

DISCLOSURE *TEAM*

Chase Kloetzke Interview
Forensic Investigator
Live YouTube **Premiere**
Monday August 23rd
12pm PST/3pm EST/8pm UK

1
00:00:05,990 --> 00:00:03,270
hello and welcome back to the disclosure

2
00:00:08,629 --> 00:00:06,000
team youtube channel i am joined by the

3
00:00:10,150 --> 00:00:08,639
one and only chase klutzky

4
00:00:12,230 --> 00:00:10,160
thank you for joining me chase how are

5
00:00:13,669 --> 00:00:12,240
you today i'm really great and i'm

6
00:00:15,990 --> 00:00:13,679
looking forward to this and i have been

7
00:00:18,230 --> 00:00:16,000
for a couple weeks i guess and um thanks

8
00:00:20,310 --> 00:00:18,240
for having me it's my pleasure ah the

9
00:00:22,710 --> 00:00:20,320
pleasure is genuinely all mine i am like

10
00:00:24,230 --> 00:00:22,720
i just said off before we recorded um

11
00:00:26,710 --> 00:00:24,240
i've been following your work for many

12
00:00:28,870 --> 00:00:26,720
years now so this is a dream come true

13
00:00:31,750 --> 00:00:28,880

to actually sit down face to face with

14

00:00:33,670 --> 00:00:31,760

you and discuss your involvement in the

15

00:00:35,590 --> 00:00:33,680

ufo subjects so

16

00:00:37,030 --> 00:00:35,600

i think the first thing is to just sort

17

00:00:38,310 --> 00:00:37,040

of go back a little bit into your

18

00:00:41,030 --> 00:00:38,320

history because i believe you're a

19

00:00:43,350 --> 00:00:41,040

former department of defense um and a

20

00:00:45,430 --> 00:00:43,360

private investigator so

21

00:00:48,229 --> 00:00:45,440

if you could just take us right back and

22

00:00:49,990 --> 00:00:48,239

and and how your career sort of got that

23

00:00:51,990 --> 00:00:50,000

to that position

24

00:00:54,470 --> 00:00:52,000

yeah working for the dod i was a master

25

00:00:56,470 --> 00:00:54,480

trainer master instructor and really

26

00:00:58,470 --> 00:00:56,480

develop programs for

27

00:01:00,310 --> 00:00:58,480

active duty guides for force readiness

28

00:01:03,029 --> 00:01:00,320

is what it was so they get a special

29

00:01:04,549 --> 00:01:03,039

assignment and i would design a program

30

00:01:07,350 --> 00:01:04,559

to make them physically mentally and

31

00:01:09,350 --> 00:01:07,360

emotionally um ready for success like

32

00:01:10,950 --> 00:01:09,360

they had to finish his mission so that's

33

00:01:12,870 --> 00:01:10,960

what i did for them

34

00:01:15,830 --> 00:01:12,880

i never worked as a private investigator

35

00:01:18,230 --> 00:01:15,840

but i did school and pass so i was

36

00:01:20,230 --> 00:01:18,240

licensed but i never worked what i did

37

00:01:22,230 --> 00:01:20,240

was the training because

38

00:01:24,230 --> 00:01:22,240

you know being an investigator i wanted

39
00:01:27,030 --> 00:01:24,240
as much knowledge on you know what what

40
00:01:29,190 --> 00:01:27,040
you do what you don't do as possible and

41
00:01:32,069 --> 00:01:29,200
um it's always been important to me to

42
00:01:33,990 --> 00:01:32,079
kind of get the best i can and

43
00:01:36,149 --> 00:01:34,000
i wasn't a cop

44
00:01:38,069 --> 00:01:36,159
really there's not a lot of classes on

45
00:01:40,789 --> 00:01:38,079
you know picking up forensics there's

46
00:01:42,469 --> 00:01:40,799
forensics on how to process it

47
00:01:45,990 --> 00:01:42,479
you know and analyze but there's not a

48
00:01:49,190 --> 00:01:46,000
lot on that so that's why i took just

49
00:01:50,789 --> 00:01:49,200
private investigations i took the um

50
00:01:53,830 --> 00:01:50,799
it's an international forensic

51
00:01:55,350 --> 00:01:53,840
collection uh certification it's not a

52
00:01:57,510 --> 00:01:55,360
college course for anything it's just

53
00:02:00,550 --> 00:01:57,520
you know kind of online but you know it

54
00:02:03,429 --> 00:02:00,560
taught me a lot and so that's how i got

55
00:02:05,429 --> 00:02:03,439
those too that's incredible and i i love

56
00:02:07,030 --> 00:02:05,439
the fact that you didn't go into that

57
00:02:10,389 --> 00:02:07,040
work but you just wanted the knowledge

58
00:02:13,830 --> 00:02:10,399
base i think that's that's amazing so

59
00:02:15,510 --> 00:02:13,840
yeah my hat's off to you for that um so

60
00:02:17,910 --> 00:02:15,520
during that time

61
00:02:19,990 --> 00:02:17,920
we're working with the dod was there any

62
00:02:22,070 --> 00:02:20,000
thing you came across ufo related even

63
00:02:24,470 --> 00:02:22,080

back then

64

00:02:27,030 --> 00:02:24,480

no and you know my husband's former

65

00:02:29,350 --> 00:02:27,040

active duty right he retired as a navy

66

00:02:31,030 --> 00:02:29,360

commander and i would ask him all the

67

00:02:32,309 --> 00:02:31,040

time it's like aren't you hearing

68

00:02:34,630 --> 00:02:32,319

anything aren't you seeing anything

69

00:02:36,390 --> 00:02:34,640

because he's a submariner so that's even

70

00:02:38,630 --> 00:02:36,400

more exciting right yeah and he's like

71

00:02:41,750 --> 00:02:38,640

nope never have nope never happened i'm

72

00:02:45,430 --> 00:02:41,760

just like oh you know it's kind of a

73

00:02:47,190 --> 00:02:45,440

an interesting relationship because um

74

00:02:50,309 --> 00:02:47,200

submarines is a silent service like

75

00:02:52,550 --> 00:02:50,319

he'll i i didn't know 90 of what he did

76

00:02:54,070 --> 00:02:52,560

and of course for plausible deniability

77

00:02:55,990 --> 00:02:54,080

some of the stuff that i would do even

78

00:02:57,910 --> 00:02:56,000

go against the government i didn't tell

79

00:02:59,750 --> 00:02:57,920

him so he come home from working people

80

00:03:01,509 --> 00:02:59,760

how was your day it was great ran into

81

00:03:02,790 --> 00:03:01,519

an old ship mate how was yours really

82

00:03:06,949 --> 00:03:02,800

good that you know interviewed a couple

83

00:03:10,869 --> 00:03:08,470

that's amazing

84

00:03:12,710 --> 00:03:10,879

but hey it worked

85

00:03:14,790 --> 00:03:12,720

33 years later he's still the hottest

86

00:03:17,670 --> 00:03:14,800

guy in the room to me oh i love that i

87

00:03:19,710 --> 00:03:17,680

love that so much that's brilliant so

88

00:03:23,350 --> 00:03:19,720

let's bring it forward a little bit to

89

00:03:25,350 --> 00:03:23,360

1996 um and you joining the mutual ufo

90

00:03:27,589 --> 00:03:25,360

network mufon can you talk about how

91

00:03:29,190 --> 00:03:27,599

that came about and actually let me just

92

00:03:31,030 --> 00:03:29,200

preface that with

93

00:03:32,630 --> 00:03:31,040

did you already have this big passion

94

00:03:34,630 --> 00:03:32,640

for ufos was it something you were

95

00:03:37,430 --> 00:03:34,640

always intrigued by

96

00:03:39,430 --> 00:03:37,440

absolutely um i was 17 years old i'm

97

00:03:42,070 --> 00:03:39,440

home you know from school with strep

98

00:03:43,430 --> 00:03:42,080

throat and my stepmother came in and

99

00:03:46,390 --> 00:03:43,440

handed me a book

100

00:03:49,030 --> 00:03:46,400

and it was chariots of the gods and

101

00:03:51,030 --> 00:03:49,040

just the title i was like i read and did

102

00:03:51,830 --> 00:03:51,040

no church book because very churchy

103

00:03:52,869 --> 00:03:51,840

right

104

00:03:54,630 --> 00:03:52,879

and

105

00:03:57,190 --> 00:03:54,640

after a while i just got bored i picked

106

00:03:59,750 --> 00:03:57,200

it up i you know opened up and i'm like

107

00:04:01,990 --> 00:03:59,760

who asked questions like this this is

108

00:04:05,270 --> 00:04:02,000

the coolest thing i've ever read i you

109

00:04:07,270 --> 00:04:05,280

know a status quo you know my religion

110

00:04:08,789 --> 00:04:07,280

um i'm open on everything it's you know

111

00:04:10,869 --> 00:04:08,799

i'm mormon so

112

00:04:13,429 --> 00:04:10,879

you don't ask questions like this i mean

113

00:04:16,390 --> 00:04:13,439

it was full permission it was like oh

114

00:04:18,870 --> 00:04:16,400

it's on now i love this and it was ever

115

00:04:21,670 --> 00:04:18,880

since then so from 16

116

00:04:25,270 --> 00:04:21,680

but um i found out about mufon because

117

00:04:26,950 --> 00:04:25,280

you know i'm old and grumpy and my first

118

00:04:29,350 --> 00:04:26,960

my first

119

00:04:32,150 --> 00:04:29,360

computer i was 36 years old and the

120

00:04:34,870 --> 00:04:32,160

first thing i absolutely did was type in

121

00:04:36,550 --> 00:04:34,880

ufos i was shocked at how much was there

122

00:04:37,749 --> 00:04:36,560

and then i ran across mufon and i

123

00:04:40,070 --> 00:04:37,759

thought that was just the coolest thing

124

00:04:42,070 --> 00:04:40,080

ever that you could join an organization

125

00:04:43,749 --> 00:04:42,080

and get handed cases like you didn't

126

00:04:45,350 --> 00:04:43,759

have to promote yourself

127

00:04:46,870 --> 00:04:45,360

you know like on facebook you know

128

00:04:47,749 --> 00:04:46,880

they're all like this you know it's like

129

00:04:53,110 --> 00:04:47,759

yeah

130

00:04:54,870 --> 00:04:53,120

and so what was the kind of entry level

131

00:04:57,270 --> 00:04:54,880

that you went in at because obviously

132

00:04:59,510 --> 00:04:57,280

you did work your way right up

133

00:05:01,510 --> 00:04:59,520

yeah uh it was just field investigator

134

00:05:03,110 --> 00:05:01,520

which is the most important position in

135

00:05:03,990 --> 00:05:03,120

bouffant and

136

00:05:08,469 --> 00:05:04,000

um

137

00:05:10,230 --> 00:05:08,479

because you're not a volunteer you pay

138

00:05:11,670 --> 00:05:10,240

to do this you know you pay to be a

139

00:05:14,629 --> 00:05:11,680

mufon so

140

00:05:17,909 --> 00:05:14,639

you know i i loved it for a while um

141

00:05:20,390 --> 00:05:17,919

then an opportunity came up which was

142

00:05:21,670 --> 00:05:20,400

um they needed a new start team manager

143

00:05:23,909 --> 00:05:21,680

after

144

00:05:27,029 --> 00:05:23,919

lang and bigelow and that whole thing

145

00:05:28,950 --> 00:05:27,039

imploded and so they asked if anybody

146

00:05:30,790 --> 00:05:28,960

was interested just give one piece of

147

00:05:32,790 --> 00:05:30,800

paper on your qualifications why do you

148

00:05:35,189 --> 00:05:32,800

think you'd be a good one so i sent mine

149

00:05:36,790 --> 00:05:35,199

in didn't think i had a chance in hades

150

00:05:38,790 --> 00:05:36,800

okay

151
00:05:41,670 --> 00:05:38,800
and all of a sudden one sunday morning i

152
00:05:45,270 --> 00:05:41,680
got a a phone call and it was from

153
00:05:47,270 --> 00:05:45,280
um the doi at the time and he said

154
00:05:49,189 --> 00:05:47,280
he's like my husband answered he goes

155
00:05:52,310 --> 00:05:49,199
can i speak to chase and yep hold on i

156
00:05:54,710 --> 00:05:52,320
get on the phone and he's i'm like hello

157
00:05:56,309 --> 00:05:54,720
is this chase i'm like yes it is

158
00:05:58,790 --> 00:05:56,319
and he kind of stumbled for a bit and

159
00:05:59,590 --> 00:05:58,800
then he says oh my gosh i'm you know i'm

160
00:06:01,670 --> 00:05:59,600
chuck

161
00:06:03,909 --> 00:06:01,680
and i'm calling to offer you the star

162
00:06:06,629 --> 00:06:03,919
team manager job and we loved your

163
00:06:08,230 --> 00:06:06,639

resume it was perfect he said but pardon

164

00:06:10,230 --> 00:06:08,240

me for stumbling a bit because the one

165

00:06:11,990 --> 00:06:10,240

thing i guess we didn't know is you were

166

00:06:13,830 --> 00:06:12,000

female

167

00:06:15,510 --> 00:06:13,840

it's my name right and i didn't put on

168

00:06:17,189 --> 00:06:15,520

i'm female i've talked about what i did

169

00:06:19,350 --> 00:06:17,199

with homeland security talk about what i

170

00:06:21,189 --> 00:06:19,360

did with this and

171

00:06:23,510 --> 00:06:21,199

then she went out and he said and i love

172

00:06:25,430 --> 00:06:23,520

this this is even better even better

173

00:06:27,350 --> 00:06:25,440

than finding a new star team manager

174

00:06:28,469 --> 00:06:27,360

you're female he loved it

175

00:06:30,550 --> 00:06:28,479

and i thought that was pretty cool

176
00:06:31,990 --> 00:06:30,560
because that was the first time like i

177
00:06:35,189 --> 00:06:32,000
didn't get it because they needed a

178
00:06:37,670 --> 00:06:35,199
female position or

179
00:06:39,909 --> 00:06:37,680
sorry it was strictly on it was strictly

180
00:06:42,150 --> 00:06:39,919
on my creds nice

181
00:06:43,590 --> 00:06:42,160
that's incredible i love that

182
00:06:46,390 --> 00:06:43,600
i think it's a bonus that you're a

183
00:06:48,070 --> 00:06:46,400
female as well because

184
00:06:49,990 --> 00:06:48,080
yeah i see a lot of the work for some of

185
00:06:53,430 --> 00:06:50,000
the females in the ufo subjects right

186
00:06:56,390 --> 00:06:53,440
now and they just don't take no bull

187
00:06:59,350 --> 00:06:56,400
like the us blokes we just seem to be

188
00:07:01,350 --> 00:06:59,360

arguing and all this where's all these

189

00:07:02,469 --> 00:07:01,360

new what i mean yourself being being in

190

00:07:03,990 --> 00:07:02,479

the subject for a while but all these

191

00:07:05,749 --> 00:07:04,000

new females coming in and they're really

192

00:07:07,830 --> 00:07:05,759

taking over and it's such a breath of

193

00:07:10,550 --> 00:07:07,840

fresh air they they put us guys in check

194

00:07:12,790 --> 00:07:10,560

that's for sure so i um

195

00:07:15,189 --> 00:07:12,800

it's funny because i think i embrace it

196

00:07:17,350 --> 00:07:15,199

more now but i never identified as a

197

00:07:19,350 --> 00:07:17,360

female because these good old boys like

198

00:07:21,510 --> 00:07:19,360

you know i came in old school now

199

00:07:23,589 --> 00:07:21,520

there's like manners and there's certain

200

00:07:25,589 --> 00:07:23,599

things that you know people stick up for

201
00:07:28,230 --> 00:07:25,599
one another and we're supporting each

202
00:07:29,670 --> 00:07:28,240
other and back in the days

203
00:07:30,870 --> 00:07:29,680
let me tell you these boys did

204
00:07:32,950 --> 00:07:30,880
everything they could to get rid of

205
00:07:34,629 --> 00:07:32,960
linden won't how i mean they put us

206
00:07:37,270 --> 00:07:34,639
through hell i'm telling you even just

207
00:07:38,550 --> 00:07:37,280
recently um they have no shame about

208
00:07:40,950 --> 00:07:38,560
trying to

209
00:07:43,270 --> 00:07:40,960
shred you into pieces and it's happened

210
00:07:45,589 --> 00:07:43,280
several times and i'm just like you said

211
00:07:47,510 --> 00:07:45,599
i don't work with people like that i

212
00:07:49,990 --> 00:07:47,520
don't associate with people like that i

213
00:07:52,070 --> 00:07:50,000

don't know who would want to

214

00:07:54,309 --> 00:07:52,080

even support somebody that all they do

215

00:07:57,110 --> 00:07:54,319

is tear down others and

216

00:08:00,230 --> 00:07:57,120

so my revenge on that is hey guys when

217

00:08:02,790 --> 00:08:00,240

your phone's not ringing it's me

218

00:08:05,749 --> 00:08:02,800

i love it i love it i mean mufon did

219

00:08:07,990 --> 00:08:05,759

have that um that whole old guard

220

00:08:10,830 --> 00:08:08,000

bit of a stereotypical older white

221

00:08:12,550 --> 00:08:10,840

gentleman kind of vibe to it back then

222

00:08:14,950 --> 00:08:12,560

right

223

00:08:16,420 --> 00:08:14,960

meeting like a buffon meeting looks like

224

00:08:18,550 --> 00:08:16,430

bingo knighted it all folks

225

00:08:21,990 --> 00:08:18,560

[Laughter]

226

00:08:23,830 --> 00:08:22,000

oh dear that's funny um but listen it

227

00:08:25,270 --> 00:08:23,840

didn't hold you back it certainly didn't

228

00:08:26,869 --> 00:08:25,280

stop you in the work you were doing

229

00:08:29,430 --> 00:08:26,879

because you went through the ranks and i

230

00:08:31,270 --> 00:08:29,440

think what was it uh

231

00:08:33,190 --> 00:08:31,280

where are we now because you

232

00:08:34,630 --> 00:08:33,200

talk us through the promotion things

233

00:08:36,709 --> 00:08:34,640

because you got right up there to

234

00:08:39,029 --> 00:08:36,719

director of investigations

235

00:08:42,389 --> 00:08:39,039

yeah well i actually quit for a while

236

00:08:44,630 --> 00:08:42,399

it's like um star team manager um i

237

00:08:47,110 --> 00:08:44,640

found you know some some little

238

00:08:48,949 --> 00:08:47,120

hanky-panky going on in the cms and you

239

00:08:50,630 --> 00:08:48,959

know there was this little group of guys

240

00:08:53,269 --> 00:08:50,640

that would go in and steal all the good

241

00:08:54,790 --> 00:08:53,279

cases all the see you know they decided

242

00:08:57,590 --> 00:08:54,800

they needed to run that well when i

243

00:08:59,190 --> 00:08:57,600

caught them doing that it's that's

244

00:09:02,150 --> 00:08:59,200

the worst thing you can do like you're

245

00:09:04,550 --> 00:09:02,160

robbing the witnesses you're doing this

246

00:09:05,750 --> 00:09:04,560

so i quit in protest because nobody's

247

00:09:07,430 --> 00:09:05,760

gonna do anything about it because

248

00:09:10,710 --> 00:09:07,440

they're the good old boys

249

00:09:12,470 --> 00:09:10,720

so i quit it was i don't know maybe six

250

00:09:14,870 --> 00:09:12,480

years later

251

00:09:17,430 --> 00:09:14,880

jan harzan's at a con a conference i'm

252

00:09:18,710 --> 00:09:17,440

speaking at and like i don't even want

253

00:09:21,269 --> 00:09:18,720

to look at the guy right i'm just like

254

00:09:22,630 --> 00:09:21,279

no no no like you know because you know

255

00:09:24,230 --> 00:09:22,640

you have a bad taste in your mouth for

256

00:09:26,230 --> 00:09:24,240

people that don't stand up for the truth

257

00:09:28,230 --> 00:09:26,240

and so he came and asked me if i wanted

258

00:09:29,990 --> 00:09:28,240

to go to lunch and i'm just like

259

00:09:31,190 --> 00:09:30,000

what

260

00:09:33,269 --> 00:09:31,200

okay

261

00:09:34,550 --> 00:09:33,279

just like it's so it's so random it's

262

00:09:35,750 --> 00:09:34,560

like all right i'll listen to what you

263

00:09:37,350 --> 00:09:35,760

have to say

264

00:09:38,870 --> 00:09:37,360

we sit down he orders a thing of french

265

00:09:41,430 --> 00:09:38,880

fries he's like let's share these french

266

00:09:43,190 --> 00:09:41,440

fries and i'm like

267

00:09:44,470 --> 00:09:43,200

a little bizarre but okay i'll eat

268

00:09:46,389 --> 00:09:44,480

french fry

269

00:09:47,910 --> 00:09:46,399

it was just it was so awkward at first

270

00:09:49,829 --> 00:09:47,920

and then he literally looked at me and

271

00:09:51,829 --> 00:09:49,839

said what do we need what do i need to

272

00:09:53,030 --> 00:09:51,839

do to get you back and move on

273

00:09:55,030 --> 00:09:53,040

and i said

274

00:09:57,750 --> 00:09:55,040

i was start team manager i wrote all the

275

00:10:00,470 --> 00:09:57,760

protocols all the deployment policies i

276

00:10:02,949 --> 00:10:00,480

wrote everything uh you know so standard

277

00:10:04,790 --> 00:10:02,959

operation procedures all of it and i

278

00:10:07,829 --> 00:10:04,800

said i want my own team and i want it to

279

00:10:10,150 --> 00:10:07,839

be advanced team and i want us to be

280

00:10:11,910 --> 00:10:10,160

funded to deploy

281

00:10:13,350 --> 00:10:11,920

and he just kind of looked at me because

282

00:10:15,190 --> 00:10:13,360

it was like oh

283

00:10:17,030 --> 00:10:15,200

look you're asking for something i'm

284

00:10:20,310 --> 00:10:17,040

just you this is gonna be this is gonna

285

00:10:21,750 --> 00:10:20,320

be big and move on but he gave it to me

286

00:10:25,430 --> 00:10:21,760

and he called special assignment team

287

00:10:28,790 --> 00:10:25,440

and i recruited 12 of the best

288

00:10:32,310 --> 00:10:28,800

researchers even a journalist um and

289

00:10:34,630 --> 00:10:32,320

investigators in mufon and we handled um

290

00:10:37,110 --> 00:10:34,640

only the most complicated sensitive and

291

00:10:40,470 --> 00:10:37,120

confidential cases in bouffant so i ran

292

00:10:42,710 --> 00:10:40,480

that team and then um

293

00:10:44,310 --> 00:10:42,720

you know i needed to shake up doi a

294

00:10:46,310 --> 00:10:44,320

little bit and so i was offered that

295

00:10:47,430 --> 00:10:46,320

position so i was number two and move on

296

00:10:48,389 --> 00:10:47,440

it was like

297

00:10:51,030 --> 00:10:48,399

wow

298

00:10:52,870 --> 00:10:51,040

yeah that is impressive and i like your

299

00:10:55,030 --> 00:10:52,880

veracity and

300

00:10:57,430 --> 00:10:55,040

going straight straight for the top when

301
00:10:59,350 --> 00:10:57,440
given the opportunity that's incredible

302
00:11:01,190 --> 00:10:59,360
so um

303
00:11:02,630 --> 00:11:01,200
so you became director of investigations

304
00:11:04,069 --> 00:11:02,640
in 2018

305
00:11:05,430 --> 00:11:04,079
and and how long did that last for

306
00:11:06,870 --> 00:11:05,440
before you

307
00:11:08,790 --> 00:11:06,880
you know resigned your position to

308
00:11:10,630 --> 00:11:08,800
pursue nothing it was a little over a

309
00:11:12,230 --> 00:11:10,640
year and i have to tell you you know

310
00:11:13,350 --> 00:11:12,240
when you say the females aren't taking

311
00:11:16,470 --> 00:11:13,360
any guff

312
00:11:18,790 --> 00:11:16,480
if you set rules in black and white

313
00:11:21,190 --> 00:11:18,800

and only they apply to certain people

314

00:11:23,110 --> 00:11:21,200

that they have been fired before but

315

00:11:25,910 --> 00:11:23,120

these group of guys can do whatever they

316

00:11:28,069 --> 00:11:25,920

want it's like i didn't play i fired

317

00:11:30,310 --> 00:11:28,079

them i'm just like like horrible things

318

00:11:32,710 --> 00:11:30,320

not just you know like racist things and

319

00:11:33,750 --> 00:11:32,720

you know wow oh yeah like horrible

320

00:11:36,310 --> 00:11:33,760

things that we're just not going to put

321

00:11:39,430 --> 00:11:36,320

up with and move on well that was my job

322

00:11:41,910 --> 00:11:39,440

and they didn't like it these go man

323

00:11:44,630 --> 00:11:41,920

like they put up the most horrible lies

324

00:11:46,790 --> 00:11:44,640

on websites it was wow

325

00:11:48,389 --> 00:11:46,800

yeah it was horrible yeah these guys

326

00:11:50,150 --> 00:11:48,399

it's just crazy but

327

00:11:51,910 --> 00:11:50,160

i'm sure they're back into mufon because

328

00:11:53,269 --> 00:11:51,920

that's what they do and it's so

329

00:11:55,509 --> 00:11:53,279

unfortunate because there's so many

330

00:11:58,389 --> 00:11:55,519

great people to move on they really are

331

00:12:00,230 --> 00:11:58,399

they're very sincere talented um and

332

00:12:02,230 --> 00:12:00,240

they're doing a good job it's the only

333

00:12:05,509 --> 00:12:02,240

reason they're still in existence by the

334

00:12:07,750 --> 00:12:05,519

way um you know that old that old guard

335

00:12:09,509 --> 00:12:07,760

up at the board of directors and you

336

00:12:10,550 --> 00:12:09,519

know the same old

337

00:12:12,389 --> 00:12:10,560

you know

338

00:12:15,350 --> 00:12:12,399

it's just scandal after scandal after

339

00:12:17,590 --> 00:12:15,360

scared yeah absolutely and i mean

340

00:12:19,190 --> 00:12:17,600

right yeah i mean for myself personally

341

00:12:21,350 --> 00:12:19,200

and a lot of people i speak to in the

342

00:12:23,670 --> 00:12:21,360

field that there is a black cloud

343

00:12:24,790 --> 00:12:23,680

hanging over mufon to this day

344

00:12:26,949 --> 00:12:24,800

and i guess they've done it to

345

00:12:28,230 --> 00:12:26,959

themselves and and like you say i'm sure

346

00:12:30,389 --> 00:12:28,240

there are a lot of good people working

347

00:12:32,550 --> 00:12:30,399

for them but unfortunately they are just

348

00:12:34,310 --> 00:12:32,560

pushed under this this same black cloud

349

00:12:37,910 --> 00:12:34,320

as the people at the top which is a

350

00:12:41,190 --> 00:12:37,920

shame but yeah it is it deserves they do

351

00:12:42,870 --> 00:12:41,200

it they deserve it because um honestly

352

00:12:45,350 --> 00:12:42,880

i won't work with people like that i

353

00:12:47,269 --> 00:12:45,360

just you know number two my ego could

354

00:12:48,629 --> 00:12:47,279

have been like yeah but i'm number two

355

00:12:50,470 --> 00:12:48,639

in this organization i'm just like no

356

00:12:52,310 --> 00:12:50,480

one cares about that i care about

357

00:12:53,750 --> 00:12:52,320

working with people that you know our

358

00:12:55,590 --> 00:12:53,760

organization that's actually going to do

359

00:12:58,150 --> 00:12:55,600

what they say they're going to do and

360

00:12:59,990 --> 00:12:58,160

when they don't and this kind of

361

00:13:01,910 --> 00:13:00,000

behavior is tolerated you know just like

362

00:13:03,990 --> 00:13:01,920

john ventry everyone knew he was a

363

00:13:06,790 --> 00:13:04,000

racist like well they tolerated it for

364

00:13:09,829 --> 00:13:06,800

so long until everybody including me

365

00:13:11,829 --> 00:13:09,839

this ends now i mean it's just yeah

366

00:13:13,829 --> 00:13:11,839

but i do i kind of feel bad for the good

367

00:13:16,069 --> 00:13:13,839

ones that are still there because

368

00:13:18,790 --> 00:13:16,079

you know they just need it and i didn't

369

00:13:21,030 --> 00:13:18,800

no of course so upon your regular

370

00:13:22,790 --> 00:13:21,040

resignation what was the first

371

00:13:24,710 --> 00:13:22,800

i mean were you

372

00:13:27,110 --> 00:13:24,720

aware and clear of where you then wanted

373

00:13:29,990 --> 00:13:27,120

to go or is it a bit like oh what do i

374

00:13:32,389 --> 00:13:30,000

do now kind of thing how did you feel

375

00:13:34,389 --> 00:13:32,399

oh no i i was well established like

376

00:13:36,790 --> 00:13:34,399

going back into move on like i already

377

00:13:38,389 --> 00:13:36,800

had like cases i'd done starchild you

378

00:13:40,790 --> 00:13:38,399

know i was already on the conference

379

00:13:43,189 --> 00:13:40,800

circuit which um i didn't see coming

380

00:13:45,990 --> 00:13:43,199

because to me it's kind of it's it's why

381

00:13:49,350 --> 00:13:46,000

i accepted no conference in invitations

382

00:13:51,350 --> 00:13:49,360

this year because it's a gerbil wheel

383

00:13:53,750 --> 00:13:51,360

it's you know i reach into the choir and

384

00:13:55,750 --> 00:13:53,760

it's like i don't have anything really

385

00:13:58,550 --> 00:13:55,760

new to bring because everything i'm

386

00:14:00,710 --> 00:13:58,560

doing is in support of the politics and

387

00:14:03,189 --> 00:14:00,720

luella zondo and chris and you know just

388

00:14:05,590 --> 00:14:03,199

really pushing out some of these

389

00:14:09,430 --> 00:14:05,600

activist type and setting up meetings

390

00:14:11,670 --> 00:14:09,440

you know so this is what i do now but um

391

00:14:13,509 --> 00:14:11,680

yeah i just nope i never just you know

392

00:14:16,230 --> 00:14:13,519

kind of felt like what do i do now it's

393

00:14:18,389 --> 00:14:16,240

like all right what's next nice i like

394

00:14:19,670 --> 00:14:18,399

that so if we could just talk about a

395

00:14:21,829 --> 00:14:19,680

couple of your investigations that you

396

00:14:24,310 --> 00:14:21,839

have done um like you just said the star

397

00:14:26,790 --> 00:14:24,320

child skull something i've followed for

398

00:14:27,990 --> 00:14:26,800

for many years so can you

399

00:14:29,670 --> 00:14:28,000

break down

400

00:14:31,269 --> 00:14:29,680

what actually became of that case

401
00:14:34,230 --> 00:14:31,279
because i know the skull was passed

402
00:14:34,949 --> 00:14:34,240
around or it wasn't you know it was

403
00:14:36,150 --> 00:14:34,959
just

404
00:14:38,550 --> 00:14:36,160
i felt like there were some years where

405
00:14:40,310 --> 00:14:38,560
everyone was waiting for the answers so

406
00:14:42,870 --> 00:14:40,320
could you just break that down as you

407
00:14:45,110 --> 00:14:42,880
know as broadly as you want or as a yeah

408
00:14:46,710 --> 00:14:45,120
yeah um we i was speaking at a

409
00:14:50,310 --> 00:14:46,720
conference it was international ufo

410
00:14:53,829 --> 00:14:50,320
congress and um i'm talking about why we

411
00:14:55,670 --> 00:14:53,839
need to up our game why we need to have

412
00:15:00,710 --> 00:14:55,680
um

413
00:15:02,470 --> 00:15:00,720

admissibility and that comes in

414

00:15:04,150 --> 00:15:02,480

forensics and proper handling of

415

00:15:06,790 --> 00:15:04,160

evidence and you know blah blah blah

416

00:15:08,550 --> 00:15:06,800

blah at the end um people came up for

417

00:15:12,470 --> 00:15:08,560

questions and this lady came up her name

418

00:15:14,310 --> 00:15:12,480

was melanie young and she's like so

419

00:15:16,389 --> 00:15:14,320

you really want evidence physical

420

00:15:18,550 --> 00:15:16,399

evidence how about some dna because i

421

00:15:20,310 --> 00:15:18,560

have it for you and i and she goes i

422

00:15:23,990 --> 00:15:20,320

have i have everything you're going to

423

00:15:26,230 --> 00:15:24,000

need for you know your forensics and so

424

00:15:27,670 --> 00:15:26,240

she's like if you'll take the case i had

425

00:15:28,629 --> 00:15:27,680

no idea what she was talking about at

426

00:15:30,389 --> 00:15:28,639

the time

427

00:15:33,030 --> 00:15:30,399

and but i did say hey somebody please

428

00:15:35,749 --> 00:15:33,040

duct tape her to the stage so i don't

429

00:15:37,030 --> 00:15:35,759

miss her later

430

00:15:38,710 --> 00:15:37,040

yeah so

431

00:15:40,710 --> 00:15:38,720

it was um jacques filet was there at the

432

00:15:43,670 --> 00:15:40,720

time and so she had invited me and

433

00:15:45,430 --> 00:15:43,680

chocolate to come up and um look at the

434

00:15:47,509 --> 00:15:45,440

starchild skull and it was first time

435

00:15:50,069 --> 00:15:47,519

i'm holding it and i was just there's a

436

00:15:52,069 --> 00:15:50,079

magic about this little skull and

437

00:15:53,269 --> 00:15:52,079

you know i got a little choked up seeing

438

00:15:55,350 --> 00:15:53,279

it because you know my mom i'm a

439

00:15:57,189 --> 00:15:55,360

grandmom and it's just here's this

440

00:15:58,310 --> 00:15:57,199

little tiny skull

441

00:16:00,150 --> 00:15:58,320

and

442

00:16:01,590 --> 00:16:00,160

yeah it was a little crazy it was all

443

00:16:04,310 --> 00:16:01,600

crazy so

444

00:16:06,710 --> 00:16:04,320

um i i agreed to go ahead and do the dna

445

00:16:09,749 --> 00:16:06,720

and uh just really work a lot of sources

446

00:16:12,629 --> 00:16:09,759

i backtracked on you know what um

447

00:16:15,110 --> 00:16:12,639

the previous guy had done and and also

448

00:16:18,629 --> 00:16:15,120

gary nolan was involved in the starchild

449

00:16:20,790 --> 00:16:18,639

skull as well so i just did i just put

450

00:16:22,550 --> 00:16:20,800

all that aside it's kind of like

451
00:16:24,629 --> 00:16:22,560
i'm going to start new i'm at fresh eyes

452
00:16:27,030 --> 00:16:24,639
just like cold case you know fresh eyes

453
00:16:29,590 --> 00:16:27,040
something new and so i took the dna and

454
00:16:32,389 --> 00:16:29,600
then i sent it to the lab up in canada

455
00:16:33,509 --> 00:16:32,399
that specializes in ancient dna

456
00:16:36,629 --> 00:16:33,519
right

457
00:16:38,389 --> 00:16:36,639
so it's expensive it took a little bit

458
00:16:41,509 --> 00:16:38,399
but um we got back that it was

459
00:16:42,949 --> 00:16:41,519
completely human and so at this point

460
00:16:45,269 --> 00:16:42,959
it's

461
00:16:47,670 --> 00:16:45,279
i've got about 10 000 people really mad

462
00:16:49,910 --> 00:16:47,680
at me because this star child skull had

463
00:16:53,269 --> 00:16:49,920

quite the following and they made about

464

00:16:56,150 --> 00:16:53,279

you know 15 20 000 dollars a year

465

00:16:57,670 --> 00:16:56,160

in donations to you know this little

466

00:16:59,749 --> 00:16:57,680

board that they had

467

00:17:01,829 --> 00:16:59,759

and but then

468

00:17:04,470 --> 00:17:01,839

i talked to gary nolan and we have the

469

00:17:07,750 --> 00:17:04,480

exact same results so it's matching so

470

00:17:09,350 --> 00:17:07,760

now we have um providence now we have

471

00:17:11,590 --> 00:17:09,360

you know

472

00:17:13,029 --> 00:17:11,600

it's done guys it's it's human well that

473

00:17:15,110 --> 00:17:13,039

wasn't good enough because this little

474

00:17:16,470 --> 00:17:15,120

skull has been

475

00:17:19,189 --> 00:17:16,480

on a plaque

476

00:17:21,990 --> 00:17:19,199

it's been on display it's had a hat and

477

00:17:23,029 --> 00:17:22,000

a cigarette taken out of it and i'm like

478

00:17:23,909 --> 00:17:23,039

you know what

479

00:17:25,829 --> 00:17:23,919

so

480

00:17:27,750 --> 00:17:25,839

carrie mcclure who was my partner

481

00:17:28,950 --> 00:17:27,760

through all of this um

482

00:17:30,630 --> 00:17:28,960

actually

483

00:17:32,710 --> 00:17:30,640

you know did the study on the background

484

00:17:35,830 --> 00:17:32,720

and and we found out the haplo group

485

00:17:37,029 --> 00:17:35,840

which is really easy now in dna and um

486

00:17:39,830 --> 00:17:37,039

and melanie

487

00:17:41,909 --> 00:17:39,840

and carrie and i with the help of reuben

488

00:17:44,630 --> 00:17:41,919

yuriate um

489

00:17:47,270 --> 00:17:44,640

uh repatriated his remains to where it

490

00:17:49,830 --> 00:17:47,280

came from which was by the copper canyon

491

00:17:52,630 --> 00:17:49,840

and this this little guy is now with you

492

00:17:54,870 --> 00:17:52,640

know at least remnants of relatives that

493

00:17:55,669 --> 00:17:54,880

he had before so

494

00:17:57,430 --> 00:17:55,679

um

495

00:17:59,510 --> 00:17:57,440

the interesting thing is the female

496

00:18:00,470 --> 00:17:59,520

skull that was found with the star child

497

00:18:02,230 --> 00:18:00,480

skull

498

00:18:04,549 --> 00:18:02,240

um

499

00:18:06,310 --> 00:18:04,559

actually was more intriguing to the

500

00:18:09,510 --> 00:18:06,320

doctors because i went to every i went

501
00:18:11,270 --> 00:18:09,520
to osteology museums bone specialists

502
00:18:12,150 --> 00:18:11,280
they they were all

503
00:18:14,630 --> 00:18:12,160
more

504
00:18:17,029 --> 00:18:14,640
intrigued with her because

505
00:18:18,789 --> 00:18:17,039
all the skull fractures and how she

506
00:18:21,190 --> 00:18:18,799
looked through all these golf and it's

507
00:18:23,190 --> 00:18:21,200
like they were it really made me sad

508
00:18:23,990 --> 00:18:23,200
because she was obviously beaten a lot

509
00:18:26,230 --> 00:18:24,000
so

510
00:18:27,430 --> 00:18:26,240
it's uh yeah it's just a sad story all

511
00:18:29,830 --> 00:18:27,440
the way around and but they're

512
00:18:31,909 --> 00:18:29,840
repatriated right now and sitting in the

513
00:18:34,630 --> 00:18:31,919

little museum that has you know their

514

00:18:37,350 --> 00:18:34,640

little haplogroup you know tools that

515

00:18:39,110 --> 00:18:37,360

they use and pottery and this so that's

516

00:18:41,750 --> 00:18:39,120

the best we could do to this little guy

517

00:18:43,750 --> 00:18:41,760

and it's actually illegal

518

00:18:47,350 --> 00:18:43,760

because when we found out he was native

519

00:18:51,110 --> 00:18:49,110

that's illegal man you you don't want to

520

00:18:53,590 --> 00:18:51,120

mess with the indian bureau of indian

521

00:18:55,590 --> 00:18:53,600

affairs out of dc and i call them

522

00:18:59,029 --> 00:18:55,600

because it's illegal to display

523

00:19:01,029 --> 00:18:59,039

transport or exploit anything like that

524

00:19:04,150 --> 00:19:01,039

so the minute i found that out it was

525

00:19:07,029 --> 00:19:04,160

like um okay so we're not no more trap

526

00:19:09,990 --> 00:19:07,039

like you know and it's respect yeah

527

00:19:12,789 --> 00:19:10,000

minute we found that out so when it was

528

00:19:14,630 --> 00:19:12,799

possibly alien or half alien but i was

529

00:19:16,870 --> 00:19:14,640

disappointed too right i've been doing

530

00:19:18,950 --> 00:19:16,880

this for century centuries

531

00:19:20,230 --> 00:19:18,960

i've been doing this for decades and

532

00:19:23,350 --> 00:19:20,240

honestly

533

00:19:26,390 --> 00:19:23,360

i wanted an alien i wanted a hybrid of

534

00:19:28,470 --> 00:19:26,400

course i did but it is what it is but

535

00:19:31,669 --> 00:19:28,480

everybody could go look at my report

536

00:19:34,710 --> 00:19:31,679

what we did um i talk about i don't keep

537

00:19:36,789 --> 00:19:34,720

my sources secret um i i tell you the

538

00:19:39,029 --> 00:19:36,799

lab who the technician was so everybody

539

00:19:41,270 --> 00:19:39,039

can vet what what we had done

540

00:19:43,510 --> 00:19:41,280

and that work i did with kerry is on a

541

00:19:46,470 --> 00:19:43,520

website called the field reports within

542

00:19:48,710 --> 00:19:46,480

s dot com and i've got several

543

00:19:50,150 --> 00:19:48,720

several uh cases there

544

00:19:52,630 --> 00:19:50,160

well any of the links that we mentioned

545

00:19:54,549 --> 00:19:52,640

today um if there's some that i haven't

546

00:19:55,990 --> 00:19:54,559

got i will ask you for them you can send

547

00:19:57,830 --> 00:19:56,000

me i will put them all in the video

548

00:20:00,150 --> 00:19:57,840

description below obviously i've got

549

00:20:02,549 --> 00:20:00,160

your website chaseklitsky.com that will

550

00:20:04,230 --> 00:20:02,559

be below as well um just so everyone can

551
00:20:06,070 --> 00:20:04,240
go and look into all the things that we

552
00:20:08,470 --> 00:20:06,080
talk about but one last thing i'll say

553
00:20:10,230 --> 00:20:08,480
about the chart star child skull is that

554
00:20:12,630 --> 00:20:10,240
yes it was exciting and we all wanted it

555
00:20:15,350 --> 00:20:12,640
to be alien but at least we finally got

556
00:20:17,190 --> 00:20:15,360
the answers so kudos to you and your

557
00:20:18,870 --> 00:20:17,200
team

558
00:20:21,190 --> 00:20:18,880
putting it to rest

559
00:20:22,950 --> 00:20:21,200
yeah and and you know i i think a lot of

560
00:20:25,350 --> 00:20:22,960
it too was you know

561
00:20:26,870 --> 00:20:25,360
it's exploited and

562
00:20:28,870 --> 00:20:26,880
the minute

563
00:20:30,870 --> 00:20:28,880

it was verified i don't want to say i

564

00:20:32,390 --> 00:20:30,880

felt like i verified

565

00:20:34,789 --> 00:20:32,400

nolan's

566

00:20:36,390 --> 00:20:34,799

dna results yeah uh once that was done

567

00:20:39,029 --> 00:20:36,400

it's like you know the money kind of

568

00:20:41,510 --> 00:20:39,039

dried up people were you know they they

569

00:20:43,430 --> 00:20:41,520

wanted to argue all day about you did

570

00:20:45,430 --> 00:20:43,440

what about this and what about that i

571

00:20:47,590 --> 00:20:45,440

mean we even had electron microscopic

572

00:20:48,390 --> 00:20:47,600

work done because they talked about the

573

00:20:50,390 --> 00:20:48,400

rebar

574

00:20:53,830 --> 00:20:50,400

in the

575

00:20:56,950 --> 00:20:53,840

turned out to be dust particles and

576

00:20:59,110 --> 00:20:56,960

yeah and debris and and that makes sense

577

00:21:00,950 --> 00:20:59,120

to me because

578

00:21:02,630 --> 00:21:00,960

you know he's been in a box it's been

579

00:21:04,789 --> 00:21:02,640

you know it's been cleaned it's been

580

00:21:08,470 --> 00:21:04,799

bleached it's been you know and so all

581

00:21:10,070 --> 00:21:08,480

this that's particle it's been lacquered

582

00:21:12,149 --> 00:21:10,080

the lacquer is what i was told the lack

583

00:21:13,990 --> 00:21:12,159

of all that dust that was already on it

584

00:21:15,909 --> 00:21:14,000

you know it's like in the little pores

585

00:21:17,909 --> 00:21:15,919

of the skull and that's what it was and

586

00:21:19,350 --> 00:21:17,919

they even extracted this and proved it

587

00:21:21,430 --> 00:21:19,360

was dust so

588

00:21:23,830 --> 00:21:21,440

you know there's no rebar you know all

589

00:21:25,750 --> 00:21:23,840

the stuff that was being said um

590

00:21:27,909 --> 00:21:25,760

so

591

00:21:30,149 --> 00:21:27,919

i finalize everything i'm not gonna talk

592

00:21:32,549 --> 00:21:30,159

about my personal opinion on what i felt

593

00:21:34,149 --> 00:21:32,559

was going on all these years with the

594

00:21:36,630 --> 00:21:34,159

start out skull

595

00:21:39,990 --> 00:21:36,640

but my personal thought is

596

00:21:42,470 --> 00:21:40,000

loy pie said many times his biggest

597

00:21:44,789 --> 00:21:42,480

dream was to have real scientists and

598

00:21:47,110 --> 00:21:44,799

real studies on the starch house skull

599

00:21:48,390 --> 00:21:47,120

and that's what we did there you go

600

00:21:50,390 --> 00:21:48,400

that's that's i think that's all

601
00:21:52,390 --> 00:21:50,400
everyone wanted like i said i followed

602
00:21:54,950 --> 00:21:52,400
that case for many years

603
00:21:57,190 --> 00:21:54,960
and it just seemed to be dragging and

604
00:22:00,149 --> 00:21:57,200
passed here and passed there or not

605
00:22:01,590 --> 00:22:00,159
nothing done on it and

606
00:22:03,510 --> 00:22:01,600
it doesn't matter that it didn't turn

607
00:22:05,990 --> 00:22:03,520
out to be alien it just got put to bed

608
00:22:08,870 --> 00:22:06,000
and the respect can be given to

609
00:22:10,549 --> 00:22:08,880
everyone involved and then

610
00:22:12,870 --> 00:22:10,559
like you say the

611
00:22:15,430 --> 00:22:12,880
the remains can be placed where they

612
00:22:17,350 --> 00:22:15,440
should be and the respect given to

613
00:22:19,430 --> 00:22:17,360

all involved

614

00:22:21,750 --> 00:22:19,440

this little five-year-old

615

00:22:24,070 --> 00:22:21,760

baby you know and it's like it's over

616

00:22:26,470 --> 00:22:24,080

your your nightmare is over and you can

617

00:22:28,390 --> 00:22:26,480

rest that's it yeah yeah

618

00:22:29,750 --> 00:22:28,400

so let's move on there's one case that i

619

00:22:31,669 --> 00:22:29,760

saw on your website that really

620

00:22:35,110 --> 00:22:31,679

intrigued me and this is about the dna

621

00:22:38,070 --> 00:22:35,120

filled metallic spheres

622

00:22:40,789 --> 00:22:38,080

yes oh my gosh so this was something

623

00:22:43,830 --> 00:22:40,799

that they're finding in like india and

624

00:22:46,070 --> 00:22:43,840

there's professors that you know they've

625

00:22:47,909 --> 00:22:46,080

doing this little experiment and it's up

626
00:22:49,669 --> 00:22:47,919
in the atmosphere and these little trays

627
00:22:51,029 --> 00:22:49,679
were supposed to catch whatever dust or

628
00:22:53,830 --> 00:22:51,039
whatever is in the atmosphere up there

629
00:22:55,350 --> 00:22:53,840
and they're going to study them

630
00:22:57,750 --> 00:22:55,360
they come back and they're finding these

631
00:22:59,430 --> 00:22:57,760
little microscopic tiny little spheres

632
00:23:00,710 --> 00:22:59,440
these like little and they're metal

633
00:23:03,430 --> 00:23:00,720
they're metal

634
00:23:05,750 --> 00:23:03,440
when they open them up it had dna in it

635
00:23:08,070 --> 00:23:05,760
and i was just stunned it was just like

636
00:23:09,830 --> 00:23:08,080
come on like you know there's so much

637
00:23:12,310 --> 00:23:09,840
mystery going on right now but because

638
00:23:13,990 --> 00:23:12,320

it's through the professors um like in

639

00:23:16,789 --> 00:23:14,000

india and things like that i don't have

640

00:23:19,590 --> 00:23:16,799

access to any of the spheres but boy i

641

00:23:21,830 --> 00:23:19,600

wish i did because i'd have those worked

642

00:23:23,510 --> 00:23:21,840

on like the labs that you know i have

643

00:23:26,070 --> 00:23:23,520

contact with and

644

00:23:28,310 --> 00:23:26,080

you know and i was never afraid to

645

00:23:30,870 --> 00:23:28,320

call a scientist you know it's kind of

646

00:23:33,190 --> 00:23:30,880

like hey you guys like examine metal

647

00:23:35,270 --> 00:23:33,200

right so electron microscope i got some

648

00:23:37,350 --> 00:23:35,280

metal they never knew it was starch

649

00:23:39,510 --> 00:23:37,360

house skull they didn't know anything

650

00:23:41,190 --> 00:23:39,520

about what i had how much is it going to

651
00:23:42,789 --> 00:23:41,200
cost me for you to do this and that's

652
00:23:45,110 --> 00:23:42,799
what we did so

653
00:23:46,549 --> 00:23:45,120
i think if you approach

654
00:23:49,190 --> 00:23:46,559
people including

655
00:23:51,190 --> 00:23:49,200
congress and our lawmakers if you

656
00:23:53,269 --> 00:23:51,200
approach them with the right terminology

657
00:23:55,110 --> 00:23:53,279
and you know don't say hey we need to

658
00:23:56,710 --> 00:23:55,120
know the truth about ufos and they're

659
00:23:59,590 --> 00:23:56,720
going to look at you and say i don't

660
00:24:04,950 --> 00:24:02,549
yeah so it's you know but yeah so that

661
00:24:06,710 --> 00:24:04,960
was i love those fears though i wish i

662
00:24:09,190 --> 00:24:06,720
could get one so bad

663
00:24:12,390 --> 00:24:09,200

but no data ever came out of india or

664

00:24:14,549 --> 00:24:12,400

anything like that or not not so much

665

00:24:17,510 --> 00:24:14,559

and i think the last i heard

666

00:24:20,230 --> 00:24:17,520

um they were peer reviewing some of the

667

00:24:22,070 --> 00:24:20,240

results and that's going to take a long

668

00:24:23,350 --> 00:24:22,080

time because there was a lot of process

669

00:24:26,310 --> 00:24:23,360

and these guys are going to put their

670

00:24:27,590 --> 00:24:26,320

name on you know something but yeah dna

671

00:24:31,110 --> 00:24:27,600

inside

672

00:24:32,390 --> 00:24:31,120

metallic balls microscopic that yeah we

673

00:24:33,830 --> 00:24:32,400

could breathe

674

00:24:37,510 --> 00:24:33,840

it's like

675

00:24:39,350 --> 00:24:37,520

going on that's so unusual and so far

676

00:24:40,789 --> 00:24:39,360

out there i mean that in itself to me

677

00:24:42,950 --> 00:24:40,799

sounds like something out of a science

678

00:24:46,070 --> 00:24:42,960

movie a science fiction novel or movie

679

00:24:49,029 --> 00:24:46,080

um it's absolutely incredible

680

00:24:51,190 --> 00:24:49,039

lovely thank you so much and one

681

00:24:53,430 --> 00:24:51,200

case or investigation that really stood

682

00:24:55,190 --> 00:24:53,440

out to me is something that people still

683

00:24:56,710 --> 00:24:55,200

ask me about personally to this day are

684

00:25:00,149 --> 00:24:56,720

what are your thoughts

685

00:25:01,029 --> 00:25:00,159

on the malibu underwater base

686

00:25:06,149 --> 00:25:01,039

i

687

00:25:08,230 --> 00:25:06,159

was on a research vessel for three days

688

00:25:11,430 --> 00:25:08,240

um with rob lowe because i couldn't

689

00:25:13,190 --> 00:25:11,440

afford that and um yeah you can read

690

00:25:15,590 --> 00:25:13,200

that whole report it's on my website but

691

00:25:16,710 --> 00:25:15,600

it's also on the fieldreports.com

692

00:25:20,149 --> 00:25:16,720

and

693

00:25:22,149 --> 00:25:20,159

yeah we had a whole great big um rover

694

00:25:24,149 --> 00:25:22,159

that went down it was the mohawk two it

695

00:25:26,549 --> 00:25:24,159

was the same one that steven spielberg

696

00:25:30,950 --> 00:25:26,559

used to find the titanic it was even the

697

00:25:32,710 --> 00:25:30,960

same crew um i was in the dry lab

698

00:25:34,710 --> 00:25:32,720

which meant they were in the water or

699

00:25:37,430 --> 00:25:34,720

pulling it out you know but i'm in there

700

00:25:39,750 --> 00:25:37,440

just looking at all the video and we we

701
00:25:41,909 --> 00:25:39,760
took video we had side scanning radar

702
00:25:44,549 --> 00:25:41,919
all this stuff was going on and it's a

703
00:25:46,710 --> 00:25:44,559
thrust fault there you know

704
00:25:48,950 --> 00:25:46,720
it's a thrust fault so

705
00:25:51,269 --> 00:25:48,960
we've heard that before and yeah the

706
00:25:53,269 --> 00:25:51,279
images absolutely prove that but then i

707
00:25:55,029 --> 00:25:53,279
i followed up on a couple other rumors

708
00:25:56,950 --> 00:25:55,039
and that was i think i did the one thing

709
00:25:59,510 --> 00:25:56,960
no one else thought of yet i called

710
00:26:01,590 --> 00:25:59,520
google i'm like hey can i talk to you

711
00:26:03,269 --> 00:26:01,600
you know a person that's in charge of

712
00:26:05,350 --> 00:26:03,279
you know the photography and you know

713
00:26:07,350 --> 00:26:05,360

when i explained like this is a and then

714

00:26:10,070 --> 00:26:07,360

they the guy and i put his name in the

715

00:26:10,950 --> 00:26:10,080

report it's like he he actually says to

716

00:26:12,789 --> 00:26:10,960

me

717

00:26:15,350 --> 00:26:12,799

well they're not photographs like you

718

00:26:17,909 --> 00:26:15,360

know most of this is a computer image no

719

00:26:19,750 --> 00:26:17,919

i did not know that right i did not and

720

00:26:22,230 --> 00:26:19,760

so um and then

721

00:26:24,149 --> 00:26:22,240

they all talk about port magoo which is

722

00:26:26,630 --> 00:26:24,159

right there it's yeah like this big army

723

00:26:28,789 --> 00:26:26,640

base or whatever and i'm like wait a

724

00:26:30,390 --> 00:26:28,799

minute guys like why are we not hearing

725

00:26:33,029 --> 00:26:30,400

about port wianimi

726

00:26:35,510 --> 00:26:33,039

thirty or fifty miles north

727

00:26:38,310 --> 00:26:35,520

is port wynemi which is home of the

728

00:26:41,269 --> 00:26:38,320

seabees oh it's home of underwater

729

00:26:43,510 --> 00:26:41,279

construction seabees like come on he's

730

00:26:44,950 --> 00:26:43,520

like how did you miss this so i called

731

00:26:48,310 --> 00:26:44,960

him and i asked for the quarter deck and

732

00:26:50,230 --> 00:26:48,320

the c uh cdo uh command duty officer is

733

00:26:51,510 --> 00:26:50,240

what that's called he gets on the phone

734

00:26:52,470 --> 00:26:51,520

i'll tell him i'm like yeah chase

735

00:26:54,070 --> 00:26:52,480

klitsky and we're doing this

736

00:26:56,230 --> 00:26:54,080

investigation i explained i was on a

737

00:26:57,110 --> 00:26:56,240

research vessel and what information i

738

00:27:01,909 --> 00:26:57,120

said

739

00:27:04,870 --> 00:27:01,919

as underwater construction divers

740

00:27:06,870 --> 00:27:04,880

do are you aware of any man-made

741

00:27:09,510 --> 00:27:06,880

object or construction there and he goes

742

00:27:12,070 --> 00:27:09,520

first of all no second of all we would

743

00:27:13,830 --> 00:27:12,080

never build there it's

744

00:27:15,350 --> 00:27:13,840

right in the thrust of is right in the

745

00:27:18,470 --> 00:27:15,360

um uh

746

00:27:20,310 --> 00:27:18,480

earthquake lines um and the fault lines

747

00:27:21,909 --> 00:27:20,320

yes and thank you

748

00:27:24,710 --> 00:27:21,919

yeah the fault lines and there's two of

749

00:27:26,789 --> 00:27:24,720

them they intersect directly on that

750

00:27:29,510 --> 00:27:26,799

spot so he's like no one in their right

751
00:27:30,950 --> 00:27:29,520
mind would ever build anything there

752
00:27:33,190 --> 00:27:30,960
it's not gonna last so why would you put

753
00:27:35,909 --> 00:27:33,200
the money and i said well have you built

754
00:27:38,310 --> 00:27:35,919
are you and your team responsible or

755
00:27:39,510 --> 00:27:38,320
know of or have any knowledge of even in

756
00:27:41,029 --> 00:27:39,520
a rumor

757
00:27:44,389 --> 00:27:41,039
that

758
00:27:46,070 --> 00:27:44,399
man-made construction and there are

759
00:27:50,470 --> 00:27:46,080
underwater bases

760
00:27:51,269 --> 00:27:50,480
outside of malibu and he's like

761
00:27:53,669 --> 00:27:51,279
no

762
00:27:56,310 --> 00:27:53,679
and i said how about anywhere

763
00:27:57,830 --> 00:27:56,320

in the area from you know like down

764

00:28:00,789 --> 00:27:57,840

there in tijuana

765

00:28:02,789 --> 00:28:00,799

and up and he says no comment so

766

00:28:04,230 --> 00:28:02,799

yeah so that was pretty cool yeah that

767

00:28:07,510 --> 00:28:04,240

was really cool

768

00:28:09,110 --> 00:28:07,520

it makes you think wow i like that yeah

769

00:28:11,669 --> 00:28:09,120

it would make sense that they would have

770

00:28:13,269 --> 00:28:11,679

something even if it was like storage or

771

00:28:15,430 --> 00:28:13,279

whatever you know we know that we have

772

00:28:18,070 --> 00:28:15,440

missiles and you know weapons from the

773

00:28:19,190 --> 00:28:18,080

water that go to air and yeah you know

774

00:28:21,590 --> 00:28:19,200

and so it's

775

00:28:22,789 --> 00:28:21,600

it just makes sense but he i could tell

776

00:28:24,149 --> 00:28:22,799

he was getting just a little

777

00:28:25,350 --> 00:28:24,159

uncomfortable

778

00:28:26,870 --> 00:28:25,360

towards the end of the call because i

779

00:28:28,630 --> 00:28:26,880

was just pressing and pressing and

780

00:28:34,870 --> 00:28:28,640

pressing and you know

781

00:28:38,549 --> 00:28:36,070

yeah yeah absolutely but i think it's

782

00:28:40,789 --> 00:28:38,559

interesting we get the ufo connection

783

00:28:42,950 --> 00:28:40,799

with things happening around the area as

784

00:28:44,389 --> 00:28:42,960

well off the coast of california and in

785

00:28:47,350 --> 00:28:44,399

so many incidents

786

00:28:49,430 --> 00:28:47,360

dating back decades and you know

787

00:28:51,830 --> 00:28:49,440

it's so intriguing about that i should

788

00:28:54,389 --> 00:28:51,840

call him back now that we have all this

789

00:28:55,990 --> 00:28:54,399

information out yeah i think i might do

790

00:28:58,310 --> 00:28:56,000

that make a follow-up call say hey we

791

00:29:01,029 --> 00:28:58,320

talked a couple years ago and you know

792

00:29:02,070 --> 00:29:01,039

now that a lot is coming out

793

00:29:03,750 --> 00:29:02,080

there you go

794

00:29:05,269 --> 00:29:03,760

call his bluff just say yeah someone

795

00:29:07,110 --> 00:29:05,279

else told me about something i just

796

00:29:09,190 --> 00:29:07,120

thought i'd double check with you

797

00:29:10,830 --> 00:29:09,200

yeah that would be so awesome

798

00:29:13,990 --> 00:29:10,840

that'd be amazing

799

00:29:17,510 --> 00:29:14,000

absolutely oh if anyone can do it chase

800

00:29:20,710 --> 00:29:18,549

um

801

00:29:22,310 --> 00:29:20,720

so let's move on because

802

00:29:25,110 --> 00:29:22,320

one thing another thing i wanted to

803

00:29:26,870 --> 00:29:25,120

discuss is your book with richard dolan

804

00:29:28,310 --> 00:29:26,880

admissible

805

00:29:30,789 --> 00:29:28,320

how did that come about i mean that's

806

00:29:33,750 --> 00:29:30,799

incredible i i'll admit now i haven't

807

00:29:36,230 --> 00:29:33,760

read it i'm sorry

808

00:29:38,230 --> 00:29:36,240

it's it's a field guide basically on on

809

00:29:39,590 --> 00:29:38,240

how to like my

810

00:29:41,750 --> 00:29:39,600

what i've learned to do what i've

811

00:29:44,789 --> 00:29:41,760

learned not to do and um you know i've

812

00:29:46,789 --> 00:29:44,799

made mistakes too and it's really just

813

00:29:49,269 --> 00:29:46,799

wanting to lay it all out i wrote the

814

00:29:51,510 --> 00:29:49,279

protocols for you know star team and the

815

00:29:53,750 --> 00:29:51,520

sat team special assignment team which

816

00:29:56,389 --> 00:29:53,760

is our third year so that's tier three

817

00:29:58,230 --> 00:29:56,399

in mufon it was these guys were advanced

818

00:30:00,230 --> 00:29:58,240

and we weren't very like we weren't

819

00:30:02,230 --> 00:30:00,240

liked very well because our first rule

820

00:30:03,750 --> 00:30:02,240

in sat team was you don't talk about zap

821

00:30:05,430 --> 00:30:03,760

team

822

00:30:08,230 --> 00:30:05,440

talk about cases we don't talk about

823

00:30:09,350 --> 00:30:08,240

anything because we we have to offer the

824

00:30:11,510 --> 00:30:09,360

people that want to come out

825

00:30:13,190 --> 00:30:11,520

confidentially yeah

826

00:30:15,590 --> 00:30:13,200

a team that they know will keep their

827

00:30:17,190 --> 00:30:15,600

mouth shut and and we did that so we

828

00:30:18,870 --> 00:30:17,200

never talked about cases and of course

829

00:30:19,830 --> 00:30:18,880

you know people are like uh you know

830

00:30:20,789 --> 00:30:19,840

government

831

00:30:24,310 --> 00:30:20,799

whatever

832

00:30:25,430 --> 00:30:24,320

but um yeah i'm sorry what was a

833

00:30:28,230 --> 00:30:25,440

we're just talking about the book with

834

00:30:31,669 --> 00:30:28,240

dolan like how it came about and i mean

835

00:30:33,510 --> 00:30:31,679

yeah i found it intriguing you know

836

00:30:34,789 --> 00:30:33,520

the two of you came together put this

837

00:30:36,630 --> 00:30:34,799

out there and

838

00:30:37,990 --> 00:30:36,640

you know i mention it to people

839

00:30:40,149 --> 00:30:38,000

that you worked with richard and they

840

00:30:42,310 --> 00:30:40,159

have like i have no idea

841

00:30:44,070 --> 00:30:42,320

it just seems to be that it's not

842

00:30:45,669 --> 00:30:44,080

got the oomph that it

843

00:30:48,470 --> 00:30:45,679

it should have

844

00:30:50,230 --> 00:30:48,480

yeah i don't you know it's fit on it's

845

00:30:52,950 --> 00:30:50,240

been there for a while i still get

846

00:30:54,789 --> 00:30:52,960

royalty on it but um you know it's just

847

00:30:58,070 --> 00:30:54,799

a guide on what to do and they're

848

00:31:00,789 --> 00:30:58,080

they're big lessons learned like um i've

849

00:31:03,509 --> 00:31:00,799

learned not to become friendly

850

00:31:05,590 --> 00:31:03,519

with my witnesses because

851
00:31:07,350 --> 00:31:05,600
they get a lot of attention

852
00:31:09,350 --> 00:31:07,360
from us like we're working their case we

853
00:31:10,789 --> 00:31:09,360
talk to them several times a day there's

854
00:31:13,190 --> 00:31:10,799
you know all this stuff going on we need

855
00:31:14,870 --> 00:31:13,200
permission for this um hey lab just

856
00:31:17,430 --> 00:31:14,880
called and then all of a sudden when

857
00:31:19,509 --> 00:31:17,440
it's over you go on to your next case

858
00:31:21,669 --> 00:31:19,519
yeah and they feel very abandoned and

859
00:31:23,029 --> 00:31:21,679
they feel hurt like you know you got

860
00:31:25,350 --> 00:31:23,039
what you want and you left it's like

861
00:31:27,990 --> 00:31:25,360
well i'm an investigator so

862
00:31:29,430 --> 00:31:28,000
so i just learned that um i'd be there

863
00:31:30,870 --> 00:31:29,440

working and they'd come down say hey

864

00:31:33,190 --> 00:31:30,880

we're barbecuing come up and get a

865

00:31:35,029 --> 00:31:33,200

burger and i'm like i can smell it i'm

866

00:31:36,789 --> 00:31:35,039

starving and i go and have my granola

867

00:31:38,789 --> 00:31:36,799

bar in my car

868

00:31:39,669 --> 00:31:38,799

i just learned that you know

869

00:31:41,750 --> 00:31:39,679

real

870

00:31:43,669 --> 00:31:41,760

investigators such as police or

871

00:31:44,950 --> 00:31:43,679

detectives they don't get friendly

872

00:31:46,389 --> 00:31:44,960

either you know they don't go in the

873

00:31:47,269 --> 00:31:46,399

house and they're like hey i got dinner

874

00:31:49,909 --> 00:31:47,279

on you know in the middle of

875

00:31:51,269 --> 00:31:49,919

investigation so i really that's when i

876

00:31:54,630 --> 00:31:51,279

learned to

877

00:31:57,590 --> 00:31:54,640

behave more like them than normal ufo

878

00:31:59,830 --> 00:31:57,600

investigators and um so that was one

879

00:32:02,950 --> 00:31:59,840

lesson i learned another piece of advice

880

00:32:05,430 --> 00:32:02,960

in the book is hey guys you know i know

881

00:32:08,389 --> 00:32:05,440

it's cool to have like ufo hunter on

882

00:32:09,190 --> 00:32:08,399

your car and all these big signs and you

883

00:32:12,789 --> 00:32:09,200

know

884

00:32:15,430 --> 00:32:12,799

stuff

885

00:32:17,190 --> 00:32:15,440

but pulling up to that that house

886

00:32:19,909 --> 00:32:17,200

maybe they don't want their neighbors to

887

00:32:22,870 --> 00:32:19,919

know that they just called a ufo person

888

00:32:24,230 --> 00:32:22,880

yeah so to have your car so it's just

889

00:32:27,029 --> 00:32:24,240

you know it's just things that you know

890

00:32:30,230 --> 00:32:27,039

i paid attention to and um

891

00:32:31,830 --> 00:32:30,240

you know even doing the two-man rule um

892

00:32:34,710 --> 00:32:31,840

there's been

893

00:32:36,710 --> 00:32:34,720

one time i go it's just so stupid

894

00:32:39,029 --> 00:32:36,720

looking back on it but

895

00:32:40,310 --> 00:32:39,039

we me i have a girlfriend with me and

896

00:32:42,470 --> 00:32:40,320

we're actually going somewhere else but

897

00:32:44,149 --> 00:32:42,480

we're going through kentucky

898

00:32:45,590 --> 00:32:44,159

and i had this guy that's been begging

899

00:32:47,509 --> 00:32:45,600

me to come up and talk to him and he

900

00:32:49,269 --> 00:32:47,519

wants to show me where a crash site was

901
00:32:51,909 --> 00:32:49,279
so i decided to do a little detour do

902
00:32:53,509 --> 00:32:51,919
that so i parked my car grabbed a few

903
00:32:55,990 --> 00:32:53,519
you know tools and things and my

904
00:32:57,430 --> 00:32:56,000
girlfriend and i are walking out there

905
00:32:59,669 --> 00:32:57,440
and we're getting further and further in

906
00:33:01,190 --> 00:32:59,679
the woods and i'm thinking

907
00:33:02,549 --> 00:33:01,200
i don't know this guy like what am i

908
00:33:04,789 --> 00:33:02,559
going to do

909
00:33:06,950 --> 00:33:04,799
and it's like and even the two-man rule

910
00:33:09,110 --> 00:33:06,960
isn't very smart because my girlfriend

911
00:33:11,110 --> 00:33:09,120
if if this guy does anything or pulls

912
00:33:12,950 --> 00:33:11,120
out a gun or even worse has more men

913
00:33:14,870 --> 00:33:12,960

down there waiting

914

00:33:16,389 --> 00:33:14,880

she just she just cry in peer pants

915

00:33:18,789 --> 00:33:16,399

right

916

00:33:20,470 --> 00:33:18,799

like yeah i would at least do a little

917

00:33:21,750 --> 00:33:20,480

fighting but yeah

918

00:33:23,590 --> 00:33:21,760

so you know you've already made a

919

00:33:27,190 --> 00:33:23,600

mistake when he's walking in front of me

920

00:33:31,269 --> 00:33:28,870

you're already you're already crossed

921

00:33:32,470 --> 00:33:31,279

the line so nothing happened of course

922

00:33:34,310 --> 00:33:32,480

um

923

00:33:36,389 --> 00:33:34,320

however i did pull out my cell phone i'm

924

00:33:38,710 --> 00:33:36,399

like oh wait wait i need i need a moment

925

00:33:40,149 --> 00:33:38,720

i said my husband's tapping me and goes

926

00:33:42,149 --> 00:33:40,159

oh you're getting a text i'm like oh no

927

00:33:44,630 --> 00:33:42,159

he follows me you know he knows every

928

00:33:46,230 --> 00:33:44,640

step i take he follows me on this app

929

00:33:47,990 --> 00:33:46,240

and i just have to check in and tell him

930

00:33:49,509 --> 00:33:48,000

i'm okay nice

931

00:33:54,950 --> 00:33:49,519

you know

932

00:33:58,310 --> 00:33:56,310

i was really getting nervous because

933

00:34:00,710 --> 00:33:58,320

this guy was sketchy and

934

00:34:02,870 --> 00:34:00,720

um and funny because after i said that

935

00:34:04,710 --> 00:34:02,880

all of a sudden we were on the spot i

936

00:34:06,389 --> 00:34:04,720

saw nothing there and he turned around

937

00:34:07,430 --> 00:34:06,399

and we left so

938

00:34:10,149 --> 00:34:07,440

i

939

00:34:13,750 --> 00:34:10,159

have

940

00:34:17,750 --> 00:34:13,760

um

941

00:34:19,990 --> 00:34:17,760

but

942

00:34:22,869 --> 00:34:20,000

it's more important to have somebody

943

00:34:24,389 --> 00:34:22,879

with you that you can trust

944

00:34:27,030 --> 00:34:24,399

you know so just little things like that

945

00:34:29,030 --> 00:34:27,040

that i learned down the road and um and

946

00:34:31,349 --> 00:34:29,040

it is a manual i do work close with

947

00:34:32,550 --> 00:34:31,359

richard we've done a lot together and

948

00:34:34,230 --> 00:34:32,560

you know we speak at a lot of

949

00:34:37,030 --> 00:34:34,240

conferences together you know like i

950

00:34:39,829 --> 00:34:37,040

said it seems to always be me nick pope

951
00:34:40,710 --> 00:34:39,839
um richard dolan linda moulton howe it's

952
00:34:43,669 --> 00:34:40,720
like

953
00:34:45,829 --> 00:34:43,679
a lot of el alejandro rojas

954
00:34:48,310 --> 00:34:45,839
it's just we were all on this for so

955
00:34:49,829 --> 00:34:48,320
long and you know so we all became like

956
00:34:52,069 --> 00:34:49,839
really good friends and you know

957
00:34:54,950 --> 00:34:52,079
richard's been to my house you know for

958
00:34:56,869 --> 00:34:54,960
a weekend and you know it's just yeah

959
00:34:58,390 --> 00:34:56,879
it's you know we're

960
00:35:00,069 --> 00:34:58,400
kind of that group like there's a new

961
00:35:01,750 --> 00:35:00,079
group coming up that like the young guns

962
00:35:03,670 --> 00:35:01,760
they call them

963
00:35:05,349 --> 00:35:03,680

you need those connections like you know

964

00:35:07,829 --> 00:35:05,359

that you can call at any time and they

965

00:35:10,069 --> 00:35:07,839

pick up because you know that's what we

966

00:35:11,430 --> 00:35:10,079

do so it's it's i like that the

967

00:35:13,829 --> 00:35:11,440

connections are there and i'm starting

968

00:35:16,150 --> 00:35:13,839

to see them build um with the younger

969

00:35:18,310 --> 00:35:16,160

guys and i've never seen more younger

970

00:35:20,870 --> 00:35:18,320

people getting interested than we do now

971

00:35:24,470 --> 00:35:20,880

and i'm so thankful for that

972

00:35:27,030 --> 00:35:24,480

and like right really smart people like

973

00:35:28,150 --> 00:35:27,040

little christina gomez oh how far on

974

00:35:31,030 --> 00:35:28,160

right

975

00:35:32,870 --> 00:35:31,040

yeah she's incredible yeah and so and

976

00:35:34,950 --> 00:35:32,880

all these podcasts yours included of

977

00:35:38,310 --> 00:35:34,960

course and you know because i follow you

978

00:35:40,150 --> 00:35:38,320

as well so thank you i do i love it i

979

00:35:41,829 --> 00:35:40,160

think actually i remember the day you

980

00:35:43,670 --> 00:35:41,839

followed me i'd actually i mean i've

981

00:35:45,670 --> 00:35:43,680

been on instagram for some time but then

982

00:35:47,829 --> 00:35:45,680

i joined twitter and i saw the

983

00:35:50,710 --> 00:35:47,839

notification chase klutzky followed you

984

00:35:52,550 --> 00:35:50,720

i freaked out i have to admit oh yeah

985

00:35:54,470 --> 00:35:52,560

because you followed me when i was like

986

00:35:56,390 --> 00:35:54,480

i barely had anyone i'd not done

987

00:35:57,750 --> 00:35:56,400

anything and i was like oh my goodness

988

00:35:59,430 --> 00:35:57,760

this is

989

00:36:01,430 --> 00:35:59,440

and every time things like that happen

990

00:36:03,510 --> 00:36:01,440

it really motivates me to keep pushing

991

00:36:05,270 --> 00:36:03,520

in the right direction because it's like

992

00:36:06,950 --> 00:36:05,280

like you're saying we've got the new new

993

00:36:08,950 --> 00:36:06,960

guys and the

994

00:36:10,870 --> 00:36:08,960

more experienced people but i think the

995

00:36:12,790 --> 00:36:10,880

connection between both is just as

996

00:36:13,910 --> 00:36:12,800

important you know because we can learn

997

00:36:16,310 --> 00:36:13,920

from each other and you know i've

998

00:36:18,150 --> 00:36:16,320

learned so much from you and richard and

999

00:36:20,870 --> 00:36:18,160

everyone you just mentioned alejandro

1000

00:36:22,790 --> 00:36:20,880

and that and i just yeah it's incredible

1001
00:36:23,589 --> 00:36:22,800
so i'm honored to be in the presence of

1002
00:36:28,310 --> 00:36:23,599
such

1003
00:36:29,510 --> 00:36:28,320
phenomenal names in the subject um

1004
00:36:31,670 --> 00:36:29,520
you know that we don't feel that way

1005
00:36:33,990 --> 00:36:31,680
about ourselves right we don't i do i

1006
00:36:35,670 --> 00:36:34,000
know that but at the same time

1007
00:36:37,589 --> 00:36:35,680
it's like i just got done before i came

1008
00:36:39,190 --> 00:36:37,599
on here cleaning my bathroom scrubbing

1009
00:36:40,710 --> 00:36:39,200
my toilet

1010
00:36:43,270 --> 00:36:40,720
i'm not special

1011
00:36:45,990 --> 00:36:43,280
you know we just work but i appreciate

1012
00:36:46,790 --> 00:36:46,000
it because it's cute but um you know i

1013
00:36:48,790 --> 00:36:46,800

have

1014

00:36:49,589 --> 00:36:48,800

just as much respect for you

1015

00:36:51,670 --> 00:36:49,599

so

1016

00:36:53,349 --> 00:36:51,680

yeah and it's and we need to do that we

1017

00:36:55,109 --> 00:36:53,359

need to like

1018

00:36:57,990 --> 00:36:55,119

hook each other up

1019

00:36:59,670 --> 00:36:58,000

include each other in certain things and

1020

00:37:01,349 --> 00:36:59,680

yeah it's like i get another big

1021

00:37:03,750 --> 00:37:01,359

investigation which i've been doing more

1022

00:37:05,990 --> 00:37:03,760

production lately um and a lot of that

1023

00:37:08,230 --> 00:37:06,000

had to do with covid um can't go out

1024

00:37:09,190 --> 00:37:08,240

can't do a lot of stuff outside so you

1025

00:37:11,670 --> 00:37:09,200

know these

1026
00:37:13,829 --> 00:37:11,680
tv shows would call and i just got done

1027
00:37:15,910 --> 00:37:13,839
with season three of the proof is out

1028
00:37:18,790 --> 00:37:15,920
there i just did roswell the final

1029
00:37:20,630 --> 00:37:18,800
verdict ah incredible i loved that show

1030
00:37:22,390 --> 00:37:20,640
actually can we touch upon that briefly

1031
00:37:24,470 --> 00:37:22,400
because i get asked so many questions

1032
00:37:27,349 --> 00:37:24,480
about or not even so much questions but

1033
00:37:28,950 --> 00:37:27,359
people going well that ai system that

1034
00:37:31,510 --> 00:37:28,960
they're talking about in that is just a

1035
00:37:33,829 --> 00:37:31,520
ruse for tv to make it look legit but

1036
00:37:35,910 --> 00:37:33,839
could you expand on that at all

1037
00:37:37,829 --> 00:37:35,920
don't know much about it other than it

1038
00:37:39,910 --> 00:37:37,839

is legit and it's actually the same

1039

00:37:43,030 --> 00:37:39,920

technology they use for uh finding

1040

00:37:44,950 --> 00:37:43,040

hitler or hunting hitler right yeah

1041

00:37:47,589 --> 00:37:44,960

yeah it's it's they're just algorithms

1042

00:37:49,750 --> 00:37:47,599

going and they do this thing with like

1043

00:37:51,829 --> 00:37:49,760

homeland security everybody uses it and

1044

00:37:54,069 --> 00:37:51,839

that's that facial recognition and

1045

00:37:55,430 --> 00:37:54,079

facial like little twi twitches and

1046

00:37:57,349 --> 00:37:55,440

things that you do

1047

00:38:00,069 --> 00:37:57,359

so they'll look at a person through an

1048

00:38:02,790 --> 00:38:00,079

entire interview yeah and there's

1049

00:38:04,550 --> 00:38:02,800

certain catches or tells as they call it

1050

00:38:06,150 --> 00:38:04,560

but um i don't know much about the math

1051

00:38:08,950 --> 00:38:06,160

or whatever but it is legit it's

1052

00:38:10,710 --> 00:38:08,960

absolutely legit um

1053

00:38:12,310 --> 00:38:10,720

i i like doing that show i hope we get

1054

00:38:15,910 --> 00:38:12,320

to do something like that again with the

1055

00:38:19,190 --> 00:38:15,920

other big i love that however i am in a

1056

00:38:21,109 --> 00:38:19,200

youtube or no a netflix documentary that

1057

00:38:23,430 --> 00:38:21,119

is the worst thing i've ever seen it's

1058

00:38:25,910 --> 00:38:23,440

absolutely horrible it's like

1059

00:38:28,310 --> 00:38:25,920

what's it unveiling secret ufos whatever

1060

00:38:29,990 --> 00:38:28,320

but is the one that came out recently

1061

00:38:31,910 --> 00:38:30,000

yes yes

1062

00:38:34,310 --> 00:38:31,920

and at the end they call me a

1063

00:38:36,550 --> 00:38:34,320

investigative journalist i'm like what

1064

00:38:38,870 --> 00:38:36,560

are you guys doing with this like you

1065

00:38:40,630 --> 00:38:38,880

know they edited a lot of what all of us

1066

00:38:43,589 --> 00:38:40,640

said well i'm like i know richard didn't

1067

00:38:46,069 --> 00:38:43,599

say that like that like yeah anyway it's

1068

00:38:47,589 --> 00:38:46,079

horrible i'm so embarrassed is this the

1069

00:38:49,990 --> 00:38:47,599

one that was

1070

00:38:51,190 --> 00:38:50,000

i might be wrong were they hungarian

1071

00:38:53,030 --> 00:38:51,200

journalists who were meant to do a

1072

00:38:54,470 --> 00:38:53,040

documentary it turned into a netflix

1073

00:38:57,349 --> 00:38:54,480

series and i think

1074

00:39:00,390 --> 00:38:57,359

it seems like they duped everybody yes

1075

00:39:02,390 --> 00:39:00,400

they did yes they did and um

1076

00:39:03,990 --> 00:39:02,400

yeah because at least i was in good

1077

00:39:05,430 --> 00:39:04,000

company

1078

00:39:06,950 --> 00:39:05,440

yeah

1079

00:39:08,870 --> 00:39:06,960

no no no but

1080

00:39:11,270 --> 00:39:08,880

it isn't nothing you did wrong or anyone

1081

00:39:14,069 --> 00:39:11,280

else did wrong but people generally got

1082

00:39:17,349 --> 00:39:14,079

duped by these people and yes i think

1083

00:39:19,750 --> 00:39:17,359

everybody in this field knows that um

1084

00:39:21,270 --> 00:39:19,760

and it's a shame so we feel for you

1085

00:39:23,349 --> 00:39:21,280

genuinely you know i've had

1086

00:39:25,750 --> 00:39:23,359

conversations with fellow colleagues

1087

00:39:27,670 --> 00:39:25,760

about it and it's a shame but i guess it

1088

00:39:29,349 --> 00:39:27,680

happens

1089

00:39:31,430 --> 00:39:29,359

here and there

1090

00:39:35,270 --> 00:39:31,440

and i just learned to not be so

1091

00:39:37,030 --> 00:39:35,280

you know um i i never feel privileged or

1092

00:39:39,829 --> 00:39:37,040

flattered i feel like i have an

1093

00:39:40,790 --> 00:39:39,839

opportunity to get a voice out there

1094

00:39:43,589 --> 00:39:40,800

because

1095

00:39:45,270 --> 00:39:43,599

actually it was race hobbs on kgra that

1096

00:39:47,750 --> 00:39:45,280

told me you don't do it they're going to

1097

00:39:50,069 --> 00:39:47,760

find someone else not as credible and we

1098

00:39:51,589 --> 00:39:50,079

saw that many times and

1099

00:39:54,710 --> 00:39:51,599

um so

1100

00:39:55,910 --> 00:39:54,720

i don't do everything um but

1101

00:39:57,750 --> 00:39:55,920

i've learned to just be a little more

1102

00:40:00,950 --> 00:39:57,760

discreet just like um

1103

00:40:02,870 --> 00:40:00,960

uh seating um extraordinary the seating

1104

00:40:05,190 --> 00:40:02,880

yeah i was actually associate producer

1105

00:40:07,349 --> 00:40:05,200

on that and i also appear but i knew

1106

00:40:09,270 --> 00:40:07,359

this production company and they were

1107

00:40:11,670 --> 00:40:09,280

stand up so i knew the quality was going

1108

00:40:13,430 --> 00:40:11,680

to be good and the content would

1109

00:40:15,349 --> 00:40:13,440

so funny how it starts out one way and

1110

00:40:16,870 --> 00:40:15,359

ended up a different way because we were

1111

00:40:18,950 --> 00:40:16,880

actually working on the missing fetus

1112

00:40:20,790 --> 00:40:18,960

syndrome and jack ross and i were

1113

00:40:23,030 --> 00:40:20,800

writing a book about that and you know

1114

00:40:25,270 --> 00:40:23,040

getting facts and doing our research and

1115

00:40:26,150 --> 00:40:25,280

you know then it turned into this movie

1116

00:40:27,670 --> 00:40:26,160

so

1117

00:40:30,309 --> 00:40:27,680

i'm proud of that one

1118

00:40:32,390 --> 00:40:30,319

definitely i'm hiding my head in shame

1119

00:40:33,190 --> 00:40:32,400

no no no because like we like like i

1120

00:40:35,030 --> 00:40:33,200

said

1121

00:40:37,589 --> 00:40:35,040

you didn't know any better everyone else

1122

00:40:39,190 --> 00:40:37,599

george nap everybody nobody knew what it

1123

00:40:41,270 --> 00:40:39,200

was going to be so

1124

00:40:43,829 --> 00:40:41,280

you know

1125

00:40:45,190 --> 00:40:43,839

we spoke uh two conferences in a row uh

1126
00:40:47,510 --> 00:40:45,200
the last time we were at congress

1127
00:40:50,230 --> 00:40:47,520
together then we went to branson and

1128
00:40:51,510 --> 00:40:50,240
worked the uh gen 6 conference

1129
00:40:53,670 --> 00:40:51,520
right and

1130
00:40:56,790 --> 00:40:53,680
they sold that whole theater out there

1131
00:41:00,230 --> 00:40:56,800
were 3 000 people in that audience and

1132
00:41:02,390 --> 00:41:00,240
live feed was over i think 16 000

1133
00:41:03,589 --> 00:41:02,400
as it began it grew after that

1134
00:41:04,829 --> 00:41:03,599
um

1135
00:41:08,230 --> 00:41:04,839
that

1136
00:41:09,910 --> 00:41:08,240
was george and i like i think like my

1137
00:41:12,150 --> 00:41:09,920
profile not my profile picture but my

1138
00:41:13,829 --> 00:41:12,160

banners and stuff like that it shows me

1139

00:41:16,230 --> 00:41:13,839

on the stage george knapp took that for

1140

00:41:18,390 --> 00:41:16,240

me like it shows me on the stage and it

1141

00:41:20,230 --> 00:41:18,400

shows the crowd and i'm just like

1142

00:41:22,309 --> 00:41:20,240

so grateful to him he's such a he is

1143

00:41:24,950 --> 00:41:22,319

such a gentleman he's such a nice man

1144

00:41:26,870 --> 00:41:24,960

and um i know he takes heat

1145

00:41:29,349 --> 00:41:26,880

from even like chris mellon like well

1146

00:41:31,349 --> 00:41:29,359

why are you giving it to these guys uh

1147

00:41:33,589 --> 00:41:31,359

because he's been doing this when it

1148

00:41:35,589 --> 00:41:33,599

wasn't cool like how many years he

1149

00:41:38,390 --> 00:41:35,599

started out talking about ufos as a

1150

00:41:40,790 --> 00:41:38,400

legit journalist um i think he deserves

1151

00:41:42,710 --> 00:41:40,800

all of it so chase

1152

00:41:44,230 --> 00:41:42,720

let me move it on a little bit to

1153

00:41:45,750 --> 00:41:44,240

something that i like to ask most people

1154

00:41:47,750 --> 00:41:45,760

that i interview and that is have you

1155

00:41:49,910 --> 00:41:47,760

ever experienced anything for yourself

1156

00:41:50,630 --> 00:41:49,920

whether it be a sighting an interaction

1157

00:41:52,870 --> 00:41:50,640

or

1158

00:41:56,390 --> 00:41:52,880

something that you can't explain

1159

00:41:57,750 --> 00:41:56,400

oh yeah uh several times and um

1160

00:42:00,069 --> 00:41:57,760

you know seeing things that aren't

1161

00:42:01,430 --> 00:42:00,079

supposed to exist for as many times as

1162

00:42:03,829 --> 00:42:01,440

i'm in the field i don't i don't

1163

00:42:05,270 --> 00:42:03,839

investigate on a phone um i was bound to

1164

00:42:06,550 --> 00:42:05,280

run into something i don't like it

1165

00:42:08,550 --> 00:42:06,560

though i'll be honest with you i don't

1166

00:42:11,109 --> 00:42:08,560

want to be part of the pro at the story

1167

00:42:13,349 --> 00:42:11,119

i don't want to become a new witness but

1168

00:42:15,670 --> 00:42:13,359

it's happened and probably the biggest

1169

00:42:17,030 --> 00:42:15,680

one was 2010

1170

00:42:20,710 --> 00:42:17,040

i was assigned

1171

00:42:21,910 --> 00:42:20,720

a starting case um and it was

1172

00:42:25,430 --> 00:42:21,920

in

1173

00:42:29,109 --> 00:42:25,440

rural tennessee like totally

1174

00:42:31,750 --> 00:42:29,119

like rural dirt roads you know miles

1175

00:42:34,150 --> 00:42:31,760

between houses and farms and

1176

00:42:37,190 --> 00:42:34,160

um but the witness uh reported seeing

1177

00:42:39,270 --> 00:42:37,200

these orbs and these orange orbs and

1178

00:42:41,430 --> 00:42:39,280

other things in the sky like things that

1179

00:42:43,750 --> 00:42:41,440

come together and um

1180

00:42:45,910 --> 00:42:43,760

and he even said that he and his cousins

1181

00:42:47,430 --> 00:42:45,920

would chase them down these dirt roads

1182

00:42:49,349 --> 00:42:47,440

well that caught my attention because

1183

00:42:51,030 --> 00:42:49,359

what do you mean chase them so like

1184

00:42:53,030 --> 00:42:51,040

they're moving and

1185

00:42:55,190 --> 00:42:53,040

working these roads i'm like he's like

1186

00:42:56,230 --> 00:42:55,200

absolutely i'm like okay so when can we

1187

00:42:58,710 --> 00:42:56,240

come out

1188

00:43:00,309 --> 00:42:58,720

unfortunately if i think it was a day

1189

00:43:03,589 --> 00:43:00,319

before i was i was getting ready to go

1190

00:43:07,670 --> 00:43:03,599

out there um they had an epic flood

1191

00:43:10,230 --> 00:43:07,680

from nashville to memphis and everything

1192

00:43:12,390 --> 00:43:10,240

was underwater so um we had to wait for

1193

00:43:15,109 --> 00:43:12,400

the waters to recede even get there

1194

00:43:17,109 --> 00:43:15,119

right so finally it did and i was

1195

00:43:19,430 --> 00:43:17,119

scheduled to go out there on a saturday

1196

00:43:20,630 --> 00:43:19,440

and he called on a thursday night he's

1197

00:43:22,390 --> 00:43:20,640

like

1198

00:43:24,069 --> 00:43:22,400

it's happening things are going on this

1199

00:43:28,150 --> 00:43:24,079

is exactly what happens before the

1200

00:43:30,390 --> 00:43:28,160

triangles get here i'm like triangles

1201
00:43:32,230 --> 00:43:30,400
were mentioned triangles and so i'm like

1202
00:43:34,150 --> 00:43:32,240
i'm on my way

1203
00:43:36,710 --> 00:43:34,160
got off the phone grabbed my go bag kiss

1204
00:43:38,470 --> 00:43:36,720
my husband grabbed a granola bar

1205
00:43:40,790 --> 00:43:38,480
and thing of water and i went and i

1206
00:43:41,589 --> 00:43:40,800
grabbed another star team investigator

1207
00:43:43,990 --> 00:43:41,599
um

1208
00:43:46,870 --> 00:43:44,000
and we go up to his house we pull up in

1209
00:43:48,309 --> 00:43:46,880
the driveway and he's waiting there and

1210
00:43:50,710 --> 00:43:48,319
we get out and immediately he's like

1211
00:43:52,390 --> 00:43:50,720
come on come here he goes look up there

1212
00:43:54,630 --> 00:43:52,400
so i'm looking and sure enough it took a

1213
00:43:56,470 --> 00:43:54,640

minute you know for my eyes to adjust

1214

00:43:58,950 --> 00:43:56,480

because there's no light pollution at

1215

00:44:00,470 --> 00:43:58,960

all but then i start seeing like these

1216

00:44:02,390 --> 00:44:00,480

little dots of lights and they're all

1217

00:44:04,790 --> 00:44:02,400

like coming together and then they move

1218

00:44:05,750 --> 00:44:04,800

in unison and then they all separate

1219

00:44:08,069 --> 00:44:05,760

but

1220

00:44:09,109 --> 00:44:08,079

if you got tired of watching that one

1221

00:44:11,990 --> 00:44:09,119

turn around because there's another

1222

00:44:15,030 --> 00:44:12,000

group here another group there it was

1223

00:44:16,550 --> 00:44:15,040

bizarre so i'm on my tablet already

1224

00:44:18,309 --> 00:44:16,560

trying to determine where's the

1225

00:44:20,309 --> 00:44:18,319

satellites where the iss even though i

1226

00:44:22,790 --> 00:44:20,319

knew this is not how they behave but i

1227

00:44:24,870 --> 00:44:22,800

have to rule out usual suspects

1228

00:44:28,630 --> 00:44:24,880

well all of a sudden the witness says

1229

00:44:31,190 --> 00:44:28,640

hey i have a cornfield down there and

1230

00:44:33,589 --> 00:44:31,200

you have a panoramic view and he goes

1231

00:44:35,349 --> 00:44:33,599

you want to go there again right yeah

1232

00:44:37,750 --> 00:44:35,359

sure we'll jump in your car we don't

1233

00:44:38,550 --> 00:44:37,760

know you listen

1234

00:44:41,349 --> 00:44:38,560

so

1235

00:44:43,190 --> 00:44:41,359

we do and i'm setting up my table with

1236

00:44:45,750 --> 00:44:43,200

all this equipment and he comes out this

1237

00:44:47,670 --> 00:44:45,760

big old shotgun i'm just like

1238

00:44:49,829 --> 00:44:47,680

he goes no chase he goes we have a

1239

00:44:51,750 --> 00:44:49,839

problem with coyotes out here he goes

1240

00:44:53,589 --> 00:44:51,760

this is in case they come and i said

1241

00:44:57,190 --> 00:44:53,599

okay because if you're a serial killer

1242

00:45:01,670 --> 00:44:59,510

so i'm setting up my equipment and all

1243

00:45:03,589 --> 00:45:01,680

of a sudden literally he's like here it

1244

00:45:07,030 --> 00:45:03,599

comes here it comes i knew it i knew it

1245

00:45:07,750 --> 00:45:07,040

he's all excited because for him

1246

00:45:13,990 --> 00:45:07,760

he

1247

00:45:16,230 --> 00:45:14,000

investigators so sure enough i look and

1248

00:45:18,150 --> 00:45:16,240

i it's a white light and it's like an

1249

00:45:19,270 --> 00:45:18,160

orb and it's coming you know coming

1250

00:45:20,870 --> 00:45:19,280

towards us

1251

00:45:22,390 --> 00:45:20,880

two more pop up

1252

00:45:25,030 --> 00:45:22,400

bing bing right

1253

00:45:26,870 --> 00:45:25,040

and it's getting close and close and

1254

00:45:28,230 --> 00:45:26,880

pretty soon i could start seeing that

1255

00:45:29,910 --> 00:45:28,240

this structure

1256

00:45:32,950 --> 00:45:29,920

it's a triangle they're not separate

1257

00:45:36,390 --> 00:45:32,960

lights they're all on one vehicle and it

1258

00:45:38,390 --> 00:45:36,400

just keeps moving and it just

1259

00:45:40,470 --> 00:45:38,400

i'm picking up my cameras

1260

00:45:43,510 --> 00:45:40,480

nothing's working like i thought it was

1261

00:45:45,829 --> 00:45:43,520

battery drain um but everything was just

1262

00:45:47,670 --> 00:45:45,839

shut off so i have four different

1263

00:45:49,670 --> 00:45:47,680

cameras different makes and models you

1264

00:45:52,390 --> 00:45:49,680

know i've got my trifield meter that's

1265

00:45:54,309 --> 00:45:52,400

not working i'm picking up you know

1266

00:45:56,069 --> 00:45:54,319

geiger counter wasn't working it was

1267

00:45:58,470 --> 00:45:56,079

just everything was dead

1268

00:46:00,390 --> 00:45:58,480

and now i'm mad because it's right there

1269

00:46:01,589 --> 00:46:00,400

right it's right there why can't i get a

1270

00:46:03,430 --> 00:46:01,599

picture of this

1271

00:46:06,069 --> 00:46:03,440

as the triangle is coming closer it

1272

00:46:07,670 --> 00:46:06,079

doesn't change speed height direction

1273

00:46:10,150 --> 00:46:07,680

it's just

1274

00:46:11,510 --> 00:46:10,160

i i can't even describe how it moves it

1275

00:46:14,390 --> 00:46:11,520

didn't flow and it wasn't flying it

1276

00:46:17,510 --> 00:46:14,400

wasn't gliding it just is different and

1277

00:46:20,069 --> 00:46:17,520

it's huge and it's intimidating because

1278

00:46:22,470 --> 00:46:20,079

you feel like this big yeah and it's you

1279

00:46:24,390 --> 00:46:22,480

know it just flies and you know i

1280

00:46:26,069 --> 00:46:24,400

remember picking up a camera saying i'm

1281

00:46:28,790 --> 00:46:26,079

gonna throw this effing thing like i'm

1282

00:46:30,470 --> 00:46:28,800

so frustrated um

1283

00:46:32,470 --> 00:46:30,480

it was just crazy and all we could do is

1284

00:46:34,150 --> 00:46:32,480

just watch it continue and it just goes

1285

00:46:36,069 --> 00:46:34,160

away

1286

00:46:37,589 --> 00:46:36,079

well

1287

00:46:40,710 --> 00:46:37,599

concerned about my equipment at this

1288

00:46:43,829 --> 00:46:40,720

point i'm still frustrated so i what i

1289

00:46:45,430 --> 00:46:43,839

did was i decided because everything's

1290

00:46:47,430 --> 00:46:45,440

back online everything's working

1291

00:46:49,030 --> 00:46:47,440

camera's back

1292

00:46:50,069 --> 00:46:49,040

everything's back

1293

00:46:51,829 --> 00:46:50,079

so

1294

00:46:53,109 --> 00:46:51,839

whatever it was it just shut it off but

1295

00:46:55,990 --> 00:46:53,119

yeah

1296

00:46:57,270 --> 00:46:56,000

i wanted to change my batteries anyway

1297

00:46:59,990 --> 00:46:57,280

just in case

1298

00:47:00,870 --> 00:47:00,000

so i'm taking the back off the trifield

1299

00:47:03,910 --> 00:47:00,880

meter

1300

00:47:05,510 --> 00:47:03,920

and all of a sudden i just said

1301
00:47:07,510 --> 00:47:05,520
guys does anybody else feel like you're

1302
00:47:11,270 --> 00:47:07,520
being watched and i don't mean from up

1303
00:47:13,990 --> 00:47:11,280
there and it was honestly at that moment

1304
00:47:17,430 --> 00:47:14,000
seriously it was physical and it was

1305
00:47:19,910 --> 00:47:17,440
this panic it was this terror

1306
00:47:22,950 --> 00:47:19,920
that just like all of a sudden every

1307
00:47:25,829 --> 00:47:22,960
single cell in my body was on fire

1308
00:47:28,630 --> 00:47:25,839
terror not fight or flight times it by a

1309
00:47:30,470 --> 00:47:28,640
hundred and i just turned and i started

1310
00:47:32,870 --> 00:47:30,480
running

1311
00:47:35,190 --> 00:47:32,880
when i turned i saw the witness turn and

1312
00:47:36,870 --> 00:47:35,200
he's running too like it was almost

1313
00:47:39,589 --> 00:47:36,880

high-minded it was just

1314

00:47:40,630 --> 00:47:39,599

you know so

1315

00:47:42,069 --> 00:47:40,640

running

1316

00:47:44,150 --> 00:47:42,079

and all i can see is this light and it's

1317

00:47:45,910 --> 00:47:44,160

doing this it's right in front of me

1318

00:47:47,589 --> 00:47:45,920

and all of a sudden boom i hit like a

1319

00:47:49,670 --> 00:47:47,599

brick wall and it turned out to be the

1320

00:47:51,190 --> 00:47:49,680

witness he stopped and of course the

1321

00:47:54,470 --> 00:47:51,200

this was the flashlight he had in his

1322

00:47:56,870 --> 00:47:54,480

head so as he's running you know

1323

00:47:59,670 --> 00:47:58,870

all of a sudden he says what the f is

1324

00:48:03,109 --> 00:47:59,680

that

1325

00:48:05,750 --> 00:48:03,119

and he has this big halogen

1326
00:48:08,630 --> 00:48:05,760
flashlight and his left hand and he went

1327
00:48:10,390 --> 00:48:08,640
like that and here's a little gray being

1328
00:48:11,670 --> 00:48:10,400
not six feet from us

1329
00:48:14,069 --> 00:48:11,680
one

1330
00:48:16,549 --> 00:48:14,079
completely gray being and

1331
00:48:18,069 --> 00:48:16,559
all of a sudden i just

1332
00:48:23,349 --> 00:48:18,079
turned around started running again i

1333
00:48:28,870 --> 00:48:25,829
so we get into his truck and we go back

1334
00:48:30,710 --> 00:48:28,880
and we drive up to his driveway and once

1335
00:48:32,470 --> 00:48:30,720
i got out

1336
00:48:34,950 --> 00:48:32,480
the fear was gone i don't even know when

1337
00:48:35,990 --> 00:48:34,960
it left it just wasn't there then

1338
00:48:37,910 --> 00:48:36,000

and

1339

00:48:39,589 --> 00:48:37,920

i'm just we get out nobody's saying

1340

00:48:42,950 --> 00:48:39,599

anything at first

1341

00:48:45,109 --> 00:48:42,960

i just remember like

1342

00:48:47,349 --> 00:48:45,119

what just happened why did we run like

1343

00:48:49,190 --> 00:48:47,359

you know there was a being there i got

1344

00:48:51,589 --> 00:48:49,200

you know footprints there's like 100

1345

00:48:52,630 --> 00:48:51,599

things you know that

1346

00:48:53,670 --> 00:48:52,640

i could do

1347

00:48:54,549 --> 00:48:53,680

and

1348

00:48:56,630 --> 00:48:54,559

but

1349

00:48:57,750 --> 00:48:56,640

we had now just become witnesses

1350

00:49:00,710 --> 00:48:57,760

ourselves

1351
00:49:02,870 --> 00:49:00,720
so the other investigator decided she i

1352
00:49:05,030 --> 00:49:02,880
asked her to call our state director we

1353
00:49:07,109 --> 00:49:05,040
have to report this get other people out

1354
00:49:08,790 --> 00:49:07,119
we can't talk to each other because you

1355
00:49:11,190 --> 00:49:08,800
know we can't compare stories that's not

1356
00:49:12,710 --> 00:49:11,200
how it works and

1357
00:49:14,790 --> 00:49:12,720
it was a witness

1358
00:49:16,630 --> 00:49:14,800
and he literally came up to me he's like

1359
00:49:18,470 --> 00:49:16,640
on his knee and he's just like oh my god

1360
00:49:20,470 --> 00:49:18,480
chase thank you so much you saw that

1361
00:49:23,109 --> 00:49:20,480
right i'm not crazy i'm like you're not

1362
00:49:25,190 --> 00:49:23,119
crazy and he goes what was that and all

1363
00:49:27,670 --> 00:49:25,200

i said was it was real

1364

00:49:28,710 --> 00:49:27,680

i can't i can't compare stories

1365

00:49:30,549 --> 00:49:28,720

so

1366

00:49:31,990 --> 00:49:30,559

it took about

1367

00:49:33,910 --> 00:49:32,000

30 minutes

1368

00:49:35,990 --> 00:49:33,920

and we're right back in the field i i

1369

00:49:37,910 --> 00:49:36,000

was just stumbling why did we run you

1370

00:49:39,829 --> 00:49:37,920

know and some people say you know why'd

1371

00:49:41,270 --> 00:49:39,839

you guys run away from an alien we

1372

00:49:42,950 --> 00:49:41,280

didn't run away from an alien we

1373

00:49:45,750 --> 00:49:42,960

actually ran straight to it if you want

1374

00:49:47,589 --> 00:49:45,760

to know the truth you know and i just

1375

00:49:49,990 --> 00:49:47,599

believe to this day

1376

00:49:51,910 --> 00:49:50,000

you know we go out there i can see every

1377

00:49:53,510 --> 00:49:51,920

step we took even where

1378

00:49:55,349 --> 00:49:53,520

exactly where it happened because that's

1379

00:49:58,630 --> 00:49:55,359

where like kind of scuffs from me

1380

00:50:00,390 --> 00:49:58,640

hitting the witness and you know sure

1381

00:50:03,190 --> 00:50:00,400

and there's nothing there's nothing

1382

00:50:04,309 --> 00:50:03,200

there and i just i was so frustrated

1383

00:50:06,630 --> 00:50:04,319

it's just

1384

00:50:08,549 --> 00:50:06,640

oh it's like come on

1385

00:50:09,910 --> 00:50:08,559

and

1386

00:50:11,829 --> 00:50:09,920

yeah so

1387

00:50:13,910 --> 00:50:11,839

they're the kind of cases where i mean

1388

00:50:15,349 --> 00:50:13,920

i've spoken to quite a lot of people

1389

00:50:17,910 --> 00:50:15,359

in the past

1390

00:50:19,270 --> 00:50:17,920

few months and stuff um that doesn't

1391

00:50:21,270 --> 00:50:19,280

sound like a lot but i've spoke to a lot

1392

00:50:23,910 --> 00:50:21,280

of people in a short amount of time

1393

00:50:26,950 --> 00:50:23,920

and you are coming from this

1394

00:50:29,430 --> 00:50:26,960

background of science and

1395

00:50:31,750 --> 00:50:29,440

proper investigations and you become a

1396

00:50:33,670 --> 00:50:31,760

witness to something so incredible the

1397

00:50:35,589 --> 00:50:33,680

kind of things that you've been

1398

00:50:37,349 --> 00:50:35,599

looking into yourself and speaking to

1399

00:50:39,510 --> 00:50:37,359

witnesses of and you've become one of

1400

00:50:42,710 --> 00:50:39,520

them i mean that's where the real

1401
00:50:44,470 --> 00:50:42,720
credibility really stands strong for me

1402
00:50:46,950 --> 00:50:44,480
and i can almost feel it just listening

1403
00:50:48,950 --> 00:50:46,960
to the way you say it that

1404
00:50:50,710 --> 00:50:48,960
it's almost unbelievable

1405
00:50:52,470 --> 00:50:50,720
what you're what you're seeing

1406
00:50:54,630 --> 00:50:52,480
well in the whole way home i kept saying

1407
00:50:56,470 --> 00:50:54,640
this is bs right

1408
00:50:58,630 --> 00:50:56,480
like nobody gets everything in one night

1409
00:51:01,430 --> 00:50:58,640
what the what the hell

1410
00:51:03,190 --> 00:51:01,440
i just and i kept saying this well

1411
00:51:04,710 --> 00:51:03,200
you know the uh the reason i always say

1412
00:51:07,270 --> 00:51:04,720
the other investigator is i don't name

1413
00:51:09,270 --> 00:51:07,280

her name because she was so

1414

00:51:10,230 --> 00:51:09,280

traumatized by this

1415

00:51:12,069 --> 00:51:10,240

event

1416

00:51:14,549 --> 00:51:12,079

that it was i think it was like 10 days

1417

00:51:16,309 --> 00:51:14,559

maybe two weeks later she gets up gets

1418

00:51:19,349 --> 00:51:16,319

in her car and drives away she left her

1419

00:51:21,670 --> 00:51:19,359

house her family her husband and like

1420

00:51:23,030 --> 00:51:21,680

she just drove and no one knew where she

1421

00:51:25,109 --> 00:51:23,040

was she was actually a missing person

1422

00:51:28,870 --> 00:51:25,119

for a while and then they found her you

1423

00:51:30,950 --> 00:51:28,880

know living in a a jeep or a van with a

1424

00:51:33,030 --> 00:51:30,960

musician or something i don't know but

1425

00:51:35,349 --> 00:51:33,040

um i don't know if this event

1426

00:51:37,109 --> 00:51:35,359

triggered that kind of behavior

1427

00:51:38,710 --> 00:51:37,119

but um

1428

00:51:40,390 --> 00:51:38,720

you know i just wish her well and gave

1429

00:51:42,390 --> 00:51:40,400

her the respect not to bring her name up

1430

00:51:44,309 --> 00:51:42,400

on it anymore absolutely but it does it

1431

00:51:45,910 --> 00:51:44,319

could well be a case of ptsd or

1432

00:51:48,950 --> 00:51:45,920

something like that

1433

00:51:50,630 --> 00:51:48,960

yeah absolutely and the witness doesn't

1434

00:51:52,710 --> 00:51:50,640

he still wants to be confidential i'm

1435

00:51:55,670 --> 00:51:52,720

hoping he comes out soon i think he will

1436

00:51:57,910 --> 00:51:55,680

eventually yeah but he's a very

1437

00:52:00,470 --> 00:51:57,920

very well-known sports figure let me

1438

00:52:02,470 --> 00:52:00,480

just put it that way wow

1439

00:52:04,790 --> 00:52:02,480

i don't follow the sport so i had no

1440

00:52:06,630 --> 00:52:04,800

idea who this guy was

1441

00:52:08,230 --> 00:52:06,640

but the other investigator did and she

1442

00:52:10,630 --> 00:52:08,240

was freaking out when we pulled up in

1443

00:52:12,630 --> 00:52:10,640

the driveway and i was like what

1444

00:52:13,990 --> 00:52:12,640

i said i don't know where the holy is

1445

00:52:15,349 --> 00:52:14,000

that's crazy

1446

00:52:18,390 --> 00:52:15,359

so

1447

00:52:21,510 --> 00:52:18,400

you know i had another big experience

1448

00:52:23,270 --> 00:52:21,520

with chris bledsoe um where i have a

1449

00:52:24,790 --> 00:52:23,280

team and we kind of in this little batch

1450

00:52:26,309 --> 00:52:24,800

of woods and you know we're walking

1451
00:52:27,430 --> 00:52:26,319
around and there's a little ditch and

1452
00:52:30,069 --> 00:52:27,440
you come out and there should be the

1453
00:52:32,069 --> 00:52:30,079
opening it's a little woods

1454
00:52:33,829 --> 00:52:32,079
and we're we're like walking around in

1455
00:52:36,150 --> 00:52:33,839
this thing in the ditch and out in the

1456
00:52:38,309 --> 00:52:36,160
ditch i can't find the way out and this

1457
00:52:41,829 --> 00:52:38,319
was going on for like 45 minutes it's a

1458
00:52:43,750 --> 00:52:41,839
two-minute walk or probably five minutes

1459
00:52:45,430 --> 00:52:43,760
all of a sudden we come up to the ditch

1460
00:52:46,390 --> 00:52:45,440
we come out sure enough it's right there

1461
00:52:48,390 --> 00:52:46,400
like there

1462
00:52:50,950 --> 00:52:48,400
there's the end like how it's supposed

1463
00:52:53,990 --> 00:52:50,960

to be so we finished the investigation

1464

00:52:56,069 --> 00:52:54,000

um before we left though part of my team

1465

00:52:58,790 --> 00:52:56,079

some of the guys were like feeling

1466

00:53:01,349 --> 00:52:58,800

nauseated and couple felt dizzy and just

1467

00:53:03,750 --> 00:53:01,359

like dis disoriented so we took a break

1468

00:53:06,309 --> 00:53:03,760

for about five minutes

1469

00:53:07,990 --> 00:53:06,319

three days later one of our evidence

1470

00:53:10,470 --> 00:53:08,000

analyst that does a video because i

1471

00:53:13,510 --> 00:53:10,480

always have a body cam on you know so

1472

00:53:14,630 --> 00:53:13,520

hopefully catch him when i get and

1473

00:53:15,750 --> 00:53:14,640

and he calls and says you're not going

1474

00:53:17,990 --> 00:53:15,760

to like this chase because everyone

1475

00:53:19,990 --> 00:53:18,000

knows i don't want i'll investigate i

1476

00:53:22,470 --> 00:53:20,000

don't i don't want any part of it like

1477

00:53:23,990 --> 00:53:22,480

don't take me away like you don't need

1478

00:53:25,190 --> 00:53:24,000

to scare me out of a field because we

1479

00:53:26,710 --> 00:53:25,200

weren't supposed to be there whatever

1480

00:53:28,950 --> 00:53:26,720

was going on in that cornfield we

1481

00:53:31,589 --> 00:53:28,960

weren't supposed to be there like just

1482

00:53:32,870 --> 00:53:31,599

tell me to leave i'll be like okay

1483

00:53:35,140 --> 00:53:32,880

i'm the one that goes into a haunted

1484

00:53:39,030 --> 00:53:35,150

house they say get out i'm like okay

1485

00:53:40,470 --> 00:53:39,040

[Laughter]

1486

00:53:42,390 --> 00:53:40,480

but um

1487

00:53:45,270 --> 00:53:42,400

yeah and he just said all three helmet

1488

00:53:47,030 --> 00:53:45,280

cams are missing eight minutes so

1489

00:53:47,910 --> 00:53:47,040

i call chris bledsoe and he's like oh i

1490

00:53:59,670 --> 00:53:47,920

know

1491

00:54:01,910 --> 00:53:59,680

he's he's so legit but yeah he all that

1492

00:54:03,910 --> 00:54:01,920

high strangeness stuff he's he's so used

1493

00:54:06,230 --> 00:54:03,920

to me it's nuts and bolts you know i'm

1494

00:54:08,950 --> 00:54:06,240

picking up soil samples people i'm not

1495

00:54:10,390 --> 00:54:08,960

supposed to be missing time sure exactly

1496

00:54:12,630 --> 00:54:10,400

and that's

1497

00:54:14,470 --> 00:54:12,640

that's what really grabs me when you get

1498

00:54:16,390 --> 00:54:14,480

people that are very nuts and bolts

1499

00:54:18,630 --> 00:54:16,400

investigators i'm very nuts and bolts

1500

00:54:20,790 --> 00:54:18,640

myself and it crosses into that high

1501
00:54:23,270 --> 00:54:20,800
strangeness and

1502
00:54:26,069 --> 00:54:23,280
there's no explanation you just cannot

1503
00:54:28,309 --> 00:54:26,079
put your finger on what it is i think

1504
00:54:30,710 --> 00:54:28,319
i think we're seeing that a lot more in

1505
00:54:32,230 --> 00:54:30,720
the last year or two and i think that's

1506
00:54:34,230 --> 00:54:32,240
the direction personally i think that's

1507
00:54:36,549 --> 00:54:34,240
the direction we're going in with

1508
00:54:38,390 --> 00:54:36,559
the whole subject that if everything is

1509
00:54:40,789 --> 00:54:38,400
combining into one

1510
00:54:43,349 --> 00:54:40,799
big thing that we're yet to

1511
00:54:45,589 --> 00:54:43,359
grasp and fully understand

1512
00:54:47,510 --> 00:54:45,599
and in a way that's kind of exciting

1513
00:54:49,589 --> 00:54:47,520

yeah you're right vinnie because all the

1514

00:54:51,430 --> 00:54:49,599

nuts and bolts in the world has really

1515

00:54:53,829 --> 00:54:51,440

brought a lot to the table like you know

1516

00:54:55,670 --> 00:54:53,839

physical evidence things like this but

1517

00:54:57,910 --> 00:54:55,680

it's all coming down to

1518

00:54:59,349 --> 00:54:57,920

consciousness

1519

00:55:02,309 --> 00:54:59,359

and

1520

00:55:03,990 --> 00:55:02,319

dimensions i believe you know absolutely

1521

00:55:06,069 --> 00:55:04,000

yeah i don't think it has to be just one

1522

00:55:08,390 --> 00:55:06,079

or the other is it angels and demons or

1523

00:55:10,470 --> 00:55:08,400

is it aliens it's like maybe it's all of

1524

00:55:12,309 --> 00:55:10,480

it yeah maybe foot does come out of a

1525

00:55:14,150 --> 00:55:12,319

portal and you know where he comes from

1526

00:55:17,030 --> 00:55:14,160

he's not a big dumb animal right it's

1527

00:55:19,430 --> 00:55:17,040

like absolutely yeah so it's you know i

1528

00:55:20,789 --> 00:55:19,440

think it's an exciting time but um i

1529

00:55:23,430 --> 00:55:20,799

continue with the scientific

1530

00:55:25,910 --> 00:55:23,440

investigation but it is consciousness

1531

00:55:27,910 --> 00:55:25,920

and dimensions that that's my conclusion

1532

00:55:29,910 --> 00:55:27,920

and my personal like i science doesn't

1533

00:55:31,990 --> 00:55:29,920

care what we believe so it's why i

1534

00:55:33,109 --> 00:55:32,000

continue on with that but that's my

1535

00:55:35,990 --> 00:55:33,119

belief

1536

00:55:38,390 --> 00:55:36,000

i it mirrors exactly what i've been

1537

00:55:40,470 --> 00:55:38,400

telling all my followers and colleagues

1538

00:55:41,430 --> 00:55:40,480

that recently my whole perspective has

1539

00:55:43,190 --> 00:55:41,440

shifted

1540

00:55:45,030 --> 00:55:43,200

because the nuts and bolts have only

1541

00:55:47,190 --> 00:55:45,040

taken me so far

1542

00:55:49,990 --> 00:55:47,200

now now i'm at a dead end i need to then

1543

00:55:51,910 --> 00:55:50,000

move into that new realm that new aspect

1544

00:55:53,589 --> 00:55:51,920

of consciousness and the high

1545

00:55:55,589 --> 00:55:53,599

strangeness and things and i believe

1546

00:55:57,750 --> 00:55:55,599

that is where i'm going to get the end

1547

00:55:59,750 --> 00:55:57,760

of my conclusion which would be full

1548

00:56:02,230 --> 00:55:59,760

disclosure and all of that but i'm

1549

00:56:04,470 --> 00:56:02,240

having to delve outside of my comfort

1550

00:56:06,710 --> 00:56:04,480

zone and the decade of research that

1551
00:56:08,789 --> 00:56:06,720
i've done has now become something

1552
00:56:11,190 --> 00:56:08,799
a place that i never thought i'd end up

1553
00:56:13,030 --> 00:56:11,200
but i have to in here and you see

1554
00:56:14,549 --> 00:56:13,040
richard dolan's talking consciousness

1555
00:56:16,870 --> 00:56:14,559
and linda was the first one to really

1556
00:56:19,910 --> 00:56:16,880
come out i don't always agree with

1557
00:56:21,829 --> 00:56:19,920
everything illegal says or whatever but

1558
00:56:24,470 --> 00:56:21,839
my respect for her is like through the

1559
00:56:26,390 --> 00:56:24,480
roof i mean you know again she was she

1560
00:56:27,990 --> 00:56:26,400
was a trailblazer for a lot of women not

1561
00:56:31,109 --> 00:56:28,000
to be afraid to stand our ground and say

1562
00:56:33,109 --> 00:56:31,119
i don't think so you know so um

1563
00:56:35,190 --> 00:56:33,119

but yeah i think most people are getting

1564

00:56:37,109 --> 00:56:35,200

to that point because that's where the

1565

00:56:39,030 --> 00:56:37,119

evidence is showing us this is where it

1566

00:56:41,349 --> 00:56:39,040

goes um

1567

00:56:44,549 --> 00:56:41,359

it's yeah it's kind of a big deal

1568

00:56:46,150 --> 00:56:44,559

it is disclosure when people say

1569

00:56:47,589 --> 00:56:46,160

we're ready for disclosure just to put

1570

00:56:51,910 --> 00:56:47,599

it out there the government needs to say

1571

00:56:56,069 --> 00:56:53,829

could be a little short-minded or

1572

00:56:58,150 --> 00:56:56,079

short-sighted because

1573

00:57:00,069 --> 00:56:58,160

we've been doing this for how long and

1574

00:57:02,069 --> 00:57:00,079

you know now how do you explain

1575

00:57:04,390 --> 00:57:02,079

consciousness because it's not

1576
00:57:06,630 --> 00:57:04,400
necessarily you know e.t coming here on

1577
00:57:08,789 --> 00:57:06,640
a full tank of gas and a red bull right

1578
00:57:11,030 --> 00:57:08,799
so that would be easy that would be an

1579
00:57:12,710 --> 00:57:11,040
easy disclosure but it's more than that

1580
00:57:15,190 --> 00:57:12,720
how are we going to explain to the world

1581
00:57:17,030 --> 00:57:15,200
population that abduction's rail

1582
00:57:18,470 --> 00:57:17,040
they could take you

1583
00:57:19,990 --> 00:57:18,480
and they have been

1584
00:57:21,910 --> 00:57:20,000
how do you you don't think that's going

1585
00:57:24,390 --> 00:57:21,920
to scare people what about the 12 year

1586
00:57:26,870 --> 00:57:24,400
old that hears it or the eight-year-old

1587
00:57:29,589 --> 00:57:26,880
little girl or guy or you know or

1588
00:57:30,870 --> 00:57:29,599

grandma or you know so it's bigger than

1589

00:57:33,430 --> 00:57:30,880

just saying

1590

00:57:35,349 --> 00:57:33,440

ufos are real because everything else is

1591

00:57:38,470 --> 00:57:35,359

real as well so

1592

00:57:53,030 --> 00:57:38,480

is this a drip and a slow disclosure i

1593

00:57:55,430 --> 00:57:54,470

this available

1594

00:57:57,510 --> 00:57:55,440

so

1595

00:57:58,950 --> 00:57:57,520

you know it's just

1596

00:58:01,109 --> 00:57:58,960

i think we have to think of that bigger

1597

00:58:03,990 --> 00:58:01,119

picture and so what happens if we say oh

1598

00:58:05,910 --> 00:58:04,000

yeah now there's portals and you know

1599

00:58:08,630 --> 00:58:05,920

bigfoot's been seen coming out of it by

1600

00:58:11,190 --> 00:58:08,640

very very credible scientist and you

1601
00:58:13,349 --> 00:58:11,200
know i i just

1602
00:58:16,390 --> 00:58:13,359
i think even the just just talking about

1603
00:58:18,789 --> 00:58:16,400
the abductions as part of disclosure

1604
00:58:20,230 --> 00:58:18,799
that's enough to scare so many people

1605
00:58:21,109 --> 00:58:20,240
and

1606
00:58:23,030 --> 00:58:21,119
yeah

1607
00:58:24,549 --> 00:58:23,040
i agree completely i think we're at this

1608
00:58:28,150 --> 00:58:24,559
stage where

1609
00:58:29,990 --> 00:58:28,160
the process has begun of disclosure

1610
00:58:31,589 --> 00:58:30,000
but it's early days it's it we're at the

1611
00:58:33,349 --> 00:58:31,599
starting line

1612
00:58:35,670 --> 00:58:33,359
and it is it's a good

1613
00:58:36,390 --> 00:58:35,680

progression forwards but it does then

1614

00:58:38,549 --> 00:58:36,400

mean

1615

00:58:40,069 --> 00:58:38,559

a lot more is coming and we've got to

1616

00:58:42,309 --> 00:58:40,079

play it out we've got to wait it out

1617

00:58:44,789 --> 00:58:42,319

we've got to research more and it does

1618

00:58:46,549 --> 00:58:44,799

take people like me and you to then go

1619

00:58:49,589 --> 00:58:46,559

from our nuts and bolts and shift our

1620

00:58:52,150 --> 00:58:49,599

paradigm completely to accept that this

1621

00:58:54,230 --> 00:58:52,160

could be something completely different

1622

00:58:57,109 --> 00:58:54,240

and way out way out of our expectations

1623

00:58:59,670 --> 00:58:57,119

of where we've worked from to to now

1624

00:59:02,630 --> 00:58:59,680

it's a new step and a new direction

1625

00:59:03,670 --> 00:59:02,640

yeah absolutely didn't see this coming

1626
00:59:06,710 --> 00:59:03,680
certainly

1627
00:59:08,630 --> 00:59:06,720
government insiders and cia personnel

1628
00:59:09,829 --> 00:59:08,640
coming out and being the ones to open

1629
00:59:12,789 --> 00:59:09,839
this you know

1630
00:59:14,309 --> 00:59:12,799
absolutely open this wide open and

1631
00:59:15,430 --> 00:59:14,319
to me it was

1632
00:59:17,109 --> 00:59:15,440
looking back

1633
00:59:20,150 --> 00:59:17,119
it's the only way it was going to be

1634
00:59:22,069 --> 00:59:20,160
credible in a way i think ufologists

1635
00:59:23,510 --> 00:59:22,079
have almost been fired you know they're

1636
00:59:27,430 --> 00:59:23,520
not calling

1637
00:59:30,150 --> 00:59:27,440
you know they're calling louis elizondo

1638
00:59:31,589 --> 00:59:30,160

and chris mellon and you know it's just

1639

00:59:32,950 --> 00:59:31,599

you know they've kind of taken the reins

1640

00:59:37,190 --> 00:59:32,960

of this

1641

00:59:39,750 --> 00:59:37,200

am i insulted no what do i do hey lou

1642

00:59:42,150 --> 00:59:39,760

how can i help what can i do to help you

1643

00:59:44,069 --> 00:59:42,160

you know and that's that's where

1644

00:59:46,710 --> 00:59:44,079

you know the egos have got to go yeah

1645

00:59:49,270 --> 00:59:46,720

you know like i don't care who

1646

00:59:50,789 --> 00:59:49,280

gets this out it's out and i'm so

1647

00:59:53,829 --> 00:59:50,799

thankful for that because i honestly

1648

00:59:56,069 --> 00:59:53,839

vinnie never thought in my lifetime i

1649

00:59:58,390 --> 00:59:56,079

would see this happen and now that it is

1650

01:00:01,109 --> 00:59:58,400

i'm so grateful we have a report that

1651
01:00:04,309 --> 01:00:01,119
yeah you know a little disappointing not

1652
01:00:07,990 --> 01:00:04,319
too surprised but we have a report that

1653
01:00:10,470 --> 01:00:08,000
says we can't rule out ufos so i just

1654
01:00:12,870 --> 01:00:10,480
to me this is like huge and

1655
01:00:15,589 --> 01:00:12,880
you know and that's my thing now so

1656
01:00:17,430 --> 01:00:15,599
what am i doing for work these days

1657
01:00:20,069 --> 01:00:17,440
really supporting and seeing what i can

1658
01:00:21,829 --> 01:00:20,079
i can follow up and help you know the

1659
01:00:22,950 --> 01:00:21,839
guys that really do have the football

1660
01:00:24,549 --> 01:00:22,960
and are running you know the

1661
01:00:26,230 --> 01:00:24,559
quarterbacks running down the field you

1662
01:00:27,910 --> 01:00:26,240
know they need tight ends they need you

1663
01:00:29,589 --> 01:00:27,920

know whatever other things they have

1664

01:00:30,390 --> 01:00:29,599

there in football but

1665

01:00:32,789 --> 01:00:30,400

you know

1666

01:00:34,710 --> 01:00:32,799

it takes a team and yeah um it's not

1667

01:00:36,870 --> 01:00:34,720

gonna be one person and you know i don't

1668

01:00:38,950 --> 01:00:36,880

have to lead i'm more than happy to you

1669

01:00:40,390 --> 01:00:38,960

know what do you need i'll i'll call and

1670

01:00:43,349 --> 01:00:40,400

make appointments i'll do you know what

1671

01:00:45,670 --> 01:00:43,359

do you need so that's what i'm doing now

1672

01:00:47,190 --> 01:00:45,680

amazing that's so good

1673

01:00:48,870 --> 01:00:47,200

well listen chase i feel like we could

1674

01:00:50,309 --> 01:00:48,880

do another hour of this so what i will

1675

01:00:52,309 --> 01:00:50,319

put to you right now is that maybe

1676

01:00:54,150 --> 01:00:52,319

you'll come back in a few weeks months

1677

01:00:56,390 --> 01:00:54,160

and that and we'll do this again maybe

1678

01:00:58,230 --> 01:00:56,400

we'll get some other people to join us

1679

01:00:59,349 --> 01:00:58,240

yeah we'll we'll do a big panel

1680

01:01:02,230 --> 01:00:59,359

discussion

1681

01:01:04,710 --> 01:01:02,240

uh anytime i love your show i i adore

1682

01:01:05,750 --> 01:01:04,720

you and it's like anything i'll be here

1683

01:01:06,630 --> 01:01:05,760

i'll be there

1684

01:01:08,390 --> 01:01:06,640

i mean

1685

01:01:10,069 --> 01:01:08,400

that hits home chase coming from you it

1686

01:01:11,190 --> 01:01:10,079

really does mean the world to me like i

1687

01:01:11,910 --> 01:01:11,200

said

1688

01:01:16,710 --> 01:01:11,920

for

1689

01:01:18,470 --> 01:01:16,720

i know you don't like to be the one in

1690

01:01:21,190 --> 01:01:18,480

the eye but it's your work that me

1691

01:01:22,470 --> 01:01:21,200

really does the job you are still as a

1692

01:01:24,390 --> 01:01:22,480

person

1693

01:01:27,349 --> 01:01:24,400

so important to me

1694

01:01:29,030 --> 01:01:27,359

and people like me that are new uh newer

1695

01:01:30,710 --> 01:01:29,040

to the subject let's say

1696

01:01:32,309 --> 01:01:30,720

thank you so much thank you i cannot

1697

01:01:33,510 --> 01:01:32,319

thank you enough for joining me today

1698

01:01:34,710 --> 01:01:33,520

and

1699

01:01:36,230 --> 01:01:34,720

yeah you better believe i will be

1700

01:01:38,069 --> 01:01:36,240

hitting you up for something in the in a

1701

01:01:39,430 --> 01:01:38,079

few in a few weeks or months time

1702

01:01:40,069 --> 01:01:39,440

because i think

1703

01:01:42,870 --> 01:01:40,079

yeah

1704

01:01:44,870 --> 01:01:42,880

like panels and stuff let's do a panel i

1705

01:01:46,950 --> 01:01:44,880

i have not done a i've done one panel

1706

01:01:48,470 --> 01:01:46,960

and i felt that that was amazing and to

1707

01:01:50,630 --> 01:01:48,480

have you on a panel

1708

01:01:52,950 --> 01:01:50,640

incredible so let's make that happen

1709

01:01:55,430 --> 01:01:52,960

we'll talk behind the scenes but for now

1710

01:01:57,829 --> 01:01:55,440

chase thank you so much for sharing your

1711

01:02:00,230 --> 01:01:57,839

story with me and joining me

1712

01:02:02,390 --> 01:02:00,240

until the next yeah and so guys thank

1713

01:02:04,309 --> 01:02:02,400

you everyone for watching right now and

1714

01:02:06,150 --> 01:02:04,319

i appreciate you all for the continued

1715

01:02:08,230 --> 01:02:06,160

support it means the world to me and i
