ZETTERSTROM

1
00:01:04,549 --> 00:00:22,290

[Music]

2
00:01:08,149 --> 00:01:06,550

hey everybody how is it going i hope

3
00:01:09,429 --> 00:01:08,159

you're all doing really well happy

4
00:01:10,390 --> 00:01:09,439

saturday

5
00:01:11,990 --> 00:01:10,400

um

6
00:01:14,149 --> 00:01:12,000

i hope you're all doing well i've been

7
00:01:15,749 --> 00:01:14,159

looking forward to this one swoof for a

8
00:01:17,830 --> 00:01:15,759

few weeks now

9
00:01:20,070 --> 00:01:17,840

well bear with me

10
00:01:22,789 --> 00:01:20,080

multiple sounds i'm such an amateur i'm

11
00:01:24,870 --> 00:01:22,799

such an amateur my apologies um

12
00:01:26,550 --> 00:01:24,880

yeah so what i'd like to do before i

13
00:01:28,070 --> 00:01:26,560

introduce our guests is i just want to

14

00:01:29,429 --> 00:01:28,080

take a moment to remember someone in

15

00:01:32,149 --> 00:01:29,439

this community that unfortunately

16

00:01:34,310 --> 00:01:32,159

recently passed ethereal aura was a

17

00:01:37,429 --> 00:01:34,320

friend of this channel but also many

18

00:01:40,310 --> 00:01:37,439

many channels and was just an

19

00:01:43,830 --> 00:01:40,320

exceptional human being so i just wanted

20

00:01:45,990 --> 00:01:43,840

to to mention ethereal aura and

21

00:01:47,109 --> 00:01:46,000

i hope you all keep him in your thoughts

22

00:01:49,030 --> 00:01:47,119

and uh

23

00:01:51,990 --> 00:01:49,040

yeah sad times but

24

00:01:53,990 --> 00:01:52,000

the journey continues um so there we go

25

00:01:56,950 --> 00:01:54,000

um now one thing i also want to

26

00:01:58,630 --> 00:01:56,960

reiterate is that this is not just an

27

00:02:00,709 --> 00:01:58,640

interview this is more of a conversation

28

00:02:03,429 --> 00:02:00,719

between friends we're not here to put

29

00:02:05,270 --> 00:02:03,439

people in the hot seat and try and

30

00:02:08,389 --> 00:02:05,280

draw out as much information as we can

31

00:02:09,669 --> 00:02:08,399

get this is this is not about that um so

32

00:02:11,750 --> 00:02:09,679

you know

33

00:02:13,589 --> 00:02:11,760

just wanted to lay that out there

34

00:02:15,750 --> 00:02:13,599

so let's bring in some guests this first

35

00:02:18,309 --> 00:02:15,760

gentleman is the co-host of that ufo

36

00:02:19,430 --> 00:02:18,319

podcast he's my colleague at uap media

37

00:02:21,910 --> 00:02:19,440

uk

38

00:02:24,309 --> 00:02:21,920

and he is the best travel companion and

39

00:02:26,790 --> 00:02:24,319

housemate that you could ask for uh it

40

00:02:28,150 --> 00:02:26,800

is mr dan zetterstrom

41

00:02:30,470 --> 00:02:28,160

how's it going

42

00:02:33,190 --> 00:02:30,480

well it was a nice introduction and

43

00:02:35,990 --> 00:02:33,200

i just want to reiterate uh the point

44

00:02:37,270 --> 00:02:36,000

you made about ethereal aura um you guys

45

00:02:38,390 --> 00:02:37,280

might have seen us that we were posting

46

00:02:41,030 --> 00:02:38,400

videos and things like that you might

47

00:02:43,190 --> 00:02:41,040

have seen this guy um

48

00:02:45,990 --> 00:02:43,200

this was being carried in the name of

49

00:02:47,990 --> 00:02:46,000

ethereal aura so um

50

00:02:50,070 --> 00:02:48,000

you know he was there with us in spirit

51
00:02:52,150 --> 00:02:50,080
and i think that he thoroughly enjoyed

52
00:02:53,430 --> 00:02:52,160
the journey and and you know we we won't

53
00:02:56,309 --> 00:02:53,440
forget him

54
00:02:58,790 --> 00:02:56,319
absolutely well said um my next guest is

55
00:03:00,949 --> 00:02:58,800
retired u.s navy master at arms his

56
00:03:03,670 --> 00:03:00,959
continuing efforts include projects on

57
00:03:06,949 --> 00:03:03,680
consciousness ancient indigenous culture

58
00:03:09,110 --> 00:03:06,959
and ufo uap destigmatization he is also

59
00:03:11,350 --> 00:03:09,120
the co-founder and strategic consultant

60
00:03:13,110 --> 00:03:11,360
for the think tank skyfort

61
00:03:15,270 --> 00:03:13,120
please welcome

62
00:03:16,710 --> 00:03:15,280
sean cahill sean how are you doing i'm

63
00:03:19,270 --> 00:03:16,720

well vinny how are you good to see you

64

00:03:20,869 --> 00:03:19,280

dan i'm absolutely fantastic thank you

65

00:03:22,229 --> 00:03:20,879

so much for joining me today well us

66

00:03:23,190 --> 00:03:22,239

today

67

00:03:25,509 --> 00:03:23,200

um

68

00:03:27,350 --> 00:03:25,519

our final guest is running slightly late

69

00:03:29,110 --> 00:03:27,360

i believe he's been on another interview

70

00:03:31,750 --> 00:03:29,120

and i completely understand he probably

71

00:03:33,670 --> 00:03:31,760

needs some time to ground himself and

72

00:03:36,390 --> 00:03:33,680

and all that good stuff so we'll just

73

00:03:37,750 --> 00:03:36,400

get the conversation started and i'm

74

00:03:40,309 --> 00:03:37,760

going to start with a little bit of an

75

00:03:41,990 --> 00:03:40,319

elephant in the room which is

76

00:03:43,270 --> 00:03:42,000

i like to normally ease into things but

77

00:03:44,710 --> 00:03:43,280

with everything that's happening around

78

00:03:47,910 --> 00:03:44,720

us in the world right now i thought we'd

79

00:03:49,830 --> 00:03:47,920

just just talk about the ukraine and the

80

00:03:51,830 --> 00:03:49,840

situation i've had a lot of people

81

00:03:53,830 --> 00:03:51,840

asking me questions with regards to does

82

00:03:54,869 --> 00:03:53,840

it relate to disclosure in the uap

83

00:03:56,789 --> 00:03:54,879

subject

84

00:03:58,869 --> 00:03:56,799

so we can tackle it from that angle or

85

00:04:00,550 --> 00:03:58,879

we can just tackle it from the humanity

86

00:04:03,670 --> 00:04:00,560

aspect so either of you gentlemen want

87

00:04:05,350 --> 00:04:03,680

to chime in please be my guest

88

00:04:07,429 --> 00:04:05,360

i wouldn't know where to go to connect

89

00:04:09,990 --> 00:04:07,439

it to the subject of uap

90

00:04:12,630 --> 00:04:10,000

um i wouldn't even even know where to

91

00:04:14,470 --> 00:04:12,640

begin to fictionalize a tale like that

92

00:04:16,949 --> 00:04:14,480

at the moment um

93

00:04:18,229 --> 00:04:16,959

the geopolitical situation is one that

94

00:04:21,110 --> 00:04:18,239

um

95

00:04:23,030 --> 00:04:21,120

you know as any it's multifaceted and

96

00:04:26,830 --> 00:04:23,040

it's it's based upon

97

00:04:29,990 --> 00:04:26,840

specific ideologies or wants or needs

98

00:04:31,990 --> 00:04:30,000

um as a populace i i feel like we're

99

00:04:34,870 --> 00:04:32,000

we're inundated with information but at

100

00:04:37,749 --> 00:04:34,880

the least informed as we've ever been

101

00:04:39,749 --> 00:04:37,759

um so i i feel like i'm at a point now

102

00:04:41,430 --> 00:04:39,759

where i don't i couldn't even say what

103

00:04:43,430 --> 00:04:41,440

the situation is i can say what the

104

00:04:44,469 --> 00:04:43,440

situation a lot of people are telling me

105

00:04:45,430 --> 00:04:44,479

it is

106

00:04:47,670 --> 00:04:45,440

um

107

00:04:49,990 --> 00:04:47,680

but it's it's a it's a different time we

108

00:04:53,030 --> 00:04:50,000

live in now

109

00:04:54,790 --> 00:04:53,040

absolutely dan any thoughts

110

00:04:56,710 --> 00:04:54,800

the there was this interesting moment

111

00:04:58,710 --> 00:04:56,720

when we were in colombia where i

112

00:05:00,230 --> 00:04:58,720

realized that it had been maybe a week

113

00:05:02,310 --> 00:05:00,240

and a half before

114

00:05:03,350 --> 00:05:02,320

and since any of us had actually read

115

00:05:04,070 --> 00:05:03,360

the news

116

00:05:04,950 --> 00:05:04,080

and

117

00:05:06,710 --> 00:05:04,960

the

118

00:05:08,469 --> 00:05:06,720

what happened what's happening with

119

00:05:10,070 --> 00:05:08,479

ukraine and russia was you know

120

00:05:11,749 --> 00:05:10,080

everyone's lips when we first got there

121

00:05:14,150 --> 00:05:11,759

but it kind of fell away

122

00:05:15,909 --> 00:05:14,160

um and we were just left with this human

123

00:05:18,310 --> 00:05:15,919

connection in some

124

00:05:19,430 --> 00:05:18,320

ways across the blitzkel isle as well

125

00:05:21,430 --> 00:05:19,440

you know some of some of the members

126

00:05:23,189 --> 00:05:21,440

with us were totally opposite

127

00:05:25,590 --> 00:05:23,199

ideologically to us

128

00:05:27,110 --> 00:05:25,600

but it's moments like this and kind of

129

00:05:28,550 --> 00:05:27,120

coming back to this world that you

130

00:05:31,189 --> 00:05:28,560

realize that that connection is what

131

00:05:32,390 --> 00:05:31,199

keeps us going and as horrifying as the

132

00:05:34,230 --> 00:05:32,400

news is

133

00:05:35,909 --> 00:05:34,240

you know remember that phrase to look

134

00:05:38,710 --> 00:05:35,919

for the helpers because

135

00:05:40,390 --> 00:05:38,720

i find that so much more powerful than

136

00:05:41,590 --> 00:05:40,400

looking at you know the greed of one

137

00:05:44,230 --> 00:05:41,600

madman

138

00:05:46,230 --> 00:05:44,240

yeah yeah absolutely kind of leads me

139

00:05:47,430 --> 00:05:46,240

into my next sort of i was gonna say

140

00:05:49,110 --> 00:05:47,440

question but it's not really it's a

141

00:05:50,790 --> 00:05:49,120

talking point and that's what does it

142

00:05:52,230 --> 00:05:50,800

mean to be human

143

00:05:54,390 --> 00:05:52,240

you know with everything that's going on

144

00:05:58,790 --> 00:05:54,400

and how does that put us in a place with

145

00:06:03,749 --> 00:06:00,870

i think that is that's a very easy one

146

00:06:06,070 --> 00:06:03,759

to draw a metaphor to because

147

00:06:08,790 --> 00:06:06,080

we're looking at a perfect examples of

148

00:06:11,430 --> 00:06:08,800

human failure all around us right now

149

00:06:12,790 --> 00:06:11,440

and a lot of times we focus on those

150

00:06:14,950 --> 00:06:12,800

because they they hurt the most and

151
00:06:17,110 --> 00:06:14,960
they're the most polarizing at the same

152
00:06:19,110 --> 00:06:17,120
time there has to be another side of

153
00:06:21,189 --> 00:06:19,120
that coin as dan said there have to be

154
00:06:23,510 --> 00:06:21,199
the helpers and and the people who are

155
00:06:26,230 --> 00:06:23,520
who are approaching this differently

156
00:06:27,749 --> 00:06:26,240
and i think that um

157
00:06:30,230 --> 00:06:27,759
as we said as i said earlier it's a

158
00:06:32,150 --> 00:06:30,240
modern world but that given that we have

159
00:06:34,710 --> 00:06:32,160
more people now who understand words

160
00:06:35,990 --> 00:06:34,720
like mindfulness or self-awareness

161
00:06:38,390 --> 00:06:36,000
um

162
00:06:40,309 --> 00:06:38,400
and and just or grace

163
00:06:42,469 --> 00:06:40,319

as as it pertains to the way we should

164

00:06:43,830 --> 00:06:42,479

treat each other and it would seem to me

165

00:06:46,469 --> 00:06:43,840

that at this point in our history we

166

00:06:48,230 --> 00:06:46,479

should be able to fix these problems

167

00:06:50,309 --> 00:06:48,240

especially in a situation like this

168

00:06:53,270 --> 00:06:50,319

where there was not an initial act of

169

00:06:55,430 --> 00:06:53,280

aggression on the local forces

170

00:06:56,629 --> 00:06:55,440

in any way shape or form that what we're

171

00:06:59,270 --> 00:06:56,639

looking at is

172

00:07:01,749 --> 00:06:59,280

saber-rattling strategic nonsense and

173

00:07:03,830 --> 00:07:01,759

that's ultimately going to to end lives

174

00:07:06,150 --> 00:07:03,840

and destroy property

175

00:07:08,469 --> 00:07:06,160

there should be a way around that now we

176

00:07:11,029 --> 00:07:08,479

should be better than that and

177

00:07:14,070 --> 00:07:11,039

i think more of us should should stomp

178

00:07:16,150 --> 00:07:14,080

our foot and yell at the bad man less

179

00:07:19,510 --> 00:07:16,160

and say why is it that we can't reach

180

00:07:22,230 --> 00:07:19,520

the bad man and bad people of the world

181

00:07:23,270 --> 00:07:22,240

and and ask them to compromise because

182

00:07:25,830 --> 00:07:23,280

they're

183

00:07:28,070 --> 00:07:25,840

there certainly is enough to go around

184

00:07:30,710 --> 00:07:28,080

i you know if if we treated it

185

00:07:32,870 --> 00:07:30,720

differently and and i'm not

186

00:07:34,469 --> 00:07:32,880

leaning towards one political ideology

187

00:07:36,390 --> 00:07:34,479

or another i think they're all crap

188

00:07:39,270 --> 00:07:36,400

frankly because they all draw fences

189

00:07:40,870 --> 00:07:39,280

around smaller and smaller groups and we

190

00:07:42,710 --> 00:07:40,880

should be trying to break those fences

191

00:07:45,110 --> 00:07:42,720

down increase our circles increase the

192

00:07:46,869 --> 00:07:45,120

circle of humanity and and

193

00:07:48,950 --> 00:07:46,879

strangely enough at this modern point in

194

00:07:50,790 --> 00:07:48,960

our era we're tribalizing further we're

195

00:07:52,950 --> 00:07:50,800

polarizing further

196

00:07:55,189 --> 00:07:52,960

and we're picking smaller and smaller

197

00:07:56,830 --> 00:07:55,199

sides and then hiding from the rest of

198

00:08:01,510 --> 00:07:56,840

us

199

00:08:03,749 --> 00:08:01,520

people would say that that's a that's

200

00:08:05,270 --> 00:08:03,759

wishy-washy nonsense well

201
00:08:07,670 --> 00:08:05,280
sooner or later you have to turn the

202
00:08:08,950 --> 00:08:07,680
other cheek or you're just fighting

203
00:08:11,589 --> 00:08:08,960
constantly

204
00:08:13,430 --> 00:08:11,599
someone has to at some point now whether

205
00:08:15,749 --> 00:08:13,440
and unfortunately most of us don't want

206
00:08:17,510 --> 00:08:15,759
to be the person that does that

207
00:08:19,589 --> 00:08:17,520
we want the other person to and i think

208
00:08:21,909 --> 00:08:19,599
that ultimately

209
00:08:24,790 --> 00:08:21,919
it probably speaks to where we are with

210
00:08:25,990 --> 00:08:24,800
whatever the phenomenon is as a whole

211
00:08:27,670 --> 00:08:26,000
because it certainly speaks to our

212
00:08:29,189 --> 00:08:27,680
humanity

213
00:08:32,180 --> 00:08:29,199

yeah

214

00:08:33,670 --> 00:08:32,190

dan any thoughts

215

00:08:35,909 --> 00:08:33,680

[Music]

216

00:08:37,589 --> 00:08:35,919

i mean i this was one of the questions i

217

00:08:38,949 --> 00:08:37,599

had written down that i was really

218

00:08:40,790 --> 00:08:38,959

curious

219

00:08:42,949 --> 00:08:40,800

sean appeared for a little context with

220

00:08:45,509 --> 00:08:42,959

people sean appeared on the that ufo

221

00:08:47,190 --> 00:08:45,519

podcast discord yesterday and he was

222

00:08:49,670 --> 00:08:47,200

asked uh

223

00:08:51,990 --> 00:08:49,680

what question you know we we should ask

224

00:08:54,070 --> 00:08:52,000

lou to to elicit a very interesting

225

00:08:55,350 --> 00:08:54,080

response and

226

00:08:58,310 --> 00:08:55,360

the question of what it means to be

227

00:09:01,910 --> 00:08:58,320

human came up um so this is definitely

228

00:09:03,990 --> 00:09:01,920

one where i'd rather listen than ask um

229

00:09:06,710 --> 00:09:04,000

and so i'm gonna i'm gonna politically

230

00:09:08,790 --> 00:09:06,720

sidestep i guess

231

00:09:10,310 --> 00:09:08,800

not a problem at all well since we're

232

00:09:12,470 --> 00:09:10,320

friends i'm going to give dan hell over

233

00:09:14,310 --> 00:09:12,480

that because

234

00:09:17,910 --> 00:09:14,320

we spend a lot of our personal time

235

00:09:19,990 --> 00:09:17,920

talking about just that subject and um

236

00:09:23,269 --> 00:09:20,000

dan's somebody that i rely on for his

237

00:09:25,910 --> 00:09:23,279

insight he's uh dan's a beautiful soul

238

00:09:27,590 --> 00:09:25,920

if you know him you know that's true and

239

00:09:29,350 --> 00:09:27,600

you also know that there's there's a

240

00:09:30,790 --> 00:09:29,360

hell of an intellect and a heart behind

241

00:09:32,790 --> 00:09:30,800

that soul too

242

00:09:34,230 --> 00:09:32,800

and um

243

00:09:37,590 --> 00:09:34,240

yeah i'm not gonna make it that easy for

244

00:09:41,350 --> 00:09:39,509

i've got to watch you

245

00:09:42,870 --> 00:09:41,360

as a human you've got to watch me as a

246

00:09:44,870 --> 00:09:42,880

human we've talked about that kind of

247

00:09:46,470 --> 00:09:44,880

thing since you know since we met each

248

00:09:47,600 --> 00:09:46,480

other yeah

249

00:09:49,110 --> 00:09:47,610

and we've shared some

250

00:09:51,269 --> 00:09:49,120

[Music]

251

00:09:53,829 --> 00:09:51,279

we both shared some

252

00:09:55,750 --> 00:09:53,839

you know personal mistakes or or or

253

00:09:57,509 --> 00:09:55,760

journeys that we've been through

254

00:09:58,630 --> 00:09:57,519

i mean i've i've at least learned that

255

00:09:59,990 --> 00:09:58,640

you you

256

00:10:01,509 --> 00:10:00,000

you're one of those people that when i

257

00:10:04,069 --> 00:10:01,519

want to know what it is to be a human i

258

00:10:06,069 --> 00:10:04,079

turn to you so i'm sorry bro

259

00:10:10,710 --> 00:10:06,079

i want to hear what you have to say

260

00:10:14,310 --> 00:10:12,949

i can i can kind of i'm backing shawn on

261

00:10:16,150 --> 00:10:14,320

this one down because i was lucky enough

262

00:10:18,949 --> 00:10:16,160

to spend a lot of time with you recently

263

00:10:21,110 --> 00:10:18,959

and it it shines out of you man you know

264

00:10:21,990 --> 00:10:21,120

there's no way around it

265

00:10:24,069 --> 00:10:22,000

okay

266

00:10:28,470 --> 00:10:24,079

so what does it mean to be human for me

267

00:10:32,310 --> 00:10:30,150

the the notion of free wealth could come

268

00:10:34,389 --> 00:10:32,320

up but not in the sense that we get to

269

00:10:36,470 --> 00:10:34,399

make our own choices because very rarely

270

00:10:38,550 --> 00:10:36,480

do we we're often kind of just a product

271

00:10:41,269 --> 00:10:38,560

of our environment whether it's through

272

00:10:42,870 --> 00:10:41,279

you know gene memory or the society we

273

00:10:44,470 --> 00:10:42,880

were born into

274

00:10:47,509 --> 00:10:44,480

but

275

00:10:50,069 --> 00:10:47,519

in the sense that we

276

00:10:52,790 --> 00:10:50,079

we get to choose on mass

277

00:10:54,230 --> 00:10:52,800

the way the energy we spend goes whether

278

00:10:55,190 --> 00:10:54,240

that's into

279

00:10:57,509 --> 00:10:55,200

kind of

280

00:10:59,509 --> 00:10:57,519

better in ourselves or better in society

281

00:11:01,030 --> 00:10:59,519

or building a bigger bank account or

282

00:11:02,949 --> 00:11:01,040

something like that

283

00:11:05,110 --> 00:11:02,959

and i i think

284

00:11:07,190 --> 00:11:05,120

to be human is to

285

00:11:08,870 --> 00:11:07,200

be given the opportunity

286

00:11:10,550 --> 00:11:08,880

to make those better choices and to

287

00:11:12,310 --> 00:11:10,560

choose compassion to choose empathy

288

00:11:13,990 --> 00:11:12,320

every single time

289

00:11:16,389 --> 00:11:14,000

because if if you're doing something and

290

00:11:17,990 --> 00:11:16,399

it feels hard you're usually making the

291

00:11:20,389 --> 00:11:18,000

right choice i would say especially when

292

00:11:22,389 --> 00:11:20,399

it comes to compassion

293

00:11:25,190 --> 00:11:22,399

and you you kind of have to bury your

294

00:11:26,630 --> 00:11:25,200

your lesser instincts deep down and i i

295

00:11:28,790 --> 00:11:26,640

think just

296

00:11:30,710 --> 00:11:28,800

that moment of choice

297

00:11:32,550 --> 00:11:30,720

there is what it means to be human there

298

00:11:33,350 --> 00:11:32,560

aren't many other things to get to have

299

00:11:36,470 --> 00:11:33,360

that

300

00:11:39,269 --> 00:11:36,480

instant reflection i guess

301

00:11:41,590 --> 00:11:39,279

yeah well man how's that um

302

00:11:43,430 --> 00:11:41,600

that's amazing i'm sorry to kind of cut

303

00:11:45,430 --> 00:11:43,440

that chat i've just noticed we've got a

304

00:11:47,829 --> 00:11:45,440

five dollar super chat from thomas thank

305

00:11:49,350 --> 00:11:47,839

you so much thomas up says

306

00:11:51,030 --> 00:11:49,360

help sport vinnie and his service to

307

00:11:53,430 --> 00:11:51,040

disclosure thanks for bringing on lou

308

00:11:54,870 --> 00:11:53,440

sean with you and dan well as you can

309

00:11:55,750 --> 00:11:54,880

see across the bottom of the screen guys

310

00:11:57,509 --> 00:11:55,760

and i probably should have mentioned

311

00:11:59,590 --> 00:11:57,519

this at the start any superchats today

312

00:12:02,150 --> 00:11:59,600

will be donated to cair's ukraine crisis

313

00:12:03,590 --> 00:12:02,160

fund um i battled in my brain today

314

00:12:05,509 --> 00:12:03,600

about whether to do that or not because

315

00:12:06,710 --> 00:12:05,519

normally i turn super chats off for

316

00:12:08,710 --> 00:12:06,720

interviews with lou and i know it's

317

00:12:10,389 --> 00:12:08,720

gonna get or can potentially get

318

00:12:11,910 --> 00:12:10,399

bombarded with questions and things like

319

00:12:13,910 --> 00:12:11,920

that but

320

00:12:16,870 --> 00:12:13,920

i just thought you know what

321

00:12:18,069 --> 00:12:16,880

i can't feel bad for wanting to help um

322

00:12:19,750 --> 00:12:18,079

you know

323

00:12:21,670 --> 00:12:19,760

we've got a big ukrainian community here

324

00:12:23,350 --> 00:12:21,680

in sheffield in the north of england and

325

00:12:25,350 --> 00:12:23,360

i've seen things all over facebook today

326

00:12:27,030 --> 00:12:25,360

about people needing donations and

327

00:12:28,310 --> 00:12:27,040

things to help families and stuff so i

328

00:12:29,670 --> 00:12:28,320

thought

329

00:12:30,790 --> 00:12:29,680

i don't want to be made to feel bad for

330

00:12:32,550 --> 00:12:30,800

doing that so i'm just going to put it

331

00:12:34,629 --> 00:12:32,560

out there so sorry to kind of cut the

332

00:12:36,949 --> 00:12:34,639

conversation off down that was a great

333

00:12:39,670 --> 00:12:36,959

point and thank you thomas

334

00:12:41,110 --> 00:12:39,680

um let's move on um and sean i think

335

00:12:42,629 --> 00:12:41,120

this is probably more aimed at you and

336

00:12:45,190 --> 00:12:42,639

i'd like to talk about

337

00:12:47,590 --> 00:12:45,200

the the five pillars of uap engagement

338

00:12:49,030 --> 00:12:47,600

which i know um i'm sure you've had a

339

00:12:50,550 --> 00:12:49,040

massive role in

340

00:12:51,990 --> 00:12:50,560

that was something that i first spoke

341

00:12:54,790 --> 00:12:52,000

with lou about last year and i'm

342

00:12:56,310 --> 00:12:54,800

wondering has that been going as planned

343

00:12:59,269 --> 00:12:56,320

or have you had to kind of make

344

00:13:01,590 --> 00:12:59,279

alterations to to fit the way the

345

00:13:03,670 --> 00:13:01,600

the subject has been moving through the

346

00:13:06,069 --> 00:13:03,680

political realms and the social realms i

347

00:13:07,350 --> 00:13:06,079

suppose

348

00:13:08,230 --> 00:13:07,360

i believe that

349

00:13:10,069 --> 00:13:08,240

was it

350

00:13:13,910 --> 00:13:10,079

george patton i'm not sure that said

351
00:13:15,590 --> 00:13:13,920
that uh that plans are uh i'm gonna mess

352
00:13:17,030 --> 00:13:15,600
this quote up see i went to i went too

353
00:13:19,509 --> 00:13:17,040
hard i should have just said something

354
00:13:21,590 --> 00:13:19,519
vague um

355
00:13:22,790 --> 00:13:21,600
plant plans are

356
00:13:25,110 --> 00:13:22,800
are

357
00:13:26,949 --> 00:13:25,120
planning is essential

358
00:13:27,910 --> 00:13:26,959
plans are useless

359
00:13:30,150 --> 00:13:27,920
um

360
00:13:31,269 --> 00:13:30,160
and so having something like the five

361
00:13:33,430 --> 00:13:31,279
pillars

362
00:13:35,190 --> 00:13:33,440
it holds up ideals it gives you a

363
00:13:37,990 --> 00:13:35,200

baseline for how to operate and so

364

00:13:40,310 --> 00:13:38,000

certainly it has not gone

365

00:13:42,949 --> 00:13:40,320

in a linear um

366

00:13:44,470 --> 00:13:42,959

syllabus kind of way uh because as as

367

00:13:46,389 --> 00:13:44,480

our earlier discussion we're dealing

368

00:13:48,069 --> 00:13:46,399

with human beings we're not

369

00:13:50,069 --> 00:13:48,079

there's there's no aliens hiding that i

370

00:13:51,750 --> 00:13:50,079

know of that i can point to that we're

371

00:13:54,150 --> 00:13:51,760

dealing with so it's just human beings

372

00:13:57,110 --> 00:13:54,160

and so it's all of those same

373

00:13:59,350 --> 00:13:57,120

failings successes triumphs and

374

00:14:00,870 --> 00:13:59,360

um cognitive biases and personal

375

00:14:04,230 --> 00:14:00,880

relationships and all those other things

376

00:14:07,269 --> 00:14:04,240

so and and beyond that there is a we

377

00:14:09,350 --> 00:14:07,279

live in a world that our geopolitical

378

00:14:10,870 --> 00:14:09,360

landscape that most of us are

379

00:14:12,470 --> 00:14:10,880

either willingly or unwillingly

380

00:14:14,069 --> 00:14:12,480

participating in

381

00:14:17,269 --> 00:14:14,079

um doesn't

382

00:14:19,350 --> 00:14:17,279

recognize phenomena as an as a real

383

00:14:20,870 --> 00:14:19,360

thing an influence as part of the world

384

00:14:22,150 --> 00:14:20,880

we live in as part of the larger

385

00:14:23,670 --> 00:14:22,160

structure

386

00:14:26,310 --> 00:14:23,680

and

387

00:14:29,030 --> 00:14:26,320

so that means that that that what we

388

00:14:30,710 --> 00:14:29,040

call everyday life for real life

389

00:14:31,670 --> 00:14:30,720

which is a ridiculous phrase frankly

390

00:14:33,110 --> 00:14:31,680

because it's probably the most

391

00:14:35,350 --> 00:14:33,120

artificial thing that we're doing is

392

00:14:37,509 --> 00:14:35,360

what we call real life

393

00:14:39,750 --> 00:14:37,519

but that that artificial cultural

394

00:14:43,350 --> 00:14:39,760

construct that we all live in yanks

395

00:14:46,230 --> 00:14:43,360

every one of us back into into reality

396

00:14:48,310 --> 00:14:46,240

and changes the flow of information and

397

00:14:49,910 --> 00:14:48,320

and things like that and

398

00:14:51,189 --> 00:14:49,920

um

399

00:14:54,470 --> 00:14:51,199

i would say that that they're a

400

00:14:56,389 --> 00:14:54,480

masterful foundation but it has required

401
00:15:00,470 --> 00:14:56,399
lots of

402
00:15:02,790 --> 00:15:00,480
new lines to be run and things like that

403
00:15:05,189 --> 00:15:02,800
if i can stretch the metaphor

404
00:15:06,790 --> 00:15:05,199
excellent excellent and you feel like

405
00:15:09,430 --> 00:15:06,800
do you feel the media has been doing its

406
00:15:15,030 --> 00:15:09,440
job well enough with regards to to that

407
00:15:19,990 --> 00:15:16,870
my what my short welsh friend just

408
00:15:20,790 --> 00:15:20,000
realized that her mom got home

409
00:15:22,150 --> 00:15:20,800
yeah

410
00:15:23,430 --> 00:15:22,160
sorry

411
00:15:25,590 --> 00:15:23,440
yeah it's just the media do you think

412
00:15:28,150 --> 00:15:25,600
the media have been keeping up with i

413
00:15:29,509 --> 00:15:28,160

mean because i know they've been engaged

414

00:15:31,189 --> 00:15:29,519

and we've seen some good stuff but we've

415

00:15:32,790 --> 00:15:31,199

also seen

416

00:15:33,749 --> 00:15:32,800

some not so good stuff i'll put it like

417

00:15:36,230 --> 00:15:33,759

that

418

00:15:38,870 --> 00:15:36,240

well i think we have you know we we tend

419

00:15:40,470 --> 00:15:38,880

to lump people into categories and

420

00:15:42,310 --> 00:15:40,480

titles and things like that so you have

421

00:15:44,550 --> 00:15:42,320

the title of journalist

422

00:15:46,310 --> 00:15:44,560

and to us journalists should

423

00:15:49,030 --> 00:15:46,320

each of us have our own ideal as to what

424

00:15:51,350 --> 00:15:49,040

journalistic integrity means and

425

00:15:53,269 --> 00:15:51,360

but then within that pool of people who

426
00:15:56,150 --> 00:15:53,279
call themselves journalists or bloggers

427
00:15:57,829 --> 00:15:56,160
or or just writers in general we have a

428
00:15:59,269 --> 00:15:57,839
lot of different

429
00:16:01,430 --> 00:15:59,279
um

430
00:16:03,269 --> 00:16:01,440
wants expectations and needs by the

431
00:16:05,749 --> 00:16:03,279
people that are creating content or

432
00:16:06,629 --> 00:16:05,759
seeking out content to report

433
00:16:09,110 --> 00:16:06,639
so

434
00:16:11,350 --> 00:16:09,120
when we say is the media doing their job

435
00:16:13,829 --> 00:16:11,360
on the one hand yes they're certainly

436
00:16:15,990 --> 00:16:13,839
representing their advertisers

437
00:16:18,150 --> 00:16:16,000
but on the other hand

438
00:16:20,829 --> 00:16:18,160

what does our media investigate and what

439

00:16:23,030 --> 00:16:20,839

does our media report back to the

440

00:16:24,790 --> 00:16:23,040

populace and

441

00:16:26,550 --> 00:16:24,800

some people would say that i might be a

442

00:16:28,710 --> 00:16:26,560

hippie for saying it i don't think so i

443

00:16:30,389 --> 00:16:28,720

think it's a modern era to say that our

444

00:16:31,990 --> 00:16:30,399

our media and our social media

445

00:16:34,230 --> 00:16:32,000

manipulates us

446

00:16:37,269 --> 00:16:34,240

um that the algorithm looks for what

447

00:16:39,509 --> 00:16:37,279

gives us the quickest dopamine fix or or

448

00:16:41,910 --> 00:16:39,519

gets the most ad revenue

449

00:16:44,020 --> 00:16:41,920

um out of that content because that's

450

00:16:45,269 --> 00:16:44,030

who's paying for that content

451

00:16:47,670 --> 00:16:45,279

[Music]

452

00:16:49,189 --> 00:16:47,680

as much as i love the marvel movies and

453

00:16:51,269 --> 00:16:49,199

i love the cast and think they did a

454

00:16:53,189 --> 00:16:51,279

great job i have

455

00:16:55,590 --> 00:16:53,199

i'm not under any illusion that someone

456

00:16:57,910 --> 00:16:55,600

didn't do that for money

457

00:17:00,389 --> 00:16:57,920

and for personal gain and great created

458

00:17:02,710 --> 00:17:00,399

a great deal of power and influence

459

00:17:04,549 --> 00:17:02,720

that i don't i believe it's put right

460

00:17:06,710 --> 00:17:04,559

back into that same system i don't see

461

00:17:08,789 --> 00:17:06,720

it being shunted off into areas that

462

00:17:11,750 --> 00:17:08,799

would improve humanity

463

00:17:13,590 --> 00:17:11,760

so are they doing their job yeah i just

464

00:17:14,870 --> 00:17:13,600

i just think that their job

465

00:17:16,949 --> 00:17:14,880

at the end of the day doesn't

466

00:17:19,350 --> 00:17:16,959

necessarily benefit all of us and i i

467

00:17:21,270 --> 00:17:19,360

think i'm sure a lot of journalists

468

00:17:22,549 --> 00:17:21,280

would take that personally

469

00:17:25,029 --> 00:17:22,559

um

470

00:17:27,189 --> 00:17:25,039

but i think that if if we ask people to

471

00:17:29,190 --> 00:17:27,199

be more additive

472

00:17:31,029 --> 00:17:29,200

to the conversation they're having

473

00:17:33,270 --> 00:17:31,039

rather than polarizing rather than

474

00:17:35,190 --> 00:17:33,280

shocking um

475

00:17:37,430 --> 00:17:35,200

i i feel like we've we've kind of lost

476

00:17:39,830 --> 00:17:37,440

our way in in the fact that so many of

477

00:17:41,350 --> 00:17:39,840

us are willing to find an excuse to say

478

00:17:43,590 --> 00:17:41,360

it's not my fault

479

00:17:45,830 --> 00:17:43,600

i'm just reporting it or i'm just asking

480

00:17:48,789 --> 00:17:45,840

questions or i'm just playing devil's

481

00:17:49,830 --> 00:17:48,799

advocate or i'm just being contrary

482

00:17:50,630 --> 00:17:49,840

and

483

00:17:56,150 --> 00:17:50,640

at

484

00:17:57,830 --> 00:17:56,160

the media is not

485

00:18:00,150 --> 00:17:57,840

finding this

486

00:18:01,990 --> 00:18:00,160

as the important subject that it is

487

00:18:03,990 --> 00:18:02,000

they're not finding it as the world

488

00:18:05,190 --> 00:18:04,000

changing and world affecting subject

489

00:18:06,310 --> 00:18:05,200

that it is

490

00:18:08,789 --> 00:18:06,320

um

491

00:18:09,909 --> 00:18:08,799

it may be because it's too heavy

492

00:18:12,230 --> 00:18:09,919

but

493

00:18:14,470 --> 00:18:12,240

i do have we do have to ask the question

494

00:18:16,310 --> 00:18:14,480

is what are the what are the uh

495

00:18:18,230 --> 00:18:16,320

the people what are the advertisers

496

00:18:20,390 --> 00:18:18,240

interested in and how do we get around

497

00:18:21,610 --> 00:18:20,400

that being the control structure of our

498

00:18:23,430 --> 00:18:21,620

information system

499

00:18:25,430 --> 00:18:23,440

[Music]

500

00:18:27,350 --> 00:18:25,440

dan what do you think about the media i

501
00:18:29,750 --> 00:18:27,360
mean you can answer this from the uk

502
00:18:32,310 --> 00:18:29,760
perspective because of the way that

503
00:18:35,270 --> 00:18:32,320
unfortunately some of our tabloids are

504
00:18:38,710 --> 00:18:35,280
going at the moment what do you think

505
00:18:41,430 --> 00:18:38,720
sean is right it's almost like we have

506
00:18:43,029 --> 00:18:41,440
the wrong incentive to have conducive

507
00:18:45,270 --> 00:18:43,039
conversations to things that actually

508
00:18:47,430 --> 00:18:45,280
develop you know if the stock market

509
00:18:49,029 --> 00:18:47,440
tracked human happiness i'm sure we'd be

510
00:18:51,270 --> 00:18:49,039
discussing different things and how they

511
00:18:53,029 --> 00:18:51,280
affect the world right but instead we we

512
00:18:54,710 --> 00:18:53,039
all for some reason agreed that money

513
00:18:57,590 --> 00:18:54,720

was the way and tracking goods was the

514

00:18:59,029 --> 00:18:57,600

way and and now we're kind of in a

515

00:19:01,510 --> 00:18:59,039

position where

516

00:19:03,270 --> 00:19:01,520

you know the very the very mechanism

517

00:19:05,990 --> 00:19:03,280

that the western world functions by is

518

00:19:09,029 --> 00:19:06,000

being taken advantage of so we're not

519

00:19:09,039 --> 00:19:11,990

it's a very

520

00:19:15,909 --> 00:19:13,669

i kind of have to touch on ukraine a

521

00:19:17,430 --> 00:19:15,919

little bit because seeing how it's being

522

00:19:18,630 --> 00:19:17,440

portrayed in the media from different

523

00:19:21,350 --> 00:19:18,640

points of view all over the world

524

00:19:23,909 --> 00:19:21,360

simultaneously is really informing how i

525

00:19:25,669 --> 00:19:23,919

see the conflict you know we we read

526

00:19:27,909 --> 00:19:25,679

about world war one and world war ii and

527

00:19:30,070 --> 00:19:27,919

and the cuban missile crisis and all of

528

00:19:31,430 --> 00:19:30,080

these things and we have very unique

529

00:19:33,510 --> 00:19:31,440

perspectives on them because we're

530

00:19:35,590 --> 00:19:33,520

reading after the fact but actually

531

00:19:37,510 --> 00:19:35,600

living through one and one that we can

532

00:19:39,190 --> 00:19:37,520

see from multiple angles at the same

533

00:19:41,510 --> 00:19:39,200

time is

534

00:19:43,590 --> 00:19:41,520

i mean it's horrifying and

535

00:19:45,750 --> 00:19:43,600

it's as horrifying as it is interesting

536

00:19:47,990 --> 00:19:45,760

in some ways because you're seeing how

537

00:19:49,590 --> 00:19:48,000

that messages messages manipulated

538

00:19:51,350 --> 00:19:49,600

depending on

539

00:19:52,710 --> 00:19:51,360

what the incentive is for the person

540

00:19:53,669 --> 00:19:52,720

writing it

541

00:19:55,990 --> 00:19:53,679

so

542

00:19:57,270 --> 00:19:56,000

i i basically back what shawn said that

543

00:19:58,950 --> 00:19:57,280

we we should

544

00:20:01,669 --> 00:19:58,960

we essentially need some kind of

545

00:20:04,070 --> 00:20:01,679

institutional change that that shifts

546

00:20:05,990 --> 00:20:04,080

what we're actually after as a species

547

00:20:08,070 --> 00:20:06,000

and looking to the helpers as i said

548

00:20:09,990 --> 00:20:08,080

earlier it kind of shows the

549

00:20:12,070 --> 00:20:10,000

the winds of change coming through you

550

00:20:13,590 --> 00:20:12,080

know what was that quote that the the

551
00:20:15,590 --> 00:20:13,600
moral arc of the universe always bends

552
00:20:17,029 --> 00:20:15,600
towards justice and and i think you can

553
00:20:19,669 --> 00:20:17,039
see that in a lot of ways in the world

554
00:20:21,750 --> 00:20:19,679
right now especially through the media

555
00:20:23,909 --> 00:20:21,760
yeah i think we could segue right into

556
00:20:24,710 --> 00:20:23,919
politics on that because i mean

557
00:20:26,789 --> 00:20:24,720
again

558
00:20:29,110 --> 00:20:26,799
individuals make up groups

559
00:20:31,110 --> 00:20:29,120
groups present edifices

560
00:20:33,190 --> 00:20:31,120
and those groups are almost always made

561
00:20:34,630 --> 00:20:33,200
out of well-intentioned individuals

562
00:20:36,070 --> 00:20:34,640
you know most of any of us who've known

563
00:20:38,470 --> 00:20:36,080

a politician who's beginning their

564

00:20:40,549 --> 00:20:38,480

career they're the most invigorating

565

00:20:41,669 --> 00:20:40,559

believable authentic people that you can

566

00:20:43,750 --> 00:20:41,679

meet

567

00:20:45,510 --> 00:20:43,760

but 20 years later if they're still

568

00:20:47,190 --> 00:20:45,520

pacing the same halls they're not the

569

00:20:48,630 --> 00:20:47,200

same person that began that journey and

570

00:20:50,390 --> 00:20:48,640

they don't have this they seem to have

571

00:20:52,230 --> 00:20:50,400

the same vigor or care

572

00:20:53,990 --> 00:20:52,240

so i i don't want to you know i don't

573

00:20:55,590 --> 00:20:54,000

want to call out journalism

574

00:20:57,750 --> 00:20:55,600

as i want to say that we're talking

575

00:20:59,110 --> 00:20:57,760

about the media and i think the media is

576
00:21:00,870 --> 00:20:59,120
an edifice

577
00:21:02,549 --> 00:21:00,880
it has transcended that that

578
00:21:04,710 --> 00:21:02,559
individuality and it's become something

579
00:21:05,510 --> 00:21:04,720
that's almost self-sustaining

580
00:21:09,430 --> 00:21:05,520
and

581
00:21:10,870 --> 00:21:09,440
systems like that how do you how do you

582
00:21:12,950 --> 00:21:10,880
slow the wheel down enough without

583
00:21:14,830 --> 00:21:12,960
breaking it to make some changes

584
00:21:16,870 --> 00:21:14,840
you know

585
00:21:18,789 --> 00:21:16,880
absolutely i'm just looking at the time

586
00:21:20,710 --> 00:21:18,799
i noticed lou's not here i have sent him

587
00:21:23,350 --> 00:21:20,720
a private message and he's not responded

588
00:21:24,549 --> 00:21:23,360

so apologies to everyone watching i'm

589

00:21:26,630 --> 00:21:24,559

sure it's not

590

00:21:27,669 --> 00:21:26,640

purposefully um

591

00:21:29,270 --> 00:21:27,679

we'll just

592

00:21:30,950 --> 00:21:29,280

have to wait and see we'll give him a

593

00:21:34,870 --> 00:21:30,960

break it's all good

594

00:21:37,990 --> 00:21:36,630

i'm just sorry i keep looking off to the

595

00:21:40,390 --> 00:21:38,000

side because i've got notes and

596

00:21:43,590 --> 00:21:40,400

questions and and i'm gonna jump between

597

00:21:46,230 --> 00:21:43,600

a few sean if you don't mind because

598

00:21:48,470 --> 00:21:46,240

you mentioned something on um last night

599

00:21:49,750 --> 00:21:48,480

with that ufo podcast on the discord

600

00:21:51,430 --> 00:21:49,760

about sighting that you had of a

601
00:21:52,789 --> 00:21:51,440
triangle now that's something i'd never

602
00:21:54,549 --> 00:21:52,799
heard of before and i just wondered if

603
00:21:56,710 --> 00:21:54,559
you'd dream

604
00:21:58,470 --> 00:21:56,720
sure if you'd be okay just to tell us

605
00:21:59,830 --> 00:21:58,480
about it again

606
00:22:03,350 --> 00:21:59,840
um

607
00:22:04,710 --> 00:22:03,360
i i purposely up and up until recently

608
00:22:07,190 --> 00:22:04,720
haven't talked too much about any

609
00:22:08,950 --> 00:22:07,200
sightings that i've had um i don't feel

610
00:22:10,470 --> 00:22:08,960
that as an individual my sightings are

611
00:22:12,470 --> 00:22:10,480
compelling enough that they provide

612
00:22:14,310 --> 00:22:12,480
evidence they're just anecdotal

613
00:22:16,230 --> 00:22:14,320

so it's something that i add to the to

614

00:22:18,710 --> 00:22:16,240

the pile of other other people's stories

615

00:22:20,870 --> 00:22:18,720

and look for for connections

616

00:22:22,630 --> 00:22:20,880

but um i'll give you a more detailed

617

00:22:24,470 --> 00:22:22,640

explanation um

618

00:22:26,710 --> 00:22:24,480

it was probably around

619

00:22:29,029 --> 00:22:26,720

11 30 it was near midnight i think

620

00:22:31,669 --> 00:22:29,039

between the hours of 11 and midnight my

621

00:22:33,590 --> 00:22:31,679

family was asleep um it had been a long

622

00:22:35,830 --> 00:22:33,600

day i was for some reason i was still in

623

00:22:37,909 --> 00:22:35,840

my uniform i was still in khakis

624

00:22:39,590 --> 00:22:37,919

and um i was sitting outside chain

625

00:22:40,950 --> 00:22:39,600

smoking and playing a video game called

626
00:22:41,909 --> 00:22:40,960
e-republic

627
00:22:43,830 --> 00:22:41,919
um

628
00:22:46,549 --> 00:22:43,840
and i've been hyper-focused you know

629
00:22:47,909 --> 00:22:46,559
very tunnel visioned um on the screen

630
00:22:49,909 --> 00:22:47,919
you know to the point that i didn't even

631
00:22:51,350 --> 00:22:49,919
see the whole world around me because

632
00:22:52,710 --> 00:22:51,360
you know how it is you can when you're i

633
00:22:54,870 --> 00:22:52,720
was outside in the dark at a little

634
00:22:56,230 --> 00:22:54,880
bistro table in my yard

635
00:22:58,149 --> 00:22:56,240
um

636
00:22:59,830 --> 00:22:58,159
and looking back i wasn't a meditator at

637
00:23:02,789 --> 00:22:59,840
the time but looking back that was that

638
00:23:05,190 --> 00:23:02,799

was flow state i was i was in flow i was

639

00:23:06,789 --> 00:23:05,200

writing and playing the

640

00:23:08,390 --> 00:23:06,799

the game and

641

00:23:10,950 --> 00:23:08,400

very focused

642

00:23:12,630 --> 00:23:10,960

and when i finally decided just to just

643

00:23:13,830 --> 00:23:12,640

to reach up and close the computer

644

00:23:15,909 --> 00:23:13,840

because i knew it was getting too late i

645

00:23:17,909 --> 00:23:15,919

had to be up early and everything else

646

00:23:19,909 --> 00:23:17,919

i closed the computer

647

00:23:22,950 --> 00:23:19,919

and i stood up and i was standing just

648

00:23:24,390 --> 00:23:22,960

outside my front door facing due east

649

00:23:27,190 --> 00:23:24,400

smoking a cigarette

650

00:23:28,549 --> 00:23:27,200

and i was looking out at a clear totally

651
00:23:30,470 --> 00:23:28,559
clear night sky

652
00:23:32,230 --> 00:23:30,480
and i was looking at the stars that were

653
00:23:34,149 --> 00:23:32,240
above the horizon

654
00:23:35,750 --> 00:23:34,159
and they were blinking they were going

655
00:23:37,190 --> 00:23:35,760
away

656
00:23:39,270 --> 00:23:37,200
the stars were

657
00:23:40,470 --> 00:23:39,280
basically you know being occluded by

658
00:23:42,630 --> 00:23:40,480
something

659
00:23:45,750 --> 00:23:42,640
and i could tell that this thing was

660
00:23:47,350 --> 00:23:45,760
moving from the horizon slowly

661
00:23:48,870 --> 00:23:47,360
because of the way that stars were

662
00:23:50,470 --> 00:23:48,880
disappearing but i couldn't figure out

663
00:23:52,230 --> 00:23:50,480

if i was looking at a

664

00:23:53,190 --> 00:23:52,240

large rain cloud

665

00:23:54,390 --> 00:23:53,200

but

666

00:23:56,630 --> 00:23:54,400

i mean all these things were happening

667

00:23:58,630 --> 00:23:56,640

at once and a lot of it the recall is is

668

00:24:00,230 --> 00:23:58,640

is weird to try to do but i knew the

669

00:24:02,230 --> 00:24:00,240

wind was blowing in the opposite

670

00:24:04,470 --> 00:24:02,240

direction a lot of things didn't make

671

00:24:06,630 --> 00:24:04,480

sense and i'm squinting and really

672

00:24:09,269 --> 00:24:06,640

getting interested in what this thing is

673

00:24:11,190 --> 00:24:09,279

and as it starts to actually the apex of

674

00:24:12,710 --> 00:24:11,200

it starts to actually go over the top of

675

00:24:14,789 --> 00:24:12,720

my house

676
00:24:16,710 --> 00:24:14,799
and if people are going to ask me the

677
00:24:18,630 --> 00:24:16,720
the altitude it's really hard to gauge

678
00:24:19,750 --> 00:24:18,640
because the size of the thing

679
00:24:22,230 --> 00:24:19,760
was

680
00:24:24,470 --> 00:24:22,240
ridiculous

681
00:24:26,950 --> 00:24:24,480
so it was at least it seemed to be at

682
00:24:29,590 --> 00:24:26,960
least a couple football fields wide

683
00:24:31,510 --> 00:24:29,600
meaning a couple of hundred yards from

684
00:24:32,789 --> 00:24:31,520
tip to tip

685
00:24:35,669 --> 00:24:32,799
i guess that would mean you know

686
00:24:39,830 --> 00:24:35,679
equilateral because it was equilateral

687
00:24:41,350 --> 00:24:39,840
it had no lights that i could see

688
00:24:43,190 --> 00:24:41,360

it was reflecting now that i think about

689

00:24:44,549 --> 00:24:43,200

it was reflecting a small amount of moon

690

00:24:47,029 --> 00:24:44,559

light

691

00:24:49,029 --> 00:24:47,039

and i heard the wind going over

692

00:24:51,029 --> 00:24:49,039

it seemed i heard the wind as it was

693

00:24:52,390 --> 00:24:51,039

moving you know i heard the wind over

694

00:24:54,070 --> 00:24:52,400

the outside of the craft as if you were

695

00:24:56,870 --> 00:24:54,080

loop moving something large through the

696

00:24:59,750 --> 00:24:56,880

air but there's no engine sound

697

00:25:02,230 --> 00:24:59,760

as it passed overhead i was kind of

698

00:25:05,110 --> 00:25:02,240

going ape i mean i was i just couldn't

699

00:25:09,750 --> 00:25:07,029

the tic tac had been

700

00:25:12,230 --> 00:25:09,760

five or six months before

701
00:25:13,830 --> 00:25:12,240
and there was a 48 hour period on board

702
00:25:15,750 --> 00:25:13,840
the ship where i knew we had had a

703
00:25:18,310 --> 00:25:15,760
roswell type event

704
00:25:20,789 --> 00:25:18,320
that should go down in history

705
00:25:22,789 --> 00:25:20,799
um and we didn't seem to care about it

706
00:25:24,470 --> 00:25:22,799
and i i think i kind of

707
00:25:25,909 --> 00:25:24,480
compartmentalized that you know i went a

708
00:25:27,669 --> 00:25:25,919
lot of different directions with it i

709
00:25:29,510 --> 00:25:27,679
just assumed that's probably us that was

710
00:25:30,710 --> 00:25:29,520
a really safe feeling to have knowing i

711
00:25:31,510 --> 00:25:30,720
didn't want to be floating out for the

712
00:25:34,149 --> 00:25:31,520
next

713
00:25:36,310 --> 00:25:34,159

12 years knowing that there was

714

00:25:37,830 --> 00:25:36,320

crazy tech surrounding us um so who

715

00:25:40,470 --> 00:25:37,840

knows what i did psychologically but

716

00:25:41,750 --> 00:25:40,480

five five or so months later

717

00:25:43,269 --> 00:25:41,760

i just wasn't ready to turn around and

718

00:25:44,390 --> 00:25:43,279

see that

719

00:25:47,190 --> 00:25:44,400

um

720

00:25:49,430 --> 00:25:47,200

and i as it went over the top as it went

721

00:25:50,710 --> 00:25:49,440

overhead it sped up

722

00:25:52,789 --> 00:25:50,720

and we used to have these two really

723

00:25:54,870 --> 00:25:52,799

large palm trees for reference that i

724

00:25:56,470 --> 00:25:54,880

turned around and i watched it go over

725

00:25:58,149 --> 00:25:56,480

the top of the palm tree

726

00:26:00,630 --> 00:25:58,159

and i was going to lose sight of it

727

00:26:03,510 --> 00:26:00,640

right behind the palm tree

728

00:26:05,269 --> 00:26:03,520

and i ran to the the west end of my yard

729

00:26:06,710 --> 00:26:05,279

and jumped up on this rickety table we

730

00:26:08,390 --> 00:26:06,720

had built

731

00:26:10,870 --> 00:26:08,400

and i remembered the next morning

732

00:26:13,350 --> 00:26:10,880

because i busted off the um the

733

00:26:14,630 --> 00:26:13,360

bistro umbrella it's wooden i had this

734

00:26:15,990 --> 00:26:14,640

little brass thing in the middle and i

735

00:26:18,149 --> 00:26:16,000

just cracked it right in half jumping up

736

00:26:20,390 --> 00:26:18,159

on the table to catch one last glimpse

737

00:26:23,110 --> 00:26:20,400

of this thing as it tipped over on its

738

00:26:25,110 --> 00:26:23,120

port wing edge and just we have this

739

00:26:28,390 --> 00:26:25,120

term in the navy called we say zorched

740

00:26:30,549 --> 00:26:28,400

it's just zorched it just it was and i

741

00:26:33,430 --> 00:26:30,559

say it got smaller or it went away

742

00:26:35,750 --> 00:26:33,440

because without sound and light

743

00:26:37,510 --> 00:26:35,760

reference and no effect

744

00:26:39,510 --> 00:26:37,520

you know given that we're talking about

745

00:26:42,149 --> 00:26:39,520

the phenomenon we assume

746

00:26:45,110 --> 00:26:42,159

um i can't say exactly what it did it

747

00:26:46,870 --> 00:26:45,120

just receded it went away from my vision

748

00:26:49,029 --> 00:26:46,880

and perception

749

00:26:52,230 --> 00:26:49,039

and i stood on top of that table for

750

00:26:57,430 --> 00:26:52,240

probably five minutes just jaw a gate

751

00:27:02,470 --> 00:26:59,750

i just went to bed

752

00:27:03,669 --> 00:27:02,480

i never told anybody about that i mean i

753

00:27:07,669 --> 00:27:03,679

drew it

754

00:27:09,350 --> 00:27:07,679

i i wrote down what happened um

755

00:27:12,230 --> 00:27:09,360

but i wasn't somebody who was like holy

756

00:27:14,630 --> 00:27:12,240

crap i just saw a giant ufo

757

00:27:16,950 --> 00:27:14,640

no i i told friends and family about the

758

00:27:18,630 --> 00:27:16,960

tic tac incident like i said there was

759

00:27:21,350 --> 00:27:18,640

i wasn't asked to sign an nda there was

760

00:27:22,950 --> 00:27:21,360

no classification around it

761

00:27:24,310 --> 00:27:22,960

and so when it came out in the news it

762

00:27:25,669 --> 00:27:24,320

was they knew exactly what they were

763

00:27:27,590 --> 00:27:25,679

looking at friends and family they were

764

00:27:29,590 --> 00:27:27,600

the ones that were telling me about the

765

00:27:33,110 --> 00:27:29,600

times article

766

00:27:35,990 --> 00:27:34,630

people ask me what did you think it was

767

00:27:37,669 --> 00:27:36,000

where do you think it's from i don't

768

00:27:39,510 --> 00:27:37,679

have any of those answers it was a big

769

00:27:41,669 --> 00:27:39,520

black triangle it didn't make any noise

770

00:27:42,950 --> 00:27:41,679

it was going super slow and it was way

771

00:27:46,230 --> 00:27:42,960

too big

772

00:27:47,990 --> 00:27:46,240

yeah and at this point in my career my

773

00:27:50,470 --> 00:27:48,000

second career of what we all do with

774

00:27:52,310 --> 00:27:50,480

this subject i don't believe that was

775

00:27:53,909 --> 00:27:52,320

tech made by

776

00:27:56,470 --> 00:27:53,919

you and i or anybody with an email

777

00:27:58,710 --> 00:27:56,480

address or that pays taxes or

778

00:28:01,269 --> 00:27:58,720

or lives in the world that we operate in

779

00:28:02,470 --> 00:28:01,279

i don't i can't find a way to make that

780

00:28:03,909 --> 00:28:02,480

fit

781

00:28:06,149 --> 00:28:03,919

um

782

00:28:07,830 --> 00:28:06,159

but i know i saw what i saw and when i

783

00:28:09,190 --> 00:28:07,840

got up got back up in the morning i went

784

00:28:11,110 --> 00:28:09,200

out and the

785

00:28:12,950 --> 00:28:11,120

umbrella was broken

786

00:28:14,870 --> 00:28:12,960

and the cigarette butts were on the

787

00:28:16,870 --> 00:28:14,880

ground next to the table

788

00:28:21,510 --> 00:28:16,880

and i have a memory and i have a period

789

00:28:26,389 --> 00:28:24,630

yeah i get it i get it and yeah

790

00:28:28,149 --> 00:28:26,399

i'm sorry i'm sorry to interrupt i was

791

00:28:29,830 --> 00:28:28,159

just going to say you said that a lot of

792

00:28:31,430 --> 00:28:29,840

friends who or family that you told were

793

00:28:34,470 --> 00:28:31,440

saying you know what is it or what do

794

00:28:37,029 --> 00:28:34,480

you think it is my first response to

795

00:28:39,510 --> 00:28:37,039

to question you on that would be did it

796

00:28:41,830 --> 00:28:39,520

did your views on it change over the

797

00:28:44,470 --> 00:28:41,840

years between when it happened and in

798

00:28:46,789 --> 00:28:44,480

between to now and the way you've

799

00:28:49,110 --> 00:28:46,799

revisited it in your head

800

00:28:51,510 --> 00:28:49,120

yeah yeah um

801
00:28:53,750 --> 00:28:51,520
for me o4 for a long time i just assumed

802
00:28:55,909 --> 00:28:53,760
the tic tac was our tech

803
00:28:58,950 --> 00:28:55,919
um and i was i was ready to accept that

804
00:29:01,590 --> 00:28:58,960
it wasn't you know once i saw proof

805
00:29:03,510 --> 00:29:01,600
but at that time and then as i said the

806
00:29:04,950 --> 00:29:03,520
way that my our chain of command reacted

807
00:29:08,710 --> 00:29:04,960
some of the senior people in that chain

808
00:29:10,549 --> 00:29:08,720
of command just not concerned now i know

809
00:29:12,230 --> 00:29:10,559
there's been significant evidence

810
00:29:14,389 --> 00:29:12,240
presented to some people who look at it

811
00:29:16,230 --> 00:29:14,399
and go yeah so what

812
00:29:17,990 --> 00:29:16,240
i don't know why that happens for some

813
00:29:19,990 --> 00:29:18,000

people i don't know why some people take

814

00:29:21,510 --> 00:29:20,000

evidence more seriously than others

815

00:29:22,549 --> 00:29:21,520

the triangle

816

00:29:24,950 --> 00:29:22,559

i got to be honest with you i just

817

00:29:25,669 --> 00:29:24,960

didn't think about it

818

00:29:30,630 --> 00:29:25,679

i

819

00:29:32,310 --> 00:29:30,640

um

820

00:29:34,310 --> 00:29:32,320

i i had a good friendship with a couple

821

00:29:35,350 --> 00:29:34,320

of people that we had uh we had filmed

822

00:29:36,149 --> 00:29:35,360

with

823

00:29:39,669 --> 00:29:36,159

and

824

00:29:41,830 --> 00:29:39,679

we maintained the chat about the

825

00:29:44,470 --> 00:29:41,840

phenomenon in general

826

00:29:47,990 --> 00:29:46,470

we had um

827

00:29:49,909 --> 00:29:48,000

sorry i kind of lost my train of thought

828

00:29:52,230 --> 00:29:49,919

um

829

00:29:53,750 --> 00:29:52,240

we really talked about you know what

830

00:29:55,750 --> 00:29:53,760

what's

831

00:29:56,950 --> 00:29:55,760

sorry there the the dogs for some reason

832

00:30:00,070 --> 00:29:56,960

the dog's getting me

833

00:30:02,710 --> 00:30:00,080

um here on the side okay absolutely fine

834

00:30:07,029 --> 00:30:05,029

they my friends asked me this

835

00:30:08,230 --> 00:30:07,039

we would have these conversations and i

836

00:30:09,909 --> 00:30:08,240

would be like i kind of had an

837

00:30:12,149 --> 00:30:09,919

experience like that once because i've

838

00:30:13,110 --> 00:30:12,159

seen i've seen a lot of this stuff in my

839

00:30:15,590 --> 00:30:13,120

life

840

00:30:17,269 --> 00:30:15,600

um and i've gone i realized

841

00:30:19,590 --> 00:30:17,279

i wasn't really keeping track of any of

842

00:30:21,990 --> 00:30:19,600

that i didn't have a real log of it i

843

00:30:23,190 --> 00:30:22,000

didn't hadn't put it all in one place

844

00:30:24,630 --> 00:30:23,200

and

845

00:30:26,789 --> 00:30:24,640

my friends knew that i had a big white

846

00:30:27,990 --> 00:30:26,799

board in my garage where i had my my

847

00:30:29,669 --> 00:30:28,000

office set up

848

00:30:31,269 --> 00:30:29,679

and they said why don't you

849

00:30:33,190 --> 00:30:31,279

why don't you take some time meditate

850

00:30:34,630 --> 00:30:33,200

and try you know just then go up to the

851
00:30:36,310 --> 00:30:34,640
white board and just start writing down

852
00:30:37,590 --> 00:30:36,320
everything weird that ever happened

853
00:30:39,350 --> 00:30:37,600
everything that ever had you know every

854
00:30:40,549 --> 00:30:39,360
time you ever questioned

855
00:30:42,870 --> 00:30:40,559
um

856
00:30:44,630 --> 00:30:42,880
frankly reality because some something

857
00:30:47,909 --> 00:30:44,640
was poking in there or appearing that

858
00:30:51,750 --> 00:30:47,919
didn't seem like it should um

859
00:30:53,990 --> 00:30:51,760
there was a big list um and i had a bit

860
00:30:55,990 --> 00:30:54,000
of a

861
00:30:59,110 --> 00:30:56,000
i don't want to not a breakdown i would

862
00:31:00,549 --> 00:30:59,120
say i was emotional i was in the kitchen

863
00:31:02,070 --> 00:31:00,559

um

864

00:31:03,590 --> 00:31:02,080

and i was leaning against the counter

865

00:31:05,909 --> 00:31:03,600

and my wife came down she saw that i

866

00:31:07,990 --> 00:31:05,919

mean when you see a big dude like me

867

00:31:10,549 --> 00:31:08,000

with puffy eyes and tears on his face

868

00:31:12,630 --> 00:31:10,559

you want to know what's going on

869

00:31:14,549 --> 00:31:12,640

and i told her i said i filled the white

870

00:31:16,950 --> 00:31:14,559

board in the garage with memories and

871

00:31:18,710 --> 00:31:16,960

really weird stuff and you know and as

872

00:31:20,310 --> 00:31:18,720

everyone i remembered kind of brought up

873

00:31:21,669 --> 00:31:20,320

another one and i got to the end and i

874

00:31:23,509 --> 00:31:21,679

kind of felt like i was losing my

875

00:31:25,669 --> 00:31:23,519

marbles because i was like what what's

876

00:31:27,750 --> 00:31:25,679

going on in my life

877

00:31:29,509 --> 00:31:27,760

um

878

00:31:31,669 --> 00:31:29,519

so what made it even easier and i'm

879

00:31:33,590 --> 00:31:31,679

being sarcastic is that as she leans in

880

00:31:35,909 --> 00:31:33,600

to give me this huge hug

881

00:31:37,669 --> 00:31:35,919

and leans her head on my chest looking

882

00:31:39,029 --> 00:31:37,679

both of us are looking towards the sink

883

00:31:41,190 --> 00:31:39,039

in the kitchen

884

00:31:43,909 --> 00:31:41,200

basically we watch a

885

00:31:46,789 --> 00:31:43,919

a cereal bowl jump over a bunch of other

886

00:31:50,149 --> 00:31:46,799

stuff into the sink

887

00:31:52,070 --> 00:31:50,159

and we saw it in broad daylight

888

00:31:54,230 --> 00:31:52,080

and we both just immediately broke our

889

00:31:55,350 --> 00:31:54,240

embrace and kind of did that curious dog

890

00:31:57,990 --> 00:31:55,360

look

891

00:32:00,470 --> 00:31:58,000

and then just started saying

892

00:32:01,990 --> 00:32:00,480

things it must be it oh it must have

893

00:32:03,509 --> 00:32:02,000

slid if something must have moved when

894

00:32:05,269 --> 00:32:03,519

we weren't looking it must have slid

895

00:32:06,470 --> 00:32:05,279

there's water on the counter there must

896

00:32:08,230 --> 00:32:06,480

be some kind of

897

00:32:09,029 --> 00:32:08,240

surface tension

898

00:32:11,350 --> 00:32:09,039

uh

899

00:32:12,310 --> 00:32:11,360

and and then we were like and then one

900

00:32:15,029 --> 00:32:12,320

of us looked at the other i can't

901
00:32:16,870 --> 00:32:15,039
remember who it was like no that bowl

902
00:32:18,310 --> 00:32:16,880
jumped over a bunch of crap and went

903
00:32:20,549 --> 00:32:18,320
into the sink

904
00:32:21,990 --> 00:32:20,559
and her knees got a little weak and i

905
00:32:23,509 --> 00:32:22,000
grabbed the counter and we just both

906
00:32:25,269 --> 00:32:23,519
looked at each other and we were like

907
00:32:27,190 --> 00:32:25,279
all right that happened

908
00:32:29,750 --> 00:32:27,200
and now it's over

909
00:32:33,269 --> 00:32:29,760
and looking back i think that that was

910
00:32:35,830 --> 00:32:34,149
time

911
00:32:37,430 --> 00:32:35,840
moments in my life went where i just

912
00:32:39,909 --> 00:32:37,440
went

913
00:32:41,990 --> 00:32:39,919

what the heck am i looking at

914

00:32:45,029 --> 00:32:42,000

and then when i was down like well gotta

915

00:32:47,110 --> 00:32:45,039

go get the groceries you know i mean

916

00:32:49,110 --> 00:32:47,120

i i don't know that everybody has that

917

00:32:51,830 --> 00:32:49,120

same reaction some people never come

918

00:32:53,269 --> 00:32:51,840

back from that what the hell is it yeah

919

00:32:54,950 --> 00:32:53,279

and i don't know if they've got it right

920

00:32:56,950 --> 00:32:54,960

or if i've got it right

921

00:32:58,149 --> 00:32:56,960

um

922

00:33:01,190 --> 00:32:58,159

but it's

923

00:33:03,269 --> 00:33:01,200

now i don't i don't know what they are i

924

00:33:05,590 --> 00:33:03,279

know what shape they are i know what we

925

00:33:07,190 --> 00:33:05,600

all assume they are we you know we all

926
00:33:09,110 --> 00:33:07,200
assume we like to call them aliens but

927
00:33:10,630 --> 00:33:09,120
i've been exposed to so many

928
00:33:13,029 --> 00:33:10,640
different

929
00:33:15,750 --> 00:33:13,039
iterations or possibilities that fall

930
00:33:17,509 --> 00:33:15,760
under that that that term

931
00:33:18,950 --> 00:33:17,519
you know we don't we haven't put too

932
00:33:20,470 --> 00:33:18,960
much time into considering that

933
00:33:22,870 --> 00:33:20,480
something else and could be living here

934
00:33:24,549 --> 00:33:22,880
with us in the oceans or or or in an

935
00:33:26,630 --> 00:33:24,559
environment that we don't access or

936
00:33:28,470 --> 00:33:26,640
necessarily perceive

937
00:33:33,509 --> 00:33:28,480
the way they operate tells us that our

938
00:33:36,950 --> 00:33:36,070

the the reports from witnesses

939

00:33:39,909 --> 00:33:36,960

and

940

00:33:42,870 --> 00:33:39,919

so-called experiencers tell us that

941

00:33:45,110 --> 00:33:42,880

that when we our psychology books aren't

942

00:33:47,269 --> 00:33:45,120

finished being written

943

00:33:49,990 --> 00:33:47,279

and the way that it all dovetails into

944

00:33:52,070 --> 00:33:50,000

our religious mythos across the globe

945

00:33:55,190 --> 00:33:52,080

tells us that we don't even have a

946

00:33:58,870 --> 00:33:55,200

consolidated world view of spirit

947

00:34:02,630 --> 00:34:01,350

what do you do but just go help we all

948

00:34:03,750 --> 00:34:02,640

need to help each other with this you

949

00:34:06,070 --> 00:34:03,760

know and and

950

00:34:07,430 --> 00:34:06,080

so it's that's the conversation that

951
00:34:08,950 --> 00:34:07,440
we've been talking about for so long

952
00:34:10,470 --> 00:34:08,960
that we need to change

953
00:34:13,270 --> 00:34:10,480
is just the acknowledgement that it's

954
00:34:14,869 --> 00:34:13,280
real i mean all of some as as i say like

955
00:34:16,790 --> 00:34:14,879
a broken record those of us in the

956
00:34:18,470 --> 00:34:16,800
community that pay attention

957
00:34:21,190 --> 00:34:18,480
have a wealth of knowledge or have been

958
00:34:22,869 --> 00:34:21,200
exposed to a wealth of ideas

959
00:34:24,470 --> 00:34:22,879
that your average person hasn't taken a

960
00:34:26,869 --> 00:34:24,480
minute to do beyond an occasional

961
00:34:28,950 --> 00:34:26,879
ancient aliens or or you know maybe a

962
00:34:30,310 --> 00:34:28,960
science fiction movie

963
00:34:32,629 --> 00:34:30,320

so

964

00:34:34,869 --> 00:34:32,639

it's daunting

965

00:34:36,790 --> 00:34:34,879

but here we are i mean we are another

966

00:34:39,589 --> 00:34:36,800

one of those positive conversations

967

00:34:41,669 --> 00:34:39,599

trying to be additive not not saying i'm

968

00:34:43,349 --> 00:34:41,679

going to put on this this very safe

969

00:34:44,950 --> 00:34:43,359

skeptic's hat

970

00:34:47,030 --> 00:34:44,960

you know or contrarian hat and i'm going

971

00:34:49,030 --> 00:34:47,040

to cherry pick things that fit a

972

00:34:50,149 --> 00:34:49,040

negative narrative that i intend to

973

00:34:51,109 --> 00:34:50,159

prove

974

00:34:53,829 --> 00:34:51,119

that

975

00:34:55,990 --> 00:34:53,839

i just i just caged it very negatively

976
00:34:59,670 --> 00:34:56,000
but at the end of the day we need

977
00:35:02,390 --> 00:34:59,680
skeptics but skeptics have to

978
00:35:04,790 --> 00:35:02,400
come along with the data as well yeah

979
00:35:07,030 --> 00:35:04,800
it's to be a skeptic for the sake of

980
00:35:08,390 --> 00:35:07,040
being a skeptic just kind of makes you

981
00:35:09,829 --> 00:35:08,400
an a-hole

982
00:35:11,829 --> 00:35:09,839
i mean it's

983
00:35:13,910 --> 00:35:11,839
in my opinion because what are you

984
00:35:18,470 --> 00:35:13,920
building what are you leaving behind

985
00:35:23,030 --> 00:35:21,430
no you're right absolutely

986
00:35:24,230 --> 00:35:23,040
i could probably could pull a million

987
00:35:26,150 --> 00:35:24,240
questions out of that that was

988
00:35:27,990 --> 00:35:26,160

incredible thank you so much

989

00:35:30,069 --> 00:35:28,000

i was picturing it as you spoke to it

990

00:35:32,710 --> 00:35:30,079

the bowl jumping in my head and

991

00:35:34,630 --> 00:35:32,720

imagining my reaction and

992

00:35:37,589 --> 00:35:34,640

i don't think i'd handle it as well as

993

00:35:38,470 --> 00:35:37,599

you did to be honest

994

00:35:41,109 --> 00:35:38,480

um

995

00:35:43,670 --> 00:35:41,119

yeah i'm just going to take a minute to

996

00:35:46,069 --> 00:35:43,680

stop right now to bring in our last

997

00:35:49,190 --> 00:35:46,079

guest please welcome

998

00:35:52,310 --> 00:35:49,200

mr lou elizondo how's it going lou

999

00:35:54,230 --> 00:35:52,320

hey chance forgive me i totally suck i

1000

00:35:56,950 --> 00:35:54,240

thought it was at uh two o'clock

1001

00:35:58,950 --> 00:35:56,960

mountain time

1002

00:36:00,790 --> 00:35:58,960

my calendar obviously look guys i'm

1003

00:36:03,270 --> 00:36:00,800

obviously not technically proficient you

1004

00:36:05,270 --> 00:36:03,280

know i my wife says i'm limited she's

1005

00:36:07,030 --> 00:36:05,280

clearly right um

1006

00:36:09,030 --> 00:36:07,040

you know when i was a kid my mother used

1007

00:36:09,750 --> 00:36:09,040

to say can't have nice things so i i

1008

00:36:11,030 --> 00:36:09,760

mean

1009

00:36:14,230 --> 00:36:11,040

obviously i don't know how to use a

1010

00:36:17,030 --> 00:36:14,240

calendar so mia culpa my apologies

1011

00:36:18,230 --> 00:36:17,040

um so anyways here i am

1012

00:36:19,750 --> 00:36:18,240

sorry

1013

00:36:22,230 --> 00:36:19,760

it's all good i've been watching you

1014

00:36:25,109 --> 00:36:22,240

previously on tony's channel fantastic

1015

00:36:27,589 --> 00:36:25,119

conversation by the way so refreshing

1016

00:36:31,109 --> 00:36:27,599

so refreshing um chris letter i've

1017

00:36:33,430 --> 00:36:31,119

spoken to many times great guy alexi

1018

00:36:35,109 --> 00:36:33,440

what a brain what a brain yeah a lot of

1019

00:36:39,270 --> 00:36:35,119

fun you know really it was it was

1020

00:36:40,710 --> 00:36:39,280

totally just more esoteric not uh really

1021

00:36:41,829 --> 00:36:40,720

i mean there was a couple things uap

1022

00:36:44,310 --> 00:36:41,839

related but

1023

00:36:45,829 --> 00:36:44,320

you know it was neat to just kind of

1024

00:36:47,910 --> 00:36:45,839

you know i always i always resist going

1025

00:36:49,910 --> 00:36:47,920

down the rabbit hole um

1026

00:36:52,150 --> 00:36:49,920

and uh you know sean will sometimes pull

1027

00:36:54,870 --> 00:36:52,160

me down the rabbit hole uh kicking and

1028

00:36:56,790 --> 00:36:54,880

screaming uh but it's good it's good to

1029

00:36:58,790 --> 00:36:56,800

you know have conversations sometimes a

1030

00:37:00,710 --> 00:36:58,800

little bit more esoteric because you

1031

00:37:02,310 --> 00:37:00,720

know it forces you to think outside of

1032

00:37:04,390 --> 00:37:02,320

your current paradigm right forces you

1033

00:37:06,150 --> 00:37:04,400

to think outside of out of the nice neat

1034

00:37:07,270 --> 00:37:06,160

little shiny box that we all build for

1035

00:37:09,109 --> 00:37:07,280

ourselves

1036

00:37:10,950 --> 00:37:09,119

that we're all comfortable in and you

1037

00:37:12,390 --> 00:37:10,960

know sometimes you have to be outside of

1038

00:37:14,950 --> 00:37:12,400

your comfort zone

1039

00:37:16,870 --> 00:37:14,960

in order to to have new perspectives and

1040

00:37:18,470 --> 00:37:16,880

so you know any i really appreciated

1041

00:37:19,270 --> 00:37:18,480

that that conversation we had i thought

1042

00:37:23,750 --> 00:37:19,280

it was

1043

00:37:27,030 --> 00:37:23,760

for the record i'm not an expert in in

1044

00:37:30,150 --> 00:37:27,040

in astrophysics or anything like that or

1045

00:37:31,990 --> 00:37:30,160

her philosophy so uh it was more or less

1046

00:37:33,829 --> 00:37:32,000

just you know personal perspectives

1047

00:37:35,670 --> 00:37:33,839

being shared back and forth yeah

1048

00:37:37,510 --> 00:37:35,680

absolutely it was a conversation

1049

00:37:39,510 --> 00:37:37,520

it was you know even

1050

00:37:41,349 --> 00:37:39,520

watching you lou be the one asking the

1051

00:37:43,750 --> 00:37:41,359

questions was a breath of fresh air it

1052

00:37:44,950 --> 00:37:43,760

was fantastic so yeah that was great

1053

00:37:46,470 --> 00:37:44,960

thanks

1054

00:37:48,470 --> 00:37:46,480

i hope i didn't monopolize a

1055

00:37:50,550 --> 00:37:48,480

conversation my wife says i have a

1056

00:37:52,550 --> 00:37:50,560

tendency to do that sometimes so i'm

1057

00:37:53,990 --> 00:37:52,560

always trying to be mindful you know but

1058

00:37:55,990 --> 00:37:54,000

i'm just so eager to

1059

00:37:58,150 --> 00:37:56,000

to to share the conversation i love it

1060

00:38:00,390 --> 00:37:58,160

you know uh maybe it's my you know being

1061

00:38:02,069 --> 00:38:00,400

latino we tend to we tend to talk over

1062

00:38:05,190 --> 00:38:02,079

each other and it's just it's kind of

1063

00:38:07,670 --> 00:38:05,200

cultural for us but uh i apologize if i

1064

00:38:09,589 --> 00:38:07,680

if i seem to do that too much not at all

1065

00:38:11,190 --> 00:38:09,599

not at all um just to bring you up to

1066

00:38:13,510 --> 00:38:11,200

speed on what we've been chatting about

1067

00:38:14,870 --> 00:38:13,520

we opened up with just a little

1068

00:38:17,510 --> 00:38:14,880

brief chat about what's happening with

1069

00:38:19,190 --> 00:38:17,520

the ukraine and that i um

1070

00:38:20,630 --> 00:38:19,200

i just felt yeah you'd get the answer

1071

00:38:23,270 --> 00:38:20,640

you know

1072

00:38:25,510 --> 00:38:23,280

look guys what what a tragedy um you

1073

00:38:27,910 --> 00:38:25,520

know this this ukraine incident is a lot

1074

00:38:30,150 --> 00:38:27,920

like like the the titanic you know

1075

00:38:33,510 --> 00:38:30,160

there's been a whole sequence of of

1076

00:38:36,230 --> 00:38:33,520

missteps and calculations for us to

1077

00:38:37,750 --> 00:38:36,240

to be where we are today um you know we

1078

00:38:40,069 --> 00:38:37,760

can't just put our finger on one thing

1079

00:38:43,349 --> 00:38:40,079

and say you know that's the reason why

1080

00:38:45,589 --> 00:38:43,359

um this has been a long time coming and

1081

00:38:46,950 --> 00:38:45,599

you know this is proof that

1082

00:38:48,230 --> 00:38:46,960

you know there are still bullies in the

1083

00:38:49,990 --> 00:38:48,240

world

1084

00:38:51,190 --> 00:38:50,000

there are there are individuals out

1085

00:38:53,349 --> 00:38:51,200

there

1086

00:38:56,630 --> 00:38:53,359

that don't have necessarily the best

1087

00:38:58,950 --> 00:38:56,640

interests of their fellow man um i you

1088

00:39:00,630 --> 00:38:58,960

know it's it's very very sad

1089

00:39:02,630 --> 00:39:00,640

and especially with someone like russia

1090

00:39:05,510 --> 00:39:02,640

who by the way are very very capable

1091

00:39:07,829 --> 00:39:05,520

these folks are extremely

1092

00:39:11,109 --> 00:39:07,839

extremely intelligent they conduct

1093

00:39:13,349 --> 00:39:11,119

warfare asymmetrically um they are you

1094

00:39:15,430 --> 00:39:13,359

know you're looking at at true chess

1095

00:39:17,910 --> 00:39:15,440

masters that understand the chess board

1096

00:39:19,750 --> 00:39:17,920

uh in some cases even better than us

1097

00:39:22,550 --> 00:39:19,760

and so um

1098

00:39:24,470 --> 00:39:22,560

you know this is this is no joke um

1099

00:39:25,109 --> 00:39:24,480

this is there's people's lives at stake

1100

00:39:28,870 --> 00:39:25,119

and

1101

00:39:31,430 --> 00:39:28,880

um

1102

00:39:33,270 --> 00:39:31,440

yeah it's

1103

00:39:34,550 --> 00:39:33,280

it's disheartening and you know i'll

1104

00:39:36,710 --> 00:39:34,560

tell you what though let this be a

1105

00:39:38,390 --> 00:39:36,720

reminder

1106

00:39:40,310 --> 00:39:38,400

you know this isn't fear-mongering this

1107

00:39:42,150 --> 00:39:40,320

is reality

1108

00:39:43,750 --> 00:39:42,160

what happened in the ukraine and what's

1109

00:39:44,870 --> 00:39:43,760

happening in ukraine can happen in other

1110

00:39:46,310 --> 00:39:44,880

places

1111

00:39:48,470 --> 00:39:46,320

and this is why we have to remain

1112

00:39:51,510 --> 00:39:48,480

diligent and why we always

1113

00:39:53,670 --> 00:39:51,520

can't take for granted you know um

1114

00:39:55,270 --> 00:39:53,680

our our our country and our elected

1115

00:39:58,630 --> 00:39:55,280

officials we

1116

00:39:59,670 --> 00:39:58,640

as a citizens as a people

1117

00:40:02,550 --> 00:39:59,680

must

1118

00:40:05,750 --> 00:40:02,560

have an active

1119

00:40:07,430 --> 00:40:05,760

in our governance

1120

00:40:09,430 --> 00:40:07,440

we can never allow

1121

00:40:11,510 --> 00:40:09,440

other people to just make decisions on

1122

00:40:13,349 --> 00:40:11,520

our behalf

1123

00:40:15,750 --> 00:40:13,359

and that's why we have to elect good

1124

00:40:18,790 --> 00:40:15,760

people into into office

1125

00:40:20,150 --> 00:40:18,800

so we can make good decisions and

1126

00:40:21,589 --> 00:40:20,160

you know hopefully avoid things like

1127

00:40:23,270 --> 00:40:21,599

this happening

1128

00:40:25,349 --> 00:40:23,280

in the future again i'm not laying blame

1129

00:40:27,349 --> 00:40:25,359

to any particular side this is you know

1130

00:40:29,349 --> 00:40:27,359

this is not time for that this is just

1131

00:40:31,030 --> 00:40:29,359

recognizing that there's a lot of people

1132

00:40:33,270 --> 00:40:31,040

suffering in the world right now a lot

1133

00:40:34,790 --> 00:40:33,280

you know my wife's background is eastern

1134

00:40:36,069 --> 00:40:34,800

european in fact

1135

00:40:37,670 --> 00:40:36,079

um

1136

00:40:39,829 --> 00:40:37,680

you know for a long time we would tell

1137

00:40:41,990 --> 00:40:39,839

people czechoslovakian or hungarian but

1138

00:40:44,470 --> 00:40:42,000

in reality it's it's she her family

1139

00:40:46,790 --> 00:40:44,480

comes from a small town in the ukraine

1140

00:40:49,670 --> 00:40:46,800

and um yeah this has been this has been

1141

00:40:51,430 --> 00:40:49,680

tough this has been tough um you know

1142

00:40:53,670 --> 00:40:51,440

especially civilians you know you never

1143

00:40:55,910 --> 00:40:53,680

you never wanna warfare is bad enough as

1144

00:40:58,230 --> 00:40:55,920

it is but but when you involve

1145

00:41:01,109 --> 00:40:58,240

civilians and and and women and children

1146

00:41:03,030 --> 00:41:01,119

and and i i just you know it's it's

1147

00:41:05,349 --> 00:41:03,040

terrible

1148

00:41:08,150 --> 00:41:05,359

yeah sorry my wife is just busting here

1149

00:41:11,510 --> 00:41:08,160

reminding me i for the record i'm on and

1150

00:41:13,190 --> 00:41:11,520

i'm with vinnie and dan and sean

1151

00:41:15,990 --> 00:41:13,200

yes i know the time was off i was late

1152

00:41:17,510 --> 00:41:16,000

by half an hour okay yeah

1153

00:41:18,829 --> 00:41:17,520

all right

1154

00:41:20,390 --> 00:41:18,839

you can beat me

1155

00:41:23,190 --> 00:41:20,400

later

1156

00:41:25,349 --> 00:41:23,200

they said hi uh yeah i i know it was on

1157

00:41:27,510 --> 00:41:25,359

my calendar for two and then the things

1158

00:41:28,470 --> 00:41:27,520

started going crazy and i'm like oh my

1159

00:41:30,230 --> 00:41:28,480

god

1160

00:41:32,069 --> 00:41:30,240

something happened so my wife just came

1161

00:41:34,630 --> 00:41:32,079

in here to remind me the same thing

1162

00:41:36,390 --> 00:41:34,640

oh that's lovely um

1163

00:41:37,990 --> 00:41:36,400

and if jennifer does have any family and

1164

00:41:39,510 --> 00:41:38,000

relatives over there obviously our

1165

00:41:42,150 --> 00:41:39,520

thoughts are with them as well as the

1166

00:41:43,510 --> 00:41:42,160

rest of the population so uh yeah thank

1167

00:41:45,349 --> 00:41:43,520

you for

1168

00:41:46,950 --> 00:41:45,359

your insight into that as well though um

1169

00:41:49,430 --> 00:41:46,960

one of the point we touched upon i asked

1170

00:41:51,510 --> 00:41:49,440

a question to sean um regarding the five

1171

00:41:53,349 --> 00:41:51,520

pillars of uap engagement which you

1172

00:41:55,349 --> 00:41:53,359

brought to us last year

1173

00:41:57,190 --> 00:41:55,359

and my question was whether

1174

00:41:59,829 --> 00:41:57,200

between when it

1175

00:42:01,990 --> 00:41:59,839

when you first told us about it to now

1176

00:42:03,270 --> 00:42:02,000

has it had to be altered slightly at all

1177

00:42:05,030 --> 00:42:03,280

to fit with the way that things have

1178

00:42:06,309 --> 00:42:05,040

gone politically and

1179

00:42:08,069 --> 00:42:06,319

socially

1180

00:42:09,990 --> 00:42:08,079

well actually the pillars have been

1181

00:42:12,710 --> 00:42:10,000

there all along for the last four years

1182

00:42:14,150 --> 00:42:12,720

um right i just decided to to you know

1183

00:42:15,829 --> 00:42:14,160

for some people because you know they

1184

00:42:18,630 --> 00:42:15,839

keep asking the same question well

1185

00:42:20,870 --> 00:42:18,640

what's your strategy and you know it

1186

00:42:22,630 --> 00:42:20,880

we do have a strategy um you know but of

1187

00:42:24,870 --> 00:42:22,640

course you know like everybody will tell

1188

00:42:26,630 --> 00:42:24,880

you you know war plans are only as good

1189

00:42:28,470 --> 00:42:26,640

as until you start to start the battle

1190

00:42:30,470 --> 00:42:28,480

and then you know you start with new

1191

00:42:32,870 --> 00:42:30,480

ones um because nothing ever goes like

1192

00:42:35,349 --> 00:42:32,880

like you think it will so we always have

1193

00:42:37,670 --> 00:42:35,359

to be flexible um you know this is what

1194

00:42:40,470 --> 00:42:37,680

i think what makes the team so good

1195

00:42:41,990 --> 00:42:40,480

um because you have people like sean and

1196

00:42:43,190 --> 00:42:42,000

folks and other folks you know frankly

1197

00:42:45,990 --> 00:42:43,200

folks like you that can bring new

1198

00:42:46,710 --> 00:42:46,000

perspectives as the environment changes

1199

00:42:49,270 --> 00:42:46,720

as

1200

00:42:51,430 --> 00:42:49,280

the landscape changes uh you have to be

1201
00:42:53,270 --> 00:42:51,440
prepared to adapt to that um i think the

1202
00:42:54,870 --> 00:42:53,280
strategy is the same but you know if the

1203
00:42:56,710 --> 00:42:54,880
good thing about a good strategy is you

1204
00:42:59,270 --> 00:42:56,720
never have to uh

1205
00:43:01,109 --> 00:42:59,280
you know you can if it's a if it's good

1206
00:43:03,030 --> 00:43:01,119
if it's a really good strategy you can

1207
00:43:04,470 --> 00:43:03,040
stay on that strategy and it's and it's

1208
00:43:05,829 --> 00:43:04,480
in such a way that allows you the

1209
00:43:08,710 --> 00:43:05,839
flexibility

1210
00:43:11,430 --> 00:43:08,720
uh to to maneuver right it allows you to

1211
00:43:13,270 --> 00:43:11,440
adjust lift and shift as we like to say

1212
00:43:14,630 --> 00:43:13,280
so um

1213
00:43:16,150 --> 00:43:14,640

yeah i think

1214

00:43:17,910 --> 00:43:16,160

i think we always have to be prepared to

1215

00:43:19,030 --> 00:43:17,920

be to be flexible

1216

00:43:20,870 --> 00:43:19,040

because

1217

00:43:23,349 --> 00:43:20,880

people are people and and new issues

1218

00:43:25,030 --> 00:43:23,359

come up and new revelations and new

1219

00:43:26,390 --> 00:43:25,040

information and you have to be prepared

1220

00:43:27,910 --> 00:43:26,400

to absorb that

1221

00:43:29,990 --> 00:43:27,920

into your calculus you know and

1222

00:43:32,069 --> 00:43:30,000

sometimes sometimes if you're lucky not

1223

00:43:34,150 --> 00:43:32,079

unlucky but if you're lucky it actually

1224

00:43:35,829 --> 00:43:34,160

will help reshape how you look at things

1225

00:43:37,030 --> 00:43:35,839

and and think of things in your your

1226

00:43:39,109 --> 00:43:37,040

approach

1227

00:43:40,470 --> 00:43:39,119

and so that's always fun when when you

1228

00:43:42,390 --> 00:43:40,480

have new information that's kind of

1229

00:43:44,390 --> 00:43:42,400

revelatory right and and you're now

1230

00:43:46,390 --> 00:43:44,400

forced to reassess okay well

1231

00:43:47,990 --> 00:43:46,400

is it time for us to to put more

1232

00:43:49,670 --> 00:43:48,000

pressure on this column or on this

1233

00:43:51,430 --> 00:43:49,680

column or on that column

1234

00:43:52,950 --> 00:43:51,440

and and that's a deliberative process

1235

00:43:54,470 --> 00:43:52,960

this isn't you know world according to

1236

00:43:56,870 --> 00:43:54,480

lou or world according to chris mellon

1237

00:43:58,630 --> 00:43:56,880

or the us government or anybody else

1238

00:44:00,790 --> 00:43:58,640

this is we all we all have this

1239

00:44:02,790 --> 00:44:00,800

conversation together and and sean has

1240

00:44:04,870 --> 00:44:02,800

been a critical part of that you all

1241

00:44:06,550 --> 00:44:04,880

have been part of that your audience has

1242

00:44:07,750 --> 00:44:06,560

been part of that uh you know a lot of

1243

00:44:09,829 --> 00:44:07,760

the people in the audience may not

1244

00:44:11,190 --> 00:44:09,839

realize that they're an integral piece

1245

00:44:12,630 --> 00:44:11,200

to this you know they say well what do i

1246

00:44:14,710 --> 00:44:12,640

what have i been able to do well have

1247

00:44:16,550 --> 00:44:14,720

you written your congressman or

1248

00:44:18,150 --> 00:44:16,560

representative or your elected official

1249

00:44:20,069 --> 00:44:18,160

in your country over the last four years

1250

00:44:21,750 --> 00:44:20,079

if you have guess what you're part of it

1251
00:44:23,670 --> 00:44:21,760
have you have you had a conversation

1252
00:44:25,109 --> 00:44:23,680
over a water cooler maybe at work or

1253
00:44:26,870 --> 00:44:25,119
over in the dining room table with a

1254
00:44:28,230 --> 00:44:26,880
family member well guess what if you

1255
00:44:29,270 --> 00:44:28,240
have your part of it

1256
00:44:30,790 --> 00:44:29,280
um

1257
00:44:33,750 --> 00:44:30,800
you know this is this is something that

1258
00:44:36,150 --> 00:44:33,760
we're all engaged in collectively and uh

1259
00:44:37,670 --> 00:44:36,160
it's it's beautiful to see you know it

1260
00:44:39,990 --> 00:44:37,680
really is to see how far we've come we

1261
00:44:42,150 --> 00:44:40,000
now have law historic for the first time

1262
00:44:43,030 --> 00:44:42,160
ever in u.s government history

1263
00:44:45,030 --> 00:44:43,040

law

1264

00:44:46,230 --> 00:44:45,040

on on this topic and you've got a bunch

1265

00:44:48,150 --> 00:44:46,240

of other things that are happening for

1266

00:44:49,670 --> 00:44:48,160

the first time ever

1267

00:44:51,349 --> 00:44:49,680

in this country you know you have the

1268

00:44:53,190 --> 00:44:51,359

acknowledgement by by senior level

1269

00:44:54,870 --> 00:44:53,200

officials you have you have people

1270

00:44:57,109 --> 00:44:54,880

testifying congress and in order for

1271

00:44:59,510 --> 00:44:57,119

them to get their job let's say the dod

1272

00:45:00,550 --> 00:44:59,520

ig they owe some answers to congress on

1273

00:45:02,630 --> 00:45:00,560

what they're going to do about this

1274

00:45:03,670 --> 00:45:02,640

topic right i mean this is open hearing

1275

00:45:05,910 --> 00:45:03,680

this is like

1276

00:45:07,270 --> 00:45:05,920

holy crap guys you know this is this is

1277

00:45:08,950 --> 00:45:07,280

for the record for ever and ever and

1278

00:45:09,750 --> 00:45:08,960

ever and ever and ever

1279

00:45:11,670 --> 00:45:09,760

so

1280

00:45:13,349 --> 00:45:11,680

yeah it's um

1281

00:45:14,870 --> 00:45:13,359

i guess in short i think we're doing

1282

00:45:16,790 --> 00:45:14,880

quite well but of course you always have

1283

00:45:18,470 --> 00:45:16,800

to be flexible to be prepared to to lift

1284

00:45:21,190 --> 00:45:18,480

and shift your priorities as

1285

00:45:23,589 --> 00:45:21,200

as the environment evolves

1286

00:45:25,030 --> 00:45:23,599

yeah absolutely excuse me and you

1287

00:45:27,109 --> 00:45:25,040

mentioned there the audience and people

1288

00:45:28,710 --> 00:45:27,119

saying well what have i done if they're

1289

00:45:30,470 --> 00:45:28,720

sort of just

1290

00:45:32,150 --> 00:45:30,480

absorbing the information and the videos

1291

00:45:33,829 --> 00:45:32,160

and everything i mean i think that

1292

00:45:37,510 --> 00:45:33,839

that's great in itself that they're

1293

00:45:39,349 --> 00:45:37,520

actively just interested but for anybody

1294

00:45:40,950 --> 00:45:39,359

that actually did want to take that next

1295

00:45:42,309 --> 00:45:40,960

step whether it be researching

1296

00:45:43,750 --> 00:45:42,319

investigating

1297

00:45:45,510 --> 00:45:43,760

i mean i've had a lot of people say to

1298

00:45:47,349 --> 00:45:45,520

me but it's too

1299

00:45:51,589 --> 00:45:47,359

it's it's too much of a big step for me

1300

00:45:55,349 --> 00:45:53,829

to talk about it i think you know what

1301
00:45:56,950 --> 00:45:55,359
i'm trying to say like how can people

1302
00:45:59,349 --> 00:45:56,960
get more involved

1303
00:46:02,630 --> 00:45:59,359
i think sean's got some ideas

1304
00:46:05,349 --> 00:46:02,640
i'd face that a lot because we um

1305
00:46:08,390 --> 00:46:05,359
we talk about you know a larger team we

1306
00:46:09,990 --> 00:46:08,400
talk about a you know that the audience

1307
00:46:12,069 --> 00:46:10,000
and some of the people that are at the

1308
00:46:14,550 --> 00:46:12,079
center of this maybe that they are on

1309
00:46:15,270 --> 00:46:14,560
the same team and i believe that i truly

1310
00:46:16,150 --> 00:46:15,280
do

1311
00:46:18,790 --> 00:46:16,160
but

1312
00:46:20,710 --> 00:46:18,800
just as there is with our our political

1313
00:46:22,190 --> 00:46:20,720

process where a lot of us

1314

00:46:24,470 --> 00:46:22,200

have ceded a certain amount of

1315

00:46:26,390 --> 00:46:24,480

responsibility to others

1316

00:46:28,550 --> 00:46:26,400

um and are assuming that they're going

1317

00:46:29,910 --> 00:46:28,560

to act in our stead and do what's right

1318

00:46:31,750 --> 00:46:29,920

for us

1319

00:46:33,270 --> 00:46:31,760

if you're truly interested you have to

1320

00:46:35,109 --> 00:46:33,280

find out where you've ceded that

1321

00:46:36,309 --> 00:46:35,119

responsibility to others and you have to

1322

00:46:38,710 --> 00:46:36,319

take it back

1323

00:46:41,270 --> 00:46:38,720

um so in this case a lot of people want

1324

00:46:42,710 --> 00:46:41,280

to make that jump to be and i'll just go

1325

00:46:46,470 --> 00:46:42,720

point blank and say they want to be on

1326

00:46:47,430 --> 00:46:46,480

our team and in our room or on our phone

1327

00:46:49,270 --> 00:46:47,440

tree

1328

00:46:52,069 --> 00:46:49,280

and

1329

00:46:53,829 --> 00:46:52,079

yes we need a lot of help but it's not a

1330

00:46:56,230 --> 00:46:53,839

blanket call

1331

00:46:57,990 --> 00:46:56,240

for a grassroots constituency it's not a

1332

00:46:59,829 --> 00:46:58,000

rabble it's not a mob

1333

00:47:01,910 --> 00:46:59,839

and so first you have to find your own

1334

00:47:04,710 --> 00:47:01,920

place you have to find out first of all

1335

00:47:07,030 --> 00:47:04,720

what is your ideology how unshakable is

1336

00:47:08,390 --> 00:47:07,040

it how far are you willing to take it

1337

00:47:09,910 --> 00:47:08,400

and then you need to take the steps to

1338

00:47:12,390 --> 00:47:09,920

do that it's not a question of someone

1339

00:47:13,910 --> 00:47:12,400

else allowing you access or pointing you

1340

00:47:16,309 --> 00:47:13,920

in the right direction

1341

00:47:18,470 --> 00:47:16,319

it really is if you're going to dedicate

1342

00:47:20,150 --> 00:47:18,480

yourself to to

1343

00:47:22,630 --> 00:47:20,160

let me make a metaphor

1344

00:47:25,270 --> 00:47:22,640

the general public is at the center of

1345

00:47:27,990 --> 00:47:25,280

this immense jungle

1346

00:47:29,750 --> 00:47:28,000

of confirmation bias and

1347

00:47:31,510 --> 00:47:29,760

incorrect information

1348

00:47:33,670 --> 00:47:31,520

that all of us are collectively trying

1349

00:47:34,710 --> 00:47:33,680

to hack our way through just to expose

1350

00:47:37,430 --> 00:47:34,720

them

1351
00:47:38,950 --> 00:47:37,440
to to a certain data set that we can all

1352
00:47:40,150 --> 00:47:38,960
agree upon

1353
00:47:43,270 --> 00:47:40,160
um

1354
00:47:45,030 --> 00:47:43,280
that's an arduous trek this isn't easy

1355
00:47:47,510 --> 00:47:45,040
and and so when people say how do i get

1356
00:47:50,150 --> 00:47:47,520
involved first measure yourself

1357
00:47:52,230 --> 00:47:50,160
and then act frankly whether it's

1358
00:47:55,109 --> 00:47:52,240
finding a mufon near you starting your

1359
00:47:57,670 --> 00:47:55,119
own local um just getting on a discord

1360
00:47:58,870 --> 00:47:57,680
chat you know getting on reddit and

1361
00:48:00,309 --> 00:47:58,880
getting in a different community

1362
00:48:03,990 --> 00:48:00,319
something other than twitter that isn't

1363
00:48:05,349 --> 00:48:04,000

so much polarizing or advert advertising

1364

00:48:06,630 --> 00:48:05,359

um

1365

00:48:08,790 --> 00:48:06,640

to me that's that's what's going to be

1366

00:48:11,510 --> 00:48:08,800

most successful it's not a

1367

00:48:14,230 --> 00:48:11,520

this is not a bandwagon it's not a

1368

00:48:17,109 --> 00:48:14,240

it's not a genre it's not an aesthetic

1369

00:48:19,030 --> 00:48:17,119

um it's not even a

1370

00:48:20,549 --> 00:48:19,040

a collective ideology

1371

00:48:22,150 --> 00:48:20,559

because you can't get five of us in the

1372

00:48:23,670 --> 00:48:22,160

same room that have the same opinions

1373

00:48:24,549 --> 00:48:23,680

about the unknown

1374

00:48:32,069 --> 00:48:24,559

so

1375

00:48:33,829 --> 00:48:32,079

on

1376

00:48:35,829 --> 00:48:33,839

sorry just real quick i'd like to add to

1377

00:48:37,190 --> 00:48:35,839

that i think sean jobs is right look i

1378

00:48:38,309 --> 00:48:37,200

think what we do if you want to know

1379

00:48:40,390 --> 00:48:38,319

what you can do

1380

00:48:43,109 --> 00:48:40,400

lead by example let me give you let me

1381

00:48:44,790 --> 00:48:43,119

give you a a real example there um can

1382

00:48:46,549 --> 00:48:44,800

you guys hear me okay

1383

00:48:48,150 --> 00:48:46,559

yeah yeah okay good

1384

00:48:51,030 --> 00:48:48,160

um i'm having some trouble with my

1385

00:48:53,829 --> 00:48:51,040

earpods um let me give an example

1386

00:48:57,190 --> 00:48:53,839

dan and i recently agreed to go ahead

1387

00:48:59,510 --> 00:48:57,200

and use this platform of of the uap

1388

00:49:00,309 --> 00:48:59,520

topic and ufo twitter

1389

00:49:06,790 --> 00:49:00,319

to

1390

00:49:08,390 --> 00:49:06,800

some folks um in for for saint jude

1391

00:49:11,109 --> 00:49:08,400

right children

1392

00:49:12,950 --> 00:49:11,119

who have cancer and have have

1393

00:49:15,349 --> 00:49:12,960

life-threatening illnesses and also

1394

00:49:18,309 --> 00:49:15,359

animal welfare right thousands and

1395

00:49:22,390 --> 00:49:18,319

thousands of dollars was raised

1396

00:49:25,510 --> 00:49:22,400

by the uap twitter community

1397

00:49:28,309 --> 00:49:25,520

for a cause that wasn't even about ufos

1398

00:49:32,390 --> 00:49:28,319

it was about humanity right now when in

1399

00:49:34,710 --> 00:49:32,400

history has a ufo community ever donated

1400

00:49:36,950 --> 00:49:34,720

to anything other than topics about ufos

1401

00:49:39,670 --> 00:49:36,960

well guess what that just happened don't

1402

00:49:41,190 --> 00:49:39,680

look now but but but the uap community

1403

00:49:43,829 --> 00:49:41,200

just helped

1404

00:49:46,230 --> 00:49:43,839

mankind writ large on something that has

1405

00:49:48,870 --> 00:49:46,240

nothing to do about ufos right that's

1406

00:49:50,630 --> 00:49:48,880

leading by example that's what i mean

1407

00:49:52,230 --> 00:49:50,640

you're doing something you are an

1408

00:49:54,150 --> 00:49:52,240

ambassador you're representing this

1409

00:49:57,190 --> 00:49:54,160

topic and you're being generous and

1410

00:49:59,270 --> 00:49:57,200

you're giving to to a worthy cause that

1411

00:50:00,069 --> 00:49:59,280

that has nothing to do with the topic

1412

00:50:02,950 --> 00:50:00,079

right

1413

00:50:07,109 --> 00:50:02,960

you know that i i could be wrong but i

1414

00:50:10,390 --> 00:50:07,119

don't ever remember any type of of ufo

1415

00:50:12,950 --> 00:50:10,400

uh event where they donated 100 of the

1416

00:50:13,990 --> 00:50:12,960

money to charity right to kids and

1417

00:50:15,750 --> 00:50:14,000

animals i

1418

00:50:18,309 --> 00:50:15,760

i don't and yet that's exactly what

1419

00:50:20,630 --> 00:50:18,319

happened for the first time in perhaps

1420

00:50:23,190 --> 00:50:20,640

perhaps i think it's true in the history

1421

00:50:26,230 --> 00:50:23,200

of this community that we raised

1422

00:50:28,870 --> 00:50:26,240

thousands and thousands of dollars that

1423

00:50:30,390 --> 00:50:28,880

went to help kids and animals right

1424

00:50:34,230 --> 00:50:30,400

people

1425

00:50:35,829 --> 00:50:34,240

considered the topic of ufos

1426
00:50:37,910 --> 00:50:35,839
that's what this community has been able

1427
00:50:39,430 --> 00:50:37,920
to do and that's that's magic that's

1428
00:50:41,589 --> 00:50:39,440
remarkable it didn't go to line the

1429
00:50:43,750 --> 00:50:41,599
pockets of anybody it went to help

1430
00:50:45,270 --> 00:50:43,760
people who have no idea we even exist

1431
00:50:47,510 --> 00:50:45,280
and you know what we didn't even ask

1432
00:50:49,349 --> 00:50:47,520
credit for it so yeah isn't that

1433
00:50:51,750 --> 00:50:49,359
wonderful and and those those are some

1434
00:50:54,390 --> 00:50:51,760
of the steps that we can do

1435
00:50:55,750 --> 00:50:54,400
that if you know we you don't have to

1436
00:50:56,630 --> 00:50:55,760
necessarily

1437
00:50:58,470 --> 00:50:56,640
uh

1438
00:51:01,109 --> 00:50:58,480

get out there with a with a with a you

1439

00:51:03,109 --> 00:51:01,119

know black t-shirt that says you know

1440

00:51:04,470 --> 00:51:03,119

ufos and i want to believe and you know

1441

00:51:06,870 --> 00:51:04,480

let me talk to you

1442

00:51:08,950 --> 00:51:06,880

uh it's it it's just about leading your

1443

00:51:10,710 --> 00:51:08,960

life by example you know being a better

1444

00:51:12,069 --> 00:51:10,720

human being

1445

00:51:13,430 --> 00:51:12,079

treat others

1446

00:51:14,549 --> 00:51:13,440

you know the way you would want to be

1447

00:51:15,990 --> 00:51:14,559

treated

1448

00:51:17,750 --> 00:51:16,000

and i think

1449

00:51:19,829 --> 00:51:17,760

that says a lot you know as much as we

1450

00:51:21,589 --> 00:51:19,839

may bicker and argue on ufo twitter

1451
00:51:22,870 --> 00:51:21,599
minus a couple rabble rousers out there

1452
00:51:23,910 --> 00:51:22,880
that really don't have any interest in

1453
00:51:26,069 --> 00:51:23,920
the truth

1454
00:51:28,309 --> 00:51:26,079
most people you know i think do want the

1455
00:51:30,950 --> 00:51:28,319
truth um they're very passionate they

1456
00:51:32,950 --> 00:51:30,960
really want you know to have answers

1457
00:51:34,950 --> 00:51:32,960
they're frustrated rightfully so it's

1458
00:51:36,950 --> 00:51:34,960
been 70 years right and and they want

1459
00:51:38,230 --> 00:51:36,960
answers and and frankly they deserve

1460
00:51:39,270 --> 00:51:38,240
those answers

1461
00:51:41,589 --> 00:51:39,280
uh

1462
00:51:43,750 --> 00:51:41,599
but we are also have shown that we can

1463
00:51:46,230 --> 00:51:43,760

do incredible acts of kindness

1464

00:51:48,230 --> 00:51:46,240

uh when we want to and and we all agree

1465

00:51:49,990 --> 00:51:48,240

to and that's in large part because of

1466

00:51:51,670 --> 00:51:50,000

the work that sean and dan and you

1467

00:51:54,390 --> 00:51:51,680

vinnie and and and your incredible

1468

00:51:57,109 --> 00:51:54,400

audience have played a role in this um

1469

00:51:58,870 --> 00:51:57,119

you know you we just helped out

1470

00:52:00,069 --> 00:51:58,880

in a very small way

1471

00:52:02,309 --> 00:52:00,079

humanity

1472

00:52:04,630 --> 00:52:02,319

and we did that because you guys created

1473

00:52:06,549 --> 00:52:04,640

this enclave called ufo twitter where we

1474

00:52:09,430 --> 00:52:06,559

could talk about sometimes very

1475

00:52:12,230 --> 00:52:09,440

passionately about this topic and it was

1476

00:52:14,150 --> 00:52:12,240

a result well it resulted in in in

1477

00:52:15,670 --> 00:52:14,160

20 some thousand dollars being being

1478

00:52:18,230 --> 00:52:15,680

provided to

1479

00:52:20,470 --> 00:52:18,240

to children and animals so you know i'm

1480

00:52:22,230 --> 00:52:20,480

i'm super proud of that i i really am

1481

00:52:24,710 --> 00:52:22,240

and i see here you have something here

1482

00:52:27,349 --> 00:52:24,720

with money going to the ukraine crisis

1483

00:52:29,270 --> 00:52:27,359

fund you know yes it's fantastic this is

1484

00:52:31,109 --> 00:52:29,280

these are causes we can all get around

1485

00:52:32,790 --> 00:52:31,119

we can all rally around put our

1486

00:52:33,510 --> 00:52:32,800

differences aside for just a minute and

1487

00:52:35,510 --> 00:52:33,520

say

1488

00:52:38,230 --> 00:52:35,520

you know that's that's what the ufo

1489

00:52:39,670 --> 00:52:38,240

community can do you know yeah i'm just

1490

00:52:41,270 --> 00:52:39,680

going to take this second dan i'm going

1491

00:52:43,349 --> 00:52:41,280

to come to you because i miss your voice

1492

00:52:45,430 --> 00:52:43,359

already you know i'm so used to being

1493

00:52:47,190 --> 00:52:45,440

with you spending two weeks with you but

1494

00:52:49,670 --> 00:52:47,200

the community right now i probably

1495

00:52:52,470 --> 00:52:49,680

mentioned the fund about 45 minutes ago

1496

00:52:54,470 --> 00:52:52,480

and we're about we're about 500 in now

1497

00:52:56,470 --> 00:52:54,480

so you guys are absolutely incredible

1498

00:52:58,790 --> 00:52:56,480

yes youtube will take a little cut i

1499

00:53:01,270 --> 00:52:58,800

didn't think of that i'm sorry um i just

1500

00:53:03,109 --> 00:53:01,280

wanted to just well in that case we need

1501
00:53:04,790 --> 00:53:03,119
to donate more right so if youtube is

1502
00:53:06,470 --> 00:53:04,800
going to take a little chat

1503
00:53:08,549 --> 00:53:06,480
or maybe we can call out youtube and say

1504
00:53:10,470 --> 00:53:08,559
hey guys in one case can you not take a

1505
00:53:11,910 --> 00:53:10,480
cut and let i like you know

1506
00:53:14,710 --> 00:53:11,920
let's let's give it to the people who

1507
00:53:17,349 --> 00:53:14,720
need it um you know i this is this is

1508
00:53:19,990 --> 00:53:17,359
hugely important you know it really is i

1509
00:53:21,510 --> 00:53:20,000
did a talk not too long ago i won't say

1510
00:53:22,549 --> 00:53:21,520
for which outlet but but involve

1511
00:53:24,710 --> 00:53:22,559
veterans

1512
00:53:25,670 --> 00:53:24,720
and uh the outlet was gonna gonna pay me

1513
00:53:28,470 --> 00:53:25,680

and i

1514

00:53:30,549 --> 00:53:28,480

i to no you know i don't i don't i don't

1515

00:53:32,309 --> 00:53:30,559

take money for that that kind of stuff

1516

00:53:33,589 --> 00:53:32,319

um you know charity is something that we

1517

00:53:34,790 --> 00:53:33,599

should all be part of

1518

00:53:36,390 --> 00:53:34,800

and you know that's maybe one of the

1519

00:53:37,990 --> 00:53:36,400

good things about about organized

1520

00:53:39,510 --> 00:53:38,000

religion that you know there is tithing

1521

00:53:41,910 --> 00:53:39,520

i think it keeps us humble i think it

1522

00:53:43,670 --> 00:53:41,920

keeps us grounded when we realize we you

1523

00:53:45,190 --> 00:53:43,680

know we do owe something to our fellow

1524

00:53:47,430 --> 00:53:45,200

man to our brothers and sisters out

1525

00:53:48,630 --> 00:53:47,440

there and if we have a means to give

1526

00:53:50,390 --> 00:53:48,640

then

1527

00:53:52,870 --> 00:53:50,400

we should

1528

00:53:54,150 --> 00:53:52,880

no absolutely no dan just following on

1529

00:53:55,430 --> 00:53:54,160

from the conversation about people

1530

00:53:57,030 --> 00:53:55,440

wanting to get more involved in

1531

00:53:58,950 --> 00:53:57,040

investigating and things like that we

1532

00:54:01,030 --> 00:53:58,960

were very lucky enough to be able to go

1533

00:54:03,270 --> 00:54:01,040

out to colombia to investigate

1534

00:54:04,549 --> 00:54:03,280

a case out there or maybe a couple of

1535

00:54:06,470 --> 00:54:04,559

cases out there

1536

00:54:09,109 --> 00:54:06,480

but we also have talked about a case

1537

00:54:12,390 --> 00:54:09,119

close to us the londondale lights about

1538

00:54:13,829 --> 00:54:12,400

going and looking into that case so

1539

00:54:15,430 --> 00:54:13,839

just talk about how people could even

1540

00:54:17,109 --> 00:54:15,440

look to what's around them locally and

1541

00:54:19,109 --> 00:54:17,119

i'll go out and

1542

00:54:22,309 --> 00:54:19,119

look into it ask questions knock on

1543

00:54:23,270 --> 00:54:22,319

doors maybe not just knock on doors and

1544

00:54:24,710 --> 00:54:23,280

but you know what i mean you know i'm

1545

00:54:26,549 --> 00:54:24,720

getting out how would you see that and

1546

00:54:28,230 --> 00:54:26,559

how would you sort of direct people into

1547

00:54:29,829 --> 00:54:28,240

wanting to get a bit more boots on the

1548

00:54:32,870 --> 00:54:29,839

ground maybe

1549

00:54:35,030 --> 00:54:32,880

i'd i mean everyone has their kind of

1550

00:54:37,270 --> 00:54:35,040

favorite area of expertise and for me

1551
00:54:38,630 --> 00:54:37,280
one of those areas was the hairstyle and

1552
00:54:40,549 --> 00:54:38,640
lights you know i grew up when i was a

1553
00:54:42,069 --> 00:54:40,559
teenager i'd watch those 24 7 video

1554
00:54:44,230 --> 00:54:42,079
streams and i never saw anything when i

1555
00:54:45,670 --> 00:54:44,240
was watching but it fascinates me and

1556
00:54:46,870 --> 00:54:45,680
it's still very relevant part of the

1557
00:54:49,510 --> 00:54:46,880
conversation

1558
00:54:51,910 --> 00:54:49,520
and those guys produced a long form

1559
00:54:52,950 --> 00:54:51,920
study paper and in the back of that

1560
00:54:54,069 --> 00:54:52,960
paper

1561
00:54:57,670 --> 00:54:54,079
they list

1562
00:54:59,990 --> 00:54:57,680
uh various areas around the world that

1563
00:55:01,349 --> 00:55:00,000

have similar phenomena going on in them

1564

00:55:03,190 --> 00:55:01,359

whether it's the brown mountain lights

1565

00:55:04,470 --> 00:55:03,200

the minion lights in australia there

1566

00:55:06,230 --> 00:55:04,480

seems to be

1567

00:55:08,789 --> 00:55:06,240

a common phenomena around the planet

1568

00:55:10,549 --> 00:55:08,799

that has many different names that you

1569

00:55:12,549 --> 00:55:10,559

can contribute to this subject by

1570

00:55:14,710 --> 00:55:12,559

studying um

1571

00:55:17,510 --> 00:55:14,720

i i feel like we went and did that with

1572

00:55:19,030 --> 00:55:17,520

one of them uh in colombia and the

1573

00:55:20,630 --> 00:55:19,040

results of that will be forthcoming you

1574

00:55:22,549 --> 00:55:20,640

know the gentleman here lou and sean

1575

00:55:24,470 --> 00:55:22,559

were very gracious to give us their time

1576
00:55:25,670 --> 00:55:24,480
to to help direct us a little bit while

1577
00:55:26,549 --> 00:55:25,680
we were out there

1578
00:55:27,430 --> 00:55:26,559
um

1579
00:55:30,630 --> 00:55:27,440
but

1580
00:55:33,349 --> 00:55:30,640
these places exist everywhere and i i

1581
00:55:34,950 --> 00:55:33,359
feel like when when biden signed the uap

1582
00:55:36,950 --> 00:55:34,960
investigation bill it was kind of a

1583
00:55:39,670 --> 00:55:36,960
green light that this is legitimately

1584
00:55:41,190 --> 00:55:39,680
how we could go spend our time now so

1585
00:55:42,789 --> 00:55:41,200
you know vinnie and i just did that for

1586
00:55:44,789 --> 00:55:42,799
two weeks and we want to kind of get

1587
00:55:46,230 --> 00:55:44,799
back out there and dig in but i'd

1588
00:55:47,270 --> 00:55:46,240

recommend people

1589

00:55:49,829 --> 00:55:47,280

you know just do a little bit of

1590

00:55:52,230 --> 00:55:49,839

googling have a read of those papers

1591

00:55:54,390 --> 00:55:52,240

talk to people in in those areas where

1592

00:55:55,910 --> 00:55:54,400

the lights are seen and yeah just get

1593

00:55:57,910 --> 00:55:55,920

boots on the ground and get photograph

1594

00:56:00,150 --> 00:55:57,920

and throw the common modern technology

1595

00:56:04,710 --> 00:56:00,160

at it and let's see what we can get

1596

00:56:08,309 --> 00:56:06,390

i was just gonna say remember it's a

1597

00:56:10,789 --> 00:56:08,319

journey i talk to so many people that

1598

00:56:12,950 --> 00:56:10,799

want one chance at that three-pointer or

1599

00:56:15,750 --> 00:56:12,960

that slam dunk they just want to they

1600

00:56:16,470 --> 00:56:15,760

want to hit the bell really hard and

1601
00:56:19,270 --> 00:56:16,480
they

1602
00:56:22,390 --> 00:56:19,280
i i don't want to to stamp on that kind

1603
00:56:25,109 --> 00:56:22,400
of energy but it is it is a stairway and

1604
00:56:27,109 --> 00:56:25,119
it is tall and it is a process and

1605
00:56:29,349 --> 00:56:27,119
there's falling so

1606
00:56:30,549 --> 00:56:29,359
you know keep your heart and and stay to

1607
00:56:32,390 --> 00:56:30,559
it

1608
00:56:34,309 --> 00:56:32,400
and dan i'll tell you man you you and

1609
00:56:36,230 --> 00:56:34,319
vinnie really succeeded i'm not going to

1610
00:56:37,910 --> 00:56:36,240
let the cat out of the bag but you know

1611
00:56:39,430 --> 00:56:37,920
you guys had one hell of a coalition

1612
00:56:41,109 --> 00:56:39,440
when you were in colombia you know this

1613
00:56:43,030 --> 00:56:41,119

was you know you guys

1614

00:56:45,510 --> 00:56:43,040

talk about boots on the ground you had a

1615

00:56:47,829 --> 00:56:45,520

pretty good assortment of individuals

1616

00:56:49,109 --> 00:56:47,839

again i'm not going to say who but i

1617

00:56:50,710 --> 00:56:49,119

know that sean and i were pretty

1618

00:56:52,069 --> 00:56:50,720

impressed when we saw who you had down

1619

00:56:54,789 --> 00:56:52,079

there right and you were doing your own

1620

00:56:56,630 --> 00:56:54,799

investigation and that's i mean that's

1621

00:56:58,309 --> 00:56:56,640

talk about boots on the ground you guys

1622

00:56:59,670 --> 00:56:58,319

really did and that's something that

1623

00:57:01,349 --> 00:56:59,680

anybody can do you know you don't have

1624

00:57:02,630 --> 00:57:01,359

to be necessarily a trained expert in

1625

00:57:04,870 --> 00:57:02,640

investigations you don't have to be a

1626
00:57:06,309 --> 00:57:04,880
special agent or counterintelligence you

1627
00:57:07,750 --> 00:57:06,319
know you can just ask the obvious

1628
00:57:10,630 --> 00:57:07,760
questions the five interrogators right

1629
00:57:12,870 --> 00:57:10,640
who what when where how and why and and

1630
00:57:14,150 --> 00:57:12,880
and start with that you know uh what

1631
00:57:15,589 --> 00:57:14,160
just you know what are the questions you

1632
00:57:16,789 --> 00:57:15,599
would want to know right what are the

1633
00:57:19,510 --> 00:57:16,799
answers you'd want to know and then ask

1634
00:57:20,789 --> 00:57:19,520
those questions so um you know i i

1635
00:57:22,309 --> 00:57:20,799
applaud what you guys did that

1636
00:57:23,670 --> 00:57:22,319
initiative you know not everybody can

1637
00:57:25,430 --> 00:57:23,680
afford to get on a plane and fly to

1638
00:57:26,470 --> 00:57:25,440

another country but you know maybe you

1639

00:57:29,030 --> 00:57:26,480

can get in your car and drive to the

1640

00:57:30,870 --> 00:57:29,040

next city right exactly maybe maybe

1641

00:57:32,630 --> 00:57:30,880

there's some areas nearby that have some

1642

00:57:34,069 --> 00:57:32,640

pretty interesting things happening and

1643

00:57:36,630 --> 00:57:34,079

and you know go out there with a camera

1644

00:57:38,069 --> 00:57:36,640

maybe just take a pen and a notepad and

1645

00:57:39,589 --> 00:57:38,079

and just start taking because you never

1646

00:57:41,430 --> 00:57:39,599

know when that information is going to

1647

00:57:43,589 --> 00:57:41,440

be really really useful

1648

00:57:44,870 --> 00:57:43,599

you know down the road so

1649

00:57:46,549 --> 00:57:44,880

that that's what i would encourage

1650

00:57:48,309 --> 00:57:46,559

people to do

1651

00:57:50,549 --> 00:57:48,319

thank you lou that's uh that's

1652

00:57:52,069 --> 00:57:50,559

that means a lot means a lot dan so

1653

00:57:54,309 --> 00:57:52,079

we'll kind of stick on that so let's

1654

00:57:55,829 --> 00:57:54,319

talk about the investigation that i'm

1655

00:57:57,190 --> 00:57:55,839

going to say about what you did i don't

1656

00:57:58,789 --> 00:57:57,200

want to bring it on to me because you're

1657

00:58:00,309 --> 00:57:58,799

my guest so

1658

00:58:01,670 --> 00:58:00,319

how did you find the investigative

1659

00:58:03,190 --> 00:58:01,680

process not having that kind of

1660

00:58:05,270 --> 00:58:03,200

background or training did it come

1661

00:58:07,030 --> 00:58:05,280

naturally and did you feel like it

1662

00:58:09,589 --> 00:58:07,040

you saw the steps do you know what i

1663

00:58:11,349 --> 00:58:09,599

mean yeah it's kind of like lou said you

1664

00:58:13,190 --> 00:58:11,359

know it's asking the questions that we

1665

00:58:15,589 --> 00:58:13,200

as audience members would want to know

1666

00:58:17,349 --> 00:58:15,599

the answers to whether it's you know

1667

00:58:18,950 --> 00:58:17,359

what did you see how long did it happen

1668

00:58:20,549 --> 00:58:18,960

did it have to happen over multiple

1669

00:58:22,789 --> 00:58:20,559

nights did anyone else see it or all

1670

00:58:24,710 --> 00:58:22,799

these kind of obvious things including

1671

00:58:27,109 --> 00:58:24,720

did you take a photo stick a video you

1672

00:58:29,030 --> 00:58:27,119

know and trying to gather those bits of

1673

00:58:30,630 --> 00:58:29,040

information enough to

1674

00:58:32,789 --> 00:58:30,640

to help us not just

1675

00:58:36,150 --> 00:58:32,799

come up with an idea of what it could be

1676
00:58:37,670 --> 00:58:36,160
but actually solve the thing and and say

1677
00:58:40,309 --> 00:58:37,680
whether it's you know something

1678
00:58:42,630 --> 00:58:40,319
anomalous or whether it's just for

1679
00:58:44,390 --> 00:58:42,640
example a blown transformer or

1680
00:58:45,910 --> 00:58:44,400
you know just electrical failure or

1681
00:58:48,549 --> 00:58:45,920
something like that

1682
00:58:50,789 --> 00:58:48,559
it was really great to kind of

1683
00:58:52,710 --> 00:58:50,799
learn that

1684
00:58:54,950 --> 00:58:52,720
learn the filter of how to to use

1685
00:58:56,710 --> 00:58:54,960
information from all the team that we

1686
00:58:59,589 --> 00:58:56,720
had there um i'm trying not to say the

1687
00:59:01,190 --> 00:58:59,599
names israel had um i i can see ashley

1688
00:59:04,549 --> 00:59:01,200

looking in the chat there saying you

1689

00:59:06,549 --> 00:59:04,559

guys have an idea which is true uh yeah

1690

00:59:07,430 --> 00:59:06,559

he is the the phenomenology account

1691

00:59:08,390 --> 00:59:07,440

there

1692

00:59:11,349 --> 00:59:08,400

um

1693

00:59:13,190 --> 00:59:11,359

i'm sure you'll see a trailer from from

1694

00:59:14,309 --> 00:59:13,200

ashley and it's really not too far away

1695

00:59:17,589 --> 00:59:14,319

in terms of watching it we're not

1696

00:59:18,390 --> 00:59:17,599

talking uh years we're talking you know

1697

00:59:21,270 --> 00:59:18,400

weeks

1698

00:59:23,670 --> 00:59:21,280

a month or so um and you'll get to see

1699

00:59:25,270 --> 00:59:23,680

exactly the journey we went on but yeah

1700

00:59:30,150 --> 00:59:25,280

learning

1701
00:59:31,990 --> 00:59:30,160
sightings was one of the biggest points

1702
00:59:34,150 --> 00:59:32,000
of interest for me because there are so

1703
00:59:35,109 --> 00:59:34,160
many different interpretations of these

1704
00:59:38,710 --> 00:59:35,119
events

1705
00:59:40,390 --> 00:59:38,720
and to be able to you know hear three

1706
00:59:43,349 --> 00:59:40,400
completely different versions of the

1707
00:59:45,349 --> 00:59:43,359
same event was was very eye-opening uh

1708
00:59:48,630 --> 00:59:45,359
in in terms of how you get to the truth

1709
00:59:50,870 --> 00:59:48,640
that's kind of in between them all

1710
00:59:51,910 --> 00:59:50,880
yeah absolutely and

1711
00:59:54,390 --> 00:59:51,920
and

1712
00:59:56,069 --> 00:59:54,400
interpretation is a human thing isn't it

1713
00:59:58,230 --> 00:59:56,079

i mean really that's what it boils down

1714

00:59:59,510 --> 00:59:58,240

to right at the end of the day it's

1715

01:00:01,270 --> 00:59:59,520

you're looking you're all looking at the

1716

01:00:03,510 --> 01:00:01,280

same thing but it's like the three blind

1717

01:00:04,870 --> 01:00:03,520

men trying to describe the elephant and

1718

01:00:06,870 --> 01:00:04,880

one's holding on to the trunk once

1719

01:00:08,470 --> 01:00:06,880

holding on to the foot and one's holding

1720

01:00:09,990 --> 01:00:08,480

on to the ear and they're all describing

1721

01:00:12,549 --> 01:00:10,000

something completely different and yet

1722

01:00:14,390 --> 01:00:12,559

it's all part of the same animal

1723

01:00:16,069 --> 01:00:14,400

yeah absolutely sorry i was just going

1724

01:00:17,750 --> 01:00:16,079

to say this here phenomenal

1725

01:00:19,750 --> 01:00:17,760

phenomenology you see here on the screen

1726

01:00:21,829 --> 01:00:19,760

is the new youtube account where the

1727

01:00:24,309 --> 01:00:21,839

documentary series will be put out for

1728

01:00:26,230 --> 01:00:24,319

free no pay will or anything i think the

1729

01:00:27,190 --> 01:00:26,240

first episode is coming about may the

1730

01:00:31,109 --> 01:00:27,200

first

1731

01:00:32,710 --> 01:00:31,119

um so yeah guys you know i hope you

1732

01:00:34,950 --> 01:00:32,720

want to watch it and stuff this is not

1733

01:00:37,430 --> 01:00:34,960

just about the phenomenon it's also

1734

01:00:39,030 --> 01:00:37,440

about the journey of everyone involved

1735

01:00:41,190 --> 01:00:39,040

from day one to

1736

01:00:43,430 --> 01:00:41,200

day 14 or whatever it was it's it's a

1737

01:00:45,430 --> 01:00:43,440

it's a human element to it as just as

1738

01:00:47,670 --> 01:00:45,440

much as there is to the phenomenon we

1739

01:00:51,030 --> 01:00:47,680

really wanted to portray like multi

1740

01:00:52,630 --> 01:00:51,040

faceted angles to this experience

1741

01:00:54,710 --> 01:00:52,640

of being

1742

01:00:57,030 --> 01:00:54,720

an investigative group a team bonding

1743

01:00:59,190 --> 01:00:57,040

meeting new people meeting locals

1744

01:01:00,470 --> 01:00:59,200

talking about a subject that we all love

1745

01:01:02,230 --> 01:01:00,480

but also that

1746

01:01:03,829 --> 01:01:02,240

indigenous folk have been talking about

1747

01:01:05,109 --> 01:01:03,839

for hundreds of years and bringing that

1748

01:01:07,430 --> 01:01:05,119

all together

1749

01:01:09,270 --> 01:01:07,440

wow that was something different so

1750

01:01:11,430 --> 01:01:09,280

please go and subscribe to the channel

1751
01:01:12,789 --> 01:01:11,440
and all that good stuff and look out for

1752
01:01:14,390 --> 01:01:12,799
it because i think people will be

1753
01:01:15,910 --> 01:01:14,400
pleasantly surprised

1754
01:01:20,309 --> 01:01:15,920
um

1755
01:01:23,349 --> 01:01:22,230
dan again this i'm going to start this

1756
01:01:25,670 --> 01:01:23,359
conversation with you but i hope

1757
01:01:27,349 --> 01:01:25,680
everyone else will jump in um let's go a

1758
01:01:28,789 --> 01:01:27,359
bit more science based and i know lou

1759
01:01:30,390 --> 01:01:28,799
you might be in the right mindset you've

1760
01:01:33,109 --> 01:01:30,400
been on that science journey tonight a

1761
01:01:35,670 --> 01:01:33,119
little bit um i'd like to talk about dna

1762
01:01:37,990 --> 01:01:35,680
and dna containers dan can you kind of

1763
01:01:41,990 --> 01:01:38,000

talk about that with us

1764

01:01:46,069 --> 01:01:43,510

those keywords

1765

01:01:47,670 --> 01:01:46,079

um yeah dna is something that we're only

1766

01:01:49,589 --> 01:01:47,680

kind of just starting to understand and

1767

01:01:52,549 --> 01:01:49,599

when when people talk to me about dna

1768

01:01:54,870 --> 01:01:52,559

containers with messages i i think back

1769

01:01:56,870 --> 01:01:54,880

to how

1770

01:01:58,950 --> 01:01:56,880

you know we we have comets that kind of

1771

01:02:00,630 --> 01:01:58,960

or meteors i should say that that get

1772

01:02:03,510 --> 01:02:00,640

dispersed throughout the solar system

1773

01:02:04,950 --> 01:02:03,520

that can carry those genetic codes to

1774

01:02:06,710 --> 01:02:04,960

other places

1775

01:02:08,549 --> 01:02:06,720

so i wonder you know when we have

1776

01:02:10,309 --> 01:02:08,559

conversations around hybrids people

1777

01:02:12,710 --> 01:02:10,319

think of those you know almost mad

1778

01:02:14,230 --> 01:02:12,720

scientist aliens engineering us and it's

1779

01:02:16,390 --> 01:02:14,240

not necessarily

1780

01:02:18,630 --> 01:02:16,400

that we can have a conversation about

1781

01:02:20,150 --> 01:02:18,640

hybrids where just genetic material is

1782

01:02:21,510 --> 01:02:20,160

shared between different solar systems

1783

01:02:22,470 --> 01:02:21,520

and different planets

1784

01:02:25,029 --> 01:02:22,480

um

1785

01:02:27,270 --> 01:02:25,039

and and yeah that's probably where

1786

01:02:28,870 --> 01:02:27,280

i would go with with that uh angle but

1787

01:02:32,069 --> 01:02:28,880

i'm curious what the guys are gonna say

1788

01:02:33,750 --> 01:02:32,079

uh i'll pass it to sean

1789

01:02:35,589 --> 01:02:33,760

hmm

1790

01:02:38,710 --> 01:02:35,599

you know

1791

01:02:41,910 --> 01:02:38,720

we have such a diversity of life here

1792

01:02:45,190 --> 01:02:41,920

um life is everywhere we look here

1793

01:02:48,549 --> 01:02:45,200

but if taken on a on a binary

1794

01:02:50,150 --> 01:02:48,559

life or no life scale we're still single

1795

01:02:52,630 --> 01:02:50,160

point

1796

01:02:55,589 --> 01:02:52,640

of evidence for life existing

1797

01:02:56,630 --> 01:02:55,599

um i think the environment here probably

1798

01:02:58,630 --> 01:02:56,640

if

1799

01:03:00,630 --> 01:02:58,640

the physics we observe

1800

01:03:02,870 --> 01:03:00,640

to the edges of our observable universe

1801
01:03:04,710 --> 01:03:02,880
appear to be the same physics that we

1802
01:03:05,990 --> 01:03:04,720
have come to understand at this point i

1803
01:03:08,390 --> 01:03:06,000
think it's

1804
01:03:10,150 --> 01:03:08,400
it's relatively logical for us to expand

1805
01:03:12,390 --> 01:03:10,160
out that what has happened here has

1806
01:03:14,390 --> 01:03:12,400
happened elsewhere

1807
01:03:15,750 --> 01:03:14,400
my a question that really interests me

1808
01:03:17,589 --> 01:03:15,760
is i think that everywhere we look we

1809
01:03:19,910 --> 01:03:17,599
can find patterns we find patterns

1810
01:03:22,789 --> 01:03:19,920
repeating and we find patterns repeating

1811
01:03:24,630 --> 01:03:22,799
in non-local areas it makes me wonder if

1812
01:03:26,549 --> 01:03:24,640
something like dna is ubiquitous

1813
01:03:29,109 --> 01:03:26,559

throughout the universe that if there is

1814

01:03:32,150 --> 01:03:29,119

a structure of life and the way to carry

1815

01:03:34,230 --> 01:03:32,160

on species memory and to to climb your

1816

01:03:35,349 --> 01:03:34,240

way up into awareness

1817

01:03:40,230 --> 01:03:35,359

um

1818

01:03:42,230 --> 01:03:40,240

what we call the phenomenon is a

1819

01:03:43,589 --> 01:03:42,240

comparable and understandable form of

1820

01:03:45,430 --> 01:03:43,599

life

1821

01:03:48,069 --> 01:03:45,440

and we've made assumptions based on what

1822

01:03:49,829 --> 01:03:48,079

we've observed

1823

01:03:51,589 --> 01:03:49,839

but we don't have

1824

01:03:53,910 --> 01:03:51,599

the evidence

1825

01:03:56,390 --> 01:03:53,920

to go back to and to build upon we're

1826
01:03:59,510 --> 01:03:56,400
still we're building upon anecdotes and

1827
01:04:01,270 --> 01:03:59,520
scant data um at least in the public to

1828
01:04:02,549 --> 01:04:01,280
it to a great extent or at least in the

1829
01:04:03,910 --> 01:04:02,559
community of people that feel that

1830
01:04:05,510 --> 01:04:03,920
they're witnessing this they don't have

1831
01:04:07,750 --> 01:04:05,520
the answers they need

1832
01:04:11,029 --> 01:04:07,760
but i think that if we just

1833
01:04:13,349 --> 01:04:11,039
remove the person or remove the personal

1834
01:04:14,950 --> 01:04:13,359
ego from it for a minute

1835
01:04:17,349 --> 01:04:14,960
we've made some really ridiculous

1836
01:04:19,510 --> 01:04:17,359
assumptions in my opinion about how

1837
01:04:20,789 --> 01:04:19,520
special and unique and everything else

1838
01:04:22,150 --> 01:04:20,799

we are

1839

01:04:23,750 --> 01:04:22,160

and

1840

01:04:27,589 --> 01:04:23,760

it

1841

01:04:30,150 --> 01:04:27,599

everywhere i look i see patterns

1842

01:04:31,589 --> 01:04:30,160

and so it says to me that if i find an

1843

01:04:33,349 --> 01:04:31,599

environment similar to this one

1844

01:04:35,910 --> 01:04:33,359

elsewhere i will probably find something

1845

01:04:37,829 --> 01:04:35,920

similar to me the universe is much older

1846

01:04:40,069 --> 01:04:37,839

than my culture

1847

01:04:42,390 --> 01:04:40,079

my mind is open to a number of

1848

01:04:43,270 --> 01:04:42,400

possibilities

1849

01:04:47,270 --> 01:04:43,280

yeah

1850

01:04:50,069 --> 01:04:47,280

my background

1851

01:04:52,150 --> 01:04:50,079

in college was was actually microbiology

1852

01:04:53,589 --> 01:04:52,160

immunology and um

1853

01:04:56,789 --> 01:04:53,599

you know let me talk a little bit about

1854

01:04:59,349 --> 01:04:56,799

about what dna is deoxyribonucleic acid

1855

01:05:02,390 --> 01:04:59,359

um which is really the

1856

01:05:04,069 --> 01:05:02,400

the code the sequence for for for life

1857

01:05:06,390 --> 01:05:04,079

here on this planet

1858

01:05:09,430 --> 01:05:06,400

um you know the notion that that amino

1859

01:05:10,549 --> 01:05:09,440

acids can be carried through space and

1860

01:05:12,069 --> 01:05:10,559

and

1861

01:05:13,109 --> 01:05:12,079

delivered here on this planet is nothing

1862

01:05:14,710 --> 01:05:13,119

new we

1863

01:05:16,870 --> 01:05:14,720

there are the building blocks of life

1864

01:05:17,990 --> 01:05:16,880

everywhere methane is a perfect example

1865

01:05:20,230 --> 01:05:18,000

of that when you look at some of the

1866

01:05:21,349 --> 01:05:20,240

moons even on our own in our own solar

1867

01:05:23,829 --> 01:05:21,359

system

1868

01:05:25,510 --> 01:05:23,839

they are full of of

1869

01:05:27,589 --> 01:05:25,520

of uh

1870

01:05:29,270 --> 01:05:27,599

the essence the soup the primordial soup

1871

01:05:31,829 --> 01:05:29,280

necessary for life

1872

01:05:33,750 --> 01:05:31,839

um the notion of panspermia which is

1873

01:05:35,510 --> 01:05:33,760

that life may have come from somewhere

1874

01:05:37,029 --> 01:05:35,520

else to here and and that's part of the

1875

01:05:40,390 --> 01:05:37,039

way the universe works

1876

01:05:42,549 --> 01:05:40,400

is certainly um a valid theory i would

1877

01:05:44,630 --> 01:05:42,559

suggest to you and i would say as

1878

01:05:46,069 --> 01:05:44,640

far as far as hybrids are concerned look

1879

01:05:48,549 --> 01:05:46,079

my background in microbiology and

1880

01:05:50,069 --> 01:05:48,559

immunology we are a species of hybrids

1881

01:05:52,950 --> 01:05:50,079

we have we've always have been when you

1882

01:05:55,750 --> 01:05:52,960

look at when when homo sapiens were

1883

01:05:58,230 --> 01:05:55,760

mixing with with harmony and erthalus

1884

01:06:00,230 --> 01:05:58,240

um we have been in fact it is

1885

01:06:02,549 --> 01:06:00,240

genetically harmful for us

1886

01:06:04,150 --> 01:06:02,559

uh it's bad for our our genetic pool if

1887

01:06:06,549 --> 01:06:04,160

we don't have that type of diversity you

1888

01:06:09,750 --> 01:06:06,559

know when you what what makes a a

1889

01:06:11,510 --> 01:06:09,760

healthy society is the fact that that we

1890

01:06:13,510 --> 01:06:11,520

have all sorts of different backgrounds

1891

01:06:15,750 --> 01:06:13,520

most people have a genetic very very

1892

01:06:18,549 --> 01:06:15,760

diverse genetic background

1893

01:06:20,710 --> 01:06:18,559

and that's good for the species and it's

1894

01:06:22,630 --> 01:06:20,720

good for here on this planet and it's

1895

01:06:24,950 --> 01:06:22,640

not a far leap to say well if it's good

1896

01:06:26,710 --> 01:06:24,960

for this planet that might be actually a

1897

01:06:29,589 --> 01:06:26,720

universal trait

1898

01:06:32,710 --> 01:06:29,599

maybe that is maybe that is the way

1899

01:06:34,710 --> 01:06:32,720

life exists and and and

1900

01:06:36,789 --> 01:06:34,720

thrives throughout the universe not just

1901

01:06:38,470 --> 01:06:36,799

on our planet and that

1902

01:06:39,750 --> 01:06:38,480

this hybridization you know i know

1903

01:06:41,750 --> 01:06:39,760

people want to kind of go down the

1904

01:06:43,029 --> 01:06:41,760

rabbit hole if we're talking about alien

1905

01:06:44,390 --> 01:06:43,039

hybrids but

1906

01:06:47,510 --> 01:06:44,400

but let's talk about that for a minute

1907

01:06:50,470 --> 01:06:47,520

from a very real sense you know you have

1908

01:06:51,750 --> 01:06:50,480

a virus and i've said this before

1909

01:06:53,109 --> 01:06:51,760

a virus

1910

01:06:54,549 --> 01:06:53,119

isn't really any type of life form

1911

01:06:56,230 --> 01:06:54,559

doesn't even have dna and yet it

1912

01:06:58,470 --> 01:06:56,240

replicates and it protects itself and it

1913

01:07:01,270 --> 01:06:58,480

does a lot of things that life forms do

1914

01:07:04,549 --> 01:07:01,280

but it uses rna and it can inject its

1915

01:07:08,069 --> 01:07:04,559

own rna to change the sequencing of dna

1916

01:07:09,510 --> 01:07:08,079

in a host to make more viruses right so

1917

01:07:10,630 --> 01:07:09,520

to some degree

1918

01:07:13,349 --> 01:07:10,640

you know there's

1919

01:07:15,190 --> 01:07:13,359

viruses act a lot like like a life form

1920

01:07:17,109 --> 01:07:15,200

and some scientists have speculated that

1921

01:07:19,990 --> 01:07:17,119

maybe they are an alien

1922

01:07:22,549 --> 01:07:20,000

for life form and we've just been living

1923

01:07:25,190 --> 01:07:22,559

uh some cases symbiotically in some

1924

01:07:27,990 --> 01:07:25,200

cases more parasitically with with with

1925

01:07:30,630 --> 01:07:28,000

alien life forms all along um there's

1926

01:07:32,549 --> 01:07:30,640

you can't disprove that there there is

1927

01:07:34,470 --> 01:07:32,559

there is some interesting evidence to

1928

01:07:37,430 --> 01:07:34,480

suggest that maybe viruses aren't

1929

01:07:39,990 --> 01:07:37,440

natural to to here to this this biome we

1930

01:07:41,670 --> 01:07:40,000

call earth um again i'm not i don't want

1931

01:07:43,270 --> 01:07:41,680

to go too far in speculation but there

1932

01:07:44,390 --> 01:07:43,280

are some scientists who have said that

1933

01:07:46,549 --> 01:07:44,400

for the record

1934

01:07:47,589 --> 01:07:46,559

so um i'm not

1935

01:07:48,950 --> 01:07:47,599

you know i just think we need to be

1936

01:07:50,390 --> 01:07:48,960

careful when we say hybridization the

1937

01:07:51,109 --> 01:07:50,400

first thing that comes to people's minds

1938

01:07:54,630 --> 01:07:51,119

are

1939

01:07:57,510 --> 01:07:54,640

you know aliens coming in and you know

1940

01:07:59,990 --> 01:07:57,520

having you know babies with people

1941

01:08:02,470 --> 01:08:00,000

i will go to detail uh on how that might

1942

01:08:04,549 --> 01:08:02,480

or might not work um but let's face it

1943

01:08:06,470 --> 01:08:04,559

hybridization is something natural that

1944

01:08:08,789 --> 01:08:06,480

we see in mother nature all the time and

1945

01:08:11,829 --> 01:08:08,799

our species is not immune to it we in

1946

01:08:13,589 --> 01:08:11,839

fact we we thrive upon hybridization um

1947

01:08:14,789 --> 01:08:13,599

that's that some could argue that's been

1948

01:08:16,630 --> 01:08:14,799

the success

1949

01:08:18,870 --> 01:08:16,640

the secret sauce the secret success of

1950

01:08:20,630 --> 01:08:18,880

our species all along so you know before

1951

01:08:22,709 --> 01:08:20,640

people start pooh-poohing that idea you

1952

01:08:24,789 --> 01:08:22,719

know you better take a good long hard

1953

01:08:27,430 --> 01:08:24,799

look at nature mother nature first to

1954

01:08:29,110 --> 01:08:27,440

see that she's already doing that

1955

01:08:30,789 --> 01:08:29,120

absolutely yeah

1956

01:08:33,669 --> 01:08:30,799

dan anything or anyone else want to

1957

01:08:35,510 --> 01:08:33,679

continue that at all i just i'd love to

1958

01:08:38,950 --> 01:08:35,520

add a little generalist spin to it that

1959

01:08:41,430 --> 01:08:38,960

we talk about here and we talk about

1960

01:08:43,269 --> 01:08:41,440

what we observe and what this world is

1961

01:08:45,430 --> 01:08:43,279

but we forget a simple phrase like

1962

01:08:47,430 --> 01:08:45,440

everything that is here

1963

01:08:49,430 --> 01:08:47,440

came from space

1964

01:08:50,390 --> 01:08:49,440

nothing started in this is not even a

1965

01:08:53,030 --> 01:08:50,400

place

1966

01:08:54,630 --> 01:08:53,040

this is a corkscrew of a solar system

1967

01:08:56,870 --> 01:08:54,640

that's traveling in a circle in this

1968

01:08:59,430 --> 01:08:56,880

area in a local group around a larger

1969

01:09:01,430 --> 01:08:59,440

supercluster and it and it extends

1970

01:09:03,829 --> 01:09:01,440

downwards toward the quantum level and

1971

01:09:06,870 --> 01:09:03,839

upwards towards the supergalactic level

1972

01:09:08,229 --> 01:09:06,880

as to how everything truly does interact

1973

01:09:09,349 --> 01:09:08,239

with each other

1974

01:09:12,550 --> 01:09:09,359

but um

1975

01:09:14,470 --> 01:09:12,560

we act as if we are here and everything

1976

01:09:15,590 --> 01:09:14,480

else is out there

1977

01:09:18,550 --> 01:09:15,600

and

1978

01:09:20,229 --> 01:09:18,560

no we are inside everything else with

1979

01:09:21,990 --> 01:09:20,239

everything else and we are everything

1980

01:09:24,070 --> 01:09:22,000

else with the origins

1981

01:09:26,149 --> 01:09:24,080

aren't local to this little spot this

1982

01:09:28,070 --> 01:09:26,159

little spot didn't exist 10 seconds ago

1983

01:09:32,870 --> 01:09:28,080

we're in a new spot in a new spot in a

1984

01:09:37,030 --> 01:09:35,829

it's um it's i think that when we expand

1985

01:09:38,630 --> 01:09:37,040

that out you don't have to stay there

1986

01:09:40,390 --> 01:09:38,640

all the time you'll end up just picking

1987

01:09:42,470 --> 01:09:40,400

lint out of your belly button all day

1988

01:09:44,630 --> 01:09:42,480

but you have to expand your viewpoint

1989

01:09:46,829 --> 01:09:44,640

out that just to realize that

1990

01:09:50,309 --> 01:09:46,839

that there's more to it so

1991

01:09:52,550 --> 01:09:50,319

um but yeah

1992

01:09:54,149 --> 01:09:52,560

fabulous thank you so much i'm gonna

1993

01:09:55,990 --> 01:09:54,159

stick with science for a little bit and

1994

01:09:58,310 --> 01:09:56,000

i'm gonna come back to you dan

1995

01:10:00,229 --> 01:09:58,320

with my bullet point i've not formulated

1996

01:10:02,870 --> 01:10:00,239

questions because let's be honest i'm

1997

01:10:04,790 --> 01:10:02,880

not intelligent enough to really do that

1998

01:10:06,950 --> 01:10:04,800

but i want to talk about anti-neutrinos

1999

01:10:10,229 --> 01:10:06,960

dan i know this is something that you

2000

01:10:11,430 --> 01:10:10,239

are quite eager to talk about so

2001

01:10:13,669 --> 01:10:11,440

give it to us

2002

01:10:16,149 --> 01:10:13,679

yeah uh so recently

2003

01:10:18,709 --> 01:10:16,159

uh tim mcmillan brought up the fact that

2004

01:10:21,030 --> 01:10:18,719

uh there was an anti-neutrino the study

2005

01:10:21,830 --> 01:10:21,040

of the planet done uh in 2015 i think it

2006

01:10:23,990 --> 01:10:21,840

was

2007

01:10:25,910 --> 01:10:24,000

that basically mapped all the occurring

2008

01:10:27,669 --> 01:10:25,920

instances of antsy neutrinos over the

2009

01:10:28,390 --> 01:10:27,679

planet and

2010

01:10:31,750 --> 01:10:28,400

the

2011

01:10:34,709 --> 01:10:31,760

signified reactors

2012

01:10:36,229 --> 01:10:34,719

and would no doubt pick up any nuclear

2013

01:10:37,990 --> 01:10:36,239

kind of source

2014

01:10:39,910 --> 01:10:38,000

like a nuclear carrier fleet or

2015

01:10:41,590 --> 01:10:39,920

something like that but there was also

2016

01:10:43,270 --> 01:10:41,600

said to be mixed in that if you could

2017

01:10:45,510 --> 01:10:43,280

look at the granular data there might be

2018

01:10:47,030 --> 01:10:45,520

areas of interest in terms of uap

2019

01:10:47,990 --> 01:10:47,040

presence as well

2020

01:10:54,790 --> 01:10:48,000

and

2021

01:10:57,430 --> 01:10:54,800

you guys up to see if you'd heard any

2022

01:11:00,310 --> 01:10:57,440

of any link between anti-neutrinos the

2023

01:11:06,390 --> 01:11:00,320

study of and whether they signify uap

2024

01:11:06,400 --> 01:11:10,390

yeah i personally um

2025

01:11:14,470 --> 01:11:11,669

let me say that in the course of my

2026

01:11:18,229 --> 01:11:14,480

discussions we've considered a lot of

2027

01:11:20,390 --> 01:11:18,239

means of um of gathering data uh whether

2028

01:11:23,270 --> 01:11:20,400

it's uh past environmental data

2029

01:11:25,510 --> 01:11:23,280

real-time data or ways to to capture

2030

01:11:27,590 --> 01:11:25,520

more data in the future and i often

2031

01:11:29,510 --> 01:11:27,600

generalize that what we're doing is

2032

01:11:31,189 --> 01:11:29,520

trying to increase our sampling of the

2033

01:11:32,709 --> 01:11:31,199

electromagnetic spectrum because

2034

01:11:34,630 --> 01:11:32,719

everything including us

2035

01:11:36,870 --> 01:11:34,640

is existing somewhere

2036

01:11:38,470 --> 01:11:36,880

within that area

2037

01:11:40,390 --> 01:11:38,480

um

2038

01:11:41,910 --> 01:11:40,400

i've had i've had conversations that

2039

01:11:43,030 --> 01:11:41,920
surround the tech but i'm not a

2040

01:11:43,910 --> 01:11:43,040
physicist

2041

01:11:44,870 --> 01:11:43,920
so

2042

01:11:50,070 --> 01:11:44,880
um

2043

01:11:53,990 --> 01:11:50,080
heard i've heard scientists discuss

2044

01:11:55,510 --> 01:11:54,000
possibilities uh of utilizing systems

2045

01:11:58,550 --> 01:11:55,520
i don't know how far that may have been

2046

01:12:00,470 --> 01:11:58,560
socialized outside of my group um i'm

2047

01:12:02,470 --> 01:12:00,480
sure that that there are plenty of

2048

01:12:04,390 --> 01:12:02,480
people in those realms that that may or

2049

01:12:07,110 --> 01:12:04,400
may not be interested in this as the as

2050

01:12:09,750 --> 01:12:07,120
the subject advances into science the

2051

01:12:12,229 --> 01:12:09,760

scientific realm

2052

01:12:15,030 --> 01:12:12,239

um i'll i'll jump on that too just for a

2053

01:12:16,870 --> 01:12:15,040

quick second here you know i i'm not

2054

01:12:19,430 --> 01:12:16,880

familiar with anti-neutrinos i am

2055

01:12:21,189 --> 01:12:19,440

familiar a little bit uh with with the

2056

01:12:23,189 --> 01:12:21,199

notion of neutrinos

2057

01:12:25,030 --> 01:12:23,199

and the problem with neutrinos is that

2058

01:12:25,830 --> 01:12:25,040

well first of all they're they're they

2059

01:12:30,390 --> 01:12:25,840

are

2060

01:12:33,669 --> 01:12:30,400

also super elusive

2061

01:12:35,110 --> 01:12:33,679

um for being so prominent and and you

2062

01:12:37,189 --> 01:12:35,120

know one of the sources of that is

2063

01:12:39,990 --> 01:12:37,199

nuclear fusion and and the core of our

2064

01:12:41,430 --> 01:12:40,000

sun so we're constantly being bathed in

2065

01:12:44,149 --> 01:12:41,440

in neutrinos

2066

01:12:46,070 --> 01:12:44,159

um the problem is detecting them and

2067

01:12:48,390 --> 01:12:46,080

right now it's it's a matter of

2068

01:12:49,430 --> 01:12:48,400

technology that we just simply don't

2069

01:12:52,070 --> 01:12:49,440

have

2070

01:12:54,149 --> 01:12:52,080

the the technology required

2071

01:12:56,709 --> 01:12:54,159

to to study them as much as we would

2072

01:12:58,310 --> 01:12:56,719

like to right now we have to have a

2073

01:13:00,229 --> 01:12:58,320

neutrino tank

2074

01:13:03,430 --> 01:13:00,239

buried you know thousands and thousands

2075

01:13:05,669 --> 01:13:03,440

of feet under the earth's surface

2076

01:13:07,430 --> 01:13:05,679

in order to just detect it and basically

2077

01:13:10,630 --> 01:13:07,440

in essence in theory a neutrino hits

2078

01:13:13,510 --> 01:13:10,640

this tank uh it it interacts with with

2079

01:13:14,550 --> 01:13:13,520

the liquid uh water in this case and as

2080

01:13:17,270 --> 01:13:14,560

a result

2081

01:13:19,830 --> 01:13:17,280

it uh it releases a photon of light that

2082

01:13:23,110 --> 01:13:19,840

can be measured and

2083

01:13:25,990 --> 01:13:23,120

in in practice it sounds um well in

2084

01:13:27,590 --> 01:13:26,000

theory it sounds sounds easy in practice

2085

01:13:29,270 --> 01:13:27,600

not so much it's

2086

01:13:31,030 --> 01:13:29,280

it's a lot more challenging and so we

2087

01:13:33,350 --> 01:13:31,040

may have to wait i guess long story

2088

01:13:36,070 --> 01:13:33,360

short here dan and vinnie is for the

2089

01:13:39,669 --> 01:13:36,080

technology to catch up before we could

2090

01:13:41,830 --> 01:13:39,679

use that type of of capability in any

2091

01:13:43,510 --> 01:13:41,840

way as it relates to uap

2092

01:13:44,870 --> 01:13:43,520

i'm not saying it doesn't work what i'm

2093

01:13:46,390 --> 01:13:44,880

simply saying is we may have to wait a

2094

01:13:49,910 --> 01:13:46,400

few years until we have

2095

01:13:52,470 --> 01:13:49,920

the technology to to apply that uh in in

2096

01:13:54,229 --> 01:13:52,480

the study of uap

2097

01:13:56,550 --> 01:13:54,239

are there any other scientific avenues

2098

01:13:59,189 --> 01:13:56,560

that may be looking at historical data

2099

01:14:01,350 --> 01:13:59,199

or research or trying to figure out a

2100

01:14:02,950 --> 01:14:01,360

new way of detecting these things and

2101

01:14:05,030 --> 01:14:02,960

and if so

2102

01:14:07,590 --> 01:14:05,040

have you had the conversations anybody

2103

01:14:09,110 --> 01:14:07,600

here and you know does that look like

2104

01:14:11,189 --> 01:14:09,120

something that we could utilize in the

2105

01:14:13,189 --> 01:14:11,199

future and as you answer that i'm just

2106

01:14:15,750 --> 01:14:13,199

going to check on my daughter please uh

2107

01:14:17,350 --> 01:14:15,760

my apologies

2108

01:14:18,870 --> 01:14:17,360

um

2109

01:14:21,270 --> 01:14:18,880

what i can say is that we're always

2110

01:14:23,350 --> 01:14:21,280

looking for signatures um i i'm not

2111

01:14:25,189 --> 01:14:23,360

gonna go specifically as to what the

2112

01:14:28,550 --> 01:14:25,199

signatures might or might not look like

2113

01:14:31,189 --> 01:14:28,560

but you know everything in

2114

01:14:33,669 --> 01:14:31,199

nature everything in our reality um

2115

01:14:36,070 --> 01:14:33,679

perturbs the environment in some way

2116

01:14:37,750 --> 01:14:36,080

some small way sometimes in a big way

2117

01:14:40,149 --> 01:14:37,760

and whether that's through through

2118

01:14:42,870 --> 01:14:40,159

acoustic energy or electromagnetic

2119

01:14:43,750 --> 01:14:42,880

energy or heat or whatever

2120

01:14:45,110 --> 01:14:43,760

um

2121

01:14:47,430 --> 01:14:45,120

you know you you

2122

01:14:49,669 --> 01:14:47,440

anytime you introduce mass or matter

2123

01:14:52,790 --> 01:14:49,679

into into a space

2124

01:14:54,390 --> 01:14:52,800

you perturb space time um even gravity

2125

01:14:56,550 --> 01:14:54,400

to some degree you know there's

2126
01:14:58,070 --> 01:14:56,560
fluctuations micro fluctuations in in

2127
01:15:01,270 --> 01:14:58,080
gravity fields

2128
01:15:03,669 --> 01:15:01,280
so uh we are indeed looking at

2129
01:15:05,510 --> 01:15:03,679
signatures um

2130
01:15:07,430 --> 01:15:05,520
the question is which signatures are are

2131
01:15:10,709 --> 01:15:07,440
the best telltale sign

2132
01:15:13,110 --> 01:15:10,719
of uap activity and i i'm not convinced

2133
01:15:14,630 --> 01:15:13,120
we're quite there yet but i think we're

2134
01:15:19,030 --> 01:15:14,640
we're getting close and we're certainly

2135
01:15:24,070 --> 01:15:20,870
sean any any comment on the science

2136
01:15:25,270 --> 01:15:24,080
aspect of that i mean

2137
01:15:28,310 --> 01:15:25,280
anything

2138
01:15:30,070 --> 01:15:28,320

well it's uh as as lou was saying and as

2139

01:15:32,550 --> 01:15:30,080

we're kind of alluding to before we have

2140

01:15:35,270 --> 01:15:32,560

to take a full spectrum approach because

2141

01:15:37,669 --> 01:15:35,280

we just we don't have a

2142

01:15:40,390 --> 01:15:37,679

a nomenclature list to look at and say

2143

01:15:41,350 --> 01:15:40,400

okay well they well uap produces this

2144

01:15:44,229 --> 01:15:41,360

kind of

2145

01:15:46,070 --> 01:15:44,239

um telltale signature we don't have a

2146

01:15:47,510 --> 01:15:46,080

a dedicated

2147

01:15:49,590 --> 01:15:47,520

list of things to look for so when we

2148

01:15:51,510 --> 01:15:49,600

ask about specific things

2149

01:15:53,030 --> 01:15:51,520

i would say we want to throw the kitchen

2150

01:15:55,350 --> 01:15:53,040

sink at it but we want to do it in a

2151
01:15:57,270 --> 01:15:55,360
pragmatic sense we the data has to be

2152
01:15:59,270 --> 01:15:57,280
looked at and it has to matter

2153
01:16:01,030 --> 01:15:59,280
so um

2154
01:16:03,830 --> 01:16:01,040
that that's all is i i think that we're

2155
01:16:05,110 --> 01:16:03,840
still determining what we're looking at

2156
01:16:08,390 --> 01:16:05,120
and so that's going to determine the

2157
01:16:11,110 --> 01:16:08,400
tools that we utilize to look at it

2158
01:16:13,270 --> 01:16:11,120
yeah i agree absolutely yeah

2159
01:16:15,990 --> 01:16:13,280
it makes perfect sense really doesn't it

2160
01:16:18,470 --> 01:16:16,000
um i'm just gonna i've got a few like

2161
01:16:20,950 --> 01:16:18,480
questions that i've been bombarded with

2162
01:16:22,310 --> 01:16:20,960
let's say and sean given the the fact

2163
01:16:24,950 --> 01:16:22,320

that we've not really heard too much

2164

01:16:27,030 --> 01:16:24,960

from you i've had so many people asking

2165

01:16:29,189 --> 01:16:27,040

what's going on with skyfort where have

2166

01:16:30,229 --> 01:16:29,199

they been where they at what's happening

2167

01:16:33,030 --> 01:16:30,239

so i

2168

01:16:35,590 --> 01:16:33,040

i kind of had to ask really

2169

01:16:37,990 --> 01:16:35,600

it's pretty simple um skyford exists

2170

01:16:39,910 --> 01:16:38,000

first of all to get the job done

2171

01:16:41,510 --> 01:16:39,920

and the charter that we gave ourselves

2172

01:16:43,110 --> 01:16:41,520

was to connect

2173

01:16:45,990 --> 01:16:43,120

like-minded people

2174

01:16:47,510 --> 01:16:46,000

professionals in academia in government

2175

01:16:48,470 --> 01:16:47,520

in the military and in the private

2176

01:16:51,030 --> 01:16:48,480

sector

2177

01:16:53,270 --> 01:16:51,040

to talk about this subject to socialize

2178

01:16:54,149 --> 01:16:53,280

the the important and pragmatic data

2179

01:16:56,070 --> 01:16:54,159

points

2180

01:16:58,229 --> 01:16:56,080

and to to just

2181

01:17:00,149 --> 01:16:58,239

create a comfort zone for rational

2182

01:17:02,390 --> 01:17:00,159

rational discussion

2183

01:17:05,189 --> 01:17:02,400

we're not so concerned about enriching

2184

01:17:06,790 --> 01:17:05,199

ourselves advertising becoming big names

2185

01:17:07,910 --> 01:17:06,800

or anything like that and that confuses

2186

01:17:09,510 --> 01:17:07,920

some people

2187

01:17:11,350 --> 01:17:09,520

we just don't have time for that kind of

2188

01:17:13,189 --> 01:17:11,360

thing i i think as you guys know that

2189

01:17:16,310 --> 01:17:13,199

when you get involved in and i've

2190

01:17:17,590 --> 01:17:16,320

demonized monetization before i'm not

2191

01:17:18,630 --> 01:17:17,600

going to do that right now but you know

2192

01:17:20,470 --> 01:17:18,640

that

2193

01:17:21,510 --> 01:17:20,480

if if what you're doing has to keep your

2194

01:17:24,950 --> 01:17:21,520

lights on

2195

01:17:27,110 --> 01:17:24,960

it becomes a different kind of job

2196

01:17:30,229 --> 01:17:27,120

and you approach it differently i'm a

2197

01:17:32,149 --> 01:17:30,239

pensioner i chose to do this for now on

2198

01:17:34,470 --> 01:17:32,159

my pension because it helped me keep my

2199

01:17:37,030 --> 01:17:34,480

ethical set together it helped me keep

2200

01:17:38,950 --> 01:17:37,040

my morals centered to this and i didn't

2201
01:17:40,550 --> 01:17:38,960
need anything out of this other than to

2202
01:17:42,830 --> 01:17:40,560
try to make things easier for other

2203
01:17:45,270 --> 01:17:42,840
people where it had been hard for me

2204
01:17:47,510 --> 01:17:45,280
um so it's

2205
01:17:49,590 --> 01:17:47,520
so so when i so that sounds like i'm i'm

2206
01:17:52,229 --> 01:17:49,600
dancing around the answer but i'm not we

2207
01:17:54,790 --> 01:17:52,239
talk to people and a lot of times you

2208
01:17:56,790 --> 01:17:54,800
know i won't take credit for for any

2209
01:17:57,990 --> 01:17:56,800
edifice or things that have passed or

2210
01:18:00,310 --> 01:17:58,000
anything like that but did we have a

2211
01:18:02,070 --> 01:18:00,320
hand in it we certainly did because we

2212
01:18:03,990 --> 01:18:02,080
spent countless hours talking to people

2213
01:18:05,350 --> 01:18:04,000

and saying listen i know that you don't

2214

01:18:07,350 --> 01:18:05,360

think this is real i know that you've

2215

01:18:09,350 --> 01:18:07,360

been filled with a lot of nonsense

2216

01:18:11,270 --> 01:18:09,360

here's where i was here's what happened

2217

01:18:12,709 --> 01:18:11,280

here's the data here's some videos and

2218

01:18:13,510 --> 01:18:12,719

here's some more people you should talk

2219

01:18:15,669 --> 01:18:13,520

to

2220

01:18:17,350 --> 01:18:15,679

and in a lot of ways for for people that

2221

01:18:18,709 --> 01:18:17,360

work in government or military or

2222

01:18:20,470 --> 01:18:18,719

science

2223

01:18:22,470 --> 01:18:20,480

having the bona fides of having been in

2224

01:18:24,149 --> 01:18:22,480

for 20 years having been a recognized

2225

01:18:25,750 --> 01:18:24,159

person that was at an incident that has

2226

01:18:27,910 --> 01:18:25,760

already been socialized in the public

2227

01:18:29,990 --> 01:18:27,920

that they can see it makes it safe for

2228

01:18:31,910 --> 01:18:30,000

them to approach this subject

2229

01:18:33,430 --> 01:18:31,920

and once they've approached the subject

2230

01:18:35,350 --> 01:18:33,440

a lot of these folks i never speak to

2231

01:18:37,189 --> 01:18:35,360

them again you know i'm not going to

2232

01:18:39,590 --> 01:18:37,199

name drop but i talked to eric weinstein

2233

01:18:41,270 --> 01:18:39,600

about a year ago and i'm not any elusive

2234

01:18:42,950 --> 01:18:41,280

person that he may have spoken about i'm

2235

01:18:45,189 --> 01:18:42,960

just another guy he talked to on the

2236

01:18:47,990 --> 01:18:45,199

phone but i was part of the process of

2237

01:18:49,750 --> 01:18:48,000

going thanks for taking my call yes i'm

2238

01:18:52,070 --> 01:18:49,760

not kidding this is real

2239

01:18:54,070 --> 01:18:52,080

you don't have to believe me

2240

01:18:55,669 --> 01:18:54,080

just please look at this data and decide

2241

01:18:57,990 --> 01:18:55,679

for yourself and that that's the chance

2242

01:19:00,229 --> 01:18:58,000

that so many of us have been asking

2243

01:19:02,630 --> 01:19:00,239

for for so long with what we call

2244

01:19:04,709 --> 01:19:02,640

leadership or or or the media or

2245

01:19:06,790 --> 01:19:04,719

government that we're finally there

2246

01:19:09,910 --> 01:19:06,800

these people who are institutional

2247

01:19:11,750 --> 01:19:09,920

leaders are taking this seriously

2248

01:19:14,790 --> 01:19:11,760

do you think that should also spread to

2249

01:19:16,310 --> 01:19:14,800

cultural figures as well

2250

01:19:17,430 --> 01:19:16,320

is that something that's

2251

01:19:20,390 --> 01:19:17,440

come up

2252

01:19:22,070 --> 01:19:20,400

absolutely it's while people turn to

2253

01:19:23,110 --> 01:19:22,080

folks like lou and i for answers so

2254

01:19:25,430 --> 01:19:23,120

often for

2255

01:19:27,270 --> 01:19:25,440

our personal conclusions and and i know

2256

01:19:28,950 --> 01:19:27,280

that lou and i both try really hard to

2257

01:19:31,270 --> 01:19:28,960

withhold some of those because i don't

2258

01:19:32,870 --> 01:19:31,280

want my conclusions to inform another

2259

01:19:34,830 --> 01:19:32,880

person because my conclusions change all

2260

01:19:37,830 --> 01:19:34,840

the time based on the data

2261

01:19:39,270 --> 01:19:37,840

however it's pretty clear to almost any

2262

01:19:40,870 --> 01:19:39,280

of us who spend a few minutes really

2263

01:19:43,830 --> 01:19:40,880

thinking about this that we need our

2264

01:19:47,270 --> 01:19:43,840

spiritual leaders we need our

2265

01:19:49,510 --> 01:19:47,280

our um our thought leaders we need our

2266

01:19:51,669 --> 01:19:49,520

those of us who are in the um the

2267

01:19:53,750 --> 01:19:51,679

consciousness sciences they all need to

2268

01:19:55,830 --> 01:19:53,760

get involved because although we don't

2269

01:19:57,990 --> 01:19:55,840

understand these

2270

01:19:59,830 --> 01:19:58,000

finer aspects that may or may not

2271

01:20:01,110 --> 01:19:59,840

involve personal consciousness or group

2272

01:20:02,950 --> 01:20:01,120

consciousness

2273

01:20:04,630 --> 01:20:02,960

the people who understand those realms

2274

01:20:07,510 --> 01:20:04,640

the best are the ones that should be

2275

01:20:08,709 --> 01:20:07,520

taking over the subject i am i'm i'm a

2276

01:20:11,350 --> 01:20:08,719

generalist

2277

01:20:13,350 --> 01:20:11,360

i don't belong in the laboratory

2278

01:20:14,629 --> 01:20:13,360

i i just i'm a communicator and an

2279

01:20:17,830 --> 01:20:14,639

interlocutor

2280

01:20:20,310 --> 01:20:17,840

but we need the the the experts those

2281

01:20:22,229 --> 01:20:20,320

who own the study to take their portion

2282

01:20:24,870 --> 01:20:22,239

of uap and own that as well and then

2283

01:20:26,310 --> 01:20:24,880

return the data back to all of us

2284

01:20:28,390 --> 01:20:26,320

yeah absolutely

2285

01:20:30,629 --> 01:20:28,400

and one thing that's really been

2286

01:20:32,229 --> 01:20:30,639

hitting my inbox this week as well and

2287

01:20:34,629 --> 01:20:32,239

it has been spoken about i think i've

2288

01:20:36,790 --> 01:20:34,639

spoken to lou about it before is how do

2289

01:20:38,870 --> 01:20:36,800

we engage people whether it be friends

2290

01:20:41,430 --> 01:20:38,880

family members work colleagues how do we

2291

01:20:43,030 --> 01:20:41,440

engage them on this subject when they've

2292

01:20:44,870 --> 01:20:43,040

really never heard about it or talked

2293

01:20:47,510 --> 01:20:44,880

about it other than seeing it on a

2294

01:20:49,110 --> 01:20:47,520

sci-fi movie or a documentary

2295

01:20:51,510 --> 01:20:49,120

you know people are still so desperate

2296

01:20:53,030 --> 01:20:51,520

to engage with their friends and family

2297

01:20:55,030 --> 01:20:53,040

just to kind of say

2298

01:20:56,390 --> 01:20:55,040

please talk about it talk to me about my

2299

01:20:58,149 --> 01:20:56,400

interest

2300

01:20:59,910 --> 01:20:58,159

can we just go over that again in a way

2301

01:21:03,590 --> 01:20:59,920

like how do how do people take that

2302

01:21:05,350 --> 01:21:03,600

first step in in your opinions

2303

01:21:06,950 --> 01:21:05,360

i'm gonna um

2304

01:21:09,189 --> 01:21:06,960

i'm gonna probably take some people off

2305

01:21:11,430 --> 01:21:09,199

and i'm gonna say first you have to ask

2306

01:21:13,590 --> 01:21:11,440

yourself yourself if you're if you're

2307

01:21:15,750 --> 01:21:13,600

validation seeking

2308

01:21:18,550 --> 01:21:15,760

right and we're human beings we need

2309

01:21:20,470 --> 01:21:18,560

that we need that validation but how

2310

01:21:21,910 --> 01:21:20,480

much of that is the need to communicate

2311

01:21:23,590 --> 01:21:21,920

your story

2312

01:21:25,350 --> 01:21:23,600

it's understandable

2313

01:21:28,790 --> 01:21:25,360

but people who have not had those

2314

01:21:30,470 --> 01:21:28,800

experiences that are so out of the realm

2315

01:21:32,550 --> 01:21:30,480

of normalcy

2316

01:21:34,229 --> 01:21:32,560

that there's i won't i won't fish for

2317

01:21:36,149 --> 01:21:34,239

psychological terms there's a there's a

2318

01:21:38,390 --> 01:21:36,159

wall that drops down

2319

01:21:39,910 --> 01:21:38,400

and a lot of times because that person

2320

01:21:41,590 --> 01:21:39,920

loves us or cares about us or has a

2321

01:21:42,390 --> 01:21:41,600

relationship we get a lot of grace from

2322

01:21:43,750 --> 01:21:42,400

them

2323

01:21:45,189 --> 01:21:43,760

and they tune us out just like we're

2324

01:21:46,629 --> 01:21:45,199

telling them about a television show

2325

01:21:48,229 --> 01:21:46,639

that they don't care about because

2326

01:21:49,990 --> 01:21:48,239

that's as deep as they can get with it

2327

01:21:52,470 --> 01:21:50,000

they haven't they haven't wrapped their

2328

01:21:54,070 --> 01:21:52,480

head around some of the implications of

2329

01:21:56,390 --> 01:21:54,080

the reality of this

2330

01:21:57,990 --> 01:21:56,400

and so we have to we have to be

2331

01:21:59,590 --> 01:21:58,000

we have to be gracious when it comes to

2332

01:22:01,510 --> 01:21:59,600

our family members that seem like they

2333

01:22:02,870 --> 01:22:01,520

don't care about something that is so

2334

01:22:04,390 --> 01:22:02,880

important to us that it's tearing the

2335

01:22:07,510 --> 01:22:04,400

heart out of us it's keeping us up at

2336

01:22:10,070 --> 01:22:07,520

night it focuses our interests

2337

01:22:11,990 --> 01:22:10,080

um but at the same time you can't fall

2338

01:22:13,430 --> 01:22:12,000

into the confirmation bias bubble of

2339

01:22:15,189 --> 01:22:13,440

just

2340

01:22:18,070 --> 01:22:15,199

finding the people who think what you

2341

01:22:20,390 --> 01:22:18,080

think and staying there so it's tough

2342

01:22:22,390 --> 01:22:20,400

um that's why i say it's so personal i

2343

01:22:24,709 --> 01:22:22,400

have the same

2344

01:22:26,709 --> 01:22:24,719

challenges with my family um my some of

2345

01:22:28,790 --> 01:22:26,719

my family was here recently

2346

01:22:30,229 --> 01:22:28,800

and they were asking the questions but

2347

01:22:32,709 --> 01:22:30,239

it seemed like every time the answer

2348

01:22:33,590 --> 01:22:32,719

started the glaze came over

2349

01:22:35,430 --> 01:22:33,600

and

2350

01:22:36,950 --> 01:22:35,440

when we were done it was just okay well

2351

01:22:38,550 --> 01:22:36,960

what's for dinner there was no follow-on

2352

01:22:40,950 --> 01:22:38,560

conversation so it's

2353

01:22:42,070 --> 01:22:40,960

it's very confusing it's it's it's tough

2354

01:22:43,510 --> 01:22:42,080

it how you have to approach it with

2355

01:22:45,030 --> 01:22:43,520

grace

2356

01:22:46,790 --> 01:22:45,040

yeah absolutely

2357

01:22:48,870 --> 01:22:46,800

dan you know do you do you have anything

2358

01:22:50,629 --> 01:22:48,880

to add on that because you know sorry

2359

01:22:52,149 --> 01:22:50,639

dan before before you jump in i know

2360

01:22:54,070 --> 01:22:52,159

you've

2361

01:22:56,390 --> 01:22:54,080

had experiences in the past do you feel

2362

01:22:58,229 --> 01:22:56,400

that that's helped you talk about it

2363

01:22:59,110 --> 01:22:58,239

saying look i've seen something or done

2364

01:23:00,950 --> 01:22:59,120

you know

2365

01:23:02,229 --> 01:23:00,960

experienced this because a lot of people

2366

01:23:04,870 --> 01:23:02,239

haven't and

2367

01:23:06,470 --> 01:23:04,880

they're just genuinely interested in it

2368

01:23:08,310 --> 01:23:06,480

yeah i mean

2369

01:23:10,310 --> 01:23:08,320

there's definitely a different quality

2370

01:23:11,750 --> 01:23:10,320

to the discussion when you've had

2371

01:23:15,350 --> 01:23:11,760

the an experience with something

2372

01:23:19,110 --> 01:23:17,110

you've got a personal stake in it i

2373

01:23:20,950 --> 01:23:19,120

guess when that happens because

2374

01:23:23,430 --> 01:23:20,960

when people dismiss it it makes you feel

2375

01:23:26,470 --> 01:23:23,440

like you're crazy when you're grappling

2376

01:23:28,790 --> 01:23:26,480

with reality maybe not being as

2377

01:23:30,709 --> 01:23:28,800

as fixed as the world has told you

2378

01:23:33,030 --> 01:23:30,719

growing up and and that can be real

2379

01:23:35,030 --> 01:23:33,040

scary so i really appreciate the moments

2380

01:23:37,590 --> 01:23:35,040

like this and you know luca and sean

2381

01:23:39,189 --> 01:23:37,600

kind and yourself as well vinnie just

2382

01:23:41,270 --> 01:23:39,199

talking in the community and providing

2383

01:23:43,350 --> 01:23:41,280

the space where you can share those

2384

01:23:44,950 --> 01:23:43,360

experiences without being laughed out of

2385

01:23:46,950 --> 01:23:44,960

the room

2386

01:23:49,030 --> 01:23:46,960

it really helps you kind of drill down

2387

01:23:53,189 --> 01:23:49,040

and

2388

01:23:54,550 --> 01:23:53,199

those feelings as opposed to just

2389

01:23:56,550 --> 01:23:54,560

putting them in some dark closet and

2390

01:23:58,629 --> 01:23:56,560

carrying on with your nine to five and

2391

01:24:02,390 --> 01:23:58,639

and you know over the long term creating

2392

01:24:04,550 --> 01:24:02,400

yourself some some real trauma i guess

2393

01:24:06,070 --> 01:24:04,560

if i can jump on two real quick i i

2394

01:24:08,149 --> 01:24:06,080

agree with you dan you know we're

2395

01:24:10,790 --> 01:24:08,159

talking about a topic that

2396

01:24:13,110 --> 01:24:10,800

challenges people from depending on how

2397

01:24:15,189 --> 01:24:13,120

you were raised in your culture slightly

2398

01:24:17,350 --> 01:24:15,199

different i mean there are

2399

01:24:20,070 --> 01:24:17,360

there are theological real theological

2400

01:24:21,910 --> 01:24:20,080

considerations there's sociological

2401

01:24:23,910 --> 01:24:21,920

considerations there's philosophical

2402

01:24:25,350 --> 01:24:23,920

considerations and there's psychological

2403

01:24:27,430 --> 01:24:25,360

considerations

2404

01:24:30,550 --> 01:24:27,440

and each person is going to react

2405

01:24:32,709 --> 01:24:30,560

slightly different to to this topic and

2406

01:24:35,110 --> 01:24:32,719

what i would do is when you have a

2407

01:24:36,950 --> 01:24:35,120

conversation you know

2408

01:24:38,709 --> 01:24:36,960

having a way we say look you know this

2409

01:24:39,910 --> 01:24:38,719

this conversation doesn't have to

2410

01:24:41,590 --> 01:24:39,920

conflict

2411

01:24:43,430 --> 01:24:41,600

with whatever preconceived notions you

2412

01:24:45,270 --> 01:24:43,440

already have or the value systems that

2413

01:24:48,310 --> 01:24:45,280

you already have in place

2414

01:24:51,590 --> 01:24:48,320

uh or what you think about the notion of

2415

01:24:53,030 --> 01:24:51,600

god or a creator or anything else

2416

01:24:56,470 --> 01:24:53,040

you know it

2417

01:24:59,350 --> 01:24:56,480

it doesn't have to be a a direct assault

2418

01:25:01,910 --> 01:24:59,360

or an affront on your your your the

2419

01:25:04,550 --> 01:25:01,920

preconceived narrative you already have

2420

01:25:07,110 --> 01:25:04,560

um look at it as just additional

2421

01:25:08,790 --> 01:25:07,120

information to help inform you of of

2422

01:25:10,229 --> 01:25:08,800

what's around you know it's it's very

2423

01:25:11,590 --> 01:25:10,239

much like

2424

01:25:13,430 --> 01:25:11,600

and i keep going back to this when

2425

01:25:15,270 --> 01:25:13,440

galileo proposed using some of the

2426

01:25:17,669 --> 01:25:15,280

principles of copernicus that the the

2427

01:25:18,950 --> 01:25:17,679

the sun the earth was not the center of

2428

01:25:20,550 --> 01:25:18,960

the solar system

2429

01:25:21,910 --> 01:25:20,560

you know that rocked the boat right

2430

01:25:23,030 --> 01:25:21,920

there are people that refused to even

2431

01:25:24,709 --> 01:25:23,040

look through the through the very

2432

01:25:27,750 --> 01:25:24,719

telescope that he was trying to prove

2433

01:25:29,669 --> 01:25:27,760

the point um at the end of the day it

2434

01:25:31,669 --> 01:25:29,679

didn't you know it was perceived to have

2435

01:25:32,950 --> 01:25:31,679

challenged the church at the time but

2436

01:25:35,270 --> 01:25:32,960

now we look back and we say well that's

2437

01:25:36,550 --> 01:25:35,280

nonsensical you know all it does is show

2438

01:25:38,229 --> 01:25:36,560

you the grandeur and beauty of the

2439

01:25:40,790 --> 01:25:38,239

universe for what it really is right if

2440

01:25:44,149 --> 01:25:40,800

anything it expands your your your your

2441

01:25:45,189 --> 01:25:44,159

appreciation of potentially a a a higher

2442

01:25:48,070 --> 01:25:45,199

creator

2443

01:25:49,350 --> 01:25:48,080

the notion of one um and i guess what i

2444

01:25:51,590 --> 01:25:49,360

would do is say look you know when you

2445

01:25:53,510 --> 01:25:51,600

have a conversation about uaps it

2446

01:25:56,229 --> 01:25:53,520

doesn't have to

2447

01:25:57,590 --> 01:25:56,239

conflict or contradict

2448

01:26:00,149 --> 01:25:57,600

people's narratives that they already

2449

01:26:02,470 --> 01:26:00,159

have in their brain if hopefully if it's

2450

01:26:04,629 --> 01:26:02,480

done properly it can help them augment

2451

01:26:07,430 --> 01:26:04,639

and and assimilate new data new

2452

01:26:08,950 --> 01:26:07,440

information and help build upon whatever

2453

01:26:11,270 --> 01:26:08,960

you know narrative that they're that

2454

01:26:12,629 --> 01:26:11,280

they're building for themselves um

2455

01:26:14,790 --> 01:26:12,639

again i don't think it has to be a

2456

01:26:16,629 --> 01:26:14,800

destructive force i think it can be a

2457

01:26:19,510 --> 01:26:16,639

constructive force

2458

01:26:23,510 --> 01:26:19,520

if if handled properly

2459

01:26:25,590 --> 01:26:23,520

yeah absolutely absolutely um one thing

2460

01:26:27,430 --> 01:26:25,600

again another thing that has been

2461

01:26:28,790 --> 01:26:27,440

filling my inboxes

2462

01:26:30,950 --> 01:26:28,800

what's happening in the in the

2463

01:26:33,830 --> 01:26:30,960

government in the congress dod pentagon

2464

01:26:36,149 --> 01:26:33,840

who's looking at the subject right now

2465

01:26:39,189 --> 01:26:36,159

is it still the uap task force have we

2466

01:26:40,149 --> 01:26:39,199

moved on to aoi msg or have the new

2467

01:26:42,390 --> 01:26:40,159

office

2468

01:26:44,310 --> 01:26:42,400

has it been implemented and is working

2469

01:26:45,830 --> 01:26:44,320

uh where are we at i think people are

2470

01:26:47,990 --> 01:26:45,840

just a bit like

2471

01:26:51,189 --> 01:26:48,000

in the dark

2472

01:26:52,790 --> 01:26:51,199

um i i suspect that's a question for me

2473

01:26:57,990 --> 01:26:52,800

i i

2474

01:26:59,910 --> 01:26:58,000

pinpoint it but please

2475

01:27:02,550 --> 01:26:59,920

i i can't speak on behalf of the

2476

01:27:04,870 --> 01:27:02,560

government but what i can say is that i

2477

01:27:08,950 --> 01:27:04,880

think we're in a period of transition

2478

01:27:10,950 --> 01:27:08,960

uh in a good way um you are now as i've

2479

01:27:12,550 --> 01:27:10,960

mentioned before how we're shifting into

2480

01:27:14,310 --> 01:27:12,560

gears you know for the last four years

2481

01:27:15,910 --> 01:27:14,320

we have these little milestones that we

2482

01:27:17,110 --> 01:27:15,920

hit and then we shift until the year

2483

01:27:18,390 --> 01:27:17,120

well i think you're seeing that with the

2484

01:27:20,229 --> 01:27:18,400

government i think you see the

2485

01:27:22,629 --> 01:27:20,239

government finally shifting into first

2486

01:27:24,629 --> 01:27:22,639

gear on this and the car

2487

01:27:27,110 --> 01:27:24,639

moving out of neutral and beginning to

2488

01:27:29,510 --> 01:27:27,120

to gain some some momentum and some

2489

01:27:30,830 --> 01:27:29,520

energy and some steam um

2490

01:27:33,510 --> 01:27:30,840

you have

2491

01:27:36,070 --> 01:27:33,520

a some discussion that will at some

2492

01:27:38,390 --> 01:27:36,080

point potentially dissolve the uap task

2493

01:27:39,669 --> 01:27:38,400

force maybe it decides to come back in a

2494

01:27:41,910 --> 01:27:39,679

different fashion

2495

01:27:44,790 --> 01:27:41,920

you have a governance board or an

2496

01:27:47,350 --> 01:27:44,800

oversight committee at the usdi

2497

01:27:49,030 --> 01:27:47,360

you have the services to include the

2498

01:27:51,669 --> 01:27:49,040

navy and the army

2499

01:27:53,510 --> 01:27:51,679

uh and and the air force to some degree

2500

01:27:55,590 --> 01:27:53,520

not as much as we would like

2501

01:27:58,070 --> 01:27:55,600

uh coming to the table and having

2502

01:28:00,709 --> 01:27:58,080

conversations you have um

2503

01:28:02,709 --> 01:28:00,719

the the discussion of key individuals

2504

01:28:05,430 --> 01:28:02,719

who will actually be running this and

2505

01:28:08,229 --> 01:28:05,440

and to my relief and delight

2506

01:28:10,629 --> 01:28:08,239

um it's no longer the individuals who

2507

01:28:12,709 --> 01:28:10,639

were stonewalling this topic to begin

2508

01:28:14,790 --> 01:28:12,719

with um that was my fear initially when

2509

01:28:17,430 --> 01:28:14,800

usdi my old office

2510

01:28:19,270 --> 01:28:17,440

was given uh charge to this

2511

01:28:20,070 --> 01:28:19,280

but i think cooler heads prevailed and i

2512

01:28:22,149 --> 01:28:20,080

think

2513

01:28:24,470 --> 01:28:22,159

um people realize that we need fresh

2514

01:28:26,709 --> 01:28:24,480

blood in there um to to look at this

2515

01:28:28,070 --> 01:28:26,719

topic um if we're gonna if we're gonna

2516

01:28:28,950 --> 01:28:28,080

get ahead of it and really try to figure

2517

01:28:30,790 --> 01:28:28,960

it out

2518

01:28:32,470 --> 01:28:30,800

uh we have members of congress that are

2519

01:28:34,790 --> 01:28:32,480

being informed on a regular and routine

2520

01:28:37,270 --> 01:28:34,800

basis and their staff who are doing by

2521

01:28:39,990 --> 01:28:37,280

the way incredible work behind the

2522

01:28:42,149 --> 01:28:40,000

scenes like i've i've never seen it work

2523

01:28:45,510 --> 01:28:42,159

i've never seen i hate to say functional

2524

01:28:47,189 --> 01:28:45,520

but i haven't um you have you know true

2525

01:28:48,709 --> 01:28:47,199

bipartisan support you have people on

2526

01:28:50,070 --> 01:28:48,719

opposite end of the aisles who probably

2527

01:28:51,750 --> 01:28:50,080

wouldn't even look at each other under

2528

01:28:54,070 --> 01:28:51,760

normal circumstances

2529

01:28:57,990 --> 01:28:54,080

co-sponsoring law

2530

01:29:00,070 --> 01:28:58,000

on a topic of of one that involves ufos

2531

01:29:02,390 --> 01:29:00,080

of all things right so

2532

01:29:03,750 --> 01:29:02,400

um it's it's working

2533

01:29:05,910 --> 01:29:03,760

you know and these are these are

2534

01:29:08,550 --> 01:29:05,920

big-time politicians like gillibrand and

2535

01:29:11,110 --> 01:29:08,560

marco rubio and and

2536

01:29:11,750 --> 01:29:11,120

congressman tim burchette and gallegos

2537

01:29:16,310 --> 01:29:11,760

and

2538

01:29:17,590 --> 01:29:16,320

going to make it increasingly difficult

2539

01:29:19,750 --> 01:29:17,600

if anybody

2540

01:29:22,070 --> 01:29:19,760

wants to try to push the the if you will

2541

01:29:23,750 --> 01:29:22,080

the proverbial genie back in the bottle

2542

01:29:26,550 --> 01:29:23,760

uh i don't see how that can happen at

2543

01:29:28,070 --> 01:29:26,560

this point i i think i think we can the

2544

01:29:30,629 --> 01:29:28,080

only direction we can move now is

2545

01:29:33,110 --> 01:29:30,639

forward um i i don't see this

2546

01:29:34,950 --> 01:29:33,120

um ever getting back in back into the

2547

01:29:37,430 --> 01:29:34,960

bottle i think we have reached

2548

01:29:39,110 --> 01:29:37,440

disclosure that people were looking for

2549

01:29:41,510 --> 01:29:39,120

and i think now we're shifting into

2550

01:29:43,430 --> 01:29:41,520

something new which is understanding so

2551
01:29:45,590 --> 01:29:43,440
we've disclosed the reality they're real

2552
01:29:47,910 --> 01:29:45,600
we don't know what they are yet now we

2553
01:29:50,950 --> 01:29:47,920
are shifting into a new

2554
01:29:52,790 --> 01:29:50,960
new paradigm in a new era where

2555
01:29:54,310 --> 01:29:52,800
we now have accepted the reality of

2556
01:29:55,669 --> 01:29:54,320
these things now we just need to figure

2557
01:29:58,870 --> 01:29:55,679
out collectively what we want to do

2558
01:30:04,310 --> 01:30:01,590
that's encouraging thank you now i

2559
01:30:05,910 --> 01:30:04,320
believe if i'm if i'm right there should

2560
01:30:07,669 --> 01:30:05,920
be some classified briefings happening

2561
01:30:11,070 --> 01:30:07,679
within the congress in the next month or

2562
01:30:14,950 --> 01:30:11,080
two and i think last time or last summer

2563
01:30:17,189 --> 01:30:14,960

pre-preliminary assessment we heard

2564

01:30:19,350 --> 01:30:17,199

a few voices from some of these

2565

01:30:21,270 --> 01:30:19,360

senators congressmen and that not saying

2566

01:30:22,790 --> 01:30:21,280

too much but we knew they were kind of

2567

01:30:23,590 --> 01:30:22,800

heard that they'd had these briefings

2568

01:30:26,070 --> 01:30:23,600

and

2569

01:30:27,990 --> 01:30:26,080

do you expect us to hear little

2570

01:30:29,270 --> 01:30:28,000

tidbits again not of information about

2571

01:30:31,030 --> 01:30:29,280

uap but

2572

01:30:33,430 --> 01:30:31,040

that yes these classified briefings are

2573

01:30:35,990 --> 01:30:33,440

hard and you know

2574

01:30:38,709 --> 01:30:36,000

come out into the news and the media

2575

01:30:41,830 --> 01:30:38,719

yeah you know uh

2576

01:30:43,590 --> 01:30:41,840

there has been some some some

2577

01:30:46,229 --> 01:30:43,600

really historic things happening behind

2578

01:30:49,350 --> 01:30:46,239

the scenes and and congress owes it to

2579

01:30:51,270 --> 01:30:49,360

their constituents to to be

2580

01:30:53,590 --> 01:30:51,280

transparent and provide the information

2581

01:30:56,229 --> 01:30:53,600

that frankly the people deserve

2582

01:30:57,750 --> 01:30:56,239

and and congress is committed to that um

2583

01:31:00,470 --> 01:30:57,760

you know for every voice you hear

2584

01:31:02,070 --> 01:31:00,480

vocally out about this topic in congress

2585

01:31:04,390 --> 01:31:02,080

there's five more in the shadows that

2586

01:31:05,830 --> 01:31:04,400

have had their own believe it or not uap

2587

01:31:07,030 --> 01:31:05,840

encounter but they're just not ready to

2588

01:31:08,070 --> 01:31:07,040

go public with it yet they pulled me

2589

01:31:09,350 --> 01:31:08,080

aside and said look you're not going to

2590

01:31:11,030 --> 01:31:09,360

believe this but

2591

01:31:12,870 --> 01:31:11,040

you know i had my own encounter i said

2592

01:31:14,950 --> 01:31:12,880

well actually yeah you'd be surprised

2593

01:31:16,629 --> 01:31:14,960

you know i do because i hear this a lot

2594

01:31:18,790 --> 01:31:16,639

you know this listen i i don't want to

2595

01:31:20,790 --> 01:31:18,800

go public with this but you know it was

2596

01:31:22,790 --> 01:31:20,800

pretty extraordinary so

2597

01:31:24,950 --> 01:31:22,800

you know we're we're getting there every

2598

01:31:26,470 --> 01:31:24,960

day closer and closer and closer and

2599

01:31:28,950 --> 01:31:26,480

again i think

2600

01:31:30,629 --> 01:31:28,960

i i think we need to stop looking at you

2601
01:31:32,149 --> 01:31:30,639
know at this point you know well when

2602
01:31:34,950 --> 01:31:32,159
are we gonna have disclosure you've had

2603
01:31:37,430 --> 01:31:34,960
it it's there it's now long it's that we

2604
01:31:39,510 --> 01:31:37,440
are past the rubicon on that so if

2605
01:31:41,510 --> 01:31:39,520
you're looking for it then you're you're

2606
01:31:43,270 --> 01:31:41,520
you're you're you're wasting your time

2607
01:31:45,350 --> 01:31:43,280
because we've already had that we we are

2608
01:31:47,110 --> 01:31:45,360
now at a point where our government our

2609
01:31:48,470 --> 01:31:47,120
senior elected officials our senior

2610
01:31:50,709 --> 01:31:48,480
intelligence officials our senior

2611
01:31:53,590 --> 01:31:50,719
defense officials have all acknowledged

2612
01:31:55,669 --> 01:31:53,600
the reality it's real okay so

2613
01:31:58,470 --> 01:31:55,679

now let's move on where do we go from

2614

01:32:00,229 --> 01:31:58,480

here and that is in a large part because

2615

01:32:02,629 --> 01:32:00,239

in large part because of the work that

2616

01:32:04,709 --> 01:32:02,639

you vinnie and dan and your your your

2617

01:32:07,110 --> 01:32:04,719

wonderful audience have have done about

2618

01:32:08,709 --> 01:32:07,120

this topic i mean you guys mobilized a

2619

01:32:10,790 --> 01:32:08,719

virtual army

2620

01:32:12,950 --> 01:32:10,800

to to write letters to to their

2621

01:32:16,070 --> 01:32:12,960

representatives and in your country to

2622

01:32:18,310 --> 01:32:16,080

to to your ministers of parliament um

2623

01:32:19,430 --> 01:32:18,320

that's historic i mean people are now

2624

01:32:20,550 --> 01:32:19,440

listening they're paying attention

2625

01:32:22,070 --> 01:32:20,560

they're saying hey

2626

01:32:24,229 --> 01:32:22,080

there's something to see here folks this

2627

01:32:26,310 --> 01:32:24,239

is this is this is serious

2628

01:32:27,830 --> 01:32:26,320

um and that only happened because of of

2629

01:32:29,350 --> 01:32:27,840

folks like you and your audience you

2630

01:32:30,870 --> 01:32:29,360

know sean and i are only two people we

2631

01:32:32,709 --> 01:32:30,880

can only do so much

2632

01:32:34,790 --> 01:32:32,719

um and ultimately at the end of the day

2633

01:32:37,830 --> 01:32:34,800

it takes an army or a village depending

2634

01:32:39,669 --> 01:32:37,840

how you look at it uh and we've we've uh

2635

01:32:41,590 --> 01:32:39,679

we've um

2636

01:32:43,510 --> 01:32:41,600

we've achieved that collectively and and

2637

01:32:45,189 --> 01:32:43,520

how wonderful it is that we can all sit

2638

01:32:47,030 --> 01:32:45,199

here and talk together and

2639

01:32:48,870 --> 01:32:47,040

you know have this conversation my only

2640

01:32:50,310 --> 01:32:48,880

regret is that you know we could

2641

01:32:51,590 --> 01:32:50,320

every member of your audience couldn't

2642

01:32:53,750 --> 01:32:51,600

have one of these screens and we could

2643

01:32:55,270 --> 01:32:53,760

all see everybody wouldn't that be great

2644

01:32:56,390 --> 01:32:55,280

and we could all have this conversation

2645

01:32:58,310 --> 01:32:56,400

together

2646

01:33:00,950 --> 01:32:58,320

maybe we'll have the technology soon do

2647

01:33:02,390 --> 01:33:00,960

that but i i would love nothing more i

2648

01:33:04,149 --> 01:33:02,400

mean can you imagine have everybody

2649

01:33:06,629 --> 01:33:04,159

right now in your audience on a screen

2650

01:33:09,430 --> 01:33:06,639

like this for all of us to just interact

2651
01:33:11,750 --> 01:33:09,440
and and talk right i mean that's that's

2652
01:33:14,390 --> 01:33:11,760
magic man that's and that's that's how

2653
01:33:18,709 --> 01:33:17,030
part of me wonders if kind of

2654
01:33:20,550 --> 01:33:18,719
you know the age we're in now is this

2655
01:33:22,149 --> 01:33:20,560
age of communication where we're all

2656
01:33:24,390 --> 01:33:22,159
connected no matter where we are on the

2657
01:33:26,790 --> 01:33:24,400
planet some better than others but we're

2658
01:33:28,390 --> 01:33:26,800
all talking and people always ask you

2659
01:33:30,070 --> 01:33:28,400
know why now why is this happening now

2660
01:33:32,550 --> 01:33:30,080
and i wonder if that isn't part of it

2661
01:33:34,790 --> 01:33:32,560
that we're all actually starting to to

2662
01:33:39,510 --> 01:33:34,800
properly connect and talk to each other

2663
01:33:44,229 --> 01:33:42,709

dan you and i dip into the you know the

2664

01:33:45,669 --> 01:33:44,239

esoteric side of meditation and

2665

01:33:47,030 --> 01:33:45,679

consciousness a lot

2666

01:33:48,870 --> 01:33:47,040

and i was thinking about this the other

2667

01:33:50,550 --> 01:33:48,880

day because the question of why now

2668

01:33:51,990 --> 01:33:50,560

frustrates the hell out of me every time

2669

01:33:53,590 --> 01:33:52,000

i hear him

2670

01:33:55,510 --> 01:33:53,600

especially when someone tries to apply

2671

01:33:57,189 --> 01:33:55,520

it to my own life you know they're like

2672

01:33:58,470 --> 01:33:57,199

why are you doing that now half the time

2673

01:34:00,550 --> 01:33:58,480

i don't know because i'm doing it now

2674

01:34:03,270 --> 01:34:00,560

and i think that's the answer it's

2675

01:34:05,510 --> 01:34:03,280

because when is it it is now

2676

01:34:08,070 --> 01:34:05,520

it's always now so the fact that you

2677

01:34:09,750 --> 01:34:08,080

have noticed something is occurring

2678

01:34:11,270 --> 01:34:09,760

if you weren't part of the planning or

2679

01:34:12,870 --> 01:34:11,280

you didn't have heads up on it it's a

2680

01:34:15,270 --> 01:34:12,880

surprise well that's why because you

2681

01:34:17,270 --> 01:34:15,280

didn't know that's why you know none of

2682

01:34:18,870 --> 01:34:17,280

these things happened overnight kind of

2683

01:34:20,149 --> 01:34:18,880

like when as the as the folks in the

2684

01:34:22,229 --> 01:34:20,159

government

2685

01:34:23,910 --> 01:34:22,239

find out it's real as we've established

2686

01:34:25,750 --> 01:34:23,920

that that you know as lou said that

2687

01:34:27,590 --> 01:34:25,760

disclosure has happened

2688

01:34:29,669 --> 01:34:27,600

but every all these people are going but

2689

01:34:31,510 --> 01:34:29,679

i haven't heard it yet well

2690

01:34:33,910 --> 01:34:31,520

the world doesn't revolve around what's

2691

01:34:35,830 --> 01:34:33,920

been announced to you and your feed

2692

01:34:38,070 --> 01:34:35,840

you know it move it trucks along without

2693

01:34:39,510 --> 01:34:38,080

the rest of us so a tipping point has

2694

01:34:41,270 --> 01:34:39,520

been reached

2695

01:34:43,270 --> 01:34:41,280

but perhaps the tipping point that pop

2696

01:34:44,470 --> 01:34:43,280

ufo is expected and wanted hasn't been

2697

01:34:46,229 --> 01:34:44,480

reached yet

2698

01:34:47,669 --> 01:34:46,239

but that's not necessarily the thing we

2699

01:34:50,149 --> 01:34:47,679

were ever aiming for we're aiming for

2700

01:34:52,390 --> 01:34:50,159

ground ground state truth that we can

2701

01:34:53,510 --> 01:34:52,400

share and socialize and solve

2702

01:34:56,870 --> 01:34:53,520

so

2703

01:34:57,990 --> 01:34:56,880

couldn't say it better myself you know i

2704

01:35:00,629 --> 01:34:58,000

think

2705

01:35:02,550 --> 01:35:00,639

most people have in their head what what

2706

01:35:04,070 --> 01:35:02,560

disclosure means the problem is that's

2707

01:35:05,510 --> 01:35:04,080

not really what it means that's their

2708

01:35:07,830 --> 01:35:05,520

their their idea of what disclosure

2709

01:35:10,550 --> 01:35:07,840

means right um disclosure simply means

2710

01:35:12,709 --> 01:35:10,560

the acknowledgment of of

2711

01:35:16,390 --> 01:35:12,719

of a fact and that's where we are

2712

01:35:18,310 --> 01:35:16,400

um so it may not be exactly the flavor

2713

01:35:19,430 --> 01:35:18,320

that people was a lot of people were

2714

01:35:22,790 --> 01:35:19,440

expecting

2715

01:35:25,189 --> 01:35:22,800

but for me you know it's it's um i think

2716

01:35:28,870 --> 01:35:25,199

it's it's it's a damn fine start i think

2717

01:35:29,910 --> 01:35:28,880

we we have gotten we have received more

2718

01:35:31,669 --> 01:35:29,920

in the last

2719

01:35:33,430 --> 01:35:31,679

four years in the way of momentum and

2720

01:35:35,270 --> 01:35:33,440

support than we have in the last 75

2721

01:35:37,189 --> 01:35:35,280

years and there's a level of dignity and

2722

01:35:38,390 --> 01:35:37,199

respect now to this topic that wasn't

2723

01:35:39,830 --> 01:35:38,400

there before

2724

01:35:41,350 --> 01:35:39,840

uh you know a lot of people say oh well

2725

01:35:42,950 --> 01:35:41,360

there was really good researchers again

2726

01:35:45,350 --> 01:35:42,960

i know they were good researchers but

2727

01:35:46,950 --> 01:35:45,360

but it didn't lead to anything it led to

2728

01:35:48,870 --> 01:35:46,960

to an echo chamber where people could

2729

01:35:50,709 --> 01:35:48,880

have a conversation among themselves but

2730

01:35:53,189 --> 01:35:50,719

it didn't do anything we weren't able to

2731

01:35:54,470 --> 01:35:53,199

to get government off its ass and do

2732

01:35:55,510 --> 01:35:54,480

something and get the military and get

2733

01:35:56,790 --> 01:35:55,520

the intelligence community at the

2734

01:35:58,070 --> 01:35:56,800

scientific community get the academic

2735

01:36:00,709 --> 01:35:58,080

community and get you see where i'm

2736

01:36:02,629 --> 01:36:00,719

going with this right so so

2737

01:36:03,910 --> 01:36:02,639

a lot has happened in the last four

2738

01:36:05,830 --> 01:36:03,920

years and anybody who doesn't

2739

01:36:07,510 --> 01:36:05,840

acknowledge it well you know you

2740

01:36:09,109 --> 01:36:07,520

continue living in la la land if you

2741

01:36:10,870 --> 01:36:09,119

want but you know we're going to

2742

01:36:12,950 --> 01:36:10,880

continue doing what we're doing and and

2743

01:36:14,629 --> 01:36:12,960

the momentum is building every day more

2744

01:36:16,149 --> 01:36:14,639

and more and more and more and more

2745

01:36:18,229 --> 01:36:16,159

data's coming out more incidents are

2746

01:36:19,830 --> 01:36:18,239

being reported by the way i've said this

2747

01:36:20,790 --> 01:36:19,840

before people look at the nimitz well we

2748

01:36:21,990 --> 01:36:20,800

haven't heard anything since the

2749

01:36:23,270 --> 01:36:22,000

roosevelt well

2750

01:36:24,629 --> 01:36:23,280

you haven't been listening very well

2751

01:36:27,030 --> 01:36:24,639

because these things are happening every

2752

01:36:29,590 --> 01:36:27,040

week now i mean like every week things

2753

01:36:31,830 --> 01:36:29,600

are happening um it's it's a pretty big

2754

01:36:35,030 --> 01:36:31,840

deal and the government is is now you

2755

01:36:36,709 --> 01:36:35,040

know taking this very very seriously

2756

01:36:39,510 --> 01:36:36,719

yep

2757

01:36:41,350 --> 01:36:39,520

indeed indeed gentlemen listen i'm going

2758

01:36:43,669 --> 01:36:41,360

to close it out soon but before i'm

2759

01:36:44,550 --> 01:36:43,679

going to go around and ask each of one

2760

01:36:47,430 --> 01:36:44,560

of you

2761

01:36:50,229 --> 01:36:47,440

what's next so dan i'll start with you

2762

01:36:52,790 --> 01:36:50,239

what's next for dan zetterstrom

2763

01:36:55,189 --> 01:36:52,800

uh it's a very good question i've got

2764

01:36:57,590 --> 01:36:55,199

coming up my my own podcast show where

2765

01:36:59,030 --> 01:36:57,600

we're gonna kind of be running off into

2766

01:37:00,550 --> 01:36:59,040

into the forest a little bit and just

2767

01:37:03,430 --> 01:37:00,560

kind of delving into a little bit of the

2768

01:37:06,310 --> 01:37:03,440

more esoteric subjects that this one

2769

01:37:08,070 --> 01:37:06,320

touches against um when that launch i i

2770

01:37:09,590 --> 01:37:08,080

don't know uh

2771

01:37:11,830 --> 01:37:09,600

it was meant to be january but then

2772

01:37:14,950 --> 01:37:11,840

colombia happened and and life life just

2773

01:37:17,030 --> 01:37:14,960

gets crazy um but it'll launch when it's

2774

01:37:18,629 --> 01:37:17,040

ready to launch i guess when it kind of

2775

01:37:21,430 --> 01:37:18,639

hits my quality bar

2776

01:37:23,189 --> 01:37:21,440

uh looked at that ufo podcast for for

2777

01:37:24,870 --> 01:37:23,199

any of my other stuff i'm sure you'll

2778

01:37:27,430 --> 01:37:24,880

see me produce a lot of arts do with the

2779

01:37:29,990 --> 01:37:27,440

columbia trip um i and a lot is already

2780

01:37:32,070 --> 01:37:30,000

pouring out of me so yeah just just keep

2781

01:37:34,070 --> 01:37:32,080

an eye eventually vinnie and i will do a

2782

01:37:35,590 --> 01:37:34,080

show as well where we just go over a lot

2783

01:37:37,750 --> 01:37:35,600

of footage that we took in colombia kind

2784

01:37:39,189 --> 01:37:37,760

of behind the scenes of the documentary

2785

01:37:40,149 --> 01:37:39,199

if you will i i think that'll be a lot

2786

01:37:43,189 --> 01:37:40,159

of fun

2787

01:37:45,030 --> 01:37:43,199

oh yes it will indeed we we made sure

2788

01:37:46,709 --> 01:37:45,040

that with all the

2789

01:37:48,790 --> 01:37:46,719

focus on the documentary series being

2790

01:37:50,709 --> 01:37:48,800

made filmed and the research and

2791

01:37:52,790 --> 01:37:50,719

investigation and everything me and dan

2792

01:37:55,030 --> 01:37:52,800

were there with our phones

2793

01:37:56,950 --> 01:37:55,040

we wanted to do something for everyone

2794

01:37:58,790 --> 01:37:56,960

like dan said so we could sit here and

2795

01:38:02,070 --> 01:37:58,800

just show behind the scenes and the

2796

01:38:02,950 --> 01:38:02,080

beauty and the people and the experience

2797

01:38:11,189 --> 01:38:02,960

so

2798

01:38:13,430 --> 01:38:11,199

you what is next for sean cahill

2799

01:38:15,990 --> 01:38:13,440

well in a lot of ways um this may sound

2800

01:38:17,669 --> 01:38:16,000

presumptuous to some people but in a lot

2801
01:38:20,790 --> 01:38:17,679
of ways there's a tiny little mission

2802
01:38:22,149 --> 01:38:20,800
accomplished uh banner hanging in sky

2803
01:38:24,550 --> 01:38:22,159
fort's

2804
01:38:26,870 --> 01:38:24,560
mental offices

2805
01:38:28,950 --> 01:38:26,880
what we set out to do has occurred here

2806
01:38:30,790 --> 01:38:28,960
in the united states

2807
01:38:32,229 --> 01:38:30,800
now to us it's important you guys know

2808
01:38:33,510 --> 01:38:32,239
this because you're you're deeply

2809
01:38:35,910 --> 01:38:33,520
involved with it

2810
01:38:37,510 --> 01:38:35,920
we want to export that ideal

2811
01:38:39,109 --> 01:38:37,520
across the pond

2812
01:38:42,149 --> 01:38:39,119
into the great white north and anywhere

2813
01:38:43,270 --> 01:38:42,159

else that that's receptive to it because

2814

01:38:45,189 --> 01:38:43,280

as you guys know it's about

2815

01:38:48,070 --> 01:38:45,199

communication it's about authenticity

2816

01:38:51,270 --> 01:38:48,080

it's about being additive using the data

2817

01:38:52,470 --> 01:38:51,280

and trying to create pathways of

2818

01:38:54,629 --> 01:38:52,480

understanding

2819

01:38:57,109 --> 01:38:54,639

um we haven't tried to corner the market

2820

01:38:59,109 --> 01:38:57,119

on anything we're not asking for

2821

01:39:01,030 --> 01:38:59,119

for uh spotlight or for money or

2822

01:39:03,590 --> 01:39:01,040

anything like that and you guys

2823

01:39:06,310 --> 01:39:03,600

understand that that worked for us and

2824

01:39:07,270 --> 01:39:06,320

we want to help not export that ideal i

2825

01:39:09,189 --> 01:39:07,280

don't want to put any of those silly

2826

01:39:11,270 --> 01:39:09,199

phrases on it or anything like that

2827

01:39:12,950 --> 01:39:11,280

but we want to give all of our best

2828

01:39:13,910 --> 01:39:12,960

practices to you guys

2829

01:39:17,109 --> 01:39:13,920

and then

2830

01:39:20,149 --> 01:39:17,119

in in as much of a legal way that we can

2831

01:39:21,430 --> 01:39:20,159

help advise or or give advice as as it's

2832

01:39:23,510 --> 01:39:21,440

solicited

2833

01:39:24,709 --> 01:39:23,520

um that's what's important to me is to

2834

01:39:26,390 --> 01:39:24,719

keep this ball rolling because it

2835

01:39:28,470 --> 01:39:26,400

doesn't it doesn't just exist within the

2836

01:39:30,390 --> 01:39:28,480

microcosm of the united states and it

2837

01:39:33,109 --> 01:39:30,400

doesn't just exist in the mic in in the

2838

01:39:34,310 --> 01:39:33,119

west or or in the northern hemisphere

2839

01:39:37,430 --> 01:39:34,320

this is something that's going to have

2840

01:39:38,709 --> 01:39:37,440

to eventually reach out all of humanity

2841

01:39:40,229 --> 01:39:38,719

and its decisions we're going to have to

2842

01:39:42,229 --> 01:39:40,239

make together we're just going to keep

2843

01:39:44,229 --> 01:39:42,239

repeating the same mistakes

2844

01:39:46,709 --> 01:39:44,239

so that's what's next for me the the

2845

01:39:47,910 --> 01:39:46,719

journey never ends um

2846

01:39:49,510 --> 01:39:47,920

tiny little banner of mission

2847

01:39:51,830 --> 01:39:49,520

accomplishment now it's time to try to

2848

01:39:54,629 --> 01:39:51,840

carve off a bigger mission

2849

01:39:56,149 --> 01:39:54,639

beautifully said thank you hello what's

2850

01:39:58,310 --> 01:39:56,159

next

2851

01:40:01,430 --> 01:39:58,320

well hopefully mexican food and a big

2852

01:40:03,270 --> 01:40:01,440

margarita tonight um if i'm lucky that's

2853

01:40:06,390 --> 01:40:03,280

what i'd like to do that's what but it's

2854

01:40:07,590 --> 01:40:06,400

an immediate radar um i'm uh i'm but i

2855

01:40:09,270 --> 01:40:07,600

suppose you're not

2856

01:40:13,510 --> 01:40:09,280

you're not asking that

2857

01:40:17,510 --> 01:40:15,750

you don't have to say anything this and

2858

01:40:18,629 --> 01:40:17,520

and i will reiterate this

2859

01:40:22,709 --> 01:40:18,639

because i've said it to a lot of people

2860

01:40:24,709 --> 01:40:22,719

today this wasn't a a an interview where

2861

01:40:26,550 --> 01:40:24,719

lou is put in the chair and asked

2862

01:40:28,070 --> 01:40:26,560

questions give us information i wanted

2863

01:40:29,430 --> 01:40:28,080

this to be a conversation between

2864

01:40:30,870 --> 01:40:29,440

friends so if the next thing you do is

2865

01:40:33,109 --> 01:40:30,880

simply that

2866

01:40:35,189 --> 01:40:33,119

that's what's happening it's all good um

2867

01:40:37,430 --> 01:40:35,199

you know what there's there's two things

2868

01:40:38,870 --> 01:40:37,440

um one um

2869

01:40:41,030 --> 01:40:38,880

expect that we are going to be shifting

2870

01:40:42,709 --> 01:40:41,040

into high gear here um we're gonna be

2871

01:40:45,030 --> 01:40:42,719

make if you think we've made a splash so

2872

01:40:46,550 --> 01:40:45,040

far you ain't seen nothing yet um

2873

01:40:47,990 --> 01:40:46,560

there's gonna be some announcements this

2874

01:40:49,590 --> 01:40:48,000

year i think that will

2875

01:40:51,910 --> 01:40:49,600

that are gonna

2876

01:40:55,109 --> 01:40:51,920

hopefully resonate um i will tell you

2877

01:40:57,830 --> 01:40:55,119

that i'm going to steal a a uh

2878

01:40:59,350 --> 01:40:57,840

a little um saying here that sean has

2879

01:41:01,109 --> 01:40:59,360

told to me over and over again and i'm

2880

01:41:02,950 --> 01:41:01,119

going to steal it because i really like

2881

01:41:06,390 --> 01:41:02,960

it you know

2882

01:41:07,910 --> 01:41:06,400

we are going to transform the notion of

2883

01:41:11,189 --> 01:41:07,920

men in black

2884

01:41:13,669 --> 01:41:11,199

we want to be uh the men in technicolor

2885

01:41:15,350 --> 01:41:13,679

completely transparent and let everybody

2886

01:41:18,070 --> 01:41:15,360

see everything that we're doing

2887

01:41:21,109 --> 01:41:18,080

nothing's hidden in the shadows

2888

01:41:22,950 --> 01:41:21,119

we think transparency and sunlight is

2889

01:41:24,550 --> 01:41:22,960

the best antiseptic to anything

2890

01:41:25,910 --> 01:41:24,560

especially a topic that's been kept in

2891

01:41:28,470 --> 01:41:25,920

the shadows

2892

01:41:29,669 --> 01:41:28,480

for over 75 years

2893

01:41:32,790 --> 01:41:29,679

so

2894

01:41:34,310 --> 01:41:32,800

expect us to take that and and try to

2895

01:41:36,629 --> 01:41:34,320

dismantle

2896

01:41:38,950 --> 01:41:36,639

any type of over secrecy on this topic

2897

01:41:40,229 --> 01:41:38,960

now let me let me caveat over secrecy

2898

01:41:41,189 --> 01:41:40,239

okay there's going to be portions of

2899

01:41:42,790 --> 01:41:41,199

this topic that are still going to

2900

01:41:44,229 --> 01:41:42,800

remain classified and that's just we got

2901
01:41:45,189 --> 01:41:44,239
to get over it that's just the reality

2902
01:41:47,430 --> 01:41:45,199
of things

2903
01:41:49,030 --> 01:41:47,440
but but the vast majority of it doesn't

2904
01:41:50,629 --> 01:41:49,040
have to be and and that's what we want

2905
01:41:52,310 --> 01:41:50,639
to do we want to bring light to this

2906
01:41:54,149 --> 01:41:52,320
topic and there's other means and

2907
01:41:55,430 --> 01:41:54,159
mechanisms that we can do

2908
01:41:56,870 --> 01:41:55,440
and i think some of those are going to

2909
01:41:59,109 --> 01:41:56,880
start to become very apparent here

2910
01:42:00,950 --> 01:41:59,119
within the following months and

2911
01:42:01,990 --> 01:42:00,960
this year i think people will look back

2912
01:42:05,510 --> 01:42:02,000
and say

2913
01:42:07,510 --> 01:42:05,520

uh that's what lou and sean meant um

2914

01:42:09,350 --> 01:42:07,520

you know we we

2915

01:42:11,990 --> 01:42:09,360

we've stopped just long enough to pat

2916

01:42:13,590 --> 01:42:12,000

each other on the back and and we're

2917

01:42:15,189 --> 01:42:13,600

we're still moving forward we're not

2918

01:42:16,629 --> 01:42:15,199

resting on our laurels we're not sitting

2919

01:42:19,109 --> 01:42:16,639

down and relaxing and looking at our

2920

01:42:21,189 --> 01:42:19,119

achievements or accomplishments

2921

01:42:23,430 --> 01:42:21,199

because our art we're too focused on the

2922

01:42:24,390 --> 01:42:23,440

next hill we have to take

2923

01:42:26,070 --> 01:42:24,400

so

2924

01:42:28,629 --> 01:42:26,080

i think that's what you can expect you

2925

01:42:31,669 --> 01:42:28,639

know other than the mexico mexican food

2926
