

#73

Steph UAP Experiencers

1
00:00:04,070 --> 00:00:01,990
hey guys how's it going welcome back to

2
00:00:06,150 --> 00:00:04,080
the channel uh this one is a little bit

3
00:00:08,710 --> 00:00:06,160
different this was a pre-recorded

4
00:00:10,709 --> 00:00:08,720
interview and it's quite heavily edited

5
00:00:13,270 --> 00:00:10,719
i did it recently with steph um where

6
00:00:16,230 --> 00:00:13,280
she came on to talk about her experience

7
00:00:19,029 --> 00:00:16,240
back in the 80s as a young girl along

8
00:00:21,750 --> 00:00:19,039
with her mother and her sister and we've

9
00:00:24,070 --> 00:00:21,760
got testimony from them both as well so

10
00:00:25,589 --> 00:00:24,080
i hope you enjoy the video and thanks

11
00:00:26,470 --> 00:00:25,599
for watching

12
00:00:28,150 --> 00:00:26,480
so

13
00:00:30,710 --> 00:00:28,160

pretty much um

14

00:00:34,069 --> 00:00:30,720

back in about 1985

15

00:00:37,030 --> 00:00:34,079

um i was a little girl and i was old

16

00:00:41,110 --> 00:00:37,040

enough to know the difference between

17

00:00:43,750 --> 00:00:41,120

what um a helicopter an airplane was

18

00:00:44,630 --> 00:00:43,760

even a stealth bomber my family has been

19

00:00:47,590 --> 00:00:44,640

in the

20

00:00:49,029 --> 00:00:47,600

aerospace business since about 1945.

21

00:00:49,990 --> 00:00:49,039

that's when we had to establish our

22

00:00:52,630 --> 00:00:50,000

business

23

00:00:54,950 --> 00:00:52,640

so we had military contracts i mean i

24

00:00:55,830 --> 00:00:54,960

was surrounded by images of airplanes

25

00:00:58,950 --> 00:00:55,840

and

26

00:01:01,830 --> 00:00:58,960

i mean little kind of like 3d images of

27

00:01:03,670 --> 00:01:01,840

these crafts so i was very familiar at a

28

00:01:06,149 --> 00:01:03,680

young age and

29

00:01:07,190 --> 00:01:06,159

that's why when what happened to us

30

00:01:07,990 --> 00:01:07,200

happened

31

00:01:44,389 --> 00:01:08,000

i

32

00:01:46,710 --> 00:01:44,399

but um you know there were four of us

33

00:01:49,109 --> 00:01:46,720

that this did happen to

34

00:01:50,870 --> 00:01:49,119

so yeah thank you for allowing me to

35

00:01:53,109 --> 00:01:50,880

share this and hopefully it'll bring

36

00:01:55,190 --> 00:01:53,119

forth more people who may have been

37

00:01:57,429 --> 00:01:55,200

afraid to talk about it you know it's

38

00:01:59,429 --> 00:01:57,439

it's something that's happening and uh

39

00:02:02,550 --> 00:01:59,439

you know as more information continues

40

00:02:05,030 --> 00:02:02,560

to unfold from you know the military

41

00:02:07,910 --> 00:02:05,040

um and being played on television is

42

00:02:10,309 --> 00:02:07,920

giving a little bit more validity to the

43

00:02:13,350 --> 00:02:10,319

the subject and it's not so

44

00:02:15,670 --> 00:02:13,360

so much of a novelty any longer and

45

00:02:17,270 --> 00:02:15,680

that's what really brought me here too

46

00:02:18,710 --> 00:02:17,280

you know i thought wow there's other

47

00:02:20,390 --> 00:02:18,720

people that really get this they

48

00:02:23,030 --> 00:02:20,400

understand what's happening

49

00:02:24,790 --> 00:02:23,040

it's just it's real it's like

50

00:02:26,070 --> 00:02:24,800

it's a trip so

51
00:02:27,190 --> 00:02:26,080
yeah

52
00:02:29,990 --> 00:02:27,200
so

53
00:02:33,750 --> 00:02:30,000
pretty much we were at our grandparents

54
00:02:36,390 --> 00:02:33,760
home they live at the bottom of um idaho

55
00:02:38,630 --> 00:02:36,400
california it was at the time it was a

56
00:02:41,589 --> 00:02:38,640
little city called valvista

57
00:02:44,070 --> 00:02:41,599
they were backed up to a ravine so we

58
00:02:47,190 --> 00:02:44,080
had a mountainside right behind us

59
00:02:50,309 --> 00:02:47,200
just beautiful landscape and uh you know

60
00:02:52,550 --> 00:02:50,319
we had orange trees and lemon trees and

61
00:02:55,750 --> 00:02:52,560
all of these just just it was just like

62
00:02:59,670 --> 00:02:55,760
our fun little adventure place to go to

63
00:03:00,869 --> 00:02:59,680

and we had dinner that evening and as we

64

00:03:03,270 --> 00:03:00,879

were leaving

65

00:03:06,630 --> 00:03:03,280

we we have a huge gate that we had to

66

00:03:08,710 --> 00:03:06,640

close so this came to mind recently

67

00:03:12,070 --> 00:03:08,720

where i'm thinking we actually had to

68

00:03:15,110 --> 00:03:12,080

take our time to walk over to the gate

69

00:03:17,190 --> 00:03:15,120

go ahead and close it say our waves and

70

00:03:18,630 --> 00:03:17,200

our goodbyes to our grandma

71

00:03:23,509 --> 00:03:18,640

and

72

00:03:26,149 --> 00:03:23,519

buckled up into this you know big boat

73

00:03:28,630 --> 00:03:26,159

of a cadillac at the time i mean super

74

00:03:30,710 --> 00:03:28,640

cozy car by all means

75

00:03:33,110 --> 00:03:30,720

uh my sister and i were sitting in the

76
00:03:35,270 --> 00:03:33,120
back of the car my mom driving of course

77
00:03:39,030 --> 00:03:35,280
and my brother and the passenger

78
00:03:40,869 --> 00:03:39,040
um we had turned right onto the highway

79
00:03:43,030 --> 00:03:40,879
and

80
00:03:45,190 --> 00:03:43,040
us going through that motion of closing

81
00:03:47,270 --> 00:03:45,200
the gate and doing our goodbyes

82
00:03:50,390 --> 00:03:47,280
really came into the back of my mind

83
00:03:54,070 --> 00:03:50,400
where i'm going as soon as we left

84
00:03:57,509 --> 00:03:54,080
this object did appear behind us

85
00:03:59,750 --> 00:03:57,519
now as a kid i initially was thinking

86
00:04:01,589 --> 00:03:59,760
it's a helicopter because that's what i

87
00:04:04,470 --> 00:04:01,599
had grown up seeing

88
00:04:07,270 --> 00:04:04,480

now and i was very young so i that's

89

00:04:10,710 --> 00:04:07,280

what i had just connected

90

00:04:13,030 --> 00:04:10,720

my mom driving as she describes it

91

00:04:15,589 --> 00:04:13,040

this vantage point of hers was in her

92

00:04:17,830 --> 00:04:15,599

rearview mirror on the driver's side so

93

00:04:20,870 --> 00:04:17,840

she saw an image of the bottom of this

94

00:04:23,430 --> 00:04:20,880

craft and i think that's where she

95

00:04:25,510 --> 00:04:23,440

established this depth to it she

96

00:04:27,430 --> 00:04:25,520

describes it almost as like a like a

97

00:04:30,469 --> 00:04:27,440

bottom of a boat

98

00:04:31,749 --> 00:04:30,479

and button with no lines so just very

99

00:04:32,950 --> 00:04:31,759

smooth

100

00:04:34,150 --> 00:04:32,960

texture

101
00:04:36,150 --> 00:04:34,160
and

102
00:04:37,510 --> 00:04:36,160
somewhat of a craft

103
00:04:39,510 --> 00:04:37,520
so

104
00:04:42,870 --> 00:04:39,520
i

105
00:04:44,150 --> 00:04:42,880
somewhat remember that but that wasn't

106
00:04:46,310 --> 00:04:44,160
the main

107
00:04:47,590 --> 00:04:46,320
part that i recall

108
00:04:49,670 --> 00:04:47,600
so

109
00:04:51,510 --> 00:04:49,680
it's like as things start to you know we

110
00:04:53,030 --> 00:04:51,520
start to talk about this more and i'm

111
00:04:55,670 --> 00:04:53,040
trying to dig up information when the

112
00:04:57,830 --> 00:04:55,680
time is right it does bring up a little

113
00:04:59,670 --> 00:04:57,840

bit of a memory and i

114

00:05:01,189 --> 00:04:59,680

may go into regression eventually one

115

00:05:02,230 --> 00:05:01,199

day when i'm ready

116

00:05:04,230 --> 00:05:02,240

so

117

00:05:05,909 --> 00:05:04,240

but um we had turned right onto the

118

00:05:07,909 --> 00:05:05,919

highway

119

00:05:10,790 --> 00:05:07,919

my mom recognized that something was in

120

00:05:14,230 --> 00:05:10,800

the air behind us and

121

00:05:16,150 --> 00:05:14,240

she turned onto a street that would

122

00:05:17,990 --> 00:05:16,160

parallel the ravine

123

00:05:20,150 --> 00:05:18,000

and you may show images as i'm

124

00:05:21,670 --> 00:05:20,160

describing this so we're literally along

125

00:05:22,830 --> 00:05:21,680

a riverbed

126
00:05:24,390 --> 00:05:22,840
um

127
00:05:27,189 --> 00:05:24,400
we

128
00:05:28,070 --> 00:05:27,199
from what i saw in the back seat

129
00:05:33,110 --> 00:05:28,080
was

130
00:05:35,909 --> 00:05:33,120
out okay she's like there's something in

131
00:05:38,310 --> 00:05:35,919
the air behind us it's very close it was

132
00:05:39,270 --> 00:05:38,320
a just over i would say a hundred yards

133
00:05:40,629 --> 00:05:39,280
away

134
00:05:41,670 --> 00:05:40,639
and

135
00:05:44,950 --> 00:05:41,680
um

136
00:05:47,990 --> 00:05:44,960
maybe 200 yards away so very close in

137
00:05:50,150 --> 00:05:48,000
proximity you know um in comparison to

138
00:05:53,110 --> 00:05:50,160

seeing it say way far in the distance

139

00:05:54,710 --> 00:05:53,120

and just say an orb in the sky this was

140

00:05:58,230 --> 00:05:54,720

hovering

141

00:06:00,629 --> 00:05:58,240

so while we're along this ravine here

142

00:06:02,710 --> 00:06:00,639

my mom starts freaking out

143

00:06:06,390 --> 00:06:02,720

there's something behind us

144

00:06:08,070 --> 00:06:06,400

what is it stephanie look at it

145

00:06:10,629 --> 00:06:08,080

my sister

146

00:06:13,510 --> 00:06:10,639

is crouched next to me afraid

147

00:06:15,990 --> 00:06:13,520

mind you she's two years older which

148

00:06:18,870 --> 00:06:16,000

makes sense that she would be afraid

149

00:06:20,950 --> 00:06:18,880

because she could recognize danger i

150

00:06:22,550 --> 00:06:20,960

think i

151
00:06:26,790 --> 00:06:22,560

i was

152
00:06:29,270 --> 00:06:26,800

just a curious kid in general

153
00:06:32,150 --> 00:06:29,280

and being young i don't think i could

154
00:06:36,469 --> 00:06:32,160

really connect the danger aspect of what

155
00:06:37,590 --> 00:06:36,479

this was so we must have taken off our

156
00:06:38,870 --> 00:06:37,600

seat belts

157
00:06:41,110 --> 00:06:38,880

turned around

158
00:06:43,749 --> 00:06:41,120

in the back of the car and i do recall

159
00:06:46,870 --> 00:06:43,759

both of our arms were almost up on the

160
00:06:49,909 --> 00:06:46,880

back seat peering out

161
00:06:50,950 --> 00:06:49,919

now as my mom is frantic

162
00:06:53,909 --> 00:06:50,960

i mean

163
00:06:56,550 --> 00:06:53,919

she probably was flailing her arms and

164

00:06:59,510 --> 00:06:56,560

i mean i was trying to listen to what

165

00:07:01,029 --> 00:06:59,520

she was directing me to do as a kid you

166

00:07:03,430 --> 00:07:01,039

listen to your mom

167

00:07:06,870 --> 00:07:03,440

she said stephanie look at it

168

00:07:09,510 --> 00:07:06,880

and i did look at it it was a very short

169

00:07:12,629 --> 00:07:09,520

instance of what i had

170

00:07:13,909 --> 00:07:12,639

you know tried to soak up you know

171

00:07:15,909 --> 00:07:13,919

and

172

00:07:18,790 --> 00:07:15,919

it was not a helicopter there were no

173

00:07:23,110 --> 00:07:18,800

blades it was hovering

174

00:07:24,629 --> 00:07:23,120

there to me i felt like i heard a bit of

175

00:07:27,029 --> 00:07:24,639

a sound

176

00:07:27,990 --> 00:07:27,039

whereas my sister and my mother said no

177

00:07:29,990 --> 00:07:28,000

sound

178

00:07:31,110 --> 00:07:30,000

i heard something that i would describe

179

00:07:32,950 --> 00:07:31,120

as a

180

00:07:35,029 --> 00:07:32,960

whirring sound

181

00:07:37,749 --> 00:07:35,039

now if that rings

182

00:07:39,670 --> 00:07:37,759

true to anybody else that may have

183

00:07:42,390 --> 00:07:39,680

witnessed something such as that

184

00:07:45,350 --> 00:07:42,400

it might make sense somewhere but i do

185

00:07:47,029 --> 00:07:45,360

for some reason recall that

186

00:07:49,110 --> 00:07:47,039

don't know what it was

187

00:07:50,869 --> 00:07:49,120

i i saw no blades

188

00:07:53,589 --> 00:07:50,879

all i saw was

189

00:07:55,909 --> 00:07:53,599

like the bottom almost of like a ship

190

00:07:57,430 --> 00:07:55,919

what it felt like as a like the bottom

191

00:07:59,110 --> 00:07:57,440

if you would be at the vantage point of

192

00:08:02,629 --> 00:07:59,120

the bottom of a ship

193

00:08:03,670 --> 00:08:02,639

and uh smooth and like a dark gunmetal

194

00:08:06,469 --> 00:08:03,680

gray

195

00:08:08,390 --> 00:08:06,479

like dark it was dark

196

00:08:09,430 --> 00:08:08,400

so

197

00:08:14,790 --> 00:08:09,440

i

198

00:08:17,110 --> 00:08:14,800

happened

199

00:08:19,830 --> 00:08:17,120

before the object

200

00:08:21,029 --> 00:08:19,840

flashed away and zipped wherever it

201
00:08:22,309 --> 00:08:21,039
zipped to

202
00:08:25,189 --> 00:08:22,319
i do

203
00:08:28,070 --> 00:08:25,199
feel that i recall a flash

204
00:08:30,070 --> 00:08:28,080
that is something new that

205
00:08:34,149 --> 00:08:30,080
i realized

206
00:08:36,230 --> 00:08:34,159
and i'm going i think that this actually

207
00:08:37,750 --> 00:08:36,240
there was a flash and it was boom and it

208
00:08:39,190 --> 00:08:37,760
was gone

209
00:08:41,430 --> 00:08:39,200
now

210
00:08:44,710 --> 00:08:41,440
i'm i feel like i'm kind of chopping

211
00:08:46,470 --> 00:08:44,720
this up right now also because

212
00:08:47,910 --> 00:08:46,480
it's like it's a lot you know you're

213
00:08:48,870 --> 00:08:47,920

thinking about all these things that

214

00:08:49,910 --> 00:08:48,880

happen

215

00:08:52,790 --> 00:08:49,920

but

216

00:08:55,670 --> 00:08:52,800

there's a point where my mom had stopped

217

00:08:57,430 --> 00:08:55,680

the car and i do i sent you a little

218

00:08:59,030 --> 00:08:57,440

video blip of her

219

00:09:00,790 --> 00:08:59,040

slamming on the brakes of the car

220

00:09:02,710 --> 00:09:00,800

because i felt like i should take

221

00:09:04,630 --> 00:09:02,720

advantage of her talking about it and i

222

00:09:06,230 --> 00:09:04,640

said okay let's videotape this how did

223

00:09:08,150 --> 00:09:06,240

it feel how hard did you slam on the

224

00:09:09,350 --> 00:09:08,160

brakes

225

00:09:17,350 --> 00:09:09,360

and that's when she slammed on the

226
00:09:20,389 --> 00:09:18,310
so

227
00:09:22,389 --> 00:09:20,399
when we stopped

228
00:09:26,070 --> 00:09:22,399
the object

229
00:09:27,269 --> 00:09:26,080
also at the same exact instance

230
00:09:30,710 --> 00:09:27,279
stopped

231
00:09:33,350 --> 00:09:30,720
there was no flow of it

232
00:09:34,790 --> 00:09:33,360
pushing and stopping such as in

233
00:09:42,190 --> 00:09:34,800
helicopter

234
00:09:43,910 --> 00:09:42,200
in kauai i know the feeling of that

235
00:09:45,190 --> 00:09:43,920
maneuvering

236
00:09:49,110 --> 00:09:45,200
through

237
00:09:52,790 --> 00:09:49,120
there's no way you can actually abruptly

238
00:09:55,350 --> 00:09:52,800

stop a helicopter no way

239

00:09:56,949 --> 00:09:55,360

so that is just

240

00:09:58,710 --> 00:09:56,959

something that

241

00:10:01,430 --> 00:09:58,720

you know it knocks on the back of your

242

00:10:04,389 --> 00:10:01,440

brain going well why did this this

243

00:10:07,509 --> 00:10:04,399

happen why did this happen

244

00:10:09,910 --> 00:10:07,519

so when we stopped it stopped

245

00:10:12,389 --> 00:10:09,920

i recall an instance where we backed up

246

00:10:15,110 --> 00:10:12,399

and it backed up as

247

00:10:17,269 --> 00:10:15,120

very similar to the um technology of a

248

00:10:18,870 --> 00:10:17,279

tesla car i'm sure you've driven in one

249

00:10:20,790 --> 00:10:18,880

before see

250

00:10:23,269 --> 00:10:20,800

penalty people have seen them i've test

251
00:10:25,829 --> 00:10:23,279
driven it a couple of times and

252
00:10:27,190 --> 00:10:25,839
if they have that technology where they

253
00:10:29,750 --> 00:10:27,200
recognize

254
00:10:32,630 --> 00:10:29,760
like their cognitive behavior is

255
00:10:33,430 --> 00:10:32,640
if i see something i move with it

256
00:10:36,630 --> 00:10:33,440
yeah

257
00:10:38,870 --> 00:10:36,640
that was just a trip i mean i i

258
00:10:41,750 --> 00:10:38,880
i hope this information

259
00:10:44,069 --> 00:10:41,760
lands in the proper hands to where we

260
00:10:47,590 --> 00:10:44,079
can actually establish

261
00:10:49,910 --> 00:10:47,600
what's going on here so yeah that that

262
00:10:51,670 --> 00:10:49,920
happened and that was in the 80s

263
00:10:53,990 --> 00:10:51,680

being that we came from a military or

264

00:10:56,069 --> 00:10:54,000

aerospace background we had military

265

00:10:57,350 --> 00:10:56,079

contracts with mcdonald douglas boeing

266

00:10:58,949 --> 00:10:57,360

northrup

267

00:11:01,030 --> 00:10:58,959

hughes you name it

268

00:11:02,710 --> 00:11:01,040

um we

269

00:11:05,750 --> 00:11:02,720

knew who to call

270

00:11:08,150 --> 00:11:05,760

so as soon as she got home she was going

271

00:11:09,190 --> 00:11:08,160

to call the faa

272

00:11:11,350 --> 00:11:09,200

and then

273

00:11:12,230 --> 00:11:11,360

she was directed to call march air force

274

00:11:16,550 --> 00:11:12,240

base

275

00:11:18,150 --> 00:11:16,560

say 30 40 miles from where we were

276

00:11:21,829 --> 00:11:18,160

located so that would be the place to

277

00:11:24,230 --> 00:11:21,839

call there's also 29 palms so that's who

278

00:11:27,590 --> 00:11:24,240

we were directed to call

279

00:11:30,069 --> 00:11:27,600

now if someone say such as say sean from

280

00:11:31,990 --> 00:11:30,079

witness citizen can contact them and get

281

00:11:33,910 --> 00:11:32,000

these documents i know he's really great

282

00:11:36,230 --> 00:11:33,920

at digging up information

283

00:11:39,190 --> 00:11:36,240

i mean we would love to see that that

284

00:11:40,870 --> 00:11:39,200

log there's got to be a phone log of

285

00:11:42,630 --> 00:11:40,880

her phone call

286

00:11:45,829 --> 00:11:42,640

you know is there an audio recording

287

00:11:48,230 --> 00:11:45,839

probably not but there could be that

288

00:11:50,470 --> 00:11:48,240

still on files so hey sean if you're

289

00:11:53,190 --> 00:11:50,480

listening if you see this

290

00:11:55,590 --> 00:11:53,200

march air force base okay

291

00:11:58,470 --> 00:11:55,600

so next up we got steph's mom on the

292

00:12:00,470 --> 00:11:58,480

phone and she gave us her testimony

293

00:12:02,230 --> 00:12:00,480

apologies if the sound's not quite right

294

00:12:04,470 --> 00:12:02,240

i'm not the best editor so i probably

295

00:12:07,590 --> 00:12:04,480

couldn't get the levels correct but uh

296

00:12:09,269 --> 00:12:07,600

this is steph's mom giving her testimony

297

00:12:11,269 --> 00:12:09,279

i don't know vinnie i have my mom on the

298

00:12:13,269 --> 00:12:11,279

phone right now and she is ready to talk

299

00:12:15,829 --> 00:12:13,279

about it so why don't

300

00:12:17,670 --> 00:12:15,839

she's she's ready like let's let's chime

301
00:12:19,350 --> 00:12:17,680
in so mom are you you want to go ahead

302
00:12:23,269 --> 00:12:19,360
and talk to the ufo community about what

303
00:12:26,470 --> 00:12:23,279
happened to us back in what 1985-ish

304
00:12:29,030 --> 00:12:26,480
uh of course i'd love to okay the the

305
00:12:31,350 --> 00:12:29,040
stand is yours go for it

306
00:12:34,470 --> 00:12:31,360
well hello vinnie hi stephanie and thank

307
00:12:35,509 --> 00:12:34,480
you for this nice introduction

308
00:12:38,389 --> 00:12:35,519
and

309
00:12:40,389 --> 00:12:38,399
every time i think about what happened

310
00:12:42,550 --> 00:12:40,399
to us

311
00:12:44,629 --> 00:12:42,560
my three little children and i wasn't

312
00:12:46,629 --> 00:12:44,639
much older than that i was like

313
00:12:48,629 --> 00:12:46,639

i don't know 30 or something like that

314

00:12:51,590 --> 00:12:48,639

but

315

00:12:53,030 --> 00:12:51,600

we did see a ufo this is

316

00:12:55,829 --> 00:12:53,040

for real

317

00:12:58,310 --> 00:12:55,839

no joke

318

00:13:01,670 --> 00:12:58,320

i won't get into all the little details

319

00:13:03,190 --> 00:13:01,680

right now but uh we were out in hammock

320

00:13:06,389 --> 00:13:03,200

california

321

00:13:08,550 --> 00:13:06,399

off of highway 74

322

00:13:09,990 --> 00:13:08,560

actually it was called dalvista at that

323

00:13:11,910 --> 00:13:10,000

time

324

00:13:12,870 --> 00:13:11,920

and

325

00:13:14,629 --> 00:13:12,880

we were

326

00:13:18,310 --> 00:13:14,639

having a good time at

327

00:13:21,910 --> 00:13:19,990

we were going to take off it was like

328

00:13:24,389 --> 00:13:21,920

really dark

329

00:13:26,310 --> 00:13:24,399

i remember that i'm like recounting all

330

00:13:27,350 --> 00:13:26,320

this every time i do it it's like you

331

00:13:29,030 --> 00:13:27,360

know

332

00:13:30,470 --> 00:13:29,040

it's unbelievable

333

00:13:31,190 --> 00:13:30,480

but it was true

334

00:13:33,750 --> 00:13:31,200

so

335

00:13:34,710 --> 00:13:33,760

we had to drive a little bit on this

336

00:13:37,110 --> 00:13:34,720

like

337

00:13:40,470 --> 00:13:37,120

land of my parents to get to the highway

338

00:13:41,350 --> 00:13:40,480

maybe like a short block and lock the

339

00:13:43,750 --> 00:13:41,360

gate

340

00:13:46,550 --> 00:13:43,760

all my kids were in the car i think it

341

00:13:47,590 --> 00:13:46,560

was warm summer

342

00:13:49,189 --> 00:13:47,600

they might have been wearing a

343

00:13:51,509 --> 00:13:49,199

babysitters

344

00:13:53,590 --> 00:13:51,519

my two daughters were in the rear of our

345

00:13:55,910 --> 00:13:53,600

79

346

00:13:59,269 --> 00:13:55,920

bronze cadillac that was given to

347

00:14:01,030 --> 00:13:59,279

me by my dad but um

348

00:14:03,509 --> 00:14:01,040

as soon as we were going to take off on

349

00:14:04,790 --> 00:14:03,519

highway 74

350

00:14:07,750 --> 00:14:04,800

west

351

00:14:09,110 --> 00:14:07,760

i i'm i'm always looking

352

00:14:11,750 --> 00:14:09,120

i'm like

353

00:14:13,910 --> 00:14:11,760

no cars but immediately i saw this

354

00:14:15,350 --> 00:14:13,920

triangle dark like

355

00:14:20,629 --> 00:14:15,360

black

356

00:14:23,670 --> 00:14:20,639

triangle shapes

357

00:14:24,629 --> 00:14:23,680

and it had

358

00:14:25,990 --> 00:14:24,639

white

359

00:14:28,069 --> 00:14:26,000

soft lights

360

00:14:31,350 --> 00:14:28,079

on each of the triangle

361

00:14:33,829 --> 00:14:31,360

two in the back one in the front

362

00:14:36,310 --> 00:14:33,839

uh right away i thought what the heck am

363

00:14:37,829 --> 00:14:36,320

i this is not from here

364

00:14:40,629 --> 00:14:37,839

um

365

00:14:41,590 --> 00:14:40,639

i lived most of my life in all of my

366

00:14:43,030 --> 00:14:41,600

life

367

00:14:44,230 --> 00:14:43,040

as a kid

368

00:14:49,509 --> 00:14:44,240

in

369

00:14:52,310 --> 00:14:49,519

aircraft parts so it was just you know i

370

00:14:54,790 --> 00:14:52,320

knew this was not

371

00:14:55,829 --> 00:14:54,800

happening so

372

00:14:58,230 --> 00:14:55,839

i uh

373

00:15:00,790 --> 00:14:58,240

it was really dark there was no cars out

374

00:15:03,350 --> 00:15:00,800

and i'm like this thing is following us

375

00:15:05,750 --> 00:15:03,360

it was kind of low

376

00:15:08,790 --> 00:15:05,760

and i remember

377

00:15:11,189 --> 00:15:08,800

turning on a street to try to avoid

378

00:15:13,829 --> 00:15:11,199

this thing following us in a straight on

379

00:15:16,310 --> 00:15:13,839

a street highway 74

380

00:15:18,150 --> 00:15:16,320

and i turned on a street called grant

381

00:15:20,470 --> 00:15:18,160

towards the riverbed and that would be

382

00:15:23,430 --> 00:15:22,069

north east

383

00:15:25,910 --> 00:15:23,440

to take a side

384

00:15:28,949 --> 00:15:25,920

road and by that time i'm like okay this

385

00:15:31,189 --> 00:15:28,959

thing turned just following us

386

00:15:34,389 --> 00:15:31,199

and it was just like hovering it made no

387

00:15:36,790 --> 00:15:34,399

noise i heard no noise at all

388

00:15:38,389 --> 00:15:36,800

and i thought oh what am i gonna do i've

389

00:15:41,749 --> 00:15:38,399

got like

390

00:15:42,949 --> 00:15:41,759

two three miles to drive home

391

00:15:45,829 --> 00:15:42,959

and uh

392

00:15:47,430 --> 00:15:45,839

so i abruptly stopped on the side dirt

393

00:15:48,470 --> 00:15:47,440

road there's nothing out there in

394

00:15:50,310 --> 00:15:48,480

hammock

395

00:15:52,470 --> 00:15:50,320

it was actually called galveston at that

396

00:15:54,470 --> 00:15:52,480

time

397

00:15:57,670 --> 00:15:54,480

and i told my girls

398

00:16:03,110 --> 00:15:57,680

and i was kind of like yelling i said

399

00:16:07,590 --> 00:16:05,269

it wouldn't go away i turned my

400

00:16:10,230 --> 00:16:07,600

headlights off i didn't turn the engine

401
00:16:12,710 --> 00:16:10,240
off oh gee

402
00:16:15,110 --> 00:16:12,720
i've cut it i gotta get my three kids

403
00:16:17,269 --> 00:16:15,120
home boy this is surreal and it was like

404
00:16:18,949 --> 00:16:17,279
it happened so quickly

405
00:16:21,430 --> 00:16:18,959
so

406
00:16:26,069 --> 00:16:23,509
are you still there yeah

407
00:16:26,870 --> 00:16:26,079
okay i wasn't sure if my hair hung up

408
00:16:29,189 --> 00:16:26,880
again

409
00:16:30,230 --> 00:16:29,199
my son was sitting in the front seat and

410
00:16:33,749 --> 00:16:30,240
he

411
00:16:35,350 --> 00:16:33,759
and i was like

412
00:16:37,509 --> 00:16:35,360
no don't

413
00:16:38,629 --> 00:16:37,519

know i yelled at him

414

00:16:41,749 --> 00:16:38,639

and

415

00:16:43,670 --> 00:16:41,759

i asked stephanie to to look back

416

00:16:45,590 --> 00:16:43,680

and see what this was i asked you know

417

00:16:47,749 --> 00:16:45,600

to look back but she

418

00:16:49,910 --> 00:16:47,759

that was the older sister

419

00:16:52,389 --> 00:16:49,920

she didn't seem to want to uh but

420

00:16:54,389 --> 00:16:52,399

stephanie did and i thought figured okay

421

00:16:56,790 --> 00:16:54,399

this seconds count

422

00:16:59,110 --> 00:16:56,800

i just have to

423

00:17:00,389 --> 00:16:59,120

turn my headlights back on and i was

424

00:17:02,870 --> 00:17:00,399

like speeding

425

00:17:05,510 --> 00:17:02,880

home on this little side street

426

00:17:07,510 --> 00:17:05,520

i think i don't know

427

00:17:11,750 --> 00:17:07,520

maybe

428

00:17:15,029 --> 00:17:11,760

fast i mean you should only be like

429

00:17:16,549 --> 00:17:15,039

going maybe you have 30 35

430

00:17:20,470 --> 00:17:16,559

and

431

00:17:23,189 --> 00:17:20,480

as i decided just to speed off

432

00:17:25,350 --> 00:17:23,199

this object just poof it just

433

00:17:27,510 --> 00:17:25,360

it went over like the river bedroom it

434

00:17:29,430 --> 00:17:27,520

says you could not even

435

00:17:30,950 --> 00:17:29,440

have a

436

00:17:33,750 --> 00:17:30,960

split second to think about what

437

00:17:36,310 --> 00:17:33,760

happened if it just like went away

438

00:17:37,430 --> 00:17:36,320

so i'm just like going home

439

00:17:39,750 --> 00:17:37,440

and

440

00:17:41,990 --> 00:17:39,760

i've probably got home

441

00:17:43,190 --> 00:17:42,000

i don't know a few minutes pulled the

442

00:17:44,830 --> 00:17:43,200

driveway and

443

00:17:48,950 --> 00:17:44,840

pulled my car

444

00:17:50,310 --> 00:17:48,960

in and got the kids into the house

445

00:17:52,470 --> 00:17:50,320

and i

446

00:17:53,430 --> 00:17:52,480

i thought well i got to call somebody

447

00:18:03,510 --> 00:17:53,440

this

448

00:18:05,750 --> 00:18:03,520

and uh

449

00:18:07,510 --> 00:18:05,760

so i thought my first thing was both

450

00:18:09,430 --> 00:18:07,520

thinking of the police and then march

451
00:18:10,789 --> 00:18:09,440
air force base

452
00:18:13,110 --> 00:18:10,799
and since

453
00:18:15,830 --> 00:18:13,120
march air force base was close

454
00:18:17,430 --> 00:18:15,840
and we've i thought well maybe it was

455
00:18:20,150 --> 00:18:17,440
something for marsh air force base i

456
00:18:22,150 --> 00:18:20,160
didn't know so i made a phone call

457
00:18:24,070 --> 00:18:22,160
to march air force base and i did speak

458
00:18:26,150 --> 00:18:24,080
with somebody

459
00:18:27,110 --> 00:18:26,160
i

460
00:18:29,750 --> 00:18:27,120
and

461
00:18:31,669 --> 00:18:29,760
i wrote it down on a piece of paper i

462
00:18:34,310 --> 00:18:31,679
put it in a phone book of mine i don't

463
00:18:36,470 --> 00:18:34,320

know where this paper is what happened

464

00:18:38,470 --> 00:18:36,480

but uh

465

00:18:41,830 --> 00:18:38,480

they never called me back marsha air

466

00:18:43,990 --> 00:18:41,840

force base never called me back

467

00:18:46,150 --> 00:18:44,000

don't know what ever happened it was

468

00:18:47,909 --> 00:18:46,160

just

469

00:18:51,590 --> 00:18:47,919

but you know

470

00:18:58,310 --> 00:18:54,830

is now happening is other people are

471

00:18:59,830 --> 00:18:58,320

seeing exactly what i saw

472

00:19:01,990 --> 00:18:59,840

so it's like

473

00:19:04,390 --> 00:19:02,000

you know

474

00:19:07,190 --> 00:19:04,400

that's about it and i'm like uh i know

475

00:19:10,549 --> 00:19:07,200

stephanie i'm a daughter

476

00:19:12,390 --> 00:19:10,559

she witnessed me

477

00:19:14,310 --> 00:19:12,400

making these phone calls so frantically

478

00:19:16,230 --> 00:19:14,320

and i'm kind of like frantic now just

479

00:19:17,990 --> 00:19:16,240

recounting it it's like

480

00:19:21,590 --> 00:19:18,000

it really happened

481

00:19:24,710 --> 00:19:21,600

and and my son who's passed away

482

00:19:28,390 --> 00:19:24,720

we all had seen this

483

00:19:30,470 --> 00:19:28,400

i've never seen it again that was it

484

00:19:33,190 --> 00:19:30,480

so that that's my story i'm sure i can

485

00:19:34,950 --> 00:19:33,200

think of some more details but uh

486

00:19:37,430 --> 00:19:34,960

being in the

487

00:19:39,750 --> 00:19:37,440

aerospace business

488

00:19:42,390 --> 00:19:39,760

it was just you know something

489

00:19:43,750 --> 00:19:42,400

i thought well

490

00:19:45,270 --> 00:19:43,760

maybe it was something i just didn't

491

00:19:47,990 --> 00:19:45,280

know about

492

00:19:52,470 --> 00:19:50,710

no it's not from it's not from earth i

493

00:19:55,430 --> 00:19:52,480

am not that i know

494

00:19:58,630 --> 00:19:55,440

so that's my story thank you

495

00:20:01,029 --> 00:19:58,640

that's about it for now yeah and well i

496

00:20:04,470 --> 00:20:01,039

do want to have you expound on one uh

497

00:20:06,950 --> 00:20:04,480

detail also and i also just want to say

498

00:20:08,710 --> 00:20:06,960

i'm not really fond of the term story

499

00:20:10,549 --> 00:20:08,720

because it's it's an incident that

500

00:20:13,190 --> 00:20:10,559

occurred but i guess

501
00:20:16,230 --> 00:20:13,200
exactly we understand what you're trying

502
00:20:17,590 --> 00:20:16,240
to describe so it is an incident that

503
00:20:20,789 --> 00:20:17,600
had occurred

504
00:20:23,669 --> 00:20:20,799
i just want to make that clear and

505
00:20:26,310 --> 00:20:23,679
we get it mom we get it so

506
00:20:27,430 --> 00:20:26,320
now will you describe to

507
00:20:31,029 --> 00:20:27,440
us

508
00:20:33,830 --> 00:20:31,039
how the object actually mimicked our

509
00:20:35,669 --> 00:20:33,840
movement because i don't believe you had

510
00:20:37,430 --> 00:20:35,679
oh yeah i forgot about that i forgot

511
00:20:38,789 --> 00:20:37,440
about that yes thank you for reminding

512
00:20:40,950 --> 00:20:38,799
me

513
00:20:44,789 --> 00:20:40,960

when i

514

00:20:47,350 --> 00:20:46,310

and

515

00:20:50,149 --> 00:20:47,360

stopped

516

00:20:53,510 --> 00:20:50,159

i did move forward and back and it it

517

00:20:54,789 --> 00:20:53,520

did the same thing i was like

518

00:20:56,950 --> 00:20:54,799

okay

519

00:20:58,390 --> 00:20:56,960

there's something

520

00:21:02,070 --> 00:20:58,400

that

521

00:21:05,669 --> 00:21:02,080

is keeping an eye on us but also

522

00:21:10,230 --> 00:21:08,070

aerospace working with my brothers and

523

00:21:11,430 --> 00:21:10,240

just the family i mean it was always on

524

00:21:13,270 --> 00:21:11,440

our mind we

525

00:21:16,390 --> 00:21:13,280

like

526

00:21:20,630 --> 00:21:16,400

the stars what's going on out there

527

00:21:22,549 --> 00:21:20,640

but never in my life would i think that

528

00:21:25,270 --> 00:21:22,559

i would see something like that

529

00:21:28,630 --> 00:21:27,909

so yes it did it

530

00:21:42,630 --> 00:21:28,640

i

531

00:21:50,310 --> 00:21:42,640

go away

532

00:21:55,190 --> 00:21:52,710

are you there yet yeah we're still with

533

00:21:57,669 --> 00:21:55,200

you so and basically what you're trying

534

00:21:59,510 --> 00:21:57,679

to tell us is about how frightened you

535

00:22:01,510 --> 00:21:59,520

were when this was happening you were

536

00:22:03,750 --> 00:22:01,520

trying to protect your kids

537

00:22:04,630 --> 00:22:03,760

which that's what a motherly instinct

538

00:22:11,350 --> 00:22:04,640

would

539

00:22:13,430 --> 00:22:11,360

do i scare this thing and i do recall

540

00:22:15,190 --> 00:22:13,440

you turning the headlights off

541

00:22:17,270 --> 00:22:15,200

and i don't recall if you turn the car

542

00:22:20,230 --> 00:22:17,280

off entirely but you were trying to

543

00:22:22,549 --> 00:22:20,240

almost hide from it

544

00:22:24,950 --> 00:22:22,559

no i did not turn the engine off because

545

00:22:26,870 --> 00:22:24,960

okay i thought well maybe my engine

546

00:22:28,390 --> 00:22:26,880

might not start back up you know so i

547

00:22:30,149 --> 00:22:28,400

didn't want to be doing something like

548

00:22:32,950 --> 00:22:30,159

that so i'm sure

549

00:22:35,590 --> 00:22:32,960

my my red taillights would have

550

00:22:36,310 --> 00:22:35,600

shown yeah yeah yeah

551
00:22:42,390 --> 00:22:36,320
so

552
00:22:43,590 --> 00:22:42,400
house you had initially seen this object

553
00:22:45,990 --> 00:22:43,600
in your

554
00:22:47,430 --> 00:22:46,000
driver's side mirror on the left side

555
00:22:49,350 --> 00:22:47,440
behind us

556
00:22:51,830 --> 00:22:49,360
that's right i saw it right away because

557
00:22:54,789 --> 00:22:51,840
i'm i'm so

558
00:22:56,950 --> 00:22:54,799
looking on the highway right left it's a

559
00:22:59,270 --> 00:22:56,960
dark pitch black i'm telling you there

560
00:23:01,669 --> 00:22:59,280
was no cars out

561
00:23:05,029 --> 00:23:01,679
i saw it immediately i would say

562
00:23:05,830 --> 00:23:05,039
my immediately probably was

563
00:23:08,710 --> 00:23:05,840

maybe

564

00:23:11,110 --> 00:23:08,720

less than five seconds because yeah

565

00:23:13,430 --> 00:23:11,120

grandpa and grandma lived it was

566

00:23:16,630 --> 00:23:13,440

and grandpa had passed away then but

567

00:23:18,070 --> 00:23:16,640

yeah we're right by the hills so cars

568

00:23:19,430 --> 00:23:18,080

are like coming down through san

569

00:23:21,830 --> 00:23:19,440

bernardino

570

00:23:23,350 --> 00:23:21,840

national forest fast and you know you

571

00:23:25,590 --> 00:23:23,360

can't just pull out

572

00:23:27,909 --> 00:23:25,600

i was very very cautious and i thought

573

00:23:30,470 --> 00:23:27,919

well okay i can still remember when i

574

00:23:32,310 --> 00:23:30,480

blew up and i was like look up i looked

575

00:23:35,430 --> 00:23:32,320

in my rear view mirror and i'm not i'm

576
00:23:35,440 --> 00:23:38,310
and uh

577
00:23:42,070 --> 00:23:40,230
i didn't have to take a double tape i

578
00:23:45,190 --> 00:23:42,080
knew this

579
00:23:49,190 --> 00:23:47,029
i think it was like following us right

580
00:23:51,350 --> 00:23:49,200
away i was like

581
00:23:53,350 --> 00:23:51,360
it just was kind of i'm

582
00:23:54,549 --> 00:23:53,360
fighting from it but i mean i'm glad

583
00:23:56,950 --> 00:23:54,559
it's over

584
00:24:03,350 --> 00:23:56,960
but i knew

585
00:24:07,190 --> 00:24:05,029
there wasn't any cars out on this

586
00:24:09,750 --> 00:24:07,200
highway yeah there was nobody yeah i

587
00:24:12,470 --> 00:24:09,760
mean no no that's like in the mid 80s

588
00:24:14,070 --> 00:24:12,480

and i'm like there's nobody that's

589

00:24:16,230 --> 00:24:14,080

doing that we were

590

00:24:17,430 --> 00:24:16,240

we were always every weekend we were

591

00:24:19,590 --> 00:24:17,440

going over

592

00:24:20,789 --> 00:24:19,600

swimming having you know barbecue or

593

00:24:27,029 --> 00:24:20,799

whatever and

594

00:24:27,039 --> 00:24:30,789

we did that night

595

00:24:30,799 --> 00:24:33,830

we

596

00:24:38,950 --> 00:24:35,430

but

597

00:24:41,750 --> 00:24:38,960

it was so it was a straight path for me

598

00:24:42,870 --> 00:24:41,760

to get to or for us to get back home but

599

00:24:45,029 --> 00:24:42,880

i thought

600

00:24:48,390 --> 00:24:45,039

for me to speed

601
00:24:50,149 --> 00:24:48,400
my car and go fast west

602
00:24:52,070 --> 00:24:50,159
was pointless because that's just like a

603
00:24:54,149 --> 00:24:52,080
v-line for whatever's following me and i

604
00:24:56,070 --> 00:24:54,159
figured okay it doesn't know these side

605
00:24:59,110 --> 00:24:56,080
streets probably so

606
00:25:00,870 --> 00:24:59,120
i knew i knew to take a quick

607
00:25:03,190 --> 00:25:00,880
side street i didn't really want to

608
00:25:04,230 --> 00:25:03,200
because it's not exactly

609
00:25:05,990 --> 00:25:04,240
it was

610
00:25:07,590 --> 00:25:06,000
kind of out in the bootcamps

611
00:25:10,070 --> 00:25:07,600
i didn't want to take my three kids you

612
00:25:13,990 --> 00:25:12,310
mom mom

613
00:25:16,310 --> 00:25:14,000

exactly and you did the right thing you

614

00:25:19,510 --> 00:25:16,320

did what most parents would do you would

615

00:25:21,669 --> 00:25:19,520

try to be line and get the

616

00:25:23,830 --> 00:25:21,679

f out or whatever you want to say that's

617

00:25:25,990 --> 00:25:23,840

probably crossed your mind get me out of

618

00:25:28,070 --> 00:25:26,000

this location i am being followed by

619

00:25:29,430 --> 00:25:28,080

something and we don't know what it was

620

00:25:30,950 --> 00:25:29,440

so

621

00:25:33,990 --> 00:25:30,960

i wasn't

622

00:25:35,909 --> 00:25:34,000

i don't know if i was afraid i was more

623

00:25:36,870 --> 00:25:35,919

frightened that i had my three children

624

00:25:39,830 --> 00:25:36,880

in the car

625

00:25:44,149 --> 00:25:41,269

my kids

626

00:25:46,230 --> 00:25:44,159

yeah so do

627

00:25:49,590 --> 00:25:46,240

yes yes exactly

628

00:25:52,149 --> 00:25:49,600

now you did mention in another um

629

00:25:53,669 --> 00:25:52,159

conversation that we had about

630

00:25:55,669 --> 00:25:53,679

not seeing

631

00:25:58,390 --> 00:25:55,679

well let me ask you the question i don't

632

00:26:01,350 --> 00:25:58,400

want to put anything in your mouth

633

00:26:04,549 --> 00:26:01,360

do you recall any propulsion system any

634

00:26:07,029 --> 00:26:04,559

blades anything like such as that

635

00:26:09,029 --> 00:26:07,039

no there wasn't any the only thing that

636

00:26:10,789 --> 00:26:09,039

it looked like was there was a little

637

00:26:12,149 --> 00:26:10,799

depth to it

638

00:26:13,830 --> 00:26:12,159

uh

639

00:26:19,190 --> 00:26:13,840

it was

640

00:26:20,549 --> 00:26:19,200

see any other

641

00:26:22,230 --> 00:26:20,559

it looked like

642

00:26:23,510 --> 00:26:22,240

you know what it's hard to know exactly

643

00:26:26,470 --> 00:26:23,520

but it wasn't

644

00:26:29,110 --> 00:26:26,480

it wasn't really big and it wasn't small

645

00:26:34,710 --> 00:26:29,120

i'm thinking maybe uh

646

00:26:49,029 --> 00:26:36,710

oh goodness it's hard to tell it was

647

00:26:53,110 --> 00:26:51,430

like size of a diesel truck a diesel

648

00:26:58,149 --> 00:26:53,120

container

649

00:27:00,070 --> 00:26:58,159

it was a triangle shape okay that's a

650

00:27:02,149 --> 00:27:00,080

good perspective for people to kind of

651
00:27:03,350 --> 00:27:02,159
place into their brains so

652
00:27:04,950 --> 00:27:03,360
um now

653
00:27:09,029 --> 00:27:04,960
another question

654
00:27:09,039 --> 00:27:12,310
no can you can you hear me

655
00:27:15,909 --> 00:27:13,990
and it was like mostly black it could

656
00:27:19,190 --> 00:27:15,919
have been like a little

657
00:27:20,710 --> 00:27:19,200
it could have been like light black

658
00:27:39,750 --> 00:27:20,720
i

659
00:27:41,190 --> 00:27:39,760
my account of

660
00:27:44,230 --> 00:27:41,200
what i'm sure

661
00:27:47,190 --> 00:27:44,240
was a ufo or

662
00:27:49,190 --> 00:27:47,200
definitely an unidentified

663
00:27:51,190 --> 00:27:49,200

flying object

664

00:27:54,230 --> 00:27:51,200

um

665

00:27:55,669 --> 00:27:54,240

approximately 1985

666

00:27:59,510 --> 00:27:55,679

i

667

00:28:04,789 --> 00:27:59,520

and

668

00:28:07,830 --> 00:28:04,799

back seat

669

00:28:09,830 --> 00:28:07,840

of my mom's cadillac

670

00:28:11,190 --> 00:28:09,840

which was

671

00:28:12,149 --> 00:28:11,200

copper color

672

00:28:13,830 --> 00:28:12,159

um

673

00:28:17,590 --> 00:28:13,840

i'll never forget it

674

00:28:20,549 --> 00:28:17,600

very long

675

00:28:23,269 --> 00:28:20,559

four-door cadillac

676
00:28:25,510 --> 00:28:23,279
i don't remember the model but

677
00:28:28,789 --> 00:28:25,520
you know definitely kind of

678
00:28:33,510 --> 00:28:31,269
i guess maybe older in the sense that an

679
00:28:35,269 --> 00:28:33,520
older person would drive it um due to

680
00:28:37,110 --> 00:28:35,279
the style but

681
00:28:38,310 --> 00:28:37,120
by no means was it like

682
00:28:42,230 --> 00:28:38,320
a

683
00:28:44,630 --> 00:28:42,240
so

684
00:28:45,909 --> 00:28:44,640
it was one evening

685
00:28:46,950 --> 00:28:45,919
that

686
00:28:49,029 --> 00:28:46,960
um

687
00:28:52,149 --> 00:28:49,039
me and my siblings and my mom we were

688
00:28:54,230 --> 00:28:52,159

leaving our grandparents house in

689

00:28:58,789 --> 00:28:54,240

hemet california

690

00:29:00,230 --> 00:28:58,799

and our grandparents house was

691

00:29:02,470 --> 00:29:00,240

on a riverbed

692

00:29:06,230 --> 00:29:02,480

so literally

693

00:29:11,669 --> 00:29:07,750

mountainside

694

00:29:17,510 --> 00:29:14,549

there's like it goes down like into the

695

00:29:19,990 --> 00:29:17,520

riverbed there was like

696

00:29:21,510 --> 00:29:20,000

i don't know well their house was on

697

00:29:24,549 --> 00:29:21,520

i guess

698

00:29:27,750 --> 00:29:24,559

the edge of it right the edge of

699

00:29:28,630 --> 00:29:27,760

uh the mountainscape there

700

00:29:29,750 --> 00:29:28,640

and

701
00:29:31,669 --> 00:29:29,760
um

702
00:29:32,549 --> 00:29:31,679
we used to go to our grandparents house

703
00:29:37,110 --> 00:29:32,559
for

704
00:29:37,830 --> 00:29:37,120
dinner quite often or just hanging out

705
00:29:40,549 --> 00:29:37,840
and

706
00:29:42,789 --> 00:29:40,559
um this one particular evening

707
00:29:45,510 --> 00:29:42,799
it was just my mom

708
00:29:46,950 --> 00:29:45,520
my brother brian my sister stephanie and

709
00:29:49,590 --> 00:29:46,960
myself

710
00:29:52,549 --> 00:29:49,600
and we left our grandparents house it

711
00:29:55,590 --> 00:29:52,559
was pitch black outside

712
00:29:56,950 --> 00:29:55,600
so it you know it was definitely

713
00:29:59,029 --> 00:29:56,960

nighttime

714

00:30:00,470 --> 00:29:59,039

and um

715

00:30:01,830 --> 00:30:00,480

there's a little

716

00:30:03,590 --> 00:30:01,840

back road

717

00:30:05,430 --> 00:30:03,600

that would

718

00:30:07,590 --> 00:30:05,440

go along

719

00:30:11,750 --> 00:30:07,600

the riverbed

720

00:30:12,630 --> 00:30:11,760

so it wasn't like a main road it was

721

00:30:14,310 --> 00:30:12,640

kind of

722

00:30:15,510 --> 00:30:14,320

what we could we would call it a back

723

00:30:16,870 --> 00:30:15,520

road right

724

00:30:18,310 --> 00:30:16,880

so

725

00:30:20,549 --> 00:30:18,320

um

726

00:30:23,350 --> 00:30:20,559

when we were

727

00:30:24,870 --> 00:30:23,360

approaching kind of a mobile home park

728

00:30:28,470 --> 00:30:24,880

area

729

00:30:31,510 --> 00:30:28,480

my mom said that she saw a bright light

730

00:30:32,389 --> 00:30:31,520

in the back of her roover mirror

731

00:30:35,029 --> 00:30:32,399

and

732

00:30:36,950 --> 00:30:35,039

she stopped she's like what is that

733

00:30:38,710 --> 00:30:36,960

and my sister stephanie and i we were

734

00:30:41,430 --> 00:30:38,720

sitting in the back seat

735

00:30:43,669 --> 00:30:41,440

and like little girls do we take our you

736

00:30:45,750 --> 00:30:43,679

know seat belt off and then turn around

737

00:30:46,710 --> 00:30:45,760

really quick and look out the back

738

00:30:50,149 --> 00:30:46,720

window

739

00:30:51,909 --> 00:30:50,159

and there was this round object

740

00:30:55,510 --> 00:30:51,919

with a bright light

741

00:30:57,269 --> 00:30:55,520

and no sound whatsoever

742

00:30:59,590 --> 00:30:57,279

just hovering

743

00:31:01,110 --> 00:30:59,600

over the riverbed

744

00:31:03,430 --> 00:31:01,120

and

745

00:31:05,909 --> 00:31:03,440

i don't know if my brother brian turned

746

00:31:08,470 --> 00:31:05,919

around because he was sitting in the

747

00:31:09,990 --> 00:31:08,480

front and had his seatbelt on so i don't

748

00:31:11,750 --> 00:31:10,000

know if he

749

00:31:14,310 --> 00:31:11,760

had the chance

750

00:31:17,430 --> 00:31:14,320

to turn around easily

751
00:31:18,870 --> 00:31:17,440
like how my sister and i did

752
00:31:21,830 --> 00:31:18,880
and

753
00:31:27,990 --> 00:31:24,230
my mom had stopped the car

754
00:31:29,350 --> 00:31:28,000
and it was just hovering literally above

755
00:31:30,789 --> 00:31:29,360
the riverbed

756
00:31:32,389 --> 00:31:30,799
and we were staring

757
00:31:33,990 --> 00:31:32,399
at it

758
00:31:37,029 --> 00:31:34,000
wondering

759
00:31:41,669 --> 00:31:39,750
and my mom pulled forward a little bit

760
00:31:44,870 --> 00:31:41,679
and then

761
00:31:47,190 --> 00:31:44,880
it moved forward a little bit

762
00:31:49,509 --> 00:31:47,200
and then just you know we stopped and

763
00:31:51,750 --> 00:31:49,519

then it stopped and it just kept kept

764

00:31:53,909 --> 00:31:51,760

hovering and there was no sound

765

00:31:55,909 --> 00:31:53,919

completely quiet

766

00:31:58,230 --> 00:31:55,919

and then my mom moved forward again and

767

00:32:00,710 --> 00:31:58,240

then it moved forward

768

00:32:02,789 --> 00:32:00,720

so it was kind of like mimicking

769

00:32:07,110 --> 00:32:02,799

our movement

770

00:32:11,029 --> 00:32:09,669

bright light but it didn't light up the

771

00:32:14,310 --> 00:32:11,039

entire

772

00:32:15,830 --> 00:32:14,320

reverbed it was just a

773

00:32:17,430 --> 00:32:15,840

solid

774

00:32:19,110 --> 00:32:17,440

stationary

775

00:32:21,350 --> 00:32:19,120

white light

776

00:32:23,430 --> 00:32:21,360

and there was no sound

777

00:32:25,830 --> 00:32:23,440

i don't remember hearing

778

00:32:29,029 --> 00:32:25,840

or seeing any kind of

779

00:32:30,470 --> 00:32:29,039

blades or anything like that but

780

00:32:32,710 --> 00:32:30,480

um

781

00:32:33,669 --> 00:32:32,720

you know like helicopter blades

782

00:32:35,750 --> 00:32:33,679

but

783

00:32:37,350 --> 00:32:35,760

when we moved forward it moved forward

784

00:32:40,149 --> 00:32:37,360

when it stopped

785

00:32:42,389 --> 00:32:40,159

or when we stopped it stopped

786

00:32:44,389 --> 00:32:42,399

and i'll never forget this encounter

787

00:32:46,789 --> 00:32:44,399

i can still

788

00:32:49,590 --> 00:32:46,799

vividly see it in my memory

789

00:32:51,350 --> 00:32:49,600

and i know for a fact

790

00:32:54,830 --> 00:32:51,360

i saw it

791

00:32:56,389 --> 00:32:54,840

my sister saw it my mom saw it

792

00:32:58,870 --> 00:32:56,399

and

793

00:33:01,029 --> 00:32:58,880

by the third time my mom pulled forward

794

00:33:03,029 --> 00:33:01,039

and we didn't know what it was

795

00:33:05,350 --> 00:33:03,039

she was like we're getting out of here

796

00:33:06,149 --> 00:33:05,360

and we left

797

00:33:08,310 --> 00:33:06,159

but

798

00:33:11,110 --> 00:33:08,320

i'll never forget that evening i'll

799

00:33:13,029 --> 00:33:11,120

never forget that moment i can still see

800

00:33:14,230 --> 00:33:13,039

it in my mind

801
00:33:16,389 --> 00:33:14,240
um

802
00:33:17,990 --> 00:33:16,399
and i know my sister saw it too and she

803
00:33:19,110 --> 00:33:18,000
remembers it

804
00:33:21,990 --> 00:33:19,120
um

805
00:33:22,710 --> 00:33:22,000
1985 sounds about right and that would

806
00:33:24,549 --> 00:33:22,720
have

807
00:33:26,230 --> 00:33:24,559
made me eight years old

808
00:33:28,149 --> 00:33:26,240
and i know

809
00:33:31,029 --> 00:33:28,159
i was about that age and then

810
00:33:33,350 --> 00:33:31,039
stephanie's just a tad younger than me

811
00:33:34,470 --> 00:33:33,360
um so she would definitely remember it

812
00:33:35,430 --> 00:33:34,480
as well

813
00:33:38,389 --> 00:33:35,440

um

814

00:33:40,549 --> 00:33:38,399

but yeah it basically whatever it was it

815

00:33:42,230 --> 00:33:40,559

mimicked our movement

816

00:33:45,029 --> 00:33:42,240

and it didn't

817

00:33:46,950 --> 00:33:45,039

it didn't shy away from us at all

818

00:33:48,630 --> 00:33:46,960

um

819

00:33:50,070 --> 00:33:48,640

it just was like hovering there it was

820

00:33:53,830 --> 00:33:50,080

really weird

821

00:33:56,389 --> 00:33:53,840

um so yeah just just hovering there

822

00:33:59,269 --> 00:33:56,399

bright light no sound

823

00:34:01,909 --> 00:33:59,279

mimicked our movement

824

00:34:03,430 --> 00:34:01,919

and that was about it um

825

00:34:05,830 --> 00:34:03,440

so yeah i'll

826

00:34:09,109 --> 00:34:05,840

i'll never forget it i know it happened

827

00:34:09,119 --> 00:34:12,149

and that's it

828

00:34:16,389 --> 00:34:13,909

thank you

829

00:34:18,869 --> 00:34:16,399

so let's talk about your involvement

830

00:34:20,629 --> 00:34:18,879

with the community now as far as uap

831

00:34:23,190 --> 00:34:20,639

experiences which is your online

832

00:34:25,750 --> 00:34:23,200

platform through social media channels

833

00:34:27,430 --> 00:34:25,760

just give us a little breakdown of like

834

00:34:29,909 --> 00:34:27,440

where that came from what made you take

835

00:34:31,030 --> 00:34:29,919

that step to put yourself out there now

836

00:34:33,750 --> 00:34:31,040

you know

837

00:34:35,349 --> 00:34:33,760

if you don't mind sure i mean absolutely

838

00:34:37,510 --> 00:34:35,359

i would love to share that and we would

839

00:34:38,710 --> 00:34:37,520

like more people to come forth and as we

840

00:34:41,909 --> 00:34:38,720

do this

841

00:34:44,629 --> 00:34:41,919

that's just exactly what's occurring so

842

00:34:48,310 --> 00:34:44,639

back in 2021 about the same time that i

843

00:34:51,190 --> 00:34:48,320

had discovered your platform i decided

844

00:34:54,310 --> 00:34:51,200

that because my family and i had such a

845

00:34:56,790 --> 00:34:54,320

very close experience with the uap

846

00:34:59,670 --> 00:34:56,800

well why don't i begin a platform that

847

00:35:01,829 --> 00:34:59,680

would actually serve this community

848

00:35:04,310 --> 00:35:01,839

um you know and i feel like there just

849

00:35:06,870 --> 00:35:04,320

can't be enough of that somebody and the

850

00:35:08,950 --> 00:35:06,880

right person will find your platform

851
00:35:11,589 --> 00:35:08,960
there's so many different avenues to go

852
00:35:13,990 --> 00:35:11,599
with this so you know mine might speak

853
00:35:16,069 --> 00:35:14,000
to somebody out that doesn't speak to a

854
00:35:20,310 --> 00:35:16,079
different platform so that's where uap

855
00:35:22,790 --> 00:35:20,320
experiencers was born and it's been

856
00:35:26,230 --> 00:35:22,800
so fulfilling because

857
00:35:27,109 --> 00:35:26,240
i feel that people are actually getting

858
00:35:30,069 --> 00:35:27,119
some

859
00:35:31,270 --> 00:35:30,079
sort of this like therapeutic type

860
00:35:32,150 --> 00:35:31,280
feeling

861
00:35:35,990 --> 00:35:32,160
from

862
00:35:39,510 --> 00:35:36,000
getting to talk about it being heard

863
00:35:41,829 --> 00:35:39,520

just going through the motions of what

864

00:35:44,870 --> 00:35:41,839

happened to you

865

00:35:46,230 --> 00:35:44,880

it was an incident it is some an event

866

00:35:47,270 --> 00:35:46,240

that occurred

867

00:35:52,069 --> 00:35:47,280

that is

868

00:35:54,310 --> 00:35:52,079

not typical so to have that information

869

00:35:58,310 --> 00:35:54,320

kept inside of you

870

00:36:01,750 --> 00:35:58,320

it's not healthy and that's where this

871

00:36:04,310 --> 00:36:01,760

uap experiencers was born and um

872

00:36:06,150 --> 00:36:04,320

gosh it's been awesome i i mean the

873

00:36:07,910 --> 00:36:06,160

people that i've been meeting

874

00:36:09,750 --> 00:36:07,920

through the community

875

00:36:10,870 --> 00:36:09,760

we're all in this

876

00:36:13,430 --> 00:36:10,880

same

877

00:36:15,190 --> 00:36:13,440

you know topic together everybody has a

878

00:36:16,550 --> 00:36:15,200

piece to the puzzle

879

00:36:19,190 --> 00:36:16,560

somebody might

880

00:36:21,990 --> 00:36:19,200

bring one little iota of information

881

00:36:24,870 --> 00:36:22,000

forth that could

882

00:36:28,150 --> 00:36:24,880

bring more insight to what is occurring

883

00:36:30,069 --> 00:36:28,160

in our skies so yeah i'm super excited

884

00:36:33,589 --> 00:36:30,079

we're going to continue this journey

885

00:36:35,190 --> 00:36:33,599

before i let you go please tell everyone

886

00:36:38,470 --> 00:36:35,200

where they can find you

887

00:36:40,470 --> 00:36:38,480

all right everybody uap experiencers all

888

00:36:43,589 --> 00:36:40,480

across the board with the exception of

889

00:36:46,069 --> 00:36:43,599

instagram there's an underscore uap

890

00:36:48,230 --> 00:36:46,079

underscore experiencers

891

00:36:49,430 --> 00:36:48,240

and yes i would be honored and pleased

892

00:36:51,910 --> 00:36:49,440

to share

893

00:36:53,990 --> 00:36:51,920

any form of you know event that had

894

00:36:56,870 --> 00:36:54,000

occurred in your life it could have been

895

00:36:58,950 --> 00:36:56,880

even a submergible object you know

896

00:37:01,030 --> 00:36:58,960

that's coming forth more and to the

897

00:37:04,470 --> 00:37:01,040

forefront as well which is extremely

898

00:37:06,550 --> 00:37:04,480

exciting so do not be afraid we are here

899

00:37:07,829 --> 00:37:06,560

to listen and that's the most important

900

00:37:09,990 --> 00:37:07,839

thing

901
00:37:12,710 --> 00:37:10,000
absolutely i will put all of your links

902
00:37:14,150 --> 00:37:12,720
in the description below as well so

903
00:37:16,630 --> 00:37:14,160
listen steph thank you so much for

904
00:37:18,310 --> 00:37:16,640
joining me i i do really feel honored to

905
00:37:20,710 --> 00:37:18,320
have heard that story and i i really

906
00:37:22,470 --> 00:37:20,720
felt it as well like hearing from three

907
00:37:23,589 --> 00:37:22,480
members of one family about the same

908
00:37:26,230 --> 00:37:23,599
experience

909
00:37:28,790 --> 00:37:26,240
it's quite rare so that was really a

910
00:37:30,870 --> 00:37:28,800
really standout thing for me so again

911
00:37:33,030 --> 00:37:30,880
thank you so much

912
00:37:35,349 --> 00:37:33,040
so for now everyone we will see you soon
