1  
00:01:04,549 --> 00:00:14,250

[Music]

2  
00:01:09,350 --> 00:01:07,190

hey guys how's it going welcome back to

3  
00:01:10,710 --> 00:01:09,360

the channel um before we bring on my

4  
00:01:12,870 --> 00:01:10,720

guest i just want to say thank you to

5  
00:01:14,310 --> 00:01:12,880

everybody that's here watching this live

6  
00:01:16,149 --> 00:01:14,320

anyone on youtube that watches it

7  
00:01:18,950 --> 00:01:16,159

afterwards and anybody on the anomalous

8  
00:01:21,350 --> 00:01:18,960

podcast network thank you so much

9  
00:01:23,190 --> 00:01:21,360

also i just wanted to suggest to anybody

10  
00:01:25,030 --> 00:01:23,200

that hasn't seen it already to go and

11  
00:01:28,230 --> 00:01:25,040

check out check out tim mcmillan's

12  
00:01:30,469 --> 00:01:28,240

article over on thedebrief.org

13  
00:01:33,109 --> 00:01:30,479

a bombshell article today i highly

14

00:01:35,109 --> 00:01:33,119

recommend everybody going to read it

15

00:01:36,550 --> 00:01:35,119

and for everybody that is watching this

16

00:01:38,550 --> 00:01:36,560

live if you could please keep things

17

00:01:40,870 --> 00:01:38,560

respectful and clean in the live chat

18

00:01:43,030 --> 00:01:40,880

that would be much appreciated there's

19

00:01:44,069 --> 00:01:43,040

no need for any abuse or any negativity

20

00:01:45,429 --> 00:01:44,079

i mean

21

00:01:47,350 --> 00:01:45,439

you know what i'm trying to say i'd

22

00:01:49,590 --> 00:01:47,360

really appreciate that if you have any

23

00:01:51,350 --> 00:01:49,600

questions for rick today please leave

24

00:01:53,350 --> 00:01:51,360

them in capital letters then i get to

25

00:01:54,550 --> 00:01:53,360

see them or i've got more chance of

26

00:01:56,870 --> 00:01:54,560

seeing them

27

00:01:58,069 --> 00:01:56,880

um and all questions we'll we'll try and

28

00:01:59,590 --> 00:01:58,079

ask them

29

00:02:01,030 --> 00:01:59,600

if they're relevant to the conversation

30

00:02:02,310 --> 00:02:01,040

point they'll be talking about if not

31

00:02:03,429 --> 00:02:02,320

they will be left till the end of the

32

00:02:05,350 --> 00:02:03,439

interview

33

00:02:07,270 --> 00:02:05,360

i think that's it for now guys so uh

34

00:02:09,430 --> 00:02:07,280

please let me welcome our guest

35

00:02:11,110 --> 00:02:09,440

rick doty rick how's it going

36

00:02:12,869 --> 00:02:11,120

good danny

37

00:02:14,150 --> 00:02:12,879

thank you so much thank you so much for

38

00:02:16,630 --> 00:02:14,160

joining me i really appreciate you

39

00:02:18,309 --> 00:02:16,640

taking the time you're very welcome

40

00:02:19,910 --> 00:02:18,319

so i think before we get like into the

41

00:02:21,830 --> 00:02:19,920

main main interview rick if you could

42

00:02:23,510 --> 00:02:21,840

just give us a brief background on your

43

00:02:25,670 --> 00:02:23,520

yourself your career that would be a

44

00:02:27,510 --> 00:02:25,680

great start thank you

45

00:02:30,390 --> 00:02:27,520

well i'm richard doty i worked for the

46

00:02:33,430 --> 00:02:30,400

united states intelligence service from

47

00:02:36,150 --> 00:02:33,440

1978 to 1988

48

00:02:38,390 --> 00:02:36,160

i was worked for the air force office of

49

00:02:41,509 --> 00:02:38,400

special investigations as a

50

00:02:45,270 --> 00:02:41,519

counterintelligence officer

51

00:02:47,830 --> 00:02:45,280

i worked at various locations

52

00:02:49,750 --> 00:02:47,840

kirtland air force base was in near

53

00:02:52,470 --> 00:02:49,760

albuquerque new mexico

54

00:02:53,750 --> 00:02:52,480

and then i worked at the area 51

55

00:02:55,830 --> 00:02:53,760

both at the

56

00:02:57,030 --> 00:02:55,840

within the nellis test and training

57

00:02:59,509 --> 00:02:57,040

range

58

00:03:01,350 --> 00:02:59,519

there's two bases out there one is groom

59

00:03:03,509 --> 00:03:01,360

lake air force base and the other is

60

00:03:05,030 --> 00:03:03,519

tunnel by air force base i worked at

61

00:03:06,710 --> 00:03:05,040

both of those

62

00:03:08,390 --> 00:03:06,720

i had access to highly classified

63

00:03:10,949 --> 00:03:08,400

information for

64

00:03:12,309 --> 00:03:10,959  
pertaining to ufos and the united states

65

00:03:13,670 --> 00:03:12,319  
government's

66

00:03:16,790 --> 00:03:13,680  
program

67

00:03:19,190 --> 00:03:16,800  
investigating the the phenomena

68

00:03:21,750 --> 00:03:19,200  
of uh ufos we call them ufos back in

69

00:03:23,430 --> 00:03:21,760  
those days not uaps

70

00:03:25,030 --> 00:03:23,440  
and there's other terminologies i'm sure

71

00:03:28,470 --> 00:03:25,040  
we'll discuss later

72

00:03:30,789 --> 00:03:28,480  
uh regarding that particular program um

73

00:03:32,390 --> 00:03:30,799  
i worked right up until 1988

74

00:03:34,309 --> 00:03:32,400  
and i got out

75

00:03:35,270 --> 00:03:34,319  
and i worked for a number of different

76

00:03:40,710 --> 00:03:35,280

uh

77

00:03:42,390 --> 00:03:40,720

one being the institute for advanced

78

00:03:44,710 --> 00:03:42,400

studies at austin

79

00:03:46,710 --> 00:03:44,720

as dr put off's organization i worked

80

00:03:48,550 --> 00:03:46,720

there for 12 years

81

00:03:50,789 --> 00:03:48,560

and after that i uh

82

00:03:52,550 --> 00:03:50,799

i worked as a private consultant on

83

00:03:53,670 --> 00:03:52,560

movie sets i've been doing that for

84

00:03:56,710 --> 00:03:53,680

about

85

00:04:00,070 --> 00:03:56,720

10 years and i've also have

86

00:04:02,070 --> 00:04:00,080

a number of uh youtube videos and so

87

00:04:04,149 --> 00:04:02,080

forth that i've done over the years

88

00:04:05,270 --> 00:04:04,159

that's that's my background before

89

00:04:07,190 --> 00:04:05,280

before i

90

00:04:09,589 --> 00:04:07,200

he got into us intelligence

91

00:04:11,190 --> 00:04:09,599

i was in college

92

00:04:13,190 --> 00:04:11,200

and before that i was in a regular air

93

00:04:15,429 --> 00:04:13,200

force i served four years the united

94

00:04:16,949 --> 00:04:15,439

states air force got out went to college

95

00:04:19,270 --> 00:04:16,959

and it came back in

96

00:04:20,469 --> 00:04:19,280

working for united states intelligence

97

00:04:21,590 --> 00:04:20,479

lovely thank you pretty much in a

98

00:04:23,830 --> 00:04:21,600

nutshell

99

00:04:25,830 --> 00:04:23,840

that's great thank you thank you and so

100

00:04:28,469 --> 00:04:25,840

at what point did the ufo top topic or

101  
00:04:30,390 --> 00:04:28,479  
subject come into your career

102  
00:04:31,670 --> 00:04:30,400  
was it just suddenly on your desk one

103  
00:04:33,990 --> 00:04:31,680  
day

104  
00:04:35,749 --> 00:04:34,000  
no actually yeah actually that's exactly

105  
00:04:37,350 --> 00:04:35,759  
how it happened uh

106  
00:04:40,629 --> 00:04:37,360  
there was an incident that happened at

107  
00:04:43,590 --> 00:04:40,639  
kirtland air force base in 1979 early

108  
00:04:44,950 --> 00:04:43,600  
1970

109  
00:04:49,030 --> 00:04:44,960  
where a

110  
00:04:51,830 --> 00:04:49,040  
security guard had witnessed a

111  
00:04:54,469 --> 00:04:51,840  
landing of a craft out in a restricted

112  
00:04:56,469 --> 00:04:54,479  
area on the base

113  
00:04:58,629 --> 00:04:56,479

at that point i wasn't i wasn't briefed

114

00:05:00,710 --> 00:04:58,639

into any special programs and these

115

00:05:03,749 --> 00:05:00,720

special programs are called special

116

00:05:06,390 --> 00:05:03,759

access programs or sap

117

00:05:08,950 --> 00:05:06,400

uh when i started investigating it

118

00:05:11,430 --> 00:05:08,960

uh i realized that uh

119

00:05:13,510 --> 00:05:11,440

it probably involves something that i

120

00:05:15,430 --> 00:05:13,520

hadn't been briefed into or that the

121

00:05:17,909 --> 00:05:15,440

government knew and i didn't know

122

00:05:21,029 --> 00:05:17,919

so i asked my supervisor i briefed him

123

00:05:23,510 --> 00:05:21,039

on what i was investigating uh then he

124

00:05:24,629 --> 00:05:23,520

uh sent me over to a special location on

125

00:05:27,670 --> 00:05:24,639

the base

126

00:05:29,670 --> 00:05:27,680

whereby i got a special briefing

127

00:05:31,430 --> 00:05:29,680

a special access program

128

00:05:33,990 --> 00:05:31,440

uh

129

00:05:35,670 --> 00:05:34,000

briefing on the subject of ufos and

130

00:05:39,510 --> 00:05:35,680

united states government's involvement

131

00:05:40,790 --> 00:05:39,520

with ufos and that briefing occurred uh

132

00:05:42,629 --> 00:05:40,800

in uh

133

00:05:44,390 --> 00:05:42,639

1979

134

00:05:47,029 --> 00:05:44,400

it was about a two and a half hour

135

00:05:49,350 --> 00:05:47,039

briefing it was by an air force colonel

136

00:05:50,629 --> 00:05:49,360

i was shown a uh i wasn't the only one

137

00:05:52,629 --> 00:05:50,639

in the room there

138

00:05:54,070 --> 00:05:52,639

some other people in the room i think 10

139

00:05:56,550 --> 00:05:54,080

or 12 other people that were being

140

00:05:58,950 --> 00:05:56,560

briefed in the same program i was

141

00:06:01,350 --> 00:05:58,960

uh we were so shown a video

142

00:06:03,430 --> 00:06:01,360

a united states government video or a

143

00:06:06,309 --> 00:06:03,440

movie and what we did in the videos that

144

00:06:09,510 --> 00:06:06,319

a movie a 16 millimeter projector movie

145

00:06:10,710 --> 00:06:09,520

uh which included uh uh part of a

146

00:06:11,670 --> 00:06:10,720

recovery

147

00:06:16,710 --> 00:06:11,680

uh

148

00:06:19,670 --> 00:06:16,720

near roswell in 1947.

149

00:06:21,830 --> 00:06:19,680

uh and then we were briefed on what the

150

00:06:24,150 --> 00:06:21,840

united states government has been doing

151  
00:06:27,590 --> 00:06:24,160  
from 1947 on

152  
00:06:30,870 --> 00:06:27,600  
and that's when i realized that we

153  
00:06:33,830 --> 00:06:30,880  
had a captured ufo in 1947

154  
00:06:35,749 --> 00:06:33,840  
we found another one in 1949 we had a

155  
00:06:39,430 --> 00:06:35,759  
live alien

156  
00:06:42,150 --> 00:06:39,440  
from 1947 to 1952 when he died

157  
00:06:44,950 --> 00:06:42,160  
and i was also briefed in other

158  
00:06:46,790 --> 00:06:44,960  
crashes that occurred after that so i

159  
00:06:49,110 --> 00:06:46,800  
was briefed into the program which had

160  
00:06:50,390 --> 00:06:49,120  
assisted me in the investigation of the

161  
00:06:52,070 --> 00:06:50,400  
incident that

162  
00:06:54,710 --> 00:06:52,080  
happened on the kirtland air force base

163  
00:06:57,510 --> 00:06:54,720

in an area called coyote canyon

164

00:06:58,950 --> 00:06:57,520

and that's uh that's my beginning

165

00:07:01,430 --> 00:06:58,960

excellent i mean you've already said

166

00:07:03,749 --> 00:07:01,440

that about crashes and alien bodies i

167

00:07:05,189 --> 00:07:03,759

mean that must be like highly classified

168

00:07:08,469 --> 00:07:05,199

information so how is it that you're

169

00:07:09,830 --> 00:07:08,479

able to freely talk about it so easily

170

00:07:11,189 --> 00:07:09,840

it was

171

00:07:13,749 --> 00:07:11,199

at that point

172

00:07:15,189 --> 00:07:13,759

back in those days um and this is set in

173

00:07:17,510 --> 00:07:15,199

1979

174

00:07:19,670 --> 00:07:17,520

uh it was classified it was highly

175

00:07:22,070 --> 00:07:19,680

classified back then

176

00:07:24,629 --> 00:07:22,080

but over the years that information's

177

00:07:29,189 --> 00:07:27,430

almost not everything but

178

00:07:32,070 --> 00:07:29,199

a lot of information that the government

179

00:07:33,670 --> 00:07:32,080

had tied up in a special access program

180

00:07:35,749 --> 00:07:33,680

has been leaked

181

00:07:38,629 --> 00:07:35,759

or been spoken about

182

00:07:41,189 --> 00:07:38,639

and i had a non-disclosure statement a a

183

00:07:44,869 --> 00:07:41,199

agreement with the government when i got

184

00:07:46,550 --> 00:07:44,879

out 1980 but that expired now there are

185

00:07:50,469 --> 00:07:46,560

certain things that i won't talk about

186

00:07:53,270 --> 00:07:50,479

but the mere fact that we had uh two

187

00:07:55,270 --> 00:07:53,280

captured uh ufos back in those days

188

00:07:56,150 --> 00:07:55,280

that i knew about that i was briefed in

189

00:07:58,790 --> 00:07:56,160

two

190

00:08:01,430 --> 00:07:58,800

and one live alien that uh we found at a

191

00:08:03,270 --> 00:08:01,440

crash site near cronin new mexico or or

192

00:08:06,390 --> 00:08:03,280

people call it the roswell crash

193

00:08:08,869 --> 00:08:06,400

actually the crash the actual craft

194

00:08:12,469 --> 00:08:08,879

crashed near corona new mexico which is

195

00:08:14,950 --> 00:08:12,479

north about 70 miles north of roswell

196

00:08:17,510 --> 00:08:14,960

and then the second craft we found out

197

00:08:22,150 --> 00:08:17,520

west of their near horse mason new

198

00:08:26,790 --> 00:08:23,830

though all that information has been

199

00:08:28,390 --> 00:08:26,800

released the roswell uh

200

00:08:30,550 --> 00:08:28,400

the number of books

201  
00:08:33,110 --> 00:08:30,560  
regarding the roswell internet but

202  
00:08:35,110 --> 00:08:33,120  
few people get have have it all right i

203  
00:08:36,949 --> 00:08:35,120  
mean stan friedman had it right and some

204  
00:08:39,110 --> 00:08:36,959  
other people have had it right

205  
00:08:41,190 --> 00:08:39,120  
uh and there's some books out there that

206  
00:08:42,790 --> 00:08:41,200  
have it completely wrong

207  
00:08:45,110 --> 00:08:42,800  
but i was briefed into the official

208  
00:08:47,430 --> 00:08:45,120  
program i know what officially happened

209  
00:08:49,509 --> 00:08:47,440  
and i'll just accept what the government

210  
00:08:52,470 --> 00:08:49,519  
told me what happened

211  
00:08:55,350 --> 00:08:52,480  
fair enough yep can't argue with that um

212  
00:08:57,750 --> 00:08:55,360  
now it said that osi spied on civilian

213  
00:08:59,190 --> 00:08:57,760

ufo researchers even breaking and

214

00:09:00,710 --> 00:08:59,200

entering homes and feeding them

215

00:09:02,470 --> 00:09:00,720

disinformation

216

00:09:04,550 --> 00:09:02,480

can you tell us about that and why they

217

00:09:06,710 --> 00:09:04,560

felt the need to go to such lengths were

218

00:09:09,509 --> 00:09:06,720

they getting close to the truth what was

219

00:09:11,269 --> 00:09:09,519

the reasons behind all that

220

00:09:13,509 --> 00:09:11,279

well the united states government has

221

00:09:17,269 --> 00:09:13,519

such a thing as a counterintelligence

222

00:09:19,670 --> 00:09:17,279

network around uh vital installations

223

00:09:21,030 --> 00:09:19,680

uh and believe it or not the the british

224

00:09:24,630 --> 00:09:21,040

mod

225

00:09:26,389 --> 00:09:24,640

uh mi5 and mi6 has exact same program as

226

00:09:27,350 --> 00:09:26,399

we do in fact

227

00:09:36,550 --> 00:09:27,360

uh

228

00:09:38,790 --> 00:09:36,560

and and i'm sure

229

00:09:41,030 --> 00:09:38,800

most of you know that the the minister

230

00:09:43,990 --> 00:09:41,040

of defense has a counterintelligence uh

231

00:09:46,630 --> 00:09:44,000

uh part uh that they have and and and

232

00:09:48,710 --> 00:09:46,640

the and the object of that is to protect

233

00:09:50,630 --> 00:09:48,720

the installations just like we we have

234

00:09:52,150 --> 00:09:50,640

to protect our military installations in

235

00:09:55,910 --> 00:09:52,160

the united states

236

00:09:58,470 --> 00:09:55,920

and one way one of the way ways we do it

237

00:10:01,110 --> 00:09:58,480

is we set up a counterintelligence

238

00:10:03,750 --> 00:10:01,120

network outside the base

239

00:10:05,030 --> 00:10:03,760

and that protects us against foreign

240

00:10:06,949 --> 00:10:05,040

intrusions

241

00:10:09,509 --> 00:10:06,959

foreign spies now remember back in those

242

00:10:11,030 --> 00:10:09,519

days we got a cold war going on

243

00:10:13,030 --> 00:10:11,040

yes

244

00:10:14,710 --> 00:10:13,040

uh trying to spy on us of course we were

245

00:10:16,949 --> 00:10:14,720

trying to spy on them too

246

00:10:19,350 --> 00:10:16,959

so we set up a counterintelligence

247

00:10:20,550 --> 00:10:19,360

network around the base and and and that

248

00:10:23,110 --> 00:10:20,560

involves

249

00:10:25,590 --> 00:10:23,120

uh finding out what the what everybody's

250

00:10:28,790 --> 00:10:25,600

doing and what everybody's collecting

251  
00:10:29,910 --> 00:10:28,800  
and a side note on this is the ufo

252  
00:10:34,710 --> 00:10:29,920  
community

253  
00:10:36,630 --> 00:10:34,720  
was doing we want to know know what

254  
00:10:38,710 --> 00:10:36,640  
information they had

255  
00:10:39,990 --> 00:10:38,720  
and whether they had been penetrated by

256  
00:10:42,230 --> 00:10:40,000  
soviet

257  
00:10:44,790 --> 00:10:42,240  
or other hostile intelligence agencies

258  
00:10:47,030 --> 00:10:44,800  
such as the chinese or east german and

259  
00:10:48,790 --> 00:10:47,040  
so forth so in order to do that we would

260  
00:10:51,509 --> 00:10:48,800  
have to penetrate

261  
00:10:53,509 --> 00:10:51,519  
uh those agencies and keep an eye on

262  
00:10:54,710 --> 00:10:53,519  
what and what they were doing and what

263  
00:10:56,630 --> 00:10:54,720

they were

264

00:10:58,949 --> 00:10:56,640  
were gathering now

265

00:11:00,630 --> 00:10:58,959  
i've never been involved

266

00:11:02,230 --> 00:11:00,640  
with any in

267

00:11:05,190 --> 00:11:02,240  
operations

268

00:11:09,430 --> 00:11:07,110  
threatened

269

00:11:11,190 --> 00:11:09,440  
ufo researchers

270

00:11:13,350 --> 00:11:11,200  
all we did was

271

00:11:14,790 --> 00:11:13,360  
kept track of what they knew

272

00:11:16,710 --> 00:11:14,800  
we never tried to influence them at

273

00:11:18,630 --> 00:11:16,720  
least i never did

274

00:11:20,470 --> 00:11:18,640  
but we had to keep track of what they

275

00:11:23,190 --> 00:11:20,480  
what they were doing and and what they

276

00:11:24,790 --> 00:11:23,200

knew and and an example of this

277

00:11:26,870 --> 00:11:24,800

is bill moore

278

00:11:29,509 --> 00:11:26,880

i mean most people following the

279

00:11:32,550 --> 00:11:29,519

phenomena ufo phenomena back in the late

280

00:11:34,710 --> 00:11:32,560

70s and 80s no bill moore he wrote he

281

00:11:36,470 --> 00:11:34,720

wrote the first book on roswell him and

282

00:11:38,710 --> 00:11:36,480

charles burlitz

283

00:11:40,470 --> 00:11:38,720

i think it was a very very good book uh

284

00:11:42,630 --> 00:11:40,480

one of one of the

285

00:11:44,949 --> 00:11:42,640

the few things that people don't know

286

00:11:47,509 --> 00:11:44,959

uh is that there's a lot of information

287

00:11:49,350 --> 00:11:47,519

about roswell that bill had

288

00:11:51,269 --> 00:11:49,360

had found out about that wasn't in the

289

00:11:52,870 --> 00:11:51,279

book and there's reasons why it was

290

00:11:57,829 --> 00:11:52,880

never

291

00:12:00,230 --> 00:11:57,839

besides that we we recruited uh bill

292

00:12:02,069 --> 00:12:00,240

moore because he was a member of mufon a

293

00:12:04,310 --> 00:12:02,079

pro cause

294

00:12:06,470 --> 00:12:04,320

and uh

295

00:12:09,350 --> 00:12:06,480

he kept track of what they knew and he

296

00:12:13,350 --> 00:12:09,360

told us what they knew but

297

00:12:15,990 --> 00:12:13,360

at no time did we ever influence

298

00:12:17,190 --> 00:12:16,000

uh i never broke into any uh

299

00:12:18,790 --> 00:12:17,200

mufon

300

00:12:20,550 --> 00:12:18,800

uh uh

301

00:12:23,030 --> 00:12:20,560

members houses

302

00:12:25,030 --> 00:12:23,040

uh i know i know what that's i know why

303

00:12:27,750 --> 00:12:25,040

you said that and we'll talk about paul

304

00:12:28,790 --> 00:12:27,760

benowitz in a in a little bit but

305

00:12:30,629 --> 00:12:28,800

um

306

00:12:33,509 --> 00:12:30,639

so we just kept track of it now bill

307

00:12:35,350 --> 00:12:33,519

moore had other other uh connections

308

00:12:37,509 --> 00:12:35,360

with us and that dealt with counter

309

00:12:38,550 --> 00:12:37,519

espionage because he had he had

310

00:12:41,430 --> 00:12:38,560

information

311

00:12:43,990 --> 00:12:41,440

uh pertaining to and he had at contacts

312

00:12:45,990 --> 00:12:44,000

uh within the soviet union and so that's

313

00:12:48,230 --> 00:12:46,000

that's a this different

314

00:12:49,030 --> 00:12:48,240  
program so to speak but

315

00:12:51,590 --> 00:12:49,040  
uh

316

00:12:54,550 --> 00:12:51,600  
we never broke into any i didn't osi

317

00:12:58,870 --> 00:12:54,560  
never broke into any uh researchers

318

00:12:59,590 --> 00:12:58,880  
mufon or a pro or causes uh residences

319

00:13:04,069 --> 00:12:59,600  
and

320

00:13:09,030 --> 00:13:04,079  
them we never threatened them

321

00:13:12,949 --> 00:13:11,350  
okay no problem so i mean let's talk

322

00:13:15,590 --> 00:13:12,959  
about paul benowitz because

323

00:13:18,470 --> 00:13:15,600  
unfortunately people do associate the

324

00:13:20,710 --> 00:13:18,480  
disinformation in your um interactions

325

00:13:22,230 --> 00:13:20,720  
with him to to be an influence on what

326

00:13:24,629 --> 00:13:22,240

happened to him so

327

00:13:27,269 --> 00:13:24,639

can you break that down and sort of lay

328

00:13:29,430 --> 00:13:27,279

out to us how it really went down or

329

00:13:33,190 --> 00:13:29,440

your side of things

330

00:13:36,870 --> 00:13:33,200

well paul binowitz uh was a he owned a

331

00:13:39,110 --> 00:13:36,880

a a company right outside the base

332

00:13:41,030 --> 00:13:39,120

of kirtland air force base

333

00:13:43,590 --> 00:13:41,040

uh it was called

334

00:13:46,150 --> 00:13:43,600

thunder scientific laboratories

335

00:13:47,110 --> 00:13:46,160

he made environmental sensors

336

00:13:49,430 --> 00:13:47,120

for

337

00:13:53,350 --> 00:13:49,440

u.s submarines so he had a

338

00:13:55,750 --> 00:13:53,360

industrial security clearance he had uh

339

00:13:57,030 --> 00:13:55,760

and he made sensitive things for the

340

00:13:59,350 --> 00:13:57,040

government of the united states

341

00:14:00,949 --> 00:13:59,360

government not just the censors for the

342

00:14:03,350 --> 00:14:00,959

submarines but

343

00:14:05,269 --> 00:14:03,360

other things for united states navy

344

00:14:07,350 --> 00:14:05,279

he lived right outside the base right

345

00:14:10,550 --> 00:14:07,360

outside one of the largest nuclear

346

00:14:11,430 --> 00:14:10,560

weapons storage areas in the free world

347

00:14:13,829 --> 00:14:11,440

and

348

00:14:16,629 --> 00:14:13,839

he started seeing objects flying around

349

00:14:18,790 --> 00:14:16,639

the base kirtland air force base so he

350

00:14:20,949 --> 00:14:18,800

was photographing those objects

351

00:14:23,269 --> 00:14:20,959

he also set up uh

352

00:14:25,269 --> 00:14:23,279

scientific collection

353

00:14:28,230 --> 00:14:25,279

devices now paul benowitz was a

354

00:14:29,670 --> 00:14:28,240

physicist he was a scientist

355

00:14:32,230 --> 00:14:29,680

and eventually he thought there was a

356

00:14:34,230 --> 00:14:32,240

threat to the base so he went to

357

00:14:36,870 --> 00:14:34,240

uh the uh

358

00:14:39,110 --> 00:14:36,880

the chief of security for manzano base

359

00:14:40,550 --> 00:14:39,120

which was where the nuclear weapons uh

360

00:14:43,189 --> 00:14:40,560

was stored

361

00:14:45,110 --> 00:14:43,199

the uh the person he contacted was a

362

00:14:46,550 --> 00:14:45,120

lieutenant air force lieutenant colonel

363

00:14:49,350 --> 00:14:46,560

ernie edwards

364

00:14:50,550 --> 00:14:49,360

was

365

00:14:52,550 --> 00:14:50,560

seeing

366

00:14:55,430 --> 00:14:52,560

near the base

367

00:14:57,430 --> 00:14:55,440

well uh me being the counterintelligence

368

00:14:59,910 --> 00:14:57,440

officer for the base

369

00:15:01,030 --> 00:14:59,920

ernie edwards and i knew him very well

370

00:15:03,030 --> 00:15:01,040

he attended

371

00:15:05,350 --> 00:15:03,040

most of our security meetings he

372

00:15:06,710 --> 00:15:05,360

immediately called me and said listen uh

373

00:15:07,910 --> 00:15:06,720

rick i need you to come down to the

374

00:15:09,670 --> 00:15:07,920

office i have something very very

375

00:15:10,949 --> 00:15:09,680

important to tell tell you

376

00:15:12,629 --> 00:15:10,959

so i did i went down there and he

377

00:15:14,790 --> 00:15:12,639

briefed me on the paul benowitz what

378

00:15:16,949 --> 00:15:14,800

paul benoit's told him

379

00:15:18,069 --> 00:15:16,959

we immediately started an investigation

380

00:15:19,910 --> 00:15:18,079

because there was

381

00:15:24,949 --> 00:15:19,920

uh

382

00:15:27,350 --> 00:15:24,959

indication of a threat to the base

383

00:15:29,110 --> 00:15:27,360

paul saw these things flying around

384

00:15:30,470 --> 00:15:29,120

we didn't know what they were i mean at

385

00:15:31,749 --> 00:15:30,480

least i hadn't been briefed into that

386

00:15:32,870 --> 00:15:31,759

program

387

00:15:39,269 --> 00:15:32,880

so

388

00:15:41,829 --> 00:15:39,279

out to paul benowitz's uh uh office uh

389

00:15:43,269 --> 00:15:41,839

that thunder scientific uh

390

00:15:45,110 --> 00:15:43,279

laboratories

391

00:15:46,470 --> 00:15:45,120

i introduced myself

392

00:15:48,150 --> 00:15:46,480

as a counterintelligence officer i

393

00:15:51,030 --> 00:15:48,160

didn't hide anything

394

00:15:53,749 --> 00:15:51,040

i said you you provided information to

395

00:15:56,389 --> 00:15:53,759

uh lieutenant colonel ernie edwards and

396

00:15:58,310 --> 00:15:56,399

we're interested in what you you had

397

00:16:00,310 --> 00:15:58,320

well paul opened up

398

00:16:02,389 --> 00:16:00,320

paul

399

00:16:04,870 --> 00:16:02,399

completely

400

00:16:06,230 --> 00:16:04,880

opened up about what he was doing

401  
00:16:08,550 --> 00:16:06,240  
what he saw

402  
00:16:10,069 --> 00:16:08,560  
what he photographed showed us the

403  
00:16:12,629 --> 00:16:10,079  
photographs

404  
00:16:14,310 --> 00:16:12,639  
uh thought there was a threat

405  
00:16:18,310 --> 00:16:14,320  
paul had served in the united states

406  
00:16:19,430 --> 00:16:18,320  
navy he was a patriotic american

407  
00:16:22,069 --> 00:16:19,440  
he had a

408  
00:16:24,710 --> 00:16:22,079  
scientific laboratory that provided very

409  
00:16:26,310 --> 00:16:24,720  
sensitive electronic devices to the

410  
00:16:28,629 --> 00:16:26,320  
united states navy

411  
00:16:30,710 --> 00:16:28,639  
uh so he was concerned he was he was

412  
00:16:33,350 --> 00:16:30,720  
really concerned

413  
00:16:36,470 --> 00:16:33,360

now a side note about paul

414

00:16:38,949 --> 00:16:36,480

paul had been a member of apro

415

00:16:42,389 --> 00:16:38,959

since 1960.

416

00:16:44,069 --> 00:16:42,399

paul was a strong believer in ufos alien

417

00:16:46,790 --> 00:16:44,079

contacts

418

00:16:48,550 --> 00:16:46,800

so he already knew this he already knew

419

00:16:51,430 --> 00:16:48,560

about aliens

420

00:16:54,870 --> 00:16:51,440

he after a couple meetings with paul he

421

00:16:57,509 --> 00:16:54,880

he connected what he was seeing

422

00:16:59,990 --> 00:16:57,519

with ets your extraterrestrials

423

00:17:01,350 --> 00:17:00,000

so that's how that connection occurred

424

00:17:04,309 --> 00:17:01,360

now

425

00:17:06,549 --> 00:17:04,319

what paul was actually filming and this

426  
00:17:07,909 --> 00:17:06,559  
is not classified anymore

427  
00:17:10,630 --> 00:17:07,919  
were the

428  
00:17:13,270 --> 00:17:10,640  
united states air force's drone program

429  
00:17:17,270 --> 00:17:13,280  
we started a drone program the air force

430  
00:17:20,390 --> 00:17:17,280  
did back in the early 70s and early 80s

431  
00:17:22,470 --> 00:17:20,400  
and the way that the drones were

432  
00:17:25,110 --> 00:17:22,480  
tested back in those days was there

433  
00:17:27,350 --> 00:17:25,120  
would be an airplane flying a mother

434  
00:17:28,789 --> 00:17:27,360  
mother ship so to speak

435  
00:17:31,430 --> 00:17:28,799  
and these

436  
00:17:34,070 --> 00:17:31,440  
drones would fly out of the airplane the

437  
00:17:36,950 --> 00:17:34,080  
air force plane and being controlled by

438  
00:17:38,789 --> 00:17:36,960

operators with inside that plane that

439

00:17:41,750 --> 00:17:38,799

close proximity

440

00:17:43,669 --> 00:17:41,760

and so what paul was taking pictures of

441

00:17:44,710 --> 00:17:43,679

were these drones flying around this

442

00:17:46,950 --> 00:17:44,720

airplane

443

00:17:49,190 --> 00:17:46,960

and air force plane and

444

00:17:52,230 --> 00:17:49,200

and paul immediately thought that there

445

00:17:53,190 --> 00:17:52,240

were ufos flying around a a an air force

446

00:17:54,950 --> 00:17:53,200

plane

447

00:17:57,430 --> 00:17:54,960

we never told paul

448

00:17:59,510 --> 00:17:57,440

initially we didn't tell him initially

449

00:18:01,350 --> 00:17:59,520

eventually we did but not initially we

450

00:18:03,590 --> 00:18:01,360

didn't tell him that was an air force

451  
00:18:06,549 --> 00:18:03,600  
project at that time that drone program

452  
00:18:08,470 --> 00:18:06,559  
was highly classified highly classified

453  
00:18:11,909 --> 00:18:08,480  
so we didn't tell him that

454  
00:18:13,029 --> 00:18:11,919  
now a few other things paul uh evolved

455  
00:18:16,230 --> 00:18:13,039  
into

456  
00:18:18,310 --> 00:18:16,240  
uh was that uh we had a uh

457  
00:18:19,510 --> 00:18:18,320  
national security agency site on the

458  
00:18:22,070 --> 00:18:19,520  
base

459  
00:18:23,270 --> 00:18:22,080  
and that uh site was highly classified

460  
00:18:25,590 --> 00:18:23,280  
the fact that it was there was

461  
00:18:27,430 --> 00:18:25,600  
classified it's not classified anymore

462  
00:18:28,710 --> 00:18:27,440  
not anything i'm telling you now is that

463  
00:18:29,590 --> 00:18:28,720

classified

464

00:18:32,230 --> 00:18:29,600

uh

465

00:18:34,630 --> 00:18:32,240

paul was photographing

466

00:18:36,710 --> 00:18:34,640

strange occurrences coming from that

467

00:18:37,830 --> 00:18:36,720

national security agency to their nsa

468

00:18:39,350 --> 00:18:37,840

site

469

00:18:42,310 --> 00:18:39,360

and he also

470

00:18:44,950 --> 00:18:42,320

collected signal or intelligence signal

471

00:18:46,310 --> 00:18:44,960

uh frequencies coming from there

472

00:18:47,669 --> 00:18:46,320

and

473

00:18:48,630 --> 00:18:47,679

what paul

474

00:18:50,390 --> 00:18:48,640

uh

475

00:18:52,950 --> 00:18:50,400

accidentally i think

476

00:18:54,470 --> 00:18:52,960

uh got himself into

477

00:18:56,070 --> 00:18:54,480

or tapped into

478

00:18:58,310 --> 00:18:56,080

was a highly class another highly

479

00:19:00,549 --> 00:18:58,320

classified program where we were

480

00:19:02,230 --> 00:19:00,559

firing a laser

481

00:19:04,150 --> 00:19:02,240

up in the sky

482

00:19:05,750 --> 00:19:04,160

and blinding soviet satellites as they

483

00:19:07,750 --> 00:19:05,760

were going over

484

00:19:09,029 --> 00:19:07,760

the area of the base

485

00:19:11,510 --> 00:19:09,039

and

486

00:19:13,830 --> 00:19:11,520

it's not classified anymore but but at

487

00:19:14,789 --> 00:19:13,840

that time obviously it was

488

00:19:16,630 --> 00:19:14,799

so

489

00:19:18,470 --> 00:19:16,640

putting all those things together we had

490

00:19:20,470 --> 00:19:18,480

to convince paul

491

00:19:22,630 --> 00:19:20,480

we didn't want to release

492

00:19:24,789 --> 00:19:22,640

the fact that he tapped into a too

493

00:19:28,150 --> 00:19:24,799

highly classified programs

494

00:19:30,150 --> 00:19:28,160

so i suggested to paul that maybe

495

00:19:31,669 --> 00:19:30,160

what he was seeing were

496

00:19:33,750 --> 00:19:31,679

real ufos

497

00:19:34,710 --> 00:19:33,760

alien spaceships

498

00:19:36,390 --> 00:19:34,720

and

499

00:19:39,029 --> 00:19:36,400

it didn't take much to convince him

500

00:19:40,630 --> 00:19:39,039

otherwise because he already believed it

501  
00:19:43,190 --> 00:19:40,640  
that's how

502  
00:19:45,750 --> 00:19:43,200  
the disinformation started with paul i

503  
00:19:47,669 --> 00:19:45,760  
didn't have to fool him i didn't have to

504  
00:19:49,990 --> 00:19:47,679  
present him with anything

505  
00:19:51,990 --> 00:19:50,000  
i just had to put the suggestion in his

506  
00:19:53,590 --> 00:19:52,000  
mind me and others there were other

507  
00:19:56,470 --> 00:19:53,600  
people involved in this

508  
00:19:57,990 --> 00:19:56,480  
and uh and bob paul ran with it and i we

509  
00:19:59,830 --> 00:19:58,000  
told paul listen

510  
00:20:02,149 --> 00:19:59,840  
this is classified part you can't tell

511  
00:20:04,390 --> 00:20:02,159  
anybody well well he didn't

512  
00:20:08,070 --> 00:20:04,400  
except with exception of a few people

513  
00:20:10,310 --> 00:20:08,080

such as uh alan heineck uh he who was

514

00:20:13,350 --> 00:20:10,320

involved in this program and some others

515

00:20:14,630 --> 00:20:13,360

but uh that's how the paul bennowitz uh

516

00:20:16,549 --> 00:20:14,640

uh

517

00:20:18,470 --> 00:20:16,559

project occurred

518

00:20:20,470 --> 00:20:18,480

no i appreciate you giving us to

519

00:20:22,149 --> 00:20:20,480

giving us that and just before you move

520

00:20:23,510 --> 00:20:22,159

on the two programs the classified

521

00:20:24,950 --> 00:20:23,520

programs that you mentioned the laser

522

00:20:28,710 --> 00:20:24,960

and the drone do you happen to know the

523

00:20:34,310 --> 00:20:28,720

code names for either of those projects

524

00:20:37,430 --> 00:20:34,320

uh the drone program um

525

00:20:40,149 --> 00:20:37,440

was amber something and i i don't i

526

00:20:41,350 --> 00:20:40,159

don't remember the nsa program the nsa

527

00:20:49,430 --> 00:20:41,360

uh

528

00:20:50,710 --> 00:20:49,440

what it was i had to get briefed into

529

00:20:52,070 --> 00:20:50,720

the program

530

00:20:53,590 --> 00:20:52,080

with nsa

531

00:20:55,590 --> 00:20:53,600

and that of course presented a lot of

532

00:20:59,990 --> 00:20:55,600

problems because

533

00:21:01,669 --> 00:21:00,000

when we when we briefed nsa uh security

534

00:21:04,789 --> 00:21:01,679

uh they immediately began their own

535

00:21:07,350 --> 00:21:04,799

investigation unbeknownst to us

536

00:21:09,830 --> 00:21:07,360

they had a parallel investigation going

537

00:21:11,510 --> 00:21:09,840

on as we did now our investigation

538

00:21:15,110 --> 00:21:11,520

involved the fbi

539

00:21:17,669 --> 00:21:15,120

um because we the fbi is responsible for

540

00:21:19,270 --> 00:21:17,679

any type of uh espionage occurring in

541

00:21:21,190 --> 00:21:19,280

the united states so we had to bring the

542

00:21:24,390 --> 00:21:21,200

fbi into us

543

00:21:26,310 --> 00:21:24,400

and the nsa didn't nsa had a

544

00:21:28,070 --> 00:21:26,320

purely uh secretive

545

00:21:29,270 --> 00:21:28,080

investigation program

546

00:21:31,750 --> 00:21:29,280

and so

547

00:21:34,870 --> 00:21:31,760

uh i eventually got briefed into it but

548

00:21:36,549 --> 00:21:34,880

it took some time to do that

549

00:21:38,870 --> 00:21:36,559

no that's fair enough um

550

00:21:40,310 --> 00:21:38,880

no i mean i suppose you didn't know what

551  
00:21:42,070 --> 00:21:40,320  
the outcome would be when it came to

552  
00:21:44,310 --> 00:21:42,080  
paul bennewitz but i mean i suppose at

553  
00:21:46,549 --> 00:21:44,320  
the end of it did you feel any kind of

554  
00:21:48,870 --> 00:21:46,559  
guilt or regret or how of even being a

555  
00:21:50,549 --> 00:21:48,880  
part in what happened to him how did it

556  
00:21:51,909 --> 00:21:50,559  
make you feel

557  
00:21:53,909 --> 00:21:51,919  
well

558  
00:21:56,549 --> 00:21:53,919  
the paul bennowitz case

559  
00:21:57,830 --> 00:21:56,559  
uh it was his project was called seven

560  
00:22:01,110 --> 00:21:57,840  
lambs

561  
00:22:04,630 --> 00:22:01,120  
of paul winowitz

562  
00:22:05,510 --> 00:22:04,640  
uh and that's been released uh before um

563  
00:22:06,870 --> 00:22:05,520

there's

564

00:22:07,990 --> 00:22:06,880

there are a lot of other things that

565

00:22:09,909 --> 00:22:08,000

occurred

566

00:22:13,430 --> 00:22:09,919

regarding this project in this

567

00:22:15,990 --> 00:22:13,440

investigation that just that

568

00:22:17,909 --> 00:22:16,000

paul bennowitz was a pilot

569

00:22:20,950 --> 00:22:17,919

uh if he flew uh

570

00:22:22,710 --> 00:22:20,960

his own cessna a single-engine

571

00:22:25,669 --> 00:22:22,720

cessna 182

572

00:22:28,630 --> 00:22:25,679

and he flew around taking pictures well

573

00:22:30,149 --> 00:22:28,640

paul actually photographed some real

574

00:22:32,870 --> 00:22:30,159

ufos

575

00:22:35,909 --> 00:22:32,880

which uh he he came back and showed us

576

00:22:38,310 --> 00:22:35,919

he had his own uh photo lab so he

577

00:22:41,110 --> 00:22:38,320

developed his own photos and showed us

578

00:22:42,470 --> 00:22:41,120

these things

579

00:22:44,310 --> 00:22:42,480

paul also

580

00:22:45,830 --> 00:22:44,320

was given a

581

00:22:48,870 --> 00:22:45,840

a monitor

582

00:22:51,029 --> 00:22:48,880

a computer monitor by alan heineck

583

00:22:53,669 --> 00:22:51,039

unbeknownst to us

584

00:22:56,789 --> 00:22:53,679

and that computer monitor

585

00:22:59,190 --> 00:22:56,799

was uh exchanging itself because

586

00:23:01,669 --> 00:22:59,200

back in those days in the 1980s

587

00:23:04,470 --> 00:23:01,679

commodore made

588

00:23:07,190 --> 00:23:04,480

a computer a small computer

589

00:23:11,190 --> 00:23:07,200

but didn't make anything in color

590

00:23:13,190 --> 00:23:11,200

well somehow paul got his he got color

591

00:23:14,390 --> 00:23:13,200

he was taking screenshots with his

592

00:23:15,510 --> 00:23:14,400

camera

593

00:23:17,590 --> 00:23:15,520

of of

594

00:23:19,350 --> 00:23:17,600

colored photographs on his computer we

595

00:23:20,470 --> 00:23:19,360

don't know how he did that in fact we

596

00:23:21,270 --> 00:23:20,480

eventually

597

00:23:26,070 --> 00:23:21,280

uh

598

00:23:28,789 --> 00:23:26,080

computer monitor

599

00:23:30,549 --> 00:23:28,799

and tried to figure out how that worked

600

00:23:33,990 --> 00:23:30,559

paul thought all along that he had

601  
00:23:39,190 --> 00:23:34,000  
contact with et's he was getting strange

602  
00:23:41,750 --> 00:23:39,200  
uh signals uh strain writings alpha uh

603  
00:23:43,350 --> 00:23:41,760  
he calls it the alien alphabet

604  
00:23:45,269 --> 00:23:43,360  
um

605  
00:23:46,630 --> 00:23:45,279  
and he was taking camera shots i

606  
00:23:48,470 --> 00:23:46,640  
shouldn't say screenshots but he said

607  
00:23:49,669 --> 00:23:48,480  
camera shots of them

608  
00:23:51,510 --> 00:23:49,679  
and so we

609  
00:23:53,110 --> 00:23:51,520  
we had that d we we had to deal with

610  
00:23:56,630 --> 00:23:53,120  
that trying to figure out what he was

611  
00:23:58,549 --> 00:23:56,640  
doing how he was uh seeing these things

612  
00:24:01,350 --> 00:23:58,559  
uh and whether in fact maybe he really

613  
00:24:04,230 --> 00:24:01,360

was in contact with the et's

614

00:24:06,630 --> 00:24:04,240

and then on the other side of this

615

00:24:09,669 --> 00:24:06,640

was the other complex investigation

616

00:24:13,590 --> 00:24:09,679

involving one of his employees

617

00:24:15,510 --> 00:24:13,600

who actually had contacts with a

618

00:24:17,190 --> 00:24:15,520

a foreign government

619

00:24:18,390 --> 00:24:17,200

so we had an espionage investigation

620

00:24:20,310 --> 00:24:18,400

going on

621

00:24:22,470 --> 00:24:20,320

so all those things dealt

622

00:24:25,510 --> 00:24:22,480

into the paul benowitz story which the

623

00:24:27,590 --> 00:24:25,520

the investigation lasted seven years

624

00:24:30,070 --> 00:24:27,600

uh eventually ended

625

00:24:32,230 --> 00:24:30,080

uh i maintained friendship with paula

626

00:24:33,510 --> 00:24:32,240

during this time period i eventually

627

00:24:35,110 --> 00:24:33,520

told paul

628

00:24:37,430 --> 00:24:35,120

you know what you were seeing was

629

00:24:39,430 --> 00:24:37,440

something you know what what you

630

00:24:41,590 --> 00:24:39,440

initially was seeing the photographs you

631

00:24:42,470 --> 00:24:41,600

were seeing came from

632

00:24:44,310 --> 00:24:42,480

uh

633

00:24:45,750 --> 00:24:44,320

a drone program and another highly

634

00:24:46,390 --> 00:24:45,760

classified book well he wouldn't believe

635

00:24:49,590 --> 00:24:46,400

me

636

00:24:51,750 --> 00:24:49,600

know they're ufos

637

00:24:52,870 --> 00:24:51,760

he he would never believe anything other

638

00:24:56,310 --> 00:24:52,880

than what he

639

00:24:57,430 --> 00:24:56,320

uh regarding the ufos

640

00:24:59,350 --> 00:24:57,440

now

641

00:25:00,710 --> 00:24:59,360

you spoke earlier about breaking into

642

00:25:02,870 --> 00:25:00,720

people houses

643

00:25:04,549 --> 00:25:02,880

paul bennowitz uh during this

644

00:25:08,070 --> 00:25:04,559

investigative

645

00:25:09,990 --> 00:25:08,080

investigation gave us carte blanc

646

00:25:12,630 --> 00:25:10,000

permission to enter his residence any

647

00:25:14,470 --> 00:25:12,640

time we needed to he gave us his key he

648

00:25:15,990 --> 00:25:14,480

gave us a written document

649

00:25:17,269 --> 00:25:16,000

saying yeah you can go in anytime you

650

00:25:19,590 --> 00:25:17,279

want to

651  
00:25:22,070 --> 00:25:19,600  
we did we did do that

652  
00:25:23,590 --> 00:25:22,080  
in initial phases of our investigation

653  
00:25:25,909 --> 00:25:23,600  
we wanted to make sure paul wasn't

654  
00:25:27,190 --> 00:25:25,919  
making all this up

655  
00:25:29,029 --> 00:25:27,200  
and there were a number of things

656  
00:25:32,070 --> 00:25:29,039  
happened and we saw

657  
00:25:34,390 --> 00:25:32,080  
uh which maybe i can talk about later

658  
00:25:35,430 --> 00:25:34,400  
uh that that made me think that there

659  
00:25:38,310 --> 00:25:35,440  
was something

660  
00:25:41,430 --> 00:25:38,320  
to what paul was saying about his house

661  
00:25:42,789 --> 00:25:41,440  
being monitored by something

662  
00:25:46,230 --> 00:25:42,799  
that could very well been

663  
00:25:48,470 --> 00:25:46,240

extraterrestrial but uh that's how

664

00:25:49,510 --> 00:25:48,480

we entered his ball it was

665

00:25:52,549 --> 00:25:49,520

we

666

00:25:57,430 --> 00:25:55,110

oh i lost you there for a second sorry

667

00:25:59,110 --> 00:25:57,440

right i think you're back now

668

00:26:01,430 --> 00:25:59,120

um melissa i appreciate you go can you

669

00:26:02,789 --> 00:26:01,440

hear me okay yeah i can hear you okay

670

00:26:05,029 --> 00:26:02,799

great no worries no worries i wasn't

671

00:26:07,269 --> 00:26:05,039

sure if we'd frozen or anything um no

672

00:26:09,510 --> 00:26:07,279

again i appreciate you you uh giving us

673

00:26:11,110 --> 00:26:09,520

the the lowdown on that but now the next

674

00:26:14,630 --> 00:26:11,120

thing i'd like to speak about is the

675

00:26:16,390 --> 00:26:14,640

aviary um so

676  
00:26:17,830 --> 00:26:16,400  
i've got a few questions before we do so

677  
00:26:19,110 --> 00:26:17,840  
can you just give us a breakdown of how

678  
00:26:21,110 --> 00:26:19,120  
that came about

679  
00:26:21,990 --> 00:26:21,120  
if you don't mind

680  
00:26:25,029 --> 00:26:22,000  
well

681  
00:26:29,909 --> 00:26:25,039  
the average uh was a special group of

682  
00:26:31,909 --> 00:26:29,919  
people now we didn't name it averary

683  
00:26:33,350 --> 00:26:31,919  
we had it we had this special group of

684  
00:26:36,310 --> 00:26:33,360  
people that met

685  
00:26:38,870 --> 00:26:36,320  
uh beginning in the 1980s early but 1980

686  
00:26:42,549 --> 00:26:38,880  
actually october 1980

687  
00:26:46,230 --> 00:26:42,559  
and we met uh i was uh brought into it

688  
00:26:48,149 --> 00:26:46,240

uh as a neophyte i mean i was just young

689

00:26:50,789 --> 00:26:48,159

uh intelligence officer

690

00:26:52,310 --> 00:26:50,799

uh didn't know much about the subject

691

00:26:53,590 --> 00:26:52,320

there were a lot of people that were

692

00:26:54,789 --> 00:26:53,600

brought into this

693

00:26:55,750 --> 00:26:54,799

uh group

694

00:26:59,510 --> 00:26:55,760

that were

695

00:27:01,190 --> 00:26:59,520

seasoned intelligence officers

696

00:27:04,230 --> 00:27:01,200

the leader of our group

697

00:27:06,630 --> 00:27:04,240

was richard helms who was a former

698

00:27:09,590 --> 00:27:06,640

director of central intelligence agency

699

00:27:11,590 --> 00:27:09,600

uh he wasn't uh involved uh directly

700

00:27:12,870 --> 00:27:11,600

with the government at that time

701  
00:27:15,190 --> 00:27:12,880  
and there were a number of other people

702  
00:27:16,390 --> 00:27:15,200  
that were brought in kit green dr hal

703  
00:27:17,350 --> 00:27:16,400  
put off

704  
00:27:19,510 --> 00:27:17,360  
uh

705  
00:27:20,870 --> 00:27:19,520  
and a number of other people

706  
00:27:25,669 --> 00:27:20,880  
and

707  
00:27:27,029 --> 00:27:25,679  
trying to figure out

708  
00:27:28,789 --> 00:27:27,039  
how we can

709  
00:27:30,470 --> 00:27:28,799  
disclose

710  
00:27:32,710 --> 00:27:30,480  
the subject

711  
00:27:35,029 --> 00:27:32,720  
to the public

712  
00:27:36,389 --> 00:27:35,039  
in a common sense

713  
00:27:37,830 --> 00:27:36,399

manner

714

00:27:41,029 --> 00:27:37,840

that would not

715

00:27:44,950 --> 00:27:41,039

number one endanger national security

716

00:27:47,110 --> 00:27:44,960

release anything that was classified

717

00:27:49,269 --> 00:27:47,120

and not upset

718

00:27:51,990 --> 00:27:49,279

the public

719

00:27:54,230 --> 00:27:52,000

and so that's what our goal was we met

720

00:27:55,430 --> 00:27:54,240

periodically about every three months or

721

00:27:58,070 --> 00:27:55,440

so

722

00:28:00,389 --> 00:27:58,080

we were quasi-government

723

00:28:01,350 --> 00:28:00,399

we were supported by the government

724

00:28:03,029 --> 00:28:01,360

uh

725

00:28:03,909 --> 00:28:03,039

indirectly

726

00:28:07,510 --> 00:28:03,919

and

727

00:28:08,789 --> 00:28:07,520

we uh reported to the government

728

00:28:11,510 --> 00:28:08,799

and we

729

00:28:12,789 --> 00:28:11,520

uh the government kept track of of us

730

00:28:14,549 --> 00:28:12,799

now

731

00:28:16,389 --> 00:28:14,559

bill moore and a guy by name

732

00:28:18,710 --> 00:28:16,399

jamie shandera

733

00:28:20,630 --> 00:28:18,720

learned about the group

734

00:28:22,310 --> 00:28:20,640

they they're they're the ones that named

735

00:28:23,590 --> 00:28:22,320

us

736

00:28:27,110 --> 00:28:23,600

bird names

737

00:28:29,350 --> 00:28:27,120

so the aviary uh you know we weren't no

738

00:28:32,230 --> 00:28:29,360

no known as the avere within our group

739

00:28:35,029 --> 00:28:32,240

we were we were just a working group

740

00:28:36,230 --> 00:28:35,039

and that and and and we uh and that's

741

00:28:38,710 --> 00:28:36,240

what we did

742

00:28:41,269 --> 00:28:38,720

uh sometime in the uh

743

00:28:43,510 --> 00:28:41,279

uh 84 or 85

744

00:28:44,870 --> 00:28:43,520

uh i bet with bill moore who told me

745

00:28:46,710 --> 00:28:44,880

about

746

00:28:49,590 --> 00:28:46,720

this group

747

00:28:50,789 --> 00:28:49,600

and i said well uh he said you guys have

748

00:28:52,710 --> 00:28:50,799

names

749

00:28:54,710 --> 00:28:52,720

and then he and that's how the average

750

00:28:57,190 --> 00:28:54,720

came into existence as far as the

751  
00:28:59,990 --> 00:28:57,200  
public's knowledge of what the average

752  
00:29:02,950 --> 00:29:01,350  
now i just wondered if i go through the

753  
00:29:05,029 --> 00:29:02,960  
list of members you'd be able to give me

754  
00:29:07,029 --> 00:29:05,039  
an indication or an idea of

755  
00:29:08,789 --> 00:29:07,039  
their relation to the ufo subject going

756  
00:29:11,669 --> 00:29:08,799  
into the the formation of the group in

757  
00:29:13,029 --> 00:29:11,679  
the 80s so so richard helms you know

758  
00:29:15,430 --> 00:29:13,039  
what was his

759  
00:29:17,510 --> 00:29:15,440  
interest or was he working within the

760  
00:29:20,789 --> 00:29:17,520  
you know the government on ufos before

761  
00:29:25,430 --> 00:29:23,590  
richard helms was you know he came into

762  
00:29:26,389 --> 00:29:25,440  
the agency at the beginning of the

763  
00:29:28,630 --> 00:29:26,399

creation

764

00:29:29,350 --> 00:29:28,640

of the central intelligence agency uh he

765

00:29:31,269 --> 00:29:29,360

was

766

00:29:33,350 --> 00:29:31,279

uh involved in uh

767

00:29:35,350 --> 00:29:33,360

army intelligence prior to that and the

768

00:29:36,630 --> 00:29:35,360

uh office of strategic

769

00:29:37,750 --> 00:29:36,640

intelligence

770

00:29:41,669 --> 00:29:37,760

um

771

00:29:44,950 --> 00:29:41,679

and uh he was a uh uh

772

00:29:45,750 --> 00:29:44,960

a station chief he he worked his way up

773

00:29:48,230 --> 00:29:45,760

through

774

00:29:49,430 --> 00:29:48,240

the cia

775

00:29:51,190 --> 00:29:49,440

he had

776

00:29:53,669 --> 00:29:51,200

been briefed on a couple of different

777

00:29:54,950 --> 00:29:53,679

programs that the central intelligence

778

00:29:57,350 --> 00:29:54,960

agency had

779

00:29:59,430 --> 00:29:57,360

that were dealt with the ufos he didn't

780

00:30:00,870 --> 00:29:59,440

he didn't have full access he always

781

00:30:03,990 --> 00:30:00,880

told us he had

782

00:30:07,029 --> 00:30:04,000

he was 50 he was 50 50 meaning he had 50

783

00:30:08,789 --> 00:30:07,039

percent knowledge of the subject and 50

784

00:30:11,110 --> 00:30:08,799

not

785

00:30:14,950 --> 00:30:11,120

information you wish he had so he was 50

786

00:30:16,870 --> 00:30:14,960

50. 50 and 50 out anyways uh eventually

787

00:30:18,950 --> 00:30:16,880

over the years uh

788

00:30:19,830 --> 00:30:18,960

he became more involved in a program but

789

00:30:23,029 --> 00:30:19,840

of course

790

00:30:23,909 --> 00:30:23,039

uh he got uh

791

00:30:26,549 --> 00:30:23,919

into

792

00:30:27,590 --> 00:30:26,559

the the dark side of the program so to

793

00:30:30,710 --> 00:30:27,600

speak

794

00:30:32,549 --> 00:30:30,720

when um the agency was investigated in

795

00:30:34,470 --> 00:30:32,559

the four in the seventies

796

00:30:37,510 --> 00:30:34,480

um regarded uh

797

00:30:39,430 --> 00:30:37,520

in in regards to assassinations

798

00:30:40,789 --> 00:30:39,440

and so forth uh

799

00:30:42,789 --> 00:30:40,799

and um

800

00:30:43,909 --> 00:30:42,799

and then eventually he got out of the

801  
00:30:45,909 --> 00:30:43,919  
agency

802  
00:30:48,830 --> 00:30:45,919  
uh he retired

803  
00:30:51,029 --> 00:30:48,840  
but he uh maintained

804  
00:30:53,350 --> 00:30:51,039  
contact and

805  
00:30:54,230 --> 00:30:53,360  
i don't exactly know who

806  
00:30:57,190 --> 00:30:54,240  
uh

807  
00:30:58,549 --> 00:30:57,200  
selected him as the leader of the aviary

808  
00:30:59,909 --> 00:30:58,559  
but

809  
00:31:01,029 --> 00:30:59,919  
when i

810  
00:31:02,950 --> 00:31:01,039  
was

811  
00:31:05,909 --> 00:31:02,960  
brought into it

812  
00:31:07,430 --> 00:31:05,919  
richard helms was was the uh

813  
00:31:10,230 --> 00:31:07,440

the the uh

814

00:31:11,990 --> 00:31:10,240

leader of our of our group

815

00:31:14,310 --> 00:31:12,000

and then moving on

816

00:31:17,750 --> 00:31:14,320

he had he had knowledge of the subject

817

00:31:19,750 --> 00:31:17,760

in fact when we were when we were being

818

00:31:20,789 --> 00:31:19,760

briefed at these meetings

819

00:31:22,630 --> 00:31:20,799

he had

820

00:31:26,070 --> 00:31:22,640

intimate knowledge of of the subject

821

00:31:27,990 --> 00:31:26,080

matter so yeah he knew

822

00:31:30,830 --> 00:31:28,000

moving on to kit green what were you

823

00:31:34,950 --> 00:31:30,840

aware of regarding ufos and kit green in

824

00:31:37,509 --> 00:31:34,960

1980 uh well first of all dr green and i

825

00:31:40,470 --> 00:31:37,519

worked on classified broker programs

826

00:31:41,669 --> 00:31:40,480

together i i know i knew kit for a good

827

00:31:43,750 --> 00:31:41,679

many years

828

00:31:46,549 --> 00:31:43,760

uh dr green

829

00:31:49,110 --> 00:31:46,559

he was a doctor a medical doctor

830

00:31:51,029 --> 00:31:49,120

and he was involved with remote viewing

831

00:31:54,470 --> 00:31:51,039

uh

832

00:31:57,269 --> 00:31:54,480

with dr put off back in the 70s

833

00:31:58,230 --> 00:31:57,279

and kit green had been briefed into the

834

00:32:00,470 --> 00:31:58,240

program

835

00:32:01,430 --> 00:32:00,480

on the medical side of it medical

836

00:32:03,029 --> 00:32:01,440

knowledge

837

00:32:04,470 --> 00:32:03,039

so that was his connection to the

838

00:32:06,789 --> 00:32:04,480

average area

839

00:32:08,870 --> 00:32:06,799

yeah and i suppose um moving on next

840

00:32:10,149 --> 00:32:08,880

would be well let's deal with hal put

841

00:32:12,070 --> 00:32:10,159

off then because you mentioned him there

842

00:32:13,590 --> 00:32:12,080

so i suppose is that a similar vein to

843

00:32:17,430 --> 00:32:13,600

kit green you know

844

00:32:19,029 --> 00:32:17,440

sri dia cia that kind of connection

845

00:32:21,669 --> 00:32:19,039

yes doctor

846

00:32:23,990 --> 00:32:21,679

put off was a uh uh

847

00:32:26,830 --> 00:32:24,000

he was in a navy was a physicist in a

848

00:32:30,630 --> 00:32:26,840

navy worked on lasers way back in the

849

00:32:33,830 --> 00:32:30,640

60s uh he eventually went to samford uh

850

00:32:36,549 --> 00:32:33,840

got involved in sdi the remote viewing

851  
00:32:38,310 --> 00:32:36,559  
program on the scientific side of it not

852  
00:32:40,950 --> 00:32:38,320  
on the remote viewing side not a

853  
00:32:44,950 --> 00:32:40,960  
paranormal side of it um

854  
00:32:48,149 --> 00:32:44,960  
and um he uh was one of the chiefs

855  
00:32:50,230 --> 00:32:48,159  
involved in the uh the

856  
00:32:51,669 --> 00:32:50,240  
setting up the remote viewing program

857  
00:32:53,350 --> 00:32:51,679  
for the military and for the

858  
00:32:54,950 --> 00:32:53,360  
intelligence community

859  
00:32:58,389 --> 00:32:54,960  
and so he

860  
00:32:59,590 --> 00:32:58,399  
uh had knowledge because of of

861  
00:33:01,909 --> 00:32:59,600  
his work

862  
00:33:04,149 --> 00:33:01,919  
uh both in the remote viewing

863  
00:33:06,789 --> 00:33:04,159

the fact that

864

00:33:08,389 --> 00:33:06,799

they had remote viewers that were

865

00:33:10,950 --> 00:33:08,399

remote viewing

866

00:33:13,590 --> 00:33:10,960

the moon and mars and spaceships flying

867

00:33:15,590 --> 00:33:13,600

around earth so he had knowledge of that

868

00:33:16,789 --> 00:33:15,600

uh

869

00:33:19,669 --> 00:33:16,799

but i

870

00:33:21,269 --> 00:33:19,679

i didn't know everything that that dr

871

00:33:23,590 --> 00:33:21,279

puthoff was working on back in those

872

00:33:24,870 --> 00:33:23,600

days but i knew he had knowledge of the

873

00:33:26,470 --> 00:33:24,880

subject

874

00:33:27,830 --> 00:33:26,480

excellent i've just got a quick question

875

00:33:29,269 --> 00:33:27,840

here that's kind of relevant to what

876

00:33:31,750 --> 00:33:29,279

we're talking about with regards to kit

877

00:33:33,110 --> 00:33:31,760

green he stated he was shown an alien

878

00:33:38,389 --> 00:33:33,120

autopsy

879

00:33:39,750 --> 00:33:38,399

within the intel circles at that time or

880

00:33:43,909 --> 00:33:39,760

around then

881

00:33:48,630 --> 00:33:45,990

there were real

882

00:33:50,549 --> 00:33:48,640

autopsies performed and and the

883

00:33:52,870 --> 00:33:50,559

um

884

00:33:55,669 --> 00:33:52,880

the uh

885

00:33:56,870 --> 00:33:55,679

ets that were from the crap the dead ets

886

00:33:59,350 --> 00:33:56,880

from the crash

887

00:34:00,149 --> 00:33:59,360

and corona uh there were two autopsies

888

00:34:01,990 --> 00:34:00,159

done

889

00:34:03,990 --> 00:34:02,000  
by the armed forces institute of

890

00:34:05,190 --> 00:34:04,000  
pathology on those

891

00:34:07,269 --> 00:34:05,200  
beings

892

00:34:09,430 --> 00:34:07,279  
and then there were other crashes

893

00:34:12,470 --> 00:34:09,440  
where there were uh dead

894

00:34:14,629 --> 00:34:12,480  
ets that uh that there were uh

895

00:34:15,669 --> 00:34:14,639  
autopsies and every one of those were

896

00:34:17,270 --> 00:34:15,679  
filmed

897

00:34:19,510 --> 00:34:17,280  
and um

898

00:34:21,829 --> 00:34:19,520  
i you know you i i don't want to speak

899

00:34:24,069 --> 00:34:21,839  
for dr greene i wasn't present when

900

00:34:26,710 --> 00:34:24,079  
these and and i don't know exactly what

901  
00:34:28,069 --> 00:34:26,720  
he saw but i'm sure he had access to

902  
00:34:29,430 --> 00:34:28,079  
those

903  
00:34:31,669 --> 00:34:29,440  
brilliant thank you

904  
00:34:33,589 --> 00:34:31,679  
um moving on what about bruce mcabee

905  
00:34:35,270 --> 00:34:33,599  
what was his connection to the ufo

906  
00:34:37,430 --> 00:34:35,280  
subject

907  
00:34:39,909 --> 00:34:37,440  
bruce mcabee was a

908  
00:34:41,909 --> 00:34:39,919  
optical scientist

909  
00:34:45,109 --> 00:34:41,919  
and

910  
00:34:49,430 --> 00:34:47,190  
his access was

911  
00:34:52,710 --> 00:34:49,440  
more in line with technology

912  
00:34:54,069 --> 00:34:52,720  
uh understanding that the technology

913  
00:34:54,950 --> 00:34:54,079

from uh

914

00:34:56,950 --> 00:34:54,960

uh

915

00:34:59,670 --> 00:34:56,960

extraterrestrial crafts

916

00:35:03,190 --> 00:34:59,680

that was his uh his knowledge

917

00:35:05,670 --> 00:35:03,200

brilliant uh ron pandolfie

918

00:35:07,349 --> 00:35:05,680

ryan pandorfi was within the central he

919

00:35:08,470 --> 00:35:07,359

was a cia

920

00:35:10,470 --> 00:35:08,480

officer

921

00:35:13,030 --> 00:35:10,480

uh he was in a paranormal sat on a

922

00:35:15,030 --> 00:35:13,040

paranormal desk at the cia

923

00:35:17,510 --> 00:35:15,040

and so he had uh

924

00:35:19,510 --> 00:35:17,520

he certainly had knowledge of the of the

925

00:35:20,870 --> 00:35:19,520

subject uh he had been briefed into the

926  
00:35:22,950 --> 00:35:20,880  
program

927  
00:35:24,550 --> 00:35:22,960  
and he had the uh

928  
00:35:25,270 --> 00:35:24,560  
he was more or less a representative

929  
00:35:28,710 --> 00:35:25,280  
some

930  
00:35:30,630 --> 00:35:28,720  
from the cia on the on the any group

931  
00:35:32,150 --> 00:35:30,640  
brilliant uh someone who i don't think

932  
00:35:34,470 --> 00:35:32,160  
many people might not have heard of is

933  
00:35:37,990 --> 00:35:34,480  
ernie callistrous

934  
00:35:40,950 --> 00:35:38,000  
ernie keller strauss was a uh

935  
00:35:42,710 --> 00:35:40,960  
an air force uh scientist

936  
00:35:45,750 --> 00:35:42,720  
uh who

937  
00:35:50,630 --> 00:35:47,910  
knowledge about technical

938  
00:35:52,150 --> 00:35:50,640

uh uh projects that the government was

939

00:35:54,870 --> 00:35:52,160

working on

940

00:35:56,150 --> 00:35:54,880

in the reverse engineering program

941

00:35:58,950 --> 00:35:56,160

is it right am i right in saying that

942

00:36:01,349 --> 00:35:58,960

he'd examined ufo artifacts then in that

943

00:36:06,310 --> 00:36:01,359

program yes yes yes he did

944

00:36:12,790 --> 00:36:10,069

uh captain robert collins was a

945

00:36:13,910 --> 00:36:12,800

scientist air force scientist at the

946

00:36:16,150 --> 00:36:13,920

um

947

00:36:18,470 --> 00:36:16,160

at wright patterson air force base and

948

00:36:20,550 --> 00:36:18,480

he had had access to

949

00:36:23,030 --> 00:36:20,560

uh some of the artifacts that they had

950

00:36:24,630 --> 00:36:23,040

taken off et crafts

951  
00:36:27,510 --> 00:36:24,640  
that were that were being examined at

952  
00:36:29,030 --> 00:36:27,520  
the wright patterson uh

953  
00:36:30,950 --> 00:36:29,040  
the institute for

954  
00:36:34,069 --> 00:36:30,960  
uh i think the air force

955  
00:36:35,670 --> 00:36:34,079  
uh institute of of uh technology and

956  
00:36:38,230 --> 00:36:35,680  
that's where he was

957  
00:36:41,589 --> 00:36:38,240  
and that's where the uh the the some of

958  
00:36:44,550 --> 00:36:41,599  
these items were taken and back in back

959  
00:36:47,349 --> 00:36:44,560  
in 40s uh the only

960  
00:36:49,829 --> 00:36:47,359  
the only place that that uh

961  
00:36:51,270 --> 00:36:49,839  
would was dealing in the subject

962  
00:36:54,069 --> 00:36:51,280  
uh

963  
00:36:55,030 --> 00:36:54,079

was at wright-patterson field a right

964

00:36:55,990 --> 00:36:55,040

field

965

00:36:56,790 --> 00:36:56,000

and

966

00:36:58,630 --> 00:36:56,800

so

967

00:37:00,470 --> 00:36:58,640

a lot of these uh

968

00:37:03,190 --> 00:37:00,480

artifacts were taken there now we had

969

00:37:04,550 --> 00:37:03,200

los alamos national laboratories

970

00:37:06,870 --> 00:37:04,560

but they were more or less in the

971

00:37:10,230 --> 00:37:06,880

nuclear arena not in the technology

972

00:37:11,910 --> 00:37:10,240

arena initially i think most

973

00:37:12,790 --> 00:37:11,920

uh don't quote me on this but i think

974

00:37:14,630 --> 00:37:12,800

most

975

00:37:17,270 --> 00:37:14,640

of the the

976

00:37:19,349 --> 00:37:17,280

uh devices that we didn't understand was

977

00:37:20,710 --> 00:37:19,359

taken to wright patterson

978

00:37:23,430 --> 00:37:20,720

right lovely

979

00:37:30,870 --> 00:37:23,440

dan smith

980

00:37:35,990 --> 00:37:33,510

he was an in between a go-between he was

981

00:37:37,589 --> 00:37:36,000

somebody we used to get information from

982

00:37:39,750 --> 00:37:37,599

the outside

983

00:37:41,190 --> 00:37:39,760

and that's i'll just leave it at that

984

00:37:44,630 --> 00:37:41,200

no problem am i right he's saying he was

985

00:37:45,589 --> 00:37:44,640

a civilian ufo researcher yes yes you're

986

00:37:49,670 --> 00:37:45,599

correct

987

00:37:55,270 --> 00:37:49,680

excellent um colonel john alexander

988

00:37:59,829 --> 00:37:58,390

united states army

989

00:38:01,670 --> 00:37:59,839

officer

990

00:38:04,710 --> 00:38:01,680

involved in

991

00:38:07,829 --> 00:38:04,720

highly classified projects

992

00:38:10,950 --> 00:38:07,839

both within the army's

993

00:38:12,150 --> 00:38:10,960

instituted advanced technology

994

00:38:13,750 --> 00:38:12,160

and at

995

00:38:15,109 --> 00:38:13,760

los alamos

996

00:38:16,790 --> 00:38:15,119

and so

997

00:38:19,750 --> 00:38:16,800

he was involved in a lot of different

998

00:38:22,390 --> 00:38:19,760

aspects of the subject of ufos

999

00:38:23,829 --> 00:38:22,400

uh i'll just leave that that that

1000

00:38:26,870 --> 00:38:23,839

no problem and then finally i've got

1001  
00:38:28,470 --> 00:38:26,880  
commander cb scott jones

1002  
00:38:30,870 --> 00:38:28,480  
scott jones

1003  
00:38:33,589 --> 00:38:30,880  
was a reserve

1004  
00:38:36,069 --> 00:38:33,599  
united states navy commander

1005  
00:38:38,950 --> 00:38:36,079  
he was an aide to senator

1006  
00:38:40,950 --> 00:38:38,960  
uh claiborne pell

1007  
00:38:42,150 --> 00:38:40,960  
of rhode island

1008  
00:38:43,430 --> 00:38:42,160  
and

1009  
00:38:44,710 --> 00:38:43,440  
senator

1010  
00:38:46,390 --> 00:38:44,720  
pell

1011  
00:38:49,670 --> 00:38:46,400  
was the

1012  
00:38:51,589 --> 00:38:49,680  
was um our

1013  
00:38:54,069 --> 00:38:51,599

uh connection with

1014

00:38:54,490 --> 00:38:54,079

the united states senate

1015

00:38:55,589 --> 00:38:54,500

and

1016

00:38:57,270 --> 00:38:55,599

[Music]

1017

00:38:58,829 --> 00:38:57,280

funding

1018

00:39:01,910 --> 00:38:58,839

uh if we needed

1019

00:39:05,430 --> 00:39:01,920

something uh as far as money

1020

00:39:06,710 --> 00:39:05,440

or are other things uh he could

1021

00:39:08,069 --> 00:39:06,720

um

1022

00:39:10,870 --> 00:39:08,079

satisfy us

1023

00:39:12,230 --> 00:39:10,880

satisfy our needs so to speak and and

1024

00:39:15,190 --> 00:39:12,240

and

1025

00:39:16,230 --> 00:39:15,200

scott jones was uh senator pell's aide

1026  
00:39:20,550 --> 00:39:16,240  
chief

1027  
00:39:23,510 --> 00:39:20,560  
that's that's how uh

1028  
00:39:24,470 --> 00:39:23,520  
uh scott was involved in this

1029  
00:39:26,790 --> 00:39:24,480  
lovely

1030  
00:39:29,270 --> 00:39:26,800  
and am i right in saying that uh harry

1031  
00:39:30,950 --> 00:39:29,280  
reid was somehow

1032  
00:39:32,630 --> 00:39:30,960  
in discussions with the group at some

1033  
00:39:35,589 --> 00:39:32,640  
point was there was a connection

1034  
00:39:37,990 --> 00:39:35,599  
somewhere with harry reid

1035  
00:39:40,790 --> 00:39:38,000  
harry reid didn't come in

1036  
00:39:43,030 --> 00:39:40,800  
to uh existence within the avery area

1037  
00:39:46,069 --> 00:39:43,040  
until the early 2000s

1038  
00:39:47,750 --> 00:39:46,079

okay yeah but he uh

1039

00:39:50,950 --> 00:39:47,760

back in the 80s

1040

00:39:53,270 --> 00:39:50,960

i'm not really sure i think he was a uh

1041

00:39:55,430 --> 00:39:53,280

a lawyer in nevada at the time or in

1042

00:39:57,990 --> 00:39:55,440

washington d.c but no he wasn't involved

1043

00:40:00,390 --> 00:39:58,000

until later and but here he really was

1044

00:40:03,349 --> 00:40:00,400

the late harry reid he he was involved

1045

00:40:04,390 --> 00:40:03,359

in in the subject later on yes yes

1046

00:40:07,349 --> 00:40:04,400

now

1047

00:40:09,750 --> 00:40:07,359

let me uh let me say that that

1048

00:40:11,670 --> 00:40:09,760

the names that you gave me

1049

00:40:13,349 --> 00:40:11,680

are just a few the names are involved

1050

00:40:14,710 --> 00:40:13,359

there's many others

1051  
00:40:17,030 --> 00:40:14,720  
that are involved

1052  
00:40:18,150 --> 00:40:17,040  
that that you don't have names to

1053  
00:40:19,030 --> 00:40:18,160  
and uh

1054  
00:40:19,829 --> 00:40:19,040  
and so

1055  
00:40:22,309 --> 00:40:19,839  
uh

1056  
00:40:25,030 --> 00:40:22,319  
and some of some of the other people

1057  
00:40:26,790 --> 00:40:25,040  
are were um

1058  
00:40:28,790 --> 00:40:26,800  
uh temporary

1059  
00:40:30,309 --> 00:40:28,800  
members in fact they came in for a

1060  
00:40:31,829 --> 00:40:30,319  
particular reason

1061  
00:40:33,589 --> 00:40:31,839  
and then got out

1062  
00:40:34,710 --> 00:40:33,599  
uh

1063  
00:40:36,829 --> 00:40:34,720

so there were

1064

00:40:40,550 --> 00:40:36,839

18 total

1065

00:40:42,470 --> 00:40:40,560

um that we had we had uh brought in and

1066

00:40:43,750 --> 00:40:42,480

out of the group over the years

1067

00:40:46,069 --> 00:40:43,760

are you able to give us any of those

1068

00:40:47,270 --> 00:40:46,079

names that i haven't said no i'm

1069

00:40:49,030 --> 00:40:47,280

um

1070

00:40:51,190 --> 00:40:49,040

and there's a reason uh

1071

00:40:53,750 --> 00:40:51,200

some of them are still involved

1072

00:40:55,510 --> 00:40:53,760

okay and and and eight let me let me

1073

00:40:56,790 --> 00:40:55,520

just say this and this is about all i

1074

00:41:00,630 --> 00:40:56,800

can say about it

1075

00:41:05,349 --> 00:41:02,710

still interesting not necessarily with

1076

00:41:07,750 --> 00:41:05,359

the same people okay

1077

00:41:09,750 --> 00:41:07,760

because obviously some of them have died

1078

00:41:11,910 --> 00:41:09,760

over the years and so forth and this is

1079

00:41:14,309 --> 00:41:11,920

sanctioned by the government or within

1080

00:41:15,589 --> 00:41:14,319

military or the intelligence community

1081

00:41:18,390 --> 00:41:15,599

within i would say within the

1082

00:41:20,630 --> 00:41:18,400

intelligence community

1083

00:41:22,550 --> 00:41:20,640

interesting very interesting

1084

00:41:24,150 --> 00:41:22,560

um i'm just going to bring this question

1085

00:41:26,630 --> 00:41:24,160

up here from sean so what stopped the

1086

00:41:29,670 --> 00:41:26,640

avery group from disclosing as that was

1087

00:41:34,390 --> 00:41:30,710

well

1088

00:41:36,950 --> 00:41:34,400

it was a complicated process

1089

00:41:39,829 --> 00:41:36,960

we had to

1090

00:41:41,349 --> 00:41:39,839

plan

1091

00:41:42,950 --> 00:41:41,359

i mean everything within government is

1092

00:41:45,349 --> 00:41:42,960

done by a plan

1093

00:41:48,390 --> 00:41:45,359

i mean you had to do a written plan

1094

00:41:51,030 --> 00:41:48,400

and we did we had a very very i thought

1095

00:41:54,630 --> 00:41:51,040

and i was a neil i was just a young guy

1096

00:41:58,150 --> 00:41:54,640

you know i was you know 27 28 years old

1097

00:42:00,790 --> 00:41:58,160

uh i i i wasn't the senior person

1098

00:42:03,030 --> 00:42:00,800

obviously i was a very low person in

1099

00:42:06,069 --> 00:42:03,040

that group but i had

1100

00:42:06,950 --> 00:42:06,079

jobs and things i had to do and i did it

1101  
00:42:17,670 --> 00:42:06,960  
a

1102  
00:42:18,550 --> 00:42:17,680  
should proceed with disclosure

1103  
00:42:19,589 --> 00:42:18,560  
and

1104  
00:42:22,230 --> 00:42:19,599  
but

1105  
00:42:22,950 --> 00:42:22,240  
it was so complicated that you had to

1106  
00:42:24,390 --> 00:42:22,960  
get

1107  
00:42:25,670 --> 00:42:24,400  
so many different

1108  
00:42:27,349 --> 00:42:25,680  
agencies

1109  
00:42:28,390 --> 00:42:27,359  
to agree to it

1110  
00:42:31,430 --> 00:42:28,400  
now

1111  
00:42:34,630 --> 00:42:31,440  
you understand from 1947

1112  
00:42:38,790 --> 00:42:34,640  
uh when when the roswell craft crashed

1113  
00:42:41,829 --> 00:42:38,800

in 1947 the second craft in 1949

1114

00:42:43,030 --> 00:42:41,839

but 1947 we didn't have an air force

1115

00:42:45,589 --> 00:42:43,040

we had and we didn't have an

1116

00:42:48,790 --> 00:42:45,599

intelligence community didn't have a cia

1117

00:42:52,630 --> 00:42:48,800

we had the uh the army air force

1118

00:42:55,270 --> 00:42:52,640

uh we had still had uh the army actually

1119

00:42:58,870 --> 00:42:55,280

took over the oss so their intelligence

1120

00:43:00,710 --> 00:42:58,880

uh was coming from the from the army uh

1121

00:43:02,870 --> 00:43:00,720

the national security act was passed in

1122

00:43:04,390 --> 00:43:02,880

september of 1947

1123

00:43:06,230 --> 00:43:04,400

the creation of the united states air

1124

00:43:09,030 --> 00:43:06,240

force and the central intelligence

1125

00:43:11,670 --> 00:43:09,040

agency but the solitude cia never

1126

00:43:13,109 --> 00:43:11,680

actually got off the ground until 51 i

1127

00:43:14,390 --> 00:43:13,119

mean it took some years to form it and

1128

00:43:15,589 --> 00:43:14,400

so forth

1129

00:43:17,589 --> 00:43:15,599

so

1130

00:43:21,270 --> 00:43:17,599

we had

1131

00:43:24,950 --> 00:43:21,280

some some older

1132

00:43:27,750 --> 00:43:24,960

operational plans that were in place

1133

00:43:28,950 --> 00:43:27,760

after the roswell craft crashed

1134

00:43:32,550 --> 00:43:28,960

and then

1135

00:43:35,270 --> 00:43:32,560

in 1960 the dia came into existence the

1136

00:43:38,150 --> 00:43:35,280

defense intelligence agency

1137

00:43:39,990 --> 00:43:38,160

and and and and and just bear with me on

1138

00:43:41,030 --> 00:43:40,000

this okay i'm giving some historical

1139

00:43:44,150 --> 00:43:41,040

baby

1140

00:43:45,829 --> 00:43:44,160

in 1969 the united states air force

1141

00:43:47,589 --> 00:43:45,839

wanted to get out of it

1142

00:43:50,630 --> 00:43:47,599

the air force says listen we don't want

1143

00:43:53,349 --> 00:43:50,640

this program we the ufo the project blue

1144

00:43:54,550 --> 00:43:53,359

book project grudge project sign the air

1145

00:43:56,630 --> 00:43:54,560

force ad

1146

00:43:57,349 --> 00:43:56,640

we we wanted to get out of it

1147

00:43:58,710 --> 00:43:57,359

so

1148

00:44:01,109 --> 00:43:58,720

they uh

1149

00:44:02,470 --> 00:44:01,119

created this condom report

1150

00:44:04,069 --> 00:44:02,480

and it was actually written by the air

1151  
00:44:05,349 --> 00:44:04,079  
force i think most people any kind of

1152  
00:44:07,510 --> 00:44:05,359  
common sense

1153  
00:44:09,030 --> 00:44:07,520  
can can figure it out that it wasn't

1154  
00:44:12,550 --> 00:44:09,040  
done by condom

1155  
00:44:15,030 --> 00:44:12,560  
it was his name stuck to the report

1156  
00:44:16,950 --> 00:44:15,040  
the air force wrote it to get out of it

1157  
00:44:19,190 --> 00:44:16,960  
but the air force had to find some

1158  
00:44:21,030 --> 00:44:19,200  
agency to take it over

1159  
00:44:24,309 --> 00:44:21,040  
the dia

1160  
00:44:25,430 --> 00:44:24,319  
relatively new agency 10 years old or 9

1161  
00:44:27,829 --> 00:44:25,440  
years old

1162  
00:44:29,829 --> 00:44:27,839  
raised her hand and said we'll take it

1163  
00:44:33,430 --> 00:44:29,839

we got to have something to do so

1164

00:44:34,710 --> 00:44:33,440

all this was given over to the dia

1165

00:44:36,470 --> 00:44:34,720

now

1166

00:44:38,309 --> 00:44:36,480

if it would have stayed in the dia

1167

00:44:39,990 --> 00:44:38,319

during that time period

1168

00:44:41,510 --> 00:44:40,000

um i think we could have had a

1169

00:44:44,230 --> 00:44:41,520

disclosure

1170

00:44:46,069 --> 00:44:44,240

but what happened was the navy became

1171

00:44:48,790 --> 00:44:46,079

involved in this office of naval

1172

00:44:50,390 --> 00:44:48,800

intelligence

1173

00:44:51,750 --> 00:44:50,400

then the the

1174

00:44:52,710 --> 00:44:51,760

o and i

1175

00:44:53,990 --> 00:44:52,720

uh

1176

00:44:56,870 --> 00:44:54,000

were collected was collecting

1177

00:44:58,230 --> 00:44:56,880

information about the subject of ufos

1178

00:45:00,710 --> 00:44:58,240

incidents

1179

00:45:03,109 --> 00:45:00,720

uh involving navy just the navy and

1180

00:45:04,950 --> 00:45:03,119

never sharing it with the dia keeping it

1181

00:45:07,190 --> 00:45:04,960

in-house

1182

00:45:09,510 --> 00:45:07,200

and of course the air force

1183

00:45:11,030 --> 00:45:09,520

1971 decided

1184

00:45:13,430 --> 00:45:11,040

you know this could be a threat to

1185

00:45:15,190 --> 00:45:13,440

national security so we have to keep

1186

00:45:17,030 --> 00:45:15,200

involved in this

1187

00:45:18,069 --> 00:45:17,040

so now the air force is involved in it

1188

00:45:20,069 --> 00:45:18,079

and they're not sharing their

1189

00:45:21,430 --> 00:45:20,079

information with the dia

1190

00:45:23,510 --> 00:45:21,440

so now you got all these different

1191

00:45:25,670 --> 00:45:23,520

agencies involved in this

1192

00:45:26,510 --> 00:45:25,680

and now when we become

1193

00:45:30,870 --> 00:45:26,520

a

1194

00:45:35,109 --> 00:45:30,880

disclosure

1195

00:45:39,910 --> 00:45:37,030

coordinate all this with all these

1196

00:45:43,829 --> 00:45:39,920

different agencies now

1197

00:45:46,550 --> 00:45:43,839

again in 1980 time period we had the

1198

00:45:48,470 --> 00:45:46,560

national reconnaissance office nro

1199

00:45:51,030 --> 00:45:48,480

they're involved in it

1200

00:45:53,430 --> 00:45:51,040

they're not sharing with anybody but

1201  
00:45:54,630 --> 00:45:53,440  
certain members of the air force

1202  
00:45:56,870 --> 00:45:54,640  
because they're getting their funding

1203  
00:46:01,510 --> 00:45:56,880  
directly from the air force

1204  
00:46:08,390 --> 00:46:03,990  
description of it and that's why we were

1205  
00:46:13,430 --> 00:46:10,790  
be able to implement our

1206  
00:46:14,470 --> 00:46:13,440  
program or operational plan for

1207  
00:46:16,950 --> 00:46:14,480  
disclosure

1208  
00:46:21,030 --> 00:46:16,960  
and another problem we had

1209  
00:46:23,670 --> 00:46:21,040  
what how much disclosure could we give

1210  
00:46:25,829 --> 00:46:23,680  
now are we going to give everything to

1211  
00:46:28,710 --> 00:46:25,839  
the american public no we can't we're

1212  
00:46:30,710 --> 00:46:28,720  
not going to give technical information

1213  
00:46:31,670 --> 00:46:30,720

you know all the all the neat things

1214

00:46:33,270 --> 00:46:31,680

that we

1215

00:46:34,550 --> 00:46:33,280

um

1216

00:46:36,470 --> 00:46:34,560

found out

1217

00:46:38,150 --> 00:46:36,480

in reverse engineering

1218

00:46:40,309 --> 00:46:38,160

we don't want the russians or the

1219

00:46:43,430 --> 00:46:40,319

soviets back in those days or the red

1220

00:46:45,589 --> 00:46:43,440

chinese or any other hostile

1221

00:46:48,150 --> 00:46:45,599

intelligence or governments

1222

00:46:50,950 --> 00:46:48,160

to know about what we know about or what

1223

00:46:53,510 --> 00:46:50,960

we found out so we couldn't tell them

1224

00:46:56,870 --> 00:46:53,520

anything technical

1225

00:46:59,510 --> 00:46:56,880

what about the religious aspect of it

1226

00:47:01,910 --> 00:46:59,520

i think that scared everybody the most

1227

00:47:05,349 --> 00:47:01,920

what if we said okay you know yeah

1228

00:47:07,670 --> 00:47:05,359

something came here uh in 1947 and we

1229

00:47:10,470 --> 00:47:07,680

had a live alien and he told us that

1230

00:47:13,589 --> 00:47:10,480

he'd been visiting earth for 2000 years

1231

00:47:15,670 --> 00:47:13,599

and he was here 2 000 years ago

1232

00:47:17,510 --> 00:47:15,680

what's the immediately thought

1233

00:47:20,150 --> 00:47:17,520

the thinking process of somebody that's

1234

00:47:22,069 --> 00:47:20,160

religious religious oh my god

1235

00:47:24,470 --> 00:47:22,079

did the did the alien

1236

00:47:25,670 --> 00:47:24,480

jesus on earth

1237

00:47:29,910 --> 00:47:25,680

so

1238

00:47:32,230 --> 00:47:29,920

that that uh plant played into our our

1239

00:47:34,630 --> 00:47:32,240

problem with disclosure

1240

00:47:37,349 --> 00:47:34,640

not fair enough um great question here

1241

00:47:39,430 --> 00:47:37,359

by jay allen which is also on my list is

1242

00:47:42,309 --> 00:47:39,440

um what are your thoughts on bob lazar's

1243

00:47:45,430 --> 00:47:43,190

well

1244

00:47:48,069 --> 00:47:45,440

i was at area 51 i was a

1245

00:47:49,750 --> 00:47:48,079

counterintelligence officer i think it's

1246

00:47:51,990 --> 00:47:49,760

you know there's there's smarter people

1247

00:47:52,870 --> 00:47:52,000

out there figure that out uh even phil

1248

00:47:55,270 --> 00:47:52,880

class

1249

00:47:57,109 --> 00:47:55,280

uh got some records anyways i was i was

1250

00:48:01,589 --> 00:47:57,119

kind of intelligence officer out there

1251

00:48:03,589 --> 00:48:01,599

i knew about s2 not as four

1252

00:48:07,990 --> 00:48:03,599

the problem with uh

1253

00:48:09,349 --> 00:48:08,000

bob lazar's story is that s4

1254

00:48:11,750 --> 00:48:09,359

was under

1255

00:48:14,309 --> 00:48:11,760

was a fourth level under s2

1256

00:48:18,710 --> 00:48:14,319

the complex is called s2

1257

00:48:22,150 --> 00:48:19,510

and

1258

00:48:25,190 --> 00:48:22,160

s4 was a fourth level

1259

00:48:27,829 --> 00:48:25,200

uh i was at s2 a number of times

1260

00:48:31,030 --> 00:48:27,839

uh that's administrative control

1261

00:48:34,630 --> 00:48:31,040

uh operations for at the the lower

1262

00:48:36,790 --> 00:48:34,640

levels i was never at as four never was

1263

00:48:38,390 --> 00:48:36,800

down to that's four never saw what was

1264

00:48:42,710 --> 00:48:38,400

down in s4 i just didn't have a

1265

00:48:48,069 --> 00:48:45,190

when bob store bob

1266

00:48:50,230 --> 00:48:48,079

lazar's story came out in 1969

1267

00:48:51,270 --> 00:48:50,240

at 56 89

1268

00:48:53,109 --> 00:48:51,280

um

1269

00:48:55,349 --> 00:48:53,119

i checked with one of the

1270

00:48:57,750 --> 00:48:55,359

chief of securities out there who was

1271

00:49:00,069 --> 00:48:57,760

very very very close to me i mean i i

1272

00:49:02,390 --> 00:49:00,079

just left the intelligence community

1273

00:49:04,150 --> 00:49:02,400

and and he checked and yeah bob lazar

1274

00:49:06,950 --> 00:49:04,160

did work out there

1275

00:49:09,510 --> 00:49:06,960

i think it was only for 96 days or

1276

00:49:11,109 --> 00:49:09,520

95 something like that 98 days or

1277

00:49:12,549 --> 00:49:11,119

something that something like that he

1278

00:49:15,270 --> 00:49:12,559

did work out there

1279

00:49:16,710 --> 00:49:15,280

i did that after he did have access to

1280

00:49:18,230 --> 00:49:16,720

s4

1281

00:49:20,309 --> 00:49:18,240

but that's the only thing i can say i

1282

00:49:24,549 --> 00:49:20,319

don't know anything else about what he

1283

00:49:26,069 --> 00:49:24,559

saw uh or what he did down there

1284

00:49:27,670 --> 00:49:26,079

that's great thank you

1285

00:49:29,589 --> 00:49:27,680

um i'm just going to move on to a few

1286

00:49:31,589 --> 00:49:29,599

questions i've got here from uh sent in

1287

00:49:33,990 --> 00:49:31,599

by different followers on social media

1288

00:49:36,549 --> 00:49:34,000

so first of all your name asks why has

1289

00:49:38,630 --> 00:49:36,559

the military or whoever did

1290

00:49:41,910 --> 00:49:38,640

fake alien abductions what was the point

1291

00:49:41,920 --> 00:49:44,950

uh

1292

00:49:50,870 --> 00:49:48,390

probably my weakest area um

1293

00:49:53,510 --> 00:49:50,880

is abductions i know

1294

00:49:55,030 --> 00:49:53,520

we investigated him i investigated some

1295

00:49:56,470 --> 00:49:55,040

abductions

1296

00:49:59,829 --> 00:49:56,480

um

1297

00:50:02,150 --> 00:49:59,839

i don't know about any actual

1298

00:50:05,270 --> 00:50:02,160

united states government abductions

1299

00:50:08,630 --> 00:50:05,280

so no my labs or anything like that

1300

00:50:13,270 --> 00:50:10,470

there were there

1301  
00:50:14,470 --> 00:50:13,280  
let me say this there were

1302  
00:50:17,670 --> 00:50:14,480  
some

1303  
00:50:21,349 --> 00:50:20,549  
operations that occurred

1304  
00:50:23,670 --> 00:50:21,359  
to

1305  
00:50:25,670 --> 00:50:23,680  
protect

1306  
00:50:28,230 --> 00:50:25,680  
other projects

1307  
00:50:29,910 --> 00:50:28,240  
we have and i'll give you example okay

1308  
00:50:31,270 --> 00:50:29,920  
there was an air force

1309  
00:50:34,150 --> 00:50:31,280  
uh

1310  
00:50:37,030 --> 00:50:35,270  
who

1311  
00:50:38,630 --> 00:50:37,040  
had access to a

1312  
00:50:42,230 --> 00:50:38,640  
program

1313  
00:50:43,990 --> 00:50:42,240

and uh highly classified

1314

00:50:45,829 --> 00:50:44,000

and he started

1315

00:50:48,470 --> 00:50:45,839

to uh

1316

00:50:50,069 --> 00:50:48,480

disclose it to somebody that shouldn't

1317

00:50:51,589 --> 00:50:50,079

know about it

1318

00:50:53,270 --> 00:50:51,599

so we

1319

00:50:55,430 --> 00:50:53,280

faked

1320

00:50:57,750 --> 00:50:55,440

an abduction

1321

00:50:59,990 --> 00:50:57,760

of the person that he was

1322

00:51:00,790 --> 00:51:00,000

uh giving the information to

1323

00:51:04,950 --> 00:51:00,800

to

1324

00:51:06,790 --> 00:51:04,960

throw her it was a female throw her off

1325

00:51:10,069 --> 00:51:06,800

that's the only

1326

00:51:13,030 --> 00:51:10,079

uh

1327

00:51:14,630 --> 00:51:13,040

fake abduction that i ever knew about

1328

00:51:16,470 --> 00:51:14,640

within the within

1329

00:51:17,430 --> 00:51:16,480

the government now there may have been

1330

00:51:18,790 --> 00:51:17,440

others

1331

00:51:20,549 --> 00:51:18,800

you gotta understand there's other

1332

00:51:21,510 --> 00:51:20,559

agencies working this

1333

00:51:23,670 --> 00:51:21,520

the

1334

00:51:25,910 --> 00:51:23,680

second air intelligence squadron

1335

00:51:27,030 --> 00:51:25,920

at the wright-patterson area at the fort

1336

00:51:28,549 --> 00:51:27,040

belvoir

1337

00:51:29,430 --> 00:51:28,559

virginia

1338

00:51:30,870 --> 00:51:29,440

uh

1339

00:51:31,829 --> 00:51:30,880

the real

1340

00:51:33,109 --> 00:51:31,839

real

1341

00:51:35,430 --> 00:51:33,119

men in black

1342

00:51:36,790 --> 00:51:35,440

did some things that i never had access

1343

00:51:39,030 --> 00:51:36,800

to so

1344

00:51:41,829 --> 00:51:39,040

it could have happened but i only knew

1345

00:51:43,829 --> 00:51:41,839

one instance and i told you that

1346

00:51:45,829 --> 00:51:43,839

great thank you very much um it's a

1347

00:51:47,349 --> 00:51:45,839

question from dave partridge on fade to

1348

00:51:48,950 --> 00:51:47,359

black a couple of years ago you

1349

00:51:51,349 --> 00:51:48,960

mentioned that there were two

1350

00:51:53,589 --> 00:51:51,359

disinformation agents that you knew of

1351

00:51:55,430 --> 00:51:53,599

active within the ufo community

1352

00:51:57,750 --> 00:51:55,440

one that's been around for years and one

1353

00:52:01,190 --> 00:51:57,760

younger in comparison are you able to

1354

00:52:03,109 --> 00:52:01,200

disclose who they were or are

1355

00:52:04,630 --> 00:52:03,119

no i think they did i think they

1356

00:52:07,510 --> 00:52:04,640

disclosed themselves

1357

00:52:09,829 --> 00:52:07,520

yeah ufo convention some years ago uh

1358

00:52:12,630 --> 00:52:09,839

one particular one sat in a room and

1359

00:52:14,150 --> 00:52:12,640

said that he had been uh um

1360

00:52:15,829 --> 00:52:14,160

co-opted by

1361

00:52:19,349 --> 00:52:15,839

a particular

1362

00:52:20,950 --> 00:52:19,359

person uh intelligence officer not me he

1363

00:52:21,829 --> 00:52:20,960

named it he named that intelligence

1364

00:52:23,190 --> 00:52:21,839

officer

1365

00:52:25,349 --> 00:52:23,200

and uh

1366

00:52:27,750 --> 00:52:25,359

uh well the other one i think everybody

1367

00:52:29,589 --> 00:52:27,760

knows bill moore i mean right okay yeah

1368

00:52:32,470 --> 00:52:29,599

bill moore was the other one

1369

00:52:34,470 --> 00:52:32,480

so the the the younger one uh

1370

00:52:36,470 --> 00:52:34,480

you know i'm not go if he wants he'd

1371

00:52:37,990 --> 00:52:36,480

already disclosed his name uh

1372

00:52:39,589 --> 00:52:38,000

i can't remember what ufo convention

1373

00:52:40,870 --> 00:52:39,599

that was 20

1374

00:52:43,349 --> 00:52:40,880

uh

1375

00:52:45,109 --> 00:52:43,359

oh six or seven sometime in there and

1376

00:52:46,950 --> 00:52:45,119

then of course bill moore we don't no

1377

00:52:48,390 --> 00:52:46,960

more we know bill moore was the other

1378

00:52:49,829 --> 00:52:48,400

one of the others

1379

00:52:53,589 --> 00:52:49,839

okay that's great no that's something we

1380

00:52:55,190 --> 00:52:53,599

can look into appreciate it um

1381

00:52:56,710 --> 00:52:55,200

did you play this is from uh matthew

1382

00:52:58,470 --> 00:52:56,720

wilson did you play any part in the

1383

00:53:01,750 --> 00:52:58,480

creation or dissemination of any

1384

00:53:03,109 --> 00:53:01,760

materials related to majestic 12.

1385

00:53:07,710 --> 00:53:03,119

no

1386

00:53:10,390 --> 00:53:07,720

i think i was clear to that in 1960 in

1387

00:53:13,349 --> 00:53:10,400

1987 and 89

1388

00:53:14,069 --> 00:53:13,359

uh fbi investigated it

1389

00:53:20,870 --> 00:53:14,079

and

1390

00:53:26,790 --> 00:53:23,589

contained about um

1391

00:53:28,710 --> 00:53:26,800

seventy percent step factual information

1392

00:53:31,910 --> 00:53:28,720

in the other 30 percent

1393

00:53:33,589 --> 00:53:31,920

uh well i shouldn't say 30. 20 was maybe

1394

00:53:36,309 --> 00:53:33,599

speculation in 10

1395

00:53:38,069 --> 00:53:36,319

was outright uh lies

1396

00:53:40,390 --> 00:53:38,079

false information

1397

00:53:43,030 --> 00:53:40,400

but it wasn't it was created by the

1398

00:53:44,390 --> 00:53:43,040

government uh i think

1399

00:53:46,230 --> 00:53:44,400

you know this has been out there a long

1400

00:53:48,150 --> 00:53:46,240

time people don't want to believe it

1401  
00:53:51,910 --> 00:53:48,160  
people want to believe that the mj-12

1402  
00:53:55,910 --> 00:53:51,920  
document was created by me or bill moore

1403  
00:53:58,230 --> 00:53:55,920  
or jamie shandera or carl dale i mean

1404  
00:54:01,109 --> 00:53:58,240  
all these names were involved in in

1405  
00:54:03,030 --> 00:54:01,119  
creating these documents uh and none of

1406  
00:54:05,349 --> 00:54:03,040  
it's factual you know they write a book

1407  
00:54:07,349 --> 00:54:05,359  
and it has to sound good so they throw

1408  
00:54:09,750 --> 00:54:07,359  
my name in there and others

1409  
00:54:11,190 --> 00:54:09,760  
but the the the documents were created

1410  
00:54:12,150 --> 00:54:11,200  
for a reason

1411  
00:54:15,270 --> 00:54:12,160  
and

1412  
00:54:16,230 --> 00:54:15,280  
uh it wasn't you know i was not involved

1413  
00:54:17,990 --> 00:54:16,240

in that

1414

00:54:19,829 --> 00:54:18,000

there were hundreds and hundreds of

1415

00:54:21,829 --> 00:54:19,839

other people involved

1416

00:54:23,109 --> 00:54:21,839

in this program

1417

00:54:24,790 --> 00:54:23,119

besides me

1418

00:54:27,349 --> 00:54:24,800

and so other people

1419

00:54:29,510 --> 00:54:27,359

and and the agency the the entity that

1420

00:54:30,950 --> 00:54:29,520

created that document i think

1421

00:54:31,670 --> 00:54:30,960

wendell stevens

1422

00:54:33,829 --> 00:54:31,680

and

1423

00:54:36,630 --> 00:54:33,839

most people know who wendell stevens is

1424

00:54:39,349 --> 00:54:36,640

he had some really neat documents

1425

00:54:41,910 --> 00:54:39,359

that uh suggested this the uh the

1426  
00:54:43,589 --> 00:54:41,920  
defense intelligence agency special

1427  
00:54:46,470 --> 00:54:43,599  
means committee

1428  
00:54:47,349 --> 00:54:46,480  
uh actually created that document

1429  
00:54:49,670 --> 00:54:47,359  
so

1430  
00:54:51,430 --> 00:54:49,680  
uh you know that's

1431  
00:54:52,870 --> 00:54:51,440  
that's the truth

1432  
00:54:54,230 --> 00:54:52,880  
and you want to believe it you believe

1433  
00:54:55,589 --> 00:54:54,240  
it you don't believe it you don't have

1434  
00:54:56,870 --> 00:54:55,599  
to believe it

1435  
00:54:59,349 --> 00:54:56,880  
no fair enough

1436  
00:55:01,430 --> 00:54:59,359  
um a question from j alan here uh is

1437  
00:55:03,589 --> 00:55:01,440  
there an influence operation men in

1438  
00:55:06,950 --> 00:55:03,599

black to keep people quiet is this a

1439

00:55:10,549 --> 00:55:06,960

shadow game parallel to an actual alien

1440

00:55:15,430 --> 00:55:12,630

well

1441

00:55:16,950 --> 00:55:15,440

there's an nd called uh or there's a

1442

00:55:18,630 --> 00:55:16,960

organization

1443

00:55:19,589 --> 00:55:18,640

back in those days called

1444

00:55:22,870 --> 00:55:19,599

the

1445

00:55:28,150 --> 00:55:24,789

wing

1446

00:55:31,910 --> 00:55:28,160

detachment 22

1447

00:55:35,030 --> 00:55:31,920

contained

1448

00:55:36,549 --> 00:55:35,040

some very strange people

1449

00:55:37,750 --> 00:55:36,559

they were uh

1450

00:55:39,109 --> 00:55:37,760

people that could speak different

1451  
00:55:41,109 --> 00:55:39,119  
languages

1452  
00:55:42,230 --> 00:55:41,119  
uh they're people that looked

1453  
00:55:44,630 --> 00:55:42,240  
differently

1454  
00:55:46,789 --> 00:55:44,640  
had different facial appearances some

1455  
00:55:49,109 --> 00:55:46,799  
say they had plastic surgery i don't

1456  
00:55:53,430 --> 00:55:49,119  
know about that i've never heard that

1457  
00:55:55,829 --> 00:55:53,440  
anybody had purposely had their face uh

1458  
00:55:58,950 --> 00:55:55,839  
manipulated in a way but

1459  
00:56:00,150 --> 00:55:58,960  
and some of them were ex safe crackers

1460  
00:56:02,710 --> 00:56:00,160  
actors

1461  
00:56:04,870 --> 00:56:02,720  
actresses there's men women

1462  
00:56:09,030 --> 00:56:04,880  
uh there's all different races involved

1463  
00:56:11,829 --> 00:56:09,040

in this uh african-americans uh hispanic

1464

00:56:15,190 --> 00:56:11,839

and they're assigned to this particular

1465

00:56:17,030 --> 00:56:15,200

detachment and their job is to collect

1466

00:56:22,870 --> 00:56:17,040

intelligence

1467

00:56:25,109 --> 00:56:22,880

and one one of their jobs is

1468

00:56:27,190 --> 00:56:25,119

the men in black stories

1469

00:56:28,069 --> 00:56:27,200

i know i met him i met some of these

1470

00:56:33,030 --> 00:56:28,079

people

1471

00:56:35,990 --> 00:56:33,040

uh they uh visited witnesses after i did

1472

00:56:37,829 --> 00:56:36,000

uh so yes the government does have

1473

00:56:40,710 --> 00:56:37,839

people they don't call themselves men in

1474

00:56:43,349 --> 00:56:40,720

black but uh they're out there for a

1475

00:56:44,470 --> 00:56:43,359

particular reason most uh most of of

1476  
00:56:46,789 --> 00:56:44,480  
what they do

1477  
00:56:48,710 --> 00:56:46,799  
are really highly classified

1478  
00:56:51,349 --> 00:56:48,720  
super secret stuff

1479  
00:56:52,870 --> 00:56:51,359  
that they penetrate foreign governments

1480  
00:56:55,910 --> 00:56:52,880  
and it doesn't always it doesn't

1481  
00:56:57,190 --> 00:56:55,920  
necessarily pertain to ufos any kind of

1482  
00:57:00,710 --> 00:56:57,200  
intelligence

1483  
00:57:01,670 --> 00:57:00,720  
uh but but there is a there is a uh

1484  
00:57:05,510 --> 00:57:01,680  
uh a

1485  
00:57:07,510 --> 00:57:05,520  
a an organization that uh people could

1486  
00:57:09,829 --> 00:57:07,520  
could go back and claim to be

1487  
00:57:11,349 --> 00:57:09,839  
the men in black the the real men in

1488  
00:57:12,390 --> 00:57:11,359

black

1489

00:57:14,069 --> 00:57:12,400

yeah great

1490

00:57:16,470 --> 00:57:14,079

um the next question i've actually got a

1491

00:57:18,069 --> 00:57:16,480

few times was regarding some documents

1492

00:57:19,670 --> 00:57:18,079

that you showed to linda mullen how now

1493

00:57:22,789 --> 00:57:19,680

i'm assuming it's to do with dna

1494

00:57:25,270 --> 00:57:22,799

manipulation it's manipulated 65 times

1495

00:57:27,190 --> 00:57:25,280

in order to create homo sapiens sapiens

1496

00:57:28,309 --> 00:57:27,200

is that were they true documents was

1497

00:57:30,630 --> 00:57:28,319

that

1498

00:57:32,870 --> 00:57:30,640

not true was it this information like

1499

00:57:35,030 --> 00:57:32,880

can you tell us about those documents

1500

00:57:35,990 --> 00:57:35,040

the linda howell

1501  
00:57:37,430 --> 00:57:36,000  
case

1502  
00:57:42,069 --> 00:57:37,440  
uh

1503  
00:57:43,270 --> 00:57:42,079  
i was given a task now everything i did

1504  
00:57:45,349 --> 00:57:43,280  
was sanctioned by the government

1505  
00:57:47,190 --> 00:57:45,359  
obviously or i would you know be in jail

1506  
00:57:49,910 --> 00:57:47,200  
someplace uh

1507  
00:57:51,510 --> 00:57:49,920  
i was at i was tasked with contacting

1508  
00:57:52,829 --> 00:57:51,520  
linda howell

1509  
00:57:54,390 --> 00:57:52,839  
uh

1510  
00:57:56,710 --> 00:57:54,400  
because

1511  
00:57:57,589 --> 00:57:56,720  
she was a really good researcher and she

1512  
00:57:59,829 --> 00:57:57,599  
had

1513  
00:58:01,829 --> 00:57:59,839

contacts within

1514

00:58:02,789 --> 00:58:01,839

the government that we were worried

1515

00:58:05,750 --> 00:58:02,799

about

1516

00:58:07,190 --> 00:58:05,760

and my job was to meet up with her

1517

00:58:08,950 --> 00:58:07,200

get to know her

1518

00:58:10,390 --> 00:58:08,960

try to recruit her

1519

00:58:13,270 --> 00:58:10,400

number one

1520

00:58:14,549 --> 00:58:13,280

and then try to find out who her sources

1521

00:58:16,870 --> 00:58:14,559

were

1522

00:58:19,750 --> 00:58:16,880

within washington dc

1523

00:58:20,950 --> 00:58:19,760

so i contacted her i brought her out to

1524

00:58:23,109 --> 00:58:20,960

the base

1525

00:58:24,470 --> 00:58:23,119

i brought her into a very very secure

1526

00:58:26,630 --> 00:58:24,480

area

1527

00:58:28,549 --> 00:58:26,640

i set her in a particular location where

1528

00:58:29,829 --> 00:58:28,559

she could be filmed through a one-way

1529

00:58:31,270 --> 00:58:29,839

mirror she

1530

00:58:33,349 --> 00:58:31,280

she describes us

1531

00:58:35,030 --> 00:58:33,359

probably better than i do and i showed

1532

00:58:36,710 --> 00:58:35,040

her some documents

1533

00:58:38,710 --> 00:58:36,720

that i had gotten

1534

00:58:41,430 --> 00:58:38,720

that morning

1535

00:58:43,190 --> 00:58:41,440

from an armed forces courier

1536

00:58:46,069 --> 00:58:43,200

a highly classified document armed

1537

00:58:48,230 --> 00:58:46,079

forces carrier service only transports

1538

00:58:49,430 --> 00:58:48,240

highly classified has to be above top

1539

00:58:50,630 --> 00:58:49,440

secret above

1540

00:58:53,109 --> 00:58:50,640

uh

1541

00:58:55,190 --> 00:58:53,119

i got it in my office

1542

00:58:57,510 --> 00:58:55,200

i looked it i opened it with my

1543

00:58:59,109 --> 00:58:57,520

supervisor present because we both had

1544

00:59:02,069 --> 00:58:59,119

to sign

1545

00:59:03,430 --> 00:59:02,079

and i was to show her those documents so

1546

00:59:06,549 --> 00:59:03,440

and i did that

1547

00:59:09,430 --> 00:59:06,559

she came in she sat down everything was

1548

00:59:11,589 --> 00:59:09,440

recorded i had other people looking in i

1549

00:59:13,750 --> 00:59:11,599

gave her the document i said you can you

1550

00:59:16,150 --> 00:59:13,760

can look at this document you can read

1551  
00:59:18,470 --> 00:59:16,160  
this document you can't take notes you

1552  
00:59:21,270 --> 00:59:18,480  
can't photograph as soon as you're done

1553  
00:59:25,030 --> 00:59:21,280  
reading it it goes back into the safe

1554  
00:59:27,670 --> 00:59:25,040  
folder the safe folder is a as a as a

1555  
00:59:30,390 --> 00:59:27,680  
safe a folder that will uh

1556  
00:59:32,150 --> 00:59:30,400  
that you put a document in and if you

1557  
00:59:34,470 --> 00:59:32,160  
you close it in a certain way if you try

1558  
00:59:35,990 --> 00:59:34,480  
to open it in a certain way the small

1559  
00:59:39,270 --> 00:59:36,000  
thermite uh

1560  
00:59:41,750 --> 00:59:39,280  
uh strips that burns the document so uh

1561  
00:59:44,150 --> 00:59:41,760  
and i had to send it back

1562  
00:59:47,349 --> 00:59:44,160  
so what she read

1563  
00:59:48,710 --> 00:59:47,359

was what i was talk what i was given to

1564

00:59:49,829 --> 00:59:48,720

tell her to read

1565

00:59:51,829 --> 00:59:49,839

showed her

1566

00:59:53,910 --> 00:59:51,839

so now you're asking me is everything in

1567

00:59:55,589 --> 00:59:53,920

that document real

1568

00:59:57,270 --> 00:59:55,599

you'd have to go back and ask government

1569

01:00:00,710 --> 00:59:57,280

that because

1570

01:00:02,789 --> 01:00:00,720

i don't know i i i read it it was a

1571

01:00:05,270 --> 01:00:02,799

thick document and had uh

1572

01:00:07,750 --> 01:00:05,280

the complete history of u.s involvement

1573

01:00:10,069 --> 01:00:07,760

including uh the dna

1574

01:00:11,990 --> 01:00:10,079

uh studies it was

1575

01:00:13,109 --> 01:00:12,000

very few people ever had access to that

1576

01:00:15,030 --> 01:00:13,119

stuff

1577

01:00:16,390 --> 01:00:15,040

um and so

1578

01:00:18,309 --> 01:00:16,400

what she read

1579

01:00:20,710 --> 01:00:18,319

uh

1580

01:00:23,349 --> 01:00:20,720

i would i would assume

1581

01:00:25,270 --> 01:00:23,359

was factual at least most of it

1582

01:00:26,630 --> 01:00:25,280

and after she was

1583

01:00:28,549 --> 01:00:26,640

finished reading it

1584

01:00:30,789 --> 01:00:28,559

put it back in a container

1585

01:00:32,549 --> 01:00:30,799

uh then i i took she asked me a lot of

1586

01:00:35,190 --> 01:00:32,559

questions i couldn't answer

1587

01:00:38,069 --> 01:00:35,200

and then i took her took her back

1588

01:00:40,470 --> 01:00:38,079

off off the base now i maintain contact

1589

01:00:42,789 --> 01:00:40,480

with linda howell for years

1590

01:00:45,750 --> 01:00:42,799

but i we could never recruit her as a as

1591

01:00:47,430 --> 01:00:45,760

an asset she's just too smart she knew

1592

01:00:49,750 --> 01:00:47,440

what we were trying to do

1593

01:00:52,390 --> 01:00:49,760

she didn't want to tell us sources and

1594

01:00:55,349 --> 01:00:52,400

so uh we just left it at that

1595

01:00:59,910 --> 01:00:55,359

and we we never bugged we never bugged

1596

01:01:01,510 --> 01:00:59,920

her car i mean i heard i read this uh

1597

01:01:03,750 --> 01:01:01,520

a few months ago

1598

01:01:06,150 --> 01:01:03,760

or back in november that we had

1599

01:01:08,230 --> 01:01:06,160

allegedly planted devices in her home

1600

01:01:11,430 --> 01:01:08,240

and we never did any of that that's

1601  
01:01:13,430 --> 01:01:11,440  
absolutely false

1602  
01:01:15,510 --> 01:01:13,440  
brilliant uh jefferson lee asks what

1603  
01:01:17,750 --> 01:01:15,520  
aerospace corporations do you know that

1604  
01:01:19,430 --> 01:01:17,760  
are hiding advanced physics or advanced

1605  
01:01:22,549 --> 01:01:19,440  
materials that are allegedly not of

1606  
01:01:26,950 --> 01:01:25,030  
ah

1607  
01:01:29,910 --> 01:01:26,960  
that's a that's a

1608  
01:01:31,670 --> 01:01:29,920  
it's a loaded question the um

1609  
01:01:33,109 --> 01:01:31,680  
one of the ways the government the

1610  
01:01:34,230 --> 01:01:33,119  
united states government hides

1611  
01:01:37,190 --> 01:01:34,240  
information

1612  
01:01:38,390 --> 01:01:37,200  
is through the contractors

1613  
01:01:40,150 --> 01:01:38,400

um

1614

01:01:42,230 --> 01:01:40,160

i worked for dr put off in the institute

1615

01:01:44,630 --> 01:01:42,240

for advanced studies at austin

1616

01:01:46,870 --> 01:01:44,640

he had darpa contracts

1617

01:01:50,549 --> 01:01:46,880

and

1618

01:01:52,870 --> 01:01:50,559

just say that because i i can't talk

1619

01:01:56,309 --> 01:01:52,880

about what i did with dr put up because

1620

01:01:58,390 --> 01:01:56,319

it's proprietary uh in its

1621

01:01:59,670 --> 01:01:58,400

information so i'm not going to talk

1622

01:02:01,990 --> 01:01:59,680

talk about

1623

01:02:03,750 --> 01:02:02,000

it with exception that

1624

01:02:06,549 --> 01:02:03,760

the government hides

1625

01:02:08,950 --> 01:02:06,559

highly classified reverse engineering

1626  
01:02:12,549 --> 01:02:08,960  
projects within contractors because

1627  
01:02:14,630 --> 01:02:12,559  
contractors uh are not subject to foia

1628  
01:02:16,630 --> 01:02:14,640  
under title five united states code

1629  
01:02:17,670 --> 01:02:16,640  
they're exempt

1630  
01:02:20,710 --> 01:02:17,680  
so

1631  
01:02:21,829 --> 01:02:20,720  
i would look at e-systems

1632  
01:02:24,069 --> 01:02:21,839  
uh

1633  
01:02:25,430 --> 01:02:24,079  
skunk works

1634  
01:02:27,750 --> 01:02:25,440  
um

1635  
01:02:30,870 --> 01:02:27,760  
tektronix corporation

1636  
01:02:33,349 --> 01:02:30,880  
there's just a few that i would look at

1637  
01:02:36,390 --> 01:02:33,359  
brilliant something for people to go on

1638  
01:02:38,309 --> 01:02:36,400

um a question here from insta vern

1639

01:02:40,309 --> 01:02:38,319

could you please ask him about deceptive

1640

01:02:42,150 --> 01:02:40,319

indication or warnings projects or

1641

01:02:45,510 --> 01:02:42,160

expand on what you know about

1642

01:02:49,349 --> 01:02:45,520

false inw programs

1643

01:02:51,190 --> 01:02:49,359

so i guess false flags if if anything

1644

01:02:52,549 --> 01:02:51,200

um

1645

01:02:54,230 --> 01:02:52,559

yeah i mean

1646

01:02:55,430 --> 01:02:54,240

they occur within the intelligence

1647

01:02:57,750 --> 01:02:55,440

community

1648

01:03:00,549 --> 01:02:57,760

uh we sometimes

1649

01:03:03,670 --> 01:03:00,559

we used to use uh

1650

01:03:06,069 --> 01:03:03,680

the canadian secret service

1651  
01:03:07,829 --> 01:03:06,079  
uh to mask some things

1652  
01:03:09,670 --> 01:03:07,839  
uh complicated

1653  
01:03:11,029 --> 01:03:09,680  
uh false flag is

1654  
01:03:14,069 --> 01:03:11,039  
um

1655  
01:03:16,950 --> 01:03:14,079  
uh using other people's identity

1656  
01:03:18,789 --> 01:03:16,960  
to uh to get information

1657  
01:03:19,910 --> 01:03:18,799  
not connecting it back to

1658  
01:03:22,390 --> 01:03:19,920  
to to

1659  
01:03:24,470 --> 01:03:22,400  
uh the origin the or

1660  
01:03:26,390 --> 01:03:24,480  
originating agency

1661  
01:03:28,789 --> 01:03:26,400  
uh that's about all i can say about it

1662  
01:03:31,510 --> 01:03:28,799  
because a lot of those things are still

1663  
01:03:33,349 --> 01:03:31,520

pretty classified

1664

01:03:35,510 --> 01:03:33,359

that's great thank you now one final

1665

01:03:37,589 --> 01:03:35,520

question before we end is you mentioned

1666

01:03:38,789 --> 01:03:37,599

recently in in a recent interview that

1667

01:03:40,710 --> 01:03:38,799

you're actually

1668

01:03:42,150 --> 01:03:40,720

forming a new group

1669

01:03:44,230 --> 01:03:42,160

is that something that you can expand on

1670

01:03:46,069 --> 01:03:44,240

a bit or at least tell us what the what

1671

01:03:48,630 --> 01:03:46,079

you what the intentions are

1672

01:03:49,990 --> 01:03:48,640

well we have we have a group we've had a

1673

01:03:53,029 --> 01:03:50,000

group uh

1674

01:03:55,190 --> 01:03:53,039

of retired intelligence officers

1675

01:03:56,309 --> 01:03:55,200

uh we've had i've been a member for

1676  
01:04:00,789 --> 01:03:56,319  
years

1677  
01:04:04,549 --> 01:04:03,109  
work with some others some other

1678  
01:04:06,630 --> 01:04:04,559  
entities

1679  
01:04:08,789 --> 01:04:06,640  
uh for a disclosure

1680  
01:04:10,950 --> 01:04:08,799  
but again we have a

1681  
01:04:13,270 --> 01:04:10,960  
it's a it's it's a very very very

1682  
01:04:15,029 --> 01:04:13,280  
complicated situation

1683  
01:04:16,710 --> 01:04:15,039  
we number one

1684  
01:04:19,510 --> 01:04:16,720  
we have to be very careful that we don't

1685  
01:04:21,190 --> 01:04:19,520  
disclose any classified information

1686  
01:04:23,029 --> 01:04:21,200  
because we're going to end up being

1687  
01:04:25,109 --> 01:04:23,039  
prosecuted in court

1688  
01:04:26,710 --> 01:04:25,119

and number two

1689

01:04:27,750 --> 01:04:26,720

we can't

1690

01:04:29,990 --> 01:04:27,760

uh

1691

01:04:31,510 --> 01:04:30,000

identify anyone within the intelligence

1692

01:04:33,910 --> 01:04:31,520

community

1693

01:04:36,390 --> 01:04:33,920

that is working on these projects

1694

01:04:38,230 --> 01:04:36,400

because there's a law

1695

01:04:40,309 --> 01:04:38,240

that that says you can't disclose an

1696

01:04:42,230 --> 01:04:40,319

undercover person an intelligence

1697

01:04:44,230 --> 01:04:42,240

officer so you you can't do that and we

1698

01:04:45,910 --> 01:04:44,240

don't want to do that

1699

01:04:49,190 --> 01:04:45,920

so um

1700

01:04:51,029 --> 01:04:49,200

we're trying to work with congress

1701  
01:04:53,190 --> 01:04:51,039  
people like well harry reid was one but

1702  
01:04:55,750 --> 01:04:53,200  
of course he died

1703  
01:04:57,829 --> 01:04:55,760  
marco rubio senator rubio

1704  
01:04:58,710 --> 01:04:57,839  
there's a number of different uh

1705  
01:05:01,270 --> 01:04:58,720  
um

1706  
01:05:03,190 --> 01:05:01,280  
senators and congressmen both

1707  
01:05:05,109 --> 01:05:03,200  
on both sides of the aisle both

1708  
01:05:07,190 --> 01:05:05,119  
democrats and republicans

1709  
01:05:08,950 --> 01:05:07,200  
that we're working with

1710  
01:05:11,109 --> 01:05:08,960  
trying to get

1711  
01:05:13,270 --> 01:05:11,119  
some legislation passed

1712  
01:05:14,309 --> 01:05:13,280  
that could protect people

1713  
01:05:16,789 --> 01:05:14,319

uh

1714

01:05:20,829 --> 01:05:16,799

from disclosing certain things about the

1715

01:05:26,390 --> 01:05:23,430

disclose what we want to disclose or

1716

01:05:27,910 --> 01:05:26,400

start a really really a successful

1717

01:05:30,710 --> 01:05:27,920

disclosure

1718

01:05:32,150 --> 01:05:30,720

program we want some laws

1719

01:05:33,990 --> 01:05:32,160

on our side

1720

01:05:35,349 --> 01:05:34,000

and and that's what we we have to do

1721

01:05:37,670 --> 01:05:35,359

first

1722

01:05:39,510 --> 01:05:37,680

i appreciate that so much and rick thank

1723

01:05:41,430 --> 01:05:39,520

you so much we are out of time but i

1724

01:05:42,390 --> 01:05:41,440

really really say thank you so much for

1725

01:05:45,190 --> 01:05:42,400

coming on

1726

01:05:46,950 --> 01:05:45,200

and answering the questions um

1727

01:05:48,069 --> 01:05:46,960

it's been great i really appreciate it

1728

01:05:49,990 --> 01:05:48,079

so uh

1729

01:05:51,270 --> 01:05:50,000

yeah thank you so much you're very

1730

01:05:52,870 --> 01:05:51,280

welcome

1731

01:05:55,910 --> 01:05:52,880

take care thank you so much you're

1732

01:05:57,990 --> 01:05:55,920

welcome bye-bye

1733

01:06:00,390 --> 01:05:58,000

well guys thank you so much to everybody

1734

01:06:02,309 --> 01:06:00,400

here live watching i really appreciated

1735

01:06:04,390 --> 01:06:02,319

all the input the questions for keeping

1736

01:06:06,390 --> 01:06:04,400

it nice and mature in the chat we'll be

1737

01:06:08,549 --> 01:06:06,400

back next week but for all details on

1738

01:06:10,950 --> 01:06:08,559

upcoming shows you can follow me over on

1739

01:06:13,510 --> 01:06:10,960

instagram and on twitter all the details

1740

01:06:15,190 --> 01:06:13,520

are below but for now guys thank you so
