Live on YouTube

Friday July 9th

11.30am PST/2.30pm EST/7.30pm UK

1
00:00:01,190 --> 00:00:15,509

[Music]

2
00:00:19,670 --> 00:00:17,029

hello everyone

3
00:00:21,750 --> 00:00:19,680

good to see you there how's it going so

4
00:00:23,029 --> 00:00:21,760

guys thank you for being here as always

5
00:00:25,509 --> 00:00:23,039

and here we are yet again

6
00:00:27,269 --> 00:00:25,519

on another live discussion on the

7
00:00:28,870 --> 00:00:27,279

disclosure team youtube channel i'm not

8
00:00:31,109 --> 00:00:28,880

going to waste any more time

9
00:00:31,990 --> 00:00:31,119

you guys know this man and if you don't

10
00:00:34,630 --> 00:00:32,000

you should

11
00:00:35,270 --> 00:00:34,640

get to know um let's jump into it please

12
00:00:38,470 --> 00:00:35,280

welcome

13
00:00:39,110 --> 00:00:38,480

danny silva from the silver record hey

14

00:00:41,110 --> 00:00:39,120

danny

15

00:00:42,869 --> 00:00:41,120

what's good how are you oh good brother

16

00:00:45,590 --> 00:00:42,879

man thank you so much for joining me

17

00:00:47,270 --> 00:00:45,600

and i appreciate it so much yeah you

18

00:00:48,229 --> 00:00:47,280

know what's crazy is your background of

19

00:00:51,510 --> 00:00:48,239

the pentagon

20

00:00:53,830 --> 00:00:51,520

yeah when you fly into washington dc you

21

00:00:55,510 --> 00:00:53,840

the the flight path goes kind of like

22

00:00:57,110 --> 00:00:55,520

near the pentagon like that so

23

00:00:58,549 --> 00:00:57,120

if you're on the correct side of the

24

00:00:59,430 --> 00:00:58,559

plane i think i was on the left side of

25

00:01:01,670 --> 00:00:59,440

the plane

26
00:01:04,549 --> 00:01:01,680
and i looked out and i saw the pentagon

27
00:01:07,750 --> 00:01:04,559
like that it was nuts

28
00:01:10,390 --> 00:01:07,760
i bet it is man that's awesome yeah so

29
00:01:11,270 --> 00:01:10,400
um i thought i'd choose this background

30
00:01:13,030 --> 00:01:11,280
because we're probably going to be

31
00:01:14,230 --> 00:01:13,040
talking about so much stuff related to

32
00:01:17,830 --> 00:01:14,240
the pentagon and

33
00:01:19,670 --> 00:01:17,840
the ua ptf and things like that but um

34
00:01:20,950 --> 00:01:19,680
firstly i just thought would you be okay

35
00:01:22,310 --> 00:01:20,960
just giving us a little background in

36
00:01:25,350 --> 00:01:22,320
how you got into the uap

37
00:01:28,870 --> 00:01:25,360
field and stuff like that i was just an

38
00:01:31,990 --> 00:01:28,880

obsessed uh regular guy and

39

00:01:35,590 --> 00:01:32,000

i uh grew up listening to coast to coast

40

00:01:37,910 --> 00:01:35,600

and things like that and uh i was

41

00:01:39,190 --> 00:01:37,920

always bugging my family and my friends

42

00:01:40,710 --> 00:01:39,200

and i felt like there was so much

43

00:01:42,950 --> 00:01:40,720

evidence for

44

00:01:44,469 --> 00:01:42,960

ufos and i still feel like that and i'm

45

00:01:47,510 --> 00:01:44,479

not an experimenter

46

00:01:48,469 --> 00:01:47,520

you know i've never seen ufo and uh i

47

00:01:50,550 --> 00:01:48,479

just uh

48

00:01:51,510 --> 00:01:50,560

i felt like the evidence was

49

00:01:54,310 --> 00:01:51,520

overwhelming

50

00:01:55,030 --> 00:01:54,320

and then 2017 happened and i learned

51
00:01:58,230 --> 00:01:55,040
about some

52
00:01:59,590 --> 00:01:58,240
guy named lou elizondo some program

53
00:02:02,789 --> 00:01:59,600
named atep

54
00:02:06,469 --> 00:02:02,799
and uh i just jumped on social media

55
00:02:07,910 --> 00:02:06,479
jumped on twitter and uh there wasn't a

56
00:02:10,469 --> 00:02:07,920
whole lot of people talking about it at

57
00:02:12,710 --> 00:02:10,479
the time george was the main reporter

58
00:02:14,470 --> 00:02:12,720
grant cameron was another guy covering

59
00:02:16,229 --> 00:02:14,480
to the stars academy and that was like

60
00:02:17,670 --> 00:02:16,239
almost it man i was like grant cameron

61
00:02:21,430 --> 00:02:17,680
george napp

62
00:02:23,270 --> 00:02:21,440
and not a whole lot of other people and

63
00:02:25,030 --> 00:02:23,280

me and some other people like andreas

64

00:02:26,470 --> 00:02:25,040

from ufo twitter we just started

65

00:02:28,150 --> 00:02:26,480

tweeting a lot and there was other

66

00:02:31,110 --> 00:02:28,160

people involved too

67

00:02:33,270 --> 00:02:31,120

and uh andreas and other friends started

68

00:02:35,830 --> 00:02:33,280

a website a guy named keith

69

00:02:36,309 --> 00:02:35,840

jason christian other people from ufo

70

00:02:39,030 --> 00:02:36,319

twitter

71

00:02:40,309 --> 00:02:39,040

started a website and they forced me to

72

00:02:43,910 --> 00:02:40,319

start blogging with them

73

00:02:45,670 --> 00:02:43,920

i was tweeting so much and i i never had

74

00:02:46,869 --> 00:02:45,680

any idea about blogging or anything like

75

00:02:48,309 --> 00:02:46,879

that and i was

76

00:02:51,110 --> 00:02:48,319

not even interested in it and they

77

00:02:54,150 --> 00:02:51,120

forced me to do it and because of them

78

00:02:55,350 --> 00:02:54,160

um and their friendship i uh started

79

00:02:57,030 --> 00:02:55,360

blogging with them

80

00:02:58,710 --> 00:02:57,040

on a website and then that website

81

00:03:00,869 --> 00:02:58,720

dissolved but uh we had

82

00:03:02,790 --> 00:03:00,879

success in that website breaking stories

83

00:03:05,110 --> 00:03:02,800

to at least the ufo community

84

00:03:06,309 --> 00:03:05,120

you know it's not hard to get the year

85

00:03:09,110 --> 00:03:06,319

of the ufo community

86

00:03:10,229 --> 00:03:09,120

because it's small and especially it was

87

00:03:12,710 --> 00:03:10,239

at that time

88

00:03:14,070 --> 00:03:12,720

so yeah you know you can jump in and i

89

00:03:17,270 --> 00:03:14,080

see people jumping in now

90

00:03:18,550 --> 00:03:17,280

just out of nowhere and they are getting

91

00:03:20,869 --> 00:03:18,560

their message across

92

00:03:22,470 --> 00:03:20,879

the ufo community because it's so tiny

93

00:03:23,990 --> 00:03:22,480

yeah

94

00:03:25,670 --> 00:03:24,000

but uh we were doing that and we broke

95

00:03:26,789 --> 00:03:25,680

some cool stories and then it was just

96

00:03:30,149 --> 00:03:26,799

kind of like

97

00:03:32,229 --> 00:03:30,159

um an addiction from there and uh but i

98

00:03:34,149 --> 00:03:32,239

just wanted to know everything there was

99

00:03:35,990 --> 00:03:34,159

to know about the atip story

100

00:03:38,229 --> 00:03:36,000

and the ufo thing it was like the gold

101
00:03:40,630 --> 00:03:38,239
rush of information at the time

102
00:03:41,910 --> 00:03:40,640
absolutely i started my blog and i just

103
00:03:43,589 --> 00:03:41,920
kept doing it

104
00:03:45,190 --> 00:03:43,599
that's crazy i mean so you've got no

105
00:03:46,869 --> 00:03:45,200
experience in writing or anything like

106
00:03:50,229 --> 00:03:46,879
that beforehand

107
00:03:53,030 --> 00:03:50,239
no experience um wow i came from

108
00:03:53,509 --> 00:03:53,040
being a hobbyist in the music industry

109
00:03:56,229 --> 00:03:53,519
right

110
00:03:57,830 --> 00:03:56,239
that did uh i did i was able to

111
00:03:59,670 --> 00:03:57,840
translate some of those skills over to

112
00:04:01,509 --> 00:03:59,680
this as far as bugging people because i

113
00:04:04,710 --> 00:04:01,519

was always bugging people to get

114

00:04:06,229 --> 00:04:04,720

music and i was bugging celebrities to

115

00:04:09,110 --> 00:04:06,239

try to get

116

00:04:09,830 --> 00:04:09,120

beat placements on their on their albums

117

00:04:14,949 --> 00:04:09,840

and

118

00:04:17,830 --> 00:04:14,959

skills

119

00:04:19,830 --> 00:04:17,840

um in the ufo community but it's uh a

120

00:04:20,949 --> 00:04:19,840

lot easier in the ufo community to get a

121

00:04:22,950 --> 00:04:20,959

hold of

122

00:04:24,629 --> 00:04:22,960

you know like a famous government agent

123

00:04:25,189 --> 00:04:24,639

than it is to get a hold of a famous

124

00:04:27,749 --> 00:04:25,199

rapper

125

00:04:29,189 --> 00:04:27,759

i mean it's way harder so his hip hop

126

00:04:30,629 --> 00:04:29,199

your thing is that way where you

127

00:04:32,390 --> 00:04:30,639

you're in you know that background of

128

00:04:34,310 --> 00:04:32,400

music yeah i came from hip hop and i

129

00:04:35,909 --> 00:04:34,320

like you know funk music and

130

00:04:37,350 --> 00:04:35,919

yeah man i listened to everything i

131

00:04:39,110 --> 00:04:37,360

listened to

132

00:04:40,710 --> 00:04:39,120

yeah yeah everything but yeah i was

133

00:04:42,150 --> 00:04:40,720

making hip-hop beats and i was djing

134

00:04:45,110 --> 00:04:42,160

from a real young age and

135

00:04:46,230 --> 00:04:45,120

uh that kind of thing that's my back but

136

00:04:47,189 --> 00:04:46,240

not my background but i've been a

137

00:04:51,590 --> 00:04:47,199

hip-hop head since

138

00:04:53,030 --> 00:04:51,600

86. um yeah i'm like 43 now i remember

139

00:04:54,710 --> 00:04:53,040

when everyone at school was listening to

140

00:04:56,310 --> 00:04:54,720

the cheesy pop music i was bugging my

141

00:04:58,629 --> 00:04:56,320

parents to buy me like

142

00:05:00,310 --> 00:04:58,639

dmc and the beastie boys and then iced

143

00:05:02,070 --> 00:05:00,320

tea at the start of the 90s and stuff

144

00:05:03,670 --> 00:05:02,080

like that so that's awesome man

145

00:05:06,310 --> 00:05:03,680

exactly that's a whole other

146

00:05:08,469 --> 00:05:06,320

conversation i can tell you

147

00:05:09,909 --> 00:05:08,479

um just want to quickly put it out there

148

00:05:12,230 --> 00:05:09,919

because i've only just seen this as the

149

00:05:12,710 --> 00:05:12,240

danny sheehan statement um have you seen

150

00:05:15,110 --> 00:05:12,720

it

151
00:05:16,790 --> 00:05:15,120
from today no oh yeah he's just put out

152
00:05:20,390 --> 00:05:16,800
this big long statement

153
00:05:22,790 --> 00:05:20,400
um on facebook just shutting down

154
00:05:24,310 --> 00:05:22,800
greer um the way great portrayed him in

155
00:05:27,029 --> 00:05:24,320
that new documentary

156
00:05:28,710 --> 00:05:27,039
um beautiful it's incredible man it's

157
00:05:32,070 --> 00:05:28,720
it's really good

158
00:05:33,110 --> 00:05:32,080
so uh yeah stuff is really weird because

159
00:05:34,790 --> 00:05:33,120
it's uh

160
00:05:36,629 --> 00:05:34,800
you know we've always felt like he was

161
00:05:38,469 --> 00:05:36,639
kind of playing both sides and

162
00:05:39,670 --> 00:05:38,479
he have a statement from lou on my

163
00:05:41,990 --> 00:05:39,680

website you know that

164

00:05:42,950 --> 00:05:42,000

is uh lou basically saying that he

165

00:05:45,670 --> 00:05:42,960

doesn't

166

00:05:47,189 --> 00:05:45,680

co-sign sheehan's opinions and they're

167

00:05:48,950 --> 00:05:47,199

working together to

168

00:05:50,629 --> 00:05:48,960

on their cases but other than that

169

00:05:52,950 --> 00:05:50,639

sheehan is his own person

170

00:05:54,310 --> 00:05:52,960

yeah um she has kind of been pissing me

171

00:05:55,830 --> 00:05:54,320

off a little bit but uh

172

00:05:57,590 --> 00:05:55,840

i'm glad that he maybe cleared some of

173

00:05:59,830 --> 00:05:57,600

that stuff up today because um

174

00:06:02,070 --> 00:05:59,840

you know he talks about lou a lot of us

175

00:06:04,790 --> 00:06:02,080

feel like he talks about lou too much

176
00:06:05,990 --> 00:06:04,800
because his client and why is he always

177
00:06:08,790 --> 00:06:06,000
talking about lose so much

178
00:06:10,390 --> 00:06:08,800
and and saying things that lou allegedly

179
00:06:11,430 --> 00:06:10,400
told him off the record i just felt like

180
00:06:15,029 --> 00:06:11,440
it wasn't fair

181
00:06:16,309 --> 00:06:15,039
yeah i mean being in the relationship

182
00:06:18,469 --> 00:06:16,319
they've had

183
00:06:20,390 --> 00:06:18,479
being strictly lawyer and client that

184
00:06:23,590 --> 00:06:20,400
seems definitely off

185
00:06:24,469 --> 00:06:23,600
right yeah and yeah yeah well listen i

186
00:06:26,230 --> 00:06:24,479
recommend i

187
00:06:28,550 --> 00:06:26,240
i'd actually read it out but it's that

188
00:06:31,110 --> 00:06:28,560

long i just say to everyone

189

00:06:32,710 --> 00:06:31,120

it's all over ufo twitter right now ah

190

00:06:34,150 --> 00:06:32,720

that was another question when you first

191

00:06:35,110 --> 00:06:34,160

started on twitter was it is it true

192

00:06:38,710 --> 00:06:35,120

that it was hashtag

193

00:06:42,870 --> 00:06:38,720

twitter ufo um that guy keith

194

00:06:44,629 --> 00:06:42,880

he did the uh he did a um

195

00:06:47,270 --> 00:06:44,639

a graphic with everybody's face and i

196

00:06:48,629 --> 00:06:47,280

did i think it said hashtag twitter ufo

197

00:06:51,029 --> 00:06:48,639

i don't know if we were hashtagging it

198

00:06:53,110 --> 00:06:51,039

or anything or even uh okay but you know

199

00:06:55,749 --> 00:06:53,120

we were just tweeting about uh really it

200

00:06:57,909 --> 00:06:55,759

was to the stars tsa twitter

201
00:06:59,749 --> 00:06:57,919
even more than ufo twitter we were wow

202
00:07:01,270 --> 00:06:59,759
because that was the big story man and

203
00:07:03,189 --> 00:07:01,280
of course those were the guys that were

204
00:07:07,110 --> 00:07:03,199
coming out yeah yeah

205
00:07:09,029 --> 00:07:07,120
um let's jump into just the uaptf

206
00:07:11,029 --> 00:07:09,039
report or should i say the preliminary

207
00:07:12,469 --> 00:07:11,039
assessment what is your take on it

208
00:07:14,710 --> 00:07:12,479
because obviously people were

209
00:07:15,670 --> 00:07:14,720
all over were expecting this big

210
00:07:18,790 --> 00:07:15,680
disclosure

211
00:07:20,550 --> 00:07:18,800
and i mean what's your take on

212
00:07:22,629 --> 00:07:20,560
what what it was like leading up to it

213
00:07:25,189 --> 00:07:22,639

for you and then what you took from it

214

00:07:25,749 --> 00:07:25,199

and then following that the lead up we

215

00:07:30,390 --> 00:07:25,759

won

216

00:07:31,670 --> 00:07:30,400

lead up the promotional run-up

217

00:07:34,230 --> 00:07:31,680

it was everything we could have hoped

218

00:07:37,909 --> 00:07:34,240

for and more yeah we had mass media

219

00:07:39,670 --> 00:07:37,919

60 minutes nbc not just tucker carlson

220

00:07:42,390 --> 00:07:39,680

we had everyone talking about it

221

00:07:43,670 --> 00:07:42,400

i keep saying this in interviews but um

222

00:07:46,309 --> 00:07:43,680

six months ago

223

00:07:47,749 --> 00:07:46,319

i was writing a blog every single time a

224

00:07:50,150 --> 00:07:47,759

politician

225

00:07:52,790 --> 00:07:50,160

made a comment about ufos now i can't

226

00:07:54,230 --> 00:07:52,800

keep up with all the people

227

00:07:56,150 --> 00:07:54,240

it's pointless for me to try to write a

228

00:07:59,670 --> 00:07:56,160

blog every time now but that's a good

229

00:08:02,390 --> 00:07:59,680

thing politician yeah it's amazing and

230

00:08:04,469 --> 00:08:02,400

that's how far we've come and um but we

231

00:08:07,510 --> 00:08:04,479

just had so much mass media

232

00:08:09,430 --> 00:08:07,520

attention we had jeremy corbell and

233

00:08:10,790 --> 00:08:09,440

george knapp dropping all these videos

234

00:08:13,029 --> 00:08:10,800

and information

235

00:08:13,830 --> 00:08:13,039

it's just been a really great fast-paced

236

00:08:17,110 --> 00:08:13,840

year

237

00:08:20,790 --> 00:08:17,120

so we won regardless you know um

238

00:08:22,790 --> 00:08:20,800

we had our uh ideas kind of

239

00:08:25,110 --> 00:08:22,800

about the report because of lou and

240

00:08:26,710 --> 00:08:25,120

chris mellon and other people telling us

241

00:08:28,950 --> 00:08:26,720

not to get our hopes up so our hopes

242

00:08:31,430 --> 00:08:28,960

weren't up i might warn you

243

00:08:32,070 --> 00:08:31,440

for the report same here same here you

244

00:08:35,750 --> 00:08:32,080

know

245

00:08:37,350 --> 00:08:35,760

there's two sides to look at it and i

246

00:08:39,350 --> 00:08:37,360

understand both sides one side

247

00:08:40,949 --> 00:08:39,360

is the government's been lying to us for

248

00:08:42,230 --> 00:08:40,959

decades this they're lying

249

00:08:45,110 --> 00:08:42,240

they're not telling us everything they

250

00:08:46,550 --> 00:08:45,120

know and that sucks and i understand why

251
00:08:47,509 --> 00:08:46,560
people are mad about that and i'm mad

252
00:08:49,350 --> 00:08:47,519
about it too and that's

253
00:08:50,630 --> 00:08:49,360
sure that's why we fight every single

254
00:08:52,710 --> 00:08:50,640
day for transparency

255
00:08:55,110 --> 00:08:52,720
with blood sweat and tears every day so

256
00:08:57,750 --> 00:08:55,120
don't think that i'm not doing that

257
00:08:58,470 --> 00:08:57,760
because i think the report is cool also

258
00:09:00,550 --> 00:08:58,480
the report

259
00:09:01,670 --> 00:09:00,560
on another on the other side was amazing

260
00:09:03,990 --> 00:09:01,680
for the public

261
00:09:05,590 --> 00:09:04,000
it was amazing for the government um

262
00:09:06,550 --> 00:09:05,600
politicians to read it and take it

263
00:09:07,990 --> 00:09:06,560

seriously

264

00:09:10,070 --> 00:09:08,000

you know now there's some politicians

265

00:09:11,430 --> 00:09:10,080

calling for hearings um

266

00:09:13,990 --> 00:09:11,440

they're talking about you know even

267

00:09:17,350 --> 00:09:14,000

taking ufos out of it they're just the

268

00:09:19,110 --> 00:09:17,360

the um the threat of the drones

269

00:09:20,829 --> 00:09:19,120

or or ufos whatever you want to call

270

00:09:22,710 --> 00:09:20,839

them they're flying around military

271

00:09:25,750 --> 00:09:22,720

establishments so that gets

272

00:09:27,430 --> 00:09:25,760

the media and the government involved

273

00:09:29,269 --> 00:09:27,440

whether it become ufos or drones or

274

00:09:31,110 --> 00:09:29,279

whatever they have to figure out what it

275

00:09:33,750 --> 00:09:31,120

is and that's all we can ask for

276

00:09:34,230 --> 00:09:33,760

there was also wording in the report to

277

00:09:37,110 --> 00:09:34,240

me

278

00:09:37,990 --> 00:09:37,120

that was pretty blockbuster to hear in a

279

00:09:40,470 --> 00:09:38,000

report

280

00:09:42,470 --> 00:09:40,480

for the public um they're talking about

281

00:09:46,470 --> 00:09:42,480

the five observables

282

00:09:48,949 --> 00:09:46,480

they're talking about uh you know

283

00:09:49,990 --> 00:09:48,959

the other category there's a lot of cool

284

00:09:51,269 --> 00:09:50,000

stuff in there

285

00:09:52,790 --> 00:09:51,279

they're kind of calling out the air

286

00:09:53,910 --> 00:09:52,800

force in a way or at least mentioning

287

00:09:55,590 --> 00:09:53,920

that air force

288

00:09:57,350 --> 00:09:55,600

you know there's a lot of cool stuff in

289

00:09:59,430 --> 00:09:57,360

the report if you read between the lines

290

00:10:00,389 --> 00:09:59,440

and i think it's a great jumping off

291

00:10:02,870 --> 00:10:00,399

point

292

00:10:04,230 --> 00:10:02,880

um from a promotional aspect it's not

293

00:10:05,829 --> 00:10:04,240

everything we wanted

294

00:10:07,829 --> 00:10:05,839

and i understand why people are mad

295

00:10:10,550 --> 00:10:07,839

about it i'm mad about it too

296

00:10:11,750 --> 00:10:10,560

but also you know it's chess not

297

00:10:14,630 --> 00:10:11,760

checkers

298

00:10:16,389 --> 00:10:14,640

and this was a great chess move to get

299

00:10:18,230 --> 00:10:16,399

the government involved so there's two

300

00:10:19,110 --> 00:10:18,240

ways to look at it and i think we need

301

00:10:22,230 --> 00:10:19,120

to

302

00:10:24,790 --> 00:10:22,240

probably look at that glass half full

303

00:10:27,030 --> 00:10:24,800

while we can still be mad that we're not

304

00:10:28,550 --> 00:10:27,040

hearing about um

305

00:10:30,310 --> 00:10:28,560

everything because of course we're not

306

00:10:32,230 --> 00:10:30,320

hearing about everything and i

307

00:10:33,750 --> 00:10:32,240

also you know of the mind that there's

308

00:10:36,230 --> 00:10:33,760

kind of like a war

309

00:10:37,829 --> 00:10:36,240

with uaptf and some of the transparent

310

00:10:39,509 --> 00:10:37,839

groups versus

311

00:10:41,110 --> 00:10:39,519

the special access programs that we're

312

00:10:44,470 --> 00:10:41,120

just trying to crack

313

00:10:46,470 --> 00:10:44,480

and get into yeah and um i think that

314

00:10:47,829 --> 00:10:46,480

war is still ongoing we don't know how

315

00:10:50,150 --> 00:10:47,839

much

316

00:10:51,350 --> 00:10:50,160

special access program information is in

317

00:10:53,030 --> 00:10:51,360

the classified annex that the

318

00:10:54,790 --> 00:10:53,040

politicians got to see

319

00:10:56,470 --> 00:10:54,800

hopefully there's some in there but i

320

00:10:57,670 --> 00:10:56,480

doubt that there's everything in there i

321

00:10:59,430 --> 00:10:57,680

mean is there straight-up crash

322

00:11:02,069 --> 00:10:59,440

retrievals that we know they have

323

00:11:03,030 --> 00:11:02,079

right it's always their bodies which is

324

00:11:04,150 --> 00:11:03,040

you know i don't know if they have

325

00:11:07,509 --> 00:11:04,160

bodies or not but

326

00:11:09,030 --> 00:11:07,519

it's feasible that they do absolutely no

327

00:11:10,630 --> 00:11:09,040

roswell was probably real there's all

328

00:11:12,389 --> 00:11:10,640

these other crashes

329

00:11:14,230 --> 00:11:12,399

so um and then there's all the special

330

00:11:15,190 --> 00:11:14,240

access program stuff so i don't know

331

00:11:17,350 --> 00:11:15,200

i would really like to see the

332

00:11:18,389 --> 00:11:17,360

classified side but it's classified

333

00:11:21,269 --> 00:11:18,399

which means

334

00:11:22,069 --> 00:11:21,279

it's not foia accessible unless it leaks

335

00:11:23,990 --> 00:11:22,079

or something

336

00:11:24,949 --> 00:11:24,000

or unless they make it unclassified so i

337

00:11:26,470 --> 00:11:24,959

don't know if we're ever going to end up

338

00:11:28,069 --> 00:11:26,480

seeing it or not

339

00:11:30,230 --> 00:11:28,079

i'm hearing rumors about what could be

340

00:11:31,030 --> 00:11:30,240

in there and i was going to say about

341

00:11:32,550 --> 00:11:31,040

that with

342

00:11:33,990 --> 00:11:32,560

the richard dolan thing just that

343

00:11:34,949 --> 00:11:34,000

happened this week did you see that list

344

00:11:37,990 --> 00:11:34,959

of the darth vader

345

00:11:39,590 --> 00:11:38,000

programs yeah i saw dylan's list i don't

346

00:11:41,430 --> 00:11:39,600

know what to make of it i haven't talked

347

00:11:43,509 --> 00:11:41,440

to richard about it myself

348

00:11:44,630 --> 00:11:43,519

right people are asking me why i haven't

349

00:11:46,710 --> 00:11:44,640

written about it

350

00:11:47,750 --> 00:11:46,720

at this point i don't have anything to

351

00:11:50,470 --> 00:11:47,760

add to it

352

00:11:51,110 --> 00:11:50,480

same here um so i'm just kind of

353

00:11:52,629 --> 00:11:51,120

watching

354

00:11:54,470 --> 00:11:52,639

and i don't know any more about that

355

00:11:57,670 --> 00:11:54,480

than anyone else does

356

00:12:00,710 --> 00:11:57,680

um so i'm just not really sure and

357

00:12:02,790 --> 00:12:00,720

that kind of made the case that uh

358

00:12:03,910 --> 00:12:02,800

it was a lot of secret u.s tech right

359

00:12:06,949 --> 00:12:03,920

absolutely so

360

00:12:08,550 --> 00:12:06,959

um you know i don't know i don't know

361

00:12:09,430 --> 00:12:08,560

what to make of it it's it's interesting

362

00:12:11,110 --> 00:12:09,440

that's for sure

363

00:12:12,949 --> 00:12:11,120

i'm on the sidelines with that one yeah

364

00:12:14,629 --> 00:12:12,959

same here i've had a few people question

365

00:12:16,389 --> 00:12:14,639

me about it why haven't you posted about

366

00:12:18,710 --> 00:12:16,399

it on instagrams blah blah blah and i've

367

00:12:20,710 --> 00:12:18,720

said look we've seen what dolan put out

368

00:12:22,790 --> 00:12:20,720

he made the statement that he yes he

369

00:12:25,190 --> 00:12:22,800

trusts his source

370

00:12:26,470 --> 00:12:25,200

but until we get anything else we can't

371

00:12:28,150 --> 00:12:26,480

be putting that information out there

372

00:12:28,790 --> 00:12:28,160

like it's factual or anything because

373

00:12:31,750 --> 00:12:28,800

that's just

374

00:12:33,350 --> 00:12:31,760

in my opinion the wrong thing to do um

375

00:12:34,790 --> 00:12:33,360

i've had people talk to me behind the

376

00:12:35,509 --> 00:12:34,800

scenes that they'd spoken to a couple of

377

00:12:37,670 --> 00:12:35,519

people

378

00:12:39,509 --> 00:12:37,680

who were in the classified briefings on

379

00:12:43,030 --> 00:12:39,519

june the 16th

380

00:12:44,550 --> 00:12:43,040

done by the navy and the fbi and

381

00:12:46,389 --> 00:12:44,560

certain other things were supposedly

382

00:12:49,509 --> 00:12:46,399

talked about that do keep them

383

00:12:50,949 --> 00:12:49,519

et or ultra terrestrial or whatever they

384

00:12:51,509 --> 00:12:50,959

are the others they keep them in the

385

00:12:54,550 --> 00:12:51,519

frame

386

00:12:57,430 --> 00:12:54,560

so it's not just us tech

387

00:12:59,590 --> 00:12:57,440

so i i can't be just throwing out this

388

00:13:02,069 --> 00:12:59,600

bit of information without any backup or

389

00:13:03,910 --> 00:13:02,079

or anything i think it's dangerous when

390

00:13:05,990 --> 00:13:03,920

you start doing that and

391

00:13:07,350 --> 00:13:06,000

so really hope that they were talking

392

00:13:09,350 --> 00:13:07,360

about you know some of the

393

00:13:10,790 --> 00:13:09,360

other stuff and that's the big rumor

394

00:13:12,870 --> 00:13:10,800

that's going around right now

395

00:13:14,550 --> 00:13:12,880

you know yeah that they mentioned that

396

00:13:15,350 --> 00:13:14,560

they were mentioning to politicians i

397

00:13:16,949 --> 00:13:15,360

mean they were

398

00:13:19,269 --> 00:13:16,959

and we know that they these briefings

399

00:13:21,430 --> 00:13:19,279

are going on like with the joint

400

00:13:23,269 --> 00:13:21,440

joint chiefs of staff you know eric

401
00:13:23,670 --> 00:13:23,279
davis as he was briefing them on all

402
00:13:25,509 --> 00:13:23,680
four

403
00:13:27,590 --> 00:13:25,519
off-world vehicles and crashes and

404
00:13:29,269 --> 00:13:27,600
whatnot and it's really cool to think

405
00:13:31,190 --> 00:13:29,279
about politicians maybe

406
00:13:32,710 --> 00:13:31,200
we're getting into some of the woo as we

407
00:13:35,750 --> 00:13:32,720
call it um

408
00:13:37,350 --> 00:13:35,760
really yeah absolutely

409
00:13:39,030 --> 00:13:37,360
because then it you know it won't be woo

410
00:13:39,910 --> 00:13:39,040
forever hopefully you know it will come

411
00:13:41,590 --> 00:13:39,920
out of that

412
00:13:43,030 --> 00:13:41,600
that sort of framework and into just

413
00:13:44,310 --> 00:13:43,040

more of a reality it's something that

414

00:13:46,550 --> 00:13:44,320

can be studied

415

00:13:48,470 --> 00:13:46,560

um hopefully as well by scientists that

416

00:13:48,710 --> 00:13:48,480

are given access to to look further into

417

00:13:50,710 --> 00:13:48,720

it

418

00:13:52,310 --> 00:13:50,720

i think that just is what's needed you

419

00:13:53,829 --> 00:13:52,320

know um

420

00:13:55,829 --> 00:13:53,839

but just when you were talking back then

421

00:13:56,629 --> 00:13:55,839

a second ago about the media covering it

422

00:13:58,230 --> 00:13:56,639

and the government

423

00:13:59,829 --> 00:13:58,240

talking about the potential threat the

424

00:14:02,389 --> 00:13:59,839

national security thing

425

00:14:04,230 --> 00:14:02,399

even to this day i still get people

426

00:14:06,310 --> 00:14:04,240

coming at me almost saying

427

00:14:08,069 --> 00:14:06,320

why do you post these media articles

428

00:14:09,030 --> 00:14:08,079

where they talk about national security

429

00:14:10,949 --> 00:14:09,040

threats and that

430

00:14:12,310 --> 00:14:10,959

and what i don't think they get is they

431

00:14:14,790 --> 00:14:12,320

think that everyone is saying

432

00:14:17,030 --> 00:14:14,800

e.t is a hostile threat is that

433

00:14:19,110 --> 00:14:17,040

something that you see often or

434

00:14:20,550 --> 00:14:19,120

or how do you how would you respond to

435

00:14:22,949 --> 00:14:20,560

that that's

436

00:14:23,990 --> 00:14:22,959

what people argue about every day and we

437

00:14:26,949 --> 00:14:24,000

get a lot of that

438

00:14:28,069 --> 00:14:26,959

they people get very angry because they

439

00:14:29,829 --> 00:14:28,079

think that

440

00:14:31,910 --> 00:14:29,839

the others or whatever you want to call

441

00:14:33,750 --> 00:14:31,920

them are um

442

00:14:35,509 --> 00:14:33,760

not a threat because they think people

443

00:14:38,710 --> 00:14:35,519

have beautiful experiences

444

00:14:41,829 --> 00:14:38,720

there's two ways i respond one way is

445

00:14:45,189 --> 00:14:41,839

we're trying to get the public and

446

00:14:47,829 --> 00:14:45,199

the politicians and the media involved

447

00:14:49,990 --> 00:14:47,839

and from a military aspect when there's

448

00:14:53,030 --> 00:14:50,000

things flying around military bases

449

00:14:57,030 --> 00:14:53,040

or installations or ships or whatever

450

00:15:00,150 --> 00:14:57,040

that is literally a military threat so

451

00:15:02,550 --> 00:15:00,160

there's no argument there and um

452

00:15:04,550 --> 00:15:02,560

in order for us to get uh some of the

453

00:15:06,150 --> 00:15:04,560

media attention and political attention

454

00:15:07,590 --> 00:15:06,160

we don't even need to call them ufos we

455

00:15:08,870 --> 00:15:07,600

can just call them drones and we need to

456

00:15:10,230 --> 00:15:08,880

get a handle on

457

00:15:11,829 --> 00:15:10,240

these things that are flying around and

458

00:15:12,470 --> 00:15:11,839

some of them are grounds they're not

459

00:15:15,269 --> 00:15:12,480

ufos

460

00:15:15,750 --> 00:15:15,279

exactly so we need to get a handle on

461

00:15:18,069 --> 00:15:15,760

this

462

00:15:19,590 --> 00:15:18,079

um and that's a way to get the media and

463

00:15:21,910 --> 00:15:19,600

politicians involved

464

00:15:23,590 --> 00:15:21,920

in studying it the other side of the

465

00:15:25,750 --> 00:15:23,600

coin is

466

00:15:27,509 --> 00:15:25,760

the experiencers that had good

467

00:15:29,749 --> 00:15:27,519

experiences

468

00:15:31,590 --> 00:15:29,759

um and they think everything is angels

469

00:15:33,189 --> 00:15:31,600

and they think everything is great

470

00:15:35,110 --> 00:15:33,199

and then there's this other part of

471

00:15:36,790 --> 00:15:35,120

experiencers that have been

472

00:15:38,310 --> 00:15:36,800

quote-unquote abducted and had their

473

00:15:40,310 --> 00:15:38,320

lives run yeah

474

00:15:41,910 --> 00:15:40,320

that's the whole other um argument in

475

00:15:44,629 --> 00:15:41,920

the ufo community

476

00:15:46,230 --> 00:15:44,639

that people have and people it's like a

477

00:15:47,990 --> 00:15:46,240

really really hot button issue people

478

00:15:49,110 --> 00:15:48,000

get really angry about it and really

479

00:15:52,310 --> 00:15:49,120

upset

480

00:15:53,749 --> 00:15:52,320

um i don't personally understand how

481

00:15:55,910 --> 00:15:53,759

just because someone had a good

482

00:15:59,269 --> 00:15:55,920

experience or a bad experience

483

00:16:01,509 --> 00:15:59,279

they can speak to the whole phenomena

484

00:16:02,790 --> 00:16:01,519

and say everything that's going on or

485

00:16:05,430 --> 00:16:02,800

they can say

486

00:16:06,150 --> 00:16:05,440

there are no abductions it's all my labs

487

00:16:08,150 --> 00:16:06,160

or

488

00:16:09,430 --> 00:16:08,160

they can say you know whatever else it

489

00:16:11,030 --> 00:16:09,440

makes no sense to me

490

00:16:12,550 --> 00:16:11,040

people that have been abducted they've

491

00:16:15,670 --> 00:16:12,560

had their lives run

492

00:16:17,030 --> 00:16:15,680

over this yeah other people have been

493

00:16:18,790 --> 00:16:17,040

had an experience and it's the most

494

00:16:20,389 --> 00:16:18,800

beautiful thing and they've had

495

00:16:22,470 --> 00:16:20,399

their lives changed forever for the

496

00:16:23,509 --> 00:16:22,480

better but we can't be speaking for

497

00:16:26,230 --> 00:16:23,519

everyone as a whole

498

00:16:27,670 --> 00:16:26,240

for so for someone to say et's are not a

499

00:16:29,670 --> 00:16:27,680

threat when there's people out there

500

00:16:30,790 --> 00:16:29,680

claiming that they're being abducted it

501
00:16:35,189 --> 00:16:30,800
makes no sense to me

502
00:16:35,990 --> 00:16:35,199
and whether it's a threat or not we just

503
00:16:37,990 --> 00:16:36,000
need to look at what's

504
00:16:39,110 --> 00:16:38,000
going on and what's happening and we

505
00:16:41,749 --> 00:16:39,120
can't generalize

506
00:16:43,189 --> 00:16:41,759
and um but at the same time if

507
00:16:46,470 --> 00:16:43,199
abductions are real

508
00:16:49,749 --> 00:16:46,480
yeah that's a threat man people are are

509
00:16:50,310 --> 00:16:49,759
getting taken and the evidence points to

510
00:16:53,269 --> 00:16:50,320
that

511
00:16:54,710 --> 00:16:53,279
you know um i don't know what else to

512
00:16:57,430 --> 00:16:54,720
say about that or

513
00:16:59,189 --> 00:16:57,440

that there's a conspiracy and it's wrong

514

00:17:00,949 --> 00:16:59,199

and no one's getting taken

515

00:17:02,230 --> 00:17:00,959

you know some of the positive experience

516

00:17:05,669 --> 00:17:02,240

people say

517

00:17:09,429 --> 00:17:05,679

you get what you put out which to me

518

00:17:10,230 --> 00:17:09,439

in a way is like you know victim shaming

519

00:17:13,110 --> 00:17:10,240

or something

520

00:17:14,949 --> 00:17:13,120

yeah oh it's their fault that uh because

521

00:17:16,710 --> 00:17:14,959

they had bad energy that they had a bad

522

00:17:18,630 --> 00:17:16,720

experience like get out of here man

523

00:17:20,789 --> 00:17:18,640

yeah they they weren't asking for that

524

00:17:22,390 --> 00:17:20,799

to happen um or like i said it's all

525

00:17:24,069 --> 00:17:22,400

conspiracy it's all a psychological

526

00:17:25,909 --> 00:17:24,079

thing objections aren't real

527

00:17:27,350 --> 00:17:25,919

blah blah blah i'm not an expert on it

528

00:17:29,510 --> 00:17:27,360

but um

529

00:17:32,390 --> 00:17:29,520

you know people like my friend charlie

530

00:17:34,630 --> 00:17:32,400

parish who's doing a documentary on it

531

00:17:35,669 --> 00:17:34,640

he um isn't convinced a hundred percent

532

00:17:37,270 --> 00:17:35,679

because he thinks it could be

533

00:17:40,070 --> 00:17:37,280

psychological i don't want to

534

00:17:41,990 --> 00:17:40,080

um put words in his mouth but you know

535

00:17:44,390 --> 00:17:42,000

there's tons of evidence of this stuff

536

00:17:46,150 --> 00:17:44,400

and yeah there's similar stories across

537

00:17:49,430 --> 00:17:46,160

the board it's not just like

538

00:17:51,110 --> 00:17:49,440

one or two so we can't generalize and

539

00:17:53,270 --> 00:17:51,120

we need to be looking at the evidence

540

00:17:55,909 --> 00:17:53,280

and i think people that are really

541

00:17:57,590 --> 00:17:55,919

really um ingrained in this threat

542

00:17:59,110 --> 00:17:57,600

versus not a threat thing

543

00:18:01,270 --> 00:17:59,120

there's more evidence that it is a

544

00:18:03,590 --> 00:18:01,280

threat that than there that it isn't

545

00:18:05,190 --> 00:18:03,600

and uh i want everything to be peace and

546

00:18:07,990 --> 00:18:05,200

love and awesomeness

547

00:18:10,630 --> 00:18:08,000

yeah i want everyone to uh you know just

548

00:18:12,710 --> 00:18:10,640

smoke weed and be happy but uh

549

00:18:13,909 --> 00:18:12,720

that's not how it is man there's no

550

00:18:15,909 --> 00:18:13,919

stuff

551
00:18:17,510 --> 00:18:15,919
people also on the other hand we know

552
00:18:19,430 --> 00:18:17,520
people get injured and die

553
00:18:22,070 --> 00:18:19,440
yeah whether that's on purpose or not it

554
00:18:24,950 --> 00:18:22,080
may be an effect of the um

555
00:18:26,230 --> 00:18:24,960
of the uh craft you know the radiation

556
00:18:28,710 --> 00:18:26,240
or whatever you want to call it and that

557
00:18:30,150 --> 00:18:28,720
may not be intentional of course but uh

558
00:18:31,430 --> 00:18:30,160
it happens and that's something i feel

559
00:18:33,270 --> 00:18:31,440
like we could take to the bank that

560
00:18:37,029 --> 00:18:33,280
people have been injured and people have

561
00:18:38,870 --> 00:18:37,039
died um in these uh experiences

562
00:18:41,029 --> 00:18:38,880
you know how put off said if you see

563
00:18:43,510 --> 00:18:41,039

your craft and it's on the ground uh

564

00:18:45,270 --> 00:18:43,520

don't rush up because of the dress and

565

00:18:48,070 --> 00:18:45,280

lou has said things like you know if

566

00:18:49,750 --> 00:18:48,080

you're standing next to a plane

567

00:18:51,350 --> 00:18:49,760

um while it's taking off you're going to

568

00:18:53,110 --> 00:18:51,360

probably be injured and the plane isn't

569

00:18:55,909 --> 00:18:53,120

trying to injure you

570

00:18:57,430 --> 00:18:55,919

but it's what occurs so we need to also

571

00:18:59,590 --> 00:18:57,440

have that

572

00:19:00,710 --> 00:18:59,600

type of mindset absolutely i'm just

573

00:19:02,150 --> 00:19:00,720

going to give a quick shout out to a

574

00:19:03,510 --> 00:19:02,160

good friend christian thank you so much

575

00:19:06,549 --> 00:19:03,520

for the super chat brother

576

00:19:07,909 --> 00:19:06,559

much appreciated man um

577

00:19:09,750 --> 00:19:07,919

so let's jump back because obviously

578

00:19:11,350 --> 00:19:09,760

you're saying that you um

579

00:19:13,510 --> 00:19:11,360

it was a tip that you really sort of

580

00:19:15,750 --> 00:19:13,520

started looking into in that

581

00:19:17,350 --> 00:19:15,760

and was that did you then jump into

582

00:19:18,630 --> 00:19:17,360

looking into the nimitz case and things

583

00:19:20,470 --> 00:19:18,640

like that initially

584

00:19:22,470 --> 00:19:20,480

oh of course man in this case i mean

585

00:19:24,230 --> 00:19:22,480

that's that's the biggest case we have

586

00:19:25,430 --> 00:19:24,240

ever yeah more important than roswell

587

00:19:28,150 --> 00:19:25,440

it's more important than everything

588

00:19:28,710 --> 00:19:28,160

i agree look it happened more recently

589

00:19:31,430 --> 00:19:28,720

we have

590

00:19:32,950 --> 00:19:31,440

more credible witnesses um people that

591

00:19:34,950 --> 00:19:32,960

debunk these cases they're trying to

592

00:19:38,710 --> 00:19:34,960

debunk the gimbal to go fast

593

00:19:41,669 --> 00:19:38,720

yeah debunk um jeremy and george's

594

00:19:43,830 --> 00:19:41,679

contributions this year there's really

595

00:19:44,630 --> 00:19:43,840

no way to debunk the attack i mean i

596

00:19:47,750 --> 00:19:44,640

don't care

597

00:19:49,750 --> 00:19:47,760

i i've even spoken to very skeptical

598

00:19:51,350 --> 00:19:49,760

uh mainstream media guys there's no way

599

00:19:53,430 --> 00:19:51,360

to debunk the tic tac you can

600

00:19:54,470 --> 00:19:53,440

unless you say it's secret tech i mean

601
00:19:55,669 --> 00:19:54,480
that's the only thing you can say is

602
00:19:57,110 --> 00:19:55,679
that a secret tech

603
00:19:58,710 --> 00:19:57,120
but you can't say it wasn't bouncing

604
00:19:59,909 --> 00:19:58,720
around and doing crazy stuff because we

605
00:20:02,390 --> 00:19:59,919
have eye witnesses

606
00:20:04,710 --> 00:20:02,400
yeah exactly so there's really no

607
00:20:07,190 --> 00:20:04,720
debunking it it's the best case

608
00:20:09,510 --> 00:20:07,200
there's too many witnesses and yeah i

609
00:20:11,110 --> 00:20:09,520
mean nimitz was like

610
00:20:13,510 --> 00:20:11,120
we thought it was going to be the

611
00:20:16,549 --> 00:20:13,520
smoking gun and in a way it was

612
00:20:18,630 --> 00:20:16,559
yeah yeah what we realized is we need

613
00:20:23,750 --> 00:20:18,640

multiple smoking guns over

614

00:20:26,789 --> 00:20:23,760

a period of time and that's was kind of

615

00:20:28,630 --> 00:20:26,799

a weird thing to realize and i think to

616

00:20:29,590 --> 00:20:28,640

the stars academy probably went through

617

00:20:31,190 --> 00:20:29,600

that also

618

00:20:32,710 --> 00:20:31,200

yeah they thought the nimitz was gonna

619

00:20:34,470 --> 00:20:32,720

just like shut everything down

620

00:20:35,750 --> 00:20:34,480

i'm i'm assuming here i don't know for a

621

00:20:37,110 --> 00:20:35,760

fact it makes sense by

622

00:20:38,710 --> 00:20:37,120

the way that they came out with certain

623

00:20:39,590 --> 00:20:38,720

things and the angle for the first few

624

00:20:41,190 --> 00:20:39,600

months of

625

00:20:42,950 --> 00:20:41,200

yeah you know the nimitz is so

626

00:20:45,110 --> 00:20:42,960

compelling and so amazing

627

00:20:45,990 --> 00:20:45,120

and there's so much uh just uh meat on

628

00:20:47,350 --> 00:20:46,000

the bone

629

00:20:49,510 --> 00:20:47,360

yeah you would think it would have done

630

00:20:51,430 --> 00:20:49,520

more and it did do a lot

631

00:20:53,190 --> 00:20:51,440

it did it was amazing it did change the

632

00:20:53,830 --> 00:20:53,200

world it just didn't change the world

633

00:20:55,190 --> 00:20:53,840

enough

634

00:20:57,190 --> 00:20:55,200

from a public perspective a lot of

635

00:20:58,549 --> 00:20:57,200

people still don't care you know they're

636

00:20:59,350 --> 00:20:58,559

going about their daily lives and they

637

00:21:01,270 --> 00:20:59,360

just don't care

638

00:21:02,710 --> 00:21:01,280

but um so we need to keep hitting people

639

00:21:03,430 --> 00:21:02,720

over the head with these smoking guns

640

00:21:06,149 --> 00:21:03,440

and uh

641

00:21:07,590 --> 00:21:06,159

nimitz raised the bar of what we know

642

00:21:10,070 --> 00:21:07,600

and what could happen

643

00:21:10,710 --> 00:21:10,080

and um we just need more of that caliber

644

00:21:13,510 --> 00:21:10,720

of uh

645

00:21:13,990 --> 00:21:13,520

event yeah i've seen some rumors coming

646

00:21:17,750 --> 00:21:14,000

over

647

00:21:19,190 --> 00:21:17,760

of days about a lieutenant commander who

648

00:21:21,669 --> 00:21:19,200

was on board the nimitz

649

00:21:23,430 --> 00:21:21,679

at the time and i think about a year ago

650

00:21:25,350 --> 00:21:23,440

they said he was going to be retiring

651

00:21:27,270 --> 00:21:25,360

soon and he may come out as

652

00:21:29,430 --> 00:21:27,280

some kind of witness talking about it

653

00:21:32,870 --> 00:21:29,440

have you heard about that story at all

654

00:21:35,990 --> 00:21:32,880

not too much um if he is still enlisted

655

00:21:37,990 --> 00:21:36,000

um since 2004 man he's been uh

656

00:21:39,590 --> 00:21:38,000

he's been working a long time yeah those

657

00:21:41,909 --> 00:21:39,600

people um

658

00:21:43,510 --> 00:21:41,919

are already retired but uh yeah more

659

00:21:45,190 --> 00:21:43,520

witnesses would be good i mean we have a

660

00:21:48,149 --> 00:21:45,200

ton of witnesses already

661

00:21:49,909 --> 00:21:48,159

sure so i don't know what else um we

662

00:21:51,350 --> 00:21:49,919

could really add to it but yeah it would

663

00:21:53,750 --> 00:21:51,360

be good more is always better

664

00:21:55,029 --> 00:21:53,760

for that you know preferably i want some

665

00:21:56,870 --> 00:21:55,039

of these witnesses for some of these

666

00:22:00,310 --> 00:21:56,880

other cases you know we have the

667

00:22:01,669 --> 00:22:00,320

uss kid uss omaha oh yes

668

00:22:04,230 --> 00:22:01,679

so i would really like some of those

669

00:22:05,830 --> 00:22:04,240

guys um now we don't know if there's any

670

00:22:06,230 --> 00:22:05,840

right angle turns or anything like that

671

00:22:08,310 --> 00:22:06,240

too

672

00:22:10,070 --> 00:22:08,320

so you know the right angle turns and

673

00:22:12,390 --> 00:22:10,080

the blasting off at an incredible speed

674

00:22:15,190 --> 00:22:12,400

the 500

675

00:22:16,870 --> 00:22:15,200

that is even more compelling than just

676

00:22:19,669 --> 00:22:16,880

like a light in the sky

677

00:22:21,830 --> 00:22:19,679

yeah something like that but um yeah i

678

00:22:23,510 --> 00:22:21,840

i'm kind of of the mind now where i want

679

00:22:25,669 --> 00:22:23,520

new cases and we got

680

00:22:26,870 --> 00:22:25,679

a huge new case with the uss kid but i

681

00:22:28,310 --> 00:22:26,880

would like more i would like some

682

00:22:30,070 --> 00:22:28,320

witnesses for that one

683

00:22:32,149 --> 00:22:30,080

yeah that one just happened so a lot of

684

00:22:34,149 --> 00:22:32,159

those people are probably still enlisted

685

00:22:35,830 --> 00:22:34,159

yeah exactly the weird thing is we got

686

00:22:38,470 --> 00:22:35,840

to hear from

687

00:22:39,909 --> 00:22:38,480

some of the gimbal witnesses while they

688

00:22:40,950 --> 00:22:39,919

were still enlisted and i don't know how

689

00:22:44,149 --> 00:22:40,960

that happened

690

00:22:47,830 --> 00:22:44,159

um but they got the okay to speak

691

00:22:49,590 --> 00:22:47,840

so that's strange yeah yeah but uh yeah

692

00:22:51,669 --> 00:22:49,600

we just want i just want more tic tac

693

00:22:54,470 --> 00:22:51,679

like events and i want

694

00:22:54,950 --> 00:22:54,480

the uh the people to come out and um but

695

00:22:57,430 --> 00:22:54,960

tic tac

696

00:22:59,190 --> 00:22:57,440

man was just so good yeah i mean you

697

00:22:59,990 --> 00:22:59,200

talk about the kid case and what was the

698

00:23:01,750 --> 00:23:00,000

nine plus

699

00:23:03,190 --> 00:23:01,760

ships in that area across those few

700

00:23:05,830 --> 00:23:03,200

weeks um off the coast

701
00:23:08,149 --> 00:23:05,840
off the west coast so you know raphael

702
00:23:08,470 --> 00:23:08,159
peralta the kid the omaha there's got to

703
00:23:10,950 --> 00:23:08,480
be

704
00:23:12,870 --> 00:23:10,960
so many sailors that must have seen

705
00:23:13,830 --> 00:23:12,880
something so if there were some erratic

706
00:23:15,110 --> 00:23:13,840
maneuvers

707
00:23:16,950 --> 00:23:15,120
there's got to be one or two that would

708
00:23:18,549 --> 00:23:16,960
have seen them you know just purely by

709
00:23:19,750 --> 00:23:18,559
the amount of sailors out there so

710
00:23:21,590 --> 00:23:19,760
fingers crossed

711
00:23:22,950 --> 00:23:21,600
one day we'll get them but there's a

712
00:23:23,430 --> 00:23:22,960
couple of other cases which i know

713
00:23:25,350 --> 00:23:23,440

you've

714

00:23:28,070 --> 00:23:25,360

heard of before because i've seen it on

715

00:23:29,750 --> 00:23:28,080

on your blog which is the the uss boxer

716

00:23:32,310 --> 00:23:29,760

and the uss bainbridge now i've been

717

00:23:34,149 --> 00:23:32,320

trying to dig and question people about

718

00:23:35,270 --> 00:23:34,159

these for for a while now but i've yet

719

00:23:37,190 --> 00:23:35,280

to get anything

720

00:23:39,590 --> 00:23:37,200

have you heard even anything about what

721

00:23:41,590 --> 00:23:39,600

the case was or what happened

722

00:23:43,590 --> 00:23:41,600

um i wrote about that a while ago i

723

00:23:45,510 --> 00:23:43,600

heard a little bit about the boxer

724

00:23:47,029 --> 00:23:45,520

but and i heard like nothing about the

725

00:23:48,070 --> 00:23:47,039

bainbridge but i did hear about the

726
00:23:50,710 --> 00:23:48,080
boxer

727
00:23:52,710 --> 00:23:50,720
um i was supposed to be having some

728
00:23:53,830 --> 00:23:52,720
information about it and it never made

729
00:23:57,190 --> 00:23:53,840
its way to me

730
00:24:00,230 --> 00:23:57,200
um but uh i it was pretty sensitive

731
00:24:01,669 --> 00:24:00,240
um i would like um

732
00:24:03,110 --> 00:24:01,679
witnesses to come forward and

733
00:24:03,990 --> 00:24:03,120
information to come forward for the

734
00:24:05,510 --> 00:24:04,000
boxer

735
00:24:07,350 --> 00:24:05,520
i think probably people are trying to

736
00:24:09,190 --> 00:24:07,360
make that happen

737
00:24:10,710 --> 00:24:09,200
and it happened a while ago so everyone

738
00:24:12,149 --> 00:24:10,720

said yeah 98 wasn't it

739

00:24:14,310 --> 00:24:12,159

yeah and there so everyone should be

740

00:24:16,070 --> 00:24:14,320

retired by now but i don't know a whole

741

00:24:16,549 --> 00:24:16,080

lot about it and there isn't much i can

742

00:24:22,149 --> 00:24:16,559

uh

743

00:24:24,390 --> 00:24:22,159

don't know that much about it but um

744

00:24:26,390 --> 00:24:24,400

it happened according to mike blue

745

00:24:26,789 --> 00:24:26,400

basically and uh and other people yeah

746

00:24:28,950 --> 00:24:26,799

so

747

00:24:30,870 --> 00:24:28,960

that's that's the thing i heard about it

748

00:24:31,990 --> 00:24:30,880

through rich hoffman giving a lecture in

749

00:24:35,350 --> 00:24:32,000

2019

750

00:24:37,909 --> 00:24:35,360

and then i questioned

751

00:24:39,510 --> 00:24:37,919

no i questioned lou about it then and

752

00:24:41,190 --> 00:24:39,520

then he said he was aware of it but

753

00:24:43,029 --> 00:24:41,200

couldn't tell me anything

754

00:24:44,470 --> 00:24:43,039

then i spoke to rich hoffman a couple of

755

00:24:45,590 --> 00:24:44,480

days ago and

756

00:24:47,190 --> 00:24:45,600

i brought it up with him and he said

757

00:24:48,630 --> 00:24:47,200

look i can't say anything but lou

758

00:24:51,750 --> 00:24:48,640

brought it to us

759

00:24:53,669 --> 00:24:51,760

right so yeah yeah

760

00:24:55,269 --> 00:24:53,679

yeah definitely and if any of what we're

761

00:24:57,350 --> 00:24:55,279

hearing is true i mean it's like there's

762

00:24:58,549 --> 00:24:57,360

a ufo event like every like month or

763

00:24:59,669 --> 00:24:58,559

every couple weeks and

764

00:25:01,510 --> 00:24:59,679

we're just not hearing about them we're

765

00:25:03,909 --> 00:25:01,520

probably hearing about five percent of

766

00:25:06,230 --> 00:25:03,919

what goes on one percent of what goes on

767

00:25:08,630 --> 00:25:06,240

i'm just hoping that a lot of these uh

768

00:25:09,909 --> 00:25:08,640

military folks are getting uh fed up and

769

00:25:12,149 --> 00:25:09,919

they want to share

770

00:25:13,269 --> 00:25:12,159

and they don't want to keep quiet any

771

00:25:14,470 --> 00:25:13,279

longer

772

00:25:16,710 --> 00:25:14,480

because they don't think it's going to

773

00:25:18,230 --> 00:25:16,720

hurt the united states

774

00:25:19,750 --> 00:25:18,240

and then they think the public wants to

775

00:25:23,029 --> 00:25:19,760

know about it so there's

776

00:25:24,950 --> 00:25:23,039

so many cases so many cases what was

777

00:25:26,230 --> 00:25:24,960

really cool about the uss kid you know

778

00:25:27,909 --> 00:25:26,240

it came from

779

00:25:29,590 --> 00:25:27,919

dave beatty it didn't come from the

780

00:25:31,190 --> 00:25:29,600

government and

781

00:25:32,789 --> 00:25:31,200

dave beatty blew the lid off of that

782

00:25:36,470 --> 00:25:32,799

thing himself absolutely

783

00:25:39,750 --> 00:25:36,480

citizen so what whereas

784

00:25:42,149 --> 00:25:39,760

the uh the tic tac gimbal go fast they

785

00:25:43,029 --> 00:25:42,159

came from the government in a way

786

00:25:45,750 --> 00:25:43,039

because they were

787

00:25:46,549 --> 00:25:45,760

um became unclassified or whatever and

788

00:25:49,029 --> 00:25:46,559

lou

789

00:25:50,630 --> 00:25:49,039

made that happen and um then now of

790

00:25:51,909 --> 00:25:50,640

course the jeremy corbell and george

791

00:25:53,830 --> 00:25:51,919

snap stuff

792

00:25:56,149 --> 00:25:53,840

you know they were government events but

793

00:25:56,789 --> 00:25:56,159

i guess they made that happen also so

794

00:25:59,830 --> 00:25:56,799

yeah

795

00:26:00,230 --> 00:25:59,840

the government needs to be um aware of

796

00:26:02,149 --> 00:26:00,240

this

797

00:26:04,149 --> 00:26:02,159

and there's going to be continuous leaks

798

00:26:05,750 --> 00:26:04,159

happening i'm hoping

799

00:26:07,350 --> 00:26:05,760

and they need to realize that they need

800

00:26:09,029 --> 00:26:07,360

to get ahead of this and start sharing

801
00:26:10,630 --> 00:26:09,039
some more of this information

802
00:26:12,710 --> 00:26:10,640
and if they don't we're going to be

803
00:26:15,590 --> 00:26:12,720
digging it up ourselves and uh

804
00:26:16,390 --> 00:26:15,600
us that's the public yeah absolutely and

805
00:26:18,070 --> 00:26:16,400
uh

806
00:26:20,230 --> 00:26:18,080
so they have a problem on their hands i

807
00:26:21,990 --> 00:26:20,240
think yeah i mean i think it's good that

808
00:26:23,750 --> 00:26:22,000
the navy implemented the the reporting

809
00:26:24,310 --> 00:26:23,760
system a couple of years ago for people

810
00:26:25,909 --> 00:26:24,320
to give

811
00:26:28,230 --> 00:26:25,919
you know the sightings across and i

812
00:26:30,630 --> 00:26:28,240
think that helped the ua ptf quite a lot

813
00:26:32,950 --> 00:26:30,640

with a lot of the stuff that they

814

00:26:33,669 --> 00:26:32,960

studied in these 144 cases it sounds

815

00:26:35,350 --> 00:26:33,679

like

816

00:26:36,870 --> 00:26:35,360

it went back to the nimitz case but then

817

00:26:38,549 --> 00:26:36,880

everything else was pretty much the last

818

00:26:41,350 --> 00:26:38,559

two or three years by this

819

00:26:42,789 --> 00:26:41,360

by what i've kind of gathered from it so

820

00:26:46,470 --> 00:26:42,799

yeah but we do need it

821

00:26:48,950 --> 00:26:46,480

i mean we do need more than the

822

00:26:49,669 --> 00:26:48,960

task force report didn't have specific

823

00:26:51,669 --> 00:26:49,679

cases

824

00:26:53,350 --> 00:26:51,679

like case studies that's one thing i was

825

00:26:55,190 --> 00:26:53,360

hoping that they were going to do

826
00:26:56,950 --> 00:26:55,200
at least go back over some of the cases

827
00:26:58,870 --> 00:26:56,960
that we knew about that were public

828
00:27:00,390 --> 00:26:58,880
yeah but they didn't it was probably in

829
00:27:02,950 --> 00:27:00,400
the classified side of things

830
00:27:06,230 --> 00:27:02,960
yeah no i agree completely um just

831
00:27:07,830 --> 00:27:06,240
speaking on the jeremy and george

832
00:27:09,430 --> 00:27:07,840
videos and photos that have come out in

833
00:27:11,510 --> 00:27:09,440
the past few months i mean

834
00:27:13,430 --> 00:27:11,520
obviously we all see them getting a lot

835
00:27:14,310 --> 00:27:13,440
of stick a lot of mud thrown at them

836
00:27:16,710 --> 00:27:14,320
saying that it's

837
00:27:17,669 --> 00:27:16,720
not great stuff i mean i think it's

838
00:27:20,230 --> 00:27:17,679

incredible

839

00:27:21,430 --> 00:27:20,240

i'd love to hear your view on it and you

840

00:27:23,590 --> 00:27:21,440

know

841

00:27:25,029 --> 00:27:23,600

i mean yeah just just just an overview

842

00:27:27,830 --> 00:27:25,039

of what you think of these

843

00:27:29,110 --> 00:27:27,840

these videos and stuff i'm amazed that

844

00:27:30,549 --> 00:27:29,120

we're getting to see

845

00:27:32,389 --> 00:27:30,559

what the government and what the task

846

00:27:33,269 --> 00:27:32,399

force is looking at no matter what they

847

00:27:36,149 --> 00:27:33,279

are

848

00:27:37,110 --> 00:27:36,159

people saying that they hurt ufology or

849

00:27:40,149 --> 00:27:37,120

whatever else their

850

00:27:41,029 --> 00:27:40,159

claim is insane it's it's absolutely

851
00:27:43,510 --> 00:27:41,039
crap

852
00:27:45,029 --> 00:27:43,520
um you want you're saying these people

853
00:27:46,789 --> 00:27:45,039
are saying they want less information

854
00:27:48,230 --> 00:27:46,799
is that what they're saying because the

855
00:27:49,269 --> 00:27:48,240
whole time we've been asking for more

856
00:27:50,950 --> 00:27:49,279
information

857
00:27:52,789 --> 00:27:50,960
ever since to the stars released those

858
00:27:53,110 --> 00:27:52,799
videos a couple years ago now three

859
00:27:57,350 --> 00:27:53,120
years

860
00:27:59,110 --> 00:27:57,360
you know stars was teasing that they

861
00:28:00,630 --> 00:27:59,120
were going to be releasing our videos

862
00:28:02,310 --> 00:28:00,640
they didn't it was making everyone

863
00:28:03,750 --> 00:28:02,320

depressed we were sitting here for years

864

00:28:04,950 --> 00:28:03,760

waiting for videos

865

00:28:06,549 --> 00:28:04,960

there was times where we were not

866

00:28:08,630 --> 00:28:06,559

getting very much news you know when

867

00:28:10,789 --> 00:28:08,640

they were shooting unidentified

868

00:28:12,230 --> 00:28:10,799

lou wasn't talking you know people are

869

00:28:13,029 --> 00:28:12,240

spoiled now this is doing an interview

870

00:28:14,789 --> 00:28:13,039

every day

871

00:28:16,389 --> 00:28:14,799

yeah and we're getting mass media

872

00:28:18,710 --> 00:28:16,399

attention every day now and

873

00:28:20,710 --> 00:28:18,720

it wasn't like this for years in between

874

00:28:22,950 --> 00:28:20,720

people were getting really discouraged

875

00:28:23,909 --> 00:28:22,960

no videos were coming out nothing was

876

00:28:25,590 --> 00:28:23,919

coming out

877

00:28:27,110 --> 00:28:25,600

and um you know that was when i was

878

00:28:29,830 --> 00:28:27,120

really having to blog hard

879

00:28:31,269 --> 00:28:29,840

and dig really really hard now it's like

880

00:28:32,789 --> 00:28:31,279

i don't have to work as hard because lou

881

00:28:35,430 --> 00:28:32,799

is talking so much

882

00:28:36,950 --> 00:28:35,440

and he's breaking his own stories really

883

00:28:39,350 --> 00:28:36,960

back then i was having to dig

884

00:28:40,710 --> 00:28:39,360

and do all this all kinds of crazy stuff

885

00:28:42,549 --> 00:28:40,720

because no one else was doing it and

886

00:28:44,470 --> 00:28:42,559

there was no information flow

887

00:28:46,230 --> 00:28:44,480

no of course yeah now the information

888

00:28:48,630 --> 00:28:46,240

flow is there at least more

889

00:28:50,310 --> 00:28:48,640

thanks to lu um speaking so much and i

890

00:28:52,149 --> 00:28:50,320

mean chris mellon is blogging and all

891

00:28:53,430 --> 00:28:52,159

this other cool stuff but uh yeah that's

892

00:28:54,710 --> 00:28:53,440

awesome i couldn't believe it when i

893

00:28:56,470 --> 00:28:54,720

started seeing melon stuff

894

00:28:58,149 --> 00:28:56,480

like i was like what's this and realize

895

00:29:00,310 --> 00:28:58,159

what it was i was like wow

896

00:29:01,909 --> 00:29:00,320

that is impressive man yeah but it's

897

00:29:03,669 --> 00:29:01,919

insane to say that

898

00:29:05,830 --> 00:29:03,679

you don't want to see you don't want to

899

00:29:07,430 --> 00:29:05,840

see what the task force is interested in

900

00:29:09,350 --> 00:29:07,440

what are these people talking about and

901
00:29:11,590 --> 00:29:09,360
um you know if i had

902
00:29:12,950 --> 00:29:11,600
uh gotten those leaks which i would've

903
00:29:14,870 --> 00:29:12,960
been insane

904
00:29:16,470 --> 00:29:14,880
crazy for me you know i would have put

905
00:29:19,510 --> 00:29:16,480
them out too and um

906
00:29:20,950 --> 00:29:19,520
i just it jeremy and george are like

907
00:29:22,470 --> 00:29:20,960
the researchers whatever you want to

908
00:29:23,750 --> 00:29:22,480
call them reporters of the year they

909
00:29:25,909 --> 00:29:23,760
killed everyone

910
00:29:27,510 --> 00:29:25,919
all their haters or you know they need

911
00:29:28,630 --> 00:29:27,520
to shut up now and a lot of them have

912
00:29:31,029 --> 00:29:28,640
had to shut up

913
00:29:32,630 --> 00:29:31,039

yeah they've put out and you don't have

914

00:29:34,310 --> 00:29:32,640

to believe it's a ufo you can

915

00:29:36,310 --> 00:29:34,320

say maybe it's a drone whatever that's

916

00:29:37,190 --> 00:29:36,320

great but you need to be thankful that

917

00:29:38,789 --> 00:29:37,200

they came out

918

00:29:40,230 --> 00:29:38,799

and that you're you get a chance to

919

00:29:41,990 --> 00:29:40,240

critique it yeah

920

00:29:43,510 --> 00:29:42,000

um the military and the navy is

921

00:29:44,070 --> 00:29:43,520

recording these things and we got to see

922

00:29:48,149 --> 00:29:44,080

it

923

00:29:50,310 --> 00:29:48,159

shown all over the world

924

00:29:51,750 --> 00:29:50,320

um you know probably got more people

925

00:29:52,950 --> 00:29:51,760

interested in the subject because they

926
00:29:55,029 --> 00:29:52,960
saw those videos

927
00:29:56,470 --> 00:29:55,039
yeah and again i'm gonna be very clear

928
00:29:58,149 --> 00:29:56,480
you don't have to believe their ufos

929
00:30:00,230 --> 00:29:58,159
that's fine if you don't

930
00:30:01,669 --> 00:30:00,240
but um the people looking in that are

931
00:30:03,590 --> 00:30:01,679
wanting to critique it you know maybe

932
00:30:06,230 --> 00:30:03,600
they are just drones

933
00:30:07,190 --> 00:30:06,240
um i don't necessarily think so because

934
00:30:10,310 --> 00:30:07,200
of uh

935
00:30:10,630 --> 00:30:10,320
the ua ptf interest but we can't rule it

936
00:30:12,630 --> 00:30:10,640
out

937
00:30:14,149 --> 00:30:12,640
and um we need to just be happy that

938
00:30:15,669 --> 00:30:14,159

we're getting information flow we're

939

00:30:17,590 --> 00:30:15,679

getting videos

940

00:30:19,269 --> 00:30:17,600

and things like that and it's a big deal

941

00:30:21,510 --> 00:30:19,279

it's not just like some little thing

942

00:30:23,190 --> 00:30:21,520

and uh i just i can't wait to see what

943

00:30:25,590 --> 00:30:23,200

else jeremy and george release

944

00:30:27,430 --> 00:30:25,600

no i'm exactly on i couldn't have agree

945

00:30:29,990 --> 00:30:27,440

anymore i think they're awesome and

946

00:30:31,350 --> 00:30:30,000

everyone focuses on especially jeremy's

947

00:30:31,990 --> 00:30:31,360

personality and things like that and

948

00:30:33,990 --> 00:30:32,000

it's like

949

00:30:35,430 --> 00:30:34,000

you need to get over it because he's

950

00:30:35,990 --> 00:30:35,440

like you say he's given us this new

951
00:30:38,549 --> 00:30:36,000
information

952
00:30:39,590 --> 00:30:38,559
i mean when ttsa launched and we got

953
00:30:41,830 --> 00:30:39,600
those three videos

954
00:30:43,669 --> 00:30:41,840
it i remember that when it hits quiet

955
00:30:46,710 --> 00:30:43,679
period and it was just like

956
00:30:48,470 --> 00:30:46,720
nothing um and i felt like well

957
00:30:49,669 --> 00:30:48,480
you know i felt like ttsa were almost

958
00:30:49,990 --> 00:30:49,679
promising that it was just going to keep

959
00:30:52,630 --> 00:30:50,000
getting

960
00:30:53,350 --> 00:30:52,640
better and better and it didn't um so

961
00:30:56,149 --> 00:30:53,360
now that

962
00:30:57,350 --> 00:30:56,159
thankfully we've got it in the form of

963
00:30:59,190 --> 00:30:57,360

george and jeremy

964

00:31:02,070 --> 00:30:59,200

and i mean let me just jump in real

965

00:31:03,909 --> 00:31:02,080

quick yeah sure the uh

966

00:31:05,590 --> 00:31:03,919

jeremy's personality i don't understand

967

00:31:07,750 --> 00:31:05,600

the the pushback i mean he's kind of

968

00:31:09,350 --> 00:31:07,760

like a younger guy and he dresses up

969

00:31:11,110 --> 00:31:09,360

and he doesn't wear suits and maybe that

970

00:31:13,430 --> 00:31:11,120

rubs people the wrong way a little bit

971

00:31:15,430 --> 00:31:13,440

but at the same time um the dude is a

972

00:31:16,950 --> 00:31:15,440

genius like listen to him speak he's an

973

00:31:19,590 --> 00:31:16,960

amazing public speaker

974

00:31:21,350 --> 00:31:19,600

he's able to get his words um lined up

975

00:31:21,990 --> 00:31:21,360

like perfectly i was on close to ghost

976
00:31:23,909 --> 00:31:22,000
with him

977
00:31:25,909 --> 00:31:23,919
and i couldn't hang with like his public

978
00:31:28,389 --> 00:31:25,919
speaking abilities i can't do it

979
00:31:29,830 --> 00:31:28,399
it's really hard to speak to the public

980
00:31:31,509 --> 00:31:29,840
like that succinctly

981
00:31:33,029 --> 00:31:31,519
and get your point across and really

982
00:31:35,269 --> 00:31:33,039
sound good yeah

983
00:31:37,190 --> 00:31:35,279
lou ellison was able to do it amazingly

984
00:31:39,190 --> 00:31:37,200
yes able to do it amazingly

985
00:31:41,190 --> 00:31:39,200
george knapp is able to do it amazingly

986
00:31:43,110 --> 00:31:41,200
and guess what so is jeremy and he's

987
00:31:44,789 --> 00:31:43,120
great on national television

988
00:31:46,230 --> 00:31:44,799

there's not a lot of people that can go

989

00:31:46,950 --> 00:31:46,240

on national television or these other

990

00:31:48,870 --> 00:31:46,960

places

991

00:31:50,789 --> 00:31:48,880

and speak as well as he speaks and i

992

00:31:52,630 --> 00:31:50,799

literally consider him a genius

993

00:31:54,470 --> 00:31:52,640

um because of his public speaking and

994

00:31:56,149 --> 00:31:54,480

what he's been able to do as a

995

00:31:57,590 --> 00:31:56,159

investigative reporter or filmmaker

996

00:32:00,389 --> 00:31:57,600

whatever you want to call him yeah

997

00:32:01,750 --> 00:32:00,399

but um you know and sean cahill now i

998

00:32:02,549 --> 00:32:01,760

think is one of those guys we can throw

999

00:32:04,870 --> 00:32:02,559

in there

1000

00:32:06,230 --> 00:32:04,880

that's able to just speak very well on

1001
00:32:08,310 --> 00:32:06,240
these national programs

1002
00:32:09,669 --> 00:32:08,320
guys amazing yeah and think about how

1003
00:32:11,509 --> 00:32:09,679
nervous you would be i mean i get

1004
00:32:13,350 --> 00:32:11,519
nervous on coast to coast but i mean

1005
00:32:14,950 --> 00:32:13,360
if you're on national tv it's just not

1006
00:32:16,230 --> 00:32:14,960
easy to speak like that these guys are

1007
00:32:18,789 --> 00:32:16,240
really great speakers

1008
00:32:21,190 --> 00:32:18,799
yeah they're um they're people that the

1009
00:32:21,830 --> 00:32:21,200
ufo community needs their faces that we

1010
00:32:25,909 --> 00:32:21,840
need

1011
00:32:28,070 --> 00:32:25,919
really think about that when they're

1012
00:32:30,310 --> 00:32:28,080
trying to jump dump on jeremy and jump

1013
00:32:32,070 --> 00:32:30,320

on him so um he's he does a really great

1014

00:32:34,389 --> 00:32:32,080

job and he's a great uh

1015

00:32:35,509 --> 00:32:34,399

asset for the ufo community i completely

1016

00:32:37,190 --> 00:32:35,519

agree man and i get

1017

00:32:39,430 --> 00:32:37,200

i literally get it daily whether it be

1018

00:32:40,710 --> 00:32:39,440

my dms or just comments on posts and

1019

00:32:42,549 --> 00:32:40,720

stuff and it's like

1020

00:32:44,870 --> 00:32:42,559

everyone just accuses me oh you just

1021

00:32:46,710 --> 00:32:44,880

love jeremy so much and that it's like

1022

00:32:48,470 --> 00:32:46,720

yeah he's awesome for what he's done so

1023

00:32:51,029 --> 00:32:48,480

if you don't like it

1024

00:32:51,990 --> 00:32:51,039

see ya kind of thing like yeah you know

1025

00:32:53,350 --> 00:32:52,000

yeah do better

1026

00:32:55,029 --> 00:32:53,360

do better man these people should do

1027

00:32:57,029 --> 00:32:55,039

better rather than complaining

1028

00:32:58,789 --> 00:32:57,039

they need to do it themselves and um you

1029

00:33:00,070 --> 00:32:58,799

know jeremy isn't a government agent or

1030

00:33:00,389 --> 00:33:00,080

something and he's been able to dig this

1031

00:33:02,789 --> 00:33:00,399

stuff

1032

00:33:03,750 --> 00:33:02,799

up get sources vet then vet the

1033

00:33:05,909 --> 00:33:03,760

information

1034

00:33:07,269 --> 00:33:05,919

it's not easy it's incredibly hard yeah

1035

00:33:08,389 --> 00:33:07,279

definitely but then you do get the

1036

00:33:10,070 --> 00:33:08,399

people that say well

1037

00:33:11,669 --> 00:33:10,080

jeremy's only in it for the financial

1038

00:33:12,710 --> 00:33:11,679

side or he is even paid by the

1039

00:33:14,789 --> 00:33:12,720

government to

1040

00:33:16,870 --> 00:33:14,799

swerve people off to on a certain

1041

00:33:19,029 --> 00:33:16,880

narrative and

1042

00:33:21,029 --> 00:33:19,039

it winds me up and i don't know what

1043

00:33:22,630 --> 00:33:21,039

he's making off these videos i mean not

1044

00:33:24,470 --> 00:33:22,640

maybe he'll do a documentary about them

1045

00:33:26,149 --> 00:33:24,480

in the future or something but right now

1046

00:33:28,789 --> 00:33:26,159

he's just reporting and releasing them

1047

00:33:30,149 --> 00:33:28,799

so there's no money involved right now i

1048

00:33:31,350 --> 00:33:30,159

keep saying that to people as well and

1049

00:33:33,029 --> 00:33:31,360

everyone just says there's got to be

1050

00:33:34,789 --> 00:33:33,039

there's got to be and it's like

1051

00:33:36,870 --> 00:33:34,799

there's never been any money in ufology

1052

00:33:38,549 --> 00:33:36,880

for anybody you know making money

1053

00:33:40,310 --> 00:33:38,559

if you're doing it credibly isn't a bad

1054

00:33:41,909 --> 00:33:40,320

thing of course if you're taking

1055

00:33:43,990 --> 00:33:41,919

advantage of people sure

1056

00:33:45,590 --> 00:33:44,000

but he's not doing that and he's not

1057

00:33:47,669 --> 00:33:45,600

selling some weird product

1058

00:33:49,990 --> 00:33:47,679

he's not telling experiencers he's going

1059

00:33:51,509 --> 00:33:50,000

to you know read their implants and tell

1060

00:33:53,029 --> 00:33:51,519

them what their implants say like i see

1061

00:33:55,110 --> 00:33:53,039

some of these conventions this crazy

1062

00:33:57,509 --> 00:33:55,120

wild stuff right

1063

00:33:59,509 --> 00:33:57,519

or he's not saying that aliens are

1064

00:34:01,269 --> 00:33:59,519

speaking to him and that they're

1065

00:34:03,190 --> 00:34:01,279

that he's the messenger of aliens or

1066

00:34:04,630 --> 00:34:03,200

some crazy stuff and

1067

00:34:06,630 --> 00:34:04,640

he's doing it all credibly so if he

1068

00:34:08,389 --> 00:34:06,640

wants to make money you know more power

1069

00:34:09,909 --> 00:34:08,399

to him and anyone else

1070

00:34:11,750 --> 00:34:09,919

i think that as long as you're doing it

1071

00:34:13,030 --> 00:34:11,760

credibly and it's a fine line

1072

00:34:14,869 --> 00:34:13,040

but if you're doing incredibly it is

1073

00:34:16,550 --> 00:34:14,879

okay to make money and there are a whole

1074

00:34:17,829 --> 00:34:16,560

lot of money in this ufo community i

1075

00:34:19,349 --> 00:34:17,839

mean even um

1076

00:34:21,030 --> 00:34:19,359

the people that do make money and are

1077

00:34:23,909 --> 00:34:21,040

able to live off this stuff

1078

00:34:24,790 --> 00:34:23,919

um it's not easy it's not something that

1079

00:34:27,829 --> 00:34:24,800

most people do

1080

00:34:28,230 --> 00:34:27,839

and uh you know most most of us have day

1081

00:34:31,270 --> 00:34:28,240

jobs

1082

00:34:32,629 --> 00:34:31,280

99 of everyone has a day job and uh you

1083

00:34:35,030 --> 00:34:32,639

know i'll let jeremy um

1084

00:34:38,950 --> 00:34:35,040

answer that question too yeah no of

1085

00:34:43,030 --> 00:34:40,710

just switching across now completely

1086

00:34:46,389 --> 00:34:43,040

from people that we obviously hold in

1087

00:34:47,829 --> 00:34:46,399

high steed like jeremy george and that

1088

00:34:49,430 --> 00:34:47,839

i almost don't like talking about the

1089

00:34:51,430 --> 00:34:49,440

man but have you seen the gri

1090

00:34:53,270 --> 00:34:51,440

documentary that dropped last week

1091

00:34:54,629 --> 00:34:53,280

i haven't seen the new one you know i

1092

00:34:56,550 --> 00:34:54,639

have mixed feelings about grier he has

1093

00:34:57,990 --> 00:34:56,560

done a lot of good work over the years

1094

00:34:59,829 --> 00:34:58,000

yeah he's also done a lot of horrible

1095

00:35:00,950 --> 00:34:59,839

things and he's made some horrible

1096

00:35:04,230 --> 00:35:00,960

comments

1097

00:35:05,910 --> 00:35:04,240

um i haven't seen the new uh the new

1098

00:35:07,670 --> 00:35:05,920

documentary yet i need to watch it on

1099

00:35:09,510 --> 00:35:07,680

one minute i think you do really i'm not

1100

00:35:10,870 --> 00:35:09,520

boycotting it i feel like i know a lot

1101
00:35:14,230 --> 00:35:10,880
of the information that's gonna be in it

1102
00:35:15,670 --> 00:35:14,240
already oh absolutely i'm sure you do um

1103
00:35:17,270 --> 00:35:15,680
i think i saw like 30 seconds or a

1104
00:35:18,230 --> 00:35:17,280
minute i thought the editing was good

1105
00:35:20,150 --> 00:35:18,240
like the uh

1106
00:35:22,230 --> 00:35:20,160
yeah but that's the problem yeah it's

1107
00:35:24,310 --> 00:35:22,240
editing just to fit a narrative

1108
00:35:26,390 --> 00:35:24,320
so badly you know and i watched

1109
00:35:27,829 --> 00:35:26,400
unacknowledged and that was before 2017

1110
00:35:29,910 --> 00:35:27,839
i thought it was great at the time

1111
00:35:31,190 --> 00:35:29,920
yeah looking back i can kind of see some

1112
00:35:32,950 --> 00:35:31,200
problems with it of course

1113
00:35:34,470 --> 00:35:32,960

at the time i was it like got me um

1114

00:35:36,150 --> 00:35:34,480

amped up like i was like screw the

1115

00:35:38,150 --> 00:35:36,160

government we need transparency

1116

00:35:39,670 --> 00:35:38,160

yeah is right greer is awesome and uh

1117

00:35:40,470 --> 00:35:39,680

enough knowledge i thought was good it

1118

00:35:42,150 --> 00:35:40,480

did the trick

1119

00:35:44,630 --> 00:35:42,160

it had some misinformation in there but

1120

00:35:46,150 --> 00:35:44,640

also had good information

1121

00:35:47,430 --> 00:35:46,160

i thought it was good at the time i

1122

00:35:48,230 --> 00:35:47,440

thought it was a really good movie and

1123

00:35:50,069 --> 00:35:48,240

um

1124

00:35:52,310 --> 00:35:50,079

to his also another thing he's doing

1125

00:35:54,069 --> 00:35:52,320

right is a lot of his stuff is uh

1126

00:35:55,750 --> 00:35:54,079

will be free like on netflix so you're

1127

00:35:58,390 --> 00:35:55,760

watching something else

1128

00:35:59,829 --> 00:35:58,400

and it'll suddenly um offer up you know

1129

00:36:02,230 --> 00:35:59,839

on the knowledge or one of the

1130

00:36:03,589 --> 00:36:02,240

career documentaries yeah won't know

1131

00:36:05,030 --> 00:36:03,599

what it is they're just clicking on it

1132

00:36:05,750 --> 00:36:05,040

because it comes up on netflix or

1133

00:36:08,069 --> 00:36:05,760

whatever

1134

00:36:09,829 --> 00:36:08,079

streaming service so that's important

1135

00:36:11,430 --> 00:36:09,839

you know in order to get the

1136

00:36:13,109 --> 00:36:11,440

word out so he's doing some good things

1137

00:36:14,870 --> 00:36:13,119

for marketing wise

1138

00:36:16,950 --> 00:36:14,880

whether his information is good or not

1139

00:36:18,310 --> 00:36:16,960

but yeah with that said

1140

00:36:19,589 --> 00:36:18,320

you know he's [h__h] on lou he's

1141

00:36:20,550 --> 00:36:19,599

sitting on the people that are doing the

1142

00:36:23,750 --> 00:36:20,560

most

1143

00:36:26,470 --> 00:36:23,760

um he's also saying he can speak for

1144

00:36:28,950 --> 00:36:26,480

all abductions and he can speak for the

1145

00:36:31,430 --> 00:36:28,960

aliens who are talking to him directly

1146

00:36:32,950 --> 00:36:31,440

and whether they are or not i just feel

1147

00:36:33,349 --> 00:36:32,960

like that's somewhat irresponsible

1148

00:36:35,109 --> 00:36:33,359

because

1149

00:36:36,790 --> 00:36:35,119

i feel like he generalizes a lot of

1150

00:36:38,950 --> 00:36:36,800

things and

1151

00:36:41,270 --> 00:36:38,960

how can he be so sure about some of this

1152

00:36:42,950 --> 00:36:41,280

stuff and it's like he's able to

1153

00:36:44,870 --> 00:36:42,960

be all-knowing of everything that

1154

00:36:46,390 --> 00:36:44,880

happens in the world and uh

1155

00:36:49,589 --> 00:36:46,400

i don't agree with that i don't agree

1156

00:36:53,589 --> 00:36:49,599

with you know we can be um

1157

00:36:56,069 --> 00:36:53,599

wary of lou wary of chris mellon wary of

1158

00:36:57,510 --> 00:36:56,079

george knapp or jeremy it's fine but at

1159

00:36:58,630 --> 00:36:57,520

the end of the day what we're doing is

1160

00:37:01,190 --> 00:36:58,640

kind of like a sport

1161

00:37:03,109 --> 00:37:01,200

and you can look and see how many people

1162

00:37:05,190 --> 00:37:03,119

put the most points up on the board

1163

00:37:06,230 --> 00:37:05,200

yeah they're putting points on the board

1164

00:37:09,670 --> 00:37:06,240

whether

1165

00:37:12,950 --> 00:37:09,680

any hater likes it

1166

00:37:13,430 --> 00:37:12,960

they're doing the most and um you can

1167

00:37:17,190 --> 00:37:13,440

take

1168

00:37:18,790 --> 00:37:17,200

uh out you know their personal opinions

1169

00:37:20,310 --> 00:37:18,800

but what they're releasing and what

1170

00:37:21,829 --> 00:37:20,320

they're doing as far as public

1171

00:37:22,790 --> 00:37:21,839

acknowledgement and government

1172

00:37:25,510 --> 00:37:22,800

acknowledgement

1173

00:37:26,069 --> 00:37:25,520

is working yes so um it's a sport in

1174

00:37:29,750 --> 00:37:26,079

that way

1175

00:37:30,870 --> 00:37:29,760

and it that makes it um objective rather

1176

00:37:32,790 --> 00:37:30,880

than subjective

1177

00:37:34,710 --> 00:37:32,800

and objectively looking at it they're

1178

00:37:35,270 --> 00:37:34,720

doing the most so really can't [h__h] on

1179

00:37:36,230 --> 00:37:35,280

them

1180

00:37:38,150 --> 00:37:36,240

sorry i don't know if i should be

1181

00:37:39,030 --> 00:37:38,160

cursing but uh can on here bro no

1182

00:37:40,870 --> 00:37:39,040

worries that's all

1183

00:37:42,950 --> 00:37:40,880

go for it really grier can't be doing

1184

00:37:45,510 --> 00:37:42,960

that if he's looking at it objectively

1185

00:37:46,390 --> 00:37:45,520

it's not something that you can take

1186

00:37:48,710 --> 00:37:46,400

away from

1187

00:37:49,510 --> 00:37:48,720

and the same way to the stars academy

1188

00:37:51,030 --> 00:37:49,520

you know they

1189

00:37:53,589 --> 00:37:51,040

didn't do some of the things they said

1190

00:37:55,109 --> 00:37:53,599

they would do but as far as disclosure

1191

00:37:56,230 --> 00:37:55,119

they did do what they would said that

1192

00:37:57,589 --> 00:37:56,240

what they said they would do so

1193

00:37:59,430 --> 00:37:57,599

objectively

1194

00:38:01,270 --> 00:37:59,440

on disclosure front they did what they

1195

00:38:03,510 --> 00:38:01,280

did not necessarily on bringing out

1196

00:38:05,510 --> 00:38:03,520

technology but um

1197

00:38:06,950 --> 00:38:05,520

same with lou now and uh same with

1198

00:38:09,670 --> 00:38:06,960

jeremy and george and everyone else

1199

00:38:10,550 --> 00:38:09,680

you know it's it's subjective and you

1200

00:38:13,270 --> 00:38:10,560

know if

1201
00:38:14,710 --> 00:38:13,280
even if i don't like someone and they

1202
00:38:16,630 --> 00:38:14,720
come out with a good article

1203
00:38:17,990 --> 00:38:16,640
that i think pushes the subject forward

1204
00:38:19,750 --> 00:38:18,000
i'm gonna retweet them and i'm going to

1205
00:38:21,750 --> 00:38:19,760
even promote their article

1206
00:38:23,030 --> 00:38:21,760
sure as long as i think it's honest and

1207
00:38:24,790 --> 00:38:23,040
true and it

1208
00:38:26,870 --> 00:38:24,800
has good information in it so we need to

1209
00:38:27,750 --> 00:38:26,880
take personal feelings out of this

1210
00:38:29,910 --> 00:38:27,760
sometimes

1211
00:38:31,349 --> 00:38:29,920
um other times it's okay to have

1212
00:38:34,150 --> 00:38:31,359
personal feelings and

1213
00:38:36,069 --> 00:38:34,160

and uh you know debate with people but

1214

00:38:37,910 --> 00:38:36,079

at the end of the day it is a sport

1215

00:38:39,670 --> 00:38:37,920

and um the people that are doing the

1216

00:38:41,270 --> 00:38:39,680

most are winning

1217

00:38:43,190 --> 00:38:41,280

in that regard and we need to respect

1218

00:38:45,430 --> 00:38:43,200

them and promote them

1219

00:38:46,790 --> 00:38:45,440

no i love that analogy that that's great

1220

00:38:48,550 --> 00:38:46,800

i may even um

1221

00:38:50,230 --> 00:38:48,560

borrow that from you in the future when

1222

00:38:52,310 --> 00:38:50,240

i'm talking to people because it's

1223

00:38:54,390 --> 00:38:52,320

it just lays it all out in simplistic

1224

00:38:56,310 --> 00:38:54,400

terms and i think sometimes people just

1225

00:38:57,349 --> 00:38:56,320

need those simple terms to make sense of

1226

00:38:59,190 --> 00:38:57,359

everything

1227

00:39:00,710 --> 00:38:59,200

you know because i i forget even

1228

00:39:04,230 --> 00:39:00,720

sometimes that people don't

1229

00:39:05,670 --> 00:39:04,240

dig and research like some of us do and

1230

00:39:07,349 --> 00:39:05,680

it's easier for them to just come to

1231

00:39:08,710 --> 00:39:07,359

conclusions based off the very little

1232

00:39:10,390 --> 00:39:08,720

things they see whether it just be a

1233

00:39:11,990 --> 00:39:10,400

documentary and stuff like that so i do

1234

00:39:14,790 --> 00:39:12,000

understand how

1235

00:39:16,390 --> 00:39:14,800

they can be you know perceiving

1236

00:39:18,310 --> 00:39:16,400

something like what griez says is

1237

00:39:19,750 --> 00:39:18,320

my god this guy is saying awesome stuff

1238

00:39:23,349 --> 00:39:19,760

but yeah yeah

1239

00:39:25,030 --> 00:39:23,359

when i jumped in too it's like i i

1240

00:39:26,470 --> 00:39:25,040

i was interested let me say that i was

1241

00:39:27,190 --> 00:39:26,480

interested in a lot of what people were

1242

00:39:29,270 --> 00:39:27,200

saying

1243

00:39:30,710 --> 00:39:29,280

i was listening to corey good interviews

1244

00:39:32,390 --> 00:39:30,720

and i was like wow these are cool

1245

00:39:34,150 --> 00:39:32,400

we've all been there that was before i

1246

00:39:36,550 --> 00:39:34,160

knew better yeah

1247

00:39:37,190 --> 00:39:36,560

it's unfortunate in a way because people

1248

00:39:38,710 --> 00:39:37,200

might

1249

00:39:40,550 --> 00:39:38,720

may get on youtube and they'll come

1250

00:39:42,630 --> 00:39:40,560

across a corey good thing first

1251
00:39:43,750 --> 00:39:42,640
or they'll come across agree thing first

1252
00:39:45,109 --> 00:39:43,760
but at least they're getting interested

1253
00:39:46,470 --> 00:39:45,119
in a subject on one hand

1254
00:39:48,630 --> 00:39:46,480
the other hand they're getting fed a lot

1255
00:39:49,990 --> 00:39:48,640
of crap but um

1256
00:39:51,750 --> 00:39:50,000
i don't know i'm not knocking someone

1257
00:39:54,150 --> 00:39:51,760
that just jumped in the subject

1258
00:39:55,910 --> 00:39:54,160
got on youtube started from scratch yeah

1259
00:39:57,349 --> 00:39:55,920
doesn't have people around them that can

1260
00:39:58,230 --> 00:39:57,359
tell them that what's more credible and

1261
00:40:00,870 --> 00:39:58,240
what's not

1262
00:40:02,150 --> 00:40:00,880
and they're not able to discern so we

1263
00:40:03,109 --> 00:40:02,160

need to keep that in mind too there's

1264

00:40:05,510 --> 00:40:03,119

going to be a lot of people

1265

00:40:06,230 --> 00:40:05,520

jumping in fresh oh yes and that's the

1266

00:40:10,069 --> 00:40:06,240

goal

1267

00:40:12,309 --> 00:40:10,079

get more people involved

1268

00:40:14,309 --> 00:40:12,319

and um just the more credible stuff

1269

00:40:15,589 --> 00:40:14,319

that's good gets put out

1270

00:40:16,950 --> 00:40:15,599

will be better because then they're

1271

00:40:18,470 --> 00:40:16,960

going to be googling it and then the

1272

00:40:20,069 --> 00:40:18,480

credible stuff will come up

1273

00:40:22,069 --> 00:40:20,079

and that's what i think is so great

1274

00:40:22,950 --> 00:40:22,079

about uh what lou has been able to

1275

00:40:24,630 --> 00:40:22,960

accomplish

1276

00:40:26,630 --> 00:40:24,640

yeah totally man and actually just what

1277

00:40:28,069 --> 00:40:26,640

you said then was one of the questions i

1278

00:40:29,510 --> 00:40:28,079

was gonna even bring up was

1279

00:40:31,270 --> 00:40:29,520

for all the new people that we're

1280

00:40:33,670 --> 00:40:31,280

already starting to see coming into this

1281

00:40:36,630 --> 00:40:33,680

subject what would your

1282

00:40:38,069 --> 00:40:36,640

words of wisdom or advice be on where do

1283

00:40:39,670 --> 00:40:38,079

they start where do they go

1284

00:40:41,349 --> 00:40:39,680

because like you said they just don't

1285

00:40:43,910 --> 00:40:41,359

know they see it all

1286

00:40:45,430 --> 00:40:43,920

so yeah i mean i would stick with george

1287

00:40:47,270 --> 00:40:45,440

knapp reporting

1288

00:40:48,550 --> 00:40:47,280

um you can go back a lot of the stuff

1289

00:40:50,150 --> 00:40:48,560

he's reported

1290

00:40:52,309 --> 00:40:50,160

um everything basically he's the man

1291

00:40:53,109 --> 00:40:52,319

he's the best yeah you know you can go

1292

00:40:58,950 --> 00:40:53,119

to

1293

00:41:00,230 --> 00:40:58,960

jump in with what lou's saying lou has a

1294

00:41:01,750 --> 00:41:00,240

lot of content out now if you look at

1295

00:41:04,950 --> 00:41:01,760

all of his interviews yeah

1296

00:41:06,470 --> 00:41:04,960

he could be googling chris mellon um

1297

00:41:08,150 --> 00:41:06,480

you could go on some of the blogs like

1298

00:41:10,630 --> 00:41:08,160

mine or other people's

1299

00:41:11,190 --> 00:41:10,640

there's a lot of uh good stuff mystery

1300

00:41:12,790 --> 00:41:11,200

wire

1301
00:41:15,349 --> 00:41:12,800
george knops our site has a lot of great

1302
00:41:18,069 --> 00:41:15,359
stuff on it yeah um

1303
00:41:20,230 --> 00:41:18,079
as long as you're sticking to the more

1304
00:41:21,990 --> 00:41:20,240
credible stuff that we can prove um

1305
00:41:23,910 --> 00:41:22,000
but but hey go ahead and get into the

1306
00:41:25,829 --> 00:41:23,920
wound get into the weird stuff too

1307
00:41:27,030 --> 00:41:25,839
just so you get an idea of it but it

1308
00:41:28,870 --> 00:41:27,040
depends i guess um

1309
00:41:30,309 --> 00:41:28,880
what level of person what their interest

1310
00:41:32,550 --> 00:41:30,319
level would be yeah if

1311
00:41:34,470 --> 00:41:32,560
it's someone that doesn't really care

1312
00:41:38,069 --> 00:41:34,480
i'd be strictly showing them the

1313
00:41:39,430 --> 00:41:38,079

um political stuff the uap task force

1314

00:41:41,670 --> 00:41:39,440

that's a big thing too you know there's

1315

00:41:43,030 --> 00:41:41,680

a task force currently going on

1316

00:41:45,190 --> 00:41:43,040

and it's not a conspiracy it's

1317

00:41:47,030 --> 00:41:45,200

transparent in a way

1318

00:41:48,790 --> 00:41:47,040

and we can show them that we even know

1319

00:41:51,270 --> 00:41:48,800

who the uh director's

1320

00:41:52,390 --> 00:41:51,280

name is and what is it looks like i hope

1321

00:41:54,550 --> 00:41:52,400

he speaks

1322

00:41:55,829 --> 00:41:54,560

but uh i hope so too yeah i would stick

1323

00:41:57,750 --> 00:41:55,839

to that i mean there's a task force

1324

00:41:59,670 --> 00:41:57,760

currently going on in the government

1325

00:42:01,030 --> 00:41:59,680

there's the tic tac incident so there's

1326

00:42:02,870 --> 00:42:01,040

great things to show

1327

00:42:04,550 --> 00:42:02,880

people that don't care and that's what

1328

00:42:07,510 --> 00:42:04,560

people don't understand has changed so

1329

00:42:10,630 --> 00:42:07,520

much since 2017 we have great tools now

1330

00:42:14,150 --> 00:42:10,640

to show people credible tools

1331

00:42:15,510 --> 00:42:14,160

credible examples and uh since 2017

1332

00:42:18,790 --> 00:42:15,520

that's changed big time

1333

00:42:20,230 --> 00:42:18,800

before 2017 things flying around in the

1334

00:42:22,150 --> 00:42:20,240

sky above mill and start military

1335

00:42:24,550 --> 00:42:22,160

installations was a conspiracy

1336

00:42:25,510 --> 00:42:24,560

now it isn't now it's a fact it doesn't

1337

00:42:28,069 --> 00:42:25,520

mean it's ufo

1338

00:42:29,589 --> 00:42:28,079

but it but there are advanced tech

1339

00:42:31,430 --> 00:42:29,599

flying in the sky

1340

00:42:33,109 --> 00:42:31,440

and that is no longer a conspiracy and

1341

00:42:35,430 --> 00:42:33,119

even mainstream media knows that so

1342

00:42:36,950 --> 00:42:35,440

yeah that's awesome danny if you don't

1343

00:42:38,790 --> 00:42:36,960

mind is it okay if our

1344

00:42:40,390 --> 00:42:38,800

friend sean uh sean rash jumps in

1345

00:42:41,990 --> 00:42:40,400

witness citizen i think you've spoken to

1346

00:42:44,470 --> 00:42:42,000

him before haven't you or if he jumps in

1347

00:42:47,480 --> 00:42:44,480

he's just got an interview

1348

00:42:49,190 --> 00:42:47,490

hey hey how's it going

1349

00:42:51,589 --> 00:42:49,200

[Laughter]

1350

00:42:52,230 --> 00:42:51,599

sorry you didn't bro how's it going

1351
00:42:54,390 --> 00:42:52,240
danny

1352
00:42:55,430 --> 00:42:54,400
good how are you oh pretty good yeah

1353
00:42:58,550 --> 00:42:55,440
real good

1354
00:42:59,670 --> 00:42:58,560
um what were you guys talking about just

1355
00:43:01,750 --> 00:42:59,680
been

1356
00:43:03,109 --> 00:43:01,760
shooting the [h__h] basically just just a

1357
00:43:05,030 --> 00:43:03,119
bit of everything talking about

1358
00:43:06,470 --> 00:43:05,040
a lot about atip and mel and lou and all

1359
00:43:07,829 --> 00:43:06,480
that kind of thing that's probably a

1360
00:43:08,710 --> 00:43:07,839
good time that you jumped in because you

1361
00:43:11,829 --> 00:43:08,720
interviewed lou

1362
00:43:13,349 --> 00:43:11,839
yesterday didn't you yeah and what i

1363
00:43:13,750 --> 00:43:13,359

took from that primarily was that he

1364

00:43:16,150 --> 00:43:13,760

said

1365

00:43:17,510 --> 00:43:16,160

this is going to be an interesting week

1366

00:43:20,069 --> 00:43:17,520

yeah i think

1367

00:43:21,670 --> 00:43:20,079

um what he was talking about might have

1368

00:43:22,870 --> 00:43:21,680

happened already to be honest with you

1369

00:43:25,910 --> 00:43:22,880

because i think he was

1370

00:43:27,910 --> 00:43:25,920

relating that to somebody coming out and

1371

00:43:31,109 --> 00:43:27,920

talking about grier

1372

00:43:34,470 --> 00:43:31,119

which is happening yeah so

1373

00:43:35,910 --> 00:43:34,480

i don't that could be it i don't know

1374

00:43:37,750 --> 00:43:35,920

well i heard a couple of things i heard

1375

00:43:39,109 --> 00:43:37,760

that this might be the week me and danny

1376

00:43:41,829 --> 00:43:39,119

were just talking about it

1377

00:43:43,990 --> 00:43:41,839

there was a possible retired um

1378

00:43:45,750 --> 00:43:44,000

lieutenant commander

1379

00:43:47,910 --> 00:43:45,760

from the nimitz that is kee everyone

1380

00:43:50,309 --> 00:43:47,920

keeps pointing to this week or next

1381

00:43:52,150 --> 00:43:50,319

so that's i suppose on the table but

1382

00:43:54,630 --> 00:43:52,160

then also

1383

00:43:55,430 --> 00:43:54,640

lou and melamer in colorado springs as

1384

00:43:57,109 --> 00:43:55,440

well this week

1385

00:43:58,710 --> 00:43:57,119

now that's you know there's more out

1386

00:43:59,270 --> 00:43:58,720

there there's quite a few other things

1387

00:44:00,390 --> 00:43:59,280

there so

1388

00:44:02,790 --> 00:44:00,400

maybe there's something in that

1389

00:44:05,109 --> 00:44:02,800

direction again speculation but

1390

00:44:06,309 --> 00:44:05,119

yeah you put out some some breadcrumbs

1391

00:44:08,550 --> 00:44:06,319

that's for sure

1392

00:44:09,910 --> 00:44:08,560

and i always jump on him an hour is

1393

00:44:11,990 --> 00:44:09,920

never enough i feel like

1394

00:44:12,950 --> 00:44:12,000

uh with some people because there's

1395

00:44:15,270 --> 00:44:12,960

always things i just

1396

00:44:16,230 --> 00:44:15,280

i wish i would have asked that or this

1397

00:44:17,430 --> 00:44:16,240

or whatever

1398

00:44:19,270 --> 00:44:17,440

you know yeah but bro you guys saying

1399

00:44:21,349 --> 00:44:19,280

something happened with danny

1400

00:44:23,190 --> 00:44:21,359

you got him to talk about this 23 minute

1401
00:44:24,069 --> 00:44:23,200
video that i've not heard anywhere

1402
00:44:26,309 --> 00:44:24,079
before

1403
00:44:28,230 --> 00:44:26,319
uh i haven't heard about that either i i

1404
00:44:30,230 --> 00:44:28,240
feel like i just asked them about um

1405
00:44:32,550 --> 00:44:30,240
what kind of stuff we had

1406
00:44:33,589 --> 00:44:32,560
and it was more it's it's like a just

1407
00:44:36,150 --> 00:44:33,599
like a friend's thing

1408
00:44:37,750 --> 00:44:36,160
you know what do we got you know did you

1409
00:44:39,589 --> 00:44:37,760
see that donny

1410
00:44:40,710 --> 00:44:39,599
uh uh his whole interview i haven't i've

1411
00:44:41,829 --> 00:44:40,720
just been seeing everyone and then

1412
00:44:43,510 --> 00:44:41,839
everybody on fire

1413
00:44:45,270 --> 00:44:43,520

yeah i've seen a lot of excerpts from

1414

00:44:47,510 --> 00:44:45,280

yeah from the uh

1415

00:44:49,349 --> 00:44:47,520

interview and i want to congratulate you

1416

00:44:50,069 --> 00:44:49,359

sean because i know you've been wanting

1417

00:44:51,829 --> 00:44:50,079

uh

1418

00:44:53,190 --> 00:44:51,839

this to happen and you had a blockbuster

1419

00:44:54,630 --> 00:44:53,200

interview under your belt now man so

1420

00:44:56,470 --> 00:44:54,640

congratulations dude

1421

00:44:57,670 --> 00:44:56,480

dude i i really appreciate that

1422

00:45:00,870 --> 00:44:57,680

especially coming from you

1423

00:45:01,190 --> 00:45:00,880

um you know who paved the way for people

1424

00:45:05,270 --> 00:45:01,200

like

1425

00:45:08,230 --> 00:45:05,280

vinnie and i to even exist

1426

00:45:10,630 --> 00:45:08,240

um it's really an honor and a privilege

1427

00:45:12,550 --> 00:45:10,640

to talk to you

1428

00:45:14,470 --> 00:45:12,560

you know you asked lou you got some new

1429

00:45:16,710 --> 00:45:14,480

information on the lou that's not easy

1430

00:45:18,390 --> 00:45:16,720

he's doing interviews every single day

1431

00:45:20,390 --> 00:45:18,400

if i had a nickel for every time we did

1432

00:45:22,950 --> 00:45:20,400

an interview you know but uh

1433

00:45:25,109 --> 00:45:22,960

you got some new questions in there and

1434

00:45:28,069 --> 00:45:25,119

i got a great response from uh

1435

00:45:29,349 --> 00:45:28,079

from the ufo community man well i yeah

1436

00:45:31,109 --> 00:45:29,359

i'm just trying to help so

1437

00:45:32,630 --> 00:45:31,119

as long as i'm doing that i will keep

1438

00:45:34,790 --> 00:45:32,640

going um

1439

00:45:35,670 --> 00:45:34,800

you know and that's that's my only

1440

00:45:38,630 --> 00:45:35,680

prerogative

1441

00:45:39,030 --> 00:45:38,640

so yeah man that's all we can do is to

1442

00:45:42,390 --> 00:45:39,040

uh

1443

00:45:45,430 --> 00:45:42,400

help be grounded show you know and be

1444

00:45:46,069 --> 00:45:45,440

positive and supportive towards what

1445

00:45:49,589 --> 00:45:46,079

everybody's

1446

00:45:51,430 --> 00:45:49,599

building um what you started building on

1447

00:45:56,230 --> 00:45:51,440

ufo twitter with andreas

1448

00:45:58,390 --> 00:45:56,240

and others um you know it's

1449

00:45:59,750 --> 00:45:58,400

people always want and danny you're

1450

00:46:01,109 --> 00:45:59,760

gonna know this more than me but people

1451

00:46:03,190 --> 00:46:01,119

always want things now

1452

00:46:05,589 --> 00:46:03,200

you know give me that video now give me

1453

00:46:08,790 --> 00:46:05,599

that evidence right now now now

1454

00:46:10,710 --> 00:46:08,800

without having any and i understand to a

1455

00:46:12,829 --> 00:46:10,720

certain extent but it's without having

1456

00:46:15,670 --> 00:46:12,839

any compassion for

1457

00:46:16,230 --> 00:46:15,680

um you know how that process would

1458

00:46:19,510 --> 00:46:16,240

happen

1459

00:46:22,150 --> 00:46:19,520

to them

1460

00:46:23,589 --> 00:46:22,160

and it's been 80 years so can you wait

1461

00:46:27,190 --> 00:46:23,599

just uh

1462

00:46:30,470 --> 00:46:27,200

just a little bit longer you know

1463

00:46:32,710 --> 00:46:30,480

and hopefully i just hope that um

1464

00:46:34,710 --> 00:46:32,720

this continues to go this way i believe

1465

00:46:36,550 --> 00:46:34,720

we'll probably see leaks from that

1466

00:46:40,069 --> 00:46:36,560

classified report at some point i mean

1467

00:46:43,109 --> 00:46:40,079

come on how many people are in congress

1468

00:46:44,710 --> 00:46:43,119

somebody wants attention and we know

1469

00:46:46,470 --> 00:46:44,720

there's so many videos i know there's so

1470

00:46:48,630 --> 00:46:46,480

many incidents and uh yeah

1471

00:46:50,390 --> 00:46:48,640

um the the length of time of the 23

1472

00:46:52,309 --> 00:46:50,400

minutes is kind of surprising

1473

00:46:53,510 --> 00:46:52,319

but um we know there's so many videos in

1474

00:46:54,790 --> 00:46:53,520

the vault i don't know if we're ever

1475

00:46:56,790 --> 00:46:54,800

going to see him or not

1476
00:46:58,630 --> 00:46:56,800
but um lou and chris have seen them and

1477
00:47:01,109 --> 00:46:58,640
no wonder they're so motivated

1478
00:47:02,390 --> 00:47:01,119
um they've seen what we're drawing over

1479
00:47:04,870 --> 00:47:02,400
that's a good point

1480
00:47:07,030 --> 00:47:04,880
you know they would have to have seen

1481
00:47:09,670 --> 00:47:07,040
something like that to be this motivated

1482
00:47:11,030 --> 00:47:09,680
you would think you've seen a ton of

1483
00:47:12,309 --> 00:47:11,040
stuff and so has chris

1484
00:47:14,069 --> 00:47:12,319
and still have other people that we

1485
00:47:17,430 --> 00:47:14,079
don't even know the names of but uh

1486
00:47:19,510 --> 00:47:17,440
this is so i asked about the 50

1487
00:47:21,270 --> 00:47:19,520
feet away one that's how it started i'm

1488
00:47:22,829 --> 00:47:21,280

like so what's up with that 50 foot of

1489

00:47:25,510 --> 00:47:22,839

wave

1490

00:47:25,829 --> 00:47:25,520

um and i'm like so when are we gonna see

1491

00:47:30,069 --> 00:47:25,839

that

1492

00:47:31,750 --> 00:47:30,079

like all right it's pretty crazy though

1493

00:47:33,430 --> 00:47:31,760

huh he's like yeah yeah we got some

1494

00:47:36,630 --> 00:47:33,440

really crazy stuff though

1495

00:47:38,710 --> 00:47:36,640

there's this one 23 minute video and he

1496

00:47:40,790 --> 00:47:38,720

starts smiling and i'm like oh yeah

1497

00:47:41,990 --> 00:47:40,800

so popcorn soda he's like you're gonna

1498

00:47:44,790 --> 00:47:42,000

eat popcorn

1499

00:47:45,430 --> 00:47:44,800

a coca-cola and then i said and probably

1500

00:47:49,030 --> 00:47:45,440

a diaper

1501
00:47:52,390 --> 00:47:49,040
and he laughed and said yeah maybe

1502
00:47:55,510 --> 00:47:52,400
so shoot i had uh man

1503
00:47:56,870 --> 00:47:55,520
what a tease but and when they come out

1504
00:47:58,710 --> 00:47:56,880
the people will just critique it and say

1505
00:48:03,190 --> 00:47:58,720
it's strong anyways yeah probably

1506
00:48:06,230 --> 00:48:03,200
won't be happy probably yeah i mean

1507
00:48:07,670 --> 00:48:06,240
i wish people could just you know you

1508
00:48:10,069 --> 00:48:07,680
don't no one's asking him make

1509
00:48:10,870 --> 00:48:10,079
a commitment when these videos come out

1510
00:48:12,309 --> 00:48:10,880
to

1511
00:48:14,069 --> 00:48:12,319
you know believing one thing or the

1512
00:48:16,710 --> 00:48:14,079
other i mean

1513
00:48:17,750 --> 00:48:16,720

why can't people just stay open-minded

1514

00:48:21,670 --> 00:48:17,760

and

1515

00:48:23,589 --> 00:48:21,680

realize that even if some videos or the

1516

00:48:26,950 --> 00:48:23,599

gimbal or tic tac or whatever or

1517

00:48:29,190 --> 00:48:26,960

jeremy's our drones let's say they are

1518

00:48:30,549 --> 00:48:29,200

well that's still a big freaking

1519

00:48:32,710 --> 00:48:30,559

dangerous

1520

00:48:34,630 --> 00:48:32,720

thing yeah that we should be concerned

1521

00:48:36,230 --> 00:48:34,640

about danny was saying almost the same

1522

00:48:37,829 --> 00:48:36,240

that it's

1523

00:48:39,829 --> 00:48:37,839

pretty much sure that some of what we've

1524

00:48:42,230 --> 00:48:39,839

seen are probably drones

1525

00:48:43,589 --> 00:48:42,240

but it all fits into the fact that danny

1526

00:48:45,270 --> 00:48:43,599

was saying the uap

1527

00:48:47,190 --> 00:48:45,280

task force you know we're getting an

1528

00:48:49,349 --> 00:48:47,200

insight into what they're looking into

1529

00:48:50,309 --> 00:48:49,359

and it almost feels like we the public

1530

00:48:52,390 --> 00:48:50,319

are starting to hear

1531

00:48:54,150 --> 00:48:52,400

something from the government you know

1532

00:48:55,829 --> 00:48:54,160

yeah and a lot of these two

1533

00:48:57,430 --> 00:48:55,839

they're getting uh they have a lot more

1534

00:48:59,670 --> 00:48:57,440

intention behind the scenes

1535

00:49:01,510 --> 00:48:59,680

i mean you the video comes out and ufo

1536

00:49:03,190 --> 00:49:01,520

twitter was like that's a plane

1537

00:49:04,790 --> 00:49:03,200

like you don't think they checked the

1538

00:49:05,829 --> 00:49:04,800

flight lines and what's going on in the

1539

00:49:07,670 --> 00:49:05,839

area first

1540

00:49:09,990 --> 00:49:07,680

yeah they put it out like you think ufo

1541

00:49:11,109 --> 00:49:10,000

twitter like and ufo community like they

1542

00:49:12,230 --> 00:49:11,119

just came up with that for the first

1543

00:49:13,910 --> 00:49:12,240

time and no one else

1544

00:49:15,510 --> 00:49:13,920

thought of that already yeah it's

1545

00:49:17,349 --> 00:49:15,520

ridiculous i mean people

1546

00:49:19,270 --> 00:49:17,359

they're they're doing this for a reason

1547

00:49:20,470 --> 00:49:19,280

and um there's a lot more

1548

00:49:22,150 --> 00:49:20,480

and that's frustrating because we don't

1549

00:49:23,589 --> 00:49:22,160

get to see all the data but there's a

1550

00:49:25,030 --> 00:49:23,599

lot more data behind the scenes and they

1551

00:49:27,990 --> 00:49:25,040

are checking these things and

1552

00:49:28,950 --> 00:49:28,000

they're ruling a lot of stuff out and uh

1553

00:49:30,870 --> 00:49:28,960

you know

1554

00:49:33,190 --> 00:49:30,880

it's just i think some of them are ufos

1555

00:49:35,589 --> 00:49:33,200

too a lot of them probably are ufos

1556

00:49:36,390 --> 00:49:35,599

um even if the videos aren't amazing or

1557

00:49:39,349 --> 00:49:36,400

if they're not doing

1558

00:49:40,470 --> 00:49:39,359

amazing right angle turns and um yeah

1559

00:49:43,270 --> 00:49:40,480

people are getting

1560

00:49:44,630 --> 00:49:43,280

frustrated because it's a grainy video

1561

00:49:46,549 --> 00:49:44,640

or it's a flair video

1562

00:49:48,150 --> 00:49:46,559

or it's just a light in the sky but

1563

00:49:50,230 --> 00:49:48,160

we're going to remember that the

1564

00:49:51,430 --> 00:49:50,240

navy has taken this stuff they're taking

1565

00:49:53,270 --> 00:49:51,440

it seriously

1566

00:49:55,589 --> 00:49:53,280

and um sometimes i think people want

1567

00:49:56,549 --> 00:49:55,599

like an alien driving a convertible like

1568

00:49:58,950 --> 00:49:56,559

a sunset

1569

00:50:00,630 --> 00:49:58,960

or something anything less than that

1570

00:50:02,309 --> 00:50:00,640

they're not going to be happy so

1571

00:50:04,309 --> 00:50:02,319

yeah i don't know man this is this is

1572

00:50:05,589 --> 00:50:04,319

the real stuff and uh

1573

00:50:07,510 --> 00:50:05,599

and people still aren't happy with it

1574

00:50:08,470 --> 00:50:07,520

but they just want a hundred percent

1575

00:50:10,549 --> 00:50:08,480

clarity

1576

00:50:11,670 --> 00:50:10,559

it's funny videos and it's just it's i

1577

00:50:12,790 --> 00:50:11,680

don't think it's a reasonable

1578

00:50:15,349 --> 00:50:12,800

expectation

1579

00:50:16,390 --> 00:50:15,359

it is it's funny how bad uh like you

1580

00:50:18,710 --> 00:50:16,400

said an alien

1581

00:50:19,589 --> 00:50:18,720

in a convertible but they don't even

1582

00:50:22,549 --> 00:50:19,599

know what the

1583

00:50:24,150 --> 00:50:22,559

alien would be like so are you sure that

1584

00:50:26,150 --> 00:50:24,160

you want to be asking for that

1585

00:50:28,390 --> 00:50:26,160

like what if it's a cold cut kill or

1586

00:50:30,549 --> 00:50:28,400

something you know like

1587

00:50:31,990 --> 00:50:30,559

i wish i didn't see that it hops out of

1588

00:50:35,670 --> 00:50:32,000

the thing and comes after you

1589

00:50:37,109 --> 00:50:35,680

but you know we just don't it's

1590

00:50:39,270 --> 00:50:37,119

they'll say i think we'd get more

1591

00:50:40,150 --> 00:50:39,280

information if we were more patient not

1592

00:50:42,710 --> 00:50:40,160

so judgmental

1593

00:50:43,910 --> 00:50:42,720

too how can we be more apt to get stuff

1594

00:50:46,230 --> 00:50:43,920

i agree

1595

00:50:47,190 --> 00:50:46,240

and hopefully you know these um negative

1596

00:50:48,870 --> 00:50:47,200

views on

1597

00:50:51,270 --> 00:50:48,880

in the ufo community i don't know how

1598

00:50:53,430 --> 00:50:51,280

much they get out of the ufo community

1599

00:50:54,790 --> 00:50:53,440

you know and when i talk to journalists

1600

00:50:55,510 --> 00:50:54,800

and stuff and they're excited about

1601
00:50:57,829 --> 00:50:55,520
these things

1602
00:50:59,589 --> 00:50:57,839
and um yeah i think we're kind of

1603
00:51:01,430 --> 00:50:59,599
insulated in the community arguing

1604
00:51:02,150 --> 00:51:01,440
amongst ourselves and things like that

1605
00:51:03,349 --> 00:51:02,160
and

1606
00:51:05,109 --> 00:51:03,359
hopefully a lot of that just doesn't

1607
00:51:06,950 --> 00:51:05,119
matter at the end of the day and as long

1608
00:51:11,109 --> 00:51:06,960
as we're getting mainstream uh

1609
00:51:13,589 --> 00:51:11,119
media involved yeah i agree and i think

1610
00:51:15,349 --> 00:51:13,599
i mean it is a problem see seeing every

1611
00:51:17,270 --> 00:51:15,359
day there's a little bit of infighting

1612
00:51:19,030 --> 00:51:17,280
throughout the community on on ufo

1613
00:51:19,670 --> 00:51:19,040

twitter and also on instagram and i

1614

00:51:22,069 --> 00:51:19,680

guess across

1615

00:51:23,670 --> 00:51:22,079

all social media platforms and it's it's

1616

00:51:24,230 --> 00:51:23,680

slightly disheartening i guess it comes

1617

00:51:25,829 --> 00:51:24,240

with the

1618

00:51:27,510 --> 00:51:25,839

the nature of what the discussion is

1619

00:51:29,430 --> 00:51:27,520

everyone has different opinions

1620

00:51:31,190 --> 00:51:29,440

it just comes with social media man like

1621

00:51:31,750 --> 00:51:31,200

yeah in general quilting quilting

1622

00:51:34,230 --> 00:51:31,760

twitter

1623

00:51:36,549 --> 00:51:34,240

is going to be arguing any any version

1624

00:51:38,710 --> 00:51:36,559

of twitter you go on i'm on the uh

1625

00:51:39,670 --> 00:51:38,720

stocks trading you know they all hate

1626

00:51:41,750 --> 00:51:39,680

each other

1627

00:51:43,190 --> 00:51:41,760

um but you know it could be like

1628

00:51:45,430 --> 00:51:43,200

miniature golf twitter and they're going

1629

00:51:46,710 --> 00:51:45,440

to be arguing

1630

00:51:48,829 --> 00:51:46,720

giving each other death threats and

1631

00:51:51,190 --> 00:51:48,839

stuff it's a part two buddy

1632

00:51:53,109 --> 00:51:51,200

yeah just the it's just social media man

1633

00:51:55,030 --> 00:51:53,119

it brings up the worst in people

1634

00:51:57,109 --> 00:51:55,040

i've been doing some of the uh twitter

1635

00:52:00,309 --> 00:51:57,119

spaces where we speak

1636

00:52:02,549 --> 00:52:00,319

they are incredible man

1637

00:52:04,549 --> 00:52:02,559

you guys both talk to people directly

1638

00:52:06,470 --> 00:52:04,559

and it's interesting how

1639

00:52:07,910 --> 00:52:06,480

human nature gets involved when people

1640

00:52:10,549 --> 00:52:07,920

are speaking when you hear

1641

00:52:11,190 --> 00:52:10,559

each other's voices see each other's

1642

00:52:13,589 --> 00:52:11,200

faces

1643

00:52:14,230 --> 00:52:13,599

people become cooler and nicer yeah just

1644

00:52:17,270 --> 00:52:14,240

something about

1645

00:52:18,950 --> 00:52:17,280

typing over a keyboard that just makes

1646

00:52:20,549 --> 00:52:18,960

people like hate each other but

1647

00:52:23,430 --> 00:52:20,559

i think the more human interaction we

1648

00:52:24,790 --> 00:52:23,440

get the better and i think um

1649

00:52:26,230 --> 00:52:24,800

even some of these conferences and i'm

1650

00:52:27,270 --> 00:52:26,240

not a fan of some of the conferences

1651

00:52:29,829 --> 00:52:27,280

because there's a lot of

1652

00:52:31,589 --> 00:52:29,839

bad information but i think people when

1653

00:52:33,510 --> 00:52:31,599

they're able to meet each other

1654

00:52:34,630 --> 00:52:33,520

it goes a long way as far as just uh

1655

00:52:37,270 --> 00:52:34,640

being cordial

1656

00:52:38,870 --> 00:52:37,280

and um being nice yeah i think a lot of

1657

00:52:39,829 --> 00:52:38,880

the worst about it too i fight i fight

1658

00:52:42,069 --> 00:52:39,839

as much as anyone

1659

00:52:43,030 --> 00:52:42,079

yeah i've learned a lot i've tried to

1660

00:52:45,430 --> 00:52:43,040

stop

1661

00:52:46,549 --> 00:52:45,440

um doing it but uh i've argued with

1662

00:52:49,349 --> 00:52:46,559

people over the years

1663

00:52:51,030 --> 00:52:49,359

you know um i've been blocked by people

1664

00:52:53,829 --> 00:52:51,040

for sticking up with for lou

1665

00:52:54,710 --> 00:52:53,839

people that were sitting on lou for

1666

00:52:57,589 --> 00:52:54,720

years

1667

00:52:58,150 --> 00:52:57,599

they like lou and they're friends with

1668

00:52:59,670 --> 00:52:58,160

them

1669

00:53:01,430 --> 00:52:59,680

but they still have me blocked i'm like

1670

00:53:02,950 --> 00:53:01,440

all right man i know what you're talking

1671

00:53:04,470 --> 00:53:02,960

about yeah there's tons of people

1672

00:53:06,150 --> 00:53:04,480

like this it's crazy this is gonna be

1673

00:53:06,950 --> 00:53:06,160

special probably i'm just gonna give a

1674

00:53:09,190 --> 00:53:06,960

quick shout out

1675

00:53:11,030 --> 00:53:09,200

to the observation deck uh thank you for

1676

00:53:12,390 --> 00:53:11,040

the kind words um and guys

1677

00:53:13,589 --> 00:53:12,400

we are gonna be doing some work together

1678

00:53:16,870 --> 00:53:13,599

in a couple of weeks time the

1679

00:53:19,030 --> 00:53:16,880

information will come out soon

1680

00:53:20,309 --> 00:53:19,040

thank you observation deck thank you for

1681

00:53:23,349 --> 00:53:20,319

being here all right will they be

1682

00:53:25,430 --> 00:53:23,359

observing you or vice versa oh

1683

00:53:27,109 --> 00:53:25,440

they'll be like different angles of

1684

00:53:30,309 --> 00:53:27,119

observation

1685

00:53:33,030 --> 00:53:30,319

very interesting will it be on a deck

1686

00:53:34,549 --> 00:53:33,040

yeah it's in that virtual convenience

1687

00:53:36,390 --> 00:53:34,559

well

1688

00:53:38,069 --> 00:53:36,400

that's when i first met danny i walked

1689

00:53:40,790 --> 00:53:38,079

up to him in my virtual

1690

00:53:44,069 --> 00:53:40,800

suit cowboy hit in bolo time said hey

1691

00:53:47,349 --> 00:53:44,079

you want to do an interview with me

1692

00:53:48,390 --> 00:53:47,359

he's like yeah call me out dude it was

1693

00:53:50,230 --> 00:53:48,400

funny

1694

00:53:51,589 --> 00:53:50,240

a weird world it's totally cool that

1695

00:53:55,109 --> 00:53:51,599

they're doing that and

1696

00:53:57,109 --> 00:53:55,119

you know giving that space

1697

00:53:59,670 --> 00:53:57,119

for this kind of stuff all right it's

1698

00:54:02,710 --> 00:53:59,680

awesome man i i missed out on the um

1699

00:54:04,150 --> 00:54:02,720

the thing that lou and dolan did i

1700

00:54:05,829 --> 00:54:04,160

couldn't make it but then i connected

1701

00:54:07,349 --> 00:54:05,839

with the observation deck and

1702

00:54:09,109 --> 00:54:07,359

i've been in there and they gave me the

1703

00:54:10,630 --> 00:54:09,119

tour and now we're going to be doing

1704

00:54:12,230 --> 00:54:10,640

some work together i'm so

1705

00:54:14,390 --> 00:54:12,240

hyped for that kind of platform for the

1706

00:54:16,230 --> 00:54:14,400

future of what they can do for this

1707

00:54:18,950 --> 00:54:16,240

subject bringing people together

1708

00:54:19,510 --> 00:54:18,960

i think it's incredible man it's like a

1709

00:54:23,190 --> 00:54:19,520

fun

1710

00:54:25,670 --> 00:54:23,200

cool video game yeah exactly the

1711

00:54:26,790 --> 00:54:25,680

the full disclosure one of the funniest

1712

00:54:29,750 --> 00:54:26,800

parts to me

1713

00:54:30,470 --> 00:54:29,760

um about being there was uh there was a

1714

00:54:34,150 --> 00:54:30,480

person there

1715

00:54:37,589 --> 00:54:34,160

named mike west

1716

00:54:41,030 --> 00:54:39,109

i yeah right up to him and i was like

1717

00:54:44,390 --> 00:54:41,040

hey are you mick mick

1718

00:54:46,549 --> 00:54:44,400

hey hello

1719

00:54:48,230 --> 00:54:46,559

he wasn't saying anything hey maybe

1720

00:54:49,270 --> 00:54:48,240

maybe that was his polite ploy just

1721

00:54:51,109 --> 00:54:49,280

change the name and be

1722

00:54:53,109 --> 00:54:51,119

be subtle and not say anything and you

1723

00:54:54,870 --> 00:54:53,119

can get away with it yeah whatever

1724

00:54:56,710 --> 00:54:54,880

it was any problem he probably wouldn't

1725

00:54:58,789 --> 00:54:56,720

even use that name at all

1726

00:54:59,910 --> 00:54:58,799

didn't you do like a young guns thing

1727

00:55:01,990 --> 00:54:59,920

there or something

1728

00:55:03,430 --> 00:55:02,000

yeah we had the young guys um panel

1729

00:55:06,870 --> 00:55:03,440

interview

1730

00:55:09,109 --> 00:55:06,880

during the richard dolan lou uh

1731

00:55:10,549 --> 00:55:09,119

um conference virtual conference richard

1732

00:55:13,030 --> 00:55:10,559

dylan was nice enough

1733

00:55:14,549 --> 00:55:13,040

to invite us it was cool because uh you

1734

00:55:15,510 --> 00:55:14,559

know we want to be invited to more of

1735

00:55:17,349 --> 00:55:15,520

these things

1736

00:55:19,510 --> 00:55:17,359

yeah we don't always get invited it

1737

00:55:21,109 --> 00:55:19,520

seems like it's the same people that

1738

00:55:22,470 --> 00:55:21,119

have been doing the conferences for like

1739

00:55:24,390 --> 00:55:22,480

15 years

1740

00:55:25,589 --> 00:55:24,400

and uh it's cool to be invited it was an

1741

00:55:28,390 --> 00:55:25,599

honor and

1742

00:55:29,670 --> 00:55:28,400

hopefully we'll do more and people might

1743

00:55:32,230 --> 00:55:29,680

be in trouble if

1744

00:55:34,150 --> 00:55:32,240

some of the young guns or newer people

1745

00:55:36,390 --> 00:55:34,160

start doing conferences more

1746

00:55:37,349 --> 00:55:36,400

um thinking we should put our own

1747

00:55:40,470 --> 00:55:37,359

together

1748

00:55:41,829 --> 00:55:40,480

some of the lessons might be uh you know

1749

00:55:43,829 --> 00:55:41,839

might get pushed out a little bit maybe

1750

00:55:45,589 --> 00:55:43,839

that's what they're afraid of but uh

1751
00:55:51,230 --> 00:55:45,599
it is hard for everyone to get on a

1752
00:55:54,069 --> 00:55:52,710
[Music]

1753
00:55:56,069 --> 00:55:54,079
there's people in the chat asking about

1754
00:55:57,190 --> 00:55:56,079
it i will update the description of this

1755
00:55:59,430 --> 00:55:57,200
video

1756
00:56:01,109 --> 00:55:59,440
probably tomorrow sorry and i'll stick

1757
00:56:01,990 --> 00:56:01,119
the observation deck details in there as

1758
00:56:03,990 --> 00:56:02,000
well and that is

1759
00:56:05,510 --> 00:56:04,000
guys that's such a good idea nothing

1760
00:56:07,750 --> 00:56:05,520
stopping us from meeting up on that

1761
00:56:09,510 --> 00:56:07,760
awesome platform people have saying they

1762
00:56:10,789 --> 00:56:09,520
wanted a young guns conference for like

1763
00:56:14,230 --> 00:56:10,799

years and before

1764

00:56:15,910 --> 00:56:14,240

years the travel aspect is hard but if

1765

00:56:17,430 --> 00:56:15,920

it's virtual it does make it a lot

1766

00:56:18,309 --> 00:56:17,440

easier yeah especially for people like

1767

00:56:20,069 --> 00:56:18,319

me and a lot of

1768

00:56:22,390 --> 00:56:20,079

people i know here over in the uk we

1769

00:56:25,829 --> 00:56:22,400

can't just jump on a plane and spend

1770

00:56:33,589 --> 00:56:25,839

two one two thousand bucks flying across

1771

00:56:38,789 --> 00:56:35,349

if you saw what was on the other side of

1772

00:56:45,030 --> 00:56:40,069

you don't want to see behind this green

1773

00:56:48,309 --> 00:56:45,040

screen trust me oh i know

1774

00:56:50,390 --> 00:56:48,319

oh man um yeah yeah i'm trying to get uh

1775

00:56:51,960 --> 00:56:50,400

mr george knapp on my show can you

1776

00:56:54,710 --> 00:56:51,970

bro i've given up

1777

00:56:56,549 --> 00:56:54,720

[Laughter]

1778

00:56:57,990 --> 00:56:56,559

george hasn't been doing enough as many

1779

00:57:00,549 --> 00:56:58,000

interviews but yeah he's a great

1780

00:57:01,270 --> 00:57:00,559

interview yeah i hope you get him and uh

1781

00:57:03,829 --> 00:57:01,280

he's funny

1782

00:57:04,870 --> 00:57:03,839

he's the legend man right there yeah

1783

00:57:07,670 --> 00:57:04,880

he's a great

1784

00:57:09,910 --> 00:57:07,680

speaker i want him to do more interviews

1785

00:57:11,829 --> 00:57:09,920

um on mainstream media but he uh

1786

00:57:13,670 --> 00:57:11,839

we get to see him on his own channel so

1787

00:57:15,109 --> 00:57:13,680

i think that's part of the reason why

1788

00:57:16,710 --> 00:57:15,119

he isn't always doing the other channels

1789

00:57:19,430 --> 00:57:16,720

because he's signed to a deal

1790

00:57:20,789 --> 00:57:19,440

with klas yeah but i think he kills it

1791

00:57:23,589 --> 00:57:20,799

on klas

1792

00:57:24,309 --> 00:57:23,599

how cool is it and when no no other

1793

00:57:25,990 --> 00:57:24,319

media guy

1794

00:57:28,309 --> 00:57:26,000

was covering these stories george was

1795

00:57:30,470 --> 00:57:28,319

for years and years and we owe him a lot

1796

00:57:33,270 --> 00:57:30,480

the ufo community owes him so much

1797

00:57:34,470 --> 00:57:33,280

and i think it was the whole him

1798

00:57:37,750 --> 00:57:34,480

facilitating

1799

00:57:38,470 --> 00:57:37,760

harry reid um to the conference with

1800

00:57:41,270 --> 00:57:38,480

bigelow

1801

00:57:43,349 --> 00:57:41,280

that everything happened he's

1802

00:57:45,510 --> 00:57:43,359

intertwined with history man it's like

1803

00:57:46,390 --> 00:57:45,520

you take one of these guys out maybe

1804

00:57:48,630 --> 00:57:46,400

things wouldn't have

1805

00:57:49,990 --> 00:57:48,640

occurred maybe we maybe where we're at

1806

00:57:52,630 --> 00:57:50,000

right now it wouldn't have happened if

1807

00:57:55,349 --> 00:57:52,640

you took one of these pieces out

1808

00:57:56,309 --> 00:57:55,359

of the dominoes you know and um we never

1809

00:57:58,549 --> 00:57:56,319

know but we got

1810

00:57:59,910 --> 00:57:58,559

it's history we got walking history with

1811

00:58:01,910 --> 00:57:59,920

a lot of these guys

1812

00:58:03,670 --> 00:58:01,920

yeah we're really lucky to have them

1813

00:58:05,510 --> 00:58:03,680

yeah here we go look guys observation

1814

00:58:07,190 --> 00:58:05,520

deck we are organizing a conference for

1815

00:58:10,470 --> 00:58:07,200

all those newer to the field

1816

00:58:11,430 --> 00:58:10,480

it's coming in september that's what we

1817

00:58:14,309 --> 00:58:11,440

want to hear man

1818

00:58:16,309 --> 00:58:14,319

so nice observation deck you got my

1819

00:58:18,630 --> 00:58:16,319

details let me let's get involved

1820

00:58:22,470 --> 00:58:18,640

yeah but we want to do our own thing the

1821

00:58:23,910 --> 00:58:22,480

way we want to do it i'm sure they'll

1822

00:58:26,630 --> 00:58:23,920

give us an hour two or

1823

00:58:27,990 --> 00:58:26,640

two we'll do it on the beach in the

1824

00:58:31,030 --> 00:58:28,000

observation deck

1825

00:58:32,870 --> 00:58:31,040

all right yeah uh yeah another thing

1826

00:58:35,190 --> 00:58:32,880

about that is i went into the uh

1827

00:58:36,150 --> 00:58:35,200

they have this piano room oh i didn't

1828

00:58:39,109 --> 00:58:36,160

see that

1829

00:58:40,230 --> 00:58:39,119

yeah and uh but you can't play it uh but

1830

00:58:41,270 --> 00:58:40,240

nobody was in there

1831

00:58:43,829 --> 00:58:41,280

and you have to have like your

1832

00:58:45,349 --> 00:58:43,839

microphone set up and stuff you know to

1833

00:58:47,510 --> 00:58:45,359

be in there so you can talk

1834

00:58:49,430 --> 00:58:47,520

yeah well i had my guitar so i was just

1835

00:58:50,309 --> 00:58:49,440

in the piano room singing and playing

1836

00:58:52,630 --> 00:58:50,319

guitar

1837

00:58:54,789 --> 00:58:52,640

and nobody was nobody was in there and i

1838

00:58:56,710 --> 00:58:54,799

think i heard one person say

1839

00:58:58,470 --> 00:58:56,720

uh can you stop that so i can hear this

1840

00:59:00,789 --> 00:58:58,480

person talk

1841

00:59:01,990 --> 00:59:00,799

that's crazy i was like i wasn't sure if

1842

00:59:04,150 --> 00:59:02,000

you could hear me or not

1843

00:59:05,589 --> 00:59:04,160

okay i'm done hey danny just like when

1844

00:59:06,870 --> 00:59:05,599

we first started this conversation you

1845

00:59:08,230 --> 00:59:06,880

were talking about your like history and

1846

00:59:11,270 --> 00:59:08,240

beats with hip-hop and stuff

1847

00:59:13,990 --> 00:59:11,280

do you still make beats i do not as much

1848

00:59:14,549 --> 00:59:14,000

you know i'm so busy now i'm doing day

1849

00:59:16,789 --> 00:59:14,559

jobs

1850

00:59:18,470 --> 00:59:16,799

and then the ufo stuff but yeah i still

1851

00:59:22,870 --> 00:59:18,480

make beats and i'm still

1852

00:59:24,789 --> 00:59:22,880

i still got it but i haven't been um

1853

00:59:26,710 --> 00:59:24,799

sending them out to people and uh

1854

00:59:28,069 --> 00:59:26,720

killing myself over it because i spent a

1855

00:59:29,829 --> 00:59:28,079

lot of years just yeah

1856

00:59:35,349 --> 00:59:29,839

myself over music like people would be

1857

00:59:39,829 --> 00:59:38,069

i had famous people asking me for uh b

1858

00:59:41,829 --> 00:59:39,839

tapes and i had to turn in you know b

1859

00:59:44,549 --> 00:59:41,839

tape every two weeks

1860

00:59:45,190 --> 00:59:44,559

i had like those um that on my back and

1861

00:59:47,589 --> 00:59:45,200

i was

1862

00:59:49,109 --> 00:59:47,599

i neglected my life you know after a lot

1863

00:59:49,349 --> 00:59:49,119

of years honestly i'm not doing yeah i

1864

00:59:52,630 --> 00:59:49,359

know

1865

00:59:55,430 --> 00:59:52,640

anymore um because

1866

00:59:57,430 --> 00:59:55,440

it's crazy you know i'll you sell one

1867

00:59:57,990 --> 00:59:57,440

beat and let's say you get 1 000 bucks

1868

00:59:59,510 --> 00:59:58,000

or 2

1869

01:00:01,430 --> 00:59:59,520

000 and that's like the greatest thing

1870

01:00:02,150 --> 01:00:01,440

ever but like that's not a lot of money

1871

01:00:05,030 --> 01:00:02,160

man

1872

01:00:06,630 --> 01:00:05,040

no you can trade some stocks for six

1873

01:00:08,150 --> 01:00:06,640

months and like i've already made more

1874

01:00:10,630 --> 01:00:08,160

money off of the stock market

1875

01:00:12,230 --> 01:00:10,640

than i ever did making music and i spent

1876

01:00:13,829 --> 01:00:12,240

decades of my life on music but it's

1877

01:00:16,950 --> 01:00:13,839

just you do it for the love

1878

01:00:17,910 --> 01:00:16,960

yeah but i feel like it it hurts your

1879

01:00:20,150 --> 01:00:17,920

life and

1880

01:00:21,589 --> 01:00:20,160

really honestly man the ufo stuff does

1881

01:00:24,309 --> 01:00:21,599

too because it's like

1882

01:00:25,670 --> 01:00:24,319

we put so much into this yeah i just

1883

01:00:27,109 --> 01:00:25,680

switched

1884

01:00:29,190 --> 01:00:27,119

like we're like neglecting our

1885

01:00:31,109 --> 01:00:29,200

well-being but we can't

1886

01:00:32,390 --> 01:00:31,119

tell you about it yeah we believe in

1887

01:00:34,150 --> 01:00:32,400

this cause and

1888

01:00:36,309 --> 01:00:34,160

helping the world and it is a lot of fun

1889

01:00:37,430 --> 01:00:36,319

too you can't take the fun out of it but

1890

01:00:38,630 --> 01:00:37,440

um

1891

01:00:40,309 --> 01:00:38,640

yeah in a lot of ways we're just like

1892

01:00:42,309 --> 01:00:40,319

neglecting our well-being and our

1893

01:00:44,309 --> 01:00:42,319

financial security and we're just like

1894

01:00:46,390 --> 01:00:44,319

putting all this energy into this and

1895

01:00:48,069 --> 01:00:46,400

it's like yeah i've been uh

1896

01:00:49,430 --> 01:00:48,079

cursed with that my whole life i mean if

1897

01:00:51,270 --> 01:00:49,440

i'm not doing music

1898

01:00:54,309 --> 01:00:51,280

then i'm doing something else that

1899

01:00:58,390 --> 01:00:56,390

do i care about retiring ever because

1900

01:01:01,109 --> 01:00:58,400

i'm good

1901

01:01:01,670 --> 01:01:01,119

it's me too a team man i swear to god me

1902

01:01:03,910 --> 01:01:01,680

too bro

1903

01:01:05,190 --> 01:01:03,920

like it's 8 30 p.m here right now i

1904

01:01:06,950 --> 01:01:05,200

should be sat with my other half

1905

01:01:07,430 --> 01:01:06,960

watching a movie my daughter's in bed

1906

01:01:11,190 --> 01:01:07,440

but

1907

01:01:11,200 --> 01:01:19,510

[Music]

1908

01:01:22,950 --> 01:01:21,589

yeah we have all this cool excitement so

1909

01:01:23,430 --> 01:01:22,960

there's something to be said for it but

1910

01:01:25,430 --> 01:01:23,440

uh

1911

01:01:28,789 --> 01:01:25,440

yeah but we're also neglecting things

1912

01:01:31,190 --> 01:01:29,990

did you ever have an outlet for your

1913

01:01:32,470 --> 01:01:31,200

beats where the public can hear them

1914

01:01:34,150 --> 01:01:32,480

because i'd be super interested in

1915

01:01:34,870 --> 01:01:34,160

hearing i did a couple placements i had

1916

01:01:37,990 --> 01:01:34,880

a placement

1917

01:01:40,789 --> 01:01:38,000

with a guy named domogenesis who was in

1918

01:01:42,549 --> 01:01:40,799

odd future and it was featuring anderson

1919

01:01:44,549 --> 01:01:42,559

pack he was pretty famous now

1920

01:01:45,750 --> 01:01:44,559

i know anderson pack real well yeah yeah

1921

01:01:48,870 --> 01:01:45,760

and it's called dapper

1922

01:01:51,190 --> 01:01:48,880

um i did that along the side

1923

01:01:53,190 --> 01:01:51,200

that was my biggest claim to fame i

1924

01:01:53,990 --> 01:01:53,200

worked on a snoop dogg song called la

1925

01:01:56,230 --> 01:01:54,000

here's to you

1926

01:01:58,390 --> 01:01:56,240

ah for some reason i pegged you as a 90s

1927

01:02:00,230 --> 01:01:58,400

rap b.i.g kind of guy

1928

01:02:02,069 --> 01:02:00,240

right you got to check it out on twitter

1929

01:02:03,829 --> 01:02:02,079

i keep saying mob deep cropping up and

1930

01:02:04,710 --> 01:02:03,839

stuff when danny's talking man i'm like

1931

01:02:06,870 --> 01:02:04,720

oh yeah

1932

01:02:08,069 --> 01:02:06,880

man sometimes i just want to like west

1933

01:02:11,270 --> 01:02:08,079

coast

1934

01:02:13,430 --> 01:02:11,280

dude let's do it i'll start doing it

1935

01:02:15,190 --> 01:02:13,440

i bet half of ufo twitter will start

1936

01:02:17,109 --> 01:02:15,200

doing it because that was my life man

1937

01:02:18,870 --> 01:02:17,119

yeah well but the la here's to you i

1938

01:02:20,710 --> 01:02:18,880

came up with the chorus sample

1939

01:02:22,549 --> 01:02:20,720

um i didn't make the beat itself but if

1940

01:02:24,789 --> 01:02:22,559

you listen to it there's a chorus sample

1941

01:02:28,630 --> 01:02:24,799

from johnny taylor and that was my idea

1942

01:02:31,270 --> 01:02:28,640

i had submitted it to dr dre for detox

1943

01:02:32,710 --> 01:02:31,280

i worked for years on detox with dr dre

1944

01:02:34,789 --> 01:02:32,720

i never actually talked to him

1945

01:02:36,390 --> 01:02:34,799

i talked to people on his label and

1946

01:02:36,789 --> 01:02:36,400

nothing came of it and it was a lot of

1947

01:02:39,670 --> 01:02:36,799

work

1948

01:02:40,630 --> 01:02:39,680

but i had i amassed this huge catalog of

1949

01:02:43,109 --> 01:02:40,640

beats

1950

01:02:43,829 --> 01:02:43,119

um at the time and i worked no way yeah

1951

01:02:46,390 --> 01:02:43,839

because that was

1952

01:02:51,589 --> 01:02:46,400

years in the years talking about it

1953

01:02:55,990 --> 01:02:53,589

it's hard like you know they i was

1954

01:02:58,789 --> 01:02:56,000

hearing that because dr dre made

1955

01:03:00,150 --> 01:02:58,799

detox songs off of some of my ideas and

1956

01:03:01,510 --> 01:03:00,160

i was like okay today's the day he's

1957

01:03:03,109 --> 01:03:01,520

gonna call me and they're

1958

01:03:04,630 --> 01:03:03,119

going to release it and my life's going

1959

01:03:06,069 --> 01:03:04,640

to change and it's just hard

1960

01:03:07,670 --> 01:03:06,079

you know when it doesn't happen when

1961

01:03:10,309 --> 01:03:07,680

you're hard but uh

1962

01:03:11,589 --> 01:03:10,319

there's a lot of dr dre songs from that

1963

01:03:14,710 --> 01:03:11,599

era

1964

01:03:17,109 --> 01:03:14,720

or at least a handful that i had

1965

01:03:18,630 --> 01:03:17,119

influence on and um i haven't heard a

1966

01:03:21,109 --> 01:03:18,640

lot of the finished versions

1967

01:03:22,230 --> 01:03:21,119

right i have i have i have some leaks on

1968

01:03:25,270 --> 01:03:22,240

the detox stuff

1969

01:03:27,750 --> 01:03:25,280

wow never come out i haven't seen

1970

01:03:29,190 --> 01:03:27,760

milller i did a slime with mac miller and

1971

01:03:30,069 --> 01:03:29,200

it's never came out and of course he

1972

01:03:31,430 --> 01:03:30,079

passed away

1973

01:03:33,109 --> 01:03:31,440

yeah i don't know if that's going to

1974

01:03:34,150 --> 01:03:33,119

come out or not i mean i could leak it

1975

01:03:37,670 --> 01:03:34,160

if i wanted to

1976

01:03:39,190 --> 01:03:37,680

because i have his vocals but if i do

1977

01:03:39,910 --> 01:03:39,200

that i'm kind of shooting myself in the

1978

01:03:42,069 --> 01:03:39,920

foot

1979

01:03:57,029 --> 01:03:42,079

if it ever comes out or not yeah it's

1980

01:04:01,510 --> 01:03:59,990

um yeah you know it was uh it was an

1981

01:04:03,109 --> 01:04:01,520

experience that's for sure and

1982

01:04:04,870 --> 01:04:03,119

i have a funk song i did with a guy

1983

01:04:06,630 --> 01:04:04,880

named zacky force funk that's out there

1984

01:04:09,829 --> 01:04:06,640

it's called party fire

1985

01:04:12,870 --> 01:04:09,839

um i've had music stolen that got

1986

01:04:15,990 --> 01:04:12,880

later got released and uh yeah i've been

1987

01:04:19,190 --> 01:04:18,470

steve kayla i'm just going to set my ce5

1988

01:04:22,150 --> 01:04:19,200

app fee

1989

01:04:24,390 --> 01:04:22,160

right here hey thank you steve hey man

1990

01:04:25,990 --> 01:04:24,400

okay he's never given me any money

1991

01:04:27,589 --> 01:04:26,000

that means a lot man thank you so much

1992

01:04:29,349 --> 01:04:27,599

and yeah guys i'm sorry this is

1993

01:04:30,710 --> 01:04:29,359

a bit of a hip-hop chat but you know

1994

01:04:32,549 --> 01:04:30,720

it's not every day you get to speak to

1995

01:04:33,910 --> 01:04:32,559

danny silver and shoot the [h__h] about

1996

01:04:34,630 --> 01:04:33,920

something that i was passionate about

1997

01:04:37,670 --> 01:04:34,640

for

1998

01:04:39,029 --> 01:04:37,680

30 odd years you know so no i'm not

1999

01:04:43,270 --> 01:04:39,039

sorry

2000

01:04:46,069 --> 01:04:43,280

in-laws are coming over

2001
01:04:47,430 --> 01:04:46,079
so no worries man thanks for jumping in

2002
01:04:49,430 --> 01:04:47,440
man i appreciate it we'll

2003
01:04:51,029 --> 01:04:49,440
we're gonna do it shall we announce

2004
01:04:54,069 --> 01:04:51,039
tomorrow sure yeah

2005
01:04:54,789 --> 01:04:54,079
yeah yeah so guys um you do it shawn

2006
01:04:56,390 --> 01:04:54,799
cause it's on youtube

2007
01:04:58,150 --> 01:04:56,400
sure we're just gonna have a show

2008
01:05:00,069 --> 01:04:58,160
tomorrow on my channel

2009
01:05:01,910 --> 01:05:00,079
um just to go over this week's

2010
01:05:02,390 --> 01:05:01,920
interviews i feel like i've i've just

2011
01:05:06,870 --> 01:05:02,400
had

2012
01:05:09,990 --> 01:05:06,880
so many so fast yeah and it's over

2013
01:05:11,430 --> 01:05:10,000

same um yeah so we're going to kind of

2014

01:05:14,150 --> 01:05:11,440

just go over

2015

01:05:15,029 --> 01:05:14,160

you know just thoughts or on how that

2016

01:05:18,390 --> 01:05:15,039

went and

2017

01:05:20,829 --> 01:05:18,400

and talk about it so um yeah join us

2018

01:05:24,870 --> 01:05:20,839

it's on my page not his page

2019

01:05:26,549 --> 01:05:24,880

yeah witnesses later ready tomorrow

2020

01:05:28,150 --> 01:05:26,559

and we'll promote it so you guys get to

2021

01:05:30,710 --> 01:05:28,160

see it come and hang out and stuff

2022

01:05:32,150 --> 01:05:30,720

that'd be awesome yeah so hopefully max

2023

01:05:36,789 --> 01:05:32,160

will show up and

2024

01:05:37,910 --> 01:05:36,799

time yeah all right guys danny good to

2025

01:05:39,829 --> 01:05:37,920

see you again

2026

01:05:41,670 --> 01:05:39,839

thanks i appreciate it man yeah thanks

2027

01:05:43,109 --> 01:05:41,680

very nice words see you vinnie we'll see

2028

01:05:46,789 --> 01:05:43,119

you tomorrow see you tomorrow bro

2029

01:05:48,150 --> 01:05:46,799

take care man pete oh man

2030

01:05:49,829 --> 01:05:48,160

danny thank you unless there's anything

2031

01:05:51,430 --> 01:05:49,839

else you want to say man i'll i won't

2032

01:05:52,230 --> 01:05:51,440

keep you any longer man i appreciate

2033

01:05:54,230 --> 01:05:52,240

your time

2034

01:05:56,150 --> 01:05:54,240

very much man it means the world it

2035

01:05:57,349 --> 01:05:56,160

really does yeah you're doing a good job

2036

01:05:58,870 --> 01:05:57,359

on instagram man

2037

01:06:00,710 --> 01:05:58,880

a lot of us are forgetting it and been

2038

01:06:02,150 --> 01:06:00,720

focusing on twitter and instagram

2039

01:06:04,309 --> 01:06:02,160

has more of the youth and that's

2040

01:06:06,470 --> 01:06:04,319

important people are on tick tock and

2041

01:06:07,829 --> 01:06:06,480

other places it's not just twitter hey

2042

01:06:10,470 --> 01:06:07,839

man thank you so much

2043

01:06:12,069 --> 01:06:10,480

yeah and uh i don't know i think um the

2044

01:06:12,630 --> 01:06:12,079

ufo community we've had a great year so

2045

01:06:15,270 --> 01:06:12,640

far

2046

01:06:16,630 --> 01:06:15,280

yes had a great four years and it's just

2047

01:06:17,190 --> 01:06:16,640

there's a lot to be happy about there's

2048

01:06:20,069 --> 01:06:17,200

been a lot of

2049

01:06:21,349 --> 01:06:20,079

movement in a way everyone is spoiled

2050

01:06:24,309 --> 01:06:21,359

because it wasn't like this

2051

01:06:26,630 --> 01:06:24,319

um before 2017 there was even times

2052

01:06:27,990 --> 01:06:26,640

after 2017 when it wasn't like this

2053

01:06:30,150 --> 01:06:28,000

so people should be pretty happy about

2054

01:06:31,990 --> 01:06:30,160

what's going on and uh

2055

01:06:33,510 --> 01:06:32,000

things are changing so i'll just leave

2056

01:06:35,589 --> 01:06:33,520

it at that hey man

2057

01:06:37,029 --> 01:06:35,599

thank you so much and i know your voice

2058

01:06:38,150 --> 01:06:37,039

is

2059

01:06:39,750 --> 01:06:38,160

you know it's been one of the best for

2060

01:06:40,950 --> 01:06:39,760

some time now and like i said i

2061

01:06:42,470 --> 01:06:40,960

appreciate just being

2062

01:06:44,390 --> 01:06:42,480

given the opportunity to speak to you so

2063

01:06:46,230 --> 01:06:44,400

thank you so much man and i hope that we

2064

01:06:47,589 --> 01:06:46,240

can speak again in a few months time and

2065

01:06:49,670 --> 01:06:47,599

and have even better things to talk

2066

01:06:51,029 --> 01:06:49,680

about you know sure dude any time

2067

01:06:53,109 --> 01:06:51,039

appreciate it thank you so much you take

2068

01:06:56,710 --> 01:06:53,119

care man and have a good day

2069

01:07:00,309 --> 01:06:56,720

you too thanks cheers see you later

2070

01:07:02,069 --> 01:07:00,319

oh guys that was awesome man

2071

01:07:03,990 --> 01:07:02,079

thank you guys for the super chats thank

2072

01:07:05,190 --> 01:07:04,000

you for everyone in the comments in the

2073

01:07:06,549 --> 01:07:05,200

chat in general

2074

01:07:08,470 --> 01:07:06,559

thank you to the observation deck for

2075

01:07:10,230 --> 01:07:08,480

jumping in because we have got some

2076

01:07:13,510 --> 01:07:10,240

stuff in the works it's going to be

2077

01:07:15,109 --> 01:07:13,520

announced soon hopefully um

2078

01:07:17,270 --> 01:07:15,119

i will be adding the observation date

2079

01:07:18,230 --> 01:07:17,280

details to the description on this video

2080

01:07:20,390 --> 01:07:18,240

because it is

2081

01:07:22,150 --> 01:07:20,400

incredible uh it's something you need to

2082

01:07:22,789 --> 01:07:22,160

sign up for there are free trials and

2083

01:07:25,109 --> 01:07:22,799

stuff so

2084

01:07:26,470 --> 01:07:25,119

don't all panic about worrying about

2085

01:07:27,750 --> 01:07:26,480

spending money straight away

2086

01:07:30,230 --> 01:07:27,760

you know and then once you're in there

2087

01:07:31,670 --> 01:07:30,240

you can explore this virtual campus and

2088

01:07:33,829 --> 01:07:31,680

you can have access to all sorts of

2089

01:07:35,349 --> 01:07:33,839

stuff it i i cannot sing its praises

2090

01:07:37,029 --> 01:07:35,359

enough so you'll be you'll be just as

2091

01:07:39,910 --> 01:07:37,039

impressed as i was so

2092

01:07:42,549 --> 01:07:39,920

um yeah thank you to i see some regular

2093

01:07:43,349 --> 01:07:42,559

faces i see some people from instagram

2094

01:07:44,870 --> 01:07:43,359

and that but

2095

01:07:46,870 --> 01:07:44,880

i appreciate literally every single one

2096

01:07:49,190 --> 01:07:46,880

of you whether you're new old from

2097

01:07:50,549 --> 01:07:49,200

youtube twitter instagram i literally

2098

01:07:51,349 --> 01:07:50,559

appreciate every single one of you

2099

01:07:53,270 --> 01:07:51,359

because

2100

01:07:54,630 --> 01:07:53,280

i love doing this and just seeing all

2101
01:07:57,510 --> 01:07:54,640
the positivity and the

2102
01:07:59,430 --> 01:07:57,520
support keeps me going so guys thank you

2103
01:08:00,789 --> 01:07:59,440
so much i am going to be jumping on

2104
01:08:03,430 --> 01:08:00,799
instagram live

2105
01:08:05,109 --> 01:08:03,440
over on my page disclosure team if you

2106
01:08:05,430 --> 01:08:05,119
don't know it's disclosure underscore

2107
01:08:08,470 --> 01:08:05,440
team

2108
01:08:10,390 --> 01:08:08,480
on instagram in about five minutes

2109
01:08:12,230 --> 01:08:10,400
so come and join me there let's let's

2110
01:08:13,190 --> 01:08:12,240
just keep the discussion going but for

2111
01:08:14,630 --> 01:08:13,200
now on this channel

2112
01:08:16,950 --> 01:08:14,640
i just want to give a massive massive

2113
01:08:20,229 --> 01:08:16,960

shout out again to mr danny silva

2114

01:08:21,990 --> 01:08:20,239

he is um in my eyes he's one of the best

2115

01:08:23,510 --> 01:08:22,000

that does it so it was a privilege to

2116

01:08:24,229 --> 01:08:23,520

speak to him tonight so thank you again

2117

01:08:26,470 --> 01:08:24,239

danny

2118

01:08:27,829 --> 01:08:26,480

thank you sean rash uh witness citizen

2119

01:08:29,669 --> 01:08:27,839

for jumping in

2120

01:08:31,510 --> 01:08:29,679

another incredible youtube channel that

2121

01:08:33,189 --> 01:08:31,520

you need to go and subscribe to

2122

01:08:34,550 --> 01:08:33,199

uh if you don't already but guys thank

2123

01:08:36,070 --> 01:08:34,560

you again for being here

2124

01:08:38,430 --> 01:08:36,080

come and jump on instagram man let's
