

DISCLOSURE

TEAM

UFO Garage - Joe & Ben Interview

Live on YouTube

Sunday October 17th

12pm PST/3pm EST/8pm UK

1
00:00:33,990 --> 00:00:31,269

[Music]

2
00:00:36,549 --> 00:00:34,000

what is up everybody welcome back to the

3
00:00:39,030 --> 00:00:36,559

disclosure team youtube channel it is 8

4
00:00:41,030 --> 00:00:39,040

p.m here for me on sunday so my weekend

5
00:00:42,709 --> 00:00:41,040

is coming to a close so i'm going to

6
00:00:44,630 --> 00:00:42,719

finish it off and have a great

7
00:00:47,270 --> 00:00:44,640

conversation with two dudes that i

8
00:00:48,869 --> 00:00:47,280

really really back in this subject they

9
00:00:50,709 --> 00:00:48,879

have a great youtube channel great

10
00:00:53,430 --> 00:00:50,719

podcast and this is going to be a lot of

11
00:00:55,750 --> 00:00:53,440

fun so let's not waste any more time i'm

12
00:00:57,189 --> 00:00:55,760

going to bring in ben

13
00:01:00,069 --> 00:00:57,199

and joe

14

00:01:01,830 --> 00:01:00,079

from ufo now this is where i go wrong

15

00:01:03,430 --> 00:01:01,840

because i say garage

16

00:01:04,630 --> 00:01:03,440

but it's kind of garage isn't it you

17

00:01:06,390 --> 00:01:04,640

know

18

00:01:07,270 --> 00:01:06,400

it is a garage yeah kind of like the way

19

00:01:09,270 --> 00:01:07,280

you say

20

00:01:10,630 --> 00:01:09,280

i know i think we're gonna change it

21

00:01:12,870 --> 00:01:10,640

we'll have to make we'll have to make

22

00:01:15,510 --> 00:01:12,880

like like a like an english version of

23

00:01:19,429 --> 00:01:17,670

oh he's sweet man but listen guys thank

24

00:01:21,749 --> 00:01:19,439

you so much for agreeing to do this man

25

00:01:24,310 --> 00:01:21,759

um it really means a lot so thanks

26
00:01:26,630 --> 00:01:24,320
thanks for having us man heck yeah man

27
00:01:27,830 --> 00:01:26,640
nah it's cool it's awesome um

28
00:01:29,350 --> 00:01:27,840
so

29
00:01:31,429 --> 00:01:29,360
first thing i just wanted to say

30
00:01:33,510 --> 00:01:31,439
congratulations ben because i know that

31
00:01:34,710 --> 00:01:33,520
we tried to arrange this a few weeks ago

32
00:01:37,830 --> 00:01:34,720
and you were

33
00:01:40,069 --> 00:01:37,840
in the throes of becoming a father so

34
00:01:41,670 --> 00:01:40,079
congratulations how's that been man

35
00:01:43,350 --> 00:01:41,680
thank you yeah man i mean if you can't

36
00:01:45,749 --> 00:01:43,360
tell i've been a little sleep deprived

37
00:01:48,550 --> 00:01:45,759
but oh my god dude life has changed it's

38
00:01:50,550 --> 00:01:48,560

amazing i'm obsessed with our little

39

00:01:52,789 --> 00:01:50,560

girl dude that's just it's been awesome

40

00:01:54,469 --> 00:01:52,799

um yeah like waking up in the middle of

41

00:01:55,990 --> 00:01:54,479

the night you know kind of sleep

42

00:01:57,990 --> 00:01:56,000

deprived and

43

00:01:59,350 --> 00:01:58,000

you know baby crying and yeah me and

44

00:02:00,550 --> 00:01:59,360

joe's talked about this a couple times

45

00:02:02,149 --> 00:02:00,560

the moment you see

46

00:02:03,109 --> 00:02:02,159

your little girl's face it's just like

47

00:02:04,870 --> 00:02:03,119

ah

48

00:02:06,630 --> 00:02:04,880

i'm actually enjoying this everything's

49

00:02:08,469 --> 00:02:06,640

everything's great so absolutely

50

00:02:10,630 --> 00:02:08,479

absolutely man i'm glad to hear it man

51
00:02:12,470 --> 00:02:10,640
and we just had that little chat off

52
00:02:15,110 --> 00:02:12,480
before we started that where all three

53
00:02:17,670 --> 00:02:15,120
of us are fathers to daughters like

54
00:02:19,350 --> 00:02:17,680
um so i love that kind of camaraderie

55
00:02:22,309 --> 00:02:19,360
you know that we're all in it together

56
00:02:23,430 --> 00:02:22,319
we we understand each other oh yeah oh

57
00:02:25,270 --> 00:02:23,440
yeah dude

58
00:02:26,150 --> 00:02:25,280
so much fun

59
00:02:27,910 --> 00:02:26,160
awesome

60
00:02:30,949 --> 00:02:27,920
i thought

61
00:02:33,750 --> 00:02:30,959
sorry go on oh no no i hope she'll say

62
00:02:35,990 --> 00:02:33,760
daddy first for sure

63
00:02:37,430 --> 00:02:36,000

i'm sure she will man and like my little

64

00:02:39,589 --> 00:02:37,440

girl's nearly four

65

00:02:42,470 --> 00:02:39,599

um and she loves the fact that

66

00:02:44,229 --> 00:02:42,480

daddy looks for aliens

67

00:02:46,630 --> 00:02:44,239

that's what she says you know

68

00:02:48,470 --> 00:02:46,640

she's obsessed which is so cool honestly

69

00:02:49,910 --> 00:02:48,480

um well listen i thought we'd kick it

70

00:02:51,190 --> 00:02:49,920

off but i'd just love to know a little

71

00:02:52,710 --> 00:02:51,200

bit more about you guys because i've

72

00:02:54,710 --> 00:02:52,720

watched your show and your channel for

73

00:02:56,550 --> 00:02:54,720

quite some time now and i you know when

74

00:02:58,229 --> 00:02:56,560

i found you i even dug back and watched

75

00:02:59,509 --> 00:02:58,239

the older stuff that you'd done so i'd

76

00:03:01,190 --> 00:02:59,519

just like to know

77

00:03:02,949 --> 00:03:01,200

either of you

78

00:03:05,350 --> 00:03:02,959

what your background is and what got you

79

00:03:07,270 --> 00:03:05,360

into ufos and you know that that general

80

00:03:09,430 --> 00:03:07,280

stuff man

81

00:03:11,030 --> 00:03:09,440

you want to take it first bin

82

00:03:12,229 --> 00:03:11,040

okay yeah sure i'll take it

83

00:03:14,470 --> 00:03:12,239

you can go nice

84

00:03:17,110 --> 00:03:14,480

yeah so yeah me and joe grew up in the

85

00:03:18,710 --> 00:03:17,120

same uh town here in texas and uh so

86

00:03:20,470 --> 00:03:18,720

we've been buds for a while we played in

87

00:03:21,350 --> 00:03:20,480

a band together for a little over 10

88

00:03:23,910 --> 00:03:21,360

years

89

00:03:26,309 --> 00:03:23,920

uh and so yeah we we we've been uh you

90

00:03:28,710 --> 00:03:26,319

know brothers of music and uh

91

00:03:31,350 --> 00:03:28,720

all we we uh we would always talk about

92

00:03:34,070 --> 00:03:31,360

aliens and and ufos we both kind of had

93

00:03:35,670 --> 00:03:34,080

a passion for for that subject i've had

94

00:03:37,750 --> 00:03:35,680

a passion for it pretty much since i was

95

00:03:39,270 --> 00:03:37,760

a little kid uh my whole family always

96

00:03:40,949 --> 00:03:39,280

references like hey you remember that

97

00:03:42,869 --> 00:03:40,959

alien shirt that when you

98

00:03:44,470 --> 00:03:42,879

when when you were a kid and you i i

99

00:03:45,670 --> 00:03:44,480

used to wear this thing like every day

100

00:03:47,509 --> 00:03:45,680

it had like

101
00:03:50,390 --> 00:03:47,519
like green hand prints on it all over

102
00:03:53,190 --> 00:03:50,400
the place anyway guys but uh yeah man we

103
00:03:55,190 --> 00:03:53,200
we just uh our band kind of uh fizzled

104
00:03:57,190 --> 00:03:55,200
out there for a while our drummer moved

105
00:03:58,869 --> 00:03:57,200
out to california and me and joe were

106
00:04:01,350 --> 00:03:58,879
like okay well what do we do

107
00:04:03,030 --> 00:04:01,360
uh so we just started a podcast about

108
00:04:04,470 --> 00:04:03,040
you know our our favorite part of

109
00:04:06,869 --> 00:04:04,480
practice other than you know playing

110
00:04:07,830 --> 00:04:06,879
music was it catching up on like ufo

111
00:04:09,589 --> 00:04:07,840
stuff

112
00:04:11,190 --> 00:04:09,599
nice man i love that i love that

113
00:04:12,830 --> 00:04:11,200

completely but that makes me want to ask

114

00:04:15,750 --> 00:04:12,840

you where can we hear your

115

00:04:17,509 --> 00:04:15,760

music oh yeah you can hear it on spotify

116

00:04:19,990 --> 00:04:17,519

itunes and all that it's uh ben baxter

117

00:04:21,830 --> 00:04:20,000

band uh my middle name i'm making a note

118

00:04:24,310 --> 00:04:21,840

right now oh yeah and back to the band

119

00:04:31,110 --> 00:04:24,320

yeah yeah ben baxter band yeah dude i

120

00:04:34,310 --> 00:04:32,950

i imagine man i was never a musician but

121

00:04:36,790 --> 00:04:34,320

i used to go and hang out with like my

122

00:04:38,629 --> 00:04:36,800

bros and friends and hang out like their

123

00:04:40,390 --> 00:04:38,639

band practices and stuff because a lot

124

00:04:42,710 --> 00:04:40,400

my background is skateboarding and like

125

00:04:45,030 --> 00:04:42,720

half of my crew were like musicians and

126

00:04:47,749 --> 00:04:45,040

stuff so it was just that kind of vibe

127

00:04:49,350 --> 00:04:47,759

day in day out so yeah i love it man

128

00:04:51,670 --> 00:04:49,360

hell yeah

129

00:04:53,430 --> 00:04:51,680

so yeah yeah it was a good time dude

130

00:04:55,350 --> 00:04:53,440

yeah it was a you know a lot of late

131

00:04:57,350 --> 00:04:55,360

nights you're the first ones there last

132

00:04:58,870 --> 00:04:57,360

ones to leave uh

133

00:05:00,870 --> 00:04:58,880

don't miss i don't miss that part but i

134

00:05:02,550 --> 00:05:00,880

do miss playing uh playing live music

135

00:05:05,189 --> 00:05:02,560

man and this kind of this podcast kind

136

00:05:07,029 --> 00:05:05,199

of fills that hole uh a lot of ways that

137

00:05:08,790 --> 00:05:07,039

creative kind of vibe that creative

138

00:05:10,629 --> 00:05:08,800

energy

139

00:05:12,390 --> 00:05:10,639

awesome man

140

00:05:14,310 --> 00:05:12,400

so i guess that like you say it was a

141

00:05:15,749 --> 00:05:14,320

natural progression you filled that gap

142

00:05:18,150 --> 00:05:15,759

with the podcast did you have any

143

00:05:19,909 --> 00:05:18,160

aspirations or expectations with the

144

00:05:22,070 --> 00:05:19,919

podcast or was it just putting out you

145

00:05:24,390 --> 00:05:22,080

guys chatting and and stuff like when

146

00:05:26,310 --> 00:05:24,400

did it kind of transform into like

147

00:05:27,110 --> 00:05:26,320

we need to get guests on and things like

148

00:05:30,070 --> 00:05:27,120

that

149

00:05:31,909 --> 00:05:30,080

just kind of happen

150

00:05:33,590 --> 00:05:31,919

man i don't think we planned it at all

151
00:05:34,710 --> 00:05:33,600
it was really just kind of one of those

152
00:05:36,550 --> 00:05:34,720
like

153
00:05:39,350 --> 00:05:36,560
let's just let's just put it up on the

154
00:05:41,350 --> 00:05:39,360
internet like ben and i

155
00:05:43,749 --> 00:05:41,360
we always had so many questions and like

156
00:05:46,629 --> 00:05:43,759
we just had never had anybody else to

157
00:05:47,990 --> 00:05:46,639
like bounce ideas off of or talk aliens

158
00:05:48,629 --> 00:05:48,000
with you know what i'm saying so we were

159
00:05:50,230 --> 00:05:48,639
like

160
00:05:51,510 --> 00:05:50,240
on the internet there's going to be

161
00:05:53,270 --> 00:05:51,520
people that are just going to like want

162
00:05:55,830 --> 00:05:53,280
to talk about it all the time that's a

163
00:05:57,670 --> 00:05:55,840

perfect place for it and it it didn't

164

00:06:00,950 --> 00:05:57,680

really have like

165

00:06:02,790 --> 00:06:00,960

a direction or like a end goal like

166

00:06:05,749 --> 00:06:02,800

whatsoever it was just something fun

167

00:06:07,510 --> 00:06:05,759

that we did and uh man before we knew it

168

00:06:09,430 --> 00:06:07,520

i think i think the first thing that

169

00:06:11,749 --> 00:06:09,440

happened to us was we were doing an

170

00:06:13,909 --> 00:06:11,759

episode like on the tic tac stuff and

171

00:06:16,150 --> 00:06:13,919

gary voorhees actually reached out to us

172

00:06:18,550 --> 00:06:16,160

one day and was like hey

173

00:06:19,990 --> 00:06:18,560

uh love the show i've been listening to

174

00:06:22,230 --> 00:06:20,000

it i've just been looking for new stuff

175

00:06:23,990 --> 00:06:22,240

to listen to and i came across your show

176
00:06:26,309 --> 00:06:24,000
and uh i just wanted to clear some stuff

177
00:06:29,990 --> 00:06:26,319
up on that tic tac tac episode and we

178
00:06:33,110 --> 00:06:30,000
were like uh hell yeah

179
00:06:34,710 --> 00:06:33,120
he came on the show him and pj hughes

180
00:06:36,790 --> 00:06:34,720
came on the show and he just started

181
00:06:39,430 --> 00:06:36,800
chit chatting about it and man people

182
00:06:40,469 --> 00:06:39,440
liked it and even after that it wasn't

183
00:06:42,390 --> 00:06:40,479
like a

184
00:06:43,909 --> 00:06:42,400
there was still no end goal right like

185
00:06:46,629 --> 00:06:43,919
we had just accomplished the mission

186
00:06:48,629 --> 00:06:46,639
right there which was just to talk ufos

187
00:06:50,469 --> 00:06:48,639
and aliens and then we just so happen to

188
00:06:52,790 --> 00:06:50,479

have somebody directly involved with

189

00:06:54,629 --> 00:06:52,800

this exact subject that we're interested

190

00:06:56,710 --> 00:06:54,639

in contact us and be like yeah let's

191

00:06:59,749 --> 00:06:56,720

chat about it so for us

192

00:07:01,749 --> 00:06:59,759

like that's the win that's the end goal

193

00:07:04,070 --> 00:07:01,759

it doesn't matter how many

194

00:07:06,790 --> 00:07:04,080

that are on the show or how you know who

195

00:07:09,510 --> 00:07:06,800

they are or what they are the goal is to

196

00:07:11,990 --> 00:07:09,520

just chat with people about the subject

197

00:07:14,469 --> 00:07:12,000

you know there's a whole lot of there's

198

00:07:15,990 --> 00:07:14,479

a whole lot of uh that that's involved

199

00:07:17,589 --> 00:07:16,000

with that especially when you're running

200

00:07:19,430 --> 00:07:17,599

a show who are you talking to what are

201
00:07:21,589 --> 00:07:19,440
they about what is their background this

202
00:07:23,830 --> 00:07:21,599
and that but like that was always way

203
00:07:27,110 --> 00:07:23,840
too much for ben and i we just love the

204
00:07:28,309 --> 00:07:27,120
stories man like with us you know before

205
00:07:30,550 --> 00:07:28,319
the show we were kind of chit chatting

206
00:07:32,550 --> 00:07:30,560
and like how this whole thing is for us

207
00:07:34,870 --> 00:07:32,560
it's it's almost more about the people

208
00:07:37,670 --> 00:07:34,880
than it is about the secrets you know

209
00:07:39,510 --> 00:07:37,680
yeah yeah what we love so

210
00:07:41,029 --> 00:07:39,520
that's what makes the show awesome i

211
00:07:42,790 --> 00:07:41,039
think that gets overlooked as well the

212
00:07:44,710 --> 00:07:42,800
people because everybody's so focused on

213
00:07:46,710 --> 00:07:44,720

the data and the information and the

214

00:07:48,710 --> 00:07:46,720

secrets as you say that people get

215

00:07:50,869 --> 00:07:48,720

really stressed and they get really like

216

00:07:52,790 --> 00:07:50,879

you know back and forth argumentative

217

00:07:54,550 --> 00:07:52,800

here there and especially on ufo twitter

218

00:07:56,550 --> 00:07:54,560

that that is what's refreshing about

219

00:07:58,950 --> 00:07:56,560

your show because when i found you and

220

00:08:01,110 --> 00:07:58,960

then went back you know your first

221

00:08:03,510 --> 00:08:01,120

however many 10 shows let's say we're

222

00:08:05,749 --> 00:08:03,520

just covering different areas within the

223

00:08:08,950 --> 00:08:05,759

subject so i've made a list here like

224

00:08:11,270 --> 00:08:08,960

hybrids skin walker hollow earth moon

225

00:08:14,070 --> 00:08:11,280

bases the d'atlov pass and things like

226

00:08:16,230 --> 00:08:14,080

that real broad range and that's

227

00:08:17,589 --> 00:08:16,240

something that i was totally related to

228

00:08:18,309 --> 00:08:17,599

because i've looked into all of those

229

00:08:19,749 --> 00:08:18,319

and

230

00:08:21,589 --> 00:08:19,759

it's great that you didn't have one

231

00:08:22,950 --> 00:08:21,599

narrative that you were following and

232

00:08:24,790 --> 00:08:22,960

and that's great

233

00:08:27,029 --> 00:08:24,800

but if we talk about those specific

234

00:08:28,790 --> 00:08:27,039

cases what would your thoughts be on

235

00:08:30,309 --> 00:08:28,800

things like let's talk about the diet

236

00:08:31,990 --> 00:08:30,319

love past because that's something i've

237

00:08:34,070 --> 00:08:32,000

always wanted to talk about with someone

238

00:08:35,750 --> 00:08:34,080

man yeah like yes

239

00:08:37,589 --> 00:08:35,760

what did you guys think about that case

240

00:08:39,110 --> 00:08:37,599

and where are you now with it after like

241

00:08:41,110 --> 00:08:39,120

talking about it and maybe looking into

242

00:08:44,070 --> 00:08:41,120

it a bit

243

00:08:46,949 --> 00:08:44,080

there is so much to that case dude like

244

00:08:48,870 --> 00:08:46,959

there's just so much to it uh

245

00:08:53,110 --> 00:08:48,880

and

246

00:08:54,870 --> 00:08:53,120

researchers or nothing we're going off

247

00:08:57,110 --> 00:08:54,880

of we're just two dudes

248

00:08:59,350 --> 00:08:57,120

hearing stories and like i mean that's

249

00:09:02,150 --> 00:08:59,360

really all we can go off of man

250

00:09:03,590 --> 00:09:02,160

that man that story is so cool like

251

00:09:06,870 --> 00:09:03,600

i mean it wasn't cool for the people

252

00:09:08,550 --> 00:09:06,880

that were there obviously but

253

00:09:10,470 --> 00:09:08,560

you know there's just so many like

254

00:09:12,310 --> 00:09:10,480

random things like when it comes to like

255

00:09:15,030 --> 00:09:12,320

their eyes and like the way that people

256

00:09:15,829 --> 00:09:15,040

were found and where they were found and

257

00:09:17,750 --> 00:09:15,839

like

258

00:09:19,910 --> 00:09:17,760

all this extra stuff tents being cut

259

00:09:22,710 --> 00:09:19,920

from the inside like it's just

260

00:09:24,070 --> 00:09:22,720

got me mad yeah it's a it's a wild story

261

00:09:25,590 --> 00:09:24,080

so like

262

00:09:27,509 --> 00:09:25,600

you know

263

00:09:30,150 --> 00:09:27,519

while i can go with like yeah maybe it

264

00:09:32,710 --> 00:09:30,160

was a beer or like you know

265

00:09:34,870 --> 00:09:32,720

for me it's fun to go with like oh maybe

266

00:09:38,070 --> 00:09:34,880

this was the inside job or maybe they

267

00:09:39,910 --> 00:09:38,080

did find a a yeti or something out there

268

00:09:41,190 --> 00:09:39,920

and like hold it in their tent because

269

00:09:42,949 --> 00:09:41,200

they killed it and then it woke up

270

00:09:45,190 --> 00:09:42,959

because it wasn't dead you know

271

00:09:47,350 --> 00:09:45,200

yes it's it's just a crazy it's a crazy

272

00:09:50,070 --> 00:09:47,360

story it's a crazy it is man because

273

00:09:52,310 --> 00:09:50,080

that site that they got found at was

274

00:09:53,829 --> 00:09:52,320

that was days and days of traveling out

275

00:09:56,070 --> 00:09:53,839

into the middle of nowhere and it wasn't

276

00:09:57,430 --> 00:09:56,080

just a a walk down down the road or

277

00:09:58,310 --> 00:09:57,440

anything and that's

278

00:10:00,310 --> 00:09:58,320

yeah

279

00:10:01,990 --> 00:10:00,320

the tenting the scratch

280

00:10:05,509 --> 00:10:02,000

that like they clambered from the inside

281

00:10:07,750 --> 00:10:05,519

out yeah man it's so crazy and that

282

00:10:08,790 --> 00:10:07,760

story can take so many avenues too like

283

00:10:11,030 --> 00:10:08,800

are we gonna go the government

284

00:10:13,750 --> 00:10:11,040

conspiracy way are we gonna go the the

285

00:10:15,670 --> 00:10:13,760

cryptid experience you know uh away are

286

00:10:17,509 --> 00:10:15,680

we gonna go the ufo route like which

287

00:10:18,389 --> 00:10:17,519

route are we gonna take like and it's

288

00:10:19,110 --> 00:10:18,399

crazy

289

00:10:21,430 --> 00:10:19,120

yeah

290

00:10:22,949 --> 00:10:21,440

i guess we'll never really know

291

00:10:24,389 --> 00:10:22,959

i don't think so

292

00:10:26,310 --> 00:10:24,399

you can almost like point to all three

293

00:10:28,310 --> 00:10:26,320

of those or all four of those in this

294

00:10:31,110 --> 00:10:28,320

case like you found you find a bunch of

295

00:10:32,870 --> 00:10:31,120

bodies in the tree and then like are on

296

00:10:35,269 --> 00:10:32,880

the ground with their pants on like

297

00:10:36,710 --> 00:10:35,279

weren't their clothes like on in a in a

298

00:10:39,829 --> 00:10:36,720

weird way or something like that and

299

00:10:40,550 --> 00:10:39,839

then they had like radiation burns right

300

00:10:42,470 --> 00:10:40,560

and

301
00:10:44,470 --> 00:10:42,480
they had like burns on their skin

302
00:10:46,470 --> 00:10:44,480
and then yeah dude like

303
00:10:47,990 --> 00:10:46,480
it's almost like they they interrupted a

304
00:10:50,230 --> 00:10:48,000
meeting between like the government

305
00:10:53,030 --> 00:10:50,240
bigfoot and a bunch of aliens and they

306
00:10:54,790 --> 00:10:53,040
were like get them

307
00:10:56,790 --> 00:10:54,800
totally awesome

308
00:10:59,590 --> 00:10:56,800
absolutely man because all three of the

309
00:11:01,030 --> 00:10:59,600
different plausible possibilities

310
00:11:02,710 --> 00:11:01,040
they're all on the same level there's

311
00:11:05,110 --> 00:11:02,720
not one that outweighs the other or

312
00:11:06,949 --> 00:11:05,120
anything and those kind of cases are

313
00:11:08,949 --> 00:11:06,959

mental man so

314

00:11:10,230 --> 00:11:08,959

yeah yeah and that's this is what i'm

315

00:11:12,310 --> 00:11:10,240

saying it's like you guys covered that

316

00:11:13,990 --> 00:11:12,320

and talked about that stuff and this is

317

00:11:15,670 --> 00:11:14,000

what i find is that most people follow a

318

00:11:17,430 --> 00:11:15,680

certain narrative or sort of a certain

319

00:11:19,829 --> 00:11:17,440

angle i mean i hold my hands up i kind

320

00:11:20,949 --> 00:11:19,839

of do so it's so refreshing to see it

321

00:11:22,790 --> 00:11:20,959

covered

322

00:11:25,030 --> 00:11:22,800

you know it with so many different

323

00:11:26,949 --> 00:11:25,040

things and then with your guests as well

324

00:11:29,350 --> 00:11:26,959

you know you've had your gary voorhees

325

00:11:31,430 --> 00:11:29,360

pj hughes ryan sprague but you've had

326

00:11:32,870 --> 00:11:31,440

like jim goodall and then

327

00:11:34,630 --> 00:11:32,880

you know

328

00:11:36,230 --> 00:11:34,640

you've been to some conferences as well

329

00:11:38,550 --> 00:11:36,240

and done some interviews as well which

330

00:11:40,389 --> 00:11:38,560

was awesome tell us about like

331

00:11:43,269 --> 00:11:40,399

that because i've never been to anything

332

00:11:46,150 --> 00:11:43,279

like that so i'm interested do you think

333

00:11:47,509 --> 00:11:46,160

first off jim goodall is the man yes

334

00:11:49,030 --> 00:11:47,519

100

335

00:11:50,150 --> 00:11:49,040

he's a good buddy

336

00:11:54,470 --> 00:11:50,160

yeah

337

00:11:57,190 --> 00:11:54,480

like we were lucky we went to this

338

00:12:00,629 --> 00:11:57,200

conference uh the first one was ufo con

339

00:12:02,550 --> 00:12:00,639

uh or no sorry ufo congress uh right and

340

00:12:05,350 --> 00:12:02,560

and we met lorian finton

341

00:12:08,150 --> 00:12:05,360

and uh a couple of awesome people uh

342

00:12:10,069 --> 00:12:08,160

yeah jocelyn buckley buckner uh melinda

343

00:12:11,670 --> 00:12:10,079

leslie and we just hung out with them

344

00:12:14,230 --> 00:12:11,680

the whole time and

345

00:12:16,710 --> 00:12:14,240

they yeah they kind of gave us like this

346

00:12:19,509 --> 00:12:16,720

background of a little bit of of

347

00:12:22,230 --> 00:12:19,519

of the community in a way and introduced

348

00:12:24,710 --> 00:12:22,240

us to a bunch of awesome people

349

00:12:26,470 --> 00:12:24,720

and uh dude if anybody hasn't gone to a

350

00:12:27,990 --> 00:12:26,480

conference you gotta go cause like

351

00:12:28,790 --> 00:12:28,000

that's where you find your tribe dude

352

00:12:30,150 --> 00:12:28,800

like

353

00:12:31,750 --> 00:12:30,160

it's fun talking chatting on the

354

00:12:34,949 --> 00:12:31,760

internet but some people you know hide

355

00:12:36,069 --> 00:12:34,959

behind a username sometimes or or maybe

356

00:12:37,829 --> 00:12:36,079

uh

357

00:12:39,430 --> 00:12:37,839

it can it can get a little political but

358

00:12:41,030 --> 00:12:39,440

if you're in person with somebody you're

359

00:12:43,509 --> 00:12:41,040

i feel like you're more willing to open

360

00:12:45,030 --> 00:12:43,519

up and like talk about the crazy stories

361

00:12:46,870 --> 00:12:45,040

and go down different paths that you

362

00:12:48,790 --> 00:12:46,880

might not have thought about before it's

363

00:12:51,030 --> 00:12:48,800

it's so much fun dude

364

00:12:52,629 --> 00:12:51,040

yeah i get that next thing like being

365

00:12:54,150 --> 00:12:52,639

here in the uk there are very few

366

00:12:55,990 --> 00:12:54,160

opportunities for things like that there

367

00:12:57,269 --> 00:12:56,000

are little things that have happened

368

00:12:59,829 --> 00:12:57,279

over the years but obviously with the

369

00:13:01,430 --> 00:12:59,839

pandemic it all shut down we just had

370

00:13:03,509 --> 00:13:01,440

one a few weeks ago i wasn't able to

371

00:13:05,190 --> 00:13:03,519

attend but yeah that's the kind of thing

372

00:13:08,230 --> 00:13:05,200

i'm now really actually looking forward

373

00:13:10,790 --> 00:13:08,240

to just going to hang out and just

374

00:13:13,030 --> 00:13:10,800

chilling with people you know if i get

375

00:13:15,030 --> 00:13:13,040

to talk to anybody of importance great

376

00:13:16,710 --> 00:13:15,040

if not just want to hang out and have a

377

00:13:18,790 --> 00:13:16,720

great time you know

378

00:13:21,030 --> 00:13:18,800

it's awesome man it's a lot of fun you

379

00:13:22,550 --> 00:13:21,040

know i mean you get you get there and

380

00:13:24,870 --> 00:13:22,560

there's just people you know walking

381

00:13:27,590 --> 00:13:24,880

around even like even if you don't like

382

00:13:29,269 --> 00:13:27,600

go in to see the speaker i mean all you

383

00:13:30,790 --> 00:13:29,279

do is hang around till the evening and

384

00:13:33,269 --> 00:13:30,800

go sit at the bar with them you know

385

00:13:34,949 --> 00:13:33,279

like everybody's just bumping shoulders

386

00:13:36,629 --> 00:13:34,959

and saying what's up and having a good

387

00:13:38,550 --> 00:13:36,639

time it's a lot of fun i mean you're

388

00:13:40,230 --> 00:13:38,560

walking around some people are like hey

389

00:13:41,829 --> 00:13:40,240

you want to talk about secret you know

390

00:13:43,110 --> 00:13:41,839

underground military bases and then

391

00:13:44,870 --> 00:13:43,120

other people are like hey you ever seen

392

00:13:46,470 --> 00:13:44,880

a picture of a fairy you know like it's

393

00:13:48,150 --> 00:13:46,480

just it's all over the place you're like

394

00:13:50,550 --> 00:13:48,160

what yeah like

395

00:13:52,949 --> 00:13:50,560

yeah that literally happened

396

00:13:54,389 --> 00:13:52,959

it's cool man i'm totally down for it

397

00:13:56,629 --> 00:13:54,399

experiencing stuff you would never

398

00:13:58,310 --> 00:13:56,639

experience like we got this reading from

399

00:13:59,829 --> 00:13:58,320

this lady like it was just random we

400

00:14:01,750 --> 00:13:59,839

were just standing there looking at

401
00:14:03,430 --> 00:14:01,760
knickknacks on her table and she's like

402
00:14:05,430 --> 00:14:03,440
psychically like reading us and we're

403
00:14:07,670 --> 00:14:05,440
like holy [\h__\h] like we don't know if

404
00:14:08,710 --> 00:14:07,680
this is real but it's cool

405
00:14:10,150 --> 00:14:08,720
you know

406
00:14:11,670 --> 00:14:10,160
yeah totally man i'm the kind of guy

407
00:14:14,710 --> 00:14:11,680
that'll probably buy merch from all the

408
00:14:16,150 --> 00:14:14,720
wacky tables as well well yeah i don't

409
00:14:17,189 --> 00:14:16,160
mean to throw shade on people because i

410
00:14:19,750 --> 00:14:17,199
know they're all there for their own

411
00:14:21,990 --> 00:14:19,760
reasons and that's kind of

412
00:14:23,269 --> 00:14:22,000
everyone who watches this don't go crazy

413
00:14:26,230 --> 00:14:23,279

in the comments because i meant that in

414

00:14:28,230 --> 00:14:26,240

a a jest kind of way dude you'll go home

415

00:14:30,150 --> 00:14:28,240

with like a bag of stuff and be like

416

00:14:32,230 --> 00:14:30,160

look what i got i got this i got this

417

00:14:34,069 --> 00:14:32,240

this this little amulet if you put it in

418

00:14:35,910 --> 00:14:34,079

the yard it attracts you know like

419

00:14:37,910 --> 00:14:35,920

gnomes

420

00:14:39,750 --> 00:14:37,920

you're like i don't know i got this set

421

00:14:43,350 --> 00:14:39,760

i got this like brass pyramid and you

422

00:14:44,470 --> 00:14:43,360

put it on your head and it makes you

423

00:14:46,310 --> 00:14:44,480

i'm smarter

424

00:14:48,310 --> 00:14:46,320

down for that kind of

425

00:14:49,750 --> 00:14:48,320

stuff absolutely man because at the time

426

00:14:51,670 --> 00:14:49,760

i bet it sounds incredible and you're

427

00:14:53,670 --> 00:14:51,680

just in the vibe and that and that's

428

00:14:56,470 --> 00:14:53,680

yeah yeah i'm i'm a sucker for that kind

429

00:15:01,189 --> 00:14:58,069

now one other thing that you've done is

430

00:15:04,310 --> 00:15:01,199

you also covered specific cases on your

431

00:15:07,350 --> 00:15:04,320

channel another aspect pascagoula travis

432

00:15:09,110 --> 00:15:07,360

wow and betty and barney hill so

433

00:15:10,790 --> 00:15:09,120

did you actually do some like really

434

00:15:11,910 --> 00:15:10,800

deep research into those cases or are

435

00:15:13,990 --> 00:15:11,920

these just things that you've just

436

00:15:15,829 --> 00:15:14,000

talked about and read about over the

437

00:15:18,069 --> 00:15:15,839

years and are just

438

00:15:20,069 --> 00:15:18,079

stuck in your head like how deep have

439

00:15:21,829 --> 00:15:20,079

you gone down the rabbit hole

440

00:15:24,150 --> 00:15:21,839

there's a little bit of both man

441

00:15:26,069 --> 00:15:24,160

a little bit of both

442

00:15:28,150 --> 00:15:26,079

half half the time i feel like in the

443

00:15:30,150 --> 00:15:28,160

early episodes

444

00:15:31,430 --> 00:15:30,160

we would get together for a podcast and

445

00:15:33,030 --> 00:15:31,440

joe would be like dude i've been

446

00:15:34,629 --> 00:15:33,040

researching this thing all week and then

447

00:15:36,389 --> 00:15:34,639

i'll look into it maybe like the last

448

00:15:37,749 --> 00:15:36,399

two days so i'll know a little bit of it

449

00:15:39,990 --> 00:15:37,759

like cliff notes

450

00:15:41,670 --> 00:15:40,000

and then we would just i would say hey

451
00:15:44,069 --> 00:15:41,680
is this right and he would you know fill

452
00:15:46,310 --> 00:15:44,079
in those those details and then you know

453
00:15:48,150 --> 00:15:46,320
you can catch live me going like

454
00:15:50,870 --> 00:15:48,160
what

455
00:15:52,550 --> 00:15:50,880
wait a minute i didn't know that

456
00:15:53,829 --> 00:15:52,560
that's kind of cool in a way though man

457
00:15:55,590 --> 00:15:53,839
i like that and i think this is the

458
00:15:57,430 --> 00:15:55,600
beauty of having two people host a

459
00:16:00,230 --> 00:15:57,440
podcast because obviously i do done this

460
00:16:01,910 --> 00:16:00,240
solo and i've done the odd show with

461
00:16:04,230 --> 00:16:01,920
co-hosts and things like that and it's a

462
00:16:06,230 --> 00:16:04,240
totally different vibe and then you add

463
00:16:07,990 --> 00:16:06,240

your connection as to

464

00:16:10,389 --> 00:16:08,000

best friends kind of thing it's like a

465

00:16:12,470 --> 00:16:10,399

recipe for success man so

466

00:16:14,310 --> 00:16:12,480

i can totally see that that's awesome

467

00:16:15,590 --> 00:16:14,320

man yeah yes

468

00:16:17,829 --> 00:16:15,600

it's definitely a little bit of both for

469

00:16:19,829 --> 00:16:17,839

sure man like because one of the big

470

00:16:21,910 --> 00:16:19,839

things for us was like the fun part was

471

00:16:24,069 --> 00:16:21,920

getting to like interact with people so

472

00:16:25,990 --> 00:16:24,079

like you know like you know the stories

473

00:16:28,949 --> 00:16:26,000

we've all heard the stories we know that

474

00:16:31,030 --> 00:16:28,959

we know all the you know all the the the

475

00:16:32,790 --> 00:16:31,040

one-liners and stuff to all the stories

476

00:16:34,870 --> 00:16:32,800

but then you go in you do a little bit

477

00:16:36,790 --> 00:16:34,880

more digging you start finding some cool

478

00:16:39,749 --> 00:16:36,800

stuff and then you start like popping up

479

00:16:42,069 --> 00:16:39,759

you know new questions and then you know

480

00:16:45,269 --> 00:16:42,079

it's not it's not always about like

481

00:16:47,670 --> 00:16:45,279

covering or explaining the entire story

482

00:16:50,150 --> 00:16:47,680

a lot of it is just telling the story

483

00:16:52,870 --> 00:16:50,160

and like resurfacing questions so you

484

00:16:54,949 --> 00:16:52,880

can like people can like grab onto that

485

00:16:57,189 --> 00:16:54,959

and they're like oh i've heard this and

486

00:16:58,710 --> 00:16:57,199

i've heard that it's it's amazing how

487

00:17:01,030 --> 00:16:58,720

many different answers you can get to

488

00:17:02,629 --> 00:17:01,040

one story or like to one question you

489

00:17:04,949 --> 00:17:02,639

know like so many people have heard so

490

00:17:06,150 --> 00:17:04,959

many different things and like that's

491

00:17:09,029 --> 00:17:06,160

how it's like

492

00:17:10,630 --> 00:17:09,039

like that's how like we learn is like oh

493

00:17:12,789 --> 00:17:10,640

you know you ask a question and you get

494

00:17:14,949 --> 00:17:12,799

five different answers now you go in you

495

00:17:16,789 --> 00:17:14,959

break down all five of those different

496

00:17:18,630 --> 00:17:16,799

answers and so

497

00:17:21,429 --> 00:17:18,640

it's almost like it almost makes the

498

00:17:22,949 --> 00:17:21,439

work easier than doing it beforehand

499

00:17:25,029 --> 00:17:22,959

and it's a lot more fun because you get

500

00:17:27,510 --> 00:17:25,039

to do it with other people

501
00:17:29,270 --> 00:17:27,520
yeah absolutely i completely i love that

502
00:17:30,710 --> 00:17:29,280
vibe totally

503
00:17:33,270 --> 00:17:30,720
yeah that makes a lot of sense man it's

504
00:17:35,029 --> 00:17:33,280
kind of like spitballing and

505
00:17:37,590 --> 00:17:35,039
yeah i love it

506
00:17:39,830 --> 00:17:37,600
yeah um improv

507
00:17:41,990 --> 00:17:39,840
yeah that's the thing man like sometimes

508
00:17:44,390 --> 00:17:42,000
you can be like prepared you could be

509
00:17:46,070 --> 00:17:44,400
over prepared and and that and then like

510
00:17:49,029 --> 00:17:46,080
you kind of lose a little bit of that

511
00:17:51,590 --> 00:17:49,039
natural kind of conversational vibe and

512
00:17:53,270 --> 00:17:51,600
bouncing ideas thoughts questions off of

513
00:17:55,510 --> 00:17:53,280

each other and that's something i've

514

00:17:56,549 --> 00:17:55,520

learned to become kind of aware of

515

00:17:57,830 --> 00:17:56,559

because

516

00:18:00,070 --> 00:17:57,840

you know i've only been doing this for a

517

00:18:01,669 --> 00:18:00,080

few months and before that i i hated

518

00:18:03,909 --> 00:18:01,679

being in front of the camera in fact i

519

00:18:05,350 --> 00:18:03,919

still don't particularly feel a hundred

520

00:18:07,909 --> 00:18:05,360

percent so

521

00:18:09,990 --> 00:18:07,919

yeah i'm still learning so to watch you

522

00:18:12,710 --> 00:18:10,000

guys and the the fun and the vibes that

523

00:18:14,789 --> 00:18:12,720

you have it it all adds to my

524

00:18:17,350 --> 00:18:14,799

kind of comfort in front of in front of

525

00:18:19,990 --> 00:18:17,360

the camera so yeah well yeah man feel it

526

00:18:21,750 --> 00:18:20,000

you're crushing it dude seriously

527

00:18:23,909 --> 00:18:21,760

i i did want to just add in there if

528

00:18:26,630 --> 00:18:23,919

anybody's looking for like a

529

00:18:28,549 --> 00:18:26,640

a very in detailed you know account of

530

00:18:30,549 --> 00:18:28,559

some of these episodes like we'll be

531

00:18:32,310 --> 00:18:30,559

talking about the episode for or the the

532

00:18:33,909 --> 00:18:32,320

story or case for like maybe five

533

00:18:34,789 --> 00:18:33,919

minutes and then we'll go on a rant for

534

00:18:42,230 --> 00:18:34,799

like

535

00:18:43,430 --> 00:18:42,240

some people get annoyed by that and

536

00:18:46,150 --> 00:18:43,440

they're like they don't even talk about

537

00:18:48,070 --> 00:18:46,160

aliens like half the time well you know

538

00:18:51,190 --> 00:18:48,080

we go off on tangents sometime okay like

539

00:18:51,990 --> 00:18:51,200

it's yeah but it works it works man

540

00:18:54,390 --> 00:18:52,000

one

541

00:18:55,590 --> 00:18:54,400

interview in in that really stands out

542

00:18:57,190 --> 00:18:55,600

when you talk about things like that is

543

00:18:58,390 --> 00:18:57,200

your interview with luella zondo man

544

00:18:59,830 --> 00:18:58,400

because

545

00:19:03,510 --> 00:18:59,840

you know when you went into that big

546

00:19:04,950 --> 00:19:03,520

gearheads conversation or you know

547

00:19:07,110 --> 00:19:04,960

i don't know anything about that kind of

548

00:19:09,270 --> 00:19:07,120

stuff but i was just

549

00:19:11,830 --> 00:19:09,280

hooked man like to see

550

00:19:13,830 --> 00:19:11,840

three people and with dan warren as well

551

00:19:16,870 --> 00:19:13,840

yeah it's just incredible i actually

552

00:19:19,909 --> 00:19:16,880

watched it again yesterday and man it's

553

00:19:22,150 --> 00:19:19,919

so much fun see to see lou's uh eyes you

554

00:19:23,669 --> 00:19:22,160

know think he he loves talking about

555

00:19:25,110 --> 00:19:23,679

that stuff i mean

556

00:19:27,110 --> 00:19:25,120

i love uh

557

00:19:28,470 --> 00:19:27,120

that aspect of uh

558

00:19:29,990 --> 00:19:28,480

particularly that interview but like

559

00:19:31,830 --> 00:19:30,000

anybody that we have on the show if we

560

00:19:33,909 --> 00:19:31,840

hit something that's not really about

561

00:19:35,590 --> 00:19:33,919

aliens or whatever and they get excited

562

00:19:36,549 --> 00:19:35,600

like why not talk about that just

563

00:19:38,630 --> 00:19:36,559

because

564

00:19:39,750 --> 00:19:38,640

your podcast is about yeah it's it's fun

565

00:19:42,789 --> 00:19:39,760

to kind of

566

00:19:44,710 --> 00:19:42,799

humanize people you know exactly man

567

00:19:46,710 --> 00:19:44,720

like louis lozando is like this dark

568

00:19:48,950 --> 00:19:46,720

scary figure in the shadows of the

569

00:19:51,270 --> 00:19:48,960

government and it turns out like oh yeah

570

00:19:53,510 --> 00:19:51,280

he likes uh cars and fart jokes and

571

00:19:55,750 --> 00:19:53,520

music you know that's cool you know

572

00:19:57,669 --> 00:19:55,760

that's good yeah so

573

00:19:59,430 --> 00:19:57,679

yeah man humanizing some of these people

574

00:20:01,430 --> 00:19:59,440

especially when you get into like the

575

00:20:03,510 --> 00:20:01,440

the abductees like a lot of the

576

00:20:05,750 --> 00:20:03,520

experiencers and they have like these

577

00:20:07,110 --> 00:20:05,760

you know these these insane experiences

578

00:20:09,909 --> 00:20:07,120

and people look at them like they're

579

00:20:12,310 --> 00:20:09,919

they're different and then like oh

580

00:20:15,750 --> 00:20:12,320

you you love sandwiches just as much as

581

00:20:18,470 --> 00:20:15,760

i do you know it's very humanizing and

582

00:20:20,070 --> 00:20:18,480

it takes away kind of that that that

583

00:20:22,070 --> 00:20:20,080

that spookiness about the whole

584

00:20:24,549 --> 00:20:22,080

situation it's like yeah some spooky

585

00:20:26,789 --> 00:20:24,559

stuff happened but look we all got lives

586

00:20:28,710 --> 00:20:26,799

to keep living these people maybe need a

587

00:20:30,710 --> 00:20:28,720

little extra help a little extra love

588

00:20:32,630 --> 00:20:30,720

occasionally but like they're living

589

00:20:35,350 --> 00:20:32,640

their lives just like everybody else is

590

00:20:37,350 --> 00:20:35,360

man they're just people which which then

591

00:20:38,950 --> 00:20:37,360

in turn should really open you up a lot

592

00:20:41,510 --> 00:20:38,960

more and say

593

00:20:43,830 --> 00:20:41,520

oh damn i just uh i woke up i had to go

594

00:20:46,310 --> 00:20:43,840

to work i took care of the kids and i do

595

00:20:48,789 --> 00:20:46,320

remember something crazy happening and i

596

00:20:50,950 --> 00:20:48,799

just never really thought about it and

597

00:20:53,590 --> 00:20:50,960

then you start to think wow this is

598

00:20:55,110 --> 00:20:53,600

happening to a whole lot of people holy

599

00:20:56,710 --> 00:20:55,120

crap you know

600

00:20:58,549 --> 00:20:56,720

so totally man

601
00:21:00,549 --> 00:20:58,559
have you guys spoken to any experiences

602
00:21:03,270 --> 00:21:00,559
or interviewed any

603
00:21:06,070 --> 00:21:03,280
yeah yeah uh yeah quite a few quite a

604
00:21:07,909 --> 00:21:06,080
few actually um you know the documentary

605
00:21:10,230 --> 00:21:07,919
that we're doing is actually about an

606
00:21:13,190 --> 00:21:10,240
experiencer um everyone from like

607
00:21:15,669 --> 00:21:13,200
samantha moet to you know melinda leslie

608
00:21:17,110 --> 00:21:15,679
uh you know just there's there's uh

609
00:21:19,270 --> 00:21:17,120
they're all over the place and a lot of

610
00:21:21,029 --> 00:21:19,280
them are are the researchers that are

611
00:21:22,549 --> 00:21:21,039
doing a lot of the big stuff in the

612
00:21:25,510 --> 00:21:22,559
field you know which is really important

613
00:21:28,230 --> 00:21:25,520

but then also man we have just listeners

614

00:21:30,149 --> 00:21:28,240

who email us on the show like hey

615

00:21:32,789 --> 00:21:30,159

i've never told anybody this before but

616

00:21:34,789 --> 00:21:32,799

uh i i i like to come on and just chat

617

00:21:36,950 --> 00:21:34,799

with you guys and they come on and tell

618

00:21:39,909 --> 00:21:36,960

us about their experiences and you know

619

00:21:41,669 --> 00:21:39,919

sometimes it takes a couple episodes for

620

00:21:43,669 --> 00:21:41,679

them to kind of get in the groove a

621

00:21:45,669 --> 00:21:43,679

little bit but man it's it's a lot of

622

00:21:48,070 --> 00:21:45,679

fun i i feel like a lot of times people

623

00:21:50,549 --> 00:21:48,080

are just looking for an ear that's going

624

00:21:52,470 --> 00:21:50,559

to listen you know

625

00:21:54,070 --> 00:21:52,480

man yeah

626
00:21:56,549 --> 00:21:54,080
and it's not always about the you know

627
00:21:58,789 --> 00:21:56,559
our show isn't always about the ah aha

628
00:22:00,070 --> 00:21:58,799
gotcha moment you know it seems like a

629
00:22:02,230 --> 00:22:00,080
lot of people are always trying to get

630
00:22:03,990 --> 00:22:02,240
you you know always trying to rip apart

631
00:22:05,669 --> 00:22:04,000
your story and break it down to like the

632
00:22:07,430 --> 00:22:05,679
finest details but

633
00:22:08,950 --> 00:22:07,440
the more the stuff you hear the more you

634
00:22:10,789 --> 00:22:08,960
find out that like

635
00:22:12,870 --> 00:22:10,799
a lot of those fine details are hard to

636
00:22:15,350 --> 00:22:12,880
remember in a lot of these cases it

637
00:22:17,350 --> 00:22:15,360
doesn't seem to be that easy so man

638
00:22:19,270 --> 00:22:17,360

really we just we just want to hear your

639

00:22:21,750 --> 00:22:19,280

story and we want to hear kind of like

640

00:22:23,909 --> 00:22:21,760

how are you feeling man like we want to

641

00:22:26,630 --> 00:22:23,919

know how you're doing after all this

642

00:22:27,990 --> 00:22:26,640

basically is what it comes down to like

643

00:22:31,830 --> 00:22:28,000

i don't want to

644

00:22:33,590 --> 00:22:31,840

or hold you up on a pedestal i just want

645

00:22:35,270 --> 00:22:33,600

to know how you're doing now you know

646

00:22:37,990 --> 00:22:35,280

you're doing harder right really

647

00:22:41,350 --> 00:22:38,000

yeah i i like that's so cool man because

648

00:22:44,230 --> 00:22:41,360

i i feel the same you know my home as i

649

00:22:47,190 --> 00:22:44,240

say home is instagram and we we've built

650

00:22:49,590 --> 00:22:47,200

and formed a community there that is

651

00:22:51,830 --> 00:22:49,600

it's like family now and there's

652

00:22:53,909 --> 00:22:51,840

loads of people who are literally all

653

00:22:54,630 --> 00:22:53,919

over the world and we all kind of they

654

00:22:56,789 --> 00:22:54,640

all

655

00:22:59,029 --> 00:22:56,799

came to me or talked between each other

656

00:23:01,430 --> 00:22:59,039

and we just seem to have just all

657

00:23:02,230 --> 00:23:01,440

formed this bubble and we talk regularly

658

00:23:06,470 --> 00:23:02,240

and

659

00:23:08,149 --> 00:23:06,480

still a little bemused because i've

660

00:23:09,190 --> 00:23:08,159

never seen anything or experienced

661

00:23:11,990 --> 00:23:09,200

anything

662

00:23:13,909 --> 00:23:12,000

but i've made a safe space for everyone

663

00:23:16,310 --> 00:23:13,919

and i guess it sounds like you guys have

664

00:23:18,149 --> 00:23:16,320

done exactly the same so i totally

665

00:23:19,590 --> 00:23:18,159

relate and it's nice

666

00:23:23,110 --> 00:23:19,600

to just care

667

00:23:24,630 --> 00:23:23,120

and talk yeah

668

00:23:26,470 --> 00:23:24,640

dude that's awesome that you have like

669

00:23:27,669 --> 00:23:26,480

that community dude that's that's so

670

00:23:30,310 --> 00:23:27,679

cool like

671

00:23:32,070 --> 00:23:30,320

it's it's crazy like when you make that

672

00:23:34,230 --> 00:23:32,080

safe space how

673

00:23:37,270 --> 00:23:34,240

freeing and uh i don't know like

674

00:23:39,590 --> 00:23:37,280

positive and un uplifting it can be

675

00:23:42,070 --> 00:23:39,600

rather than being on you know some some

676

00:23:43,190 --> 00:23:42,080

hashtag that's only about nuts and bolts

677

00:23:44,950 --> 00:23:43,200

where you know

678

00:23:46,710 --> 00:23:44,960

that no one's you know not everybody's

679

00:23:48,390 --> 00:23:46,720

gonna believe your story but yeah when

680

00:23:50,870 --> 00:23:48,400

you have that tight community

681

00:23:53,110 --> 00:23:50,880

uh phil's i feel like for the most part

682

00:23:56,230 --> 00:23:53,120

they're very uplifting and support

683

00:23:57,669 --> 00:23:56,240

supportive and i mean [h__\h] who who needs

684

00:23:58,630 --> 00:23:57,679

that kind of stuff better than somebody

685

00:24:02,390 --> 00:23:58,640

who's

686

00:24:04,470 --> 00:24:02,400

seen an actual alien or been abducted by

687

00:24:06,710 --> 00:24:04,480

by an extraterrestrial like that's got

688

00:24:09,190 --> 00:24:06,720

to be some life-changing stuff man

689

00:24:11,110 --> 00:24:09,200

absolutely man i mean i this is what

690

00:24:13,590 --> 00:24:11,120

i've learned you know speaking to people

691

00:24:15,510 --> 00:24:13,600

that have seen things have held inside a

692

00:24:17,029 --> 00:24:15,520

lot a lot of the time for many years

693

00:24:18,710 --> 00:24:17,039

it's like when you

694

00:24:20,230 --> 00:24:18,720

when they talk to you and you see that

695

00:24:21,909 --> 00:24:20,240

release and that almost you can almost

696

00:24:24,549 --> 00:24:21,919

physically see the weight lifted off

697

00:24:26,149 --> 00:24:24,559

their shoulders it's like whoa

698

00:24:28,070 --> 00:24:26,159

man like that's

699

00:24:30,070 --> 00:24:28,080

that's heavy and

700

00:24:33,029 --> 00:24:30,080

for me to be able to help them out just

701

00:24:35,669 --> 00:24:33,039

by listening and not judging

702

00:24:38,310 --> 00:24:35,679

man it's a powerful thing so yeah i

703

00:24:40,789 --> 00:24:38,320

never really imagined i'd be that person

704

00:24:42,710 --> 00:24:40,799

but i'm glad i am you know so

705

00:24:44,870 --> 00:24:42,720

yeah you feel it uh you feel the tide

706

00:24:46,950 --> 00:24:44,880

switching a little bit like

707

00:24:48,870 --> 00:24:46,960

i don't know like it's hard for me and

708

00:24:51,830 --> 00:24:48,880

ben to speak right because we're pretty

709

00:24:54,470 --> 00:24:51,840

new to the community as well like the

710

00:24:57,510 --> 00:24:54,480

subject is lifelong but like kind of

711

00:24:59,750 --> 00:24:57,520

like dipping your toe into the community

712

00:25:02,470 --> 00:24:59,760

is is brand new to us and just from

713

00:25:04,950 --> 00:25:02,480

observing on the outside in a lot of the

714

00:25:07,909 --> 00:25:04,960

stuff that you get is a lot of the the

715

00:25:10,070 --> 00:25:07,919

old school stuff first and then we start

716

00:25:11,909 --> 00:25:10,080

getting into this newer layer of things

717

00:25:13,510 --> 00:25:11,919

that are happening and it's just really

718

00:25:16,070 --> 00:25:13,520

interesting because a lot of the old

719

00:25:18,149 --> 00:25:16,080

school stuff is really like it's it's

720

00:25:20,070 --> 00:25:18,159

really like hard knocks right you you

721

00:25:21,669 --> 00:25:20,080

either know it or you don't know it and

722

00:25:23,430 --> 00:25:21,679

if you needed help you had to find some

723

00:25:25,190 --> 00:25:23,440

guy who knew some stuff about some

724

00:25:27,029 --> 00:25:25,200

things that you had to cross-reference

725

00:25:28,549 --> 00:25:27,039

with somebody else you know to get some

726

00:25:30,390 --> 00:25:28,559

help for this thing and now it's like

727

00:25:33,269 --> 00:25:30,400

you're starting to see more people just

728

00:25:34,870 --> 00:25:33,279

kind of open up about information and

729

00:25:36,549 --> 00:25:34,880

just like help and you're starting to

730

00:25:38,230 --> 00:25:36,559

see like instead of this like

731

00:25:40,710 --> 00:25:38,240

secretiveness you're starting to see

732

00:25:42,310 --> 00:25:40,720

this like hey let's let's like let's

733

00:25:43,190 --> 00:25:42,320

help each other out a little bit you're

734

00:25:45,110 --> 00:25:43,200

starting to see a little more

735

00:25:47,190 --> 00:25:45,120

camaraderie i think like a lot of the

736

00:25:48,470 --> 00:25:47,200

newer generation is kind of over the

737

00:25:50,710 --> 00:25:48,480

whole like

738

00:25:53,269 --> 00:25:50,720

you know like we're just gonna be like

739

00:25:55,669 --> 00:25:53,279

grumpy about stuff and like

740

00:25:57,990 --> 00:25:55,679

angry all the time because i i totally

741

00:25:59,590 --> 00:25:58,000

get it i totally get it man these people

742

00:26:02,390 --> 00:25:59,600

have been putting in their time and

743

00:26:05,350 --> 00:26:02,400

effort for a long time like 50 plus

744

00:26:07,750 --> 00:26:05,360

years and nobody they they've they've

745

00:26:09,110 --> 00:26:07,760

done the hard part for us right yeah and

746

00:26:10,470 --> 00:26:09,120

i think that's something that we all

747

00:26:13,669 --> 00:26:10,480

need to appreciate

748

00:26:15,750 --> 00:26:13,679

100 because i i do 100 percent i

749

00:26:17,830 --> 00:26:15,760

appreciate all that hard work and effort

750

00:26:19,510 --> 00:26:17,840

that they put in all the people that

751

00:26:22,230 --> 00:26:19,520

like you know

752

00:26:24,789 --> 00:26:22,240

lost the jobs and wrote the books and

753

00:26:26,390 --> 00:26:24,799

like did the hardcore research and some

754

00:26:27,510 --> 00:26:26,400

people even died i mean let's be honest

755

00:26:29,830 --> 00:26:27,520

like this yeah

756

00:26:31,750 --> 00:26:29,840

it's not all it's not all fun and games

757

00:26:33,110 --> 00:26:31,760

a lot of it gets really serious

758

00:26:34,789 --> 00:26:33,120

especially when you start getting into

759

00:26:36,630 --> 00:26:34,799

the secrets and the government and all

760

00:26:38,630 --> 00:26:36,640

that stuff and you can go wherever we

761

00:26:41,430 --> 00:26:38,640

want to with that but those people put

762

00:26:42,789 --> 00:26:41,440

in the hard work so i can i totally

763

00:26:44,230 --> 00:26:42,799

understand when you see a bunch of new

764

00:26:45,669 --> 00:26:44,240

people come in they're like oh they're

765

00:26:47,510 --> 00:26:45,679

just [h__h] repeating everything

766

00:26:50,149 --> 00:26:47,520

everybody else said and you know they

767

00:26:52,549 --> 00:26:50,159

get upset about it but you know

768

00:26:54,470 --> 00:26:52,559

we're we are all learning and we are the

769

00:26:56,149 --> 00:26:54,480

new generation and melinda leslie has

770

00:26:58,549 --> 00:26:56,159

i've heard her say it too is like hey

771

00:27:01,110 --> 00:26:58,559

you know the best we can do is teach all

772

00:27:03,430 --> 00:27:01,120

these new people what we know and keep

773

00:27:06,230 --> 00:27:03,440

the ball moving forward like and that's

774

00:27:07,590 --> 00:27:06,240

that's like so cool of people to start

775

00:27:09,190 --> 00:27:07,600

feeling that way

776

00:27:11,830 --> 00:27:09,200

and uh helping out the younger

777

00:27:13,510 --> 00:27:11,840

generation because dude now that we're

778

00:27:15,190 --> 00:27:13,520

starting to kind of bring each other

779

00:27:16,710 --> 00:27:15,200

together we're gonna start kicking some

780

00:27:17,990 --> 00:27:16,720

ass dude like we're actually getting

781

00:27:18,950 --> 00:27:18,000

some secrets

782

00:27:20,710 --> 00:27:18,960

yes

783

00:27:22,070 --> 00:27:20,720

yeah no it completely i feel i think

784

00:27:24,950 --> 00:27:22,080

this is what i've started feeling is

785

00:27:26,950 --> 00:27:24,960

that we're coming from wherever we are

786

00:27:29,669 --> 00:27:26,960

we're you know thousands of miles apart

787

00:27:31,830 --> 00:27:29,679

but we're a cog each of us is a cog when

788

00:27:34,789 --> 00:27:31,840

we come together put those cogs together

789

00:27:37,590 --> 00:27:34,799

we form a bigger machine works better

790

00:27:40,789 --> 00:27:37,600

you know so the more of that we get form

791

00:27:43,830 --> 00:27:40,799

like voltron and you know

792

00:27:46,830 --> 00:27:43,840

just do good things man yeah yeah

793

00:27:49,110 --> 00:27:46,840

power rangers ufo power rangers

794

00:27:51,190 --> 00:27:49,120

yeah i'm down

795

00:27:53,110 --> 00:27:51,200

uh blue eyes thank you so much for the

796

00:27:55,590 --> 00:27:53,120

five dollars saying cheech and chong

797

00:27:59,350 --> 00:27:55,600

reincarnate we're here

798

00:28:03,909 --> 00:28:01,750

awesome man um

799

00:28:05,430 --> 00:28:03,919

now you mentioned

800

00:28:07,510 --> 00:28:05,440

ten minutes ago five minutes ago this

801
00:28:10,149 --> 00:28:07,520
new documentary that you're working on

802
00:28:11,029 --> 00:28:10,159
now do i've got a trailer to play but do

803
00:28:14,149 --> 00:28:11,039
you want to just give us a little

804
00:28:16,230 --> 00:28:14,159
breakdown of how it came about and

805
00:28:18,710 --> 00:28:16,240
what it's what it's about totally you

806
00:28:22,149 --> 00:28:20,470
yeah uh

807
00:28:24,789 --> 00:28:22,159
we can kind of half this up a little bit

808
00:28:26,310 --> 00:28:24,799
ben but yeah man basically

809
00:28:28,149 --> 00:28:26,320
what

810
00:28:29,669 --> 00:28:28,159
my daughter was uh i think she's hungry

811
00:28:32,630 --> 00:28:29,679
so i just she's crying in the background

812
00:28:34,789 --> 00:28:32,640
so i'll let you go first i'll take it

813
00:28:37,750 --> 00:28:34,799

so man basically it started out you know

814

00:28:39,750 --> 00:28:37,760

i was just kind of listening to a radio

815

00:28:42,070 --> 00:28:39,760

show and uh

816

00:28:43,590 --> 00:28:42,080

dude we were you know i heard this story

817

00:28:45,669 --> 00:28:43,600

about this guy his name was eric

818

00:28:48,389 --> 00:28:45,679

mittell and i was like damn that's such

819

00:28:50,870 --> 00:28:48,399

a like a great that's a great story

820

00:28:53,190 --> 00:28:50,880

right and and it became one of my

821

00:28:55,590 --> 00:28:53,200

favorites and we ended up being at a

822

00:28:58,310 --> 00:28:55,600

conference that he was actually at

823

00:29:00,710 --> 00:28:58,320

and uh he was like hey can can you help

824

00:29:02,070 --> 00:29:00,720

me do something uh

825

00:29:03,350 --> 00:29:02,080

i'm trying to you know he's not very

826

00:29:05,110 --> 00:29:03,360

good with computers so we helped him

827

00:29:06,950 --> 00:29:05,120

with his computer and stuff like that

828

00:29:09,350 --> 00:29:06,960

and and we ended up just kind of

829

00:29:12,549 --> 00:29:09,360

becoming buddies and he was looking for

830

00:29:14,310 --> 00:29:12,559

somebody to tell his story and

831

00:29:16,470 --> 00:29:14,320

you know we were like hey if you ever

832

00:29:17,510 --> 00:29:16,480

want to do some audio stuff man we can

833

00:29:19,350 --> 00:29:17,520

definitely

834

00:29:21,909 --> 00:29:19,360

track all that audio for you and we can

835

00:29:24,149 --> 00:29:21,919

get your full story and he was like yeah

836

00:29:25,590 --> 00:29:24,159

that'd be kind of cool and then ben had

837

00:29:27,029 --> 00:29:25,600

kind of mentioned like well maybe we

838

00:29:28,630 --> 00:29:27,039

could take like a little bit of video of

839

00:29:30,630 --> 00:29:28,640

him he's like i got the brand new iphone

840

00:29:33,269 --> 00:29:30,640

dude it takes amazing video right which

841

00:29:35,190 --> 00:29:33,279

it does so we thought hey we'll set up

842

00:29:37,430 --> 00:29:35,200

and kind of you know hang out and just

843

00:29:39,750 --> 00:29:37,440

do some audio and this cool little you

844

00:29:41,190 --> 00:29:39,760

know little video portion for it and

845

00:29:42,149 --> 00:29:41,200

we'll put it on the internet and that'll

846

00:29:45,110 --> 00:29:42,159

be that

847

00:29:48,870 --> 00:29:45,120

well and ben had a buddy um that

848

00:29:50,870 --> 00:29:48,880

actually does like film stuff and uh and

849

00:29:53,110 --> 00:29:50,880

uh he was like

850

00:29:54,630 --> 00:29:53,120

hell yeah i will definitely help you out

851

00:29:56,870 --> 00:29:54,640

to do that he was like that'd just be a

852

00:29:59,190 --> 00:29:56,880

cool project to be a part of so it's

853

00:30:01,830 --> 00:29:59,200

kind of evolved into like

854

00:30:04,149 --> 00:30:01,840

um most people would call it like this

855

00:30:06,389 --> 00:30:04,159

whole thing right

856

00:30:08,870 --> 00:30:06,399

like it's turned into this thing it's

857

00:30:10,310 --> 00:30:08,880

kind of taken a life of its own and man

858

00:30:12,389 --> 00:30:10,320

we ended up getting some really cool

859

00:30:15,190 --> 00:30:12,399

people to just hang out with us in the

860

00:30:16,950 --> 00:30:15,200

documentary and and and help tell eric's

861

00:30:19,750 --> 00:30:16,960

story

862

00:30:22,310 --> 00:30:19,760

dude yeah yeah that's incredible man i

863

00:30:24,789 --> 00:30:22,320

love those like grassroots things that

864

00:30:26,149 --> 00:30:24,799

sprout from a seed and just grow into

865

00:30:28,870 --> 00:30:26,159

something

866

00:30:30,389 --> 00:30:28,880

so big and so awesome so yeah then do

867

00:30:33,029 --> 00:30:30,399

you want to add anything before we show

868

00:30:34,789 --> 00:30:33,039

the trailer uh nah i mean joe you

869

00:30:36,950 --> 00:30:34,799

covered it pretty pretty well dude i

870

00:30:38,470 --> 00:30:36,960

mean it's yeah like you said vinnie it's

871

00:30:40,630 --> 00:30:38,480

it started from humble beginnings like

872

00:30:43,830 --> 00:30:40,640

hey let's just uh record it audio and

873

00:30:45,350 --> 00:30:43,840

then uh i thought yeah it's it's pretty

874

00:30:46,950 --> 00:30:45,360

cool to see how big this whole

875

00:30:49,510 --> 00:30:46,960

production has come

876

00:30:51,110 --> 00:30:49,520

yeah it is a whole thing now like we're

877

00:30:52,870 --> 00:30:51,120

we're like actually we want to do a good

878

00:30:54,230 --> 00:30:52,880

job you know yeah we're not trying to

879

00:30:56,149 --> 00:30:54,240

put it on

880

00:30:57,909 --> 00:30:56,159

yeah we are invested so

881

00:30:59,509 --> 00:30:57,919

and one thing i wanted to point out too

882

00:31:01,909 --> 00:30:59,519

is like

883

00:31:03,269 --> 00:31:01,919

we've we kind of talked about this on

884

00:31:05,590 --> 00:31:03,279

how like

885

00:31:06,870 --> 00:31:05,600

this is this is eric's story man you

886

00:31:09,990 --> 00:31:06,880

know like

887

00:31:12,549 --> 00:31:10,000

yeah ufo garage is kind of has kind of

888

00:31:14,950 --> 00:31:12,559

put this whole thing together um but

889

00:31:17,190 --> 00:31:14,960

it's it's not so much ufo garage man

890

00:31:19,590 --> 00:31:17,200

this is this is eric's story we just so

891

00:31:20,950 --> 00:31:19,600

happen to be two dudes

892

00:31:23,269 --> 00:31:20,960

that were able to get a hold of some

893

00:31:24,549 --> 00:31:23,279

cameras and help this guy out you know

894

00:31:27,269 --> 00:31:24,559

and uh

895

00:31:30,710 --> 00:31:27,279

we don't we want it to be about the

896

00:31:32,230 --> 00:31:30,720

experiencers as a whole and about eric

897

00:31:33,990 --> 00:31:32,240

and about the people that are in this

898

00:31:37,750 --> 00:31:34,000

film the people that are putting in that

899

00:31:40,070 --> 00:31:37,760

groundwork um so it's got our name on it

900

00:31:41,669 --> 00:31:40,080

but his name is bigger and it's

901
00:31:44,950 --> 00:31:41,679
important for people to understand that

902
00:31:47,750 --> 00:31:44,960
this is about them like not us so much

903
00:31:49,990 --> 00:31:47,760
you know yeah totally man that's awesome

904
00:31:51,830 --> 00:31:50,000
i appreciate you saying that because

905
00:31:53,269 --> 00:31:51,840
i think a lot of experiences have felt a

906
00:31:55,269 --> 00:31:53,279
little bit like they've had a bit of a

907
00:31:57,190 --> 00:31:55,279
back seat over the last few years

908
00:31:58,549 --> 00:31:57,200
um and it is definitely

909
00:32:00,710 --> 00:31:58,559
not something that we should kind of

910
00:32:02,549 --> 00:32:00,720
push away from and that so

911
00:32:04,310 --> 00:32:02,559
yeah yeah let's let's check it out

912
00:32:05,350 --> 00:32:04,320
because i've seen it i'm itching to see

913
00:32:06,789 --> 00:32:05,360

it again and

914

00:32:08,149 --> 00:32:06,799

i think everyone in the chats are really

915

00:32:09,430 --> 00:32:08,159

going to appreciate so let's hope my

916

00:32:10,789 --> 00:32:09,440

share screen

917

00:32:13,430 --> 00:32:10,799

goes well

918

00:32:15,350 --> 00:32:13,440

here we go guys here we go hey that

919

00:32:16,549 --> 00:32:15,360

looks good here we go

920

00:32:22,549 --> 00:32:16,559

right everyone in the chat let me know

921

00:32:27,269 --> 00:32:24,870

oh i think we lost audio did we lose

922

00:32:32,149 --> 00:32:27,279

audio how do i

923

00:32:33,990 --> 00:32:32,159

okay um oh if you share a window or uh i

924

00:32:35,590 --> 00:32:34,000

think there's like an extra a tab where

925

00:32:37,190 --> 00:32:35,600

you can share a chrome tab and then

926
00:32:38,310 --> 00:32:37,200
there's a check mark that says share

927
00:32:40,149 --> 00:32:38,320
audio

928
00:32:43,110 --> 00:32:40,159
okay one second i knew this was gonna

929
00:32:44,230 --> 00:32:43,120
happen thank you guys no sound so let's

930
00:32:46,870 --> 00:32:44,240
try that again

931
00:32:49,269 --> 00:32:46,880
i got share screen or video file oh yeah

932
00:32:51,590 --> 00:32:49,279
so you go share screen

933
00:32:53,830 --> 00:32:51,600
and then uh it should be nice system

934
00:32:56,070 --> 00:32:53,840
audio yeah there you go

935
00:32:58,950 --> 00:32:56,080
thank you man

936
00:33:00,510 --> 00:32:58,960
i'm new to sharing screen video

937
00:33:21,190 --> 00:33:00,520
right let's go

938
00:33:24,630 --> 00:33:21,200

[Music]

939

00:33:27,590 --> 00:33:25,750

how do you

940

00:33:29,750 --> 00:33:27,600

even register the fact that this kind of

941

00:33:31,909 --> 00:33:29,760

thing is going on your brain puts it if

942

00:33:35,830 --> 00:33:31,919

you're a healthy person

943

00:33:41,190 --> 00:33:38,389

two billion earth-like planets out there

944

00:33:44,549 --> 00:33:41,200

the chances of having humanoids

945

00:33:47,750 --> 00:33:44,559

with advanced technology far beyond ours

946

00:33:49,269 --> 00:33:47,760

i would be willing to bet 100 percent

947

00:33:51,669 --> 00:33:49,279

i mean anyone watching this you have

948

00:33:53,430 --> 00:33:51,679

experiences if you have ichi experiences

949

00:33:55,350 --> 00:33:53,440

you're not alone

950

00:33:58,070 --> 00:33:55,360

knowing that it happened you you're at

951
00:33:59,990 --> 00:33:58,080
war with yourself all the time

952
00:34:01,269 --> 00:34:00,000
you're so far advanced that this stuff

953
00:34:03,269 --> 00:34:01,279
that we do

954
00:34:04,389 --> 00:34:03,279
doesn't really have any place in your

955
00:34:06,310 --> 00:34:04,399
existence

956
00:34:07,990 --> 00:34:06,320
and has nothing to do with math or

957
00:34:11,370 --> 00:34:08,000
sciences everything to do with

958
00:34:11,380 --> 00:34:34,710
[Music]

959
00:34:38,230 --> 00:34:35,669
noise

960
00:34:42,310 --> 00:34:40,389
now you're now you're muted

961
00:34:44,950 --> 00:34:42,320
yeah

962
00:34:47,669 --> 00:34:44,960
dudes that is like

963
00:34:49,990 --> 00:34:47,679

awesome that's like high budget kind of

964

00:34:52,550 --> 00:34:50,000

vibes like

965

00:34:55,430 --> 00:34:52,560

it it does it definitely has those vibes

966

00:34:56,710 --> 00:34:55,440

uh man but like you saw i mean the

967

00:35:01,030 --> 00:34:56,720

the

968

00:35:03,670 --> 00:35:01,040

very small it's it's you know a lot of

969

00:35:05,990 --> 00:35:03,680

it was done in like home towns of people

970

00:35:08,870 --> 00:35:06,000

you know like my hometown up in like

971

00:35:09,910 --> 00:35:08,880

arkansas we did somehow in arizona so

972

00:35:12,390 --> 00:35:09,920

you know we've done a little bit of

973

00:35:14,150 --> 00:35:12,400

traveling it's it's by no means like

974

00:35:17,109 --> 00:35:14,160

what you would call like a high budget

975

00:35:19,430 --> 00:35:17,119

film i mean i guess like for

976
00:35:21,589 --> 00:35:19,440
for like uh you know the amount of money

977
00:35:25,750 --> 00:35:21,599
that we make and that's in our pockets

978
00:35:27,349 --> 00:35:25,760
currently it's kind of high budget yeah

979
00:35:29,270 --> 00:35:27,359
but you know to somebody who's actually

980
00:35:32,069 --> 00:35:29,280
pumping out documentaries and doing this

981
00:35:33,990 --> 00:35:32,079
stuff and like you know it's it's it's a

982
00:35:36,550 --> 00:35:34,000
it's very small potatoes but we

983
00:35:39,270 --> 00:35:36,560
definitely wanted to do it justice

984
00:35:40,950 --> 00:35:39,280
uh if we were gonna do it you know once

985
00:35:43,589 --> 00:35:40,960
it got to that point to where we had the

986
00:35:47,109 --> 00:35:43,599
capabilities it's like will we just be

987
00:35:49,349 --> 00:35:47,119
stupid if we don't use all the stuff

988
00:35:51,750 --> 00:35:49,359

we have at our disposal like let's do it

989

00:35:55,670 --> 00:35:51,760

man like we all have had to learn how to

990

00:35:57,990 --> 00:35:55,680

do stuff and like edit video and like do

991

00:36:00,870 --> 00:35:58,000

scoring like everything has been done by

992

00:36:02,790 --> 00:36:00,880

us a lot of it by ben you know i'm just

993

00:36:05,270 --> 00:36:02,800

most the times a pretty face that helps

994

00:36:07,030 --> 00:36:05,280

move heavy [h__\h] around but like you know

995

00:36:09,270 --> 00:36:07,040

these guys are geniuses when it comes to

996

00:36:11,589 --> 00:36:09,280

computers and and like filming and stuff

997

00:36:13,910 --> 00:36:11,599

our buddy nico i mean that dude he's

998

00:36:16,150 --> 00:36:13,920

he's great dude i mean so a lot of it

999

00:36:18,870 --> 00:36:16,160

has just been a a learning experience

1000

00:36:20,630 --> 00:36:18,880

man like we're not we're not filmmakers

1001

00:36:22,550 --> 00:36:20,640

we're not none of that stuff we're just

1002

00:36:24,550 --> 00:36:22,560

some dudes who wanted to take a swing

1003

00:36:26,470 --> 00:36:24,560

man and see what happens and that's kind

1004

00:36:27,589 --> 00:36:26,480

of what happened so yeah but that's

1005

00:36:29,109 --> 00:36:27,599

awesome like you say it's eric

1006

00:36:31,430 --> 00:36:29,119

mittell's story but you've got people

1007

00:36:33,829 --> 00:36:31,440

like you mentioned melinda leslie and

1008

00:36:36,069 --> 00:36:33,839

there she was man it's like these people

1009

00:36:37,910 --> 00:36:36,079

are been around for a while and have

1010

00:36:39,190 --> 00:36:37,920

talked about this and it's nice to see

1011

00:36:40,550 --> 00:36:39,200

them

1012

00:36:42,310 --> 00:36:40,560

willing to do these kind of things and

1013

00:36:44,550 --> 00:36:42,320

keep telling their story and back up

1014

00:36:48,230 --> 00:36:44,560

other people and get involved with these

1015

00:36:50,470 --> 00:36:48,240

projects like like what you've done so

1016

00:36:52,630 --> 00:36:50,480

i mean you must have traveled you said

1017

00:36:54,790 --> 00:36:52,640

you did i mean how was that i mean it

1018

00:36:56,870 --> 00:36:54,800

must have been fun

1019

00:36:58,470 --> 00:36:56,880

nerve-wracking i can only imagine so

1020

00:37:00,630 --> 00:36:58,480

yeah talk us through like

1021

00:37:01,990 --> 00:37:00,640

that process just to get like to where

1022

00:37:03,190 --> 00:37:02,000

you're at now

1023

00:37:05,829 --> 00:37:03,200

so we

1024

00:37:07,030 --> 00:37:05,839

one of our travels was to sedona and uh

1025

00:37:09,430 --> 00:37:07,040

we were trying to figure out how we were

1026
00:37:11,190 --> 00:37:09,440
to get there man because i just like i'm

1027
00:37:13,430 --> 00:37:11,200
not going to put that many miles on a

1028
00:37:16,470 --> 00:37:13,440
car so

1029
00:37:18,950 --> 00:37:16,480
my wife like she's the uh

1030
00:37:22,310 --> 00:37:18,960
the hero in this she found us like the

1031
00:37:23,430 --> 00:37:22,320
cheapest cheapest like uh transportation

1032
00:37:25,670 --> 00:37:23,440
because we had to drive because we had

1033
00:37:26,950 --> 00:37:25,680
so much equipment um yeah she found us a

1034
00:37:28,630 --> 00:37:26,960
hertz van

1035
00:37:31,510 --> 00:37:28,640
and uh just like one of those big

1036
00:37:33,030 --> 00:37:31,520
parachute heard some pants no it was

1037
00:37:36,470 --> 00:37:33,040
dude i swear it was something like 20

1038
00:37:37,349 --> 00:37:36,480

bucks a day dude like it was right bro

1039

00:37:39,670 --> 00:37:37,359

yeah

1040

00:37:41,270 --> 00:37:39,680

uh but that that that whole drive man it

1041

00:37:42,710 --> 00:37:41,280

was fun it was like

1042

00:37:46,230 --> 00:37:42,720

just imagine the you know what we do for

1043

00:37:48,150 --> 00:37:46,240

our podcast but just like 24 7.

1044

00:37:50,310 --> 00:37:48,160

yeah i'm not gonna lie i think i think i

1045

00:37:52,710 --> 00:37:50,320

saw a little behind the scenes maybe on

1046

00:37:54,790 --> 00:37:52,720

instagram or something yeah yeah yeah

1047

00:37:56,550 --> 00:37:54,800

definitely no i was just like i want to

1048

00:37:57,990 --> 00:37:56,560

be there

1049

00:38:00,390 --> 00:37:58,000

it would have been sick like we had so

1050

00:38:01,990 --> 00:38:00,400

much leftover room like if we just had a

1051

00:38:03,109 --> 00:38:02,000

couple more people like pick them up

1052

00:38:05,589 --> 00:38:03,119

along the way you know that would have

1053

00:38:07,670 --> 00:38:05,599

been sick yeah yeah but like i was

1054

00:38:09,589 --> 00:38:07,680

saying before it i feel like the

1055

00:38:12,230 --> 00:38:09,599

experiencer

1056

00:38:14,150 --> 00:38:12,240

aspect and the people um have just had a

1057

00:38:15,109 --> 00:38:14,160

little bit of a backseat for a while now

1058

00:38:17,109 --> 00:38:15,119

and

1059

00:38:19,109 --> 00:38:17,119

we have focused a lot on military in the

1060

00:38:21,670 --> 00:38:19,119

past few years and i understand that

1061

00:38:24,550 --> 00:38:21,680

with the release of the 2017 new york

1062

00:38:26,550 --> 00:38:24,560

times article and the navy videos and

1063

00:38:28,870 --> 00:38:26,560

things that have

1064

00:38:30,950 --> 00:38:28,880

science and backing and evidence and

1065

00:38:32,870 --> 00:38:30,960

things like that but

1066

00:38:34,069 --> 00:38:32,880

just because we don't have the science

1067

00:38:35,910 --> 00:38:34,079

and the

1068

00:38:37,829 --> 00:38:35,920

the documents and that with experiences

1069

00:38:40,710 --> 00:38:37,839

i feel like they still have a story to

1070

00:38:42,550 --> 00:38:40,720

tell and you know it's good for them to

1071

00:38:45,109 --> 00:38:42,560

be able to put that out there so

1072

00:38:46,710 --> 00:38:45,119

kudos to you man and i cannot wait for

1073

00:38:48,390 --> 00:38:46,720

this to come out and i'll

1074

00:38:50,470 --> 00:38:48,400

i'll be pushing it as soon as it does

1075

00:38:52,390 --> 00:38:50,480

and i can promise you that much man so

1076

00:38:53,430 --> 00:38:52,400

yeah hell yeah i appreciate that man

1077

00:38:55,030 --> 00:38:53,440

they uh

1078

00:38:56,790 --> 00:38:55,040

you know with this with everything going

1079

00:38:59,270 --> 00:38:56,800

on it's kind of like

1080

00:39:02,230 --> 00:38:59,280

it's it's it's the next step

1081

00:39:04,390 --> 00:39:02,240

right i mean it's the next step like

1082

00:39:06,230 --> 00:39:04,400

once we have like all this confirmation

1083

00:39:08,790 --> 00:39:06,240

by the government and the military we

1084

00:39:10,710 --> 00:39:08,800

get the videos everybody's like we don't

1085

00:39:12,630 --> 00:39:10,720

know what it is even though we know they

1086

00:39:13,829 --> 00:39:12,640

know what it is you know like

1087

00:39:15,589 --> 00:39:13,839

now people are gonna start asking

1088

00:39:18,870 --> 00:39:15,599

questions okay

1089

00:39:21,109 --> 00:39:18,880

it's here now what oh well remember all

1090

00:39:23,670 --> 00:39:21,119

those people you thought were crazy for

1091

00:39:24,950 --> 00:39:23,680

70 plus years you know what i'm saying

1092

00:39:29,750 --> 00:39:24,960

uh

1093

00:39:31,829 --> 00:39:29,760

that you thought were crazy aren't so

1094

00:39:32,630 --> 00:39:31,839

crazy anymore and they have something to

1095

00:39:34,310 --> 00:39:32,640

say

1096

00:39:35,910 --> 00:39:34,320

and i think it's going to be really

1097

00:39:37,750 --> 00:39:35,920

interesting once people start you know

1098

00:39:40,230 --> 00:39:37,760

they're like well the government said

1099

00:39:41,910 --> 00:39:40,240

that this this stuff was existed right

1100

00:39:43,349 --> 00:39:41,920

and you know and they're like well yeah

1101

00:39:45,190 --> 00:39:43,359

and they're like so i mean like who's

1102

00:39:47,109 --> 00:39:45,200

doing this to you and they're like well

1103

00:39:50,550 --> 00:39:47,119

the government

1104

00:39:53,750 --> 00:39:50,560

you know or yeah or or the et's right

1105

00:39:54,710 --> 00:39:53,760

either one or or or is allowing the et's

1106

00:39:56,150 --> 00:39:54,720

for

1107

00:39:57,990 --> 00:39:56,160

this to happened whatever and this is

1108

00:39:59,910 --> 00:39:58,000

all the conspiracy part right yeah but

1109

00:40:02,470 --> 00:39:59,920

like it's gonna get brought up because

1110

00:40:05,990 --> 00:40:02,480

that's it's such a huge link in this

1111

00:40:08,470 --> 00:40:06,000

chain of of deceit that that has been

1112

00:40:10,870 --> 00:40:08,480

built over all these years so now it's

1113

00:40:14,069 --> 00:40:10,880

that's you know why don't we hear a lot

1114

00:40:16,470 --> 00:40:14,079

from experiencers yet maybe that's kind

1115

00:40:19,430 --> 00:40:16,480

of part of it because they're not ready

1116

00:40:21,349 --> 00:40:19,440

to cross that bridge yet um because when

1117

00:40:23,670 --> 00:40:21,359

we're talking disclosure we're talking

1118

00:40:25,990 --> 00:40:23,680

full disclosure that means we want to

1119

00:40:28,550 --> 00:40:26,000

know everything and some of the stuff

1120

00:40:30,230 --> 00:40:28,560

you hear you're probably not going to

1121

00:40:31,190 --> 00:40:30,240

like very much

1122

00:40:33,829 --> 00:40:31,200

yeah

1123

00:40:35,750 --> 00:40:33,839

people you might or might not know

1124

00:40:38,150 --> 00:40:35,760

or your government or somebody else's

1125

00:40:40,470 --> 00:40:38,160

government or world powers just in

1126
00:40:42,950 --> 00:40:40,480
general people who are pulling strings

1127
00:40:44,870 --> 00:40:42,960
you might not want to know right but

1128
00:40:47,589 --> 00:40:44,880
it's coming it's coming it may be

1129
00:40:48,950 --> 00:40:47,599
another 70 80 years but that's the next

1130
00:40:50,870 --> 00:40:48,960
step man

1131
00:40:53,109 --> 00:40:50,880
i completely agree man and that's the

1132
00:40:54,870 --> 00:40:53,119
thing is like i came at this subject

1133
00:40:57,990 --> 00:40:54,880
from a very nuts and bolts background

1134
00:40:59,430 --> 00:40:58,000
science research documentation evidence

1135
00:41:02,470 --> 00:40:59,440
data and

1136
00:41:04,150 --> 00:41:02,480
i guess proof or the nearest thing we

1137
00:41:06,390 --> 00:41:04,160
had to it right

1138
00:41:09,430 --> 00:41:06,400

and i've learned to

1139

00:41:10,790 --> 00:41:09,440

look into every aspect experiences

1140

00:41:14,069 --> 00:41:10,800

consciousness

1141

00:41:16,950 --> 00:41:14,079

um human cognitive contact i

1142

00:41:19,510 --> 00:41:16,960

see e5 and that kind of thing and

1143

00:41:21,190 --> 00:41:19,520

the whole woo factor and the more i've

1144

00:41:23,109 --> 00:41:21,200

looked into it the more there seems to

1145

00:41:24,790 --> 00:41:23,119

be some connect there i don't know what

1146

00:41:26,309 --> 00:41:24,800

or why or anything i don't have any

1147

00:41:29,510 --> 00:41:26,319

answers to that but

1148

00:41:31,270 --> 00:41:29,520

it's it's broadened me as a person to

1149

00:41:33,430 --> 00:41:31,280

give everybody a chance

1150

00:41:35,349 --> 00:41:33,440

and a voice which is exactly what you

1151

00:41:36,710 --> 00:41:35,359

guys are doing man so

1152

00:41:39,030 --> 00:41:36,720

yeah man it's like the conversation we

1153

00:41:41,030 --> 00:41:39,040

had 15 minutes ago everybody has a

1154

00:41:42,710 --> 00:41:41,040

normal life and just because they

1155

00:41:43,910 --> 00:41:42,720

experienced this or that doesn't make

1156

00:41:46,470 --> 00:41:43,920

them any less

1157

00:41:48,710 --> 00:41:46,480

a person as maybe someone that

1158

00:41:51,430 --> 00:41:48,720

can give something like evidential or

1159

00:41:53,589 --> 00:41:51,440

and that so yeah that's awesome it's

1160

00:41:55,349 --> 00:41:53,599

awesome that you came into this as a

1161

00:41:58,790 --> 00:41:55,359

nuts and bolts and now you're kind of

1162

00:42:00,390 --> 00:41:58,800

broadening your horizon like i guess

1163

00:42:01,990 --> 00:42:00,400

if i could ask a question what was that

1164

00:42:03,510 --> 00:42:02,000

one thing that kind of tipped you over

1165

00:42:05,190 --> 00:42:03,520

the edge

1166

00:42:06,550 --> 00:42:05,200

i guess it was

1167

00:42:07,510 --> 00:42:06,560

i mean i

1168

00:42:09,670 --> 00:42:07,520

obviously

1169

00:42:10,950 --> 00:42:09,680

watched the documentaries over the last

1170

00:42:14,230 --> 00:42:10,960

decade and that

1171

00:42:15,829 --> 00:42:14,240

dr stephen greer and and james fox and

1172

00:42:17,910 --> 00:42:15,839

very different angles and yeah

1173

00:42:20,309 --> 00:42:17,920

everything greer put out and and going

1174

00:42:22,309 --> 00:42:20,319

back to 2001 with the disclosure project

1175

00:42:24,309 --> 00:42:22,319

was just like this guy's doing some

1176

00:42:26,550 --> 00:42:24,319

incredible work he's a hero for this

1177

00:42:27,990 --> 00:42:26,560

community but then you know opinions and

1178

00:42:30,390 --> 00:42:28,000

things have changed in the last few

1179

00:42:32,069 --> 00:42:30,400

years as far as grier goes but

1180

00:42:34,390 --> 00:42:32,079

being on

1181

00:42:37,109 --> 00:42:34,400

so active on instagram meeting so many

1182

00:42:39,589 --> 00:42:37,119

of the people in that community who are

1183

00:42:41,990 --> 00:42:39,599

completely on the

1184

00:42:43,829 --> 00:42:42,000

the wu side of things let's say

1185

00:42:46,390 --> 00:42:43,839

meeting them realizing that we are

1186

00:42:48,470 --> 00:42:46,400

completely like-minded people but we're

1187

00:42:50,470 --> 00:42:48,480

just from different different areas but

1188

00:42:52,309 --> 00:42:50,480

in the middle when we are just normal

1189

00:42:54,150 --> 00:42:52,319

we're the same and that just made me

1190

00:42:56,390 --> 00:42:54,160

think hang on a minute like

1191

00:42:58,710 --> 00:42:56,400

we can i need to like broaden my

1192

00:43:00,470 --> 00:42:58,720

horizons here because everybody just

1193

00:43:03,430 --> 00:43:00,480

wants the same thing at the end of the

1194

00:43:05,109 --> 00:43:03,440

day how we get there might be different

1195

00:43:09,109 --> 00:43:05,119

but it's better to do it together than

1196

00:43:13,349 --> 00:43:12,150

vinnie for presidente

1197

00:43:15,190 --> 00:43:13,359

yeah

1198

00:43:18,230 --> 00:43:15,200

it's crazy like the stuff that kind of

1199

00:43:20,069 --> 00:43:18,240

like you run into that makes you like oh

1200

00:43:22,630 --> 00:43:20,079

it makes your ears perk up a little bit

1201

00:43:24,470 --> 00:43:22,640

you know like when i first got into this

1202

00:43:26,710 --> 00:43:24,480

the whole you know you talk about the

1203

00:43:28,550 --> 00:43:26,720

woo right and like we probably believed

1204

00:43:30,870 --> 00:43:28,560

in a whole bunch of woo

1205

00:43:32,150 --> 00:43:30,880

but some of the woo is like a little too

1206

00:43:34,069 --> 00:43:32,160

right when you start getting into like

1207

00:43:36,950 --> 00:43:34,079

this spiritual stuff and the

1208

00:43:39,750 --> 00:43:36,960

consciousness and i'll tell you dude

1209

00:43:42,230 --> 00:43:39,760

my i i had kind of a similar like

1210

00:43:44,150 --> 00:43:42,240

experience where like i had this switch

1211

00:43:47,670 --> 00:43:44,160

flipped we had met this lady her name

1212

00:43:50,630 --> 00:43:47,680

was vivian chavette and super sweet lady

1213

00:43:53,589 --> 00:43:50,640

claims to be an arcturian hybrid uh does

1214

00:43:57,510 --> 00:43:53,599

energy work and we interviewed her one

1215

00:43:59,030 --> 00:43:57,520

day and uh i gotta tell you completely

1216

00:44:01,270 --> 00:43:59,040

uh

1217

00:44:03,430 --> 00:44:01,280

flipped my world upside down she she

1218

00:44:04,470 --> 00:44:03,440

said that uh she had this little

1219

00:44:05,670 --> 00:44:04,480

necklace

1220

00:44:07,510 --> 00:44:05,680

that i could wear

1221

00:44:09,349 --> 00:44:07,520

and she gave it to me and she was like

1222

00:44:11,750 --> 00:44:09,359

yeah it's it'll help balance your

1223

00:44:13,670 --> 00:44:11,760

energies and she started talking about

1224

00:44:15,589 --> 00:44:13,680

like and uh you know if you have you

1225

00:44:17,670 --> 00:44:15,599

know like with your stomach problems

1226

00:44:18,630 --> 00:44:17,680

it'll probably loosen that up a little

1227

00:44:20,309 --> 00:44:18,640

bit and

1228

00:44:22,710 --> 00:44:20,319

the thing was i never even told her that

1229

00:44:25,190 --> 00:44:22,720

i was having stomach issues wow at the

1230

00:44:28,309 --> 00:44:25,200

time yeah i was weighing i weighed like

1231

00:44:29,750 --> 00:44:28,319

almost 230 pounds at the time and for

1232

00:44:31,589 --> 00:44:29,760

some reason like i didn't go to the

1233

00:44:33,030 --> 00:44:31,599

doctor or see what was wrong i just i

1234

00:44:34,550 --> 00:44:33,040

just thought maybe i was getting fat or

1235

00:44:36,790 --> 00:44:34,560

whatever i was just i was having a lot

1236

00:44:39,510 --> 00:44:36,800

of stomach issues at the time

1237

00:44:41,589 --> 00:44:39,520

she gives me this this this necklace

1238

00:44:44,309 --> 00:44:41,599

dude and i put it on and it's just

1239

00:44:47,190 --> 00:44:44,319

chilling outside my shirt and after we

1240

00:44:49,030 --> 00:44:47,200

do our little interview my my chest is

1241

00:44:51,349 --> 00:44:49,040

like hot and i'm like what the hell is

1242

00:44:53,430 --> 00:44:51,359

going on so i go to the bathroom and i

1243

00:44:56,790 --> 00:44:53,440

lift my shirt up and dude there's like a

1244

00:45:00,309 --> 00:44:56,800

perfect circle a perfect big ass red

1245

00:45:02,390 --> 00:45:00,319

circle on my chest like it couldn't get

1246

00:45:05,109 --> 00:45:02,400

any more perfect of a circle it's so

1247

00:45:06,550 --> 00:45:05,119

weird and i kind of like

1248

00:45:08,870 --> 00:45:06,560

went and i told ben i was like dude i

1249

00:45:10,550 --> 00:45:08,880

got this big ass red circle on my chest

1250

00:45:12,470 --> 00:45:10,560

it was just kind of like we're weirded

1251

00:45:14,150 --> 00:45:12,480

out by it and then i asked her about it

1252

00:45:16,309 --> 00:45:14,160

and she was like oh

1253

00:45:18,950 --> 00:45:16,319

your energy was so

1254

00:45:21,270 --> 00:45:18,960

like twisted and knotted up that

1255

00:45:24,069 --> 00:45:21,280

whenever you put this on and it started

1256

00:45:25,430 --> 00:45:24,079

to help that energy flow it all came out

1257

00:45:27,190 --> 00:45:25,440

of your chest

1258

00:45:29,910 --> 00:45:27,200

as like you know like a way to like

1259

00:45:31,270 --> 00:45:29,920

disperse disperse energy

1260

00:45:33,190 --> 00:45:31,280

that's how she kind of explained it i

1261

00:45:35,109 --> 00:45:33,200

was like that is so strange

1262

00:45:38,790 --> 00:45:35,119

and now dude like i'm sitting here and i

1263

00:45:41,109 --> 00:45:38,800

weigh 187 pounds like nice like high

1264

00:45:42,470 --> 00:45:41,119

school weight like you know i'm like i'm

1265

00:45:44,550 --> 00:45:42,480

not what you would consider like to be

1266

00:45:46,470 --> 00:45:44,560

like a healthy dude right like i eat

1267

00:45:47,990 --> 00:45:46,480

cheeseburgers and drink beer right and

1268

00:45:50,390 --> 00:45:48,000

and once you get into your 30s that

1269

00:45:53,030 --> 00:45:50,400

stuff starts to kind of you know do its

1270

00:45:55,270 --> 00:45:53,040

thing and you know whatever but

1271

00:45:57,670 --> 00:45:55,280

for whatever reason dude when she gave

1272

00:46:00,390 --> 00:45:57,680

me that i got that big red circle on my

1273

00:46:02,150 --> 00:46:00,400

chest and all my my stomach issues kind

1274

00:46:04,470 --> 00:46:02,160

of started going away

1275

00:46:06,870 --> 00:46:04,480

and really like whether

1276

00:46:09,670 --> 00:46:06,880

whether that had something to do with it

1277

00:46:12,470 --> 00:46:09,680

or the fact that i had this experience

1278

00:46:16,309 --> 00:46:12,480

that made me conscious of the ailments

1279

00:46:19,030 --> 00:46:16,319

of my body yeah either way dude

1280

00:46:21,829 --> 00:46:19,040

something something did something right

1281

00:46:24,710 --> 00:46:21,839

to make to make me feel good and i'm i'm

1282

00:46:26,870 --> 00:46:24,720

not against putting that all in my head

1283

00:46:28,630 --> 00:46:26,880

right i'm not against that argument at

1284

00:46:31,190 --> 00:46:28,640

all i as a matter of fact i i believe

1285

00:46:33,990 --> 00:46:31,200

maybe 50 of that was all

1286

00:46:36,630 --> 00:46:34,000

my on my mind right sure but i still

1287

00:46:39,109 --> 00:46:36,640

can't explain how she knew i was having

1288

00:46:42,069 --> 00:46:39,119

stomach issues and why this thing put a

1289

00:46:43,829 --> 00:46:42,079

big perfect red circle on my chest right

1290

00:46:46,150 --> 00:46:43,839

yeah so

1291

00:46:48,870 --> 00:46:46,160

it's it's like 50 50 for me and it

1292

00:46:50,630 --> 00:46:48,880

really kind of like opened my mind to

1293

00:46:52,950 --> 00:46:50,640

like whoa maybe there's something to

1294

00:46:56,470 --> 00:46:52,960

this and then the more i dig into this

1295

00:46:58,470 --> 00:46:56,480

whole like yeah vibrations consciousness

1296

00:47:01,510 --> 00:46:58,480

all this stuff that's that's literally

1297

00:47:03,670 --> 00:47:01,520

making the universe work as a whole

1298

00:47:06,630 --> 00:47:03,680

i just stop and think for a second well

1299

00:47:09,190 --> 00:47:06,640

if it makes the entire universe work why

1300

00:47:11,109 --> 00:47:09,200

doesn't it make my body work right yeah

1301
00:47:13,589 --> 00:47:11,119
and

1302
00:47:14,470 --> 00:47:13,599
it's as simple but as deep as that dude

1303
00:47:16,950 --> 00:47:14,480
you know

1304
00:47:18,550 --> 00:47:16,960
yeah i completely agree man that's the

1305
00:47:20,950 --> 00:47:18,560
thing i've seen the kind of woo and the

1306
00:47:23,109 --> 00:47:20,960
nuts and bolts come closer together and

1307
00:47:25,510 --> 00:47:23,119
i think a lot more recently there's you

1308
00:47:27,349 --> 00:47:25,520
know we just saw the release of that new

1309
00:47:29,190 --> 00:47:27,359
skin walkers at the pentagon book

1310
00:47:30,950 --> 00:47:29,200
regarding osap and things like that

1311
00:47:34,069 --> 00:47:30,960
where it's like the government we're

1312
00:47:37,750 --> 00:47:34,079
looking at so many strange things at

1313
00:47:39,030 --> 00:47:37,760

skinwalker ranch and ufos all under one

1314

00:47:39,910 --> 00:47:39,040

program

1315

00:47:41,750 --> 00:47:39,920

um

1316

00:47:43,589 --> 00:47:41,760

and it's it's caused a bit of an uproar

1317

00:47:45,910 --> 00:47:43,599

because yes we knew about a lot of that

1318

00:47:47,030 --> 00:47:45,920

before but just there's been a few

1319

00:47:48,870 --> 00:47:47,040

points

1320

00:47:49,990 --> 00:47:48,880

coming out of how it could really be

1321

00:47:51,670 --> 00:47:50,000

connected

1322

00:47:53,349 --> 00:47:51,680

it's caused a lot of controversy i sit

1323

00:47:56,390 --> 00:47:53,359

back on ufo twitter and just watch it

1324

00:47:58,470 --> 00:47:56,400

all unfold i don't get involved you know

1325

00:48:00,870 --> 00:47:58,480

it's better that way

1326
00:48:01,670 --> 00:48:00,880
yeah but do you do you think there is a

1327
00:48:02,549 --> 00:48:01,680
big

1328
00:48:04,950 --> 00:48:02,559
kind of

1329
00:48:07,109 --> 00:48:04,960
answer to a lot of it or do you think it

1330
00:48:09,349 --> 00:48:07,119
might be separate do you think there's

1331
00:48:11,670 --> 00:48:09,359
multiple races or like do you do you

1332
00:48:14,549 --> 00:48:11,680
have a a picture of

1333
00:48:16,630 --> 00:48:14,559
what it might be in your head or

1334
00:48:17,430 --> 00:48:16,640
uh i've i've got this idea mulling

1335
00:48:19,670 --> 00:48:17,440
around in my head that i've been

1336
00:48:22,549 --> 00:48:19,680
thinking about is is just like joe's

1337
00:48:25,109 --> 00:48:22,559
story where uh whether it was a nuts and

1338
00:48:27,750 --> 00:48:25,119

bolts thing or it was your mind the end

1339

00:48:30,309 --> 00:48:27,760

result happened and yeah if i could

1340

00:48:32,390 --> 00:48:30,319

relate that in a way uh to this this

1341

00:48:34,549 --> 00:48:32,400

phenomenon it doesn't matter if you're a

1342

00:48:36,870 --> 00:48:34,559

nuts and bolts craft kind of person you

1343

00:48:38,549 --> 00:48:36,880

know government conspiracy cover-up or

1344

00:48:41,430 --> 00:48:38,559

the spirituality aspect with the

1345

00:48:43,270 --> 00:48:41,440

consciousness of ce5 all that the end

1346

00:48:44,150 --> 00:48:43,280

result is what matters so it doesn't

1347

00:48:45,510 --> 00:48:44,160

really

1348

00:48:48,470 --> 00:48:45,520

this is how i feel right now like it

1349

00:48:49,910 --> 00:48:48,480

doesn't matter who's right but we can i

1350

00:48:50,950 --> 00:48:49,920

think we can all agree that it's doing

1351

00:48:53,349 --> 00:48:50,960

something to the collective

1352

00:48:54,549 --> 00:48:53,359

consciousness and we're heading in a

1353

00:48:56,549 --> 00:48:54,559

direction

1354

00:48:58,790 --> 00:48:56,559

and i feel like it's pretty positive

1355

00:49:00,950 --> 00:48:58,800

right now dude like i i think it's

1356

00:49:02,950 --> 00:49:00,960

headed in a direction though and we're

1357

00:49:04,309 --> 00:49:02,960

closer to whatever that is than we've

1358

00:49:07,190 --> 00:49:04,319

ever been

1359

00:49:08,790 --> 00:49:07,200

so yeah yeah that consciousness aspect

1360

00:49:10,710 --> 00:49:08,800

something's happening man it's pretty

1361

00:49:13,430 --> 00:49:10,720

it's pretty interesting yeah and and

1362

00:49:15,670 --> 00:49:13,440

i've always said dude i think in i think

1363

00:49:19,270 --> 00:49:15,680

in our search for little green men in a

1364

00:49:21,430 --> 00:49:19,280

spaceship uh we found something a lot

1365

00:49:24,069 --> 00:49:21,440

higher than that and we just didn't

1366

00:49:26,230 --> 00:49:24,079

realize it you know yeah absolutely we

1367

00:49:28,950 --> 00:49:26,240

found we found exactly what we were

1368

00:49:30,630 --> 00:49:28,960

looking for but but also we found a lot

1369

00:49:32,870 --> 00:49:30,640

more than we ever could have thought we

1370

00:49:35,030 --> 00:49:32,880

were gonna find and i think now that's

1371

00:49:37,910 --> 00:49:35,040

kind of what we're dealing with like

1372

00:49:39,829 --> 00:49:37,920

nuts and bolts like i love it i hope

1373

00:49:41,270 --> 00:49:39,839

there's a freaking spaceship flying

1374

00:49:42,069 --> 00:49:41,280

around with something inside of it dude

1375

00:49:44,390 --> 00:49:42,079

like i

1376

00:49:45,349 --> 00:49:44,400

want that so bad right but at the same

1377

00:49:47,190 --> 00:49:45,359

time

1378

00:49:48,630 --> 00:49:47,200

there could be this consciousness aspect

1379

00:49:50,309 --> 00:49:48,640

of something flying around that doesn't

1380

00:49:52,309 --> 00:49:50,319

even need a craft because it's so

1381

00:49:54,470 --> 00:49:52,319

powerful and connected with the universe

1382

00:49:57,510 --> 00:49:54,480

or whatever you want to call it dude

1383

00:49:58,950 --> 00:49:57,520

i think that is also a very big

1384

00:50:01,349 --> 00:49:58,960

plausibility

1385

00:50:03,030 --> 00:50:01,359

yeah i completely agree i think

1386

00:50:05,510 --> 00:50:03,040

at the end of the day we want the answer

1387

00:50:07,190 --> 00:50:05,520

the the big answer the big truth

1388

00:50:08,950 --> 00:50:07,200

but maybe it's more complicated than

1389

00:50:10,470 --> 00:50:08,960

that or maybe it isn't maybe it is a

1390

00:50:13,589 --> 00:50:10,480

nuts and bolts answer and that's where

1391

00:50:16,069 --> 00:50:13,599

the truth comes from yeah maybe

1392

00:50:18,069 --> 00:50:16,079

the the the individual c5 and

1393

00:50:20,309 --> 00:50:18,079

consciousness thing becomes just an

1394

00:50:22,150 --> 00:50:20,319

individual truth for that person

1395

00:50:23,990 --> 00:50:22,160

but it doesn't mean we can't look at it

1396

00:50:25,670 --> 00:50:24,000

it doesn't mean we have to put it to one

1397

00:50:26,390 --> 00:50:25,680

side it doesn't mean just because we

1398

00:50:29,190 --> 00:50:26,400

can't

1399

00:50:30,710 --> 00:50:29,200

study it with a known scientific method

1400

00:50:34,150 --> 00:50:30,720

it should just be

1401
00:50:36,069 --> 00:50:34,160
pushed to the wayside you know i think

1402
00:50:37,829 --> 00:50:36,079
coming together in this subject is

1403
00:50:40,549 --> 00:50:37,839
something that i've really found

1404
00:50:42,630 --> 00:50:40,559
helps it helps people in there every day

1405
00:50:44,230 --> 00:50:42,640
even when they're not looking at ufos or

1406
00:50:45,750 --> 00:50:44,240
studying researching it you know you

1407
00:50:47,510 --> 00:50:45,760
wake up and you'll be like i had a cool

1408
00:50:49,349 --> 00:50:47,520
conversation with some guys last night

1409
00:50:51,270 --> 00:50:49,359
and now i feel good today

1410
00:50:52,950 --> 00:50:51,280
right i'm just i'm just i'm just in the

1411
00:50:55,270 --> 00:50:52,960
supermarket getting some groceries or

1412
00:50:56,950 --> 00:50:55,280
whatever you know yeah kind of thing you

1413
00:50:58,710 --> 00:50:56,960

know but if you have an argument or or

1414

00:51:01,349 --> 00:50:58,720

get into something on twitter

1415

00:51:02,950 --> 00:51:01,359

that can affect people for oh for sure i

1416

00:51:05,109 --> 00:51:02,960

kind of i kind of feel like this subject

1417

00:51:07,109 --> 00:51:05,119

too is kind of like uh you know like

1418

00:51:09,109 --> 00:51:07,119

when you have a question and you and

1419

00:51:11,270 --> 00:51:09,119

like if people have questions and they

1420

00:51:12,870 --> 00:51:11,280

ask the dalai lama and then the dalai

1421

00:51:14,950 --> 00:51:12,880

lama tells you something so simple

1422

00:51:15,829 --> 00:51:14,960

you're like i'm such an idiot why didn't

1423

00:51:20,230 --> 00:51:15,839

i just

1424

00:51:22,309 --> 00:51:20,240

know you had this complicated life and

1425

00:51:24,950 --> 00:51:22,319

questions and then the dalai lama is

1426

00:51:26,390 --> 00:51:24,960

like you know take three naps a day if

1427

00:51:28,069 --> 00:51:26,400

you're like what and then you think

1428

00:51:30,390 --> 00:51:28,079

about it you're like dude the dalai lama

1429

00:51:32,230 --> 00:51:30,400

was so right dude you know or like i

1430

00:51:34,069 --> 00:51:32,240

feel so much better now like those old

1431

00:51:36,470 --> 00:51:34,079

like buddha scriptures and you're like

1432

00:51:39,510 --> 00:51:36,480

that's as simple as [h__h] like

1433

00:51:41,510 --> 00:51:39,520

you know like water flows with where the

1434

00:51:43,109 --> 00:51:41,520

least resistance you're like

1435

00:51:44,710 --> 00:51:43,119

yeah you're right water does flow like

1436

00:51:47,430 --> 00:51:44,720

with the least resistance maybe i should

1437

00:51:49,030 --> 00:51:47,440

start taking the path of my life of

1438

00:51:50,790 --> 00:51:49,040

least resistance and then your life

1439

00:51:52,309 --> 00:51:50,800

becomes easier you become happier you're

1440

00:51:54,230 --> 00:51:52,319

like that was so simple i kind of feel

1441

00:51:55,750 --> 00:51:54,240

like the ufo thing is that same way

1442

00:51:57,829 --> 00:51:55,760

we've got all these complicated

1443

00:52:00,069 --> 00:51:57,839

questions and like all these complicated

1444

00:52:01,510 --> 00:52:00,079

answers that we've built in our heads

1445

00:52:04,790 --> 00:52:01,520

but then when we get to the end we're

1446

00:52:06,390 --> 00:52:04,800

going to be like that was so simple why

1447

00:52:08,390 --> 00:52:06,400

why did it take so long for us to

1448

00:52:10,069 --> 00:52:08,400

realize that and i think it just has a

1449

00:52:12,069 --> 00:52:10,079

little bit to do with your consciousness

1450

00:52:14,150 --> 00:52:12,079

you know you raise that consciousness

1451
00:52:16,390 --> 00:52:14,160
and answers come to you that you didn't

1452
00:52:18,549 --> 00:52:16,400
think of before it's the same thing dude

1453
00:52:20,390 --> 00:52:18,559
when you talk to the dalai lama he says

1454
00:52:21,829 --> 00:52:20,400
something simple and that raises your

1455
00:52:23,910 --> 00:52:21,839
consciousness like five points and

1456
00:52:24,630 --> 00:52:23,920
you're like holy [h__h] you're right you

1457
00:52:26,790 --> 00:52:24,640
know

1458
00:52:28,790 --> 00:52:26,800
i'm higher than i was before i get it

1459
00:52:31,349 --> 00:52:28,800
now that makes so much sense

1460
00:52:33,829 --> 00:52:31,359
i love that man the last thing whatever

1461
00:52:35,990 --> 00:52:33,839
it is if we stay positive i think it's

1462
00:52:39,190 --> 00:52:36,000
always going to be beneficial the moment

1463
00:52:41,589 --> 00:52:39,200

we go negative or argumentative like

1464

00:52:42,790 --> 00:52:41,599

that's when things get get

1465

00:52:45,349 --> 00:52:42,800

just

1466

00:52:47,030 --> 00:52:45,359

things get put on pause because

1467

00:52:49,270 --> 00:52:47,040

who no one's got the answer on either

1468

00:52:50,950 --> 00:52:49,280

side so back and forth

1469

00:52:53,510 --> 00:52:50,960

you're still going to remain at the same

1470

00:52:56,069 --> 00:52:53,520

place afterwards so ignore all that in

1471

00:52:58,390 --> 00:52:56,079

between and you know

1472

00:52:59,829 --> 00:52:58,400

i know there's no simple way and i'm i

1473

00:53:01,270 --> 00:52:59,839

just wanted this to be that kind of

1474

00:53:02,710 --> 00:53:01,280

conversation where it's a bit of fern

1475

00:53:04,549 --> 00:53:02,720

and that but we're not knocking the

1476

00:53:06,549 --> 00:53:04,559

science we're not knocking

1477

00:53:09,750 --> 00:53:06,559

the woo we're kind of just saying that

1478

00:53:12,950 --> 00:53:09,760

everybody has fair game and has a voice

1479

00:53:15,910 --> 00:53:12,960

and deserves to not be ridiculed or put

1480

00:53:17,510 --> 00:53:15,920

below anybody else you know yeah

1481

00:53:19,670 --> 00:53:17,520

dude what if that's what if that simple

1482

00:53:21,190 --> 00:53:19,680

thing you know what if that's saying is

1483

00:53:22,950 --> 00:53:21,200

just just play the game you know

1484

00:53:25,670 --> 00:53:22,960

everybody's got a little role like just

1485

00:53:27,270 --> 00:53:25,680

play the game man that's maybe that's it

1486

00:53:28,470 --> 00:53:27,280

something really simple like that

1487

00:53:30,549 --> 00:53:28,480

because yeah

1488

00:53:32,630 --> 00:53:30,559

yeah i mean sometimes you just play to

1489

00:53:33,829 --> 00:53:32,640

have fun right you don't you don't have

1490

00:53:34,950 --> 00:53:33,839

to put the ball in the hole you're not

1491

00:53:37,109 --> 00:53:34,960

going to win a

1492

00:53:39,030 --> 00:53:37,119

cash prize at the end maybe it's just

1493

00:53:40,710 --> 00:53:39,040

fun i don't know

1494

00:53:42,630 --> 00:53:40,720

yeah and i understand that some people

1495

00:53:45,430 --> 00:53:42,640

do come into this with

1496

00:53:46,630 --> 00:53:45,440

certain viewpoints and can muddy the

1497

00:53:47,990 --> 00:53:46,640

waters

1498

00:53:50,549 --> 00:53:48,000

and obviously that

1499

00:53:52,870 --> 00:53:50,559

it doesn't help um so i

1500

00:53:54,790 --> 00:53:52,880

try to think i don't do that but

1501
00:53:57,030 --> 00:53:54,800
innocent conversation certainly doesn't

1502
00:53:57,910 --> 00:53:57,040
do that experiences i don't think do

1503
00:53:59,030 --> 00:53:57,920
that

1504
00:54:00,470 --> 00:53:59,040
um

1505
00:54:01,829 --> 00:54:00,480
i know it's a

1506
00:54:03,589 --> 00:54:01,839
it's a game

1507
00:54:06,390 --> 00:54:03,599
that has to be played and there's more

1508
00:54:08,630 --> 00:54:06,400
rules than we know probably but

1509
00:54:10,309 --> 00:54:08,640
no one comes in with intentions or very

1510
00:54:12,549 --> 00:54:10,319
few people come in with intentions of

1511
00:54:15,030 --> 00:54:12,559
disrupting it in a negative way but i

1512
00:54:16,870 --> 00:54:15,040
think it seems like

1513
00:54:18,390 --> 00:54:16,880

people get called out unnecessarily like

1514

00:54:20,309 --> 00:54:18,400

they're trying to do that i don't know

1515

00:54:22,549 --> 00:54:20,319

what do you reckon one hundred percent

1516

00:54:24,630 --> 00:54:22,559

dude i see a lot of that happening

1517

00:54:26,870 --> 00:54:24,640

yeah like it makes me want to like not

1518

00:54:29,270 --> 00:54:26,880

say as much stuff like i say stupid

1519

00:54:30,790 --> 00:54:29,280

stuff all the time but

1520

00:54:31,670 --> 00:54:30,800

i feel like it's got to be intimidating

1521

00:54:35,670 --> 00:54:31,680

for

1522

00:54:37,510 --> 00:54:35,680

something and just have that be an

1523

00:54:41,190 --> 00:54:37,520

option like if you say something wrong

1524

00:54:43,750 --> 00:54:41,200

or get a date wrong like man

1525

00:54:45,589 --> 00:54:43,760

i'm negative sometimes dude

1526
00:54:47,190 --> 00:54:45,599
that's the thing we see people come in

1527
00:54:48,789 --> 00:54:47,200
and

1528
00:54:50,390 --> 00:54:48,799
they have to be questioned because they

1529
00:54:52,789 --> 00:54:50,400
come they seem to there seems to be

1530
00:54:54,789 --> 00:54:52,799
seems to be some intent there to disrupt

1531
00:54:57,589 --> 00:54:54,799
and they need to be

1532
00:54:59,589 --> 00:54:57,599
dealt with yeah that's cool yeah they

1533
00:55:01,750 --> 00:54:59,599
see that in every aspect of life

1534
00:55:04,870 --> 00:55:01,760
it's like the the more

1535
00:55:07,190 --> 00:55:04,880
the more you act like you know the more

1536
00:55:09,190 --> 00:55:07,200
questions i have for you

1537
00:55:11,430 --> 00:55:09,200
you know the more serious questions i

1538
00:55:13,030 --> 00:55:11,440

have for you you know the the more that

1539

00:55:14,870 --> 00:55:13,040

you're like

1540

00:55:16,950 --> 00:55:14,880

dude i'm just i'm just trying to figure

1541

00:55:19,670 --> 00:55:16,960

it out hey i'm just trying to figure it

1542

00:55:21,750 --> 00:55:19,680

out too let's talk but if you're like oh

1543

00:55:24,309 --> 00:55:21,760

well i know this and and this person

1544

00:55:25,990 --> 00:55:24,319

came from here and and these people are

1545

00:55:26,950 --> 00:55:26,000

doing this stuff and they know about

1546

00:55:29,349 --> 00:55:26,960

this

1547

00:55:31,829 --> 00:55:29,359

i'm going to dig for every one of those

1548

00:55:35,109 --> 00:55:31,839

questions because you you know right you

1549

00:55:36,630 --> 00:55:35,119

know and if if i start digging for those

1550

00:55:39,510 --> 00:55:36,640

and you're lying

1551
00:55:42,069 --> 00:55:39,520
then i don't have to bury you dude like

1552
00:55:44,549 --> 00:55:42,079
the ufo community will eat its own in a

1553
00:55:46,870 --> 00:55:44,559
heartbeat if it has to you know they'll

1554
00:55:49,109 --> 00:55:46,880
take care of it for me so like you know

1555
00:55:51,430 --> 00:55:49,119
like it's not really you know almost

1556
00:55:53,589 --> 00:55:51,440
ben and i are almost like stupidity is

1557
00:55:55,109 --> 00:55:53,599
our armor you know so it's like it's

1558
00:55:57,190 --> 00:55:55,119
it's hard to kind of change our armor

1559
00:55:58,710 --> 00:55:57,200
because you know hey

1560
00:56:01,510 --> 00:55:58,720
we're just sometimes

1561
00:56:03,510 --> 00:56:01,520
do dummies asking some questions just

1562
00:56:05,270 --> 00:56:03,520
dudes being dudes man that's it and

1563
00:56:06,870 --> 00:56:05,280

drinking beer and a lot of times towards

1564

00:56:08,390 --> 00:56:06,880

the end of our episodes we end up

1565

00:56:11,750 --> 00:56:08,400

getting kind of drunk so it just gets

1566

00:56:13,589 --> 00:56:11,760

sillier as it goes nice

1567

00:56:15,829 --> 00:56:13,599

that sounds awesome man and you know

1568

00:56:17,030 --> 00:56:15,839

what i think you could ask a lot of

1569

00:56:18,950 --> 00:56:17,040

people that do

1570

00:56:20,630 --> 00:56:18,960

go into these really in-depth

1571

00:56:21,589 --> 00:56:20,640

conversations and back and forth on

1572

00:56:22,710 --> 00:56:21,599

twitter

1573

00:56:24,150 --> 00:56:22,720

at the end of the night they probably

1574

00:56:25,990 --> 00:56:24,160

sit at home and get drunk as well

1575

00:56:27,510 --> 00:56:26,000

they're no different but they just yeah

1576

00:56:29,589 --> 00:56:27,520

they just like air in their laundry

1577

00:56:31,190 --> 00:56:29,599

online a bit more you know but

1578

00:56:32,630 --> 00:56:31,200

you know i'm not trying to throw anyone

1579

00:56:34,390 --> 00:56:32,640

under the bus here either but i just

1580

00:56:36,069 --> 00:56:34,400

think that

1581

00:56:38,870 --> 00:56:36,079

sometimes you don't have to be so

1582

00:56:40,870 --> 00:56:38,880

intense and dramatic and yes it's

1583

00:56:43,349 --> 00:56:40,880

important and we all do want the answers

1584

00:56:45,829 --> 00:56:43,359

that's why i do what i do but

1585

00:56:48,309 --> 00:56:45,839

damn man like take a break

1586

00:56:50,230 --> 00:56:48,319

yeah have a chill like winning this

1587

00:56:52,309 --> 00:56:50,240

argument on the internet isn't going to

1588

00:56:55,270 --> 00:56:52,319

instantly unlock the answers

1589

00:56:57,510 --> 00:56:55,280

no if it did okay go for it but it's not

1590

00:57:00,710 --> 00:56:57,520

just calm down

1591

00:57:02,630 --> 00:57:00,720

i feel that 100 dude you know it's like

1592

00:57:04,549 --> 00:57:02,640

man

1593

00:57:07,109 --> 00:57:04,559

so hey listen guys we're coming up to

1594

00:57:08,789 --> 00:57:07,119

the hour mark so before we end i just

1595

00:57:11,109 --> 00:57:08,799

wanted to sort of

1596

00:57:13,109 --> 00:57:11,119

this is a question i ask everybody

1597

00:57:15,190 --> 00:57:13,119

i try to ask everybody is

1598

00:57:17,030 --> 00:57:15,200

do you have a favorite case something

1599

00:57:23,510 --> 00:57:17,040

that you keep getting drawn back to in

1600

00:57:26,789 --> 00:57:24,549

so

1601

00:57:29,910 --> 00:57:26,799

i have i have well i kind of have two

1602

00:57:31,589 --> 00:57:29,920

recent ones one is obviously the eric

1603

00:57:32,870 --> 00:57:31,599

mitchell story

1604

00:57:34,870 --> 00:57:32,880

completely

1605

00:57:37,190 --> 00:57:34,880

absorbed me uh

1606

00:57:41,270 --> 00:57:37,200

enough so to do a documentary on it the

1607

00:57:43,510 --> 00:57:41,280

other has been terry loveless and yeah

1608

00:57:46,069 --> 00:57:43,520

terry loveless has got a fascinating

1609

00:57:47,670 --> 00:57:46,079

story man i absolutely love that story

1610

00:57:50,390 --> 00:57:47,680

it was another one that when i heard it

1611

00:57:52,549 --> 00:57:50,400

it immediately drew me in i love all the

1612

00:57:54,230 --> 00:57:52,559

classics right just like everybody else

1613

00:57:55,750 --> 00:57:54,240

i love the classics but when we're

1614

00:57:58,150 --> 00:57:55,760

talking about like kind of newer stuff

1615

00:58:00,150 --> 00:57:58,160

that's happened like in my lifetime uh

1616

00:58:03,109 --> 00:58:00,160

stuff that is like tangible and i can

1617

00:58:05,510 --> 00:58:03,119

talk to this person terry loveless man

1618

00:58:07,510 --> 00:58:05,520

he has got an amazing story he's got a

1619

00:58:11,829 --> 00:58:07,520

great book and he just released his

1620

00:58:13,670 --> 00:58:11,839

second uh half of it uh the uh the well

1621

00:58:15,990 --> 00:58:13,680

it's it's basically the first book just

1622

00:58:18,870 --> 00:58:16,000

with a lot more detail in it right right

1623

00:58:21,109 --> 00:58:18,880

incident at devil's den look it up um

1624

00:58:23,589 --> 00:58:21,119

that story is great it's got everything

1625

00:58:26,230 --> 00:58:23,599

dude i mean he's got the x-rays of the

1626

00:58:29,829 --> 00:58:26,240

implants you know he's got the the

1627

00:58:31,270 --> 00:58:29,839

military uh stories uh he's got the you

1628

00:58:32,470 --> 00:58:31,280

know his wife

1629

00:58:34,950 --> 00:58:32,480

talking about the pills that the

1630

00:58:38,150 --> 00:58:34,960

government gave him the craft like

1631

00:58:40,230 --> 00:58:38,160

the the the google uh from google maps

1632

00:58:41,990 --> 00:58:40,240

dude i mean you can see

1633

00:58:44,950 --> 00:58:42,000

the devil's den state park and like

1634

00:58:47,109 --> 00:58:44,960

where this triangular craft landed

1635

00:58:48,789 --> 00:58:47,119

like it's crazy it's nuts you can you

1636

00:58:50,950 --> 00:58:48,799

can see it all like there's just so much

1637

00:58:53,910 --> 00:58:50,960

to it man he's got a lot of uh a lot of

1638

00:58:55,190 --> 00:58:53,920

like cool evidence um and the dude is

1639

00:58:56,230 --> 00:58:55,200

just so smart

1640

00:58:58,390 --> 00:58:56,240

you know

1641

00:58:59,109 --> 00:58:58,400

yeah he's he's just a cool dude to talk

1642

00:59:01,750 --> 00:58:59,119

to

1643

00:59:03,349 --> 00:59:01,760

in general and uh i love that guy so

1644

00:59:05,510 --> 00:59:03,359

definitely the terry lovely story for

1645

00:59:07,670 --> 00:59:05,520

sure nice man i'm going to look into

1646

00:59:10,309 --> 00:59:07,680

that man what about you ben

1647

00:59:11,750 --> 00:59:10,319

ah man i got uh i guess right now so the

1648

00:59:12,549 --> 00:59:11,760

question was like kind of what story

1649

00:59:15,589 --> 00:59:12,559

kind of

1650

00:59:17,829 --> 00:59:15,599

uh circle back to um the bledsoe story

1651

00:59:20,710 --> 00:59:17,839

man it's happening right now it's still

1652

00:59:22,710 --> 00:59:20,720

happening uh i mean that family sees

1653

00:59:25,190 --> 00:59:22,720

stuff all the time and they ca they

1654

00:59:28,230 --> 00:59:25,200

capture it on video sometimes uh and

1655

00:59:29,910 --> 00:59:28,240

yeah ryan bledsoe he's been more vocal

1656

00:59:32,470 --> 00:59:29,920

in this this past year and man we got to

1657

00:59:34,309 --> 00:59:32,480

know him and he started his podcast so

1658

00:59:36,630 --> 00:59:34,319

hearing his story from his perspective

1659

00:59:37,349 --> 00:59:36,640

has been really awesome and dude i like

1660

00:59:44,630 --> 00:59:37,359

to

1661

00:59:46,630 --> 00:59:44,640

literally unfolding right now it's it's

1662

00:59:49,109 --> 00:59:46,640

pretty awesome so that would that would

1663

00:59:51,430 --> 00:59:49,119

be my my my favorite one right now

1664

00:59:53,589 --> 00:59:51,440

awesome man yeah well listen guys one

1665

00:59:56,549 --> 00:59:53,599

last thing before we go tell everybody

1666

00:59:58,870 --> 00:59:56,559

where they can find you

1667

01:00:03,430 --> 00:59:58,880

yeah you

1668

01:00:09,430 --> 01:00:06,630

you can find us at ufo garagepodcast.com

1669

01:00:12,390 --> 01:00:09,440

uh everything's under ufo garage podcast

1670

01:00:14,710 --> 01:00:12,400

uh right ben or yeah website

1671

01:00:17,270 --> 01:00:14,720

websites ufo garage podcast.com the

1672

01:00:18,789 --> 01:00:17,280

twitter's ufo garage uh and instagram is

1673

01:00:20,870 --> 01:00:18,799

ufo garage

1674

01:00:22,710 --> 01:00:20,880

and um

1675

01:00:25,430 --> 01:00:22,720

facebook yeah that's the ufo garage on

1676

01:00:27,990 --> 01:00:25,440

facebook i think yeah you're on facebook

1677

01:00:30,150 --> 01:00:28,000

and uh yeah dude we're on like every uh

1678

01:00:32,150 --> 01:00:30,160

podcast streaming platform you can find

1679

01:00:35,589 --> 01:00:32,160

us everywhere we also do uh every

1680

01:00:39,510 --> 01:00:35,599

thursday nights uh 7 30 central time uh

1681

01:00:43,670 --> 01:00:41,829

yeah man every thursday we go live uh

1682

01:00:45,910 --> 01:00:43,680

you can come and check us out ufo garage

1683

01:00:48,309 --> 01:00:45,920

podcast on youtube

1684

01:00:49,670 --> 01:00:48,319

awesome man well guys i've had a great

1685

01:00:51,190 --> 01:00:49,680

time now i'm gonna throw it out there

1686

01:00:53,510 --> 01:00:51,200

but i'd love you to come over to my

1687

01:00:54,309 --> 01:00:53,520

instagram live one day and do a little

1688

01:00:55,829 --> 01:00:54,319

uh

1689

01:00:58,069 --> 01:00:55,839

little hang out on there because it's a

1690

01:01:00,630 --> 01:00:58,079

totally different vibe um and i think

1691

01:01:02,150 --> 01:01:00,640

you yeah it would go down so well man so

1692

01:01:04,230 --> 01:01:02,160

heck yeah yeah

1693

01:01:06,150 --> 01:01:04,240

that'd be cool

1694

01:01:07,750 --> 01:01:06,160

but uh thank you again for joining me

1695

01:01:09,829 --> 01:01:07,760

i've had a blast it's nice to have these

1696

01:01:11,829 --> 01:01:09,839

conversations man it puts a smile on my

1697

01:01:13,910 --> 01:01:11,839

face it makes me feel real good so thank

1698

01:01:15,349 --> 01:01:13,920

you guys so much i appreciate it good

1699

01:01:16,870 --> 01:01:15,359

man thanks for having us dude thank you

1700

01:01:18,470 --> 01:01:16,880

so much yeah

1701

01:01:20,549 --> 01:01:18,480

this was so this is so awesome thank you

1702

01:01:22,549 --> 01:01:20,559

man no my pleasure man i'm absolute

1703

01:01:24,150 --> 01:01:22,559

pleasure thank you to everybody in the

1704

01:01:26,549 --> 01:01:24,160

chat i know we all have differences of

1705

01:01:27,910 --> 01:01:26,559

opinion and that and that's okay so i

1706

01:01:29,270 --> 01:01:27,920

just appreciate every one of you for

1707

01:01:31,589 --> 01:01:29,280

being here and watching man and checking

1708

01:01:32,390 --> 01:01:31,599

it out and so yeah until the next time

1709

01:01:34,069 --> 01:01:32,400

guys
