00:00:01,850 --> 00:00:32,310

[Music]

2  
00:00:37,270 --> 00:00:34,630

how's it going everybody thank you so

3  
00:00:38,709 --> 00:00:37,280

much for joining me tonight i say

4  
00:00:39,910 --> 00:00:38,719

tonight it's eight o'clock here in the

5  
00:00:42,150 --> 00:00:39,920

uk

6  
00:00:44,310 --> 00:00:42,160

so yeah thank you so much this was

7  
00:00:45,750 --> 00:00:44,320

something that i really wanted to put

8  
00:00:47,510 --> 00:00:45,760

together a conversation about what

9  
00:00:50,150 --> 00:00:47,520

happened last weekend in san marino with

10  
00:00:52,229 --> 00:00:50,160

the international ufo symposium

11  
00:00:53,590 --> 00:00:52,239

so let's start bringing in some guests

12  
00:00:55,110 --> 00:00:53,600

we've got a couple of guests coming in a

13  
00:00:57,670 --> 00:00:55,120

little bit later on

14

00:00:59,430 --> 00:00:57,680

so first of all i'd like to introduce uh

15

00:01:00,630 --> 00:00:59,440

my very good friend and colleague mr

16

00:01:02,470 --> 00:01:00,640

sean rash

17

00:01:04,549 --> 00:01:02,480

sean how are you doing pretty good

18

00:01:06,550 --> 00:01:04,559

thanks finney for having me hey pleasure

19

00:01:07,990 --> 00:01:06,560

man it's i'm it's good to see you man

20

00:01:09,750 --> 00:01:08,000

you've been away and we might touch upon

21

00:01:12,469 --> 00:01:09,760

that as well yeah not saying mourinho

22

00:01:16,149 --> 00:01:12,479

saying clemente but there we go man and

23

00:01:18,630 --> 00:01:16,159

and then we're gonna start off um with

24

00:01:20,230 --> 00:01:18,640

mr gary hasselton gary how are you doing

25

00:01:22,390 --> 00:01:20,240

i'm fine thank you thank you for

26

00:01:23,670 --> 00:01:22,400

inviting me back hey no thank you so

27

00:01:25,109 --> 00:01:23,680

much for joining me like i was just

28

00:01:27,350 --> 00:01:25,119

saying i really wanted to touch upon

29

00:01:29,350 --> 00:01:27,360

this san marino conference because

30

00:01:30,789 --> 00:01:29,360

i think um initially a lot of people

31

00:01:31,910 --> 00:01:30,799

thought it was just another ufo

32

00:01:33,910 --> 00:01:31,920

conference

33

00:01:35,429 --> 00:01:33,920

but i think what we've garnered

34

00:01:36,870 --> 00:01:35,439

over the past week or so is that there's

35

00:01:37,749 --> 00:01:36,880

something maybe going on behind the

36

00:01:40,310 --> 00:01:37,759

scenes

37

00:01:41,830 --> 00:01:40,320

you know with isa being involved roberto

38

00:01:44,789 --> 00:01:41,840

pinotti

39

00:01:45,590 --> 00:01:44,799  
putting this on um even with the

40

00:01:52,789 --> 00:01:45,600  
the

41

00:01:55,429 --> 00:01:52,799  
republic of san marino sorry i'm reading

42

00:01:57,749 --> 00:01:55,439  
that this this was going to be something

43

00:01:59,910 --> 00:01:57,759  
can you elude on

44

00:02:00,870 --> 00:01:59,920  
on on that sort of background and and

45

00:02:02,709 --> 00:02:00,880  
stuff

46

00:02:04,550 --> 00:02:02,719  
uh yes and no what you've got to

47

00:02:07,590 --> 00:02:04,560  
appreciate is that

48

00:02:09,830 --> 00:02:07,600  
my loyalty is towards isa and obviously

49

00:02:12,710 --> 00:02:09,840  
its members and representatives

50

00:02:15,430 --> 00:02:12,720  
so we are going to be having a an

51  
00:02:17,750 --> 00:02:15,440  
executive council meeting on sunday to

52  
00:02:19,750 --> 00:02:17,760  
discuss everything that was involved in

53  
00:02:21,430 --> 00:02:19,760  
the san marino conference and there were

54  
00:02:22,630 --> 00:02:21,440  
in your right there were things going on

55  
00:02:25,030 --> 00:02:22,640  
in the background

56  
00:02:27,110 --> 00:02:25,040  
um but we need to report it through the

57  
00:02:29,910 --> 00:02:27,120  
executive council first then to the

58  
00:02:30,869 --> 00:02:29,920  
members and deputies and then we'll put

59  
00:02:33,670 --> 00:02:30,879  
some

60  
00:02:35,750 --> 00:02:33,680  
media press releases out to that effect

61  
00:02:38,470 --> 00:02:35,760  
so i'm a bit limited in what i can say

62  
00:02:40,869 --> 00:02:38,480  
but suffice to say yes you're right and

63  
00:02:41,830 --> 00:02:40,879

there has been the italian

64

00:02:44,550 --> 00:02:41,840

uh

65

00:02:46,790 --> 00:02:44,560

organization that was associated with

66

00:02:53,509 --> 00:02:46,800

isa for the conference they've put out a

67

00:02:57,270 --> 00:02:55,350

um so that's out there so that's a

68

00:02:59,190 --> 00:02:57,280

matter of public domain so if you caught

69

00:03:01,670 --> 00:02:59,200

from that then then you've got it from

70

00:03:03,270 --> 00:03:01,680

the horse's mouth as to what we're doing

71

00:03:05,350 --> 00:03:03,280

but from a nicer point of view i think i

72

00:03:07,750 --> 00:03:05,360

should go through the protocols

73

00:03:09,509 --> 00:03:07,760

before i can speak further

74

00:03:11,830 --> 00:03:09,519

i understand yeah i think what i

75

00:03:14,949 --> 00:03:11,840

gathered i had a couple of people um who

76

00:03:16,309 --> 00:03:14,959

i'm friends with in italy who pretty

77

00:03:18,869 --> 00:03:16,319

much straight away said that you're

78

00:03:21,430 --> 00:03:18,879

trying to bring the symposium itself

79

00:03:23,990 --> 00:03:21,440

under the aegis of the united nations

80

00:03:27,750 --> 00:03:24,000

umbrella going forward into next year

81

00:03:29,990 --> 00:03:27,760

the 31st year of the symposium which

82

00:03:32,550 --> 00:03:30,000

let's speculate that if you can't talk

83

00:03:35,110 --> 00:03:32,560

on it let's speculate about it

84

00:03:36,789 --> 00:03:35,120

if that was to happen going forward what

85

00:03:39,350 --> 00:03:36,799

does that mean for different countries

86

00:03:41,110 --> 00:03:39,360

coming together potentially

87

00:03:44,710 --> 00:03:41,120

for the future

88

00:03:47,030 --> 00:03:44,720

i think basically the initiative is to

89

00:03:48,070 --> 00:03:47,040

approach the united nations through san

90

00:03:50,229 --> 00:03:48,080

marino

91

00:03:54,070 --> 00:03:50,239

to see if they will

92

00:03:55,429 --> 00:03:54,080

i guess endorse the idea that it's a un

93

00:03:58,869 --> 00:03:55,439

backed

94

00:04:00,630 --> 00:03:58,879

symposium from 2022 onwards now that

95

00:04:02,949 --> 00:04:00,640

would be a pretty amazing thing if that

96

00:04:05,270 --> 00:04:02,959

happened if you think about it

97

00:04:06,550 --> 00:04:05,280

we we have said that when we launched

98

00:04:09,270 --> 00:04:06,560

that we would

99

00:04:11,270 --> 00:04:09,280

hopefully over time seek to get worse to

100

00:04:13,910 --> 00:04:11,280

the highest levels of governance

101  
00:04:16,710 --> 00:04:13,920  
including the united nations so if this

102  
00:04:19,830 --> 00:04:16,720  
is one possible approach then it's one

103  
00:04:22,710 --> 00:04:19,840  
that we should take naturally

104  
00:04:24,469 --> 00:04:22,720  
it remains to be seen whether san marino

105  
00:04:26,310 --> 00:04:24,479  
would

106  
00:04:28,150 --> 00:04:26,320  
agree to to

107  
00:04:30,550 --> 00:04:28,160  
accept the proposal that we've put

108  
00:04:32,870 --> 00:04:30,560  
towards them and they would then submit

109  
00:04:34,710 --> 00:04:32,880  
it uh to the united nations saying we

110  
00:04:37,590 --> 00:04:34,720  
want to do this that's the big thing

111  
00:04:39,350 --> 00:04:37,600  
it's getting a country and the reason

112  
00:04:40,790 --> 00:04:39,360  
why

113  
00:04:42,790 --> 00:04:40,800

uh in a sense

114

00:04:45,510 --> 00:04:42,800

san marino was chosen because of

115

00:04:48,310 --> 00:04:45,520

roberto's panotti's had 30 years of

116

00:04:49,830 --> 00:04:48,320

conferences there and i believe that

117

00:04:52,710 --> 00:04:49,840

actually the san marino government has

118

00:04:54,629 --> 00:04:52,720

often financed or helped finance the

119

00:04:56,469 --> 00:04:54,639

conferences

120

00:04:58,790 --> 00:04:56,479

over the years so there's been a long

121

00:05:01,830 --> 00:04:58,800

association there with the the

122

00:05:04,230 --> 00:05:01,840

organization that roberto organized uh

123

00:05:06,150 --> 00:05:04,240

put together many many decades ago so

124

00:05:07,189 --> 00:05:06,160

there's a long association there small

125

00:05:09,070 --> 00:05:07,199

country

126

00:05:10,950 --> 00:05:09,080

uh in some ways maybe easy

127

00:05:13,670 --> 00:05:10,960

bureaucratically

128

00:05:16,150 --> 00:05:13,680

yeah i was going to say that

129

00:05:18,710 --> 00:05:16,160

and therefore hopefully you know maybe

130

00:05:21,990 --> 00:05:18,720

take it forward but we in a sense the

131

00:05:25,189 --> 00:05:22,000

proposal has been uh submitted it's now

132

00:05:25,990 --> 00:05:25,199

for the san marino government uh to

133

00:05:28,230 --> 00:05:26,000

uh

134

00:05:29,270 --> 00:05:28,240

study that and give us a decision but

135

00:05:31,909 --> 00:05:29,280

obviously

136

00:05:33,029 --> 00:05:31,919

uh we we were with bated breath as to

137

00:05:35,430 --> 00:05:33,039

what they said

138

00:05:37,110 --> 00:05:35,440

i mean surely again speculation but

139

00:05:39,270 --> 00:05:37,120

wouldn't it benefit the san marino

140

00:05:40,469 --> 00:05:39,280

government to bring a proposal like this

141

00:05:42,390 --> 00:05:40,479

forward because it would probably

142

00:05:44,790 --> 00:05:42,400

benefit their tourism

143

00:05:47,110 --> 00:05:44,800

and all these other aspects of drawing

144

00:05:49,430 --> 00:05:47,120

so many people to this small

145

00:05:51,029 --> 00:05:49,440

country as it were i mean it all makes

146

00:05:52,550 --> 00:05:51,039

sense in my eyes

147

00:05:55,110 --> 00:05:52,560

well you raise a very good point and

148

00:05:58,550 --> 00:05:55,120

that that has been uh included in the

149

00:06:00,870 --> 00:05:58,560

proposal right for obvious reasons

150

00:06:02,710 --> 00:06:00,880

the the the thing is

151  
00:06:05,430 --> 00:06:02,720  
whilst they've had 30 years of

152  
00:06:07,990 --> 00:06:05,440  
association of conferences uh in san

153  
00:06:10,790 --> 00:06:08,000  
marino which is an absolutely beautiful

154  
00:06:12,710 --> 00:06:10,800  
spectacular castle you know where the

155  
00:06:15,189 --> 00:06:12,720  
way the conference takes place is in a

156  
00:06:17,430 --> 00:06:15,199  
spectacular location in big fortress

157  
00:06:19,270 --> 00:06:17,440  
high above the rest of summer you know

158  
00:06:21,430 --> 00:06:19,280  
it's very very

159  
00:06:23,430 --> 00:06:21,440  
mountain top scenario

160  
00:06:25,189 --> 00:06:23,440  
but but basically

161  
00:06:30,629 --> 00:06:25,199  
uh

162  
00:06:32,950 --> 00:06:30,639  
a small country to realize that the

163  
00:06:35,550 --> 00:06:32,960

world has changed certainly in the last

164

00:06:37,189 --> 00:06:35,560

three and a half years since december

165

00:06:39,350 --> 00:06:37,199

2017

166

00:06:42,469 --> 00:06:39,360

and that we are now

167

00:06:44,390 --> 00:06:42,479

hopefully quickly losing the

168

00:06:47,830 --> 00:06:44,400

the stigma that's been attached to the

169

00:06:50,710 --> 00:06:47,840

subject for 70 years if this continues

170

00:06:51,749 --> 00:06:50,720

then it means that a country a

171

00:06:55,670 --> 00:06:51,759

government

172

00:06:57,430 --> 00:06:55,680

may well be more likely to say yes okay

173

00:07:00,870 --> 00:06:57,440

we can make a bit of a name for

174

00:07:02,790 --> 00:07:00,880

ourselves if we become the first so who

175

00:07:03,510 --> 00:07:02,800

knows i'm not going to speculate beyond

176  
00:07:06,550 --> 00:07:03,520  
that

177  
00:07:08,710 --> 00:07:06,560  
yeah

178  
00:07:11,589 --> 00:07:08,720  
san marino do we know how

179  
00:07:13,749 --> 00:07:11,599  
uh reliant or influenced they are by

180  
00:07:15,430 --> 00:07:13,759  
italy by chance

181  
00:07:17,510 --> 00:07:15,440  
i don't think

182  
00:07:19,830 --> 00:07:17,520  
no there's no influence there there's a

183  
00:07:22,870 --> 00:07:19,840  
totally separate republic

184  
00:07:23,909 --> 00:07:22,880  
um obviously they're next to italy and

185  
00:07:25,189 --> 00:07:23,919  
you've got

186  
00:07:32,070 --> 00:07:25,199  
italy

187  
00:07:34,070 --> 00:07:32,080  
get san marino but it's a principality

188  
00:07:36,070 --> 00:07:34,080

that's been around for many hundreds of

189

00:07:37,909 --> 00:07:36,080

years and uh no i think they're very

190

00:07:39,749 --> 00:07:37,919

separate i don't think it's an issue

191

00:07:42,070 --> 00:07:39,759

yeah well there there's a big reason why

192

00:07:43,749 --> 00:07:42,080

uh why this is in san marino because you

193

00:07:46,469 --> 00:07:43,759

could consider it

194

00:07:48,629 --> 00:07:46,479

like a switzerland basically

195

00:07:51,189 --> 00:07:48,639

there's much more freedom yeah there's

196

00:07:53,110 --> 00:07:51,199

much less bureaucracy

197

00:07:54,390 --> 00:07:53,120

less rules

198

00:07:57,110 --> 00:07:54,400

so

199

00:07:58,869 --> 00:07:57,120

and they're very that's why you went

200

00:08:02,869 --> 00:07:58,879

yeah

201  
00:08:05,110 --> 00:08:02,879  
so uh that makes it easy to set up a um

202  
00:08:06,230 --> 00:08:05,120  
an organization or a let's say a uh a

203  
00:08:09,830 --> 00:08:06,240  
home base

204  
00:08:11,350 --> 00:08:09,840  
for a potential uap disclosure coalition

205  
00:08:13,990 --> 00:08:11,360  
international coalition

206  
00:08:16,629 --> 00:08:14,000  
as someone uh said to me

207  
00:08:18,390 --> 00:08:16,639  
in a phrase and i won't say who it was

208  
00:08:21,430 --> 00:08:18,400  
but he said it was a bit like

209  
00:08:24,950 --> 00:08:21,440  
the geneva convention of uap

210  
00:08:26,309 --> 00:08:24,960  
you like the idea of a place and you

211  
00:08:28,950 --> 00:08:26,319  
there's something that you associate

212  
00:08:31,029 --> 00:08:28,960  
with so san marino uap

213  
00:08:33,509 --> 00:08:31,039

it would be quite a good connotation if

214

00:08:36,469 --> 00:08:33,519

it were indeed to take place but let's

215

00:08:38,790 --> 00:08:36,479

not i've i've learned over the years to

216

00:08:41,029 --> 00:08:38,800

be a pragmatist and i always take the

217

00:08:42,709 --> 00:08:41,039

attitude i'll believe it when i see it

218

00:08:44,630 --> 00:08:42,719

um because i think that's the way you've

219

00:08:47,990 --> 00:08:44,640

got to be you've got to be realistic and

220

00:08:51,590 --> 00:08:48,000

this is a huge thing for any government

221

00:08:53,670 --> 00:08:51,600

uh to to contemplate but at some point

222

00:08:56,310 --> 00:08:53,680

somebody is going to do it and it may

223

00:08:58,070 --> 00:08:56,320

well be easier if it's a smaller shall

224

00:09:00,870 --> 00:08:58,080

we say a more satellite country that

225

00:09:03,110 --> 00:09:00,880

does it but but who knows who knows of

226

00:09:04,790 --> 00:09:03,120

course what i think about is

227

00:09:06,630 --> 00:09:04,800

because i put a lot of work into

228

00:09:09,829 --> 00:09:06,640

studying this was the last time it was

229

00:09:13,430 --> 00:09:09,839

put before the u.n uh through granada

230

00:09:15,430 --> 00:09:13,440

okay yeah yeah in that show you know

231

00:09:16,949 --> 00:09:15,440

sorry one second i've yeah got to cut

232

00:09:19,030 --> 00:09:16,959

you off there because i would like jesus

233

00:09:21,350 --> 00:09:19,040

to welcome that's rude i'd like to

234

00:09:24,150 --> 00:09:21,360

welcome you gentlemen i think you might

235

00:09:29,829 --> 00:09:28,070

mr elizabeth oh my goodness

236

00:09:32,470 --> 00:09:29,839

how are you doing today good good thank

237

00:09:46,389 --> 00:09:32,480

you luke great great friend

238

00:09:50,710 --> 00:09:48,470

i'll just be a second but

239

00:09:52,150 --> 00:09:50,720

uh gary listen it was a honor and

240

00:09:55,670 --> 00:09:52,160

pleasure to see what you guys put

241

00:09:58,710 --> 00:09:55,680

together there uh in uh in san marino

242

00:10:01,110 --> 00:09:58,720

uh with icer and to see you when um

243

00:10:02,870 --> 00:10:01,120

absolutely blew me away uh i cannot

244

00:10:05,269 --> 00:10:02,880

believe i'm still kind of giddy to be

245

00:10:08,069 --> 00:10:05,279

honest with you what you guys managed to

246

00:10:10,069 --> 00:10:08,079

pull off um it is it is nothing i mean

247

00:10:11,590 --> 00:10:10,079

truly nothing less than historic and um

248

00:10:13,110 --> 00:10:11,600

people are going to look back

249

00:10:14,550 --> 00:10:13,120

and i think you know there's a couple

250

00:10:16,150 --> 00:10:14,560

paradigm moments where people say you

251  
00:10:20,069 --> 00:10:16,160  
know the conversation really changed

252  
00:10:21,829 --> 00:10:20,079  
there um i i think that occurred um this

253  
00:10:23,110 --> 00:10:21,839  
last week there in san marino with what

254  
00:10:25,269 --> 00:10:23,120  
you guys were able to achieve

255  
00:10:28,550 --> 00:10:25,279  
particularly with

256  
00:10:30,790 --> 00:10:28,560  
with uh with the italian and the uh the

257  
00:10:32,790 --> 00:10:30,800  
the government of san marino and and

258  
00:10:34,150 --> 00:10:32,800  
possibly the um

259  
00:10:36,710 --> 00:10:34,160  
you know i don't want to cut out of the

260  
00:10:39,190 --> 00:10:36,720  
bag but but possibly a much bigger scale

261  
00:10:41,750 --> 00:10:39,200  
with the united nations that was

262  
00:10:43,430 --> 00:10:41,760  
that was truly impressive and uh and you

263  
00:10:44,949 --> 00:10:43,440

max um

264

00:10:47,269 --> 00:10:44,959

you know what can i say man you had a

265

00:10:48,630 --> 00:10:47,279

you had a front row seat uh to all of it

266

00:10:50,069 --> 00:10:48,640

you know right as you were leaving you

267

00:10:51,910 --> 00:10:50,079

and your lovely lady

268

00:10:54,069 --> 00:10:51,920

uh we didn't get a chance to catch up

269

00:10:55,030 --> 00:10:54,079

but that was just something incredible

270

00:10:56,389 --> 00:10:55,040

happened

271

00:10:58,150 --> 00:10:56,399

and uh

272

00:11:00,710 --> 00:10:58,160

gary and and the folks

273

00:11:02,790 --> 00:11:00,720

had met with some people and uh

274

00:11:04,870 --> 00:11:02,800

it looks like there's a a significant

275

00:11:06,790 --> 00:11:04,880

willingness if you remember that evening

276

00:11:08,550 --> 00:11:06,800

when we were there um we were supposed

277

00:11:10,389 --> 00:11:08,560

to meet with some officials and and it

278

00:11:11,910 --> 00:11:10,399

fell through and i know some people were

279

00:11:14,870 --> 00:11:11,920

a little bit disappointed

280

00:11:17,590 --> 00:11:14,880

uh but you know the very next day um it

281

00:11:21,910 --> 00:11:17,600

was uh it was it was like christmas in

282

00:11:23,269 --> 00:11:21,920

july um it went very very well and uh

283

00:11:25,829 --> 00:11:23,279

i know that our colleagues were very

284

00:11:28,470 --> 00:11:25,839

happy uh to to have a chance to talk to

285

00:11:30,550 --> 00:11:28,480

those folks in san marino and things are

286

00:11:33,030 --> 00:11:30,560

looking really really good

287

00:11:34,550 --> 00:11:33,040

like really really good

288

00:11:37,590 --> 00:11:34,560

wow

289

00:11:42,230 --> 00:11:39,350

yeah well i've seen a long drive back

290

00:11:43,509 --> 00:11:42,240

i'm glad you guys made it back safely uh

291

00:11:45,590 --> 00:11:43,519

gary i'll tell you that i've already

292

00:11:47,509 --> 00:11:45,600

started um prepping the battle space

293

00:11:49,509 --> 00:11:47,519

over here i mean that figuratively so i

294

00:11:51,750 --> 00:11:49,519

know but it's just government speak and

295

00:11:52,710 --> 00:11:51,760

army talk so don't i'm not experiencing

296

00:11:55,269 --> 00:11:52,720

battlefield

297

00:11:56,710 --> 00:11:55,279

yeah right conspiracy theories right i

298

00:11:58,230 --> 00:11:56,720

don't feel uh

299

00:11:59,829 --> 00:11:58,240

basically i've already started the the

300

00:12:00,870 --> 00:11:59,839

coordination internally here with some

301  
00:12:03,269 --> 00:12:00,880  
people

302  
00:12:04,069 --> 00:12:03,279  
um there seems to be a receptiveness to

303  
00:12:06,069 --> 00:12:04,079  
uh

304  
00:12:07,190 --> 00:12:06,079  
to um

305  
00:12:11,350 --> 00:12:07,200  
to engage

306  
00:12:12,870 --> 00:12:11,360  
uh did you read the email i sent you

307  
00:12:14,790 --> 00:12:12,880  
do you know gary you keep telling me you

308  
00:12:16,790 --> 00:12:14,800  
sent me these emails

309  
00:12:17,990 --> 00:12:16,800  
but i don't get anything from you are

310  
00:12:21,390 --> 00:12:18,000  
you sure

311  
00:12:32,990 --> 00:12:21,400  
i sent it aol doesn't it

312  
00:12:40,550 --> 00:12:37,269  
[Laughter]

313  
00:12:43,350 --> 00:12:40,560

from paulo and i sent it to you

314

00:12:47,190 --> 00:12:43,360

uh either on it'll be on tuesday i sent

315

00:12:50,389 --> 00:12:47,200

it to you well it busted

316

00:12:55,430 --> 00:12:50,399

what i was it will be my private email i

317

00:12:59,590 --> 00:12:57,430

318

00:13:02,230 --> 00:12:59,600

you do have it you don't need to replace

319

00:13:03,670 --> 00:13:02,240

it i have it i have it yes well read it

320

00:13:06,629 --> 00:13:03,680

321

00:13:08,310 --> 00:13:06,639

no it's spam you can't

322

00:13:11,590 --> 00:13:08,320

yeah read it privately because it is

323

00:13:14,550 --> 00:13:11,600

325

00:13:17,829 --> 00:13:16,639

uh it's accepted it's all right don't

326

00:13:20,949 --> 00:13:17,839

worry

327

00:13:23,670 --> 00:13:20,959

guys i i didn't even think about this

328

00:13:27,590 --> 00:13:23,680

i'm sorry carl thank you so much for the

329

00:13:29,350 --> 00:13:27,600

49.99 number one lou come on my show two

330

00:13:31,350 --> 00:13:29,360

please explain the heavy references to

331

00:13:34,310 --> 00:13:31,360

greek mythology and tdsa books and

332

00:13:36,790 --> 00:13:34,320

masonic symbols in the cartoons three

333

00:13:38,470 --> 00:13:36,800

has lou been trained in remote viewing

334

00:13:40,069 --> 00:13:38,480

now what i will just say before you

335

00:13:42,069 --> 00:13:40,079

answer that lou is that

336

00:13:44,949 --> 00:13:42,079

this conversation tonight is primarily

337

00:13:47,829 --> 00:13:44,959

about san marino and the united nations

338

00:13:50,550 --> 00:13:47,839

carl vibe great he's my friend lou is

339

00:13:52,470 --> 00:13:50,560

coming on my channel on sunday we have

340

00:13:55,110 --> 00:13:52,480

an hour where we can answer these kind

341

00:13:56,550 --> 00:13:55,120

of questions so carl if you don't mind i

342

00:13:58,470 --> 00:13:56,560

would like to put that to lou on sunday

343

00:14:00,470 --> 00:13:58,480

so that we can focus on this right now

344

00:14:02,949 --> 00:14:00,480

if that's okay

345

00:14:04,949 --> 00:14:02,959

yeah i

346

00:14:06,629 --> 00:14:04,959

i spoke to carl about half an hour ago

347

00:14:08,310 --> 00:14:06,639

so carl

348

00:14:09,670 --> 00:14:08,320

i'm sorry brother can we please answer

349

00:14:11,509 --> 00:14:09,680

that on something lulu's gonna spill the

350

00:14:13,590 --> 00:14:11,519

beans he may not be in the mood on

351  
00:14:15,189 --> 00:14:13,600  
sunday you're really scared of something

352  
00:14:16,550 --> 00:14:15,199  
i didn't think about it i didn't think

353  
00:14:18,150 --> 00:14:16,560  
about it

354  
00:14:19,990 --> 00:14:18,160  
i'm gonna i'm gonna say this one last

355  
00:14:22,470 --> 00:14:20,000  
thing now when i speak to you on sunday

356  
00:14:24,150 --> 00:14:22,480  
i am gonna disable super chat so that we

357  
00:14:25,990 --> 00:14:24,160  
can just talk

358  
00:14:28,230 --> 00:14:26,000  
so there's no interruption i know people

359  
00:14:30,069 --> 00:14:28,240  
want to ask questions it's gonna happen

360  
00:14:32,150 --> 00:14:30,079  
because i've put out people have been

361  
00:14:33,590 --> 00:14:32,160  
emailing me for the last month since it

362  
00:14:35,670 --> 00:14:33,600  
happened oh we've got another one oh i

363  
00:14:38,150 --> 00:14:35,680

didn't understand that you better donate

364

00:14:39,670 --> 00:14:38,160

those real quick look what max has

365

00:14:40,470 --> 00:14:39,680

pulled off what gary's pulled off has

366

00:14:44,710 --> 00:14:40,480

been

367

00:14:46,629 --> 00:14:44,720

something that is a and a meanest i'm

368

00:14:48,710 --> 00:14:46,639

not over exaggerating

369

00:14:49,990 --> 00:14:48,720

is is i think historic to the cause i

370

00:14:53,110 --> 00:14:50,000

think we're going to look back one day

371

00:14:55,030 --> 00:14:53,120

and say wow that that that part of that

372

00:14:57,110 --> 00:14:55,040

part of the equation happened

373

00:15:00,470 --> 00:14:57,120

in san marino because of ice or in the

374

00:15:02,949 --> 00:15:00,480

cun and max i want to say you know as a

375

00:15:04,389 --> 00:15:02,959

member of of the media and a journalist

376

00:15:07,189 --> 00:15:04,399

um you know

377

00:15:09,509 --> 00:15:07,199

i'm getting calls every day bombarded by

378

00:15:13,509 --> 00:15:09,519

by news journalists and they're just now

379

00:15:15,030 --> 00:15:13,519

trying to catch up to to to you so um

380

00:15:16,710 --> 00:15:15,040

congratulations for being here now

381

00:15:17,829 --> 00:15:16,720

listen matt let's i'll tell you max and

382

00:15:20,230 --> 00:15:17,839

i were part of some incredible

383

00:15:21,670 --> 00:15:20,240

interviews with some senior military

384

00:15:23,670 --> 00:15:21,680

officials eyewitnesses i'm not going to

385

00:15:25,829 --> 00:15:23,680

go into a lot of detail here uh

386

00:15:28,949 --> 00:15:25,839

extremely compelling and you know what

387

00:15:31,590 --> 00:15:28,959

we're looking at doing in the future uh

388

00:15:33,910 --> 00:15:31,600

very near future i think is going to be

389

00:15:36,150 --> 00:15:33,920

again helping change the conversation

390

00:15:38,550 --> 00:15:36,160

indefinitely we've got so a few tricks

391

00:15:40,710 --> 00:15:38,560

up our sleeves uh between the folks with

392

00:15:43,189 --> 00:15:40,720

gary and and maybe have max there

393

00:15:44,310 --> 00:15:43,199

covering it um you know this is just the

394

00:15:45,910 --> 00:15:44,320

beginning

395

00:15:47,990 --> 00:15:45,920

don't tell him that he's going to get

396

00:15:50,150 --> 00:15:48,000

something

397

00:15:51,829 --> 00:15:50,160

well i mean i mean he was there for the

398

00:15:53,509 --> 00:15:51,839

for for one of the interviews that kind

399

00:15:55,509 --> 00:15:53,519

of it was a kind of an ambush frankly we

400

00:15:57,189 --> 00:15:55,519

didn't neither one of expected it it was

401  
00:15:59,990 --> 00:15:57,199  
a drive-by and uh

402  
00:16:01,189 --> 00:16:00,000  
the next thing you know

403  
00:16:04,790 --> 00:16:01,199  
this you know

404  
00:16:06,470 --> 00:16:04,800  
big big huge great thing so um

405  
00:16:09,030 --> 00:16:06,480  
really really appreciate both of you

406  
00:16:09,749 --> 00:16:09,040  
guys very much thanks lou let me just

407  
00:16:11,509 --> 00:16:09,759  
wait

408  
00:16:12,949 --> 00:16:11,519  
sorry sorry max to jump in lou i know

409  
00:16:13,749 --> 00:16:12,959  
you might be pushed for time i don't

410  
00:16:15,269 --> 00:16:13,759  
know

411  
00:16:16,629 --> 00:16:15,279  
yeah i gotta hop off i just wanted to

412  
00:16:19,030 --> 00:16:16,639  
jump in and say hi and i really wanted

413  
00:16:21,749 --> 00:16:19,040

to thank gary and and max personally and

414

00:16:23,189 --> 00:16:21,759

thank you guys yeah for having this uh

415

00:16:25,509 --> 00:16:23,199

but go ahead i got a minute or two

416

00:16:26,949 --> 00:16:25,519

please i just wanted to say like and for

417

00:16:29,910 --> 00:16:26,959

everyone that's watching this was not

418

00:16:31,509 --> 00:16:29,920

meant to be a suddenly ama askaloo

419

00:16:33,189 --> 00:16:31,519

anything kind of conversation lou was

420

00:16:34,949 --> 00:16:33,199

going to jump in and just have a small

421

00:16:37,269 --> 00:16:34,959

conversation about what happened at the

422

00:16:39,350 --> 00:16:37,279

weekend so guys any questions that have

423

00:16:41,030 --> 00:16:39,360

been answered so far are we gonna say

424

00:16:42,629 --> 00:16:41,040

honestly gary and max can tell you i

425

00:16:45,350 --> 00:16:42,639

mean i'm just coming in as kind of like

426

00:16:47,030 --> 00:16:45,360

the cheerleader here because you know uh

427

00:16:55,350 --> 00:16:47,040

my intent is not to take any attention

428

00:17:02,710 --> 00:16:59,749

all right so lou um tonight uh at um

429

00:17:05,189 --> 00:17:02,720

uh 10 30 dutch time i'm not sure what

430

00:17:08,630 --> 00:17:05,199

what time that is uh central an hour um

431

00:17:11,829 --> 00:17:08,640

our our interview our interview uh

432

00:17:15,350 --> 00:17:11,839

on the streets of san marino uh um will

433

00:17:17,510 --> 00:17:15,360

be uh online on on the youtube channel

434

00:17:18,789 --> 00:17:17,520

it's an incredibly beautiful and

435

00:17:21,829 --> 00:17:18,799

personal

436

00:17:22,870 --> 00:17:21,839

interview and i really recommend

437

00:17:25,110 --> 00:17:22,880

everyone

438

00:17:27,750 --> 00:17:25,120

after of course vinnie's show to to

439

00:17:29,510 --> 00:17:27,760

check it out and but i especially want

440

00:17:32,710 --> 00:17:29,520

to thank lou for that because he said

441

00:17:34,950 --> 00:17:32,720

some really personal things and my hats

442

00:17:37,029 --> 00:17:34,960

off to you sir you're my personal hero

443

00:17:39,029 --> 00:17:37,039

from that moment on

444

00:17:41,909 --> 00:17:39,039

well for those who don't know max is my

445

00:17:45,110 --> 00:17:41,919

personal bodyguard

446

00:17:47,350 --> 00:17:45,120

his background in in in kickboxing you

447

00:17:49,510 --> 00:17:47,360

know i thought i was pretty decent at at

448

00:17:51,830 --> 00:17:49,520

kickboxing until i saw

449

00:17:54,789 --> 00:17:51,840

who who max hangs out with and uh i

450

00:17:56,789 --> 00:17:54,799

realized no i i'm not

451  
00:18:00,070 --> 00:17:56,799  
at all

452  
00:18:01,430 --> 00:18:00,080  
so gary uh max and and sean and vinnie

453  
00:18:03,669 --> 00:18:01,440  
and of course everybody else out there

454  
00:18:05,110 --> 00:18:03,679  
thank you so much uh really i hate to

455  
00:18:07,270 --> 00:18:05,120  
barge in like this i'm gonna i'm gonna

456  
00:18:08,710 --> 00:18:07,280  
excuse myself now but again really

457  
00:18:10,870 --> 00:18:08,720  
appreciate what everybody's doing and

458  
00:18:12,630 --> 00:18:10,880  
gary just a phenomenal job what you and

459  
00:18:14,710 --> 00:18:12,640  
i were able to achieve i you know in

460  
00:18:16,310 --> 00:18:14,720  
some ways i'm

461  
00:18:18,950 --> 00:18:16,320  
probably a little jealous i wish some

462  
00:18:20,789 --> 00:18:18,960  
folks here uh in my country would would

463  
00:18:22,310 --> 00:18:20,799

be able to um

464

00:18:24,230 --> 00:18:22,320

kind of kind of

465

00:18:25,750 --> 00:18:24,240

do what you guys are doing um they will

466

00:18:27,110 --> 00:18:25,760

eventually um there's they're we're

467

00:18:30,070 --> 00:18:27,120

getting a critical mass here they're a

468

00:18:33,510 --> 00:18:30,080

little bit slower so my apologies uh

469

00:18:34,950 --> 00:18:33,520

but um really just i hope gary this

470

00:18:36,789 --> 00:18:34,960

continues

471

00:18:39,029 --> 00:18:36,799

um every year

472

00:18:42,630 --> 00:18:39,039

like like i said to you uh at the

473

00:18:44,150 --> 00:18:42,640

weekend you're a key player not i sir

474

00:18:46,310 --> 00:18:44,160

are just

475

00:18:48,470 --> 00:18:46,320

maybe the conduit for making things

476  
00:18:50,870 --> 00:18:48,480  
bigger happen on a global scale which is

477  
00:18:51,990 --> 00:18:50,880  
what we kind of all want right

478  
00:18:54,070 --> 00:18:52,000  
but

479  
00:18:56,950 --> 00:18:54,080  
i said to in all sincerity

480  
00:19:00,870 --> 00:18:56,960  
the emphasis is with you to raise the

481  
00:19:02,870 --> 00:19:00,880  
element of isa to to give the in a sense

482  
00:19:04,630 --> 00:19:02,880  
give the endorsement that really with

483  
00:19:07,029 --> 00:19:04,640  
the only organization looking on the

484  
00:19:08,950 --> 00:19:07,039  
global scale that you appreciate

485  
00:19:10,230 --> 00:19:08,960  
yeah it has to be global i mean look we

486  
00:19:12,230 --> 00:19:10,240  
can't we see what happens this is a

487  
00:19:13,430 --> 00:19:12,240  
world phenomenon yeah when one country

488  
00:19:15,029 --> 00:19:13,440

controls the narrative we've seen what

489

00:19:16,630 --> 00:19:15,039

happens right seven years of silence and

490

00:19:18,390 --> 00:19:16,640

that's not correct that's that's not

491

00:19:19,990 --> 00:19:18,400

helpful right you know so we need to we

492

00:19:22,549 --> 00:19:20,000

need to broaden the aperture on this and

493

00:19:24,630 --> 00:19:22,559

i think exactly what icer is doing is

494

00:19:26,789 --> 00:19:24,640

exactly the way we need to go uh and i

495

00:19:29,190 --> 00:19:26,799

love the idea with the proposal with san

496

00:19:31,830 --> 00:19:29,200

marino i'm so happy that they're that

497

00:19:33,909 --> 00:19:31,840

they are uh willing to to entertain this

498

00:19:37,430 --> 00:19:33,919

idea um you know the other folks like

499

00:19:39,590 --> 00:19:37,440

roberto pinotti and and paolo and the

500

00:19:40,549 --> 00:19:39,600

rest of the folks daniele

501  
00:19:42,549 --> 00:19:40,559

just

502  
00:19:44,310 --> 00:19:42,559

unbelievable i cannot believe what these

503  
00:19:46,710 --> 00:19:44,320

guys have been able to achieve in such a

504  
00:19:48,630 --> 00:19:46,720

short period of time so my hat's off to

505  
00:19:49,830 --> 00:19:48,640

you guys and whenever you guys are doing

506  
00:19:52,549 --> 00:19:49,840

this

507  
00:19:54,710 --> 00:19:52,559

count me in i'm in every time

508  
00:19:56,870 --> 00:19:54,720

511  
00:20:06,630 --> 00:20:04,720

quick message to the people that have

517

00:20:22,630 --> 00:20:20,960

donated asking questions for lou my

518

00:20:24,070 --> 00:20:22,640

brother is the moderator in the chat

519

00:20:26,310 --> 00:20:24,080

right now my brother is going to take

520

00:20:28,390 --> 00:20:26,320

photographs of these questions and i

521

00:20:30,950 --> 00:20:28,400

will be asking them as a priority on

522

00:20:32,950 --> 00:20:30,960

sunday so guys don't worry your

523

00:20:34,230 --> 00:20:32,960

donations will not just go missed or

524

00:20:36,310 --> 00:20:34,240

anything i didn't even think that that

525

00:20:38,230 --> 00:20:36,320

was going to happen so my apologies all

526

00:20:41,990 --> 00:20:38,240

of the super chats will be disabled this

527

00:20:44,149 --> 00:20:42,000

530

00:20:52,149 --> 00:20:49,120

sean you were before lou

531

00:20:53,190 --> 00:20:52,159

rudely interrupted by many jokes

532

00:20:55,270 --> 00:20:53,200

yeah

533

00:20:56,470 --> 00:20:55,280

jeez you were going to ask a question um

534

00:20:58,070 --> 00:20:56,480

listen i'm just going to check on my

535

00:20:59,990 --> 00:20:58,080

door because she's been a bit sick today

536

00:21:03,029 --> 00:21:00,000

you asked a question i'll be right back

537

00:21:04,950 --> 00:21:03,039

i'm sorry to hear um yeah well really i

538

00:21:07,430 --> 00:21:04,960

just think of granada and i think how

539

00:21:09,430 --> 00:21:07,440

close that was there was you know on

540

00:21:10,549 --> 00:21:09,440

year three of them pushing it basically

541

00:21:12,549 --> 00:21:10,559

in the u.n

542

00:21:15,669 --> 00:21:12,559

um they had

543

00:21:18,149 --> 00:21:15,679

it was really close to yeah i just

544

00:21:21,510 --> 00:21:18,159

with you sean not in the center yeah in

545

00:21:24,230 --> 00:21:21,520

the sense of uh in 1977 the granada

546

00:21:28,310 --> 00:21:24,240

initiative under eric gary he was

547

00:21:30,789 --> 00:21:28,320

pushing it but literally nobody else was

548

00:21:33,350 --> 00:21:30,799

and that's the difference the world is

549

00:21:34,630 --> 00:21:33,360

now in a different place where there are

550

00:21:36,630 --> 00:21:34,640

because of everything that's happened

551  
00:21:39,669 --> 00:21:36,640  
since 2017

552  
00:21:43,510 --> 00:21:39,679  
and there's now so much more openness

553  
00:21:46,310 --> 00:21:43,520  
it didn't exist in 77 so what eric gary

554  
00:21:47,350 --> 00:21:46,320  
was given by the u.n was basically lip

555  
00:21:48,630 --> 00:21:47,360  
service

556  
00:21:51,750 --> 00:21:48,640  
they just

557  
00:21:56,230 --> 00:21:53,830  
or the documents they were about to pass

558  
00:21:59,029 --> 00:21:56,240  
that they were about to pass the uh the

559  
00:22:01,110 --> 00:21:59,039  
uk and the u.s were biting their lip

560  
00:22:01,990 --> 00:22:01,120  
going along with it

561  
00:22:03,990 --> 00:22:02,000  
well

562  
00:22:04,789 --> 00:22:04,000  
maurice bishop came along it was all

563  
00:22:06,870 --> 00:22:04,799

over

564

00:22:09,190 --> 00:22:06,880

i could show you all the

565

00:22:11,110 --> 00:22:09,200

uh conversations that basically say that

566

00:22:13,190 --> 00:22:11,120

the americans and the british made sure

567

00:22:15,590 --> 00:22:13,200

it didn't happen

568

00:22:18,390 --> 00:22:15,600

yeah because it wasn't right it wasn't

569

00:22:21,430 --> 00:22:18,400

the right time but the world is so much

570

00:22:22,789 --> 00:22:21,440

different now and once and as i said to

571

00:22:24,710 --> 00:22:22,799

louis

572

00:22:25,750 --> 00:22:24,720

i had some private time with him and i

573

00:22:28,230 --> 00:22:25,760

said

574

00:22:29,750 --> 00:22:28,240

you know as good as the new york times

575

00:22:31,270 --> 00:22:29,760

article was with leslie kane ralph

576

00:22:32,630 --> 00:22:31,280

blumenthal

577

00:22:34,470 --> 00:22:32,640

etc

578

00:22:36,710 --> 00:22:34,480

it was actually the three videos they're

579

00:22:38,710 --> 00:22:36,720

the cat that got out the bag because for

580

00:22:41,190 --> 00:22:38,720

the first time the media could say what

581

00:22:43,029 --> 00:22:41,200

is that and that's the game changer and

582

00:22:46,230 --> 00:22:43,039

you cannot put that genie back in the

583

00:22:48,549 --> 00:22:46,240

bottle yeah by the way uh mr hesseltine

584

00:22:50,630 --> 00:22:48,559

uh i recorded that uh talk

585

00:22:52,470 --> 00:22:50,640

and i'm gonna put it online no no i had

586

00:22:53,350 --> 00:22:52,480

private discussions totally private with

587

00:22:55,190 --> 00:22:53,360

it

588

00:22:57,750 --> 00:22:55,200

okay sorry all right

589

00:22:59,110 --> 00:22:57,760

yeah yeah i know you recorded that uh

590

00:23:01,029 --> 00:22:59,120

but obviously there were some private

591

00:23:02,950 --> 00:23:01,039

things that we said to each other

592

00:23:05,750 --> 00:23:02,960

away from his reminder of the cameraman

593

00:23:07,669 --> 00:23:05,760

from netflix or or lance i think he was

594

00:23:09,590 --> 00:23:07,679

lance but i've just got like nine dogs

595

00:23:12,149 --> 00:23:09,600

out because as people will know i share

596

00:23:15,830 --> 00:23:12,159

my study with my two dogs and i've got a

597

00:23:18,070 --> 00:23:15,840

very madam of a dog dying to get out

598

00:23:20,549 --> 00:23:18,080

go for it go for it max max i'm going to

599

00:23:22,149 --> 00:23:20,559

jump to you my friend max tell us about

600

00:23:24,710 --> 00:23:22,159

a little bit about like your

601  
00:23:25,990 --> 00:23:24,720  
anticipation as you were driving to san

602  
00:23:27,990 --> 00:23:26,000  
marino

603  
00:23:29,590 --> 00:23:28,000  
you know i mean you were in contact with

604  
00:23:30,950 --> 00:23:29,600  
lou you knew kind of you were going to

605  
00:23:33,510 --> 00:23:30,960  
meet him like

606  
00:23:37,430 --> 00:23:33,520  
how did it feel

607  
00:23:39,750 --> 00:23:37,440  
um it was quite amazing actually um

608  
00:23:41,350 --> 00:23:39,760  
it was a long drive a really long drive

609  
00:23:43,590 --> 00:23:41,360  
but um

610  
00:23:45,750 --> 00:23:43,600  
the the weather was great and when i

611  
00:23:48,070 --> 00:23:45,760  
finally got there

612  
00:23:51,190 --> 00:23:48,080  
uh mr elizondo

613  
00:23:53,510 --> 00:23:51,200

was just so gorgeous uh you know he

614

00:23:56,390 --> 00:23:53,520

invited us to everything uh even

615

00:23:58,149 --> 00:23:56,400

personal dinners um

616

00:23:59,669 --> 00:23:58,159

it it was great and

617

00:24:02,630 --> 00:23:59,679

by the way

618

00:24:05,350 --> 00:24:02,640

i couldn't be more surprised on on what

619

00:24:07,669 --> 00:24:05,360

i got to hear there got to see there

620

00:24:09,669 --> 00:24:07,679

uh there was so much going on

621

00:24:10,470 --> 00:24:09,679

way more than i was expecting or hoping

622

00:24:13,669 --> 00:24:10,480

for

623

00:24:16,070 --> 00:24:13,679

so i tried to record as much as i could

624

00:24:17,750 --> 00:24:16,080

uh live stream as much as i could

625

00:24:18,789 --> 00:24:17,760

um but

626

00:24:21,029 --> 00:24:18,799

there

627

00:24:24,549 --> 00:24:21,039

was a uh lecture

628

00:24:27,269 --> 00:24:24,559

on uh and mr hesseltine was there too on

629

00:24:29,029 --> 00:24:27,279

the future plans of uap disclosure which

630

00:24:32,710 --> 00:24:29,039

was really great to see

631

00:24:34,230 --> 00:24:32,720

and uh very hopeful too and uh you know

632

00:24:35,750 --> 00:24:34,240

what we've been talking about the last

633

00:24:38,789 --> 00:24:35,760

couple of months

634

00:24:40,870 --> 00:24:38,799

science is gonna pull its weight and uh

635

00:24:43,350 --> 00:24:40,880

that is just so exciting

636

00:24:44,950 --> 00:24:43,360

yeah yeah but gary just jumping back to

637

00:24:47,350 --> 00:24:44,960

you with some of the

638

00:24:49,110 --> 00:24:47,360

members of isis that were in attendance

639

00:24:50,549 --> 00:24:49,120

and we're talking about still from many

640

00:24:52,710 --> 00:24:50,559

many other countries did you get a

641

00:24:54,310 --> 00:24:52,720

chance to sit down and talk to all of

642

00:24:55,750 --> 00:24:54,320

them and get their opinions from what

643

00:24:58,230 --> 00:24:55,760

maybe what they're hearing within their

644

00:24:59,990 --> 00:24:58,240

governments

645

00:25:01,830 --> 00:25:00,000

you've got to understand that the nature

646

00:25:04,470 --> 00:25:01,840

of conferences is they're a bit like a

647

00:25:06,230 --> 00:25:04,480

horse race once the start it's

648

00:25:08,710 --> 00:25:06,240

everyone to themselves you've been

649

00:25:12,070 --> 00:25:08,720

pulled in lots of different directions

650

00:25:14,149 --> 00:25:12,080

and it's very difficult to get

651

00:25:16,789 --> 00:25:14,159

full perspectives on everything

652

00:25:18,310 --> 00:25:16,799

honestly if you're a speaker uh or known

653

00:25:20,230 --> 00:25:18,320

within the subject you've got the

654

00:25:23,510 --> 00:25:20,240

audience asking you questions every time

655

00:25:25,669 --> 00:25:23,520

you go to the toilet uh you've got media

656

00:25:28,149 --> 00:25:25,679

people oh can you do an interview for

657

00:25:30,950 --> 00:25:28,159

the italian television i did several two

658

00:25:33,110 --> 00:25:30,960

for a television italian tv

659

00:25:34,789 --> 00:25:33,120

and everything is replicated that much

660

00:25:36,789 --> 00:25:34,799

more with everybody else so it's

661

00:25:37,830 --> 00:25:36,799

difficult uh conferences are always

662

00:25:40,149 --> 00:25:37,840

difficult especially if they're

663

00:25:42,789 --> 00:25:40,159

international conferences this was made

664

00:25:44,710 --> 00:25:42,799

more difficult because obviously luis

665

00:25:46,230 --> 00:25:44,720

elizondo is the main person in the world

666

00:25:48,470 --> 00:25:46,240

the go-to guy

667

00:25:50,789 --> 00:25:48,480

on this disclosure front along i would

668

00:25:52,789 --> 00:25:50,799

say with chris mullen uh but he's

669

00:25:55,909 --> 00:25:52,799

obviously a man in demand

670

00:25:58,470 --> 00:25:55,919

so it was hard to get time alone with

671

00:25:59,990 --> 00:25:58,480

him uh for anybody uh i think max did

672

00:26:01,510 --> 00:26:00,000

really well and and

673

00:26:03,350 --> 00:26:01,520

from what i could see

674

00:26:04,950 --> 00:26:03,360

uh he you had a really good rapport and

675

00:26:07,110 --> 00:26:04,960

he was really very generous with his

676  
00:26:09,510 --> 00:26:07,120  
time with you and he and and later on he

677  
00:26:11,590 --> 00:26:09,520  
was generous with his time with me

678  
00:26:14,230 --> 00:26:11,600  
but yeah when you're actually in these

679  
00:26:15,590 --> 00:26:14,240  
things it's difficult what i can say is

680  
00:26:17,510 --> 00:26:15,600  
that

681  
00:26:19,909 --> 00:26:17,520  
the isa members there were seven isa

682  
00:26:21,830 --> 00:26:19,919  
members there which was brilliant it was

683  
00:26:23,830 --> 00:26:21,840  
the first time since we'd launched that

684  
00:26:25,350 --> 00:26:23,840  
we would get to meet people and i met

685  
00:26:28,390 --> 00:26:25,360  
some of these representatives who i've

686  
00:26:30,470 --> 00:26:28,400  
got to know over the last year online

687  
00:26:33,269 --> 00:26:30,480  
for the first time several of which i'd

688  
00:26:35,350 --> 00:26:33,279

met before but there were at least

689

00:26:37,510 --> 00:26:35,360

two that i hadn't met before so it was

690

00:26:38,870 --> 00:26:37,520

really good to see them in the flesh and

691

00:26:40,149 --> 00:26:38,880

and when you're in the flesh you can

692

00:26:42,630 --> 00:26:40,159

actually have a little private

693

00:26:44,310 --> 00:26:42,640

conversation about anything and that's

694

00:26:45,909 --> 00:26:44,320

totally different than doing it in a

695

00:26:48,070 --> 00:26:45,919

zoom environment

696

00:26:50,070 --> 00:26:48,080

which is good to a point but it's not

697

00:26:52,149 --> 00:26:50,080

really intimate if you see what i mean

698

00:26:54,950 --> 00:26:52,159

absolutely you know so it was really

699

00:26:56,390 --> 00:26:54,960

good so we were able to discuss things

700

00:26:59,190 --> 00:26:56,400

what was also

701  
00:27:01,350 --> 00:26:59,200  
uh really interesting for me is that

702  
00:27:03,190 --> 00:27:01,360  
there was a uh

703  
00:27:04,710 --> 00:27:03,200  
and i think this may play some relevance

704  
00:27:07,190 --> 00:27:04,720  
in the future but i can't go into too

705  
00:27:09,990 --> 00:27:07,200  
much detail but there was a a former

706  
00:27:10,950 --> 00:27:10,000  
military pilot there a colonel roberto

707  
00:27:13,510 --> 00:27:10,960  
doss

708  
00:27:16,390 --> 00:27:13,520  
and uh he was italian

709  
00:27:19,669 --> 00:27:16,400  
a colonel so very high ranking retired

710  
00:27:23,190 --> 00:27:19,679  
uh and he has a small organization of

711  
00:27:25,830 --> 00:27:23,200  
military pilots who have all had ufo

712  
00:27:27,750 --> 00:27:25,840  
encounters and dare i say it three three

713  
00:27:28,630 --> 00:27:27,760

of those are generals

714

00:27:31,909 --> 00:27:28,640

well

715

00:27:34,230 --> 00:27:31,919

whoa so very high powerful group small

716

00:27:36,710 --> 00:27:34,240

group but very high ranking powerful one

717

00:27:38,630 --> 00:27:36,720

of them is a three-star general

718

00:27:39,990 --> 00:27:38,640

okay uh so

719

00:27:43,029 --> 00:27:40,000

i don't know if you were supposed to say

720

00:27:44,789 --> 00:27:43,039

that gary but okay well well well i'm

721

00:27:46,830 --> 00:27:44,799

not i'm on i'm not really giving too

722

00:27:50,230 --> 00:27:46,840

much away i don't think because

723

00:27:52,549 --> 00:27:50,240

he's well no he he was he was one of the

724

00:27:53,990 --> 00:27:52,559

speakers there so he was all publicized

725

00:27:55,830 --> 00:27:54,000

he was one of the speakers there he did

726

00:27:58,630 --> 00:27:55,840

a lecture so it was all in the public

727

00:28:00,389 --> 00:27:58,640

domain uh but yes uh and during his

728

00:28:03,430 --> 00:28:00,399

presentation he actually outlined the

729

00:28:05,350 --> 00:28:03,440

nature of of the i think uh three were

730

00:28:08,389 --> 00:28:05,360

kernels and three were generals which is

731

00:28:11,190 --> 00:28:08,399

a very uh prestigious team but suffice

732

00:28:12,149 --> 00:28:11,200

to say that i think that was of interest

733

00:28:15,909 --> 00:28:12,159

to lou

734

00:28:17,430 --> 00:28:15,919

uh and i think the i'm my favorite uh my

735

00:28:19,830 --> 00:28:17,440

favorite group

736

00:28:22,070 --> 00:28:19,840

uh for proving the existence of the ufo

737

00:28:24,070 --> 00:28:22,080

uap phenomena has always been military

738

00:28:25,750 --> 00:28:24,080

pilots and commercial pilots because

739

00:28:27,190 --> 00:28:25,760

they're very very credible people and

740

00:28:29,430 --> 00:28:27,200

they should know what they're looking at

741

00:28:30,470 --> 00:28:29,440

so i think the fact that there were

742

00:28:33,909 --> 00:28:30,480

personnel

743

00:28:35,990 --> 00:28:33,919

like that of that caliber in san marino

744

00:28:37,990 --> 00:28:36,000

i think was of interest to lou and who

745

00:28:40,230 --> 00:28:38,000

knows what may come from them

746

00:28:41,669 --> 00:28:40,240

no absolutely and and i think one thing

747

00:28:43,110 --> 00:28:41,679

that we need to reiterate as well is

748

00:28:46,789 --> 00:28:43,120

that when we talk about these military

749

00:28:47,990 --> 00:28:46,799

witnesses a lot of civilian experiences

750

00:28:50,630 --> 00:28:48,000

seem to

751

00:28:52,789 --> 00:28:50,640

feel like they're slightly missed out on

752

00:28:54,630 --> 00:28:52,799

um and i what i want to say is from the

753

00:28:56,710 --> 00:28:54,640

people that i've spoken to is that what

754

00:28:58,630 --> 00:28:56,720

comes first is speaking to the military

755

00:29:00,870 --> 00:28:58,640

people then we move on to the kind of

756

00:29:02,230 --> 00:29:00,880

public and that do you do you see that

757

00:29:04,149 --> 00:29:02,240

gary do you i mean i know you've been

758

00:29:06,389 --> 00:29:04,159

experienced with civilian witnesses for

759

00:29:09,190 --> 00:29:06,399

many years so absolutely

760

00:29:10,070 --> 00:29:09,200

but but if you remember when i created

761

00:29:14,190 --> 00:29:10,080

the

762

00:29:17,750 --> 00:29:14,200

proof of police database in uh january

763

00:29:19,029 --> 00:29:17,760

2002 that's when i went public uh

764

00:29:22,149 --> 00:29:19,039

basically

765

00:29:24,310 --> 00:29:22,159

uh i said the high caliber witnesses are

766

00:29:26,070 --> 00:29:24,320

the ones initially to gain the

767

00:29:27,990 --> 00:29:26,080

credibility

768

00:29:30,310 --> 00:29:28,000

before you can move the conversation

769

00:29:32,070 --> 00:29:30,320

into wider areas

770

00:29:34,310 --> 00:29:32,080

the biggest problem that we had

771

00:29:35,990 --> 00:29:34,320

especially in 2002

772

00:29:37,669 --> 00:29:36,000

is the stigma that was still attached

773

00:29:40,149 --> 00:29:37,679

and that's only just beginning to

774

00:29:42,230 --> 00:29:40,159

dissipate now in the last six months

775

00:29:45,110 --> 00:29:42,240

well this year is unprecedented the

776

00:29:46,789 --> 00:29:45,120

amount of conversation on mainstream tv

777

00:29:48,710 --> 00:29:46,799

et cetera especially in america so

778

00:29:51,350 --> 00:29:48,720

things do look like they're beginning to

779

00:29:53,510 --> 00:29:51,360

change so now the circumstances are

780

00:29:55,909 --> 00:29:53,520

different but again

781

00:29:58,470 --> 00:29:55,919

that's the media beginning to realize

782

00:30:01,110 --> 00:29:58,480

that there is a story here uh if you've

783

00:30:03,510 --> 00:30:01,120

heard me before i'm a big believer that

784

00:30:05,269 --> 00:30:03,520

it's the media now who should be picking

785

00:30:07,110 --> 00:30:05,279

up the mantle and really running at this

786

00:30:10,149 --> 00:30:07,120

subject and saying do some real

787

00:30:12,549 --> 00:30:10,159

investigative reporting and really go

788

00:30:13,830 --> 00:30:12,559

in-depth investigation and you will i

789

00:30:16,230 --> 00:30:13,840

think you'll be amazed at what you'll

790

00:30:21,269 --> 00:30:16,240

find we want them to get on board but

791

00:30:22,470 --> 00:30:21,279

the reality is that once that happens

792

00:30:25,750 --> 00:30:22,480

the question

793

00:30:27,269 --> 00:30:25,760

of best evidence comes up so what do you

794

00:30:29,830 --> 00:30:27,279

get the credibility you get it from the

795

00:30:31,830 --> 00:30:29,840

likes of the astronauts cosmonauts radar

796

00:30:33,669 --> 00:30:31,840

operators sonar operators air traffic

797

00:30:35,350 --> 00:30:33,679

controllers commercial pilots military

798

00:30:37,590 --> 00:30:35,360

pilots police officers those kind of

799

00:30:39,909 --> 00:30:37,600

areas they're crying credible people and

800

00:30:42,149 --> 00:30:39,919

this is the stage we're at now

801  
00:30:44,070 --> 00:30:42,159  
we now in a sense have to move the

802  
00:30:46,950 --> 00:30:44,080  
conversation to say

803  
00:30:49,350 --> 00:30:46,960  
the public still i would say 95 percent

804  
00:30:52,149 --> 00:30:49,360  
of the public really know nothing about

805  
00:30:53,510 --> 00:30:52,159  
the reality of the subject so the first

806  
00:30:56,310 --> 00:30:53,520  
conversation

807  
00:30:58,950 --> 00:30:56,320  
in this phase now over the next year i

808  
00:31:01,590 --> 00:30:58,960  
think will be just really trying to

809  
00:31:03,750 --> 00:31:01,600  
increase the level of awareness for the

810  
00:31:06,230 --> 00:31:03,760  
public well how do you do that you do it

811  
00:31:09,029 --> 00:31:06,240  
via credible people like the pilots etc

812  
00:31:10,470 --> 00:31:09,039  
etc radar operators etc

813  
00:31:12,470 --> 00:31:10,480

then

814

00:31:15,590 --> 00:31:12,480

you will get more of a conversation

815

00:31:17,590 --> 00:31:15,600

about contact consciousness etc which

816

00:31:18,549 --> 00:31:17,600

many of your people will be wanting to

817

00:31:20,870 --> 00:31:18,559

do now

818

00:31:24,230 --> 00:31:20,880

because of the association with those

819

00:31:26,310 --> 00:31:24,240

subjects and how complex they are that

820

00:31:28,310 --> 00:31:26,320

they're just too big an issue to go to

821

00:31:30,389 --> 00:31:28,320

straight away otherwise you're just

822

00:31:32,630 --> 00:31:30,399

going to get ridiculed we have to get

823

00:31:34,549 --> 00:31:32,640

people on board first with credible

824

00:31:36,870 --> 00:31:34,559

people credible evidence and then you

825

00:31:38,870 --> 00:31:36,880

can expand the conversation

826  
00:31:40,710 --> 00:31:38,880  
that makes perfect sense like how far do

827  
00:31:43,029 --> 00:31:40,720  
you have to go with that considering

828  
00:31:44,870 --> 00:31:43,039  
we've had you know just

829  
00:31:46,710 --> 00:31:44,880  
fraver and dietrich recently i know

830  
00:31:48,310 --> 00:31:46,720  
that's only a couple but there's been

831  
00:31:50,149 --> 00:31:48,320  
hundreds throughout history especially

832  
00:31:52,470 --> 00:31:50,159  
in our country i know

833  
00:31:53,750 --> 00:31:52,480  
absolutely but but the problem is is

834  
00:31:55,830 --> 00:31:53,760  
that still

835  
00:31:57,029 --> 00:31:55,840  
95 percent of the public whilst they

836  
00:31:58,710 --> 00:31:57,039  
know

837  
00:31:59,990 --> 00:31:58,720  
some words like roswell don't really

838  
00:32:01,430 --> 00:32:00,000

know the ins and outs roswell but

839

00:32:03,830 --> 00:32:01,440

they'll avoid the word they're not

840

00:32:06,710 --> 00:32:03,840

offline sources they know ufo the link

841

00:32:08,870 --> 00:32:06,720

ufo with e.t rightly wrongly

842

00:32:10,870 --> 00:32:08,880

they're less nor uap but that's now a

843

00:32:13,029 --> 00:32:10,880

political way to enhance the

844

00:32:16,230 --> 00:32:13,039

conversation i understand that to get it

845

00:32:18,070 --> 00:32:16,240

into more more scientific areas it's

846

00:32:20,549 --> 00:32:18,080

changed the wording i understand that

847

00:32:22,950 --> 00:32:20,559

that's acceptable i still love the ufo

848

00:32:26,389 --> 00:32:22,960

word i think it's a very sexy word a lot

849

00:32:28,549 --> 00:32:26,399

of people uh will now go uf or uap and

850

00:32:30,789 --> 00:32:28,559

that's what i do because i understand

851

00:32:33,830 --> 00:32:30,799

the dynamic that's going on but by the

852

00:32:35,830 --> 00:32:33,840

same token there are processes that you

853

00:32:37,750 --> 00:32:35,840

have to follow and the vast majority of

854

00:32:40,470 --> 00:32:37,760

the world and still the vast majority of

855

00:32:42,789 --> 00:32:40,480

the mainstream media are blind they need

856

00:32:44,230 --> 00:32:42,799

educating about the best evidence if you

857

00:32:46,310 --> 00:32:44,240

suddenly go on about the abduction

858

00:32:48,070 --> 00:32:46,320

experience then that's too big a leap

859

00:32:49,830 --> 00:32:48,080

for the public and it's too big a leap

860

00:32:51,669 --> 00:32:49,840

for many of the mainstream journalists

861

00:32:52,630 --> 00:32:51,679

you have to go slowly slowly catch your

862

00:32:54,230 --> 00:32:52,640

monkey

863

00:32:56,230 --> 00:32:54,240

yeah i just want to give a shout out to

864

00:32:58,230 --> 00:32:56,240

wilfrid at dutch uap disclosure thank

865

00:33:00,389 --> 00:32:58,240

you for the five euro donation it's

866

00:33:02,549 --> 00:33:00,399

really appreciated um if you guys could

867

00:33:05,190 --> 00:33:02,559

speculate which countries

868

00:33:07,350 --> 00:33:05,200

do you think could vote against openness

869

00:33:08,710 --> 00:33:07,360

in the u.n gary i'm going to put that to

870

00:33:10,470 --> 00:33:08,720

you because it's probably where you've

871

00:33:12,789 --> 00:33:10,480

probably got the most um

872

00:33:14,470 --> 00:33:12,799

influence and idea

873

00:33:15,830 --> 00:33:14,480

are there any countries that you've seen

874

00:33:17,350 --> 00:33:15,840

that might

875

00:33:19,350 --> 00:33:17,360

back away

876

00:33:22,149 --> 00:33:19,360

to be honest i think it's a

877

00:33:24,710 --> 00:33:22,159

too premature a question we are not even

878

00:33:27,350 --> 00:33:24,720

in the ballpark yet with the u.n let's

879

00:33:29,350 --> 00:33:27,360

get into that conversation first then

880

00:33:31,190 --> 00:33:29,360

let's have the wider debate i think

881

00:33:34,389 --> 00:33:31,200

what's the point in speculating it's not

882

00:33:36,950 --> 00:33:34,399

even on any on any country's mandate yet

883

00:33:38,870 --> 00:33:36,960

yes there's proposals going forward

884

00:33:41,029 --> 00:33:38,880

let's get to the stage where a country

885

00:33:42,470 --> 00:33:41,039

says okay i'll adopt that and let's see

886

00:33:45,029 --> 00:33:42,480

what the un say

887

00:33:46,870 --> 00:33:45,039

then we're into more of a genuine

888

00:33:48,789 --> 00:33:46,880

hypothetical conversation but i think at

889

00:33:50,310 --> 00:33:48,799

the moment it's really too premature

890

00:33:52,149 --> 00:33:50,320

sorry if that's the answer no no that

891

00:33:53,990 --> 00:33:52,159

makes perfect sense so wilfred i hope

892

00:33:56,789 --> 00:33:54,000

that answers your question to a degree i

893

00:33:59,750 --> 00:33:56,799

mean it makes sense to me um

894

00:34:02,630 --> 00:33:59,760

we have to play it step by step so

895

00:34:03,509 --> 00:34:02,640

yeah i appreciate that um

896

00:34:07,990 --> 00:34:03,519

would

897

00:34:10,869 --> 00:34:09,990

i think if

898

00:34:13,270 --> 00:34:10,879

if

899

00:34:14,950 --> 00:34:13,280

the videos that louis ellis honduras has

900

00:34:16,790 --> 00:34:14,960

alluded to

901  
00:34:19,669 --> 00:34:16,800  
uh are varying lengths and they were

902  
00:34:20,710 --> 00:34:19,679  
crystal clear in hd super hd kind of

903  
00:34:22,470 --> 00:34:20,720  
thing

904  
00:34:24,550 --> 00:34:22,480  
uh even if you take away all the

905  
00:34:26,790 --> 00:34:24,560  
telemetry data the other tracking data

906  
00:34:29,030 --> 00:34:26,800  
etc and just give you the the pictures

907  
00:34:30,950 --> 00:34:29,040  
if they're as good and clear as they say

908  
00:34:32,550 --> 00:34:30,960  
i think it could make a huge difference

909  
00:34:35,030 --> 00:34:32,560  
and i think one of the reasons why

910  
00:34:36,389 --> 00:34:35,040  
they're not released yeah

911  
00:34:39,349 --> 00:34:36,399  
that makes sense

912  
00:34:41,669 --> 00:34:39,359  
thanks we want to see them

913  
00:34:43,750 --> 00:34:41,679

but this is where i go back to the media

914

00:34:46,149 --> 00:34:43,760

and say the ufo community are not strong

915

00:34:48,710 --> 00:34:46,159

enough individually and not powerful

916

00:34:51,270 --> 00:34:48,720

enough to create the momentum to change

917

00:34:52,550 --> 00:34:51,280

politicians that comes through hard

918

00:34:54,790 --> 00:34:52,560

questions by

919

00:34:56,869 --> 00:34:54,800

by the mainstream uh political

920

00:34:59,190 --> 00:34:56,879

commentators of this world when they

921

00:35:02,310 --> 00:34:59,200

start really going after politicians

922

00:35:05,829 --> 00:35:02,320

imagine what what it would be if you you

923

00:35:08,230 --> 00:35:05,839

you had a a uh there i say a president

924

00:35:10,870 --> 00:35:08,240

sleeping with one of their interns

925

00:35:15,510 --> 00:35:10,880

uh not that that's ever happened

926

00:35:20,390 --> 00:35:16,950

yeah i was trying to be there that's

927

00:35:21,109 --> 00:35:20,400

called being subtle in british

928

00:35:22,870 --> 00:35:21,119

but

929

00:35:24,470 --> 00:35:22,880

the americans are not known for being

930

00:35:26,230 --> 00:35:24,480

subtle but there you go

931

00:35:29,190 --> 00:35:26,240

so there you go i tried to do it subtly

932

00:35:31,190 --> 00:35:29,200

but there you go i can say nothing

933

00:35:33,430 --> 00:35:31,200

but suffice to say that that kind of

934

00:35:36,630 --> 00:35:33,440

scenario the press would be all over it

935

00:35:39,670 --> 00:35:36,640

24 7 day in day out until they got the

936

00:35:41,750 --> 00:35:39,680

bones of the story which they did

937

00:35:44,790 --> 00:35:41,760

now if they were to adopt the same

938

00:35:46,950 --> 00:35:44,800

attitude to the ufo evidence best

939

00:35:48,470 --> 00:35:46,960

evidence kind of scenario they're the

940

00:35:50,790 --> 00:35:48,480

ones that can create the pressure on the

941

00:35:53,589 --> 00:35:50,800

political leaders and politicians and

942

00:35:55,990 --> 00:35:53,599

that's why my big boy big bug bear i was

943

00:35:58,069 --> 00:35:56,000

interviewed by italian media and i said

944

00:35:59,750 --> 00:35:58,079

exactly the same thing i says because

945

00:36:01,510 --> 00:35:59,760

they're getting excited about the story

946

00:36:03,589 --> 00:36:01,520

if they're being genuine with me you

947

00:36:05,349 --> 00:36:03,599

never really know but they seem to have

948

00:36:07,030 --> 00:36:05,359

an interest and i said it's you guys

949

00:36:09,030 --> 00:36:07,040

that will make the difference it's you

950

00:36:12,230 --> 00:36:09,040

guys that will force them to release an

951  
00:36:14,310 --> 00:36:12,240  
unclassified uh report every 90 days at

952  
00:36:17,990 --> 00:36:14,320  
the moment you think about it they did

953  
00:36:20,630 --> 00:36:18,000  
the initial dni uh report and gave us a

954  
00:36:22,230 --> 00:36:20,640  
nine page summary document now they're

955  
00:36:25,030 --> 00:36:22,240  
saying there's legislation that says

956  
00:36:27,190 --> 00:36:25,040  
every 90 days a rolling program there

957  
00:36:28,790 --> 00:36:27,200  
will be a classified section well why at

958  
00:36:30,950 --> 00:36:28,800  
the press leaping over this and saying

959  
00:36:33,990 --> 00:36:30,960  
we want an unclassified

960  
00:36:35,349 --> 00:36:34,000  
one every time you go 90 days even if

961  
00:36:36,870 --> 00:36:35,359  
it's three or four pages it doesn't

962  
00:36:38,870 --> 00:36:36,880  
matter but you've got to give us one

963  
00:36:40,310 --> 00:36:38,880

you've got to give us some numbers

964

00:36:42,550 --> 00:36:40,320

and that's what the press should be

965

00:36:45,589 --> 00:36:42,560

doing and the fact that they're not yet

966

00:36:47,349 --> 00:36:45,599

means that they're not fully up to speed

967

00:36:49,430 --> 00:36:47,359

and that's what i'm encouraging them to

968

00:36:51,750 --> 00:36:49,440

do is to get up to speed and say look

969

00:36:55,109 --> 00:36:51,760

there really is a watergate story here

970

00:36:57,349 --> 00:36:55,119

go after it and do your job

971

00:36:59,349 --> 00:36:57,359

do you have any inkling as to why they

972

00:37:01,030 --> 00:36:59,359

don't why they were quiet i remember

973

00:37:03,829 --> 00:37:01,040

after the report even came out there's a

974

00:37:05,349 --> 00:37:03,839

press conference uh i forget who was

975

00:37:07,510 --> 00:37:05,359

doing it maybe

976

00:37:10,230 --> 00:37:07,520

uh chief of staff or something

977

00:37:12,550 --> 00:37:10,240

um and there was no questions not one

978

00:37:14,390 --> 00:37:12,560

from the press box about it like

979

00:37:15,349 --> 00:37:14,400

that's the media for you and that's what

980

00:37:19,430 --> 00:37:15,359

i'm saying

981

00:37:22,150 --> 00:37:19,440

i i genuinely believe that the uh

982

00:37:24,390 --> 00:37:22,160

75 percent of the mainstream media are

983

00:37:25,829 --> 00:37:24,400

almost childlike about the subject

984

00:37:27,990 --> 00:37:25,839

because they can't believe that we're

985

00:37:29,910 --> 00:37:28,000

now having a serious conversation they

986

00:37:31,990 --> 00:37:29,920

have been led to believe for 70 years

987

00:37:33,589 --> 00:37:32,000

there's nothing to it they bought into

988

00:37:34,870 --> 00:37:33,599

it there's two ways you can look at the

989

00:37:37,750 --> 00:37:34,880

media you can either say they were

990

00:37:39,990 --> 00:37:37,760

complicit in the cover-up or that they

991

00:37:41,589 --> 00:37:40,000

were duped as well well if we want to

992

00:37:43,190 --> 00:37:41,599

get the media on board i don't think

993

00:37:45,270 --> 00:37:43,200

it's going to do me any good to say that

994

00:37:46,790 --> 00:37:45,280

you accomplish it so we're better off

995

00:37:48,550 --> 00:37:46,800

saying that giving them the benefit the

996

00:37:50,470 --> 00:37:48,560

doubt and saying look you were duped but

997

00:37:53,990 --> 00:37:50,480

it's now time for you to earn your money

998

00:37:55,510 --> 00:37:54,000

and get onto the tail of the watergate

999

00:37:57,190 --> 00:37:55,520

what do you think max is there any

1000

00:37:59,109 --> 00:37:57,200

anything cropping up in holland at the

1001

00:38:01,670 --> 00:37:59,119

moment leading up with this

1002

00:38:05,670 --> 00:38:01,680

authorization act and the two

1003

00:38:06,630 --> 00:38:05,680

uh proposals coming in it's it's just me

1004

00:38:09,510 --> 00:38:06,640

well

1005

00:38:11,670 --> 00:38:09,520

uh just sorry to cut in max but just

1006

00:38:14,870 --> 00:38:11,680

you raised an important point there

1007

00:38:17,190 --> 00:38:14,880

the point is what happened uh with max

1008

00:38:19,430 --> 00:38:17,200

during his show was unprecedented

1009

00:38:21,430 --> 00:38:19,440

he got that and he and he read it out

1010

00:38:24,310 --> 00:38:21,440

live and all that which is brilliant for

1011

00:38:26,630 --> 00:38:24,320

max but also brilliant for the subject

1012

00:38:27,510 --> 00:38:26,640

but here's the question

1013

00:38:30,470 --> 00:38:27,520

how

1014

00:38:33,270 --> 00:38:30,480

has that been covered in the american

1015

00:38:35,589 --> 00:38:33,280

media since saturday

1016

00:38:37,190 --> 00:38:35,599

sunday and yeah

1017

00:38:39,829 --> 00:38:37,200

it's not being covered at all as far as

1018

00:38:41,670 --> 00:38:39,839

i can see in the american media in terms

1019

00:38:44,390 --> 00:38:41,680

of tv that's where you get your big

1020

00:38:46,870 --> 00:38:44,400

audiences now can you imagine if that

1021

00:38:48,230 --> 00:38:46,880

had come out two days before the dni

1022

00:38:49,430 --> 00:38:48,240

report came out

1023

00:38:51,670 --> 00:38:49,440

that would have been wall-to-wall

1024

00:38:53,829 --> 00:38:51,680

coverage like we were getting but

1025

00:38:56,470 --> 00:38:53,839

literally the fact that the media are

1026

00:38:59,190 --> 00:38:56,480

not reporting on what is an absolutely

1027

00:39:02,150 --> 00:38:59,200

major major story especially when they

1028

00:39:04,470 --> 00:39:02,160

say the word uh capture

1029

00:39:07,270 --> 00:39:04,480

in part of the four on page four of the

1030

00:39:10,390 --> 00:39:07,280

five pages capture what the hell is that

1031

00:39:12,710 --> 00:39:10,400

about you know and and and uh health

1032

00:39:15,430 --> 00:39:12,720

effects amazing

1033

00:39:17,589 --> 00:39:15,440

lou got very excited about the page four

1034

00:39:19,750 --> 00:39:17,599

because of some of the wording well

1035

00:39:22,310 --> 00:39:19,760

he should have been on tv left right and

1036

00:39:23,670 --> 00:39:22,320

center in america i he may well have

1037

00:39:25,589 --> 00:39:23,680

done one or two but i'm not aware he's

1038

00:39:28,790 --> 00:39:25,599

done any and certainly there's been

1039

00:39:30,870 --> 00:39:28,800

nothing in the uk that i can see so

1040

00:39:32,790 --> 00:39:30,880

in a sense the media have gone missing

1041

00:39:34,630 --> 00:39:32,800

we need them to get on board but they

1042

00:39:36,950 --> 00:39:34,640

need to think that i do think

1043

00:39:37,670 --> 00:39:36,960

i do think that that that when

1044

00:39:39,589 --> 00:39:37,680

lou

1045

00:39:40,870 --> 00:39:39,599

is writing a book

1046

00:39:42,710 --> 00:39:40,880

that's out now

1047

00:39:44,710 --> 00:39:42,720

i think that will get more coverage than

1048

00:39:46,630 --> 00:39:44,720

actually what came out last saturday

1049

00:39:47,910 --> 00:39:46,640

yeah because it will because it will

1050

00:39:49,510 --> 00:39:47,920

when it comes out

1051

00:39:51,349 --> 00:39:49,520

i think what people need to also pay

1052

00:39:53,109 --> 00:39:51,359

attention to especially journalists and

1053

00:39:54,630 --> 00:39:53,119

that is take a look at the conversations

1054

00:39:56,390 --> 00:39:54,640

that are happening across social media

1055

00:39:59,589 --> 00:39:56,400

look at reddit look at twitter

1056

00:40:01,670 --> 00:39:59,599

after max's um videos from the weekend

1057

00:40:03,829 --> 00:40:01,680

it was incredible what was going on on

1058

00:40:05,829 --> 00:40:03,839

reddit and twitter everywhere the amount

1059

00:40:07,829 --> 00:40:05,839

of the figures you could see and the

1060

00:40:09,270 --> 00:40:07,839

amount of people talking about it was

1061

00:40:10,950 --> 00:40:09,280

well i think

1062

00:40:13,750 --> 00:40:10,960

vinnie i think this show in the fact

1063

00:40:16,550 --> 00:40:13,760

that lou comes on and speaks so openly

1064

00:40:17,349 --> 00:40:16,560

about icer and the italian organization

1065

00:40:18,950 --> 00:40:17,359

con

1066

00:40:21,910 --> 00:40:18,960

uh central

1067

00:40:24,230 --> 00:40:21,920

ufological national that's the

1068

00:40:26,950 --> 00:40:24,240

that's the group um the fact that he's

1069

00:40:29,270 --> 00:40:26,960

been so glowing about isa and endorsing

1070

00:40:31,670 --> 00:40:29,280

isa in his very kind words i think

1071

00:40:33,750 --> 00:40:31,680

you'll find that when he comes onto this

1072

00:40:34,950 --> 00:40:33,760

podcast this show tonight that there

1073

00:40:37,910 --> 00:40:34,960

will be a lot of people like reddit

1074

00:40:40,150 --> 00:40:37,920

listening and going whoa somehow there

1075

00:40:42,069 --> 00:40:40,160

you see what i mean because because

1076

00:40:44,230 --> 00:40:42,079

because we're actually alluding to a lot

1077

00:40:46,950 --> 00:40:44,240

more stuff than what would come out over

1078

00:40:50,150 --> 00:40:46,960

the weekend uh this is other things that

1079

00:40:52,550 --> 00:40:50,160

are coming out post conference so um

1080

00:40:54,150 --> 00:40:52,560

he's alluding to stuff

1081

00:40:56,790 --> 00:40:54,160

and speaking in a way that he's never

1082

00:40:59,270 --> 00:40:56,800

really spoken before very very open very

1083

00:41:00,870 --> 00:40:59,280

relaxed he clearly enjoyed his time with

1084

00:41:03,430 --> 00:41:00,880

max with me

1085

00:41:04,309 --> 00:41:03,440

at the conference etc so i think if

1086

00:41:06,230 --> 00:41:04,319

anybody

1087

00:41:08,470 --> 00:41:06,240

sees his performance tonight if that's

1088

00:41:10,710 --> 00:41:08,480

the word performance uh they will see

1089

00:41:13,190 --> 00:41:10,720

that um he said some pretty important

1090

00:41:14,069 --> 00:41:13,200

things on this show tonight yeah i mean

1091

00:41:16,230 --> 00:41:14,079

i think

1092

00:41:18,230 --> 00:41:16,240

i know for a fact he only got back home

1093

00:41:19,750 --> 00:41:18,240

yesterday and

1094

00:41:21,030 --> 00:41:19,760

one of the first things he said today

1095

00:41:23,670 --> 00:41:21,040

tonight was

1096

00:41:25,829 --> 00:41:23,680

he's already made some moves or you know

1097

00:41:27,750 --> 00:41:25,839

absolutely i i was not aware of that

1098

00:41:30,309 --> 00:41:27,760

vinny so uh

1099

00:41:31,349 --> 00:41:30,319

so yeah he was staying choosy so he

1100

00:41:34,150 --> 00:41:31,359

would have got

1101  
00:41:36,630 --> 00:41:34,160  
back lunchtime probably yesterday so

1102  
00:41:39,270 --> 00:41:36,640  
literally within 24 hours he's talked to

1103  
00:41:40,870 --> 00:41:39,280  
people now who those people are

1104  
00:41:43,190 --> 00:41:40,880  
you know we can speculate

1105  
00:41:45,109 --> 00:41:43,200  
i i have probably some ideas but i

1106  
00:41:46,630 --> 00:41:45,119  
probably don't have some ideas because

1107  
00:41:48,550 --> 00:41:46,640  
we don't really know

1108  
00:41:51,349 --> 00:41:48,560  
everything that goes on around lou but

1109  
00:41:53,510 --> 00:41:51,359  
suffice to say that he's made some

1110  
00:41:55,349 --> 00:41:53,520  
calls i guess and that's good and the

1111  
00:41:57,109 --> 00:41:55,359  
fact that he's talking in such glowing

1112  
00:41:59,190 --> 00:41:57,119  
terms about what happened over the

1113  
00:42:01,109 --> 00:41:59,200

weekend i think is important and i think

1114

00:42:03,349 --> 00:42:01,119

the fact that he came on to this brief

1115

00:42:05,430 --> 00:42:03,359

conversation significantly

1116

00:42:07,430 --> 00:42:05,440

and so we will see we will see okay i

1117

00:42:10,230 --> 00:42:07,440

saw one of those i saw one or one or two

1118

00:42:11,109 --> 00:42:10,240

of those people uh he was hinting on and

1119

00:42:13,349 --> 00:42:11,119

uh

1120

00:42:15,349 --> 00:42:13,359

one of them knew my name and i didn't

1121

00:42:16,710 --> 00:42:15,359

even introduce myself before you didn't

1122

00:42:18,870 --> 00:42:16,720

even know me before which was

1123

00:42:21,030 --> 00:42:18,880

interesting you're a marked man max

1124

00:42:23,270 --> 00:42:21,040

you're a marked man

1125

00:42:25,109 --> 00:42:23,280

let me let me ask you a question so you

1126

00:42:27,430 --> 00:42:25,119

were in san marino doing all this stuff

1127

00:42:29,030 --> 00:42:27,440

it was it's probably i would guess a bit

1128

00:42:31,109 --> 00:42:29,040

surreal because

1129

00:42:33,109 --> 00:42:31,119

um you've been working in this subject

1130

00:42:35,589 --> 00:42:33,119

for so long and you're kind of just like

1131

00:42:37,750 --> 00:42:35,599

in the meat in the heart of it

1132

00:42:38,790 --> 00:42:37,760

um how

1133

00:42:41,910 --> 00:42:38,800

did

1134

00:42:43,990 --> 00:42:41,920

you know that change your perspective on

1135

00:42:46,390 --> 00:42:44,000

either your work or the community or the

1136

00:42:50,150 --> 00:42:46,400

subject in general or did it

1137

00:42:54,710 --> 00:42:50,160

there was a lot going on in my head

1138

00:42:59,670 --> 00:42:57,190

now i'm convinced that

1139

00:43:02,069 --> 00:42:59,680

multiple governments are very much aware

1140

00:43:05,589 --> 00:43:02,079

of what is going on

1141

00:43:07,190 --> 00:43:05,599

i saw that with my two eyes

1142

00:43:10,069 --> 00:43:07,200

and i'm

1143

00:43:12,069 --> 00:43:10,079

very excited that there is

1144

00:43:15,030 --> 00:43:12,079

there's really something moving at this

1145

00:43:16,630 --> 00:43:15,040

moment and um there in san marino

1146

00:43:20,950 --> 00:43:16,640

something uh

1147

00:43:23,670 --> 00:43:20,960

is being established that could be

1148

00:43:26,630 --> 00:43:23,680

changing history basically that that i

1149

00:43:29,190 --> 00:43:26,640

felt really that i was witness to

1150

00:43:31,270 --> 00:43:29,200

history in the making really

1151

00:43:33,109 --> 00:43:31,280

yeah

1152

00:43:35,030 --> 00:43:33,119

give me the chills just listening to you

1153

00:43:37,910 --> 00:43:35,040

yeah about it i'm really proud of you

1154

00:43:40,069 --> 00:43:37,920

and thank you just just so you know

1155

00:43:42,710 --> 00:43:40,079

no no absolutely man you made it and i

1156

00:43:45,109 --> 00:43:42,720

did and i did enjoy um you know how it

1157

00:43:47,510 --> 00:43:45,119

was received because i i had to wing it

1158

00:43:48,470 --> 00:43:47,520

you know when i got lou to sit down i

1159

00:43:49,990 --> 00:43:48,480

just

1160

00:43:51,589 --> 00:43:50,000

you know we jumped out on the live

1161

00:43:55,349 --> 00:43:51,599

stream two times

1162

00:43:57,589 --> 00:43:55,359

um i tried to catch anything uh you know

1163

00:44:00,390 --> 00:43:57,599

he was doing lecture or or hanging

1164

00:44:02,550 --> 00:44:00,400

around some some people

1165

00:44:05,510 --> 00:44:02,560

some of them uh

1166

00:44:08,710 --> 00:44:05,520

not supposed to talk about but it is it

1167

00:44:11,190 --> 00:44:08,720

is very very interesting and um

1168

00:44:13,190 --> 00:44:11,200

yeah my perspective has actually

1169

00:44:15,270 --> 00:44:13,200

changed a lot because

1170

00:44:17,750 --> 00:44:15,280

again i feel

1171

00:44:20,069 --> 00:44:17,760

this is big it's going to change there's

1172

00:44:20,790 --> 00:44:20,079

going to be big changes and even if you

1173

00:44:22,950 --> 00:44:20,800

know

1174

00:44:24,790 --> 00:44:22,960

after this crazy scoop

1175

00:44:26,790 --> 00:44:24,800

lou and me had

1176

00:44:28,550 --> 00:44:26,800

because this was literally and this was

1177

00:44:30,230 --> 00:44:28,560

actually funny we were doing a second

1178

00:44:32,710 --> 00:44:30,240

live stream because i was about to leave

1179

00:44:34,550 --> 00:44:32,720

and uh you know he was making uh

1180

00:44:38,230 --> 00:44:34,560

preparations to meet with people he was

1181

00:44:41,430 --> 00:44:38,240

just talking about um this literally

1182

00:44:43,190 --> 00:44:41,440

just dropped in his iphone and and he

1183

00:44:44,309 --> 00:44:43,200

said okay we're gonna kick this off with

1184

00:44:45,910 --> 00:44:44,319

this

1185

00:44:48,790 --> 00:44:45,920

and yeah

1186

00:44:52,950 --> 00:44:48,800

that was just mind-blowing what happened

1187

00:44:56,710 --> 00:44:52,960

over there and and really that lou was

1188

00:44:59,510 --> 00:44:56,720

so excited about it and yeah uh so was i

1189

00:45:01,990 --> 00:44:59,520

it was uh it was a big it was a big

1190

00:45:04,630 --> 00:45:02,000

thing even though the mainstream media

1191

00:45:06,870 --> 00:45:04,640

in america or in europe is not catching

1192

00:45:07,990 --> 00:45:06,880

on to it yet they will they will catch

1193

00:45:10,069 --> 00:45:08,000

on to this

1194

00:45:11,510 --> 00:45:10,079

here's a question for you gary let me

1195

00:45:13,349 --> 00:45:11,520

just ask this quick question because i

1196

00:45:14,790 --> 00:45:13,359

think i've had this asked a lot a lot of

1197

00:45:16,069 --> 00:45:14,800

times over the past few days he said

1198

00:45:18,950 --> 00:45:16,079

this is a conference that a lot of

1199

00:45:20,790 --> 00:45:18,960

people want to hear the people that

1200

00:45:23,510 --> 00:45:20,800

stood up on stage let's say and made

1201

00:45:25,510 --> 00:45:23,520

some lectures as it were are they going

1202

00:45:27,430 --> 00:45:25,520

to be made available public or was this

1203

00:45:29,030 --> 00:45:27,440

a behind the scenes kind of conference

1204

00:45:29,829 --> 00:45:29,040

it's public

1205

00:45:31,750 --> 00:45:29,839

yeah

1206

00:45:33,990 --> 00:45:31,760

it's it's public but i i i'm not

1207

00:45:36,950 --> 00:45:34,000

involved in that because it the og the

1208

00:45:39,990 --> 00:45:36,960

conference was put together primarily by

1209

00:45:43,030 --> 00:45:40,000

roberto panotte's group uh

1210

00:45:44,550 --> 00:45:43,040

this is his historical group and so all

1211

00:45:46,470 --> 00:45:44,560

of his association

1212

00:45:49,109 --> 00:45:46,480

association put that together

1213

00:45:50,950 --> 00:45:49,119

and they record the videos what they do

1214

00:45:52,790 --> 00:45:50,960

with them i really don't know but i

1215

00:45:56,069 --> 00:45:52,800

think they are public and they will

1216

00:45:59,109 --> 00:45:56,079

probably be released onto the their

1217

00:46:00,710 --> 00:45:59,119

their uh cun website yeah but yeah they

1218

00:46:02,790 --> 00:46:00,720

they should be publicly available they

1219

00:46:04,630 --> 00:46:02,800

were all being filmed i found it

1220

00:46:06,630 --> 00:46:04,640

i filmed it i filmed it so it's gonna go

1221

00:46:08,710 --> 00:46:06,640

no i i only asked because i've been on

1222

00:46:10,870 --> 00:46:08,720

the website today and there's very

1223

00:46:13,190 --> 00:46:10,880

little there about the conference

1224

00:46:14,870 --> 00:46:13,200

um so i will

1225

00:46:16,390 --> 00:46:14,880

publish anything that comes out for

1226

00:46:18,390 --> 00:46:16,400

anyone that wants to see it but i wasn't

1227

00:46:20,390 --> 00:46:18,400

sure if i mean

1228

00:46:22,309 --> 00:46:20,400

by obviously because roberto is the

1229

00:46:24,790 --> 00:46:22,319

president of iso i obviously have access

1230

00:46:26,870 --> 00:46:24,800

to roberto so i can ask that question

1231

00:46:28,710 --> 00:46:26,880

and say when will the videos be released

1232

00:46:29,910 --> 00:46:28,720

and i'll ask that question i'll email

1233

00:46:31,430 --> 00:46:29,920

him tonight

1234

00:46:34,950 --> 00:46:31,440

do it and while you're there just email

1235

00:46:38,790 --> 00:46:35,750

uh

1236

00:46:41,109 --> 00:46:38,800

he may well do i can ask him i was kind

1237

00:46:44,790 --> 00:46:41,119

of joking but i wasn't like you know

1238

00:46:49,589 --> 00:46:46,710

yeah well these are the kind of people

1239

00:46:50,550 --> 00:46:49,599

we need to have yeah talk to for the

1240

00:46:52,710 --> 00:46:50,560

people

1241

00:46:54,870 --> 00:46:52,720

you know i'm just so glad that gary has

1242

00:46:56,950 --> 00:46:54,880

spoken to me not once but twice on my

1243

00:46:58,790 --> 00:46:56,960

channel and having that connection to

1244

00:47:00,630 --> 00:46:58,800

isa and what's happening so that i don't

1245

00:47:03,510 --> 00:47:00,640

just have to focus on what's going on in

1246

00:47:07,990 --> 00:47:06,309

what i've tried to do is is by

1247

00:47:10,390 --> 00:47:08,000

in a sense trusting vinnie to do it the

1248

00:47:12,390 --> 00:47:10,400

right way i took a leap of faith with

1249

00:47:14,470 --> 00:47:12,400

vinnie that he will promote this in the

1250

00:47:16,870 --> 00:47:14,480

right way and he is and we live quite

1251  
00:47:18,470 --> 00:47:16,880  
close to each other and and i think

1252  
00:47:20,230 --> 00:47:18,480  
we've developed an understanding that

1253  
00:47:21,990 --> 00:47:20,240  
he's doing it for the right reasons like

1254  
00:47:23,349 --> 00:47:22,000  
hopefully he'll appreciate that i'm in

1255  
00:47:25,270 --> 00:47:23,359  
this for the passion not for the money i

1256  
00:47:28,230 --> 00:47:25,280  
mean how many swimming pools do you need

1257  
00:47:33,030 --> 00:47:30,710  
so really so really i make this in all

1258  
00:47:35,349 --> 00:47:33,040  
seriousness i'm in it to try to change

1259  
00:47:37,270 --> 00:47:35,359  
the perception of the world that's why i

1260  
00:47:39,589 --> 00:47:37,280  
came into the subject do it for money

1261  
00:47:42,230 --> 00:47:39,599  
rich is nothing i just want to reach the

1262  
00:47:43,990 --> 00:47:42,240  
man on the street and i think vinnie

1263  
00:47:45,990 --> 00:47:44,000

totally appreciates that point of view

1264

00:47:48,150 --> 00:47:46,000

and in his own way he wants to play his

1265

00:47:49,990 --> 00:47:48,160

part in trying to affect that change and

1266

00:47:51,829 --> 00:47:50,000

he's got a really popular webcast and

1267

00:47:53,750 --> 00:47:51,839

like there's a there's a new breed of

1268

00:47:55,270 --> 00:47:53,760

people like louis himalayas there's

1269

00:47:57,510 --> 00:47:55,280

obviously mass mosquitoes and and

1270

00:47:59,109 --> 00:47:57,520

obviously shawn etc these are new people

1271

00:48:01,750 --> 00:47:59,119

and we have to get younger people

1272

00:48:04,230 --> 00:48:01,760

involved because now it's you guys that

1273

00:48:05,670 --> 00:48:04,240

can reach millions with your podcasts if

1274

00:48:08,230 --> 00:48:05,680

they really take off you can hit

1275

00:48:09,990 --> 00:48:08,240

millions overnight uh and

1276

00:48:12,549 --> 00:48:10,000

this has always been one of the problems

1277

00:48:15,109 --> 00:48:12,559

in the past is that and if you look at

1278

00:48:18,790 --> 00:48:15,119

ufology in general we're all old guys

1279

00:48:21,670 --> 00:48:18,800

now the majority 90 percent are 60 plus

1280

00:48:23,349 --> 00:48:21,680

or 55 plus that's old we need younger

1281

00:48:26,870 --> 00:48:23,359

people in this subject and one of the

1282

00:48:29,349 --> 00:48:26,880

reasons why um i've kind of trusted

1283

00:48:31,349 --> 00:48:29,359

vinnie is to try to reach a younger

1284

00:48:33,430 --> 00:48:31,359

audience that are listening we know that

1285

00:48:36,069 --> 00:48:33,440

they're listening but they have to get

1286

00:48:37,990 --> 00:48:36,079

more involved they have to start in a

1287

00:48:40,710 --> 00:48:38,000

sense becoming more of an activist

1288

00:48:42,069 --> 00:48:40,720

themselves doing some part to play some

1289

00:48:42,870 --> 00:48:42,079

pressure

1290

00:48:44,870 --> 00:48:42,880

you know

1291

00:48:47,270 --> 00:48:44,880

it seems like joining groups is

1292

00:48:48,950 --> 00:48:47,280

old-fashioned and maybe we have to

1293

00:48:51,270 --> 00:48:48,960

change that kind of

1294

00:48:53,109 --> 00:48:51,280

scenario but we have to get younger

1295

00:48:55,190 --> 00:48:53,119

people involved because we're not always

1296

00:48:56,870 --> 00:48:55,200

going to be around so we need younger

1297

00:48:59,109 --> 00:48:56,880

people to follow on and you're the next

1298

00:49:01,510 --> 00:48:59,119

generation and and i think it's

1299

00:49:04,470 --> 00:49:01,520

important now through the the

1300

00:49:06,470 --> 00:49:04,480

through the eyes of the incredible media

1301

00:49:08,309 --> 00:49:06,480

platforms that are available now you

1302

00:49:10,470 --> 00:49:08,319

guys can make the difference in a way

1303

00:49:12,630 --> 00:49:10,480

that we couldn't do it before technology

1304

00:49:14,870 --> 00:49:12,640

is literally changing before our eyes

1305

00:49:17,510 --> 00:49:14,880

and you can literally reach millions

1306

00:49:19,670 --> 00:49:17,520

overnight if you get the right story at

1307

00:49:21,829 --> 00:49:19,680

the right time i mean i i don't know how

1308

00:49:23,910 --> 00:49:21,839

many kind of hits max will be getting

1309

00:49:26,390 --> 00:49:23,920

for his podcast with lou but it is

1310

00:49:28,230 --> 00:49:26,400

probably the highest it's ever had

1311

00:49:30,710 --> 00:49:28,240

if not it will soon supersede anything

1312

00:49:33,589 --> 00:49:30,720

he's had because of the content and he

1313

00:49:36,150 --> 00:49:33,599

was lucky right place right time however

1314

00:49:38,950 --> 00:49:36,160

he made it lucky i knew i knew i had to

1315

00:49:41,190 --> 00:49:38,960

go there no no no no no no

1316

00:49:42,630 --> 00:49:41,200

here's why here's what i'm saying is

1317

00:49:45,109 --> 00:49:42,640

in life

1318

00:49:49,510 --> 00:49:45,119

you you can affect

1319

00:49:51,430 --> 00:49:49,520

things yourself if you had not decided

1320

00:49:53,190 --> 00:49:51,440

that it was important for you to go to

1321

00:49:55,829 --> 00:49:53,200

san marino you would have missed out on

1322

00:49:58,710 --> 00:49:55,839

that incredible scoop so you changed

1323

00:50:02,309 --> 00:49:58,720

your own destiny when i created the

1324

00:50:04,230 --> 00:50:02,319

unofficial police database in 2002

1325

00:50:06,309 --> 00:50:04,240

i changed my destiny i didn't know what

1326

00:50:08,790 --> 00:50:06,319

was going to be the spin-off and here i

1327

00:50:10,630 --> 00:50:08,800

would be talking to international people

1328

00:50:12,950 --> 00:50:10,640

all over the world kind of thing it's a

1329

00:50:14,870 --> 00:50:12,960

strange route that we're all on the

1330

00:50:15,589 --> 00:50:14,880

journey that we're all on but the point

1331

00:50:17,430 --> 00:50:15,599

is

1332

00:50:19,750 --> 00:50:17,440

if you hadn't gone to san marino you'd

1333

00:50:22,309 --> 00:50:19,760

have never got that scoop and who knows

1334

00:50:24,390 --> 00:50:22,319

where that scoop will take max too and

1335

00:50:27,349 --> 00:50:24,400

that's it you can create your own

1336

00:50:29,109 --> 00:50:27,359

destiny but i do think that the

1337

00:50:32,390 --> 00:50:29,119

the new podcasters

1338

00:50:34,549 --> 00:50:32,400

uh are a part of this big future to

1339

00:50:36,870 --> 00:50:34,559

spread the word and hopefully get

1340

00:50:39,589 --> 00:50:36,880

younger people in to become more of an

1341

00:50:42,870 --> 00:50:39,599

activist to say we want the truth

1342

00:50:44,230 --> 00:50:42,880

and be do something active themselves

1343

00:50:45,910 --> 00:50:44,240

wow

1344

00:50:47,349 --> 00:50:45,920

beautiful words thank you gary i

1345

00:50:48,950 --> 00:50:47,359

appreciate that

1346

00:50:51,270 --> 00:50:48,960

well guys listen

1347

00:50:52,390 --> 00:50:51,280

i'm all out of questions i think and i

1348

00:50:55,270 --> 00:50:52,400

think we've got the information that

1349

00:50:57,190 --> 00:50:55,280

we're allowed right now

1350

00:50:58,230 --> 00:50:57,200

i could say one thing if you don't mind

1351  
00:51:00,309 --> 00:50:58,240  
just

1352  
00:51:01,190 --> 00:51:00,319  
going off of what gary said

1353  
00:51:02,710 --> 00:51:01,200  
um

1354  
00:51:04,470 --> 00:51:02,720  
just being

1355  
00:51:05,589 --> 00:51:04,480  
honest

1356  
00:51:08,470 --> 00:51:05,599  
um

1357  
00:51:09,349 --> 00:51:08,480  
i have an incredibly hard time getting

1358  
00:51:12,950 --> 00:51:09,359  
any

1359  
00:51:16,390 --> 00:51:12,960  
of the og ufologists

1360  
00:51:18,150 --> 00:51:16,400  
um to talk to me or give guidance or

1361  
00:51:20,230 --> 00:51:18,160  
anything and that's

1362  
00:51:23,349 --> 00:51:20,240  
what i think the younger

1363  
00:51:25,750 --> 00:51:23,359

people need uh is a little bit of help

1364

00:51:26,950 --> 00:51:25,760

from them like you're doing with vinnie

1365

00:51:29,030 --> 00:51:26,960

um

1366

00:51:31,510 --> 00:51:29,040

which you know is

1367

00:51:34,390 --> 00:51:31,520

so nice of you to do that but

1368

00:51:36,470 --> 00:51:34,400

um yeah there's like it's tough out

1369

00:51:37,910 --> 00:51:36,480

there because at least for me i've never

1370

00:51:40,150 --> 00:51:37,920

done this before i don't know i had to

1371

00:51:42,230 --> 00:51:40,160

experience that rock my world i'm doing

1372

00:51:44,230 --> 00:51:42,240

this i'm learning as i go

1373

00:51:45,750 --> 00:51:44,240

um but it you know it would just be nice

1374

00:51:47,829 --> 00:51:45,760

to feel more of a

1375

00:51:49,990 --> 00:51:47,839

a community from some of those senior

1376

00:51:52,790 --> 00:51:50,000

guys

1377

00:51:55,910 --> 00:51:52,800

i can't talk for other people i know i i

1378

00:51:57,750 --> 00:51:55,920

i i really like i i i've always felt

1379

00:51:59,829 --> 00:51:57,760

comfortable talking

1380

00:52:01,589 --> 00:51:59,839

in the media so that's why i'm happy to

1381

00:52:03,589 --> 00:52:01,599

do the talk because it's something i'm

1382

00:52:06,069 --> 00:52:03,599

passionate about and you guys do have a

1383

00:52:08,230 --> 00:52:06,079

big plot to play so like max asked me on

1384

00:52:10,230 --> 00:52:08,240

his show i said anytime if you sean if

1385

00:52:13,589 --> 00:52:10,240

you want me on your show any time uh

1386

00:52:16,069 --> 00:52:13,599

yeah because because because in a sense

1387

00:52:19,190 --> 00:52:16,079

we have to try to reach people and this

1388

00:52:21,910 --> 00:52:19,200

and podcasts do that now the old radio

1389

00:52:22,710 --> 00:52:21,920

shows uh an official radio

1390

00:52:25,109 --> 00:52:22,720

you know

1391

00:52:27,190 --> 00:52:25,119

the main tv channels the main national

1392

00:52:29,030 --> 00:52:27,200

radio channels they're all still good

1393

00:52:31,589 --> 00:52:29,040

but they don't have the freedom that the

1394

00:52:33,670 --> 00:52:31,599

podcasts have and in some ways they

1395

00:52:37,030 --> 00:52:33,680

don't have the

1396

00:52:39,910 --> 00:52:37,040

the the kind of makeup the the flair and

1397

00:52:42,630 --> 00:52:39,920

the spontaneity of what podcasts can do

1398

00:52:45,270 --> 00:52:42,640

and i think that the podcasts allow a

1399

00:52:47,030 --> 00:52:45,280

really exciting medium and br you know

1400

00:52:48,710 --> 00:52:47,040

and now we live in this world of the

1401  
00:52:50,790 --> 00:52:48,720  
zoom and we can bring in other screens

1402  
00:52:51,990 --> 00:52:50,800  
multiple screens like we had lewin i

1403  
00:52:54,390 --> 00:52:52,000  
mean that was a great five-way

1404  
00:52:56,470 --> 00:52:54,400  
conversation for 15 minutes so it's a

1405  
00:52:59,589 --> 00:52:56,480  
privilege to be a part of those things

1406  
00:53:01,990 --> 00:52:59,599  
uh and i think we have to do that more

1407  
00:53:03,829 --> 00:53:02,000  
but not everybody's the same so

1408  
00:53:06,549 --> 00:53:03,839  
you know i can only go from my point of

1409  
00:53:09,589 --> 00:53:06,559  
view but i'm all in for favor of good

1410  
00:53:11,589 --> 00:53:09,599  
podcasts providing that they

1411  
00:53:14,790 --> 00:53:11,599  
what i would say is respect has to be

1412  
00:53:15,750 --> 00:53:14,800  
earned and i've said things privately to

1413  
00:53:18,950 --> 00:53:15,760

vinnie

1414

00:53:22,790 --> 00:53:18,960

and he if ever they came out they

1415

00:53:28,309 --> 00:53:24,710

but that but that's the way it has that

1416

00:53:29,349 --> 00:53:28,319

that has to be the way it is um in a

1417

00:53:31,270 --> 00:53:29,359

sense

1418

00:53:33,510 --> 00:53:31,280

people will live in a world now where

1419

00:53:35,430 --> 00:53:33,520

they want hits it generates money

1420

00:53:37,589 --> 00:53:35,440

generates clicks blah blah blah

1421

00:53:39,349 --> 00:53:37,599

everything's money oriented i want

1422

00:53:41,190 --> 00:53:39,359

people to do podcasts because they're

1423

00:53:43,270 --> 00:53:41,200

passionate about the subject yeah not

1424

00:53:45,990 --> 00:53:43,280

just to earn coin because that's not

1425

00:53:47,670 --> 00:53:46,000

what it's about for me and i and i

1426

00:53:49,910 --> 00:53:47,680

honestly you're not making money

1427

00:53:51,349 --> 00:53:49,920

yeah well i know honestly vinnie i can

1428

00:53:53,829 --> 00:53:51,359

only speak for my relationship with

1429

00:53:56,230 --> 00:53:53,839

vinnie but but i want to develop this

1430

00:53:58,390 --> 00:53:56,240

relationship but it's trust orientated

1431

00:54:00,230 --> 00:53:58,400

and if you abuse that trust it's gone

1432

00:54:02,390 --> 00:54:00,240

for example

1433

00:54:05,829 --> 00:54:02,400

i always said to police officers if they

1434

00:54:07,589 --> 00:54:05,839

were serving uh most of them 99 of them

1435

00:54:09,030 --> 00:54:07,599

would say a lot i don't want my details

1436

00:54:11,430 --> 00:54:09,040

released because i'm a sergeant in the

1437

00:54:12,710 --> 00:54:11,440

firearms team if i if i say this i'm out

1438

00:54:15,589 --> 00:54:12,720

the fire in terms they're going to think

1439

00:54:17,510 --> 00:54:15,599

i'm crackers and if i broke that trust

1440

00:54:19,349 --> 00:54:17,520

then that would happen to them and

1441

00:54:21,430 --> 00:54:19,359

nobody would ever talk to me again so

1442

00:54:23,750 --> 00:54:21,440

it's very serious so when you say look

1443

00:54:26,230 --> 00:54:23,760

we have a private conversation and we

1444

00:54:28,549 --> 00:54:26,240

develop a trust scenario then it has to

1445

00:54:30,950 --> 00:54:28,559

be respected and if somebody abuses it

1446

00:54:32,950 --> 00:54:30,960

they're gone then he would be gone so if

1447

00:54:35,020 --> 00:54:32,960

vinnie disappears

1448

00:54:48,870 --> 00:54:35,030

everybody knows

1449

00:54:48,880 --> 00:54:56,230

just kidding

1450

00:55:01,030 --> 00:54:57,990

it's got to be on that basis but i'm a

1451  
00:55:02,710 --> 00:55:01,040  
big supporter of podcasts providing they

1452  
00:55:03,910 --> 00:55:02,720  
do it in the right way and it's not

1453  
00:55:06,150 --> 00:55:03,920  
about money

1454  
00:55:07,530 --> 00:55:06,160  
yeah man vinnie has been telling so much

1455  
00:55:12,230 --> 00:55:07,540  
gary you know

1456  
00:55:14,309 --> 00:55:12,240  
[Laughter]

1457  
00:55:17,670 --> 00:55:14,319  
good job i love you guys send me the

1458  
00:55:19,750 --> 00:55:17,680  
checklist a minute yeah yeah

1459  
00:55:22,710 --> 00:55:19,760  
well listen well i think we pretty much

1460  
00:55:24,950 --> 00:55:22,720  
like i said covered it let's jump around

1461  
00:55:27,030 --> 00:55:24,960  
sean first what do you got going on

1462  
00:55:30,390 --> 00:55:27,040  
where can everybody find you man sure

1463  
00:55:32,549 --> 00:55:30,400

you can find me witness citizen uap

1464

00:55:34,950 --> 00:55:32,559

um youtube channel what i'm doing right

1465

00:55:37,990 --> 00:55:34,960

now is i'm big into the history getting

1466

00:55:40,549 --> 00:55:38,000

documents i just uh went all out on

1467

00:55:42,870 --> 00:55:40,559

la paz and all the encounters at los

1468

00:55:46,549 --> 00:55:42,880

alamos and san diego base

1469

00:55:49,589 --> 00:55:46,559

um and today it was a fbi bulletin that

1470

00:55:52,870 --> 00:55:49,599

uh heinek had a picture of it landed

1471

00:55:55,349 --> 00:55:52,880

of a uh imprint of a saucer in the grass

1472

00:55:57,589 --> 00:55:55,359

so that was pretty cool um so i focus a

1473

00:55:59,670 --> 00:55:57,599

lot on that i do interviews as well but

1474

00:56:02,309 --> 00:55:59,680

i try to do something every day so

1475

00:56:04,230 --> 00:56:02,319

um i do stuff on my own too so just tune

1476  
00:56:05,349 --> 00:56:04,240  
in every weekday at noon and you'll see

1477  
00:56:06,630 --> 00:56:05,359  
something

1478  
00:56:08,710 --> 00:56:06,640  
awesome

1479  
00:56:10,309 --> 00:56:08,720  
gary where can everybody find you at the

1480  
00:56:11,270 --> 00:56:10,319  
moment

1481  
00:56:13,109 --> 00:56:11,280  
um

1482  
00:56:51,430 --> 00:56:13,119  
i

1483  
00:56:53,190 --> 00:56:51,440  
there's lots to talk about uh plus we

1484  
00:56:55,510 --> 00:56:53,200  
have all meetings that were already

1485  
00:56:56,309 --> 00:56:55,520  
scheduled for next week etc so

1486  
00:56:58,789 --> 00:56:56,319  
there's

1487  
00:57:00,309 --> 00:56:58,799  
i've got so much on it's untrue

1488  
00:57:01,670 --> 00:57:00,319

excellent well i hope that you'll jump

1489

00:57:03,829 --> 00:57:01,680

back on here in a few weeks time and

1490

00:57:05,910 --> 00:57:03,839

maybe give us an update with us

1491

00:57:08,630 --> 00:57:05,920

well yeah um

1492

00:57:10,870 --> 00:57:08,640

let's let's like i say i'm a pragmatist

1493

00:57:14,630 --> 00:57:10,880

um

1494

00:57:17,109 --> 00:57:14,640

louise said things on this show tonight

1495

00:57:20,710 --> 00:57:17,119

um about isa that i didn't expect him to

1496

00:57:22,710 --> 00:57:20,720

say uh and deluded to conversations he's

1497

00:57:24,069 --> 00:57:22,720

had already in the states what that

1498

00:57:26,390 --> 00:57:24,079

means who knows

1499

00:57:27,670 --> 00:57:26,400

but suffice to say is that as and when

1500

00:57:29,910 --> 00:57:27,680

and if

1501  
00:57:32,230 --> 00:57:29,920  
things develop from that then then

1502  
00:57:34,789 --> 00:57:32,240  
you'll get to hear about them uh as soon

1503  
00:57:36,309 --> 00:57:34,799  
as i can probably do them awesome and

1504  
00:57:37,910 --> 00:57:36,319  
i'll be sharing them on my social media

1505  
00:57:40,630 --> 00:57:37,920  
so people will get the opportunity to

1506  
00:57:43,109 --> 00:57:40,640  
see them um right guys thank you so much

1507  
00:57:46,390 --> 00:57:43,119  
no i'm only kidding max

1508  
00:57:47,750 --> 00:57:46,400  
max moskowitz what are you going on um

1509  
00:57:50,309 --> 00:57:47,760  
go for it bro

1510  
00:57:53,750 --> 00:57:50,319  
all right uh so i have a lot coming out

1511  
00:57:57,510 --> 00:57:53,760  
um i made a lot of footage

1512  
00:57:59,750 --> 00:57:57,520  
tonight uh in about 30 minutes um there

1513  
00:58:01,430 --> 00:57:59,760

i made a mini documentary a kind of a

1514

00:58:04,230 --> 00:58:01,440

repertoire um

1515

00:58:06,470 --> 00:58:04,240

where me and lou walk through san marino

1516

00:58:09,109 --> 00:58:06,480

and um it is not what you're going to

1517

00:58:10,390 --> 00:58:09,119

expect it is it's very personal uh

1518

00:58:12,309 --> 00:58:10,400

you're going to see a total different

1519

00:58:13,670 --> 00:58:12,319

side of louis elizondo

1520

00:58:16,230 --> 00:58:13,680

and

1521

00:58:18,950 --> 00:58:16,240

then again you will hear completely new

1522

00:58:20,549 --> 00:58:18,960

things that is going to blow your damn

1523

00:58:22,710 --> 00:58:20,559

mind

1524

00:58:23,910 --> 00:58:22,720

so i really recommend

1525

00:58:27,349 --> 00:58:23,920

watching this

1526

00:58:29,030 --> 00:58:27,359

um because i cannot story yeah

1527

00:58:31,270 --> 00:58:29,040

well as i i i

1528

00:58:33,910 --> 00:58:31,280

feel like dip in hand in hand i'm not

1529

00:58:39,910 --> 00:58:33,920

gonna i'm not gonna lie i did sniff this

1530

00:58:39,920 --> 00:58:43,109

was there food

1531

00:58:48,549 --> 00:58:43,990

no

1532

00:58:52,950 --> 00:58:51,270

okay we hit the hour mark red

1533

00:58:55,109 --> 00:58:52,960

we're just about i can see the show's

1534

00:58:58,630 --> 00:58:55,119

just gone right down now

1535

00:59:01,430 --> 00:58:58,640

right now the viewers have just dropped

1536

00:59:03,030 --> 00:59:01,440

no guys please everybody

1537

00:59:04,390 --> 00:59:03,040

go and jump on max's channel in 30

1538

00:59:07,750 --> 00:59:04,400

1539

00:59:09,510 --> 00:59:07,760

met muskowitch have i said that right

1540

00:59:11,349 --> 00:59:09,520

actually pretty good

1541

00:59:13,990 --> 00:59:11,359

1542

00:59:16,870 --> 00:59:14,000

thank you gary thank you max thank you

1544

00:59:20,150 --> 00:59:18,400

we'll do this again in the future

1545

00:59:22,230 --> 00:59:20,160

because i like this connection obviously

1546

00:59:24,150 --> 00:59:22,240

me sean and max we've got our second

1547

00:59:26,549 --> 00:59:24,160

channel which we're rebranding at the

1548

00:59:28,789 --> 00:59:26,559

moment which will happen soon

1549

00:59:30,549 --> 00:59:28,799

yeah just look out for that so

1550

00:59:32,390 --> 00:59:30,559

and i've got to give one last shout out

1551  
00:59:34,470 --> 00:59:32,400  
to toulou elizondo for jumping on

1552  
00:59:36,870 --> 00:59:34,480  
earlier you know i've got him coming on

1553  
00:59:39,190 --> 00:59:36,880  
here on sunday he he didn't have to jump

1554  
00:59:40,789 --> 00:59:39,200  
on today i emailed him first thing today

1555  
00:59:43,430 --> 00:59:40,799  
and he just happily said yeah i'll jump

1556  
00:59:45,589 --> 00:59:43,440  
on so what a guy cannot thank him enough

1557  
00:59:47,270 --> 00:59:45,599  
for that so and to everyone in the chat

1558  
00:59:48,950 --> 00:59:47,280  
for the for the guys that donated and

1559  
00:59:50,710 --> 00:59:48,960  
asked questions to lou

1560  
00:59:53,109 --> 00:59:50,720  
i've just received the screenshots they

1561  
00:59:54,150 --> 00:59:53,119  
will be asked to loot on sunday so don't

1562  
00:59:57,349 --> 00:59:54,160  
think you're going to miss out i

1563  
00:59:59,109 --> 00:59:57,359

appreciate the support so no refunds

1564

01:00:00,470 --> 00:59:59,119

well you know

1565

01:00:02,150 --> 01:00:00,480

it's like gary said i'm not it for the

1566

01:00:04,150 --> 01:00:02,160

money but i want these questions asked

1567

01:00:06,230 --> 01:00:04,160

because they're important to somebody of

1568

01:00:08,069 --> 01:00:06,240

course so you know thank you everyone

1569

01:00:10,230 --> 01:00:08,079
