

ADAM GOLDSACK

#61

1
00:00:06,630 --> 00:00:04,309
what is up everybody welcome back to

2
00:00:09,190 --> 00:00:06,640
disclosure teams youtube channel i'm

3
00:00:11,110 --> 00:00:09,200
really excited about this one this is an

4
00:00:14,789 --> 00:00:11,120
interview with my friend and colleague

5
00:00:17,510 --> 00:00:14,799
at uap media uk mr adam goldsack so

6
00:00:18,950 --> 00:00:17,520
without further ado let's bring adam in

7
00:00:21,510 --> 00:00:18,960
hello are you mate

8
00:00:23,269 --> 00:00:21,520
i'm good thank you uh nice to see you

9
00:00:25,029 --> 00:00:23,279
yeah you too man thank you so much for

10
00:00:27,029 --> 00:00:25,039
agreeing to do this um i think it's

11
00:00:28,390 --> 00:00:27,039
gonna be so professional just like

12
00:00:29,349 --> 00:00:28,400
listening to that interview there it's

13
00:00:31,509 --> 00:00:29,359

brilliant

14

00:00:32,470 --> 00:00:31,519

ah thank you man i still struggle to be

15

00:00:34,389 --> 00:00:32,480

honest

16

00:00:36,470 --> 00:00:34,399

i still struggle with these things i'm

17

00:00:38,229 --> 00:00:36,480

not gonna lie so uh

18

00:00:39,670 --> 00:00:38,239

yeah at least i smoke screened you there

19

00:00:41,110 --> 00:00:39,680

made it pretend like i'm being

20

00:00:43,110 --> 00:00:41,120

professional

21

00:00:45,029 --> 00:00:43,120

um so listen like i said thank you so

22

00:00:47,430 --> 00:00:45,039

much for doing this you've been a really

23

00:00:49,190 --> 00:00:47,440

important part of

24

00:00:51,750 --> 00:00:49,200

this subject for some time now and the

25

00:00:53,910 --> 00:00:51,760

work you do with uap media uk is

26
00:00:55,430 --> 00:00:53,920
incredible the articles you write so

27
00:00:57,029 --> 00:00:55,440
we'll we'll talk about that a little bit

28
00:00:58,310 --> 00:00:57,039
during the interview but

29
00:00:59,670 --> 00:00:58,320
i think initially if you could just give

30
00:01:01,750 --> 00:00:59,680
us a little bit of a background on who

31
00:01:03,990 --> 00:01:01,760
you are what you do and

32
00:01:06,469 --> 00:01:04,000
that kind of thing yeah sure yeah i mean

33
00:01:08,550 --> 00:01:06,479
obviously my name's adam hello uh

34
00:01:10,390 --> 00:01:08,560
so my background um

35
00:01:12,950 --> 00:01:10,400
so i've worked the last seven years in

36
00:01:14,870 --> 00:01:12,960
your rehabilitation

37
00:01:17,429 --> 00:01:14,880
i've got degrees in criminology

38
00:01:19,510 --> 00:01:17,439

psychology uh diplomas in psychology

39

00:01:22,230 --> 00:01:19,520

i've done a masters in psychology

40

00:01:25,270 --> 00:01:22,240

i'm currently at uni with work doing

41

00:01:26,630 --> 00:01:25,280

an ort degree so that's taken up a long

42

00:01:29,510 --> 00:01:26,640

time in the last few months that's why

43

00:01:30,390 --> 00:01:29,520

you've not probably seen as much of me

44

00:01:33,510 --> 00:01:30,400

and

45

00:01:35,990 --> 00:01:33,520

so yeah obviously i brought for uap

46

00:01:38,069 --> 00:01:36,000

info in 2018

47

00:01:40,950 --> 00:01:38,079

then the unidentified

48

00:01:43,270 --> 00:01:40,960

and most recently ufp media uh obviously

49

00:01:44,389 --> 00:01:43,280

with yourself yeah so

50

00:01:45,910 --> 00:01:44,399

yeah

51

00:01:48,469 --> 00:01:45,920

that's cool man

52

00:01:50,789 --> 00:01:48,479

educated i like it

53

00:01:52,710 --> 00:01:50,799

yeah so tell us what got you into ufos

54

00:01:54,069 --> 00:01:52,720

then where did it first kind of become

55

00:01:55,510 --> 00:01:54,079

something in your life where you were

56

00:01:57,910 --> 00:01:55,520

like you know i really want to learn

57

00:02:00,709 --> 00:01:57,920

about this and be involved in it

58

00:02:03,749 --> 00:02:00,719

that holy fudge moment you mean yeah

59

00:02:04,630 --> 00:02:03,759

yeah i'm trying not to swear um

60

00:02:05,590 --> 00:02:04,640

so

61

00:02:08,150 --> 00:02:05,600

it was

62

00:02:09,510 --> 00:02:08,160

2013 sits and hearing on disclosure i

63

00:02:12,229 --> 00:02:09,520

don't know if you've probably seen now

64

00:02:14,630 --> 00:02:12,239

obviously oh yeah yeah yeah um and it

65

00:02:17,510 --> 00:02:14,640

for me it was the uh quote by paul

66

00:02:19,670 --> 00:02:17,520

hellyer uh he said ufos are as real as

67

00:02:21,589 --> 00:02:19,680

the airplanes overhead as soon as he had

68

00:02:24,150 --> 00:02:21,599

said that i mean something inside me

69

00:02:25,270 --> 00:02:24,160

oh okay and it was like a switch went on

70

00:02:26,949 --> 00:02:25,280

i thought okay i should be paying

71

00:02:28,869 --> 00:02:26,959

attention to this

72

00:02:30,229 --> 00:02:28,879

um so watch the citizen hearing i

73

00:02:31,589 --> 00:02:30,239

thought it was very

74

00:02:32,630 --> 00:02:31,599

well i thought it was reasonably

75

00:02:34,309 --> 00:02:32,640

credible i thought there was a few

76

00:02:36,710 --> 00:02:34,319

elements that could have probably left

77

00:02:39,270 --> 00:02:36,720

out um and focus more on the case

78

00:02:41,350 --> 00:02:39,280

reports but but yeah overall it was it

79

00:02:42,949 --> 00:02:41,360

was so impressive that it got me

80

00:02:46,070 --> 00:02:42,959

researching got me looking into the

81

00:02:49,990 --> 00:02:46,080

subject um and over the next few years

82

00:02:52,630 --> 00:02:50,000

i did behind the scenes get into uh ufos

83

00:02:55,589 --> 00:02:52,640

um and then i kind of got out of it in

84

00:02:57,670 --> 00:02:55,599

2015 after the whole roswell slide

85

00:03:00,309 --> 00:02:57,680

and that put me off for whatever it was

86

00:03:02,710 --> 00:03:00,319

a year or so uh and then i most recently

87

00:03:05,990 --> 00:03:02,720

got back into the field when

88

00:03:07,830 --> 00:03:06,000

uh i'll see what tonned along wikileaks

89

00:03:10,550 --> 00:03:07,840

and then tsa coming along and that's

90

00:03:11,670 --> 00:03:10,560

what really spurred me into this recent

91

00:03:13,110 --> 00:03:11,680

era

92

00:03:14,630 --> 00:03:13,120

yeah i know totally i think that's the

93

00:03:17,350 --> 00:03:14,640

case with a lot of people isn't it with

94

00:03:19,910 --> 00:03:17,360

the the 2017 stuff and that's kind of

95

00:03:21,910 --> 00:03:19,920

where what i wanted to talk on next is

96

00:03:24,229 --> 00:03:21,920

do you remember where you were when you

97

00:03:26,390 --> 00:03:24,239

first saw that headline and stuff like

98

00:03:27,910 --> 00:03:26,400

that and how you felt

99

00:03:29,430 --> 00:03:27,920

yeah so i mean the headline it's i

100

00:03:32,070 --> 00:03:29,440

actually saw the political article

101
00:03:34,949 --> 00:03:32,080
before i saw the new york times one um

102
00:03:37,430 --> 00:03:34,959
it was around five o'clock on a saturday

103
00:03:38,470 --> 00:03:37,440
um and i remember bathing my son and i

104
00:03:40,309 --> 00:03:38,480
just got this thing on my phone and i

105
00:03:41,350 --> 00:03:40,319
looked i was like oh this is such a bad

106
00:03:43,350 --> 00:03:41,360
timing because i'm in the middle of

107
00:03:44,630 --> 00:03:43,360
doing this um but i quickly managed to

108
00:03:46,710 --> 00:03:44,640
have a look at the video sounds like

109
00:03:48,869 --> 00:03:46,720
okay they're fairly impressive the two

110
00:03:50,390 --> 00:03:48,879
that we got the gimbal and fleur

111
00:03:52,869 --> 00:03:50,400
and obviously we didn't get go fast

112
00:03:55,030 --> 00:03:52,879
until march uh 2018.

113
00:03:56,550 --> 00:03:55,040

um but yeah i remember i remember that

114

00:03:59,429 --> 00:03:56,560

side er yeah

115

00:04:01,509 --> 00:03:59,439

um but before that there was the ttsa

116

00:04:04,070 --> 00:04:01,519

presentation that was in the october of

117

00:04:06,630 --> 00:04:04,080

2017. that's right and i remember being

118

00:04:07,990 --> 00:04:06,640

yeah i remember being in my kitchen um

119

00:04:10,149 --> 00:04:08,000

again my phone buzzer looked it was

120

00:04:11,910 --> 00:04:10,159

tommed along on facebook live stream i

121

00:04:13,589 --> 00:04:11,920

think it was and i was watching that and

122

00:04:15,429 --> 00:04:13,599

the thing that stuck out to me is uh

123

00:04:16,310 --> 00:04:15,439

they only had like 16 000 views and i

124

00:04:17,830 --> 00:04:16,320

was like

125

00:04:19,270 --> 00:04:17,840

how is this only got that amount of

126

00:04:20,870 --> 00:04:19,280

views it's crazy i thought it would be

127

00:04:23,350 --> 00:04:20,880

like a lot more

128

00:04:25,030 --> 00:04:23,360

um but i recognized hal put off

129

00:04:26,390 --> 00:04:25,040

on the team i didn't recognize any of

130

00:04:27,350 --> 00:04:26,400

the others and then it was the same sort

131

00:04:29,749 --> 00:04:27,360

of feeling

132

00:04:32,070 --> 00:04:29,759

when mr elizondor got up on stage and he

133

00:04:33,909 --> 00:04:32,080

said yeah the phenomenon is indeed real

134

00:04:35,670 --> 00:04:33,919

i'm like oh okay

135

00:04:37,749 --> 00:04:35,680

yeah yeah

136

00:04:39,350 --> 00:04:37,759

that was pretty amazing i remember that

137

00:04:41,189 --> 00:04:39,360

as well definitely

138

00:04:43,909 --> 00:04:41,199

so um

139

00:04:45,909 --> 00:04:43,919

let's talk about ufo twitter or twitter

140

00:04:48,390 --> 00:04:45,919

ufo because i think you were

141

00:04:50,629 --> 00:04:48,400

there in the early days of that and can

142

00:04:52,469 --> 00:04:50,639

you talk about how that came about and

143

00:04:53,990 --> 00:04:52,479

and you know how we got to kind of where

144

00:04:56,870 --> 00:04:54,000

we are now with it

145

00:04:59,110 --> 00:04:56,880

sure i mean i think

146

00:05:01,350 --> 00:04:59,120

the whole thing started because of what

147

00:05:05,110 --> 00:05:01,360

happened in 2017 in the articles that

148

00:05:06,950 --> 00:05:05,120

spurred a lot of people into the subject

149

00:05:09,029 --> 00:05:06,960

originally yeah you say it was twitter

150

00:05:10,950 --> 00:05:09,039

ufo to begin with

151
00:05:11,670 --> 00:05:10,960
and i think until 2018 it was that and

152
00:05:13,670 --> 00:05:11,680
then

153
00:05:15,990 --> 00:05:13,680
it got changed by someone

154
00:05:17,590 --> 00:05:16,000
to uh ufo twitter

155
00:05:19,510 --> 00:05:17,600
uh and then from there it went from

156
00:05:21,909 --> 00:05:19,520
strength to the strength and it wasn't

157
00:05:25,189 --> 00:05:21,919
really until i think it was

158
00:05:27,110 --> 00:05:25,199
alex dietrich mentioned it on cnn was it

159
00:05:29,270 --> 00:05:27,120
yeah and since then it's been

160
00:05:30,469 --> 00:05:29,280
it's gone really mainstream yeah so it

161
00:05:35,670 --> 00:05:30,479
kind of

162
00:05:38,469 --> 00:05:35,680
originally meant to be under twitter ufo

163
00:05:41,110 --> 00:05:38,479

um supposed to be very

164

00:05:45,189 --> 00:05:41,120

uh very credible research activism and

165

00:05:46,710 --> 00:05:45,199

the sidestepping ufology um well

166

00:05:48,310 --> 00:05:46,720

personally i feel the last few months

167

00:05:50,230 --> 00:05:48,320

it's it's gone the other way it's more

168

00:05:51,189 --> 00:05:50,240

like twitter i saw you followed you on

169

00:05:53,029 --> 00:05:51,199

twitter

170

00:05:54,790 --> 00:05:53,039

yeah i agree with you but at the end of

171

00:05:56,469 --> 00:05:54,800

the day

172

00:05:58,070 --> 00:05:56,479

it was always it's it was always going

173

00:06:00,070 --> 00:05:58,080

to be that way when people start

174

00:06:01,830 --> 00:06:00,080

becoming involved and start becoming

175

00:06:03,590 --> 00:06:01,840

popular you can't hold on to the

176

00:06:05,029 --> 00:06:03,600

boundaries and concepts

177

00:06:06,390 --> 00:06:05,039

uh what it was supposed to be because

178

00:06:07,110 --> 00:06:06,400

people just take it and make it their

179

00:06:08,710 --> 00:06:07,120

own

180

00:06:10,390 --> 00:06:08,720

which is fine i mean at the end of the

181

00:06:11,670 --> 00:06:10,400

day the four years that it was there it

182

00:06:13,830 --> 00:06:11,680

did its job

183

00:06:15,510 --> 00:06:13,840

and it housed the european

184

00:06:17,430 --> 00:06:15,520

initiative really

185

00:06:19,990 --> 00:06:17,440

yeah how do you remember where were you

186

00:06:21,990 --> 00:06:20,000

when it first came about i wasn't what

187

00:06:25,029 --> 00:06:22,000

are the other articles in that

188

00:06:29,749 --> 00:06:27,270

yeah my so my daughter was born on the

189

00:06:31,270 --> 00:06:29,759

4th of december 2017

190

00:06:33,110 --> 00:06:31,280

and so literally the article was out

191

00:06:35,430 --> 00:06:33,120

what a week and a half later

192

00:06:37,110 --> 00:06:35,440

and so i i was probably doing some kind

193

00:06:39,590 --> 00:06:37,120

of nappy change or something i can't

194

00:06:41,590 --> 00:06:39,600

quite remember i think i saw it in the

195

00:06:43,430 --> 00:06:41,600

middle of the night when i was up with

196

00:06:45,749 --> 00:06:43,440

my daughter doing doing something like a

197

00:06:47,510 --> 00:06:45,759

nappy change and so it was kind of like

198

00:06:51,029 --> 00:06:47,520

bleary-eyed like

199

00:06:52,629 --> 00:06:51,039

what the you know kind of moment um

200

00:06:54,710 --> 00:06:52,639

and then that next day i was just

201
00:06:57,350 --> 00:06:54,720
everywhere looking at reading the

202
00:06:59,510 --> 00:06:57,360
article over and over looking at all the

203
00:07:01,510 --> 00:06:59,520
the talk online about it the thing is as

204
00:07:03,430 --> 00:07:01,520
well though i was not on twitter

205
00:07:04,870 --> 00:07:03,440
for many years even i i think i only

206
00:07:06,629 --> 00:07:04,880
joined last year

207
00:07:08,790 --> 00:07:06,639
and i was always on my instagram

208
00:07:10,710 --> 00:07:08,800
facebook and and things like that so i

209
00:07:12,309 --> 00:07:10,720
didn't

210
00:07:15,110 --> 00:07:12,319
sorry what was your initial impression

211
00:07:17,270 --> 00:07:15,120
to say for example a gimbal video um

212
00:07:19,110 --> 00:07:17,280
so did you feel that it was something

213
00:07:21,749 --> 00:07:19,120

anomalous so did you just think oh it's

214

00:07:23,589 --> 00:07:21,759

that's just surprising and one no more

215

00:07:24,629 --> 00:07:23,599

i thought it was definitely different it

216

00:07:26,550 --> 00:07:24,639

did grab me and i thought it was

217

00:07:28,629 --> 00:07:26,560

definitely anomalous but that's me as

218

00:07:31,430 --> 00:07:28,639

someone who doesn't know how to

219

00:07:33,749 --> 00:07:31,440

analyze video at all i thought yeah

220

00:07:37,749 --> 00:07:33,759

you know this is a video that's linked

221

00:07:39,589 --> 00:07:37,759

to an article on the reality of uap

222

00:07:41,990 --> 00:07:39,599

so with that connection in my mind i'm

223

00:07:42,710 --> 00:07:42,000

like well this is a uap not not that

224

00:07:47,510 --> 00:07:42,720

it's

225

00:07:49,270 --> 00:07:47,520

um but that still was like yeah okay

226

00:07:50,070 --> 00:07:49,280

we've not seen anything like this before

227

00:07:51,749 --> 00:07:50,080

so

228

00:07:53,270 --> 00:07:51,759

you know especially with flair videos i

229

00:07:54,790 --> 00:07:53,280

i don't remember seeing anything in

230

00:07:56,629 --> 00:07:54,800

flare before then

231

00:07:59,270 --> 00:07:56,639

and that's it same with me i mean when i

232

00:08:01,350 --> 00:07:59,280

first saw them uh it was the pilots i

233

00:08:02,950 --> 00:08:01,360

think that sold me uh the the touring

234

00:08:04,150 --> 00:08:02,960

the voices that really sold me on it

235

00:08:05,589 --> 00:08:04,160

because otherwise

236

00:08:06,869 --> 00:08:05,599

you look at it especially the gimbal

237

00:08:08,790 --> 00:08:06,879

video and

238

00:08:11,029 --> 00:08:08,800

yeah it kind of looks like obviously a

239

00:08:12,309 --> 00:08:11,039

disc upside down but besides that you

240

00:08:14,309 --> 00:08:12,319

can't really tell anything it could be

241

00:08:16,070 --> 00:08:14,319

blurred pretty much anything and it's

242

00:08:18,469 --> 00:08:16,080

the additional data for me i think which

243

00:08:19,909 --> 00:08:18,479

which made it what makes it

244

00:08:21,909 --> 00:08:19,919

yeah and i think obviously we see the

245

00:08:23,749 --> 00:08:21,919

conversations and the back and forth

246

00:08:25,670 --> 00:08:23,759

between

247

00:08:28,230 --> 00:08:25,680

skeptics or debunkers whatever you want

248

00:08:29,670 --> 00:08:28,240

to call them and then people saying you

249

00:08:31,350 --> 00:08:29,680

know it is definitely something

250

00:08:33,029 --> 00:08:31,360

anomalous that that will continue i

251
00:08:35,110 --> 00:08:33,039
think until we get

252
00:08:36,469 --> 00:08:35,120
any more data possibly

253
00:08:39,909 --> 00:08:36,479
yeah which is

254
00:08:41,750 --> 00:08:39,919
so frustrating is so frustrating um and

255
00:08:44,149 --> 00:08:41,760
it makes you wonder

256
00:08:45,269 --> 00:08:44,159
like with those videos the 30 seconds a

257
00:08:46,310 --> 00:08:45,279
piece each

258
00:08:47,829 --> 00:08:46,320
um

259
00:08:49,509 --> 00:08:47,839
it makes you wonder is there anything

260
00:08:51,190 --> 00:08:49,519
more to those videos those videos just

261
00:08:52,630 --> 00:08:51,200
didn't start there and then there

262
00:08:53,750 --> 00:08:52,640
there's more which happened after which

263
00:08:55,110 --> 00:08:53,760

we know about and there's more which

264

00:08:56,150 --> 00:08:55,120

happened beforehand

265

00:08:57,910 --> 00:08:56,160

so

266

00:08:59,750 --> 00:08:57,920

where are those videos

267

00:09:01,670 --> 00:08:59,760

why can't we not put pressure on the

268

00:09:03,430 --> 00:09:01,680

right areas to have those videos

269

00:09:05,509 --> 00:09:03,440

released rather than debating and

270

00:09:07,910 --> 00:09:05,519

counter debating over and over what's in

271

00:09:09,509 --> 00:09:07,920

that 30 seconds why can't we just focus

272

00:09:10,710 --> 00:09:09,519

on let's get these videos let's get the

273

00:09:12,389 --> 00:09:10,720

rest of them

274

00:09:13,990 --> 00:09:12,399

yeah i think that absolutely

275

00:09:16,470 --> 00:09:14,000

yeah

276

00:09:19,110 --> 00:09:16,480

so was it was that um all part of this

277

00:09:20,870 --> 00:09:19,120

initiative of the ufo twitter stuff is

278

00:09:23,509 --> 00:09:20,880

that what kind of made you kind of get

279

00:09:25,670 --> 00:09:23,519

him or bring out the nuap secrecy

280

00:09:27,430 --> 00:09:25,680

campaign or tell us about all that

281

00:09:30,470 --> 00:09:27,440

because that's amazing yeah absolutely i

282

00:09:31,750 --> 00:09:30,480

mean for me in the year 2018

283

00:09:33,750 --> 00:09:31,760

i'd looked at everything i'd gone

284

00:09:36,550 --> 00:09:33,760

through skinwalker nuclear weapons uh

285

00:09:38,470 --> 00:09:36,560

the whole associated phenomenon um and i

286

00:09:40,389 --> 00:09:38,480

try to understand and come to a

287

00:09:42,470 --> 00:09:40,399

conclusion on the origin

288

00:09:44,230 --> 00:09:42,480

and the at the end of that i've speak to

289

00:09:46,070 --> 00:09:44,240

some people um

290

00:09:49,350 --> 00:09:46,080

my conclusion was i don't have a

291

00:09:51,670 --> 00:09:49,360

conclusion this it's so complex that

292

00:09:53,990 --> 00:09:51,680

we don't have the data basically

293

00:09:55,190 --> 00:09:54,000

and what we need to do is we need to

294

00:09:56,949 --> 00:09:55,200

get that transparency get the

295

00:09:59,110 --> 00:09:56,959

accountability from government get the

296

00:10:02,150 --> 00:09:59,120

data out there so we can at last start

297

00:10:03,110 --> 00:10:02,160

looking with a full palette basically

298

00:10:05,110 --> 00:10:03,120

um

299

00:10:06,389 --> 00:10:05,120

and without that data we're just stuck

300

00:10:08,310 --> 00:10:06,399

we are stuck we're just going to spin

301
00:10:09,910 --> 00:10:08,320
our wheels and go round and round um

302
00:10:12,470 --> 00:10:09,920
even though there is some decent data

303
00:10:14,310 --> 00:10:12,480
out there it's it's still not verified

304
00:10:18,389 --> 00:10:14,320
uh in a scientific

305
00:10:21,190 --> 00:10:18,399
government investigations we need

306
00:10:23,030 --> 00:10:21,200
scientific process to be applied to

307
00:10:24,630 --> 00:10:23,040
european data basically and at the

308
00:10:27,509 --> 00:10:24,640
moment it's not happening

309
00:10:29,350 --> 00:10:27,519
so at the end of 2018 i think in my own

310
00:10:31,590 --> 00:10:29,360
head i've made a decision i think wait i

311
00:10:33,430 --> 00:10:31,600
can't continue to research this because

312
00:10:35,030 --> 00:10:33,440
i'm stuck i can't go any further no

313
00:10:36,949 --> 00:10:35,040

matter no matter which direction you go

314

00:10:39,829 --> 00:10:36,959

you're going to come to a blockade

315

00:10:41,910 --> 00:10:39,839

um so in my own head i thought well okay

316

00:10:44,150 --> 00:10:41,920

i'll i'll see if we can get

317

00:10:47,110 --> 00:10:44,160

the uk government to start taking

318

00:10:48,069 --> 00:10:47,120

accountability for uap um yeah good luck

319

00:10:49,030 --> 00:10:48,079

to us

320

00:10:51,670 --> 00:10:49,040

and

321

00:10:52,949 --> 00:10:51,680

to do that we need the americans there's

322

00:10:54,069 --> 00:10:52,959

there's no question of that we need the

323

00:10:56,310 --> 00:10:54,079

american government to take

324

00:10:58,150 --> 00:10:56,320

accountability and transparency and be

325

00:11:00,069 --> 00:10:58,160

open with their own people and that is

326

00:11:02,230 --> 00:11:00,079

going to in turn put pressure on our

327

00:11:04,870 --> 00:11:02,240

government um with enough pressure that

328

00:11:06,470 --> 00:11:04,880

should start making a difference um

329

00:11:07,590 --> 00:11:06,480

as you know those things in the pipeline

330

00:11:12,150 --> 00:11:07,600

but

331

00:11:15,350 --> 00:11:12,160

um at the end of 2018 as to why i wanted

332

00:11:17,030 --> 00:11:15,360

to go into activism um and it was early

333

00:11:19,829 --> 00:11:17,040

on in 2019

334

00:11:22,630 --> 00:11:19,839

that i think we'd come up with end uap

335

00:11:24,069 --> 00:11:22,640

secrecy campaign um dan is a big part of

336

00:11:25,350 --> 00:11:24,079

that you know he pushed that along in

337

00:11:28,870 --> 00:11:25,360

the early days

338

00:11:30,150 --> 00:11:28,880

um and we came up with a formula which

339

00:11:32,870 --> 00:11:30,160

sidestepped

340

00:11:34,150 --> 00:11:32,880

ufo activism which i'm not i'm not

341

00:11:35,509 --> 00:11:34,160

criticizing the efforts that i've gone

342

00:11:37,829 --> 00:11:35,519

before

343

00:11:39,670 --> 00:11:37,839

incredible efforts um but at the end of

344

00:11:41,910 --> 00:11:39,680

the day it needed to change

345

00:11:43,190 --> 00:11:41,920

if we were to seriously get the

346

00:11:45,590 --> 00:11:43,200

government to

347

00:11:47,110 --> 00:11:45,600

push forward we needed something else we

348

00:11:50,550 --> 00:11:47,120

needed a different methodology we needed

349

00:11:51,829 --> 00:11:50,560

new terminology we needed to

350

00:11:54,150 --> 00:11:51,839

approach

351
00:11:55,110 --> 00:11:54,160
activism from the mindset of the general

352
00:11:56,949 --> 00:11:55,120
public

353
00:12:00,069 --> 00:11:56,959
uh which was very skeptical on on

354
00:12:01,750 --> 00:12:00,079
european ufos so we had to get as sad as

355
00:12:03,590 --> 00:12:01,760
it is to say we had to get rid of crop

356
00:12:05,990 --> 00:12:03,600
circles and

357
00:12:07,829 --> 00:12:06,000
abductions and everything else that's a

358
00:12:09,269 --> 00:12:07,839
bit woo i guess

359
00:12:11,350 --> 00:12:09,279
i'm not discounting those i think there

360
00:12:13,269 --> 00:12:11,360
might be something to those but in terms

361
00:12:15,590 --> 00:12:13,279
of activism we need to focus we need to

362
00:12:17,030 --> 00:12:15,600
really get it down to the military cases

363
00:12:19,350 --> 00:12:17,040

something that journalists can have a

364

00:12:21,190 --> 00:12:19,360

conversation with and everyday people

365

00:12:23,030 --> 00:12:21,200

can come on board with and start having

366

00:12:26,470 --> 00:12:23,040

a conversation themselves

367

00:12:28,389 --> 00:12:26,480

uh so that that's the thinking behind it

368

00:12:30,310 --> 00:12:28,399

yeah and it makes the absolute success

369

00:12:32,230 --> 00:12:30,320

yeah it did

370

00:12:35,030 --> 00:12:32,240

i think that kind of mirrors

371

00:12:37,269 --> 00:12:35,040

or what we're seeing more in the last

372

00:12:39,750 --> 00:12:37,279

well 2021 with the

373

00:12:41,990 --> 00:12:39,760

the preliminary assessment from

374

00:12:42,949 --> 00:12:42,000

odni the report that was focused you

375

00:12:45,110 --> 00:12:42,959

know on

376

00:12:46,949 --> 00:12:45,120

primarily military cases and i know it

377

00:12:48,870 --> 00:12:46,959

caused there was a lot of conversation

378

00:12:50,629 --> 00:12:48,880

about

379

00:12:53,269 --> 00:12:50,639

you know private individuals who have

380

00:12:55,190 --> 00:12:53,279

had experiences um feeling a bit left

381

00:12:57,269 --> 00:12:55,200

out and i mean i totally understood that

382

00:13:00,550 --> 00:12:57,279

but i think the conversation has to

383

00:13:01,990 --> 00:13:00,560

start somewhere yeah and i feel that in

384

00:13:04,150 --> 00:13:02,000

order to engage

385

00:13:05,430 --> 00:13:04,160

whether it be the media or governments

386

00:13:08,470 --> 00:13:05,440

and stuff you have to start with

387

00:13:10,870 --> 00:13:08,480

something that is less taboo

388

00:13:11,829 --> 00:13:10,880

so yeah i hope people still understand

389

00:13:16,790 --> 00:13:11,839

that

390

00:13:18,790 --> 00:13:16,800

point before he said look we've got

391

00:13:20,870 --> 00:13:18,800

uh they've got all of this ufology which

392

00:13:23,030 --> 00:13:20,880

has been ignored and i get that and at

393

00:13:25,430 --> 00:13:23,040

the end of the day i agree i think that

394

00:13:26,790 --> 00:13:25,440

should be investigated but like you said

395

00:13:28,310 --> 00:13:26,800

we need to put

396

00:13:29,750 --> 00:13:28,320

to the hospital the cart is our

397

00:13:32,230 --> 00:13:29,760

expression where you have things in

398

00:13:34,069 --> 00:13:32,240

process so we can get the general public

399

00:13:36,710 --> 00:13:34,079

to a point where they can start looking

400

00:13:39,509 --> 00:13:36,720

at this highly complex situation with

401
00:13:41,110 --> 00:13:39,519
abductions and experiences and go oh

402
00:13:42,870 --> 00:13:41,120
actually there's something potentially

403
00:13:44,790 --> 00:13:42,880
to it it's potentially credible rather

404
00:13:46,949 --> 00:13:44,800
than for it to do at the moment it'd be

405
00:13:48,629 --> 00:13:46,959
stigmatized and they'd get laughed at

406
00:13:51,110 --> 00:13:48,639
and they'd get pushed one side

407
00:13:54,069 --> 00:13:51,120
so it needs to come but not quite yet

408
00:13:55,350 --> 00:13:54,079
that's a yeah totally and one thing i

409
00:13:57,509 --> 00:13:55,360
found quite

410
00:13:59,110 --> 00:13:57,519
quite revealing was when skinwalkers at

411
00:14:01,030 --> 00:13:59,120
the pentagon came out towards the end of

412
00:14:04,150 --> 00:14:01,040
last year and kind of went into a bit

413
00:14:05,030 --> 00:14:04,160

more detail about orsap and uh and bass

414

00:14:06,069 --> 00:14:05,040

and

415

00:14:09,189 --> 00:14:06,079

the things that were studied at

416

00:14:11,509 --> 00:14:09,199

skinwalker ranch before you know um

417

00:14:13,509 --> 00:14:11,519

yeah brandon fugle and all that and that

418

00:14:14,470 --> 00:14:13,519

awesome also looked into individual

419

00:14:17,269 --> 00:14:14,480

cases

420

00:14:19,670 --> 00:14:17,279

experiences and that's but yeah how do

421

00:14:22,550 --> 00:14:19,680

you feel knowing that all that data is

422

00:14:25,030 --> 00:14:22,560

locked away in bigelow somewhere you

423

00:14:29,990 --> 00:14:25,040

know has it the big databases that

424

00:14:34,310 --> 00:14:31,189

yeah the

425

00:14:35,750 --> 00:14:34,320

the researcher in me wants that data i

426

00:14:39,269 --> 00:14:35,760

wanted to be out

427

00:14:40,870 --> 00:14:39,279

but then the activist in me is like well

428

00:14:43,430 --> 00:14:40,880

we need to put it to one side at the

429

00:14:45,590 --> 00:14:43,440

moment until we get everybody on board

430

00:14:47,110 --> 00:14:45,600

that there is something there and once

431

00:14:50,069 --> 00:14:47,120

we get that point then we can start

432

00:14:52,470 --> 00:14:50,079

opening up asap and what they've got

433

00:14:54,790 --> 00:14:52,480

um i think

434

00:14:57,189 --> 00:14:54,800

one of the interesting things is how it

435

00:14:59,990 --> 00:14:57,199

affects people especially the complexity

436

00:15:01,590 --> 00:15:00,000

of potential for experiences and

437

00:15:02,710 --> 00:15:01,600

abductions and everything else that's a

438

00:15:05,350 --> 00:15:02,720

bit

439

00:15:07,350 --> 00:15:05,360

uh scary i guess um if you look at a

440

00:15:09,350 --> 00:15:07,360

certain i won't name his name look at a

441

00:15:11,430 --> 00:15:09,360

certain person who is very much a part

442

00:15:14,230 --> 00:15:11,440

of uap in the early years did very good

443

00:15:15,269 --> 00:15:14,240

work reached a lot of different people

444

00:15:16,870 --> 00:15:15,279

and then

445

00:15:19,030 --> 00:15:16,880

when the whole awesome sort of thing

446

00:15:20,310 --> 00:15:19,040

came out it kind of like had a bit of a

447

00:15:23,110 --> 00:15:20,320

meltdown

448

00:15:25,269 --> 00:15:23,120

um and start debunking everything so you

449

00:15:27,269 --> 00:15:25,279

have to take that person and other

450

00:15:28,870 --> 00:15:27,279

people like that and say

451
00:15:30,870 --> 00:15:28,880
what would happen if we put that on a

452
00:15:31,910 --> 00:15:30,880
macro scale is that what we might be

453
00:15:32,790 --> 00:15:31,920
looking at

454
00:15:34,550 --> 00:15:32,800
if

455
00:15:35,910 --> 00:15:34,560
we went ahead straight away and said oh

456
00:15:37,189 --> 00:15:35,920
sap here we go

457
00:15:39,829 --> 00:15:37,199
the government officials came out said

458
00:15:40,790 --> 00:15:39,839
look skin walkers this is that how would

459
00:15:42,150 --> 00:15:40,800
that

460
00:15:43,590 --> 00:15:42,160
affect people how would they react to

461
00:15:46,069 --> 00:15:43,600
that and i think there's a potential

462
00:15:47,910 --> 00:15:46,079
that it could go very negatively

463
00:15:49,350 --> 00:15:47,920

so again i think that's why we should

464

00:15:51,749 --> 00:15:49,360

have a process i think that's why we

465

00:15:53,990 --> 00:15:51,759

need to step by step get to that point

466

00:15:55,430 --> 00:15:54,000

where we can openly say there's

467

00:15:56,949 --> 00:15:55,440

something more complex here and people

468

00:15:58,870 --> 00:15:56,959

don't freak out

469

00:16:00,310 --> 00:15:58,880

yeah i definitely completely agree and i

470

00:16:02,150 --> 00:16:00,320

was sort of saying a minute ago about

471

00:16:04,310 --> 00:16:02,160

how it taken in steps and

472

00:16:06,550 --> 00:16:04,320

i guess 2020

473

00:16:08,470 --> 00:16:06,560

i think was a little bit quiet we had a

474

00:16:09,990 --> 00:16:08,480

few announcements like um the navy

475

00:16:11,590 --> 00:16:10,000

announcing that they had a reporting

476

00:16:15,110 --> 00:16:11,600

system i think it was for their pilots

477

00:16:16,870 --> 00:16:15,120

and stuff i think that was 2020 was it

478

00:16:18,710 --> 00:16:16,880

that was 2019.

479

00:16:24,550 --> 00:16:18,720

so yeah 2020 for me i can't think of

480

00:16:29,590 --> 00:16:25,990

myself as well

481

00:16:31,509 --> 00:16:29,600

i think corvids unfortunately took place

482

00:16:33,829 --> 00:16:31,519

in 2020 and i think that was that got

483

00:16:35,430 --> 00:16:33,839

the headlights uh headlines so

484

00:16:37,670 --> 00:16:35,440

it kind of ruined everything else in

485

00:16:39,110 --> 00:16:37,680

terms of uap but yeah

486

00:16:41,990 --> 00:16:39,120

i can't think of anything specifically

487

00:16:44,629 --> 00:16:42,000

which was massive in 2020

488

00:16:46,230 --> 00:16:44,639

um 2019 obviously we had the new york

489

00:16:48,150 --> 00:16:46,240

sorry

490

00:16:49,829 --> 00:16:48,160

new york times

491

00:16:52,389 --> 00:16:49,839

article i was out in may we had

492

00:16:54,870 --> 00:16:52,399

unidentified uh we had

493

00:16:56,949 --> 00:16:54,880

pilots graves a coin come out with their

494

00:16:57,910 --> 00:16:56,959

testimony which was a big deal yeah

495

00:16:59,910 --> 00:16:57,920

um

496

00:17:01,509 --> 00:16:59,920

well that's for 2020 yeah i'm sure

497

00:17:03,350 --> 00:17:01,519

there's probably loads that were just

498

00:17:04,949 --> 00:17:03,360

there's probably things there's just not

499

00:17:07,429 --> 00:17:04,959

that standout moment that we seem to

500

00:17:09,110 --> 00:17:07,439

have had over in every other year i mean

501
00:17:12,390 --> 00:17:09,120
i suppose at the end of 2020 the

502
00:17:16,230 --> 00:17:12,400
announcement of the ndaa for 2021 with

503
00:17:18,309 --> 00:17:16,240
the 180-day covid relief about the

504
00:17:20,150 --> 00:17:18,319
the preliminary assessment i suppose

505
00:17:22,309 --> 00:17:20,160
that announcement was

506
00:17:24,470 --> 00:17:22,319
i mean i know for the first part of 2021

507
00:17:27,909 --> 00:17:24,480
the conversation was could we possibly

508
00:17:29,350 --> 00:17:27,919
get disclosure in in june of 2021 which

509
00:17:31,350 --> 00:17:29,360
obviously we didn't get

510
00:17:34,390 --> 00:17:31,360
how did you feel that time was in those

511
00:17:35,430 --> 00:17:34,400
six months leading up to the report

512
00:17:36,150 --> 00:17:35,440
um

513
00:17:38,789 --> 00:17:36,160

i

514

00:17:41,029 --> 00:17:38,799

that

515

00:17:41,909 --> 00:17:41,039

uh lou went on a lot of podcasts and he

516

00:17:50,630 --> 00:17:41,919

was

517

00:17:52,789 --> 00:17:50,640

expectations um i think a lot of people

518

00:17:53,990 --> 00:17:52,799

i guess myself included at one point was

519

00:17:56,070 --> 00:17:54,000

very much like this could be it this

520

00:17:58,789 --> 00:17:56,080

could be our leading on to event

521

00:18:01,110 --> 00:17:58,799

disclosure type thing but then

522

00:18:02,870 --> 00:18:01,120

the other part was thinking well

523

00:18:05,909 --> 00:18:02,880

the whole name of the report at the end

524

00:18:07,350 --> 00:18:05,919

of the day was to create provide uh

525

00:18:09,510 --> 00:18:07,360

legislation

526

00:18:11,270 --> 00:18:09,520

for congress to take something further

527

00:18:12,710 --> 00:18:11,280

and build what the world at the moment

528

00:18:15,430 --> 00:18:12,720

like the office

529

00:18:16,549 --> 00:18:15,440

it gives them uh a reason to do what

530

00:18:18,630 --> 00:18:16,559

they've done

531

00:18:20,630 --> 00:18:18,640

um and without the report we've got

532

00:18:21,909 --> 00:18:20,640

nothing we had no data we had nothing to

533

00:18:24,150 --> 00:18:21,919

say well actually there is something

534

00:18:26,950 --> 00:18:24,160

there 143

535

00:18:28,789 --> 00:18:26,960

cases of 144 are unidentified by the

536

00:18:31,350 --> 00:18:28,799

most sophisticated defense technology in

537

00:18:33,270 --> 00:18:31,360

the world that in itself is that there's

538

00:18:34,630 --> 00:18:33,280

a reason to to go ahead and get this

539

00:18:36,470 --> 00:18:34,640

office in place

540

00:18:38,549 --> 00:18:36,480

and i know it was yeah it was

541

00:18:41,270 --> 00:18:38,559

disappointing when the new york times

542

00:18:42,710 --> 00:18:41,280

article came out in i think it was early

543

00:18:44,390 --> 00:18:42,720

summer

544

00:18:45,909 --> 00:18:44,400

uh and i think the headline was

545

00:18:47,830 --> 00:18:45,919

something crazy like

546

00:18:48,549 --> 00:18:47,840

no evidence found extraterrestrials and

547

00:18:51,190 --> 00:18:48,559

like

548

00:18:52,710 --> 00:18:51,200

okay great and that's

549

00:18:55,110 --> 00:18:52,720

obsessed with the extraterrestrials

550

00:18:57,430 --> 00:18:55,120

straight away um it's it's a phenomenon

551
00:19:00,710 --> 00:18:57,440
just go from there um but it was very

552
00:19:02,390 --> 00:19:00,720
eager to to dismiss it and that's how i

553
00:19:03,590 --> 00:19:02,400
felt from that i think that didn't help

554
00:19:06,070 --> 00:19:03,600
that article

555
00:19:08,150 --> 00:19:06,080
yeah um so and i think after the report

556
00:19:09,750 --> 00:19:08,160
itself there was a bit of a lull i

557
00:19:12,070 --> 00:19:09,760
thought there was a little bit of right

558
00:19:14,230 --> 00:19:12,080
oh and everyone was a bit deflated and

559
00:19:15,590 --> 00:19:14,240
even though it worked and what it needed

560
00:19:16,950 --> 00:19:15,600
to do was done

561
00:19:19,029 --> 00:19:16,960
i don't know how you felt but i just

562
00:19:20,549 --> 00:19:19,039
followed it so i mean i wish there was a

563
00:19:21,669 --> 00:19:20,559

bit more to it we could have got our

564

00:19:23,270 --> 00:19:21,679

teeth into

565

00:19:25,190 --> 00:19:23,280

yeah definitely i think that that

566

00:19:27,029 --> 00:19:25,200

initial six month excitement had built a

567

00:19:27,990 --> 00:19:27,039

lot of people up for something a bit

568

00:19:29,750 --> 00:19:28,000

more

569

00:19:31,430 --> 00:19:29,760

so naturally

570

00:19:33,270 --> 00:19:31,440

after a day or two

571

00:19:35,350 --> 00:19:33,280

it felt like there was nothing but i

572

00:19:37,909 --> 00:19:35,360

think i did find a month or two later

573

00:19:39,590 --> 00:19:37,919

looking back again at the the assessment

574

00:19:41,590 --> 00:19:39,600

there were little tidbits you could pick

575

00:19:43,750 --> 00:19:41,600

from it that were like actually it is

576

00:19:45,190 --> 00:19:43,760

giving us something and it gives us

577

00:19:47,510 --> 00:19:45,200

something to look forward to possibly

578

00:19:49,110 --> 00:19:47,520

like so with congress now being aware we

579

00:19:50,789 --> 00:19:49,120

know that the committees a lot of the

580

00:19:53,190 --> 00:19:50,799

committees have had

581

00:19:54,630 --> 00:19:53,200

classified briefings and so yeah then

582

00:19:57,190 --> 00:19:54,640

they're not going to do nothing with

583

00:19:58,950 --> 00:19:57,200

that so we have to abide our time

584

00:20:01,190 --> 00:19:58,960

yeah they're legally bound to do

585

00:20:03,190 --> 00:20:01,200

something now and because of that report

586

00:20:04,630 --> 00:20:03,200

that they have got no choice they have

587

00:20:06,070 --> 00:20:04,640

to even if they didn't want to

588

00:20:07,750 --> 00:20:06,080

especially the defense oversight

589

00:20:10,630 --> 00:20:07,760

committees that have to do something

590

00:20:12,310 --> 00:20:10,640

yeah um and obviously it just took time

591

00:20:15,430 --> 00:20:12,320

and it wasn't until

592

00:20:17,190 --> 00:20:15,440

what was it november 2021

593

00:20:18,070 --> 00:20:17,200

that we started hearing about gila brand

594

00:20:19,590 --> 00:20:18,080

and

595

00:20:21,350 --> 00:20:19,600

i think it was around that time anyways

596

00:20:23,510 --> 00:20:21,360

so we've gone pretty much a good six

597

00:20:25,110 --> 00:20:23,520

seven months with nothing substantial

598

00:20:26,390 --> 00:20:25,120

from the report

599

00:20:29,110 --> 00:20:26,400

uh actually do you know what i think it

600

00:20:31,830 --> 00:20:29,120

was september because i think

601
00:20:33,590 --> 00:20:31,840
yeah the first

602
00:20:37,590 --> 00:20:33,600
i think it was the initial announcement

603
00:20:39,190 --> 00:20:37,600
of the ndaa when lou was in san marino

604
00:20:40,710 --> 00:20:39,200
uh and he sat down and did the interview

605
00:20:42,149 --> 00:20:40,720
with max moscow

606
00:20:44,230 --> 00:20:42,159
they read it out for the first time

607
00:20:46,390 --> 00:20:44,240
they'd literally seen it 10 minutes

608
00:20:48,390 --> 00:20:46,400
before they went online yeah yeah so

609
00:20:50,630 --> 00:20:48,400
yeah that's that's how i remember that

610
00:20:52,789 --> 00:20:50,640
which but then we saw so many iterations

611
00:20:54,470 --> 00:20:52,799
of it going through right through till

612
00:20:56,149 --> 00:20:54,480
you know when it finally got to to the

613
00:20:58,710 --> 00:20:56,159

house and the senate

614

00:21:01,350 --> 00:20:58,720

yeah it was uh that was crazy

615

00:21:02,710 --> 00:21:01,360

and we saw aoi msg getting in the fold

616

00:21:05,510 --> 00:21:02,720

and trying to

617

00:21:06,950 --> 00:21:05,520

you know yeah i mean

618

00:21:09,990 --> 00:21:06,960

i still don't know what to make of that

619

00:21:12,310 --> 00:21:10,000

to be honest um i don't know how that's

620

00:21:15,029 --> 00:21:12,320

quite gonna operate um because obviously

621

00:21:17,270 --> 00:21:15,039

you're gonna have the what was astral uh

622

00:21:20,549 --> 00:21:17,280

the office should we call it um yeah and

623

00:21:21,350 --> 00:21:20,559

you've got this group within a or imsg

624

00:21:23,669 --> 00:21:21,360

is it

625

00:21:25,190 --> 00:21:23,679

so how can the two move forward one is

626
00:21:26,149 --> 00:21:25,200
saying we're going to be as transparent

627
00:21:28,070 --> 00:21:26,159
as possible we're going to go through

628
00:21:29,669 --> 00:21:28,080
congress who have to then not see really

629
00:21:31,350 --> 00:21:29,679
back the public with unclassified

630
00:21:33,990 --> 00:21:31,360
reports and they've got this other

631
00:21:35,830 --> 00:21:34,000
program within the pentagon um and

632
00:21:37,110 --> 00:21:35,840
that's like no we're not going to give

633
00:21:38,310 --> 00:21:37,120
you anything do i mean we're going to

634
00:21:40,390 --> 00:21:38,320
take care of this don't worry about it

635
00:21:42,070 --> 00:21:40,400
it's all chinese balloons and

636
00:21:43,990 --> 00:21:42,080
whatever in drawings

637
00:21:46,950 --> 00:21:44,000
so how's that going to work how do you

638
00:21:48,070 --> 00:21:46,960

think it's going to work well aim sg

639

00:21:49,350 --> 00:21:48,080

i don't see how it's going to work

640

00:21:51,430 --> 00:21:49,360

because it's not an operational

641

00:21:53,830 --> 00:21:51,440

department apparently so you know so lou

642

00:21:55,430 --> 00:21:53,840

says it's it doesn't have the manpower

643

00:21:57,029 --> 00:21:55,440

it doesn't have the people looking into

644

00:21:59,190 --> 00:21:57,039

it it's kind of like just going to sit

645

00:22:02,310 --> 00:21:59,200

on data and not release it

646

00:22:03,350 --> 00:22:02,320

and kind of throw us back into secrecy

647

00:22:05,350 --> 00:22:03,360

almost

648

00:22:07,830 --> 00:22:05,360

pretty much it was when kirby was having

649

00:22:09,590 --> 00:22:07,840

that press conference a few months ago

650

00:22:10,549 --> 00:22:09,600

and his torn and his mannerisms were

651
00:22:12,310 --> 00:22:10,559
very much

652
00:22:14,310 --> 00:22:12,320
dismissive and yeah we're not going to

653
00:22:16,310 --> 00:22:14,320
give you anything but credit to the

654
00:22:18,230 --> 00:22:16,320
journalist at the time is it travis

655
00:22:19,990 --> 00:22:18,240
trenton it is

656
00:22:21,830 --> 00:22:20,000
yeah and he

657
00:22:23,190 --> 00:22:21,840
my understanding is that he knows a lot

658
00:22:25,190 --> 00:22:23,200
more than he's letting on and he really

659
00:22:27,350 --> 00:22:25,200
grilled him which was good to see it was

660
00:22:28,310 --> 00:22:27,360
good to see uh kirby square

661
00:22:30,390 --> 00:22:28,320
no

662
00:22:31,750 --> 00:22:30,400
i'm sure he's lovely but i'm sorry but

663
00:22:33,830 --> 00:22:31,760

when it comes to

664

00:22:35,510 --> 00:22:33,840

european transparency uh

665

00:22:39,190 --> 00:22:35,520

you know i'll touch on the table

666

00:22:41,510 --> 00:22:39,200

yeah absolutely now also in 2021 before

667

00:22:43,190 --> 00:22:41,520

the preliminary assessment we had those

668

00:22:44,630 --> 00:22:43,200

releases from jeremy corbell what were

669

00:22:46,390 --> 00:22:44,640

your thoughts on on when that was

670

00:22:49,270 --> 00:22:46,400

happening and and did you feel it was

671

00:22:52,390 --> 00:22:49,280

adding something to the to the subject

672

00:22:54,630 --> 00:22:52,400

with the omaha sphere and the triangle

673

00:22:56,230 --> 00:22:54,640

yeah um yeah so

674

00:22:58,149 --> 00:22:56,240

i wasn't quite sure

675

00:22:59,830 --> 00:22:58,159

at the time um obviously you've always

676

00:23:02,630 --> 00:22:59,840

got to consider whether

677

00:23:04,149 --> 00:23:02,640

there's a bit disinformation um but

678

00:23:05,350 --> 00:23:04,159

personally i don't think it was i think

679

00:23:07,669 --> 00:23:05,360

the people who

680

00:23:08,549 --> 00:23:07,679

were contacting jeremy are legit i think

681

00:23:14,870 --> 00:23:08,559

that

682

00:23:17,029 --> 00:23:14,880

legitimate as was verified in the end um

683

00:23:19,590 --> 00:23:17,039

so it was difficult at the time it drew

684

00:23:21,430 --> 00:23:19,600

a lot of issues just to the fact that

685

00:23:23,510 --> 00:23:21,440

you had short videos

686

00:23:25,830 --> 00:23:23,520

there's no supporting data

687

00:23:28,070 --> 00:23:25,840

and that left a gray area for

688

00:23:29,750 --> 00:23:28,080

the bunkers to step in and try and

689

00:23:31,110 --> 00:23:29,760

excuse me manipulate the data into a

690

00:23:33,350 --> 00:23:31,120

conclusive

691

00:23:34,549 --> 00:23:33,360

narrative which pretty much didn't exist

692

00:23:35,590 --> 00:23:34,559

i mean at the end of the day we can't

693

00:23:38,549 --> 00:23:35,600

say

694

00:23:41,110 --> 00:23:38,559

what the omaha sphere was or the

695

00:23:41,990 --> 00:23:41,120

pyramid we don't know we need more data

696

00:23:43,750 --> 00:23:42,000

um

697

00:23:45,350 --> 00:23:43,760

would i say we just we need more data we

698

00:23:47,909 --> 00:23:45,360

can't go from here and say it's

699

00:23:49,669 --> 00:23:47,919

something anomalous without

700

00:23:51,909 --> 00:23:49,679

what the people there thought what

701
00:23:54,390 --> 00:23:51,919
theirs their perceptions the military

702
00:23:56,310 --> 00:23:54,400
um we need the government to come out

703
00:23:58,310 --> 00:23:56,320
and be transparent on what those things

704
00:23:59,830 --> 00:23:58,320
were and so again it goes back to what

705
00:24:01,110 --> 00:23:59,840
we were saying earlier rather than just

706
00:24:02,390 --> 00:24:01,120
going round and round and round and

707
00:24:04,070 --> 00:24:02,400
counting the bear between skeptic and

708
00:24:05,430 --> 00:24:04,080
believer

709
00:24:07,590 --> 00:24:05,440
we need the government to come out and

710
00:24:08,470 --> 00:24:07,600
and take responsibility for this

711
00:24:10,950 --> 00:24:08,480
yeah

712
00:24:11,750 --> 00:24:10,960
but i always i don't know my feeling is

713
00:24:17,510 --> 00:24:11,760

that

714

00:24:20,230 --> 00:24:17,520
with frustration within the system

715

00:24:21,190 --> 00:24:20,240
um i think they happen because

716

00:24:22,870 --> 00:24:21,200
um

717

00:24:24,470 --> 00:24:22,880
something behind the scenes isn't quite

718

00:24:26,149 --> 00:24:24,480
going to plan

719

00:24:28,950 --> 00:24:26,159
and then people step in

720

00:24:30,310 --> 00:24:28,960
um it can almost be used in strategy um

721

00:24:32,549 --> 00:24:30,320
a case of right well if you're going to

722

00:24:35,110 --> 00:24:32,559
go down that road we've got all of this

723

00:24:36,870 --> 00:24:35,120
information he's a tidbit do you really

724

00:24:38,070 --> 00:24:36,880
want to continue going down that road

725

00:24:39,110 --> 00:24:38,080
and i think that's pretty much what

726
00:24:42,149 --> 00:24:39,120
happened

727
00:24:44,230 --> 00:24:42,159
yeah it makes sense definitely

728
00:24:46,549 --> 00:24:44,240
yeah interesting strategy i mean we only

729
00:24:48,310 --> 00:24:46,559
know a fraction of of what's going on

730
00:24:49,750 --> 00:24:48,320
behind the scenes and there's i'm sure

731
00:24:50,549 --> 00:24:49,760
there's people well we know these people

732
00:24:52,470 --> 00:24:50,559
now

733
00:24:54,549 --> 00:24:52,480
still trying to keep this under wraps

734
00:24:56,789 --> 00:24:54,559
without going into their names

735
00:24:58,710 --> 00:24:56,799
no absolutely yeah we're here there's

736
00:25:01,110 --> 00:24:58,720
quite a few battles going on behind the

737
00:25:03,029 --> 00:25:01,120
scenes between pentagon and congress and

738
00:25:04,789 --> 00:25:03,039

things like that but hopefully

739

00:25:07,190 --> 00:25:04,799

we come out on the right side of things

740

00:25:11,029 --> 00:25:08,789

do you think we'll see i mean do you

741

00:25:12,710 --> 00:25:11,039

have any hope hopes for 2022 and this is

742

00:25:14,390 --> 00:25:12,720

purely like

743

00:25:15,590 --> 00:25:14,400

speculative you don't have to say you

744

00:25:17,110 --> 00:25:15,600

know i don't think stuff is going to

745

00:25:18,230 --> 00:25:17,120

happen what would you like to see in him

746

00:25:20,630 --> 00:25:18,240

what kind of

747

00:25:22,149 --> 00:25:20,640

how would you like to see it played out

748

00:25:23,590 --> 00:25:22,159

that's that's a difficult one because

749

00:25:25,750 --> 00:25:23,600

what is it

750

00:25:27,430 --> 00:25:25,760

yeah what we've been getting recently uh

751

00:25:29,830 --> 00:25:27,440

that really brings credibility to the

752

00:25:31,590 --> 00:25:29,840

the issue of europeans statements by

753

00:25:33,350 --> 00:25:31,600

high-ranking government officials that's

754

00:25:34,470 --> 00:25:33,360

what's given us the

755

00:25:36,630 --> 00:25:34,480

uh

756

00:25:38,149 --> 00:25:36,640

platform to get to where we are

757

00:25:39,269 --> 00:25:38,159

so whether that continues and we get

758

00:25:42,710 --> 00:25:39,279

more of that

759

00:25:44,870 --> 00:25:42,720

possibility i think probably yeah the

760

00:25:46,549 --> 00:25:44,880

what they don't seem to willingly want

761

00:25:48,630 --> 00:25:46,559

to do like i said is

762

00:25:51,590 --> 00:25:48,640

bring out longer versions of these

763

00:25:53,669 --> 00:25:51,600

videos which would just do that if we

764

00:25:54,870 --> 00:25:53,679

had those that be it it would look and

765

00:25:57,190 --> 00:25:54,880

go oh

766

00:25:59,350 --> 00:25:57,200

that's a pyramid very clearly as a

767

00:26:00,549 --> 00:25:59,360

pyramid um all that's a disc very

768

00:26:02,149 --> 00:26:00,559

clearly a disc

769

00:26:03,590 --> 00:26:02,159

very interesting that

770

00:26:05,430 --> 00:26:03,600

and i'd never picked up on this before i

771

00:26:07,430 --> 00:26:05,440

watched ross colvard's in one of his

772

00:26:09,510 --> 00:26:07,440

interviews recently

773

00:26:13,029 --> 00:26:09,520

and apparently he'd been told that of

774

00:26:14,470 --> 00:26:13,039

the 143 unidentifieds in that report

775

00:26:18,149 --> 00:26:14,480

some of them all

776

00:26:20,390 --> 00:26:19,430

and that's really pretty sure i've got

777

00:26:22,390 --> 00:26:20,400

that right

778

00:26:23,909 --> 00:26:22,400

so it was in one of his interviews that

779

00:26:25,510 --> 00:26:23,919

is very it was slightly in there and i

780

00:26:26,789 --> 00:26:25,520

was like no

781

00:26:27,590 --> 00:26:26,799

is that quite right

782

00:26:29,190 --> 00:26:27,600

now

783

00:26:30,390 --> 00:26:29,200

i'm gonna have to go and double check

784

00:26:31,190 --> 00:26:30,400

that but i'm pretty sure i heard that

785

00:26:33,269 --> 00:26:31,200

right

786

00:26:33,990 --> 00:26:33,279

yeah no i i can't recall i've seen so

787

00:26:35,750 --> 00:26:34,000

yeah

788

00:26:37,510 --> 00:26:35,760

that's really interesting

789

00:26:39,110 --> 00:26:37,520

but i mean if that's true

790

00:26:41,190 --> 00:26:39,120

i mean yeah

791

00:26:44,070 --> 00:26:41,200

it just it would go short i mean

792

00:26:45,350 --> 00:26:44,080

discs very 1940s 50s

793

00:26:47,269 --> 00:26:45,360

then they seemed to have a bit of a

794

00:26:49,669 --> 00:26:47,279

disappearance for a bit and what now

795

00:26:52,870 --> 00:26:49,679

they're back

796

00:26:53,830 --> 00:26:52,880

what what can i ask what's your opinion

797

00:26:56,710 --> 00:26:53,840

on

798

00:26:59,750 --> 00:26:56,720

origin

799

00:27:03,350 --> 00:27:01,590

i've been through so many different

800

00:27:05,269 --> 00:27:03,360

explanations and possibilities in my

801
00:27:07,110 --> 00:27:05,279
mind in the past few years that

802
00:27:08,789 --> 00:27:07,120
i almost feel like it's

803
00:27:11,990 --> 00:27:08,799
it's gotten harder to answer those kind

804
00:27:15,269 --> 00:27:13,830
we've got the origins of the objects

805
00:27:16,950 --> 00:27:15,279
themselves but now we've the

806
00:27:18,389 --> 00:27:16,960
conversation about the origins of the

807
00:27:20,870 --> 00:27:18,399
phenomena and

808
00:27:23,029 --> 00:27:20,880
the others or the non-human intelligence

809
00:27:24,789 --> 00:27:23,039
that conversation has exploded into so

810
00:27:26,950 --> 00:27:24,799
many more possibilities

811
00:27:28,950 --> 00:27:26,960
that yeah i feel like there's way more

812
00:27:30,870 --> 00:27:28,960
questions than answers so

813
00:27:33,669 --> 00:27:30,880

i i'm very weary and cautious about

814

00:27:34,389 --> 00:27:33,679

speculating you know i do think i do

815

00:27:36,950 --> 00:27:34,399

think

816

00:27:39,190 --> 00:27:36,960

and i'm happy to say in my opinion the

817

00:27:41,110 --> 00:27:39,200

extraterrestrial hypothesis has jumped

818

00:27:42,230 --> 00:27:41,120

right down the ladder for me

819

00:27:44,230 --> 00:27:42,240

and yeah

820

00:27:45,750 --> 00:27:44,240

you know can i ask when you first got

821

00:27:48,870 --> 00:27:45,760

into this and you had that holy fudge

822

00:27:51,110 --> 00:27:48,880

moment um was the et hypothesis right at

823

00:27:52,950 --> 00:27:51,120

the top because it was for me

824

00:27:54,230 --> 00:27:52,960

yeah quite naturally yeah

825

00:27:55,830 --> 00:27:54,240

it was

826
00:27:57,990 --> 00:27:55,840
extraterrestrial

827
00:27:59,909 --> 00:27:58,000
biological entities

828
00:28:01,350 --> 00:27:59,919
traveling through space

829
00:28:04,710 --> 00:28:01,360
faster than the speed of light kind of

830
00:28:06,630 --> 00:28:04,720
thing i yes that i was aware of

831
00:28:08,950 --> 00:28:06,640
the possible dimensional travel thing

832
00:28:10,710 --> 00:28:08,960
but it was not really talked about so

833
00:28:12,310 --> 00:28:10,720
much you know so

834
00:28:13,590 --> 00:28:12,320
yeah i think a lot of people come from

835
00:28:15,269 --> 00:28:13,600
that background but the more you

836
00:28:17,510 --> 00:28:15,279
research and

837
00:28:18,710 --> 00:28:17,520
yeah it's it's it's not to me it's not

838
00:28:20,470 --> 00:28:18,720

as likely as

839

00:28:22,630 --> 00:28:20,480

dimensional and

840

00:28:23,909 --> 00:28:22,640

ultra terrestrial or crypto-terrestrial

841

00:28:26,230 --> 00:28:23,919

you know

842

00:28:28,070 --> 00:28:26,240

it's crazy yeah what do you think about

843

00:28:30,470 --> 00:28:28,080

ultra-terrestrial

844

00:28:32,870 --> 00:28:30,480

that is the one which when i was writing

845

00:28:34,870 --> 00:28:32,880

a bit from a book i came to that and the

846

00:28:37,510 --> 00:28:34,880

only thought i had was the help put off

847

00:28:39,669 --> 00:28:37,520

paper which i don't have access to i

848

00:28:42,149 --> 00:28:39,679

know some people do and i really wanted

849

00:28:44,630 --> 00:28:42,159

um but besides that

850

00:28:46,630 --> 00:28:44,640

there is nothing much out there

851
00:28:48,870 --> 00:28:46,640
i actually think there's a random

852
00:28:50,070 --> 00:28:48,880
cool there's a random website the mid

853
00:28:51,510 --> 00:28:50,080
reference to

854
00:28:53,110 --> 00:28:51,520
i think it was like edward snowden and

855
00:28:54,549 --> 00:28:53,120
ultra trust i can't even remember

856
00:28:56,070 --> 00:28:54,559
exactly what it was but it's from like

857
00:28:57,990 --> 00:28:56,080
years and years ago and that was the

858
00:28:58,950 --> 00:28:58,000
only thing that i found it was complete

859
00:29:00,470 --> 00:28:58,960
rubbish

860
00:29:02,710 --> 00:29:00,480
um

861
00:29:04,470 --> 00:29:02,720
besides i just i don't understand how

862
00:29:07,110 --> 00:29:04,480
that concept works is that like all the

863
00:29:08,789 --> 00:29:07,120

terrestrials who are in our 3d reality

864

00:29:11,990 --> 00:29:08,799

or what hiding under the ocean they're

865

00:29:13,269 --> 00:29:12,000

hiding uh in the earth or is that a case

866

00:29:15,190 --> 00:29:13,279

of they are

867

00:29:17,430 --> 00:29:15,200

part interdimensional so they're on

868

00:29:19,029 --> 00:29:17,440

another plane but here as well which

869

00:29:19,909 --> 00:29:19,039

classes them as ultraterrestrial what do

870

00:29:21,909 --> 00:29:19,919

you think

871

00:29:23,750 --> 00:29:21,919

well yeah i've seen and even recently

872

00:29:26,149 --> 00:29:23,760

i've seen different explanations to what

873

00:29:28,149 --> 00:29:26,159

the ultra-terrestrial actually means and

874

00:29:29,430 --> 00:29:28,159

it seems to me like it's quite a vague

875

00:29:32,070 --> 00:29:29,440

term covering a lot of different

876

00:29:34,470 --> 00:29:32,080

possibilities within that term so it's

877

00:29:35,750 --> 00:29:34,480

difficult to say it means this because

878

00:29:37,990 --> 00:29:35,760

so many people have said different

879

00:29:39,269 --> 00:29:38,000

things and so to me it's a bit confusing

880

00:29:41,430 --> 00:29:39,279

because it does have a bit of the

881

00:29:44,310 --> 00:29:41,440

inter-dimensional it does have a bit of

882

00:29:46,470 --> 00:29:44,320

this this reality where they they may be

883

00:29:47,909 --> 00:29:46,480

here we might not be able to see them

884

00:29:50,630 --> 00:29:47,919

because you know they could be stood

885

00:29:51,430 --> 00:29:50,640

face to face with you but outside of our

886

00:29:54,149 --> 00:29:51,440

yeah

887

00:29:55,669 --> 00:29:54,159

what we can see and and touch and smell

888

00:29:58,149 --> 00:29:55,679

and taste and all that kind of stuff you

889

00:29:58,870 --> 00:29:58,159

know everyone get the head around that

890

00:30:02,549 --> 00:29:58,880

like

891

00:30:05,029 --> 00:30:02,559

you can't sense them um but obviously

892

00:30:07,190 --> 00:30:06,389

well this is the thing i think this is

893

00:30:09,510 --> 00:30:07,200

why

894

00:30:11,350 --> 00:30:09,520

science which we've wanted to be a part

895

00:30:13,190 --> 00:30:11,360

of this subject for so long and now we

896

00:30:14,950 --> 00:30:13,200

see them jumping on board slowly but

897

00:30:15,750 --> 00:30:14,960

surely i think i think that's important

898

00:30:19,350 --> 00:30:15,760

so

899

00:30:21,190 --> 00:30:19,360

you see that

900

00:30:23,269 --> 00:30:21,200

going with people at avilob and the

901
00:30:25,269 --> 00:30:23,279
galileo project and other institutions

902
00:30:27,110 --> 00:30:25,279
how does that make you feel

903
00:30:28,710 --> 00:30:27,120
uh good i know

904
00:30:31,269 --> 00:30:28,720
i've seen that they've had a lot of

905
00:30:32,950 --> 00:30:31,279
criticism recently which is i can't

906
00:30:34,470 --> 00:30:32,960
believe that it's really unbelievable

907
00:30:36,470 --> 00:30:34,480
the fact that now we have mainstream

908
00:30:38,149 --> 00:30:36,480
science coming on board and saying okay

909
00:30:39,430 --> 00:30:38,159
we're going to take analytical

910
00:30:40,950 --> 00:30:39,440
scientific approach to this we're going

911
00:30:43,190 --> 00:30:40,960
to go through everything rigorously

912
00:30:44,950 --> 00:30:43,200
we're going to be objective um we're not

913
00:30:48,070 --> 00:30:44,960

going to be persuaded by bias that we

914

00:30:49,750 --> 00:30:48,080

have in the past with towards ufos

915

00:30:51,110 --> 00:30:49,760

and we have people criticizing them for

916

00:30:53,110 --> 00:30:51,120

it and you're like okay

917

00:30:54,710 --> 00:30:53,120

fair enough foxy can have your opinions

918

00:30:56,870 --> 00:30:54,720

about the people that they have on board

919

00:30:59,110 --> 00:30:56,880

and whatnot but each of those persons

920

00:31:02,230 --> 00:30:59,120

that they've got has a unique experience

921

00:31:03,590 --> 00:31:02,240

and background within ufology and all

922

00:31:06,230 --> 00:31:03,600

the rest of it so

923

00:31:07,269 --> 00:31:06,240

well i'm very i'm very encouraged by the

924

00:31:09,430 --> 00:31:07,279

fact that

925

00:31:11,509 --> 00:31:09,440

we now have real scientists looking at

926
00:31:13,110 --> 00:31:11,519
this and that's where this needs to go

927
00:31:15,669 --> 00:31:13,120
this needs to be taken right out of the

928
00:31:18,310 --> 00:31:15,679
hands of ufologists so you guys and

929
00:31:21,590 --> 00:31:18,320
given to mainstream signs

930
00:31:23,830 --> 00:31:21,600
uh and by indication the public

931
00:31:24,950 --> 00:31:23,840
yeah totally agree totally agree and

932
00:31:26,710 --> 00:31:24,960
it's funny you mentioned the kind of

933
00:31:28,549 --> 00:31:26,720
pushback that

934
00:31:30,710 --> 00:31:28,559
they've been having recently even after

935
00:31:32,789 --> 00:31:30,720
so many years of wanting them to take it

936
00:31:34,310 --> 00:31:32,799
on and i think with the galileo project

937
00:31:36,310 --> 00:31:34,320
in particular what i've noticed is that

938
00:31:38,789 --> 00:31:36,320

people are really worried that

939

00:31:40,549 --> 00:31:38,799

you know these are people that don't or

940

00:31:42,149 --> 00:31:40,559

can't get on board with louis ondo and

941

00:31:43,669 --> 00:31:42,159

chris mellon being a part of it and that

942

00:31:45,110 --> 00:31:43,679

they feel that they're going to sway

943

00:31:46,549 --> 00:31:45,120

avilobe and

944

00:31:48,549 --> 00:31:46,559

stuff like that but i think what people

945

00:31:50,389 --> 00:31:48,559

need to realize is they're just research

946

00:31:52,149 --> 00:31:50,399

affiliates they don't have

947

00:31:53,830 --> 00:31:52,159

pulling power within the organization

948

00:31:55,269 --> 00:31:53,840

they just help out and

949

00:31:57,190 --> 00:31:55,279

yeah i think that needs to become

950

00:31:58,549 --> 00:31:57,200

clearer maybe for certain people i don't

951
00:32:01,590 --> 00:31:58,559
know

952
00:32:03,190 --> 00:32:01,600
it's a funny one isn't it it's it's not

953
00:32:04,789 --> 00:32:03,200
people are oh yeah well counter intel

954
00:32:06,789 --> 00:32:04,799
are involved now so

955
00:32:09,269 --> 00:32:06,799
game over

956
00:32:10,389 --> 00:32:09,279
no yeah it's just crazy yeah but then

957
00:32:13,909 --> 00:32:10,399
you

958
00:32:14,630 --> 00:32:13,919
because about 70 years of the apology

959
00:32:16,389 --> 00:32:14,640
and

960
00:32:18,070 --> 00:32:16,399
a certain persuasion on the government

961
00:32:20,549 --> 00:32:18,080
and the government let's be fair haven't

962
00:32:23,350 --> 00:32:20,559
really helped that situation with

963
00:32:26,310 --> 00:32:23,360

transparency so you can kind of see why

964

00:32:28,470 --> 00:32:26,320

people still have these deep rooted

965

00:32:30,389 --> 00:32:28,480

issues towards anything that comes from

966

00:32:32,549 --> 00:32:30,399

the government um and that i think

967

00:32:33,669 --> 00:32:32,559

that's why you need a good education

968

00:32:35,029 --> 00:32:33,679

program

969

00:32:37,350 --> 00:32:35,039

from the government themselves to say

970

00:32:40,070 --> 00:32:37,360

okay look this is how we've handled the

971

00:32:41,830 --> 00:32:40,080

situation the ufo situation in the past

972

00:32:43,269 --> 00:32:41,840

uh this is where we are now and this is

973

00:32:45,269 --> 00:32:43,279

what we want to do they need to come out

974

00:32:47,269 --> 00:32:45,279

and be transparent on that and it's the

975

00:32:49,909 --> 00:32:47,279

only way forward because

976
00:32:51,430 --> 00:32:49,919
for me this is only going to go one way

977
00:32:52,870 --> 00:32:51,440
um so i don't know if they already have

978
00:32:55,190 --> 00:32:52,880
these things in place where we already

979
00:32:57,110 --> 00:32:55,200
have these programs to

980
00:32:59,350 --> 00:32:57,120
to ensure that there's an indoctrination

981
00:33:00,789 --> 00:32:59,360
period i i don't know if that was me and

982
00:33:02,870 --> 00:33:00,799
i was in the government i'd be like oh

983
00:33:03,669 --> 00:33:02,880
like joe what's it gonna be like in five

984
00:33:05,190 --> 00:33:03,679
years

985
00:33:06,470 --> 00:33:05,200
uh you could in theory have a lot of

986
00:33:07,909 --> 00:33:06,480
people very angry with the government

987
00:33:09,509 --> 00:33:07,919
because you've not really explained your

988
00:33:11,750 --> 00:33:09,519

situation to them

989

00:33:12,710 --> 00:33:11,760

and all they see is people

990

00:33:14,870 --> 00:33:12,720

who are

991

00:33:16,549 --> 00:33:14,880

angry ufologists angry conspiracy

992

00:33:18,630 --> 00:33:16,559

theorists um

993

00:33:20,630 --> 00:33:18,640

and that's gonna be people's persuasion

994

00:33:22,870 --> 00:33:20,640

new people coming into the field

995

00:33:25,430 --> 00:33:22,880

um so i think yeah they should really

996

00:33:26,789 --> 00:33:25,440

have a strategy no absolutely and i

997

00:33:28,870 --> 00:33:26,799

think another thing that could help that

998

00:33:30,389 --> 00:33:28,880

is the mainstream media

999

00:33:32,389 --> 00:33:30,399

really talking about it without the

1000

00:33:33,990 --> 00:33:32,399

stigma and taboo and the x-files

1001
00:33:35,190 --> 00:33:34,000
headlines and the click bait and all

1002
00:33:36,630 --> 00:33:35,200
that

1003
00:33:38,230 --> 00:33:36,640
i mean

1004
00:33:39,669 --> 00:33:38,240
what was that yeah excuse me what was

1005
00:33:41,669 --> 00:33:39,679
the recent one that came up with the

1006
00:33:43,350 --> 00:33:41,679
x-files music it was fairly last few

1007
00:33:46,549 --> 00:33:43,360
weeks and i can't think what it was i

1008
00:33:47,350 --> 00:33:46,559
think it was nbc with gaddy schwartz

1009
00:33:49,590 --> 00:33:47,360
yes

1010
00:33:51,990 --> 00:33:49,600
and i like that

1011
00:33:53,830 --> 00:33:52,000
he's a smart guy and he knows yeah i

1012
00:33:55,909 --> 00:33:53,840
mean i've spoken to him over social

1013
00:33:58,149 --> 00:33:55,919

media and he he's very much of the same

1014

00:33:59,350 --> 00:33:58,159

mindset that we are he he believes that

1015

00:34:01,029 --> 00:33:59,360

yes

1016

00:34:02,549 --> 00:34:01,039

potentially without putting words in his

1017

00:34:04,070 --> 00:34:02,559

mouth potentially there's all this other

1018

00:34:07,029 --> 00:34:04,080

stuff going on but we really need to

1019

00:34:09,270 --> 00:34:07,039

focus on uap ability counters we need to

1020

00:34:10,629 --> 00:34:09,280

get the serious stuff in place

1021

00:34:12,310 --> 00:34:10,639

um at least that's the impression i was

1022

00:34:16,310 --> 00:34:12,320

getting to him when i was talking to him

1023

00:34:20,069 --> 00:34:17,750

it didn't feel good when we saw that

1024

00:34:22,149 --> 00:34:20,079

x-files music on a show with him as well

1025

00:34:23,589 --> 00:34:22,159

it was just like oh my god

1026

00:34:25,430 --> 00:34:23,599

it's it's a sort of thing do you know

1027

00:34:26,790 --> 00:34:25,440

when you watch this morning with uh phil

1028

00:34:28,629 --> 00:34:26,800

and fern i don't know phil and birds

1029

00:34:30,710 --> 00:34:28,639

will do it but every single time that

1030

00:34:33,030 --> 00:34:30,720

they have anything on ufos it's boom

1031

00:34:35,190 --> 00:34:33,040

xbox music straight away

1032

00:34:36,869 --> 00:34:35,200

generally with some nutcase who comes on

1033

00:34:37,829 --> 00:34:36,879

yeah i've just had alien derby they're

1034

00:34:40,230 --> 00:34:37,839

like

1035

00:34:41,990 --> 00:34:40,240

sick yeah yeah it's too much i mean

1036

00:34:44,710 --> 00:34:42,000

we've been quite

1037

00:34:46,069 --> 00:34:44,720

last couple of years with a lot of i

1038

00:34:47,990 --> 00:34:46,079

mean especially again i'm going to go

1039

00:34:49,109 --> 00:34:48,000

back to the first six months of 2021

1040

00:34:54,790 --> 00:34:49,119

there was

1041

00:34:56,790 --> 00:34:54,800

out of mainstream media and okay not all

1042

00:34:58,470 --> 00:34:56,800

of them were great but it was getting

1043

00:35:00,790 --> 00:34:58,480

the conversation going

1044

00:35:02,310 --> 00:35:00,800

it was everywhere ufos uap were

1045

00:35:03,270 --> 00:35:02,320

everywhere and that was great and there

1046

00:35:05,030 --> 00:35:03,280

wasn't

1047

00:35:07,910 --> 00:35:05,040

um so much

1048

00:35:09,589 --> 00:35:07,920

uh of the woo stuff it was sticking to

1049

00:35:11,270 --> 00:35:09,599

what what was being dealt with at that

1050

00:35:12,950 --> 00:35:11,280

time and that was great then we saw it

1051

00:35:16,630 --> 00:35:12,960

all drop off

1052

00:35:18,150 --> 00:35:16,640

now for me personally um yeah i mean

1053

00:35:19,109 --> 00:35:18,160

especially in this country in the uk

1054

00:35:23,270 --> 00:35:19,119

we've got

1055

00:35:25,190 --> 00:35:23,280

the subject they're still i think

1056

00:35:27,030 --> 00:35:25,200

finding their feet with it

1057

00:35:29,109 --> 00:35:27,040

yeah um

1058

00:35:30,710 --> 00:35:29,119

but my only thing is we've started off

1059

00:35:32,230 --> 00:35:30,720

obviously in the tabloids we need to get

1060

00:35:34,230 --> 00:35:32,240

to the the higher

1061

00:35:35,670 --> 00:35:34,240

more respectable papers don't we

1062

00:35:36,950 --> 00:35:35,680

absolutely i mean

1063

00:35:39,510 --> 00:35:36,960

we've seen it personally ourselves

1064

00:35:41,430 --> 00:35:39,520

something with uap media um

1065

00:35:43,510 --> 00:35:41,440

no no disrespect to the tabloids i mean

1066

00:35:45,109 --> 00:35:43,520

they're doing the best they can i think

1067

00:35:47,109 --> 00:35:45,119

never thought i'd say this but the sun

1068

00:35:49,190 --> 00:35:47,119

is actually doing a better job

1069

00:35:50,150 --> 00:35:49,200

covering it than the rest of them

1070

00:35:51,270 --> 00:35:50,160

and

1071

00:35:52,950 --> 00:35:51,280

yeah the

1072

00:35:55,910 --> 00:35:52,960

daily star there's been some horrific

1073

00:35:57,750 --> 00:35:55,920

stories coming from there and very much

1074

00:35:58,630 --> 00:35:57,760

uh yeah i won't go into them but but

1075

00:35:59,910 --> 00:35:58,640

yeah

1076
00:36:02,310 --> 00:35:59,920
media

1077
00:36:04,230 --> 00:36:02,320
that has done very well recently um in

1078
00:36:08,230 --> 00:36:04,240
terms of getting more credible

1079
00:36:10,230 --> 00:36:08,240
uh stories out there with uap um

1080
00:36:11,589 --> 00:36:10,240
i think our aim is like you said it's to

1081
00:36:13,589 --> 00:36:11,599
get

1082
00:36:15,190 --> 00:36:13,599
broadsheets more credible purpose

1083
00:36:17,270 --> 00:36:15,200
guardian bbc

1084
00:36:20,870 --> 00:36:17,280
um people who really can make a

1085
00:36:22,790 --> 00:36:20,880
difference within influential positions

1086
00:36:25,510 --> 00:36:22,800
but it's a start i mean

1087
00:36:27,510 --> 00:36:25,520
here to start what we've done it's good

1088
00:36:29,829 --> 00:36:27,520

yeah we're on the we're on the ladder

1089

00:36:31,430 --> 00:36:29,839

we are we are i think

1090

00:36:33,349 --> 00:36:31,440

i think it'd be a good year to see some

1091

00:36:34,470 --> 00:36:33,359

changes from that aspect personally

1092

00:36:35,990 --> 00:36:34,480

that's what i

1093

00:36:38,550 --> 00:36:36,000

that's the next step i'd like to see is

1094

00:36:41,030 --> 00:36:38,560

the mainstream media just

1095

00:36:42,710 --> 00:36:41,040

just stepping up a gear and doing

1096

00:36:45,910 --> 00:36:42,720

better reporting speaking to the right

1097

00:36:47,670 --> 00:36:45,920

people because we see a lot of

1098

00:36:49,589 --> 00:36:47,680

these articles with comments and they've

1099

00:36:52,230 --> 00:36:49,599

gone to the same old people

1100

00:36:53,990 --> 00:36:52,240

the same old desk clerks i won't say

1101
00:36:56,310 --> 00:36:54,000
yeah

1102
00:36:57,750 --> 00:36:56,320
i think it's time for them to start

1103
00:37:00,310 --> 00:36:57,760
doing a bit more

1104
00:37:02,150 --> 00:37:00,320
work let's say and yeah finding more

1105
00:37:04,069 --> 00:37:02,160
come and speak to us uap media we're

1106
00:37:05,030 --> 00:37:04,079
happy to talk to people i that's what i

1107
00:37:08,470 --> 00:37:05,040
wanna

1108
00:37:09,430 --> 00:37:08,480
yeah i think i think that will happen

1109
00:37:11,670 --> 00:37:09,440
this year

1110
00:37:15,510 --> 00:37:11,680
but i do believe

1111
00:37:17,589 --> 00:37:15,520
we will need that spark again um

1112
00:37:19,109 --> 00:37:17,599
i don't know i don't know exactly what's

1113
00:37:21,109 --> 00:37:19,119

coming uh i

1114

00:37:23,030 --> 00:37:21,119

imagine something will be coming this

1115

00:37:24,390 --> 00:37:23,040

year but we need that spark whether

1116

00:37:26,790 --> 00:37:24,400

that's like you said earlier whether

1117

00:37:29,349 --> 00:37:26,800

that's a high ranking official coming

1118

00:37:30,390 --> 00:37:29,359

out or whether that's a

1119

00:37:31,349 --> 00:37:30,400

video

1120

00:37:32,630 --> 00:37:31,359

um

1121

00:37:35,030 --> 00:37:32,640

or whether

1122

00:37:37,030 --> 00:37:35,040

the there's another report coming this

1123

00:37:41,829 --> 00:37:37,040

year is that right

1124

00:37:42,870 --> 00:37:41,839

out of the u.s yeah so yeah i think the

1125

00:37:46,069 --> 00:37:42,880

one sorry

1126

00:37:49,589 --> 00:37:46,079

31st of october is the next

1127

00:37:51,670 --> 00:37:49,599

one yeah so i mean in theory what

1128

00:37:52,790 --> 00:37:51,680

we want probably want to do is build

1129

00:37:54,550 --> 00:37:52,800

towards that

1130

00:37:55,750 --> 00:37:54,560

um regardless whatever else happens

1131

00:37:58,069 --> 00:37:55,760

during the year

1132

00:38:01,190 --> 00:37:58,079

um we want to build towards the october

1133

00:38:02,790 --> 00:38:01,200

release in terms of activism

1134

00:38:05,270 --> 00:38:02,800

and that's one thing with activism what

1135

00:38:07,270 --> 00:38:05,280

we've noticed is we can't continuously

1136

00:38:08,790 --> 00:38:07,280

go at it one day so we day after day

1137

00:38:10,790 --> 00:38:08,800

after day week after week

1138

00:38:13,510 --> 00:38:10,800

if we get worn out

1139

00:38:15,430 --> 00:38:13,520

uh we do need that low period and

1140

00:38:17,270 --> 00:38:15,440

so yeah um

1141

00:38:19,109 --> 00:38:17,280

i'll probably work towards that see what

1142

00:38:21,190 --> 00:38:19,119

happens

1143

00:38:23,030 --> 00:38:21,200

yeah now with just sticking with you ap

1144

00:38:25,589 --> 00:38:23,040

media i think it was only a couple of

1145

00:38:27,510 --> 00:38:25,599

days ago a new letter template came out

1146

00:38:29,910 --> 00:38:27,520

on our website where we can people can

1147

00:38:32,390 --> 00:38:29,920

contact the local mps do you want do you

1148

00:38:33,750 --> 00:38:32,400

want to just talk to how that actually

1149

00:38:34,950 --> 00:38:33,760

makes a difference because i think a lot

1150

00:38:37,030 --> 00:38:34,960

of people think well it's just a letter

1151

00:38:38,069 --> 00:38:37,040

from one person how am i going to make a

1152

00:38:42,950 --> 00:38:38,079

difference

1153

00:38:45,510 --> 00:38:42,960

read the letters they may not always do

1154

00:38:47,109 --> 00:38:45,520

anything about it but they do read

1155

00:38:49,270 --> 00:38:47,119

i think creditor dave he's done a lot of

1156

00:38:50,710 --> 00:38:49,280

hard work on that he's condensed a lot

1157

00:38:53,030 --> 00:38:50,720

of the information got it down into a

1158

00:38:53,910 --> 00:38:53,040

bite-sized uh

1159

00:38:55,910 --> 00:38:53,920

letter

1160

00:38:57,349 --> 00:38:55,920

um and i think

1161

00:39:01,829 --> 00:38:57,359

it's

1162

00:39:04,550 --> 00:39:01,839

coming in 2022 where we can really push

1163

00:39:06,630 --> 00:39:04,560

forward get that letter out to

1164

00:39:08,069 --> 00:39:06,640

uh mps get out to journalists and media

1165

00:39:10,390 --> 00:39:08,079

organizations

1166

00:39:12,550 --> 00:39:10,400

um and then say look this

1167

00:39:14,710 --> 00:39:12,560

this needs transparency from our

1168

00:39:16,710 --> 00:39:14,720

government um this is what's happening

1169

00:39:18,069 --> 00:39:16,720

in america it's credible it's happening

1170

00:39:20,710 --> 00:39:18,079

there it is there's the evidence you can

1171

00:39:23,190 --> 00:39:20,720

go look at it uh and then we want you to

1172

00:39:25,510 --> 00:39:23,200

address this like what happened with

1173

00:39:27,190 --> 00:39:25,520

i'll get the mps name um

1174

00:39:29,829 --> 00:39:27,200

after the

1175

00:39:32,310 --> 00:39:29,839

tf reports came out

1176

00:39:34,230 --> 00:39:32,320

said lord

1177

00:39:36,150 --> 00:39:34,240

i can't remember

1178

00:39:37,270 --> 00:39:36,160

but yeah the question was asked in

1179

00:39:38,790 --> 00:39:37,280

parliament

1180

00:39:41,430 --> 00:39:38,800

and we got very

1181

00:39:42,950 --> 00:39:41,440

negative answer unfortunately but

1182

00:39:43,829 --> 00:39:42,960

but the good thing is the question was

1183

00:39:46,069 --> 00:39:43,839

asked

1184

00:39:48,470 --> 00:39:46,079

yeah and that in itself is a second

1185

00:39:50,470 --> 00:39:48,480

point and because the next time

1186

00:39:52,630 --> 00:39:50,480

the next report comes out or something

1187

00:39:54,550 --> 00:39:52,640

else might be coming which

1188

00:39:56,230 --> 00:39:54,560

may put pressure again the question gets

1189

00:39:57,430 --> 00:39:56,240

asked asked again and then they remember

1190

00:39:58,550 --> 00:39:57,440

that the question was asked last time

1191

00:40:00,150 --> 00:39:58,560

they go oh

1192

00:40:01,670 --> 00:40:00,160

so maybe this time we're gonna have to

1193

00:40:02,470 --> 00:40:01,680

up our game

1194

00:40:06,630 --> 00:40:02,480

yeah

1195

00:40:09,829 --> 00:40:08,309

high hopes that the british

1196

00:40:13,430 --> 00:40:09,839

government might

1197

00:40:15,670 --> 00:40:13,440

be on the way to doing something um

1198

00:40:17,510 --> 00:40:15,680

all those things potentially pipeline

1199

00:40:20,069 --> 00:40:17,520

love going into details

1200

00:40:21,430 --> 00:40:20,079

um but yeah i think this could be a good

1201
00:40:23,430 --> 00:40:21,440
year

1202
00:40:24,870 --> 00:40:23,440
for uap media to really push forward

1203
00:40:25,910 --> 00:40:24,880
into mps and

1204
00:40:28,069 --> 00:40:25,920
media

1205
00:40:29,190 --> 00:40:28,079
yeah so we just need to just need to get

1206
00:40:30,870 --> 00:40:29,200
on to it

1207
00:40:32,150 --> 00:40:30,880
that's it and anybody in the uk that is

1208
00:40:35,190 --> 00:40:32,160
watching this

1209
00:40:36,390 --> 00:40:35,200
go and check out uap media dot uk if you

1210
00:40:38,470 --> 00:40:36,400
want to help

1211
00:40:41,349 --> 00:40:38,480
help the activism send a letter to your

1212
00:40:42,790 --> 00:40:41,359
local mp all links will be below this

1213
00:40:44,230 --> 00:40:42,800

video in the description for all the

1214

00:40:46,870 --> 00:40:44,240

information on things we've talked about

1215

00:40:48,230 --> 00:40:46,880

as well today um and one thing before

1216

00:40:50,470 --> 00:40:48,240

you go is i'd like to talk about because

1217

00:40:52,150 --> 00:40:50,480

you actually wrote a book uh last year

1218

00:40:54,150 --> 00:40:52,160

what was that the year before last year

1219

00:40:55,750 --> 00:40:54,160

yeah yeah

1220

00:40:58,550 --> 00:40:55,760

yeah tell us how did that come about i'm

1221

00:41:00,790 --> 00:40:58,560

just gonna grab a copy to show everyone

1222

00:41:02,069 --> 00:41:00,800

yeah yeah so

1223

00:41:07,270 --> 00:41:02,079

i mean

1224

00:41:11,430 --> 00:41:08,470

there we go

1225

00:41:13,430 --> 00:41:11,440

oh lovely yeah so it's crazy because i

1226

00:41:15,349 --> 00:41:13,440

start i've never written anything really

1227

00:41:18,870 --> 00:41:15,359

before until i started waiting for

1228

00:41:21,510 --> 00:41:18,880

european info then you know unidentified

1229

00:41:23,190 --> 00:41:21,520

uh then with uap media i've really

1230

00:41:24,390 --> 00:41:23,200

honed down my writing skills i've like

1231

00:41:26,309 --> 00:41:24,400

tried to be more professional i've been

1232

00:41:28,630 --> 00:41:26,319

trying to like quote think and source

1233

00:41:30,069 --> 00:41:28,640

things professionally as best i can i

1234

00:41:32,630 --> 00:41:30,079

mean

1235

00:41:35,910 --> 00:41:32,640

the idea like i said earlier was to go

1236

00:41:38,870 --> 00:41:35,920

through in 2018 and research uap as best

1237

00:41:41,510 --> 00:41:38,880

i can um and by the end of the book come

1238

00:41:44,230 --> 00:41:41,520

up with a conclusion if i could as to

1239

00:41:45,510 --> 00:41:44,240

what uap potentially might be

1240

00:41:48,230 --> 00:41:45,520

like i said

1241

00:41:49,829 --> 00:41:48,240

couldn't do that it's too complex um i

1242

00:41:51,190 --> 00:41:49,839

narrowed it down to

1243

00:41:52,790 --> 00:41:51,200

top my head

1244

00:41:53,510 --> 00:41:52,800

uh et

1245

00:41:57,670 --> 00:41:53,520

uh

1246

00:42:00,710 --> 00:41:57,680

dimensional

1247

00:42:03,829 --> 00:42:00,720

uh mv multiverse your multiverse which

1248

00:42:05,030 --> 00:42:03,839

is different to interdimensional

1249

00:42:07,270 --> 00:42:05,040

i don't feel like i should explain that

1250

00:42:09,030 --> 00:42:07,280

so interdimensional uh you've got

1251
00:42:11,190 --> 00:42:09,040
various dimensions powering string

1252
00:42:13,190 --> 00:42:11,200
theory in that which go from ours which

1253
00:42:14,630 --> 00:42:13,200
is a 3d reality up to i think it's 10 or

1254
00:42:15,670 --> 00:42:14,640
11 so you can have all these different

1255
00:42:17,109 --> 00:42:15,680
dimensions

1256
00:42:19,430 --> 00:42:17,119
multiverse when i brought about and

1257
00:42:22,390 --> 00:42:19,440
considered that it's within our own

1258
00:42:24,790 --> 00:42:22,400
reality so it's 3d dimension

1259
00:42:25,910 --> 00:42:24,800
and but different variations of this

1260
00:42:27,589 --> 00:42:25,920
dimension

1261
00:42:29,109 --> 00:42:27,599
uh if that makes sense whereas

1262
00:42:31,190 --> 00:42:29,119
interdimensional you get up to like i

1263
00:42:32,870 --> 00:42:31,200

don't know 8 9 10 it could be something

1264

00:42:34,470 --> 00:42:32,880

we can't even comprehend it could be

1265

00:42:35,990 --> 00:42:34,480

something without words because

1266

00:42:37,510 --> 00:42:36,000

something so far

1267

00:42:38,710 --> 00:42:37,520

beyond us that we can't yeah they can't

1268

00:42:40,710 --> 00:42:38,720

even comprehend it so that was

1269

00:42:42,829 --> 00:42:40,720

interdimensional that was multiverse and

1270

00:42:46,470 --> 00:42:42,839

then the other one i looked at was

1271

00:42:47,910 --> 00:42:46,480

consciousness uh and quantum physics so

1272

00:42:49,349 --> 00:42:47,920

quantum consciousness and that sort of

1273

00:42:51,910 --> 00:42:49,359

thing and all those

1274

00:42:53,670 --> 00:42:51,920

extreme theories yeah again i just say

1275

00:42:55,190 --> 00:42:53,680

that there are only theories i i don't

1276

00:42:57,430 --> 00:42:55,200

subscribe to them i'm just yeah i just

1277

00:42:59,190 --> 00:42:57,440

put them down then but what i thought

1278

00:43:00,950 --> 00:42:59,200

yeah but they are all the theories that

1279

00:43:03,430 --> 00:43:00,960

are on the table for many people so i

1280

00:43:04,790 --> 00:43:03,440

think that's a good thing and i think um

1281

00:43:06,630 --> 00:43:04,800

one thing obviously it says on the front

1282

00:43:08,069 --> 00:43:06,640

of the book a beginner's journey into

1283

00:43:10,550 --> 00:43:08,079

ufos

1284

00:43:12,309 --> 00:43:10,560

do you feel that this is aimed go on

1285

00:43:14,150 --> 00:43:12,319

sorry can i just clarify that somebody

1286

00:43:17,109 --> 00:43:14,160

pointed out after i published it and

1287

00:43:19,910 --> 00:43:17,119

said oh so is that a beginner's guide to

1288

00:43:22,069 --> 00:43:19,920

uh you or is that anyone that's like no

1289

00:43:24,390 --> 00:43:22,079

that was me so i've written it journeys

1290

00:43:26,150 --> 00:43:24,400

i'm the journey into ufos it's about my

1291

00:43:29,109 --> 00:43:26,160

journey into ufc and i should have been

1292

00:43:30,710 --> 00:43:29,119

a bit more clear with that

1293

00:43:33,349 --> 00:43:30,720

no no i think that's cool that's good to

1294

00:43:34,710 --> 00:43:33,359

clarify but yeah and but now you're

1295

00:43:36,309 --> 00:43:34,720

actually in the process of writing a

1296

00:43:37,190 --> 00:43:36,319

follow-up can you tell us much about

1297

00:43:41,829 --> 00:43:37,200

that

1298

00:43:44,790 --> 00:43:41,839

first book in the series unidentified

1299

00:43:45,750 --> 00:43:44,800

anomalous phenomena um

1300

00:43:47,430 --> 00:43:45,760

the second book is going to be

1301
00:43:49,750 --> 00:43:47,440
unidentified and on this phenomena but

1302
00:43:52,309 --> 00:43:49,760
the title is going to be those who

1303
00:43:54,390 --> 00:43:52,319
change the world

1304
00:43:55,829 --> 00:43:54,400
which refers to uh all the people

1305
00:43:58,309 --> 00:43:55,839
involved over the last four or five

1306
00:43:59,990 --> 00:43:58,319
years who've got got us to this point

1307
00:44:00,950 --> 00:44:00,000
um so you look at intelligence community

1308
00:44:03,589 --> 00:44:00,960
you're looking at congress you're

1309
00:44:06,630 --> 00:44:03,599
looking at senators congressmen

1310
00:44:08,390 --> 00:44:06,640
navy pilots the military um

1311
00:44:10,550 --> 00:44:08,400
journalists media organizations

1312
00:44:12,710 --> 00:44:10,560
everybody researchers activists all the

1313
00:44:13,829 --> 00:44:12,720

people who've got us to this point uh

1314

00:44:17,750 --> 00:44:13,839

it's

1315

00:44:20,470 --> 00:44:17,760

they've done over the last four years

1316

00:44:21,510 --> 00:44:20,480

their contribution um because at the end

1317

00:44:22,950 --> 00:44:21,520

of the day

1318

00:44:24,230 --> 00:44:22,960

when people look back at this part of

1319

00:44:26,950 --> 00:44:24,240

history

1320

00:44:28,950 --> 00:44:26,960

they deserve to know like what harry

1321

00:44:30,230 --> 00:44:28,960

reid done generally i know it will be

1322

00:44:32,230 --> 00:44:30,240

documented but

1323

00:44:34,710 --> 00:44:32,240

what marco rubio has done and said you

1324

00:44:37,030 --> 00:44:34,720

know he was an important part in 201

1325

00:44:38,470 --> 00:44:37,040

2020 marco rubio came out with his

1326

00:44:39,589 --> 00:44:38,480

statements

1327

00:44:42,470 --> 00:44:39,599

um

1328

00:44:45,270 --> 00:44:42,480

he was a big part in 2020 to getting the

1329

00:44:46,870 --> 00:44:45,280

the report up and running sure i mean so

1330

00:44:49,109 --> 00:44:46,880

i just feel it's important to let people

1331

00:44:50,950 --> 00:44:49,119

know like some dogs he he's going to be

1332

00:44:51,670 --> 00:44:50,960

remembered forever because of what he's

1333

00:44:53,589 --> 00:44:51,680

done

1334

00:44:55,510 --> 00:44:53,599

um but then you have people like gary

1335

00:44:57,190 --> 00:44:55,520

nolan who was a big part of it in the

1336

00:44:59,589 --> 00:44:57,200

early years um

1337

00:45:00,710 --> 00:44:59,599

jacksonville people like him i

1338

00:45:02,309 --> 00:45:00,720

take me i just go through all of them

1339

00:45:03,510 --> 00:45:02,319

but you know what i mean it's it's very

1340

00:45:04,790 --> 00:45:03,520

much like

1341

00:45:06,150 --> 00:45:04,800

pointing to those people saying look

1342

00:45:08,150 --> 00:45:06,160

these people have

1343

00:45:09,750 --> 00:45:08,160

been part of it without them well the

1344

00:45:12,710 --> 00:45:09,760

combined effort the united efforts

1345

00:45:13,670 --> 00:45:12,720

behind this european initiative um

1346

00:45:14,870 --> 00:45:13,680

who knows where we would have got

1347

00:45:16,870 --> 00:45:14,880

without them

1348

00:45:18,470 --> 00:45:16,880

yeah that's awesome so when's that like

1349

00:45:20,230 --> 00:45:18,480

you've got like a release or an aim for

1350

00:45:22,950 --> 00:45:20,240

when you want that one out

1351

00:45:24,309 --> 00:45:22,960

uh it's gonna be lit late this year just

1352

00:45:25,670 --> 00:45:24,319

because

1353

00:45:27,589 --> 00:45:25,680

about halfway through but it just takes

1354

00:45:29,589 --> 00:45:27,599

so long references and everything yeah

1355

00:45:34,790 --> 00:45:29,599

and i've got uni

1356

00:45:37,829 --> 00:45:36,950

always happens at the same time and

1357

00:45:39,670 --> 00:45:37,839

yeah

1358

00:45:41,430 --> 00:45:39,680

well listen man thank you so much for

1359

00:45:43,109 --> 00:45:41,440

doing this i really appreciate it's been

1360

00:45:44,630 --> 00:45:43,119

a great conversation

1361

00:45:46,150 --> 00:45:44,640

i'm honored that i'm kind of the first

1362

00:45:49,270 --> 00:45:46,160

person that you've spoken to on one of

1363

00:45:50,790 --> 00:45:49,280

these as well so that means a lot to us

1364

00:45:52,230 --> 00:45:50,800

oh well there you go i get that

1365

00:45:53,510 --> 00:45:52,240

exclusive

1366

00:45:54,950 --> 00:45:53,520

yeah i mean

1367

00:45:57,510 --> 00:45:54,960

i just this isn't

1368

00:45:59,349 --> 00:45:57,520

being honest this isn't my world at all

1369

00:46:00,950 --> 00:45:59,359

and i see the people who you interviewed

1370

00:46:02,790 --> 00:46:00,960

you know i mean you're so professional

1371

00:46:05,270 --> 00:46:02,800

and that's all professionally like

1372

00:46:08,069 --> 00:46:05,280

oh gosh that's not me at all i'm just

1373

00:46:09,430 --> 00:46:08,079

not like that i i'm so much better at

1374

00:46:11,910 --> 00:46:09,440

being behind the scenes and writing

1375

00:46:13,349 --> 00:46:11,920

stuff that that's who i am yeah i mean

1376

00:46:15,430 --> 00:46:13,359

i'm not ruling anything out in the

1377

00:46:17,349 --> 00:46:15,440

future but might be once a year type

1378

00:46:19,750 --> 00:46:17,359

thing is that all right awesome of

1379

00:46:21,349 --> 00:46:19,760

course man absolutely i mean everyone

1380

00:46:23,109 --> 00:46:21,359

plays an important role and you know

1381

00:46:25,430 --> 00:46:23,119

you're all doing all the writing and the

1382

00:46:28,309 --> 00:46:25,440

articles and the activism is

1383

00:46:30,069 --> 00:46:28,319

i couldn't do that so you know i guess

1384

00:46:32,150 --> 00:46:30,079

we all have our little parts somewhere

1385

00:46:34,390 --> 00:46:32,160

and you know along the lines so no

1386

00:46:36,550 --> 00:46:34,400

that's great well listen i'll i won't

1387

00:46:38,470 --> 00:46:36,560

keep you any longer and to everybody

1388

00:46:39,750 --> 00:46:38,480

listening watching i forgot to say at

1389

00:46:42,150 --> 00:46:39,760

the start that

1390

00:46:44,230 --> 00:46:42,160

thank you to everyone on youtube and on

1391

00:46:46,390 --> 00:46:44,240

spotify apple anywhere that you listen

1392

00:46:48,069 --> 00:46:46,400

to the anomalous podcast network thank

1393

00:46:50,309 --> 00:46:48,079

you all so much
