Kaleb Bench Interview Part 2
'Skinwalker Ranch'

Live on YouTube

Saturday September 25th

12pm PST/3pm EST/8pm UK

1
00:00:36,470 --> 00:00:21,109

[Music]

2
00:00:38,310 --> 00:00:36,480

hey guys how's it going welcome back to

3
00:00:39,510 --> 00:00:38,320

the channel thank you so much for

4
00:00:42,830 --> 00:00:39,520

joining me

5
00:00:45,510 --> 00:00:42,840

um so here we are part two with mr kayla

6
00:00:47,430 --> 00:00:45,520

bench so i'm going to bring in

7
00:00:49,430 --> 00:00:47,440

caleb right now caleb how are you doing

8
00:00:52,470 --> 00:00:49,440

good how are you guys i'm doing really

9
00:00:55,110 --> 00:00:52,480

well but we are also joined

10
00:00:57,189 --> 00:00:55,120

by mr sean rash how are you

11
00:00:59,910 --> 00:00:57,199

i'm doing really well thanks vinnie uh

12
00:01:01,910 --> 00:00:59,920

caleb good to see you you too sean

13
00:01:03,750 --> 00:01:01,920

so we may be joined by andy we may be

14

00:01:05,670 --> 00:01:03,760

joined by max at some point but the

15

00:01:07,109 --> 00:01:05,680

reason i wanted to do this is just to

16

00:01:09,429 --> 00:01:07,119

kind of

17

00:01:12,469 --> 00:01:09,439

be less of a q a back and forth between

18

00:01:14,550 --> 00:01:12,479

myself and caleb because um these round

19

00:01:16,550 --> 00:01:14,560

tables sometimes

20

00:01:18,310 --> 00:01:16,560

are just more enjoyable not just for us

21

00:01:20,230 --> 00:01:18,320

but for the audience as well

22

00:01:21,749 --> 00:01:20,240

so um

23

00:01:24,710 --> 00:01:21,759

yeah it depends who you have on them

24

00:01:28,550 --> 00:01:27,030

who are your friends right yeah

25

00:01:30,390 --> 00:01:28,560

this is the thing like kayla but i

26

00:01:32,469 --> 00:01:30,400

wanted to not just put the pressure

27

00:01:35,749 --> 00:01:32,479

everything on you wanted to show you are

28

00:01:37,990 --> 00:01:35,759

just another another guy like us and you

29

00:01:41,510 --> 00:01:38,000

have a life it's not just skinwalker

30

00:01:42,310 --> 00:01:41,520

ranch every single day focus focus focus

31

00:01:43,190 --> 00:01:42,320

so

32

00:01:45,270 --> 00:01:43,200

um

33

00:01:46,550 --> 00:01:45,280

yeah that's kind of where my aim was but

34

00:01:48,469 --> 00:01:46,560

one thing i wanted to just get out of

35

00:01:49,910 --> 00:01:48,479

the way and we just talked about this

36

00:01:51,429 --> 00:01:49,920

off camera was

37

00:01:53,030 --> 00:01:51,439

there are still people out there that

38

00:01:56,230 --> 00:01:53,040

have this

39

00:01:58,550 --> 00:01:56,240

belief that skinwalker is all about tv

40

00:02:00,870 --> 00:01:58,560

it's acting and there's no science being

41

00:02:01,749 --> 00:02:00,880

done let's just touch upon that briefly

42

00:02:03,190 --> 00:02:01,759

and

43

00:02:04,550 --> 00:02:03,200

you know

44

00:02:05,749 --> 00:02:04,560

so

45

00:02:07,429 --> 00:02:05,759

um

46

00:02:09,589 --> 00:02:07,439

looking back kind of growing up looking

47

00:02:11,029 --> 00:02:09,599

at a lot of how these real reality tv

48

00:02:14,550 --> 00:02:11,039

shows are made

49

00:02:16,949 --> 00:02:14,560

i i get that i um you can see this

50

00:02:19,350 --> 00:02:16,959

formula that's been used in other shows

51
00:02:20,470 --> 00:02:19,360
and they've been successful and people

52
00:02:22,550 --> 00:02:20,480
do

53
00:02:23,910 --> 00:02:22,560
need to understand too is yeah and we

54
00:02:25,350 --> 00:02:23,920
get that like they're

55
00:02:26,630 --> 00:02:25,360
we have this great company that we're

56
00:02:28,949 --> 00:02:26,640
working with and they're trying to make

57
00:02:30,229 --> 00:02:28,959
a tv show right and they're trying to

58
00:02:31,670 --> 00:02:30,239
accommodate

59
00:02:33,430 --> 00:02:31,680
what we're doing out there on the ranch

60
00:02:36,229 --> 00:02:33,440
and we're trying to accommodate them and

61
00:02:39,509 --> 00:02:36,239
we and you know and and that happens um

62
00:02:42,070 --> 00:02:39,519
but i can assure people you know that

63
00:02:43,750 --> 00:02:42,080

travis and eric are two brilliant

64

00:02:47,670 --> 00:02:43,760

scientists and they do take this very

65

00:02:48,949 --> 00:02:47,680

seriously um and that's again you know

66

00:02:51,589 --> 00:02:48,959

a lot of this equipment that they're

67

00:02:52,869 --> 00:02:51,599

using some of this stuff is yes

68

00:02:54,229 --> 00:02:52,879

um

69

00:02:55,270 --> 00:02:54,239

we're trying to get the best equipment

70

00:02:58,390 --> 00:02:55,280

we can

71

00:02:59,910 --> 00:02:58,400

there is budget uh limitations you know

72

00:03:01,350 --> 00:02:59,920

it's not like where we just have all

73

00:03:03,110 --> 00:03:01,360

this money to throw at things you know

74

00:03:06,550 --> 00:03:03,120

and we're trying to allocate

75

00:03:07,750 --> 00:03:06,560

um the best equipment we can

76

00:03:09,670 --> 00:03:07,760

but and

77

00:03:11,430 --> 00:03:09,680

again with the tv show

78

00:03:13,030 --> 00:03:11,440

people it's visual

79

00:03:14,470 --> 00:03:13,040

you know and so we're trying to make

80

00:03:16,869 --> 00:03:14,480

something look

81

00:03:18,869 --> 00:03:16,879

cool so people you know do have the

82

00:03:20,149 --> 00:03:18,879

entertainment but we're trying and we

83

00:03:22,149 --> 00:03:20,159

are trying to do the real science and

84

00:03:24,869 --> 00:03:22,159

that's where it's hard and then you know

85

00:03:26,710 --> 00:03:24,879

again the the ranch it's a rugged area

86

00:03:29,110 --> 00:03:26,720

it's hard to get certain equipment

87

00:03:30,949 --> 00:03:29,120

certain areas and things like that so

88

00:03:32,390 --> 00:03:30,959

yeah i can assure you

89

00:03:34,949 --> 00:03:32,400

even before the show

90

00:03:36,710 --> 00:03:34,959

the show was never the main

91

00:03:38,789 --> 00:03:36,720

focus of the ranch

92

00:03:41,430 --> 00:03:38,799

that actually just kind of happened to

93

00:03:43,030 --> 00:03:41,440

fall into place if you will

94

00:03:46,869 --> 00:03:43,040

so i i was i've been out there since

95

00:03:48,070 --> 00:03:46,879

2017 the show aired oh gosh what 2019

96

00:03:49,830 --> 00:03:48,080

2020

97

00:03:52,630 --> 00:03:49,840

um so

98

00:03:55,429 --> 00:03:52,640

and eric has been

99

00:03:57,990 --> 00:03:55,439

continuously uh

100

00:03:59,670 --> 00:03:58,000

experimenting and researching since 2016

101

00:04:02,149 --> 00:03:59,680

since he was brought in

102

00:04:03,830 --> 00:04:02,159

uh so i i can assure you that

103

00:04:05,750 --> 00:04:03,840

he's he takes this very serious and

104

00:04:07,670 --> 00:04:05,760

there's a lot of stuff going on that

105

00:04:09,670 --> 00:04:07,680

people aren't seeing you know we can't i

106

00:04:11,589 --> 00:04:09,680

don't know if i we touched on this the

107

00:04:13,910 --> 00:04:11,599

last time we talked but

108

00:04:15,270 --> 00:04:13,920

uh tom actually went through and did the

109

00:04:17,030 --> 00:04:15,280

math and

110

00:04:18,550 --> 00:04:17,040

people are literally seeing less than

111

00:04:21,110 --> 00:04:18,560

one percent

112

00:04:22,230 --> 00:04:21,120

of of of the total film footage that's

113

00:04:23,590 --> 00:04:22,240

been shot

114

00:04:25,990 --> 00:04:23,600

wow

115

00:04:29,350 --> 00:04:26,000

you know so say you have five cameras

116

00:04:32,390 --> 00:04:29,360

and they're running 12 hours a day

117

00:04:33,909 --> 00:04:32,400

uh and they're cutting that down to 45

118

00:04:37,189 --> 00:04:33,919

feet going almost

119

00:04:39,189 --> 00:04:37,199

yeah that's incredible you know and and

120

00:04:40,710 --> 00:04:39,199

you know i can say that the ranch when

121

00:04:43,670 --> 00:04:40,720

we first got there

122

00:04:44,950 --> 00:04:43,680

um or i should say when brandon and

123

00:04:47,590 --> 00:04:44,960

eric

124

00:04:50,950 --> 00:04:47,600

and and really the starting of the team

125

00:04:53,189 --> 00:04:50,960

really got to the ranch in 2016

126
00:04:54,070 --> 00:04:53,199
there was like almost no assets out

127
00:04:57,590 --> 00:04:54,080
there

128
00:05:00,870 --> 00:04:57,600
um and just and it's been a continual

129
00:05:03,749 --> 00:05:00,880
improving the the systems and

130
00:05:05,430 --> 00:05:03,759
you know it's it's a project and it's

131
00:05:08,310 --> 00:05:05,440
always evolving

132
00:05:10,469 --> 00:05:08,320
yeah absolutely and i think i mean just

133
00:05:12,390 --> 00:05:10,479
does eric and travis and that do they

134
00:05:14,150 --> 00:05:12,400
get much time to do

135
00:05:15,909 --> 00:05:14,160
work outside of the ranch on other

136
00:05:17,830 --> 00:05:15,919
projects or like

137
00:05:21,670 --> 00:05:17,840
are you aware of the split between where

138
00:05:23,830 --> 00:05:21,680

their focus is yeah so travis uh helps

139

00:05:26,310 --> 00:05:23,840

with the investigation as much as he can

140

00:05:28,469 --> 00:05:26,320

he's obviously got his day job and he's

141

00:05:31,189 --> 00:05:28,479

you know he lives in alabama he's you

142

00:05:33,110 --> 00:05:31,199

know he flies in and helps as much as he

143

00:05:34,150 --> 00:05:33,120

can and that's where eric's

144

00:05:36,390 --> 00:05:34,160

uh you know he's the principal

145

00:05:37,670 --> 00:05:36,400

investigator and he lives

146

00:05:39,430 --> 00:05:37,680

about two and a half hours from the

147

00:05:41,670 --> 00:05:39,440

ranch himself and he's actually got a

148

00:05:44,550 --> 00:05:41,680

lot of things set up at his house

149

00:05:47,590 --> 00:05:44,560

wow um and and so really the two that

150

00:05:49,110 --> 00:05:47,600

live locally are trav are tom and i and

151
00:05:51,510 --> 00:05:49,120
we're only you know

152
00:05:54,550 --> 00:05:51,520
five miles from the ranch

153
00:05:57,189 --> 00:05:54,560
so a lot of times we're out there

154
00:05:58,309 --> 00:05:57,199
getting stuff set up for eric and

155
00:05:59,830 --> 00:05:58,319
and you know one of the things that

156
00:06:00,870 --> 00:05:59,840
we've talked about

157
00:06:02,710 --> 00:06:00,880
is

158
00:06:04,070 --> 00:06:02,720
um

159
00:06:06,550 --> 00:06:04,080
if there's something going on at the

160
00:06:08,309 --> 00:06:06,560
ranch and say we see something

161
00:06:10,309 --> 00:06:08,319
and we start interacting with that how

162
00:06:12,870 --> 00:06:10,319
did we change the behavior of that

163
00:06:15,670 --> 00:06:12,880

uh circumstance or whatever it is right

164

00:06:17,270 --> 00:06:15,680

and so it's we've seen things

165

00:06:18,629 --> 00:06:17,280

and it's almost like and sometimes we

166

00:06:20,469 --> 00:06:18,639

get to feeling like we're the ones being

167

00:06:23,189 --> 00:06:20,479

watched or we're the ones being surveyed

168

00:06:25,990 --> 00:06:23,199

you know and if and it's like if you've

169

00:06:28,070 --> 00:06:26,000

ever gone hunting or anything like that

170

00:06:29,990 --> 00:06:28,080

when you're stalking like you're a deer

171

00:06:32,070 --> 00:06:30,000

or an elk or something

172

00:06:32,870 --> 00:06:32,080

if if they know you're there they take

173

00:06:36,629 --> 00:06:32,880

off

174

00:06:38,070 --> 00:06:36,639

sure you know and and so it's like if if

175

00:06:41,510 --> 00:06:38,080

there's something out there and we're

176
00:06:43,350 --> 00:06:41,520
trying to survey it or or watch it or

177
00:06:45,430 --> 00:06:43,360
learn from it you know and it and it's

178
00:06:46,950 --> 00:06:45,440
unaware if you will and we start

179
00:06:48,469 --> 00:06:46,960
interacting with it

180
00:06:49,270 --> 00:06:48,479
that changes the whole dynamic so

181
00:06:51,350 --> 00:06:49,280
there's

182
00:06:53,270 --> 00:06:51,360
all these different ways of looking at

183
00:06:54,469 --> 00:06:53,280
what we're doing out there

184
00:06:57,270 --> 00:06:54,479
and

185
00:06:58,870 --> 00:06:57,280
you know eric's always

186
00:07:01,430 --> 00:06:58,880
come across something that you thought

187
00:07:02,790 --> 00:07:01,440
was unaware of your presence

188
00:07:05,350 --> 00:07:02,800

um

189

00:07:08,790 --> 00:07:05,360

i had one experience a couple years ago

190

00:07:09,909 --> 00:07:08,800

where it was just odd and just

191

00:07:13,270 --> 00:07:09,919

you know and

192

00:07:17,350 --> 00:07:14,870

and you know that's the thing is it's

193

00:07:19,510 --> 00:07:17,360

hard to yeah how do you really tell i

194

00:07:21,510 --> 00:07:19,520

guess but yeah how do you quantify it

195

00:07:23,029 --> 00:07:21,520

it's really you know i who knows maybe

196

00:07:24,790 --> 00:07:23,039

and that's one of the things that's with

197

00:07:25,990 --> 00:07:24,800

the ranch the longer you're out there

198

00:07:27,670 --> 00:07:26,000

and i don't know if you guys have heard

199

00:07:29,110 --> 00:07:27,680

this before but

200

00:07:30,469 --> 00:07:29,120

the team the longer we're out there the

201
00:07:32,070 --> 00:07:30,479
more we're convinced that there is some

202
00:07:34,629 --> 00:07:32,080
kind of intelligence out there

203
00:07:37,510 --> 00:07:34,639
absolutely that all the time so can i

204
00:07:39,350 --> 00:07:37,520
ask you this um do you feel like you're

205
00:07:41,589 --> 00:07:39,360
kind of in this weird

206
00:07:42,309 --> 00:07:41,599
uh middle ground with you know you have

207
00:07:43,749 --> 00:07:42,319
to

208
00:07:45,189 --> 00:07:43,759
you're doing the show

209
00:07:46,869 --> 00:07:45,199
which kind of

210
00:07:48,710 --> 00:07:46,879
you know prohibits you from kind of

211
00:07:50,869 --> 00:07:48,720
giving all info at once or whatever

212
00:07:51,830 --> 00:07:50,879
because they have their prerogative and

213
00:07:52,869 --> 00:07:51,840

everything

214

00:07:54,390 --> 00:07:52,879

do you ever

215

00:07:57,029 --> 00:07:54,400

but you kind of need the show i would

216

00:07:59,589 --> 00:07:57,039

imagine to help you continue this study

217

00:08:01,670 --> 00:07:59,599

financially so you're kind of in this

218

00:08:03,589 --> 00:08:01,680

back and forth line that you always have

219

00:08:04,710 --> 00:08:03,599

to play is that accurate

220

00:08:07,189 --> 00:08:04,720

um

221

00:08:09,110 --> 00:08:07,199

i i think certain points

222

00:08:11,510 --> 00:08:09,120

uh obviously the

223

00:08:14,150 --> 00:08:11,520

some of the financial side from the tv

224

00:08:16,550 --> 00:08:14,160

show is important

225

00:08:17,830 --> 00:08:16,560

and it and they are able to reach out to

226

00:08:20,550 --> 00:08:17,840

some different

227

00:08:22,390 --> 00:08:20,560

um individuals who i think wouldn't be

228

00:08:24,230 --> 00:08:22,400

as willing to come out and be involved

229

00:08:26,550 --> 00:08:24,240

with it if it wasn't there

230

00:08:28,869 --> 00:08:26,560

sure you know but

231

00:08:31,029 --> 00:08:28,879

um we are always

232

00:08:31,909 --> 00:08:31,039

uh doing experiments out there eric is

233

00:08:32,949 --> 00:08:31,919

always

234

00:08:35,269 --> 00:08:32,959

um

235

00:08:37,670 --> 00:08:35,279

updating systems and he's we're trying

236

00:08:40,790 --> 00:08:37,680

to keep the science as clean as possible

237

00:08:41,509 --> 00:08:40,800

and and yeah and that and uh we kind of

238

00:08:45,829 --> 00:08:41,519

easy

239

00:08:47,509 --> 00:08:45,839

parties out there and we're they're

240

00:08:49,750 --> 00:08:47,519

trying to work together and you know it

241

00:08:51,670 --> 00:08:49,760

can get complicated at times and

242

00:08:52,630 --> 00:08:51,680

yeah but it you know it's one of the

243

00:08:54,550 --> 00:08:52,640

things that i know there are

244

00:08:56,550 --> 00:08:54,560

frustrations there where

245

00:08:58,710 --> 00:08:56,560

you know we we want to show the true

246

00:08:59,590 --> 00:08:58,720

science we want to be as honest as we

247

00:09:01,110 --> 00:08:59,600

can

248

00:09:02,870 --> 00:09:01,120

um and

249

00:09:04,630 --> 00:09:02,880

and but then we also have to show you

250

00:09:06,230 --> 00:09:04,640

know something that's entertaining we

251
00:09:08,230 --> 00:09:06,240
have to show something that people will

252
00:09:10,230 --> 00:09:08,240
enjoy watching you know which is

253
00:09:12,150 --> 00:09:10,240
unfortunate because what you're doing is

254
00:09:13,829 --> 00:09:12,160
entertaining by itself

255
00:09:15,350 --> 00:09:13,839
you know you don't need anything else

256
00:09:17,110 --> 00:09:15,360
yeah you know and you know and that's

257
00:09:19,990 --> 00:09:17,120
what's cool is like when we brought the

258
00:09:22,550 --> 00:09:20,000
tesla coil out for season two you know

259
00:09:24,710 --> 00:09:22,560
how cool is that you know you know and

260
00:09:27,030 --> 00:09:24,720
it's very visual which is amazing and

261
00:09:28,550 --> 00:09:27,040
what people and you gotta have that for

262
00:09:30,630 --> 00:09:28,560
television you gotta have something very

263
00:09:33,110 --> 00:09:30,640

visual that catches people's attention

264

00:09:34,790 --> 00:09:33,120

but with the tesla experiment at the

265

00:09:35,670 --> 00:09:34,800

triangle you know we have so many things

266

00:09:37,829 --> 00:09:35,680

happen

267

00:09:39,350 --> 00:09:37,839

at that specific area

268

00:09:40,949 --> 00:09:39,360

uh you know and we're trying to see if

269

00:09:42,550 --> 00:09:40,959

this is just

270

00:09:44,470 --> 00:09:42,560

aerial phenomenon or if this is

271

00:09:47,350 --> 00:09:44,480

something that's you know below ground

272

00:09:49,030 --> 00:09:47,360

too and you know

273

00:09:50,790 --> 00:09:49,040

i'm sure if you guys watch the show like

274

00:09:52,230 --> 00:09:50,800

you've you've seen what how we got there

275

00:09:53,269 --> 00:09:52,240

with the tesla coil and just the

276

00:09:54,230 --> 00:09:53,279

different things that we were trying to

277

00:09:55,829 --> 00:09:54,240

do there

278

00:09:58,550 --> 00:09:55,839

yeah definitely i'm just going to take

279

00:10:00,790 --> 00:09:58,560

this opportunity so andy caleb caleb

280

00:10:02,230 --> 00:10:00,800

andy how you doing nice to meet you

281

00:10:05,430 --> 00:10:02,240

thanks for joining us

282

00:10:08,230 --> 00:10:05,440

what's up fun so no kelly you're right

283

00:10:09,670 --> 00:10:08,240

there were so many things um

284

00:10:11,990 --> 00:10:09,680

almost every episode there was something

285

00:10:14,069 --> 00:10:12,000

new as far as experiments and testing we

286

00:10:16,230 --> 00:10:14,079

did touch some on upon some in the

287

00:10:18,069 --> 00:10:16,240

previous uh interview

288

00:10:20,870 --> 00:10:18,079

um i think that's some of the real

289

00:10:23,509 --> 00:10:20,880

standout the electromagnetic anomalies

290

00:10:25,509 --> 00:10:23,519

the compasses the drilling

291

00:10:27,030 --> 00:10:25,519

the rockets like

292

00:10:29,990 --> 00:10:27,040

i'm going to leave it to you to kind of

293

00:10:30,949 --> 00:10:30,000

go into whichever aspect you want to

294

00:10:33,110 --> 00:10:30,959

um

295

00:10:34,870 --> 00:10:33,120

you know with that's one of the things i

296

00:10:36,710 --> 00:10:34,880

guess i don't i can't gosh i'd have to

297

00:10:37,829 --> 00:10:36,720

go through and watch the show again just

298

00:10:39,670 --> 00:10:37,839

kind of see

299

00:10:42,470 --> 00:10:39,680

what we got in there but you know say

300

00:10:43,910 --> 00:10:42,480

like take the compasses um

301

00:10:45,110 --> 00:10:43,920

i've seen

302

00:10:47,750 --> 00:10:45,120

your old

303

00:10:49,829 --> 00:10:47,760

woodsman compasses spinning in circles

304

00:10:52,470 --> 00:10:49,839

you know we were seeing that out there

305

00:10:54,310 --> 00:10:52,480

um and we're also seeing obviously like

306

00:10:56,310 --> 00:10:54,320

cell phones and

307

00:10:57,190 --> 00:10:56,320

and the compass is on those

308

00:10:59,030 --> 00:10:57,200

showing

309

00:11:01,269 --> 00:10:59,040

weird directions you know and we're

310

00:11:03,990 --> 00:11:01,279

seeing multiple devices

311

00:11:05,990 --> 00:11:04,000

all doing this at the same time

312

00:11:07,910 --> 00:11:06,000

and it's like the only way of showing

313

00:11:10,550 --> 00:11:07,920

that is like we're recording it you know

314

00:11:12,470 --> 00:11:10,560

and we're constantly checking ourselves

315

00:11:14,870 --> 00:11:12,480

like oh do i have anything on me that

316

00:11:16,790 --> 00:11:14,880

could really affect this compass

317

00:11:18,870 --> 00:11:16,800

you know like uh say

318

00:11:20,630 --> 00:11:18,880

i i have to think about is like the

319

00:11:22,150 --> 00:11:20,640

hammer on my pistol

320

00:11:24,870 --> 00:11:22,160

that sometimes a lot of times they have

321

00:11:26,550 --> 00:11:24,880

magnets inside small magnets in that

322

00:11:27,590 --> 00:11:26,560

and that could affect

323

00:11:29,269 --> 00:11:27,600

you know

324

00:11:31,190 --> 00:11:29,279

right something and so we're always

325

00:11:33,509 --> 00:11:31,200

constantly going okay

326

00:11:34,710 --> 00:11:33,519

yeah we're always constantly looking at

327

00:11:37,030 --> 00:11:34,720

ourselves and going okay is this

328

00:11:38,710 --> 00:11:37,040

something that we're creating which we

329

00:11:40,949 --> 00:11:38,720

we admit that like

330

00:11:42,870 --> 00:11:40,959

we have weird things happen all the time

331

00:11:45,269 --> 00:11:42,880

but we know that our own equipment is

332

00:11:47,670 --> 00:11:45,279

emitting stuff and and we try and

333

00:11:49,829 --> 00:11:47,680

account for that as much as possible

334

00:11:51,990 --> 00:11:49,839

and that's what's really cool is we see

335

00:11:53,990 --> 00:11:52,000

so many things happening

336

00:11:58,629 --> 00:11:54,000

that

337

00:12:01,030 --> 00:11:58,639

we know it's not our stuff because our

338

00:12:02,230 --> 00:12:01,040

own equipment can't produce what we're

339

00:12:03,030 --> 00:12:02,240

seeing

340

00:12:08,150 --> 00:12:03,040

yeah

341

00:12:10,710 --> 00:12:08,160

have you guys experienced

342

00:12:13,110 --> 00:12:10,720

anything remotely close to what

343

00:12:15,350 --> 00:12:13,120

the original civilian owners

344

00:12:16,629 --> 00:12:15,360

had reported seeing and experiencing

345

00:12:19,990 --> 00:12:16,639

while they were there

346

00:12:21,590 --> 00:12:20,000

um i guess what specifically are you big

347

00:12:24,069 --> 00:12:21,600

wolves

348

00:12:28,389 --> 00:12:24,079

well not yet they did have that incident

349

00:12:33,509 --> 00:12:31,829

um i have found large canine tracks uh

350

00:12:36,470 --> 00:12:33,519

on the ranch myself

351

00:12:38,150 --> 00:12:36,480

uh but we we do say you know i can say

352

00:12:40,310 --> 00:12:38,160

there are wild dogs running out there

353

00:12:44,069 --> 00:12:40,320

and some of them are pretty big

354

00:12:44,949 --> 00:12:44,079

um we we have ha i have heard

355

00:12:46,710 --> 00:12:44,959

um

356

00:12:48,310 --> 00:12:46,720

different growling and different things

357

00:12:50,629 --> 00:12:48,320

out on the ranch when i've been out

358

00:12:52,629 --> 00:12:50,639

there with uh once with the team and

359

00:12:54,230 --> 00:12:52,639

then by myself

360

00:12:56,230 --> 00:12:54,240

um

361

00:12:58,310 --> 00:12:56,240

and but that's again like we you know we

362

00:12:59,030 --> 00:12:58,320

we know we have cougars we know we have

363

00:13:01,030 --> 00:12:59,040

uh

364

00:13:04,310 --> 00:13:01,040

bears that do come down into this area

365

00:13:06,710 --> 00:13:04,320

we're only 34 30 or 40 miles from the

366

00:13:08,389 --> 00:13:06,720

mountains in the area that we are and

367

00:13:09,990 --> 00:13:08,399

bears do come down into this area it's

368

00:13:11,670 --> 00:13:10,000

not as frequent

369

00:13:15,829 --> 00:13:11,680

but it does happen

370

00:13:18,069 --> 00:13:15,839

um i i can think of a couple weeks ago

371

00:13:21,030 --> 00:13:18,079

one of my highway patrol buddies he got

372

00:13:22,550 --> 00:13:21,040

a call just out on the highway

373

00:13:23,509 --> 00:13:22,560

somebody had hit and killed the two

374

00:13:25,910 --> 00:13:23,519

bears

375

00:13:27,430 --> 00:13:25,920

and this was a mile from the city of

376

00:13:29,350 --> 00:13:27,440

roosevelt

377

00:13:32,150 --> 00:13:29,360

you know so we we do have large

378

00:13:33,430 --> 00:13:32,160

predators out here but yeah and again i

379

00:13:35,509 --> 00:13:33,440

can't

380

00:13:37,590 --> 00:13:35,519

speak for what you know say that

381

00:13:39,110 --> 00:13:37,600

experience was like say a dire wolf or

382

00:13:41,829 --> 00:13:39,120

something like that i haven't seen

383

00:13:43,590 --> 00:13:41,839

anything like that and obviously i'm i

384

00:13:44,870 --> 00:13:43,600

am kind of open to it because i guess

385

00:13:46,550 --> 00:13:44,880

half the things i've seen out here i

386

00:13:49,269 --> 00:13:46,560

can't explain anyways so

387

00:13:51,110 --> 00:13:49,279

have you read hunt for skinwalker i made

388

00:13:51,990 --> 00:13:51,120

about halfway through the book

389

00:13:53,829 --> 00:13:52,000

yeah

390

00:13:56,310 --> 00:13:53,839

so i think that's what anybody's asking

391

00:13:58,150 --> 00:13:56,320

see any of that stuff

392

00:13:59,509 --> 00:13:58,160

well i mean we had some crazy things

393

00:14:01,350 --> 00:13:59,519

happen to them in that place while they

394

00:14:03,030 --> 00:14:01,360

were living there yeah so do you think

395

00:14:04,230 --> 00:14:03,040

any of this is relevant

396

00:14:05,910 --> 00:14:04,240

and i'm just gonna go and check on it

397

00:14:07,750 --> 00:14:05,920

i'll be back in two minutes bear with me

398

00:14:09,990 --> 00:14:07,760

oh sure yeah do you think any of what

399

00:14:11,829 --> 00:14:10,000

you're doing is relative to disclosure

400

00:14:15,189 --> 00:14:11,839

and what we're seeing with like

401
00:14:17,189 --> 00:14:15,199
uaps and the whole push for transparency

402
00:14:19,030 --> 00:14:17,199
do you think there's

403
00:14:19,910 --> 00:14:19,040
how do you fit into that or do you at

404
00:14:22,949 --> 00:14:19,920
all

405
00:14:25,670 --> 00:14:22,959
uh i i think yes it has to be okay

406
00:14:27,750 --> 00:14:25,680
i i i feel confident in saying yes i i

407
00:14:29,670 --> 00:14:27,760
um i like i said at the end of the

408
00:14:31,750 --> 00:14:29,680
season too in our kind of round table i

409
00:14:34,150 --> 00:14:31,760
feel like we've gathered enough evidence

410
00:14:35,110 --> 00:14:34,160
and are able to show that yes we are

411
00:14:37,750 --> 00:14:35,120
seeing

412
00:14:39,189 --> 00:14:37,760
uh phenomenon out here that are matching

413
00:14:41,910 --> 00:14:39,199

uaps

414

00:14:42,710 --> 00:14:41,920

um and unknown aircraft like

415

00:14:45,590 --> 00:14:42,720

the

416

00:14:46,949 --> 00:14:45,600

how we caught that one uh uap with

417

00:14:48,790 --> 00:14:46,959

travis and

418

00:14:50,710 --> 00:14:48,800

yeah on our security on our security

419

00:14:51,910 --> 00:14:50,720

cameras and that whole story is

420

00:14:53,750 --> 00:14:51,920

crazy

421

00:14:55,590 --> 00:14:53,760

what do you think of the public push for

422

00:14:56,470 --> 00:14:55,600

disclosure how do you think it's

423

00:14:59,670 --> 00:14:56,480

you know

424

00:15:02,949 --> 00:14:59,680

what do you think i i

425

00:15:04,069 --> 00:15:02,959

being law enforcement and being and that

426
00:15:07,350 --> 00:15:04,079
side of me

427
00:15:10,069 --> 00:15:07,360
i can see how some information could

428
00:15:11,189 --> 00:15:10,079
cause a lot of individuals to

429
00:15:13,750 --> 00:15:11,199
break down

430
00:15:15,350 --> 00:15:13,760
um i've seen the worst and the best of

431
00:15:16,710 --> 00:15:15,360
people in some of these really intense

432
00:15:18,470 --> 00:15:16,720
situations

433
00:15:20,790 --> 00:15:18,480
and depending on the information that

434
00:15:23,590 --> 00:15:20,800
they're given

435
00:15:25,269 --> 00:15:23,600
there's people that just can't handle

436
00:15:26,710 --> 00:15:25,279
getting outside that box in their mind

437
00:15:30,629 --> 00:15:26,720
if you will

438
00:15:33,670 --> 00:15:30,639

and so i can see how that could damage

439

00:15:38,710 --> 00:15:36,870

people's uh ability to comprehend what's

440

00:15:41,110 --> 00:15:38,720

going on you know

441

00:15:43,749 --> 00:15:41,120

on the other side of me too is

442

00:15:45,509 --> 00:15:43,759

i i'm uh i i'm one that believes that

443

00:15:48,870 --> 00:15:45,519

law enforcement we

444

00:15:50,550 --> 00:15:48,880

and and just as being men we gotta be as

445

00:15:52,389 --> 00:15:50,560

truthful and honest in our dealings as

446

00:15:54,069 --> 00:15:52,399

we can with people

447

00:15:55,670 --> 00:15:54,079

and they're and you know and that's

448

00:15:57,590 --> 00:15:55,680

where we do have to be careful about

449

00:16:00,629 --> 00:15:57,600

information because you know you got to

450

00:16:02,310 --> 00:16:00,639

read people in these situations and

451
00:16:03,590 --> 00:16:02,320
but i do think there are things that

452
00:16:05,030 --> 00:16:03,600
come on with

453
00:16:07,030 --> 00:16:05,040
i think there's more than enough out

454
00:16:09,430 --> 00:16:07,040
there there's a lot more

455
00:16:11,829 --> 00:16:09,440
uh information coming out from

456
00:16:13,670 --> 00:16:11,839
the governments and military and law

457
00:16:15,030 --> 00:16:13,680
enforcement you know people are willing

458
00:16:16,389 --> 00:16:15,040
are

459
00:16:18,230 --> 00:16:16,399
willing to speak about this kind of

460
00:16:19,030 --> 00:16:18,240
stuff more and i and i think the ranch

461
00:16:20,949 --> 00:16:19,040
yes

462
00:16:23,189 --> 00:16:20,959
we've caught things on camera and i

463
00:16:25,030 --> 00:16:23,199

think we've shown things on on the show

464

00:16:25,990 --> 00:16:25,040

as well that we're not making any of

465

00:16:27,670 --> 00:16:26,000

that up

466

00:16:29,110 --> 00:16:27,680

uh you guys are seeing what we're seeing

467

00:16:31,590 --> 00:16:29,120

real time

468

00:16:33,910 --> 00:16:31,600

yeah there's too much historical

469

00:16:34,949 --> 00:16:33,920

you know context to that place for that

470

00:16:37,910 --> 00:16:34,959

even to be

471

00:16:39,749 --> 00:16:37,920

a question i think personally i mean

472

00:16:42,470 --> 00:16:39,759

since beginning of our time here in this

473

00:16:43,990 --> 00:16:42,480

country yeah you know oh yeah and it's

474

00:16:46,310 --> 00:16:44,000

you know there's a couple different ways

475

00:16:47,509 --> 00:16:46,320

that you could look at that um

476

00:16:48,949 --> 00:16:47,519

one

477

00:16:50,550 --> 00:16:48,959

i never even really knew of the ranch

478

00:16:53,189 --> 00:16:50,560

before i was offered to go out there and

479

00:16:54,790 --> 00:16:53,199

do security in 2017 um

480

00:16:55,990 --> 00:16:54,800

to tell you the truth i had no idea the

481

00:16:57,430 --> 00:16:56,000

place existed

482

00:17:00,790 --> 00:16:57,440

i've been in the oil field and i've been

483

00:17:05,350 --> 00:17:01,670

didn't know what you were getting

484

00:17:09,990 --> 00:17:07,510

but i i've been in the oil field in the

485

00:17:11,350 --> 00:17:10,000

in the basin for a couple uh for about a

486

00:17:13,270 --> 00:17:11,360

year and a half

487

00:17:15,350 --> 00:17:13,280

and i did hear strange stories from guys

488

00:17:16,390 --> 00:17:15,360

who swore they saw weird things and you

489

00:17:17,750 --> 00:17:16,400

know it was something i was like oh

490

00:17:19,110 --> 00:17:17,760

that's cool like

491

00:17:20,470 --> 00:17:19,120

you know i'm not going to say he's wrong

492

00:17:21,909 --> 00:17:20,480

i'm you know i

493

00:17:23,829 --> 00:17:21,919

didn't see what he saw

494

00:17:25,429 --> 00:17:23,839

i'm sure there might be it might be a

495

00:17:27,909 --> 00:17:25,439

legitimate explanation for you know and

496

00:17:29,350 --> 00:17:27,919

i've heard different stories you know

497

00:17:32,549 --> 00:17:29,360

and but

498

00:17:35,190 --> 00:17:32,559

and so i knew that this area had had a

499

00:17:37,510 --> 00:17:35,200

history of oddities if you will

500

00:17:40,150 --> 00:17:37,520

um and there they weren't so outside

501
00:17:44,390 --> 00:17:40,160
outside what i've heard before so i grew

502
00:17:45,830 --> 00:17:44,400
up in southeast idaho and we also have a

503
00:17:47,990 --> 00:17:45,840
reservation

504
00:17:50,630 --> 00:17:48,000
in that area where i grew up and i heard

505
00:17:52,630 --> 00:17:50,640
similar stories of such as skin walkers

506
00:17:56,070 --> 00:17:52,640
and and just different lore like that

507
00:17:58,549 --> 00:17:56,080
from say a native american viewpoint and

508
00:18:00,710 --> 00:17:58,559
then i kind of mentioned to vinnie last

509
00:18:03,190 --> 00:18:00,720
uh last time i was on here

510
00:18:04,950 --> 00:18:03,200
that i've i've always been intrigued

511
00:18:07,110 --> 00:18:04,960
with like mythology and history and

512
00:18:09,510 --> 00:18:07,120
that's what i went to school for

513
00:18:11,110 --> 00:18:09,520

and there's a lot of similarities

514

00:18:13,110 --> 00:18:11,120

when you start delving into say like

515

00:18:14,390 --> 00:18:13,120

celtic and nordic mythologies with some

516

00:18:15,270 --> 00:18:14,400

of the stories that were

517

00:18:18,150 --> 00:18:15,280

you know

518

00:18:22,310 --> 00:18:18,160

yeah and it's like and that just means

519

00:18:24,789 --> 00:18:22,320

um magnolia by jacquez vale or something

520

00:18:26,470 --> 00:18:24,799

um it's yeah he talks a lot about that

521

00:18:28,390 --> 00:18:26,480

stuff

522

00:18:30,390 --> 00:18:28,400

and it makes you think like all these

523

00:18:32,230 --> 00:18:30,400

people throughout the world throughout

524

00:18:34,950 --> 00:18:32,240

world history people have talked about

525

00:18:36,390 --> 00:18:34,960

seeing strange phenomenon and

526

00:18:39,270 --> 00:18:36,400

and then and these stories are coming

527

00:18:41,669 --> 00:18:39,280

from somewhere and something has to have

528

00:18:42,630 --> 00:18:41,679

happened i i think

529

00:18:44,789 --> 00:18:42,640

where

530

00:18:47,190 --> 00:18:44,799

you have entire cultures who are so

531

00:18:50,150 --> 00:18:47,200

superstitious of say a certain

532

00:18:51,830 --> 00:18:50,160

being or like a skinwalker or or which

533

00:18:53,750 --> 00:18:51,840

sounds awfully a lot like a werewolf to

534

00:18:56,630 --> 00:18:53,760

me from you know

535

00:18:58,549 --> 00:18:56,640

um from european from a european

536

00:19:00,789 --> 00:18:58,559

standpoint yeah and and then you go to

537

00:19:02,630 --> 00:19:00,799

india and i'm sure they have their

538

00:19:04,470 --> 00:19:02,640

stories that are similar or you know

539

00:19:05,430 --> 00:19:04,480

wherever you go you hear similar stories

540

00:19:07,110 --> 00:19:05,440

and so

541

00:19:09,270 --> 00:19:07,120

i i think that there's definitely an

542

00:19:12,470 --> 00:19:09,280

energy or or something there that makes

543

00:19:13,750 --> 00:19:12,480

people get get to that point

544

00:19:15,110 --> 00:19:13,760

guys i'm just going to jump in sorry

545

00:19:16,630 --> 00:19:15,120

that i missed that my daughter's a

546

00:19:18,870 --> 00:19:16,640

little bit sick at the moment so my

547

00:19:20,950 --> 00:19:18,880

apologies um just giving you a shout out

548

00:19:23,190 --> 00:19:20,960

to aaron desario thank you for the 20

549

00:19:25,430 --> 00:19:23,200

super chat as a former apple employee of

550

00:19:27,990 --> 00:19:25,440

15 years i have to comment on caleb's

551
00:19:29,669 --> 00:19:28,000
phone having its lot code bypassed that

552
00:19:32,150 --> 00:19:29,679
is impossible based on current

553
00:19:34,470 --> 00:19:32,160
technology if that really happened apple

554
00:19:36,470 --> 00:19:34,480
should be all over that phone now we

555
00:19:37,909 --> 00:19:36,480
touched upon that last time caleb so i'm

556
00:19:40,150 --> 00:19:37,919
happy to touch upon it again because

557
00:19:41,669 --> 00:19:40,160
it's incredible yeah and you know and i

558
00:19:43,990 --> 00:19:41,679
expect that and every that's one of the

559
00:19:45,830 --> 00:19:44,000
big things that everybody's in in

560
00:19:47,750 --> 00:19:45,840
regards to like my experience out here i

561
00:19:48,870 --> 00:19:47,760
always get comments about my phone

562
00:19:50,470 --> 00:19:48,880
um so

563
00:19:51,750 --> 00:19:50,480

like i said last time i do have a new

564

00:19:53,830 --> 00:19:51,760

one

565

00:19:56,310 --> 00:19:53,840

and i've already had some pretty neat

566

00:19:57,669 --> 00:19:56,320

things happen with it in the last month

567

00:19:59,029 --> 00:19:57,679

since i've had it

568

00:20:01,669 --> 00:19:59,039

wow um

569

00:20:04,310 --> 00:20:01,679

nothing like what i've seen with my past

570

00:20:06,070 --> 00:20:04,320

phone with passcode but and again this

571

00:20:07,830 --> 00:20:06,080

is

572

00:20:10,630 --> 00:20:07,840

specifically with my phone going past

573

00:20:12,710 --> 00:20:10,640

the passcode it wasn't just the passcode

574

00:20:16,230 --> 00:20:12,720

on the phone itself it was also

575

00:20:17,669 --> 00:20:16,240

bypassing security codes into other apps

576
00:20:19,190 --> 00:20:17,679
and things like that and that was one of

577
00:20:22,070 --> 00:20:19,200
the things that really

578
00:20:23,669 --> 00:20:22,080
scared uh specifically travison

579
00:20:25,510 --> 00:20:23,679
because of some of the things that he's

580
00:20:27,510 --> 00:20:25,520
involved with

581
00:20:29,350 --> 00:20:27,520
you know and he and and that's national

582
00:20:31,510 --> 00:20:29,360
security implications

583
00:20:33,110 --> 00:20:31,520
uh and i can assure you guys that what

584
00:20:34,870 --> 00:20:33,120
happened with my phone you you guys were

585
00:20:36,549 --> 00:20:34,880
seeing that real time

586
00:20:38,070 --> 00:20:36,559
that was not a phone recording that was

587
00:20:39,669 --> 00:20:38,080
nothing like that that that was

588
00:20:41,430 --> 00:20:39,679

happening real time my phone being

589

00:20:43,270 --> 00:20:41,440

bypassed

590

00:20:44,470 --> 00:20:43,280

you know and that happened multiple

591

00:20:45,430 --> 00:20:44,480

times

592

00:20:47,270 --> 00:20:45,440

um

593

00:20:50,230 --> 00:20:47,280

and and we actually did reach out to

594

00:20:52,870 --> 00:20:50,240

apple and i don't know where that went

595

00:20:55,029 --> 00:20:52,880

that was you know that kind of went past

596

00:20:57,270 --> 00:20:55,039

uh that i know that was eric and travis

597

00:20:59,110 --> 00:20:57,280

speaking with other individuals at apple

598

00:21:00,630 --> 00:20:59,120

specifically about that

599

00:21:05,909 --> 00:21:00,640

um and so

600

00:21:09,350 --> 00:21:07,430

hey it looks like it's being looked at

601
00:21:11,270 --> 00:21:09,360
already but i think that's the kind of

602
00:21:13,350 --> 00:21:11,280
information that people would love to

603
00:21:15,590 --> 00:21:13,360
hear in the future and be touched upon

604
00:21:18,230 --> 00:21:15,600
because yeah

605
00:21:20,070 --> 00:21:18,240
and i i guess one more pivot one more

606
00:21:22,070 --> 00:21:20,080
piece to that too is

607
00:21:23,669 --> 00:21:22,080
in law enforcement uh i can tell you

608
00:21:26,710 --> 00:21:23,679
that our detectives

609
00:21:29,830 --> 00:21:26,720
we're taking cell phones all the time

610
00:21:32,149 --> 00:21:29,840
because of evidence um

611
00:21:33,990 --> 00:21:32,159
i can tell you that my the detectives i

612
00:21:35,990 --> 00:21:34,000
work with have told me multiple times

613
00:21:37,990 --> 00:21:36,000

that they'll they'll they'll take these

614

00:21:40,149 --> 00:21:38,000

phones out to the fbi because they do

615

00:21:41,750 --> 00:21:40,159

have capabilities to try and get some

616

00:21:43,270 --> 00:21:41,760

information off these phones but the

617

00:21:44,549 --> 00:21:43,280

phones are destroyed in the process

618

00:21:45,590 --> 00:21:44,559

essentially

619

00:21:47,190 --> 00:21:45,600

and so

620

00:21:48,549 --> 00:21:47,200

that was one of the big things is all my

621

00:21:50,630 --> 00:21:48,559

detectives were like yeah there's no way

622

00:21:52,549 --> 00:21:50,640

you could do that and and even and they

623

00:21:53,990 --> 00:21:52,559

had conversations with individuals who

624

00:21:55,510 --> 00:21:54,000

they worked with out in salt lake when

625

00:21:56,549 --> 00:21:55,520

they were going through these processes

626
00:21:57,669 --> 00:21:56,559
and

627
00:21:59,190 --> 00:21:57,679
so it's

628
00:22:02,390 --> 00:21:59,200
it's one of those things it reminds me

629
00:22:05,510 --> 00:22:02,400
of the missile silos

630
00:22:07,750 --> 00:22:05,520
you know montana were they robert salas

631
00:22:10,149 --> 00:22:07,760
where they came and you know basically

632
00:22:11,110 --> 00:22:10,159
manipulated our technology

633
00:22:12,390 --> 00:22:11,120
yeah

634
00:22:13,750 --> 00:22:12,400
i don't know what i'm saying when i say

635
00:22:16,710 --> 00:22:13,760
they but you know

636
00:22:19,029 --> 00:22:16,720
it's for lack of a better term

637
00:22:22,070 --> 00:22:19,039
and yeah you see uavs and the maneuvers

638
00:22:24,149 --> 00:22:22,080

they make and the technology that would

639

00:22:25,510 --> 00:22:24,159

have to exist for that to be possible

640

00:22:28,390 --> 00:22:25,520

then you look at something like your

641

00:22:30,070 --> 00:22:28,400

phone and you're like well of course duh

642

00:22:31,029 --> 00:22:30,080

that's probably easy

643

00:22:32,630 --> 00:22:31,039

yeah it's

644

00:22:34,230 --> 00:22:32,640

yeah we we kind of have that

645

00:22:35,510 --> 00:22:34,240

conversation all the time when we're on

646

00:22:37,270 --> 00:22:35,520

the ranch like

647

00:22:40,549 --> 00:22:37,280

yeah they're just toying with us you

648

00:22:42,390 --> 00:22:40,559

know or whoever whatever it is you know

649

00:22:44,549 --> 00:22:42,400

yeah i was thinking about something real

650

00:22:46,230 --> 00:22:44,559

quick um when nids was there they had

651
00:22:48,710 --> 00:22:46,240
that incident where the two individuals

652
00:22:51,350 --> 00:22:48,720
were on the on the hill and supposedly

653
00:22:52,789 --> 00:22:51,360
saw an opening in the uh

654
00:22:54,789 --> 00:22:52,799
in the sky or whatever and something

655
00:22:56,710 --> 00:22:54,799
came out of it right yeah

656
00:22:57,990 --> 00:22:56,720
i know i've heard another story i forgot

657
00:22:59,510 --> 00:22:58,000
who um

658
00:23:01,110 --> 00:22:59,520
that claimed to have seen something

659
00:23:02,950 --> 00:23:01,120
similar near the ranch as well where

660
00:23:04,710 --> 00:23:02,960
they saw this shattery figure

661
00:23:06,789 --> 00:23:04,720
so i started i was thinking about that

662
00:23:08,310 --> 00:23:06,799
and it makes me wonder if these stories

663
00:23:11,110 --> 00:23:08,320

that you hear about people over the

664

00:23:12,870 --> 00:23:11,120

world seeing cryptids and these beings

665

00:23:15,110 --> 00:23:12,880

that you know everyone thinks are fake

666

00:23:17,430 --> 00:23:15,120

or you know they're not real like the

667

00:23:19,430 --> 00:23:17,440

jersey devil you know for example if

668

00:23:20,950 --> 00:23:19,440

these things actually may be something

669

00:23:23,029 --> 00:23:20,960

that comes out of

670

00:23:24,549 --> 00:23:23,039

you know like portals like like that

671

00:23:27,350 --> 00:23:24,559

niche reported scene you know what i'm

672

00:23:28,789 --> 00:23:27,360

saying because what they saw

673

00:23:30,470 --> 00:23:28,799

would have made me [h__h] my pants you

674

00:23:31,750 --> 00:23:30,480

know what i'm saying excuse my language

675

00:23:36,470 --> 00:23:31,760

but

676
00:23:37,750 --> 00:23:36,480
know in serious seriousness and you hear

677
00:23:39,110 --> 00:23:37,760
stories from other people around the

678
00:23:41,350 --> 00:23:39,120
world that you know they claim to see

679
00:23:42,470 --> 00:23:41,360
these these creatures that people

680
00:23:44,470 --> 00:23:42,480
dismiss

681
00:23:46,470 --> 00:23:44,480
you know it's possible that these things

682
00:23:49,190 --> 00:23:46,480
are appearing in different locations in

683
00:23:50,549 --> 00:23:49,200
that same way that was reported you know

684
00:23:52,470 --> 00:23:50,559
when nids was there

685
00:23:54,549 --> 00:23:52,480
and you know and

686
00:23:56,070 --> 00:23:54,559
that makes me think about

687
00:23:58,950 --> 00:23:56,080
what people are really getting with

688
00:24:01,029 --> 00:23:58,960

skinwalker right now um how many

689

00:24:02,230 --> 00:24:01,039

places on on the earth are really being

690

00:24:04,230 --> 00:24:02,240

looked at

691

00:24:05,750 --> 00:24:04,240

in it with the public eye and public

692

00:24:07,750 --> 00:24:05,760

attention with

693

00:24:09,190 --> 00:24:07,760

this level of scientists and these

694

00:24:11,590 --> 00:24:09,200

different individuals from these

695

00:24:14,470 --> 00:24:11,600

different backgrounds you know

696

00:24:16,149 --> 00:24:14,480

myself with law enforcement uh tom with

697

00:24:18,230 --> 00:24:16,159

his experience on the ranch as the the

698

00:24:19,190 --> 00:24:18,240

general manager and he's always out

699

00:24:21,269 --> 00:24:19,200

there

700

00:24:23,269 --> 00:24:21,279

you know it's a working living ranch we

701

00:24:25,430 --> 00:24:23,279

have cattle out there we we have to run

702

00:24:27,990 --> 00:24:25,440

the water we have we're maintaining that

703

00:24:29,990 --> 00:24:28,000

property and tom is out there at all

704

00:24:31,590 --> 00:24:30,000

hours of the day especially you know

705

00:24:32,950 --> 00:24:31,600

with the water turns during the summer

706

00:24:36,390 --> 00:24:32,960

and stuff and

707

00:24:38,230 --> 00:24:36,400

and and bryant and uh brandon and all

708

00:24:40,310 --> 00:24:38,240

these experiences that the all these

709

00:24:41,990 --> 00:24:40,320

individuals are coming out and seeing

710

00:24:43,909 --> 00:24:42,000

and we're we're

711

00:24:46,070 --> 00:24:43,919

trying to bring it to the public's

712

00:24:48,149 --> 00:24:46,080

attention as honestly as we can you know

713

00:24:50,390 --> 00:24:48,159

and and show that we've had these crazy

714

00:24:52,310 --> 00:24:50,400

experience uh experiments and these

715

00:24:54,310 --> 00:24:52,320

crazy experiences

716

00:24:55,830 --> 00:24:54,320

and you know we're doing something like

717

00:24:58,470 --> 00:24:55,840

shooting these rockets off and we are

718

00:25:01,430 --> 00:24:58,480

seeing the ranch react if you will

719

00:25:03,990 --> 00:25:01,440

whether that's some natural phenomena

720

00:25:06,310 --> 00:25:04,000

that we just can't explain yet or

721

00:25:08,149 --> 00:25:06,320

it's or it is some kind of intelligence

722

00:25:10,789 --> 00:25:08,159

that's reacting you know

723

00:25:12,830 --> 00:25:10,799

do you ever notice any reaction

724

00:25:15,750 --> 00:25:12,840

off of uh playing off of

725

00:25:17,669 --> 00:25:15,760

emotion yes um

726

00:25:19,669 --> 00:25:17,679

and that's and that's where it's hard

727

00:25:21,669 --> 00:25:19,679

because how do you quantify that

728

00:25:24,390 --> 00:25:21,679

how do you kind of prove that you know

729

00:25:26,470 --> 00:25:24,400

if you will it's a personal proof yeah

730

00:25:27,830 --> 00:25:26,480

yeah and you know that kind of leads me

731

00:25:30,950 --> 00:25:27,840

into

732

00:25:32,950 --> 00:25:30,960

it makes me think about an experience um

733

00:25:35,269 --> 00:25:32,960

that we've had on the ranch and then the

734

00:25:38,070 --> 00:25:35,279

similar energy that i felt if you will

735

00:25:39,350 --> 00:25:38,080

um so a couple years ago i don't know if

736

00:25:41,029 --> 00:25:39,360

you guys have heard the story about how

737

00:25:42,070 --> 00:25:41,039

tom and i we we came back to the ranch

738

00:25:44,149 --> 00:25:42,080

because we heard there were some people

739

00:25:44,950 --> 00:25:44,159

that were potentially trying to come on

740

00:25:46,950 --> 00:25:44,960

through

741

00:25:49,269 --> 00:25:46,960

online chatter and so we were out there

742

00:25:51,350 --> 00:25:49,279

for three or four nights in a row you

743

00:25:53,590 --> 00:25:51,360

know 12 14 hours

744

00:25:54,950 --> 00:25:53,600

and we left to go home for the day get

745

00:25:56,870 --> 00:25:54,960

some sleep before we came back and

746

00:25:59,510 --> 00:25:56,880

during that time we were gone we had

747

00:26:00,789 --> 00:25:59,520

some devil or satan worshipers come to

748

00:26:02,789 --> 00:26:00,799

the property

749

00:26:04,390 --> 00:26:02,799

go through one of our gates damaged some

750

00:26:05,990 --> 00:26:04,400

property there and then they we know

751
00:26:07,750 --> 00:26:06,000
that they performed some kind of

752
00:26:10,549 --> 00:26:07,760
ceremony out there

753
00:26:12,870 --> 00:26:10,559
and when tom and i came to the ranch

754
00:26:14,789 --> 00:26:12,880
and we found this

755
00:26:18,310 --> 00:26:14,799
i know this sounds crazy but the the

756
00:26:19,990 --> 00:26:18,320
darkness and the the heaviness like

757
00:26:22,549 --> 00:26:20,000
the word that immediately came to both

758
00:26:24,710 --> 00:26:22,559
our minds was a violation like the ranch

759
00:26:26,470 --> 00:26:24,720
had been violated

760
00:26:27,430 --> 00:26:26,480
it didn't ask for that it didn't want

761
00:26:29,590 --> 00:26:27,440
that

762
00:26:31,269 --> 00:26:29,600
yeah you know and and

763
00:26:32,230 --> 00:26:31,279

when tama and i were out there was night

764

00:26:33,909 --> 00:26:32,240

time

765

00:26:35,669 --> 00:26:33,919

dude it was like the crazy one of the

766

00:26:37,990 --> 00:26:35,679

craziest things i've ever

767

00:26:39,750 --> 00:26:38,000

felt like i could feel that pressure if

768

00:26:41,029 --> 00:26:39,760

you will around me

769

00:26:41,909 --> 00:26:41,039

wow and

770

00:26:44,789 --> 00:26:41,919

um

771

00:26:47,269 --> 00:26:44,799

yeah it's just this dark dark energy if

772

00:26:49,750 --> 00:26:47,279

you will this dark frequency

773

00:26:51,350 --> 00:26:49,760

just yeah it was real heavy it was

774

00:26:53,669 --> 00:26:51,360

it wasn't good

775

00:26:55,590 --> 00:26:53,679

um and the only other time that i've

776

00:26:57,669 --> 00:26:55,600

felt that kind of darkness and that

777

00:26:58,870 --> 00:26:57,679

heaviness is on the suicide scenes that

778

00:27:00,789 --> 00:26:58,880

i've uh

779

00:27:02,470 --> 00:27:00,799

unfortunately i've had to go respond to

780

00:27:04,549 --> 00:27:02,480

as a law enforcement officer

781

00:27:07,430 --> 00:27:04,559

and and that kind of is what's hit me

782

00:27:09,029 --> 00:27:07,440

this last year in particular i've had

783

00:27:10,710 --> 00:27:09,039

three this last year that really stick

784

00:27:13,029 --> 00:27:10,720

out in my mind

785

00:27:16,230 --> 00:27:13,039

and it hit me one day

786

00:27:18,870 --> 00:27:16,240

this is the same energy this is the same

787

00:27:21,990 --> 00:27:18,880

heaviness this is the same

788

00:27:23,269 --> 00:27:22,000

just evil that i felt on the ranch that

789

00:27:24,710 --> 00:27:23,279

night

790

00:27:26,710 --> 00:27:24,720

and

791

00:27:28,710 --> 00:27:26,720

i i you know that's the only way i can

792

00:27:30,470 --> 00:27:28,720

really explain it you know and it's

793

00:27:32,830 --> 00:27:30,480

something like i've said i've put a lot

794

00:27:35,590 --> 00:27:32,840

of thought into that

795

00:27:37,590 --> 00:27:35,600

and you know and that was someone else

796

00:27:38,789 --> 00:27:37,600

bringing that to the ranch and and then

797

00:27:43,909 --> 00:27:38,799

what do you do

798

00:27:45,269 --> 00:27:43,919

uh my me myself

799

00:27:47,590 --> 00:27:45,279

i've i

800

00:27:49,590 --> 00:27:47,600

have my own personal beliefs and i yeah

801
00:27:52,710 --> 00:27:49,600

i've gone through and i've

802
00:27:55,430 --> 00:27:52,720

my i am very spiritual i i am religious

803
00:27:58,710 --> 00:27:55,440

i do practice my chosen faith

804
00:28:00,710 --> 00:27:58,720

and i i went and i did some of the the

805
00:28:02,389 --> 00:28:00,720

ordinances and the and the things that i

806
00:28:05,110 --> 00:28:02,399

put my faith into

807
00:28:07,430 --> 00:28:05,120

and i and i and i'm i was good i you

808
00:28:09,269 --> 00:28:07,440

know it was really powerful experience

809
00:28:11,990 --> 00:28:09,279

and i was able to

810
00:28:14,389 --> 00:28:12,000

get that it's really interesting

811
00:28:16,149 --> 00:28:14,399

i was able to it's it's

812
00:28:17,590 --> 00:28:16,159

you know how our minds just bring stuff

813
00:28:19,190 --> 00:28:17,600

up once you've been through like a

814

00:28:20,870 --> 00:28:19,200

traumatic experience like it just pops

815

00:28:22,070 --> 00:28:20,880

up it's like you can't stop it from

816

00:28:23,430 --> 00:28:22,080

playing

817

00:28:26,870 --> 00:28:23,440

um

818

00:28:28,470 --> 00:28:26,880

the the processes that i chose to do

819

00:28:29,830 --> 00:28:28,480

it stopped it

820

00:28:32,389 --> 00:28:29,840

it stopped that from happening

821

00:28:34,470 --> 00:28:32,399

immediately it was very powerful

822

00:28:36,310 --> 00:28:34,480

um and so it's something that yeah i can

823

00:28:38,310 --> 00:28:36,320

go through and think about it

824

00:28:39,669 --> 00:28:38,320

if i go and access that file if you will

825

00:28:42,230 --> 00:28:39,679

it's there

826

00:28:43,029 --> 00:28:42,240

but it won't just pop up and replay you

827

00:28:45,269 --> 00:28:43,039

know

828

00:28:47,990 --> 00:28:45,279

so i've i went through and did some of

829

00:28:49,510 --> 00:28:48,000

my own what i do what i believe you know

830

00:28:51,669 --> 00:28:49,520

i love hearing that

831

00:28:52,950 --> 00:28:51,679

and it's one of those things that i

832

00:28:54,149 --> 00:28:52,960

um

833

00:28:55,750 --> 00:28:54,159

you know i am

834

00:28:58,310 --> 00:28:55,760

careful about how i talk about that just

835

00:29:01,029 --> 00:28:58,320

because i get it i you know in today's

836

00:29:03,190 --> 00:29:01,039

world we get it you know there's

837

00:29:05,110 --> 00:29:03,200

yeah things that are hard to talk about

838

00:29:07,269 --> 00:29:05,120

just because people i will just put it

839

00:29:09,909 --> 00:29:07,279

out there that as you know if you think

840

00:29:12,389 --> 00:29:09,919

that negative energy like that exists

841

00:29:14,789 --> 00:29:12,399

and there's evil thick fog

842

00:29:18,230 --> 00:29:14,799

let me tell you something there is the

843

00:29:20,230 --> 00:29:18,240

exact opposite that exists as well

844

00:29:22,149 --> 00:29:20,240

don't keep working in the one direction

845

00:29:24,070 --> 00:29:22,159

yeah and and that was and that you know

846

00:29:26,630 --> 00:29:24,080

you hit it right there is i went to what

847

00:29:28,630 --> 00:29:26,640

i believe i and i guess that's my my

848

00:29:31,990 --> 00:29:28,640

thing is i i feel like had enough

849

00:29:33,669 --> 00:29:32,000

experiences on and off the ranch i i had

850

00:29:36,549 --> 00:29:33,679

some very powerful experiences before i

851
00:29:38,149 --> 00:29:36,559
even went to the ranch that led me to

852
00:29:40,549 --> 00:29:38,159
think that there is that source of light

853
00:29:42,310 --> 00:29:40,559
or that source of good uh and you know

854
00:29:44,470 --> 00:29:42,320
and you know that's not my place to tell

855
00:29:46,230 --> 00:29:44,480
people if they're right or wrong i don't

856
00:29:47,990 --> 00:29:46,240
think that's my place but i'm willing to

857
00:29:50,470 --> 00:29:48,000
have that conversation with people and

858
00:29:52,710 --> 00:29:50,480
you know i i fully believe

859
00:29:54,789 --> 00:29:52,720
um you know like what our country was

860
00:29:56,310 --> 00:29:54,799
founded on is you have a right to think

861
00:29:58,230 --> 00:29:56,320
and believe what you want

862
00:30:00,149 --> 00:29:58,240
yeah you know and you have a right to

863
00:30:01,190 --> 00:30:00,159

express that

864

00:30:02,789 --> 00:30:01,200

for sure

865

00:30:04,310 --> 00:30:02,799

what if what if locations like

866

00:30:05,590 --> 00:30:04,320

skinwalker and

867

00:30:07,110 --> 00:30:05,600

you know things like that they're

868

00:30:09,990 --> 00:30:07,120

actually

869

00:30:11,669 --> 00:30:10,000

like locations on the planet where

870

00:30:13,350 --> 00:30:11,679

you know this phenomenon is actually

871

00:30:14,710 --> 00:30:13,360

created by the planet itself you

872

00:30:16,149 --> 00:30:14,720

understand what i'm saying like if you

873

00:30:18,630 --> 00:30:16,159

look at if you look at the planet as a

874

00:30:20,549 --> 00:30:18,640

whole it's an actual living thing

875

00:30:21,750 --> 00:30:20,559

and we're a part of that you know so

876

00:30:23,590 --> 00:30:21,760

like you're mentioning about the

877

00:30:25,909 --> 00:30:23,600

energies and how you felt you know when

878

00:30:27,830 --> 00:30:25,919

you walked in on that scene with the

879

00:30:28,950 --> 00:30:27,840

with the um you know the people doing

880

00:30:30,870 --> 00:30:28,960

the ritual

881

00:30:32,870 --> 00:30:30,880

you know it could be something similar

882

00:30:35,430 --> 00:30:32,880

to that but on a planet-sized scale and

883

00:30:38,149 --> 00:30:35,440

in certain locations it's focused on or

884

00:30:40,230 --> 00:30:38,159

it's saturated enough where

885

00:30:41,190 --> 00:30:40,240

things occur that you can't explain you

886

00:30:43,190 --> 00:30:41,200

know what i'm saying and it could

887

00:30:46,310 --> 00:30:43,200

possibly be from the earth itself

888

00:30:48,710 --> 00:30:46,320

creating this you know phenomenon and

889

00:30:50,549 --> 00:30:48,720

maybe ufos are attracted to these

890

00:30:52,389 --> 00:30:50,559

locations because of that energy so

891

00:30:54,310 --> 00:30:52,399

that's where you get the the the you

892

00:30:56,789 --> 00:30:54,320

know the uh the mix of seeing these

893

00:30:57,909 --> 00:30:56,799

objects and also seeing this phenomenon

894

00:30:59,830 --> 00:30:57,919

because they understand there's

895

00:31:01,909 --> 00:30:59,840

something going on here maybe they

896

00:31:03,830 --> 00:31:01,919

themselves find it interesting and want

897

00:31:05,750 --> 00:31:03,840

to come to see what it's about you know

898

00:31:07,750 --> 00:31:05,760

and and that's you know that hits on

899

00:31:10,630 --> 00:31:07,760

kind of how i've answered some questions

900

00:31:12,389 --> 00:31:10,640

before where i say science and religion

901
00:31:14,310 --> 00:31:12,399
are kind of doing this you know they

902
00:31:15,190 --> 00:31:14,320
they come together if you will

903
00:31:17,590 --> 00:31:15,200
um

904
00:31:18,710 --> 00:31:17,600
they're not this opposite you know

905
00:31:21,990 --> 00:31:18,720
they're

906
00:31:24,389 --> 00:31:22,000
things and i've and i've had things

907
00:31:26,149 --> 00:31:24,399
happen on and off the ranch again that

908
00:31:28,549 --> 00:31:26,159
it's more easily explained through a

909
00:31:31,029 --> 00:31:28,559
scientific means uh one experience if

910
00:31:32,789 --> 00:31:31,039
you'll sorry and then another experience

911
00:31:35,830 --> 00:31:32,799
that i have it's more spiritual like

912
00:31:38,950 --> 00:31:35,840
that uh and and hitting on that it makes

913
00:31:40,789 --> 00:31:38,960

me think like i'd love to go through

914

00:31:42,310 --> 00:31:40,799

and say like i've i've had family

915

00:31:44,389 --> 00:31:42,320

members and people visited say like the

916

00:31:47,669 --> 00:31:44,399

battlefield of gettysburg or a lot of

917

00:31:49,110 --> 00:31:47,679

these old civil war sites or

918

00:31:51,269 --> 00:31:49,120

um

919

00:31:53,990 --> 00:31:51,279

the omaha beach

920

00:31:56,549 --> 00:31:54,000

you go to these places and people can

921

00:31:57,909 --> 00:31:56,559

feel this powerful they have this very

922

00:32:01,350 --> 00:31:57,919

powerful phys

923

00:32:03,269 --> 00:32:01,360

emotional physical experience

924

00:32:05,269 --> 00:32:03,279

you know and it's like what may have

925

00:32:07,590 --> 00:32:05,279

happened on the ranch say 10 000 years

926

00:32:09,509 --> 00:32:07,600

ago that maybe left such a massive

927

00:32:11,430 --> 00:32:09,519

imprint you know that that's something

928

00:32:13,669 --> 00:32:11,440

that we've talked about before

929

00:32:15,190 --> 00:32:13,679

you know and i and i i completely agree

930

00:32:17,110 --> 00:32:15,200

with you what if there are these areas

931

00:32:19,750 --> 00:32:17,120

that how i don't know how they were

932

00:32:20,549 --> 00:32:19,760

created or or why there's such an energy

933

00:32:22,149 --> 00:32:20,559

there

934

00:32:24,230 --> 00:32:22,159

what if it's the

935

00:32:25,029 --> 00:32:24,240

point of creation at some point was

936

00:32:27,190 --> 00:32:25,039

there

937

00:32:28,470 --> 00:32:27,200

and what you're seeing is almost these

938

00:32:29,990 --> 00:32:28,480

different

939

00:32:32,470 --> 00:32:30,000

um ingredients

940

00:32:34,230 --> 00:32:32,480

mixing around of some sort i don't know

941

00:32:35,430 --> 00:32:34,240

that's way out in the left field but you

942

00:32:36,789 --> 00:32:35,440

know and that and you know that's the

943

00:32:39,990 --> 00:32:36,799

thing is that's

944

00:32:43,190 --> 00:32:41,350

you know

945

00:32:45,509 --> 00:32:43,200

and and i can tell you that we have the

946

00:32:47,269 --> 00:32:45,519

conversations like this all the time

947

00:32:50,070 --> 00:32:47,279

as a team kind of amongst ourselves call

948

00:32:53,590 --> 00:32:51,350

you also got to think about the fact

949

00:32:55,830 --> 00:32:53,600

that you know us living on this planet

950

00:32:58,389 --> 00:32:55,840

right you know we wake up every day we

951
00:33:00,389 --> 00:32:58,399
you do our normal routine all the time

952
00:33:02,630 --> 00:33:00,399
we don't realize you're actually

953
00:33:04,630 --> 00:33:02,640
all this all the all the energy that the

954
00:33:06,870 --> 00:33:04,640
planet emits we're a part of it we're

955
00:33:08,950 --> 00:33:06,880
living inside of it you understand so

956
00:33:11,029 --> 00:33:08,960
everything that we experience may be due

957
00:33:12,070 --> 00:33:11,039
to all of this energy that the planet is

958
00:33:14,149 --> 00:33:12,080
releasing

959
00:33:16,630 --> 00:33:14,159
that that causes us to

960
00:33:17,830 --> 00:33:16,640
maybe behave the way we do or see things

961
00:33:19,430 --> 00:33:17,840
the way we see it you know what i'm

962
00:33:20,870 --> 00:33:19,440
saying and it might be different

963
00:33:21,990 --> 00:33:20,880

somewhere else you know what i mean

964

00:33:24,389 --> 00:33:22,000

maybe

965

00:33:25,750 --> 00:33:24,399

ufos come here or et comes here

966

00:33:27,590 --> 00:33:25,760

to see what

967

00:33:29,350 --> 00:33:27,600

what what the planet does to life on

968

00:33:31,110 --> 00:33:29,360

this you know on on on this rock you

969

00:33:32,230 --> 00:33:31,120

understand what i'm trying to say yeah

970

00:33:34,389 --> 00:33:32,240

um

971

00:33:36,310 --> 00:33:34,399

you're you're making me think of uh uh

972

00:33:37,990 --> 00:33:36,320

something that travis

973

00:33:39,990 --> 00:33:38,000

on this subject uh one of the

974

00:33:42,549 --> 00:33:40,000

conversations that we had travis

975

00:33:43,669 --> 00:33:42,559

actually brought up that um

976
00:33:45,509 --> 00:33:43,679
one of the biggest things that's

977
00:33:47,269 --> 00:33:45,519
happened in my lifetime if not the the

978
00:33:49,830 --> 00:33:47,279
biggest 9 11.

979
00:33:51,669 --> 00:33:49,840
um they noticed um

980
00:33:53,029 --> 00:33:51,679
i'm sure someone in the comments or

981
00:33:55,029 --> 00:33:53,039
someone might have more information

982
00:33:56,230 --> 00:33:55,039
about this than i do but travis i'm

983
00:33:58,070 --> 00:33:56,240
trying to

984
00:33:59,029 --> 00:33:58,080
get this out to you guys as cleanly as i

985
00:34:01,509 --> 00:33:59,039
can

986
00:34:03,669 --> 00:34:01,519
travis mentioned that you have

987
00:34:05,350 --> 00:34:03,679
these atomic clocks i believe or these

988
00:34:06,789 --> 00:34:05,360

random number generators yeah i know

989

00:34:09,190 --> 00:34:06,799

exactly what you're talking about and

990

00:34:12,310 --> 00:34:09,200

these random number generators during

991

00:34:15,109 --> 00:34:12,320

911 and like i think the day after

992

00:34:16,230 --> 00:34:15,119

because they something happened to where

993

00:34:17,109 --> 00:34:16,240

these

994

00:34:18,710 --> 00:34:17,119

uh

995

00:34:20,550 --> 00:34:18,720

generators or or these clocks or

996

00:34:22,149 --> 00:34:20,560

whatever they were

997

00:34:24,149 --> 00:34:22,159

were acting

998

00:34:25,349 --> 00:34:24,159

so outside of what they're supposed to

999

00:34:27,510 --> 00:34:25,359

do

1000

00:34:29,669 --> 00:34:27,520

because of and the theory is

1001
00:34:31,750 --> 00:34:29,679
we as a human collective energy

1002
00:34:33,669 --> 00:34:31,760
collective energy yeah we as a human we

1003
00:34:35,190 --> 00:34:33,679
as humans with our collective energy

1004
00:34:37,430 --> 00:34:35,200
thank you

1005
00:34:39,270 --> 00:34:37,440
did something to affect that because of

1006
00:34:41,430 --> 00:34:39,280
what happened at 9 11.

1007
00:34:43,589 --> 00:34:41,440
it's measurable yeah these are the ones

1008
00:34:44,950 --> 00:34:43,599
in zeros right the generators whether

1009
00:34:46,470 --> 00:34:44,960
it's kind of a

1010
00:34:48,629 --> 00:34:46,480
from what i understand they have these

1011
00:34:50,550 --> 00:34:48,639
generators um scattered throughout the

1012
00:34:52,629 --> 00:34:50,560
world if i'm not mistaken

1013
00:34:54,629 --> 00:34:52,639

and they you know they pick up the

1014

00:34:56,470 --> 00:34:54,639

information from them during

1015

00:34:58,470 --> 00:34:56,480

world disasters and stuff like that and

1016

00:34:59,990 --> 00:34:58,480

that's where they see these changes

1017

00:35:02,069 --> 00:35:00,000

because everybody's going through a

1018

00:35:03,670 --> 00:35:02,079

situation and all that energy is

1019

00:35:05,349 --> 00:35:03,680

actually being picked up

1020

00:35:07,589 --> 00:35:05,359

so it's for example like i always use

1021

00:35:09,349 --> 00:35:07,599

this analogy you know or this example is

1022

00:35:11,910 --> 00:35:09,359

like when you love someone right you

1023

00:35:15,270 --> 00:35:11,920

have someone that you absolutely adore

1024

00:35:17,510 --> 00:35:15,280

right there with you you feel i i used

1025

00:35:18,790 --> 00:35:17,520

uh like a rubber band example like when

1026

00:35:21,190 --> 00:35:18,800

you take a rubber band and you just

1027

00:35:22,870 --> 00:35:21,200

leave it alone it's it's whole but you

1028

00:35:24,069 --> 00:35:22,880

take that and you stretch it you know

1029

00:35:26,069 --> 00:35:24,079

what i'm saying and you start to see

1030

00:35:28,390 --> 00:35:26,079

that everything pulls apart so the same

1031

00:35:30,069 --> 00:35:28,400

way with love for example you have that

1032

00:35:31,030 --> 00:35:30,079

loved one next to you but when that

1033

00:35:34,069 --> 00:35:31,040

person

1034

00:35:36,470 --> 00:35:34,079

distances itself you can actually feel

1035

00:35:39,589 --> 00:35:36,480

that energy pulling beautiful you

1036

00:35:41,510 --> 00:35:39,599

understand that being a good one yeah

1037

00:35:44,150 --> 00:35:41,520

and it's when you think about it that

1038

00:35:45,990 --> 00:35:44,160

right there shows you that that energy

1039

00:35:48,230 --> 00:35:46,000

whether you although you can't see it's

1040

00:35:49,670 --> 00:35:48,240

just like wind it actually exists in it

1041

00:35:51,670 --> 00:35:49,680

you feel it yeah

1042

00:35:53,190 --> 00:35:51,680

i can feel it right now i can yeah you

1043

00:35:55,910 --> 00:35:53,200

know what i'm saying it's absolutely

1044

00:35:58,390 --> 00:35:55,920

real so i completely agree that these

1045

00:36:00,710 --> 00:35:58,400

sensors are really actually picking up

1046

00:36:01,910 --> 00:36:00,720

that energy because it's a real thing

1047

00:36:03,030 --> 00:36:01,920

it's a real

1048

00:36:04,710 --> 00:36:03,040

you know like

1049

00:36:06,470 --> 00:36:04,720

it's not explained which is real you

1050

00:36:08,230 --> 00:36:06,480

know and that's and that and that's one

1051
00:36:10,230 --> 00:36:08,240
of the things like

1052
00:36:11,670 --> 00:36:10,240
how can you quantify that how can you

1053
00:36:13,589 --> 00:36:11,680
quantify a feeling

1054
00:36:15,829 --> 00:36:13,599
you know how can you

1055
00:36:17,510 --> 00:36:15,839
where the center where are the sensors

1056
00:36:19,030 --> 00:36:17,520
yeah exactly we don't need scientific

1057
00:36:20,870 --> 00:36:19,040
equipment we are

1058
00:36:22,950 --> 00:36:20,880
we're the biosensors we can actually

1059
00:36:25,190 --> 00:36:22,960
feel it so why do we need okay we just

1060
00:36:26,710 --> 00:36:25,200
need to trust yourself when we are the

1061
00:36:28,470 --> 00:36:26,720
computers that know this is real you

1062
00:36:29,990 --> 00:36:28,480
know because if it wasn't then we

1063
00:36:31,829 --> 00:36:30,000

wouldn't have these emotions we wouldn't

1064

00:36:33,270 --> 00:36:31,839

feel what we feel we'd be lifeless

1065

00:36:35,349 --> 00:36:33,280

robots walking around just doing

1066

00:36:37,750 --> 00:36:35,359

whatever the hell we're doing yeah we're

1067

00:36:39,349 --> 00:36:37,760

we're such a complicated uh piece of

1068

00:36:42,069 --> 00:36:39,359

machinery with you know with all the

1069

00:36:43,190 --> 00:36:42,079

stuff going on inside of our bodies and

1070

00:36:45,030 --> 00:36:43,200

you know and that's one of those things

1071

00:36:45,750 --> 00:36:45,040

i'm probably going to kill this quote

1072

00:36:47,190 --> 00:36:45,760

but

1073

00:36:49,510 --> 00:36:47,200

it makes me think someone was talking

1074

00:36:51,190 --> 00:36:49,520

about i can't remember who it was

1075

00:36:52,550 --> 00:36:51,200

but they said that science is the

1076

00:36:54,550 --> 00:36:52,560

explanation of things that are going

1077

00:36:56,150 --> 00:36:54,560

around outside of our bodies and

1078

00:36:58,310 --> 00:36:56,160

religion is what's

1079

00:36:59,270 --> 00:36:58,320

how we explain what's going on within

1080

00:36:59,990 --> 00:36:59,280

um

1081

00:37:03,190 --> 00:37:00,000

and

1082

00:37:08,710 --> 00:37:03,910

sense

1083

00:37:12,069 --> 00:37:10,550

and you know and this is one of those

1084

00:37:13,430 --> 00:37:12,079

things like i get a lot of time out

1085

00:37:15,510 --> 00:37:13,440

there when

1086

00:37:17,510 --> 00:37:15,520

by myself if you will and i i'm able to

1087

00:37:19,589 --> 00:37:17,520

think a lot about the stuff

1088

00:37:21,430 --> 00:37:19,599

a lot about experiences i've had and

1089

00:37:23,190 --> 00:37:21,440

then i'm constantly finding stuff out

1090

00:37:24,950 --> 00:37:23,200

there i'm constantly

1091

00:37:27,589 --> 00:37:24,960

just finding things that can't you know

1092

00:37:30,230 --> 00:37:27,599

i don't know if they're a normal thing

1093

00:37:31,589 --> 00:37:30,240

because of nature i i don't but you know

1094

00:37:32,870 --> 00:37:31,599

i have a lot of time to reflect and

1095

00:37:35,030 --> 00:37:32,880

think about some of the stuff when i'm

1096

00:37:36,630 --> 00:37:35,040

out there do you bounce ideas off each

1097

00:37:37,910 --> 00:37:36,640

other as well when on your downtime

1098

00:37:39,270 --> 00:37:37,920

because obviously we i think a few of us

1099

00:37:41,190 --> 00:37:39,280

know that you and travis do a lot of

1100

00:37:44,550 --> 00:37:41,200

working out you know when you're off the

1101

00:37:46,550 --> 00:37:44,560

clock let's say yeah i see that a lot

1102

00:37:48,710 --> 00:37:46,560

is that a constant conversation as well

1103

00:37:50,870 --> 00:37:48,720

yeah we you know we're just

1104

00:37:53,190 --> 00:37:50,880

you know at the end of the day we're

1105

00:37:54,870 --> 00:37:53,200

the core five of us we're we're friends

1106

00:37:55,990 --> 00:37:54,880

yeah and we're you know when we look out

1107

00:37:58,630 --> 00:37:56,000

for each other and we've had things

1108

00:38:00,150 --> 00:37:58,640

happen and and we've grown together uh

1109

00:38:02,710 --> 00:38:00,160

and you know we know what's going on in

1110

00:38:04,230 --> 00:38:02,720

each other's lives and and we were

1111

00:38:06,230 --> 00:38:04,240

you know those relationships

1112

00:38:07,349 --> 00:38:06,240

relationships are growing

1113

00:38:09,030 --> 00:38:07,359

you know and

1114

00:38:11,030 --> 00:38:09,040

you know i'm the youngest one out there

1115

00:38:13,190 --> 00:38:11,040

i'm 32 and

1116

00:38:14,790 --> 00:38:13,200

i think you're a baby

1117

00:38:15,829 --> 00:38:14,800

right

1118

00:38:17,990 --> 00:38:15,839

and and

1119

00:38:19,510 --> 00:38:18,000

but and tom i think is the closest one

1120

00:38:20,230 --> 00:38:19,520

to me and asia and i think he's going to

1121

00:38:22,550 --> 00:38:20,240

be

1122

00:38:24,390 --> 00:38:22,560

uh hitting his 40s this year if i

1123

00:38:26,310 --> 00:38:24,400

remember right or

1124

00:38:29,109 --> 00:38:26,320

you know but all the all the other guys

1125

00:38:29,990 --> 00:38:29,119

are old now

1126

00:38:31,510 --> 00:38:30,000

right

1127

00:38:32,870 --> 00:38:31,520

yeah and i get a little bit of crap for

1128

00:38:33,829 --> 00:38:32,880

that whenever i bring that up you know

1129

00:38:36,390 --> 00:38:33,839

but like

1130

00:38:38,310 --> 00:38:36,400

um you know like uh i guess for me one

1131

00:38:40,630 --> 00:38:38,320

of the personal experiences is

1132

00:38:43,109 --> 00:38:40,640

or or kind of show you that is uh one of

1133

00:38:44,710 --> 00:38:43,119

the guys he's the exact same age of as

1134

00:38:47,349 --> 00:38:44,720

my dad would have been if he was still

1135

00:38:48,710 --> 00:38:47,359

alive today you know so yeah and i kind

1136

00:38:50,630 --> 00:38:48,720

of brought that up so i was like hey you

1137

00:38:52,710 --> 00:38:50,640

know you realize that you're the exact

1138

00:38:53,670 --> 00:38:52,720

same age as my dad if he was still alive

1139

00:38:55,750 --> 00:38:53,680

you know

1140

00:38:56,950 --> 00:38:55,760

and it was just kind of something like

1141

00:38:58,550 --> 00:38:56,960

you know it's kind of a gut check a

1142

00:39:00,710 --> 00:38:58,560

little bit for him and for me you know

1143

00:39:02,150 --> 00:39:00,720

and so it's like we have these are you

1144

00:39:03,270 --> 00:39:02,160

know obviously we have our relationships

1145

00:39:04,950 --> 00:39:03,280

you know you know and there's a lot of

1146

00:39:06,550 --> 00:39:04,960

stuff that people aren't seeing

1147

00:39:09,030 --> 00:39:06,560

and you know and again like we're we

1148

00:39:10,710 --> 00:39:09,040

have the tv show and and they and it's

1149

00:39:13,270 --> 00:39:10,720

crazy what they can do and how they can

1150

00:39:14,870 --> 00:39:13,280

portray people and things like that

1151

00:39:17,030 --> 00:39:14,880

but you know again at the end of the day

1152

00:39:18,470 --> 00:39:17,040

we all you know we care about each other

1153

00:39:20,150 --> 00:39:18,480

and each other's families and stuff and

1154

00:39:22,310 --> 00:39:20,160

we're and we're you know we are out

1155

00:39:24,630 --> 00:39:22,320

there taking care of each other and you

1156

00:39:25,270 --> 00:39:24,640

know when we take it seriously you know

1157

00:39:27,829 --> 00:39:25,280

and

1158

00:39:29,829 --> 00:39:27,839

yeah that's your only chance really yeah

1159

00:39:31,430 --> 00:39:29,839

i feel like you know

1160

00:39:32,790 --> 00:39:31,440

if you're together in it

1161

00:39:37,510 --> 00:39:32,800

yeah

1162

00:39:38,790 --> 00:39:37,520

things happen physically and harmful

1163

00:39:41,990 --> 00:39:38,800

things have happened to people out there

1164

00:39:43,829 --> 00:39:42,000

and we we do take that serious you know

1165

00:39:45,030 --> 00:39:43,839

i'm sure i'm sure they've you know if

1166

00:39:47,510 --> 00:39:45,040

you've been asked this question before

1167

00:39:49,829 --> 00:39:47,520

but i'll ask it now um

1168

00:39:50,710 --> 00:39:49,839

for you personally with your experiences

1169

00:39:52,790 --> 00:39:50,720

there

1170

00:39:55,190 --> 00:39:52,800

how has that affected you mentally

1171

00:39:56,390 --> 00:39:55,200

psychologically when you're not near the

1172

00:39:57,349 --> 00:39:56,400

ranch and when you're living your

1173

00:39:59,829 --> 00:39:57,359

everyday

1174

00:40:02,230 --> 00:39:59,839

life like how do you look at the world

1175

00:40:04,390 --> 00:40:02,240

after being around all that

1176

00:40:06,390 --> 00:40:04,400

you know it's actually been kind of it's

1177

00:40:07,910 --> 00:40:06,400

kind of interesting so

1178

00:40:10,390 --> 00:40:07,920

um it

1179

00:40:12,790 --> 00:40:10,400

i feel like i've had this um interesting

1180

00:40:14,390 --> 00:40:12,800

path set in front of me if you will

1181

00:40:15,990 --> 00:40:14,400

um

1182

00:40:19,190 --> 00:40:16,000

you know you know you asked me 10 years

1183

00:40:21,030 --> 00:40:19,200

ago or where you think i'd be if this

1184

00:40:22,150 --> 00:40:21,040

was not anywhere near where i thought

1185

00:40:24,630 --> 00:40:22,160

right

1186

00:40:25,910 --> 00:40:24,640

um but i kind of mentioned that when my

1187

00:40:27,349 --> 00:40:25,920

dad passed away that was kind of one of

1188

00:40:28,710 --> 00:40:27,359

the big points where i really started

1189

00:40:30,790 --> 00:40:28,720

looking at things differently it was

1190

00:40:33,589 --> 00:40:30,800

kind of that gut check moment where i

1191

00:40:34,630 --> 00:40:33,599

had to think up look at myself

1192

00:40:36,309 --> 00:40:34,640

and

1193

00:40:38,230 --> 00:40:36,319

look at what kind of life i was living

1194

00:40:39,430 --> 00:40:38,240

and i was like what's the point and

1195

00:40:41,670 --> 00:40:39,440

that's when i really started delving

1196

00:40:43,349 --> 00:40:41,680

into say some of these bigger questions

1197

00:40:45,990 --> 00:40:43,359

that mankind's always looking for that

1198

00:40:50,230 --> 00:40:46,000

answer right yeah and

1199

00:40:51,910 --> 00:40:50,240

i i i will think and believe that i was

1200

00:40:54,390 --> 00:40:51,920

able to get into some information and

1201
00:40:56,069 --> 00:40:54,400
that's affected the way i look at things

1202
00:40:58,390 --> 00:40:56,079
in this life

1203
00:41:01,589 --> 00:40:58,400
and i i guess i've kind of gained more

1204
00:41:02,550 --> 00:41:01,599
of an eternal perspective if you will

1205
00:41:09,030 --> 00:41:02,560
and

1206
00:41:10,470 --> 00:41:09,040
kind of fell in line it was really

1207
00:41:12,470 --> 00:41:10,480
interesting and then and then we get to

1208
00:41:14,150 --> 00:41:12,480
the ranch and it became and there was

1209
00:41:16,790 --> 00:41:14,160
this opportunity that

1210
00:41:19,030 --> 00:41:16,800
you know i you know why me

1211
00:41:21,270 --> 00:41:19,040
there's 50 000 other people here there's

1212
00:41:23,349 --> 00:41:21,280
in in the basin and you know and then

1213
00:41:25,510 --> 00:41:23,359

there's all these other people

1214

00:41:27,270 --> 00:41:25,520

yeah you know there's all these other

1215

00:41:29,829 --> 00:41:27,280

millions of people who have heard of

1216

00:41:31,589 --> 00:41:29,839

skinwalker ranch or somehow or may you

1217

00:41:33,589 --> 00:41:31,599

know why me why am i the guy that's able

1218

00:41:34,390 --> 00:41:33,599

to be out there in this position

1219

00:41:36,470 --> 00:41:34,400

and

1220

00:41:38,710 --> 00:41:36,480

i guess it comes back to

1221

00:41:40,630 --> 00:41:38,720

i i think there's that certain there's

1222

00:41:41,990 --> 00:41:40,640

this energy with our group you know and

1223

00:41:43,750 --> 00:41:42,000

it's been interesting seeing other

1224

00:41:46,069 --> 00:41:43,760

people that we've been able to bring in

1225

00:41:47,990 --> 00:41:46,079

that are matching that energy and we can

1226
00:41:49,990 --> 00:41:48,000
feel that and then there's other people

1227
00:41:52,390 --> 00:41:50,000
that we bring out and we're like

1228
00:41:54,550 --> 00:41:52,400
you just feel that you know it's yeah

1229
00:41:56,550 --> 00:41:54,560
you know it's not what we were thinking

1230
00:41:58,470 --> 00:41:56,560
or what we were expecting

1231
00:42:00,630 --> 00:41:58,480
i spoke i've spoken to vinnie about this

1232
00:42:02,390 --> 00:42:00,640
before it's like you you know when i

1233
00:42:03,670 --> 00:42:02,400
first started this i didn't know anybody

1234
00:42:05,829 --> 00:42:03,680
you know what i mean i just i just

1235
00:42:07,109 --> 00:42:05,839
started it for my reasons you know

1236
00:42:10,710 --> 00:42:07,119
and

1237
00:42:13,990 --> 00:42:10,720
vinnie reached out to him because you

1238
00:42:15,589 --> 00:42:14,000

got this it's like you felt this

1239

00:42:17,510 --> 00:42:15,599

you you kind of knew what the person was

1240

00:42:18,790 --> 00:42:17,520

about yeah you know with the with what

1241

00:42:21,190 --> 00:42:18,800

they were posting and you know what

1242

00:42:23,349 --> 00:42:21,200

their intentions were so you know

1243

00:42:25,589 --> 00:42:23,359

exactly there's a connection and now you

1244

00:42:27,910 --> 00:42:25,599

know you you we end up meeting all these

1245

00:42:29,510 --> 00:42:27,920

people you're friends with

1246

00:42:31,190 --> 00:42:29,520

an entire community you never thought

1247

00:42:33,990 --> 00:42:31,200

you were going to be friends with and

1248

00:42:35,829 --> 00:42:34,000

you all have this one thing in common

1249

00:42:38,550 --> 00:42:35,839

and it's when you step you take a step

1250

00:42:39,270 --> 00:42:38,560

back and you look outside of the box in

1251
00:42:43,750 --> 00:42:39,280
you

1252
00:42:46,790 --> 00:42:43,760
happening for a reason because

1253
00:42:47,750 --> 00:42:46,800
everyone involved is now

1254
00:42:49,589 --> 00:42:47,760
um

1255
00:42:51,589 --> 00:42:49,599
putting something or giving something

1256
00:42:53,109 --> 00:42:51,599
back to to to the community i guess you

1257
00:42:55,589 --> 00:42:53,119
could say that is positive you

1258
00:42:56,790 --> 00:42:55,599
understand it's like i feel like we're

1259
00:43:00,470 --> 00:42:56,800
we've gotten

1260
00:43:02,309 --> 00:43:00,480
phenomenon our understanding of all of

1261
00:43:03,510 --> 00:43:02,319
this unknown stuff that for many years

1262
00:43:06,550 --> 00:43:03,520
you know we always thought was just

1263
00:43:08,390 --> 00:43:06,560

[h__h] and now we're to a point where

1264

00:43:09,750 --> 00:43:08,400

people like little people like us that

1265

00:43:11,670 --> 00:43:09,760

that never thought we would have been in

1266

00:43:14,470 --> 00:43:11,680

this position are making more of a

1267

00:43:16,790 --> 00:43:14,480

change than any major government or

1268

00:43:17,750 --> 00:43:16,800

military or anything like that you know

1269

00:43:19,750 --> 00:43:17,760

you know

1270

00:43:21,990 --> 00:43:19,760

we're reaching people better than anyone

1271

00:43:24,069 --> 00:43:22,000

else at any point in time before you

1272

00:43:26,390 --> 00:43:24,079

know yeah and like it makes me think

1273

00:43:28,630 --> 00:43:26,400

like kind of getting back to like yours

1274

00:43:30,630 --> 00:43:28,640

or your your question there is

1275

00:43:32,550 --> 00:43:30,640

when i'm off the ranch now

1276

00:43:34,390 --> 00:43:32,560

now that i've been there for years

1277

00:43:35,670 --> 00:43:34,400

i've had experiences where something

1278

00:43:37,910 --> 00:43:35,680

happens

1279

00:43:40,950 --> 00:43:37,920

and i i specifically get that feeling of

1280

00:43:41,750 --> 00:43:40,960

hey when you coming back you know

1281

00:43:44,950 --> 00:43:41,760

and

1282

00:43:47,190 --> 00:43:44,960

it's like one of our jokes too is

1283

00:43:48,309 --> 00:43:47,200

the the ranch is like this mafia where

1284

00:43:51,109 --> 00:43:48,319

you can't get out you're never gonna

1285

00:43:55,109 --> 00:43:53,270

we have these i i have things hap i've

1286

00:43:56,550 --> 00:43:55,119

had things happen at my house i've i've

1287

00:43:58,230 --> 00:43:56,560

witnessed stuff

1288

00:44:00,069 --> 00:43:58,240

you know that

1289

00:44:02,630 --> 00:44:00,079

i can't explain and and the only thing

1290

00:44:04,069 --> 00:44:02,640

that makes sense is that some like we

1291

00:44:06,150 --> 00:44:04,079

talked about this hitchhiker effect from

1292

00:44:07,990 --> 00:44:06,160

the ranch and something followed me home

1293

00:44:11,030 --> 00:44:08,000

or it was already there waiting for me i

1294

00:44:11,829 --> 00:44:11,040

i don't know that is so bizarre i was

1295

00:44:15,109 --> 00:44:11,839

like

1296

00:44:17,349 --> 00:44:15,119

i'm going to ask him if he said any

1297

00:44:18,950 --> 00:44:17,359

hitchhikers yeah

1298

00:44:20,790 --> 00:44:18,960

and i get back and that's exactly what

1299

00:44:22,069 --> 00:44:20,800

you're talking about yeah that's that's

1300

00:44:23,109 --> 00:44:22,079

why that was one of the reasons why i

1301
00:44:23,829 --> 00:44:23,119
asked the question because i wanted to

1302
00:44:26,150 --> 00:44:23,839
see

1303
00:44:28,630 --> 00:44:26,160
you know what happens outside how your

1304
00:44:30,390 --> 00:44:28,640
life was affected outside yeah you know

1305
00:44:31,990 --> 00:44:30,400
and that's the thing is i can tell you

1306
00:44:33,270 --> 00:44:32,000
that there have been people who've come

1307
00:44:34,710 --> 00:44:33,280
to the ranch who will never come back

1308
00:44:36,710 --> 00:44:34,720
because they had such a powerful

1309
00:44:37,829 --> 00:44:36,720
experience and it scared them scared

1310
00:44:40,150 --> 00:44:37,839
lack for the better words scared the

1311
00:44:41,510 --> 00:44:40,160
[h__h] out of them yeah um

1312
00:44:43,349 --> 00:44:41,520
and then

1313
00:44:45,030 --> 00:44:43,359

and and yeah people asked have asked you

1314

00:44:47,109 --> 00:44:45,040

know tom specifically with what happened

1315

00:44:48,390 --> 00:44:47,119

with his head why he keeps going back

1316

00:44:49,670 --> 00:44:48,400

and that you know that's kind of where

1317

00:44:52,150 --> 00:44:49,680

the joke came from is it's like the

1318

00:44:53,510 --> 00:44:52,160

mafia can't get out um because it just

1319

00:44:54,470 --> 00:44:53,520

follows you home

1320

00:44:58,309 --> 00:44:54,480

and

1321

00:45:00,069 --> 00:44:58,319

our attitude as a group is

1322

00:45:01,270 --> 00:45:00,079

we want to know what's going on why this

1323

00:45:03,030 --> 00:45:01,280

is happening

1324

00:45:04,550 --> 00:45:03,040

especially when we have things like that

1325

00:45:05,829 --> 00:45:04,560

happen

1326

00:45:07,270 --> 00:45:05,839

because

1327

00:45:08,390 --> 00:45:07,280

if it's going to affect other people we

1328

00:45:09,270 --> 00:45:08,400

want to know if there's a way we can

1329

00:45:12,230 --> 00:45:09,280

maybe

1330

00:45:14,230 --> 00:45:12,240

help protect or stop it from happening

1331

00:45:15,990 --> 00:45:14,240

and or stop these negative things from

1332

00:45:17,670 --> 00:45:16,000

happening if you will

1333

00:45:19,829 --> 00:45:17,680

i'm not going to say that we're going to

1334

00:45:21,829 --> 00:45:19,839

be able to do that who knows you know

1335

00:45:24,309 --> 00:45:21,839

there's so many unknowns out here in it

1336

00:45:27,670 --> 00:45:24,319

and that's what's crazy

1337

00:45:29,750 --> 00:45:27,680

and and yeah so it and as well

1338

00:45:33,270 --> 00:45:29,760

drive equipment it'll drive everything

1339

00:45:34,550 --> 00:45:33,280

ever bring an exorcist by no and i don't

1340

00:45:35,750 --> 00:45:34,560

think that's

1341

00:45:38,309 --> 00:45:35,760

i don't know if that's something that

1342

00:45:39,910 --> 00:45:38,319

we'd we'd look at because because again

1343

00:45:41,430 --> 00:45:39,920

like we're trying to

1344

00:45:43,430 --> 00:45:41,440

with the approach that we're having with

1345

00:45:45,349 --> 00:45:43,440

the ranch we are trying to keep it more

1346

00:45:47,190 --> 00:45:45,359

in that scientific

1347

00:45:53,030 --> 00:45:47,200

sure viewpoint you know you don't have

1348

00:45:56,950 --> 00:45:55,270

i guess uh to my knowledge

1349

00:45:58,710 --> 00:45:56,960

there we haven't had anything like that

1350

00:46:00,230 --> 00:45:58,720

happen though sure just curious am i

1351

00:46:01,750 --> 00:46:00,240

right in saying that a lot of the data

1352

00:46:04,150 --> 00:46:01,760

going forward is going to start coming

1353

00:46:07,030 --> 00:46:04,160

out on a more public front through the

1354

00:46:07,750 --> 00:46:07,040

official website and things like that um

1355

00:46:11,349 --> 00:46:07,760

i

1356

00:46:13,349 --> 00:46:11,359

and that's always been the plan as we

1357

00:46:14,710 --> 00:46:13,359

want as much information out there as we

1358

00:46:16,390 --> 00:46:14,720

can um

1359

00:46:18,390 --> 00:46:16,400

you know say like eric and travis

1360

00:46:22,470 --> 00:46:18,400

specifically like they have mounds of

1361

00:46:24,950 --> 00:46:22,480

data yeah and eric has done um he i know

1362

00:46:27,030 --> 00:46:24,960

he did one study back in 2016 where i

1363

00:46:28,870 --> 00:46:27,040

can't remember however many pages it was

1364

00:46:30,710 --> 00:46:28,880

but he he brought forth a lot of really

1365

00:46:32,790 --> 00:46:30,720

cool information

1366

00:46:35,109 --> 00:46:32,800

and i don't know where that's at or

1367

00:46:36,790 --> 00:46:35,119

where that information is at currently

1368

00:46:38,470 --> 00:46:36,800

but that is something that i know that's

1369

00:46:39,589 --> 00:46:38,480

one of the big conversations is how can

1370

00:46:41,670 --> 00:46:39,599

we get

1371

00:46:43,430 --> 00:46:41,680

the most amount of information out there

1372

00:46:44,790 --> 00:46:43,440

and should really show people what we're

1373

00:46:46,150 --> 00:46:44,800

what we're doing

1374

00:46:48,550 --> 00:46:46,160

um and again like that was a

1375

00:46:50,390 --> 00:46:48,560

conversation even before the show it was

1376

00:46:52,150 --> 00:46:50,400

even a uh

1377

00:46:54,069 --> 00:46:52,160

you know an idea

1378

00:46:55,990 --> 00:46:54,079

because again that was kind of uh that

1379

00:46:57,589 --> 00:46:56,000

was somebody that just happened to send

1380

00:46:59,270 --> 00:46:57,599

the right email or

1381

00:47:01,510 --> 00:46:59,280

was able to make the right connection

1382

00:47:02,870 --> 00:47:01,520

was with somebody on the team and and it

1383

00:47:05,430 --> 00:47:02,880

moved from there

1384

00:47:07,109 --> 00:47:05,440

uh that wasn't that was never a goal and

1385

00:47:09,190 --> 00:47:07,119

i you know and i can tell that i can

1386

00:47:11,109 --> 00:47:09,200

tell you that you know i've seen some

1387

00:47:13,349 --> 00:47:11,119

allegations that brandon's made all this

1388

00:47:15,829 --> 00:47:13,359

money i i can tell you that he hasn't

1389

00:47:17,750 --> 00:47:15,839

he he hasn't taken a penny from the tv

1390

00:47:20,390 --> 00:47:17,760

show you know he doesn't need to he's a

1391

00:47:22,230 --> 00:47:20,400

very successful real estate agent

1392

00:47:24,710 --> 00:47:22,240

you know and that's and i think that's

1393

00:47:25,750 --> 00:47:24,720

one of the things is that's brandon is a

1394

00:47:29,030 --> 00:47:25,760

really

1395

00:47:31,190 --> 00:47:29,040

um

1396

00:47:33,829 --> 00:47:31,200

and i've been around him enough to know

1397

00:47:36,309 --> 00:47:33,839

that you know he wants to show

1398

00:47:38,069 --> 00:47:36,319

information and be truthful and things

1399

00:47:39,270 --> 00:47:38,079

like that and that's what we are trying

1400

00:47:40,790 --> 00:47:39,280

to do that

1401

00:47:42,549 --> 00:47:40,800

yeah he does he does he does go out of

1402

00:47:43,430 --> 00:47:42,559

his way to

1403

00:47:45,589 --> 00:47:43,440

um

1404

00:47:47,670 --> 00:47:45,599

talk on social media as well and answer

1405

00:47:49,990 --> 00:47:47,680

questions yeah and i must say always in

1406

00:47:50,710 --> 00:47:50,000

a very eloquent way as well even against

1407

00:47:52,870 --> 00:47:50,720

the

1408

00:47:56,230 --> 00:47:52,880

harshest of trolls shall we say he's

1409

00:47:58,069 --> 00:47:56,240

he's very very uh reserved and

1410

00:47:59,750 --> 00:47:58,079

doesn't it's his confidence

1411

00:48:01,589 --> 00:47:59,760

yeah it is but you know he doesn't owe

1412

00:48:03,510 --> 00:48:01,599

anyone anything can and the few times he

1413

00:48:05,030 --> 00:48:03,520

has alluded to the fact that they are

1414

00:48:07,510 --> 00:48:05,040

going to try and release data in the

1415

00:48:08,790 --> 00:48:07,520

future like fair play you know he

1416

00:48:10,390 --> 00:48:08,800

doesn't owe it to anyone but he's

1417

00:48:12,230 --> 00:48:10,400

willing to be transparent and that says

1418

00:48:14,230 --> 00:48:12,240

a lot yeah and and you know and that's

1419

00:48:15,990 --> 00:48:14,240

the big thing is this is

1420

00:48:17,750 --> 00:48:16,000

private property essentially and and

1421

00:48:19,270 --> 00:48:17,760

brandon's the owner and

1422

00:48:21,670 --> 00:48:19,280

we're all out there trying to fulfill a

1423

00:48:23,829 --> 00:48:21,680

role in and brett you know and we love

1424

00:48:26,230 --> 00:48:23,839

and respect brandon and

1425

00:48:27,910 --> 00:48:26,240

you know i do anything for him

1426
00:48:29,430 --> 00:48:27,920
because you show me that that's the kind

1427
00:48:31,030 --> 00:48:29,440
of he's the kind of guy i like being

1428
00:48:32,950 --> 00:48:31,040
around because of his standards and

1429
00:48:35,190 --> 00:48:32,960
because of who he is

1430
00:48:36,710 --> 00:48:35,200
um and that's goes for the rest of the

1431
00:48:38,150 --> 00:48:36,720
team too i've

1432
00:48:39,990 --> 00:48:38,160
you know i've spent enough time with

1433
00:48:41,910 --> 00:48:40,000
these guys and have gone through

1434
00:48:43,510 --> 00:48:41,920
you know like travis and i saw

1435
00:48:45,030 --> 00:48:43,520
travis and i saw something i can't

1436
00:48:46,230 --> 00:48:45,040
explain

1437
00:48:48,630 --> 00:48:46,240
you know

1438
00:48:49,910 --> 00:48:48,640

and the only reason we were we're so

1439

00:48:51,349 --> 00:48:49,920

willing to talk about that is because

1440

00:48:52,069 --> 00:48:51,359

both of us saw it

1441

00:48:54,470 --> 00:48:52,079

yeah

1442

00:48:55,430 --> 00:48:54,480

you know and and and that's powerful

1443

00:48:57,270 --> 00:48:55,440

that

1444

00:48:58,870 --> 00:48:57,280

i was with another individual of his

1445

00:49:01,349 --> 00:48:58,880

caliber that saw this and we were both

1446

00:49:02,390 --> 00:49:01,359

like holy crap

1447

00:49:04,069 --> 00:49:02,400

and

1448

00:49:05,349 --> 00:49:04,079

there's other things that we're willing

1449

00:49:08,069 --> 00:49:05,359

to talk about because we do have the

1450

00:49:09,750 --> 00:49:08,079

evidence there and it is hard

1451

00:49:10,870 --> 00:49:09,760

talking about some other things that

1452

00:49:12,790 --> 00:49:10,880

we've had happen out there because

1453

00:49:14,470 --> 00:49:12,800

there's no evidence there's no it was

1454

00:49:17,190 --> 00:49:14,480

you know like tom was by himself i was

1455

00:49:19,670 --> 00:49:17,200

by myself eric was by himself yeah you

1456

00:49:22,069 --> 00:49:19,680

know that that is it's hard to talk

1457

00:49:23,910 --> 00:49:22,079

about experiences in that realm because

1458

00:49:25,030 --> 00:49:23,920

people are like oh you know they

1459

00:49:26,150 --> 00:49:25,040

we don't want people think we're just

1460

00:49:27,589 --> 00:49:26,160

trying to make something up you know

1461

00:49:29,030 --> 00:49:27,599

just to sure

1462

00:49:31,190 --> 00:49:29,040

one thing that really stood out for me

1463

00:49:32,950 --> 00:49:31,200

was towards the end it might have been

1464

00:49:35,349 --> 00:49:32,960

at the end of the last season was the

1465

00:49:37,589 --> 00:49:35,359

helicopter incident yeah have you have

1466

00:49:39,430 --> 00:49:37,599

you been on the helicopter at all yes i

1467

00:49:41,109 --> 00:49:39,440

i have been on the helicopter before i

1468

00:49:42,870 --> 00:49:41,119

have and i you know i was on a

1469

00:49:44,230 --> 00:49:42,880

helicopter in the military at one point

1470

00:49:47,109 --> 00:49:44,240

and things like that i've been around

1471

00:49:49,589 --> 00:49:47,119

them and again we use helicopter assets

1472

00:49:51,109 --> 00:49:49,599

in law enforcement lot as well i'm i

1473

00:49:53,430 --> 00:49:51,119

haven't seen anything like that and to

1474

00:49:55,270 --> 00:49:53,440

my knowledge none of the pilots that i

1475

00:49:56,710 --> 00:49:55,280

know have experienced anything like that

1476
00:49:58,150 --> 00:49:56,720
would you mind just talking us through

1477
00:50:00,150 --> 00:49:58,160
it briefly for anyone that may not be

1478
00:50:02,069 --> 00:50:00,160
aware of what actually happened yeah so

1479
00:50:04,150 --> 00:50:02,079
one of our experiments is

1480
00:50:07,430 --> 00:50:04,160
um we have the triangle area on the

1481
00:50:10,950 --> 00:50:07,440
ranch and one of the theories is and one

1482
00:50:16,710 --> 00:50:14,309
is um

1483
00:50:18,950 --> 00:50:16,720
there's an area a thousand feet to five

1484
00:50:20,309 --> 00:50:18,960
thousand feet above the ranch

1485
00:50:23,750 --> 00:50:20,319
that

1486
00:50:25,990 --> 00:50:23,760
there and one of the ideas was to have

1487
00:50:28,870 --> 00:50:26,000
the helicopter go through and fly

1488
00:50:32,150 --> 00:50:28,880

through and do like a push broom pattern

1489

00:50:33,670 --> 00:50:32,160

or or do a cyclical pattern through this

1490

00:50:35,349 --> 00:50:33,680

area and see what kind of readings and

1491

00:50:37,349 --> 00:50:35,359

stuff that we could get

1492

00:50:39,510 --> 00:50:37,359

and essentially what happened is there's

1493

00:50:40,710 --> 00:50:39,520

this piece of equipment on the the

1494

00:50:43,270 --> 00:50:40,720

helicopter

1495

00:50:44,710 --> 00:50:43,280

that you you

1496

00:50:46,790 --> 00:50:44,720

for lack of a better word you're you're

1497

00:50:48,790 --> 00:50:46,800

putting your your life and your safety

1498

00:50:50,549 --> 00:50:48,800

in on this you're you're relying on this

1499

00:50:52,549 --> 00:50:50,559

piece of equipment because at a certain

1500

00:50:54,470 --> 00:50:52,559

level i think it's a thousand feet it's

1501
00:50:56,950 --> 00:50:54,480
supposed to pick up

1502
00:50:58,549 --> 00:50:56,960
where the where any eye or any objects

1503
00:51:00,710 --> 00:50:58,559
are below you

1504
00:51:02,470 --> 00:51:00,720
and when they're 5 000 feet above well i

1505
00:51:05,349 --> 00:51:02,480
think they're actually like 4 800 feet

1506
00:51:07,589 --> 00:51:05,359
they they didn't really quite hit 5 000

1507
00:51:09,829 --> 00:51:07,599
as they were heading to that apex of

1508
00:51:11,030 --> 00:51:09,839
5000 feet there was an

1509
00:51:12,630 --> 00:51:11,040
object

1510
00:51:14,790 --> 00:51:12,640
that was picked up

1511
00:51:17,670 --> 00:51:14,800
underneath the helicopter and i think

1512
00:51:20,870 --> 00:51:17,680
the closest it got was 38 feet

1513
00:51:23,349 --> 00:51:20,880

wow um and and what what people really

1514

00:51:25,510 --> 00:51:23,359

didn't see in the television show is

1515

00:51:28,150 --> 00:51:25,520

cameron what started flying pretty

1516

00:51:30,549 --> 00:51:28,160

aggressively he was doing all sorts of

1517

00:51:32,710 --> 00:51:30,559

crazy maneuvers trying to get away

1518

00:51:35,030 --> 00:51:32,720

potentially away from whatever this was

1519

00:51:37,510 --> 00:51:35,040

and it stayed with him the whole time

1520

00:51:40,230 --> 00:51:37,520

wow and it was going anywhere from 38 to

1521

00:51:43,670 --> 00:51:42,309

yeah you know it was and there was

1522

00:51:45,109 --> 00:51:43,680

nothing there obviously we were looking

1523

00:51:47,109 --> 00:51:45,119

there and you know

1524

00:51:49,510 --> 00:51:47,119

some of the cameras from that were

1525

00:51:51,349 --> 00:51:49,520

attached let uh to the helicopter itself

1526

00:51:52,630 --> 00:51:51,359

for showing some things

1527

00:51:54,950 --> 00:51:52,640

um

1528

00:51:56,950 --> 00:51:54,960

and at one point there was a weird

1529

00:51:59,030 --> 00:51:56,960

um

1530

00:52:00,630 --> 00:51:59,040

like shimmering if you will from one of

1531

00:52:02,549 --> 00:52:00,640

the camera angles and i

1532

00:52:04,390 --> 00:52:02,559

and what that was is we have this camera

1533

00:52:06,470 --> 00:52:04,400

that was a circular

1534

00:52:07,990 --> 00:52:06,480

and and that shimmering or whatever is

1535

00:52:09,109 --> 00:52:08,000

where the camera was coming back in on

1536

00:52:11,270 --> 00:52:09,119

itself

1537

00:52:12,230 --> 00:52:11,280

so there are things that

1538

00:52:14,790 --> 00:52:12,240

you know

1539

00:52:17,430 --> 00:52:14,800

we can account for but this object

1540

00:52:19,510 --> 00:52:17,440

underneath the helicopter we couldn't

1541

00:52:20,630 --> 00:52:19,520

and you know we had everybody was on the

1542

00:52:22,309 --> 00:52:20,640

ground looking up at the scene we

1543

00:52:24,390 --> 00:52:22,319

couldn't see anything

1544

00:52:26,309 --> 00:52:24,400

and this is cameron brandon's brother on

1545

00:52:28,710 --> 00:52:26,319

my right who's a very experienced i

1546

00:52:30,069 --> 00:52:28,720

don't have any can you guys

1547

00:52:30,870 --> 00:52:30,079

hear anybody

1548

00:52:38,650 --> 00:52:30,880

oh

1549

00:52:43,750 --> 00:52:39,100

[Music]

1550

00:52:46,710 --> 00:52:45,589

if you guys can hear me i can't hear you

1551

00:52:49,510 --> 00:52:46,720

guys

1552

00:52:52,790 --> 00:52:49,520

my screen just went black

1553

00:52:58,870 --> 00:52:56,390

[h__\h] skin walker after your ass

1554

00:53:00,630 --> 00:52:58,880

any better

1555

00:53:02,950 --> 00:53:00,640

no can you guys hear me

1556

00:53:05,109 --> 00:53:02,960

yeah i can hear you you can hear me i i

1557

00:53:07,190 --> 00:53:05,119

still can't hear you guys this is weird

1558

00:53:09,670 --> 00:53:07,200

refresh your browser maybe

1559

00:53:11,750 --> 00:53:09,680

yeah let me refresh google yeah let me

1560

00:53:15,430 --> 00:53:11,760

see if i can come back in

1561

00:53:17,589 --> 00:53:15,440

let me go out and see if i can oh man

1562

00:53:19,270 --> 00:53:17,599

the curse of skinwalker how does that

1563

00:53:22,069 --> 00:53:19,280

make you good like how does that make

1564

00:53:23,510 --> 00:53:22,079

you feel like something like this exists

1565

00:53:25,270 --> 00:53:23,520

on our country

1566

00:53:28,870 --> 00:53:25,280

and it's so

1567

00:53:30,309 --> 00:53:28,880

bizarre with no seemingly you know not a

1568

00:53:33,109 --> 00:53:30,319

clear answer

1569

00:53:34,549 --> 00:53:33,119

but there's obviously something there

1570

00:53:35,990 --> 00:53:34,559

like putting the context of you and your

1571

00:53:39,589 --> 00:53:36,000

life in your place in this world like

1572

00:53:41,190 --> 00:53:39,599

how does that make you feel you know

1573

00:53:42,790 --> 00:53:41,200

i don't know man

1574

00:53:44,470 --> 00:53:42,800

like i was saying i think earlier on

1575

00:53:46,390 --> 00:53:44,480

it's one of these

1576

00:53:48,630 --> 00:53:46,400

topics within ufology that's on the

1577

00:53:50,870 --> 00:53:48,640

outskirts that i still feel connected to

1578

00:53:51,589 --> 00:53:50,880

can you hear us yeah there you are

1579

00:53:52,420 --> 00:53:51,599

nice

1580

00:53:54,390 --> 00:53:52,430

that was so weird

1581

00:53:57,030 --> 00:53:54,400

[Laughter]

1582

00:53:59,270 --> 00:53:57,040

no your face

1583

00:54:01,030 --> 00:53:59,280

your face went like completely pale and

1584

00:54:02,390 --> 00:54:01,040

then came back to color

1585

00:54:05,670 --> 00:54:02,400

yeah like

1586

00:54:07,030 --> 00:54:05,680

i'm serious if you as soon as i started

1587

00:54:09,510 --> 00:54:07,040

yeah as soon as i started talking about

1588

00:54:10,710 --> 00:54:09,520

this my all your guys's screens went

1589

00:54:12,870 --> 00:54:10,720

black and

1590

00:54:14,470 --> 00:54:12,880

i was like what the heck's going on like

1591

00:54:16,390 --> 00:54:14,480

it was

1592

00:54:19,270 --> 00:54:16,400

i don't know maybe maybe it's the ranch

1593

00:54:23,190 --> 00:54:21,990

okay so okay so i'm glad you're back in

1594

00:54:27,670 --> 00:54:23,200

that

1595

00:54:28,790 --> 00:54:27,680

sean just asked how we felt about it and

1596

00:54:30,870 --> 00:54:28,800

i was just saying this is one of the

1597

00:54:33,349 --> 00:54:30,880

topics within ufology and that that is

1598

00:54:35,750 --> 00:54:33,359

slightly on the outskirts but i still

1599

00:54:37,190 --> 00:54:35,760

feel connected to it i can't let it go

1600

00:54:39,190 --> 00:54:37,200

you know it's

1601
00:54:40,549 --> 00:54:39,200
you know through my nuts and bolts past

1602
00:54:42,870 --> 00:54:40,559
i've become more open to the

1603
00:54:44,630 --> 00:54:42,880
consciousness and other aspects but

1604
00:54:46,870 --> 00:54:44,640
skinwalker with

1605
00:54:48,710 --> 00:54:46,880
you know regards to the cryptids and all

1606
00:54:51,349 --> 00:54:48,720
the other kind of legends through the

1607
00:54:53,510 --> 00:54:51,359
the utes and that i can't seem to let it

1608
00:54:55,750 --> 00:54:53,520
go i you know it really draws me in and

1609
00:54:57,349 --> 00:54:55,760
it has them for years now so

1610
00:55:00,069 --> 00:54:57,359
yeah it's it's it's incredible it's a

1611
00:55:01,030 --> 00:55:00,079
magnet almost right yeah oh absolutely

1612
00:55:04,309 --> 00:55:01,040
yeah

1613
00:55:06,470 --> 00:55:04,319

there's so many people who've had

1614

00:55:08,230 --> 00:55:06,480

experiences like that that you know we

1615

00:55:10,630 --> 00:55:08,240

have people in the community come up and

1616

00:55:11,510 --> 00:55:10,640

these are people who are businessmen

1617

00:55:13,270 --> 00:55:11,520

these are

1618

00:55:15,829 --> 00:55:13,280

people who would you would never think

1619

00:55:17,430 --> 00:55:15,839

would be involved in anything like this

1620

00:55:19,670 --> 00:55:17,440

you know and and there's been

1621

00:55:22,069 --> 00:55:19,680

astigmatism with ufos and things like

1622

00:55:23,030 --> 00:55:22,079

that you know especially for the last 50

1623

00:55:25,349 --> 00:55:23,040

years and

1624

00:55:27,349 --> 00:55:25,359

and i i and you know that is where

1625

00:55:29,190 --> 00:55:27,359

there's people need to understand like

1626
00:55:30,630 --> 00:55:29,200
what eric and travis are really laying

1627
00:55:32,230 --> 00:55:30,640
on the line here with their reputations

1628
00:55:34,390 --> 00:55:32,240
and what they're you know they're

1629
00:55:36,789 --> 00:55:34,400
willing to delve into this kind of in

1630
00:55:39,430 --> 00:55:36,799
into this realm if you will

1631
00:55:40,309 --> 00:55:39,440
but again we're having so many people

1632
00:55:42,069 --> 00:55:40,319
that

1633
00:55:43,510 --> 00:55:42,079
have had experiences and it's not just

1634
00:55:45,190 --> 00:55:43,520
in the basin that you know how many

1635
00:55:47,109 --> 00:55:45,200
people worldwide are saying they're

1636
00:55:49,430 --> 00:55:47,119
they've had something happen and

1637
00:55:50,710 --> 00:55:49,440
yeah and these are people who a lot of

1638
00:55:53,190 --> 00:55:50,720

times

1639

00:55:54,230 --> 00:55:53,200

like we we

1640

00:55:56,470 --> 00:55:54,240

people know when someone's getting

1641

00:55:58,069 --> 00:55:56,480

[h__h] right or like they're when

1642

00:56:00,150 --> 00:55:58,079

they're trying to

1643

00:56:02,549 --> 00:56:00,160

get give you a little bit more than what

1644

00:56:04,710 --> 00:56:02,559

really happened but something may have

1645

00:56:06,549 --> 00:56:04,720

actually happened but you know that

1646

00:56:08,230 --> 00:56:06,559

they're kind of

1647

00:56:10,069 --> 00:56:08,240

embellishing everybody's growing a

1648

00:56:11,349 --> 00:56:10,079

little bit more guys

1649

00:56:12,870 --> 00:56:11,359

i don't mean to cut this i'm gonna have

1650

00:56:14,309 --> 00:56:12,880

to come right back because i'm getting a

1651

00:56:15,109 --> 00:56:14,319

call from uh

1652

00:56:16,950 --> 00:56:15,119

oh

1653

00:56:18,960 --> 00:56:16,960

dude i'm getting an important phone call

1654

00:56:21,109 --> 00:56:18,970

we'll look out for you

1655

00:56:23,270 --> 00:56:21,119

[Laughter]

1656

00:56:25,430 --> 00:56:23,280

so yeah and so it's

1657

00:56:26,950 --> 00:56:25,440

yeah and that's where like me

1658

00:56:29,030 --> 00:56:26,960

and

1659

00:56:31,190 --> 00:56:29,040

how i look at it is like this is

1660

00:56:33,109 --> 00:56:31,200

whenever i tell a story that i've had

1661

00:56:34,870 --> 00:56:33,119

happen out there i i really try and

1662

00:56:35,910 --> 00:56:34,880

focus on

1663

00:56:38,549 --> 00:56:35,920

um

1664

00:56:40,950 --> 00:56:38,559

what happened and i and i try and lay it

1665

00:56:43,910 --> 00:56:40,960

out as as as much as like say a

1666

00:56:46,230 --> 00:56:43,920

testimony in court as i can just because

1667

00:56:49,109 --> 00:56:46,240

i'm i'm not going to embellish it i'm

1668

00:56:51,589 --> 00:56:49,119

just telling you what i saw how i saw it

1669

00:56:54,150 --> 00:56:51,599

and and go from there and

1670

00:56:56,309 --> 00:56:54,160

you know i don't i don't appreciate when

1671

00:56:58,390 --> 00:56:56,319

stories grow because

1672

00:57:00,870 --> 00:56:58,400

i think it takes away it does it muddies

1673

00:57:02,230 --> 00:57:00,880

the waters and i think me personally and

1674

00:57:04,549 --> 00:57:02,240

i'm sure sean as well we really

1675

00:57:06,309 --> 00:57:04,559

appreciate seeing it

1676
00:57:08,150 --> 00:57:06,319
seeing your honesty and your openness i

1677
00:57:09,510 --> 00:57:08,160
hope the chat does and this is why i

1678
00:57:12,309 --> 00:57:09,520
would like you know wanted to speak to

1679
00:57:14,870 --> 00:57:12,319
you again you know just to see the real

1680
00:57:16,870 --> 00:57:14,880
human beings behind this you know

1681
00:57:20,150 --> 00:57:16,880
just another person

1682
00:57:23,349 --> 00:57:20,160
who has no reason to lie or embellish

1683
00:57:24,950 --> 00:57:23,359
for any gain you know yeah i'm you know

1684
00:57:27,990 --> 00:57:24,960
kind of hitting back on like you know

1685
00:57:30,710 --> 00:57:28,000
i've i've seen the worse than the best

1686
00:57:32,390 --> 00:57:30,720
of a lot of people you know and

1687
00:57:33,910 --> 00:57:32,400
when you kind of go through and this is

1688
00:57:35,670 --> 00:57:33,920

where

1689

00:57:37,829 --> 00:57:35,680

law enforcement we can get crass because

1690

00:57:39,990 --> 00:57:37,839

we were around so much

1691

00:57:41,510 --> 00:57:40,000

horrible things you know hurting and

1692

00:57:43,990 --> 00:57:41,520

we're seeing what people are doing to

1693

00:57:45,910 --> 00:57:44,000

each other and yeah

1694

00:57:48,950 --> 00:57:45,920

well you you can start hating people

1695

00:57:50,789 --> 00:57:48,960

really easily um yeah but just because

1696

00:57:52,309 --> 00:57:50,799

you can start you you go in on some of

1697

00:57:54,630 --> 00:57:52,319

this stuff and you just see things and

1698

00:57:56,230 --> 00:57:54,640

you start going what what's

1699

00:57:59,030 --> 00:57:56,240

it's not worth

1700

00:58:00,150 --> 00:57:59,040

who i am as a person to embellish things

1701

00:58:03,990 --> 00:58:00,160

or

1702

00:58:06,950 --> 00:58:04,000

grandiose and than what it was you know

1703

00:58:09,990 --> 00:58:06,960

and yeah i can get excited about stuff

1704

00:58:11,589 --> 00:58:10,000

and and makes me think but i'm not one

1705

00:58:13,670 --> 00:58:11,599

that's going to be so flamboyant about

1706

00:58:14,789 --> 00:58:13,680

how things happen just because

1707

00:58:17,349 --> 00:58:14,799

again when

1708

00:58:20,630 --> 00:58:17,359

i i guess that's not what really gets me

1709

00:58:23,990 --> 00:58:20,640

fired up as like running in on

1710

00:58:25,349 --> 00:58:24,000

you know a crazy call where someone's

1711

00:58:27,430 --> 00:58:25,359

life's in danger and you're trying to

1712

00:58:29,030 --> 00:58:27,440

make a difference you know yeah and

1713

00:58:30,710 --> 00:58:29,040

that's tempered me a little bit on some

1714

00:58:32,150 --> 00:58:30,720

stuff out there and i appreciate that

1715

00:58:34,230 --> 00:58:32,160

and then i've also had stuff out there

1716

00:58:35,589 --> 00:58:34,240

that i've gone like holy crap and this

1717

00:58:37,510 --> 00:58:35,599

is nuts

1718

00:58:39,190 --> 00:58:37,520

and that's tempered me and how i'm able

1719

00:58:40,870 --> 00:58:39,200

to view things like when i first

1720

00:58:41,910 --> 00:58:40,880

experienced

1721

00:58:43,670 --> 00:58:41,920

um

1722

00:58:45,030 --> 00:58:43,680

one of my first big experiences on the

1723

00:58:45,829 --> 00:58:45,040

ranch

1724

00:58:47,670 --> 00:58:45,839

uh

1725

00:58:49,030 --> 00:58:47,680

really helped me kind of level out you

1726

00:58:51,510 --> 00:58:49,040

know and go okay i need to be as

1727

00:58:53,270 --> 00:58:51,520

objective and and that training kicks in

1728

00:58:55,829 --> 00:58:53,280

you know where i need to be as objective

1729

00:58:57,829 --> 00:58:55,839

and try and pick up as many details as i

1730

00:58:59,910 --> 00:58:57,839

can get that many you need to get that

1731

00:59:01,349 --> 00:58:59,920

kind of training

1732

00:59:03,030 --> 00:59:01,359

right

1733

00:59:04,630 --> 00:59:03,040

and and it's like you know the first

1734

00:59:06,309 --> 00:59:04,640

couple times i've had something happen i

1735

00:59:08,069 --> 00:59:06,319

was a little i was more caught up and

1736

00:59:10,870 --> 00:59:08,079

going oh my gosh like and trying to

1737

00:59:12,870 --> 00:59:10,880

comprehend it and and do the work happen

1738

00:59:15,510 --> 00:59:12,880

it's easier for me to remain in that

1739

00:59:17,589 --> 00:59:15,520

state where i can go okay i need to

1740

00:59:18,870 --> 00:59:17,599

observe and see what else may be going

1741

00:59:20,549 --> 00:59:18,880

on because i could have something

1742

00:59:21,990 --> 00:59:20,559

happening over here and something's

1743

00:59:23,829 --> 00:59:22,000

going on behind me that one that we'd

1744

00:59:25,109 --> 00:59:23,839

never know so i'm always looking around

1745

00:59:26,950 --> 00:59:25,119

i'm always

1746

00:59:29,190 --> 00:59:26,960

you know trying to absorb as much as i

1747

00:59:30,829 --> 00:59:29,200

can and just point out things that are

1748

00:59:33,430 --> 00:59:30,839

outside the norm if you

1749

00:59:35,190 --> 00:59:33,440

will that's pretty interesting i think

1750

00:59:37,270 --> 00:59:35,200

what people should realize and i hope

1751

00:59:40,230 --> 00:59:37,280

i'm right and saying is this

1752

00:59:42,549 --> 00:59:40,240

you are security but you are involved

1753

00:59:43,510 --> 00:59:42,559

and so much more on the ranch as well

1754

00:59:44,950 --> 00:59:43,520

aren't you

1755

00:59:46,150 --> 00:59:44,960

yeah you know because people i don't

1756

00:59:47,750 --> 00:59:46,160

want people to turn around and go well

1757

00:59:49,109 --> 00:59:47,760

you spoke to a security guy kind of what

1758

00:59:51,030 --> 00:59:49,119

does he know because

1759

00:59:52,710 --> 00:59:51,040

i i think you know i've i've said spoon

1760

00:59:54,309 --> 00:59:52,720

to before and it's like you said it more

1761

00:59:55,510 --> 00:59:54,319

of a group of friends who have roles

1762

00:59:57,270 --> 00:59:55,520

within

1763

00:59:58,789 --> 00:59:57,280

so yeah

1764

01:00:01,510 --> 00:59:58,799

you know um

1765

01:00:02,870 --> 01:00:01,520

again when everyone's not there uh

1766

01:00:04,309 --> 01:00:02,880

because one of the times that most

1767

01:00:06,549 --> 01:00:04,319

people's on the ranch is when we're

1768

01:00:08,630 --> 01:00:06,559

doing our filming but we're always doing

1769

01:00:10,309 --> 01:00:08,640

some uh we're always doing experiments

1770

01:00:11,190 --> 01:00:10,319

we are always someone is always at the

1771

01:00:13,270 --> 01:00:11,200

ranch

1772

01:00:14,950 --> 01:00:13,280

uh it seems like and and then also on

1773

01:00:16,630 --> 01:00:14,960

top of that like we've said is how are

1774

01:00:18,230 --> 01:00:16,640

we affecting experiments how are we

1775

01:00:19,990 --> 01:00:18,240

affecting the results that we're getting

1776

01:00:21,910 --> 01:00:20,000

out there as as because if we're out

1777

01:00:23,990 --> 01:00:21,920

there we're affecting it somehow and so

1778

01:00:26,150 --> 01:00:24,000

there are times

1779

01:00:29,190 --> 01:00:26,160

yeah exactly and

1780

01:00:31,190 --> 01:00:29,200

we i have access to all the to a lot of

1781

01:00:32,069 --> 01:00:31,200

the camera assets on my on my phone i

1782

01:00:34,710 --> 01:00:32,079

can be

1783

01:00:36,549 --> 01:00:34,720

uh visiting my family you know in a

1784

01:00:38,789 --> 01:00:36,559

different state and pull up my the

1785

01:00:40,230 --> 01:00:38,799

security cameras and see what's going on

1786

01:00:42,630 --> 01:00:40,240

um and

1787

01:00:44,549 --> 01:00:42,640

you know and one man can't do everything

1788

01:00:45,990 --> 01:00:44,559

and so i you know and so i'm helping

1789

01:00:47,670 --> 01:00:46,000

eric in a lot of

1790

01:00:49,670 --> 01:00:47,680

uh going through the video footage and

1791

01:00:52,470 --> 01:00:49,680

things like that and i'm helping in

1792

01:00:53,990 --> 01:00:52,480

other ways and and tom he's he's taken

1793

01:00:56,549 --> 01:00:54,000

on different roles he'll go through

1794

01:00:58,390 --> 01:00:56,559

camera footage you know like we're all

1795

01:00:59,910 --> 01:00:58,400

doing things and we're we're all a part

1796

01:01:02,950 --> 01:00:59,920

of this and we're all helping out you

1797

01:01:05,190 --> 01:01:02,960

know if there's a repair on the ranch

1798

01:01:07,190 --> 01:01:05,200

bryant is very handy like he's a penny

1799

01:01:09,270 --> 01:01:07,200

man too he'll go out and he'll build

1800

01:01:10,950 --> 01:01:09,280

something that to help fix something on

1801
01:01:12,150 --> 01:01:10,960
the ranch you know like we we're all we

1802
01:01:13,270 --> 01:01:12,160
all have these different skills and

1803
01:01:14,549 --> 01:01:13,280
these different assets and we're all

1804
01:01:15,349 --> 01:01:14,559
bringing these to the table we're not

1805
01:01:19,270 --> 01:01:15,359
just

1806
01:01:21,270 --> 01:01:19,280
the front gate twiddling my thumbs like

1807
01:01:24,150 --> 01:01:21,280
taking a nap you know just

1808
01:01:24,950 --> 01:01:24,160
twirling the gun on your finger right

1809
01:01:26,789 --> 01:01:24,960
yeah

1810
01:01:28,470 --> 01:01:26,799
give a quick shout out to lara

1811
01:01:30,630 --> 01:01:28,480
sunderland bennett thank you so much for

1812
01:01:32,710 --> 01:01:30,640
the super chat says thank you gentlemen

1813
01:01:35,349 --> 01:01:32,720

for such a great discussion thank you

1814

01:01:36,789 --> 01:01:35,359

we're glad that you appreciate it um

1815

01:01:39,270 --> 01:01:36,799

one thing i would like to talk about

1816

01:01:41,270 --> 01:01:39,280

caleb is phenomicon which happened a

1817

01:01:43,910 --> 01:01:41,280

couple of weekends ago can you tell us

1818

01:01:46,470 --> 01:01:43,920

about that so i wasn't as involved as

1819

01:01:47,349 --> 01:01:46,480

some of the other guys uh i did partake

1820

01:01:48,870 --> 01:01:47,359

in the

1821

01:01:49,990 --> 01:01:48,880

the panel that we had there and that was

1822

01:01:52,150 --> 01:01:50,000

really fun

1823

01:01:53,670 --> 01:01:52,160

uh and we you know we were just asking

1824

01:01:55,029 --> 01:01:53,680

open questions like this where people

1825

01:01:57,430 --> 01:01:55,039

would ask this question then we as a

1826

01:01:59,349 --> 01:01:57,440

team would answer it and you know we it

1827

01:02:01,109 --> 01:01:59,359

was i from what i could see it was very

1828

01:02:03,510 --> 01:02:01,119

successful and we're hoping to do it

1829

01:02:04,870 --> 01:02:03,520

again um there was a lot of different

1830

01:02:06,630 --> 01:02:04,880

speakers and a lot of different things

1831

01:02:07,589 --> 01:02:06,640

there and i've you know and it's one of

1832

01:02:09,510 --> 01:02:07,599

the things that we're trying to show

1833

01:02:10,710 --> 01:02:09,520

that the basin has a lot to offer yeah

1834

01:02:12,309 --> 01:02:10,720

um

1835

01:02:14,150 --> 01:02:12,319

outside of the ranch like there's a lot

1836

01:02:16,309 --> 01:02:14,160

of areas out here and from what i've

1837

01:02:18,230 --> 01:02:16,319

heard that it's a lot of people want to

1838

01:02:20,390 --> 01:02:18,240

come back and we're we're excited to

1839

01:02:21,510 --> 01:02:20,400

hopefully do that again and it was

1840

01:02:22,950 --> 01:02:21,520

really fun to

1841

01:02:24,230 --> 01:02:22,960

be a part of that and

1842

01:02:25,829 --> 01:02:24,240

there's a lot of great people out there

1843

01:02:27,270 --> 01:02:25,839

that we were able to meet

1844

01:02:29,430 --> 01:02:27,280

yeah it seems like a very community

1845

01:02:30,470 --> 01:02:29,440

driven area as well where everyone comes

1846

01:02:32,710 --> 01:02:30,480

together

1847

01:02:34,150 --> 01:02:32,720

i'm a good friend of mine carl viber i

1848

01:02:36,309 --> 01:02:34,160

think you probably are speaking to

1849

01:02:37,510 --> 01:02:36,319

tomorrow if i'm right uh i think i'm

1850

01:02:39,510 --> 01:02:37,520

actually speaking with him at six

1851
01:02:41,589 --> 01:02:39,520
tonight so oh is it tonight okay my

1852
01:02:43,109 --> 01:02:41,599
apologies yeah crazy night

1853
01:02:45,109 --> 01:02:43,119
such a good guy but i don't know i'd

1854
01:02:47,190 --> 01:02:45,119
love to talk to you as well on my show

1855
01:02:49,910 --> 01:02:47,200
oh yeah i gotta throw that out there oh

1856
01:02:51,589 --> 01:02:49,920
yeah i'd be more than willing to talk to

1857
01:02:52,549 --> 01:02:51,599
you and get to know you better sean so

1858
01:02:54,950 --> 01:02:52,559
sweet

1859
01:02:56,470 --> 01:02:54,960
yeah yeah so what i got from some videos

1860
01:02:57,990 --> 01:02:56,480
kyle's already put out that it's it's

1861
01:03:00,470 --> 01:02:58,000
just such a beautiful place the

1862
01:03:03,109 --> 01:03:00,480
community are very open and

1863
01:03:05,910 --> 01:03:03,119

yeah it's a good place skin walker ranch

1864

01:03:07,829 --> 01:03:05,920

or not it's just you know awesome

1865

01:03:09,670 --> 01:03:07,839

yeah it's you know we have there's a lot

1866

01:03:11,510 --> 01:03:09,680

of diversity in the the basin if you

1867

01:03:12,870 --> 01:03:11,520

will and i think we i think i touched on

1868

01:03:14,549 --> 01:03:12,880

this a little bit and last time we

1869

01:03:17,029 --> 01:03:14,559

talked you know there's so many other

1870

01:03:17,829 --> 01:03:17,039

things out here yeah you have all these

1871

01:03:21,349 --> 01:03:17,839

uh

1872

01:03:22,950 --> 01:03:21,359

roads gold mine

1873

01:03:25,270 --> 01:03:22,960

there's a lot of gold stories there's a

1874

01:03:26,870 --> 01:03:25,280

lot of stories with the butch cassidy

1875

01:03:29,190 --> 01:03:26,880

and the sundance kid this was the area

1876

01:03:31,270 --> 01:03:29,200

that they were running around

1877

01:03:32,789 --> 01:03:31,280

you have uh stories of buffalo soldiers

1878

01:03:34,710 --> 01:03:32,799

you you have a buffalo soldiers are

1879

01:03:37,589 --> 01:03:34,720

buried there yeah there's there's all

1880

01:03:40,069 --> 01:03:37,599

this awesome american west

1881

01:03:41,990 --> 01:03:40,079

uh history out here you know

1882

01:03:43,270 --> 01:03:42,000

and it's and again that's kind of

1883

01:03:45,829 --> 01:03:43,280

something that i grew up with up in

1884

01:03:48,150 --> 01:03:45,839

southeast idaho there's a lot of

1885

01:03:50,870 --> 01:03:48,160

western and a lot of stories up in these

1886

01:03:53,270 --> 01:03:50,880

areas especially like the mining and

1887

01:03:55,270 --> 01:03:53,280

uh the mining towns and and the ghost

1888

01:03:57,190 --> 01:03:55,280

towns up in idaho and stuff and that's a

1889

01:03:59,029 --> 01:03:57,200

lot down here too is the american west

1890

01:04:01,510 --> 01:03:59,039

is so vibrant in so much history that

1891

01:04:04,069 --> 01:04:01,520

happened you know in such a short amount

1892

01:04:07,029 --> 01:04:04,079

of time really yeah yeah and so there's

1893

01:04:08,549 --> 01:04:07,039

a lot of stuff out here not just the the

1894

01:04:10,390 --> 01:04:08,559

ufo and

1895

01:04:11,990 --> 01:04:10,400

you know

1896

01:04:13,510 --> 01:04:12,000

well whatever's behind it all could be

1897

01:04:14,470 --> 01:04:13,520

the reason there's a lot of stuff out

1898

01:04:15,589 --> 01:04:14,480

there

1899

01:04:18,069 --> 01:04:15,599

all right

1900

01:04:19,430 --> 01:04:18,079

you know and you have a lot of dinosaur

1901

01:04:21,430 --> 01:04:19,440

stuff on the other side of the vernal

1902

01:04:22,870 --> 01:04:21,440

that's one of the big things that has

1903

01:04:27,349 --> 01:04:22,880

driven a lot of people here is there's

1904

01:04:28,630 --> 01:04:27,359

no leaving dinosaurs i've never seen one

1905

01:04:31,029 --> 01:04:28,640

but they've been that's one of the hot

1906

01:04:33,910 --> 01:04:31,039

spots isn't it for many decades and some

1907

01:04:36,230 --> 01:04:33,920

of the best full skeleton digs have come

1908

01:04:37,750 --> 01:04:36,240

from that area if i'm right uh i believe

1909

01:04:39,670 --> 01:04:37,760

they have a the dinosaur national

1910

01:04:42,470 --> 01:04:39,680

monument which i i haven't been there

1911

01:04:44,309 --> 01:04:42,480

personally sorry of anybody from this

1912

01:04:45,910 --> 01:04:44,319

area that's watching this

1913

01:04:47,349 --> 01:04:45,920

but uh my family have told me that

1914

01:04:48,870 --> 01:04:47,359

there's an area where you can walk down

1915

01:04:50,950 --> 01:04:48,880

and there's they're just sticking out of

1916

01:04:53,029 --> 01:04:50,960

the wall all these bones and wow all

1917

01:04:55,829 --> 01:04:53,039

this stuff and it's it's pretty pretty

1918

01:04:58,230 --> 01:04:55,839

cool and there's an area where they have

1919

01:04:59,510 --> 01:04:58,240

the the the footprints where these

1920

01:05:01,270 --> 01:04:59,520

dinosaurs were walking through and

1921

01:05:03,109 --> 01:05:01,280

they're still there in the

1922

01:05:05,190 --> 01:05:03,119

in the rock and stuff it's and they're

1923

01:05:07,349 --> 01:05:05,200

very well defined and you you know

1924

01:05:08,789 --> 01:05:07,359

you're not mistaken what those are so

1925

01:05:11,029 --> 01:05:08,799

wow

1926

01:05:13,589 --> 01:05:11,039

mind-blowing dinosaurs still

1927

01:05:15,510 --> 01:05:13,599

yeah there's a lot of cool stuff

1928

01:05:17,750 --> 01:05:15,520

so wow

1929

01:05:18,950 --> 01:05:17,760

yeah incredible about it well i mean we

1930

01:05:20,549 --> 01:05:18,960

could keep going if there's anything you

1931

01:05:22,069 --> 01:05:20,559

want to touch upon let's just keep going

1932

01:05:25,750 --> 01:05:22,079

i'm all good for time oh here's a

1933

01:05:29,750 --> 01:05:27,670

are you scared of digging at skinwalker

1934

01:05:31,750 --> 01:05:29,760

or is that just dragon

1935

01:05:33,750 --> 01:05:31,760

oh that's just dragon

1936

01:05:35,990 --> 01:05:33,760

no

1937

01:05:36,950 --> 01:05:36,000

we we inherited this narrative right

1938

01:05:38,870 --> 01:05:36,960

where

1939

01:05:40,230 --> 01:05:38,880

bad things happen when we when we dig

1940

01:05:41,910 --> 01:05:40,240

and there has been a correlation of

1941

01:05:45,190 --> 01:05:41,920

things happening when we've dug on the

1942

01:05:47,510 --> 01:05:45,200

ranch um am i and i can say that most of

1943

01:05:50,630 --> 01:05:47,520

our team

1944

01:05:52,710 --> 01:05:50,640

find out what's going on and digging is

1945

01:05:54,309 --> 01:05:52,720

one of those things and and i know

1946

01:05:55,349 --> 01:05:54,319

dragon gets a lot of

1947

01:06:00,710 --> 01:05:55,359

uh

1948

01:06:03,109 --> 01:06:00,720

personal about how he feels about our

1949

01:06:04,630 --> 01:06:03,119

safety and and us as a team you know he

1950

01:06:07,270 --> 01:06:04,640

cares deeply for us and he doesn't want

1951

01:06:10,069 --> 01:06:07,280

anything to happen um and so

1952

01:06:11,750 --> 01:06:10,079

you know he's he is one of our voices of

1953

01:06:13,829 --> 01:06:11,760

caution a lot of time and

1954

01:06:15,750 --> 01:06:13,839

and that's fine um

1955

01:06:18,549 --> 01:06:15,760

and i appreciate it

1956

01:06:20,470 --> 01:06:18,559

but uh i can tell you that that's

1957

01:06:21,349 --> 01:06:20,480

he he's more than okay with us digging

1958

01:06:22,710 --> 01:06:21,359

and

1959

01:06:24,950 --> 01:06:22,720

going out as long as we're doing it

1960

01:06:26,470 --> 01:06:24,960

safely you know and and we're we're

1961

01:06:28,549 --> 01:06:26,480

trying to cover as

1962

01:06:29,910 --> 01:06:28,559

much of our bases as we can

1963

01:06:33,029 --> 01:06:29,920

yeah do you

1964

01:06:33,829 --> 01:06:33,039

do you feel like um the activity

1965

01:06:37,190 --> 01:06:33,839

uh

1966

01:06:39,270 --> 01:06:37,200

ever mirrors or reflects your

1967

01:06:40,710 --> 01:06:39,280

attitudes like if you're feeling down or

1968

01:06:43,510 --> 01:06:40,720

you're feeling happy

1969

01:06:45,349 --> 01:06:43,520

or sad or whatever or celebratory do you

1970

01:06:46,789 --> 01:06:45,359

ever get a reflection there from the

1971

01:06:47,829 --> 01:06:46,799

activity

1972

01:06:49,430 --> 01:06:47,839

um

1973

01:06:51,750 --> 01:06:49,440

that is actually something we have

1974

01:06:54,390 --> 01:06:51,760

talked about a lot before and

1975

01:06:55,829 --> 01:06:54,400

we kind of feel as a consensus that the

1976

01:06:58,390 --> 01:06:55,839

ranch is a

1977

01:06:59,270 --> 01:06:58,400

amplifies what you're feeling

1978

01:07:03,029 --> 01:06:59,280

um

1979

01:07:04,230 --> 01:07:03,039

and so total gas by the way yeah so we

1980

01:07:06,150 --> 01:07:04,240

that is something that we've talked

1981

01:07:07,670 --> 01:07:06,160

about and and again how do we quantify

1982

01:07:10,870 --> 01:07:07,680

that how do we show that

1983

01:07:11,670 --> 01:07:10,880

um yeah and you know a

1984

01:07:14,069 --> 01:07:11,680

stress

1985

01:07:15,270 --> 01:07:14,079

on you and then what the activity does i

1986

01:07:19,190 --> 01:07:15,280

don't know

1987

01:07:21,270 --> 01:07:19,200

right um so and that's where we

1988

01:07:23,430 --> 01:07:21,280

you feel that more internally if if you

1989

01:07:24,390 --> 01:07:23,440

will you know like nine out of ten you

1990

01:07:26,309 --> 01:07:24,400

know

1991

01:07:29,990 --> 01:07:26,319

99.9 percent of time you go out to the

1992

01:07:31,910 --> 01:07:30,000

ranch it feels um serene it's a it's a

1993

01:07:34,309 --> 01:07:31,920

really gorgeous piece of property with

1994

01:07:36,630 --> 01:07:34,319

the the especially in the

1995

01:07:38,870 --> 01:07:36,640

the area that you're seeing most of with

1996

01:07:40,549 --> 01:07:38,880

the trees and the fields and the ditch

1997

01:07:42,230 --> 01:07:40,559

and all that stuff it's all green and

1998

01:07:44,309 --> 01:07:42,240

then you have the mesa right there and a

1999

01:07:46,069 --> 01:07:44,319

lot of times you know it's just any it's

2000

01:07:48,150 --> 01:07:46,079

just like any other ranch

2001

01:07:51,270 --> 01:07:48,160

really in that in that sense like a

2002

01:07:53,430 --> 01:07:51,280

blank canvas almost yeah oh yeah and you

2003

01:07:55,270 --> 01:07:53,440

know you could you know if you know

2004

01:07:57,190 --> 01:07:55,280

chris bartel and he was one of the old

2005

01:07:59,029 --> 01:07:57,200

security guards from bigelow's days he's

2006

01:08:01,190 --> 01:07:59,039

posted a lot of photographs of his time

2007

01:08:03,190 --> 01:08:01,200

when he was beautiful stuff oh yeah and

2008

01:08:05,430 --> 01:08:03,200

he's has such an eye for it

2009

01:08:07,589 --> 01:08:05,440

um that's such a he's a really good

2010

01:08:08,870 --> 01:08:07,599

friend of mine i've been able to grow

2011

01:08:11,589 --> 01:08:08,880

that relationship with them over the

2012

01:08:13,190 --> 01:08:11,599

last couple years and he's you know and

2013

01:08:15,029 --> 01:08:13,200

and he's i think he's really doing a

2014

01:08:17,590 --> 01:08:15,039

good job of showing the ranch in that

2015

01:08:19,990 --> 01:08:17,600

light but then again you know we do have

2016

01:08:21,669 --> 01:08:20,000

these things happening out there

2017

01:08:23,510 --> 01:08:21,679

and

2018

01:08:25,590 --> 01:08:23,520

both of us are like

2019

01:08:27,910 --> 01:08:25,600

at night we both hate going to homestead

2020

01:08:29,269 --> 01:08:27,920

three like the one you people have never

2021

01:08:30,950 --> 01:08:29,279

really seen that one but for whatever

2022

01:08:33,110 --> 01:08:30,960

reason that's where like

2023

01:08:34,789 --> 01:08:33,120

i think i'm as brave as the next guy but

2024

01:08:37,669 --> 01:08:34,799

i hate going to homestead three at night

2025

01:08:39,430 --> 01:08:37,679

by myself like i hate i if you start

2026

01:08:41,430 --> 01:08:39,440

getting this feel with this the weird

2027

01:08:42,789 --> 01:08:41,440

vibes and the the weird

2028

01:08:44,309 --> 01:08:42,799

like i'm being watched feeling over

2029

01:08:45,590 --> 01:08:44,319

there tonight

2030

01:08:46,950 --> 01:08:45,600

yeah

2031

01:08:50,149 --> 01:08:46,960

uh

2032

01:08:52,870 --> 01:08:50,159

i would love to perform um a couple of

2033

01:08:54,309 --> 01:08:52,880

my songs at skinwalker ranch

2034

01:08:56,309 --> 01:08:54,319

i'm serious i think you get a lot of

2035

01:08:58,149 --> 01:08:56,319

reaction it's very emotional

2036

01:09:00,550 --> 01:08:58,159

it is it's incredible stuff it's

2037

01:09:01,749 --> 01:09:00,560

absolutely incredible

2038

01:09:03,669 --> 01:09:01,759

yeah

2039

01:09:05,990 --> 01:09:03,679

that's outside of my realm i've seen if

2040

01:09:09,590 --> 01:09:06,000

i can do that

2041

01:09:12,390 --> 01:09:09,600

if it's meant to be it'll be right right

2042

01:09:14,550 --> 01:09:12,400

so okay caleb can you without

2043

01:09:17,030 --> 01:09:14,560

us asking too much if you confirm that

2044

01:09:19,110 --> 01:09:17,040

season three is going ahead and we

2045

01:09:21,110 --> 01:09:19,120

should expect to see more you know in

2046

01:09:21,910 --> 01:09:21,120

the last year or two

2047

01:09:29,110 --> 01:09:21,920

i

2048

01:09:30,149 --> 01:09:29,120

that

2049

01:09:32,309 --> 01:09:30,159

sure

2050

01:09:34,950 --> 01:09:32,319

so no that's cool it's just i think i've

2051
01:09:36,709 --> 01:09:34,960
heard a few people ask the question and

2052
01:09:39,030 --> 01:09:36,719
you know along with the things i've seen

2053
01:09:40,870 --> 01:09:39,040
from brandon as far as data eventually

2054
01:09:42,630 --> 01:09:40,880
appearing on the website i think

2055
01:09:44,789 --> 01:09:42,640
personally i'm

2056
01:09:46,550 --> 01:09:44,799
you know really looking forward to

2057
01:09:48,630 --> 01:09:46,560
seeing the continuation of what is

2058
01:09:50,630 --> 01:09:48,640
discovered and researched and things

2059
01:09:53,110 --> 01:09:50,640
like that on the ranch so

2060
01:09:55,590 --> 01:09:53,120
yeah that's awesome um sean anything

2061
01:09:58,390 --> 01:09:55,600
anything before we wrap this up do you

2062
01:10:01,750 --> 01:09:58,400
feel the the search for data is almost a

2063
01:10:03,590 --> 01:10:01,760

distraction from focusing on self and

2064

01:10:06,550 --> 01:10:03,600

what the real truth is which may be

2065

01:10:08,070 --> 01:10:06,560

inside there that's a great question

2066

01:10:09,910 --> 01:10:08,080

you know

2067

01:10:11,430 --> 01:10:09,920

there's a lot of layers to that i think

2068

01:10:13,430 --> 01:10:11,440

so i think there's a lot of data that

2069

01:10:15,189 --> 01:10:13,440

we're getting outside if you will and

2070

01:10:16,790 --> 01:10:15,199

and you're hitting it right on the head

2071

01:10:19,830 --> 01:10:16,800

one on some of the discussions that we

2072

01:10:21,750 --> 01:10:19,840

have with what is what is the real story

2073

01:10:23,830 --> 01:10:21,760

you know what is if you will the real

2074

01:10:26,950 --> 01:10:23,840

mystery or the real secret or

2075

01:10:29,030 --> 01:10:26,960

what is it you know and we can't and i

2076

01:10:31,590 --> 01:10:29,040

feel like sometimes we do overlook the

2077

01:10:34,149 --> 01:10:31,600

human aspect of it

2078

01:10:35,189 --> 01:10:34,159

but uh you know and that's kind of where

2079

01:10:37,350 --> 01:10:35,199

um

2080

01:10:39,590 --> 01:10:37,360

you're trying to prove it yeah

2081

01:10:41,590 --> 01:10:39,600

and you know and eric's kind of he's

2082

01:10:43,189 --> 01:10:41,600

told me that before he's like you know

2083

01:10:45,270 --> 01:10:43,199

he he loves me being out there just

2084

01:10:47,750 --> 01:10:45,280

because of the different experiences

2085

01:10:49,830 --> 01:10:47,760

and and what i bring as say

2086

01:10:51,189 --> 01:10:49,840

the guy running in on these in on these

2087

01:10:52,630 --> 01:10:51,199

law enforcement type calls and then i

2088

01:10:55,030 --> 01:10:52,640

come out to the ranch

2089

01:10:56,630 --> 01:10:55,040

and i'm noticing these same emotions and

2090

01:10:57,830 --> 01:10:56,640

these same

2091

01:10:59,910 --> 01:10:57,840

um

2092

01:11:02,229 --> 01:10:59,920

these same energies if you will that

2093

01:11:05,189 --> 01:11:02,239

people are experiencing and and i'm

2094

01:11:06,149 --> 01:11:05,199

seeing that in other aspects and yeah

2095

01:11:09,350 --> 01:11:06,159

and

2096

01:11:11,510 --> 01:11:09,360

watching people we're we're studying

2097

01:11:12,870 --> 01:11:11,520

people where you know we're watching

2098

01:11:14,470 --> 01:11:12,880

people's habits we're seeing how they

2099

01:11:16,229 --> 01:11:14,480

react we're seeing

2100

01:11:18,870 --> 01:11:16,239

what they're doing and and you know this

2101
01:11:21,830 --> 01:11:18,880
when someone's dip something happens and

2102
01:11:23,590 --> 01:11:21,840
people's body language changes

2103
01:11:24,790 --> 01:11:23,600
you know and we all have these and

2104
01:11:26,709 --> 01:11:24,800
everybody out there has different

2105
01:11:27,910 --> 01:11:26,719
experiences and we're all bringing these

2106
01:11:28,709 --> 01:11:27,920
different

2107
01:11:29,510 --> 01:11:28,719
um

2108
01:11:31,910 --> 01:11:29,520
life

2109
01:11:33,910 --> 01:11:31,920
experiences to the to the ranch

2110
01:11:35,590 --> 01:11:33,920
and you know the five of us could be all

2111
01:11:37,430 --> 01:11:35,600
standing out there

2112
01:11:39,030 --> 01:11:37,440
witness something and we all have a

2113
01:11:40,709 --> 01:11:39,040

different perspective of what it is and

2114

01:11:42,790 --> 01:11:40,719

why it happened

2115

01:11:45,510 --> 01:11:42,800

just like everything else right yeah

2116

01:11:49,590 --> 01:11:45,520

exactly everybody has their everyone has

2117

01:11:53,510 --> 01:11:51,430

yeah sometimes i feel like because it

2118

01:11:55,830 --> 01:11:53,520

seems like everybody has

2119

01:11:58,070 --> 01:11:55,840

uh their own unique you know just not

2120

01:11:58,870 --> 01:11:58,080

you guys but everybody who has a like a

2121

01:12:01,590 --> 01:11:58,880

real

2122

01:12:03,590 --> 01:12:01,600

encounter they all seem different in

2123

01:12:05,910 --> 01:12:03,600

some way shape or form and the only

2124

01:12:08,950 --> 01:12:05,920

thing i can say to that is that's

2125

01:12:09,990 --> 01:12:08,960

just like us yeah and we're all

2126

01:12:12,229 --> 01:12:10,000

different

2127

01:12:14,149 --> 01:12:12,239

yeah doesn't that make sense yeah oh it

2128

01:12:15,510 --> 01:12:14,159

makes absolute sense um one of the

2129

01:12:16,870 --> 01:12:15,520

things that we actually tell people when

2130

01:12:19,270 --> 01:12:16,880

they come to the ranch is the ranch

2131

01:12:20,630 --> 01:12:19,280

reacts differently to people

2132

01:12:23,510 --> 01:12:20,640

and so one of the biggest things is

2133

01:12:24,390 --> 01:12:23,520

whenever we bring out new guests or or

2134

01:12:26,790 --> 01:12:24,400

you know

2135

01:12:28,310 --> 01:12:26,800

on or off the screen or whenever that's

2136

01:12:29,990 --> 01:12:28,320

one of the things we tell them is the

2137

01:12:32,310 --> 01:12:30,000

ranch reacts differently

2138

01:12:33,990 --> 01:12:32,320

so pay very close attention to yourself

2139

01:12:35,270 --> 01:12:34,000

and to even your family over the next

2140

01:12:37,669 --> 01:12:35,280

couple days and let us know if something

2141

01:12:39,510 --> 01:12:37,679

happens because again we've you know we

2142

01:12:41,430 --> 01:12:39,520

weren't like whenever anybody comes out

2143

01:12:43,189 --> 01:12:41,440

we give them the safety brief we let

2144

01:12:44,870 --> 01:12:43,199

them know what happens and what we've

2145

01:12:46,390 --> 01:12:44,880

what we've had happen

2146

01:12:47,669 --> 01:12:46,400

and where and we're very serious about

2147

01:12:50,790 --> 01:12:47,679

that and again that's one of the things

2148

01:12:52,870 --> 01:12:50,800

like i know brian gets a lot of uh grief

2149

01:12:55,110 --> 01:12:52,880

for some of how he's portrayed

2150

01:12:56,870 --> 01:12:55,120

but you know he again he and i take this

2151
01:12:58,470 --> 01:12:56,880
very seriously we've we've had injuries

2152
01:13:00,390 --> 01:12:58,480
we've had things again this is a working

2153
01:13:01,910 --> 01:13:00,400
ranch like we you could have a name

2154
01:13:04,950 --> 01:13:01,920
thing like you you'll be walking out and

2155
01:13:06,870 --> 01:13:04,960
a cow kick ya and you know we there's

2156
01:13:09,830 --> 01:13:06,880
things out there that can and do hurt

2157
01:13:12,070 --> 01:13:09,840
people um and we do take that seriously

2158
01:13:12,950 --> 01:13:12,080
and again the ranch reacts differently

2159
01:13:29,189 --> 01:13:12,960
to

2160
01:13:33,110 --> 01:13:29,199
from all the different people and maybe

2161
01:13:35,430 --> 01:13:33,120
the right person will

2162
01:13:38,070 --> 01:13:35,440
who knows yeah but it's like well let's

2163
01:13:39,910 --> 01:13:38,080

keep trying this yeah newport new person

2164

01:13:41,750 --> 01:13:39,920

yeah it's it's an experiment in and of

2165

01:13:43,910 --> 01:13:41,760

itself and and you know that's where we

2166

01:13:46,550 --> 01:13:43,920

and i i feel though that that's where

2167

01:13:48,229 --> 01:13:46,560

we've kind of noticed that

2168

01:13:50,550 --> 01:13:48,239

if we can feel that energy from people

2169

01:13:51,270 --> 01:13:50,560

like we want to protect the ranch itself

2170

01:13:53,910 --> 01:13:51,280

too

2171

01:13:57,510 --> 01:13:53,920

you know like i said the in the earlier

2172

01:13:59,350 --> 01:13:57,520

um example like the ranch felt like

2173

01:14:01,590 --> 01:13:59,360

violation was where that came to my mind

2174

01:14:02,870 --> 01:14:01,600

yeah and i don't want

2175

01:14:03,830 --> 01:14:02,880

that anywhere

2176

01:14:05,990 --> 01:14:03,840

near

2177

01:14:09,030 --> 01:14:06,000

you know myself or anybody else you know

2178

01:14:10,070 --> 01:14:09,040

you were powerful enough

2179

01:14:11,510 --> 01:14:10,080

to

2180

01:14:13,590 --> 01:14:11,520

get rid of that

2181

01:14:16,390 --> 01:14:13,600

and you should feel some confidence

2182

01:14:17,350 --> 01:14:16,400

there oh thanks thank you

2183

01:14:22,630 --> 01:14:17,360

yeah

2184

01:14:23,990 --> 01:14:22,640

it's been one that i've kind of felt

2185

01:14:26,630 --> 01:14:24,000

like i've been a little bit more driven

2186

01:14:28,630 --> 01:14:26,640

to talk about a little bit because

2187

01:14:30,550 --> 01:14:28,640

that is something that's very serious in

2188

01:14:32,229 --> 01:14:30,560

in people's lives and you know i'm

2189

01:14:34,550 --> 01:14:32,239

seeing that there's

2190

01:14:37,350 --> 01:14:34,560

we need more uh

2191

01:14:39,350 --> 01:14:37,360

i guess we we need to be fighting that a

2192

01:14:41,510 --> 01:14:39,360

little bit more if you will

2193

01:14:43,270 --> 01:14:41,520

yeah i'm with you definitely i'm with

2194

01:14:45,590 --> 01:14:43,280

you as well man i really want to go out

2195

01:14:47,669 --> 01:14:45,600

there and have caleb

2196

01:14:49,030 --> 01:14:47,679

usher me around the ranch you know

2197

01:14:51,350 --> 01:14:49,040

oh you'd

2198

01:14:52,630 --> 01:14:51,360

piss your pants and cry like i've just

2199

01:14:54,830 --> 01:14:52,640

got that awesome

2200

01:14:56,229 --> 01:14:54,840

good vibes man it's the good vibes you

2201

01:14:58,229 --> 01:14:56,239

know i wouldn't be that worried about

2202

01:15:00,310 --> 01:14:58,239

the uh

2203

01:15:02,709 --> 01:15:00,320

or anything oh okay maybe a little bit

2204

01:15:05,189 --> 01:15:02,719

but yeah oh see oh okay i admitted then

2205

01:15:06,470 --> 01:15:05,199

you said i'm good yeah i'm not gonna lie

2206

01:15:07,990 --> 01:15:06,480

i've been there's been times where i've

2207

01:15:09,590 --> 01:15:08,000

been out there and i've been like

2208

01:15:11,270 --> 01:15:09,600

i can't get off the ranch fast enough

2209

01:15:13,590 --> 01:15:11,280

because i'm going what the heck like i'm

2210

01:15:14,950 --> 01:15:13,600

out of here like you do your thing i'm

2211

01:15:16,870 --> 01:15:14,960

going home please

2212

01:15:18,709 --> 01:15:16,880

leave me alone i'm sure that's more

2213

01:15:21,350 --> 01:15:18,719

realistic how i'd react to be fair i'm

2214

01:15:23,189 --> 01:15:21,360

just uh playing up for the camera

2215

01:15:25,510 --> 01:15:23,199

you're a great dude caleb i could see it

2216

01:15:27,350 --> 01:15:25,520

in your face you're genuine uh

2217

01:15:28,149 --> 01:15:27,360

positive bright

2218

01:15:30,070 --> 01:15:28,159

um

2219

01:15:31,990 --> 01:15:30,080

and yeah i can tell you're beautiful on

2220

01:15:34,390 --> 01:15:32,000

the inside so i'm thankful that i got

2221

01:15:35,990 --> 01:15:34,400

the chance to talk to you i was happy to

2222

01:15:37,510 --> 01:15:36,000

i'm grateful i was able to speak with

2223

01:15:39,430 --> 01:15:37,520

you guys and get to know you guys a

2224

01:15:41,830 --> 01:15:39,440

little bit more too thank you so much

2225

01:15:43,510 --> 01:15:41,840

and we have to do it again in the future

2226

01:15:44,630 --> 01:15:43,520

like just even if we talk about other

2227

01:15:47,110 --> 01:15:44,640

things it'd be great to have you on

2228

01:15:49,510 --> 01:15:47,120

another panel touching on any subject uh

2229

01:15:51,910 --> 01:15:49,520

like sean said you're a great soul great

2230

01:15:54,630 --> 01:15:51,920

person thank you i hope you'd uh accept

2231

01:15:56,950 --> 01:15:54,640

an invite in the future oh i'd i'd be

2232

01:15:59,189 --> 01:15:56,960

happy to and i'd be honored too awesome

2233

01:16:02,390 --> 01:15:59,199

thank you so much caleb thank you sean

2234

01:16:04,630 --> 01:16:02,400

andy joined us everyone in the chat uh

2235

01:16:07,590 --> 01:16:04,640

you can catch caleb later today on carl

2236

01:16:09,590 --> 01:16:07,600

vibes channel um so yeah more great

2237

01:16:11,669 --> 01:16:09,600

conversations but for now guys we'll
