Cristina Gomez

1
00:00:01,170 --> 00:00:31,669

[Music]

2
00:00:36,950 --> 00:00:33,590

hey everybody how's it going welcome

3
00:00:37,990 --> 00:00:36,960

back this is two days in a row on the

4
00:00:40,069 --> 00:00:38,000

channel

5
00:00:42,310 --> 00:00:40,079

um i'm excited to be here again thank

6
00:00:44,470 --> 00:00:42,320

you to everybody that tuned in yesterday

7
00:00:46,869 --> 00:00:44,480

for my conversation with dr david clarke

8
00:00:49,590 --> 00:00:46,879

uh he's always such a popular guest

9
00:00:50,790 --> 00:00:49,600

always brings incredible information um

10
00:00:52,549 --> 00:00:50,800

and we're gonna have him back probably

11
00:00:53,430 --> 00:00:52,559

in another month to talk about another

12
00:00:55,110 --> 00:00:53,440

case

13
00:00:57,270 --> 00:00:55,120

so yeah good to see everybody in the

14

00:00:59,990 --> 00:00:57,280

live chat i appreciate you all being

15

00:01:01,750 --> 00:01:00,000

here and i will just reiterate which i i

16

00:01:03,270 --> 00:01:01,760

need to do sometimes is just keep the

17

00:01:04,950 --> 00:01:03,280

chat clean

18

00:01:07,030 --> 00:01:04,960

i appreciate everybody's got opinions

19

00:01:09,270 --> 00:01:07,040

but we can talk about things in a mature

20

00:01:11,350 --> 00:01:09,280

and polite way so with all that being

21

00:01:13,670 --> 00:01:11,360

said guys let's jump straight into it um

22

00:01:15,590 --> 00:01:13,680

i'd like to welcome my guest

23

00:01:18,950 --> 00:01:15,600

christina gomez christina how are you

24

00:01:21,270 --> 00:01:18,960

doing hi there i am so excited i'm ready

25

00:01:23,830 --> 00:01:21,280

for this how are you vinnie i'm really

26

00:01:25,670 --> 00:01:23,840

good thank you it's like 8 p.m here

27

00:01:27,590 --> 00:01:25,680

which is all good but i know it's like

28

00:01:29,109 --> 00:01:27,600

midday for you so i do really appreciate

29

00:01:31,190 --> 00:01:29,119

you being here with me it's too early

30

00:01:33,830 --> 00:01:31,200

too early

31

00:01:35,510 --> 00:01:33,840

no really thank you so much um

32

00:01:36,870 --> 00:01:35,520

i thought the best thing to do to kick

33

00:01:38,310 --> 00:01:36,880

start it off is just to give us a little

34

00:01:39,510 --> 00:01:38,320

bit of background about yourself if you

35

00:01:43,109 --> 00:01:39,520

don't mind

36

00:01:45,830 --> 00:01:43,119

absolutely so my name is christina gomez

37

00:01:48,710 --> 00:01:45,840

uh i'm in my early 20s about 22 now um

38

00:01:52,149 --> 00:01:48,720

i'm a university student and i'm really

39

00:01:53,990 --> 00:01:52,159

fascinated with the ufo phenomena and

40

00:01:55,670 --> 00:01:54,000

this all really started at a young age

41

00:01:57,670 --> 00:01:55,680

like most people it's just kind of like

42

00:01:59,429 --> 00:01:57,680

it peaks through your childhood ages

43

00:02:01,109 --> 00:01:59,439

when you are when you're still so

44

00:02:03,190 --> 00:02:01,119

curious about the universe about the

45

00:02:04,310 --> 00:02:03,200

things that are just unknown

46

00:02:07,270 --> 00:02:04,320

and

47

00:02:10,150 --> 00:02:07,280

while for most people they kind of lose

48

00:02:12,150 --> 00:02:10,160

that curiosity as as ones get older and

49

00:02:14,390 --> 00:02:12,160

a big reason for that is that they're

50

00:02:17,110 --> 00:02:14,400

constantly discouraged by their parents

51
00:02:19,430 --> 00:02:17,120
by their teachers by elders sayings to

52
00:02:22,229 --> 00:02:19,440
stop asking questions like just just

53
00:02:24,470 --> 00:02:22,239
just stop it's so annoying and then when

54
00:02:26,150 --> 00:02:24,480
you become an adult or even a

55
00:02:29,030 --> 00:02:26,160
teenager as well

56
00:02:30,790 --> 00:02:29,040
you have this fake foundation thinking

57
00:02:32,150 --> 00:02:30,800
that you know everything you don't need

58
00:02:33,990 --> 00:02:32,160
to ask questions you don't need to be

59
00:02:36,390 --> 00:02:34,000
curious because you already know what's

60
00:02:38,630 --> 00:02:36,400
going on in the world and that's simply

61
00:02:41,190 --> 00:02:38,640
not the case and it makes our existence

62
00:02:42,550 --> 00:02:41,200
pretty boring to believe the fact that

63
00:02:44,790 --> 00:02:42,560

we know everything we don't need to

64

00:02:46,949 --> 00:02:44,800

learn because we have everything in our

65

00:02:49,110 --> 00:02:46,959

brain and that's not the case so i've

66

00:02:51,910 --> 00:02:49,120

been really lucky to

67

00:02:54,470 --> 00:02:51,920

have a foundation that really pushed um

68

00:02:57,270 --> 00:02:54,480

by my parents to be very innovative

69

00:02:59,670 --> 00:02:57,280

creative and imaginative as well so all

70

00:03:01,509 --> 00:02:59,680

the possibilities that are out there

71

00:03:03,589 --> 00:03:01,519

all the theories all the plausible

72

00:03:06,070 --> 00:03:03,599

explanations for what these entities

73

00:03:07,110 --> 00:03:06,080

could be what the fringe science aspects

74

00:03:08,949 --> 00:03:07,120

are

75

00:03:11,910 --> 00:03:08,959

i personally believe and here's where my

76

00:03:14,630 --> 00:03:11,920

opinion comes in that everything is

77

00:03:17,430 --> 00:03:14,640

possible i'm open-minded because in

78

00:03:19,830 --> 00:03:17,440

these fields plural no one has all the

79

00:03:22,070 --> 00:03:19,840

answers anyone that tells you they have

80

00:03:23,750 --> 00:03:22,080

all the answers is straight up lying to

81

00:03:26,949 --> 00:03:23,760

you and you better be running the other

82

00:03:29,350 --> 00:03:26,959

way because that's not the case and that

83

00:03:31,589 --> 00:03:29,360

goes for any field even

84

00:03:34,470 --> 00:03:31,599

you can even look at chemistry physics

85

00:03:36,949 --> 00:03:34,480

cooking as well people are always

86

00:03:38,630 --> 00:03:36,959

learning there's there's never that end

87

00:03:40,630 --> 00:03:38,640

game where you're like yeah i'm done but

88

00:03:43,030 --> 00:03:40,640

that's it that's never going to happen

89

00:03:44,869 --> 00:03:43,040

in any field so people that say they

90

00:03:47,750 --> 00:03:44,879

know everything

91

00:03:49,990 --> 00:03:47,760

are incorrect that's exactly what i say

92

00:03:52,149 --> 00:03:50,000

red flag run up run away run away oh

93

00:03:54,149 --> 00:03:52,159

yeah absolutely so

94

00:03:56,149 --> 00:03:54,159

was there a specific kind of movie or

95

00:03:58,470 --> 00:03:56,159

anything that kind of kick-started your

96

00:04:01,910 --> 00:03:58,480

fascination with ufos in particular or

97

00:04:06,470 --> 00:04:03,750

my favorite tv show and i took this

98

00:04:08,229 --> 00:04:06,480

pretty often it's the twilight zone i

99

00:04:11,429 --> 00:04:08,239

grew up with this tv show from the late

100

00:04:14,390 --> 00:04:11,439

1950s into the 1960s and what's so

101
00:04:16,789 --> 00:04:14,400
special about that particular tv show

102
00:04:18,710 --> 00:04:16,799
during this time is one any age can

103
00:04:20,469 --> 00:04:18,720
watch it it's pg right this is the time

104
00:04:23,510 --> 00:04:20,479
period where there wasn't any kind of

105
00:04:26,150 --> 00:04:23,520
profanity or things like that

106
00:04:28,390 --> 00:04:26,160
but aside from that what's very special

107
00:04:30,950 --> 00:04:28,400
about the twilight zone in particular is

108
00:04:34,550 --> 00:04:30,960
that even though the show ends it's a

109
00:04:37,189 --> 00:04:34,560
very open-ended ending

110
00:04:39,670 --> 00:04:37,199
so you're able to continue how the story

111
00:04:41,909 --> 00:04:39,680
will turn out for most episodes in your

112
00:04:44,310 --> 00:04:41,919
mind and if you have that foundation as

113
00:04:48,390 --> 00:04:44,320

a child especially living in this

114

00:04:50,150 --> 00:04:48,400

generation 98 99 to the 2000s and onward

115

00:04:52,790 --> 00:04:50,160

um everything's just kind of fed to you

116

00:04:54,830 --> 00:04:52,800

and on a silver spoon school

117

00:04:57,749 --> 00:04:54,840

anything any to do with the internet the

118

00:04:59,909 --> 00:04:57,759

media whatever you need to know it's

119

00:05:01,430 --> 00:04:59,919

given to you without any question and

120

00:05:04,550 --> 00:05:01,440

you just accept that

121

00:05:06,150 --> 00:05:04,560

so for me for that tv show it i it

122

00:05:08,629 --> 00:05:06,160

allowed me to

123

00:05:11,029 --> 00:05:08,639

continue my imagination into anything

124

00:05:13,590 --> 00:05:11,039

that i wanted to and

125

00:05:17,990 --> 00:05:13,600

when it comes to the ufo phenomena

126
00:05:19,110 --> 00:05:18,000
what's special in my opinion about this

127
00:05:20,390 --> 00:05:19,120
field

128
00:05:23,029 --> 00:05:20,400
is that

129
00:05:24,629 --> 00:05:23,039
in the background behind the curtain

130
00:05:27,029 --> 00:05:24,639
there's a lot going on there's a lot of

131
00:05:28,870 --> 00:05:27,039
scientific practice

132
00:05:32,230 --> 00:05:28,880
placed into this a lot of government

133
00:05:34,150 --> 00:05:32,240
projects as well and while this some of

134
00:05:36,629 --> 00:05:34,160
this information is public it's just

135
00:05:39,350 --> 00:05:36,639
hard to find and is that on purpose is

136
00:05:41,590 --> 00:05:39,360
my question but

137
00:05:44,710 --> 00:05:41,600
that's what i've come to really enjoy is

138
00:05:46,950 --> 00:05:44,720

taking that more scientific aspect also

139

00:05:49,029 --> 00:05:46,960

or that more historical aspect where

140

00:05:51,990 --> 00:05:49,039

there are countless witnesses there's a

141

00:05:53,270 --> 00:05:52,000

lot of data to back up those claims and

142

00:05:54,950 --> 00:05:53,280

of course from there you can come up

143

00:05:57,270 --> 00:05:54,960

with conclusions you can have your own

144

00:05:59,029 --> 00:05:57,280

theories of like what if this kind of

145

00:06:00,469 --> 00:05:59,039

this this leads this one direction you

146

00:06:01,270 --> 00:06:00,479

jump into all these rabbit holes and

147

00:06:02,330 --> 00:06:01,280

then

148

00:06:04,390 --> 00:06:02,340

you come out a mess

149

00:06:05,110 --> 00:06:04,400

[Laughter]

150

00:06:07,270 --> 00:06:05,120

but

151
00:06:10,070 --> 00:06:07,280
even though that's the case

152
00:06:13,270 --> 00:06:10,080
even though no one has all the answers

153
00:06:15,510 --> 00:06:13,280
it makes life that much more interesting

154
00:06:17,270 --> 00:06:15,520
to believe that there's so much out

155
00:06:19,670 --> 00:06:17,280
there that we're simply not aware of

156
00:06:21,990 --> 00:06:19,680
that we don't know about but that we can

157
00:06:24,150 --> 00:06:22,000
learn about if we put ourselves out

158
00:06:25,590 --> 00:06:24,160
there either researching through books

159
00:06:28,070 --> 00:06:25,600
or doing boots on the ground

160
00:06:29,029 --> 00:06:28,080
investigations there's a lot of people

161
00:06:30,870 --> 00:06:29,039
that

162
00:06:32,629 --> 00:06:30,880
don't care about these types of topics

163
00:06:35,590 --> 00:06:32,639

they have their own experience and it

164

00:06:37,590 --> 00:06:35,600

changes their lives forever there's no

165

00:06:39,990 --> 00:06:37,600

turning back for these people i've had

166

00:06:41,270 --> 00:06:40,000

encounters like that nothing extremely

167

00:06:44,710 --> 00:06:41,280

profound

168

00:06:46,870 --> 00:06:44,720

but enough to get me started on this

169

00:06:48,870 --> 00:06:46,880

field because if you're going in blind

170

00:06:50,469 --> 00:06:48,880

especially with the you follow with

171

00:06:52,550 --> 00:06:50,479

ufology

172

00:06:53,749 --> 00:06:52,560

it can be overwhelming it can be extreme

173

00:06:55,909 --> 00:06:53,759

and it can be

174

00:06:58,230 --> 00:06:55,919

scary as well because there's so many

175

00:06:59,670 --> 00:06:58,240

different paths to take

176
00:07:01,110 --> 00:06:59,680
either you want to take the historical

177
00:07:05,670 --> 00:07:01,120
path the

178
00:07:07,670 --> 00:07:05,680
are so many different ones that will

179
00:07:09,589 --> 00:07:07,680
take you to the same destination at some

180
00:07:11,589 --> 00:07:09,599
point in time which is the top of the

181
00:07:13,830 --> 00:07:11,599
mountain hopefully being the truth

182
00:07:15,830 --> 00:07:13,840
whatever whatever the truth may be we

183
00:07:18,870 --> 00:07:15,840
all have our own different perspective

184
00:07:19,749 --> 00:07:18,880
on what the truth is

185
00:07:22,870 --> 00:07:19,759
but

186
00:07:26,629 --> 00:07:22,880
here again is my opinion is that instead

187
00:07:28,629 --> 00:07:26,639
of taking one path capturing all three

188
00:07:31,749 --> 00:07:28,639

and maybe you'll be able to find the

189

00:07:34,469 --> 00:07:31,759

truth faster than just taking

190

00:07:36,390 --> 00:07:34,479

one specific path and that's what i've

191

00:07:38,469 --> 00:07:36,400

learned and that's what my research has

192

00:07:39,270 --> 00:07:38,479

guided me towards that kind of answer

193

00:07:40,950 --> 00:07:39,280

when

194

00:07:44,070 --> 00:07:40,960

i first started i'm like no opinion no

195

00:07:46,869 --> 00:07:44,080

bias just straight sheets of paper

196

00:07:49,909 --> 00:07:46,879

numbers facts information and that's it

197

00:07:53,589 --> 00:07:49,919

but the more i've been involved it's

198

00:07:57,029 --> 00:07:53,599

very difficult to avoid certain aspects

199

00:07:59,270 --> 00:07:57,039

to not just ufology but also the

200

00:08:00,710 --> 00:07:59,280

paranormal or supernatural and even

201
00:08:03,430 --> 00:08:00,720
things that would be classified under

202
00:08:05,510 --> 00:08:03,440
the fringe there's a lot of things that

203
00:08:09,110 --> 00:08:05,520
just kind of weave

204
00:08:12,390 --> 00:08:09,120
with history science and spirituality

205
00:08:14,550 --> 00:08:12,400
and while i try not to

206
00:08:16,790 --> 00:08:14,560
touch spirituality too much because it's

207
00:08:19,090 --> 00:08:16,800
very not just theoretical but it's very

208
00:08:20,469 --> 00:08:19,100
opinionated in my opinion

209
00:08:23,350 --> 00:08:20,479
[Laughter]

210
00:08:25,189 --> 00:08:23,360
um it's it's very hard to

211
00:08:28,150 --> 00:08:25,199
talk about it and give people a

212
00:08:30,150 --> 00:08:28,160
foundation on it if that makes sense but

213
00:08:32,949 --> 00:08:30,160

in in the background

214

00:08:34,070 --> 00:08:32,959

when i'm looking for answers i can never

215

00:08:35,190 --> 00:08:34,080

avoid it

216

00:08:37,029 --> 00:08:35,200

yeah

217

00:08:39,589 --> 00:08:37,039

that happens to me well i say it happens

218

00:08:40,389 --> 00:08:39,599

it happened to me in a big way since

219

00:08:42,389 --> 00:08:40,399

sort of

220

00:08:45,030 --> 00:08:42,399

becoming a face in the community here on

221

00:08:47,750 --> 00:08:45,040

youtube on social media that i came from

222

00:08:49,110 --> 00:08:47,760

researching from a very nuts and bolts

223

00:08:51,190 --> 00:08:49,120

background

224

00:08:52,230 --> 00:08:51,200

researching documents online for years

225

00:08:54,310 --> 00:08:52,240

and then

226
00:08:56,470 --> 00:08:54,320
since being here and speaking to people

227
00:08:58,389 --> 00:08:56,480
the the crossovers that i've discovered

228
00:08:59,750 --> 00:08:58,399
now and you're right there's no avoiding

229
00:09:01,590 --> 00:08:59,760
it you know when when these other

230
00:09:02,630 --> 00:09:01,600
aspects of the phenomena do come into

231
00:09:04,550 --> 00:09:02,640
play

232
00:09:07,350 --> 00:09:04,560
you know as much as i tried to push it

233
00:09:09,269 --> 00:09:07,360
aside at first no no i need to focus on

234
00:09:11,590 --> 00:09:09,279
on the nuts and bolts you just i just

235
00:09:13,269 --> 00:09:11,600
realized that you can't and you have to

236
00:09:15,190 --> 00:09:13,279
sort of expand your views and your

237
00:09:17,430 --> 00:09:15,200
horizons certainly

238
00:09:19,910 --> 00:09:17,440

without a doubt and and

239

00:09:22,310 --> 00:09:19,920

that's why a little earlier i mentioned

240

00:09:24,389 --> 00:09:22,320

if you bring all of those paths together

241

00:09:25,430 --> 00:09:24,399

into one unique path that fits you the

242

00:09:27,750 --> 00:09:25,440

best

243

00:09:29,750 --> 00:09:27,760

you might be able to find the answers

244

00:09:31,269 --> 00:09:29,760

that you're looking for faster instead

245

00:09:32,949 --> 00:09:31,279

of neglecting things that you just

246

00:09:34,870 --> 00:09:32,959

simply don't want to touch for your own

247

00:09:37,269 --> 00:09:34,880

personal opinion or your own personal

248

00:09:39,509 --> 00:09:37,279

bias that's where the mistakes lie in

249

00:09:41,430 --> 00:09:39,519

and that's where you fall short and

250

00:09:43,350 --> 00:09:41,440

you're like why is it taking me so long

251

00:09:45,430 --> 00:09:43,360

to find evidence it's because you're

252

00:09:47,509 --> 00:09:45,440

deliberately pushing certain certain

253

00:09:49,670 --> 00:09:47,519

things away because either you're scared

254

00:09:51,670 --> 00:09:49,680

you're confused or you just don't want

255

00:09:54,630 --> 00:09:51,680

to touch it and and

256

00:09:57,190 --> 00:09:54,640

i tried doing that and it held me back

257

00:09:58,949 --> 00:09:57,200

yeah absolutely and so with the subject

258

00:10:00,389 --> 00:09:58,959

now if you're talking to somebody who

259

00:10:02,710 --> 00:10:00,399

doesn't really have an interest or

260

00:10:04,630 --> 00:10:02,720

doesn't know too much how do you bring

261

00:10:06,550 --> 00:10:04,640

it up with them is there a certain

262

00:10:08,790 --> 00:10:06,560

method that you formulated where it's

263

00:10:11,190 --> 00:10:08,800

easier to start here and work you know

264

00:10:13,430 --> 00:10:11,200

work into the heaviest stuff

265

00:10:15,350 --> 00:10:13,440

well the first thing that's important is

266

00:10:17,030 --> 00:10:15,360

to see if they're interested to begin

267

00:10:19,590 --> 00:10:17,040

with as the most

268

00:10:21,269 --> 00:10:19,600

famous metaphor goes is you can lead a

269

00:10:23,190 --> 00:10:21,279

horse to water but you can't force it to

270

00:10:25,190 --> 00:10:23,200

drink if they're not interested no

271

00:10:27,110 --> 00:10:25,200

matter what i say no matter what

272

00:10:29,430 --> 00:10:27,120

evidence i bring to the table they're

273

00:10:31,110 --> 00:10:29,440

not going to care or they're going to be

274

00:10:33,670 --> 00:10:31,120

they're going to have a debunker mindset

275

00:10:35,509 --> 00:10:33,680

not a skeptic mindset but a debunker

276

00:10:38,389 --> 00:10:35,519

where no matter what information you

277

00:10:42,069 --> 00:10:38,399

provide they're just not gonna listen to

278

00:10:43,990 --> 00:10:42,079

it so i never push myself um on to these

279

00:10:46,790 --> 00:10:44,000

types of people now if they're

280

00:10:48,470 --> 00:10:46,800

interested i'll be like okay let me let

281

00:10:50,550 --> 00:10:48,480

me tell you all this and then like i'll

282

00:10:51,750 --> 00:10:50,560

start glowing i'll be like oh

283

00:10:53,430 --> 00:10:51,760

and i'll be like let me just tell you

284

00:10:56,550 --> 00:10:53,440

everything but

285

00:10:57,910 --> 00:10:56,560

to to honestly start out it's first you

286

00:10:59,350 --> 00:10:57,920

kind of need to understand the person

287

00:11:01,190 --> 00:10:59,360

that you're speaking to

288

00:11:02,630 --> 00:11:01,200

because again there's so many paths what

289

00:11:04,550 --> 00:11:02,640

if you want to talk to someone with a

290

00:11:05,990 --> 00:11:04,560

scientific mindset on the spiritual

291

00:11:07,269 --> 00:11:06,000

aspects of it they're going to brush it

292

00:11:10,150 --> 00:11:07,279

off so quick

293

00:11:13,190 --> 00:11:10,160

so if you're able to do just a quick

294

00:11:16,310 --> 00:11:13,200

look up and down kind of get a like a

295

00:11:17,990 --> 00:11:16,320

deep breath of who these people are

296

00:11:20,310 --> 00:11:18,000

which is which is kind of terrible to

297

00:11:21,509 --> 00:11:20,320

say but doing a a first impression kind

298

00:11:24,550 --> 00:11:21,519

of look

299

00:11:28,230 --> 00:11:24,560

from there you're able to kind of

300

00:11:30,630 --> 00:11:28,240

go around the topic but i usually prefer

301
00:11:32,870 --> 00:11:30,640
to go with government documents for

302
00:11:34,949 --> 00:11:32,880
example the uap preliminary report that

303
00:11:36,069 --> 00:11:34,959
was released in june by the pentagon

304
00:11:38,870 --> 00:11:36,079
that's something that could not be

305
00:11:43,430 --> 00:11:38,880
denied while for many people it was

306
00:11:46,550 --> 00:11:43,440
classified as a nothing burger

307
00:11:50,470 --> 00:11:46,560
what sticks out the most is that only

308
00:11:52,310 --> 00:11:50,480
one case out of 144 cases were solved

309
00:11:58,069 --> 00:11:52,320
that's a big

310
00:12:00,389 --> 00:11:58,079
your mind to it and so giving people

311
00:12:02,629 --> 00:12:00,399
just starting off with that that the

312
00:12:04,790 --> 00:12:02,639
government is taking it seriously and

313
00:12:06,710 --> 00:12:04,800

then they can go down their own rabbit

314

00:12:09,350 --> 00:12:06,720

hole and find the path that they're

315

00:12:10,870 --> 00:12:09,360

looking for so it all starts off with

316

00:12:13,509 --> 00:12:10,880

just that

317

00:12:17,910 --> 00:12:13,519

base foundation on who you think these

318

00:12:19,910 --> 00:12:17,920

people may prefer to research on

319

00:12:21,269 --> 00:12:19,920

yeah that's that makes perfect sense

320

00:12:23,350 --> 00:12:21,279

i've used that

321

00:12:25,190 --> 00:12:23,360

uh preliminary assessment myself when

322

00:12:27,350 --> 00:12:25,200

speaking to people as well as the new

323

00:12:30,069 --> 00:12:27,360

york times article and things at the end

324

00:12:31,509 --> 00:12:30,079

of 2017. now were you

325

00:12:32,949 --> 00:12:31,519

do you remember when that article came

326

00:12:35,990 --> 00:12:32,959

out i always ask people do you remember

327

00:12:38,230 --> 00:12:36,000

where you were when it kind of broke so

328

00:12:41,910 --> 00:12:38,240

is that something you do recall i can

329

00:12:44,150 --> 00:12:41,920

tell you the story so this was in 2017.

330

00:12:46,710 --> 00:12:44,160

i was 17 years old i was in high school

331

00:12:48,230 --> 00:12:46,720

i didn't care about this i did not care

332

00:12:50,790 --> 00:12:48,240

at all

333

00:12:53,509 --> 00:12:50,800

and when it came to the politics and

334

00:12:55,430 --> 00:12:53,519

that's an air quotes aspect of this

335

00:12:57,590 --> 00:12:55,440

i just wanted to pass high school and

336

00:13:01,030 --> 00:12:57,600

graduate i just wanted to eat in the

337

00:13:03,509 --> 00:13:01,040

library and not be spoken to so um i had

338

00:13:07,110 --> 00:13:03,519

no idea that the report was released

339

00:13:09,670 --> 00:13:07,120

until i really joined the community in

340

00:13:10,790 --> 00:13:09,680

2020 i think they were taking a little

341

00:13:13,269 --> 00:13:10,800

bit after

342

00:13:16,069 --> 00:13:13,279

and i had so much to catch up on i'm

343

00:13:17,829 --> 00:13:16,079

thinking i missed all of this but also

344

00:13:20,230 --> 00:13:17,839

at this time when this report was

345

00:13:22,790 --> 00:13:20,240

released i mentally wasn't mature enough

346

00:13:25,590 --> 00:13:22,800

to grasp that information

347

00:13:27,590 --> 00:13:25,600

each year especially those that are

348

00:13:30,069 --> 00:13:27,600

transitioning from

349

00:13:33,190 --> 00:13:30,079

teens to adulthood your brain is still

350

00:13:34,550 --> 00:13:33,200

maturing until the age of about 25.

351

00:13:35,430 --> 00:13:34,560

so

352

00:13:37,269 --> 00:13:35,440

while

353

00:13:39,430 --> 00:13:37,279

last year i might not have grasped

354

00:13:41,750 --> 00:13:39,440

something even for yourself any a year

355

00:13:43,590 --> 00:13:41,760

later through experiences or just

356

00:13:45,509 --> 00:13:43,600

through the development of the brain

357

00:13:48,230 --> 00:13:45,519

you're just able to grasp information

358

00:13:50,069 --> 00:13:48,240

better so everything comes as it should

359

00:13:51,509 --> 00:13:50,079

be you find information when you're

360

00:13:53,750 --> 00:13:51,519

ready for it

361

00:13:56,790 --> 00:13:53,760

however you want to believe that to be

362

00:13:59,670 --> 00:13:56,800

and so when that report came out

363

00:14:01,430 --> 00:13:59,680

it went over my head i had no idea

364

00:14:04,230 --> 00:14:01,440

that's fair enough i appreciate your

365

00:14:05,590 --> 00:14:04,240

honesty i'm gonna jump into a couple of

366

00:14:08,150 --> 00:14:05,600

questions that i've already had in the

367

00:14:10,069 --> 00:14:08,160

in the live chat here um elena says hi

368

00:14:12,150 --> 00:14:10,079

all love christina and looking forward

369

00:14:14,790 --> 00:14:12,160

to hearing her in the hot seat

370

00:14:18,069 --> 00:14:14,800

um she says where does christina want to

371

00:14:20,389 --> 00:14:18,079

begin on her post-grad journey

372

00:14:22,870 --> 00:14:20,399

so my plan

373

00:14:25,910 --> 00:14:22,880

is to buy a trailer

374

00:14:27,990 --> 00:14:25,920

and to travel across the united states

375

00:14:30,710 --> 00:14:28,000

visiting hot spots interviewing

376

00:14:33,269 --> 00:14:30,720

witnesses that have interacted or seen a

377

00:14:35,590 --> 00:14:33,279

ufo or even the paranormal and

378

00:14:37,189 --> 00:14:35,600

documenting all of that so it'll be kind

379

00:14:39,750 --> 00:14:37,199

of like not not a it'll be like a

380

00:14:42,470 --> 00:14:39,760

journal in in like a video journal a

381

00:14:43,670 --> 00:14:42,480

blog i guess what you call a vlog

382

00:14:45,350 --> 00:14:43,680

a vlog

383

00:14:48,629 --> 00:14:45,360

so that's

384

00:14:51,269 --> 00:14:48,639

that's where i'm placing my my my future

385

00:14:53,590 --> 00:14:51,279

dreams right there but if i can get it

386

00:14:56,470 --> 00:14:53,600

by this summer you know i'm down i'm

387

00:14:59,670 --> 00:14:56,480

ready i'm ready to move out of this tiny

388

00:15:02,949 --> 00:14:59,680

dorm apartment and move into a smaller

389

00:15:04,790 --> 00:15:02,959

living room but being able to travel and

390

00:15:07,590 --> 00:15:04,800

that's my dream it's been my dream since

391

00:15:10,310 --> 00:15:07,600

i've since high school and even before

392

00:15:12,550 --> 00:15:10,320

wanting to visit hot spots just like

393

00:15:15,189 --> 00:15:12,560

traveling the country

394

00:15:17,910 --> 00:15:15,199

is is a lot of people's dream but not

395

00:15:20,949 --> 00:15:17,920

everyone is able to to fulfill that and

396

00:15:23,030 --> 00:15:20,959

hopefully i will be able to so but i

397

00:15:25,110 --> 00:15:23,040

want to say by the summer

398

00:15:26,790 --> 00:15:25,120

i'm i'm putting my dreams out there my

399

00:15:28,389 --> 00:15:26,800

intention out there but if it happens

400

00:15:29,829 --> 00:15:28,399

next year the year after

401
00:15:31,910 --> 00:15:29,839
it's going to happen at some point for

402
00:15:34,389 --> 00:15:31,920
sure that's awesome yeah and you get a

403
00:15:36,150 --> 00:15:34,399
new view to wake up to every morning

404
00:15:38,470 --> 00:15:36,160
boots on the ground and speaking to

405
00:15:41,590 --> 00:15:38,480
people yeah there's nothing better i

406
00:15:43,670 --> 00:15:41,600
like that um moving on let's uh sneaky

407
00:15:46,150 --> 00:15:43,680
toaster asks do you agree with luella

408
00:15:48,389 --> 00:15:46,160
zondo's assessment that we as a nation

409
00:15:51,030 --> 00:15:48,399
humanity need to offer some form of

410
00:15:53,509 --> 00:15:51,040
amnesty to those who made decisions the

411
00:15:55,350 --> 00:15:53,519
custodians valet talks about should they

412
00:15:57,110 --> 00:15:55,360
come forward

413
00:15:59,110 --> 00:15:57,120

that's a heavy one

414

00:16:01,670 --> 00:15:59,120

well sneaky toaster first off i love

415

00:16:04,310 --> 00:16:01,680

your name that it makes me smile

416

00:16:06,230 --> 00:16:04,320

as for your question

417

00:16:08,550 --> 00:16:06,240

agreeing or disagreeing with luella

418

00:16:10,710 --> 00:16:08,560

zondo we simply cannot force other

419

00:16:13,590 --> 00:16:10,720

people to come forward first off it

420

00:16:15,269 --> 00:16:13,600

takes a lot of courage for me just to be

421

00:16:17,110 --> 00:16:15,279

able to speak to you on camera telling

422

00:16:19,990 --> 00:16:17,120

you my experiences telling you

423

00:16:23,590 --> 00:16:20,000

information that i found it took a year

424

00:16:25,430 --> 00:16:23,600

for me to prep mentally and i'm not even

425

00:16:28,629 --> 00:16:25,440

getting into detail of people that have

426
00:16:30,870 --> 00:16:28,639
to sign nda that they simply cannot

427
00:16:32,790 --> 00:16:30,880
bring forth information for what 20

428
00:16:34,389 --> 00:16:32,800
years a lifetime

429
00:16:36,550 --> 00:16:34,399
so

430
00:16:37,829 --> 00:16:36,560
people that have come out

431
00:16:41,030 --> 00:16:37,839
so far

432
00:16:43,430 --> 00:16:41,040
have been given permission to do so is

433
00:16:46,710 --> 00:16:43,440
it by the government is it by the

434
00:16:48,230 --> 00:16:46,720
expiration date of their of their um

435
00:16:50,949 --> 00:16:48,240
nda

436
00:16:52,310 --> 00:16:50,959
we don't know we can ask possibly but

437
00:16:53,509 --> 00:16:52,320
what they tell us

438
00:16:54,790 --> 00:16:53,519

that that that's where it's getting

439

00:16:57,110 --> 00:16:54,800

complicated

440

00:16:59,509 --> 00:16:57,120

humans and the human heart and the human

441

00:17:02,710 --> 00:16:59,519

mind is very complex they're also very

442

00:17:04,710 --> 00:17:02,720

irrational at times while it can be easy

443

00:17:06,630 --> 00:17:04,720

to read certain people

444

00:17:09,510 --> 00:17:06,640

for the most part if you're dealing with

445

00:17:11,110 --> 00:17:09,520

people that deal with secret information

446

00:17:12,870 --> 00:17:11,120

those that are part of the government

447

00:17:15,270 --> 00:17:12,880

it's very difficult to read because

448

00:17:16,949 --> 00:17:15,280

they're like chess players they take one

449

00:17:19,350 --> 00:17:16,959

step forward but they're thinking 10

450

00:17:21,510 --> 00:17:19,360

steps ahead that most people simply

451
00:17:23,909 --> 00:17:21,520
cannot follow

452
00:17:26,069 --> 00:17:23,919
so to answer your question i'm really

453
00:17:28,470 --> 00:17:26,079
sorry it's it's it's hard to say because

454
00:17:31,270 --> 00:17:28,480
no matter what i what opinion i give you

455
00:17:34,310 --> 00:17:31,280
if i agree or disagree

456
00:17:36,150 --> 00:17:34,320
it's not gonna change these people to

457
00:17:37,909 --> 00:17:36,160
come forward

458
00:17:39,909 --> 00:17:37,919
yeah and in that question as well sneaky

459
00:17:41,750 --> 00:17:39,919
toaster mentioned

460
00:17:43,270 --> 00:17:41,760
amnesty what do you you know we've heard

461
00:17:45,750 --> 00:17:43,280
i've heard that banded about a bit you

462
00:17:48,150 --> 00:17:45,760
know for the secret keepers who may be

463
00:17:49,270 --> 00:17:48,160

afraid of repercussions if they come

464

00:17:50,950 --> 00:17:49,280

forward

465

00:17:52,549 --> 00:17:50,960

do you think that we should give amnesty

466

00:17:56,070 --> 00:17:52,559

to these these people who have held a

467

00:17:59,510 --> 00:17:58,070

as the saying goes

468

00:18:00,390 --> 00:17:59,520

those that

469

00:18:06,789 --> 00:18:00,400

judge

470

00:18:09,669 --> 00:18:06,799

compassionate will receive compassion

471

00:18:12,310 --> 00:18:09,679

while we may want something really bad

472

00:18:14,230 --> 00:18:12,320

we want those secrets we want these

473

00:18:16,310 --> 00:18:14,240

people to come out how would we treat

474

00:18:18,230 --> 00:18:16,320

them afterwards oh you've been lying to

475

00:18:20,070 --> 00:18:18,240

us for all these years

476

00:18:21,750 --> 00:18:20,080

they're going to be hated on even though

477

00:18:24,230 --> 00:18:21,760

it took a lot of courage or it took

478

00:18:27,190 --> 00:18:24,240

permission to do so

479

00:18:29,350 --> 00:18:27,200

so there's a lot of hypocrisy out there

480

00:18:30,950 --> 00:18:29,360

and that goes for everyone did you know

481

00:18:32,470 --> 00:18:30,960

every single person at some point in

482

00:18:34,630 --> 00:18:32,480

time we have been hypocritical and

483

00:18:35,669 --> 00:18:34,640

that's human nature it's

484

00:18:37,830 --> 00:18:35,679

natural

485

00:18:41,110 --> 00:18:37,840

but people are also aware of this and

486

00:18:43,750 --> 00:18:41,120

survival is very important to us in the

487

00:18:46,630 --> 00:18:43,760

sp and the aspects of having social

488

00:18:48,630 --> 00:18:46,640

status or being able just to merely be

489

00:18:50,549 --> 00:18:48,640

accepted and not to be bothered look i

490

00:18:52,470 --> 00:18:50,559

would not want someone knocking at my

491

00:18:54,789 --> 00:18:52,480

front door if they found my address

492

00:18:56,789 --> 00:18:54,799

giving it to every person online and

493

00:18:58,470 --> 00:18:56,799

saying go bother this person because

494

00:19:00,549 --> 00:18:58,480

they lied about this or they're holding

495

00:19:03,110 --> 00:19:00,559

this secret or because

496

00:19:05,750 --> 00:19:03,120

for whatever reason people are

497

00:19:08,630 --> 00:19:05,760

are malicious at the same time some are

498

00:19:11,270 --> 00:19:08,640

compassionate and some aren't just like

499

00:19:12,789 --> 00:19:11,280

what people say about ufos about

500

00:19:15,270 --> 00:19:12,799

extraterrestrials what they say about

501
00:19:17,750 --> 00:19:15,280
about certain ghosts or even jinn as

502
00:19:19,430 --> 00:19:17,760
well you have to go with the bad

503
00:19:20,710 --> 00:19:19,440
so

504
00:19:23,510 --> 00:19:20,720
allowing

505
00:19:25,590 --> 00:19:23,520
certain people to come forward and tell

506
00:19:27,750 --> 00:19:25,600
their secrets

507
00:19:30,230 --> 00:19:27,760
it's up to them because there will be

508
00:19:32,150 --> 00:19:30,240
consequences and that's a fact and

509
00:19:34,150 --> 00:19:32,160
they're not going to be the good type of

510
00:19:37,990 --> 00:19:34,160
consequences while some might praise

511
00:19:41,029 --> 00:19:38,000
them the majority of the population

512
00:19:43,190 --> 00:19:41,039
might not be happy with those for

513
00:19:44,470 --> 00:19:43,200

instance we can look at louis lozando as

514

00:19:46,310 --> 00:19:44,480

an example

515

00:19:47,669 --> 00:19:46,320

he came forward

516

00:19:50,789 --> 00:19:47,679

he has

517

00:19:52,950 --> 00:19:50,799

in a very roundabout way to have has

518

00:19:55,510 --> 00:19:52,960

told certain secrets to the public in a

519

00:19:57,669 --> 00:19:55,520

very very soft roundabout way because he

520

00:19:59,830 --> 00:19:57,679

can't say things directly because he

521

00:20:02,149 --> 00:19:59,840

would end up in prison yeah i don't know

522

00:20:04,549 --> 00:20:02,159

about you i do not want him in prison if

523

00:20:06,870 --> 00:20:04,559

he really is pushing ufo disclosure if

524

00:20:09,029 --> 00:20:06,880

he really is going to dc and and pushing

525

00:20:11,270 --> 00:20:09,039

this conversation forward

526

00:20:14,470 --> 00:20:13,430

as he tells me he doesn't look good in

527

00:20:16,149 --> 00:20:14,480

orange

528

00:20:17,990 --> 00:20:16,159

yeah

529

00:20:20,470 --> 00:20:18,000

absolutely no i agree i do agree with

530

00:20:21,990 --> 00:20:20,480

you completely because i mean

531

00:20:24,630 --> 00:20:22,000

lou said recently you know he's taking a

532

00:20:26,549 --> 00:20:24,640

bit of a step back from the community

533

00:20:28,230 --> 00:20:26,559

and in my opinion i think it's fair play

534

00:20:30,710 --> 00:20:28,240

because we don't need to keep putting so

535

00:20:32,310 --> 00:20:30,720

much on him like you know without him we

536

00:20:34,470 --> 00:20:32,320

can't move forward because i believe we

537

00:20:36,470 --> 00:20:34,480

can i think there's so many people that

538

00:20:39,830 --> 00:20:36,480

can help this subject so

539

00:20:42,149 --> 00:20:39,840

exactly but he he's he's a good face he

540

00:20:43,909 --> 00:20:42,159

he is a good face someone that has been

541

00:20:46,310 --> 00:20:43,919

part of the government for quite some

542

00:20:49,029 --> 00:20:46,320

time a part of atip for a good amount of

543

00:20:51,909 --> 00:20:49,039

time as well specifically looking

544

00:20:53,830 --> 00:20:51,919

at ufos and now where you stand with

545

00:20:55,510 --> 00:20:53,840

that is up to you where people and

546

00:20:58,630 --> 00:20:55,520

reports are saying no it's not a part of

547

00:21:01,350 --> 00:20:58,640

atip yes he was he's lying no he's not i

548

00:21:02,710 --> 00:21:01,360

mean look you're always gonna have

549

00:21:03,909 --> 00:21:02,720

the ying and the yang you're always

550

00:21:06,070 --> 00:21:03,919

going to have

551
00:21:09,110 --> 00:21:06,080
the the camp that agrees and the camp

552
00:21:12,230 --> 00:21:09,120
that disagrees yeah you simply can't

553
00:21:14,950 --> 00:21:12,240
convince the other camp if they're not

554
00:21:17,990 --> 00:21:14,960
willing to listen and

555
00:21:20,950 --> 00:21:18,000
that's where bias can be very dangerous

556
00:21:22,310 --> 00:21:20,960
when you simply don't want to listen

557
00:21:25,110 --> 00:21:22,320
because you think you have all the

558
00:21:27,669 --> 00:21:25,120
answers because you think you're correct

559
00:21:28,630 --> 00:21:27,679
and for people like ourselves you and me

560
00:21:30,950 --> 00:21:28,640
vinnie

561
00:21:32,630 --> 00:21:30,960
we know being in this field talking to

562
00:21:35,510 --> 00:21:32,640
so many people

563
00:21:38,310 --> 00:21:35,520

guests researchers enthusiasts that

564

00:21:40,470 --> 00:21:38,320

everyone has their own perspective and

565

00:21:44,070 --> 00:21:40,480

in some respects all of them are right

566

00:21:45,909 --> 00:21:44,080

or all of them are wrong we just don't

567

00:21:48,710 --> 00:21:45,919

know but all we can do is listen and

568

00:21:51,270 --> 00:21:48,720

broaden our own horizons of what

569

00:21:54,310 --> 00:21:51,280

we think it is and that's unique for

570

00:21:57,029 --> 00:21:54,320

every single person just like politics

571

00:21:58,710 --> 00:21:57,039

yeah and no one likes politics

572

00:22:00,390 --> 00:21:58,720

no i think you know what though it's

573

00:22:02,310 --> 00:22:00,400

funny i've learned more about the uh

574

00:22:03,590 --> 00:22:02,320

american politics through the ufo

575

00:22:04,870 --> 00:22:03,600

subject

576

00:22:06,470 --> 00:22:04,880

than i ever thought i would even

577

00:22:08,630 --> 00:22:06,480

probably even more so than i know about

578

00:22:11,590 --> 00:22:08,640

uk politics and that's

579

00:22:13,190 --> 00:22:11,600

that's crazy i have to remind myself so

580

00:22:14,950 --> 00:22:13,200

now that was a great answer i completely

581

00:22:16,789 --> 00:22:14,960

agree and i think you mentioned you know

582

00:22:19,350 --> 00:22:16,799

that we do talk to a lot of people and

583

00:22:21,110 --> 00:22:19,360

it you know it can be overwhelming for

584

00:22:23,430 --> 00:22:21,120

hearing all these different opinions and

585

00:22:24,870 --> 00:22:23,440

then trying to process them and fit them

586

00:22:29,190 --> 00:22:24,880

into

587

00:22:30,870 --> 00:22:29,200

a place uh yeah exactly it's amazing and

588

00:22:32,310 --> 00:22:30,880

some information you keep and some of it

589

00:22:33,270 --> 00:22:32,320

you discard you're like that doesn't

590

00:22:36,549 --> 00:22:33,280

really fit

591

00:22:37,909 --> 00:22:36,559

my idea of of these topics for instance

592

00:22:39,029 --> 00:22:37,919

and that is

593

00:22:41,510 --> 00:22:39,039

natural

594

00:22:42,310 --> 00:22:41,520

yeah totally

595

00:22:44,390 --> 00:22:42,320

now

596

00:22:46,630 --> 00:22:44,400

not only have you sort of covering the

597

00:22:49,430 --> 00:22:46,640

ufo subject but you've branched out into

598

00:22:51,830 --> 00:22:49,440

all sorts of other sort of esoteric

599

00:22:53,669 --> 00:22:51,840

areas of research and subjects and you

600

00:22:55,830 --> 00:22:53,679

talk about that on your show mysteries

601
00:22:57,110 --> 00:22:55,840
with a history and a few of the other

602
00:22:59,270 --> 00:22:57,120
shows you do

603
00:23:01,590 --> 00:22:59,280
so i wanted to talk about

604
00:23:03,190 --> 00:23:01,600
first of all i guess the ancient alien

605
00:23:04,390 --> 00:23:03,200
theory you know with pyramids and

606
00:23:05,669 --> 00:23:04,400
structures

607
00:23:08,149 --> 00:23:05,679
you know a lot of people are just

608
00:23:10,390 --> 00:23:08,159
convinced flat out that there is some

609
00:23:11,110 --> 00:23:10,400
connection with an extraterrestrial race

610
00:23:13,510 --> 00:23:11,120
that

611
00:23:16,950 --> 00:23:13,520
you know was in our past do you put any

612
00:23:19,029 --> 00:23:16,960
weight behind that speculatively

613
00:23:22,149 --> 00:23:19,039

it's very possible i mean

614

00:23:24,630 --> 00:23:22,159

what bothers me the one show that i did

615

00:23:27,110 --> 00:23:24,640

was about gobekli tepe one of the oldest

616

00:23:28,310 --> 00:23:27,120

ruins in turkey

617

00:23:29,430 --> 00:23:28,320

and

618

00:23:34,149 --> 00:23:29,440

these

619

00:23:37,270 --> 00:23:34,159

certain stones that are

620

00:23:40,070 --> 00:23:37,280

several tons just being moved by people

621

00:23:43,430 --> 00:23:40,080

and these megalithic structures were

622

00:23:46,390 --> 00:23:43,440

built 4 000 years before the alleged

623

00:23:49,190 --> 00:23:46,400

invention of the wheel that

624

00:23:50,789 --> 00:23:49,200

that really bothers me

625

00:23:53,110 --> 00:23:50,799

like a lot

626

00:23:55,990 --> 00:23:53,120

to where you're able to build these

627

00:23:58,149 --> 00:23:56,000

beautiful structures with art with 3d

628

00:24:00,630 --> 00:23:58,159

carving so you're not carving into it

629

00:24:04,230 --> 00:24:00,640

you're carving everything around it for

630

00:24:06,310 --> 00:24:04,240

these um foxes and and vultures to pop

631

00:24:08,950 --> 00:24:06,320

out of this rock but the wheel isn't

632

00:24:11,669 --> 00:24:08,960

invented yet

633

00:24:17,430 --> 00:24:14,310

it is crazy isn't it it is no one no one

634

00:24:19,750 --> 00:24:17,440

can convince me to agree with that and

635

00:24:22,149 --> 00:24:19,760

that's where my bias sits in because i i

636

00:24:23,750 --> 00:24:22,159

just don't find it logical

637

00:24:26,630 --> 00:24:23,760

so

638

00:24:30,390 --> 00:24:26,640

when it comes to ancient structures were

639

00:24:32,390 --> 00:24:30,400

we helped by extraterrestrials

640

00:24:34,789 --> 00:24:32,400

it's oh all i can say is that it's

641

00:24:37,029 --> 00:24:34,799

possible do i have that evidence no but

642

00:24:39,190 --> 00:24:37,039

what i have noticed from my research so

643

00:24:40,870 --> 00:24:39,200

far and i do want to mention that i'm

644

00:24:42,789 --> 00:24:40,880

still very new to the field there's

645

00:24:45,430 --> 00:24:42,799

still so much that i don't know that i

646

00:24:49,190 --> 00:24:45,440

haven't touched on some famous cases or

647

00:24:51,190 --> 00:24:49,200

stories that i haven't looked into yet

648

00:24:53,909 --> 00:24:51,200

but one thing that has caught my

649

00:24:57,110 --> 00:24:53,919

attention so far especially doing

650

00:25:00,310 --> 00:24:57,120

research for gobekli tepe

651
00:25:03,430 --> 00:25:00,320
is that across cultures across cultures

652
00:25:05,510 --> 00:25:03,440
that never spoke to each other for

653
00:25:07,430 --> 00:25:05,520
centuries where that kind of travel just

654
00:25:10,070 --> 00:25:07,440
wasn't possible yet

655
00:25:11,190 --> 00:25:10,080
there are certain elements that are the

656
00:25:13,430 --> 00:25:11,200
same

657
00:25:14,549 --> 00:25:13,440
across all the cultures at different

658
00:25:16,870 --> 00:25:14,559
time periods

659
00:25:19,269 --> 00:25:16,880
one of those being this purse or this

660
00:25:22,070 --> 00:25:19,279
type of pouch you have it in

661
00:25:23,830 --> 00:25:22,080
you have it with shiva in india you have

662
00:25:26,070 --> 00:25:23,840
it with the sumerians you have these

663
00:25:28,630 --> 00:25:26,080

gods which you consider the anunnaki

664

00:25:31,590 --> 00:25:28,640

holding this bag as well you see it in

665

00:25:32,549 --> 00:25:31,600

gobekli tepe you see it in mexico in the

666

00:25:34,870 --> 00:25:32,559

mayan

667

00:25:36,710 --> 00:25:34,880

art pieces as well

668

00:25:37,669 --> 00:25:36,720

these are countries that

669

00:25:40,310 --> 00:25:37,679

in

670

00:25:42,789 --> 00:25:40,320

centuries ago did not speak to each

671

00:25:45,190 --> 00:25:42,799

other they didn't really have too many

672

00:25:47,510 --> 00:25:45,200

cultural similarities however their

673

00:25:50,870 --> 00:25:47,520

stories and some of their carvings or

674

00:25:52,470 --> 00:25:50,880

paintings or pieces of art are similar

675

00:25:53,669 --> 00:25:52,480

what's the explanation for that well we

676

00:25:56,470 --> 00:25:53,679

can just say

677

00:25:58,710 --> 00:25:56,480

oh well in in some respects they're just

678

00:26:01,830 --> 00:25:58,720

able to just kind of have the same idea

679

00:26:03,830 --> 00:26:01,840

at the same point okay it's possible

680

00:26:07,830 --> 00:26:03,840

or we're having

681

00:26:11,029 --> 00:26:07,840

help from another entity

682

00:26:13,350 --> 00:26:11,039

i i simply can't can't place all my if i

683

00:26:16,390 --> 00:26:13,360

was a betting man and i'm not a betting

684

00:26:18,070 --> 00:26:16,400

man or a man but if i was

685

00:26:21,590 --> 00:26:18,080

okay

686

00:26:23,190 --> 00:26:21,600

i still wouldn't bet on it because if i

687

00:26:24,950 --> 00:26:23,200

unless i can go back in time and look

688

00:26:27,750 --> 00:26:24,960

and be like look so are you are you an

689

00:26:29,830 --> 00:26:27,760

alien sir and then they can tell me yes

690

00:26:31,590 --> 00:26:29,840

or no but until then everything is just

691

00:26:33,590 --> 00:26:31,600

speculation

692

00:26:35,669 --> 00:26:33,600

and it's disappointing but at the same

693

00:26:38,149 --> 00:26:35,679

time it's exciting because it keeps you

694

00:26:40,630 --> 00:26:38,159

pushing forward to look for the answers

695

00:26:43,110 --> 00:26:40,640

of are we really

696

00:26:45,110 --> 00:26:43,120

yeah absolutely um jln last question

697

00:26:46,870 --> 00:26:45,120

here some of these ancient structures

698

00:26:48,149 --> 00:26:46,880

and manufacture processes have been

699

00:26:50,470 --> 00:26:48,159

targeted by

700

00:26:53,029 --> 00:26:50,480

remote viewing teams to determine how

701
00:26:55,029 --> 00:26:53,039
they were built and why any comments on

702
00:26:57,110 --> 00:26:55,039
these data this data

703
00:26:59,269 --> 00:26:57,120
i have heard stories like that i have

704
00:27:01,269 --> 00:26:59,279
researched remote viewing i've even

705
00:27:03,430 --> 00:27:01,279
tried remote viewing myself and let me

706
00:27:06,549 --> 00:27:03,440
tell you it did not work for me but it

707
00:27:08,390 --> 00:27:06,559
does work for some other people

708
00:27:10,390 --> 00:27:08,400
the one story that really caught my

709
00:27:12,549 --> 00:27:10,400
actually there's several so we are this

710
00:27:14,789 --> 00:27:12,559
is public information we are aware that

711
00:27:17,909 --> 00:27:14,799
the government the cia in particular

712
00:27:19,590 --> 00:27:17,919
did run a remote viewing program

713
00:27:23,269 --> 00:27:19,600

so this was during

714

00:27:26,070 --> 00:27:23,279

um the 1970s onward we had russell targ

715

00:27:27,750 --> 00:27:26,080

who was hired by the cia he created the

716

00:27:30,470 --> 00:27:27,760

monroe institute he made his information

717

00:27:32,710 --> 00:27:30,480

public okay

718

00:27:34,710 --> 00:27:32,720

there are a good amount of people that

719

00:27:36,870 --> 00:27:34,720

have come out and then have allegedly

720

00:27:38,070 --> 00:27:36,880

passed away soon after but i've come out

721

00:27:40,070 --> 00:27:38,080

and told their stories one of these

722

00:27:43,269 --> 00:27:40,080

people is pat price he was a remote

723

00:27:47,190 --> 00:27:43,279

viewer for the cia and he mentioned that

724

00:27:49,110 --> 00:27:47,200

he remote viewed a alien base in alaska

725

00:27:50,549 --> 00:27:49,120

particularly under a certain mountain in

726

00:27:52,950 --> 00:27:50,559

the mountain is

727

00:27:54,710 --> 00:27:52,960

is it mckinney mckinley i think is that

728

00:27:56,070 --> 00:27:54,720

mountain or it's the other one in the

729

00:27:59,590 --> 00:27:56,080

same mountain range

730

00:28:02,630 --> 00:27:59,600

so that that one is interesting then we

731

00:28:05,909 --> 00:28:02,640

also have another remote viewer also

732

00:28:08,549 --> 00:28:05,919

hired by the cia uh by the last name of

733

00:28:10,470 --> 00:28:08,559

mcmonagle and he mentioned that he was

734

00:28:11,909 --> 00:28:10,480

able to remote view

735

00:28:14,230 --> 00:28:11,919

mars

736

00:28:15,430 --> 00:28:14,240

centuries ago i don't i don't remember

737

00:28:18,630 --> 00:28:15,440

the exact

738

00:28:20,310 --> 00:28:18,640

time period but it was centuries if not

739

00:28:22,470 --> 00:28:20,320

millennia

740

00:28:25,029 --> 00:28:22,480

from present day and he had mentioned

741

00:28:28,230 --> 00:28:25,039

that there were these certain types of

742

00:28:29,269 --> 00:28:28,240

beings living on mars in a pyramid type

743

00:28:32,310 --> 00:28:29,279

structure

744

00:28:35,350 --> 00:28:32,320

dealing with some kind of cataclysmic

745

00:28:37,430 --> 00:28:35,360

event on their planet and they were

746

00:28:39,029 --> 00:28:37,440

waiting under the

747

00:28:42,070 --> 00:28:39,039

under the pyramid

748

00:28:45,110 --> 00:28:42,080

for news that a new home has been found

749

00:28:47,830 --> 00:28:45,120

is this information true

750

00:28:50,230 --> 00:28:47,840

i don't know but my question would be

751
00:28:52,549 --> 00:28:50,240
why would these high-profile people

752
00:28:54,630 --> 00:28:52,559
first tell the public and if they did

753
00:28:57,029 --> 00:28:54,640
and if it was true why would they tell

754
00:28:59,110 --> 00:28:57,039
the truth so there's a lot of questions

755
00:29:01,909 --> 00:28:59,120
but there's also a lot of mind games

756
00:29:03,669 --> 00:29:01,919
involved in these topics of what's true

757
00:29:06,070 --> 00:29:03,679
what's not it's very hard to decipher

758
00:29:08,070 --> 00:29:06,080
and that's the point that's the purpose

759
00:29:09,590 --> 00:29:08,080
to make it very difficult for people to

760
00:29:11,510 --> 00:29:09,600
decide

761
00:29:13,430 --> 00:29:11,520
what is true and what isn't certain

762
00:29:15,350 --> 00:29:13,440
things that sound absolutely crazy

763
00:29:17,909 --> 00:29:15,360

you're gonna brush it off and say that's

764

00:29:20,070 --> 00:29:17,919

not possible but then watch it watch

765

00:29:22,710 --> 00:29:20,080

that explanation that most crazy

766

00:29:25,029 --> 00:29:22,720

possible explanation be possible as

767

00:29:28,149 --> 00:29:25,039

luella zondo has said and is also a

768

00:29:30,389 --> 00:29:28,159

famous quote is sometimes fact is

769

00:29:31,269 --> 00:29:30,399

stranger than fiction

770

00:29:35,669 --> 00:29:31,279

so

771

00:29:37,990 --> 00:29:35,679

particularly mr luella zondo or is he

772

00:29:40,549 --> 00:29:38,000

just using some famous quote to to to

773

00:29:41,830 --> 00:29:40,559

make this conversation more interesting

774

00:29:43,350 --> 00:29:41,840

to the public

775

00:29:45,990 --> 00:29:43,360

we don't

776

00:29:48,710 --> 00:29:46,000

know but again it leads us to more

777

00:29:51,590 --> 00:29:48,720

possibilities or for those to even be

778

00:29:55,269 --> 00:29:51,600

interested in remote viewing and to try

779

00:29:57,430 --> 00:29:55,279

it for themselves we're also aware that

780

00:30:00,310 --> 00:29:57,440

there are certain people that can also

781

00:30:03,350 --> 00:30:00,320

astral projects they're able to control

782

00:30:04,870 --> 00:30:03,360

their astral body to exit and to travel

783

00:30:07,190 --> 00:30:04,880

through the ether there are countless

784

00:30:11,590 --> 00:30:07,200

stories like this there are books that

785

00:30:14,470 --> 00:30:11,600

cover how to execute these types of

786

00:30:16,149 --> 00:30:14,480

actions again i've tried it i've never

787

00:30:17,669 --> 00:30:16,159

succeeded and that one that one's very

788

00:30:19,830 --> 00:30:17,679

disappointing to me

789

00:30:22,070 --> 00:30:19,840

but

790

00:30:24,230 --> 00:30:22,080

people have been in an astral body from

791

00:30:26,870 --> 00:30:24,240

the stories from the alleged witness

792

00:30:29,029 --> 00:30:26,880

stories that i've personally encountered

793

00:30:31,750 --> 00:30:29,039

and they're able to also

794

00:30:32,710 --> 00:30:31,760

state look i found this this and this

795

00:30:34,389 --> 00:30:32,720

so

796

00:30:37,590 --> 00:30:34,399

with astral projection with remote

797

00:30:40,470 --> 00:30:37,600

viewing looking for these bases or

798

00:30:42,230 --> 00:30:40,480

looking at these things that would be

799

00:30:44,870 --> 00:30:42,240

that wouldn't be easy to find with the

800

00:30:46,950 --> 00:30:44,880

naked eye in human form

801
00:30:49,669 --> 00:30:46,960
what if it's all possible

802
00:30:51,350 --> 00:30:49,679
we don't know yeah absolutely it's worth

803
00:30:53,110 --> 00:30:51,360
bearing in mind isn't it and and you

804
00:30:54,389 --> 00:30:53,120
covered remote viewing on your show but

805
00:30:56,950 --> 00:30:54,399
you've also covered things such as

806
00:30:59,909 --> 00:30:56,960
bigfoot the philadelphia experiment the

807
00:31:01,590 --> 00:30:59,919
montauk project do any of those cases or

808
00:31:03,190 --> 00:31:01,600
any of those other subjects that you

809
00:31:04,870 --> 00:31:03,200
looked into do any stick with you and

810
00:31:08,710 --> 00:31:04,880
you think i really do want to research

811
00:31:11,190 --> 00:31:08,720
that specific area more

812
00:31:13,669 --> 00:31:11,200
for the shows that i do for mysteries

813
00:31:15,750 --> 00:31:13,679

with the history sometimes i'll be doing

814

00:31:18,389 --> 00:31:15,760

research for another topic and then i

815

00:31:20,630 --> 00:31:18,399

look and then this one certain

816

00:31:22,389 --> 00:31:20,640

topic for example the philadelphia

817

00:31:24,710 --> 00:31:22,399

experiment will keep popping up and i'll

818

00:31:26,710 --> 00:31:24,720

say okay if a key is popping up that

819

00:31:28,149 --> 00:31:26,720

means that people are interested in this

820

00:31:29,350 --> 00:31:28,159

or that means that there has been some

821

00:31:31,669 --> 00:31:29,360

research done

822

00:31:34,230 --> 00:31:31,679

let's do a show on it now does that mean

823

00:31:38,070 --> 00:31:34,240

that i believe these stories no it

824

00:31:39,350 --> 00:31:38,080

doesn't but the whole reason for my show

825

00:31:43,029 --> 00:31:39,360

my channel

826

00:31:45,789 --> 00:31:43,039

is to give my generation a foundation

827

00:31:47,990 --> 00:31:45,799

because these topics again are very

828

00:31:49,509 --> 00:31:48,000

overwhelming if you don't know where to

829

00:31:50,630 --> 00:31:49,519

look you're going to fall into a rabbit

830

00:31:53,029 --> 00:31:50,640

hole you're going to come out and you're

831

00:31:53,830 --> 00:31:53,039

going to be a mess if you end up coming

832

00:31:55,750 --> 00:31:53,840

out

833

00:31:58,710 --> 00:31:55,760

but if you're able to have a foundation

834

00:32:01,110 --> 00:31:58,720

if you're able to cover the most famous

835

00:32:02,789 --> 00:32:01,120

stories topics

836

00:32:05,669 --> 00:32:02,799

comments

837

00:32:08,149 --> 00:32:05,679

this can help other people with their

838

00:32:09,669 --> 00:32:08,159

own research and their own journey in in

839

00:32:12,230 --> 00:32:09,679

again what they decipher what they

840

00:32:15,350 --> 00:32:12,240

believe to be true or not and i try to

841

00:32:16,149 --> 00:32:15,360

provide as much information as i can

842

00:32:18,870 --> 00:32:16,159

from

843

00:32:21,029 --> 00:32:18,880

as much information i can find

844

00:32:24,710 --> 00:32:21,039

and then allow them to make their own

845

00:32:26,789 --> 00:32:24,720

conclusions so at the end of the day the

846

00:32:29,190 --> 00:32:26,799

things that i cover

847

00:32:31,509 --> 00:32:29,200

i cover them one because they might

848

00:32:33,830 --> 00:32:31,519

catch my interest or two they keep

849

00:32:35,990 --> 00:32:33,840

popping up and that means that it needs

850

00:32:38,230 --> 00:32:36,000

to be covered

851
00:32:40,389 --> 00:32:38,240
yeah absolutely now let's just jump back

852
00:32:41,830 --> 00:32:40,399
on to the kind of ufo bit and because

853
00:32:43,350 --> 00:32:41,840
one thing that seems to have cropped up

854
00:32:45,190 --> 00:32:43,360
in the last couple of years are the

855
00:32:46,630 --> 00:32:45,200
possibility of what these beings or

856
00:32:48,710 --> 00:32:46,640
entities are

857
00:32:50,389 --> 00:32:48,720
see for a long time we always had their

858
00:32:52,310 --> 00:32:50,399
ets they're extraterrestrial they're

859
00:32:54,710 --> 00:32:52,320
coming through space you know in a ship

860
00:32:56,630 --> 00:32:54,720
at light speed

861
00:32:58,870 --> 00:32:56,640
but now we have the inter-dimensionals

862
00:33:00,870 --> 00:32:58,880
your crypto-terrestrials and all these

863
00:33:03,669 --> 00:33:00,880

other things on the table do you lean

864

00:33:06,470 --> 00:33:03,679

towards any of those uh newer or maybe

865

00:33:09,110 --> 00:33:06,480

not newer but these other possibilities

866

00:33:11,830 --> 00:33:09,120

because for me personally the et1 has

867

00:33:14,630 --> 00:33:11,840

slid down down the pecking order so i'd

868

00:33:16,149 --> 00:33:14,640

like to hear your views on that

869

00:33:19,029 --> 00:33:16,159

what's beautiful about these new

870

00:33:20,950 --> 00:33:19,039

possibilities such as interdimensionals

871

00:33:22,630 --> 00:33:20,960

is that science is catching up with this

872

00:33:24,549 --> 00:33:22,640

as well now we know for a fact that

873

00:33:27,029 --> 00:33:24,559

there are multiple

874

00:33:29,669 --> 00:33:27,039

universes we know for a fact there are

875

00:33:31,509 --> 00:33:29,679

different dimensions we know for a fact

876

00:33:33,750 --> 00:33:31,519

that there is a thing called string

877

00:33:35,669 --> 00:33:33,760

theory that one atom here can affect

878

00:33:39,110 --> 00:33:35,679

something in a different dimension or a

879

00:33:40,230 --> 00:33:39,120

parallel world as well fact these are

880

00:33:41,430 --> 00:33:40,240

facts

881

00:33:44,149 --> 00:33:41,440

so

882

00:33:46,310 --> 00:33:44,159

when you're able to bring in

883

00:33:47,590 --> 00:33:46,320

new age science and that those are in

884

00:33:48,950 --> 00:33:47,600

quotation marks

885

00:33:51,190 --> 00:33:48,960

with this

886

00:33:52,389 --> 00:33:51,200

ufo phenomenon

887

00:33:54,310 --> 00:33:52,399

it allows

888

00:33:56,389 --> 00:33:54,320

us to open our minds to these new

889

00:33:59,669 --> 00:33:56,399

possibilities because if they're just

890

00:34:02,630 --> 00:33:59,679

terrestrial and especially if these if

891

00:34:05,509 --> 00:34:02,640

these spaceships travel at light speed

892

00:34:07,830 --> 00:34:05,519

plus their heart um yeah you're you're

893

00:34:09,990 --> 00:34:07,840

gonna have very narrow-minded thinking

894

00:34:11,750 --> 00:34:10,000

that like oh that means these entities

895

00:34:14,230 --> 00:34:11,760

live for a long period of time they're

896

00:34:16,069 --> 00:34:14,240

able to travel a hundred thousand light

897

00:34:18,149 --> 00:34:16,079

years from their planet to hours they

898

00:34:19,430 --> 00:34:18,159

must be for instance two hundred

899

00:34:21,510 --> 00:34:19,440

thousand years old because they're

900

00:34:23,990 --> 00:34:21,520

traveling at light speed because only we

901
00:34:26,230 --> 00:34:24,000
know that we can travel at light speed

902
00:34:28,790 --> 00:34:26,240
that's disappointing that's arrogant and

903
00:34:31,109 --> 00:34:28,800
that's also ignorant to believe that our

904
00:34:33,990 --> 00:34:31,119
technology that we have today

905
00:34:35,349 --> 00:34:34,000
is the same all across the universe for

906
00:34:38,230 --> 00:34:35,359
those that believe that there are

907
00:34:39,990 --> 00:34:38,240
intelligent beings

908
00:34:41,349 --> 00:34:40,000
across our universe

909
00:34:43,430 --> 00:34:41,359
so

910
00:34:45,510 --> 00:34:43,440
it's it's not the best thinking but if

911
00:34:47,829 --> 00:34:45,520
you don't know any better if you're not

912
00:34:49,270 --> 00:34:47,839
taught to think outside of the box

913
00:34:51,669 --> 00:34:49,280

obviously you're going to have that

914

00:34:52,869 --> 00:34:51,679

thinking because you're not encouraged

915

00:34:55,750 --> 00:34:52,879

to look

916

00:34:58,069 --> 00:34:55,760

outside to open that door and to ask

917

00:35:00,550 --> 00:34:58,079

those questions so

918

00:35:01,589 --> 00:35:00,560

at the end of the day being curious

919

00:35:08,150 --> 00:35:01,599

being

920

00:35:11,109 --> 00:35:08,160

important for humanity to evolve and

921

00:35:14,710 --> 00:35:11,119

that even includes to evolve in our

922

00:35:17,670 --> 00:35:14,720

thinking of all these possibilities so

923

00:35:20,870 --> 00:35:17,680

when it comes to these inter-dimensional

924

00:35:22,950 --> 00:35:20,880

possibilities i find it quite exciting

925

00:35:24,870 --> 00:35:22,960

because that makes me think if they can

926
00:35:26,950 --> 00:35:24,880
travel what about portals could i travel

927
00:35:29,349 --> 00:35:26,960
through a portal could i look someone

928
00:35:31,030 --> 00:35:29,359
could i just go on vacation

929
00:35:32,390 --> 00:35:31,040
you know what i would love to try some

930
00:35:34,230 --> 00:35:32,400
exotic fruit

931
00:35:36,790 --> 00:35:34,240
hopefully it won't kill me but you know

932
00:35:38,310 --> 00:35:36,800
that would be fantastic so

933
00:35:40,790 --> 00:35:38,320
well while i'm joking with you a little

934
00:35:43,270 --> 00:35:40,800
bit here these are my true thoughts but

935
00:35:46,150 --> 00:35:43,280
even in a very common question it's cool

936
00:35:48,150 --> 00:35:46,160
i like it i honestly i do but but while

937
00:35:49,670 --> 00:35:48,160
this is the case

938
00:35:50,950 --> 00:35:49,680

to be able to think outside of the box

939

00:35:53,829 --> 00:35:50,960

we're able to

940

00:35:56,550 --> 00:35:53,839

invent new pieces of technology that can

941

00:35:59,750 --> 00:35:56,560

move forward with that we are aware that

942

00:36:02,230 --> 00:35:59,760

there are people there has been research

943

00:36:03,910 --> 00:36:02,240

into portals specifically at skinwalker

944

00:36:06,710 --> 00:36:03,920

ranch this is public information through

945

00:36:08,630 --> 00:36:06,720

the tv show and through bits and pieces

946

00:36:10,550 --> 00:36:08,640

that robert bigelow has also mentioned

947

00:36:12,150 --> 00:36:10,560

when he was a part of when he created

948

00:36:14,230 --> 00:36:12,160

knits

949

00:36:16,550 --> 00:36:14,240

so and then i've also interviewed

950

00:36:18,390 --> 00:36:16,560

certain people such as jessica jones who

951
00:36:21,270 --> 00:36:18,400
had several teammates

952
00:36:23,750 --> 00:36:21,280
interact with the portal even enter it

953
00:36:25,030 --> 00:36:23,760
which blew my mind i was like

954
00:36:29,190 --> 00:36:25,040
i want to be there

955
00:36:31,510 --> 00:36:29,200
but because people are looking into this

956
00:36:33,030 --> 00:36:31,520
and making it public information or

957
00:36:34,390 --> 00:36:33,040
maybe even making it

958
00:36:36,870 --> 00:36:34,400
mainstream

959
00:36:37,990 --> 00:36:36,880
it allows the rest of the public

960
00:36:39,910 --> 00:36:38,000
to

961
00:36:42,390 --> 00:36:39,920
be interested in it and it just takes

962
00:36:44,310 --> 00:36:42,400
that one person maybe that one genius

963
00:36:46,710 --> 00:36:44,320

that can create their own portal in

964

00:36:48,150 --> 00:36:46,720

their in their garage all right we are

965

00:36:50,230 --> 00:36:48,160

we are aware that there are some

966

00:36:52,230 --> 00:36:50,240

fantastic scientists that make

967

00:36:53,190 --> 00:36:52,240

everything in their garage in their teen

968

00:36:54,710 --> 00:36:53,200

years

969

00:36:57,190 --> 00:36:54,720

yeah amazing

970

00:36:59,670 --> 00:36:57,200

i wish i was like that but it just takes

971

00:37:01,030 --> 00:36:59,680

that one person to have their interest

972

00:37:03,190 --> 00:37:01,040

peaked

973

00:37:05,349 --> 00:37:03,200

to make that difference

974

00:37:06,950 --> 00:37:05,359

yeah absolutely now funnily enough you

975

00:37:08,950 --> 00:37:06,960

mentioned skinwalker ranch there and

976
00:37:10,470 --> 00:37:08,960
that is literally my next sort of area

977
00:37:12,150 --> 00:37:10,480
of discussion so

978
00:37:14,230 --> 00:37:12,160
let's touch upon it because it was

979
00:37:15,589 --> 00:37:14,240
something i was aware of before the tv

980
00:37:17,990 --> 00:37:15,599
series and things like that through

981
00:37:20,069 --> 00:37:18,000
george knapp and colin kelleher and that

982
00:37:21,589 --> 00:37:20,079
um

983
00:37:23,109 --> 00:37:21,599
i'm going to ask you first would you go

984
00:37:24,310 --> 00:37:23,119
to the ranch

985
00:37:25,670 --> 00:37:24,320
dad yes

986
00:37:27,589 --> 00:37:25,680
me too like

987
00:37:29,510 --> 00:37:27,599
there's no question just i'm going to

988
00:37:31,990 --> 00:37:29,520

make sure to bring some snacks

989

00:37:33,670 --> 00:37:32,000

preferably ramen and maybe some grapes

990

00:37:35,109 --> 00:37:33,680

and i'm down like

991

00:37:36,069 --> 00:37:35,119

don't ask me twice

992

00:37:37,349 --> 00:37:36,079

no

993

00:37:38,710 --> 00:37:37,359

the reason i ask is because i've asked

994

00:37:40,230 --> 00:37:38,720

this question to people and they've been

995

00:37:42,790 --> 00:37:40,240

really hesitant

996

00:37:45,030 --> 00:37:42,800

and i mean i i would go

997

00:37:47,190 --> 00:37:45,040

but i would be very

998

00:37:48,310 --> 00:37:47,200

cautious based on the stories that you

999

00:37:49,430 --> 00:37:48,320

know we've heard

1000

00:37:51,430 --> 00:37:49,440

many things

1001
00:37:53,030 --> 00:37:51,440
i mean without a doubt but the nice

1002
00:37:55,270 --> 00:37:53,040
thing is that let's say

1003
00:37:57,829 --> 00:37:55,280
we were invited right let's just go with

1004
00:37:59,910 --> 00:37:57,839
that beautiful idea we were invited the

1005
00:38:01,589 --> 00:37:59,920
people that are on the ranch are already

1006
00:38:02,950 --> 00:38:01,599
aware of the situations as long as we

1007
00:38:06,310 --> 00:38:02,960
speak to people that have already had

1008
00:38:07,829 --> 00:38:06,320
experiences they can walk us through it

1009
00:38:10,630 --> 00:38:07,839
so

1010
00:38:12,150 --> 00:38:10,640
that's where my fear subsides

1011
00:38:13,750 --> 00:38:12,160
where i'm like i'm not too worried

1012
00:38:15,910 --> 00:38:13,760
because people have already encountered

1013
00:38:17,829 --> 00:38:15,920

this now have some gotten sick have some

1014

00:38:19,670 --> 00:38:17,839

gotten hurt absolutely but that's the

1015

00:38:22,310 --> 00:38:19,680

risk you're willing to take either one

1016

00:38:24,390 --> 00:38:22,320

just for the thrill or for the research

1017

00:38:26,550 --> 00:38:24,400

aspect of it to prove that there are

1018

00:38:29,109 --> 00:38:26,560

certain hot spots across the globe it's

1019

00:38:32,310 --> 00:38:29,119

not just skinwalker ranch that just

1020

00:38:35,270 --> 00:38:32,320

collect this multiple types of phenomena

1021

00:38:37,670 --> 00:38:35,280

what's the reason for it is it some kind

1022

00:38:39,270 --> 00:38:37,680

of attraction that these entities are

1023

00:38:41,990 --> 00:38:39,280

getting through maybe

1024

00:38:43,349 --> 00:38:42,000

like like magnets right you have the

1025

00:38:46,310 --> 00:38:43,359

the positive and the negatives something

1026
00:38:48,310 --> 00:38:46,320
like that is it because right there

1027
00:38:49,990 --> 00:38:48,320
there's just able to be

1028
00:38:52,150 --> 00:38:50,000
there's just kind of this

1029
00:38:54,550 --> 00:38:52,160
thin line between different dimensions

1030
00:38:56,550 --> 00:38:54,560
where portals are able to enter and exit

1031
00:38:59,510 --> 00:38:56,560
is it possible that there is some type

1032
00:39:02,150 --> 00:38:59,520
of ancient very advanced technology

1033
00:39:04,230 --> 00:39:02,160
right under that ranch to where they're

1034
00:39:07,670 --> 00:39:04,240
able while certain entities are able to

1035
00:39:09,829 --> 00:39:07,680
harness that energy or to

1036
00:39:12,790 --> 00:39:09,839
turn on that ancient technology and

1037
00:39:14,470 --> 00:39:12,800
allow entities to come in and out

1038
00:39:15,990 --> 00:39:14,480

while there's so much research being

1039

00:39:18,310 --> 00:39:16,000

done

1040

00:39:19,750 --> 00:39:18,320

not a lot of that has been made provided

1041

00:39:22,310 --> 00:39:19,760

for the public

1042

00:39:25,030 --> 00:39:22,320

the this is also a fact we know this

1043

00:39:27,030 --> 00:39:25,040

will it be maybe in 50 years time maybe

1044

00:39:29,349 --> 00:39:27,040

in a hundred years time when more people

1045

00:39:31,589 --> 00:39:29,359

are interested when there are more hot

1046

00:39:33,589 --> 00:39:31,599

spots being researched and another

1047

00:39:36,230 --> 00:39:33,599

example of this is bradshaw ranch in

1048

00:39:38,790 --> 00:39:36,240

sedona arizona it's very similar to

1049

00:39:41,589 --> 00:39:38,800

skinwalker ranch

1050

00:39:43,589 --> 00:39:41,599

and this one it's just pretty crazy it

1051
00:39:46,310 --> 00:39:43,599
was owned by the bradshaw family for

1052
00:39:50,950 --> 00:39:48,310
40 something years

1053
00:39:54,550 --> 00:39:50,960
until it was very secretly bought out by

1054
00:39:55,670 --> 00:39:54,560
the government in 2003 before that time

1055
00:39:58,630 --> 00:39:55,680
people

1056
00:40:00,790 --> 00:39:58,640
researchers paranormal investigators um

1057
00:40:02,870 --> 00:40:00,800
authors as well just tom dongle they

1058
00:40:04,790 --> 00:40:02,880
were able to enter the ranch and do the

1059
00:40:06,309 --> 00:40:04,800
investigations for themselves

1060
00:40:07,990 --> 00:40:06,319
what the

1061
00:40:10,550 --> 00:40:08,000
owners found

1062
00:40:13,829 --> 00:40:10,560
particularly lisa bradshaw

1063
00:40:17,030 --> 00:40:13,839

was that she even mentioned that she saw

1064

00:40:19,270 --> 00:40:17,040

a five foot tall bipedal lizard okay

1065

00:40:21,270 --> 00:40:19,280

that sounds like a dinosaur to me and it

1066

00:40:23,109 --> 00:40:21,280

came through a portal she was also able

1067

00:40:25,430 --> 00:40:23,119

to see bigfoot

1068

00:40:28,550 --> 00:40:25,440

aliens shadow people

1069

00:40:31,109 --> 00:40:28,560

and werewolves as well

1070

00:40:32,870 --> 00:40:31,119

but it goes back to my main question

1071

00:40:35,190 --> 00:40:32,880

is that true

1072

00:40:36,470 --> 00:40:35,200

it could be or it could be all a lie

1073

00:40:38,870 --> 00:40:36,480

just to make money but that doesn't

1074

00:40:40,390 --> 00:40:38,880

matter now because in 2003 it's been

1075

00:40:43,109 --> 00:40:40,400

bought up by the government now that

1076
00:40:45,750 --> 00:40:43,119
that's private property no one can enter

1077
00:40:48,069 --> 00:40:45,760
it and i don't know who you could speak

1078
00:40:51,349 --> 00:40:48,079
to to get permission to enter those

1079
00:40:54,309 --> 00:40:51,359
grounds allegedly there are armed guards

1080
00:40:56,069 --> 00:40:54,319
surrounding the ranch as well so if that

1081
00:40:58,470 --> 00:40:56,079
doesn't say something i don't know what

1082
00:40:59,910 --> 00:40:58,480
does or is it all just a cover-up i'm

1083
00:41:02,390 --> 00:40:59,920
just being like trying to grab your

1084
00:41:04,390 --> 00:41:02,400
attention here so you don't look

1085
00:41:05,349 --> 00:41:04,400
somewhere else

1086
00:41:06,710 --> 00:41:05,359
yeah

1087
00:41:08,390 --> 00:41:06,720
just sticking with skin work i mean

1088
00:41:09,750 --> 00:41:08,400

that's sorry that was fascinating i've

1089

00:41:11,670 --> 00:41:09,760

not heard of bradshaw ranch i'm

1090

00:41:12,470 --> 00:41:11,680

definitely gonna gonna go and look into

1091

00:41:14,710 --> 00:41:12,480

that

1092

00:41:16,550 --> 00:41:14,720

um but with regards to skinwalker we do

1093

00:41:18,710 --> 00:41:16,560

see the they're about to go into season

1094

00:41:20,710 --> 00:41:18,720

three of the tv series which

1095

00:41:22,790 --> 00:41:20,720

i love and i'm sure they're doing great

1096

00:41:24,950 --> 00:41:22,800

work but unfortunately we do get the

1097

00:41:27,670 --> 00:41:24,960

naysayers who say this is just ufo

1098

00:41:30,309 --> 00:41:27,680

attainment or you know ufo entertainment

1099

00:41:32,630 --> 00:41:30,319

there's no serious research being done i

1100

00:41:35,349 --> 00:41:32,640

believe there is i i believe you know

1101
00:41:36,630 --> 00:41:35,359
brandon fugle has promised okay for a

1102
00:41:37,990 --> 00:41:36,640
while that we're going to see data

1103
00:41:39,349 --> 00:41:38,000
released on his website it's not

1104
00:41:41,270 --> 00:41:39,359
happened yet

1105
00:41:43,349 --> 00:41:41,280
i believe in patience you know let them

1106
00:41:45,030 --> 00:41:43,359
do their job what are your thoughts on

1107
00:41:46,630 --> 00:41:45,040
people just jumping too quickly to think

1108
00:41:49,349 --> 00:41:46,640
it's just for entertainment and or

1109
00:41:50,870 --> 00:41:49,359
clicks and views we need to keep in mind

1110
00:41:53,349 --> 00:41:50,880
that television

1111
00:41:55,750 --> 00:41:53,359
is literally meant for entertainment

1112
00:41:58,630 --> 00:41:55,760
even to be educational

1113
00:42:01,270 --> 00:41:58,640

it's still entertainment so could you

1114

00:42:04,230 --> 00:42:01,280

imagine these people spending hours of

1115

00:42:07,270 --> 00:42:04,240

days just collecting information in slow

1116

00:42:09,190 --> 00:42:07,280

in real time being like oh this is good

1117

00:42:11,349 --> 00:42:09,200

this isn't good

1118

00:42:12,870 --> 00:42:11,359

it's going to be boring the show is not

1119

00:42:15,270 --> 00:42:12,880

going to make it to the public they

1120

00:42:17,430 --> 00:42:15,280

would not have another season

1121

00:42:19,990 --> 00:42:17,440

so you have to take the good with the

1122

00:42:22,550 --> 00:42:20,000

again the good with the bad and you have

1123

00:42:24,630 --> 00:42:22,560

to bring some entertainment elements in

1124

00:42:27,510 --> 00:42:24,640

order to incorporate it with the

1125

00:42:30,710 --> 00:42:27,520

research so that everyone can be happy

1126

00:42:33,270 --> 00:42:30,720

the scientists the the enthusiasts and

1127

00:42:36,630 --> 00:42:33,280

those that just want to be entertained

1128

00:42:38,710 --> 00:42:36,640

that again that's what television is and

1129

00:42:41,190 --> 00:42:38,720

that is where hypocrisy lies or they're

1130

00:42:43,829 --> 00:42:41,200

like oh no this is bs then you do your

1131

00:42:45,670 --> 00:42:43,839

research read a 600 page book and you

1132

00:42:48,150 --> 00:42:45,680

know what have fun with that you know

1133

00:42:49,670 --> 00:42:48,160

and enjoy yourself we also need to keep

1134

00:42:52,390 --> 00:42:49,680

in mind that

1135

00:42:54,390 --> 00:42:52,400

television isn't easy it takes a lot of

1136

00:42:55,990 --> 00:42:54,400

editing you got to add the music you got

1137

00:42:58,710 --> 00:42:56,000

to make sure that you have a vision of

1138

00:43:02,150 --> 00:42:58,720

what you're creating and you only have

1139

00:43:03,349 --> 00:43:02,160

45 minutes or less to create a whole

1140

00:43:04,470 --> 00:43:03,359

story

1141

00:43:05,589 --> 00:43:04,480

with

1142

00:43:09,910 --> 00:43:05,599

hours

1143

00:43:11,190 --> 00:43:09,920

work

1144

00:43:12,710 --> 00:43:11,200

so

1145

00:43:13,990 --> 00:43:12,720

you're

1146

00:43:16,950 --> 00:43:14,000

you

1147

00:43:19,109 --> 00:43:16,960

understanding

1148

00:43:19,990 --> 00:43:19,119

that this is television at the end of

1149

00:43:21,589 --> 00:43:20,000

the day

1150

00:43:22,630 --> 00:43:21,599

it's not a documentary

1151

00:43:24,390 --> 00:43:22,640

no

1152

00:43:26,069 --> 00:43:24,400

i'm just gonna

1153

00:43:27,829 --> 00:43:26,079

jail and says vinnie before you jump

1154

00:43:29,910 --> 00:43:27,839

into i would definitely go there have

1155

00:43:32,150 --> 00:43:29,920

you considered the serious consequences

1156

00:43:34,630 --> 00:43:32,160

experienced by government intel personal

1157

00:43:37,349 --> 00:43:34,640

and the science team via hitchhikers

1158

00:43:39,510 --> 00:43:37,359

i'll just say quickly that i i have

1159

00:43:41,430 --> 00:43:39,520

considered it a lot i've spoken to

1160

00:43:43,510 --> 00:43:41,440

people who work on the ranch currently

1161

00:43:45,109 --> 00:43:43,520

i've spoken to people who

1162

00:43:47,349 --> 00:43:45,119

have worked on the ranch in the past

1163

00:43:48,150 --> 00:43:47,359

privately i've had these conversations

1164

00:43:50,870 --> 00:43:48,160

with

1165

00:43:52,309 --> 00:43:50,880

people a lot i've considered it yes i

1166

00:43:54,230 --> 00:43:52,319

would go

1167

00:43:56,470 --> 00:43:54,240

what about you what about you christina

1168

00:43:59,109 --> 00:43:56,480

have you considered it enough

1169

00:44:01,589 --> 00:43:59,119

uh yeah if i die there look if i have

1170

00:44:03,829 --> 00:44:01,599

the research if i have it recorded

1171

00:44:04,870 --> 00:44:03,839

and someone can post it online it's fine

1172

00:44:06,390 --> 00:44:04,880

with me

1173

00:44:07,270 --> 00:44:06,400

because

1174

00:44:09,829 --> 00:44:07,280

if we

1175

00:44:11,510 --> 00:44:09,839

but to make this a more serious topic if

1176

00:44:13,589 --> 00:44:11,520

we don't take risks

1177

00:44:15,670 --> 00:44:13,599

we're never going to achieve anything

1178

00:44:17,589 --> 00:44:15,680

and we're never going to evolve so it's

1179

00:44:18,710 --> 00:44:17,599

those few people that have courage and

1180

00:44:21,430 --> 00:44:18,720

people that have already been on the

1181

00:44:25,510 --> 00:44:21,440

ranch or any field doesn't even matter

1182

00:44:27,349 --> 00:44:25,520

but to have that sense of curiosity but

1183

00:44:31,910 --> 00:44:27,359

also courage

1184

00:44:33,349 --> 00:44:31,920

that's what helps humanity evolve

1185

00:44:35,510 --> 00:44:33,359

absolutely

1186

00:44:37,670 --> 00:44:35,520

i've got a great question here from uh

1187

00:44:39,910 --> 00:44:37,680

lindsay pins of plankton do you feel

1188

00:44:41,750 --> 00:44:39,920

people around your age are more open to

1189

00:44:44,069 --> 00:44:41,760

these mysteries maybe due to growing up

1190

00:44:46,230 --> 00:44:44,079

with the internet or less interested

1191

00:44:49,270 --> 00:44:46,240

because of so much in their face social

1192

00:44:50,470 --> 00:44:49,280

media etc i have faith in you this is a

1193

00:44:53,670 --> 00:44:50,480

great question

1194

00:44:55,109 --> 00:44:53,680

and with my generation gen zed from 98

1195

00:44:57,270 --> 00:44:55,119

onwards

1196

00:44:59,349 --> 00:44:57,280

it's not a question about these

1197

00:45:02,390 --> 00:44:59,359

mysteries it's not a question if there

1198

00:45:04,710 --> 00:45:02,400

is extraterrestrial life

1199

00:45:05,910 --> 00:45:04,720

but that's where it ends okay so if i

1200

00:45:09,109 --> 00:45:05,920

say so what do you think they're like

1201
00:45:11,190 --> 00:45:09,119
yeah shrug their shoulders yeah and then

1202
00:45:13,190 --> 00:45:11,200
if i ask more

1203
00:45:15,829 --> 00:45:13,200
that's where their their knowledge or

1204
00:45:18,710 --> 00:45:15,839
their interest stops so the historical

1205
00:45:21,430 --> 00:45:18,720
aspects the scientific aspects even if

1206
00:45:24,309 --> 00:45:21,440
we're dealing with nasa or seti or medi

1207
00:45:26,790 --> 00:45:24,319
these these funded private or public

1208
00:45:29,030 --> 00:45:26,800
companies that are trying to interact

1209
00:45:30,950 --> 00:45:29,040
with extraterrestrials they don't know

1210
00:45:33,990 --> 00:45:30,960
about that information even though one

1211
00:45:35,270 --> 00:45:34,000
it's public and two it's science

1212
00:45:36,230 --> 00:45:35,280
based

1213
00:45:39,270 --> 00:45:36,240

so

1214

00:45:41,270 --> 00:45:39,280

again that's why i have my channel

1215

00:45:43,910 --> 00:45:41,280

that's why i direct it towards my

1216

00:45:46,550 --> 00:45:43,920

generation specifically

1217

00:45:47,670 --> 00:45:46,560

because i want them to be interested in

1218

00:45:49,349 --> 00:45:47,680

this because

1219

00:45:51,109 --> 00:45:49,359

this kind of information

1220

00:45:52,950 --> 00:45:51,119

in my opinion here we go in my opinion

1221

00:45:54,470 --> 00:45:52,960

once again

1222

00:45:57,190 --> 00:45:54,480

it's important

1223

00:45:59,270 --> 00:45:57,200

if we don't know this basic information

1224

00:46:01,829 --> 00:45:59,280

of just extraterrestrials of the history

1225

00:46:04,710 --> 00:46:01,839

that they've possibly have crashed or

1226
00:46:07,109 --> 00:46:04,720
visited or interacted with with humanity

1227
00:46:09,510 --> 00:46:07,119
if we don't have that information

1228
00:46:11,430 --> 00:46:09,520
we would be going into space blind we

1229
00:46:14,710 --> 00:46:11,440
would be traveling other planets

1230
00:46:16,950 --> 00:46:14,720
completely blind and that's dangerous

1231
00:46:19,430 --> 00:46:16,960
it's always important to

1232
00:46:21,190 --> 00:46:19,440
gather as much information as you can

1233
00:46:23,190 --> 00:46:21,200
about a location

1234
00:46:25,670 --> 00:46:23,200
let's say if you're traveling to to

1235
00:46:27,510 --> 00:46:25,680
mexico for instance you're gonna write

1236
00:46:29,750 --> 00:46:27,520
out where you're going you might write

1237
00:46:31,990 --> 00:46:29,760
out what restaurants you want to hit you

1238
00:46:34,710 --> 00:46:32,000

might write out which tours you you want

1239

00:46:36,790 --> 00:46:34,720

to go to if you don't and you go blind

1240

00:46:38,470 --> 00:46:36,800

it could be dangerous you could interact

1241

00:46:41,910 --> 00:46:38,480

with certain people that you don't want

1242

00:46:43,750 --> 00:46:41,920

to and you might get into situations

1243

00:46:46,390 --> 00:46:43,760

that you're going to regret because you

1244

00:46:48,150 --> 00:46:46,400

didn't have that background knowledge

1245

00:46:50,230 --> 00:46:48,160

so

1246

00:46:52,870 --> 00:46:50,240

these conversations

1247

00:46:54,390 --> 00:46:52,880

talking to people that are experts in

1248

00:46:56,470 --> 00:46:54,400

these fields which there are no experts

1249

00:46:58,390 --> 00:46:56,480

but people that that are pretty

1250

00:47:00,670 --> 00:46:58,400

knowledgeable in this

1251
00:47:03,910 --> 00:47:00,680
it's important for

1252
00:47:05,750 --> 00:47:03,920
everyone and now with my generation

1253
00:47:06,550 --> 00:47:05,760
and the ones that i've come after yes

1254
00:47:08,309 --> 00:47:06,560
they're

1255
00:47:09,630 --> 00:47:08,319
heavily exposed

1256
00:47:12,630 --> 00:47:09,640
through the internet of

1257
00:47:14,630 --> 00:47:12,640
extraterrestrials of mysteries of even

1258
00:47:17,430 --> 00:47:14,640
things will be classified still as

1259
00:47:20,470 --> 00:47:17,440
fringe science

1260
00:47:21,270 --> 00:47:20,480
but even though they're exposed to it

1261
00:47:22,309 --> 00:47:21,280
it's

1262
00:47:24,570 --> 00:47:22,319
upset

1263
00:47:25,670 --> 00:47:24,580

it's up to them at the end of the day to

1264

00:47:27,750 --> 00:47:25,680

[Music]

1265

00:47:31,109 --> 00:47:27,760

really catch an interest for it and to

1266

00:47:33,270 --> 00:47:31,119

do the extra leg work

1267

00:47:34,630 --> 00:47:33,280

great answers i'm loving these questions

1268

00:47:35,829 --> 00:47:34,640

from everyone in the chat as well so

1269

00:47:38,069 --> 00:47:35,839

we're just going to keep going with them

1270

00:47:41,910 --> 00:47:38,079

for now uh another one from sneaky

1271

00:47:44,150 --> 00:47:41,920

toaster you're on fire today uh you uapx

1272

00:47:45,829 --> 00:47:44,160

tear in the sky releases soon showing

1273

00:47:47,670 --> 00:47:45,839

the data they've collected

1274

00:47:50,630 --> 00:47:47,680

does uap need to be a scientific

1275

00:47:53,589 --> 00:47:50,640

discovery to avoid backlash james red

1276

00:47:55,829 --> 00:47:53,599

james webb fully online soon so i will

1277

00:47:57,190 --> 00:47:55,839

be interviewing the director and several

1278

00:48:00,069 --> 00:47:57,200

people

1279

00:48:02,950 --> 00:48:00,079

that um yeah yeah well yeah we'll talk

1280

00:48:04,710 --> 00:48:02,960

about that later but yeah um

1281

00:48:07,190 --> 00:48:04,720

yes i'll be interviewing them and we'll

1282

00:48:10,150 --> 00:48:07,200

hit questions like that it's very

1283

00:48:10,950 --> 00:48:10,160

important that this data is provided but

1284

00:48:12,390 --> 00:48:10,960

again you're dealing with the

1285

00:48:14,230 --> 00:48:12,400

documentary you're dealing with a movie

1286

00:48:15,910 --> 00:48:14,240

of entertainment they need to make this

1287

00:48:17,829 --> 00:48:15,920

data look

1288

00:48:21,030 --> 00:48:17,839

interesting they need to make it look

1289

00:48:22,790 --> 00:48:21,040

tantalizing so for you to one understand

1290

00:48:25,670 --> 00:48:22,800

the background knowledge of what this

1291

00:48:28,390 --> 00:48:25,680

data means to be interested in the data

1292

00:48:30,390 --> 00:48:28,400

and then to keep watching the film

1293

00:48:31,349 --> 00:48:30,400

to see where that data lies so there's a

1294

00:48:33,829 --> 00:48:31,359

lot of

1295

00:48:36,069 --> 00:48:33,839

brain work that's involved in what a

1296

00:48:37,510 --> 00:48:36,079

two-hour film or less

1297

00:48:39,829 --> 00:48:37,520

you need to tell a whole story you need

1298

00:48:42,230 --> 00:48:39,839

to provide information that information

1299

00:48:44,470 --> 00:48:42,240

needs to be understood

1300

00:48:45,670 --> 00:48:44,480

by the audience which isn't always easy

1301
00:48:47,510 --> 00:48:45,680
if they don't have a background

1302
00:48:48,790 --> 00:48:47,520
knowledge on it

1303
00:48:50,710 --> 00:48:48,800
so

1304
00:48:52,470 --> 00:48:50,720
that's where it gets

1305
00:48:53,910 --> 00:48:52,480
difficult because you're dealing with

1306
00:48:55,670 --> 00:48:53,920
entertainment now if you're if you're

1307
00:48:58,630 --> 00:48:55,680
reading a white paper written by

1308
00:49:00,790 --> 00:48:58,640
scientists proof read by scientists it's

1309
00:49:02,710 --> 00:49:00,800
a different story but how many people

1310
00:49:04,950 --> 00:49:02,720
read white papers you know how hard it

1311
00:49:07,349 --> 00:49:04,960
is to read one sometimes the language

1312
00:49:09,030 --> 00:49:07,359
they use the data they provide and the

1313
00:49:11,270 --> 00:49:09,040

data when they even though it's all

1314

00:49:14,230 --> 00:49:11,280

these numbers it doesn't really explain

1315

00:49:16,230 --> 00:49:14,240

what it means or the importance of it

1316

00:49:18,549 --> 00:49:16,240

all the information is there it's public

1317

00:49:20,470 --> 00:49:18,559

for you do you want to read it

1318

00:49:23,190 --> 00:49:20,480

probably not

1319

00:49:25,510 --> 00:49:23,200

so

1320

00:49:27,910 --> 00:49:25,520

with this film um i will be watching it

1321

00:49:29,990 --> 00:49:27,920

pretty soon before it is released

1322

00:49:32,950 --> 00:49:30,000

and i look forward to to the data they

1323

00:49:34,710 --> 00:49:32,960

provide but also how they provide it

1324

00:49:36,390 --> 00:49:34,720

because that's important

1325

00:49:38,549 --> 00:49:36,400

absolutely and i've been lucky enough to

1326

00:49:39,829 --> 00:49:38,559

see it already and i am very excited to

1327

00:49:41,510 --> 00:49:39,839

see

1328

00:49:48,069 --> 00:49:41,520

yeah

1329

00:49:52,309 --> 00:49:50,069

i'll say quickly to everybody i highly

1330

00:49:54,150 --> 00:49:52,319

recommend everybody go and watch it

1331

00:49:56,230 --> 00:49:54,160

but after you've watched it

1332

00:49:58,150 --> 00:49:56,240

go and either look at the data the white

1333

00:49:59,670 --> 00:49:58,160

papers as christina says and the

1334

00:50:01,109 --> 00:49:59,680

peer-reviewed scientific stuff that

1335

00:50:02,390 --> 00:50:01,119

they've said is coming out go and look

1336

00:50:04,390 --> 00:50:02,400

at that or at least talk to somebody

1337

00:50:05,910 --> 00:50:04,400

who's looked at it because i think

1338

00:50:07,829 --> 00:50:05,920

a lot of questions will come from this

1339

00:50:09,670 --> 00:50:07,839

documentary a lot of conversations will

1340

00:50:11,990 --> 00:50:09,680

come from it as well i'm excited for

1341

00:50:14,870 --> 00:50:12,000

that and with james fox's new

1342

00:50:16,950 --> 00:50:14,880

documentary as well about varginia

1343

00:50:18,230 --> 00:50:16,960

brazil i just watched it i watched the

1344

00:50:20,470 --> 00:50:18,240

final cut

1345

00:50:22,710 --> 00:50:20,480

oh you everyone that's what i'm saying

1346

00:50:25,349 --> 00:50:22,720

right now you i'm telling you if you

1347

00:50:26,950 --> 00:50:25,359

liked if you liked his last movie

1348

00:50:28,790 --> 00:50:26,960

you are going to

1349

00:50:31,190 --> 00:50:28,800

love

1350

00:50:33,430 --> 00:50:31,200

this new one i was so impressed with his

1351

00:50:36,549 --> 00:50:33,440

work and he did it in four months

1352

00:50:38,870 --> 00:50:36,559

uh doing all the editing i'm telling you

1353

00:50:41,670 --> 00:50:38,880

his new movie argenia brazil you're

1354

00:50:42,870 --> 00:50:41,680

gonna die so good wow

1355

00:50:44,230 --> 00:50:42,880

wow

1356

00:50:45,750 --> 00:50:44,240

that'll be a conversation we can have

1357

00:50:47,349 --> 00:50:45,760

after everyone's seen it yeah i feel

1358

00:50:49,030 --> 00:50:47,359

like we're teasing a bit here sorry

1359

00:50:50,870 --> 00:50:49,040

everyone

1360

00:50:51,670 --> 00:50:50,880

let's move on to this

1361

00:50:53,750 --> 00:50:51,680

yeah

1362

00:50:55,910 --> 00:50:53,760

here's a great one christina if you were

1363

00:50:57,670 --> 00:50:55,920

abducted and could ask one question what

1364

00:51:01,030 --> 00:50:57,680

would you ask

1365

00:51:02,390 --> 00:51:01,040

uh can i just travel with you

1366

00:51:04,630 --> 00:51:02,400

i wouldn't come back

1367

00:51:07,430 --> 00:51:04,640

oh really

1368

00:51:09,750 --> 00:51:07,440

that's it if i'm going i'm like no now i

1369

00:51:11,750 --> 00:51:09,760

am luggage and you can't dump me i'll

1370

00:51:13,670 --> 00:51:11,760

make sure to cook for you guys not a

1371

00:51:15,670 --> 00:51:13,680

problem just give me ingredients i just

1372

00:51:18,390 --> 00:51:15,680

need ramen like fat and i need some

1373

00:51:20,069 --> 00:51:18,400

cumin as well so just drop me off at the

1374

00:51:23,430 --> 00:51:20,079

grocery store really quickly just buy a

1375

00:51:24,790 --> 00:51:23,440

few years supply and uh that's it so

1376

00:51:27,109 --> 00:51:24,800

don't bring me back

1377

00:51:29,190 --> 00:51:27,119

wow that's brave that is brave i would

1378

00:51:30,470 --> 00:51:29,200

say i'd love the traveling bit but take

1379

00:51:32,549 --> 00:51:30,480

me back after

1380

00:51:34,309 --> 00:51:32,559

a couple of weeks or so

1381

00:51:36,470 --> 00:51:34,319

go big or go home right

1382

00:51:38,950 --> 00:51:36,480

nice i like that attitude i'm just not

1383

00:51:42,390 --> 00:51:38,960

that brave maybe it's the age thing

1384

00:51:46,710 --> 00:51:45,109

uh let's see where else we are ah this

1385

00:51:48,630 --> 00:51:46,720

was one that you know we saw through the

1386

00:51:50,309 --> 00:51:48,640

pandemic and the covid thing that a lot

1387

00:51:54,150 --> 00:51:50,319

of people were stuck at home and of

1388

00:51:55,750 --> 00:51:54,160

course the ufo podcast scene exploded

1389

00:51:57,910 --> 00:51:55,760

with new podcasts

1390

00:51:59,510 --> 00:51:57,920

you know like me being one of them

1391

00:52:03,109 --> 00:51:59,520

so

1392

00:52:04,710 --> 00:52:03,119

out there and that which i just don't

1393

00:52:06,790 --> 00:52:04,720

agree with whatsoever i think everybody

1394

00:52:08,710 --> 00:52:06,800

has a voice so everybody can have the

1395

00:52:10,309 --> 00:52:08,720

conversation people could just choose to

1396

00:52:12,069 --> 00:52:10,319

watch it or not

1397

00:52:13,670 --> 00:52:12,079

what advice would you give to anybody

1398

00:52:15,109 --> 00:52:13,680

who was thinking you know they want to

1399

00:52:16,950 --> 00:52:15,119

be a voice and they want to start a

1400

00:52:18,710 --> 00:52:16,960

podcast is there anything that you would

1401
00:52:20,069 --> 00:52:18,720
want to say to them just to kind of help

1402
00:52:21,270 --> 00:52:20,079
them

1403
00:52:24,390 --> 00:52:21,280
start now

1404
00:52:26,950 --> 00:52:24,400
even though there are countless podcasts

1405
00:52:28,870 --> 00:52:26,960
how many of those do you personally like

1406
00:52:30,870 --> 00:52:28,880
why do you like them can you relate to

1407
00:52:33,670 --> 00:52:30,880
that person are they in your age range

1408
00:52:35,670 --> 00:52:33,680
do they follow your cultural background

1409
00:52:39,829 --> 00:52:35,680
do you like the information they provide

1410
00:52:41,910 --> 00:52:39,839
while there are hundreds of ufo podcasts

1411
00:52:44,950 --> 00:52:41,920
there are only a few for each person

1412
00:52:46,710 --> 00:52:44,960
that you can individually identify with

1413
00:52:49,109 --> 00:52:46,720

and there are some that you just can't

1414

00:52:50,950 --> 00:52:49,119

identify with at all that's how i felt

1415

00:52:51,829 --> 00:52:50,960

personally

1416

00:52:53,670 --> 00:52:51,839

i'm

1417

00:52:56,470 --> 00:52:53,680

latin american

1418

00:52:59,510 --> 00:52:56,480

female and very young

1419

00:53:02,549 --> 00:52:59,520

there was no one that i could look

1420

00:53:04,710 --> 00:53:02,559

that i that i could be inspired by

1421

00:53:06,069 --> 00:53:04,720

except maybe linda molten howe but we're

1422

00:53:07,670 --> 00:53:06,079

definitely different

1423

00:53:10,230 --> 00:53:07,680

for age gap

1424

00:53:12,230 --> 00:53:10,240

aside from that aside from that

1425

00:53:14,390 --> 00:53:12,240

i created one

1426
00:53:17,270 --> 00:53:14,400
not only to help myself do research but

1427
00:53:19,670 --> 00:53:17,280
for other people to to find a voice

1428
00:53:22,230 --> 00:53:19,680
through me if they wanted to

1429
00:53:24,630 --> 00:53:22,240
because there are countless ones yes but

1430
00:53:25,349 --> 00:53:24,640
again how many can you personally relate

1431
00:53:31,990 --> 00:53:25,359
to

1432
00:53:35,829 --> 00:53:32,000
even if they have 10 subscribers or a

1433
00:53:37,270 --> 00:53:35,839
hundred million trillion thousand

1434
00:53:39,589 --> 00:53:37,280
that number doesn't exist just want to

1435
00:53:41,670 --> 00:53:39,599
put that out there but

1436
00:53:45,190 --> 00:53:41,680
it just takes that one person for that

1437
00:53:46,870 --> 00:53:45,200
curiosity to peak once again so if you

1438
00:53:49,589 --> 00:53:46,880

want to be that voice create your

1439

00:53:51,349 --> 00:53:49,599

podcast right now please do research

1440

00:53:53,109 --> 00:53:51,359

when you interview guests don't go in

1441

00:53:55,750 --> 00:53:53,119

blind like a newbie

1442

00:53:58,950 --> 00:53:55,760

watch other people and learn from them

1443

00:54:00,950 --> 00:53:58,960

and you're gonna end up doing fantastic

1444

00:54:03,270 --> 00:54:00,960

if it truly is your passion to start a

1445

00:54:06,549 --> 00:54:03,280

podcast but don't create one if it's

1446

00:54:07,750 --> 00:54:06,559

just for gags do it for real

1447

00:54:10,790 --> 00:54:07,760

yeah absolutely it's got to be for the

1448

00:54:11,910 --> 00:54:10,800

right reasons and there are many reasons

1449

00:54:14,790 --> 00:54:11,920

you know

1450

00:54:16,630 --> 00:54:14,800

um so what's next for you i mean in the

1451
00:54:18,710 --> 00:54:16,640
short term in the coming weeks but also

1452
00:54:19,990 --> 00:54:18,720
long term let's let's sort two part

1453
00:54:22,150 --> 00:54:20,000
question

1454
00:54:25,190 --> 00:54:22,160
in the short term um

1455
00:54:26,710 --> 00:54:25,200
probably a nap but in the long term

1456
00:54:28,870 --> 00:54:26,720
in the long term

1457
00:54:29,750 --> 00:54:28,880
uh like i had mentioned a bit earlier

1458
00:54:33,430 --> 00:54:29,760
it's

1459
00:54:35,510 --> 00:54:33,440
really saving up to buy a trailer and to

1460
00:54:36,870 --> 00:54:35,520
travel the united states and and to

1461
00:54:38,470 --> 00:54:36,880
document it

1462
00:54:41,670 --> 00:54:38,480
so

1463
00:54:43,109 --> 00:54:41,680

that is very important for me and people

1464

00:54:44,789 --> 00:54:43,119

say oh you're just a college student

1465

00:54:46,789 --> 00:54:44,799

eating a lot of ramen i'm eating a lot

1466

00:54:50,309 --> 00:54:46,799

of ramen for the right reasons so i can

1467

00:54:55,750 --> 00:54:52,549

look at those future goals right there

1468

00:54:57,990 --> 00:54:55,760

so that is where my future lies there i

1469

00:54:59,750 --> 00:54:58,000

am working on three shows a week now

1470

00:55:01,829 --> 00:54:59,760

starting this week it'll be official it

1471

00:55:04,069 --> 00:55:01,839

should be just be two shows a week

1472

00:55:05,349 --> 00:55:04,079

now it'll be three if not more if i can

1473

00:55:06,789 --> 00:55:05,359

provide it

1474

00:55:08,950 --> 00:55:06,799

because

1475

00:55:10,710 --> 00:55:08,960

this conversation is

1476

00:55:12,950 --> 00:55:10,720

very important to have no matter how

1477

00:55:14,870 --> 00:55:12,960

many podcasts no matter how many

1478

00:55:17,109 --> 00:55:14,880

channels there are

1479

00:55:19,270 --> 00:55:17,119

if we just touch that one person it's

1480

00:55:21,670 --> 00:55:19,280

going to make that difference

1481

00:55:24,630 --> 00:55:21,680

yeah absolutely absolutely couldn't

1482

00:55:26,069 --> 00:55:24,640

agree more well before we finish um what

1483

00:55:28,150 --> 00:55:26,079

i want to say is that i think you're

1484

00:55:29,190 --> 00:55:28,160

doing great work um i think we need

1485

00:55:32,950 --> 00:55:29,200

people like

1486

00:55:34,390 --> 00:55:32,960

you i mean me and you and everyone but

1487

00:55:36,390 --> 00:55:34,400

yeah but this is the thing everyone that

1488

00:55:38,069 --> 00:55:36,400

does want a voice or just want to speak

1489

00:55:39,270 --> 00:55:38,079

to people in in the community because

1490

00:55:41,750 --> 00:55:39,280

you know we've been lucky enough to

1491

00:55:43,349 --> 00:55:41,760

speak to many guests just by putting

1492

00:55:44,950 --> 00:55:43,359

ourselves out there and i think that

1493

00:55:46,789 --> 00:55:44,960

more people if they want to do it should

1494

00:55:49,589 --> 00:55:46,799

do it so i completely agree there

1495

00:55:51,030 --> 00:55:49,599

completely agree um i'm just going to

1496

00:55:52,950 --> 00:55:51,040

throw this question up because it just

1497

00:55:55,190 --> 00:55:52,960

popped up and i saw it

1498

00:55:58,710 --> 00:55:55,200

what's your opinion spiritual phenomenon

1499

00:56:03,670 --> 00:56:00,549

my favorite commercial of all time sorry

1500

00:56:04,549 --> 00:56:03,680

but um why can't it be both

1501

00:56:09,430 --> 00:56:04,559

why

1502

00:56:11,670 --> 00:56:09,440

that we're seeing is just in one

1503

00:56:13,990 --> 00:56:11,680

category why place all your eggs in one

1504

00:56:16,549 --> 00:56:14,000

basket if you drop those eggs

1505

00:56:18,549 --> 00:56:16,559

who's how are you gonna have an omelet

1506

00:56:19,510 --> 00:56:18,559

it won't be possible right

1507

00:56:23,510 --> 00:56:19,520

so

1508

00:56:25,910 --> 00:56:23,520

spiritual i mean there are people

1509

00:56:28,950 --> 00:56:25,920

believe that there are multiple races

1510

00:56:30,870 --> 00:56:28,960

visiting us some believe there even

1511

00:56:33,430 --> 00:56:30,880

these entities classified as light

1512

00:56:35,349 --> 00:56:33,440

beings that can come in physical form or

1513

00:56:38,150 --> 00:56:35,359

in an energetic form

1514

00:56:39,670 --> 00:56:38,160

you can't place all them in in one in

1515

00:56:42,390 --> 00:56:39,680

one category i mean look at all the

1516

00:56:43,910 --> 00:56:42,400

plants we have on our planet alone are

1517

00:56:47,109 --> 00:56:43,920

they all classified as plants you're

1518

00:56:48,950 --> 00:56:47,119

going to call them flowers trees grass

1519

00:56:49,910 --> 00:56:48,960

so on and so forth

1520

00:56:52,710 --> 00:56:49,920

so

1521

00:56:58,470 --> 00:56:55,670

why not the both of them

1522

00:57:01,190 --> 00:56:58,480

no great answer completely agree now

1523

00:57:02,870 --> 00:57:01,200

i've put all of your links and stuff in

1524

00:57:04,710 --> 00:57:02,880

the description below but we also go out

1525

00:57:06,789 --> 00:57:04,720

on the anomalous podcast network so for

1526
00:57:08,630 --> 00:57:06,799
anybody that's listening to this where

1527
00:57:11,589 --> 00:57:08,640
can we find you

1528
00:57:13,589 --> 00:57:11,599
you can find me best on twitter i place

1529
00:57:17,589 --> 00:57:13,599
all of my updates and all of my shows on

1530
00:57:20,309 --> 00:57:17,599
there at eyes underscore on the skies or

1531
00:57:23,349 --> 00:57:20,319
you can catch me on youtube and on all

1532
00:57:25,430 --> 00:57:23,359
podcast platforms typing in christina

1533
00:57:27,750 --> 00:57:25,440
gomez there's no h so it's just

1534
00:57:32,870 --> 00:57:27,760
c-r-i-s-t-i-n-a

1535
00:57:34,710 --> 00:57:32,880
gomez or at paradigm shifts

1536
00:57:36,150 --> 00:57:34,720
awesome i want to thank you so much for

1537
00:57:38,390 --> 00:57:36,160
joining me today if you don't mind

1538
00:57:40,309 --> 00:57:38,400

hanging about till we finish the show we

1539

00:57:43,030 --> 00:57:40,319

can just have a little debrief pun

1540

00:57:45,589 --> 00:57:43,040

intended after the show um

1541

00:57:46,870 --> 00:57:45,599

thank you to everybody watching uh i

1542

00:57:49,030 --> 00:57:46,880

really appreciate everybody and the

1543

00:57:51,030 --> 00:57:49,040

questions were great today i mean they

1544

00:57:53,030 --> 00:57:51,040

always are but thank you guys so much

1545

00:57:54,870 --> 00:57:53,040

i'm going to be back next week uh where

1546

00:57:57,190 --> 00:57:54,880

i'll be joined by tim mcmillan i'm

1547

00:57:58,950 --> 00:57:57,200

looking forward to speaking to tim um

1548

00:58:01,430 --> 00:57:58,960

but guys go follow me on twitter and

1549

00:58:03,670 --> 00:58:01,440

instagram for all my updates as well

1550

00:58:05,510 --> 00:58:03,680

but for now thank you for watching and

1551

00:58:06,549 --> 00:58:05,520

listening and i'll see you soon take
