --> 00:18:58,960

is it real and the government's

577

00:19:01,350 --> 00:19:00,480

basically like glue keeps saying this

578

00:19:04,310 --> 00:19:01,360

the government

579

00:19:06,310 --> 00:19:04,320

has already confirmed that uap are real

580

00:19:07,430 --> 00:19:06,320

yes now what they are that's the second

581

00:19:09,909 --> 00:19:07,440

question

582

00:19:11,510 --> 00:19:09,919

so everyone's waiting for the ua the uap

583

00:19:14,390 --> 00:19:11,520

report

584

00:19:15,990 --> 00:19:14,400

to prove to them that maybe they have i

585

00:19:18,470 --> 00:19:16,000

guess crash craft or

586

00:19:19,190 --> 00:19:18,480

alien bodies or whatever but ufos are

587

00:19:21,590 --> 00:19:19,200

real guys

588

00:19:23,669 --> 00:19:21,600

like we're in a whole new ballpark i

589

00:19:26,789 --> 00:19:23,679

never thought i'd see this or live

590

00:19:30,390 --> 00:19:26,799

through this you know um

591

00:19:32,870 --> 00:19:30,400

i don't know what do you think like

592

00:19:33,669 --> 00:19:32,880

my mind completely changed over the last

593

00:19:37,430 --> 00:19:33,679

few years

594

00:19:38,710 --> 00:19:37,440

yeah 100 percent man probably the last

595

00:19:40,710 --> 00:19:38,720

well probably i mean we can all say

596

00:19:43,750 --> 00:19:40,720

since 2017 it's changed

597

00:19:45,190 --> 00:19:43,760

the paradigm the way we look at it and

598

00:19:48,310 --> 00:19:45,200

then i think the confirmation

599

00:19:50,150 --> 00:19:48,320

came or started really coming thick and

600

00:19:52,070 --> 00:19:50,160

hard when the pentacon were confirming

601
00:19:53,750 --> 00:19:52,080
that these videos were real and

602
00:19:55,590 --> 00:19:53,760
that they were there as they verified

603
00:19:57,190 --> 00:19:55,600
them that it came from navy systems that

604
00:19:59,669 --> 00:19:57,200
added a lot of clout

605
00:20:01,270 --> 00:19:59,679
to the subject and then i think leading

606
00:20:01,909 --> 00:20:01,280
up to this report these past six months

607
00:20:05,990 --> 00:20:01,919
has

608
00:20:07,110 --> 00:20:06,000
lot of people

609
00:20:08,630 --> 00:20:07,120
but then you get the people that were

610
00:20:09,909 --> 00:20:08,640
like well i knew it's i've known it's

611
00:20:12,950 --> 00:20:09,919
real for

612
00:20:16,230 --> 00:20:12,960
10 20 years now yeah

613
00:20:17,110 --> 00:20:16,240

i get that i do and i've read enough

614

00:20:19,270 --> 00:20:17,120

things in the past

615

00:20:20,310 --> 00:20:19,280

10 15 years for me to pretty much go

616

00:20:23,430 --> 00:20:20,320

yeah it's real

617

00:20:25,909 --> 00:20:23,440

i i but i'll never quite go

618

00:20:27,110 --> 00:20:25,919

as far as saying yeah it's real because

619

00:20:28,710 --> 00:20:27,120

as soon as someone says well

620

00:20:30,470 --> 00:20:28,720

show me the evidence and proof i'll be

621

00:20:31,669 --> 00:20:30,480

like

622

00:20:34,070 --> 00:20:31,679

there's the odd bit here in this

623

00:20:36,950 --> 00:20:34,080

document and the odd bit here and

624

00:20:38,470 --> 00:20:36,960

you know it's it's not as simple as that

625

00:20:40,149 --> 00:20:38,480

no it's not as simple as that

626

00:20:42,870 --> 00:20:40,159

and that's the difficult part yeah

627

00:20:45,110 --> 00:20:42,880

that's why looking into ufos is not easy

628

00:20:46,950 --> 00:20:45,120

talking about this topic is not easy

629

00:20:47,590 --> 00:20:46,960

interacting with people on it is not

630

00:20:49,270 --> 00:20:47,600

easy

631

00:20:50,950 --> 00:20:49,280

sometimes i wonder like why didn't i

632

00:20:53,830 --> 00:20:50,960

make up i don't get

633

00:20:54,470 --> 00:20:53,840

into cooking or something like that you

634

00:20:56,870 --> 00:20:54,480

know

635

00:20:58,310 --> 00:20:56,880

or i could just like grab a recipe and

636

00:20:58,789 --> 00:20:58,320

follow the recipe and everything will be

637

00:21:01,990 --> 00:20:58,799

fine

638

00:21:03,830 --> 00:21:02,000

yeah yeah but this is a

639

00:21:06,310 --> 00:21:03,840

this is a game of chess constant game of

640

00:21:09,029 --> 00:21:06,320

chess and the more you look

641

00:21:10,310 --> 00:21:09,039

the deeper you get right i don't know if

642

00:21:12,470 --> 00:21:10,320

you get that experience i'll have

643

00:21:14,470 --> 00:21:12,480

moments where it's like

644

00:21:15,990 --> 00:21:14,480

i don't know a weekend where i'm just

645

00:21:19,350 --> 00:21:16,000

like i clock out

646

00:21:22,789 --> 00:21:19,360

of work and i'm just i think friday

647

00:21:24,070 --> 00:21:22,799

until sunday like 24 7 doom doom doom

648

00:21:26,630 --> 00:21:24,080

doom looking at cases looking at

649

00:21:28,070 --> 00:21:26,640

pictures looking at photos and my videos

650

00:21:29,909 --> 00:21:28,080

and i'm like my wife's like what are you

651
00:21:31,110 --> 00:21:29,919
doing i'm like i'm researching or i'm

652
00:21:32,870 --> 00:21:31,120
trying to figure this out or i'm looking

653
00:21:34,470 --> 00:21:32,880
at this i'm going to do this and i'm

654
00:21:35,909 --> 00:21:34,480
it's constant it never stops because

655
00:21:37,510 --> 00:21:35,919
there's no

656
00:21:39,669 --> 00:21:37,520
answer yet we don't have the full answer

657
00:21:42,149 --> 00:21:39,679
yet does not and also i

658
00:21:44,870 --> 00:21:42,159
i find that the minute i step away for

659
00:21:47,830 --> 00:21:44,880
half an hour an hour a few hours

660
00:21:49,190 --> 00:21:47,840
you forget you lose your flow and that

661
00:21:50,310 --> 00:21:49,200
man it's almost like you start from

662
00:21:52,070 --> 00:21:50,320
scratch again even though you've been

663
00:21:54,950 --> 00:21:52,080

doing it for two hours or whatever it's

664

00:21:55,590 --> 00:21:54,960

it's oh it's crazy man oh it totally

665

00:21:58,950 --> 00:21:55,600

happens

666

00:22:00,630 --> 00:21:58,960

yeah i'm actually horrible uh with cases

667

00:22:00,950 --> 00:22:00,640

like if you ask me like when was that

668

00:22:02,630 --> 00:22:00,960

what

669

00:22:04,470 --> 00:22:02,640

was the date of this case oh man i'm

670

00:22:06,070 --> 00:22:04,480

terrible i'm terrible i'm not like

671

00:22:07,669 --> 00:22:06,080

richard dolan that's why

672

00:22:09,990 --> 00:22:07,679

i think he's so awesome you know those

673

00:22:12,310 --> 00:22:10,000

kinds of researchers i can pull

674

00:22:13,909 --> 00:22:12,320

that just have the information stored

675

00:22:16,789 --> 00:22:13,919

it's like

676

00:22:17,830 --> 00:22:16,799

i i think they are a valuable resource

677

00:22:18,789 --> 00:22:17,840

and we're going to lose it it's because

678

00:22:21,029 --> 00:22:18,799

we have short memory

679

00:22:22,789 --> 00:22:21,039

we're a different generation yeah and we

680

00:22:25,669 --> 00:22:22,799

have short memory spans so you

681

00:22:25,990 --> 00:22:25,679

when you log when you step away you like

682

00:22:28,870 --> 00:22:26,000

actually

683

00:22:30,630 --> 00:22:28,880

step away like you i don't know you go

684

00:22:31,750 --> 00:22:30,640

on instagram or you go outside you go

685

00:22:33,590 --> 00:22:31,760

skateboarding you go eat

686

00:22:35,430 --> 00:22:33,600

you go do something and you completely

687

00:22:37,750 --> 00:22:35,440

disconnect and then you come back

688

00:22:39,510 --> 00:22:37,760

you log on and you're right you're like

689

00:22:40,549 --> 00:22:39,520

what was i what was it again what was

690

00:22:43,669 --> 00:22:40,559

the name of this

691

00:22:43,679 --> 00:22:48,789

totally no it's exactly that man

692

00:22:52,549 --> 00:22:51,830

so one thing i did want to speak to you

693

00:22:54,870 --> 00:22:52,559

about is

694

00:22:56,470 --> 00:22:54,880

obviously where what has have you always

695

00:22:58,149 --> 00:22:56,480

been an artist as well

696

00:22:59,830 --> 00:22:58,159

like because that's obviously a big part

697

00:23:03,270 --> 00:22:59,840

of what i see and i love

698

00:23:03,669 --> 00:23:03,280

your style about it as well it's so cool

699

00:23:09,350 --> 00:23:03,679

man

700

00:23:10,390 --> 00:23:09,360

yeah i've always been into into art i

701

00:23:13,029 --> 00:23:10,400

was like just something i

702

00:23:15,029 --> 00:23:13,039

was always excelled at as a kid i was

703

00:23:16,630 --> 00:23:15,039

never like the best artist you know like

704

00:23:18,950 --> 00:23:16,640

that could paint portraits

705

00:23:20,310 --> 00:23:18,960

realistic portraits of people and yeah

706

00:23:22,230 --> 00:23:20,320

but

707

00:23:23,350 --> 00:23:22,240

i i just liked it you know i did

708

00:23:25,990 --> 00:23:23,360

graffiti

709

00:23:27,190 --> 00:23:26,000

and one part of my life so i mean venice

710

00:23:28,789 --> 00:23:27,200

beach you know you got

711

00:23:30,310 --> 00:23:28,799

there's a whole section there dedicated

712

00:23:32,870 --> 00:23:30,320

so just like where you can

713

00:23:34,390 --> 00:23:32,880

do graffiti on the beach yeah you know

714

00:23:37,830 --> 00:23:34,400

it wasn't always

715

00:23:39,430 --> 00:23:37,840

in designated areas but

716

00:23:40,870 --> 00:23:39,440

i'm saying i always i don't know what it

717

00:23:43,029 --> 00:23:40,880

is i've always been into

718

00:23:44,470 --> 00:23:43,039

into art just like if you asked me about

719

00:23:46,630 --> 00:23:44,480

how i got into ufos

720

00:23:49,269 --> 00:23:46,640

i will probably say this a similar thing

721

00:23:52,230 --> 00:23:49,279

where it's just

722

00:23:53,909 --> 00:23:52,240

always been part of me yeah who i am in

723

00:23:54,549 --> 00:23:53,919

my story it's like i never could ignore

724

00:23:57,750 --> 00:23:54,559

it

725

00:23:59,029 --> 00:23:57,760

my whole life no that's cool man totally

726

00:23:59,990 --> 00:23:59,039

and then you've done some other things

727

00:24:02,230 --> 00:24:00,000

recently haven't you just sort of

728

00:24:03,909 --> 00:24:02,240

branched off into nfts as well

729

00:24:06,070 --> 00:24:03,919

well yeah i i mean i thought that was

730

00:24:08,070 --> 00:24:06,080

really interesting being you know

731

00:24:09,750 --> 00:24:08,080

the starving artist was a thing that

732

00:24:11,190 --> 00:24:09,760

existed when i was a kid right and i

733

00:24:12,549 --> 00:24:11,200

went to college

734

00:24:15,110 --> 00:24:12,559

and like i said excellent art i was

735

00:24:18,230 --> 00:24:15,120

horrible in math and

736

00:24:20,549 --> 00:24:18,240

and by the time i got out of high school

737

00:24:21,830 --> 00:24:20,559

you know i spent a lot of time surfing

738

00:24:23,750 --> 00:24:21,840

on the beach

739

00:24:25,190 --> 00:24:23,760

i just said i you know did graffiti and

740

00:24:26,470 --> 00:24:25,200

all this kind of stuff i wasn't like the

741

00:24:30,230 --> 00:24:26,480

most

742

00:24:32,789 --> 00:24:30,240

uh like centered kid i guess i

743

00:24:33,430 --> 00:24:32,799

i was kind of out there like i spent a

744

00:24:36,870 --> 00:24:33,440

lot of time

745

00:24:39,590 --> 00:24:36,880

skateboarding and outside yeah man and

746

00:24:40,390 --> 00:24:39,600

so for me school was kind of like it was

747

00:24:41,750 --> 00:24:40,400

cool

748

00:24:44,549 --> 00:24:41,760

and i was getting you know i got into

749

00:24:46,390 --> 00:24:44,559

trouble i went to a different school for

750

00:24:49,110 --> 00:24:46,400

my last year of high school

751
00:24:49,510 --> 00:24:49,120
it was funny with my parents decided to

752
00:24:51,190 --> 00:24:49,520
move

753
00:24:53,990 --> 00:24:51,200
out of we left venice and we went to

754
00:24:57,510 --> 00:24:54,000
calabastas which is like the complete

755
00:24:59,830 --> 00:24:57,520
opposite of yeah my brother had

756
00:25:01,350 --> 00:24:59,840
my brother was living there and we we

757
00:25:03,510 --> 00:25:01,360
went to like this little

758
00:25:05,190 --> 00:25:03,520
like con like condos like little

759
00:25:07,430 --> 00:25:05,200
apartments or something

760
00:25:08,630 --> 00:25:07,440
and it was supposedly cheaper they were

761
00:25:11,669 --> 00:25:08,640
just trying to find cheap

762
00:25:12,390 --> 00:25:11,679
rent and i guess that apartment complex

763
00:25:16,549 --> 00:25:12,400

area

764

00:25:19,430 --> 00:25:16,559

was cheap and the rest of the houses

765

00:25:20,630 --> 00:25:19,440

were just like crazy mansions and giant

766

00:25:22,390 --> 00:25:20,640

houses

767

00:25:24,630 --> 00:25:22,400

so i went from venice to that and then i

768

00:25:25,909 --> 00:25:24,640

went to this school that was like

769

00:25:28,230 --> 00:25:25,919

i don't know it was like a disney movie

770

00:25:29,029 --> 00:25:28,240

kind of school you know just like rich

771

00:25:31,830 --> 00:25:29,039

kids and

772

00:25:33,350 --> 00:25:31,840

glamour totally totally it was a pub it

773

00:25:35,510 --> 00:25:33,360

was a public school

774

00:25:37,190 --> 00:25:35,520

but uh i remember the first day of

775

00:25:39,190 --> 00:25:37,200

school i went on

776

00:25:41,430 --> 00:25:39,200

i took a yellow bus you know like in the

777

00:25:43,430 --> 00:25:41,440

movies the yellow bus

778

00:25:45,190 --> 00:25:43,440

but i was a senior right so i'm like the

779

00:25:46,230 --> 00:25:45,200

oldest kid on the bus the first day of

780

00:25:48,710 --> 00:25:46,240

school

781

00:25:50,070 --> 00:25:48,720

they're all little kids like freshmen

782

00:25:50,710 --> 00:25:50,080

taking the bus to school for the first

783

00:25:53,029 --> 00:25:50,720

time

784

00:25:53,990 --> 00:25:53,039

and i'm on the back of the bus and i get

785

00:25:55,909 --> 00:25:54,000

off the bus

786

00:25:57,590 --> 00:25:55,919

and i'm walking through the school and

787

00:26:00,390 --> 00:25:57,600

there was these uh

788

00:26:01,830 --> 00:26:00,400

like jocks right and it was really funny

789

00:26:03,750 --> 00:26:01,840

they had uh

790

00:26:05,430 --> 00:26:03,760

they had bandanas around their heads and

791

00:26:07,110 --> 00:26:05,440

they were all different colors

792

00:26:09,830 --> 00:26:07,120

like one was a red one one had a yellow

793

00:26:12,149 --> 00:26:09,840

one one had a green one one

794

00:26:12,950 --> 00:26:12,159

and i found out they were like a like a

795

00:26:14,789 --> 00:26:12,960

fake

796

00:26:16,230 --> 00:26:14,799

like like they who knows what they

797

00:26:17,110 --> 00:26:16,240

thought they were but they were like a

798

00:26:19,110 --> 00:26:17,120

fake gang

799

00:26:21,669 --> 00:26:19,120

right and they were the yeah they were

800

00:26:25,510 --> 00:26:21,679

the rainbows or something like that

801
00:26:29,190 --> 00:26:25,520
that was super funny so i had a you know

802
00:26:30,710 --> 00:26:29,200
i think that year was just it was

803
00:26:32,149 --> 00:26:30,720
terrible for me you know i was away from

804
00:26:33,990 --> 00:26:32,159
all my friends in the beach i got to

805
00:26:35,830 --> 00:26:34,000
surf malibu a lot that was the only cool

806
00:26:39,350 --> 00:26:35,840
thing that's cool man

807
00:26:40,870 --> 00:26:39,360
and uh yeah so i went to college

808
00:26:42,630 --> 00:26:40,880
and i was like i had to go to community

809
00:26:47,510 --> 00:26:42,640
college because my grades were not good

810
00:26:50,789 --> 00:26:47,520
when i left i was good yeah and uh

811
00:26:54,230 --> 00:26:50,799
i went to study art and

812
00:26:55,110 --> 00:26:54,240
the issue was was like you couldn't make

813
00:26:56,630 --> 00:26:55,120

money

814

00:26:58,149 --> 00:26:56,640

as an artist people were like you're not

815

00:26:58,950 --> 00:26:58,159

gonna make any money you're gonna waste

816

00:26:59,909 --> 00:26:58,960

your time

817

00:27:01,830 --> 00:26:59,919

you're gonna go to college you're gonna

818

00:27:02,549 --> 00:27:01,840

make your parents pay for college and

819

00:27:04,390 --> 00:27:02,559

then

820

00:27:05,669 --> 00:27:04,400

you're gonna get you know student debt

821

00:27:07,510 --> 00:27:05,679

and all this kind of stuff and i was

822

00:27:10,149 --> 00:27:07,520

like

823

00:27:11,510 --> 00:27:10,159

i guess you're right you know and now i

824

00:27:13,590 --> 00:27:11,520

regret that so much

825

00:27:15,110 --> 00:27:13,600

because i was like everything i was the

826

00:27:17,590 --> 00:27:15,120

courses i were taking ended up being

827

00:27:20,789 --> 00:27:17,600

because we went into this digital world

828

00:27:21,269 --> 00:27:20,799

like so valuable right um i was taking

829

00:27:25,830 --> 00:27:21,279

like

830

00:27:28,470 --> 00:27:25,840

four people in the class

831

00:27:29,190 --> 00:27:28,480

and then and now it's like dude you

832

00:27:30,950 --> 00:27:29,200

could have been

833

00:27:32,230 --> 00:27:30,960

you had a great career you just didn't

834

00:27:33,190 --> 00:27:32,240

have to listen to all those people that

835

00:27:34,389 --> 00:27:33,200

just didn't know

836

00:27:36,310 --> 00:27:34,399

we were going to be doing this for

837

00:27:37,830 --> 00:27:36,320

example yeah but hindsight's a beautiful

838

00:27:40,870 --> 00:27:37,840

thing isn't it

839

00:27:41,830 --> 00:27:40,880

it is definitely so the nft thing i mean

840

00:27:44,310 --> 00:27:41,840

i think

841

00:27:45,590 --> 00:27:44,320

artists should have you know the

842

00:27:49,269 --> 00:27:45,600

possibility

843

00:27:52,070 --> 00:27:49,279

to step into this new space

844

00:27:53,029 --> 00:27:52,080

um because i think that digital art is

845

00:27:55,350 --> 00:27:53,039

going to be the future

846

00:27:56,549 --> 00:27:55,360

as we get more and more virtual people

847

00:27:58,389 --> 00:27:56,559

like what we're doing right now

848

00:27:59,590 --> 00:27:58,399

is basically like something from star

849

00:28:02,070 --> 00:27:59,600

trek yeah you're

850

00:28:03,510 --> 00:28:02,080

little like and i think it's just gonna

851

00:28:04,549 --> 00:28:03,520

get it's gonna get further and further

852

00:28:06,870 --> 00:28:04,559

with vr

853

00:28:08,230 --> 00:28:06,880

and all this kind of stuff oh yeah man

854

00:28:10,870 --> 00:28:08,240

so

855

00:28:11,990 --> 00:28:10,880

i just said like yeah i gotta do this

856

00:28:14,070 --> 00:28:12,000

because

857

00:28:15,590 --> 00:28:14,080

it looks like artists are getting you

858

00:28:16,470 --> 00:28:15,600

know they're making the living off and i

859

00:28:18,389 --> 00:28:16,480

said cool

860

00:28:20,070 --> 00:28:18,399

i should make it digital and do it

861

00:28:23,909 --> 00:28:20,080

digital and get into that space

862

00:28:25,669 --> 00:28:23,919

i also did the uh the ufo disclosure now

863

00:28:27,269 --> 00:28:25,679

and actually talk about that man explain

864

00:28:29,750 --> 00:28:27,279

to people what that is

865

00:28:32,310 --> 00:28:29,760

it actually started um more from that

866

00:28:34,870 --> 00:28:32,320

end right

867

00:28:36,389 --> 00:28:34,880

because i was sitting around thinking

868

00:28:37,190 --> 00:28:36,399

how do i make a difference right how do

869

00:28:39,669 --> 00:28:37,200

i leave a mark

870

00:28:41,510 --> 00:28:39,679

or how do i change what's going on and

871

00:28:43,750 --> 00:28:41,520

people were saying

872

00:28:44,710 --> 00:28:43,760

uh we need money we need funding we need

873

00:28:48,310 --> 00:28:44,720

to get you know

874

00:28:51,350 --> 00:28:48,320

uh this topic into colleges and

875

00:28:54,070 --> 00:28:51,360

uh we need basically just more money

876

00:28:54,630 --> 00:28:54,080

yeah and the crypto the crypto world

877

00:28:56,470 --> 00:28:54,640

again like

878

00:28:59,029 --> 00:28:56,480

i think it's the future right now it's

879

00:29:01,909 --> 00:28:59,039

tanking yeah tell me about it

880

00:29:03,190 --> 00:29:01,919

yeah yeah tell me about it too it's

881

00:29:05,750 --> 00:29:03,200

thinking but

882

00:29:07,590 --> 00:29:05,760

but i think it is going to come back up

883

00:29:09,269 --> 00:29:07,600

again and i think it is

884

00:29:12,310 --> 00:29:09,279

it's the future of money people have

885

00:29:13,830 --> 00:29:12,320

this weird uh

886

00:29:14,870 --> 00:29:13,840

this weird i don't know if this happens

887

00:29:16,230 --> 00:29:14,880

to you when you talk to people about

888

00:29:18,549 --> 00:29:16,240

cryptocurrencies but

889

00:29:19,590 --> 00:29:18,559

they're like so what is it you know like

890

00:29:21,750 --> 00:29:19,600

it's basically

891

00:29:23,110 --> 00:29:21,760

it's the same as that piece of paper you

892

00:29:26,070 --> 00:29:23,120

have in your pocket

893

00:29:26,870 --> 00:29:26,080

it's just different right it's digital

894

00:29:29,350 --> 00:29:26,880

currency

895

00:29:30,070 --> 00:29:29,360

so what it does is it allows you to have

896

00:29:33,269 --> 00:29:30,080

super fast

897

00:29:35,269 --> 00:29:33,279

transactions and

898

00:29:37,110 --> 00:29:35,279

and basically it's kind of freeing us

899

00:29:38,389 --> 00:29:37,120

from the banking systems even though

900

00:29:41,430 --> 00:29:38,399

they're getting their

901
00:29:42,950 --> 00:29:41,440
their claws into it you know

902
00:29:44,789 --> 00:29:42,960
yeah that was inevitable but it is

903
00:29:45,669 --> 00:29:44,799
almost like cutting out the middleman to

904
00:29:48,789 --> 00:29:45,679
a degree

905
00:29:51,590 --> 00:29:48,799
100 it's awesome yeah you can

906
00:29:53,190 --> 00:29:51,600
literally send like money in two seconds

907
00:29:54,630 --> 00:29:53,200
to somebody you can just be like

908
00:29:57,110 --> 00:29:54,640
check your wallet and then they check

909
00:29:59,990 --> 00:29:57,120
the wall and they got the money so the

910
00:30:01,590 --> 00:30:00,000
i was thinking you know being into that

911
00:30:05,269 --> 00:30:01,600
even though i'm not like

912
00:30:07,510 --> 00:30:05,279
super uh into it i have too much

913
00:30:08,549 --> 00:30:07,520

i spend too much time doing this to be

914

00:30:12,230 --> 00:30:08,559

super into that

915

00:30:13,990 --> 00:30:12,240

but not exactly the same man but i think

916

00:30:16,149 --> 00:30:14,000

you know i think it's the future and i

917

00:30:19,269 --> 00:30:16,159

think what we need to do is focus on

918

00:30:21,190 --> 00:30:19,279

possibilities of using that community to

919

00:30:22,870 --> 00:30:21,200

fund projects that we need so ufo

920

00:30:25,909 --> 00:30:22,880

disclosure now is that

921

00:30:29,269 --> 00:30:25,919

is created on um

922

00:30:31,510 --> 00:30:29,279

the blockchain so it's like i created it

923

00:30:32,950 --> 00:30:31,520

right but as more people join the dow

924

00:30:36,070 --> 00:30:32,960

they each get voting rights

925

00:30:37,669 --> 00:30:36,080

and then somebody comes and requests

926

00:30:39,269 --> 00:30:37,679

a grant and what they do is when they

927

00:30:40,870 --> 00:30:39,279

request the grant

928

00:30:42,630 --> 00:30:40,880

they say well this is my project this is

929

00:30:43,590 --> 00:30:42,640

what i'm working on maybe they're like

930

00:30:46,789 --> 00:30:43,600

we want to

931

00:30:47,990 --> 00:30:46,799

fund college courses for arizona state

932

00:30:50,230 --> 00:30:48,000

college or something

933

00:30:51,830 --> 00:30:50,240

and we need this much money if there's a

934

00:30:53,830 --> 00:30:51,840

bunch of crypto

935

00:30:56,230 --> 00:30:53,840

people that are rich from dogecoin

936

00:30:58,470 --> 00:30:56,240

inside of the ufo disclosure dow

937

00:30:59,669 --> 00:30:58,480

then we can just give them the grant and

938

00:31:02,710 --> 00:30:59,679

not worry about it

939

00:31:03,430 --> 00:31:02,720

and there's lots of dows out there that

940

00:31:06,710 --> 00:31:03,440

fund

941

00:31:09,029 --> 00:31:06,720

uh businesses and projects yeah

942

00:31:10,230 --> 00:31:09,039

there's one crazy one has a crazy name

943

00:31:12,870 --> 00:31:10,240

moloch dao

944

00:31:13,990 --> 00:31:12,880

and moloch is like a baby eater god or

945

00:31:16,630 --> 00:31:14,000

something

946

00:31:17,029 --> 00:31:16,640

from from some really some i don't know

947

00:31:21,110 --> 00:31:17,039

what

948

00:31:23,990 --> 00:31:21,120

religion is from but uh

949

00:31:25,110 --> 00:31:24,000

that that dow like funds a bunch of

950

00:31:28,149 --> 00:31:25,120

businesses like they

951
00:31:29,590 --> 00:31:28,159
they start small businesses so that's

952
00:31:31,350 --> 00:31:29,600
basically what the disclosure does and

953
00:31:32,789 --> 00:31:31,360
the thing is it's non-profit so it's

954
00:31:34,470 --> 00:31:32,799
like

955
00:31:37,029 --> 00:31:34,480
i don't make any money from it and it

956
00:31:37,990 --> 00:31:37,039
literally if say brandon fuel joins

957
00:31:40,549 --> 00:31:38,000
tomorrow

958
00:31:42,070 --> 00:31:40,559
and he puts i don't know let's say

959
00:31:43,590 --> 00:31:42,080
something crazy like

960
00:31:46,389 --> 00:31:43,600
five thousand dollars that's not even

961
00:31:49,830 --> 00:31:46,399
crazy for him but i'm just listening

962
00:31:51,590 --> 00:31:49,840
um my voting right will like

963
00:31:54,389 --> 00:31:51,600

drop down a little bit right i'll still

964

00:31:55,750 --> 00:31:54,399

have control over what's going on

965

00:31:57,110 --> 00:31:55,760

yeah that's that's the one part that i

966

00:31:58,830 --> 00:31:57,120

was kind of like thinking about you know

967

00:32:01,830 --> 00:31:58,840

how does how is this gonna

968

00:32:04,870 --> 00:32:01,840

evolve sure but i was like you know what

969

00:32:07,350 --> 00:32:04,880

if i don't do this nobody's gonna do it

970

00:32:09,029 --> 00:32:07,360

no i gotta do it and hopefully we can

971

00:32:11,029 --> 00:32:09,039

make a difference and

972

00:32:12,830 --> 00:32:11,039

we'll see if it works you know it's the

973

00:32:13,990 --> 00:32:12,840

crypto space is confusing and

974

00:32:15,990 --> 00:32:14,000

complicated

975

00:32:18,470 --> 00:32:16,000

and the one thing i was saying what i

976
00:32:20,789 --> 00:32:18,480
was thinking when creating this was like

977
00:32:21,830 --> 00:32:20,799
i'm gonna have to focus this on to the

978
00:32:23,430 --> 00:32:21,840
crypto community

979
00:32:25,269 --> 00:32:23,440
because i'm worried that some of the ufo

980
00:32:25,909 --> 00:32:25,279
community doesn't understand how crypto

981
00:32:30,070 --> 00:32:25,919
works

982
00:32:33,669 --> 00:32:30,080
yeah or have any crypto or you know um

983
00:32:36,149 --> 00:32:33,679
so yeah so basically you join the dow

984
00:32:37,509 --> 00:32:36,159
by like pledging something to the dow

985
00:32:40,070 --> 00:32:37,519
which fills up the bank

986
00:32:41,269 --> 00:32:40,080
and then there people come in submit uh

987
00:32:42,549 --> 00:32:41,279
request for grants

988
00:32:45,110 --> 00:32:42,559

and they get the grant so who knows

989

00:32:47,190 --> 00:32:45,120

maybe next maybe richard dolan needs to

990

00:32:48,470 --> 00:32:47,200

put out a new book and he wants to do it

991

00:32:51,830 --> 00:32:48,480

all on his own

992

00:32:54,870 --> 00:32:51,840

here you go maybe um they want to put

993

00:32:58,389 --> 00:32:54,880

sky hubs throughout los angeles

994

00:32:59,669 --> 00:32:58,399

here you go you know um but at the end

995

00:33:00,630 --> 00:32:59,679

of the day it's gonna all depend on the

996

00:33:03,269 --> 00:33:00,640

community and

997

00:33:04,470 --> 00:33:03,279

what they vote on what they accept so i

998

00:33:05,669 --> 00:33:04,480

love it i think it's such a good

999

00:33:09,110 --> 00:33:05,679

thing to do and like you said you were a

1000

00:33:11,830 --> 00:33:09,120

bit unsure about doing it i'm all for

1001
00:33:12,789 --> 00:33:11,840
just try man because yeah unless you're

1002
00:33:14,470 --> 00:33:12,799
going to lose like a

1003
00:33:16,230 --> 00:33:14,480
ton of money and he'll ruin your life

1004
00:33:18,789 --> 00:33:16,240
then don't risk that

1005
00:33:20,070 --> 00:33:18,799
but if it's pretty like at the end of

1006
00:33:22,070 --> 00:33:20,080
the day not going to really affect your

1007
00:33:22,630 --> 00:33:22,080
life if it fails at least you tried and

1008
00:33:25,190 --> 00:33:22,640
i think that's

1009
00:33:26,389 --> 00:33:25,200
that says a lot about a person and then

1010
00:33:28,070 --> 00:33:26,399
one of them you never know it might

1011
00:33:31,110 --> 00:33:28,080
[h__\h] work

1012
00:33:32,630 --> 00:33:31,120
right you never know i got it how to

1013
00:33:34,549 --> 00:33:32,640

kind of get it out there you know to the

1014

00:33:37,430 --> 00:33:34,559

right people

1015

00:33:39,029 --> 00:33:37,440

and then i guess we have to wait and see

1016

00:33:43,269 --> 00:33:39,039

what happens right like

1017

00:33:46,470 --> 00:33:43,279

have you uh have you dm'd brandon fugel

1018

00:33:49,190 --> 00:33:46,480

no i should have

1019

00:33:50,389 --> 00:33:49,200

i haven't like uh i put it out and i

1020

00:33:51,590 --> 00:33:50,399

literally said you know what i gotta put

1021

00:33:54,789 --> 00:33:51,600

this out now

1022

00:33:55,909 --> 00:33:54,799

yeah right now because um some i'm going

1023

00:33:57,430 --> 00:33:55,919

to share this with you guys but

1024

00:33:59,909 --> 00:33:57,440

something really crazy happened

1025

00:34:01,190 --> 00:33:59,919

where the original name of the dao that

1026
00:34:03,590 --> 00:34:01,200
i could created

1027
00:34:05,269 --> 00:34:03,600
somebody took the actual name and

1028
00:34:07,190 --> 00:34:05,279
created something else with it

1029
00:34:08,310 --> 00:34:07,200
whoa but like the actual name and i was

1030
00:34:12,069 --> 00:34:08,320
like [h__h]

1031
00:34:13,669 --> 00:34:12,079
you know i was like what is going on and

1032
00:34:14,869 --> 00:34:13,679
i like went on youtube they were like

1033
00:34:16,230 --> 00:34:14,879
talking about it on youtube and i was

1034
00:34:17,589 --> 00:34:16,240
like this is not

1035
00:34:19,750 --> 00:34:17,599
this can't happen because this is

1036
00:34:23,349 --> 00:34:19,760
exactly the exact name

1037
00:34:26,710 --> 00:34:23,359
and it wasn't ufo disclosure though so

1038
00:34:28,230 --> 00:34:26,720

damn so i had to i had to sit down

1039

00:34:30,629 --> 00:34:28,240

talk to people to get everything changed

1040

00:34:32,790 --> 00:34:30,639

because you know i made a web page and

1041

00:34:34,389 --> 00:34:32,800

created a dow i had to like pull stuff

1042

00:34:34,950 --> 00:34:34,399

and get stuff and put things back

1043

00:34:37,270 --> 00:34:34,960

together

1044

00:34:38,230 --> 00:34:37,280

and i was like you know what i'm

1045

00:34:39,669 --> 00:34:38,240

releasing this

1046

00:34:41,990 --> 00:34:39,679

right now because i don't want that to

1047

00:34:45,270 --> 00:34:42,000

happen again and the nft thing too

1048

00:34:47,030 --> 00:34:45,280

people were like brilliant people

1049

00:34:48,550 --> 00:34:47,040

were shooting me uh messages when they

1050

00:34:49,990 --> 00:34:48,560

saw me drop the nfts and they were like

1051
00:34:51,270 --> 00:34:50,000
hey we should create a trading card

1052
00:34:52,069 --> 00:34:51,280
thing and when they were saying that to

1053
00:34:55,109 --> 00:34:52,079
me

1054
00:34:55,589 --> 00:34:55,119
i was creating the nfc trading card

1055
00:34:57,109 --> 00:34:55,599
thing

1056
00:34:59,910 --> 00:34:57,119
wow and i didn't i didn't want to tell

1057
00:35:01,510 --> 00:34:59,920
them like hey you know what

1058
00:35:02,870 --> 00:35:01,520
i'm already doing that i was just kind

1059
00:35:03,910 --> 00:35:02,880
of i said like hey i'm working on

1060
00:35:06,310 --> 00:35:03,920
something

1061
00:35:08,310 --> 00:35:06,320
similar i'll let you know when it's

1062
00:35:12,069 --> 00:35:08,320
ready but that's a great idea

1063
00:35:14,630 --> 00:35:12,079

but um i was just like dude this is

1064

00:35:16,390 --> 00:35:14,640

evolving super fast and if i don't do

1065

00:35:17,510 --> 00:35:16,400

this i'm gonna like

1066

00:35:19,190 --> 00:35:17,520

either i'm gonna put it out after

1067

00:35:20,230 --> 00:35:19,200

somebody else does it and it's just

1068

00:35:23,430 --> 00:35:20,240

gonna be like oh he

1069

00:35:26,310 --> 00:35:23,440

he's copying that person sure or

1070

00:35:27,190 --> 00:35:26,320

so yeah thank you thank you to all those

1071

00:35:28,630 --> 00:35:27,200

people

1072

00:35:29,829 --> 00:35:28,640

and i just want to say thank you to all

1073

00:35:30,710 --> 00:35:29,839

those people that were shooting me dms

1074

00:35:32,150 --> 00:35:30,720

about the

1075

00:35:34,630 --> 00:35:32,160

the trading card thing because i was but

1076

00:35:36,230 --> 00:35:34,640

i was like damn i can't see anything

1077

00:35:38,069 --> 00:35:36,240

i was like i can't say anything to these

1078

00:35:39,190 --> 00:35:38,079

i can't say anything to anybody

1079

00:35:41,109 --> 00:35:39,200

the whole time i couldn't say anything

1080

00:35:44,870 --> 00:35:41,119

to anybody about anything i just

1081

00:35:45,430 --> 00:35:44,880

took it took like i know a few a few

1082

00:35:47,349 --> 00:35:45,440

months

1083

00:35:48,710 --> 00:35:47,359

like before i launched the first nft i

1084

00:35:49,910 --> 00:35:48,720

was already thinking

1085

00:35:51,910 --> 00:35:49,920

about the training because i was into

1086

00:35:53,349 --> 00:35:51,920

crypto punks yeah

1087

00:35:55,109 --> 00:35:53,359

i've only become aware of that in the

1088

00:35:57,270 --> 00:35:55,119

last few months but they

1089

00:35:58,710 --> 00:35:57,280

they go for so much money as well well

1090

00:36:01,829 --> 00:35:58,720

there you go that's

1091

00:36:04,069 --> 00:36:01,839

that's what that's what also the

1092

00:36:05,750 --> 00:36:04,079

10 of whatever gets sold on martian

1093

00:36:08,790 --> 00:36:05,760

token which are my nfts

1094

00:36:10,790 --> 00:36:08,800

will go to the dow so if

1095

00:36:12,550 --> 00:36:10,800

the martian token ever for some reason

1096

00:36:14,870 --> 00:36:12,560

becomes like a crypto punk

1097

00:36:16,470 --> 00:36:14,880

then we're set then i can just and who

1098

00:36:16,870 --> 00:36:16,480

knows if i had i said this a bunch of

1099

00:36:19,589 --> 00:36:16,880

times

1100

00:36:21,670 --> 00:36:19,599

if i was like brandon fugle i would have

1101
00:36:23,430 --> 00:36:21,680
like a team of dedicated

1102
00:36:25,349 --> 00:36:23,440
i would just take some of every everyone

1103
00:36:28,230 --> 00:36:25,359
all you guys

1104
00:36:29,589 --> 00:36:28,240
and i'd be like let's go out i'll buy a

1105
00:36:31,270 --> 00:36:29,599
house somewhere

1106
00:36:33,349 --> 00:36:31,280
and we'll fly there and we'll go and do

1107
00:36:35,589 --> 00:36:33,359
some researching and figure stuff out

1108
00:36:36,550 --> 00:36:35,599
i'd have like my own a team dedicated to

1109
00:36:39,750 --> 00:36:36,560
ufo so

1110
00:36:42,870 --> 00:36:39,760
sick man i'd love that

1111
00:36:44,710 --> 00:36:42,880
we need that we need that

1112
00:36:45,990 --> 00:36:44,720
all right that sounds good man i just

1113
00:36:48,069 --> 00:36:46,000

wish you nothing but the best with that

1114

00:36:50,630 --> 00:36:48,079

and i will keep my eye on it as well

1115

00:36:52,310 --> 00:36:50,640

um so let's jump back into uap i think a

1116

00:36:52,870 --> 00:36:52,320

lot of people want to want to hear a bit

1117

00:36:55,589 --> 00:36:52,880

more

1118

00:36:57,190 --> 00:36:55,599

here's a question for you and it's not

1119

00:36:58,069 --> 00:36:57,200

good not necessarily an easy one but

1120

00:37:00,950 --> 00:36:58,079

i'll ask it

1121

00:37:01,750 --> 00:37:00,960

what is your favorite case of all time

1122

00:37:05,750 --> 00:37:01,760

my favorite case

1123

00:37:10,550 --> 00:37:05,760

of all time um

1124

00:37:13,750 --> 00:37:13,190

it's gonna be the aerial school case

1125

00:37:15,670 --> 00:37:13,760

nice

1126

00:37:18,630 --> 00:37:15,680

you know the aerial school because i

1127

00:37:20,230 --> 00:37:18,640

always say this and because of uh

1128

00:37:22,150 --> 00:37:20,240

james fox is the phenomenon people are

1129

00:37:23,910 --> 00:37:22,160

like oh yeah of course

1130

00:37:25,670 --> 00:37:23,920

the ariel and i'm like no i've actually

1131

00:37:26,550 --> 00:37:25,680

i had videos on my channel about the

1132

00:37:29,270 --> 00:37:26,560

aerial case

1133

00:37:31,030 --> 00:37:29,280

way before the phenomenon came out yeah

1134

00:37:33,510 --> 00:37:31,040

um

1135

00:37:35,349 --> 00:37:33,520

but it's a it's an amazing case where

1136

00:37:37,750 --> 00:37:35,359

they come out of the craft

1137

00:37:39,349 --> 00:37:37,760

the kids all these kids saw these beings

1138

00:37:41,430 --> 00:37:39,359

and i don't think they're making it up

1139

00:37:43,910 --> 00:37:41,440

honestly they still hold their story to

1140

00:37:45,190 --> 00:37:43,920

today yeah and uh

1141

00:37:47,190 --> 00:37:45,200

and there are a lot of cases out there

1142

00:37:49,990 --> 00:37:47,200

of sightings where

1143

00:37:51,990 --> 00:37:50,000

you know that happen on school yards you

1144

00:37:53,750 --> 00:37:52,000

know you have the wessel case too

1145

00:37:55,670 --> 00:37:53,760

very good case as well again that's been

1146

00:37:56,870 --> 00:37:55,680

in the in the public domain for a long

1147

00:37:58,230 --> 00:37:56,880

time and

1148

00:37:59,910 --> 00:37:58,240

it's good that it got picked up recently

1149

00:38:01,750 --> 00:37:59,920

as well in that australian documentary

1150

00:38:03,190 --> 00:38:01,760

but i saw a document or a report

1151

00:38:05,270 --> 00:38:03,200

recently that there's been

1152

00:38:06,390 --> 00:38:05,280

hundreds of cases similar to both of

1153

00:38:08,630 --> 00:38:06,400

those two

1154

00:38:11,670 --> 00:38:08,640

yeah i'd love to see more of that become

1155

00:38:14,150 --> 00:38:11,680

to the mainstream come to the forefront

1156

00:38:16,069 --> 00:38:14,160

the problem is that they're kids you

1157

00:38:17,270 --> 00:38:16,079

know and people always have this

1158

00:38:18,470 --> 00:38:17,280

imagine if they don't believe the

1159

00:38:20,069 --> 00:38:18,480

butcher and the baker they're not going

1160

00:38:22,230 --> 00:38:20,079

to believe a group of kids

1161

00:38:23,829 --> 00:38:22,240

yeah but i have more faith in kids than

1162

00:38:26,950 --> 00:38:23,839

i do in adults to be honest

1163

00:38:27,990 --> 00:38:26,960

i do um i think they tell you genuinely

1164

00:38:31,030 --> 00:38:28,000

what they saw

1165

00:38:33,270 --> 00:38:31,040

you know and what what they felt

1166

00:38:34,630 --> 00:38:33,280

and adults kind of worry about saying

1167

00:38:36,630 --> 00:38:34,640

things you know you sit down with

1168

00:38:38,230 --> 00:38:36,640

an abductee and they're going to be like

1169

00:38:39,270 --> 00:38:38,240

yeah but i don't know if it was an alien

1170

00:38:42,790 --> 00:38:39,280

if he has a kid he's going to be like

1171

00:38:47,910 --> 00:38:46,150

so straight up yeah so

1172

00:38:49,589 --> 00:38:47,920

for me it's like one of the best cases

1173

00:38:50,069 --> 00:38:49,599

out there there's a lot of good cases

1174

00:38:51,510 --> 00:38:50,079

though

1175

00:38:53,990 --> 00:38:51,520

yeah and that's the thing that's why i

1176

00:38:56,470 --> 00:38:54,000

said it is a hard question man like i

1177

00:38:57,430 --> 00:38:56,480

you know no and i hate going with that

1178

00:38:59,109 --> 00:38:57,440

answer because

1179

00:39:01,430 --> 00:38:59,119

because after the documentary everyone's

1180

00:39:03,109 --> 00:39:01,440

like everyone goes oh yeah you saw the

1181

00:39:03,510 --> 00:39:03,119

documentary and i'm like no i didn't see

1182

00:39:07,829 --> 00:39:03,520

the doc

1183

00:39:09,750 --> 00:39:07,839

this has been i've been thinking about

1184

00:39:12,069 --> 00:39:09,760

this for a long time in this case john

1185

00:39:14,790 --> 00:39:12,079

mack was on it i think john mack is

1186

00:39:16,150 --> 00:39:14,800

an og the other day i saw here's

1187

00:39:18,069 --> 00:39:16,160

something interesting about john mack

1188

00:39:19,990 --> 00:39:18,079

the other day i saw

1189

00:39:21,750 --> 00:39:20,000

i do this a lot like i will jump on

1190

00:39:23,270 --> 00:39:21,760

youtube and dig and dig and dig and dig

1191

00:39:27,270 --> 00:39:23,280

and dig and look for older stuff

1192

00:39:28,390 --> 00:39:27,280

and i saw a a video

1193

00:39:29,910 --> 00:39:28,400

maybe this will be cool if you guys can

1194

00:39:30,870 --> 00:39:29,920

go find it but i'm not going to be able

1195

00:39:32,230 --> 00:39:30,880

to give you that much information

1196

00:39:33,349 --> 00:39:32,240

because i just saw the video and then i

1197

00:39:36,870 --> 00:39:33,359

was just like

1198

00:39:40,230 --> 00:39:36,880

whatever but uh it was about john mack

1199

00:39:43,270 --> 00:39:40,240

and there was this this lady

1200

00:39:44,550 --> 00:39:43,280

that pretended to be an experiencer and

1201

00:39:44,950 --> 00:39:44,560

i don't know if she wrote a book about

1202

00:39:52,790 --> 00:39:44,960

it

1203

00:39:56,950 --> 00:39:54,950

she reached out to john mack and john

1204

00:39:59,109 --> 00:39:56,960

max center like a

1205

00:40:00,470 --> 00:39:59,119

i guess a pamphlet or like a envelope

1206

00:40:02,790 --> 00:40:00,480

with information on

1207

00:40:03,910 --> 00:40:02,800

experiencers and it kind of like laid

1208

00:40:06,390 --> 00:40:03,920

out

1209

00:40:08,230 --> 00:40:06,400

how experiencers feel you know what

1210

00:40:11,349 --> 00:40:08,240

their experiences are like

1211

00:40:12,470 --> 00:40:11,359

you know what's uh it was like a

1212

00:40:13,829 --> 00:40:12,480

step-by-step

1213

00:40:16,710 --> 00:40:13,839

if you're an experiercer you should

1214

00:40:18,150 --> 00:40:16,720

check these boxes but she was like

1215

00:40:19,990 --> 00:40:18,160

she was like i can't believe he sent

1216

00:40:21,990 --> 00:40:20,000

that to me because

1217

00:40:23,109 --> 00:40:22,000

it's like he basically prepped me for

1218

00:40:24,710 --> 00:40:23,119

meeting him

1219

00:40:26,550 --> 00:40:24,720

right this is crazy because the only

1220

00:40:28,390 --> 00:40:26,560

time i've ever seen anything like this

1221

00:40:30,309 --> 00:40:28,400

and uh when it comes to john mack like i

1222

00:40:33,750 --> 00:40:30,319

said i'm a huge fan so

1223

00:40:34,069 --> 00:40:33,760

of course and uh she goes to meet with

1224

00:40:36,870 --> 00:40:34,079

him

1225

00:40:37,990 --> 00:40:36,880

and they do like uh like a session right

1226

00:40:40,230 --> 00:40:38,000

where he does like his

1227

00:40:41,190 --> 00:40:40,240

i think he did like hypnosis or whatever

1228

00:40:46,309 --> 00:40:41,200

he was using

1229

00:40:47,990 --> 00:40:46,319

yeah um and she makes up the whole story

1230

00:40:50,309 --> 00:40:48,000

and she records it so they have the

1231

00:40:51,750 --> 00:40:50,319

recording and john mack is going with it

1232

00:40:54,309 --> 00:40:51,760

and he's listening to and he believes

1233

00:40:58,150 --> 00:40:54,319

her like fully full-heartedly

1234

00:41:01,270 --> 00:40:58,160

and uh she starts talking about

1235

00:41:03,510 --> 00:41:01,280

uh like i think it was like a

1236

00:41:05,349 --> 00:41:03,520

a nato person was there on the ship with

1237

00:41:06,069 --> 00:41:05,359

her because it was during like the cuban

1238

00:41:08,790 --> 00:41:06,079

missile crisis

1239

00:41:09,670 --> 00:41:08,800

or something like that and um so maybe

1240

00:41:11,190 --> 00:41:09,680

it wasn't the 90s

1241

00:41:13,190 --> 00:41:11,200

maybe i'm mixing up the times but if you

1242

00:41:14,470 --> 00:41:13,200

guys look for this you'll find it just

1243

00:41:17,910 --> 00:41:14,480

look for like

1244

00:41:19,510 --> 00:41:17,920

a female writer um

1245

00:41:21,750 --> 00:41:19,520

tries to debunk john mack or something

1246

00:41:25,109 --> 00:41:21,760

like that and

1247

00:41:27,190 --> 00:41:25,119

it was pretty crazy because there is

1248

00:41:28,870 --> 00:41:27,200

that aspect of

1249

00:41:30,309 --> 00:41:28,880

you know trusting somebody yeah and

1250

00:41:30,790 --> 00:41:30,319

trusting the witness and the experience

1251
00:41:33,670 --> 00:41:30,800
here

1252
00:41:34,710 --> 00:41:33,680
and john mack was her argument was this

1253
00:41:37,430 --> 00:41:34,720
guy

1254
00:41:38,150 --> 00:41:37,440
is completely you know he believes

1255
00:41:40,630 --> 00:41:38,160
anything

1256
00:41:42,230 --> 00:41:40,640
right like he is like he's bogus yeah

1257
00:41:42,950 --> 00:41:42,240
like he's bogus and he believes anything

1258
00:41:44,309 --> 00:41:42,960
so

1259
00:41:45,829 --> 00:41:44,319
go check that out guys because that was

1260
00:41:47,030 --> 00:41:45,839
like the only time i've ever seen

1261
00:41:50,390 --> 00:41:47,040
anything negative

1262
00:41:52,790 --> 00:41:50,400
other than the people at harvard

1263
00:41:53,829 --> 00:41:52,800

talking about you know him in a negative

1264

00:41:56,390 --> 00:41:53,839

way

1265

00:41:57,589 --> 00:41:56,400

but it's pretty interesting i i went off

1266

00:41:59,829 --> 00:41:57,599

on a tangent there bud

1267

00:42:01,750 --> 00:41:59,839

that's good bro i love that man i love

1268

00:42:03,589 --> 00:42:01,760

you on mac too i can

1269

00:42:04,870 --> 00:42:03,599

honestly say i've i can tell i've not

1270

00:42:06,710 --> 00:42:04,880

done as much work or

1271

00:42:08,470 --> 00:42:06,720

researching tim as you have but i find

1272

00:42:10,390 --> 00:42:08,480

it so interesting

1273

00:42:12,230 --> 00:42:10,400

and we i think i've seen that across the

1274

00:42:13,670 --> 00:42:12,240

board with other researchers people go

1275

00:42:15,349 --> 00:42:13,680

out of their way to really try and pull

1276

00:42:16,790 --> 00:42:15,359

them apart

1277

00:42:18,390 --> 00:42:16,800

and you're playing on their good nature

1278

00:42:21,510 --> 00:42:18,400

in a way sometimes as well

1279

00:42:24,390 --> 00:42:21,520

you know yeah maybe maybe john mack

1280

00:42:26,309 --> 00:42:24,400

was rolling with her story not so much

1281

00:42:27,910 --> 00:42:26,319

more as that he believed it but that he

1282

00:42:28,950 --> 00:42:27,920

wanted to get through it and then maybe

1283

00:42:31,430 --> 00:42:28,960

he could

1284

00:42:32,790 --> 00:42:31,440

analyze it afterwards or i i don't know

1285

00:42:34,550 --> 00:42:32,800

but you sure i mean it's not just it

1286

00:42:36,150 --> 00:42:34,560

doesn't just mean oh he just believed it

1287

00:42:37,109 --> 00:42:36,160

plain and simple that was it what a

1288

00:42:38,870 --> 00:42:37,119

dummy

1289

00:42:41,829 --> 00:42:38,880

yeah gotta be more to it than that man

1290

00:42:43,589 --> 00:42:41,839

like the guy's not stupid

1291

00:42:45,829 --> 00:42:43,599

no definitely he'd been in the game for

1292

00:42:46,230 --> 00:42:45,839

a long time before and probably after

1293

00:42:49,349 --> 00:42:46,240

that

1294

00:42:51,670 --> 00:42:49,359

happens

1295

00:42:52,550 --> 00:42:51,680

to me it's happened to me before where i

1296

00:42:56,390 --> 00:42:52,560

get carried away

1297

00:42:59,510 --> 00:42:56,400

video or a photo

1298

00:43:00,069 --> 00:42:59,520

and i mess up and i ask i made a whole

1299

00:43:03,510 --> 00:43:00,079

video

1300

00:43:05,589 --> 00:43:03,520

about the the moon and uh there was like

1301

00:43:07,270 --> 00:43:05,599

a crater on the moon

1302

00:43:09,190 --> 00:43:07,280

and there was like a look looked like a

1303

00:43:10,470 --> 00:43:09,200

saucer right above one of the craters on

1304

00:43:11,510 --> 00:43:10,480

the moon

1305

00:43:13,510 --> 00:43:11,520

i think it was like from one of the

1306

00:43:16,390 --> 00:43:13,520

apollo missions or something like that

1307

00:43:17,829 --> 00:43:16,400

i remember now it was years ago and i

1308

00:43:20,470 --> 00:43:17,839

spent i stayed up all night

1309

00:43:21,430 --> 00:43:20,480

i had it all ready i wrote it out i did

1310

00:43:23,589 --> 00:43:21,440

the whole video

1311

00:43:24,710 --> 00:43:23,599

then i watched it over once i watched it

1312

00:43:27,349 --> 00:43:24,720

over twice

1313

00:43:28,470 --> 00:43:27,359

third time i watch it over i'm like you

1314

00:43:31,990 --> 00:43:28,480

know what maybe that

1315

00:43:34,790 --> 00:43:32,000

is not a saucer and it's like a shadow

1316

00:43:35,990 --> 00:43:34,800

on the moon from the crater but i had

1317

00:43:37,910 --> 00:43:36,000

made a whole video

1318

00:43:39,750 --> 00:43:37,920

saying like oh this is a saucer and this

1319

00:43:42,790 --> 00:43:39,760

is and i was like jesus

1320

00:43:47,430 --> 00:43:42,800

man it's a it's a shadow from the moon

1321

00:43:49,910 --> 00:43:47,440

like i debunked myself you know so

1322

00:43:50,550 --> 00:43:49,920

remember everybody that could totally

1323

00:43:51,750 --> 00:43:50,560

happen

1324

00:43:53,349 --> 00:43:51,760

there's nothing wrong with that it's

1325

00:43:55,589 --> 00:43:53,359

gonna happen to you a lot it happens a

1326
00:43:56,950 --> 00:43:55,599
lot i was just gonna say exactly that

1327
00:43:58,630 --> 00:43:56,960
man i've been

1328
00:44:01,109 --> 00:43:58,640
just in the same position maybe not like

1329
00:44:04,069 --> 00:44:01,119
made the video already but like

1330
00:44:04,870 --> 00:44:04,079
a night's worth of down a specific

1331
00:44:06,710 --> 00:44:04,880
rabbit hole

1332
00:44:08,390 --> 00:44:06,720
thinking you're really getting somewhere

1333
00:44:10,390 --> 00:44:08,400
like oh my god you're almost at a

1334
00:44:12,150 --> 00:44:10,400
revelation or something

1335
00:44:13,670 --> 00:44:12,160
all of a sudden something flicks in your

1336
00:44:15,430 --> 00:44:13,680
head and you ask yourself that one

1337
00:44:17,349 --> 00:44:15,440
question that just

1338
00:44:18,630 --> 00:44:17,359

jumps you back to reality out of the

1339

00:44:23,109 --> 00:44:18,640

rabbit hole and you're like

1340

00:44:24,870 --> 00:44:23,119

god damn it man yeah yeah so often

1341

00:44:26,790 --> 00:44:24,880

so often and i learned i learned a

1342

00:44:28,390 --> 00:44:26,800

lesson that time i was like well don't

1343

00:44:29,910 --> 00:44:28,400

make the video next time

1344

00:44:31,990 --> 00:44:29,920

watch the video like five times before

1345

00:44:34,230 --> 00:44:32,000

you put it out or something

1346

00:44:35,750 --> 00:44:34,240

you know even though i gotta say it's

1347

00:44:36,390 --> 00:44:35,760

gonna happen a million times i've made

1348

00:44:39,589 --> 00:44:36,400

some

1349

00:44:41,990 --> 00:44:39,599

like the friendship case

1350

00:44:44,069 --> 00:44:42,000

you heard of that case yeah yeah like

1351

00:44:46,309 --> 00:44:44,079

that's a crazy case and i'm sure if you

1352

00:44:49,349 --> 00:44:46,319

wanted to find holes in it you could

1353

00:44:51,750 --> 00:44:49,359

absolutely yeah some of those cases like

1354

00:44:53,270 --> 00:44:51,760

that one in particular

1355

00:44:54,550 --> 00:44:53,280

you've got to set yourself levels as

1356

00:44:55,270 --> 00:44:54,560

well because you're talking about some

1357

00:44:57,589 --> 00:44:55,280

cases that

1358

00:44:59,349 --> 00:44:57,599

do require a hell of a lot of work and

1359

00:45:02,790 --> 00:44:59,359

you still might not get

1360

00:45:04,309 --> 00:45:02,800

the answers so you're risking a lot yeah

1361

00:45:06,550 --> 00:45:04,319

especially if you're putting work out on

1362

00:45:07,990 --> 00:45:06,560

those cases so fair play if you know if

1363

00:45:10,069 --> 00:45:08,000

you're gonna do that

1364

00:45:11,910 --> 00:45:10,079

tough man i'm not saying i just stick to

1365

00:45:15,190 --> 00:45:11,920

the easy ones but i really have to be

1366

00:45:17,109 --> 00:45:15,200

in the right frame of mind to challenge

1367

00:45:18,790 --> 00:45:17,119

how i want to research or where i'm to

1368

00:45:19,910 --> 00:45:18,800

go how much time i'm going to put into

1369

00:45:22,230 --> 00:45:19,920

it as well

1370

00:45:23,190 --> 00:45:22,240

yeah what's your uh what's your favorite

1371

00:45:26,150 --> 00:45:23,200

case

1372

00:45:27,990 --> 00:45:26,160

um i've got probably i've got more than

1373

00:45:30,790 --> 00:45:28,000

one

1374

00:45:32,069 --> 00:45:30,800

my most current famous case is it's an

1375

00:45:34,309 --> 00:45:32,079

obvious one it's the nimitz

1376

00:45:36,470 --> 00:45:34,319

case i think because it's almost what

1377

00:45:37,589 --> 00:45:36,480

kickstarted this current revolution

1378

00:45:39,109 --> 00:45:37,599

that might not be the right word

1379

00:45:42,309 --> 00:45:39,119

revolution but i think people know what

1380

00:45:45,990 --> 00:45:44,950

yeah before that probably the rendulsham

1381

00:45:48,710 --> 00:45:46,000

forest case from

1382

00:45:49,030 --> 00:45:48,720

1980 in england you know it's kind of

1383

00:45:51,589 --> 00:45:49,040

like

1384

00:45:52,790 --> 00:45:51,599

our roswell that's what they call it i

1385

00:45:56,150 --> 00:45:52,800

think that case

1386

00:45:58,309 --> 00:45:56,160

is probably definitely you know i i did

1387

00:45:59,990 --> 00:45:58,319

a video on that case too i think i

1388

00:46:03,109 --> 00:46:00,000

didn't i don't know maybe maybe i didn't

1389

00:46:05,430 --> 00:46:03,119

i don't even remember anymore but um but

1390

00:46:08,230 --> 00:46:05,440

i remember there was a part of it

1391

00:46:08,710 --> 00:46:08,240

where um i'm forgetting the name what's

1392

00:46:12,950 --> 00:46:08,720

the

1393

00:46:15,589 --> 00:46:12,960

super famous

1394

00:46:16,870 --> 00:46:15,599

right there's larry warren jim uh

1395

00:46:19,190 --> 00:46:16,880

charles holt

1396

00:46:20,390 --> 00:46:19,200

i think it was charles hall i never know

1397

00:46:21,990 --> 00:46:20,400

which one's which

1398

00:46:24,630 --> 00:46:22,000

these days i think i think it was

1399

00:46:26,550 --> 00:46:24,640

charles halt that he touched the craft

1400

00:46:28,390 --> 00:46:26,560

and then the craft sort of like

1401
00:46:29,589 --> 00:46:28,400
gave him images inside of his mind and

1402
00:46:31,270 --> 00:46:29,599
he wrote it down

1403
00:46:33,030 --> 00:46:31,280
like the binary code and all that stuff

1404
00:46:35,190 --> 00:46:33,040
yeah yeah yeah

1405
00:46:36,870 --> 00:46:35,200
well i took the binary code and i was

1406
00:46:37,589 --> 00:46:36,880
like oh this is awesome oh my god and

1407
00:46:40,790 --> 00:46:37,599
then i

1408
00:46:42,950 --> 00:46:40,800
like had it de-phrased or rephrased i

1409
00:46:46,390 --> 00:46:42,960
deciphered it yeah yeah

1410
00:46:49,030 --> 00:46:46,400
and um and it was like

1411
00:46:50,230 --> 00:46:49,040
it was something about like vacation it

1412
00:46:57,349 --> 00:46:50,240
was like

1413
00:46:58,790 --> 00:46:57,359

talking about earth or the planet but it

1414

00:47:00,309 --> 00:46:58,800

was kind of like listing things i can't

1415

00:47:01,190 --> 00:47:00,319

really remember now because it was years

1416

00:47:02,870 --> 00:47:01,200

ago but

1417

00:47:04,870 --> 00:47:02,880

yeah that was another another moment

1418

00:47:07,190 --> 00:47:04,880

where i was like

1419

00:47:08,950 --> 00:47:07,200

well what what is this even mean and now

1420

00:47:10,710 --> 00:47:08,960

i can't even talk about this like

1421

00:47:12,950 --> 00:47:10,720

i thought it was super awesome right

1422

00:47:15,670 --> 00:47:12,960

yeah because for me the case is

1423

00:47:16,630 --> 00:47:15,680

legit too because you have you have a

1424

00:47:18,390 --> 00:47:16,640

lot of witnesses

1425

00:47:19,990 --> 00:47:18,400

you have people that suffered physical

1426

00:47:21,750 --> 00:47:20,000

ailments from

1427

00:47:23,510 --> 00:47:21,760

you know getting too close to the craft

1428

00:47:25,589 --> 00:47:23,520

yeah

1429

00:47:26,710 --> 00:47:25,599

and you have the audio recordings of

1430

00:47:30,630 --> 00:47:26,720

them seeing it

1431

00:47:31,670 --> 00:47:30,640

yeah um and yeah and you guys have you

1432

00:47:33,910 --> 00:47:31,680

been to rental show

1433

00:47:34,950 --> 00:47:33,920

i haven't no i know it's like two hours

1434

00:47:36,230 --> 00:47:34,960

down the road but

1435

00:47:38,950 --> 00:47:36,240

i mean everything is in england because

1436

00:47:41,190 --> 00:47:38,960

it's quite small and

1437

00:47:42,470 --> 00:47:41,200

that's the thing i need to go man i mean

1438

00:47:44,309 --> 00:47:42,480

they've got that proper

1439

00:47:45,510 --> 00:47:44,319

ufo trail there now which is kind of

1440

00:47:47,430 --> 00:47:45,520

like a little

1441

00:47:49,750 --> 00:47:47,440

tourist attraction i do i really want to

1442

00:47:51,349 --> 00:47:49,760

go and just catch the vibe and that

1443

00:47:52,790 --> 00:47:51,359

but it's something again i talk to

1444

00:47:54,630 --> 00:47:52,800

people about all the time is i don't

1445

00:47:56,150 --> 00:47:54,640

really have anyone near me that i can

1446

00:47:58,150 --> 00:47:56,160

do that kind of thing with who's this

1447

00:48:00,950 --> 00:47:58,160

enthusiastic you know

1448

00:48:01,750 --> 00:48:00,960

yeah i find that with a lot of people

1449

00:48:03,430 --> 00:48:01,760

i've talked to

1450

00:48:04,950 --> 00:48:03,440

there's not many it's not they can just

1451

00:48:06,470 --> 00:48:04,960

call up their best mate who's just super

1452

00:48:08,710 --> 00:48:06,480

into ufos too

1453

00:48:10,309 --> 00:48:08,720

no you know maybe that's why i'm trying

1454

00:48:12,150 --> 00:48:10,319

to build these connections now

1455

00:48:15,109 --> 00:48:12,160

you know overseas and in england there

1456

00:48:16,630 --> 00:48:15,119

is i can look now cove it's pretty much

1457

00:48:18,790 --> 00:48:16,640

looks like it's going the right way and

1458

00:48:19,990 --> 00:48:18,800

dissipating and i can start planning

1459

00:48:22,710 --> 00:48:20,000

stuff with some of my new friends

1460

00:48:24,309 --> 00:48:22,720

that i've made and reynolds up there man

1461

00:48:25,349 --> 00:48:24,319

reynolds up there and remember i think

1462

00:48:28,630 --> 00:48:25,359

there's a mock-up

1463

00:48:31,670 --> 00:48:28,640

of the craft yeah there is yeah yeah

1464

00:48:32,549 --> 00:48:31,680

that's pretty cool but um yeah you're

1465

00:48:35,030 --> 00:48:32,559

definitely right about

1466

00:48:36,069 --> 00:48:35,040

not having ufo friends and like next to

1467

00:48:38,309 --> 00:48:36,079

you or around you

1468

00:48:40,309 --> 00:48:38,319

it's difficult especially people that

1469

00:48:41,670 --> 00:48:40,319

are really because

1470

00:48:44,470 --> 00:48:41,680

there are people that are interested in

1471

00:48:47,190 --> 00:48:44,480

it but not people that are like

1472

00:48:47,589 --> 00:48:47,200

invested in it you know yeah absolutely

1473

00:48:52,230 --> 00:48:47,599

we are

1474

00:48:54,630 --> 00:48:52,240

need the right kind of

1475

00:48:55,990 --> 00:48:54,640

friends uh to go on adventures with or

1476

00:48:58,870 --> 00:48:56,000

you just go alone

1477

00:48:59,670 --> 00:48:58,880

i spent so much time alone filming stuff

1478

00:49:03,750 --> 00:48:59,680

you know

1479

00:49:05,990 --> 00:49:03,760

yeah um and sometimes it's really

1480

00:49:06,870 --> 00:49:06,000

uh kind of like beautiful to go on

1481

00:49:09,109 --> 00:49:06,880

adventures alone

1482

00:49:10,790 --> 00:49:09,119

because you're like you there's nobody

1483

00:49:12,549 --> 00:49:10,800

there to hurry you up or

1484

00:49:14,230 --> 00:49:12,559

or to slow you down and it's just like

1485

00:49:15,510 --> 00:49:14,240

you and your thoughts and what you're

1486

00:49:17,030 --> 00:49:15,520

thinking about

1487

00:49:18,710 --> 00:49:17,040

you know i think i saw that on your

1488

00:49:20,309 --> 00:49:18,720

channel actually sorry to interrupt just

1489

00:49:21,750 --> 00:49:20,319

going back a few years i think on your

1490

00:49:23,430 --> 00:49:21,760

youtube channel you were just

1491

00:49:25,510 --> 00:49:23,440

just walking the streets doing almost

1492

00:49:27,349 --> 00:49:25,520

like mini vlog type things yeah

1493

00:49:29,109 --> 00:49:27,359

they were really cool and beautiful man

1494

00:49:30,549 --> 00:49:29,119

i remember that that really stuck out to

1495

00:49:32,870 --> 00:49:30,559

me i thought thanks man

1496

00:49:34,309 --> 00:49:32,880

that's cool i love doing those but you

1497

00:49:34,790 --> 00:49:34,319

know what the crazy part was i would do

1498

00:49:37,910 --> 00:49:34,800

those

1499

00:49:38,470 --> 00:49:37,920

and i don't think i got as much traction

1500

00:49:40,790 --> 00:49:38,480

as i did

1501
00:49:41,910 --> 00:49:40,800
when i started filming from my house

1502
00:49:44,549 --> 00:49:41,920
more

1503
00:49:45,190 --> 00:49:44,559
you know one because filming vlogs is

1504
00:49:47,190 --> 00:49:45,200
difficult

1505
00:49:49,430 --> 00:49:47,200
unless you're like in like in argentina

1506
00:49:52,950 --> 00:49:49,440
there's a lot of robberies that happen

1507
00:49:54,549 --> 00:49:52,960
on the streets and so i would go vlog

1508
00:49:55,030 --> 00:49:54,559
and i'd have to pick like areas where i

1509
00:49:56,870 --> 00:49:55,040
thought

1510
00:49:58,150 --> 00:49:56,880
like maybe i won't get robbed here

1511
00:49:59,430 --> 00:49:58,160
especially if i'm walking around

1512
00:50:01,990 --> 00:49:59,440
you know with a camera in my face and

1513
00:50:04,230 --> 00:50:02,000

talking english

1514

00:50:05,510 --> 00:50:04,240

um there's cases of like people getting

1515

00:50:07,510 --> 00:50:05,520

stabbed in the back

1516

00:50:08,790 --> 00:50:07,520

and then taking the camera you know and

1517

00:50:10,950 --> 00:50:08,800

uh

1518

00:50:11,990 --> 00:50:10,960

so i spent you'll see if you watch my

1519

00:50:13,829 --> 00:50:12,000

videos you'll see that i

1520

00:50:15,270 --> 00:50:13,839

would film in the cemetery here in

1521

00:50:16,710 --> 00:50:15,280

recoleta it's like

1522

00:50:18,309 --> 00:50:16,720

cemeteries here are all old and they

1523

00:50:21,990 --> 00:50:18,319

have like sort of

1524

00:50:22,710 --> 00:50:22,000

um i guess they're like temple style

1525

00:50:25,349 --> 00:50:22,720

tombs

1526

00:50:27,190 --> 00:50:25,359

yeah yeah it's like little temples kind

1527

00:50:29,510 --> 00:50:27,200

of things like little houses

1528

00:50:31,990 --> 00:50:29,520

and um i would go there because it was

1529

00:50:35,030 --> 00:50:32,000

safe imagine i would go to the cemetery

1530

00:50:36,630 --> 00:50:35,040

because i thought it was safe to film

1531

00:50:38,309 --> 00:50:36,640

instead of you know going somewhere else

1532

00:50:41,670 --> 00:50:38,319

but i filmed all over the city

1533

00:50:44,230 --> 00:50:41,680

but then it was way harder to do that

1534

00:50:46,630 --> 00:50:44,240

because i had to like pick

1535

00:50:48,390 --> 00:50:46,640

where i would go what am i going to say

1536

00:50:50,309 --> 00:50:48,400

and also when you're out on the street

1537

00:50:51,430 --> 00:50:50,319

trying to talk about something you can't

1538

00:50:52,470 --> 00:50:51,440

like write down

1539

00:50:54,390 --> 00:50:52,480

what you're talking you can't really

1540

00:50:55,910 --> 00:50:54,400

like read off of anything you gotta

1541

00:50:57,430 --> 00:50:55,920

freeze it's really good

1542

00:50:59,829 --> 00:50:57,440

it's really good to have a script when

1543

00:51:01,910 --> 00:50:59,839

you wanna talk about something

1544

00:51:03,109 --> 00:51:01,920

specifically you know and you're not

1545

00:51:04,790 --> 00:51:03,119

just like

1546

00:51:06,470 --> 00:51:04,800

oh having an open disc like we are right

1547

00:51:08,870 --> 00:51:06,480

now like we don't need a script for this

1548

00:51:11,430 --> 00:51:08,880

but i'm saying

1549

00:51:12,790 --> 00:51:11,440

it's just being from working working

1550

00:51:14,150 --> 00:51:12,800

from home i was gonna say yeah working

1551
00:51:17,270 --> 00:51:14,160
from home and filming from home

1552
00:51:19,270 --> 00:51:17,280
has been pretty good uh for me

1553
00:51:21,030 --> 00:51:19,280
and i do miss though the adventures

1554
00:51:22,470 --> 00:51:21,040
going yeah

1555
00:51:24,470 --> 00:51:22,480
that's the thing i've got too used to

1556
00:51:26,309 --> 00:51:24,480
this home life as well

1557
00:51:28,309 --> 00:51:26,319
you know i've hit my age with a young

1558
00:51:29,349 --> 00:51:28,319
family and i just love being in my home

1559
00:51:32,150 --> 00:51:29,359
space

1560
00:51:33,829 --> 00:51:32,160
yeah because it's a little it's a little

1561
00:51:35,750 --> 00:51:33,839
crazy i started um

1562
00:51:39,030 --> 00:51:35,760
you know with the coconut and everything

1563
00:51:41,349 --> 00:51:39,040

i've been like stuck inside like

1564

00:51:42,710 --> 00:51:41,359

like for forever and then like stuff

1565

00:51:44,230 --> 00:51:42,720

started opening back up and i was just

1566

00:51:46,390 --> 00:51:44,240

like you know what i'm not even

1567

00:51:47,990 --> 00:51:46,400

like what am i gonna do like where am i

1568

00:51:51,349 --> 00:51:48,000

gonna go like yeah

1569

00:51:53,349 --> 00:51:51,359

there's not too much to do um

1570

00:51:55,750 --> 00:51:53,359

so it really helped though it liked the

1571

00:51:59,430 --> 00:51:55,760

channel didn't help me much

1572

00:52:00,630 --> 00:51:59,440

personally it didn't help me no no

1573

00:52:02,790 --> 00:52:00,640

it's like it ended up being like

1574

00:52:03,990 --> 00:52:02,800

groundhog day you know where yeah

1575

00:52:06,549 --> 00:52:04,000

that movie where you're it's always the

1576

00:52:11,270 --> 00:52:09,030

but it did help a lot with with the

1577

00:52:14,630 --> 00:52:11,280

lives and the content and

1578

00:52:16,549 --> 00:52:14,640

sure just growing the channel oh man

1579

00:52:18,150 --> 00:52:16,559

have you got any plans going forward now

1580

00:52:20,470 --> 00:52:18,160

not for the rest of the year or

1581

00:52:21,510 --> 00:52:20,480

have you got any focus anywhere else or

1582

00:52:23,349 --> 00:52:21,520

you know

1583

00:52:24,630 --> 00:52:23,359

no i mean at the moment what i want to

1584

00:52:27,510 --> 00:52:24,640

do is get back

1585

00:52:28,309 --> 00:52:27,520

on the rhythm that i had going before

1586

00:52:30,710 --> 00:52:28,319

with the lives

1587

00:52:32,390 --> 00:52:30,720

i was doing that i got live every week i

1588

00:52:34,710 --> 00:52:32,400

think last two months

1589

00:52:36,230 --> 00:52:34,720

really the issue was like the rat race

1590

00:52:40,069 --> 00:52:36,240

like you know the nine to five

1591

00:52:42,309 --> 00:52:40,079

yeah i just have been overworked and

1592

00:52:43,750 --> 00:52:42,319

i don't make a living off this right so

1593

00:52:44,549 --> 00:52:43,760

yeah there's moments where i have to

1594

00:52:46,390 --> 00:52:44,559

like

1595

00:52:47,990 --> 00:52:46,400

go away for a minute and it sucks

1596

00:52:48,950 --> 00:52:48,000

because i'm like in you know i'm in the

1597

00:52:50,630 --> 00:52:48,960

zone i'm like

1598

00:52:52,549 --> 00:52:50,640

this is great the community's growing

1599

00:52:53,430 --> 00:52:52,559

people are like totally supporting me

1600

00:52:55,109 --> 00:52:53,440

and

1601
00:52:56,950 --> 00:52:55,119
you know people want to see they want to

1602
00:52:59,030 --> 00:52:56,960
talk and they want to you know i want to

1603
00:53:02,150 --> 00:52:59,040
be there to talk to them

1604
00:53:05,510 --> 00:53:02,160
and uh and yeah it's just been

1605
00:53:07,750 --> 00:53:05,520
difficult from that perspective but

1606
00:53:10,150 --> 00:53:07,760
i hope when things open back up you know

1607
00:53:12,549 --> 00:53:10,160
i've been sort of building up uh

1608
00:53:14,230 --> 00:53:12,559
my equipment thanks to my you know

1609
00:53:15,109 --> 00:53:14,240
thanks to my patrons they helped me out

1610
00:53:17,030 --> 00:53:15,119
i got like

1611
00:53:18,950 --> 00:53:17,040
some lights in here and i ended up

1612
00:53:21,910 --> 00:53:18,960
getting a uh

1613
00:53:23,670 --> 00:53:21,920

a gimbal an electronic gimbal wow

1614

00:53:26,150 --> 00:53:23,680

handheld one

1615

00:53:29,430 --> 00:53:26,160

yeah it's a i think it's the zoom the

1616

00:53:31,670 --> 00:53:29,440

zoom crane uh

1617

00:53:33,510 --> 00:53:31,680

two s or something like that so it's a

1618

00:53:35,430 --> 00:53:33,520

bit big it's like

1619

00:53:37,349 --> 00:53:35,440

it's like you gotta hold it like this

1620

00:53:39,109 --> 00:53:37,359

and that's sweet man

1621

00:53:40,790 --> 00:53:39,119

camera sits on top and you can like sort

1622

00:53:42,549 --> 00:53:40,800

of do like uh

1623

00:53:44,630 --> 00:53:42,559

you know like it looks like a movie dude

1624

00:53:46,950 --> 00:53:44,640

like it looks like a movie and i

1625

00:53:47,910 --> 00:53:46,960

i got some new lenses i bought a drone

1626
00:53:49,990 --> 00:53:47,920
the other day

1627
00:53:50,950 --> 00:53:50,000
so i definitely have to go i definitely

1628
00:53:55,270 --> 00:53:50,960
have to go outside

1629
00:53:58,790 --> 00:53:55,280
um yeah and start filming outside

1630
00:53:59,430 --> 00:53:58,800
but i gotta i gotta uh i would love to

1631
00:54:02,230 --> 00:53:59,440
do like

1632
00:54:04,069 --> 00:54:02,240
short films like dedicated to argentina

1633
00:54:06,309 --> 00:54:04,079
and different parts of argentina

1634
00:54:09,109 --> 00:54:06,319
because there's obviously yeah the

1635
00:54:11,430 --> 00:54:09,119
phenomenon here is just um

1636
00:54:12,230 --> 00:54:11,440
it's there's cases from all over the

1637
00:54:14,069 --> 00:54:12,240
place here

1638
00:54:15,670 --> 00:54:14,079

now if you ask me what my favorite case

1639

00:54:17,829 --> 00:54:15,680

is here

1640

00:54:20,470 --> 00:54:17,839

unfortunately i'm like still a young

1641

00:54:23,109 --> 00:54:20,480

buck when it comes to argentina cases

1642

00:54:24,069 --> 00:54:23,119

because i'm very focused on you know

1643

00:54:25,510 --> 00:54:24,079

right i know

1644

00:54:28,549 --> 00:54:25,520

i know all the other cases around the

1645

00:54:30,790 --> 00:54:28,559

world but argentina for some reason like

1646

00:54:32,309 --> 00:54:30,800

i don't know what i don't know why but i

1647

00:54:34,150 --> 00:54:32,319

think in the last

1648

00:54:37,109 --> 00:54:34,160

three years or two years i started kind

1649

00:54:39,670 --> 00:54:37,119

of focusing on cases from here sometimes

1650

00:54:41,349 --> 00:54:39,680

yeah but i still with the everything

1651
00:54:41,990 --> 00:54:41,359
that's going on with the tic tac case

1652
00:54:45,510 --> 00:54:42,000
and

1653
00:54:47,829 --> 00:54:45,520
talking about it's like i lose

1654
00:54:49,349 --> 00:54:47,839
focus from those cases and i come back

1655
00:54:53,750 --> 00:54:49,359
to what we're talking about

1656
00:54:55,190 --> 00:54:53,760
but uh i went to bariloche

1657
00:54:57,510 --> 00:54:55,200
and i still have to put out that video

1658
00:54:59,349 --> 00:54:57,520
but bariloche is like um

1659
00:55:01,030 --> 00:54:59,359
in the mountains like the mountains it's

1660
00:55:02,789 --> 00:55:01,040
like the mountainsides here ring is the

1661
00:55:04,470 --> 00:55:02,799
bell i've heard that name yeah

1662
00:55:06,150 --> 00:55:04,480
well it's in some movies you know it's

1663
00:55:06,630 --> 00:55:06,160

like the nazis always escaped the body

1664

00:55:09,109 --> 00:55:06,640

lochie

1665

00:55:09,670 --> 00:55:09,119

that's it yes no i've seen a lot i

1666

00:55:10,870 --> 00:55:09,680

actually

1667

00:55:12,309 --> 00:55:10,880

did a little thing on that about a year

1668

00:55:14,390 --> 00:55:12,319

ago i just was obsessed with it for

1669

00:55:16,150 --> 00:55:14,400

about a month so i was just finding

1670

00:55:18,829 --> 00:55:16,160

programs and youtube videos on that

1671

00:55:21,510 --> 00:55:18,839

barolocia was

1672

00:55:21,829 --> 00:55:21,520

yeah they actually escaped all over the

1673

00:55:25,109 --> 00:55:21,839

place

1674

00:55:26,870 --> 00:55:25,119

here you know yeah yeah um the body

1675

00:55:28,950 --> 00:55:26,880

lucha was beautiful man and

1676

00:55:31,030 --> 00:55:28,960

the crazy part was when you left the

1677

00:55:33,190 --> 00:55:31,040

city i didn't expect this to happen we

1678

00:55:35,990 --> 00:55:33,200

went in the car and we took this

1679

00:55:37,430 --> 00:55:36,000

um this route it's kind of like route 66

1680

00:55:41,109 --> 00:55:37,440

right so it's just like one route

1681

00:55:44,950 --> 00:55:41,119

all the way there and uh

1682

00:55:48,150 --> 00:55:44,960

it was wild like the the terrain and the

1683

00:55:49,670 --> 00:55:48,160

like the environments were just changing

1684

00:55:50,789 --> 00:55:49,680

it started you know all of a sudden it

1685

00:55:52,230 --> 00:55:50,799

looked like lord of the rings and then

1686

00:55:54,549 --> 00:55:52,240

all of a sudden it looked like

1687

00:55:56,069 --> 00:55:54,559

you know like the back set for e.t and

1688

00:55:59,670 --> 00:55:56,079

then you just kept going and

1689

00:56:03,750 --> 00:55:59,680

yeah it just it was bananas like

1690

00:56:07,510 --> 00:56:03,760

and uh somebody notion has this case

1691

00:56:09,829 --> 00:56:07,520

where i think it was a airlines pilot

1692

00:56:10,630 --> 00:56:09,839

and his crew if i'm not mistaken they

1693

00:56:12,710 --> 00:56:10,640

saw

1694

00:56:13,990 --> 00:56:12,720

a craft in the sky there was also a

1695

00:56:16,789 --> 00:56:14,000

secondary plane

1696

00:56:18,549 --> 00:56:16,799

there was like a border patrol plane

1697

00:56:21,510 --> 00:56:18,559

right i saw the craft as well

1698

00:56:22,549 --> 00:56:21,520

the electricity and body lotion cut out

1699

00:56:25,910 --> 00:56:22,559

and um

1700

00:56:27,990 --> 00:56:25,920

people saw uh there's a lot

1701
00:56:29,030 --> 00:56:28,000
it had multiple witnesses basically and

1702
00:56:31,109 --> 00:56:29,040
they say sometimes

1703
00:56:32,710 --> 00:56:31,119
it's like the roswell of argentina too

1704
00:56:35,910 --> 00:56:32,720
okay people say that

1705
00:56:38,069 --> 00:56:35,920
um and

1706
00:56:39,430 --> 00:56:38,079
when i went there i was like well this

1707
00:56:41,430 --> 00:56:39,440
makes perfect sense

1708
00:56:42,950 --> 00:56:41,440
you know like you can just see why the

1709
00:56:44,470 --> 00:56:42,960
phenomenon is here i even went to a

1710
00:56:47,190 --> 00:56:44,480
place called las vegas

1711
00:56:49,270 --> 00:56:47,200
and i made a video about that and las

1712
00:56:51,589 --> 00:56:49,280
vegas is a little town

1713
00:56:52,789 --> 00:56:51,599

off that road somewhere we had to drive

1714

00:56:54,309 --> 00:56:52,799

off like two hours

1715

00:56:56,309 --> 00:56:54,319

into a mountain just in the middle of

1716

00:56:59,030 --> 00:56:56,319

nowhere in the middle of nowhere

1717

00:56:59,510 --> 00:56:59,040

wow and the town was like a few blocks

1718

00:57:01,589 --> 00:56:59,520

you know

1719

00:57:03,829 --> 00:57:01,599

it was just like a little town center

1720

00:57:07,750 --> 00:57:03,839

like barely in any res no restaurants

1721

00:57:09,910 --> 00:57:07,760

we ate at like uh we ate at

1722

00:57:11,510 --> 00:57:09,920

it was like a person's house right they

1723

00:57:13,030 --> 00:57:11,520

had kind of makeshift and they created

1724

00:57:15,030 --> 00:57:13,040

like a restaurant

1725

00:57:16,710 --> 00:57:15,040

and the menu was like whatever they had

1726

00:57:18,870 --> 00:57:16,720

the guy kept like leaving

1727

00:57:20,390 --> 00:57:18,880

and going somewhere and coming back with

1728

00:57:22,069 --> 00:57:20,400

like the food but like he would like

1729

00:57:23,670 --> 00:57:22,079

jump in his car and go somewhere

1730

00:57:26,710 --> 00:57:23,680

and then come back with like bags of

1731

00:57:28,390 --> 00:57:26,720

food and uh i love that man i love that

1732

00:57:30,549 --> 00:57:28,400

sort of thing i love that

1733

00:57:32,309 --> 00:57:30,559

it was crazy because the the legend has

1734

00:57:34,150 --> 00:57:32,319

it that that town

1735

00:57:35,990 --> 00:57:34,160

like they see ufos there so what they

1736

00:57:39,030 --> 00:57:36,000

have is like a viewpoint

1737

00:57:39,670 --> 00:57:39,040

in the town dedicated to uh seeing your

1738

00:57:42,630 --> 00:57:39,680

foes

1739

00:57:42,950 --> 00:57:42,640

right it's like yeah it's like a mirador

1740

00:57:44,710 --> 00:57:42,960

of

1741

00:57:46,230 --> 00:57:44,720

nice that's what they call it and when

1742

00:57:47,510 --> 00:57:46,240

you go there that's like the legend so

1743

00:57:49,829 --> 00:57:47,520

we were like eating

1744

00:57:52,230 --> 00:57:49,839

outside in that makeshift restaurant and

1745

00:57:54,549 --> 00:57:52,240

there were some other tourists there

1746

00:57:56,470 --> 00:57:54,559

and there were some locals and they were

1747

00:57:57,589 --> 00:57:56,480

like did you guys go see the ufos

1748

00:57:59,829 --> 00:57:57,599

and they're all laughing like yeah we

1749

00:58:03,109 --> 00:57:59,839

went to see the ufos yeah yeah

1750

00:58:04,390 --> 00:58:03,119

this um but my wife uh

1751
00:58:06,470 --> 00:58:04,400
she was super cool and she was like we

1752
00:58:08,549 --> 00:58:06,480
should go and stay there a night before

1753
00:58:09,829 --> 00:58:08,559
we get to bariloche and you should like

1754
00:58:10,870 --> 00:58:09,839
show it you should show it to your

1755
00:58:12,549 --> 00:58:10,880
community

1756
00:58:14,230 --> 00:58:12,559
and show them like that this is this

1757
00:58:16,230 --> 00:58:14,240
exists sure

1758
00:58:17,910 --> 00:58:16,240
so it's a short video i just walk out to

1759
00:58:21,910 --> 00:58:17,920
the to the middle

1760
00:58:24,150 --> 00:58:21,920
i try to go at night i gotta be honest

1761
00:58:26,069 --> 00:58:24,160
the the road was like

1762
00:58:27,670 --> 00:58:26,079
imagine it's all mountains on the way

1763
00:58:29,430 --> 00:58:27,680

there and

1764

00:58:31,109 --> 00:58:29,440

even my wife she's in the side of the

1765

00:58:33,990 --> 00:58:31,119

car i keep smacking the mic my wife

1766

00:58:35,109 --> 00:58:34,000

she's on the side of the car and she um

1767

00:58:36,710 --> 00:58:35,119

she's freaking out because we're like

1768

00:58:37,270 --> 00:58:36,720

getting to you know to the edges of the

1769

00:58:40,470 --> 00:58:37,280

mountains

1770

00:58:41,829 --> 00:58:40,480

and winding and turning yeah and when

1771

00:58:42,950 --> 00:58:41,839

they tell us yeah

1772

00:58:45,030 --> 00:58:42,960

we asked the people they're like hey

1773

00:58:46,870 --> 00:58:45,040

where is this door and it's like 10

1774

00:58:49,270 --> 00:58:46,880

o'clock at night

1775

00:58:50,950 --> 00:58:49,280

and they're like up there you got to go

1776

00:58:53,670 --> 00:58:50,960

up the road

1777

00:58:54,950 --> 00:58:53,680

the dirt road up there just straight

1778

00:58:56,069 --> 00:58:54,960

straight up and you got to go up that

1779

00:58:57,589 --> 00:58:56,079

little mountain

1780

00:58:59,430 --> 00:58:57,599

and then you know around a bend and

1781

00:59:01,829 --> 00:58:59,440

you're there

1782

00:59:03,349 --> 00:59:01,839

and i was like should we go you know i

1783

00:59:05,270 --> 00:59:03,359

started getting worried i was like

1784

00:59:06,390 --> 00:59:05,280

i was like should we go to my wife i was

1785

00:59:10,390 --> 00:59:06,400

like

1786

00:59:12,470 --> 00:59:10,400

seemed so strange to be in this little

1787

00:59:15,109 --> 00:59:12,480

town in the middle of nowhere

1788

00:59:16,470 --> 00:59:15,119

thinking about doing this and also with

1789

00:59:18,150 --> 00:59:16,480

my wife that doesn't

1790

00:59:20,230 --> 00:59:18,160

she's not like me she's not like into

1791

00:59:21,430 --> 00:59:20,240

the topic yeah i was like if anything if

1792

00:59:23,270 --> 00:59:21,440

anything happens

1793

00:59:24,950 --> 00:59:23,280

i might like scar her for life you know

1794

00:59:27,670 --> 00:59:24,960

like if we go there and

1795

00:59:28,950 --> 00:59:27,680

like a weird experience happens but we

1796

00:59:32,069 --> 00:59:28,960

uh

1797

00:59:34,150 --> 00:59:32,079

we go up there and it's like pitch

1798

00:59:35,349 --> 00:59:34,160

completely pitch black the whole road up

1799

00:59:37,030 --> 00:59:35,359

it's all dirt

1800

00:59:39,589 --> 00:59:37,040

you don't like you can't tell if it's a

1801

00:59:42,630 --> 00:59:39,599

cliff or if it's

1802

00:59:47,030 --> 00:59:42,640

what sounds exciting

1803

00:59:48,630 --> 00:59:47,040

it was exciting but we get there and um

1804

00:59:50,390 --> 00:59:48,640

and i get out of the car and i leave her

1805

00:59:51,990 --> 00:59:50,400

in the car

1806

00:59:53,910 --> 00:59:52,000

it's got like a parking spot like right

1807

00:59:55,510 --> 00:59:53,920

at the viewpoint

1808

00:59:57,190 --> 00:59:55,520

but i couldn't see anything man so i'm

1809

00:59:59,109 --> 00:59:57,200

up there in the middle of night with my

1810

01:00:01,190 --> 00:59:59,119

camera it's super windy

1811

01:00:02,710 --> 01:00:01,200

there's like i could see the mountains

1812

01:00:05,349 --> 01:00:02,720

and there's like

1813

01:00:06,230 --> 01:00:05,359

clouds and thunder in the distance

1814

01:00:07,510 --> 01:00:06,240

because it's kind of like you know in

1815

01:00:10,390 --> 01:00:07,520

the desert where you see

1816

01:00:11,829 --> 01:00:10,400

thunder so far away or something yeah

1817

01:00:13,030 --> 01:00:11,839

and uh

1818

01:00:14,470 --> 01:00:13,040

and yeah it was weird and then we went

1819

01:00:15,910 --> 01:00:14,480

back in the in the morning because i was

1820

01:00:17,190 --> 01:00:15,920

like i can't see anything

1821

01:00:19,750 --> 01:00:17,200

i was trying to film the sky and i

1822

01:00:22,069 --> 01:00:19,760

wouldn't there was i didn't see any ufos

1823

01:00:23,430 --> 01:00:22,079

sure so i'm like let's go back in the

1824

01:00:24,069 --> 01:00:23,440

morning and at least we'll show it to

1825

01:00:26,549 --> 01:00:24,079

them

1826

01:00:28,470 --> 01:00:26,559

if you watch the video in the morning

1827

01:00:31,990 --> 01:00:28,480

the place just looks

1828

01:00:33,510 --> 01:00:32,000

amazing like the like there's like

1829

01:00:36,230 --> 01:00:33,520

rivers running through there's like

1830

01:00:38,150 --> 01:00:36,240

canyons and and you're just like

1831

01:00:40,150 --> 01:00:38,160

well this is definitely where the ufos

1832

01:00:41,589 --> 01:00:40,160

would come because they could like

1833

01:00:43,829 --> 01:00:41,599

they could like land they could like

1834

01:00:44,470 --> 01:00:43,839

land right there and nobody would see

1835

01:00:46,230 --> 01:00:44,480

them

1836

01:00:47,910 --> 01:00:46,240

like there was nobody like there was no

1837

01:00:50,710 --> 01:00:47,920

people

1838

01:00:51,589 --> 01:00:50,720

so yeah and one last thing about body

1839

01:00:53,109 --> 01:00:51,599

lotion

1840

01:00:55,990 --> 01:00:53,119

i didn't get this either on film but

1841

01:00:58,069 --> 01:00:56,000

i'll share it with you guys yeah um

1842

01:00:59,589 --> 01:00:58,079

i put out some tweets some people read

1843

01:01:03,109 --> 01:00:59,599

it i met this

1844

01:01:04,549 --> 01:01:03,119

we stayed at these cabins and uh

1845

01:01:06,150 --> 01:01:04,559

i just kept looking at the sky and

1846

01:01:06,630 --> 01:01:06,160

paying attention and trying to see you

1847

01:01:08,390 --> 01:01:06,640

know

1848

01:01:10,150 --> 01:01:08,400

i wanted to see something i was even

1849

01:01:12,150 --> 01:01:10,160

trying to clear my mind and say like

1850

01:01:16,470 --> 01:01:12,160

kind of like do a c5 thing every

1851
01:01:19,829 --> 01:01:18,470
out of nowhere this groundskeeper comes

1852
01:01:23,430 --> 01:01:19,839
up to me

1853
01:01:25,750 --> 01:01:23,440
and he starts talking to me about ufos

1854
01:01:27,109 --> 01:01:25,760
out of nowhere i'm like outside without

1855
01:01:29,270 --> 01:01:27,119
the under gaucho hat

1856
01:01:30,150 --> 01:01:29,280
smoking a cigarette in the dark all

1857
01:01:31,990 --> 01:01:30,160
right

1858
01:01:33,589 --> 01:01:32,000
and this guy just comes out of nowhere

1859
01:01:34,230 --> 01:01:33,599
and you didn't say anything about ufos

1860
01:01:37,750 --> 01:01:34,240
to him no

1861
01:01:39,030 --> 01:01:37,760
he just starts talking to me and he goes

1862
01:01:41,109 --> 01:01:39,040
i was smoking the cigarette kind of

1863
01:01:42,630 --> 01:01:41,119

looking around

1864

01:01:44,630 --> 01:01:42,640

and he said did you see any strange

1865

01:01:45,750 --> 01:01:44,640

lights tonight because out here the

1866

01:01:47,670 --> 01:01:45,760

strange lights

1867

01:01:48,950 --> 01:01:47,680

you know people see them all the time

1868

01:01:51,670 --> 01:01:48,960

and i was like

1869

01:01:52,309 --> 01:01:51,680

so i just started like continuing the

1870

01:01:54,230 --> 01:01:52,319

conversation

1871

01:01:56,870 --> 01:01:54,240

just pretend i wasn't like oh yeah i

1872

01:01:59,990 --> 01:01:56,880

love ufos i was just like oh yeah

1873

01:02:01,589 --> 01:02:00,000

that's interesting um is it often and

1874

01:02:01,990 --> 01:02:01,599

he's like yeah all the time he's like if

1875

01:02:04,390 --> 01:02:02,000

you just

1876

01:02:05,670 --> 01:02:04,400

pay attention long enough you'll see

1877

01:02:09,430 --> 01:02:05,680

something

1878

01:02:11,430 --> 01:02:09,440

and uh i was like

1879

01:02:13,510 --> 01:02:11,440

okay and he's like look let's just just

1880

01:02:15,670 --> 01:02:13,520

look up at the sky and pay attention

1881

01:02:17,190 --> 01:02:15,680

and he goes you see that over there and

1882

01:02:18,710 --> 01:02:17,200

i look over and there's like trees in

1883

01:02:20,710 --> 01:02:18,720

the distance

1884

01:02:22,470 --> 01:02:20,720

and there's a like an opening between

1885

01:02:25,029 --> 01:02:22,480

the two trees right

1886

01:02:25,829 --> 01:02:25,039

and he says do you see that that light

1887

01:02:28,630 --> 01:02:25,839

right there

1888

01:02:29,589 --> 01:02:28,640

that's not a plane look at it and it was

1889

01:02:33,510 --> 01:02:29,599

like

1890

01:02:35,829 --> 01:02:33,520

crazy because

1891

01:02:37,349 --> 01:02:35,839

it was like it was a second but i was i

1892

01:02:38,390 --> 01:02:37,359

wasn't even trip i wasn't even tripping

1893

01:02:40,710 --> 01:02:38,400

on the orb

1894

01:02:41,910 --> 01:02:40,720

i was tripping on the guy yeah talking

1895

01:02:43,829 --> 01:02:41,920

about it of course

1896

01:02:45,670 --> 01:02:43,839

more than anything because he came and

1897

01:02:47,670 --> 01:02:45,680

he starts talking to me

1898

01:02:48,789 --> 01:02:47,680

he says that and then he goes like that

1899

01:02:51,109 --> 01:02:48,799

look over there

1900

01:02:53,270 --> 01:02:51,119

you see that that's not a plane and he

1901

01:02:55,270 --> 01:02:53,280

points and i look and there's like a

1902

01:02:57,029 --> 01:02:55,280

an orb just like crossing in between

1903

01:03:00,069 --> 01:02:57,039

that opening between the trees

1904

01:03:01,670 --> 01:03:00,079

like it was up in the sky somewhere but

1905

01:03:04,630 --> 01:03:01,680

it was like

1906

01:03:05,910 --> 01:03:04,640

clear like a clear orb just going across

1907

01:03:07,670 --> 01:03:05,920

in the distance

1908

01:03:09,510 --> 01:03:07,680

and it wasn't even that far to where you

1909

01:03:11,510 --> 01:03:09,520

like might mistaken it for

1910

01:03:12,630 --> 01:03:11,520

like a drone or something i was like

1911

01:03:14,390 --> 01:03:12,640

yeah yeah

1912

01:03:15,510 --> 01:03:14,400

it was big enough to wear i don't know

1913

01:03:16,870 --> 01:03:15,520

who knows what it was but i'm just

1914

01:03:19,270 --> 01:03:16,880

saying the moment

1915

01:03:21,109 --> 01:03:19,280

yeah synchronicity it just seems a bit

1916

01:03:23,349 --> 01:03:21,119

synchronicity was super weird

1917

01:03:25,349 --> 01:03:23,359

it's super creepy he starts talking to

1918

01:03:26,309 --> 01:03:25,359

me he goes like yeah like that and then

1919

01:03:28,069 --> 01:03:26,319

he goes you see

1920

01:03:29,510 --> 01:03:28,079

it happens all the time here you just

1921

01:03:30,710 --> 01:03:29,520

have to pay attention

1922

01:03:34,069 --> 01:03:30,720

and then he told me that he lived there

1923

01:03:36,789 --> 01:03:34,079

for a long time that he was actually um

1924

01:03:38,710 --> 01:03:36,799

like an orphan that had moved up there

1925

01:03:40,230 --> 01:03:38,720

and that his son died

1926

01:03:41,750 --> 01:03:40,240

like they had killed he kept saying they

1927

01:03:42,710 --> 01:03:41,760

killed my son he was probably talking

1928

01:03:44,789 --> 01:03:42,720

about

1929

01:03:46,390 --> 01:03:44,799

the police or something you know yeah it

1930

01:03:49,510 --> 01:03:46,400

was but something like that

1931

01:03:51,349 --> 01:03:49,520

and um i just kept talking to him and

1932

01:03:53,910 --> 01:03:51,359

the thing was he looked like a

1933

01:03:54,390 --> 01:03:53,920

like a native from argentina you know he

1934

01:03:58,950 --> 01:03:54,400

had like

1935

01:04:00,470 --> 01:03:58,960

those kinds of features yeah and he just

1936

01:04:02,069 --> 01:04:00,480

kept talking kind of about the lights

1937

01:04:03,270 --> 01:04:02,079

and the orbs and he said that one time

1938

01:04:06,390 --> 01:04:03,280

he worked

1939

01:04:09,589 --> 01:04:06,400

and like uh i think it was like a

1940

01:04:11,109 --> 01:04:09,599

a uranium field or uranium mine

1941

01:04:12,470 --> 01:04:11,119

or something like that because he's

1942

01:04:14,069 --> 01:04:12,480

telling me in spanish and i understand

1943

01:04:16,549 --> 01:04:14,079

spanish but i also don't get

1944

01:04:17,270 --> 01:04:16,559

like every detail sometimes sure yeah

1945

01:04:20,789 --> 01:04:17,280

when they use

1946

01:04:23,190 --> 01:04:20,799

words that i use regularly

1947

01:04:24,549 --> 01:04:23,200

yeah sometimes i'm like okay i get what

1948

01:04:28,630 --> 01:04:24,559

you're saying but

1949

01:04:30,549 --> 01:04:28,640

but he said that he was working uh

1950

01:04:32,230 --> 01:04:30,559

on like a uranium mine or something i

1951

01:04:33,589 --> 01:04:32,240

don't know where those are in argentina

1952

01:04:34,950 --> 01:04:33,599

after that i was just thinking about it

1953

01:04:35,670 --> 01:04:34,960

like what the hell was he talking about

1954

01:04:37,510 --> 01:04:35,680

he said

1955

01:04:39,670 --> 01:04:37,520

there you see the orbs like we just saw

1956

01:04:41,670 --> 01:04:39,680

but they're like down on the ground

1957

01:04:43,029 --> 01:04:41,680

and they're like a few feet away from

1958

01:04:44,950 --> 01:04:43,039

you sometimes

1959

01:04:47,029 --> 01:04:44,960

he's like me and my friends like we're

1960

01:04:49,670 --> 01:04:47,039

working and we saw these orbs

1961

01:04:50,950 --> 01:04:49,680

just a few feet away from us and he's

1962

01:04:53,109 --> 01:04:50,960

like i think they're angels

1963

01:04:54,470 --> 01:04:53,119

and i think they're you know messengers

1964

01:04:57,670 --> 01:04:54,480

from god

1965

01:05:00,150 --> 01:04:57,680

and i was like i was like yo this is

1966

01:05:02,950 --> 01:05:00,160

wild i just kept kind of going like oh

1967

01:05:05,349 --> 01:05:02,960

really that's interesting wow yeah

1968

01:05:07,109 --> 01:05:05,359

and then he just walked away he said you

1969

01:05:10,309 --> 01:05:07,119

have a good night and walked away

1970

01:05:13,190 --> 01:05:10,319

and i was like that's so weird

1971

01:05:15,349 --> 01:05:13,200

yes i went cool at the same time man it

1972

01:05:16,870 --> 01:05:15,359

was super weird too because before that

1973

01:05:19,510 --> 01:05:16,880

i was standing out there i had like

1974

01:05:20,309 --> 01:05:19,520

brought a different camera with a longer

1975

01:05:22,710 --> 01:05:20,319

lens

1976

01:05:23,589 --> 01:05:22,720

right so i could like zoom into stuff so

1977

01:05:25,990 --> 01:05:23,599

i had

1978

01:05:26,870 --> 01:05:26,000

that camera in my hand for like half an

1979

01:05:28,789 --> 01:05:26,880

hour

1980

01:05:30,390 --> 01:05:28,799

while i was out sitting out there in the

1981

01:05:32,950 --> 01:05:30,400

cold looking at the sky

1982

01:05:34,230 --> 01:05:32,960

and thinking like thinking like show me

1983

01:05:36,150 --> 01:05:34,240

something come on look how

1984

01:05:37,589 --> 01:05:36,160

i could see everything i could see like

1985

01:05:38,950 --> 01:05:37,599

the milky way you know you could see all

1986

01:05:42,150 --> 01:05:38,960

the stars it was like wow

1987

01:05:45,510 --> 01:05:42,160

super open no pollution whatsoever

1988

01:05:47,510 --> 01:05:45,520

no and i go back inside

1989

01:05:49,029 --> 01:05:47,520

i put the camera down and i'm like i'm

1990

01:05:50,710 --> 01:05:49,039

like i'm not going to see anything i

1991

01:05:51,589 --> 01:05:50,720

grab a cigarette and i walk outside and

1992

01:05:54,789 --> 01:05:51,599

i'm like

1993

01:05:56,150 --> 01:05:54,799

cigarettes just looking around

1994

01:05:57,750 --> 01:05:56,160

and this dude comes out of like the

1995

01:05:59,190 --> 01:05:57,760

darkness you know because it's a forest

1996

01:06:00,630 --> 01:05:59,200

so it's like there's

1997

01:06:02,390 --> 01:06:00,640

darkness it's like darkness over there

1998

01:06:02,710 --> 01:06:02,400

so he just walks out comes up to me and

1999

01:06:05,349 --> 01:06:02,720

that

2000

01:06:07,829 --> 01:06:05,359

experience happened and i was like i

2001

01:06:10,789 --> 01:06:07,839

didn't have my camera

2002

01:06:12,789 --> 01:06:10,799

i didn't even trip when i saw the orb i

2003

01:06:15,990 --> 01:06:12,799

was just i saw it go by

2004

01:06:18,309 --> 01:06:16,000

and in my mind i was like that's

2005

01:06:20,950 --> 01:06:18,319

that's crazy but yeah this is even

2006

01:06:23,270 --> 01:06:20,960

crazier than this guy

2007

01:06:24,950 --> 01:06:23,280

in a mountain in the middle of nowhere

2008

01:06:28,069 --> 01:06:24,960

started talking to me about ufos

2009

01:06:29,750 --> 01:06:28,079

it wasn't like a ufo town like that that

2010

01:06:32,309 --> 01:06:29,760

sighting had happened so there

2011

01:06:33,190 --> 01:06:32,319

people talk about it but it was just

2012

01:06:35,589 --> 01:06:33,200

wild man

2013

01:06:36,710 --> 01:06:35,599

the synchronicities you're totally right

2014

01:06:38,549 --> 01:06:36,720

about it

2015

01:06:39,750 --> 01:06:38,559

what do you think about uh what do you

2016

01:06:42,630 --> 01:06:39,760

think about consciousness

2017

01:06:43,510 --> 01:06:42,640

in ufos i'm starting to really believe

2018

01:06:46,630 --> 01:06:43,520

there's a

2019

01:06:47,829 --> 01:06:46,640

connection somewhere um

2020

01:06:49,990 --> 01:06:47,839

and i'm talking more about the

2021

01:06:51,349 --> 01:06:50,000

connection or i'm not talking about i'm

2022

01:06:52,549 --> 01:06:51,359

thinking about i'm trying to look into a

2023

01:06:54,230 --> 01:06:52,559

little bit more about the connection

2024

01:06:56,870 --> 01:06:54,240

that they have on us rather than

2025

01:06:58,710 --> 01:06:56,880

us on them as in not so much looking at

2026

01:06:59,589 --> 01:06:58,720

us summoning them with the ce5 type

2027

01:07:01,270 --> 01:06:59,599

stuff but

2028

01:07:03,750 --> 01:07:01,280

the way that they can affect our our

2029

01:07:06,710 --> 01:07:03,760

thought process is um the way we

2030

01:07:07,670 --> 01:07:06,720

see them or don't see them and the

2031

01:07:09,190 --> 01:07:07,680

possibility that

2032

01:07:10,789 --> 01:07:09,200

people see things differently and

2033

01:07:12,789 --> 01:07:10,799

perceive things differently

2034

01:07:14,470 --> 01:07:12,799

yeah i'm really really starting to open

2035

01:07:16,069 --> 01:07:14,480

up to that kind of thing

2036

01:07:18,309 --> 01:07:16,079

but it's a very difficult area to

2037

01:07:22,230 --> 01:07:18,319

research it is

2038

01:07:25,750 --> 01:07:22,240

it's it's not just data on paper

2039

01:07:26,150 --> 01:07:25,760

you know it's it's theories and stories

2040

01:07:30,309 --> 01:07:26,160

and

2041

01:07:32,390 --> 01:07:30,319

going to take a lot more time but i'm on

2042

01:07:33,750 --> 01:07:32,400

it now i i i've latched on to it i don't

2043

01:07:36,710 --> 01:07:33,760

want to lose track of that

2044

01:07:39,190 --> 01:07:36,720

i want to be very open to it yeah you

2045

01:07:41,109 --> 01:07:39,200

know what i was thinking um

2046

01:07:43,029 --> 01:07:41,119

about you know i thought about that too

2047

01:07:44,710 --> 01:07:43,039

a lot uh they're

2048

01:07:46,390 --> 01:07:44,720

at that aspect you know of them being

2049

01:07:47,910 --> 01:07:46,400

able to manipulate our minds or being

2050

01:07:51,990 --> 01:07:47,920

able to control what we see

2051

01:07:53,750 --> 01:07:52,000

yeah and if you believe that at all

2052

01:07:55,270 --> 01:07:53,760

they could be like influencing so many

2053

01:07:55,670 --> 01:07:55,280

things that we don't even know about

2054

01:07:57,589 --> 01:07:55,680

like

2055

01:07:59,990 --> 01:07:57,599

yeah what if they just appear to

2056

01:08:01,910 --> 01:08:00,000

somebody every day like a gardener

2057

01:08:03,430 --> 01:08:01,920

in their backyard or like or a guy

2058

01:08:04,390 --> 01:08:03,440

coming out of the forest on a weird

2059

01:08:06,470 --> 01:08:04,400

mountain path

2060

01:08:08,230 --> 01:08:06,480

right yeah or a guy coming out of the

2061

01:08:11,510 --> 01:08:08,240

forest in a weird mountain pass

2062

01:08:12,870 --> 01:08:11,520

definitely um but

2063

01:08:14,870 --> 01:08:12,880

you know i've thought about that before

2064

01:08:16,789 --> 01:08:14,880

like also

2065

01:08:18,550 --> 01:08:16,799

if they can appear as an angel or appear

2066

01:08:20,470 --> 01:08:18,560

as something symbolic like that

2067

01:08:21,590 --> 01:08:20,480

they might be able to like start a war

2068

01:08:23,590 --> 01:08:21,600

or end a war

2069

01:08:25,349 --> 01:08:23,600

yeah you know like fatima like these

2070

01:08:27,990 --> 01:08:25,359

kinds of cases

2071

01:08:30,550 --> 01:08:28,000

um and that's something people should

2072

01:08:32,550 --> 01:08:30,560

definitely think about because like

2073

01:08:35,030 --> 01:08:32,560

i always say the phenomenon i think is

2074

01:08:38,149 --> 01:08:35,040

in control of disclosure

2075

01:08:41,030 --> 01:08:38,159

at the end of the day you know because

2076

01:08:42,950 --> 01:08:41,040

at the end of the day it hasn't really

2077

01:08:44,550 --> 01:08:42,960

it shows itself to us

2078

01:08:46,309 --> 01:08:44,560

it interacts with us and it does

2079

01:08:49,030 --> 01:08:46,319

something with with us

2080

01:08:49,349 --> 01:08:49,040

right it's like pretty obvious that we

2081

01:08:52,070 --> 01:08:49,359

are

2082

01:08:53,430 --> 01:08:52,080

we have we're valuable to the phenomenon

2083

01:08:57,829 --> 01:08:53,440

for some reason

2084

01:09:03,030 --> 01:09:01,110

um i was gonna say

2085

01:09:04,789 --> 01:09:03,040

but it still hasn't with all the

2086

01:09:05,669 --> 01:09:04,799

intelligence and all the technology that

2087

01:09:09,590 --> 01:09:05,679

it has

2088

01:09:11,510 --> 01:09:09,600

it still hasn't you know created a way

2089

01:09:13,269 --> 01:09:11,520

to make open contact with us and people

2090

01:09:15,430 --> 01:09:13,279

go like well because we

2091

01:09:17,349 --> 01:09:15,440

you know we're animals and we're violent

2092

01:09:18,470 --> 01:09:17,359

and we're but they could literally like

2093

01:09:21,030 --> 01:09:18,480

walk through the wall

2094

01:09:22,470 --> 01:09:21,040

change you know what we think make us

2095

01:09:25,030 --> 01:09:22,480

feel a certain way

2096

01:09:26,550 --> 01:09:25,040

they can do anything kind of yeah right

2097

01:09:29,829 --> 01:09:26,560

so

2098

01:09:31,829 --> 01:09:29,839

i don't understand what the big

2099

01:09:33,590 --> 01:09:31,839

you know why they're not disclosing

2100

01:09:35,269 --> 01:09:33,600

their presence open sure

2101
01:09:37,269 --> 01:09:35,279
yeah and that thing people will say well

2102
01:09:38,550 --> 01:09:37,279
they do they do it you know

2103
01:09:40,390 --> 01:09:38,560
they've done it to people they've landed

2104
01:09:41,910 --> 01:09:40,400
in front of them and and

2105
01:09:43,749 --> 01:09:41,920
literally been face to face with them

2106
01:09:45,990 --> 01:09:43,759
and it's like yeah

2107
01:09:47,030 --> 01:09:46,000
but we all want it and i think and i've

2108
01:09:47,990 --> 01:09:47,040
seen a lot of people say in the last

2109
01:09:49,430 --> 01:09:48,000
couple of days

2110
01:09:51,110 --> 01:09:49,440
or we won't get disclosure because the

2111
01:09:53,269 --> 01:09:51,120
world's not ready and i don't like

2112
01:09:56,390 --> 01:09:53,279
seeing people talking on behalf of

2113
01:09:59,750 --> 01:09:56,400

the masses that's not right man

2114

01:10:01,669 --> 01:09:59,760

because i know i'm i'm down well ready

2115

01:10:03,350 --> 01:10:01,679

i know a lot of people that are so i

2116

01:10:05,750 --> 01:10:03,360

think like i know where you're coming

2117

01:10:07,830 --> 01:10:05,760

from it's like why haven't they

2118

01:10:10,070 --> 01:10:07,840

done something i'm not saying land on

2119

01:10:13,030 --> 01:10:10,080

the white house lawn but something a bit

2120

01:10:14,229 --> 01:10:13,040

a bit more than what they've been doing

2121

01:10:15,270 --> 01:10:14,239

yeah they don't even need to

2122

01:10:17,350 --> 01:10:15,280

they don't even need to land on the

2123

01:10:20,630 --> 01:10:17,360

white house lawn no i'm saying

2124

01:10:21,669 --> 01:10:20,640

they could like just literally hover

2125

01:10:23,669 --> 01:10:21,679

over a city

2126
01:10:25,110 --> 01:10:23,679
and like they could like land in the

2127
01:10:27,750 --> 01:10:25,120
middle of a town you know

2128
01:10:28,790 --> 01:10:27,760
a square and walk out and start talking

2129
01:10:31,510 --> 01:10:28,800
to people

2130
01:10:33,110 --> 01:10:31,520
or even making them feel a certain way

2131
01:10:36,229 --> 01:10:33,120
and just start making contact

2132
01:10:37,430 --> 01:10:36,239
i'm saying you know i think coronavirus

2133
01:10:39,590 --> 01:10:37,440
is a great example too

2134
01:10:41,030 --> 01:10:39,600
for people not being ready like the idea

2135
01:10:43,350 --> 01:10:41,040
of people not being ready

2136
01:10:44,229 --> 01:10:43,360
for to contradict that idea of people

2137
01:10:47,510 --> 01:10:44,239
not being ready

2138
01:10:49,430 --> 01:10:47,520

i think people are not ready for

2139

01:10:50,550 --> 01:10:49,440

lots of things right yeah they're not

2140

01:10:54,070 --> 01:10:50,560

ready for a lot of things

2141

01:10:54,709 --> 01:10:54,080

and but sometimes they just don't even

2142

01:10:57,030 --> 01:10:54,719

care

2143

01:10:58,709 --> 01:10:57,040

you know they just continue living they

2144

01:10:59,350 --> 01:10:58,719

they care enough to go like oh yeah

2145

01:11:01,590 --> 01:10:59,360

that's

2146

01:11:02,790 --> 01:11:01,600

coronavirus yeah but they're like but

2147

01:11:04,550 --> 01:11:02,800

let's go have ice cream

2148

01:11:05,990 --> 01:11:04,560

and i'm not gonna wear the mask and i'm

2149

01:11:08,149 --> 01:11:06,000

gonna go you know

2150

01:11:09,430 --> 01:11:08,159

i'm gonna do this and that and i'm

2151
01:11:11,030 --> 01:11:09,440
saying

2152
01:11:13,270 --> 01:11:11,040
i think coronavize is a great example

2153
01:11:16,149 --> 01:11:13,280
that the paradigm can change the world

2154
01:11:19,350 --> 01:11:16,159
can change in an instant in a few months

2155
01:11:20,390 --> 01:11:19,360
and somehow someway people will continue

2156
01:11:22,790 --> 01:11:20,400
to be people

2157
01:11:23,910 --> 01:11:22,800
exactly yeah there'll be people that

2158
01:11:25,110 --> 01:11:23,920
focus on it

2159
01:11:26,550 --> 01:11:25,120
people that pay attention to it and then

2160
01:11:28,790 --> 01:11:26,560
there'll be people i say the big

2161
01:11:31,430 --> 01:11:28,800
majority of people

2162
01:11:32,790 --> 01:11:31,440
don't even have time to think about most

2163
01:11:34,790 --> 01:11:32,800

most of this stuff you know

2164

01:11:36,070 --> 01:11:34,800

yeah and people are resilient man with

2165

01:11:37,910 --> 01:11:36,080

the whole covert thing

2166

01:11:39,910 --> 01:11:37,920

if you'd have said to someone like up or

2167

01:11:41,189 --> 01:11:39,920

three years ago right in a year's time

2168

01:11:42,550 --> 01:11:41,199

you're going to be locked in your house

2169

01:11:44,070 --> 01:11:42,560

pretty much for a year because there's

2170

01:11:46,470 --> 01:11:44,080

going to be a global pandemic

2171

01:11:47,270 --> 01:11:46,480

people would have [h__h] themselves really

2172

01:11:48,790 --> 01:11:47,280

badly

2173

01:11:50,790 --> 01:11:48,800

but then look what it when it actually

2174

01:11:51,990 --> 01:11:50,800

happened people were like okay if we

2175

01:11:55,030 --> 01:11:52,000

play it safe and we

2176
01:11:56,870 --> 01:11:55,040
you know do the right thing we can work

2177
01:11:58,790 --> 01:11:56,880
our lives around this kind of thing and

2178
01:11:59,510 --> 01:11:58,800
and the resilience showed i think you

2179
01:12:01,350 --> 01:11:59,520
know

2180
01:12:03,030 --> 01:12:01,360
yeah so sorry to all you conspiracy

2181
01:12:06,830 --> 01:12:03,040
theorists out there i i don't want to

2182
01:12:07,990 --> 01:12:06,840
go into any great like your thought

2183
01:12:10,310 --> 01:12:08,000
processes

2184
01:12:11,590 --> 01:12:10,320
you know people are resilient you know i

2185
01:12:13,030 --> 01:12:11,600
think people are resilient i think

2186
01:12:15,910 --> 01:12:13,040
they're resilient i think we're

2187
01:12:17,350 --> 01:12:15,920
we have resilient people and then we

2188
01:12:20,070 --> 01:12:17,360

have

2189

01:12:21,669 --> 01:12:20,080

just people you know yeah and the

2190

01:12:21,990 --> 01:12:21,679

resilient is like your approach was

2191

01:12:23,750 --> 01:12:22,000

really

2192

01:12:25,189 --> 01:12:23,760

that was a great what you just said was

2193

01:12:25,590 --> 01:12:25,199

great how do we work around this how do

2194

01:12:28,470 --> 01:12:25,600

we

2195

01:12:30,790 --> 01:12:28,480

you know i kept telling my you know my

2196

01:12:33,189 --> 01:12:30,800

family i was like look

2197

01:12:34,709 --> 01:12:33,199

people go to prison and they can't watch

2198

01:12:37,189 --> 01:12:34,719

tv they can't

2199

01:12:38,149 --> 01:12:37,199

uh talk to people on the internet they

2200

01:12:39,669 --> 01:12:38,159

can't do anything

2201

01:12:41,669 --> 01:12:39,679

and they're still alive and they come

2202

01:12:44,870 --> 01:12:41,679

out and they're some of them are fine

2203

01:12:46,470 --> 01:12:44,880

yeah but i'm like so

2204

01:12:48,390 --> 01:12:46,480

a few months because this is in the

2205

01:12:50,390 --> 01:12:48,400

beginning of the lockdown so i'm like

2206

01:12:52,310 --> 01:12:50,400

a month is not a big deal like in your

2207

01:12:55,430 --> 01:12:52,320

house with food you can order with

2208

01:12:57,510 --> 01:12:55,440

netflix with anything you want like

2209

01:12:59,350 --> 01:12:57,520

yeah uh i just kept thinking about it

2210

01:13:00,870 --> 01:12:59,360

like that like

2211

01:13:02,870 --> 01:13:00,880

dude like what if i go to prison i'm not

2212

01:13:05,750 --> 01:13:02,880

gonna like start crying

2213

01:13:07,430 --> 01:13:05,760

and then kill myself or anything no

2214

01:13:09,110 --> 01:13:07,440

exactly man i mean i got to spend

2215

01:13:11,430 --> 01:13:09,120

every day with my daughter watch her

2216

01:13:13,430 --> 01:13:11,440

growing up instead of her going off to

2217

01:13:15,669 --> 01:13:13,440

nursery and stuff like that you know my

2218

01:13:18,070 --> 01:13:15,679

partner was she's a lecturer at

2219

01:13:19,350 --> 01:13:18,080

college she was home we were doing we

2220

01:13:21,830 --> 01:13:19,360

were having family time

2221

01:13:22,709 --> 01:13:21,840

permanently it was awesome yeah that's

2222

01:13:24,950 --> 01:13:22,719

awesome

2223

01:13:25,750 --> 01:13:24,960

i just had to look at it in a positive

2224

01:13:27,110 --> 01:13:25,760

way

2225

01:13:29,270 --> 01:13:27,120

you know definitely that was the only

2226

01:13:32,310 --> 01:13:29,280

way to look at it you know

2227

01:13:33,510 --> 01:13:32,320

so but for all those people that think

2228

01:13:35,350 --> 01:13:33,520

the world's not ready there's a good

2229

01:13:36,630 --> 01:13:35,360

example of even if even if you think

2230

01:13:39,430 --> 01:13:36,640

they're not ready

2231

01:13:40,709 --> 01:13:39,440

we still are resilient and we still will

2232

01:13:43,669 --> 01:13:40,719

push through it and figure out

2233

01:13:46,870 --> 01:13:43,679

you know and evolve that's the most

2234

01:13:50,870 --> 01:13:46,880

important thing too about this is

2235

01:13:51,510 --> 01:13:50,880

evolution you know it's evolution man

2236

01:13:53,750 --> 01:13:51,520

it's like

2237

01:13:54,790 --> 01:13:53,760

understanding that we're not alone on

2238

01:13:56,390 --> 01:13:54,800

this planet

2239

01:13:58,709 --> 01:13:56,400

because people everyone everyone is

2240

01:13:59,350 --> 01:13:58,719

under the idea that there's life in

2241

01:14:01,270 --> 01:13:59,360

space

2242

01:14:02,390 --> 01:14:01,280

already you know you ask somebody like

2243

01:14:04,149 --> 01:14:02,400

yeah of course

2244

01:14:06,149 --> 01:14:04,159

yeah aliens of course there's aliens

2245

01:14:08,950 --> 01:14:06,159

because there's just too much evidence

2246

01:14:11,189 --> 01:14:08,960

out there to prove differently right we

2247

01:14:12,709 --> 01:14:11,199

haven't found any life in space yet

2248

01:14:14,550 --> 01:14:12,719

but there's so much there's so many

2249

01:14:16,950 --> 01:14:14,560

possibilities that it's almost

2250

01:14:18,070 --> 01:14:16,960

evident i mean it's almost impossible

2251

01:14:23,110 --> 01:14:18,080

that there's no life out there

2252

01:14:26,870 --> 01:14:23,120

yeah absolutely so i think

2253

01:14:29,990 --> 01:14:26,880

um i was gonna say i lost my i lost my

2254

01:14:34,229 --> 01:14:30,000

training i lost my train of thought

2255

01:14:37,669 --> 01:14:36,950

i was gonna say damn i really lost my

2256

01:14:39,030 --> 01:14:37,679

train of thought there

2257

01:14:41,590 --> 01:14:39,040

i started thinking about all the planets

2258

01:14:42,390 --> 01:14:41,600

and all the now the universes and i was

2259

01:14:44,870 --> 01:14:42,400

like

2260

01:14:45,750 --> 01:14:44,880

floated off into space um dude that

2261

01:14:50,550 --> 01:14:45,760

happens so much

2262

01:14:52,470 --> 01:14:50,560

this world of ufology your brain goes

2263

01:14:53,990 --> 01:14:52,480

off into places and then you lose it and

2264

01:14:58,390 --> 01:14:54,000

you have to

2265

01:15:01,510 --> 01:14:58,400

you're in a whirlwind of god knows what

2266

01:15:03,189 --> 01:15:01,520

yeah but basically i'm saying people are

2267

01:15:04,709 --> 01:15:03,199

open to the idea of

2268

01:15:06,870 --> 01:15:04,719

aliens and extraterrestrials out in

2269

01:15:09,750 --> 01:15:06,880

space um

2270

01:15:09,990 --> 01:15:09,760

but they're not open to the idea of it

2271

01:15:13,830 --> 01:15:10,000

being

2272

01:15:16,470 --> 01:15:13,840

that's kind of ridiculous you know

2273

01:15:17,750 --> 01:15:16,480

i think understanding that this

2274

01:15:18,870 --> 01:15:17,760

phenomenon is real that's what i was

2275

01:15:21,590 --> 01:15:18,880

saying it's evolution

2276

01:15:22,149 --> 01:15:21,600

in the sense of it's going to take us

2277

01:15:23,590 --> 01:15:22,159

somewhere

2278

01:15:25,189 --> 01:15:23,600

that we haven't been yet it's going to

2279

01:15:26,470 --> 01:15:25,199

help our minds expand it's going to help

2280

01:15:29,110 --> 01:15:26,480

us see that we're all the same

2281

01:15:29,910 --> 01:15:29,120

because we all are we're all the same

2282

01:15:32,310 --> 01:15:29,920

you know and

2283

01:15:34,229 --> 01:15:32,320

even to this day there's still violence

2284

01:15:37,270 --> 01:15:34,239

and people that

2285

01:15:38,229 --> 01:15:37,280

don't understand that and we got to try

2286

01:15:39,590 --> 01:15:38,239

and

2287

01:15:41,590 --> 01:15:39,600

look at the you know the right side of

2288

01:15:43,990 --> 01:15:41,600

this and and

2289

01:15:46,149 --> 01:15:44,000

realize that you know the reality is way

2290

01:15:47,270 --> 01:15:46,159

crazier than we could ever imagine and

2291

01:15:49,910 --> 01:15:47,280

we got to start looking at the world a

2292

01:15:51,669 --> 01:15:49,920

little differently yeah i know 100

2293

01:15:53,830 --> 01:15:51,679

couldn't have said that any better man

2294

01:15:55,669 --> 01:15:53,840

absolutely

2295

01:15:58,070 --> 01:15:55,679

well listen man i've kept you long

2296

01:16:00,149 --> 01:15:58,080

enough i think i could talk to you for

2297

01:16:01,990 --> 01:16:00,159

hours bro but i think we should save it

2298

01:16:03,430 --> 01:16:02,000

and i'll get you back on my channel in a

2299

01:16:05,110 --> 01:16:03,440

2300

01:16:07,189 --> 01:16:05,120

things like that i think this is going

2301

01:16:08,790 --> 01:16:07,199

to go down people are going to enjoy

2302

01:16:10,149 --> 01:16:08,800
