

review, time permitting.

Any Super chats will be donated

1  
00:00:04,230 --> 00:00:01,990  
you know what there's there's two things

2  
00:00:05,670 --> 00:00:04,240  
um one um

3  
00:00:07,829 --> 00:00:05,680  
expect that we are gonna be shifting

4  
00:00:09,589 --> 00:00:07,839  
into high gear here uh we're gonna be

5  
00:00:11,830 --> 00:00:09,599  
make if you think we've made a splash so

6  
00:00:13,350 --> 00:00:11,840  
far you ain't seen nothing yet um

7  
00:00:14,870 --> 00:00:13,360  
there's gonna be some announcements this

8  
00:00:17,990 --> 00:00:14,880  
year i think that will

9  
00:00:20,950 --> 00:00:18,000  
that are gonna hopefully resonate um i

10  
00:00:21,830 --> 00:00:20,960  
will tell you that i'm gonna steal a a

11  
00:00:24,550 --> 00:00:21,840  
uh

12  
00:00:26,150 --> 00:00:24,560  
a little um saying here that sean has

13  
00:00:28,070 --> 00:00:26,160

told to me over and over again and i'm

14

00:00:29,669 --> 00:00:28,080

gonna steal it because i really like it

15

00:00:33,110 --> 00:00:29,679

you know

16

00:00:34,630 --> 00:00:33,120

we are going to transform the notion of

17

00:00:37,910 --> 00:00:34,640

men in black

18

00:00:40,470 --> 00:00:37,920

we want to be uh the men in technicolor

19

00:00:42,069 --> 00:00:40,480

completely transparent and let everybody

20

00:00:45,029 --> 00:00:42,079

see everything that we're doing

21

00:00:48,069 --> 00:00:45,039

nothing's hidden in the shadows um we

22

00:00:50,229 --> 00:00:48,079

think transparency and sunlight is the

23

00:00:52,709 --> 00:00:50,239

best antiseptic to anything especially a

24

00:00:55,189 --> 00:00:52,719

topic that's been kept in the shadows

25

00:00:56,389 --> 00:00:55,199

for over 75 years

26

00:00:59,349 --> 00:00:56,399

so

27

00:01:01,110 --> 00:00:59,359

expect us to take that and and and try

28

00:01:03,430 --> 00:01:01,120

to dismantle

29

00:01:05,670 --> 00:01:03,440

any type of over secrecy on this topic

30

00:01:07,030 --> 00:01:05,680

now let me let me caveat over secrecy

31

00:01:08,310 --> 00:01:07,040

okay there's gonna be portions of this

32

00:01:09,750 --> 00:01:08,320

topic that are still gonna remain

33

00:01:11,109 --> 00:01:09,760

classified and that's just we gotta get

34

00:01:12,789 --> 00:01:11,119

over it that's just the reality of

35

00:01:14,310 --> 00:01:12,799

things but

36

00:01:16,070 --> 00:01:14,320

but the vast majority of it doesn't have

37

00:01:17,830 --> 00:01:16,080

to be and and that's what we want to do

38

00:01:19,830 --> 00:01:17,840

we want to bring light to this topic and

39

00:01:20,870 --> 00:01:19,840

there's other means and mechanisms that

40

00:01:22,149 --> 00:01:20,880

we can do

41

00:01:23,590 --> 00:01:22,159

and i think some of those are going to

42

00:01:25,830 --> 00:01:23,600

start to become very apparent here

43

00:01:27,670 --> 00:01:25,840

within the following months and

44

00:01:28,710 --> 00:01:27,680

this year i think people will look back

45

00:01:32,310 --> 00:01:28,720

and say

46

00:01:34,230 --> 00:01:32,320

uh that's what lou and sean meant um

47

00:01:36,069 --> 00:01:34,240

you know we we

48

00:01:38,710 --> 00:01:36,079

we've stopped just long enough to pat

49

00:01:40,310 --> 00:01:38,720

each other on the back and and we're

50

00:01:41,990 --> 00:01:40,320

we're still moving forward we're not

51  
00:01:43,429 --> 00:01:42,000  
resting on our laurels we're not sitting

52  
00:01:45,350 --> 00:01:43,439  
down and relaxing and looking at our

53  
00:01:47,830 --> 00:01:45,360  
achievements or accomplishments

54  
00:01:50,230 --> 00:01:47,840  
uh because our art we're too focused on

55  
00:01:51,109 --> 00:01:50,240  
the next hill we have to take um

56  
00:01:52,789 --> 00:01:51,119  
so

57  
00:01:55,350 --> 00:01:52,799  
i think that's what you can expect you
