1
00:00:27,990 --> 00:00:05,749

[Music]

2
00:00:30,910 --> 00:00:30,310

hi everyone and welcome to vinnie and

3
00:00:33,350 --> 00:00:30,920

friends

4
00:00:35,910 --> 00:00:33,360

[Laughter]

5
00:00:37,750 --> 00:00:35,920

you are here with the uap media folks

6
00:00:40,389 --> 00:00:37,760

and as we have gone live i think we've

7
00:00:42,069 --> 00:00:40,399

lost about 12 people i'm guessing all of

8
00:00:44,549 --> 00:00:42,079

you thought louie elizondo was going to

9
00:00:46,549 --> 00:00:44,559

be here with us he's not he's upstairs

10
00:00:48,150 --> 00:00:46,559

at the moment he's not he's not um but

11
00:00:52,389 --> 00:00:48,160

uh we do have the wonderful max

12
00:00:52,399 --> 00:00:55,750

can you hear us

13
00:00:55,760 --> 00:01:00,810

he's muted he's not sam

14

00:01:04,149 --> 00:01:02,630

[Music]

15

00:01:05,670 --> 00:01:04,159

i mean that's pretty much all we had

16

00:01:06,950 --> 00:01:05,680

planned so from this point is pretty

17

00:01:08,950 --> 00:01:06,960

much improv

18

00:01:10,469 --> 00:01:08,960

uh so hi to everyone in the chat people

19

00:01:13,109 --> 00:01:10,479

who have

20

00:01:14,789 --> 00:01:13,119

set things up here uh on a table and

21

00:01:17,030 --> 00:01:14,799

dan's fixed the lighting for us which is

22

00:01:19,270 --> 00:01:17,040

why it looks so bad so thank you

23

00:01:22,950 --> 00:01:19,280

and the five of us are crammed in an

24

00:01:24,710 --> 00:01:22,960

incredibly small space but uh

25

00:01:26,789 --> 00:01:24,720

yeah this is the one room dave went

26
00:01:28,469 --> 00:01:26,799
about cheap on the accommodation so

27
00:01:31,190 --> 00:01:28,479
thanks but yes and we're all together

28
00:01:32,710 --> 00:01:31,200
it's nice to meet up finally as well um

29
00:01:36,950 --> 00:01:32,720
vinnie

30
00:01:41,670 --> 00:01:38,710
sucks we've all been out doing stuff

31
00:01:43,670 --> 00:01:41,680
today yeah so why don't we each tell i

32
00:01:46,469 --> 00:01:43,680
guess max and everybody else what we've

33
00:01:48,789 --> 00:01:46,479
been doing i uh we we kind of split up

34
00:01:49,910 --> 00:01:48,799
today as a team which apparently you

35
00:01:51,830 --> 00:01:49,920
should never do according to horror

36
00:01:55,109 --> 00:01:51,840
movies but we did it anyway

37
00:01:56,709 --> 00:01:55,119
or scooby-doo um but graham vinnie and

38
00:01:59,830 --> 00:01:56,719

dave went somewhere annie and i didn't

39

00:02:00,950 --> 00:01:59,840

today so go ahead guys tell us yeah so

40

00:02:02,630 --> 00:02:00,960

you might have seen on twitter that we

41

00:02:05,030 --> 00:02:02,640

went to the national archives and queue

42

00:02:07,109 --> 00:02:05,040

in london because we all had our little

43

00:02:09,350 --> 00:02:07,119

remits we had various files that we want

44

00:02:11,990 --> 00:02:09,360

to go and check um i was looking at the

45

00:02:15,030 --> 00:02:12,000

calvin incident august 1990 so looking

46

00:02:16,790 --> 00:02:15,040

into raf files uh vinnie and

47

00:02:19,750 --> 00:02:16,800

dave what were you looking at i was

48

00:02:22,309 --> 00:02:19,760

looking into ufo policy through the 90s

49

00:02:24,229 --> 00:02:22,319

and early 2000s and how it how the

50

00:02:27,190 --> 00:02:24,239

reporting systems were done in the

51
00:02:29,430 --> 00:02:27,200
military and how it was very important

52
00:02:31,509 --> 00:02:29,440
through the mod um

53
00:02:34,470 --> 00:02:31,519
so yeah it was interesting

54
00:02:37,270 --> 00:02:34,480
yeah and i just went in to um

55
00:02:39,350 --> 00:02:37,280
actually just start a fire

56
00:02:41,190 --> 00:02:39,360
on dan's instructions but no i i was

57
00:02:42,070 --> 00:02:41,200
looking at um

58
00:02:45,110 --> 00:02:42,080
the

59
00:02:47,430 --> 00:02:45,120
raf bases around uh some brides bay in

60
00:02:49,430 --> 00:02:47,440
pembrokeshire wales during the late

61
00:02:51,589 --> 00:02:49,440
1970s just to find out if i could get

62
00:02:53,110 --> 00:02:51,599
any more information about the whole

63
00:02:54,470 --> 00:02:53,120

welsh triangle and the broadhaven

64

00:02:57,030 --> 00:02:54,480

incidents

65

00:02:59,830 --> 00:02:57,040

and there were some interesting

66

00:03:02,309 --> 00:02:59,840

kind of communications between the mod

67

00:03:04,869 --> 00:03:02,319

into departments regarding letters that

68

00:03:07,110 --> 00:03:04,879

they were getting regarding the welsh

69

00:03:09,910 --> 00:03:07,120

triangle incidents in 77 and also the

70

00:03:11,350 --> 00:03:09,920

incidents over swansea in 1983

71

00:03:14,830 --> 00:03:11,360

and there was there was the thing about

72

00:03:19,990 --> 00:03:17,990

found yeah

73

00:03:22,390 --> 00:03:20,000

was a body that was washed up in one of

74

00:03:28,149 --> 00:03:22,400

the bays but that was due to a rogue

75

00:03:32,390 --> 00:03:31,110

no the body washed up on the missile

76

00:03:34,470 --> 00:03:32,400

ranges

77

00:03:36,789 --> 00:03:34,480

oh okay

78

00:03:38,710 --> 00:03:36,799

he was a swimmer that unfortunately got

79

00:03:41,589 --> 00:03:38,720

into trouble so now we'll see tomorrow

80

00:03:50,550 --> 00:03:41,599

we'll see some that comes down

81

00:03:53,350 --> 00:03:51,830

i'm sorry

82

00:03:55,830 --> 00:03:53,360

you good that's okay

83

00:03:58,070 --> 00:03:55,840

yeah i'm great i'm enjoying your uh your

84

00:03:59,589 --> 00:03:58,080

your stories about your day

85

00:04:01,270 --> 00:03:59,599

um

86

00:04:03,830 --> 00:04:01,280

so what have you been doing today max

87

00:04:05,670 --> 00:04:03,840

guys have you have you been uh to the

88

00:04:07,509 --> 00:04:05,680

pub uh just before or where are you are

89

00:04:08,869 --> 00:04:07,519

you in a hotel room or something never

90

00:04:14,070 --> 00:04:08,879

in a house

91

00:04:16,710 --> 00:04:14,080

one of the house

92

00:04:17,990 --> 00:04:16,720

renting websites yeah yeah it's it's the

93

00:04:21,909 --> 00:04:18,000

kind of house people go to and they

94

00:04:24,950 --> 00:04:22,790

yeah

95

00:04:27,430 --> 00:04:24,960

we're cheapskates

96

00:04:29,110 --> 00:04:27,440

yeah so are you guys traveling

97

00:04:30,629 --> 00:04:29,120

so are you guys excited for uh meeting

98

00:04:31,749 --> 00:04:30,639

lou

99

00:04:34,310 --> 00:04:31,759

are we

100

00:04:37,110 --> 00:04:34,320

just a little bit no

101
00:04:41,189 --> 00:04:39,110
i mean i i think

102
00:04:43,510 --> 00:04:41,199
you know the the pre-date butterflies

103
00:04:45,900 --> 00:04:43,520
are just natural but louie's just as

104
00:04:49,590 --> 00:04:45,910
nervous as us so we gotta remember that

105
00:04:52,310 --> 00:04:49,600
[Laughter]

106
00:04:53,270 --> 00:04:52,320
i don't think so but um

107
00:04:55,510 --> 00:04:53,280
i think

108
00:04:57,189 --> 00:04:55,520
it probably has been

109
00:04:58,950 --> 00:04:57,199
and we've seen a lot of people tweet

110
00:05:00,870 --> 00:04:58,960
into on twitter asking about it and

111
00:05:02,629 --> 00:05:00,880
everything so

112
00:05:05,029 --> 00:05:02,639
i mean i guess we should try and set the

113
00:05:05,749 --> 00:05:05,039

record straight for everyone

114

00:05:07,350 --> 00:05:05,759

yeah

115

00:05:09,189 --> 00:05:07,360

do you wanna no

116

00:05:13,670 --> 00:05:09,199

i don't really know the internet i mean

117

00:05:21,430 --> 00:05:18,469

no so we we were very graciously uh

118

00:05:23,670 --> 00:05:21,440

invited to dinner uh with lou

119

00:05:25,670 --> 00:05:23,680

and yeah we've taken him up on the alpha

120

00:05:27,749 --> 00:05:25,680

but we we've kind of used it as a three

121

00:05:29,270 --> 00:05:27,759

days to to get together for the first

122

00:05:31,350 --> 00:05:29,280

time um

123

00:05:34,870 --> 00:05:31,360

and and really meet each other so that

124

00:05:38,469 --> 00:05:36,310

um

125

00:05:40,469 --> 00:05:38,479

later on we are

126

00:05:43,029 --> 00:05:40,479

also in this complete serendipity but

127

00:05:46,629 --> 00:05:43,039

but ryan sprague is over

128

00:05:47,590 --> 00:05:46,639

um having a trip and he he had some news

129

00:05:49,029 --> 00:05:47,600

uh

130

00:05:52,180 --> 00:05:49,039

is he in the uk

131

00:05:53,430 --> 00:05:52,190

yeah yeah and he's right now

132

00:05:55,029 --> 00:05:53,440

[Music]

133

00:05:57,110 --> 00:05:55,039

so we're gonna go see him in a little

134

00:05:59,029 --> 00:05:57,120

bit which should be wow

135

00:06:01,830 --> 00:05:59,039

that's cool it just happened everything

136

00:06:03,590 --> 00:06:01,840

fell into place for over a few days and

137

00:06:05,590 --> 00:06:03,600

i can see how it looked like everyone

138

00:06:07,189 --> 00:06:05,600

was converging for the same thing but it

139

00:06:08,950 --> 00:06:07,199

truly wasn't

140

00:06:10,790 --> 00:06:08,960

and there was no big secret or

141

00:06:12,790 --> 00:06:10,800

conspiracy or anything and we've just

142

00:06:14,550 --> 00:06:12,800

managed to tie it all in over three days

143

00:06:15,749 --> 00:06:14,560

we got to do some really good research

144

00:06:17,590 --> 00:06:15,759

today

145

00:06:19,350 --> 00:06:17,600

that in itself would have been great but

146

00:06:22,309 --> 00:06:19,360

the fact that we able to see lou another

147

00:06:23,749 --> 00:06:22,319

day and ryan as well was great you know

148

00:06:26,230 --> 00:06:23,759

i think people were thinking that we had

149

00:06:27,749 --> 00:06:26,240

some big event that we were setting up

150

00:06:29,189 --> 00:06:27,759

and that were you know we weren't

151
00:06:30,790 --> 00:06:29,199
inviting people and people were getting

152
00:06:32,710 --> 00:06:30,800
annoyed about that there was nothing of

153
00:06:33,909 --> 00:06:32,720
the thought you know if it had been

154
00:06:35,749 --> 00:06:33,919
something like that people would have

155
00:06:37,270 --> 00:06:35,759
known about it we were told people we

156
00:06:39,029 --> 00:06:37,280
would have invited people but this is

157
00:06:41,670 --> 00:06:39,039
actually us being invited to something

158
00:06:43,670 --> 00:06:41,680
else so it's not even our gift to let

159
00:06:45,270 --> 00:06:43,680
other people come because it's not our

160
00:06:48,230 --> 00:06:45,280
party if you like you know where the

161
00:06:49,350 --> 00:06:48,240
people have to go so you know it's quite

162
00:06:51,909 --> 00:06:49,360
an honor

163
00:06:53,510 --> 00:06:51,919

yeah exactly yeah so i'm afraid you know

164

00:06:54,629 --> 00:06:53,520

it it's not up to us

165

00:06:56,870 --> 00:06:54,639

but i'm sure

166

00:06:59,670 --> 00:06:56,880

in the future oh yeah you know and andy

167

00:07:04,790 --> 00:06:59,680

and i went uh i won't say where but we

168

00:07:07,830 --> 00:07:06,150

we were thinking of

169

00:07:10,469 --> 00:07:07,840

possibly some

170

00:07:12,070 --> 00:07:10,479

event next year but we will see and we

171

00:07:14,870 --> 00:07:12,080

would scope it out some venues today as

172

00:07:16,390 --> 00:07:14,880

well so that was awesome awesome and you

173

00:07:18,309 --> 00:07:16,400

talked about last night as well it's

174

00:07:20,150 --> 00:07:18,319

like kind of because we're all in the

175

00:07:22,309 --> 00:07:20,160

same room together for the first time

176

00:07:24,090 --> 00:07:22,319

ever you know we've realized that

177

00:07:26,790 --> 00:07:24,100

not everyone's pixelated

178

00:07:28,150 --> 00:07:26,800

[Laughter]

179

00:07:30,390 --> 00:07:28,160

we're on mute

180

00:07:33,029 --> 00:07:30,400

yeah right yeah we've been we've been

181

00:07:35,110 --> 00:07:33,039

talking and we've been making plans and

182

00:07:37,270 --> 00:07:35,120

going forward 2022 should be a pretty

183

00:07:38,390 --> 00:07:37,280

good year for everybody involved in this

184

00:07:39,909 --> 00:07:38,400

subject

185

00:07:43,510 --> 00:07:39,919

we have an important question from

186

00:07:45,589 --> 00:07:43,520

someone is it megan i am what

187

00:07:48,790 --> 00:07:45,599

if each one of us was a spice girl who

188

00:07:48,800 --> 00:07:52,309

scary

189

00:07:52,319 --> 00:07:55,189

yeah i love that one

190

00:07:59,909 --> 00:07:57,830

that's a good question oh my god i'll go

191

00:08:04,150 --> 00:07:59,919

sparty because i was going to use i was

192

00:08:09,990 --> 00:08:06,309

i was going to say baby

193

00:08:10,000 --> 00:08:18,230

than me i think

194

00:08:23,270 --> 00:08:20,390

so besides lou is there anyone else you

195

00:08:24,230 --> 00:08:23,280

guys are going to meet um or is that the

196

00:08:26,950 --> 00:08:24,240

queen

197

00:08:30,150 --> 00:08:26,960

chris chris melon would be good but he's

198

00:08:31,990 --> 00:08:30,160

not available um

199

00:08:34,070 --> 00:08:32,000

sorry i'm sorry uh

200

00:08:36,389 --> 00:08:34,080

nah i don't think so like ryan's a nice

201

00:08:38,870 --> 00:08:36,399

can i have bonus tonight and um low

202

00:08:41,909 --> 00:08:38,880

tomorrow and then most of us have got

203

00:08:43,589 --> 00:08:41,919

trains to get back tomorrow night so uh

204

00:08:46,790 --> 00:08:43,599

my wife let me out for the night which

205

00:08:49,670 --> 00:08:46,800

was nice um so i need to get back home

206

00:08:51,350 --> 00:08:49,680

uh but nah no one else yeah we can make

207

00:08:53,030 --> 00:08:51,360

something up like graham said honestly

208

00:08:55,030 --> 00:08:53,040

like the whole thing about is it some

209

00:08:57,190 --> 00:08:55,040

super big secret thing like today was

210

00:08:59,030 --> 00:08:57,200

largely spent going to several different

211

00:09:00,310 --> 00:08:59,040

starbucks shops

212

00:09:01,750 --> 00:09:00,320

and um

213

00:09:03,829 --> 00:09:01,760

finding each other after the guys had

214

00:09:05,590 --> 00:09:03,839

been at the archives and everything else

215

00:09:20,949 --> 00:09:05,600

so and me trying to convince andy to get

216

00:09:25,110 --> 00:09:23,190

is there going to be a live stream

217

00:09:27,350 --> 00:09:25,120

no it'll just be it'll just be a private

218

00:09:29,350 --> 00:09:27,360

dinner basically well i'll just chat

219

00:09:31,350 --> 00:09:29,360

over dinner just not record anything

220

00:09:33,350 --> 00:09:31,360

it's it's not it's not an event max it's

221

00:09:35,269 --> 00:09:33,360

literally you know i'm saying would you

222

00:09:36,550 --> 00:09:35,279

like to come and have a meal with us so

223

00:09:37,509 --> 00:09:36,560

it's not you know it's not like

224

00:09:39,190 --> 00:09:37,519

something that people can come and

225

00:09:40,230 --> 00:09:39,200

attend and say hi lou are you doing you

226

00:09:41,670 --> 00:09:40,240

know it's people sitting there on a

227

00:09:43,990 --> 00:09:41,680

table eating

228

00:09:46,070 --> 00:09:44,000

so it's not an event

229

00:09:47,430 --> 00:09:46,080

i get it okay i get it but uh you know i

230

00:09:49,110 --> 00:09:47,440

kind of like if you think how you were

231

00:09:51,110 --> 00:09:49,120

in san marino with lou where you had

232

00:09:52,630 --> 00:09:51,120

like the daytime hanging out and then

233

00:09:54,550 --> 00:09:52,640

you had dinner in the evening we're just

234

00:09:55,750 --> 00:09:54,560

doing the dinner party yeah all right

235

00:09:57,190 --> 00:09:55,760

all right and you wouldn't expect people

236

00:09:58,630 --> 00:09:57,200

just you wouldn't expect people to turn

237

00:10:01,110 --> 00:09:58,640

up halfway through your meal and say oh

238

00:10:02,150 --> 00:10:01,120

hi lou it's lovely to see you you know

239

00:10:03,750 --> 00:10:02,160

you're just sitting there to have it

240

00:10:05,430 --> 00:10:03,760

have some food and just have a bit of an

241

00:10:08,069 --> 00:10:05,440

informal chat that's all

242

00:10:11,030 --> 00:10:08,079

besides enjoying a dinner with lou is is

243

00:10:13,269 --> 00:10:11,040

there are no plans to to uh do some

244

00:10:14,389 --> 00:10:13,279

interview after or the day after or

245

00:10:16,310 --> 00:10:14,399

something

246

00:10:17,910 --> 00:10:16,320

no no i think it's we're just going to

247

00:10:20,150 --> 00:10:17,920

leave lou to do his own thing whatever

248

00:10:21,670 --> 00:10:20,160

it is he's up to like or spending some

249

00:10:23,670 --> 00:10:21,680

time over here i don't know if he's got

250

00:10:24,870 --> 00:10:23,680

any friends or family with him but it's

251

00:10:27,350 --> 00:10:24,880

just a chance for us to kind of say

252

00:10:28,710 --> 00:10:27,360

hello quite casually and

253

00:10:30,230 --> 00:10:28,720

relax a little bit i think we've all

254

00:10:32,389 --> 00:10:30,240

spoke to him pretty much for the most

255

00:10:34,389 --> 00:10:32,399

part individually or on the record off

256

00:10:36,470 --> 00:10:34,399

the record on air off air like like

257

00:10:38,630 --> 00:10:36,480

yourself max and it's just nice to get a

258

00:10:40,790 --> 00:10:38,640

little bit of down time and not have to

259

00:10:42,630 --> 00:10:40,800

be official and you know can i just ask

260

00:10:44,870 --> 00:10:42,640

you a question just chat to him like a

261

00:10:46,790 --> 00:10:44,880

normal human being like yes so that

262

00:10:48,790 --> 00:10:46,800

would

263

00:10:51,910 --> 00:10:48,800

oh yeah yeah well it will be showing you

264

00:10:53,990 --> 00:10:51,920

the pictures of the aliens

265

00:11:08,810 --> 00:10:54,000

i think that's after dessert

266

00:11:20,550 --> 00:11:12,470

[Laughter]

267

00:11:24,389 --> 00:11:22,310

but not physically

268

00:11:26,470 --> 00:11:24,399

i i wish we were meeting

269

00:11:28,550 --> 00:11:26,480

yeah this weekend but he'll be on the

270

00:11:30,550 --> 00:11:28,560

live stream in

271

00:11:32,150 --> 00:11:30,560

about four minutes he'll pop in at any

272

00:11:33,670 --> 00:11:32,160

any time uh so if you could fill the

273

00:11:37,350 --> 00:11:33,680

four minutes

274

00:11:40,470 --> 00:11:38,550

so um

275

00:11:42,710 --> 00:11:40,480

what are your your you guys plans for

276

00:11:44,470 --> 00:11:42,720

your up and coming podcasts and are you

277

00:11:47,110 --> 00:11:44,480

going to cover whatever

278

00:11:49,829 --> 00:11:47,120

is being discussed uh during the dinner

279

00:11:54,069 --> 00:11:51,110

so i'll be on

280

00:11:56,710 --> 00:11:54,079

with sean rash on tuesday i think it is

281

00:11:58,389 --> 00:11:56,720

the second awesome um and i mean i'll

282

00:11:59,670 --> 00:11:58,399

talk about it then um you know i'll let

283

00:12:03,190 --> 00:11:59,680

you know whether he likes mayo or

284

00:12:06,949 --> 00:12:05,829

right right right well uh talking about

285

00:12:09,030 --> 00:12:06,959

sean

286

00:12:11,829 --> 00:12:09,040

that interview with the cia guy that was

287

00:12:15,829 --> 00:12:11,839

quite quite an event

288

00:12:17,990 --> 00:12:15,839

oh sean rush yeah yeah yeah john ramirez

289

00:12:20,150 --> 00:12:18,000

yeah yeah that's right very very good i

290

00:12:21,590 --> 00:12:20,160

i enjoyed that that i think that was

291

00:12:22,949 --> 00:12:21,600

actually groundbreaking what do you

292

00:12:25,110 --> 00:12:22,959

think you guys think yeah it was

293

00:12:27,670 --> 00:12:25,120

incredible it's one of those interviews

294

00:12:29,590 --> 00:12:27,680

it just contains so so much

295

00:12:31,350 --> 00:12:29,600

that i need to sit down and watch her a

296

00:12:34,150 --> 00:12:31,360

few more times to make sure i'm getting

297

00:12:36,470 --> 00:12:34,160

everything from it because yeah it was a

298

00:12:37,590 --> 00:12:36,480

first blush it was crazy it was a big

299

00:12:39,430 --> 00:12:37,600

yeah i'd like

300

00:12:41,590 --> 00:12:39,440

man i'd like to argue that that could be

301
00:12:43,910 --> 00:12:41,600
one of the most important interviews on

302
00:12:45,430 --> 00:12:43,920
uap ever i i feel

303
00:12:47,990 --> 00:12:45,440
i don't think people realize how much

304
00:12:49,509 --> 00:12:48,000
work sean's putting in recently

305
00:12:51,030 --> 00:12:49,519
because he's coming up some really good

306
00:12:52,949 --> 00:12:51,040
stuff even on twitter you know he's

307
00:12:54,389 --> 00:12:52,959
going to get a team together in the

308
00:12:55,910 --> 00:12:54,399
background to help him out with what

309
00:12:58,069 --> 00:12:55,920
he's doing

310
00:13:00,629 --> 00:12:58,079
yeah yeah yeah i me myself i took a

311
00:13:02,870 --> 00:13:00,639
little downtime from you know podcasting

312
00:13:03,910 --> 00:13:02,880
and stuff but i've been enjoying sean

313
00:13:06,629 --> 00:13:03,920

you know

314

00:13:08,389 --> 00:13:06,639

that guy is incredible he just keeps on

315

00:13:10,550 --> 00:13:08,399

going and he gets

316

00:13:12,710 --> 00:13:10,560

more and more really important guests

317

00:13:13,910 --> 00:13:12,720

it's uh it's it's quite amazing i'm i'm

318

00:13:15,269 --> 00:13:13,920

really uh

319

00:13:16,949 --> 00:13:15,279

excited for him

320

00:13:18,949 --> 00:13:16,959

oh he's great and and the paperwork he

321

00:13:20,790 --> 00:13:18,959

keeps turning up and you know

322

00:13:21,910 --> 00:13:20,800

it's just it's it's phenomenal like it

323

00:13:24,389 --> 00:13:21,920

really is

324

00:13:29,829 --> 00:13:24,399

he could compile it into a book for sure

325

00:13:35,350 --> 00:13:32,230

but um are you guys going out for the

326

00:13:36,470 --> 00:13:35,360

night are you gonna drink some beers uh

327

00:13:37,190 --> 00:13:36,480

or something yeah well what are you

328

00:13:38,790 --> 00:13:37,200

doing

329

00:13:40,069 --> 00:13:38,800

yeah benny are you gonna be drinking

330

00:13:43,269 --> 00:13:40,079

today

331

00:13:45,269 --> 00:13:43,279

uh i'll be drinking some more

332

00:13:49,509 --> 00:13:45,279

we're trying to figure out

333

00:13:53,590 --> 00:13:51,110

a couple of glasses this afternoon you

334

00:13:55,670 --> 00:13:53,600

know i traveled god knows how many miles

335

00:13:57,350 --> 00:13:55,680

around london on the tube today getting

336

00:13:58,949 --> 00:13:57,360

to the national archives and back it

337

00:14:01,030 --> 00:13:58,959

makes you need a little

338

00:14:03,509 --> 00:14:01,040

a little drink after it's hectic a

339

00:14:05,030 --> 00:14:03,519

reward yeah all those dusty old files

340

00:14:06,310 --> 00:14:05,040

and fighting out all the information

341

00:14:08,710 --> 00:14:06,320

yeah a glass of wine is definitely

342

00:14:13,590 --> 00:14:08,720

needed by mid-afternoon so by the way

343

00:14:17,829 --> 00:14:13,600

lou is down for drinks just so you know

344

00:14:20,710 --> 00:14:17,839

i've been told what drink bring him

345

00:14:23,509 --> 00:14:20,720

no he said he's really a fun guy to hang

346

00:14:24,870 --> 00:14:23,519

around with you know it's not just the

347

00:14:26,790 --> 00:14:24,880

pentagon guy

348

00:14:29,509 --> 00:14:26,800

everyone has been interviewing or on

349

00:14:31,990 --> 00:14:29,519

youtube no he's he's a real guy he's a

350

00:14:33,829 --> 00:14:32,000

fun dude to hang around with so

351

00:14:36,389 --> 00:14:33,839

i'm kind of jealous you can see that

352

00:14:38,069 --> 00:14:36,399

side of them all the time today and like

353

00:14:39,910 --> 00:14:38,079

that that's for me the special thing

354

00:14:42,629 --> 00:14:39,920

it's like um we're going to get to talk

355

00:14:44,550 --> 00:14:42,639

about tulu about not uap stuff and i

356

00:14:46,629 --> 00:14:44,560

know that might sound crazy to people

357

00:14:48,629 --> 00:14:46,639

but yeah as a person just like everyone

358

00:14:49,590 --> 00:14:48,639

else it'll be nice to hear that side of

359

00:14:51,590 --> 00:14:49,600

things

360

00:14:53,750 --> 00:14:51,600

yeah yeah well sometimes you know if you

361

00:15:05,910 --> 00:14:53,760

look at lou i always think of creating

362

00:15:05,920 --> 00:15:10,150

and also he's really short

363

00:15:10,160 --> 00:15:24,150

wait

364

00:15:28,710 --> 00:15:25,990

i'll send you something separately max

365

00:15:31,110 --> 00:15:28,720

okay i'll i'll dm you it's fine

366

00:15:33,189 --> 00:15:31,120

for sure all right right now we've got

367

00:15:35,189 --> 00:15:33,199

plans coming up

368

00:15:37,110 --> 00:15:35,199

yeah i've been working on uh on my

369

00:15:39,509 --> 00:15:37,120

documentary

370

00:15:41,269 --> 00:15:39,519

i've i've been making a

371

00:15:44,389 --> 00:15:41,279

documentary

372

00:15:45,990 --> 00:15:44,399

on let's say my podcast timeline the

373

00:15:49,670 --> 00:15:46,000

people i've interviewed

374

00:15:52,629 --> 00:15:49,680

and um well it's kind of like a

375

00:15:56,069 --> 00:15:52,639

timeline suspenseful thing with the 180

376

00:15:58,790 --> 00:15:56,079

a day thing up until right now uh and of

377

00:15:59,990 --> 00:15:58,800

course san marino was a big uh climax

378

00:16:01,670 --> 00:16:00,000

for me

379

00:16:03,829 --> 00:16:01,680

so i'll be covering that but you know

380

00:16:05,670 --> 00:16:03,839

the problem with uh this topic is you

381

00:16:06,389 --> 00:16:05,680

know there's no finish you know it's

382

00:16:08,389 --> 00:16:06,399

just

383

00:16:10,949 --> 00:16:08,399

i i don't know where i should end you

384

00:16:13,749 --> 00:16:10,959

know it's uh it just keeps on going

385

00:16:15,590 --> 00:16:13,759

it's like you ever seen zodiac where

386

00:16:16,870 --> 00:16:15,600

like it's yeah yeah incredible film but

387

00:16:19,749 --> 00:16:16,880

because they never caught him it's this

388

00:16:22,629 --> 00:16:19,759

really unsatisfying ending any ufc

389

00:16:23,590 --> 00:16:22,639

right now ends that way you know

390

00:16:26,790 --> 00:16:23,600

it's

391

00:16:30,230 --> 00:16:26,800

there's going to be more and more and

392

00:16:34,470 --> 00:16:32,629

sorry no come on

393

00:16:36,069 --> 00:16:34,480

yeah so i think you know

394

00:16:38,310 --> 00:16:36,079

i'm just going gonna have to draw a line

395

00:16:40,629 --> 00:16:38,320

somewhere you know okay let's stop here

396

00:16:42,949 --> 00:16:40,639

and make a maybe make a sequel or have

397

00:16:45,509 --> 00:16:42,959

you guys make a sequel because all of

398

00:16:47,829 --> 00:16:45,519

you have been doing uh incredible work

399

00:16:49,350 --> 00:16:47,839

um you know my hat's off to you guys you

400

00:16:51,990 --> 00:16:49,360

know you've been

401
00:16:54,230 --> 00:16:52,000
a major part of disclosure um

402
00:16:57,749 --> 00:16:54,240
and uh i'm i'm really jealous i'm not

403
00:16:58,790 --> 00:16:57,759
british so i could join you guys

404
00:17:04,230 --> 00:16:58,800
if you

405
00:17:05,750 --> 00:17:04,240
ministers to talk about uaps then you

406
00:17:09,429 --> 00:17:05,760
can you could be brilliant

407
00:17:14,069 --> 00:17:11,829
that's the hardest job yeah

408
00:17:17,750 --> 00:17:14,079
yeah well for now i'll be the token

409
00:17:19,669 --> 00:17:18,390
you guy

410
00:17:22,150 --> 00:17:19,679
at the end of your documentary all you

411
00:17:25,110 --> 00:17:22,160
need to do is just to be continued

412
00:17:27,350 --> 00:17:25,120
exactly yeah yeah yeah there you go yeah

413
00:17:29,830 --> 00:17:27,360

yeah yeah secret sequels are are usually

414

00:17:31,990 --> 00:17:29,840

not that good but uh you know

415

00:17:34,390 --> 00:17:32,000

let's give it a shot i don't know

416

00:17:36,070 --> 00:17:34,400

32 was banging so you know the dark

417

00:17:39,750 --> 00:17:36,080

knight

418

00:17:43,029 --> 00:17:41,029

by the way

419

00:17:47,510 --> 00:17:43,039

have you guys seen squid game i think

420

00:17:51,270 --> 00:17:49,430

he said something about squid game and

421

00:17:53,590 --> 00:17:51,280

we turned around and there was this kid

422

00:17:56,070 --> 00:17:53,600

wearing one of the guard masks from the

423

00:17:58,230 --> 00:17:56,080

from the show and yeah right

424

00:17:59,350 --> 00:17:58,240

yeah i think my daughter is going as the

425

00:18:01,110 --> 00:17:59,360

um

426

00:18:03,990 --> 00:18:01,120

the animatronic from red light green

427

00:18:05,590 --> 00:18:04,000

light for halloween tomorrow uh sunday

428

00:18:07,270 --> 00:18:05,600

to a party so it's going to be pretty

429

00:18:09,029 --> 00:18:07,280

creepy

430

00:18:10,390 --> 00:18:09,039

yeah that's why

431

00:18:15,430 --> 00:18:10,400

she wants me to dress up as one of the

432

00:18:16,630 --> 00:18:15,440

guards just don't let it have a gun

433

00:18:17,830 --> 00:18:16,640

they were like all the kids are playing

434

00:18:19,669 --> 00:18:17,840

squid games and it's like well unless

435

00:18:21,830 --> 00:18:19,679

anyone dies

436

00:18:23,909 --> 00:18:21,840

she's not a license

437

00:18:25,830 --> 00:18:23,919

okay bring in

438

00:18:28,549 --> 00:18:25,840

the man himself the mystic lion

439

00:18:29,909 --> 00:18:28,559

traveling through india space just to

440

00:18:32,870 --> 00:18:29,919

see us

441

00:18:38,150 --> 00:18:32,880

hello how are you guys hey

442

00:18:42,630 --> 00:18:39,909

oh it's good to see you

443

00:18:43,830 --> 00:18:42,640

hey max how's it going hi sean how are

444

00:18:45,350 --> 00:18:43,840

you doing man

445

00:18:46,470 --> 00:18:45,360

oh my god

446

00:18:47,990 --> 00:18:46,480

what do we do

447

00:18:49,590 --> 00:18:48,000

i think that's it we just now we sign

448

00:18:51,270 --> 00:18:49,600

off right that's

449

00:18:53,430 --> 00:18:51,280

not enough

450

00:18:55,350 --> 00:18:53,440

well you actually sean

451

00:18:56,630 --> 00:18:55,360

well i was gonna go to the beach and

452

00:18:58,150 --> 00:18:56,640

then uh

453

00:18:59,750 --> 00:18:58,160

some really cool guys got together and

454

00:19:02,470 --> 00:18:59,760

posted some cool pictures and i got all

455

00:19:04,390 --> 00:19:02,480

inspired to jump in and and you know say

456

00:19:06,310 --> 00:19:04,400

hi and then here i am because how do you

457

00:19:13,190 --> 00:19:06,320

say no to dan i mean

458

00:19:16,230 --> 00:19:14,789

how about you guys you guys what are you

459

00:19:17,990 --> 00:19:16,240

guys you gonna go to a football game or

460

00:19:23,669 --> 00:19:18,000

something what's going on

461

00:19:29,270 --> 00:19:25,750

max i love you man

462

00:19:33,190 --> 00:19:31,669

there's no football tomorrow no football

463

00:19:34,549 --> 00:19:33,200

there is a rugby game though and but

464

00:19:37,110 --> 00:19:34,559

don't watch it because wales are going

465

00:19:39,430 --> 00:19:37,120

to be transforming

466

00:19:42,230 --> 00:19:39,440

yeah you'll be home by then it'll be fun

467

00:19:44,470 --> 00:19:42,240

yeah in into the crying river welsh

468

00:19:49,190 --> 00:19:44,480

tears sure i mean if you're gonna cry

469

00:19:54,630 --> 00:19:52,710

i'm holding them in right now

470

00:19:56,230 --> 00:19:54,640

luckily i have no i have no allegiance

471

00:19:57,669 --> 00:19:56,240

to any sports team i'll i'll watch

472

00:20:01,029 --> 00:19:57,679

anything and

473

00:20:08,630 --> 00:20:01,039

and and i run from the hooligans so

474

00:20:13,270 --> 00:20:10,549

but yeah sean we're meeting ryan sprague

475

00:20:15,830 --> 00:20:13,280

tonight in an hour or so and uh

476

00:20:17,750 --> 00:20:15,840

obviously congratulations to ryan who uh

477

00:20:19,430 --> 00:20:17,760

we got engaged and just double checked

478

00:20:21,029 --> 00:20:19,440

nate did post that online and i'm not

479

00:20:22,070 --> 00:20:21,039

just saying that to everyone that's good

480

00:20:23,430 --> 00:20:22,080

yeah

481

00:20:25,590 --> 00:20:23,440

i was thinking i was thinking the same

482

00:20:27,430 --> 00:20:25,600

thing i was like

483

00:20:29,430 --> 00:20:27,440

just messaging them now and then

484

00:20:30,789 --> 00:20:29,440

tomorrow we've got lunch with uh your

485

00:20:33,510 --> 00:20:30,799

friend of course

486

00:20:36,470 --> 00:20:33,520

so looking forward to to that as well

487

00:20:37,909 --> 00:20:36,480

yeah because i'm hungry so

488

00:20:43,990 --> 00:20:37,919

it'll be a good time make sure he picks

489

00:20:49,590 --> 00:20:46,549

shawn says

490

00:20:50,950 --> 00:20:49,600

he'll charge

491

00:20:53,590 --> 00:20:50,960

just up from the house where we're

492

00:20:56,870 --> 00:20:53,600

staying so it's um cigars and comforts

493

00:21:00,390 --> 00:20:56,880

comforts yes perfect perfect what a man

494

00:21:02,230 --> 00:21:00,400

uh now i'm envious now i'm envious

495

00:21:05,030 --> 00:21:02,240

you got time on the plane

496

00:21:06,630 --> 00:21:05,040

you know making 12 hours

497

00:21:09,590 --> 00:21:06,640

[Laughter]

498

00:21:16,470 --> 00:21:12,549

i wouldn't have a wife anymore um

499

00:21:22,310 --> 00:21:16,480

really good party on the other end

500

00:21:22,320 --> 00:21:25,430

we're getting closer

501
00:21:27,990 --> 00:21:26,710
we'll take you to the club smacks in

502
00:21:31,830 --> 00:21:28,000
london

503
00:21:33,350 --> 00:21:31,840
we'll drop you off at the club

504
00:21:34,440 --> 00:21:33,360
this would be the this would be a good

505
00:21:39,110 --> 00:21:34,450
time actually

506
00:21:41,669 --> 00:21:39,120
[Laughter]

507
00:21:53,090 --> 00:21:41,679
wait we're gonna go by uh

508
00:21:58,470 --> 00:21:57,029
[Laughter]

509
00:21:59,830 --> 00:21:58,480
yeah there's some anonymous building in

510
00:22:01,350 --> 00:21:59,840
london we're going to stand outside and

511
00:22:03,990 --> 00:22:01,360
hopefully don't get arrested which may

512
00:22:05,270 --> 00:22:04,000
or may not have been enough on filming

513
00:22:07,669 --> 00:22:05,280

yeah was it

514

00:22:11,990 --> 00:22:07,679

not the main in black

515

00:22:14,230 --> 00:22:12,000

am i making that up it's a bean arsenal

516

00:22:16,470 --> 00:22:14,240

i'm thinking about smith ignore me sorry

517

00:22:18,390 --> 00:22:16,480

i'm just i'm not on duty tonight this is

518

00:22:23,190 --> 00:22:18,400

i'm not being professional you talking

519

00:22:27,669 --> 00:22:25,029

because there's so many always here and

520

00:22:29,510 --> 00:22:27,679

everyone's is busy so i don't usually

521

00:22:30,950 --> 00:22:29,520

when i'm hosting this is vinnie's

522

00:22:32,789 --> 00:22:30,960

mess-up well uh we just hope that

523

00:22:34,549 --> 00:22:32,799

everybody understands that

524

00:22:36,149 --> 00:22:34,559

we're trying to be clear on what we're

525

00:22:38,549 --> 00:22:36,159

doing this weekend there are no big

526

00:22:40,789 --> 00:22:38,559

secrets or hidden things or agendas or

527

00:22:42,789 --> 00:22:40,799

no events

528

00:22:44,710 --> 00:22:42,799

if anyone does have questions still and

529

00:22:46,549 --> 00:22:44,720

then they're here now ask away in the

530

00:22:48,310 --> 00:22:46,559

chat yeah you know we'll happily answer

531

00:22:50,070 --> 00:22:48,320

but so some people have asked what lou

532

00:22:51,830 --> 00:22:50,080

is doing and

533

00:22:56,870 --> 00:22:51,840

it's not for us to share you know when

534

00:22:56,880 --> 00:23:00,789

is he visiting hogwarts

535

00:23:06,149 --> 00:23:03,669

it is open again now yeah

536

00:23:09,190 --> 00:23:06,159

um i i would say people shouldn't over

537

00:23:11,029 --> 00:23:09,200

inflate their their ideas of what people

538

00:23:12,230 --> 00:23:11,039

do in their regular lives

539

00:23:13,990 --> 00:23:12,240

um

540

00:23:16,230 --> 00:23:14,000

you know and how it uh

541

00:23:18,230 --> 00:23:16,240

how it coincides with their work let me

542

00:23:19,830 --> 00:23:18,240

put it that way um

543

00:23:21,669 --> 00:23:19,840

there are no secrets surrounding this

544

00:23:22,789 --> 00:23:21,679

like you know we didn't plan this just

545

00:23:24,230 --> 00:23:22,799

because things look smooth and

546

00:23:25,350 --> 00:23:24,240

professional with some people doesn't

547

00:23:27,029 --> 00:23:25,360

mean that there's

548

00:23:28,710 --> 00:23:27,039

that there's something going on it means

549

00:23:30,149 --> 00:23:28,720

you may have actually found

550

00:23:31,750 --> 00:23:30,159

professionals to work with and i was

551
00:23:32,549 --> 00:23:31,760
going to bring that up because you guys

552
00:23:36,870 --> 00:23:32,559
have

553
00:23:40,630 --> 00:23:36,880
all of the same challenges

554
00:23:42,870 --> 00:23:40,640
that we've gone through over here and um

555
00:23:45,430 --> 00:23:42,880
we kind of jokingly me and

556
00:23:47,190 --> 00:23:45,440
and jake and the guys we jokingly not

557
00:23:49,590 --> 00:23:47,200
jokingly actually really seriously think

558
00:23:50,789 --> 00:23:49,600
of you guys as like sky fort east

559
00:23:52,549 --> 00:23:50,799
because

560
00:23:53,510 --> 00:23:52,559
you guys are there doing what you're

561
00:23:55,110 --> 00:23:53,520
doing

562
00:23:57,350 --> 00:23:55,120
with the tools that you have and the

563
00:23:59,190 --> 00:23:57,360

relationships that you've built and and

564

00:24:00,310 --> 00:23:59,200

the the relationships that you've

565

00:24:01,590 --> 00:24:00,320

overcome

566

00:24:03,269 --> 00:24:01,600

i mean because i know what it's like to

567

00:24:05,669 --> 00:24:03,279

get a room full of people together with

568

00:24:07,590 --> 00:24:05,679

differing ideas and and i i don't mean

569

00:24:09,269 --> 00:24:07,600

to say agendas but we all have internal

570

00:24:10,789 --> 00:24:09,279

agendas we all want to see something out

571

00:24:12,789 --> 00:24:10,799

of this that might be a little bit

572

00:24:14,789 --> 00:24:12,799

different than the other person and to

573

00:24:17,110 --> 00:24:14,799

come together and to focus on on a

574

00:24:18,789 --> 00:24:17,120

mission and a goal together to coalesce

575

00:24:21,269 --> 00:24:18,799

that together it's one of the most

576

00:24:24,310 --> 00:24:21,279

challenging things dare i say a group of

577

00:24:27,590 --> 00:24:24,320

men can do these days um

578

00:24:30,070 --> 00:24:27,600

and not not to exclude anyone i'm just

579

00:24:31,909 --> 00:24:30,080

saying that i'm i'm i'm not pounding my

580

00:24:33,190 --> 00:24:31,919

chest but i'm proud to be amongst a

581

00:24:34,789 --> 00:24:33,200

group of men who are who are as

582

00:24:37,029 --> 00:24:34,799

heartfelt mature

583

00:24:38,870 --> 00:24:37,039

intelligent and professional as you guys

584

00:24:41,430 --> 00:24:38,880

are i'd love to see us diversify of

585

00:24:43,830 --> 00:24:41,440

course we're we're way too white dude

586

00:24:45,430 --> 00:24:43,840

but um

587

00:24:47,040 --> 00:24:45,440

but i got i gotta say that it's it's

588

00:24:50,950 --> 00:24:47,050

really i'm jewish

589

00:24:52,710 --> 00:24:50,960

[Laughter]

590

00:24:55,990 --> 00:24:52,720

you you've proved the point that you

591

00:24:57,590 --> 00:24:56,000

approved a stereotypical point

592

00:25:01,110 --> 00:24:57,600

the jewish guy will always tell you

593

00:25:03,430 --> 00:25:01,120

exactly how he feels

594

00:25:07,269 --> 00:25:03,440

i'm kyle

595

00:25:11,029 --> 00:25:09,590

because people don't see

596

00:25:12,710 --> 00:25:11,039

um

597

00:25:14,630 --> 00:25:12,720

that we're posting results of what we're

598

00:25:15,830 --> 00:25:14,640

doing all the time people think that

599

00:25:18,149 --> 00:25:15,840

there's some

600

00:25:19,430 --> 00:25:18,159

secret behind it all but there isn't you

601
00:25:22,310 --> 00:25:19,440
know we've

602
00:25:24,789 --> 00:25:22,320
we've got families we've got jobs we try

603
00:25:25,909 --> 00:25:24,799
and do this when we can and if we can i

604
00:25:27,350 --> 00:25:25,919
mean

605
00:25:29,430 --> 00:25:27,360
this is the first time we've all been in

606
00:25:30,310 --> 00:25:29,440
the same room yeah for

607
00:25:32,470 --> 00:25:30,320
you know

608
00:25:33,830 --> 00:25:32,480
yeah i haven't stopped poking these guys

609
00:25:37,190 --> 00:25:33,840
randomly

610
00:25:41,830 --> 00:25:39,669
they're actually here it's quite done

611
00:25:42,950 --> 00:25:41,840
you sleep that's yeah that's the weird

612
00:25:44,470 --> 00:25:42,960
thing you wake up in the middle of life

613
00:25:45,280 --> 00:25:44,480

he's like pull me away little company

614

00:25:47,669 --> 00:25:45,290

said he's still awake

615

00:25:49,590 --> 00:25:47,679

[Laughter]

616

00:25:51,269 --> 00:25:49,600

i know how that feels it's a really good

617

00:25:53,830 --> 00:25:51,279

couple of days just to

618

00:25:55,909 --> 00:25:53,840

you know bond

619

00:25:58,470 --> 00:25:55,919

yeah in the same room in this rather

620

00:25:59,990 --> 00:25:58,480

than being on cyberspace and you can't

621

00:26:01,669 --> 00:26:00,000

talk to people properly if you're doing

622

00:26:03,430 --> 00:26:01,679

it across skype or you're doing it

623

00:26:05,029 --> 00:26:03,440

across text messaging you've got to be

624

00:26:06,789 --> 00:26:05,039

able to see people to talk to them to

625

00:26:08,870 --> 00:26:06,799

see how they react in the moment

626

00:26:12,789 --> 00:26:08,880

otherwise it just doesn't work sean

627

00:26:17,190 --> 00:26:14,950

you know there's more to humanity than

628

00:26:18,549 --> 00:26:17,200

voice and just seeing there's there's a

629

00:26:20,549 --> 00:26:18,559

depth of field we've got all of our

630

00:26:22,149 --> 00:26:20,559

other senses we we communicate on a lot

631

00:26:23,510 --> 00:26:22,159

of different levels together and it's

632

00:26:25,269 --> 00:26:23,520

it's not until you get in the same room

633

00:26:27,350 --> 00:26:25,279

that you you know that you're sure

634

00:26:28,789 --> 00:26:27,360

you know actually sometimes when you're

635

00:26:30,470 --> 00:26:28,799

not actually saying anything it's the

636

00:26:32,470 --> 00:26:30,480

silences as well that can speak just as

637

00:26:34,230 --> 00:26:32,480

much as what you say

638

00:26:36,390 --> 00:26:34,240

we should also point out we do have one

639

00:26:38,390 --> 00:26:36,400

missing member who's here we just

640

00:26:41,750 --> 00:26:38,400

afs and identified andreas freeman's

641

00:26:43,669 --> 00:26:41,760

style um he's he's a lynchpin but he's a

642

00:26:45,750 --> 00:26:43,679

social media linchpin and so he likes to

643

00:26:47,029 --> 00:26:45,760

stay kind of off camera and behind

644

00:26:48,789 --> 00:26:47,039

things so

645

00:26:51,269 --> 00:26:48,799

you know he's he's everything you've

646

00:26:52,549 --> 00:26:51,279

just said about us and thank you so much

647

00:26:53,990 --> 00:26:52,559

um

648

00:26:57,190 --> 00:26:54,000

it applies to him too and i just want to

649

00:27:01,430 --> 00:26:59,830

yeah it's not just like the six

650

00:27:02,950 --> 00:27:01,440

members it's like everybody that we

651
00:27:06,230 --> 00:27:02,960
communicate with it's everybody we

652
00:27:07,830 --> 00:27:06,240
interact with as well outside of outside

653
00:27:09,269 --> 00:27:07,840
of it yes

654
00:27:11,190 --> 00:27:09,279
you know everybody helps in their own

655
00:27:13,430 --> 00:27:11,200
way and everybody

656
00:27:15,029 --> 00:27:13,440
is welcome that's the thing

657
00:27:16,870 --> 00:27:15,039
can i ask a lot

658
00:27:20,549 --> 00:27:16,880
what did you do last week because we

659
00:27:22,470 --> 00:27:20,559
don't really share what we actually do

660
00:27:25,430 --> 00:27:22,480
we sent a whole bunch of things out last

661
00:27:27,430 --> 00:27:25,440
week oh well um just to update people i

662
00:27:28,789 --> 00:27:27,440
forgot about that um but yes but this

663
00:27:30,549 --> 00:27:28,799

one yeah this is the kind of this is the

664

00:27:33,430 --> 00:27:30,559

work we're constantly just don't talk

665

00:27:35,269 --> 00:27:33,440

about yeah i mean last week we sent off

666

00:27:37,590 --> 00:27:35,279

a load of letters to members of the

667

00:27:38,950 --> 00:27:37,600

house of lords members of the defense

668

00:27:41,269 --> 00:27:38,960

select committee

669

00:27:43,350 --> 00:27:41,279

members of the intelligence committee in

670

00:27:44,870 --> 00:27:43,360

this country prince william prince

671

00:27:47,590 --> 00:27:44,880

charles

672

00:27:50,149 --> 00:27:47,600

um astronomy general here the the royal

673

00:27:51,830 --> 00:27:50,159

astronomer um

674

00:27:55,190 --> 00:27:51,840

admiral of the fleet

675

00:27:56,789 --> 00:27:55,200

um head of the space agency in the uk

676
00:27:59,110 --> 00:27:56,799
you know we sent out all these letters

677
00:28:00,230 --> 00:27:59,120
saying this is what we're doing we want

678
00:28:02,789 --> 00:28:00,240
to get

679
00:28:06,310 --> 00:28:02,799
information to you if you are willing to

680
00:28:08,070 --> 00:28:06,320
have that information brought to you

681
00:28:10,070 --> 00:28:08,080
and

682
00:28:11,909 --> 00:28:10,080
we'll see where that goes it's very much

683
00:28:13,990 --> 00:28:11,919
like what we do over here and i i think

684
00:28:16,310 --> 00:28:14,000
that if people understood more

685
00:28:18,230 --> 00:28:16,320
that we are we're a network now in in

686
00:28:20,710 --> 00:28:18,240
some places we've folks have names

687
00:28:22,470 --> 00:28:20,720
themselves or formed an llc

688
00:28:24,149 --> 00:28:22,480

but the fact is is we're just an

689

00:28:26,549 --> 00:28:24,159

extensive network of people who are

690

00:28:28,230 --> 00:28:26,559

trying to get more people to understand

691

00:28:29,830 --> 00:28:28,240

that this should be looked at and we

692

00:28:31,430 --> 00:28:29,840

want the right people to look at it and

693

00:28:33,750 --> 00:28:31,440

in most cases

694

00:28:36,870 --> 00:28:33,760

um hollywood or business would say

695

00:28:39,510 --> 00:28:36,880

you're giving away your ip every day

696

00:28:42,310 --> 00:28:39,520

every day freely because because it's

697

00:28:45,110 --> 00:28:42,320

not my ip it's information and it's data

698

00:28:47,269 --> 00:28:45,120

and it's it's the conclusions are my ip

699

00:28:48,950 --> 00:28:47,279

those those are my personal ideas and i

700

00:28:50,549 --> 00:28:48,960

guard those because those we all have to

701
00:28:51,830 --> 00:28:50,559
come to those together once we have the

702
00:28:52,870 --> 00:28:51,840
same data

703
00:28:55,269 --> 00:28:52,880
but

704
00:28:57,269 --> 00:28:55,279
it's it really is about this network of

705
00:28:59,510 --> 00:28:57,279
people and there's a hundred people that

706
00:29:01,510 --> 00:28:59,520
should be on this call that can't be

707
00:29:03,510 --> 00:29:01,520
you know there are all of our friends

708
00:29:05,350 --> 00:29:03,520
all of our trusted you know folks all

709
00:29:08,230 --> 00:29:05,360
the people we go to for advice or that

710
00:29:09,990 --> 00:29:08,240
help us with information and it and it's

711
00:29:13,350 --> 00:29:10,000
i wish people understood that more this

712
00:29:14,950 --> 00:29:13,360
isn't a club it's not a click it's we

713
00:29:16,549 --> 00:29:14,960

want more people we want to fill a

714

00:29:18,470 --> 00:29:16,559

stadium of people with the same

715

00:29:20,549 --> 00:29:18,480

information yeah

716

00:29:23,510 --> 00:29:20,559

sean i have a question sean how how is

717

00:29:25,269 --> 00:29:23,520

uh skyford going right now how uh

718

00:29:27,430 --> 00:29:25,279

what's developing

719

00:29:29,110 --> 00:29:27,440

well it's going great it's going great

720

00:29:30,950 --> 00:29:29,120

everything is outstanding because we

721

00:29:32,389 --> 00:29:30,960

haven't and i'm not judging people i

722

00:29:35,350 --> 00:29:32,399

don't want people to think i'm swinging

723

00:29:38,149 --> 00:29:35,360

some kind of judgment hammer here but we

724

00:29:41,990 --> 00:29:38,159

haven't set financial goals

725

00:29:44,389 --> 00:29:42,000

as our markers we're our analytics our

726

00:29:46,310 --> 00:29:44,399

our benchmarks for success are different

727

00:29:48,710 --> 00:29:46,320

we are self-funded i'm i'm still a

728

00:29:50,310 --> 00:29:48,720

pensioner as i've said i've turned down

729

00:29:52,630 --> 00:29:50,320

hosting jobs

730

00:29:54,149 --> 00:29:52,640

hollywood movies don't get me wrong man

731

00:29:58,630 --> 00:29:54,159

that stuff would be fun that would be

732

00:30:01,990 --> 00:30:01,110

my daughter calls me jason mimosa she's

733

00:30:08,230 --> 00:30:02,000

like

734

00:30:13,269 --> 00:30:09,830

but i i think you get it i don't want i

735

00:30:14,870 --> 00:30:13,279

don't want to hug hug the mic it's

736

00:30:19,510 --> 00:30:14,880

it's a lot of people

737

00:30:20,870 --> 00:30:19,520

i will dive also on wednesday um before

738

00:30:23,909 --> 00:30:20,880

before i came down here to meet all

739

00:30:25,830 --> 00:30:23,919

these guys i met up with members of the

740

00:30:28,470 --> 00:30:25,840

swansea ufo network

741

00:30:31,269 --> 00:30:28,480

who are doing some incredible work um on

742

00:30:32,789 --> 00:30:31,279

ufo cases in wales

743

00:30:35,510 --> 00:30:32,799

and they are getting together witness

744

00:30:37,350 --> 00:30:35,520

statements eyewitness reports and as

745

00:30:39,669 --> 00:30:37,360

much information as they can get because

746

00:30:42,549 --> 00:30:39,679

wales is a hot spot of your activity but

747

00:30:43,830 --> 00:30:42,559

not many people realize it

748

00:30:45,750 --> 00:30:43,840

and that's part of the reason why i was

749

00:30:47,190 --> 00:30:45,760

at the national archives today is to

750

00:30:47,909 --> 00:30:47,200

help them out

751
00:30:50,230 --> 00:30:47,919
and

752
00:30:52,070 --> 00:30:50,240
do my own research on what i'm

753
00:30:54,149 --> 00:30:52,080
interested in so

754
00:30:55,190 --> 00:30:54,159
you know there's all these little groups

755
00:30:57,269 --> 00:30:55,200
which

756
00:30:58,549 --> 00:30:57,279
you know when you do contact them and

757
00:31:00,149 --> 00:30:58,559
when you do

758
00:31:02,230 --> 00:31:00,159
actually work together and work out a

759
00:31:05,269 --> 00:31:02,240
plan you know you can get

760
00:31:06,789 --> 00:31:05,279
some very

761
00:31:09,430 --> 00:31:06,799
you can get

762
00:31:11,269 --> 00:31:09,440
good teamwork going i guess

763
00:31:12,789 --> 00:31:11,279

and that brings all the information out

764

00:31:15,509 --> 00:31:12,799

to everybody else

765

00:31:17,830 --> 00:31:15,519

yeah i think we're all wary of this wary

766

00:31:19,669 --> 00:31:17,840

i should say of this subject because as

767

00:31:22,630 --> 00:31:19,679

you know as

768

00:31:24,870 --> 00:31:22,640

where we work in it is very serious

769

00:31:26,389 --> 00:31:24,880

and it's i'm glad we started out joking

770

00:31:27,990 --> 00:31:26,399

and poking and everything at first

771

00:31:30,230 --> 00:31:28,000

because it cuts through the nonsense

772

00:31:31,430 --> 00:31:30,240

before you get to just a deadly serious

773

00:31:33,190 --> 00:31:31,440

topic

774

00:31:35,190 --> 00:31:33,200

and it doesn't matter what piece of it

775

00:31:36,789 --> 00:31:35,200

you pull out of it we don't deal with

776

00:31:37,750 --> 00:31:36,799

any of the jokey stuff

777

00:31:39,830 --> 00:31:37,760

and so

778

00:31:41,830 --> 00:31:39,840

at the end of the day we might get a lot

779

00:31:42,870 --> 00:31:41,840

of questions from people that we can't

780

00:31:44,389 --> 00:31:42,880

answer

781

00:31:45,590 --> 00:31:44,399

and we don't even get to spend a lot of

782

00:31:47,750 --> 00:31:45,600

brain space

783

00:31:50,389 --> 00:31:47,760

working on that ourselves because it's

784

00:31:52,950 --> 00:31:50,399

those are rabbit holes the the unknown

785

00:31:55,430 --> 00:31:52,960

portion of this remains unknown

786

00:31:57,110 --> 00:31:55,440

and i just think that that managing that

787

00:31:58,389 --> 00:31:57,120

stress and managing the relationships

788

00:32:01,750 --> 00:31:58,399

that come along with it are such a

789

00:32:04,950 --> 00:32:01,760

challenge for all of us um i i point no

790

00:32:06,789 --> 00:32:04,960

finger at anyone um we've i think all of

791

00:32:09,750 --> 00:32:06,799

us in our personal lives and we've seen

792

00:32:12,470 --> 00:32:09,760

in within our greater community the ups

793

00:32:15,269 --> 00:32:12,480

and downs of the frustrations that come

794

00:32:17,990 --> 00:32:15,279

with the unknown and with the ideas that

795

00:32:20,549 --> 00:32:18,000

other people know things that you feel

796

00:32:22,630 --> 00:32:20,559

are germane to your own existence

797

00:32:24,950 --> 00:32:22,640

and that's possibly the hardest subject

798

00:32:26,950 --> 00:32:24,960

you can deal with and you can't find

799

00:32:28,630 --> 00:32:26,960

anyone that you whose neck you can ring

800

00:32:31,509 --> 00:32:28,640

to get the answers from

801
00:32:35,750 --> 00:32:33,509
it's gonna take more it's gonna and i'm

802
00:32:37,830 --> 00:32:35,760
sorry that people are not seeing what

803
00:32:40,470 --> 00:32:37,840
they thought was gonna be big hollywood

804
00:32:42,149 --> 00:32:40,480
front lawn disclosure and lights i'm not

805
00:32:43,830 --> 00:32:42,159
interested in any of that i'm interested

806
00:32:44,950 --> 00:32:43,840
in the ground truth and if i think if

807
00:32:48,389 --> 00:32:44,960
there was a

808
00:32:52,149 --> 00:32:48,399
pane of glass to break and a note to

809
00:32:54,470 --> 00:32:52,159
read behind it we would have by now yeah

810
00:32:56,470 --> 00:32:54,480
can i just say something please i think

811
00:32:58,070 --> 00:32:56,480
like you guys what you're doing and what

812
00:33:00,310 --> 00:32:58,080
you've been doing and like what sky

813
00:33:03,350 --> 00:33:00,320

fort's going to do if you did get that

814

00:33:04,630 --> 00:33:03,360

white house lawn landing tomorrow it

815

00:33:06,149 --> 00:33:04,640

wouldn't stop what you're doing though

816

00:33:07,669 --> 00:33:06,159

with it it wouldn't change what you guys

817

00:33:09,029 --> 00:33:07,679

are doing so that that work would still

818

00:33:11,990 --> 00:33:09,039

need to be done it's not just like oh

819

00:33:14,630 --> 00:33:12,000

well there's there's an alien so let's

820

00:33:17,190 --> 00:33:14,640

that's an excellent that's an excellent

821

00:33:18,470 --> 00:33:17,200

segue into we need to start looking at

822

00:33:19,430 --> 00:33:18,480

what's next

823

00:33:20,950 --> 00:33:19,440

because

824

00:33:22,950 --> 00:33:20,960

as as we all start putting the

825

00:33:25,990 --> 00:33:22,960

possibilities of what this could be on

826

00:33:28,070 --> 00:33:26,000

the table based on the evidence we have

827

00:33:30,149 --> 00:33:28,080

there are other a lot more people need

828

00:33:32,630 --> 00:33:30,159

to be involved we may we need to start

829

00:33:34,310 --> 00:33:32,640

considering diplomacy because if this

830

00:33:36,070 --> 00:33:34,320

isn't us

831

00:33:37,990 --> 00:33:36,080

this can't be owned wholly by the

832

00:33:40,389 --> 00:33:38,000

military industrial complex in our

833

00:33:43,110 --> 00:33:40,399

defense industry and we can't paint it

834

00:33:45,509 --> 00:33:43,120

solely as a boogeyman or or allow anyone

835

00:33:47,590 --> 00:33:45,519

to do that we have to treat it as an

836

00:33:49,190 --> 00:33:47,600

unknown protect ourselves and then say

837

00:33:51,590 --> 00:33:49,200

hey who are you

838

00:33:54,070 --> 00:33:51,600

and and see what comes back

839

00:33:56,470 --> 00:33:54,080

sean i have a request because on that

840

00:33:59,110 --> 00:33:56,480

note uh a friend of mine who's doing

841

00:34:01,509 --> 00:33:59,120

very divine work here in holland

842

00:34:02,470 --> 00:34:01,519

has a very important meeting with the

843

00:34:04,630 --> 00:34:02,480

dutch

844

00:34:09,829 --> 00:34:04,640

military

845

00:34:13,589 --> 00:34:09,839

and uh he is

846

00:34:18,389 --> 00:34:13,599

seeking uh foreign military men

847

00:34:21,109 --> 00:34:18,399

uh to sign a pamphlet uh to show

848

00:34:22,869 --> 00:34:21,119

the dutch military uh you know this is a

849

00:34:25,909 --> 00:34:22,879

real thing and they should look into it

850

00:34:27,829 --> 00:34:25,919

and i can tell you uh they are curious

851
00:34:29,510 --> 00:34:27,839
they're very uh curious you know what

852
00:34:32,550 --> 00:34:29,520
what he's gonna come up with

853
00:34:34,950 --> 00:34:32,560
and uh he's been asking me you know to

854
00:34:37,990 --> 00:34:34,960
actually approach guys like you sean

855
00:34:40,790 --> 00:34:38,000
uh you know to support him uh you know

856
00:34:41,829 --> 00:34:40,800
creating awareness uh within the dutch

857
00:34:44,230 --> 00:34:41,839
dod

858
00:34:45,669 --> 00:34:44,240
okay i'd be more than happy to help with

859
00:34:47,829 --> 00:34:45,679
that that's something that that's right

860
00:34:49,829 --> 00:34:47,839
in the lane that we're in because we

861
00:34:51,589 --> 00:34:49,839
have the phone numbers the relationships

862
00:34:52,869 --> 00:34:51,599
and the and the ability to communicate

863
00:34:54,230 --> 00:34:52,879

to those folks

864

00:34:55,589 --> 00:34:54,240

um

865

00:34:57,589 --> 00:34:55,599

let me let me see what i can do i'll

866

00:34:59,270 --> 00:34:57,599

talk to my folks we'll see you know and

867

00:35:02,150 --> 00:34:59,280

the people i work with and my friends

868

00:35:03,829 --> 00:35:02,160

and and see who's out there thank you um

869

00:35:05,990 --> 00:35:03,839

some a lot of the folks who are on

870

00:35:08,550 --> 00:35:06,000

active duty maybe uh

871

00:35:10,550 --> 00:35:08,560

those folks may not be able to

872

00:35:12,550 --> 00:35:10,560

as easily communicate what they want to

873

00:35:16,470 --> 00:35:12,560

but i'll see if there's a means for us

874

00:35:17,750 --> 00:35:16,480

to uh utilizing a anonymous source

875

00:35:19,990 --> 00:35:17,760

um

876

00:35:21,910 --> 00:35:20,000

protocol such as the associated press

877

00:35:22,630 --> 00:35:21,920

you know that people would be happy with

878

00:35:27,109 --> 00:35:22,640

to

879

00:35:29,910 --> 00:35:27,119

um i'll make sure that we don't provide

880

00:35:30,710 --> 00:35:29,920

anything that that can't be backed up so

881

00:35:32,950 --> 00:35:30,720

yeah

882

00:35:33,829 --> 00:35:32,960

how quickly it's what's their time frame

883

00:35:36,069 --> 00:35:33,839

on that

884

00:35:38,150 --> 00:35:36,079

uh actually it's the 15th of november he

885

00:35:41,510 --> 00:35:38,160

has a a very important meeting with a

886

00:35:43,910 --> 00:35:41,520

very high high ranking officer in uh

887

00:35:45,349 --> 00:35:43,920

in the netherlands yeah okay i confess

888

00:35:47,750 --> 00:35:45,359

that i may have something like that in

889

00:35:49,270 --> 00:35:47,760

my inbox so i'll i'll sift through and

890

00:35:50,870 --> 00:35:49,280

push it to the top

891

00:35:53,670 --> 00:35:50,880

that's awesome

892

00:35:55,030 --> 00:35:53,680

hit me up directly if uh if you need

893

00:35:56,310 --> 00:35:55,040

action on it you haven't heard from me

894

00:35:57,349 --> 00:35:56,320

because i do get lost in the sauce

895

00:36:00,069 --> 00:35:57,359

sometimes

896

00:36:01,510 --> 00:36:00,079

for sure thank you man thank you awesome

897

00:36:06,310 --> 00:36:01,520

that's a good example of the work being

898

00:36:13,910 --> 00:36:08,550

we just dropped right into zoom mode and

899

00:36:17,030 --> 00:36:15,349

we're going to have to wrap up here soon

900

00:36:18,470 --> 00:36:17,040

to go meet ryan but i just wanted to

901
00:36:20,790 --> 00:36:18,480
roll through some of these and just say

902
00:36:24,310 --> 00:36:20,800
thank you to chris thank you chris thank

903
00:36:26,630 --> 00:36:24,320
you sarah lara nathan

904
00:36:28,310 --> 00:36:26,640
nathan as well um

905
00:36:30,950 --> 00:36:28,320
we will buy a nice round and we will

906
00:36:33,829 --> 00:36:30,960
make sure we buy ryan and his his

907
00:36:35,349 --> 00:36:33,839
fiancee a nice celebratory drink yes

908
00:36:36,870 --> 00:36:35,359
thank you so much thank you everyone

909
00:36:38,390 --> 00:36:36,880
cheers everybody thank you

910
00:36:39,990 --> 00:36:38,400
congratulations all around all of you

911
00:36:41,510 --> 00:36:40,000
guys for everything you've done for the

912
00:36:43,589 --> 00:36:41,520
friendships you've built for thank you

913
00:36:45,589 --> 00:36:43,599

for inviting us in and uh have a great

914

00:36:49,030 --> 00:36:45,599

time tonight give my guy a hug

915

00:36:51,990 --> 00:36:50,390

thank you guys

916

00:36:54,230 --> 00:36:52,000

everyone that was

917

00:36:55,430 --> 00:36:54,240

you know we tried to be as honest and

918

00:36:57,030 --> 00:36:55,440

open as we can about all the

919

00:36:58,790 --> 00:36:57,040

conspiracies that were built up about

920

00:37:01,190 --> 00:36:58,800

our innocent little journey down here to

921

00:37:02,230 --> 00:37:01,200

london so i hope we've put everything at

922

00:37:05,030 --> 00:37:02,240

ease

923
