1
00:00:36,229 --> 00:00:32,870

[Music]

2
00:00:38,869 --> 00:00:36,239

hello guys what is up happy saturday to

3
00:00:41,510 --> 00:00:38,879

all of you thank you so much for being

4
00:00:44,869 --> 00:00:41,520

here for the guys here live with me now

5
00:00:46,950 --> 00:00:44,879

in the chat good to see you all uh thank

6
00:00:50,150 --> 00:00:46,960

you so much yeah i see a lot of familiar

7
00:00:52,069 --> 00:00:50,160

faces and and non-familiar faces so

8
00:00:53,590 --> 00:00:52,079

thank you guys so much i'm really

9
00:00:57,110 --> 00:00:53,600

excited for this

10
00:00:59,590 --> 00:00:57,120

for this particular one oh hold on a sec

11
00:01:01,110 --> 00:00:59,600

my green screen look at that how amateur

12
00:01:03,910 --> 00:01:01,120

of me

13
00:01:05,189 --> 00:01:03,920

there we go do you like my skin walker

14

00:01:07,510 --> 00:01:05,199

background as well i think that's

15

00:01:09,270 --> 00:01:07,520

awesome so guys let's not waste any more

16

00:01:11,270 --> 00:01:09,280

time i've been looking forward to this

17

00:01:13,350 --> 00:01:11,280

interview for some time now um and i'm

18

00:01:15,030 --> 00:01:13,360

really excited to get into it so let me

19

00:01:16,230 --> 00:01:15,040

please uh

20

00:01:19,030 --> 00:01:16,240

introduce

21

00:01:20,070 --> 00:01:19,040

mr caleb bench

22

00:01:22,070 --> 00:01:20,080

caleb

23

00:01:24,870 --> 00:01:22,080

hey vinnie how you doing i'm doing very

24

00:01:26,950 --> 00:01:24,880

well my man how are you doing great

25

00:01:28,230 --> 00:01:26,960

thank you so much for joining me man oh

26

00:01:30,469 --> 00:01:28,240

you're welcome i've been looking forward

27

00:01:32,950 --> 00:01:30,479

to it thank you so much man so i think

28

00:01:34,710 --> 00:01:32,960

the first thing that i like to do in

29

00:01:37,270 --> 00:01:34,720

these interviews is just to get an idea

30

00:01:38,950 --> 00:01:37,280

of the person i'm talking to so you know

31

00:01:41,270 --> 00:01:38,960

i'm aware that you've had quite a

32

00:01:43,190 --> 00:01:41,280

interesting history and so if you'd like

33

00:01:44,870 --> 00:01:43,200

to sort of take us back to

34

00:01:46,950 --> 00:01:44,880

well wherever you want to go back to and

35

00:01:48,630 --> 00:01:46,960

just tell us a bit about yourself

36

00:01:50,789 --> 00:01:48,640

okay uh so

37

00:01:52,389 --> 00:01:50,799

i'm from i'm originally from southeast

38

00:01:55,030 --> 00:01:52,399

idaho a little town called blackfoot

39

00:01:57,429 --> 00:01:55,040

idaho um and something that's kind of

40

00:01:58,389 --> 00:01:57,439

interesting with that is i grew up next

41

00:02:01,109 --> 00:01:58,399

to uh

42

00:02:02,550 --> 00:02:01,119

the shoshone banik indian reservation in

43

00:02:05,190 --> 00:02:02,560

that area

44

00:02:07,109 --> 00:02:05,200

and so i grew up with a lot of the same

45

00:02:08,790 --> 00:02:07,119

stories that when i moved to the uinta

46

00:02:10,790 --> 00:02:08,800

base and i was hearing i started hearing

47

00:02:13,350 --> 00:02:10,800

a lot of this similar stuff

48

00:02:15,510 --> 00:02:13,360

um so i grew up there kind of

49

00:02:17,030 --> 00:02:15,520

regular i guess what you call american

50

00:02:18,949 --> 00:02:17,040

upbringing you know

51
00:02:20,470 --> 00:02:18,959
my family's all the potato farmers from

52
00:02:22,630 --> 00:02:20,480
idaho and

53
00:02:23,990 --> 00:02:22,640
um and then i played football in a bunch

54
00:02:25,990 --> 00:02:24,000
of different sports there in high school

55
00:02:28,470 --> 00:02:26,000
and always had an interest in history

56
00:02:29,270 --> 00:02:28,480
and mythology and things like that and

57
00:02:31,589 --> 00:02:29,280
uh

58
00:02:33,990 --> 00:02:31,599
as you guys know i i was i went into the

59
00:02:36,390 --> 00:02:34,000
marines uh and so i was doing the marine

60
00:02:39,910 --> 00:02:36,400
corps as a reservist as and when they

61
00:02:41,670 --> 00:02:39,920
as an m1a1 tank crewman wow while i was

62
00:02:43,030 --> 00:02:41,680
going to college at utah state

63
00:02:45,589 --> 00:02:43,040

university

64

00:02:47,830 --> 00:02:45,599

and i was i was doing rugby and football

65

00:02:49,589 --> 00:02:47,840

when i was at utah state and just

66

00:02:51,910 --> 00:02:49,599

studying history and

67

00:02:54,150 --> 00:02:51,920

different languages there latin and

68

00:02:55,270 --> 00:02:54,160

german and things like that

69

00:02:57,430 --> 00:02:55,280

and then

70

00:02:59,670 --> 00:02:57,440

um after college i kind of went back up

71

00:03:01,030 --> 00:02:59,680

to idaho for a little bit and that's

72

00:03:03,509 --> 00:03:01,040

and that's kind of how i got introduced

73

00:03:05,270 --> 00:03:03,519

to the basin as i started dating my wife

74

00:03:08,070 --> 00:03:05,280

uh stephanie

75

00:03:09,190 --> 00:03:08,080

and that's the kind of my tie into the

76

00:03:11,350 --> 00:03:09,200

ranch

77

00:03:13,830 --> 00:03:11,360

kind of way back when is because i i'm

78

00:03:15,509 --> 00:03:13,840

thomas winterton's brother-in-law

79

00:03:18,229 --> 00:03:15,519

wow so

80

00:03:20,229 --> 00:03:18,239

i moved it down to the basin and i

81

00:03:23,110 --> 00:03:20,239

started uh just doing different jobs

82

00:03:25,830 --> 00:03:23,120

down here and i was still uh

83

00:03:28,470 --> 00:03:25,840

involved with the marines at that point

84

00:03:30,070 --> 00:03:28,480

and then got out got my honorable

85

00:03:31,990 --> 00:03:30,080

discharge there

86

00:03:33,190 --> 00:03:32,000

and i just kind of jumped around to some

87

00:03:34,550 --> 00:03:33,200

different jobs because i was kind of

88

00:03:36,070 --> 00:03:34,560

like what am i doing with my life you

89

00:03:39,110 --> 00:03:36,080

know yeah

90

00:03:40,309 --> 00:03:39,120

and tom calls me one day and asked me if

91

00:03:43,670 --> 00:03:40,319

i've ever heard of this place called

92

00:03:45,830 --> 00:03:43,680

skinwalker ranch and i'm like not really

93

00:03:49,110 --> 00:03:45,840

and he asked me if i wanted to come help

94

00:03:50,309 --> 00:03:49,120

a security and this was 2017 on

95

00:03:52,070 --> 00:03:50,319

halloween

96

00:03:53,870 --> 00:03:52,080

so that's the first day i was ever on

97

00:03:57,350 --> 00:03:53,880

skinwalker ranch was

98

00:03:59,750 --> 00:03:57,360

[Laughter]

99

00:04:02,149 --> 00:03:59,760

nothing really happened that night uh

100

00:04:03,990 --> 00:04:02,159

and so i got involved there and

101
00:04:05,589 --> 00:04:04,000
brandon had a conversation with me a

102
00:04:07,750 --> 00:04:05,599
couple months later and asked if i'd

103
00:04:09,509 --> 00:04:07,760
want to be helping with security on more

104
00:04:10,470 --> 00:04:09,519
of a full-time basis and i was like heck

105
00:04:11,830 --> 00:04:10,480
yes

106
00:04:14,710 --> 00:04:11,840
wow um

107
00:04:16,710 --> 00:04:14,720
and so we had some

108
00:04:18,469 --> 00:04:16,720
uh my first real

109
00:04:21,830 --> 00:04:18,479
i guess crazy thing you could think of

110
00:04:24,230 --> 00:04:21,840
on the ranch was we had a a group out

111
00:04:26,070 --> 00:04:24,240
doing a documentary

112
00:04:27,430 --> 00:04:26,080
and they all went to dinner and i'm

113
00:04:28,710 --> 00:04:27,440

sitting there kind of watching the

114

00:04:30,550 --> 00:04:28,720

cameras and

115

00:04:33,590 --> 00:04:30,560

i noticed something happening with the

116

00:04:35,430 --> 00:04:33,600

mesa uh it was like this fog was formed

117

00:04:36,710 --> 00:04:35,440

like within minutes on on top of the

118

00:04:39,430 --> 00:04:36,720

mesa

119

00:04:41,990 --> 00:04:39,440

and just and it it was like it's like

120

00:04:44,310 --> 00:04:42,000

this weird mist just went off the face

121

00:04:46,150 --> 00:04:44,320

of the mesa and then and within like two

122

00:04:48,230 --> 00:04:46,160

minutes it like shot back up on top of

123

00:04:51,189 --> 00:04:48,240

the mesa and i was like

124

00:04:53,110 --> 00:04:51,199

did i just see that it was weird i just

125

00:04:56,390 --> 00:04:53,120

did like the the time note and was like

126

00:04:57,749 --> 00:04:56,400

okay that was off you know and yeah when

127

00:04:59,189 --> 00:04:57,759

everybody came back i went and grabbed

128

00:05:01,110 --> 00:04:59,199

tom was like hey

129

00:05:04,230 --> 00:05:01,120

come look at this and yeah sure enough

130

00:05:06,150 --> 00:05:04,240

it was something pretty pretty

131

00:05:07,430 --> 00:05:06,160

out there you know and

132

00:05:09,510 --> 00:05:07,440

so i'd heard some of the different

133

00:05:10,790 --> 00:05:09,520

stories and things like that

134

00:05:13,029 --> 00:05:10,800

and

135

00:05:14,950 --> 00:05:13,039

it's not like i didn't believe it i i've

136

00:05:17,189 --> 00:05:14,960

always kind of been more

137

00:05:18,070 --> 00:05:17,199

open i guess to stuff like that like you

138

00:05:19,830 --> 00:05:18,080

know

139

00:05:20,870 --> 00:05:19,840

i i grew up

140

00:05:23,830 --> 00:05:20,880

um

141

00:05:25,990 --> 00:05:23,840

in the area my whole family was in the

142

00:05:28,550 --> 00:05:26,000

lds church or the church of jesus christ

143

00:05:32,230 --> 00:05:28,560

of latter-day saints right um

144

00:05:33,749 --> 00:05:32,240

i wasn't very active me and my brothers

145

00:05:35,110 --> 00:05:33,759

we were kind of the black sheep you know

146

00:05:36,150 --> 00:05:35,120

so

147

00:05:39,990 --> 00:05:36,160

um

148

00:05:41,510 --> 00:05:40,000

but i was always interested in you know

149

00:05:43,189 --> 00:05:41,520

i guess you could say more spiritual

150

00:05:45,590 --> 00:05:43,199

things and

151
00:05:47,270 --> 00:05:45,600
um about around the time i was dating my

152
00:05:50,310 --> 00:05:47,280
wife about eight years ago is when my

153
00:05:52,790 --> 00:05:50,320
dad passed away he was 45

154
00:05:55,189 --> 00:05:52,800
passed away from cancer and it kind of

155
00:05:57,749 --> 00:05:55,199
started me on this new journey of you

156
00:05:59,590 --> 00:05:57,759
know what am i doing with myself

157
00:06:00,870 --> 00:05:59,600
you know who what kind of person do i

158
00:06:02,629 --> 00:06:00,880
want to be and it just kind of led me

159
00:06:05,029 --> 00:06:02,639
down this different road and

160
00:06:07,749 --> 00:06:05,039
yeah i got into some different

161
00:06:10,230 --> 00:06:07,759
uh you know some of the self-improvement

162
00:06:13,029 --> 00:06:10,240
uh mindset stuff and

163
00:06:15,909 --> 00:06:13,039

uh like if you've read travis uh

164

00:06:17,510 --> 00:06:15,919

taylor's uh secrets behind uh science

165

00:06:18,950 --> 00:06:17,520

behind the secret

166

00:06:21,350 --> 00:06:18,960

that that kind of

167

00:06:23,270 --> 00:06:21,360

i've not read it but you know what i'm

168

00:06:25,110 --> 00:06:23,280

i'm gonna i'm gonna i love this is the

169

00:06:26,309 --> 00:06:25,120

kind of thing because when i hear things

170

00:06:27,670 --> 00:06:26,319

like that it makes me then want to go

171

00:06:29,590 --> 00:06:27,680

and read it to see that it's done

172

00:06:30,469 --> 00:06:29,600

something good for other people

173

00:06:34,550 --> 00:06:30,479

yeah

174

00:06:36,629 --> 00:06:34,560

it's been something that i i've i i kind

175

00:06:38,550 --> 00:06:36,639

of attribute to maybe why i'm on the

176
00:06:40,390 --> 00:06:38,560
ranch you know i just started working on

177
00:06:42,469 --> 00:06:40,400
myself more than

178
00:06:44,150 --> 00:06:42,479
you know how because i i guess i kind of

179
00:06:45,590 --> 00:06:44,160
believe how can i help other people if i

180
00:06:47,749 --> 00:06:45,600
can't help myself

181
00:06:50,309 --> 00:06:47,759
of course and be the best me for them

182
00:06:51,749 --> 00:06:50,319
you know kind of kind of mentality yeah

183
00:06:53,350 --> 00:06:51,759
um

184
00:06:55,270 --> 00:06:53,360
but yeah so back i guess back to the

185
00:06:57,189 --> 00:06:55,280
ranch you know like i start seeing and

186
00:06:58,309 --> 00:06:57,199
having experiences like that same

187
00:07:00,790 --> 00:06:58,319
weekend

188
00:07:02,309 --> 00:07:00,800

um everybody kind of went home and it

189

00:07:04,870 --> 00:07:02,319

was like it was i think four or five

190

00:07:06,230 --> 00:07:04,880

o'clock in the morning it was late night

191

00:07:07,110 --> 00:07:06,240

bryant and i

192

00:07:09,189 --> 00:07:07,120

go

193

00:07:11,430 --> 00:07:09,199

finally hit the rack and he's in one

194

00:07:13,350 --> 00:07:11,440

room i'm in the other room

195

00:07:16,230 --> 00:07:13,360

and just to clarify

196

00:07:18,710 --> 00:07:16,240

um

197

00:07:19,909 --> 00:07:18,720

he comes in uh you know within a couple

198

00:07:21,749 --> 00:07:19,919

minutes like hey man something just

199

00:07:23,749 --> 00:07:21,759

kicked my bed and i'm like

200

00:07:25,510 --> 00:07:23,759

what

201
00:07:27,029 --> 00:07:25,520
and he's like yeah it's like something

202
00:07:29,990 --> 00:07:27,039
just came up and kicked my bed and i was

203
00:07:31,510 --> 00:07:30,000
like uh i can feel like you know the

204
00:07:33,749 --> 00:07:31,520
command center at this point didn't have

205
00:07:35,749 --> 00:07:33,759
some of the improvements that tom's done

206
00:07:37,430 --> 00:07:35,759
right pretty old rickety

207
00:07:39,510 --> 00:07:37,440
pretty much

208
00:07:41,749 --> 00:07:39,520
a bunch of lipstick on the ugliest pig

209
00:07:43,430 --> 00:07:41,759
you've ever seen

210
00:07:44,629 --> 00:07:43,440
and i'm sitting there going i i can feel

211
00:07:46,790 --> 00:07:44,639
like the

212
00:07:48,309 --> 00:07:46,800
washer and dryer going

213
00:07:49,589 --> 00:07:48,319

and he's like no this was like something

214

00:07:51,189 --> 00:07:49,599

came up and kicked the bed and i was

215

00:07:53,430 --> 00:07:51,199

like okay that's weird

216

00:07:55,430 --> 00:07:53,440

whoa and we're both kind of like okay

217

00:07:56,950 --> 00:07:55,440

like whatever maybe we're just tired or

218

00:07:59,350 --> 00:07:56,960

whatever he goes back in his room and

219

00:08:01,430 --> 00:07:59,360

i'm laying there

220

00:08:03,029 --> 00:08:01,440

and within a couple minutes i'm sitting

221

00:08:05,029 --> 00:08:03,039

there trying to go to sleep and same

222

00:08:07,510 --> 00:08:05,039

thing happens something like kicked my

223

00:08:09,749 --> 00:08:07,520

it felt like something kicked my bed wow

224

00:08:11,029 --> 00:08:09,759

and i was like what the crap and so i go

225

00:08:13,029 --> 00:08:11,039

running and i'm like dude it just

226

00:08:15,670 --> 00:08:13,039

happened to me you know and we were both

227

00:08:17,990 --> 00:08:15,680

kind of going okay

228

00:08:21,589 --> 00:08:18,000

no way you know this is still pretty

229

00:08:22,790 --> 00:08:21,599

early on since i've been on the ranch

230

00:08:24,150 --> 00:08:22,800

and

231

00:08:27,189 --> 00:08:24,160

that's something we talk about all the

232

00:08:29,510 --> 00:08:27,199

time is why do you why does one person

233

00:08:30,950 --> 00:08:29,520

have an experience why another person

234

00:08:33,029 --> 00:08:30,960

doesn't you know like we always joke

235

00:08:35,190 --> 00:08:33,039

that bryant's like the

236

00:08:36,949 --> 00:08:35,200

the repellent

237

00:08:38,790 --> 00:08:36,959

you know

238

00:08:41,750 --> 00:08:38,800

it seems like

239

00:08:43,589 --> 00:08:41,760

some when something happens he either

240

00:08:46,630 --> 00:08:43,599

just barely left

241

00:08:48,150 --> 00:08:46,640

or he's not there i i don't know but

242

00:08:49,910 --> 00:08:48,160

it's just kind of one of the things we

243

00:08:52,310 --> 00:08:49,920

joke about um

244

00:08:53,670 --> 00:08:52,320

but that was kind of the first weekend

245

00:08:55,350 --> 00:08:53,680

and that was within a couple months

246

00:08:57,269 --> 00:08:55,360

being on the ranch that i really had

247

00:09:00,630 --> 00:08:57,279

kind of that stuff happening

248

00:09:02,870 --> 00:09:00,640

and it's just increased from there

249

00:09:05,350 --> 00:09:02,880

um a couple months after that i want to

250

00:09:07,670 --> 00:09:05,360

say it was june or july

251
00:09:08,710 --> 00:09:07,680
i was out with another group

252
00:09:15,430 --> 00:09:08,720
and

253
00:09:17,430 --> 00:09:15,440
three right

254
00:09:19,509 --> 00:09:17,440
uh if i remember right we didn't have a

255
00:09:21,590 --> 00:09:19,519
full moon or anything like that it was

256
00:09:22,389 --> 00:09:21,600
kind of a clear sky though

257
00:09:23,750 --> 00:09:22,399
and

258
00:09:25,430 --> 00:09:23,760
we're sitting there kind of talking

259
00:09:27,110 --> 00:09:25,440
about what's going you know stuff on the

260
00:09:28,870 --> 00:09:27,120
ranch and they're asking about security

261
00:09:30,949 --> 00:09:28,880
a little bit more and this is and we've

262
00:09:32,630 --> 00:09:30,959
got a lot more assets

263
00:09:33,990 --> 00:09:32,640

now than we did then

264

00:09:35,590 --> 00:09:34,000

right um

265

00:09:37,910 --> 00:09:35,600

and and we're you know we were dealing

266

00:09:39,269 --> 00:09:37,920

with trespassing then and some pretty

267

00:09:41,590 --> 00:09:39,279

shady figures

268

00:09:42,389 --> 00:09:41,600

wow at that point

269

00:09:43,990 --> 00:09:42,399

um

270

00:09:45,269 --> 00:09:44,000

and

271

00:09:46,790 --> 00:09:45,279

we're sitting here by the bait pan

272

00:09:48,630 --> 00:09:46,800

talking and this

273

00:09:51,350 --> 00:09:48,640

and the whole area just lights up green

274

00:09:53,430 --> 00:09:51,360

like uh like you shot someone like

275

00:09:54,790 --> 00:09:53,440

someone shot an illumination flare like

276

00:09:59,030 --> 00:09:54,800

i think uh

277

00:10:01,430 --> 00:09:59,040

point where all the guys are down

278

00:10:03,509 --> 00:10:01,440

and they're in the grass and the nba

279

00:10:05,030 --> 00:10:03,519

guys are coming in and they shoot one of

280

00:10:07,750 --> 00:10:05,040

those flares off and it just lights up

281

00:10:09,910 --> 00:10:07,760

the whole area yeah it was like that but

282

00:10:12,710 --> 00:10:09,920

it was like this bright

283

00:10:13,509 --> 00:10:12,720

alien green like of all the colors you

284

00:10:15,509 --> 00:10:13,519

know

285

00:10:18,069 --> 00:10:15,519

yeah yeah again and

286

00:10:19,430 --> 00:10:18,079

we spun around and there was this light

287

00:10:21,190 --> 00:10:19,440

descending out of the sky above

288

00:10:22,949 --> 00:10:21,200

homestead 2

289

00:10:25,750 --> 00:10:22,959

and it went and went from what i could

290

00:10:28,630 --> 00:10:25,760

tell it went behind the trees between

291

00:10:29,590 --> 00:10:28,640

where we were and the mesa and homestead

292

00:10:31,910 --> 00:10:29,600

2

293

00:10:34,150 --> 00:10:31,920

and that's where i lost sight of the

294

00:10:35,190 --> 00:10:34,160

whatever this light source was but it

295

00:10:36,630 --> 00:10:35,200

was kind of interesting because it

296

00:10:37,910 --> 00:10:36,640

wasn't like it was coming from that

297

00:10:40,710 --> 00:10:37,920

direction it was like the whole area

298

00:10:42,069 --> 00:10:40,720

just lit up it was it was weird

299

00:10:43,590 --> 00:10:42,079

um

300

00:10:46,310 --> 00:10:43,600

did it have a source do they have a

301
00:10:48,470 --> 00:10:46,320
source like light or was it just spread

302
00:10:50,870 --> 00:10:48,480
a bit like i could definitely tell that

303
00:10:53,430 --> 00:10:50,880
there was like

304
00:10:56,470 --> 00:10:53,440
at least like an orb of some kind or

305
00:10:58,310 --> 00:10:56,480
some kind of a source right but the way

306
00:11:00,470 --> 00:10:58,320
the light in the whole area was lit up

307
00:11:02,630 --> 00:11:00,480
it was very strange it wasn't like it

308
00:11:05,190 --> 00:11:02,640
was coming from that area but we

309
00:11:07,430 --> 00:11:05,200
you know it's kind of hard to

310
00:11:09,269 --> 00:11:07,440
describe still but i i don't know where

311
00:11:12,550 --> 00:11:09,279
it came from

312
00:11:14,069 --> 00:11:12,560
i and one when it went behind the trees

313
00:11:15,750 --> 00:11:14,079

it was kind of hard i i don't know what

314

00:11:17,829 --> 00:11:15,760

happened it did just everything just

315

00:11:20,310 --> 00:11:17,839

went dark again like just normal night

316

00:11:22,310 --> 00:11:20,320

again and i was like that was probably

317

00:11:25,269 --> 00:11:22,320

my first real big

318

00:11:27,509 --> 00:11:25,279

holy crap moment on the ranch

319

00:11:29,269 --> 00:11:27,519

and i immediately let brandon and eric

320

00:11:31,030 --> 00:11:29,279

know what happened and

321

00:11:33,430 --> 00:11:31,040

described it as best as i could you know

322

00:11:35,430 --> 00:11:33,440

and tried to use the

323

00:11:38,470 --> 00:11:35,440

uh the sheriff's training and things

324

00:11:40,470 --> 00:11:38,480

that i've i've had at that point too

325

00:11:42,710 --> 00:11:40,480

or the military i hadn't gone into law

326

00:11:44,230 --> 00:11:42,720

enforcement at that point yet that

327

00:11:45,269 --> 00:11:44,240

actually came a couple months later

328

00:11:47,030 --> 00:11:45,279

because

329

00:11:49,110 --> 00:11:47,040

another thing happened where we were

330

00:11:52,550 --> 00:11:49,120

actually dealing with some

331

00:11:53,990 --> 00:11:52,560

satan worshipers essentially and

332

00:11:55,910 --> 00:11:54,000

you know they they came on they

333

00:11:57,509 --> 00:11:55,920

trespassed onto the ranch i missed them

334

00:11:58,629 --> 00:11:57,519

by like an hour they destroyed a bunch

335

00:12:00,150 --> 00:11:58,639

of property

336

00:12:01,910 --> 00:12:00,160

um

337

00:12:03,350 --> 00:12:01,920

yeah we were out all night because we

338

00:12:04,470 --> 00:12:03,360

had some other word about something else

339

00:12:06,230 --> 00:12:04,480

was going on

340

00:12:07,990 --> 00:12:06,240

right and

341

00:12:09,190 --> 00:12:08,000

tom and i we were out there all night

342

00:12:10,550 --> 00:12:09,200

and we finally got home because we're

343

00:12:12,629 --> 00:12:10,560

like okay they're not coming out and

344

00:12:14,790 --> 00:12:12,639

then like we checked the cameras because

345

00:12:15,590 --> 00:12:14,800

i came back later that night

346

00:12:17,590 --> 00:12:15,600

saw

347

00:12:19,509 --> 00:12:17,600

some of this damage like what the crap

348

00:12:20,389 --> 00:12:19,519

we started looking into it we missed

349

00:12:22,949 --> 00:12:20,399

these

350

00:12:25,829 --> 00:12:22,959

devil worshipers by like you know 40

351

00:12:27,430 --> 00:12:25,839
minutes to an hour not very long

352

00:12:28,550 --> 00:12:27,440
and that just kind of made me go you

353

00:12:29,990 --> 00:12:28,560
know what

354

00:12:31,670 --> 00:12:30,000
would have happened if we'd have

355

00:12:33,350 --> 00:12:31,680
actually met

356

00:12:35,350 --> 00:12:33,360
these guys on the ranch you know like

357

00:12:37,350 --> 00:12:35,360
yeah i trained i went through the

358

00:12:39,509 --> 00:12:37,360
military i did all that stuff but it's

359

00:12:41,670 --> 00:12:39,519
still there's there's these skills that

360

00:12:43,829 --> 00:12:41,680
are perishables and you need a

361

00:12:45,670 --> 00:12:43,839
and i like training i like getting as

362

00:12:48,150 --> 00:12:45,680
much training as i can get

363

00:12:51,269 --> 00:12:48,160

you know just keep those skills up yeah

364

00:12:53,190 --> 00:12:51,279

and so that made me go you know what

365

00:12:55,910 --> 00:12:53,200

i know i've gone through and done some

366

00:12:57,910 --> 00:12:55,920

private security stuff at that point uh

367

00:12:59,110 --> 00:12:57,920

for the state of utah i was like you

368

00:13:00,790 --> 00:12:59,120

know what i'm just going to do the law

369

00:13:02,310 --> 00:13:00,800

enforcement thing because

370

00:13:04,550 --> 00:13:02,320

i want to know how the laws work i want

371

00:13:06,870 --> 00:13:04,560

to know how the system works better

372

00:13:08,629 --> 00:13:06,880

and so i that's the point when i kind of

373

00:13:10,230 --> 00:13:08,639

took a little bit more of a step away

374

00:13:11,829 --> 00:13:10,240

from the ranch and went into law

375

00:13:13,030 --> 00:13:11,839

enforcement to start getting the

376

00:13:13,750 --> 00:13:13,040

training and

377

00:13:17,509 --> 00:13:13,760

get

378

00:13:19,509 --> 00:13:17,519

things and then and when i was done with

379

00:13:21,750 --> 00:13:19,519

that i came back and i've been pretty

380

00:13:23,110 --> 00:13:21,760

active on the ranch so that makes sense

381

00:13:25,110 --> 00:13:23,120

that makes a lot of sense man just to

382

00:13:27,110 --> 00:13:25,120

kind of cover your butt really as well

383

00:13:28,389 --> 00:13:27,120

you know oh yeah and and that's the

384

00:13:29,670 --> 00:13:28,399

thing is that we're covering we're

385

00:13:32,069 --> 00:13:29,680

dealing with so much liability and

386

00:13:34,790 --> 00:13:32,079

everything on that end and

387

00:13:37,030 --> 00:13:34,800

trying to just protect you know the team

388

00:13:39,030 --> 00:13:37,040

and and the ranch itself and

389

00:13:41,110 --> 00:13:39,040

you got to know how

390

00:13:42,710 --> 00:13:41,120

the law really works especially on the

391

00:13:44,870 --> 00:13:42,720

criminal side of things in case we are

392

00:13:46,790 --> 00:13:44,880

dealing with because we are we do have

393

00:13:48,870 --> 00:13:46,800

pretty uh scary individuals come out at

394

00:13:50,710 --> 00:13:48,880

different times and people using drugs

395

00:13:52,389 --> 00:13:50,720

and different things like that and

396

00:13:54,069 --> 00:13:52,399

i've been in those situations as a law

397

00:13:56,710 --> 00:13:54,079

enforcement officer now where you know

398

00:13:58,470 --> 00:13:56,720

i've been attacked by people on like

399

00:13:59,829 --> 00:13:58,480

some pretty serious drugs and we've seen

400

00:14:01,670 --> 00:13:59,839

what they do and

401
00:14:04,310 --> 00:14:01,680
you know we've responded i've responded

402
00:14:06,389 --> 00:14:04,320
to multiple murders and wow different

403
00:14:07,990 --> 00:14:06,399
things like that so it's

404
00:14:09,910 --> 00:14:08,000
and a lot of that's translating the

405
00:14:11,829 --> 00:14:09,920
things with the ranch on how to deal

406
00:14:13,670 --> 00:14:11,839
with situations and

407
00:14:15,750 --> 00:14:13,680
you know so my joke with the guys is

408
00:14:17,189 --> 00:14:15,760
like if you do see me running and

409
00:14:18,790 --> 00:14:17,199
pretty serious like you know something's

410
00:14:20,470 --> 00:14:18,800
really going down

411
00:14:22,310 --> 00:14:20,480
hey that's a good like

412
00:14:24,230 --> 00:14:22,320
ballpark thing to sort of say well if

413
00:14:27,910 --> 00:14:24,240

he's running we gotta run kind of thing

414

00:14:28,790 --> 00:14:27,920

so no i feel you on that one man um

415

00:14:31,670 --> 00:14:28,800

so

416

00:14:34,550 --> 00:14:31,680

early experiences you had and it seemed

417

00:14:36,310 --> 00:14:34,560

that they happened quite quickly yeah

418

00:14:38,470 --> 00:14:36,320

when you first did start on the ranch we

419

00:14:40,230 --> 00:14:38,480

aware of the history or how much of the

420

00:14:42,949 --> 00:14:40,240

history were you aware of when it comes

421

00:14:45,430 --> 00:14:42,959

to you know the bigelow days and

422

00:14:47,430 --> 00:14:45,440

the sherman days and things like that

423

00:14:50,230 --> 00:14:47,440

uh i really wasn't aware of too much

424

00:14:52,470 --> 00:14:50,240

that history at that point i i read

425

00:14:54,310 --> 00:14:52,480

probably half of the skinwalker book

426
00:14:56,550 --> 00:14:54,320
from

427
00:14:58,790 --> 00:14:56,560
george snap yeah and i had one yeah yeah

428
00:15:01,350 --> 00:14:58,800
so i read about half of that

429
00:15:03,030 --> 00:15:01,360
um and i was like

430
00:15:04,629 --> 00:15:03,040
it was pretty interesting hearing some

431
00:15:06,150 --> 00:15:04,639
of those stories you know and some of

432
00:15:09,110 --> 00:15:06,160
those claims and

433
00:15:10,550 --> 00:15:09,120
um we have had some individuals

434
00:15:13,030 --> 00:15:10,560
um

435
00:15:15,189 --> 00:15:13,040
from second season

436
00:15:16,389 --> 00:15:15,199
gosh i can't remember his name now

437
00:15:18,310 --> 00:15:16,399
um

438
00:15:19,990 --> 00:15:18,320

he was the nephew to i believe the

439

00:15:21,430 --> 00:15:20,000

sherman's and he was living on the ranch

440

00:15:23,350 --> 00:15:21,440

at that time and he was able to give us

441

00:15:25,350 --> 00:15:23,360

a lot more information in regards to

442

00:15:28,150 --> 00:15:25,360

some of those stories yeah

443

00:15:29,350 --> 00:15:28,160

and we we pretty much found out some a

444

00:15:32,310 --> 00:15:29,360

lot of

445

00:15:34,150 --> 00:15:32,320

book

446

00:15:36,710 --> 00:15:34,160

weren't exactly

447

00:15:38,870 --> 00:15:36,720

as told by the sherman's or

448

00:15:41,030 --> 00:15:38,880

what actually happened so

449

00:15:42,230 --> 00:15:41,040

there was a little bit more story making

450

00:15:44,389 --> 00:15:42,240

with some of them

451

00:15:48,629 --> 00:15:44,399

right good to know

452

00:15:53,430 --> 00:15:50,949

uh the episode where they aired it like

453

00:15:54,550 --> 00:15:53,440

the the two dogs i remember the two dogs

454

00:15:57,670 --> 00:15:54,560

it was claimed that they were turned

455

00:15:59,269 --> 00:15:57,680

into jelly but the nephew he said that

456

00:16:00,389 --> 00:15:59,279

they'd been crushed

457

00:16:03,350 --> 00:16:00,399

like you could tell that they'd been

458

00:16:05,509 --> 00:16:03,360

compressed into the earth and yes

459

00:16:07,509 --> 00:16:05,519

so there were just things like that that

460

00:16:08,629 --> 00:16:07,519

may be lost in translation i i don't

461

00:16:10,150 --> 00:16:08,639

know

462

00:16:12,310 --> 00:16:10,160

um

463

00:16:15,110 --> 00:16:12,320

and and that is aligned with some of the

464

00:16:16,470 --> 00:16:15,120

stuff that we've seen on the ranch um

465

00:16:18,150 --> 00:16:16,480

and you know we talked about the

466

00:16:19,829 --> 00:16:18,160

hitchhiker effect i've had multiple

467

00:16:22,470 --> 00:16:19,839

things happen at my house

468

00:16:24,310 --> 00:16:22,480

i i know tom's had had things happen at

469

00:16:25,590 --> 00:16:24,320

his home we've we've had things happen

470

00:16:27,590 --> 00:16:25,600

off the ranch

471

00:16:28,629 --> 00:16:27,600

yeah um

472

00:16:29,749 --> 00:16:28,639

and i think

473

00:16:31,110 --> 00:16:29,759

sorry i was just going to say one of the

474

00:16:32,230 --> 00:16:31,120

big stories and i've just seen it here

475

00:16:33,590 --> 00:16:32,240

in the comments a couple of people have

476

00:16:34,829 --> 00:16:33,600

mentioned was

477

00:16:37,590 --> 00:16:34,839

previous to

478

00:16:39,990 --> 00:16:37,600

brandon's uh ownership and stuff was the

479

00:16:42,470 --> 00:16:40,000

the direwolf the big wolf stories has

480

00:16:44,949 --> 00:16:42,480

has that ever come back into play in the

481

00:16:48,470 --> 00:16:44,959

last few years or anything we we've

482

00:16:49,509 --> 00:16:48,480

never had anything like that happen um

483

00:16:51,910 --> 00:16:49,519

and

484

00:16:54,949 --> 00:16:51,920

i can't speak for what where that came

485

00:16:56,310 --> 00:16:54,959

from or anything like that

486

00:16:58,629 --> 00:16:56,320

um the

487

00:16:59,990 --> 00:16:58,639

the nephew he said that they did have

488

00:17:03,350 --> 00:17:00,000

something attacked the cattle but they

489

00:17:05,750 --> 00:17:03,360

did shoot and kill it so i i don't know

490

00:17:06,949 --> 00:17:05,760

that was coming kind of second hand from

491

00:17:08,549 --> 00:17:06,959

some of the other guys who spent a

492

00:17:10,390 --> 00:17:08,559

little bit more time with him than i did

493

00:17:11,990 --> 00:17:10,400

when he was out here it's fair enough i

494

00:17:13,669 --> 00:17:12,000

had to ask her so a lot of people were

495

00:17:15,270 --> 00:17:13,679

sort of mentioning that i thought i

496

00:17:17,990 --> 00:17:15,280

can't not mention it because it was a

497

00:17:19,990 --> 00:17:18,000

big story from from further backs and i

498

00:17:22,630 --> 00:17:20,000

appreciate you just putting that to rest

499

00:17:24,549 --> 00:17:22,640

them and and i think that might i think

500

00:17:26,390 --> 00:17:24,559

the only one that we could probably say

501
00:17:29,270 --> 00:17:26,400
is anywhere similar to that is the

502
00:17:30,150 --> 00:17:29,280
incident with the alpacas

503
00:17:31,750 --> 00:17:30,160
and

504
00:17:33,909 --> 00:17:31,760
we know what that was they were a bunch

505
00:17:35,750 --> 00:17:33,919
of res dogs i wouldn't be surprised if

506
00:17:36,950 --> 00:17:35,760
they were the same thing that attacked

507
00:17:39,590 --> 00:17:36,960
the cows

508
00:17:41,270 --> 00:17:39,600
back in the sherman days right on on

509
00:17:43,590 --> 00:17:41,280
your reservations you have basically

510
00:17:45,510 --> 00:17:43,600
wild dogs running around and they when

511
00:17:48,150 --> 00:17:45,520
they pack up like that they get pretty

512
00:17:51,190 --> 00:17:48,160
pretty nasty it's not just there

513
00:17:53,110 --> 00:17:51,200

we deal with them in the county um as

514

00:17:55,270 --> 00:17:53,120

law enforcement we deal with wild dogs

515

00:17:56,630 --> 00:17:55,280

like a couple years ago

516

00:17:58,150 --> 00:17:56,640

there was a pack that actually went

517

00:18:00,630 --> 00:17:58,160

around and did kill quite a few

518

00:18:02,310 --> 00:18:00,640

livestock before they all and

519

00:18:03,909 --> 00:18:02,320

that we basically just had to go hunt

520

00:18:05,510 --> 00:18:03,919

them down and shoot them all

521

00:18:07,270 --> 00:18:05,520

wow um so

522

00:18:10,310 --> 00:18:07,280

i could see how something like that

523

00:18:13,190 --> 00:18:10,320

might lead into this big direwolf story

524

00:18:15,990 --> 00:18:13,200

yeah um but it is something that we deal

525

00:18:17,990 --> 00:18:16,000

with and and we did have some incidents

526

00:18:21,190 --> 00:18:18,000

where and that's one of the reasons why

527

00:18:23,190 --> 00:18:21,200

why why we're armed is we do have uh

528

00:18:25,669 --> 00:18:23,200

cougars i've we've found bear sign on

529

00:18:27,669 --> 00:18:25,679

the ranch we've dealt with

530

00:18:28,950 --> 00:18:27,679

we do have wild animals out there and in

531

00:18:29,909 --> 00:18:28,960

the area

532

00:18:31,909 --> 00:18:29,919

that

533

00:18:33,669 --> 00:18:31,919

you know if you're not able to defend

534

00:18:36,710 --> 00:18:33,679

yourself they can do some major damage

535

00:18:37,510 --> 00:18:36,720

sure yeah absolutely so

536

00:18:39,909 --> 00:18:37,520

but

537

00:18:42,070 --> 00:18:39,919

i mean that makes sense and the the

538

00:18:43,750 --> 00:18:42,080

cattle and stuff like that get attacked

539

00:18:45,029 --> 00:18:43,760

but that does not and i hope it doesn't

540

00:18:47,830 --> 00:18:45,039

take away from the fact there's been

541

00:18:51,270 --> 00:18:47,840

some bizarre cattle mutilations yes

542

00:18:52,630 --> 00:18:51,280

which are not pack dogs or bears or

543

00:18:54,789 --> 00:18:52,640

cougar and stuff

544

00:18:56,710 --> 00:18:54,799

yeah and and again

545

00:18:58,310 --> 00:18:56,720

law enforcement i know it's hard for

546

00:18:59,990 --> 00:18:58,320

some guys to talk about it but we do

547

00:19:01,270 --> 00:19:00,000

take weird calls

548

00:19:02,950 --> 00:19:01,280

um

549

00:19:05,029 --> 00:19:02,960

and

550

00:19:06,630 --> 00:19:05,039

i i can't say that i've taken one of

551
00:19:08,470 --> 00:19:06,640
those calls as law enforcement what i

552
00:19:12,310 --> 00:19:08,480
can speak to is

553
00:19:16,710 --> 00:19:14,150
nothing touched that thing for a year

554
00:19:19,110 --> 00:19:16,720
and we had multiple tests done on that

555
00:19:21,510 --> 00:19:19,120
thing and nothing's coming back that's

556
00:19:25,110 --> 00:19:21,520
anything out of the ordinary so

557
00:19:26,630 --> 00:19:25,120
what again you know there's things that

558
00:19:27,510 --> 00:19:26,640
parts of the conversation that weren't

559
00:19:28,950 --> 00:19:27,520
shown

560
00:19:30,470 --> 00:19:28,960
because like people need to realize you

561
00:19:33,029 --> 00:19:30,480
guys are literally seeing less than one

562
00:19:34,950 --> 00:19:33,039
percent in the episodes as to what's

563
00:19:37,350 --> 00:19:34,960

been filmed yeah

564

00:19:38,870 --> 00:19:37,360

and so with like the cow

565

00:19:42,789 --> 00:19:38,880

um one of the things that i found

566

00:19:45,029 --> 00:19:42,799

interesting was when we had dr taylor or

567

00:19:46,630 --> 00:19:45,039

from the state of utah come out and we

568

00:19:49,830 --> 00:19:46,640

were asking him and talking to him about

569

00:19:51,990 --> 00:19:49,840

it he mentioned how

570

00:19:53,669 --> 00:19:52,000

what we were describing to them as cows

571

00:19:54,870 --> 00:19:53,679

if anybody's been around livestock they

572

00:19:56,950 --> 00:19:54,880

know that usually when they're laying

573

00:19:59,270 --> 00:19:56,960

down they stand up from the back

574

00:20:00,710 --> 00:19:59,280

first so they get their back end up and

575

00:20:01,909 --> 00:20:00,720

then they get their front end underneath

576

00:20:03,990 --> 00:20:01,919

them yeah

577

00:20:06,310 --> 00:20:04,000

when with our video footage that we got

578

00:20:08,549 --> 00:20:06,320

of the cow dying in the first season is

579

00:20:10,549 --> 00:20:08,559

trying to stand up from the front

580

00:20:12,789 --> 00:20:10,559

its back ends not working

581

00:20:15,350 --> 00:20:12,799

and the only two things that will

582

00:20:17,669 --> 00:20:15,360

kind of do that is if the cow has had

583

00:20:20,310 --> 00:20:17,679

some kind of nerve damage or some kind

584

00:20:21,669 --> 00:20:20,320

of electrical issue like hit by some

585

00:20:23,750 --> 00:20:21,679

kind of electricity or something and

586

00:20:25,190 --> 00:20:23,760

it's damaged the nerves in the back

587

00:20:27,669 --> 00:20:25,200

wow um so

588

00:20:29,750 --> 00:20:27,679

this cow was a yearling

589

00:20:32,789 --> 00:20:29,760

it had never given birth or anything

590

00:20:35,669 --> 00:20:32,799

like that so that's out so yeah why is

591

00:20:37,830 --> 00:20:35,679

its back end not working

592

00:20:39,430 --> 00:20:37,840

and so there's things like that that

593

00:20:40,149 --> 00:20:39,440

just make us go what the heck and then

594

00:20:47,590 --> 00:20:40,159

we

595

00:20:50,950 --> 00:20:47,600

anomalies going on or magnetic anomalies

596

00:20:52,310 --> 00:20:50,960

you know and it died from rapid onset uh

597

00:20:55,590 --> 00:20:52,320

pneumonia

598

00:20:58,070 --> 00:20:55,600

yeah like instant almost yeah which

599

00:21:00,630 --> 00:20:58,080

which that's quite common yes but what

600

00:21:03,270 --> 00:21:00,640

but that is caused because there's a

601
00:21:05,350 --> 00:21:03,280
stressor there that we don't know

602
00:21:06,870 --> 00:21:05,360
and so what stressed the cow out so much

603
00:21:09,110 --> 00:21:06,880
that

604
00:21:10,630 --> 00:21:09,120
it caused it to

605
00:21:12,710 --> 00:21:10,640
get that pneumonia and then this back

606
00:21:14,630 --> 00:21:12,720
end is not working

607
00:21:15,750 --> 00:21:14,640
yeah that's so bizarre

608
00:21:18,149 --> 00:21:15,760
and that's one of the things that we're

609
00:21:19,029 --> 00:21:18,159
like okay you know and then again

610
00:21:20,070 --> 00:21:19,039
um

611
00:21:21,669 --> 00:21:20,080
i don't know

612
00:21:23,430 --> 00:21:21,679
if many people know this but there's

613
00:21:26,549 --> 00:21:23,440

there's incidents where lightning

614

00:21:30,149 --> 00:21:26,559

strikes and kills like 20 or 30 cows

615

00:21:32,390 --> 00:21:30,159

a lot of times with lightning strikes

616

00:21:34,789 --> 00:21:32,400

animal predators and stuff won't touch

617

00:21:37,430 --> 00:21:34,799

those animals

618

00:21:39,350 --> 00:21:37,440

just for whatever reason i don't know so

619

00:21:41,350 --> 00:21:39,360

yeah you know coming back it sat there

620

00:21:43,110 --> 00:21:41,360

for a year i i went up there every week

621

00:21:45,190 --> 00:21:43,120

on my on my rounds

622

00:21:47,110 --> 00:21:45,200

as much as i could

623

00:21:49,029 --> 00:21:47,120

nothing touched that thing

624

00:21:51,830 --> 00:21:49,039

you know and

625

00:21:53,510 --> 00:21:51,840

uh i don't know if people saw it but tom

626
00:21:54,950 --> 00:21:53,520
you know everyone said we flip switch

627
00:21:55,990 --> 00:21:54,960
the cow out

628
00:21:56,710 --> 00:21:56,000
oh

629
00:21:58,710 --> 00:21:56,720
yeah

630
00:22:00,870 --> 00:21:58,720
but there's an oxidation process that

631
00:22:02,630 --> 00:22:00,880
occurs with uh hair and stuff like the

632
00:22:04,870 --> 00:22:02,640
ancient mummies in

633
00:22:06,950 --> 00:22:04,880
egypt they have that we know they had

634
00:22:07,909 --> 00:22:06,960
black hair but the mummies they have red

635
00:22:09,990 --> 00:22:07,919
hair

636
00:22:11,669 --> 00:22:10,000
it's because of the oxidation processes

637
00:22:13,270 --> 00:22:11,679
stuff like that and you know it was it

638
00:22:14,710 --> 00:22:13,280

was kind of funny so tom went out there

639

00:22:17,830 --> 00:22:14,720

and flipped the cow over and was like

640

00:22:19,750 --> 00:22:17,840

here's the black fur you know so yeah

641

00:22:21,029 --> 00:22:19,760

that's funny that's fair enough just

642

00:22:23,029 --> 00:22:21,039

gonna give a quick shout out to blue

643

00:22:25,270 --> 00:22:23,039

eyes thank you for the five dollars and

644

00:22:26,630 --> 00:22:25,280

let's see what this question is um it

645

00:22:28,549 --> 00:22:26,640

always seems they should be doing it

646

00:22:31,029 --> 00:22:28,559

again or a little more to get to the end

647

00:22:33,909 --> 00:22:31,039

of the results why dig 20 feet when they

648

00:22:35,510 --> 00:22:33,919

need to dig 30 feet

649

00:22:39,669 --> 00:22:35,520

so

650

00:22:42,390 --> 00:22:40,870

we're trying to find a needle in a

651
00:22:45,590 --> 00:22:42,400
haystack and we don't know where the

652
00:22:47,590 --> 00:22:45,600
haystack's at essentially

653
00:22:49,669 --> 00:22:47,600
so we're trying to

654
00:22:50,870 --> 00:22:49,679
find the best area

655
00:22:53,110 --> 00:22:50,880
because we're getting all these stories

656
00:22:55,350 --> 00:22:53,120
of where maybe something's happening

657
00:22:57,750 --> 00:22:55,360
and yeah we don't know where something

658
00:23:00,230 --> 00:22:57,760
is until you dig it up and find it right

659
00:23:01,110 --> 00:23:00,240
and so it's it's kind of hard we got 520

660
00:23:04,149 --> 00:23:01,120
acres

661
00:23:05,430 --> 00:23:04,159
yeah and sometimes the the limitation is

662
00:23:06,630 --> 00:23:05,440
the equipment

663
00:23:08,870 --> 00:23:06,640

um

664

00:23:11,510 --> 00:23:08,880

and we we do have all sorts of issues

665

00:23:13,750 --> 00:23:11,520

going on with the digging equipment with

666

00:23:15,590 --> 00:23:13,760

the cameras and and the stuff going

667

00:23:17,510 --> 00:23:15,600

around they they've

668

00:23:19,669 --> 00:23:17,520

we've had a lot of stuff and that you're

669

00:23:21,590 --> 00:23:19,679

not seeing and it's one of the things

670

00:23:22,870 --> 00:23:21,600

that's frustrating to us

671

00:23:26,230 --> 00:23:22,880

um

672

00:23:28,070 --> 00:23:26,240

so we we try and dig as much as we can

673

00:23:30,230 --> 00:23:28,080

but the equipment that we had at the

674

00:23:33,110 --> 00:23:30,240

time of like season two

675

00:23:34,950 --> 00:23:33,120

it wasn't what we were hoping for but

676

00:23:36,710 --> 00:23:34,960

it's what we had you know and we went as

677

00:23:38,630 --> 00:23:36,720

far as we could

678

00:23:40,070 --> 00:23:38,640

that makes perfect sense man we've even

679

00:23:41,990 --> 00:23:40,080

got a follow-up here thank you again

680

00:23:43,590 --> 00:23:42,000

blue eyes for the five dollars

681

00:23:46,070 --> 00:23:43,600

why does it seem like nothing is ever

682

00:23:47,990 --> 00:23:46,080

finished on the show when you guys do

683

00:23:49,190 --> 00:23:48,000

some tests it shows the results to a

684

00:23:50,390 --> 00:23:49,200

point

685

00:23:52,390 --> 00:23:50,400

um

686

00:23:53,590 --> 00:23:52,400

it's it's like once you finally get like

687

00:23:55,510 --> 00:23:53,600

an answer

688

00:23:57,430 --> 00:23:55,520

we have other things that happen that

689

00:23:58,870 --> 00:23:57,440

make it seem like we got 10 more

690

00:24:01,029 --> 00:23:58,880

questions now

691

00:24:03,110 --> 00:24:01,039

and and it feels like we're not ever

692

00:24:04,950 --> 00:24:03,120

getting that definite answer

693

00:24:08,149 --> 00:24:04,960

and trust me it's one of the things

694

00:24:10,549 --> 00:24:08,159

that's frustrating to us yeah we we try

695

00:24:12,310 --> 00:24:10,559

and get the answers but then we just get

696

00:24:14,390 --> 00:24:12,320

10 more questions

697

00:24:15,590 --> 00:24:14,400

and or something happens and we start

698

00:24:17,029 --> 00:24:15,600

going down this other rabbit hole

699

00:24:18,950 --> 00:24:17,039

because it's so significant that we're

700

00:24:19,750 --> 00:24:18,960

like what the crap

701
00:24:26,789 --> 00:24:19,760
yeah

702
00:24:28,789 --> 00:24:26,799
we want to give people answers but

703
00:24:31,110 --> 00:24:28,799
sometimes it's like we're we have so

704
00:24:33,110 --> 00:24:31,120
many things happen say like

705
00:24:35,269 --> 00:24:33,120
we'll put a pencil down

706
00:24:37,430 --> 00:24:35,279
and and you know you put it there

707
00:24:39,110 --> 00:24:37,440
and you leave the command center for an

708
00:24:40,470 --> 00:24:39,120
hour come back and it's in a whole

709
00:24:42,230 --> 00:24:40,480
nother room

710
00:24:44,390 --> 00:24:42,240
and you're like okay maybe you've

711
00:24:46,390 --> 00:24:44,400
experienced that yourself yes we've

712
00:24:48,470 --> 00:24:46,400
experienced things like that just

713
00:24:49,830 --> 00:24:48,480

but but this is the thing is did i put

714

00:24:52,390 --> 00:24:49,840

it there or did

715

00:24:54,630 --> 00:24:52,400

did i put it somewhere else

716

00:24:56,950 --> 00:24:54,640

yeah there are these little twins little

717

00:24:58,470 --> 00:24:56,960

coincidences like that that but once you

718

00:25:01,750 --> 00:24:58,480

get a hundred of them you start going

719

00:25:03,190 --> 00:25:01,760

okay either i'm crazy or

720

00:25:05,990 --> 00:25:03,200

or you know

721

00:25:07,590 --> 00:25:06,000

and it just gives us more more questions

722

00:25:09,909 --> 00:25:07,600

and the amount of

723

00:25:13,110 --> 00:25:09,919

data and stuff that we've lost is

724

00:25:15,750 --> 00:25:13,120

frustrating wow we've had entire sim

725

00:25:17,430 --> 00:25:15,760

cards entire audio files entire videos

726
00:25:18,390 --> 00:25:17,440
just disappear

727
00:25:21,029 --> 00:25:18,400
wow

728
00:25:23,190 --> 00:25:21,039
and it's it's just

729
00:25:24,470 --> 00:25:23,200
frustrating that must be

730
00:25:26,149 --> 00:25:24,480
yeah difficult especially if it's

731
00:25:27,430 --> 00:25:26,159
consistently happening over and over

732
00:25:29,029 --> 00:25:27,440
again i mean

733
00:25:31,350 --> 00:25:29,039
and that harks back to some of the older

734
00:25:32,789 --> 00:25:31,360
stories again from the sherman days when

735
00:25:33,909 --> 00:25:32,799
you know hair brushes were going missing

736
00:25:35,430 --> 00:25:33,919
while

737
00:25:38,149 --> 00:25:35,440
the wife was in the shower and things

738
00:25:40,230 --> 00:25:38,159

like that so you know they had a 80

739

00:25:41,269 --> 00:25:40,240
pound or 100 pound

740

00:25:43,190 --> 00:25:41,279
uh

741

00:25:45,350 --> 00:25:43,200
jackhammer or something

742

00:25:46,950 --> 00:25:45,360
80 feet up in in a tree

743

00:25:48,789 --> 00:25:46,960
yeah that's right i think it was the

744

00:25:50,789 --> 00:25:48,799
post puncher

745

00:25:52,630 --> 00:25:50,799
yeah or whatever they call them yeah

746

00:25:54,310 --> 00:25:52,640
that's crazy man yeah

747

00:25:55,430 --> 00:25:54,320
one of our jokes is maybe one day we're

748

00:25:56,470 --> 00:25:55,440
going to be out there digging in the

749

00:25:58,549 --> 00:25:56,480
hole and we're going to come out the

750

00:25:59,990 --> 00:25:58,559
next day and the the excavator is going

751
00:26:02,310 --> 00:26:00,000
to be in the top of a tree you know

752
00:26:04,950 --> 00:26:02,320
we're hoping for that you know

753
00:26:06,470 --> 00:26:04,960
that'd be insane all right all right

754
00:26:08,390 --> 00:26:06,480
yeah but i'm just going to give a shout

755
00:26:09,990 --> 00:26:08,400
out to lara sandlin bennett thank you so

756
00:26:12,230 --> 00:26:10,000
much for the dollars

757
00:26:14,950 --> 00:26:12,240
great question this have you heard of

758
00:26:16,310 --> 00:26:14,960
and works with the blind frog ranch

759
00:26:18,789 --> 00:26:16,320
um

760
00:26:21,110 --> 00:26:18,799
i know of blind frog ranch i have not

761
00:26:22,789 --> 00:26:21,120
met any of that team

762
00:26:25,029 --> 00:26:22,799
um

763
00:26:27,510 --> 00:26:25,039

i one of the security guys that i work

764

00:26:29,269 --> 00:26:27,520

with has actually gone over and done

765

00:26:31,430 --> 00:26:29,279

some work um

766

00:26:33,350 --> 00:26:31,440

in a whole different field he he worked

767

00:26:34,710 --> 00:26:33,360

in oil field you know has some relations

768

00:26:35,750 --> 00:26:34,720

with some guys there they asked him for

769

00:26:37,510 --> 00:26:35,760

some help

770

00:26:39,430 --> 00:26:37,520

he ended up going over there and doing

771

00:26:41,110 --> 00:26:39,440

some work and he asked me if i wanted to

772

00:26:43,110 --> 00:26:41,120

go out there the one day i i've kind of

773

00:26:44,230 --> 00:26:43,120

gotten an open invitation to go over

774

00:26:46,710 --> 00:26:44,240

there

775

00:26:49,110 --> 00:26:46,720

i just haven't been able to do that and

776

00:26:52,070 --> 00:26:49,120

i've just been too busy i just can't get

777

00:26:53,909 --> 00:26:52,080

over there um that's fair enough so i i

778

00:26:55,830 --> 00:26:53,919

don't know much about blind frog ranch i

779

00:26:58,230 --> 00:26:55,840

haven't i can't speak for anything

780

00:27:01,269 --> 00:26:58,240

that's going on over there so

781

00:27:02,470 --> 00:27:01,279

yeah maybe it's fairly new to me um i i

782

00:27:04,950 --> 00:27:02,480

think there's a documentary out

783

00:27:06,230 --> 00:27:04,960

available to watch around it but it's i

784

00:27:08,390 --> 00:27:06,240

think a lot of it from what i could

785

00:27:10,149 --> 00:27:08,400

gather was to do with like lost gold and

786

00:27:12,230 --> 00:27:10,159

stuff like that not so much touching on

787

00:27:14,230 --> 00:27:12,240

the phenomena and stuff like that that's

788

00:27:15,909 --> 00:27:14,240

what i've heard too so i i don't know if

789

00:27:16,630 --> 00:27:15,919

they're experiencing anything like we

790

00:27:17,669 --> 00:27:16,640

are

791

00:27:18,870 --> 00:27:17,679

um

792

00:27:21,350 --> 00:27:18,880

but yeah that's what i've heard is

793

00:27:23,430 --> 00:27:21,360

they're kind of more because we have a a

794

00:27:25,029 --> 00:27:23,440

lot of stories in this area this is the

795

00:27:26,549 --> 00:27:25,039

area where butch cassidy and the

796

00:27:28,070 --> 00:27:26,559

sundance kid ran around a lot we have a

797

00:27:28,950 --> 00:27:28,080

lot of gold stories out here in this

798

00:27:31,269 --> 00:27:28,960

area

799

00:27:32,950 --> 00:27:31,279

we have a lot of spanish gold stories

800

00:27:35,990 --> 00:27:32,960

there's a lot of really neat history out

801
00:27:38,870 --> 00:27:36,000
here uh in regards to some lost gold

802
00:27:40,789 --> 00:27:38,880
mines and things like that so

803
00:27:42,549 --> 00:27:40,799
that's interesting man so many stories

804
00:27:44,549 --> 00:27:42,559
in such yeah is that is that all in the

805
00:27:45,909 --> 00:27:44,559
winter basin as well that's all that you

806
00:27:48,389 --> 00:27:45,919
want to base and then and but that's

807
00:27:49,990 --> 00:27:48,399
kind of one of the neat things is that's

808
00:27:52,870 --> 00:27:50,000
kind of like the american west a lot of

809
00:27:54,630 --> 00:27:52,880
these things go back to that time

810
00:27:56,870 --> 00:27:54,640
like a lot of people don't know about

811
00:27:59,669 --> 00:27:56,880
for instance the snake wars is what they

812
00:28:02,470 --> 00:27:59,679
were called and that was up in idaho and

813
00:28:04,630 --> 00:28:02,480

northern utah and nevada and they were

814

00:28:06,470 --> 00:28:04,640

actually over the longest period of time

815

00:28:08,230 --> 00:28:06,480

the most bloody conflicts in the

816

00:28:09,750 --> 00:28:08,240

american west but nobody's heard about

817

00:28:11,430 --> 00:28:09,760

i've heard about it

818

00:28:13,909 --> 00:28:11,440

because of all it's all overshadowed by

819

00:28:15,750 --> 00:28:13,919

the civil war it's all overshadowed by

820

00:28:17,110 --> 00:28:15,760

the the comanche wars in texas and

821

00:28:18,950 --> 00:28:17,120

things like that so there's a lot of

822

00:28:20,070 --> 00:28:18,960

stories like this that people just never

823

00:28:22,870 --> 00:28:20,080

hear and

824

00:28:24,230 --> 00:28:22,880

you know i've i've actually been kind of

825

00:28:26,630 --> 00:28:24,240

going through

826

00:28:27,750 --> 00:28:26,640

because some guys said i should do this

827

00:28:29,269 --> 00:28:27,760

i've just been going through and writing

828

00:28:30,789 --> 00:28:29,279

down a bunch of stories that i grew up

829

00:28:33,269 --> 00:28:30,799

hearing just in southeast idaho and

830

00:28:35,269 --> 00:28:33,279

they're they're creepy they're weird

831

00:28:36,549 --> 00:28:35,279

uh and it's just

832

00:28:37,750 --> 00:28:36,559

you know their stories i don't know if

833

00:28:39,430 --> 00:28:37,760

they're true i can't

834

00:28:40,789 --> 00:28:39,440

you know but they're neat but yeah but

835

00:28:42,230 --> 00:28:40,799

it's good that you write them down for

836

00:28:43,590 --> 00:28:42,240

them you can like think about them or

837

00:28:45,750 --> 00:28:43,600

look into them and stuff like that you

838

00:28:48,149 --> 00:28:45,760

don't just let them fly by and ignore

839

00:28:50,310 --> 00:28:48,159

them which unfortunately some people do

840

00:28:51,830 --> 00:28:50,320

so that's really cool man i like that i

841

00:28:53,269 --> 00:28:51,840

like that style i'm very much that i

842

00:28:56,710 --> 00:28:53,279

always have a writing pad next to me at

843

00:28:58,789 --> 00:28:56,720

all times you know something um

844

00:29:00,549 --> 00:28:58,799

so let's jump into a little bit of

845

00:29:02,549 --> 00:29:00,559

season two um

846

00:29:05,269 --> 00:29:02,559

i'm a big fan of the show i know a lot

847

00:29:06,549 --> 00:29:05,279

of people question it and say why

848

00:29:07,990 --> 00:29:06,559

you know we've had some of the questions

849

00:29:09,909 --> 00:29:08,000

why don't we get it all or why do you

850

00:29:11,350 --> 00:29:09,919

seem to stop but what really stuck out

851
00:29:13,110 --> 00:29:11,360
for me at the very start was the

852
00:29:15,669 --> 00:29:13,120
draining of

853
00:29:16,630 --> 00:29:15,679
um of the water near homestead 2. yes i

854
00:29:18,789 --> 00:29:16,640
mean

855
00:29:20,950 --> 00:29:18,799
in itself

856
00:29:22,389 --> 00:29:20,960
some people said like

857
00:29:23,990 --> 00:29:22,399
why is that interesting but for me

858
00:29:26,230 --> 00:29:24,000
personally i found that

859
00:29:27,830 --> 00:29:26,240
so strange because of you know the

860
00:29:29,350 --> 00:29:27,840
systems and where it should have come

861
00:29:30,950 --> 00:29:29,360
out and things like can you talk about

862
00:29:33,029 --> 00:29:30,960
what it was like when that was happening

863
00:29:35,029 --> 00:29:33,039

and what you thought about it personally

864

00:29:37,590 --> 00:29:35,039

and the funny things that happened with

865

00:29:40,389 --> 00:29:37,600

yourself at that point as well okay yeah

866

00:29:42,230 --> 00:29:40,399

so that was a long day

867

00:29:44,389 --> 00:29:42,240

um where

868

00:29:46,950 --> 00:29:44,399

it it that water was there and it was

869

00:29:47,909 --> 00:29:46,960

and it did drain pretty quickly pretty

870

00:29:50,950 --> 00:29:47,919

quickly

871

00:29:53,269 --> 00:29:50,960

um for how much water was in that hole

872

00:29:55,510 --> 00:29:53,279

i grew up again farming and things like

873

00:29:57,350 --> 00:29:55,520

that i i'm used to ditches i'm used to

874

00:29:58,950 --> 00:29:57,360

running water i you know and i've i

875

00:30:00,870 --> 00:29:58,960

helped with tom run it doing the

876

00:30:02,870 --> 00:30:00,880

irrigation and stuff on the ranch uh

877

00:30:04,630 --> 00:30:02,880

when he's not able to

878

00:30:05,830 --> 00:30:04,640

um

879

00:30:10,070 --> 00:30:05,840

and

880

00:30:12,070 --> 00:30:10,080

the thing with that was casey smith

881

00:30:14,070 --> 00:30:12,080

one of the hydrologists that we had come

882

00:30:15,590 --> 00:30:14,080

out with from uh

883

00:30:17,510 --> 00:30:15,600

oh gosh i can't remember the companies

884

00:30:19,190 --> 00:30:17,520

from up there in idaho but he was

885

00:30:20,789 --> 00:30:19,200

talking about how you know just because

886

00:30:23,590 --> 00:30:20,799

the ground on top looks like it's

887

00:30:25,510 --> 00:30:23,600

slanting say south doesn't mean that

888

00:30:27,190 --> 00:30:25,520

underground there isn't a tunnel taking

889

00:30:28,310 --> 00:30:27,200

all that water going north

890

00:30:30,389 --> 00:30:28,320

yeah so

891

00:30:32,230 --> 00:30:30,399

we really don't know where that water's

892

00:30:33,510 --> 00:30:32,240

going and

893

00:30:35,430 --> 00:30:33,520

and that was the thing is that we were

894

00:30:37,750 --> 00:30:35,440

hoping to find it and we we went all

895

00:30:39,990 --> 00:30:37,760

over the dang place looking for that and

896

00:30:42,630 --> 00:30:40,000

yeah i don't know where it popped out

897

00:30:44,870 --> 00:30:42,640

you know our joke is maybe some farmer

898

00:30:46,710 --> 00:30:44,880

in you know 50 miles away is going to

899

00:30:48,630 --> 00:30:46,720

wake up one day and his whole phil's

900

00:30:53,669 --> 00:30:48,640

going to be neon

901
00:30:57,029 --> 00:30:55,269
you know so

902
00:30:59,350 --> 00:30:57,039
it's kind of hard saying where what's

903
00:31:00,470 --> 00:30:59,360
going on underground yeah we've

904
00:31:02,230 --> 00:31:00,480
we kind of

905
00:31:03,830 --> 00:31:02,240
have figured that there's probably a lot

906
00:31:06,470 --> 00:31:03,840
of water systems and we've poked holes

907
00:31:08,149 --> 00:31:06,480
all over the ranch because of season two

908
00:31:09,350 --> 00:31:08,159
yeah and we were hitting water at

909
00:31:10,870 --> 00:31:09,360
different levels that were pretty

910
00:31:15,110 --> 00:31:10,880
surprising like

911
00:31:17,590 --> 00:31:15,120
uh 10 or 20 feet below water or

912
00:31:19,509 --> 00:31:17,600
below ground we're hitting water

913
00:31:21,669 --> 00:31:19,519

and i don't know and we don't know if

914

00:31:24,549 --> 00:31:21,679

there's bigger tunnel systems

915

00:31:26,070 --> 00:31:24,559

we we don't know yeah um and that whole

916

00:31:27,830 --> 00:31:26,080

time when we're actually kind of digging

917

00:31:29,830 --> 00:31:27,840

that hole out and kind of looking for

918

00:31:31,350 --> 00:31:29,840

that water obviously that's when a lot

919

00:31:33,269 --> 00:31:31,360

of people see my phone start doing what

920

00:31:34,950 --> 00:31:33,279

it's doing well that's that's kind of

921

00:31:35,830 --> 00:31:34,960

what i was alluding to because i i know

922

00:31:39,029 --> 00:31:35,840

that

923

00:31:41,190 --> 00:31:39,039

happened many times didn't it i mean and

924

00:31:43,029 --> 00:31:41,200

yeah can you go into detail about that

925

00:31:44,310 --> 00:31:43,039

and why it was weird

926
00:31:46,950 --> 00:31:44,320
okay so

927
00:31:48,870 --> 00:31:46,960
i've had iphones for 10 years

928
00:31:51,269 --> 00:31:48,880
i've used them

929
00:31:52,549 --> 00:31:51,279
exclusively essentially because i'm kind

930
00:31:54,230 --> 00:31:52,559
of lazy and i don't want to learn

931
00:31:55,669 --> 00:31:54,240
another system you know i don't it's not

932
00:31:57,509 --> 00:31:55,679
that i have anything against any other

933
00:31:59,110 --> 00:31:57,519
phones i've just always had apple

934
00:32:00,950 --> 00:31:59,120
products

935
00:32:02,710 --> 00:32:00,960
my all my stuff's there you know on

936
00:32:04,710 --> 00:32:02,720
between icloud and things like that so

937
00:32:06,549 --> 00:32:04,720
i've used iphones for years

938
00:32:07,190 --> 00:32:06,559

and that particular phone yes i've had

939

00:32:07,909 --> 00:32:07,200

it

940

00:32:09,430 --> 00:32:07,919

for

941

00:32:11,509 --> 00:32:09,440

many many years

942

00:32:13,190 --> 00:32:11,519

because

943

00:32:14,630 --> 00:32:13,200

with what i'm doing

944

00:32:16,630 --> 00:32:14,640

i'm not going to go get a new one every

945

00:32:18,630 --> 00:32:16,640

time a screen gets cracked or something

946

00:32:19,990 --> 00:32:18,640

just because i'm i'm not going to spend

947

00:32:22,149 --> 00:32:20,000

that kind of money

948

00:32:23,590 --> 00:32:22,159

when it's functioning like it there was

949

00:32:25,509 --> 00:32:23,600

nothing wrong with that phone whenever i

950

00:32:26,789 --> 00:32:25,519

was off the ranch it worked like it was

951
00:32:29,430 --> 00:32:26,799
supposed to

952
00:32:30,389 --> 00:32:29,440
it did what i needed it to

953
00:32:31,990 --> 00:32:30,399
but

954
00:32:34,149 --> 00:32:32,000
i've had that phone on the ranch for

955
00:32:37,990 --> 00:32:34,159
years and like the first two years i was

956
00:32:42,389 --> 00:32:41,029
and what happened was eric had been

957
00:32:43,909 --> 00:32:42,399
doing a lot of tests on all these

958
00:32:46,389 --> 00:32:43,919
different phones he's done tests on like

959
00:32:48,710 --> 00:32:46,399
100 literally 100 different phones

960
00:32:50,630 --> 00:32:48,720
wow with his magnets trying to recreate

961
00:32:52,710 --> 00:32:50,640
some of the things that we've had

962
00:32:54,230 --> 00:32:52,720
and i asked him one day i was just

963
00:32:55,830 --> 00:32:54,240

curious hey do you ever have anything

964

00:32:57,830 --> 00:32:55,840

happen with an iphone 7 plus and he's

965

00:32:59,269 --> 00:32:57,840

like no you're fine that nothing ever

966

00:33:00,870 --> 00:32:59,279

happens with that

967

00:33:02,950 --> 00:33:00,880

very next day

968

00:33:05,509 --> 00:33:02,960

my phone

969

00:33:07,830 --> 00:33:05,519

um doesn't have as much damage on it as

970

00:33:10,630 --> 00:33:07,840

as it does it as you seen in season two

971

00:33:12,389 --> 00:33:10,640

but yeah you know i had like one scratch

972

00:33:14,230 --> 00:33:12,399

on it or something you know it was still

973

00:33:16,070 --> 00:33:14,240

fairly new at this point

974

00:33:17,909 --> 00:33:16,080

and this is years you know this is

975

00:33:20,710 --> 00:33:17,919

probably 2018

976
00:33:22,389 --> 00:33:20,720
2018 somewhere in there but my phone

977
00:33:24,470 --> 00:33:22,399
goes in and

978
00:33:26,389 --> 00:33:24,480
it's in uh my pocket

979
00:33:29,269 --> 00:33:26,399
and it starts playing music starts

980
00:33:30,789 --> 00:33:29,279
playing so it's it's it's going in and

981
00:33:32,389 --> 00:33:30,799
playing these different songs and i'm

982
00:33:34,549 --> 00:33:32,399
not saying like it's skipping to

983
00:33:35,669 --> 00:33:34,559
different songs it was going to specific

984
00:33:38,470 --> 00:33:35,679
lyrics

985
00:33:39,830 --> 00:33:38,480
in all these different songs

986
00:33:42,389 --> 00:33:39,840
trying to string them it was like it's

987
00:33:44,149 --> 00:33:42,399
stringing them together and at the same

988
00:33:45,430 --> 00:33:44,159

time it was in my

989

00:33:47,430 --> 00:33:45,440

calculator

990

00:33:48,510 --> 00:33:47,440

inputting numbers and doing all this

991

00:33:49,909 --> 00:33:48,520

stuff faster than

992

00:33:52,149 --> 00:33:49,919

[Music]

993

00:33:54,070 --> 00:33:52,159

like it was a automated or like it was

994

00:33:55,430 --> 00:33:54,080

flicking through things super quick yeah

995

00:33:56,950 --> 00:33:55,440

it was sitting there like doing all

996

00:33:58,710 --> 00:33:56,960

these equations doing all sorts of weird

997

00:34:02,470 --> 00:33:58,720

stuff at the exact same time it's doing

998

00:34:04,789 --> 00:34:02,480

this with my with with the music

999

00:34:06,870 --> 00:34:04,799

and i have some re some of that recorded

1000

00:34:08,550 --> 00:34:06,880

but the phone the other guy his phone

1001
00:34:10,950 --> 00:34:08,560
was in worse condition he he could

1002
00:34:12,629 --> 00:34:10,960
record it but wouldn't pick up sound so

1003
00:34:14,389 --> 00:34:12,639
it's frustrating because that kind of

1004
00:34:17,589 --> 00:34:14,399
stuff happens you know like we try and

1005
00:34:19,270 --> 00:34:17,599
record things yeah and we don't

1006
00:34:21,190 --> 00:34:19,280
we don't catch what we're hoping they

1007
00:34:22,470 --> 00:34:21,200
catch

1008
00:34:24,310 --> 00:34:22,480
can i just sorry i'm just going to jump

1009
00:34:25,990 --> 00:34:24,320
in because i just want to shout out my

1010
00:34:27,829 --> 00:34:26,000
friend dan the signal

1011
00:34:30,230 --> 00:34:27,839
caleb i used to work for apple ghost

1012
00:34:32,230 --> 00:34:30,240
touch is a thing yes but in in my five

1013
00:34:34,869 --> 00:34:32,240

years there i never saw it as bad as

1014

00:34:37,510 --> 00:34:34,879

your phone especially unlocking past the

1015

00:34:39,510 --> 00:34:37,520

passcode that's a big deal isn't it

1016

00:34:42,550 --> 00:34:39,520

yeah so i'm happy they brought that up

1017

00:34:44,790 --> 00:34:42,560

because my phone had has been doing that

1018

00:34:46,710 --> 00:34:44,800

my old phone i actually have a new one

1019

00:34:50,550 --> 00:34:46,720

um i've had it for like three or four

1020

00:34:51,750 --> 00:34:50,560

weeks now um my old phone

1021

00:34:53,829 --> 00:34:51,760

would not

1022

00:34:54,470 --> 00:34:53,839

or um gosh let me

1023

00:35:23,510 --> 00:34:54,480

i

1024

00:35:25,510 --> 00:35:23,520

your phone

1025

00:35:26,710 --> 00:35:25,520

and it stops and

1026

00:35:28,390 --> 00:35:26,720

you're sitting there trying to figure it

1027

00:35:31,510 --> 00:35:28,400

out and then a couple minutes later it

1028

00:35:34,390 --> 00:35:31,520

like catches up like like the you know

1029

00:35:36,390 --> 00:35:34,400

this is not it like

1030

00:35:37,510 --> 00:35:36,400

i'm standing there with my phone in my

1031

00:35:38,870 --> 00:35:37,520

pocket

1032

00:35:41,109 --> 00:35:38,880

and it's off

1033

00:35:43,589 --> 00:35:41,119

and it starts dialing 911 it starts

1034

00:35:45,670 --> 00:35:43,599

dialing dispatch it starts dialing other

1035

00:35:48,069 --> 00:35:45,680

officers i'm an officer why is it

1036

00:35:49,109 --> 00:35:48,079

calling that

1037

00:35:51,109 --> 00:35:49,119

you know

1038

00:35:53,750 --> 00:35:51,119

there's things like that that

1039

00:35:55,589 --> 00:35:53,760

of all the people my phone could go call

1040

00:35:56,790 --> 00:35:55,599

or something why is it calling people

1041

00:35:59,670 --> 00:35:56,800

that

1042

00:36:01,349 --> 00:35:59,680

you know it started playing one of the

1043

00:36:05,030 --> 00:36:01,359

other one of the podcasts i used to

1044

00:36:07,589 --> 00:36:05,910

you know

1045

00:36:10,870 --> 00:36:07,599

like it's tapping in up here or

1046

00:36:12,470 --> 00:36:10,880

something as well yeah and and then you

1047

00:36:16,150 --> 00:36:12,480

know it's not just going past my

1048

00:36:17,349 --> 00:36:16,160

passcode on my phone it was going into

1049

00:36:19,910 --> 00:36:17,359

and doing

1050

00:36:23,349 --> 00:36:19,920

passcodes into like financial apps into

1051
00:36:27,349 --> 00:36:24,829
and these are so these are all different

1052
00:36:29,349 --> 00:36:27,359
passwords were some of them like

1053
00:36:31,910 --> 00:36:29,359
two-step encryption and stuff like that

1054
00:36:33,030 --> 00:36:31,920
or some authenticators were required

1055
00:36:34,950 --> 00:36:33,040
things like that and it's just going

1056
00:36:36,950 --> 00:36:34,960
right past them going out going back in

1057
00:36:38,710 --> 00:36:36,960
it my phone actually shut itself off

1058
00:36:40,630 --> 00:36:38,720
turned itself back on and went through

1059
00:36:42,550 --> 00:36:40,640
the passcode and then and you see that

1060
00:36:44,710 --> 00:36:42,560
again with the rockets

1061
00:36:46,230 --> 00:36:44,720
yes it it just

1062
00:36:47,349 --> 00:36:46,240
breaks my code

1063
00:36:50,710 --> 00:36:47,359

and

1064

00:36:52,310 --> 00:36:50,720

scientists were like just because you

1065

00:36:56,550 --> 00:36:52,320

have have a crack screen doesn't mean

1066

00:36:57,510 --> 00:36:56,560

you it can just go past not like

1067

00:36:58,790 --> 00:36:57,520

you know

1068

00:37:00,310 --> 00:36:58,800

so

1069

00:37:02,069 --> 00:37:00,320

just a lot of strange things with the

1070

00:37:03,430 --> 00:37:02,079

phone and then and since i've had my new

1071

00:37:05,589 --> 00:37:03,440

one i've actually had some different

1072

00:37:08,230 --> 00:37:05,599

things happen with it not to the extent

1073

00:37:09,670 --> 00:37:08,240

that we've seen with my other one yet

1074

00:37:11,030 --> 00:37:09,680

but it has

1075

00:37:12,950 --> 00:37:11,040

in the last three or four weeks already

1076

00:37:15,190 --> 00:37:12,960

done some weird stuff

1077

00:37:16,150 --> 00:37:15,200

that's incredible man and so i'm like

1078

00:37:17,670 --> 00:37:16,160

yeah

1079

00:37:19,270 --> 00:37:17,680

i'm kind of had that moment where i'm

1080

00:37:21,109 --> 00:37:19,280

like screw you screw you you're cool

1081

00:37:23,589 --> 00:37:21,119

screw you

1082

00:37:24,630 --> 00:37:23,599

with my new phone you know so yeah

1083

00:37:26,550 --> 00:37:24,640

it's just

1084

00:37:28,310 --> 00:37:26,560

i mean that was i was sorry i'm just

1085

00:37:31,270 --> 00:37:28,320

gonna say i've got smack when i saw it

1086

00:37:33,589 --> 00:37:31,280

in the series so to hear you say in a

1087

00:37:36,310 --> 00:37:33,599

bit more detail here is

1088

00:37:38,150 --> 00:37:36,320

it's not normal man no and what people

1089

00:37:41,349 --> 00:37:38,160

need to understand too is

1090

00:37:42,950 --> 00:37:41,359

it only ever happened on the ranch

1091

00:37:43,990 --> 00:37:42,960

until recently

1092

00:37:46,630 --> 00:37:44,000

too so

1093

00:37:48,710 --> 00:37:46,640

i i can fully say yeah there's some

1094

00:37:50,310 --> 00:37:48,720

things that recently it got to the point

1095

00:37:51,990 --> 00:37:50,320

where i knew my phone was glitching and

1096

00:37:54,310 --> 00:37:52,000

it wasn't just some weird thing happened

1097

00:37:56,310 --> 00:37:54,320

on the ranch yeah but for the first year

1098

00:37:57,829 --> 00:37:56,320

and a half my phone would never do

1099

00:38:00,150 --> 00:37:57,839

anything like that when i was at home

1100

00:38:01,829 --> 00:38:00,160

when i was out doing my patrol or

1101
00:38:03,349 --> 00:38:01,839
anything like that it only happened on

1102
00:38:04,950 --> 00:38:03,359
the ranch

1103
00:38:07,109 --> 00:38:04,960
and again that's something that people

1104
00:38:08,790 --> 00:38:07,119
don't see people don't know and i get

1105
00:38:10,310 --> 00:38:08,800
that like and that's fine and i i kind

1106
00:38:12,150 --> 00:38:10,320
of just chuckled to myself that some of

1107
00:38:13,270 --> 00:38:12,160
the comments and stuff and it's fine

1108
00:38:15,589 --> 00:38:13,280
like

1109
00:38:18,230 --> 00:38:15,599
you know people have their opinions and

1110
00:38:19,829 --> 00:38:18,240
it's fine you know that's why we you

1111
00:38:21,670 --> 00:38:19,839
know that i i want people to have their

1112
00:38:24,150 --> 00:38:21,680
opinions i want people to

1113
00:38:24,950 --> 00:38:24,160

yeah you know be able to think freely

1114

00:38:26,230 --> 00:38:24,960

and

1115

00:38:27,589 --> 00:38:26,240

get their ideas out there you know

1116

00:38:30,470 --> 00:38:27,599

there's nothing wrong with that

1117

00:38:32,550 --> 00:38:30,480

absolutely i mean all they see is the

1118

00:38:33,750 --> 00:38:32,560

yeah the series from

1119

00:38:35,510 --> 00:38:33,760

a major

1120

00:38:38,710 --> 00:38:35,520

production company or whatever but

1121

00:38:40,630 --> 00:38:38,720

you're seeing this out of this yeah i

1122

00:38:42,390 --> 00:38:40,640

mean brandon handles it seriously well

1123

00:38:44,470 --> 00:38:42,400

on twitter and that because they come

1124

00:38:46,390 --> 00:38:44,480

out here man they come at him seriously

1125

00:38:48,069 --> 00:38:46,400

and he does such a good job and and i

1126
00:38:48,950 --> 00:38:48,079
think he's even alluded in the last week

1127
00:38:51,829 --> 00:38:48,960
that

1128
00:38:54,230 --> 00:38:51,839
the skinwalker ranch website is gonna

1129
00:38:55,349 --> 00:38:54,240
start having stuff put on it more often

1130
00:38:57,510 --> 00:38:55,359
even

1131
00:38:59,270 --> 00:38:57,520
possibly soon some data as well yeah

1132
00:39:01,910 --> 00:38:59,280
there that's the whole point like

1133
00:39:03,910 --> 00:39:01,920
brandon and eric are

1134
00:39:06,069 --> 00:39:03,920
wanting to get this information out

1135
00:39:07,829 --> 00:39:06,079
there and and do it in a way that

1136
00:39:10,150 --> 00:39:07,839
everybody can access it and actually and

1137
00:39:11,670 --> 00:39:10,160
see that you know we're not just

1138
00:39:13,190 --> 00:39:11,680

we're not making any of this out that

1139

00:39:15,109 --> 00:39:13,200

that's my thing is

1140

00:39:19,589 --> 00:39:15,119

we're very

1141

00:39:21,190 --> 00:39:19,599

um careful about what we want out there

1142

00:39:23,510 --> 00:39:21,200

not because we're not trying to hide

1143

00:39:25,990 --> 00:39:23,520

anything where we want it out there

1144

00:39:27,750 --> 00:39:26,000

yeah and we we're being careful in how

1145

00:39:29,510 --> 00:39:27,760

we're presenting it because so people

1146

00:39:31,109 --> 00:39:29,520

can look at and be like okay it's it's

1147

00:39:33,670 --> 00:39:31,119

not being messed with

1148

00:39:36,230 --> 00:39:33,680

here's the data here you go guys like

1149

00:39:38,950 --> 00:39:36,240

this is what we're catching yeah um and

1150

00:39:40,630 --> 00:39:38,960

that's my thing is i can't speak to a

1151

00:39:41,430 --> 00:39:40,640

bunch of the data

1152

00:39:43,030 --> 00:39:41,440

um

1153

00:39:44,790 --> 00:39:43,040

some of it's just over my head and that

1154

00:39:46,310 --> 00:39:44,800

and that's fine i eric's one of my

1155

00:39:47,990 --> 00:39:46,320

favorite people to talk to he's so

1156

00:39:50,310 --> 00:39:48,000

intelligent i learned so much from the

1157

00:39:52,310 --> 00:39:50,320

guy but it's cool because i i can carry

1158

00:39:54,310 --> 00:39:52,320

conversations with them

1159

00:39:56,630 --> 00:39:54,320

just from my from my experiences and the

1160

00:39:58,630 --> 00:39:56,640

things that i've delved into and it's

1161

00:40:00,470 --> 00:39:58,640

just and it's one of my favorite things

1162

00:40:02,150 --> 00:40:00,480

is just the people i'm able to interact

1163

00:40:03,910 --> 00:40:02,160

with while on the ranch and who i'm able

1164

00:40:06,309 --> 00:40:03,920

to meet and the conversation that we're

1165

00:40:07,510 --> 00:40:06,319

able to have and

1166

00:40:09,270 --> 00:40:07,520

you know that's that's probably one of

1167

00:40:11,349 --> 00:40:09,280

my favorite things about the ranch i

1168

00:40:13,190 --> 00:40:11,359

mean that shows to me i see probably

1169

00:40:16,069 --> 00:40:13,200

nearly almost daily

1170

00:40:18,710 --> 00:40:16,079

you posting you travis working hard

1171

00:40:20,309 --> 00:40:18,720

working out like and i mean you must

1172

00:40:21,670 --> 00:40:20,319

have some serious conversations just

1173

00:40:23,589 --> 00:40:21,680

while you're doing that with travis and

1174

00:40:25,829 --> 00:40:23,599

i mean about that is just you know to be

1175

00:40:27,510 --> 00:40:25,839

a flight to be a flyer on the wall

1176

00:40:28,870 --> 00:40:27,520

yeah travis is

1177

00:40:31,510 --> 00:40:28,880

you know again

1178

00:40:33,510 --> 00:40:31,520

yeah i love travis uh one of my favorite

1179

00:40:35,430 --> 00:40:33,520

people to talk to and hang out with and

1180

00:40:37,829 --> 00:40:35,440

he's a big crossfit guy and i love

1181

00:40:38,950 --> 00:40:37,839

staying in shape too and again it kind

1182

00:40:40,069 --> 00:40:38,960

of comes back to you every once in a

1183

00:40:41,589 --> 00:40:40,079

while i'm dealing with someone in the

1184

00:40:43,510 --> 00:40:41,599

law enforcement side where i'm like and

1185

00:40:45,109 --> 00:40:43,520

i'm bent over after getting someone in

1186

00:40:47,190 --> 00:40:45,119

my truck and i'm all breathing hard like

1187

00:40:47,910 --> 00:40:47,200

crap i need to work out more

1188

00:40:48,790 --> 00:40:47,920

so

1189

00:40:50,550 --> 00:40:48,800

it's

1190

00:40:52,470 --> 00:40:50,560

but yeah we try and stay in shape out

1191

00:40:53,990 --> 00:40:52,480

there and it's one of those things like

1192

00:40:54,950 --> 00:40:54,000

you never know

1193

00:40:57,430 --> 00:40:54,960

at the end of the day when we're going

1194

00:40:59,190 --> 00:40:57,440

to have some kind of craziness happen on

1195

00:41:00,470 --> 00:40:59,200

the ranch and the better in shape you

1196

00:41:01,190 --> 00:41:00,480

are the better you're able to deal with

1197

00:41:03,030 --> 00:41:01,200

it

1198

00:41:06,230 --> 00:41:03,040

your body's able to

1199

00:41:08,390 --> 00:41:06,240

react better to stressors and and it's

1200

00:41:11,030 --> 00:41:08,400

hot out here you know we're 90 to 100

1201
00:41:12,550 --> 00:41:11,040
degree weather all the time staying yeah

1202
00:41:14,390 --> 00:41:12,560
i i think is

1203
00:41:16,150 --> 00:41:14,400
you know keeping your

1204
00:41:18,470 --> 00:41:16,160
staying physically and mentally in shape

1205
00:41:20,230 --> 00:41:18,480
and very important gotta be man it's

1206
00:41:22,870 --> 00:41:20,240
gotta be just gonna give a quick shout

1207
00:41:24,550 --> 00:41:22,880
out to my bro andy and my uap discussion

1208
00:41:26,390 --> 00:41:24,560
he's got a question

1209
00:41:28,230 --> 00:41:26,400
how do you f how do you fool an

1210
00:41:30,309 --> 00:41:28,240
intelligent phenomenon that may not be

1211
00:41:32,390 --> 00:41:30,319
want to be captured into materializing

1212
00:41:34,950 --> 00:41:32,400
itself in order to get the proof we are

1213
00:41:36,710 --> 00:41:34,960

looking for that's an intense question

1214

00:41:38,309 --> 00:41:36,720

brad you know i don't think we're trying

1215

00:41:40,550 --> 00:41:38,319

to i think it's just sticking with us

1216

00:41:41,910 --> 00:41:40,560

more than anything to tell you the truth

1217

00:41:44,150 --> 00:41:41,920

um

1218

00:41:45,430 --> 00:41:44,160

because the longer i'm on the ranch it

1219

00:41:47,349 --> 00:41:45,440

does feel like more we're dealing with

1220

00:41:50,069 --> 00:41:47,359

some kind of intelligence

1221

00:41:51,430 --> 00:41:50,079

and and that's

1222

00:41:54,470 --> 00:41:51,440

i yeah

1223

00:41:57,030 --> 00:41:54,480

how do we you know i think it's more we

1224

00:41:58,069 --> 00:41:57,040

we're we try to be really respectful

1225

00:41:59,829 --> 00:41:58,079

because

1226
00:42:01,589 --> 00:41:59,839
the mindset you take out onto the ranch

1227
00:42:03,190 --> 00:42:01,599
is very important and and that's one of

1228
00:42:05,349 --> 00:42:03,200
the things that i'm i've always been out

1229
00:42:07,190 --> 00:42:05,359
there and my goal is to you know keep

1230
00:42:10,230 --> 00:42:07,200
the ranch

1231
00:42:12,790 --> 00:42:10,240
um i guess as safe as possible and

1232
00:42:14,550 --> 00:42:12,800
defend the ranch and

1233
00:42:15,910 --> 00:42:14,560
i know it sounds weird but yeah the

1234
00:42:17,270 --> 00:42:15,920
longer i'm out there the more i feel

1235
00:42:18,390 --> 00:42:17,280
like i have a relationship with the

1236
00:42:20,630 --> 00:42:18,400
ranch

1237
00:42:21,910 --> 00:42:20,640
and i i there's different times where

1238
00:42:23,030 --> 00:42:21,920

different things happen and it feels

1239

00:42:24,710 --> 00:42:23,040

like the ranch is asking me hey when

1240

00:42:26,630 --> 00:42:24,720

you're coming back

1241

00:42:30,630 --> 00:42:26,640

wow and and

1242

00:42:33,910 --> 00:42:30,640

just weird stuff you know and yeah

1243

00:42:35,589 --> 00:42:33,920

does everyone feel like that because

1244

00:42:36,790 --> 00:42:35,599

uh correct me if i'm wrong you've not

1245

00:42:39,190 --> 00:42:36,800

had any

1246

00:42:40,870 --> 00:42:39,200

serious physical things happen to you

1247

00:42:43,270 --> 00:42:40,880

like we've seen with

1248

00:42:44,710 --> 00:42:43,280

thomas winterton travis has had it i

1249

00:42:46,710 --> 00:42:44,720

think other people visiting the ranch

1250

00:42:48,710 --> 00:42:46,720

may have experienced stuff have you had

1251
00:42:50,870 --> 00:42:48,720
any physical um

1252
00:42:52,470 --> 00:42:50,880
afflictions let's say

1253
00:42:55,430 --> 00:42:52,480
yeah uh it's actually been something

1254
00:42:57,430 --> 00:42:55,440
i've been toying with uh revealing uh

1255
00:42:59,190 --> 00:42:57,440
i've i've got some photos on my phone of

1256
00:43:00,710 --> 00:42:59,200
my eye where when i got zapped a couple

1257
00:43:01,589 --> 00:43:00,720
years ago

1258
00:43:02,870 --> 00:43:01,599
wow

1259
00:43:03,910 --> 00:43:02,880
and

1260
00:43:04,950 --> 00:43:03,920
hi

1261
00:43:07,270 --> 00:43:04,960
yeah

1262
00:43:08,950 --> 00:43:07,280
uh basically i was up on top of the mesa

1263
00:43:10,150 --> 00:43:08,960

with another group we were doing some

1264

00:43:11,990 --> 00:43:10,160

testing

1265

00:43:13,270 --> 00:43:12,000

and my eye just went dry there was no

1266

00:43:14,470 --> 00:43:13,280

wind there was it was in the middle of

1267

00:43:17,349 --> 00:43:14,480

the day

1268

00:43:19,750 --> 00:43:17,359

um and it was just my i just went dry

1269

00:43:21,030 --> 00:43:19,760

like yep you know and

1270

00:43:23,030 --> 00:43:21,040

i was sitting there scratching and going

1271

00:43:25,670 --> 00:43:23,040

what the what the crap you know what

1272

00:43:27,829 --> 00:43:25,680

what's going on here

1273

00:43:29,270 --> 00:43:27,839

the next day i wake up and it just

1274

00:43:30,790 --> 00:43:29,280

keeps getting worse keeps getting worse

1275

00:43:32,870 --> 00:43:30,800

but i was like i was just kind of like

1276

00:43:34,150 --> 00:43:32,880

whatever like

1277

00:43:36,470 --> 00:43:34,160

you know i

1278

00:43:38,309 --> 00:43:36,480

i took my contacts out i always take my

1279

00:43:41,270 --> 00:43:38,319

contacts out every night i've been

1280

00:43:44,390 --> 00:43:41,280

wearing contacts for 15 plus years i've

1281

00:43:46,710 --> 00:43:44,400

never had an issue with them yeah i take

1282

00:43:48,390 --> 00:43:46,720

them out i go do a night shift for the

1283

00:43:49,510 --> 00:43:48,400

sheriff's department and then i wake up

1284

00:43:52,550 --> 00:43:49,520

wednesday morning it feels like

1285

00:43:54,790 --> 00:43:52,560

someone's ripping my eye out of my head

1286

00:43:56,950 --> 00:43:54,800

um the most pain i've ever been in my

1287

00:43:58,710 --> 00:43:56,960

life and i go and i

1288

00:43:59,829 --> 00:43:58,720

go to the doctor's office or to the eye

1289

00:44:02,150 --> 00:43:59,839

doctor and

1290

00:44:03,910 --> 00:44:02,160

he put some drops in my eye and put some

1291

00:44:06,230 --> 00:44:03,920

blue dye in it and hit it with this

1292

00:44:08,550 --> 00:44:06,240

light and just all this and you could

1293

00:44:10,390 --> 00:44:08,560

see the damage in a fan pattern

1294

00:44:12,150 --> 00:44:10,400

going from the center of my eye outward

1295

00:44:14,309 --> 00:44:12,160

except for like the very

1296

00:44:15,270 --> 00:44:14,319

bottom part of it

1297

00:44:17,750 --> 00:44:15,280

um

1298

00:44:19,510 --> 00:44:17,760

and it's just been something that

1299

00:44:20,790 --> 00:44:19,520

i've been toying with kind of showing

1300

00:44:28,950 --> 00:44:20,800

that

1301

00:44:31,750 --> 00:44:28,960

something like this happen

1302

00:44:34,069 --> 00:44:31,760

um and that's where i i i can't speak

1303

00:44:36,069 --> 00:44:34,079

for other guys no of course of course

1304

00:44:37,990 --> 00:44:36,079

yeah of course how would you say that

1305

00:44:39,670 --> 00:44:38,000

about the eye thing how would you say

1306

00:44:41,349 --> 00:44:39,680

what would you say to someone that may

1307

00:44:42,790 --> 00:44:41,359

say well you know you're on top of a

1308

00:44:44,470 --> 00:44:42,800

mesa there's dust flying around

1309

00:44:46,230 --> 00:44:44,480

everywhere couldn't it just be something

1310

00:44:47,430 --> 00:44:46,240

sharp in a dust particle or something

1311

00:44:48,150 --> 00:44:47,440

like that

1312

00:44:50,630 --> 00:44:48,160

so

1313

00:44:52,470 --> 00:44:50,640

the the eye doctor talked about what

1314

00:44:54,309 --> 00:44:52,480

kind of damage there was on the surface

1315

00:44:56,630 --> 00:44:54,319

of my eye and he said that's what was

1316

00:44:57,750 --> 00:44:56,640

strange about it is it was like this

1317

00:45:00,390 --> 00:44:57,760

ripple

1318

00:45:02,230 --> 00:45:00,400

going straight in a fan pattern from the

1319

00:45:04,950 --> 00:45:02,240

center of my eye outward

1320

00:45:06,630 --> 00:45:04,960

and that's what you can see in the

1321

00:45:08,950 --> 00:45:06,640

in the picture is this

1322

00:45:10,069 --> 00:45:08,960

triangle pattern like the very bottom of

1323

00:45:12,150 --> 00:45:10,079

my eye

1324

00:45:14,630 --> 00:45:12,160

there's no damage but everywhere else

1325

00:45:17,030 --> 00:45:14,640

you can see

1326

00:45:19,829 --> 00:45:17,040

where that damage was and it's very

1327

00:45:22,470 --> 00:45:19,839

localized in the one spot and

1328

00:45:23,670 --> 00:45:22,480

the different health professionals that

1329

00:45:25,510 --> 00:45:23,680

i've talked to

1330

00:45:27,109 --> 00:45:25,520

that have connected to the ranch about

1331

00:45:28,710 --> 00:45:27,119

it

1332

00:45:31,030 --> 00:45:28,720

the best answer i got was yeah you

1333

00:45:32,710 --> 00:45:31,040

basically got hit by some kind of

1334

00:45:35,109 --> 00:45:32,720

directed energy

1335

00:45:35,990 --> 00:45:35,119

wow and we don't know what it is

1336

00:45:37,349 --> 00:45:36,000

that

1337

00:45:38,870 --> 00:45:37,359

is crazy

1338

00:45:40,309 --> 00:45:38,880

and it's just another example of the

1339

00:45:42,470 --> 00:45:40,319

stuff we've seen on the show and that

1340

00:45:44,230 --> 00:45:42,480

and this is something i really was i'm

1341

00:45:46,150 --> 00:45:44,240

glad you said that because you know i

1342

00:45:47,030 --> 00:45:46,160

get contact and ask so many questions

1343

00:45:48,390 --> 00:45:47,040

and

1344

00:45:50,309 --> 00:45:48,400

people make statements about skin

1345

00:45:51,670 --> 00:45:50,319

walkers saying it's just a tv show they

1346

00:45:52,710 --> 00:45:51,680

hype it up and stuff like that and i'm

1347

00:45:55,589 --> 00:45:52,720

like

1348

00:45:57,430 --> 00:45:55,599

no man yeah and again people people can

1349

00:46:00,230 --> 00:45:57,440

have their opinions and

1350

00:46:01,910 --> 00:46:00,240

you know like i i get it look at what

1351
00:46:02,710 --> 00:46:01,920
television's done in the last 20 years

1352
00:46:04,069 --> 00:46:02,720
like

1353
00:46:06,390 --> 00:46:04,079
i get it you know

1354
00:46:09,430 --> 00:46:06,400
um but everything that we're showing on

1355
00:46:12,069 --> 00:46:09,440
that show is happening like we're we're

1356
00:46:14,150 --> 00:46:12,079
we're being as open as we can yeah um

1357
00:46:16,069 --> 00:46:14,160
obviously there is the television

1358
00:46:17,910 --> 00:46:16,079
section of it you know and and they're

1359
00:46:20,069 --> 00:46:17,920
telling the story and of us doing the

1360
00:46:22,309 --> 00:46:20,079
investigation and stuff and and yeah i

1361
00:46:24,309 --> 00:46:22,319
get that like there is some hollywood

1362
00:46:25,829 --> 00:46:24,319
thrown in there but when it comes to the

1363
00:46:27,910 --> 00:46:25,839

information and what we're showing in

1364

00:46:30,230 --> 00:46:27,920

the the experiments that's all real yeah

1365

00:46:33,190 --> 00:46:30,240

we're not you know and

1366

00:46:35,270 --> 00:46:33,200

and you know like the alpaca thing

1367

00:46:37,190 --> 00:46:35,280

the very when that came out we were all

1368

00:46:39,349 --> 00:46:37,200

on there going we know exactly what they

1369

00:46:40,470 --> 00:46:39,359

were it wasn't attacked by some strange

1370

00:46:42,069 --> 00:46:40,480

thing we don't know what it was they

1371

00:46:43,349 --> 00:46:42,079

were a bunch of freaking res dogs we

1372

00:46:45,750 --> 00:46:43,359

shot them

1373

00:46:46,710 --> 00:46:45,760

like within the next week

1374

00:46:48,550 --> 00:46:46,720

you know

1375

00:46:50,309 --> 00:46:48,560

we're we're gonna be we're an open book

1376

00:46:52,069 --> 00:46:50,319

when it comes to this stuff yeah you're

1377

00:46:53,750 --> 00:46:52,079

honest with everything whether it turns

1378

00:46:55,270 --> 00:46:53,760

out to be something prosaic or something

1379

00:46:57,270 --> 00:46:55,280

that you still cannot

1380

00:46:59,270 --> 00:46:57,280

describe or or put a think put your

1381

00:47:01,109 --> 00:46:59,280

finger on and that leads me to one of

1382

00:47:03,109 --> 00:47:01,119

the big episodes that really stood out

1383

00:47:04,230 --> 00:47:03,119

for me in season two was the case with

1384

00:47:06,790 --> 00:47:04,240

the rabbi

1385

00:47:08,950 --> 00:47:06,800

yeah um performing the ancient ritual

1386

00:47:11,990 --> 00:47:08,960

homestead two the temperature drops the

1387

00:47:14,069 --> 00:47:12,000

thermal eye let's say could you were you

1388

00:47:15,750 --> 00:47:14,079

there for that yes i i was there for the

1389

00:47:17,030 --> 00:47:15,760

whole thing could you just talk us

1390

00:47:18,790 --> 00:47:17,040

through it for anyone that may not be

1391

00:47:20,790 --> 00:47:18,800

aware of what i'm talking about that was

1392

00:47:23,190 --> 00:47:20,800

actually i think that was that's

1393

00:47:24,470 --> 00:47:23,200

probably in my top five of really cool

1394

00:47:27,270 --> 00:47:24,480

things that i've been a part of on the

1395

00:47:30,549 --> 00:47:27,280

ranch and craziness that we've seen yeah

1396

00:47:33,430 --> 00:47:30,559

um so rabbi ariel came out great guy i

1397

00:47:35,750 --> 00:47:33,440

love ariel uh he's a i love talking to

1398

00:47:37,510 --> 00:47:35,760

the guy i wish i could talk to him more

1399

00:47:39,430 --> 00:47:37,520

um

1400

00:47:42,630 --> 00:47:39,440

but what happened essentially is we were

1401
00:47:44,710 --> 00:47:42,640
able to broadcast his vocalize this

1402
00:47:46,069 --> 00:47:44,720
vocalization of his prayer over

1403
00:47:48,309 --> 00:47:46,079
homestead 2

1404
00:47:49,430 --> 00:47:48,319
to see if it would cause anything

1405
00:47:53,030 --> 00:47:49,440
uh this

1406
00:47:54,630 --> 00:47:53,040
ritual he was he stated that the

1407
00:47:57,349 --> 00:47:54,640
rabbis have been doing for thousands of

1408
00:47:59,589 --> 00:47:57,359
years and it specifically to get a

1409
00:48:01,750 --> 00:47:59,599
reaction from spirits

1410
00:48:04,230 --> 00:48:01,760
if i if i remember correctly

1411
00:48:07,109 --> 00:48:04,240
um and when we did this we just kind of

1412
00:48:09,030 --> 00:48:07,119
sat and waited and we

1413
00:48:10,230 --> 00:48:09,040

the the big thing was the temperature

1414

00:48:11,349 --> 00:48:10,240

changes so

1415

00:48:13,510 --> 00:48:11,359

yeah

1416

00:48:15,190 --> 00:48:13,520

i i've been in so again like in marines

1417

00:48:17,670 --> 00:48:15,200

i've been in i've

1418

00:48:20,549 --> 00:48:17,680

dealt with thermals i dealt with

1419

00:48:21,910 --> 00:48:20,559

different optics because of the m1a1

1420

00:48:23,589 --> 00:48:21,920

systems and things like that so i'm

1421

00:48:25,030 --> 00:48:23,599

familiar with them i

1422

00:48:26,470 --> 00:48:25,040

you know we deal with i deal with this

1423

00:48:28,309 --> 00:48:26,480

equipment all the time i've never seen

1424

00:48:29,510 --> 00:48:28,319

anything like this there were

1425

00:48:31,349 --> 00:48:29,520

layers

1426

00:48:32,870 --> 00:48:31,359

where you could see just different

1427

00:48:37,190 --> 00:48:32,880

temperature changes

1428

00:48:39,829 --> 00:48:37,200

within the homestead 2 itself you you

1429

00:48:42,069 --> 00:48:39,839

could see around the homestead

1430

00:48:43,190 --> 00:48:42,079

was this constant temperature

1431

00:48:45,270 --> 00:48:43,200

and

1432

00:48:47,030 --> 00:48:45,280

within the homestead itself

1433

00:48:49,990 --> 00:48:47,040

there was like a 20 degree temperature

1434

00:48:51,430 --> 00:48:50,000

drop within like three or four seconds

1435

00:48:54,309 --> 00:48:51,440

and then it became very

1436

00:48:56,309 --> 00:48:54,319

localized in in like what i called an

1437

00:48:58,069 --> 00:48:56,319

eye and i guess like i guess i could

1438

00:49:00,069 --> 00:48:58,079

have called it a portal

1439

00:49:02,470 --> 00:49:00,079

but i i don't know if it was a portal

1440

00:49:03,670 --> 00:49:02,480

you know that's our thing is yeah i'm

1441

00:49:04,870 --> 00:49:03,680

sure that's what they were wanting me

1442

00:49:07,270 --> 00:49:04,880

say but

1443

00:49:10,390 --> 00:49:07,280

um i would it looked like the isa around

1444

00:49:12,309 --> 00:49:10,400

me it had the black bear

1445

00:49:14,470 --> 00:49:12,319

you know it was in the thermals it was

1446

00:49:16,390 --> 00:49:14,480

purple because it was so cold

1447

00:49:18,790 --> 00:49:16,400

and then you had travis and

1448

00:49:20,870 --> 00:49:18,800

uh brian and tom go walk down there and

1449

00:49:22,870 --> 00:49:20,880

they said it was like

1450

00:49:24,870 --> 00:49:22,880

uh literally walking through

1451

00:49:27,030 --> 00:49:24,880

in into like a deep freezer and you

1452

00:49:28,470 --> 00:49:27,040

could feel it and what was cool watching

1453

00:49:31,190 --> 00:49:28,480

that on the thermals as i could see

1454

00:49:32,790 --> 00:49:31,200

those three approaching the homestead

1455

00:49:35,670 --> 00:49:32,800

and that

1456

00:49:37,349 --> 00:49:35,680

sphere or whatever it was was reacting

1457

00:49:38,870 --> 00:49:37,359

to them and like moving away from them

1458

00:49:41,190 --> 00:49:38,880

it was like they were chasing it into

1459

00:49:43,349 --> 00:49:41,200

the homestead yeah

1460

00:49:45,589 --> 00:49:43,359

and you could just see everything within

1461

00:49:47,910 --> 00:49:45,599

the canopy of the trees had this massive

1462

00:49:50,230 --> 00:49:47,920

temperature change and then again we did

1463

00:49:51,829 --> 00:49:50,240

we tried we recreated it as best we

1464

00:49:53,109 --> 00:49:51,839

could a couple months or a couple weeks

1465

00:49:55,349 --> 00:49:53,119

later

1466

00:49:57,510 --> 00:49:55,359

and it was kind of the opposite there

1467

00:49:59,589 --> 00:49:57,520

was this massive temperature shift in

1468

00:50:02,790 --> 00:49:59,599

the other direction where it changed 15

1469

00:50:05,589 --> 00:50:02,800

to 20 degrees within a matter of seconds

1470

00:50:06,630 --> 00:50:05,599

because we recreated it

1471

00:50:07,910 --> 00:50:06,640

and

1472

00:50:10,630 --> 00:50:07,920

yeah

1473

00:50:12,390 --> 00:50:10,640

just both times that temperature change

1474

00:50:13,589 --> 00:50:12,400

and then we had different stuff

1475

00:50:14,710 --> 00:50:13,599

happening and

1476

00:50:17,990 --> 00:50:14,720

the

1477

00:50:20,470 --> 00:50:18,000

now i thought that was so cool how we

1478

00:50:21,349 --> 00:50:20,480

could see that and it was reacting to us

1479

00:50:23,030 --> 00:50:21,359

and then

1480

00:50:25,030 --> 00:50:23,040

uh eric when he was going back through

1481

00:50:26,470 --> 00:50:25,040

the video he did find that one spear

1482

00:50:28,069 --> 00:50:26,480

flying around

1483

00:50:30,150 --> 00:50:28,079

that had no

1484

00:50:31,670 --> 00:50:30,160

temperature to it and you know we see

1485

00:50:32,470 --> 00:50:31,680

bugs all the time we know what bugs look

1486

00:50:34,390 --> 00:50:32,480

like

1487

00:50:36,069 --> 00:50:34,400

in the in these different videos that

1488

00:50:38,950 --> 00:50:36,079

we're catching

1489

00:50:41,589 --> 00:50:38,960

and so on on that second recreation of

1490

00:50:43,349 --> 00:50:41,599

the experiment was the rabbi there live

1491

00:50:45,190 --> 00:50:43,359

or was that a recording that was a

1492

00:50:47,030 --> 00:50:45,200

recording he he gave us permission to

1493

00:50:48,790 --> 00:50:47,040

use the recording too i wonder if that

1494

00:50:51,030 --> 00:50:48,800

had an influence the fact that the rabbi

1495

00:50:53,109 --> 00:50:51,040

was there live the first time or a

1496

00:50:54,710 --> 00:50:53,119

recording the second time good question

1497

00:50:57,349 --> 00:50:54,720

it's something that we're continually

1498

00:50:59,030 --> 00:50:57,359

working on and one and trying we try to

1499

00:51:00,630 --> 00:50:59,040

recreate these as much as we can the

1500

00:51:02,470 --> 00:51:00,640

trend you know we're trying to use that

1501
00:51:04,309 --> 00:51:02,480
scientific method as much as possible

1502
00:51:05,829 --> 00:51:04,319
yeah and that's one of the things that i

1503
00:51:09,589 --> 00:51:05,839
can say that eric

1504
00:51:11,829 --> 00:51:09,599
and travis are very um specific about

1505
00:51:13,829 --> 00:51:11,839
the process of doing these things but

1506
00:51:15,829 --> 00:51:13,839
then they get and then at the same time

1507
00:51:17,349 --> 00:51:15,839
how can we show this in a way that

1508
00:51:19,270 --> 00:51:17,359
people can see and understand what we're

1509
00:51:20,790 --> 00:51:19,280
doing yeah you know that that's one of

1510
00:51:22,390 --> 00:51:20,800
the challenges

1511
00:51:25,510 --> 00:51:22,400
that's incredible man

1512
00:51:26,870 --> 00:51:25,520
uh shout out to my good friend ben

1513
00:51:28,710 --> 00:51:26,880

shapiro

1514

00:51:30,950 --> 00:51:28,720

caleb before your time at the ranch were

1515

00:51:32,710 --> 00:51:30,960

you religious or spiritual spiritual at

1516

00:51:34,470 --> 00:51:32,720

all and if not has your opinion changed

1517

00:51:35,990 --> 00:51:34,480

at this point in your career i mean i

1518

00:51:38,230 --> 00:51:36,000

know you briefly touched upon it but

1519

00:51:38,950 --> 00:51:38,240

please please answer the question

1520

00:51:40,069 --> 00:51:38,960

so

1521

00:51:42,069 --> 00:51:40,079

um

1522

00:51:45,190 --> 00:51:42,079

i was not i guess you could say

1523

00:51:47,589 --> 00:51:45,200

religious before my dad died and that

1524

00:51:49,910 --> 00:51:47,599

was about eight nine years ago

1525

00:51:51,589 --> 00:51:49,920

um and when my dad died i kind of hit

1526

00:51:53,990 --> 00:51:51,599

that rock bottom point because i didn't

1527

00:51:55,270 --> 00:51:54,000

have a good relationship with him um and

1528

00:51:58,630 --> 00:51:55,280

it just kind of hit me hard because i

1529

00:52:00,870 --> 00:51:58,640

never i guess to work out some of those

1530

00:52:03,270 --> 00:52:00,880

issues with him you know and kind of

1531

00:52:04,950 --> 00:52:03,280

get that relationship that i guess i

1532

00:52:06,150 --> 00:52:04,960

wanted to have

1533

00:52:07,990 --> 00:52:06,160

and so

1534

00:52:09,430 --> 00:52:08,000

and that's kind of like a long story

1535

00:52:11,990 --> 00:52:09,440

there because i actually had some

1536

00:52:14,230 --> 00:52:12,000

experiences before the ranch that have

1537

00:52:16,470 --> 00:52:14,240

to me i am very spiritual now

1538

00:52:19,349 --> 00:52:16,480

i do believe in a higher power i do

1539

00:52:20,790 --> 00:52:19,359

believe that there are certain books

1540

00:52:22,470 --> 00:52:20,800

that we

1541

00:52:25,670 --> 00:52:22,480

that are correct

1542

00:52:27,829 --> 00:52:25,680

uh i i try to be careful about how i say

1543

00:52:29,510 --> 00:52:27,839

this because i i know not everybody

1544

00:52:32,710 --> 00:52:29,520

views it the way i do and

1545

00:52:34,390 --> 00:52:32,720

and in today's world it's a pretty

1546

00:52:37,270 --> 00:52:34,400

touchy subject but yes i'm very

1547

00:52:40,069 --> 00:52:37,280

spiritual now uh i do follow my

1548

00:52:41,349 --> 00:52:40,079

prescribed faith i i and i keep seeing

1549

00:52:43,829 --> 00:52:41,359

things that

1550

00:52:46,309 --> 00:52:43,839

on and off the ranch that just

1551

00:52:48,870 --> 00:52:46,319

give just testimony builders if you will

1552

00:52:50,710 --> 00:52:48,880

and and keep building on that

1553

00:52:52,069 --> 00:52:50,720

um and again you know this is one of

1554

00:52:53,030 --> 00:52:52,079

those things everybody's perception is

1555

00:52:55,349 --> 00:52:53,040

different

1556

00:52:57,670 --> 00:52:55,359

yeah um i i can have an experience and

1557

00:52:59,589 --> 00:52:57,680

see it one way and somebody else sees it

1558

00:53:00,790 --> 00:52:59,599

and complete and sees something else you

1559

00:53:01,990 --> 00:53:00,800

know

1560

00:53:04,630 --> 00:53:02,000

um

1561

00:53:06,230 --> 00:53:04,640

and i don't i don't like trying to tell

1562

00:53:08,390 --> 00:53:06,240

someone that they're wrong or they're

1563

00:53:10,549 --> 00:53:08,400

right i just enjoy having a conversation

1564

00:53:12,470 --> 00:53:10,559

and trying to get better you know be

1565

00:53:13,910 --> 00:53:12,480

better up for it you know

1566

00:53:15,510 --> 00:53:13,920

um but yeah i've had a lot of

1567

00:53:16,230 --> 00:53:15,520

experiences on the ranch that have made

1568

00:53:18,950 --> 00:53:16,240

me

1569

00:53:22,630 --> 00:53:21,030

i guess grow that faith a little bit

1570

00:53:23,829 --> 00:53:22,640

more that there is something on the

1571

00:53:26,390 --> 00:53:23,839

other side

1572

00:53:28,470 --> 00:53:26,400

uh you know we have one thing happen on

1573

00:53:29,670 --> 00:53:28,480

the ranch that is more easily explained

1574

00:53:31,670 --> 00:53:29,680

as say

1575

00:53:32,950 --> 00:53:31,680

a scientific or

1576

00:53:34,390 --> 00:53:32,960

sci-fi

1577

00:53:36,069 --> 00:53:34,400

experience if you will and then on the

1578

00:53:38,470 --> 00:53:36,079

other hand we have another one that that

1579

00:53:41,510 --> 00:53:38,480

happens that is more spiritual in nature

1580

00:53:43,990 --> 00:53:41,520

yeah and i tell people that we're

1581

00:53:45,990 --> 00:53:44,000

science and religion actually go like

1582

00:53:47,670 --> 00:53:46,000

this in my mind

1583

00:53:49,510 --> 00:53:47,680

and so you've yeah

1584

00:53:51,990 --> 00:53:49,520

that that's actually

1585

00:53:55,030 --> 00:53:52,000

becoming more in effect in the whole of

1586

00:53:56,950 --> 00:53:55,040

the uap subject in in general recently

1587

00:53:58,309 --> 00:53:56,960

you know that crossover between hard

1588

00:53:59,910 --> 00:53:58,319

science and

1589

00:54:01,589 --> 00:53:59,920

the phenomena that this thing that we

1590

00:54:03,990 --> 00:54:01,599

cannot work out yet that we cannot

1591

00:54:06,150 --> 00:54:04,000

equate to a specific part of science or

1592

00:54:07,910 --> 00:54:06,160

or anything and it's very spiritual it's

1593

00:54:10,069 --> 00:54:07,920

very consciousness-based and things and

1594

00:54:11,589 --> 00:54:10,079

this is like uh for instance one of my

1595

00:54:13,190 --> 00:54:11,599

favorite congress this has kind of been

1596

00:54:14,870 --> 00:54:13,200

an ongoing conversation that i've been

1597

00:54:15,750 --> 00:54:14,880

having with eric the last couple weeks

1598

00:54:16,790 --> 00:54:15,760

is

1599

00:54:18,150 --> 00:54:16,800

um

1600

00:54:19,750 --> 00:54:18,160

again like he's one of my favorite

1601
00:54:22,549 --> 00:54:19,760
people to talk to because of this reason

1602
00:54:24,630 --> 00:54:22,559
he's like people don't realize how like

1603
00:54:26,950 --> 00:54:24,640
i'll put eric up against anybody

1604
00:54:29,349 --> 00:54:26,960
and i'll put all my money on him because

1605
00:54:31,910 --> 00:54:29,359
he the way his mind works and the things

1606
00:54:33,270 --> 00:54:31,920
that he's delved into and like this guy

1607
00:54:36,390 --> 00:54:33,280
he is spending

1608
00:54:37,430 --> 00:54:36,400
24 hours getting one one thing fixed and

1609
00:54:39,349 --> 00:54:37,440
then he's

1610
00:54:43,030 --> 00:54:39,359
he's not sleeping he's he's going he

1611
00:54:44,870 --> 00:54:43,040
just goes at it like i wow you know

1612
00:54:46,950 --> 00:54:44,880
and he's always been like this and

1613
00:54:48,549 --> 00:54:46,960

things that he's delved into and

1614

00:54:51,030 --> 00:54:48,559

though the conversation that we've been

1615

00:54:55,270 --> 00:54:51,040

having is like natural law

1616

00:54:56,470 --> 00:54:55,280

and in regards to how like say

1617

00:54:59,430 --> 00:54:56,480

um

1618

00:55:02,069 --> 00:54:59,440

the world works and things like that so

1619

00:55:04,230 --> 00:55:02,079

and that what is natural law and then

1620

00:55:06,950 --> 00:55:04,240

and one of the things with say the

1621

00:55:08,710 --> 00:55:06,960

universe is math is the science is the

1622

00:55:10,950 --> 00:55:08,720

it's like the language of science you

1623

00:55:12,549 --> 00:55:10,960

know everything's coded

1624

00:55:14,150 --> 00:55:12,559

essentially you know

1625

00:55:17,190 --> 00:55:14,160

and how does that play in the natural

1626
00:55:19,270 --> 00:55:17,200
law how does that work and it's just one

1627
00:55:21,750 --> 00:55:19,280
of those things that to me it's just

1628
00:55:23,430 --> 00:55:21,760
keeps adding on to each other and i i

1629
00:55:25,349 --> 00:55:23,440
kind of chuckle and

1630
00:55:26,470 --> 00:55:25,359
at the people who are so like oh no

1631
00:55:29,589 --> 00:55:26,480
there's no

1632
00:55:31,910 --> 00:55:29,599
no

1633
00:55:33,910 --> 00:55:31,920
our science is all blah blah blah

1634
00:55:34,870 --> 00:55:33,920
they're going hand in hand you know of

1635
00:55:36,470 --> 00:55:34,880
course

1636
00:55:37,910 --> 00:55:36,480
and i kind of chuckle because in history

1637
00:55:39,349 --> 00:55:37,920
who were your first real scientists they

1638
00:55:41,990 --> 00:55:39,359

were all a bunch of priests trying to

1639

00:55:43,109 --> 00:55:42,000

figure out how god did it

1640

00:55:44,390 --> 00:55:43,119

you know

1641

00:55:46,549 --> 00:55:44,400

absolutely

1642

00:55:48,470 --> 00:55:46,559

and people seem to forget like darwin

1643

00:55:50,789 --> 00:55:48,480

after he came out with his stuff he was

1644

00:55:52,470 --> 00:55:50,799

like uh i may have been wrong

1645

00:55:53,990 --> 00:55:52,480

we forget that conversation you know

1646

00:55:55,589 --> 00:55:54,000

like

1647

00:55:58,309 --> 00:55:55,599

people get so focused on one thing and

1648

00:56:00,390 --> 00:55:58,319

they go down this rabbit hole and they

1649

00:56:02,230 --> 00:56:00,400

just discount everything else like the

1650

00:56:04,870 --> 00:56:02,240

closed-mindedness doesn't serve to help

1651
00:56:06,710 --> 00:56:04,880
anybody you know yeah uh and that's the

1652
00:56:08,549 --> 00:56:06,720
thing is like i'm more than

1653
00:56:10,390 --> 00:56:08,559
i'm willing to say that i might be wrong

1654
00:56:12,470 --> 00:56:10,400
in something that i've experienced out

1655
00:56:13,270 --> 00:56:12,480
here and that's one of the scary things

1656
00:56:14,710 --> 00:56:13,280
is

1657
00:56:15,990 --> 00:56:14,720
we have things happen and we're going

1658
00:56:17,589 --> 00:56:16,000
okay am i

1659
00:56:18,630 --> 00:56:17,599
being messed with

1660
00:56:21,750 --> 00:56:18,640
because

1661
00:56:23,270 --> 00:56:21,760
travis has shown us that like and eric

1662
00:56:24,950 --> 00:56:23,280
and travis are fully aware that there's

1663
00:56:26,630 --> 00:56:24,960

magnetic things that can mess with the

1664

00:56:28,710 --> 00:56:26,640

human mind and if you think you're

1665

00:56:30,069 --> 00:56:28,720

seeing something but you're not or you

1666

00:56:31,829 --> 00:56:30,079

think make you think you're smelling

1667

00:56:33,750 --> 00:56:31,839

something but it's not there that's why

1668

00:56:35,990 --> 00:56:33,760

we have some of the stuff that we were

1669

00:56:38,150 --> 00:56:36,000

carrying like those little yellow meters

1670

00:56:40,390 --> 00:56:38,160

yep um we carry those because those are

1671

00:56:44,630 --> 00:56:40,400

h2s meters the oil field carries those

1672

00:56:46,470 --> 00:56:44,640

because there's h2s h2s gas out here

1673

00:56:49,030 --> 00:56:46,480

and one of the symptoms that we've heard

1674

00:56:51,030 --> 00:56:49,040

of on the ranch is people smelling weird

1675

00:56:51,990 --> 00:56:51,040

weird things and i've experienced this

1676

00:56:53,589 --> 00:56:52,000

with

1677

00:56:55,030 --> 00:56:53,599

eric and travis and tom we were all

1678

00:56:57,750 --> 00:56:55,040

sitting there and three of us could

1679

00:56:59,670 --> 00:56:57,760

smell it but one of us couldn't

1680

00:57:00,950 --> 00:56:59,680

and then and our meter's not going off

1681

00:57:02,470 --> 00:57:00,960

so

1682

00:57:03,990 --> 00:57:02,480

individual meters aren't going off

1683

00:57:05,910 --> 00:57:04,000

because you can't smell it or someone

1684

00:57:08,069 --> 00:57:05,920

can't smell it well and that's the thing

1685

00:57:10,230 --> 00:57:08,079

is if the gas isn't there

1686

00:57:11,670 --> 00:57:10,240

then why are we smelling it and that's

1687

00:57:13,910 --> 00:57:11,680

it here

1688

00:57:15,190 --> 00:57:13,920

yeah yeah that that's the whole the it's

1689

00:57:17,190 --> 00:57:15,200

the whole thing it's messing with

1690

00:57:18,630 --> 00:57:17,200

there's magnetic forces that can mess

1691

00:57:20,630 --> 00:57:18,640

with people's minds and this is one of

1692

00:57:22,230 --> 00:57:20,640

the things like if you want more

1693

00:57:24,309 --> 00:57:22,240

in-depth on that you'll have to ask eric

1694

00:57:25,750 --> 00:57:24,319

and travis you know i'm just

1695

00:57:27,670 --> 00:57:25,760

they're they're dumbing it down for me

1696

00:57:29,670 --> 00:57:27,680

i'm not listening caleb that's a perfect

1697

00:57:30,950 --> 00:57:29,680

opportunity for to say you're gonna have

1698

00:57:33,030 --> 00:57:30,960

to come back and you're gonna have to

1699

00:57:34,789 --> 00:57:33,040

bring those guys with you because i know

1700

00:57:38,150 --> 00:57:34,799

all right that conversation i've never

1701
00:57:41,109 --> 00:57:38,160
seen anybody anybody have anywhere so

1702
00:57:42,630 --> 00:57:41,119
please make it happen my man

1703
00:57:43,990 --> 00:57:42,640
and that's the thing is we're we're hope

1704
00:57:45,750 --> 00:57:44,000
we're wanting to get this out here we

1705
00:57:47,750 --> 00:57:45,760
love having these conversations because

1706
00:57:48,950 --> 00:57:47,760
yeah why are we experiencing something

1707
00:57:50,230 --> 00:57:48,960
like we are

1708
00:57:52,069 --> 00:57:50,240
um

1709
00:57:53,510 --> 00:57:52,079
and yeah and that's the thing is when

1710
00:57:54,950 --> 00:57:53,520
you start getting into some of the stuff

1711
00:57:56,870 --> 00:57:54,960
that we've talked about it gets pretty

1712
00:57:58,789 --> 00:57:56,880
scary and that's where we try to be

1713
00:58:00,230 --> 00:57:58,799

careful about what we're talking about

1714

00:58:01,270 --> 00:58:00,240

but yeah like that's why we're carrying

1715

00:58:03,270 --> 00:58:01,280

some of the equipment that we're

1716

00:58:05,910 --> 00:58:03,280

carrying because it's an active

1717

00:58:07,349 --> 00:58:05,920

experiment it's an active

1718

00:58:08,309 --> 00:58:07,359

thing that we're looking for you know so

1719

00:58:11,750 --> 00:58:08,319

yeah that's something that we've

1720

00:58:13,750 --> 00:58:11,760

experienced and i i and that's

1721

00:58:16,390 --> 00:58:13,760

you know that that's the police to me is

1722

00:58:18,470 --> 00:58:16,400

here it is here's the evidence like this

1723

00:58:21,510 --> 00:58:18,480

is what i got you know i i don't know if

1724

00:58:23,589 --> 00:58:21,520

you gotta miss if you got the better

1725

00:58:25,990 --> 00:58:23,599

still ongoing there's so much still for

1726

00:58:28,950 --> 00:58:26,000

you guys to learn research

1727

00:58:30,230 --> 00:58:28,960

collect more data for and so yeah we i

1728

00:58:31,990 --> 00:58:30,240

don't think anyone should really be

1729

00:58:34,230 --> 00:58:32,000

expecting you to give us any answers yet

1730

00:58:35,589 --> 00:58:34,240

and you know that's absolutely fine you

1731

00:58:37,430 --> 00:58:35,599

know

1732

00:58:39,270 --> 00:58:37,440

half the time our answer is just another

1733

00:58:40,950 --> 00:58:39,280

question another question you know we're

1734

00:58:42,470 --> 00:58:40,960

another 10 questions another thing

1735

00:58:44,710 --> 00:58:42,480

that's the nature of the beast i'm

1736

00:58:47,190 --> 00:58:44,720

afraid and i think people really do need

1737

00:58:48,710 --> 00:58:47,200

to to appreciate that and

1738

00:58:50,549 --> 00:58:48,720

i'm just going to read this question out

1739

00:58:52,390 --> 00:58:50,559

to andy where he's probably gone by now

1740

00:58:53,829 --> 00:58:52,400

sorry andy but do you believe that the

1741

00:58:55,030 --> 00:58:53,839

phenomenon occurring at the ranch has

1742

00:58:57,589 --> 00:58:55,040

anything to do with a possible

1743

00:58:58,710 --> 00:58:57,599

underground base or facility

1744

00:58:59,510 --> 00:58:58,720

um

1745

00:59:02,950 --> 00:58:59,520

i

1746

00:59:04,710 --> 00:59:02,960

anomaly because we've heard about

1747

00:59:07,349 --> 00:59:04,720

possible underground

1748

00:59:08,789 --> 00:59:07,359

something haven't we

1749

00:59:11,190 --> 00:59:08,799

i've you know i've heard some different

1750

00:59:12,950 --> 00:59:11,200

stories we've inherited this narrative

1751

00:59:14,230 --> 00:59:12,960

uh that there might that some people

1752

00:59:17,030 --> 00:59:14,240

have experienced things flying into the

1753

00:59:19,750 --> 00:59:17,040

mesa or coming out of the mesa

1754

00:59:21,510 --> 00:59:19,760

i i don't know um

1755

00:59:24,470 --> 00:59:21,520

it could be crazy

1756

00:59:26,390 --> 00:59:24,480

yeah who's to say there isn't you know

1757

00:59:28,230 --> 00:59:26,400

um

1758

00:59:30,789 --> 00:59:28,240

how do you know

1759

00:59:32,549 --> 00:59:30,799

yes one of the things that i've

1760

00:59:33,829 --> 00:59:32,559

one of my answers to something like this

1761

00:59:35,109 --> 00:59:33,839

is like we don't even know what happened

1762

00:59:35,990 --> 00:59:35,119

a year ago

1763

00:59:38,150 --> 00:59:36,000

yeah

1764

00:59:39,750 --> 00:59:38,160

in say regards to covid

1765

00:59:40,950 --> 00:59:39,760

how can you tell me what happened 2000

1766

00:59:42,870 --> 00:59:40,960

years ago how can you tell me what's

1767

00:59:44,710 --> 00:59:42,880

under the ranch

1768

00:59:46,630 --> 00:59:44,720

like we don't know

1769

00:59:48,470 --> 00:59:46,640

uh and and it's hard to

1770

00:59:50,950 --> 00:59:48,480

nail that down i

1771

00:59:52,470 --> 00:59:50,960

personally i think that it's more

1772

00:59:53,990 --> 00:59:52,480

spiritual

1773

00:59:55,510 --> 00:59:54,000

uh again we're dealing with some kind of

1774

00:59:56,630 --> 00:59:55,520

intelligence i don't think i i

1775

00:59:58,470 --> 00:59:56,640

personally don't think that there's a

1776

00:59:59,910 --> 00:59:58,480

base under under there

1777

01:00:01,190 --> 00:59:59,920

i'm open to there being something over

1778

01:00:03,430 --> 01:00:01,200

there i don't know

1779

01:00:05,430 --> 01:00:03,440

but yeah personally i i

1780

01:00:07,910 --> 01:00:05,440

i don't think there is but that's that's

1781

01:00:10,309 --> 01:00:07,920

just me absolutely fine man but listen

1782

01:00:11,910 --> 01:00:10,319

caleb we've just hit the hour mark um i

1783

01:00:14,630 --> 01:00:11,920

feel like we need to do this again

1784

01:00:16,789 --> 01:00:14,640

sometime um i'd love it if you could

1785

01:00:18,870 --> 01:00:16,799

come back on maybe in a

1786

01:00:20,069 --> 01:00:18,880

month or two maybe bring some friends

1787

01:00:22,710 --> 01:00:20,079

and we can have a little panel a

1788

01:00:23,910 --> 01:00:22,720

skinwalker panel discussion

1789

01:00:26,150 --> 01:00:23,920

um

1790

01:00:28,309 --> 01:00:26,160

yeah that it's been incredible man i

1791

01:00:29,990 --> 01:00:28,319

cannot thank you enough yeah

1792

01:00:31,510 --> 01:00:30,000

and then what's crazy is i feel like i'm

1793

01:00:33,270 --> 01:00:31,520

just barely giving you like the tip of

1794

01:00:35,270 --> 01:00:33,280

the iceberg was with some of the stuff

1795

01:00:37,190 --> 01:00:35,280

and you know with season two and even

1796

01:00:38,950 --> 01:00:37,200

what happened with season one and what

1797

01:00:41,190 --> 01:00:38,960

happened before that what you know

1798

01:00:42,630 --> 01:00:41,200

there's so much there and it's it's it's

1799

01:00:44,390 --> 01:00:42,640

definitely fun being a part of it and

1800

01:00:46,069 --> 01:00:44,400

i'm thankful that you were reached out

1801
01:00:48,069 --> 01:00:46,079
to me and that we were able to do this

1802
01:00:50,150 --> 01:00:48,079
well i tell you what let's not even

1803
01:00:52,390 --> 01:00:50,160
think about bringing anyone else on

1804
01:00:53,990 --> 01:00:52,400
let's do a caleb and vinnie part two in

1805
01:00:57,030 --> 01:00:54,000
like a week or two if that's something

1806
01:00:59,190 --> 01:00:57,040
you'd be up for um let me uh

1807
01:01:01,670 --> 01:00:59,200
as you know we kind of had some trouble

1808
01:01:03,349 --> 01:01:01,680
uh trouble meeting up uh this the first

1809
01:01:05,270 --> 01:01:03,359
time that we were trying to do this so

1810
01:01:06,789 --> 01:01:05,280
i'll have to we'll have to communicate

1811
01:01:08,789 --> 01:01:06,799
and we'll see if we'll what we can do

1812
01:01:11,430 --> 01:01:08,799
there so i'll fully understand my man

1813
01:01:13,270 --> 01:01:11,440

completely so listen thank you so much

1814

01:01:16,069 --> 01:01:13,280

for joining me tonight it's been great

1815

01:01:18,789 --> 01:01:16,079

and eye-opening and exactly what i hoped

1816

01:01:20,870 --> 01:01:18,799

it would be so thank you so much man um

1817

01:01:23,190 --> 01:01:20,880

you enjoy the rest of your day and oh

1818

01:01:25,510 --> 01:01:23,200

you too thank you man and thank you to

1819

01:01:27,270 --> 01:01:25,520

the chat for being here as well

1820

01:01:29,829 --> 01:01:27,280

it's been incredible so yeah till the

1821

01:01:31,589 --> 01:01:29,839

next time guys caleb enjoy the rest of

1822

01:01:33,829 --> 01:01:31,599

your day yeah thanks vinnie staying
