looking forward to this conversation

00:00:49,110 --> 00:00:45,920

so

i'm doing really well man thank you so

13
00:00:57,830 --> 00:00:56,079

much for joining me today

14

00:00:59,590 --> 00:00:57,840

awesome yeah it's good to be here i've

15

00:01:02,630 --> 00:00:59,600

been watching your uh show for a little

16

00:01:04,630 --> 00:01:02,640

while you've had some top-notch a-list

17

00:01:06,789 --> 00:01:04,640

uh guests and interviews on here man

18

00:01:08,630 --> 00:01:06,799

it's been really impressive and so uh

19

00:01:11,030 --> 00:01:08,640

here i come in bringing up the caboose

20

00:01:13,109 --> 00:01:11,040

maybe somewhere in the middle uh talking

21

00:01:14,710 --> 00:01:13,119

about alternative things and stuff so

22

00:01:16,469 --> 00:01:14,720

we'll see where i fit into the mix of

23

00:01:17,830 --> 00:01:16,479

all these awesome guests that you've had

24

00:01:19,510 --> 00:01:17,840

on the show but i appreciate you having

25

00:01:22,070 --> 00:01:19,520

me on here hey listen i appreciate the

26
00:01:23,670 --> 00:01:22,080
kind words but you are by no means any

27
00:01:25,270 --> 00:01:23,680
less important than any of the people

28
00:01:26,710 --> 00:01:25,280
that i've had on this channel um i

29
00:01:28,710 --> 00:01:26,720
mentioned this to you just before we

30
00:01:30,870 --> 00:01:28,720
came on that i'm now starting to look at

31
00:01:33,190 --> 00:01:30,880
other aspects of this field i've been

32
00:01:34,310 --> 00:01:33,200
researching ufos for about a decade now

33
00:01:37,990 --> 00:01:34,320
and

34
00:01:39,670 --> 00:01:38,000
perspective

35
00:01:40,550 --> 00:01:39,680
and i feel that

36
00:01:42,469 --> 00:01:40,560
just

37
00:01:44,710 --> 00:01:42,479
being that sort of tunnel vision in one

38
00:01:46,710 --> 00:01:44,720

area is not doing me any justice i felt

39

00:01:48,630 --> 00:01:46,720

like i needed to expand my horizons a

40

00:01:49,990 --> 00:01:48,640

bit so being able to speak to people

41

00:01:51,910 --> 00:01:50,000

like yourself i think is really

42

00:01:54,069 --> 00:01:51,920

important in me gaining more knowledge

43

00:01:56,389 --> 00:01:54,079

and things like that that may relate to

44

00:01:57,429 --> 00:01:56,399

the subjects so um yeah it means a lot

45

00:01:59,190 --> 00:01:57,439

thank you

46

00:02:02,149 --> 00:01:59,200

yeah absolutely i kind of grew up with a

47

00:02:04,709 --> 00:02:02,159

weird mix of it to where i wasn't

48

00:02:06,630 --> 00:02:04,719

opposed to like the nuts and bolts side

49

00:02:09,910 --> 00:02:06,640

of it you know the scientific side of it

50

00:02:12,150 --> 00:02:09,920

but i was raised very kind of like uh

51
00:02:14,309 --> 00:02:12,160
isolated conservative very religious

52
00:02:15,750 --> 00:02:14,319
upbringing and so the spiritual side of

53
00:02:17,670 --> 00:02:15,760
life was more

54
00:02:19,589 --> 00:02:17,680
prevalent to me i was more focused on

55
00:02:21,830 --> 00:02:19,599
the spiritual aspect even as a kid

56
00:02:23,350 --> 00:02:21,840
growing up and the scientific stuff was

57
00:02:26,229 --> 00:02:23,360
more just kind of like i will explain

58
00:02:27,750 --> 00:02:26,239
that spiritually later but uh all that's

59
00:02:29,670 --> 00:02:27,760
flipped on its head now that i've kind

60
00:02:31,670 --> 00:02:29,680
of left organized religion

61
00:02:33,589 --> 00:02:31,680
trying to piece together

62
00:02:35,830 --> 00:02:33,599
how does the how does the science and

63
00:02:37,990 --> 00:02:35,840

the nature of actual reality fit with

64

00:02:40,309 --> 00:02:38,000

the with the spiritual

65

00:02:41,990 --> 00:02:40,319

realm or these the phenomenon and what's

66

00:02:43,990 --> 00:02:42,000

actually occurring or what has happened

67

00:02:46,150 --> 00:02:44,000

in my life how do i how do i put all

68

00:02:48,309 --> 00:02:46,160

this together into something that that

69

00:02:50,869 --> 00:02:48,319

fits so that i can be sane and not feel

70

00:02:53,030 --> 00:02:50,879

like a crazy person so yeah so did you

71

00:02:54,550 --> 00:02:53,040

grow up like with any kind of spiritual

72

00:02:57,030 --> 00:02:54,560

background or anything or did you just

73

00:02:59,030 --> 00:02:57,040

come up through public school and yeah

74

00:03:01,430 --> 00:02:59,040

science and just straight up physics and

75

00:03:03,270 --> 00:03:01,440

all that stuff absolutely yeah

76

00:03:05,350 --> 00:03:03,280

no religious people in my family

77

00:03:07,509 --> 00:03:05,360

whatsoever we didn't go to church there

78

00:03:09,190 --> 00:03:07,519

was no bibles in the house there was

79

00:03:11,190 --> 00:03:09,200

there was nothing and

80

00:03:12,470 --> 00:03:11,200

it's not that my parents didn't believe

81

00:03:13,750 --> 00:03:12,480

or anything like that it just wasn't a

82

00:03:15,270 --> 00:03:13,760

part of their lives you know they were

83

00:03:18,790 --> 00:03:15,280

busy both had sort of full-time

84

00:03:21,030 --> 00:03:18,800

high-pressure corporate jobs and yeah

85

00:03:22,470 --> 00:03:21,040

public school

86

00:03:24,949 --> 00:03:22,480

nothing really taught there as far as

87

00:03:27,270 --> 00:03:24,959

religion goes so it took me until

88

00:03:29,509 --> 00:03:27,280

my late teens and

89

00:03:31,350 --> 00:03:29,519

meeting people out partying who kind of

90

00:03:33,190 --> 00:03:31,360

had that spiritual side to them where i

91

00:03:34,710 --> 00:03:33,200

really started saying hey

92

00:03:36,390 --> 00:03:34,720

what is this i you know i find it quite

93

00:03:37,830 --> 00:03:36,400

interesting and stuff so

94

00:03:39,830 --> 00:03:37,840

yeah you know i did touch upon it

95

00:03:42,550 --> 00:03:39,840

briefly you know through that kind of

96

00:03:44,229 --> 00:03:42,560

party scene um

97

00:03:48,550 --> 00:03:44,239

you know psychedelics and things like

98

00:03:50,789 --> 00:03:48,560

that which was great many years ago now

99

00:03:53,270 --> 00:03:50,799

i kind of left it behind it you know 10

100

00:03:54,550 --> 00:03:53,280

15 years ago so

101
00:03:56,149 --> 00:03:54,560
i think that's why it's always been

102
00:03:56,949 --> 00:03:56,159
there somewhere locked in the back of my

103
00:03:58,710 --> 00:03:56,959
head

104
00:04:00,309 --> 00:03:58,720
so i figured yeah let's let's bring that

105
00:04:03,429 --> 00:04:00,319
back to the forefront and see how i can

106
00:04:04,630 --> 00:04:03,439
relate it to the ufos subject really

107
00:04:06,710 --> 00:04:04,640
um

108
00:04:08,149 --> 00:04:06,720
so yeah so your background

109
00:04:09,990 --> 00:04:08,159
yeah can you dive into that a little bit

110
00:04:11,910 --> 00:04:10,000
deeper just about you know it sounds

111
00:04:14,949 --> 00:04:11,920
very different to what i've known so

112
00:04:17,670 --> 00:04:14,959
yeah yeah um yeah i'll give you a little

113
00:04:21,030 --> 00:04:17,680

rundown so yeah i grew up very um in a

114

00:04:23,270 --> 00:04:21,040

small mormon community uh basically

115

00:04:24,950 --> 00:04:23,280

everybody in the town was a member of

116

00:04:26,310 --> 00:04:24,960

the church of jesus christ of latter-day

117

00:04:28,950 --> 00:04:26,320

saints that's the full name of the

118

00:04:30,790 --> 00:04:28,960

church the nickname is mormonism brandon

119

00:04:32,230 --> 00:04:30,800

fugle the owner of skinwalker ranch he's

120

00:04:34,230 --> 00:04:32,240

an active

121

00:04:36,310 --> 00:04:34,240

member of that church as well i left the

122

00:04:37,990 --> 00:04:36,320

church about four years ago just with

123

00:04:40,150 --> 00:04:38,000

different philosophical and spiritual

124

00:04:42,230 --> 00:04:40,160

differences with the organization

125

00:04:44,469 --> 00:04:42,240

but i did grow up with that whole

126

00:04:47,110 --> 00:04:44,479

background so

127

00:04:50,230 --> 00:04:47,120

i i grew up with this idea that there's

128

00:04:52,310 --> 00:04:50,240

this overlaid overlapping spiritual

129

00:04:54,230 --> 00:04:52,320

dimension to reality like your your

130

00:04:55,670 --> 00:04:54,240

ancestors are all around you like your

131

00:04:57,670 --> 00:04:55,680

angels or

132

00:04:59,909 --> 00:04:57,680

you know your even your if you're gonna

133

00:05:02,710 --> 00:04:59,919

have kids or grandkids someday in the

134

00:05:04,469 --> 00:05:02,720

future their unborn spirit entities and

135

00:05:06,629 --> 00:05:04,479

consciousness could even be around you

136

00:05:08,390 --> 00:05:06,639

influencing you as well as all these

137

00:05:10,070 --> 00:05:08,400

like higher dimensional beings like the

138

00:05:13,029 --> 00:05:10,080

deities and angels and all that kind of

139

00:05:15,590 --> 00:05:13,039

stuff plus you know mormon history and

140

00:05:17,830 --> 00:05:15,600

the foundations of it are very occult in

141

00:05:19,909 --> 00:05:17,840

nature we're talking about people you

142

00:05:22,150 --> 00:05:19,919

know the founders of the religion using

143

00:05:24,150 --> 00:05:22,160

magic seer stones and kind of occult

144

00:05:26,150 --> 00:05:24,160

rituals and things in order to find some

145

00:05:28,310 --> 00:05:26,160

of the early artifacts that caused the

146

00:05:30,550 --> 00:05:28,320

foundations of the church and a lot of

147

00:05:32,790 --> 00:05:30,560

that kind of gets covered up with a

148

00:05:35,110 --> 00:05:32,800

christian frosting

149

00:05:37,590 --> 00:05:35,120

but it is very kind of uh

150

00:05:39,430 --> 00:05:37,600

a cult in nature actually and so when i

151
00:05:41,990 --> 00:05:39,440
left the

152
00:05:43,430 --> 00:05:42,000
the religion fast forwarding uh

153
00:05:44,950 --> 00:05:43,440
years later

154
00:05:46,469 --> 00:05:44,960
yeah picking all those pieces up and

155
00:05:47,590 --> 00:05:46,479
trying to understand

156
00:05:49,670 --> 00:05:47,600
kind of the

157
00:05:51,189 --> 00:05:49,680
ritualistic nature to the phenomenon the

158
00:05:54,070 --> 00:05:51,199
occult connection to it throughout

159
00:05:55,830 --> 00:05:54,080
history the ancient aliens connection

160
00:05:57,590 --> 00:05:55,840
bring it all up to science and all that

161
00:05:59,749 --> 00:05:57,600
but yeah i grew up

162
00:06:01,590 --> 00:05:59,759
um with everything going through that

163
00:06:03,510 --> 00:06:01,600

religious filter so

164

00:06:05,029 --> 00:06:03,520

even if something came out in the news

165

00:06:06,870 --> 00:06:05,039

scientifically it was like well how does

166

00:06:08,469 --> 00:06:06,880

this fit in to the faith that we the

167

00:06:10,790 --> 00:06:08,479

belief system that we already know is

168

00:06:11,990 --> 00:06:10,800

true it has to fit in there somehow so

169

00:06:13,909 --> 00:06:12,000

how do we

170

00:06:15,430 --> 00:06:13,919

take this a square peg and pound it

171

00:06:17,029 --> 00:06:15,440

through this round hole and make it work

172

00:06:19,510 --> 00:06:17,039

through this spiritual lens so

173

00:06:21,430 --> 00:06:19,520

everything from my perspective was

174

00:06:24,469 --> 00:06:21,440

kind of like reality was a spiritual

175

00:06:26,150 --> 00:06:24,479

dimension and the illusion of reality is

176

00:06:28,390 --> 00:06:26,160

the physical side of it or like we're

177

00:06:30,629 --> 00:06:28,400

temporarily here in a physical body so i

178

00:06:32,710 --> 00:06:30,639

think i was kind of predispositioned in

179

00:06:34,390 --> 00:06:32,720

my upbringing to

180

00:06:36,710 --> 00:06:34,400

look at things a little bit more

181

00:06:38,309 --> 00:06:36,720

dimensionally different to look for the

182

00:06:40,870 --> 00:06:38,319

spirit realm or to

183

00:06:43,270 --> 00:06:40,880

uh go through life uh with the

184

00:06:45,430 --> 00:06:43,280

connection with my soul and enter the

185

00:06:47,430 --> 00:06:45,440

inner voices and conversation going on

186

00:06:49,670 --> 00:06:47,440

and kind of how that plays into the

187

00:06:50,309 --> 00:06:49,680

nature of human consciousness but i yeah

188

00:06:53,670 --> 00:06:50,319

i

189

00:06:55,589 --> 00:06:53,680

very small town

190

00:06:57,110 --> 00:06:55,599

very filtered through that so all my

191

00:06:59,350 --> 00:06:57,120

friends the whole community the whole

192

00:07:01,110 --> 00:06:59,360

neighborhood uh all the way up through

193

00:07:02,950 --> 00:07:01,120

high school and everything was

194

00:07:04,230 --> 00:07:02,960

completely with that mindset

195

00:07:09,110 --> 00:07:04,240

uh

196

00:07:11,589 --> 00:07:09,120

church and everything so i was full in

197

00:07:13,670 --> 00:07:11,599

like it was completely true uh but i

198

00:07:16,390 --> 00:07:13,680

also grew up kind of with a different

199

00:07:18,710 --> 00:07:16,400

father so he was in the military he was

200

00:07:20,950 --> 00:07:18,720

actually had really uh had a

201
00:07:22,790 --> 00:07:20,960
level of clearance in the military uh

202
00:07:24,550 --> 00:07:22,800
they call cosmic clearance which is like

203
00:07:27,029 --> 00:07:24,560
a nato level of clearance above top

204
00:07:29,029 --> 00:07:27,039
secret wow and even though he was a

205
00:07:30,870 --> 00:07:29,039
mormon he used to always ask me weird

206
00:07:33,029 --> 00:07:30,880
questions all the time he'd be like what

207
00:07:35,510 --> 00:07:33,039
if what if jesus came back and returned

208
00:07:37,990 --> 00:07:35,520
but he showed up on a spaceship or like

209
00:07:40,230 --> 00:07:38,000
what if uh what if spaceships came and

210
00:07:42,150 --> 00:07:40,240
and we found out that all what all the

211
00:07:45,110 --> 00:07:42,160
religions were teaching actually was

212
00:07:46,309 --> 00:07:45,120
aliens and that we were their food or

213
00:07:47,830 --> 00:07:46,319

something like that you know we were

214

00:07:51,830 --> 00:07:47,840

like

215

00:07:53,510 --> 00:07:51,840

chickens that lay eggs and that we would

216

00:07:54,869 --> 00:07:53,520

yes you know what would you do or how

217

00:07:57,270 --> 00:07:54,879

would you know and see who would always

218

00:07:59,670 --> 00:07:57,280

propose these philosophical questions to

219

00:08:01,029 --> 00:07:59,680

me even as a a teenager and stuff and he

220

00:08:02,390 --> 00:08:01,039

would like to talk to me about these

221

00:08:04,070 --> 00:08:02,400

things but uh

222

00:08:06,150 --> 00:08:04,080

um so i always had that kind of

223

00:08:06,950 --> 00:08:06,160

alternative perspective about reality in

224

00:08:08,950 --> 00:08:06,960

life

225

00:08:10,869 --> 00:08:08,960

probably growing up with that

226

00:08:12,790 --> 00:08:10,879

so it wouldn't have surprised me to see

227

00:08:15,589 --> 00:08:12,800

a ufo to just fit it right into the

228

00:08:18,390 --> 00:08:15,599

belief system and the religion but as i

229

00:08:20,309 --> 00:08:18,400

have had paranormal encounters and

230

00:08:22,469 --> 00:08:20,319

experiences

231

00:08:24,390 --> 00:08:22,479

seeing things in the sky or paranormal

232

00:08:27,909 --> 00:08:24,400

experiences throughout my life that has

233

00:08:30,309 --> 00:08:27,919

kind of unraveled the organized

234

00:08:32,070 --> 00:08:30,319

religion and even the scientific side of

235

00:08:33,909 --> 00:08:32,080

reality a little bit

236

00:08:36,149 --> 00:08:33,919

to try and understand what the hell is

237

00:08:38,550 --> 00:08:36,159

really going on here how do we really

238

00:08:41,509 --> 00:08:38,560

explain this not trying to fit it into

239

00:08:43,509 --> 00:08:41,519

anything but just looking at it

240

00:08:44,790 --> 00:08:43,519

and using deduction and just trying to

241

00:08:46,310 --> 00:08:44,800

really

242

00:08:47,590 --> 00:08:46,320

be true to the experience of what's

243

00:08:49,509 --> 00:08:47,600

happening and looking at all the

244

00:08:51,509 --> 00:08:49,519

information so yeah i've gone all the

245

00:08:53,269 --> 00:08:51,519

way up through my life with that door

246

00:08:55,350 --> 00:08:53,279

wide open for this to be a possible

247

00:08:57,670 --> 00:08:55,360

thing but i've always tried to force fit

248

00:08:59,350 --> 00:08:57,680

it into the religious perspective until

249

00:09:01,269 --> 00:08:59,360

probably the last four or five years

250

00:09:03,910 --> 00:09:01,279

when i've appealed all that back which

251

00:09:06,470 --> 00:09:03,920

has opened a whole bunch of new

252

00:09:08,550 --> 00:09:06,480

philosophical possibilities for me

253

00:09:10,790 --> 00:09:08,560

yeah but i think it's opened those same

254

00:09:12,550 --> 00:09:10,800

possibilities up to the people on the

255

00:09:14,790 --> 00:09:12,560

other side in the science side people

256

00:09:16,230 --> 00:09:14,800

like myself and many others because

257

00:09:17,829 --> 00:09:16,240

we've seen it you know even in the last

258

00:09:19,910 --> 00:09:17,839

six months that

259

00:09:22,470 --> 00:09:19,920

it does it just seems like nobody really

260

00:09:24,389 --> 00:09:22,480

knows what these things are yet or not

261

00:09:27,670 --> 00:09:24,399

not what all of these things are you

262

00:09:29,910 --> 00:09:27,680

know the the whole um

263

00:09:32,150 --> 00:09:29,920

extraterrestrial hypothesis has now been

264

00:09:34,230 --> 00:09:32,160

joined by the crypto-terrestrial the

265

00:09:36,870 --> 00:09:34,240

ultra-terrestrial the inter-dimensional

266

00:09:39,030 --> 00:09:36,880

so many possibilities and it's talked

267

00:09:40,870 --> 00:09:39,040

about now that i find more than it has

268

00:09:42,470 --> 00:09:40,880

been in many years

269

00:09:44,790 --> 00:09:42,480

have you is that something you you feel

270

00:09:46,790 --> 00:09:44,800

as well yeah i kind of came across some

271

00:09:49,509 --> 00:09:46,800

of the work like it's been talked about

272

00:09:51,190 --> 00:09:49,519

for a while actually john keel he wrote

273

00:09:53,750 --> 00:09:51,200

them he's famous for the mothman

274

00:09:55,910 --> 00:09:53,760

prophecies and he you know he termed the

275

00:09:57,550 --> 00:09:55,920

phrase like ultra-terrestrials

276

00:09:59,590 --> 00:09:57,560

this new one i've been hearing is

277

00:10:02,710 --> 00:09:59,600

intrafrequential beings

278

00:10:04,870 --> 00:10:02,720

or interfrequential dimensions uh which

279

00:10:06,630 --> 00:10:04,880

is really fascinating i think that

280

00:10:09,430 --> 00:10:06,640

instead of ultra-terrestrials i think

281

00:10:11,750 --> 00:10:09,440

inter-frequential in-between frequencies

282

00:10:12,710 --> 00:10:11,760

or alternate frequency entities or

283

00:10:14,389 --> 00:10:12,720

beings

284

00:10:16,550 --> 00:10:14,399

sounds more plausible to me

285

00:10:17,509 --> 00:10:16,560

ultra-terrestrial sounds

286

00:10:19,829 --> 00:10:17,519

uh

287

00:10:21,269 --> 00:10:19,839

too phenomenal and also kind of cuts out

288

00:10:22,949 --> 00:10:21,279

the possibility of them being

289

00:10:24,150 --> 00:10:22,959

extraterrestrials which i think it's

290

00:10:25,590 --> 00:10:24,160

probably

291

00:10:28,230 --> 00:10:25,600

if you use rational deduction there

292

00:10:30,630 --> 00:10:28,240

probably is actual nuts and bolts crafts

293

00:10:32,870 --> 00:10:30,640

there probably are

294

00:10:34,949 --> 00:10:32,880

spaceships or interdimensional ships

295

00:10:35,829 --> 00:10:34,959

that are coming from other planets out

296

00:10:37,590 --> 00:10:35,839

there

297

00:10:39,509 --> 00:10:37,600

in the universe and then even in our

298

00:10:40,310 --> 00:10:39,519

galaxy and things like that

299

00:10:42,470 --> 00:10:40,320

um

300

00:10:43,990 --> 00:10:42,480

it's definitely possible

301
00:10:46,389 --> 00:10:44,000
and probably going on and they've

302
00:10:49,430 --> 00:10:46,399
probably come and visited but it's

303
00:10:51,430 --> 00:10:49,440
probably also both there's also

304
00:10:54,310 --> 00:10:51,440
energetic phenomenon going on with the

305
00:10:55,910 --> 00:10:54,320
nature of reality that i think

306
00:10:57,590 --> 00:10:55,920
is fundamental to

307
00:10:59,430 --> 00:10:57,600
the problem of just their basic

308
00:11:01,030 --> 00:10:59,440
understanding of the nature of reality

309
00:11:02,870 --> 00:11:01,040
and i think that's why disclosure is

310
00:11:04,790 --> 00:11:02,880
such a problem it's not just a matter of

311
00:11:06,710 --> 00:11:04,800
saying hey there's extraterrestrials

312
00:11:08,389 --> 00:11:06,720
that came here on a spaceship

313
00:11:09,910 --> 00:11:08,399

and they crashed out in the desert and

314

00:11:12,150 --> 00:11:09,920

we got one of their ships you know and

315

00:11:14,630 --> 00:11:12,160

now we're reverse engineering it could

316

00:11:16,230 --> 00:11:14,640

be a lot more dynamic than that because

317

00:11:18,710 --> 00:11:16,240

it could also

318

00:11:20,470 --> 00:11:18,720

incorporate these what we consider

319

00:11:21,829 --> 00:11:20,480

through religion to be like spirit

320

00:11:23,750 --> 00:11:21,839

realms or

321

00:11:26,470 --> 00:11:23,760

how do we account for ghosts in the

322

00:11:28,630 --> 00:11:26,480

afterlife and how does that all fit into

323

00:11:31,110 --> 00:11:28,640

this because we're talking about

324

00:11:33,110 --> 00:11:31,120

just reality as it is and whether it's

325

00:11:34,069 --> 00:11:33,120

extraterrestrials or other dimensional

326

00:11:41,350 --> 00:11:34,079

beings

327

00:11:45,430 --> 00:11:43,829

trying to just say well what we see is

328

00:11:46,790 --> 00:11:45,440

what we get and it has to fit within

329

00:11:48,870 --> 00:11:46,800

that paradigm

330

00:11:50,230 --> 00:11:48,880

isn't the way to solve this problem and

331

00:11:51,670 --> 00:11:50,240

i don't think you're gonna solve it with

332

00:11:53,350 --> 00:11:51,680

that you're gonna it's gonna require

333

00:11:54,949 --> 00:11:53,360

some alternative

334

00:11:56,949 --> 00:11:54,959

theories and philosophies and

335

00:11:58,710 --> 00:11:56,959

understanding the nature of reality

336

00:12:01,190 --> 00:11:58,720

completely different it might even

337

00:12:03,030 --> 00:12:01,200

require us to forget the idea that

338

00:12:04,629 --> 00:12:03,040

nature is made of this concept of

339

00:12:06,949 --> 00:12:04,639

particles and we might need to go back

340

00:12:09,030 --> 00:12:06,959

to this idea of it being an etheric

341

00:12:11,990 --> 00:12:09,040

field

342

00:12:13,829 --> 00:12:12,000

overcoming the problem of gravity uh

343

00:12:15,750 --> 00:12:13,839

doesn't make any sense unless you go

344

00:12:18,150 --> 00:12:15,760

back to this idea of there being an

345

00:12:21,350 --> 00:12:18,160

ether or like like nikola tesla talked

346

00:12:23,350 --> 00:12:21,360

about so we're talking about disclosure

347

00:12:25,430 --> 00:12:23,360

upending also like

348

00:12:27,750 --> 00:12:25,440

new isaac newton and

349

00:12:29,829 --> 00:12:27,760

einstein's laws and

350

00:12:32,069 --> 00:12:29,839

quantum physics and quantum theories and

351

00:12:34,230 --> 00:12:32,079

everything coming unraveled not just

352

00:12:35,590 --> 00:12:34,240

religion like imagine going to school

353

00:12:37,430 --> 00:12:35,600

and they're like oh you remember every

354

00:12:39,509 --> 00:12:37,440

textbook we wrote about the nature of

355

00:12:41,269 --> 00:12:39,519

photons and particles

356

00:12:43,030 --> 00:12:41,279

yeah those aren't real

357

00:12:44,949 --> 00:12:43,040

there's no such thing as a particle

358

00:12:46,710 --> 00:12:44,959

everything is just a gradient of

359

00:12:49,350 --> 00:12:46,720

electromagnetism

360

00:12:52,310 --> 00:12:49,360

and uh different disruptions of that

361

00:12:54,230 --> 00:12:52,320

in different wave forms but it's

362

00:12:56,470 --> 00:12:54,240

it's very interesting to understand like

363

00:12:59,110 --> 00:12:56,480

how much of this and if these are

364

00:13:01,190 --> 00:12:59,120

physical metal spaceships

365

00:13:02,870 --> 00:13:01,200

how how can we assume that they don't

366

00:13:05,269 --> 00:13:02,880

understand the nature of reality so

367

00:13:06,790 --> 00:13:05,279

whether they would travel and use things

368

00:13:08,949 --> 00:13:06,800

that would appear to us technology that

369

00:13:11,030 --> 00:13:08,959

would appear to us like magic you know

370

00:13:12,550 --> 00:13:11,040

yeah yeah absolutely that's great good

371

00:13:13,670 --> 00:13:12,560

you say that about the physics and stuff

372

00:13:17,430 --> 00:13:13,680

i saw a

373

00:13:18,949 --> 00:13:17,440

night and he was talking about the

374

00:13:20,949 --> 00:13:18,959

physics and he was saying

375

00:13:23,590 --> 00:13:20,959

we might understand it one day if we get

376

00:13:25,829 --> 00:13:23,600

to our final physics he called it which

377

00:13:27,350 --> 00:13:25,839

is going beyond newtonian physics and

378

00:13:29,350 --> 00:13:27,360

einstein and that and so it was good to

379

00:13:31,030 --> 00:13:29,360

see someone like that really realizing

380

00:13:32,069 --> 00:13:31,040

that we're only halfway there or maybe

381

00:13:33,670 --> 00:13:32,079

not even

382

00:13:36,069 --> 00:13:33,680

that far there yet

383

00:13:37,509 --> 00:13:36,079

you know yeah i think so much to learn

384

00:13:39,590 --> 00:13:37,519

yeah i think a lot of that's peeling

385

00:13:41,189 --> 00:13:39,600

back we want to understand things

386

00:13:44,389 --> 00:13:41,199

through quantum physics and these

387

00:13:46,949 --> 00:13:44,399

quantum entanglement and that requires

388

00:13:49,189 --> 00:13:46,959

you know even the word quantum

389

00:13:50,470 --> 00:13:49,199

means to quantify or to count which

390

00:13:53,509 --> 00:13:50,480

requires

391

00:13:56,310 --> 00:13:53,519

individual things that you can separate

392

00:13:57,829 --> 00:13:56,320

and count like beans you know you want

393

00:13:59,670 --> 00:13:57,839

to be able to count them and we do that

394

00:14:01,910 --> 00:13:59,680

with everything as humans and it's

395

00:14:02,629 --> 00:14:01,920

really a problem because the truth is

396

00:14:05,189 --> 00:14:02,639

it's

397

00:14:06,710 --> 00:14:05,199

not really made of particles or beams

398

00:14:09,350 --> 00:14:06,720

when you think of like

399

00:14:12,870 --> 00:14:09,360

like a a wave of light we even call them

400

00:14:13,590 --> 00:14:12,880

a wave of light coming off the sun

401
00:14:15,189 --> 00:14:13,600
if

402
00:14:16,870 --> 00:14:15,199
it's really simple when you think about

403
00:14:19,269 --> 00:14:16,880
it but i think that physics in a lot of

404
00:14:21,750 --> 00:14:19,279
ways is kind of taught fundamentally

405
00:14:23,590 --> 00:14:21,760
wrong or incorrect or incomplete

406
00:14:26,150 --> 00:14:23,600
when you think about it you light like

407
00:14:28,790 --> 00:14:26,160
if i like this lighter

408
00:14:31,269 --> 00:14:28,800
if the speed of light is actually moving

409
00:14:33,509 --> 00:14:31,279
then technically the photons coming off

410
00:14:35,670 --> 00:14:33,519
of this lighter should be moving with

411
00:14:37,990 --> 00:14:35,680
the same energy and the same speed of

412
00:14:40,629 --> 00:14:38,000
light as what's coming off the surface

413
00:14:42,150 --> 00:14:40,639

of the sun but it doesn't obliterate me

414

00:14:43,670 --> 00:14:42,160

or the room

415

00:14:47,430 --> 00:14:43,680

what you're getting here is just a

416

00:14:52,310 --> 00:14:50,389

electro electromagnetism of the universe

417

00:14:54,389 --> 00:14:52,320

kind of like a filter capturing the

418

00:14:55,509 --> 00:14:54,399

light that's already in the room

419

00:14:58,150 --> 00:14:55,519

um

420

00:14:59,829 --> 00:14:58,160

it's hard to

421

00:15:03,829 --> 00:14:59,839

explain that but if you think of the

422

00:15:04,870 --> 00:15:03,839

universe more like a magnetic phenomenon

423

00:15:06,550 --> 00:15:04,880

instead of

424

00:15:09,829 --> 00:15:06,560

physical particles then it starts to

425

00:15:11,509 --> 00:15:09,839

make a little bit more sense

426

00:15:13,670 --> 00:15:11,519

but yeah we want everything to be

427

00:15:17,750 --> 00:15:13,680

quantifiable we want to be able to count

428

00:15:19,910 --> 00:15:17,760

it but really that's an illusion because

429

00:15:22,069 --> 00:15:19,920

even the amount of numbers between zero

430

00:15:24,629 --> 00:15:22,079

and one you can never technically get to

431

00:15:27,670 --> 00:15:24,639

one there's infinite decimal positions

432

00:15:29,990 --> 00:15:27,680

between zero and one it's a field

433

00:15:31,749 --> 00:15:30,000

it's like an etheric field that we put

434

00:15:33,990 --> 00:15:31,759

numbers and assigned numbers to and we

435

00:15:35,749 --> 00:15:34,000

try to quantify so i think that really

436

00:15:38,790 --> 00:15:35,759

the problem with like ufos and the

437

00:15:40,870 --> 00:15:38,800

phenomenon comes down to

438

00:15:43,829 --> 00:15:40,880

fundamental nature of our understanding

439

00:15:45,110 --> 00:15:43,839

of reality and even science as a whole

440

00:15:47,350 --> 00:15:45,120

to be able to understand how these

441

00:15:49,269 --> 00:15:47,360

things move how other entities could

442

00:15:50,389 --> 00:15:49,279

even exist alongside of us and be

443

00:15:52,310 --> 00:15:50,399

invisible

444

00:15:54,069 --> 00:15:52,320

uh how they can interact with us or

445

00:15:56,230 --> 00:15:54,079

travel through space and i think as we

446

00:15:58,790 --> 00:15:56,240

discover this or that part of disclosure

447

00:16:00,949 --> 00:15:58,800

comes out it's going to radically shift

448

00:16:03,749 --> 00:16:00,959

and change everything but it's very

449

00:16:06,230 --> 00:16:03,759

under wraps and under control and a slow

450

00:16:08,230 --> 00:16:06,240

slow release right now is what it seems

451
00:16:09,430 --> 00:16:08,240
yes with all that being said do you

452
00:16:11,350 --> 00:16:09,440
think there is

453
00:16:13,990 --> 00:16:11,360
some consciousness connection and then

454
00:16:16,550 --> 00:16:14,000
which would allow us to

455
00:16:18,550 --> 00:16:16,560
contact and connect with these

456
00:16:20,389 --> 00:16:18,560
entities let's say so you know we could

457
00:16:23,509 --> 00:16:20,399
be talking talking along the lines of

458
00:16:25,110 --> 00:16:23,519
ce5 or meditation or things going back

459
00:16:27,189 --> 00:16:25,120
you know millennia that have been

460
00:16:28,389 --> 00:16:27,199
talking about in ancient scriptures and

461
00:16:29,670 --> 00:16:28,399
stuff about

462
00:16:31,430 --> 00:16:29,680
you know

463
00:16:33,509 --> 00:16:31,440

contact yeah like i said contact is that

464

00:16:35,509 --> 00:16:33,519

something that you subscribe to

465

00:16:37,030 --> 00:16:35,519

yeah yeah even in like ancient times

466

00:16:38,310 --> 00:16:37,040

everybody's puzzled with like why

467

00:16:40,949 --> 00:16:38,320

everybody was building these giant

468

00:16:42,069 --> 00:16:40,959

pyramids and why these monolithic

469

00:16:45,590 --> 00:16:42,079

uh

470

00:16:47,670 --> 00:16:45,600

these big

471

00:16:48,949 --> 00:16:47,680

spires it just looks like a giant needle

472

00:16:50,629 --> 00:16:48,959

sticking out of the ground made of

473

00:16:52,389 --> 00:16:50,639

quartz you know or something

474

00:16:53,990 --> 00:16:52,399

and really it's because i think ancient

475

00:16:56,389 --> 00:16:54,000

people in a different way they were

476

00:16:57,990 --> 00:16:56,399

approaching the nature of reality from

477

00:16:58,870 --> 00:16:58,000

and consciousness

478

00:17:00,629 --> 00:16:58,880

uh

479

00:17:02,949 --> 00:17:00,639

with an open canvas they didn't have a

480

00:17:05,590 --> 00:17:02,959

bunch of public school preconceived

481

00:17:08,309 --> 00:17:05,600

ideas they were just approaching nature

482

00:17:10,949 --> 00:17:08,319

in its raw form and so a lot of these

483

00:17:12,630 --> 00:17:10,959

civilizations were built to kind of

484

00:17:14,630 --> 00:17:12,640

amplify

485

00:17:16,470 --> 00:17:14,640

the nature of human consciousness and

486

00:17:18,870 --> 00:17:16,480

the the signals of reality and the

487

00:17:20,710 --> 00:17:18,880

vibrations going on and amplify those

488

00:17:22,549 --> 00:17:20,720

the the natural

489

00:17:24,069 --> 00:17:22,559

vibrational energy of the universe and

490

00:17:25,829 --> 00:17:24,079

the planet

491

00:17:28,950 --> 00:17:25,839

and so

492

00:17:31,430 --> 00:17:28,960

i think that uh consciousness has a huge

493

00:17:33,909 --> 00:17:31,440

part to play in it because

494

00:17:36,390 --> 00:17:33,919

i think that our understanding as well

495

00:17:38,310 --> 00:17:36,400

of human consciousness is incorrect i

496

00:17:40,230 --> 00:17:38,320

don't think it's necessarily just within

497

00:17:42,630 --> 00:17:40,240

the chemical wet works

498

00:17:43,990 --> 00:17:42,640

of the meat inside our skull

499

00:17:46,310 --> 00:17:44,000

i think that

500

00:17:47,270 --> 00:17:46,320

science and and these ancient teachings

501
00:17:49,190 --> 00:17:47,280
and even

502
00:17:51,669 --> 00:17:49,200
transcendental meditation practice shows

503
00:17:54,630 --> 00:17:51,679
you that your consciousness is more like

504
00:17:57,110 --> 00:17:54,640
a signal or like also part of that field

505
00:17:59,510 --> 00:17:57,120
of energy that more surrounds you and

506
00:18:02,070 --> 00:17:59,520
the space around you and your whole

507
00:18:04,310 --> 00:18:02,080
sense of self it's not just contained

508
00:18:06,150 --> 00:18:04,320
within the wet works of the brain and

509
00:18:08,150 --> 00:18:06,160
the chemicals of the brain and the

510
00:18:09,750 --> 00:18:08,160
plasma going on in there

511
00:18:12,789 --> 00:18:09,760
inside your skull

512
00:18:14,870 --> 00:18:12,799
but consciousness is a field of

513
00:18:18,310 --> 00:18:14,880

awareness

514

00:18:19,830 --> 00:18:18,320

that is collective and also

515

00:18:21,430 --> 00:18:19,840

surrounds you and is connected to

516

00:18:24,150 --> 00:18:21,440

everything that you hear and everything

517

00:18:26,950 --> 00:18:24,160

that you see it unifies you with that

518

00:18:28,789 --> 00:18:26,960

surrounded environment so

519

00:18:31,029 --> 00:18:28,799

consciousness has a huge part to play in

520

00:18:32,789 --> 00:18:31,039

it i think because

521

00:18:35,510 --> 00:18:32,799

ultimately when you

522

00:18:38,630 --> 00:18:35,520

see the phenomenon if you were to see a

523

00:18:40,870 --> 00:18:38,640

ufo or have a paranormal encounter

524

00:18:42,710 --> 00:18:40,880

that has to pass through the lenses and

525

00:18:45,430 --> 00:18:42,720

the filters of your own consciousness

526
00:18:46,789 --> 00:18:45,440
and interpretation anyways so you can't

527
00:18:48,870 --> 00:18:46,799
separate

528
00:18:51,270 --> 00:18:48,880
that lens or perception or

529
00:18:53,029 --> 00:18:51,280
interpretation of what you're seeing

530
00:18:54,470 --> 00:18:53,039
and if what you're witnessing and what

531
00:18:55,510 --> 00:18:54,480
appears to you is something that you

532
00:18:57,430 --> 00:18:55,520
can't

533
00:18:59,350 --> 00:18:57,440
understand or fathom

534
00:19:01,669 --> 00:18:59,360
then maybe the phenomenon could even

535
00:19:04,789 --> 00:19:01,679
interface with your consciousness to try

536
00:19:06,470 --> 00:19:04,799
and utilize that or or like what happens

537
00:19:08,710 --> 00:19:06,480
with periaetolia like when you look at a

538
00:19:10,710 --> 00:19:08,720

cloud and it looks like a rabbit or

539

00:19:11,830 --> 00:19:10,720

something like that or you look at

540

00:19:13,590 --> 00:19:11,840

you know

541

00:19:16,789 --> 00:19:13,600

texture on a wall and it suddenly looks

542

00:19:18,230 --> 00:19:16,799

like a face your subconscious can also

543

00:19:21,669 --> 00:19:18,240

project

544

00:19:24,150 --> 00:19:21,679

um forms onto non-form

545

00:19:26,310 --> 00:19:24,160

realities and shapes and give it meaning

546

00:19:29,029 --> 00:19:26,320

and give it an interpretive meaning and

547

00:19:31,029 --> 00:19:29,039

and i think that the phenomenon if it is

548

00:19:33,029 --> 00:19:31,039

capable of

549

00:19:35,510 --> 00:19:33,039

interfacing and connecting with us as

550

00:19:37,350 --> 00:19:35,520

individuals that it would use that sense

551
00:19:38,630 --> 00:19:37,360
of awareness or interface with that

552
00:19:40,070 --> 00:19:38,640
sense of awareness to try and

553
00:19:41,350 --> 00:19:40,080
communicate

554
00:19:43,270 --> 00:19:41,360
if you didn't have

555
00:19:44,470 --> 00:19:43,280
the language to be able to talk to

556
00:19:46,630 --> 00:19:44,480
somebody else

557
00:19:48,630 --> 00:19:46,640
you know typically if you if you landed

558
00:19:50,710 --> 00:19:48,640
on some foreign island with villagers

559
00:19:53,190 --> 00:19:50,720
and couldn't communicate with them

560
00:19:55,270 --> 00:19:53,200
you would try to convey your emotion you

561
00:19:56,950 --> 00:19:55,280
would try to use sign language you'd try

562
00:19:58,150 --> 00:19:56,960
to draw symbols in the dirt and

563
00:20:00,710 --> 00:19:58,160

ultimately

564

00:20:02,789 --> 00:20:00,720

uh if you were across vast distances you

565

00:20:05,029 --> 00:20:02,799

would have to try and convey signals

566

00:20:06,789 --> 00:20:05,039

through emotions and telepathy

567

00:20:09,110 --> 00:20:06,799

and conscious connection and i think

568

00:20:10,710 --> 00:20:09,120

advanced civilizations or alternative

569

00:20:12,470 --> 00:20:10,720

type of entities

570

00:20:14,070 --> 00:20:12,480

uh may just naturally already

571

00:20:16,149 --> 00:20:14,080

communicate that way

572

00:20:18,549 --> 00:20:16,159

we uh we already speculate that in the

573

00:20:20,789 --> 00:20:18,559

animal kingdom you know that like

574

00:20:21,909 --> 00:20:20,799

dolphins and other creatures use all

575

00:20:24,230 --> 00:20:21,919

sorts of different forms of

576

00:20:27,190 --> 00:20:24,240

communication from

577

00:20:29,909 --> 00:20:27,200

sonar and different signals and beeps

578

00:20:32,549 --> 00:20:29,919

and ultimately we're just talking about

579

00:20:35,110 --> 00:20:32,559

different frequencies of communication

580

00:20:37,510 --> 00:20:35,120

we have to fill up our lungs and cause a

581

00:20:41,350 --> 00:20:37,520

perturbation or like a wave

582

00:20:43,909 --> 00:20:41,360

in reality to try and communicate but

583

00:20:45,669 --> 00:20:43,919

maybe something doesn't require

584

00:20:47,750 --> 00:20:45,679

wind bags to do that but can just do

585

00:20:49,350 --> 00:20:47,760

that with the electromagnetic signals of

586

00:20:51,029 --> 00:20:49,360

their thoughts and their consciousness

587

00:20:52,950 --> 00:20:51,039

to be able to communicate

588

00:20:55,190 --> 00:20:52,960

just like if you think of your

589

00:20:57,590 --> 00:20:55,200

your body and your dna and your brain

590

00:20:59,990 --> 00:20:57,600

more like a radio antenna

591

00:21:01,510 --> 00:21:00,000

and less like the radio announcer then

592

00:21:03,510 --> 00:21:01,520

it makes more sense

593

00:21:06,070 --> 00:21:03,520

anything could jump in and hijack that

594

00:21:09,909 --> 00:21:06,080

antenna and hijack the radio signal you

595

00:21:11,830 --> 00:21:09,919

might be listening to like station 101.5

596

00:21:13,750 --> 00:21:11,840

but an alien interference could come in

597

00:21:16,310 --> 00:21:13,760

and hijack that signal and we might call

598

00:21:17,430 --> 00:21:16,320

that clairvoyance or some sort of like a

599

00:21:19,430 --> 00:21:17,440

paranormal

600

00:21:20,870 --> 00:21:19,440

interface or a vision or out-of-body

601
00:21:22,630 --> 00:21:20,880
experience when really it's just our

602
00:21:25,510 --> 00:21:22,640
antenna picking up different

603
00:21:27,430 --> 00:21:25,520
communication from our default network

604
00:21:28,070 --> 00:21:27,440
that we're usually on day-to-day that's

605
00:21:29,750 --> 00:21:28,080
right

606
00:21:31,350 --> 00:21:29,760
i feel like i'm saying a lot am i even

607
00:21:33,430 --> 00:21:31,360
answering your questions yeah and this

608
00:21:34,470 --> 00:21:33,440
is exactly what i wanted to happen carl

609
00:21:35,830 --> 00:21:34,480
because

610
00:21:37,590 --> 00:21:35,840
you've said a lot and but everything you

611
00:21:39,909 --> 00:21:37,600
say you say in a way that just makes it

612
00:21:41,909 --> 00:21:39,919
so understandable and it's like this is

613
00:21:43,990 --> 00:21:41,919

what i've wanted for a long time you

614

00:21:46,390 --> 00:21:44,000

know because people do go off into the

615

00:21:48,070 --> 00:21:46,400

scientific deep stuff that you need a

616

00:21:49,270 --> 00:21:48,080

degree to understand but you put

617

00:21:50,149 --> 00:21:49,280

everything that's

618

00:21:52,870 --> 00:21:50,159

so

619

00:21:55,430 --> 00:21:52,880

maybe technical and advanced

620

00:21:57,590 --> 00:21:55,440

in such simplistic terms that it's it's

621

00:21:59,430 --> 00:21:57,600

a pleasure to listen to so yeah it was

622

00:22:01,750 --> 00:21:59,440

great but i'm just going to point out

623

00:22:03,510 --> 00:22:01,760

this question by christopher morales he

624

00:22:06,549 --> 00:22:03,520

says is our consciousness the same as

625

00:22:07,830 --> 00:22:06,559

what's referred to as our soul

626

00:22:09,830 --> 00:22:07,840

i think it just depends on your

627

00:22:13,110 --> 00:22:09,840

perspective in my opinion i feel like

628

00:22:15,190 --> 00:22:13,120

consciousness is something that is more

629

00:22:17,350 --> 00:22:15,200

timeless or eternal it's part of the

630

00:22:18,870 --> 00:22:17,360

substrate of the nature of the universe

631

00:22:21,510 --> 00:22:18,880

itself

632

00:22:23,750 --> 00:22:21,520

consciousness is and the soul

633

00:22:26,149 --> 00:22:23,760

i would say is more

634

00:22:28,870 --> 00:22:26,159

the interfacing of that consciousness

635

00:22:31,990 --> 00:22:28,880

into the sense of an individual using a

636

00:22:34,630 --> 00:22:32,000

body as a vehicle to to interact with

637

00:22:36,470 --> 00:22:34,640

reality from an individual perspective

638

00:22:38,549 --> 00:22:36,480

and when that interface occurs where you

639

00:22:40,390 --> 00:22:38,559

have consciousness kind of interfacing

640

00:22:42,149 --> 00:22:40,400

into an individual

641

00:22:44,549 --> 00:22:42,159

like here i am carl

642

00:22:47,190 --> 00:22:44,559

uh that would be what i would consider a

643

00:22:49,029 --> 00:22:47,200

soul so you have an individual

644

00:22:50,870 --> 00:22:49,039

consciousness that i see myself as

645

00:22:53,350 --> 00:22:50,880

separate from everyone else

646

00:22:55,669 --> 00:22:53,360

i would consider that a soul

647

00:22:57,750 --> 00:22:55,679

but when the body

648

00:23:00,390 --> 00:22:57,760

dies or when i die

649

00:23:02,310 --> 00:23:00,400

my physical form dies the i would say

650

00:23:04,549 --> 00:23:02,320

that the consciousness or the signal

651
00:23:07,590 --> 00:23:04,559
continues and so i would say that it's

652
00:23:10,549 --> 00:23:07,600
always been there just like if you

653
00:23:13,110 --> 00:23:10,559
have a radio and you're playing 101.5

654
00:23:15,430 --> 00:23:13,120
and then you smash the radio and and

655
00:23:18,630 --> 00:23:15,440
destroy the the component

656
00:23:20,950 --> 00:23:18,640
um antenna and the the membranes that

657
00:23:23,190 --> 00:23:20,960
pick up the signal the signal's still

658
00:23:25,029 --> 00:23:23,200
there yeah the announcer is all still

659
00:23:27,830 --> 00:23:25,039
there the information is all still there

660
00:23:30,390 --> 00:23:27,840
and continues it's just not dialed in or

661
00:23:33,190 --> 00:23:30,400
differentiated into a specific point of

662
00:23:35,110 --> 00:23:33,200
view it just returns to the source um

663
00:23:37,909 --> 00:23:35,120

but the announcers are all still there

664

00:23:40,149 --> 00:23:37,919

the all the all the 5g signals are still

665

00:23:41,909 --> 00:23:40,159

there the wi-fi is all still there i

666

00:23:43,430 --> 00:23:41,919

think the consciousness still continues

667

00:23:45,669 --> 00:23:43,440

but the soul

668

00:23:47,190 --> 00:23:45,679

and that interface between the body and

669

00:23:49,750 --> 00:23:47,200

the consciousness

670

00:23:52,149 --> 00:23:49,760

creates a kind of a harnessed effect for

671

00:23:53,950 --> 00:23:52,159

consciousness to to work one step at a

672

00:23:56,070 --> 00:23:53,960

time instead of being

673

00:23:57,350 --> 00:23:56,080

undifferentiated out into the universe

674

00:23:59,909 --> 00:23:57,360

and so it's kind of like having

675

00:24:01,590 --> 00:23:59,919

something for the signal to attach to

676

00:24:03,510 --> 00:24:01,600

uh to have a body but i don't think

677

00:24:04,630 --> 00:24:03,520

consciousness requires a body in order

678

00:24:06,630 --> 00:24:04,640

to function

679

00:24:07,830 --> 00:24:06,640

yeah that's incredible i i love your

680

00:24:08,710 --> 00:24:07,840

analogies

681

00:24:11,110 --> 00:24:08,720

i think

682

00:24:13,909 --> 00:24:11,120

that just makes so much sense and i need

683

00:24:16,630 --> 00:24:13,919

to eat you next to me like by my side

684

00:24:18,390 --> 00:24:16,640

every single day

685

00:24:20,310 --> 00:24:18,400

it's kind of like if you study like

686

00:24:21,830 --> 00:24:20,320

magnetics and stuff it makes a lot more

687

00:24:24,070 --> 00:24:21,840

sense like uh

688

00:24:26,149 --> 00:24:24,080

you have like the positive positive end

689

00:24:27,350 --> 00:24:26,159

and the negative end of a magnet

690

00:24:28,789 --> 00:24:27,360

um

691

00:24:29,590 --> 00:24:28,799

and when you think about it so you have

692

00:24:31,830 --> 00:24:29,600

like

693

00:24:33,430 --> 00:24:31,840

anodes and cathodes and we don't have to

694

00:24:35,190 --> 00:24:33,440

get into all the science about this

695

00:24:37,430 --> 00:24:35,200

people can go research all that out but

696

00:24:39,789 --> 00:24:37,440

you have like

697

00:24:41,909 --> 00:24:39,799

us is a physical form or a lot like

698

00:24:44,149 --> 00:24:41,919

electromagnetic cathodes our physical

699

00:24:46,230 --> 00:24:44,159

bodies we require

700

00:24:48,070 --> 00:24:46,240

intake we have to consume and consume

701
00:24:50,070 --> 00:24:48,080
and consume energy of other living

702
00:24:52,149 --> 00:24:50,080
things taking energy and minerals into

703
00:24:54,630 --> 00:24:52,159
ourselves and we're constantly putting

704
00:24:56,630 --> 00:24:54,640
off heat and energy and dissipating it

705
00:24:58,789 --> 00:24:56,640
and we're and we're immediately from

706
00:25:01,190 --> 00:24:58,799
when we're born and we stop growing we

707
00:25:03,590 --> 00:25:01,200
start entropying we start growing old

708
00:25:05,029 --> 00:25:03,600
and dying just like in a battery you

709
00:25:07,110 --> 00:25:05,039
have that

710
00:25:08,870 --> 00:25:07,120
negative pole or cathode and a battery

711
00:25:11,190 --> 00:25:08,880
that slowly dissolves and gets

712
00:25:13,350 --> 00:25:11,200
deteriorated as it uses up

713
00:25:15,510 --> 00:25:13,360

its life and on the other end of that

714

00:25:18,950 --> 00:25:15,520

you have um

715

00:25:21,350 --> 00:25:18,960

the anodes which is like a cold neutral

716

00:25:24,549 --> 00:25:21,360

polarity perspective that keeps all that

717

00:25:26,470 --> 00:25:24,559

harness and i kind of wonder if uh

718

00:25:28,390 --> 00:25:26,480

our relationship with consciousness and

719

00:25:29,669 --> 00:25:28,400

with the phenomenon is something to do

720

00:25:31,590 --> 00:25:29,679

with that where we're here in this

721

00:25:32,789 --> 00:25:31,600

physical dimension of reality kind of

722

00:25:36,149 --> 00:25:32,799

like

723

00:25:39,190 --> 00:25:36,159

through this

724

00:25:41,750 --> 00:25:39,200

degrading experience of a physical life

725

00:25:42,789 --> 00:25:41,760

where we have to consume and burn off

726

00:25:43,990 --> 00:25:42,799

all this

727

00:25:46,630 --> 00:25:44,000

uh

728

00:25:49,590 --> 00:25:46,640

energy in our physical bodies but that

729

00:25:51,909 --> 00:25:49,600

isn't necessarily required for the whole

730

00:25:54,630 --> 00:25:51,919

battery to create energy or for the

731

00:25:56,950 --> 00:25:54,640

whole universe to function or for

732

00:25:58,789 --> 00:25:56,960

that phenomenon to occur but anyway

733

00:26:00,470 --> 00:25:58,799

that's kind of some weird deep stuff i

734

00:26:01,830 --> 00:26:00,480

honestly think that it has to do with

735

00:26:04,310 --> 00:26:01,840

the nature of the phenomenon and like

736

00:26:06,950 --> 00:26:04,320

that we sit here in this physical form

737

00:26:09,750 --> 00:26:06,960

and then there's this uh

738

00:26:11,510 --> 00:26:09,760

extra dimensional aspect to ourselves we

739

00:26:13,510 --> 00:26:11,520

sometimes call it our subconscious but

740

00:26:15,750 --> 00:26:13,520

it kind of runs around extra dimensional

741

00:26:17,350 --> 00:26:15,760

to us like the other ender pull of a

742

00:26:19,350 --> 00:26:17,360

battery and sometimes

743

00:26:20,470 --> 00:26:19,360

comes into our reality and interfaces

744

00:26:22,070 --> 00:26:20,480

that way but

745

00:26:24,390 --> 00:26:22,080

yeah i think consciousness is definitely

746

00:26:26,390 --> 00:26:24,400

not just stuck within the body but

747

00:26:28,230 --> 00:26:26,400

is connected with the whole

748

00:26:29,909 --> 00:26:28,240

of the whole universe

749

00:26:31,269 --> 00:26:29,919

just depends on whether the antenna is

750

00:26:33,430 --> 00:26:31,279

dialed in or not

751

00:26:35,590 --> 00:26:33,440

absolutely man and like i said it's just

752

00:26:37,510 --> 00:26:35,600

appearing everywhere at the moment

753

00:26:39,430 --> 00:26:37,520

i i assume for everyone but for me

754

00:26:41,430 --> 00:26:39,440

specifically i see it when i

755

00:26:43,269 --> 00:26:41,440

go and do research or i go on different

756

00:26:45,350 --> 00:26:43,279

social medias and i'm

757

00:26:47,510 --> 00:26:45,360

looking at ufo stuff the consciousness

758

00:26:49,830 --> 00:26:47,520

stuff is being discussed more and more

759

00:26:51,669 --> 00:26:49,840

and i think it really is

760

00:26:53,909 --> 00:26:51,679

going somewhere where it's becoming part

761

00:26:56,549 --> 00:26:53,919

of people's realities who weren't

762

00:26:58,710 --> 00:26:56,559

looking into it or interested in it so

763

00:27:00,310 --> 00:26:58,720

i think that's really interesting but

764

00:27:01,510 --> 00:27:00,320

let's move on one thing i wanted to talk

765

00:27:04,070 --> 00:27:01,520

to you about and you mentioned it

766

00:27:06,310 --> 00:27:04,080

earlier was skinwalker ranch because

767

00:27:07,669 --> 00:27:06,320

i've been following that for quite quite

768

00:27:09,830 --> 00:27:07,679

a while with

769

00:27:11,909 --> 00:27:09,840

out really knowing what to think

770

00:27:13,029 --> 00:27:11,919

not being not being tuned into that kind

771

00:27:14,470 --> 00:27:13,039

of thing so

772

00:27:17,190 --> 00:27:14,480

how about yourself like what what do you

773

00:27:20,710 --> 00:27:17,200

think of all that and stuff i have a

774

00:27:22,149 --> 00:27:20,720

couple of different theories about it um

775

00:27:23,669 --> 00:27:22,159

i think it's kind of an interplay of a

776

00:27:26,549 --> 00:27:23,679

few different things going on there

777

00:27:28,149 --> 00:27:26,559

first of all i think that it

778

00:27:31,269 --> 00:27:28,159

something happened there in the ancient

779

00:27:33,350 --> 00:27:31,279

past uh whether it be specifically

780

00:27:35,909 --> 00:27:33,360

geologically in the region

781

00:27:38,149 --> 00:27:35,919

um have you seen the any of this stuff

782

00:27:40,549 --> 00:27:38,159

about blind frog ranch

783

00:27:42,230 --> 00:27:40,559

it's a silly name there's skinwalker

784

00:27:44,389 --> 00:27:42,240

ranch and then blind frog ranch there's

785

00:27:46,789 --> 00:27:44,399

a whole other tv show called blind frog

786

00:27:51,029 --> 00:27:46,799

ranch it's another happen it's another

787

00:27:54,070 --> 00:27:51,039

farm ranch in utah near skinwalker ranch

788

00:27:58,149 --> 00:27:54,080

very very strange and they've found

789

00:27:59,510 --> 00:27:58,159

uh high levels of iridium in the soil

790

00:28:01,909 --> 00:27:59,520

they can literally

791

00:28:04,230 --> 00:28:01,919

take a scoop of dirt in this one area of

792

00:28:07,990 --> 00:28:04,240

the ranch just dirt like sand off the

793

00:28:10,549 --> 00:28:08,000

ground and they can smelt it and get

794

00:28:12,389 --> 00:28:10,559

actual silver and they had

795

00:28:13,909 --> 00:28:12,399

they had a chemist there and he was

796

00:28:15,750 --> 00:28:13,919

hesitant even on camera he said i don't

797

00:28:18,070 --> 00:28:15,760

know what to call this other than like a

798

00:28:19,590 --> 00:28:18,080

form of alchemy but there's weird weird

799

00:28:21,990 --> 00:28:19,600

anomalous stuff going on here where you

800

00:28:24,630 --> 00:28:22,000

take dirt and melt it and silver comes

801
00:28:25,750 --> 00:28:24,640
out doesn't make any sense but then you

802
00:28:27,830 --> 00:28:25,760
is that you're sorry is that in the

803
00:28:30,389 --> 00:28:27,840
winter basin as well as skin walker yeah

804
00:28:32,310 --> 00:28:30,399
it's in the same area yeah but the only

805
00:28:34,230 --> 00:28:32,320
way you get iridium in the soil like

806
00:28:36,630 --> 00:28:34,240
that especially that high levels of

807
00:28:38,470 --> 00:28:36,640
iridium is if there was an at some point

808
00:28:39,830 --> 00:28:38,480
in the ancient past a huge meteorite

809
00:28:42,549 --> 00:28:39,840
that hit the ground

810
00:28:45,750 --> 00:28:42,559
so somewhere in the area a big meteorite

811
00:28:46,549 --> 00:28:45,760
must have cracked the until basin there

812
00:28:49,830 --> 00:28:46,559
and

813
00:28:52,310 --> 00:28:49,840

if there is giant fragments of

814

00:28:54,549 --> 00:28:52,320

a magnetic meteorite underground

815

00:28:56,630 --> 00:28:54,559

that could cause some of it when the

816

00:28:59,269 --> 00:28:56,640

earth moves through the solar system at

817

00:29:03,190 --> 00:28:59,279

certain times and different alignments

818

00:29:05,110 --> 00:29:03,200

according to astronomy it could amplify

819

00:29:07,430 --> 00:29:05,120

some sort of natural signal from a

820

00:29:09,110 --> 00:29:07,440

meteorite underground just like

821

00:29:11,590 --> 00:29:09,120

pulling any kind of

822

00:29:13,990 --> 00:29:11,600

uh or big storm comes through you know

823

00:29:16,870 --> 00:29:14,000

over some electromagnetic storm comes

824

00:29:19,590 --> 00:29:16,880

overhead and this big electromag or this

825

00:29:21,590 --> 00:29:19,600

not electromagnetic but like an iron

826
00:29:23,110 --> 00:29:21,600
naturally occurring magnetic meteorite

827
00:29:24,470 --> 00:29:23,120
under the ground or fragments spread

828
00:29:25,269 --> 00:29:24,480
underground

829
00:29:27,029 --> 00:29:25,279
could

830
00:29:28,310 --> 00:29:27,039
create all sorts of anomalies and i

831
00:29:30,310 --> 00:29:28,320
think it could be

832
00:29:31,990 --> 00:29:30,320
a couple of things so

833
00:29:33,190 --> 00:29:32,000
for one if you

834
00:29:36,549 --> 00:29:33,200
pass through

835
00:29:39,029 --> 00:29:36,559
a certain valley or walk through

836
00:29:40,669 --> 00:29:39,039
a geological area and there's like a

837
00:29:42,470 --> 00:29:40,679
storm going on or

838
00:29:44,230 --> 00:29:42,480

electromagnetically there's a static

839

00:29:45,990 --> 00:29:44,240

charge built up in the air and a

840

00:29:48,310 --> 00:29:46,000

meteorite underground

841

00:29:50,630 --> 00:29:48,320

well our brains and our abilities to

842

00:29:53,269 --> 00:29:50,640

perceive reality completely run on the

843

00:29:55,750 --> 00:29:53,279

same types of energies and mechanisms

844

00:29:57,909 --> 00:29:55,760

like if you took a nap with your head on

845

00:29:59,190 --> 00:29:57,919

a big magnet you're going to have crazy

846

00:30:01,269 --> 00:29:59,200

dreams

847

00:30:03,029 --> 00:30:01,279

or visions you know they use

848

00:30:05,350 --> 00:30:03,039

helmets with magnets in them to try and

849

00:30:08,149 --> 00:30:05,360

create near-death experiences and deer

850

00:30:11,110 --> 00:30:08,159

different paranormal anomalies and stuff

851
00:30:12,950 --> 00:30:11,120
in scientific studies and so

852
00:30:15,350 --> 00:30:12,960
i think you could walk through certain

853
00:30:16,549 --> 00:30:15,360
areas of skinwalker ranch or blind frog

854
00:30:17,430 --> 00:30:16,559
ranch and

855
00:30:19,430 --> 00:30:17,440
maybe

856
00:30:22,470 --> 00:30:19,440
where the meteorite is underground or

857
00:30:24,549 --> 00:30:22,480
certain anomalies in the earth or maybe

858
00:30:27,430 --> 00:30:24,559
some sort of a crystal maybe there's a

859
00:30:29,909 --> 00:30:27,440
pool of mercury swirling around in the

860
00:30:31,990 --> 00:30:29,919
earth creating an electromagnetic field

861
00:30:34,389 --> 00:30:32,000
so that could do a couple of things

862
00:30:36,870 --> 00:30:34,399
first of all it could literally

863
00:30:39,190 --> 00:30:36,880

create a rift in reality where there's

864

00:30:40,950 --> 00:30:39,200

portals that open and other entities can

865

00:30:43,029 --> 00:30:40,960

come through or

866

00:30:45,269 --> 00:30:43,039

it creates an energetic

867

00:30:46,950 --> 00:30:45,279

area where beings that utilize that type

868

00:30:48,070 --> 00:30:46,960

of energy are able to amplify and

869

00:30:49,990 --> 00:30:48,080

manifest

870

00:30:51,669 --> 00:30:50,000

or it could just be affecting the people

871

00:30:53,350 --> 00:30:51,679

that are walking through the area just

872

00:30:55,350 --> 00:30:53,360

like if you walked into a room that was

873

00:30:57,509 --> 00:30:55,360

full of radiation and it made you

874

00:31:00,389 --> 00:30:57,519

hallucinate things if you were walking

875

00:31:02,549 --> 00:31:00,399

over the top of a big magnetic meteorite

876

00:31:03,509 --> 00:31:02,559

and there's some electrical charge in

877

00:31:04,389 --> 00:31:03,519

the air

878

00:31:06,549 --> 00:31:04,399

or

879

00:31:08,630 --> 00:31:06,559

something like that

880

00:31:10,789 --> 00:31:08,640

it could open up your perceptions to see

881

00:31:13,110 --> 00:31:10,799

reality completely differently or to see

882

00:31:14,630 --> 00:31:13,120

things into other dimensions of reality

883

00:31:16,789 --> 00:31:14,640

that you normally wouldn't perceive just

884

00:31:18,870 --> 00:31:16,799

like taking a pair of blinders off

885

00:31:21,430 --> 00:31:18,880

suddenly you can

886

00:31:23,190 --> 00:31:21,440

have advanced awareness or amplified

887

00:31:24,870 --> 00:31:23,200

abilities

888

00:31:25,830 --> 00:31:24,880

like imagine if you were walking around

889

00:31:27,750 --> 00:31:25,840

at night

890

00:31:30,470 --> 00:31:27,760

in the pitch black and suddenly walked

891

00:31:32,070 --> 00:31:30,480

into a strange anomalous magnetic area

892

00:31:34,230 --> 00:31:32,080

that affected your vision and suddenly

893

00:31:36,310 --> 00:31:34,240

you could see an infrared

894

00:31:37,909 --> 00:31:36,320

off the visible spectrum and have a

895

00:31:40,149 --> 00:31:37,919

moment where you could see something

896

00:31:41,990 --> 00:31:40,159

anomalous you you might see something

897

00:31:44,149 --> 00:31:42,000

you know that you normally would not

898

00:31:45,750 --> 00:31:44,159

perceive that is actually there but just

899

00:31:47,909 --> 00:31:45,760

in another

900

00:31:49,830 --> 00:31:47,919

physical dimension of reality

901
00:31:51,909 --> 00:31:49,840
that's so interesting so there's a

902
00:31:53,509 --> 00:31:51,919
couple of different ways that could go

903
00:31:55,110 --> 00:31:53,519
yeah so i mean obviously the portal

904
00:31:56,950 --> 00:31:55,120
thing has been spoken about in skinwalk

905
00:31:59,269 --> 00:31:56,960
of quite some time and i mean that just

906
00:32:00,870 --> 00:31:59,279
fascinates me so much but i mean then

907
00:32:02,789 --> 00:32:00,880
you get the uh the

908
00:32:04,630 --> 00:32:02,799
the ute tribes talking about the actual

909
00:32:07,350 --> 00:32:04,640
skinwalkers themselves have you got any

910
00:32:09,509 --> 00:32:07,360
theories about those at all

911
00:32:11,269 --> 00:32:09,519
yeah um

912
00:32:13,509 --> 00:32:11,279
i think it has a little bit more to do

913
00:32:15,350 --> 00:32:13,519

with the illusion of time and the idea

914

00:32:17,190 --> 00:32:15,360

that like time is actually

915

00:32:19,029 --> 00:32:17,200

somewhere in this other place in the

916

00:32:20,549 --> 00:32:19,039

past and the future is some other place

917

00:32:23,110 --> 00:32:20,559

in the pa in the

918

00:32:25,269 --> 00:32:23,120

in in the undifferentiated future

919

00:32:27,590 --> 00:32:25,279

right um but i think uh

920

00:32:29,909 --> 00:32:27,600

yeah the ancient legends of all of that

921

00:32:31,590 --> 00:32:29,919

that happened there was so much

922

00:32:34,149 --> 00:32:31,600

negativity that occurred in that area

923

00:32:36,310 --> 00:32:34,159

where the eu indians were going and

924

00:32:38,230 --> 00:32:36,320

kidnapping the other natives in the area

925

00:32:39,990 --> 00:32:38,240

and selling them off to slavery and

926
00:32:41,509 --> 00:32:40,000
torturing and murdering them

927
00:32:42,710 --> 00:32:41,519
and then there was like a curse placed

928
00:32:44,389 --> 00:32:42,720
on the land

929
00:32:45,509 --> 00:32:44,399
uh and a bunch of stuff but i just

930
00:32:47,830 --> 00:32:45,519
wonder if

931
00:32:50,389 --> 00:32:47,840
if a lot of like

932
00:32:52,870 --> 00:32:50,399
collective negative things occurred in a

933
00:32:55,430 --> 00:32:52,880
particular area if

934
00:32:57,590 --> 00:32:55,440
somewhere in what we consider space-time

935
00:33:00,149 --> 00:32:57,600
or what we consider the past those are

936
00:33:02,389 --> 00:33:00,159
kind of still going on like imagine if

937
00:33:03,990 --> 00:33:02,399
you know you had like a

938
00:33:06,389 --> 00:33:04,000

a cassette tape and you just kept

939

00:33:07,909 --> 00:33:06,399

recording new songs over that old

940

00:33:10,070 --> 00:33:07,919

cassette tape over and over and over and

941

00:33:11,750 --> 00:33:10,080

over again yeah the degradation over

942

00:33:13,750 --> 00:33:11,760

time if you listened really close you

943

00:33:15,430 --> 00:33:13,760

could hear some of the original songs

944

00:33:17,509 --> 00:33:15,440

still playing in the background that

945

00:33:19,830 --> 00:33:17,519

have just been rewritten there's still a

946

00:33:20,870 --> 00:33:19,840

residue there and so i wonder if there's

947

00:33:23,590 --> 00:33:20,880

just these

948

00:33:25,750 --> 00:33:23,600

uh little echoes in reality distortions

949

00:33:27,750 --> 00:33:25,760

in reality where we can get glimpses of

950

00:33:29,830 --> 00:33:27,760

the past or the future

951
00:33:31,669 --> 00:33:29,840
and so maybe that you know goes back to

952
00:33:33,830 --> 00:33:31,679
skinwalker ranch too you might have some

953
00:33:35,509 --> 00:33:33,840
time slippage where

954
00:33:38,789 --> 00:33:35,519
they see some

955
00:33:41,269 --> 00:33:38,799
giant strange prehistoric looking wolf

956
00:33:43,190 --> 00:33:41,279
come up into the ranch and walk around

957
00:33:45,029 --> 00:33:43,200
and you know maybe it's something out of

958
00:33:46,389 --> 00:33:45,039
place in time that did exist and walk

959
00:33:48,630 --> 00:33:46,399
through that valley

960
00:33:50,870 --> 00:33:48,640
and hunt and migrate through the area

961
00:33:52,870 --> 00:33:50,880
back in prehistoric times it somehow

962
00:33:55,110 --> 00:33:52,880
slipped through into our awareness

963
00:33:56,870 --> 00:33:55,120

because of the time overlap

964

00:33:58,710 --> 00:33:56,880

where it's just going and looking for

965

00:33:59,990 --> 00:33:58,720

rabbits or something and winds up in our

966

00:34:02,310 --> 00:34:00,000

timeline

967

00:34:04,230 --> 00:34:02,320

uh thousands of years out of place

968

00:34:05,990 --> 00:34:04,240

yeah and some of that could be layered

969

00:34:07,350 --> 00:34:06,000

yeah like ten thousand-year-old

970

00:34:09,270 --> 00:34:07,360

direwolves when people were showing

971

00:34:10,869 --> 00:34:09,280

pictures of what they saw like the um

972

00:34:12,950 --> 00:34:10,879

the sherman family

973

00:34:14,230 --> 00:34:12,960

you know they were apparently shown a

974

00:34:16,069 --> 00:34:14,240

load of pictures of wolves and yeah they

975

00:34:18,389 --> 00:34:16,079

picked out a dial off ten thousand years

976
00:34:19,349 --> 00:34:18,399
extinct or something so yeah that

977
00:34:21,190 --> 00:34:19,359
certainly

978
00:34:23,349 --> 00:34:21,200
makes sense you know all sorts of weird

979
00:34:25,270 --> 00:34:23,359
mythological creatures and orbs and

980
00:34:26,550 --> 00:34:25,280
energetic things and again it could just

981
00:34:28,069 --> 00:34:26,560
be like uh

982
00:34:28,869 --> 00:34:28,079
you know you see a

983
00:34:32,230 --> 00:34:28,879
some

984
00:34:34,069 --> 00:34:32,240
crazy anomalous shadow figure or plasma

985
00:34:36,069 --> 00:34:34,079
form moving through the trees and your

986
00:34:37,190 --> 00:34:36,079
own subconscious fills in the gaps you

987
00:34:39,430 --> 00:34:37,200
know

988
00:34:41,109 --> 00:34:39,440

if you're hiking on a trail and you see

989

00:34:43,349 --> 00:34:41,119

some weird squiggly thing on the trail

990

00:34:44,790 --> 00:34:43,359

you a lot of times you jump and run away

991

00:34:46,629 --> 00:34:44,800

thinking it's a snake and then you

992

00:34:49,510 --> 00:34:46,639

realize when you look at it it's just a

993

00:34:51,829 --> 00:34:49,520

stick you know but uh and so some of

994

00:34:54,470 --> 00:34:51,839

that could be going on there could be an

995

00:34:55,909 --> 00:34:54,480

actual phenomenon occurring and then

996

00:34:57,670 --> 00:34:55,919

the witnesses

997

00:34:58,710 --> 00:34:57,680

fill in the gaps and say that was a

998

00:35:00,230 --> 00:34:58,720

bigfoot

999

00:35:01,750 --> 00:35:00,240

you know when really it was just a

1000

00:35:04,630 --> 00:35:01,760

shadow figure

1001

00:35:05,829 --> 00:35:04,640

an energetic kind of uh

1002

00:35:08,390 --> 00:35:05,839

entity that

1003

00:35:10,390 --> 00:35:08,400

emerged forward and then left and then

1004

00:35:12,470 --> 00:35:10,400

they just see it as a

1005

00:35:15,349 --> 00:35:12,480

hairy ape man because your subconscious

1006

00:35:17,349 --> 00:35:15,359

fears kick in you know like yeah

1007

00:35:18,950 --> 00:35:17,359

then of course they get the um obviously

1008

00:35:20,150 --> 00:35:18,960

they get the ufo sightings and that's a

1009

00:35:21,910 --> 00:35:20,160

big thing that they've had for many

1010

00:35:24,870 --> 00:35:21,920

years you know they've even featured it

1011

00:35:26,069 --> 00:35:24,880

on tv shows documentaries and stuff so

1012

00:35:28,470 --> 00:35:26,079

do you think there's some relation there

1013

00:35:30,750 --> 00:35:28,480

to this possibility of

1014

00:35:32,950 --> 00:35:30,760

the it's drawn to the area through

1015

00:35:33,750 --> 00:35:32,960

electromagnetism or something like that

1016

00:35:35,349 --> 00:35:33,760

or

1017

00:35:37,270 --> 00:35:35,359

is that do you think it all relates to

1018

00:35:39,750 --> 00:35:37,280

that sort of same thing

1019

00:35:41,750 --> 00:35:39,760

yeah it's probably just the the legends

1020

00:35:43,829 --> 00:35:41,760

of the area that the conscious

1021

00:35:45,750 --> 00:35:43,839

expectations of people in the area you

1022

00:35:47,750 --> 00:35:45,760

could probably pick if it's not like an

1023

00:35:50,550 --> 00:35:47,760

actual geological

1024

00:35:52,470 --> 00:35:50,560

thing to do with the uintah basin or

1025

00:35:53,270 --> 00:35:52,480

something like that you could probably

1026

00:35:58,470 --> 00:35:53,280

pick

1027

00:36:00,470 --> 00:35:58,480

my backyard or any kind of

1028

00:36:01,990 --> 00:36:00,480

farmer's field and if you had enough

1029

00:36:02,870 --> 00:36:02,000

people around

1030

00:36:05,270 --> 00:36:02,880

uh

1031

00:36:07,349 --> 00:36:05,280

energetically you know meditating and

1032

00:36:09,510 --> 00:36:07,359

changing their perceptions and altered

1033

00:36:12,230 --> 00:36:09,520

altering their states of consciousness

1034

00:36:13,270 --> 00:36:12,240

and spending time out there uh even just

1035

00:36:21,510 --> 00:36:13,280

the

1036

00:36:23,349 --> 00:36:21,520

ancient past or esoteric rituals and

1037

00:36:24,349 --> 00:36:23,359

things could definitely be some kind of

1038

00:36:29,910 --> 00:36:24,359

an

1039

00:36:31,510 --> 00:36:29,920

uh almost like chumming for sharks one

1040

00:36:33,829 --> 00:36:31,520

thing i do want to caution when it comes

1041

00:36:35,430 --> 00:36:33,839

to this idea of like i've talked about

1042

00:36:37,349 --> 00:36:35,440

this before but i haven't really given

1043

00:36:40,230 --> 00:36:37,359

the warnings too much when you

1044

00:36:42,069 --> 00:36:40,240

if you are going to do like meditation

1045

00:36:43,829 --> 00:36:42,079

or some kind of reverse remote viewing

1046

00:36:47,030 --> 00:36:43,839

to try and make contact with any kind of

1047

00:36:49,270 --> 00:36:47,040

phenomenal entities you i this is the

1048

00:36:51,190 --> 00:36:49,280

caution that i would give there

1049

00:36:52,310 --> 00:36:51,200

for and this is from personal experience

1050

00:36:54,230 --> 00:36:52,320

i'll say

1051

00:36:56,550 --> 00:36:54,240

that usually even if you're like if

1052

00:36:57,990 --> 00:36:56,560

you're in las vegas or new york and

1053

00:36:59,670 --> 00:36:58,000

you're in a big bustling city and

1054

00:37:01,990 --> 00:36:59,680

there's a lot going on

1055

00:37:04,390 --> 00:37:02,000

and you start basically opening yourself

1056

00:37:05,910 --> 00:37:04,400

up to talk to anybody and everybody who

1057

00:37:08,390 --> 00:37:05,920

are the first kind of people that are

1058

00:37:11,990 --> 00:37:08,400

usually going to rush up to you that

1059

00:37:14,310 --> 00:37:12,000

usually not the most stable same people

1060

00:37:16,230 --> 00:37:14,320

usually they're very needy people or

1061

00:37:18,790 --> 00:37:16,240

homeless people or mentally distressed

1062

00:37:21,030 --> 00:37:18,800

people who have different types of needs

1063

00:37:22,790 --> 00:37:21,040

or concerns and they're not necessarily

1064

00:37:24,710 --> 00:37:22,800

a good representation of the whole

1065

00:37:26,550 --> 00:37:24,720

population usually the people that are

1066

00:37:28,550 --> 00:37:26,560

very sane

1067

00:37:30,310 --> 00:37:28,560

and have their life together are busy

1068

00:37:31,829 --> 00:37:30,320

doing things and moving on and they're

1069

00:37:33,510 --> 00:37:31,839

not even going to pay any attention to

1070

00:37:34,230 --> 00:37:33,520

you and they move right along

1071

00:37:38,230 --> 00:37:34,240

so

1072

00:37:40,310 --> 00:37:38,240

transcendental meditation or reverse

1073

00:37:42,230 --> 00:37:40,320

remote viewing or like the stuff that

1074

00:37:43,829 --> 00:37:42,240

stephen greer does to try and attract

1075

00:37:45,430 --> 00:37:43,839

these things where you're basically

1076

00:37:47,910 --> 00:37:45,440

praying and opening your heart to try

1077

00:37:50,390 --> 00:37:47,920

and draw them to you i mean you've got

1078

00:37:52,150 --> 00:37:50,400

to stop and use some common sense and

1079

00:37:53,910 --> 00:37:52,160

some deductive reasoning

1080

00:37:56,310 --> 00:37:53,920

even in this life

1081

00:37:58,150 --> 00:37:56,320

the things that the people and that run

1082

00:38:00,230 --> 00:37:58,160

up to you first excited to talk to you

1083

00:38:02,550 --> 00:38:00,240

are not necessarily

1084

00:38:03,829 --> 00:38:02,560

the safest not necessarily

1085

00:38:05,349 --> 00:38:03,839

have you

1086

00:38:06,550 --> 00:38:05,359

best intentions in mind that doesn't

1087

00:38:08,230 --> 00:38:06,560

mean that there's

1088

00:38:10,950 --> 00:38:08,240

that you should be afraid or anything

1089

00:38:12,950 --> 00:38:10,960

like that but yeah um

1090

00:38:15,190 --> 00:38:12,960

yeah i would i would definitely say you

1091

00:38:17,430 --> 00:38:15,200

know use caution and be observant and

1092

00:38:19,510 --> 00:38:17,440

selective about your approach to it

1093

00:38:22,230 --> 00:38:19,520

don't just uh open your life and

1094

00:38:23,030 --> 00:38:22,240

consciousness up to anything to come uh

1095

00:38:25,349 --> 00:38:23,040

and

1096

00:38:27,670 --> 00:38:25,359

hang out with you you were you prefaced

1097

00:38:30,829 --> 00:38:27,680

that with from personal experience do

1098

00:38:34,390 --> 00:38:30,839

you care to expand on that at all

1099

00:38:35,589 --> 00:38:34,400

um yeah i've uh sure

1100

00:38:37,990 --> 00:38:35,599

i've uh

1101

00:38:39,270 --> 00:38:38,000

trying to sort all this out i've done a

1102

00:38:41,510 --> 00:38:39,280

lot of different

1103

00:38:43,349 --> 00:38:41,520

meditation approaches and methods when i

1104

00:38:44,790 --> 00:38:43,359

say meditation a lot of people just make

1105

00:38:46,710 --> 00:38:44,800

an assumption of what that is where

1106

00:38:48,310 --> 00:38:46,720

you're basically

1107

00:38:50,470 --> 00:38:48,320

you know sitting still

1108

00:38:52,630 --> 00:38:50,480

in a in the lotus position and you're

1109

00:38:54,069 --> 00:38:52,640

basically zoning out and just trying not

1110

00:38:55,990 --> 00:38:54,079

to think

1111

00:38:57,349 --> 00:38:56,000

trying to be a piece and trying to

1112

00:38:58,829 --> 00:38:57,359

achieve zen

1113

00:39:01,990 --> 00:38:58,839

but some of the

1114

00:39:04,550 --> 00:39:02,000

uh meditation methods that i use are

1115

00:39:05,430 --> 00:39:04,560

more proactive or involved they're

1116

00:39:08,630 --> 00:39:05,440

um

1117

00:39:10,390 --> 00:39:08,640

engaged with the subconscious and so for

1118

00:39:11,910 --> 00:39:10,400

example like

1119

00:39:13,430 --> 00:39:11,920

um

1120

00:39:15,589 --> 00:39:13,440

an example would be let's say like i'm

1121

00:39:17,829 --> 00:39:15,599

i'm really stressed out about work

1122

00:39:19,589 --> 00:39:17,839

uh and i know that this is not a good

1123

00:39:21,670 --> 00:39:19,599

emotion for me so what i'll do is i'll

1124

00:39:23,750 --> 00:39:21,680

go sit and meditate and instead of just

1125

00:39:25,589 --> 00:39:23,760

like trying to get rid of these

1126

00:39:27,910 --> 00:39:25,599

anomalous feelings that i'm having i

1127

00:39:29,270 --> 00:39:27,920

actually visualize that i'm going to a

1128

00:39:31,750 --> 00:39:29,280

specific

1129

00:39:33,750 --> 00:39:31,760

imaginary place that i have thought up

1130

00:39:36,630 --> 00:39:33,760

and made up in my own mind like an

1131

00:39:39,030 --> 00:39:36,640

imaginary dreamscape or a realm and i'll

1132

00:39:40,870 --> 00:39:39,040

go into like a room and there's a box in

1133

00:39:43,829 --> 00:39:40,880

there that has these special abilities

1134

00:39:44,870 --> 00:39:43,839

that i have given it and i will put my

1135

00:39:47,030 --> 00:39:44,880

problems

1136

00:39:49,589 --> 00:39:47,040

figuratively and imaginatively inside

1137

00:39:51,030 --> 00:39:49,599

this box and it will solve the problems

1138

00:39:52,390 --> 00:39:51,040

for me and then when it feels better

1139

00:39:54,150 --> 00:39:52,400

i'll come back and open it and the

1140

00:39:54,790 --> 00:39:54,160

solutions are there for me so it's like

1141

00:40:15,109 --> 00:39:54,800

a

1142

00:40:16,470 --> 00:40:15,119

where

1143

00:40:21,190 --> 00:40:16,480

when i'm

1144

00:40:23,829 --> 00:40:21,200

sometimes i'll sense that there's like

1145

00:40:25,190 --> 00:40:23,839

a presence or i'll sense some sort of a

1146

00:40:26,870 --> 00:40:25,200

strange

1147

00:40:29,829 --> 00:40:26,880

familiarity um

1148

00:40:32,150 --> 00:40:29,839

i'll get a smell like uh like my dad's

1149

00:40:33,990 --> 00:40:32,160

cigarettes when i was a kid or something

1150

00:40:35,990 --> 00:40:34,000

like that or i'll get a smell of like my

1151
00:40:38,710 --> 00:40:36,000
grandpa's aftershave or something

1152
00:40:40,870 --> 00:40:38,720
strange like that and so in my mind i'll

1153
00:40:41,750 --> 00:40:40,880
visualize in deep meditation that i'll

1154
00:40:44,390 --> 00:40:41,760
go

1155
00:40:46,870 --> 00:40:44,400
into this specific waiting room

1156
00:40:49,670 --> 00:40:46,880
and then i'll kind of

1157
00:40:51,109 --> 00:40:49,680
do like a a reverse remote viewing type

1158
00:40:52,390 --> 00:40:51,119
thing where i

1159
00:40:54,950 --> 00:40:52,400
basically project

1160
00:40:57,430 --> 00:40:54,960
my consciousness out with an imagination

1161
00:40:59,109 --> 00:40:57,440
like imagine like you're on google earth

1162
00:41:01,910 --> 00:40:59,119
and you're saying this is right where

1163
00:41:03,589 --> 00:41:01,920

i'm at i'm sitting in my backyard i'm

1164

00:41:05,829 --> 00:41:03,599

sitting under the tree

1165

00:41:07,990 --> 00:41:05,839

and on earth this is i'm in the state of

1166

00:41:09,670 --> 00:41:08,000

utah and i'm down here in the desert if

1167

00:41:11,589 --> 00:41:09,680

you looked at me from outer space this

1168

00:41:13,829 --> 00:41:11,599

is right where you'd see me sitting you

1169

00:41:16,390 --> 00:41:13,839

know and but i'll sometimes even do that

1170

00:41:18,150 --> 00:41:16,400

out into kind of like uh even like what

1171

00:41:19,030 --> 00:41:18,160

you'd consider the spirit realm where

1172

00:41:20,630 --> 00:41:19,040

maybe

1173

00:41:22,309 --> 00:41:20,640

ghosts would exist or like a dead

1174

00:41:24,630 --> 00:41:22,319

ancestor or whatever

1175

00:41:26,230 --> 00:41:24,640

and so i'll just kind of follow that

1176

00:41:28,069 --> 00:41:26,240

feeling and open up to that and my

1177

00:41:30,150 --> 00:41:28,079

perceptions up to it and then what

1178

00:41:31,589 --> 00:41:30,160

happens is you'll get surprised because

1179

00:41:33,589 --> 00:41:31,599

the whole time

1180

00:41:35,750 --> 00:41:33,599

you're visualizing and imagining and

1181

00:41:38,470 --> 00:41:35,760

you're controlling it all like kind of

1182

00:41:40,790 --> 00:41:38,480

like a lucid dream so you're imagining

1183

00:41:42,950 --> 00:41:40,800

this room but you're holding it

1184

00:41:44,550 --> 00:41:42,960

completely within your own mind and

1185

00:41:47,750 --> 00:41:44,560

visualization

1186

00:41:52,790 --> 00:41:50,309

you find yourself standing by a river

1187

00:41:55,270 --> 00:41:52,800

you're i i didn't visualize this or i'm

1188

00:41:58,069 --> 00:41:55,280

in the desert or i'm by the beach by the

1189

00:42:00,309 --> 00:41:58,079

ocean or i'm in a garden and

1190

00:42:02,309 --> 00:42:00,319

i didn't do this i didn't imagine this

1191

00:42:04,710 --> 00:42:02,319

how did i get here so there's suddenly

1192

00:42:06,390 --> 00:42:04,720

like this stepping out or clicking out

1193

00:42:09,510 --> 00:42:06,400

experience that occurs where you find

1194

00:42:10,630 --> 00:42:09,520

yourself still very vividly imagining

1195

00:42:13,190 --> 00:42:10,640

but you're not

1196

00:42:15,270 --> 00:42:13,200

dreaming and you're not the one choosing

1197

00:42:17,670 --> 00:42:15,280

where you're at anymore now suddenly you

1198

00:42:19,430 --> 00:42:17,680

find yourself in this new place so it's

1199

00:42:21,910 --> 00:42:19,440

like you're in a dream

1200

00:42:23,109 --> 00:42:21,920

but it's very vivid and the entire time

1201

00:42:24,710 --> 00:42:23,119

in the back of your mind your

1202

00:42:26,790 --> 00:42:24,720

consciousness is saying

1203

00:42:28,470 --> 00:42:26,800

hey i'm where is this you know so

1204

00:42:30,150 --> 00:42:28,480

there's the dialogue and the awareness

1205

00:42:31,270 --> 00:42:30,160

just like when you're awake like normal

1206

00:42:33,510 --> 00:42:31,280

day to day

1207

00:42:35,510 --> 00:42:33,520

and then within that realm

1208

00:42:38,550 --> 00:42:35,520

sometimes it's very strange and

1209

00:42:40,150 --> 00:42:38,560

phenomenal or ghostly or science fiction

1210

00:42:42,470 --> 00:42:40,160

like like a

1211

00:42:44,309 --> 00:42:42,480

weird

1212

00:42:45,910 --> 00:42:44,319

laboratory type environment science like

1213

00:42:48,470 --> 00:42:45,920

a sci-fi type

1214

00:42:50,950 --> 00:42:48,480

weird place alien feeling you know and

1215

00:42:54,150 --> 00:42:50,960

then different people or entities or

1216

00:42:55,750 --> 00:42:54,160

like spirit forms or whatever will

1217

00:42:57,510 --> 00:42:55,760

sometimes present themselves or

1218

00:42:59,430 --> 00:42:57,520

sometimes it's just like a feeling or a

1219

00:43:01,990 --> 00:42:59,440

message or sometimes they'll just step

1220

00:43:03,670 --> 00:43:02,000

right out and have a whole blown

1221

00:43:05,349 --> 00:43:03,680

conversation with you or an interaction

1222

00:43:07,109 --> 00:43:05,359

with you and then and then when it's

1223

00:43:09,030 --> 00:43:07,119

over it's kind of over and i'll step

1224

00:43:11,270 --> 00:43:09,040

back out of the waiting room process it

1225

00:43:13,109 --> 00:43:11,280

all and then i'm back out sitting in my

1226

00:43:15,589 --> 00:43:13,119

backyard and i write it down in my

1227

00:43:16,630 --> 00:43:15,599

journal and try to figure it out

1228

00:43:18,870 --> 00:43:16,640

but

1229

00:43:20,950 --> 00:43:18,880

yeah that kind of stuff happens

1230

00:43:24,630 --> 00:43:20,960

when you get into it

1231

00:43:26,630 --> 00:43:24,640

and you are careful with it

1232

00:43:28,390 --> 00:43:26,640

you can have lots of different kinds of

1233

00:43:30,630 --> 00:43:28,400

uh experiences like that i think a lot

1234

00:43:33,030 --> 00:43:30,640

of ancient people considered those sorts

1235

00:43:34,630 --> 00:43:33,040

of shamanistic type approaches to the

1236

00:43:37,030 --> 00:43:34,640

phenomenon

1237

00:43:38,309 --> 00:43:37,040

like an oracle or a visionary experience

1238

00:43:41,190 --> 00:43:38,319

they treated them

1239

00:43:43,510 --> 00:43:41,200

fully like a real dimension of reality

1240

00:43:44,790 --> 00:43:43,520

or aspects of your own subconscious and

1241

00:43:46,470 --> 00:43:44,800

that was

1242

00:43:48,470 --> 00:43:46,480

i mean there's whole religions built off

1243

00:43:50,630 --> 00:43:48,480

of that kind of stuff but i just do it

1244

00:43:52,550 --> 00:43:50,640

for my own exploration i don't get

1245

00:43:54,790 --> 00:43:52,560

sucked into it even when i have

1246

00:43:56,630 --> 00:43:54,800

experiences where i feel like my my

1247

00:43:58,470 --> 00:43:56,640

deceased father appears and talks to me

1248

00:44:00,630 --> 00:43:58,480

for a while i always come out of that

1249

00:44:03,270 --> 00:44:00,640

and i and i'm skeptical and i was like i

1250

00:44:04,710 --> 00:44:03,280

don't know is that just my own self

1251
00:44:07,589 --> 00:44:04,720
working through my own issues in a

1252
00:44:09,910 --> 00:44:07,599
visualized space is this some sort of a

1253
00:44:11,670 --> 00:44:09,920
trickster entity trying to get into my

1254
00:44:13,910 --> 00:44:11,680
subconscious or trying to invade my

1255
00:44:16,710 --> 00:44:13,920
space pretending to be my dad or is

1256
00:44:18,390 --> 00:44:16,720
there something to it is it is it my my

1257
00:44:20,470 --> 00:44:18,400
father you know and he's coming and

1258
00:44:22,630 --> 00:44:20,480
somehow i'm creating a dimensional space

1259
00:44:25,030 --> 00:44:22,640
for him to interact but yeah i've had

1260
00:44:26,550 --> 00:44:25,040
some very strange

1261
00:44:28,870 --> 00:44:26,560
energetic

1262
00:44:30,710 --> 00:44:28,880
anomalous beings kind of alien form

1263
00:44:34,870 --> 00:44:30,720

encounters and

1264

00:44:36,870 --> 00:44:34,880

what people would consider like past

1265

00:44:38,950 --> 00:44:36,880

life experiences where i

1266

00:44:40,790 --> 00:44:38,960

spent a time looking at my hands and

1267

00:44:42,550 --> 00:44:40,800

running around as if i was somebody else

1268

00:44:43,910 --> 00:44:42,560

and even looked in the mirror looked in

1269

00:44:46,470 --> 00:44:43,920

the mirror and looked like a different

1270

00:44:48,150 --> 00:44:46,480

person and everything but

1271

00:44:50,790 --> 00:44:48,160

yeah are they are they dreams are they

1272

00:44:52,309 --> 00:44:50,800

subconscious realms or what but it seems

1273

00:44:54,309 --> 00:44:52,319

like you know the government studies

1274

00:44:57,270 --> 00:44:54,319

this stuff and has the whole

1275

00:44:59,190 --> 00:44:57,280

stargate program remote viewing program

1276

00:45:01,109 --> 00:44:59,200

and they treat this like it's an actual

1277

00:45:02,870 --> 00:45:01,119

legitimate phenomenon to reality when

1278

00:45:05,190 --> 00:45:02,880

you control it and you learn it

1279

00:45:07,270 --> 00:45:05,200

absolutely man that was on my list there

1280

00:45:08,710 --> 00:45:07,280

remote viewing i wanted to yeah you

1281

00:45:09,829 --> 00:45:08,720

touched upon it perfectly that's

1282

00:45:11,750 --> 00:45:09,839

incredible

1283

00:45:13,190 --> 00:45:11,760

so yeah so let's let's bring it right up

1284

00:45:14,390 --> 00:45:13,200

to now the here and now with this

1285

00:45:15,829 --> 00:45:14,400

subject that we

1286

00:45:18,630 --> 00:45:15,839

has brought us all together which is

1287

00:45:20,790 --> 00:45:18,640

ufos uap so yeah

1288

00:45:22,390 --> 00:45:20,800

how do you see the current climate of

1289

00:45:25,349 --> 00:45:22,400

things whether it be from the government

1290

00:45:28,230 --> 00:45:25,359

side the military side from our side as

1291

00:45:30,150 --> 00:45:28,240

researchers like how do you see it you

1292

00:45:32,309 --> 00:45:30,160

know because obviously it's just been

1293

00:45:34,630 --> 00:45:32,319

really escalated into a bit more of a

1294

00:45:36,150 --> 00:45:34,640

mainstream viewpoint where people are

1295

00:45:37,510 --> 00:45:36,160

really coming across it for the first

1296

00:45:39,109 --> 00:45:37,520

time but

1297

00:45:40,390 --> 00:45:39,119

how would you break it down with the way

1298

00:45:42,790 --> 00:45:40,400

things are going and how it could

1299

00:45:45,670 --> 00:45:42,800

possibly go over the next year to five

1300

00:45:48,069 --> 00:45:45,680

ten years or so

1301

00:45:50,069 --> 00:45:48,079

yeah i think it's long overdue and i

1302

00:45:52,950 --> 00:45:50,079

think it's just such a big topic that

1303

00:45:55,109 --> 00:45:52,960

disclosure's gonna it's like

1304

00:45:57,670 --> 00:45:55,119

one of those things that like uh

1305

00:45:58,870 --> 00:45:57,680

even if they give you a nugget

1306

00:46:00,390 --> 00:45:58,880

and they give you a little bit of a

1307

00:46:02,069 --> 00:46:00,400

disclosure and they say okay well we're

1308

00:46:03,349 --> 00:46:02,079

going to admit this these things are

1309

00:46:04,309 --> 00:46:03,359

happening

1310

00:46:09,430 --> 00:46:04,319

the

1311

00:46:12,630 --> 00:46:09,440

still

1312

00:46:14,390 --> 00:46:12,640

and

1313

00:46:16,230 --> 00:46:14,400

i think that is because like like we

1314

00:46:18,710 --> 00:46:16,240
started in this conversation it's so

1315

00:46:20,790 --> 00:46:18,720
dynamic if they say

1316

00:46:23,030 --> 00:46:20,800
yes there are

1317

00:46:25,670 --> 00:46:23,040
uh extraterrestrials coming from another

1318

00:46:27,589 --> 00:46:25,680
part of our universe out there then

1319

00:46:29,430 --> 00:46:27,599
people are gonna say well where and how

1320

00:46:32,230 --> 00:46:29,440
do we get how do we get there and where

1321

00:46:34,309 --> 00:46:32,240
do we go and then to say well that's not

1322

00:46:36,069 --> 00:46:34,319
all of it they're also here and they've

1323

00:46:37,990 --> 00:46:36,079
been here the whole time and they exist

1324

00:46:39,750 --> 00:46:38,000
in a blind spot to our perceptual

1325

00:46:42,309 --> 00:46:39,760
awareness and then everybody's going to

1326

00:46:43,109 --> 00:46:42,319

go what you know how do the you know and

1327

00:46:45,109 --> 00:46:43,119

then

1328

00:46:48,230 --> 00:46:45,119

suddenly we have to explain

1329

00:46:50,710 --> 00:46:48,240

our own human anatomy our own

1330

00:46:53,750 --> 00:46:50,720

human form abilities and limitations and

1331

00:46:56,470 --> 00:46:53,760

our perceptual uh limitations you know

1332

00:46:58,230 --> 00:46:56,480

um and the nature of reality itself all

1333

00:47:00,150 --> 00:46:58,240

of our science books might get thrown

1334

00:47:01,510 --> 00:47:00,160

out the window everything so i think

1335

00:47:03,430 --> 00:47:01,520

it's a real

1336

00:47:04,950 --> 00:47:03,440

challenge i feel like it's one of those

1337

00:47:06,069 --> 00:47:04,960

things that's like a giant pressure

1338

00:47:07,910 --> 00:47:06,079

cooker

1339

00:47:10,630 --> 00:47:07,920

that has built up

1340

00:47:12,230 --> 00:47:10,640

a pressure gauge feels maxed out

1341

00:47:13,750 --> 00:47:12,240

everybody's sick of it they want to

1342

00:47:15,750 --> 00:47:13,760

relieve the pressure they want to take

1343

00:47:17,829 --> 00:47:15,760

the lid off but all we get is this

1344

00:47:19,589 --> 00:47:17,839

little bleed valve

1345

00:47:21,430 --> 00:47:19,599

that they just let the pressure out just

1346

00:47:24,150 --> 00:47:21,440

enough to keep the needle off and to

1347

00:47:26,230 --> 00:47:24,160

keep the pressure off

1348

00:47:28,470 --> 00:47:26,240

but my hope is that through all this is

1349

00:47:30,390 --> 00:47:28,480

that little incremental movements and

1350

00:47:31,990 --> 00:47:30,400

disclosure

1351
00:47:33,349 --> 00:47:32,000
at this point because the pressure is

1352
00:47:34,390 --> 00:47:33,359
built up so much

1353
00:47:36,950 --> 00:47:34,400
leads to

1354
00:47:39,910 --> 00:47:36,960
huge improvements

1355
00:47:41,910 --> 00:47:39,920
spiritually and societally as a whole so

1356
00:47:43,990 --> 00:47:41,920
even if they say okay we're going to

1357
00:47:45,510 --> 00:47:44,000
admit that ufos are real

1358
00:47:47,750 --> 00:47:45,520
and then maybe 10 years from now they're

1359
00:47:50,470 --> 00:47:47,760
like we're beginning to understand and

1360
00:47:51,430 --> 00:47:50,480
master anti-gravity technology and

1361
00:47:53,510 --> 00:47:51,440
travel

1362
00:47:57,030 --> 00:47:53,520
even if they've already mastered

1363
00:47:59,190 --> 00:47:57,040

anti-gravity travel and devices and

1364

00:48:01,670 --> 00:47:59,200

you know over unity energy sources you

1365

00:48:03,910 --> 00:48:01,680

know uh things like that like free

1366

00:48:07,670 --> 00:48:03,920

energy

1367

00:48:11,030 --> 00:48:07,680

those tiny little announcements have

1368

00:48:13,510 --> 00:48:11,040

worldwide massive implications for the

1369

00:48:16,710 --> 00:48:13,520

entire economy and infrastructure and

1370

00:48:19,270 --> 00:48:16,720

jobs and everything so a little bit has

1371

00:48:20,870 --> 00:48:19,280

huge implications and so

1372

00:48:22,230 --> 00:48:20,880

i think that it's going to be a slow

1373

00:48:23,190 --> 00:48:22,240

bleed i think they're going to give a

1374

00:48:26,870 --> 00:48:23,200

little bit

1375

00:48:28,549 --> 00:48:26,880

going to get i think is still going to

1376

00:48:31,190 --> 00:48:28,559

create a huge

1377

00:48:33,109 --> 00:48:31,200

shift in the way that our we deal with

1378

00:48:34,309 --> 00:48:33,119

technology the way that we travel and

1379

00:48:36,630 --> 00:48:34,319

all of that so a little bit's going to

1380

00:48:38,309 --> 00:48:36,640

go a long ways and so i'm happy with it

1381

00:48:39,829 --> 00:48:38,319

yeah yeah that's awesome i'm just going

1382

00:48:40,950 --> 00:48:39,839

to jump back into something probably

1383

00:48:42,549 --> 00:48:40,960

relates more to what we were talking

1384

00:48:44,390 --> 00:48:42,559

about before but dragonfly has got this

1385

00:48:46,309 --> 00:48:44,400

really good question do you think sleep

1386

00:48:48,630 --> 00:48:46,319

paralysis is more than what the

1387

00:48:49,510 --> 00:48:48,640

scientific explanation tells us

1388

00:48:51,349 --> 00:48:49,520

yes

1389

00:48:53,570 --> 00:48:51,359

i uh absolutely

1390

00:48:55,270 --> 00:48:53,580

sleep paralysis to me is my friend

1391

00:48:57,190 --> 00:48:55,280

[Laughter]

1392

00:48:59,829 --> 00:48:57,200

most people in society today are

1393

00:49:02,309 --> 00:48:59,839

terrified because they stop at the

1394

00:49:03,750 --> 00:49:02,319

initiation of the paralysis when they

1395

00:49:05,430 --> 00:49:03,760

wake up and their

1396

00:49:07,510 --> 00:49:05,440

their consciousness is aware but their

1397

00:49:08,470 --> 00:49:07,520

bodies completely stuck and you can't

1398

00:49:09,349 --> 00:49:08,480

move

1399

00:49:11,510 --> 00:49:09,359

to me

1400

00:49:15,109 --> 00:49:11,520

that's always a launching point for me

1401

00:49:16,950 --> 00:49:15,119

that's a turning point to go in to this

1402

00:49:19,270 --> 00:49:16,960

to astral project or to out-of-body

1403

00:49:21,430 --> 00:49:19,280

travel to do some really phenomenal

1404

00:49:23,990 --> 00:49:21,440

spiritual meditative

1405

00:49:26,150 --> 00:49:24,000

uh dimensional work and so sleep

1406

00:49:28,790 --> 00:49:26,160

paralysis to me

1407

00:49:30,870 --> 00:49:28,800

uh in the beginning is terrifying if

1408

00:49:33,430 --> 00:49:30,880

you've ever had it i had it when i was a

1409

00:49:37,109 --> 00:49:33,440

little kid and didn't understand it

1410

00:49:41,349 --> 00:49:39,430

i've come to kind of

1411

00:49:43,430 --> 00:49:41,359

sit with my demons in the shadows and

1412

00:49:45,190 --> 00:49:43,440

the scary things in the dark and realize

1413

00:49:47,670 --> 00:49:45,200

my relationship with them

1414

00:49:49,750 --> 00:49:47,680

um but i do think that sleep paralysis

1415

00:49:51,829 --> 00:49:49,760

has a lot more to do with it than what

1416

00:49:54,069 --> 00:49:51,839

science says i don't think that

1417

00:49:56,309 --> 00:49:54,079

what's happening there is that your

1418

00:49:58,069 --> 00:49:56,319

body's getting stuck in some sort of a

1419

00:49:59,589 --> 00:49:58,079

sleep disorder and then your dreams are

1420

00:50:01,750 --> 00:49:59,599

bleeding out

1421

00:50:03,990 --> 00:50:01,760

into the bedroom i think that what's

1422

00:50:05,030 --> 00:50:04,000

happening is that

1423

00:50:06,630 --> 00:50:05,040

your

1424

00:50:09,670 --> 00:50:06,640

radio

1425

00:50:11,670 --> 00:50:09,680

your antenna when you fall asleep you

1426
00:50:14,710 --> 00:50:11,680
know switches into the static and you go

1427
00:50:17,829 --> 00:50:14,720
into this dream scape and sometimes you

1428
00:50:19,109 --> 00:50:17,839
can click into a different frequency of

1429
00:50:20,950 --> 00:50:19,119
perception

1430
00:50:23,109 --> 00:50:20,960
and actually

1431
00:50:25,430 --> 00:50:23,119
have that experience of like if you were

1432
00:50:27,030 --> 00:50:25,440
dead and step out of your body and go

1433
00:50:29,910 --> 00:50:27,040
around like a ghost but you're not

1434
00:50:32,549 --> 00:50:29,920
actually dead and there are entities

1435
00:50:35,030 --> 00:50:32,559
there there is a reality there there is

1436
00:50:36,950 --> 00:50:35,040
something to that uh that is a real

1437
00:50:38,870 --> 00:50:36,960
thing if you're interested in it i

1438
00:50:41,589 --> 00:50:38,880

highly recommend reading books by bob

1439

00:50:43,589 --> 00:50:41,599

monroe uh and

1440

00:50:45,349 --> 00:50:43,599

studying stuff at the monroe institute

1441

00:50:47,589 --> 00:50:45,359

again we're getting back to

1442

00:50:50,390 --> 00:50:47,599

the gateway institute uh

1443

00:50:52,390 --> 00:50:50,400

the gateway program remote viewing

1444

00:50:54,470 --> 00:50:52,400

the stargate program

1445

00:50:55,990 --> 00:50:54,480

ing swan and the and the psychic

1446

00:50:58,950 --> 00:50:56,000

research that the government did and all

1447

00:51:00,549 --> 00:50:58,960

of that but they initiate levels of

1448

00:51:03,109 --> 00:51:00,559

sleep paralysis and that's what you're

1449

00:51:04,950 --> 00:51:03,119

doing kind of in meditation practice too

1450

00:51:07,829 --> 00:51:04,960

you're you're not laying down and going

1451
00:51:09,589 --> 00:51:07,839
to bed and paralyzing yourself or and

1452
00:51:12,390 --> 00:51:09,599
stepping out of your body you're sitting

1453
00:51:14,069 --> 00:51:12,400
in a chair or laying down in the daytime

1454
00:51:15,270 --> 00:51:14,079
and entering altered states of

1455
00:51:17,270 --> 00:51:15,280
consciousness

1456
00:51:19,510 --> 00:51:17,280
and it's not that much different but i

1457
00:51:20,870 --> 00:51:19,520
think there's a nightmarish aspect to

1458
00:51:22,630 --> 00:51:20,880
sleep paralysis that people are

1459
00:51:24,630 --> 00:51:22,640
terrified of because it feels out of

1460
00:51:26,309 --> 00:51:24,640
their control it's not something they're

1461
00:51:28,150 --> 00:51:26,319
doing intentionally

1462
00:51:29,990 --> 00:51:28,160
but i would highly recommend anybody

1463
00:51:32,309 --> 00:51:30,000

struggling with sleep paralysis to read

1464

00:51:33,990 --> 00:51:32,319

william buellman's books he treats it

1465

00:51:35,750 --> 00:51:34,000

literally like it's a launching pad if

1466

00:51:37,829 --> 00:51:35,760

you wake up realize your body's

1467

00:51:39,190 --> 00:51:37,839

paralyzed it's like that's a good thing

1468

00:51:41,270 --> 00:51:39,200

because you're about to like do some

1469

00:51:43,750 --> 00:51:41,280

amazing stuff if you practice

1470

00:51:46,069 --> 00:51:43,760

like if you learn how to control your

1471

00:51:47,829 --> 00:51:46,079

your mind just like a lucid dreamer you

1472

00:51:50,470 --> 00:51:47,839

can take those opportunities and really

1473

00:51:52,870 --> 00:51:50,480

do some amazing things like you want to

1474

00:51:54,870 --> 00:51:52,880

talk about remote viewing talking about

1475

00:51:56,309 --> 00:51:54,880

by location remote viewing where it

1476
00:51:57,829 --> 00:51:56,319
feels like you're literally standing

1477
00:52:00,790 --> 00:51:57,839
there looking around

1478
00:52:03,030 --> 00:52:00,800
uh like you're literally there

1479
00:52:04,549 --> 00:52:03,040
you can feel it you're almost like

1480
00:52:06,630 --> 00:52:04,559
feel the rain you can smell it like

1481
00:52:07,990 --> 00:52:06,640
you're literally there um

1482
00:52:10,069 --> 00:52:08,000
i was that stuff that was done with the

1483
00:52:11,589 --> 00:52:10,079
government's um tests and stuff like

1484
00:52:12,870 --> 00:52:11,599
we're probably going back to the 70s in

1485
00:52:14,950 --> 00:52:12,880
the army when

1486
00:52:16,870 --> 00:52:14,960
talking about oh yeah i think yeah yeah

1487
00:52:18,390 --> 00:52:16,880
it's like goes back to this time during

1488
00:52:19,990 --> 00:52:18,400

the cold war when they realized that the

1489

00:52:21,589 --> 00:52:20,000

russians were doing a lot of psychic

1490

00:52:23,190 --> 00:52:21,599

research you know they were they found

1491

00:52:24,870 --> 00:52:23,200

out russians were trying to use their

1492

00:52:26,950 --> 00:52:24,880

mind and consciousness to give people

1493

00:52:28,950 --> 00:52:26,960

heart attacks and to strangle people to

1494

00:52:30,710 --> 00:52:28,960

do assassinations you know

1495

00:52:33,190 --> 00:52:30,720

and so the government set up this whole

1496

00:52:35,270 --> 00:52:33,200

team based on how put off and

1497

00:52:38,069 --> 00:52:35,280

and some of their stanford research

1498

00:52:40,630 --> 00:52:38,079

institute they got together and

1499

00:52:42,150 --> 00:52:40,640

were already doing consciousness studies

1500

00:52:45,190 --> 00:52:42,160

but they had a

1501
00:52:46,630 --> 00:52:45,200
a guy there that was named ingo swan

1502
00:52:49,109 --> 00:52:46,640
and he was

1503
00:52:51,349 --> 00:52:49,119
doing some crazy stuff where he would

1504
00:52:53,670 --> 00:52:51,359
meditate and he could move

1505
00:52:56,230 --> 00:52:53,680
uh pressure sensors inside of vacuum

1506
00:52:57,990 --> 00:52:56,240
chambers at military installations when

1507
00:53:01,589 --> 00:52:58,000
they were waiting for him to do so he

1508
00:53:03,270 --> 00:53:01,599
had actual like telepathic type results

1509
00:53:04,630 --> 00:53:03,280
that they measured and recorded there so

1510
00:53:07,349 --> 00:53:04,640
then the cia and the government

1511
00:53:09,589 --> 00:53:07,359
descended on stanford research institute

1512
00:53:11,109 --> 00:53:09,599
and they for like 20 years had a whole

1513
00:53:12,710 --> 00:53:11,119

government program

1514

00:53:14,390 --> 00:53:12,720

where they

1515

00:53:16,870 --> 00:53:14,400

for counterterrorism

1516

00:53:17,910 --> 00:53:16,880

for finding missing people

1517

00:53:19,910 --> 00:53:17,920

uh

1518

00:53:21,990 --> 00:53:19,920

finding you know broken arrows missing

1519

00:53:24,069 --> 00:53:22,000

nuclear weapons all kinds of stuff they

1520

00:53:26,309 --> 00:53:24,079

used remote viewing and psychic research

1521

00:53:28,549 --> 00:53:26,319

in order to do that so

1522

00:53:30,309 --> 00:53:28,559

yeah there's definitely something to it

1523

00:53:31,910 --> 00:53:30,319

that's awesome so listen with your

1524

00:53:33,990 --> 00:53:31,920

everyday you know obviously you're

1525

00:53:36,230 --> 00:53:34,000

really big on social medias and youtube

1526

00:53:38,870 --> 00:53:36,240

yourself and that do you still find time

1527

00:53:40,630 --> 00:53:38,880

to look into things and research further

1528

00:53:41,910 --> 00:53:40,640

into different areas of the things

1529

00:53:43,670 --> 00:53:41,920

you've talked about

1530

00:53:45,829 --> 00:53:43,680

today or anything else are you still

1531

00:53:47,910 --> 00:53:45,839

into that kind of thing yeah

1532

00:53:49,190 --> 00:53:47,920

yeah i follow it i think uh i think my

1533

00:53:51,430 --> 00:53:49,200

time working

1534

00:53:53,270 --> 00:53:51,440

online full time uh doing youtube and

1535

00:53:55,190 --> 00:53:53,280

stuff provides a big opportunity for me

1536

00:53:57,349 --> 00:53:55,200

because i i have a lot more time to set

1537

00:53:58,790 --> 00:53:57,359

my schedule i can actually work kind of

1538

00:54:00,870 --> 00:53:58,800

hard for like three four days and then

1539

00:54:01,829 --> 00:54:00,880

maybe take a week off so this whole

1540

00:54:03,990 --> 00:54:01,839

topic

1541

00:54:06,549 --> 00:54:04,000

is something that is like my real

1542

00:54:08,470 --> 00:54:06,559

passion i have my my youtube channel

1543

00:54:11,109 --> 00:54:08,480

that i do for like family entertainment

1544

00:54:13,030 --> 00:54:11,119

and fun that i do for a living and goof

1545

00:54:14,390 --> 00:54:13,040

around to not take life too serious but

1546

00:54:17,829 --> 00:54:14,400

it provides

1547

00:54:20,390 --> 00:54:17,839

the the life for me to be able to really

1548

00:54:22,790 --> 00:54:20,400

do what i love to do which is study the

1549

00:54:25,430 --> 00:54:22,800

nature of reality and consciousness and

1550

00:54:27,510 --> 00:54:25,440

these these mysteries like and to not be

1551

00:54:29,670 --> 00:54:27,520

afraid of them that's the thing is i i

1552

00:54:32,390 --> 00:54:29,680

think i grew up because of the religion

1553

00:54:34,470 --> 00:54:32,400

kind of scared of like demons afraid of

1554

00:54:36,390 --> 00:54:34,480

the devil afraid of like going to hell

1555

00:54:38,710 --> 00:54:36,400

and punishment and things like that and

1556

00:54:41,109 --> 00:54:38,720

now my relationship with all that shadow

1557

00:54:42,789 --> 00:54:41,119

work and all the scary stuff or aliens

1558

00:54:45,829 --> 00:54:42,799

or extraterrestrials is completely

1559

00:54:47,510 --> 00:54:45,839

changed uh and now it's i find i feel

1560

00:54:49,349 --> 00:54:47,520

like more like a

1561

00:54:51,270 --> 00:54:49,359

an explorer of consciousness and the

1562

00:54:53,990 --> 00:54:51,280

mysteries and stuff like uh

1563

00:54:55,510 --> 00:54:54,000

i enjoy it like a pioneer of it it's fun

1564

00:54:57,190 --> 00:54:55,520

to go on adventures

1565

00:54:58,950 --> 00:54:57,200

no that's good to hear man i'm glad that

1566

00:55:00,069 --> 00:54:58,960

you've balanced it and find time to be

1567

00:55:01,510 --> 00:55:00,079

able to do

1568

00:55:03,190 --> 00:55:01,520

things for yourself as well as things

1569

00:55:06,309 --> 00:55:03,200

for your family things to entertain

1570

00:55:08,230 --> 00:55:06,319

other people it's the perfect recipe for

1571

00:55:10,069 --> 00:55:08,240

for life really but i'm just gonna give

1572

00:55:11,510 --> 00:55:10,079

a quick shout out to my friend jason

1573

00:55:13,750 --> 00:55:11,520

turner good to see you here brother and

1574

00:55:15,750 --> 00:55:13,760

i love this comment this is why we spend

1575

00:55:18,230 --> 00:55:15,760

so much time in the woods camping it's

1576
00:55:19,510 --> 00:55:18,240
amazing amazingly your mental state

1577
00:55:22,230 --> 00:55:19,520
resets when you put down your

1578
00:55:23,670 --> 00:55:22,240
electronics and concept of time and

1579
00:55:25,670 --> 00:55:23,680
that's a brilliant statement i'm

1580
00:55:27,349 --> 00:55:25,680
actually going camping tomorrow for only

1581
00:55:29,510 --> 00:55:27,359
for two nights but

1582
00:55:31,349 --> 00:55:29,520
i feel like it's needed and it will give

1583
00:55:33,510 --> 00:55:31,359
me that just that little time away that

1584
00:55:34,710 --> 00:55:33,520
i need you know to reset recharge and

1585
00:55:37,030 --> 00:55:34,720
come back

1586
00:55:38,950 --> 00:55:37,040
monday feeling fresh vinnie we're

1587
00:55:41,270 --> 00:55:38,960
bombarded like every day you know you

1588
00:55:43,349 --> 00:55:41,280

walk around we talk about these unseen

1589

00:55:45,109 --> 00:55:43,359

realities that go on our blind spot but

1590

00:55:46,230 --> 00:55:45,119

you think about it as we're sitting here

1591

00:55:47,349 --> 00:55:46,240

right now

1592

00:55:50,710 --> 00:55:47,359

completely

1593

00:55:53,910 --> 00:55:50,720

swamped with 5g signals wi-fi signals

1594

00:55:56,069 --> 00:55:53,920

every radio signal and radio station is

1595

00:55:57,270 --> 00:55:56,079

literally pumping and flowing through

1596

00:55:59,910 --> 00:55:57,280

your body

1597

00:56:02,230 --> 00:55:59,920

right now every satellite signal

1598

00:56:03,910 --> 00:56:02,240

projection all of that is going through

1599

00:56:07,510 --> 00:56:03,920

the room and going right through your

1600

00:56:11,109 --> 00:56:07,520

body and if we think that that doesn't

1601
00:56:13,589 --> 00:56:11,119
slowly degrade and affect your

1602
00:56:16,230 --> 00:56:13,599
how you feel over time living in that

1603
00:56:18,150 --> 00:56:16,240
synthetic kind of alien environment you

1604
00:56:20,230 --> 00:56:18,160
know living sitting in front of a

1605
00:56:22,630 --> 00:56:20,240
computer in a cubicle all day but you

1606
00:56:25,349 --> 00:56:22,640
get out into nature near

1607
00:56:27,430 --> 00:56:25,359
the river or near like the trees and you

1608
00:56:31,030 --> 00:56:27,440
just sit and put all that aside and it

1609
00:56:34,150 --> 00:56:31,040
does it like it resets you energetically

1610
00:56:35,670 --> 00:56:34,160
like back to your natural harmony

1611
00:56:38,870 --> 00:56:35,680
i think there's definitely something to

1612
00:56:40,710 --> 00:56:38,880
that uh i think that's also why ancient

1613
00:56:41,750 --> 00:56:40,720

gurus in order to try and understand the

1614

00:56:44,950 --> 00:56:41,760

mysteries

1615

00:56:46,950 --> 00:56:44,960

go into isolation they a lot of you know

1616

00:56:49,030 --> 00:56:46,960

tibetan monks and things they go up into

1617

00:56:51,349 --> 00:56:49,040

mountains and they'll sit in a dark cave

1618

00:56:53,190 --> 00:56:51,359

complete sensory deprivation and they

1619

00:56:55,670 --> 00:56:53,200

did that even with the remote viewing

1620

00:56:57,910 --> 00:56:55,680

stuff they they end up you know putting

1621

00:57:00,549 --> 00:56:57,920

blindfolds on turning all the lights in

1622

00:57:01,829 --> 00:57:00,559

the room really dim or even to a red

1623

00:57:03,990 --> 00:57:01,839

colored hue

1624

00:57:08,150 --> 00:57:04,000

complete quiet and isolation and the

1625

00:57:11,109 --> 00:57:08,160

idea is yeah it's like we're completely

1626

00:57:13,430 --> 00:57:11,119

uh drowning and smothered in this

1627

00:57:16,150 --> 00:57:13,440

[h__h] day-to-day of these

1628

00:57:17,829 --> 00:57:16,160

foreign bombarded hijacked signals and

1629

00:57:19,109 --> 00:57:17,839

when you get out into the woods or out

1630

00:57:21,109 --> 00:57:19,119

into nature

1631

00:57:23,349 --> 00:57:21,119

you can feel it like all the way through

1632

00:57:25,270 --> 00:57:23,359

to your core just like even standing in

1633

00:57:28,710 --> 00:57:25,280

the ocean after a thunderstorm was like

1634

00:57:30,150 --> 00:57:28,720

you can feel it rejuvenate you i love it

1635

00:57:32,309 --> 00:57:30,160

here's a good question from my good

1636

00:57:33,430 --> 00:57:32,319

friend critical conspiracist good to see

1637

00:57:35,109 --> 00:57:33,440

you bro

1638

00:57:37,349 --> 00:57:35,119

in terms of potential consciousness

1639

00:57:38,549 --> 00:57:37,359

catalysts like psilocybin dmt and

1640

00:57:41,030 --> 00:57:38,559

ayahuasca

1641

00:57:42,470 --> 00:57:41,040

do you think carl we can expedite our

1642

00:57:45,589 --> 00:57:42,480

understanding through the reported

1643

00:57:47,510 --> 00:57:45,599

realms that they provide

1644

00:57:50,470 --> 00:57:47,520

uh definitely i think if it's safely

1645

00:57:53,829 --> 00:57:50,480

done i agree with that uh completely if

1646

00:57:55,510 --> 00:57:53,839

it's done i i don't agree doing it like

1647

00:57:56,710 --> 00:57:55,520

for fun and goofing around because

1648

00:57:59,510 --> 00:57:56,720

they're very

1649

00:58:02,309 --> 00:57:59,520

potent and powerful uh things that can

1650

00:58:04,150 --> 00:58:02,319

alter your perceptions of reality i

1651

00:58:05,589 --> 00:58:04,160

think even from the angle of

1652

00:58:08,630 --> 00:58:05,599

understanding

1653

00:58:09,589 --> 00:58:08,640

how we come into the world with a preset

1654

00:58:12,150 --> 00:58:09,599

lens

1655

00:58:13,510 --> 00:58:12,160

of how we perceive things and and and

1656

00:58:15,510 --> 00:58:13,520

kind of uh

1657

00:58:17,589 --> 00:58:15,520

distorting that or unraveling it or

1658

00:58:19,750 --> 00:58:17,599

shifting that lens if psilocybin can do

1659

00:58:21,990 --> 00:58:19,760

that to help us understand

1660

00:58:24,710 --> 00:58:22,000

then even for that reason i think it's

1661

00:58:27,430 --> 00:58:24,720

worth exploring because just we just

1662

00:58:29,510 --> 00:58:27,440

take for granted what that what we see

1663

00:58:31,430 --> 00:58:29,520

and how we see it and what we hear and

1664

00:58:33,109 --> 00:58:31,440

how we hear it is just the way that it

1665

00:58:34,950 --> 00:58:33,119

is and it's a fact

1666

00:58:37,349 --> 00:58:34,960

uh we don't

1667

00:58:39,430 --> 00:58:37,359

uh when you start to alter that you know

1668

00:58:40,549 --> 00:58:39,440

anybody who's gone into surgery and been

1669

00:58:43,190 --> 00:58:40,559

put under

1670

00:58:44,630 --> 00:58:43,200

anesthesia you kind of come out of that

1671

00:58:46,390 --> 00:58:44,640

scratching your head and wondering where

1672

00:58:48,150 --> 00:58:46,400

did i go

1673

00:58:50,069 --> 00:58:48,160

what happened during that time and i

1674

00:58:53,430 --> 00:58:50,079

think there's a lot to learn about who

1675

00:58:55,910 --> 00:58:53,440

we are as a soul as a consciousness

1676

00:58:57,510 --> 00:58:55,920

uh in reality and what reality is

1677

00:58:59,910 --> 00:58:57,520

actually made of

1678

00:59:01,589 --> 00:58:59,920

what's happening what's keeping it all

1679

00:59:03,910 --> 00:59:01,599

together and how to move through and

1680

00:59:06,309 --> 00:59:03,920

relate to reality i think can all be

1681

00:59:07,430 --> 00:59:06,319

understood a lot better by safely and

1682

00:59:09,670 --> 00:59:07,440

carefully

1683

00:59:11,349 --> 00:59:09,680

exploring that the only way to do it

1684

00:59:13,589 --> 00:59:11,359

is to either

1685

00:59:16,470 --> 00:59:13,599

open up somebody's skull and try to

1686

00:59:19,430 --> 00:59:16,480

study the meat or to understand

1687

00:59:21,510 --> 00:59:19,440

how that uh is influenced with different

1688

00:59:22,470 --> 00:59:21,520

electrical signals or with chemicals or

1689

00:59:25,829 --> 00:59:22,480

different altered states of

1690

00:59:26,630 --> 00:59:25,839

consciousness and so i i think taking

1691

00:59:28,710 --> 00:59:26,640

uh

1692

00:59:30,549 --> 00:59:28,720

you know natural

1693

00:59:32,230 --> 00:59:30,559

psilocybin and different types of things

1694

00:59:34,230 --> 00:59:32,240

that can affect our relationship with

1695

00:59:35,670 --> 00:59:34,240

reality off the table would be a mistake

1696

00:59:36,549 --> 00:59:35,680

i think it should definitely be looked

1697

00:59:38,710 --> 00:59:36,559

at

1698

00:59:40,390 --> 00:59:38,720

not played not played with but it should

1699

00:59:42,390 --> 00:59:40,400

definitely looked at yeah yeah

1700

00:59:44,150 --> 00:59:42,400

absolutely i i agree yeah it's not

1701

00:59:46,470 --> 00:59:44,160

something just to jump in like uh

1702

00:59:47,829 --> 00:59:46,480

expecting a bit of fun it's serious i'm

1703

00:59:49,990 --> 00:59:47,839

the kind of guy who's like i'm blown

1704

00:59:52,069 --> 00:59:50,000

away that we have we have entire rooms

1705

00:59:54,549 --> 00:59:52,079

in our houses devoted to going to sleep

1706

00:59:57,589 --> 00:59:54,559

at night we have whole beds and

1707

01:00:00,150 --> 00:59:57,599

mattresses rooms in our houses and every

1708

01:00:02,230 --> 01:00:00,160

single day every single one of us gets

1709

01:00:04,950 --> 01:00:02,240

to this point at the end of the day

1710

01:00:07,349 --> 01:00:04,960

where we just can't function properly

1711

01:00:10,069 --> 01:00:07,359

and we all have to go in like a zombie

1712

01:00:12,549 --> 01:00:10,079

and lay down in bed and shut down and

1713

01:00:14,789 --> 01:00:12,559

reset and wake back up and even just

1714

01:00:17,270 --> 01:00:14,799

studying that to me

1715

01:00:19,109 --> 01:00:17,280

deserves studying studying dreams

1716

01:00:21,109 --> 01:00:19,119

stuttering studying human consciousness

1717

01:00:22,470 --> 01:00:21,119

and lucid dreams like what is going why

1718

01:00:24,390 --> 01:00:22,480

does everyone

1719

01:00:26,309 --> 01:00:24,400

across the globe have to shut down and

1720

01:00:28,549 --> 01:00:26,319

go into a coma every night and then wake

1721

01:00:30,950 --> 01:00:28,559

back up like that's so strange to me

1722

01:00:33,510 --> 01:00:30,960

that we all just do that as a habit and

1723

01:00:35,270 --> 01:00:33,520

we don't question it you know so yeah i

1724

01:00:36,950 --> 01:00:35,280

think psilocybin should be studied i

1725

01:00:38,789 --> 01:00:36,960

think dreams should be studied i think

1726
01:00:40,630 --> 01:00:38,799
consciousness i think altered states of

1727
01:00:41,990 --> 01:00:40,640
consciousness it's the only way we're

1728
01:00:42,950 --> 01:00:42,000
going to understand what's actually

1729
01:00:45,190 --> 01:00:42,960
going on

1730
01:00:46,549 --> 01:00:45,200
no that's amazing that's so great well

1731
01:00:48,470 --> 01:00:46,559
listen carl we've just hit that hour

1732
01:00:50,230 --> 01:00:48,480
mark but before we wrap this up i just

1733
01:00:51,990 --> 01:00:50,240
want to know what is the future looking

1734
01:00:53,670 --> 01:00:52,000
like for yourself you know we're pretty

1735
01:00:54,950 --> 01:00:53,680
much coming out of a pandemic the

1736
01:00:57,270 --> 01:00:54,960
world's been pretty messed up for a

1737
01:00:58,789 --> 01:00:57,280
couple of years how's things with you

1738
01:01:00,789 --> 01:00:58,799

right now and where do you see yourself

1739

01:01:03,109 --> 01:01:00,799

going has have you reshifted your focus

1740

01:01:05,510 --> 01:01:03,119

anywhere or is it has it put you in a

1741

01:01:06,789 --> 01:01:05,520

different frame of mind like

1742

01:01:09,510 --> 01:01:06,799

what do you see what do you see right

1743

01:01:12,309 --> 01:01:09,520

now for yourself i would like to do a

1744

01:01:14,390 --> 01:01:12,319

lot more stuff with carl vibe i have the

1745

01:01:15,990 --> 01:01:14,400

the main family channel that i do for

1746

01:01:18,309 --> 01:01:16,000

the living that puts the bread on the

1747

01:01:20,630 --> 01:01:18,319

table carl vibe isn't monetized yet but

1748

01:01:23,430 --> 01:01:20,640

it's like it's my real passion i would

1749

01:01:25,829 --> 01:01:23,440

love if i if i fast forwarded five years

1750

01:01:28,069 --> 01:01:25,839

from now to just be doing this full time

1751
01:01:30,069 --> 01:01:28,079
yeah hanging out with you hanging out

1752
01:01:32,549 --> 01:01:30,079
with my friends doing the online show

1753
01:01:34,390 --> 01:01:32,559
but having it be a lot bigger

1754
01:01:37,030 --> 01:01:34,400
having it have a bigger impact and a lot

1755
01:01:39,190 --> 01:01:37,040
more people interested in the topic and

1756
01:01:41,510 --> 01:01:39,200
and just a rolodex of awesome guests

1757
01:01:44,390 --> 01:01:41,520
coming around you know everybody has

1758
01:01:46,789 --> 01:01:44,400
that kind of joe rogan dream

1759
01:01:48,870 --> 01:01:46,799
you know what i mean working from home

1760
01:01:50,549 --> 01:01:48,880
making a killing getting the sponsors

1761
01:01:53,190 --> 01:01:50,559
having tons of friends going to

1762
01:01:55,349 --> 01:01:53,200
conventions i would like this topic in

1763
01:01:57,029 --> 01:01:55,359

the awareness of disclosure

1764

01:01:58,710 --> 01:01:57,039

and even the you know the consciousness

1765

01:02:00,150 --> 01:01:58,720

side of things and the spiritual side of

1766

01:02:02,710 --> 01:02:00,160

it to be

1767

01:02:04,630 --> 01:02:02,720

my life to be what i actually do to come

1768

01:02:06,630 --> 01:02:04,640

into harmony with that i think i've kind

1769

01:02:08,549 --> 01:02:06,640

of grown out of the entertainment

1770

01:02:10,150 --> 01:02:08,559

youtube stuff a little bit i'm doing

1771

01:02:13,029 --> 01:02:10,160

that more just to pay the bills like a

1772

01:02:14,710 --> 01:02:13,039

job now but i feel like um

1773

01:02:16,549 --> 01:02:14,720

this kind of stuff is more like what i

1774

01:02:18,390 --> 01:02:16,559

need to do maybe i need to like

1775

01:02:20,150 --> 01:02:18,400

write a book or something to really put

1776

01:02:21,109 --> 01:02:20,160

a thumbtack in it i don't know but i'd

1777

01:02:21,910 --> 01:02:21,119

read it

1778

01:02:23,510 --> 01:02:21,920

yeah

1779

01:02:25,430 --> 01:02:23,520

but i don't know i'm a vid i like making

1780

01:02:26,789 --> 01:02:25,440

videos and so i just whenever i get sit

1781

01:02:28,390 --> 01:02:26,799

down to write i'm like i'll just turn

1782

01:02:31,109 --> 01:02:28,400

the camera on and just get it out it's

1783

01:02:33,109 --> 01:02:31,119

so much easier no absolutely i feel you

1784

01:02:34,710 --> 01:02:33,119

totally man but i mean i've been

1785

01:02:36,309 --> 01:02:34,720

following you for quite some time now

1786

01:02:37,750 --> 01:02:36,319

and i always enjoy coming across whether

1787

01:02:39,270 --> 01:02:37,760

it be your stories or your posts because

1788

01:02:40,069 --> 01:02:39,280

they have that calming effect they have

1789

01:02:42,549 --> 01:02:40,079

that

1790

01:02:44,950 --> 01:02:42,559

you know this guy is in a good place he

1791

01:02:47,190 --> 01:02:44,960

makes other people feel good and i just

1792

01:02:48,870 --> 01:02:47,200

love that vibe so

1793

01:02:50,390 --> 01:02:48,880

for anyone watching this video that

1794

01:02:53,029 --> 01:02:50,400

always expects me to be talking about

1795

01:02:54,390 --> 01:02:53,039

nuts and bolts ufos like

1796

01:02:55,750 --> 01:02:54,400

i was going to say sorry but i'm not

1797

01:02:58,069 --> 01:02:55,760

sorry because you know i'm just trying

1798

01:02:59,750 --> 01:02:58,079

to explore this whole thing as much as

1799

01:03:01,670 --> 01:02:59,760

as much as the next person i'm just so

1800

01:03:03,670 --> 01:03:01,680

happy to be doing it on a platform that

1801
01:03:04,710 --> 01:03:03,680
other people watch so you know

1802
01:03:07,670 --> 01:03:04,720
i think it's just going to be a

1803
01:03:09,029 --> 01:03:07,680
continuing learning curve for myself and

1804
01:03:11,589 --> 01:03:09,039
i think a lot of other people as well

1805
01:03:13,190 --> 01:03:11,599
that i speak to that i see across all

1806
01:03:14,390 --> 01:03:13,200
different networks social networks and

1807
01:03:15,190 --> 01:03:14,400
stuff so

1808
01:03:16,630 --> 01:03:15,200
yeah

1809
01:03:18,150 --> 01:03:16,640
carl listen

1810
01:03:19,670 --> 01:03:18,160
i i think we should do this again

1811
01:03:21,750 --> 01:03:19,680
sometime maybe even get some other folk

1812
01:03:24,069 --> 01:03:21,760
involved and do a panel yeah and bring

1813
01:03:26,069 --> 01:03:24,079

more people together but um

1814

01:03:27,750 --> 01:03:26,079

yeah i love talking about the sci-fi

1815

01:03:29,670 --> 01:03:27,760

part of it too the nuts and bolts the

1816

01:03:31,589 --> 01:03:29,680

science of it the physics of it the

1817

01:03:33,829 --> 01:03:31,599

toroidal energy of how they would fly

1818

01:03:35,910 --> 01:03:33,839

and why they appear like a disc like man

1819

01:03:38,549 --> 01:03:35,920

we can get into all that too we kind of

1820

01:03:39,910 --> 01:03:38,559

went like pseudo spiritual mystical

1821

01:03:41,829 --> 01:03:39,920

today and kind of understanding

1822

01:03:44,390 --> 01:03:41,839

consciousness but i think it's important

1823

01:03:46,789 --> 01:03:44,400

because like yes if these beings are

1824

01:03:48,950 --> 01:03:46,799

real they understand all this stuff

1825

01:03:50,870 --> 01:03:48,960

and they're they're utilizing it at a

1826

01:03:52,549 --> 01:03:50,880

higher level than us too so even the

1827

01:03:53,910 --> 01:03:52,559

spiritual side and the nature of reality

1828

01:03:55,750 --> 01:03:53,920

and consciousness

1829

01:03:57,270 --> 01:03:55,760

if they're able if they are even coming

1830

01:03:59,270 --> 01:03:57,280

from another planet

1831

01:04:01,190 --> 01:03:59,280

they probably understand that way better

1832

01:04:02,950 --> 01:04:01,200

than us and so all needs to be on the

1833

01:04:05,109 --> 01:04:02,960

table and we need to understand our own

1834

01:04:07,829 --> 01:04:05,119

shortcomings and limitations it's like

1835

01:04:09,910 --> 01:04:07,839

if we can't fathom what these things are

1836

01:04:13,029 --> 01:04:09,920

maybe the problem isn't like what they

1837

01:04:15,190 --> 01:04:13,039

are but with like our limited ability to

1838

01:04:16,549 --> 01:04:15,200

perceive them like what's wrong with our

1839

01:04:18,230 --> 01:04:16,559

functioning to where we can't see these

1840

01:04:20,870 --> 01:04:18,240

things and we're left scratching our

1841

01:04:23,589 --> 01:04:20,880

head trying to create infrared cameras

1842

01:04:24,470 --> 01:04:23,599

or ultraviolet systems to see these

1843

01:04:26,309 --> 01:04:24,480

things

1844

01:04:28,390 --> 01:04:26,319

and uh ultimately there's a lot of

1845

01:04:30,630 --> 01:04:28,400

people sitting and

1846

01:04:32,630 --> 01:04:30,640

meditating and they are seeing them and

1847

01:04:33,910 --> 01:04:32,640

they are encountering them and it's not

1848

01:04:35,349 --> 01:04:33,920

what you think

1849

01:04:36,630 --> 01:04:35,359

absolutely

1850

01:04:39,029 --> 01:04:36,640

i'm just gonna show this comment here

1851
