00:00:34,150 --> 00:00:33,680

thank you for being here um this is

6
00:00:35,830 --> 00:00:34,160

going to be

7
00:00:37,270 --> 00:00:35,840

a great interview this is someone that

8
00:00:39,830 --> 00:00:37,280

i've followed for

9
00:00:41,430 --> 00:00:39,840

many many years someone's done a lot of

10
00:00:44,869 --> 00:00:41,440

great work in this subject

11
00:00:45,670 --> 00:00:44,879

um so yeah let's waste no time i'd like

12
00:00:48,950 --> 00:00:45,680

to introduce you

13
00:00:49,510 --> 00:00:48,960

to uh mr preston dennett preston how are

14

00:00:51,670 --> 00:00:49,520

you

15

00:00:53,430 --> 00:00:51,680

i'm doing great doing very well how are

16

00:00:55,110 --> 00:00:53,440

you i'm very good thank you

17

00:00:56,790 --> 00:00:55,120

and i must say thank you so much for

18

00:00:58,150 --> 00:00:56,800

coming to to talk with us today it

19

00:00:59,670 --> 00:00:58,160

really does mean a lot

20

00:01:01,189 --> 00:00:59,680

um like i'm just saying to the to

21

00:01:01,590 --> 00:01:01,199

everyone i've been following you for

22

00:01:05,509 --> 00:01:01,600

quite

23

00:01:06,469 --> 00:01:05,519

pleasure and an honor to speak to you so

24

00:01:09,429 --> 00:01:06,479

thank you

25

00:01:11,429 --> 00:01:09,439

hey much appreciated yeah no problem so

26

00:01:12,630 --> 00:01:11,439

let's just jump into it um

27

00:01:14,630 --> 00:01:12,640

i mean like i said i've been aware of

28

00:01:15,429 --> 00:01:14,640

you for a long time but just going back

29

00:01:16,630 --> 00:01:15,439

and looking at

30

00:01:17,830 --> 00:01:16,640

all the things you've done in this

31

00:01:19,190 --> 00:01:17,840

subject over the years it's

32

00:01:20,710 --> 00:01:19,200

mind-boggling

33

00:01:22,630 --> 00:01:20,720

so why don't we just start right back at

34

00:01:24,630 --> 00:01:22,640

the start and just what got you into

35

00:01:27,590 --> 00:01:24,640

this subject

36

00:01:29,109 --> 00:01:27,600

i can tell you it wasn't voluntary i was

37

00:01:30,789 --> 00:01:29,119

i was not looking for this

38

00:01:32,310 --> 00:01:30,799

kind of got dragged into it kicking and

39

00:01:35,670 --> 00:01:32,320

screaming wow

40

00:01:38,710 --> 00:01:35,680

i'm very skeptical i did not believe in

41

00:01:41,190 --> 00:01:38,720

ufos and did not want to hear about it

42

00:01:42,950 --> 00:01:41,200

but i heard this report on the news

43

00:01:46,870 --> 00:01:42,960

about a sighting over alaska

44

00:01:49,910 --> 00:01:46,880

this was boy decades ago

45

00:01:52,069 --> 00:01:49,920

no november 17 1986.

46

00:01:53,030 --> 00:01:52,079

wow and it's a pretty famous sighting

47

00:01:56,550 --> 00:01:53,040

now i mean it's

48

00:01:57,270 --> 00:01:56,560

very well known um very well documented

49

00:01:59,749 --> 00:01:57,280

there was

50

00:02:00,709 --> 00:01:59,759

it was a radar visual sighting multiple

51
00:02:04,149 --> 00:02:00,719
witnesses

52
00:02:05,429 --> 00:02:04,159
followed this captain of a japanese

53
00:02:08,469 --> 00:02:05,439
commercial airliner for

54
00:02:09,910 --> 00:02:08,479
many miles but the news report was very

55
00:02:11,670 --> 00:02:09,920
tongue-in-cheek

56
00:02:13,910 --> 00:02:11,680
very much they kind of just joked

57
00:02:15,910 --> 00:02:13,920
nervous joked about it laughed nervously

58
00:02:17,750 --> 00:02:15,920
and moved on

59
00:02:19,589 --> 00:02:17,760
but i thought this poor pilot you know

60
00:02:22,390 --> 00:02:19,599
what an idiot i mean i don't mean to be

61
00:02:24,550 --> 00:02:22,400
rude but that's what i thought

62
00:02:25,910 --> 00:02:24,560
but he's deluded he's obviously

63
00:02:29,589 --> 00:02:25,920

misperceiving

64

00:02:31,110 --> 00:02:29,599

maybe he's even lying but

65

00:02:33,030 --> 00:02:31,120

i thought well he's throwing his career

66

00:02:34,790 --> 00:02:33,040

away by going on tv and talking about

67

00:02:37,509 --> 00:02:34,800

this

68

00:02:38,070 --> 00:02:37,519

which turned out to be true by the way

69

00:02:40,710 --> 00:02:38,080

uh

70

00:02:41,190 --> 00:02:40,720

but at any rate it interested me that he

71

00:02:42,869 --> 00:02:41,200

would

72

00:02:44,229 --> 00:02:42,879

do this and that this was on the

73

00:02:45,670 --> 00:02:44,239

mainstream news

74

00:02:48,390 --> 00:02:45,680

and i remembered my brother had seen a

75

00:02:51,589 --> 00:02:48,400

ufo so he claimed

76

00:02:55,350 --> 00:02:51,599

and that was five or

77

00:02:57,030 --> 00:02:55,360

eight years earlier wow i was maybe 13

78

00:02:59,509 --> 00:02:57,040

years old or so

79

00:03:00,710 --> 00:02:59,519

and i just didn't want to hear it but

80

00:03:03,509 --> 00:03:00,720

now i'm like okay i

81

00:03:03,990 --> 00:03:03,519

i approached mcmark tell me about this

82

00:03:06,869 --> 00:03:04,000

ufo

83

00:03:08,309 --> 00:03:06,879

you think you saw and he described an

84

00:03:10,790 --> 00:03:08,319

incredible sighting

85

00:03:12,149 --> 00:03:10,800

i mean it was a very close-up setting of

86

00:03:15,750 --> 00:03:12,159

a metallic disc with

87

00:03:17,509 --> 00:03:15,760

colored lights on it a dome on top

88

00:03:19,830 --> 00:03:17,519

he had other witnesses with him he

89

00:03:23,990 --> 00:03:19,840

chased it in his car

90

00:03:27,030 --> 00:03:24,000

i'm like wow you know okay

91

00:03:28,470 --> 00:03:27,040

and i i mean i knew he wasn't lying

92

00:03:31,270 --> 00:03:28,480

and it was pretty clear he wasn't

93

00:03:33,750 --> 00:03:31,280

misperceiving i mean he was close to it

94

00:03:35,270 --> 00:03:33,760

wow and i'm like he says you can talk to

95

00:03:37,990 --> 00:03:35,280

my friends you know call greg

96

00:03:39,350 --> 00:03:38,000

call phil they were the other witnesses

97

00:03:42,550 --> 00:03:39,360

and i did

98

00:03:43,990 --> 00:03:42,560

and uh this kind of set the ball rolling

99

00:03:46,630 --> 00:03:44,000

found out that a lot of people i knew

100

00:03:49,750 --> 00:03:46,640

had had really dramatic encounters

101
00:03:52,470 --> 00:03:49,760
not just what state was that in then

102
00:03:54,470 --> 00:03:52,480
uh this was in california right yeah

103
00:03:57,990 --> 00:03:54,480
actually not far from where i live now

104
00:04:00,070 --> 00:03:58,000
okay i'm outside of la

105
00:04:01,910 --> 00:04:00,080
and i found out yeah my sister-in-law

106
00:04:03,030 --> 00:04:01,920
had had a sighting she had two witnesses

107
00:04:04,710 --> 00:04:03,040
with her

108
00:04:06,710 --> 00:04:04,720
i had a friend who had a sighting she

109
00:04:08,869 --> 00:04:06,720
had another witness another

110
00:04:10,470 --> 00:04:08,879
friend who had missing time he had

111
00:04:12,630 --> 00:04:10,480
another witness

112
00:04:14,149 --> 00:04:12,640
uh so i'm like wow these people aren't

113
00:04:16,870 --> 00:04:14,159

alone i always assume

114

00:04:18,390 --> 00:04:16,880

someone sees a ufo some uneducated

115

00:04:20,949 --> 00:04:18,400

person alone out in the country who

116

00:04:23,590 --> 00:04:20,959

doesn't know what they're talking about

117

00:04:24,390 --> 00:04:23,600

but no that wasn't it at all i brought

118

00:04:27,590 --> 00:04:24,400

it up at work

119

00:04:29,270 --> 00:04:27,600

that was a bad idea

120

00:04:31,110 --> 00:04:29,280

because all these people i'd worked with

121

00:04:32,790 --> 00:04:31,120

for years you know these are people i

122

00:04:36,150 --> 00:04:32,800

loved and trusted

123

00:04:39,030 --> 00:04:36,160

and knew were intelligent people yeah

124

00:04:40,550 --> 00:04:39,040

and they had seen ufos too i mean one

125

00:04:43,510 --> 00:04:40,560

lady was chased

126

00:04:45,189 --> 00:04:43,520

home from the library by a ufo her her

127

00:04:47,189 --> 00:04:45,199

sister and her mom

128

00:04:48,790 --> 00:04:47,199

and they had missing time she had no

129

00:04:51,830 --> 00:04:48,800

idea what mystic time meant

130

00:04:53,030 --> 00:04:51,840

yeah and by this point i was

131

00:04:56,629 --> 00:04:53,040

starting to pick up books on this

132

00:04:58,550 --> 00:04:56,639

subject so yeah it hit home

133

00:04:59,909 --> 00:04:58,560

you know was in my family my friends my

134

00:05:01,749 --> 00:04:59,919

co-workers

135

00:05:04,150 --> 00:05:01,759

that got me to buy books on the subject

136

00:05:06,550 --> 00:05:04,160

i was going to disprove it

137

00:05:08,469 --> 00:05:06,560

and i couldn't i could not disprove it

138

00:05:10,469 --> 00:05:08,479

it was the opposite

139

00:05:13,670 --> 00:05:10,479

there was an enormous amount of evidence

140

00:05:15,909 --> 00:05:13,680

i was a relative latecomer to this field

141

00:05:17,110 --> 00:05:15,919

i mean it had been studied for decades

142

00:05:18,950 --> 00:05:17,120

so

143

00:05:21,189 --> 00:05:18,960

i was hooked yeah once you're in it's

144

00:05:22,950 --> 00:05:21,199

hard to get out and where did you

145

00:05:24,629 --> 00:05:22,960

where did it go from there from when you

146

00:05:26,150 --> 00:05:24,639

were doing it for yourself and asking

147

00:05:27,749 --> 00:05:26,160

friends and colleagues

148

00:05:29,749 --> 00:05:27,759

what where was the first sort of initial

149

00:05:30,150 --> 00:05:29,759

jump in to the point where you were you

150

00:05:31,990 --> 00:05:30,160

know

151
00:05:33,510 --> 00:05:32,000
let's say a fully fledged researcher

152
00:05:35,029 --> 00:05:33,520
that was you know

153
00:05:36,629 --> 00:05:35,039
people were listening to you and looking

154
00:05:38,310 --> 00:05:36,639
at looking to speak to you

155
00:05:40,390 --> 00:05:38,320
was there a particular time that sort of

156
00:05:41,670 --> 00:05:40,400
that happened yeah i would say it was

157
00:05:43,350 --> 00:05:41,680
about a year and

158
00:05:45,350 --> 00:05:43,360
i was kind of just floating around like

159
00:05:48,629 --> 00:05:45,360
trying to wrap my head around all this

160
00:05:51,590 --> 00:05:48,639
buying books on it i'd started to

161
00:05:53,430 --> 00:05:51,600
you know i found ufo organizations i

162
00:05:56,390 --> 00:05:53,440
started started joining them

163
00:05:57,270 --> 00:05:56,400

attending ufo meetings but i read this

164

00:06:00,309 --> 00:05:57,280

quote by j

165

00:06:02,150 --> 00:06:00,319

allen hynek who if you know

166

00:06:03,510 --> 00:06:02,160

anything about ufos you know who jaylen

167

00:06:06,790 --> 00:06:03,520

heineck is of course

168

00:06:08,230 --> 00:06:06,800

i'm the project blue book astronomer

169

00:06:11,029 --> 00:06:08,240

which is you know blue books of the air

170

00:06:13,029 --> 00:06:11,039

force ufo study project

171

00:06:16,550 --> 00:06:13,039

and i heard a quote from him that kind

172

00:06:19,590 --> 00:06:16,560

of blew my mind he said one in 40 people

173

00:06:20,950 --> 00:06:19,600

have had an onboard ufo encounter i

174

00:06:23,270 --> 00:06:20,960

thought no

175

00:06:24,790 --> 00:06:23,280

no there's no way that's way too many

176

00:06:26,710 --> 00:06:24,800

you're out of your mind

177

00:06:29,029 --> 00:06:26,720

i know 40 people that would mean i know

178

00:06:30,629 --> 00:06:29,039

someone who's been abducted

179

00:06:32,230 --> 00:06:30,639

and that's what really got me to ask

180

00:06:35,510 --> 00:06:32,240

everybody i knew

181

00:06:36,790 --> 00:06:35,520

right and uh around that time i had the

182

00:06:40,629 --> 00:06:36,800

opportunity to interview

183

00:06:43,749 --> 00:06:40,639

a lieutenant colonel because my

184

00:06:46,230 --> 00:06:43,759

father was in the movie business and was

185

00:06:48,710 --> 00:06:46,240

working on a science fiction

186

00:06:50,550 --> 00:06:48,720

tv series called starman which was based

187

00:06:54,870 --> 00:06:50,560

on the movie

188

00:06:57,110 --> 00:06:54,880

and they had hired a consultant

189

00:06:58,070 --> 00:06:57,120

who was a lieutenant colonel who worked

190

00:07:01,830 --> 00:06:58,080

down

191

00:07:04,790 --> 00:07:01,840

the hallway from project blue book

192

00:07:05,830 --> 00:07:04,800

so that was my first interview i was

193

00:07:09,029 --> 00:07:05,840

maybe

194

00:07:12,469 --> 00:07:09,039

gosh i was wasn't that old i'm

195

00:07:15,270 --> 00:07:12,479

early 20s wow let's see

196

00:07:16,070 --> 00:07:15,280

1986 that make me 21 years old when all

197

00:07:19,430 --> 00:07:16,080

this

198

00:07:20,150 --> 00:07:19,440

kind of came into my life and yeah he

199

00:07:23,589 --> 00:07:20,160

was my first

200

00:07:25,189 --> 00:07:23,599

interview wow starting off at a high

201
00:07:26,469 --> 00:07:25,199
level

202
00:07:28,070 --> 00:07:26,479
yeah yeah but then i started

203
00:07:28,870 --> 00:07:28,080
interviewing everybody i became a field

204
00:07:31,510 --> 00:07:28,880
investigator

205
00:07:32,870 --> 00:07:31,520
from mufon took their test mufon's the

206
00:07:35,589 --> 00:07:32,880
mutual ufo network

207
00:07:37,270 --> 00:07:35,599
yeah it was a hard test like it's a

208
00:07:38,469 --> 00:07:37,280
take-home test you know i'm like oh

209
00:07:40,710 --> 00:07:38,479
take home while that's going to be a

210
00:07:44,710 --> 00:07:40,720
breeze

211
00:07:47,270 --> 00:07:44,720
history part i

212
00:07:48,150 --> 00:07:47,280
i did breeze through that but there was

213
00:07:51,189 --> 00:07:48,160

very

214

00:07:54,869 --> 00:07:51,199

in-depth questions on photography

215

00:07:57,909 --> 00:07:54,879

astronomy uh meteorology

216

00:08:00,150 --> 00:07:57,919

these sort of things so it was

217

00:08:01,909 --> 00:08:00,160

a good education you know a good way to

218

00:08:02,950 --> 00:08:01,919

start i was already

219

00:08:04,629 --> 00:08:02,960

sorry i was just going to say do you

220

00:08:05,029 --> 00:08:04,639

know if that test is still around or

221

00:08:08,070 --> 00:08:05,039

have they

222

00:08:09,749 --> 00:08:08,080

they altered it since then oh no you can

223

00:08:11,350 --> 00:08:09,759

still become a field investigator but

224

00:08:12,869 --> 00:08:11,360

now you have to take classes it's a

225

00:08:16,469 --> 00:08:12,879

little bit more involved

226

00:08:17,830 --> 00:08:16,479

right but absolutely you know i was very

227

00:08:19,270 --> 00:08:17,840

science-based

228

00:08:21,589 --> 00:08:19,280

moving into this subject i was very

229

00:08:23,350 --> 00:08:21,599

skeptical i mean i know how

230

00:08:25,589 --> 00:08:23,360

far away the stars are and that's what

231

00:08:27,110 --> 00:08:25,599

kind of said no made me think no there's

232

00:08:30,309 --> 00:08:27,120

just no way

233

00:08:30,950 --> 00:08:30,319

an alien race could get to earth the

234

00:08:34,149 --> 00:08:30,960

stars are

235

00:08:34,949 --> 00:08:34,159

far too far away but this was all based

236

00:08:39,829 --> 00:08:34,959

on

237

00:08:42,550 --> 00:08:39,839

doing

238

00:08:44,310 --> 00:08:42,560

uh so ironically finding out ufos were

239

00:08:46,070 --> 00:08:44,320

real made me very skeptical

240

00:08:48,070 --> 00:08:46,080

of all things i had to completely

241

00:08:49,910 --> 00:08:48,080

readjust my world view

242

00:08:51,190 --> 00:08:49,920

that's such a big thing to do as well

243

00:08:52,310 --> 00:08:51,200

especially when you're sort of in your

244

00:08:54,550 --> 00:08:52,320

20s and you always

245

00:08:56,790 --> 00:08:54,560

already feel that you think you know how

246

00:08:58,949 --> 00:08:56,800

the world kind of works and

247

00:09:00,550 --> 00:08:58,959

to be able to have to readjust every

248

00:09:03,509 --> 00:09:00,560

belief system is is

249

00:09:04,389 --> 00:09:03,519

is shocking yeah yeah i was not happy i

250

00:09:07,030 --> 00:09:04,399

can tell you i was

251
00:09:07,670 --> 00:09:07,040
really not happy about it so after you

252
00:09:09,590 --> 00:09:07,680
kind of

253
00:09:11,350 --> 00:09:09,600
got into move on on that and you were

254
00:09:14,150 --> 00:09:11,360
doing field research

255
00:09:14,949 --> 00:09:14,160
were you looking at local cases were you

256
00:09:17,430 --> 00:09:14,959
traveling

257
00:09:18,870 --> 00:09:17,440
like what was the kind of next step for

258
00:09:20,710 --> 00:09:18,880
you

259
00:09:22,070 --> 00:09:20,720
yeah it really just started out with

260
00:09:25,430 --> 00:09:22,080
family friends

261
00:09:28,470 --> 00:09:25,440
and co-workers and i'm like wow you know

262
00:09:31,509 --> 00:09:28,480
and that gave me 50 cases to work with

263
00:09:33,269 --> 00:09:31,519

oh and so i started you know doing

264

00:09:36,310 --> 00:09:33,279

formal interviews

265

00:09:38,070 --> 00:09:36,320

and visiting the sites where these cases

266

00:09:41,350 --> 00:09:38,080

had occurred

267

00:09:43,509 --> 00:09:41,360

and uh that built up a network um so i

268

00:09:46,550 --> 00:09:43,519

soon had you know friends of friends

269

00:09:47,990 --> 00:09:46,560

and friends of co-workers and and people

270

00:09:48,790 --> 00:09:48,000

just started coming at me from all

271

00:09:50,870 --> 00:09:48,800

directions

272

00:09:51,910 --> 00:09:50,880

because there wasn't a lot of places to

273

00:09:53,990 --> 00:09:51,920

go to

274

00:09:55,030 --> 00:09:54,000

back in the late this field really

275

00:09:56,550 --> 00:09:55,040

exploded

276

00:09:58,870 --> 00:09:56,560

right when i got into it there was a

277

00:10:02,470 --> 00:09:58,880

friend so i kind of wrote a wave of

278

00:10:04,790 --> 00:10:02,480

popularity this is when bud hopkins book

279

00:10:06,790 --> 00:10:04,800

intruders came out uh this is when

280

00:10:09,829 --> 00:10:06,800

whitley strieber's book communion

281

00:10:10,389 --> 00:10:09,839

became a bestseller uh the billy meyer

282

00:10:13,110 --> 00:10:10,399

case

283

00:10:13,829 --> 00:10:13,120

in switzerland became popularized around

284

00:10:16,150 --> 00:10:13,839

that time

285

00:10:17,269 --> 00:10:16,160

yeah so a lot of people were looking for

286

00:10:20,389 --> 00:10:17,279

answers

287

00:10:23,430 --> 00:10:20,399

and kind of rode that wave

288

00:10:27,350 --> 00:10:23,440

into this field and uh

289

00:10:29,750 --> 00:10:27,360

yeah i started definitely really

290

00:10:30,949 --> 00:10:29,760

buckling down i started writing articles

291

00:10:32,310 --> 00:10:30,959

at some point

292

00:10:34,470 --> 00:10:32,320

i think my first article was for the

293

00:10:36,870 --> 00:10:34,480

local newspaper right

294

00:10:38,470 --> 00:10:36,880

and he loved it put it on the cover i'm

295

00:10:41,350 --> 00:10:38,480

like wow

296

00:10:43,030 --> 00:10:41,360

and that's so there was no skeptic

297

00:10:43,910 --> 00:10:43,040

skepticism from the local paper or

298

00:10:45,269 --> 00:10:43,920

anything like that

299

00:10:47,350 --> 00:10:45,279

they actually put it on the front cover

300

00:10:48,630 --> 00:10:47,360

that's i find that quite surprising to

301
00:10:50,470 --> 00:10:48,640
be honest

302
00:10:52,550 --> 00:10:50,480
yeah i can tell you i was surprised but

303
00:10:54,470 --> 00:10:52,560
you know i i did my research i recorded

304
00:10:57,509 --> 00:10:54,480
my interviews i had the witnesses

305
00:10:59,590 --> 00:10:57,519
you know this was this was in the

306
00:11:01,910 --> 00:10:59,600
town where i grew up to panga canyon

307
00:11:02,630 --> 00:11:01,920
right and i'd found a bunch of cases

308
00:11:04,550 --> 00:11:02,640
there

309
00:11:05,990 --> 00:11:04,560
so i sent it off to the local newspaper

310
00:11:07,430 --> 00:11:06,000
thinking you know this is an interesting

311
00:11:09,670 --> 00:11:07,440
article

312
00:11:12,630 --> 00:11:09,680
and they loved it and that's what kind

313
00:11:15,590 --> 00:11:12,640

of really got me writing articles

314

00:11:16,949 --> 00:11:15,600

and my first really huge huge case that

315

00:11:20,550 --> 00:11:16,959

came at me was

316

00:11:22,069 --> 00:11:20,560

from uh the editor of the newspaper

317

00:11:24,990 --> 00:11:22,079

there had been a bunch of people calling

318

00:11:28,710 --> 00:11:25,000

the police one evening this was june 14

319

00:11:29,910 --> 00:11:28,720

1992. and a bunch of people called the

320

00:11:31,829 --> 00:11:29,920

police a bunch of people called the

321

00:11:34,230 --> 00:11:31,839

newspaper

322

00:11:36,230 --> 00:11:34,240

on the this evening you know ufos were

323

00:11:38,949 --> 00:11:36,240

seen in large numbers

324

00:11:39,829 --> 00:11:38,959

over the canyon this is in southern

325

00:11:43,030 --> 00:11:39,839

california

326

00:11:45,269 --> 00:11:43,040

yeah and uh he's like please investigate

327

00:11:47,430 --> 00:11:45,279

it i'm like okay i will

328

00:11:49,750 --> 00:11:47,440

and yeah that that was still one of the

329

00:11:51,910 --> 00:11:49,760

biggest cases i've ever worked on

330

00:11:53,829 --> 00:11:51,920

and that's what really got me writing

331

00:11:55,750 --> 00:11:53,839

articles for

332

00:11:58,629 --> 00:11:55,760

magazines and things and i have to tell

333

00:12:01,190 --> 00:11:58,639

you i i put out a lot of books

334

00:12:01,910 --> 00:12:01,200

yeah up to this point but i was in this

335

00:12:04,310 --> 00:12:01,920

field for

336

00:12:05,670 --> 00:12:04,320

10 years researching before i wrote my

337

00:12:09,269 --> 00:12:05,680

first book

338

00:12:11,350 --> 00:12:09,279

wow so i i did my homework for sure

339

00:12:12,470 --> 00:12:11,360

absolutely i mean i went through how

340

00:12:12,870 --> 00:12:12,480

many books have you written now because

341

00:12:17,269 --> 00:12:12,880

it's

342

00:12:19,670 --> 00:12:17,279

right now

343

00:12:20,629 --> 00:12:19,680

28 you know it might be 29 i'm starting

344

00:12:22,949 --> 00:12:20,639

to lose count

345

00:12:24,949 --> 00:12:22,959

that's incredible yeah and one of the

346

00:12:28,389 --> 00:12:24,959

books was specifically focusing on the

347

00:12:29,990 --> 00:12:28,399

topanga canyon area as well so i mean

348

00:12:31,829 --> 00:12:30,000

to be able to write a whole book on just

349

00:12:33,590 --> 00:12:31,839

one small area of

350

00:12:35,910 --> 00:12:33,600

you know locally to you that shows how

351

00:12:37,910 --> 00:12:35,920

much activity must have been going on

352

00:12:39,590 --> 00:12:37,920

yeah yeah i sent that book out to 40

353

00:12:43,750 --> 00:12:39,600

different publishers by the way

354

00:12:46,069 --> 00:12:43,760

40 40 4-0 before i found a publisher who

355

00:12:47,670 --> 00:12:46,079

loved it and they turned out to be one

356

00:12:50,150 --> 00:12:47,680

of my most successful books

357

00:12:51,670 --> 00:12:50,160

i mean it did really well that's

358

00:12:54,470 --> 00:12:51,680

brilliant

359

00:12:56,069 --> 00:12:54,480

so back then you know ufos were not as

360

00:12:59,350 --> 00:12:56,079

popular as they are now

361

00:13:00,949 --> 00:12:59,360

not at all not as accepted no not

362

00:13:02,949 --> 00:13:00,959

not at all so your first book you're

363

00:13:04,949 --> 00:13:02,959

saying was probably around what 96

364

00:13:07,350 --> 00:13:04,959

something like that

365

00:13:09,030 --> 00:13:07,360

that's right right i had put you know i

366

00:13:10,310 --> 00:13:09,040

started writing a few books one was

367

00:13:12,069 --> 00:13:10,320

about my

368

00:13:13,910 --> 00:13:12,079

the sightings and encounters of family

369

00:13:16,550 --> 00:13:13,920

friends and co-workers

370

00:13:18,870 --> 00:13:16,560

that was the first one i actually wrote

371

00:13:22,069 --> 00:13:18,880

uh but the first book i got published

372

00:13:22,870 --> 00:13:22,079

was ufo healings right and because i'd

373

00:13:26,150 --> 00:13:22,880

run

374

00:13:27,670 --> 00:13:26,160

incredible encounters

375

00:13:30,550 --> 00:13:27,680

i call her wendy that's not her real

376

00:13:32,949 --> 00:13:30,560

name but she described this

377

00:13:33,670 --> 00:13:32,959

these amazing experiences she'd had a

378

00:13:35,269 --> 00:13:33,680

lot of them

379

00:13:38,069 --> 00:13:35,279

and then told me that she had actually

380

00:13:39,829 --> 00:13:38,079

been healed by the ets

381

00:13:41,829 --> 00:13:39,839

and that really caught my interest

382

00:13:44,790 --> 00:13:41,839

because i knew of a few cases

383

00:13:46,870 --> 00:13:44,800

already i mean jacques valet famous

384

00:13:48,710 --> 00:13:46,880

french researcher had a case

385

00:13:50,629 --> 00:13:48,720

of a guy in france who was cured of an

386

00:13:53,750 --> 00:13:50,639

axe wound on his foot

387

00:13:54,629 --> 00:13:53,760

wow and uh partial paralysis i knew

388

00:13:57,110 --> 00:13:54,639

another case

389

00:13:58,150 --> 00:13:57,120

above peruvian's customs official who

390

00:13:59,910 --> 00:13:58,160

was cured of

391

00:14:01,509 --> 00:13:59,920

near-sightedness after being struck by a

392

00:14:05,269 --> 00:14:01,519

beam of light

393

00:14:08,870 --> 00:14:05,279

and rheumatism i knew of a case in

394

00:14:10,550 --> 00:14:08,880

texas here in the usa where a police

395

00:14:11,350 --> 00:14:10,560

officer was cured of a flesh wound on

396

00:14:13,829 --> 00:14:11,360

his finger

397

00:14:15,430 --> 00:14:13,839

and actually a baby alligator had bit

398

00:14:17,269 --> 00:14:15,440

his finger

399

00:14:18,870 --> 00:14:17,279

oh and he was struck by a beam of

400

00:14:21,430 --> 00:14:18,880

lightning and healed it

401
00:14:22,949 --> 00:14:21,440
so and then here's this lady wendy

402
00:14:25,750 --> 00:14:22,959
describing how she had been

403
00:14:27,350 --> 00:14:25,760
taken by the ets she had been previously

404
00:14:30,790 --> 00:14:27,360
diagnosed with a

405
00:14:33,590 --> 00:14:30,800
cyst in her fallopian tubes

406
00:14:35,269 --> 00:14:33,600
and it was mrid x-rayed i'm fully

407
00:14:38,629 --> 00:14:35,279
documented

408
00:14:40,069 --> 00:14:38,639
and the night before she was going to

409
00:14:42,790 --> 00:14:40,079
have an operation

410
00:14:43,990 --> 00:14:42,800
to have it removed she had an encounter

411
00:14:46,870 --> 00:14:44,000
went to the doctor the next

412
00:14:47,670 --> 00:14:46,880
day and they're like well this is really

413
00:14:50,230 --> 00:14:47,680

strange

414

00:14:51,110 --> 00:14:50,240

you know they did pre imaging for before

415

00:14:54,470 --> 00:14:51,120

they

416

00:14:59,590 --> 00:14:54,480

her

417

00:15:02,310 --> 00:14:59,600

the doctor

418

00:15:03,030 --> 00:15:02,320

and she denied it i said well no no we

419

00:15:06,069 --> 00:15:03,040

know you did

420

00:15:08,470 --> 00:15:06,079

because your cyst is gone and there's

421

00:15:11,110 --> 00:15:08,480

fluid here in your fallopian tube

422

00:15:12,069 --> 00:15:11,120

this fluid is only present after someone

423

00:15:13,829 --> 00:15:12,079

has had surgery

424

00:15:16,230 --> 00:15:13,839

we know you had surgery and there are

425

00:15:19,110 --> 00:15:16,240

laser scars here on your abdomen

426

00:15:20,389 --> 00:15:19,120

what happened and she played dumb she

427

00:15:21,910 --> 00:15:20,399

knew what happened

428

00:15:24,069 --> 00:15:21,920

i'm like why didn't you tell them she

429

00:15:25,829 --> 00:15:24,079

said are you kidding me

430

00:15:28,310 --> 00:15:25,839

she says i don't like those white coats

431

00:15:29,670 --> 00:15:28,320

that they put you on that tire

432

00:15:31,509 --> 00:15:29,680

i do know people who have been put in

433

00:15:34,310 --> 00:15:31,519

mental institutions by the way

434

00:15:35,590 --> 00:15:34,320

right going public saying that they've

435

00:15:37,749 --> 00:15:35,600

seen aliens

436

00:15:38,870 --> 00:15:37,759

their family put them in a mental

437

00:15:42,310 --> 00:15:38,880

institution

438

00:15:45,350 --> 00:15:42,320

wow so she was not about to talk

439

00:15:47,269 --> 00:15:45,360

and yeah the doctors were upset they

440

00:15:49,910 --> 00:15:47,279

could not understand it

441

00:15:51,269 --> 00:15:49,920

um because she completely denied she

442

00:15:53,430 --> 00:15:51,279

hadn't gone to the doctor i mean she

443

00:15:56,150 --> 00:15:53,440

wasn't lying

444

00:15:57,430 --> 00:15:56,160

uh so that was what's prompted me to

445

00:15:58,949 --> 00:15:57,440

write my first book

446

00:16:01,110 --> 00:15:58,959

i'm like let's look into the other

447

00:16:04,150 --> 00:16:01,120

healing cases is this

448

00:16:04,550 --> 00:16:04,160

a thing because i knew of another case

449

00:16:06,870 --> 00:16:04,560

in

450

00:16:08,310 --> 00:16:06,880

south america where a little girl was

451
00:16:10,310 --> 00:16:08,320
healed of cancer

452
00:16:11,430 --> 00:16:10,320
i thought this would make a good article

453
00:16:15,030 --> 00:16:11,440
and i found

454
00:16:17,590 --> 00:16:15,040
30 cases and then i found 40.

455
00:16:18,389 --> 00:16:17,600
i'm like let's dig in and i found over

456
00:16:19,910 --> 00:16:18,399
100.

457
00:16:21,829 --> 00:16:19,920
i mean they must be really difficult to

458
00:16:23,590 --> 00:16:21,839
research because once you've heard the

459
00:16:26,230 --> 00:16:23,600
testimony and

460
00:16:27,590 --> 00:16:26,240
i suppose you get the medical records

461
00:16:29,590 --> 00:16:27,600
and stuff that kind of back up the

462
00:16:31,590 --> 00:16:29,600
testimony but

463
00:16:32,710 --> 00:16:31,600

i mean i've not really touched on that

464

00:16:36,629 --> 00:16:32,720

area of the subject much

465

00:16:38,949 --> 00:16:36,639

myself but it really is fascinating that

466

00:16:40,710 --> 00:16:38,959

how do you disprove anything like that i

467

00:16:42,949 --> 00:16:40,720

mean did you find there was much

468

00:16:45,350 --> 00:16:42,959

pushback within the ufo community

469

00:16:46,790 --> 00:16:45,360

who may have been looking at the we want

470

00:16:48,470 --> 00:16:46,800

to look at craft in the sky we don't

471

00:16:51,189 --> 00:16:48,480

want to hear about these kind of

472

00:16:53,189 --> 00:16:51,199

more maybe fringe especially at the time

473

00:16:55,749 --> 00:16:53,199

sort of aspects of the phenomena

474

00:16:57,829 --> 00:16:55,759

oh yeah yeah there absolutely was i put

475

00:17:00,550 --> 00:16:57,839

out this was the first book published on

476

00:17:01,749 --> 00:17:00,560

this subject you know this aspect of

477

00:17:03,189 --> 00:17:01,759

ufos

478

00:17:04,789 --> 00:17:03,199

and at the time there was a lot of

479

00:17:08,150 --> 00:17:04,799

accounts of grays

480

00:17:09,590 --> 00:17:08,160

you know gray abductions and uh

481

00:17:11,590 --> 00:17:09,600

which you know i got involved in this

482

00:17:12,949 --> 00:17:11,600

field i'm like oh my god

483

00:17:15,270 --> 00:17:12,959

people are getting abducted by grey

484

00:17:17,110 --> 00:17:15,280

aliens they're being pulled on

485

00:17:19,510 --> 00:17:17,120

you know kidnapped against their will

486

00:17:22,789 --> 00:17:19,520

they're being experimented on this is

487

00:17:24,630 --> 00:17:22,799

bad news for humanity and that was

488

00:17:25,510 --> 00:17:24,640

getting a lot of publicity and there was

489

00:17:29,430 --> 00:17:25,520

a real

490

00:17:32,630 --> 00:17:29,440

strong fear slant on this subject

491

00:17:34,070 --> 00:17:32,640

and uh then i've kind of stumbled along

492

00:17:37,190 --> 00:17:34,080

these cases which

493

00:17:40,230 --> 00:17:37,200

often were pushed to the fringe got

494

00:17:42,390 --> 00:17:40,240

very little mention uh in

495

00:17:43,909 --> 00:17:42,400

i mean finding information on this was

496

00:17:46,230 --> 00:17:43,919

not easy

497

00:17:48,390 --> 00:17:46,240

because people were not looking at but

498

00:17:51,669 --> 00:17:48,400

the more i looked i'm like well gosh

499

00:17:54,710 --> 00:17:51,679

every major researcher has these cases

500

00:17:57,909 --> 00:17:54,720

pretty much everyone john john mack

501
00:17:59,029 --> 00:17:57,919
bud hopkins david jacobs barbara lammy

502
00:18:02,710 --> 00:17:59,039
von smith

503
00:18:04,710 --> 00:18:02,720
i'm i mean edith fiore they all had them

504
00:18:05,909 --> 00:18:04,720
i'm like why isn't anyone talking about

505
00:18:07,750 --> 00:18:05,919
this yeah

506
00:18:09,510 --> 00:18:07,760
and it was because you know oh et's are

507
00:18:12,070 --> 00:18:09,520
friendly and they heal people

508
00:18:13,750 --> 00:18:12,080
nobody wanted to hear that or couldn't

509
00:18:15,190 --> 00:18:13,760
even believe it

510
00:18:16,950 --> 00:18:15,200
but i'm like well this is medical

511
00:18:19,909 --> 00:18:16,960
evidence you know this is good

512
00:18:21,430 --> 00:18:19,919
solid evidence you can actually get your

513
00:18:25,110 --> 00:18:21,440

hands on in touch

514

00:18:25,669 --> 00:18:25,120

yeah so that's what really attracted me

515

00:18:28,789 --> 00:18:25,679

to it

516

00:18:30,870 --> 00:18:28,799

and yeah so having those two angles for

517

00:18:31,270 --> 00:18:30,880

for so many years it was the fear and

518

00:18:33,110 --> 00:18:31,280

people

519

00:18:35,029 --> 00:18:33,120

were getting abducted like kidnapped

520

00:18:36,630 --> 00:18:35,039

against their will and then you started

521

00:18:39,110 --> 00:18:36,640

hearing about all these really positive

522

00:18:41,830 --> 00:18:39,120

things healing aspects

523

00:18:43,510 --> 00:18:41,840

do you think they are all coming from

524

00:18:45,190 --> 00:18:43,520

one race do you think there are multiple

525

00:18:46,789 --> 00:18:45,200

racess like we have a good and a bad in

526

00:18:48,230 --> 00:18:46,799

pretty much everything in this universe

527

00:18:49,230 --> 00:18:48,240

has a positive and a negative do you

528

00:18:51,029 --> 00:18:49,240

think we have that with the

529

00:18:53,430 --> 00:18:51,039

extraterrestrials

530

00:18:54,230 --> 00:18:53,440

yeah yeah i think to a certain extent

531

00:18:56,950 --> 00:18:54,240

and looking

532

00:18:57,830 --> 00:18:56,960

you know being very objective about this

533

00:19:00,150 --> 00:18:57,840

because i had to

534

00:19:02,310 --> 00:19:00,160

really step back and like because we all

535

00:19:04,070 --> 00:19:02,320

have our belief systems

536

00:19:06,710 --> 00:19:04,080

i had the advantage of having my belief

537

00:19:10,470 --> 00:19:06,720

systems completely shattered

538

00:19:13,270 --> 00:19:10,480

uh so i was like sort of you know

539

00:19:14,310 --> 00:19:13,280

just floundering trying to build a

540

00:19:17,110 --> 00:19:14,320

belief system

541

00:19:19,270 --> 00:19:17,120

yeah and didn't really have one so i

542

00:19:22,630 --> 00:19:19,280

came into this with a complete

543

00:19:24,630 --> 00:19:22,640

objective skeptical viewpoint

544

00:19:27,110 --> 00:19:24,640

like let's just look at this for what it

545

00:19:30,150 --> 00:19:27,120

is let's look at the facts

546

00:19:32,150 --> 00:19:30,160

and what i found was a bell curve

547

00:19:33,830 --> 00:19:32,160

of behavior that falls under the same

548

00:19:36,310 --> 00:19:33,840

umbrella as human behavior

549

00:19:37,190 --> 00:19:36,320

yeah but is honestly slanted towards the

550

00:19:40,470 --> 00:19:37,200

positive

551
00:19:43,430 --> 00:19:40,480
because humans are vicious brutal beings

552
00:19:44,230 --> 00:19:43,440
yes they lie cheat steal murder and

553
00:19:45,909 --> 00:19:44,240
worse

554
00:19:48,230 --> 00:19:45,919
yeah and i suppose you think if this is

555
00:19:51,110 --> 00:19:48,240
an advanced civilization that they've

556
00:19:53,029 --> 00:19:51,120
ironed out all that that nonsense that

557
00:19:54,789 --> 00:19:53,039
we do as a human race so

558
00:19:56,310 --> 00:19:54,799
maybe there's a few lingering aspects of

559
00:19:58,390 --> 00:19:56,320
the negative side of things but i mean

560
00:20:00,710 --> 00:19:58,400
that's how i kind of look at that

561
00:20:02,470 --> 00:20:00,720
but but it's still there i think because

562
00:20:05,190 --> 00:20:02,480
you know we still hear of abductions

563
00:20:06,710 --> 00:20:05,200

even in more recent times so the cases

564

00:20:09,029 --> 00:20:06,720

are very negative

565

00:20:09,750 --> 00:20:09,039

yeah they are people have terrifying

566

00:20:12,789 --> 00:20:09,760

painful

567

00:20:14,870 --> 00:20:12,799

encounters but it's rare compared to

568

00:20:16,710 --> 00:20:14,880

what i would say that

569

00:20:18,549 --> 00:20:16,720

i mean there's a whole definitely a bell

570

00:20:21,510 --> 00:20:18,559

curve yeah for sure

571

00:20:22,870 --> 00:20:21,520

uh but most people the worst i hear let

572

00:20:25,669 --> 00:20:22,880

me put it this way is the

573

00:20:27,029 --> 00:20:25,679

physical examination yeah um which is

574

00:20:29,029 --> 00:20:27,039

unpleasant sometimes

575

00:20:31,110 --> 00:20:29,039

especially if it's being done by people

576

00:20:33,110 --> 00:20:31,120

you don't recognize

577

00:20:34,149 --> 00:20:33,120

who look a little different and we're

578

00:20:36,630 --> 00:20:34,159

taught to fear

579

00:20:37,669 --> 00:20:36,640

people that are different that's kind of

580

00:20:40,789 --> 00:20:37,679

a big thing in

581

00:20:46,390 --> 00:20:44,149

but you know that's it in terms of like

582

00:20:49,350 --> 00:20:46,400

people are not being tortured they're

583

00:20:50,710 --> 00:20:49,360

not being um you know the ets are not

584

00:20:52,630 --> 00:20:50,720

sadists

585

00:20:54,310 --> 00:20:52,640

you know they're not trying to hurt or

586

00:20:57,270 --> 00:20:54,320

scare people

587

00:20:58,630 --> 00:20:57,280

uh that is not their agenda at all in

588

00:21:00,070 --> 00:20:58,640

fact

589

00:21:01,909 --> 00:21:00,080

they're healing people it's what they're

590

00:21:03,510 --> 00:21:01,919

actually doing during these physical

591

00:21:05,510 --> 00:21:03,520

examinations

592

00:21:07,909 --> 00:21:05,520

and what i found it's like going to the

593

00:21:09,909 --> 00:21:07,919

doctor people don't like it

594

00:21:11,750 --> 00:21:09,919

you know talk talk to a nurse and they

595

00:21:13,830 --> 00:21:11,760

will tell you how patients will kick

596

00:21:15,190 --> 00:21:13,840

and scream and call them all kinds of

597

00:21:18,630 --> 00:21:15,200

names

598

00:21:21,029 --> 00:21:18,640

um and this is sort of what we see

599

00:21:23,029 --> 00:21:21,039

at the worst aspect of it but if you

600

00:21:24,710 --> 00:21:23,039

don't have a strong fear response

601
00:21:26,149 --> 00:21:24,720
you're treated much differently your

602
00:21:27,909 --> 00:21:26,159
memory isn't wiped

603
00:21:29,430 --> 00:21:27,919
you know you're not paralyzed you're

604
00:21:30,630 --> 00:21:29,440
given freedom of movement you're given a

605
00:21:32,149 --> 00:21:30,640
lot of information

606
00:21:35,350 --> 00:21:32,159
you're taken to the engine room the

607
00:21:37,110 --> 00:21:35,360
control room you are given warnings

608
00:21:39,750 --> 00:21:37,120
spiritual information information

609
00:21:43,590 --> 00:21:39,760
there's a very strong

610
00:21:45,430 --> 00:21:43,600
pronounced uh spiritual aspect to these

611
00:21:46,710 --> 00:21:45,440
onboard ufo connors that doesn't get a

612
00:21:48,870 --> 00:21:46,720
lot of attention

613
00:21:50,149 --> 00:21:48,880

no not at all not near enough and i mean

614

00:21:51,909 --> 00:21:50,159

i think a lot of people are

615

00:21:54,630 --> 00:21:51,919

scared to touch on it because it really

616

00:21:56,070 --> 00:21:54,640

may be seen as just speculation but

617

00:21:58,630 --> 00:21:56,080

you know i think it's still good to talk

618

00:22:01,750 --> 00:21:58,640

about it even if

619

00:22:03,909 --> 00:22:01,760

you know people think it may be nonsense

620

00:22:04,789 --> 00:22:03,919

i think until we know what this is

621

00:22:06,710 --> 00:22:04,799

exactly

622

00:22:09,029 --> 00:22:06,720

proven we have to leave everything on

623

00:22:11,190 --> 00:22:09,039

the table and consider all aspects so

624

00:22:12,390 --> 00:22:11,200

you know i completely see that point of

625

00:22:14,149 --> 00:22:12,400

view yeah

626
00:22:16,230 --> 00:22:14,159
when people got you know when this field

627
00:22:17,350 --> 00:22:16,240
sort of broke out towards the mainstream

628
00:22:19,750 --> 00:22:17,360
and it's

629
00:22:21,669 --> 00:22:19,760
it wasn't in mainstream so there was a

630
00:22:23,029 --> 00:22:21,679
real strong aspect to just prove

631
00:22:25,430 --> 00:22:23,039
prove that it's real prove that it's

632
00:22:27,430 --> 00:22:25,440
real and this kept people away from

633
00:22:28,870 --> 00:22:27,440
spiritual aspects of it because there

634
00:22:31,830 --> 00:22:28,880
was all very

635
00:22:32,149 --> 00:22:31,840
nuts and bolts let's prove this is real

636
00:22:33,909 --> 00:22:32,159
but

637
00:22:37,029 --> 00:22:33,919
um the proof is there it's in the public

638
00:22:39,669 --> 00:22:37,039

arena look at the landing trace cases

639

00:22:40,149 --> 00:22:39,679

look at the medical evidence cases look

640

00:22:42,549 --> 00:22:40,159

at the

641

00:22:43,909 --> 00:22:42,559

electromagnetic effect cases the radar

642

00:22:47,190 --> 00:22:43,919

visual cases

643

00:22:50,549 --> 00:22:47,200

the implant removal cases the proof

644

00:22:52,390 --> 00:22:50,559

is there absolutely yeah

645

00:22:54,789 --> 00:22:52,400

that's one aspect i wanted to touch on

646

00:22:56,950 --> 00:22:54,799

is a lot of cases involving children who

647

00:22:58,230 --> 00:22:56,960

have no reason to lie maybe not as much

648

00:23:00,310 --> 00:22:58,240

as adults anyway but

649

00:23:02,630 --> 00:23:00,320

specifically the schoolyard encounters

650

00:23:04,070 --> 00:23:02,640

which one of my favorite cases the ariel

651
00:23:07,430 --> 00:23:04,080
school case in

652
00:23:07,909 --> 00:23:07,440
rural zimbabwe we've got the the westall

653
00:23:09,830 --> 00:23:07,919
school in

654
00:23:11,590 --> 00:23:09,840
australia but i mean i know you've

655
00:23:13,110 --> 00:23:11,600
written a book on school encounters so

656
00:23:16,149 --> 00:23:13,120
are there other cases that are

657
00:23:17,750 --> 00:23:16,159
just as or if not more prominent in in

658
00:23:19,110 --> 00:23:17,760
what happened that you'd be able to talk

659
00:23:21,909 --> 00:23:19,120
to us about

660
00:23:24,070 --> 00:23:21,919
yeah yeah this shocked me having been in

661
00:23:24,549 --> 00:23:24,080
this field for decades i had no idea

662
00:23:27,110 --> 00:23:24,559
that

663
00:23:29,110 --> 00:23:27,120

schoolyard ufo connors was the thing i

664

00:23:31,110 --> 00:23:29,120

mean i knew about the aerial encounter

665

00:23:32,870 --> 00:23:31,120

i think it's the ultimate case of this

666

00:23:33,909 --> 00:23:32,880

kind where ufo landed next to the

667

00:23:37,909 --> 00:23:33,919

playground

668

00:23:39,909 --> 00:23:37,919

beings got out most of the people

669

00:23:41,269 --> 00:23:39,919

the kids on the playground saw this no

670

00:23:43,029 --> 00:23:41,279

teachers did

671

00:23:45,190 --> 00:23:43,039

but this was an amazing encounter and i

672

00:23:46,070 --> 00:23:45,200

thought wow you know i have a case like

673

00:23:47,909 --> 00:23:46,080

this myself

674

00:23:50,149 --> 00:23:47,919

where i interviewed a kid who was

675

00:23:51,269 --> 00:23:50,159

actually taken from the playground here

676
00:23:53,430 --> 00:23:51,279
in california

677
00:23:54,310 --> 00:23:53,440
wow and i started thinking about it i'm

678
00:23:56,470 --> 00:23:54,320
like gosh

679
00:23:57,830 --> 00:23:56,480
isn't there another case in wales like

680
00:23:59,750 --> 00:23:57,840
broadhaven wales

681
00:24:01,669 --> 00:23:59,760
yeah the broad you know and i'm like

682
00:24:02,549 --> 00:24:01,679
yeah that's that was at an elementary

683
00:24:04,549 --> 00:24:02,559
school

684
00:24:05,990 --> 00:24:04,559
ufo landed next to the playground beings

685
00:24:09,190 --> 00:24:06,000
got out

686
00:24:12,390 --> 00:24:09,200
and i thought gosh i started looking

687
00:24:13,350 --> 00:24:12,400
another famous case popped up um opalaca

688
00:24:15,990 --> 00:24:13,360

florida

689

00:24:17,029 --> 00:24:16,000

crestview elementary school oh hello

690

00:24:19,990 --> 00:24:17,039

that one

691

00:24:21,029 --> 00:24:20,000

yeah ufo landed next to the school 200

692

00:24:24,310 --> 00:24:21,039

kids saw it

693

00:24:26,549 --> 00:24:24,320

wow and then i started digging deeper

694

00:24:28,310 --> 00:24:26,559

i'm like there's a very very well known

695

00:24:32,149 --> 00:24:28,320

case in australia

696

00:24:35,190 --> 00:24:32,159

westall high school in melbourne

697

00:24:36,870 --> 00:24:35,200

again two to three hundred kids saw us

698

00:24:39,510 --> 00:24:36,880

as well as teachers

699

00:24:40,549 --> 00:24:39,520

uh which was true for the crestview case

700

00:24:43,350 --> 00:24:40,559

wow uh

701
00:24:44,549 --> 00:24:43,360
and like landed next to the school like

702
00:24:45,590 --> 00:24:44,559
why are they always doing they're

703
00:24:48,630 --> 00:24:45,600
landing next to the school

704
00:24:51,669 --> 00:24:48,640
in a grove of trees over and over again

705
00:24:53,830 --> 00:24:51,679
so i'm like let's look deeper and

706
00:24:55,590 --> 00:24:53,840
i started you know i've got a lot of

707
00:24:57,510 --> 00:24:55,600
books i subscribed to the ufo news

708
00:24:59,029 --> 00:24:57,520
clipping service

709
00:25:00,950 --> 00:24:59,039
i started digging through the files of

710
00:25:03,190 --> 00:25:00,960
mufon

711
00:25:04,470 --> 00:25:03,200
new fork national ufo reporting center

712
00:25:07,110 --> 00:25:04,480
apro

713
00:25:09,029 --> 00:25:07,120

now there's a lot of information out

714

00:25:11,990 --> 00:25:09,039

there

715

00:25:13,590 --> 00:25:12,000

and i got a real shock this is

716

00:25:17,029 --> 00:25:13,600

absolutely a thing

717

00:25:18,070 --> 00:25:17,039

um ufos are hovering over well not only

718

00:25:20,950 --> 00:25:18,080

hovering landing

719

00:25:23,110 --> 00:25:20,960

i found over a hundred cases i thought

720

00:25:25,190 --> 00:25:23,120

the earliest case i found was like 1850

721

00:25:28,310 --> 00:25:25,200

at burke college in tennessee

722

00:25:32,390 --> 00:25:28,320

wow but nothing really until

723

00:25:35,669 --> 00:25:32,400

1950 but from 1950 onwards

724

00:25:38,230 --> 00:25:35,679

every year a school

725

00:25:39,110 --> 00:25:38,240

or two or more i think there's probably

726
00:25:41,990 --> 00:25:39,120
a lot more

727
00:25:43,590 --> 00:25:42,000
honestly was being visited these are not

728
00:25:45,590 --> 00:25:43,600
normal encounters

729
00:25:47,110 --> 00:25:45,600
they come down they target the schools

730
00:25:49,990 --> 00:25:47,120
specifically

731
00:25:51,269 --> 00:25:50,000
and i say that because these objects

732
00:25:53,830 --> 00:25:51,279
will appear on the horizon

733
00:25:55,350 --> 00:25:53,840
perhaps or from up above and come

734
00:25:58,149 --> 00:25:55,360
swooping down

735
00:25:59,350 --> 00:25:58,159
and stop over the school or circle

736
00:26:02,070 --> 00:25:59,360
around it

737
00:26:02,710 --> 00:26:02,080
at low levels these are low leveled

738
00:26:04,950 --> 00:26:02,720

daytime

739

00:26:05,909 --> 00:26:04,960

sightings and your average sighting is

740

00:26:09,350 --> 00:26:05,919

very brief

741

00:26:11,590 --> 00:26:09,360

not yet these these are long lasting

742

00:26:12,549 --> 00:26:11,600

i mean five minutes is a long time to

743

00:26:14,630 --> 00:26:12,559

see a ufo

744

00:26:15,669 --> 00:26:14,640

very long and that's on the short end

745

00:26:18,789 --> 00:26:15,679

here these

746

00:26:21,669 --> 00:26:18,799

are more often 15 minutes an hour

747

00:26:23,590 --> 00:26:21,679

two hours or over a period of days in

748

00:26:25,669 --> 00:26:23,600

several cases

749

00:26:26,710 --> 00:26:25,679

and they're landing in 30 percent of

750

00:26:28,630 --> 00:26:26,720

these cases

751
00:26:29,909 --> 00:26:28,640
landings or humanoids are seen do you

752
00:26:31,750 --> 00:26:29,919
have any theories as to

753
00:26:33,029 --> 00:26:31,760
why do you think it's specifically the

754
00:26:34,470 --> 00:26:33,039
children and maybe they're sending a

755
00:26:36,070 --> 00:26:34,480
message or

756
00:26:38,149 --> 00:26:36,080
getting in their heads at an early age i

757
00:26:40,630 --> 00:26:38,159
mean it's it's crazy

758
00:26:41,830 --> 00:26:40,640
yeah i certainly thought about this um

759
00:26:42,950 --> 00:26:41,840
and what i found is some very

760
00:26:46,950 --> 00:26:42,960
interesting patterns

761
00:26:49,190 --> 00:26:46,960
uh 50 of these cases

762
00:26:50,870 --> 00:26:49,200
uh pretty much most of them are

763
00:26:52,870 --> 00:26:50,880

elementary schools

764

00:26:56,070 --> 00:26:52,880

right i mean there's a very famous

765

00:26:58,390 --> 00:26:56,080

college case hillsdale college

766

00:26:59,669 --> 00:26:58,400

which really broke this field wide open

767

00:27:03,669 --> 00:26:59,679

by the air force

768

00:27:05,430 --> 00:27:03,679

this is what hinak heineck

769

00:27:07,029 --> 00:27:05,440

decided he was going to defect from

770

00:27:09,029 --> 00:27:07,039

project blue book

771

00:27:10,070 --> 00:27:09,039

uh he called it swamp gas there was a

772

00:27:12,549 --> 00:27:10,080

huge kickback

773

00:27:13,350 --> 00:27:12,559

and it was the low point of his career

774

00:27:14,710 --> 00:27:13,360

yes this

775

00:27:17,110 --> 00:27:14,720

ended up causing a congressional

776

00:27:17,830 --> 00:27:17,120

investigation this sighting at hillsdale

777

00:27:19,669 --> 00:27:17,840

college

778

00:27:21,669 --> 00:27:19,679

where it landed by the way people don't

779

00:27:24,149 --> 00:27:21,679

realize the ufo landed in front of this

780

00:27:30,950 --> 00:27:27,269

and yeah i do have a theory i think what

781

00:27:33,990 --> 00:27:30,960

is happening here is et's are conducting

782

00:27:35,750 --> 00:27:34,000

what amounts to a publicity campaign

783

00:27:37,029 --> 00:27:35,760

they are showing themselves off

784

00:27:39,830 --> 00:27:37,039

intentionally

785

00:27:41,830 --> 00:27:39,840

we can pretty much easily conclude this

786

00:27:45,190 --> 00:27:41,840

judged on their behavior

787

00:27:48,389 --> 00:27:45,200

it's very overt it's very brazen yeah

788

00:27:49,110 --> 00:27:48,399

it's very much in your face like we are

789

00:27:54,310 --> 00:27:49,120

here

790

00:27:55,750 --> 00:27:54,320

why would they do that you know that's

791

00:27:57,990 --> 00:27:55,760

one thing to say okay they're

792

00:27:59,430 --> 00:27:58,000

showing themselves in an effort to

793

00:28:02,630 --> 00:27:59,440

announce their presence but why are they

794

00:28:06,070 --> 00:28:02,640

announcing their presence and i think

795

00:28:09,750 --> 00:28:06,080

it's to cause a sort of belief

796

00:28:13,510 --> 00:28:09,760

in ufos to let people know they're here

797

00:28:16,230 --> 00:28:13,520

for their other agenda which

798

00:28:17,830 --> 00:28:16,240

is this is pure speculation here sure

799

00:28:18,149 --> 00:28:17,840

and i hate to speculate in this field

800

00:28:19,909 --> 00:28:18,159

but

801
00:28:21,590 --> 00:28:19,919
you know you can't help it you cannot

802
00:28:23,990 --> 00:28:21,600
help

803
00:28:24,789 --> 00:28:24,000
but i i'd like to stick to the facts

804
00:28:27,269 --> 00:28:24,799
yeah

805
00:28:29,190 --> 00:28:27,279
but i'm pretty sure that this is what

806
00:28:30,549 --> 00:28:29,200
they're doing it's a publicity campaign

807
00:28:32,470 --> 00:28:30,559
because

808
00:28:34,710 --> 00:28:32,480
many ufo researchers have talked about

809
00:28:37,590 --> 00:28:34,720
how ufos are putting on displays

810
00:28:39,590 --> 00:28:37,600
and these are clear displays and i think

811
00:28:40,710 --> 00:28:39,600
eventually what they want to do is open

812
00:28:42,830 --> 00:28:40,720
official contact

813
00:28:44,470 --> 00:28:42,840

i think that's what this is it's

814

00:28:47,669 --> 00:28:44,480

preparation

815

00:28:51,510 --> 00:28:47,679

it's and it's been effective it's a very

816

00:28:54,789 --> 00:28:51,520

clever way to sort of introduce

817

00:28:56,549 --> 00:28:54,799

the i the presence of ufos without

818

00:28:59,350 --> 00:28:56,559

you know causing front-page newspaper

819

00:29:01,510 --> 00:28:59,360

headlines because you know kids

820

00:29:02,389 --> 00:29:01,520

they're seen you know seen and not heard

821

00:29:04,630 --> 00:29:02,399

sort of

822

00:29:06,310 --> 00:29:04,640

so maybe it's i mean again throwing out

823

00:29:09,510 --> 00:29:06,320

theory and speculation maybe they're

824

00:29:12,710 --> 00:29:09,520

approaching the kids put it in their

825

00:29:14,950 --> 00:29:12,720

younger more malleable subconscious

826
00:29:16,950 --> 00:29:14,960
for something that may occur 20 30 years

827
00:29:18,789 --> 00:29:16,960
down the line when those kids are adults

828
00:29:19,750 --> 00:29:18,799
maybe that's when the the reveal will

829
00:29:22,070 --> 00:29:19,760
happen

830
00:29:23,669 --> 00:29:22,080
precisely yeah that makes i mean it does

831
00:29:26,149 --> 00:29:23,679
make sense it really does

832
00:29:27,590 --> 00:29:26,159
i think that's exactly it because kids

833
00:29:29,750 --> 00:29:27,600
are so impressionable

834
00:29:31,110 --> 00:29:29,760
yeah they're none you know they don't

835
00:29:32,870 --> 00:29:31,120
discriminate

836
00:29:35,029 --> 00:29:32,880
they don't fear something just because

837
00:29:36,230 --> 00:29:35,039
it's different and in most of these

838
00:29:38,630 --> 00:29:36,240

cases

839

00:29:39,350 --> 00:29:38,640

and these are elementary kids yeah they

840

00:29:43,190 --> 00:29:39,360

have not

841

00:29:45,110 --> 00:29:43,200

heard of ufos it's our primary

842

00:29:47,350 --> 00:29:45,120

this is in primary school you know you

843

00:29:50,630 --> 00:29:47,360

haven't been exposed to these kind of

844

00:29:52,630 --> 00:29:50,640

ideas and uh this is something they

845

00:29:54,789 --> 00:29:52,640

remember for the rest of their lives

846

00:29:56,870 --> 00:29:54,799

that turns up in almost every case like

847

00:29:59,110 --> 00:29:56,880

i think about it every day

848

00:30:00,230 --> 00:29:59,120

there's been no evidence of any hoaxes

849

00:30:01,830 --> 00:30:00,240

in these

850

00:30:04,710 --> 00:30:01,840

true and they've all stuck to their

851
00:30:06,389 --> 00:30:04,720
story have you spoken to many of them

852
00:30:07,750 --> 00:30:06,399
many of the kids from these cases in

853
00:30:09,669 --> 00:30:07,760
more recent years have you

854
00:30:10,870 --> 00:30:09,679
tracked any down in their older age and

855
00:30:13,669 --> 00:30:10,880
seen how

856
00:30:14,950 --> 00:30:13,679
oh yeah yeah yeah any any examples that

857
00:30:15,510 --> 00:30:14,960
you can give us just because i mean i

858
00:30:18,549 --> 00:30:15,520
think we've

859
00:30:21,269 --> 00:30:18,559
we've seen from the aerial school um

860
00:30:22,470 --> 00:30:21,279
kids from 94 i think in james fox is the

861
00:30:23,830 --> 00:30:22,480
phenomenon he

862
00:30:25,350 --> 00:30:23,840
he speaks to some of them but it'd be

863
00:30:27,110 --> 00:30:25,360

interesting to see some of these more

864

00:30:30,310 --> 00:30:27,120

more lesser known cases and

865

00:30:32,630 --> 00:30:30,320

if it all correlates as well yeah

866

00:30:34,870 --> 00:30:32,640

one i i would say that some of them have

867

00:30:36,950 --> 00:30:34,880

reunions

868

00:30:38,870 --> 00:30:36,960

because i'm gonna happen with the

869

00:30:40,630 --> 00:30:38,880

broadhaven school incident that happened

870

00:30:44,230 --> 00:30:40,640

at the rosie ball

871

00:30:47,350 --> 00:30:44,240

school which i think is also in wales uh

872

00:30:49,350 --> 00:30:47,360

but yeah this is quite common um

873

00:30:50,950 --> 00:30:49,360

people are very deeply impressed that's

874

00:30:53,190 --> 00:30:50,960

another pattern

875

00:30:56,230 --> 00:30:53,200

some become ufo researchers that

876
00:30:58,389 --> 00:30:56,240
happened to malcolm robinson of scotland

877
00:31:00,389 --> 00:30:58,399
he had a playground sighting and ended

878
00:31:01,029 --> 00:31:00,399
up becoming you know one of scotland's

879
00:31:03,110 --> 00:31:01,039
major

880
00:31:04,470 --> 00:31:03,120
ufo researchers i mean he wrote ufos

881
00:31:08,149 --> 00:31:04,480
over scotland

882
00:31:10,389 --> 00:31:08,159
one and two and some become

883
00:31:11,990 --> 00:31:10,399
you know quantum physicists or

884
00:31:15,029 --> 00:31:12,000
astronomers

885
00:31:18,310 --> 00:31:15,039
or very ufo activists

886
00:31:21,190 --> 00:31:18,320
you know they join uf organizations uh

887
00:31:23,110 --> 00:31:21,200
so this absolutely does affect people

888
00:31:24,870 --> 00:31:23,120

for the rest of their lives

889

00:31:26,630 --> 00:31:24,880

yeah i mean that's the thing that they

890

00:31:28,630 --> 00:31:26,640

become truth seekers to

891

00:31:30,310 --> 00:31:28,640

to look for the answers that they need

892

00:31:33,029 --> 00:31:30,320

from what they saw i can imagine

893

00:31:35,110 --> 00:31:33,039

so that makes that makes sense to me now

894

00:31:36,710 --> 00:31:35,120

preston one thing that really has been

895

00:31:39,669 --> 00:31:36,720

captivating me for the last couple of

896

00:31:40,950 --> 00:31:39,679

years is underwater unidentified

897

00:31:43,750 --> 00:31:40,960

submersible objects

898

00:31:45,750 --> 00:31:43,760

usos and specifically kind of the west

899

00:31:47,029 --> 00:31:45,760

coast the catalina island and

900

00:31:49,590 --> 00:31:47,039

you know off the northern coast of

901
00:31:50,389 --> 00:31:49,600
mexico and again you've written a book

902
00:31:53,669 --> 00:31:50,399
on

903
00:31:56,950 --> 00:31:53,679
like undersea bases can you know um

904
00:31:58,389 --> 00:31:56,960
with over 70 plus uso cases

905
00:31:59,830 --> 00:31:58,399
when did that really start for you is

906
00:32:01,509 --> 00:31:59,840
that something that goes back into the

907
00:32:03,190 --> 00:32:01,519
sort of 90s and that or is that more

908
00:32:05,110 --> 00:32:03,200
recent like when did that really come

909
00:32:07,430 --> 00:32:05,120
about for you

910
00:32:08,230 --> 00:32:07,440
it crept on me slowly i will say that

911
00:32:10,710 --> 00:32:08,240
from the

912
00:32:11,269 --> 00:32:10,720
very beginning i started giving cases

913
00:32:14,149 --> 00:32:11,279

wow

914

00:32:14,710 --> 00:32:14,159

um because i am right next to the coast

915

00:32:17,029 --> 00:32:14,720

here

916

00:32:19,029 --> 00:32:17,039

yeah and people started saying oh yeah

917

00:32:21,029 --> 00:32:19,039

you know i saw this object on the water

918

00:32:22,470 --> 00:32:21,039

i remember i think one of my first cases

919

00:32:24,310 --> 00:32:22,480

was this therapist

920

00:32:26,389 --> 00:32:24,320

who was driving along the pacific coast

921

00:32:29,430 --> 00:32:26,399

highway which runs along

922

00:32:32,470 --> 00:32:29,440

the santa catalina channel yeah

923

00:32:34,630 --> 00:32:32,480

and she described seeing this light

924

00:32:36,149 --> 00:32:34,640

floating on the water and it didn't look

925

00:32:38,230 --> 00:32:36,159

like a boat and she turned to the guy

926

00:32:40,870 --> 00:32:38,240

who was driving she says look at that

927

00:32:42,470 --> 00:32:40,880

and as soon as he turns and looks at it

928

00:32:44,630 --> 00:32:42,480

it goes straight up

929

00:32:45,909 --> 00:32:44,640

wow takes off in a way that you know

930

00:32:48,149 --> 00:32:45,919

nothing can do

931

00:32:49,430 --> 00:32:48,159

yeah that was my first case started

932

00:32:52,310 --> 00:32:49,440

getting more after that

933

00:32:54,230 --> 00:32:52,320

it started stacking up and i wrote a

934

00:32:55,830 --> 00:32:54,240

book called ufos over california

935

00:32:57,909 --> 00:32:55,840

and i thought well i've got like 30

936

00:33:01,750 --> 00:32:57,919

cases let's do a chapter on this

937

00:33:03,430 --> 00:33:01,760

ocean going ufos and so that's how it

938

00:33:06,789 --> 00:33:03,440

started

939

00:33:09,669 --> 00:33:06,799

and a tv producer actually

940

00:33:10,950 --> 00:33:09,679

picked up the book and that's how i got

941

00:33:14,470 --> 00:33:10,960

onto the history channel with

942

00:33:16,310 --> 00:33:14,480

their show deep sea ufos which got

943

00:33:17,430 --> 00:33:16,320

record ratings it beat up it was their

944

00:33:20,870 --> 00:33:17,440

best show

945

00:33:22,630 --> 00:33:20,880

you know ice road truckers

946

00:33:24,470 --> 00:33:22,640

and uh they're like come back for a

947

00:33:26,549 --> 00:33:24,480

second show i'm like of course

948

00:33:28,149 --> 00:33:26,559

you know and uh so that brought in a

949

00:33:30,470 --> 00:33:28,159

flood of cases

950

00:33:32,070 --> 00:33:30,480

which led to another show and more

951
00:33:32,710 --> 00:33:32,080
research started getting asked to speak

952
00:33:35,509 --> 00:33:32,720
on it

953
00:33:36,789 --> 00:33:35,519
i wrote an article for fate magazine

954
00:33:38,950 --> 00:33:36,799
they put it on the cover

955
00:33:41,350 --> 00:33:38,960
that article went viral actually was

956
00:33:43,990 --> 00:33:41,360
posted all over the internet

957
00:33:46,389 --> 00:33:44,000
and so i found myself being a uso

958
00:33:49,269 --> 00:33:46,399
researcher

959
00:33:50,950 --> 00:33:49,279
and yeah focusing on the santa catalina

960
00:33:53,430 --> 00:33:50,960
channel

961
00:33:54,310 --> 00:33:53,440
this is very close to the now famous tic

962
00:33:56,789 --> 00:33:54,320
tac incident

963
00:33:57,350 --> 00:33:56,799

absolutely which is on the south south

964

00:33:59,750 --> 00:33:57,360

end of it

965

00:34:00,630 --> 00:33:59,760

all but definitely as the ufo flies i

966

00:34:04,310 --> 00:34:00,640

mean

967

00:34:07,669 --> 00:34:04,320

or the uso um

968

00:34:08,869 --> 00:34:07,679

it's not far away and this this area of

969

00:34:11,109 --> 00:34:08,879

water

970

00:34:12,149 --> 00:34:11,119

um stretching on the north end from

971

00:34:14,790 --> 00:34:12,159

santa barbara

972

00:34:15,589 --> 00:34:14,800

south all the way down to really mexico

973

00:34:18,470 --> 00:34:15,599

but

974

00:34:18,950 --> 00:34:18,480

let's say san clemente yeah uh it's a

975

00:34:24,710 --> 00:34:18,960

mile

976

00:34:26,629 --> 00:34:24,720

uso accounts in the world

977

00:34:27,750 --> 00:34:26,639

i'm not going to say that for sure

978

00:34:29,190 --> 00:34:27,760

because i

979

00:34:31,430 --> 00:34:29,200

uh but because there are other areas

980

00:34:34,950 --> 00:34:31,440

which are pretty active yeah

981

00:34:37,909 --> 00:34:34,960

but i've got 150 cases

982

00:34:39,589 --> 00:34:37,919

and that's a lot and i'm like what is

983

00:34:41,030 --> 00:34:39,599

going on here because it's a pretty

984

00:34:43,750 --> 00:34:41,040

sharply defined area

985

00:34:44,310 --> 00:34:43,760

case is stretching back to the 1920s all

986

00:34:48,149 --> 00:34:44,320

the way

987

00:34:51,109 --> 00:34:48,159

present day i mean 2021 we've got cases

988

00:34:51,990 --> 00:34:51,119

really oh yeah are these cases that

989

00:34:54,230 --> 00:34:52,000

you've

990

00:34:55,750 --> 00:34:54,240

researched and the public can read about

991

00:34:57,910 --> 00:34:55,760

or is this still stuff you're working on

992

00:35:01,270 --> 00:34:57,920

behind the scenes

993

00:35:03,190 --> 00:35:01,280

um i hear you know i'm i'm

994

00:35:04,310 --> 00:35:03,200

all over the place these days i've got a

995

00:35:07,670 --> 00:35:04,320

lot of my play

996

00:35:10,710 --> 00:35:07,680

uh but yeah what happened was uh

997

00:35:11,270 --> 00:35:10,720

josh gates expedition x television

998

00:35:14,870 --> 00:35:11,280

program

999

00:35:17,349 --> 00:35:14,880

called right yeah and uh so

1000

00:35:18,870 --> 00:35:17,359

they were doing research into this area

1001

00:35:22,150 --> 00:35:18,880

and they actually caught it

1002

00:35:25,190 --> 00:35:22,160

on film and uh

1003

00:35:27,270 --> 00:35:25,200

an object coming up out of the water and

1004

00:35:28,310 --> 00:35:27,280

i i told them like this is the area to

1005

00:35:32,150 --> 00:35:28,320

go to

1006

00:35:33,270 --> 00:35:32,160

island it's the best lookout place this

1007

00:35:35,510 --> 00:35:33,280

is where i've got a

1008

00:35:36,310 --> 00:35:35,520

huge cluster of cases if you want to see

1009

00:35:39,109 --> 00:35:36,320

one

1010

00:35:40,550 --> 00:35:39,119

i would go there and i would look

1011

00:35:43,670 --> 00:35:40,560

towards the mainland

1012

00:35:46,630 --> 00:35:43,680

and that's what they did and it worked

1013

00:35:49,030 --> 00:35:46,640

and i know another organization uapx is

1014

00:35:52,230 --> 00:35:49,040

definitely researching this area

1015

00:35:53,670 --> 00:35:52,240

i'm capturing some amazing stuff oh well

1016

00:35:54,390 --> 00:35:53,680

that's interesting i'm speaking to those

1017

00:35:57,910 --> 00:35:54,400

guys in

1018

00:35:59,910 --> 00:35:57,920

next week in fact so yeah very excited

1019

00:36:01,670 --> 00:35:59,920

awesome yeah

1020

00:36:03,589 --> 00:36:01,680

i'm telling you i think there's a base

1021

00:36:06,069 --> 00:36:03,599

there really well

1022

00:36:08,230 --> 00:36:06,079

i really do because i'm you know i had a

1023

00:36:10,150 --> 00:36:08,240

number of experiencers telling me this

1024

00:36:12,390 --> 00:36:10,160

like why would you say that they're like

1025

00:36:13,109 --> 00:36:12,400

i just intuitively feel it one guy's

1026

00:36:16,390 --> 00:36:13,119

like well i was

1027

00:36:16,950 --> 00:36:16,400

in it he was abducted from catalina

1028

00:36:19,990 --> 00:36:16,960

island

1029

00:36:20,710 --> 00:36:20,000

and wasn't taken inside a ufo he was

1030

00:36:23,750 --> 00:36:20,720

taken to an

1031

00:36:25,270 --> 00:36:23,760

underground place with rock walls and it

1032

00:36:28,470 --> 00:36:25,280

was big

1033

00:36:30,790 --> 00:36:28,480

and that's not unique i have well now

1034

00:36:32,870 --> 00:36:30,800

four other cases like that are we

1035

00:36:34,630 --> 00:36:32,880

talking about like a different base

1036

00:36:36,230 --> 00:36:34,640

because we we hear a lot of talk about

1037

00:36:37,829 --> 00:36:36,240

the malibu base

1038

00:36:40,230 --> 00:36:37,839

is that different to what you're saying

1039

00:36:44,310 --> 00:36:40,240

about possible catalina base is it

1040

00:36:46,550 --> 00:36:44,320

you know is that different i'm not sure

1041

00:36:47,910 --> 00:36:46,560

to be honest because what i did was i

1042

00:36:50,150 --> 00:36:47,920

started

1043

00:36:52,230 --> 00:36:50,160

my first step was to really sort of mark

1044

00:36:53,750 --> 00:36:52,240

these all on the map

1045

00:36:56,230 --> 00:36:53,760

and uh i'm like wow they're all

1046

00:36:57,109 --> 00:36:56,240

clustered here in the santa catalina

1047

00:36:59,030 --> 00:36:57,119

channel

1048

00:37:01,990 --> 00:36:59,040

it's very deep there by the way average

1049

00:37:05,750 --> 00:37:02,000

depth about two to three thousand feet

1050

00:37:07,990 --> 00:37:05,760

wow but has canyons in there

1051
00:37:09,589 --> 00:37:08,000
up to five thousand feet deep you know a

1052
00:37:11,349 --> 00:37:09,599
mile deep

1053
00:37:13,030 --> 00:37:11,359
i talked to navy guys i talked to a

1054
00:37:15,430 --> 00:37:13,040
submarine navigator

1055
00:37:17,670 --> 00:37:15,440
you know some really good witnesses he

1056
00:37:20,870 --> 00:37:17,680
had an encounter there

1057
00:37:22,150 --> 00:37:20,880
and uh i thought hmm

1058
00:37:24,870 --> 00:37:22,160
you know there seem to be really

1059
00:37:26,710 --> 00:37:24,880
clustered off the coast of malibu here

1060
00:37:28,230 --> 00:37:26,720
if there's a base it's probably right

1061
00:37:31,670 --> 00:37:28,240
around here

1062
00:37:35,270 --> 00:37:31,680
and it was shortly after i had you know

1063
00:37:36,150 --> 00:37:35,280

put this out that uh these google images

1064

00:37:39,270 --> 00:37:36,160

started

1065

00:37:40,069 --> 00:37:39,280

going viral yes anomaly the malibu

1066

00:37:42,390 --> 00:37:40,079

anomaly

1067

00:37:43,349 --> 00:37:42,400

yeah absolutely and if you look at it

1068

00:37:45,990 --> 00:37:43,359

it's like wow

1069

00:37:48,150 --> 00:37:46,000

what is this it's got a flat top it's

1070

00:37:49,349 --> 00:37:48,160

got what look like pillars or columns a

1071

00:37:51,270 --> 00:37:49,359

tunnel

1072

00:37:53,190 --> 00:37:51,280

there's some debunkers who are like no

1073

00:37:54,470 --> 00:37:53,200

this is just an artifact from google

1074

00:37:56,870 --> 00:37:54,480

imaging

1075

00:37:59,510 --> 00:37:56,880

and and if you look at it yeah some of

1076

00:38:02,630 --> 00:37:59,520

it does look like a landslide but others

1077

00:38:04,470 --> 00:38:02,640

should clearly show a tunnel so

1078

00:38:06,550 --> 00:38:04,480

there's a lot of cherry picking and shoe

1079

00:38:09,190 --> 00:38:06,560

fitting depending on which theory you're

1080

00:38:10,310 --> 00:38:09,200

trying to promote yeah but that's not my

1081

00:38:12,950 --> 00:38:10,320

style you know what

1082

00:38:14,230 --> 00:38:12,960

i you look at all the evidence and then

1083

00:38:17,670 --> 00:38:14,240

you come to a conclusion

1084

00:38:18,630 --> 00:38:17,680

so my assessment was already that there

1085

00:38:21,430 --> 00:38:18,640

was a base

1086

00:38:23,030 --> 00:38:21,440

in this area just based on the number of

1087

00:38:25,990 --> 00:38:23,040

reports

1088

00:38:27,349 --> 00:38:26,000

some involving not 10 or 20 objects i

1089

00:38:30,790 --> 00:38:27,359

mean the average sighting has

1090

00:38:33,430 --> 00:38:30,800

like two objects right right some

1091

00:38:34,310 --> 00:38:33,440

here have 10 or 20 30. and i have a

1092

00:38:37,430 --> 00:38:34,320

couple that have

1093

00:38:39,430 --> 00:38:37,440

over 50. there are three cases

1094

00:38:41,190 --> 00:38:39,440

involving over 100 objects coming up out

1095

00:38:42,550 --> 00:38:41,200

of the water wow

1096

00:38:45,510 --> 00:38:42,560

so when that i mean where are they

1097

00:38:48,790 --> 00:38:45,520

coming from what is it

1098

00:38:50,150 --> 00:38:48,800

and so i started to have enough data

1099

00:38:52,950 --> 00:38:50,160

points

1100

00:38:55,670 --> 00:38:52,960

that pointed towards there being

1101

00:38:58,230 --> 00:38:55,680

something down there

1102

00:38:59,190 --> 00:38:58,240

and that's what when i started to you

1103

00:39:01,750 --> 00:38:59,200

know

1104

00:39:03,910 --> 00:39:01,760

speculate on the possibility or

1105

00:39:05,670 --> 00:39:03,920

probability of a base down there

1106

00:39:07,109 --> 00:39:05,680

yeah i mean there are people that are

1107

00:39:08,470 --> 00:39:07,119

outside interrupt there are people out

1108

00:39:10,069 --> 00:39:08,480

there that also speculate that it

1109

00:39:11,750 --> 00:39:10,079

if it's not a base it could well be a

1110

00:39:13,349 --> 00:39:11,760

portal that you know

1111

00:39:15,910 --> 00:39:13,359

is is kind of an entrance point for them

1112

00:39:18,150 --> 00:39:15,920

coming to this to this earth to us

1113

00:39:20,550 --> 00:39:18,160

you know or a tunnel from you know that

1114

00:39:22,950 --> 00:39:20,560

malibu anomaly does look like a tunnel

1115

00:39:24,950 --> 00:39:22,960

yeah and i have been told from people

1116

00:39:26,470 --> 00:39:24,960

within the military industrial complex

1117

00:39:28,470 --> 00:39:26,480

what i would call whistleblowers

1118

00:39:29,750 --> 00:39:28,480

right who i've been in touch with for a

1119

00:39:31,750 --> 00:39:29,760

while at least one guy

1120

00:39:33,430 --> 00:39:31,760

who i absolutely trust had verified his

1121

00:39:36,630 --> 00:39:33,440

employment

1122

00:39:38,230 --> 00:39:36,640

he worked on a navy ship had top secret

1123

00:39:39,829 --> 00:39:38,240

clearance

1124

00:39:43,430 --> 00:39:39,839

and he's like you know about the tunnels

1125

00:39:45,190 --> 00:39:43,440

right and i'm like well tell me

1126
00:39:46,550 --> 00:39:45,200
he said he said because i had heard

1127
00:39:47,990 --> 00:39:46,560
about them and

1128
00:39:50,790 --> 00:39:48,000
he said there was these tunnels that

1129
00:39:53,990 --> 00:39:50,800
reached from get this area 51

1130
00:39:56,230 --> 00:39:54,000
in nevada to edwards air force base in

1131
00:39:59,430 --> 00:39:56,240
the high desert of southern california

1132
00:40:01,190 --> 00:39:59,440
to the santa catalina channel wow so

1133
00:40:03,030 --> 00:40:01,200
maybe just maybe that's where these

1134
00:40:05,829 --> 00:40:03,040
objects are coming from

1135
00:40:07,589 --> 00:40:05,839
could be a portal could be a base at

1136
00:40:08,829 --> 00:40:07,599
very least there's a parking lot down

1137
00:40:11,349 --> 00:40:08,839
there

1138
00:40:13,510 --> 00:40:11,359

sure i mean if this is the case and it's

1139

00:40:15,589 --> 00:40:13,520

linked to things like area 51 and you

1140

00:40:17,990 --> 00:40:15,599

know with the tunnels does that mean as

1141

00:40:20,069 --> 00:40:18,000

the government are working with these

1142

00:40:21,430 --> 00:40:20,079

extraterrestrials or interdimensionals

1143

00:40:23,589 --> 00:40:21,440

or whatever they're called

1144

00:40:25,510 --> 00:40:23,599

or does it mean some of this what we're

1145

00:40:27,910 --> 00:40:25,520

seeing is genuinely man-made

1146

00:40:28,790 --> 00:40:27,920

reverse-engineered is are there are you

1147

00:40:31,109 --> 00:40:28,800

still working around

1148

00:40:32,790 --> 00:40:31,119

multiple theories or have you kind of

1149

00:40:34,069 --> 00:40:32,800

pushed them aside and you're focusing on

1150

00:40:37,750 --> 00:40:34,079

one

1151

00:40:39,750 --> 00:40:37,760

there's no doubt zero dot in my mind

1152

00:40:41,109 --> 00:40:39,760

that some of the stuff we see is

1153

00:40:43,750 --> 00:40:41,119

absolutely

1154

00:40:44,550 --> 00:40:43,760

reverse engineered right i have enough

1155

00:40:46,550 --> 00:40:44,560

personal

1156

00:40:48,390 --> 00:40:46,560

whistleblower accounts to convince me

1157

00:40:49,990 --> 00:40:48,400

and if you look at it

1158

00:40:51,430 --> 00:40:50,000

from other researchers who kind of

1159

00:40:55,030 --> 00:40:51,440

specialized in that

1160

00:40:56,470 --> 00:40:55,040

evidence is extremely compelling

1161

00:40:57,750 --> 00:40:56,480

and i've been told this over and over

1162

00:40:58,950 --> 00:40:57,760

again that some of the stuff we're

1163

00:41:02,710 --> 00:40:58,960

seeing is ours

1164

00:41:05,109 --> 00:41:02,720

but most know god no

1165

00:41:06,550 --> 00:41:05,119

because if you look at these accounts

1166

00:41:08,630 --> 00:41:06,560

and i've talked to

1167

00:41:10,390 --> 00:41:08,640

a number of these military guys they

1168

00:41:13,589 --> 00:41:10,400

don't know what it is

1169

00:41:15,270 --> 00:41:13,599

and in this area there's a good 10 to 20

1170

00:41:17,829 --> 00:41:15,280

percent of the cases

1171

00:41:19,109 --> 00:41:17,839

the objects are being chased by military

1172

00:41:21,510 --> 00:41:19,119

jets

1173

00:41:23,510 --> 00:41:21,520

uh there is military in this area but

1174

00:41:25,030 --> 00:41:23,520

it's absolutely not our own for a number

1175

00:41:28,309 --> 00:41:25,040

of reasons

1176

00:41:30,870 --> 00:41:28,319

far too many of these objects uh

1177

00:41:32,829 --> 00:41:30,880

because if we do have these craft we're

1178

00:41:34,230 --> 00:41:32,839

not gonna be flying around hundreds of

1179

00:41:36,309 --> 00:41:34,240

them

1180

00:41:38,390 --> 00:41:36,319

and you're not gonna chase cars down the

1181

00:41:39,190 --> 00:41:38,400

street and you're not gonna put on

1182

00:41:40,950 --> 00:41:39,200

displays

1183

00:41:43,670 --> 00:41:40,960

for an audience and you're not gonna

1184

00:41:45,910 --> 00:41:43,680

hover over someone's home

1185

00:41:48,630 --> 00:41:45,920

you know 15 feet above it and light up

1186

00:41:49,910 --> 00:41:48,640

the entire interior

1187

00:41:52,390 --> 00:41:49,920

and you're not going to land and take

1188

00:41:54,670 --> 00:41:52,400

them on board and have aliens be there

1189

00:41:55,990 --> 00:41:54,680

you know we know this is

1190

00:42:00,069 --> 00:41:56,000

extraterrestrial

1191

00:42:03,430 --> 00:42:00,079

hands down most of it uh

1192

00:42:05,270 --> 00:42:03,440

so i'm that's my assessment i mean i

1193

00:42:07,670 --> 00:42:05,280

i i'm not at the point where i can prove

1194

00:42:08,870 --> 00:42:07,680

it obviously no of course but it's good

1195

00:42:10,870 --> 00:42:08,880

you know you've been in doing this for a

1196

00:42:12,390 --> 00:42:10,880

long time a lot of what's being talked

1197

00:42:13,430 --> 00:42:12,400

about that i've come across in this

1198

00:42:14,950 --> 00:42:13,440

field at the moment is

1199

00:42:16,910 --> 00:42:14,960

the whether it's actually

1200

00:42:18,630 --> 00:42:16,920

extraterrestrial or

1201
00:42:19,910 --> 00:42:18,640
ultra-terrestrial whether it's and

1202
00:42:21,670 --> 00:42:19,920
there's all these new phrases

1203
00:42:22,230 --> 00:42:21,680
crypto-terrestrial something that's been

1204
00:42:25,349 --> 00:42:22,240
here

1205
00:42:27,349 --> 00:42:25,359
you

1206
00:42:29,109 --> 00:42:27,359
subscribe to any of those possibilities

1207
00:42:31,030 --> 00:42:29,119
that it's not just a case that it's come

1208
00:42:33,430 --> 00:42:31,040
across you know light years of

1209
00:42:34,630 --> 00:42:33,440
and you know at light speed and things

1210
00:42:36,390 --> 00:42:34,640
like that

1211
00:42:37,910 --> 00:42:36,400
well i i think it's clear some of these

1212
00:42:39,349 --> 00:42:37,920
are extraterrestrials in the classic

1213
00:42:42,470 --> 00:42:39,359

sense

1214

00:42:43,510 --> 00:42:42,480

uh because this is what the i'll call

1215

00:42:46,150 --> 00:42:43,520

them et's

1216

00:42:47,109 --> 00:42:46,160

just for convenience yeah um this is

1217

00:42:49,190 --> 00:42:47,119

what they've said

1218

00:42:51,349 --> 00:42:49,200

they have told experiencers this we are

1219

00:42:53,430 --> 00:42:51,359

from orion we are from andromeda from

1220

00:42:55,190 --> 00:42:53,440

cygnus the pleiades

1221

00:42:56,630 --> 00:42:55,200

uh or we're from a place you don't know

1222

00:43:00,150 --> 00:42:56,640

about yet

1223

00:43:02,150 --> 00:43:00,160

uh i like you know ultra terrestrials

1224

00:43:03,910 --> 00:43:02,160

you know interdimensionals

1225

00:43:05,670 --> 00:43:03,920

the crypto terrestrials was an

1226

00:43:07,750 --> 00:43:05,680

interesting idea yeah

1227

00:43:09,109 --> 00:43:07,760

uh because we do know that these guys

1228

00:43:11,829 --> 00:43:09,119

have been around

1229

00:43:13,750 --> 00:43:11,839

probably longer than we have and i think

1230

00:43:15,190 --> 00:43:13,760

that's a safe assumption just based on

1231

00:43:18,150 --> 00:43:15,200

the fact that we've got egyptian

1232

00:43:21,910 --> 00:43:18,160

hieroglyphs that clearly show

1233

00:43:23,510 --> 00:43:21,920

uh modern ufos we have petroglyphs we

1234

00:43:26,630 --> 00:43:23,520

have cave paintings

1235

00:43:28,710 --> 00:43:26,640

we have medieval wood carvings

1236

00:43:32,150 --> 00:43:28,720

i mean this appears in ancient writings

1237

00:43:34,710 --> 00:43:32,160

the vinyanas of ancient india

1238

00:43:36,069 --> 00:43:34,720

so we know this goes back far before

1239

00:43:39,030 --> 00:43:36,079

recorded history

1240

00:43:39,990 --> 00:43:39,040

yeah and it might not be accurate to

1241

00:43:42,710 --> 00:43:40,000

call some of these

1242

00:43:44,069 --> 00:43:42,720

guys extraterrestrials because they

1243

00:43:45,109 --> 00:43:44,079

could be you know a breakaway

1244

00:43:46,790 --> 00:43:45,119

civilization

1245

00:43:48,309 --> 00:43:46,800

yeah we lived on earth and now we're

1246

00:43:51,270 --> 00:43:48,319

coming back

1247

00:43:52,470 --> 00:43:51,280

uh we cannot rule out that possibility

1248

00:43:57,030 --> 00:43:52,480

but the idea

1249

00:44:00,950 --> 00:43:57,040

of extraterrestrials as a simple concept

1250

00:44:04,150 --> 00:44:00,960

is inescapable just i mean it really is

1251
00:44:07,430 --> 00:44:04,160
because here we are on a planet

1252
00:44:09,109 --> 00:44:07,440
we know what we are and uh to think that

1253
00:44:12,309 --> 00:44:09,119
we're unique

1254
00:44:14,309 --> 00:44:12,319
is unimaginable

1255
00:44:16,230 --> 00:44:14,319
absolutely i mean i think anybody that

1256
00:44:18,230 --> 00:44:16,240
thinks that is kind of

1257
00:44:20,630 --> 00:44:18,240
yeah i mean it's looking through you

1258
00:44:22,309 --> 00:44:20,640
know like a narrow field

1259
00:44:24,230 --> 00:44:22,319
and the fact is people when they see a

1260
00:44:26,870 --> 00:44:24,240
ufo it usually starts

1261
00:44:27,750 --> 00:44:26,880
way up high and it's coming from outer

1262
00:44:29,510 --> 00:44:27,760
space

1263
00:44:31,270 --> 00:44:29,520

and many people there are people who've

1264

00:44:33,430 --> 00:44:31,280

been taken to other planets i've heard

1265

00:44:37,109 --> 00:44:33,440

this from first-hand experiencers

1266

00:44:38,870 --> 00:44:37,119

some very credible accounts wow um

1267

00:44:41,270 --> 00:44:38,880

you know like military witnesses have

1268

00:44:44,950 --> 00:44:41,280

had this experience

1269

00:44:47,430 --> 00:44:44,960

uh so i can tell you for sure

1270

00:44:48,309 --> 00:44:47,440

i mean fairly certainly i should say

1271

00:44:51,270 --> 00:44:48,319

yeah with

1272

00:44:52,630 --> 00:44:51,280

a good amount of certainty that many of

1273

00:44:54,150 --> 00:44:52,640

these are extraterrestrials in the

1274

00:44:55,910 --> 00:44:54,160

classic sense

1275

00:44:57,589 --> 00:44:55,920

and people talk about time travelers i'm

1276

00:44:59,829 --> 00:44:57,599

like well yeah they can time travel

1277

00:45:01,750 --> 00:44:59,839

we've got good evidence of this

1278

00:45:04,150 --> 00:45:01,760

interdimensionals well yeah they can

1279

00:45:05,430 --> 00:45:04,160

travel interdimensionally

1280

00:45:06,710 --> 00:45:05,440

but everything on earth is

1281

00:45:08,710 --> 00:45:06,720

interdimensional we are our

1282

00:45:10,710 --> 00:45:08,720

interdimensional beings

1283

00:45:12,870 --> 00:45:10,720

we truly are if you look into this you

1284

00:45:15,430 --> 00:45:12,880

know there's ghostly phenomena

1285

00:45:15,910 --> 00:45:15,440

near death experiences astral travel

1286

00:45:17,990 --> 00:45:15,920

yeah

1287

00:45:20,790 --> 00:45:18,000

other dimensions has been proven

1288

00:45:23,510 --> 00:45:20,800

mathematically

1289

00:45:24,870 --> 00:45:23,520

everything is interdimensional so i'm

1290

00:45:26,710 --> 00:45:24,880

not so sure it's

1291

00:45:28,309 --> 00:45:26,720

useful to call these interdimensional

1292

00:45:29,750 --> 00:45:28,319

beings

1293

00:45:31,349 --> 00:45:29,760

and really if something can move

1294

00:45:33,430 --> 00:45:31,359

interdimensionally or

1295

00:45:35,270 --> 00:45:33,440

time travel that does not preclude them

1296

00:45:37,750 --> 00:45:35,280

from being extraterrestrial

1297

00:45:40,950 --> 00:45:37,760

sure and ultra-terrestrial yeah

1298

00:45:43,270 --> 00:45:40,960

ultra-terrestrial is a vague concept

1299

00:45:45,430 --> 00:45:43,280

and i mean has different meanings what

1300

00:45:48,470 --> 00:45:45,440

do you really mean by that

1301

00:45:50,950 --> 00:45:48,480

there is a theory that's pretty

1302

00:45:52,550 --> 00:45:50,960

popular i'd say this is the second most

1303

00:45:54,870 --> 00:45:52,560

popular theory

1304

00:45:56,630 --> 00:45:54,880

to explain the ufo phenomena

1305

00:46:00,390 --> 00:45:56,640

extraterrestrial is by far

1306

00:46:01,829 --> 00:46:00,400

the most popular yeah uh and i think

1307

00:46:02,470 --> 00:46:01,839

it's the one that best explains the

1308

00:46:04,630 --> 00:46:02,480

evidence

1309

00:46:06,790 --> 00:46:04,640

it really does from radar visual to

1310

00:46:08,069 --> 00:46:06,800

landing trays to implant removals to the

1311

00:46:10,390 --> 00:46:08,079

crash retrievals

1312

00:46:12,390 --> 00:46:10,400

i mean we have the craft think this

1313

00:46:14,309 --> 00:46:12,400

through look at it if we have the craft

1314

00:46:16,790 --> 00:46:14,319

in the bodies

1315

00:46:18,470 --> 00:46:16,800

we know what this is i think it's not

1316

00:46:21,430 --> 00:46:18,480

fair to call it a mystery

1317

00:46:22,950 --> 00:46:21,440

yeah but there is a school of thought in

1318

00:46:24,710 --> 00:46:22,960

this field among people who are very

1319

00:46:25,910 --> 00:46:24,720

well educated on this phenomenon that

1320

00:46:29,030 --> 00:46:25,920

this is a

1321

00:46:32,550 --> 00:46:29,040

control system you know john

1322

00:46:33,349 --> 00:46:32,560

john keel uh lauren coleman uh jerome

1323

00:46:36,230 --> 00:46:33,359

clark

1324

00:46:39,190 --> 00:46:36,240

jacques valle a lot of researchers have

1325

00:46:40,950 --> 00:46:39,200

put forth this idea that perhaps

1326
00:46:42,550 --> 00:46:40,960
these aren't extraterrestrials or at

1327
00:46:45,270 --> 00:46:42,560
least some of them aren't and that's an

1328
00:46:46,630 --> 00:46:45,280
intelligence that wears different masks

1329
00:46:50,069 --> 00:46:46,640
and can manifest

1330
00:46:53,109 --> 00:46:50,079
as you know ghosts yeah or

1331
00:46:54,790 --> 00:46:53,119
or what have you spirits or it's

1332
00:46:57,349 --> 00:46:54,800
pretending to be extraterrestrials

1333
00:47:01,589 --> 00:46:57,359
because that's a concept that we're

1334
00:47:03,589 --> 00:47:01,599
you know at at this point in our society

1335
00:47:05,109 --> 00:47:03,599
and i don't subscribe to it i mean i

1336
00:47:07,510 --> 00:47:05,119
think that probably there is

1337
00:47:09,670 --> 00:47:07,520
something to this because some

1338
00:47:13,990 --> 00:47:09,680

encounters are very symbolic

1339

00:47:17,190 --> 00:47:14,000

some encounters are so ungodly bizarre

1340

00:47:19,510 --> 00:47:17,200

i mean they really are that you

1341

00:47:20,549 --> 00:47:19,520

could be extraterrestrial it doesn't

1342

00:47:24,150 --> 00:47:20,559

make sense

1343

00:47:25,510 --> 00:47:24,160

right so i'm not going to completely

1344

00:47:28,630 --> 00:47:25,520

rule that out

1345

00:47:30,470 --> 00:47:28,640

but it's a very anthropocentric theory

1346

00:47:31,990 --> 00:47:30,480

and that almost always falls by the

1347

00:47:34,870 --> 00:47:32,000

wayside we're not the center of the

1348

00:47:37,990 --> 00:47:36,829

so some of it yeah some of it is

1349

00:47:40,790 --> 00:47:38,000

probably

1350

00:47:41,829 --> 00:47:40,800

not what it appears to be yeah no

1351

00:47:43,430 --> 00:47:41,839

totally

1352

00:47:44,870 --> 00:47:43,440

so i thought for the last sort of 10

1353

00:47:46,150 --> 00:47:44,880

minutes or so we just talk about the

1354

00:47:48,630 --> 00:47:46,160

current climate of

1355

00:47:50,630 --> 00:47:48,640

the kind of ufo subject and what we've

1356

00:47:53,030 --> 00:47:50,640

had or seen in the last

1357

00:47:54,630 --> 00:47:53,040

you know year or so with the uap task

1358

00:47:56,790 --> 00:47:54,640

force and the

1359

00:47:58,870 --> 00:47:56,800

what i was would consider a quite hyped

1360

00:48:00,790 --> 00:47:58,880

up report that kind of turned into

1361

00:48:02,470 --> 00:48:00,800

almost almost nothing i won't say

1362

00:48:04,470 --> 00:48:02,480

completely nothing but

1363

00:48:06,710 --> 00:48:04,480

how do you see the current climate of

1364

00:48:07,510 --> 00:48:06,720

ufology and disclosure and things like

1365

00:48:09,349 --> 00:48:07,520

that and

1366

00:48:10,710 --> 00:48:09,359

what would you like to see in the in the

1367

00:48:13,349 --> 00:48:10,720

coming years yeah

1368

00:48:15,349 --> 00:48:13,359

i see it as very volatile i think this

1369

00:48:18,309 --> 00:48:15,359

is something that can change on a dime

1370

00:48:19,349 --> 00:48:18,319

yeah i think that disclosure will happen

1371

00:48:21,270 --> 00:48:19,359

i really do

1372

00:48:23,670 --> 00:48:21,280

i don't think we're gonna we should look

1373

00:48:26,470 --> 00:48:23,680

to our governments to do it

1374

00:48:27,990 --> 00:48:26,480

uh because just looking at this nine

1375

00:48:29,910 --> 00:48:28,000

page report

1376

00:48:32,549 --> 00:48:29,920

like nine pages really this is a big

1377

00:48:35,670 --> 00:48:32,559

subject you give us nine pages of

1378

00:48:37,109 --> 00:48:35,680

layered lies uh it's pretty much the

1379

00:48:40,230 --> 00:48:37,119

same story they've been

1380

00:48:43,829 --> 00:48:40,240

singing for 80 years yeah

1381

00:48:45,750 --> 00:48:43,839

uh i'm of two minds about it

1382

00:48:47,030 --> 00:48:45,760

i kind of knew it was going to be a bust

1383

00:48:48,630 --> 00:48:47,040

i mean i knew it wasn't we weren't going

1384

00:48:50,870 --> 00:48:48,640

to get a whole lot out of it

1385

00:48:52,069 --> 00:48:50,880

yeah and we didn't and they said oh well

1386

00:48:53,589 --> 00:48:52,079

one's a balloon

1387

00:48:55,910 --> 00:48:53,599

you know like well great thanks for

1388

00:48:58,230 --> 00:48:55,920

telling us that that's helpful

1389

00:49:00,069 --> 00:48:58,240

and it could be radar clutter which in

1390

00:49:03,190 --> 00:49:00,079

my mind is like shut up

1391

00:49:04,790 --> 00:49:03,200

you know it's not and they're like well

1392

00:49:07,670 --> 00:49:04,800

it could be a foreign government i'm

1393

00:49:10,710 --> 00:49:07,680

like shut up you know it's not that

1394

00:49:12,790 --> 00:49:10,720

like oh it could be u.s like wait aren't

1395

00:49:15,990 --> 00:49:12,800

you the u.s

1396

00:49:17,910 --> 00:49:16,000

um don't you know what you're doing

1397

00:49:20,230 --> 00:49:17,920

and they left open the possibility as a

1398

00:49:22,630 --> 00:49:20,240

footnote that this is extraterrestrials

1399

00:49:26,230 --> 00:49:22,640

you can almost hear them like pulling

1400

00:49:28,150 --> 00:49:26,240

their hair out as they say that word

1401
00:49:30,309 --> 00:49:28,160
they're being dragged into this kicking

1402
00:49:32,069 --> 00:49:30,319
and screaming it's pretty clear

1403
00:49:33,910 --> 00:49:32,079
that the only reason they're doing it is

1404
00:49:36,630 --> 00:49:33,920
not for our benefit

1405
00:49:38,069 --> 00:49:36,640
it's for their benefit because they need

1406
00:49:40,630 --> 00:49:38,079
to disclose to keep

1407
00:49:43,030 --> 00:49:40,640
any measure of control on this people's

1408
00:49:44,470 --> 00:49:43,040
perception of this phenomenon

1409
00:49:46,309 --> 00:49:44,480
because it's rolling out whether they

1410
00:49:49,750 --> 00:49:46,319
want it to or not

1411
00:49:53,349 --> 00:49:49,760
that cover-up has been a well i i c

1412
00:49:54,470 --> 00:49:53,359
a good enough analogy is it's a dam

1413
00:49:57,349 --> 00:49:54,480

you know when all the information is

1414

00:49:58,790 --> 00:49:57,359

behind it and it sprung a thousand holes

1415

00:50:01,589 --> 00:49:58,800

and they keep putting their fingers on

1416

00:50:04,470 --> 00:50:01,599

it and now the dam is collapsing so this

1417

00:50:05,829 --> 00:50:04,480

flood of information is sweeping over us

1418

00:50:07,589 --> 00:50:05,839

and they're like okay we have to deal

1419

00:50:10,390 --> 00:50:07,599

with the flood

1420

00:50:11,510 --> 00:50:10,400

and that's why that's the driving force

1421

00:50:13,190 --> 00:50:11,520

behind disclosure

1422

00:50:15,109 --> 00:50:13,200

it's not because oh the people need to

1423

00:50:17,030 --> 00:50:15,119

know no

1424

00:50:18,950 --> 00:50:17,040

they are and that's why they're studying

1425

00:50:19,670 --> 00:50:18,960

quote sightings and not talking about

1426

00:50:21,589 --> 00:50:19,680

roswell

1427

00:50:22,790 --> 00:50:21,599

or landings or people who have been

1428

00:50:25,190 --> 00:50:22,800

taken on board

1429

00:50:25,990 --> 00:50:25,200

or aliens they're like we're studying

1430

00:50:29,670 --> 00:50:26,000

sightings which

1431

00:50:31,349 --> 00:50:29,680

has the least information to it

1432

00:50:32,710 --> 00:50:31,359

i was really hoping they would release

1433

00:50:34,630 --> 00:50:32,720

materials

1434

00:50:36,069 --> 00:50:34,640

some good footage and they're not doing

1435

00:50:38,870 --> 00:50:36,079

that i will

1436

00:50:41,829 --> 00:50:38,880

i will not look to them for any truth on

1437

00:50:43,510 --> 00:50:41,839

this subject i think it's a mistake

1438

00:50:45,750 --> 00:50:43,520

but on the other hand i think it will

1439

00:50:47,510 --> 00:50:45,760

happen disclosure is going to happen

1440

00:50:50,230 --> 00:50:47,520

because the cat's out of the bag

1441

00:50:51,670 --> 00:50:50,240

ufos are not going away they're gonna

1442

00:50:54,470 --> 00:50:51,680

put on a display that's

1443

00:50:57,109 --> 00:50:54,480

absolutely incontrovertible evidence for

1444

00:51:00,230 --> 00:50:57,119

the entire world at some point

1445

00:51:03,270 --> 00:51:00,240

if the phoenix lights had happened

1446

00:51:05,750 --> 00:51:03,280

in today's age or that wave over belgium

1447

00:51:08,630 --> 00:51:05,760

there was a wave in france in 1954 that

1448

00:51:11,910 --> 00:51:08,640

should have convinced the world wow

1449

00:51:15,430 --> 00:51:11,920

every country has had their ufo wave

1450

00:51:17,750 --> 00:51:15,440

that an undeniable incident

1451
00:51:19,109 --> 00:51:17,760
uh and we're at that point now where the

1452
00:51:20,790 --> 00:51:19,119
et's i think are another

1453
00:51:22,630 --> 00:51:20,800
driving force behind disclosure it's

1454
00:51:23,829 --> 00:51:22,640
gonna happen we're going to have open

1455
00:51:27,109 --> 00:51:23,839
official contact

1456
00:51:29,190 --> 00:51:27,119
there's going to be full disclosure i'm

1457
00:51:31,109 --> 00:51:29,200
just not quite sure how it's going to

1458
00:51:32,549 --> 00:51:31,119
roll out but i cannot see it going any

1459
00:51:34,549 --> 00:51:32,559
other way

1460
00:51:36,069 --> 00:51:34,559
man i mean that excites me to hear it

1461
00:51:38,230 --> 00:51:36,079
from someone who's been studying it for

1462
00:51:40,870 --> 00:51:38,240
so long that really does

1463
00:51:41,270 --> 00:51:40,880

put me in a positive frame of mind and

1464

00:51:43,750 --> 00:51:41,280

yeah

1465

00:51:44,630 --> 00:51:43,760

it's good news ufos are good news for us

1466

00:51:47,270 --> 00:51:44,640

trust me they

1467

00:51:47,910 --> 00:51:47,280

really are they're not here to take over

1468

00:51:49,190 --> 00:51:47,920

these guys are

1469

00:51:51,109 --> 00:51:49,200

really advanced they've been here for

1470

00:51:52,870 --> 00:51:51,119

millennia think it through if they

1471

00:51:55,190 --> 00:51:52,880

wanted to take over would we be here

1472

00:51:55,910 --> 00:51:55,200

right now no that's the thing i mean

1473

00:51:57,990 --> 00:51:55,920

some people

1474

00:51:59,430 --> 00:51:58,000

i've heard people say well their time is

1475

00:52:01,430 --> 00:51:59,440

different from our time they could be

1476

00:52:04,150 --> 00:52:01,440

waiting millennia just to make

1477

00:52:04,870 --> 00:52:04,160

us think that they're uh you know

1478

00:52:07,109 --> 00:52:04,880

harmless

1479

00:52:08,950 --> 00:52:07,119

and then with that moment they strike

1480

00:52:09,430 --> 00:52:08,960

but i mean i don't subscribe to that

1481

00:52:13,750 --> 00:52:09,440

it's

1482

00:52:15,349 --> 00:52:13,760

personally i like to keep a lot of

1483

00:52:16,549 --> 00:52:15,359

things on the table but

1484

00:52:18,309 --> 00:52:16,559

you know speaking to people like

1485

00:52:20,150 --> 00:52:18,319

yourself it puts me in that positive

1486

00:52:22,069 --> 00:52:20,160

frame of mind where you know

1487

00:52:23,750 --> 00:52:22,079

you you give a lot of um good

1488

00:52:26,549 --> 00:52:23,760

information and

1489

00:52:27,349 --> 00:52:26,559

research and that so yeah thank you so

1490

00:52:30,230 --> 00:52:27,359

much

1491

00:52:30,790 --> 00:52:30,240

that's all i can really say hey my

1492

00:52:32,950 --> 00:52:30,800

pleasure

1493

00:52:34,950 --> 00:52:32,960

this is this is an important subject

1494

00:52:37,109 --> 00:52:34,960

yeah people people may be skeptical

1495

00:52:38,950 --> 00:52:37,119

well much less now most people believe

1496

00:52:41,349 --> 00:52:38,960

in people like ah it doesn't really

1497

00:52:43,990 --> 00:52:41,359

affect me i'm like well yeah it does

1498

00:52:45,510 --> 00:52:44,000

you just wait i mean if we have this

1499

00:52:48,230 --> 00:52:45,520

technology

1500

00:52:48,950 --> 00:52:48,240

if we have free energy this could change

1501

00:52:50,470 --> 00:52:48,960

the world

1502

00:52:52,790 --> 00:52:50,480

just think of the healing technology

1503

00:52:55,829 --> 00:52:52,800

they have these guys are curing cancer

1504

00:52:58,630 --> 00:52:55,839

we have that technology

1505

00:52:59,750 --> 00:52:58,640

and it's being suppressed it's it's a

1506

00:53:02,950 --> 00:52:59,760

travesty

1507

00:53:03,750 --> 00:53:02,960

yeah this is a real crisis in term for

1508

00:53:05,270 --> 00:53:03,760

humanity is

1509

00:53:07,430 --> 00:53:05,280

who's not getting the truth and

1510

00:53:07,910 --> 00:53:07,440

absolutely deserve it absolutely i mean

1511

00:53:10,150 --> 00:53:07,920

i agree

1512

00:53:11,109 --> 00:53:10,160

free energy could solve the climate

1513

00:53:14,230 --> 00:53:11,119

issue the

1514

00:53:16,390 --> 00:53:14,240

fuel problem the the hunger famine

1515

00:53:18,549 --> 00:53:16,400

exactly that's exactly my point the

1516

00:53:20,790 --> 00:53:18,559

environmental crisis the energy crisis

1517

00:53:22,390 --> 00:53:20,800

and the economic crisis all of which are

1518

00:53:26,630 --> 00:53:22,400

largely manufactured

1519

00:53:30,069 --> 00:53:26,640

yeah exactly they don't need to be here

1520

00:53:30,950 --> 00:53:30,079

no they don't um let's hope i really

1521

00:53:32,870 --> 00:53:30,960

hope

1522

00:53:34,870 --> 00:53:32,880

that we get something in especially in

1523

00:53:36,950 --> 00:53:34,880

our lifetime but if not for our children

1524

00:53:38,390 --> 00:53:36,960

you know i've got a young daughter and

1525

00:53:40,390 --> 00:53:38,400

i hope that she gets to see a better

1526

00:53:43,190 --> 00:53:40,400

world possibly we'll see

1527

00:53:44,549 --> 00:53:43,200

but uh yeah i'm entirely hopeful i'm

1528

00:53:44,870 --> 00:53:44,559

very hopeful i think we're gonna go

1529

00:53:47,190 --> 00:53:44,880

through

1530

00:53:47,910 --> 00:53:47,200

some rough times i think we have to to

1531

00:53:50,710 --> 00:53:47,920

to come out

1532

00:53:52,230 --> 00:53:50,720

brighter and stronger and more focused i

1533

00:53:54,069 --> 00:53:52,240

think that is

1534

00:53:56,309 --> 00:53:54,079

what humans have done for generations

1535

00:53:58,470 --> 00:53:56,319

decades millennia in fact so

1536

00:54:00,069 --> 00:53:58,480

we're in rough times right now hopefully

1537

00:54:01,190 --> 00:54:00,079

it doesn't get too much worse but i

1538

00:54:04,069 --> 00:54:01,200

i think we're going to have some rough

1539

00:54:06,230 --> 00:54:04,079

times before you know

1540

00:54:08,230 --> 00:54:06,240

people get tired of it let's come

1541

00:54:11,430 --> 00:54:08,240

together let's stop the wars

1542

00:54:14,470 --> 00:54:11,440

you know peace on earth it's not hard

1543

00:54:15,910 --> 00:54:14,480

i agree and let's hope that that happens

1544

00:54:17,589 --> 00:54:15,920

maybe with the help of some

1545

00:54:19,750 --> 00:54:17,599

extraterrestrial friends

1546

00:54:20,630 --> 00:54:19,760

but listen preston thank you so much for

1547

00:54:23,430 --> 00:54:20,640

joining me

1548

00:54:23,990 --> 00:54:23,440

and i hope we can talk again in the

1549

00:54:26,390 --> 00:54:24,000

future

1550

00:54:28,230 --> 00:54:26,400

as this story just continues to develop

1551
00:54:29,910 --> 00:54:28,240
um it's been an honor to speak to you i

1552
00:54:31,510 --> 00:54:29,920
appreciate everything you've been doing

1553
00:54:33,589 --> 00:54:31,520
since i've been aware of this subject

1554
00:54:35,109 --> 00:54:33,599
and yourself um and i know a lot of

1555
00:54:36,870 --> 00:54:35,119
people watching live right now

1556
00:54:38,950 --> 00:54:36,880

1557
00:54:40,870 --> 00:54:38,960

1558
00:54:43,109 --> 00:54:40,880
