10
00:00:24,150 --> 00:00:22,240
chats discussions

11
00:00:25,910 --> 00:00:24,160
interviews you know whatever you want to

12
00:00:29,189 --> 00:00:25,920
call them um

13
00:00:29,990 --> 00:00:29,199

i'm excited for this one this guy i've

14

00:00:33,030 --> 00:00:30,000

been following for quite

15

00:00:34,870 --> 00:00:33,040

some time i think he's awesome and um

16

00:00:36,630 --> 00:00:34,880

i'm not gonna wait any longer guys this

17

00:00:38,630 --> 00:00:36,640

is why we're here let's introduce mr

18

00:00:42,069 --> 00:00:38,640

ryan sprague

19

00:00:43,830 --> 00:00:42,079

ryan what's up my man how are you i'm

20

00:00:45,750 --> 00:00:43,840

doing great man thank you so much for

21

00:00:46,150 --> 00:00:45,760

being here it means the world thank you

22

00:00:50,229 --> 00:00:46,160

my

23

00:00:53,029 --> 00:00:50,239

of yours as well and uh hey

24

00:00:54,150 --> 00:00:53,039

anyone who can broadcast live from a uh

25

00:00:58,150 --> 00:00:54,160

a carrier

26

00:01:00,069 --> 00:00:58,160

is uh good in my book so yeah

27

00:01:02,069 --> 00:01:00,079

hey i change it up every time i i

28

00:01:02,389 --> 00:01:02,079

struggle i like to mix it up you know i

29

00:01:04,869 --> 00:01:02,399

thought

30

00:01:06,390 --> 00:01:04,879

yeah you've got this show coming out

31

00:01:07,510 --> 00:01:06,400

later today with the guys from the

32

00:01:09,510 --> 00:01:07,520

nimitz

33

00:01:11,910 --> 00:01:09,520

so i thought you know let's go a bit

34

00:01:14,070 --> 00:01:11,920

carrier-based and stuff

35

00:01:15,030 --> 00:01:14,080

it's very appropriate yeah so wrapping

36

00:01:16,870 --> 00:01:15,040

the tee you know

37

00:01:19,270 --> 00:01:16,880

we talked a little offline that's the

38

00:01:21,910 --> 00:01:19,280

first time i've seen the t-shirt like on

39

00:01:22,710 --> 00:01:21,920

an actual flesh and blood human being so

40

00:01:25,190 --> 00:01:22,720

thank you i

41

00:01:26,070 --> 00:01:25,200

i appreciate the support and um yeah

42

00:01:29,190 --> 00:01:26,080

that t-shirt

43

00:01:29,830 --> 00:01:29,200

um by ben scarsborough that design just

44

00:01:31,429 --> 00:01:29,840

knocked

45

00:01:33,350 --> 00:01:31,439

my socks off when i first started

46

00:01:35,030 --> 00:01:33,360

absolutely there was a lot of good

47

00:01:36,630 --> 00:01:35,040

entries in that competition you ran

48

00:01:37,190 --> 00:01:36,640

though i mean it must have been really

49

00:01:40,550 --> 00:01:37,200

difficult

50

00:01:43,670 --> 00:01:40,560

choosing like a first place dude i mean

51
00:01:45,429 --> 00:01:43,680
well here's the thing like i my my

52
00:01:47,670 --> 00:01:45,439
merch company came to me and was like

53
00:01:50,550 --> 00:01:47,680
you should do a fan art contest

54
00:01:51,749 --> 00:01:50,560
like drum up some buzz and see and i was

55
00:01:55,270 --> 00:01:51,759
like nobody's gonna

56
00:01:58,709 --> 00:01:55,280
draw fan art for for my show cause i

57
00:02:00,149 --> 00:01:58,719
again like i just i i do my thing every

58
00:02:01,990 --> 00:02:00,159
week and that's kind of it

59
00:02:04,069 --> 00:02:02,000
and i was like oh man people are gonna

60
00:02:05,590 --> 00:02:04,079
think i'm some like douchebag being like

61
00:02:09,029 --> 00:02:05,600
draw fan art for me

62
00:02:12,070 --> 00:02:09,039
and i was maybe i thought one or two

63
00:02:14,309 --> 00:02:12,080

and then i got about 80 entries dude

64

00:02:16,390 --> 00:02:14,319

and i it was very hard so that's why i

65

00:02:17,670 --> 00:02:16,400

was like i'm letting the public decide

66

00:02:19,430 --> 00:02:17,680

like i can't do this

67

00:02:20,949 --> 00:02:19,440

hey i don't blame you because i think

68

00:02:22,390 --> 00:02:20,959

before you'd announce the winner i think

69

00:02:24,150 --> 00:02:22,400

in the weeks leading up you put out a

70

00:02:25,910 --> 00:02:24,160

lot of the designs for people to comment

71

00:02:26,229 --> 00:02:25,920

on and probably vote for and i was just

72

00:02:29,430 --> 00:02:26,239

like

73

00:02:31,030 --> 00:02:29,440

man this is tough but i saw this design

74

00:02:32,550 --> 00:02:31,040

i was like oh man i really wish there

75

00:02:33,589 --> 00:02:32,560

was a t-shirt with that one so when i

76

00:02:36,390 --> 00:02:33,599

saw it

77

00:02:37,430 --> 00:02:36,400

i've got to get that man so uh yeah

78

00:02:39,110 --> 00:02:37,440

awesome

79

00:02:40,869 --> 00:02:39,120

but listen ryan like we've chatted

80

00:02:43,589 --> 00:02:40,879

briefly in the past

81

00:02:44,949 --> 00:02:43,599

with max and stuff but i want to know a

82

00:02:47,110 --> 00:02:44,959

little bit more about you

83

00:02:48,830 --> 00:02:47,120

and your background because you're not

84

00:02:49,990 --> 00:02:48,840

just into the whole ufo thing you're a

85

00:02:52,070 --> 00:02:50,000

playwright

86

00:02:53,589 --> 00:02:52,080

a screenwriter is can you just give us a

87

00:02:55,589 --> 00:02:53,599

little bit of info about that because i

88

00:02:57,350 --> 00:02:55,599

find it super intriguing

89

00:02:58,710 --> 00:02:57,360

yeah totally well thank you for asking a

90

00:03:01,750 --> 00:02:58,720

lot of people it's

91

00:03:03,110 --> 00:03:01,760

strictly ufos so um i love any

92

00:03:05,990 --> 00:03:03,120

opportunity to

93

00:03:07,190 --> 00:03:06,000

show people that me you and other people

94

00:03:10,790 --> 00:03:07,200

into this topic like

95

00:03:13,190 --> 00:03:10,800

we have other lives this is exactly

96

00:03:14,470 --> 00:03:13,200

passion and curiosity of ours but um

97

00:03:17,110 --> 00:03:14,480

yeah i uh

98

00:03:18,630 --> 00:03:17,120

well first i guess i'll go back to um

99

00:03:19,830 --> 00:03:18,640

when i was younger i was a baseball

100

00:03:23,110 --> 00:03:19,840

player here in the states

101
00:03:23,990 --> 00:03:23,120
wow i i played you know ever i played

102
00:03:26,309 --> 00:03:24,000
t-ball

103
00:03:27,509 --> 00:03:26,319
since i was like whatever eight years

104
00:03:29,110 --> 00:03:27,519
old and um

105
00:03:30,869 --> 00:03:29,120
i played in high school i played a

106
00:03:32,070 --> 00:03:30,879
little bit in college and i thought i

107
00:03:35,110 --> 00:03:32,080
was going to be

108
00:03:37,589 --> 00:03:35,120
a pro baseball player major league

109
00:03:39,430 --> 00:03:37,599
yeah dude i wanted to be you know um

110
00:03:42,789 --> 00:03:39,440
wild thing vaughn from the

111
00:03:44,949 --> 00:03:42,799
the major league movies and um it didn't

112
00:03:46,070 --> 00:03:44,959
pan out that way i i played a little bit

113
00:03:48,789 --> 00:03:46,080

in college

114

00:03:49,350 --> 00:03:48,799

and then i um i actually got involved we

115

00:03:52,229 --> 00:03:49,360

had to do

116

00:03:53,030 --> 00:03:52,239

other extracurricular things in in

117

00:03:56,229 --> 00:03:53,040

college

118

00:03:57,830 --> 00:03:56,239

and um i was like let me do this theater

119

00:03:58,949 --> 00:03:57,840

thing i'm going to build some sets

120

00:04:02,470 --> 00:03:58,959

that'll be pretty fun

121

00:04:05,509 --> 00:04:02,480

like learn some carpentry skills and um

122

00:04:09,350 --> 00:04:05,519

i went in and did like a a minor

123

00:04:10,070 --> 00:04:09,360

uh in in stage carpentry stagecraft we

124

00:04:12,789 --> 00:04:10,080

call it

125

00:04:14,550 --> 00:04:12,799

and uh it was so much fun man i learned

126

00:04:17,670 --> 00:04:14,560

so much of how to uh

127

00:04:18,069 --> 00:04:17,680

how to build sets and um what what's the

128

00:04:21,590 --> 00:04:18,079

saying

129

00:04:24,790 --> 00:04:21,600

measure measure twice cut once

130

00:04:27,430 --> 00:04:24,800

is the mantra in stagecraft yeah

131

00:04:28,870 --> 00:04:27,440

and uh then i was like you know what let

132

00:04:31,189 --> 00:04:28,880

me try out for a play

133

00:04:32,469 --> 00:04:31,199

and i did and i actually got cast and i

134

00:04:34,550 --> 00:04:32,479

caught the acting bug

135

00:04:36,310 --> 00:04:34,560

and it's kind of been a whirlwind ever

136

00:04:38,310 --> 00:04:36,320

since i spent my last uh

137

00:04:39,909 --> 00:04:38,320

excuse me my first two years out of

138

00:04:42,310 --> 00:04:39,919

college uh

139

00:04:44,390 --> 00:04:42,320

acting on the road i did national tours

140

00:04:48,070 --> 00:04:44,400

of educational theater

141

00:04:50,550 --> 00:04:48,080

um you know doing plays like sierra no

142

00:04:53,110 --> 00:04:50,560

de bergerac or uh wow you know the

143

00:04:53,990 --> 00:04:53,120

famous novel the outsiders and going to

144

00:04:57,110 --> 00:04:54,000

um

145

00:04:57,990 --> 00:04:57,120

underprivileged you know schools and and

146

00:05:00,310 --> 00:04:58,000

places where

147

00:05:02,390 --> 00:05:00,320

students didn't get theater often like

148

00:05:04,550 --> 00:05:02,400

i'm spoiled here in new york city

149

00:05:06,310 --> 00:05:04,560

um and a lot of people on the west end

150

00:05:08,310 --> 00:05:06,320

too but there's a lot of places here in

151
00:05:09,909 --> 00:05:08,320
the united states that have never

152
00:05:12,469 --> 00:05:09,919
literally kids have never seen live

153
00:05:13,350 --> 00:05:12,479
theater so we were like broadway to them

154
00:05:15,909 --> 00:05:13,360
and it was so

155
00:05:17,749 --> 00:05:15,919
cool and amazing to like travel the

156
00:05:18,950 --> 00:05:17,759
country it was a very rewarding

157
00:05:21,430 --> 00:05:18,960
experience and

158
00:05:21,990 --> 00:05:21,440
ever since i moved to new york city uh i

159
00:05:24,070 --> 00:05:22,000
still

160
00:05:26,710 --> 00:05:24,080
am a playwright i write plays when i'm

161
00:05:29,350 --> 00:05:26,720
not doing the whole ufo thing and

162
00:05:29,909 --> 00:05:29,360
i've had a lot of luck in that too so

163
00:05:31,430 --> 00:05:29,919

yeah

164

00:05:33,749 --> 00:05:31,440

i'm kind of a playwright by day you

165

00:05:35,909 --> 00:05:33,759

follow just by night vinny

166

00:05:37,270 --> 00:05:35,919

jekyll and hyde is there stuff coming up

167

00:05:38,790 --> 00:05:37,280

then are you actually working towards

168

00:05:40,469 --> 00:05:38,800

something at the moment

169

00:05:42,629 --> 00:05:40,479

yeah absolutely i'm always always

170

00:05:45,029 --> 00:05:42,639

writing um i have been developing

171

00:05:45,909 --> 00:05:45,039

several ufo themed plays in the past

172

00:05:48,150 --> 00:05:45,919

couple years

173

00:05:49,189 --> 00:05:48,160

nice mixing my worlds together man i

174

00:05:51,110 --> 00:05:49,199

knew it was gonna happen

175

00:05:52,710 --> 00:05:51,120

sooner or later because i did i tried to

176
00:05:53,430 --> 00:05:52,720
keep them separate for a really long

177
00:05:55,990 --> 00:05:53,440
time

178
00:05:56,469 --> 00:05:56,000
and then i i met my mentor peter robbins

179
00:05:59,510 --> 00:05:56,479
the uh

180
00:06:00,710 --> 00:05:59,520
the ufo researcher who also lives in new

181
00:06:03,189 --> 00:06:00,720
york and um

182
00:06:05,029 --> 00:06:03,199
is also a big theater person so we meet

183
00:06:06,550 --> 00:06:05,039
here in new york city all the time go to

184
00:06:09,510 --> 00:06:06,560
diners and uh

185
00:06:11,510 --> 00:06:09,520
chat theater and ufos and um yeah it's

186
00:06:14,790 --> 00:06:11,520
been a crazy journey ever since

187
00:06:15,990 --> 00:06:14,800
that's so cool man so where was the

188
00:06:18,469 --> 00:06:16,000

transition where

189

00:06:19,510 --> 00:06:18,479

you may have been studying ufos but then

190

00:06:21,670 --> 00:06:19,520

you did

191

00:06:23,749 --> 00:06:21,680

go into tv shows and stuff did the

192

00:06:24,950 --> 00:06:23,759

podcast come first or was it something

193

00:06:27,029 --> 00:06:24,960

else

194

00:06:28,550 --> 00:06:27,039

so i would say you know when i got into

195

00:06:31,270 --> 00:06:28,560

college and uh

196

00:06:32,950 --> 00:06:31,280

uh school took over and um and

197

00:06:34,790 --> 00:06:32,960

everything else in life

198

00:06:36,629 --> 00:06:34,800

i kind of put the i had been studying

199

00:06:39,909 --> 00:06:36,639

ufos since i was 13.

200

00:06:42,230 --> 00:06:39,919

like um you know deep deep into it

201
00:06:44,870 --> 00:06:42,240
interviewing people um having all the

202
00:06:46,870 --> 00:06:44,880
conversations on the chat forums and

203
00:06:49,029 --> 00:06:46,880
and all that stuff uh i even wrote for

204
00:06:52,390 --> 00:06:49,039
some magazines while i was in college

205
00:06:54,469 --> 00:06:52,400
um with open minds magazine sure so yeah

206
00:06:55,830 --> 00:06:54,479
yeah yeah and that was great because i

207
00:06:58,070 --> 00:06:55,840
still got to do it

208
00:06:59,350 --> 00:06:58,080
um you know on the side but then there

209
00:07:02,710 --> 00:06:59,360
came a point where

210
00:07:05,830 --> 00:07:02,720
i i saw that the field was lacking

211
00:07:07,510 --> 00:07:05,840
um anything new new approaches

212
00:07:08,950 --> 00:07:07,520
everyone was talking about the same damn

213
00:07:10,950 --> 00:07:08,960

cases um

214

00:07:12,150 --> 00:07:10,960

you know on every single podcast or

215

00:07:15,430 --> 00:07:12,160

radio show

216

00:07:16,469 --> 00:07:15,440

and uh everyone was just no answers they

217

00:07:19,029 --> 00:07:16,479

were

218

00:07:21,189 --> 00:07:19,039

welcome to ufology right but um oh god

219

00:07:23,510 --> 00:07:21,199

yes

220

00:07:25,110 --> 00:07:23,520

i i i was like what can i do like how

221

00:07:26,390 --> 00:07:25,120

can i contribute something new to this

222

00:07:27,830 --> 00:07:26,400

whole ufo thing

223

00:07:29,990 --> 00:07:27,840

and that's when i reached out to uh

224

00:07:32,790 --> 00:07:30,000

richard dolan who actually published

225

00:07:34,550 --> 00:07:32,800

my first book and um when i went to him

226

00:07:35,189 --> 00:07:34,560

i was so naive man i'm like i want to

227

00:07:37,350 --> 00:07:35,199

write a book

228

00:07:39,670 --> 00:07:37,360

he's like great what about and i was

229

00:07:41,110 --> 00:07:39,680

like i don't know

230

00:07:42,710 --> 00:07:41,120

and he said well you should probably

231

00:07:45,510 --> 00:07:42,720

think about that before you

232

00:07:46,309 --> 00:07:45,520

go pitch into uh to book publishers and

233

00:07:48,469 --> 00:07:46,319

whatnot

234

00:07:50,150 --> 00:07:48,479

and uh that's when i really sat down and

235

00:07:50,950 --> 00:07:50,160

reflected i'm like well what what could

236

00:07:53,270 --> 00:07:50,960

i do

237

00:07:55,430 --> 00:07:53,280

different and so i started implementing

238

00:07:56,309 --> 00:07:55,440

my playwriting skills into my ufo

239

00:07:58,869 --> 00:07:56,319

research

240

00:07:59,510 --> 00:07:58,879

you know in plays we focus on characters

241

00:08:02,150 --> 00:07:59,520

you know yes

242

00:08:04,550 --> 00:08:02,160

what what what motivates them um why are

243

00:08:07,749 --> 00:08:04,560

we being dropped into a character's life

244

00:08:09,830 --> 00:08:07,759

all of a sudden um like what's the point

245

00:08:11,029 --> 00:08:09,840

and for me and what i learned in

246

00:08:13,029 --> 00:08:11,039

playwriting is

247

00:08:14,790 --> 00:08:13,039

that moment is usually pivotal in that

248

00:08:16,070 --> 00:08:14,800

person's life that's why we're watching

249

00:08:18,150 --> 00:08:16,080

a play play out

250

00:08:19,430 --> 00:08:18,160

and uh they ultimately are changed by

251

00:08:21,830 --> 00:08:19,440

whatever's going on

252

00:08:23,510 --> 00:08:21,840

so i'm like boom ufos that can be a

253

00:08:24,629 --> 00:08:23,520

pivotal moment and people's lives have

254

00:08:27,510 --> 00:08:24,639

changed for them

255

00:08:27,909 --> 00:08:27,520

drastically after so i was like there we

256

00:08:29,749 --> 00:08:27,919

go

257

00:08:31,270 --> 00:08:29,759

i want to focus on the people i want to

258

00:08:33,990 --> 00:08:31,280

see how these events

259

00:08:36,149 --> 00:08:34,000

change them and impact them and what

260

00:08:38,709 --> 00:08:36,159

they think it was not what some

261

00:08:40,310 --> 00:08:38,719

you know ufo researcher thinks happened

262

00:08:42,469 --> 00:08:40,320

to them what do you think happened

263

00:08:44,389 --> 00:08:42,479

how did it change your belief system and

264

00:08:46,949 --> 00:08:44,399

ultimately what does that say

265

00:08:47,750 --> 00:08:46,959

about us as humans and possibly the

266

00:08:50,949 --> 00:08:47,760

phenomena

267

00:08:52,630 --> 00:08:50,959

so yeah that was kind of my weird um

268

00:08:54,550 --> 00:08:52,640

convoluted way of answering your

269

00:08:55,269 --> 00:08:54,560

question hey i love it honestly that

270

00:08:57,509 --> 00:08:55,279

makes so

271

00:08:59,430 --> 00:08:57,519

much sense and yeah i couldn't have

272

00:09:01,990 --> 00:08:59,440

asked for a better answer said thank you

273

00:09:03,590 --> 00:09:02,000

yeah so and where did the tv kind of

274

00:09:10,389 --> 00:09:03,600

stuff come in then i mean

275

00:09:13,829 --> 00:09:12,630

this is why we're here man to just spit

276

00:09:16,870 --> 00:09:13,839

ball and yeah

277

00:09:21,350 --> 00:09:16,880

go off on tangents don't apologize

278

00:09:23,750 --> 00:09:21,360

um so my first book came out in 2016

279

00:09:25,269 --> 00:09:23,760

and um you know this is pre-new york

280

00:09:28,870 --> 00:09:25,279

times article and everything

281

00:09:30,870 --> 00:09:28,880

yeah and uh while i was doing the

282

00:09:33,350 --> 00:09:30,880

the well after the first book came out i

283

00:09:34,630 --> 00:09:33,360

was like i have hundreds of stories

284

00:09:36,310 --> 00:09:34,640

that people brought to me that i

285

00:09:36,870 --> 00:09:36,320

couldn't put in the book there just

286

00:09:39,670 --> 00:09:36,880

wasn't

287

00:09:40,470 --> 00:09:39,680

enough time and space and and everything

288

00:09:43,590 --> 00:09:40,480

in between but

289

00:09:44,790 --> 00:09:43,600

i wanted all those voices to be heard so

290

00:09:47,910 --> 00:09:44,800

i'm like

291

00:09:50,070 --> 00:09:47,920

i listened to um you know richard dolan

292

00:09:52,310 --> 00:09:50,080

alejandro rojas uh

293

00:09:53,750 --> 00:09:52,320

jim harold from the paranormal podcast

294

00:09:56,310 --> 00:09:53,760

one of the pioneering

295

00:09:58,150 --> 00:09:56,320

podcasters out there in these you know

296

00:10:00,470 --> 00:09:58,160

uh niche communities that were

297

00:10:02,470 --> 00:10:00,480

worldwide and uh he was a huge

298

00:10:05,190 --> 00:10:02,480

inspiration him and um

299

00:10:05,990 --> 00:10:05,200

uh shannon legrow who oh yeah into the

300

00:10:08,630 --> 00:10:06,000

freight radio

301
00:10:10,230 --> 00:10:08,640
right yeah yeah so i had the immense

302
00:10:12,949 --> 00:10:10,240
pleasure of doing like

303
00:10:13,910 --> 00:10:12,959
the first 50 episodes or so coming on

304
00:10:16,150 --> 00:10:13,920
every now and again

305
00:10:17,910 --> 00:10:16,160
to shannon's show with uh our mutual

306
00:10:20,389 --> 00:10:17,920
colleague sam sheeran

307
00:10:22,069 --> 00:10:20,399
and uh i loved it i loved the whole

308
00:10:24,230 --> 00:10:22,079
podcasting thing i'm like i

309
00:10:25,430 --> 00:10:24,240
i want to try to do this and i didn't

310
00:10:27,430 --> 00:10:25,440
know it was going to work

311
00:10:29,110 --> 00:10:27,440
um i didn't know if anyone would give a

312
00:10:31,670 --> 00:10:29,120
crap what i thought or one

313
00:10:33,829 --> 00:10:31,680

would want to listen and uh dolan was my

314

00:10:36,870 --> 00:10:33,839

first guest so thank god yeah

315

00:10:40,550 --> 00:10:36,880

he really helped me out and um and

316

00:10:41,670 --> 00:10:40,560

it just kind of took off i'm almost 230

317

00:10:44,710 --> 00:10:41,680

episodes in now

318

00:10:48,389 --> 00:10:44,720

and uh that ultimately led to

319

00:10:50,870 --> 00:10:48,399

um tv networks finding me by

320

00:10:52,550 --> 00:10:50,880

you know they literally i i guarantee

321

00:10:56,150 --> 00:10:52,560

you man they go online and they're like

322

00:10:57,110 --> 00:10:56,160

ufos podcasts and see what pops up or

323

00:11:00,630 --> 00:10:57,120

ufos

324

00:11:02,470 --> 00:11:00,640

uh researchers and um you know once you

325

00:11:04,630 --> 00:11:02,480

start getting in those search engines

326

00:11:06,949 --> 00:11:04,640

with the podcasts and stuff like what

327

00:11:09,190 --> 00:11:06,959

you're doing they start to take notice

328

00:11:11,670 --> 00:11:09,200

and uh i guarantee you you're gonna get

329

00:11:14,389 --> 00:11:11,680

reached out to probably sooner or later

330

00:11:16,230 --> 00:11:14,399

with the way ufos are now man i don't

331

00:11:18,630 --> 00:11:16,240

know i can't see myself on tv

332

00:11:20,389 --> 00:11:18,640

but oh no you're made for it you're made

333

00:11:23,110 --> 00:11:20,399

for it especially with that t-shirt

334

00:11:25,030 --> 00:11:23,120

um yeah definitely man that's what

335

00:11:27,509 --> 00:11:25,040

happened i was living in la

336

00:11:28,230 --> 00:11:27,519

i was at a conference speaking and some

337

00:11:31,110 --> 00:11:28,240

you know

338

00:11:32,630 --> 00:11:31,120

one of those slick hollywood type guys

339

00:11:35,829 --> 00:11:32,640

came up to me he's like

340

00:11:37,350 --> 00:11:35,839

hey i'm a big fan of your work um i i'm

341

00:11:39,190 --> 00:11:37,360

really into the ufo thing

342

00:11:40,949 --> 00:11:39,200

i'm thinking of doing a tv show and at

343

00:11:42,069 --> 00:11:40,959

this point man like i heard i've heard

344

00:11:44,389 --> 00:11:42,079

every pitch

345

00:11:45,110 --> 00:11:44,399

i've been a hundred shows have reached

346

00:11:47,509 --> 00:11:45,120

out and be like

347

00:11:48,870 --> 00:11:47,519

we're doing it we're gonna go and solve

348

00:11:52,470 --> 00:11:48,880

the ufo mystery

349

00:11:55,350 --> 00:11:52,480

and i've always just like yeah sure yeah

350

00:11:57,350 --> 00:11:55,360

i'll believe it when i see it and lo and

351
00:11:58,150 --> 00:11:57,360
behold like two weeks after i talked to

352
00:12:00,790 --> 00:11:58,160
this guy

353
00:12:02,230 --> 00:12:00,800
um he called me he was like hey i sold

354
00:12:04,790 --> 00:12:02,240
the show you're gonna be on it

355
00:12:05,430 --> 00:12:04,800
and i was just like wow it actually

356
00:12:07,829 --> 00:12:05,440
happened

357
00:12:09,990 --> 00:12:07,839
and um then he told me it's gonna be

358
00:12:10,710 --> 00:12:10,000
about roswell and i was just like oh god

359
00:12:12,710 --> 00:12:10,720
damn it

360
00:12:14,710 --> 00:12:12,720
oh so that was the first mysteries

361
00:12:17,430 --> 00:12:14,720
decoded correct yeah so

362
00:12:17,750 --> 00:12:17,440
um at first i was like roswell really

363
00:12:19,670 --> 00:12:17,760

like

364

00:12:21,110 --> 00:12:19,680

what le what is there left that could be

365

00:12:23,829 --> 00:12:21,120

said about ross yeah yeah

366

00:12:25,430 --> 00:12:23,839

and um he said no no no we're gonna do a

367

00:12:26,550 --> 00:12:25,440

new approach we're gonna we have new

368

00:12:29,030 --> 00:12:26,560

evidence that we um

369

00:12:29,590 --> 00:12:29,040

our researchers have looked into and um

370

00:12:32,310 --> 00:12:29,600

he's like

371

00:12:33,990 --> 00:12:32,320

we're it's gonna be on the cw which is a

372

00:12:35,269 --> 00:12:34,000

very young demographic here in the

373

00:12:37,350 --> 00:12:35,279

united states yeah and

374

00:12:38,710 --> 00:12:37,360

um and he's like these people have never

375

00:12:41,350 --> 00:12:38,720

heard of roswell

376

00:12:42,069 --> 00:12:41,360

that's that's such a good point so we

377

00:12:44,550 --> 00:12:42,079

basically

378

00:12:46,550 --> 00:12:44,560

we did a one-hour special um it was not

379

00:12:49,590 --> 00:12:46,560

supposed to be anything more than that

380

00:12:52,150 --> 00:12:49,600

and uh it was so much fun man we we went

381

00:12:54,710 --> 00:12:52,160

out to roswell we went to the crash site

382

00:12:55,670 --> 00:12:54,720

we talked to people we had medals tested

383

00:12:59,110 --> 00:12:55,680

and um

384

00:12:59,670 --> 00:12:59,120

we had uh documents and photos analyzed

385

00:13:05,190 --> 00:12:59,680

and

386

00:13:06,310 --> 00:13:05,200

the ratings were so good that the cw

387

00:13:08,790 --> 00:13:06,320

bought a whole

388

00:13:10,870 --> 00:13:08,800

series and uh my investigative partner

389

00:13:11,509 --> 00:13:10,880

jennifer marshall she's a former navy

390

00:13:14,550 --> 00:13:11,519

vet

391

00:13:17,990 --> 00:13:14,560

she became the the main host and

392

00:13:19,910 --> 00:13:18,000

now we're almost uh three seasons in now

393

00:13:21,910 --> 00:13:19,920

i i guess i could kind of say where

394

00:13:23,430 --> 00:13:21,920

we have a third season coming out soon

395

00:13:24,949 --> 00:13:23,440

this summer um

396

00:13:26,470 --> 00:13:24,959

i might get in trouble for saying that

397

00:13:27,190 --> 00:13:26,480

so you might have to cut that out of the

398

00:13:29,990 --> 00:13:27,200

archive

399

00:13:31,350 --> 00:13:30,000

oh yeah let me know i'm a fan of hers as

400

00:13:33,269 --> 00:13:31,360

well i follow her

401
00:13:35,350 --> 00:13:33,279
on on social media and stuff she she's

402
00:13:37,990 --> 00:13:35,360
awesome she's and she's an actor as well

403
00:13:39,990 --> 00:13:38,000
isn't she yeah so she um her big claim

404
00:13:40,949 --> 00:13:40,000
to fame was she was on stranger things

405
00:13:42,790 --> 00:13:40,959
so of course

406
00:13:44,069 --> 00:13:42,800
kind of staying in that realm of the

407
00:13:46,629 --> 00:13:44,079
unknown and uh

408
00:13:47,430 --> 00:13:46,639
she actually did an episode about uh

409
00:13:49,269 --> 00:13:47,440
montauk

410
00:13:51,110 --> 00:13:49,279
which if any of your viewers and

411
00:13:54,069 --> 00:13:51,120
listeners don't know is like a

412
00:13:55,269 --> 00:13:54,079
super secret place here and uh near me

413
00:13:56,710 --> 00:13:55,279

actually in new york city i'm gonna say

414

00:13:58,470 --> 00:13:56,720

have you been out to montauk to the

415

00:13:59,990 --> 00:13:58,480

where the radar tower is and all that

416

00:14:02,069 --> 00:14:00,000

i've been out there a couple times out

417

00:14:04,150 --> 00:14:02,079

to montauk where the the radar

418

00:14:05,430 --> 00:14:04,160

thing is and you know for anyone who

419

00:14:06,629 --> 00:14:05,440

doesn't know this is a place where

420

00:14:09,910 --> 00:14:06,639

supposedly

421

00:14:13,110 --> 00:14:09,920

a bunch of weird mk ultra stuff happened

422

00:14:15,829 --> 00:14:13,120

time travel experiments um

423

00:14:17,590 --> 00:14:15,839

and really dark stuff man like

424

00:14:18,790 --> 00:14:17,600

apparently these like

425

00:14:21,110 --> 00:14:18,800

scientists that worked with the

426
00:14:23,509 --> 00:14:21,120
government kind of went rogue and um

427
00:14:24,150 --> 00:14:23,519
took over this old installation on long

428
00:14:26,710 --> 00:14:24,160
island

429
00:14:27,509 --> 00:14:26,720
and they were kidnapping like runaway

430
00:14:29,509 --> 00:14:27,519
kids

431
00:14:30,790 --> 00:14:29,519
and bringing them there and doing these

432
00:14:33,269 --> 00:14:30,800
weird experiments

433
00:14:34,870 --> 00:14:33,279
on them and trying to basically create

434
00:14:37,269 --> 00:14:34,880
super soldiers

435
00:14:38,790 --> 00:14:37,279
so uh jennifer wanted to really look

436
00:14:40,870 --> 00:14:38,800
into this having been

437
00:14:42,150 --> 00:14:40,880
on stranger things which was literally

438
00:14:45,269 --> 00:14:42,160

inspired by

439

00:14:46,150 --> 00:14:45,279

the montauk experiments um she wanted to

440

00:14:48,230 --> 00:14:46,160

be like hey

441

00:14:50,310 --> 00:14:48,240

i did the the fictional version i want

442

00:14:52,389 --> 00:14:50,320

to see if there's any truth to this so

443

00:14:54,150 --> 00:14:52,399

um that is a great episode if anyone

444

00:14:56,069 --> 00:14:54,160

hasn't seen mysteries decoded

445

00:14:57,509 --> 00:14:56,079

that's what i'd say to start with uh

446

00:14:59,350 --> 00:14:57,519

other than mine of course

447

00:15:01,750 --> 00:14:59,360

i'd say start from season one and go

448

00:15:03,189 --> 00:15:01,760

right the way through to be honest

449

00:15:04,790 --> 00:15:03,199

but just jumping back to that one-hour

450

00:15:06,550 --> 00:15:04,800

special at roswell when you first

451

00:15:08,790 --> 00:15:06,560

actually went out there

452

00:15:10,949 --> 00:15:08,800

how did it feel knowing that you were in

453

00:15:12,949 --> 00:15:10,959

the supposed crash site from such a

454

00:15:15,750 --> 00:15:12,959

famous thing to do with ufos

455

00:15:16,470 --> 00:15:15,760

oh it was like uh i would say if you

456

00:15:19,269 --> 00:15:16,480

were a

457

00:15:20,230 --> 00:15:19,279

very religious person like standing on

458

00:15:22,870 --> 00:15:20,240

holy ground

459

00:15:25,110 --> 00:15:22,880

holy land where this uh you know i don't

460

00:15:28,230 --> 00:15:25,120

want to use the word myth but where this

461

00:15:31,189 --> 00:15:28,240

legend had had actually occurred

462

00:15:33,990 --> 00:15:31,199

and yeah of course for anyone into this

463

00:15:36,870 --> 00:15:34,000

topic roswell is like the holy grail so

464

00:15:38,310 --> 00:15:36,880

um i was i will say this i was skeptical

465

00:15:40,629 --> 00:15:38,320

at first when they said

466

00:15:42,069 --> 00:15:40,639

it's the actual crash site because who

467

00:15:44,230 --> 00:15:42,079

really knows that yeah

468

00:15:45,910 --> 00:15:44,240

there's there's like 50 different

469

00:15:48,230 --> 00:15:45,920

claimed crash sites

470

00:15:48,949 --> 00:15:48,240

and um a lot of people when they go out

471

00:15:51,509 --> 00:15:48,959

there

472

00:15:52,389 --> 00:15:51,519

you go to this plaque in the in the

473

00:15:54,949 --> 00:15:52,399

ground

474

00:15:57,269 --> 00:15:54,959

and it literally says like this is where

475

00:16:00,550 --> 00:15:57,279

something crashed in 1947.

476

00:16:02,550 --> 00:16:00,560

um the sci-fi channel uh was the first

477

00:16:03,269 --> 00:16:02,560

to find it and we did a special blah

478

00:16:05,590 --> 00:16:03,279

blah blah

479

00:16:07,990 --> 00:16:05,600

and what people don't know is that's

480

00:16:09,910 --> 00:16:08,000

like 80 miles from the actual

481

00:16:11,430 --> 00:16:09,920

crash site so a lot of people go to that

482

00:16:14,470 --> 00:16:11,440

plaque and they're like i did it

483

00:16:15,990 --> 00:16:14,480

i made it to the crash site um but

484

00:16:18,550 --> 00:16:16,000

the gentleman we worked with frank

485

00:16:20,790 --> 00:16:18,560

kimbler uh he has been

486

00:16:22,069 --> 00:16:20,800

investigating roswell for over a decade

487

00:16:26,470 --> 00:16:22,079

now he has done

488

00:16:28,949 --> 00:16:26,480

the most like insane triangulation

489

00:16:30,310 --> 00:16:28,959
of finding what he believes is the

490

00:16:33,590 --> 00:16:30,320
actual crash site

491

00:16:36,150 --> 00:16:33,600
which he actually corroborated with um

492

00:16:37,670 --> 00:16:36,160
don schmidt one of the most famous ufo

493

00:16:40,069 --> 00:16:37,680
researchers on roswell

494

00:16:41,829 --> 00:16:40,079
yeah and he said that's it you found it

495

00:16:44,949 --> 00:16:41,839
and uh we went out there

496

00:16:46,550 --> 00:16:44,959
and i i i don't i can't even really

497

00:16:48,629 --> 00:16:46,560
describe that feeling of like

498

00:16:50,069 --> 00:16:48,639
stepping on the sand out there in the

499

00:16:53,189 --> 00:16:50,079
desert um

500

00:16:53,749 --> 00:16:53,199
not sand more like dirt and just looking

501
00:16:57,030 --> 00:16:53,759
over

502
00:16:57,829 --> 00:16:57,040
these arroyos and being like holy [h__h]

503
00:17:00,949 --> 00:16:57,839
man

504
00:17:02,470 --> 00:17:00,959
like something crashed and i'm standing

505
00:17:06,069 --> 00:17:02,480
where it possibly could have been

506
00:17:08,870 --> 00:17:06,079
and this guy frank found metals you know

507
00:17:09,669 --> 00:17:08,880
a few feet under the ground there and

508
00:17:16,549 --> 00:17:09,679
buttons

509
00:17:18,470 --> 00:17:16,559
so dude the military was out there yeah

510
00:17:20,390 --> 00:17:18,480
there was something that crashed where

511
00:17:22,390 --> 00:17:20,400
he said the crash site was

512
00:17:24,309 --> 00:17:22,400
and it wasn't still on like the it was

513
00:17:24,870 --> 00:17:24,319

the brazil ranch wasn't it originally

514

00:17:26,789 --> 00:17:24,880

which is

515

00:17:28,150 --> 00:17:26,799

actually nearer to corona than it was to

516

00:17:30,310 --> 00:17:28,160

roswell itself

517

00:17:32,150 --> 00:17:30,320

correct well yeah still on the location

518

00:17:35,430 --> 00:17:32,160

of the ranch land in that for that

519

00:17:36,390 --> 00:17:35,440

that property yes however by the time we

520

00:17:38,549 --> 00:17:36,400

got out there

521

00:17:39,750 --> 00:17:38,559

the land had actually been bought by the

522

00:17:43,430 --> 00:17:39,760

government um

523

00:17:45,270 --> 00:17:43,440

go figure so that's a really weird story

524

00:17:46,230 --> 00:17:45,280

that doesn't get talked about often with

525

00:17:49,510 --> 00:17:46,240

this when um

526

00:17:51,190 --> 00:17:49,520

give it to us sure sure when uh when we

527

00:17:52,789 --> 00:17:51,200

decided to work with frank on this

528

00:17:54,070 --> 00:17:52,799

episode because we had heard that he

529

00:17:57,110 --> 00:17:54,080

found these medals

530

00:17:59,669 --> 00:17:57,120

and um and these buttons and uh that

531

00:18:01,669 --> 00:17:59,679

he'd had some of them tested prior but

532

00:18:02,950 --> 00:18:01,679

we wanted to use a whole new lab and we

533

00:18:06,710 --> 00:18:02,960

wanted to um

534

00:18:09,270 --> 00:18:06,720

and do it our way so basically

535

00:18:10,710 --> 00:18:09,280

i would say a month before we decided to

536

00:18:12,950 --> 00:18:10,720

film with frank

537

00:18:15,190 --> 00:18:12,960

his medals were confiscated by the

538

00:18:18,230 --> 00:18:15,200

bureau of land management

539

00:18:19,110 --> 00:18:18,240

so he starts freaking out he's like oh

540

00:18:21,590 --> 00:18:19,120

my god

541

00:18:23,830 --> 00:18:21,600

my my medals that could be possibly from

542

00:18:26,150 --> 00:18:23,840

an extraterrestrial craft or some

543

00:18:28,150 --> 00:18:26,160

sort of highly advanced aircraft are

544

00:18:29,590 --> 00:18:28,160

being compensated by the government that

545

00:18:30,710 --> 00:18:29,600

ultimately were part of the cover-up

546

00:18:33,669 --> 00:18:30,720

originally

547

00:18:34,070 --> 00:18:33,679

um so it was crazy man he had to like go

548

00:18:37,510 --> 00:18:34,080

in

549

00:18:38,710 --> 00:18:37,520

and and um negotiate with them and this

550

00:18:40,150 --> 00:18:38,720

and that and they're like we could

551

00:18:41,669 --> 00:18:40,160

actually arrest you dude

552

00:18:43,750 --> 00:18:41,679

because like you were digging on

553

00:18:45,270 --> 00:18:43,760

government land and you can't do that

554

00:18:46,390 --> 00:18:45,280

you can't be doing it of course no

555

00:18:49,029 --> 00:18:46,400

permit or anything

556

00:18:50,710 --> 00:18:49,039

totally so he understood he's like okay

557

00:18:51,510 --> 00:18:50,720

like i won't be doing i won't do any

558

00:18:54,230 --> 00:18:51,520

more digging

559

00:18:56,150 --> 00:18:54,240

um but for years before that he'd been

560

00:18:56,950 --> 00:18:56,160

going out there with his son and they

561

00:19:00,070 --> 00:18:56,960

would spend

562

00:19:02,710 --> 00:19:00,080

10 hours a day digging um and

563

00:19:03,750 --> 00:19:02,720

using you know his work as a geologist

564

00:19:07,029 --> 00:19:03,760

to figure out

565

00:19:09,909 --> 00:19:07,039

okay the impact site was here after

566

00:19:12,230 --> 00:19:09,919

10 years the water runoff would

567

00:19:15,110 --> 00:19:12,240

eventually make its way down this arroyo

568

00:19:16,390 --> 00:19:15,120

so let's go look over here and he did

569

00:19:19,270 --> 00:19:16,400

and he found stuff

570

00:19:20,870 --> 00:19:19,280

and we eventually had it tested and the

571

00:19:23,990 --> 00:19:20,880

results were um

572

00:19:25,750 --> 00:19:24,000

extremely interesting uh extremely

573

00:19:28,630 --> 00:19:25,760

interesting and we're still coming out

574

00:19:30,789 --> 00:19:28,640

with results and um

575

00:19:32,710 --> 00:19:30,799

yeah man it's pretty crazy um all i

576

00:19:33,350 --> 00:19:32,720

could say is the episode doesn't do it

577

00:19:36,470 --> 00:19:33,360

justice

578

00:19:40,150 --> 00:19:36,480

of uh what we analyzed and uh what the

579

00:19:43,029 --> 00:19:40,160

the uh the lab had analyzed uh

580

00:19:43,430 --> 00:19:43,039

it was far weirder than we expected and

581

00:19:45,110 --> 00:19:43,440

um

582

00:19:47,029 --> 00:19:45,120

again we're getting we're still getting

583

00:19:49,110 --> 00:19:47,039

them tested because you can't just have

584

00:19:50,950 --> 00:19:49,120

one test and that's it boom you found

585

00:19:52,390 --> 00:19:50,960

alien wreckage like that's not how these

586

00:19:56,470 --> 00:19:52,400

things work and it's

587

00:19:58,150 --> 00:19:56,480

a lot of money so um god bless the cw

588

00:19:59,750 --> 00:19:58,160

for helping us out with that they could

589

00:20:02,390 --> 00:19:59,760

ultimately crack this uh

590

00:20:04,390 --> 00:20:02,400

this mystery we'll see we'll see oh man

591

00:20:05,510 --> 00:20:04,400

i'm so excited just listening to you

592

00:20:07,350 --> 00:20:05,520

explain and

593

00:20:09,190 --> 00:20:07,360

picturing what it would feel like to be

594

00:20:11,270 --> 00:20:09,200

on that site and that and i know like

595

00:20:13,990 --> 00:20:11,280

you said it's like walking on holy land

596

00:20:15,510 --> 00:20:14,000

for a religious person and well and

597

00:20:18,630 --> 00:20:15,520

here's one more thing vinnie

598

00:20:21,110 --> 00:20:18,640

sure even my my partner uh jennifer she

599

00:20:23,750 --> 00:20:21,120

is the most skeptical person out there

600

00:20:24,470 --> 00:20:23,760

um you know and and she went into this

601
00:20:26,950 --> 00:20:24,480
being like

602
00:20:28,070 --> 00:20:26,960
it was a weather balloon like totally or

603
00:20:29,990 --> 00:20:28,080
it was you know

604
00:20:31,110 --> 00:20:30,000
yeah some sort of high altitude test

605
00:20:33,590 --> 00:20:31,120
they were doing right

606
00:20:34,390 --> 00:20:33,600
and um and she also didn't believe that

607
00:20:36,310 --> 00:20:34,400
what he found

608
00:20:38,149 --> 00:20:36,320
she thought it was like metal from like

609
00:20:40,710 --> 00:20:38,159
a a soda can

610
00:20:41,350 --> 00:20:40,720
like just something trash left out there

611
00:20:44,470 --> 00:20:41,360
but dude

612
00:20:46,070 --> 00:20:44,480
like i said nothing within a hundred

613
00:20:49,430 --> 00:20:46,080

miles of this crash site

614

00:20:51,909 --> 00:20:49,440

the no no reason and no

615

00:20:53,350 --> 00:20:51,919

no business of anyone to be out there it

616

00:20:56,630 --> 00:20:53,360

was so barren

617

00:20:58,789 --> 00:20:56,640

no birds no insects um you know the

618

00:21:02,230 --> 00:20:58,799

worst you had to worry about were snakes

619

00:21:04,549 --> 00:21:02,240

and uh like nobody's out there partying

620

00:21:05,990 --> 00:21:04,559

like you know having a ufo party or

621

00:21:08,630 --> 00:21:06,000

anything like that

622

00:21:10,310 --> 00:21:08,640

so especially not if it's miles away

623

00:21:11,990 --> 00:21:10,320

from the plaque where everyone will be

624

00:21:13,350 --> 00:21:12,000

celebrating going yeah bro we're at the

625

00:21:15,669 --> 00:21:13,360

site exactly

626

00:21:16,870 --> 00:21:15,679

so she came out of that man being like

627

00:21:18,950 --> 00:21:16,880

whoa and uh

628

00:21:20,789 --> 00:21:18,960

there were a few other things that we we

629

00:21:22,789 --> 00:21:20,799

came out of there being like

630

00:21:24,630 --> 00:21:22,799

there was a cover-up that there's no

631

00:21:26,230 --> 00:21:24,640

argument there was a cover-up of

632

00:21:28,789 --> 00:21:26,240

something what that was

633

00:21:29,590 --> 00:21:28,799

i don't know if we'll ever know but um

634

00:21:31,990 --> 00:21:29,600

that was it

635

00:21:33,590 --> 00:21:32,000

like she was supposed to be the scully i

636

00:21:35,110 --> 00:21:33,600

was supposed to be the moulder

637

00:21:36,950 --> 00:21:35,120

and by the time we came out of that

638

00:21:39,750 --> 00:21:36,960

investigation man like

639

00:21:40,870 --> 00:21:39,760

we were like scolder it was like a

640

00:21:42,789 --> 00:21:40,880

hybrid

641

00:21:44,230 --> 00:21:42,799

and she was leaning more towards boulder

642

00:21:47,510 --> 00:21:44,240

as you can

643

00:21:50,230 --> 00:21:47,520

see right here oh nice

644

00:21:52,310 --> 00:21:50,240

fan boy plaque so it was an adventure

645

00:21:55,510 --> 00:21:52,320

and uh it's only just begun

646

00:21:56,310 --> 00:21:55,520

excellent man um what i wanted to ask as

647

00:21:58,070 --> 00:21:56,320

well is

648

00:22:00,230 --> 00:21:58,080

i'm sure you've done other stuff not

649

00:22:00,789 --> 00:22:00,240

exactly ufos but more other paranormal

650

00:22:02,870 --> 00:22:00,799

kind of

651
00:22:04,149 --> 00:22:02,880
things haven't you did you want to can

652
00:22:05,350 --> 00:22:04,159
you just

653
00:22:06,549 --> 00:22:05,360
explain a little bit about that because

654
00:22:08,149 --> 00:22:06,559
i've looked into things like that in the

655
00:22:09,510 --> 00:22:08,159
past and i think that it is a natural

656
00:22:11,669 --> 00:22:09,520
progression or

657
00:22:12,549 --> 00:22:11,679
you know people that are into ufos or

658
00:22:15,830 --> 00:22:12,559
for me

659
00:22:19,029 --> 00:22:15,840
i've found that this is my focus but in

660
00:22:22,470 --> 00:22:19,039
the past i've done everything bigfoot um

661
00:22:24,390 --> 00:22:22,480
atlantis cryptozoology things like that

662
00:22:27,750 --> 00:22:24,400
so yeah just give us a little rundown of

663
00:22:31,270 --> 00:22:27,760

what you've done yeah sure um

664

00:22:33,430 --> 00:22:31,280

so i uh yeah i mean yeah primarily i do

665

00:22:34,230 --> 00:22:33,440

ufos but i've definitely like gone on

666

00:22:36,789 --> 00:22:34,240

ghost hunts

667

00:22:38,630 --> 00:22:36,799

because i got i got really suckered into

668

00:22:41,669 --> 00:22:38,640

that back during like

669

00:22:44,310 --> 00:22:41,679

what was it like the early 2000s when um

670

00:22:45,750 --> 00:22:44,320

like paranormal state and all those when

671

00:22:48,789 --> 00:22:45,760

i heard that this dude

672

00:22:51,590 --> 00:22:48,799

started a paranormal investigation club

673

00:22:53,909 --> 00:22:51,600

on his campus and like they were

674

00:22:55,830 --> 00:22:53,919

basically funding him to go out and like

675

00:22:57,830 --> 00:22:55,840

ghost hunt i was like that is so cool

676

00:22:58,950 --> 00:22:57,840

like i want to do that i want to be the

677

00:23:01,669 --> 00:22:58,960

one to do that

678

00:23:03,590 --> 00:23:01,679

um i started getting really into it i

679

00:23:05,510 --> 00:23:03,600

caught the the paranormal bug so i

680

00:23:08,230 --> 00:23:05,520

started going on like ghost hunts

681

00:23:09,110 --> 00:23:08,240

with different people and um even when i

682

00:23:10,870 --> 00:23:09,120

would speak at

683

00:23:13,430 --> 00:23:10,880

events i'd get invited to like

684

00:23:14,950 --> 00:23:13,440

paranormal investigations in that town

685

00:23:17,029 --> 00:23:14,960

that i was speaking at even though i was

686

00:23:19,190 --> 00:23:17,039

doing ufos they're like hey like

687

00:23:22,070 --> 00:23:19,200

if you're not doing anything tonight uh

688

00:23:24,390 --> 00:23:22,080

come to this ghost time and um

689

00:23:25,510 --> 00:23:24,400

there's one specific ghost hunt i went

690

00:23:27,909 --> 00:23:25,520

to and i'm very

691

00:23:28,789 --> 00:23:27,919

mind you i'm very skeptical of the whole

692

00:23:30,549 --> 00:23:28,799

ghost thing

693

00:23:32,230 --> 00:23:30,559

um not because i don't believe it can

694

00:23:34,470 --> 00:23:32,240

happen i'm terrified

695

00:23:36,070 --> 00:23:34,480

of it to be honest are you not scared

696

00:23:37,830 --> 00:23:36,080

because i just couldn't do these like

697

00:23:39,830 --> 00:23:37,840

nights in the house and

698

00:23:40,950 --> 00:23:39,840

yeah it's i could barely make it to

699

00:23:43,110 --> 00:23:40,960

horror movies man

700

00:23:45,430 --> 00:23:43,120

but like i think i'm a lot like mick

701

00:23:48,149 --> 00:23:45,440

west actually like he started

702

00:23:50,230 --> 00:23:48,159

terrified of these things yeah so he

703

00:23:53,110 --> 00:23:50,240

made it his life goal to try to

704

00:23:55,110 --> 00:23:53,120

prove otherwise to um kind of put his

705

00:23:55,830 --> 00:23:55,120

world view back into where he wanted it

706

00:23:58,149 --> 00:23:55,840

to be

707

00:23:59,590 --> 00:23:58,159

um so he's not as skeptical as a lot of

708

00:24:01,269 --> 00:23:59,600

people think he's had some weird

709

00:24:03,269 --> 00:24:01,279

experiences um

710

00:24:04,390 --> 00:24:03,279

conversation for another time but i was

711

00:24:07,750 --> 00:24:04,400

in uh

712

00:24:10,149 --> 00:24:07,760

i was in nova scotia canada and um

713

00:24:11,430 --> 00:24:10,159

i went to this ghost hunt at the queens

714

00:24:14,070 --> 00:24:11,440

county museum

715

00:24:14,710 --> 00:24:14,080

in liverpool nova scotia really cool

716

00:24:16,950 --> 00:24:14,720

museum

717

00:24:18,149 --> 00:24:16,960

it tells the whole history of how the

718

00:24:21,190 --> 00:24:18,159

town came to be

719

00:24:22,710 --> 00:24:21,200

uh the the native um

720

00:24:24,549 --> 00:24:22,720

i don't want to say americans but the

721

00:24:26,950 --> 00:24:24,559

natives who lived uh

722

00:24:27,669 --> 00:24:26,960

in canada at the time the uh meek mock

723

00:24:31,269 --> 00:24:27,679

tribe

724

00:24:34,390 --> 00:24:31,279

and uh a very amazing respectable

725

00:24:35,830 --> 00:24:34,400

exhibition on on them as well and we did

726

00:24:37,750 --> 00:24:35,840

a ghost hunt because supposedly this

727

00:24:41,110 --> 00:24:37,760

museum was super haunted

728

00:24:42,950 --> 00:24:41,120

and um i went in everyone had like their

729

00:24:44,789 --> 00:24:42,960

you know emf readers

730

00:24:46,710 --> 00:24:44,799

and all these things you see on the

731

00:24:48,870 --> 00:24:46,720

ghost hunt shows and i was with a buddy

732

00:24:51,750 --> 00:24:48,880

of mine micah hanks at the time

733

00:24:53,669 --> 00:24:51,760

and uh greg bishop who are both also

734

00:24:56,149 --> 00:24:53,679

super skeptical of this stuff

735

00:24:58,630 --> 00:24:56,159

and uh we were kind of just going around

736

00:25:01,590 --> 00:24:58,640

we'd had a few beers and we're like

737

00:25:03,830 --> 00:25:01,600

yeah yeah [h__h] this is cool and kind of

738

00:25:05,750 --> 00:25:03,840

just observing like seeing like what a

739

00:25:07,669 --> 00:25:05,760

paranormal investigator does because

740

00:25:08,230 --> 00:25:07,679

right i've never really done it before

741

00:25:11,510 --> 00:25:08,240

that

742

00:25:12,230 --> 00:25:11,520

and um kind of looking at it as just a

743

00:25:14,789 --> 00:25:12,240

cool

744

00:25:16,230 --> 00:25:14,799

fun thing to do and there was one point

745

00:25:17,669 --> 00:25:16,240

then where we went to the uh

746

00:25:19,350 --> 00:25:17,679

it's called the activity room in this

747

00:25:20,870 --> 00:25:19,360

museum it's like where you kind of drop

748

00:25:21,350 --> 00:25:20,880

your kids off and they can play while

749

00:25:30,710 --> 00:25:21,360

the

750

00:25:31,430 --> 00:25:30,720

reports of a ghost in that room so we

751
00:25:33,990 --> 00:25:31,440
went in there

752
00:25:35,350 --> 00:25:34,000
and we uh with the the paranormal i

753
00:25:38,789 --> 00:25:35,360
guess tour guide

754
00:25:42,149 --> 00:25:38,799
uh she was great um her name was uh

755
00:25:43,590 --> 00:25:42,159
lisa and she she brought us into the

756
00:25:46,390 --> 00:25:43,600
room all the lights were

757
00:25:48,390 --> 00:25:46,400
off and she had the the ghost box thing

758
00:25:51,190 --> 00:25:48,400
you know this thing that like

759
00:25:53,110 --> 00:25:51,200
it goes through radio frequencies like

760
00:25:55,669 --> 00:25:53,120
one radio frequency every half

761
00:25:56,950 --> 00:25:55,679
second it's it's it's pretty jolting

762
00:25:59,269 --> 00:25:56,960
when you first hear it because it's just

763
00:26:03,029 --> 00:26:01,750

and you're going through the frequencies

764

00:26:05,510 --> 00:26:03,039

so fast that

765

00:26:07,190 --> 00:26:05,520

um you know logically you shouldn't be

766

00:26:09,990 --> 00:26:07,200

hearing anything

767

00:26:11,350 --> 00:26:10,000

right solid you know because it's just

768

00:26:12,230 --> 00:26:11,360

going through all of them it's brushing

769

00:26:15,029 --> 00:26:12,240

through them

770

00:26:16,470 --> 00:26:15,039

and um she put it on and she starts

771

00:26:18,070 --> 00:26:16,480

asking these questions

772

00:26:19,510 --> 00:26:18,080

and then all of a sudden we started

773

00:26:21,590 --> 00:26:19,520

hearing like

774

00:26:24,149 --> 00:26:21,600

whimpering like almost like a crying

775

00:26:25,830 --> 00:26:24,159

sound and it sounded like a kid crying

776

00:26:28,070 --> 00:26:25,840

and i was just like

777

00:26:29,909 --> 00:26:28,080

wait a minute so i took the ghost box

778

00:26:31,669 --> 00:26:29,919

from her and i'm like

779

00:26:33,669 --> 00:26:31,679

pretending like i know how this thing

780

00:26:36,870 --> 00:26:33,679

works but i'm like hmm

781

00:26:37,990 --> 00:26:36,880

wait hold on and lo and behold yeah man

782

00:26:39,669 --> 00:26:38,000

it was brushing through

783

00:26:41,190 --> 00:26:39,679

these things so you should not have

784

00:26:43,750 --> 00:26:41,200

heard a constant like

785

00:26:44,950 --> 00:26:43,760

anything yeah let alone a whimpering of

786

00:26:47,269 --> 00:26:44,960

a child and she's like

787

00:26:48,549 --> 00:26:47,279

that's the kid that's the spirit she's

788

00:26:50,070 --> 00:26:48,559

scared like we

789

00:26:52,310 --> 00:26:50,080

we we gotta get down to our level

790

00:26:54,149 --> 00:26:52,320

because it was all adults there um

791

00:26:55,909 --> 00:26:54,159

and we're all standing up and we're just

792

00:26:57,990 --> 00:26:55,919

kind of in her space

793

00:26:59,269 --> 00:26:58,000

if you believe this was a spirit of a of

794

00:27:01,110 --> 00:26:59,279

a young child which

795

00:27:03,350 --> 00:27:01,120

lisa believed it was she's like let's

796

00:27:05,350 --> 00:27:03,360

get to her level so we all get down

797

00:27:06,549 --> 00:27:05,360

and we're sitting cross-legged on the

798

00:27:09,190 --> 00:27:06,559

ground and um

799

00:27:10,390 --> 00:27:09,200

asking more questions and she starts

800

00:27:13,669 --> 00:27:10,400

asking things like

801
00:27:16,630 --> 00:27:13,679
um are you scared and we heard yes

802
00:27:18,310 --> 00:27:16,640
and then he said um what what do you

803
00:27:19,510 --> 00:27:18,320
want us to do do you want us to stay

804
00:27:22,389 --> 00:27:19,520
here with you

805
00:27:23,029 --> 00:27:22,399
um do you want us to be quiet yes and

806
00:27:26,149 --> 00:27:23,039
we're like

807
00:27:28,070 --> 00:27:26,159
okay so then i'm not kidding you man we

808
00:27:30,149 --> 00:27:28,080
we sat there for like

809
00:27:32,070 --> 00:27:30,159
god maybe half an hour not saying

810
00:27:34,870 --> 00:27:32,080
anything just kind of like

811
00:27:36,630 --> 00:27:34,880
feeling the room feeling the energy and

812
00:27:39,110 --> 00:27:36,640
i was in a back corner

813
00:27:40,549 --> 00:27:39,120

and i'm like there's so many other

814

00:27:41,269 --> 00:27:40,559

things i could be doing right now but

815

00:27:44,950 --> 00:27:41,279

this is

816

00:27:47,269 --> 00:27:44,960

yeah and um

817

00:27:48,230 --> 00:27:47,279

all i remember is i'm sitting in the

818

00:27:51,269 --> 00:27:48,240

corner

819

00:27:54,549 --> 00:27:51,279

and i feel a cold like

820

00:27:55,430 --> 00:27:54,559

wind on my back and i i turn around i'm

821

00:27:57,990 --> 00:27:55,440

like

822

00:27:58,710 --> 00:27:58,000

okay there's no heating vent there's uh

823

00:28:02,470 --> 00:27:58,720

no

824

00:28:05,029 --> 00:28:02,480

this room like what

825

00:28:06,710 --> 00:28:05,039

what was that um trying to come up with

826

00:28:08,950 --> 00:28:06,720

any explanation i'm like okay

827

00:28:10,070 --> 00:28:08,960

it could be anything literally anything

828

00:28:14,070 --> 00:28:10,080

and um

829

00:28:17,510 --> 00:28:15,990

i i never know how to truly describe

830

00:28:19,110 --> 00:28:17,520

this but that's when i'm sitting

831

00:28:22,310 --> 00:28:19,120

cross-legged mind you

832

00:28:25,430 --> 00:28:22,320

and i just my legs hit the ground

833

00:28:28,630 --> 00:28:25,440

um and i felt a weight like

834

00:28:30,389 --> 00:28:28,640

in my lap like i wasn't tired

835

00:28:31,830 --> 00:28:30,399

like again like i was a baseball player

836

00:28:35,190 --> 00:28:31,840

i was used to crouching

837

00:28:37,350 --> 00:28:35,200

yeah and i felt my legs just hit the

838

00:28:39,029 --> 00:28:37,360

hit the floor and i could i'm not

839

00:28:42,070 --> 00:28:39,039

kidding you i could feel

840

00:28:44,870 --> 00:28:42,080

somebody like sitting in my lap

841

00:28:46,630 --> 00:28:44,880

and hugging my arms are going my

842

00:28:49,350 --> 00:28:46,640

goosebumps are going man

843

00:28:51,269 --> 00:28:49,360

fingers class behind my neck hugging me

844

00:28:53,350 --> 00:28:51,279

dude it was

845

00:28:54,870 --> 00:28:53,360

it would i i to this day i don't know

846

00:28:56,870 --> 00:28:54,880

how to explain it but

847

00:28:58,070 --> 00:28:56,880

of course it scared the [h__h] out of me

848

00:29:00,470 --> 00:28:58,080

and i like i

849

00:29:02,389 --> 00:29:00,480

i flew back i actually hit my head on

850

00:29:04,470 --> 00:29:02,399

like a wood board behind me

851

00:29:06,230 --> 00:29:04,480

and um that's when i felt the weight get

852

00:29:09,110 --> 00:29:06,240

up and like leave the room

853

00:29:09,590 --> 00:29:09,120

and okay this all could have been

854

00:29:11,110 --> 00:29:09,600

anything

855

00:29:12,950 --> 00:29:11,120

i could have been influenced by what was

856

00:29:15,430 --> 00:29:12,960

going on in the room i could have been

857

00:29:16,070 --> 00:29:15,440

making [h__h] up in my mind to yeah maybe

858

00:29:19,430 --> 00:29:16,080

maybe

859

00:29:22,630 --> 00:29:19,440

but my buddy greg bishop

860

00:29:23,190 --> 00:29:22,640

again super skeptical dude he was in the

861

00:29:25,190 --> 00:29:23,200

doorway

862

00:29:26,710 --> 00:29:25,200

of this room at the time like just kind

863

00:29:30,549 --> 00:29:26,720

of leaning against it

864

00:29:31,190 --> 00:29:30,559

and then as soon as i felt the weight

865

00:29:34,630 --> 00:29:31,200

lift up

866

00:29:38,230 --> 00:29:34,640

and like brush past me he in the doorway

867

00:29:40,310 --> 00:29:38,240

he like impulsively just went and like

868

00:29:41,269 --> 00:29:40,320

got to the side of the the frame of the

869

00:29:44,549 --> 00:29:41,279

door

870

00:29:45,909 --> 00:29:44,559

and was like whoa and i immediately like

871

00:29:46,950 --> 00:29:45,919

got up i'm like why did you do that why

872

00:29:48,230 --> 00:29:46,960

did you do that

873

00:29:50,789 --> 00:29:48,240

not telling him what i had just

874

00:29:52,310 --> 00:29:50,799

experienced or he wasn't in the room

875

00:29:52,789 --> 00:29:52,320

when we were communicating with the

876

00:29:55,350 --> 00:29:52,799

ghost

877

00:29:56,389 --> 00:29:55,360

or whatever it was uh he said i felt

878

00:29:59,830 --> 00:29:56,399

like something

879

00:30:00,630 --> 00:29:59,840

ran past me and needed it i was just

880

00:30:02,950 --> 00:30:00,640

like that's it

881

00:30:04,230 --> 00:30:02,960

like i'm done and i had a moment dude

882

00:30:06,870 --> 00:30:04,240

where i i

883

00:30:09,430 --> 00:30:06,880

i started kind of hyperventilating um

884

00:30:11,750 --> 00:30:09,440

and had kind of a mini panic attack

885

00:30:13,669 --> 00:30:11,760

and i i kind of excused myself and i

886

00:30:15,590 --> 00:30:13,679

went outside of the museum

887

00:30:18,389 --> 00:30:15,600

and i didn't know what to do i was like

888

00:30:21,269 --> 00:30:18,399

i i'm like a grown man

889

00:30:23,590 --> 00:30:21,279

uh who has never had a ghost experience

890

00:30:26,310 --> 00:30:23,600

really and i think i just kind of did

891

00:30:27,029 --> 00:30:26,320

and um i was terrified to go back into

892

00:30:30,789 --> 00:30:27,039

the

893

00:30:32,630 --> 00:30:30,799

waited like

894

00:30:34,870 --> 00:30:32,640

25 minutes before micah was like where'd

895

00:30:37,909 --> 00:30:34,880

you go man what's going on

896

00:30:39,430 --> 00:30:37,919

and um i kind of left nova scotia that

897

00:30:42,070 --> 00:30:39,440

night being like

898

00:30:42,630 --> 00:30:42,080

there's more to all this than just ufos

899

00:30:46,789 --> 00:30:42,640

and

900

00:30:50,470 --> 00:30:46,799

cover-ups like

901
00:30:53,110 --> 00:30:50,480
this entire whatever you want to call it

902
00:30:54,310 --> 00:30:53,120
uh kind of string theory of the

903
00:30:57,190 --> 00:30:54,320
paranormal

904
00:30:59,110 --> 00:30:57,200
cryptids ufos there's more to it and i

905
00:31:02,230 --> 00:30:59,120
think i just opened another door

906
00:31:03,990 --> 00:31:02,240
uh unknowingly and unwittingly so that's

907
00:31:05,509 --> 00:31:04,000
incredible man you lasted a hell of a

908
00:31:08,630 --> 00:31:05,519
lot longer than i would have done

909
00:31:11,029 --> 00:31:08,640
i mean fair play thank you so much for

910
00:31:13,190 --> 00:31:11,039
explaining all that i really felt that

911
00:31:14,070 --> 00:31:13,200
i because i'd be terrible i'd be awful

912
00:31:16,230 --> 00:31:14,080
man yeah

913
00:31:18,070 --> 00:31:16,240

i still feel it to this day like yeah

914

00:31:19,990 --> 00:31:18,080

there's times where i'm like

915

00:31:21,350 --> 00:31:20,000

maybe it was this maybe it was that but

916

00:31:24,710 --> 00:31:21,360

uh it really did

917

00:31:25,909 --> 00:31:24,720

i i gained a huge new respect for those

918

00:31:28,630 --> 00:31:25,919

who uh

919

00:31:29,830 --> 00:31:28,640

who tend to do that and who do do it and

920

00:31:31,669 --> 00:31:29,840

who make it like

921

00:31:33,110 --> 00:31:31,679

a part of their lives no matter what it

922

00:31:35,590 --> 00:31:33,120

is like

923

00:31:37,110 --> 00:31:35,600

good for you no i agree it's very easy

924

00:31:39,669 --> 00:31:37,120

to judge from the outside

925

00:31:41,830 --> 00:31:39,679

but until you experience these things no

926
00:31:44,149 --> 00:31:41,840
matter what subject it is

927
00:31:46,070 --> 00:31:44,159
and who am i man to like be like no

928
00:31:46,630 --> 00:31:46,080
ghosts don't exist but yeah totally

929
00:31:49,269 --> 00:31:46,640
those things

930
00:31:50,070 --> 00:31:49,279
are sky interdimensional beings time

931
00:31:52,950 --> 00:31:50,080
travelers

932
00:31:53,909 --> 00:31:52,960
aliens like totally so that's kind of

933
00:31:57,350 --> 00:31:53,919
where i'm at now

934
00:31:58,870 --> 00:31:57,360
i'm like i try to temper my uh the way i

935
00:32:01,990 --> 00:31:58,880
approach these things because

936
00:32:03,029 --> 00:32:02,000
i have no clue what ufos really are or

937
00:32:05,350 --> 00:32:03,039
represent

938
00:32:07,269 --> 00:32:05,360

and neither does anyone else so like

939

00:32:08,470 --> 00:32:07,279

just be open to it be open yeah and

940

00:32:10,230 --> 00:32:08,480

that's the thing i've seen a lot

941

00:32:11,269 --> 00:32:10,240

recently people on twitter and

942

00:32:13,190 --> 00:32:11,279

everywhere saying

943

00:32:14,389 --> 00:32:13,200

if you come across anybody that claims

944

00:32:17,750 --> 00:32:14,399

that they know

945

00:32:19,110 --> 00:32:17,760

what these things are run right away

946

00:32:21,269 --> 00:32:19,120

that's one of the first things i was

947

00:32:23,430 --> 00:32:21,279

taught in this field by myself

948

00:32:24,470 --> 00:32:23,440

like just know you're gonna hear some

949

00:32:26,470 --> 00:32:24,480

weird stuff

950

00:32:28,789 --> 00:32:26,480

and you're gonna be let down roads that

951
00:32:30,950 --> 00:32:28,799
probably aren't um where you should be

952
00:32:33,909 --> 00:32:30,960
going with these topics and uh

953
00:32:35,830 --> 00:32:33,919
and look um belief is a very powerful

954
00:32:36,389 --> 00:32:35,840
thing and people will take advantage of

955
00:32:38,310 --> 00:32:36,399
that

956
00:32:39,430 --> 00:32:38,320
and if you give them enough money they

957
00:32:40,950 --> 00:32:39,440
will tell you

958
00:32:42,870 --> 00:32:40,960
what to believe and they will give you

959
00:32:43,509 --> 00:32:42,880
the answers so that you can move on with

960
00:32:46,310 --> 00:32:43,519
your life

961
00:32:47,029 --> 00:32:46,320
and that's tough man it's a it's a tough

962
00:32:49,350 --> 00:32:47,039
field

963
00:32:50,950 --> 00:32:49,360

and uh it's a tough thing to navigate

964

00:32:51,350 --> 00:32:50,960

for sure i'm still trying to figure it

965

00:32:52,710 --> 00:32:51,360

out

966

00:32:55,029 --> 00:32:52,720

it is man and that's the thing that i

967

00:32:56,070 --> 00:32:55,039

find myself i find myself spending hours

968

00:32:58,230 --> 00:32:56,080

looking into something

969

00:32:59,590 --> 00:32:58,240

feel like i'm getting somewhere with

970

00:33:01,669 --> 00:32:59,600

what i'm looking into

971

00:33:03,029 --> 00:33:01,679

but then after five six seven hours you

972

00:33:05,110 --> 00:33:03,039

just suddenly hit a brick wall and

973

00:33:06,470 --> 00:33:05,120

you're so far down one rabbit hole

974

00:33:08,630 --> 00:33:06,480

that you've got to crawl all the way

975

00:33:08,950 --> 00:33:08,640

back out and starting afresh in another

976
00:33:11,350 --> 00:33:08,960
one

977
00:33:13,110 --> 00:33:11,360
and you've wasted all those hours but

978
00:33:14,149 --> 00:33:13,120
it's just the nature is the name of the

979
00:33:15,909 --> 00:33:14,159
game isn't it i mean

980
00:33:17,750 --> 00:33:15,919
yes and at the end of the day i love it

981
00:33:19,029 --> 00:33:17,760
like yeah i i kind of go back to my

982
00:33:22,230 --> 00:33:19,039
playwriting days there's

983
00:33:24,789 --> 00:33:22,240
i i will lose 12 hours of a day

984
00:33:25,669 --> 00:33:24,799
not to like missing time alien abduction

985
00:33:28,470 --> 00:33:25,679
but to

986
00:33:29,029 --> 00:33:28,480
literally being so focused on something

987
00:33:31,430 --> 00:33:29,039
um

988
00:33:32,870 --> 00:33:31,440

creating a world writing a play that

989

00:33:35,909 --> 00:33:32,880

nothing else matters

990

00:33:39,110 --> 00:33:35,919

and there's times in the ufo field where

991

00:33:41,430 --> 00:33:39,120

i get so entrenched in a case or um

992

00:33:42,230 --> 00:33:41,440

the testimony that someone's brought me

993

00:33:43,750 --> 00:33:42,240

or just

994

00:33:46,310 --> 00:33:43,760

talking to someone on the phone about

995

00:33:48,389 --> 00:33:46,320

their experience that i'm like

996

00:33:49,590 --> 00:33:48,399

wow the sun's down like what that what

997

00:33:52,789 --> 00:33:49,600

the hell just happened i

998

00:33:53,509 --> 00:33:52,799

i feel like i just woke up and um that's

999

00:33:55,830 --> 00:33:53,519

cool

1000

00:33:57,029 --> 00:33:55,840

like i don't see it as a waste at all i

1001
00:33:58,950 --> 00:33:57,039
think every

1002
00:34:01,029 --> 00:33:58,960
every moment looking into these things

1003
00:34:02,950 --> 00:34:01,039
is like beneficial in some way

1004
00:34:05,110 --> 00:34:02,960
you might throw it out or it might

1005
00:34:07,509 --> 00:34:05,120
change your change your entire

1006
00:34:09,109 --> 00:34:07,519
perspective so yeah yeah totally and

1007
00:34:11,349 --> 00:34:09,119
i've just put this comment up here

1008
00:34:13,190 --> 00:34:11,359
i felt like that after reading the uap

1009
00:34:14,950 --> 00:34:13,200
report so

1010
00:34:16,470 --> 00:34:14,960
let's jump on to that because you know

1011
00:34:18,710 --> 00:34:16,480
everyone's got an opinion

1012
00:34:20,550 --> 00:34:18,720
um i'll just jump mining quickly that i

1013
00:34:23,430 --> 00:34:20,560

think it's a big step to

1014

00:34:25,030 --> 00:34:23,440

things down the line i left my

1015

00:34:27,510 --> 00:34:25,040

expectations low

1016

00:34:29,030 --> 00:34:27,520

so that i wasn't disappointed and so i

1017

00:34:31,030 --> 00:34:29,040

can we can now work from that

1018

00:34:32,069 --> 00:34:31,040

so what about you ryan let's hear from

1019

00:34:35,109 --> 00:34:32,079

from what you think

1020

00:34:37,190 --> 00:34:35,119

yeah well i mean and if you if you do

1021

00:34:38,310 --> 00:34:37,200

listen to or find any value in the

1022

00:34:41,190 --> 00:34:38,320

things that

1023

00:34:42,550 --> 00:34:41,200

people like luis elizondo say or um any

1024

00:34:45,430 --> 00:34:42,560

ufo researcher

1025

00:34:46,790 --> 00:34:45,440

uh for that matter uh a lot of people

1026
00:34:47,750 --> 00:34:46,800
have been saying for months like don't

1027
00:34:49,349 --> 00:34:47,760
expect much

1028
00:34:51,829 --> 00:34:49,359
like six months what the hell can they

1029
00:34:54,790 --> 00:34:51,839
do we've had this this mystery for

1030
00:34:55,990 --> 00:34:54,800
at least 75 years yeah and we don't know

1031
00:34:57,990 --> 00:34:56,000
what the hell is going on

1032
00:34:59,750 --> 00:34:58,000
so like how are they gonna do anything

1033
00:35:01,829 --> 00:34:59,760
in six months uh with the

1034
00:35:03,430 --> 00:35:01,839
limited resources and again i always go

1035
00:35:05,990 --> 00:35:03,440
back to x-files dude like

1036
00:35:06,950 --> 00:35:06,000
i'm imagining one dude or one woman in a

1037
00:35:08,790 --> 00:35:06,960
basement

1038
00:35:10,150 --> 00:35:08,800

looking into this thing and being like i

1039

00:35:11,990 --> 00:35:10,160

don't know like

1040

00:35:13,430 --> 00:35:12,000

this isn't what i signed up for i didn't

1041

00:35:15,510 --> 00:35:13,440

go to school for

1042

00:35:17,349 --> 00:35:15,520

you know eight years to work at the

1043

00:35:19,589 --> 00:35:17,359

pentagon and look into like flying

1044

00:35:21,109 --> 00:35:19,599

saucers come on

1045

00:35:23,510 --> 00:35:21,119

they're they're it's what they do at

1046

00:35:23,910 --> 00:35:23,520

home you know after an eight hour day at

1047

00:35:26,470 --> 00:35:23,920

work

1048

00:35:27,030 --> 00:35:26,480

and they're three glasses of wine in and

1049

00:35:29,190 --> 00:35:27,040

they're like

1050

00:35:30,550 --> 00:35:29,200

ah damn it i gotta i gotta do this uap

1051

00:35:31,270 --> 00:35:30,560

report thing that's kind of what i

1052

00:35:32,870 --> 00:35:31,280

envisioned

1053

00:35:34,069 --> 00:35:32,880

it does it's probably more like that

1054

00:35:34,710 --> 00:35:34,079

than what people think where there's

1055

00:35:37,750 --> 00:35:34,720

this

1056

00:35:39,990 --> 00:35:37,760

task force you know like super

1057

00:35:40,950 --> 00:35:40,000

into you know into every three letter

1058

00:35:44,550 --> 00:35:40,960

agency just getting

1059

00:35:47,670 --> 00:35:44,560

all of this data in in six six months

1060

00:35:49,510 --> 00:35:47,680

which we know now was the case like even

1061

00:35:51,990 --> 00:35:49,520

i and this is no slight against the

1062

00:35:53,990 --> 00:35:52,000

people who were in this task force or um

1063

00:35:55,990 --> 00:35:54,000

were tasked with doing this they did

1064

00:35:58,630 --> 00:35:56,000

what they was requested of them

1065

00:36:00,390 --> 00:35:58,640

and no more like that's understandable

1066

00:36:03,270 --> 00:36:00,400

welcome to like the government

1067

00:36:03,990 --> 00:36:03,280

and you know the slow moving gears of

1068

00:36:06,710 --> 00:36:04,000

any

1069

00:36:07,670 --> 00:36:06,720

government agency or bureaucracy um but

1070

00:36:11,109 --> 00:36:07,680

that being said

1071

00:36:13,109 --> 00:36:11,119

i we knew in politico when brian bender

1072

00:36:14,630 --> 00:36:13,119

even interviewed the people in the task

1073

00:36:17,349 --> 00:36:14,640

force and

1074

00:36:18,790 --> 00:36:17,359

um the cia wasn't giving them any

1075

00:36:19,430 --> 00:36:18,800

information the air force wasn't giving

1076

00:36:21,190 --> 00:36:19,440

them any

1077

00:36:22,950 --> 00:36:21,200

information they the department of

1078

00:36:23,510 --> 00:36:22,960

energy we're never going to hear from

1079

00:36:26,870 --> 00:36:23,520

them

1080

00:36:28,470 --> 00:36:26,880

about any of this i guarantee you um so

1081

00:36:30,150 --> 00:36:28,480

they were being stonewalled left and

1082

00:36:31,190 --> 00:36:30,160

right and they're like hey what do you

1083

00:36:33,990 --> 00:36:31,200

have in ufos

1084

00:36:34,390 --> 00:36:34,000

nothing go away we have way more exactly

1085

00:36:37,349 --> 00:36:34,400

um

1086

00:36:39,270 --> 00:36:37,359

or nothing that you need to know about

1087

00:36:41,670 --> 00:36:39,280

so

1088

00:36:42,630 --> 00:36:41,680

what i didn't expect anything dude i i

1089

00:36:45,910 --> 00:36:42,640

thought maybe

1090

00:36:48,470 --> 00:36:45,920

specific case

1091

00:36:48,950 --> 00:36:48,480

and yeah maybe a photo or a video to

1092

00:36:51,270 --> 00:36:48,960

look at

1093

00:36:52,630 --> 00:36:51,280

but we didn't even get that no we got

1094

00:36:55,190 --> 00:36:52,640

six pages

1095

00:36:55,750 --> 00:36:55,200

um with a cover page and two appendix

1096

00:36:59,349 --> 00:36:55,760

pages

1097

00:37:01,750 --> 00:36:59,359

yeah um and i i kept compare

1098

00:37:03,750 --> 00:37:01,760

comparing it to like it was christmas

1099

00:37:04,790 --> 00:37:03,760

eve we were all excited and waiting for

1100

00:37:09,990 --> 00:37:04,800

the present

1101
00:37:12,550 --> 00:37:10,000
wanted a playstation 5

1102
00:37:13,270 --> 00:37:12,560
and you got a cartridge to like an atari

1103
00:37:14,550 --> 00:37:13,280
or something

1104
00:37:16,790 --> 00:37:14,560
like what am i going to do with this

1105
00:37:18,870 --> 00:37:16,800
there's nothing here

1106
00:37:20,069 --> 00:37:18,880
so for me that's kind of where i was

1107
00:37:22,150 --> 00:37:20,079
with it but yeah

1108
00:37:24,870 --> 00:37:22,160
i'll say after reading it a second and

1109
00:37:27,670 --> 00:37:24,880
third time i did find some pretty

1110
00:37:29,670 --> 00:37:27,680
interesting nuggets in there and i agree

1111
00:37:31,750 --> 00:37:29,680
with you things we can look forward to

1112
00:37:32,870 --> 00:37:31,760
and it wasn't even the report man it was

1113
00:37:35,030 --> 00:37:32,880

the um

1114

00:37:36,630 --> 00:37:35,040

the memo from the department of defense

1115

00:37:39,510 --> 00:37:36,640

that came out after that within

1116

00:37:40,069 --> 00:37:39,520

exactly straight away almost yeah yeah

1117

00:37:41,670 --> 00:37:40,079

that was

1118

00:37:43,270 --> 00:37:41,680

way more promising than anything in the

1119

00:37:45,910 --> 00:37:43,280

report the report to me read like

1120

00:37:48,310 --> 00:37:45,920

um we're dumb uh we don't have the

1121

00:37:50,790 --> 00:37:48,320

resources to really look into this

1122

00:37:51,990 --> 00:37:50,800

sorry like here you go they're

1123

00:37:55,430 --> 00:37:52,000

unexplained

1124

00:37:58,310 --> 00:37:55,440

um yeah so there work with that

1125

00:37:58,710 --> 00:37:58,320

um we we explained one out of what was

1126

00:38:01,670 --> 00:37:58,720

it

1127

00:38:03,109 --> 00:38:01,680

like a hundred forty four yeah yeah we

1128

00:38:04,150 --> 00:38:03,119

explained one and it was a balloon of

1129

00:38:05,829 --> 00:38:04,160

course there was a balloon

1130

00:38:07,670 --> 00:38:05,839

that's what you always say these things

1131

00:38:09,589 --> 00:38:07,680

are so

1132

00:38:11,109 --> 00:38:09,599

that memo after man that's where it was

1133

00:38:14,630 --> 00:38:11,119

at i was like whoa

1134

00:38:16,710 --> 00:38:14,640

okay so pentagon task force kind of done

1135

00:38:17,990 --> 00:38:16,720

department of defense is like we'll pick

1136

00:38:20,069 --> 00:38:18,000

it up from here like we

1137

00:38:21,990 --> 00:38:20,079

have the resources and we'll get more

1138

00:38:23,430 --> 00:38:22,000

money and we'll put up a permanent

1139

00:38:25,430 --> 00:38:23,440

program to look into this

1140

00:38:27,109 --> 00:38:25,440

a lot of people are like so what it's

1141

00:38:31,030 --> 00:38:27,119

just gonna continue this

1142

00:38:32,870 --> 00:38:31,040

narrative of um um whatever space force

1143

00:38:34,630 --> 00:38:32,880

and defending us against possible

1144

00:38:36,950 --> 00:38:34,640

threats from space or uh

1145

00:38:39,190 --> 00:38:36,960

foreign adversaries and that's fine that

1146

00:38:39,910 --> 00:38:39,200

could very well be true i'm not saying

1147

00:38:41,750 --> 00:38:39,920

it's not

1148

00:38:43,829 --> 00:38:41,760

but um i'm just excited man that it's

1149

00:38:45,990 --> 00:38:43,839

gonna continue um yeah yeah

1150

00:38:47,670 --> 00:38:46,000

i thought this was gonna be it like one

1151

00:38:49,190 --> 00:38:47,680

and done and that's it but it's a

1152

00:38:50,950 --> 00:38:49,200

preliminary assessment

1153

00:38:52,950 --> 00:38:50,960

exactly that's what i keep reminding

1154

00:38:55,190 --> 00:38:52,960

people they say oh the report sucks

1155

00:38:57,589 --> 00:38:55,200

it wasn't even really a report yes it

1156

00:38:59,109 --> 00:38:57,599

wasn't a declassified version of a

1157

00:39:01,430 --> 00:38:59,119

classified report but

1158

00:39:03,030 --> 00:39:01,440

but you know it was titled you know

1159

00:39:05,670 --> 00:39:03,040

preliminary assessment

1160

00:39:07,349 --> 00:39:05,680

um and we have heard things from some of

1161

00:39:09,109 --> 00:39:07,359

the people that were in the briefings by

1162

00:39:12,310 --> 00:39:09,119

the fbi and the

1163

00:39:14,230 --> 00:39:12,320

navy i think it was the 16th of june um

1164

00:39:15,829 --> 00:39:14,240

and we've hit a mixed bag people saying

1165

00:39:18,230 --> 00:39:15,839

i wasn't on the edge of my seat

1166

00:39:19,190 --> 00:39:18,240

other people apparently were visibly

1167

00:39:22,150 --> 00:39:19,200

shaken so it's

1168

00:39:23,510 --> 00:39:22,160

really difficult to kind of know what

1169

00:39:26,390 --> 00:39:23,520

they've seen or

1170

00:39:27,670 --> 00:39:26,400

or been been briefed on exactly man and

1171

00:39:31,109 --> 00:39:27,680

i think those 11

1172

00:39:33,750 --> 00:39:31,119

cases in there of near misses uh

1173

00:39:34,390 --> 00:39:33,760

we have to pay attention to that like

1174

00:39:36,310 --> 00:39:34,400

come on

1175

00:39:37,990 --> 00:39:36,320

like i don't care if you believe in a

1176
00:39:39,589 --> 00:39:38,000
threat or not from these things that is

1177
00:39:41,990 --> 00:39:39,599
a potential threat

1178
00:39:43,349 --> 00:39:42,000
if these things are whizzing past um not

1179
00:39:46,390 --> 00:39:43,359
just our military

1180
00:39:48,790 --> 00:39:46,400
pilots but um pilots

1181
00:39:50,550 --> 00:39:48,800
all around the world that can you

1182
00:39:51,670 --> 00:39:50,560
imagine how many actual cases out there

1183
00:39:53,829 --> 00:39:51,680
of commercial

1184
00:39:55,990 --> 00:39:53,839
near misses commercial pilots with these

1185
00:39:58,550 --> 00:39:56,000
uap um the numbers are probably

1186
00:39:59,030 --> 00:39:58,560
astounding well me and max interviewed

1187
00:40:01,109 --> 00:39:59,040
um

1188
00:40:03,270 --> 00:40:01,119

two dutch pilots last night on our new

1189

00:40:05,670 --> 00:40:03,280

youtube channel i mean

1190

00:40:07,190 --> 00:40:05,680

they were think we cannot tell how far

1191

00:40:08,550 --> 00:40:07,200

away these objects are when they're it's

1192

00:40:09,349 --> 00:40:08,560

the middle of the night their lights

1193

00:40:12,309 --> 00:40:09,359

they could be

1194

00:40:13,030 --> 00:40:12,319

really close and yeah amazing interview

1195

00:40:15,750 --> 00:40:13,040

by the way

1196

00:40:16,309 --> 00:40:15,760

like did you see it yeah yeah and again

1197

00:40:18,470 --> 00:40:16,319

yeah

1198

00:40:20,230 --> 00:40:18,480

again i'm a super fan i'm not kidding

1199

00:40:22,309 --> 00:40:20,240

you the tables are gonna turn i'm gonna

1200

00:40:24,390 --> 00:40:22,319

have your t-shirt on soon but um

1201
00:40:26,870 --> 00:40:24,400
no i'm so happy you guys are doing that

1202
00:40:28,470 --> 00:40:26,880
because all of this is so focused on the

1203
00:40:31,190 --> 00:40:28,480
goddamn united states

1204
00:40:32,230 --> 00:40:31,200
yeah and the pentagon and it's like who

1205
00:40:34,150 --> 00:40:32,240
cares

1206
00:40:36,150 --> 00:40:34,160
what america thinks about this these

1207
00:40:37,990 --> 00:40:36,160
things are happening all over the world

1208
00:40:39,750 --> 00:40:38,000
and yeah maybe we're we're kind of

1209
00:40:42,630 --> 00:40:39,760
setting an example of

1210
00:40:44,150 --> 00:40:42,640
it's okay like you can talk about this

1211
00:40:46,550 --> 00:40:44,160
you can report it maybe

1212
00:40:47,270 --> 00:40:46,560
um other nations will start doing that

1213
00:40:49,589 --> 00:40:47,280

uh

1214

00:40:51,510 --> 00:40:49,599

but like don't take our word for what

1215

00:40:54,150 --> 00:40:51,520

they came up with in this assessment

1216

00:40:54,710 --> 00:40:54,160

like come on they they they were they

1217

00:40:56,470 --> 00:40:54,720

nothing

1218

00:40:58,230 --> 00:40:56,480

they didn't come up with anything they

1219

00:40:58,710 --> 00:40:58,240

said yup there's stuff out there

1220

00:41:00,870 --> 00:40:58,720

happening

1221

00:41:02,630 --> 00:41:00,880

uh we don't know what it is and uh we

1222

00:41:05,510 --> 00:41:02,640

should probably look more into it so

1223

00:41:06,550 --> 00:41:05,520

boom let's get task forces all over the

1224

00:41:08,870 --> 00:41:06,560

world looking at this

1225

00:41:09,829 --> 00:41:08,880

let's have a cold war of trying to

1226
00:41:12,550 --> 00:41:09,839
understand

1227
00:41:13,510 --> 00:41:12,560
what these uap are without the nuclear

1228
00:41:15,349 --> 00:41:13,520
missiles

1229
00:41:16,550 --> 00:41:15,359
let me let me make that very clear a

1230
00:41:18,790 --> 00:41:16,560
cold war of um

1231
00:41:20,069 --> 00:41:18,800
technological advancement in studying

1232
00:41:23,670 --> 00:41:20,079
and understanding uap

1233
00:41:25,750 --> 00:41:23,680
i think is the future yeah no absolutely

1234
00:41:27,990 --> 00:41:25,760
um and of course a lot of people across

1235
00:41:29,589 --> 00:41:28,000
the world especially in the states have

1236
00:41:30,470 --> 00:41:29,599
probably now got these subjects on their

1237
00:41:32,870 --> 00:41:30,480
radar

1238
00:41:34,550 --> 00:41:32,880

due to the huge influx of reporting done

1239

00:41:36,390 --> 00:41:34,560

by the mainstream media

1240

00:41:38,309 --> 00:41:36,400

now a lot of people are like don't

1241

00:41:40,069 --> 00:41:38,319

believe it it's fake news

1242

00:41:41,589 --> 00:41:40,079

but then people like me i'm like look

1243

00:41:42,470 --> 00:41:41,599

we've been crying out for the media to

1244

00:41:45,190 --> 00:41:42,480

take this subject

1245

00:41:46,230 --> 00:41:45,200

seriously for such a long time now that

1246

00:41:47,829 --> 00:41:46,240

they are

1247

00:41:49,910 --> 00:41:47,839

everyone says it's fake news you just

1248

00:41:50,550 --> 00:41:49,920

can't win i mean what do you think about

1249

00:41:53,829 --> 00:41:50,560

that

1250

00:41:56,630 --> 00:41:53,839

yeah it's i i compare it to um

1251
00:41:58,950 --> 00:41:56,640
you know i and everyone says this about

1252
00:42:01,829 --> 00:41:58,960
like their favorite band or whatever but

1253
00:42:03,190 --> 00:42:01,839
i was really into green day back like

1254
00:42:05,589 --> 00:42:03,200
way before dookie

1255
00:42:06,710 --> 00:42:05,599
and like way before they went mainstream

1256
00:42:10,069 --> 00:42:06,720
and uh you know

1257
00:42:12,069 --> 00:42:10,079
once they kind of really exploded and

1258
00:42:12,710 --> 00:42:12,079
then got to like the american idiot

1259
00:42:16,069 --> 00:42:12,720
level

1260
00:42:18,309 --> 00:42:16,079
and what have you playing to like 10 000

1261
00:42:19,510 --> 00:42:18,319
people every night um you're kind of

1262
00:42:22,230 --> 00:42:19,520
like ah man

1263
00:42:23,829 --> 00:42:22,240

like i was supporting those guys from

1264

00:42:25,030 --> 00:42:23,839

the very beginning and now all these

1265

00:42:27,829 --> 00:42:25,040

people are like

1266

00:42:28,390 --> 00:42:27,839

enjoying it and reaping the benefits and

1267

00:42:31,109 --> 00:42:28,400

and

1268

00:42:31,829 --> 00:42:31,119

that's such a narrow way to look at it

1269

00:42:34,550 --> 00:42:31,839

um

1270

00:42:35,430 --> 00:42:34,560

i think any way you can get your message

1271

00:42:40,309 --> 00:42:35,440

out there

1272

00:42:42,069 --> 00:42:40,319

uh to the most broad and basic level uh

1273

00:42:43,750 --> 00:42:42,079

is going to help the conversation it's

1274

00:42:44,390 --> 00:42:43,760

going to get more people talking about

1275

00:42:47,430 --> 00:42:44,400

it

1276

00:42:50,150 --> 00:42:47,440

these ufo shows

1277

00:42:51,190 --> 00:42:50,160

are out there and why i i consider being

1278

00:42:53,270 --> 00:42:51,200

a part of them

1279

00:42:54,790 --> 00:42:53,280

like i don't give a crap about being on

1280

00:42:56,950 --> 00:42:54,800

tv i honestly don't

1281

00:42:58,309 --> 00:42:56,960

um you know at one time i wanted to be

1282

00:43:00,630 --> 00:42:58,319

an actor but that's not

1283

00:43:02,710 --> 00:43:00,640

that's not my pursuit any longer um i

1284

00:43:03,670 --> 00:43:02,720

find way more rewarding things to do

1285

00:43:06,950 --> 00:43:03,680

with my life

1286

00:43:08,150 --> 00:43:06,960

and uh i just want to use what i can and

1287

00:43:11,190 --> 00:43:08,160

learn what i can

1288

00:43:12,870 --> 00:43:11,200

by using hollywood like if dude

1289

00:43:14,390 --> 00:43:12,880

if they're gonna pay me to go to the

1290

00:43:16,790 --> 00:43:14,400

roswell crash site

1291

00:43:17,829 --> 00:43:16,800

and get tests done on my t on materials

1292

00:43:20,470 --> 00:43:17,839

i'm gonna do it

1293

00:43:21,990 --> 00:43:20,480

because i as an independent researcher

1294

00:43:23,589 --> 00:43:22,000

could never do that i would

1295

00:43:24,950 --> 00:43:23,599

never have that opportunity but then you

1296

00:43:26,230 --> 00:43:24,960

get the worry that people are gonna call

1297

00:43:28,710 --> 00:43:26,240

you a sellout that you're being

1298

00:43:31,750 --> 00:43:28,720

controlled or manipulated by people

1299

00:43:32,630 --> 00:43:31,760

oh i have been i've been sure everything

1300

00:43:35,910 --> 00:43:32,640

a sellout

1301
00:43:37,430 --> 00:43:35,920
um a attention seeker a disinformation

1302
00:43:40,470 --> 00:43:37,440
agent oh yeah

1303
00:43:43,109 --> 00:43:40,480
dude if i could tell everyone how boring

1304
00:43:45,670 --> 00:43:43,119
and mundane like my life actually is

1305
00:43:47,349 --> 00:43:45,680
and like how much that's not true i

1306
00:43:48,230 --> 00:43:47,359
would but i don't even waste my time

1307
00:43:50,550 --> 00:43:48,240
trying to

1308
00:43:51,829 --> 00:43:50,560
defend myself against that like it is

1309
00:43:54,150 --> 00:43:51,839
what it is

1310
00:43:54,950 --> 00:43:54,160
if somebody wants me to talk about ufos

1311
00:43:57,589 --> 00:43:54,960
in front of

1312
00:43:58,710 --> 00:43:57,599
a national audience um and get the word

1313
00:44:00,870 --> 00:43:58,720

out there on the topic

1314

00:44:02,710 --> 00:44:00,880

i'm gonna do it and i i think that's

1315

00:44:04,630 --> 00:44:02,720

kind of where it's at but yes

1316

00:44:06,710 --> 00:44:04,640

the fact that all of this is coming out

1317

00:44:10,069 --> 00:44:06,720

now in an age of um

1318

00:44:12,790 --> 00:44:10,079

uh what we've come to call it fake news

1319

00:44:14,870 --> 00:44:12,800

is tough and anything can be faked

1320

00:44:15,750 --> 00:44:14,880

anything can be twisted anything can be

1321

00:44:19,109 --> 00:44:15,760

spun

1322

00:44:21,510 --> 00:44:19,119

a certain way and uh that sucks

1323

00:44:22,309 --> 00:44:21,520

that like the first time not the first

1324

00:44:24,230 --> 00:44:22,319

time but like

1325

00:44:25,750 --> 00:44:24,240

one of the most prominent times the ufos

1326
00:44:27,670 --> 00:44:25,760
have gone mainstream

1327
00:44:29,190 --> 00:44:27,680
we're living in an age where anything

1328
00:44:31,670 --> 00:44:29,200
can literally

1329
00:44:32,470 --> 00:44:31,680
be cgi'd whether it's with videos and

1330
00:44:35,510 --> 00:44:32,480
photos

1331
00:44:36,069 --> 00:44:35,520
or just um spun to fit a certain

1332
00:44:39,109 --> 00:44:36,079
narrative

1333
00:44:40,870 --> 00:44:39,119
um yeah it sucks but um again

1334
00:44:42,550 --> 00:44:40,880
do your own research come to your own

1335
00:44:43,990 --> 00:44:42,560
conclusions don't listen to what

1336
00:44:44,950 --> 00:44:44,000
elizondo says don't listen to what

1337
00:44:47,190 --> 00:44:44,960
stephen greer says

1338
00:44:48,069 --> 00:44:47,200

what the new york times says like do

1339

00:44:49,910 --> 00:44:48,079

your own thing

1340

00:44:51,589 --> 00:44:49,920

that's what i say get your own answers

1341

00:44:53,349 --> 00:44:51,599

out of this topic yeah exactly that's

1342

00:44:55,270 --> 00:44:53,359

what i say to people is like we

1343

00:44:57,270 --> 00:44:55,280

you know can only give them something to

1344

00:44:58,790 --> 00:44:57,280

work with we can't answer their or make

1345

00:45:00,710 --> 00:44:58,800

their mind up for them

1346

00:45:02,230 --> 00:45:00,720

you know i don't mind giving them a

1347

00:45:03,750 --> 00:45:02,240

direction but i can't give you

1348

00:45:05,270 --> 00:45:03,760

everything people do need to get off

1349

00:45:06,550 --> 00:45:05,280

their butts a little bit

1350

00:45:09,190 --> 00:45:06,560

and i don't mean that in a bad way i

1351
00:45:09,670 --> 00:45:09,200
just mean like it really is worth just

1352
00:45:12,710 --> 00:45:09,680
going

1353
00:45:13,910 --> 00:45:12,720
your own route doing your own thing and

1354
00:45:15,829 --> 00:45:13,920
just going back to what you were saying

1355
00:45:16,550 --> 00:45:15,839
then about cgi and that i mean it showed

1356
00:45:19,349 --> 00:45:16,560
this week

1357
00:45:19,750 --> 00:45:19,359
did you see that footage of the tr3b at

1358
00:45:22,470 --> 00:45:19,760
night

1359
00:45:22,950 --> 00:45:22,480
going across the i mean oh man i got

1360
00:45:26,710 --> 00:45:22,960
like my

1361
00:45:29,270 --> 00:45:26,720
my hair stood up um i i did share that

1362
00:45:31,670 --> 00:45:29,280
and i used it as an example of this is

1363
00:45:33,589 --> 00:45:31,680

how easy it is and this is how good

1364

00:45:35,670 --> 00:45:33,599

it can look and you know i had to go

1365

00:45:37,750 --> 00:45:35,680

down the deep reddit rabbit hole

1366

00:45:40,309 --> 00:45:37,760

to finally be like all right this is

1367

00:45:42,390 --> 00:45:40,319

fake like someone pointed out the road

1368

00:45:43,510 --> 00:45:42,400

kept repeating itself like every two

1369

00:45:45,349 --> 00:45:43,520

seconds exactly

1370

00:45:46,710 --> 00:45:45,359

and i watched it like a hundred times

1371

00:45:49,750 --> 00:45:46,720

i'm like yeah

1372

00:45:51,430 --> 00:45:49,760

yep it did it did and then you again

1373

00:45:53,750 --> 00:45:51,440

when it's too good to be true that's

1374

00:45:54,069 --> 00:45:53,760

when i'm like ah and that's the problem

1375

00:45:56,230 --> 00:45:54,079

dude

1376

00:45:59,030 --> 00:45:56,240

like either it's too blurry or it's too

1377

00:46:00,870 --> 00:45:59,040

clear like where's the medium here

1378

00:46:02,470 --> 00:46:00,880

to know this is a legitimate ufo

1379

00:46:04,550 --> 00:46:02,480

absolutely i mean

1380

00:46:06,230 --> 00:46:04,560

yeah good thing about that video is and

1381

00:46:09,430 --> 00:46:06,240

the guy actually came out

1382

00:46:11,510 --> 00:46:09,440

uh since and has put out an apology

1383

00:46:13,030 --> 00:46:11,520

saying i didn't realize this is this was

1384

00:46:13,990 --> 00:46:13,040

gonna happen i didn't do it with the

1385

00:46:16,470 --> 00:46:14,000

intention of spreading

1386

00:46:17,910 --> 00:46:16,480

like a fake ufo video he's just a visual

1387

00:46:18,870 --> 00:46:17,920

effects artist so he put out this

1388

00:46:20,470 --> 00:46:18,880

apology

1389

00:46:22,630 --> 00:46:20,480

then he put out a second version of the

1390

00:46:23,750 --> 00:46:22,640

video with a wireframe of the car so you

1391

00:46:26,470 --> 00:46:23,760

can see that it's

1392

00:46:27,270 --> 00:46:26,480

that it's fake with his face oh man that

1393

00:46:29,589 --> 00:46:27,280

hey

1394

00:46:31,430 --> 00:46:29,599

again that is a calling card for any

1395

00:46:32,710 --> 00:46:31,440

special effects artist um yeah and i

1396

00:46:34,950 --> 00:46:32,720

respect he did that

1397

00:46:37,030 --> 00:46:34,960

because there's so many who like who put

1398

00:46:39,589 --> 00:46:37,040

a video on youtube with no contacts

1399

00:46:41,670 --> 00:46:39,599

um don't say it's fake it gets three

1400

00:46:44,069 --> 00:46:41,680

million views in like two hours

1401
00:46:45,430 --> 00:46:44,079
and boom be like hey hollywood hi look

1402
00:46:47,510 --> 00:46:45,440
what i did in like

1403
00:46:49,829 --> 00:46:47,520
an hour like you should probably hire me

1404
00:46:51,430 --> 00:46:49,839
so good for him but also at the same

1405
00:46:54,470 --> 00:46:51,440
time i'm like

1406
00:46:55,589 --> 00:46:54,480
i i don't know man like now you can say

1407
00:46:58,630 --> 00:46:55,599
i did this

1408
00:47:00,870 --> 00:46:58,640
and this is how i did it hire me so um

1409
00:47:01,910 --> 00:47:00,880
you know what you know what good for

1410
00:47:04,710 --> 00:47:01,920
good for him it was

1411
00:47:06,069 --> 00:47:04,720
an incredible video it was an amazing

1412
00:47:08,550 --> 00:47:06,079
special effects artist

1413
00:47:09,990 --> 00:47:08,560

yeah definitely definitely but that was

1414

00:47:12,390 --> 00:47:10,000

again i was just saying that's a perfect

1415

00:47:13,829 --> 00:47:12,400

example um right let's jump into a few

1416

00:47:14,550 --> 00:47:13,839

quick fire questions they don't have to

1417

00:47:18,150 --> 00:47:14,560

be quick

1418

00:47:19,109 --> 00:47:18,160

answers but favorite case favorite ufo

1419

00:47:26,790 --> 00:47:19,119

case

1420

00:47:28,790 --> 00:47:26,800

amazing ah man i and i'm so quick to

1421

00:47:30,710 --> 00:47:28,800

answer that only because like

1422

00:47:31,910 --> 00:47:30,720

it is the case i've looked into more

1423

00:47:33,670 --> 00:47:31,920

than any

1424

00:47:35,589 --> 00:47:33,680

and i was writing a play about the rendo

1425

00:47:37,670 --> 00:47:35,599

show incident for a really long time

1426

00:47:40,790 --> 00:47:37,680

like deep deep research but i can tell

1427

00:47:42,710 --> 00:47:40,800

you tehran i've looked way more into

1428

00:47:44,870 --> 00:47:42,720

and um it was actually the first case i

1429

00:47:47,670 --> 00:47:44,880

received in foia

1430

00:47:48,230 --> 00:47:47,680

response to and um you know other than

1431

00:47:51,990 --> 00:47:48,240

like

1432

00:47:53,990 --> 00:47:52,000

nothing or um

1433

00:47:55,270 --> 00:47:54,000

like you didn't do the request right

1434

00:47:57,829 --> 00:47:55,280

like go away

1435

00:47:59,270 --> 00:47:57,839

but um i i talked to john greenwald for

1436

00:48:00,630 --> 00:47:59,280

a really long time on

1437

00:48:02,470 --> 00:48:00,640

uh because that was the first case he

1438

00:48:02,950 --> 00:48:02,480

looked into and filed a request for

1439

00:48:04,950 --> 00:48:02,960

really

1440

00:48:07,030 --> 00:48:04,960

so i'm like how do i do how do i

1441

00:48:09,750 --> 00:48:07,040

actually get anything on the tyron case

1442

00:48:10,390 --> 00:48:09,760

because i'm like i i i'm amazed by this

1443

00:48:12,950 --> 00:48:10,400

case

1444

00:48:14,549 --> 00:48:12,960

and he showed before we carry on let's

1445

00:48:16,630 --> 00:48:14,559

just briefly lay out the case for the

1446

00:48:18,790 --> 00:48:16,640

people that may not be aware of it

1447

00:48:20,710 --> 00:48:18,800

if you don't mind no no i i should do

1448

00:48:22,390 --> 00:48:20,720

that i always forget that like

1449

00:48:23,910 --> 00:48:22,400

people aren't into this like you and me

1450

00:48:27,030 --> 00:48:23,920

every day of our lives

1451

00:48:29,670 --> 00:48:27,040

so um tehran 1976 uh

1452

00:48:30,069 --> 00:48:29,680

lights were being seen over the city in

1453

00:48:33,190 --> 00:48:30,079

um

1454

00:48:36,470 --> 00:48:33,200

in iran and uh people started phoning

1455

00:48:37,349 --> 00:48:36,480

the police and the uh the local faa and

1456

00:48:39,349 --> 00:48:37,359

being like

1457

00:48:40,549 --> 00:48:39,359

something's going on over the city like

1458

00:48:43,349 --> 00:48:40,559

what should we

1459

00:48:45,270 --> 00:48:43,359

be worried and they they looked on their

1460

00:48:48,790 --> 00:48:45,280

radars and they're like with

1461

00:48:50,309 --> 00:48:48,800

it's not ours like we we whatever it is

1462

00:48:51,829 --> 00:48:50,319

we can't communicate with it it's not

1463

00:48:53,910 --> 00:48:51,839

showing up on radar

1464

00:48:55,750 --> 00:48:53,920

um but this is kind of weird let's let's

1465

00:48:58,069 --> 00:48:55,760

bring it over to the air force

1466

00:48:58,950 --> 00:48:58,079

so they phoned the local iranian air

1467

00:49:02,390 --> 00:48:58,960

force base

1468

00:49:05,030 --> 00:49:02,400

and say hey uh what uh yours

1469

00:49:06,150 --> 00:49:05,040

what what's going on here and they're

1470

00:49:09,190 --> 00:49:06,160

like no

1471

00:49:12,710 --> 00:49:09,200

huh so they send up a uh a

1472

00:49:15,109 --> 00:49:12,720

a fighter jet to investigate and um

1473

00:49:16,470 --> 00:49:15,119

dude goes up there and the closer he

1474

00:49:18,790 --> 00:49:16,480

gets to these lights

1475

00:49:19,589 --> 00:49:18,800

the more his instrumentation starts to

1476

00:49:21,829 --> 00:49:19,599

fail

1477

00:49:22,950 --> 00:49:21,839

um everything from his communication

1478

00:49:25,349 --> 00:49:22,960

back to the uh

1479

00:49:25,990 --> 00:49:25,359

the base and his weapon system

1480

00:49:30,710 --> 00:49:26,000

everything

1481

00:49:31,430 --> 00:49:30,720

circling around being like okay i gotta

1482

00:49:33,190 --> 00:49:31,440

like

1483

00:49:35,270 --> 00:49:33,200

what what's going on and it got to the

1484

00:49:37,030 --> 00:49:35,280

point where he wasted so much fuel

1485

00:49:38,390 --> 00:49:37,040

that he's like i can't do this i gotta

1486

00:49:41,750 --> 00:49:38,400

go back to base

1487

00:49:43,109 --> 00:49:41,760

so scared this pilot goes back to base

1488

00:49:45,510 --> 00:49:43,119

and he's like i don't know

1489

00:49:47,190 --> 00:49:45,520

i don't know what to tell you and um at

1490

00:49:47,990 --> 00:49:47,200

the base at the time was actually a

1491

00:49:49,910 --> 00:49:48,000

general

1492

00:49:51,670 --> 00:49:49,920

and this dude's like he's been in the

1493

00:49:53,589 --> 00:49:51,680

air for more than anyone else on that

1494

00:49:54,069 --> 00:49:53,599

air force base so he's like yeah i'll go

1495

00:49:57,190 --> 00:49:54,079

up there

1496

00:49:59,270 --> 00:49:57,200

i got this i got this uh parvis jafari

1497

00:50:00,470 --> 00:49:59,280

was his name he's seen everything up

1498

00:50:03,910 --> 00:50:00,480

there in the sky

1499

00:50:05,750 --> 00:50:03,920

so he goes up um and same thing

1500

00:50:07,670 --> 00:50:05,760

closer he gets to these lights the more

1501

00:50:10,790 --> 00:50:07,680

his instrumentation starts to fail

1502

00:50:11,990 --> 00:50:10,800

but he pushes it he's like i i gotta for

1503

00:50:14,390 --> 00:50:12,000

the safety of everyone

1504

00:50:15,990 --> 00:50:14,400

i gotta figure out what this is and uh

1505

00:50:17,030 --> 00:50:16,000

he gets closer and that's when he

1506

00:50:20,069 --> 00:50:17,040

actually sees

1507

00:50:22,390 --> 00:50:20,079

an object and it was massive

1508

00:50:24,309 --> 00:50:22,400

he said it was the size of like a boeing

1509

00:50:26,870 --> 00:50:24,319

um 747.

1510

00:50:28,470 --> 00:50:26,880

it was diamond shaped it had lights

1511

00:50:31,349 --> 00:50:28,480

wrapped all around it

1512

00:50:31,750 --> 00:50:31,359

and then things started coming out of it

1513

00:50:35,270 --> 00:50:31,760

like

1514

00:50:36,710 --> 00:50:35,280

things started coming off of the object

1515

00:50:38,950 --> 00:50:36,720

and coming towards him

1516

00:50:40,710 --> 00:50:38,960

so he freaks out he thinks it's missile

1517

00:50:43,510 --> 00:50:40,720

so he's like all right let's do this

1518

00:50:44,309 --> 00:50:43,520

like here we go air fight air fight

1519

00:50:47,030 --> 00:50:44,319

engage

1520

00:50:48,630 --> 00:50:47,040

and he starts having like a cat and

1521

00:50:49,670 --> 00:50:48,640

mouse or what would you call it like a

1522

00:50:52,069 --> 00:50:49,680

dog fight

1523

00:50:53,349 --> 00:50:52,079

with these objects they're following him

1524

00:50:55,829 --> 00:50:53,359

he's following it

1525

00:50:56,549 --> 00:50:55,839

he's locking on it it's locking on him

1526

00:50:59,030 --> 00:50:56,559

um

1527

00:51:00,230 --> 00:50:59,040

to the point where the one of the

1528

00:51:02,950 --> 00:51:00,240

objects started chasing

1529

00:51:04,069 --> 00:51:02,960

him and he had to go into a negative g

1530

00:51:06,390 --> 00:51:04,079

nose dive

1531

00:51:07,510 --> 00:51:06,400

just to get out of its way and get

1532

00:51:10,230 --> 00:51:07,520

behind it

1533

00:51:10,549 --> 00:51:10,240

and um ah dude and this is the thing

1534

00:51:14,549 --> 00:51:10,559

like

1535

00:51:16,710 --> 00:51:14,559

but this is all the documents i got

1536

00:51:17,910 --> 00:51:16,720

oh yeah which is crazy the

1537

00:51:21,510 --> 00:51:17,920

communications

1538

00:51:23,190 --> 00:51:21,520

everything everything um so eventually

1539

00:51:24,870 --> 00:51:23,200

you know he can't figure out what it is

1540

00:51:27,349 --> 00:51:24,880

the diamond disappears

1541

00:51:28,950 --> 00:51:27,359

he goes to the ground and within moments

1542

00:51:32,710 --> 00:51:28,960

of getting out of his plane

1543

00:51:33,829 --> 00:51:32,720

um the cia is there the american air

1544

00:51:36,309 --> 00:51:33,839

force is there

1545

00:51:38,069 --> 00:51:36,319

the national security agency is there

1546

00:51:39,589 --> 00:51:38,079

and mind you at the time we were leasing

1547

00:51:41,910 --> 00:51:39,599

our planes to iran

1548

00:51:43,430 --> 00:51:41,920

so they were probably like what just

1549

00:51:45,589 --> 00:51:43,440

outmaneuvered our planes

1550

00:51:46,870 --> 00:51:45,599

shut down the weapons what is going on

1551
00:51:49,430 --> 00:51:46,880
here and um

1552
00:51:50,069 --> 00:51:49,440
they grilled this guy for days and days

1553
00:51:52,630 --> 00:51:50,079
after that

1554
00:51:54,230 --> 00:51:52,640
and uh to the point where eventually he

1555
00:51:55,030 --> 00:51:54,240
was kind of shut up about the whole

1556
00:51:57,430 --> 00:51:55,040
thing

1557
00:51:58,549 --> 00:51:57,440
until decades later where he came to

1558
00:52:02,230 --> 00:51:58,559
washington dc

1559
00:52:03,910 --> 00:52:02,240
and admitted all of this and um

1560
00:52:06,069 --> 00:52:03,920
told his story and unfortunately he

1561
00:52:09,349 --> 00:52:06,079
passed away a couple years ago but

1562
00:52:10,790 --> 00:52:09,359
ah man um wow that was not a cliff notes

1563
00:52:12,950 --> 00:52:10,800

version i really went

1564

00:52:13,829 --> 00:52:12,960

oh that's great honestly you know you

1565

00:52:15,670 --> 00:52:13,839

you gave

1566

00:52:18,710 --> 00:52:15,680

you literally said it like a like a

1567

00:52:20,790 --> 00:52:18,720

researcher would and i appreciate that

1568

00:52:21,910 --> 00:52:20,800

such a great answer to what your

1569

00:52:23,510 --> 00:52:21,920

favorite cases

1570

00:52:25,510 --> 00:52:23,520

i'm just going to jump to this question

1571

00:52:27,510 --> 00:52:25,520

shout out to our very good friend mr

1572

00:52:29,589 --> 00:52:27,520

louise jimenez

1573

00:52:31,109 --> 00:52:29,599

what does ryan think about this travis

1574

00:52:34,309 --> 00:52:31,119

walton revelation

1575

00:52:37,030 --> 00:52:34,319

oh yeah so again um

1576
00:52:37,510 --> 00:52:37,040
famous ufo abduction case of the logger

1577
00:52:39,589 --> 00:52:37,520
i'm sure

1578
00:52:41,910 --> 00:52:39,599
everyone hopefully has seen fire in the

1579
00:52:44,470 --> 00:52:41,920
sky or read travis walton's book um

1580
00:52:45,510 --> 00:52:44,480
i've met travis several times uh you

1581
00:52:47,670 --> 00:52:45,520
know he always

1582
00:52:49,589 --> 00:52:47,680
came across to me as a straight shooter

1583
00:52:52,470 --> 00:52:49,599
never really swayed from his story

1584
00:52:53,270 --> 00:52:52,480
um you know supposedly uh he was out

1585
00:52:56,230 --> 00:52:53,280
there and got

1586
00:52:57,430 --> 00:52:56,240
kidnapped by aliens and seven witnesses

1587
00:53:00,309 --> 00:52:57,440
or six witnesses

1588
00:53:02,710 --> 00:53:00,319

uh saw this happen they all went under

1589

00:53:04,950 --> 00:53:02,720

polygraph tests and passed and um

1590

00:53:06,710 --> 00:53:04,960

it's become one of the most like i guess

1591

00:53:08,549 --> 00:53:06,720

credible and well documented

1592

00:53:10,470 --> 00:53:08,559

abduction cases out there including to

1593

00:53:13,670 --> 00:53:10,480

me uh absolutely

1594

00:53:17,190 --> 00:53:13,680

i've talked about it a lot and um

1595

00:53:20,309 --> 00:53:17,200

recently uh apparently one of the guys

1596

00:53:21,510 --> 00:53:20,319

uh uh presumably travis is one of his

1597

00:53:23,430 --> 00:53:21,520

close friends

1598

00:53:25,270 --> 00:53:23,440

during the event um has since come out

1599

00:53:29,030 --> 00:53:25,280

and said uh we made it all

1600

00:53:29,750 --> 00:53:29,040

up uh we were not gonna make our

1601
00:53:35,270 --> 00:53:29,760
contract

1602
00:53:37,190 --> 00:53:35,280
there in snowflake arizona

1603
00:53:38,950 --> 00:53:37,200
and uh they said literally the only way

1604
00:53:40,230 --> 00:53:38,960
we could get out of this was would be an

1605
00:53:42,630 --> 00:53:40,240
act of god

1606
00:53:44,390 --> 00:53:42,640
so instead of active god active aliens

1607
00:53:47,750 --> 00:53:44,400
they came up with this entire

1608
00:53:49,910 --> 00:53:47,760
alien object abduction scenario and uh i

1609
00:53:51,510 --> 00:53:49,920
mean the guy was missing for five days

1610
00:53:53,190 --> 00:53:51,520
and the police thought they'd murdered

1611
00:53:55,109 --> 00:53:53,200
him and they made up this whole thing to

1612
00:53:57,990 --> 00:53:55,119
cover it up but then lo and behold

1613
00:53:58,470 --> 00:53:58,000

dude shows up five days later disheveled

1614

00:54:00,230 --> 00:53:58,480

um

1615

00:54:02,470 --> 00:54:00,240

you know miles away from where the event

1616

00:54:04,390 --> 00:54:02,480

happened and and eventually came out

1617

00:54:06,950 --> 00:54:04,400

with this story that he

1618

00:54:09,270 --> 00:54:06,960

was being experimented on on a ship and

1619

00:54:13,109 --> 00:54:09,280

there were human aliens there were

1620

00:54:14,710 --> 00:54:13,119

weird big headed black eyed aliens and

1621

00:54:17,270 --> 00:54:14,720

and again like it's become one of the

1622

00:54:19,349 --> 00:54:17,280

most famous cases uh but recently

1623

00:54:21,109 --> 00:54:19,359

uh mike one of the guys involved with

1624

00:54:24,309 --> 00:54:21,119

this has come forward and said

1625

00:54:26,710 --> 00:54:24,319

it was all a hoax and um that's kind of

1626

00:54:29,430 --> 00:54:26,720

where it lays it kind of just broke

1627

00:54:31,030 --> 00:54:29,440

um i didn't even go into when they were

1628

00:54:33,030 --> 00:54:31,040

talking about the lie detector tests

1629

00:54:34,710 --> 00:54:33,040

that there wasn't a direct question

1630

00:54:36,549 --> 00:54:34,720

asked about aliens

1631

00:54:38,069 --> 00:54:36,559

so they were able to pass the test

1632

00:54:40,549 --> 00:54:38,079

because the the roundabout

1633

00:54:42,309 --> 00:54:40,559

way the questions were asked it was very

1634

00:54:44,470 --> 00:54:42,319

i think you're right strange yeah

1635

00:54:47,190 --> 00:54:44,480

they never actually asked the guys like

1636

00:54:50,309 --> 00:54:47,200

was it a ufo that abducted your friend

1637

00:54:53,589 --> 00:54:50,319

um the questions were very vague very

1638

00:54:56,470 --> 00:54:53,599

vague and broad yeah yeah so

1639

00:54:57,109 --> 00:54:56,480

um again a lot of people are saying that

1640

00:54:59,829 --> 00:54:57,119

um

1641

00:55:00,150 --> 00:54:59,839

they're remaking fire in the sky and

1642

00:55:02,390 --> 00:55:00,160

more

1643

00:55:03,750 --> 00:55:02,400

to the accurate story of what travis

1644

00:55:06,549 --> 00:55:03,760

walton has claimed

1645

00:55:07,510 --> 00:55:06,559

and that um that mike one of the guys

1646

00:55:09,910 --> 00:55:07,520

involved with all this

1647

00:55:11,349 --> 00:55:09,920

uh that he was not made aware that a new

1648

00:55:13,670 --> 00:55:11,359

movie was being made

1649

00:55:15,030 --> 00:55:13,680

he wasn't gonna be like paid for it or

1650

00:55:17,190 --> 00:55:15,040

anything like that

1651
00:55:19,349 --> 00:55:17,200
so you have to wonder is this like a

1652
00:55:22,630 --> 00:55:19,359
thing between friends where like

1653
00:55:23,670 --> 00:55:22,640
um is it all about money and he's kind

1654
00:55:25,270 --> 00:55:23,680
of like

1655
00:55:26,950 --> 00:55:25,280
he's kind of butt hurt that he's not

1656
00:55:28,470 --> 00:55:26,960
going to be a part of this so he's like

1657
00:55:30,549 --> 00:55:28,480
i'm going to tell them all it was a hoax

1658
00:55:32,309 --> 00:55:30,559
no exactly and just to see this sharing

1659
00:55:34,069 --> 00:55:32,319
this on facebook please don't go out

1660
00:55:34,630 --> 00:55:34,079
there and say that it was all a hoax

1661
00:55:37,270 --> 00:55:34,640
because

1662
00:55:38,630 --> 00:55:37,280
this is just one man coming and probably

1663
00:55:40,870 --> 00:55:38,640

maybe a bit pissed

1664

00:55:42,789 --> 00:55:40,880

because of what ryan just explained so

1665

00:55:43,589 --> 00:55:42,799

let's just wait we might hear more we

1666

00:55:45,990 --> 00:55:43,599

might not

1667

00:55:46,630 --> 00:55:46,000

so i want to hear from travis yeah

1668

00:55:47,670 --> 00:55:46,640

exactly

1669

00:55:50,230 --> 00:55:47,680

do you know what i actually emailed

1670

00:55:52,950 --> 00:55:50,240

travis travis this week um

1671

00:55:55,829 --> 00:55:52,960

for a project i'm working on i i hope i

1672

00:55:58,069 --> 00:55:55,839

hope i hear from him soon

1673

00:55:59,829 --> 00:55:58,079

it might be after the con the storm

1674

00:56:02,230 --> 00:55:59,839

comes on this whole thing but

1675

00:56:03,430 --> 00:56:02,240

yes now that that's happened absolutely

1676
00:56:06,390 --> 00:56:03,440
so um

1677
00:56:07,030 --> 00:56:06,400
again here's another quick fire question

1678
00:56:10,230 --> 00:56:07,040
for you

1679
00:56:11,190 --> 00:56:10,240
favorite fictional movie related to ets

1680
00:56:15,190 --> 00:56:11,200
and ufos

1681
00:56:18,950 --> 00:56:17,430
i you know the the easy answer is always

1682
00:56:22,390 --> 00:56:18,960
like close encounters

1683
00:56:25,670 --> 00:56:22,400
of course obviously um but

1684
00:56:29,109 --> 00:56:25,680
i actually really

1685
00:56:31,910 --> 00:56:29,119
really dug the um the movie that came

1686
00:56:33,750 --> 00:56:31,920
out that was called dark skies

1687
00:56:35,270 --> 00:56:33,760
oh yeah that that was a bit of a horrory

1688
00:56:36,549 --> 00:56:35,280

one where the guys in the garden with

1689

00:56:39,750 --> 00:56:36,559

his mouth open and all

1690

00:56:43,109 --> 00:56:39,760

it was super creepy man again it really

1691

00:56:45,990 --> 00:56:43,119

um kind of bent the

1692

00:56:47,670 --> 00:56:46,000

the genre of horror and uh alien

1693

00:56:48,549 --> 00:56:47,680

abduction you know like fire in the sky

1694

00:56:51,109 --> 00:56:48,559

yeah it was pretty

1695

00:56:52,069 --> 00:56:51,119

freaky what what the movie portrayed on

1696

00:56:54,789 --> 00:56:52,079

the ship but uh

1697

00:56:56,309 --> 00:56:54,799

of course this dark skies movie i i

1698

00:56:58,549 --> 00:56:56,319

didn't expect much from it

1699

00:56:59,750 --> 00:56:58,559

hey i was pissed that they stole the

1700

00:57:01,589 --> 00:56:59,760

title from um

1701

00:57:03,349 --> 00:57:01,599

that awesome television series that

1702

00:57:04,630 --> 00:57:03,359

bryce sabo came out with

1703

00:57:07,270 --> 00:57:04,640

i was like come on you couldn't have

1704

00:57:10,470 --> 00:57:07,280

come up with something else but um

1705

00:57:12,150 --> 00:57:10,480

but i loved the movie i

1706

00:57:14,069 --> 00:57:12,160

really did i thought it was a really

1707

00:57:17,510 --> 00:57:14,079

good take on alien abduction

1708

00:57:19,349 --> 00:57:17,520

um how this this phenomenon seems to

1709

00:57:21,270 --> 00:57:19,359

go throughout the generations of certain

1710

00:57:23,109 --> 00:57:21,280

families yeah um

1711

00:57:25,349 --> 00:57:23,119

and just i i thought it was well

1712

00:57:26,309 --> 00:57:25,359

structured again as a playwright in a

1713

00:57:28,630 --> 00:57:26,319

screenwriter

1714

00:57:30,470 --> 00:57:28,640

the the script was fantastic yeah

1715

00:57:31,990 --> 00:57:30,480

because it didn't it didn't rely on cgi

1716

00:57:35,030 --> 00:57:32,000

and all that so much it was

1717

00:57:35,910 --> 00:57:35,040

it was the storytelling the the scripts

1718

00:57:37,750 --> 00:57:35,920

like you said

1719

00:57:39,430 --> 00:57:37,760

it's about a family and uh that's just

1720

00:57:41,510 --> 00:57:39,440

sorry man that's why everyone loves

1721

00:57:44,470 --> 00:57:41,520

steven spielberg movies because he

1722

00:57:45,910 --> 00:57:44,480

he focuses on families and how you know

1723

00:57:49,030 --> 00:57:45,920

you have to come together

1724

00:57:50,870 --> 00:57:49,040

to to sort of um solve a problem

1725

00:57:52,870 --> 00:57:50,880

and for this family it was straight up

1726

00:57:54,470 --> 00:57:52,880

getting abducted by aliens so like

1727

00:57:55,910 --> 00:57:54,480

the stakes don't get much higher than

1728

00:57:57,910 --> 00:57:55,920

that so i i

1729

00:57:59,990 --> 00:57:57,920

if anyone hasn't seen the movie i highly

1730

00:58:01,829 --> 00:58:00,000

suggest it it's not that well known

1731

00:58:03,270 --> 00:58:01,839

um but it really has become one of my

1732

00:58:06,549 --> 00:58:03,280

favorites and one other one

1733

00:58:08,230 --> 00:58:06,559

i'll mention is uh taken the mini series

1734

00:58:09,109 --> 00:58:08,240

by steven spielberg i know it's not a

1735

00:58:12,309 --> 00:58:09,119

movie

1736

00:58:14,710 --> 00:58:12,319

but um just in amazing

1737

00:58:15,510 --> 00:58:14,720

amazing documentation of ufos from

1738

00:58:17,589 --> 00:58:15,520

roswell

1739

00:58:19,910 --> 00:58:17,599

up until like the early 2000s it's

1740

00:58:21,430 --> 00:58:19,920

incredible that was great and that's

1741

00:58:23,430 --> 00:58:21,440

you know that's not nothing being done

1742

00:58:23,829 --> 00:58:23,440

since then on such a scale as well

1743

00:58:26,309 --> 00:58:23,839

because

1744

00:58:27,750 --> 00:58:26,319

that was storytelling across generations

1745

00:58:29,750 --> 00:58:27,760

and

1746

00:58:32,390 --> 00:58:29,760

it really stuck to the script of of what

1747

00:58:34,309 --> 00:58:32,400

researchers have done you know as well

1748

00:58:36,230 --> 00:58:34,319

yeah there was a few far out things as

1749

00:58:38,069 --> 00:58:36,240

far as

1750

00:58:39,750 --> 00:58:38,079

the aliens themselves and a bit of the

1751

00:58:41,349 --> 00:58:39,760

narrative there but wow

1752

00:58:43,349 --> 00:58:41,359

i recommend that to everyone as well

1753

00:58:46,710 --> 00:58:43,359

dark skies like ryan says

1754

00:58:50,230 --> 00:58:46,720

great choices man i love it i love it

1755

00:58:52,150 --> 00:58:50,240

thank you um favorite book

1756

00:58:53,990 --> 00:58:52,160

ooh of course i'm going to look at these

1757

00:58:55,670 --> 00:58:54,000

ones behind me i thought this is a good

1758

00:58:59,990 --> 00:58:55,680

chance for you to plug yours but

1759

00:59:01,589 --> 00:59:00,000

oh oh dude i am uh ufo

1760

00:59:03,990 --> 00:59:01,599

book guy throw it through of course i

1761

00:59:07,030 --> 00:59:04,000

have my own there we go guys

1762

00:59:09,190 --> 00:59:07,040

um ah that's a tough one um

1763

00:59:10,789 --> 00:59:09,200

it is isn't it because it's not simply a

1764

00:59:13,990 --> 00:59:10,799

case of one book from one

1765

00:59:15,670 --> 00:59:14,000

thing no no it's a historical book or a

1766

00:59:17,910 --> 00:59:15,680

case book

1767

00:59:18,950 --> 00:59:17,920

i'm gonna you know what no i'll go out

1768

00:59:23,030 --> 00:59:18,960

and say it i think

1769

00:59:25,510 --> 00:59:23,040

ufos by leslie kane um honestly like

1770

00:59:27,430 --> 00:59:25,520

say what you want about her work i know

1771

00:59:28,470 --> 00:59:27,440

people like steven grier have his own

1772

00:59:31,990 --> 00:59:28,480

opinions on

1773

00:59:35,190 --> 00:59:32,000

on miss kane but um

1774

00:59:37,510 --> 00:59:35,200

i've spent time with leslie um i've

1775

00:59:38,789 --> 00:59:37,520

interviewed her several times uh she's

1776

00:59:41,030 --> 00:59:38,799

been so

1777

00:59:42,470 --> 00:59:41,040

gracious inviting me to her apartment

1778

00:59:43,190 --> 00:59:42,480

she doesn't live too far from me

1779

00:59:45,030 --> 00:59:43,200

actually

1780

00:59:47,589 --> 00:59:45,040

so like we meet up every now and again

1781

00:59:48,870 --> 00:59:47,599

and um and she is just one of the most

1782

00:59:51,990 --> 00:59:48,880

tenacious reporters

1783

00:59:53,670 --> 00:59:52,000

out there and um that book uh which was

1784

00:59:56,390 --> 00:59:53,680

a new york times bestseller

1785

00:59:58,069 --> 00:59:56,400

just it encapsulates everything i think

1786

01:00:01,349 --> 00:59:58,079

this topic truly stands for

1787

01:00:04,309 --> 01:00:01,359

we don't know what it is um our military

1788

01:00:04,710 --> 01:00:04,319

is just as mystified as we are in that

1789

01:00:06,230 --> 01:00:04,720

people

1790

01:00:08,309 --> 01:00:06,240

all over the world have experienced

1791

01:00:08,870 --> 01:00:08,319

these things so i highly suggest people

1792

01:00:11,750 --> 01:00:08,880

look at

1793

01:00:13,270 --> 01:00:11,760

the book ufos absolutely great choice

1794

01:00:15,030 --> 01:00:13,280

again and let's just

1795

01:00:17,270 --> 01:00:15,040

jump straight into it then ryan i think

1796

01:00:18,630 --> 01:00:17,280

this is the conversation piece that

1797

01:00:20,390 --> 01:00:18,640

everyone wants to really talk about

1798

01:00:24,470 --> 01:00:20,400

right now i've had it all day long

1799

01:00:27,750 --> 01:00:24,480

all over instagram in my dms

1800

01:00:30,630 --> 01:00:27,760

the cosmic hoax the

1801

01:00:31,990 --> 01:00:30,640

oh uh i was gonna say friend steven

1802

01:00:34,789 --> 01:00:32,000

greer but i probably shouldn't even

1803

01:00:35,190 --> 01:00:34,799

even say that hey hey hey he's a friend

1804

01:00:38,549 --> 01:00:35,200

man

1805

01:00:41,109 --> 01:00:38,559

like good on you i'm not i'm not gonna

1806

01:00:42,069 --> 01:00:41,119

i'm not gonna uh you know anyone who

1807

01:00:45,349 --> 01:00:42,079

follows his work

1808

01:00:48,470 --> 01:00:45,359

like i i often joke about it but like

1809

01:00:49,829 --> 01:00:48,480

do your thing again yeah i mean the

1810

01:00:52,549 --> 01:00:49,839

message is there with

1811

01:00:52,950 --> 01:00:52,559

peace and we don't want war anymore you

1812

01:00:56,309 --> 01:00:52,960

know

1813

01:00:59,430 --> 01:00:57,829

let's not get too deep into the

1814

01:00:59,829 --> 01:00:59,440

nitty-gritty because we're not here to

1815

01:01:02,710 --> 01:00:59,839

bash

1816

01:01:03,829 --> 01:01:02,720

anybody that's not what we do but like

1817

01:01:06,470 --> 01:01:03,839

so you watched it

1818

01:01:07,589 --> 01:01:06,480

today if i if i'm right and what did you

1819

01:01:10,470 --> 01:01:07,599

think

1820

01:01:11,270 --> 01:01:10,480

any any stand out bits or confusing bits

1821

01:01:14,390 --> 01:01:11,280

or just something

1822

01:01:15,109 --> 01:01:14,400

anything yeah so i mean again like you

1823

01:01:17,109 --> 01:01:15,119

have these

1824

01:01:18,150 --> 01:01:17,119

dueling narratives going on right now

1825

01:01:20,309 --> 01:01:18,160

when it comes to

1826

01:01:22,150 --> 01:01:20,319

elizondo and everything to the stars

1827

01:01:23,990 --> 01:01:22,160

academy sort of stood for

1828

01:01:25,190 --> 01:01:24,000

and uh what the pentagon seems to be

1829

01:01:27,670 --> 01:01:25,200

standing for and that's

1830

01:01:29,109 --> 01:01:27,680

the potential threat angle of these uap

1831

01:01:30,230 --> 01:01:29,119

uh and then you have someone on the

1832

01:01:31,910 --> 01:01:30,240

other side saying

1833

01:01:33,349 --> 01:01:31,920

no it's not a threat like we have to

1834

01:01:36,549 --> 01:01:33,359

embrace these

1835

01:01:39,030 --> 01:01:36,559

intelligences and uh and um

1836

01:01:39,750 --> 01:01:39,040

and and bring them in and communicate

1837

01:01:42,470 --> 01:01:39,760

with them

1838

01:01:44,390 --> 01:01:42,480

uh because ultimately like they kind of

1839

01:01:47,670 --> 01:01:44,400

hold our fate in their hands

1840

01:01:50,309 --> 01:01:47,680

and uh i don't think that's

1841

01:01:52,230 --> 01:01:50,319

wrong to think that way um but i also

1842

01:01:53,910 --> 01:01:52,240

don't think it's wrong to think that

1843

01:01:57,750 --> 01:01:53,920

these could be a potential threat

1844

01:02:00,390 --> 01:01:57,760

so um the fact that this film dropped um

1845

01:02:01,510 --> 01:02:00,400

and that it literally called out people

1846

01:02:04,710 --> 01:02:01,520

by name

1847

01:02:08,309 --> 01:02:04,720

and uh attempted to defame them

1848

01:02:12,069 --> 01:02:08,319

and to uh make up i'm just gonna say

1849

01:02:13,190 --> 01:02:12,079

make up lies about them uh was extremely

1850

01:02:15,270 --> 01:02:13,200

irresponsible

1851
01:02:16,390 --> 01:02:15,280
again stephen grier can make a million

1852
01:02:17,990 --> 01:02:16,400
documentaries

1853
01:02:20,309 --> 01:02:18,000
people are still gonna watch him still

1854
01:02:20,630 --> 01:02:20,319
gonna follow him and uh that's fine i've

1855
01:02:22,789 --> 01:02:20,640
seen

1856
01:02:24,630 --> 01:02:22,799
every one of his documentaries yeah and

1857
01:02:26,549 --> 01:02:24,640
some of them i was like

1858
01:02:28,150 --> 01:02:26,559
like unacknowledged i was like that was

1859
01:02:30,309 --> 01:02:28,160
pretty damn good

1860
01:02:32,470 --> 01:02:30,319
like i'm not gonna lie and he gets some

1861
01:02:34,390 --> 01:02:32,480
really good people to like narrate him

1862
01:02:37,270 --> 01:02:34,400
and stuff but uh

1863
01:02:37,910 --> 01:02:37,280

it always comes down to me um for me

1864

01:02:41,430 --> 01:02:37,920

with him

1865

01:02:42,710 --> 01:02:41,440

of uh watch my movie and then go

1866

01:02:45,349 --> 01:02:42,720

download my app

1867

01:02:46,870 --> 01:02:45,359

and then come to my uh retreats and pay

1868

01:02:49,510 --> 01:02:46,880

seven thousand dollars

1869

01:02:49,990 --> 01:02:49,520

to uh shine a flashlight at the sky and

1870

01:02:52,870 --> 01:02:50,000

um

1871

01:02:54,470 --> 01:02:52,880

talk to an alien i have nothing against

1872

01:02:57,510 --> 01:02:54,480

ce5 vinny nothing

1873

01:02:59,270 --> 01:02:57,520

no no i i i'm actually

1874

01:03:01,589 --> 01:02:59,280

uh going to be talking to some people

1875

01:03:03,190 --> 01:03:01,599

who who do it because i

1876

01:03:04,710 --> 01:03:03,200

i think there might be something to it

1877

01:03:08,309 --> 01:03:04,720

i'm very open i

1878

01:03:10,150 --> 01:03:08,319

agree and i and again like any way to

1879

01:03:11,750 --> 01:03:10,160

attempt communicating with what these

1880

01:03:13,829 --> 01:03:11,760

uap may represent

1881

01:03:15,190 --> 01:03:13,839

i think is great because clearly our

1882

01:03:16,870 --> 01:03:15,200

pilots can't do it

1883

01:03:19,349 --> 01:03:16,880

when people like parvish jafari were

1884

01:03:21,430 --> 01:03:19,359

like shoot first asked questions later

1885

01:03:22,710 --> 01:03:21,440

uh his biggest regret during the tehran

1886

01:03:25,829 --> 01:03:22,720

incident wasn't

1887

01:03:26,230 --> 01:03:25,839

like that he didn't figure out what it

1888

01:03:29,349 --> 01:03:26,240

was

1889

01:03:33,029 --> 01:03:29,359

it and say what are you doing

1890

01:03:34,870 --> 01:03:33,039

what do you want who are you so c5 is

1891

01:03:36,230 --> 01:03:34,880

awesome um all the time that's the thing

1892

01:03:37,990 --> 01:03:36,240

though it's not really i mean i don't

1893

01:03:39,589 --> 01:03:38,000

even like using the term ce5 because

1894

01:03:41,190 --> 01:03:39,599

that's just a branded version of

1895

01:03:42,870 --> 01:03:41,200

something that's a lot older

1896

01:03:44,390 --> 01:03:42,880

right there's a lot of baggage behind

1897

01:03:46,069 --> 01:03:44,400

that yeah um

1898

01:03:47,510 --> 01:03:46,079

be right in what you're saying i mean

1899

01:03:48,789 --> 01:03:47,520

it's it's not so

1900

01:03:50,789 --> 01:03:48,799

what stood out for me i'm just gonna

1901

01:03:52,789 --> 01:03:50,799

throw this in is the use of john warner

1902

01:03:56,309 --> 01:03:52,799

the fourth and richard doty

1903

01:03:56,870 --> 01:03:56,319

to try and make a point yeah was warner

1904

01:03:59,910 --> 01:03:56,880

the

1905

01:04:02,470 --> 01:03:59,920

melon

1906

01:04:04,230 --> 01:04:02,480

family in some way oh that was

1907

01:04:05,750 --> 01:04:04,240

interesting man you got like the melon

1908

01:04:08,309 --> 01:04:05,760

family kind of

1909

01:04:09,510 --> 01:04:08,319

uh on either end it's like the monarch

1910

01:04:13,349 --> 01:04:09,520

music capulets

1911

01:04:16,309 --> 01:04:13,359

exactly yeah yeah um so yeah you just

1912

01:04:18,230 --> 01:04:16,319

again like i for me it came off as kind

1913

01:04:20,789 --> 01:04:18,240

of like a pity party thing

1914

01:04:21,670 --> 01:04:20,799

like i think stephen grier feels very

1915

01:04:24,710 --> 01:04:21,680

left out

1916

01:04:27,349 --> 01:04:24,720

with um the whole ufos going mainstream

1917

01:04:29,029 --> 01:04:27,359

and the pentagon kind of hijacking the

1918

01:04:30,470 --> 01:04:29,039

entire conversation and

1919

01:04:32,390 --> 01:04:30,480

saying these are a threat where he's

1920

01:04:34,630 --> 01:04:32,400

worked his ass off for decades

1921

01:04:35,430 --> 01:04:34,640

saying they're not a threat and again

1922

01:04:37,270 --> 01:04:35,440

good on him

1923

01:04:39,270 --> 01:04:37,280

like i i don't think anyone should buy

1924

01:04:41,029 --> 01:04:39,280

into everything

1925

01:04:43,029 --> 01:04:41,039

under saying everything greer's saying

1926

01:04:46,150 --> 01:04:43,039

whatever don't even listen to what i say

1927

01:04:46,950 --> 01:04:46,160

like go do your own effing research on

1928

01:04:48,630 --> 01:04:46,960

this yeah

1929

01:04:50,549 --> 01:04:48,640

because at the end of the day you want

1930

01:04:51,910 --> 01:04:50,559

answers for yourself um

1931

01:04:53,589 --> 01:04:51,920

you want to know what's going on because

1932

01:04:55,510 --> 01:04:53,599

either you've had an experience

1933

01:04:57,190 --> 01:04:55,520

and you want answers or you have a

1934

01:04:59,990 --> 01:04:57,200

curiosity that you want

1935

01:05:00,630 --> 01:05:00,000

to understand and um just do it yourself

1936

01:05:02,470 --> 01:05:00,640

but uh

1937

01:05:04,470 --> 01:05:02,480

the film for me it was those last

1938

01:05:06,710 --> 01:05:04,480

moments man i won't give it away

1939

01:05:08,309 --> 01:05:06,720

but like grier does this one thing and

1940

01:05:09,510 --> 01:05:08,319

all of his movies that everyone makes

1941

01:05:12,549 --> 01:05:09,520

fun of it for

1942

01:05:13,510 --> 01:05:12,559

and he did not let down in that way in

1943

01:05:16,549 --> 01:05:13,520

this one either

1944

01:05:19,750 --> 01:05:16,559

and it kind of came off to me like um

1945

01:05:22,230 --> 01:05:19,760

boo hoo no one's listening to me

1946

01:05:23,109 --> 01:05:22,240

no one wants to uh think these aliens

1947

01:05:26,309 --> 01:05:23,119

are like

1948

01:05:28,309 --> 01:05:26,319

uh peace loving and um and

1949

01:05:30,069 --> 01:05:28,319

who knows what they are some might want

1950

01:05:32,789 --> 01:05:30,079

to kill us someone might want to

1951

01:05:35,910 --> 01:05:32,799

invite us into the galactic federation

1952

01:05:37,670 --> 01:05:35,920

but the film just came off so desperate

1953

01:05:39,349 --> 01:05:37,680

um that's just my honest opinion but i

1954

01:05:39,829 --> 01:05:39,359

don't know it's great and i watch it you

1955

01:05:41,349 --> 01:05:39,839

agree

1956

01:05:42,950 --> 01:05:41,359

and i think everyone should watch it

1957

01:05:43,990 --> 01:05:42,960

this is what i say to people as much as

1958

01:05:45,670 --> 01:05:44,000

you may not

1959

01:05:47,029 --> 01:05:45,680

agree with somebody whether it's greer

1960

01:05:48,870 --> 01:05:47,039

or anybody else

1961

01:05:50,549 --> 01:05:48,880

if you watch everything to do with this

1962

01:05:53,510 --> 01:05:50,559

subject it really broadens

1963

01:05:54,870 --> 01:05:53,520

and helps you because it it it makes you

1964

01:05:55,829 --> 01:05:54,880

either confirm that you're looking in

1965

01:05:58,789 --> 01:05:55,839

the right place

1966

01:05:59,109 --> 01:05:58,799

the other side or maybe it will make you

1967

01:06:00,789 --> 01:05:59,119

look

1968

01:06:02,870 --> 01:06:00,799

you know and think a bit harder but

1969

01:06:05,829 --> 01:06:02,880

watch it you know what i think too vinny

1970

01:06:07,589 --> 01:06:05,839

yeah i and i should make this clear like

1971

01:06:10,309 --> 01:06:07,599

what if he's right

1972

01:06:11,109 --> 01:06:10,319

wow what if what if here's right on

1973

01:06:13,829 --> 01:06:11,119

everything

1974

01:06:14,470 --> 01:06:13,839

yeah and there's nothing to say he's not

1975

01:06:16,710 --> 01:06:14,480

i'm gonna

1976

01:06:18,549 --> 01:06:16,720

eat my words if he if it turns out one

1977

01:06:18,950 --> 01:06:18,559

day you know and i'll hold my hands up

1978

01:06:21,510 --> 01:06:18,960

and go

1979

01:06:22,390 --> 01:06:21,520

guys i'm so sorry yeah of course and i

1980

01:06:24,870 --> 01:06:22,400

find myself

1981

01:06:27,029 --> 01:06:24,880

you know passion tweeting and like

1982

01:06:28,549 --> 01:06:27,039

shaming people for following the work of

1983

01:06:31,029 --> 01:06:28,559

grier or things like that

1984

01:06:31,990 --> 01:06:31,039

and i try to i try to temper that more

1985

01:06:33,349 --> 01:06:32,000

nowadays because

1986

01:06:36,390 --> 01:06:33,359

if there's anything i've learned in this

1987

01:06:37,990 --> 01:06:36,400

field uh you're going to be wrong

1988

01:06:39,589 --> 01:06:38,000

so much and you're going to change your

1989

01:06:41,029 --> 01:06:39,599

mind and you have to be willing to do

1990

01:06:44,390 --> 01:06:41,039

that

1991

01:06:46,470 --> 01:06:44,400

look um watch the film whether you

1992

01:06:47,430 --> 01:06:46,480

believe him or not it's like people with

1993

01:06:49,029 --> 01:06:47,440

jeremy corbell

1994

01:06:51,029 --> 01:06:49,039

they don't like the dude because of his

1995

01:06:52,069 --> 01:06:51,039

personality but that doesn't mean what

1996

01:06:55,109 --> 01:06:52,079

he's bringing forward

1997

01:06:57,750 --> 01:06:55,119

isn't true or accurate so like just

1998

01:06:58,549 --> 01:06:57,760

just watch it just listen to it just

1999

01:07:01,750 --> 01:06:58,559

look into it

2000

01:07:03,270 --> 01:07:01,760

um so again i i made fun of the steven

2001

01:07:05,270 --> 01:07:03,280

grier thing before it even came out

2002

01:07:06,950 --> 01:07:05,280

and i watched it and i still have the

2003

01:07:07,829 --> 01:07:06,960

same feelings in many ways but some of

2004

01:07:10,710 --> 01:07:07,839

it i'm like

2005

01:07:12,390 --> 01:07:10,720

holy [h__\h] what if he's right and that's

2006

01:07:14,150 --> 01:07:12,400

that's even more terrifying

2007

01:07:15,670 --> 01:07:14,160

but the comment i just had up who's like

2008

01:07:17,829 --> 01:07:15,680

called out jacques valet

2009

01:07:20,150 --> 01:07:17,839

but he called out pretty much everyone

2010

01:07:20,870 --> 01:07:20,160

in you followed you almost by name as

2011

01:07:22,870 --> 01:07:20,880

well

2012

01:07:23,910 --> 01:07:22,880

but then i i see some lawsuits coming

2013

01:07:26,950 --> 01:07:23,920

man i'm not gonna lie

2014

01:07:27,990 --> 01:07:26,960

maybe yeah maybe i mean as well he used

2015

01:07:30,309 --> 01:07:28,000

like imagery of alex

2016

01:07:31,750 --> 01:07:30,319

dietrich he didn't name her directly but

2017

01:07:32,789 --> 01:07:31,760

it was talking about something quite

2018

01:07:34,870 --> 01:07:32,799

controversial

2019

01:07:35,990 --> 01:07:34,880

her face flashes up i mean dude that's

2020

01:07:38,789 --> 01:07:36,000

low blow man

2021

01:07:40,150 --> 01:07:38,799

well he used a lot of tsa footage too

2022

01:07:42,789 --> 01:07:40,160

that was not credited

2023

01:07:44,710 --> 01:07:42,799

so again that's where i'm like yo like i

2024

01:07:45,190 --> 01:07:44,720

get you're dropping this on youtube for

2025

01:07:46,390 --> 01:07:45,200

free

2026

01:07:48,549 --> 01:07:46,400

and you're gonna make a [\h__\h] ton of

2027

01:07:50,230 --> 01:07:48,559

money on your your app because it was at

2028

01:07:53,670 --> 01:07:50,240

the bottom of the documentary the whole

2029

01:07:56,309 --> 01:07:53,680

yes but um like

2030

01:07:58,390 --> 01:07:56,319

did you in in maybe he probably did

2031

01:08:00,710 --> 01:07:58,400

because he's working with daniel sheehan

2032

01:08:01,750 --> 01:08:00,720

and i'm sure he has a group of attorneys

2033

01:08:03,510 --> 01:08:01,760

but there's so much

2034

01:08:05,190 --> 01:08:03,520

that thing where i'm like i see a

2035

01:08:06,950 --> 01:08:05,200

lawsuit there i see a lawsuit there

2036

01:08:08,870 --> 01:08:06,960

and maybe he's okay with that maybe he's

2037

01:08:09,990 --> 01:08:08,880

like i don't care like i'm throwing

2038

01:08:12,390 --> 01:08:10,000

caution to the wind

2039

01:08:13,270 --> 01:08:12,400

i'm done like no one's looking at me

2040

01:08:16,470 --> 01:08:13,280

here we go

2041

01:08:19,030 --> 01:08:16,480

and yeah maybe a last stitch attempt to

2042

01:08:19,669 --> 01:08:19,040

totally be irrelevant yeah i don't know

2043

01:08:21,910 --> 01:08:19,679

man

2044

01:08:23,110 --> 01:08:21,920

i think i'm completely on the same page

2045

01:08:24,950 --> 01:08:23,120

as you but yeah

2046

01:08:26,229 --> 01:08:24,960

we let's not go any further because we

2047

01:08:29,030 --> 01:08:26,239

probably could dig

2048

01:08:30,470 --> 01:08:29,040

and dig and i want to watch it again to

2049

01:08:32,070 --> 01:08:30,480

be honest yeah i think that's the thing

2050

01:08:34,630 --> 01:08:32,080

as well is you have to go back because

2051

01:08:36,470 --> 01:08:34,640

you always find little things in these

2052

01:08:38,229 --> 01:08:36,480

documentaries and stuff where you didn't

2053

01:08:39,990 --> 01:08:38,239

notice it the first time and

2054

01:08:41,829 --> 01:08:40,000

not not to say it would change your mind

2055

01:08:43,990 --> 01:08:41,839

but it's just another point that you can

2056

01:08:45,590 --> 01:08:44,000

think about or something like that but

2057

01:08:47,269 --> 01:08:45,600

everybody watching go and see it if you

2058

01:08:49,990 --> 01:08:47,279

haven't whether you like the guy or not

2059

01:08:51,749 --> 01:08:50,000

it's worth watching to get an idea um

2060

01:08:53,749 --> 01:08:51,759

and everyone that sees this video after

2061

01:08:57,749 --> 01:08:53,759

the fact as well go and watch it and

2062

01:08:59,189 --> 01:08:57,759

form your own opinions so exactly yeah

2063

01:09:00,630 --> 01:08:59,199

well listen ryan i'm not going to keep

2064

01:09:01,990 --> 01:09:00,640

you any longer i've kept you for an hour

2065

01:09:03,669 --> 01:09:02,000

and ten minutes man

2066

01:09:05,829 --> 01:09:03,679

let's do this again let's do this again

2067

01:09:06,789 --> 01:09:05,839

in the future man it does absolutely

2068

01:09:09,269 --> 01:09:06,799

that's the thing like

2069

01:09:09,910 --> 01:09:09,279

um but then i'd rather not do two hours

2070

01:09:11,430 --> 01:09:09,920

i'd rather

2071

01:09:13,030 --> 01:09:11,440

another month goes down the line and we

2072

01:09:14,870 --> 01:09:13,040

have a whole new thing to look at

2073

01:09:16,789 --> 01:09:14,880

more to talk about fingers crossed it

2074

01:09:19,430 --> 01:09:16,799

goes in a positive direction

2075

01:09:20,789 --> 01:09:19,440

you know yeah absolutely yeah you've got

2076

01:09:22,470 --> 01:09:20,799

a whole day ahead of you man it's like

2077

01:09:23,030 --> 01:09:22,480

only the afternoon there as well so you

2078

01:09:24,630 --> 01:09:23,040

know i can

2079

01:09:26,309 --> 01:09:24,640

i could go and kick back and chill now

2080

01:09:28,550 --> 01:09:26,319

because it's the evening but yeah i saw

2081

01:09:29,749 --> 01:09:28,560

you drinking some what was that cabernet

2082

01:09:32,950 --> 01:09:29,759

what what do you think it was it was a

2083

01:09:36,070 --> 01:09:34,950

i am a bartender when i'm not doing the

2084

01:09:38,149 --> 01:09:36,080

whole uh

2085

01:09:39,510 --> 01:09:38,159

struggling playwright and ufo thing this

2086

01:09:41,110 --> 01:09:39,520

is the thing i've become known for

2087

01:09:42,630 --> 01:09:41,120

drinking red wine because whenever i go

2088

01:09:44,070 --> 01:09:42,640

on instagram live i've always got a

2089

01:09:45,829 --> 01:09:44,080

glass and whenever i do this i've always

2090

01:09:47,269 --> 01:09:45,839

got a glass it's the evening here man my

2091

01:09:49,189 --> 01:09:47,279

my daughter's in bed i've had a spa

2092

01:09:50,950 --> 01:09:49,199

exactly stressful day with the kids

2093

01:09:53,510 --> 01:09:50,960

you know i've been at press i've been at

2094

01:09:56,390 --> 01:09:53,520

an inflatable blow up bouncy castle

2095

01:09:58,149 --> 01:09:56,400

indoor park all day today jumping around

2096

01:09:59,189 --> 01:09:58,159

with kids i need a glass of wine in the

2097

01:10:01,270 --> 01:09:59,199

evening bro

2098

01:10:02,229 --> 01:10:01,280

you need some wine and some good ufo

2099

01:10:04,390 --> 01:10:02,239

talk man no

2100

01:10:05,990 --> 01:10:04,400

there we go awesome thank you this was

2101

01:10:07,750 --> 01:10:06,000

an honor being here i really

2102

01:10:09,189 --> 01:10:07,760

enjoyed it the honor's all mine man

2103

01:10:11,030 --> 01:10:09,199

seriously um

2104

01:10:12,950 --> 01:10:11,040

but listen let's stay in touch even

2105

01:10:15,270 --> 01:10:12,960

behind the scenes and

2106

01:10:15,990 --> 01:10:15,280

you know i've got other stuff working in

2107

01:10:19,270 --> 01:10:16,000

the background

2108

01:10:22,310 --> 01:10:19,280

man i may need your trained ear

2109

01:10:24,310 --> 01:10:22,320

and all these things you know always

2110

01:10:25,510 --> 01:10:24,320

i've seen this community grow so much in

2111

01:10:27,430 --> 01:10:25,520

the past few years

2112

01:10:28,550 --> 01:10:27,440

man and it's been the most invigorating

2113

01:10:30,790 --> 01:10:28,560

thing because

2114

01:10:32,630 --> 01:10:30,800
again like all of us in the cfo field

2115

01:10:34,550 --> 01:10:32,640
i've been doing it since i was 13.

2116

01:10:35,910 --> 01:10:34,560
and i've wanted to leave so many times

2117

01:10:37,830 --> 01:10:35,920
even today like

2118

01:10:39,990 --> 01:10:37,840
i i knew we were having this interview

2119

01:10:42,550 --> 01:10:40,000
but i woke up this morning and i saw

2120

01:10:43,669 --> 01:10:42,560
like 10 of my ufo books with like the

2121

01:10:46,470 --> 01:10:43,679
saucer on the front

2122

01:10:47,990 --> 01:10:46,480
and i just felt nauseous because i just

2123

01:10:50,470 --> 01:10:48,000
watched the grier thing

2124

01:10:51,830 --> 01:10:50,480
and i you know this is a part of my life

2125

01:10:55,270 --> 01:10:51,840
every single day every

2126

01:10:57,510 --> 01:10:55,280

weekend god bless like my family and my

2127

01:10:59,030 --> 01:10:57,520

my partner for like understanding what i

2128

01:11:01,350 --> 01:10:59,040

do yeah but um

2129

01:11:03,110 --> 01:11:01,360

i was just like oh my god the last thing

2130

01:11:04,070 --> 01:11:03,120

i want to do today is talk about ufos

2131

01:11:06,550 --> 01:11:04,080

but the moment

2132

01:11:07,189 --> 01:11:06,560

you and i connected like it just came

2133

01:11:09,430 --> 01:11:07,199

back

2134

01:11:10,310 --> 01:11:09,440

yeah man i feel invigorated as well man

2135

01:11:11,910 --> 01:11:10,320

i do so

2136

01:11:14,149 --> 01:11:11,920

thank you thank you for what you do

2137

01:11:16,310 --> 01:11:14,159

thank you my pleasure the ufo twitter

2138

01:11:18,470 --> 01:11:16,320

community like they've given me hope

2139

01:11:20,790 --> 01:11:18,480

and i see the community growing every

2140

01:11:23,750 --> 01:11:20,800

day and we desperately have needed that

2141

01:11:24,070 --> 01:11:23,760

for decades now um it's becoming a much

2142

01:11:27,110 --> 01:11:24,080

more

2143

01:11:27,430 --> 01:11:27,120

diverse community and um and so many

2144

01:11:30,070 --> 01:11:27,440

more

2145

01:11:30,870 --> 01:11:30,080

voices and thoughts and theories and

2146

01:11:33,270 --> 01:11:30,880

it's beautiful

2147

01:11:35,270 --> 01:11:33,280

i think it gives me hope for the future

2148

01:11:36,550 --> 01:11:35,280

like so much bad shit's been going on

2149

01:11:38,950 --> 01:11:36,560

the past couple years

2150

01:11:40,550 --> 01:11:38,960

but this ufo thing i really think is a

2151

01:11:42,070 --> 01:11:40,560

unifier so um

2152

01:11:44,310 --> 01:11:42,080

thank you for what you do and thank you

2153

01:11:46,470 --> 01:11:44,320

to everyone who watches and

2154

01:11:48,310 --> 01:11:46,480

supports both of us thank you hey no

2155

01:11:50,550 --> 01:11:48,320

worries and thank you to everyone

2156

01:11:51,830 --> 01:11:50,560

here in the chat um but yeah ryan i'll

2157

01:11:53,669 --> 01:11:51,840

let you get on with your day man and

2158

01:11:55,350 --> 01:11:53,679

then i can i can just say goodbye to the

2159

01:11:55,910 --> 01:11:55,360

chat guys but listen let's speak soon

2160

01:11:57,910 --> 01:11:55,920

brother

2161

01:12:01,189 --> 01:11:57,920

thank you thanks for having me take care

2162

01:12:04,630 --> 01:12:01,199

you too bye-bye bye-bye

2163

01:12:06,310 --> 01:12:04,640

guys i enjoyed that

2164

01:12:08,790 --> 01:12:06,320

i said to ryan beforehand let's just

2165

01:12:10,070 --> 01:12:08,800

have a chat let's not go super serious

2166

01:12:11,990 --> 01:12:10,080

it's going to be

2167

01:12:13,590 --> 01:12:12,000

you know just as two dudes having a chat

2168

01:12:14,709 --> 01:12:13,600

and i'm glad that you guys were here to

2169

01:12:16,070 --> 01:12:14,719

watch it live you know

2170

01:12:18,310 --> 01:12:16,080

sometimes we don't want to get into

2171

01:12:22,790 --> 01:12:18,320

those deep conversations where it's

2172

01:12:24,550 --> 01:12:22,800

super like you know intense and that but

2173

01:12:26,870 --> 01:12:24,560

guys i can just thank you you know i can

2174

01:12:28,470 --> 01:12:26,880

thank you all day but

2175

01:12:29,910 --> 01:12:28,480

you know i've got stuff to do you've got

2176

01:12:32,630 --> 01:12:29,920

stuff to do so um

2177

01:12:34,470 --> 01:12:32,640

thank you so much as always i still feel

2178

01:12:35,990 --> 01:12:34,480

like i'm new to this i'm still learning

2179

01:12:37,990 --> 01:12:36,000

i'm still not super confident in what

2180

01:12:40,390 --> 01:12:38,000

i'm doing but thank you anyway

2181

01:12:41,910 --> 01:12:40,400

guys um and yeah i hope you all enjoy

2182

01:12:43,270 --> 01:12:41,920

the rest of your day your evening

2183

01:12:45,910 --> 01:12:43,280

morning wherever you are

2184

01:12:47,110 --> 01:12:45,920

but until next time which is actually

2185

01:12:49,189 --> 01:12:47,120

two days time i'm going to be

2186

01:12:51,990 --> 01:12:49,199

interviewing rich hoffman from the scu

2187

01:12:53,430 --> 01:12:52,000

the scientific coalition of uap studies

2188

01:12:54,870 --> 01:12:53,440

that one might be a bit more intense

2189

01:12:56,310 --> 01:12:54,880

because i've got to do some work well i

2190

01:12:57,830 --> 01:12:56,320

have been doing some work but uh

2191

01:12:58,630 --> 01:12:57,840

hopefully you can tune in in a couple of

2192

01:13:02,830 --> 01:12:58,640

days but uh
