

**DISCLOSURE**  
  
**TEAM**

Dr. Lynne Kitei Interview  
'The Phoenix Lights'

Live YouTube **Premiere**

Monday August 16th

11.30am PST/2.30pm EST/7.30pm UK

1  
00:00:05,510 --> 00:00:03,830  
hey guys welcome back to the disclosure

2  
00:00:07,510 --> 00:00:05,520  
team youtube channel

3  
00:00:10,390 --> 00:00:07,520  
so this is a pre-recorded interview with

4  
00:00:12,549 --> 00:00:10,400  
dr lynn kitai um author of the phoenix

5  
00:00:14,070 --> 00:00:12,559  
lights witness to the phoenix lies

6  
00:00:16,310 --> 00:00:14,080  
producer of the documentary on the

7  
00:00:18,390 --> 00:00:16,320  
phoenix lights and she has worked

8  
00:00:19,510 --> 00:00:18,400  
tirelessly for many many years i'm

9  
00:00:21,670 --> 00:00:19,520  
bringing this

10  
00:00:24,790 --> 00:00:21,680  
particular case forward to the public

11  
00:00:26,550 --> 00:00:24,800  
and she's done fantastic work so

12  
00:00:28,710 --> 00:00:26,560  
i hope you enjoy it one thing i will

13  
00:00:30,470 --> 00:00:28,720

just preface is that there were some

14

00:00:32,950 --> 00:00:30,480

audio issues

15

00:00:36,069 --> 00:00:32,960

um which we sort of got around by me

16

00:00:37,990 --> 00:00:36,079

basically not talking at all uh dr kitai

17

00:00:40,150 --> 00:00:38,000

goes through a presentation you'll see

18

00:00:42,389 --> 00:00:40,160

me nodding a lot and things it's because

19

00:00:44,389 --> 00:00:42,399

there was feedback coming from her end

20

00:00:46,150 --> 00:00:44,399

which was just unfortunate it happens

21

00:00:47,750 --> 00:00:46,160

sometimes so

22

00:00:49,270 --> 00:00:47,760

we've kept we kept my talking to a

23

00:00:50,630 --> 00:00:49,280

minimum so there was no feedback coming

24

00:00:52,229 --> 00:00:50,640

through and and it's a good thing

25

00:00:54,790 --> 00:00:52,239

because all we want to do is listen to

26  
00:00:56,630 --> 00:00:54,800  
the to the guests on these interviews so

27  
00:00:57,430 --> 00:00:56,640  
guys thank you so much for being here

28  
00:00:59,510 --> 00:00:57,440  
and

29  
00:01:01,510 --> 00:00:59,520  
yeah enjoy

30  
00:01:04,070 --> 00:01:01,520  
hello and welcome back to the disclosure

31  
00:01:06,630 --> 00:01:04,080  
team channel i am here and i'm honored

32  
00:01:08,870 --> 00:01:06,640  
to be speaking to dr lynn kitai today

33  
00:01:10,550 --> 00:01:08,880  
about one of my favorite all-time cases

34  
00:01:13,109 --> 00:01:10,560  
in the ufo subject and that is the

35  
00:01:15,109 --> 00:01:13,119  
phoenix lights from 1997.

36  
00:01:17,830 --> 00:01:15,119  
welcome dr kitai thank you for joining

37  
00:01:20,469 --> 00:01:17,840  
me it's a pleasure to be here and and

38  
00:01:23,030 --> 00:01:20,479

i'm thrilled to be able to share

39

00:01:25,749 --> 00:01:23,040

the uh the rest of the phoenix lights

40

00:01:28,149 --> 00:01:25,759

inside story because there is so much

41

00:01:30,310 --> 00:01:28,159

miss and disinformation out there

42

00:01:33,990 --> 00:01:30,320

one of the main reasons i came forward

43

00:01:36,310 --> 00:01:34,000

after seven years of anonymity um

44

00:01:38,630 --> 00:01:36,320

after seeing two years prior to the mass

45

00:01:41,429 --> 00:01:38,640

sighting which we'll get into a very

46

00:01:43,190 --> 00:01:41,439

close sighting that i happen to get 35

47

00:01:45,990 --> 00:01:43,200

millimeter photographs of in fact i'm

48

00:01:47,990 --> 00:01:46,000

the only person with that we know of uh

49

00:01:50,789 --> 00:01:48,000

that has 35 millimeter

50

00:01:53,270 --> 00:01:50,799

uh pictures of these anomalous aerial

51  
00:01:54,469 --> 00:01:53,280  
phenomena and the mass sighting which

52  
00:01:56,870 --> 00:01:54,479  
we'll talk about

53  
00:01:59,510 --> 00:01:56,880  
in detail has actually become

54  
00:02:02,389 --> 00:01:59,520  
the most witnessed most documented and

55  
00:02:05,109 --> 00:02:02,399  
most important mass anomalous aerial

56  
00:02:07,990 --> 00:02:05,119  
sighting in modern times if not all of

57  
00:02:10,630 --> 00:02:08,000  
times and um and i'm thrilled to be here

58  
00:02:12,869 --> 00:02:10,640  
today to to uh

59  
00:02:14,309 --> 00:02:12,879  
tell the the the rest of the story

60  
00:02:16,070 --> 00:02:14,319  
because there's so much miss and

61  
00:02:18,309 --> 00:02:16,080  
disinformation out there

62  
00:02:20,309 --> 00:02:18,319  
in fact

63  
00:02:21,670 --> 00:02:20,319

i you know going back i don't know if

64

00:02:22,550 --> 00:02:21,680

you have a question or if you want to

65

00:02:24,790 --> 00:02:22,560

share

66

00:02:27,990 --> 00:02:24,800

uh how i came to

67

00:02:30,630 --> 00:02:28,000

be here um but uh

68

00:02:32,869 --> 00:02:30,640

my background actually which is ironic

69

00:02:35,110 --> 00:02:32,879

is uh not only a medical doctor and i've

70

00:02:36,550 --> 00:02:35,120

tried to be as scientific as i can with

71

00:02:39,589 --> 00:02:36,560

the data

72

00:02:41,190 --> 00:02:39,599

as well as uh as a physician

73

00:02:43,750 --> 00:02:41,200

to let people know that they're not

74

00:02:46,550 --> 00:02:43,760

alone most anomalies can be explained

75

00:02:48,790 --> 00:02:46,560

only a small percentage cannot but just

76  
00:02:50,790 --> 00:02:48,800  
because we don't have the technology yet

77  
00:02:52,949 --> 00:02:50,800  
to definitively define what these things

78  
00:02:55,110 --> 00:02:52,959  
are it doesn't mean they're not real we

79  
00:02:57,910 --> 00:02:55,120  
may just be looking on the am dial for

80  
00:03:00,710 --> 00:02:57,920  
an fm frequency and certainly as an

81  
00:03:04,710 --> 00:03:00,720  
experiencer as you will hear um i knew

82  
00:03:06,710 --> 00:03:04,720  
how that felt uh even again even though

83  
00:03:09,030 --> 00:03:06,720  
most anomalies can be explained when

84  
00:03:10,470 --> 00:03:09,040  
someone has a paranormal experience it's

85  
00:03:12,949 --> 00:03:10,480  
real to them

86  
00:03:15,110 --> 00:03:12,959  
and if you don't share it and that was

87  
00:03:17,350 --> 00:03:15,120  
another reason i came forward to say

88  
00:03:18,790 --> 00:03:17,360

well i'm here if you want to share

89

00:03:21,190 --> 00:03:18,800

whether it's on the phoenix sites

90

00:03:23,589 --> 00:03:21,200

network website which is packed with

91

00:03:25,910 --> 00:03:23,599

information by the way if people go

92

00:03:27,910 --> 00:03:25,920

there while we're talking they can um

93

00:03:31,110 --> 00:03:27,920

actually see

94

00:03:33,750 --> 00:03:31,120

some of the data that is there is packed

95

00:03:35,750 --> 00:03:33,760

with information the 35 millimeter

96

00:03:37,990 --> 00:03:35,760

photographs the unique collection of

97

00:03:39,750 --> 00:03:38,000

photographs that i've collected prior to

98

00:03:43,589 --> 00:03:39,760

during and after

99

00:03:46,390 --> 00:03:43,599

the mass sighting of march 13 1997 as

100

00:03:48,949 --> 00:03:46,400

well as uh we'll talk about the

101  
00:03:52,070 --> 00:03:48,959  
different crafts that people saw as well

102  
00:03:54,789 --> 00:03:52,080  
as the news reports and um it's very

103  
00:03:56,550 --> 00:03:54,799  
cathartic when people share so

104  
00:03:58,789 --> 00:03:56,560  
whether it's on facebook we have the

105  
00:04:01,350 --> 00:03:58,799  
phoenix lights network page there

106  
00:04:04,149 --> 00:04:01,360  
as well as phoenix lights group

107  
00:04:05,910 --> 00:04:04,159  
or through the website you can contact

108  
00:04:06,869 --> 00:04:05,920  
me right on top just sharing with one

109  
00:04:08,390 --> 00:04:06,879  
person

110  
00:04:10,789 --> 00:04:08,400  
is healing

111  
00:04:12,229 --> 00:04:10,799  
and certainly as an educator actually

112  
00:04:14,470 --> 00:04:12,239  
ironically

113  
00:04:15,910 --> 00:04:14,480

again for 40 years actually almost 50

114

00:04:18,229 --> 00:04:15,920

years now

115

00:04:21,270 --> 00:04:18,239

on the reality of vital health issues i

116

00:04:22,550 --> 00:04:21,280

started at nbc in philadelphia

117

00:04:24,870 --> 00:04:22,560

pennsylvania

118

00:04:26,469 --> 00:04:24,880

doing health reports uh because i

119

00:04:28,629 --> 00:04:26,479

thought it was important no one was

120

00:04:31,030 --> 00:04:28,639

doing it at the time to let the public

121

00:04:33,510 --> 00:04:31,040

know just short little bites of uh how

122

00:04:35,510 --> 00:04:33,520

to prevent a heart attack or um what to

123

00:04:38,310 --> 00:04:35,520

do if you have a burn etc which grew

124

00:04:41,110 --> 00:04:38,320

into a uh syndication that was actually

125

00:04:44,550 --> 00:04:41,120

showing here in phoenix arizona when we

126  
00:04:46,629 --> 00:04:44,560  
moved here in 1980 and i started doing

127  
00:04:49,430 --> 00:04:46,639  
health tips here for nbc and then usa

128  
00:04:51,830 --> 00:04:49,440  
cable and started a company in 85 to

129  
00:04:53,749 --> 00:04:51,840  
produce video and workflow curriculums

130  
00:04:55,909 --> 00:04:53,759  
on vital health issues like aids and

131  
00:04:57,670 --> 00:04:55,919  
teen pregnancy and substance abuse

132  
00:04:59,590 --> 00:04:57,680  
prevention education

133  
00:05:01,110 --> 00:04:59,600  
uh for the classroom won all kinds of

134  
00:05:04,070 --> 00:05:01,120  
awards discovery education was

135  
00:05:06,070 --> 00:05:04,080  
distributed for decades and here this

136  
00:05:08,870 --> 00:05:06,080  
falls into my lap

137  
00:05:10,390 --> 00:05:08,880  
without any interest or knowledge in the

138  
00:05:13,189 --> 00:05:10,400

topic that's really

139

00:05:15,990 --> 00:05:13,199

uh important to note because

140

00:05:19,350 --> 00:05:16,000

i really didn't want to do the

141

00:05:21,270 --> 00:05:19,360

chosen this topic um it actually chose

142

00:05:22,469 --> 00:05:21,280

me i guess because here

143

00:05:24,310 --> 00:05:22,479

uh

144

00:05:26,870 --> 00:05:24,320

two years before the mass sighting well

145

00:05:28,390 --> 00:05:26,880

first uh first i want to let the

146

00:05:29,990 --> 00:05:28,400

audience know and this is just a little

147

00:05:31,029 --> 00:05:30,000

aside for you vinnie which is kind of

148

00:05:31,830 --> 00:05:31,039

fun

149

00:05:33,990 --> 00:05:31,840

um

150

00:05:35,350 --> 00:05:34,000

my other hat before i went to medical

151

00:05:37,510 --> 00:05:35,360

school was in professional musical

152

00:05:39,590 --> 00:05:37,520

theater i toured with gordon mcrae in

153

00:05:42,230 --> 00:05:39,600

oklahoma and betty grebel and guys and

154

00:05:44,870 --> 00:05:42,240

dolls and understudied barbara eden and

155

00:05:47,510 --> 00:05:44,880

the sound of music and a whole host of

156

00:05:49,430 --> 00:05:47,520

others but um one of the things that's

157

00:05:51,110 --> 00:05:49,440

really poignant and

158

00:05:54,070 --> 00:05:51,120

coincidental and i don't believe in

159

00:05:55,830 --> 00:05:54,080

coincidence anymore is the ten years

160

00:05:57,430 --> 00:05:55,840

before the mass sighting we'll get into

161

00:05:59,590 --> 00:05:57,440

the the whole thing with the mass either

162

00:06:01,909 --> 00:05:59,600

i promise um

163

00:06:04,309 --> 00:06:01,919

but this your viewers might might enjoy

164

00:06:06,550 --> 00:06:04,319

learning this little tidbit

165

00:06:08,390 --> 00:06:06,560

ten years before the mass sighting i

166

00:06:10,550 --> 00:06:08,400

actually appeared in the movie raising

167

00:06:12,870 --> 00:06:10,560

arizona the coen brother hit movie

168

00:06:15,430 --> 00:06:12,880

raising arizona starring nicholas cage

169

00:06:17,270 --> 00:06:15,440

and holly hunter and john goodman and

170

00:06:19,909 --> 00:06:17,280

francis mcdormand and a whole host of

171

00:06:21,510 --> 00:06:19,919

other amazing people i played the mother

172

00:06:23,670 --> 00:06:21,520

of the quintuplets for anybody that's

173

00:06:26,230 --> 00:06:23,680

seen it it's a black comedy where holly

174

00:06:29,430 --> 00:06:26,240

hunter and um

175

00:06:31,350 --> 00:06:29,440

nick cage actually kidnap one of the uh

176

00:06:33,350 --> 00:06:31,360

babies the quintuplets

177

00:06:35,510 --> 00:06:33,360

because they can't have their own and

178

00:06:38,230 --> 00:06:35,520

after that happens there's a press

179

00:06:39,909 --> 00:06:38,240

conference in front of our home

180

00:06:42,230 --> 00:06:39,919

and one of the reporters sticks a

181

00:06:43,830 --> 00:06:42,240

microphone in my husband's face and says

182

00:06:46,070 --> 00:06:43,840

there's a rumor that your son has been

183

00:06:47,029 --> 00:06:46,080

abducted by ufos is there any truth to

184

00:06:49,029 --> 00:06:47,039

that

185

00:06:51,270 --> 00:06:49,039

and my husband says oh please son please

186

00:06:53,510 --> 00:06:51,280

don't print that if this mama reads that

187

00:06:56,150 --> 00:06:53,520

you'll lose all hope which is totally

188

00:06:58,629 --> 00:06:56,160

opposite for my own take by the way

189

00:07:00,550 --> 00:06:58,639

there is not another mention of ufos in

190

00:07:02,629 --> 00:07:00,560

the entire film

191

00:07:04,870 --> 00:07:02,639

this was ten years before from best

192

00:07:05,749 --> 00:07:04,880

sighting little coincidence but even

193

00:07:07,589 --> 00:07:05,759

more

194

00:07:08,950 --> 00:07:07,599

the cinematographer

195

00:07:10,390 --> 00:07:08,960

and everybody was just getting started

196

00:07:12,350 --> 00:07:10,400

at the time i think nick cage had done a

197

00:07:14,629 --> 00:07:12,360

couple movies before but even the

198

00:07:16,710 --> 00:07:14,639

cinematographer uh that was one of his

199

00:07:19,029 --> 00:07:16,720

first big films but he went on to do

200

00:07:22,550 --> 00:07:19,039

when harry met sally and big with tom

201  
00:07:27,029 --> 00:07:22,560  
hanks and uh how the west was won

202  
00:07:29,589 --> 00:07:27,039  
and the adams family or whatever he also

203  
00:07:30,629 --> 00:07:29,599  
created and directed the men in black

204  
00:07:32,710 --> 00:07:30,639  
series

205  
00:07:34,390 --> 00:07:32,720  
which opened the first one opened in

206  
00:07:37,270 --> 00:07:34,400  
1997

207  
00:07:40,629 --> 00:07:37,280  
the year of the arizona mass i think

208  
00:07:43,029 --> 00:07:40,639  
which is kind of whoa

209  
00:07:46,469 --> 00:07:43,039  
anyway um so you might like that little

210  
00:07:47,430 --> 00:07:46,479  
little tidbit um so there was a host of

211  
00:07:50,070 --> 00:07:47,440  
um

212  
00:07:52,230 --> 00:07:50,080  
serendipities which again now i've

213  
00:07:55,029 --> 00:07:52,240

comfortable not believing coincidence

214

00:07:57,270 --> 00:07:55,039

anymore but uh the the first one

215

00:07:58,790 --> 00:07:57,280

actually um there's a

216

00:08:01,189 --> 00:07:58,800

five-minute

217

00:08:03,189 --> 00:08:01,199

little uh report

218

00:08:05,270 --> 00:08:03,199

on the phoenix lights network the

219

00:08:08,070 --> 00:08:05,280

phoenix lights.net for anybody that's

220

00:08:09,909 --> 00:08:08,080

interested to go to the news page and we

221

00:08:12,469 --> 00:08:09,919

can show that

222

00:08:15,110 --> 00:08:12,479

uh slide first

223

00:08:17,110 --> 00:08:15,120

so you know which one it was

224

00:08:19,990 --> 00:08:17,120

it's dr lynn key type most people call

225

00:08:21,350 --> 00:08:20,000

me dr lin since 1976 because it was a

226

00:08:23,350 --> 00:08:21,360

lot easier

227

00:08:26,469 --> 00:08:23,360

um but it's pronounced like a key and a

228

00:08:30,070 --> 00:08:26,479

tie anyway this particular um

229

00:08:32,070 --> 00:08:30,080

decades uh show on cw was wonderful and

230

00:08:34,070 --> 00:08:32,080

that we can't show because of copyright

231

00:08:35,509 --> 00:08:34,080

um but it kind of shows how the story

232

00:08:38,389 --> 00:08:35,519

unfolded which i'm going to share with

233

00:08:42,709 --> 00:08:38,399

you today personally um

234

00:08:46,630 --> 00:08:45,670

this is a topography from our home

235

00:08:48,550 --> 00:08:46,640

again

236

00:08:51,030 --> 00:08:48,560

i don't have to do this

237

00:08:53,430 --> 00:08:51,040

but i need to do this i really needed to

238

00:08:55,670 --> 00:08:53,440

come forward um because the data was

239

00:08:57,509 --> 00:08:55,680

just too important not to share after

240

00:08:59,750 --> 00:08:57,519

seven years of anonymity after the mass

241

00:09:02,310 --> 00:08:59,760

sighting but the view from our home so

242

00:09:05,509 --> 00:09:02,320

people can get a feel for what we were

243

00:09:07,829 --> 00:09:05,519

looking at um and actually uh again it's

244

00:09:10,470 --> 00:09:07,839

on the photo page of the phoenix lights

245

00:09:11,829 --> 00:09:10,480

network website if you want to take a

246

00:09:15,190 --> 00:09:11,839

peek there

247

00:09:16,310 --> 00:09:15,200

you can see that there is a car

248

00:09:18,310 --> 00:09:16,320

with

249

00:09:20,389 --> 00:09:18,320

lights reflecting on the street in the

250

00:09:23,190 --> 00:09:20,399

lower left bottom corner

251  
00:09:24,389 --> 00:09:23,200  
which is important i showed this picture

252  
00:09:27,509 --> 00:09:24,399  
because

253  
00:09:28,949 --> 00:09:27,519  
it shows how cars and other lights glare

254  
00:09:31,509 --> 00:09:28,959  
or reflect

255  
00:09:32,630 --> 00:09:31,519  
the unknowns the true unknowns

256  
00:09:34,389 --> 00:09:32,640  
do not

257  
00:09:37,269 --> 00:09:34,399  
they're self-contained and we will get

258  
00:09:41,110 --> 00:09:37,279  
to that to the right of that

259  
00:09:42,870 --> 00:09:41,120  
car is a line of skylights in a home

260  
00:09:45,590 --> 00:09:42,880  
that's significant yeah that's

261  
00:09:47,750 --> 00:09:45,600  
significant because if you look straight

262  
00:09:48,870 --> 00:09:47,760  
up you're going to see two mountain

263  
00:09:51,990 --> 00:09:48,880

ranges

264

00:09:53,990 --> 00:09:52,000

south mountain and many miles back are

265

00:09:56,070 --> 00:09:54,000

the estrella mountain range

266

00:09:58,470 --> 00:09:56,080

and there's a basin in between and by

267

00:10:01,509 --> 00:09:58,480

the way that's significant because these

268

00:10:04,550 --> 00:10:01,519

anomalous aerial phenomena once i

269

00:10:07,269 --> 00:10:04,560

compiled uh the unique collection for a

270

00:10:09,670 --> 00:10:07,279

while i noticed that these anomalous

271

00:10:11,350 --> 00:10:09,680

aerial phenomena keep popping up right

272

00:10:12,949 --> 00:10:11,360

where south mountain and the estrellas

273

00:10:15,190 --> 00:10:12,959

intersect here's another little

274

00:10:16,790 --> 00:10:15,200

coincidence six months before the mass

275

00:10:18,630 --> 00:10:16,800

sighting

276

00:10:20,870 --> 00:10:18,640

i was invited to present my substance

277

00:10:22,470 --> 00:10:20,880

abuse prevention education program to

278

00:10:25,750 --> 00:10:22,480

the one school that they have at the

279

00:10:27,750 --> 00:10:25,760

gila gila he'll have been

280

00:10:28,790 --> 00:10:27,760

indian reservation which is very sacred

281

00:10:31,269 --> 00:10:28,800

ground

282

00:10:32,630 --> 00:10:31,279

and after the mass sighting and i helped

283

00:10:35,269 --> 00:10:32,640

out the principal they don't talk to

284

00:10:37,750 --> 00:10:35,279

outsiders uh they don't make a a

285

00:10:39,829 --> 00:10:37,760

practice of that but i i helped him out

286

00:10:41,190 --> 00:10:39,839

and i called the principal because and

287

00:10:43,509 --> 00:10:41,200

asked him

288

00:10:46,230 --> 00:10:43,519

did anybody happen to see strange lights

289

00:10:48,230 --> 00:10:46,240

on march 13th because these lights keep

290

00:10:50,069 --> 00:10:48,240

popping up right where south mountain

291

00:10:52,069 --> 00:10:50,079

and the australia is intersect and he

292

00:10:53,350 --> 00:10:52,079

started to giggle and i said is that

293

00:10:55,030 --> 00:10:53,360

funny and he said are you kidding you've

294

00:10:57,670 --> 00:10:55,040

been looking up at them for centuries we

295

00:10:59,910 --> 00:10:57,680

call them sky people light beings i had

296

00:11:02,470 --> 00:10:59,920

no idea i had never heard of that in

297

00:11:04,870 --> 00:11:02,480

fact i was the first i had heard of the

298

00:11:06,949 --> 00:11:04,880

fact that indigenous cultures so

299

00:11:10,150 --> 00:11:06,959

fascinating worldwide

300

00:11:12,790 --> 00:11:10,160

are very open to other intelligences

301  
00:11:14,870 --> 00:11:12,800  
coming to visit us in fact the hopi and

302  
00:11:17,670 --> 00:11:14,880  
others right here in arizona have

303  
00:11:18,389 --> 00:11:17,680  
protocols to invite these intelligences

304  
00:11:20,790 --> 00:11:18,399  
in

305  
00:11:22,870 --> 00:11:20,800  
and some of them believe that these orbs

306  
00:11:25,910 --> 00:11:22,880  
that we're going to be talking about

307  
00:11:27,509 --> 00:11:25,920  
are actually spirit world or ancestors

308  
00:11:28,470 --> 00:11:27,519  
coming to give them guidance and

309  
00:11:30,949 --> 00:11:28,480  
knowledge

310  
00:11:33,190 --> 00:11:30,959  
and comfort and inspiration and i have

311  
00:11:34,550 --> 00:11:33,200  
to admit vinnie i've been inspired to do

312  
00:11:36,150 --> 00:11:34,560  
this

313  
00:11:39,430 --> 00:11:36,160

as i go on i get more and more

314

00:11:41,910 --> 00:11:39,440

passionate but um the fact is that

315

00:11:44,389 --> 00:11:41,920

they are very open to these there's no

316

00:11:46,710 --> 00:11:44,399

fear there's there's actually joy

317

00:11:48,470 --> 00:11:46,720

um with these phenomena which we're

318

00:11:51,190 --> 00:11:48,480

going to get to with the phoenix lights

319

00:11:55,470 --> 00:11:51,200

because it's very similar how people

320

00:11:59,350 --> 00:11:57,430

1995.

321

00:12:01,430 --> 00:11:59,360

another little coincidence you want to

322

00:12:04,710 --> 00:12:01,440

call it that the eve of my birthday so

323

00:12:07,190 --> 00:12:04,720

it was a kind of a really cool gift

324

00:12:09,350 --> 00:12:07,200

this is what it all started for me again

325

00:12:11,829 --> 00:12:09,360

my husband's also a physician healthy

326

00:12:13,910 --> 00:12:11,839

skeptic got to see it to believe it and

327

00:12:16,790 --> 00:12:13,920

you have to be open to anyone coming

328

00:12:20,230 --> 00:12:16,800

through the door as a as a physician um

329

00:12:21,990 --> 00:12:20,240

but here i am in a room adjacent to our

330

00:12:24,550 --> 00:12:22,000

bedroom and as you saw with the

331

00:12:25,829 --> 00:12:24,560

topography one wall of the bedroom is a

332

00:12:28,310 --> 00:12:25,839

window

333

00:12:30,389 --> 00:12:28,320

so whatever pops up out there whether

334

00:12:32,310 --> 00:12:30,399

it's um uh

335

00:12:35,269 --> 00:12:32,320

hagoobs you know these dust storms that

336

00:12:37,190 --> 00:12:35,279

come across or a fire or the lights i

337

00:12:39,509 --> 00:12:37,200

mean we're very familiar with car lights

338

00:12:41,030 --> 00:12:39,519

and street lights and helens and

339

00:12:43,269 --> 00:12:41,040

planes and so forth because we're

340

00:12:45,590 --> 00:12:43,279

looking south towards sky harbor

341

00:12:48,629 --> 00:12:45,600

international airport anyway i'm in the

342

00:12:51,509 --> 00:12:48,639

bath in a room adjacent to the bedroom

343

00:12:53,269 --> 00:12:51,519

my husband's standing at this window

344

00:12:55,750 --> 00:12:53,279

talking to my mother-in-law who can't

345

00:12:58,949 --> 00:12:55,760

call to wish me a happy birthday from

346

00:13:00,710 --> 00:12:58,959

philadelphia uh and suddenly and he was

347

00:13:02,790 --> 00:13:00,720

on several state and

348

00:13:04,790 --> 00:13:02,800

um hospital medical boards nothing ever

349

00:13:06,470 --> 00:13:04,800

ruffled his feathers and suddenly he

350

00:13:08,550 --> 00:13:06,480

sounded alarmed he says oh my god what

351  
00:13:11,829 --> 00:13:08,560  
the hell does that get over here quick i

352  
00:13:14,230 --> 00:13:11,839  
grab a towel go running rigging wet to

353  
00:13:15,670 --> 00:13:14,240  
the window and here a little below is

354  
00:13:17,990 --> 00:13:15,680  
because we're really high on the

355  
00:13:19,990 --> 00:13:18,000  
mountain in paradise valley

356  
00:13:23,110 --> 00:13:20,000  
we're kind of nestled in the mountain

357  
00:13:26,310 --> 00:13:23,120  
range it is a no-fly zone so there is no

358  
00:13:27,190 --> 00:13:26,320  
way this was military and we're gated as

359  
00:13:28,949 --> 00:13:27,200  
well

360  
00:13:32,470 --> 00:13:28,959  
because the first thing i see are these

361  
00:13:34,310 --> 00:13:32,480  
three amber orbs in a pyramid formation

362  
00:13:36,629 --> 00:13:34,320  
one on top and too closely aligned

363  
00:13:38,870 --> 00:13:36,639

underneath a little below us and it's

364

00:13:40,870 --> 00:13:38,880

very treacherous desert landscape and

365

00:13:42,550 --> 00:13:40,880

it's gated and i looked underneath and

366

00:13:44,150 --> 00:13:42,560

it was just black because i thought

367

00:13:46,230 --> 00:13:44,160

maybe somebody was creating it although

368

00:13:48,629 --> 00:13:46,240

it was very dangerous to be there

369

00:13:50,550 --> 00:13:48,639

total blackness and

370

00:13:53,509 --> 00:13:50,560

my first thought was to run downstairs

371

00:13:55,110 --> 00:13:53,519

to get my video camera because i collect

372

00:13:57,509 --> 00:13:55,120

you know that i do video workout

373

00:13:59,030 --> 00:13:57,519

curriculum but it was downstairs and

374

00:14:01,269 --> 00:13:59,040

you'll hear from many people who have

375

00:14:03,350 --> 00:14:01,279

had a paranormal experience

376

00:14:04,470 --> 00:14:03,360

similar to these you don't want to move

377

00:14:06,230 --> 00:14:04,480

because you don't know how long it's

378

00:14:08,470 --> 00:14:06,240

going to last so i try to take

379

00:14:10,629 --> 00:14:08,480

everything in mentally the size the

380

00:14:12,310 --> 00:14:10,639

shape the color they were about three to

381

00:14:13,750 --> 00:14:12,320

six feet each depending on how close

382

00:14:18,870 --> 00:14:13,760

they were

383

00:14:21,509 --> 00:14:18,880

which is really interesting now that the

384

00:14:23,030 --> 00:14:21,519

navy nimitz pilots have come forward

385

00:14:25,350 --> 00:14:23,040

just in the last couple years to

386

00:14:27,030 --> 00:14:25,360

describe what they've seen as tic tac

387

00:14:29,110 --> 00:14:27,040

shape or

388

00:14:30,790 --> 00:14:29,120

login shape

389

00:14:33,990 --> 00:14:30,800

i don't know if it's the same phenomena

390

00:14:36,870 --> 00:14:34,000

but nonetheless they were oval shaped

391

00:14:38,629 --> 00:14:36,880

they were a uniform amber color

392

00:14:41,189 --> 00:14:38,639

throughout very

393

00:14:43,030 --> 00:14:41,199

soothing very mesmerizing i noticed

394

00:14:44,710 --> 00:14:43,040

every other light out there glared

395

00:14:47,269 --> 00:14:44,720

street lights car lights house lights

396

00:14:48,550 --> 00:14:47,279

whatever these did not and i called them

397

00:14:50,949 --> 00:14:48,560

an orb

398

00:14:53,189 --> 00:14:50,959

because the light did not extend outside

399

00:14:55,269 --> 00:14:53,199

the edge it was self-contained as you

400

00:14:57,990 --> 00:14:55,279

can see with the car it's not

401  
00:15:00,949 --> 00:14:58,000  
self-contained it reflects onto the

402  
00:15:02,389 --> 00:15:00,959  
ground and most other lights reflect out

403  
00:15:05,750 --> 00:15:02,399  
okay

404  
00:15:07,670 --> 00:15:05,760  
get a picture of this no one's going to

405  
00:15:09,829 --> 00:15:07,680  
believe it so i go running to the closet

406  
00:15:11,910 --> 00:15:09,839  
i collect sunsets but if you go on the

407  
00:15:14,069 --> 00:15:11,920  
photo page at the phoenix lights network

408  
00:15:15,829 --> 00:15:14,079  
website you'll see at the bottom two

409  
00:15:19,269 --> 00:15:15,839  
sunsets with actually

410  
00:15:20,870 --> 00:15:19,279  
huge cylindrical cigar shaped maybe

411  
00:15:22,230 --> 00:15:20,880  
motherships i don't know we've had them

412  
00:15:24,069 --> 00:15:22,240  
analyzed and they're definitely

413  
00:15:26,550 --> 00:15:24,079

anomalous but at any rate i collect

414

00:15:29,670 --> 00:15:26,560

sunsets so i go to in the closet to grab

415

00:15:31,670 --> 00:15:29,680

my cheap canon ensematic 35 millimeter

416

00:15:32,870 --> 00:15:31,680

camera my husband calls me back he says

417

00:15:34,230 --> 00:15:32,880

get over here quick one of them is

418

00:15:37,829 --> 00:15:34,240

disappearing

419

00:15:38,790 --> 00:15:37,839

and as we both watched in utter awe and

420

00:15:40,470 --> 00:15:38,800

wonder

421

00:15:42,550 --> 00:15:40,480

the top orb

422

00:15:45,030 --> 00:15:42,560

without budging from the two underneath

423

00:15:47,509 --> 00:15:45,040

and i really took note of this the only

424

00:15:49,509 --> 00:15:47,519

we have two sons and the only shows and

425

00:15:51,749 --> 00:15:49,519

movies we ever saw are e.t close

426  
00:15:52,790 --> 00:15:51,759  
encounters are in their 40s now and the

427  
00:15:55,670 --> 00:15:52,800  
original

428  
00:15:59,269 --> 00:15:55,680  
uh star trek series so immediately i

429  
00:16:04,550 --> 00:16:01,749  
because it waivers these did not

430  
00:16:06,389 --> 00:16:04,560  
but it felt like it was cloaking it is

431  
00:16:09,189 --> 00:16:06,399  
so difficult to

432  
00:16:11,910 --> 00:16:09,199  
describe in logical terms it started to

433  
00:16:13,670 --> 00:16:11,920  
the top work started to shrink

434  
00:16:16,550 --> 00:16:13,680  
mechanically as if there was an

435  
00:16:19,110 --> 00:16:16,560  
intelligence behind it slowly and slowly

436  
00:16:22,389 --> 00:16:19,120  
like like a dimmer switch on those until

437  
00:16:24,550 --> 00:16:22,399  
it was a p size and then disappeared but

438  
00:16:25,749 --> 00:16:24,560

it still felt like it was there

439

00:16:28,150 --> 00:16:25,759

where did it go

440

00:16:30,629 --> 00:16:28,160

i get out on the balcony immediately

441

00:16:32,790 --> 00:16:30,639

notice an eerie silence as if time had

442

00:16:34,710 --> 00:16:32,800

stopped it was just bizarre and took a

443

00:16:38,790 --> 00:16:34,720

quick picture of the two lower orbs

444

00:16:44,470 --> 00:16:41,189

there you go okay if you look on the

445

00:16:45,509 --> 00:16:44,480

bottom left that's the two lower orbs

446

00:16:46,470 --> 00:16:45,519

okay

447

00:16:48,230 --> 00:16:46,480

and

448

00:16:51,749 --> 00:16:48,240

i did not admit this

449

00:16:54,150 --> 00:16:51,759

to assault for two years so after the

450

00:16:56,870 --> 00:16:54,160

mass sighting but as intently as i was

451  
00:16:59,110 --> 00:16:56,880  
watching these two lower orbs it felt

452  
00:17:01,350 --> 00:16:59,120  
like something was watching me

453  
00:17:03,829 --> 00:17:01,360  
and going through my mind at that exact

454  
00:17:05,429 --> 00:17:03,839  
moment i thought who are you what are

455  
00:17:06,710 --> 00:17:05,439  
you do you know that i'm here i'd love

456  
00:17:09,029 --> 00:17:06,720  
to meet you

457  
00:17:11,510 --> 00:17:09,039  
and the next thing i remember the left

458  
00:17:13,669 --> 00:17:11,520  
bottom orb started to shrink just like

459  
00:17:14,870 --> 00:17:13,679  
the top one did and i something told me

460  
00:17:18,789 --> 00:17:14,880  
to take a picture i immediately took a

461  
00:17:21,429 --> 00:17:18,799  
picture of that that's the next picture

462  
00:17:25,590 --> 00:17:21,439  
and you can see that these orbs not only

463  
00:17:27,189 --> 00:17:25,600

moved but miraculously i caught one or

464

00:17:29,190 --> 00:17:27,199

half disappeared

465

00:17:31,190 --> 00:17:29,200

while it was shrinking and one's still

466

00:17:32,070 --> 00:17:31,200

there but i didn't even know who to show

467

00:17:34,070 --> 00:17:32,080

it to

468

00:17:36,230 --> 00:17:34,080

i knew nothing about the topic and no

469

00:17:37,270 --> 00:17:36,240

one who was but

470

00:17:39,110 --> 00:17:37,280

i'm gonna

471

00:17:41,190 --> 00:17:39,120

skip ahead a little bit before we get to

472

00:17:43,750 --> 00:17:41,200

the mass sighting

473

00:17:44,950 --> 00:17:43,760

three years later a year after the mass

474

00:17:49,350 --> 00:17:44,960

sighting

475

00:17:51,350 --> 00:17:49,360

anybody has uh amazon

476

00:17:53,110 --> 00:17:51,360

uh on amazon prime we have our

477

00:17:54,789 --> 00:17:53,120

award-winning documentary the phoenix

478

00:17:57,029 --> 00:17:54,799

sites beyond top secret it keeps

479

00:17:59,750 --> 00:17:57,039

evolving so there's several different

480

00:18:01,270 --> 00:17:59,760

versions there but that's the latest one

481

00:18:03,190 --> 00:18:01,280

and um

482

00:18:05,350 --> 00:18:03,200

if you take a look at that one in there

483

00:18:08,870 --> 00:18:05,360

we actually have footage

484

00:18:10,230 --> 00:18:08,880

of this 1998

485

00:18:12,630 --> 00:18:10,240

amazing

486

00:18:14,789 --> 00:18:12,640

sighting that i had alerted the other

487

00:18:15,590 --> 00:18:14,799

people too because the lights had not

488

00:18:17,590 --> 00:18:15,600

come

489

00:18:20,950 --> 00:18:17,600

back for a whole year

490

00:18:23,350 --> 00:18:20,960

and january of 1998

491

00:18:26,230 --> 00:18:23,360

through a fog which is very rare in

492

00:18:28,789 --> 00:18:26,240

phoenix i have to tell you i saw two

493

00:18:31,270 --> 00:18:28,799

muted you know wars and i thought whoa

494

00:18:32,789 --> 00:18:31,280

is that the phoenix like and i already

495

00:18:34,310 --> 00:18:32,799

met with the university of arizona they

496

00:18:35,990 --> 00:18:34,320

said i'd better get a better camera and

497

00:18:38,310 --> 00:18:36,000

i ran out the next morning and got a

498

00:18:40,630 --> 00:18:38,320

high high-end phentex camera with the

499

00:18:42,870 --> 00:18:40,640

tele lens and a star filter and all that

500

00:18:44,870 --> 00:18:42,880

the next night they came back

501  
00:18:46,870 --> 00:18:44,880  
and i got amazing pictures and i

502  
00:18:48,549 --> 00:18:46,880  
happened to have a meeting at village

503  
00:18:51,510 --> 00:18:48,559  
labs which was a clearinghouse here

504  
00:18:52,950 --> 00:18:51,520  
locally big computer lab and told them

505  
00:18:55,190 --> 00:18:52,960  
to get people on the ready they might

506  
00:18:56,390 --> 00:18:55,200  
come back a third night which they did

507  
00:18:58,950 --> 00:18:56,400  
and we had

508  
00:19:00,710 --> 00:18:58,960  
coincidentally uh people from the mass

509  
00:19:03,510 --> 00:19:00,720  
sighting who had gotten video north

510  
00:19:05,190 --> 00:19:03,520  
south east and west on the ready and we

511  
00:19:08,950 --> 00:19:05,200  
all caught a

512  
00:19:10,870 --> 00:19:08,960  
40-mile wide 20-minute array of straight

513  
00:19:13,909 --> 00:19:10,880

lines and mirror images and the final

514

00:19:16,950 --> 00:19:13,919

thing with a giant pyramid triangle

515

00:19:18,549 --> 00:19:16,960

i mean it was just amazing and we got it

516

00:19:20,789 --> 00:19:18,559

from four different

517

00:19:22,470 --> 00:19:20,799

locations which was different than the

518

00:19:24,630 --> 00:19:22,480

mass sighting and i'll get back to that

519

00:19:26,470 --> 00:19:24,640

because people took video but different

520

00:19:29,029 --> 00:19:26,480

times and different formations this was

521

00:19:31,029 --> 00:19:29,039

the same information at the same time

522

00:19:34,070 --> 00:19:31,039

and i have been told to contact navy

523

00:19:36,830 --> 00:19:34,080

optical physicist dr bruce mcavee

524

00:19:39,750 --> 00:19:36,840

who is very well respected in the

525

00:19:41,909 --> 00:19:39,760

field and i finally did this is three

526  
00:19:44,710 --> 00:19:41,919  
years after the mass sighting and i sent

527  
00:19:47,190 --> 00:19:44,720  
him the video from the four of us and as

528  
00:19:48,470 --> 00:19:47,200  
an afterthought i sent that first and

529  
00:19:50,549 --> 00:19:48,480  
last picture

530  
00:19:52,870 --> 00:19:50,559  
and to ask him what does he think those

531  
00:19:55,590 --> 00:19:52,880  
closed orbs are now if we can go back to

532  
00:19:58,310 --> 00:19:55,600  
the first picture

533  
00:20:00,390 --> 00:19:58,320  
okay if you notice and he calls me two

534  
00:20:02,070 --> 00:20:00,400  
weeks later and he says you told me that

535  
00:20:03,669 --> 00:20:02,080  
closed sighting was only a couple

536  
00:20:04,549 --> 00:20:03,679  
minutes i said right he said are you

537  
00:20:06,310 --> 00:20:04,559  
sure

538  
00:20:07,909 --> 00:20:06,320

i said that's what i remember he said

539

00:20:09,909 --> 00:20:07,919

ask your husband

540

00:20:11,590 --> 00:20:09,919

interestingly he was inside i was

541

00:20:13,750 --> 00:20:11,600

outside taking the pictures

542

00:20:15,430 --> 00:20:13,760

he wouldn't talk about it he would get

543

00:20:17,270 --> 00:20:15,440

agitated when i brought it didn't make

544

00:20:19,270 --> 00:20:17,280

sense because to me it was wondrous and

545

00:20:21,430 --> 00:20:19,280

awesome and amazing

546

00:20:22,630 --> 00:20:21,440

he would not talk about it

547

00:20:23,990 --> 00:20:22,640

everybody comes from a different

548

00:20:25,750 --> 00:20:24,000

background from a different upbringing

549

00:20:27,830 --> 00:20:25,760

from a different belief system some

550

00:20:30,149 --> 00:20:27,840

people can't deal with this topic some

551

00:20:32,549 --> 00:20:30,159

people don't want to and that's okay

552

00:20:35,029 --> 00:20:32,559

everyone in their own time

553

00:20:36,950 --> 00:20:35,039

but he said to me you have to confirm

554

00:20:38,149 --> 00:20:36,960

that you both saw the same thing so i

555

00:20:40,070 --> 00:20:38,159

sat him down i said look we don't have

556

00:20:42,789 --> 00:20:40,080

to talk about it but tell me how long do

557

00:20:44,950 --> 00:20:42,799

you think that 95 sighting was he says i

558

00:20:47,909 --> 00:20:44,960

don't know two three four minutes

559

00:20:49,669 --> 00:20:47,919

long i said okay i go back to dr mcafee

560

00:20:51,510 --> 00:20:49,679

says that's impossible i said what do

561

00:20:52,950 --> 00:20:51,520

you mean

562

00:20:55,190 --> 00:20:52,960

he says first of all and he was the

563

00:20:57,350 --> 00:20:55,200

first one to notice it if you see at the

564

00:20:59,270 --> 00:20:57,360

top of the picture there's an arrow at

565

00:21:00,549 --> 00:20:59,280

four lights there

566

00:21:02,710 --> 00:21:00,559

okay

567

00:21:04,230 --> 00:21:02,720

that's the same exact

568

00:21:06,870 --> 00:21:04,240

anomaly

569

00:21:09,190 --> 00:21:06,880

in the same exact location

570

00:21:10,870 --> 00:21:09,200

that i would also capture

571

00:21:12,950 --> 00:21:10,880

two months before the mass sighting that

572

00:21:16,710 --> 00:21:12,960

we'll get to and during the mass

573

00:21:18,070 --> 00:21:16,720

sighting so it was there in 95. there

574

00:21:19,510 --> 00:21:18,080

were also

575

00:21:21,669 --> 00:21:19,520

during the mass sighting people that

576

00:21:23,190 --> 00:21:21,679

describe these orbs detaching from the

577

00:21:25,510 --> 00:21:23,200

main object going out into the

578

00:21:28,630 --> 00:21:25,520

environment and then redocking with it

579

00:21:30,470 --> 00:21:28,640

later is that what happened in 95

580

00:21:31,990 --> 00:21:30,480

i'm here to say i'm not here to convince

581

00:21:34,710 --> 00:21:32,000

anybody of anything i'm just sharing the

582

00:21:37,110 --> 00:21:34,720

data the data speaks for itself you

583

00:21:40,230 --> 00:21:37,120

decide okay but meanwhile there it is

584

00:21:43,590 --> 00:21:40,240

this is 35 million it's in the negative

585

00:21:46,870 --> 00:21:43,600

cannot be explained or denied what's

586

00:21:49,590 --> 00:21:46,880

interesting in the next one

587

00:21:52,149 --> 00:21:49,600

you also notice now there are two as the

588

00:21:55,350 --> 00:21:52,159

orbs are disappearing close to us

589

00:21:56,710 --> 00:21:55,360

so are the orbs in the background

590

00:21:59,350 --> 00:21:56,720

but he said that's not the most

591

00:22:02,230 --> 00:21:59,360

important thing go back to the first one

592

00:22:04,950 --> 00:22:02,240

he's pleased thank you vinnie he says

593

00:22:06,470 --> 00:22:04,960

the most poignant thing to him

594

00:22:09,270 --> 00:22:06,480

was that he noticed and i would have

595

00:22:11,909 --> 00:22:09,280

never noticed that in a zillion years

596

00:22:14,149 --> 00:22:11,919

that there were many lights groups of

597

00:22:15,750 --> 00:22:14,159

lights not just individual lights on in

598

00:22:18,549 --> 00:22:15,760

the first picture

599

00:22:20,390 --> 00:22:18,559

that are off in the last picture he says

600

00:22:22,149 --> 00:22:20,400

that doesn't happen

601  
00:22:23,669 --> 00:22:22,159  
in just a couple minutes he says i want

602  
00:22:25,990 --> 00:22:23,679  
you to do an experiment he was very

603  
00:22:28,870 --> 00:22:26,000  
meticulous with his analysis in fact his

604  
00:22:30,870 --> 00:22:28,880  
21-page report is on the phoenix lights

605  
00:22:32,870 --> 00:22:30,880  
network website for anybody that wants

606  
00:22:35,270 --> 00:22:32,880  
to take a peek and i also have some in

607  
00:22:37,590 --> 00:22:35,280  
the book but he says to me i want you to

608  
00:22:41,909 --> 00:22:37,600  
stand out on the balcony approximately

609  
00:22:43,590 --> 00:22:41,919  
the same place you were standing in 95

610  
00:22:46,630 --> 00:22:43,600  
and one night take a picture of the

611  
00:22:48,070 --> 00:22:46,640  
skyline for an every hour the next night

612  
00:22:50,549 --> 00:22:48,080  
every half hour i actually did another

613  
00:22:52,950 --> 00:22:50,559

night every 15 minutes to see when these

614

00:22:54,549 --> 00:22:52,960

lights start going out now i usually

615

00:22:56,470 --> 00:22:54,559

take a bath when we're home between

616

00:22:58,549 --> 00:22:56,480

seven and eight in the evening so let's

617

00:23:00,310 --> 00:22:58,559

be conservative and say starting point

618

00:23:02,070 --> 00:23:00,320

is eight o'clock

619

00:23:04,870 --> 00:23:02,080

the lights started going out at nine

620

00:23:07,669 --> 00:23:04,880

o'clock the last picture is indicative

621

00:23:09,510 --> 00:23:07,679

of 10 30 11 o'clock

622

00:23:12,549 --> 00:23:09,520

and he says to me

623

00:23:17,029 --> 00:23:12,559

can i present this case at the upcoming

624

00:23:22,549 --> 00:23:19,669

international symposium in washington dc

625

00:23:24,950 --> 00:23:22,559

that was coming up i said dr mcafee this

626

00:23:27,029 --> 00:23:24,960

is your baby i would have never noticed

627

00:23:29,029 --> 00:23:27,039

this but i was staying anonymous and i

628

00:23:30,710 --> 00:23:29,039

mean anonymous for seven years only a

629

00:23:32,789 --> 00:23:30,720

handful of people knew what i had

630

00:23:34,630 --> 00:23:32,799

because i wanted to do my homework find

631

00:23:36,390 --> 00:23:34,640

out what the heck was going on before i

632

00:23:37,830 --> 00:23:36,400

would come forward right

633

00:23:40,070 --> 00:23:37,840

and we'll get to that there was a lot of

634

00:23:42,390 --> 00:23:40,080

ridicule and discrediting at the time

635

00:23:43,590 --> 00:23:42,400

but at any rate i said as long as you

636

00:23:45,430 --> 00:23:43,600

don't

637

00:23:47,510 --> 00:23:45,440

mention who they're from i want to stay

638

00:23:49,590 --> 00:23:47,520

anonymous and he was kind enough as were

639

00:23:52,149 --> 00:23:49,600

a handful of other people to keep me

640

00:23:53,909 --> 00:23:52,159

anonymous until i came forward

641

00:23:57,510 --> 00:23:53,919

he presents the case that we can go to

642

00:24:00,470 --> 00:23:57,520

the next slide if you would

643

00:24:03,269 --> 00:24:00,480

and again very meticulous i mean the top

644

00:24:05,269 --> 00:24:03,279

one are groups of lights the bottom one

645

00:24:07,110 --> 00:24:05,279

are out okay

646

00:24:08,950 --> 00:24:07,120

and he did it again by the way several

647

00:24:12,230 --> 00:24:08,960

years ago for national geographic and

648

00:24:14,230 --> 00:24:12,240

with better software um higher quality

649

00:24:15,350 --> 00:24:14,240

he found even more lights that were

650

00:24:17,110 --> 00:24:15,360

groups of lights that were on in the

651

00:24:18,390 --> 00:24:17,120

first picture off the last later he

652

00:24:20,230 --> 00:24:18,400

presented the case

653

00:24:21,590 --> 00:24:20,240

as the first and as far as we know the

654

00:24:24,070 --> 00:24:21,600

only

655

00:24:25,990 --> 00:24:24,080

authenticated photographic evidence of

656

00:24:28,149 --> 00:24:26,000

missing time

657

00:24:29,750 --> 00:24:28,159

now it took me a long time to come

658

00:24:32,549 --> 00:24:29,760

forward with this

659

00:24:34,630 --> 00:24:32,559

actually it wasn't until uh the the

660

00:24:36,549 --> 00:24:34,640

second edition of the book like

661

00:24:37,590 --> 00:24:36,559

a dozen years later

662

00:24:39,510 --> 00:24:37,600

um

663

00:24:41,110 --> 00:24:39,520

because i couldn't i still can't wrap my

664

00:24:42,230 --> 00:24:41,120

head around it what i told you is what i

665

00:24:44,230 --> 00:24:42,240

remember

666

00:24:47,110 --> 00:24:44,240

and i

667

00:24:48,710 --> 00:24:47,120

what the reason i am sharing it now and

668

00:24:51,430 --> 00:24:48,720

i shared it then

669

00:24:53,269 --> 00:24:51,440

was because we've come a long way

670

00:24:56,149 --> 00:24:53,279

um that quantum physics quantum

671

00:24:58,390 --> 00:24:56,159

mechanics are now talking about 10 or 11

672

00:25:00,870 --> 00:24:58,400

different dimensions not only

673

00:25:03,029 --> 00:25:00,880

is our concept of time

674

00:25:05,669 --> 00:25:03,039

linear time primitive

675

00:25:08,230 --> 00:25:05,679

past present and future time may not be

676

00:25:10,230 --> 00:25:08,240

that at all okay but certainly when i

677

00:25:11,830 --> 00:25:10,240

went out on the balcony it seemed like

678

00:25:12,950 --> 00:25:11,840

time had stopped so what the heck is

679

00:25:15,029 --> 00:25:12,960

that okay

680

00:25:17,029 --> 00:25:15,039

but also if there are other times and

681

00:25:19,830 --> 00:25:17,039

spaces i mean string theory talks about

682

00:25:21,510 --> 00:25:19,840

10 or 11 different dimensions out there

683

00:25:22,950 --> 00:25:21,520

if there are other times and spaces

684

00:25:25,750 --> 00:25:22,960

along with ours

685

00:25:28,549 --> 00:25:25,760

then why is it so difficult to

686

00:25:30,390 --> 00:25:28,559

surmise that there might be other

687

00:25:33,029 --> 00:25:30,400

sentient beings

688

00:25:35,909 --> 00:25:33,039

in those other times and spaces that we

689

00:25:38,789 --> 00:25:35,919

get glimpses of if we're open to them

690

00:25:41,110 --> 00:25:38,799

or invited and that's the first step is

691

00:25:44,149 --> 00:25:41,120

to be open to at least listen to the

692

00:25:46,789 --> 00:25:44,159

data and it's your choice out there

693

00:25:49,510 --> 00:25:46,799

but the data is there now including this

694

00:25:51,909 --> 00:25:49,520

data okay let's move forward now

695

00:25:54,950 --> 00:25:51,919

didn't see anything remotely close to

696

00:25:56,950 --> 00:25:54,960

these closed orbs in 95 and mind you

697

00:25:57,909 --> 00:25:56,960

when we're in the bedroom and

698

00:26:00,310 --> 00:25:57,919

the big

699

00:26:01,750 --> 00:26:00,320

window that's one wall um that when

700

00:26:04,230 --> 00:26:01,760

we're in there we get to see whatever

701  
00:26:07,110 --> 00:26:04,240  
pops up out there and i did look okay i

702  
00:26:08,830 --> 00:26:07,120  
admit i did look periodically

703  
00:26:11,190 --> 00:26:08,840  
um nothing

704  
00:26:12,870 --> 00:26:11,200  
okay until

705  
00:26:15,430 --> 00:26:12,880  
two months before the mass sighting

706  
00:26:16,789 --> 00:26:15,440  
january 22nd

707  
00:26:19,110 --> 00:26:16,799  
97

708  
00:26:22,390 --> 00:26:19,120  
i'm lying in bed and i noticed three

709  
00:26:25,590 --> 00:26:22,400  
amber orbs in a row now far

710  
00:26:28,149 --> 00:26:25,600  
northwest at a distance but they're huge

711  
00:26:29,990 --> 00:26:28,159  
huge amber walls they're equidistant

712  
00:26:31,669 --> 00:26:30,000  
from each other they're hovering for

713  
00:26:35,350 --> 00:26:31,679

several minutes

714

00:26:37,590 --> 00:26:35,360

strangely similar to 95 and as i watched

715

00:26:39,510 --> 00:26:37,600

they started to implode

716

00:26:40,950 --> 00:26:39,520

one by one from right to left i don't

717

00:26:42,789 --> 00:26:40,960

know if that's significant but that's

718

00:26:44,470 --> 00:26:42,799

the way they did

719

00:26:45,909 --> 00:26:44,480

mention it to my husband he says do i

720

00:26:48,230 --> 00:26:45,919

still have to go to work tomorrow that

721

00:26:50,230 --> 00:26:48,240

was his reaction okay

722

00:26:51,430 --> 00:26:50,240

so the next night he was at a medical

723

00:26:54,070 --> 00:26:51,440

board meeting

724

00:26:55,590 --> 00:26:54,080

and i happen to be in the bedroom near

725

00:26:58,630 --> 00:26:55,600

the sliding glass doors that are

726  
00:27:00,549 --> 00:26:58,640  
perpendicular to that big window that i

727  
00:27:04,070 --> 00:27:00,559  
had gone out to the balcony and i

728  
00:27:06,470 --> 00:27:04,080  
noticed the same three orbs

729  
00:27:08,070 --> 00:27:06,480  
in the equidistant line formation are

730  
00:27:09,269 --> 00:27:08,080  
now in front of south mountain and i

731  
00:27:10,230 --> 00:27:09,279  
knew they were in front of south

732  
00:27:13,590 --> 00:27:10,240  
mountain

733  
00:27:15,750 --> 00:27:13,600  
because there are blinking red lights on

734  
00:27:17,590 --> 00:27:15,760  
top of the mountain to alert

735  
00:27:20,870 --> 00:27:17,600  
planes coming into sky harbor which is

736  
00:27:23,269 --> 00:27:20,880  
just in front of south mountain

737  
00:27:25,190 --> 00:27:23,279  
and i thought okay enough i'm getting my

738  
00:27:27,190 --> 00:27:25,200

video camera so i run downstairs and it

739

00:27:29,590 --> 00:27:27,200

was fully charged by the way i get out

740

00:27:32,549 --> 00:27:29,600

to the front of the house i get about 18

741

00:27:34,870 --> 00:27:32,559

seconds worth it goes dead

742

00:27:36,470 --> 00:27:34,880

i go inside i plug it on

743

00:27:37,590 --> 00:27:36,480

i go outside it's about eight o'clock

744

00:27:39,590 --> 00:27:37,600

they're gone

745

00:27:41,190 --> 00:27:39,600

about a half hour later my husband comes

746

00:27:43,029 --> 00:27:41,200

up to drive and we have a very long

747

00:27:44,710 --> 00:27:43,039

drive up the mountain

748

00:27:46,230 --> 00:27:44,720

and i went outside and i said honey

749

00:27:48,870 --> 00:27:46,240

remember i told you about the three

750

00:27:50,710 --> 00:27:48,880

amber orbs far northwest last night in a

751  
00:27:51,990 --> 00:27:50,720  
line from asian well about a half an

752  
00:27:54,389 --> 00:27:52,000  
hour ago they were right in front of

753  
00:27:56,789 --> 00:27:54,399  
south mountain as i'm pointing like this

754  
00:27:59,029 --> 00:27:56,799  
they reappear in the same spot it was

755  
00:28:00,789 --> 00:27:59,039  
like well i got to get a picture of this

756  
00:28:03,590 --> 00:28:00,799  
and again i don't believe in coincidence

757  
00:28:06,630 --> 00:28:03,600  
because in this instance

758  
00:28:08,710 --> 00:28:06,640  
video doesn't do the unknowns justice

759  
00:28:11,430 --> 00:28:08,720  
they're much smaller they're white they

760  
00:28:14,549 --> 00:28:11,440  
flicker even though for the trained eye

761  
00:28:16,789 --> 00:28:14,559  
the formations are very compelling

762  
00:28:18,549 --> 00:28:16,799  
in 35 millimeter

763  
00:28:21,510 --> 00:28:18,559

they're in the negative okay they can't

764

00:28:23,830 --> 00:28:21,520

be denied so i run upstairs i grab my 35

765

00:28:26,070 --> 00:28:23,840

millimeter i get out on the balcony just

766

00:28:29,190 --> 00:28:26,080

as i'm ready to shoot the three

767

00:28:31,669 --> 00:28:29,200

suddenly six lights pop on equidistant

768

00:28:32,549 --> 00:28:31,679

from each other massive span over a mile

769

00:28:34,310 --> 00:28:32,559

wide

770

00:28:36,950 --> 00:28:34,320

above the three we can go to the next

771

00:28:40,470 --> 00:28:38,149

there you go

772

00:28:43,590 --> 00:28:40,480

which you can see it's wavy

773

00:28:49,430 --> 00:28:45,590

it was so massive

774

00:28:51,110 --> 00:28:49,440

and not having an explanation for 95

775

00:28:53,510 --> 00:28:51,120

it was like whoa

776

00:28:55,750 --> 00:28:53,520

what is this a mothership or a fleet i

777

00:28:58,310 --> 00:28:55,760

mean it was massive

778

00:29:00,710 --> 00:28:58,320

but thank goodness i kept clicking away

779

00:29:02,950 --> 00:29:00,720

the second picture is really significant

780

00:29:05,269 --> 00:29:02,960

to me it's a smoking gun

781

00:29:08,470 --> 00:29:05,279

if we can go to the next picture

782

00:29:10,630 --> 00:29:08,480

okay what we're looking at there

783

00:29:11,430 --> 00:29:10,640

if you really analyze what we're looking

784

00:29:14,230 --> 00:29:11,440

at

785

00:29:16,149 --> 00:29:14,240

is a v of five lights with two

786

00:29:17,990 --> 00:29:16,159

underneath well

787

00:29:19,909 --> 00:29:18,000

after the mass sighting

788

00:29:22,389 --> 00:29:19,919

thousands of people would come forward

789

00:29:23,269 --> 00:29:22,399

to say what they saw were five lights in

790

00:29:25,350 --> 00:29:23,279

a v

791

00:29:27,190 --> 00:29:25,360

with two trailing lights

792

00:29:28,149 --> 00:29:27,200

this is two months before the mass

793

00:29:29,190 --> 00:29:28,159

sighting

794

00:29:30,149 --> 00:29:29,200

what's that

795

00:29:33,909 --> 00:29:30,159

okay

796

00:29:37,990 --> 00:29:35,750

as the lights on the bottom started to

797

00:29:41,269 --> 00:29:38,000

disappear the top formation i was

798

00:29:44,630 --> 00:29:41,279

catching this on you know head-on turned

799

00:29:47,029 --> 00:29:44,640

to a v-shape as you can see right okay

800

00:29:49,909 --> 00:29:47,039

and the last picture

801  
00:29:51,430 --> 00:29:49,919  
which is also significant because if you

802  
00:29:53,669 --> 00:29:51,440  
look at that picture and again these

803  
00:29:56,070 --> 00:29:53,679  
have all been analyzed by military and

804  
00:29:58,710 --> 00:29:56,080  
university optical physicists and

805  
00:30:00,470 --> 00:29:58,720  
experts throughout the last 25 years

806  
00:30:01,590 --> 00:30:00,480  
cannot be explained they are true

807  
00:30:02,710 --> 00:30:01,600  
unknowns

808  
00:30:05,029 --> 00:30:02,720  
and

809  
00:30:08,149 --> 00:30:05,039  
if you look everyone in between is

810  
00:30:10,389 --> 00:30:08,159  
smaller than the one okay closer so

811  
00:30:13,990 --> 00:30:10,399  
we're surmising that the big ones are

812  
00:30:16,630 --> 00:30:14,000  
the closer arm the in between one's legs

813  
00:30:18,630 --> 00:30:16,640

are the further away arm

814

00:30:20,310 --> 00:30:18,640

keep that foot okay

815

00:30:22,070 --> 00:30:20,320

didn't sleep well that night we can keep

816

00:30:24,470 --> 00:30:22,080

it on this for a minute didn't sleep

817

00:30:26,549 --> 00:30:24,480

well that night next morning i wake my

818

00:30:28,950 --> 00:30:26,559

bigger look again i'm a healthy skeptic

819

00:30:31,750 --> 00:30:28,960

got to be a logical explanation

820

00:30:33,510 --> 00:30:31,760

and lat night before by the way while

821

00:30:35,590 --> 00:30:33,520

after the lights disappeared underneath

822

00:30:38,070 --> 00:30:35,600

i ran in and called the arizona republic

823

00:30:39,190 --> 00:30:38,080

which is a big newspaper here to say get

824

00:30:40,310 --> 00:30:39,200

somebody out there quick there's some

825

00:30:42,470 --> 00:30:40,320

strange lights in front of south

826

00:30:44,310 --> 00:30:42,480

mountain before they disappear and tell

827

00:30:46,310 --> 00:30:44,320

me what the heck they are

828

00:30:47,430 --> 00:30:46,320

by the time i finish my sentence they

829

00:30:49,110 --> 00:30:47,440

were gone

830

00:30:51,909 --> 00:30:49,120

so i woke up the next morning they were

831

00:30:55,590 --> 00:30:53,909

i said did anybody happen to call last

832

00:30:57,029 --> 00:30:55,600

night to report strange lights in front

833

00:30:58,710 --> 00:30:57,039

of south mountain she thought off she

834

00:30:59,669 --> 00:30:58,720

got right back on she said nope nobody

835

00:31:04,710 --> 00:30:59,679

called

836

00:31:06,070 --> 00:31:04,720

husband and i did see something unusual

837

00:31:07,750 --> 00:31:06,080

how can i find out what it must have

838

00:31:10,789 --> 00:31:07,760

been it might have been she said well

839

00:31:12,389 --> 00:31:10,799

sometimes luke air force base sends

840

00:31:14,549 --> 00:31:12,399

experimental maneuvers out and they

841

00:31:17,029 --> 00:31:14,559

don't tell the public about it

842

00:31:18,710 --> 00:31:17,039

that sounds logical but i wanted a

843

00:31:19,750 --> 00:31:18,720

follow-up so i called the luke air force

844

00:31:22,789 --> 00:31:19,760

base

845

00:31:24,870 --> 00:31:22,799

which is not far from phoenix and i said

846

00:31:26,310 --> 00:31:24,880

um i try to be professional my husband

847

00:31:28,389 --> 00:31:26,320

and i are both physicians we live

848

00:31:29,830 --> 00:31:28,399

mountainside in paradise valley we saw

849

00:31:31,669 --> 00:31:29,840

some strange lights in front of south

850

00:31:34,230 --> 00:31:31,679

baton last night could you tell me what

851  
00:31:35,990 --> 00:31:34,240  
they might have been and from the get-go

852  
00:31:37,110 --> 00:31:36,000  
she had an attitude and she said well

853  
00:31:38,149 --> 00:31:37,120  
they didn't come in from the air for

854  
00:31:40,230 --> 00:31:38,159  
space and they didn't come out from here

855  
00:31:42,950 --> 00:31:40,240  
so we had nothing to do with them

856  
00:31:44,789 --> 00:31:42,960  
i said okay be that as it may

857  
00:31:46,549 --> 00:31:44,799  
we did see something i even got pictures

858  
00:31:47,830 --> 00:31:46,559  
of it i'm just trying to find out what

859  
00:31:49,990 --> 00:31:47,840  
it was she says well you said it was

860  
00:31:52,950 --> 00:31:50,000  
near the airport so maybe uh they saw

861  
00:31:54,950 --> 00:31:52,960  
something there now it was a mission so

862  
00:31:56,630 --> 00:31:54,960  
i called the faa

863  
00:31:58,789 --> 00:31:56,640

called the same thing to the operator

864

00:31:59,990 --> 00:31:58,799

she was really nice she says you know

865

00:32:01,669 --> 00:32:00,000

maybe some of the air traffic

866

00:32:03,190 --> 00:32:01,679

controllers saw something last night let

867

00:32:05,110 --> 00:32:03,200

me check it out

868

00:32:07,110 --> 00:32:05,120

keeps me on the phone forever finally

869

00:32:08,710 --> 00:32:07,120

gets back on she says actually there was

870

00:32:10,710 --> 00:32:08,720

a group of

871

00:32:12,630 --> 00:32:10,720

air traffic controllers who did see some

872

00:32:14,789 --> 00:32:12,640

strange lights over

873

00:32:16,549 --> 00:32:14,799

restricted airspace

874

00:32:18,149 --> 00:32:16,559

and there are a couple that are here

875

00:32:20,310 --> 00:32:18,159

this morning i said oh please can i

876

00:32:21,830 --> 00:32:20,320

speaking with you one of them

877

00:32:23,830 --> 00:32:21,840

that took forever i mean it might have

878

00:32:26,389 --> 00:32:23,840

been five minutes but it seemed forever

879

00:32:28,149 --> 00:32:26,399

i met the guy subsequently not only as a

880

00:32:30,389 --> 00:32:28,159

meteorologist

881

00:32:31,509 --> 00:32:30,399

which is significant which i'll share

882

00:32:33,750 --> 00:32:31,519

but

883

00:32:35,669 --> 00:32:33,760

he's a really low key guy

884

00:32:36,870 --> 00:32:35,679

he gets on the phone he was more excited

885

00:32:38,230 --> 00:32:36,880

than me did you see that six months and

886

00:32:39,350 --> 00:32:38,240

he positions from each other and it

887

00:32:40,870 --> 00:32:39,360

hasn't realized that actually they're

888

00:32:42,630 --> 00:32:40,880

totally at eight o'clock i said yes

889

00:32:44,070 --> 00:32:42,640

that's why i'm calling he says at eight

890

00:32:45,430 --> 00:32:44,080

o'clock we looked on radar when the

891

00:32:47,350 --> 00:32:45,440

three popped up because it was over

892

00:32:48,710 --> 00:32:47,360

class b restricted airspace and he

893

00:32:50,470 --> 00:32:48,720

confirmed that

894

00:32:52,389 --> 00:32:50,480

there's a 30 mile radius around the

895

00:32:54,470 --> 00:32:52,399

center of the airport anything that

896

00:32:56,950 --> 00:32:54,480

comes into that airspace particularly a

897

00:33:00,230 --> 00:32:56,960

thousand feet altitude that these were

898

00:33:01,909 --> 00:33:00,240

must call into the tower and no one did

899

00:33:04,310 --> 00:33:01,919

so they looked on radar didn't show up

900

00:33:05,430 --> 00:33:04,320

on radar they were alarmed and then they

901  
00:33:08,630 --> 00:33:05,440  
disappeared

902  
00:33:10,549 --> 00:33:08,640  
at 8 30 the six popped up then they were

903  
00:33:12,470 --> 00:33:10,559  
really alarmed look on radar did not

904  
00:33:14,310 --> 00:33:12,480  
show up on radar they took their high

905  
00:33:16,710 --> 00:33:14,320  
powers binoculars to look and in their

906  
00:33:18,310 --> 00:33:16,720  
own words they saw six points of light

907  
00:33:19,669 --> 00:33:18,320  
totally equidistant from each other

908  
00:33:21,830 --> 00:33:19,679  
massive span

909  
00:33:25,110 --> 00:33:21,840  
over a mile wide

910  
00:33:26,630 --> 00:33:25,120  
that seemed to be attached to something

911  
00:33:29,750 --> 00:33:26,640  
they couldn't quite see what they were

912  
00:33:32,310 --> 00:33:29,760  
attached to or had a force field in

913  
00:33:33,430 --> 00:33:32,320

between holding them in rock solid

914

00:33:35,110 --> 00:33:33,440

formation

915

00:33:37,269 --> 00:33:35,120

and again he was a meteorologist and

916

00:33:39,830 --> 00:33:37,279

said that the entire thing turned

917

00:33:41,669 --> 00:33:39,840

against the wind which is also

918

00:33:45,029 --> 00:33:41,679

significant because we hear the navy

919

00:33:47,190 --> 00:33:45,039

nimitz pilots saying that what they saw

920

00:33:48,870 --> 00:33:47,200

was against the wind but nonetheless

921

00:33:51,909 --> 00:33:48,880

this is what he reported

922

00:33:55,430 --> 00:33:51,919

and then after returned against the wind

923

00:33:58,070 --> 00:33:55,440

in a unit it elevated slowly and moved

924

00:33:59,509 --> 00:33:58,080

in synchrony as he put it behind south

925

00:34:01,590 --> 00:33:59,519

mountain

926  
00:34:03,590 --> 00:34:01,600  
so i said so what was it

927  
00:34:05,190 --> 00:34:03,600  
and there was silence and then he said

928  
00:34:06,549 --> 00:34:05,200  
beats me i said you're an air traffic

929  
00:34:09,430 --> 00:34:06,559  
controller you're supposed to know it's

930  
00:34:13,109 --> 00:34:09,440  
in our airspace he said the whole group

931  
00:34:14,550 --> 00:34:13,119  
ruled out every conventional aircraft

932  
00:34:18,310 --> 00:34:14,560  
blimps

933  
00:34:20,389 --> 00:34:18,320  
chinese lanterns flares even skydivers

934  
00:34:22,149 --> 00:34:20,399  
with lights okay they even thought maybe

935  
00:34:23,750 --> 00:34:22,159  
that's what they were

936  
00:34:25,510 --> 00:34:23,760  
every conventional

937  
00:34:27,669 --> 00:34:25,520  
every possible

938  
00:34:29,430 --> 00:34:27,679

thing that it could have been

939

00:34:31,190 --> 00:34:29,440

we stayed in contact

940

00:34:32,829 --> 00:34:31,200

up and including

941

00:34:37,270 --> 00:34:32,839

march 13

942

00:34:39,510 --> 00:34:37,280

1997. which i will get to in a moment

943

00:34:41,909 --> 00:34:39,520

in the meantime

944

00:34:43,589 --> 00:34:41,919

i continued photographing these things

945

00:34:46,230 --> 00:34:43,599

and my husband was getting a little

946

00:34:48,389 --> 00:34:46,240

annoyed with me we'd be in a

947

00:34:49,510 --> 00:34:48,399

conversation or whatever and i'd see out

948

00:34:51,589 --> 00:34:49,520

of the corner of my eyes i don't know

949

00:34:53,669 --> 00:34:51,599

what it was but the scientists in me

950

00:34:54,869 --> 00:34:53,679

just i had to go out and document it on

951

00:34:56,470 --> 00:34:54,879

film right

952

00:34:58,069 --> 00:34:56,480

so it was getting a little ridiculous

953

00:34:59,829 --> 00:34:58,079

and and he's saying oh it's a fire on

954

00:35:01,349 --> 00:34:59,839

the mountain or whatever and again i

955

00:35:03,190 --> 00:35:01,359

didn't know anyone that was involved

956

00:35:05,510 --> 00:35:03,200

with this topic at all this is how close

957

00:35:07,750 --> 00:35:05,520

i was vinnie a friend of a friend had a

958

00:35:10,390 --> 00:35:07,760

neighbor who had a friend

959

00:35:12,230 --> 00:35:10,400

who knew the past president of mufan

960

00:35:13,990 --> 00:35:12,240

mutual ufo network

961

00:35:15,430 --> 00:35:14,000

i had never heard of it

962

00:35:17,510 --> 00:35:15,440

at the time

963

00:35:19,829 --> 00:35:17,520

i called him up i said you know i'm

964

00:35:22,150 --> 00:35:19,839

seeing these strange lates you have you

965

00:35:23,589 --> 00:35:22,160

heard about it he had not but there were

966

00:35:25,670 --> 00:35:23,599

other people

967

00:35:28,470 --> 00:35:25,680

that were seeing it and documenting on a

968

00:35:31,670 --> 00:35:28,480

film just like me in fact it was a fella

969

00:35:33,589 --> 00:35:31,680

steve blonder who was not only

970

00:35:36,150 --> 00:35:33,599

photographing them but he called mufon

971

00:35:37,910 --> 00:35:36,160

up to his balcony the night of march

972

00:35:40,310 --> 00:35:37,920

13th the night of the mass sighting and

973

00:35:42,550 --> 00:35:40,320

they happened to catch an arrowhead of

974

00:35:44,550 --> 00:35:42,560

five lights that's miraculous i mean if

975

00:35:46,230 --> 00:35:44,560

you look at his back those lights are

976  
00:35:49,670 --> 00:35:46,240  
either attached to something or have a

977  
00:35:52,470 --> 00:35:49,680  
force field in between and his video

978  
00:35:54,550 --> 00:35:52,480  
and my video which we'll get to were

979  
00:35:56,390 --> 00:35:54,560  
before 10 o'clock there are a couple

980  
00:36:00,390 --> 00:35:56,400  
videos after 10 o'clock which we'll

981  
00:36:03,510 --> 00:36:02,390  
and i said i have a couple pictures i

982  
00:36:04,790 --> 00:36:03,520  
have a picture that was the only one

983  
00:36:06,790 --> 00:36:04,800  
that turned out at the time that i would

984  
00:36:07,670 --> 00:36:06,800  
love someone to analyze and tell me what

985  
00:36:09,349 --> 00:36:07,680  
it is

986  
00:36:10,150 --> 00:36:09,359  
he refers me to

987  
00:36:35,589 --> 00:36:10,160  
a

988  
00:36:37,190 --> 00:36:35,599

i knock on his door he opens the door

989

00:36:39,589 --> 00:36:37,200

the first thing he says to me is did you

990

00:36:40,390 --> 00:36:39,599

see the mass sighting last night

991

00:36:44,150 --> 00:36:40,400

i said

992

00:36:46,790 --> 00:36:44,160

what i told you about two months ago in

993

00:36:49,190 --> 00:36:46,800

fact i actually got video of it

994

00:36:51,510 --> 00:36:49,200

he said great because

995

00:36:55,109 --> 00:36:51,520

nbc was coming to interview him in a

996

00:36:57,750 --> 00:36:55,119

half an hour i said whoa i said i used

997

00:36:58,710 --> 00:36:57,760

to do health reporting

998

00:37:00,630 --> 00:36:58,720

i said

999

00:37:03,510 --> 00:37:00,640

somebody i don't know if it's a hoax or

1000

00:37:05,750 --> 00:37:03,520

military or whatever um but it's not

1001  
00:37:07,910 --> 00:37:05,760  
about me it's never been about me it's

1002  
00:37:11,109 --> 00:37:07,920  
about the data so take a copy of the

1003  
00:37:12,470 --> 00:37:11,119  
video show it to whoever i'm out of here

1004  
00:37:14,230 --> 00:37:12,480  
and by the way

1005  
00:37:16,230 --> 00:37:14,240  
i called the air traffic controllers

1006  
00:37:17,589 --> 00:37:16,240  
this morning to see if they saw the same

1007  
00:37:19,750 --> 00:37:17,599  
thing in the same location they

1008  
00:37:24,150 --> 00:37:19,760  
confirmed that it was the exact same

1009  
00:37:25,829 --> 00:37:24,160  
phenomena in the exact same location and

1010  
00:37:28,150 --> 00:37:25,839  
then a couple pilots called into the

1011  
00:37:30,069 --> 00:37:28,160  
tower a commercial pilot

1012  
00:37:31,750 --> 00:37:30,079  
on departure said what the hell are

1013  
00:37:33,190 --> 00:37:31,760

these lights over me

1014

00:37:34,630 --> 00:37:33,200

and a

1015

00:37:36,710 --> 00:37:34,640

pirate pro

1016

00:37:39,270 --> 00:37:36,720

private pilot say that five times

1017

00:37:41,430 --> 00:37:39,280

private pilot called in

1018

00:37:42,790 --> 00:37:41,440

to report the six lights in a

1019

00:37:45,190 --> 00:37:42,800

deformation

1020

00:37:49,109 --> 00:37:45,200

didn't know who that was but nonetheless

1021

00:37:53,270 --> 00:37:50,790

and

1022

00:37:55,349 --> 00:37:53,280

i thought oh my gosh what the heck is

1023

00:37:56,710 --> 00:37:55,359

going on and i said i'm out of here and

1024

00:37:58,790 --> 00:37:56,720

i left

1025

00:38:00,470 --> 00:37:58,800

that afternoon

1026

00:38:03,990 --> 00:38:00,480

i was in front of my

1027

00:38:05,030 --> 00:38:04,000

big screen tv with the bcr on the ready

1028

00:38:06,950 --> 00:38:05,040

to go

1029

00:38:09,190 --> 00:38:06,960

i didn't know if they'd cover it

1030

00:38:10,790 --> 00:38:09,200

the first news that came on like 4 or 4

1031

00:38:12,950 --> 00:38:10,800

30 whatever

1032

00:38:14,470 --> 00:38:12,960

breaking news okay

1033

00:38:17,349 --> 00:38:14,480

with my video

1034

00:38:19,589 --> 00:38:17,359

he gave it to everybody

1035

00:38:21,910 --> 00:38:19,599

and every news station was showing my

1036

00:38:23,270 --> 00:38:21,920

video which was exciting i mean i wanted

1037

00:38:25,349 --> 00:38:23,280

people to see what we saw i didn't know

1038

00:38:26,790 --> 00:38:25,359

what they were and to this day i don't

1039

00:38:29,270 --> 00:38:26,800

know what they were but i know that they

1040

00:38:30,870 --> 00:38:29,280

are and and that it's time we get this

1041

00:38:33,030 --> 00:38:30,880

topic out in the open and address it and

1042

00:38:35,349 --> 00:38:33,040

accept it and study it so we can find

1043

00:38:36,390 --> 00:38:35,359

out not only who's driving these things

1044

00:38:38,710 --> 00:38:36,400

but

1045

00:38:41,190 --> 00:38:38,720

move forward in our own evolution

1046

00:38:43,349 --> 00:38:41,200

but nonetheless by nine o'clock there

1047

00:38:45,349 --> 00:38:43,359

were a couple other videos

1048

00:38:46,470 --> 00:38:45,359

um boomerang videos that were

1049

00:38:47,829 --> 00:38:46,480

spectacular

1050

00:38:49,910 --> 00:38:47,839

okay

1051  
00:38:51,589 --> 00:38:49,920  
that really took me back

1052  
00:38:53,910 --> 00:38:51,599  
because here i'm learning

1053  
00:38:54,950 --> 00:38:53,920  
that thousands of people

1054  
00:38:56,550 --> 00:38:54,960  
saw a

1055  
00:38:58,790 --> 00:38:56,560  
similar phenomenon that i had been

1056  
00:39:02,310 --> 00:38:58,800  
documenting for two years throughout the

1057  
00:39:05,270 --> 00:39:02,320  
entire state by the following tuesday

1058  
00:39:07,510 --> 00:39:05,280  
i see that they're showing my video

1059  
00:39:09,190 --> 00:39:07,520  
and they're interviewing this fella

1060  
00:39:10,950 --> 00:39:09,200  
jim delatoso

1061  
00:39:12,310 --> 00:39:10,960  
who is a

1062  
00:39:15,510 --> 00:39:12,320  
has this color

1063  
00:39:17,589 --> 00:39:15,520

uh computer lab huge near arizona state

1064

00:39:20,390 --> 00:39:17,599

university right here in tempe

1065

00:39:23,349 --> 00:39:20,400

who also was studying ufos for like 20

1066

00:39:25,589 --> 00:39:23,359

years on the side showing the same exact

1067

00:39:30,870 --> 00:39:25,599

phenomenon these orbs in triangle

1068

00:39:34,550 --> 00:39:30,880

formation from russia and uk and um

1069

00:39:36,390 --> 00:39:34,560

from belgium and and it was like whoa

1070

00:39:37,829 --> 00:39:36,400

and they're much more open by the way in

1071

00:39:39,270 --> 00:39:37,839

other countries to these things being

1072

00:39:41,910 --> 00:39:39,280

otherworldly

1073

00:39:45,109 --> 00:39:41,920

but nonetheless i had no idea i had no

1074

00:39:47,670 --> 00:39:45,119

idea that this was happening worldwide

1075

00:39:50,390 --> 00:39:47,680

and that really set me on a journey that

1076  
00:39:53,430 --> 00:39:50,400  
has brought me here to you today because

1077  
00:39:55,510 --> 00:39:53,440  
i pushed my whole medical career aside

1078  
00:39:57,270 --> 00:39:55,520  
to try to find a logical source and

1079  
00:40:00,069 --> 00:39:57,280  
meaning for what i had witnessed in

1080  
00:40:02,310 --> 00:40:00,079  
photograph i have identified that 25

1081  
00:40:03,270 --> 00:40:02,320  
years later actually 27 from the 95

1082  
00:40:06,470 --> 00:40:03,280  
sighting

1083  
00:40:09,670 --> 00:40:06,480  
i started keeping an intricate diary

1084  
00:40:11,829 --> 00:40:09,680  
of everything i could i mean

1085  
00:40:13,750 --> 00:40:11,839  
i even felt an urgency to do this which

1086  
00:40:15,670 --> 00:40:13,760  
most people will tell you once they have

1087  
00:40:16,870 --> 00:40:15,680  
a paranormal experience

1088  
00:40:17,750 --> 00:40:16,880

and

1089

00:40:43,430 --> 00:40:17,760

i

1090

00:40:46,150 --> 00:40:43,440

on the wall have ufos what we would call

1091

00:40:48,309 --> 00:40:46,160

ufos in the sky or sumerian writings in

1092

00:40:51,030 --> 00:40:48,319

india writings even the bible ezekiel's

1093

00:40:53,829 --> 00:40:51,040

wheel and and you fast forward to the

1094

00:40:56,069 --> 00:40:53,839

15th and 16th centuries and we have

1095

00:40:58,710 --> 00:40:56,079

frescoes and paintings of people on the

1096

00:41:01,109 --> 00:40:58,720

ground looking up at the sky at what i

1097

00:41:03,910 --> 00:41:01,119

mean are blatant ufos with beings in the

1098

00:41:06,550 --> 00:41:03,920

ufos um and then we fast forward again

1099

00:41:08,550 --> 00:41:06,560

to 100 years before

1100

00:41:10,870 --> 00:41:08,560

our mass sighting there was also a mass

1101  
00:41:12,630 --> 00:41:10,880  
sighting in kansas california washington

1102  
00:41:14,390 --> 00:41:12,640  
and canada

1103  
00:41:16,950 --> 00:41:14,400  
of what they called

1104  
00:41:19,109 --> 00:41:16,960  
these massive airships

1105  
00:41:20,470 --> 00:41:19,119  
with removable lights

1106  
00:41:22,710 --> 00:41:20,480  
sound familiar

1107  
00:41:25,030 --> 00:41:22,720  
this was six years before the wright

1108  
00:41:27,109 --> 00:41:25,040  
brothers took place

1109  
00:41:28,390 --> 00:41:27,119  
and then yeah and then i mean it's

1110  
00:41:30,150 --> 00:41:28,400  
fascinating when you look at the history

1111  
00:41:31,670 --> 00:41:30,160  
of these things and then we fast forward

1112  
00:41:33,589 --> 00:41:31,680  
and we have the belgium sightings and

1113  
00:41:35,510 --> 00:41:33,599

they are really a model for what should

1114

00:41:37,589 --> 00:41:35,520

happen because they

1115

00:41:41,349 --> 00:41:37,599

got together with

1116

00:41:42,790 --> 00:41:41,359

the military civilians scientists

1117

00:41:45,270 --> 00:41:42,800

universities

1118

00:41:46,230 --> 00:41:45,280

to try to study these phenomena france

1119

00:41:48,309 --> 00:41:46,240

did too

1120

00:41:50,630 --> 00:41:48,319

they came up with a committed report

1121

00:41:53,349 --> 00:41:50,640

which really states that these things

1122

00:41:55,109 --> 00:41:53,359

are real that we need to to study them

1123

00:41:56,950 --> 00:41:55,119

at any rate

1124

00:41:58,309 --> 00:41:56,960

not to get off the track but these have

1125

00:41:59,670 --> 00:41:58,319

been going on for a long time and

1126

00:42:01,270 --> 00:41:59,680

there's there's been sightings

1127

00:42:03,190 --> 00:42:01,280

subsequently and if you look on my photo

1128

00:42:04,790 --> 00:42:03,200

page you'll see i've captured quite a

1129

00:42:07,990 --> 00:42:04,800

bit myself but other places too

1130

00:42:09,190 --> 00:42:08,000

worldwide this is a worldwide phenomenon

1131

00:42:10,390 --> 00:42:09,200

okay

1132

00:42:13,030 --> 00:42:10,400

but we're going to get back to the

1133

00:42:16,550 --> 00:42:13,040

phoenix life because the phoenix lights

1134

00:42:17,589 --> 00:42:16,560

as i mentioned has become the premier

1135

00:42:19,750 --> 00:42:17,599

case

1136

00:42:22,710 --> 00:42:19,760

for these phenomena

1137

00:42:25,910 --> 00:42:22,720

and mind you when i came forward in 2004

1138

00:42:27,270 --> 00:42:25,920

seven years later the um

1139

00:42:28,630 --> 00:42:27,280

accepted

1140

00:42:30,390 --> 00:42:28,640

okay

1141

00:42:31,829 --> 00:42:30,400

explanation where that they were

1142

00:42:32,870 --> 00:42:31,839

military players we're going to talk

1143

00:42:36,150 --> 00:42:32,880

about that

1144

00:42:39,430 --> 00:42:36,160

um we've come a long way since 2004.

1145

00:42:40,870 --> 00:42:39,440

but let me get back to march 13th 1997

1146

00:42:42,790 --> 00:42:40,880

for anyone that doesn't

1147

00:42:44,309 --> 00:42:42,800

uh know and i'm going to tell you more

1148

00:42:46,309 --> 00:42:44,319

details that you've probably never heard

1149

00:42:47,430 --> 00:42:46,319

today because there's so much more to

1150

00:42:49,109 --> 00:42:47,440

this story

1151  
00:42:51,109 --> 00:42:49,119  
while thousands of people were looking

1152  
00:42:52,550 --> 00:42:51,119  
skyward for a glimpse of the hail bob

1153  
00:42:55,270 --> 00:42:52,560  
comet which was very clear in the

1154  
00:42:57,750 --> 00:42:55,280  
northwest sky that night

1155  
00:42:59,910 --> 00:42:57,760  
very calm beautiful night

1156  
00:43:01,270 --> 00:42:59,920  
they also caught a glimpse

1157  
00:43:03,109 --> 00:43:01,280  
of one

1158  
00:43:05,349 --> 00:43:03,119  
to much larger

1159  
00:43:07,510 --> 00:43:05,359  
peter davenport director of the national

1160  
00:43:09,589 --> 00:43:07,520  
ufo reporting center several years ago

1161  
00:43:11,030 --> 00:43:09,599  
for the 20th anniversary announced at a

1162  
00:43:13,109 --> 00:43:11,040  
conference we were speaking at i thought

1163  
00:43:15,910 --> 00:43:13,119

he was kidding that one of these

1164

00:43:18,790 --> 00:43:15,920

formations we're talking orb formations

1165

00:43:21,430 --> 00:43:18,800

as well as a craft which we'll get to

1166

00:43:23,829 --> 00:43:21,440

was eight miles wide it was like what

1167

00:43:25,270 --> 00:43:23,839

are you kidding me no i mean he's gotten

1168

00:43:26,710 --> 00:43:25,280

thousands of reports from people through

1169

00:43:29,510 --> 00:43:26,720

the years

1170

00:43:32,710 --> 00:43:29,520

and not only again were there orb

1171

00:43:33,910 --> 00:43:32,720

formations and rock solid v

1172

00:43:35,829 --> 00:43:33,920

triangle

1173

00:43:38,870 --> 00:43:35,839

boomerang arrays

1174

00:43:41,430 --> 00:43:38,880

but there were actual craft with

1175

00:43:44,390 --> 00:43:41,440

gunmetal bottoms even windows people saw

1176

00:43:46,069 --> 00:43:44,400

beings at windows they collided

1177

00:43:47,829 --> 00:43:46,079

very slowly

1178

00:43:49,589 --> 00:43:47,839

rooftop level some people said they

1179

00:43:52,470 --> 00:43:49,599

could have thrown a rock at it was that

1180

00:43:55,990 --> 00:43:52,480

close we have a pilot in the documentary

1181

00:43:58,150 --> 00:43:56,000

who was under one of these orbs or

1182

00:43:59,510 --> 00:43:58,160

what he called a canister of spinning

1183

00:44:00,470 --> 00:43:59,520

energy

1184

00:44:02,150 --> 00:44:00,480

and

1185

00:44:03,910 --> 00:44:02,160

some people the technology was

1186

00:44:06,309 --> 00:44:03,920

incredible in and of itself

1187

00:44:07,510 --> 00:44:06,319

some people saw these

1188

00:44:09,990 --> 00:44:07,520

craft

1189

00:44:12,870 --> 00:44:10,000

take off at blink speed totally silent

1190

00:44:14,950 --> 00:44:12,880

totally silent no sonic boom

1191

00:44:17,910 --> 00:44:14,960

didn't disperse the air i mean the

1192

00:44:19,510 --> 00:44:17,920

propulsion is just phenomenal whatever

1193

00:44:21,190 --> 00:44:19,520

it was

1194

00:44:24,550 --> 00:44:21,200

some people

1195

00:44:26,550 --> 00:44:24,560

actually i saw it well actually okay to

1196

00:44:28,710 --> 00:44:26,560

get back to the mass sighting

1197

00:44:30,710 --> 00:44:28,720

what most people probably heard from the

1198

00:44:32,150 --> 00:44:30,720

media and i understand where they made

1199

00:44:35,589 --> 00:44:32,160

it simple

1200

00:44:37,589 --> 00:44:35,599

um that it was only a couple hours okay

1201  
00:44:39,270 --> 00:44:37,599  
because most people called and were

1202  
00:44:40,790 --> 00:44:39,280  
outside looking up at the sky between

1203  
00:44:43,109 --> 00:44:40,800  
eight and ten and that's when they

1204  
00:44:45,190 --> 00:44:43,119  
called the news people in luke air force

1205  
00:44:47,030 --> 00:44:45,200  
base or whatever who denied that anybody

1206  
00:44:48,550 --> 00:44:47,040  
called but a lot of people got their

1207  
00:44:50,630 --> 00:44:48,560  
number of the national ufo reporting

1208  
00:44:51,510 --> 00:44:50,640  
center from public air force base but

1209  
00:44:53,670 --> 00:44:51,520  
anyway

1210  
00:44:56,550 --> 00:44:53,680  
um so they kind of scrunched it into

1211  
00:44:59,510 --> 00:44:56,560  
eight to ten but the truth of the matter

1212  
00:45:01,030 --> 00:44:59,520  
and the data is that the mass sighting

1213  
00:45:03,190 --> 00:45:01,040

and again we were seeing it for weeks

1214

00:45:07,349 --> 00:45:03,200

and months before but the mass sighting

1215

00:45:08,950 --> 00:45:07,359

day march 13th 1997 started at 3 p.m in

1216

00:45:10,470 --> 00:45:08,960

the afternoon that was the first report

1217

00:45:12,309 --> 00:45:10,480

that we've heard about

1218

00:45:13,750 --> 00:45:12,319

five o'clock hour here's where it really

1219

00:45:16,309 --> 00:45:13,760

gets interesting

1220

00:45:17,430 --> 00:45:16,319

it was seen in new mexico by native

1221

00:45:20,150 --> 00:45:17,440

americans

1222

00:45:23,670 --> 00:45:20,160

seven o'clock hour and beyond in

1223

00:45:24,550 --> 00:45:23,680

california in fact there was a report

1224

00:45:26,470 --> 00:45:24,560

at

1225

00:45:27,270 --> 00:45:26,480

between 10 and 11

1226  
00:46:10,710 --> 00:45:27,280

a

1227  
00:46:13,910 --> 00:46:10,720

interesting story

1228  
00:46:14,870 --> 00:46:13,920

as they're nearing 30 000 miles 30 000

1229  
00:46:18,069 --> 00:46:14,880

feet

1230  
00:46:19,990 --> 00:46:18,079

with 140 passengers and crew

1231  
00:46:21,750 --> 00:46:20,000

approaching california

1232  
00:46:24,069 --> 00:46:21,760

suddenly they see

1233  
00:46:27,990 --> 00:46:24,079

a giant flare

1234  
00:46:29,990 --> 00:46:28,000

30 000 feet to the right of the aircraft

1235  
00:46:32,150 --> 00:46:30,000

moments later

1236  
00:46:33,829 --> 00:46:32,160

a military jet comes within by them

1237  
00:46:35,750 --> 00:46:33,839

really close and she said she has jumped

1238  
00:46:36,950 --> 00:46:35,760

out of her seat it was that close she

1239

00:46:38,710 --> 00:46:36,960

got really nervous and called her

1240

00:46:39,589 --> 00:46:38,720

husband and said don't answer the

1241

00:46:40,950 --> 00:46:39,599

door

1242

00:46:43,270 --> 00:46:40,960

he thought maybe somebody was trying to

1243

00:46:45,430 --> 00:46:43,280

give him a message but nonetheless that

1244

00:46:48,390 --> 00:46:45,440

happened okay that's what she reported

1245

00:46:51,829 --> 00:46:48,400

the sightings continued

1246

00:46:54,390 --> 00:46:51,839

and some people even saw discs okay

1247

00:46:56,870 --> 00:46:54,400

until 5 30 the next morning the last

1248

00:46:59,589 --> 00:46:56,880

report i received personally

1249

00:47:02,390 --> 00:46:59,599

from a boeing crewman

1250

00:47:04,630 --> 00:47:02,400

an elderly fellow really credible said

1251  
00:47:06,309 --> 00:47:04,640  
that his entire crew was coming into sky

1252  
00:47:08,710 --> 00:47:06,319  
harbor international airport and one of

1253  
00:47:11,510 --> 00:47:08,720  
these mile wide craft was hovering over

1254  
00:47:13,190 --> 00:47:11,520  
their tarmac so it was many more hours

1255  
00:47:16,309 --> 00:47:13,200  
over a dozen hours

1256  
00:47:18,550 --> 00:47:16,319  
it was many events happening and you

1257  
00:47:20,710 --> 00:47:18,560  
know at 3 a.m the next morning and we

1258  
00:47:21,750 --> 00:47:20,720  
have part of that recorded

1259  
00:47:24,390 --> 00:47:21,760  
uh

1260  
00:47:25,430 --> 00:47:24,400  
report from an alleged crewman

1261  
00:47:28,630 --> 00:47:25,440  
called the

1262  
00:47:30,870 --> 00:47:28,640  
national ufo reporting center we am

1263  
00:47:32,069 --> 00:47:30,880

to report in great detail very

1264

00:47:34,470 --> 00:47:32,079

professional

1265

00:47:35,190 --> 00:47:34,480

that military jets were actually sent

1266

00:47:37,589 --> 00:47:35,200

out

1267

00:47:39,910 --> 00:47:37,599

to intercepting a gun camera film which

1268

00:47:42,549 --> 00:47:39,920

i heard they did but i haven't seen it

1269

00:47:44,069 --> 00:47:42,559

so i can't confirm

1270

00:47:46,069 --> 00:47:44,079

one of these craft was hovering right

1271

00:47:49,190 --> 00:47:46,079

over central phoenix

1272

00:47:50,630 --> 00:47:49,200

and as they got close the lights dimmed

1273

00:47:52,230 --> 00:47:50,640

and the entire thing blinked out and

1274

00:47:54,309 --> 00:47:52,240

disappeared

1275

00:47:56,230 --> 00:47:54,319

freaking out one of the pilots who this

1276

00:47:57,990 --> 00:47:56,240

alleged crewman said he helped out of

1277

00:47:58,870 --> 00:47:58,000

his aircraft because he was so shaken up

1278

00:47:59,670 --> 00:47:58,880

by it

1279

00:48:02,069 --> 00:47:59,680

so

1280

00:48:03,349 --> 00:48:02,079

they were well aware of what was going

1281

00:48:05,270 --> 00:48:03,359

on okay

1282

00:48:07,030 --> 00:48:05,280

but we're talking

1283

00:48:08,950 --> 00:48:07,040

over a dozen hours

1284

00:48:11,510 --> 00:48:08,960

multiple things happening over four

1285

00:48:12,630 --> 00:48:11,520

states okay a parade

1286

00:48:15,190 --> 00:48:12,640

because

1287

00:48:16,950 --> 00:48:15,200

the investigators actually

1288

00:48:18,630 --> 00:48:16,960

interviewed

1289

00:48:20,790 --> 00:48:18,640

hundreds and hundreds and hundreds if

1290

00:48:21,670 --> 00:48:20,800

not thousands of people

1291

00:48:27,190 --> 00:48:21,680

from

1292

00:48:29,910 --> 00:48:27,200

mufon

1293

00:48:32,549 --> 00:48:29,920

who was receiving obviously many reports

1294

00:48:34,870 --> 00:48:32,559

councilwoman vice mayor at the time of

1295

00:48:37,430 --> 00:48:34,880

phoenix francis barwood who was the only

1296

00:48:40,630 --> 00:48:37,440

elected official who innocently asked

1297

00:48:42,470 --> 00:48:40,640

for a investigation months later in may

1298

00:48:44,790 --> 00:48:42,480

because there was nothing after the mass

1299

00:48:46,390 --> 00:48:44,800

sighting no nothing announced by the

1300

00:48:48,870 --> 00:48:46,400

military or government

1301

00:48:51,030 --> 00:48:48,880

um and she was plastered for the wall by

1302

00:48:53,270 --> 00:48:51,040

the media it was really cool i mean

1303

00:48:54,950 --> 00:48:53,280

anyone that came forward at the time um

1304

00:48:58,950 --> 00:48:54,960

and that's a whole nother part of this

1305

00:49:01,510 --> 00:48:58,960

whole story um was was ridiculed or and

1306

00:49:03,430 --> 00:49:01,520

stickered and laughed at and whatever it

1307

00:49:05,109 --> 00:49:03,440

was not a good time to come forward i

1308

00:49:06,390 --> 00:49:05,119

was so glad i was anonymous for seven

1309

00:49:08,390 --> 00:49:06,400

years

1310

00:49:10,710 --> 00:49:08,400

but nonetheless not only that but

1311

00:49:13,270 --> 00:49:10,720

village labs too all these reports and

1312

00:49:16,630 --> 00:49:13,280

two or more people had to see the same

1313

00:49:19,030 --> 00:49:16,640

craft to be in the study if you go to

1314

00:49:22,069 --> 00:49:19,040

the gap page geospatial animation

1315

00:49:25,109 --> 00:49:22,079

project on the phoenix lights network

1316

00:49:28,829 --> 00:49:26,950

website

1317

00:49:31,430 --> 00:49:28,839

you will see illustrations and

1318

00:49:32,950 --> 00:49:31,440

animations they're fabulous by larry

1319

00:49:35,990 --> 00:49:32,960

lowe

1320

00:49:37,910 --> 00:49:36,000

of 10 different craft

1321

00:49:39,190 --> 00:49:37,920

now whether it was one craft they really

1322

00:49:41,190 --> 00:49:39,200

look different

1323

00:49:42,309 --> 00:49:41,200

one craft that could morph into looking

1324

00:49:43,750 --> 00:49:42,319

different

1325

00:49:45,190 --> 00:49:43,760

front

1326  
00:49:48,390 --> 00:49:45,200  
perspective from where the person was

1327  
00:49:50,870 --> 00:49:48,400  
standing or an actual parade which was

1328  
00:49:53,109 --> 00:49:50,880  
what the investigators after 12 years of

1329  
00:49:55,349 --> 00:49:53,119  
meticulously studying this data

1330  
00:49:57,349 --> 00:49:55,359  
concluded because there were so many

1331  
00:50:00,390 --> 00:49:57,359  
things happening at the same time these

1332  
00:50:02,230 --> 00:50:00,400  
orb formations craft as well incredible

1333  
00:50:03,990 --> 00:50:02,240  
people saw these crafts people trying to

1334  
00:50:05,990 --> 00:50:04,000  
poo through the crap no

1335  
00:50:09,270 --> 00:50:06,000  
people were right underneath it okay we

1336  
00:50:10,150 --> 00:50:09,280  
have a registered nurse okay who was

1337  
00:50:15,670 --> 00:50:10,160  
right

1338  
00:50:16,870 --> 00:50:15,680

light and saw the bottom like listening

1339

00:50:20,150 --> 00:50:16,880

and and some people said it was like

1340

00:50:21,270 --> 00:50:20,160

looking for water but he actually saw a

1341

00:50:22,790 --> 00:50:21,280

gunmetal

1342

00:50:25,349 --> 00:50:22,800

and saw

1343

00:50:28,549 --> 00:50:25,359

what he described as this canister like

1344

00:50:29,670 --> 00:50:28,559

a like a ceiling canister with like lava

1345

00:50:31,910 --> 00:50:29,680

coming down he thought it was going to

1346

00:50:33,910 --> 00:50:31,920

hit him but then it shot right up before

1347

00:50:34,950 --> 00:50:33,920

it came out of the out of the

1348

00:50:37,270 --> 00:50:34,960

bottom

1349

00:50:37,990 --> 00:50:37,280

um i mean the descriptions are amazing

1350

00:50:41,030 --> 00:50:38,000

so

1351

00:50:43,990 --> 00:50:41,040

anyway here we go

1352

00:50:50,470 --> 00:50:46,549

is what i caught at 10 o'clock this is a

1353

00:50:54,230 --> 00:50:50,480

screenshot from the documentary okay

1354

00:50:56,549 --> 00:50:54,240

um which is pretty amazing because when

1355

00:50:58,549 --> 00:50:56,559

i first saw it actually it was it was

1356

00:51:01,190 --> 00:50:58,559

about a quarter to 10 and as i mentioned

1357

00:51:03,349 --> 00:51:01,200

the arrowhead in my video were before 10

1358

00:51:06,630 --> 00:51:03,359

o'clock and my husband and i are

1359

00:51:08,390 --> 00:51:06,640

watching um tv and we see the uh you

1360

00:51:11,270 --> 00:51:08,400

know how they do a promo about a quarter

1361

00:51:13,589 --> 00:51:11,280

of 20 quarter of uh for what the 10

1362

00:51:15,109 --> 00:51:13,599

o'clock news is going to be and we see a

1363

00:51:17,589 --> 00:51:15,119

promo

1364

00:51:20,150 --> 00:51:17,599

and suddenly i notice this is on march

1365

00:51:22,390 --> 00:51:20,160

13th six lights in a line just like i

1366

00:51:24,150 --> 00:51:22,400

had two months before right and i

1367

00:51:25,109 --> 00:51:24,160

grabbed my video camera i get out there

1368

00:51:27,270 --> 00:51:25,119

and i'm fumbling with it because it

1369

00:51:28,790 --> 00:51:27,280

wouldn't focus by the time i look up

1370

00:51:32,069 --> 00:51:28,800

there were three lights

1371

00:51:35,829 --> 00:51:32,079

okay like a giant mile wide v

1372

00:51:37,829 --> 00:51:35,839

okay so this is the video that i caught

1373

00:51:39,829 --> 00:51:37,839

okay

1374

00:51:42,230 --> 00:51:39,839

so i'm not sure what the what the next

1375

00:51:43,829 --> 00:51:42,240

slide is just wait one second

1376

00:51:45,030 --> 00:51:43,839

oh okay go back

1377

00:51:47,910 --> 00:51:45,040

yeah okay

1378

00:51:50,390 --> 00:51:47,920

go back right back back back okay now

1379

00:51:52,390 --> 00:51:50,400

there we go okay sorry

1380

00:51:53,750 --> 00:51:52,400

i don't want to spoil it

1381

00:51:55,670 --> 00:51:53,760

get ahead of myself

1382

00:51:57,510 --> 00:51:55,680

um

1383

00:51:59,990 --> 00:51:57,520

at any rate as i mentioned there was no

1384

00:52:01,510 --> 00:52:00,000

investigation no explanation for months

1385

00:52:03,750 --> 00:52:01,520

i mean the only thing that happened was

1386

00:52:05,910 --> 00:52:03,760

that francis barwood the phoenix vice

1387

00:52:08,950 --> 00:52:05,920

mayor uh asked for an investigation and

1388

00:52:10,470 --> 00:52:08,960

she was laughed at and and and ridiculed

1389

00:52:11,990 --> 00:52:10,480

and they made jokes in the paper and all

1390

00:52:13,430 --> 00:52:12,000

that

1391

00:52:16,790 --> 00:52:13,440

suddenly

1392

00:52:19,270 --> 00:52:16,800

on june 18th

1393

00:52:21,510 --> 00:52:19,280

we see a front page usa today article

1394

00:52:24,950 --> 00:52:21,520

now we can show the next one

1395

00:52:27,430 --> 00:52:24,960

which was a multi-page article

1396

00:52:29,670 --> 00:52:27,440

divulging our mass sighting for the

1397

00:52:33,030 --> 00:52:29,680

first time mind you they had really kept

1398

00:52:34,309 --> 00:52:33,040

a cap on it in phoenix in arizona okay

1399

00:52:36,309 --> 00:52:34,319

there was like a little article that

1400

00:52:38,630 --> 00:52:36,319

appeared in the arizona republic like in

1401  
00:52:40,950 --> 00:52:38,640  
section b page eight or something that

1402  
00:52:43,750 --> 00:52:40,960  
was it okay

1403  
00:52:45,990 --> 00:52:43,760  
but here is front page

1404  
00:52:48,069 --> 00:52:46,000  
opening up to international scrutiny in

1405  
00:52:51,510 --> 00:52:48,079  
fact we did not have social media at the

1406  
00:52:53,349 --> 00:52:51,520  
time and overnight it went viral by the

1407  
00:52:55,030 --> 00:52:53,359  
next morning

1408  
00:52:57,589 --> 00:52:55,040  
every

1409  
00:52:58,790 --> 00:52:57,599  
morning show was carrying it in in

1410  
00:53:02,549 --> 00:52:58,800  
america

1411  
00:53:04,390 --> 00:53:02,559  
peter jennings dan rather it was the

1412  
00:53:06,710 --> 00:53:04,400  
news of the day

1413  
00:53:08,069 --> 00:53:06,720

and we were deluged by media from all

1414

00:53:10,069 --> 00:53:08,079

over the world and once they started

1415

00:53:12,710 --> 00:53:10,079

talking to the witnesses again their

1416

00:53:15,589 --> 00:53:12,720

descriptions were so detailed and so

1417

00:53:17,190 --> 00:53:15,599

heartfelt they too were asking why isn't

1418

00:53:19,510 --> 00:53:17,200

there an investigation why isn't there

1419

00:53:22,230 --> 00:53:19,520

an explanation

1420

00:53:25,510 --> 00:53:22,240

the very next day

1421

00:53:27,910 --> 00:53:25,520

we get an announcement i'm sorry yeah uh

1422

00:53:29,510 --> 00:53:27,920

yeah the next day we get an announcement

1423

00:53:33,589 --> 00:53:29,520

oh excuse me excuse me i'm trying to get

1424

00:53:36,069 --> 00:53:33,599

my thoughts that that late morning after

1425

00:53:38,309 --> 00:53:36,079

the day after the usa today article we

1426  
00:53:40,790 --> 00:53:38,319  
get an announcement that then governor

1427  
00:53:42,549 --> 00:53:40,800  
fife symington was holding an

1428  
00:53:46,150 --> 00:53:42,559  
unscheduled press conference very

1429  
00:53:48,390 --> 00:53:46,160  
unusual okay that afternoon to divulge

1430  
00:53:50,230 --> 00:53:48,400  
the culprit

1431  
00:53:51,910 --> 00:53:50,240  
of the lights over phoenix and people

1432  
00:53:53,270 --> 00:53:51,920  
took it seriously

1433  
00:53:55,030 --> 00:53:53,280  
and there were press there were

1434  
00:53:57,270 --> 00:53:55,040  
witnesses whatever

1435  
00:54:00,549 --> 00:53:57,280  
and he comes marching out one of his

1436  
00:54:02,309 --> 00:54:00,559  
aides with a giant alien head costume

1437  
00:54:04,470 --> 00:54:02,319  
and made a mockery

1438  
00:54:07,270 --> 00:54:04,480

of the mass sighting it was really

1439

00:54:09,430 --> 00:54:07,280

disconcerting especially for parents

1440

00:54:12,150 --> 00:54:09,440

there were children that saw something

1441

00:54:15,430 --> 00:54:12,160

that was three four moles wide

1442

00:54:17,430 --> 00:54:15,440

and he's making a joke out of it

1443

00:54:19,990 --> 00:54:17,440

that kind of put a lid on it i have to

1444

00:54:22,870 --> 00:54:20,000

say but not for me

1445

00:54:24,630 --> 00:54:22,880

i started calling all the military bases

1446

00:54:27,109 --> 00:54:24,640

and asking them what they knew never

1447

00:54:29,109 --> 00:54:27,119

told them any details about what i saw

1448

00:54:31,190 --> 00:54:29,119

or what i

1449

00:54:33,349 --> 00:54:31,200

documented on film

1450

00:54:35,990 --> 00:54:33,359

but their conversations and i have a

1451

00:54:38,630 --> 00:54:36,000

couple of them in the book

1452

00:54:41,510 --> 00:54:38,640

were comical i mean they were just as

1453

00:54:43,829 --> 00:54:41,520

curious as we were they were begging me

1454

00:54:46,390 --> 00:54:43,839

to meet with them to see what i had

1455

00:54:47,829 --> 00:54:46,400

right and one of them even said well the

1456

00:54:50,309 --> 00:54:47,839

only one who knows who did this is god

1457

00:54:52,230 --> 00:54:50,319

and whoever did this

1458

00:54:53,829 --> 00:54:52,240

this is like one of the heads of the

1459

00:54:56,230 --> 00:54:53,839

military base right

1460

00:54:58,390 --> 00:54:56,240

a month later

1461

00:54:59,510 --> 00:54:58,400

i get a call

1462

00:55:01,430 --> 00:54:59,520

from

1463

00:55:03,190 --> 00:55:01,440

one of the heads of pr at the air

1464

00:55:04,470 --> 00:55:03,200

national guard and she says oh dr lynn i

1465

00:55:06,710 --> 00:55:04,480

think we know what those lights were

1466

00:55:08,470 --> 00:55:06,720

back in march and i was thrilled

1467

00:55:11,510 --> 00:55:08,480

i said what were they she said do you

1468

00:55:13,190 --> 00:55:11,520

believe in all these months

1469

00:55:15,750 --> 00:55:13,200

no one ever looked at the

1470

00:55:17,510 --> 00:55:15,760

log for visiting air national guard and

1471

00:55:19,990 --> 00:55:17,520

the maryland air national guard was in

1472

00:55:22,789 --> 00:55:20,000

town sending off flares military

1473

00:55:24,069 --> 00:55:22,799

illumination flares and operation

1474

00:55:26,390 --> 00:55:24,079

snowbird

1475

00:55:28,710 --> 00:55:26,400

which i later found out by the way in

1476

00:55:31,190 --> 00:55:28,720

military terms means diversionary

1477

00:55:34,390 --> 00:55:31,200

tactical maneuvers okay

1478

00:55:36,630 --> 00:55:34,400

which they may have sent off flares

1479

00:55:38,950 --> 00:55:36,640

no one that saw the true unknowns

1480

00:55:40,789 --> 00:55:38,960

described what flares do because i said

1481

00:55:42,789 --> 00:55:40,799

to her wait a minute

1482

00:55:45,430 --> 00:55:42,799

when was the maryland air national guard

1483

00:55:47,270 --> 00:55:45,440

in town she said march 1st to the 15th i

1484

00:55:49,430 --> 00:55:47,280

said were they in town in january she

1485

00:55:50,870 --> 00:55:49,440

said oh no i said are you sure she said

1486

00:55:54,870 --> 00:55:50,880

absolutely not

1487

00:55:59,349 --> 00:55:56,789

both my husband and i witnessed and i

1488

00:56:01,349 --> 00:55:59,359

got pictures of the same exact phenomena

1489

00:56:03,750 --> 00:56:01,359

in the same exact location

1490

00:56:06,470 --> 00:56:03,760

two months before the mass sighting and

1491

00:56:08,390 --> 00:56:06,480

she says to me you never told me that

1492

00:56:09,829 --> 00:56:08,400

and i said besides you're trying to tell

1493

00:56:12,230 --> 00:56:09,839

me the flares

1494

00:56:13,829 --> 00:56:12,240

they cannot keep affirmation they're

1495

00:56:16,390 --> 00:56:13,839

drifted i educate myself to anything

1496

00:56:19,910 --> 00:56:16,400

logical including flares drift and drop

1497

00:56:21,670 --> 00:56:19,920

on parachutes haphazardly with the wind

1498

00:56:23,349 --> 00:56:21,680

they can only keep if anything

1499

00:56:25,750 --> 00:56:23,359

information for a couple seconds but

1500

00:56:28,309 --> 00:56:25,760

then they drift and drop haphazardly to

1501  
00:56:30,789 --> 00:56:28,319  
the ground they have huge smoke trails

1502  
00:56:32,710 --> 00:56:30,799  
that are illuminated by the flare itself

1503  
00:56:36,630 --> 00:56:32,720  
and they illuminate the ground which not

1504  
00:56:38,710 --> 00:56:36,640  
one not one person reported

1505  
00:56:41,030 --> 00:56:38,720  
any of those characteristics and i said

1506  
00:56:43,589 --> 00:56:41,040  
you you you're saying that

1507  
00:56:45,510 --> 00:56:43,599  
flares that cannot keep affirmation

1508  
00:56:48,069 --> 00:56:45,520  
actually traverse the entire state in a

1509  
00:56:51,349 --> 00:56:48,079  
rock solid equidistantly spaced

1510  
00:56:52,870 --> 00:56:51,359  
v formation for hours and she says

1511  
00:56:56,630 --> 00:56:52,880  
i have a call coming in i'll get back to

1512  
00:57:00,069 --> 00:56:58,710  
anyway let me let me put this to rest

1513  
00:57:02,870 --> 00:57:00,079

once and for all if we can go to the

1514

00:57:05,670 --> 00:57:02,880

next uh slide

1515

00:57:07,750 --> 00:57:05,680

here are the top row

1516

00:57:10,789 --> 00:57:07,760

are true unknowns actually the first

1517

00:57:12,390 --> 00:57:10,799

picture is from stephenville texas which

1518

00:57:14,950 --> 00:57:12,400

happened uh

1519

00:57:16,470 --> 00:57:14,960

a year after our mass sighting the

1520

00:57:18,230 --> 00:57:16,480

middle one is one of my favorite

1521

00:57:19,910 --> 00:57:18,240

pictures that i took one month after 9

1522

00:57:22,710 --> 00:57:19,920

11 there's a whole story of that that i

1523

00:57:26,710 --> 00:57:22,720

share in the book and uh the third

1524

00:57:28,789 --> 00:57:26,720

picture as well the bottom are flares

1525

00:57:30,230 --> 00:57:28,799

give me a break

1526

00:57:34,069 --> 00:57:30,240

there are nothing

1527

00:57:35,750 --> 00:57:34,079

like the true unknowns not only that

1528

00:57:38,549 --> 00:57:35,760

excuse me but to

1529

00:57:41,349 --> 00:57:38,559

verify this and again if you go to the

1530

00:57:42,950 --> 00:57:41,359

phoenix sites network website and go on

1531

00:57:45,190 --> 00:57:42,960

the news page

1532

00:57:48,230 --> 00:57:45,200

and you scroll down

1533

00:57:50,390 --> 00:57:48,240

to the az family

1534

00:57:53,589 --> 00:57:50,400

square there

1535

00:57:56,309 --> 00:57:53,599

three years after the mass sighting

1536

00:57:58,789 --> 00:57:56,319

then secretary of state francis barr

1537

00:58:00,630 --> 00:57:58,799

then vice mayor and councilwoman

1538

00:58:01,430 --> 00:58:00,640

transport was running for secretary of

1539

00:58:03,270 --> 00:58:01,440

state

1540

00:58:04,950 --> 00:58:03,280

to get answers for the phoenix lights

1541

00:58:08,470 --> 00:58:04,960

even as a public safety issue they were

1542

00:58:10,630 --> 00:58:08,480

talking rooftop level here okay

1543

00:58:13,829 --> 00:58:10,640

asking for a reenactment which was

1544

00:58:15,030 --> 00:58:13,839

brilliant because okay again i'm a show

1545

00:58:17,829 --> 00:58:15,040

me person

1546

00:58:19,990 --> 00:58:17,839

if you can reenact it and you show me

1547

00:58:22,549 --> 00:58:20,000

that what you do is the same as what i

1548

00:58:24,630 --> 00:58:22,559

saw and documented on film hey

1549

00:58:26,230 --> 00:58:24,640

shame on you for denying it for so long

1550

00:58:28,230 --> 00:58:26,240

and for whatever

1551

00:58:30,309 --> 00:58:28,240

but

1552

00:58:31,190 --> 00:58:30,319

and for going over people's heads

1553

00:58:32,549 --> 00:58:31,200

okay

1554

00:58:34,789 --> 00:58:32,559

um but

1555

00:58:36,870 --> 00:58:34,799

show me well right before the third

1556

00:58:39,990 --> 00:58:36,880

anniversary

1557

00:58:41,990 --> 00:58:40,000

they tried they announced publicly that

1558

00:58:44,069 --> 00:58:42,000

three air national guards i think it was

1559

00:58:46,549 --> 00:58:44,079

new york michigan and california were

1560

00:58:48,870 --> 00:58:46,559

coming into town to send off flares to

1561

00:58:51,349 --> 00:58:48,880

show everyone the phoenix lake we can go

1562

00:58:55,270 --> 00:58:51,359

to the next uh

1563

00:58:57,190 --> 00:58:55,280

slide it was a joke not only and again

1564

00:58:59,750 --> 00:58:57,200

the top formation

1565

00:59:01,990 --> 00:58:59,760

are the true unknowns the bottom are

1566

00:59:03,990 --> 00:59:02,000

flares they tried to make a triangle was

1567

00:59:06,150 --> 00:59:04,000

upside down it fell apart immediately

1568

00:59:08,630 --> 00:59:06,160

and huge smoke trails again not one

1569

00:59:10,630 --> 00:59:08,640

person and they might ascend off flares

1570

00:59:12,390 --> 00:59:10,640

i don't know did i burn attention away

1571

00:59:14,630 --> 00:59:12,400

but not one person that i've spoken to

1572

00:59:16,710 --> 00:59:14,640

that saw the true unknown describes any

1573

00:59:20,549 --> 00:59:16,720

of those characteristics

1574

00:59:21,990 --> 00:59:20,559

in any rate um that really put a nail in

1575

00:59:22,789 --> 00:59:22,000

their coffin i mean here they had their

1576

00:59:24,069 --> 00:59:22,799

shot

1577

00:59:26,230 --> 00:59:24,079

and again if you go to the phoenix

1578

00:59:28,470 --> 00:59:26,240

lights network news page

1579

00:59:29,750 --> 00:59:28,480

and scroll down you'll see exactly what

1580

00:59:30,870 --> 00:59:29,760

they did

1581

00:59:32,789 --> 00:59:30,880

and

1582

00:59:35,109 --> 00:59:32,799

it's really important to note

1583

00:59:36,470 --> 00:59:35,119

that the phoenix sites have never been

1584

00:59:38,230 --> 00:59:36,480

attempted to be

1585

00:59:41,030 --> 00:59:38,240

reenacted again

1586

00:59:42,789 --> 00:59:41,040

nor have they been explained and

1587

00:59:43,990 --> 00:59:42,799

they never the military and government

1588

00:59:45,190 --> 00:59:44,000

have never

1589

00:59:47,829 --> 00:59:45,200

addressed

1590

00:59:50,309 --> 00:59:47,839

the craft that people saw important to

1591

00:59:51,829 --> 00:59:50,319

note now if you look at this picture

1592

00:59:54,069 --> 00:59:51,839

the first one is that second picture i

1593

00:59:55,750 --> 00:59:54,079

took two months before

1594

00:59:57,510 --> 00:59:55,760

that other picture

1595

01:00:01,030 --> 00:59:57,520

after 10 o'clock

1596

01:00:03,829 --> 01:00:01,040

there were two boomerang videos okay

1597

01:00:05,829 --> 01:00:03,839

this one is really impressive in fact it

1598

01:00:07,910 --> 01:00:05,839

was um that's another thing we have on

1599

01:00:09,510 --> 01:00:07,920

the news page it was analyzed by a

1600

01:00:11,190 --> 01:00:09,520

software specialist

1601  
01:00:13,589 --> 01:00:11,200  
and he slowed it down

1602  
01:00:14,950 --> 01:00:13,599  
just recently just a year or two ago and

1603  
01:00:18,710 --> 01:00:14,960  
they don't budge

1604  
01:00:21,510 --> 01:00:18,720  
of them actually elevates and splits in

1605  
01:00:22,630 --> 01:00:21,520  
two players don't do that okay there was

1606  
01:00:24,870 --> 01:00:22,640  
another

1607  
01:00:27,910 --> 01:00:24,880  
uh boomerang video after 10 o'clock was

1608  
01:00:30,150 --> 01:00:27,920  
a little haphazard never used that that

1609  
01:00:32,069 --> 01:00:30,160  
may have been the flares okay but

1610  
01:00:34,390 --> 01:00:32,079  
nonetheless this one

1611  
01:00:37,030 --> 01:00:34,400  
was the one that was really attacked for

1612  
01:00:39,510 --> 01:00:37,040  
being flares mine on the other hand not

1613  
01:00:41,990 --> 01:00:39,520

only dr bruce mcavee but the air traffic

1614

01:00:44,789 --> 01:00:42,000

controllers confirmed that what i

1615

01:00:47,510 --> 01:00:44,799

videotaped was actually over class b

1616

01:00:49,510 --> 01:00:47,520

restricted airspace and certainly wasn't

1617

01:00:51,190 --> 01:00:49,520

players okay

1618

01:00:53,349 --> 01:00:51,200

now

1619

01:00:54,829 --> 01:00:53,359

fast forward again

1620

01:00:57,829 --> 01:00:54,839

10 years

1621

01:00:59,510 --> 01:00:57,839

later suddenly after the 10th

1622

01:01:02,870 --> 01:00:59,520

anniversary

1623

01:01:09,990 --> 01:01:05,910

by symington who had mocked the sighting

1624

01:01:11,589 --> 01:01:10,000

in 97 comes forward bravely

1625

01:01:14,710 --> 01:01:11,599

for whatever reason

1626  
01:01:17,670 --> 01:01:14,720  
to divulge that he actually saw he

1627  
01:01:18,870 --> 01:01:17,680  
witnessed one of these mile wide crap

1628  
01:01:20,710 --> 01:01:18,880  
himself

1629  
01:01:22,230 --> 01:01:20,720  
and that it was definitely not flares

1630  
01:01:25,829 --> 01:01:22,240  
and he's an awarded

1631  
01:01:27,670 --> 01:01:25,839  
navy awarded uh pilot pilot military

1632  
01:01:29,589 --> 01:01:27,680  
pilot

1633  
01:01:31,750 --> 01:01:29,599  
definitely wasn't flares

1634  
01:01:33,270 --> 01:01:31,760  
and in his own words he called it

1635  
01:01:35,510 --> 01:01:33,280  
otherworldly

1636  
01:01:38,870 --> 01:01:35,520  
again that's the word that was used for

1637  
01:01:40,549 --> 01:01:38,880  
years decades by countries all over the

1638  
01:01:42,470 --> 01:01:40,559

world

1639

01:01:44,150 --> 01:01:42,480

sorry i will just interject here because

1640

01:01:45,990 --> 01:01:44,160

we're not able to show this video but

1641

01:01:48,150 --> 01:01:46,000

what i'll do is i'll link this below so

1642

01:01:49,990 --> 01:01:48,160

that people can then go and refer to it

1643

01:01:51,109 --> 01:01:50,000

that way they get an impression of what

1644

01:01:53,829 --> 01:01:51,119

we're talking about but unfortunately

1645

01:01:56,309 --> 01:01:53,839

due to copyright we're unable to show it

1646

01:01:58,150 --> 01:01:56,319

but it's posted on our on our

1647

01:02:00,950 --> 01:01:58,160

website if people would like to see it

1648

01:02:02,630 --> 01:02:00,960

it's a wonderful report okay

1649

01:02:05,349 --> 01:02:02,640

then

1650

01:02:07,270 --> 01:02:05,359

2017

1651

01:02:10,549 --> 01:02:07,280

other things were happening too it was

1652

01:02:12,789 --> 01:02:10,559

very interesting the pentagon came out

1653

01:02:15,430 --> 01:02:12,799

front page new york times

1654

01:02:16,789 --> 01:02:15,440

that there was a 22 million dollar

1655

01:02:20,069 --> 01:02:16,799

funded

1656

01:02:21,510 --> 01:02:20,079

study by the military and government and

1657

01:02:22,309 --> 01:02:21,520

the pentagon

1658

01:02:24,150 --> 01:02:22,319

um

1659

01:02:26,549 --> 01:02:24,160

headed by harry reid he was one of the

1660

01:02:28,789 --> 01:02:26,559

people who were involved with it

1661

01:02:31,109 --> 01:02:28,799

of ufos

1662

01:02:33,109 --> 01:02:31,119

which was really a big step forward

1663

01:02:35,430 --> 01:02:33,119

because they were finally admitting that

1664

01:02:38,549 --> 01:02:35,440

they were studying them for years before

1665

01:02:39,910 --> 01:02:38,559

and probably decades before

1666

01:02:42,150 --> 01:02:39,920

and then

1667

01:02:44,549 --> 01:02:42,160

the navy pilots came forward

1668

01:02:47,190 --> 01:02:44,559

the nimitz baby pilots with video

1669

01:02:49,190 --> 01:02:47,200

showing these tic tac or laws and shaped

1670

01:02:50,710 --> 01:02:49,200

objects

1671

01:02:52,150 --> 01:02:50,720

confirming

1672

01:02:53,910 --> 01:02:52,160

that there's something going on out

1673

01:02:56,230 --> 01:02:53,920

there that's real

1674

01:02:57,430 --> 01:02:56,240

that cannot be explained

1675

01:02:58,549 --> 01:02:57,440

okay

1676

01:03:00,309 --> 01:02:58,559

now

1677

01:03:03,670 --> 01:03:00,319

besides that

1678

01:03:05,670 --> 01:03:03,680

also suddenly around the same time

1679

01:03:07,109 --> 01:03:05,680

the private pilot and it's interesting

1680

01:03:09,109 --> 01:03:07,119

because in the first edition of my book

1681

01:03:10,309 --> 01:03:09,119

and it's now in the fourth edition but

1682

01:03:11,829 --> 01:03:10,319

the first edition of my because the

1683

01:03:13,829 --> 01:03:11,839

story unfolds i didn't want to write

1684

01:03:16,390 --> 01:03:13,839

another book the first book is too

1685

01:03:18,870 --> 01:03:16,400

important i'll get to that but

1686

01:03:21,910 --> 01:03:18,880

um the pilot i do mention that a pilot

1687

01:03:23,109 --> 01:03:21,920

calls into sky harbor uh air traffic

1688

01:03:25,270 --> 01:03:23,119

controller

1689

01:03:27,109 --> 01:03:25,280

this private pilot that called in

1690

01:03:29,430 --> 01:03:27,119

happened to be we can go to the next

1691

01:03:31,349 --> 01:03:29,440

slide actor

1692

01:03:34,309 --> 01:03:31,359

kurt russell

1693

01:03:35,829 --> 01:03:34,319

which blew me away because if you look

1694

01:03:37,750 --> 01:03:35,839

at his uk

1695

01:03:41,430 --> 01:03:37,760

interview okay

1696

01:03:43,270 --> 01:03:41,440

on the phoenix lights network news page

1697

01:03:46,950 --> 01:03:43,280

fabulous interview

1698

01:03:49,829 --> 01:03:47,829

that

1699

01:03:52,630 --> 01:03:49,839

as he was coming into sky harbor with

1700

01:03:54,710 --> 01:03:52,640

his son oliver they uh have a house i

1701

01:03:57,670 --> 01:03:54,720

think he was living with goldie hawn

1702

01:03:59,029 --> 01:03:57,680

here in carefree and oliver had a date

1703

01:04:00,470 --> 01:03:59,039

or something with his girlfriend and he

1704

01:04:03,029 --> 01:04:00,480

was coming in and he was the first to

1705

01:04:04,950 --> 01:04:03,039

notice it which is also interesting

1706

01:04:06,710 --> 01:04:04,960

because children

1707

01:04:08,870 --> 01:04:06,720

were usually the first to notice this

1708

01:04:11,589 --> 01:04:08,880

v-shaped thing coming towards them on

1709

01:04:13,270 --> 01:04:11,599

march 13th and were so inundated with

1710

01:04:15,670 --> 01:04:13,280

right threat threat and fear fair fear

1711

01:04:17,750 --> 01:04:15,680

with hollywood and the media

1712

01:04:19,109 --> 01:04:17,760

we have dr gary schwartz in the

1713

01:04:20,789 --> 01:04:19,119

documentary who's the head of the

1714

01:04:23,589 --> 01:04:20,799

congress of study department university

1715

01:04:24,829 --> 01:04:23,599

of arizona state if you're inundated

1716

01:04:27,190 --> 01:04:24,839

with

1717

01:04:28,870 --> 01:04:27,200

fear how are you supposed to react when

1718

01:04:30,870 --> 01:04:28,880

you see something that you're

1719

01:04:32,309 --> 01:04:30,880

told is fearful right

1720

01:04:33,589 --> 01:04:32,319

so kids would jump up and down

1721

01:04:34,950 --> 01:04:33,599

independence day independence day

1722

01:04:37,270 --> 01:04:34,960

because independence day movie was

1723

01:04:39,750 --> 01:04:37,280

popular six months before

1724

01:04:41,990 --> 01:04:39,760

but as it got closer interestingly a

1725

01:04:43,829 --> 01:04:42,000

calmness came over everyone

1726  
01:04:46,309 --> 01:04:43,839  
that connectedness adults and children

1727  
01:04:48,710 --> 01:04:46,319  
alike to the phenomena that once it

1728  
01:04:51,270 --> 01:04:48,720  
passed they wanted their parents to run

1729  
01:04:52,710 --> 01:04:51,280  
to get in the car and run after it uh i

1730  
01:04:54,950 --> 01:04:52,720  
mean it's amazing we'll get to how it

1731  
01:04:56,230 --> 01:04:54,960  
affected people in in real time and long

1732  
01:04:57,430 --> 01:04:56,240  
term if we may

1733  
01:04:59,829 --> 01:04:57,440  
but

1734  
01:05:02,309 --> 01:04:59,839  
one of the things that kurt russell also

1735  
01:05:04,710 --> 01:05:02,319  
shares is that after

1736  
01:05:06,150 --> 01:05:04,720  
they had the sighting and his son told

1737  
01:05:09,029 --> 01:05:06,160  
him about these six lights and he said

1738  
01:05:10,710 --> 01:05:09,039

whoa i better report this which he did

1739

01:05:12,150 --> 01:05:10,720

they didn't talk about it they didn't

1740

01:05:14,789 --> 01:05:12,160

discuss it

1741

01:05:17,270 --> 01:05:14,799

they didn't think about it

1742

01:05:18,470 --> 01:05:17,280

it just was repressed which by the way i

1743

01:05:20,549 --> 01:05:18,480

get into this in the book there was a

1744

01:05:23,829 --> 01:05:20,559

psychiatrist with his family that was

1745

01:05:25,589 --> 01:05:23,839

coming up from tucson two hours south of

1746

01:05:26,390 --> 01:05:25,599

phoenix to a swim meet and there was a

1747

01:05:28,069 --> 01:05:26,400

whole

1748

01:05:29,589 --> 01:05:28,079

car full of people and he was in the

1749

01:05:31,829 --> 01:05:29,599

passenger seat and actually looked out

1750

01:05:34,390 --> 01:05:31,839

his window at this massive craft that

1751

01:05:36,710 --> 01:05:34,400

was extending on both sides of the giant

1752

01:05:37,990 --> 01:05:36,720

highway the main highway between phoenix

1753

01:05:39,829 --> 01:05:38,000

and tucson

1754

01:05:42,390 --> 01:05:39,839

they didn't talk about it either

1755

01:05:44,069 --> 01:05:42,400

they never talked about it for months

1756

01:05:46,789 --> 01:05:44,079

kurt didn't talk about it for two years

1757

01:05:48,230 --> 01:05:46,799

he walks in on goldie looking at a show

1758

01:05:50,789 --> 01:05:48,240

that's talking about the phoenix sights

1759

01:05:52,309 --> 01:05:50,799

and he's a wait that sounds awfully

1760

01:05:53,190 --> 01:05:52,319

familiar

1761

01:05:55,750 --> 01:05:53,200

and

1762

01:05:57,349 --> 01:05:55,760

he goes to his log to check

1763

01:05:59,349 --> 01:05:57,359

and he said

1764

01:06:02,069 --> 01:05:59,359

that was me

1765

01:06:03,670 --> 01:06:02,079

because they talked about a pilot right

1766

01:06:05,349 --> 01:06:03,680

which is very exciting so all these

1767

01:06:06,710 --> 01:06:05,359

things are coming

1768

01:06:09,430 --> 01:06:06,720

forward and

1769

01:06:13,510 --> 01:06:09,440

um suddenly the phoenix lights is really

1770

01:06:15,190 --> 01:06:13,520

exploding as a major major sighting

1771

01:06:17,589 --> 01:06:15,200

and um

1772

01:06:19,430 --> 01:06:17,599

the the other thing that if we can go to

1773

01:06:20,390 --> 01:06:19,440

the next slide

1774

01:06:23,510 --> 01:06:20,400

and

1775

01:06:25,190 --> 01:06:23,520

as you'll see on the news page

1776

01:06:27,190 --> 01:06:25,200

uh

1777

01:06:29,270 --> 01:06:27,200

once the mass sighting happens i push my

1778

01:06:30,470 --> 01:06:29,280

entire professional life aside for seven

1779

01:06:32,630 --> 01:06:30,480

years

1780

01:06:34,390 --> 01:06:32,640

searching almost frantically for a

1781

01:06:35,270 --> 01:06:34,400

logical explanation which i have yet to

1782

01:06:37,349 --> 01:06:35,280

find

1783

01:06:38,390 --> 01:06:37,359

25 years later

1784

01:06:49,430 --> 01:06:38,400

i

1785

01:06:52,309 --> 01:06:49,440

the heart test

1786

01:06:55,349 --> 01:06:52,319

and while i was in my little

1787

01:06:59,510 --> 01:06:55,359

office in between patients i pared down

1788

01:07:01,910 --> 01:06:59,520

the 750 pages to 230 pages

1789

01:07:03,910 --> 01:07:01,920

and finally in 2004

1790

01:07:05,910 --> 01:07:03,920

i did a lot of soul searching and there

1791

01:07:07,829 --> 01:07:05,920

was so much miss and disinformation out

1792

01:07:09,589 --> 01:07:07,839

there and as i mentioned that the

1793

01:07:11,829 --> 01:07:09,599

official explanation was that it was

1794

01:07:13,829 --> 01:07:11,839

flares it was like oh my goodness people

1795

01:07:15,270 --> 01:07:13,839

have to know that there's much more to

1796

01:07:16,549 --> 01:07:15,280

the story

1797

01:07:19,510 --> 01:07:16,559

and if people want to feed into the

1798

01:07:23,190 --> 01:07:19,520

flare theory gives them comfort so be it

1799

01:07:24,549 --> 01:07:23,200

but i finally came forward in 2004

1800

01:07:26,789 --> 01:07:24,559

and

1801

01:07:29,670 --> 01:07:26,799

it was really scary because i didn't

1802

01:07:32,150 --> 01:07:29,680

know how it would be perceived um i know

1803

01:07:34,789 --> 01:07:32,160

when people actually read the book

1804

01:07:37,190 --> 01:07:34,799

because i had doctors and nurses come up

1805

01:07:39,190 --> 01:07:37,200

to me thanking me for kind i couldn't

1806

01:07:41,829 --> 01:07:39,200

believe it that they had had savings

1807

01:07:43,589 --> 01:07:41,839

when they were children or whatever and

1808

01:07:45,190 --> 01:07:43,599

they couldn't make sense of it so that

1809

01:07:47,270 --> 01:07:45,200

the book the phoenix like the skeptics

1810

01:07:49,990 --> 01:07:47,280

discovery that we are now on has really

1811

01:07:51,430 --> 01:07:50,000

helped people transform but i also and

1812

01:07:52,950 --> 01:07:51,440

that was another reason i didn't want to

1813

01:07:55,190 --> 01:07:52,960

come forward because i only do things

1814

01:07:56,950 --> 01:07:55,200

one way if i'm going to do it

1815

01:07:59,190 --> 01:07:56,960

i'm gonna do it and i try to be as

1816

01:08:00,789 --> 01:07:59,200

professional and credible as i can and

1817

01:08:02,470 --> 01:08:00,799

i've done dozens and dozens of

1818

01:08:04,789 --> 01:08:02,480

interviews on travel channel history

1819

01:08:07,270 --> 01:08:04,799

channel and science channel and so forth

1820

01:08:09,829 --> 01:08:07,280

and this one which is the most recent

1821

01:08:11,349 --> 01:08:09,839

discovery plus for anybody that has

1822

01:08:13,190 --> 01:08:11,359

discovery plus

1823

01:08:15,270 --> 01:08:13,200

um

1824

01:08:18,470 --> 01:08:15,280

has a new show called ufo witness and

1825

01:08:21,030 --> 01:08:18,480

it's streaming there now episode 5 is

1826

01:08:22,709 --> 01:08:21,040

about the phoenix lights and i kind of

1827

01:08:25,510 --> 01:08:22,719

follow it through

1828

01:08:27,829 --> 01:08:25,520

as a spokesman now for for the phoenix

1829

01:08:30,070 --> 01:08:27,839

lights um it's a great episode and we

1830

01:08:31,990 --> 01:08:30,080

have a little snippet which again we

1831

01:08:34,229 --> 01:08:32,000

unfortunately can't show today but it is

1832

01:08:36,309 --> 01:08:34,239

on the news page on the phoenix lights

1833

01:08:39,990 --> 01:08:36,319

network website

1834

01:08:42,309 --> 01:08:40,000

um so i i invite people to to go there

1835

01:08:43,269 --> 01:08:42,319

and look the other thing i wanted to get

1836

01:08:45,829 --> 01:08:43,279

into

1837

01:08:47,990 --> 01:08:45,839

um and if you want to show the the uh

1838

01:08:49,030 --> 01:08:48,000

book cover of the of uh the phoenix

1839

01:08:50,789 --> 01:08:49,040

lights

1840

01:08:53,269 --> 01:08:50,799

this is the latest edition this is the

1841

01:08:56,630 --> 01:08:53,279

fourth edition and um i know it's

1842

01:08:59,030 --> 01:08:56,640

available in uk amazon uh it's also

1843

01:09:02,149 --> 01:08:59,040

available in kindle

1844

01:09:03,590 --> 01:09:02,159

which i recommend because the pictures

1845

01:09:05,749 --> 01:09:03,600

are in color

1846

01:09:07,590 --> 01:09:05,759

and i also have links there i went to

1847

01:09:10,229 --> 01:09:07,600

great lanes to put links wherever i

1848

01:09:11,910 --> 01:09:10,239

could so that people could explore if

1849

01:09:13,829 --> 01:09:11,920

they would i mean this this has all been

1850

01:09:16,149 --> 01:09:13,839

for my own heart and pocket i just want

1851

01:09:18,390 --> 01:09:16,159

people to to look at the data if they

1852

01:09:20,550 --> 01:09:18,400

would and it is a choice okay not trying

1853

01:09:22,229 --> 01:09:20,560

to convince anybody of anything but the

1854

01:09:23,749 --> 01:09:22,239

data is out there and i've added

1855

01:09:24,950 --> 01:09:23,759

chapters again this is the fourth

1856

01:09:27,269 --> 01:09:24,960

edition

1857

01:09:28,870 --> 01:09:27,279

as these things have unfolded

1858

01:09:30,309 --> 01:09:28,880

because the first

1859

01:09:32,870 --> 01:09:30,319

and i was asked to do a second book i

1860

01:09:36,070 --> 01:09:32,880

said the first book is so important

1861

01:09:37,910 --> 01:09:36,080

every word is there for a reason

1862

01:09:39,189 --> 01:09:37,920

not only to show how the story unfolded

1863

01:09:40,390 --> 01:09:39,199

and i've just told you the tip of the

1864

01:09:41,110 --> 01:09:40,400

iceberg

1865

01:09:43,269 --> 01:09:41,120

but

1866

01:09:45,749 --> 01:09:43,279

how it affected people as well half the

1867

01:09:47,990 --> 01:09:45,759

book is about this by the way

1868

01:09:50,070 --> 01:09:48,000

not only in real time and long term as i

1869

01:09:53,030 --> 01:09:50,080

mentioned in real time a calmness came

1870

01:09:54,709 --> 01:09:53,040

over everyone people were in awe in

1871

01:09:57,990 --> 01:09:54,719

wonder

1872

01:09:59,669 --> 01:09:58,000

curious there has not been one not one

1873

01:10:03,350 --> 01:09:59,679

credible report

1874

01:10:05,110 --> 01:10:03,360

in 25 years now of harm threat or

1875

01:10:07,910 --> 01:10:05,120

abduction associated with the phoenix

1876

01:10:09,430 --> 01:10:07,920

lights phenomena can't speak about other

1877

01:10:11,430 --> 01:10:09,440

things but i can about the phoenix

1878

01:10:12,790 --> 01:10:11,440

lights if anything it was quite the

1879

01:10:15,830 --> 01:10:12,800

opposite

1880

01:10:19,189 --> 01:10:15,840

people still tell me to this day i still

1881

01:10:21,830 --> 01:10:19,199

get emails and messages on facebook that

1882

01:10:24,390 --> 01:10:21,840

people felt blessed

1883

01:10:27,590 --> 01:10:24,400

that they had the experience

1884

01:10:30,470 --> 01:10:27,600

so in real time and then long term

1885

01:10:31,910 --> 01:10:30,480

afterwards even my own husband he

1886

01:10:33,590 --> 01:10:31,920

doesn't eat meat anymore and people

1887

01:10:34,470 --> 01:10:33,600

change their eating habits

1888

01:10:36,149 --> 01:10:34,480

um

1889

01:10:37,990 --> 01:10:36,159

people went into the peace movement the

1890

01:10:40,470 --> 01:10:38,000

environmental movement

1891

01:10:42,070 --> 01:10:40,480

um it wasn't a belief

1892

01:10:45,110 --> 01:10:42,080

in these phenomena

1893

01:10:46,950 --> 01:10:45,120

whoever did this not only wanted to wake

1894

01:10:48,550 --> 01:10:46,960

us up to their presence and i don't know

1895

01:10:50,630 --> 01:10:48,560

who did this i mean i you can go through

1896

01:10:52,390 --> 01:10:50,640

a plethora of interstellar

1897

01:10:53,990 --> 01:10:52,400

interdimensional which is my take

1898

01:10:56,390 --> 01:10:54,000

because i've seen it disappear in front

1899

01:10:57,750 --> 01:10:56,400

of me but where did it go it still felt

1900

01:11:00,709 --> 01:10:57,760

like it was there for three weeks

1901

01:11:03,189 --> 01:11:00,719

actually after all three disappeared uh

1902

01:11:05,030 --> 01:11:03,199

trap time travelers even our own

1903

01:11:06,229 --> 01:11:05,040

technology some people think there's a

1904

01:11:08,790 --> 01:11:06,239

runaway

1905

01:11:11,189 --> 01:11:08,800

society civilization that's far more

1906

01:11:13,750 --> 01:11:11,199

advanced than we are i don't know but

1907

01:11:16,070 --> 01:11:13,760

nonetheless whoever did this wanted to

1908

01:11:17,990 --> 01:11:16,080

wake us up to their presence

1909

01:11:19,910 --> 01:11:18,000

in a very gentle

1910

01:11:22,149 --> 01:11:19,920

non-threatening way

1911

01:11:23,350 --> 01:11:22,159

as well as wake us up that we're not

1912

01:11:24,830 --> 01:11:23,360

alone

1913

01:11:28,229 --> 01:11:24,840

in the universe

1914

01:11:30,470 --> 01:11:28,239

and as i said it changed people forever

1915

01:11:33,430 --> 01:11:30,480

not only that but another really

1916

01:11:35,830 --> 01:11:33,440

interesting aspect for me personally

1917

01:11:37,669 --> 01:11:35,840

when i was interviewing witnesses they

1918

01:11:39,990 --> 01:11:37,679

also shared with me

1919

01:11:41,430 --> 01:11:40,000

that they had had near-death experiences

1920

01:11:43,990 --> 01:11:41,440

as children

1921

01:11:45,830 --> 01:11:44,000

that was reawakened by the phoenix

1922

01:11:47,350 --> 01:11:45,840

slate's mass sighting

1923

01:11:50,229 --> 01:11:47,360

and i found that

1924

01:11:52,149 --> 01:11:50,239

really powerful because i did too and we

1925

01:11:54,229 --> 01:11:52,159

won't have time to get into it but

1926

01:11:55,110 --> 01:11:54,239

i lay it all out there in the in the

1927

01:11:55,990 --> 01:11:55,120

book

1928

01:11:58,149 --> 01:11:56,000

um

1929

01:11:59,990 --> 01:11:58,159

not only did i have a profound

1930

01:12:01,590 --> 01:12:00,000

life-changing experience at eight years

1931

01:12:04,149 --> 01:12:01,600

old i thought everybody was psychic and

1932

01:12:05,189 --> 01:12:04,159

empathic and knew the secret

1933

01:12:07,750 --> 01:12:05,199

um

1934

01:12:11,270 --> 01:12:07,760

but it woke me up it wasn't a belief

1935

01:12:14,149 --> 01:12:11,280

anymore it was a knowing and knowing

1936

01:12:18,630 --> 01:12:14,159

that we're not alone

1937

01:12:23,189 --> 01:12:21,270

could there be a connection between all

1938

01:12:25,030 --> 01:12:23,199

unexplained phenomena whether it's

1939

01:12:27,990 --> 01:12:25,040

near-death experience out-of-body

1940

01:12:29,910 --> 01:12:28,000

experience unexplained aerial phenomena

1941

01:12:31,830 --> 01:12:29,920

with a mystical light

1942

01:12:34,870 --> 01:12:31,840

associated with the experience and lo

1943

01:12:37,830 --> 01:12:34,880

and behold again when i started looking

1944

01:12:39,910 --> 01:12:37,840

i found an abundance of credible data at

1945

01:12:42,390 --> 01:12:39,920

university level the omega project which

1946

01:12:43,669 --> 01:12:42,400

is like a four inch thick book by dr

1947

01:12:45,750 --> 01:12:43,679

kenneth ring

1948

01:12:48,470 --> 01:12:45,760

uh dr john mack

1949

01:12:51,669 --> 01:12:48,480

at harvard a pulitzer prize-winning

1950

01:12:52,550 --> 01:12:51,679

psychiatrist as well as others

1951

01:12:54,790 --> 01:12:52,560

were

1952

01:12:56,070 --> 01:12:54,800

professing that they from their analysis

1953

01:12:58,310 --> 01:12:56,080

of their data

1954

01:13:00,950 --> 01:12:58,320

that there was indeed a connection

1955

01:13:03,669 --> 01:13:00,960

between all unexplained phenomena not

1956

01:13:05,590 --> 01:13:03,679

only in the experience itself which i

1957

01:13:07,430 --> 01:13:05,600

laid out very simply in the book is very

1958

01:13:09,669 --> 01:13:07,440

similar when you really look at the data

1959

01:13:11,750 --> 01:13:09,679

it's amazing whatever the experience is

1960

01:13:13,510 --> 01:13:11,760

unexplained phenomena experience i

1961

01:13:16,550 --> 01:13:13,520

started calling them an up

1962

01:13:18,630 --> 01:13:16,560

u p unexplained phenomena

1963

01:13:20,790 --> 01:13:18,640

because they are

1964

01:13:23,750 --> 01:13:20,800

the positive transformation this was

1965

01:13:25,270 --> 01:13:23,760

what was so important for me to share

1966

01:13:27,510 --> 01:13:25,280

the awakening

1967

01:13:31,669 --> 01:13:27,520

the enlightenment that happens to an

1968

01:13:33,910 --> 01:13:31,679

individual that has a true up experience

1969

01:13:35,990 --> 01:13:33,920

changes their lives forever the

1970

01:13:37,669 --> 01:13:36,000

connectedness that they feel for the

1971

01:13:40,310 --> 01:13:37,679

first time many

1972

01:13:41,189 --> 01:13:40,320

to the universe to the earth to each

1973

01:13:43,430 --> 01:13:41,199

other

1974

01:13:44,390 --> 01:13:43,440

we're all connected

1975

01:13:47,270 --> 01:13:44,400

and

1976

01:13:49,350 --> 01:13:47,280

the bottom line is that it's a knowing

1977

01:13:51,669 --> 01:13:49,360

that we're not alone

1978

01:13:53,270 --> 01:13:51,679

so i really get into that in the book

1979

01:13:55,350 --> 01:13:53,280

and share my own

1980

01:13:58,070 --> 01:13:55,360

near-death experience which is really

1981

01:13:58,950 --> 01:13:58,080

really um amazing i

1982

01:14:12,950 --> 01:13:58,960

i

1983

01:14:15,030 --> 01:14:12,960

that

1984

01:14:17,669 --> 01:14:15,040

i have felt have been with me since i

1985

01:14:20,229 --> 01:14:17,679

was a child since i was eight years old

1986

01:14:22,550 --> 01:14:20,239

and been my guides and i go into that in

1987

01:14:25,110 --> 01:14:22,560

the book as well because there are many

1988

01:14:27,430 --> 01:14:25,120

crossroads i've come to and i've come to

1989

01:14:29,590 --> 01:14:27,440

trust i don't hear voices but i do

1990

01:14:31,830 --> 01:14:29,600

meditation and i also give 10 ways if

1991

01:14:34,870 --> 01:14:31,840

people choose to do this because you

1992

01:14:37,750 --> 01:14:34,880

don't have to have an up experience to

1993

01:14:40,470 --> 01:14:37,760

have this positive transformation

1994

01:14:42,950 --> 01:14:40,480

all you need to do is open your mind and

1995

01:14:45,270 --> 01:14:42,960

your heart and learn about it

1996

01:14:46,790 --> 01:14:45,280

you can also have this positive

1997

01:14:50,630 --> 01:14:46,800

transformation

1998

01:14:53,110 --> 01:14:50,640

and from a child i have felt that these

1999

01:14:54,550 --> 01:14:53,120

guides or whatever are are real and

2000

01:14:57,830 --> 01:14:54,560

they're out there

2001

01:14:59,990 --> 01:14:57,840

to help and whenever

2002

01:15:02,470 --> 01:15:00,000

and call it a coincidence if you want

2003

01:15:03,990 --> 01:15:02,480

whenever i have a question about

2004

01:15:07,830 --> 01:15:04,000

something and the phoenix lights was one

2005

01:15:09,910 --> 01:15:07,840

of them okay i had i i had showed

2006

01:15:12,070 --> 01:15:09,920

finally some of the data to some of my

2007

01:15:14,149 --> 01:15:12,080

friends who know me and i said why do i

2008

01:15:16,229 --> 01:15:14,159

have this i don't want to do this this

2009

01:15:17,990 --> 01:15:16,239

is nothing i would choose to do

2010

01:15:19,830 --> 01:15:18,000

but i have this data how can i just

2011

01:15:21,350 --> 01:15:19,840

stick it in a drawer and they would look

2012

01:15:23,189 --> 01:15:21,360

at me and say

2013

01:15:24,630 --> 01:15:23,199

lynn

2014

01:15:25,830 --> 01:15:24,640

if anybody can do something incredible

2015

01:15:27,590 --> 01:15:25,840

and professional with this you can

2016

01:15:30,070 --> 01:15:27,600

you've been doing this your whole life

2017

01:15:32,310 --> 01:15:30,080

with vital health issues and i actually

2018

01:15:34,390 --> 01:15:32,320

went out on the balcony and

2019

01:15:36,790 --> 01:15:34,400

again i still was a healthy skeptic

2020

01:15:39,110 --> 01:15:36,800

what's going on here and just search the

2021

01:15:40,390 --> 01:15:39,120

heavens and and just saw it and

2022

01:15:42,950 --> 01:15:40,400

meditated

2023

01:15:45,830 --> 01:15:42,960

okay if i'm supposed to do something

2024

01:15:46,950 --> 01:15:45,840

productive with this show me the way

2025

01:15:49,030 --> 01:15:46,960

just

2026

01:15:51,510 --> 01:15:49,040

lead me to whatever i have to do i will

2027

01:15:54,070 --> 01:15:51,520

do the most i can with my own expertise

2028

01:15:56,070 --> 01:15:54,080

and energy to help

2029

01:15:58,470 --> 01:15:56,080

and from that day forward the puzzle

2030

01:16:01,590 --> 01:15:58,480

pieces just keep fitting together it's

2031

01:16:04,149 --> 01:16:01,600

really bizarre but it is what it is and

2032

01:16:06,229 --> 01:16:04,159

i hope people will pick up the book

2033

01:16:09,430 --> 01:16:06,239

because there's so much more in the in

2034

01:16:11,830 --> 01:16:09,440

there um in fact there i also added and

2035

01:16:15,030 --> 01:16:11,840

that's why i recommend the ebook because

2036

01:16:17,270 --> 01:16:15,040

it's a color picture of a photograph

2037

01:16:19,750 --> 01:16:17,280

that one of my sons took who was the

2038

01:16:21,110 --> 01:16:19,760

biggest skeptical he's an attorney and

2039

01:16:22,229 --> 01:16:21,120

he said mom you better not come forward

2040

01:16:24,310 --> 01:16:22,239

they're going to find out it's military

2041

01:16:25,270 --> 01:16:24,320

and you'll look like an idiot until this

2042

01:16:28,550 --> 01:16:25,280

happened

2043

01:16:30,070 --> 01:16:28,560

that confirms that we do go on

2044

01:16:32,630 --> 01:16:30,080

okay i'll leave it at that i'm not going

2045

01:16:35,350 --> 01:16:32,640

to spoil it spoil it but it is a picture

2046

01:16:37,750 --> 01:16:35,360

that has been analyzed ad nauseum it is

2047

01:16:39,350 --> 01:16:37,760

real and um

2048

01:16:41,669 --> 01:16:39,360

my mom

2049

01:16:44,310 --> 01:16:41,679

uh came through

2050

01:16:46,870 --> 01:16:44,320

in this picture as clear as can be

2051  
01:16:49,110 --> 01:16:46,880  
ten years after she passed okay and she

2052  
01:16:52,390 --> 01:16:49,120  
was very close with this son so i'll

2053  
01:16:53,830 --> 01:16:52,400  
i'll leave it at that i'll let you

2054  
01:16:56,390 --> 01:16:53,840  
the other thing if you want to show the

2055  
01:16:58,470 --> 01:16:56,400  
next picture is that um

2056  
01:17:00,310 --> 01:16:58,480  
we have a documentary

2057  
01:17:02,390 --> 01:17:00,320  
the phoenix lights beyond top secret is

2058  
01:17:04,149 --> 01:17:02,400  
the latest edition

2059  
01:17:07,590 --> 01:17:04,159  
again that has

2060  
01:17:09,590 --> 01:17:07,600  
continued to unfold unfortunately amazon

2061  
01:17:11,910 --> 01:17:09,600  
doesn't

2062  
01:17:14,070 --> 01:17:11,920  
sell dvds anymore

2063  
01:17:16,390 --> 01:17:14,080

it's only available on streaming and if

2064

01:17:19,270 --> 01:17:16,400

you have amazon prime you can watch it

2065

01:17:21,189 --> 01:17:19,280

for free i understand so um hopefully

2066

01:17:23,270 --> 01:17:21,199

people will take a look this is just a

2067

01:17:25,830 --> 01:17:23,280

gentle overview i wanted to get

2068

01:17:28,149 --> 01:17:25,840

something out there uh for

2069

01:17:29,669 --> 01:17:28,159

um people not only who have had

2070

01:17:33,430 --> 01:17:29,679

experiences but certainly people who

2071

01:17:35,430 --> 01:17:33,440

haven't who might just be curious or um

2072

01:17:37,030 --> 01:17:35,440

either a husband or a wife or whatever

2073

01:17:39,750 --> 01:17:37,040

it doesn't want to hear about it but

2074

01:17:42,390 --> 01:17:39,760

here this video with witnesses with

2075

01:17:45,270 --> 01:17:42,400

astronaut edgar mitchell who's amazing

2076

01:17:48,149 --> 01:17:45,280

um his words are so powerful

2077

01:17:50,950 --> 01:17:48,159

with children in it with um we have the

2078

01:17:52,870 --> 01:17:50,960

analysis of the flares so people can see

2079

01:17:55,669 --> 01:17:52,880

how that was discredited we also

2080

01:17:59,030 --> 01:17:55,679

addressed the threat scenario and how it

2081

01:18:00,790 --> 01:17:59,040

affects people at a very deep soul level

2082

01:18:03,990 --> 01:18:00,800

and that doesn't happen

2083

01:18:05,910 --> 01:18:04,000

with flares or balloons or chinese

2084

01:18:08,709 --> 01:18:05,920

lanterns okay so you have to put that in

2085

01:18:12,229 --> 01:18:08,719

the mix as well and my latest uh

2086

01:18:14,630 --> 01:18:12,239

adventure if because i am so passionate

2087

01:18:16,630 --> 01:18:14,640

about young people educating young

2088

01:18:18,870 --> 01:18:16,640

people to the reality of vital health

2089

01:18:20,709 --> 01:18:18,880

issues how could i not

2090

01:18:22,310 --> 01:18:20,719

educate them to the reality of this

2091

01:18:24,950 --> 01:18:22,320

vital issue and if you want to share the

2092

01:18:27,990 --> 01:18:24,960

next slide

2093

01:18:30,790 --> 01:18:28,000

this is the phoenix lights ufos and crop

2094

01:18:33,430 --> 01:18:30,800

circles coloring books a graphic novel

2095

01:18:34,550 --> 01:18:33,440

activities coloring book for all ages i

2096

01:18:35,430 --> 01:18:34,560

wanted to get something out there

2097

01:18:37,990 --> 01:18:35,440

because i've been working on a

2098

01:18:39,669 --> 01:18:38,000

curriculum for many many many years it's

2099

01:18:41,669 --> 01:18:39,679

rough to get this into the classroom

2100

01:18:43,830 --> 01:18:41,679

needless to say and for the 20th

2101  
01:18:46,229 --> 01:18:43,840  
anniversary i wanted to take what i had

2102  
01:18:47,669 --> 01:18:46,239  
compiled over seven years and put it

2103  
01:18:51,110 --> 01:18:47,679  
into a

2104  
01:18:53,669 --> 01:18:51,120  
kind of a workbook coloring book um for

2105  
01:18:55,990 --> 01:18:53,679  
all ages for teachers to use for parents

2106  
01:18:57,990 --> 01:18:56,000  
to do with their kids grandparents to

2107  
01:18:59,910 --> 01:18:58,000  
also do with their grandchildren that

2108  
01:19:02,470 --> 01:18:59,920  
has not only the story of the phoenix

2109  
01:19:04,870 --> 01:19:02,480  
lights sprinkled throughout but the 10

2110  
01:19:07,430 --> 01:19:04,880  
different craft that are on the gap page

2111  
01:19:10,950 --> 01:19:07,440  
gap on the phoenix sites network website

2112  
01:19:13,350 --> 01:19:10,960  
are there to color we had a map maker

2113  
01:19:16,149 --> 01:19:13,360

come to phoenix

2114

01:19:18,229 --> 01:19:16,159  
from denver and actually to scale

2115

01:19:20,870 --> 01:19:18,239  
from what people described

2116

01:19:22,790 --> 01:19:20,880  
show these craft and they're fabulous we

2117

01:19:24,870 --> 01:19:22,800  
have 80 crop circles and i tried to pick

2118

01:19:26,229 --> 01:19:24,880  
the most ornate

2119

01:19:27,669 --> 01:19:26,239  
that couldn't have possibly been

2120

01:19:30,790 --> 01:19:27,679  
man-made because we know some are

2121

01:19:32,310 --> 01:19:30,800  
man-made and we talk about that too

2122

01:19:35,030 --> 01:19:32,320  
the difference between

2123

01:19:36,630 --> 01:19:35,040  
genuine and man-made crop circles we

2124

01:19:39,270 --> 01:19:36,640  
also have activities

2125

01:19:40,550 --> 01:19:39,280  
that are amazing word finders and crime

2126  
01:19:44,229 --> 01:19:40,560  
and uh

2127  
01:19:46,149 --> 01:19:44,239  
crossword puzzles and um sacred geometry

2128  
01:19:49,830 --> 01:19:46,159  
and all hosts and the answers for those

2129  
01:19:52,550 --> 01:19:49,840  
of us who are um challenged to answers

2130  
01:19:55,270 --> 01:19:52,560  
and there it's a whole host of things

2131  
01:19:58,310 --> 01:19:55,280  
150 pages for the black and white

2132  
01:20:01,590 --> 01:19:58,320  
book and 160 pages with added colored

2133  
01:20:03,590 --> 01:20:01,600  
pictures in the color edition um again

2134  
01:20:05,830 --> 01:20:03,600  
offered on amazon they're all awkward on

2135  
01:20:08,709 --> 01:20:05,840  
amazon so i hope people will will check

2136  
01:20:10,550 --> 01:20:08,719  
them out and um when i go to conferences

2137  
01:20:13,510 --> 01:20:10,560  
i just have to say because it's hard to

2138  
01:20:15,510 --> 01:20:13,520

to visualize this it's the graphic novel

2139

01:20:18,310 --> 01:20:15,520

activities coloring book as fabulous as

2140

01:20:20,629 --> 01:20:18,320

it is um they do show in the color

2141

01:20:22,790 --> 01:20:20,639

version you can go inside and take a

2142

01:20:24,390 --> 01:20:22,800

look so that's you know you can do that

2143

01:20:27,110 --> 01:20:24,400

but when i have it in my hand at

2144

01:20:29,350 --> 01:20:27,120

conferences i can't keep it in my head

2145

01:20:31,350 --> 01:20:29,360

people are literally grabbing out i sell

2146

01:20:33,990 --> 01:20:31,360

out every single time so it's something

2147

01:20:36,709 --> 01:20:34,000

that um oh and we have iconic pictures i

2148

01:20:42,229 --> 01:20:36,719

always forgot iconic historical pictures

2149

01:20:45,830 --> 01:20:42,239

from uh uh we have the the ufos over

2150

01:20:48,629 --> 01:20:45,840

the capital uh that picture we have um

2151  
01:20:50,470 --> 01:20:48,639  
uh also the the foo fighters that's

2152  
01:20:53,270 --> 01:20:50,480  
another thing i didn't even mention um

2153  
01:20:55,669 --> 01:20:53,280  
in world war ii these orbs

2154  
01:20:57,990 --> 01:20:55,679  
the same exact thing dr richard haynes

2155  
01:21:01,350 --> 01:20:58,000  
who was the head of uh sort of narcap

2156  
01:21:03,990 --> 01:21:01,360  
for pilot thousands of pilot reports um

2157  
01:21:06,070 --> 01:21:04,000  
i consulted with him and consulted with

2158  
01:21:08,470 --> 01:21:06,080  
him and he said that my

2159  
01:21:10,390 --> 01:21:08,480  
data is very similar

2160  
01:21:13,350 --> 01:21:10,400  
to what they called foo fighters these

2161  
01:21:16,629 --> 01:21:13,360  
balls these these uh it's

2162  
01:21:18,870 --> 01:21:16,639  
fire in french um that each side so the

2163  
01:21:21,189 --> 01:21:18,880

other side had this advanced technology

2164

01:21:23,270 --> 01:21:21,199

and it wasn't until spy technology and

2165

01:21:26,629 --> 01:21:23,280

it wasn't until after the war

2166

01:21:28,310 --> 01:21:26,639

world war ii that uh japan and germany

2167

01:21:29,510 --> 01:21:28,320

and the u.s tried to study and find out

2168

01:21:32,070 --> 01:21:29,520

who had these

2169

01:21:34,310 --> 01:21:32,080

and nobody could find out so um we have

2170

01:21:36,070 --> 01:21:34,320

a picture an actual picture

2171

01:21:38,229 --> 01:21:36,080

of um

2172

01:21:41,030 --> 01:21:38,239

of a plane with foo fighters around it

2173

01:21:44,470 --> 01:21:41,040

and by the way in the documentary

2174

01:21:47,910 --> 01:21:44,480

if you go to amazon prime and watch that

2175

01:21:49,189 --> 01:21:47,920

uh edition at the very end we have a 93

2176

01:21:50,950 --> 01:21:49,199

year young

2177

01:21:53,990 --> 01:21:50,960

french pilot

2178

01:21:56,629 --> 01:21:54,000

who witnessed these foo fighters and he

2179

01:21:59,910 --> 01:21:56,639

tells his story which is pretty pretty

2180

01:22:02,709 --> 01:21:59,920

profound when he tried to report it okay

2181

01:22:05,430 --> 01:22:02,719

um so all these things are are

2182

01:22:07,590 --> 01:22:05,440

available on the website the phoenix

2183

01:22:11,030 --> 01:22:07,600

lights network website

2184

01:22:12,470 --> 01:22:11,040

it's packed with information to explore

2185

01:22:14,790 --> 01:22:12,480

and to consider

2186

01:22:17,590 --> 01:22:14,800

and again it's just there

2187

01:22:19,830 --> 01:22:17,600

for the public to educate to raise their

2188

01:22:22,229 --> 01:22:19,840

awareness and all these are the book and

2189

01:22:25,189 --> 01:22:22,239

the documentary and the graphic novel

2190

01:22:27,189 --> 01:22:25,199

and the website um so you can learn what

2191

01:22:28,790 --> 01:22:27,199

really happened uh with the phoenix

2192

01:22:31,750 --> 01:22:28,800

lights

2193

01:22:33,189 --> 01:22:31,760

dr kitai thank you so much and guys

2194

01:22:34,709 --> 01:22:33,199

everything we've talked about that has a

2195

01:22:36,229 --> 01:22:34,719

link possible link whether it's the

2196

01:22:38,390 --> 01:22:36,239

videos that we weren't able to show in

2197

01:22:40,149 --> 01:22:38,400

the presentation will be linked below

2198

01:22:42,149 --> 01:22:40,159

but more importantly the phoenix night

2199

01:22:43,830 --> 01:22:42,159

the phoenix lights network website will

2200

01:22:46,390 --> 01:22:43,840

be the top link and

2201  
01:22:48,070 --> 01:22:46,400  
i cannot state this enough you must must

2202  
01:22:48,870 --> 01:22:48,080  
go and take a look at it all through the

2203  
01:22:52,709 --> 01:22:48,880  
news

2204  
01:22:54,709 --> 01:22:52,719  
absolutely phenomenal the depth and

2205  
01:22:55,830 --> 01:22:54,719  
detail in the work analysis and

2206  
01:22:58,070 --> 01:22:55,840  
everything is

2207  
01:23:00,310 --> 01:22:58,080  
incredible so please go and check that

2208  
01:23:03,990 --> 01:23:00,320  
out but finally all i really need to do

2209  
01:23:05,750 --> 01:23:04,000  
is say thank you so much dr kite that is

2210  
01:23:07,990 --> 01:23:05,760  
an absolutely incredible presentation it

2211  
01:23:09,430 --> 01:23:08,000  
was an honor to have you here and i

2212  
01:23:11,590 --> 01:23:09,440  
think it was almost a blessing that the

2213  
01:23:13,030 --> 01:23:11,600

audio was wrong because no one wants to

2214

01:23:15,350 --> 01:23:13,040

hear from me they just want to hear from

2215

01:23:18,149 --> 01:23:15,360

you and it was fantastic so thank you so

2216

01:23:19,910 --> 01:23:18,159

much oh i appreciate

2217

01:23:22,070 --> 01:23:19,920

being here so much and having your

2218

01:23:24,550 --> 01:23:22,080

audience um understand that there's a

2219

01:23:26,149 --> 01:23:24,560

lot more to the story of of the phoenix

2220

01:23:27,350 --> 01:23:26,159

lights and i always say and if you want

2221

01:23:30,470 --> 01:23:27,360

to do the last

2222

01:23:32,550 --> 01:23:30,480

last uh slide there i always tell people

2223

01:23:35,270 --> 01:23:32,560

and it's a double entendre now you guys

2224

01:23:37,110 --> 01:23:35,280

understand keep looking up

2225

01:23:38,870 --> 01:23:37,120

so guys thank you so much for watching

2226

01:23:41,510 --> 01:23:38,880

please join me again on the next one and

2227

01:23:43,430 --> 01:23:41,520

like i said check those links below
