we're back with another live interview

7
00:00:36,150 --> 00:00:34,079

discussion

8
00:00:37,190 --> 00:00:36,160

chat so without further ado guys i'm

9
00:00:38,790 --> 00:00:37,200

going to bring in two

10
00:00:40,549 --> 00:00:38,800

uh people who i really wanted to speak

11
00:00:42,229 --> 00:00:40,559

to for some time who i have a lot of

12
00:00:42,950 --> 00:00:42,239

time and respect for so guys please

13
00:00:46,150 --> 00:00:42,960

welcome

14

00:00:48,869 --> 00:00:46,160

erica lukes and scott brown

15

00:00:49,670 --> 00:00:48,879

hey guys nice to be here thanks very

16

00:00:51,670 --> 00:00:49,680

well

17

00:00:53,189 --> 00:00:51,680

no thank you for joining me um i know

18

00:00:54,790 --> 00:00:53,199

scott we've been trying to make this

19

00:00:58,069 --> 00:00:54,800

happen for some time and then

20

00:01:00,069 --> 00:00:58,079

erica you uh very gladly accepted the

21

00:01:03,110 --> 00:01:00,079

invitation to join as well and that is

22

00:01:05,030 --> 00:01:03,120

really appreciated so thank you both how

23

00:01:08,630 --> 00:01:05,040

are you are you good

24

00:01:11,030 --> 00:01:08,640

yeah well i think

25

00:01:11,990 --> 00:01:11,040

i need a vacation uh preferably in a

26

00:01:14,710 --> 00:01:12,000

padded room

27

00:01:15,749 --> 00:01:14,720

um i'm kidding it's been it's been an

28

00:01:18,469 --> 00:01:15,759

interesting

29

00:01:18,870 --> 00:01:18,479

and very tiring a couple of weeks and i

30

00:01:21,990 --> 00:01:18,880

know

31

00:01:22,950 --> 00:01:22,000

scott feels the same so but we've done a

32

00:01:25,109 --> 00:01:22,960

lot of digging

33

00:01:26,310 --> 00:01:25,119

and you know we i think at the end of

34

00:01:28,070 --> 00:01:26,320

the day we we

35

00:01:29,350 --> 00:01:28,080

know that we put out good information

36

00:01:31,429 --> 00:01:29,360

and a lot of it

37

00:01:33,190 --> 00:01:31,439

and so hopefully people will start to

38

00:01:36,149 --> 00:01:33,200

look at that information

39

00:01:36,950 --> 00:01:36,159

critically instead of emotionally and

40

00:01:39,990 --> 00:01:36,960

then we can

41

00:01:42,789 --> 00:01:40,000

get some answers yeah no absolutely

42

00:01:43,990 --> 00:01:42,799

i mean for anybody that isn't aware um

43

00:01:46,389 --> 00:01:44,000

scott and erica have been

44

00:01:48,069 --> 00:01:46,399

covering this or travis walton case and

45

00:01:49,749 --> 00:01:48,079

the recent

46

00:01:51,510 --> 00:01:49,759

things that have emerged about it being

47

00:01:53,510 --> 00:01:51,520

a hoax etc etc

48

00:01:55,510 --> 00:01:53,520

we'll we'll discuss that in a little

49

00:01:56,230 --> 00:01:55,520

while so what i wanted to do first guys

50

00:01:59,030 --> 00:01:56,240

was just

51
00:01:59,830 --> 00:01:59,040
go um over your history and the subject

52
00:02:01,350 --> 00:01:59,840
and

53
00:02:03,590 --> 00:02:01,360
what got you started what got you

54
00:02:08,869 --> 00:02:03,600
interested some of the work you've done

55
00:02:12,470 --> 00:02:08,879
so who would like to go first erica oh

56
00:02:13,430 --> 00:02:12,480
so mean um so i have always had a

57
00:02:15,910 --> 00:02:13,440
fascination

58
00:02:16,630 --> 00:02:15,920
with this subject um i remember being in

59
00:02:18,470 --> 00:02:16,640
grade school

60
00:02:21,190 --> 00:02:18,480
and taking a book off of the library

61
00:02:22,070 --> 00:02:21,200
shelf and it had a ufo on it it was dale

62
00:02:25,030 --> 00:02:22,080
white as something

63
00:02:26,390 --> 00:02:25,040

up there and from that moment kind of

64

00:02:28,710 --> 00:02:26,400

forward i was like what

65

00:02:30,949 --> 00:02:28,720

what is this subject about and so i

66

00:02:33,270 --> 00:02:30,959

studied you know the paranormal

67

00:02:35,190 --> 00:02:33,280

all sorts of things and throughout my

68

00:02:38,869 --> 00:02:35,200

life i've had some interesting

69

00:02:41,790 --> 00:02:38,879

experiences but i really

70

00:02:43,430 --> 00:02:41,800

became active in the ufo world in

71

00:02:45,670 --> 00:02:43,440

2013-14

72

00:02:47,190 --> 00:02:45,680

when i had some interesting sightings

73

00:02:50,309 --> 00:02:47,200

over the salt lake valley

74

00:02:52,630 --> 00:02:50,319

and that led me to mufon and i became

75

00:02:55,990 --> 00:02:52,640

the state director and then also worked

76
00:02:57,030 --> 00:02:56,000
under jen harzan for the communications

77
00:03:00,550 --> 00:02:57,040
team

78
00:03:02,790 --> 00:03:00,560
and i eventually resigned

79
00:03:04,390 --> 00:03:02,800
because there were things taking place

80
00:03:06,630 --> 00:03:04,400
that i wasn't happy

81
00:03:08,869 --> 00:03:06,640
with and i also started to ask questions

82
00:03:10,790 --> 00:03:08,879
about the fact that the organization

83
00:03:13,110 --> 00:03:10,800
was after 50 years had not really

84
00:03:15,430 --> 00:03:13,120
accomplished anything other than

85
00:03:17,190 --> 00:03:15,440
muddying the waters and also collecting

86
00:03:19,030 --> 00:03:17,200
people's personal information and

87
00:03:22,710 --> 00:03:19,040
selling it to the highest bidder

88
00:03:24,630 --> 00:03:22,720

wow yeah that's quite shocking

89

00:03:25,750 --> 00:03:24,640

so who's me in a nutshell no that's

90

00:03:27,110 --> 00:03:25,760

great and so what

91

00:03:28,710 --> 00:03:27,120

do you mind talking about the sightings

92

00:03:29,910 --> 00:03:28,720

that you just mentioned that you had in

93

00:03:33,830 --> 00:03:29,920

over the salt lake

94

00:03:34,309 --> 00:03:33,840

yeah i was uh i had a beautiful uh place

95

00:03:37,589 --> 00:03:34,319

that was

96

00:03:39,589 --> 00:03:37,599

on the east side of salt lake and i

97

00:03:41,190 --> 00:03:39,599

you know every day i just i love clouds

98

00:03:43,030 --> 00:03:41,200

i love um

99

00:03:44,390 --> 00:03:43,040

just looking at the sky and lightning

100

00:03:46,630 --> 00:03:44,400

storms and so i'm a

101
00:03:48,470 --> 00:03:46,640
photographer and an artist and things

102
00:03:50,390 --> 00:03:48,480
and so i would just go out there and one

103
00:03:53,190 --> 00:03:50,400
night i was sitting there with my friend

104
00:03:54,630 --> 00:03:53,200
and we noticed an amber orange sphere

105
00:03:56,869 --> 00:03:54,640
that was hovering

106
00:03:57,670 --> 00:03:56,879
above the mountains the ochre mountains

107
00:03:59,589 --> 00:03:57,680
and

108
00:04:01,110 --> 00:03:59,599
we watched it for quite a long time got

109
00:04:03,670 --> 00:04:01,120
the binoculars out

110
00:04:05,350 --> 00:04:03,680
and to me it appeared to both of us it

111
00:04:06,390 --> 00:04:05,360
appeared like it was one single light

112
00:04:08,309 --> 00:04:06,400
source

113
00:04:09,670 --> 00:04:08,319

which was not the typical thing that you

114

00:04:12,070 --> 00:04:09,680

would see if you were

115

00:04:13,429 --> 00:04:12,080

looking at planes that were coming in

116

00:04:14,949 --> 00:04:13,439

because that was

117

00:04:16,710 --> 00:04:14,959

around the flight corridor for the salt

118

00:04:18,710 --> 00:04:16,720

lake international airport

119

00:04:20,229 --> 00:04:18,720

and so being out there every night you

120

00:04:22,230 --> 00:04:20,239

know you get used to

121

00:04:24,230 --> 00:04:22,240

navigation lights you get used to seeing

122

00:04:27,350 --> 00:04:24,240

specific things that you can identify

123

00:04:29,430 --> 00:04:27,360

and so the the larger object it appeared

124

00:04:30,790 --> 00:04:29,440

that there was a smaller object that

125

00:04:34,150 --> 00:04:30,800

kind of came down and then

126
00:04:37,030 --> 00:04:34,160
made a circle around it very quickly and

127
00:04:38,469 --> 00:04:37,040
and so we both just sat there um hey

128
00:04:41,110 --> 00:04:38,479
that was interesting

129
00:04:41,990 --> 00:04:41,120
and so from that you know and i'm a

130
00:04:45,270 --> 00:04:42,000
curious

131
00:04:47,430 --> 00:04:45,280
person and so i became very familiar

132
00:04:48,310 --> 00:04:47,440
with i looked up every sighting in the

133
00:04:51,510 --> 00:04:48,320
area

134
00:04:53,909 --> 00:04:51,520
i got the the uh navigation

135
00:04:55,510 --> 00:04:53,919
charts uh and i you know figured out

136
00:04:56,950 --> 00:04:55,520
what airspace was what

137
00:04:59,590 --> 00:04:56,960
we have a lot of restricted airspace

138
00:05:01,830 --> 00:04:59,600

here in utah because we have the nsa

139

00:05:03,830 --> 00:05:01,840

and different things i learned how

140

00:05:08,070 --> 00:05:03,840

specific things behave

141

00:05:10,150 --> 00:05:08,080

and i was also at that point a little

142

00:05:11,510 --> 00:05:10,160

curious because we do have a lot of

143

00:05:14,070 --> 00:05:11,520

restricted airspace

144

00:05:15,830 --> 00:05:14,080

and i am when i was looking out that

145

00:05:17,430 --> 00:05:15,840

direction we are 80 miles away from

146

00:05:20,390 --> 00:05:17,440

dugway proving ground

147

00:05:21,270 --> 00:05:20,400

which is you know one of the world's

148

00:05:23,670 --> 00:05:21,280

largest

149

00:05:25,189 --> 00:05:23,680

testing places for biological and

150

00:05:27,830 --> 00:05:25,199

chemical weapons and so

151
00:05:29,590 --> 00:05:27,840
for me being a concerned citizen i want

152
00:05:30,390 --> 00:05:29,600
to know what is flying around in the

153
00:05:32,629 --> 00:05:30,400
airspace

154
00:05:34,230 --> 00:05:32,639
so that led me on a very interesting

155
00:05:36,310 --> 00:05:34,240
journey to say the least

156
00:05:37,749 --> 00:05:36,320
wow that's incredible that's really

157
00:05:38,870 --> 00:05:37,759
interesting and do you mind if we just

158
00:05:41,510 --> 00:05:38,880
briefly touch upon

159
00:05:43,510 --> 00:05:41,520
your appearances on you've done multiple

160
00:05:45,189 --> 00:05:43,520
sort of tv shows as well haven't you

161
00:05:47,670 --> 00:05:45,199
you know i have and that's been a lot of

162
00:05:50,150 --> 00:05:47,680
fun i was on ufos the last evidence

163
00:05:51,110 --> 00:05:50,160

and i did i've done two seasons with

164

00:05:54,870 --> 00:05:51,120

them and that

165

00:05:57,029 --> 00:05:54,880

has since morphed into uh other shows

166

00:05:58,870 --> 00:05:57,039

i'm still not quite i still don't know

167

00:06:01,590 --> 00:05:58,880

how many shows i'm on really

168

00:06:03,110 --> 00:06:01,600

um but it's like it's funny you'll turn

169

00:06:03,430 --> 00:06:03,120

on the show and it's like okay all right

170

00:06:05,909 --> 00:06:03,440

good

171

00:06:07,029 --> 00:06:05,919

new name this is great um and then also

172

00:06:10,390 --> 00:06:07,039

ancient aliens

173

00:06:11,990 --> 00:06:10,400

nasa's unexplained files and uh

174

00:06:13,990 --> 00:06:12,000

you know strange evidence and things so

175

00:06:15,510 --> 00:06:14,000

i've been really i've had a great time

176

00:06:17,590 --> 00:06:15,520

doing that i like

177

00:06:20,230 --> 00:06:17,600

i like tv work my background is vocal

178

00:06:21,670 --> 00:06:20,240

performance and and voice over work and

179

00:06:23,749 --> 00:06:21,680

so i'm very comfortable

180

00:06:25,029 --> 00:06:23,759

with it and it's a lot of fun excellent

181

00:06:26,150 --> 00:06:25,039

well it shows i've seen all of those

182

00:06:27,749 --> 00:06:26,160

shows anywhere you're

183

00:06:29,990 --> 00:06:27,759

absolutely amazing natural in all of

184

00:06:32,950 --> 00:06:30,000

them so that's no problem

185

00:06:34,550 --> 00:06:32,960

mr scott brown now scott i could

186

00:06:37,590 --> 00:06:34,560

probably do two hours on

187

00:06:39,110 --> 00:06:37,600

on your history if not longer but um go

188

00:06:40,469 --> 00:06:39,120

for it give us a background give us a

189

00:06:41,590 --> 00:06:40,479

bit of history and tell us something

190

00:06:44,950 --> 00:06:41,600

interesting

191

00:06:47,270 --> 00:06:44,960

well first i want to say that something

192

00:06:48,070 --> 00:06:47,280

that eric and i have both have in common

193

00:06:51,189 --> 00:06:48,080

is that we were

194

00:06:54,469 --> 00:06:51,199

both with mufon and we left

195

00:06:56,150 --> 00:06:54,479

because we weren't happy right so that's

196

00:06:57,510 --> 00:06:56,160

kind of something that we really you

197

00:07:00,710 --> 00:06:57,520

know have in common

198

00:07:03,029 --> 00:07:00,720

um so uh

199

00:07:06,070 --> 00:07:03,039

i hadn't really looked at anything and

200

00:07:08,710 --> 00:07:06,080

uh in 1987 i had a couple episodes of

201

00:07:10,790 --> 00:07:08,720

sleep paralysis

202

00:07:11,909 --> 00:07:10,800

i can't say that that's what triggered

203

00:07:16,070 --> 00:07:11,919

it i don't know

204

00:07:16,790 --> 00:07:16,080

um i uh sometime later i picked up a

205

00:07:19,990 --> 00:07:16,800

book called

206

00:07:22,469 --> 00:07:20,000

out there by howard blum i read it

207

00:07:24,230 --> 00:07:22,479

and just i could not stop looking for

208

00:07:30,790 --> 00:07:24,240

information

209

00:07:31,749 --> 00:07:30,800

began to trigger memories from my

210

00:07:34,230 --> 00:07:31,759

childhood and i

211

00:07:35,270 --> 00:07:34,240

i sent you the documentary that explains

212

00:07:38,950 --> 00:07:35,280

a little bit about

213

00:07:43,189 --> 00:07:38,960

my you know my early years yeah

214

00:07:46,309 --> 00:07:43,199

and so as time went on i um

215

00:07:48,230 --> 00:07:46,319

i did a lot of you know

216

00:07:50,150 --> 00:07:48,240

studying in the library there was no

217

00:07:54,469 --> 00:07:50,160

internet so it was a lot of books

218

00:07:54,869 --> 00:07:54,479

and um you know i got sucked in by a lot

219

00:07:57,430 --> 00:07:54,879

of

220

00:07:59,430 --> 00:07:57,440

you know the billy myers and georgia

221

00:08:01,749 --> 00:07:59,440

damskis and all these people that were

222

00:08:06,950 --> 00:08:01,759

you know doing all these hoaxes and

223

00:08:08,950 --> 00:08:06,960

so once i got into high school

224

00:08:10,550 --> 00:08:08,960

we had a huge art department our own

225

00:08:13,510 --> 00:08:10,560

dark room

226
00:08:15,430 --> 00:08:13,520
and i took four years of photography and

227
00:08:18,550 --> 00:08:15,440
began to study that and how to

228
00:08:21,510 --> 00:08:18,560
superimpose images into other images

229
00:08:23,430 --> 00:08:21,520
um of course once computers came along

230
00:08:24,710 --> 00:08:23,440
that changed all of that it made it

231
00:08:27,990 --> 00:08:24,720
easier faster

232
00:08:31,510 --> 00:08:28,000
more efficient uh

233
00:08:33,990 --> 00:08:31,520
so i began to try to catch my own

234
00:08:35,829 --> 00:08:34,000
images of something i thought you know

235
00:08:37,509 --> 00:08:35,839
i'm going to catch my own images i don't

236
00:08:39,350 --> 00:08:37,519
want to look at books anymore i want to

237
00:08:41,670 --> 00:08:39,360
try to do it myself

238
00:08:42,870 --> 00:08:41,680

so i began to experiment with different

239

00:08:47,590 --> 00:08:42,880

cameras

240

00:08:49,430 --> 00:08:47,600

um in 2013

241

00:08:51,110 --> 00:08:49,440

i began to notice different people on

242

00:08:54,470 --> 00:08:51,120

the internet that were

243

00:08:56,310 --> 00:08:54,480

doing work with infrared cameras

244

00:08:58,389 --> 00:08:56,320

and trying to catch things and so i

245

00:09:00,389 --> 00:08:58,399

thought i'd like to have all these

246

00:09:02,310 --> 00:09:00,399

people in a group and just be able to

247

00:09:05,030 --> 00:09:02,320

talk to them and look at their footage

248

00:09:08,150 --> 00:09:05,040

and maybe we can compare notes

249

00:09:10,310 --> 00:09:08,160

so i formed in the field on facebook and

250

00:09:13,590 --> 00:09:10,320

began to pull people in there

251

00:09:16,949 --> 00:09:13,600

that's when i met erica um

252

00:09:20,389 --> 00:09:16,959

and um so that

253

00:09:21,750 --> 00:09:20,399

turned into diana pasoka coming into the

254

00:09:24,470 --> 00:09:21,760

group

255

00:09:26,710 --> 00:09:24,480

i didn't know who she was um i let her

256

00:09:29,509 --> 00:09:26,720

in because she said her favorite

257

00:09:31,350 --> 00:09:29,519

uh researcher was jacques vallee so i

258

00:09:31,750 --> 00:09:31,360

thought oh you know that's cool with me

259

00:09:34,949 --> 00:09:31,760

because

260

00:09:37,590 --> 00:09:34,959

you know i'm a big jacques valley guy

261

00:09:37,990 --> 00:09:37,600

so i let her in and one day somebody

262

00:09:43,590 --> 00:09:38,000

said

263

00:09:46,310 --> 00:09:43,600

looked her up found out about her

264

00:09:48,870 --> 00:09:46,320

background so i was like oh cool you

265

00:09:50,550 --> 00:09:48,880

know she must be studying the parallels

266

00:09:52,870 --> 00:09:50,560

between religion

267

00:09:53,670 --> 00:09:52,880

and the phenomena which is you know

268

00:09:56,710 --> 00:09:53,680

there's books

269

00:09:59,750 --> 00:09:56,720

out about out there about it now um

270

00:10:02,069 --> 00:09:59,760

so uh she

271

00:10:04,069 --> 00:10:02,079

messed me and said i'm writing a book

272

00:10:07,110 --> 00:10:04,079

and i'd like to feed you in the book

273

00:10:10,949 --> 00:10:07,120

and i said okay fine so she

274

00:10:15,030 --> 00:10:10,959

flew out and met me um

275

00:10:18,870 --> 00:10:15,040

and uh the book was published

276

00:10:20,630 --> 00:10:18,880

and um you know i i did a few podcasts

277

00:10:23,269 --> 00:10:20,640

here and there

278

00:10:24,069 --> 00:10:23,279

and uh i pretty much stayed on facebook

279

00:10:27,110 --> 00:10:24,079

and then

280

00:10:30,389 --> 00:10:27,120

uh 2019 i said you know what i'm gonna

281

00:10:34,310 --> 00:10:30,399

try this twitter thing

282

00:10:38,710 --> 00:10:36,710

and that that pretty much like opened up

283

00:10:41,990 --> 00:10:38,720

all new doors to meeting

284

00:10:45,350 --> 00:10:42,000

you know people like you vinnie and um

285

00:10:47,030 --> 00:10:45,360

so many people that i met and uh i had a

286

00:10:49,110 --> 00:10:47,040

bunch of my own sightings

287

00:10:51,350 --> 00:10:49,120

um you know i take the cameras out all

288

00:10:54,470 --> 00:10:51,360

the time we're going out tonight

289

00:10:55,110 --> 00:10:54,480

wow and we're gonna do on my brother's

290

00:10:58,710 --> 00:10:55,120

land

291

00:11:00,230 --> 00:10:58,720

he has an open field that's 360 degrees

292

00:11:02,949 --> 00:11:00,240

all the way around

293

00:11:04,949 --> 00:11:02,959

up on an incline and so we're going to

294

00:11:06,470 --> 00:11:04,959

set up the infrared cameras see what we

295

00:11:09,910 --> 00:11:06,480

can get out there tonight

296

00:11:10,630 --> 00:11:09,920

nice and so you know it then it evolved

297

00:11:13,190 --> 00:11:10,640

into this

298

00:11:15,030 --> 00:11:13,200

and i went on erica's show a couple of

299

00:11:18,630 --> 00:11:15,040

times we got to know each other

300

00:11:19,030 --> 00:11:18,640

and then we kind of both a little while

301
00:11:21,670 --> 00:11:19,040
back

302
00:11:22,550 --> 00:11:21,680
cooked up this idea to you know switch

303
00:11:25,990 --> 00:11:22,560
over from just

304
00:11:28,069 --> 00:11:26,000
audio to video and here we are

305
00:11:29,829 --> 00:11:28,079
i think it's fantastic i love you guys

306
00:11:32,630 --> 00:11:29,839
together i could watch you all day long

307
00:11:33,509 --> 00:11:32,640
it's it's awesome hey no problem yeah

308
00:11:35,110 --> 00:11:33,519
cool that's cool

309
00:11:37,110 --> 00:11:35,120
it is fun to see each other's you know

310
00:11:39,350 --> 00:11:37,120
to see each other's expression and

311
00:11:40,550 --> 00:11:39,360
and things and to watch people that

312
00:11:42,150 --> 00:11:40,560
you're interviewing

313
00:11:43,750 --> 00:11:42,160

to see their body language so i love it

314

00:11:46,069 --> 00:11:43,760

and i'm really glad that we

315

00:11:47,829 --> 00:11:46,079

made the decision to do it no it's

316

00:11:49,190 --> 00:11:47,839

fantastic i love it to bits and i know a

317

00:11:51,509 --> 00:11:49,200

lot of other people do too

318

00:11:53,110 --> 00:11:51,519

um and it's yeah it's just like you say

319

00:11:54,949 --> 00:11:53,120

just to see people and

320

00:11:56,949 --> 00:11:54,959

their passion and reactions and things i

321

00:11:58,150 --> 00:11:56,959

think it really um it helps with what

322

00:11:59,350 --> 00:11:58,160

they're saying especially in this

323

00:12:02,310 --> 00:11:59,360

subject you know

324

00:12:05,269 --> 00:12:02,320

which we're all very passionate about so

325

00:12:09,269 --> 00:12:05,279

yeah that's that's great so

326

00:12:11,990 --> 00:12:09,279

um let's talk about travis walton i mean

327

00:12:13,509 --> 00:12:12,000

this is everyone it's just all over the

328

00:12:14,710 --> 00:12:13,519

place at the moment and you guys are at

329

00:12:17,350 --> 00:12:14,720

the forefront of the

330

00:12:18,069 --> 00:12:17,360

the work speaking to the right people

331

00:12:19,350 --> 00:12:18,079

you know

332

00:12:21,670 --> 00:12:19,360

i don't think there's anyone out there

333

00:12:24,150 --> 00:12:21,680

other than travis himself who knows

334

00:12:25,750 --> 00:12:24,160

any more than what you guys know so i

335

00:12:28,710 --> 00:12:25,760

guess my first question would be

336

00:12:29,750 --> 00:12:28,720

when did this all these new revelations

337

00:12:33,910 --> 00:12:29,760

first appear

338

00:12:36,949 --> 00:12:33,920

and and where did they appear scott

339

00:12:44,790 --> 00:12:40,150

um i can't give you an exact date for

340

00:12:46,710 --> 00:12:44,800

when the phone call popped up uh

341

00:12:48,870 --> 00:12:46,720

and erica and i were talking about

342

00:12:52,150 --> 00:12:48,880

guests and i said well

343

00:12:54,389 --> 00:12:52,160

let's get mike rogers on

344

00:12:55,750 --> 00:12:54,399

you know and have him talk about this

345

00:12:58,470 --> 00:12:55,760

phone call

346

00:13:00,230 --> 00:12:58,480

that's supposedly been digitally altered

347

00:13:03,350 --> 00:13:00,240

to

348

00:13:05,430 --> 00:13:03,360

seem like that he didn't really say the

349

00:13:08,629 --> 00:13:05,440

things he said

350

00:13:11,030 --> 00:13:08,639

so when i made this post with mike on

351

00:13:14,550 --> 00:13:11,040

the show on twitter

352

00:13:16,310 --> 00:13:14,560

i get this two-page email from the guy

353

00:13:19,670 --> 00:13:16,320

who recorded the call

354

00:13:23,509 --> 00:13:19,680

right and he said um

355

00:13:25,110 --> 00:13:23,519

ryan gordon and he said um you know

356

00:13:26,629 --> 00:13:25,120

the phone call was not digitally

357

00:13:29,990 --> 00:13:26,639

manipulated and

358

00:13:32,949 --> 00:13:30,000

um you know i can prove it i have

359

00:13:34,470 --> 00:13:32,959

the phone call he recorded it on on

360

00:13:37,590 --> 00:13:34,480

apple watch

361

00:13:40,230 --> 00:13:37,600

all right there's no ports

362

00:13:41,430 --> 00:13:40,240

so he has the original phone call stored

363

00:13:45,670 --> 00:13:41,440

on his watch

364

00:13:48,629 --> 00:13:45,680

wow so i thought well this

365

00:13:49,110 --> 00:13:48,639

kind of just took a turn here for what i

366

00:13:52,629 --> 00:13:49,120

was

367

00:13:54,870 --> 00:13:52,639

manipulated i knew

368

00:13:55,910 --> 00:13:54,880

mike that had been picking at travis for

369

00:13:58,069 --> 00:13:55,920

years

370

00:13:59,509 --> 00:13:58,079

there's been bickering between them for

371

00:14:02,550 --> 00:13:59,519

a long long time

372

00:14:05,829 --> 00:14:02,560

and everybody knows that yes um he does

373

00:14:09,269 --> 00:14:05,839

it in public so everybody knows

374

00:14:13,030 --> 00:14:09,279

and so um

375

00:14:14,310 --> 00:14:13,040

we actually did not plan on ryan being

376

00:14:16,310 --> 00:14:14,320

on the show

377

00:14:17,829 --> 00:14:16,320

we got to the end of the two hours with

378

00:14:20,389 --> 00:14:17,839

mike

379

00:14:22,550 --> 00:14:20,399

ryan messaged me and said he would like

380

00:14:25,189 --> 00:14:22,560

to come on and defend himself

381

00:14:26,629 --> 00:14:25,199

right well i messaged erica at the end

382

00:14:30,470 --> 00:14:26,639

of the show

383

00:14:32,710 --> 00:14:30,480

and she offered mike would you like to

384

00:14:34,790 --> 00:14:32,720

would you like to have ryan come on and

385

00:14:36,790 --> 00:14:34,800

we can talk about this and

386

00:14:38,550 --> 00:14:36,800

you can hear it in the video he might

387

00:14:39,350 --> 00:14:38,560

didn't want to have anything to do with

388

00:14:42,949 --> 00:14:39,360

it

389

00:14:45,670 --> 00:14:42,959

and um so we said good night thank you

390

00:14:46,710 --> 00:14:45,680

and he got off the air and then we

391

00:14:48,550 --> 00:14:46,720

brought ryan in

392

00:14:50,230 --> 00:14:48,560

and then it turned into another two

393

00:14:52,629 --> 00:14:50,240

hours yes

394

00:14:53,590 --> 00:14:52,639

great great show but both aspects of it

395

00:14:56,629 --> 00:14:53,600

it's a shame

396

00:14:59,030 --> 00:14:56,639

that mike didn't stick around and and

397

00:15:00,710 --> 00:14:59,040

you know joining on that discussion we

398

00:15:03,990 --> 00:15:00,720

actually made the offer again

399

00:15:07,030 --> 00:15:04,000

last night and mike didn't want to do it

400

00:15:09,590 --> 00:15:07,040

um so that's a real shame

401
00:15:10,550 --> 00:15:09,600
but you never know never say never yeah

402
00:15:12,790 --> 00:15:10,560
that's true

403
00:15:14,310 --> 00:15:12,800
as we know things change moment to

404
00:15:16,310 --> 00:15:14,320
moment in this field

405
00:15:17,910 --> 00:15:16,320
so would would you mind just giving us a

406
00:15:20,629 --> 00:15:17,920
sort of brief overview of what

407
00:15:22,230 --> 00:15:20,639
what's going on what's been said and and

408
00:15:24,230 --> 00:15:22,240
just some ins and outs of what what

409
00:15:26,150 --> 00:15:24,240
occurred you know where was travis

410
00:15:27,670 --> 00:15:26,160
if he wasn't abducted and just sort of

411
00:15:29,990 --> 00:15:27,680
brief

412
00:15:31,269 --> 00:15:30,000
from from what you've been told and seen

413
00:15:35,509 --> 00:15:31,279

through evidence

414

00:15:38,790 --> 00:15:37,590

you know it was interesting uh talking

415

00:15:41,189 --> 00:15:38,800

to ryan and

416

00:15:43,509 --> 00:15:41,199

like i mentioned in my our very long

417

00:15:45,509 --> 00:15:43,519

interviews i mean he was

418

00:15:47,350 --> 00:15:45,519

right there and presenting any any

419

00:15:48,550 --> 00:15:47,360

information it's like okay you you have

420

00:15:51,269 --> 00:15:48,560

a question about me

421

00:15:52,150 --> 00:15:51,279

i'm not in the ufo world and i don't

422

00:15:54,710 --> 00:15:52,160

play with these

423

00:15:56,150 --> 00:15:54,720

people but i you know and i'm taking my

424

00:15:58,550 --> 00:15:56,160

job seriously

425

00:15:59,430 --> 00:15:58,560

uh in in the film world and so he

426
00:16:02,389 --> 00:15:59,440
presented

427
00:16:03,509 --> 00:16:02,399
you know things to me to validate that

428
00:16:06,470 --> 00:16:03,519
what he was saying

429
00:16:07,030 --> 00:16:06,480
about his relationship with travis and

430
00:16:10,310 --> 00:16:07,040
mike

431
00:16:12,069 --> 00:16:10,320
was accurate and so we i sat there with

432
00:16:14,790 --> 00:16:12,079
him while he was doing a video

433
00:16:15,670 --> 00:16:14,800
call and he was showing the the call

434
00:16:18,470 --> 00:16:15,680
logs

435
00:16:19,430 --> 00:16:18,480
you know from when he first spoke with

436
00:16:20,710 --> 00:16:19,440
travis

437
00:16:22,550 --> 00:16:20,720
different things that were taking place

438
00:16:24,470 --> 00:16:22,560

a lot a lot more video than we've been

439

00:16:27,670 --> 00:16:24,480

able to put out publicly

440

00:16:30,389 --> 00:16:27,680

and then also um

441

00:16:31,030 --> 00:16:30,399

different things he has a legal contract

442

00:16:34,230 --> 00:16:31,040

uh

443

00:16:34,629 --> 00:16:34,240

as does travis and so there are things

444

00:16:38,710 --> 00:16:34,639

that

445

00:16:41,749 --> 00:16:38,720

they are not at liberty to say um and so

446

00:16:44,150 --> 00:16:41,759

that was you know it was very

447

00:16:45,269 --> 00:16:44,160

he was very respectful of that and i

448

00:16:47,189 --> 00:16:45,279

think the thing that

449

00:16:48,710 --> 00:16:47,199

was interesting to me when we first got

450

00:16:50,710 --> 00:16:48,720

all of this going is

451
00:16:53,749 --> 00:16:50,720
the fact that he always said i like

452
00:16:56,949 --> 00:16:53,759
travis travis is a nice man

453
00:16:59,910 --> 00:16:56,959
you know this is uh and you can hear

454
00:17:00,949 --> 00:16:59,920
in the conversation that he released

455
00:17:02,949 --> 00:17:00,959
that there was

456
00:17:04,549 --> 00:17:02,959
that you know i mean travis immediately

457
00:17:07,029 --> 00:17:04,559
knew who he was

458
00:17:08,630 --> 00:17:07,039
unlike what travis had made a public

459
00:17:09,189 --> 00:17:08,640
statement saying he knew not he didn't

460
00:17:12,710 --> 00:17:09,199
know

461
00:17:14,949 --> 00:17:12,720
the best look but

462
00:17:16,069 --> 00:17:14,959
um but he they were very familiar with

463
00:17:18,949 --> 00:17:16,079

each other and

464

00:17:19,909 --> 00:17:18,959

and things and so that from there you

465

00:17:21,829 --> 00:17:19,919

know we just

466

00:17:23,669 --> 00:17:21,839

got information and he laid everything

467

00:17:25,270 --> 00:17:23,679

out right scott i mean he had

468

00:17:27,829 --> 00:17:25,280

a presentation that he showed us behind

469

00:17:29,590 --> 00:17:27,839

the scenes of okay this is

470

00:17:31,510 --> 00:17:29,600

what i learned here and you know you've

471

00:17:34,070 --> 00:17:31,520

got the background to his involvement

472

00:17:37,190 --> 00:17:34,080

which he laid out the call with travis

473

00:17:41,750 --> 00:17:37,200

um and and various things and then also

474

00:17:44,470 --> 00:17:41,760

he had a 400 about a 400 page document

475

00:17:46,630 --> 00:17:44,480

that was available from mufon and

476
00:17:49,430 --> 00:17:46,640
interestingly enough barry greenwood

477
00:17:50,390 --> 00:17:49,440
uh found the same document and so it is

478
00:17:52,549 --> 00:17:50,400
it's the apro

479
00:17:53,990 --> 00:17:52,559
investigation it is the different people

480
00:17:56,150 --> 00:17:54,000
that were coming in

481
00:17:59,190 --> 00:17:56,160
interviewing the witnesses it's all of

482
00:18:02,070 --> 00:17:59,200
the newspaper clippings from that time

483
00:18:03,270 --> 00:18:02,080
and it really lays out a very

484
00:18:06,470 --> 00:18:03,280
interesting

485
00:18:08,150 --> 00:18:06,480
narrative to a story that over time has

486
00:18:14,230 --> 00:18:08,160
been

487
00:18:17,029 --> 00:18:14,240
i believe and you know we don't know a

488
00:18:19,110 --> 00:18:17,039

lot of the facts that that ryan laid out

489

00:18:20,230 --> 00:18:19,120

and i think with an important fact to me

490

00:18:20,950 --> 00:18:20,240

and then i'll turn this over to you

491

00:18:22,710 --> 00:18:20,960

scott

492

00:18:25,909 --> 00:18:22,720

but some some of the important things

493

00:18:28,549 --> 00:18:25,919

were travis's family's reaction

494

00:18:29,190 --> 00:18:28,559

to him being missing and something that

495

00:18:31,430 --> 00:18:29,200

really

496

00:18:33,909 --> 00:18:31,440

shocked me was the fact that his mother

497

00:18:37,029 --> 00:18:33,919

was trying to get the search called off

498

00:18:39,510 --> 00:18:37,039

a day after her son went missing wow and

499

00:18:40,549 --> 00:18:39,520

you know if i have i have a child if my

500

00:18:43,350 --> 00:18:40,559

child went missing

501
00:18:45,350 --> 00:18:43,360
i would not be calling off a search and

502
00:18:46,150 --> 00:18:45,360
then his brother coming out publicly and

503
00:18:48,230 --> 00:18:46,160
saying that oh

504
00:18:50,070 --> 00:18:48,240
you know the ufos will you know bring

505
00:18:50,549 --> 00:18:50,080
him back and i'm not worried about

506
00:18:52,549 --> 00:18:50,559
things

507
00:18:53,590 --> 00:18:52,559
i mean these aren't typical and normal

508
00:18:55,590 --> 00:18:53,600
reactions

509
00:18:56,630 --> 00:18:55,600
from family members with a loved one

510
00:18:59,750 --> 00:18:56,640
missing

511
00:19:02,870 --> 00:18:59,760
and so that was a very big uh

512
00:19:06,070 --> 00:19:02,880
that that you know raised my

513
00:19:07,909 --> 00:19:06,080

suspicious about things and i would love

514

00:19:09,669 --> 00:19:07,919

for people out there that are listening

515

00:19:11,270 --> 00:19:09,679

you know i mean please explain that to

516

00:19:11,909 --> 00:19:11,280

me what what are your thoughts how would

517

00:19:14,310 --> 00:19:11,919

you

518

00:19:15,270 --> 00:19:14,320

put that is that just kind of a normal

519

00:19:19,350 --> 00:19:15,280

thing for most

520

00:19:20,870 --> 00:19:19,360

human beings but scott i mean you have

521

00:19:22,630 --> 00:19:20,880

you know you have other areas of

522

00:19:27,350 --> 00:19:22,640

interest that you really that kind of

523

00:19:31,029 --> 00:19:27,360

you know hooked on to yeah so the case

524

00:19:33,590 --> 00:19:31,039

for me for years rested on the five guys

525

00:19:35,750 --> 00:19:33,600

that didn't recant the story

526

00:19:37,029 --> 00:19:35,760

so that kind of gave it a lot of

527

00:19:40,870 --> 00:19:37,039

validity to me

528

00:19:43,430 --> 00:19:40,880

because they had nothing to gain

529

00:19:45,669 --> 00:19:43,440

travis was the one that put the book out

530

00:19:48,870 --> 00:19:45,679

uh he was involved with the movie

531

00:19:50,710 --> 00:19:48,880

mike ii to a lesser degree but

532

00:19:52,310 --> 00:19:50,720

the the other five guys they didn't have

533

00:19:54,630 --> 00:19:52,320

anything to gain

534

00:19:55,430 --> 00:19:54,640

so i mean if it was a collaborative lie

535

00:19:58,549 --> 00:19:55,440

between

536

00:20:01,510 --> 00:19:58,559

seven people these guys up these five

537

00:20:03,350 --> 00:20:01,520

guys were telling a lie for 45 years

538

00:20:05,190 --> 00:20:03,360

though these other guys could tour the

539

00:20:07,270 --> 00:20:05,200

convention circuit and

540

00:20:09,590 --> 00:20:07,280

go on these interviews and i thought

541

00:20:13,669 --> 00:20:09,600

that just doesn't make sense

542

00:20:17,430 --> 00:20:13,679

so um now going back

543

00:20:22,470 --> 00:20:17,440

through all of the records

544

00:20:25,350 --> 00:20:22,480

the first person to discover

545

00:20:26,470 --> 00:20:25,360

or i'm sorry to make a theory that the

546

00:20:29,990 --> 00:20:26,480

five guys were

547

00:20:33,430 --> 00:20:30,000

fooled by the other two was ray

548

00:20:35,029 --> 00:20:33,440

fowler in 1976 and he went on to write a

549

00:20:38,230 --> 00:20:35,039

bunch of books and

550

00:20:40,789 --> 00:20:38,240

um he was a researcher as well

551
00:20:42,310 --> 00:20:40,799
and he laid it out in a paper saying

552
00:20:44,230 --> 00:20:42,320
that you know

553
00:20:46,070 --> 00:20:44,240
these five guys could have been fooled

554
00:20:48,390 --> 00:20:46,080
by the other two

555
00:20:49,270 --> 00:20:48,400
and they would have never known it if it

556
00:20:52,470 --> 00:20:49,280
would end

557
00:20:54,149 --> 00:20:52,480
well and the sticking point

558
00:20:56,149 --> 00:20:54,159
where they were stuck with trying to

559
00:20:59,909 --> 00:20:56,159
figure it out was

560
00:21:03,350 --> 00:20:59,919
what was the ufo if they faked it

561
00:21:04,549 --> 00:21:03,360
how did they fake the ufo so that kind

562
00:21:06,870 --> 00:21:04,559
of got buried

563
00:21:07,830 --> 00:21:06,880

in the files and nobody really looked at

564

00:21:10,710 --> 00:21:07,840

it

565

00:21:11,990 --> 00:21:10,720

and then i came across carl flock who

566

00:21:15,029 --> 00:21:12,000

was a

567

00:21:19,029 --> 00:21:15,039

cia i think intelligence officer but

568

00:21:22,950 --> 00:21:19,039

he also had an interest in ufos um

569

00:21:23,909 --> 00:21:22,960

and in the year 2000 he said the same

570

00:21:26,470 --> 00:21:23,919

thing

571

00:21:29,190 --> 00:21:26,480

that the five guys could have been

572

00:21:32,870 --> 00:21:29,200

fooled by the other two

573

00:21:34,630 --> 00:21:32,880

and so then i began to think about it

574

00:21:37,430 --> 00:21:34,640

and i thought

575

00:21:38,470 --> 00:21:37,440

well that changes everything because if

576
00:21:46,149 --> 00:21:38,480
the

577
00:21:48,230 --> 00:21:46,159
on it

578
00:21:49,590 --> 00:21:48,240
it would have never worked because they

579
00:21:52,070 --> 00:21:49,600
couldn't have held it together with

580
00:21:54,630 --> 00:21:52,080
those five guys

581
00:21:56,830 --> 00:21:54,640
the key to it was fooling them so when

582
00:21:59,669 --> 00:21:56,840
they give their testimony to the

583
00:22:01,990 --> 00:21:59,679
authorities whatever they had to do

584
00:22:02,950 --> 00:22:02,000
that it was valid yeah they were all

585
00:22:06,149 --> 00:22:02,960
scared

586
00:22:06,789 --> 00:22:06,159
they saw something and the theory is

587
00:22:09,510 --> 00:22:06,799
that

588
00:22:12,230 --> 00:22:09,520

mike hyped him up in the truck you know

589

00:22:13,990 --> 00:22:12,240

he got them all going crazy they peeled

590

00:22:16,070 --> 00:22:14,000

off down the road they were

591

00:22:17,110 --> 00:22:16,080

in the book you can see where they go

592

00:22:20,789 --> 00:22:17,120

back

593

00:22:22,789 --> 00:22:20,799

look for travis

594

00:22:25,029 --> 00:22:22,799

and they were confused it goes on for

595

00:22:27,190 --> 00:22:25,039

two pages where they were confused about

596

00:22:29,510 --> 00:22:27,200

where it happened they had flashlights

597

00:22:30,549 --> 00:22:29,520

they kept driving no it happened here no

598

00:22:33,110 --> 00:22:30,559

it happened here

599

00:22:33,990 --> 00:22:33,120

they were completely confused and then

600

00:22:38,070 --> 00:22:34,000

mike

601
00:22:41,909 --> 00:22:38,080
drove them to the so-called location

602
00:22:45,110 --> 00:22:41,919
which in the theory is 4.9 miles

603
00:22:46,630 --> 00:22:45,120
away from the tower right which would

604
00:22:49,750 --> 00:22:46,640
make it

605
00:22:50,549 --> 00:22:49,760
much easier for them when authorities

606
00:22:54,149 --> 00:22:50,559
came in

607
00:22:55,909 --> 00:22:54,159
to look for travis to say

608
00:22:58,789 --> 00:22:55,919
well it can't be the tower because we

609
00:23:02,390 --> 00:22:58,799
can't see it from this location

610
00:23:03,190 --> 00:23:02,400
so it makes it so it was a very simple

611
00:23:07,750 --> 00:23:03,200
yet

612
00:23:10,950 --> 00:23:07,760
well-planned hoax and and again

613
00:23:12,630 --> 00:23:10,960

it's still a theory yeah but all but all

614

00:23:16,789 --> 00:23:12,640

the pieces fit together

615

00:23:18,310 --> 00:23:16,799

so well so um

616

00:23:20,390 --> 00:23:18,320

i mean it makes sense as well that the

617

00:23:22,390 --> 00:23:20,400

five guys would have been duped

618

00:23:24,149 --> 00:23:22,400

and they passed the lie detector test

619

00:23:27,510 --> 00:23:24,159

because they genuinely believed

620

00:23:29,190 --> 00:23:27,520

that what they'd seen was a ufo i mean

621

00:23:31,029 --> 00:23:29,200

that hands up but then i think the

622

00:23:34,070 --> 00:23:31,039

question would be how

623

00:23:35,590 --> 00:23:34,080

mike and travis fared on the lie

624

00:23:37,669 --> 00:23:35,600

detector tests

625

00:23:39,190 --> 00:23:37,679

and you're able to explain about that a

626
00:23:40,789 --> 00:23:39,200
little bit

627
00:23:42,230 --> 00:23:40,799
well first of all let me say that it was

628
00:23:45,350 --> 00:23:42,240
very interesting that

629
00:23:47,029 --> 00:23:45,360
uh information was put forward about

630
00:23:48,310 --> 00:23:47,039
what they were specifically asked on the

631
00:23:50,230 --> 00:23:48,320
lie detector test

632
00:23:51,350 --> 00:23:50,240
you know what none of it had to do with

633
00:23:54,310 --> 00:23:51,360
have you it

634
00:23:55,029 --> 00:23:54,320
was travis abducted by aliens right was

635
00:23:57,990 --> 00:23:55,039
this was

636
00:23:58,870 --> 00:23:58,000
dude do you have anything to do with his

637
00:24:01,510 --> 00:23:58,880
disappearance

638
00:24:03,510 --> 00:24:01,520

or murder and things and so i mean we go

639

00:24:05,590 --> 00:24:03,520

back to the lie detectors but i mean

640

00:24:06,789 --> 00:24:05,600

look at what they were being asked yeah

641

00:24:09,590 --> 00:24:06,799

and i think that's a

642

00:24:10,230 --> 00:24:09,600

key thing there and also you know travis

643

00:24:14,230 --> 00:24:10,240

walton

644

00:24:15,430 --> 00:24:14,240

did fail uh a lie detector test and so

645

00:24:17,269 --> 00:24:15,440

and there were several interesting

646

00:24:19,669 --> 00:24:17,279

things that took place around

647

00:24:21,909 --> 00:24:19,679

that as well and i'm sure scott can go

648

00:24:25,830 --> 00:24:21,919

into more detail

649

00:24:31,029 --> 00:24:25,840

yeah the first test he was given

650

00:24:34,149 --> 00:24:31,039

um was paid for by the national enquirer

651
00:24:36,230 --> 00:24:34,159
and i think apra was in on it too which

652
00:24:39,669 --> 00:24:36,240
was an investigative group

653
00:24:43,590 --> 00:24:39,679
um and they covered it up and

654
00:24:46,149 --> 00:24:43,600
anyone can find those documents where

655
00:24:48,549 --> 00:24:46,159
there's other investigators questioning

656
00:24:51,990 --> 00:24:48,559
saying you know why was it covered up

657
00:24:56,070 --> 00:24:52,000
why did you do that um

658
00:24:56,789 --> 00:24:56,080
and so uh you know the basis for that

659
00:24:59,590 --> 00:24:56,799
would be

660
00:25:02,149 --> 00:24:59,600
that the enquirer had the contest going

661
00:25:04,390 --> 00:25:02,159
they wanted to sell papers

662
00:25:06,710 --> 00:25:04,400
and so of course they're going to say

663
00:25:07,990 --> 00:25:06,720

well if the public finds out about this

664

00:25:10,470 --> 00:25:08,000

failed test

665

00:25:11,990 --> 00:25:10,480

we can't print this because it's just

666

00:25:15,669 --> 00:25:12,000

going to look ridiculous

667

00:25:18,710 --> 00:25:15,679

so they covered it up um

668

00:25:22,070 --> 00:25:18,720

later on down the road they they took

669

00:25:25,269 --> 00:25:22,080

tests um and passed

670

00:25:27,909 --> 00:25:25,279

and uh you know like erica said that

671

00:25:30,230 --> 00:25:27,919

it was mostly about you know did you

672

00:25:33,510 --> 00:25:30,240

cause any harm to travis

673

00:25:35,669 --> 00:25:33,520

um and things like that so of course

674

00:25:37,510 --> 00:25:35,679

you know they're gonna pass that because

675

00:25:41,110 --> 00:25:37,520

they didn't do anything to him

676

00:25:44,789 --> 00:25:41,120

sure wow and um

677

00:25:47,830 --> 00:25:44,799

so yeah it it there if you go back to

678

00:25:50,029 --> 00:25:47,840

the records and you compare everything

679

00:25:51,750 --> 00:25:50,039

there are tons of holes and

680

00:25:54,710 --> 00:25:51,760

discrepancies

681

00:25:56,310 --> 00:25:54,720

and it's it's it's crazy when you

682

00:25:58,789 --> 00:25:56,320

compare all that stuff

683

00:26:00,070 --> 00:25:58,799

to see there's so much wrong with that

684

00:26:03,830 --> 00:26:00,080

case

685

00:26:07,110 --> 00:26:03,840

you know so if anybody is interested

686

00:26:09,909 --> 00:26:07,120

um i have a lot of it and

687

00:26:11,110 --> 00:26:09,919

um you know i can get more of it i can

688

00:26:12,549 --> 00:26:11,120

send links

689

00:26:14,149 --> 00:26:12,559

people can go there and look at it

690

00:26:15,350 --> 00:26:14,159

themselves

691

00:26:16,789 --> 00:26:15,360

that'd be really interesting if you've

692

00:26:18,310 --> 00:26:16,799

got anything you think people would look

693

00:26:19,830 --> 00:26:18,320

at please send them to me i can always

694

00:26:22,390 --> 00:26:19,840

add them to the description

695

00:26:23,990 --> 00:26:22,400

below as well another thing that i found

696

00:26:25,750 --> 00:26:24,000

really intriguing is that this wasn't

697

00:26:27,110 --> 00:26:25,760

the first time that travis walton had

698

00:26:30,470 --> 00:26:27,120

been associated with

699

00:26:32,710 --> 00:26:30,480

talking about ufos and aliens um can you

700

00:26:34,310 --> 00:26:32,720

sort of give us a little piece about how

701
00:26:35,830 --> 00:26:34,320
how that came about because i think that

702
00:26:37,510 --> 00:26:35,840
really

703
00:26:40,149 --> 00:26:37,520
you know it adds something it makes it

704
00:26:42,789 --> 00:26:40,159
more intriguing

705
00:26:44,310 --> 00:26:42,799
you know he was uh very fascinated and i

706
00:26:47,510 --> 00:26:44,320
do believe that he had had

707
00:26:49,190 --> 00:26:47,520
i mean he did have multiple alleged ufo

708
00:26:50,950 --> 00:26:49,200
sightings and that was

709
00:26:52,710 --> 00:26:50,960
that was pretty well known around that

710
00:26:56,149 --> 00:26:52,720
very small community

711
00:26:58,310 --> 00:26:56,159
yeah and things and so uh in fact

712
00:27:00,230 --> 00:26:58,320
scott help me if i'm wrong on this but

713
00:27:02,870 --> 00:27:00,240

the was it the sheriff that just said

714

00:27:04,710 --> 00:27:02,880

he wouldn't be surprised if travis came

715

00:27:07,190 --> 00:27:04,720

in one day and said oh i've

716

00:27:08,390 --> 00:27:07,200

i've been chased by a ufo and things

717

00:27:10,630 --> 00:27:08,400

like that and and so

718

00:27:12,070 --> 00:27:10,640

it that was very interesting and then

719

00:27:14,789 --> 00:27:12,080

you also have the fact that

720

00:27:16,149 --> 00:27:14,799

um you know i mean they they had been

721

00:27:18,230 --> 00:27:16,159

watching and been

722

00:27:19,510 --> 00:27:18,240

interested in allegedly the betty and

723

00:27:21,990 --> 00:27:19,520

barney hill case

724

00:27:23,510 --> 00:27:22,000

which was front and center in the media

725

00:27:26,710 --> 00:27:23,520

at that time

726

00:27:30,070 --> 00:27:26,720

yeah yeah two weeks before

727

00:27:32,950 --> 00:27:30,080

the alleged abduction was when the movie

728

00:27:36,870 --> 00:27:32,960

world premiered on tv

729

00:27:38,149 --> 00:27:36,880

and back then you know they admitted

730

00:27:41,990 --> 00:27:38,159

that they saw it

731

00:27:45,510 --> 00:27:42,000

mike said he saw part of it

732

00:27:47,990 --> 00:27:45,520

and if you watch

733

00:27:50,230 --> 00:27:48,000

there's an interview with travis from

734

00:27:53,269 --> 00:27:50,240

january on joe rogan

735

00:27:53,909 --> 00:27:53,279

yeah and he says specifically in the

736

00:27:57,830 --> 00:27:53,919

interview

737

00:28:00,310 --> 00:27:57,840

joe asks him were you aware of that case

738

00:28:01,110 --> 00:28:00,320

and travis is a little bit evasive about

739

00:28:04,230 --> 00:28:01,120

it and he says

740

00:28:07,430 --> 00:28:04,240

probably so you know

741

00:28:10,070 --> 00:28:07,440

there there was like like erica said

742

00:28:12,870 --> 00:28:10,080

people in town knew that they all had

743

00:28:15,029 --> 00:28:12,880

these interests in ufos

744

00:28:16,230 --> 00:28:15,039

and the sheriff he came and made that

745

00:28:18,230 --> 00:28:16,240

statement um

746

00:28:20,470 --> 00:28:18,240

another woman who wouldn't give her name

747

00:28:23,909 --> 00:28:20,480

because she was a government employee

748

00:28:26,470 --> 00:28:23,919

uh said that travis had come to her

749

00:28:28,230 --> 00:28:26,480

uh earlier before the alleged abduction

750

00:28:30,950 --> 00:28:28,240

and said that you know he was being

751

00:28:33,830 --> 00:28:30,960

chased by a ufo

752

00:28:34,870 --> 00:28:33,840

there's another document in there and i

753

00:28:38,070 --> 00:28:34,880

think it's

754

00:28:40,630 --> 00:28:38,080

apro or ground saucer watch

755

00:28:42,230 --> 00:28:40,640

where it states that the brothers

756

00:28:45,830 --> 00:28:42,240

between them

757

00:28:49,350 --> 00:28:45,840

had 10 to 15 sightings of ufos

758

00:28:51,990 --> 00:28:49,360

before this even happened right so

759

00:28:54,230 --> 00:28:52,000

and mike has also come forward mike has

760

00:28:56,149 --> 00:28:54,240

actually written a book

761

00:28:58,630 --> 00:28:56,159

and i don't think he's published it yet

762

00:29:01,669 --> 00:28:58,640

but he's put the cover on his page

763

00:29:03,990 --> 00:29:01,679

about him and travis seeing a ufo i

764

00:29:08,630 --> 00:29:04,000

think in 1971

765

00:29:12,389 --> 00:29:08,640

four years before so you know

766

00:29:15,269 --> 00:29:12,399

take it as you will yeah no absolutely

767

00:29:16,070 --> 00:29:15,279

um and like i i've seen these videos

768

00:29:17,350 --> 00:29:16,080

you've done and

769

00:29:19,430 --> 00:29:17,360

where you've been speaking with ryan

770

00:29:20,950 --> 00:29:19,440

gordon and and you know he he really

771

00:29:22,630 --> 00:29:20,960

doesn't seem to be

772

00:29:24,630 --> 00:29:22,640

pushing any agendas or anything he's

773

00:29:26,549 --> 00:29:24,640

just a guy who's involved in this and

774

00:29:29,269 --> 00:29:26,559

he's laying it all out i think hello you

775

00:29:31,750 --> 00:29:29,279

know he's been attacked

776

00:29:33,029 --> 00:29:31,760

hasn't he you guys have been yes called

777

00:29:34,389 --> 00:29:33,039

out for doing this and i just think

778

00:29:36,310 --> 00:29:34,399

that's shameful because

779

00:29:38,389 --> 00:29:36,320

you know we need to have people look at

780

00:29:39,750 --> 00:29:38,399

things like this because you know

781

00:29:41,990 --> 00:29:39,760

yes people don't want to see their

782

00:29:44,470 --> 00:29:42,000

heroes fall and things like that but

783

00:29:46,789 --> 00:29:44,480

when it is a possibility of being a

784

00:29:49,909 --> 00:29:46,799

complete lie and a hoax unfortunately

785

00:29:51,990 --> 00:29:49,919

this has to be done you know um so

786

00:29:54,230 --> 00:29:52,000

no i i commend you guys for your work

787

00:29:56,470 --> 00:29:54,240

seriously i do you thank you um

788

00:29:57,750 --> 00:29:56,480

that means a lot and i think that that

789

00:29:59,110 --> 00:29:57,760

has been a real sh

790

00:30:00,950 --> 00:29:59,120

i guess it shouldn't be surprising

791

00:30:01,669 --> 00:30:00,960

because i've had you know dealings in

792

00:30:05,190 --> 00:30:01,679

the past

793

00:30:06,789 --> 00:30:05,200

with the ufo community uh

794

00:30:08,630 --> 00:30:06,799

when i've tried to stand up and talk

795

00:30:09,350 --> 00:30:08,640

about things but i think that it has

796

00:30:12,470 --> 00:30:09,360

been

797

00:30:14,389 --> 00:30:12,480

really sad to see the cult-like uh

798

00:30:15,830 --> 00:30:14,399

beliefs of these people and it's almost

799

00:30:17,190 --> 00:30:15,840

like you know if you go back and you

800

00:30:18,870 --> 00:30:17,200

look at scientology

801
00:30:21,269 --> 00:30:18,880
which interestingly enough you know a

802
00:30:22,870 --> 00:30:21,279
couple people back in the 70s

803
00:30:24,149 --> 00:30:22,880
were scientologists i don't know go

804
00:30:24,789 --> 00:30:24,159
figure they're involved with the ufo

805
00:30:27,110 --> 00:30:24,799
community

806
00:30:27,990 --> 00:30:27,120
another story but you know so you've got

807
00:30:31,110 --> 00:30:28,000
the way that

808
00:30:33,350 --> 00:30:31,120
that specific uh religious uh

809
00:30:34,310 --> 00:30:33,360
groups deal with people that speak out

810
00:30:36,070 --> 00:30:34,320
against them

811
00:30:37,990 --> 00:30:36,080
and you can see that you know again

812
00:30:39,190 --> 00:30:38,000
we've got this case where it was it was

813
00:30:41,510 --> 00:30:39,200

like

814

00:30:42,870 --> 00:30:41,520

absolutely shocking to me that i had a

815

00:30:44,549 --> 00:30:42,880

person that was listening from a

816

00:30:45,269 --> 00:30:44,559

different country and was like wow thank

817

00:30:47,590 --> 00:30:45,279

you

818

00:30:49,350 --> 00:30:47,600

so much and this person posted the

819

00:30:50,230 --> 00:30:49,360

interview on several different facebook

820

00:30:53,269 --> 00:30:50,240

groups

821

00:30:54,310 --> 00:30:53,279

and this person was bullied and

822

00:30:56,070 --> 00:30:54,320

threatened

823

00:30:57,430 --> 00:30:56,080

and was told to take these interviews

824

00:31:00,470 --> 00:30:57,440

down and

825

00:31:01,190 --> 00:31:00,480

i mean it was just like what i mean this

826

00:31:03,190 --> 00:31:01,200

is

827

00:31:04,470 --> 00:31:03,200

you know are these you know what what's

828

00:31:07,110 --> 00:31:04,480

behind this

829

00:31:07,669 --> 00:31:07,120

are these people that are so willing to

830

00:31:10,389 --> 00:31:07,679

uh

831

00:31:11,269 --> 00:31:10,399

die on a cross for heroes that at the

832

00:31:13,830 --> 00:31:11,279

end of the day

833

00:31:14,870 --> 00:31:13,840

have a lot of issues with their stories

834

00:31:17,430 --> 00:31:14,880

i mean is that

835

00:31:19,350 --> 00:31:17,440

where they want to go and to me it just

836

00:31:20,710 --> 00:31:19,360

proved again that it is just a big

837

00:31:22,230 --> 00:31:20,720

social club

838

00:31:24,070 --> 00:31:22,240

and another thing i just want to state

839

00:31:26,230 --> 00:31:24,080

and i've said this on the show

840

00:31:27,350 --> 00:31:26,240

when i started seeing this uh you know

841

00:31:28,870 --> 00:31:27,360

rhetoric on

842

00:31:30,710 --> 00:31:28,880

on facebook where they were they were

843

00:31:31,509 --> 00:31:30,720

mounting these attacks and and social

844

00:31:33,669 --> 00:31:31,519

media

845

00:31:35,430 --> 00:31:33,679

i said to them and they were just like

846

00:31:37,190 --> 00:31:35,440

well you know this person can

847

00:31:38,710 --> 00:31:37,200

you know eff off and this person you

848

00:31:41,190 --> 00:31:38,720

know blah blah blah blah i mean

849

00:31:41,909 --> 00:31:41,200

really nasty personal attacks and i i

850

00:31:44,389 --> 00:31:41,919

said to

851
00:31:45,909 --> 00:31:44,399
some of them one of them whom is i like

852
00:31:47,430 --> 00:31:45,919
and is a very prominent person in the

853
00:31:50,070 --> 00:31:47,440
ufo world i just said

854
00:31:52,070 --> 00:31:50,080
have you watched the interview and the

855
00:31:55,750 --> 00:31:52,080
answer was no

856
00:31:58,310 --> 00:31:55,760
you know and i just think okay

857
00:31:58,870 --> 00:31:58,320
so go ahead and you know everybody make

858
00:32:01,029 --> 00:31:58,880
uh

859
00:32:01,990 --> 00:32:01,039
judgments based on whether you like

860
00:32:03,909 --> 00:32:02,000
somebody

861
00:32:05,990 --> 00:32:03,919
but you know then i guess at a deeper

862
00:32:08,230 --> 00:32:06,000
level all of these people are

863
00:32:10,230 --> 00:32:08,240

speaking at conferences together they're

864

00:32:12,710 --> 00:32:10,240

all you know

865

00:32:13,750 --> 00:32:12,720

in a bigger picture or potentially you

866

00:32:16,470 --> 00:32:13,760

know

867

00:32:16,789 --> 00:32:16,480

capitalizing on revenue streams from you

868

00:32:19,590 --> 00:32:16,799

know

869

00:32:20,389 --> 00:32:19,600

just from certain things and so it's

870

00:32:22,549 --> 00:32:20,399

it's this is

871

00:32:23,830 --> 00:32:22,559

it opened a hornet's nest but at the end

872

00:32:26,230 --> 00:32:23,840

of the day that's

873

00:32:27,669 --> 00:32:26,240

what i think scott and i that's what we

874

00:32:29,830 --> 00:32:27,679

want to do because we believe the

875

00:32:31,509 --> 00:32:29,840

subject is so important

876

00:32:33,669 --> 00:32:31,519

that this thing that we need to be

877

00:32:35,350 --> 00:32:33,679

critical and we need to lay this out

878

00:32:37,669 --> 00:32:35,360

and people have to understand that they

879

00:32:39,509 --> 00:32:37,679

have been manipulated and lied to

880

00:32:41,190 --> 00:32:39,519

and it's not by the people that are

881

00:32:43,750 --> 00:32:41,200

claiming that disclosure

882

00:32:47,669 --> 00:32:43,760

is is here and that they have messages

883

00:32:51,590 --> 00:32:49,590

that is really interesting isn't it i

884

00:32:52,789 --> 00:32:51,600

mean let's move on from that let's talk

885

00:32:53,590 --> 00:32:52,799

about other things because there are

886

00:32:55,269 --> 00:32:53,600

more things

887

00:32:56,710 --> 00:32:55,279

that we can talk about what are your

888

00:32:58,549 --> 00:32:56,720

guys feelings on everything that's going

889

00:33:01,990 --> 00:32:58,559

on right now in in

890

00:33:03,669 --> 00:33:02,000

in regards to the government the ua ptf

891

00:33:05,350 --> 00:33:03,679

the report or should i say the

892

00:33:06,710 --> 00:33:05,360

preliminary assessment that came out

893

00:33:08,310 --> 00:33:06,720

june 25th

894

00:33:10,630 --> 00:33:08,320

where do you see it at at the moment

895

00:33:12,630 --> 00:33:10,640

ufology and disclosure and things

896

00:33:14,630 --> 00:33:12,640

um you know and where do you see it

897

00:33:18,470 --> 00:33:14,640

going

898

00:33:20,630 --> 00:33:18,480

erica i was not saying anything and i'm

899

00:33:23,909 --> 00:33:20,640

like nope nope okay

900

00:33:24,549 --> 00:33:23,919

um you know what i i think that the one

901
00:33:26,630 --> 00:33:24,559
really

902
00:33:29,190 --> 00:33:26,640
great thing about the new york times

903
00:33:31,909 --> 00:33:29,200
article in 2017

904
00:33:32,710 --> 00:33:31,919
was that it started to create an

905
00:33:35,750 --> 00:33:32,720
awareness

906
00:33:37,350 --> 00:33:35,760
in the world in the community uh and and

907
00:33:39,990 --> 00:33:37,360
i had a lot of different people that

908
00:33:42,149 --> 00:33:40,000
still come to me and i saw this report

909
00:33:43,509 --> 00:33:42,159
you know these two navy pilots talking

910
00:33:46,070 --> 00:33:43,519
about what took place

911
00:33:47,110 --> 00:33:46,080
and so people that never even thought

912
00:33:49,430 --> 00:33:47,120
about this

913
00:33:50,549 --> 00:33:49,440

are now saying wait a minute and that

914

00:33:54,630 --> 00:33:50,559

was a really

915

00:33:56,310 --> 00:33:54,640

great thing and then you know you have

916

00:33:59,110 --> 00:33:56,320

sort of the fallout from that where we

917

00:34:01,750 --> 00:33:59,120

have promises that we will be getting

918

00:34:03,430 --> 00:34:01,760

specific materials and that the keys to

919

00:34:03,990 --> 00:34:03,440

the kingdom will be handed to us and

920

00:34:07,029 --> 00:34:04,000

then

921

00:34:09,030 --> 00:34:07,039

we're gonna pull it back again

922

00:34:10,869 --> 00:34:09,040

and then oh no over here and then oh my

923

00:34:12,790 --> 00:34:10,879

lord jeremy corbell is releasing the

924

00:34:16,149 --> 00:34:12,800

mothership tomorrow and then

925

00:34:18,230 --> 00:34:16,159

oh just kidding whoops you know and so

926

00:34:19,349 --> 00:34:18,240

i think that that's been there's there's

927

00:34:22,550 --> 00:34:19,359

it's like we take

928

00:34:25,750 --> 00:34:22,560

100 steps forward and then

929

00:34:26,629 --> 00:34:25,760

same group of people is taken 200 steps

930

00:34:28,149 --> 00:34:26,639

back

931

00:34:29,829 --> 00:34:28,159

and you have to ask yourself you know

932

00:34:32,950 --> 00:34:29,839

what is the motivation

933

00:34:35,109 --> 00:34:32,960

for that is there a political agenda uh

934

00:34:37,510 --> 00:34:35,119

is there you know i mean what what sort

935

00:34:39,750 --> 00:34:37,520

of agenda do these people have

936

00:34:41,310 --> 00:34:39,760

are they you know doing something with

937

00:34:42,869 --> 00:34:41,320

you know louis elizondo i mean is this

938

00:34:45,270 --> 00:34:42,879

counterintelligence

939

00:34:46,790 --> 00:34:45,280

what are the games being played because

940

00:34:49,990 --> 00:34:46,800

in my opinion

941

00:34:52,629 --> 00:34:50,000

none of this seems above board and

942

00:34:54,310 --> 00:34:52,639

and i will just also say my work with

943

00:34:56,550 --> 00:34:54,320

skinwalker ranch

944

00:34:57,670 --> 00:34:56,560

which again has been as has aged me

945

00:34:59,670 --> 00:34:57,680

beyond belief

946

00:35:01,430 --> 00:34:59,680

and somebody needs to start a botox fund

947

00:35:04,390 --> 00:35:01,440

i keep telling scott i'm like

948

00:35:05,109 --> 00:35:04,400

sweet baby joe i mean this is too much

949

00:35:07,109 --> 00:35:05,119

for me

950

00:35:08,150 --> 00:35:07,119

and you know counseling i don't whatever

951
00:35:10,390 --> 00:35:08,160
but um

952
00:35:12,950 --> 00:35:10,400
you know that that showed to me that you

953
00:35:15,109 --> 00:35:12,960
could have a story that was created by

954
00:35:17,270 --> 00:35:15,119
specific people that like to create

955
00:35:19,510 --> 00:35:17,280
stories about the narrative

956
00:35:22,150 --> 00:35:19,520
and then underneath the scenes you've

957
00:35:24,069 --> 00:35:22,160
got the 22 million dollars that is going

958
00:35:26,470 --> 00:35:24,079
towards the asap contract which is

959
00:35:28,390 --> 00:35:26,480
advanced aerospace weapons testing

960
00:35:30,470 --> 00:35:28,400
has nothing to do with ufos it has to do

961
00:35:33,750 --> 00:35:30,480
with non-lethal weapons

962
00:35:35,990 --> 00:35:33,760
and all of these things and and so

963
00:35:37,430 --> 00:35:36,000

to me it's and then you've got people

964

00:35:40,230 --> 00:35:37,440

that are going out there

965

00:35:41,270 --> 00:35:40,240

you know making money on blogs and

966

00:35:43,349 --> 00:35:41,280

different things

967

00:35:45,670 --> 00:35:43,359

writing articles saying that oh no no

968

00:35:49,750 --> 00:35:45,680

they were just using that as a cover

969

00:35:51,589 --> 00:35:49,760

and it's like seriously i mean

970

00:35:53,510 --> 00:35:51,599

i don't i mean so it's really amazing

971

00:35:55,829 --> 00:35:53,520

but like i said i don't what we're being

972

00:35:58,390 --> 00:35:55,839

presented with in that front is not

973

00:35:59,430 --> 00:35:58,400

what it appears to be and i hope that it

974

00:36:02,630 --> 00:35:59,440

sounds like looking at

975

00:36:03,430 --> 00:36:02,640

the comments in in your chat that this

976
00:36:04,870 --> 00:36:03,440
is really

977
00:36:06,950 --> 00:36:04,880
awesome that you've got people that are

978
00:36:10,230 --> 00:36:06,960
willing to step back and

979
00:36:12,790 --> 00:36:10,240
look at a very questionable narrative

980
00:36:13,430 --> 00:36:12,800
yeah yeah that's true yeah what about

981
00:36:14,790 --> 00:36:13,440
you scott

982
00:36:17,030 --> 00:36:14,800
how do you think things are playing out

983
00:36:20,310 --> 00:36:17,040
at the moment since the kind of

984
00:36:22,470 --> 00:36:20,320
let down of the 25th of june

985
00:36:23,510 --> 00:36:22,480
report where do you think we'll go from

986
00:36:25,750 --> 00:36:23,520
here

987
00:36:29,430 --> 00:36:25,760
well first i want to say i agree with

988
00:36:33,190 --> 00:36:29,440

erica that after 2017

989

00:36:34,550 --> 00:36:33,200

it kind of a ton of people got involved

990

00:36:37,910 --> 00:36:34,560

that were never

991

00:36:39,030 --> 00:36:37,920

even interested in the subject which is

992

00:36:41,910 --> 00:36:39,040

really cool

993

00:36:42,550 --> 00:36:41,920

it's a whole new generation you know a

994

00:36:45,190 --> 00:36:42,560

lot of

995

00:36:46,550 --> 00:36:45,200

veteran researchers they're you know

996

00:36:49,750 --> 00:36:46,560

kind of passing away

997

00:36:51,670 --> 00:36:49,760

and they need a new generation

998

00:36:52,870 --> 00:36:51,680

but they need a new generation that's

999

00:36:58,470 --> 00:36:52,880

critical

1000

00:37:01,829 --> 00:36:58,480

evidence with a microscope

1001
00:37:06,069 --> 00:37:03,670
i've never trusted a word that the

1002
00:37:09,109 --> 00:37:06,079
government says

1003
00:37:10,069 --> 00:37:09,119
and we can we can leave this subject out

1004
00:37:13,109 --> 00:37:10,079
completely

1005
00:37:17,109 --> 00:37:13,119
and just look at the track record

1006
00:37:17,829 --> 00:37:17,119
of our government and they have lied to

1007
00:37:20,710 --> 00:37:17,839
the people

1008
00:37:22,870 --> 00:37:20,720
over and over again about so many things

1009
00:37:26,470 --> 00:37:22,880
and it's all documented

1010
00:37:28,230 --> 00:37:26,480
and so something this important

1011
00:37:30,230 --> 00:37:28,240
you know like they're gonna open up a

1012
00:37:31,190 --> 00:37:30,240
door and say hey guess what you know we

1013
00:37:34,870 --> 00:37:31,200

got all this

1014

00:37:35,270 --> 00:37:34,880

stockpile of uh videos and pictures in

1015

00:37:37,510 --> 00:37:35,280

here

1016

00:37:38,470 --> 00:37:37,520

take a look at this that's not gonna

1017

00:37:42,710 --> 00:37:38,480

happen

1018

00:37:44,630 --> 00:37:42,720

now

1019

00:37:46,950 --> 00:37:44,640

they've already talked about the photo

1020

00:37:48,150 --> 00:37:46,960

that's rumored with the triangle coming

1021

00:37:50,470 --> 00:37:48,160

up out of the ocean

1022

00:37:51,190 --> 00:37:50,480

that's been talked about and it's you

1023

00:37:54,150 --> 00:37:51,200

know been

1024

00:37:56,310 --> 00:37:54,160

circulating for a while now some people

1025

00:37:59,910 --> 00:37:56,320

claim to have seen it

1026
00:38:02,790 --> 00:37:59,920
that's great let's see it yeah

1027
00:38:04,150 --> 00:38:02,800
you know and then the other thing where

1028
00:38:07,430 --> 00:38:04,160
lou was talking about

1029
00:38:11,510 --> 00:38:07,440
the 23 minute video that

1030
00:38:12,790 --> 00:38:11,520
he said he saw and you know it's crystal

1031
00:38:15,270 --> 00:38:12,800
clear

1032
00:38:16,069 --> 00:38:15,280
you can see the details you know let's

1033
00:38:19,430 --> 00:38:16,079
see it

1034
00:38:21,750 --> 00:38:19,440
yeah show it to us i mean

1035
00:38:22,870 --> 00:38:21,760
i look at it this way down through the

1036
00:38:25,750 --> 00:38:22,880
literature

1037
00:38:26,870 --> 00:38:25,760
you can find cases where people pulled

1038
00:38:29,430 --> 00:38:26,880

out their

1039

00:38:30,150 --> 00:38:29,440

eight millimeter cameras back in the 70s

1040

00:38:32,550 --> 00:38:30,160

and filmed

1041

00:38:33,910 --> 00:38:32,560

something or they took clear shots of

1042

00:38:36,310 --> 00:38:33,920

something

1043

00:38:38,390 --> 00:38:36,320

and they were confiscated so if they

1044

00:38:42,390 --> 00:38:38,400

were confiscated

1045

00:38:45,430 --> 00:38:42,400

from a civilian how is that classified

1046

00:38:45,990 --> 00:38:45,440

because that person shot it yeah so how

1047

00:38:48,950 --> 00:38:46,000

can that be

1048

00:38:50,069 --> 00:38:48,960

classified so let's just leave all the

1049

00:38:51,829 --> 00:38:50,079

other stuff out

1050

00:38:53,510 --> 00:38:51,839

how about all the stuff that they

1051

00:38:55,430 --> 00:38:53,520

confiscated

1052

00:38:57,430 --> 00:38:55,440

give it back to the public because it

1053

00:38:58,870 --> 00:38:57,440

should be ours to look at

1054

00:39:00,950 --> 00:38:58,880

absolutely i think i think there is a

1055

00:39:02,870 --> 00:39:00,960

point though uh you know there

1056

00:39:04,710 --> 00:39:02,880

we we could be i mean like you've got

1057

00:39:08,150 --> 00:39:04,720

people that are going out to

1058

00:39:10,390 --> 00:39:08,160

the edge of of dugway or area 51

1059

00:39:12,310 --> 00:39:10,400

you know with things and i mean that's a

1060

00:39:12,790 --> 00:39:12,320

special a lot of people and so they're

1061

00:39:15,270 --> 00:39:12,800

going

1062

00:39:15,829 --> 00:39:15,280

out there and they are filming things

1063

00:39:18,550 --> 00:39:15,839

that are

1064

00:39:20,310 --> 00:39:18,560

classified projects and that is a threat

1065

00:39:23,589 --> 00:39:20,320

to our national security

1066

00:39:24,230 --> 00:39:23,599

and so to me to have you know i mean i i

1067

00:39:26,390 --> 00:39:24,240

would hope

1068

00:39:27,430 --> 00:39:26,400

that our government would do its due

1069

00:39:29,829 --> 00:39:27,440

diligence

1070

00:39:30,710 --> 00:39:29,839

and make sure that that information

1071

00:39:32,310 --> 00:39:30,720

isn't

1072

00:39:34,069 --> 00:39:32,320

available to the public and i would

1073

00:39:36,870 --> 00:39:34,079

understand that

1074

00:39:38,310 --> 00:39:36,880

aspect of things and i have to say i

1075

00:39:39,510 --> 00:39:38,320

wonder with the

1076

00:39:41,349 --> 00:39:39,520

some of the videos that are being

1077

00:39:42,950 --> 00:39:41,359

released from uh

1078

00:39:44,870 --> 00:39:42,960

from team corbell if there wasn't a

1079

00:39:47,829 --> 00:39:44,880

little bit of that maybe perhaps that is

1080

00:39:50,470 --> 00:39:47,839

uh our technology or another adversary's

1081

00:39:54,230 --> 00:39:50,480

technology and so there's some sort of

1082

00:39:57,270 --> 00:39:54,240

something going on on there that yeah

1083

00:39:59,589 --> 00:39:57,280

yeah and i would say you know i and

1084

00:40:01,990 --> 00:39:59,599

and i'm not downing george knapp or

1085

00:40:05,030 --> 00:40:02,000

jeremy corbell

1086

00:40:08,230 --> 00:40:05,040

the enthusiasm is there yeah to

1087

00:40:10,790 --> 00:40:08,240

to you know try to get at things

1088

00:40:12,710 --> 00:40:10,800

and get it out there but what's been

1089

00:40:16,069 --> 00:40:12,720

released so far to the public

1090

00:40:19,589 --> 00:40:16,079

with footage and images

1091

00:40:21,430 --> 00:40:19,599

is super unimpressive you know and

1092

00:40:23,270 --> 00:40:21,440

and people are picking away at it you

1093

00:40:26,950 --> 00:40:23,280

know trying to blow it up and

1094

00:40:29,829 --> 00:40:26,960

you know try to examine it and and

1095

00:40:30,630 --> 00:40:29,839

you know it's you know vinnie as well as

1096

00:40:33,750 --> 00:40:30,640

i do

1097

00:40:37,270 --> 00:40:33,760

that the government has

1098

00:40:40,710 --> 00:40:37,280

the best visual imaging equipment

1099

00:40:41,990 --> 00:40:40,720

in the world yeah and so if there's

1100

00:40:45,349 --> 00:40:42,000

stuff out there that's

1101

00:40:48,870 --> 00:40:45,359

swarming these ships or

1102

00:40:52,069 --> 00:40:48,880

buzzing our air force jets

1103

00:40:55,270 --> 00:40:52,079

you know that they have clear footage

1104

00:40:59,430 --> 00:40:55,280

of whatever that is yeah absolutely

1105

00:41:01,430 --> 00:40:59,440

and they have it and they know it and so

1106

00:41:03,829 --> 00:41:01,440

you know i'm on the fence with all that

1107

00:41:07,109 --> 00:41:03,839

stuff that george and jeremy released

1108

00:41:11,510 --> 00:41:07,119

it's you know i know they're trying

1109

00:41:14,230 --> 00:41:11,520

and and you know but like i said

1110

00:41:15,910 --> 00:41:14,240

looking at hundreds of photos and

1111

00:41:17,190 --> 00:41:15,920

hundreds of hours of footage over the

1112

00:41:20,790 --> 00:41:17,200

years

1113

00:41:23,430 --> 00:41:20,800

it's just not impressive it's not and

1114

00:41:24,390 --> 00:41:23,440

you know not to bring up mick west's

1115

00:41:26,069 --> 00:41:24,400

name or anything

1116

00:41:27,750 --> 00:41:26,079

no no please do i was actually going to

1117

00:41:28,230 --> 00:41:27,760

go that way with the conversation so

1118

00:41:33,990 --> 00:41:28,240

please

1119

00:41:37,349 --> 00:41:34,000

points about that footage

1120

00:41:40,950 --> 00:41:37,359

and mix a smart guy he's not stupid

1121

00:41:41,910 --> 00:41:40,960

he's a sharp guy what i will disagree

1122

00:41:44,790 --> 00:41:41,920

about

1123

00:41:45,430 --> 00:41:44,800

uh something with him is that he's super

1124

00:41:48,390 --> 00:41:45,440

biased

1125

00:41:49,349 --> 00:41:48,400

he won't entertain even the idea that

1126

00:41:51,510 --> 00:41:49,359

there's something

1127

00:41:53,190 --> 00:41:51,520

out there that we can't explain he

1128

00:41:54,309 --> 00:41:53,200

doesn't even want to deal with that at

1129

00:41:56,470 --> 00:41:54,319

all

1130

00:41:59,430 --> 00:41:56,480

so it kind of reminds me of like a

1131

00:42:02,870 --> 00:42:01,030

you're familiar with him right

1132

00:42:05,510 --> 00:42:02,880

absolutely yeah so

1133

00:42:07,349 --> 00:42:05,520

everything was fake there was nothing

1134

00:42:09,990 --> 00:42:07,359

that can't be real

1135

00:42:11,190 --> 00:42:10,000

that can't be another life form nobody's

1136

00:42:15,109 --> 00:42:11,200

coming here

1137

00:42:18,150 --> 00:42:15,119

you know i disagree with that and so

1138

00:42:19,430 --> 00:42:18,160

you know i mean it is what it is and so

1139

00:42:20,950 --> 00:42:19,440

what i just want to go say you know

1140

00:42:23,670 --> 00:42:20,960

scott that we we get in these

1141

00:42:24,309 --> 00:42:23,680

conversations and i i respect you you

1142

00:42:26,470 --> 00:42:24,319

just are

1143

00:42:27,589 --> 00:42:26,480

i love working with you you're so much i

1144

00:42:30,230 --> 00:42:27,599

love it and

1145

00:42:31,750 --> 00:42:30,240

and for me because i've had you know a

1146

00:42:34,630 --> 00:42:31,760

lot of the skinwalker stuff

1147

00:42:35,990 --> 00:42:34,640

and seen that narrative uh well there

1148

00:42:37,109 --> 00:42:36,000

are a lot of problems with that one and

1149

00:42:40,470 --> 00:42:37,119

somebody clearly

1150

00:42:41,750 --> 00:42:40,480

george knapp kelleher uh created a book

1151

00:42:45,270 --> 00:42:41,760

where they took

1152

00:42:48,150 --> 00:42:45,280

the mythology of the the area they took

1153

00:42:49,030 --> 00:42:48,160

uh reports from junior hicks they took

1154

00:42:51,750 --> 00:42:49,040

all of this stuff

1155

00:42:52,470 --> 00:42:51,760

and created a special place on the

1156

00:42:54,550 --> 00:42:52,480

planet

1157

00:42:57,349 --> 00:42:54,560

unlike any others where we've got all of

1158

00:42:59,030 --> 00:42:57,359

these shape-shifting werewolves and

1159

00:43:01,030 --> 00:42:59,040

proof blah blah blah blah blah

1160

00:43:02,710 --> 00:43:01,040

portals opening up and strange creatures

1161

00:43:04,550 --> 00:43:02,720

getting out all of this crap and

1162

00:43:06,550 --> 00:43:04,560

that is the kind of stuff that george

1163

00:43:08,550 --> 00:43:06,560

knapp has presented over his

1164

00:43:10,230 --> 00:43:08,560

illustrious career and yet we've never

1165

00:43:11,910 --> 00:43:10,240

seen any tangible evidence

1166

00:43:14,230 --> 00:43:11,920

what we've had are people that are on

1167

00:43:16,950 --> 00:43:14,240

bigelow's payroll come forward

1168

00:43:17,910 --> 00:43:16,960

and promote a story without any actual

1169

00:43:20,710 --> 00:43:17,920

evidence

1170

00:43:21,030 --> 00:43:20,720

and to me i say that i think george

1171

00:43:23,349 --> 00:43:21,040

knapp

1172

00:43:24,470 --> 00:43:23,359

and jeremy corbell even though they have

1173

00:43:26,710 --> 00:43:24,480

made a lot of money

1174

00:43:27,670 --> 00:43:26,720

off of this i definitely think i would

1175

00:43:32,950 --> 00:43:27,680

like to see

1176
00:43:34,870 --> 00:43:32,960
yeah no there's me at my little soapbox

1177
00:43:35,510 --> 00:43:34,880
but no that's that's great i love i'd

1178
00:43:36,870 --> 00:43:35,520
love to hear

1179
00:43:39,430 --> 00:43:36,880
all the opinions and you mentioned

1180
00:43:39,750 --> 00:43:39,440
skinwalker and yeah i mean i was always

1181
00:43:42,309 --> 00:43:39,760
a bit

1182
00:43:43,349 --> 00:43:42,319
skeptical about the 20 years work that

1183
00:43:45,589 --> 00:43:43,359
bigelow's

1184
00:43:47,030 --> 00:43:45,599
teams did and stuff but then i'm i've

1185
00:43:49,910 --> 00:43:47,040
been turned around a little bit

1186
00:43:51,349 --> 00:43:49,920
by brandon fugle um and not just

1187
00:43:53,109 --> 00:43:51,359
watching the tv show

1188
00:43:54,390 --> 00:43:53,119

the secret skin walker ranch but just

1189

00:43:55,109 --> 00:43:54,400

watching some of the interviews he's

1190

00:43:57,349 --> 00:43:55,119

done and

1191

00:43:59,030 --> 00:43:57,359

and the beliefs he has and and you know

1192

00:44:00,710 --> 00:43:59,040

he's putting all of his own money into

1193

00:44:03,190 --> 00:44:00,720

it they're not

1194

00:44:04,630 --> 00:44:03,200

you know hoaxing or faking anything so

1195

00:44:06,829 --> 00:44:04,640

what are your thoughts on that sort of

1196

00:44:21,030 --> 00:44:06,839

aspect of it or is it still just

1197

00:44:25,190 --> 00:44:23,750

and i i like brandon you know i i like

1198

00:44:27,430 --> 00:44:25,200

brandon a lot in fact we're

1199

00:44:28,470 --> 00:44:27,440

i have a dinner this week uh with

1200

00:44:31,750 --> 00:44:28,480

brandon and

1201

00:44:35,030 --> 00:44:31,760

a few other people um i use a very

1202

00:44:38,390 --> 00:44:35,040

nice uh gregarious generous

1203

00:44:40,150 --> 00:44:38,400

successful businessman who is a pillar

1204

00:44:41,990 --> 00:44:40,160

in the community in utah

1205

00:44:43,750 --> 00:44:42,000

and is also on the governor's economic

1206

00:44:46,550 --> 00:44:43,760

advisory board and the covid

1207

00:44:47,430 --> 00:44:46,560

advisory board interestingly enough and

1208

00:44:49,670 --> 00:44:47,440

he has

1209

00:44:52,150 --> 00:44:49,680

a lot of business dealings above and

1210

00:44:55,910 --> 00:44:52,160

beyond his dealings in real estate

1211

00:44:58,390 --> 00:44:55,920

yeah and so i think that um

1212

00:44:58,950 --> 00:44:58,400

you know it it is an interesting idea

1213

00:45:02,470 --> 00:44:58,960

that

1214

00:45:05,589 --> 00:45:02,480

no money has been made from the ranch

1215

00:45:06,470 --> 00:45:05,599

and and i i want to take that at face

1216

00:45:09,349 --> 00:45:06,480

value

1217

00:45:09,990 --> 00:45:09,359

um there is a tv show being made there

1218

00:45:14,390 --> 00:45:10,000

is

1219

00:45:16,309 --> 00:45:14,400

place that people are benefiting from

1220

00:45:18,309 --> 00:45:16,319

uh in the area there are a lot of things

1221

00:45:20,870 --> 00:45:18,319

going on that

1222

00:45:21,430 --> 00:45:20,880

there could be outside revenue streams

1223

00:45:24,550 --> 00:45:21,440

yeah

1224

00:45:26,470 --> 00:45:24,560

above and away from from the ranch

1225

00:45:27,910 --> 00:45:26,480

and so i definitely think those are

1226
00:45:30,710 --> 00:45:27,920
things um

1227
00:45:31,190 --> 00:45:30,720
to take into consideration but i would

1228
00:45:34,550 --> 00:45:31,200
love

1229
00:45:36,950 --> 00:45:34,560
to sit down and see

1230
00:45:37,670 --> 00:45:36,960
the scientific evidence that they've

1231
00:45:40,790 --> 00:45:37,680
have

1232
00:45:43,589 --> 00:45:40,800
created or that they've captured um

1233
00:45:44,630 --> 00:45:43,599
i know for me personally i went over to

1234
00:45:47,270 --> 00:45:44,640
norway

1235
00:45:48,790 --> 00:45:47,280
to stalin and i had the pleasure of for

1236
00:45:52,069 --> 00:45:48,800
two weeks working and

1237
00:45:53,670 --> 00:45:52,079
watching uh airling strand and some of

1238
00:45:56,950 --> 00:45:53,680

the best researchers from

1239

00:46:00,150 --> 00:45:56,960

uh germany from france from italy

1240

00:46:02,550 --> 00:46:00,160

uh come together and they are they're

1241

00:46:03,430 --> 00:46:02,560

coming up with groundbreaking equipment

1242

00:46:05,910 --> 00:46:03,440

to actually

1243

00:46:06,870 --> 00:46:05,920

study a place where they are

1244

00:46:08,790 --> 00:46:06,880

experiencing

1245

00:46:10,790 --> 00:46:08,800

very unusual things and they have been

1246

00:46:13,270 --> 00:46:10,800

for almost 40 years

1247

00:46:14,630 --> 00:46:13,280

that type of thing for me is where it's

1248

00:46:16,630 --> 00:46:14,640

at and i want to just go on

1249

00:46:18,470 --> 00:46:16,640

on record saying again i've said this a

1250

00:46:21,190 --> 00:46:18,480

million times if you want to talk about

1251
00:46:22,069 --> 00:46:21,200
the the most funded and studied place on

1252
00:46:24,150 --> 00:46:22,079
the planet

1253
00:46:26,150 --> 00:46:24,160
it isn't skinwalker ranch it's over in

1254
00:46:27,109 --> 00:46:26,160
norway and those are people who are

1255
00:46:29,589 --> 00:46:27,119
doing things and

1256
00:46:31,430 --> 00:46:29,599
are not caring about tv shows these are

1257
00:46:33,829 --> 00:46:31,440
people who are using science to push

1258
00:46:34,790 --> 00:46:33,839
boundaries and to do what we all should

1259
00:46:36,470 --> 00:46:34,800
be doing

1260
00:46:37,829 --> 00:46:36,480
and i think it is unfortunate at the end

1261
00:46:38,309 --> 00:46:37,839
of the day we get so caught up with all

1262
00:46:40,069 --> 00:46:38,319
this

1263
00:46:43,910 --> 00:46:40,079

nonsense here in the united states i

1264

00:46:46,150 --> 00:46:43,920

mean bob lazar and you know yadda yadda

1265

00:46:47,349 --> 00:46:46,160

bing bang and you know all of this crap

1266

00:46:49,190 --> 00:46:47,359

that we don't look at

1267

00:46:51,270 --> 00:46:49,200

we don't look where we should be looking

1268

00:46:52,870 --> 00:46:51,280

and we got no we need to start

1269

00:46:54,710 --> 00:46:52,880

i agree that's why i've recently started

1270

00:46:57,430 --> 00:46:54,720

a second channel where me and

1271

00:46:59,030 --> 00:46:57,440

my dutch friend max muskerwich we cover

1272

00:47:01,589 --> 00:46:59,040

european cases

1273

00:47:02,550 --> 00:47:01,599

only we interview witnesses and pilots

1274

00:47:04,470 --> 00:47:02,560

and stuff so

1275

00:47:06,309 --> 00:47:04,480

and that's just just only what a few

1276

00:47:08,630 --> 00:47:06,319

episodes in but i really felt that that

1277

00:47:10,790 --> 00:47:08,640

needed to be done because like you say

1278

00:47:11,829 --> 00:47:10,800

we focus so much on the us and stuff

1279

00:47:14,309 --> 00:47:11,839

like that and

1280

00:47:15,109 --> 00:47:14,319

and i think the science part is is

1281

00:47:16,390 --> 00:47:15,119

needed and

1282

00:47:17,750 --> 00:47:16,400

i think we're going to start seeing it

1283

00:47:19,109 --> 00:47:17,760

coming into play a bit more in this

1284

00:47:21,349 --> 00:47:19,119

subject

1285

00:47:22,309 --> 00:47:21,359

totally totally needed in my opinion

1286

00:47:25,270 --> 00:47:22,319

that's awesome

1287

00:47:25,990 --> 00:47:25,280

so um so go on scott what's that one

1288

00:47:29,430 --> 00:47:26,000

called

1289

00:47:32,150 --> 00:47:29,440

it's um

1290

00:47:34,390 --> 00:47:32,160

it's on youtube yeah we've done um the

1291

00:47:36,549 --> 00:47:34,400

first one we did was the 1979

1292

00:47:38,950 --> 00:47:36,559

sosterberg case in holland which was a

1293

00:47:39,349 --> 00:47:38,960

military base with 12 military witnesses

1294

00:47:42,710 --> 00:47:39,359

of a

1295

00:47:44,790 --> 00:47:42,720

huge black triangle so we interviewed um

1296

00:47:45,750 --> 00:47:44,800

one of the guys that saw saw it that was

1297

00:47:47,829 --> 00:47:45,760

there and

1298

00:47:49,030 --> 00:47:47,839

and the base one of the base officers

1299

00:47:51,190 --> 00:47:49,040

that didn't see it but

1300

00:47:54,470 --> 00:47:51,200

he was involved in sort of the aftermath

1301

00:47:56,870 --> 00:47:54,480

of it absolutely incredible case

1302

00:47:58,390 --> 00:47:56,880

yeah it's a huge case and that's the

1303

00:47:59,670 --> 00:47:58,400

thing these massive cases that are

1304

00:48:01,270 --> 00:47:59,680

outside of the u.s

1305

00:48:02,870 --> 00:48:01,280

just don't get heard about that often

1306

00:48:03,670 --> 00:48:02,880

and they really they really should be

1307

00:48:05,030 --> 00:48:03,680

looked at

1308

00:48:07,270 --> 00:48:05,040

well then just know that you're going to

1309

00:48:08,470 --> 00:48:07,280

be coming on our show oh i'd love to

1310

00:48:10,790 --> 00:48:08,480

please

1311

00:48:12,470 --> 00:48:10,800

anytime no my pleasure any time just say

1312

00:48:14,790 --> 00:48:12,480

the word i'll be there so

1313

00:48:16,230 --> 00:48:14,800

um i feel like i've kept you long enough

1314

00:48:17,349 --> 00:48:16,240

guys i'm going to ask one last question

1315

00:48:19,670 --> 00:48:17,359

to each of you

1316

00:48:21,670 --> 00:48:19,680

and it's just a lighthearted one what is

1317

00:48:27,349 --> 00:48:21,680

or are your favorite cases

1318

00:48:32,829 --> 00:48:31,560

um you know i it would be something like

1319

00:48:34,309 --> 00:48:32,839

[Music]

1320

00:48:37,990 --> 00:48:34,319

um i

1321

00:48:40,150 --> 00:48:38,000

i really like the uh the credibility

1322

00:48:43,190 --> 00:48:40,160

behind the observer

1323

00:48:44,630 --> 00:48:43,200

so it would be something like the david

1324

00:48:47,510 --> 00:48:44,640

fravor case

1325

00:48:48,309 --> 00:48:47,520

um you know they're trained they're

1326

00:48:51,990 --> 00:48:48,319

they're

1327

00:48:55,589 --> 00:48:52,000

out there they know what's up there yeah

1328

00:48:57,750 --> 00:48:55,599

you know so um those cases are really

1329

00:48:59,190 --> 00:48:57,760

valuable especially with the witness

1330

00:49:02,069 --> 00:48:59,200

testimony

1331

00:49:02,950 --> 00:49:02,079

um and then from there it's kind of a

1332

00:49:06,230 --> 00:49:02,960

scaled down

1333

00:49:07,270 --> 00:49:06,240

where you have maybe soldiers on the

1334

00:49:10,710 --> 00:49:07,280

ground

1335

00:49:12,870 --> 00:49:10,720

uh police officers and then of course

1336

00:49:13,910 --> 00:49:12,880

at the bottom would be civilians because

1337

00:49:17,670 --> 00:49:13,920

they mistake

1338

00:49:19,910 --> 00:49:17,680

things and get things wrong um

1339

00:49:21,270 --> 00:49:19,920

not really a favorite case but like i

1340

00:49:24,309 --> 00:49:21,280

said i think the

1341

00:49:25,349 --> 00:49:24,319

some of my favorite cases are the ones

1342

00:49:27,910 --> 00:49:25,359

with

1343

00:49:28,870 --> 00:49:27,920

military people involved that have come

1344

00:49:35,910 --> 00:49:28,880

forward

1345

00:49:39,510 --> 00:49:35,920

years after they left the military um

1346

00:49:44,870 --> 00:49:39,520

you know like the the case with uh uh

1347

00:49:47,349 --> 00:49:44,880

at malm uh malmstrom air force base

1348

00:49:48,069 --> 00:49:47,359

yes robert salas and so that that case

1349

00:49:51,190 --> 00:49:48,079

is just

1350

00:49:51,670 --> 00:49:51,200

absolutely fascinating um i listen to

1351

00:49:54,549 --> 00:49:51,680

him

1352

00:49:55,349 --> 00:49:54,559

give his testimony at the the citizens

1353

00:49:57,990 --> 00:49:55,359

hearing

1354

00:49:58,950 --> 00:49:58,000

and uh you know that stuff is just

1355

00:50:02,309 --> 00:49:58,960

fascinating

1356

00:50:05,030 --> 00:50:02,319

and i think those are are much more

1357

00:50:05,910 --> 00:50:05,040

valuable you know and don't get me wrong

1358

00:50:08,150 --> 00:50:05,920

civilians

1359

00:50:08,950 --> 00:50:08,160

you know sometimes there's some cases

1360

00:50:11,990 --> 00:50:08,960

out there that are

1361

00:50:14,630 --> 00:50:12,000

really wild that have been seen by

1362

00:50:16,150 --> 00:50:14,640

you know your average joe may be caught

1363

00:50:19,829 --> 00:50:16,160

on film

1364

00:50:23,190 --> 00:50:19,839

but again the the the quality

1365

00:50:26,390 --> 00:50:23,200

of the testimony behind the military

1366

00:50:29,109 --> 00:50:26,400

is is really compelling to me

1367

00:50:29,990 --> 00:50:29,119

yeah i completely agree yeah great great

1368

00:50:33,030 --> 00:50:30,000

answers

1369

00:50:35,109 --> 00:50:33,040

erica you know i i think for me

1370

00:50:37,270 --> 00:50:35,119

and it's it's again i can't think of one

1371

00:50:39,589 --> 00:50:37,280

i mean phoenix lights cases

1372

00:50:40,790 --> 00:50:39,599

is interesting i'm not sure it is what

1373

00:50:44,390 --> 00:50:40,800

everybody's saying it is

1374

00:50:46,870 --> 00:50:44,400

on the other side um but i for me i love

1375

00:50:48,710 --> 00:50:46,880

uh reading and studying about anomalous

1376

00:50:51,589 --> 00:50:48,720

light phenomena and i look to

1377

00:50:52,710 --> 00:50:51,599

there's a book uh by greg long examining

1378

00:50:56,230 --> 00:50:52,720

the earth light theory

1379

00:50:56,630 --> 00:50:56,240

that is is really um interesting and i

1380

00:50:59,349 --> 00:50:56,640

love

1381

00:51:00,069 --> 00:50:59,359

hearing about cases in the yakima area

1382

00:51:02,470 --> 00:51:00,079

and people

1383

00:51:03,349 --> 00:51:02,480

that were stationed at fire lookout

1384

00:51:05,829 --> 00:51:03,359

towers

1385

00:51:07,510 --> 00:51:05,839

that were having experiences with

1386

00:51:10,230 --> 00:51:07,520

objects that seemed to

1387

00:51:12,549 --> 00:51:10,240

to behave with an intelligence and so

1388

00:51:15,190 --> 00:51:12,559

cases like that are very fascinating

1389

00:51:16,309 --> 00:51:15,200

uh for me and and also you know you can

1390

00:51:18,430 --> 00:51:16,319

go to and just

1391

00:51:19,910 --> 00:51:18,440

to say this you can go to the project

1392

00:51:21,829 --> 00:51:19,920

heshtollen.org

1393

00:51:23,910 --> 00:51:21,839

and you can look at some of the cases

1394

00:51:26,790 --> 00:51:23,920

because they're putting their data out

1395

00:51:28,230 --> 00:51:26,800

in real time and so you can go there and

1396

00:51:31,430 --> 00:51:28,240

you can see the live

1397

00:51:34,630 --> 00:51:31,440

uh cameras 24 hour cameras you can see

1398

00:51:37,750 --> 00:51:34,640

the the pictures of uh structured or

1399

00:51:39,750 --> 00:51:37,760

you know structured craft that could

1400

00:51:40,390 --> 00:51:39,760

allegedly be something and you can also

1401

00:51:42,150 --> 00:51:40,400

see

1402

00:51:43,910 --> 00:51:42,160

the different research papers that have

1403

00:51:46,390 --> 00:51:43,920

been written by

1404

00:51:47,990 --> 00:51:46,400

again some of the brightest minds in the

1405

00:51:48,390 --> 00:51:48,000

scientific community in europe and so

1406

00:51:53,109 --> 00:51:48,400

that

1407

00:51:54,870 --> 00:51:53,119

extremely interesting i want to i want

1408

00:51:56,549 --> 00:51:54,880

to go and look at that right away

1409

00:51:57,990 --> 00:51:56,559

if you could send me that i'd love to

1410

00:51:59,910 --> 00:51:58,000

see that yeah

1411

00:52:02,870 --> 00:51:59,920

really i just want to say one more thing

1412

00:52:04,309 --> 00:52:02,880

sure circling back to the travis walton

1413

00:52:07,990 --> 00:52:04,319

thank you please yes

1414

00:52:10,230 --> 00:52:08,000

so um i've

1415

00:52:12,790 --> 00:52:10,240

it's kind of a challenge for anybody

1416

00:52:15,510 --> 00:52:12,800

who's listening or who comes and watches

1417

00:52:20,549 --> 00:52:18,630

find me a case where someone's been

1418

00:52:22,549 --> 00:52:20,559

abducted

1419

00:52:24,470 --> 00:52:22,559

taken away for a period of time it

1420

00:52:26,630 --> 00:52:24,480

doesn't have to be five days it could be

1421

00:52:29,510 --> 00:52:26,640

one day

1422

00:52:31,430 --> 00:52:29,520

where a search party is put out for

1423

00:52:34,630 --> 00:52:31,440

someone

1424

00:52:38,630 --> 00:52:34,640

it's been documented by the police maybe

1425

00:52:41,270 --> 00:52:38,640

in newspapers maybe by the news

1426
00:52:42,470 --> 00:52:41,280
and if you find that information you

1427
00:52:45,750 --> 00:52:42,480
know where to find me

1428
00:52:46,390 --> 00:52:45,760
and send it to me that's my challenge

1429
00:52:48,549 --> 00:52:46,400
nice

1430
00:52:49,829 --> 00:52:48,559
i like that give the people something to

1431
00:52:51,670 --> 00:52:49,839
do i like it

1432
00:52:53,349 --> 00:52:51,680
thank you so much busy keeping that's

1433
00:52:56,309 --> 00:52:53,359
what they need to

1434
00:52:58,829 --> 00:52:56,319
understand yeah that would be helpful

1435
00:53:01,270 --> 00:52:58,839
they never know what else they might

1436
00:53:03,670 --> 00:53:01,280
find

1437
00:53:05,430 --> 00:53:03,680
but guys listen thank you so much you're

1438
00:53:06,790 --> 00:53:05,440

both welcome to come back on any time

1439

00:53:08,230 --> 00:53:06,800

you want i think we could

1440

00:53:10,069 --> 00:53:08,240

i could like i said i could talk to you

1441

00:53:11,430 --> 00:53:10,079

all day about these things but

1442

00:53:13,190 --> 00:53:11,440

for now we'll leave it at that guys

1443

00:53:14,309 --> 00:53:13,200

thank you so much if

1444

00:53:16,230 --> 00:53:14,319

you want to hang around we'll just have

1445

00:53:17,030 --> 00:53:16,240

a small debrief after the show that'd be

1446

00:53:19,670 --> 00:53:17,040

great

1447

00:53:21,430 --> 00:53:19,680

um so yeah thank you so much yeah thank

1448

00:53:22,150 --> 00:53:21,440

you please teach me how to cut off a

1449

00:53:25,270 --> 00:53:22,160

show

1450

00:53:28,069 --> 00:53:25,280

yeah one hour i'm still i'm

1451
00:53:28,870 --> 00:53:28,079
certainly far from a pro at that but um

1452
00:53:32,069 --> 00:53:28,880
yeah

1453
00:53:34,230 --> 00:53:32,079
so thank you pleasure hey listen

1454
00:53:35,670 --> 00:53:34,240
the pleasure is all mine um so guys

1455
00:53:35,990 --> 00:53:35,680
everyone that's been here in the chat as

1456
00:53:37,670 --> 00:53:36,000
well

1457
00:53:39,030 --> 00:53:37,680
sorry i didn't really get to read it in

1458
00:53:40,549 --> 00:53:39,040
that i was just so involved in the

1459
00:53:42,710 --> 00:53:40,559
awesome discussion

1460
00:53:43,990 --> 00:53:42,720
um yeah and so thanks for everyone for

1461
00:53:44,870 --> 00:53:44,000
watching everyone that will watch this

1462
00:53:46,309 --> 00:53:44,880
after the fact

1463
00:53:48,710 --> 00:53:46,319

thank you so much for the continued
