TEAM

Chrissy Newton Interview
'The Debrief'
Live on YouTube
Thursday September 2nd
12pm PST/3pm EST/8pm UK

1
00:00:01,760 --> 00:00:31,910

[Music]

2
00:00:36,229 --> 00:00:33,830

hello everyone welcome back to the

3
00:00:38,069 --> 00:00:36,239

disclosure team youtube channel it's

4
00:00:40,549 --> 00:00:38,079

good to see everybody here i see some of

5
00:00:42,389 --> 00:00:40,559

you in the live chat already so thank

6
00:00:44,150 --> 00:00:42,399

you so much for being here

7
00:00:46,549 --> 00:00:44,160

um so without further ado let's jump

8
00:00:49,670 --> 00:00:46,559

straight into it i'd like to welcome

9
00:00:51,750 --> 00:00:49,680

from the debrief amongst other things

10
00:00:53,110 --> 00:00:51,760

chrissy newton

11
00:00:55,510 --> 00:00:53,120

hi chris hey

12
00:00:56,470 --> 00:00:55,520

hi how are you i'm very well how are you

13
00:00:59,110 --> 00:00:56,480

today

14

00:01:00,869 --> 00:00:59,120

i'm great good to be here good thank you

15

00:01:02,630 --> 00:01:00,879

so much for joining me thank you so much

16

00:01:04,149 --> 00:01:02,640

it means a lot

17

00:01:06,230 --> 00:01:04,159

so

18

00:01:07,910 --> 00:01:06,240

i thought we'd just you know see how the

19

00:01:10,469 --> 00:01:07,920

conversation goes i've got a few

20

00:01:12,310 --> 00:01:10,479

pointers but you know i like to just

21

00:01:14,469 --> 00:01:12,320

have proper discussions rather than like

22

00:01:16,070 --> 00:01:14,479

question answer question answer so

23

00:01:17,190 --> 00:01:16,080

you know let's just go from there but

24

00:01:18,870 --> 00:01:17,200

first of all

25

00:01:21,590 --> 00:01:18,880

just tell us a bit about yourself and

26
00:01:23,830 --> 00:01:21,600
your past and how you got into ufos and

27
00:01:27,190 --> 00:01:23,840
yeah yeah oh gosh

28
00:01:28,310 --> 00:01:27,200
we go on forever or that

29
00:01:31,190 --> 00:01:28,320
no well

30
00:01:33,749 --> 00:01:31,200
um so i as some people know i work at

31
00:01:35,749 --> 00:01:33,759
the debrief i am the director of media

32
00:01:38,230 --> 00:01:35,759
so i do their public relations uh and

33
00:01:39,749 --> 00:01:38,240
also run youtube pitch with them myself

34
00:01:41,990 --> 00:01:39,759
and christine are on there and we're

35
00:01:43,830 --> 00:01:42,000
throwing at our content as we speak with

36
00:01:46,230 --> 00:01:43,840
other contributors as well

37
00:01:48,389 --> 00:01:46,240
uh i am also

38
00:01:50,069 --> 00:01:48,399

again a content creator with them and

39

00:01:51,030 --> 00:01:50,079

how i got into ufos was because of my

40

00:01:52,870 --> 00:01:51,040

dad

41

00:01:53,590 --> 00:01:52,880

um

42

00:02:33,110 --> 00:01:53,600

i

43

00:02:34,550 --> 00:02:33,120

bad though

44

00:02:36,070 --> 00:02:34,560

he doesn't even really still talk about

45

00:02:37,910 --> 00:02:36,080

it even now he knows i'm doing this

46

00:02:39,910 --> 00:02:37,920

stuff and he's like i don't ever want to

47

00:02:40,790 --> 00:02:39,920

go on camera and i'm like you don't have

48

00:02:50,470 --> 00:02:40,800

to

49

00:02:52,309 --> 00:02:50,480

fine and and i appreciate that immensely

50

00:02:55,350 --> 00:02:52,319

but he showed me that and then he

51
00:02:56,790 --> 00:02:55,360
educated me a lot about ufos from like

52
00:02:58,710 --> 00:02:56,800
you know even stuff like what was

53
00:03:00,790 --> 00:02:58,720
happening in world war ii and things he

54
00:03:02,869 --> 00:03:00,800
was reading from mix of like different

55
00:03:05,270 --> 00:03:02,879
authors to um

56
00:03:07,270 --> 00:03:05,280
got to watching programs to reading

57
00:03:09,750 --> 00:03:07,280
multiple different books like talking to

58
00:03:11,350 --> 00:03:09,760
different people so as i started getting

59
00:03:12,949 --> 00:03:11,360
older i obviously we it was something

60
00:03:15,110 --> 00:03:12,959
that we would do together but i also

61
00:03:17,190 --> 00:03:15,120
like loved it and then when i think i

62
00:03:19,030 --> 00:03:17,200
was in my early 20s i said it must have

63
00:03:21,509 --> 00:03:19,040

been i think i was around 25 maybe a

64

00:03:23,270 --> 00:03:21,519

little bit younger and i said to him do

65

00:03:25,030 --> 00:03:23,280

you want to go to ufo conference and we

66

00:03:27,430 --> 00:03:25,040

used to talk about going to conferences

67

00:03:30,070 --> 00:03:27,440

together and we're like we should do a

68

00:03:31,910 --> 00:03:30,080

family trip you know to like a ufo

69

00:03:34,149 --> 00:03:31,920

conference so my parents bought a place

70

00:03:36,630 --> 00:03:34,159

in arizona because they snowbird i live

71

00:03:39,110 --> 00:03:36,640

in toronto or my family lives in ontario

72

00:03:40,149 --> 00:03:39,120

and they they went out there and i just

73

00:03:41,910 --> 00:03:40,159

googled i was like you know what

74

00:03:43,830 --> 00:03:41,920

something inside of me was like just see

75

00:03:45,830 --> 00:03:43,840

where like ufo conferences so like i was

76

00:03:47,830 --> 00:03:45,840

visiting my parents and i like ran out

77

00:03:50,630 --> 00:03:47,840

and i was like dad i was like there's

78

00:03:52,630 --> 00:03:50,640

there's a ufo like conference in arizona

79

00:03:54,149 --> 00:03:52,640

and he's like what and i'm like yeah i'm

80

00:03:55,670 --> 00:03:54,159

like this is the address and he's like

81

00:03:57,270 --> 00:03:55,680

that's a half an hour from where we live

82

00:03:58,789 --> 00:03:57,280

he's like buy tickets now buy tickets

83

00:04:00,789 --> 00:03:58,799

now buy tickets now

84

00:04:02,550 --> 00:04:00,799

so uh we went to our first conference

85

00:04:03,990 --> 00:04:02,560

together and then we would go now the

86

00:04:05,030 --> 00:04:04,000

conference has changed to a different

87

00:04:07,830 --> 00:04:05,040

time of the year it used to be in

88

00:04:09,670 --> 00:04:07,840

february so we would go it was the exact

89

00:04:11,910 --> 00:04:09,680

time when they would go to arizona so we

90

00:04:14,630 --> 00:04:11,920

would go together and then it just

91

00:04:16,310 --> 00:04:14,640

started me going on this like

92

00:04:18,469 --> 00:04:16,320

getting myself into the community that's

93

00:04:20,629 --> 00:04:18,479

really where it started and i i

94

00:04:22,069 --> 00:04:20,639

tons of people and i went i've been on a

95

00:04:25,350 --> 00:04:22,079

different little adventures i'll call

96

00:04:27,909 --> 00:04:25,360

them but uh in my way you know i made a

97

00:04:29,430 --> 00:04:27,919

decision myself one day where i was i

98

00:04:30,870 --> 00:04:29,440

want to learn more about this and i want

99

00:04:32,790 --> 00:04:30,880

to seek some more truth so i'm going to

100

00:04:35,350 --> 00:04:32,800

go start doing stuff on my own accord

101
00:04:38,070 --> 00:04:35,360
but way before i got into the debrief um

102
00:04:39,590 --> 00:04:38,080
and now it you know now here i am then

103
00:04:41,430 --> 00:04:39,600
you know talking about ufos way more

104
00:04:43,030 --> 00:04:41,440
than i ever thought i would that's

105
00:04:45,749 --> 00:04:43,040
amazing there's so many things in there

106
00:04:48,070 --> 00:04:45,759
i could pull out like cool parents ufos

107
00:04:49,909 --> 00:04:48,080
and snowboarding that's awesome but um

108
00:04:52,230 --> 00:04:49,919
did you say your dad showed you a photo

109
00:04:53,590 --> 00:04:52,240
of the ufo that he saw he did yeah so

110
00:04:56,710 --> 00:04:53,600
and i should say it's snow birding

111
00:04:58,230 --> 00:04:56,720
that's a like a oh anyway terms people i

112
00:04:59,510 --> 00:04:58,240
always do that i have to say it's slower

113
00:05:01,350 --> 00:04:59,520

i thought it was nobody

114

00:05:05,029 --> 00:05:01,360

yeah my apologies i think you can go

115

00:05:08,310 --> 00:05:05,039

snowboarding in arizona in the north but

116

00:05:10,150 --> 00:05:08,320

um but just that's okay no no worries

117

00:05:11,990 --> 00:05:10,160

jumping back to those conferences you

118

00:05:13,749 --> 00:05:12,000

went to in the early days is there

119

00:05:15,909 --> 00:05:13,759

anything or any speakers that you saw

120

00:05:17,270 --> 00:05:15,919

that really still stand out now in your

121

00:05:19,350 --> 00:05:17,280

head from when you were there back in

122

00:05:21,590 --> 00:05:19,360

those days yeah and i'll touch about my

123

00:05:23,430 --> 00:05:21,600

dad's photo too that you asked but um my

124

00:05:24,710 --> 00:05:23,440

yeah my um

125

00:05:26,870 --> 00:05:24,720

so what happened was i went to the

126

00:05:28,950 --> 00:05:26,880

conference and uh i remember one of my

127

00:05:31,749 --> 00:05:28,960

first speakers i ever saw was uh richard

128

00:05:33,830 --> 00:05:31,759

dolan um and he was talking about

129

00:05:35,830 --> 00:05:33,840

triangular ufos and doing obviously he

130

00:05:37,430 --> 00:05:35,840

has a book on it and a whole piece on it

131

00:05:39,510 --> 00:05:37,440

and my dad looked over at me and he was

132

00:05:41,510 --> 00:05:39,520

like do you think we believe him now

133

00:05:43,510 --> 00:05:41,520

chrissy and i just laughed because i was

134

00:05:45,830 --> 00:05:43,520

like it's true dad it's like so many

135

00:05:48,310 --> 00:05:45,840

different triangular ufo sightings so

136

00:05:51,430 --> 00:05:48,320

that was my one of my first you know

137

00:05:53,189 --> 00:05:51,440

remember him and and watching that talk

138

00:05:54,629 --> 00:05:53,199

because there's so many differences we

139

00:05:56,550 --> 00:05:54,639

we would go we

140

00:05:58,070 --> 00:05:56,560

every day would go for two days or

141

00:05:59,749 --> 00:05:58,080

before a day depending on what's going

142

00:06:02,150 --> 00:05:59,759

on in the family or what speakers were

143

00:06:04,870 --> 00:06:02,160

there to be honest um but ma i'll

144

00:06:07,110 --> 00:06:04,880

remember this one um one year i took a

145

00:06:09,670 --> 00:06:07,120

camera myself and i have all this

146

00:06:12,070 --> 00:06:09,680

footage i never thought it would be

147

00:06:14,070 --> 00:06:12,080

this is so like foreshadowing you know

148

00:06:16,070 --> 00:06:14,080

uh i never thought i'd be doing my own

149

00:06:17,189 --> 00:06:16,080

interviews around ufos and science tech

150

00:06:19,670 --> 00:06:17,199

defense

151
00:06:21,350 --> 00:06:19,680
later on but i got a camera for a friend

152
00:06:23,270 --> 00:06:21,360
of mine and a really really wonderful

153
00:06:25,029 --> 00:06:23,280
like at that time like news camera and i

154
00:06:26,230 --> 00:06:25,039
brought it down and i did all these

155
00:06:28,230 --> 00:06:26,240
interviews

156
00:06:29,590 --> 00:06:28,240
just because i wanted to do it and i

157
00:06:32,070 --> 00:06:29,600
something inside of me did and i

158
00:06:34,390 --> 00:06:32,080
interviewed travis walton uh wow and

159
00:06:36,629 --> 00:06:34,400
yeah and like ben hansen is a friend of

160
00:06:38,469 --> 00:06:36,639
mine um like uh i think he's proud of

161
00:06:39,749 --> 00:06:38,479
greer is one of them as well like

162
00:06:41,270 --> 00:06:39,759
there's al there was a whole bunch of

163
00:06:42,870 --> 00:06:41,280

people on there that i interviewed and

164

00:06:44,309 --> 00:06:42,880

one day i'm gonna bring those clips up

165

00:06:46,710 --> 00:06:44,319

especially the travis walton one and put

166

00:06:48,150 --> 00:06:46,720

it posted on my socials um and a friend

167

00:06:51,350 --> 00:06:48,160

of mine has him and he's rendering them

168

00:06:52,710 --> 00:06:51,360

now to to go on social but what happened

169

00:06:54,950 --> 00:06:52,720

was i i went to conference and that's

170

00:06:57,909 --> 00:06:54,960

where i met jeremy corbell so i remember

171

00:07:00,550 --> 00:06:57,919

looking at the speaker list and i was

172

00:07:03,029 --> 00:07:00,560

like who like who is this guy i was like

173

00:07:05,029 --> 00:07:03,039

he's new never heard of him he's like

174

00:07:06,469 --> 00:07:05,039

trendy and young and i was like and he's

175

00:07:08,710 --> 00:07:06,479

bringing a different flair to the ufo

176
00:07:10,230 --> 00:07:08,720
community yeah so i looked up his staff

177
00:07:11,350 --> 00:07:10,240
and i was like oh so i emailed him and

178
00:07:12,550 --> 00:07:11,360
was like hey i would like to do an

179
00:07:15,990 --> 00:07:12,560
interview with you if you have time

180
00:07:17,430 --> 00:07:16,000
there so i actually met jeremy on site i

181
00:07:19,670 --> 00:07:17,440
went up to him and said hi i'm chrissy

182
00:07:21,830 --> 00:07:19,680
and at that moment he was doing the

183
00:07:23,510 --> 00:07:21,840
bazaar uh documentary he was recording

184
00:07:25,189 --> 00:07:23,520
because bob lazar was there

185
00:07:26,870 --> 00:07:25,199
and so i remember bob lazar walking

186
00:07:28,309 --> 00:07:26,880
around and travis walton was there at

187
00:07:31,670 --> 00:07:28,319
the convention it was like a stacked

188
00:07:34,230 --> 00:07:31,680

lineup nice and yeah and bob azar talked

189

00:07:36,550 --> 00:07:34,240

about like his experiences in area 51

190

00:07:37,990 --> 00:07:36,560

and it was just this is before

191

00:07:39,749 --> 00:07:38,000

everything went mainstream and i

192

00:07:42,390 --> 00:07:39,759

remember sitting with my dad and just

193

00:07:44,390 --> 00:07:42,400

going like wow like i'm so glad we went

194

00:07:46,230 --> 00:07:44,400

this year because you'll you won't see

195

00:07:48,710 --> 00:07:46,240

those lineups like bob didn't speak for

196

00:07:50,790 --> 00:07:48,720

like years at that point you know and

197

00:07:53,350 --> 00:07:50,800

same with travis walton like nobody was

198

00:07:55,430 --> 00:07:53,360

talking until that happened um so i met

199

00:07:57,029 --> 00:07:55,440

jeremy corbell that time and then we

200

00:07:59,430 --> 00:07:57,039

connected later on when i started

201
00:08:01,589 --> 00:07:59,440
another podcast with a friend of mine

202
00:08:04,629 --> 00:08:01,599
and so i connected with jeremy again and

203
00:08:06,469 --> 00:08:04,639
then yeah like it's just it's you know

204
00:08:08,309 --> 00:08:06,479
like things happen for a reason and it

205
00:08:09,749 --> 00:08:08,319
they all kind of just started you know

206
00:08:12,070 --> 00:08:09,759
being where it is and then yeah and now

207
00:08:14,150 --> 00:08:12,080
again i'm with the debrief so it's just

208
00:08:16,309 --> 00:08:14,160
just wild how stuff happens you know you

209
00:08:18,150 --> 00:08:16,319
find yourself a passion yeah yeah i mean

210
00:08:20,469 --> 00:08:18,160
it happened the same for me like all

211
00:08:22,469 --> 00:08:20,479
within the last nine months let's say

212
00:08:24,390 --> 00:08:22,479
and if you'd have asked me

213
00:08:26,790 --> 00:08:24,400

10 months ago that i'd be doing this

214

00:08:30,230 --> 00:08:26,800

right now and yeah all the socials i'd

215

00:08:31,110 --> 00:08:30,240

have been you're crazy man like

216

00:08:32,469 --> 00:08:31,120

so

217

00:08:34,310 --> 00:08:32,479

let's talk about how did how did you get

218

00:08:35,909 --> 00:08:34,320

involved with the debrief then that did

219

00:08:38,630 --> 00:08:35,919

you contact them like how did that come

220

00:08:41,350 --> 00:08:38,640

about yeah so it was a again like funny

221

00:08:42,709 --> 00:08:41,360

story ryan sprague a friend of mine uh

222

00:08:45,829 --> 00:08:42,719

which everybody you know everybody knows

223

00:08:51,430 --> 00:08:48,790

on the cdf network so i emailed i met

224

00:08:53,829 --> 00:08:51,440

ryan and then i emailed him it was like

225

00:08:55,829 --> 00:08:53,839

when the the november piece launched the

226

00:08:59,110 --> 00:08:55,839

acorn footage drop

227

00:09:01,190 --> 00:08:59,120

i was like who the hell is the d brave i

228

00:09:02,949 --> 00:09:01,200

was like who are these people

229

00:09:06,389 --> 00:09:02,959

and i'm like i've never seen this

230

00:09:09,910 --> 00:09:06,399

website i you know i'm like what so i

231

00:09:10,949 --> 00:09:09,920

then i added as a pr person i like did

232

00:09:13,110 --> 00:09:10,959

you know my

233

00:09:14,230 --> 00:09:13,120

my investigations in my own way of like

234

00:09:16,470 --> 00:09:14,240

you know

235

00:09:17,750 --> 00:09:16,480

my own sleuthing and looked at

236

00:09:19,829 --> 00:09:17,760

everything to find out all the all their

237

00:09:21,350 --> 00:09:19,839

contact information and then like you

238

00:09:23,110 --> 00:09:21,360

know knew some of their stuff as jordan

239

00:09:25,190 --> 00:09:23,120

as investigative journalists and then i

240

00:09:28,389 --> 00:09:25,200

added everybody to social and mj binney

241

00:09:31,670 --> 00:09:28,399

is accepted and so i was on his social

242

00:09:33,269 --> 00:09:31,680

on his facebook page and he posted uh oh

243

00:09:35,590 --> 00:09:33,279

sorry then i emailed ryan and ryan

244

00:09:36,790 --> 00:09:35,600

connected me and was like hey uh you

245

00:09:38,630 --> 00:09:36,800

know this is someone that's interested

246

00:09:40,790 --> 00:09:38,640

in the debrief so i just went on my own

247

00:09:42,790 --> 00:09:40,800

accord through ryan and then emailed uh

248

00:09:44,870 --> 00:09:42,800

messed mj because he posted that he

249

00:09:46,630 --> 00:09:44,880

was looking for content creators and he

250

00:09:48,550 --> 00:09:46,640

was looking for writers and i said to

251
00:09:50,230 --> 00:09:48,560
him you know i'm not so much on the

252
00:09:51,509 --> 00:09:50,240
journalistic side of writing but i said

253
00:09:53,590 --> 00:09:51,519
i really would like to do some video

254
00:09:55,829 --> 00:09:53,600
content with you so he asked me to put

255
00:09:57,829 --> 00:09:55,839
together a news piece yeah and just said

256
00:10:00,389 --> 00:09:57,839
submit it let's see wanted to test me

257
00:10:02,230 --> 00:10:00,399
out see how well i did um and then

258
00:10:04,310 --> 00:10:02,240
submitted it they liked it i kept doing

259
00:10:05,990 --> 00:10:04,320
a piece every week more on science tech

260
00:10:08,150 --> 00:10:06,000
and defense it's not that i didn't want

261
00:10:10,550 --> 00:10:08,160
to stay away from ufos i love it all

262
00:10:12,230 --> 00:10:10,560
right um and so they they needed that

263
00:10:14,310 --> 00:10:12,240

piece in the company so i came in and

264

00:10:17,350 --> 00:10:14,320

started being a contributor um and then

265

00:10:20,150 --> 00:10:17,360

i gave them some pr advice and you know

266

00:10:21,670 --> 00:10:20,160

later on bob's your uncle is i'm uh

267

00:10:23,590 --> 00:10:21,680

i'm i'm here with them and they asked me

268

00:10:25,269 --> 00:10:23,600

to be a partner in the company and and

269

00:10:27,030 --> 00:10:25,279

help them on the pr side of things along

270

00:10:29,269 --> 00:10:27,040

with and contribute content and we also

271

00:10:31,670 --> 00:10:29,279

really get along like we're we're all

272

00:10:34,710 --> 00:10:31,680

friends like it's i've never ever worked

273

00:10:36,870 --> 00:10:34,720

with a group of people where every day i

274

00:10:39,350 --> 00:10:36,880

talk to them in our chats we have a chat

275

00:10:41,670 --> 00:10:39,360

group and we all like ufos is our common

276

00:10:44,870 --> 00:10:41,680

denominator like it just brings us all

277

00:10:48,310 --> 00:10:44,880

together but we are a family like we are

278

00:10:50,310 --> 00:10:48,320

you know we agree we disagree and we are

279

00:10:52,069 --> 00:10:50,320

very like i'm just happy to be part of

280

00:10:53,910 --> 00:10:52,079

it i'm just very very happy to be part

281

00:10:55,910 --> 00:10:53,920

of it and i also love being part of the

282

00:10:57,030 --> 00:10:55,920

ufo community like it's just it's such a

283

00:10:58,550 --> 00:10:57,040

i always say this is such a great

284

00:11:00,710 --> 00:10:58,560

community it's probably what's one of

285

00:11:02,710 --> 00:11:00,720

the best yeah yeah absolutely i couldn't

286

00:11:04,470 --> 00:11:02,720

agree more absolutely

287

00:11:05,750 --> 00:11:04,480

so let's move on because

288

00:11:07,350 --> 00:11:05,760

one thing i did want to mention is you

289

00:11:09,509 --> 00:11:07,360

already touched on it ever so briefly is

290

00:11:12,470 --> 00:11:09,519

your podcast again i guess that's just a

291

00:11:15,030 --> 00:11:12,480

natural evolution of you wanting to

292

00:11:17,990 --> 00:11:15,040

talk about ufos so again how did that

293

00:11:20,150 --> 00:11:18,000

come about yeah so with the rebellious

294

00:11:22,470 --> 00:11:20,160

securities with chrissy newton started

295

00:11:24,870 --> 00:11:22,480

as uh again like it was just news pieces

296

00:11:26,870 --> 00:11:24,880

with the debrief where they just wanted

297

00:11:28,710 --> 00:11:26,880

me to talk and like i am rebelliously

298

00:11:31,670 --> 00:11:28,720

curious like and multiple different

299

00:11:33,350 --> 00:11:31,680

things so it kind of makes sense

300

00:11:34,710 --> 00:11:33,360

uh and mj and i came up with the name

301

00:11:36,150 --> 00:11:34,720

together and

302

00:11:38,230 --> 00:11:36,160

and it was something that we that it is

303

00:11:40,230 --> 00:11:38,240

the debrief too and we are rebelliously

304

00:11:41,670 --> 00:11:40,240

curious right as a company in general

305

00:11:43,670 --> 00:11:41,680

it's part of like her mandate of the

306

00:11:45,910 --> 00:11:43,680

things that we do and that uh that

307

00:11:48,150 --> 00:11:45,920

journalists talk about in our company so

308

00:11:50,629 --> 00:11:48,160

it was part of that and then the news

309

00:11:52,470 --> 00:11:50,639

pieces evolved into like hey why don't

310

00:11:55,110 --> 00:11:52,480

you turn this into more of an interview

311

00:11:56,870 --> 00:11:55,120

kind of style conversation uh when it's

312

00:11:59,269 --> 00:11:56,880

just science tech ufos and defense so i

313

00:12:01,509 --> 00:11:59,279

try to do it all um i have some more you

314

00:12:03,350 --> 00:12:01,519

know larger ufo pieces my first one was

315

00:12:04,949 --> 00:12:03,360

uh with leslie kane that came out that

316

00:12:06,470 --> 00:12:04,959

was my premiere and that was yeah it was

317

00:12:08,629 --> 00:12:06,480

wonderful talking with her you know i

318

00:12:10,470 --> 00:12:08,639

have interviewed ralph blumenthal with

319

00:12:12,470 --> 00:12:10,480

um on a different show on a live stream

320

00:12:14,230 --> 00:12:12,480

that we did at the debrief but there's

321

00:12:16,069 --> 00:12:14,240

gonna be yeah there will be um some

322

00:12:17,509 --> 00:12:16,079

other pieces that of larger like you

323

00:12:19,269 --> 00:12:17,519

know i'm gonna louis lozano is gonna be

324

00:12:21,509 --> 00:12:19,279

coming on a little bit um and then i'm

325

00:12:23,750 --> 00:12:21,519

gonna be talking to kevin day um as well

326

00:12:25,829 --> 00:12:23,760

from the nimitz so there's i'm going to

327

00:12:28,230 --> 00:12:25,839

be able to stretch my legs more in the

328

00:12:29,910 --> 00:12:28,240

ufo community uh which is really really

329

00:12:31,269 --> 00:12:29,920

great along with them like doing science

330

00:12:33,509 --> 00:12:31,279

tech and defense because i've done stuff

331

00:12:35,829 --> 00:12:33,519

on vr uh recently done stuff on

332

00:12:38,150 --> 00:12:35,839

consciousness and psychedelics so i'm

333

00:12:39,110 --> 00:12:38,160

kind of all over the spectrum as my show

334

00:12:40,870 --> 00:12:39,120

but i

335

00:12:42,230 --> 00:12:40,880

you know i think if you like ufos you're

336

00:12:44,389 --> 00:12:42,240

generally going to like the other con

337

00:12:46,150 --> 00:12:44,399

content i have i completely agree i've

338

00:12:47,750 --> 00:12:46,160

i've i think i saw the consciousness one

339

00:12:50,550 --> 00:12:47,760

that was only a couple of weeks ago am i

340

00:12:51,269 --> 00:12:50,560

right yep yeah i watched a bit of that

341

00:12:53,430 --> 00:12:51,279

one

342

00:12:55,190 --> 00:12:53,440

incredible stuff i mean you your mind

343

00:12:57,829 --> 00:12:55,200

must be blown from all angles when it

344

00:13:00,069 --> 00:12:57,839

comes to defense ufos and tech and stuff

345

00:13:01,990 --> 00:13:00,079

as well it is and sometimes i'll be

346

00:13:03,509 --> 00:13:02,000

honest it's intimidating at times

347

00:13:05,190 --> 00:13:03,519

because you were talking with you know

348

00:13:07,030 --> 00:13:05,200

like even speaking without

349

00:13:08,389 --> 00:13:07,040

like it was amazing that i even had a

350

00:13:10,230 --> 00:13:08,399

chance to talk to how many times do you

351
00:13:11,670 --> 00:13:10,240
get to talk to someone from harvard you

352
00:13:13,350 --> 00:13:11,680
know like it's

353
00:13:15,829 --> 00:13:13,360
just in general like when i get to talk

354
00:13:17,670 --> 00:13:15,839
to scientists or professors that are in

355
00:13:19,990 --> 00:13:17,680
research like to me those are my rock

356
00:13:22,150 --> 00:13:20,000
stars it's not i'm not a celebrity type

357
00:13:24,949 --> 00:13:22,160
of person for me it's just and i get to

358
00:13:26,949 --> 00:13:24,959
learn at the same time and to be selfish

359
00:13:29,910 --> 00:13:26,959
i get to ask questions that i've always

360
00:13:31,190 --> 00:13:29,920
wanted answer and i do that a lot too

361
00:13:33,110 --> 00:13:31,200
i'm like you know what i got to put my

362
00:13:35,910 --> 00:13:33,120
own questions in here because i need to

363
00:13:37,670 --> 00:13:35,920

like i need to cure my own curiosity so

364

00:13:39,430 --> 00:13:37,680

yeah but i found with avila because i

365

00:13:41,829 --> 00:13:39,440

had this preconceived notion of what

366

00:13:42,710 --> 00:13:41,839

he'd be like and he wasn't at all he was

367

00:13:45,030 --> 00:13:42,720

so

368

00:13:47,750 --> 00:13:45,040

down to earth joking a little bit here

369

00:13:50,150 --> 00:13:47,760

and there and yeah i you know i was only

370

00:13:51,990 --> 00:13:50,160

on because i was on max's channel um and

371

00:13:54,550 --> 00:13:52,000

luckily enough to speak to him and yeah

372

00:13:56,470 --> 00:13:54,560

it was just an eye-opener how cool he is

373

00:13:59,030 --> 00:13:56,480

yeah such a cool guy

374

00:14:00,310 --> 00:13:59,040

yeah he is he's really lovely and

375

00:14:02,310 --> 00:14:00,320

honestly like

376

00:14:04,629 --> 00:14:02,320

just is that his sense of humor but he's

377

00:14:07,189 --> 00:14:04,639

a really amazing communicator in the

378

00:14:09,509 --> 00:14:07,199

science world because you don't get lots

379

00:14:11,509 --> 00:14:09,519

of you don't get a lot of that it's it's

380

00:14:13,110 --> 00:14:11,519

there's usually this you know sometimes

381

00:14:15,590 --> 00:14:13,120

you get one or the other but he does a

382

00:14:17,430 --> 00:14:15,600

really good job connecting and i'm he's

383

00:14:19,430 --> 00:14:17,440

a he's a good example of what i think

384

00:14:21,030 --> 00:14:19,440

science should be when it comes to

385

00:14:23,670 --> 00:14:21,040

communicating down the road is looking

386

00:14:25,509 --> 00:14:23,680

at him so absolutely and also being open

387

00:14:26,629 --> 00:14:25,519

to new ideas because you know he's been

388

00:14:28,949 --> 00:14:26,639

pushing he's at the kind of at the

389

00:14:30,389 --> 00:14:28,959

forefront of the scientific community

390

00:14:32,550 --> 00:14:30,399

coming forward

391

00:14:34,310 --> 00:14:32,560

and not not really

392

00:14:36,870 --> 00:14:34,320

falling for the stigma and stuff that's

393

00:14:38,949 --> 00:14:36,880

attached to the ufo subject you know so

394

00:14:40,150 --> 00:14:38,959

i mean i could ask you about galileo

395

00:14:42,150 --> 00:14:40,160

project what are your thoughts on that

396

00:14:43,350 --> 00:14:42,160

but i'm pretty sure i know the answer

397

00:14:45,990 --> 00:14:43,360

yeah

398

00:14:47,910 --> 00:14:46,000

i it's unbelievable like i i can't wait

399

00:14:50,310 --> 00:14:47,920

to see the stuff first of all if they

400

00:14:53,509 --> 00:14:50,320

get some amazing photos that come out

401
00:14:55,350 --> 00:14:53,519
like that's gonna be unbelievable i'm

402
00:14:57,269 --> 00:14:55,360
also curious to see if stuff does come

403
00:14:58,949 --> 00:14:57,279
out how the government's gonna react to

404
00:15:01,269 --> 00:14:58,959
that because it becomes like public

405
00:15:03,269 --> 00:15:01,279
knowledge in its own way so i'm curious

406
00:15:04,790 --> 00:15:03,279
to see how he's going to deal with those

407
00:15:06,310 --> 00:15:04,800
because it's going to happen at some

408
00:15:08,230 --> 00:15:06,320
point um

409
00:15:10,550 --> 00:15:08,240
and yeah as more and stuff gets released

410
00:15:13,269 --> 00:15:10,560
and released it's we're just living its

411
00:15:15,269 --> 00:15:13,279
time right now and i'm just happy that

412
00:15:17,910 --> 00:15:15,279
we're part of it because this would have

413
00:15:19,910 --> 00:15:17,920

never happened like 10 or 20 years ago

414

00:15:23,110 --> 00:15:19,920

right not even how long ufos have been

415

00:15:24,790 --> 00:15:23,120

talking about 40 years but

416

00:15:26,710 --> 00:15:24,800

yeah it's nice to that we have we're

417

00:15:28,310 --> 00:15:26,720

actually the generation now that

418

00:15:30,069 --> 00:15:28,320

hopefully everybody looks back at live

419

00:15:31,829 --> 00:15:30,079

streams they're like there's these crazy

420

00:15:34,230 --> 00:15:31,839

amount of people that were so invested

421

00:15:36,470 --> 00:15:34,240

in this topic

422

00:15:38,949 --> 00:15:36,480

yeah i'll happily be one of those crazy

423

00:15:41,350 --> 00:15:38,959

people for the rest of my life great

424

00:15:43,749 --> 00:15:41,360

it's great can you imagine though like

425

00:15:45,749 --> 00:15:43,759

in like 30 years all the content will be

426

00:15:48,949 --> 00:15:45,759

out because like i look at my dad my dad

427

00:15:51,670 --> 00:15:48,959

had to get books you know magazines talk

428

00:15:54,230 --> 00:15:51,680

to his friends watch tv it was always a

429

00:15:55,990 --> 00:15:54,240

one-way street he never had a two-way

430

00:15:57,990 --> 00:15:56,000

communication street we have this

431

00:16:00,629 --> 00:15:58,000

two-way communication street where you

432

00:16:02,710 --> 00:16:00,639

know our you know ufologist if we you

433

00:16:04,949 --> 00:16:02,720

know i know people hate that word but as

434

00:16:06,870 --> 00:16:04,959

ufologists and people studying and

435

00:16:08,629 --> 00:16:06,880

researching this is such an amazing way

436

00:16:10,870 --> 00:16:08,639

to do it and we get to and we get to

437

00:16:13,509 --> 00:16:10,880

connect i've met so many people around

438

00:16:14,389 --> 00:16:13,519

the world too through this topic that is

439

00:16:18,230 --> 00:16:14,399

just

440

00:16:20,389 --> 00:16:18,240

smaller and and i love that about this

441

00:16:22,389 --> 00:16:20,399

too as well as absolutely so many things

442

00:16:24,069 --> 00:16:22,399

yeah yeah i mean some of my well i can

443

00:16:26,470 --> 00:16:24,079

actually will genuinely say some of my

444

00:16:27,829 --> 00:16:26,480

best friends i've never met

445

00:16:29,509 --> 00:16:27,839

because they're all connections through

446

00:16:31,509 --> 00:16:29,519

the ufo community just and they're all

447

00:16:33,670 --> 00:16:31,519

over the world i've got all over america

448

00:16:35,590 --> 00:16:33,680

europa everywhere it's

449

00:16:38,150 --> 00:16:35,600

so i hear that a lot it's a common

450

00:16:40,230 --> 00:16:38,160

denominator i hear it all the time all

451
00:16:42,069 --> 00:16:40,240
the time yeah yeah yeah blue eyes thank

452
00:16:43,350 --> 00:16:42,079
you so much for the five dollars um

453
00:16:46,870 --> 00:16:43,360
here's a question for you chrissy have

454
00:16:50,230 --> 00:16:46,880
you ever tried ce5 i have i have tried

455
00:16:52,629 --> 00:16:50,240
c5 yeah i've uh so um you know my

456
00:16:53,990 --> 00:16:52,639
thoughts and stuff has has evolved like

457
00:16:55,670 --> 00:16:54,000
being with the debrief and obviously

458
00:16:57,030 --> 00:16:55,680
learning more about ufos and just

459
00:16:58,710 --> 00:16:57,040
growing my thoughts around

460
00:17:01,030 --> 00:16:58,720
extraterrestrials and and that have

461
00:17:03,990 --> 00:17:01,040
changed um not in a negative way they've

462
00:17:05,189 --> 00:17:04,000
just grown but i haven't tried ce5 uh

463
00:17:06,870 --> 00:17:05,199

when i

464

00:17:08,470 --> 00:17:06,880

even like before stephen greer kind of

465

00:17:10,789 --> 00:17:08,480

came out with it and before stephen

466

00:17:12,630 --> 00:17:10,799

greer was doing his stuff um there was

467

00:17:14,710 --> 00:17:12,640

like th there are these conversations

468

00:17:16,630 --> 00:17:14,720

where there were these groups that i

469

00:17:19,110 --> 00:17:16,640

think it was gary king who told me or it

470

00:17:21,909 --> 00:17:19,120

might have been victor viggiani um wow

471

00:17:24,470 --> 00:17:21,919

there were some other groups or it was a

472

00:17:26,390 --> 00:17:24,480

friend of mine that worked at nasa um

473

00:17:27,990 --> 00:17:26,400

that i ended up meeting years ago and

474

00:17:29,990 --> 00:17:28,000

darren ended up telling me about it too

475

00:17:31,909 --> 00:17:30,000

but this is way before yeah stephen

476

00:17:33,909 --> 00:17:31,919

greer started doing it and he was like

477

00:17:35,350 --> 00:17:33,919

you can go to these groups and i it must

478

00:17:37,110 --> 00:17:35,360

have been it must be gary there's a

479

00:17:38,950 --> 00:17:37,120

couple people but they would send me

480

00:17:40,950 --> 00:17:38,960

links to stuff and they were like this

481

00:17:43,110 --> 00:17:40,960

is how you do it this is how you you

482

00:17:44,789 --> 00:17:43,120

know it wasn't called ce5 then but it

483

00:17:46,230 --> 00:17:44,799

was like this is how you do it and this

484

00:17:48,870 --> 00:17:46,240

is you can go to all these global

485

00:17:50,630 --> 00:17:48,880

meditation groups so i just looked it up

486

00:17:52,789 --> 00:17:50,640

and would follow it and read about it

487

00:17:55,029 --> 00:17:52,799

and i've tried it myself many times yeah

488

00:17:56,950 --> 00:17:55,039

i do i and even just i use yoga and

489

00:17:59,350 --> 00:17:56,960

stuff and i enjoy meditation so i'm very

490

00:18:01,110 --> 00:17:59,360

much in that mind of thought as well so

491

00:18:03,029 --> 00:18:01,120

nice so have you ever had a personal

492

00:18:05,190 --> 00:18:03,039

sighting whether it be from the the

493

00:18:07,110 --> 00:18:05,200

consciousness c5 contact stuff or just

494

00:18:09,430 --> 00:18:07,120

in general yeah i've had it i've had a

495

00:18:11,590 --> 00:18:09,440

personal sighting with my ex-boyfriend

496

00:18:13,990 --> 00:18:11,600

uh we were at his house and i've had

497

00:18:16,470 --> 00:18:14,000

i've had one where uh and again like it

498

00:18:18,549 --> 00:18:16,480

might not have the time ufos but it was

499

00:18:19,430 --> 00:18:18,559

unexplained and it was a firewall in the

500

00:18:22,310 --> 00:18:19,440

sky

501
00:18:24,710 --> 00:18:22,320
and it yeah and we both

502
00:18:26,470 --> 00:18:24,720
both saw it and it they kind of like

503
00:18:27,990 --> 00:18:26,480
appeared and disappeared at the same

504
00:18:31,029 --> 00:18:28,000
time and we don't know what it is to

505
00:18:34,390 --> 00:18:31,039
this day but i've seen other images like

506
00:18:36,390 --> 00:18:34,400
it online that are still unidentified so

507
00:18:38,710 --> 00:18:36,400
so yeah i have had mine but i bet you it

508
00:18:39,750 --> 00:18:38,720
could be explained at some point but you

509
00:18:41,669 --> 00:18:39,760
know it's

510
00:18:44,070 --> 00:18:41,679
you know hopefully more

511
00:18:46,070 --> 00:18:44,080
yeah of course yeah that's good to hear

512
00:18:47,990 --> 00:18:46,080
i've never had a sighting i people take

513
00:18:49,510 --> 00:18:48,000

the mickey out of me they're like

514

00:18:51,029 --> 00:18:49,520

you know you talk about this subject

515

00:18:52,870 --> 00:18:51,039

every single day

516

00:18:54,710 --> 00:18:52,880

and you've never had a sighting you know

517

00:18:56,870 --> 00:18:54,720

only like ingest but yeah i'm so

518

00:18:58,870 --> 00:18:56,880

desperate to see something but that's

519

00:19:00,870 --> 00:18:58,880

that's hey but and you and you and you

520

00:19:02,390 --> 00:19:00,880

probably will you know people in our

521

00:19:04,470 --> 00:19:02,400

community everyone's always looking up

522

00:19:06,630 --> 00:19:04,480

or looking around so it's you know more

523

00:19:10,070 --> 00:19:06,640

than the average person i think is

524

00:19:14,310 --> 00:19:10,080

yeah i think so too um

525

00:19:15,990 --> 00:19:14,320

let's talk about crop circles yeah

526

00:19:17,669 --> 00:19:16,000

so we just had a little chat before we

527

00:19:18,870 --> 00:19:17,679

came on live um

528

00:19:20,710 --> 00:19:18,880

we were talking about england and stuff

529

00:19:22,070 --> 00:19:20,720

like that but yeah and i i was aware

530

00:19:23,830 --> 00:19:22,080

because i'd heard a previous interview

531

00:19:26,230 --> 00:19:23,840

where you briefly touched that you'd

532

00:19:27,909 --> 00:19:26,240

done a crop circle investigation but i

533

00:19:30,070 --> 00:19:27,919

didn't realize it was in england so can

534

00:19:32,950 --> 00:19:30,080

you tell us how that came about

535

00:19:35,110 --> 00:19:32,960

yeah so uh going to

536

00:19:37,350 --> 00:19:35,120

these conferences i ended up you know

537

00:19:39,990 --> 00:19:37,360

sorry my little delayed over here going

538

00:19:42,710 --> 00:19:40,000

to these conferences i met it's pat

539

00:19:44,710 --> 00:19:42,720

greer i believe her last name was and

540

00:19:47,669 --> 00:19:44,720

she has a whole bunch of books and she

541

00:19:50,710 --> 00:19:47,679

had a documentary on crop circles so my

542

00:19:52,150 --> 00:19:50,720

dad bought it we watched it and we're

543

00:19:53,669 --> 00:19:52,160

like oh so then i went back to the

544

00:19:55,669 --> 00:19:53,679

conference the next day and i was like

545

00:19:57,909 --> 00:19:55,679

how do i go do this and i asked her i

546

00:19:59,110 --> 00:19:57,919

was like like i want to go with you like

547

00:20:00,789 --> 00:19:59,120

i literally was just like if you need

548

00:20:02,230 --> 00:20:00,799

someone to pull some cables i'm more

549

00:20:04,470 --> 00:20:02,240

than happy to come along

550

00:20:05,909 --> 00:20:04,480

and she was like you can go like there's

551

00:20:09,350 --> 00:20:05,919

there's actually crop circle they're

552

00:20:11,430 --> 00:20:09,360

called um circle chasing uh like tours

553

00:20:13,029 --> 00:20:11,440

that you can go on and so

554

00:20:15,590 --> 00:20:13,039

she introduced me to a group of people

555

00:20:17,190 --> 00:20:15,600

online and they were like oh you know we

556

00:20:18,870 --> 00:20:17,200

go and do a whole bunch of other things

557

00:20:20,310 --> 00:20:18,880

and circle chasing's one of them and i

558

00:20:22,549 --> 00:20:20,320

was like no no i just i just want to go

559

00:20:23,750 --> 00:20:22,559

full circle chasing like i don't i don't

560

00:20:25,830 --> 00:20:23,760

want to see everything else i can tour

561

00:20:29,110 --> 00:20:25,840

guide myself i just want to stay and do

562

00:20:30,870 --> 00:20:29,120

the ufo kind of stuff and for me it was

563

00:20:32,470 --> 00:20:30,880

that was the closest thing at that point

564

00:20:35,350 --> 00:20:32,480

in my life that i could get to something

565

00:20:37,110 --> 00:20:35,360

that was tangible as ufos i was like in

566

00:20:38,789 --> 00:20:37,120

my mind it was i was like this is

567

00:20:40,950 --> 00:20:38,799

something that might be or not and i can

568

00:20:42,390 --> 00:20:40,960

actually experience it myself and i can

569

00:20:44,870 --> 00:20:42,400

choose to do that

570

00:20:46,870 --> 00:20:44,880

so i made that trip i booked it i ended

571

00:20:50,390 --> 00:20:46,880

up getting connected with gary king who

572

00:20:52,630 --> 00:20:50,400

is a researcher once in uh england and

573

00:20:54,630 --> 00:20:52,640

and he actually connected me with jaime

574

00:20:56,230 --> 00:20:54,640

who is um he's from mecco he's an

575

00:20:57,190 --> 00:20:56,240

amazing journalist as well and he's been

576

00:20:59,830 --> 00:20:57,200

doing a lot of work around the

577

00:21:02,630 --> 00:20:59,840

paranormal is that

578

00:21:05,110 --> 00:21:02,640

yes yeah so

579

00:21:06,470 --> 00:21:05,120

right so hi me then uh

580

00:21:08,710 --> 00:21:06,480

jerry was like the time that you're

581

00:21:10,710 --> 00:21:08,720

coming down is when i'm he's in town do

582

00:21:12,710 --> 00:21:10,720

you want to come and do this research

583

00:21:13,909 --> 00:21:12,720

with us and i'm like yes that's exactly

584

00:21:17,350 --> 00:21:13,919

what i want

585

00:21:19,669 --> 00:21:17,360

so i was like bonus so i ended up flying

586

00:21:21,750 --> 00:21:19,679

down i met gary gary and i became really

587

00:21:23,510 --> 00:21:21,760

good friends uh and then he took me in

588

00:21:25,270 --> 00:21:23,520

the beginning before i met jaime just to

589

00:21:27,830 --> 00:21:25,280

do multiple different crop circles days

590

00:21:29,270 --> 00:21:27,840

before and then jaime came down and we

591

00:21:30,390 --> 00:21:29,280

were there was a whole bunch of brought

592

00:21:31,669 --> 00:21:30,400

drones there was a whole bunch of

593

00:21:33,510 --> 00:21:31,679

footage so we just went to crop circle

594

00:21:35,190 --> 00:21:33,520

and crop circle and documented it you

595

00:21:36,870 --> 00:21:35,200

know we were there for hours on end

596

00:21:40,149 --> 00:21:36,880

doing stuff too so at one point i did

597

00:21:42,950 --> 00:21:40,159

take a nap in a crop circle

598

00:21:45,029 --> 00:21:42,960

to do so many things in crop circles um

599

00:21:46,390 --> 00:21:45,039

and just had like and just and asked

600

00:21:47,909 --> 00:21:46,400

questions and learned a lot from them

601
00:21:49,350 --> 00:21:47,919
and watched them that was a really big

602
00:21:52,070 --> 00:21:49,360
thing too of what they were doing and

603
00:21:54,390 --> 00:21:52,080
how they were doing it um and then yeah

604
00:21:57,190 --> 00:21:54,400
and then later on i find myself a year

605
00:21:58,950 --> 00:21:57,200
later you know at the ufo congress and

606
00:22:00,390 --> 00:21:58,960
i'm watching the screen and watching you

607
00:22:01,590 --> 00:22:00,400
know jaime's presentation and he's like

608
00:22:03,350 --> 00:22:01,600
bringing out the footage and i'm like oh

609
00:22:04,470 --> 00:22:03,360
my god i'm in the crop circle i wasn't

610
00:22:06,710 --> 00:22:04,480
expecting that

611
00:22:08,870 --> 00:22:06,720
it's like when it came full circle

612
00:22:10,870 --> 00:22:08,880
wow that's incredible yeah it was very

613
00:22:12,630 --> 00:22:10,880

cool yeah it doesn't get talked about i

614

00:22:13,830 --> 00:22:12,640

find that often these days the crop

615

00:22:15,830 --> 00:22:13,840

circle thing it seems to have been

616

00:22:17,990 --> 00:22:15,840

pushed right to the side while we focus

617

00:22:19,990 --> 00:22:18,000

on this whole military aspect and stuff

618

00:22:21,270 --> 00:22:20,000

which you know it's fair enough but i

619

00:22:23,350 --> 00:22:21,280

just think it might be slightly

620

00:22:25,270 --> 00:22:23,360

forgotten i i hope it doesn't disappear

621

00:22:26,549 --> 00:22:25,280

because i think it's very important yeah

622

00:22:28,070 --> 00:22:26,559

and again like my thoughts on crop

623

00:22:30,390 --> 00:22:28,080

circles have changed since i've been in

624

00:22:31,990 --> 00:22:30,400

them uh but you know the one thing i'll

625

00:22:33,350 --> 00:22:32,000

say about it and if they are because it

626

00:22:35,990 --> 00:22:33,360

you know there's a combination if

627

00:22:38,710 --> 00:22:36,000

they're because people have made them um

628

00:22:41,110 --> 00:22:38,720

if they're human-made or they're not but

629

00:22:42,710 --> 00:22:41,120

they're beautiful and i will say to

630

00:22:45,909 --> 00:22:42,720

people even if they're human-made the

631

00:22:48,870 --> 00:22:45,919

art around them is stunning like they're

632

00:22:51,110 --> 00:22:48,880

massive they're amazing art pieces and

633

00:22:53,510 --> 00:22:51,120

if anything i you know i tell people if

634

00:22:55,590 --> 00:22:53,520

you're in those areas you go to be able

635

00:22:56,789 --> 00:22:55,600

to see a crop cereal go like go like see

636

00:22:58,470 --> 00:22:56,799

if you can bring a drone to see a

637

00:22:59,990 --> 00:22:58,480

perspective but go inside them because

638

00:23:01,669 --> 00:23:00,000

they are really beautiful and when

639

00:23:04,070 --> 00:23:01,679

they're done well they're really really

640

00:23:06,710 --> 00:23:04,080

intricate and they're just

641

00:23:08,230 --> 00:23:06,720

and you know and to me i just

642

00:23:09,590 --> 00:23:08,240

i loved it like i just kept saying to

643

00:23:11,350 --> 00:23:09,600

gary walking around them i was like

644

00:23:12,710 --> 00:23:11,360

there's it's just so pretty like it's so

645

00:23:14,230 --> 00:23:12,720

beautiful and some of them were done in

646

00:23:15,830 --> 00:23:14,240

wheat obviously it's the most common but

647

00:23:16,470 --> 00:23:15,840

they're done in corn fields as well like

648

00:23:30,710 --> 00:23:16,480

i

649

00:23:31,990 --> 00:23:30,720

you know and they curse at them because

650

00:23:33,190 --> 00:23:32,000

they're trying to ruin things but i

651
00:23:35,270 --> 00:23:33,200
guess

652
00:23:36,950 --> 00:23:35,280
they are very beautiful if if some of

653
00:23:38,630 --> 00:23:36,960
them are man-made but then you know

654
00:23:40,789 --> 00:23:38,640
there are ones that we've heard stories

655
00:23:42,950 --> 00:23:40,799
where they've appeared in fields within

656
00:23:44,950 --> 00:23:42,960
a couple of hours maybe and that's

657
00:23:46,870 --> 00:23:44,960
you know it's pretty much impossible for

658
00:23:48,870 --> 00:23:46,880
a group of humans to do that in such

659
00:23:50,870 --> 00:23:48,880
short amount of time and i think

660
00:23:53,350 --> 00:23:50,880
that's where the mystery lies as far as

661
00:23:55,269 --> 00:23:53,360
you know as far as i'm concerned but i

662
00:23:56,390 --> 00:23:55,279
think so too i'm slightly jealous

663
00:23:59,029 --> 00:23:56,400

because i'm sure they're only a couple

664

00:24:00,789 --> 00:23:59,039

of hours away from me i should probably

665

00:24:02,950 --> 00:24:00,799

go connect you with carrie

666

00:24:05,110 --> 00:24:02,960

gary carey

667

00:24:06,789 --> 00:24:05,120

seriously he i think he's in mexico

668

00:24:09,430 --> 00:24:06,799

right now but i believe he goes back and

669

00:24:11,110 --> 00:24:09,440

forth all the time but and if any you

670

00:24:12,630 --> 00:24:11,120

know there's they they do there's other

671

00:24:14,710 --> 00:24:12,640

people that i believe that do tours as

672

00:24:16,549 --> 00:24:14,720

well but you should go i mean i stayed

673

00:24:18,070 --> 00:24:16,559

at an airbnb that i was there and this

674

00:24:19,750 --> 00:24:18,080

woman was like what are you doing every

675

00:24:20,630 --> 00:24:19,760

day and i told her and she was just like

676

00:24:23,110 --> 00:24:20,640

what

677

00:24:24,630 --> 00:24:23,120

i was like you need to go and she's like

678

00:24:26,390 --> 00:24:24,640

she's like i always hear this and you

679

00:24:27,669 --> 00:24:26,400

know she's like you're always putting on

680

00:24:30,230 --> 00:24:27,679

your wellies and like running out the

681

00:24:34,470 --> 00:24:32,549

i'm like yes i'm uh running into crop

682

00:24:36,310 --> 00:24:34,480

circles every day and coming back at

683

00:24:37,750 --> 00:24:36,320

nine o'clock at night

684

00:24:39,269 --> 00:24:37,760

i'll be i'll be hitting you up for the

685

00:24:40,950 --> 00:24:39,279

details for sure because it's like you

686

00:24:42,310 --> 00:24:40,960

said it's like it's kind of the thing

687

00:24:44,390 --> 00:24:42,320

that you can do to get near this

688

00:24:47,110 --> 00:24:44,400

phenomenon without saying i'm gonna go

689

00:24:48,390 --> 00:24:47,120

and see a ufo today or you know it's

690

00:24:49,510 --> 00:24:48,400

going to see something that could

691

00:24:51,430 --> 00:24:49,520

possibly

692

00:24:53,909 --> 00:24:51,440

hold a lot of mysteries so i'm all for

693

00:24:57,830 --> 00:24:56,149

so yeah so

694

00:24:58,950 --> 00:24:57,840

let's talk about

695

00:25:01,029 --> 00:24:58,960

you've obviously been doing this for

696

00:25:03,269 --> 00:25:01,039

quite a few years now so obviously there

697

00:25:04,870 --> 00:25:03,279

was a bit of a paradigm shift or

698

00:25:07,190 --> 00:25:04,880

it seems a lot of people believe that in

699

00:25:09,430 --> 00:25:07,200

december 2017 with the new york times

700

00:25:11,909 --> 00:25:09,440

and all the media articles with what was

701
00:25:13,110 --> 00:25:11,919
going on um with the nimitz case coming

702
00:25:14,549 --> 00:25:13,120
out lou

703
00:25:17,110 --> 00:25:14,559
and tsa

704
00:25:19,110 --> 00:25:17,120
did that impact you did you see or feel

705
00:25:20,950 --> 00:25:19,120
anything at that time

706
00:25:21,909 --> 00:25:20,960
yeah it's actually probably impacted me

707
00:25:24,549 --> 00:25:21,919
more

708
00:25:26,870 --> 00:25:24,559
in the in the past a little bit um i

709
00:25:28,789 --> 00:25:26,880
think the j.j kim's documentary really

710
00:25:31,029 --> 00:25:28,799
actually influenced my thinking and i'm

711
00:25:32,789 --> 00:25:31,039
not sure how i'm still mulling over that

712
00:25:34,789 --> 00:25:32,799
one how i feel of it because it created

713
00:25:37,990 --> 00:25:34,799

a lot of conspiracy

714

00:25:39,590 --> 00:25:38,000

and a lot of disillusion and paranoia

715

00:25:42,070 --> 00:25:39,600

which i don't like

716

00:25:43,909 --> 00:25:42,080

but yeah like i do think there's a pair

717

00:25:46,230 --> 00:25:43,919

shift and i'm seeing that in the debrief

718

00:25:47,990 --> 00:25:46,240

as a pr person there you know speaking

719

00:25:50,149 --> 00:25:48,000

with major media and some of these

720

00:25:52,950 --> 00:25:50,159

journalists about breaking ufo news

721

00:25:55,190 --> 00:25:52,960

stories along with our guys and you know

722

00:25:57,510 --> 00:25:55,200

explaining to media and connecting my

723

00:25:59,669 --> 00:25:57,520

team you know with other media members

724

00:26:01,269 --> 00:25:59,679

and being able to talk about you know

725

00:26:02,870 --> 00:26:01,279

what's happening and breaking down the

726

00:26:04,230 --> 00:26:02,880

history because what's happening is

727

00:26:06,070 --> 00:26:04,240

you're getting journalists that don't

728

00:26:07,830 --> 00:26:06,080

really understand what's going on or

729

00:26:09,350 --> 00:26:07,840

it's like you know all this all this

730

00:26:11,110 --> 00:26:09,360

information for you know

731

00:26:12,070 --> 00:26:11,120

70 years plus of information that people

732

00:26:13,269 --> 00:26:12,080

are like

733

00:26:15,350 --> 00:26:13,279

you know we don't even know where to

734

00:26:18,390 --> 00:26:15,360

start right they think it's 2017 and

735

00:26:20,070 --> 00:26:18,400

upwards like no like you've got

736

00:26:21,990 --> 00:26:20,080

so much like we know way more than

737

00:26:25,029 --> 00:26:22,000

journalists do right and i say the

738

00:26:27,029 --> 00:26:25,039

community does and so they people

739

00:26:28,470 --> 00:26:27,039

they feel that our journalists are doing

740

00:26:31,669 --> 00:26:28,480

you know other breaking news stories and

741

00:26:33,590 --> 00:26:31,679

work with other outlets so my job as pr

742

00:26:36,230 --> 00:26:33,600

person is to help kind of

743

00:26:38,149 --> 00:26:36,240

create that narrative and in our way you

744

00:26:40,149 --> 00:26:38,159

know hopefully tell a narrative that is

745

00:26:43,110 --> 00:26:40,159

you know well we do our best that is

746

00:26:45,350 --> 00:26:43,120

true and factual as much as possible

747

00:26:46,870 --> 00:26:45,360

along with that showing if there is some

748

00:26:49,830 --> 00:26:46,880

form of evidence he'll use the word

749

00:26:51,590 --> 00:26:49,840

lightly but we're really trying to prove

750

00:26:53,830 --> 00:26:51,600

in facts and journalists like that on

751
00:26:56,470 --> 00:26:53,840
our end we're not so much of like hokey

752
00:26:58,390 --> 00:26:56,480
pokey conspiracy we're very much like

753
00:27:00,470 --> 00:26:58,400
here's the fact this is what makes sense

754
00:27:02,630 --> 00:27:00,480
you can talk about this in an academic

755
00:27:04,070 --> 00:27:02,640
and really high level and take this

756
00:27:07,269 --> 00:27:04,080
seriously rather than throwing in the

757
00:27:08,870 --> 00:27:07,279
x-files music so absolutely that's

758
00:27:11,430 --> 00:27:08,880
yeah that's been a real shift for me and

759
00:27:13,510 --> 00:27:11,440
me just watching the community but yeah

760
00:27:14,870 --> 00:27:13,520
it's been it's unbelievable and i'm just

761
00:27:15,830 --> 00:27:14,880
glad we're at this point right now

762
00:27:17,510 --> 00:27:15,840
because

763
00:27:19,750 --> 00:27:17,520

this is always good every single

764

00:27:21,590 --> 00:27:19,760

ufologist i've ever talked to since i've

765

00:27:23,590 --> 00:27:21,600

been growing up or have noted have just

766

00:27:24,710 --> 00:27:23,600

been like chrissy like you're in pr and

767

00:27:26,950 --> 00:27:24,720

you know i start getting in there like

768

00:27:28,230 --> 00:27:26,960

you like do stuff with ufos and i was

769

00:27:29,669 --> 00:27:28,240

like i'd love to but i'll get

770

00:27:31,510 --> 00:27:29,679

blacklisted

771

00:27:34,070 --> 00:27:31,520

and i'm like media won't take like i

772

00:27:36,070 --> 00:27:34,080

will be able to do my like my my day job

773

00:27:37,029 --> 00:27:36,080

which is being a pr person

774

00:27:39,750 --> 00:27:37,039

and so

775

00:27:41,350 --> 00:27:39,760

that changed that was my shift for them

776

00:27:43,990 --> 00:27:41,360

where i was like oh like i can actually

777

00:27:46,870 --> 00:27:44,000

step into the community and be helpful

778

00:27:48,710 --> 00:27:46,880

in any ways so now

779

00:27:50,630 --> 00:27:48,720

now i you know it made sense for me to

780

00:27:52,470 --> 00:27:50,640

help now rather than doing it years ago

781

00:27:54,870 --> 00:27:52,480

i was just learning i was still learning

782

00:27:56,870 --> 00:27:54,880

i was learning more back then um and

783

00:27:59,110 --> 00:27:56,880

doing it my own way so yeah i think that

784

00:28:01,110 --> 00:27:59,120

the paradigm shifts amazing and we're

785

00:28:02,389 --> 00:28:01,120

again we're in a really good space

786

00:28:05,190 --> 00:28:02,399

and that must be such a good feeling

787

00:28:07,269 --> 00:28:05,200

that you can continue doing your day job

788

00:28:10,230 --> 00:28:07,279

and do all the stuff on the side without

789

00:28:12,230 --> 00:28:10,240

any fear of crossover or

790

00:28:14,149 --> 00:28:12,240

risk risk of career or anything like

791

00:28:16,549 --> 00:28:14,159

that i mean that shows the times that

792

00:28:18,870 --> 00:28:16,559

we're in where yeah you know five years

793

00:28:21,590 --> 00:28:18,880

ago six years ago onwards that would

794

00:28:24,389 --> 00:28:21,600

have been risky business literally oh

795

00:28:25,750 --> 00:28:24,399

yeah but i've had people i won't say who

796

00:28:27,830 --> 00:28:25,760

some of these people are in toronto but

797

00:28:29,430 --> 00:28:27,840

some more notable people in the ufo

798

00:28:31,510 --> 00:28:29,440

community at that point were like hey

799

00:28:33,269 --> 00:28:31,520

can you you know do some like just get

800

00:28:35,590 --> 00:28:33,279

to the media and how do you do this

801
00:28:37,669 --> 00:28:35,600
because one other ufologist was i can

802
00:28:39,430 --> 00:28:37,679
say his name amazing ufologist is victor

803
00:28:41,430 --> 00:28:39,440
vigiani he's a good friend of mine in

804
00:28:43,590 --> 00:28:41,440
toronto and

805
00:28:45,669 --> 00:28:43,600
yeah and he's the one who

806
00:28:47,510 --> 00:28:45,679
he's been a he's been a mentor to me in

807
00:28:50,230 --> 00:28:47,520
many many ways where we would just go

808
00:28:52,549 --> 00:28:50,240
for dinner like once talk about ufos

809
00:28:54,789 --> 00:28:52,559
like he was somebody that i connected

810
00:28:56,950 --> 00:28:54,799
with and we were able to to share

811
00:28:58,630 --> 00:28:56,960
like-mindedness but he's also oh if you

812
00:29:01,350 --> 00:28:58,640
can hear me i'm cutting out

813
00:29:03,750 --> 00:29:01,360

it's okay that's great he was um we were

814

00:29:06,389 --> 00:29:03,760

his like-mindedness with me made sense

815

00:29:08,870 --> 00:29:06,399

and he also was seating news media at

816

00:29:10,630 --> 00:29:08,880

that point he was a retired principal

817

00:29:13,669 --> 00:29:10,640

you know and he was like

818

00:29:15,430 --> 00:29:13,679

deeply into ufos and he knew he had his

819

00:29:16,950 --> 00:29:15,440

own show a while ago before all of us

820

00:29:19,990 --> 00:29:16,960

kind of doing the stuff he had his own

821

00:29:22,070 --> 00:29:20,000

radio show around ufos so at that point

822

00:29:23,909 --> 00:29:22,080

he was seeding news information like he

823

00:29:25,909 --> 00:29:23,919

was seeding information for paul helyard

824

00:29:27,990 --> 00:29:25,919

he helped paul helyard come forward or

825

00:29:31,909 --> 00:29:28,000

former minister of defense who you know

826

00:29:33,750 --> 00:29:31,919

uh passed away recently um but uh he he

827

00:29:35,430 --> 00:29:33,760

would help him you know put that news

828

00:29:37,269 --> 00:29:35,440

forward and break that through paul

829

00:29:39,830 --> 00:29:37,279

pillared and pushed it to mainstream

830

00:29:41,510 --> 00:29:39,840

media who for him he could do it because

831

00:29:43,190 --> 00:29:41,520

he had backlash

832

00:29:44,630 --> 00:29:43,200

right he was just like i'm a retired

833

00:29:46,389 --> 00:29:44,640

teacher what are you going to do to me

834

00:29:49,830 --> 00:29:46,399

you know

835

00:29:51,510 --> 00:29:49,840

like good point so but for me so we

836

00:29:53,350 --> 00:29:51,520

would talk about strategizing and

837

00:29:55,190 --> 00:29:53,360

planning and i'd say like here we can go

838

00:29:57,350 --> 00:29:55,200

you can do this or you can do that and

839

00:29:58,950 --> 00:29:57,360

he would imply it and then once things

840

00:30:00,950 --> 00:29:58,960

started to open up a little bit more

841

00:30:03,590 --> 00:30:00,960

we're free to have these conversations

842

00:30:05,269 --> 00:30:03,600

then i was able to come in and now kind

843

00:30:07,190 --> 00:30:05,279

of you know help a little bit more and

844

00:30:08,710 --> 00:30:07,200

then hence why the debriefs there too

845

00:30:10,950 --> 00:30:08,720

just all kind of

846

00:30:12,630 --> 00:30:10,960

yeah it's weird how things happen

847

00:30:14,870 --> 00:30:12,640

yeah and that's one guy i have a lot of

848

00:30:16,549 --> 00:30:14,880

respect for victor vigiani every time i

849

00:30:19,190 --> 00:30:16,559

see him talk he makes so much sense in

850

00:30:20,630 --> 00:30:19,200

that so and he's one i must say i will

851
00:30:22,789 --> 00:30:20,640
say that he's someone i really want on

852
00:30:25,510 --> 00:30:22,799
this channel so oh my gosh i might have

853
00:30:28,230 --> 00:30:25,520
to hit you up for the details

854
00:30:31,350 --> 00:30:28,240
i love victor in so many ways he's he's

855
00:30:33,510 --> 00:30:31,360
an amazing person and he's just

856
00:30:35,990 --> 00:30:33,520
i put on chats for him he's brought in

857
00:30:37,909 --> 00:30:36,000
like there's been like 30 people on a

858
00:30:39,669 --> 00:30:37,919
zoom chat from around the world in ufo

859
00:30:42,310 --> 00:30:39,679
communities i was like this is intense

860
00:30:44,310 --> 00:30:42,320
like everybody's from everywhere like he

861
00:30:45,590 --> 00:30:44,320
and this is his job now but even like he

862
00:30:47,029 --> 00:30:45,600
loves it i mean you know it's not like

863
00:30:49,029 --> 00:30:47,039

victor's getting paid for this he does

864

00:30:51,110 --> 00:30:49,039

this because he's deeply

865

00:30:52,870 --> 00:30:51,120

deeply involved in the community and

866

00:30:55,269 --> 00:30:52,880

also really wants truth like he's a

867

00:30:56,710 --> 00:30:55,279

truth seeker it's just he's lovely he's

868

00:30:58,710 --> 00:30:56,720

so low am i right in saying that he's

869

00:31:00,149 --> 00:30:58,720

part of isa am i getting that wrong yes

870

00:31:01,269 --> 00:31:00,159

part of i say yeah yeah i was going to

871

00:31:03,110 --> 00:31:01,279

say some good friends with gary

872

00:31:04,710 --> 00:31:03,120

hesseltein are you okay there you go

873

00:31:06,950 --> 00:31:04,720

yeah i'm going to see gary on saturday

874

00:31:08,470 --> 00:31:06,960

in fact to his house to have a chat

875

00:31:09,909 --> 00:31:08,480

which i'm really excited about let's

876

00:31:11,830 --> 00:31:09,919

tell gary said hi

877

00:31:13,269 --> 00:31:11,840

i will absolutely i'm

878

00:31:15,190 --> 00:31:13,279

what i'm going to do i'm going to put

879

00:31:16,630 --> 00:31:15,200

this out now for everyone watching i'm

880

00:31:18,470 --> 00:31:16,640

going to try and get gary on a live

881

00:31:19,750 --> 00:31:18,480

maybe even an instagram live on saturday

882

00:31:22,310 --> 00:31:19,760

night we're gonna sit in his house and

883

00:31:23,430 --> 00:31:22,320

just go live randomly i think that'll be

884

00:31:26,870 --> 00:31:23,440

really fun

885

00:31:28,149 --> 00:31:26,880

so uh yeah we'll see we'll see um

886

00:31:30,310 --> 00:31:28,159

let's just bring it forward a bit more

887

00:31:33,190 --> 00:31:30,320

recent and with the uap task force

888

00:31:35,590 --> 00:31:33,200

preliminary assessment did you have any

889

00:31:40,070 --> 00:31:37,669

did you expect anything from it did you

890

00:31:41,669 --> 00:31:40,080

keep your expectations low like how did

891

00:31:42,789 --> 00:31:41,679

it all feel for you in the build up and

892

00:31:44,710 --> 00:31:42,799

stuff like that

893

00:31:46,310 --> 00:31:44,720

yeah i'll even speak for the debrief on

894

00:31:47,909 --> 00:31:46,320

this too i think we all were just like

895

00:31:49,909 --> 00:31:47,919

we're not going to get much

896

00:31:51,669 --> 00:31:49,919

you know to be honest i was happy for

897

00:31:53,029 --> 00:31:51,679

what i am just happy that we got you

898

00:31:55,909 --> 00:31:53,039

know everyone's i'll try to pay

899

00:31:58,070 --> 00:31:55,919

optimistic here because yeah we we have

900

00:32:00,870 --> 00:31:58,080

something that you know finally they're

901
00:32:02,950 --> 00:32:00,880
saying ufos are real you know and that

902
00:32:05,430 --> 00:32:02,960
that we've never had that before so i

903
00:32:06,870 --> 00:32:05,440
was like okay check we've got that's

904
00:32:08,549 --> 00:32:06,880
pretty good if we're not gonna get if

905
00:32:10,630 --> 00:32:08,559
we're gonna get something we got that

906
00:32:12,470 --> 00:32:10,640
yeah and then outside of it i i wanted

907
00:32:14,470 --> 00:32:12,480
to i want to know more about the ai

908
00:32:17,750 --> 00:32:14,480
technology that they're gonna bring in

909
00:32:18,950 --> 00:32:17,760
that's where i'm really curious so i i

910
00:32:21,110 --> 00:32:18,960
you know i i didn't think they were

911
00:32:23,029 --> 00:32:21,120
gonna be like hey aliens exist like you

912
00:32:24,870 --> 00:32:23,039
know in any form i did not think that

913
00:32:26,789 --> 00:32:24,880

was gonna happen whatsoever my

914

00:32:28,870 --> 00:32:26,799

expectations were low but when i did

915

00:32:30,389 --> 00:32:28,880

read it i was and i remember i was in uh

916

00:32:32,310 --> 00:32:30,399

i was in the states when i was reading

917

00:32:35,190 --> 00:32:32,320

it and i was like reading it on my phone

918

00:32:37,990 --> 00:32:35,200

in a in a cab and or an uber and i was

919

00:32:39,190 --> 00:32:38,000

like oh my god it's like well i'm like

920

00:32:41,029 --> 00:32:39,200

and then i looked and i was like okay

921

00:32:42,230 --> 00:32:41,039

this like technology side i'm like

922

00:32:43,909 --> 00:32:42,240

that's where i would want to do more

923

00:32:46,470 --> 00:32:43,919

follow-ups i mean like what's this ai

924

00:32:49,269 --> 00:32:46,480

technology how are you using it you know

925

00:32:51,669 --> 00:32:49,279

that um who's using it i would i want to

926

00:32:53,430 --> 00:32:51,679

go down that road a little bit more and

927

00:32:55,350 --> 00:32:53,440

i like to see the they should be doing

928

00:32:57,029 --> 00:32:55,360

it yearly you know this should be coming

929

00:32:59,269 --> 00:32:57,039

out yeah and i think they were gonna

930

00:33:00,789 --> 00:32:59,279

have to because we're all gonna

931

00:33:02,549 --> 00:33:00,799

everyone's gonna be asking for it you

932

00:33:04,230 --> 00:33:02,559

can't stop now once you tease us with

933

00:33:05,669 --> 00:33:04,240

that it's just gonna

934

00:33:07,110 --> 00:33:05,679

yeah

935

00:33:08,950 --> 00:33:07,120

and i mean i

936

00:33:11,269 --> 00:33:08,960

i do feel disappointed for the general

937

00:33:13,750 --> 00:33:11,279

public as such because

938

00:33:15,110 --> 00:33:13,760

to them it just seems like a whole big

939

00:33:17,909 --> 00:33:15,120

bag of nothing

940

00:33:19,830 --> 00:33:17,919

i did go over a couple of times and pull

941

00:33:21,909 --> 00:33:19,840

little tidbits out of it where it may

942

00:33:23,990 --> 00:33:21,919

lead to places we can research in the

943

00:33:25,590 --> 00:33:24,000

future in the coming months there is

944

00:33:27,509 --> 00:33:25,600

that difference between

945

00:33:29,669 --> 00:33:27,519

an avid researcher in the general public

946

00:33:30,470 --> 00:33:29,679

so i can see sort of both angles from

947

00:33:36,630 --> 00:33:30,480

the

948

00:33:39,029 --> 00:33:36,640

yeah it's but it's a good it's a good

949

00:33:41,669 --> 00:33:39,039

start it's it's still pushing us on an

950

00:33:42,789 --> 00:33:41,679

upward direction so

951
00:33:44,789 --> 00:33:42,799

yeah um

952
00:33:46,470 --> 00:33:44,799

quick shout out to josh thank you so

953
00:33:48,149 --> 00:33:46,480

much josh for the five pounds not a

954
00:33:50,710 --> 00:33:48,159

question just wanted to say keep up the

955
00:33:53,269 --> 00:33:50,720

good work you two thank you thank you

956
00:33:55,029 --> 00:33:53,279

that's really really kind man

957
00:33:57,269 --> 00:33:55,039

you keep up the good work too josh josh

958
00:33:58,149 --> 00:33:57,279

you are one of the big up-and-comers man

959
00:33:59,909 --> 00:33:58,159

um

960
00:34:01,590 --> 00:33:59,919

and i love working with you when we get

961
00:34:04,310 --> 00:34:01,600

the chance so

962
00:34:07,830 --> 00:34:04,320

always good so

963
00:34:09,430 --> 00:34:07,840

yeah so let's move on

964

00:34:11,990 --> 00:34:09,440

yeah go on

965

00:34:13,829 --> 00:34:12,000

i'm curious in this because do you see

966

00:34:14,629 --> 00:34:13,839

the difference between

967

00:34:17,270 --> 00:34:14,639

uh

968

00:34:19,430 --> 00:34:17,280

the perspective in the uk around ufos in

969

00:34:22,550 --> 00:34:19,440

north america because i see the

970

00:34:25,430 --> 00:34:22,560

conversations online like i entered even

971

00:34:28,069 --> 00:34:25,440

interviewed nick pope for uh another i'm

972

00:34:30,550 --> 00:34:28,079

a part i'm a contributor on the uh on

973

00:34:32,629 --> 00:34:30,560

another podcast uh the new frontier

974

00:34:34,230 --> 00:34:32,639

network i don't i don't i'm not a host

975

00:34:35,829 --> 00:34:34,240

tonight but i'm a contributor and we did

976

00:34:37,589 --> 00:34:35,839

an interview with nick pope and i

977

00:34:40,869 --> 00:34:37,599

remember posting it and i did hashtag

978

00:34:42,149 --> 00:34:40,879

ufo twitter and everybody was on me and

979

00:34:43,990 --> 00:34:42,159

it was funny because i knew that i was

980

00:34:45,430 --> 00:34:44,000

gonna get some backlash but i didn't

981

00:34:48,149 --> 00:34:45,440

like you know they're like why would you

982

00:34:49,510 --> 00:34:48,159

have him on so i'm curious in the uk and

983

00:34:51,669 --> 00:34:49,520

like maybe anyone else who's listening

984

00:34:53,190 --> 00:34:51,679

in this i'd love to know more like

985

00:34:55,349 --> 00:34:53,200

what is what's the difference between

986

00:34:57,270 --> 00:34:55,359

the thought perspectives in the ufo

987

00:34:59,510 --> 00:34:57,280

community in the uk versus like north

988

00:35:01,990 --> 00:34:59,520

america

989

00:35:04,390 --> 00:35:02,000

that's a great question now because of

990

00:35:07,109 --> 00:35:04,400

my research and stuff being so primarily

991

00:35:09,270 --> 00:35:07,119

focused on the us i almost forget that i

992

00:35:11,589 --> 00:35:09,280

am you know in the uk because it's all

993

00:35:12,870 --> 00:35:11,599

just i feel like i'm a us researcher

994

00:35:15,030 --> 00:35:12,880

right now that's fair

995

00:35:18,310 --> 00:35:15,040

when i look at the uk research side of

996

00:35:20,069 --> 00:35:18,320

things it's just a case of the uk is

997

00:35:21,430 --> 00:35:20,079

always behind the us

998

00:35:23,270 --> 00:35:21,440

you know that's the way it works in

999

00:35:25,430 --> 00:35:23,280

politics in everything with the

1000

00:35:28,630 --> 00:35:25,440

relationship between the two countries

1001
00:35:29,829 --> 00:35:28,640
so it's just a case of being over here

1002
00:35:31,589 --> 00:35:29,839
it's just playing catch up with

1003
00:35:33,910 --> 00:35:31,599
everything happening in the u.s in

1004
00:35:36,230 --> 00:35:33,920
parliament in you know in the talk in

1005
00:35:37,670 --> 00:35:36,240
the house of commons recently just

1006
00:35:39,670 --> 00:35:37,680
embarrassing that they're just not

1007
00:35:41,109 --> 00:35:39,680
willing to discuss uap at all whereas at

1008
00:35:43,190 --> 00:35:41,119
least the conversations happening in the

1009
00:35:45,750 --> 00:35:43,200
us you know i work with a company called

1010
00:35:47,829 --> 00:35:45,760
uap media uk i'm part of there now where

1011
00:35:51,109 --> 00:35:47,839
we're trying to communicate with

1012
00:35:53,670 --> 00:35:51,119
the media to write more

1013
00:35:55,030 --> 00:35:53,680

less ex filesy type articles and things

1014

00:35:56,950 --> 00:35:55,040

you know there's kind of the stuff that

1015

00:35:58,630 --> 00:35:56,960

you mentioned earlier that you're doing

1016

00:36:00,230 --> 00:35:58,640

but

1017

00:36:03,190 --> 00:36:00,240

picking it up

1018

00:36:07,349 --> 00:36:05,589

oh it's just a case of i think the uk

1019

00:36:09,670 --> 00:36:07,359

will catch up in the next few months but

1020

00:36:12,310 --> 00:36:09,680

for now if i was just primarily trying

1021

00:36:14,230 --> 00:36:12,320

to focus on a uk perspective

1022

00:36:15,750 --> 00:36:14,240

yeah i wouldn't be here now doing all

1023

00:36:17,829 --> 00:36:15,760

this because it'd just be a nothing

1024

00:36:18,550 --> 00:36:17,839

burger i've spoken to nick pope as well

1025

00:36:21,109 --> 00:36:18,560

and

1026

00:36:22,470 --> 00:36:21,119

i like nick

1027

00:36:24,310 --> 00:36:22,480

i don't know how much to say actually

1028

00:36:26,870 --> 00:36:24,320

because you know i look into the history

1029

00:36:29,109 --> 00:36:26,880

and i speak to a lot of people and

1030

00:36:31,430 --> 00:36:29,119

if we go into things like di 55 and the

1031

00:36:34,790 --> 00:36:31,440

ufo desk in the ministry of defense and

1032

00:36:36,310 --> 00:36:34,800

what actually nick did and didn't do

1033

00:36:37,910 --> 00:36:36,320

i'm not going to go into it

1034

00:36:39,990 --> 00:36:37,920

so

1035

00:36:41,349 --> 00:36:40,000

yeah

1036

00:36:43,109 --> 00:36:41,359

i'm probably not the best person to ask

1037

00:36:45,589 --> 00:36:43,119

the uk question to like i said i'm i'm

1038

00:36:47,349 --> 00:36:45,599

more of an honorary u.s researcher so

1039

00:36:49,030 --> 00:36:47,359

i'll leave it there

1040

00:36:50,310 --> 00:36:49,040

people ask annoy anyone

1041

00:36:51,510 --> 00:36:50,320

right fair enough and people ask me

1042

00:36:53,510 --> 00:36:51,520

about canada because they're the same

1043

00:36:55,510 --> 00:36:53,520

way they're like what about canadians we

1044

00:36:57,750 --> 00:36:55,520

don't do anything with evos like i'm

1045

00:36:59,190 --> 00:36:57,760

very much have to play in the states

1046

00:37:01,030 --> 00:36:59,200

to do any of this because more of the

1047

00:37:02,630 --> 00:37:01,040

research and the information like we

1048

00:37:04,310 --> 00:37:02,640

have stuff we have falcon lake and we

1049

00:37:06,550 --> 00:37:04,320

have multiple we've had multiple

1050

00:37:07,910 --> 00:37:06,560

different instances but our government

1051
00:37:10,230 --> 00:37:07,920
doesn't take it seriously they're just

1052
00:37:12,310 --> 00:37:10,240
like nah next and they're going to have

1053
00:37:14,230 --> 00:37:12,320
to at some point you know and our news

1054
00:37:16,470 --> 00:37:14,240
media you know we'll release something

1055
00:37:18,470 --> 00:37:16,480
and i'm seeding stuff to news media and

1056
00:37:19,349 --> 00:37:18,480
then we'll break co-break stories of

1057
00:37:21,270 --> 00:37:19,359
people

1058
00:37:22,710 --> 00:37:21,280
you know we break a story in our media

1059
00:37:25,109 --> 00:37:22,720
my job is to help seed it so that other

1060
00:37:27,510 --> 00:37:25,119
media picks it up and references us

1061
00:37:29,190 --> 00:37:27,520
um and it's funny because in canada it's

1062
00:37:31,510 --> 00:37:29,200
like a week later they're like oh yeah

1063
00:37:34,790 --> 00:37:31,520

ufos and we're like we just talked about

1064

00:37:36,870 --> 00:37:34,800

that like it like a week ago like yeah

1065

00:37:37,990 --> 00:37:36,880

we're like a month later here at the

1066

00:37:39,910 --> 00:37:38,000

best wow

1067

00:37:43,670 --> 00:37:39,920

so

1068

00:37:45,510 --> 00:37:43,680

stories come out in the past few months

1069

00:37:47,270 --> 00:37:45,520

yeah it has quite a few of those yeah

1070

00:37:48,390 --> 00:37:47,280

the pilot stories

1071

00:37:49,750 --> 00:37:48,400

yeah okay

1072

00:37:51,349 --> 00:37:49,760

vice is doing so you know maybe

1073

00:37:52,630 --> 00:37:51,359

shouldn't be shedding another but vice

1074

00:37:55,270 --> 00:37:52,640

advice or competitor they've been doing

1075

00:37:56,870 --> 00:37:55,280

some great stuff too yeah daniel otis is

1076

00:37:58,950 --> 00:37:56,880

his articles have been phenomenal

1077

00:38:00,150 --> 00:37:58,960

absolutely no you can shout out

1078

00:38:02,310 --> 00:38:00,160

competitively

1079

00:38:03,910 --> 00:38:02,320

it's all good i do i do like fights i do

1080

00:38:05,430 --> 00:38:03,920

i do like i like a lot of our

1081

00:38:06,550 --> 00:38:05,440

competitors they love too they're doing

1082

00:38:08,310 --> 00:38:06,560

great work

1083

00:38:09,990 --> 00:38:08,320

yeah and just you mentioned the pilot

1084

00:38:11,829 --> 00:38:10,000

cases i've been speaking to quite a few

1085

00:38:14,790 --> 00:38:11,839

pilots that work for that particular

1086

00:38:16,150 --> 00:38:14,800

airline about their experiences nice i'm

1087

00:38:18,150 --> 00:38:16,160

actually i'm trying to

1088

00:38:20,310 --> 00:38:18,160

me and max we're trying to get hold of

1089

00:38:22,150 --> 00:38:20,320

the pilots at the moment it's i hope

1090

00:38:24,310 --> 00:38:22,160

they come forward because those cases

1091

00:38:25,510 --> 00:38:24,320

were phenomenal if if what they say

1092

00:38:28,069 --> 00:38:25,520

happened

1093

00:38:30,829 --> 00:38:28,079

and yeah interesting stuff definitely

1094

00:38:32,630 --> 00:38:30,839

yeah we're still slow picking it up

1095

00:38:34,069 --> 00:38:32,640

slowly but

1096

00:38:37,190 --> 00:38:34,079

yeah we'll we'll catch up we'll get

1097

00:38:40,150 --> 00:38:37,200

there in a few years over here

1098

00:38:41,990 --> 00:38:40,160

but it's just a case of we need the

1099

00:38:45,510 --> 00:38:42,000

we need to get out of the gutter press i

1100

00:38:47,510 --> 00:38:45,520

call it like you know the tabloids the

1101

00:38:49,270 --> 00:38:47,520

where it's not really

1102

00:38:51,510 --> 00:38:49,280

it's a lot of cut and paste journalism

1103

00:38:53,430 --> 00:38:51,520

they see something in the u.s copy paste

1104

00:38:55,349 --> 00:38:53,440

change a cup a couple of words paste it

1105

00:38:57,670 --> 00:38:55,359

a month later and it's a

1106

00:38:59,430 --> 00:38:57,680

a sensational ufo story you know that's

1107

00:39:01,349 --> 00:38:59,440

kind of what it is

1108

00:39:03,430 --> 00:39:01,359

yes and we need to go well we work the

1109

00:39:04,630 --> 00:39:03,440

sun messages us in different ways too

1110

00:39:07,990 --> 00:39:04,640

and it's like can we get some quotes

1111

00:39:10,069 --> 00:39:08,000

from your guys about you know

1112

00:39:12,069 --> 00:39:10,079

it is and it's you know and they are and

1113

00:39:14,150 --> 00:39:12,079

and you know we we just we don't

1114

00:39:16,230 --> 00:39:14,160

speculate right because we shouldn't and

1115

00:39:17,670 --> 00:39:16,240

as journalists they shouldn't so they're

1116

00:39:20,630 --> 00:39:17,680

really just giving what they know and

1117

00:39:22,310 --> 00:39:20,640

facts wise or history bits but it's you

1118

00:39:23,829 --> 00:39:22,320

know it is it's a good start but it's i

1119

00:39:25,270 --> 00:39:23,839

laugh because it's always the sun it's

1120

00:39:27,030 --> 00:39:25,280

you know it's always

1121

00:39:28,870 --> 00:39:27,040

the tablets and we're like come on

1122

00:39:31,910 --> 00:39:28,880

mainstream media i shouldn't say that

1123

00:39:34,470 --> 00:39:31,920

you did message us and bbc world did do

1124

00:39:36,310 --> 00:39:34,480

a piece yeah mj banayas did a piece of

1125

00:39:38,310 --> 00:39:36,320

bbc world just i think it was the day

1126
00:39:40,790 --> 00:39:38,320
before the report came out or was it the

1127
00:39:42,470 --> 00:39:40,800
day after but yeah we ended up doing

1128
00:39:44,230 --> 00:39:42,480
some stuff there so like they're slowly

1129
00:39:46,150 --> 00:39:44,240
picking it up but it was kind of when

1130
00:39:47,670 --> 00:39:46,160
everything exploded and then now we've

1131
00:39:49,349 --> 00:39:47,680
just seen this like

1132
00:39:51,349 --> 00:39:49,359
it's just the topic's still obviously

1133
00:39:52,870 --> 00:39:51,359
around for us but in news media like

1134
00:39:54,710 --> 00:39:52,880
went so big and then now it's just kind

1135
00:39:56,630 --> 00:39:54,720
of been a little bit quiet that's kind

1136
00:39:59,430 --> 00:39:56,640
of my next question was how do you feel

1137
00:40:01,510 --> 00:39:59,440
about this current calm period right now

1138
00:40:05,670 --> 00:40:01,520

because it's so

1139

00:40:07,190 --> 00:40:05,680

so calm it is calm calm before the storm

1140

00:40:09,510 --> 00:40:07,200

i hope i'm right

1141

00:40:12,309 --> 00:40:09,520

yeah i yeah it's calm i i did this

1142

00:40:13,990 --> 00:40:12,319

interview with leslie kane on uh to ask

1143

00:40:15,589 --> 00:40:14,000

there's a ufo bubble bust and this is

1144

00:40:17,270 --> 00:40:15,599

something we talk about in the debrief

1145

00:40:19,510 --> 00:40:17,280

so i brought it up with that because

1146

00:40:21,030 --> 00:40:19,520

this is exactly what we were alluding to

1147

00:40:23,270 --> 00:40:21,040

in in that interview was that there

1148

00:40:25,510 --> 00:40:23,280

might be a bust because there's so much

1149

00:40:27,030 --> 00:40:25,520

information and it's in every single

1150

00:40:28,630 --> 00:40:27,040

crane nook and cranny like you those are

1151
00:40:30,309 --> 00:40:28,640
in politics or entertainment they're in

1152
00:40:32,390 --> 00:40:30,319
like different forms of entertainment

1153
00:40:33,109 --> 00:40:32,400
film television documentaries like

1154
00:40:34,630 --> 00:40:33,119
they're

1155
00:40:36,870 --> 00:40:34,640
it's in every single thing it's even

1156
00:40:38,390 --> 00:40:36,880
beauty now like there's it's just

1157
00:40:40,550 --> 00:40:38,400
yeah there's something called the alien

1158
00:40:42,230 --> 00:40:40,560
look that's going out now like it's just

1159
00:40:44,470 --> 00:40:42,240
i know don't ask i sent it to a friend

1160
00:40:46,309 --> 00:40:44,480
of mine she sent me an email or a note

1161
00:40:48,630 --> 00:40:46,319
and was like is this a thing and i sent

1162
00:40:50,230 --> 00:40:48,640
her an article from i think it was like

1163
00:40:51,510 --> 00:40:50,240

the hollywood reporter or something i

1164

00:40:53,510 --> 00:40:51,520

was like yeah there's this thing called

1165

00:40:55,190 --> 00:40:53,520

the alien beauty look now that women are

1166

00:40:56,470 --> 00:40:55,200

trying to get and i'm like what is it so

1167

00:40:59,109 --> 00:40:56,480

i sent it to the guys i was like it's

1168

00:41:02,470 --> 00:40:59,119

even in beauty now like it's everywhere

1169

00:41:05,750 --> 00:41:02,480

so yeah wild and so i think that you

1170

00:41:07,349 --> 00:41:05,760

know at there is this this lull there

1171

00:41:09,349 --> 00:41:07,359

will be a pickup like i think we have

1172

00:41:11,510 --> 00:41:09,359

our ebbs and flows and something will

1173

00:41:12,950 --> 00:41:11,520

pick up even more we'll see what happens

1174

00:41:14,470 --> 00:41:12,960

in the next round because we have our

1175

00:41:17,030 --> 00:41:14,480

lobbyists you know if you're looking at

1176

00:41:19,750 --> 00:41:17,040

if you are that chris from lynn and

1177

00:41:21,030 --> 00:41:19,760

louisando are you know advocates for us

1178

00:41:22,390 --> 00:41:21,040

there will be some other things that

1179

00:41:25,030 --> 00:41:22,400

will happen because they're always

1180

00:41:26,390 --> 00:41:25,040

lobbying to for more information to come

1181

00:41:28,950 --> 00:41:26,400

out and to put forward same with senator

1182

00:41:30,870 --> 00:41:28,960

harry reid so yeah well i think that's

1183

00:41:31,670 --> 00:41:30,880

where we'll see then maybe the next kind

1184

00:41:36,630 --> 00:41:31,680

of

1185

00:41:38,790 --> 00:41:36,640

then again back to the jj abram like he

1186

00:41:40,069 --> 00:41:38,800

really put a little wrench but he likes

1187

00:41:42,470 --> 00:41:40,079

to do that

1188

00:41:44,069 --> 00:41:42,480

he's one of those like and this is where

1189

00:41:46,150 --> 00:41:44,079

people like if people don't follow jj

1190

00:41:48,390 --> 00:41:46,160

abrams work they would never know that

1191

00:41:50,390 --> 00:41:48,400

jj abrams is someone who likes to do red

1192

00:41:51,510 --> 00:41:50,400

herrings like he's made so many

1193

00:41:53,829 --> 00:41:51,520

different types of movies or

1194

00:41:55,270 --> 00:41:53,839

mockumentaries that like make you think

1195

00:41:56,309 --> 00:41:55,280

something else but it really is the

1196

00:41:57,670 --> 00:41:56,319

other so

1197

00:41:59,670 --> 00:41:57,680

i after i watched it i thought it was

1198

00:42:01,270 --> 00:41:59,680

really well done like it was it was it's

1199

00:42:02,790 --> 00:42:01,280

just beautiful and it's a well well-done

1200

00:42:03,990 --> 00:42:02,800

documentary and it's and i like the way

1201

00:42:05,990 --> 00:42:04,000

that it was laid out in the four

1202

00:42:09,030 --> 00:42:06,000

episodes but once we got around i think

1203

00:42:11,510 --> 00:42:09,040

it was episode three i was getting yeah

1204

00:42:12,790 --> 00:42:11,520

i was like come on i'm like this is just

1205

00:42:15,349 --> 00:42:12,800

information

1206

00:42:18,230 --> 00:42:15,359

i'm like this is gonna like it's the he

1207

00:42:19,750 --> 00:42:18,240

if he didn't know i would be shocked but

1208

00:42:22,950 --> 00:42:19,760

that's what causes the confusion because

1209

00:42:25,030 --> 00:42:22,960

we have so much of that and it caused a

1210

00:42:27,510 --> 00:42:25,040

lot of paranoia i even got paranoid when

1211

00:42:29,349 --> 00:42:27,520

i watched it i was like oh maybe the

1212

00:42:31,510 --> 00:42:29,359

things that i believe are not true like

1213

00:42:33,430 --> 00:42:31,520

i questioned myself for moments and then

1214

00:42:35,270 --> 00:42:33,440

i was like hold on chrissy like you have

1215

00:42:37,270 --> 00:42:35,280

to remember this is entertainment too

1216

00:42:39,430 --> 00:42:37,280

right so

1217

00:42:40,710 --> 00:42:39,440

yeah and he did open my mind to to

1218

00:42:42,630 --> 00:42:40,720

looking at in different ways for sure

1219

00:42:44,069 --> 00:42:42,640

and again it was really well done but

1220

00:42:46,710 --> 00:42:44,079

i'm just scared that it created a lot of

1221

00:42:47,990 --> 00:42:46,720

paranoia in our community um and sorry

1222

00:42:51,270 --> 00:42:48,000

if anybody hasn't watched this i might

1223

00:42:55,109 --> 00:42:53,349

it's that crazy that i don't think that

1224

00:42:57,109 --> 00:42:55,119

spoiled it at all because

1225

00:42:59,349 --> 00:42:57,119

yeah episode three hit and i was like

1226

00:43:01,510 --> 00:42:59,359

what what are you doing

1227

00:43:04,309 --> 00:43:01,520

but okay okay you know i'm just glad it

1228

00:43:05,910 --> 00:43:04,319

was out there in mainstream and i think

1229

00:43:07,109 --> 00:43:05,920

one good thing about this quiet period

1230

00:43:08,790 --> 00:43:07,119

as well is that people are still

1231

00:43:10,470 --> 00:43:08,800

whispering and there's still talk we've

1232

00:43:12,790 --> 00:43:10,480

had quiet periods in the past where it's

1233

00:43:15,030 --> 00:43:12,800

just died and gone silent but the talk

1234

00:43:16,710 --> 00:43:15,040

is lifting even in the quiet periods

1235

00:43:18,630 --> 00:43:16,720

because that stigma has fizzled away a

1236

00:43:21,589 --> 00:43:18,640

bit from what i've seen

1237

00:43:24,390 --> 00:43:21,599

um so yeah let's hope that you know the

1238

00:43:26,069 --> 00:43:24,400

big phone home this weekend might yeah

1239

00:43:28,230 --> 00:43:26,079

you know stir things up again that's

1240

00:43:30,150 --> 00:43:28,240

going to be exciting to see i'm very

1241

00:43:32,950 --> 00:43:30,160

happy to be a part of that um we will

1242

00:43:34,710 --> 00:43:32,960

never let this die the community won't

1243

00:43:37,510 --> 00:43:34,720

they won't the only thing i think just

1244

00:43:39,270 --> 00:43:37,520

we do have to be mindful is that because

1245

00:43:42,390 --> 00:43:39,280

they know that we're a strong community

1246

00:43:44,150 --> 00:43:42,400

and i do agree that some people can put

1247

00:43:46,790 --> 00:43:44,160

little red herrings into things because

1248

00:43:48,790 --> 00:43:46,800

we will propel our own information um

1249

00:43:50,230 --> 00:43:48,800

i'm not going to name names but there is

1250

00:43:53,270 --> 00:43:50,240

that incident that happened in the

1251

00:43:55,750 --> 00:43:53,280

lincoln memorial and uh

1252

00:43:57,270 --> 00:43:55,760

i'm not a fan of that personally but

1253

00:43:58,870 --> 00:43:57,280

there are a lot of different things that

1254

00:44:00,710 --> 00:43:58,880

will come out in stories and people will

1255

00:44:01,990 --> 00:44:00,720

see different things and make us believe

1256

00:44:03,670 --> 00:44:02,000

different stuff and we just have to be

1257

00:44:05,990 --> 00:44:03,680

able to like be mindful of what that

1258

00:44:08,550 --> 00:44:06,000

means and just try to do our best like

1259

00:44:09,990 --> 00:44:08,560

to sort through it because it's only

1260

00:44:12,069 --> 00:44:10,000

gonna happen and they know that we like

1261

00:44:14,870 --> 00:44:12,079

to push information like i've

1262

00:44:17,670 --> 00:44:14,880

i've never as a pr person in my entire

1263

00:44:19,589 --> 00:44:17,680

life have ever seen a community

1264

00:44:21,589 --> 00:44:19,599

take a piece of information and

1265

00:44:23,990 --> 00:44:21,599

disseminate it like

1266

00:44:26,550 --> 00:44:24,000

in minutes

1267

00:44:29,109 --> 00:44:26,560

we're so strong that's actually really

1268

00:44:31,510 --> 00:44:29,119

good for us but it's also scary for us

1269

00:44:33,750 --> 00:44:31,520

too because if somebody really wanted to

1270

00:44:36,710 --> 00:44:33,760

put disinformation in we would spread it

1271

00:44:38,630 --> 00:44:36,720

ourselves because we have such a strong

1272

00:44:42,150 --> 00:44:38,640

element of sharing

1273

00:44:44,150 --> 00:44:42,160

and like sharing and caring and so

1274

00:44:45,750 --> 00:44:44,160

it's it's true and i just feel that

1275

00:44:47,349 --> 00:44:45,760

that's that's their only it's not a

1276

00:44:49,349 --> 00:44:47,359

downfall it's a win for us because we're

1277

00:44:50,710 --> 00:44:49,359

so connected but it's also that if

1278

00:44:52,309 --> 00:44:50,720

somebody wanted to do it they could do

1279

00:44:55,270 --> 00:44:52,319

it very easily and that's what i might

1280

00:44:57,990 --> 00:44:55,280

like i look at that stuff very closely

1281

00:44:59,510 --> 00:44:58,000

so yeah i agree completely

1282

00:45:01,750 --> 00:44:59,520

there's there's power in what we do but

1283

00:45:04,870 --> 00:45:01,760

there's also those little seeds of

1284

00:45:06,470 --> 00:45:04,880

doubt or negativity or risk or

1285

00:45:08,470 --> 00:45:06,480

yeah possible

1286

00:45:10,550 --> 00:45:08,480

disinformation getting pushed in there

1287

00:45:11,670 --> 00:45:10,560

slightly but well the disa there is

1288

00:45:13,430 --> 00:45:11,680

probably there's different

1289

00:45:16,069 --> 00:45:13,440

disinformation going on right now like

1290

00:45:17,270 --> 00:45:16,079

there has to be like it's not that we're

1291

00:45:20,550 --> 00:45:17,280

not

1292

00:45:22,150 --> 00:45:20,560

just want to know what it is and we

1293

00:45:23,829 --> 00:45:22,160

don't usually find out from 10 to 20

1294

00:45:25,030 --> 00:45:23,839

years from now what that might be it

1295

00:45:28,710 --> 00:45:25,040

might not

1296

00:45:30,150 --> 00:45:28,720

might be smaller things like we don't

1297

00:45:31,829 --> 00:45:30,160

we don't know yet and i think we just

1298

00:45:33,510 --> 00:45:31,839

have to be open-minded that not

1299

00:45:35,349 --> 00:45:33,520

everything we're told is probably the

1300

00:45:37,109 --> 00:45:35,359

most accurate it doesn't mean that some

1301

00:45:39,589 --> 00:45:37,119

of it's not right we just have to be

1302

00:45:41,349 --> 00:45:39,599

really really you know mindful of what

1303

00:45:43,270 --> 00:45:41,359

we're what we're taking in that's it

1304

00:45:44,550 --> 00:45:43,280

yeah no absolutely and it can sometimes

1305

00:45:46,470 --> 00:45:44,560

just come straight out of left field

1306

00:45:47,910 --> 00:45:46,480

where you least expect it like you say

1307

00:45:49,670 --> 00:45:47,920

probably isn't the lose or the melons

1308

00:45:52,630 --> 00:45:49,680

but it's someone else that you probably

1309

00:45:54,470 --> 00:45:52,640

weren't even expecting but

1310

00:45:56,790 --> 00:45:54,480

we'll see but um

1311

00:45:58,150 --> 00:45:56,800

one thing and before we wrap this up i

1312

00:46:00,390 --> 00:45:58,160

really wanted to speak to you about what

1313

00:46:02,230 --> 00:46:00,400

you've got coming up in the future

1314

00:46:03,750 --> 00:46:02,240

um and i think one of the nearest things

1315

00:46:05,990 --> 00:46:03,760

coming up is the

1316

00:46:08,550 --> 00:46:06,000

international ufo congress where you

1317

00:46:09,990 --> 00:46:08,560

will be a speaker

1318

00:46:12,309 --> 00:46:10,000

how does that yeah

1319

00:46:13,750 --> 00:46:12,319

it's crazy it's so i posted yesterday on

1320

00:46:16,069 --> 00:46:13,760

my social it was yesterday a couple days

1321

00:46:17,670 --> 00:46:16,079

ago it was like so crazy the conference

1322

00:46:20,230 --> 00:46:17,680

that you go to and now you're gonna be

1323

00:46:22,870 --> 00:46:20,240

like you're you're on it like what it

1324

00:46:25,109 --> 00:46:22,880

came full circle again um

1325

00:46:26,950 --> 00:46:25,119

wow uh so and that thank you to the

1326

00:46:29,030 --> 00:46:26,960

debrief like that's the big part of it

1327

00:46:31,270 --> 00:46:29,040

what happened was um one of the owners

1328

00:46:33,349 --> 00:46:31,280

messed the debrief and we decided to

1329

00:46:34,710 --> 00:46:33,359

do as a team thing so i just said like

1330

00:46:35,670 --> 00:46:34,720

i'll i'm more than happy to host it

1331

00:46:37,750 --> 00:46:35,680

because they're really chrissy why don't

1332

00:46:40,470 --> 00:46:37,760

you just host the conversation so we're

1333

00:46:43,109 --> 00:46:40,480

doing a year in review of ufos for this

1334

00:46:44,710 --> 00:46:43,119

past year and breaking it down and then

1335

00:46:46,390 --> 00:46:44,720

talking about like debrief articles and

1336

00:46:47,910 --> 00:46:46,400

the rest of our team how you know how

1337

00:46:48,630 --> 00:46:47,920

our team kind of started how it came to

1338

00:46:58,309 --> 00:46:48,640

be

1339

00:47:00,470 --> 00:46:59,510

what i'll do is i haven't put it in the

1340

00:47:02,150 --> 00:47:00,480

link yet

1341

00:47:03,510 --> 00:47:02,160

tomorrow i will post the links where

1342

00:47:05,030 --> 00:47:03,520

people can go and sign up if they want

1343

00:47:06,790 --> 00:47:05,040

to go and

1344

00:47:07,990 --> 00:47:06,800

check it out live you know it certainly

1345

00:47:09,349 --> 00:47:08,000

will be interesting because you've got

1346

00:47:12,230 --> 00:47:09,359

the full debrief squad they're already

1347

00:47:13,750 --> 00:47:12,240

mj binayas tim mcmillan

1348

00:47:15,750 --> 00:47:13,760

christopher playing

1349

00:47:18,470 --> 00:47:15,760

mike christopher mike

1350

00:47:20,390 --> 00:47:18,480

uh so it's everybody so all of our like

1351

00:47:22,470 --> 00:47:20,400

internal like core team that our core

1352

00:47:24,309 --> 00:47:22,480

team christina is she can't be there

1353

00:47:25,910 --> 00:47:24,319

unfortunately love her she can't be

1354

00:47:27,030 --> 00:47:25,920

there that day she would have been there

1355

00:47:28,790 --> 00:47:27,040

and then we also have a whole bunch of

1356

00:47:31,109 --> 00:47:28,800

other writers that write for us not just

1357

00:47:33,270 --> 00:47:31,119

ufo related but it's all of all of us

1358

00:47:35,109 --> 00:47:33,280

ufoes that

1359

00:47:37,190 --> 00:47:35,119

that are at the conference all the other

1360

00:47:39,750 --> 00:47:37,200

writers are are doing more science and

1361

00:47:41,589 --> 00:47:39,760

tech stuff so ah that's so exciting i

1362

00:47:42,950 --> 00:47:41,599

hope i hope we get to see some of you

1363

00:47:45,430 --> 00:47:42,960

after the fact for the people that may

1364

00:47:47,910 --> 00:47:45,440

not attend or get to watch it but i'm

1365

00:47:49,589 --> 00:47:47,920

sure we'll hear about it anyway but then

1366

00:47:50,710 --> 00:47:49,599

good stuff anything else that you've got

1367

00:47:53,349 --> 00:47:50,720

coming up in the future anything you

1368

00:47:55,990 --> 00:47:53,359

want to plug or that's it if anybody can

1369

00:47:57,349 --> 00:47:56,000

go check out my uh like the drd brief

1370

00:47:59,910 --> 00:47:57,359

youtube page or obviously go to the

1371

00:48:01,430 --> 00:47:59,920

debrief dot org and go to youtube see

1372

00:48:03,670 --> 00:48:01,440

interviews that i do along with

1373

00:48:06,000 --> 00:48:03,680

christina's and i should having some

1374

00:48:07,109 --> 00:48:06,010

that comes out with luella bundo

1375

00:48:09,670 --> 00:48:07,119

[Music]

1376

00:48:11,270 --> 00:48:09,680

conversations with kevin day so i'm

1377

00:48:12,790 --> 00:48:11,280

looking forward to those

1378

00:48:15,109 --> 00:48:12,800

yeah that's exciting can't wait for

1379

00:48:16,870 --> 00:48:15,119

those well listen chrissy thank you so

1380

00:48:18,630 --> 00:48:16,880

much i've had a great conversation i

1381

00:48:19,990 --> 00:48:18,640

think everybody look at the comments

1382

00:48:22,069 --> 00:48:20,000

i've seen i think everyone's enjoyed it

1383

00:48:23,750 --> 00:48:22,079

too so i really appreciate you taking

1384

00:48:26,150 --> 00:48:23,760

the time for me thank you

1385

00:48:27,670 --> 00:48:26,160

you too thanks guys

1386

00:48:29,430 --> 00:48:27,680

so guys thank you everyone for watching

1387

00:48:31,109 --> 00:48:29,440

and joining us live especially but

1388

00:48:32,950 --> 00:48:31,119

everyone watching this after the fact it

1389

00:48:35,190 --> 00:48:32,960

really means the world to me for the

1390

00:48:36,710 --> 00:48:35,200

continued support so thank you so much

1391

00:48:38,309 --> 00:48:36,720

and i will see you probably in a couple
