Omar Lara Interview
'USS Nimitz UAP Witness'
Live on YouTube
Thursday December 2nd
12pm PST/3pm EST/8pm UK

1
00:00:01,450 --> 00:00:32,069

[Music]

2
00:00:36,150 --> 00:00:34,310

hey everybody how's it going

3
00:00:38,310 --> 00:00:36,160

sorry i'm just getting everything set up

4
00:00:40,470 --> 00:00:38,320

still i have 30 seconds to do it good to

5
00:00:42,150 --> 00:00:40,480

see you all here um

6
00:00:44,950 --> 00:00:42,160

thank you so much yeah i've been looking

7
00:00:47,190 --> 00:00:44,960

forward to this one for quite some time

8
00:00:49,750 --> 00:00:47,200

so uh let's not waste any more time i

9
00:00:52,869 --> 00:00:49,760

really really can't wait to introduce

10
00:00:54,389 --> 00:00:52,879

mr omar lara omar how are you my friend

11
00:00:56,790 --> 00:00:54,399

i'm doing well sir yourself thank you

12
00:00:58,470 --> 00:00:56,800

for having me on i appreciate it hey the

13
00:01:00,470 --> 00:00:58,480

pleasure is all mine man thank you so

14

00:01:02,310 --> 00:01:00,480

much for taking some time out of your

15

00:01:03,750 --> 00:01:02,320

your day to come and chat with us here

16

00:01:05,109 --> 00:01:03,760

so um

17

00:01:06,789 --> 00:01:05,119

i think the best thing that we could do

18

00:01:09,109 --> 00:01:06,799

is just to give us a kind of a bit of a

19

00:01:10,950 --> 00:01:09,119

background on yourself if you don't mind

20

00:01:13,030 --> 00:01:10,960

oh yes uh

21

00:01:17,030 --> 00:01:13,040

i served 10 years in the navy i was born

22

00:01:19,030 --> 00:01:17,040

and raised in los angeles california and

23

00:01:21,270 --> 00:01:19,040

it was one of the best experiences of my

24

00:01:24,550 --> 00:01:21,280

life traveling the world

25

00:01:26,469 --> 00:01:24,560

meeting nice lads as yourself and

26

00:01:29,429 --> 00:01:26,479

many different individuals

27

00:01:32,230 --> 00:01:29,439

over the uk and in europe

28

00:01:34,149 --> 00:01:32,240

and uh obviously i'm here now due to our

29

00:01:36,950 --> 00:01:34,159

experience with the uh

30

00:01:39,270 --> 00:01:36,960

nimitz encounters and

31

00:01:41,910 --> 00:01:39,280

all the uh

32

00:01:44,149 --> 00:01:41,920

hoopla has been going on since 2017 and

33

00:01:46,950 --> 00:01:44,159

the tic tac as well as other

34

00:01:49,270 --> 00:01:46,960

ufo topic topics

35

00:01:50,870 --> 00:01:49,280

that's great yeah and is that something

36

00:01:53,590 --> 00:01:50,880

you know did you have any kind of

37

00:01:55,510 --> 00:01:53,600

passion for looking at or

38

00:01:57,030 --> 00:01:55,520

having anything to do with ufos growing

39

00:01:59,429 --> 00:01:57,040

up was it something you were interested

40

00:02:01,590 --> 00:01:59,439

in at all uh you know

41

00:02:04,230 --> 00:02:01,600

i i've always been asked that and i've

42

00:02:06,469 --> 00:02:04,240

always been very cliché about star wars

43

00:02:08,309 --> 00:02:06,479

and all that but yeah my friends and my

44

00:02:10,790 --> 00:02:08,319

family laughed at me they're like you

45

00:02:12,390 --> 00:02:10,800

just like star wars

46

00:02:14,309 --> 00:02:12,400

but my favorite

47

00:02:16,630 --> 00:02:14,319

anything that has to do with aliens has

48

00:02:20,550 --> 00:02:16,640

always been the original predator

49

00:02:23,190 --> 00:02:20,560

oh yes i watch that movie maybe

50

00:02:25,589 --> 00:02:23,200

once a year if i got nothing else to do

51
00:02:27,990 --> 00:02:25,599
it killed time

52
00:02:29,350 --> 00:02:28,000
i watched the predator so hopefully it

53
00:02:30,949 --> 00:02:29,360
wasn't the predator with that thing

54
00:02:33,990 --> 00:02:30,959
because we're done for right

55
00:02:36,390 --> 00:02:34,000
yeah absolutely man that's a great movie

56
00:02:38,550 --> 00:02:36,400
i think i think it was the late 80s when

57
00:02:40,710 --> 00:02:38,560
it came out 89 something like that maybe

58
00:02:43,430 --> 00:02:40,720
and yeah i was completely hooked on it

59
00:02:46,070 --> 00:02:43,440
as well so uh that's great well i'm with

60
00:02:47,910 --> 00:02:46,080
you man i'm weird completely yes

61
00:02:49,670 --> 00:02:47,920
so you say you were in the navy for 10

62
00:02:51,830 --> 00:02:49,680
years how long were you actually

63
00:02:55,430 --> 00:02:51,840

stationed on the nimitz for out of those

64

00:02:59,110 --> 00:02:55,440

10 years uh the nimitz i believe was uh

65

00:03:02,149 --> 00:02:59,120

four and a half years total

66

00:03:04,229 --> 00:03:02,159

and i bounced off of the uss dwight d

67

00:03:05,990 --> 00:03:04,239

eisenhower also so i was stationed on

68

00:03:08,790 --> 00:03:06,000

both coasts

69

00:03:10,470 --> 00:03:08,800

of the uh continental united states

70

00:03:12,470 --> 00:03:10,480

and um

71

00:03:15,110 --> 00:03:12,480

literally got to travel

72

00:03:17,430 --> 00:03:15,120

i literally can say i've traveled i've

73

00:03:18,390 --> 00:03:17,440

not traveled sailed across

74

00:03:19,830 --> 00:03:18,400

the globe

75

00:03:23,190 --> 00:03:19,840

by the different

76

00:03:24,390 --> 00:03:23,200

sea channels that we took to and from

77

00:03:26,070 --> 00:03:24,400

crossing through the straits of

78

00:03:29,030 --> 00:03:26,080

gibraltar and

79

00:03:32,869 --> 00:03:29,040

into the suiez into the gulf

80

00:03:34,470 --> 00:03:32,879

so back and forth it was uh it's a very

81

00:03:35,990 --> 00:03:34,480

experiencing

82

00:03:38,710 --> 00:03:36,000

that's incredible

83

00:03:40,550 --> 00:03:38,720

i can imagine my grandfather was a

84

00:03:42,869 --> 00:03:40,560

a member of the royal navy here in the

85

00:03:45,270 --> 00:03:42,879

uk and he used to tell me stories of he

86

00:03:46,550 --> 00:03:45,280

was on an aircraft carrier as well going

87

00:03:48,630 --> 00:03:46,560

around the world and he used to tell me

88

00:03:50,229 --> 00:03:48,640

all the stories and so all my life i've

89

00:03:52,309 --> 00:03:50,239

just had this picture of this kind of

90

00:03:54,309 --> 00:03:52,319

lifestyle of a sailor on

91

00:03:55,830 --> 00:03:54,319

you know on board a carrier traveling

92

00:03:57,030 --> 00:03:55,840

the world so it's just always been

93

00:04:00,149 --> 00:03:57,040

something that's

94

00:04:01,830 --> 00:04:00,159

you know it touches me as well so do

95

00:04:03,670 --> 00:04:01,840

doing all of that did you get much

96

00:04:06,070 --> 00:04:03,680

downtime and if you did was there a

97

00:04:08,550 --> 00:04:06,080

favorite like destination that you that

98

00:04:11,030 --> 00:04:08,560

you went to that you got to see

99

00:04:12,710 --> 00:04:11,040

um i guess um

100

00:04:14,470 --> 00:04:12,720

definitely

101
00:04:17,349 --> 00:04:14,480
most parts of europe

102
00:04:18,150 --> 00:04:17,359
because it's definitely the old world

103
00:04:20,629 --> 00:04:18,160
yeah

104
00:04:22,870 --> 00:04:20,639
and uh crossing the sues

105
00:04:24,469 --> 00:04:22,880
in the distance you can see uh the

106
00:04:28,070 --> 00:04:24,479
pyramids

107
00:04:30,390 --> 00:04:28,080
but i would say uh corfu greece the

108
00:04:32,310 --> 00:04:30,400
island of crete

109
00:04:35,030 --> 00:04:32,320
a little bit of italy

110
00:04:38,310 --> 00:04:35,040
dubrovnik croatia

111
00:04:40,550 --> 00:04:38,320
antalya turkey

112
00:04:44,070 --> 00:04:40,560
tries italy

113
00:04:45,590 --> 00:04:44,080

up and down spain portugal lisbon

114

00:04:46,790 --> 00:04:45,600

all those

115

00:04:49,270 --> 00:04:46,800

and then

116

00:04:52,710 --> 00:04:49,280

coming across um

117

00:04:54,830 --> 00:04:52,720

the straits of magellan

118

00:04:57,350 --> 00:04:54,840

and then you cross the

119

00:04:59,830 --> 00:04:57,360

uh the famous island changed the

120

00:05:02,070 --> 00:04:59,840

galapagos highlands sure

121

00:05:03,670 --> 00:05:02,080

and then uh then once you get into

122

00:05:06,310 --> 00:05:03,680

southeast asia

123

00:05:08,830 --> 00:05:06,320

it's a little bit of

124

00:05:10,469 --> 00:05:08,840

yankee world right this

125

00:05:12,469 --> 00:05:10,479

is

126

00:05:14,870 --> 00:05:12,479

there's a yankee touch to it and a

127

00:05:16,390 --> 00:05:14,880

british touch to it yeah

128

00:05:18,150 --> 00:05:16,400

so um

129

00:05:21,189 --> 00:05:18,160

it was a little more modern but if you

130

00:05:23,670 --> 00:05:21,199

dig deep into some of the uh old school

131

00:05:25,029 --> 00:05:23,680

jungles or outskirts of

132

00:05:27,029 --> 00:05:25,039

that area

133

00:05:29,510 --> 00:05:27,039

and that gets even older too so i've

134

00:05:31,590 --> 00:05:29,520

always been fascinated with the

135

00:05:34,629 --> 00:05:31,600

history of our planet

136

00:05:37,189 --> 00:05:34,639

and our people but uh

137

00:05:39,029 --> 00:05:37,199

i never really got too

138

00:05:42,150 --> 00:05:39,039

sucked in

139

00:05:45,189 --> 00:05:42,160

to ufos even after our sighting i mean

140

00:05:49,749 --> 00:05:45,199

it took me uh over

141

00:05:53,350 --> 00:05:49,759

uh geez 2014 to really get into what i

142

00:05:54,870 --> 00:05:53,360

had witnessed and i dug into youtube the

143

00:05:57,189 --> 00:05:54,880

internet

144

00:05:58,710 --> 00:05:57,199

and really all those times that came up

145

00:05:59,830 --> 00:05:58,720

was um

146

00:06:01,350 --> 00:05:59,840

uh the

147

00:06:03,270 --> 00:06:01,360

randalson

148

00:06:04,790 --> 00:06:03,280

that rendered shamfaras

149

00:06:07,350 --> 00:06:04,800

forest

150

00:06:08,629 --> 00:06:07,360

of course here for us in the states was

151
00:06:09,510 --> 00:06:08,639
um

152
00:06:11,590 --> 00:06:09,520
the

153
00:06:13,430 --> 00:06:11,600
crash in roswell

154
00:06:16,070 --> 00:06:13,440
of course yeah those were just like the

155
00:06:18,629 --> 00:06:16,080
main two right it's just always in a few

156
00:06:21,110 --> 00:06:18,639
other ones but um

157
00:06:23,350 --> 00:06:21,120
you know after 2014 you really just got

158
00:06:25,110 --> 00:06:23,360
the same story and if you look back now

159
00:06:26,469 --> 00:06:25,120
from 2017

160
00:06:28,950 --> 00:06:26,479
you're kind of still getting the same

161
00:06:30,309 --> 00:06:28,960
story from there

162
00:06:33,110 --> 00:06:30,319
but um

163
00:06:34,870 --> 00:06:33,120

those people who were involved just said

164

00:06:37,110 --> 00:06:34,880

mr burrows you know that they're coming

165

00:06:39,749 --> 00:06:37,120

to light now so

166

00:06:42,710 --> 00:06:39,759

yeah and it wasn't really because of

167

00:06:44,469 --> 00:06:42,720

that but it was just honestly

168

00:06:47,029 --> 00:06:44,479

uh reading a novel

169

00:06:49,589 --> 00:06:47,039

that said the world ufo

170

00:06:52,469 --> 00:06:49,599

and once i saw that black and white

171

00:06:54,150 --> 00:06:52,479

on one of the many novels i wrote i read

172

00:06:55,270 --> 00:06:54,160

or books

173

00:06:58,950 --> 00:06:55,280

it

174

00:07:03,589 --> 00:07:01,110

went back to

175

00:07:05,749 --> 00:07:03,599

the five individuals i told when we went

176
00:07:08,950 --> 00:07:05,759
back home

177
00:07:11,110 --> 00:07:08,960
and uh when i told them i literally

178
00:07:14,309 --> 00:07:11,120
wanted to get like vindicated around

179
00:07:15,749 --> 00:07:14,319
2014 because i knew this was

180
00:07:19,029 --> 00:07:15,759
something and then

181
00:07:21,430 --> 00:07:19,039
the explosions 2017

182
00:07:23,670 --> 00:07:21,440
the nimitz comes alive which i had no

183
00:07:26,390 --> 00:07:23,680
clue of the other incidents

184
00:07:28,870 --> 00:07:26,400
or the other witnesses

185
00:07:31,990 --> 00:07:28,880
around that general uh

186
00:07:34,629 --> 00:07:32,000
timeline of our operation during

187
00:07:36,550 --> 00:07:34,639
training off the coast of san diego

188
00:07:38,550 --> 00:07:36,560

so i've always been asked hey was that

189

00:07:41,430 --> 00:07:38,560

the tic tac that you saw

190

00:07:44,390 --> 00:07:41,440

i kind of shy away from it it was white

191

00:07:45,749 --> 00:07:44,400

it was illuminating and it was super

192

00:07:49,110 --> 00:07:45,759

fast

193

00:07:50,230 --> 00:07:49,120

but i wasn't close enough to mr fravor

194

00:07:53,510 --> 00:07:50,240

or

195

00:07:55,670 --> 00:07:53,520

now that miss dietrich has come to

196

00:07:57,350 --> 00:07:55,680

into the public eye

197

00:08:00,070 --> 00:07:57,360

i wasn't close enough to see those

198

00:08:01,430 --> 00:08:00,080

little prongs protruding

199

00:08:03,189 --> 00:08:01,440

but as you see with the nimitz

200

00:08:04,950 --> 00:08:03,199

encounters here that's from

201
00:08:06,950 --> 00:08:04,960
our buddy dave beatty i don't know if

202
00:08:09,110 --> 00:08:06,960
you're familiar with him i i've

203
00:08:12,070 --> 00:08:09,120
interviewed him yet yep oh you have

204
00:08:13,749 --> 00:08:12,080
great great guys yeah yeah awesome i

205
00:08:15,670 --> 00:08:13,759
always just call him sometimes i was

206
00:08:18,070 --> 00:08:15,680
like hey you got anything

207
00:08:19,189 --> 00:08:18,080
under under the carpet you know to tell

208
00:08:24,390 --> 00:08:19,199
he's

209
00:08:28,150 --> 00:08:24,400
uh he was the initial one i reached out

210
00:08:30,150 --> 00:08:28,160
to actually let me uh take that back he

211
00:08:33,110 --> 00:08:30,160
was the second individual i reached out

212
00:08:34,790 --> 00:08:33,120
to it was first mr corbell

213
00:08:35,909 --> 00:08:34,800

and he and i talked for about an hour

214

00:08:38,310 --> 00:08:35,919

and a half

215

00:08:39,589 --> 00:08:38,320

and he told me keep quiet keep quiet for

216

00:08:41,589 --> 00:08:39,599

a little bit

217

00:08:44,870 --> 00:08:41,599

and i'll get back to you but i'm really

218

00:08:48,310 --> 00:08:44,880

busy right now because he was doing um

219

00:08:50,710 --> 00:08:48,320

the bob lazar and the skinwalker ranch

220

00:08:52,949 --> 00:08:50,720

yeah so i gave him a year

221

00:08:54,949 --> 00:08:52,959

and i go this guy's busy and he already

222

00:08:57,350 --> 00:08:54,959

had commander fravor

223

00:09:00,550 --> 00:08:57,360

yeah and what more would you want

224

00:09:02,070 --> 00:09:00,560

a jet fighter pilot chasing

225

00:09:04,070 --> 00:09:02,080

uh

226

00:09:06,150 --> 00:09:04,080

the ufo right

227

00:09:08,710 --> 00:09:06,160

i mean it does sound quite glamorous

228

00:09:11,430 --> 00:09:08,720

when you put it like that it is it is

229

00:09:13,670 --> 00:09:11,440

and i was just a lone enlisted

230

00:09:15,190 --> 00:09:13,680

sailor and

231

00:09:16,470 --> 00:09:15,200

you know i don't have a

232

00:09:18,949 --> 00:09:16,480

the uh

233

00:09:20,470 --> 00:09:18,959

security clearances like these guys do

234

00:09:22,710 --> 00:09:20,480

and you know they're

235

00:09:25,190 --> 00:09:22,720

you know you to hand it to uh any jet

236

00:09:26,230 --> 00:09:25,200

fire player from any country you know

237

00:09:30,949 --> 00:09:26,240

they

238

00:09:33,110 --> 00:09:30,959

yeah well the thing is though i mean you

239

00:09:35,190 --> 00:09:33,120

say that i think your sighting

240

00:09:36,790 --> 00:09:35,200

it's just as incredible

241

00:09:39,030 --> 00:09:36,800

really i mean for anybody that's heard

242

00:09:41,990 --> 00:09:39,040

it i'm sure they'll agree but

243

00:09:44,150 --> 00:09:42,000

let's let's dig into it for anybody that

244

00:09:45,750 --> 00:09:44,160

hasn't heard it and and i mean i'm

245

00:09:47,910 --> 00:09:45,760

always up for hearing it from the

246

00:09:50,389 --> 00:09:47,920

horse's mouth so if you could set the

247

00:09:53,110 --> 00:09:50,399

stage what your position was and what

248

00:09:55,030 --> 00:09:53,120

the day slash evening was like you know

249

00:09:58,070 --> 00:09:55,040

on the ship that day and and go from

250

00:10:00,310 --> 00:09:58,080

there if you don't mind absolutely so uh

251
00:10:02,710 --> 00:10:00,320
we were at the second last night of our

252
00:10:04,949 --> 00:10:02,720
operations all the jets had already

253
00:10:06,949 --> 00:10:04,959
departed the aircraft carrier

254
00:10:08,470 --> 00:10:06,959
and during that time

255
00:10:10,949 --> 00:10:08,480
as a flight decker

256
00:10:12,150 --> 00:10:10,959
we're launching and recovering commander

257
00:10:13,269 --> 00:10:12,160
fravor

258
00:10:15,030 --> 00:10:13,279
and

259
00:10:17,590 --> 00:10:15,040
miss dietrich

260
00:10:19,030 --> 00:10:17,600
or lieutenant commander dietrich

261
00:10:21,990 --> 00:10:19,040
and um

262
00:10:23,509 --> 00:10:22,000
that's a day and night operation for us

263
00:10:25,269 --> 00:10:23,519

we're dodging them

264

00:10:26,790 --> 00:10:25,279

they're making sure they're landing

265

00:10:28,790 --> 00:10:26,800

we're just not going to try to kill

266

00:10:31,509 --> 00:10:28,800

ourselves

267

00:10:34,630 --> 00:10:31,519

and they already had disembarked

268

00:10:36,550 --> 00:10:34,640

and uh usually around that time it slows

269

00:10:39,829 --> 00:10:36,560

down

270

00:10:42,470 --> 00:10:39,839

i have a i had a specific task

271

00:10:43,910 --> 00:10:42,480

monitoring uh the maintenance of

272

00:10:47,030 --> 00:10:43,920

specific

273

00:10:48,870 --> 00:10:47,040

fuel systems on the flight there

274

00:10:51,350 --> 00:10:48,880

and i'm walking around i had my

275

00:10:52,550 --> 00:10:51,360

counterpart with me

276
00:10:55,110 --> 00:10:52,560
and

277
00:10:56,710 --> 00:10:55,120
the man overboard

278
00:10:58,710 --> 00:10:56,720
alarm went off

279
00:11:01,590 --> 00:10:58,720
so at that time they were dropping the

280
00:11:03,030 --> 00:11:01,600
elevator down from the flight deck into

281
00:11:06,550 --> 00:11:03,040
the hangar bay

282
00:11:08,949 --> 00:11:06,560
and a young ladder fall into the drink

283
00:11:11,829 --> 00:11:08,959
wow and once they call man overboard we

284
00:11:13,190 --> 00:11:11,839
reported hey this is me i'm on board the

285
00:11:15,590 --> 00:11:13,200
aircraft carrier

286
00:11:19,350 --> 00:11:15,600
i'm not over the drink so everyone

287
00:11:21,750 --> 00:11:19,360
reports in person they do a muster

288
00:11:23,509 --> 00:11:21,760

and then whoever's missing

289

00:11:25,430 --> 00:11:23,519

is part of the poor soul that's in the

290

00:11:26,949 --> 00:11:25,440

water right

291

00:11:28,389 --> 00:11:26,959

so um

292

00:11:31,110 --> 00:11:28,399

everything like i said comes to a

293

00:11:34,550 --> 00:11:31,120

standstill and we end up on the fan tail

294

00:11:37,190 --> 00:11:34,560

which is the back part of the ship

295

00:11:39,910 --> 00:11:37,200

overlooking on the uh

296

00:11:43,350 --> 00:11:39,920

starboard side if i it's been so long

297

00:11:45,590 --> 00:11:43,360

which was the starboard side and uh we

298

00:11:46,710 --> 00:11:45,600

were staring out there

299

00:11:48,389 --> 00:11:46,720

and

300

00:11:51,190 --> 00:11:48,399

you know he's

301
00:11:54,310 --> 00:11:51,200
i remember the um

302
00:11:56,870 --> 00:11:54,320
the [h__\h] mates having a tough time

303
00:12:00,629 --> 00:11:56,880
getting the launch and recovery

304
00:12:04,069 --> 00:12:00,639
boat off the aircraft carrier

305
00:12:04,870 --> 00:12:04,079
and this this guy had drifted

306
00:12:06,949 --> 00:12:04,880
uh

307
00:12:09,590 --> 00:12:06,959
quite a ways and it was

308
00:12:12,150 --> 00:12:09,600
dark as night a beautiful panoramic view

309
00:12:15,030 --> 00:12:12,160
of the ocean night

310
00:12:17,750 --> 00:12:15,040
off of the pacific and the pacific

311
00:12:20,069 --> 00:12:17,760
obviously named after for it being calm

312
00:12:22,150 --> 00:12:20,079
it kind of really is

313
00:12:23,430 --> 00:12:22,160

compared to the atlantic in some parts

314

00:12:26,069 --> 00:12:23,440

well

315

00:12:28,870 --> 00:12:26,079

i don't know where this object just

316

00:12:31,190 --> 00:12:28,880

drops out and you can see it from my uh

317

00:12:35,590 --> 00:12:31,200

left top left

318

00:12:37,670 --> 00:12:35,600

and it just drops and it's just falling

319

00:12:39,430 --> 00:12:37,680

initially you would think it's a

320

00:12:40,310 --> 00:12:39,440

shooting star so when you see a shooting

321

00:12:42,069 --> 00:12:40,320

star

322

00:12:43,910 --> 00:12:42,079

you see that speed and then it kind of

323

00:12:46,069 --> 00:12:43,920

just slows down and then it

324

00:12:49,190 --> 00:12:46,079

disintegrates right yeah and you catch

325

00:12:51,670 --> 00:12:49,200

it it's almost what a second or two

326

00:12:54,710 --> 00:12:51,680

well this thing just kept traveling and

327

00:12:56,069 --> 00:12:54,720

the speed and trajectory of it

328

00:12:57,430 --> 00:12:56,079

you know how you see a shooting star

329

00:12:58,790 --> 00:12:57,440

almost looks like it's kind of coming

330

00:13:00,949 --> 00:12:58,800

straight

331

00:13:03,990 --> 00:13:00,959

yeah this was just cutting through and

332

00:13:08,550 --> 00:13:06,150

it literally just planted itself above

333

00:13:09,269 --> 00:13:08,560

the ocean and the only reason why we saw

334

00:13:11,110 --> 00:13:09,279

it

335

00:13:13,590 --> 00:13:11,120

was due to the fact that we were looking

336

00:13:14,790 --> 00:13:13,600

out that way when that sailor had fallen

337

00:13:15,829 --> 00:13:14,800

overboard

338

00:13:18,069 --> 00:13:15,839

sure

339

00:13:19,590 --> 00:13:18,079

and it planted itself

340

00:13:21,670 --> 00:13:19,600

for about eight

341

00:13:23,350 --> 00:13:21,680

to fifteen seconds

342

00:13:25,030 --> 00:13:23,360

and i said this many times if you're

343

00:13:27,190 --> 00:13:25,040

staring at something at the dark for

344

00:13:29,030 --> 00:13:27,200

eight to fifteen seconds

345

00:13:30,230 --> 00:13:29,040

at whether it's a light

346

00:13:31,030 --> 00:13:30,240

or

347

00:13:34,470 --> 00:13:31,040

a

348

00:13:37,509 --> 00:13:34,480

time

349

00:13:38,629 --> 00:13:37,519

yeah and it it sat there and then it

350

00:13:44,790 --> 00:13:38,639

shot off

351

00:13:46,389 --> 00:13:44,800

make a sound coming in

352

00:13:48,870 --> 00:13:46,399

or shooting off

353

00:13:51,829 --> 00:13:48,880

and the speed of this is where we had to

354

00:13:53,110 --> 00:13:51,839

turn our torso

355

00:13:55,829 --> 00:13:53,120

with uh

356

00:13:57,829 --> 00:13:55,839

jets at cyberhonuk speed depending on

357

00:13:59,990 --> 00:13:57,839

how close you are

358

00:14:01,670 --> 00:14:00,000

at that distance compared to a jet that

359

00:14:03,910 --> 00:14:01,680

was doing

360

00:14:05,910 --> 00:14:03,920

supersonic speed i could probably still

361

00:14:08,150 --> 00:14:05,920

follow it with my eyes

362

00:14:09,189 --> 00:14:08,160

yeah but the speed of this thing i had

363

00:14:10,790 --> 00:14:09,199

to

364

00:14:14,069 --> 00:14:10,800

turn

365

00:14:14,949 --> 00:14:14,079

and then it made this acute angle

366

00:14:16,949 --> 00:14:14,959

and it

367

00:14:17,990 --> 00:14:16,959

shot right back up

368

00:14:19,590 --> 00:14:18,000

wow

369

00:14:21,590 --> 00:14:19,600

and disappeared

370

00:14:23,269 --> 00:14:21,600

that's incredible well we spoke just

371

00:14:25,430 --> 00:14:23,279

before we went live and i actually got a

372

00:14:27,590 --> 00:14:25,440

tiny short clip that was uh featured in

373

00:14:29,509 --> 00:14:27,600

unidentified and you

374

00:14:31,350 --> 00:14:29,519

you stated that it was quite accurate so

375

00:14:32,790 --> 00:14:31,360

if we just play that

376

00:14:35,110 --> 00:14:32,800

give for anybody that might not have

377

00:14:36,470 --> 00:14:35,120

seen it then

378

00:14:40,550 --> 00:14:36,480

so

379

00:14:42,389 --> 00:14:40,560

let it play through twice if everyone

380

00:14:45,269 --> 00:14:42,399

wants to see it twice then

381

00:14:46,949 --> 00:14:45,279

let's do it

382

00:14:52,310 --> 00:14:46,959

so i guess that's meant to be you on the

383

00:14:55,509 --> 00:14:53,829

so i mean that just drops like you said

384

00:14:56,829 --> 00:14:55,519

and just sat

385

00:14:58,389 --> 00:14:56,839

sped off

386

00:15:00,230 --> 00:14:58,399

yeah

387

00:15:01,750 --> 00:15:00,240

so i guess do you say there was an acute

388

00:15:04,150 --> 00:15:01,760

angle that happened afterwards and it

389

00:15:05,350 --> 00:15:04,160

shot back yes when it shot off it

390

00:15:08,550 --> 00:15:05,360

stopped

391

00:15:10,310 --> 00:15:08,560

briefly and made that acute

392

00:15:13,350 --> 00:15:10,320

it wasn't like a 90 degree it was like

393

00:15:15,750 --> 00:15:13,360

an acute and then went back up

394

00:15:16,949 --> 00:15:15,760

so as you can see that panoramic view

395

00:15:19,269 --> 00:15:16,959

the ocean

396

00:15:20,150 --> 00:15:19,279

yeah yeah when it shot to you to the

397

00:15:21,750 --> 00:15:20,160

right

398

00:15:23,829 --> 00:15:21,760

it went back up

399

00:15:24,790 --> 00:15:23,839

at a left north

400

00:15:26,710 --> 00:15:24,800

south

401
00:15:29,110 --> 00:15:26,720
like north uh

402
00:15:30,790 --> 00:15:29,120
west uh

403
00:15:32,230 --> 00:15:30,800
angle so it went

404
00:15:35,030 --> 00:15:32,240
kind of like like this but you're

405
00:15:36,949 --> 00:15:35,040
viewing it from here so it was just

406
00:15:39,189 --> 00:15:36,959
a perfect trajectory and you could see

407
00:15:41,189 --> 00:15:39,199
it just traversing and

408
00:15:44,470 --> 00:15:41,199
going up the levels

409
00:15:46,790 --> 00:15:44,480
because these stars in the background

410
00:15:48,790 --> 00:15:46,800
and uh the size of the object compared

411
00:15:51,350 --> 00:15:48,800
to the stars

412
00:15:55,430 --> 00:15:51,360
was the size of a quarter

413
00:15:57,350 --> 00:15:55,440

so if that object was pretty big

414

00:16:00,870 --> 00:15:57,360

so i i've always asked what was the

415

00:16:23,829 --> 00:16:01,670

i

416

00:16:26,069 --> 00:16:23,839

by

417

00:16:29,670 --> 00:16:26,079

x amount of miles i don't know

418

00:16:32,150 --> 00:16:29,680

now that individual's out there too

419

00:16:34,069 --> 00:16:32,160

i wonder if he saw it

420

00:16:36,949 --> 00:16:34,079

or what has happened

421

00:16:39,350 --> 00:16:36,959

like i said we during

422

00:16:41,509 --> 00:16:39,360

men the interviews um

423

00:16:44,230 --> 00:16:41,519

we viewed this

424

00:16:46,629 --> 00:16:44,240

at that moment after it took off our

425

00:16:49,189 --> 00:16:46,639

alarm systems went off

426
00:16:51,749 --> 00:16:49,199
and they called for general quarters and

427
00:16:53,990 --> 00:16:51,759
general coors is just basically saying

428
00:16:56,870 --> 00:16:54,000
get you your battle stations

429
00:16:58,389 --> 00:16:56,880
every alarm that goes off has a specific

430
00:17:00,310 --> 00:16:58,399
tone to it

431
00:17:03,430 --> 00:17:00,320
right okay and you're conditioned to

432
00:17:05,590 --> 00:17:03,440
understand what that tone means

433
00:17:07,990 --> 00:17:05,600
and at that moment we didn't really get

434
00:17:10,549 --> 00:17:08,000
to process

435
00:17:12,150 --> 00:17:10,559
everything as far as understanding what

436
00:17:14,710 --> 00:17:12,160
just happened you know you saw something

437
00:17:16,829 --> 00:17:14,720
that just was unbelievable

438
00:17:19,270 --> 00:17:16,839

i just did not have time to ask my

439

00:17:21,350 --> 00:17:19,280

counterparts right and when the alarm

440

00:17:23,669 --> 00:17:21,360

went off

441

00:17:25,270 --> 00:17:23,679

it was during the man overboard and the

442

00:17:26,710 --> 00:17:25,280

general quarters which i have never

443

00:17:29,909 --> 00:17:26,720

experienced

444

00:17:33,029 --> 00:17:31,110

so

445

00:17:34,549 --> 00:17:33,039

that ended pretty quickly after they

446

00:17:37,190 --> 00:17:34,559

they called for it

447

00:17:39,590 --> 00:17:37,200

and then i did some um

448

00:17:41,830 --> 00:17:39,600

uh talking to some other individuals and

449

00:17:43,830 --> 00:17:41,840

i went into flight deck control

450

00:17:45,270 --> 00:17:43,840

and in the show unidentified they didn't

451
00:17:47,110 --> 00:17:45,280
cover

452
00:17:49,750 --> 00:17:47,120
the other

453
00:17:51,350 --> 00:17:49,760
human element as far as the viewing of

454
00:17:54,710 --> 00:17:51,360
this they really focused on that

455
00:17:57,190 --> 00:17:54,720
technology part and its ability to enter

456
00:17:58,710 --> 00:17:57,200
re-enter and just move with incredible

457
00:18:00,870 --> 00:17:58,720
speed

458
00:18:02,710 --> 00:18:00,880
no sonic boom

459
00:18:05,590 --> 00:18:02,720
so when i went into uh flight deck

460
00:18:07,990 --> 00:18:05,600
control i spoke to a few people there in

461
00:18:10,549 --> 00:18:08,000
regards to the maintenance

462
00:18:12,310 --> 00:18:10,559
uh that was being conducted

463
00:18:15,830 --> 00:18:12,320

and where we were at because they had to

464

00:18:18,390 --> 00:18:15,840

report to the higher-ups on there

465

00:18:20,310 --> 00:18:18,400

and uh as i walked in there

466

00:18:22,150 --> 00:18:20,320

i know that other people have seen it as

467

00:18:24,390 --> 00:18:22,160

well on the flight deck because everyone

468

00:18:25,909 --> 00:18:24,400

was kind of fixated on this dude was

469

00:18:28,230 --> 00:18:25,919

over in the water

470

00:18:30,150 --> 00:18:28,240

yeah and they did recover him by the way

471

00:18:31,990 --> 00:18:30,160

good good yeah

472

00:18:33,830 --> 00:18:32,000

everyone kind of asked me that on the

473

00:18:35,270 --> 00:18:33,840

side sometimes

474

00:18:37,669 --> 00:18:35,280

so uh

475

00:18:40,310 --> 00:18:37,679

i was in there and then that's when

476
00:18:41,669 --> 00:18:40,320
uh somebody stormed in there and said

477
00:18:42,789 --> 00:18:41,679
what the

478
00:18:45,110 --> 00:18:42,799
was that

479
00:18:47,270 --> 00:18:45,120
wow and when i turned around to look at

480
00:18:48,870 --> 00:18:47,280
him and kind of like laugh and literally

481
00:18:51,190 --> 00:18:48,880
want to reach out and ask him like dude

482
00:18:54,070 --> 00:18:51,200
what was that too

483
00:18:59,029 --> 00:18:54,080
that's when i saw another individual and

484
00:19:00,870 --> 00:18:59,039
just prayer he was in prayer

485
00:19:02,630 --> 00:19:00,880
and

486
00:19:05,190 --> 00:19:02,640
i've never seen anybody praying at that

487
00:19:07,350 --> 00:19:05,200
moment where we were at

488
00:19:09,590 --> 00:19:07,360

and it wasn't just like a general prayer

489

00:19:11,029 --> 00:19:09,600

or anything this guy was

490

00:19:12,789 --> 00:19:11,039

deep

491

00:19:15,029 --> 00:19:12,799

into his uh

492

00:19:17,669 --> 00:19:15,039

his moment

493

00:19:19,909 --> 00:19:17,679

and that's when i went back into

494

00:19:22,830 --> 00:19:19,919

our maintenance office and that's where

495

00:19:26,549 --> 00:19:22,840

the two individuals that were with me

496

00:19:31,190 --> 00:19:26,559

uh gave me their

497

00:19:36,230 --> 00:19:33,830

that is where i take

498

00:19:38,710 --> 00:19:36,240

my viewing of this

499

00:19:40,789 --> 00:19:38,720

and that experience is what i remember

500

00:19:42,390 --> 00:19:40,799

the most i do remember the capability

501
00:19:44,789 --> 00:19:42,400
and what it's done and we've talked

502
00:19:46,789 --> 00:19:44,799
about that

503
00:19:48,310 --> 00:19:46,799
many times especially the other

504
00:19:51,750 --> 00:19:48,320
witnesses

505
00:19:54,390 --> 00:19:51,760
but you forget the ones that are talking

506
00:19:56,390 --> 00:19:54,400
i guess we even accepted it

507
00:19:58,470 --> 00:19:56,400
the reality of what

508
00:20:01,110 --> 00:19:58,480
these things are is just beyond our

509
00:20:03,110 --> 00:20:01,120
capability as humans on the planet right

510
00:20:05,029 --> 00:20:03,120
yeah

511
00:20:07,750 --> 00:20:05,039
but there's other witnesses that are

512
00:20:10,310 --> 00:20:07,760
coming forward and now i can see why

513
00:20:12,710 --> 00:20:10,320

especially with like lou elizondo when i

514

00:20:14,710 --> 00:20:12,720

hear his talk about

515

00:20:16,470 --> 00:20:14,720

him personally going to the higher ups

516

00:20:19,029 --> 00:20:16,480

and saying hey we need to really

517

00:20:21,430 --> 00:20:19,039

investigate this more and in one of his

518

00:20:23,029 --> 00:20:21,440

interviews i heard him say that that

519

00:20:25,510 --> 00:20:23,039

higher up told him have you opened up

520

00:20:27,029 --> 00:20:25,520

your bible yet

521

00:20:28,549 --> 00:20:27,039

and you know that was basically telling

522

00:20:30,230 --> 00:20:28,559

him

523

00:20:32,549 --> 00:20:30,240

we're shutting this down

524

00:20:34,950 --> 00:20:32,559

yeah not to say the program or anything

525

00:20:36,230 --> 00:20:34,960

but just basically the conversation

526
00:20:38,710 --> 00:20:36,240
absolutely

527
00:20:42,549 --> 00:20:38,720
and where i get to that point is

528
00:20:44,950 --> 00:20:42,559
the two individuals one of them

529
00:20:46,870 --> 00:20:44,960
said that that was the divine

530
00:20:49,510 --> 00:20:46,880
that he saw god

531
00:20:52,070 --> 00:20:49,520
or something of that point

532
00:20:55,669 --> 00:20:52,080
and i just remember staring at him

533
00:20:58,310 --> 00:20:55,679
and he asked us to join him in prayer

534
00:21:00,710 --> 00:20:58,320
and i still i

535
00:21:03,029 --> 00:21:00,720
always kept in touch with us those two

536
00:21:05,590 --> 00:21:03,039
dudes we've always kept in touch through

537
00:21:07,029 --> 00:21:05,600
social media and we've always asked how

538
00:21:10,549 --> 00:21:07,039

we're doing and everything but we've

539

00:21:13,110 --> 00:21:10,559

never really truly spoke about it

540

00:21:15,830 --> 00:21:13,120

and he thought it was uh

541

00:21:17,029 --> 00:21:15,840

uh in his words god or something of his

542

00:21:18,390 --> 00:21:17,039

power

543

00:21:21,110 --> 00:21:18,400

and uh

544

00:21:25,350 --> 00:21:21,120

the other guy i uh he said it was the

545

00:21:30,549 --> 00:21:28,230

that's incredible so you have different

546

00:21:32,390 --> 00:21:30,559

yes

547

00:21:35,190 --> 00:21:32,400

and um

548

00:21:37,590 --> 00:21:35,200

i told them if that was chinese

549

00:21:40,070 --> 00:21:37,600

or the russians

550

00:21:41,750 --> 00:21:40,080

then you better hope uh i said that we

551
00:21:43,110 --> 00:21:41,760
were no longer

552
00:21:46,149 --> 00:21:43,120
one of these

553
00:21:47,190 --> 00:21:46,159
superpowers as far as naval power or air

554
00:21:48,870 --> 00:21:47,200
power

555
00:21:51,110 --> 00:21:48,880
sure

556
00:21:52,630 --> 00:21:51,120
and um

557
00:21:54,070 --> 00:21:52,640
and i

558
00:21:55,990 --> 00:21:54,080
that's really what

559
00:21:59,430 --> 00:21:56,000
i remember from

560
00:22:01,830 --> 00:21:59,440
that moment and uh since the identified

561
00:22:02,950 --> 00:22:01,840
has come out i'm really a recluse on

562
00:22:05,190 --> 00:22:02,960
facebook

563
00:22:06,549 --> 00:22:05,200

i've had a lot of the old sailors who i

564

00:22:08,710 --> 00:22:06,559

served with

565

00:22:10,630 --> 00:22:08,720

remind me of

566

00:22:12,789 --> 00:22:10,640

what happened when i went back into our

567

00:22:14,070 --> 00:22:12,799

general birthing area and that is where

568

00:22:15,909 --> 00:22:14,080

we all

569

00:22:18,549 --> 00:22:15,919

shower and sleep

570

00:22:20,710 --> 00:22:18,559

right it's basically

571

00:22:23,669 --> 00:22:20,720

30 bunk beds

572

00:22:27,350 --> 00:22:23,679

that can fit 80 people or you know just

573

00:22:28,470 --> 00:22:27,360

three stacks and uh people were asking

574

00:22:30,549 --> 00:22:28,480

me

575

00:22:32,470 --> 00:22:30,559

what was that

576
00:22:34,310 --> 00:22:32,480
what's going on we heard this strange

577
00:22:37,110 --> 00:22:34,320
stuff

578
00:22:38,950 --> 00:22:37,120
and they're telling me that that same

579
00:22:41,270 --> 00:22:38,960
individual who said it was part of the

580
00:22:42,310 --> 00:22:41,280
divine

581
00:22:43,669 --> 00:22:42,320
excuse me

582
00:22:45,190 --> 00:22:43,679
uh

583
00:22:46,710 --> 00:22:45,200
popped rank on us

584
00:22:48,549 --> 00:22:46,720
and said cease

585
00:22:50,789 --> 00:22:48,559
cease this conversation i don't want to

586
00:22:52,789 --> 00:22:50,799
hear about it

587
00:22:54,630 --> 00:22:52,799
and out of respect i never bothered him

588
00:22:56,950 --> 00:22:54,640

about it i just really

589

00:22:57,750 --> 00:22:56,960

always take back

590

00:23:03,029 --> 00:22:57,760

that

591

00:23:04,470 --> 00:23:03,039

and as well as the other guy because he

592

00:23:06,310 --> 00:23:04,480

also made comments like you don't

593

00:23:08,070 --> 00:23:06,320

believe in that stuff do you that

594

00:23:12,390 --> 00:23:08,080

stuff's not real i don't believe in that

595

00:23:15,350 --> 00:23:14,149

looking back he was trying to convince

596

00:23:16,789 --> 00:23:15,360

himself

597

00:23:18,549 --> 00:23:16,799

yeah

598

00:23:21,750 --> 00:23:18,559

and like i said uh

599

00:23:23,909 --> 00:23:21,760

what could it for me

600

00:23:27,029 --> 00:23:23,919

you know i guess maybe our backgrounds

601
00:23:30,710 --> 00:23:29,510
really is gonna affect how you review

602
00:23:33,110 --> 00:23:30,720
something right

603
00:23:34,390 --> 00:23:33,120
absolutely and i always ask people ask

604
00:23:35,430 --> 00:23:34,400
me what do you think it was even until

605
00:23:37,590 --> 00:23:35,440
this day

606
00:23:39,190 --> 00:23:37,600
because i still get um people telling me

607
00:23:42,789 --> 00:23:39,200
that

608
00:23:44,070 --> 00:23:42,799
man-made which could be

609
00:23:46,390 --> 00:23:44,080
and then i tell them well if it's

610
00:23:48,870 --> 00:23:46,400
man-made then

611
00:23:50,789 --> 00:23:48,880
all these wars that we've been through

612
00:23:52,950 --> 00:23:50,799
and you paying all that money for that

613
00:23:54,470 --> 00:23:52,960

gas

614

00:23:56,310 --> 00:23:54,480

should have been used i said shouldn't

615

00:23:59,510 --> 00:23:56,320

you really storm some other capital

616

00:24:02,830 --> 00:24:01,029

so um

617

00:24:05,669 --> 00:24:02,840

that is really my

618

00:24:09,430 --> 00:24:05,679

uh take

619

00:24:11,669 --> 00:24:09,440

from all this it's just the

620

00:24:13,590 --> 00:24:11,679

ah i guess the this

621

00:24:15,750 --> 00:24:13,600

the inner thought process we all have

622

00:24:18,950 --> 00:24:15,760

when you see something

623

00:24:20,070 --> 00:24:18,960

move that way and me being at my six

624

00:24:22,310 --> 00:24:20,080

year

625

00:24:24,310 --> 00:24:22,320

mark at that point in time of that

626
00:24:26,310 --> 00:24:24,320
signing

627
00:24:28,070 --> 00:24:26,320
being around our jets and their

628
00:24:29,990 --> 00:24:28,080
capability and you know what they could

629
00:24:33,830 --> 00:24:30,000
do

630
00:24:35,750 --> 00:24:33,840
and you see that that just

631
00:24:36,870 --> 00:24:35,760
exposes everything but like i said

632
00:24:39,269 --> 00:24:36,880
people ask me

633
00:24:41,110 --> 00:24:39,279
what do you think that was

634
00:24:42,549 --> 00:24:41,120
i always say i don't know

635
00:24:44,950 --> 00:24:42,559
and they always say

636
00:24:46,470 --> 00:24:44,960
oh so you believe in aliens he said

637
00:24:48,470 --> 00:24:46,480
never saw an alien

638
00:24:50,630 --> 00:24:48,480

i saw the only aliens i've ever saw was

639

00:24:52,630 --> 00:24:50,640

the movie

640

00:24:53,990 --> 00:24:52,640

and i said i never cared about who was

641

00:24:54,789 --> 00:24:54,000

in the cockpit

642

00:24:57,830 --> 00:24:54,799

yeah

643

00:25:01,269 --> 00:24:57,840

you know it was just that

644

00:25:02,230 --> 00:25:01,279

technology really yeah and the thing is

645

00:25:04,549 --> 00:25:02,240

is

646

00:25:06,230 --> 00:25:04,559

one thing that i've heard about when you

647

00:25:09,909 --> 00:25:06,240

talk about the nimitz encounters and the

648

00:25:12,710 --> 00:25:09,919

events of that november of 2004 is that

649

00:25:14,549 --> 00:25:12,720

now your event was after the interaction

650

00:25:16,789 --> 00:25:14,559

that commander fraver and alex dietrich

651
00:25:19,190 --> 00:25:16,799
had with the tic tac and what we were

652
00:25:21,669 --> 00:25:19,200
kind of almost led to believe is that

653
00:25:23,750 --> 00:25:21,679
once they had landed and chad underwood

654
00:25:25,750 --> 00:25:23,760
had gone out and took the video is that

655
00:25:27,669 --> 00:25:25,760
the story spread throughout the entire

656
00:25:29,590 --> 00:25:27,679
nimitz and even into the other ships the

657
00:25:31,750 --> 00:25:29,600
princeton and that like wildfire and

658
00:25:33,269 --> 00:25:31,760
everyone was talking about it but am i

659
00:25:35,430 --> 00:25:33,279
right and saying that you didn't hear

660
00:25:36,310 --> 00:25:35,440
anything about that and not only

661
00:25:38,070 --> 00:25:36,320
you know

662
00:25:40,950 --> 00:25:38,080
though that uh where i didn't hear

663
00:25:44,230 --> 00:25:40,960

anything was uh the years after

664

00:25:45,750 --> 00:25:44,240

oh no yeah i didn't know the specifics

665

00:25:49,029 --> 00:25:45,760

of uh

666

00:25:51,029 --> 00:25:49,039

underwood dietrich or fravor

667

00:25:54,710 --> 00:25:51,039

uh there was chatter

668

00:25:57,110 --> 00:25:54,720

and there was a lot of movies of just

669

00:25:59,110 --> 00:25:57,120

invasion space

670

00:26:00,549 --> 00:25:59,120

everything it was just like the entire

671

00:26:03,110 --> 00:26:00,559

week

672

00:26:05,110 --> 00:26:03,120

and then coming um

673

00:26:08,549 --> 00:26:05,120

what's come to light is that these

674

00:26:10,870 --> 00:26:08,559

things were being tracked for uh

675

00:26:11,750 --> 00:26:10,880

weeks i guess or i guess how long was

676
00:26:15,510 --> 00:26:11,760
that

677
00:26:16,789 --> 00:26:15,520
jtfx or com2x so usually about two weeks

678
00:26:20,549 --> 00:26:16,799
right

679
00:26:24,710 --> 00:26:22,310
i didn't really you heard the chatter

680
00:26:26,710 --> 00:26:24,720
but yeah

681
00:26:28,630 --> 00:26:26,720
but probably amongst

682
00:26:33,110 --> 00:26:28,640
the air wing

683
00:26:35,110 --> 00:26:33,120
yeah we were part of ship's company and

684
00:26:37,430 --> 00:26:35,120
we were basically in charge of launching

685
00:26:40,470 --> 00:26:37,440
and recovering

686
00:26:42,470 --> 00:26:40,480
favor and underwood

687
00:26:43,990 --> 00:26:42,480
yeah that's really interesting

688
00:26:45,590 --> 00:26:44,000

so i'm just picking up my questions

689

00:26:47,990 --> 00:26:45,600

because i've just been so engrossed in

690

00:26:49,990 --> 00:26:48,000

that conversation i've almost lost track

691

00:26:51,510 --> 00:26:50,000

um did you happen to see any of the

692

00:26:54,549 --> 00:26:51,520

videos you know the flare video was

693

00:26:59,190 --> 00:26:54,559

supposedly shown to to people on board

694

00:27:01,430 --> 00:26:59,200

after the fact or oh no no i had no um

695

00:27:04,310 --> 00:27:01,440

security clearance

696

00:27:07,750 --> 00:27:04,320

right they definitely would not probably

697

00:27:11,669 --> 00:27:07,760

give me one i mean i had a general sf-86

698

00:27:12,870 --> 00:27:11,679

but uh that security clearance profile

699

00:27:15,669 --> 00:27:12,880

um

700

00:27:18,470 --> 00:27:15,679

i could not even enter the room

701
00:27:20,870 --> 00:27:18,480
with the uh cameras and all that no no

702
00:27:22,789 --> 00:27:20,880
even though we're all in the sailors and

703
00:27:24,470 --> 00:27:22,799
take our oath

704
00:27:26,870 --> 00:27:24,480
um

705
00:27:28,630 --> 00:27:26,880
that was basically like a need to know

706
00:27:31,590 --> 00:27:28,640
part of the ship

707
00:27:33,430 --> 00:27:31,600
yeah like uh for instance uh we have uh

708
00:27:35,110 --> 00:27:33,440
pj hughes

709
00:27:37,669 --> 00:27:35,120
you know he had

710
00:27:39,909 --> 00:27:37,679
clearance to literally grab

711
00:27:42,549 --> 00:27:39,919
tapes off of that airwing

712
00:27:44,789 --> 00:27:42,559
yeah now if i wanted to go into his work

713
00:27:46,870 --> 00:27:44,799

center

714

00:27:48,630 --> 00:27:46,880

drink soda and have chewing tobacco

715

00:27:50,149 --> 00:27:48,640

party

716

00:27:52,549 --> 00:27:50,159

it's not gonna happen

717

00:27:54,950 --> 00:27:52,559

but he could freely come into mind

718

00:27:56,789 --> 00:27:54,960

but i could never go to his yeah

719

00:27:59,110 --> 00:27:56,799

sure that makes sense no i never saw the

720

00:28:01,269 --> 00:27:59,120

flir video up until it was released by

721

00:28:03,590 --> 00:28:01,279

uh tsa

722

00:28:05,430 --> 00:28:03,600

no that's understandable now after the

723

00:28:07,990 --> 00:28:05,440

workups happened and you were you know

724

00:28:10,070 --> 00:28:08,000

back on on land let's say

725

00:28:11,909 --> 00:28:10,080

did you finally get time to kind of sit

726

00:28:13,590 --> 00:28:11,919

down and process it at all did you did

727

00:28:15,830 --> 00:28:13,600

you feel any after effects or was it

728

00:28:19,590 --> 00:28:15,840

kind of like yeah that's crazy move on

729

00:28:23,510 --> 00:28:19,600

kind of thing yeah that's crazy um

730

00:28:26,149 --> 00:28:23,520

move on but i did tell five individuals

731

00:28:28,950 --> 00:28:26,159

and it started with one first

732

00:28:31,830 --> 00:28:28,960

which was my uh ex-wife

733

00:28:35,110 --> 00:28:31,840

well my wife at the time

734

00:28:39,669 --> 00:28:38,070

it wasn't like oh my god like i i wanted

735

00:28:41,909 --> 00:28:39,679

more of people to

736

00:28:43,430 --> 00:28:41,919

really grasp like tell me more tell me

737

00:28:45,590 --> 00:28:43,440

more

738

00:28:47,269 --> 00:28:45,600

but no and then after that i tried

739

00:28:49,269 --> 00:28:47,279

telling my closest friends who were in

740

00:28:51,590 --> 00:28:49,279

the navy who i still talk to to this day

741

00:28:53,430 --> 00:28:51,600

and then after all this has come forward

742

00:28:55,750 --> 00:28:53,440

you know i just gave them the big middle

743

00:28:58,070 --> 00:28:55,760

finger i was like there you go i told

744

00:28:58,950 --> 00:28:58,080

you this was true because they laughed

745

00:29:02,070 --> 00:28:58,960

at me

746

00:29:03,510 --> 00:29:02,080

wow they laughed they said yo man you're

747

00:29:05,590 --> 00:29:03,520

full of it and

748

00:29:08,470 --> 00:29:05,600

those who know me very well you know i

749

00:29:11,190 --> 00:29:08,480

don't really hold back sometimes and i i

750

00:29:13,669 --> 00:29:11,200

tell the truth and

751
00:29:16,149 --> 00:29:13,679
i'll add a little bit of salsa to the

752
00:29:18,149 --> 00:29:16,159
taco as we say for

753
00:29:20,789 --> 00:29:18,159
you know and

754
00:29:22,710 --> 00:29:20,799
uh it was really

755
00:29:25,190 --> 00:29:22,720
and i told my pop

756
00:29:26,870 --> 00:29:25,200
and my pop was you know son i will i

757
00:29:27,990 --> 00:29:26,880
believe their stuff and he mentioned

758
00:29:29,190 --> 00:29:28,000
roswell

759
00:29:30,630 --> 00:29:29,200
wow

760
00:29:32,789 --> 00:29:30,640
you know because that's part of his

761
00:29:35,190 --> 00:29:32,799
generation the baby boomer generation

762
00:29:37,029 --> 00:29:35,200
right yeah yeah and there wasn't much

763
00:29:39,269 --> 00:29:37,039

social media about that but there was

764

00:29:42,310 --> 00:29:39,279

just newspapers

765

00:29:45,909 --> 00:29:42,320

and i told other people over the years

766

00:29:47,750 --> 00:29:45,919

and it wasn't until like 2010 2012

767

00:29:49,590 --> 00:29:47,760

where i told uh

768

00:29:53,510 --> 00:29:49,600

the guy that i was working with at the

769

00:29:55,510 --> 00:29:53,520

local hospital here he was a nurse

770

00:29:57,830 --> 00:29:55,520

and he mentioned

771

00:29:59,669 --> 00:29:57,840

and he just his eyes lit up and i was

772

00:30:01,430 --> 00:29:59,679

like the first person that was really

773

00:30:04,070 --> 00:30:01,440

into it and then that's where he told me

774

00:30:05,669 --> 00:30:04,080

of this show called coast to coast

775

00:30:07,430 --> 00:30:05,679

wow yes

776
00:30:09,190 --> 00:30:07,440
yes so

777
00:30:13,590 --> 00:30:09,200
i listened a little bit to coast to

778
00:30:15,110 --> 00:30:13,600
coast around 2012 2011 2014

779
00:30:16,710 --> 00:30:15,120
so that's a big time

780
00:30:20,149 --> 00:30:16,720
frame right

781
00:30:22,630 --> 00:30:20,159
and like i said going back to where

782
00:30:24,310 --> 00:30:22,640
i got into uh the novels that i was

783
00:30:26,149 --> 00:30:24,320
reading about jets

784
00:30:28,149 --> 00:30:26,159
and it was the annie jacobs one that

785
00:30:31,350 --> 00:30:28,159
mentioned ufo and it had to cover area

786
00:30:33,590 --> 00:30:31,360
51 but it was mostly focused on sr 71.

787
00:30:35,669 --> 00:30:33,600
i've read it yep oh you have isn't there

788
00:30:37,110 --> 00:30:35,679

awesome yeah yeah

789

00:30:38,950 --> 00:30:37,120

that's awesome i've read a couple of her

790

00:30:40,710 --> 00:30:38,960

books yeah yes the next one would

791

00:30:42,389 --> 00:30:40,720

probably be paper clip but i'm going to

792

00:30:45,029 --> 00:30:42,399

give it to my wife first because she

793

00:30:47,750 --> 00:30:45,039

doesn't she loves all that stuff but she

794

00:30:51,430 --> 00:30:47,760

doesn't really understand

795

00:30:53,990 --> 00:30:51,440

the connection of our uh aerospace and a

796

00:30:55,190 --> 00:30:54,000

lot of other things that we've kind of

797

00:30:57,269 --> 00:30:55,200

uncovered

798

00:30:59,509 --> 00:30:57,279

over the years yeah

799

00:31:01,990 --> 00:30:59,519

i've just got a quick question shout out

800

00:31:04,230 --> 00:31:02,000

to anonymous rex for the 499. thank you

801
00:31:05,990 --> 00:31:04,240
so much for the support omar have you

802
00:31:07,430 --> 00:31:06,000
been approached to brief congress or any

803
00:31:09,190 --> 00:31:07,440
official committee

804
00:31:10,070 --> 00:31:09,200
thank you disclosure team

805
00:31:14,549 --> 00:31:10,080
uh

806
00:31:16,950 --> 00:31:14,559
no anonymous rex i have not um

807
00:31:19,750 --> 00:31:16,960
i would be open to do to do it but uh

808
00:31:20,710 --> 00:31:19,760
definitely i think when i look as far as

809
00:31:21,909 --> 00:31:20,720
those

810
00:31:23,990 --> 00:31:21,919
who are

811
00:31:25,509 --> 00:31:24,000
briefing congress

812
00:31:28,950 --> 00:31:25,519
um

813
00:31:32,549 --> 00:31:28,960

those are the individuals who

814

00:31:34,870 --> 00:31:32,559

such as like the jet pilots or

815

00:31:36,389 --> 00:31:34,880

commander solace

816

00:31:38,389 --> 00:31:36,399

because

817

00:31:40,230 --> 00:31:38,399

according to the reports as well as

818

00:31:42,389 --> 00:31:40,240

those have been released those things

819

00:31:43,190 --> 00:31:42,399

shut down the nukes right

820

00:31:46,149 --> 00:31:43,200

yeah

821

00:31:48,070 --> 00:31:46,159

so they're there telling congress

822

00:31:50,470 --> 00:31:48,080

whatever this is is shutting down our

823

00:31:52,870 --> 00:31:50,480

capabilities yeah

824

00:31:55,430 --> 00:31:52,880

so no i cannot

825

00:31:58,230 --> 00:31:55,440

go on sorry no no um

826

00:32:01,430 --> 00:31:58,240

i'm just uh the sesame

827

00:32:03,269 --> 00:32:01,440

on the on the bun for the burger

828

00:32:08,549 --> 00:32:03,279

all those other guys are the meat

829

00:32:12,630 --> 00:32:10,710

i disagree man i think you're just as

830

00:32:14,470 --> 00:32:12,640

important you're that special sauce then

831

00:32:15,509 --> 00:32:14,480

in between all that meat and stuff

832

00:32:17,269 --> 00:32:15,519

because

833

00:32:19,190 --> 00:32:17,279

you're a witness to something that

834

00:32:21,110 --> 00:32:19,200

incredible

835

00:32:22,549 --> 00:32:21,120

just because you are maybe a lower rank

836

00:32:24,950 --> 00:32:22,559

it certainly doesn't take away the

837

00:32:26,950 --> 00:32:24,960

credibility of what you saw and and how

838

00:32:28,630 --> 00:32:26,960

you can brief it as a military officer

839

00:32:31,430 --> 00:32:28,640

as a as an observer

840

00:32:33,909 --> 00:32:31,440

so well thank you thank you i thank you

841

00:32:36,950 --> 00:32:33,919

i get more love from like the

842

00:32:39,269 --> 00:32:36,960

the podcasts and

843

00:32:41,190 --> 00:32:39,279

those who who really want to know

844

00:32:42,950 --> 00:32:41,200

because i know um

845

00:32:45,830 --> 00:32:42,960

there's been questions i've been asked

846

00:32:47,909 --> 00:32:45,840

like um private via twitter

847

00:32:50,789 --> 00:32:47,919

and i know they they've experienced this

848

00:32:52,630 --> 00:32:50,799

too and sometimes i can't

849

00:32:54,830 --> 00:32:52,640

distinguish between their twitter feed

850

00:32:57,909 --> 00:32:54,840

because they're very like uh

851
00:32:59,350 --> 00:32:57,919
anonymous and i wonder sometimes like is

852
00:33:00,310 --> 00:32:59,360
this somebody that was on the flight

853
00:33:01,669 --> 00:33:00,320
there

854
00:33:04,310 --> 00:33:01,679
oh

855
00:33:05,750 --> 00:33:04,320
yes because the two individuals that are

856
00:33:07,509 --> 00:33:05,760
with me

857
00:33:09,350 --> 00:33:07,519
one of them is still active the other

858
00:33:11,590 --> 00:33:09,360
one just retired

859
00:33:15,669 --> 00:33:11,600
and when i went public

860
00:33:18,789 --> 00:33:15,679
i sent him the links privately

861
00:33:21,029 --> 00:33:18,799
because i wanted him to

862
00:33:23,190 --> 00:33:21,039
tell his story of how he felt and i

863
00:33:25,909 --> 00:33:23,200

never wanted to him to feel

864

00:33:27,430 --> 00:33:25,919

uncomfortable because

865

00:33:28,789 --> 00:33:27,440

within our

866

00:33:32,549 --> 00:33:28,799

subculture

867

00:33:33,509 --> 00:33:32,559

we're not the aluminum full people

868

00:33:35,430 --> 00:33:33,519

right

869

00:33:37,269 --> 00:33:35,440

aluminum foil hats

870

00:33:38,950 --> 00:33:37,279

but outside

871

00:33:40,310 --> 00:33:38,960

there will always be that group that

872

00:33:42,149 --> 00:33:40,320

would say no

873

00:33:44,230 --> 00:33:42,159

that doesn't exist

874

00:33:45,909 --> 00:33:44,240

yeah so uh

875

00:33:53,669 --> 00:33:45,919

he blocked me

876

00:33:56,630 --> 00:33:53,679

he deleted his uh facebook accounts uh

877

00:33:58,630 --> 00:33:56,640

others yeah he did

878

00:34:00,710 --> 00:33:58,640

but he just opened it

879

00:34:02,630 --> 00:34:00,720

and then asked to be my friend again and

880

00:34:04,070 --> 00:34:02,640

we reached out and we chatted it a

881

00:34:06,710 --> 00:34:04,080

little bit

882

00:34:08,470 --> 00:34:06,720

and i never mentioned this on any of the

883

00:34:12,310 --> 00:34:08,480

interviews

884

00:34:14,389 --> 00:34:12,320

but our uh code name for that object

885

00:34:17,510 --> 00:34:14,399

is the silver surfer

886

00:34:19,510 --> 00:34:17,520

wow and i replied to him hey do you

887

00:34:21,990 --> 00:34:19,520

remember the silver surfer

888

00:34:24,629 --> 00:34:22,000

and he just sent me a thumbs up

889

00:34:26,869 --> 00:34:24,639

yeah so i was like okay he still

890

00:34:29,109 --> 00:34:26,879

i know he thinks about this thing and

891

00:34:32,389 --> 00:34:29,119

the other guy uh

892

00:34:35,589 --> 00:34:32,399

he's active and his family is uh he

893

00:34:36,550 --> 00:34:35,599

comes from a family of uh military

894

00:34:38,950 --> 00:34:36,560

right

895

00:34:43,589 --> 00:34:41,430

outside looking in

896

00:34:45,909 --> 00:34:43,599

maybe he doesn't want to be the one kid

897

00:34:47,669 --> 00:34:45,919

in the family that saw

898

00:34:49,270 --> 00:34:47,679

that's coming out on this thing but yeah

899

00:34:51,829 --> 00:34:49,280

he's like

900

00:34:53,990 --> 00:34:51,839

i served under him he was a great leader

901
00:34:56,069 --> 00:34:54,000
i took some of the things that i learned

902
00:34:57,990 --> 00:34:56,079
from them too and others into my

903
00:34:59,510 --> 00:34:58,000
civilian life

904
00:35:01,190 --> 00:34:59,520
and um

905
00:35:03,990 --> 00:35:01,200
i don't want to

906
00:35:06,230 --> 00:35:04,000
really uh make them feel uncomfortable

907
00:35:07,750 --> 00:35:06,240
of course no it's completely understood

908
00:35:10,230 --> 00:35:07,760
because i honestly believe they haven't

909
00:35:10,950 --> 00:35:10,240
told anybody

910
00:35:13,270 --> 00:35:10,960
to

911
00:35:15,349 --> 00:35:13,280
my hearts of hearts tells me

912
00:35:19,430 --> 00:35:15,359
they did not tell anybody what they saw

913
00:35:21,510 --> 00:35:19,440

i even their wives i bet

914

00:35:24,310 --> 00:35:21,520

that's that must be difficult to hold

915

00:35:26,790 --> 00:35:24,320

that inside and yeah i mean

916

00:35:28,710 --> 00:35:26,800

yeah that's that's crazy man yes i mean

917

00:35:30,870 --> 00:35:28,720

my wife now

918

00:35:33,430 --> 00:35:30,880

um you know we were

919

00:35:34,870 --> 00:35:33,440

we were walking late at night

920

00:35:37,349 --> 00:35:34,880

um

921

00:35:40,710 --> 00:35:37,359

we were out for a stroll and it was

922

00:35:41,589 --> 00:35:40,720

pitch dark it was out in east texas

923

00:35:43,430 --> 00:35:41,599

which

924

00:35:44,790 --> 00:35:43,440

not in many cities so it's not a lot of

925

00:35:47,990 --> 00:35:44,800

light pollution

926

00:35:50,470 --> 00:35:48,000

yeah and we were staring at the stars

927

00:35:52,390 --> 00:35:50,480

and she asked me she goes why are you so

928

00:35:54,230 --> 00:35:52,400

quiet staring at that

929

00:35:57,030 --> 00:35:54,240

and i turned to look at her i said hey

930

00:35:58,710 --> 00:35:57,040

i'm going to tell you something

931

00:36:01,829 --> 00:35:58,720

and i told her the name

932

00:36:04,150 --> 00:36:01,839

this night that we're talking about and

933

00:36:06,470 --> 00:36:04,160

she's like really i was like yeah i told

934

00:36:10,230 --> 00:36:06,480

the whole story the two people

935

00:36:12,390 --> 00:36:10,240

how they felt what they saw and

936

00:36:14,470 --> 00:36:12,400

she definitely heard me screaming once i

937

00:36:15,430 --> 00:36:14,480

heard about this limits encounter stuff

938

00:36:17,990 --> 00:36:15,440

coming

939

00:36:20,069 --> 00:36:18,000

to light in 2017 so

940

00:36:21,670 --> 00:36:20,079

yeah well uh just giving a quick shout

941

00:36:23,670 --> 00:36:21,680

out to megan t thank you for the five

942

00:36:25,829 --> 00:36:23,680

dollar super sticker but let's jump into

943

00:36:28,870 --> 00:36:25,839

that

944

00:36:30,630 --> 00:36:28,880

date december 2017 i think so many

945

00:36:33,670 --> 00:36:30,640

people that were following the subject

946

00:36:35,510 --> 00:36:33,680

it was a huge announcement so

947

00:36:37,109 --> 00:36:35,520

tell me do you remember where you were

948

00:36:40,630 --> 00:36:37,119

when you read it and how it made you

949

00:36:43,349 --> 00:36:40,640

feel um i had already gotten

950

00:36:44,790 --> 00:36:43,359

a little heads up that more was coming

951
00:36:48,310 --> 00:36:44,800
out

952
00:36:51,910 --> 00:36:48,320
uh i do remember

953
00:36:53,109 --> 00:36:51,920
i think subscribing to tsa on youtubes

954
00:36:55,270 --> 00:36:53,119
when they would

955
00:36:57,670 --> 00:36:55,280
they had that announcement

956
00:37:00,310 --> 00:36:57,680
yeah october 2017.

957
00:37:02,310 --> 00:37:00,320
yes and then when he mentioned it was

958
00:37:04,950 --> 00:37:02,320
chris mellon

959
00:37:06,069 --> 00:37:04,960
when he mentioned nimitz encounters that

960
00:37:07,670 --> 00:37:06,079
was just

961
00:37:09,109 --> 00:37:07,680
not the nimitz encounters that's mr

962
00:37:11,750 --> 00:37:09,119
beatty

963
00:37:13,109 --> 00:37:11,760

but the nimitz battle group

964

00:37:15,190 --> 00:37:13,119

yeah

965

00:37:18,150 --> 00:37:15,200

that timeline everything i kind of get a

966

00:37:20,069 --> 00:37:18,160

little convoluted there

967

00:37:23,030 --> 00:37:20,079

but when i heard that that really was

968

00:37:24,310 --> 00:37:23,040

like that moment in time that

969

00:37:26,950 --> 00:37:24,320

uh

970

00:37:29,750 --> 00:37:26,960

you know you feel a little vindicated

971

00:37:32,470 --> 00:37:29,760

and then you start to hear uh

972

00:37:35,109 --> 00:37:32,480

other hits on the radars

973

00:37:37,349 --> 00:37:35,119

radar technicians seeing this

974

00:37:39,030 --> 00:37:37,359

pilots and i'm just like wow

975

00:37:42,390 --> 00:37:39,040

mine was just

976

00:37:44,550 --> 00:37:42,400

like i said the smallest sesame

977

00:37:46,950 --> 00:37:44,560

on the burger bun right

978

00:37:48,710 --> 00:37:46,960

to the big picture

979

00:37:50,230 --> 00:37:48,720

it was awesome it was awesome and it

980

00:37:51,270 --> 00:37:50,240

still is too i mean there's a lot more

981

00:37:53,190 --> 00:37:51,280

chatter

982

00:37:55,190 --> 00:37:53,200

about it and

983

00:37:57,349 --> 00:37:55,200

people can engage and i think we talked

984

00:37:59,030 --> 00:37:57,359

about this earlier uh

985

00:38:01,750 --> 00:37:59,040

that twitter man that could become the

986

00:38:03,750 --> 00:38:01,760

kumite you know that twitter gone

987

00:38:05,510 --> 00:38:03,760

so i kind of

988

00:38:08,630 --> 00:38:05,520

i'll engage if there's specific

989

00:38:11,270 --> 00:38:08,640

questions directed towards me and um

990

00:38:12,390 --> 00:38:11,280

but some of it just gets a little

991

00:38:16,710 --> 00:38:12,400

feisty

992

00:38:18,790 --> 00:38:16,720

that's for sure

993

00:38:21,510 --> 00:38:18,800

um so i mean it took what

994

00:38:23,030 --> 00:38:21,520

13 years for re for the vindication to

995

00:38:24,310 --> 00:38:23,040

come i suppose

996

00:38:31,270 --> 00:38:24,320

17

997

00:38:33,670 --> 00:38:31,280

that initial interview with um

998

00:38:35,829 --> 00:38:33,680

unidentified i was supposed to meet

999

00:38:37,430 --> 00:38:35,839

at a specific time and i showed up 15

1000

00:38:38,950 --> 00:38:37,440

minutes early

1001

00:38:42,870 --> 00:38:38,960

was that new home

1002

00:38:44,310 --> 00:38:42,880

uh it was in san antonio texas okay

1003

00:38:45,670 --> 00:38:44,320

not too far

1004

00:38:48,390 --> 00:38:45,680

and

1005

00:38:51,670 --> 00:38:48,400

i believe it's supposed to start at 1 30

1006

00:38:55,190 --> 00:38:51,680

no it's supposed to start at one o'clock

1007

00:38:57,750 --> 00:38:55,200

i didn't get seen to like 2 15.

1008

00:38:59,270 --> 00:38:57,760

and they were very apologetic and i said

1009

00:39:03,109 --> 00:38:59,280

i said ma'am

1010

00:39:07,349 --> 00:39:03,119

i've been waiting 17 years to say this

1011

00:39:08,710 --> 00:39:07,359

i can wait another 45 it's all good

1012

00:39:11,990 --> 00:39:08,720

so yeah uh

1013

00:39:13,430 --> 00:39:12,000

17 years and

1014

00:39:16,950 --> 00:39:13,440

i think that's why the interview took

1015

00:39:19,910 --> 00:39:16,960

about four hours long because

1016

00:39:21,430 --> 00:39:19,920

you know you can play this back

1017

00:39:22,870 --> 00:39:21,440

easily

1018

00:39:25,430 --> 00:39:22,880

in your mind

1019

00:39:28,390 --> 00:39:25,440

but to put words and

1020

00:39:29,990 --> 00:39:28,400

to it to something that really has no

1021

00:39:31,589 --> 00:39:30,000

description

1022

00:39:33,109 --> 00:39:31,599

yeah you know you can say this car was

1023

00:39:38,069 --> 00:39:33,119

going fast

1024

00:39:48,069 --> 00:39:38,079

fast

1025

00:39:50,390 --> 00:39:48,079

[Laughter]

1026

00:39:52,710 --> 00:39:50,400

you know quickly just gonna say uh

1027

00:39:55,510 --> 00:39:52,720

jess is here lit hi vinnie hey oh hey

1028

00:39:57,670 --> 00:39:55,520

how you doing hey jess good to see you

1029

00:39:58,470 --> 00:39:57,680

another great show i enjoy going on that

1030

00:40:01,030 --> 00:39:58,480

one

1031

00:40:02,950 --> 00:40:01,040

yeah shout out to jeff she's amazing

1032

00:40:04,230 --> 00:40:02,960

sorry to interrupt there yeah no no no

1033

00:40:05,750 --> 00:40:04,240

it's fine

1034

00:40:06,470 --> 00:40:05,760

i know you were friends questions if you

1035

00:40:08,870 --> 00:40:06,480

need

1036

00:40:12,710 --> 00:40:10,950

so yeah this

1037

00:40:14,309 --> 00:40:12,720

the unidentified thing how did it

1038

00:40:17,349 --> 00:40:14,319

actually come about was it something

1039

00:40:18,470 --> 00:40:17,359

somebody contacted you out the blue or

1040

00:40:20,470 --> 00:40:18,480

um

1041

00:40:25,270 --> 00:40:20,480

it was kind of out of the blue but it

1042

00:40:27,990 --> 00:40:25,280

was connection with uh the other sailors

1043

00:40:29,990 --> 00:40:28,000

as well as mr beatty mr beatty was

1044

00:40:32,390 --> 00:40:30,000

really the

1045

00:40:35,349 --> 00:40:32,400

the launching pad

1046

00:40:38,710 --> 00:40:35,359

and where i got

1047

00:40:40,230 --> 00:40:38,720

the tentacles reached out to to get me

1048

00:40:42,870 --> 00:40:40,240

on this because

1049

00:40:45,190 --> 00:40:42,880

uh they wanted more information and all

1050

00:40:46,950 --> 00:40:45,200

this in regards to

1051
00:40:48,390 --> 00:40:46,960
the whole operation

1052
00:40:50,710 --> 00:40:48,400
and it just kind of

1053
00:40:53,589 --> 00:40:50,720
sprung forward from there

1054
00:40:54,870 --> 00:40:53,599
and then i was hoping to be interviewed

1055
00:40:57,190 --> 00:40:54,880
by uh

1056
00:40:58,710 --> 00:40:57,200
louis lozano because we had always been

1057
00:41:00,550 --> 00:40:58,720
trying to get

1058
00:41:02,630 --> 00:41:00,560
the deck logs

1059
00:41:05,109 --> 00:41:02,640
for that specific night

1060
00:41:07,349 --> 00:41:05,119
right and mr beatty has been on that and

1061
00:41:09,750 --> 00:41:07,359
we haven't got them

1062
00:41:12,150 --> 00:41:09,760
because there's

1063
00:41:14,790 --> 00:41:12,160

one deck log out there for a sailor that

1064

00:41:15,510 --> 00:41:14,800

went overboard from the nimitz but it

1065

00:41:18,550 --> 00:41:15,520

was

1066

00:41:22,710 --> 00:41:18,560

that gives us

1067

00:41:24,230 --> 00:41:22,720

the specific time stamp and date

1068

00:41:25,829 --> 00:41:24,240

of what happened

1069

00:41:28,150 --> 00:41:25,839

because there's also has to be

1070

00:41:31,270 --> 00:41:28,160

chronological log

1071

00:41:33,190 --> 00:41:31,280

of the general quarters being sounded in

1072

00:41:34,870 --> 00:41:33,200

conjunction with the man overboard like

1073

00:41:38,630 --> 00:41:34,880

i had mentioned before i had never

1074

00:41:38,640 --> 00:41:42,470

and uh that's kind of like where

1075

00:41:46,309 --> 00:41:43,430

um

1076

00:41:47,990 --> 00:41:46,319

ttsa or the unidentified show

1077

00:41:49,349 --> 00:41:48,000

they were very secretive too looking

1078

00:41:50,870 --> 00:41:49,359

back they're like don't you tell anybody

1079

00:41:53,270 --> 00:41:50,880

that you're gonna be and don't do any

1080

00:41:55,270 --> 00:41:53,280

more in other interviews

1081

00:41:56,950 --> 00:41:55,280

i was like sure you know and

1082

00:41:58,710 --> 00:41:56,960

uh

1083

00:41:59,990 --> 00:41:58,720

i ended up doing it and

1084

00:42:02,710 --> 00:42:00,000

took it was a

1085

00:42:05,190 --> 00:42:02,720

four to five hours but i thought they

1086

00:42:07,430 --> 00:42:05,200

were going to focus on the human

1087

00:42:09,190 --> 00:42:07,440

experience behind it but they just

1088

00:42:12,069 --> 00:42:09,200

wanted to focus on that

1089

00:42:14,230 --> 00:42:12,079

speed trajectory oh the five observables

1090

00:42:18,069 --> 00:42:14,240

right that was the theme

1091

00:42:20,069 --> 00:42:18,079

of uh that season yeah absolutely

1092

00:42:21,430 --> 00:42:20,079

so that you know once it did air i

1093

00:42:22,870 --> 00:42:21,440

suppose was that when you kind of were

1094

00:42:24,870 --> 00:42:22,880

allowed to kind of go and do interviews

1095

00:42:27,270 --> 00:42:24,880

again then once that episode had aired

1096

00:42:30,790 --> 00:42:28,309

i guess

1097

00:42:33,750 --> 00:42:30,800

i was allowed to do interviews but not

1098

00:42:34,630 --> 00:42:33,760

speaking that i was

1099

00:42:35,670 --> 00:42:34,640

uh

1100

00:42:37,109 --> 00:42:35,680

part of

1101
00:42:38,470 --> 00:42:37,119
the new show because everyone knew it

1102
00:42:39,750 --> 00:42:38,480
was coming out right and they just

1103
00:42:42,630 --> 00:42:39,760
didn't want

1104
00:42:43,589 --> 00:42:42,640
they were kind of like the first

1105
00:42:45,510 --> 00:42:43,599
uh

1106
00:42:47,670 --> 00:42:45,520
people up to bat

1107
00:42:51,990 --> 00:42:47,680
you know the first batter that was gonna

1108
00:42:52,950 --> 00:42:52,000
hit this out of the park and just expose

1109
00:42:55,030 --> 00:42:52,960
um

1110
00:42:56,950 --> 00:42:55,040
other military encounters

1111
00:42:59,349 --> 00:42:56,960
since roswell you know everyone always

1112
00:43:00,630 --> 00:42:59,359
associated ufos in the states with

1113
00:43:02,470 --> 00:43:00,640

roswell

1114

00:43:04,710 --> 00:43:02,480

yeah i don't know how it was in the uk

1115

00:43:06,790 --> 00:43:04,720

they all were associated ufos maybe with

1116

00:43:09,510 --> 00:43:06,800

randallshim right yes

1117

00:43:12,309 --> 00:43:09,520

is that true oh okay absolutely yeah so

1118

00:43:15,109 --> 00:43:12,319

radisson was your guys's

1119

00:43:17,270 --> 00:43:15,119

cake and then we had roswell but we also

1120

00:43:18,630 --> 00:43:17,280

knew about each other and those two

1121

00:43:20,710 --> 00:43:18,640

incidents

1122

00:43:22,230 --> 00:43:20,720

and then this one

1123

00:43:23,510 --> 00:43:22,240

that show really just kind of put

1124

00:43:25,430 --> 00:43:23,520

everything

1125

00:43:27,510 --> 00:43:25,440

out there that

1126
00:43:29,750 --> 00:43:27,520
pilots from

1127
00:43:32,309 --> 00:43:29,760
uh overseas

1128
00:43:34,630 --> 00:43:32,319
um from different timelines you know 40s

1129
00:43:35,990 --> 00:43:34,640
50s 60s different wars different all

1130
00:43:39,589 --> 00:43:36,000
this

1131
00:43:40,550 --> 00:43:39,599
now

1132
00:43:43,510 --> 00:43:40,560
uh

1133
00:43:45,829 --> 00:43:43,520
it's not just my generation

1134
00:43:46,710 --> 00:43:45,839
it's multiple generations

1135
00:43:47,750 --> 00:43:46,720
yeah

1136
00:43:49,750 --> 00:43:47,760
and

1137
00:43:51,910 --> 00:43:49,760
also the beauty that has brought this

1138
00:43:55,109 --> 00:43:51,920

out sorry not to go on a tangent please

1139

00:43:57,030 --> 00:43:55,119

do no no that's why we're here today

1140

00:43:59,910 --> 00:43:57,040

give me give me some wine and it's gonna

1141

00:44:05,829 --> 00:44:02,150

uh that's the beauty that i've seen also

1142

00:44:07,190 --> 00:44:05,839

now that there's multiple generations

1143

00:44:09,109 --> 00:44:07,200

of uh and

1144

00:44:11,670 --> 00:44:09,119

podcasters

1145

00:44:14,069 --> 00:44:11,680

and interviewers

1146

00:44:17,430 --> 00:44:14,079

of this subject

1147

00:44:20,069 --> 00:44:17,440

you know at first it was um

1148

00:44:21,670 --> 00:44:20,079

those who were older than me and i'm 44

1149

00:44:25,030 --> 00:44:21,680

in a month

1150

00:44:27,430 --> 00:44:25,040

i'm 44. hey right now man we're there

1151
00:44:28,790 --> 00:44:27,440
and you know we had uh you know like

1152
00:44:30,550 --> 00:44:28,800
nick pope

1153
00:44:33,670 --> 00:44:30,560
he's older

1154
00:44:34,630 --> 00:44:33,680
and we've had our

1155
00:44:36,950 --> 00:44:34,640
uh

1156
00:44:40,069 --> 00:44:36,960
i guess you were for ology folks you're

1157
00:44:41,670 --> 00:44:40,079
a philologist i got corrected once

1158
00:44:43,670 --> 00:44:41,680
they were much older and they had been

1159
00:44:45,030 --> 00:44:43,680
digging into this and this and this over

1160
00:44:46,150 --> 00:44:45,040
the years

1161
00:44:48,390 --> 00:44:46,160
but now

1162
00:44:50,870 --> 00:44:48,400
it spans generations so that's the

1163
00:44:52,390 --> 00:44:50,880

beauty of all this too social media does

1164

00:44:54,309 --> 00:44:52,400

help too

1165

00:44:56,230 --> 00:44:54,319

yeah absolutely the community just grows

1166

00:44:57,349 --> 00:44:56,240

people get to hear things more but then

1167

00:44:59,030 --> 00:44:57,359

we get to do things like what we're

1168

00:45:01,190 --> 00:44:59,040

doing right now you know we're separated

1169

00:45:02,550 --> 00:45:01,200

by thousands of miles yeah we're talking

1170

00:45:03,910 --> 00:45:02,560

like we could be just

1171

00:45:04,950 --> 00:45:03,920

sat next to each other which is

1172

00:45:07,109 --> 00:45:04,960

incredible

1173

00:45:08,950 --> 00:45:07,119

so it just becomes a small

1174

00:45:11,910 --> 00:45:08,960

you're across the big part

1175

00:45:14,630 --> 00:45:11,920

yeah absolutely man so

1176

00:45:17,270 --> 00:45:14,640

so since i guess since it all came

1177

00:45:19,430 --> 00:45:17,280

out and you did the series and that did

1178

00:45:21,030 --> 00:45:19,440

you get to meet up with any of the other

1179

00:45:22,550 --> 00:45:21,040

guys that may have featured in say the

1180

00:45:24,550 --> 00:45:22,560

nimitz encounters you know some of the

1181

00:45:26,550 --> 00:45:24,560

princeton guys have you met up with

1182

00:45:28,309 --> 00:45:26,560

anyone done any conferences or anything

1183

00:45:31,190 --> 00:45:28,319

like that uh

1184

00:45:33,829 --> 00:45:31,200

i i have not um

1185

00:45:36,950 --> 00:45:33,839

i was invited to the one in laughlin

1186

00:45:38,790 --> 00:45:36,960

soon after identified but it's just

1187

00:45:39,910 --> 00:45:38,800

time constraints and then cove it

1188

00:45:42,309 --> 00:45:39,920

happened

1189

00:45:43,349 --> 00:45:42,319

but no i've never been um

1190

00:45:45,190 --> 00:45:43,359

uh

1191

00:45:49,030 --> 00:45:45,200

i haven't gone to any of the conferences

1192

00:45:50,870 --> 00:45:49,040

or or actually met anybody

1193

00:45:54,150 --> 00:45:50,880

oh my god you know what i have not met

1194

00:45:56,390 --> 00:45:54,160

anybody in person

1195

00:45:57,990 --> 00:45:56,400

live in the flesh other than what we're

1196

00:46:00,550 --> 00:45:58,000

doing now since

1197

00:46:01,750 --> 00:46:00,560

no i have not i have not that's

1198

00:46:03,349 --> 00:46:01,760

interesting i never thought about that

1199

00:46:05,589 --> 00:46:03,359

that's true that's

1200

00:46:07,589 --> 00:46:05,599

kind of like where we live now i can say

1201
00:46:09,510 --> 00:46:07,599
oh yeah we've met but no it's just the

1202
00:46:10,790 --> 00:46:09,520
screen and

1203
00:46:12,550 --> 00:46:10,800
no do you know what i'm

1204
00:46:15,109 --> 00:46:12,560
almost the same i met a few

1205
00:46:16,870 --> 00:46:15,119
of my colleagues here in the uk but

1206
00:46:18,710 --> 00:46:16,880
my life is doing exactly what we're

1207
00:46:21,109 --> 00:46:18,720
doing now so i say yeah i've met so and

1208
00:46:22,870 --> 00:46:21,119
so because i've met them on screen yeah

1209
00:46:25,030 --> 00:46:22,880
that's the new normal

1210
00:46:27,349 --> 00:46:25,040
that's scary i hope it doesn't be you

1211
00:46:29,030 --> 00:46:27,359
know it's gonna now we're gonna have

1212
00:46:31,910 --> 00:46:29,040
like uh

1213
00:46:35,750 --> 00:46:31,920

a checklist did you meet them yes was it

1214

00:46:40,069 --> 00:46:37,349

yeah it's just a temporary thing we'll

1215

00:46:42,710 --> 00:46:40,079

get back to real reality fingers crossed

1216

00:46:44,309 --> 00:46:42,720

in the next

1217

00:46:46,470 --> 00:46:44,319

so do you are you keeping up with what's

1218

00:46:48,470 --> 00:46:46,480

going on in the ufo world as far as you

1219

00:46:50,150 --> 00:46:48,480

know the government

1220

00:46:51,829 --> 00:46:50,160

all the madness that's going on at the

1221

00:46:55,270 --> 00:46:51,839

minute with the dod in congress and

1222

00:46:57,589 --> 00:46:55,280

stuff like that i have i have my twitter

1223

00:46:59,030 --> 00:46:57,599

is my way of

1224

00:47:00,950 --> 00:46:59,040

keeping up

1225

00:47:02,950 --> 00:47:00,960

even though it can get discom

1226

00:47:04,710 --> 00:47:02,960

diluted with

1227

00:47:07,270 --> 00:47:04,720

all sorts of stuff if you look at my

1228

00:47:09,910 --> 00:47:07,280

twitter feed it's either

1229

00:47:11,510 --> 00:47:09,920

baseball insiders the reporters and then

1230

00:47:13,109 --> 00:47:11,520

ufo stuff

1231

00:47:16,550 --> 00:47:13,119

wow nice

1232

00:47:19,270 --> 00:47:16,560

so uh i do and i do know that they uh

1233

00:47:21,270 --> 00:47:19,280

created that public

1234

00:47:24,150 --> 00:47:21,280

there's a big acronym for that one i'm

1235

00:47:27,349 --> 00:47:24,160

not even gonna attempt to do it that's

1236

00:47:29,990 --> 00:47:27,359

covering it for here in the states uh

1237

00:47:32,150 --> 00:47:30,000

with the pentagon and all that and then

1238

00:47:34,630 --> 00:47:32,160

i did catch

1239

00:47:37,270 --> 00:47:34,640

lou's tweet saying that that was the

1240

00:47:39,910 --> 00:47:37,280

same one

1241

00:47:40,950 --> 00:47:39,920

that was shooting him down during his

1242

00:47:42,870 --> 00:47:40,960

time

1243

00:47:46,150 --> 00:47:42,880

and i was just like oh man we're not

1244

00:47:48,630 --> 00:47:46,160

gonna get anywhere but then again

1245

00:47:49,990 --> 00:47:48,640

that question

1246

00:47:54,790 --> 00:47:50,000

is

1247

00:47:57,349 --> 00:47:54,800

suppression

1248

00:47:59,910 --> 00:47:57,359

because i don't think

1249

00:48:02,470 --> 00:47:59,920

everyone is truly

1250

00:48:04,630 --> 00:48:02,480

ready to know if there is something

1251

00:48:07,109 --> 00:48:04,640

outside of our

1252

00:48:10,470 --> 00:48:07,119

human reality or realm

1253

00:48:12,630 --> 00:48:10,480

you know like i had mentioned before uh

1254

00:48:14,790 --> 00:48:12,640

my witness with me

1255

00:48:17,510 --> 00:48:14,800

said it was part of the divine

1256

00:48:21,030 --> 00:48:17,520

yeah yeah and then i listened to uh

1257

00:48:23,430 --> 00:48:21,040

interviews with luis elizondo

1258

00:48:25,190 --> 00:48:23,440

as well as those other scientist guys

1259

00:48:27,109 --> 00:48:25,200

but not to get into them but with lou i

1260

00:48:30,230 --> 00:48:27,119

remember him saying uh like i think i

1261

00:48:32,230 --> 00:48:30,240

mentioned this earlier they told them

1262

00:48:33,190 --> 00:48:32,240

have you read your bible yet so

1263

00:48:35,109 --> 00:48:33,200

basically he was trying to have a

1264

00:48:36,870 --> 00:48:35,119

conversation maybe for more money or

1265

00:48:38,150 --> 00:48:36,880

funding or

1266

00:48:39,750 --> 00:48:38,160

and they told him leave those things

1267

00:48:40,950 --> 00:48:39,760

alone those are demonic have you read

1268

00:48:42,710 --> 00:48:40,960

your bible

1269

00:48:44,549 --> 00:48:42,720

so yeah basically it was telling i'm not

1270

00:48:45,910 --> 00:48:44,559

giving you no more money

1271

00:48:47,430 --> 00:48:45,920

yeah i think it's been spoken about a

1272

00:48:49,349 --> 00:48:47,440

lot a lot of the old guard of the

1273

00:48:51,430 --> 00:48:49,359

government and the military are really

1274

00:48:54,390 --> 00:48:51,440

highly religious

1275

00:48:57,270 --> 00:48:54,400

people and so you know it really was

1276

00:48:59,670 --> 00:48:57,280

surrounded with stigma and

1277

00:49:01,030 --> 00:48:59,680

and demonic kind of beliefs and stuff

1278

00:49:02,790 --> 00:49:01,040

yeah i

1279

00:49:04,870 --> 00:49:02,800

totally respect

1280

00:49:05,829 --> 00:49:04,880

what anybody needs to get them through

1281

00:49:07,589 --> 00:49:05,839

the night

1282

00:49:09,190 --> 00:49:07,599

you have to focus on the next day if

1283

00:49:13,910 --> 00:49:09,200

they need that

1284

00:49:16,150 --> 00:49:13,920

absolutely you go for it i'm all for it

1285

00:49:19,589 --> 00:49:16,160

and then that's the backdrop too when

1286

00:49:22,630 --> 00:49:19,599

you get an entire group of people

1287

00:49:25,109 --> 00:49:22,640

sometimes no matter how good it is

1288

00:49:27,030 --> 00:49:25,119

it can veer away from

1289

00:49:28,390 --> 00:49:27,040

telling the truth of

1290

00:49:30,390 --> 00:49:28,400

of something that

1291

00:49:32,710 --> 00:49:30,400

might undermine your beliefs or that

1292

00:49:34,470 --> 00:49:32,720

specific group yeah

1293

00:49:36,870 --> 00:49:34,480

yeah that's it that's amazing you know

1294

00:49:39,270 --> 00:49:36,880

it's like i have my kids

1295

00:49:41,430 --> 00:49:39,280

you know it's santa claus time right oh

1296

00:49:43,109 --> 00:49:41,440

yeah so

1297

00:49:48,309 --> 00:49:43,119

do i want to tell them i saw something

1298

00:49:53,349 --> 00:49:49,829

i never even thought about it like that

1299

00:49:55,829 --> 00:49:53,359

that was crazy wow

1300

00:49:59,349 --> 00:49:55,839

so i gotta wait all these years

1301
00:50:00,870 --> 00:49:59,359
my son my 13 year old son he uh

1302
00:50:03,430 --> 00:50:00,880
he's kind of

1303
00:50:04,630 --> 00:50:03,440
really following or or interested only

1304
00:50:07,109 --> 00:50:04,640
when i come on

1305
00:50:08,950 --> 00:50:07,119
and he asks like who's this who's that

1306
00:50:11,430 --> 00:50:08,960
he just kind of really started delving

1307
00:50:13,270 --> 00:50:11,440
into it because i told him too even that

1308
00:50:16,390 --> 00:50:13,280
i think it was

1309
00:50:19,109 --> 00:50:16,400
a couple years prior to uh

1310
00:50:22,309 --> 00:50:19,119
it actually it was during unidentified

1311
00:50:25,270 --> 00:50:22,319
right i played it and he's like

1312
00:50:26,710 --> 00:50:25,280
what and you know he

1313
00:50:28,150 --> 00:50:26,720

sorry looking he's the one that told me

1314

00:50:29,430 --> 00:50:28,160

i needed a background because all the

1315

00:50:31,750 --> 00:50:29,440

other interviews i've done especially

1316

00:50:33,270 --> 00:50:31,760

with like the rogue report he made fun

1317

00:50:35,910 --> 00:50:33,280

of me he's like dad you

1318

00:50:39,109 --> 00:50:35,920

you got to get a background man

1319

00:50:40,950 --> 00:50:39,119

no it looks good man definitely

1320

00:50:42,790 --> 00:50:40,960

well let's have a look at those medals

1321

00:50:45,109 --> 00:50:42,800

are you allowed to get them down

1322

00:50:46,630 --> 00:50:45,119

oh yeah uh

1323

00:50:49,589 --> 00:50:46,640

jeez they've been hanging there for

1324

00:50:50,870 --> 00:50:49,599

years i'm afraid they might

1325

00:50:52,230 --> 00:50:50,880

you don't have to but they're looking

1326
00:50:54,470 --> 00:50:52,240
forward to

1327
00:50:56,950 --> 00:50:54,480
don't don't don't touch a man

1328
00:50:59,030 --> 00:50:56,960
they're impressive man definitely oh

1329
00:51:02,230 --> 00:50:59,040
thank you most of it is uh

1330
00:51:05,349 --> 00:51:02,240
of the 10 years that i had done

1331
00:51:09,430 --> 00:51:05,359
uh i accumulated this

1332
00:51:12,630 --> 00:51:09,440
with the training the workups

1333
00:51:14,710 --> 00:51:12,640
six and a half years of accumulated time

1334
00:51:15,990 --> 00:51:14,720
was out in the ocean

1335
00:51:18,470 --> 00:51:16,000
wow

1336
00:51:20,390 --> 00:51:18,480
of ten years

1337
00:51:22,630 --> 00:51:20,400
yes between

1338
00:51:23,910 --> 00:51:22,640

five and a half to six and a quarter of

1339

00:51:25,990 --> 00:51:23,920

years

1340

00:51:28,549 --> 00:51:26,000

was out in the ocean

1341

00:51:31,589 --> 00:51:28,559

i didn't really think about that but

1342

00:51:33,910 --> 00:51:31,599

oh i loved it i mean it was a a

1343

00:51:35,829 --> 00:51:33,920

an honor and a privilege to do it

1344

00:51:37,349 --> 00:51:35,839

i can imagine yeah and i still keep in

1345

00:51:40,390 --> 00:51:37,359

touch with

1346

00:51:42,069 --> 00:51:40,400

a lot of the friends especially those

1347

00:51:43,589 --> 00:51:42,079

who are now

1348

00:51:44,710 --> 00:51:43,599

secretly

1349

00:51:46,470 --> 00:51:44,720

in this

1350

00:51:48,549 --> 00:51:46,480

because they will send me

1351
00:51:50,630 --> 00:51:48,559
tidbits and all that and i laugh and i'm

1352
00:51:53,109 --> 00:51:50,640
like oh now you're really into this

1353
00:51:56,549 --> 00:51:53,119
stuff huh

1354
00:51:58,309 --> 00:51:56,559
because they they laughed at me and

1355
00:52:00,309 --> 00:51:58,319
you know it was kind of heartbreaking

1356
00:52:01,589 --> 00:52:00,319
when when you get those laughs and all

1357
00:52:02,950 --> 00:52:01,599
that yeah

1358
00:52:04,470 --> 00:52:02,960
yeah

1359
00:52:06,950 --> 00:52:04,480
that's amazing

1360
00:52:08,390 --> 00:52:06,960
vindication i'm so

1361
00:52:10,630 --> 00:52:08,400
you know i'm so glad that things like

1362
00:52:12,630 --> 00:52:10,640
that happen because it you know just to

1363
00:52:14,549 --> 00:52:12,640

sit with something like that you

1364

00:52:16,230 --> 00:52:14,559

witnessed and then you tell people that

1365

00:52:18,470 --> 00:52:16,240

you're close to they don't believe you

1366

00:52:20,150 --> 00:52:18,480

and then you know you wait 10 years

1367

00:52:21,990 --> 00:52:20,160

until you read a book and it kind of

1368

00:52:24,790 --> 00:52:22,000

gets you into the ufo thing i mean

1369

00:52:26,870 --> 00:52:24,800

that's a lot of time goes by so

1370

00:52:29,190 --> 00:52:26,880

it does and

1371

00:52:31,510 --> 00:52:29,200

being on the shows and coming across

1372

00:52:33,109 --> 00:52:31,520

youtube

1373

00:52:33,910 --> 00:52:33,119

you come

1374

00:52:35,910 --> 00:52:33,920

you

1375

00:52:38,630 --> 00:52:35,920

get to learn that

1376

00:52:40,230 --> 00:52:38,640

at my job our building has about a

1377

00:52:42,549 --> 00:52:40,240

thousand people

1378

00:52:44,630 --> 00:52:42,559

wow and i'm very well known amongst

1379

00:52:46,549 --> 00:52:44,640

those thousand people due to my role

1380

00:52:49,670 --> 00:52:46,559

with the union

1381

00:52:51,190 --> 00:52:49,680

right and i had both the management and

1382

00:52:53,589 --> 00:52:51,200

the union members

1383

00:52:56,230 --> 00:52:53,599

come to me and say is that you

1384

00:52:57,670 --> 00:52:56,240

i'm like that is i go you're into this

1385

00:53:02,150 --> 00:52:57,680

stuff

1386

00:53:04,309 --> 00:53:02,160

yes and they spat out and i had one

1387

00:53:06,870 --> 00:53:04,319

which was a supervisor

1388

00:53:09,670 --> 00:53:06,880

pull me into the office close the door

1389

00:53:10,470 --> 00:53:09,680

and say hey i need to tell you a story

1390

00:53:12,870 --> 00:53:10,480

wow

1391

00:53:15,030 --> 00:53:12,880

and when she got done telling that story

1392

00:53:17,510 --> 00:53:15,040

she felt so

1393

00:53:19,190 --> 00:53:17,520

relieved like oh my god

1394

00:53:21,589 --> 00:53:19,200

i really

1395

00:53:23,510 --> 00:53:21,599

like she knew i was listening

1396

00:53:25,030 --> 00:53:23,520

and it was not going to give her any

1397

00:53:27,430 --> 00:53:25,040

ridicule

1398

00:53:30,549 --> 00:53:27,440

she's in her mid-30s this happened to

1399

00:53:33,349 --> 00:53:30,559

her and her boyfriend when they were 17

1400

00:53:35,750 --> 00:53:33,359

years old off the coast of texas

1401
00:53:37,510 --> 00:53:35,760
right and i asked this one question too

1402
00:53:39,270 --> 00:53:37,520
i said do you still talk to this guy she

1403
00:53:40,870 --> 00:53:39,280
goes oh yeah all the time

1404
00:53:42,390 --> 00:53:40,880
i was like on the phone and she goes no

1405
00:53:44,470 --> 00:53:42,400
no we've always stayed friends on

1406
00:53:46,230 --> 00:53:44,480
facebook i'm going to tell them i talked

1407
00:53:48,630 --> 00:53:46,240
to you

1408
00:53:53,270 --> 00:53:50,549
one of the most interesting ones was a

1409
00:53:54,829 --> 00:53:53,280
young 22 year old kid

1410
00:53:57,670 --> 00:53:54,839
who thought i was an

1411
00:54:00,790 --> 00:53:57,680
actor and he was uh dude i don't believe

1412
00:54:02,549 --> 00:54:00,800
you that does this stuff doesn't happen

1413
00:54:03,430 --> 00:54:02,559

oh yeah

1414

00:54:05,910 --> 00:54:03,440

yeah

1415

00:54:08,069 --> 00:54:05,920

and um

1416

00:54:10,630 --> 00:54:08,079

where i really felt more vindicated

1417

00:54:12,549 --> 00:54:10,640

after he was just kind of like

1418

00:54:14,390 --> 00:54:12,559

he was pretty brutal this kid i don't

1419

00:54:17,430 --> 00:54:14,400

say brutal but he was pretty like you're

1420

00:54:19,829 --> 00:54:17,440

full of [h__\h] basically

1421

00:54:22,549 --> 00:54:19,839

and not in those words

1422

00:54:24,390 --> 00:54:22,559

he came back to me maybe

1423

00:54:25,910 --> 00:54:24,400

a year later

1424

00:54:28,870 --> 00:54:25,920

and he said omar

1425

00:54:30,870 --> 00:54:28,880

he goes my mom told me the story

1426

00:54:32,630 --> 00:54:30,880

because she had picked him up from work

1427

00:54:34,790 --> 00:54:32,640

the kid's young he's 22. he's probably

1428

00:54:36,069 --> 00:54:34,800

still lives at home his mom picked him

1429

00:54:37,910 --> 00:54:36,079

up for work

1430

00:54:39,990 --> 00:54:37,920

and he pointed at me and he goes mom

1431

00:54:41,589 --> 00:54:40,000

this guy said he saw your phone when he

1432

00:54:43,510 --> 00:54:41,599

was in the service

1433

00:54:44,789 --> 00:54:43,520

on the way home

1434

00:54:48,309 --> 00:54:44,799

she told her i need to tell you

1435

00:54:50,470 --> 00:54:48,319

something that i never told anybody

1436

00:54:55,030 --> 00:54:50,480

and she explained that she saw and she's

1437

00:54:56,870 --> 00:54:55,040

in her 70s wow she told him

1438

00:54:59,030 --> 00:54:56,880

of something that i

1439

00:55:01,109 --> 00:54:59,040

he said he thought i had talked to his

1440

00:55:02,950 --> 00:55:01,119

mom

1441

00:55:05,670 --> 00:55:02,960

the way he she was describing this

1442

00:55:07,829 --> 00:55:05,680

because i was describing this detune too

1443

00:55:11,270 --> 00:55:07,839

yeah and the guy that she was with at

1444

00:55:13,030 --> 00:55:11,280

the time wasn't his dad it was a date

1445

00:55:15,990 --> 00:55:13,040

and they both said we need to take this

1446

00:55:17,670 --> 00:55:16,000

to our grave don't tell anybody

1447

00:55:20,950 --> 00:55:17,680

so there's 70

1448

00:55:24,069 --> 00:55:20,960

so maybe

1449

00:55:25,829 --> 00:55:24,079

geez early 60s maybe they were

1450

00:55:28,150 --> 00:55:25,839

where old they were

1451
00:55:35,589 --> 00:55:28,160
and now he's kind of like

1452
00:55:39,030 --> 00:55:37,270
um

1453
00:55:40,950 --> 00:55:39,040
it doesn't surprise me

1454
00:55:43,109 --> 00:55:40,960
because

1455
00:55:46,549 --> 00:55:43,119
my witness to

1456
00:55:48,309 --> 00:55:46,559
his belief was that was of the divine

1457
00:55:50,630 --> 00:55:48,319
and then the other guy's like that was

1458
00:55:51,829 --> 00:55:50,640
russia and chinese yeah yeah and then

1459
00:55:53,109 --> 00:55:51,839
other people like that [h__\h] doesn't

1460
00:55:56,069 --> 00:55:53,119
exist you're just full of it you're

1461
00:55:59,430 --> 00:55:56,079
crazy you're an actor so

1462
00:56:02,710 --> 00:55:59,440
that's why i don't think we're all ready

1463
00:56:04,789 --> 00:56:02,720

i don't think us

1464

00:56:07,190 --> 00:56:04,799

we are right

1465

00:56:10,069 --> 00:56:07,200

but uh not everyone man i know my

1466

00:56:11,910 --> 00:56:10,079

mother-in-law isn't either

1467

00:56:14,309 --> 00:56:11,920

she wasn't too happy that her her

1468

00:56:16,630 --> 00:56:14,319

grandson i'm sorry i regret her her

1469

00:56:19,030 --> 00:56:16,640

son-in-law was on tv talking about ufos

1470

00:56:21,829 --> 00:56:20,150

she's of

1471

00:56:22,950 --> 00:56:21,839

a deep

1472

00:56:26,870 --> 00:56:22,960

southern

1473

00:56:29,510 --> 00:56:26,880

religious beliefs so uh those run deep

1474

00:56:30,870 --> 00:56:29,520

yeah he wasn't too happy yeah and i even

1475

00:56:32,870 --> 00:56:30,880

tagged her

1476

00:56:34,390 --> 00:56:32,880

this is in the uk so she probably won't

1477

00:56:37,270 --> 00:56:34,400

see

1478

00:56:39,589 --> 00:56:37,280

they tagged her facebook on purpose

1479

00:56:42,789 --> 00:56:39,599

and she deleted that because she didn't

1480

00:56:44,630 --> 00:56:42,799

want anybody else to know

1481

00:56:46,710 --> 00:56:44,640

that her daughter

1482

00:56:49,589 --> 00:56:46,720

and mary

1483

00:56:50,710 --> 00:56:49,599

a man is so ufo

1484

00:56:52,549 --> 00:56:50,720

man

1485

00:56:55,589 --> 00:56:52,559

yeah so it's crazy you know we talk

1486

00:56:56,549 --> 00:56:55,599

about it freely and organically right

1487

00:56:57,430 --> 00:56:56,559

yeah

1488

00:56:58,710 --> 00:56:57,440

but

1489

00:57:01,430 --> 00:56:58,720

uh

1490

00:57:03,430 --> 00:57:01,440

we probably cannot do this amongst

1491

00:57:05,670 --> 00:57:03,440

people outside

1492

00:57:06,950 --> 00:57:05,680

they will be interested but even though

1493

00:57:08,150 --> 00:57:06,960

if they are they still don't want to

1494

00:57:10,710 --> 00:57:08,160

come out

1495

00:57:12,950 --> 00:57:10,720

no that's true i mean i think the stigma

1496

00:57:14,150 --> 00:57:12,960

has lifted gradually in the past four or

1497

00:57:15,670 --> 00:57:14,160

five years

1498

00:57:17,030 --> 00:57:15,680

but i guess there's still a long way to

1499

00:57:18,309 --> 00:57:17,040

go with that

1500

00:57:20,549 --> 00:57:18,319

you know when you're talking about the

1501
00:57:22,549 --> 00:57:20,559
highly religious people you know

1502
00:57:26,870 --> 00:57:22,559
but yeah i know about

1503
00:57:29,109 --> 00:57:26,880
what do you think do you think we need

1504
00:57:31,270 --> 00:57:29,119
like our governments to say

1505
00:57:32,069 --> 00:57:31,280
here it is it's in my garage look at

1506
00:57:34,630 --> 00:57:32,079
this

1507
00:57:35,910 --> 00:57:34,640
i don't think we need to but i think i

1508
00:57:37,829 --> 00:57:35,920
want the government to be held

1509
00:57:41,750 --> 00:57:37,839
accountable for the secrecy that they've

1510
00:57:43,910 --> 00:57:41,760
put over us for so many years

1511
00:57:44,950 --> 00:57:43,920
that's more than anything

1512
00:57:46,950 --> 00:57:44,960
like

1513
00:57:48,950 --> 00:57:46,960

i believe it anyway from speaking with

1514

00:57:50,710 --> 00:57:48,960

people like you

1515

00:57:52,150 --> 00:57:50,720

but i do follow the whole government

1516

00:57:54,309 --> 00:57:52,160

aspect because i believe that they've

1517

00:57:56,710 --> 00:57:54,319

lied to us for so many decades that they

1518

00:57:58,710 --> 00:57:56,720

need to come clean just admit to what

1519

00:58:00,549 --> 00:57:58,720

they know i'm not even asking for an

1520

00:58:02,390 --> 00:58:00,559

apology or anything like that i just

1521

00:58:04,870 --> 00:58:02,400

wanted that's going forward it's it's

1522

00:58:07,510 --> 00:58:04,880

vindication for everybody out there it's

1523

00:58:08,950 --> 00:58:07,520

not even necessarily for me

1524

00:58:10,789 --> 00:58:08,960

it's and it's for a better future you

1525

00:58:12,470 --> 00:58:10,799

know my daughter's only three years old

1526

00:58:13,829 --> 00:58:12,480

i want her to have a better future in a

1527

00:58:15,190 --> 00:58:13,839

world where we're not destroying the

1528

00:58:16,309 --> 00:58:15,200

planet and

1529

00:58:18,549 --> 00:58:16,319

you know if we've got access to

1530

00:58:20,150 --> 00:58:18,559

technology behind the scenes that can

1531

00:58:21,670 --> 00:58:20,160

eradicate the use of fossil fuels and

1532

00:58:22,390 --> 00:58:21,680

make the world better

1533

00:58:24,150 --> 00:58:22,400

then

1534

00:58:25,190 --> 00:58:24,160

bring it on let's make it happen now so

1535

00:58:26,630 --> 00:58:25,200

that our

1536

00:58:29,030 --> 00:58:26,640

our kids have a better future i know

1537

00:58:30,549 --> 00:58:29,040

that's a big grandiose thing but

1538

00:58:37,829 --> 00:58:30,559

i don't care about it

1539

00:58:42,789 --> 00:58:37,839

that is well said absolutely that is a a

1540

00:58:45,910 --> 00:58:42,799

technology and a form of propulsion

1541

00:58:48,309 --> 00:58:45,920

you're right that would really end

1542

00:58:50,150 --> 00:58:48,319

fossil fuels and our children and their

1543

00:58:52,870 --> 00:58:50,160

children

1544

00:58:54,549 --> 00:58:52,880

can live in a cleaner place

1545

00:58:56,309 --> 00:58:54,559

definitely actually and it's going to

1546

00:58:58,069 --> 00:58:56,319

take a lot of time to even implement

1547

00:58:59,510 --> 00:58:58,079

anything like that so

1548

00:59:01,349 --> 00:58:59,520

you know my daughter she's three she

1549

00:59:03,430 --> 00:59:01,359

might even be

1550

00:59:04,950 --> 00:59:03,440

33 by the time something like that's you

1551
00:59:10,549 --> 00:59:04,960
know

1552
00:59:12,950 --> 00:59:10,559
[Laughter]

1553
00:59:15,190 --> 00:59:12,960
or what's the this term they always use

1554
00:59:16,150 --> 00:59:15,200
is uh carrying the football down the

1555
00:59:18,390 --> 00:59:16,160
field

1556
00:59:20,230 --> 00:59:18,400
yeah i always say that yeah

1557
00:59:21,430 --> 00:59:20,240
and i feel like it's going we're getting

1558
00:59:23,270 --> 00:59:21,440
there but

1559
00:59:25,030 --> 00:59:23,280
maybe the touch line just keeps moving a

1560
00:59:27,990 --> 00:59:25,040
bit further away as well and we're

1561
00:59:30,470 --> 00:59:28,000
trying to play catch up sometimes

1562
00:59:32,549 --> 00:59:30,480
it's the game being played

1563
00:59:35,750 --> 00:59:32,559

but there's no time clock

1564

00:59:37,510 --> 00:59:35,760

yeah you know there's no time clock it's

1565

00:59:40,070 --> 00:59:37,520

just gonna you know what we'll say it's

1566

00:59:42,230 --> 00:59:40,080

a baseball game and it's tied

1567

00:59:44,829 --> 00:59:42,240

[Laughter]

1568

00:59:47,270 --> 00:59:44,839

yeah no absolutely yes

1569

00:59:49,430 --> 00:59:47,280

yes uh well omar listen we've just about

1570

00:59:51,109 --> 00:59:49,440

hit that hour mark i cannot thank you

1571

00:59:53,270 --> 00:59:51,119

enough this has been an absolutely

1572

00:59:55,510 --> 00:59:53,280

amazing conversation my friend i'm

1573

00:59:57,990 --> 00:59:55,520

really glad that we got to do this so i

1574

00:59:59,910 --> 00:59:58,000

have to thank you so much man and listen

1575

01:00:01,829 --> 00:59:59,920

maybe we can we can talk again in the

1576

01:00:03,990 --> 01:00:01,839

future um

1577

01:00:07,670 --> 01:00:04,000

you're just an awesome dude so thank you

1578

01:00:11,109 --> 01:00:07,680

so much man hey anytime um i'm with a

1579

01:00:13,910 --> 01:00:11,119

major uh a logistics company and uh

1580

01:00:15,510 --> 01:00:13,920

anytime after the holidays hit me up and

1581

01:00:17,030 --> 01:00:15,520

i'm across the big pond and you're

1582

01:00:19,030 --> 01:00:17,040

across the big pond you get to the

1583

01:00:20,390 --> 01:00:19,040

center continental united states give me

1584

01:00:22,069 --> 01:00:20,400

a call man

1585

01:00:24,789 --> 01:00:22,079

we'll go get some pints

1586

01:00:26,150 --> 01:00:24,799

hey that sounds good man definitely

1587

01:00:28,150 --> 01:00:26,160

hang about for a second we'll have a

1588

01:00:30,470 --> 01:00:28,160

little chat after the after the thing

1589

01:00:32,069 --> 01:00:30,480

but again thank you so much to everybody

1590

01:00:34,150 --> 01:00:32,079

that's watched i was still here in the

1591

01:00:35,910 --> 01:00:34,160

live chat thank you so much you guys are

1592

01:00:37,750 --> 01:00:35,920

awesome for the donations as well with

1593

01:00:41,030 --> 01:00:37,760

the super chat and super sticker that

1594

01:00:43,109 --> 01:00:41,040

goes so far thank you so much and uh
