[Music]

2  
00:00:36,709 --> 00:00:34,800  
good evening everybody i say evening

3  
00:00:39,350 --> 00:00:36,719  
it's eight o'clock here in the uk thank

4  
00:00:42,950 --> 00:00:39,360  
you so much for joining me um on the

5  
00:00:44,389 --> 00:00:42,960  
youtube channel for disclosure team

6  
00:00:45,990 --> 00:00:44,399  
this one is something i've been looking

7  
00:00:47,430 --> 00:00:46,000  
forward to quite some time now this

8  
00:00:49,190 --> 00:00:47,440  
gentleman that we are speaking to

9  
00:00:51,110 --> 00:00:49,200  
tonight i have been following his work

10  
00:00:53,670 --> 00:00:51,120  
for many years now i have so much

11  
00:00:55,830 --> 00:00:53,680  
respect for the guy um so let's not

12  
00:00:57,110 --> 00:00:55,840  
waste any more time i would love to

13  
00:00:59,750 --> 00:00:57,120

introduce you

14

00:01:01,510 --> 00:00:59,760

to mr steven bassett

15

00:01:04,149 --> 00:01:01,520

you are muted steve how are you my

16

00:01:07,670 --> 00:01:06,550

i am unmuted

17

00:01:11,270 --> 00:01:07,680

how are you

18

00:01:13,590 --> 00:01:11,280

excellent

19

00:01:15,670 --> 00:01:13,600

good good i gotta say thank you so much

20

00:01:17,830 --> 00:01:15,680

for joining me it means so much to me

21

00:01:20,230 --> 00:01:17,840

because i've been studying this subject

22

00:01:22,550 --> 00:01:20,240

for about a decade now um

23

00:01:23,429 --> 00:01:22,560

and i've been following your work for so

24

00:01:25,270 --> 00:01:23,439

long

25

00:01:27,990 --> 00:01:25,280

so this really does mean so much to me

26

00:01:30,710 --> 00:01:28,000

so i cannot thank you enough

27

00:01:31,830 --> 00:01:30,720

always happy to uh to talk to my good

28

00:01:33,190 --> 00:01:31,840

friends in

29

00:01:34,469 --> 00:01:33,200

the uk you're

30

00:01:35,270 --> 00:01:34,479

where are you based right now where are

31

00:01:37,109 --> 00:01:35,280

you

32

00:01:38,870 --> 00:01:37,119

i'm in england i'm in the north i'm in

33

00:01:41,190 --> 00:01:38,880

the north of england yeah

34

00:01:43,670 --> 00:01:41,200

okay because that that looks like an

35

00:01:44,950 --> 00:01:43,680

american flag behind you there

36

00:01:46,550 --> 00:01:44,960

well i thought i'd bring up like the

37

00:01:48,469 --> 00:01:46,560

capitol building and stuff because you

38

00:01:49,590 --> 00:01:48,479

know a lot of stuff that you deal with

39

00:01:51,830 --> 00:01:49,600

it kind of

40

00:01:53,510 --> 00:01:51,840

represents that so you know i try and

41

00:01:55,190 --> 00:01:53,520

utilize my backgrounds for the guest

42

00:01:59,190 --> 00:01:55,200

that i'm speaking with

43

00:02:00,789 --> 00:01:59,200

i see okay no problem no problem uh

44

00:02:02,950 --> 00:02:00,799

look i hope uh we don't have an

45

00:02:04,630 --> 00:02:02,960

insurrection take place while we're on

46

00:02:07,190 --> 00:02:04,640

the air here so

47

00:02:08,389 --> 00:02:07,200

i hope not either

48

00:02:10,070 --> 00:02:08,399

well you know what the first thing i

49

00:02:11,750 --> 00:02:10,080

would really love to dig into is could

50

00:02:14,229 --> 00:02:11,760

just take us back to the kind of the mid

51

00:02:16,869 --> 00:02:14,239

90s because um

52

00:02:19,110 --> 00:02:16,879

i believe you were involved with dr john

53

00:02:21,430 --> 00:02:19,120

mack at some point was that like an in

54

00:02:24,390 --> 00:02:21,440

the early days of your connection to

55

00:02:26,949 --> 00:02:24,400

this subject let's say

56

00:02:29,350 --> 00:02:26,959

uh yeah to say i was involved in john

57

00:02:32,070 --> 00:02:29,360

mack would be uh a little bit

58

00:02:33,910 --> 00:02:32,080

i i volunteered for his organization

59

00:02:36,229 --> 00:02:33,920

that he had set up

60

00:02:38,390 --> 00:02:36,239

in cambridge massachusetts uh back in

61

00:02:40,869 --> 00:02:38,400

the early 90s called the program for

62

00:02:42,070 --> 00:02:40,879

extraordinary experience research he was

63

00:02:44,710 --> 00:02:42,080

doing

64

00:02:46,309 --> 00:02:44,720

research he was working with actual

65

00:02:48,470 --> 00:02:46,319

contactees

66

00:02:50,630 --> 00:02:48,480

very early obviously

67

00:02:52,790 --> 00:02:50,640

and uh i

68

00:02:54,630 --> 00:02:52,800

and he wrote a book called abduction

69

00:02:57,110 --> 00:02:54,640

human contact with the aliens which

70

00:02:58,550 --> 00:02:57,120

created quite a stir created quite a stir

71

00:03:00,149 --> 00:02:58,560

particularly amongst the harvard

72

00:03:02,149 --> 00:03:00,159

illuminati

73

00:03:03,990 --> 00:03:02,159

so they gave him a hard time and he had

74

00:03:06,229 --> 00:03:04,000

to spend a lot of money to defend his

75

00:03:07,110 --> 00:03:06,239

work which eventually they said fine go

76

00:03:08,949 --> 00:03:07,120

ahead

77

00:03:10,390 --> 00:03:08,959

it was a disgrace

78

00:03:11,670 --> 00:03:10,400

for harvard which we'll have to answer

79

00:03:13,830 --> 00:03:11,680

to it one day

80

00:03:16,470 --> 00:03:13,840

but in any event

81

00:03:18,229 --> 00:03:16,480

i read the book and learned about the

82

00:03:20,790 --> 00:03:18,239

organization and i wanted to get

83

00:03:22,790 --> 00:03:20,800

involved in this issue i wasn't sure how

84

00:03:24,710 --> 00:03:22,800

but i thought

85

00:03:26,070 --> 00:03:24,720

maybe i could go volunteer

86

00:03:28,229 --> 00:03:26,080

if you're willing to work for free it's

87

00:03:30,630 --> 00:03:28,239

amazing how much easier it is for people

88

00:03:32,789 --> 00:03:30,640

to say sure come on

89

00:03:34,789 --> 00:03:32,799

and uh though not that easy anyway i was

90

00:03:36,710 --> 00:03:34,799

able to do it so i picked up everything

91

00:03:38,630 --> 00:03:36,720

and just headed to boston and i spent

92

00:03:40,070 --> 00:03:38,640

four months there and that was my my

93

00:03:42,070 --> 00:03:40,080

beginning

94

00:03:43,430 --> 00:03:42,080

i met him a couple of times talked with

95

00:03:46,710 --> 00:03:43,440

him i was there during a very

96

00:03:49,750 --> 00:03:46,720

interesting period in his his life uh

97

00:03:52,309 --> 00:03:49,760

and uh then i left the boston went down

98

00:03:54,390 --> 00:03:52,319

to washington dc to start the activist

99

00:03:55,910 --> 00:03:54,400

work

100

00:03:57,350 --> 00:03:55,920

yeah because it was only about a year

101  
00:03:59,830 --> 00:03:57,360  
later that you started the paradigm

102  
00:04:01,830 --> 00:03:59,840  
research group is that right

103  
00:04:04,949 --> 00:04:01,840  
actually it was that same year i i

104  
00:04:07,670 --> 00:04:04,959  
arrived in boston on january 26th

105  
00:04:10,229 --> 00:04:07,680  
uh i left and arrived in washington area

106  
00:04:11,990 --> 00:04:10,239  
on july the 4th

107  
00:04:14,390 --> 00:04:12,000  
and i set up paradigm research group

108  
00:04:16,229 --> 00:04:14,400  
very shortly thereafter what were your

109  
00:04:18,229 --> 00:04:16,239  
main goals initially when you first set

110  
00:04:19,990 --> 00:04:18,239  
it up did you did you have like a

111  
00:04:22,230 --> 00:04:20,000  
long-term goal or was it just something

112  
00:04:25,110 --> 00:04:22,240  
that enabled you to get involved with

113  
00:04:26,629 --> 00:04:25,120

with kind of the subject

114

00:04:29,909 --> 00:04:26,639

oh there was a goal

115

00:04:32,629 --> 00:04:29,919

um yeah i

116

00:04:34,469 --> 00:04:32,639

had come to understand

117

00:04:37,749 --> 00:04:34,479

something very important

118

00:04:39,990 --> 00:04:37,759

uh namely that this issue that i've been

119

00:04:42,550 --> 00:04:40,000

aware of since i was a kid

120

00:04:45,189 --> 00:04:42,560

that i was quite convinced as a teenager

121

00:04:46,469 --> 00:04:45,199

was real basic just just on the articles

122

00:04:47,749 --> 00:04:46,479

and the papers and so forth and

123

00:04:49,430 --> 00:04:47,759

magazines

124

00:04:50,950 --> 00:04:49,440

uh

125

00:04:53,030 --> 00:04:50,960

you read them and you go well this is

126

00:04:54,629 --> 00:04:53,040

extraterrestrial i i didn't have any

127

00:04:55,749 --> 00:04:54,639

built-in biases

128

00:04:56,550 --> 00:04:55,759

i had no

129

00:05:00,790 --> 00:04:56,560

no

130

00:05:02,150 --> 00:05:00,800

was clearly extraterrestrial which was

131

00:05:04,150 --> 00:05:02,160

very exciting

132

00:05:05,510 --> 00:05:04,160

uh and i was waiting for

133

00:05:08,390 --> 00:05:05,520

to learn more

134

00:05:10,870 --> 00:05:08,400

but of course that just didn't happen

135

00:05:12,629 --> 00:05:10,880

so the years in the interview

136

00:05:16,150 --> 00:05:12,639

so uh

137

00:05:17,749 --> 00:05:16,160

when i made the decision to get involved

138

00:05:20,790 --> 00:05:17,759

uh there was something

139

00:05:23,110 --> 00:05:20,800

in my thinking that was critical

140

00:05:26,070 --> 00:05:23,120

which came to i think full fruition

141

00:05:28,550 --> 00:05:26,080

while i was in cambridge with uh peer

142

00:05:31,270 --> 00:05:28,560

that the problem of this issue wasn't

143

00:05:33,350 --> 00:05:31,280

about science it wasn't about evidence

144

00:05:34,870 --> 00:05:33,360

uh we had the evidence

145

00:05:35,909 --> 00:05:34,880

there was enough evidence to confirm

146

00:05:37,510 --> 00:05:35,919

that this phenomenon was

147

00:05:39,590 --> 00:05:37,520

extraterrestrial

148

00:05:41,670 --> 00:05:39,600

so why isn't it on the front page of the

149

00:05:43,430 --> 00:05:41,680

new york times on a regular basis the

150

00:05:46,390 --> 00:05:43,440

problem was not political it was

151  
00:05:48,469 --> 00:05:46,400  
political not science right what do i

152  
00:05:50,469 --> 00:05:48,479  
mean by political

153  
00:05:53,270 --> 00:05:50,479  
it was the policy of the united states

154  
00:05:55,749 --> 00:05:53,280  
government to not confirm this

155  
00:05:58,230 --> 00:05:55,759  
to keep it how would you say closely

156  
00:06:00,469 --> 00:05:58,240  
held even to undermine efforts of the

157  
00:06:02,230 --> 00:06:00,479  
public to get to the bottom of it it was

158  
00:06:03,830 --> 00:06:02,240  
a political problem

159  
00:06:05,270 --> 00:06:03,840  
and therefore it needed a political

160  
00:06:08,070 --> 00:06:05,280  
solution

161  
00:06:10,870 --> 00:06:08,080  
and well that gets you into activism

162  
00:06:14,390 --> 00:06:10,880  
and so i got involved in the activism to

163  
00:06:16,390 --> 00:06:14,400

resolve the issue of the e.t presence by

164

00:06:18,550 --> 00:06:16,400

political means

165

00:06:21,749 --> 00:06:18,560

i didn't think it would take this long i

166

00:06:23,510 --> 00:06:21,759

assure you i thought it would be

167

00:06:26,870 --> 00:06:23,520

five years six years

168

00:06:28,469 --> 00:06:26,880

but uh that was the goal uh i had almost

169

00:06:29,990 --> 00:06:28,479

no reason i had no resources at all

170

00:06:31,749 --> 00:06:30,000

though i didn't have a place to stay i i

171

00:06:34,710 --> 00:06:31,759

knew washington fairly well

172

00:06:35,670 --> 00:06:34,720

so i had i had a beginning

173

00:06:37,350 --> 00:06:35,680

and

174

00:06:40,230 --> 00:06:37,360

i made a couple of decisions that were

175

00:06:41,510 --> 00:06:40,240

helpful the the key one was this

176

00:06:43,350 --> 00:06:41,520

i want to get involved politically i

177

00:06:44,950 --> 00:06:43,360

want to be an activist but in order to

178

00:06:45,830 --> 00:06:44,960

do that you have to get attention how

179

00:06:47,029 --> 00:06:45,840

could i

180

00:06:49,189 --> 00:06:47,039

there's a lot of ways to get attention

181

00:06:51,589 --> 00:06:49,199

most of them are bad

182

00:06:53,270 --> 00:06:51,599

but i realized that an easy one

183

00:06:55,029 --> 00:06:53,280

i registered as a lobbyist for the

184

00:06:56,950 --> 00:06:55,039

extraterrestrial issue with the us

185

00:06:59,830 --> 00:06:56,960

congress knowing that no one had ever

186

00:07:01,589 --> 00:06:59,840

done that because there's no money in it

187

00:07:03,430 --> 00:07:01,599

uh and i knew that once those

188

00:07:05,670 --> 00:07:03,440

registrations that registration became

189

00:07:07,189 --> 00:07:05,680

known to the washington post

190

00:07:09,029 --> 00:07:07,199

they were going to send a reporter and

191

00:07:11,589 --> 00:07:09,039

that's exactly what they did and they

192

00:07:13,909 --> 00:07:11,599

did an article substantial article front

193

00:07:16,150 --> 00:07:13,919

page the business section

194

00:07:18,230 --> 00:07:16,160

and that made me an activist and from

195

00:07:19,670 --> 00:07:18,240

that point on i was able to slowly get

196

00:07:21,110 --> 00:07:19,680

some attention

197

00:07:25,990 --> 00:07:21,120

and

198

00:07:27,670 --> 00:07:26,000

issue leading to

199

00:07:29,830 --> 00:07:27,680

conferences and interviews and what have

200

00:07:30,870 --> 00:07:29,840

you uh but again i didn't have much

201  
00:07:32,469 --> 00:07:30,880  
resources

202  
00:07:33,909 --> 00:07:32,479  
uh how did that how did that feel at

203  
00:07:35,189 --> 00:07:33,919  
that time with the stigma and the

204  
00:07:37,029 --> 00:07:35,199  
ridicule that was surrounding the

205  
00:07:39,029 --> 00:07:37,039  
subject because i mean i think it was

206  
00:07:41,029 --> 00:07:39,039  
still quite prominent in those days when

207  
00:07:43,029 --> 00:07:41,039  
we're talking about the mid to late 90s

208  
00:07:45,990 --> 00:07:43,039  
did that did that did you feel that or

209  
00:07:48,469 --> 00:07:46,000  
see it or experience it

210  
00:07:51,909 --> 00:07:48,479  
well i i knew there was ridicule

211  
00:07:54,710 --> 00:07:51,919  
and i saw examples of it um

212  
00:07:56,309 --> 00:07:54,720  
the way i got underway

213  
00:07:58,469 --> 00:07:56,319

uh i was operating pretty as an

214

00:08:01,350 --> 00:07:58,479

individual i i wasn't out in the public

215

00:08:03,990 --> 00:08:01,360

much i was operating pretty much

216

00:08:05,029 --> 00:08:04,000

by the internet by phone

217

00:08:06,869 --> 00:08:05,039

uh

218

00:08:08,309 --> 00:08:06,879

i didn't experience any direct in my

219

00:08:11,749 --> 00:08:08,319

face stuff

220

00:08:13,909 --> 00:08:11,759

it's also the case that by 1996-97

221

00:08:15,749 --> 00:08:13,919

things were starting to change

222

00:08:17,749 --> 00:08:15,759

and the the

223

00:08:19,909 --> 00:08:17,759

that it was clearly we were moving out

224

00:08:21,430 --> 00:08:19,919

of the era of

225

00:08:23,589 --> 00:08:21,440

full ridicule

226

00:08:25,830 --> 00:08:23,599

into something else

227

00:08:28,150 --> 00:08:25,840

it came in right at the transition point

228

00:08:31,350 --> 00:08:28,160

and so it continually got better

229

00:08:35,110 --> 00:08:31,360

as each year went by and so i personally

230

00:08:38,070 --> 00:08:35,120

have experienced almost none in my face

231

00:08:39,430 --> 00:08:38,080

ridicule part of the reason is that my

232

00:08:41,350 --> 00:08:39,440

demeanor

233

00:08:42,310 --> 00:08:41,360

and the way i approach it doesn't invite

234

00:08:45,110 --> 00:08:42,320

it

235

00:08:47,190 --> 00:08:45,120

uh and so most people sort of get i

236

00:08:48,470 --> 00:08:47,200

think the idea that

237

00:08:50,550 --> 00:08:48,480

don't

238

00:08:53,750 --> 00:08:50,560

uh

239

00:08:55,269 --> 00:08:53,760

and that's the way you have to i mean

240

00:08:56,710 --> 00:08:55,279

you

241

00:08:59,350 --> 00:08:56,720

want

242

00:09:01,910 --> 00:08:59,360

i i came up with a concept

243

00:09:03,269 --> 00:09:01,920

uh years ago i call the intellectual

244

00:09:04,470 --> 00:09:03,279

ghetto

245

00:09:06,150 --> 00:09:04,480

and uh

246

00:09:09,269 --> 00:09:06,160

the truth embargo

247

00:09:11,590 --> 00:09:09,279

was created uh

248

00:09:14,630 --> 00:09:11,600

literally to make the the the world of

249

00:09:17,030 --> 00:09:14,640

ufology an intellectual ghetto where

250

00:09:18,710 --> 00:09:17,040

anybody that was um

251  
00:09:19,670 --> 00:09:18,720  
involved in that thought about it cared

252  
00:09:21,670 --> 00:09:19,680  
about it

253  
00:09:23,750 --> 00:09:21,680  
uh quote ufo

254  
00:09:25,110 --> 00:09:23,760  
was thrown into that ghetto and and you

255  
00:09:27,190 --> 00:09:25,120  
had to live there

256  
00:09:29,110 --> 00:09:27,200  
right you you couldn't live somewhere

257  
00:09:30,389 --> 00:09:29,120  
else you had to live in that ghetto yeah

258  
00:09:32,630 --> 00:09:30,399  
the walls were not made out of brick and

259  
00:09:34,230 --> 00:09:32,640  
mortar we've seen that before but but

260  
00:09:37,030 --> 00:09:34,240  
ridicule

261  
00:09:39,990 --> 00:09:37,040  
and uh so

262  
00:09:41,509 --> 00:09:40,000  
i i realized that and i knew that i had

263  
00:09:43,590 --> 00:09:41,519

been tossed into that ghetto that didn't

264

00:09:45,910 --> 00:09:43,600

mean you had to act

265

00:09:48,150 --> 00:09:45,920

like you were in an intellectual ghetto

266

00:09:49,750 --> 00:09:48,160

right but not surprisingly for a lot of

267

00:09:50,710 --> 00:09:49,760

people

268

00:09:52,630 --> 00:09:50,720

they

269

00:09:54,710 --> 00:09:52,640

sort of

270

00:09:57,110 --> 00:09:54,720

they how would you say they responded to

271

00:09:59,190 --> 00:09:57,120

that by playing that role

272

00:10:01,269 --> 00:09:59,200

without intention

273

00:10:03,110 --> 00:10:01,279

and so one of the things

274

00:10:04,790 --> 00:10:03,120

i realized is look

275

00:10:06,630 --> 00:10:04,800

these walls are made out of ridicule not

276

00:10:08,630 --> 00:10:06,640

brick and mortar

277

00:10:10,870 --> 00:10:08,640

and so i'm going to act as if there are

278

00:10:13,509 --> 00:10:10,880

no walls

279

00:10:15,350 --> 00:10:13,519

so essentially uh

280

00:10:17,110 --> 00:10:15,360

i'm going to treat the issue the way

281

00:10:18,949 --> 00:10:17,120

it's supposed to be treated i'm going to

282

00:10:21,110 --> 00:10:18,959

act in that fashion

283

00:10:23,030 --> 00:10:21,120

and see how that goes now what does that

284

00:10:24,389 --> 00:10:23,040

mean it means

285

00:10:26,150 --> 00:10:24,399

for one thing

286

00:10:29,030 --> 00:10:26,160

uh you

287

00:10:30,829 --> 00:10:29,040

you don't buy into the language

288

00:10:32,389 --> 00:10:30,839

uh you don't

289

00:10:35,269 --> 00:10:32,399

apologize

290

00:10:36,389 --> 00:10:35,279

you you make clear assertions

291

00:10:38,550 --> 00:10:36,399

and so

292

00:10:41,110 --> 00:10:38,560

i tried to change the language over the

293

00:10:43,670 --> 00:10:41,120

years because the language that existed

294

00:10:46,310 --> 00:10:43,680

regarding this issue when i entered 96

295

00:10:49,269 --> 00:10:46,320

was pretty much the language that the

296

00:10:50,790 --> 00:10:49,279

the truth embargo managers wanted

297

00:10:53,110 --> 00:10:50,800

yeah in other words you were supposed to

298

00:10:54,949 --> 00:10:53,120

say certain things in certain ways

299

00:10:56,630 --> 00:10:54,959

and at the center of this was the

300

00:10:59,910 --> 00:10:56,640

acronym ufo

301

00:11:03,509 --> 00:10:59,920

ufo was the key to the door to the

302

00:11:05,670 --> 00:11:03,519

ghetto once you said ufo boom you're in

303

00:11:07,190 --> 00:11:05,680

and so i try to move away from that i

304

00:11:09,110 --> 00:11:07,200

tried to act

305

00:11:11,110 --> 00:11:09,120

as if this is a legitimate issue and i

306

00:11:13,269 --> 00:11:11,120

wouldn't accept

307

00:11:15,750 --> 00:11:13,279

those that wanted to

308

00:11:18,630 --> 00:11:15,760

deny that in a sense in other words deny

309

00:11:22,069 --> 00:11:18,640

me the ability to act that way

310

00:11:23,670 --> 00:11:22,079

it's complicated but uh this is how i i

311

00:11:26,069 --> 00:11:23,680

approached it

312

00:11:28,949 --> 00:11:26,079

and so registering as a lobbyist was a

313

00:11:30,389 --> 00:11:28,959

way to do that in other words this is an

314

00:11:31,829 --> 00:11:30,399

issue of great importance why isn't

315

00:11:33,910 --> 00:11:31,839

there a lobbyist

316

00:11:35,030 --> 00:11:33,920

every other issue you imagine it has one

317

00:11:36,069 --> 00:11:35,040

well i i

318

00:11:36,870 --> 00:11:36,079

know

319

00:11:40,310 --> 00:11:36,880

yeah

320

00:11:41,590 --> 00:11:40,320

i mean 1997 i mean one year later from

321

00:11:44,230 --> 00:11:41,600

well i suppose that first year you're

322

00:11:47,110 --> 00:11:44,240

talking about 95 but through 96 with

323

00:11:49,190 --> 00:11:47,120

paradigm research but into 97 were the

324

00:11:50,389 --> 00:11:49,200

press and congressional briefings with

325

00:11:53,190 --> 00:11:50,399

cct

326

00:11:55,750 --> 00:11:53,200

dr greer but also francis barwood with

327

00:11:57,110 --> 00:11:55,760

phoenix the phoenix lights case like can

328

00:11:59,030 --> 00:11:57,120

you just

329

00:12:00,949 --> 00:11:59,040

talk to talk a little bit on on those

330

00:12:03,190 --> 00:12:00,959

kind of things and how that kind of how

331

00:12:04,150 --> 00:12:03,200

you moved into those areas

332

00:12:06,710 --> 00:12:04,160

well

333

00:12:08,230 --> 00:12:06,720

yeah again when i say that 96 was kind

334

00:12:11,110 --> 00:12:08,240

of a turning point

335

00:12:13,910 --> 00:12:11,120

um a significant turning point

336

00:12:15,910 --> 00:12:13,920

in this issue in many many ways and the

337

00:12:17,670 --> 00:12:15,920

history will show this

338

00:12:19,030 --> 00:12:17,680

uh first of all

339

00:12:21,110 --> 00:12:19,040

bill clinton

340

00:12:25,030 --> 00:12:21,120

uh i'm sorry

341

00:12:27,110 --> 00:12:25,040

as of 96 the the the

342

00:12:28,870 --> 00:12:27,120

rockefeller initiative

343

00:12:31,190 --> 00:12:28,880

was wrapping up

344

00:12:33,350 --> 00:12:31,200

uh during the year that i entered this

345

00:12:36,230 --> 00:12:33,360

field all right and it was i come in and

346

00:12:39,190 --> 00:12:36,240

in july of 96 the rockefeller initiative

347

00:12:40,629 --> 00:12:39,200

been going on since march of 1993 but no

348

00:12:43,110 --> 00:12:40,639

one knew about it

349

00:12:45,350 --> 00:12:43,120

virtually not not publicly known

350

00:12:47,110 --> 00:12:45,360

although it wasn't a secret

351  
00:12:49,829 --> 00:12:47,120  
and so that that

352  
00:12:52,389 --> 00:12:49,839  
that created a basis for the political

353  
00:12:55,430 --> 00:12:52,399  
engagement but i didn't even know it

354  
00:12:58,150 --> 00:12:55,440  
so that that was wrapping up

355  
00:13:00,470 --> 00:12:58,160  
uh he won the election

356  
00:13:02,150 --> 00:13:00,480  
then the phoenix light events lights

357  
00:13:05,829 --> 00:13:02,160  
events take place i think it's march of

358  
00:13:08,310 --> 00:13:05,839  
97. that was significant

359  
00:13:10,230 --> 00:13:08,320  
some very important developments were

360  
00:13:11,590 --> 00:13:10,240  
happening just as i'm coming into the

361  
00:13:13,829 --> 00:13:11,600  
field

362  
00:13:15,670 --> 00:13:13,839  
uh francis barwood is the political

363  
00:13:18,150 --> 00:13:15,680

response to that she

364

00:13:19,990 --> 00:13:18,160

uh became very well known because she

365

00:13:22,150 --> 00:13:20,000

did the right thing she simply pointed

366

00:13:24,150 --> 00:13:22,160

out why aren't we hearing about this why

367

00:13:26,870 --> 00:13:24,160

why aren't we talking about this in the

368

00:13:29,269 --> 00:13:26,880

city council of phoenix and they didn't

369

00:13:30,790 --> 00:13:29,279

want to do that but she went public and

370

00:13:33,030 --> 00:13:30,800

got a lot of press

371

00:13:35,990 --> 00:13:33,040

and uh that that was a political

372

00:13:37,110 --> 00:13:36,000

response i i engaged with her talk with

373

00:13:39,590 --> 00:13:37,120

her

374

00:13:40,949 --> 00:13:39,600

uh so that was happening and

375

00:13:43,189 --> 00:13:40,959

and then something else was happening

376

00:13:45,509 --> 00:13:43,199

very important at that time

377

00:13:48,069 --> 00:13:45,519

it was the rise of art bill

378

00:13:49,990 --> 00:13:48,079

right now was a long-standing radio

379

00:13:51,670 --> 00:13:50,000

personality who had been doing talk

380

00:13:53,110 --> 00:13:51,680

shows forever he was pro

381

00:13:54,949 --> 00:13:53,120

a lot of a lot of his stuff had been

382

00:13:57,269 --> 00:13:54,959

political he was sick of politics he

383

00:13:59,990 --> 00:13:57,279

decided to try another genre

384

00:14:02,470 --> 00:14:00,000

and in a way responding to i think what

385

00:14:03,269 --> 00:14:02,480

he saw as developments

386

00:14:18,870 --> 00:14:03,279

he

387

00:14:20,389 --> 00:14:18,880

things however it it not surprisingly

388

00:14:22,389 --> 00:14:20,399

the et issue

389

00:14:23,590 --> 00:14:22,399

really was dominating it was the key

390

00:14:25,430 --> 00:14:23,600

issue

391

00:14:27,030 --> 00:14:25,440

and he was successful he had a

392

00:14:30,310 --> 00:14:27,040

successful show with a very large

393

00:14:32,629 --> 00:14:30,320

audience and so circa the mid 1990s

394

00:14:34,069 --> 00:14:32,639

particularly 96 97 98

395

00:14:36,629 --> 00:14:34,079

all of a sudden

396

00:14:37,310 --> 00:14:36,639

people like myself had this program that

397

00:14:38,389 --> 00:14:37,320

could go on

398

00:14:41,030 --> 00:14:38,399

[Music]

399

00:14:42,710 --> 00:14:41,040

and talk for hours i think one i think

400

00:14:44,470 --> 00:14:42,720

he was doing a five-hour show there for

401  
00:14:45,829 --> 00:14:44,480  
a while i believe at least four might

402  
00:14:46,949 --> 00:14:45,839  
have been five

403  
00:14:48,949 --> 00:14:46,959  
and so

404  
00:14:50,949 --> 00:14:48,959  
uh if you wanted to talk about the

405  
00:14:52,710 --> 00:14:50,959  
politics of this subject

406  
00:14:55,189 --> 00:14:52,720  
for the first time really ever though

407  
00:14:57,189 --> 00:14:55,199  
there were a couple of shows in the past

408  
00:14:59,030 --> 00:14:57,199  
but certainly nothing like this audience

409  
00:15:01,189 --> 00:14:59,040  
where you could go on and talk about two

410  
00:15:03,350 --> 00:15:01,199  
hours about this

411  
00:15:06,310 --> 00:15:03,360  
and he allowed it to happen in other

412  
00:15:08,550 --> 00:15:06,320  
words art didn't like politics but the

413  
00:15:10,870 --> 00:15:08,560

politics of i guess you guys et issue

414

00:15:13,269 --> 00:15:10,880

was another matter and so i started

415

00:15:15,509 --> 00:15:13,279

going on the art bell show as did others

416

00:15:17,750 --> 00:15:15,519

and and now all of a sudden we had this

417

00:15:19,750 --> 00:15:17,760

multi-million audience that we could

418

00:15:21,990 --> 00:15:19,760

present these ids to

419

00:15:23,110 --> 00:15:22,000

they can see them into the public

420

00:15:25,189 --> 00:15:23,120

mindset

421

00:15:26,629 --> 00:15:25,199

about the fact that

422

00:15:29,350 --> 00:15:26,639

as i said earlier

423

00:15:32,389 --> 00:15:29,360

the problem folks why you're not having

424

00:15:33,590 --> 00:15:32,399

hearing the truth from the us government

425

00:15:34,550 --> 00:15:33,600

is not because there's not enough

426

00:15:37,110 --> 00:15:34,560

evidence

427

00:15:38,550 --> 00:15:37,120

it's because the government has a policy

428

00:15:40,470 --> 00:15:38,560

not to tell you

429

00:15:43,350 --> 00:15:40,480

and i came up with the name for that

430

00:15:45,670 --> 00:15:43,360

policy called the truth embargo

431

00:15:46,710 --> 00:15:45,680

and then that was a language issue

432

00:15:49,350 --> 00:15:46,720

again

433

00:15:51,590 --> 00:15:49,360

activism is very much about language if

434

00:15:53,430 --> 00:15:51,600

you need the accurate correct language

435

00:15:55,590 --> 00:15:53,440

in order to move things forward if you

436

00:15:58,230 --> 00:15:55,600

use the language the government provides

437

00:16:00,870 --> 00:15:58,240

to you you're serving their policy not

438

00:16:02,790 --> 00:16:00,880

yours and so ufo cover up serve the

439

00:16:04,790 --> 00:16:02,800

government's embargo

440

00:16:05,749 --> 00:16:04,800

because it was it was it was a missed

441

00:16:07,670 --> 00:16:05,759

the mark

442

00:16:09,269 --> 00:16:07,680

it criminalized the people inside the

443

00:16:10,550 --> 00:16:09,279

national security structures that are

444

00:16:13,110 --> 00:16:10,560

defending the country that just

445

00:16:16,230 --> 00:16:13,120

alienates them then it wasn't true plus

446

00:16:19,110 --> 00:16:16,240

it had ufo in it which was the the core

447

00:16:20,710 --> 00:16:19,120

the center piece of the uh of the

448

00:16:23,030 --> 00:16:20,720

ridicule process

449

00:16:24,870 --> 00:16:23,040

so i came up with the term truth embargo

450

00:16:26,870 --> 00:16:24,880

which is what it is

451  
00:16:29,030 --> 00:16:26,880  
and i'm putting that out initially

452  
00:16:30,710 --> 00:16:29,040  
though we talked about the politics of

453  
00:16:33,110 --> 00:16:30,720  
ufos

454  
00:16:34,389 --> 00:16:33,120  
and then i came up with another term

455  
00:16:39,910 --> 00:16:34,399  
disclosure

456  
00:16:42,230 --> 00:16:39,920  
stephen greer put that in play all

457  
00:16:44,310 --> 00:16:42,240  
through the early 90s yeah with the

458  
00:16:46,550 --> 00:16:44,320  
disclosure project

459  
00:16:49,350 --> 00:16:46,560  
and he's referring to the process of

460  
00:16:51,910 --> 00:16:49,360  
disclosure to get the information out

461  
00:16:54,629 --> 00:16:51,920  
right i came up with the concept of

462  
00:16:55,590 --> 00:16:54,639  
capital d disclosure

463  
00:16:57,990 --> 00:16:55,600

meaning

464

00:17:00,710 --> 00:16:58,000

what's that it's not the process it's

465

00:17:02,470 --> 00:17:00,720

the event it is the moment that we get

466

00:17:03,590 --> 00:17:02,480

the confirmation from the united states

467

00:17:05,669 --> 00:17:03,600

president

468

00:17:07,909 --> 00:17:05,679

and so first we were talking on the art

469

00:17:10,150 --> 00:17:07,919

bill show that the politics of ufos then

470

00:17:11,350 --> 00:17:10,160

it was the politics of disclosure

471

00:17:12,549 --> 00:17:11,360

capital d

472

00:17:15,029 --> 00:17:12,559

right

473

00:17:17,189 --> 00:17:15,039

and then truth embargo

474

00:17:18,710 --> 00:17:17,199

and so that was happening in the 90s as

475

00:17:21,270 --> 00:17:18,720

well art

476

00:17:23,669 --> 00:17:21,280

will i hope historically get

477

00:17:26,309 --> 00:17:23,679

the credit he deserves

478

00:17:28,630 --> 00:17:26,319

for playing the role that he played

479

00:17:30,710 --> 00:17:28,640

and helping to bring this embargo to an

480

00:17:33,430 --> 00:17:30,720

end now he was an entertainer he was

481

00:17:35,270 --> 00:17:33,440

doing it to service the show but i think

482

00:17:37,430 --> 00:17:35,280

deep down art knew that that truth

483

00:17:38,549 --> 00:17:37,440

embargo was wrong and that what he was

484

00:17:40,070 --> 00:17:38,559

doing there and the people he was

485

00:17:43,350 --> 00:17:40,080

bringing on were helping to end that

486

00:17:44,870 --> 00:17:43,360

policy and uh i hope that uh well he

487

00:17:47,990 --> 00:17:44,880

gets the credit for

488

00:17:49,669 --> 00:17:48,000

for that yeah that i think it's deserved

489

00:17:50,950 --> 00:17:49,679

i mean like you say he was an

490

00:17:52,870 --> 00:17:50,960

entertainer but he was still an

491

00:17:53,990 --> 00:17:52,880

important figure within the field

492

00:17:55,830 --> 00:17:54,000

speaking to the right people and

493

00:17:56,950 --> 00:17:55,840

bringing the message forward in my

494

00:17:58,230 --> 00:17:56,960

opinion

495

00:17:59,990 --> 00:17:58,240

and

496

00:18:02,230 --> 00:18:00,000

so yeah can you just take us forward a

497

00:18:04,470 --> 00:18:02,240

little bit to when dr greer obviously

498

00:18:07,350 --> 00:18:04,480

did that important work in 2001 with the

499

00:18:09,430 --> 00:18:07,360

disclosure project conference and

500

00:18:12,310 --> 00:18:09,440

what you felt and what your involvement

501  
00:18:14,950 --> 00:18:12,320  
was and did you see that as something

502  
00:18:17,430 --> 00:18:14,960  
like like a big step forward uh in in

503  
00:18:19,510 --> 00:18:17,440  
the whole subject oh yes uh the

504  
00:18:22,390 --> 00:18:19,520  
milestone event

505  
00:18:23,830 --> 00:18:22,400  
greer's work started in the late 1980s i

506  
00:18:26,150 --> 00:18:23,840  
i was never

507  
00:18:28,310 --> 00:18:26,160  
a part of his organization

508  
00:18:30,549 --> 00:18:28,320  
i was simply a activist working on my

509  
00:18:32,950 --> 00:18:30,559  
own uh uh thread right

510  
00:18:35,430 --> 00:18:32,960  
but i was certainly aware of him

511  
00:18:37,110 --> 00:18:35,440  
we had some communication uh but i knew

512  
00:18:38,710 --> 00:18:37,120  
that he'd started in the early late

513  
00:18:40,310 --> 00:18:38,720

1980s

514

00:18:41,110 --> 00:18:40,320

and i knew that he was doing contact

515

00:18:43,590 --> 00:18:41,120

work

516

00:18:45,990 --> 00:18:43,600

because he's a contactee

517

00:18:47,510 --> 00:18:46,000

so that was pretty interesting so i was

518

00:18:48,870 --> 00:18:47,520

paying attention to that

519

00:18:51,750 --> 00:18:48,880

but he

520

00:18:54,150 --> 00:18:51,760

he he was serious he had resources he

521

00:18:56,470 --> 00:18:54,160

had very substantial resources so he was

522

00:18:58,549 --> 00:18:56,480

able to create organizations and do

523

00:19:00,470 --> 00:18:58,559

things that i certainly couldn't do so

524

00:19:01,990 --> 00:19:00,480

he was the major player in my view in

525

00:19:03,990 --> 00:19:02,000

terms of the what i'll call the

526

00:19:05,990 --> 00:19:04,000

disclosure small d process

527

00:19:08,950 --> 00:19:06,000

yeah and that continued to develop all

528

00:19:10,710 --> 00:19:08,960

through the 1990s eventually

529

00:19:12,630 --> 00:19:10,720

he got an art bell and i think i was the

530

00:19:14,470 --> 00:19:12,640

one that brought him on i think

531

00:19:17,350 --> 00:19:14,480

his first appearance was a program i

532

00:19:19,270 --> 00:19:17,360

produced for our but i'm not certain

533

00:19:20,789 --> 00:19:19,280

where i would i told art look let's

534

00:19:23,270 --> 00:19:20,799

bring on so and so and so and so and

535

00:19:25,990 --> 00:19:23,280

we'll we'll have a three-way or whatever

536

00:19:27,990 --> 00:19:26,000

and art sure right fine

537

00:19:28,789 --> 00:19:28,000

you want to do that we'll do that

538

00:19:30,950 --> 00:19:28,799

uh

539

00:19:33,110 --> 00:19:30,960

the culmination not the culmination but

540

00:19:33,990 --> 00:19:33,120

the the the most significant thing he

541

00:19:36,630 --> 00:19:34,000

did

542

00:19:38,070 --> 00:19:36,640

clearly came in 2001. so he'd already

543

00:19:38,870 --> 00:19:38,080

been involved in the field for about 12

544

00:19:41,510 --> 00:19:38,880

years

545

00:19:43,510 --> 00:19:41,520

and he had the resources and so he he

546

00:19:45,669 --> 00:19:43,520

went out and started filming witnesses

547

00:19:48,470 --> 00:19:45,679

he got into the witness issue

548

00:19:50,150 --> 00:19:48,480

uh which was very significant but that

549

00:19:51,190 --> 00:19:50,160

required resources if you're going to be

550

00:19:52,950 --> 00:19:51,200

going around the country and you're

551  
00:19:55,750 --> 00:19:52,960  
going to be setting up an interviewing

552  
00:19:58,310 --> 00:19:55,760  
not one two ten twenty but maybe 80 90

553  
00:20:00,870 --> 00:19:58,320  
100 or more witnesses that is a lot of

554  
00:20:02,789 --> 00:20:00,880  
money so he spent many tens of thousands

555  
00:20:03,750 --> 00:20:02,799  
of dollars getting these interviews

556  
00:20:05,110 --> 00:20:03,760  
together

557  
00:20:07,270 --> 00:20:05,120  
and then

558  
00:20:09,110 --> 00:20:07,280  
he and he was focusing on not just

559  
00:20:11,590 --> 00:20:09,120  
anybody particularly

560  
00:20:13,590 --> 00:20:11,600  
people associated with the military or

561  
00:20:15,350 --> 00:20:13,600  
military intense defense complex

562  
00:20:17,110 --> 00:20:15,360  
whatever

563  
00:20:18,950 --> 00:20:17,120

corporate otherwise

564

00:20:21,270 --> 00:20:18,960

and then he he

565

00:20:23,270 --> 00:20:21,280

first of all he he has the bulk

566

00:20:26,230 --> 00:20:23,280

footage and he condensed that bulk

567

00:20:28,230 --> 00:20:26,240

footage down into a greatest hit

568

00:20:29,909 --> 00:20:28,240

and then spent substantial amount of

569

00:20:31,190 --> 00:20:29,919

money to hold a significant press

570

00:20:33,510 --> 00:20:31,200

conference at the national press club

571

00:20:35,270 --> 00:20:33,520

this is may the 9th 2001.

572

00:20:36,149 --> 00:20:35,280

now i was in washington so i was aware

573

00:20:38,950 --> 00:20:36,159

of it

574

00:20:40,710 --> 00:20:38,960

uh i i participated a little bit i

575

00:20:43,590 --> 00:20:40,720

helped a little bit but i was not

576  
00:20:45,590 --> 00:20:43,600  
formally part of the project i guess you

577  
00:20:47,190 --> 00:20:45,600  
could say yeah it helped a little bit

578  
00:20:48,789 --> 00:20:47,200  
that that's as far as my involvement

579  
00:20:49,750 --> 00:20:48,799  
went and i was there

580  
00:20:52,950 --> 00:20:49,760  
uh

581  
00:20:54,950 --> 00:20:52,960  
and in the press club that day

582  
00:20:57,110 --> 00:20:54,960  
and i knew it was important i knew that

583  
00:20:58,710 --> 00:20:57,120  
this was never been done before nothing

584  
00:21:00,230 --> 00:20:58,720  
like this had ever been done before it

585  
00:21:02,149 --> 00:21:00,240  
was the largest press conference ever

586  
00:21:04,470 --> 00:21:02,159  
held there at the time it was in the

587  
00:21:07,990 --> 00:21:04,480  
main ballroom of the national press club

588  
00:21:10,149 --> 00:21:08,000

which is two blocks from the white house

589

00:21:12,630 --> 00:21:10,159

and uh there were eight i think roughly

590

00:21:15,430 --> 00:21:12,640

18 witnesses on the stage greer

591

00:21:17,029 --> 00:21:15,440

uh was obviously a moderator as well as

592

00:21:19,190 --> 00:21:17,039

a well-known actor

593

00:21:20,630 --> 00:21:19,200

whose name escapes me right now john

594

00:21:22,310 --> 00:21:20,640

oh i can't remember the second name but

595

00:21:25,510 --> 00:21:22,320

he was well known actor he was part of

596

00:21:27,190 --> 00:21:25,520

it so so the press got a

597

00:21:28,149 --> 00:21:27,200

substantial

598

00:21:33,990 --> 00:21:28,159

uh

599

00:21:35,669 --> 00:21:34,000

and these witnesses all and there's

600

00:21:37,430 --> 00:21:35,679

something very important about this that

601  
00:21:39,909 --> 00:21:37,440  
some people have forgotten

602  
00:21:41,430 --> 00:21:39,919  
and it's very very probably done greer

603  
00:21:43,990 --> 00:21:41,440  
made sure that all the witnesses said

604  
00:21:44,710 --> 00:21:44,000  
when they finished their five minutes of

605  
00:21:50,149 --> 00:21:44,720  
the

606  
00:21:51,750 --> 00:21:50,159  
would testify to this before congress

607  
00:21:53,350 --> 00:21:51,760  
under oath

608  
00:21:55,430 --> 00:21:53,360  
because he was trying to get hearings

609  
00:21:57,190 --> 00:21:55,440  
we've always been trying to get hearings

610  
00:21:58,470 --> 00:21:57,200  
and in addition to that i mean he had

611  
00:22:01,190 --> 00:21:58,480  
been working to try to get hearings

612  
00:22:03,110 --> 00:22:01,200  
prior to 2001 he'd been up on the hill

613  
00:22:06,230 --> 00:22:03,120

meeting here a meeting there

614

00:22:08,789 --> 00:22:06,240

he held a um an event at that at a hotel

615

00:22:10,230 --> 00:22:08,799

i can't remember the name of the hotel

616

00:22:12,390 --> 00:22:10,240

but it was in washington a couple of

617

00:22:14,230 --> 00:22:12,400

years prior to that

618

00:22:15,350 --> 00:22:14,240

and he wasn't getting the hearings but

619

00:22:17,029 --> 00:22:15,360

this event

620

00:22:18,710 --> 00:22:17,039

was another step in that direction so in

621

00:22:20,149 --> 00:22:18,720

addition to holding the event that day

622

00:22:21,990 --> 00:22:20,159

they also went up on the hill some of

623

00:22:24,070 --> 00:22:22,000

these witnesses were in town and they

624

00:22:27,029 --> 00:22:24,080

met with some of the members of congress

625

00:22:27,990 --> 00:22:27,039

so this was a significant event

626  
00:22:30,870 --> 00:22:28,000  
and

627  
00:22:32,310 --> 00:22:30,880  
uh on a personal note

628  
00:22:33,510 --> 00:22:32,320  
i

629  
00:22:36,149 --> 00:22:33,520  
uh

630  
00:22:37,029 --> 00:22:36,159  
i rece how did it work one of one of the

631  
00:22:38,789 --> 00:22:37,039  
people

632  
00:22:40,630 --> 00:22:38,799  
that i was working with

633  
00:22:41,909 --> 00:22:40,640  
uh keith

634  
00:22:45,750 --> 00:22:41,919  
uh morgan

635  
00:22:48,149 --> 00:22:45,760  
he he was a a tech he was a long time uh

636  
00:22:51,190 --> 00:22:48,159  
a tech person working with nightline and

637  
00:22:53,270 --> 00:22:51,200  
ted complete new ted couple well

638  
00:22:54,549 --> 00:22:53,280

and when the tapes were given out the

639

00:22:55,909 --> 00:22:54,559

the

640

00:22:59,750 --> 00:22:55,919

you know it was like a

641

00:23:02,310 --> 00:22:59,760

a four hour dvd tape of

642

00:23:04,070 --> 00:23:02,320

of a compilation of witness testimony to

643

00:23:07,430 --> 00:23:04,080

support the event

644

00:23:09,990 --> 00:23:07,440

he grabbed one and he ran out

645

00:23:12,470 --> 00:23:10,000

uh left the press club and ram literally

646

00:23:13,669 --> 00:23:12,480

ran up to the abc news which is not that

647

00:23:15,029 --> 00:23:13,679

far away

648

00:23:18,230 --> 00:23:15,039

high street i think and so he goes up

649

00:23:20,230 --> 00:23:18,240

there any any he goes up to the the

650

00:23:22,870 --> 00:23:20,240

ted's office walks in and hands him the

651  
00:23:24,310 --> 00:23:22,880  
tape and says you gotta see this

652  
00:23:27,750 --> 00:23:24,320  
well that was cool

653  
00:23:30,070 --> 00:23:27,760  
yeah and then later that night

654  
00:23:32,390 --> 00:23:30,080  
when we were over to hotel

655  
00:23:34,310 --> 00:23:32,400  
uh he gets a call

656  
00:23:36,549 --> 00:23:34,320  
and he tells me he says i just got a

657  
00:23:38,950 --> 00:23:36,559  
call from abc they said that they would

658  
00:23:41,590 --> 00:23:38,960  
like for the names of four witnesses to

659  
00:23:43,990 --> 00:23:41,600  
focus on to interview and that's a big

660  
00:23:46,390 --> 00:23:44,000  
deal yeah and so i then conveyed that

661  
00:23:49,750 --> 00:23:46,400  
message to greer and then he came back

662  
00:23:51,909 --> 00:23:49,760  
with a note which i then handed to keith

663  
00:23:53,669 --> 00:23:51,919

uh with the names of i think at least

664

00:23:55,110 --> 00:23:53,679

four witnesses meaning these are the

665

00:23:56,710 --> 00:23:55,120

ones you don't talk to and i think he

666

00:23:59,350 --> 00:23:56,720

added edgar mitchell

667

00:24:03,830 --> 00:23:59,360

who wasn't present that day but he added

668

00:24:05,909 --> 00:24:03,840

into that list and he went off with that

669

00:24:07,510 --> 00:24:05,919

and so uh we were under the assumption

670

00:24:08,549 --> 00:24:07,520

that uh

671

00:24:12,390 --> 00:24:08,559

some of these people would be

672

00:24:13,750 --> 00:24:12,400

interviewed very soon by abc news

673

00:24:15,590 --> 00:24:13,760

and so

674

00:24:16,830 --> 00:24:15,600

as of the evening of

675

00:24:20,230 --> 00:24:16,840

may 9th

676  
00:24:23,110 --> 00:24:20,240  
2001 everyone involved

677  
00:24:24,549 --> 00:24:23,120  
uh was in a high wearing high spirits

678  
00:24:25,830 --> 00:24:24,559  
uh we thought this was a major

679  
00:24:28,230 --> 00:24:25,840  
breakthrough

680  
00:24:29,830 --> 00:24:28,240  
we saw we saw significant media

681  
00:24:31,590 --> 00:24:29,840  
developments coming from this there was

682  
00:24:33,190 --> 00:24:31,600  
a substantial amount of coverage rsu

683  
00:24:35,750 --> 00:24:33,200  
there there was a huge number of press

684  
00:24:39,430 --> 00:24:35,760  
there a lot of foreign press as well

685  
00:24:42,390 --> 00:24:39,440  
absolutely and uh all was good

686  
00:24:44,149 --> 00:24:42,400  
but history unfortunately has a lot of

687  
00:24:46,710 --> 00:24:44,159  
moving parts

688  
00:24:49,750 --> 00:24:46,720

in fact history is the bane

689

00:24:51,990 --> 00:24:49,760  
of the activists existence

690

00:24:53,990 --> 00:24:52,000  
whatever you're involved in

691

00:24:56,070 --> 00:24:54,000  
however big the movement however

692

00:24:59,510 --> 00:24:56,080  
important the issue

693

00:25:00,710 --> 00:24:59,520  
you are at the mercy of history

694

00:25:03,590 --> 00:25:00,720  
and

695

00:25:05,190 --> 00:25:03,600  
whatever plans you you have

696

00:25:07,190 --> 00:25:05,200  
you have to operate on the assumption

697

00:25:09,510 --> 00:25:07,200  
that at any moment those plans have been

698

00:25:12,549 --> 00:25:09,520  
completely thrown up in the air

699

00:25:15,430 --> 00:25:12,559  
and what happened in this case a tragedy

700

00:25:18,149 --> 00:25:15,440  
on so many levels i cannot tell you

701  
00:25:20,789 --> 00:25:18,159  
uh but one of the things that were

702  
00:25:21,669 --> 00:25:20,799  
affected uh tragically was this

703  
00:25:23,590 --> 00:25:21,679  
uh

704  
00:25:27,110 --> 00:25:23,600  
when 911 took place just four months

705  
00:25:30,310 --> 00:25:27,120  
later may 9th june july august september

706  
00:25:33,590 --> 00:25:30,320  
almost four months to the day later

707  
00:25:36,070 --> 00:25:33,600  
everything that grier was trying to do

708  
00:25:38,070 --> 00:25:36,080  
media coverage hearings anything like

709  
00:25:39,430 --> 00:25:38,080  
that was completely

710  
00:25:42,549 --> 00:25:39,440  
obliterated

711  
00:25:44,870 --> 00:25:42,559  
it was simply not going to happen

712  
00:25:47,029 --> 00:25:44,880  
and who knew when

713  
00:25:48,310 --> 00:25:47,039

this issue might get the kind of

714

00:25:51,029 --> 00:25:48,320  
attention

715

00:25:54,789 --> 00:25:51,039  
we wanted it to get who knew

716

00:25:57,350 --> 00:25:54,799  
so that was the way it was uh

717

00:25:59,190 --> 00:25:57,360  
and then we had to recover from that and

718

00:26:01,830 --> 00:25:59,200  
figure out how to move forward

719

00:26:03,909 --> 00:26:01,840  
that in and that event nine nine eleven

720

00:26:05,430 --> 00:26:03,919  
eleven

721

00:26:08,310 --> 00:26:05,440  
uh

722

00:26:09,590 --> 00:26:08,320  
guarantee i think at least added

723

00:26:12,470 --> 00:26:09,600  
god

724

00:26:13,750 --> 00:26:12,480  
six seven eight more years to the truth

725

00:26:15,029 --> 00:26:13,760  
embargo

726

00:26:17,269 --> 00:26:15,039

uh i'm sorry let me let me see if i get

727

00:26:19,269 --> 00:26:17,279

there by 2001. oh yeah at least eight

728

00:26:20,230 --> 00:26:19,279

maybe even ten years to the to the truth

729

00:26:22,630 --> 00:26:20,240

in barbara in other words the truth

730

00:26:24,710 --> 00:26:22,640

embargo the moment that event took place

731

00:26:28,070 --> 00:26:24,720

the truth embargo had 10 years added to

732

00:26:30,470 --> 00:26:28,080

it at least maybe even 15 meaning that

733

00:26:32,470 --> 00:26:30,480

whatever however things are going to go

734

00:26:34,870 --> 00:26:32,480

the true embargo was going to last 15

735

00:26:36,950 --> 00:26:34,880

more years than you thought it was wow

736

00:26:39,430 --> 00:26:36,960

that's exactly what happened but was it

737

00:26:41,669 --> 00:26:39,440

not 2003 only a couple of years later

738

00:26:43,750 --> 00:26:41,679

the the paradigm research group

739

00:26:45,350 --> 00:26:43,760

proposed initially

740

00:26:47,430 --> 00:26:45,360

uh the project

741

00:26:49,590 --> 00:26:47,440

citizen hearing project let's say where

742

00:26:51,510 --> 00:26:49,600

you would conduct the week-long

743

00:26:53,669 --> 00:26:51,520

you know hearings in washington with

744

00:26:55,669 --> 00:26:53,679

members of house and senate was that not

745

00:26:57,510 --> 00:26:55,679

just two years after that or was that

746

00:26:59,909 --> 00:26:57,520

something that you did propose but it

747

00:27:02,549 --> 00:26:59,919

didn't come to fruition for a long long

748

00:27:04,230 --> 00:27:02,559

time yeah i came up with the idea

749

00:27:06,549 --> 00:27:04,240

uh i was

750

00:27:09,990 --> 00:27:06,559

again this stems from

751  
00:27:13,590 --> 00:27:11,590  
was connected to the press club i didn't

752  
00:27:14,870 --> 00:27:13,600  
join until later but i was going up

753  
00:27:16,710 --> 00:27:14,880  
there all the time because i had

754  
00:27:19,510 --> 00:27:16,720  
connections there i was going to

755  
00:27:20,870 --> 00:27:19,520  
meetings so i i i knew the press club

756  
00:27:22,789 --> 00:27:20,880  
eventually i joined and i'm still a

757  
00:27:25,430 --> 00:27:22,799  
member but uh

758  
00:27:27,669 --> 00:27:25,440  
i i i came up with the idea okay he held

759  
00:27:29,590 --> 00:27:27,679  
a press conference in that main ballroom

760  
00:27:30,710 --> 00:27:29,600  
two blocks from washington from the

761  
00:27:31,909 --> 00:27:30,720  
capitol

762  
00:27:35,669 --> 00:27:31,919  
i'm sorry

763  
00:27:41,190 --> 00:27:38,149

oh that and that that's that was that's

764

00:27:43,990 --> 00:27:41,200

a powerful setting that ballroom and i

765

00:27:45,669 --> 00:27:44,000

thought what what if instead of a press

766

00:27:47,269 --> 00:27:45,679

conference what if we held a mock

767

00:27:48,710 --> 00:27:47,279

congressional hearing

768

00:27:50,710 --> 00:27:48,720

what if we had former members of

769

00:27:52,230 --> 00:27:50,720

congress come in and we set the room up

770

00:27:54,149 --> 00:27:52,240

like a hearing room

771

00:27:56,470 --> 00:27:54,159

on the hill capitol hill

772

00:27:57,350 --> 00:27:56,480

and brought in witnesses to testify to

773

00:27:58,950 --> 00:27:57,360

them

774

00:28:00,549 --> 00:27:58,960

and made it look as much like a hearing

775

00:28:02,549 --> 00:28:00,559

as possible i thought this was a

776

00:28:03,909 --> 00:28:02,559

wonderful idea

777

00:28:05,510 --> 00:28:03,919

now keep in mind i don't have any money

778

00:28:10,870 --> 00:28:05,520

at all

779

00:28:12,710 --> 00:28:10,880

i i have i i had a couple of infusions

780

00:28:14,630 --> 00:28:12,720

of money over the years that were

781

00:28:16,389 --> 00:28:14,640

substantial mostly was just enough to

782

00:28:17,110 --> 00:28:16,399

keep me alive keep me going

783

00:28:19,190 --> 00:28:17,120

yeah

784

00:28:20,310 --> 00:28:19,200

it was a great idea

785

00:28:22,310 --> 00:28:20,320

but it was

786

00:28:24,070 --> 00:28:22,320

i thought two to three hundred thousand

787

00:28:26,070 --> 00:28:24,080

dollar project

788

00:28:27,669 --> 00:28:26,080

and so i

789

00:28:30,310 --> 00:28:27,679

put up a website

790

00:28:32,630 --> 00:28:30,320

uh put it up on the net my website work

791

00:28:34,789 --> 00:28:32,640

back then was awful but whatever and and

792

00:28:37,110 --> 00:28:34,799

i talked it up a little bit and i talked

793

00:28:38,149 --> 00:28:37,120

about it on on i think art bill or what

794

00:28:39,190 --> 00:28:38,159

have you

795

00:28:39,909 --> 00:28:39,200

um

796

00:28:42,549 --> 00:28:39,919

and

797

00:28:46,149 --> 00:28:42,559

but it didn't go anywhere uh i wasn't

798

00:28:47,350 --> 00:28:46,159

there was i i just didn't have the

799

00:28:49,830 --> 00:28:47,360

chops

800

00:28:51,590 --> 00:28:49,840

to go out now i'm not saying like

801  
00:28:54,070 --> 00:28:51,600  
somebody else couldn't have done it i i

802  
00:28:54,950 --> 00:28:54,080  
just i wasn't able to get that thing

803  
00:28:57,669 --> 00:28:54,960  
going

804  
00:28:59,350 --> 00:28:57,679  
and so it was an idea that i would

805  
00:29:00,230 --> 00:28:59,360  
occasionally revisit

806  
00:29:02,630 --> 00:29:00,240  
over

807  
00:29:04,230 --> 00:29:02,640  
the subsequent years

808  
00:29:06,710 --> 00:29:04,240  
it finally happened because a

809  
00:29:08,870 --> 00:29:06,720  
substantial infusion of money i

810  
00:29:11,029 --> 00:29:08,880  
was able to bring a substantial mute a

811  
00:29:12,950 --> 00:29:11,039  
bit of money to the table

812  
00:29:15,669 --> 00:29:12,960  
from a philanthropist and that was in

813  
00:29:18,789 --> 00:29:15,679

2012 so that was like nine years later

814

00:29:21,190 --> 00:29:18,799

so the idea was there in 2003 but it had

815

00:29:23,669 --> 00:29:21,200

zero impact uh there was not it wasn't

816

00:29:25,190 --> 00:29:23,679

affecting the the processes there were

817

00:29:27,430 --> 00:29:25,200

other things i was doing that had more

818

00:29:29,669 --> 00:29:27,440

effect

819

00:29:31,990 --> 00:29:29,679

that's interesting yeah but then we i

820

00:29:32,950 --> 00:29:32,000

mean we all know i think a lot of people

821

00:29:35,110 --> 00:29:32,960

i know

822

00:29:36,549 --> 00:29:35,120

know about 2013 with the citizen hearing

823

00:29:37,510 --> 00:29:36,559

on disclosure which is

824

00:29:39,510 --> 00:29:37,520

you know the kind of thing that you were

825

00:29:41,269 --> 00:29:39,520

talking about 10 years earlier but even

826  
00:29:43,430 --> 00:29:41,279  
in between that time we're talking about

827  
00:29:45,110 --> 00:29:43,440  
the x conference

828  
00:29:48,149 --> 00:29:45,120  
the million facts on washington xo

829  
00:29:49,590 --> 00:29:48,159  
politics world network

830  
00:29:51,110 --> 00:29:49,600  
did

831  
00:29:52,710 --> 00:29:51,120  
i mean you were obviously involved in so

832  
00:29:54,149 --> 00:29:52,720  
many things in that 10-year period

833  
00:29:56,230 --> 00:29:54,159  
before you got the citizen hearing on

834  
00:29:57,430 --> 00:29:56,240  
disclosure like was that something that

835  
00:29:59,590 --> 00:29:57,440  
you

836  
00:30:01,430 --> 00:29:59,600  
found worked quite easily or was it

837  
00:30:03,430 --> 00:30:01,440  
always every year a difficult thing to

838  
00:30:05,669 --> 00:30:03,440

kind of get to that point and then do

839

00:30:06,830 --> 00:30:05,679

the next thing and the next thing

840

00:30:08,389 --> 00:30:06,840

everything was

841

00:30:09,590 --> 00:30:08,399

difficult

842

00:30:14,549 --> 00:30:09,600

i i

843

00:30:20,549 --> 00:30:14,559

uh

844

00:30:23,350 --> 00:30:20,559

in my life that i would end up as an

845

00:30:24,389 --> 00:30:23,360

activist on the et issue

846

00:30:26,870 --> 00:30:24,399

uh

847

00:30:29,510 --> 00:30:26,880

i was just getting along to go along

848

00:30:30,310 --> 00:30:29,520

yeah it was i was

849

00:30:32,230 --> 00:30:30,320

just

850

00:30:34,310 --> 00:30:32,240

not not accomplishing very much i was

851

00:30:36,470 --> 00:30:34,320

not living up to my potential let's just

852

00:30:37,990 --> 00:30:36,480

say that did you feel like you were

853

00:30:39,029 --> 00:30:38,000

involved though did you feel like you

854

00:30:40,950 --> 00:30:39,039

were

855

00:30:43,110 --> 00:30:40,960

pounding the same doors as other people

856

00:30:45,590 --> 00:30:43,120

in the subject oh oh in the subject i'm

857

00:30:46,310 --> 00:30:45,600

saying prior to entering the field right

858

00:30:47,750 --> 00:30:46,320

right

859

00:30:51,430 --> 00:30:47,760

in 96

860

00:30:53,430 --> 00:30:51,440

uh i had no idea that this was coming

861

00:30:55,269 --> 00:30:53,440

and

862

00:30:57,350 --> 00:30:55,279

hang on um

863

00:31:00,310 --> 00:30:57,360

and so i made a fatal mistake i failed

864

00:31:05,029 --> 00:31:02,630

if i had lived up to my potential

865

00:31:06,630 --> 00:31:05,039

i might have been a very successful

866

00:31:08,230 --> 00:31:06,640

entrepreneur

867

00:31:09,830 --> 00:31:08,240

i might have become a

868

00:31:11,669 --> 00:31:09,840

a professor

869

00:31:13,590 --> 00:31:11,679

in science or physics or something and

870

00:31:15,590 --> 00:31:13,600

made decent money invested in real

871

00:31:16,870 --> 00:31:15,600

estate whatever the hell yeah i didn't

872

00:31:18,389 --> 00:31:16,880

do that

873

00:31:20,549 --> 00:31:18,399

and so as a result when i entered the

874

00:31:22,870 --> 00:31:20,559

field i had nothing and by nothing i

875

00:31:25,110 --> 00:31:22,880

mean nothing all right

876

00:31:26,789 --> 00:31:25,120

except i had a place to live i had a

877

00:31:29,430 --> 00:31:26,799

free place to live because i have family

878

00:31:33,750 --> 00:31:29,440

in washington dc right and so i was

879

00:31:35,669 --> 00:31:33,760

operating as the lone independent poor

880

00:31:38,549 --> 00:31:35,679

rogue activist

881

00:31:42,149 --> 00:31:38,559

which uh theoretically

882

00:31:44,230 --> 00:31:42,159

is got zero chance of doing anything

883

00:31:46,950 --> 00:31:44,240

except becoming very

884

00:31:48,630 --> 00:31:46,960

eccentric

885

00:31:50,789 --> 00:31:48,640

so uh

886

00:31:54,789 --> 00:31:50,799

at the moment that i made that decision

887

00:31:56,549 --> 00:31:54,799

to get involved by going to cambridge

888

00:31:59,509 --> 00:31:56,559

one could make the case

889

00:32:02,149 --> 00:31:59,519

well that's pretty much the end of your

890

00:32:03,750 --> 00:32:02,159

your life okay because uh you're barely

891

00:32:05,590 --> 00:32:03,760

getting along as it is this isn't going

892

00:32:07,190 --> 00:32:05,600

to go anywhere and things are going to

893

00:32:08,389 --> 00:32:07,200

end badly for you

894

00:32:11,669 --> 00:32:08,399

however

895

00:32:14,470 --> 00:32:11,679

there was something else going on that i

896

00:32:15,430 --> 00:32:14,480

obviously came to realize and that was

897

00:32:18,310 --> 00:32:15,440

this

898

00:32:22,950 --> 00:32:18,320

at the time that i entered in 96

899

00:32:25,590 --> 00:32:22,960

was the dawn of the age of the internet

900

00:32:31,269 --> 00:32:25,600

and ultimately social media

901  
00:32:35,190 --> 00:32:33,669  
for better or for worse

902  
00:32:37,190 --> 00:32:35,200  
the internet

903  
00:32:39,590 --> 00:32:37,200  
made it possible

904  
00:32:43,269 --> 00:32:39,600  
for a very poor

905  
00:32:44,870 --> 00:32:43,279  
single person right individual

906  
00:32:46,070 --> 00:32:44,880  
to pursue activism

907  
00:32:49,909 --> 00:32:46,080  
[Music]

908  
00:32:52,630 --> 00:32:49,919  
from a basement or an addict

909  
00:32:54,830 --> 00:32:52,640  
and actually have impact

910  
00:32:57,590 --> 00:32:54,840  
right you also have

911  
00:33:00,789 --> 00:32:57,600  
broadcast.com you had internet radio

912  
00:33:02,789 --> 00:33:00,799  
developing along with broadcast radio

913  
00:33:05,350 --> 00:33:02,799

and so all of a sudden

914

00:33:07,269 --> 00:33:05,360

you could interview from your basement

915

00:33:11,350 --> 00:33:07,279

or your attic office

916

00:33:13,430 --> 00:33:11,360

uh and reach an audience uh you could um

917

00:33:14,710 --> 00:33:13,440

uh put up a website

918

00:33:16,789 --> 00:33:14,720

and reach an audience and then

919

00:33:17,669 --> 00:33:16,799

eventually you could get on twitter and

920

00:33:18,950 --> 00:33:17,679

so

921

00:33:21,509 --> 00:33:18,960

the age

922

00:33:22,870 --> 00:33:21,519

of the individual

923

00:33:25,830 --> 00:33:22,880

influencer

924

00:33:26,950 --> 00:33:25,840

starts to happen right as i come into

925

00:33:30,630 --> 00:33:26,960

the field

926

00:33:33,190 --> 00:33:30,640

and while i was you know a computer whiz

927

00:33:35,669 --> 00:33:33,200

i i sort of got that

928

00:33:37,990 --> 00:33:35,679

and i rode that wave

929

00:33:39,830 --> 00:33:38,000

uh and so

930

00:33:42,389 --> 00:33:39,840

i was able to

931

00:33:43,909 --> 00:33:42,399

to have impact even though i didn't have

932

00:33:45,110 --> 00:33:43,919

any money but the impact was still

933

00:33:46,549 --> 00:33:45,120

limited

934

00:33:47,909 --> 00:33:46,559

um

935

00:33:50,549 --> 00:33:47,919

and so

936

00:33:52,470 --> 00:33:50,559

i i got lucky in that regard

937

00:33:53,669 --> 00:33:52,480

so everything that i've done in this

938

00:33:55,990 --> 00:33:53,679

field

939

00:33:57,430 --> 00:33:56,000

is up on my website there it's a lot of

940

00:33:58,710 --> 00:33:57,440

stuff there and you can one can go and

941

00:34:00,789 --> 00:33:58,720

review it all

942

00:34:02,549 --> 00:34:00,799

yeah and one could make a case it wasn't

943

00:34:04,310 --> 00:34:02,559

very much one could also make the case

944

00:34:05,990 --> 00:34:04,320

that given that i the how few little

945

00:34:07,590 --> 00:34:06,000

money i had it was amazing it doesn't

946

00:34:09,430 --> 00:34:07,600

really matter the point is is i did what

947

00:34:10,710 --> 00:34:09,440

i did to try to help out

948

00:34:12,629 --> 00:34:10,720

and uh

949

00:34:13,750 --> 00:34:12,639

uh

950

00:34:15,510 --> 00:34:13,760

and and

951  
00:34:17,349 --> 00:34:15,520  
and stuck with it

952  
00:34:19,270 --> 00:34:17,359  
meaning that

953  
00:34:24,790 --> 00:34:19,280  
it

954  
00:34:26,149 --> 00:34:24,800  
um being smart helps

955  
00:34:27,750 --> 00:34:26,159  
money helps

956  
00:34:30,550 --> 00:34:27,760  
all right

957  
00:34:32,310 --> 00:34:30,560  
but if you want to see an activist

958  
00:34:36,230 --> 00:34:32,320  
movement of

959  
00:34:38,710 --> 00:34:36,240  
major importance to conclusion

960  
00:34:41,510 --> 00:34:38,720  
the two most important things you need

961  
00:34:43,909 --> 00:34:41,520  
are patience and perseverance

962  
00:34:45,430 --> 00:34:43,919  
history is filled with people

963  
00:34:47,349 --> 00:34:45,440

with skill

964

00:34:49,909 --> 00:34:47,359

with resources

965

00:34:51,909 --> 00:34:49,919

uh opportunity

966

00:34:54,069 --> 00:34:51,919

who failed

967

00:34:55,589 --> 00:34:54,079

because they had those things but they

968

00:34:58,230 --> 00:34:55,599

didn't have the patience and they didn't

969

00:34:59,829 --> 00:34:58,240

have the perseverance and they could not

970

00:35:00,630 --> 00:34:59,839

stick it out

971

00:35:04,310 --> 00:35:00,640

uh

972

00:35:05,510 --> 00:35:04,320

i had that and so 24 years later i'm

973

00:35:08,150 --> 00:35:05,520

still here

974

00:35:09,829 --> 00:35:08,160

as we approach finally the resolution of

975

00:35:11,829 --> 00:35:09,839

the et issue

976

00:35:15,750 --> 00:35:11,839

and for that and and i was able to stay

977

00:35:17,270 --> 00:35:15,760

healthy so i i i have no regrets about

978

00:35:19,670 --> 00:35:17,280

not having the resources that would

979

00:35:20,710 --> 00:35:19,680

allow me to do a whole lot more or not

980

00:35:22,710 --> 00:35:20,720

being

981

00:35:25,349 --> 00:35:22,720

uh able to

982

00:35:26,950 --> 00:35:25,359

to not being as driven as like as i

983

00:35:29,109 --> 00:35:26,960

could have been not accomplishing more i

984

00:35:30,950 --> 00:35:29,119

could have done a lot more but i have my

985

00:35:33,030 --> 00:35:30,960

limitations like anybody else but you

986

00:35:34,630 --> 00:35:33,040

must understand that from an outside

987

00:35:36,630 --> 00:35:34,640

outside perspective from people like

988

00:35:38,630 --> 00:35:36,640

myself like we look at yourself from the

989

00:35:39,750 --> 00:35:38,640

work you've done over the years and it's

990

00:35:41,190 --> 00:35:39,760

phenomenal

991

00:35:42,829 --> 00:35:41,200

for the subject

992

00:35:44,710 --> 00:35:42,839

you know it's

993

00:35:47,109 --> 00:35:44,720

easy it's difficult looking from the

994

00:35:49,589 --> 00:35:47,119

inside out and things like that you know

995

00:35:53,990 --> 00:35:49,599

i have colleagues that have done more uh

996

00:35:56,150 --> 00:35:54,000

and uh i i recognize them and and i also

997

00:35:58,069 --> 00:35:56,160

am a cheerleader for

998

00:36:00,630 --> 00:35:58,079

the extraterrestrial phenomena research

999

00:36:02,710 --> 00:36:00,640

activists world because

1000

00:36:04,630 --> 00:36:02,720

i understood early on that everyone was

1001

00:36:05,670 --> 00:36:04,640

in this intellectual ghetto

1002

00:36:07,349 --> 00:36:05,680

and when you're in the intellectual

1003

00:36:09,430 --> 00:36:07,359

ghetto you don't get awards you don't

1004

00:36:11,510 --> 00:36:09,440

get acknowledgement uh you're treated

1005

00:36:12,390 --> 00:36:11,520

badly you can't get the press coverage

1006

00:36:14,150 --> 00:36:12,400

you want

1007

00:36:16,470 --> 00:36:14,160

uh and so

1008

00:36:18,550 --> 00:36:16,480

one of the things i set out to do is

1009

00:36:20,470 --> 00:36:18,560

uh acknowledge

1010

00:36:22,710 --> 00:36:20,480

give give these people the

1011

00:36:24,470 --> 00:36:22,720

acknowledgement that they deserve

1012

00:36:26,630 --> 00:36:24,480

uh and in whatever way that i might do

1013

00:36:28,870 --> 00:36:26,640

that one of the ways i did that was uh i

1014

00:36:31,750 --> 00:36:28,880

held 6x conferences in the washington dc

1015

00:36:34,310 --> 00:36:31,760

area yeah exo politics conferences they

1016

00:36:36,790 --> 00:36:34,320

were the first

1017

00:36:38,630 --> 00:36:36,800

um eventually there were others but

1018

00:36:40,550 --> 00:36:38,640

the first and only ones held in the

1019

00:36:43,030 --> 00:36:40,560

washington dc area

1020

00:36:44,550 --> 00:36:43,040

and we had an awards banquet obviously

1021

00:36:47,190 --> 00:36:44,560

and i gave out awards to people in the

1022

00:36:48,870 --> 00:36:47,200

field it was the most fun part of it

1023

00:36:51,510 --> 00:36:48,880

it's the thing i missed the most the

1024

00:36:53,109 --> 00:36:51,520

last one was 2010. i would have loved to

1025

00:36:55,990 --> 00:36:53,119

have done

1026

00:36:57,990 --> 00:36:56,000

10 more but unfortunately

1027

00:37:00,870 --> 00:36:58,000

they all lost money and

1028

00:37:02,630 --> 00:37:00,880

it was just impossible i couldn't do it

1029

00:37:04,069 --> 00:37:02,640

uh so

1030

00:37:07,190 --> 00:37:04,079

giving out awards and other things to

1031

00:37:08,390 --> 00:37:07,200

the websites i acknowledge to try to

1032

00:37:11,270 --> 00:37:08,400

to

1033

00:37:12,630 --> 00:37:11,280

the issue

1034

00:37:14,310 --> 00:37:12,640

these people will eventually be

1035

00:37:16,550 --> 00:37:14,320

acknowledged in history

1036

00:37:20,470 --> 00:37:16,560

the stanton friedmans the richard dolans

1037

00:37:22,310 --> 00:37:20,480

the the keos the the of course john max

1038

00:37:23,990 --> 00:37:22,320

um

1039

00:37:24,870 --> 00:37:24,000

and so many others

1040

00:37:26,310 --> 00:37:24,880

yeah

1041

00:37:27,910 --> 00:37:26,320

are going to eventually be acknowledged

1042

00:37:29,829 --> 00:37:27,920

in history

1043

00:37:31,589 --> 00:37:29,839

uh some of them have not lived to see

1044

00:37:34,630 --> 00:37:31,599

that acknowledgment because this truth

1045

00:37:36,550 --> 00:37:34,640

embargo is now 74 years on

1046

00:37:39,270 --> 00:37:36,560

i actually have a page on my website the

1047

00:37:40,790 --> 00:37:39,280

in memoriam section where i have uh

1048

00:37:43,270 --> 00:37:40,800

tried to acknowledge

1049

00:37:45,190 --> 00:37:43,280

these people and uh and and put up a

1050

00:37:46,310 --> 00:37:45,200

chronology of their passing

1051

00:37:47,829 --> 00:37:46,320

uh

1052

00:37:49,910 --> 00:37:47,839

but there's still

1053

00:37:51,270 --> 00:37:49,920

time for the people in the field to the

1054

00:37:53,030 --> 00:37:51,280

people that feel that are alive today

1055

00:37:55,030 --> 00:37:53,040

are probably going to see disclosure

1056

00:37:57,270 --> 00:37:55,040

very soon and also get that

1057

00:37:59,430 --> 00:37:57,280

acknowledgement so again i've had a kind

1058

00:38:03,109 --> 00:37:59,440

of a complex history here

1059

00:38:04,390 --> 00:38:03,119

uh but in terms of what we'll call

1060

00:38:05,190 --> 00:38:04,400

just

1061

00:38:06,790 --> 00:38:05,200

um

1062

00:38:08,390 --> 00:38:06,800

how can i put it

1063

00:38:11,589 --> 00:38:08,400

uh

1064

00:38:13,430 --> 00:38:11,599

in terms of sheer output

1065

00:38:14,630 --> 00:38:13,440

of work

1066

00:38:17,030 --> 00:38:14,640

greer is

1067

00:38:18,630 --> 00:38:17,040

way far ahead of me way far i mean my

1068

00:38:19,670 --> 00:38:18,640

god he's written three or four books

1069

00:38:21,910 --> 00:38:19,680

he's done

1070

00:38:24,230 --> 00:38:21,920

four or five documentaries

1071

00:38:25,910 --> 00:38:24,240

stanton friedman did research for 40

1072

00:38:28,550 --> 00:38:25,920

years lyndon moulton howe has been doing

1073

00:38:29,510 --> 00:38:28,560

research for 40 to 45 years

1074

00:38:30,950 --> 00:38:29,520

uh

1075

00:38:32,870 --> 00:38:30,960

and so forth and so there are people out

1076

00:38:33,829 --> 00:38:32,880

there that the sheer output of their

1077

00:38:35,510 --> 00:38:33,839

work

1078

00:38:37,990 --> 00:38:35,520

is extraordinary and they should have

1079

00:38:39,829 --> 00:38:38,000

really big

1080

00:38:41,510 --> 00:38:39,839

wikipedia pages

1081

00:38:43,190 --> 00:38:41,520

do you feel that greer has somehow kind

1082

00:38:45,030 --> 00:38:43,200

of dropped off i know he's getting a lot

1083

00:38:47,510 --> 00:38:45,040

of backlash recently within the field of

1084

00:38:49,910 --> 00:38:47,520

ufology for some of the things he's done

1085

00:38:52,470 --> 00:38:49,920

recently have you seen any of that i've

1086

00:38:54,790 --> 00:38:52,480

always you know he's been kind of

1087

00:38:56,630 --> 00:38:54,800

let's say mudslinging people like luella

1088

00:38:58,470 --> 00:38:56,640

zondo and things like that is that

1089

00:39:00,710 --> 00:38:58,480

something you've seen and do you have an

1090

00:39:03,829 --> 00:39:00,720

opinion on that i pay attention to

1091

00:39:06,870 --> 00:39:03,839

everything that's going on good um

1092

00:39:09,829 --> 00:39:06,880

vinnie it's not the field of ethology

1093

00:39:11,190 --> 00:39:09,839

it is the field of extraterrestrial

1094

00:39:13,109 --> 00:39:11,200

research

1095

00:39:16,470 --> 00:39:13,119

right activism

1096

00:39:21,190 --> 00:39:16,480

ufo and ufology has to go that's not

1097

00:39:22,230 --> 00:39:21,200

what it is all right yeah so uh

1098

00:39:24,470 --> 00:39:22,240

and so

1099

00:39:26,150 --> 00:39:24,480

uh

1100

00:39:31,030 --> 00:39:26,160

greer

1101  
00:39:33,109 --> 00:39:31,040  
extremely important he has an enormous

1102  
00:39:35,910 --> 00:39:33,119  
amount of output he has done a lot of

1103  
00:39:37,750 --> 00:39:35,920  
stuff he has done a lot of things he is

1104  
00:39:39,829 --> 00:39:37,760  
essentially an activist i don't know if

1105  
00:39:42,069 --> 00:39:39,839  
he thinks of himself as an activist

1106  
00:39:44,630 --> 00:39:42,079  
right let me tell you something about

1107  
00:39:48,470 --> 00:39:44,640  
activism all right

1108  
00:39:50,870 --> 00:39:48,480  
you don't pursue it without controversy

1109  
00:39:53,190 --> 00:39:50,880  
and the more you do

1110  
00:39:55,430 --> 00:39:53,200  
the more controversy you create

1111  
00:39:59,030 --> 00:39:55,440  
yeah and so the fact that he is

1112  
00:39:59,910 --> 00:39:59,040  
controversial shouldn't surprise anybody

1113  
00:40:02,150 --> 00:39:59,920

all right

1114

00:40:04,870 --> 00:40:02,160

and so uh

1115

00:40:06,230 --> 00:40:04,880

my uh my attitude about all these things

1116

00:40:07,750 --> 00:40:06,240

is this

1117

00:40:10,150 --> 00:40:07,760

there are a lot of people pursuing

1118

00:40:11,510 --> 00:40:10,160

disclosure of the extraterrestrial issue

1119

00:40:13,670 --> 00:40:11,520

and they're doing it in the way that

1120

00:40:16,150 --> 00:40:13,680

they feel they need to do it yeah and

1121

00:40:18,950 --> 00:40:16,160

that's what matters to me getting into

1122

00:40:20,550 --> 00:40:18,960

the details or was that a good idea was

1123

00:40:22,230 --> 00:40:20,560

this a good idea are you like just like

1124

00:40:24,069 --> 00:40:22,240

that you care less

1125

00:40:26,470 --> 00:40:24,079

i'm interested in is the disclosure

1126  
00:40:27,829 --> 00:40:26,480  
process being advanced and there's no

1127  
00:40:29,510 --> 00:40:27,839  
question that he has advanced the

1128  
00:40:31,190 --> 00:40:29,520  
disclosure process

1129  
00:40:32,630 --> 00:40:31,200  
and i'll add this it's a phrase that i

1130  
00:40:35,270 --> 00:40:32,640  
view it's a it's a

1131  
00:40:36,829 --> 00:40:35,280  
story not a story but a phrase

1132  
00:40:39,589 --> 00:40:36,839  
what is it

1133  
00:40:41,990 --> 00:40:39,599  
a i can't think of it anyway i'd say

1134  
00:40:44,069 --> 00:40:42,000  
something i've said many times

1135  
00:40:45,109 --> 00:40:44,079  
if if you want to take the activist path

1136  
00:40:47,589 --> 00:40:45,119  
there's some things you need to know

1137  
00:40:50,470 --> 00:40:47,599  
here's one of those things

1138  
00:40:52,550 --> 00:40:50,480

if you're an activist on a major issue

1139

00:40:53,510 --> 00:40:52,560

and that there are small issues and big

1140

00:40:56,870 --> 00:40:53,520

issues

1141

00:40:58,470 --> 00:40:56,880

that's not activism it is

1142

00:40:58,830 --> 00:40:58,480

sure but when you get up to the big

1143

00:41:00,069 --> 00:40:58,840

level

1144

00:41:01,829 --> 00:41:00,079

[Music]

1145

00:41:04,309 --> 00:41:01,839

and we know what major activism is

1146

00:41:07,670 --> 00:41:04,319

everybody knows what it is

1147

00:41:09,030 --> 00:41:07,680

and you're an activist and you are wrong

1148

00:41:11,670 --> 00:41:09,040

in other words you are

1149

00:41:13,829 --> 00:41:11,680

pushing against authority

1150

00:41:14,870 --> 00:41:13,839

to get them to do something and it's

1151  
00:41:17,270 --> 00:41:14,880  
wrong

1152  
00:41:19,349 --> 00:41:17,280  
it's not the right thing to do

1153  
00:41:20,790 --> 00:41:19,359  
but it's you've decided that it is and

1154  
00:41:23,109 --> 00:41:20,800  
you're pushing and there are plenty of

1155  
00:41:25,190 --> 00:41:23,119  
activists out there doing that

1156  
00:41:27,589 --> 00:41:25,200  
they are trying to get things that we do

1157  
00:41:29,349 --> 00:41:27,599  
not want absolutely they're committed

1158  
00:41:31,109 --> 00:41:29,359  
and you're wrong you are going to be

1159  
00:41:32,390 --> 00:41:31,119  
disliked

1160  
00:41:34,870 --> 00:41:32,400  
there's gonna be people that don't like

1161  
00:41:37,670 --> 00:41:34,880  
you at all

1162  
00:41:39,190 --> 00:41:37,680  
and if you're right

1163  
00:41:40,790 --> 00:41:39,200

they really

1164

00:41:42,470 --> 00:41:40,800

won't like you

1165

00:41:44,550 --> 00:41:42,480

are you following me here i'm following

1166

00:41:47,430 --> 00:41:44,560

you 100 i get where you're coming from

1167

00:41:50,230 --> 00:41:47,440

absolutely all right so i try i always

1168

00:41:52,470 --> 00:41:50,240

try to keep that in mind

1169

00:41:54,630 --> 00:41:52,480

and and not get too overwrought yeah

1170

00:41:56,550 --> 00:41:54,640

because i think

1171

00:41:59,670 --> 00:41:56,560

if someone re

1172

00:42:03,190 --> 00:41:59,680

let me this way uh

1173

00:42:04,950 --> 00:42:03,200

i have a i because i've operated

1174

00:42:06,790 --> 00:42:04,960

because i haven't put out that much

1175

00:42:09,270 --> 00:42:06,800

output

1176  
00:42:11,430 --> 00:42:09,280  
and and i haven't got that much exposure

1177  
00:42:14,069 --> 00:42:11,440  
i mean i've gotten a decent amount but

1178  
00:42:16,630 --> 00:42:14,079  
not not not as much as is i would have

1179  
00:42:18,870 --> 00:42:16,640  
liked now that may change soon but again

1180  
00:42:21,349 --> 00:42:18,880  
i'm operating from a low resource kind

1181  
00:42:23,750 --> 00:42:21,359  
of independent rogue kind of thing

1182  
00:42:26,150 --> 00:42:23,760  
and uh while i've used the internet

1183  
00:42:28,550 --> 00:42:26,160  
substantially i didn't get on the social

1184  
00:42:30,550 --> 00:42:28,560  
media bandwagon uh as soon as i should

1185  
00:42:32,710 --> 00:42:30,560  
have and when i did

1186  
00:42:33,670 --> 00:42:32,720  
i wasn't prepared to go to the links

1187  
00:42:35,589 --> 00:42:33,680  
that

1188  
00:42:39,109 --> 00:42:35,599

people were going to to become quote

1189

00:42:41,030 --> 00:42:39,119

social media influencers right okay um

1190

00:42:44,630 --> 00:42:41,040

there's only a couple of ways to become

1191

00:42:47,309 --> 00:42:44,640

a true social media influencer one

1192

00:42:49,430 --> 00:42:47,319

you need to be you you need to be

1193

00:42:50,630 --> 00:42:49,440

extremely sharp at what you're doing i

1194

00:42:53,109 --> 00:42:50,640

mean in other words you need to be

1195

00:42:55,030 --> 00:42:53,119

outstanding yeah okay

1196

00:42:56,870 --> 00:42:55,040

uh a genius

1197

00:42:58,950 --> 00:42:56,880

or and have chops in other words you've

1198

00:43:00,550 --> 00:42:58,960

got you've got a resume that's

1199

00:43:01,510 --> 00:43:00,560

substantial and you're you're doing

1200

00:43:02,470 --> 00:43:01,520

something

1201

00:43:06,069 --> 00:43:02,480

uh

1202

00:43:10,150 --> 00:43:07,349

okay you're right you're not wrong

1203

00:43:12,710 --> 00:43:10,160

you're not wrong uh and and there are a

1204

00:43:13,670 --> 00:43:12,720

couple of of influencers out there that

1205

00:43:15,829 --> 00:43:13,680

are both

1206

00:43:18,230 --> 00:43:15,839

we have serious chops they're

1207

00:43:20,150 --> 00:43:18,240

outstanding and they're outrageous

1208

00:43:22,390 --> 00:43:20,160

the future is unlimited i'm not gonna

1209

00:43:24,309 --> 00:43:22,400

name names their future is unlimited but

1210

00:43:26,710 --> 00:43:24,319

i was i couldn't i couldn't be

1211

00:43:28,630 --> 00:43:26,720

outrageous and i didn't have the chop so

1212

00:43:30,390 --> 00:43:28,640

i've only been able to use social media

1213

00:43:32,950 --> 00:43:30,400

within to a certain point now that may

1214

00:43:36,150 --> 00:43:32,960

change in the near future

1215

00:43:37,829 --> 00:43:36,160

but again this is this is

1216

00:43:39,589 --> 00:43:37,839

this is these are the these are the

1217

00:43:40,710 --> 00:43:39,599

parameters that have shaped my

1218

00:43:43,349 --> 00:43:40,720

involvement

1219

00:43:45,109 --> 00:43:43,359

uh and uh i invite people to think about

1220

00:43:46,790 --> 00:43:45,119

that as they consider other people in

1221

00:43:48,470 --> 00:43:46,800

the field

1222

00:43:49,910 --> 00:43:48,480

people in this field have made various

1223

00:43:51,270 --> 00:43:49,920

contributions

1224

00:43:52,710 --> 00:43:51,280

and and

1225

00:43:55,030 --> 00:43:52,720

as you look at them understand that

1226  
00:43:56,390 --> 00:43:55,040  
they're making these contributions from

1227  
00:43:59,589 --> 00:43:56,400  
from the world that they're in from the

1228  
00:44:03,670 --> 00:43:59,599  
resources they have don't judge people

1229  
00:44:06,550 --> 00:44:03,680  
on how big their contribution was or how

1230  
00:44:09,910 --> 00:44:06,560  
much they they could have done

1231  
00:44:12,309 --> 00:44:09,920  
don't judge them at all but acknowledge

1232  
00:44:14,230 --> 00:44:12,319  
them and and if they're if they are

1233  
00:44:17,270 --> 00:44:14,240  
trying to end this truth embargo

1234  
00:44:19,910 --> 00:44:17,280  
whatever they're doing is righteous

1235  
00:44:21,589 --> 00:44:19,920  
and respect that and acknowledge that

1236  
00:44:24,230 --> 00:44:21,599  
and that would be that's that's the way

1237  
00:44:25,829 --> 00:44:24,240  
to go yeah absolutely so let's just jump

1238  
00:44:28,630 --> 00:44:25,839

forward quite a few years obviously to

1239

00:44:30,790 --> 00:44:28,640

2017 which is kind of the standout day

1240

00:44:33,030 --> 00:44:30,800

that everybody knows about december with

1241

00:44:35,829 --> 00:44:33,040

the new york times politico washington

1242

00:44:37,990 --> 00:44:35,839

post story you know a tip and all that

1243

00:44:39,510 --> 00:44:38,000

did you feel did you get any kind of

1244

00:44:41,190 --> 00:44:39,520

excitement at that time was that

1245

00:44:43,109 --> 00:44:41,200

something that you

1246

00:44:45,829 --> 00:44:43,119

grabbed hold of and thought here we go

1247

00:44:48,550 --> 00:44:45,839

we're now stepping up a gear

1248

00:44:49,670 --> 00:44:48,560

oh god yes

1249

00:44:53,270 --> 00:44:49,680

if you

1250

00:44:57,349 --> 00:44:55,510

the major miles well they're the the

1251  
00:44:59,829 --> 00:44:57,359  
major positive there there's some

1252  
00:45:02,710 --> 00:44:59,839  
negative milestones and

1253  
00:45:05,190 --> 00:45:02,720  
as you go back to 1947. sure let's put

1254  
00:45:07,670 --> 00:45:05,200  
those aside let's talk about

1255  
00:45:09,829 --> 00:45:07,680  
the most positive milestones in the

1256  
00:45:12,710 --> 00:45:09,839  
history of the disclosure movement

1257  
00:45:14,230 --> 00:45:12,720  
disclosure capital d the move to get the

1258  
00:45:15,829 --> 00:45:14,240  
confirmation of the e.t presence from

1259  
00:45:18,390 --> 00:45:15,839  
the us government who has known about

1260  
00:45:21,030 --> 00:45:18,400  
the e.t presidents since absolutely no

1261  
00:45:22,710 --> 00:45:21,040  
later than july of 1947.

1262  
00:45:24,150 --> 00:45:22,720  
and it's very possible that there are

1263  
00:45:26,870 --> 00:45:24,160

people within our government that knew

1264

00:45:30,309 --> 00:45:26,880

about the presence of et's before that

1265

00:45:31,349 --> 00:45:30,319

possibly 19 early 1940s possibly even

1266

00:45:33,589 --> 00:45:31,359

sooner but

1267

00:45:34,950 --> 00:45:33,599

no later than 1947 which is good enough

1268

00:45:36,790 --> 00:45:34,960

to make the point

1269

00:45:39,990 --> 00:45:36,800

right

1270

00:45:42,470 --> 00:45:40,000

the most positive milestones were one

1271

00:45:45,670 --> 00:45:42,480

the end of the cold war

1272

00:45:47,589 --> 00:45:45,680

quote the end of the formal end

1273

00:45:49,349 --> 00:45:47,599

of the cold war as we knew it the cold

1274

00:45:51,990 --> 00:45:49,359

war actually never ended

1275

00:45:54,150 --> 00:45:52,000

but what we're in now is cold war ii

1276

00:45:56,950 --> 00:45:54,160

so like world war one ended and then we

1277

00:46:00,390 --> 00:45:56,960

had world war ii okay cold war one ended

1278

00:46:02,390 --> 00:46:00,400

1991 1999-91 the end of that cold war

1279

00:46:03,990 --> 00:46:02,400

was absolutely a major milestone in

1280

00:46:06,309 --> 00:46:04,000

terms of being able to advance the

1281

00:46:09,030 --> 00:46:06,319

disclosure movement the second major

1282

00:46:10,790 --> 00:46:09,040

milestone was the rockefeller initiative

1283

00:46:12,390 --> 00:46:10,800

the the development surrounding

1284

00:46:14,870 --> 00:46:12,400

rockefeller's effort to get the clinton

1285

00:46:16,710 --> 00:46:14,880

administration to release quote all the

1286

00:46:18,630 --> 00:46:16,720

files well you release the files you end

1287

00:46:21,190 --> 00:46:18,640

the truth embargo that was the second

1288

00:46:24,550 --> 00:46:21,200

major uh milestone

1289

00:46:26,630 --> 00:46:24,560

the third major milestone was greer's

1290

00:46:29,109 --> 00:46:26,640

may 9th press conference in washington

1291

00:46:30,069 --> 00:46:29,119

dc maina 2001

1292

00:46:31,589 --> 00:46:30,079

all right

1293

00:46:33,829 --> 00:46:31,599

that was

1294

00:46:35,670 --> 00:46:33,839

a major milestone

1295

00:46:39,910 --> 00:46:35,680

um

1296

00:46:42,550 --> 00:46:39,920

next few years there were some

1297

00:46:44,950 --> 00:46:42,560

significant press conferences leslie

1298

00:46:46,069 --> 00:46:44,960

kane and james fox put on one

1299

00:46:49,750 --> 00:46:46,079

uh

1300

00:46:51,430 --> 00:46:49,760

on one again these are all at the press

1301  
00:46:52,710 --> 00:46:51,440  
conference by the way that press club

1302  
00:46:57,109 --> 00:46:52,720  
the national press club has played a

1303  
00:46:58,550 --> 00:46:57,119  
very important role in this absolutely i

1304  
00:47:00,790 --> 00:46:58,560  
i'll spend a lot of

1305  
00:47:01,990 --> 00:47:00,800  
time in that book about that

1306  
00:47:03,670 --> 00:47:02,000  
um

1307  
00:47:05,270 --> 00:47:03,680  
so these are important

1308  
00:47:07,829 --> 00:47:05,280  
without question

1309  
00:47:09,190 --> 00:47:07,839  
uh the x conferences are important

1310  
00:47:11,990 --> 00:47:09,200  
uh and many other conferences are

1311  
00:47:14,550 --> 00:47:12,000  
turning up but i i would say

1312  
00:47:16,190 --> 00:47:14,560  
the next major milestone

1313  
00:47:18,710 --> 00:47:16,200

was the citizen hearing on disclosure

1314

00:47:21,349 --> 00:47:18,720

2013. absolutely

1315

00:47:22,950 --> 00:47:21,359

and so there's that okay

1316

00:47:26,230 --> 00:47:22,960

yeah uh

1317

00:47:31,430 --> 00:47:28,630

i know what the next major milestone was

1318

00:47:32,470 --> 00:47:31,440

supposed to be after that

1319

00:47:34,549 --> 00:47:32,480

uh

1320

00:47:37,109 --> 00:47:34,559

so the citizen hearing on disclosure was

1321

00:47:39,910 --> 00:47:37,119

2013.

1322

00:47:41,829 --> 00:47:39,920

the next major milestone

1323

00:47:44,230 --> 00:47:41,839

was supposed to be the launch of the to

1324

00:47:45,670 --> 00:47:44,240

the stars academy and the election of

1325

00:47:48,309 --> 00:47:45,680

hillary clinton which were going to

1326

00:47:50,470 --> 00:47:48,319

happen very close together

1327

00:47:51,349 --> 00:47:50,480

all right it was going to be a one-two

1328

00:47:52,470 --> 00:47:51,359

thing

1329

00:47:54,230 --> 00:47:52,480

in other words

1330

00:47:57,349 --> 00:47:54,240

suddenly the to the stars academy was

1331

00:47:59,430 --> 00:47:57,359

going to put up a website hold a video

1332

00:48:02,309 --> 00:47:59,440

and say we're here here's what we're

1333

00:48:03,910 --> 00:48:02,319

going to do and everything that we saw

1334

00:48:06,390 --> 00:48:03,920

possibly

1335

00:48:10,790 --> 00:48:06,400

a couple of different personnel but wow

1336

00:48:15,990 --> 00:48:13,990

late november 2016

1337

00:48:19,270 --> 00:48:16,000

mid december 2000 could have been even

1338

00:48:21,510 --> 00:48:19,280

as early as 2017 january

1339

00:48:22,950 --> 00:48:21,520

but most likely before the inauguration

1340

00:48:24,870 --> 00:48:22,960

of secretary hillary clinton is

1341

00:48:27,109 --> 00:48:24,880

president of the united states and then

1342

00:48:29,190 --> 00:48:27,119

she was going to get elected and it was

1343

00:48:31,270 --> 00:48:29,200

and then all of that plus the media

1344

00:48:33,349 --> 00:48:31,280

engagement was going to come together

1345

00:48:35,910 --> 00:48:33,359

setting the stage for her to

1346

00:48:37,589 --> 00:48:35,920

to encourage

1347

00:48:38,790 --> 00:48:37,599

right to congress because she can't

1348

00:48:40,309 --> 00:48:38,800

demand it

1349

00:48:41,670 --> 00:48:40,319

encourage the committees of the congress

1350

00:48:43,190 --> 00:48:41,680

to start holding the hearings that we've

1351  
00:48:44,870 --> 00:48:43,200  
been trying to get all these years that

1352  
00:48:47,670 --> 00:48:44,880  
would have led to the end of the truth

1353  
00:48:50,390 --> 00:48:47,680  
embargo probably the spring of 2017.

1354  
00:48:54,150 --> 00:48:50,400  
that was supposed to be the next major

1355  
00:48:55,990 --> 00:48:54,160  
milestone yeah it didn't happen

1356  
00:48:57,030 --> 00:48:56,000  
as we know

1357  
00:48:59,349 --> 00:48:57,040  
okay

1358  
00:49:01,270 --> 00:48:59,359  
what happened was that milestone was put

1359  
00:49:03,430 --> 00:49:01,280  
off for 11 months

1360  
00:49:05,190 --> 00:49:03,440  
and so the to the stars academy of arts

1361  
00:49:06,870 --> 00:49:05,200  
and science

1362  
00:49:08,630 --> 00:49:06,880  
it could have had another name that's an

1363  
00:49:10,710 --> 00:49:08,640

interesting name some people

1364

00:49:12,069 --> 00:49:10,720

don't like it it doesn't really matter

1365

00:49:13,910 --> 00:49:12,079

the point is

1366

00:49:15,270 --> 00:49:13,920

what it was and who was in it the two

1367

00:49:19,190 --> 00:49:15,280

the stars accounting was launched on

1368

00:49:21,190 --> 00:49:19,200

october 11th 2017 as opposed to

1369

00:49:22,790 --> 00:49:21,200

uh 2016.

1370

00:49:27,750 --> 00:49:22,800

and the new york times articles came in

1371

00:49:29,109 --> 00:49:27,760

december of 2017 as opposed to 2016.

1372

00:49:35,910 --> 00:49:29,119

that

1373

00:49:38,790 --> 00:49:35,920

milestone okay without question but it

1374

00:49:42,390 --> 00:49:38,800

was the biggest one of all and in fact

1375

00:49:45,510 --> 00:49:42,400

the day that i went to the website

1376

00:49:47,109 --> 00:49:45,520

which was before i saw the video

1377

00:49:48,549 --> 00:49:47,119

i think the website went up the video

1378

00:49:50,870 --> 00:49:48,559

went up shortly thereafter they went up

1379

00:49:52,630 --> 00:49:50,880

simultaneously i didn't see the

1380

00:49:54,710 --> 00:49:52,640

but the moment i went to that website

1381

00:49:56,390 --> 00:49:54,720

and i went through

1382

00:49:57,670 --> 00:49:56,400

the personnel

1383

00:50:00,710 --> 00:49:57,680

read the mission statement went through

1384

00:50:02,470 --> 00:50:00,720

the personnel i instantly

1385

00:50:04,390 --> 00:50:02,480

i mean i say new

1386

00:50:08,069 --> 00:50:04,400

i guess you could say suspected but the

1387

00:50:12,230 --> 00:50:09,670

what had just happened

1388

00:50:13,910 --> 00:50:12,240

all right and i knew well this is the

1389

00:50:16,150 --> 00:50:13,920

biggest event yet

1390

00:50:18,470 --> 00:50:16,160

in the disclosure movement and what is

1391

00:50:20,150 --> 00:50:18,480

it that i knew

1392

00:50:23,670 --> 00:50:20,160

this is what i do

1393

00:50:27,670 --> 00:50:26,150

the disclosure movement which i and so

1394

00:50:29,589 --> 00:50:27,680

many other people have been involved in

1395

00:50:32,470 --> 00:50:29,599

for so many years

1396

00:50:34,069 --> 00:50:32,480

and tried to do what we could

1397

00:50:36,549 --> 00:50:34,079

at that moment

1398

00:50:39,589 --> 00:50:36,559

the disclosure movement the activist

1399

00:50:40,470 --> 00:50:39,599

movement to get the u.s president

1400

00:50:42,390 --> 00:50:40,480

to

1401

00:50:45,270 --> 00:50:42,400

end the truth embargo

1402

00:50:47,670 --> 00:50:45,280

which we always knew would be preceded

1403

00:50:49,990 --> 00:50:47,680

by congressional hearings the real deal

1404

00:50:53,270 --> 00:50:50,000

not some one day event like was built in

1405

00:50:57,589 --> 00:50:55,190

was now being led by the military

1406

00:51:00,230 --> 00:50:57,599

intelligence complex

1407

00:51:01,030 --> 00:51:00,240

right think about that okay

1408

00:51:03,190 --> 00:51:01,040

yeah

1409

00:51:05,109 --> 00:51:03,200

that's roughly the equivalent

1410

00:51:07,589 --> 00:51:05,119

of gandhi

1411

00:51:09,109 --> 00:51:07,599

seeing something in the news

1412

00:51:11,190 --> 00:51:09,119

back in uh

1413

00:51:13,589 --> 00:51:11,200

uh the uh

1414

00:51:15,030 --> 00:51:13,599

uh you know aft just after the war say

1415

00:51:17,589 --> 00:51:15,040

or even before the war but after world

1416

00:51:19,109 --> 00:51:17,599

war ii 1946 thing for

1417

00:51:21,270 --> 00:51:19,119

gandhi waking up one day and reading the

1418

00:51:23,589 --> 00:51:21,280

news and realizing that the the effort

1419

00:51:25,990 --> 00:51:23,599

the activists movement

1420

00:51:27,430 --> 00:51:26,000

to get the british to leave india was

1421

00:51:29,670 --> 00:51:27,440

being led

1422

00:51:32,309 --> 00:51:29,680

by the british empire right that they

1423

00:51:33,270 --> 00:51:32,319

were leaving it now okay the people that

1424

00:51:38,790 --> 00:51:33,280

were

1425

00:51:42,470 --> 00:51:38,800

now leading the movement to end their

1426

00:51:43,510 --> 00:51:42,480

occupation uh it was that huge

1427

00:51:45,589 --> 00:51:43,520

now

1428

00:51:48,150 --> 00:51:45,599

when i say was being led by the military

1429

00:51:49,990 --> 00:51:48,160

do i mean formally

1430

00:51:52,870 --> 00:51:50,000

do i mean that the secretary of defense

1431

00:51:55,589 --> 00:51:52,880

and the cia director and the head of

1432

00:51:57,349 --> 00:51:55,599

nsa and all the joint chiefs have gotten

1433

00:51:58,950 --> 00:51:57,359

together and decided it's time to end

1434

00:52:00,549 --> 00:51:58,960

the truth embargo so let's let's do

1435

00:52:03,430 --> 00:52:00,559

something about that

1436

00:52:05,190 --> 00:52:03,440

oh no that's not what i mean at all

1437

00:52:08,390 --> 00:52:05,200

what i mean is

1438

00:52:12,150 --> 00:52:08,400

is that individuals

1439

00:52:14,230 --> 00:52:12,160

within the military intelligence complex

1440

00:52:16,549 --> 00:52:14,240

privately

1441

00:52:19,349 --> 00:52:16,559

came to the realization that many many

1442

00:52:22,710 --> 00:52:19,359

others i assure you had come to

1443

00:52:24,710 --> 00:52:22,720

not simply in the in the in the in the

1444

00:52:26,630 --> 00:52:24,720

21st century but in the 20th century

1445

00:52:27,990 --> 00:52:26,640

going all the way back there have always

1446

00:52:30,630 --> 00:52:28,000

been people

1447

00:52:33,990 --> 00:52:30,640

uh within the military services within

1448

00:52:34,870 --> 00:52:34,000

the intelligence services who privately

1449

00:52:37,829 --> 00:52:34,880

felt

1450

00:52:40,390 --> 00:52:37,839

that this embargo should not continue

1451

00:52:41,829 --> 00:52:40,400

that the people should be told

1452

00:52:43,430 --> 00:52:41,839

but so what

1453

00:52:46,309 --> 00:52:43,440

right they can privately think whatever

1454

00:52:47,910 --> 00:52:46,319

they want sure acting as another matter

1455

00:52:49,510 --> 00:52:47,920

so

1456

00:52:50,870 --> 00:52:49,520

at this but what we discovered then is

1457

00:52:53,030 --> 00:52:50,880

these people would privately come to the

1458

00:52:54,950 --> 00:52:53,040

conclusion that the truth embargo needed

1459

00:52:57,430 --> 00:52:54,960

to end and that they were going to try

1460

00:53:00,230 --> 00:52:57,440

to do something about it

1461

00:53:02,549 --> 00:53:00,240

how many private individuals were

1462

00:53:05,190 --> 00:53:02,559

involved in this

1463

00:53:07,910 --> 00:53:05,200

process is not known in general the

1464

00:53:09,910 --> 00:53:07,920

origin story of the tsa is not known

1465

00:53:10,710 --> 00:53:09,920

we've gotten the odd statement here and

1466

00:53:13,109 --> 00:53:10,720

there

1467

00:53:14,710 --> 00:53:13,119

yeah you could allowing you to connect a

1468

00:53:15,750 --> 00:53:14,720

few dots but

1469

00:53:17,270 --> 00:53:15,760

the

1470

00:53:19,670 --> 00:53:17,280

origin story is not known eventually i

1471

00:53:21,270 --> 00:53:19,680

hope it will be completely revealed

1472

00:53:23,030 --> 00:53:21,280

history must know

1473

00:53:26,950 --> 00:53:23,040

how this happened

1474

00:53:28,790 --> 00:53:26,960

but yeah so was it 10 15 20 30 40 50.

1475

00:53:29,589 --> 00:53:28,800

how many people were chatting with each

1476

00:53:32,309 --> 00:53:29,599

other

1477

00:53:35,109 --> 00:53:32,319

uh over the lunch table uh at the

1478

00:53:36,710 --> 00:53:35,119

cafeteria at the pentagon the cia or

1479

00:53:38,309 --> 00:53:36,720

over at the air force of the navy

1480

00:53:40,150 --> 00:53:38,319

whatever pick an agency it doesn't

1481

00:53:43,670 --> 00:53:40,160

matter how many people

1482

00:53:45,910 --> 00:53:43,680

were talking to each other about

1483

00:53:48,470 --> 00:53:45,920

should we continue to keep

1484

00:53:50,790 --> 00:53:48,480

this from the american people don't know

1485

00:53:52,069 --> 00:53:50,800

but we do know this

1486

00:53:54,230 --> 00:53:52,079

ultimately

1487

00:53:55,270 --> 00:53:54,240

10 agreed

1488

00:53:57,670 --> 00:53:55,280

to be

1489

00:54:00,470 --> 00:53:57,680

part of an organization

1490

00:54:02,630 --> 00:54:00,480

that would be announced to the public

1491

00:54:05,030 --> 00:54:02,640

with an agenda

1492

00:54:07,190 --> 00:54:05,040

the mission statement

1493

00:54:08,829 --> 00:54:07,200

which was interesting

1494

00:54:11,589 --> 00:54:08,839

and uh

1495

00:54:13,670 --> 00:54:11,599

bold when i read it i'm going well this

1496

00:54:16,630 --> 00:54:13,680

is a mission statement this is not the

1497

00:54:18,309 --> 00:54:16,640

agenda yeah right it's okay

1498

00:54:20,150 --> 00:54:18,319

it may be that they will pursue these

1499

00:54:21,510 --> 00:54:20,160

things particularly if they raise a

1500

00:54:22,470 --> 00:54:21,520

great deal of money because they

1501  
00:54:24,150 --> 00:54:22,480  
announced that they were a public

1502  
00:54:25,349 --> 00:54:24,160  
benefit corporation that's fine

1503  
00:54:26,790 --> 00:54:25,359  
they could have raised a hundred million

1504  
00:54:28,390 --> 00:54:26,800  
dollars i mean things have gone

1505  
00:54:30,069 --> 00:54:28,400  
differently but

1506  
00:54:31,430 --> 00:54:30,079  
that was the mission statement wasn't

1507  
00:54:37,589 --> 00:54:31,440  
the agenda

1508  
00:54:38,789 --> 00:54:37,599  
truth embargo all right so

1509  
00:54:39,910 --> 00:54:38,799  
these

1510  
00:54:41,510 --> 00:54:39,920  
10 people

1511  
00:54:43,030 --> 00:54:41,520  
are the ones that agreed that they would

1512  
00:54:44,630 --> 00:54:43,040  
publicly

1513  
00:54:47,190 --> 00:54:44,640

come forward as part of that

1514

00:54:50,829 --> 00:54:47,200

organization

1515

00:54:53,750 --> 00:54:50,839

and that took a lot of guts a lot of

1516

00:54:55,349 --> 00:54:53,760

courage most people have no idea

1517

00:54:56,470 --> 00:54:55,359

what it meant for these people to do

1518

00:54:58,470 --> 00:54:56,480

this

1519

00:55:00,069 --> 00:54:58,480

and the critics and the debunkers and

1520

00:55:01,670 --> 00:55:00,079

the skeptics and everybody else that are

1521

00:55:03,190 --> 00:55:01,680

having their fun with this because they

1522

00:55:04,870 --> 00:55:03,200

have a right to

1523

00:55:07,190 --> 00:55:04,880

uh i don't think i've spent enough time

1524

00:55:08,549 --> 00:55:07,200

reflecting on that but

1525

00:55:10,950 --> 00:55:08,559

so there they were

1526

00:55:13,270 --> 00:55:10,960

and we knew who they were

1527

00:55:14,710 --> 00:55:13,280

and i'm going okay

1528

00:55:16,630 --> 00:55:14,720

uh this

1529

00:55:18,230 --> 00:55:16,640

so so now i'm saying okay this is a

1530

00:55:20,630 --> 00:55:18,240

major event so now i'm waiting for a

1531

00:55:22,230 --> 00:55:20,640

couple of things one i'm waiting for the

1532

00:55:23,589 --> 00:55:22,240

reaction from the military intelligence

1533

00:55:25,349 --> 00:55:23,599

complex

1534

00:55:26,150 --> 00:55:25,359

because i knew

1535

00:55:28,950 --> 00:55:26,160

that

1536

00:55:31,109 --> 00:55:28,960

if the military intelligence complex

1537

00:55:33,190 --> 00:55:31,119

wanted to shut this down they probably

1538

00:55:35,670 --> 00:55:33,200

almost certainly could

1539

00:55:37,670 --> 00:55:35,680

but it would have to move fast okay so

1540

00:55:38,549 --> 00:55:37,680

i'm waiting for that reaction

1541

00:55:40,549 --> 00:55:38,559

right

1542

00:55:42,390 --> 00:55:40,559

and then secondly i'm waiting for their

1543

00:55:44,150 --> 00:55:42,400

first move

1544

00:55:45,589 --> 00:55:44,160

i mean they put up a website they put up

1545

00:55:46,789 --> 00:55:45,599

a video they announced that they're

1546

00:55:48,309 --> 00:55:46,799

going to try to raise some money as a

1547

00:55:50,390 --> 00:55:48,319

public benefit corporation that's all

1548

00:55:51,910 --> 00:55:50,400

fine but that's not the move that i'm

1549

00:55:54,630 --> 00:55:51,920

looking for what is going to be their

1550

00:55:56,870 --> 00:55:54,640

first move

1551  
00:56:00,789 --> 00:55:56,880  
to pursue the agenda that i was quite

1552  
00:56:03,190 --> 00:56:00,799  
sure that they were was on their plate

1553  
00:56:05,670 --> 00:56:03,200  
and how long would it take

1554  
00:56:08,230 --> 00:56:05,680  
now i was watching this from the uk

1555  
00:56:09,910 --> 00:56:08,240  
tragically

1556  
00:56:11,430 --> 00:56:09,920  
after the election

1557  
00:56:12,870 --> 00:56:11,440  
right i was in a witness witness

1558  
00:56:15,589 --> 00:56:12,880  
protection program

1559  
00:56:17,750 --> 00:56:15,599  
so nobody could find it and so uh uh the

1560  
00:56:18,950 --> 00:56:17,760  
point is is that i'm so and so when this

1561  
00:56:21,109 --> 00:56:18,960  
breaks

1562  
00:56:23,510 --> 00:56:21,119  
i'm not around

1563  
00:56:25,109 --> 00:56:23,520

and so i sat in the uk watching one of

1564

00:56:26,230 --> 00:56:25,119

my colleagues after another being

1565

00:56:27,910 --> 00:56:26,240

interviewed

1566

00:56:28,829 --> 00:56:27,920

about what the hell was going on i never

1567

00:56:31,750 --> 00:56:28,839

got a

1568

00:56:33,349 --> 00:56:31,760

call and i really had been out of game

1569

00:56:35,670 --> 00:56:33,359

for a while and i simply literally

1570

00:56:36,630 --> 00:56:35,680

wasn't i was just not a player are you

1571

00:56:38,870 --> 00:56:36,640

able to

1572

00:56:40,630 --> 00:56:38,880

i mean sorry to interrupt that's blowing

1573

00:56:41,829 --> 00:56:40,640

my mind you're in witness protection in

1574

00:56:42,950 --> 00:56:41,839

the uk

1575

00:56:45,750 --> 00:56:42,960

yeah

1576

00:56:49,990 --> 00:56:45,760

can i no no that that's that's a joke

1577

00:56:51,670 --> 00:56:50,000

vinny okay okay i i know i i just

1578

00:56:53,030 --> 00:56:51,680

yeah that's a joke most people that know

1579

00:56:54,789 --> 00:56:53,040

me knew that was a joke but i guess i

1580

00:56:57,990 --> 00:56:54,799

need to clarify that don't that's okay

1581

00:56:59,750 --> 00:56:58,000

because i did i didn't know and i it

1582

00:57:01,270 --> 00:56:59,760

kind of took a few seconds for me to go

1583

00:57:03,030 --> 00:57:01,280

hang on a minute hang on a minute i

1584

00:57:05,030 --> 00:57:03,040

can't let that slide

1585

00:57:05,990 --> 00:57:05,040

here is another analogy that's better

1586

00:57:15,109 --> 00:57:06,000

okay

1587

00:57:18,309 --> 00:57:15,119

you are at the most important soccer

1588

00:57:21,430 --> 00:57:18,319

game in the history of the friggin uk

1589

00:57:23,670 --> 00:57:21,440

soccer world okay you are at the field

1590

00:57:24,630 --> 00:57:23,680

and the game is tied

1591

00:57:28,470 --> 00:57:24,640

right

1592

00:57:30,230 --> 00:57:28,480

okay it's in the last six minutes

1593

00:57:33,349 --> 00:57:30,240

and you have to go to the bathroom so

1594

00:57:34,309 --> 00:57:33,359

bad you can't stand it

1595

00:57:38,870 --> 00:57:34,319

rush

1596

00:57:40,390 --> 00:57:38,880

you're in there you're going as fast as

1597

00:57:42,390 --> 00:57:40,400

you can and when you come back you

1598

00:57:43,829 --> 00:57:42,400

discover that the winning goal has been

1599

00:57:46,069 --> 00:57:43,839

made

1600

00:57:48,870 --> 00:57:46,079

and that's it you weren't there you

1601  
00:57:50,390 --> 00:57:48,880  
missed it that's the way it was i was i

1602  
00:57:53,109 --> 00:57:50,400  
was in the bathroom when that when the

1603  
00:57:55,589 --> 00:57:53,119  
winning goal was was was played and so

1604  
00:57:57,829 --> 00:57:55,599  
uh i didn't and i and that was in uh

1605  
00:57:59,829 --> 00:57:57,839  
that was in uh october i didn't get back

1606  
00:58:02,630 --> 00:57:59,839  
and i i finally got back to the us but

1607  
00:58:05,430 --> 00:58:02,640  
it wasn't until february of 2018

1608  
00:58:06,630 --> 00:58:05,440  
and by then i i i've been clawing my

1609  
00:58:09,910 --> 00:58:06,640  
way back

1610  
00:58:11,910 --> 00:58:09,920  
into the game since the point is is that

1611  
00:58:15,670 --> 00:58:11,920  
they did not disappoint

1612  
00:58:19,190 --> 00:58:17,670  
all they did was

1613  
00:58:21,349 --> 00:58:19,200

uh

1614

00:58:23,270 --> 00:58:21,359

get in touch with the new york times

1615

00:58:25,030 --> 00:58:23,280

exactly how they went down that went

1616

00:58:26,230 --> 00:58:25,040

down not clear but we were learning a

1617

00:58:27,829 --> 00:58:26,240

little bit about it leslie kane

1618

00:58:29,750 --> 00:58:27,839

apparently was important here might have

1619

00:58:31,829 --> 00:58:29,760

been in the principal contact i don't

1620

00:58:33,829 --> 00:58:31,839

know but one way or another

1621

00:58:34,950 --> 00:58:33,839

what they wanted to do gets presented in

1622

00:58:39,750 --> 00:58:34,960

the new york times

1623

00:58:42,230 --> 00:58:39,760

this is a pretty interesting story uh

1624

00:58:44,789 --> 00:58:42,240

and and and and uh launched into it and

1625

00:58:47,030 --> 00:58:44,799

vetted it and and published the articles

1626

00:58:49,190 --> 00:58:47,040

um december 16th

1627

00:58:51,349 --> 00:58:49,200

and what they published

1628

00:58:53,109 --> 00:58:51,359

what went up that day

1629

00:58:55,030 --> 00:58:53,119

not just in the print but more

1630

00:58:56,390 --> 00:58:55,040

importantly on the internet because

1631

00:58:58,309 --> 00:58:56,400

remember the internet is now a major

1632

00:58:59,190 --> 00:58:58,319

player yeah

1633

00:59:00,309 --> 00:58:59,200

that

1634

00:59:02,230 --> 00:59:00,319

could be

1635

00:59:05,990 --> 00:59:02,240

the second milestone in other words you

1636

00:59:10,230 --> 00:59:08,230

another major milestone perhaps the most

1637

00:59:11,670 --> 00:59:10,240

important but then just two months later

1638

00:59:12,950 --> 00:59:11,680

another milestone

1639

00:59:14,230 --> 00:59:12,960

that the new york times because the new

1640

00:59:16,470 --> 00:59:14,240

york times could have could have

1641

00:59:18,390 --> 00:59:16,480

continued to say yeah yeah look it's

1642

00:59:19,910 --> 00:59:18,400

your it's impressive

1643

00:59:21,589 --> 00:59:19,920

and you know we know there's an e.t

1644

00:59:23,589 --> 00:59:21,599

presence but you know we just don't want

1645

00:59:25,109 --> 00:59:23,599

to go there i i can't tell you what

1646

00:59:26,549 --> 00:59:25,119

whatever the hell no no no they

1647

00:59:27,990 --> 00:59:26,559

published these articles

1648

00:59:30,470 --> 00:59:28,000

which included

1649

00:59:31,750 --> 00:59:30,480

right amongst other things

1650

00:59:34,150 --> 00:59:31,760

the first

1651

00:59:36,390 --> 00:59:34,160

pieces of gun camera footage on uap

1652

00:59:38,789 --> 00:59:36,400

intercepts ever released by the united

1653

00:59:40,230 --> 00:59:38,799

states government or any government

1654

00:59:43,349 --> 00:59:40,240

anywhere

1655

00:59:45,430 --> 00:59:43,359

there was a leak of the nimitz thing

1656

00:59:47,670 --> 00:59:45,440

that got out to some french documentary

1657

00:59:48,789 --> 00:59:47,680

team or something years back but it it

1658

00:59:50,069 --> 00:59:48,799

and how that happened we don't even know

1659

00:59:53,510 --> 00:59:50,079

but it wasn't official and it just came

1660

00:59:55,589 --> 00:59:53,520

and went it was gone this was official

1661

00:59:57,510 --> 00:59:55,599

and then that footage went up on the

1662

00:59:58,950 --> 00:59:57,520

internet and has now been seen by how

1663

01:00:01,829 --> 00:59:58,960

many hundreds of millions of people i

1664

01:00:04,309 --> 01:00:01,839

can't imagine yeah that

1665

01:00:06,870 --> 01:00:04,319

is a milestone all right so that is what

1666

01:00:10,870 --> 01:00:06,880

took place december 16th

1667

01:00:11,990 --> 01:00:10,880

and when i saw that i'm going okay

1668

01:00:15,430 --> 01:00:12,000

uh

1669

01:00:18,230 --> 01:00:15,440

we are we have crossed the rubicon

1670

01:00:20,069 --> 01:00:18,240

we are in we have brought the movement

1671

01:00:22,150 --> 01:00:20,079

into the city

1672

01:00:25,510 --> 01:00:22,160

we are not going to go back there's not

1673

01:00:28,390 --> 01:00:25,520

going to be a a a a um

1674

01:00:29,430 --> 01:00:28,400

another 1969

1675

01:00:31,349 --> 01:00:29,440

you're not going to be able to close

1676

01:00:33,349 --> 01:00:31,359

this down shut this down back this up

1677

01:00:34,549 --> 01:00:33,359

this is it we are now going towards

1678

01:00:36,630 --> 01:00:34,559

disclosure

1679

01:00:39,430 --> 01:00:36,640

on a straight line the only reason is

1680

01:00:41,030 --> 01:00:39,440

how fast is are we going to go

1681

01:00:42,470 --> 01:00:41,040

and at that point

1682

01:00:43,510 --> 01:00:42,480

i realized that

1683

01:00:45,990 --> 01:00:43,520

well

1684

01:00:49,829 --> 01:00:46,000

the the number one

1685

01:00:52,150 --> 01:00:49,839

factor in how fast this would unfold

1686

01:00:53,750 --> 01:00:52,160

would be the political circumstances in

1687

01:00:55,750 --> 01:00:53,760

the united states

1688

01:00:57,270 --> 01:00:55,760

by and large not not elsewhere but in

1689

01:00:59,829 --> 01:00:57,280

the united states

1690

01:01:01,910 --> 01:00:59,839

what is the political circumstances here

1691

01:01:03,829 --> 01:01:01,920

i mean that's where we find ourselves in

1692

01:01:05,589 --> 01:01:03,839

today with everything that's happened in

1693

01:01:08,150 --> 01:01:05,599

the last week or two with the

1694

01:01:10,950 --> 01:01:08,160

authorization act for fiscal year 2022

1695

01:01:13,349 --> 01:01:10,960

and the house and the select um i think

1696

01:01:15,190 --> 01:01:13,359

it's the select proposals where they're

1697

01:01:17,670 --> 01:01:15,200

talking about putting in this permanent

1698

01:01:20,950 --> 01:01:17,680

ufo or uap office

1699

01:01:22,309 --> 01:01:20,960

to replace this temporary uap task force

1700

01:01:24,549 --> 01:01:22,319

is that something you think is going to

1701  
01:01:26,549 --> 01:01:24,559  
get voted in are you you know where's

1702  
01:01:29,510 --> 01:01:26,559  
your confidence lie well you jumped

1703  
01:01:33,270 --> 01:01:31,270  
but now you have to understand

1704  
01:01:34,870 --> 01:01:33,280  
a tremendous amount has happened since

1705  
01:01:37,109 --> 01:01:34,880  
2017.

1706  
01:01:38,710 --> 01:01:37,119  
all right absolutely yeah yeah what

1707  
01:01:40,150 --> 01:01:38,720  
happened between the time they launched

1708  
01:01:42,150 --> 01:01:40,160  
and what's going on right now believe me

1709  
01:01:43,670 --> 01:01:42,160  
a tremendous amount has happened

1710  
01:01:46,789 --> 01:01:43,680  
i think in the public eye though i think

1711  
01:01:47,910 --> 01:01:46,799  
we saw the tsa thing happen with a few

1712  
01:01:50,069 --> 01:01:47,920  
promises

1713  
01:01:51,829 --> 01:01:50,079

of the future ramping up

1714

01:01:53,750 --> 01:01:51,839

but then a little bit of a stagnant

1715

01:01:55,190 --> 01:01:53,760

period for a couple of years but that

1716

01:01:56,789 --> 01:01:55,200

was the point i'm trying to make vinnie

1717

01:01:59,589 --> 01:01:56,799

right i knew from the point that those

1718

01:02:01,349 --> 01:01:59,599

articles landed that how fast things

1719

01:02:03,670 --> 01:02:01,359

were going to unfold depended on the

1720

01:02:05,750 --> 01:02:03,680

political circumstances in the united

1721

01:02:09,990 --> 01:02:05,760

states

1722

01:02:10,000 --> 01:02:13,670

it depended upon how

1723

01:02:19,670 --> 01:02:16,710

the new administration

1724

01:02:20,549 --> 01:02:19,680

was going to conduct itself

1725

01:02:22,150 --> 01:02:20,559

all right

1726

01:02:23,910 --> 01:02:22,160

that makes sense

1727

01:02:25,829 --> 01:02:23,920

in other words how

1728

01:02:28,230 --> 01:02:25,839

the executive branch of the united

1729

01:02:31,670 --> 01:02:28,240

states conducts itself i assure you has

1730

01:02:33,510 --> 01:02:31,680

a huge impact on what is going to happen

1731

01:02:34,870 --> 01:02:33,520

in this country

1732

01:02:37,430 --> 01:02:34,880

right what's possible what's not

1733

01:02:39,109 --> 01:02:37,440

possible the pace of things and so forth

1734

01:02:41,349 --> 01:02:39,119

and this is true

1735

01:02:43,589 --> 01:02:41,359

of nations around the world

1736

01:02:46,789 --> 01:02:43,599

and it's true going back in history

1737

01:02:49,349 --> 01:02:46,799

you can see examples of it all the time

1738

01:02:50,870 --> 01:02:49,359

uh there is something happening in a

1739

01:02:53,510 --> 01:02:50,880

country

1740

01:02:55,670 --> 01:02:53,520

a quote executive branch

1741

01:02:57,670 --> 01:02:55,680

ruling branch

1742

01:02:59,510 --> 01:02:57,680

whom to whatever the hell right whatever

1743

01:03:01,349 --> 01:02:59,520

is is controlling governing that kind of

1744

01:03:03,109 --> 01:03:01,359

defiant country is in a certain

1745

01:03:04,870 --> 01:03:03,119

situation

1746

01:03:07,270 --> 01:03:04,880

and that impacts

1747

01:03:09,190 --> 01:03:07,280

that development yeah can impact it

1748

01:03:11,029 --> 01:03:09,200

profoundly

1749

01:03:13,910 --> 01:03:11,039

there have been circumstances in the

1750

01:03:16,390 --> 01:03:13,920

world and in history when a significant

1751

01:03:18,390 --> 01:03:16,400

activist movement got underway and the

1752

01:03:20,710 --> 01:03:18,400

circumstances within

1753

01:03:21,990 --> 01:03:20,720

the ruling authority of the country were

1754

01:03:23,829 --> 01:03:22,000

such that

1755

01:03:28,549 --> 01:03:23,839

all of the activists were taken out in

1756

01:03:30,789 --> 01:03:28,559

the forest and buried in a mass grave

1757

01:03:32,950 --> 01:03:30,799

which slowed down the process quite a

1758

01:03:36,069 --> 01:03:32,960

bit right there's plenty of examples of

1759

01:03:38,710 --> 01:03:36,079

this and we are no different

1760

01:03:41,910 --> 01:03:38,720

what are the circumstances in the united

1761

01:03:44,390 --> 01:03:41,920

states in terms of the ruling authority

1762

01:03:45,349 --> 01:03:44,400

and the circumstances were

1763

01:03:48,870 --> 01:03:45,359

that

1764

01:03:49,670 --> 01:03:48,880

we were going through a

1765

01:03:56,870 --> 01:03:49,680

a

1766

01:03:59,430 --> 01:03:56,880

since the founding of the government

1767

01:04:01,750 --> 01:03:59,440

now admittedly

1768

01:04:03,750 --> 01:04:01,760

there there were some pretty wild times

1769

01:04:04,870 --> 01:04:03,760

in the early days

1770

01:04:08,309 --> 01:04:04,880

of

1771

01:04:11,589 --> 01:04:08,319

the american constitutional republic

1772

01:04:14,230 --> 01:04:11,599

not so much the 1700s uh though it was

1773

01:04:15,670 --> 01:04:14,240

pretty tense back then but in the 1800s

1774

01:04:16,470 --> 01:04:15,680

there was a couple of periods there were

1775

01:04:21,349 --> 01:04:16,480

pretty

1776

01:04:23,190 --> 01:04:21,359

and it's hard to assess them

1777

01:04:24,630 --> 01:04:23,200

from the future

1778

01:04:27,270 --> 01:04:24,640

there's plenty of

1779

01:04:30,390 --> 01:04:27,280

history of the american

1780

01:04:32,549 --> 01:04:30,400

uh government is pretty well documented

1781

01:04:34,309 --> 01:04:32,559

as you know but unless you were there

1782

01:04:35,990 --> 01:04:34,319

it's hard to really know how crazy it

1783

01:04:37,750 --> 01:04:36,000

was but but

1784

01:04:39,589 --> 01:04:37,760

we have a sense

1785

01:04:42,230 --> 01:04:39,599

my feeling is that what we've just gone

1786

01:04:43,750 --> 01:04:42,240

through over the last

1787

01:04:44,950 --> 01:04:43,760

five years

1788

01:04:46,870 --> 01:04:44,960

we've never seen anything like it the

1789

01:04:48,710 --> 01:04:46,880

history of the country

1790

01:04:50,789 --> 01:04:48,720

uh it is

1791

01:04:52,069 --> 01:04:50,799

bizarre

1792

01:04:53,670 --> 01:04:52,079

green

1793

01:04:55,349 --> 01:04:53,680

disruptive

1794

01:04:58,950 --> 01:04:55,359

chaotic

1795

01:05:02,870 --> 01:05:01,270

boy i can think of other adjectives that

1796

01:05:05,750 --> 01:05:02,880

just

1797

01:05:07,510 --> 01:05:05,760

but the way i sum all that up

1798

01:05:10,069 --> 01:05:07,520

is that what

1799

01:05:13,029 --> 01:05:10,079

ensued

1800

01:05:14,309 --> 01:05:13,039

it had been building up offshore

1801

01:05:15,990 --> 01:05:14,319

for some time

1802

01:05:18,150 --> 01:05:16,000

out in the atlantic all right as a

1803

01:05:20,470 --> 01:05:18,160

tropical storm right and we've been

1804

01:05:22,390 --> 01:05:20,480

tracking it kind of for

1805

01:05:23,670 --> 01:05:22,400

really about

1806

01:05:25,270 --> 01:05:23,680

um

1807

01:05:27,510 --> 01:05:25,280

maybe 10 years

1808

01:05:32,630 --> 01:05:27,520

uh maybe a little bit longer

1809

01:05:35,270 --> 01:05:33,589

and

1810

01:05:36,870 --> 01:05:35,280

it finally made

1811

01:05:38,069 --> 01:05:36,880

landfall

1812

01:05:39,320 --> 01:05:38,079

uh

1813

01:05:40,630 --> 01:05:39,330

on in november

1814

01:05:43,190 --> 01:05:40,640

[Music]

1815

01:05:46,870 --> 01:05:43,200

of 2016

1816

01:05:48,309 --> 01:05:46,880

as a category four hurricane

1817

01:05:53,910 --> 01:05:48,319

and

1818

01:05:56,870 --> 01:05:53,920

uh

1819

01:05:58,390 --> 01:05:56,880

obviously it's a lot harder to do things

1820

01:06:01,430 --> 01:05:58,400

in the middle of a category three

1821

01:06:03,270 --> 01:06:01,440

hurricane okay it's like you know it's

1822

01:06:05,270 --> 01:06:03,280

like you're working on renovating your

1823

01:06:07,029 --> 01:06:05,280

house and and uh you're making some

1824

01:06:09,190 --> 01:06:07,039

progress and you're on the back porch

1825

01:06:10,309 --> 01:06:09,200

and a category three hurricane comes in

1826

01:06:13,510 --> 01:06:10,319

and you're thinking

1827

01:06:15,349 --> 01:06:13,520

i probably need to suspend uh pro

1828

01:06:17,510 --> 01:06:15,359

working on the back porch because the

1829

01:06:20,150 --> 01:06:17,520

whole goddamn back porch is

1830

01:06:21,430 --> 01:06:20,160

starting to blow away and so

1831

01:06:23,670 --> 01:06:21,440

it hits

1832

01:06:25,670 --> 01:06:23,680

and everybody

1833

01:06:26,950 --> 01:06:25,680

has to make a decision

1834

01:06:28,549 --> 01:06:26,960

what are we gonna now we just and i love

1835

01:06:30,390 --> 01:06:28,559

this analogy this first time i've used

1836

01:06:32,870 --> 01:06:30,400

this what are you gonna do whatever

1837

01:06:35,029 --> 01:06:32,880

you're doing your job your whatever what

1838

01:06:36,950 --> 01:06:35,039

are you gonna do right it's a category

1839

01:06:39,029 --> 01:06:36,960

three do you bunker down you go in the

1840

01:06:41,510 --> 01:06:39,039

basement do you leave the area what the

1841

01:06:43,430 --> 01:06:41,520

hell do you do

1842

01:06:46,950 --> 01:06:43,440

and the the to the stars academy made

1843

01:06:48,069 --> 01:06:46,960

the decision after assessing situation

1844

01:06:52,630 --> 01:06:48,079

that

1845

01:06:55,990 --> 01:06:52,640

maybe it's because the eye of the storm

1846

01:06:57,829 --> 01:06:56,000

passed over washington around around uh

1847

01:06:59,670 --> 01:06:57,839

october of two thousand i don't know and

1848

01:07:02,069 --> 01:06:59,680

so they launched into the hurricane in

1849

01:07:04,069 --> 01:07:02,079

2017

1850

01:07:06,309 --> 01:07:04,079

and what happened next is the hurricane

1851  
01:07:08,230 --> 01:07:06,319  
went from a category three to a category

1852  
01:07:10,630 --> 01:07:08,240  
four

1853  
01:07:13,510 --> 01:07:10,640  
and that is what

1854  
01:07:16,309 --> 01:07:13,520  
has affected the pace of things

1855  
01:07:19,029 --> 01:07:16,319  
right right and so

1856  
01:07:21,589 --> 01:07:19,039  
what they were able to do

1857  
01:07:27,349 --> 01:07:21,599  
over those next three years

1858  
01:07:29,670 --> 01:07:27,359  
2018 2019 2020 going into november 2020

1859  
01:07:32,150 --> 01:07:29,680  
is to operate

1860  
01:07:33,430 --> 01:07:32,160  
from the basement while the storm raged

1861  
01:07:36,230 --> 01:07:33,440  
overhead and what do i mean by the

1862  
01:07:37,190 --> 01:07:36,240  
basement behind the scenes

1863  
01:07:39,270 --> 01:07:37,200

right

1864

01:07:41,430 --> 01:07:39,280

so you could put together a

1865

01:07:43,270 --> 01:07:41,440

a you put together a series on the

1866

01:07:45,029 --> 01:07:43,280

history channel

1867

01:07:47,029 --> 01:07:45,039

that can all be filmed indoors you're

1868

01:07:48,470 --> 01:07:47,039

not really much affected by the politics

1869

01:07:50,150 --> 01:07:48,480

you put it all together you get it up on

1870

01:07:52,069 --> 01:07:50,160

the history channel and you show what

1871

01:07:54,630 --> 01:07:52,079

you're doing that's kind of cool

1872

01:07:56,710 --> 01:07:54,640

right they did that

1873

01:07:58,470 --> 01:07:56,720

they started vetting witnesses

1874

01:08:00,630 --> 01:07:58,480

which you can kind of do privately no

1875

01:08:02,789 --> 01:08:00,640

problem nobody has to know talking with

1876

01:08:04,150 --> 01:08:02,799

this former pilot and that former

1877

01:08:05,910 --> 01:08:04,160

corpsman and whatever the hell you're

1878

01:08:07,349 --> 01:08:05,920

betting witnesses

1879

01:08:09,190 --> 01:08:07,359

they went up on the hill and started

1880

01:08:10,950 --> 01:08:09,200

privately briefing members of congress

1881

01:08:14,150 --> 01:08:10,960

committee chairs

1882

01:08:16,229 --> 01:08:14,160

privately right underneath a sense the

1883

01:08:18,870 --> 01:08:16,239

overall storm

1884

01:08:21,269 --> 01:08:18,880

they were doing things behind the scenes

1885

01:08:24,070 --> 01:08:21,279

while the storm raged

1886

01:08:25,910 --> 01:08:24,080

and the question is would the storm pass

1887

01:08:27,269 --> 01:08:25,920

well

1888

01:08:30,149 --> 01:08:27,279

theoretically

1889

01:08:33,189 --> 01:08:30,159

it looked like the storm was passing as

1890

01:08:33,990 --> 01:08:33,199

we ended 2020

1891

01:08:36,870 --> 01:08:34,000

yeah

1892

01:08:41,189 --> 01:08:36,880

and there had been some developments uh

1893

01:08:43,269 --> 01:08:41,199

in 2020 that were non-trivial

1894

01:08:44,550 --> 01:08:43,279

uh

1895

01:08:47,110 --> 01:08:44,560

i'm sorry

1896

01:08:48,870 --> 01:08:47,120

let me take that back

1897

01:08:52,390 --> 01:08:48,880

the storm

1898

01:08:54,149 --> 01:08:52,400

looks like it's passing in 2020. in the

1899

01:08:56,789 --> 01:08:54,159

end of 2020.

1900

01:09:00,229 --> 01:08:56,799

and we entered 2021

1901

01:09:02,309 --> 01:09:00,239

and optimism was high

1902

01:09:05,030 --> 01:09:02,319

i was making strong statements i kind of

1903

01:09:06,709 --> 01:09:05,040

knew what was coming

1904

01:09:10,309 --> 01:09:06,719

and then

1905

01:09:11,430 --> 01:09:10,319

the damn storm returned it was like

1906

01:09:13,510 --> 01:09:11,440

it's i was beginning to feel like

1907

01:09:15,189 --> 01:09:13,520

louisiana you know looking at it

1908

01:09:16,789 --> 01:09:15,199

you talk to somebody in louisiana new

1909

01:09:17,910 --> 01:09:16,799

orleans you say hey

1910

01:09:19,910 --> 01:09:17,920

well

1911

01:09:21,910 --> 01:09:19,920

you know what what what

1912

01:09:24,149 --> 01:09:21,920

i understand you've had this you know if

1913

01:09:26,950 --> 01:09:24,159

a hurricane comes in and and does all

1914

01:09:31,510 --> 01:09:26,960

this stuff what what what is that

1915

01:09:35,110 --> 01:09:33,590

that's tuesday might be sunday it

1916

01:09:37,349 --> 01:09:35,120

doesn't matter they get hit by a

1917

01:09:39,110 --> 01:09:37,359

hurricane about every three weeks and so

1918

01:09:40,550 --> 01:09:39,120

and there have been a couple of cases

1919

01:09:42,550 --> 01:09:40,560

where hurricane

1920

01:09:44,149 --> 01:09:42,560

actually have hit and made land gone

1921

01:09:46,870 --> 01:09:44,159

back offshore come back and made land

1922

01:09:50,630 --> 01:09:46,880

again so essentially

1923

01:09:52,550 --> 01:09:50,640

things have not gone quite as we thought

1924

01:09:55,510 --> 01:09:52,560

again history

1925

01:09:57,110 --> 01:09:55,520

is the bane of an activist

1926

01:09:58,790 --> 01:09:57,120

and so

1927

01:10:02,310 --> 01:09:58,800

as we enter

1928

01:10:06,550 --> 01:10:04,310

uh as we

1929

01:10:07,510 --> 01:10:06,560

let me see if i get this right now i get

1930

01:10:11,510 --> 01:10:07,520

this right

1931

01:10:16,709 --> 01:10:14,070

there were developments going on in 20

1932

01:10:18,390 --> 01:10:16,719

night as we entered 2020

1933

01:10:22,070 --> 01:10:18,400

that were significant

1934

01:10:24,470 --> 01:10:22,080

without question and i anticipated a a

1935

01:10:25,990 --> 01:10:24,480

rapid pace

1936

01:10:27,590 --> 01:10:26,000

and then the worst pandemic since the

1937

01:10:28,790 --> 01:10:27,600

black plague turned up

1938

01:10:29,669 --> 01:10:28,800

okay

1939

01:10:30,950 --> 01:10:29,679

um

1940

01:10:32,550 --> 01:10:30,960

and i say

1941

01:10:34,950 --> 01:10:32,560

you know it might even be worse than the

1942

01:10:37,350 --> 01:10:34,960

1918-1919

1943

01:10:39,590 --> 01:10:37,360

uh because of the the larger population

1944

01:10:41,510 --> 01:10:39,600

now and the globality of its spread and

1945

01:10:43,390 --> 01:10:41,520

how long it's going to last so it may

1946

01:10:47,030 --> 01:10:43,400

end up surpassing

1947

01:10:48,229 --> 01:10:47,040

1918-19 which is a formidable milestone

1948

01:10:49,910 --> 01:10:48,239

uh

1949

01:10:51,510 --> 01:10:49,920

it may not catch up with the black

1950

01:10:52,229 --> 01:10:51,520

plague of

1951

01:10:54,550 --> 01:10:52,239

the

1952

01:10:56,870 --> 01:10:54,560

11th century but uh

1953

01:10:58,390 --> 01:10:56,880

let's face it medical if we had the same

1954

01:11:00,709 --> 01:10:58,400

medical

1955

01:11:02,470 --> 01:11:00,719

understandings and science that we have

1956

01:11:04,790 --> 01:11:02,480

that we had in the 11th century that we

1957

01:11:06,630 --> 01:11:04,800

have now i guarantee this play would

1958

01:11:09,189 --> 01:11:06,640

have would would have crushed the

1959

01:11:12,229 --> 01:11:09,199

big one right the divine black plague uh

1960

01:11:14,390 --> 01:11:12,239

but fortunately we have we have tossed

1961

01:11:15,990 --> 01:11:14,400

all of the massive technology we have at

1962

01:11:18,390 --> 01:11:16,000

this thing right i mean everything we

1963

01:11:20,870 --> 01:11:18,400

could possibly do and we're sorta

1964

01:11:22,790 --> 01:11:20,880

containing it but if this if we had the

1965

01:11:24,630 --> 01:11:22,800

same technology we had them this this

1966

01:11:27,270 --> 01:11:24,640

this this pandemic would probably have

1967

01:11:28,470 --> 01:11:27,280

killed a billion people god but it's not

1968

01:11:32,229 --> 01:11:28,480

going to it's probably going to end up

1969

01:11:34,149 --> 01:11:32,239

killing around 10 to 11 million so um

1970

01:11:35,990 --> 01:11:34,159

but still

1971

01:11:37,830 --> 01:11:36,000

so that showed up

1972

01:11:39,590 --> 01:11:37,840

and of course

1973

01:11:41,030 --> 01:11:39,600

as an activist

1974

01:11:43,669 --> 01:11:41,040

you know

1975

01:11:45,110 --> 01:11:43,679

it's one thing when a pl when a plague

1976

01:11:47,830 --> 01:11:45,120

a pandemic shows up and you're a

1977

01:11:49,270 --> 01:11:47,840

billionaire or 100 wait

1978

01:11:52,070 --> 01:11:49,280

you just head on out

1979

01:11:55,189 --> 01:11:52,080

to your your island home now the one in

1980

01:11:56,310 --> 01:11:55,199

the south pacific right spend some time

1981

01:11:58,790 --> 01:11:56,320

on the yacht

1982

01:12:00,630 --> 01:11:58,800

make sure everybody is uh back whatever

1983

01:12:02,229 --> 01:12:00,640

but if you're a poor activist and

1984

01:12:03,270 --> 01:12:02,239

something like that comes

1985

01:12:04,470 --> 01:12:03,280

uh

1986

01:12:10,470 --> 01:12:04,480

it's

1987

01:12:11,910 --> 01:12:10,480

louisiana who wakes up wednesday morning

1988

01:12:13,270 --> 01:12:11,920

and goes and finds that their house has

1989

01:12:16,149 --> 01:12:13,280

been gone it's gone and not there

1990

01:12:17,990 --> 01:12:16,159

anymore right there's no house

1991

01:12:20,149 --> 01:12:18,000

we're gonna have to build another one

1992

01:12:22,709 --> 01:12:20,159

and just like that louisiana you know

1993

01:12:25,270 --> 01:12:22,719

what a activist does they build a house

1994

01:12:27,189 --> 01:12:25,280

in exactly the same place right they

1995

01:12:28,790 --> 01:12:27,199

they put it back up in exactly the same

1996

01:12:30,950 --> 01:12:28,800

place so the next hurricane could take

1997

01:12:31,830 --> 01:12:30,960

it down because we don't have my option

1998

01:12:33,350 --> 01:12:31,840

and so

1999

01:12:36,950 --> 01:12:33,360

uh

2000

01:12:39,350 --> 01:12:36,960

that the the pandemic shows up

2001

01:12:42,470 --> 01:12:39,360

and then the political situation

2002

01:12:45,590 --> 01:12:42,480

continues to develop

2003

01:12:49,189 --> 01:12:45,600

we have an armed semi-armed insurrect

2004

01:12:51,350 --> 01:12:49,199

again i'm going come on man

2005

01:12:53,430 --> 01:12:51,360

okay i mean come on

2006

01:12:54,229 --> 01:12:53,440

i mean look how hard does this have to

2007

01:12:58,390 --> 01:12:54,239

be

2008

01:13:00,950 --> 01:12:58,400

biblical jobian thing i mean why can't

2009

01:13:02,470 --> 01:13:00,960

we just get it done and then when i have

2010

01:13:05,350 --> 01:13:02,480

a moment like that

2011

01:13:06,870 --> 01:13:05,360

i think back to other activist movements

2012

01:13:08,070 --> 01:13:06,880

okay

2013

01:13:10,229 --> 01:13:08,080

where things didn't go the way you

2014

01:13:11,990 --> 01:13:10,239

wanted them to

2015

01:13:13,910 --> 01:13:12,000

and uh let me say that

2016

01:13:15,590 --> 01:13:13,920

this isn't that bad

2017

01:13:18,229 --> 01:13:15,600

all right okay

2018

01:13:19,030 --> 01:13:18,239

uh there have been worse situations than

2019

01:13:22,470 --> 01:13:19,040

this

2020

01:13:23,750 --> 01:13:22,480

and so consequently uh i need to chill

2021

01:13:25,270 --> 01:13:23,760

and so

2022

01:13:27,830 --> 01:13:25,280

uh

2023

01:13:30,149 --> 01:13:27,840

what what happened what has happened

2024

01:13:32,870 --> 01:13:30,159

this year

2025

01:13:34,950 --> 01:13:32,880

part of which goes back to to uh

2026

01:13:36,149 --> 01:13:34,960

uh 2020.

2027

01:13:38,870 --> 01:13:36,159

um

2028

01:13:40,070 --> 01:13:38,880

and and that's why i brought that up

2029

01:13:41,669 --> 01:13:40,080

there were

2030

01:13:43,350 --> 01:13:41,679

the most significant developments in

2031

01:13:46,390 --> 01:13:43,360

2020 is

2032

01:13:48,229 --> 01:13:46,400

stemmed from the tsa's work and by that

2033

01:13:50,870 --> 01:13:48,239

i mean luis elizondo and christopher

2034

01:13:52,550 --> 01:13:50,880

mellon right who eventually stepped out

2035

01:13:53,830 --> 01:13:52,560

of the tsa because they knew that was

2036

01:13:55,510 --> 01:13:53,840

necessary

2037

01:13:57,030 --> 01:13:55,520

it was it had nothing to do with

2038

01:13:58,070 --> 01:13:57,040

disagreements really i don't believe it

2039

01:14:00,550 --> 01:13:58,080

it had to do with the fact that they

2040

01:14:02,790 --> 01:14:00,560

needed to be independent but the

2041

01:14:05,270 --> 01:14:02,800

briefings on the hill finally generated

2042

01:14:06,630 --> 01:14:05,280

action and the action came from rubio

2043

01:14:09,270 --> 01:14:06,640

who was the chairman of the intel

2044

01:14:11,830 --> 01:14:09,280

committee and so he makes this dramatic

2045

01:14:14,070 --> 01:14:11,840

move to put language in the intel the

2046

01:14:15,669 --> 01:14:14,080

defense appropriations bill calling for

2047

01:14:18,070 --> 01:14:15,679

a report

2048

01:14:20,149 --> 01:14:18,080

that's what launched my optimism and

2049

01:14:22,630 --> 01:14:20,159

sent to a whole another level

2050

01:14:24,870 --> 01:14:22,640

so as we head to november

2051

01:14:26,310 --> 01:14:24,880

that is already in play

2052

01:14:28,630 --> 01:14:26,320

now the bill doesn't get signed to

2053

01:14:30,709 --> 01:14:28,640

december and so the 180-day deadline

2054

01:14:32,310 --> 01:14:30,719

doesn't start till then so the reports

2055

01:14:36,790 --> 01:14:32,320

the deadline for that report eventually

2056

01:14:38,790 --> 01:14:36,800

ends up being june 27th 2021 right

2057

01:14:41,430 --> 01:14:38,800

i think 25 yeah

2058

01:14:43,830 --> 01:14:41,440

2025 and so so

2059

01:14:45,430 --> 01:14:43,840

but the optimism that that action took

2060

01:14:46,550 --> 01:14:45,440

confirming what i knew was going on

2061

01:14:47,990 --> 01:14:46,560

which is they're going to get hearings

2062

01:14:48,870 --> 01:14:48,000

they're trying to get the hearings right

2063

01:14:50,790 --> 01:14:48,880

yeah

2064

01:14:52,070 --> 01:14:50,800

so then i'm thinking okay bring up the

2065

01:14:53,750 --> 01:14:52,080

hearings but

2066

01:14:55,270 --> 01:14:53,760

i knew that it was going to be hard to

2067

01:14:56,310 --> 01:14:55,280

get those hearings until this hurricane

2068

01:14:58,550 --> 01:14:56,320

left town

2069

01:15:01,350 --> 01:14:58,560

and so finally it did as of november

2070

01:15:03,750 --> 01:15:01,360

theoretically it was scheduled to leave

2071

01:15:04,870 --> 01:15:03,760

and so now the optimism really ascends

2072

01:15:06,550 --> 01:15:04,880

and i'm making some very strong

2073

01:15:08,790 --> 01:15:06,560

statements in december

2074

01:15:11,669 --> 01:15:08,800

of 2020

2075

01:15:12,950 --> 01:15:11,679

and then i went out to california to try

2076  
01:15:15,510 --> 01:15:12,960  
to raise some money and while i'm out

2077  
01:15:19,189 --> 01:15:15,520  
there the pandemic explodes

2078  
01:15:22,070 --> 01:15:19,199  
and i realize well this is not going to

2079  
01:15:25,510 --> 01:15:22,080  
perhaps go the way we hoped

2080  
01:15:28,070 --> 01:15:25,520  
and so i came back to washington

2081  
01:15:30,550 --> 01:15:28,080  
and i set up

2082  
01:15:32,550 --> 01:15:30,560  
and i got i was able to get a but still

2083  
01:15:34,550 --> 01:15:32,560  
i was able to get an office in the press

2084  
01:15:37,270 --> 01:15:34,560  
building where the press club is

2085  
01:15:38,790 --> 01:15:37,280  
it's just a few floors above where we're

2086  
01:15:40,950 --> 01:15:38,800  
marching to we're having office i'm in

2087  
01:15:41,910 --> 01:15:40,960  
hollywood california right now

2088  
01:15:43,990 --> 01:15:41,920

and

2089

01:15:48,070 --> 01:15:44,000

while i was there the insurrection took

2090

01:15:50,390 --> 01:15:48,080

place right and so it's so i'm i'm i'm

2091

01:15:52,149 --> 01:15:50,400

i'm two blocks from the capitol

2092

01:15:53,350 --> 01:15:52,159

uh i'm i'm two and a half blocks from

2093

01:15:55,110 --> 01:15:53,360

the ellipse

2094

01:15:56,390 --> 01:15:55,120

okay and i'm sitting up in the capital

2095

01:15:58,550 --> 01:15:56,400

and i'm watching

2096

01:16:00,870 --> 01:15:58,560

the stuff going on in the ellipse

2097

01:16:02,229 --> 01:16:00,880

on on my 65-inch television the next

2098

01:16:04,149 --> 01:16:02,239

thing i know people are moving on

2099

01:16:05,270 --> 01:16:04,159

towards the capitol right and i'm saying

2100

01:16:06,950 --> 01:16:05,280

well that's interesting i know what the

2101  
01:16:09,030 --> 01:16:06,960  
hell's going to happen there and the

2102  
01:16:10,790 --> 01:16:09,040  
next thing i know they're breaking in

2103  
01:16:12,870 --> 01:16:10,800  
and i'm going okay

2104  
01:16:15,110 --> 01:16:12,880  
that's not good

2105  
01:16:16,390 --> 01:16:15,120  
it's not going to help all right it's

2106  
01:16:19,030 --> 01:16:16,400  
not going to help

2107  
01:16:21,189 --> 01:16:19,040  
and thus 2021 began

2108  
01:16:23,910 --> 01:16:21,199  
all right and so

2109  
01:16:26,550 --> 01:16:25,189  
what

2110  
01:16:29,669 --> 01:16:26,560  
we have

2111  
01:16:30,709 --> 01:16:29,679  
what what has transpired since

2112  
01:16:32,830 --> 01:16:30,719  
uh

2113  
01:16:34,630 --> 01:16:32,840

january 6 is

2114

01:16:37,669 --> 01:16:34,640

this

2115

01:16:40,630 --> 01:16:37,679

the media has shifted its massive

2116

01:16:43,510 --> 01:16:40,640

efforts of coverage and journalism

2117

01:16:47,830 --> 01:16:47,590

the remnants of that category for

2118

01:16:48,950 --> 01:16:47,840

and hurricane

2119

01:16:52,149 --> 01:16:48,960

pandemic

2120

01:16:55,110 --> 01:16:52,159

and that's what it is 24-7 all right

2121

01:16:56,630 --> 01:16:55,120

the the the hearings process

2122

01:16:58,870 --> 01:16:56,640

is on hold

2123

01:17:01,590 --> 01:16:58,880

period there's no way

2124

01:17:03,110 --> 01:17:01,600

that marco rubio or rather mark warner

2125

01:17:04,390 --> 01:17:03,120

and that committee chair is actually

2126  
01:17:05,510 --> 01:17:04,400  
going to call hearings now they've

2127  
01:17:07,830 --> 01:17:05,520  
mentioned it

2128  
01:17:10,070 --> 01:17:07,840  
so we know it's still in play but you're

2129  
01:17:11,030 --> 01:17:10,080  
not calling military witnesses to the

2130  
01:17:13,270 --> 01:17:11,040  
hill

2131  
01:17:16,149 --> 01:17:13,280  
for multi-day hearings on the uap

2132  
01:17:20,070 --> 01:17:16,159  
subject on national security bases while

2133  
01:17:23,110 --> 01:17:20,080  
the pandemic is surging and resurging

2134  
01:17:25,030 --> 01:17:23,120  
and the political chaos is still raining

2135  
01:17:27,030 --> 01:17:25,040  
right

2136  
01:17:29,590 --> 01:17:27,040  
that has to be on hold

2137  
01:17:31,990 --> 01:17:29,600  
and i accept that okay

2138  
01:17:33,590 --> 01:17:32,000

but i assure you does that mean we're

2139

01:17:35,430 --> 01:17:33,600

going backwards no we're not going

2140

01:17:37,750 --> 01:17:35,440

backwards we're still headed to the

2141

01:17:39,830 --> 01:17:37,760

finish line we're just walking now all

2142

01:17:42,310 --> 01:17:39,840

right we can't run

2143

01:17:45,990 --> 01:17:42,320

and so what are the examples of that

2144

01:17:48,870 --> 01:17:46,000

well one of the examples is this

2145

01:17:51,110 --> 01:17:48,880

to show that they're still on board

2146

01:17:52,470 --> 01:17:51,120

and the dod is on board i can assure you

2147

01:17:54,310 --> 01:17:52,480

the department of defense has done

2148

01:17:56,630 --> 01:17:54,320

everything but simply throw the tally in

2149

01:17:57,590 --> 01:17:56,640

the parking lot and say look we give up

2150

01:17:58,870 --> 01:17:57,600

okay

2151

01:18:00,630 --> 01:17:58,880

we're not going to get your way we're

2152

01:18:01,830 --> 01:18:00,640

going to we're going to help this

2153

01:18:03,830 --> 01:18:01,840

we're going to do what we do but we're

2154

01:18:06,229 --> 01:18:03,840

not going to violate our

2155

01:18:08,229 --> 01:18:06,239

our relationship to the executive branch

2156

01:18:09,990 --> 01:18:08,239

but yeah no no we accept the fact that

2157

01:18:11,189 --> 01:18:10,000

truth embargo is coming and the navy has

2158

01:18:12,709 --> 01:18:11,199

done the same thing and you're going to

2159

01:18:15,270 --> 01:18:12,719

see more of that

2160

01:18:18,470 --> 01:18:17,189

we're having to walk it

2161

01:18:20,630 --> 01:18:18,480

but the

2162

01:18:24,149 --> 01:18:20,640

inclusion in the

2163

01:18:26,630 --> 01:18:24,159

the next appropriations defense bill

2164

01:18:28,229 --> 01:18:26,640

calling for the permanent task force to

2165

01:18:31,270 --> 01:18:28,239

be made

2166

01:18:33,110 --> 01:18:31,280

and calling for regular reports is their

2167

01:18:35,110 --> 01:18:33,120

way of saying

2168

01:18:37,270 --> 01:18:35,120

we're still on board

2169

01:18:42,229 --> 01:18:37,280

okay now let me tell your audience

2170

01:18:48,229 --> 01:18:44,950

you you may be experiencing some serious

2171

01:18:52,470 --> 01:18:50,470

and here's why

2172

01:18:54,550 --> 01:18:52,480

and i love saying this and this is gonna

2173

01:18:57,110 --> 01:18:54,560

be my mantra i'm going to pound this out

2174

01:18:58,070 --> 01:18:57,120

there if i ever get on cnn boys the

2175

01:18:59,030 --> 01:18:58,080

first thing is going to come out of my

2176

01:18:59,830 --> 01:18:59,040

mouth

2177

01:19:01,510 --> 01:18:59,840

um

2178

01:19:03,350 --> 01:19:01,520

seeing on and again rather been on

2179

01:19:05,430 --> 01:19:03,360

before

2180

01:19:08,390 --> 01:19:05,440

the government has known about the et

2181

01:19:10,390 --> 01:19:08,400

president since 1947 okay

2182

01:19:12,709 --> 01:19:10,400

the government has been arguing

2183

01:19:14,550 --> 01:19:12,719

embargoing that confirmation from us for

2184

01:19:16,470 --> 01:19:14,560

74 years

2185

01:19:18,310 --> 01:19:16,480

it has been doing research on a t

2186

01:19:20,229 --> 01:19:18,320

technology

2187

01:19:21,910 --> 01:19:20,239

there's on who knows how many

2188

01:19:23,510 --> 01:19:21,920

unacknowledged special access programs

2189

01:19:25,510 --> 01:19:23,520

dealing with the et issue or existing

2190

01:19:28,790 --> 01:19:25,520

and operating for how much money for how

2191

01:19:32,550 --> 01:19:29,750

so

2192

01:19:33,590 --> 01:19:32,560

when the government says

2193

01:19:39,830 --> 01:19:33,600

we want to

2194

01:19:42,470 --> 01:19:39,840

task force to look into this issue

2195

01:19:44,070 --> 01:19:42,480

anybody that knows what i just told you

2196

01:19:46,149 --> 01:19:44,080

is going

2197

01:19:51,270 --> 01:19:46,159

what

2198

01:19:53,430 --> 01:19:51,280

we had project blue book from 52 to 69

2199

01:19:55,270 --> 01:19:53,440

it was 17 years they studied reports all

2200

01:19:56,790 --> 01:19:55,280

that time they they came up with they

2201

01:19:58,870 --> 01:19:56,800

studied thousands of reports they came

2202

01:20:00,870 --> 01:19:58,880

up with 701 they could never explain and

2203

01:20:01,750 --> 01:20:00,880

they shut the whole thing down

2204

01:20:03,510 --> 01:20:01,760

uh

2205

01:20:05,910 --> 01:20:03,520

there's other documents and been shown

2206

01:20:08,629 --> 01:20:05,920

they've been studying this forever

2207

01:20:10,229 --> 01:20:08,639

another task force what what what is the

2208

01:20:13,350 --> 01:20:10,239

point of this what are you trying to

2209

01:20:14,390 --> 01:20:13,360

convey to us right

2210

01:20:17,110 --> 01:20:14,400

so

2211

01:20:18,870 --> 01:20:17,120

level

2212

01:20:20,790 --> 01:20:18,880

now one way people are going to deal

2213

01:20:22,310 --> 01:20:20,800

with that is they're going to say

2214

01:20:24,629 --> 01:20:22,320

oh wow

2215

01:20:26,070 --> 01:20:24,639

finally the government is finally

2216

01:20:27,830 --> 01:20:26,080

realized well there's

2217

01:20:29,110 --> 01:20:27,840

there's there's this unknown technology

2218

01:20:30,870 --> 01:20:29,120

flying around

2219

01:20:32,629 --> 01:20:30,880

and we don't know what it is

2220

01:20:35,030 --> 01:20:32,639

and we need to really investigate that

2221

01:20:36,950 --> 01:20:35,040

seriously and not make fun of it anymore

2222

01:20:38,790 --> 01:20:36,960

and if we do investigate it maybe for

2223

01:20:40,310 --> 01:20:38,800

five or ten more years

2224

01:20:42,470 --> 01:20:40,320

the government may get enough evidence

2225

01:20:44,950 --> 01:20:42,480

put in front of it to go wow

2226

01:20:46,390 --> 01:20:44,960

we think it's extraterrestrial okay

2227

01:20:47,590 --> 01:20:46,400

there are some people out there that are

2228

01:20:48,950 --> 01:20:47,600

kind of new to the game that are

2229

01:20:51,990 --> 01:20:48,960

actually thinking like that and they're

2230

01:20:55,750 --> 01:20:54,310

i have to deal with that okay this is my

2231

01:20:56,790 --> 01:20:55,760

burden

2232

01:20:57,990 --> 01:20:56,800

all right

2233

01:20:59,669 --> 01:20:58,000

but there's

2234

01:21:00,790 --> 01:20:59,679

another point of view

2235

01:21:03,590 --> 01:21:00,800

okay

2236

01:21:05,750 --> 01:21:03,600

actually there's three points of view

2237

01:21:07,030 --> 01:21:05,760

the second point of view is we know damn

2238

01:21:09,430 --> 01:21:07,040

well you've been doing this all this

2239

01:21:12,070 --> 01:21:09,440

time i'm mad as hell i'm this is god

2240

01:21:13,910 --> 01:21:12,080

damn it i am pissed i'm gonna raise hell

2241

01:21:16,390 --> 01:21:13,920

and do this i'm gonna say that and i'm

2242

01:21:18,709 --> 01:21:16,400

gonna throw a bunch of shade at you and

2243

01:21:19,990 --> 01:21:18,719

goddamn me and all that i i don't blame

2244

01:21:21,830 --> 01:21:20,000

that person for being that way and

2245

01:21:23,270 --> 01:21:21,840

you're seeing some of that on the net

2246

01:21:25,030 --> 01:21:23,280

okay

2247

01:21:27,110 --> 01:21:25,040

however there is a third point of view

2248

01:21:29,590 --> 01:21:27,120

that i would like to recommend

2249

01:21:31,510 --> 01:21:29,600

this is far less destructive far less

2250

01:21:32,709 --> 01:21:31,520

anxiety producing

2251

01:21:35,110 --> 01:21:32,719

you could sit

2252

01:21:38,229 --> 01:21:35,120

watch all this happen you can

2253

01:21:40,310 --> 01:21:38,239

maybe have a libation some snacks

2254

01:21:43,110 --> 01:21:40,320

uh do breathing exercises and just kind

2255

01:21:45,830 --> 01:21:43,120

of relax and chill and watch it unfold

2256

01:21:49,990 --> 01:21:45,840

this is the one i recommend all right

2257

01:21:53,189 --> 01:21:50,000

what is in fact going on here

2258

01:21:57,110 --> 01:21:53,199

what is going on is this

2259

01:21:59,590 --> 01:21:57,120

some sausage is being made all right and

2260

01:22:01,750 --> 01:21:59,600

nobody really wants to know how the

2261

01:22:04,149 --> 01:22:01,760

sausage is made

2262

01:22:06,950 --> 01:22:04,159

this happens all the time in government

2263

01:22:09,669 --> 01:22:06,960

perfect example is nuclear proliferation

2264

01:22:11,510 --> 01:22:09,679

and so forth salt strategic terms

2265

01:22:12,870 --> 01:22:11,520

imitation talks everybody knows that

2266

01:22:14,550 --> 01:22:12,880

they have those that went on for a long

2267

01:22:15,830 --> 01:22:14,560

time and they finally passed a treaty

2268

01:22:17,510 --> 01:22:15,840

that actually seemed to help a little

2269

01:22:19,910 --> 01:22:17,520

bit though we're still

2270

01:22:21,350 --> 01:22:19,920

in deep doo-doo on this

2271

01:22:23,110 --> 01:22:21,360

they don't really want to know how those

2272

01:22:24,550 --> 01:22:23,120

things took place

2273

01:22:27,189 --> 01:22:24,560

they want to know how we arrived at

2274

01:22:30,070 --> 01:22:27,199

assault treaty i can assure you it was

2275

01:22:32,390 --> 01:22:30,080

chaos it was brutal there was this and

2276

01:22:34,229 --> 01:22:32,400

that and compromise and problems and all

2277

01:22:35,990 --> 01:22:34,239

kinds of crap that was going on and

2278

01:22:38,070 --> 01:22:36,000

compromises were being made and the

2279

01:22:39,910 --> 01:22:38,080

process worked forward until they could

2280

01:22:41,830 --> 01:22:39,920

have been treated

2281

01:22:43,030 --> 01:22:41,840

they could have just said hey let's have

2282

01:22:44,550 --> 01:22:43,040

a treaty

2283

01:22:45,990 --> 01:22:44,560

you know and probably

2284

01:22:47,910 --> 01:22:46,000

i'm fine

2285

01:22:49,669 --> 01:22:47,920

whatever i think maybe that was under

2286

01:22:51,840 --> 01:22:49,679

and okay let's quick get it together

2287

01:22:53,189 --> 01:22:51,850

boom bam and then write it up sign no

2288

01:22:54,550 --> 01:22:53,199

[Music]

2289

01:22:55,750 --> 01:22:54,560

they could have they could have they

2290

01:22:57,669 --> 01:22:55,760

could have dumped all kinds of

2291

01:23:01,270 --> 01:22:57,679

information out to the public about the

2292

01:23:03,590 --> 01:23:01,280

real nature and risk of nuclear arms uh

2293

01:23:05,830 --> 01:23:03,600

race and the threat of nuclear war and

2294

01:23:07,189 --> 01:23:05,840

all but they didn't do that right

2295

01:23:09,030 --> 01:23:07,199

because if they did it would have

2296

01:23:10,629 --> 01:23:09,040

undermined the process they feel they

2297

01:23:11,910 --> 01:23:10,639

had to go through

2298

01:23:14,550 --> 01:23:11,920

okay

2299

01:23:17,110 --> 01:23:14,560

so here is how to look at this

2300

01:23:19,189 --> 01:23:17,120

there is a process underway

2301  
01:23:23,030 --> 01:23:19,199  
the process is to get congressional

2302  
01:23:24,229 --> 01:23:23,040  
hearings yeah on the uap issue

2303  
01:23:26,870 --> 01:23:24,239  
so that

2304  
01:23:30,790 --> 01:23:26,880  
and then i mean substantial

2305  
01:23:34,790 --> 01:23:30,800  
lengthy multi-committee for not 1 2 10

2306  
01:23:37,270 --> 01:23:34,800  
15 but 20 30 40 50

2307  
01:23:38,950 --> 01:23:37,280  
military witnesses like fraver and day

2308  
01:23:40,390 --> 01:23:38,960  
and so many others and some some we

2309  
01:23:41,910 --> 01:23:40,400  
don't even know about and i'm sure

2310  
01:23:43,910 --> 01:23:41,920  
they'll bring up some chiefs and they'll

2311  
01:23:46,830 --> 01:23:43,920  
bring up some dod people or whatever i'm

2312  
01:23:48,950 --> 01:23:46,840  
talking the real deal

2313  
01:23:50,470 --> 01:23:48,960

here that will be seen by hundreds of

2314

01:23:51,910 --> 01:23:50,480

millions of people they will be live

2315

01:23:53,830 --> 01:23:51,920

they will be the most watch hearings in

2316

01:23:55,030 --> 01:23:53,840

the history of uh any government any

2317

01:23:57,830 --> 01:23:55,040

time

2318

01:23:59,200 --> 01:23:57,840

and those hearings will provide the

2319

01:24:00,310 --> 01:23:59,210

public platform

2320

01:24:02,709 --> 01:24:00,320

[Music]

2321

01:24:04,310 --> 01:24:02,719

for the president to come forward who by

2322

01:24:06,709 --> 01:24:04,320

the way is deliberately staying out of

2323

01:24:08,870 --> 01:24:06,719

this completely it means nothing to say

2324

01:24:10,390 --> 01:24:08,880

because that's exactly what he has to do

2325

01:24:11,830 --> 01:24:10,400

for the president to come forward and

2326

01:24:14,229 --> 01:24:11,840

say i've been watching the testimony

2327

01:24:16,149 --> 01:24:14,239

like you haven't we have concluded that

2328

01:24:18,229 --> 01:24:16,159

this this confirms there is an et

2329

01:24:19,510 --> 01:24:18,239

presence there is an external technology

2330

01:24:21,350 --> 01:24:19,520

here and

2331

01:24:22,470 --> 01:24:21,360

we're going to tell you more about that

2332

01:24:24,070 --> 01:24:22,480

and we're going to get down to this

2333

01:24:25,830 --> 01:24:24,080

we're going to get into this and in a

2334

01:24:28,229 --> 01:24:25,840

real way

2335

01:24:31,270 --> 01:24:28,239

that's what has to happen the pairings

2336

01:24:33,510 --> 01:24:31,280

must come first okay

2337

01:24:36,709 --> 01:24:33,520

and melon knows that and elizondo knows

2338

01:24:39,990 --> 01:24:36,719

that everybody on the tssa knows that

2339

01:24:41,990 --> 01:24:40,000

so first you got to get the hearings

2340

01:24:44,229 --> 01:24:42,000

so the process underway is to get the

2341

01:24:47,030 --> 01:24:44,239

hearings how do you do that do you go up

2342

01:24:49,910 --> 01:24:47,040

on the hill and say uh to the committee

2343

01:24:50,870 --> 01:24:49,920

chairs like like it was rubio now warner

2344

01:24:52,390 --> 01:24:50,880

the chairs of the armed service

2345

01:24:53,910 --> 01:24:52,400

committee here christopher melanie got

2346

01:24:56,229 --> 01:24:53,920

some witnesses got some contact ease

2347

01:24:58,070 --> 01:24:56,239

with me hey look here's the deal

2348

01:24:59,270 --> 01:24:58,080

they're contacting people they're taking

2349

01:25:01,030 --> 01:24:59,280

them up into their ships they're doing

2350

01:25:03,590 --> 01:25:01,040

genetic research i'm telling you they're

2351

01:25:05,270 --> 01:25:03,600

here this is huge all right

2352

01:25:07,590 --> 01:25:05,280

so i think we need to hold hearings with

2353

01:25:09,110 --> 01:25:07,600

the contactees and also i think we need

2354

01:25:10,709 --> 01:25:09,120

to start talking about an embassy or

2355

01:25:12,470 --> 01:25:10,719

something that you know

2356

01:25:14,310 --> 01:25:12,480

and how we're going to welcome the et's

2357

01:25:15,430 --> 01:25:14,320

in a formal way a party something what

2358

01:25:17,350 --> 01:25:15,440

kind of refreshments are we going to

2359

01:25:18,390 --> 01:25:17,360

have i think the committee chairs are

2360

01:25:19,750 --> 01:25:18,400

going to yeah yeah let's have some

2361

01:25:22,070 --> 01:25:19,760

hearings

2362

01:25:24,550 --> 01:25:22,080

i don't think so

2363

01:25:26,870 --> 01:25:24,560

how do you get

2364

01:25:28,390 --> 01:25:26,880

committee chairs to put their legacies

2365

01:25:30,229 --> 01:25:28,400

and careers

2366

01:25:32,229 --> 01:25:30,239

at risk

2367

01:25:34,070 --> 01:25:32,239

though the risk is not nearly what you

2368

01:25:35,830 --> 01:25:34,080

think it is now and my citizen hearing

2369

01:25:38,629 --> 01:25:35,840

on disclosure was specifically to show

2370

01:25:40,870 --> 01:25:38,639

the risk won't be that bad but whatever

2371

01:25:43,189 --> 01:25:40,880

to hold those hearings

2372

01:25:45,350 --> 01:25:43,199

first of all you have to

2373

01:25:46,390 --> 01:25:45,360

you cannot talk about et's are already

2374

01:25:47,990 --> 01:25:46,400

here

2375

01:25:51,590 --> 01:25:48,000

you don't talk about a whole range of

2376

01:25:55,110 --> 01:25:51,600

the phenomena you focus on two things

2377

01:25:56,790 --> 01:25:55,120

there is a national security basis for

2378

01:25:59,350 --> 01:25:56,800

addressing this issue there are

2379

01:26:02,229 --> 01:25:59,360

legitimate national security concerns

2380

01:26:04,709 --> 01:26:02,239

and we have military witnesses can speak

2381

01:26:07,270 --> 01:26:04,719

to those concerns or to speak to the

2382

01:26:09,510 --> 01:26:07,280

evidence related to those concerns and

2383

01:26:10,950 --> 01:26:09,520

you need to bring them up on the hill to

2384

01:26:13,189 --> 01:26:10,960

talk about that

2385

01:26:15,189 --> 01:26:13,199

and they're going fine

2386

01:26:17,350 --> 01:26:15,199

and that has been the process

2387

01:26:19,590 --> 01:26:17,360

that is what's determined what elizondo

2388

01:26:21,830 --> 01:26:19,600

can say or not say what melon can say or

2389

01:26:23,830 --> 01:26:21,840

not say what they can do or not do what

2390

01:26:24,790 --> 01:26:23,840

rubio can do what the defense department

2391

01:26:26,149 --> 01:26:24,800

can do

2392

01:26:27,590 --> 01:26:26,159

all right

2393

01:26:29,110 --> 01:26:27,600

and so

2394

01:26:30,950 --> 01:26:29,120

you could ask

2395

01:26:32,790 --> 01:26:30,960

these gentlemen or ask the department of

2396

01:26:34,629 --> 01:26:32,800

defense our et's here you're not going

2397

01:26:36,709 --> 01:26:34,639

to get an answer

2398

01:26:38,550 --> 01:26:36,719

and if you if in if somehow you get them

2399

01:26:40,390 --> 01:26:38,560

in a position and this has happened very

2400

01:26:41,270 --> 01:26:40,400

rarely but you get them in a position

2401

01:26:42,390 --> 01:26:41,280

where they

2402

01:26:45,750 --> 01:26:42,400

they don't

2403

01:26:48,149 --> 01:26:45,760

maneuver there's gonna lie to you

2404

01:26:50,870 --> 01:26:48,159

and that's happened on a few occasions

2405

01:26:54,470 --> 01:26:50,880

but our question is being asked of of of

2406

01:26:56,790 --> 01:26:54,480

the uh the white house press secretary

2407

01:26:59,830 --> 01:26:56,800

of the press secretary for the pentagon

2408

01:27:01,430 --> 01:26:59,840

yeah and we have those responses uh our

2409

01:27:02,229 --> 01:27:01,440

other question yeah

2410

01:27:05,669 --> 01:27:02,239

but

2411

01:27:07,270 --> 01:27:05,679

everything is within the process

2412

01:27:10,070 --> 01:27:07,280

we're not going to get above that

2413

01:27:11,510 --> 01:27:10,080

process and so consequently that process

2414

01:27:14,709 --> 01:27:11,520

is what affected what the pub the

2415

01:27:16,470 --> 01:27:14,719

republic report that we got on june 25

2416

01:27:18,629 --> 01:27:16,480

which wasn't much

2417

01:27:21,189 --> 01:27:18,639

couldn't be much

2418

01:27:22,950 --> 01:27:21,199

yeah certainly and but but what was

2419

01:27:24,709 --> 01:27:22,960

important was not the public report

2420

01:27:26,709 --> 01:27:24,719

which they the department of defense had

2421

01:27:29,590 --> 01:27:26,719

no desire to put out but rubio

2422

01:27:31,669 --> 01:27:29,600

politically saw the wisdom of that

2423

01:27:33,750 --> 01:27:31,679

he realized as for a public report you

2424

01:27:35,990 --> 01:27:33,760

don't care what's in it the very fact of

2425

01:27:37,669 --> 01:27:36,000

asking for guarantees enormous political

2426

01:27:39,350 --> 01:27:37,679

uh media coverage of the damn thing is

2427

01:27:40,629 --> 01:27:39,360

give the media a deadline on something

2428

01:27:41,910 --> 01:27:40,639

like that and they're going to cover it

2429

01:27:43,830 --> 01:27:41,920

to death

2430

01:27:45,189 --> 01:27:43,840

right it's going to get him and who else

2431

01:27:46,870 --> 01:27:45,199

is going to get a lot of coverage marco

2432

01:27:48,470 --> 01:27:46,880

rubio is going to get a lot of coverage

2433

01:27:51,430 --> 01:27:48,480

what mattered was the

2434

01:27:54,229 --> 01:27:51,440

classified report that was delivered

2435

01:27:56,229 --> 01:27:54,239

nine days before the public report yeah

2436

01:27:59,189 --> 01:27:56,239

and that was 400 pages the reason we

2437

01:28:01,110 --> 01:27:59,199

know that is louis elizondo saw it and

2438

01:28:02,149 --> 01:28:01,120

told his attorney danny shannon is 400

2439

01:28:03,669 --> 01:28:02,159

pages

2440

01:28:05,910 --> 01:28:03,679

plus powerpoint

2441

01:28:08,310 --> 01:28:05,920

that's the one that matters but that is

2442

01:28:09,910 --> 01:28:08,320

still classified

2443

01:28:11,830 --> 01:28:09,920

why didn't they just come out and tell

2444

01:28:14,870 --> 01:28:11,840

us what was in it because you see that's

2445

01:28:17,910 --> 01:28:14,880

that would undermine the process

2446

01:28:18,709 --> 01:28:17,920

right the process is to get hearings not

2447

01:28:20,950 --> 01:28:18,719

to

2448

01:28:24,550 --> 01:28:20,960

launch a massive

2449

01:28:27,430 --> 01:28:24,560

torrent of speculation about et's right

2450

01:28:31,430 --> 01:28:27,440

now in the media or anywhere else

2451

01:28:34,950 --> 01:28:33,590

don't be concerned

2452

01:28:36,709 --> 01:28:34,960

that

2453

01:28:38,149 --> 01:28:36,719

we're going to spend the next 10 years

2454

01:28:40,390 --> 01:28:38,159

or five years

2455

01:28:45,030 --> 01:28:40,400

waiting for the next 90 day report from

2456

01:28:48,709 --> 01:28:47,510

atp

2457

01:28:54,709 --> 01:28:48,719

uap

2458

01:28:56,229 --> 01:28:54,719

don't don't be concerned that there's

2459

01:28:58,709 --> 01:28:56,239

going to be another project blue book

2460

01:29:01,030 --> 01:28:58,719

that goes on for 17 years

2461

01:29:03,350 --> 01:29:01,040

i can say we've reviewed 43 000

2462

01:29:05,030 --> 01:29:03,360

sightings and there's 2 000 that we

2463

01:29:07,030 --> 01:29:05,040

can't identify but we're shutting it

2464

01:29:09,750 --> 01:29:07,040  
down because the university of

2465

01:29:12,070 --> 01:29:09,760  
california at santa clara just issued a

2466

01:29:14,709 --> 01:29:12,080  
report that there's really no

2467

01:29:18,229 --> 01:29:14,719  
don't be concerned about that

2468

01:29:19,590 --> 01:29:18,239  
i i'm gonna be quite clear here

2469

01:29:23,590 --> 01:29:19,600  
that

2470

01:29:27,590 --> 01:29:25,830  
which right now is

2471

01:29:29,830 --> 01:29:27,600  
almost directly dependent upon the

2472

01:29:31,270 --> 01:29:29,840  
vaccine schedule

2473

01:29:33,110 --> 01:29:31,280  
in other words how many people are

2474

01:29:35,990 --> 01:29:33,120  
vaccinated and how many people are

2475

01:29:39,189 --> 01:29:36,000  
immune from previous infection

2476

01:29:41,750 --> 01:29:39,199

and how bad is the next variant

2477

01:29:43,750 --> 01:29:41,760

as soon as that gets settled in sense

2478

01:29:46,870 --> 01:29:43,760

meaning okay

2479

01:29:48,950 --> 01:29:46,880

the current variant is not awful

2480

01:29:51,830 --> 01:29:48,960

we got it under control

2481

01:29:53,910 --> 01:29:51,840

the total okay herd immunity level is up

2482

01:29:57,430 --> 01:29:53,920

to 85

2483

01:29:59,270 --> 01:29:57,440

something like that which is reachable

2484

01:30:01,430 --> 01:29:59,280

that is the number one determinant as to

2485

01:30:02,550 --> 01:30:01,440

when these hearings can be held

2486

01:30:04,229 --> 01:30:02,560

because

2487

01:30:05,590 --> 01:30:04,239

they ca they're not they can't be on

2488

01:30:07,430 --> 01:30:05,600

zoom

2489

01:30:08,229 --> 01:30:07,440

or stream yard

2490

01:30:09,990 --> 01:30:08,239

or

2491

01:30:12,070 --> 01:30:10,000

you you and there are some things

2492

01:30:14,149 --> 01:30:12,080

happening on the hill but you're not

2493

01:30:16,149 --> 01:30:14,159

going to hold hearings on the uap task

2494

01:30:18,070 --> 01:30:16,159

force involving scores of military

2495

01:30:18,950 --> 01:30:18,080

witnesses that have to be on the hill

2496

01:30:20,470 --> 01:30:18,960

yeah

2497

01:30:21,620 --> 01:30:20,480

and you're not going to do this without

2498

01:30:23,030 --> 01:30:21,630

an audience in that room

2499

01:30:24,310 --> 01:30:23,040

[Music]

2500

01:30:25,990 --> 01:30:24,320

in the middle

2501

01:30:28,550 --> 01:30:26,000

of a surging

2502

01:30:29,590 --> 01:30:28,560

new variant pandemic it simply can't

2503

01:30:30,870 --> 01:30:29,600

happen

2504

01:30:32,790 --> 01:30:30,880

not to mention the fact that you've

2505

01:30:34,709 --> 01:30:32,800

still got to focus on a damn pandemic

2506

01:30:36,629 --> 01:30:34,719

right because uh while you're trying to

2507

01:30:38,550 --> 01:30:36,639

hold this massive event the most

2508

01:30:40,709 --> 01:30:38,560

important hearings ever held people are

2509

01:30:42,870 --> 01:30:40,719

dying by the thousands and so that's not

2510

01:30:44,550 --> 01:30:42,880

gonna happen okay and you will there are

2511

01:30:45,590 --> 01:30:44,560

some things you can do to let people

2512

01:30:47,669 --> 01:30:45,600

know hey

2513

01:30:48,790 --> 01:30:47,679

we're still on board here it's okay all

2514

01:30:50,149 --> 01:30:48,800

right you'll see a lot of that you'll

2515

01:30:51,830 --> 01:30:50,159

see some of that

2516

01:30:54,709 --> 01:30:51,840

but we can't have the hearings

2517

01:30:56,070 --> 01:30:54,719

all right and it's also complicated

2518

01:30:57,189 --> 01:30:56,080

by

2519

01:30:58,550 --> 01:30:57,199

the fact that there's some political

2520

01:30:59,350 --> 01:30:58,560

things going on right now which are

2521

01:31:00,830 --> 01:30:59,360

still

2522

01:31:05,669 --> 01:31:00,840

bizarrely

2523

01:31:07,430 --> 01:31:05,679

disruptive

2524

01:31:09,830 --> 01:31:07,440

and that needs to settle down a little

2525

01:31:11,910 --> 01:31:09,840

bit and also

2526

01:31:14,229 --> 01:31:11,920

the circumstances are

2527

01:31:16,390 --> 01:31:14,239

in washington dc right now

2528

01:31:18,149 --> 01:31:16,400

that the current administration

2529

01:31:21,430 --> 01:31:18,159

in addition to dealing with whatever

2530

01:31:24,310 --> 01:31:21,440

bizarre political drama is happening

2531

01:31:26,149 --> 01:31:24,320

are trying to address two massive pieces

2532

01:31:27,430 --> 01:31:26,159

of legislation not just some new

2533

01:31:29,750 --> 01:31:27,440

legislation

2534

01:31:31,270 --> 01:31:29,760

we're talking massive pieces of

2535

01:31:33,990 --> 01:31:31,280

legislation

2536

01:31:36,149 --> 01:31:34,000

whether one agrees or disagrees with

2537

01:31:38,470 --> 01:31:36,159

whatever that legislation

2538

01:31:41,110 --> 01:31:38,480

it doesn't make them any less massive

2539

01:31:43,750 --> 01:31:41,120

and so those pieces of legislation

2540

01:31:45,590 --> 01:31:43,760

obviously are dominating political

2541

01:31:47,590 --> 01:31:45,600

coverage what little political coverage

2542

01:31:49,990 --> 01:31:47,600

is available once you've covered the

2543

01:31:53,990 --> 01:31:50,000

hurricanes the pandemic

2544

01:31:55,990 --> 01:31:54,000

and uh the political drama all right

2545

01:31:57,110 --> 01:31:56,000

and so

2546

01:32:01,030 --> 01:31:57,120

i'm

2547

01:32:05,669 --> 01:32:03,990

i i'd like i'd like to say hearings at

2548

01:32:08,229 --> 01:32:05,679

the end of the year

2549

01:32:10,790 --> 01:32:08,239

okay that'd be good okay

2550

01:32:12,550 --> 01:32:10,800

now why why why am i trying to target

2551

01:32:15,030 --> 01:32:12,560

there

2552

01:32:16,629 --> 01:32:15,040

it could have been the spring but that

2553

01:32:18,149 --> 01:32:16,639

was before the pandemic and before the

2554

01:32:20,229 --> 01:32:18,159

insurrection okay and the point is is

2555

01:32:25,189 --> 01:32:20,239

that

2556

01:32:28,070 --> 01:32:25,199

settled down enough by say december

2557

01:32:29,669 --> 01:32:28,080

or even late november

2558

01:32:31,590 --> 01:32:29,679

and that's good

2559

01:32:33,830 --> 01:32:31,600

it's also the case

2560

01:32:35,990 --> 01:32:33,840

that and this is this is the nature of

2561

01:32:38,310 --> 01:32:36,000

american politics not not british

2562

01:32:40,550 --> 01:32:38,320

politics be thankful that you don't have

2563

01:32:41,669 --> 01:32:40,560

our system okay

2564

01:32:42,629 --> 01:32:41,679

because

2565

01:32:44,550 --> 01:32:42,639

you know in order to have a

2566

01:32:47,030 --> 01:32:44,560

parliamentary election basically you

2567

01:32:48,950 --> 01:32:47,040

call it you run for about i don't know a

2568

01:32:51,669 --> 01:32:48,960

couple of weeks five weeks you spend a

2569

01:32:53,189 --> 01:32:51,679

few million and somebody is you know you

2570

01:32:54,950 --> 01:32:53,199

have a you have a new parliament and

2571

01:32:56,790 --> 01:32:54,960

maybe a new prime minister over here we

2572

01:32:59,110 --> 01:32:56,800

start our elections one two three years

2573

01:33:01,350 --> 01:32:59,120

in advance and we spend billions

2574

01:33:03,189 --> 01:33:01,360

billions of dollars okay

2575

01:33:05,189 --> 01:33:03,199

and we end up getting a government no

2576

01:33:07,030 --> 01:33:05,199

better than the one we had before yeah

2577

01:33:08,790 --> 01:33:07,040

right all of that money could be spent

2578

01:33:09,669 --> 01:33:08,800

on really doing some wonderful things

2579

01:33:11,990 --> 01:33:09,679

here

2580

01:33:13,590 --> 01:33:12,000

you don't do that be thankful anyways

2581

01:33:14,310 --> 01:33:13,600

the point is

2582

01:33:16,950 --> 01:33:14,320

and

2583

01:33:18,870 --> 01:33:16,960

the next political campaigns

2584

01:33:21,030 --> 01:33:18,880

for the 22 elections will start right

2585

01:33:23,189 --> 01:33:21,040

after christmas okay in january right

2586

01:33:25,110 --> 01:33:23,199

away all right even though the primaries

2587

01:33:26,629 --> 01:33:25,120

which we also start too early don't come

2588

01:33:28,629 --> 01:33:26,639

later in the year

2589

01:33:30,550 --> 01:33:28,639

now if i'm the dod

2590

01:33:31,669 --> 01:33:30,560

and i'm on mark mark warner if i'm the

2591

01:33:32,790 --> 01:33:31,679

committee chairs of any of the

2592

01:33:34,550 --> 01:33:32,800

committees that have been briefed by

2593

01:33:36,310 --> 01:33:34,560

mellon

2594

01:33:37,669 --> 01:33:36,320

and i know how big these hearings are

2595

01:33:39,510 --> 01:33:37,679

going to be i know how profound they're

2596

01:33:40,950 --> 01:33:39,520

going to be

2597

01:33:42,310 --> 01:33:40,960

i do not want to be holding these

2598

01:33:44,470 --> 01:33:42,320

hearings in the middle of the political

2599

01:33:46,310 --> 01:33:44,480

season i don't want to be holding these

2600

01:33:47,669 --> 01:33:46,320

hearings while at the same time the

2601  
01:33:48,550 --> 01:33:47,679  
members of the committee are sitting

2602  
01:33:50,470 --> 01:33:48,560  
there

2603  
01:33:51,990 --> 01:33:50,480  
thinking about can they get re-elected

2604  
01:33:53,590 --> 01:33:52,000  
this year or not

2605  
01:33:55,430 --> 01:33:53,600  
right or how is this going to affect my

2606  
01:33:57,270 --> 01:33:55,440  
re-election prospects

2607  
01:33:58,629 --> 01:33:57,280  
because right now we have a very

2608  
01:34:00,149 --> 01:33:58,639  
substantial number of people in our

2609  
01:34:02,070 --> 01:34:00,159  
congress

2610  
01:34:05,510 --> 01:34:02,080  
who would put anything and everything

2611  
01:34:06,870 --> 01:34:05,520  
you can conceive of behind their need to

2612  
01:34:08,229 --> 01:34:06,880  
get reelected

2613  
01:34:11,110 --> 01:34:08,239

period

2614

01:34:13,590 --> 01:34:11,120

coronal mass ejections

2615

01:34:16,229 --> 01:34:13,600

extermination level events

2616

01:34:18,470 --> 01:34:16,239

right you know the pandemic takes off

2617

01:34:21,270 --> 01:34:18,480

with the zeta variant

2618

01:34:24,229 --> 01:34:21,280

killing 400 000 people a day number one

2619

01:34:28,310 --> 01:34:24,239

on their mind will be can i get elected

2620

01:34:30,390 --> 01:34:28,320

in november of 2022. that is unfortunate

2621

01:34:32,550 --> 01:34:30,400

we need less of such people in our

2622

01:34:33,830 --> 01:34:32,560

congress i can assure you somehow we've

2623

01:34:35,669 --> 01:34:33,840

got to get rid of these people and

2624

01:34:37,910 --> 01:34:35,679

replace them with people that actually

2625

01:34:39,750 --> 01:34:37,920

want to serve and put the welfare of the

2626  
01:34:40,870 --> 01:34:39,760  
nation ahead of their own personal

2627  
01:34:43,270 --> 01:34:40,880  
ambitions

2628  
01:34:44,870 --> 01:34:43,280  
we're working on that okay

2629  
01:34:47,189 --> 01:34:44,880  
but uh so

2630  
01:34:49,030 --> 01:34:47,199  
you don't want those hearings then you

2631  
01:34:50,790 --> 01:34:49,040  
you want to get those those hearings out

2632  
01:34:52,390 --> 01:34:50,800  
of the way you want to get disclosure

2633  
01:34:54,070 --> 01:34:52,400  
out of the way

2634  
01:34:55,990 --> 01:34:54,080  
end of this year

2635  
01:34:58,070 --> 01:34:56,000  
early january

2636  
01:34:59,669 --> 01:34:58,080  
so that all of the campaigns are going

2637  
01:35:01,189 --> 01:34:59,679  
to take place and we have a lot of them

2638  
01:35:03,910 --> 01:35:01,199

here

2639

01:35:05,750 --> 01:35:03,920

we have 435 in the congress plus another

2640

01:35:08,310 --> 01:35:05,760

five in the territories and then we've

2641

01:35:09,990 --> 01:35:08,320

got 33 senate campaigns

2642

01:35:12,070 --> 01:35:10,000

we've got a whole bunch of governor

2643

01:35:15,669 --> 01:35:12,080

campaign god knows how many state

2644

01:35:17,750 --> 01:35:15,679

representatives we have got thousands of

2645

01:35:21,510 --> 01:35:17,760

everybody running for whatever office

2646

01:35:23,750 --> 01:35:21,520

they're running for in 2022

2647

01:35:25,990 --> 01:35:23,760

need to be on the same page

2648

01:35:27,109 --> 01:35:26,000

yeah by that i mean they all need to be

2649

01:35:29,990 --> 01:35:27,119

on

2650

01:35:32,709 --> 01:35:30,000

in the post-disclosure world together

2651

01:35:35,750 --> 01:35:32,719

meaning okay

2652

01:35:37,109 --> 01:35:35,760

everybody everybody agrees okay hello

2653

01:35:38,629 --> 01:35:37,119

audience i'm here today to talk about

2654

01:35:39,990 --> 01:35:38,639

what i want to do and how i why you

2655

01:35:42,390 --> 01:35:40,000

should elect me to the senate or the

2656

01:35:44,790 --> 01:35:42,400

house but we can all agree that there's

2657

01:35:46,790 --> 01:35:44,800

an extraterrestrial presence can't we

2658

01:35:49,109 --> 01:35:46,800

and i can talk about that i can talk

2659

01:35:51,590 --> 01:35:49,119

about my thoughts about that i can talk

2660

01:35:53,830 --> 01:35:51,600

about policy regarding that

2661

01:35:56,470 --> 01:35:53,840

and nobody in the audience today is

2662

01:35:59,590 --> 01:35:56,480

going to think i'm crazy

2663

01:36:01,750 --> 01:35:59,600

then i'm batshit crazy no nobody because

2664

01:36:03,350 --> 01:36:01,760

we've all agreed

2665

01:36:05,270 --> 01:36:03,360

all of the heads of state of nations

2666

01:36:07,510 --> 01:36:05,280

have confirmed his e.t presence xi

2667

01:36:09,750 --> 01:36:07,520

jinping putin

2668

01:36:11,350 --> 01:36:09,760

boris all of them they've all confirmed

2669

01:36:13,270 --> 01:36:11,360

it they've even shown us the evidence

2670

01:36:14,550 --> 01:36:13,280

it's a done deal it's in the past look

2671

01:36:16,390 --> 01:36:14,560

there are a few people who still don't

2672

01:36:17,830 --> 01:36:16,400

believe that there's people out there

2673

01:36:20,310 --> 01:36:17,840

still think the earth is flat it's okay

2674

01:36:21,830 --> 01:36:20,320

it's all right but virtually everybody

2675

01:36:23,430 --> 01:36:21,840

in the audience today we're on the same

2676

01:36:25,430 --> 01:36:23,440

page are we not

2677

01:36:27,030 --> 01:36:25,440

yeah we've got to be we've got to be i

2678

01:36:28,550 --> 01:36:27,040

mean i'm just going to pull this up

2679

01:36:30,470 --> 01:36:28,560

because it's a question that i just that

2680

01:36:31,669 --> 01:36:30,480

jumps out at me

2681

01:36:34,070 --> 01:36:31,679

apparently you've commented in the past

2682

01:36:36,390 --> 01:36:34,080

about connections with japan regarding

2683

01:36:37,990 --> 01:36:36,400

regarding disclosure back in the day

2684

01:36:40,550 --> 01:36:38,000

is do you have an opinion about where

2685

01:36:42,390 --> 01:36:40,560

they are right now

2686

01:36:44,390 --> 01:36:42,400

i i don't have an opinion where they are

2687

01:36:45,590 --> 01:36:44,400

japan but i do know this japan hasn't

2688

01:36:47,669 --> 01:36:45,600

done anything of late that's

2689

01:36:49,830 --> 01:36:47,679

particularly notable there is a ufo

2690

01:36:51,910 --> 01:36:49,840

interest there always has been uap

2691

01:36:54,470 --> 01:36:51,920

interest of course there was a couple of

2692

01:36:56,950 --> 01:36:54,480

interesting moments in the past 15 years

2693

01:36:59,510 --> 01:36:56,960

one of us in which one of the newly

2694

01:37:02,310 --> 01:36:59,520

elected prime ministers of japan's wife

2695

01:37:05,270 --> 01:37:02,320

uh uh talked about being a contractee uh

2696

01:37:06,870 --> 01:37:05,280

there was a point when a top minister

2697

01:37:08,950 --> 01:37:06,880

said something to the effect that et's

2698

01:37:10,149 --> 01:37:08,960

were kind of here and that generated a

2699

01:37:12,070 --> 01:37:10,159

lot of press

2700

01:37:13,590 --> 01:37:12,080

but japan is not a

2701  
01:37:15,590 --> 01:37:13,600  
it's not pushing disclosure it's not

2702  
01:37:17,189 --> 01:37:15,600  
doing anything profound there

2703  
01:37:20,709 --> 01:37:17,199  
and that is true of most of the nations

2704  
01:37:23,030 --> 01:37:20,719  
of the world in fact

2705  
01:37:24,629 --> 01:37:23,040  
if you think about it

2706  
01:37:26,870 --> 01:37:24,639  
and this is interesting

2707  
01:37:28,070 --> 01:37:26,880  
right

2708  
01:37:30,229 --> 01:37:28,080  
and you look at the developments that

2709  
01:37:31,750 --> 01:37:30,239  
have happened since 2017

2710  
01:37:33,669 --> 01:37:31,760  
yeah

2711  
01:37:36,790 --> 01:37:33,679  
i think it's quite remarkable how little

2712  
01:37:38,709 --> 01:37:36,800  
other nations have said

2713  
01:37:41,189 --> 01:37:38,719

you would think

2714

01:37:42,470 --> 01:37:41,199

that boy a lot of these other would want

2715

01:37:44,629 --> 01:37:42,480

to be on the record here you know what's

2716

01:37:46,149 --> 01:37:44,639

going on i mean rubio calls for the

2717

01:37:48,070 --> 01:37:46,159

reports and

2718

01:37:49,990 --> 01:37:48,080

former cia directors are coming for

2719

01:37:52,070 --> 01:37:50,000

people that were were dismissing this

2720

01:37:53,830 --> 01:37:52,080

issue out of hand not that many years

2721

01:37:54,709 --> 01:37:53,840

ago or suddenly coming forward saying

2722

01:37:55,590 --> 01:37:54,719

you know

2723

01:37:57,350 --> 01:37:55,600

uh

2724

01:37:58,629 --> 01:37:57,360

i don't think we we understand this

2725

01:37:59,750 --> 01:37:58,639

technology that they're showing there

2726

01:38:01,590 --> 01:37:59,760

you know i don't know if we have that

2727

01:38:04,070 --> 01:38:01,600

i'm talking brennan i'm talking woolsey

2728

01:38:05,189 --> 01:38:04,080

okay and others

2729

01:38:06,950 --> 01:38:05,199

you would think a lot of other

2730

01:38:09,430 --> 01:38:06,960

governments we want to jump in here and

2731

01:38:11,189 --> 01:38:09,440

say no no they're not

2732

01:38:14,950 --> 01:38:11,199

there is i mean there's coverage in

2733

01:38:16,950 --> 01:38:14,960

these other countries yeah of course

2734

01:38:19,350 --> 01:38:16,960

why aren't they jumping in with their

2735

01:38:21,590 --> 01:38:19,360

own views

2736

01:38:22,709 --> 01:38:21,600

why isn't boris saying anything why are

2737

01:38:25,350 --> 01:38:22,719

some of the members of parliament

2738

01:38:27,590 --> 01:38:25,360

jumping in hey i heard about marco rubio

2739

01:38:28,830 --> 01:38:27,600

i'll tell you why

2740

01:38:32,550 --> 01:38:28,840

let me tell you

2741

01:38:34,629 --> 01:38:32,560

something every developed nation

2742

01:38:36,790 --> 01:38:34,639

in most undeveloped nations but

2743

01:38:38,709 --> 01:38:36,800

certainly i say developed

2744

01:38:40,950 --> 01:38:38,719

the technological nation

2745

01:38:43,030 --> 01:38:40,960

the ones that have the technology the

2746

01:38:45,830 --> 01:38:43,040

defense departments the air force and so

2747

01:38:47,510 --> 01:38:45,840

forth there's a lot of these

2748

01:38:49,750 --> 01:38:47,520

every one of them is known about the e.t

2749

01:38:52,950 --> 01:38:49,760

presence for decades if not all the way

2750

01:38:54,950 --> 01:38:52,960

back to the 40s every single one of them

2751

01:38:56,629 --> 01:38:54,960

i can't repeat this enough for those

2752

01:38:58,310 --> 01:38:56,639

that are that are having cognizant

2753

01:39:00,149 --> 01:38:58,320

dissidents that could could have an

2754

01:39:01,270 --> 01:39:00,159

embolism blow out their brain at any

2755

01:39:02,229 --> 01:39:01,280

moment

2756

01:39:05,590 --> 01:39:02,239

all right

2757

01:39:07,189 --> 01:39:05,600

every single one of them knows

2758

01:39:08,870 --> 01:39:07,199

and that means that i don't care what

2759

01:39:11,109 --> 01:39:08,880

country we're talking about if you're

2760

01:39:12,950 --> 01:39:11,119

the prime minister or or even the

2761

01:39:14,550 --> 01:39:12,960

dictator of that country i assure you

2762

01:39:16,070 --> 01:39:14,560

you may not know about the programs

2763

01:39:17,669 --> 01:39:16,080

going on in the us but somebody in your

2764

01:39:20,709 --> 01:39:17,679

government has taken you aside and said

2765

01:39:22,709 --> 01:39:20,719

uh mr prime minister uh mr dick nader

2766

01:39:24,629 --> 01:39:22,719

great dictator great leader look you

2767

01:39:27,750 --> 01:39:24,639

know the e.t presence is real you know

2768

01:39:29,590 --> 01:39:27,760

we don't know much every single one of

2769

01:39:30,790 --> 01:39:29,600

them knows okay

2770

01:39:33,430 --> 01:39:30,800

so

2771

01:39:34,470 --> 01:39:33,440

therefore it is not surprising

2772

01:39:36,790 --> 01:39:34,480

that

2773

01:39:39,109 --> 01:39:36,800

as they have watched these things unfold

2774

01:39:41,669 --> 01:39:39,119

as they have seen that the pentagon has

2775

01:39:43,430 --> 01:39:41,679

vacantly said okay we give up

2776  
01:39:45,510 --> 01:39:43,440  
you know you know they're even meeting

2777  
01:39:47,590 --> 01:39:45,520  
with danny sheen and louis elizondo with

2778  
01:39:49,430 --> 01:39:47,600  
the ig office

2779  
01:39:51,270 --> 01:39:49,440  
and having substantial i mean

2780  
01:39:53,669 --> 01:39:51,280  
they see where this is going now the

2781  
01:39:55,590 --> 01:39:53,679  
pandemic has screwed that up and let's

2782  
01:39:57,430 --> 01:39:55,600  
be fair

2783  
01:39:59,270 --> 01:39:57,440  
other nations are having a worse time

2784  
01:40:00,470 --> 01:39:59,280  
than we are in many cases okay and so

2785  
01:40:02,470 --> 01:40:00,480  
you know they got people dying in the

2786  
01:40:04,149 --> 01:40:02,480  
droves and and it's going to get and

2787  
01:40:05,910 --> 01:40:04,159  
it's getting worse and so yeah that's a

2788  
01:40:08,390 --> 01:40:05,920

pretty big deal for them but they know

2789

01:40:11,109 --> 01:40:08,400

and so they know where this is going

2790

01:40:12,310 --> 01:40:11,119

and they're staying out of the way

2791

01:40:14,709 --> 01:40:12,320

all right

2792

01:40:16,870 --> 01:40:14,719

let's don't say or do anything that

2793

01:40:18,629 --> 01:40:16,880

could interrupt the process of making

2794

01:40:20,629 --> 01:40:18,639

this sausage here

2795

01:40:23,030 --> 01:40:20,639

right because i'm i'm the head of this

2796

01:40:25,430 --> 01:40:23,040

country anything i say could cause a

2797

01:40:27,669 --> 01:40:25,440

kerfuffle i don't know i don't want to

2798

01:40:29,750 --> 01:40:27,679

screw the pooch here all right

2799

01:40:32,229 --> 01:40:29,760

and so they're staying out of it

2800

01:40:33,510 --> 01:40:32,239

i believe deliberately and if asked they

2801  
01:40:35,030 --> 01:40:33,520  
will defer

2802  
01:40:37,750 --> 01:40:35,040  
they will demure

2803  
01:40:39,109 --> 01:40:37,760  
meaning look uh yeah yeah

2804  
01:40:41,510 --> 01:40:39,119  
whatever okay

2805  
01:40:43,590 --> 01:40:41,520  
uh and that's fine with me

2806  
01:40:45,830 --> 01:40:43,600  
all right i'm aware of some other things

2807  
01:40:47,910 --> 01:40:45,840  
going on but but overall it's it's under

2808  
01:40:49,750 --> 01:40:47,920  
the heading of yeah but uh we don't want

2809  
01:40:53,430 --> 01:40:49,760  
to talk about

2810  
01:40:55,270 --> 01:40:53,440  
that is another sign of how close we are

2811  
01:40:56,870 --> 01:40:55,280  
right in other words they understand

2812  
01:40:58,950 --> 01:40:56,880  
look

2813  
01:41:00,310 --> 01:40:58,960

the u.s needs to be the one to end this

2814

01:41:02,070 --> 01:41:00,320

embargo

2815

01:41:04,470 --> 01:41:02,080

putin could do it anytime he wants to we

2816

01:41:06,870 --> 01:41:04,480

understand we kind of prefer the us

2817

01:41:08,709 --> 01:41:06,880

same thing with gg pink we prefer the us

2818

01:41:09,910 --> 01:41:08,719

the us is the one that needs to end this

2819

01:41:12,790 --> 01:41:09,920

they're kind of getting there they're

2820

01:41:13,430 --> 01:41:12,800

almost there for god's sakes just cool

2821

01:41:16,470 --> 01:41:13,440

it

2822

01:41:17,669 --> 01:41:16,480

all right

2823

01:41:19,669 --> 01:41:17,679

in other words we're not going to be

2824

01:41:21,510 --> 01:41:19,679

calling british witnesses or russian

2825

01:41:24,229 --> 01:41:21,520

witnesses all we need is our own

2826

01:41:26,470 --> 01:41:24,239

military witnesses yeah mostly retired

2827

01:41:28,149 --> 01:41:26,480

maybe a few active all right

2828

01:41:29,910 --> 01:41:28,159

that's what we need and the president

2829

01:41:33,109 --> 01:41:29,920

can make the announcement and then putin

2830

01:41:35,830 --> 01:41:33,119

can follow and shiji pink can follow

2831

01:41:37,669 --> 01:41:35,840

and i think politically i think they

2832

01:41:39,350 --> 01:41:37,679

both feel that's probably the better way

2833

01:41:41,910 --> 01:41:39,360

to go but they could change their mind

2834

01:41:44,629 --> 01:41:41,920

at any moment i know the uk will be

2835

01:41:47,590 --> 01:41:44,639

thrilled okay we can stop dealing with

2836

01:41:49,430 --> 01:41:47,600

this these fans left the crap over this

2837

01:41:51,590 --> 01:41:49,440

right the uk is so knee-deep and the

2838

01:41:53,830 --> 01:41:51,600

truth embargo is not even funny we're so

2839

01:41:55,030 --> 01:41:53,840

far behind we just hang on the coattails

2840

01:41:56,629 --> 01:41:55,040

of the us

2841

01:41:59,109 --> 01:41:56,639

you may be far behind in terms of your

2842

01:42:02,390 --> 01:41:59,119

public actions oh yeah

2843

01:42:04,550 --> 01:42:02,400

mi6 is up to its ass in the e.t issue

2844

01:42:06,070 --> 01:42:04,560

right and and the nuclear issue and

2845

01:42:07,510 --> 01:42:06,080

everything else canada poor canada

2846

01:42:09,910 --> 01:42:07,520

they're up there they've been used by us

2847

01:42:13,109 --> 01:42:09,920

forever i assure you they would love to

2848

01:42:14,229 --> 01:42:13,119

see this thing open and then

2849

01:42:16,709 --> 01:42:14,239

and and by the way there's something

2850

01:42:20,229 --> 01:42:16,719

else i didn't mention

2851  
01:42:23,750 --> 01:42:21,750  
there is a way to do it that is the

2852  
01:42:25,990 --> 01:42:23,760  
appropriate way

2853  
01:42:28,229 --> 01:42:26,000  
it's the least disruptive way it is the

2854  
01:42:29,669 --> 01:42:28,239  
responsible way but it has one other

2855  
01:42:31,590 --> 01:42:29,679  
benefit

2856  
01:42:33,030 --> 01:42:31,600  
doing it this way

2857  
01:42:36,709 --> 01:42:33,040  
makes winners

2858  
01:42:37,590 --> 01:42:36,719  
not losers out of most of the principles

2859  
01:42:39,109 --> 01:42:37,600  
okay

2860  
01:42:40,950 --> 01:42:39,119  
all right

2861  
01:42:42,470 --> 01:42:40,960  
if the president suddenly wakes up one

2862  
01:42:44,070 --> 01:42:42,480  
day and says i've had enough of this and

2863  
01:42:46,470 --> 01:42:44,080

he goes out and says yeah there's

2864

01:42:48,550 --> 01:42:46,480

there's et's here i've known

2865

01:42:50,390 --> 01:42:48,560

i should have told you sooner

2866

01:42:52,390 --> 01:42:50,400

we're gonna take a raft of crap i mean

2867

01:42:53,910 --> 01:42:52,400

it's gonna be like oh you're telling us

2868

01:42:55,750 --> 01:42:53,920

today right you're telling us today is

2869

01:42:57,350 --> 01:42:55,760

that it that you're telling us okay and

2870

01:42:58,390 --> 01:42:57,360

he didn't tell us before

2871

01:43:00,229 --> 01:42:58,400

and then of course the defense

2872

01:43:01,350 --> 01:43:00,239

department is going to go nuts right but

2873

01:43:03,510 --> 01:43:01,360

wow

2874

01:43:06,390 --> 01:43:03,520

you just put us in a pot and honor

2875

01:43:07,750 --> 01:43:06,400

everybody is losing all right it's awful

2876

01:43:09,669 --> 01:43:07,760

it's chaos

2877

01:43:11,750 --> 01:43:09,679

it's not going to happen

2878

01:43:14,229 --> 01:43:11,760

now let's look at the hearing process

2879

01:43:16,870 --> 01:43:14,239

and what's going on right now

2880

01:43:18,950 --> 01:43:16,880

the pentagon's on board

2881

01:43:19,990 --> 01:43:18,960

they put out reports they briefed the

2882

01:43:21,990 --> 01:43:20,000

congress

2883

01:43:22,830 --> 01:43:22,000

they're making positive statements they

2884

01:43:27,510 --> 01:43:22,840

set up

2885

01:43:30,390 --> 01:43:27,520

a uh on a uap task force over at the o i

2886

01:43:32,950 --> 01:43:30,400

uh they're just being so helpful

2887

01:43:34,870 --> 01:43:32,960

and the navy is being helpful okay they

2888

01:43:36,790 --> 01:43:34,880

set up a new reporting process for the

2889

01:43:39,430 --> 01:43:36,800

pilots they encourage them to report and

2890

01:43:40,550 --> 01:43:39,440

so forth and so forth that's good

2891

01:43:41,830 --> 01:43:40,560

uh

2892

01:43:43,270 --> 01:43:41,840

congress is looking pretty good you've

2893

01:43:45,750 --> 01:43:43,280

got people in congress calling for

2894

01:43:48,149 --> 01:43:45,760

hearings they're getting the briefing

2895

01:43:49,430 --> 01:43:48,159

and of course if they have hearings

2896

01:43:51,510 --> 01:43:49,440

at least

2897

01:43:52,950 --> 01:43:51,520

70 members

2898

01:43:55,430 --> 01:43:52,960

that's about how many people are on the

2899

01:43:57,910 --> 01:43:55,440

two house intel and house and senate the

2900

01:43:59,350 --> 01:43:57,920

house and senate and houses and and the

2901

01:44:01,270 --> 01:43:59,360

house and senate intel and armed

2902

01:44:02,709 --> 01:44:01,280

services committees they're all going to

2903

01:44:04,629 --> 01:44:02,719

be on camera

2904

01:44:06,550 --> 01:44:04,639

hundreds of millions of people watching

2905

01:44:07,990 --> 01:44:06,560

as they asked intelligent questions you

2906

01:44:10,310 --> 01:44:08,000

don't have to be political here no show

2907

01:44:12,070 --> 01:44:10,320

no no photography show intelligent

2908

01:44:13,830 --> 01:44:12,080

questions of the witnesses

2909

01:44:16,070 --> 01:44:13,840

uh commander fravor

2910

01:44:18,390 --> 01:44:16,080

when did you first notice the tick tick

2911

01:44:20,229 --> 01:44:18,400

uh they're looking great they're getting

2912

01:44:21,910 --> 01:44:20,239

lots of great press lots of coverage

2913

01:44:23,430 --> 01:44:21,920

fantastic the committee chairs well of

2914

01:44:25,990 --> 01:44:23,440

course they get tremendous amounts of

2915

01:44:26,950 --> 01:44:26,000

exposure and interviews looking fine

2916

01:44:27,830 --> 01:44:26,960

okay

2917

01:44:30,709 --> 01:44:27,840

uh

2918

01:44:32,390 --> 01:44:30,719

and so the congress is winning

2919

01:44:34,310 --> 01:44:32,400

the president wins the president

2920

01:44:35,669 --> 01:44:34,320

basically is now able to come forward at

2921

01:44:38,550 --> 01:44:35,679

some point while these hearings have

2922

01:44:39,910 --> 01:44:38,560

gone along far enough and say

2923

01:44:41,910 --> 01:44:39,920

wow

2924

01:44:43,910 --> 01:44:41,920

this particular president who has stayed

2925

01:44:45,669 --> 01:44:43,920

out of this issue but i assure you knows

2926

01:44:47,189 --> 01:44:45,679

about this issue and i can get into that

2927

01:44:48,950 --> 01:44:47,199

but the point is that i assure you abide

2928

01:44:50,709 --> 01:44:48,960

knows about the disease he has stayed

2929

01:44:53,030 --> 01:44:50,719

out of virginia's whole career and so he

2930

01:44:54,550 --> 01:44:53,040

can come forward and say

2931

01:44:58,629 --> 01:44:54,560

i've been watching this testimony with

2932

01:45:00,390 --> 01:44:58,639

like you for days now extraordinary

2933

01:45:01,990 --> 01:45:00,400

and i've not discussed it with my top

2934

01:45:04,070 --> 01:45:02,000

people at the pentagon and with

2935

01:45:05,669 --> 01:45:04,080

congressional leaders

2936

01:45:07,910 --> 01:45:05,679

and we have come to the conclusion that

2937

01:45:09,590 --> 01:45:07,920

this testimony does

2938

01:45:11,669 --> 01:45:09,600

confirm that

2939

01:45:13,750 --> 01:45:11,679

some of these some of this

2940

01:45:16,070 --> 01:45:13,760

what we're seeing is in fact

2941

01:45:17,270 --> 01:45:16,080

non-human technology which means

2942

01:45:19,109 --> 01:45:17,280

extraterrestrial i even say

2943

01:45:21,189 --> 01:45:19,119

extraterrestrial technology

2944

01:45:24,870 --> 01:45:21,199

and people will go

2945

01:45:28,470 --> 01:45:24,880

thank you mr president thank you

2946

01:45:30,550 --> 01:45:28,480

i i watch too i i totally agree

2947

01:45:32,870 --> 01:45:30,560

and and you you have had the courage to

2948

01:45:34,790 --> 01:45:32,880

look at it and and say that's the truth

2949

01:45:38,070 --> 01:45:34,800

and come forward and tell us

2950

01:45:40,470 --> 01:45:38,080

you are a hero of mine the president

2951

01:45:41,590 --> 01:45:40,480

wins the congress wins the congress you

2952

01:45:43,669 --> 01:45:41,600

know

2953

01:45:45,109 --> 01:45:43,679

the witnesses win of course and by the

2954

01:45:46,550 --> 01:45:45,119

way the witnesses will be from different

2955

01:45:47,990 --> 01:45:46,560

services eventually the air force will

2956

01:45:49,590 --> 01:45:48,000

get on board the air force is completely

2957

01:45:51,430 --> 01:45:49,600

staying out of this they will not touch

2958

01:45:53,030 --> 01:45:51,440

us with the temple and people are saying

2959

01:45:55,590 --> 01:45:53,040

where's the air force

2960

01:45:57,590 --> 01:45:55,600

the reason is simple of all of the

2961

01:46:00,470 --> 01:45:57,600

agencies and services in the government

2962

01:46:03,430 --> 01:46:00,480

on this issue going back to 1947 the air

2963

01:46:06,310 --> 01:46:03,440

force has the absolute worst record

2964

01:46:08,870 --> 01:46:06,320

it is awful it is abysmal it is an

2965

01:46:10,390 --> 01:46:08,880

historical

2966

01:46:13,189 --> 01:46:10,400

snafu

2967

01:46:15,030 --> 01:46:13,199

and so they are the entity the agency

2968

01:46:16,550 --> 01:46:15,040

the service that is going to have the

2969

01:46:17,910 --> 01:46:16,560

worst public relation problems

2970

01:46:19,830 --> 01:46:17,920

afterwards they are the ones are gonna

2971

01:46:22,310 --> 01:46:19,840

have the toughest questions it's going

2972

01:46:25,430 --> 01:46:22,320

to be brutal

2973

01:46:27,510 --> 01:46:25,440

and so they're just kind of going look

2974

01:46:29,189 --> 01:46:27,520

the less we say the better

2975

01:46:31,030 --> 01:46:29,199

right everybody knows how awful our

2976

01:46:32,709 --> 01:46:31,040

record is and so if we say anything you

2977

01:46:34,310 --> 01:46:32,719

know they're going to say get out of

2978

01:46:35,669 --> 01:46:34,320

here right

2979

01:46:37,030 --> 01:46:35,679

then quiet

2980

01:46:38,550 --> 01:46:37,040

right they figure the less we say the

2981

01:46:40,870 --> 01:46:38,560

better it's off and then it'll go down

2982

01:46:42,390 --> 01:46:40,880

when it goes down that if the air force

2983

01:46:44,149 --> 01:46:42,400

ever comes forward and tries to get on

2984

01:46:46,550 --> 01:46:44,159

the disclosure train that is a sign that

2985

01:46:48,629 --> 01:46:46,560

we're really close okay

2986

01:46:50,790 --> 01:46:48,639

but the point i'm making is is that the

2987

01:46:53,510 --> 01:46:50,800

hearings process is making winners out

2988

01:46:55,830 --> 01:46:53,520

of lots and lots of agencies and people

2989

01:46:57,350 --> 01:46:55,840

yeah and some some of my colleagues some

2990

01:46:59,669 --> 01:46:57,360

of my supporters would say god damn it

2991

01:47:02,070 --> 01:46:59,679

stephen you're being too nice

2992

01:47:03,109 --> 01:47:02,080

right we want to punish them why not

2993

01:47:05,189 --> 01:47:03,119

suffer

2994

01:47:09,189 --> 01:47:05,199

right we want to put them in a corner

2995

01:47:11,109 --> 01:47:09,199

and rain down awful questions on no

2996

01:47:13,350 --> 01:47:11,119

look the idea is to get disclosure and

2997

01:47:15,030 --> 01:47:13,360

move forward here right right that's

2998

01:47:17,669 --> 01:47:15,040

what's important to the world

2999

01:47:19,430 --> 01:47:17,679

not how miserable you make you know he

3000

01:47:20,870 --> 01:47:19,440

was coming to these people history will

3001

01:47:22,550 --> 01:47:20,880

judge them

3002

01:47:25,430 --> 01:47:22,560

history will be kind history will be not

3003

01:47:26,870 --> 01:47:25,440

so kind let history do that job all

3004

01:47:29,189 --> 01:47:26,880

right

3005

01:47:31,270 --> 01:47:29,199

let's help the process let's make

3006

01:47:33,990 --> 01:47:31,280

friends because

3007

01:47:35,189 --> 01:47:34,000

and we probably should wrap this up here

3008

01:47:37,830 --> 01:47:35,199

uh

3009

01:47:40,390 --> 01:47:37,840

look disclosure is nothing more than the

3010

01:47:42,550 --> 01:47:40,400

confirmation of the e.t presence yeah

3011

01:47:44,070 --> 01:47:42,560

that's all it is we've known millions of

3012

01:47:45,430 --> 01:47:44,080

people know they're here 40 of the

3013

01:47:47,350 --> 01:47:45,440

public believe the phenomenon is

3014

01:47:49,669 --> 01:47:47,360

extraterrestrial that's the latest poll

3015

01:47:51,430 --> 01:47:49,679

been that way for 25 30 years gallup

3016

01:47:53,350 --> 01:47:51,440

just did a poll a couple weeks ago 40

3017

01:47:54,070 --> 01:47:53,360

yeah it's extraterrestrial

3018

01:47:56,149 --> 01:47:54,080

so

3019

01:47:59,030 --> 01:47:56,159

that's how big it's it's the most

3020

01:48:00,950 --> 01:47:59,040

profound event in human history

3021

01:48:01,750 --> 01:48:00,960

but that's all that it is

3022

01:48:04,070 --> 01:48:01,760

yeah

3023

01:48:05,750 --> 01:48:04,080

what comes next is the post-disclosure

3024

01:48:06,950 --> 01:48:05,760

world

3025

01:48:09,750 --> 01:48:06,960

that's where

3026

01:48:12,070 --> 01:48:09,760

all seven billion of us

3027

01:48:13,030 --> 01:48:12,080

have to rethink

3028

01:48:15,590 --> 01:48:13,040

how

3029

01:48:17,590 --> 01:48:15,600

what the world is like and and and what

3030

01:48:19,189 --> 01:48:17,600

it means and what we're gonna do and

3031

01:48:20,149 --> 01:48:19,199

what the government should do

3032

01:48:22,550 --> 01:48:20,159

and then we're gonna get all this

3033

01:48:24,470 --> 01:48:22,560

information including information about

3034

01:48:27,270 --> 01:48:24,480

tech and what we're gonna do about that

3035

01:48:29,750 --> 01:48:27,280

yeah that's a century's worth of work

3036

01:48:33,109 --> 01:48:29,760

the changes that we will see then

3037

01:48:34,950 --> 01:48:33,119

will be far greater than the simple

3038

01:48:36,550 --> 01:48:34,960

change of the government telling the

3039

01:48:38,070 --> 01:48:36,560

world something that's already known for

3040

01:48:40,070 --> 01:48:38,080

like most of the world's known for like

3041

01:48:41,910 --> 01:48:40,080

70 years absolutely and in the

3042

01:48:43,750 --> 01:48:41,920

post-disclosure world is when the action

3043

01:48:45,109 --> 01:48:43,760

happens the legislation takes place the

3044

01:48:47,910 --> 01:48:45,119

meetings take place the world view

3045

01:48:49,750 --> 01:48:47,920

changes take place that's when things

3046

01:48:51,830 --> 01:48:49,760

get real

3047

01:48:54,229 --> 01:48:51,840

and so we need all the friends in the

3048

01:48:56,790 --> 01:48:54,239

post-disclosure world we can get

3049

01:48:58,470 --> 01:48:56,800

and so this idea let's conduct

3050

01:49:01,030 --> 01:48:58,480

the disclosure process and get

3051

01:49:03,430 --> 01:49:01,040

disclosure by pissing off as many people

3052

01:49:05,830 --> 01:49:03,440

as possible ruining as many careers as

3053

01:49:07,830 --> 01:49:05,840

legacies as possible right creating as

3054

01:49:10,870 --> 01:49:07,840

many enemies as possible this is not the

3055

01:49:13,189 --> 01:49:10,880

way to go this isn't what you want to do

3056

01:49:14,470 --> 01:49:13,199

you want these people to be your friends

3057

01:49:16,470 --> 01:49:14,480

and they they're going to come and they

3058

01:49:18,310 --> 01:49:16,480

may come up to you afterwards some

3059

01:49:20,390 --> 01:49:18,320

former i don't know

3060

01:49:23,109 --> 01:49:20,400

military guy or general or some former

3061

01:49:24,550 --> 01:49:23,119

caa person or cia director

3062

01:49:26,950 --> 01:49:24,560

and say

3063

01:49:32,550 --> 01:49:29,910

i really appreciate the work you did

3064

01:49:35,189 --> 01:49:32,560

uh on this or you know i or just

3065

01:49:37,589 --> 01:49:35,199

introduced you just introduced to them

3066

01:49:40,550 --> 01:49:37,599

and you want to just hit them right away

3067

01:49:43,189 --> 01:49:40,560

you son of a [h\_\_h] you were you were you

3068

01:49:45,030 --> 01:49:43,199

were debunking this issue for 15 years

3069

01:49:46,070 --> 01:49:45,040

you lied about it over and over again

3070

01:49:47,750 --> 01:49:46,080

you were part of the truth and

3071

01:49:49,510 --> 01:49:47,760

bargaining or keep dipping it i hate

3072

01:49:51,030 --> 01:49:49,520

your guts

3073

01:49:53,669 --> 01:49:51,040

no

3074

01:49:55,750 --> 01:49:53,679

you want to say mr secretary it is a

3075

01:49:58,709 --> 01:49:55,760

pleasure to meet you i noticed your

3076

01:50:00,390 --> 01:49:58,719

statements about the recent developments

3077

01:50:03,270 --> 01:50:00,400

appreciate them greatly thank you yeah

3078

01:50:04,390 --> 01:50:03,280

yeah so much

3079

01:50:06,470 --> 01:50:04,400

you get you see what i'm getting at

3080

01:50:07,669 --> 01:50:06,480

benny i absolutely do and i think that's

3081

01:50:09,109 --> 01:50:07,679

right i mean

3082

01:50:10,870 --> 01:50:09,119

history will

3083

01:50:12,470 --> 01:50:10,880

you know catch up with the people that

3084

01:50:13,830 --> 01:50:12,480

he needs to catch up with when it comes

3085

01:50:15,430 --> 01:50:13,840

to the

3086

01:50:17,510 --> 01:50:15,440

the misdemeanors and

3087

01:50:19,510 --> 01:50:17,520

negative things which i'll do it quite

3088

01:50:22,149 --> 01:50:19,520

that way not catch up

3089

01:50:25,750 --> 01:50:22,159

history will account it will explain

3090

01:50:29,510 --> 01:50:27,350

hey by the time history gets involved

3091

01:50:31,589 --> 01:50:29,520

the statute of mutations is always over

3092

01:50:32,790 --> 01:50:31,599

history is about explaining and putting

3093

01:50:34,950 --> 01:50:32,800

in context

3094

01:50:37,750 --> 01:50:34,960

and then other people will read that and

3095

01:50:39,350 --> 01:50:37,760

they will they will have a judgment and

3096

01:50:41,430 --> 01:50:39,360

that's what establishes a person's

3097

01:50:43,189 --> 01:50:41,440

long-term legacy fair enough yeah

3098

01:50:44,629 --> 01:50:43,199

sometimes that historical legacy is

3099

01:50:47,589 --> 01:50:44,639

false because they just don't get it

3100

01:50:50,310 --> 01:50:47,599

right sometimes it's it's correct it but

3101  
01:50:52,390 --> 01:50:50,320  
it is what it is i'm not a historian i'm

3102  
01:50:53,750 --> 01:50:52,400  
an activist all right

3103  
01:50:58,950 --> 01:50:53,760  
let's

3104  
01:51:00,870 --> 01:50:58,960  
as it unfolds

3105  
01:51:02,149 --> 01:51:00,880  
as a great opportunity to make friends

3106  
01:51:04,310 --> 01:51:02,159  
in the media

3107  
01:51:06,629 --> 01:51:04,320  
make friends in our governments

3108  
01:51:10,390 --> 01:51:06,639  
make friends with our military

3109  
01:51:15,589 --> 01:51:13,510  
the day after disclosure

3110  
01:51:16,550 --> 01:51:15,599  
there's been a movie called that

3111  
01:51:18,790 --> 01:51:16,560  
yep

3112  
01:51:20,470 --> 01:51:18,800  
i had a book called that that i actually

3113  
01:51:22,470 --> 01:51:20,480

had an advance on with a major new york

3114

01:51:23,750 --> 01:51:22,480

publisher but i was mentally so screwed

3115

01:51:25,840 --> 01:51:23,760

up that i couldn't do the book and i had

3116

01:51:27,350 --> 01:51:25,850

to give the advance back

3117

01:51:29,990 --> 01:51:27,360

[Music]

3118

01:51:31,830 --> 01:51:30,000

the day after disclosure the situation

3119

01:51:34,390 --> 01:51:31,840

the day before disclosure will not have

3120

01:51:36,870 --> 01:51:34,400

changed and what's that situation

3121

01:51:40,470 --> 01:51:36,880

we are closer today to nuclear war than

3122

01:51:42,390 --> 01:51:40,480

we've ever been since 1945.

3123

01:51:44,709 --> 01:51:42,400

now that's a statement that

3124

01:51:46,950 --> 01:51:44,719

doesn't sound like much

3125

01:51:50,149 --> 01:51:46,960

but i can't overemphasize how important

3126

01:51:52,550 --> 01:51:50,159

it is right

3127

01:51:54,229 --> 01:51:52,560

we are in cold war too

3128

01:51:55,589 --> 01:51:54,239

the world is more stable than it's ever

3129

01:51:57,589 --> 01:51:55,599

been

3130

01:51:59,669 --> 01:51:57,599

the bulletin of atomic scientists which

3131

01:52:01,350 --> 01:51:59,679

has been tracking nuclear war risk since

3132

01:52:03,189 --> 01:52:01,360

1947

3133

01:52:05,109 --> 01:52:03,199

not that long ago moved the clock the

3134

01:52:06,870 --> 01:52:05,119

doomsday clock to 100 seconds to

3135

01:52:08,550 --> 01:52:06,880

midnight a minute 40. it's the closest

3136

01:52:10,070 --> 01:52:08,560

it's ever been closer than the cuban

3137

01:52:12,550 --> 01:52:10,080

missile crisis

3138

01:52:14,470 --> 01:52:12,560

closer than during the actual third cold

3139

01:52:16,310 --> 01:52:14,480

war one

3140

01:52:17,750 --> 01:52:16,320

and there are reasons for that i don't

3141

01:52:19,589 --> 01:52:17,760

think i want to go into them right now

3142

01:52:21,910 --> 01:52:19,599

uh because it's an hour and we're

3143

01:52:23,189 --> 01:52:21,920

already over over time the point is this

3144

01:52:25,270 --> 01:52:23,199

is that

3145

01:52:26,470 --> 01:52:25,280

we could have a nuclear war tomorrow

3146

01:52:28,870 --> 01:52:26,480

right

3147

01:52:31,430 --> 01:52:28,880

and we have been living on that edge for

3148

01:52:33,669 --> 01:52:31,440

far too long we have we've been lucky

3149

01:52:35,589 --> 01:52:33,679

yeah that our luck could end tomorrow

3150

01:52:38,149 --> 01:52:35,599

and i assure you if we have that nuclear

3151  
01:52:40,310 --> 01:52:38,159  
war whatever your political issues are

3152  
01:52:42,149 --> 01:52:40,320  
whatever your vaccination issues are

3153  
01:52:44,550 --> 01:52:42,159  
whatever your hopes and dreams are

3154  
01:52:45,350 --> 01:52:44,560  
they're done they're over they're done

3155  
01:52:46,390 --> 01:52:45,360  
okay

3156  
01:52:48,470 --> 01:52:46,400  
all right

3157  
01:52:50,709 --> 01:52:48,480  
if you're lucky you'll die in the

3158  
01:52:53,030 --> 01:52:50,719  
initial blast

3159  
01:52:55,189 --> 01:52:53,040  
if you're unlucky you'll survive the

3160  
01:52:57,669 --> 01:52:55,199  
initial blast and you will die later

3161  
01:52:58,790 --> 01:52:57,679  
okay yeah that's really all you can hope

3162  
01:53:02,149 --> 01:52:58,800  
for

3163  
01:53:04,310 --> 01:53:02,159

and we are one screw-up away from that

3164

01:53:08,390 --> 01:53:04,320

and that will be true the day after

3165

01:53:11,430 --> 01:53:09,990

now again i'm going to be talking about

3166

01:53:12,870 --> 01:53:11,440

this more as we go forward people are

3167

01:53:15,589 --> 01:53:12,880

going to get really irritated they're

3168

01:53:17,030 --> 01:53:15,599

going to call me a fear of monger or uh

3169

01:53:19,270 --> 01:53:17,040

you're off you're you're out of your

3170

01:53:20,390 --> 01:53:19,280

zone or whatever the hell but no no no

3171

01:53:22,550 --> 01:53:20,400

no

3172

01:53:25,589 --> 01:53:22,560

because and this is going to be i'm

3173

01:53:27,430 --> 01:53:25,599

going to be given this lecture

3174

01:53:29,430 --> 01:53:27,440

at the conscious light expo

3175

01:53:31,430 --> 01:53:29,440

which is coming up next week uh i think

3176

01:53:34,070 --> 01:53:31,440

i'm lecturing on on doing a panel on

3177

01:53:35,030 --> 01:53:34,080

sunday this is the lax hotel yeah right

3178

01:53:35,910 --> 01:53:35,040

right now

3179

01:53:38,629 --> 01:53:35,920

yeah

3180

01:53:41,430 --> 01:53:38,639

so people can go on uh just google a

3181

01:53:43,030 --> 01:53:41,440

conscious life expo and you can find out

3182

01:53:44,310 --> 01:53:43,040

how to participate in that it's actually

3183

01:53:47,990 --> 01:53:44,320

going to be live

3184

01:53:50,070 --> 01:53:48,000

at the la expo uh lax lax hotel and in a

3185

01:53:52,229 --> 01:53:50,080

hilton hotel in london and it's going to

3186

01:53:53,430 --> 01:53:52,239

be online so it's going to be both this

3187

01:53:55,189 --> 01:53:53,440

will be the first live audience i've

3188

01:53:56,870 --> 01:53:55,199

been in front of in 22 months i'm going

3189

01:53:57,830 --> 01:53:56,880

to be talking about this

3190

01:54:01,270 --> 01:53:57,840

but

3191

01:54:05,430 --> 01:54:02,950

the two most important things that have

3192

01:54:06,950 --> 01:54:05,440

been going on since 1945

3193

01:54:08,470 --> 01:54:06,960

are the extraterrestrial presence and

3194

01:54:09,750 --> 01:54:08,480

the nuclear arms race

3195

01:54:11,589 --> 01:54:09,760

and it turns out that they are

3196

01:54:13,589 --> 01:54:11,599

interconnected

3197

01:54:15,589 --> 01:54:13,599

and that interconnection needs to be

3198

01:54:17,990 --> 01:54:15,599

much more developed in terms of the

3199

01:54:19,430 --> 01:54:18,000

public mind we need to get into that far

3200

01:54:21,589 --> 01:54:19,440

deeper because it may be the most

3201

01:54:23,189 --> 01:54:21,599

important aspect of it all

3202

01:54:24,550 --> 01:54:23,199

and so again what up the point i'm

3203

01:54:25,990 --> 01:54:24,560

making is this

3204

01:54:28,070 --> 01:54:26,000

the day after disclosure the risk of

3205

01:54:30,470 --> 01:54:28,080

nuclear war is just as great

3206

01:54:32,709 --> 01:54:30,480

but the day after disclosure

3207

01:54:34,629 --> 01:54:32,719

may be the beginning

3208

01:54:36,950 --> 01:54:34,639

of the human race

3209

01:54:40,550 --> 01:54:36,960

finally moving to

3210

01:54:42,310 --> 01:54:40,560

an understanding followed by action

3211

01:54:45,030 --> 01:54:42,320

that that cannot continue

3212

01:54:46,070 --> 01:54:45,040

sure that we need to do the nuclear arms

3213

01:54:48,149 --> 01:54:46,080

issue

3214

01:54:50,470 --> 01:54:48,159  
once and for all

3215

01:54:51,510 --> 01:54:50,480  
or we're going to

3216

01:54:53,030 --> 01:54:51,520  
expire

3217

01:54:55,510 --> 01:54:53,040  
our civilization is going to be

3218

01:54:57,350 --> 01:54:55,520  
destroyed it'll be set back

3219

01:54:59,109 --> 01:54:57,360  
500 years

3220

01:55:01,270 --> 01:54:59,119  
all hell will reign loose it will be

3221

01:55:03,750 --> 01:55:01,280  
awful it will it will post traumatic

3222

01:55:06,229 --> 01:55:03,760  
stress syndrome

3223

01:55:07,510 --> 01:55:06,239  
you can't imagine uh how how bad that

3224

01:55:08,790 --> 01:55:07,520  
will be so

3225

01:55:11,750 --> 01:55:08,800  
we have to make a decision and we can't

3226

01:55:13,990 --> 01:55:11,760

do it now in in the pre-disclosure world

3227

01:55:16,950 --> 01:55:14,000

nothing is happening we have utterly

3228

01:55:19,270 --> 01:55:16,960

failed we cannot deal with the nuclear

3229

01:55:21,109 --> 01:55:19,280

weapons issue the nuclear armaments

3230

01:55:23,589 --> 01:55:21,119

issue and reduction of arms we cannot do

3231

01:55:26,390 --> 01:55:23,599

with it it is a complete failure

3232

01:55:28,229 --> 01:55:26,400

and so at any day now it's over

3233

01:55:29,830 --> 01:55:28,239

we've been living that way so long we've

3234

01:55:31,109 --> 01:55:29,840

gotten used to it

3235

01:55:34,870 --> 01:55:31,119

it's like

3236

01:55:36,950 --> 01:55:34,880

herculians they were living next to that

3237

01:55:38,709 --> 01:55:36,960

volcano they got used to it it's like

3238

01:55:39,910 --> 01:55:38,719

you know it's

3239

01:55:41,910 --> 01:55:39,920

weird

3240

01:55:43,830 --> 01:55:41,920

but you know we got used to it

3241

01:55:45,430 --> 01:55:43,840

and then one day it exploded

3242

01:55:48,470 --> 01:55:45,440

and because they were so used to it they

3243

01:55:50,070 --> 01:55:48,480

took way too long getting out of town

3244

01:55:51,750 --> 01:55:50,080

we're in the same exact boat we have

3245

01:55:54,310 --> 01:55:51,760

been living next to the nuclear arms

3246

01:55:56,229 --> 01:55:54,320

volcano now for 74 years

3247

01:55:58,470 --> 01:55:56,239

and when it finally goes off hardly

3248

01:56:00,470 --> 01:55:58,480

anybody is going to get out of town

3249

01:56:01,350 --> 01:56:00,480

so we have got to deal with it and we

3250

01:56:02,790 --> 01:56:01,360

can't

3251  
01:56:05,030 --> 01:56:02,800  
and what i have said countless times

3252  
01:56:07,109 --> 01:56:05,040  
over the last years is that the first

3253  
01:56:09,750 --> 01:56:07,119  
opportunity to actually deal with the

3254  
01:56:11,669 --> 01:56:09,760  
situation that we created

3255  
01:56:13,830 --> 01:56:11,679  
starts the day after disclosure and

3256  
01:56:15,189 --> 01:56:13,840  
that's why disclosure needs to happen

3257  
01:56:17,750 --> 01:56:15,199  
that's why it should have happened five

3258  
01:56:20,070 --> 01:56:17,760  
years ago ten years ago or even back in

3259  
01:56:21,830 --> 01:56:20,080  
1996

3260  
01:56:23,990 --> 01:56:21,840  
when rockefeller made the move and

3261  
01:56:25,750 --> 01:56:24,000  
clinton went to the dod and the air

3262  
01:56:27,990 --> 01:56:25,760  
force and said i need help here i need

3263  
01:56:29,830 --> 01:56:28,000

files and they told him to go to hell

3264

01:56:32,229 --> 01:56:29,840

and the air force created a 12 million

3265

01:56:33,109 --> 01:56:32,239

dollar fake report

3266

01:56:35,669 --> 01:56:33,119

re

3267

01:56:38,629 --> 01:56:35,679

uh describing roswell is not a raw wind

3268

01:56:41,030 --> 01:56:38,639

balloon but a mogul balloon and this is

3269

01:56:43,669 --> 01:56:41,040

a disgrace that will be on the

3270

01:56:46,950 --> 01:56:43,679

historical record of air force secretary

3271

01:56:48,149 --> 01:56:46,960

sheila whitnall until the end of time

3272

01:56:49,830 --> 01:56:48,159

i'm not

3273

01:56:51,910 --> 01:56:49,840

throwing shade here

3274

01:56:54,229 --> 01:56:51,920

actually a brilliant woman and the first

3275

01:56:56,149 --> 01:56:54,239

woman secretary of the air force quite a

3276

01:56:58,709 --> 01:56:56,159

legacy but she was the head of the air

3277

01:57:01,030 --> 01:56:58,719

force when that report was made

3278

01:57:02,910 --> 01:57:01,040

that's what happened then

3279

01:57:06,550 --> 01:57:02,920

now it is

3280

01:57:08,310 --> 01:57:06,560

25 years later

3281

01:57:10,709 --> 01:57:08,320

and the nuclear arms situation has

3282

01:57:12,790 --> 01:57:10,719

gotten worse every year

3283

01:57:15,270 --> 01:57:12,800

we're closer to nuclear war than ever

3284

01:57:17,189 --> 01:57:15,280

but we are on the verge of disclosure

3285

01:57:19,030 --> 01:57:17,199

that's what's going on vinnie

3286

01:57:20,390 --> 01:57:19,040

i appreciate your patience

3287

01:57:21,030 --> 01:57:20,400

i haven't

3288

01:57:25,589 --> 01:57:21,040

i

3289

01:57:26,950 --> 01:57:25,599

you what

3290

01:57:28,629 --> 01:57:26,960

i'm willing to give you some time for

3291

01:57:30,070 --> 01:57:28,639

some rapid questions in other words if

3292

01:57:31,589 --> 01:57:30,080

you've got something that has a short

3293

01:57:33,189 --> 01:57:31,599

question i will actually give you a

3294

01:57:34,070 --> 01:57:33,199

short answer if there's anything on your

3295

01:57:35,109 --> 01:57:34,080

flight

3296

01:57:36,470 --> 01:57:35,119

if not

3297

01:57:39,189 --> 01:57:36,480

wrap it up

3298

01:57:41,270 --> 01:57:39,199

what do you got anything

3299

01:57:44,070 --> 01:57:41,280

like like is it that i looked as good at

3300

01:57:46,070 --> 01:57:44,080

this age i mean something easier

3301

01:57:48,550 --> 01:57:46,080

you literally got to within the very end

3302

01:57:50,229 --> 01:57:48,560

of my my list so what i will say is

3303

01:57:52,470 --> 01:57:50,239

what's next for you

3304

01:57:54,950 --> 01:57:52,480

and the paradigm research group

3305

01:57:57,430 --> 01:57:54,960

assuming the plan that you just gave us

3306

01:57:58,470 --> 01:57:57,440

kind of starts to flow

3307

01:57:59,750 --> 01:57:58,480

is there anything else you're going to

3308

01:58:02,470 --> 01:57:59,760

do are you just going to keep pushing

3309

01:58:04,310 --> 01:58:02,480

are you involved with

3310

01:58:06,790 --> 01:58:04,320

you know are you able to push this

3311

01:58:08,950 --> 01:58:06,800

forward anymore thank you for answering

3312

01:58:11,109 --> 01:58:08,960

that i appreciate it

3313

01:58:13,750 --> 01:58:11,119

uh i have a major announcement i will be

3314

01:58:16,870 --> 01:58:13,760

making either at the end of this month

3315

01:58:17,589 --> 01:58:16,880

or the first 10 days of october

3316

01:58:20,070 --> 01:58:17,599

uh

3317

01:58:22,550 --> 01:58:20,080

we will know

3318

01:58:24,470 --> 01:58:22,560

i'm going to be doing okay

3319

01:58:26,310 --> 01:58:24,480

all right

3320

01:58:29,189 --> 01:58:26,320

and and and uh so

3321

01:58:31,270 --> 01:58:29,199

uh sorry i can't go more into it though

3322

01:58:33,350 --> 01:58:31,280

there are reasons for that uh but i'm

3323

01:58:36,470 --> 01:58:33,360

teasing people to death because hey

3324

01:58:38,390 --> 01:58:36,480

that's what you do right

3325

01:58:39,669 --> 01:58:38,400

on the internet first you tease them

3326

01:58:41,030 --> 01:58:39,679

until they're crazy and then you hit

3327

01:58:43,189 --> 01:58:41,040

them with the real thing and then you

3328

01:58:45,350 --> 01:58:43,199

pound away at that until it's a meme and

3329

01:58:47,109 --> 01:58:45,360

then you go you go viral and you're an

3330

01:58:50,790 --> 01:58:47,119

influencer that's how you do so it

3331

01:58:52,550 --> 01:58:50,800

starts with the t's so there's the t's

3332

01:58:54,470 --> 01:58:52,560

october pretty major announcement from

3333

01:58:55,750 --> 01:58:54,480

paradigm research group that's fantastic

3334

01:58:57,189 --> 01:58:55,760

and we look forward to it but literally

3335

01:58:59,270 --> 01:58:57,199

you've covered everything i had i didn't

3336

01:59:01,669 --> 01:58:59,280

even need to revert to my notes so

3337

01:59:02,870 --> 01:59:01,679

listen i i just want to say thank you so

3338

01:59:04,790 --> 01:59:02,880

much

3339

01:59:06,790 --> 01:59:04,800

for for joining me first of all and for

3340

01:59:09,270 --> 01:59:06,800

giving us your breakdown and rundown and

3341

01:59:11,189 --> 01:59:09,280

everything dating back in history right

3342

01:59:12,390 --> 01:59:11,199

up until now i am just going to take

3343

01:59:14,470 --> 01:59:12,400

this moment though to give a shout out

3344

01:59:16,070 --> 01:59:14,480

to one particular follower who has been

3345

01:59:17,910 --> 01:59:16,080

making a couple of donations throughout

3346

01:59:20,070 --> 01:59:17,920

guy springthorpe thank you so much for

3347

01:59:22,070 --> 01:59:20,080

the support i appreciate you my man so

3348

01:59:22,950 --> 01:59:22,080

thank you so much for the support

3349

01:59:24,950 --> 01:59:22,960

um

3350

01:59:26,950 --> 01:59:24,960

steve let's do this in the future let's

3351  
01:59:28,470 --> 01:59:26,960  
see how this progresses and maybe we'll

3352  
01:59:31,030 --> 01:59:28,480  
be having a different conversation a few

3353  
01:59:32,070 --> 01:59:31,040  
months down the line fingers crossed

3354  
01:59:34,550 --> 01:59:32,080  
of course

3355  
01:59:35,830 --> 01:59:34,560  
my website is paradigm research group

3356  
01:59:38,870 --> 01:59:35,840  
everything's linked below in the

3357  
01:59:41,030 --> 01:59:38,880  
description it's down there

3358  
01:59:42,149 --> 01:59:41,040  
there's a you can sign up for the free

3359  
01:59:44,470 --> 01:59:42,159  
mail list

3360  
01:59:45,430 --> 01:59:44,480  
uh there's a contribution page

3361  
01:59:47,270 --> 01:59:45,440  
also

3362  
01:59:48,070 --> 01:59:47,280  
if you go into the resources and the

3363  
01:59:49,589 --> 01:59:48,080

issues issue

3364

01:59:52,790 --> 01:59:49,599

[Music]

3365

01:59:54,950 --> 01:59:52,800

you can find a a section that has 1 000

3366

01:59:57,030 --> 01:59:54,960

linked articles

3367

01:59:58,950 --> 01:59:57,040

earmarked and read about all the stuff

3368

02:00:00,709 --> 01:59:58,960

we just talked about ttsa all the things

3369

02:00:03,189 --> 02:00:00,719

that are and one thousand of them you

3370

02:00:06,070 --> 02:00:03,199

can also find a section that's got 160

3371

02:00:07,990 --> 02:00:06,080

video clips relating to the ttsa and

3372

02:00:09,270 --> 02:00:08,000

louis alessandro and melon and other

3373

02:00:10,870 --> 02:00:09,280

witnesses that have come forward that's

3374

02:00:13,830 --> 02:00:10,880

160.

3375

02:00:15,669 --> 02:00:13,840

i hope to add another 50 to 60 soon

3376

02:00:17,430 --> 02:00:15,679

uh so there's enormous resources for

3377

02:00:19,350 --> 02:00:17,440

there people want to get up to speed

3378

02:00:20,550 --> 02:00:19,360

yeah and and and deal with the

3379

02:00:22,149 --> 02:00:20,560

cognitive dissonance that they're

3380

02:00:23,750 --> 02:00:22,159

feeling right right now as they're going

3381

02:00:26,149 --> 02:00:23,760

i don't get this

3382

02:00:27,910 --> 02:00:26,159

so uh i invite you to do that and and

3383

02:00:30,709 --> 02:00:27,920

support vinnie and support everybody in

3384

02:00:33,189 --> 02:00:30,719

this field and remember

3385

02:00:35,189 --> 02:00:33,199

you want to make friends not enemies as

3386

02:00:37,270 --> 02:00:35,199

the biggest event in human history

3387

02:00:39,030 --> 02:00:37,280

approaches

3388

02:00:41,030 --> 02:00:39,040

absolutely i'm out

3389

02:00:42,550 --> 02:00:41,040

thank you so much steve

3390

02:00:44,470 --> 02:00:42,560

until the next time my friend i

3391

02:00:45,990 --> 02:00:44,480

appreciate you all the best and to

3392

02:00:47,270 --> 02:00:46,000

everyone watching i will see you on the

3393

02:00:49,189 --> 02:00:47,280

next one

3394

02:00:50,229 --> 02:00:49,199

thank you so much for your support
