

Tyler Zahradnik & Mark Sims Interview
'Making Contact Convergence'

Live on YouTube

Tuesday August 10th

11.30am PST/2.30pm EST/7.30pm UK

1
00:00:02,960 --> 00:00:27,589

[Music]

2
00:00:33,670 --> 00:00:30,950

hey guys how's it going welcome back to

3
00:00:35,510 --> 00:00:33,680

the disclosure team youtube channel this

4
00:00:37,670 --> 00:00:35,520

is something i've been looking forward

5
00:00:40,150 --> 00:00:37,680

to for quite some time

6
00:00:42,150 --> 00:00:40,160

um i'm reconnecting with with an old

7
00:00:44,229 --> 00:00:42,160

friend let's say so

8
00:00:46,470 --> 00:00:44,239

without further ado please let me

9
00:00:48,150 --> 00:00:46,480

introduce you to my good friend tyler

10
00:00:50,389 --> 00:00:48,160

serradnik

11
00:00:52,389 --> 00:00:50,399

tyler did i say that correct you said it

12
00:00:55,750 --> 00:00:52,399

just fine vinny thanks cool but listen

13
00:00:58,470 --> 00:00:55,760

guys we also and this is an absolute

14

00:01:01,670 --> 00:00:58,480

treat and a bonus i mean i cannot thank

15

00:01:03,910 --> 00:01:01,680

this gentleman enough but please welcome

16

00:01:05,750 --> 00:01:03,920

mr mark sims

17

00:01:08,789 --> 00:01:05,760

hello mark

18

00:01:10,710 --> 00:01:08,799

hi how are you i'm i'm incredible thank

19

00:01:13,510 --> 00:01:10,720

you so much for for doing this and

20

00:01:16,149 --> 00:01:13,520

joining us tonight both of you guys um

21

00:01:16,870 --> 00:01:16,159

thank you so much absolutely

22

00:01:18,550 --> 00:01:16,880

yeah

23

00:01:21,670 --> 00:01:18,560

it's a real pleasure thank you vinnie

24

00:01:23,749 --> 00:01:21,680

for having us no it's the the honor and

25

00:01:25,990 --> 00:01:23,759

pleasure is all mine so for everybody

26

00:01:28,390 --> 00:01:26,000

watching this whether it be live now or

27

00:01:30,069 --> 00:01:28,400

in the future myself and tyler we've

28

00:01:32,789 --> 00:01:30,079

connected in the past through our

29

00:01:35,429 --> 00:01:32,799

instagram channels tyler at contact tour

30

00:01:37,109 --> 00:01:35,439

um and tyler and mark i've been doing a

31

00:01:39,510 --> 00:01:37,119

lot of work and you've probably all

32

00:01:42,069 --> 00:01:39,520

heard of it because you know who hasn't

33

00:01:45,190 --> 00:01:42,079

is the uh the contact

34

00:01:50,149 --> 00:01:45,200

convergence is that right 2021

35

00:01:56,709 --> 00:01:53,590

the the new uh harmonic convergence that

36

00:01:59,350 --> 00:01:56,719

we did last year so we're uh we're we're

37

00:02:02,389 --> 00:01:59,360

rebranding it slightly and that's

38

00:02:03,590 --> 00:02:02,399

because we are doing this virtually on a

39

00:02:06,230 --> 00:02:03,600

platform

40

00:02:07,910 --> 00:02:06,240

that is called the making contact campus

41

00:02:09,190 --> 00:02:07,920

so we'll be talking about this more of

42

00:02:11,029 --> 00:02:09,200

any

43

00:02:13,110 --> 00:02:11,039

i'm so excited i've seen it for what

44

00:02:15,030 --> 00:02:13,120

past week or two and

45

00:02:16,790 --> 00:02:15,040

seen tyler with a few behind the scenes

46

00:02:20,229 --> 00:02:16,800

things and it's just building that that

47

00:02:22,150 --> 00:02:20,239

excitement it really is you know and

48

00:02:24,070 --> 00:02:22,160

this is a topic that i i think is gonna

49

00:02:25,510 --> 00:02:24,080

start becoming bigger and bigger and

50

00:02:28,390 --> 00:02:25,520

bigger in the coming months when it

51
00:02:30,630 --> 00:02:28,400
comes to the whole uap subject to be

52
00:02:32,390 --> 00:02:30,640
honest you know i've said this to to my

53
00:02:34,949 --> 00:02:32,400
my colleagues you know i don't call them

54
00:02:37,350 --> 00:02:34,959
followers i call them colleagues um that

55
00:02:39,270 --> 00:02:37,360
my angle is shifting and starting to

56
00:02:42,309 --> 00:02:39,280
shift more towards looking into

57
00:02:44,309 --> 00:02:42,319
consciousness and contact and stuff and

58
00:02:46,309 --> 00:02:44,319
i think we said this just before we came

59
00:02:48,630 --> 00:02:46,319
on that i've been trying to fill this

60
00:02:50,470 --> 00:02:48,640
little gray area in my research and

61
00:02:53,509 --> 00:02:50,480
stuff and now i think i'm

62
00:02:55,430 --> 00:02:53,519
finally hitting that direction so

63
00:02:57,509 --> 00:02:55,440

yeah thank you guys because it's kind of

64

00:02:59,430 --> 00:02:57,519

down to you

65

00:03:00,949 --> 00:02:59,440

so well it's all of us it's it's the

66

00:03:03,270 --> 00:03:00,959

entire community

67

00:03:05,270 --> 00:03:03,280

yeah i mean that's a humble thing to say

68

00:03:07,270 --> 00:03:05,280

tyler but i think in all honesty for me

69

00:03:08,710 --> 00:03:07,280

you really did start me on this path

70

00:03:11,110 --> 00:03:08,720

when we started doing some live

71

00:03:13,270 --> 00:03:11,120

instagram chats together and that so

72

00:03:15,430 --> 00:03:13,280

let's start with you then tyler like

73

00:03:18,390 --> 00:03:15,440

brother it's so good to see you man we

74

00:03:20,309 --> 00:03:18,400

we missed you and i mean we like the

75

00:03:22,470 --> 00:03:20,319

whole community

76

00:03:24,869 --> 00:03:22,480

so listen you're back you're bigger and

77

00:03:27,670 --> 00:03:24,879

stronger than ever man so

78

00:03:28,789 --> 00:03:27,680

like what's happening man talk to us

79

00:03:32,789 --> 00:03:28,799

it's been

80

00:03:34,710 --> 00:03:32,799

pleasure and the honor of connecting

81

00:03:36,550 --> 00:03:34,720

with two of my idols that i've been

82

00:03:38,149 --> 00:03:36,560

following for a long time and one of

83

00:03:41,509 --> 00:03:38,159

them is down here in the in the

84

00:03:44,149 --> 00:03:41,519

interview mark sims and the other is

85

00:03:47,190 --> 00:03:44,159

daniel sheehan and i've been

86

00:03:49,670 --> 00:03:47,200

researching and studying and

87

00:03:52,070 --> 00:03:49,680

diligently going through their

88

00:03:53,429 --> 00:03:52,080

available materials and their work and

89

00:03:54,789 --> 00:03:53,439

their and all the projects and

90

00:03:57,830 --> 00:03:54,799

initiatives that they've done over the

91

00:04:00,869 --> 00:03:57,840

years and they've really been

92

00:04:02,070 --> 00:04:00,879

just pillars of inspiration for myself

93

00:04:04,630 --> 00:04:02,080

personally

94

00:04:06,390 --> 00:04:04,640

and for contact tour as an organization

95

00:04:08,630 --> 00:04:06,400

and a community so

96

00:04:10,949 --> 00:04:08,640

we just connected only two weeks ago

97

00:04:12,550 --> 00:04:10,959

mark i think at this point in person

98

00:04:15,830 --> 00:04:12,560

and it's been

99

00:04:18,870 --> 00:04:15,840

an incredible synergy of co-creation and

100

00:04:20,710 --> 00:04:18,880

collaboration with not just mark and dan

101

00:04:23,590 --> 00:04:20,720

dan but the entire team that's behind

102

00:04:25,430 --> 00:04:23,600

the scenes making the uh the convergence

103

00:04:27,670 --> 00:04:25,440

manifest and coming to fruition it's

104

00:04:28,950 --> 00:04:27,680

just been an absolute pleasure working

105

00:04:30,310 --> 00:04:28,960

with everybody

106

00:04:32,310 --> 00:04:30,320

and uh

107

00:04:34,550 --> 00:04:32,320

yeah i had to take about a month off for

108

00:04:37,270 --> 00:04:34,560

some personal r r because i've been

109

00:04:38,469 --> 00:04:37,280

going hard in the paint every day seven

110

00:04:40,950 --> 00:04:38,479

days a week

111

00:04:43,270 --> 00:04:40,960

for for two years and it finally caught

112

00:04:45,430 --> 00:04:43,280

up with me and i just i had to honor

113

00:04:47,670 --> 00:04:45,440

myself and give myself a break and

114

00:04:50,310 --> 00:04:47,680

really uh come back into a more

115

00:04:53,590 --> 00:04:50,320

introspective state of being and

116

00:04:55,830 --> 00:04:53,600

reassess and re-evaluate and realign my

117

00:04:58,070 --> 00:04:55,840

intentions for contact tour and why are

118

00:05:00,629 --> 00:04:58,080

we doing this and what's the end goal

119

00:05:03,350 --> 00:05:00,639

and what's the vision on the far horizon

120

00:05:05,670 --> 00:05:03,360

and during this time that i

121

00:05:07,990 --> 00:05:05,680

stepped away from social media we didn't

122

00:05:10,310 --> 00:05:08,000

stop i mean we were still working on

123

00:05:12,950 --> 00:05:10,320

these projects and we were making things

124

00:05:16,310 --> 00:05:12,960

uh come together and we were closing

125

00:05:17,189 --> 00:05:16,320

um closing in these these doors

126

00:05:19,350 --> 00:05:17,199

and

127

00:05:21,510 --> 00:05:19,360

i'm really excited to finally share with

128

00:05:24,230 --> 00:05:21,520

everybody because i just got the word a

129

00:05:26,150 --> 00:05:24,240

few a few moments ago through through

130

00:05:27,510 --> 00:05:26,160

my phone that contact tour is actually

131

00:05:28,390 --> 00:05:27,520

going to have a show

132

00:05:29,830 --> 00:05:28,400

on

133

00:05:31,189 --> 00:05:29,840

travel channel

134

00:05:35,830 --> 00:05:31,199

which is

135

00:05:38,629 --> 00:05:35,840

tyler that's awesome man

136

00:05:40,710 --> 00:05:38,639

that is so cool i have it you deserve it

137

00:05:41,350 --> 00:05:40,720

yeah

138

00:05:47,510 --> 00:05:41,360

it's

139

00:05:49,590 --> 00:05:47,520

works and i really have to thank first

140

00:05:51,189 --> 00:05:49,600

and foremost my very close and dear

141

00:05:53,350 --> 00:05:51,199

friend tim cash who mark just got

142

00:05:56,070 --> 00:05:53,360

introduced to yesterday we had a really

143

00:05:57,590 --> 00:05:56,080

nice long conversation with tim cash and

144

00:05:59,990 --> 00:05:57,600

tim has been

145

00:06:01,990 --> 00:06:00,000

behind the scenes being extremely

146

00:06:05,029 --> 00:06:02,000

instrumental in this entire process of

147

00:06:07,110 --> 00:06:05,039

getting touch with the networks and

148

00:06:10,309 --> 00:06:07,120

we we worked on this

149

00:06:12,150 --> 00:06:10,319

uh this pitch sizzle for three months

150

00:06:13,909 --> 00:06:12,160

and we sent it out to all these

151
00:06:15,830 --> 00:06:13,919
executives and we didn't hear anything

152
00:06:17,990 --> 00:06:15,840
back and we thought that it was going to

153
00:06:20,629 --> 00:06:18,000
be an absolute dead end well at least we

154
00:06:23,510 --> 00:06:20,639
tried at least we tried and then very

155
00:06:25,110 --> 00:06:23,520
last minute not even a week and a half

156
00:06:26,390 --> 00:06:25,120
away from them wanting to film they

157
00:06:28,870 --> 00:06:26,400
reached out to us and said we want to

158
00:06:30,950 --> 00:06:28,880
move forward with this so

159
00:06:33,990 --> 00:06:30,960
contact tour is going to be

160
00:06:36,390 --> 00:06:34,000
uh for the time being being just a pilot

161
00:06:37,749 --> 00:06:36,400
and i'm excited to see how it manifests

162
00:06:40,790 --> 00:06:37,759
in the future so now we're going to be

163
00:06:43,189 --> 00:06:40,800

reaching millions of people about making

164

00:06:45,749 --> 00:06:43,199

contact and initiating

165

00:06:48,870 --> 00:06:45,759

bilateral communications with non-human

166

00:06:50,390 --> 00:06:48,880

intelligences that are extraterrestrial

167

00:06:52,469 --> 00:06:50,400

so uh it's it's an honor but that's

168

00:06:54,629 --> 00:06:52,479

where i've been and uh

169

00:06:57,909 --> 00:06:54,639

i'm just really happy to be back i'm

170

00:07:00,390 --> 00:06:57,919

excited and mark is

171

00:07:01,110 --> 00:07:00,400

is working on incredible projects right

172

00:07:03,350 --> 00:07:01,120

now

173

00:07:05,270 --> 00:07:03,360

incredible things and uh i'll leave it

174

00:07:08,150 --> 00:07:05,280

at that i'll know

175

00:07:10,150 --> 00:07:08,160

i appreciate that update and like i said

176

00:07:12,550 --> 00:07:10,160

it is so good to have you back brother

177

00:07:14,070 --> 00:07:12,560

um mark let's move on to you and we've

178

00:07:16,150 --> 00:07:14,080

already got a question christopher thank

179

00:07:18,469 --> 00:07:16,160

you so much for the five dollar donation

180

00:07:21,350 --> 00:07:18,479

now this is asking mark what taj bah am

181

00:07:23,029 --> 00:07:21,360

i pronouncing that correct yes yeah so

182

00:07:24,870 --> 00:07:23,039

what does tesbar think of disclosure at

183

00:07:27,670 --> 00:07:24,880

the moment and if mass contacts will

184

00:07:29,430 --> 00:07:27,680

happen anytime soon but maybe before we

185

00:07:30,950 --> 00:07:29,440

answer the question mark or before you

186

00:07:32,309 --> 00:07:30,960

answer the question

187

00:07:36,390 --> 00:07:32,319

would you mind just giving us a little

188

00:07:37,270 --> 00:07:36,400

rewind on who tesbar is and how you

189

00:07:39,350 --> 00:07:37,280

met

190

00:07:41,350 --> 00:07:39,360

yeah the being and things like that i'd

191

00:07:43,589 --> 00:07:41,360

love to hear the story

192

00:07:45,830 --> 00:07:43,599

if you would uh i don't know if there's

193

00:07:47,589 --> 00:07:45,840

the ability to share my screen but i

194

00:07:50,150 --> 00:07:47,599

think one of the important things for

195

00:07:51,749 --> 00:07:50,160

your viewers to see is a picture of him

196

00:07:52,629 --> 00:07:51,759

how he appeared to me at the end of my

197

00:07:56,230 --> 00:07:52,639

bed

198

00:07:59,430 --> 00:07:56,240

uh in 2012. i had this face-to-face

199

00:08:03,510 --> 00:07:59,440

encounter with an extraterrestrial being

200

00:08:06,390 --> 00:08:03,520

and that began this 13-day odyssey of

201
00:08:07,510 --> 00:08:06,400
me being able to ask him any question i

202
00:08:11,110 --> 00:08:07,520
wished

203
00:08:12,629 --> 00:08:11,120
and over this 13-day period my mind was

204
00:08:16,070 --> 00:08:12,639
being blown

205
00:08:18,230 --> 00:08:16,080
wide open by the reality that we live in

206
00:08:19,909 --> 00:08:18,240
in the history of our world and our

207
00:08:21,909 --> 00:08:19,919
intimate connection

208
00:08:23,589 --> 00:08:21,919
with uh with them

209
00:08:27,189 --> 00:08:23,599
the extraterrestrials

210
00:08:29,990 --> 00:08:27,199
which uh is an is an important thing to

211
00:08:32,149 --> 00:08:30,000
share with people and i feel i'm here

212
00:08:34,389 --> 00:08:32,159
in part to share this story and what i

213
00:08:37,350 --> 00:08:34,399

learned and so uh

214

00:08:39,029 --> 00:08:37,360

uh let's do that if if possible if you

215

00:08:40,550 --> 00:08:39,039

do you have a share option at the bottom

216

00:08:42,389 --> 00:08:40,560

of your screen that might send me a

217

00:08:44,070 --> 00:08:42,399

request yes

218

00:08:45,509 --> 00:08:44,080

please

219

00:08:48,389 --> 00:08:45,519

screen here

220

00:08:50,630 --> 00:08:48,399

and let's see sharing screen with two

221

00:08:53,829 --> 00:08:50,640

monitor okay

222

00:08:55,509 --> 00:08:53,839

i'm gonna share my screen let's do it i

223

00:08:57,430 --> 00:08:55,519

i love these things where we get to

224

00:08:58,949 --> 00:08:57,440

visualize things as well as just here i

225

00:09:00,949 --> 00:08:58,959

think that really helps

226

00:09:02,949 --> 00:09:00,959

can you see this

227

00:09:04,710 --> 00:09:02,959

no i'm not getting any messages either

228

00:09:06,070 --> 00:09:04,720

but don't worry we'll get it sorted i'm

229

00:09:07,509 --> 00:09:06,080

sure everyone in the chat here is

230

00:09:09,829 --> 00:09:07,519

patient and watching because it's

231

00:09:10,949 --> 00:09:09,839

important it is important let me try to

232

00:09:13,190 --> 00:09:10,959

share again

233

00:09:15,190 --> 00:09:13,200

sharing screen is essential with two

234

00:09:17,590 --> 00:09:15,200

months and easiest with two months

235

00:09:19,829 --> 00:09:17,600

monitors sharing scheme

236

00:09:23,030 --> 00:09:19,839

uh use chrome if you'd like to share

237

00:09:25,509 --> 00:09:23,040

audio with your screen okay

238

00:09:29,269 --> 00:09:25,519

don't share the show these tips again so

239

00:09:30,949 --> 00:09:29,279

it looks like chrome it's uh encouraging

240

00:09:34,829 --> 00:09:30,959

um and i'm on

241

00:09:40,389 --> 00:09:39,430

um i see here i'm getting uh just uh

242

00:09:43,990 --> 00:09:40,399

uh

243

00:09:45,990 --> 00:09:44,000

okay select window entire screen okay

244

00:09:47,110 --> 00:09:46,000

here we go cool

245

00:09:50,470 --> 00:09:47,120

allow

246

00:09:54,230 --> 00:09:50,480

okay so now if i go here can you see

247

00:09:56,070 --> 00:09:54,240

we've got it live yes all right got it

248

00:09:57,990 --> 00:09:56,080

so i want to uh

249

00:09:59,910 --> 00:09:58,000

say a little bit about myself to your

250

00:10:02,949 --> 00:09:59,920

viewers that may not know anything about

251
00:10:05,190 --> 00:10:02,959
me please um i'm from the midwest i was

252
00:10:06,870 --> 00:10:05,200
born in indiana and spent most of my

253
00:10:09,590 --> 00:10:06,880
life in ann arbor

254
00:10:12,550 --> 00:10:09,600
and in the detroit metro area that's

255
00:10:15,350 --> 00:10:12,560
where i started my first businesses

256
00:10:17,430 --> 00:10:15,360
i got a bachelor of science in computer

257
00:10:19,910 --> 00:10:17,440
aided design from eastern michigan

258
00:10:22,230 --> 00:10:19,920
university in ypsilanti

259
00:10:24,230 --> 00:10:22,240
so uh that's where i went and got my

260
00:10:27,590 --> 00:10:24,240
undergraduate degree and then i went on

261
00:10:29,350 --> 00:10:27,600
to harvard business school and got

262
00:10:32,710 --> 00:10:29,360
you know graduated from the business

263
00:10:35,190 --> 00:10:32,720

school and then i started uh three

264

00:10:38,069 --> 00:10:35,200

businesses uh my first company was an

265

00:10:40,790 --> 00:10:38,079

internet security company called netrex

266

00:10:42,790 --> 00:10:40,800

that i sold in 1999

267

00:10:45,590 --> 00:10:42,800

and uh and

268

00:10:47,990 --> 00:10:45,600

became suddenly extremely wealthy

269

00:10:49,910 --> 00:10:48,000

through the sale of that company and i

270

00:10:51,190 --> 00:10:49,920

retired for a number of years built a

271

00:10:54,230 --> 00:10:51,200

beautiful home

272

00:10:56,949 --> 00:10:54,240

and then got antsy and wanted to start a

273

00:10:59,910 --> 00:10:56,959

new company so i started nanorex which

274

00:11:03,430 --> 00:10:59,920

was a software development company where

275

00:11:06,630 --> 00:11:03,440

we designed and released a open source

276

00:11:10,630 --> 00:11:06,640

program called nano engineer one

277

00:11:12,949 --> 00:11:10,640

that allowed people to design uh nano

278

00:11:14,870 --> 00:11:12,959

scale machine systems things that are

279

00:11:17,990 --> 00:11:14,880

called nano machines

280

00:11:22,230 --> 00:11:18,000

and nanobots in popular culture

281

00:11:25,670 --> 00:11:22,240

and this allowed a engineer or designer

282

00:11:26,550 --> 00:11:25,680

to design with atomic detail

283

00:11:28,550 --> 00:11:26,560

uh

284

00:11:31,069 --> 00:11:28,560

you know all the components that make up

285

00:11:33,430 --> 00:11:31,079

a nano machine and simulate

286

00:11:35,990 --> 00:11:33,440

electromechanically with uh

287

00:11:38,630 --> 00:11:36,000

the the engines you know these plug-ins

288

00:11:41,350 --> 00:11:38,640

that allowed you to simulate and analyze

289

00:11:43,590 --> 00:11:41,360

designs at a nanoscale level because

290

00:11:45,509 --> 00:11:43,600

there's all sorts of design constraints

291

00:11:47,990 --> 00:11:45,519

and issues that pop up when you're

292

00:11:51,670 --> 00:11:48,000

designing things out with

293

00:11:53,590 --> 00:11:51,680

atomic detail that don't apply

294

00:11:56,310 --> 00:11:53,600

with traditional cad systems for

295

00:11:58,870 --> 00:11:56,320

instance the electrostatic potential of

296

00:12:00,870 --> 00:11:58,880

molecular gears is very very important

297

00:12:04,230 --> 00:12:00,880

to consider because for instance if you

298

00:12:06,389 --> 00:12:04,240

have two gears meshing together and one

299

00:12:09,030 --> 00:12:06,399

is positively charged and the other is

300

00:12:10,870 --> 00:12:09,040

negatively charged they're going to

301
00:12:13,750 --> 00:12:10,880
stick together

302
00:12:16,710 --> 00:12:13,760
so those kind of analytical tools

303
00:12:19,350 --> 00:12:16,720
on a nano scale level and even quantum

304
00:12:22,829 --> 00:12:19,360
level become very very significant

305
00:12:26,310 --> 00:12:22,839
and so that was my business from 2004 to

306
00:12:28,470 --> 00:12:26,320
2009 and then i started vortrax which

307
00:12:31,350 --> 00:12:28,480
was a renewable energy company when i

308
00:12:33,269 --> 00:12:31,360
was still living in michigan in 2014

309
00:12:35,990 --> 00:12:33,279
and i decided after three years that

310
00:12:38,949 --> 00:12:36,000
that wasn't the best use of my resources

311
00:12:41,509 --> 00:12:38,959
and my time i moved out to california

312
00:12:43,670 --> 00:12:41,519
where i am now fulfilling what i believe

313
00:12:45,269 --> 00:12:43,680

is my life's purpose and that we're

314

00:12:47,829 --> 00:12:45,279

going to get into

315

00:12:49,509 --> 00:12:47,839

so as a consequence of meeting tejbar in

316

00:12:51,190 --> 00:12:49,519

2012

317

00:12:54,069 --> 00:12:51,200

i started

318

00:12:56,710 --> 00:12:54,079

a foundation called loving giving

319

00:12:59,430 --> 00:12:56,720

servicing all it's a 501c3

320

00:13:01,269 --> 00:12:59,440

i put millions of dollars into that

321

00:13:04,470 --> 00:13:01,279

foundation and began

322

00:13:06,710 --> 00:13:04,480

supporting and funding other non-profits

323

00:13:09,190 --> 00:13:06,720

and worthy causes that i believed in for

324

00:13:12,069 --> 00:13:09,200

instance i funded uh

325

00:13:16,790 --> 00:13:12,079

bringing awareness to the standing rock

326

00:13:18,629 --> 00:13:16,800

protest in south dakota and north dakota

327

00:13:20,550 --> 00:13:18,639

that was one of the things that i did

328

00:13:22,710 --> 00:13:20,560

the romero institute

329

00:13:25,110 --> 00:13:22,720

and ultimately the new paradigm

330

00:13:28,310 --> 00:13:25,120

institute that i co-founded with daniel

331

00:13:30,470 --> 00:13:28,320

sheehan in 2015

332

00:13:33,350 --> 00:13:30,480

was funded out of the

333

00:13:36,310 --> 00:13:33,360

loving giving serving all foundation

334

00:13:38,790 --> 00:13:36,320

and the most recent project that i've

335

00:13:40,870 --> 00:13:38,800

been involved in that i've started is

336

00:13:43,350 --> 00:13:40,880

the making contact campus and i'm going

337

00:13:45,910 --> 00:13:43,360

to talk a lot more about that shortly

338

00:13:48,710 --> 00:13:45,920

and our first inaugural event is the

339

00:13:49,829 --> 00:13:48,720

making contact convergence and this is

340

00:13:51,990 --> 00:13:49,839

where

341

00:13:55,269 --> 00:13:52,000

we've got this amazing lineup of

342

00:13:57,910 --> 00:13:55,279

speakers and presenters and lecturers

343

00:14:00,310 --> 00:13:57,920

that's probably i think and i've been

344

00:14:03,990 --> 00:14:00,320

told this by other people this is the

345

00:14:06,949 --> 00:14:04,000

most significant lineup in history of of

346

00:14:09,829 --> 00:14:06,959

these luminaries and scientists and

347

00:14:12,870 --> 00:14:09,839

academics and theologians we're really

348

00:14:17,430 --> 00:14:12,880

bringing to the table in this virtual

349

00:14:18,550 --> 00:14:17,440

platform uh a diverse set of people to

350

00:14:21,350 --> 00:14:18,560

discuss

351

00:14:23,750 --> 00:14:21,360

the topic of initiating diplomatic

352

00:14:25,590 --> 00:14:23,760

relations with extraterrestrials they

353

00:14:28,230 --> 00:14:25,600

are here and they're simply waiting for

354

00:14:31,350 --> 00:14:28,240

us to reach out to them responsibly

355

00:14:35,030 --> 00:14:31,360

collectively as a human family and we

356

00:14:38,310 --> 00:14:35,040

believe that if we do this in unity and

357

00:14:40,949 --> 00:14:38,320

in peace that they will respond and so

358

00:14:44,150 --> 00:14:40,959

that's what this discussion it from

359

00:14:47,350 --> 00:14:44,160

august 18th to the 22nd at the converge

360

00:14:50,629 --> 00:14:47,360

convergence event will really be about

361

00:14:52,470 --> 00:14:50,639

so uh this is our our logo and i just

362

00:14:54,870 --> 00:14:52,480

want to really quickly

363

00:14:57,269 --> 00:14:54,880

uh hopefully you'll be able to hear this

364

00:14:59,110 --> 00:14:57,279

yep can you hear it yep

365

00:15:00,870 --> 00:14:59,120

welcome to the making contact

366

00:15:03,269 --> 00:15:00,880

convergence event

367

00:15:04,629 --> 00:15:03,279

you are invited to experience our new

368

00:15:08,310 --> 00:15:04,639

virtual world

369

00:15:10,949 --> 00:15:08,320

to explore ideas beyond our world

370

00:15:13,829 --> 00:15:10,959

and to connect to other explorers

371

00:15:15,910 --> 00:15:13,839

like you

372

00:15:17,829 --> 00:15:15,920

you will also get to meet world-renowned

373

00:15:19,110 --> 00:15:17,839

experts and panelists in our virtual

374

00:15:21,240 --> 00:15:19,120

campus

375

00:15:25,189 --> 00:15:21,250

and discover some amazing things

376

00:15:27,910 --> 00:15:25,199

[Music]

377

00:15:30,790 --> 00:15:27,920

what is the making contact campus it's a

378

00:15:32,150 --> 00:15:30,800

one-of-a-kind 3d virtual space that you

379

00:15:34,629 --> 00:15:32,160

sign up for

380

00:15:37,430 --> 00:15:34,639

the first time you log in you'll custom

381

00:15:39,509 --> 00:15:37,440

design your very own avatar

382

00:15:41,990 --> 00:15:39,519

then you're free to stroll around and

383

00:15:43,670 --> 00:15:42,000

explore the various areas of the campus

384

00:15:45,910 --> 00:15:43,680

there's a wide variety of different

385

00:15:48,150 --> 00:15:45,920

venues to choose from

386

00:15:49,749 --> 00:15:48,160

you can watch a film in the theater or

387

00:15:51,829 --> 00:15:49,759

attend a seminar in one of the

388

00:15:54,470 --> 00:15:51,839

classrooms

389

00:15:57,269 --> 00:15:54,480

you can visit the giant expo hall

390

00:15:59,670 --> 00:15:57,279

see artist expositions or even join in

391

00:16:00,949 --> 00:15:59,680

on a scavenger hunt plus there's a whole

392

00:16:02,949 --> 00:16:00,959

lot more

393

00:16:12,780 --> 00:16:02,959

we look forward to seeing you right here

394

00:16:18,629 --> 00:16:15,509

[Music]

395

00:16:24,069 --> 00:16:21,269

so that's uh that's a preview of what

396

00:16:26,470 --> 00:16:24,079

we're doing um so i want to go back to

397

00:16:29,189 --> 00:16:26,480

my story and just share for your viewers

398

00:16:31,030 --> 00:16:29,199

quickly what led up to my contact

399

00:16:34,389 --> 00:16:31,040

experience please

400

00:16:36,550 --> 00:16:34,399

it was in the spring of 2012

401
00:16:39,030 --> 00:16:36,560
that i was

402
00:16:41,030 --> 00:16:39,040
retired and i was in my office of my

403
00:16:43,670 --> 00:16:41,040
home and i was just killing time

404
00:16:45,350 --> 00:16:43,680
watching some interesting youtube videos

405
00:16:47,670 --> 00:16:45,360
and i came across something called the

406
00:16:50,470 --> 00:16:47,680
disclosure project this was an event

407
00:16:53,110 --> 00:16:50,480
that took place back in 2001

408
00:16:55,670 --> 00:16:53,120
that was organized by dr steven greer in

409
00:16:58,310 --> 00:16:55,680
which he was able to convince

410
00:17:01,189 --> 00:16:58,320
20 witnesses to get in front of cameras

411
00:17:03,670 --> 00:17:01,199
and the news media and share their

412
00:17:06,510 --> 00:17:03,680
individual and witness you know

413
00:17:09,829 --> 00:17:06,520

testimony about having encountered an

414

00:17:12,230 --> 00:17:09,839

extraterrestrial or a ufo while they

415

00:17:13,590 --> 00:17:12,240

were on the active duty in the military

416

00:17:15,590 --> 00:17:13,600

or when they were working for the

417

00:17:18,309 --> 00:17:15,600

government for instance there were two

418

00:17:21,350 --> 00:17:18,319

nasa witnesses there was a man from the

419

00:17:24,309 --> 00:17:21,360

faa who was a senior executive and they

420

00:17:25,189 --> 00:17:24,319

all told these very compelling stories

421

00:17:27,990 --> 00:17:25,199

about

422

00:17:30,870 --> 00:17:28,000

their encounter and i

423

00:17:32,390 --> 00:17:30,880

came away from watching that video

424

00:17:34,470 --> 00:17:32,400

believing that they were telling the

425

00:17:37,190 --> 00:17:34,480

truth and knowing that if they were

426

00:17:39,669 --> 00:17:37,200

telling the truth this was the most

427

00:17:41,190 --> 00:17:39,679

important story in human history and i

428

00:17:43,510 --> 00:17:41,200

wanted to know more about it because i

429

00:17:47,270 --> 00:17:43,520

really was way behind the times i didn't

430

00:17:49,669 --> 00:17:47,280

follow the ufo et phenomenon at all as a

431

00:17:51,830 --> 00:17:49,679

kid i was you know i was aware of the

432

00:17:53,590 --> 00:17:51,840

popular culture you know the roswell

433

00:17:57,750 --> 00:17:53,600

incident but i really didn't want no

434

00:18:01,510 --> 00:17:57,760

expert but this piqued my curiosity

435

00:18:03,990 --> 00:18:01,520

and uh and i decided that i wanted to um

436

00:18:07,029 --> 00:18:04,000

study this guy you know stephen greer

437

00:18:09,510 --> 00:18:07,039

was the organizer of this event and he

438

00:18:12,950 --> 00:18:09,520

was not a military guy or a government

439

00:18:14,950 --> 00:18:12,960

guy he was a civilian who somehow

440

00:18:16,710 --> 00:18:14,960

you know got these people to convince

441

00:18:19,029 --> 00:18:16,720

convince them to get up in front of

442

00:18:21,029 --> 00:18:19,039

cameras and share their story and what i

443

00:18:23,830 --> 00:18:21,039

learned about him is that he had written

444

00:18:26,710 --> 00:18:23,840

three books by that time which i bought

445

00:18:29,590 --> 00:18:26,720

and read and what i learned from reading

446

00:18:31,909 --> 00:18:29,600

the books is that he actually had this

447

00:18:34,470 --> 00:18:31,919

organization called see seti

448

00:18:37,430 --> 00:18:34,480

that was the center for study for the

449

00:18:39,830 --> 00:18:37,440

study of extraterrestrial intelligence

450

00:18:43,590 --> 00:18:39,840

and that he had this program called the

451
00:18:46,070 --> 00:18:43,600
ce5 ambassador training and he hosted

452
00:18:49,510 --> 00:18:46,080
these retreats that were typically

453
00:18:51,909 --> 00:18:49,520
five to six days in length so i decided

454
00:18:55,029 --> 00:18:51,919
to sign up for the next one which is no

455
00:18:56,870 --> 00:18:55,039
which was in november of 2012.

456
00:19:01,510 --> 00:18:56,880
it was a six day event

457
00:19:02,230 --> 00:19:01,520
and so i uh registered i paid my 2500

458
00:19:05,110 --> 00:19:02,240
fee

459
00:19:09,029 --> 00:19:05,120
and then i flew from detroit to san

460
00:19:12,150 --> 00:19:09,039
diego rented a car and drove up to

461
00:19:14,150 --> 00:19:12,160
borrego springs california and this is

462
00:19:15,990 --> 00:19:14,160
where i stayed at the palms at the

463
00:19:18,390 --> 00:19:16,000

indian head hotel

464

00:19:19,590 --> 00:19:18,400

and this was the actual hotel this is a

465

00:19:22,070 --> 00:19:19,600

picture of it

466

00:19:25,990 --> 00:19:22,080

and this is the room right here it was

467

00:19:28,310 --> 00:19:26,000

room free and the reason why i highlight

468

00:19:31,110 --> 00:19:28,320

the fact that i stayed in that room of

469

00:19:34,789 --> 00:19:31,120

this hotel is because this is where i

470

00:19:37,630 --> 00:19:34,799

had my encounter with tejbar on the

471

00:19:39,350 --> 00:19:37,640

early morning of november

472

00:19:42,710 --> 00:19:39,360

2012

473

00:19:46,070 --> 00:19:42,720

but hours lead before that encounter

474

00:19:49,029 --> 00:19:46,080

we were all meditating in the desert now

475

00:19:52,390 --> 00:19:49,039

we this is the hotel here

476

00:19:55,029 --> 00:19:52,400

and this is where greer rented an airbnb

477

00:19:57,350 --> 00:19:55,039

house where we gathered in the afternoon

478

00:19:59,029 --> 00:19:57,360

and uh talked about extraterrestrial

479

00:20:01,350 --> 00:19:59,039

contact

480

00:20:03,830 --> 00:20:01,360

and and but at night

481

00:20:06,630 --> 00:20:03,840

about eight o'clock every night we would

482

00:20:09,990 --> 00:20:06,640

uh jump in eight or nine cars

483

00:20:12,630 --> 00:20:10,000

and together the 25 of us would drive to

484

00:20:13,590 --> 00:20:12,640

the field work site along these dirt

485

00:20:16,789 --> 00:20:13,600

roads

486

00:20:18,870 --> 00:20:16,799

and uh and that is where we would gather

487

00:20:21,110 --> 00:20:18,880

in a circle and

488

00:20:24,390 --> 00:20:21,120

begin meditating and we did two

489

00:20:27,270 --> 00:20:24,400

meditations for about an hour to an hour

490

00:20:29,830 --> 00:20:27,280

and a half each evening and on the fifth

491

00:20:33,270 --> 00:20:29,840

night of this six day retreat

492

00:20:34,549 --> 00:20:33,280

this object materialized out of thin air

493

00:20:37,270 --> 00:20:34,559

above us

494

00:20:40,789 --> 00:20:37,280

and when i saw that materialize out of

495

00:20:42,789 --> 00:20:40,799

thin air what it did for me was answer

496

00:20:45,110 --> 00:20:42,799

a burning question that i was there to

497

00:20:48,310 --> 00:20:45,120

have answered and that question was are

498

00:20:51,990 --> 00:20:48,320

they really here and will they respond

499

00:20:55,190 --> 00:20:52,000

to a call a collective call

500

00:20:58,470 --> 00:20:55,200

from people meditating asking them to to

501
00:21:01,590 --> 00:20:58,480
respond can we summon them and when this

502
00:21:04,470 --> 00:21:01,600
materialized above our group i knew that

503
00:21:06,870 --> 00:21:04,480
they were real and that somehow

504
00:21:09,590 --> 00:21:06,880
there was a connection between

505
00:21:12,470 --> 00:21:09,600
meditating and setting an intention to

506
00:21:15,430 --> 00:21:12,480
ask them to to appear

507
00:21:18,549 --> 00:21:15,440
and and so that was mind-blowing that

508
00:21:19,750 --> 00:21:18,559
somehow meditation was a way to connect

509
00:21:23,270 --> 00:21:19,760
with them

510
00:21:24,070 --> 00:21:23,280
and so that answered my burning question

511
00:21:26,390 --> 00:21:24,080
so

512
00:21:29,909 --> 00:21:26,400
when we later that night

513
00:21:32,789 --> 00:21:29,919

uh packed up and we we returned back to

514

00:21:36,230 --> 00:21:32,799

our hotel room of course i couldn't fall

515

00:21:38,070 --> 00:21:36,240

asleep i'm amped up from uh this

516

00:21:41,190 --> 00:21:38,080

uh sighting and from all of the

517

00:21:43,270 --> 00:21:41,200

implications now i i had new questions

518

00:21:46,230 --> 00:21:43,280

new burning questions i wanted to answer

519

00:21:48,950 --> 00:21:46,240

like who are they where are they from

520

00:21:51,029 --> 00:21:48,960

why are they so aloof and reclusive i

521

00:21:52,950 --> 00:21:51,039

realize that it's not the government

522

00:21:55,590 --> 00:21:52,960

that's keeping this hidden from the

523

00:21:56,470 --> 00:21:55,600

general public they themselves are

524

00:21:59,110 --> 00:21:56,480

hidden

525

00:22:02,470 --> 00:21:59,120

and so hiding themselves and so i wanted

526
00:22:05,350 --> 00:22:02,480
to know more and i decided that i would

527
00:22:06,549 --> 00:22:05,360
attempt to reach out to them and ask

528
00:22:08,630 --> 00:22:06,559
them to

529
00:22:11,110 --> 00:22:08,640
appear in my hotel room

530
00:22:13,750 --> 00:22:11,120
i didn't think it was likely to to work

531
00:22:14,870 --> 00:22:13,760
but i said what do i have to lose

532
00:22:16,470 --> 00:22:14,880
probably

533
00:22:18,710 --> 00:22:16,480
it occurred to me that they might be

534
00:22:20,470 --> 00:22:18,720
monitoring all of us to see how we would

535
00:22:22,390 --> 00:22:20,480
react to their

536
00:22:24,230 --> 00:22:22,400
to this major sighting

537
00:22:26,390 --> 00:22:24,240
and so i

538
00:22:28,390 --> 00:22:26,400

assume that maybe they are watching me

539

00:22:31,190 --> 00:22:28,400

maybe through consciousness they are

540

00:22:34,070 --> 00:22:31,200

able to read my mind and and they're

541

00:22:36,149 --> 00:22:34,080

analyzing what i'm thinking so if that's

542

00:22:38,470 --> 00:22:36,159

happening right now i want them to know

543

00:22:40,390 --> 00:22:38,480

that i want to make face-to-face contact

544

00:22:42,149 --> 00:22:40,400

that i'm not afraid

545

00:22:44,549 --> 00:22:42,159

that i i really

546

00:22:46,630 --> 00:22:44,559

would like a relationship with them and

547

00:22:48,789 --> 00:22:46,640

i want to learn from them like others

548

00:22:51,350 --> 00:22:48,799

who have claimed to have had contact

549

00:22:53,270 --> 00:22:51,360

have had the pleasure of of doing

550

00:22:56,789 --> 00:22:53,280

so in that spirit

551

00:23:00,070 --> 00:22:56,799

i decided to practice a greeting that i

552

00:23:02,710 --> 00:23:00,080

would give in the unlikely event that an

553

00:23:05,029 --> 00:23:02,720

e.t would appear in my hotel room

554

00:23:07,270 --> 00:23:05,039

and i felt there were three critical

555

00:23:09,590 --> 00:23:07,280

things that i would want to say in this

556

00:23:10,710 --> 00:23:09,600

greeting number one that i was very

557

00:23:14,230 --> 00:23:10,720

grateful

558

00:23:17,830 --> 00:23:14,240

that they that they would appear to me

559

00:23:19,350 --> 00:23:17,840

number two that i require or i i would

560

00:23:22,070 --> 00:23:19,360

like a

561

00:23:24,070 --> 00:23:22,080

a a relationship a lifelong relationship

562

00:23:26,789 --> 00:23:24,080

with them to learn from them

563

00:23:27,590 --> 00:23:26,799

and number three and most importantly i

564

00:23:28,870 --> 00:23:27,600

feel

565

00:23:30,789 --> 00:23:28,880

was to

566

00:23:35,430 --> 00:23:30,799

let them know i trusted them

567

00:23:36,549 --> 00:23:35,440

unconditionally so i said in my greeting

568

00:23:41,110 --> 00:23:36,559

that i

569

00:23:43,830 --> 00:23:41,120

completely trust them to do with me and

570

00:23:46,390 --> 00:23:43,840

my body anything that they chose that i

571

00:23:49,190 --> 00:23:46,400

would completely trust them so those

572

00:23:51,510 --> 00:23:49,200

were the three elements of my greeting

573

00:23:55,430 --> 00:23:51,520

so i sat there in bed and i began

574

00:23:58,710 --> 00:23:55,440

meditating and i started getting this

575

00:24:01,750 --> 00:23:58,720

light blue light show in my third eye it

576

00:24:04,470 --> 00:24:01,760

was like a swirling whirlpool of light

577

00:24:08,310 --> 00:24:04,480

and this eventually ended up

578

00:24:10,950 --> 00:24:08,320

uh coalescing into a bright sphere

579

00:24:13,590 --> 00:24:10,960

in my mind's eye and then that began

580

00:24:15,830 --> 00:24:13,600

morphing into a humanoid figure and when

581

00:24:18,470 --> 00:24:15,840

i opened my eyes standing at the end of

582

00:24:19,590 --> 00:24:18,480

my bed was this

583

00:24:22,149 --> 00:24:19,600

being

584

00:24:24,310 --> 00:24:22,159

so what you're looking at on the left is

585

00:24:27,430 --> 00:24:24,320

a pencil drawing the original drawing

586

00:24:29,110 --> 00:24:27,440

that i made of tejbar this being that i

587

00:24:32,149 --> 00:24:29,120

made contact with

588

00:24:34,710 --> 00:24:32,159

and then later i did this illustration

589

00:24:37,750 --> 00:24:34,720

on my computer trying to capture the

590

00:24:38,470 --> 00:24:37,760

true essence because what was clear to

591

00:24:40,950 --> 00:24:38,480

me

592

00:24:44,630 --> 00:24:40,960

that you can see more obviously on the

593

00:24:47,590 --> 00:24:44,640

right is that he was non-physical this

594

00:24:50,149 --> 00:24:47,600

was a being made of light or possibly it

595

00:24:53,269 --> 00:24:50,159

was a holographic projection

596

00:24:56,230 --> 00:24:53,279

uh and and but it was clearly humanoid

597

00:24:59,510 --> 00:24:56,240

it had eyes it had these strange pupils

598

00:25:02,230 --> 00:24:59,520

and um and so as it stood there at the

599

00:25:04,549 --> 00:25:02,240

end of my bed i gave it this greeting

600

00:25:06,470 --> 00:25:04,559

that i had been practicing

601
00:25:08,870 --> 00:25:06,480
i just want to show you this picture

602
00:25:11,029 --> 00:25:08,880
this is a professional illustration that

603
00:25:12,950 --> 00:25:11,039
i did as a mock-up for my new book that

604
00:25:16,549 --> 00:25:12,960
i'm going to be publishing in february

605
00:25:20,070 --> 00:25:16,559
so i have february is my my new publish

606
00:25:21,350 --> 00:25:20,080
date um and this i i worked with the

607
00:25:24,390 --> 00:25:21,360
illustrator

608
00:25:25,430 --> 00:25:24,400
uh to really capture the real essence of

609
00:25:27,750 --> 00:25:25,440
it

610
00:25:30,310 --> 00:25:27,760
and and so this is teshbar this is the

611
00:25:31,269 --> 00:25:30,320
spelling of his name and when i gave

612
00:25:33,510 --> 00:25:31,279
that

613
00:25:35,430 --> 00:25:33,520

uh greeting he then

614

00:25:38,070 --> 00:25:35,440

started to slowly walk from the end of

615

00:25:40,870 --> 00:25:38,080

my bed and approached me on my left side

616

00:25:43,350 --> 00:25:40,880

and as i'm looking into those eyes that

617

00:25:46,950 --> 00:25:43,360

are depicted in this illustration i

618

00:25:49,350 --> 00:25:46,960

noticed that his eyes are not eyes at

619

00:25:51,190 --> 00:25:49,360

all what i thought were those weird

620

00:25:55,190 --> 00:25:51,200

u-shaped pupils

621

00:25:57,590 --> 00:25:55,200

are actually the the superior suture in

622

00:26:00,630 --> 00:25:57,600

the back of the eye orbital what i was

623

00:26:02,950 --> 00:26:00,640

looking at were sockets of a skull

624

00:26:05,269 --> 00:26:02,960

and these holes in the back which are

625

00:26:08,230 --> 00:26:05,279

which look like these use

626
00:26:10,710 --> 00:26:08,240
are were not pupils but holes in the

627
00:26:13,350 --> 00:26:10,720
back of the sockets of the eye

628
00:26:15,350 --> 00:26:13,360
where the optic nerve from the eyeball

629
00:26:17,350 --> 00:26:15,360
goes to the brain

630
00:26:19,990 --> 00:26:17,360
and as i'm looking into his eyes he's

631
00:26:22,630 --> 00:26:20,000
now standing just about two feet from me

632
00:26:25,590 --> 00:26:22,640
i'm looking in these eyes and i'm just

633
00:26:28,950 --> 00:26:25,600
like you know i'm i'm like

634
00:26:31,110 --> 00:26:28,960
taking a double take i like what is this

635
00:26:33,430 --> 00:26:31,120
is these is this really what i think it

636
00:26:36,310 --> 00:26:33,440
is are these sockets of a skull

637
00:26:38,789 --> 00:26:36,320
and and as i am coming to this

638
00:26:40,470 --> 00:26:38,799

realization that yes indeed this is what

639

00:26:43,029 --> 00:26:40,480

i'm looking into

640

00:26:46,470 --> 00:26:43,039

i see something moving below and i look

641

00:26:49,669 --> 00:26:46,480

down and i see this hand with his index

642

00:26:52,230 --> 00:26:49,679

finger moving slowly towards my elbow

643

00:26:54,230 --> 00:26:52,240

and i realize he wants to touch me so

644

00:26:56,950 --> 00:26:54,240

i'm going to let him touch me

645

00:27:00,149 --> 00:26:56,960

and he touches my elbow and i feel it i

646

00:27:02,549 --> 00:27:00,159

feel both a physical touch and a tingly

647

00:27:05,510 --> 00:27:02,559

sensation like static electricity where

648

00:27:09,269 --> 00:27:05,520

he's beginning to touch my my elbow and

649

00:27:12,230 --> 00:27:09,279

then he continues to push his hand into

650

00:27:14,070 --> 00:27:12,240

my elbow and he continues through my

651
00:27:16,230 --> 00:27:14,080
left torso

652
00:27:19,350 --> 00:27:16,240
through my back through the right side

653
00:27:21,190 --> 00:27:19,360
of my body and as his arm and forearm

654
00:27:24,310 --> 00:27:21,200
are going through the right side of my

655
00:27:27,029 --> 00:27:24,320
body now his right shoulder is beginning

656
00:27:30,070 --> 00:27:27,039
to merge with my left shoulder and as

657
00:27:33,029 --> 00:27:30,080
that's happening i this tingly sensation

658
00:27:34,950 --> 00:27:33,039
is intensifying because more of his body

659
00:27:36,630 --> 00:27:34,960
is merging with mine

660
00:27:39,750 --> 00:27:36,640
and when his shoulder

661
00:27:43,269 --> 00:27:39,760
began merging it my fight or flight

662
00:27:45,430 --> 00:27:43,279
response kicked in and i wanted to jump

663
00:27:46,470 --> 00:27:45,440

up but i caught myself at the last

664

00:27:49,029 --> 00:27:46,480

second

665

00:27:51,909 --> 00:27:49,039

because i had just given him my promise

666

00:27:55,029 --> 00:27:51,919

my word that i completely trusted him

667

00:27:57,909 --> 00:27:55,039

and i wanted to honor that promise

668

00:28:01,669 --> 00:27:57,919

so i forced myself to sit still and i

669

00:28:02,950 --> 00:28:01,679

just wrote it out it was so intense

670

00:28:05,269 --> 00:28:02,960

and freaky

671

00:28:08,950 --> 00:28:05,279

so i just held on

672

00:28:11,110 --> 00:28:08,960

and as he continued to immerse himself

673

00:28:12,070 --> 00:28:11,120

into my body

674

00:28:14,230 --> 00:28:12,080

um

675

00:28:17,190 --> 00:28:14,240

i i just sat there

676

00:28:20,149 --> 00:28:17,200

and eventually that tingly sensation

677

00:28:21,590 --> 00:28:20,159

began dissipating and i was left after a

678

00:28:24,149 --> 00:28:21,600

few moments

679

00:28:26,870 --> 00:28:24,159

feeling completely normal again

680

00:28:28,950 --> 00:28:26,880

but what i knew what what i had this

681

00:28:31,110 --> 00:28:28,960

acute awareness of is that there was

682

00:28:34,149 --> 00:28:31,120

this other being inside of my physical

683

00:28:37,110 --> 00:28:34,159

body there was another resident in my

684

00:28:40,070 --> 00:28:37,120

physical body i don't know how i knew

685

00:28:43,269 --> 00:28:40,080

that but it was so acute this awareness

686

00:28:45,430 --> 00:28:43,279

that i then finally asked him my first

687

00:28:47,110 --> 00:28:45,440

question and that is

688

00:28:50,630 --> 00:28:47,120

what is your name

689

00:28:54,070 --> 00:28:50,640

and he said exactly like this vinnie he

690

00:28:54,080 --> 00:29:11,990

and i said tesbar and he

691

00:29:15,909 --> 00:29:13,430

just like that

692

00:29:16,710 --> 00:29:15,919

very loud and very forceful

693

00:29:19,269 --> 00:29:16,720

so

694

00:29:22,070 --> 00:29:19,279

when he spelled it i got the

695

00:29:24,710 --> 00:29:22,080

you know the the details of the

696

00:29:27,110 --> 00:29:24,720

pronunciation and i began repeating it

697

00:29:27,990 --> 00:29:27,120

out loud a few times and i could feel

698

00:29:31,750 --> 00:29:28,000

his

699

00:29:34,070 --> 00:29:31,760

satisfaction once i repeated it and kept

700

00:29:37,110 --> 00:29:34,080

repeating it properly

701
00:29:39,269 --> 00:29:37,120
and so my next question once i finished

702
00:29:42,149 --> 00:29:39,279
repeating his name properly

703
00:29:44,230 --> 00:29:42,159
was to ask where are you from

704
00:29:47,669 --> 00:29:44,240
and he said i'm from earth

705
00:29:50,070 --> 00:29:47,679
and i said whoa you do not you do not

706
00:29:52,789 --> 00:29:50,080
look like any earth creature i've ever

707
00:29:55,110 --> 00:29:52,799
seen can you explain

708
00:29:57,830 --> 00:29:55,120
he went on to share with me that he had

709
00:30:01,029 --> 00:29:57,840
been a human being roughly 3 000 years

710
00:30:01,909 --> 00:30:01,039
ago and that he when he died

711
00:30:05,430 --> 00:30:01,919
he

712
00:30:06,230 --> 00:30:05,440
realm

713
00:30:08,389 --> 00:30:06,240

so

714

00:30:11,590 --> 00:30:08,399

you know when he's explaining this all

715

00:30:14,070 --> 00:30:11,600

to me he's saying when he lived as you

716

00:30:16,630 --> 00:30:14,080

know when he was alive as a human being

717

00:30:19,430 --> 00:30:16,640

he lived in a place that is today called

718

00:30:21,430 --> 00:30:19,440

tierra del fuego and that i would find

719

00:30:22,789 --> 00:30:21,440

it at the southernmost tip of south

720

00:30:24,789 --> 00:30:22,799

america

721

00:30:27,590 --> 00:30:24,799

i had never heard of this place called

722

00:30:29,990 --> 00:30:27,600

terre del fuego so i stopped my

723

00:30:33,029 --> 00:30:30,000

interview immediately and i got my

724

00:30:35,830 --> 00:30:33,039

laptop computer and because i had wi-fi

725

00:30:39,110 --> 00:30:35,840

access in the hotel i could do a google

726

00:30:42,310 --> 00:30:39,120

search and i decided to begin

727

00:30:44,470 --> 00:30:42,320

to confirm this tierra del fuego through

728

00:30:46,470 --> 00:30:44,480

google earth which was a program i had

729

00:30:49,830 --> 00:30:46,480

on my computer so i launched google

730

00:30:52,470 --> 00:30:49,840

earth i typed in tierra del faygo i hit

731

00:30:54,789 --> 00:30:52,480

the search button and the earth zoomed

732

00:30:56,230 --> 00:30:54,799

in began spinning to the southern tip of

733

00:30:59,110 --> 00:30:56,240

south america

734

00:31:00,950 --> 00:30:59,120

and i got goosebumps all over because i

735

00:31:03,110 --> 00:31:00,960

could see it was zooming into the very

736

00:31:06,310 --> 00:31:03,120

southern tip and when it finally

737

00:31:09,509 --> 00:31:06,320

finished zooming in the letters tierra

738

00:31:12,630 --> 00:31:09,519

del fuego popped up on the screen

739

00:31:14,789 --> 00:31:12,640

and i just i was gobsmacked i was i was

740

00:31:17,430 --> 00:31:14,799

stunned i was lightheaded i almost felt

741

00:31:19,750 --> 00:31:17,440

like i was going to faint because for me

742

00:31:22,549 --> 00:31:19,760

this was such a major confirmation that

743

00:31:25,750 --> 00:31:22,559

i was having a contact experience with a

744

00:31:28,389 --> 00:31:25,760

being who had now take taken residence

745

00:31:31,669 --> 00:31:28,399

in my body and i was communicating

746

00:31:32,950 --> 00:31:31,679

through telepathic communication

747

00:31:35,830 --> 00:31:32,960

and so

748

00:31:37,830 --> 00:31:35,840

i was i was this was confirming this

749

00:31:39,350 --> 00:31:37,840

experience i was having i wasn't going

750

00:31:40,149 --> 00:31:39,360

nuts

751
00:31:42,549 --> 00:31:40,159
uh

752
00:31:45,350 --> 00:31:42,559
so before i put away my computer and

753
00:31:48,870 --> 00:31:45,360
continued my interview i decided that i

754
00:31:52,549 --> 00:31:48,880
would google the name tejbar which was

755
00:31:54,630 --> 00:31:52,559
spelled t-e-z j-b-a-r just like here

756
00:31:57,590 --> 00:31:54,640
and when i typed that into the google

757
00:32:01,350 --> 00:31:57,600
search engine there was one hit on the

758
00:32:05,269 --> 00:32:01,360
entire library of google and that

759
00:32:08,549 --> 00:32:05,279
link took me to the google books library

760
00:32:11,269 --> 00:32:08,559
in which a book was was shown and the

761
00:32:13,750 --> 00:32:11,279
title of that book was the indigenous

762
00:32:15,750 --> 00:32:13,760
tribes of tierra del fuego i think it

763
00:32:17,830 --> 00:32:15,760

was something i always forget because

764

00:32:19,190 --> 00:32:17,840

it's a it's a long name the book title

765

00:32:21,110 --> 00:32:19,200

is a long name

766

00:32:22,230 --> 00:32:21,120

but it's the indigenous

767

00:32:25,190 --> 00:32:22,240

uh

768

00:32:28,230 --> 00:32:25,200

tribes and cultures or territories of

769

00:32:30,870 --> 00:32:28,240

the tribes of tierra del fuego

770

00:32:33,110 --> 00:32:30,880

and when i clicked on it to

771

00:32:35,750 --> 00:32:33,120

open the book which had been scanned

772

00:32:37,350 --> 00:32:35,760

into the google books library

773

00:32:40,950 --> 00:32:37,360

somewhere in this book was the word

774

00:32:43,990 --> 00:32:40,960

teshbar so i used the find function

775

00:32:45,430 --> 00:32:44,000

to search for teshbar and i found in the

776

00:32:48,149 --> 00:32:45,440

back of this book

777

00:32:50,230 --> 00:32:48,159

that had been published in 1916 by an

778

00:32:51,990 --> 00:32:50,240

anthropologist named

779

00:32:55,110 --> 00:32:52,000

john cooper

780

00:32:58,789 --> 00:32:55,120

and glossary was in the back of his book

781

00:33:00,149 --> 00:32:58,799

and it was a a list of names or words

782

00:33:03,029 --> 00:33:00,159

that had been

783

00:33:05,909 --> 00:33:03,039

translated from the native

784

00:33:08,789 --> 00:33:05,919

language of these tribes and that

785

00:33:11,669 --> 00:33:08,799

language was called fuegian

786

00:33:14,310 --> 00:33:11,679

was translated into phonetic english and

787

00:33:17,430 --> 00:33:14,320

there was a word there in the glossary

788

00:33:20,789 --> 00:33:17,440

spelled teshbar t-e-z-j-b-a-r

789

00:33:22,470 --> 00:33:20,799

that literally translates into the word

790

00:33:24,549 --> 00:33:22,480

forehead

791

00:33:28,070 --> 00:33:24,559

i kid you not and it's still there you

792

00:33:30,549 --> 00:33:28,080

can still search it and find that um so

793

00:33:33,110 --> 00:33:30,559

that was a second confirmation for me

794

00:33:35,509 --> 00:33:33,120

that i wasn't losing my mind or that

795

00:33:38,070 --> 00:33:35,519

this very real experience

796

00:33:42,070 --> 00:33:38,080

i i it occurred me to me may have

797

00:33:43,990 --> 00:33:42,080

triggered a um alter ego you know that i

798

00:33:46,870 --> 00:33:44,000

this was just wishful thinking on my

799

00:33:49,430 --> 00:33:46,880

part that i had now an et inside of me

800

00:33:52,389 --> 00:33:49,440

that i was communicating with but these

801
00:33:55,269 --> 00:33:52,399
two confirmations made it very clear to

802
00:33:58,630 --> 00:33:55,279
me that i was having a real experience

803
00:34:01,350 --> 00:33:58,640
and so for the next 13 days i remained

804
00:34:03,430 --> 00:34:01,360
in the state of communion this is what

805
00:34:06,389 --> 00:34:03,440
he called it and he explained the

806
00:34:07,669 --> 00:34:06,399
communion where the the joining of three

807
00:34:08,710 --> 00:34:07,679
things

808
00:34:10,389 --> 00:34:08,720
the

809
00:34:13,430 --> 00:34:10,399
physical body

810
00:34:15,669 --> 00:34:13,440
the soul or astral body which we all

811
00:34:18,389 --> 00:34:15,679
have inside of our physical body that's

812
00:34:21,109 --> 00:34:18,399
the immortal part of us that continues

813
00:34:23,669 --> 00:34:21,119

to exist after the physical death

814

00:34:26,230 --> 00:34:23,679

and then he represented the trinity the

815

00:34:27,270 --> 00:34:26,240

third component which was the celestial

816

00:34:29,750 --> 00:34:27,280

body

817

00:34:33,349 --> 00:34:29,760

and those three things coming together

818

00:34:34,629 --> 00:34:33,359

in union is called the communion

819

00:34:37,030 --> 00:34:34,639

and so

820

00:34:40,149 --> 00:34:37,040

so i stayed in the state of communion

821

00:34:42,869 --> 00:34:40,159

over a 13-day period in which i was able

822

00:34:46,230 --> 00:34:42,879

to ask him any question i wished and

823

00:34:49,190 --> 00:34:46,240

that led ultimately to the

824

00:34:51,190 --> 00:34:49,200

discovery of the universal consciousness

825

00:34:53,750 --> 00:34:51,200

development chart this was the thing

826
00:34:56,069 --> 00:34:53,760
that i explained in a video

827
00:34:59,270 --> 00:34:56,079
that i i

828
00:35:02,630 --> 00:34:59,280
posted on youtube back in 2015 but that

829
00:35:05,030 --> 00:35:02,640
video was recorded on the anniversary

830
00:35:07,589 --> 00:35:05,040
of our communion

831
00:35:10,310 --> 00:35:07,599
in which i went to borrego springs back

832
00:35:12,710 --> 00:35:10,320
in november of 2013

833
00:35:14,870 --> 00:35:12,720
and i invited some of my closest friends

834
00:35:16,790 --> 00:35:14,880
and some of the people that were there

835
00:35:19,670 --> 00:35:16,800
in 2012

836
00:35:22,310 --> 00:35:19,680
that i had remained in contact with and

837
00:35:25,270 --> 00:35:22,320
become good friends with and i shared my

838
00:35:27,190 --> 00:35:25,280

story publicly for the very first time

839

00:35:29,829 --> 00:35:27,200

and what you're looking at there is a

840

00:35:32,390 --> 00:35:29,839

screenshot from that video in which i

841

00:35:33,990 --> 00:35:32,400

explain the universal consciousness

842

00:35:36,550 --> 00:35:34,000

development chart

843

00:35:38,470 --> 00:35:36,560

and here it is in its full glory this is

844

00:35:40,150 --> 00:35:38,480

the original incarnation of the

845

00:35:41,030 --> 00:35:40,160

universal consciousness development

846

00:35:43,270 --> 00:35:41,040

chart

847

00:35:46,470 --> 00:35:43,280

and before i i

848

00:35:47,270 --> 00:35:46,480

get into this because this is a whole

849

00:35:50,470 --> 00:35:47,280

uh

850

00:35:53,030 --> 00:35:50,480

lengthy explanation about it but but in

851
00:35:55,670 --> 00:35:53,040
in a nutshell what you're looking at

852
00:35:58,710 --> 00:35:55,680
is the

853
00:36:01,750 --> 00:35:58,720
role of consciousness and manife and

854
00:36:04,790 --> 00:36:01,760
manifesting physical reality

855
00:36:05,829 --> 00:36:04,800
and and the multi-dimensionality of our

856
00:36:10,069 --> 00:36:05,839
physical

857
00:36:12,390 --> 00:36:10,079
that includes all these dimensions of

858
00:36:14,870 --> 00:36:12,400
consciousness dimensions of what he

859
00:36:17,510 --> 00:36:14,880
called freedom of which our three space

860
00:36:19,750 --> 00:36:17,520
dimensions are a subset and the two

861
00:36:22,710 --> 00:36:19,760
dimensions of time that he explained to

862
00:36:24,550 --> 00:36:22,720
me that comprise the full complement of

863
00:36:27,829 --> 00:36:24,560

26 dimensions

864

00:36:30,550 --> 00:36:27,839

that our reality is comprised of

865

00:36:32,310 --> 00:36:30,560

so with that i'm going to uh

866

00:36:33,910 --> 00:36:32,320

uh get out of here i'm going to stop

867

00:36:34,710 --> 00:36:33,920

sharing my screen

868

00:36:41,510 --> 00:36:34,720

and

869

00:36:43,829 --> 00:36:41,520

on

870

00:36:48,069 --> 00:36:43,839

what would you like to know now wow i

871

00:36:52,710 --> 00:36:50,630

oh one second

872

00:36:53,430 --> 00:36:52,720

what oh you're getting back

873

00:36:54,630 --> 00:36:53,440

yeah

874

00:36:57,670 --> 00:36:54,640

oh okay

875

00:37:01,349 --> 00:36:59,750

there we go apologies that's better no

876

00:37:03,030 --> 00:37:01,359

worries no worries brother mark thank

877

00:37:04,069 --> 00:37:03,040

you so much for explaining that i've

878

00:37:06,390 --> 00:37:04,079

never

879

00:37:08,069 --> 00:37:06,400

seen that in detail by any means so i

880

00:37:09,829 --> 00:37:08,079

can really thank you so much for sharing

881

00:37:10,710 --> 00:37:09,839

that with me and everyone watching

882

00:37:11,829 --> 00:37:10,720

that's

883

00:37:13,990 --> 00:37:11,839

my pleasure

884

00:37:16,310 --> 00:37:14,000

eye-opening i mean i've never seen

885

00:37:18,310 --> 00:37:16,320

anything like that before so yeah it's

886

00:37:22,470 --> 00:37:18,320

it's really the the

887

00:37:25,190 --> 00:37:22,480

you know magnus opus of what he shared

888

00:37:28,470 --> 00:37:25,200

with me and he encouraged me he said you

889

00:37:29,750 --> 00:37:28,480

are the first person on earth who's who

890

00:37:32,230 --> 00:37:29,760

knows this

891

00:37:36,230 --> 00:37:32,240

and we would like you to share it with

892

00:37:38,950 --> 00:37:36,240

the human family and so my my nine year

893

00:37:41,990 --> 00:37:38,960

mission since this uh since this

894

00:37:44,870 --> 00:37:42,000

encounter has been to figure out the

895

00:37:47,270 --> 00:37:44,880

best way to share my story and

896

00:37:49,670 --> 00:37:47,280

ultimately to share all the details of

897

00:37:52,550 --> 00:37:49,680

this universal consciousness development

898

00:37:55,750 --> 00:37:52,560

chart because it will paint a picture

899

00:37:59,109 --> 00:37:55,760

that will ultimately explain the uap

900

00:38:01,750 --> 00:37:59,119

phenomenon and who and what the et's are

901
00:38:02,550 --> 00:38:01,760
and their very intimate relationship to

902
00:38:04,710 --> 00:38:02,560
us

903
00:38:07,750 --> 00:38:04,720
it's a fascinating story it's a

904
00:38:10,630 --> 00:38:07,760
beautiful story in fact to me it is the

905
00:38:13,430 --> 00:38:10,640
most beautiful story i've ever heard

906
00:38:15,910 --> 00:38:13,440
about our origins and our

907
00:38:18,710 --> 00:38:15,920
deep connection with consciousness and

908
00:38:20,150 --> 00:38:18,720
with our extraterrestrial family our

909
00:38:22,390 --> 00:38:20,160
star family

910
00:38:25,270 --> 00:38:22,400
it's a beautiful story and it's a real

911
00:38:28,230 --> 00:38:25,280
celebration mass contact the thing that

912
00:38:30,950 --> 00:38:28,240
i'm now committed my life to to

913
00:38:33,670 --> 00:38:30,960

you know to help bring about this uh

914

00:38:37,829 --> 00:38:33,680

global synchronized

915

00:38:40,710 --> 00:38:37,839

contact event that's years away now

916

00:38:42,630 --> 00:38:40,720

this is my life's work and it's through

917

00:38:44,630 --> 00:38:42,640

this story that i'm sharing and through

918

00:38:46,870 --> 00:38:44,640

the universal consciousness development

919

00:38:49,349 --> 00:38:46,880

chart that will help people understand

920

00:38:52,390 --> 00:38:49,359

this is nothing to be feared this is a

921

00:38:56,710 --> 00:38:52,400

natural evolution and progression of our

922

00:38:58,470 --> 00:38:56,720

growth and and collective human family

923

00:39:00,630 --> 00:38:58,480

evolution

924

00:39:02,390 --> 00:39:00,640

that's incredible wow

925

00:39:04,230 --> 00:39:02,400

so tyler i mean this must be something

926
00:39:05,910 --> 00:39:04,240
that you became aware of obviously back

927
00:39:07,190 --> 00:39:05,920
back at the time when mark put this

928
00:39:08,470 --> 00:39:07,200
information out

929
00:39:10,710 --> 00:39:08,480
but am i right in saying that you were

930
00:39:12,950 --> 00:39:10,720
already on that journey before then and

931
00:39:15,109 --> 00:39:12,960
how things all correlated for you and

932
00:39:16,950 --> 00:39:15,119
came together so maybe we can jump right

933
00:39:19,270 --> 00:39:16,960
back and dive into your history a little

934
00:39:20,950 --> 00:39:19,280
bit if that's okay with you

935
00:39:23,270 --> 00:39:20,960
yes so

936
00:39:25,750 --> 00:39:23,280
the the concepts that

937
00:39:28,390 --> 00:39:25,760
mark just shared through his experience

938
00:39:31,349 --> 00:39:28,400

with tejbar and the insights that he

939

00:39:33,990 --> 00:39:31,359

received from tejbar and the universal

940

00:39:35,270 --> 00:39:34,000

consciousness development uh

941

00:39:38,630 --> 00:39:35,280

evolution

942

00:39:40,150 --> 00:39:38,640

of physical reality and the astral and

943

00:39:42,710 --> 00:39:40,160

the celestial

944

00:39:44,470 --> 00:39:42,720

i began realizing that

945

00:39:47,109 --> 00:39:44,480

more than likely just through my own

946

00:39:49,270 --> 00:39:47,119

experiences and through

947

00:39:50,710 --> 00:39:49,280

the contact that we've made out on our

948

00:39:52,710 --> 00:39:50,720

expeditions

949

00:39:54,710 --> 00:39:52,720

and through all the other

950

00:39:56,310 --> 00:39:54,720

readily available materials that are out

951
00:39:58,630 --> 00:39:56,320
there on the internet that anyone can

952
00:39:59,510 --> 00:39:58,640
access

953
00:40:01,349 --> 00:39:59,520
yes

954
00:40:03,589 --> 00:40:01,359
absolutely i was coming to the same

955
00:40:05,190 --> 00:40:03,599
conclusions just through my own due

956
00:40:07,349 --> 00:40:05,200
diligence of trying to understand the

957
00:40:08,230 --> 00:40:07,359
cosmos and cosmology

958
00:40:11,190 --> 00:40:08,240
and

959
00:40:14,150 --> 00:40:11,200
realizing that consciousness

960
00:40:16,309 --> 00:40:14,160
is all of existence in a singularity and

961
00:40:18,150 --> 00:40:16,319
all sentient life that's within that

962
00:40:20,470 --> 00:40:18,160
universe and within that consciousness

963
00:40:21,589 --> 00:40:20,480

is connected and there's no separation

964

00:40:22,630 --> 00:40:21,599

between it

965

00:40:25,670 --> 00:40:22,640

so

966

00:40:27,589 --> 00:40:25,680

having that perspective and entering

967

00:40:29,510 --> 00:40:27,599

that paradigm of understanding the

968

00:40:31,589 --> 00:40:29,520

mechanics of reality

969

00:40:34,550 --> 00:40:31,599

made me realize that

970

00:40:36,630 --> 00:40:34,560

yes this is going to be the main

971

00:40:39,270 --> 00:40:36,640

modality that we're going to need to

972

00:40:41,190 --> 00:40:39,280

ascend collectively as a human family

973

00:40:43,349 --> 00:40:41,200

and to reach that next step in our

974

00:40:44,870 --> 00:40:43,359

evolutionary process and it's going to

975

00:40:47,589 --> 00:40:44,880

be necessary to communicate with

976

00:40:49,910 --> 00:40:47,599

extraterrestrials and

977

00:40:53,670 --> 00:40:49,920

even the term extraterrestrial i feel as

978

00:40:56,230 --> 00:40:53,680

though isn't broad enough to defy

979

00:40:57,550 --> 00:40:56,240

the true nature of these infinite life

980

00:40:59,750 --> 00:40:57,560

forms that are out there because

981

00:41:01,190 --> 00:40:59,760

extraterrestrial specifically by

982

00:41:03,190 --> 00:41:01,200

definition

983

00:41:05,910 --> 00:41:03,200

is a physical

984

00:41:08,150 --> 00:41:05,920

being from a physical star system that's

985

00:41:11,030 --> 00:41:08,160

out there in the physical universe when

986

00:41:12,870 --> 00:41:11,040

if they're having the capabilities to

987

00:41:15,190 --> 00:41:12,880

travel and traverse interstellar

988

00:41:18,390 --> 00:41:15,200

distances they have technology that

989

00:41:21,270 --> 00:41:18,400

makes them non-physical because if you

990

00:41:23,270 --> 00:41:21,280

go past what is called and known as the

991

00:41:24,550 --> 00:41:23,280

crossing point of light you're entering

992

00:41:27,670 --> 00:41:24,560

another dimension that's beyond

993

00:41:29,829 --> 00:41:27,680

physicality so their technologies are

994

00:41:33,030 --> 00:41:29,839

making them non-physical energetic

995

00:41:36,230 --> 00:41:33,040

beings that are somehow able

996

00:41:39,510 --> 00:41:36,240

to directly interface with consciousness

997

00:41:42,790 --> 00:41:39,520

move outside of linear space time and

998

00:41:45,030 --> 00:41:42,800

communicate with us telepathically so

999

00:41:46,870 --> 00:41:45,040

to my understanding the technology

1000

00:41:50,069 --> 00:41:46,880

that's needed to make that happen is

1001
00:41:51,829 --> 00:41:50,079
rudimentally founded in consciousness so

1002
00:41:54,309 --> 00:41:51,839
all the information that mark just

1003
00:41:56,069 --> 00:41:54,319
shared to me personally resonates on on

1004
00:41:59,030 --> 00:41:56,079
a very deep level

1005
00:42:01,349 --> 00:41:59,040
and i realized that there's so much more

1006
00:42:02,470 --> 00:42:01,359
to understand uncover unlock and to

1007
00:42:05,030 --> 00:42:02,480
discover

1008
00:42:07,270 --> 00:42:05,040
and this opens up an entire new doorway

1009
00:42:10,470 --> 00:42:07,280
into a completely new paradigm of

1010
00:42:12,910 --> 00:42:10,480
science that isn't fundamentally rooted

1011
00:42:14,470 --> 00:42:12,920
in newtonianism and in essence

1012
00:42:15,670 --> 00:42:14,480
newtonianism

1013
00:42:18,150 --> 00:42:15,680

is

1014

00:42:20,230 --> 00:42:18,160

stating that us as humans and our

1015

00:42:22,309 --> 00:42:20,240

physical body is completely separate and

1016

00:42:23,670 --> 00:42:22,319

distinct from the world around us when

1017

00:42:27,589 --> 00:42:23,680

that's not the case and that's been

1018

00:42:29,910 --> 00:42:27,599

disproven since 1926 or 1927 when

1019

00:42:31,910 --> 00:42:29,920

quantum mechanics was first introduced

1020

00:42:33,910 --> 00:42:31,920

so what we're trying to do with the new

1021

00:42:37,270 --> 00:42:33,920

paradigm institute and the making

1022

00:42:39,990 --> 00:42:37,280

contact campus is to open up a dialogue

1023

00:42:42,550 --> 00:42:40,000

with scientists and

1024

00:42:45,589 --> 00:42:42,560

academics around the world and

1025

00:42:47,589 --> 00:42:45,599

people of influence in the space of

1026

00:42:49,910 --> 00:42:47,599

academia that

1027

00:42:51,349 --> 00:42:49,920

we can begin integrating a new

1028

00:42:53,829 --> 00:42:51,359

understanding that's outside of

1029

00:42:55,589 --> 00:42:53,839

conventional means of how

1030

00:42:57,430 --> 00:42:55,599

we operate in the universe what our

1031

00:43:00,309 --> 00:42:57,440

connection to the universe is and what

1032

00:43:01,750 --> 00:43:00,319

our place in the cosmos is and

1033

00:43:03,990 --> 00:43:01,760

that's what we're trying to introduce to

1034

00:43:05,990 --> 00:43:04,000

people i know i went a bit off track

1035

00:43:07,990 --> 00:43:06,000

here with with how i got involved in it

1036

00:43:09,589 --> 00:43:08,000

personally but just through my own

1037

00:43:12,309 --> 00:43:09,599

research and through my own experiences

1038

00:43:15,190 --> 00:43:12,319

it really brought me onto this path and

1039

00:43:17,990 --> 00:43:15,200

it's no coincidence by any means that

1040

00:43:20,870 --> 00:43:18,000

mark sims daniel sheehan and i have come

1041

00:43:23,109 --> 00:43:20,880

together on this on this single mission

1042

00:43:25,190 --> 00:43:23,119

to get this information out to people i

1043

00:43:27,910 --> 00:43:25,200

think it's a matter of just

1044

00:43:30,230 --> 00:43:27,920

uh divine orchestration that's coming

1045

00:43:32,870 --> 00:43:30,240

from that's being facilitated and coming

1046

00:43:35,030 --> 00:43:32,880

from some higher uh multi-dimensional

1047

00:43:36,390 --> 00:43:35,040

aspect of ourselves or

1048

00:43:38,150 --> 00:43:36,400

or what have you

1049

00:43:39,910 --> 00:43:38,160

and that's uh

1050

00:43:41,109 --> 00:43:39,920

that that's where i'm at with the whole

1051

00:43:43,670 --> 00:43:41,119

situation

1052

00:43:45,349 --> 00:43:43,680

that's amazing thank you so much so mark

1053

00:43:48,390 --> 00:43:45,359

i'm throwing it back to you can you

1054

00:43:50,630 --> 00:43:48,400

maybe explain how you first met um danny

1055

00:43:52,870 --> 00:43:50,640

sheehan and how he got on board and how

1056

00:43:54,550 --> 00:43:52,880

this connection and bond really formed

1057

00:43:56,710 --> 00:43:54,560

and came together

1058

00:43:59,910 --> 00:43:56,720

that's a great question that i haven't

1059

00:44:01,990 --> 00:43:59,920

shared very many times on a public

1060

00:44:06,150 --> 00:44:02,000

platform like this

1061

00:44:10,069 --> 00:44:06,160

so in 2012 i have my contact experience

1062

00:44:12,710 --> 00:44:10,079

and then in 2013 i come out publicly in

1063

00:44:15,670 --> 00:44:12,720

this gathering in borrego springs

1064

00:44:18,470 --> 00:44:15,680

uh and share my story and that kind of

1065

00:44:21,750 --> 00:44:18,480

begins a domino effect of my story

1066

00:44:24,309 --> 00:44:21,760

getting out there in social media i had

1067

00:44:27,510 --> 00:44:24,319

friends that were there that had started

1068

00:44:30,630 --> 00:44:27,520

ce5 facebook groups uh and they were

1069

00:44:33,270 --> 00:44:30,640

encouraging me to share my story and so

1070

00:44:35,349 --> 00:44:33,280

i joined some of these groups and

1071

00:44:37,990 --> 00:44:35,359

uh you know just started sharing my

1072

00:44:40,390 --> 00:44:38,000

story and sharing the video with people

1073

00:44:43,510 --> 00:44:40,400

and one of the people that ended up

1074

00:44:47,829 --> 00:44:43,520

learning about my story was a man named

1075

00:44:50,790 --> 00:44:47,839

dr joseph burks he used to be one of uh

1076

00:44:55,349 --> 00:44:50,800

greer's colleagues he was an emergency

1077

00:44:58,630 --> 00:44:55,359

room doctor himself in at ucla hospital

1078

00:45:02,069 --> 00:44:58,640

and he and i began having discussions on

1079

00:45:03,430 --> 00:45:02,079

facebook which led to a friendship

1080

00:45:05,829 --> 00:45:03,440

over the phone

1081

00:45:08,390 --> 00:45:05,839

and he eventually invited me to come and

1082

00:45:10,950 --> 00:45:08,400

visit him in california and stay with

1083

00:45:13,510 --> 00:45:10,960

him for a week so i spent a week with dr

1084

00:45:15,190 --> 00:45:13,520

burks at his home and we really got to

1085

00:45:17,510 --> 00:45:15,200

know each other and talk about our

1086

00:45:19,589 --> 00:45:17,520

shared experiences and the implications

1087

00:45:21,030 --> 00:45:19,599

of what we had learned

1088

00:45:23,910 --> 00:45:21,040

and uh

1089

00:45:28,230 --> 00:45:23,920

and that then led to him introducing me

1090

00:45:30,390 --> 00:45:28,240

to costa macris who uh who i had already

1091

00:45:33,030 --> 00:45:30,400

begun who i already knew

1092

00:45:35,670 --> 00:45:33,040

on facebook because he was so prolific

1093

00:45:38,710 --> 00:45:35,680

on facebook but he and i never struck up

1094

00:45:40,390 --> 00:45:38,720

a friendship until joseph burks

1095

00:45:45,430 --> 00:45:40,400

introduced me to him

1096

00:45:46,630 --> 00:45:45,440

i then reached out to uh to to costa

1097

00:45:49,349 --> 00:45:46,640

and

1098

00:45:51,670 --> 00:45:49,359

he suggested that i

1099

00:45:55,510 --> 00:45:51,680

be introduced to danny sheehan

1100

00:46:00,309 --> 00:45:55,520

and so he arranged a meeting for me and

1101

00:46:03,349 --> 00:46:00,319

danny to have in the spring of 2015 so i

1102

00:46:05,829 --> 00:46:03,359

flew from michigan to san jose and

1103

00:46:08,790 --> 00:46:05,839

danny's secretary picked me up at the

1104

00:46:11,270 --> 00:46:08,800

airport and drove me to santa cruz where

1105

00:46:12,630 --> 00:46:11,280

i then met with him the next day

1106

00:46:16,470 --> 00:46:12,640

and

1107

00:46:18,710 --> 00:46:16,480

that meeting led to a friendship uh one

1108

00:46:20,710 --> 00:46:18,720

of the things that

1109

00:46:21,750 --> 00:46:20,720

we talked about in that first meeting

1110

00:46:22,550 --> 00:46:21,760

was

1111

00:46:25,670 --> 00:46:22,560

uh

1112

00:46:28,470 --> 00:46:25,680

the fact that danny had become very good

1113

00:46:30,950 --> 00:46:28,480

friends with dr john mack the harvard

1114

00:46:32,630 --> 00:46:30,960

uh professor and the head of clinical

1115

00:46:34,550 --> 00:46:32,640

psychology at harvard who he had

1116

00:46:35,829 --> 00:46:34,560

defended and saved his job back in the

1117

00:46:38,710 --> 00:46:35,839

90s

1118

00:46:41,990 --> 00:46:38,720

and what danny shared with me among

1119

00:46:45,829 --> 00:46:42,000

other things was that he and john had

1120

00:46:47,910 --> 00:46:45,839

developed a an executive summary plan a

1121

00:46:50,950 --> 00:46:47,920

business plan for launching something

1122

00:46:52,230 --> 00:46:50,960

called the new paradigm institute

1123

00:46:53,510 --> 00:46:52,240

that was

1124

00:46:55,750 --> 00:46:53,520

chartered

1125

00:46:58,230 --> 00:46:55,760

with helping prepare

1126
00:46:59,430 --> 00:46:58,240
leaders in government and in the

1127
00:47:01,910 --> 00:46:59,440
religious

1128
00:47:04,150 --> 00:47:01,920
institutions around the world especially

1129
00:47:06,390 --> 00:47:04,160
the catholic church of which danny was

1130
00:47:09,190 --> 00:47:06,400
intimately involved as general counsel

1131
00:47:11,829 --> 00:47:09,200
for the jesuit order of north america

1132
00:47:14,870 --> 00:47:11,839
and he was uh you know he was in those

1133
00:47:17,270 --> 00:47:14,880
circles uh of the catholic church

1134
00:47:19,510 --> 00:47:17,280
and he was uh

1135
00:47:21,270 --> 00:47:19,520
uh engaging in discussions already

1136
00:47:23,990 --> 00:47:21,280
behind closed doors about the

1137
00:47:25,190 --> 00:47:24,000
inevitability of extraterrestrial

1138
00:47:27,670 --> 00:47:25,200

contact

1139

00:47:29,030 --> 00:47:27,680

with the the jesuits and the in the

1140

00:47:31,190 --> 00:47:29,040

vatican

1141

00:47:34,710 --> 00:47:31,200

and and stressing the importance of

1142

00:47:38,390 --> 00:47:34,720

preparing the the priests and you know

1143

00:47:41,910 --> 00:47:38,400

the the clergy with uh with how to what

1144

00:47:44,069 --> 00:47:41,920

to tell their followers the masses when

1145

00:47:47,030 --> 00:47:44,079

mass contact was made

1146

00:47:50,150 --> 00:47:47,040

and so um he and dr

1147

00:47:53,670 --> 00:47:50,160

dr mack were formulating a

1148

00:47:57,190 --> 00:47:53,680

uh a think tank that would generate

1149

00:47:59,910 --> 00:47:57,200

white papers and make recommendations to

1150

00:48:02,950 --> 00:47:59,920

these leaders around the world when they

1151
00:48:05,750 --> 00:48:02,960
were when they would need it uh so that

1152
00:48:08,069 --> 00:48:05,760
they had a resource to call upon so that

1153
00:48:10,950 --> 00:48:08,079
they could prepare themselves and their

1154
00:48:12,069 --> 00:48:10,960
followers adequately so that was their

1155
00:48:14,549 --> 00:48:12,079
idea

1156
00:48:16,470 --> 00:48:14,559
and they had secured a building on

1157
00:48:19,030 --> 00:48:16,480
harvard campus through

1158
00:48:21,430 --> 00:48:19,040
john max contacts and they were getting

1159
00:48:25,190 --> 00:48:21,440
ready to sign a lease when john mack was

1160
00:48:27,990 --> 00:48:25,200
tragically killed in london in 2006.

1161
00:48:31,190 --> 00:48:28,000
so that just shuttered the whole thing

1162
00:48:34,950 --> 00:48:31,200
and he put the the the project on the

1163
00:48:37,829 --> 00:48:34,960

back burner and when i came to his uh

1164

00:48:39,910 --> 00:48:37,839

doorstep and he realized here was a guy

1165

00:48:42,790 --> 00:48:39,920

whose life had been altered and

1166

00:48:44,790 --> 00:48:42,800

completely changed and focused on

1167

00:48:47,030 --> 00:48:44,800

bringing awareness to this issue and

1168

00:48:50,309 --> 00:48:47,040

that i had been a very successful

1169

00:48:52,630 --> 00:48:50,319

entrepreneur and this needed funding uh

1170

00:48:54,390 --> 00:48:52,640

by somebody who shared the passion and

1171

00:48:57,589 --> 00:48:54,400

who felt called to this

1172

00:49:00,230 --> 00:48:57,599

so i so he he sat there and we spent a

1173

00:49:02,549 --> 00:49:00,240

couple hours him briefing me on all this

1174

00:49:05,910 --> 00:49:02,559

history and the intention

1175

00:49:07,910 --> 00:49:05,920

of the new paradigm institute and i at

1176

00:49:09,990 --> 00:49:07,920

the end of that meeting i said danny i'm

1177

00:49:10,790 --> 00:49:10,000

in i feel called i want to be a part of

1178

00:49:14,390 --> 00:49:10,800

this

1179

00:49:17,829 --> 00:49:14,400

so i provided the funding to hire our

1180

00:49:20,549 --> 00:49:17,839

first executive director we

1181

00:49:23,109 --> 00:49:20,559

started our our headquarters in berkeley

1182

00:49:25,589 --> 00:49:23,119

california in a place called

1183

00:49:27,589 --> 00:49:25,599

uh holy hill which is right across the

1184

00:49:28,630 --> 00:49:27,599

street from the university of california

1185

00:49:30,549 --> 00:49:28,640

berkeley

1186

00:49:34,630 --> 00:49:30,559

and at holy hill

1187

00:49:37,190 --> 00:49:34,640

is one square mile of of property that

1188

00:49:38,470 --> 00:49:37,200

is dedicated to establishing an

1189

00:49:41,910 --> 00:49:38,480

interfaith

1190

00:49:44,470 --> 00:49:43,589

academic

1191

00:49:47,750 --> 00:49:44,480

center

1192

00:49:50,470 --> 00:49:47,760

where these theologians these academic

1193

00:49:52,230 --> 00:49:50,480

theologians could meet and have

1194

00:49:55,430 --> 00:49:52,240

discussions on

1195

00:49:58,790 --> 00:49:55,440

all the trends in in the world uh you

1196

00:50:01,270 --> 00:49:58,800

know the the trends culturally globally

1197

00:50:04,630 --> 00:50:01,280

economically geopolitically

1198

00:50:07,030 --> 00:50:04,640

that would impact the different faiths

1199

00:50:09,829 --> 00:50:07,040

and they could have a collective

1200

00:50:12,870 --> 00:50:09,839

conversation about this and then that

1201

00:50:14,790 --> 00:50:12,880

could be used to advise their leaders

1202

00:50:18,470 --> 00:50:14,800

and very few people are aware of this

1203

00:50:21,510 --> 00:50:18,480

it's it's unprecedented this holy hill

1204

00:50:24,549 --> 00:50:21,520

and it's become a very powerful and

1205

00:50:27,190 --> 00:50:24,559

important place so we felt that was the

1206

00:50:29,109 --> 00:50:27,200

place we needed to to start our

1207

00:50:31,349 --> 00:50:29,119

headquarters to land right in the center

1208

00:50:34,069 --> 00:50:31,359

of that and to begin reaching out to

1209

00:50:35,670 --> 00:50:34,079

these academic progressives in the hopes

1210

00:50:38,390 --> 00:50:35,680

of having a discussion about the

1211

00:50:40,390 --> 00:50:38,400

theological and philosophical and

1212

00:50:43,069 --> 00:50:40,400

cultural implications

1213

00:50:46,549 --> 00:50:43,079

of this inevitability of

1214

00:50:49,750 --> 00:50:46,559

extraterrestrial contact and so for two

1215

00:50:53,030 --> 00:50:49,760

years we sat there with our first hire

1216

00:50:55,349 --> 00:50:53,040

our executive director who we hired um

1217

00:50:56,870 --> 00:50:55,359

and we were reaching out to these

1218

00:50:59,190 --> 00:50:56,880

to these people

1219

00:51:01,270 --> 00:50:59,200

and after two years we just didn't get

1220

00:51:03,190 --> 00:51:01,280

anywhere they were just so

1221

00:51:04,710 --> 00:51:03,200

not interested

1222

00:51:07,030 --> 00:51:04,720

by and large

1223

00:51:09,030 --> 00:51:07,040

and so i stopped funding it because it

1224

00:51:10,870 --> 00:51:09,040

was clearly we were hitting a brick wall

1225

00:51:13,349 --> 00:51:10,880

and i just didn't want to throw more

1226
00:51:17,109 --> 00:51:13,359
money at this because it was expensive

1227
00:51:19,829 --> 00:51:17,119
and uh and i began thinking about

1228
00:51:22,710 --> 00:51:19,839
well you know if we're going to have

1229
00:51:23,910 --> 00:51:22,720
this needs to be an international

1230
00:51:27,190 --> 00:51:23,920
institute

1231
00:51:30,309 --> 00:51:27,200
and that requires more people and more

1232
00:51:31,750 --> 00:51:30,319
buildings more facilities and more money

1233
00:51:32,870 --> 00:51:31,760
and you know

1234
00:51:33,910 --> 00:51:32,880
and

1235
00:51:36,390 --> 00:51:33,920
managing

1236
00:51:39,190 --> 00:51:36,400
physical brick and mortar facilities and

1237
00:51:41,829 --> 00:51:39,200
the people to hire is very daunting

1238
00:51:43,430 --> 00:51:41,839

especially for an organization

1239

00:51:46,470 --> 00:51:43,440

that is small

1240

00:51:47,510 --> 00:51:46,480

and has a controversial

1241

00:51:48,790 --> 00:51:47,520

mission

1242

00:51:51,430 --> 00:51:48,800

and vision

1243

00:51:55,430 --> 00:51:51,440

so what we decide what i began thinking

1244

00:51:58,630 --> 00:51:55,440

about back in 2016 after we shut it down

1245

00:52:00,710 --> 00:51:58,640

was uh doing this virtually that let's

1246

00:52:03,430 --> 00:52:00,720

do this virtually let's create it in

1247

00:52:07,109 --> 00:52:03,440

virtual space this opens up

1248

00:52:09,589 --> 00:52:07,119

uh the the platform for discussion to

1249

00:52:11,190 --> 00:52:09,599

anybody in the world who feels called to

1250

00:52:14,230 --> 00:52:11,200

have this discussion

1251
00:52:15,589 --> 00:52:14,240
and we can do it safely because in a

1252
00:52:17,910 --> 00:52:15,599
virtual

1253
00:52:20,309 --> 00:52:17,920
location you don't have to physically be

1254
00:52:22,150 --> 00:52:20,319
there so you can feel safe and that

1255
00:52:23,910 --> 00:52:22,160
you're doing it in confidence with

1256
00:52:26,069 --> 00:52:23,920
others and

1257
00:52:28,390 --> 00:52:26,079
and that would be a ideal platform and

1258
00:52:31,270 --> 00:52:28,400
with my my background in computer

1259
00:52:33,750 --> 00:52:31,280
graphics i knew how to do that

1260
00:52:35,510 --> 00:52:33,760
and i knew people programmers who had

1261
00:52:36,950 --> 00:52:35,520
worked with in the past for instance

1262
00:52:40,790 --> 00:52:36,960
some of the programmers that worked with

1263
00:52:42,309 --> 00:52:40,800

me at nanorex and even back at netrex my

1264

00:52:44,549 --> 00:52:42,319

my first company

1265

00:52:47,109 --> 00:52:44,559

are our amazing

1266

00:52:49,750 --> 00:52:47,119

software developers and and since i've

1267

00:52:52,390 --> 00:52:49,760

been kind of shaking the bushes and

1268

00:52:54,630 --> 00:52:52,400

telling people this idea we've been got

1269

00:52:56,950 --> 00:52:54,640

we've begun thinking about this

1270

00:53:00,390 --> 00:52:56,960

so what we've done we found a company

1271

00:53:03,750 --> 00:53:00,400

that actually has a ready-made virtual

1272

00:53:07,030 --> 00:53:03,760

platform and we have rented that

1273

00:53:08,630 --> 00:53:07,040

for creating and customizing our making

1274

00:53:10,950 --> 00:53:08,640

contact campus

1275

00:53:13,190 --> 00:53:10,960

and that our inaugural event is going to

1276
00:53:15,109 --> 00:53:13,200
be the making contact convergence but

1277
00:53:16,710 --> 00:53:15,119
we're going to be having other events

1278
00:53:19,030 --> 00:53:16,720
there and we're going to keep having

1279
00:53:20,230 --> 00:53:19,040
events and speakers and classes and

1280
00:53:22,630 --> 00:53:20,240
lectures

1281
00:53:25,910 --> 00:53:22,640
and gatherings in this virtual place to

1282
00:53:28,309 --> 00:53:25,920
keep the momentum going and our vision

1283
00:53:30,230 --> 00:53:28,319
ultimately is to make this a community

1284
00:53:32,790 --> 00:53:30,240
hub where other

1285
00:53:35,829 --> 00:53:32,800
uh p other organizations like contact

1286
00:53:40,230 --> 00:53:35,839
tour you know tyler uh we have exo

1287
00:53:43,589 --> 00:53:40,240
metaverse uh started by uh zinka carro

1288
00:53:45,510 --> 00:53:43,599

and other other organizations that have

1289

00:53:47,910 --> 00:53:45,520

value in a common

1290

00:53:49,829 --> 00:53:47,920

vision and mission to come together and

1291

00:53:52,309 --> 00:53:49,839

have this discussion and work together

1292

00:53:53,670 --> 00:53:52,319

and synchronize our efforts and leverage

1293

00:53:56,630 --> 00:53:53,680

our ideas

1294

00:53:59,670 --> 00:53:56,640

to to bring the best

1295

00:54:02,150 --> 00:53:59,680

to bear on this very complex problem

1296

00:54:04,230 --> 00:54:02,160

and do it internationally it's so much

1297

00:54:06,790 --> 00:54:04,240

fun

1298

00:54:09,750 --> 00:54:06,800

we've gotten a lot of uh interest

1299

00:54:11,910 --> 00:54:09,760

and uh our first event is a stellar

1300

00:54:14,230 --> 00:54:11,920

event for promoting this platform and

1301
00:54:17,990 --> 00:54:14,240
people can come there and attend and see

1302
00:54:19,750 --> 00:54:18,000
what this unique experience is like

1303
00:54:21,030 --> 00:54:19,760
yeah and i will just say for anyone that

1304
00:54:22,710 --> 00:54:21,040
hasn't noticed the banner across the

1305
00:54:25,910 --> 00:54:22,720
bottom of the screen you can register

1306
00:54:28,790 --> 00:54:25,920
for this event now at makingcontact.com

1307
00:54:31,670 --> 00:54:28,800
use the code of vinnie save 100 for 100

1308
00:54:33,670 --> 00:54:31,680
off of the ticket price um i'm gonna be

1309
00:54:35,270 --> 00:54:33,680
there so i'd love to see you guys there

1310
00:54:37,670 --> 00:54:35,280
because we can meet

1311
00:54:40,069 --> 00:54:37,680
in this virtual campus and we can chat

1312
00:54:42,870 --> 00:54:40,079
we can go and see the speakers we can do

1313
00:54:45,510 --> 00:54:42,880

all sorts of things in and on the

1314

00:54:47,190 --> 00:54:45,520

virtual campus so i'm just going to jump

1315

00:54:49,910 --> 00:54:47,200

back to a question that um a colleague

1316

00:54:52,390 --> 00:54:49,920

asked earlier which we kind of

1317

00:54:53,109 --> 00:54:52,400

skipped past no no you know just happens

1318

00:54:55,270 --> 00:54:53,119

but

1319

00:54:57,910 --> 00:54:55,280

mark what do you have any answer to what

1320

00:55:00,150 --> 00:54:57,920

tesbar mike might think of disclosure in

1321

00:55:03,030 --> 00:55:00,160

its current form at the moment and if

1322

00:55:06,230 --> 00:55:03,040

mass contacts will happen anytime soon

1323

00:55:08,950 --> 00:55:06,240

absolutely um from the very beginning

1324

00:55:12,230 --> 00:55:08,960

disclosure was at the heart of my

1325

00:55:14,470 --> 00:55:12,240

teachings by tejbar that what i was

1326
00:55:15,190 --> 00:55:14,480
being what was being shared and told to

1327
00:55:21,190 --> 00:55:15,200
me

1328
00:55:24,710 --> 00:55:21,200
story and everything i learned and uh

1329
00:55:27,109 --> 00:55:24,720
and at the heart of it ultimately was

1330
00:55:29,109 --> 00:55:27,119
making contact um

1331
00:55:31,349 --> 00:55:29,119
that the the

1332
00:55:34,150 --> 00:55:31,359
disclosure question

1333
00:55:37,030 --> 00:55:34,160
which has been primarily centered around

1334
00:55:39,109 --> 00:55:37,040
the idea of our government coming clean

1335
00:55:40,870 --> 00:55:39,119
you know coming uh

1336
00:55:41,829 --> 00:55:40,880
sharing with the general public what

1337
00:55:44,789 --> 00:55:41,839
they know

1338
00:55:47,190 --> 00:55:44,799

about the extraterrestrial question and

1339

00:55:48,950 --> 00:55:47,200

the uap phenomenon

1340

00:55:50,390 --> 00:55:48,960

but the problem of course is that

1341

00:55:52,390 --> 00:55:50,400

they've

1342

00:55:55,349 --> 00:55:52,400

lost any integrity

1343

00:55:57,030 --> 00:55:55,359

and trust of the general public

1344

00:55:59,589 --> 00:55:57,040

not just the american people but

1345

00:56:02,950 --> 00:55:59,599

especially the global community

1346

00:56:05,670 --> 00:56:02,960

and they have lost any credibility uh

1347

00:56:06,789 --> 00:56:05,680

whatever if if they were to come out and

1348

00:56:09,510 --> 00:56:06,799

and share

1349

00:56:11,910 --> 00:56:09,520

uh and if it were true what they were

1350

00:56:14,549 --> 00:56:11,920

sharing eventually once they made

1351
00:56:16,470 --> 00:56:14,559
disclosure people would still be suspect

1352
00:56:18,630 --> 00:56:16,480
they were saying okay this is not true

1353
00:56:21,109 --> 00:56:18,640
this is a disinformation campaign so

1354
00:56:23,910 --> 00:56:21,119
they're kind of damned if they do and

1355
00:56:25,109 --> 00:56:23,920
damned if they don't do disclosure

1356
00:56:28,789 --> 00:56:25,119
and so

1357
00:56:31,109 --> 00:56:28,799
the the that means that who's now left

1358
00:56:32,230 --> 00:56:31,119
to do this and

1359
00:56:34,230 --> 00:56:32,240
what's

1360
00:56:36,150 --> 00:56:34,240
clear to me and i think that anyone

1361
00:56:39,109 --> 00:56:36,160
who's been following this for any length

1362
00:56:41,030 --> 00:56:39,119
of time is that this must be a citizen's

1363
00:56:42,789 --> 00:56:41,040

disclosure initiative

1364

00:56:45,190 --> 00:56:42,799

and we need to find

1365

00:56:47,990 --> 00:56:45,200

people in our community like danny

1366

00:56:49,510 --> 00:56:48,000

sheehan who's my my candidate

1367

00:56:52,549 --> 00:56:49,520

who has

1368

00:56:55,750 --> 00:56:52,559

decades of of uh

1369

00:56:57,510 --> 00:56:55,760

his his reputation behind him of of work

1370

00:56:59,349 --> 00:56:57,520

of passion

1371

00:57:02,470 --> 00:56:59,359

of doing the right thing of telling the

1372

00:57:05,190 --> 00:57:02,480

truth of being the people's advocate not

1373

00:57:09,270 --> 00:57:05,200

just on the et and disclosure question

1374

00:57:10,069 --> 00:57:09,280

but on other issues that uh are related

1375

00:57:13,910 --> 00:57:10,079

to

1376

00:57:16,390 --> 00:57:13,920

uh civilian or citizens rights and

1377

00:57:19,510 --> 00:57:16,400

justice you know he's the one who shined

1378

00:57:20,870 --> 00:57:19,520

a light on the the contra affair you

1379

00:57:25,349 --> 00:57:20,880

know this uh

1380

00:57:28,150 --> 00:57:25,359

cia uh uh program to raise money uh to

1381

00:57:30,309 --> 00:57:28,160

free hostages in iran back in the 80s

1382

00:57:33,030 --> 00:57:30,319

for in exchange for weapons

1383

00:57:36,069 --> 00:57:33,040

using the money that was uh that was

1384

00:57:38,150 --> 00:57:36,079

made through the laundering of uh drugs

1385

00:57:40,390 --> 00:57:38,160

that were being smuggled into united

1386

00:57:43,349 --> 00:57:40,400

states from central america central and

1387

00:57:44,309 --> 00:57:43,359

south america by the cia i mean this is

1388

00:57:48,789 --> 00:57:44,319

awful

1389

00:57:51,589 --> 00:57:48,799

and uh

1390

00:57:53,990 --> 00:57:51,599

and so uh you know he was the one who

1391

00:57:56,470 --> 00:57:54,000

was the general counsel who brought the

1392

00:57:59,349 --> 00:57:56,480

case against the federal government and

1393

00:58:02,150 --> 00:57:59,359

ultimately you know prove that this was

1394

00:58:04,630 --> 00:58:02,160

true back in the 1980s

1395

00:58:07,829 --> 00:58:04,640

and and so he's been a champion of

1396

00:58:10,150 --> 00:58:07,839

justice and truth for his entire career

1397

00:58:13,670 --> 00:58:10,160

he's never been a a

1398

00:58:16,390 --> 00:58:13,680

a showboat or or one to ring in his own

1399

00:58:18,630 --> 00:58:16,400

belly it's always about the issues it's

1400

00:58:21,349 --> 00:58:18,640

always about others that have you know

1401

00:58:24,390 --> 00:58:21,359

risked their lives or willing to to come

1402

00:58:27,430 --> 00:58:24,400

forward to to be a witness to these

1403

00:58:30,069 --> 00:58:27,440

injustices to be whistleblowers and his

1404

00:58:33,670 --> 00:58:30,079

latest case is you know his

1405

00:58:37,589 --> 00:58:33,680

representation of lou elizondo who in my

1406

00:58:38,630 --> 00:58:37,599

who in my very frank uh and educated

1407

00:58:41,910 --> 00:58:38,640

opinion

1408

00:58:44,710 --> 00:58:41,920

is a true hero this this question of

1409

00:58:47,750 --> 00:58:44,720

whether he's a disinformation agent is

1410

00:58:49,829 --> 00:58:47,760

i'll call this is not

1411

00:58:52,069 --> 00:58:49,839

true this

1412

00:58:55,990 --> 00:58:52,079

forward he's a hero he's an american

1413

00:58:58,390 --> 00:58:56,000

hero and he deserves our our our

1414

00:59:01,589 --> 00:58:58,400

applause and support

1415

00:59:04,069 --> 00:59:01,599

and anybody who says otherwise doesn't

1416

00:59:06,309 --> 00:59:04,079

know what they're talking about he he

1417

00:59:08,950 --> 00:59:06,319

has risked his reputation

1418

00:59:10,789 --> 00:59:08,960

and his public uh his his personal

1419

00:59:12,549 --> 00:59:10,799

safety by doing this

1420

00:59:14,309 --> 00:59:12,559

potentially his life potentially his

1421

00:59:16,309 --> 00:59:14,319

life was put into that right by coming

1422

00:59:18,950 --> 00:59:16,319

out and doing this and and shame on

1423

00:59:22,950 --> 00:59:18,960

anybody frankly for saying you know that

1424

00:59:24,710 --> 00:59:22,960

he's anybody any anything else than than

1425

00:59:27,990 --> 00:59:24,720

trying to do the right thing and being a

1426
00:59:31,430 --> 00:59:28,000
true american patriot and and you know

1427
00:59:33,910 --> 00:59:31,440
here's a guy who who we in the community

1428
00:59:36,150 --> 00:59:33,920
the citizens community for disclosure

1429
00:59:38,870 --> 00:59:36,160
have been asking people like him to come

1430
00:59:40,309 --> 00:59:38,880
out of the closet to to come out and and

1431
00:59:42,630 --> 00:59:40,319
share what they know

1432
00:59:44,870 --> 00:59:42,640
uh you know and then here's a guy who

1433
00:59:46,470 --> 00:59:44,880
does it and and members of our own

1434
00:59:49,510 --> 00:59:46,480
community are saying oh he's a

1435
00:59:54,069 --> 00:59:49,520
disinformation agent is is infuriating

1436
00:59:56,309 --> 00:59:54,079
to me and so please i i just ask anybody

1437
00:59:59,430 --> 00:59:56,319
who who believes that he's a

1438
01:00:02,549 --> 00:59:59,440

disinformation agent it's not true this

1439

01:00:05,270 --> 01:00:02,559

is a good man and he's risking his his

1440

01:00:08,150 --> 01:00:05,280

reputation and his own personal safety

1441

01:00:09,430 --> 01:00:08,160

not only the safety of of himself but of

1442

01:00:12,230 --> 01:00:09,440

his family

1443

01:00:14,549 --> 01:00:12,240

and that takes tremendous courage and he

1444

01:00:17,670 --> 01:00:14,559

deserves he deserves

1445

01:00:20,069 --> 01:00:17,680

an award in my book this is a true hero

1446

01:00:22,150 --> 01:00:20,079

the kind of people that we should be

1447

01:00:23,670 --> 01:00:22,160

applauding and supporting

1448

01:00:27,270 --> 01:00:23,680

absolutely

1449

01:00:28,950 --> 01:00:27,280

my chest that's the first time i've ever

1450

01:00:31,750 --> 01:00:28,960

made a public statement about lou

1451

01:00:33,670 --> 01:00:31,760

alessando he is a true hero

1452

01:00:35,750 --> 01:00:33,680

thank you so much i appreciate sorry to

1453

01:00:37,190 --> 01:00:35,760

cut you out tyler but mark thank you so

1454

01:00:41,750 --> 01:00:37,200

much because i think that was warranted

1455

01:00:43,829 --> 01:00:41,760

and needed and i think yeah i agree 100

1456

01:00:46,230 --> 01:00:43,839

sorry tyler go ahead my friend

1457

01:00:49,430 --> 01:00:46,240

no i'm just i'm just mirroring exactly

1458

01:00:51,589 --> 01:00:49,440

what mark is uh expressing right now

1459

01:00:54,069 --> 01:00:51,599

because there's been a lot of

1460

01:00:56,950 --> 01:00:54,079

disinformation content out there or

1461

01:00:58,470 --> 01:00:56,960

propaganda so to speak that said anyone

1462

01:01:00,549 --> 01:00:58,480

that came out of the military as a

1463

01:01:02,069 --> 01:01:00,559

whistleblower is deliberately

1464

01:01:03,670 --> 01:01:02,079

sharing disinformation and it's

1465

01:01:05,349 --> 01:01:03,680

orchestrated from inside of the defense

1466

01:01:07,829 --> 01:01:05,359

department and i don't think that's the

1467

01:01:09,990 --> 01:01:07,839

case and even with my experience in the

1468

01:01:12,549 --> 01:01:10,000

military you know stepping out of line

1469

01:01:14,789 --> 01:01:12,559

and going beyond your chain of command

1470

01:01:17,270 --> 01:01:14,799

and bypassing your superiors to share

1471

01:01:20,789 --> 01:01:17,280

information that is highly sensitive and

1472

01:01:22,789 --> 01:01:20,799

is going to alter the fabric of society

1473

01:01:24,549 --> 01:01:22,799

takes a tremendous amount of courage and

1474

01:01:27,750 --> 01:01:24,559

the repercussions and the implications

1475

01:01:29,750 --> 01:01:27,760

of doing so are outside of the scope of

1476

01:01:32,069 --> 01:01:29,760

someone's understanding who is not in

1477

01:01:33,990 --> 01:01:32,079

that situation you know we don't know

1478

01:01:35,510 --> 01:01:34,000

what it's like to be loyal zondo i

1479

01:01:37,589 --> 01:01:35,520

didn't work in the

1480

01:01:39,430 --> 01:01:37,599

advanced aerospace threat identification

1481

01:01:42,309 --> 01:01:39,440

program researching

1482

01:01:45,109 --> 01:01:42,319

the the phenomenon for decades and then

1483

01:01:46,390 --> 01:01:45,119

going against my higher-ups to say this

1484

01:01:47,670 --> 01:01:46,400

needs to be shared with the american

1485

01:01:49,670 --> 01:01:47,680

people

1486

01:01:52,470 --> 01:01:49,680

you know i think that

1487

01:01:55,430 --> 01:01:52,480

there's something to be said for the for

1488

01:01:58,150 --> 01:01:55,440

the commitment for the people and the

1489

01:02:01,270 --> 01:01:58,160

fact that he has daniel sheehan behind

1490

01:02:02,710 --> 01:02:01,280

him representing him and holding him

1491

01:02:03,750 --> 01:02:02,720

together and saying we're going to do

1492

01:02:05,589 --> 01:02:03,760

this and we're going to get through this

1493

01:02:07,029 --> 01:02:05,599

situation and what whatever is going to

1494

01:02:10,150 --> 01:02:07,039

be on the other side of this is going to

1495

01:02:12,230 --> 01:02:10,160

be a better world for everybody and just

1496

01:02:13,510 --> 01:02:12,240

the fact that danny is going to be

1497

01:02:15,349 --> 01:02:13,520

sticking by

1498

01:02:16,549 --> 01:02:15,359

lou throughout throughout this entire

1499

01:02:18,309 --> 01:02:16,559

process

1500

01:02:20,230 --> 01:02:18,319

even if

1501

01:02:20,950 --> 01:02:20,240

how do i put this how do i how do i say

1502

01:02:23,109 --> 01:02:20,960

this

1503

01:02:25,670 --> 01:02:23,119

i'm standing next to danny through any

1504

01:02:28,630 --> 01:02:25,680

storm and fire yeah absolutely it

1505

01:02:30,230 --> 01:02:28,640

whatever danny feels is going to be

1506

01:02:32,630 --> 01:02:30,240

uh

1507

01:02:34,470 --> 01:02:32,640

crucial for this closure and to move

1508

01:02:36,390 --> 01:02:34,480

this entire subject matter forward i'm

1509

01:02:38,309 --> 01:02:36,400

standing behind danny and if danny's

1510

01:02:40,470 --> 01:02:38,319

standing behind blue i'm standing behind

1511

01:02:42,789 --> 01:02:40,480

lou and that's the way and that's the

1512

01:02:44,309 --> 01:02:42,799

way that i'm moving forward is as a team

1513

01:02:47,270 --> 01:02:44,319

i personally

1514

01:02:48,950 --> 01:02:47,280

one of the main reasons that had like

1515

01:02:51,029 --> 01:02:48,960

excuse me one of the main reasons that i

1516

01:02:52,789 --> 01:02:51,039

had to step away for that month and i

1517

01:02:55,270 --> 01:02:52,799

had to unplug myself from all the social

1518

01:02:57,349 --> 01:02:55,280

medias because the internet just became

1519

01:02:59,270 --> 01:02:57,359

and specifically with the ufology

1520

01:03:01,829 --> 01:02:59,280

subculture the entire subject matter

1521

01:03:04,150 --> 01:03:01,839

just became an echo chamber of people

1522

01:03:07,750 --> 01:03:04,160

trying to validate their opinions based

1523

01:03:09,670 --> 01:03:07,760

on opposition confrontation segregation

1524

01:03:11,910 --> 01:03:09,680

and division based on i'm right you're

1525

01:03:14,390 --> 01:03:11,920

wrong us versus them click click click

1526
01:03:16,630 --> 01:03:14,400
brand brand brand and we lost the actual

1527
01:03:18,150 --> 01:03:16,640
intention and the entire reason why

1528
01:03:19,670 --> 01:03:18,160
we're all in this in the first place it

1529
01:03:21,670 --> 01:03:19,680
doesn't matter if your disclosure team

1530
01:03:22,950 --> 01:03:21,680
it doesn't matter if your new paradigm

1531
01:03:25,270 --> 01:03:22,960
institute if you're associated with

1532
01:03:28,069 --> 01:03:25,280
contact tour all of these little

1533
01:03:29,670 --> 01:03:28,079
footprints and affiliations are mundane

1534
01:03:31,349 --> 01:03:29,680
and artificial and synthetic and they

1535
01:03:34,069 --> 01:03:31,359
truly don't mean anything

1536
01:03:36,390 --> 01:03:34,079
behind all of these portals of internet

1537
01:03:38,390 --> 01:03:36,400
profiles are just people like you and i

1538
01:03:40,150 --> 01:03:38,400

that want to further our understanding

1539

01:03:42,630 --> 01:03:40,160

of this phenomenon for the betterment of

1540

01:03:44,549 --> 01:03:42,640

everybody yeah that's all that's all

1541

01:03:46,069 --> 01:03:44,559

that's all that we're trying to get to

1542

01:03:47,670 --> 01:03:46,079

yeah and then one thing i will just

1543

01:03:49,589 --> 01:03:47,680

sorry to interrupt but we'll just

1544

01:03:51,029 --> 01:03:49,599

address the trolls here

1545

01:03:52,309 --> 01:03:51,039

i've got someone saying that anyone who

1546

01:03:53,829 --> 01:03:52,319

doesn't agree with vinnie would get

1547

01:03:55,589 --> 01:03:53,839

kicked out that is absolutely not the

1548

01:03:57,750 --> 01:03:55,599

truth what i don't like seeing is

1549

01:03:59,109 --> 01:03:57,760

someone that puts in capital letters

1550

01:04:01,349 --> 01:03:59,119

loose sucks

1551

01:04:02,789 --> 01:04:01,359

listen i appreciate your point of view

1552

01:04:04,470 --> 01:04:02,799

but if when you're throwing it out like

1553

01:04:06,150 --> 01:04:04,480

you're shouting in capitals with lou

1554

01:04:07,990 --> 01:04:06,160

sucks why don't you come with a better

1555

01:04:10,230 --> 01:04:08,000

statement as to why you think loose

1556

01:04:12,549 --> 01:04:10,240

sucks speak like a grown-up speak

1557

01:04:14,069 --> 01:04:12,559

maturely and give an opinion when you

1558

01:04:15,910 --> 01:04:14,079

shout loose sucks you sound like you're

1559

01:04:18,950 --> 01:04:15,920

in the position

1560

01:04:21,430 --> 01:04:18,960

that's exactly that's a perfect example

1561

01:04:24,630 --> 01:04:21,440

that that was a perfect example that was

1562

01:04:27,109 --> 01:04:24,640

a primer as to what i just said because

1563

01:04:29,670 --> 01:04:27,119

everyone is a self-proclaimed

1564

01:04:31,589 --> 01:04:29,680

intelligence specialist on the subject

1565

01:04:33,270 --> 01:04:31,599

matter people are giving themselves

1566

01:04:35,670 --> 01:04:33,280

titles and expressing their opinions

1567

01:04:38,390 --> 01:04:35,680

without actually offering any kind of

1568

01:04:40,470 --> 01:04:38,400

constructive input exactly

1569

01:04:42,309 --> 01:04:40,480

and the people and the people that are

1570

01:04:43,829 --> 01:04:42,319

out here trying to

1571

01:04:45,990 --> 01:04:43,839

not trying to but are actually

1572

01:04:48,309 --> 01:04:46,000

dedicating their life and their time and

1573

01:04:50,549 --> 01:04:48,319

their energy and their resources to

1574

01:04:52,309 --> 01:04:50,559

further progressing the conversation and

1575

01:04:53,990 --> 01:04:52,319

offering something worth value that's

1576

01:04:55,750 --> 01:04:54,000

constructive

1577

01:04:58,309 --> 01:04:55,760

they're they're being undermined by all

1578

01:05:00,870 --> 01:04:58,319

of these uh ankle-biting comments of

1579

01:05:02,870 --> 01:05:00,880

people that are just trying to get

1580

01:05:05,349 --> 01:05:02,880

to their nerves or whatever their agenda

1581

01:05:08,230 --> 01:05:05,359

is and that's why i took a step back

1582

01:05:10,470 --> 01:05:08,240

because i just i i needed to decompress

1583

01:05:11,430 --> 01:05:10,480

and to and to create space and distance

1584

01:05:12,309 --> 01:05:11,440

between

1585

01:05:17,510 --> 01:05:12,319

the

1586

01:05:20,470 --> 01:05:17,520

targeting and and in some instances

1587

01:05:21,910 --> 01:05:20,480

straight up harassment because like

1588

01:05:22,789 --> 01:05:21,920

you know how it can get out here really

1589

01:05:24,870 --> 01:05:22,799

fast

1590

01:05:26,870 --> 01:05:24,880

um but yeah but to put to ground the

1591

01:05:28,710 --> 01:05:26,880

conversation back in and

1592

01:05:30,789 --> 01:05:28,720

and to just uh

1593

01:05:33,510 --> 01:05:30,799

finish up i guess the statement here is

1594

01:05:35,670 --> 01:05:33,520

like i lose intentions are true

1595

01:05:37,430 --> 01:05:35,680

he is a patriot he's looking out for the

1596

01:05:40,470 --> 01:05:37,440

best interest of

1597

01:05:41,910 --> 01:05:40,480

his human family and

1598

01:05:44,069 --> 01:05:41,920

i'm grateful that he came out and did

1599

01:05:45,829 --> 01:05:44,079

what he did if it wasn't thanks to lou

1600

01:05:47,430 --> 01:05:45,839

back in 2017

1601
01:05:48,549 --> 01:05:47,440
but with going through the proper

1602
01:05:50,549 --> 01:05:48,559
channels to have this footage

1603
01:05:52,150 --> 01:05:50,559
declassified the conversation would not

1604
01:05:54,870 --> 01:05:52,160
be where it is right now

1605
01:05:56,549 --> 01:05:54,880
you wouldn't have millions of people

1606
01:05:58,150 --> 01:05:56,559
now finding out about this information

1607
01:06:00,309 --> 01:05:58,160
and all of the other

1608
01:06:02,470 --> 01:06:00,319
platforms and networks that are starting

1609
01:06:04,950 --> 01:06:02,480
to cover this subject if lou didn't come

1610
01:06:06,549 --> 01:06:04,960
out back in 2017 with this information

1611
01:06:08,549 --> 01:06:06,559
do you think 60 minutes would have done

1612
01:06:10,789 --> 01:06:08,559
an entire piece about this

1613
01:06:12,150 --> 01:06:10,799

do you think that the other pilots

1614

01:06:15,029 --> 01:06:12,160

would come out and share their

1615

01:06:17,910 --> 01:06:15,039

testimonial as well no lou was the

1616

01:06:19,670 --> 01:06:17,920

catalyst for people to have the courage

1617

01:06:21,589 --> 01:06:19,680

and to step forward and

1618

01:06:23,430 --> 01:06:21,599

and speak their truth

1619

01:06:25,190 --> 01:06:23,440

so if you can't respect that

1620

01:06:27,190 --> 01:06:25,200

you know that's that's for you to figure

1621

01:06:29,029 --> 01:06:27,200

out and like i said in that statement

1622

01:06:31,990 --> 01:06:29,039

i'm all for people having a difference

1623

01:06:33,589 --> 01:06:32,000

of opinion but come at it in a

1624

01:06:35,029 --> 01:06:33,599

level playing field with a dialogue

1625

01:06:35,829 --> 01:06:35,039

where we could go back and forth there's

1626

01:06:40,390 --> 01:06:35,839

no

1627

01:06:42,549 --> 01:06:40,400

um so that that's all i've ever asked

1628

01:06:44,950 --> 01:06:42,559

from anybody so if anybody thinks bad of

1629

01:06:46,870 --> 01:06:44,960

me it really doesn't bother me because i

1630

01:06:49,029 --> 01:06:46,880

know where i'm at and i know the people

1631

01:06:51,990 --> 01:06:49,039

that i have conversations with

1632

01:06:53,990 --> 01:06:52,000

i do this every single day of my life so

1633

01:06:57,109 --> 01:06:54,000

yeah you know and and and the

1634

01:06:59,109 --> 01:06:57,119

conversations that we have that that

1635

01:07:01,829 --> 01:06:59,119

mark sims has a platform vinnie has a

1636

01:07:03,750 --> 01:07:01,839

platform i have a platform we shouldn't

1637

01:07:06,710 --> 01:07:03,760

be having these conversations directed

1638

01:07:09,510 --> 01:07:06,720

at individuals or people because that's

1639

01:07:11,270 --> 01:07:09,520

a very surface level and confrontational

1640

01:07:13,109 --> 01:07:11,280

approach to addressing these types of

1641

01:07:15,829 --> 01:07:13,119

things talking about the people that are

1642

01:07:17,510 --> 01:07:15,839

doing x y and z we need to have a bigger

1643

01:07:19,270 --> 01:07:17,520

conversation that's broader from a

1644

01:07:20,789 --> 01:07:19,280

higher state of consciousness addressing

1645

01:07:22,950 --> 01:07:20,799

the actual issue

1646

01:07:25,190 --> 01:07:22,960

not the people that are trying to tackle

1647

01:07:26,789 --> 01:07:25,200

the issue but the actual issue itself as

1648

01:07:28,390 --> 01:07:26,799

a whole and that's why i think the

1649

01:07:30,630 --> 01:07:28,400

making contact convergence is going to

1650

01:07:33,990 --> 01:07:30,640

be such a powerful event because we're

1651

01:07:35,349 --> 01:07:34,000

transcending all of these superficial

1652

01:07:37,510 --> 01:07:35,359

constructs that have been separating

1653

01:07:39,430 --> 01:07:37,520

everyone for literally decades and we're

1654

01:07:41,430 --> 01:07:39,440

bringing everyone onto one panel who

1655

01:07:43,829 --> 01:07:41,440

have completely different world views

1656

01:07:45,670 --> 01:07:43,839

completely different ideological beliefs

1657

01:07:47,510 --> 01:07:45,680

a completely different interpretation

1658

01:07:48,789 --> 01:07:47,520

and experience with the phenomenon and

1659

01:07:50,230 --> 01:07:48,799

we're going to have some kind of

1660

01:07:52,309 --> 01:07:50,240

consensual

1661

01:07:54,630 --> 01:07:52,319

conversation about what the nature of

1662

01:07:56,309 --> 01:07:54,640

this phenomenon is yeah and that is the

1663

01:07:59,109 --> 01:07:56,319

most beneficial thing that's probably

1664

01:08:01,510 --> 01:07:59,119

happened since the 2001 press club event

1665

01:08:04,150 --> 01:08:01,520

for example we have eric weinstein

1666

01:08:06,870 --> 01:08:04,160

who had no affiliation whatsoever with

1667

01:08:10,309 --> 01:08:06,880

the ufology subculture and has been uh

1668

01:08:12,870 --> 01:08:10,319

quoted stigmatizing it and criticizing

1669

01:08:15,109 --> 01:08:12,880

it very heavily but then after two

1670

01:08:17,189 --> 01:08:15,119

conversations with daniel sheehan his

1671

01:08:19,269 --> 01:08:17,199

entire paradigm is 180 and now he's

1672

01:08:20,950 --> 01:08:19,279

participating and potentially the

1673

01:08:23,349 --> 01:08:20,960

biggest online conference about the

1674

01:08:26,229 --> 01:08:23,359

subject matter that's ever taken place

1675

01:08:28,149 --> 01:08:26,239

so we're bringing people from outside of

1676
01:08:29,269 --> 01:08:28,159
this world into this world who are going

1677
01:08:31,189 --> 01:08:29,279
to offer

1678
01:08:33,110 --> 01:08:31,199
valid opinions that are going to help

1679
01:08:35,669 --> 01:08:33,120
people that are outside of this world

1680
01:08:37,669 --> 01:08:35,679
integrate and process the information

1681
01:08:39,590 --> 01:08:37,679
so it's the making contact convergence

1682
01:08:41,189 --> 01:08:39,600
is going to be something that you are

1683
01:08:43,189 --> 01:08:41,199
going to want to participate in because

1684
01:08:45,110 --> 01:08:43,199
it's going to be a pivotal point for the

1685
01:08:46,630 --> 01:08:45,120
entire movement of disclosure and you

1686
01:08:53,189 --> 01:08:46,640
want to be there and you want to use

1687
01:08:53,199 --> 01:08:56,950
oh you're muted in it

1688
01:08:59,749 --> 01:08:58,309

didn't want anyone to hear my heavy

1689

01:09:01,349 --> 01:08:59,759

breathing because i'm getting passionate

1690

01:09:02,550 --> 01:09:01,359

you know this is exactly like what tyler

1691

01:09:04,470 --> 01:09:02,560

was saying it's like we're coming at

1692

01:09:06,149 --> 01:09:04,480

this from different angles me and tyler

1693

01:09:07,910 --> 01:09:06,159

we come from different sides but we

1694

01:09:10,229 --> 01:09:07,920

found this this place in the middle

1695

01:09:12,390 --> 01:09:10,239

where we can have open discussion learn

1696

01:09:14,229 --> 01:09:12,400

from each other take things on board

1697

01:09:15,189 --> 01:09:14,239

without the kind of people that just

1698

01:09:17,510 --> 01:09:15,199

throw

1699

01:09:19,510 --> 01:09:17,520

ridiculous slander and

1700

01:09:20,950 --> 01:09:19,520

negative words out there you know we can

1701

01:09:23,749 --> 01:09:20,960

genuinely learn of each other in a

1702

01:09:25,669 --> 01:09:23,759

mature honest way that we all are

1703

01:09:27,030 --> 01:09:25,679

looking up and forwards in in the right

1704

01:09:28,550 --> 01:09:27,040

direction so for everyone that thinks

1705

01:09:29,749 --> 01:09:28,560

they're being clever in the comments

1706

01:09:31,349 --> 01:09:29,759

like

1707

01:09:33,030 --> 01:09:31,359

where's it gonna get you where is it

1708

01:09:34,309 --> 01:09:33,040

gonna get you you're gonna go away

1709

01:09:36,229 --> 01:09:34,319

thinking you've made a clever comment

1710

01:09:37,110 --> 01:09:36,239

and that's like i've had my nights made

1711

01:09:39,030 --> 01:09:37,120

like

1712

01:09:40,870 --> 01:09:39,040

i'm sorry guys you really aren't

1713

01:09:43,030 --> 01:09:40,880

elevating yourself high enough like for

1714

01:09:45,349 --> 01:09:43,040

what you want to achieve have an open

1715

01:09:46,470 --> 01:09:45,359

discussion with quality

1716

01:09:48,229 --> 01:09:46,480

like

1717

01:09:50,470 --> 01:09:48,239

i don't really know where to go with it

1718

01:09:52,229 --> 01:09:50,480

maybe i'm feeding the trolls too much

1719

01:09:54,950 --> 01:09:52,239

and i i would like to share something

1720

01:09:56,470 --> 01:09:54,960

because we we are in the process of

1721

01:09:57,830 --> 01:09:56,480

getting the new paradigm institute off

1722

01:09:59,990 --> 01:09:57,840

the ground and i'd like to give an

1723

01:10:01,110 --> 01:10:00,000

example of potentially what some of that

1724

01:10:03,270 --> 01:10:01,120

coursework and what some of that

1725

01:10:05,430 --> 01:10:03,280

curriculum might be like and mark i'd

1726

01:10:07,110 --> 01:10:05,440

love to show them the the condensed

1727

01:10:09,510 --> 01:10:07,120

version of the thesis paper that was put

1728

01:10:11,430 --> 01:10:09,520

into the presentation really briefly to

1729

01:10:13,030 --> 01:10:11,440

show them that so i'm going to go ahead

1730

01:10:15,030 --> 01:10:13,040

and open that up and i'll share my

1731

01:10:16,310 --> 01:10:15,040

screen here and everyone can and

1732

01:10:18,709 --> 01:10:16,320

everyone can have a look at this and

1733

01:10:20,550 --> 01:10:18,719

this entire thesis uh excuse me this

1734

01:10:22,310 --> 01:10:20,560

thesis presentation is based off of the

1735

01:10:23,590 --> 01:10:22,320

white paper created by

1736

01:10:25,270 --> 01:10:23,600

daniel sheehan so i'm going to go ahead

1737

01:10:28,709 --> 01:10:25,280

and share my screen

1738

01:10:32,229 --> 01:10:28,719

uh don't show again okay share screen

1739

01:10:33,510 --> 01:10:32,239

window it's gonna be

1740

01:10:35,189 --> 01:10:33,520

all right here we go

1741

01:10:35,990 --> 01:10:35,199

so i've never shared my screen through

1742

01:10:37,430 --> 01:10:36,000

um

1743

01:10:39,669 --> 01:10:37,440

here we go

1744

01:10:42,070 --> 01:10:39,679

chrome has lost permission to capture

1745

01:10:44,950 --> 01:10:42,080

screen hold on one moment don't worry

1746

01:10:47,510 --> 01:10:44,960

man we'll get there we'll get there

1747

01:10:49,350 --> 01:10:47,520

okay so i have to on my mac go to system

1748

01:10:51,830 --> 01:10:49,360

oh that's why i have to enable it in my

1749

01:10:52,790 --> 01:10:51,840

security preferences here

1750

01:10:55,030 --> 01:10:52,800

got it

1751

01:10:58,229 --> 01:10:55,040

that's my bad guys i keep everything

1752

01:10:59,590 --> 01:10:58,239

turned off

1753

01:11:01,430 --> 01:10:59,600

can you blame me though can you blame me

1754

01:11:04,950 --> 01:11:01,440

for having all my firewalls up no no

1755

01:11:09,510 --> 01:11:06,550

okay there we go so i'm going to try to

1756

01:11:10,830 --> 01:11:09,520

share my screen again let's do it okay

1757

01:11:13,430 --> 01:11:10,840

here we

1758

01:11:14,950 --> 01:11:13,440

go has lost permission oh i just turned

1759

01:11:16,550 --> 01:11:14,960

it back on

1760

01:11:18,229 --> 01:11:16,560

that's strange

1761

01:11:19,990 --> 01:11:18,239

maybe i have to go into my privacy sorry

1762

01:11:22,229 --> 01:11:20,000

for the inconvenience guys no no no not

1763

01:11:24,390 --> 01:11:22,239

at all man no no problem whatsoever

1764

01:11:26,470 --> 01:11:24,400

it'll be worth the wait

1765

01:11:28,709 --> 01:11:26,480

it's it's it's a pretty extensive it's a

1766

01:11:31,669 --> 01:11:28,719

pretty extensive presentation here

1767

01:11:35,350 --> 01:11:31,679

okay indicates use application okay

1768

01:11:36,470 --> 01:11:35,360

details enable location services okay

1769

01:11:40,229 --> 01:11:36,480

yeah that's the thing they want to know

1770

01:11:41,510 --> 01:11:40,239

where my location is i'm like

1771

01:11:43,990 --> 01:11:41,520

maybe not

1772

01:11:46,229 --> 01:11:44,000

okay i'm gonna try one more time

1773

01:11:48,790 --> 01:11:46,239

and if it doesn't work i apologize

1774

01:11:52,870 --> 01:11:48,800

oh good man all good not a problem

1775

01:11:55,750 --> 01:11:54,630

no it's not letting me share that's so

1776

01:11:57,270 --> 01:11:55,760

bizarre

1777

01:11:58,709 --> 01:11:57,280

i wonder if you can just talk us through

1778

01:12:00,149 --> 01:11:58,719

it if you want to if he's got it on your

1779

01:12:02,870 --> 01:12:00,159

screen you can do that

1780

01:12:04,310 --> 01:12:02,880

why why don't i um pull it up i've got

1781

01:12:05,750 --> 01:12:04,320

it here on my channel

1782

01:12:07,510 --> 01:12:05,760

that's right mark mark does have it

1783

01:12:08,390 --> 01:12:07,520

that'd be convenient thank you fabulous

1784

01:12:10,870 --> 01:12:08,400

thank you

1785

01:12:13,030 --> 01:12:10,880

just grab it real quick tyler should i

1786

01:12:14,630 --> 01:12:13,040

think i can pull it up

1787

01:12:18,070 --> 01:12:14,640

yeah my computer my computer is just

1788

01:12:24,550 --> 01:12:21,350

we're not giving chrome that access

1789

01:12:25,430 --> 01:12:24,560

let's see i'm trying to remember

1790

01:12:27,830 --> 01:12:25,440

uh

1791

01:12:29,270 --> 01:12:27,840

when you sent that to me

1792

01:12:31,590 --> 01:12:29,280

i could forward you the link through

1793

01:12:33,430 --> 01:12:31,600

email if you'd like mark

1794

01:12:36,149 --> 01:12:33,440

yeah go ahead

1795

01:12:38,310 --> 01:12:36,159

i'll have that over to you in the next

1796

01:12:39,990 --> 01:12:38,320

30 seconds

1797

01:12:42,950 --> 01:12:40,000

there we go

1798

01:12:45,270 --> 01:12:42,960

there's always the private chat as well

1799

01:12:46,630 --> 01:12:45,280

oh can i send a link through there yeah

1800

01:12:48,149 --> 01:12:46,640

cool i'm just going to do that then it's

1801

01:12:49,510 --> 01:12:48,159

going to come through you to uh the

1802

01:12:51,350 --> 01:12:49,520

private chat mark

1803

01:12:52,709 --> 01:12:51,360

okay great there it is and now ben you

1804

01:12:54,630 --> 01:12:52,719

happy for your reference too if you want

1805

01:12:56,709 --> 01:12:54,640

to go through it got it thank you so

1806

01:12:59,910 --> 01:12:56,719

much yeah that's great

1807

01:13:01,110 --> 01:12:59,920

uh so here i think i can just link

1808

01:13:03,110 --> 01:13:01,120

on it

1809

01:13:04,630 --> 01:13:03,120

fantastic

1810

01:13:06,870 --> 01:13:04,640

and um

1811

01:13:08,950 --> 01:13:06,880

so i'll just share my screen with

1812

01:13:10,950 --> 01:13:08,960

everyone

1813

01:13:12,550 --> 01:13:10,960

let's see here

1814

01:13:14,310 --> 01:13:12,560

and i feel it's important to share this

1815

01:13:15,750 --> 01:13:14,320

because as mark mentioned you know

1816

01:13:17,669 --> 01:13:15,760

throughout this live stream the new

1817

01:13:19,750 --> 01:13:17,679

paradigm institute is going to have a

1818

01:13:21,669 --> 01:13:19,760

curriculum of different courses that

1819

01:13:23,510 --> 01:13:21,679

people can participate in that teach

1820

01:13:26,229 --> 01:13:23,520

them about the spiritual sciences the

1821

01:13:28,630 --> 01:13:26,239

noetic sciences consciousness

1822

01:13:30,470 --> 01:13:28,640

extraterrestrial context and an entirely

1823

01:13:32,229 --> 01:13:30,480

new paradigm of science

1824

01:13:34,470 --> 01:13:32,239

and it's going to be covering the

1825

01:13:36,630 --> 01:13:34,480

philosophical theological

1826

01:13:38,870 --> 01:13:36,640

the psychological the cultural and

1827

01:13:41,430 --> 01:13:38,880

political implications of e.t contact in

1828

01:13:42,470 --> 01:13:41,440

the new paradigm

1829

01:13:43,830 --> 01:13:42,480

right

1830

01:13:46,550 --> 01:13:43,840

so uh

1831

01:13:48,390 --> 01:13:46,560

let's see here i'm uh i think you can

1832

01:13:51,350 --> 01:13:48,400

see this but i'm just wondering if it

1833

01:13:53,510 --> 01:13:51,360

would be best for me to uh you could

1834

01:13:55,430 --> 01:13:53,520

full screen it right there on the bottom

1835

01:13:58,149 --> 01:13:55,440

it's this is the second yeah there you

1836

01:14:00,070 --> 01:13:58,159

go the two arrows there you go

1837

01:14:02,550 --> 01:14:00,080

all right why don't you uh go through

1838

01:14:03,910 --> 01:14:02,560

and i'll all um

1839

01:14:06,470 --> 01:14:03,920

i'll uh

1840

01:14:07,910 --> 01:14:06,480

advance it as you need okay thank you

1841

01:14:08,709 --> 01:14:07,920

mark i appreciate it

1842

01:14:11,910 --> 01:14:08,719

so

1843

01:14:14,070 --> 01:14:11,920

this is a condensed presentation that

1844

01:14:15,750 --> 01:14:14,080

was based on the thesis paper written by

1845

01:14:18,470 --> 01:14:15,760

daniel sheehan for the new paradigm

1846

01:14:20,630 --> 01:14:18,480

institute titled defining and exploring

1847

01:14:22,630 --> 01:14:20,640

our world views so

1848

01:14:24,630 --> 01:14:22,640

a thesis originally by daniel sheehan

1849

01:14:25,990 --> 01:14:24,640

and i put together the presentation to

1850

01:14:26,950 --> 01:14:26,000

to condense it

1851

01:14:29,110 --> 01:14:26,960

so

1852

01:14:30,870 --> 01:14:29,120

this is the the fundamental essence of

1853

01:14:33,189 --> 01:14:30,880

this entire presentation that it's our

1854

01:14:35,350 --> 01:14:33,199

belief that the pathway to world peace

1855

01:14:37,270 --> 01:14:35,360

is the transition of adherence to the

1856

01:14:39,830 --> 01:14:37,280

eight specific world views from their

1857

01:14:42,470 --> 01:14:39,840

present often unconscious adherence to

1858

01:14:44,950 --> 01:14:42,480

the ten keep component beliefs of the

1859

01:14:46,229 --> 01:14:44,960

lower manifestation of a given worldview

1860

01:14:47,910 --> 01:14:46,239

so i'm just going to keep this really

1861

01:14:49,590 --> 01:14:47,920

simple and really basic i'm not going to

1862

01:14:52,550 --> 01:14:49,600

read it word for word because it can get

1863

01:14:55,510 --> 01:14:52,560

pretty dense so essentially there was a

1864

01:14:57,510 --> 01:14:55,520

worldview spectrum of seven different

1865

01:14:59,990 --> 01:14:57,520

world views that range from a far right

1866

01:15:02,709 --> 01:15:00,000

systematist to a far left systematist

1867

01:15:04,950 --> 01:15:02,719

and as example the far right systematist

1868

01:15:06,149 --> 01:15:04,960

is an authoritarian totalitarian

1869

01:15:09,590 --> 01:15:06,159

worldview

1870

01:15:11,510 --> 01:15:09,600

and then the far left systematist is

1871

01:15:12,709 --> 01:15:11,520

going to be the

1872

01:15:15,590 --> 01:15:12,719

you have the liberal you have the

1873

01:15:17,270 --> 01:15:15,600

progressive then you have the utopian so

1874

01:15:20,870 --> 01:15:17,280

it's going to be a more

1875

01:15:23,430 --> 01:15:20,880

unified wholesome

1876

01:15:25,990 --> 01:15:23,440

singularity of a worldview rather than

1877

01:15:27,110 --> 01:15:26,000

the oppositional being on the far right

1878

01:15:29,189 --> 01:15:27,120

and now there's the higher

1879

01:15:31,669 --> 01:15:29,199

manifestations and the lower

1880

01:15:33,750 --> 01:15:31,679

manifestations of each world view so on

1881

01:15:35,830 --> 01:15:33,760

the far right end of the syst the far

1882

01:15:37,750 --> 01:15:35,840

right systematist of the authoritarian

1883

01:15:40,790 --> 01:15:37,760

and the totalitarian and even the

1884

01:15:42,630 --> 01:15:40,800

reactionary worldview is an oppositional

1885

01:15:45,510 --> 01:15:42,640

ideological philosophical and

1886

01:15:46,870 --> 01:15:45,520

theological belief systems that separate

1887

01:15:48,630 --> 01:15:46,880

us so pretty much

1888

01:15:50,470 --> 01:15:48,640

me not getting along with you because

1889

01:15:52,790 --> 01:15:50,480

i'm christian and you're mormon or

1890

01:15:55,270 --> 01:15:52,800

you're jewish and i'm muslim the fact

1891

01:15:57,189 --> 01:15:55,280

that a lower manifestation of this is we

1892

01:15:59,669 --> 01:15:57,199

cannot coexist because we have different

1893

01:16:00,950 --> 01:15:59,679

religious belief systems when i believe

1894

01:16:02,870 --> 01:16:00,960

that and it's the belief of the new

1895

01:16:05,270 --> 01:16:02,880

paradigm institute that regardless of

1896

01:16:07,590 --> 01:16:05,280

whoever you pray to we can get along and

1897

01:16:10,470 --> 01:16:07,600

we can coexist together and that doesn't

1898

01:16:12,070 --> 01:16:10,480

make me undervalue you or you undervalue

1899

01:16:13,830 --> 01:16:12,080

me like we are going to be equals and

1900

01:16:15,990 --> 01:16:13,840

we're going to get along together so a

1901
01:16:17,910 --> 01:16:16,000
lower manifestation is that even though

1902
01:16:19,189 --> 01:16:17,920
we have different religious beliefs we

1903
01:16:21,990 --> 01:16:19,199
can't get along

1904
01:16:24,470 --> 01:16:22,000
also confrontational resolutions

1905
01:16:26,550 --> 01:16:24,480
to collective obstacles we don't have to

1906
01:16:28,310 --> 01:16:26,560
be in confrontation with each other we

1907
01:16:29,910 --> 01:16:28,320
need to have conversations in open

1908
01:16:32,070 --> 01:16:29,920
dialogue rather than attacking and

1909
01:16:35,030 --> 01:16:32,080
getting into conflicts with each other

1910
01:16:37,830 --> 01:16:35,040
so scarcity poverty and famine are

1911
01:16:39,750 --> 01:16:37,840
directly resulting from unequal resource

1912
01:16:42,229 --> 01:16:39,760
delegation and again lower

1913
01:16:44,630 --> 01:16:42,239

manifestations of a given worldview and

1914

01:16:46,229 --> 01:16:44,640

also the separation and segregation like

1915

01:16:49,750 --> 01:16:46,239

i just mentioned caused by religious

1916

01:16:51,430 --> 01:16:49,760

beliefs ethnicity geographical location

1917

01:16:53,910 --> 01:16:51,440

your citizenship or your political

1918

01:16:55,910 --> 01:16:53,920

association these are all man-made

1919

01:16:57,830 --> 01:16:55,920

constructs that keep us separated and

1920

01:16:58,950 --> 01:16:57,840

until we transcend these constructs

1921

01:17:02,550 --> 01:16:58,960

we're not going to be able to get along

1922

01:17:06,870 --> 01:17:04,070

and now these are the opposite these are

1923

01:17:08,790 --> 01:17:06,880

the higher manifestations so an integral

1924

01:17:10,709 --> 01:17:08,800

ideological philosophical and

1925

01:17:12,550 --> 01:17:10,719

theological belief system like we just

1926

01:17:14,149 --> 01:17:12,560

mentioned vinnie if you're a christian

1927

01:17:15,750 --> 01:17:14,159

i'm a catholic or i'm muslim and you're

1928

01:17:17,750 --> 01:17:15,760

jewish we are going to coexist together

1929

01:17:19,189 --> 01:17:17,760

and i'm going to respect your beliefs

1930

01:17:21,350 --> 01:17:19,199

and you'll respect mine and that's a

1931

01:17:23,590 --> 01:17:21,360

very unifying approach peaceful

1932

01:17:25,189 --> 01:17:23,600

resolution to collective obstacles we

1933

01:17:27,910 --> 01:17:25,199

don't have to be in war with each other

1934

01:17:30,149 --> 01:17:27,920

to figure out how we can overcome the

1935

01:17:32,790 --> 01:17:30,159

these hurdles that our human family is

1936

01:17:35,750 --> 01:17:32,800

confronting security abundance and

1937

01:17:38,070 --> 01:17:35,760

prosperity is all about how we delegate

1938

01:17:40,310 --> 01:17:38,080

our resources and as an example

1939

01:17:42,470 --> 01:17:40,320

the united states in the last 10 years

1940

01:17:45,669 --> 01:17:42,480

in our defense budget we spent over 23

1941

01:17:48,709 --> 01:17:45,679

trillion dollars in creating weapons and

1942

01:17:49,430 --> 01:17:48,719

deploying mechanized units to go impose

1943

01:17:51,830 --> 01:17:49,440

our

1944

01:17:55,270 --> 01:17:51,840

democracy in other countries if we just

1945

01:17:58,630 --> 01:17:55,280

redelegated that 23 trillion dollars of

1946

01:18:00,229 --> 01:17:58,640

the taxpayer money and the civilian uh

1947

01:18:02,310 --> 01:18:00,239

financial system

1948

01:18:04,390 --> 01:18:02,320

we could have a world that has security

1949

01:18:06,070 --> 01:18:04,400

abundance and prosperity for everybody

1950

01:18:07,750 --> 01:18:06,080

so it's not that we're lacking in any

1951

01:18:10,229 --> 01:18:07,760

sense or that we don't have enough it's

1952

01:18:12,390 --> 01:18:10,239

just what we do have isn't being managed

1953

01:18:13,990 --> 01:18:12,400

in an intentional way

1954

01:18:16,950 --> 01:18:14,000

and just the last point right there is

1955

01:18:18,470 --> 01:18:16,960

cooperation and coexistence which is

1956

01:18:20,229 --> 01:18:18,480

tying in those first three points

1957

01:18:24,149 --> 01:18:20,239

together so

1958

01:18:25,830 --> 01:18:24,159

just cooperation and coexistence

1959

01:18:27,510 --> 01:18:25,840

so mark what i actually want to do is i

1960

01:18:29,910 --> 01:18:27,520

want to jump down to the end of the

1961

01:18:32,229 --> 01:18:29,920

presentation because i think the eighth

1962

01:18:34,950 --> 01:18:32,239

paradigm is primarily what i want to

1963

01:18:37,669 --> 01:18:34,960

focus on and as you can see this entire

1964

01:18:39,189 --> 01:18:37,679

presentation is it's pretty dense so

1965

01:18:40,630 --> 01:18:39,199

that's why i'm going to let you have

1966

01:18:42,870 --> 01:18:40,640

this link venue so if you want to go

1967

01:18:44,470 --> 01:18:42,880

through it dedicate a night pour

1968

01:18:46,709 --> 01:18:44,480

yourself some coffee pour yourself your

1969

01:18:48,229 --> 01:18:46,719

red wine and go through this

1970

01:18:50,870 --> 01:18:48,239

because it is

1971

01:18:52,390 --> 01:18:50,880

oh i will it's definitely a read you can

1972

01:18:53,830 --> 01:18:52,400

go down a little bit more mark it's it's

1973

01:18:57,830 --> 01:18:53,840

towards the end it's it's the eighth

1974

01:19:03,270 --> 01:18:59,350

so that was just going through here we

1975

01:19:08,310 --> 01:19:06,070

no scroll up one more

1976

01:19:11,030 --> 01:19:08,320

scroll up scroll up one more i believe

1977

01:19:12,870 --> 01:19:11,040

okay so this this this is it right here

1978

01:19:14,390 --> 01:19:12,880

the readiness for contact and this

1979

01:19:15,910 --> 01:19:14,400

pertains to the conversation that we're

1980

01:19:18,310 --> 01:19:15,920

having with the making contact

1981

01:19:19,669 --> 01:19:18,320

convergence extraterrestrials and how we

1982

01:19:22,070 --> 01:19:19,679

address this issue

1983

01:19:24,229 --> 01:19:22,080

so the readiness for contact is our work

1984

01:19:26,310 --> 01:19:24,239

to develop and spread the post-contact

1985

01:19:28,229 --> 01:19:26,320

eighth paradigm worldview has the

1986

01:19:30,229 --> 01:19:28,239

possibility to show intelligent

1987

01:19:32,630 --> 01:19:30,239

extraterrestrial life forms that we are

1988

01:19:35,990 --> 01:19:32,640

preparing for contact with

1989

01:19:40,709 --> 01:19:36,000

uh are here and we have to reduce the

1990

01:19:42,709 --> 01:19:40,719

natural response of fear and uh

1991

01:19:44,790 --> 01:19:42,719

conflict and hostility that our human

1992

01:19:46,470 --> 01:19:44,800

family may have towards them because i

1993

01:19:48,070 --> 01:19:46,480

mean it could be a natural fight or

1994

01:19:50,390 --> 01:19:48,080

flight response that if we are

1995

01:19:51,189 --> 01:19:50,400

interacting with an off-world species

1996

01:19:52,470 --> 01:19:51,199

that

1997

01:19:53,830 --> 01:19:52,480

you know

1998

01:19:55,669 --> 01:19:53,840

we're going to have to tame ourselves

1999

01:19:58,070 --> 01:19:55,679

similar to what mark was sharing with

2000

01:20:00,870 --> 01:19:58,080

his experience with tejbar he had to sit

2001
01:20:03,189 --> 01:20:00,880
there and consciously fight his flight

2002
01:20:04,870 --> 01:20:03,199
or fight response and that's kind of

2003
01:20:07,830 --> 01:20:04,880
what we need to do collectively we need

2004
01:20:09,430 --> 01:20:07,840
to recondition ourselves to

2005
01:20:11,430 --> 01:20:09,440
accept

2006
01:20:14,070 --> 01:20:11,440
different species so we have to

2007
01:20:15,750 --> 01:20:14,080
transcend something called humanism and

2008
01:20:17,110 --> 01:20:15,760
then we have to transcend racism and

2009
01:20:18,470 --> 01:20:17,120
then we're at the forefront of

2010
01:20:20,550 --> 01:20:18,480
speciesism

2011
01:20:23,669 --> 01:20:20,560
so now we're gonna have to inter

2012
01:20:25,830 --> 01:20:23,679
interact with each other and realize um

2013
01:20:27,270 --> 01:20:25,840

through these conversations that we are

2014

01:20:29,430 --> 01:20:27,280

going to be face to face with different

2015

01:20:31,189 --> 01:20:29,440

species at some point in our lifetime

2016

01:20:32,390 --> 01:20:31,199

how are we gonna handle it how are we

2017

01:20:34,229 --> 01:20:32,400

gonna process it how are we gonna

2018

01:20:36,470 --> 01:20:34,239

integrate it so that's what that slides

2019

01:20:41,270 --> 01:20:36,480

about is just reducing the hostility and

2020

01:20:46,229 --> 01:20:44,229

is that all you wanted to share

2021

01:20:47,990 --> 01:20:46,239

no we can we can scroll down through the

2022

01:20:50,310 --> 01:20:48,000

it's only i think three four three or

2023

01:20:52,229 --> 01:20:50,320

four more slides uh so this is the

2024

01:20:54,070 --> 01:20:52,239

important reason as to why we need to

2025

01:20:56,310 --> 01:20:54,080

integrate this eighth paradigm world

2026

01:20:57,910 --> 01:20:56,320

view is because right now we're only

2027

01:20:59,669 --> 01:20:57,920

operating from these other seven

2028

01:21:01,430 --> 01:20:59,679

distinct world views on the worldview

2029

01:21:03,830 --> 01:21:01,440

spectrum but

2030

01:21:05,590 --> 01:21:03,840

all of them in a way more or less are

2031

01:21:07,189 --> 01:21:05,600

separate from each other now the eighth

2032

01:21:09,030 --> 01:21:07,199

paradigm worldview is going to be a

2033

01:21:11,830 --> 01:21:09,040

unifying worldview that brings us to a

2034

01:21:14,149 --> 01:21:11,840

collective consensus that we start

2035

01:21:15,669 --> 01:21:14,159

seeing one another as being humans and

2036

01:21:18,070 --> 01:21:15,679

we start seeing each other as being a

2037

01:21:20,070 --> 01:21:18,080

part of the same family as a species and

2038

01:21:22,709 --> 01:21:20,080

i'm not looking at vinnie because okay

2039

01:21:25,350 --> 01:21:22,719

vinnie is caucasian he's from the uk

2040

01:21:26,629 --> 01:21:25,360

he he has blonde hair blue eyes and i'm

2041

01:21:28,629 --> 01:21:26,639

from the united states and i'm this and

2042

01:21:30,709 --> 01:21:28,639

i'm that what this eighth paradigm is

2043

01:21:33,350 --> 01:21:30,719

going to bring it to our human family is

2044

01:21:35,590 --> 01:21:33,360

a newfound connection to one another

2045

01:21:37,750 --> 01:21:35,600

that we are just this one sentient

2046

01:21:39,430 --> 01:21:37,760

conscious species on our planet and

2047

01:21:41,270 --> 01:21:39,440

that's what the eighth paradigm is and

2048

01:21:43,669 --> 01:21:41,280

from that place we can begin having

2049

01:21:48,790 --> 01:21:43,679

interactions with off-world life forms

2050

01:21:52,629 --> 01:21:51,030

and this is this is one i really find is

2051
01:21:54,470 --> 01:21:52,639
the most important out of the new out of

2052
01:21:56,149 --> 01:21:54,480
the new paradigm of the eighth world

2053
01:21:58,870 --> 01:21:56,159
view excuse me the eighth paradigm of

2054
01:22:00,070 --> 01:21:58,880
the new world view the cosmic theology

2055
01:22:01,750 --> 01:22:00,080
so

2056
01:22:03,990 --> 01:22:01,760
in the unlikely event that the

2057
01:22:05,750 --> 01:22:04,000
extraterrestrials we encounter do not

2058
01:22:08,070 --> 01:22:05,760
have a theology meaning that they have

2059
01:22:10,750 --> 01:22:08,080
no kind of spiritual development we just

2060
01:22:13,750 --> 01:22:10,760
meet et's and they have no grounded

2061
01:22:17,030 --> 01:22:13,760
conceptualization about spirituality we

2062
01:22:19,270 --> 01:22:17,040
will need a cosmic or non-homeosapiens

2063
01:22:21,350 --> 01:22:19,280

center theology so that means

2064

01:22:23,350 --> 01:22:21,360

the the theological aspect of this

2065

01:22:26,070 --> 01:22:23,360

conversation needs to be how do we

2066

01:22:28,950 --> 01:22:26,080

adjust our religious belief systems that

2067

01:22:31,030 --> 01:22:28,960

humans are not at the top of the

2068

01:22:33,510 --> 01:22:31,040

pyramid of creation or not the pinnacle

2069

01:22:35,510 --> 01:22:33,520

life form in the entire cosmos how do we

2070

01:22:37,030 --> 01:22:35,520

adjust all of our religious institutions

2071

01:22:39,350 --> 01:22:37,040

and how do we have these conversations

2072

01:22:41,590 --> 01:22:39,360

with these theologians to integrate the

2073

01:22:43,669 --> 01:22:41,600

fact that the universe wasn't just made

2074

01:22:45,270 --> 01:22:43,679

for us and there's infinite life out

2075

01:22:47,990 --> 01:22:45,280

there in the universe that could take on

2076

01:22:50,550 --> 01:22:48,000

the form of being humanoid so

2077

01:22:52,950 --> 01:22:50,560

we have to create a non-homeostatic

2078

01:22:54,550 --> 01:22:52,960

sapien center theology that's all

2079

01:22:56,629 --> 01:22:54,560

inclusive to life out there in the

2080

01:22:58,470 --> 01:22:56,639

universe and that that's really what our

2081

01:23:00,870 --> 01:22:58,480

main mission is with the new paradigm

2082

01:23:03,270 --> 01:23:00,880

institute uh and just i think it's one

2083

01:23:06,790 --> 01:23:03,280

more slide after this and that's it

2084

01:23:08,070 --> 01:23:06,800

i believe that's the last one

2085

01:23:10,310 --> 01:23:08,080

okay

2086

01:23:12,229 --> 01:23:10,320

a good thing to do in any event and this

2087

01:23:14,390 --> 01:23:12,239

is an exact quotation from the thesis

2088

01:23:16,629 --> 01:23:14,400

paper that daniel written excuse me

2089

01:23:19,030 --> 01:23:16,639

daniel wrote the creation and spread of

2090

01:23:21,430 --> 01:23:19,040

a cosmic theology which is not focused

2091

01:23:23,910 --> 01:23:21,440

exclusively on humans will be a positive

2092

01:23:25,510 --> 01:23:23,920

step forward for humanity

2093

01:23:27,750 --> 01:23:25,520

i'll read that sentence one more time

2094

01:23:29,030 --> 01:23:27,760

and really let that sink in the creation

2095

01:23:31,910 --> 01:23:29,040

and the spread

2096

01:23:34,229 --> 01:23:31,920

of a cosmic theology so in essence a

2097

01:23:37,189 --> 01:23:34,239

different word for theology would be a

2098

01:23:39,350 --> 01:23:37,199

spiritual identity a cosmic spiritual

2099

01:23:41,750 --> 01:23:39,360

identity which is not

2100

01:23:43,669 --> 01:23:41,760

again which is not focused exclusively

2101
01:23:45,990 --> 01:23:43,679
on humans because we're dealing with

2102
01:23:48,870 --> 01:23:46,000
potentially non-human life forms will be

2103
01:23:50,950 --> 01:23:48,880
a positive step forward for humanity

2104
01:23:53,270 --> 01:23:50,960
we can develop a better sense of what is

2105
01:23:55,910 --> 01:23:53,280
true we can develop human spirituality

2106
01:23:57,910 --> 01:23:55,920
from a fresh perspective freed from all

2107
01:24:01,189 --> 01:23:57,920
perspectives and formulations of the

2108
01:24:02,390 --> 01:24:01,199
distant past and which we still largely

2109
01:24:05,830 --> 01:24:02,400
use

2110
01:24:07,430 --> 01:24:05,840
and i think that's really something that

2111
01:24:08,790 --> 01:24:07,440
hit me on an entirely different level

2112
01:24:12,229 --> 01:24:08,800
when i was going through this thesis

2113
01:24:15,189 --> 01:24:12,239

paper that the fact we can reestablish

2114

01:24:18,709 --> 01:24:15,199

all of our theological understandings

2115

01:24:20,629 --> 01:24:18,719

of us as a species and off-world species

2116

01:24:23,030 --> 01:24:20,639

that is going to be a positive step

2117

01:24:25,750 --> 01:24:23,040

forward for our entire human family and

2118

01:24:27,430 --> 01:24:25,760

our planet and that's that's really the

2119

01:24:30,470 --> 01:24:27,440

entire um

2120

01:24:31,830 --> 01:24:30,480

outline and the end goal of people going

2121

01:24:34,950 --> 01:24:31,840

through and and reading this

2122

01:24:36,870 --> 01:24:34,960

presentation is that we we need to adopt

2123

01:24:39,669 --> 01:24:36,880

new philosophies and new and new

2124

01:24:41,430 --> 01:24:39,679

paradigms that allow us to have peaceful

2125

01:24:42,870 --> 01:24:41,440

interactions with non-human life forms

2126

01:24:44,870 --> 01:24:42,880

that are off planet

2127

01:24:46,229 --> 01:24:44,880

and uh i think that's it i think that's

2128

01:24:47,910 --> 01:24:46,239

pretty much the bulk of it i guess

2129

01:24:49,910 --> 01:24:47,920

there's a few more slides after that but

2130

01:24:52,390 --> 01:24:49,920

again it's very

2131

01:24:53,669 --> 01:24:52,400

i really love this slide too and tyler

2132

01:24:55,590 --> 01:24:53,679

by the way

2133

01:24:58,229 --> 01:24:55,600

you know i've said it to you before but

2134

01:25:00,390 --> 01:24:58,239

i just have to you know give kudos to

2135

01:25:01,990 --> 01:25:00,400

you for all the work you put into this

2136

01:25:04,709 --> 01:25:02,000

because that

2137

01:25:07,669 --> 01:25:04,719

paper that daniel originally wrote for

2138

01:25:10,870 --> 01:25:07,679

the new paradigm institute was so dense

2139

01:25:13,189 --> 01:25:10,880

and you synthesized out of it this

2140

01:25:14,709 --> 01:25:13,199

presentation which is

2141

01:25:15,510 --> 01:25:14,719

so well done

2142

01:25:18,470 --> 01:25:15,520

um

2143

01:25:21,910 --> 01:25:18,480

and you you grabbed all the graphics and

2144

01:25:24,950 --> 01:25:21,920

the imagery that like the watermark here

2145

01:25:27,350 --> 01:25:24,960

of devil's tower or bear lodge as the

2146

01:25:29,590 --> 01:25:27,360

natives call it i mean it's just

2147

01:25:32,950 --> 01:25:29,600

beautifully beautifully done

2148

01:25:35,030 --> 01:25:32,960

and will become a document at that will

2149

01:25:36,070 --> 01:25:35,040

become one of the first

2150

01:25:39,110 --> 01:25:36,080

uh

2151

01:25:41,830 --> 01:25:39,120

pieces we'll archive on the website for

2152

01:25:44,709 --> 01:25:41,840

the making contact uh convergence so

2153

01:25:46,550 --> 01:25:44,719

people can download this and read it and

2154

01:25:48,790 --> 01:25:46,560

i just want to give make sure that

2155

01:25:49,510 --> 01:25:48,800

people know that you deserve the credit

2156

01:25:53,750 --> 01:25:49,520

for

2157

01:25:55,830 --> 01:25:53,760

and it's just every one of these slides

2158

01:25:58,229 --> 01:25:55,840

is relevant and interesting and

2159

01:26:00,390 --> 01:25:58,239

pertinent to the whole discussion

2160

01:26:02,310 --> 01:26:00,400

that we're engaging in

2161

01:26:05,189 --> 01:26:02,320

uh and that we

2162

01:26:07,510 --> 01:26:05,199

hope will eventually lead to

2163

01:26:09,669 --> 01:26:07,520

preparing the human family for first

2164

01:26:11,430 --> 01:26:09,679

contact

2165

01:26:13,830 --> 01:26:11,440

thank you mark i i really appreciate it

2166

01:26:15,590 --> 01:26:13,840

it was it was a heavy read it took me a

2167

01:26:17,350 --> 01:26:15,600

couple months to go through that that

2168

01:26:20,070 --> 01:26:17,360

entire thesis paper

2169

01:26:21,270 --> 01:26:20,080

uh because what you described it's it's

2170

01:26:23,830 --> 01:26:21,280

dense

2171

01:26:25,990 --> 01:26:23,840

when you sent it to me danny happened to

2172

01:26:28,470 --> 01:26:26,000

be with me at my house

2173

01:26:30,709 --> 01:26:28,480

and i immediately started reading

2174

01:26:33,750 --> 01:26:30,719

through it and showed it to him and he's

2175

01:26:35,270 --> 01:26:33,760

like wow this is really good

2176

01:26:37,990 --> 01:26:35,280

so

2177

01:26:40,550 --> 01:26:38,000

you know he was impressed too i i just

2178

01:26:42,870 --> 01:26:40,560

watched him uh you know about a half

2179

01:26:44,709 --> 01:26:42,880

hour ago saying hey you've got to come

2180

01:26:46,709 --> 01:26:44,719

and watch us on disclosure team right

2181

01:26:49,430 --> 01:26:46,719

now because

2182

01:26:50,470 --> 01:26:49,440

tyler is on with me and he now you know

2183

01:26:53,110 --> 01:26:50,480

of course you

2184

01:26:54,629 --> 01:26:53,120

came and saved our butts doing the video

2185

01:26:57,189 --> 01:26:54,639

taping of me and danny for the

2186

01:26:59,030 --> 01:26:57,199

promotional video for the harmonic

2187

01:27:02,229 --> 01:26:59,040

urgence or the making contact

2188

01:27:05,189 --> 01:27:02,239

convergence and uh and we got a chance

2189

01:27:07,189 --> 01:27:05,199

to spend the weekend together and he got

2190

01:27:08,390 --> 01:27:07,199

just thinks the world of you tyler he

2191

01:27:09,990 --> 01:27:08,400

really does

2192

01:27:11,510 --> 01:27:10,000

well thank you it's mutual i mean

2193

01:27:13,669 --> 01:27:11,520

anybody that

2194

01:27:15,189 --> 01:27:13,679

i've said this on on other platforms and

2195

01:27:17,990 --> 01:27:15,199

other interviews but anyone that

2196

01:27:19,669 --> 01:27:18,000

dedicates any amount of their life to

2197

01:27:22,149 --> 01:27:19,679

researching this phenomenon and getting

2198

01:27:23,669 --> 01:27:22,159

the information out there i have the

2199

01:27:26,470 --> 01:27:23,679

utmost respect for you and we're all on

2200

01:27:27,910 --> 01:27:26,480

the same team here so it's it's mutual

2201
01:27:29,910 --> 01:27:27,920
for every single one of you guys i mean

2202
01:27:32,070 --> 01:27:29,920
for for vinnie for mark for danny for

2203
01:27:33,350 --> 01:27:32,080
anyone else in the space i'm just i'm

2204
01:27:35,910 --> 01:27:33,360
just grateful to be involved in the

2205
01:27:37,990 --> 01:27:35,920
conversation and thank you to danny for

2206
01:27:39,830 --> 01:27:38,000
taking the last couple of decades to

2207
01:27:44,070 --> 01:27:39,840
write that thesis paper

2208
01:27:45,910 --> 01:27:44,080
right because it's it's almost like

2209
01:27:47,990 --> 01:27:45,920
the best way i can describe it is i

2210
01:27:50,310 --> 01:27:48,000
think danny may have cracked the theory

2211
01:27:52,470 --> 01:27:50,320
of everything

2212
01:27:54,149 --> 01:27:52,480
he may have he may have done it because

2213
01:27:56,470 --> 01:27:54,159

when i was reading this i was like this

2214

01:27:58,310 --> 01:27:56,480

kind of this covers everything because

2215

01:27:59,189 --> 01:27:58,320

because the entire thesis paper talks

2216

01:28:03,030 --> 01:27:59,199

about

2217

01:28:05,189 --> 01:28:03,040

like ontology epis uh epistemology uh

2218

01:28:08,149 --> 01:28:05,199

cosmo uh cosmology

2219

01:28:11,669 --> 01:28:08,159

theology philosophy quantum mechanics

2220

01:28:13,830 --> 01:28:11,679

like it's all in just one one document

2221

01:28:16,229 --> 01:28:13,840

and uh it took it it literally took me

2222

01:28:17,750 --> 01:28:16,239

months to go through that and and to

2223

01:28:20,149 --> 01:28:17,760

read it

2224

01:28:23,590 --> 01:28:20,159

and we we can't forget to give credit

2225

01:28:25,669 --> 01:28:23,600

also to dr john mack uh yeah absolutely

2226

01:28:29,030 --> 01:28:25,679

contributing to that that really

2227

01:28:30,070 --> 01:28:29,040

was with a lot of his ideas as well

2228

01:28:31,189 --> 01:28:30,080

so

2229

01:28:33,270 --> 01:28:31,199

you you

2230

01:28:35,510 --> 01:28:33,280

those people listening that will have

2231

01:28:37,990 --> 01:28:35,520

access to this document and coming

2232

01:28:39,350 --> 01:28:38,000

through are making contact conversions

2233

01:28:43,270 --> 01:28:39,360

you're really

2234

01:28:45,430 --> 01:28:43,280

seeing the work of decades of passion

2235

01:28:48,629 --> 01:28:45,440

and energy and

2236

01:28:52,390 --> 01:28:48,639

commitment by some of the greatest minds

2237

01:28:54,149 --> 01:28:52,400

uh on this topic that are alive and not

2238

01:28:56,310 --> 01:28:54,159

alive

2239

01:28:58,390 --> 01:28:56,320

and and we have are now the new

2240

01:29:01,590 --> 01:28:58,400

torchbearers myself

2241

01:29:03,510 --> 01:29:01,600

tyler who clearly sees himself as one of

2242

01:29:06,629 --> 01:29:03,520

the torchbearers bringing forth this

2243

01:29:08,830 --> 01:29:06,639

information and and promoting and

2244

01:29:12,629 --> 01:29:08,840

advocating for peaceful

2245

01:29:13,910 --> 01:29:12,639

contact uh it's it's so critical

2246

01:29:15,110 --> 01:29:13,920

and uh

2247

01:29:18,950 --> 01:29:15,120

and we're

2248

01:29:19,750 --> 01:29:18,960

all blessed to to be in the in the role

2249

01:29:21,189 --> 01:29:19,760

of

2250

01:29:25,030 --> 01:29:21,199

helping

2251

01:29:27,110 --> 01:29:25,040

and

2252

01:29:29,189 --> 01:29:27,120

you know uh

2253

01:29:30,790 --> 01:29:29,199

inspire people

2254

01:29:32,870 --> 01:29:30,800

and i'm just going to say danny if you

2255

01:29:34,950 --> 01:29:32,880

happen to be watching this or if you

2256

01:29:36,870 --> 01:29:34,960

watch this after the fact please come

2257

01:29:38,790 --> 01:29:36,880

and join us at a later date maybe after

2258

01:29:41,030 --> 01:29:38,800

your work you know slowed down after the

2259

01:29:43,350 --> 01:29:41,040

the making contact convergence is done

2260

01:29:45,430 --> 01:29:43,360

and dusted please come back and join us

2261

01:29:47,350 --> 01:29:45,440

along with tyler and mark again we'd

2262

01:29:49,430 --> 01:29:47,360

love to just you know jump on and see

2263

01:29:51,350 --> 01:29:49,440

how everything went but for everybody

2264

01:29:52,470 --> 01:29:51,360

watching please

2265

01:29:55,189 --> 01:29:52,480

just consider

2266

01:29:57,110 --> 01:29:55,199

joining and going to see the event and

2267

01:29:58,390 --> 01:29:57,120

and you know having a new outlook on

2268

01:29:59,270 --> 01:29:58,400

things because like i said i'm going to

2269

01:30:01,350 --> 01:29:59,280

be

2270

01:30:03,830 --> 01:30:01,360

looking into that this is a new avenue

2271

01:30:06,950 --> 01:30:03,840

for me i'm open to these things like

2272

01:30:08,550 --> 01:30:06,960

tyler said we may all be different and

2273

01:30:10,229 --> 01:30:08,560

from different angles of this subject

2274

01:30:11,990 --> 01:30:10,239

but we're all looking for the same thing

2275

01:30:14,310 --> 01:30:12,000

at the end of the day so let's come

2276

01:30:16,709 --> 01:30:14,320

together let's not argue or fight let's

2277

01:30:17,830 --> 01:30:16,719

just find that kind of peace or common

2278

01:30:19,750 --> 01:30:17,840

ground

2279

01:30:21,189 --> 01:30:19,760

right exactly let's find the unity in

2280

01:30:22,790 --> 01:30:21,199

the conversation

2281

01:30:23,910 --> 01:30:22,800

because it's it's

2282

01:30:26,790 --> 01:30:23,920

it's time

2283

01:30:29,430 --> 01:30:26,800

it's definitely it's well it's well

2284

01:30:31,350 --> 01:30:29,440

overdue it's it's extremely overdue at

2285

01:30:32,870 --> 01:30:31,360

this point and

2286

01:30:34,550 --> 01:30:32,880

there's no reason why we can't make it

2287

01:30:37,110 --> 01:30:34,560

happen i mean we are making it happen

2288

01:30:39,270 --> 01:30:37,120

it's happening on august 18th the 22nd

2289

01:30:41,430 --> 01:30:39,280

so come join us and be a part of history

2290

01:30:43,590 --> 01:30:41,440

in the making and it's going to be a

2291

01:30:46,149 --> 01:30:43,600

historic conversation and there's going

2292

01:30:46,870 --> 01:30:46,159

to be i have a good intuitive feeling

2293

01:30:48,629 --> 01:30:46,880

that there's going to be some

2294

01:30:50,790 --> 01:30:48,639

revelations to come out of it and maybe

2295

01:30:53,189 --> 01:30:50,800

information that's you know going to be

2296

01:30:55,510 --> 01:30:53,199

new for everybody so

2297

01:30:57,990 --> 01:30:55,520

come check it out it's going to be great

2298

01:30:59,189 --> 01:30:58,000

absolutely listen gentlemen thank you so

2299

01:31:01,270 --> 01:30:59,199

much

2300

01:31:03,110 --> 01:31:01,280

we probably could carry on for hours and

2301

01:31:05,270 --> 01:31:03,120

hours but let's do this again maybe

2302

01:31:08,149 --> 01:31:05,280

after the event catch up again in the

2303

01:31:09,270 --> 01:31:08,159

future um any of the

2304

01:31:11,110 --> 01:31:09,280

links and stuff that we've shared

2305

01:31:12,709 --> 01:31:11,120

tonight i will add to the description so

2306

01:31:14,950 --> 01:31:12,719

everybody watching now and in the future

2307

01:31:16,950 --> 01:31:14,960

can go and take their own time into

2308

01:31:18,390 --> 01:31:16,960

looking over everything and really get a

2309

01:31:20,709 --> 01:31:18,400

good grasp on what we've been talking

2310

01:31:21,990 --> 01:31:20,719

about so um gentlemen if you could hang

2311

01:31:23,590 --> 01:31:22,000

around afterwards and we just have a

2312

01:31:25,750 --> 01:31:23,600

little debrief after i've said goodbye

2313

01:31:28,149 --> 01:31:25,760

to everyone i'd appreciate that okay

2314

01:31:30,790 --> 01:31:28,159

great don't forget to buy your ticket

2315

01:31:31,990 --> 01:31:30,800

the price is going to go up on the 16th

2316

01:31:34,790 --> 01:31:32,000

uh so

2317

01:31:38,629 --> 01:31:34,800

249 is the list price for the ticket

2318

01:31:41,830 --> 01:31:38,639

with vinnie save 100 you save 100 that's

2319

01:31:43,990 --> 01:31:41,840

149 that'll be the best 149 you've ever

2320

01:31:46,629 --> 01:31:44,000

spent in your life yeah and then and

2321

01:31:49,030 --> 01:31:46,639

then the total value just comes to 30 a

2322

01:31:51,350 --> 01:31:49,040

day and you get to see an incredible

2323

01:31:54,070 --> 01:31:51,360

panel of the leaders

2324

01:31:56,550 --> 01:31:54,080

pathfinders way showers and pioneers in

2325

01:31:59,750 --> 01:31:56,560

the entire space

2326

01:32:01,350 --> 01:31:59,760

absolutely gentlemen thank you so much

2327

01:32:03,510 --> 01:32:01,360

i really it really means the world that

2328

01:32:04,870 --> 01:32:03,520

my eyes are open i'm so

2329

01:32:06,229 --> 01:32:04,880

looking forward to seeing what's going

2330

01:32:07,590 --> 01:32:06,239

to happen in the future especially in

2331

01:32:09,430 --> 01:32:07,600

the next few months with everything you

2332

01:32:11,430 --> 01:32:09,440

guys are doing and the community as a

2333

01:32:13,430 --> 01:32:11,440

whole so thank you so much it means the

2334

01:32:16,070 --> 01:32:13,440

world thanks for having us vinnie it's

2335

01:32:20,390 --> 01:32:16,080

good chatting with you again no problem

2336

01:32:22,310 --> 01:32:21,270

guys

2337

01:32:24,390 --> 01:32:22,320

wow

2338

01:32:25,910 --> 01:32:24,400

that was incredible thank you so much to

2339

01:32:28,870 --> 01:32:25,920

everyone that joined us thank you to

2340

01:32:31,030 --> 01:32:28,880

mark thank you to tyler this is a new

2341

01:32:32,870 --> 01:32:31,040

direction for all of us and i think we

2342

01:32:35,270 --> 01:32:32,880

all need to just stick together and and

2343

01:32:38,550 --> 01:32:35,280

just be open to all the possibilities

2344

01:32:40,629 --> 01:32:38,560

with this subject with the phenomena and

2345

01:32:42,390 --> 01:32:40,639

all of what we might see in the future

2346

01:32:44,310 --> 01:32:42,400

we we've got to stop relying on things

2347

01:32:45,510 --> 01:32:44,320

like the government and

2348

01:32:47,590 --> 01:32:45,520

things like that and we've got to start

2349

01:32:49,110 --> 01:32:47,600

doing it for ourselves as as citizens

2350

01:32:50,629 --> 01:32:49,120

and that so

2351

01:32:52,790 --> 01:32:50,639

yeah that's really given me a lot of

2352

01:32:54,310 --> 01:32:52,800

food for thought i hope it has for you

2353

01:32:55,669 --> 01:32:54,320

and for anybody that was in the comments

2354

01:32:58,229 --> 01:32:55,679

that was just putting forward slightly

2355

01:32:59,669 --> 01:32:58,239

trollish things i'm not angry with you i

2356

01:33:02,470 --> 01:32:59,679

just would like to have a proper

2357

01:33:04,870 --> 01:33:02,480

conversation with you rather than just

2358

01:33:06,870 --> 01:33:04,880

school ground school playground tactics

2359

01:33:08,550 --> 01:33:06,880

and throwing out these words and that

2360

01:33:10,470 --> 01:33:08,560

you know i ain't got time to be angry

2361

01:33:12,550 --> 01:33:10,480

with you so just bear that in mind so

2362

01:33:13,990 --> 01:33:12,560

guys until the next time

2363

01:33:16,709 --> 01:33:14,000

thank you so much for the continued

2364

01:33:17,990 --> 01:33:16,719

support you are so appreciated and yeah
