Randall Nickerson

1
00:00:11,749 --> 00:00:08,230
[Music]

2
00:00:11,759 --> 00:00:16,250
oh

3
00:00:38,709 --> 00:00:23,260
[Music]

4
00:00:43,030 --> 00:00:41,030
welcome back everybody to the disclosure

5
00:00:45,110 --> 00:00:43,040
team youtube channel i'm your host

6
00:00:46,950 --> 00:00:45,120
vinnie adams uh it's good to see

7
00:00:48,150 --> 00:00:46,960
everybody here in the live chat already

8
00:00:51,670 --> 00:00:48,160
i'm really looking forward to this

9
00:00:54,549 --> 00:00:51,680
conversation i've been um following all

10
00:00:56,310 --> 00:00:54,559
the information of the aerial case since

11
00:00:58,389 --> 00:00:56,320
i first heard about it

12
00:01:01,110 --> 00:00:58,399
anyone familiar with my channel from

13
00:01:03,990 --> 00:01:01,120

last year i interviewed gunter hofer who

14

00:01:06,070 --> 00:01:04,000

was um working with cynthia hind at the

15

00:01:07,830 --> 00:01:06,080

time and was on the scene uh following

16

00:01:09,590 --> 00:01:07,840

the case that same week

17

00:01:11,429 --> 00:01:09,600

um so that if you haven't heard that i

18

00:01:13,510 --> 00:01:11,439

highly recommend it gunter is just a

19

00:01:15,270 --> 00:01:13,520

wealth of knowledge and information as

20

00:01:17,510 --> 00:01:15,280

well as a lovely guy so go and check

21

00:01:19,590 --> 00:01:17,520

that out um but let's not waste any more

22

00:01:22,230 --> 00:01:19,600

time let's bring in my guest today and i

23

00:01:24,550 --> 00:01:22,240

would like to welcome and introduce

24

00:01:26,310 --> 00:01:24,560

mr randall nicholson randall how are you

25

00:01:28,149 --> 00:01:26,320

hi agree

26

00:01:30,230 --> 00:01:28,159

thank you so much for doing this yeah i

27

00:01:32,550 --> 00:01:30,240

really really appreciate it

28

00:01:34,550 --> 00:01:32,560

and i call out to gun gunter yeah i love

29

00:01:36,230 --> 00:01:34,560

what you said about gunter that's uh

30

00:01:37,670 --> 00:01:36,240

he's a really good man

31

00:01:39,670 --> 00:01:37,680

absolutely

32

00:01:41,190 --> 00:01:39,680

uh so randall i think it'd be great if

33

00:01:43,270 --> 00:01:41,200

we could just start with a little bit of

34

00:01:44,630 --> 00:01:43,280

a background for yourself you know uh

35

00:01:47,109 --> 00:01:44,640

your career and how you got into

36

00:01:47,990 --> 00:01:47,119

filmmaking if you don't mind

37

00:01:51,109 --> 00:01:48,000

uh

38

00:01:53,350 --> 00:01:51,119

it started when i was a kid actually um

39

00:01:55,350 --> 00:01:53,360

my mom gave me a camera i think it was

40

00:01:57,830 --> 00:01:55,360

in fifth grade and then

41

00:01:59,429 --> 00:01:57,840

she bought a really nice video camera

42

00:02:00,709 --> 00:01:59,439

and when i was in like eighth grade for

43

00:02:02,709 --> 00:02:00,719

her

44

00:02:03,830 --> 00:02:02,719

and i'm the one that ended up using it

45

00:02:05,830 --> 00:02:03,840

all the time

46

00:02:07,590 --> 00:02:05,840

and i just shot and shot and shot a lot

47

00:02:09,270 --> 00:02:07,600

of nature because i was i grew up in a

48

00:02:11,029 --> 00:02:09,280

log cabin out in the middle of the

49

00:02:13,350 --> 00:02:11,039

hundreds of acres

50

00:02:14,550 --> 00:02:13,360

and across from my grandfather's farm

51
00:02:18,390 --> 00:02:14,560
and um

52
00:02:20,229 --> 00:02:18,400
anyway i never i love the camera i love

53
00:02:22,550 --> 00:02:20,239
filming uh

54
00:02:25,510 --> 00:02:22,560
you know being able to

55
00:02:27,750 --> 00:02:25,520
not just only say you know um

56
00:02:29,670 --> 00:02:27,760
see something but be able to show the

57
00:02:31,270 --> 00:02:29,680
story to somebody else

58
00:02:33,830 --> 00:02:31,280
like yeah i really did encounter that

59
00:02:34,790 --> 00:02:33,840
bear here you go

60
00:02:37,830 --> 00:02:34,800
you know

61
00:02:40,070 --> 00:02:37,840
because people are like yeah yeah um so

62
00:02:42,949 --> 00:02:40,080
that's that was started it and then i uh

63
00:02:45,910 --> 00:02:42,959

i started doing stand-in work on films

64

00:02:47,270 --> 00:02:45,920

big movies like mermaids and

65

00:02:50,390 --> 00:02:47,280

um

66

00:02:52,790 --> 00:02:50,400

school ties blown away all that

67

00:02:55,270 --> 00:02:52,800

standing in for a lot of very

68

00:02:56,869 --> 00:02:55,280

well-known people and i learned

69

00:02:59,030 --> 00:02:56,879

when you do stand-in work you're around

70

00:03:00,869 --> 00:02:59,040

the camera a lot director and the

71

00:03:02,550 --> 00:03:00,879

lighting people are there

72

00:03:03,910 --> 00:03:02,560

director photography

73

00:03:07,110 --> 00:03:03,920

director of photography is there as a

74

00:03:08,550 --> 00:03:07,120

camera i was like god i like this

75

00:03:10,470 --> 00:03:08,560

when i um

76

00:03:13,589 --> 00:03:10,480

you know i went through a

77

00:03:16,229 --> 00:03:13,599

little rough time in my 20s and um

78

00:03:20,710 --> 00:03:16,239

i uh came back to it and i started

79

00:03:24,869 --> 00:03:23,589

you know five minute films fictional

80

00:03:26,710 --> 00:03:24,879

and then

81

00:03:29,270 --> 00:03:26,720

i was down

82

00:03:30,550 --> 00:03:29,280

in new york city on 911 i was two blocks

83

00:03:32,710 --> 00:03:30,560

north

84

00:03:34,309 --> 00:03:32,720

when that happened and i had my camera

85

00:03:35,830 --> 00:03:34,319

rolling

86

00:03:39,270 --> 00:03:35,840

um

87

00:03:42,229 --> 00:03:39,280

i it was that moment that i i said i

88

00:03:44,470 --> 00:03:42,239

need to tell stories real stories

89

00:03:45,670 --> 00:03:44,480

not fictional stories real stories and

90

00:03:47,750 --> 00:03:45,680

that's that

91

00:03:50,470 --> 00:03:47,760

because i it was in that moment i felt

92

00:03:52,309 --> 00:03:50,480

god what do i have to give

93

00:03:54,149 --> 00:03:52,319

you know i saw

94

00:03:56,710 --> 00:03:54,159

like many of my friends that were in the

95

00:03:57,750 --> 00:03:56,720

building that were all around

96

00:04:00,229 --> 00:03:57,760

um

97

00:04:02,070 --> 00:04:00,239

we all had different experiences but it

98

00:04:02,869 --> 00:04:02,080

changed all our lives and that's really

99

00:04:05,270 --> 00:04:02,879

what

100

00:04:07,990 --> 00:04:05,280

started me to say i'm that's it i'm

101
00:04:08,949 --> 00:04:08,000
making uh making movies

102
00:04:13,190 --> 00:04:08,959
to help

103
00:04:14,550 --> 00:04:13,200
us i mean when you see airplanes go into

104
00:04:15,750 --> 00:04:14,560
buildings

105
00:04:16,469 --> 00:04:15,760
uh

106
00:04:20,550 --> 00:04:16,479
you

107
00:04:22,310 --> 00:04:20,560
yeah

108
00:04:24,070 --> 00:04:22,320
situation somehow

109
00:04:25,590 --> 00:04:24,080
yeah what an effect that must have had

110
00:04:27,430 --> 00:04:25,600
absolutely

111
00:04:28,870 --> 00:04:27,440
and so when did string theory films come

112
00:04:30,070 --> 00:04:28,880
about

113
00:04:31,670 --> 00:04:30,080

i think

114

00:04:35,350 --> 00:04:31,680

i had a company called string theory

115

00:04:37,430 --> 00:04:35,360

piano because i was a pianist uh tuned

116

00:04:39,030 --> 00:04:37,440

pianos repaired pianos

117

00:04:40,629 --> 00:04:39,040

still do

118

00:04:44,070 --> 00:04:40,639

that's i can do that anywhere in the

119

00:04:45,909 --> 00:04:44,080

world and um focusing more on playing at

120

00:04:48,629 --> 00:04:45,919

the moment and uh

121

00:04:52,870 --> 00:04:48,639

so and then it went to when i really

122

00:04:54,230 --> 00:04:52,880

decided to i started string theory films

123

00:04:56,070 --> 00:04:54,240

and uh

124

00:04:58,629 --> 00:04:56,080

and the reason string theory like i do

125

00:05:01,029 --> 00:04:58,639

understand some of the science of it um

126
00:05:02,550 --> 00:05:01,039
probably more than most um but it was

127
00:05:04,150 --> 00:05:02,560
the fact that things are everything's

128
00:05:05,670 --> 00:05:04,160
connected

129
00:05:08,830 --> 00:05:05,680
that uh

130
00:05:11,749 --> 00:05:10,390
yeah

131
00:05:14,469 --> 00:05:11,759
it explains a lot

132
00:05:16,390 --> 00:05:14,479
yeah absolutely um

133
00:05:19,029 --> 00:05:16,400
so now i mean before we get into the

134
00:05:21,909 --> 00:05:19,039
actual mean potatoes of the story um of

135
00:05:24,390 --> 00:05:21,919
the ariel school sighting

136
00:05:26,390 --> 00:05:24,400
initially now uh since the release how

137
00:05:28,790 --> 00:05:26,400
has it been received are you happy has

138
00:05:30,310 --> 00:05:28,800

it exceeded expectations

139

00:05:33,270 --> 00:05:30,320

yeah

140

00:05:36,870 --> 00:05:33,280

by a long shot i mean as far as

141

00:05:38,390 --> 00:05:36,880

people seeing and commenting and

142

00:05:41,189 --> 00:05:38,400

just uh

143

00:05:43,430 --> 00:05:41,199

i yeah it just feels very good um

144

00:05:46,629 --> 00:05:43,440

i know that the witnesses and some of

145

00:05:48,950 --> 00:05:46,639

the teachers that have talked to me like

146

00:05:50,150 --> 00:05:48,960

what i did and to me that that's

147

00:05:52,230 --> 00:05:50,160

important

148

00:05:54,230 --> 00:05:52,240

if if the people your

149

00:05:56,070 --> 00:05:54,240

your subject matter is on are happy

150

00:06:01,510 --> 00:05:56,080

that's

151
00:06:03,189 --> 00:06:01,520
um but it's doing well we um

152
00:06:05,350 --> 00:06:03,199
we just found out we had a launch on

153
00:06:07,590 --> 00:06:05,360
sept may 9th and

154
00:06:08,790 --> 00:06:07,600
you know what didn't go very well

155
00:06:10,150 --> 00:06:08,800
so

156
00:06:12,710 --> 00:06:10,160
we had

157
00:06:15,510 --> 00:06:12,720
one it guy and

158
00:06:16,950 --> 00:06:15,520
one team team look at it and then

159
00:06:19,350 --> 00:06:16,960
another team

160
00:06:21,510 --> 00:06:19,360
and they both told us we were hacked on

161
00:06:22,390 --> 00:06:21,520
may 19th

162
00:06:24,870 --> 00:06:22,400
so

163
00:06:25,749 --> 00:06:24,880

it wasn't our fault i can finally say

164

00:06:29,830 --> 00:06:25,759

that

165

00:06:31,909 --> 00:06:29,840

will be transparent about it um but

166

00:06:32,830 --> 00:06:31,919

we're trying to trace it back to uh

167

00:06:36,550 --> 00:06:32,840

where it

168

00:06:37,990 --> 00:06:36,560

originated wow that's unbelievable yeah

169

00:06:39,189 --> 00:06:38,000

i mean i was following the release and

170

00:06:41,110 --> 00:06:39,199

everything and i saw the the

171

00:06:43,590 --> 00:06:41,120

difficulties you encountered

172

00:06:45,990 --> 00:06:43,600

but you know i knew it would be just

173

00:06:48,390 --> 00:06:46,000

something prozac and normal and out of

174

00:06:49,990 --> 00:06:48,400

your control um

175

00:06:52,070 --> 00:06:50,000

so that's understandable you were ready

176

00:06:55,029 --> 00:06:52,080

i mean that's what bothered me it's like

177

00:06:58,070 --> 00:06:55,039

and everybody was like wait a second

178

00:07:00,070 --> 00:06:58,080

was it us and then when we had uh you

179

00:07:01,589 --> 00:07:00,080

know these it

180

00:07:04,309 --> 00:07:01,599

forensics guys

181

00:07:05,110 --> 00:07:04,319

look at all the logs and and you know

182

00:07:09,909 --> 00:07:05,120

the

183

00:07:11,990 --> 00:07:09,919

and um

184

00:07:13,589 --> 00:07:12,000

so it was a kind of a surprise you know

185

00:07:15,589 --> 00:07:13,599

i didn't expect that

186

00:07:16,950 --> 00:07:15,599

i was thinking oh somebody on my team

187

00:07:18,550 --> 00:07:16,960

messed up and

188

00:07:20,150 --> 00:07:18,560

that wasn't it

189

00:07:21,510 --> 00:07:20,160

so i don't know

190

00:07:23,990 --> 00:07:21,520

all you can do is move through that

191

00:07:26,070 --> 00:07:24,000

stuff but we did i do want to tell the

192

00:07:29,029 --> 00:07:26,080

public that that

193

00:07:31,350 --> 00:07:29,039

that was somebody some

194

00:07:33,350 --> 00:07:31,360

somebody uh wanted that taken down you

195

00:07:35,189 --> 00:07:33,360

know make they wanted to make it very

196

00:07:37,029 --> 00:07:35,199

difficult for us

197

00:07:39,430 --> 00:07:37,039

well it got resolved

198

00:07:41,189 --> 00:07:39,440

it got resolved and we're good

199

00:07:42,710 --> 00:07:41,199

so so obviously you released it

200

00:07:44,309 --> 00:07:42,720

independently

201
00:07:46,309 --> 00:07:44,319
uh i just wondered what made you choose

202
00:07:48,309 --> 00:07:46,319
that route other than any of the

203
00:07:51,029 --> 00:07:48,319
other options let's say

204
00:07:53,830 --> 00:07:51,039
well i had some huge options i'm sorry

205
00:08:00,150 --> 00:07:55,990
um

206
00:08:02,550 --> 00:08:00,160
i don't know how much i could speak

207
00:08:03,909 --> 00:08:02,560
about this

208
00:08:05,589 --> 00:08:03,919
uh

209
00:08:08,230 --> 00:08:05,599
i had one with one of the biggest

210
00:08:10,629 --> 00:08:08,240
streamers in their especially

211
00:08:11,830 --> 00:08:10,639
the originals department

212
00:08:14,230 --> 00:08:11,840
so

213
00:08:17,110 --> 00:08:14,240

that went on um

214

00:08:20,150 --> 00:08:17,120

for about eight months and uh

215

00:08:22,390 --> 00:08:20,160

they wanted to make changes and

216

00:08:24,710 --> 00:08:22,400

there the changes they wanted to make i

217

00:08:27,430 --> 00:08:24,720

did not agree with at all because they

218

00:08:30,309 --> 00:08:27,440

had nothing to do with the story

219

00:08:33,269 --> 00:08:30,319

so that went and uh that went away and

220

00:08:35,110 --> 00:08:33,279

then another very large uh

221

00:08:36,310 --> 00:08:35,120

movie company

222

00:08:37,909 --> 00:08:36,320

um

223

00:08:41,029 --> 00:08:37,919

one of the largest i can't believe i

224

00:08:43,190 --> 00:08:41,039

told them sorry no i can't believe

225

00:08:47,269 --> 00:08:45,269

oh my god uh

226

00:08:48,710 --> 00:08:47,279

but they again they were they wanted to

227

00:08:50,310 --> 00:08:48,720

change the story

228

00:08:52,310 --> 00:08:50,320

they didn't have a date of when it would

229

00:08:55,190 --> 00:08:52,320

be released and i in january i said

230

00:08:57,509 --> 00:08:55,200

that's it that's it

231

00:08:58,790 --> 00:08:57,519

i'm putting this out myself

232

00:09:01,910 --> 00:08:58,800

um

233

00:09:05,430 --> 00:09:01,920

at great risk to be honest because of i

234

00:09:06,949 --> 00:09:05,440

had i mean like the money i was offered

235

00:09:09,110 --> 00:09:06,959

was i wouldn't be

236

00:09:11,030 --> 00:09:09,120

panicking at all

237

00:09:13,110 --> 00:09:11,040

i'd be in a good place and be like okay

238

00:09:14,550 --> 00:09:13,120

yeah but it was

239

00:09:16,070 --> 00:09:14,560

you know

240

00:09:17,509 --> 00:09:16,080

they wanted to change something that was

241

00:09:19,590 --> 00:09:17,519

already good

242

00:09:21,190 --> 00:09:19,600

yeah you know told in first person no

243

00:09:23,590 --> 00:09:21,200

one else needed to be in that movie

244

00:09:25,269 --> 00:09:23,600

except the people that witnessed it

245

00:09:26,470 --> 00:09:25,279

everybody's first person in the film and

246

00:09:29,430 --> 00:09:26,480

that's rare

247

00:09:30,470 --> 00:09:29,440

um it's no here stay it's none of that

248

00:09:31,990 --> 00:09:30,480

so

249

00:09:33,030 --> 00:09:32,000

it's been a struggle

250

00:09:34,550 --> 00:09:33,040

you know

251

00:09:37,910 --> 00:09:34,560

with uh

252

00:09:39,269 --> 00:09:37,920

the powers that be in the film world um

253

00:09:40,150 --> 00:09:39,279

but i'm hoping that's going to come

254

00:09:41,910 --> 00:09:40,160

around

255

00:09:45,509 --> 00:09:41,920

now that i've put it out

256

00:09:47,190 --> 00:09:45,519

and that it's doing well and that it

257

00:09:49,110 --> 00:09:47,200

people you know those people are seeing

258

00:09:51,190 --> 00:09:49,120

like well whatever this guy did it's

259

00:09:54,150 --> 00:09:51,200

working you know it works as a film and

260

00:09:55,590 --> 00:09:54,160

people are really taken for a ride

261

00:09:56,550 --> 00:09:55,600

um

262

00:09:59,269 --> 00:09:56,560

and

263

00:10:01,190 --> 00:09:59,279

that's exciting so i expect things to

264

00:10:02,230 --> 00:10:01,200

change pretty quick i'm already seeing

265

00:10:08,949 --> 00:10:02,240

the

266

00:10:11,269 --> 00:10:08,959

already so that's great so hopefully

267

00:10:13,509 --> 00:10:11,279

by august it's going to be

268

00:10:15,509 --> 00:10:13,519

everywhere and that was the to make this

269

00:10:17,509 --> 00:10:15,519

film like get it out i wanted everybody

270

00:10:18,710 --> 00:10:17,519

in the world to see this not for me not

271

00:10:19,990 --> 00:10:18,720

for the money

272

00:10:23,030 --> 00:10:20,000

it's just for the

273

00:10:24,710 --> 00:10:23,040

do you guys understand this happened

274

00:10:26,470 --> 00:10:24,720

you know it's not just one incident

275

00:10:28,870 --> 00:10:26,480

there's this stuff has been happening a

276

00:10:30,710 --> 00:10:28,880

long time all over the globe

277

00:10:32,790 --> 00:10:30,720

there's this is just one story there's a

278

00:10:34,150 --> 00:10:32,800

lot more stories

279

00:10:35,750 --> 00:10:34,160

so

280

00:10:37,350 --> 00:10:35,760

yeah that's great that's really good to

281

00:10:39,190 --> 00:10:37,360

hear and i think the one thing that

282

00:10:41,590 --> 00:10:39,200

stands out for me in this documentary is

283

00:10:43,350 --> 00:10:41,600

that it's not just a ufo documentary

284

00:10:45,750 --> 00:10:43,360

it's it's got everything in it it's

285

00:10:47,509 --> 00:10:45,760

beautiful it's moving you know i have a

286

00:10:49,430 --> 00:10:47,519

really supportive partner but we don't

287

00:10:51,670 --> 00:10:49,440

sit down together and watch ufo

288

00:10:53,509 --> 00:10:51,680

documentaries but with this one we did

289

00:10:55,590 --> 00:10:53,519

and she was blown away by it and i think

290

00:10:57,829 --> 00:10:55,600

that really just shows

291

00:10:59,430 --> 00:10:57,839

your work is you know and how great it

292

00:11:01,269 --> 00:10:59,440

was and like you said if it was changed

293

00:11:02,790 --> 00:11:01,279

by a big network or anything it may not

294

00:11:05,269 --> 00:11:02,800

have had that raw

295

00:11:07,190 --> 00:11:05,279

emotion or effect that it that it has

296

00:11:09,590 --> 00:11:07,200

got so you know i respect that your

297

00:11:10,550 --> 00:11:09,600

decisions an awful lot to not just go

298

00:11:12,790 --> 00:11:10,560

with

299

00:11:15,670 --> 00:11:12,800

the big paycheck and stay true to the to

300

00:11:17,430 --> 00:11:15,680

the kids i suppose more than anything

301
00:11:19,670 --> 00:11:17,440
it was it was true to the kids and true

302
00:11:22,389 --> 00:11:19,680
to the story yeah i appreciate that

303
00:11:25,990 --> 00:11:22,399
thank you and i i um

304
00:11:29,430 --> 00:11:26,000
yeah i do hope it uh reaches a lot of

305
00:11:30,230 --> 00:11:29,440
and i didn't want to do a typical ufo

306
00:11:33,030 --> 00:11:30,240
film

307
00:11:35,110 --> 00:11:33,040
because it's its own genre

308
00:11:36,630 --> 00:11:35,120
it's become its own genre

309
00:11:39,430 --> 00:11:36,640
and that's like well why aren't we

310
00:11:42,310 --> 00:11:39,440
telling these real stories about people

311
00:11:44,069 --> 00:11:42,320
in the way we tell real stories about

312
00:11:46,550 --> 00:11:44,079
somebody that's

313
00:11:48,790 --> 00:11:46,560

in any other situation

314

00:11:50,550 --> 00:11:48,800

you know we treat it with a different

315

00:11:52,790 --> 00:11:50,560

way and i wanted to say

316

00:11:54,069 --> 00:11:52,800

let's do that with this it's just as

317

00:11:56,310 --> 00:11:54,079

important

318

00:11:58,629 --> 00:11:56,320

why should we have this standard thing

319

00:12:01,910 --> 00:11:58,639

about ufo the way you make a ufo movie

320

00:12:03,110 --> 00:12:01,920

so i wanted to break that not use a

321

00:12:04,790 --> 00:12:03,120

a um

322

00:12:05,829 --> 00:12:04,800

narrator

323

00:12:10,710 --> 00:12:05,839

and

324

00:12:13,269 --> 00:12:10,720

uh make the person feel like they're

325

00:12:15,350 --> 00:12:13,279

with these it was all real we

326

00:12:17,350 --> 00:12:15,360

every shot was like

327

00:12:19,670 --> 00:12:17,360

it really happened you didn't stage

328

00:12:21,829 --> 00:12:19,680

that's any of that it was it was kind of

329

00:12:23,430 --> 00:12:21,839

run and gun they call it where you're

330

00:12:25,110 --> 00:12:23,440

you're trying to keep up with what's

331

00:12:27,350 --> 00:12:25,120

going on and you're

332

00:12:28,629 --> 00:12:27,360

hopefully not behind the people when

333

00:12:30,389 --> 00:12:28,639

it's happening

334

00:12:32,150 --> 00:12:30,399

you know you go you try to want to you

335

00:12:35,350 --> 00:12:32,160

got to get into the front but you'll see

336

00:12:38,150 --> 00:12:35,360

a couple behind shots where it's like ah

337

00:12:41,030 --> 00:12:38,160

i'm behind them and i or behind emily or

338

00:12:43,910 --> 00:12:41,040

behind somebody and like okay damn it

339

00:12:47,670 --> 00:12:45,910

i did a lot of running not just me but

340

00:12:50,310 --> 00:12:47,680

christopher too

341

00:12:52,069 --> 00:12:50,320

he's been amazing as a story editor

342

00:12:53,990 --> 00:12:52,079

editor

343

00:12:55,269 --> 00:12:54,000

yeah he's

344

00:12:57,110 --> 00:12:55,279

he's been great

345

00:12:57,990 --> 00:12:57,120

brilliant man went to high school with

346

00:12:59,430 --> 00:12:58,000

them

347

00:13:01,350 --> 00:12:59,440

wow

348

00:13:03,910 --> 00:13:01,360

yeah

349

00:13:10,069 --> 00:13:03,920

so you bounce off each other well then

350

00:13:14,150 --> 00:13:11,910

yeah we uh

351

00:13:16,870 --> 00:13:14,160

yeah we got a lot of history

352

00:13:19,670 --> 00:13:16,880

good stuff so let's jump back like 15

353

00:13:21,590 --> 00:13:19,680

years or so and when the aerial case

354

00:13:23,030 --> 00:13:21,600

first came on your radar do you remember

355

00:13:25,990 --> 00:13:23,040

how that happened

356

00:13:27,590 --> 00:13:26,000

john mack uh at his i believe it was his

357

00:13:29,590 --> 00:13:27,600

office

358

00:13:31,990 --> 00:13:29,600

i keep trying i mean i keep remembering

359

00:13:35,269 --> 00:13:32,000

about that like where was that i think

360

00:13:36,790 --> 00:13:35,279

it was his office uh board room like in

361

00:13:37,590 --> 00:13:36,800

his place

362

00:13:39,030 --> 00:13:37,600

and

363

00:13:41,670 --> 00:13:39,040

he showed the video

364

00:13:43,829 --> 00:13:41,680

of these kids and i'm like

365

00:13:45,910 --> 00:13:43,839

caught my attention right away

366

00:13:49,269 --> 00:13:45,920

um just because they they were telling

367

00:13:51,110 --> 00:13:49,279

the truth about something for sure and i

368

00:13:53,269 --> 00:13:51,120

didn't know too much about the incident

369

00:13:56,150 --> 00:13:53,279

or how what happened but i

370

00:13:58,629 --> 00:13:56,160

i listened to them and then

371

00:14:00,470 --> 00:13:58,639

yeah it wasn't until 12 years later that

372

00:14:04,069 --> 00:14:00,480

i got the offer to

373

00:14:05,750 --> 00:14:04,079

tell the story i was like absolutely

374

00:14:07,189 --> 00:14:05,760

and then it became bigger than i thought

375

00:14:09,350 --> 00:14:07,199

it was

376

00:14:12,389 --> 00:14:09,360

you know everything every time i found

377

00:14:14,949 --> 00:14:12,399

out something new about it

378

00:14:17,590 --> 00:14:14,959

you know more footage was out there

379

00:14:18,389 --> 00:14:17,600

the bbc reporter what

380

00:14:20,710 --> 00:14:18,399

you know

381

00:14:23,910 --> 00:14:20,720

it just kept adding up i'm like oh my

382

00:14:27,269 --> 00:14:23,920

god this was huge like it affected a lot

383

00:14:30,949 --> 00:14:29,670

parents i mean everybody around that

384

00:14:32,310 --> 00:14:30,959

area

385

00:14:34,470 --> 00:14:32,320

yes

386

00:14:36,389 --> 00:14:34,480

i yeah i can't wait till more people go

387

00:14:38,710 --> 00:14:36,399

public and talk

388

00:14:41,110 --> 00:14:38,720

because there's a plenty of witnesses

389

00:14:42,710 --> 00:14:41,120

and not outside the school

390

00:14:44,150 --> 00:14:42,720

oh wow yeah

391

00:14:45,430 --> 00:14:44,160

i had to cut all those people out of the

392

00:14:47,829 --> 00:14:45,440

movie

393

00:14:50,150 --> 00:14:47,839

to concentrate on ariel

394

00:14:53,189 --> 00:14:50,160

wow but there are a lot of witnesses

395

00:14:55,110 --> 00:14:53,199

that also saw this thing

396

00:14:59,110 --> 00:14:55,120

so i have no i have no problem with

397

00:15:00,310 --> 00:14:59,120

critics or debunkers i don't care

398

00:15:01,750 --> 00:15:00,320

bring it

399

00:15:04,389 --> 00:15:01,760

yes

400

00:15:06,790 --> 00:15:04,399

that's interesting i just don't i and

401
00:15:09,350 --> 00:15:06,800
it's like i've got so much in the can

402
00:15:11,590 --> 00:15:09,360
that if whatever people bring up you

403
00:15:14,550 --> 00:15:11,600
know if i need to to say i'm sorry

404
00:15:17,030 --> 00:15:14,560
that's wrong i got video and i got and

405
00:15:18,470 --> 00:15:17,040
not just that other things to

406
00:15:20,949 --> 00:15:18,480
to prove it

407
00:15:22,069 --> 00:15:20,959
wow that's good to have it's good to

408
00:15:27,030 --> 00:15:22,079
know

409
00:15:28,470 --> 00:15:27,040
and then because they're gonna say

410
00:15:30,310 --> 00:15:28,480
who knows but i'm not worried about

411
00:15:32,069 --> 00:15:30,320
critics but

412
00:15:33,749 --> 00:15:32,079
sure i understand

413
00:15:35,509 --> 00:15:33,759

so tell us a bit more about john mack i

414

00:15:37,590 --> 00:15:35,519

mean meeting the guy

415

00:15:39,430 --> 00:15:37,600

it must have been something special you

416

00:15:41,350 --> 00:15:39,440

know can you talk about what he was like

417

00:15:43,430 --> 00:15:41,360

and you know we'll hear about him and we

418

00:15:45,430 --> 00:15:43,440

read about him but

419

00:15:47,430 --> 00:15:45,440

i'd love to know from someone that's

420

00:15:49,749 --> 00:15:47,440

spent time with him what he was like and

421

00:15:52,150 --> 00:15:49,759

how he how he rubbed off on you let's

422

00:15:57,990 --> 00:15:53,269

um

423

00:16:02,310 --> 00:16:00,629

inquisitive man

424

00:16:05,350 --> 00:16:02,320

uh

425

00:16:07,990 --> 00:16:05,360

a thinker a giant thinker

426

00:16:10,790 --> 00:16:08,000

you know i'll never forget sitting in a

427

00:16:12,710 --> 00:16:10,800

room with him just talking with him and

428

00:16:14,870 --> 00:16:12,720

looking at his eyes i'm like wow this

429

00:16:15,829 --> 00:16:14,880

guy is brilliant

430

00:16:18,470 --> 00:16:15,839

you know

431

00:16:19,430 --> 00:16:18,480

yeah he's on another he's had another

432

00:16:21,189 --> 00:16:19,440

plane

433

00:16:23,910 --> 00:16:21,199

uh of of

434

00:16:24,790 --> 00:16:23,920

intelligence um

435

00:16:26,710 --> 00:16:24,800

yeah

436

00:16:28,069 --> 00:16:26,720

he was a good man and i and he took the

437

00:16:28,870 --> 00:16:28,079

fight

438

00:16:33,910 --> 00:16:28,880

he

439

00:16:37,509 --> 00:16:33,920

you know i'm not saying you know

440

00:16:40,629 --> 00:16:37,519

his family relationships friendships he

441

00:16:43,590 --> 00:16:40,639

put everything on the line his career

442

00:16:50,150 --> 00:16:47,110

when someone does that it's hard to

443

00:16:51,350 --> 00:16:50,160

not respect that you know and uh honor

444

00:16:53,590 --> 00:16:51,360

that like

445

00:16:54,870 --> 00:16:53,600

the matter doesn't i had disagreements

446

00:16:56,790 --> 00:16:54,880

with john too

447

00:16:57,910 --> 00:16:56,800

you know it's not like

448

00:16:58,629 --> 00:16:57,920

you know

449

00:17:01,189 --> 00:16:58,639

but

450

00:17:13,270 --> 00:17:01,199

i don't care he did something that

451
00:17:17,750 --> 00:17:15,350
let's talk about making

452
00:17:20,150 --> 00:17:17,760
the documentary i'd love to hear some

453
00:17:22,150 --> 00:17:20,160
behind-the-scenes stories of

454
00:17:24,710 --> 00:17:22,160
if you can just you know regale us with

455
00:17:27,750 --> 00:17:24,720
some tales that would be amazing

456
00:17:30,710 --> 00:17:27,760
uh well my first trip i was alone and uh

457
00:17:32,390 --> 00:17:30,720
well no i i was alone for a long time

458
00:17:34,870 --> 00:17:32,400
but i first went into the country with

459
00:17:36,230 --> 00:17:34,880
nikki carter one of the other reporters

460
00:17:37,190 --> 00:17:36,240
and uh

461
00:17:40,870 --> 00:17:37,200
uh

462
00:17:43,669 --> 00:17:40,880
that was in 08 when zimbabwe was having

463
00:17:45,669 --> 00:17:43,679

you know major

464

00:17:47,430 --> 00:17:45,679

political upheaval i was warned by the

465

00:17:48,470 --> 00:17:47,440

state department not to go into the

466

00:17:49,750 --> 00:17:48,480

country

467

00:17:51,669 --> 00:17:49,760

and then i found out i wasn't supposed

468

00:17:52,630 --> 00:17:51,679

to be in the country at all

469

00:17:56,870 --> 00:17:52,640

so

470

00:17:57,830 --> 00:17:56,880

was american and i had all this camera

471

00:18:00,710 --> 00:17:57,840

gear

472

00:18:03,350 --> 00:18:00,720

and we spread it amongst all the bags

473

00:18:05,830 --> 00:18:03,360

there was a lens over here the mic was

474

00:18:08,470 --> 00:18:05,840

in like her pocketbook

475

00:18:11,029 --> 00:18:08,480

and we we we went in like a couple like

476

00:18:12,870 --> 00:18:11,039

we we acted like a couple

477

00:18:14,630 --> 00:18:12,880

we landed at the airport there's this

478

00:18:16,230 --> 00:18:14,640

guy within a business

479

00:18:18,390 --> 00:18:16,240

suit i mean

480

00:18:19,909 --> 00:18:18,400

thousands of dollars business suit big

481

00:18:21,750 --> 00:18:19,919

gold watch

482

00:18:23,190 --> 00:18:21,760

phone in his hand and he followed us

483

00:18:25,510 --> 00:18:23,200

everywhere

484

00:18:28,549 --> 00:18:25,520

and this was the cio which is basically

485

00:18:31,510 --> 00:18:28,559

their intelligence and they he he stood

486

00:18:32,950 --> 00:18:31,520

behind us very close we knew it was

487

00:18:33,830 --> 00:18:32,960

they were trying to figure out who we

488

00:18:36,549 --> 00:18:33,840

were

489

00:18:39,029 --> 00:18:36,559

right and uh he stood so close behind us

490

00:18:41,190 --> 00:18:39,039

and we just played it nikki acted i

491

00:18:42,870 --> 00:18:41,200

acted because we had to

492

00:18:46,150 --> 00:18:42,880

you know we just played it like we're

493

00:18:48,870 --> 00:18:46,160

going on safari in zimbabwe and then we

494

00:18:50,390 --> 00:18:48,880

got out of the airport it was fine

495

00:18:52,310 --> 00:18:50,400

um

496

00:18:54,710 --> 00:18:52,320

they didn't nobody followed us out there

497

00:18:57,669 --> 00:18:54,720

and i stayed in a shack

498

00:18:58,789 --> 00:18:57,679

at um this man named jemmy

499

00:19:00,789 --> 00:18:58,799

jem

500

00:19:03,110 --> 00:19:00,799

what an amazing man he just passed away

501
00:19:04,870 --> 00:19:03,120

last year and um he

502
00:19:06,710 --> 00:19:04,880

they had this beautiful house and and

503
00:19:08,830 --> 00:19:06,720

there you know they had a room for me

504
00:19:12,150 --> 00:19:08,840

but for some reason they put me in a

505
00:19:13,669 --> 00:19:12,160

shack away from the house and maybe that

506
00:19:15,590 --> 00:19:13,679

was for a reason

507
00:19:17,430 --> 00:19:15,600

so if i got in trouble they wouldn't be

508
00:19:20,150 --> 00:19:17,440

coming into i don't know but no hot

509
00:19:22,870 --> 00:19:20,160

water no electricity spiders all over

510
00:19:28,150 --> 00:19:25,669

oh my god and then uh i mean there's so

511
00:19:30,549 --> 00:19:28,160

many stories it was a trip and that was

512
00:19:33,029 --> 00:19:30,559

trip one and then driving around i'll

513
00:19:35,510 --> 00:19:33,039

never forget i'm driving down a two-lane

514

00:19:37,110 --> 00:19:35,520

highway it must be 15 feet across at

515

00:19:38,870 --> 00:19:37,120

night because i did most of my driving

516

00:19:41,270 --> 00:19:38,880

around africa at night

517

00:19:44,070 --> 00:19:41,280

and there's this thing

518

00:19:46,549 --> 00:19:44,080

looked like a fire hose going across one

519

00:19:49,190 --> 00:19:46,559

side of the highway to the other

520

00:19:51,669 --> 00:19:49,200

and i came up you know with my low beams

521

00:19:53,909 --> 00:19:51,679

and it's a snake

522

00:19:55,430 --> 00:19:53,919

it was so big

523

00:19:57,270 --> 00:19:55,440

from one side of the highway to the

524

00:20:00,150 --> 00:19:57,280

other he was just warming himself on the

525

00:20:01,990 --> 00:20:00,160

tar and then i got close and that thing

526
00:20:04,390 --> 00:20:02,000
boogied i don't even know how fast that

527
00:20:05,590 --> 00:20:04,400
that thing was fast it was probably a

528
00:20:08,549 --> 00:20:05,600
rock

529
00:20:11,110 --> 00:20:08,559
africa

530
00:20:13,430 --> 00:20:11,120
but man

531
00:20:15,510 --> 00:20:13,440
i usually stop and look at snakes when i

532
00:20:17,110 --> 00:20:15,520
pass them but that one was so big i'm

533
00:20:18,710 --> 00:20:17,120
like yeah i'm not getting out of that

534
00:20:20,470 --> 00:20:18,720
car

535
00:20:22,070 --> 00:20:20,480
no way

536
00:20:23,830 --> 00:20:22,080
but man there's the stories after

537
00:20:26,070 --> 00:20:23,840
stories

538
00:20:27,909 --> 00:20:26,080

yeah

539

00:20:30,870 --> 00:20:27,919

when i first got back from the first

540

00:20:35,430 --> 00:20:30,880

trip and uh i got back in 2009

541

00:20:36,470 --> 00:20:35,440

or actually christmas day on 2008 but uh

542

00:20:37,430 --> 00:20:36,480

i didn't know if i was going to make it

543

00:20:39,270 --> 00:20:37,440

home

544

00:20:40,230 --> 00:20:39,280

really

545

00:20:41,909 --> 00:20:40,240

wow

546

00:20:43,669 --> 00:20:41,919

i mean because i had gone through so

547

00:20:44,710 --> 00:20:43,679

many things in africa

548

00:20:46,710 --> 00:20:44,720

you know

549

00:20:49,270 --> 00:20:46,720

people try and mug you

550

00:20:51,669 --> 00:20:49,280

kill you things happen

551

00:20:53,510 --> 00:20:51,679

uh i ran into a lot of that and i really

552

00:20:55,270 --> 00:20:53,520

felt at a certain point like i don't

553

00:20:56,870 --> 00:20:55,280

know when to leave and when's the right

554

00:20:59,830 --> 00:20:56,880

time to leave

555

00:21:01,990 --> 00:20:59,840

and it was funny this may sound strange

556

00:21:03,270 --> 00:21:02,000

but i was photographing the sky in the

557

00:21:05,029 --> 00:21:03,280

clouds

558

00:21:06,950 --> 00:21:05,039

and i have this photograph the

559

00:21:08,630 --> 00:21:06,960

photograph was an airplane

560

00:21:11,190 --> 00:21:08,640

i mean the cloud was in the shape of an

561

00:21:13,270 --> 00:21:11,200

airplane extraordinarily

562

00:21:14,630 --> 00:21:13,280

odd cloud and

563

00:21:17,830 --> 00:21:14,640

i was like

564

00:21:19,909 --> 00:21:17,840

okay i'm leaving it's time to leave

565

00:21:22,070 --> 00:21:19,919

and i did and i made it but i don't when

566

00:21:24,310 --> 00:21:22,080

i got home i was like i didn't think i

567

00:21:25,990 --> 00:21:24,320

was going to make it back

568

00:21:29,430 --> 00:21:26,000

i don't know if people understand what

569

00:21:31,110 --> 00:21:29,440

that's like but when you're in countries

570

00:21:32,710 --> 00:21:31,120

you do you

571

00:21:34,710 --> 00:21:32,720

you worry about your life it's not like

572

00:21:36,870 --> 00:21:34,720

flying into having vacation i'm driving

573

00:21:38,549 --> 00:21:36,880

on this you know i'm staying in villages

574

00:21:40,630 --> 00:21:38,559

shacks

575

00:21:42,149 --> 00:21:40,640

you know all kinds of different places

576
00:21:43,029 --> 00:21:42,159
and uh

577
00:21:45,029 --> 00:21:43,039
and

578
00:21:46,710 --> 00:21:45,039
bad stuff happens

579
00:21:47,990 --> 00:21:46,720
great people though i love the the

580
00:21:49,830 --> 00:21:48,000
african

581
00:21:51,669 --> 00:21:49,840
people but there is a criminal element

582
00:21:54,950 --> 00:21:51,679
that is disturbing

583
00:21:56,310 --> 00:21:54,960
yeah sure that's really fascinating okay

584
00:21:57,590 --> 00:21:56,320
i'll tell you one more

585
00:22:01,190 --> 00:21:57,600
please dude

586
00:22:03,110 --> 00:22:01,200
quick so i i i landed in johannesburg

587
00:22:05,830 --> 00:22:03,120
which is like one of the cat murder

588
00:22:07,510 --> 00:22:05,840

capitals of the world yeah and they

589

00:22:10,789 --> 00:22:07,520

drove me to where i was staying and

590

00:22:13,110 --> 00:22:10,799

there was a 12 foot fence wall

591

00:22:14,950 --> 00:22:13,120

around the whole place with razor wire

592

00:22:16,870 --> 00:22:14,960

on top and then i saw the guy with the

593

00:22:19,510 --> 00:22:16,880

machine gun out front

594

00:22:20,630 --> 00:22:19,520

and i'm like it was he had an m4 i'm

595

00:22:23,190 --> 00:22:20,640

like

596

00:22:26,630 --> 00:22:23,200

that i am not in america anymore

597

00:22:29,750 --> 00:22:26,640

oh my god and i you know it was at that

598

00:22:31,669 --> 00:22:29,760

time it's like it scared me and i was

599

00:22:34,390 --> 00:22:31,679

like i don't

600

00:22:36,710 --> 00:22:34,400

i mean i might want to go home

601
00:22:39,350 --> 00:22:36,720
seriously i really had to consider like

602
00:22:41,430 --> 00:22:39,360
i either do this or i don't

603
00:22:42,470 --> 00:22:41,440
and if i do this i'm gonna have to buck

604
00:22:45,270 --> 00:22:42,480
up

605
00:22:47,750 --> 00:22:45,280
you know and and really

606
00:22:49,510 --> 00:22:47,760
figure out how to survive there

607
00:22:51,510 --> 00:22:49,520
because it is quite dangerous when you

608
00:22:52,710 --> 00:22:51,520
have when you need guard guarding like

609
00:22:54,310 --> 00:22:52,720
that

610
00:22:55,990 --> 00:22:54,320
you a

611
00:22:57,750 --> 00:22:56,000
criminal there's got to be a criminal

612
00:23:00,710 --> 00:22:57,760
element that's pretty heavy duty which i

613
00:23:03,430 --> 00:23:00,720

found out later but uh anyway i'll stop

614

00:23:04,710 --> 00:23:03,440

talking no no that's fascinating you

615

00:23:07,190 --> 00:23:04,720

know i love these

616

00:23:08,470 --> 00:23:07,200

first-hand experiences so yeah it really

617

00:23:10,630 --> 00:23:08,480

is amazing

618

00:23:12,710 --> 00:23:10,640

but i'd love to know about the process

619

00:23:13,590 --> 00:23:12,720

of tracking down the witnesses and how

620

00:23:15,590 --> 00:23:13,600

that

621

00:23:17,669 --> 00:23:15,600

was for you whether it was you know you

622

00:23:19,270 --> 00:23:17,679

had any roadblocks along the way and

623

00:23:21,510 --> 00:23:19,280

just the general you know trying to get

624

00:23:23,990 --> 00:23:21,520

them all together

625

00:23:25,830 --> 00:23:24,000

yeah well

626

00:23:28,950 --> 00:23:25,840

um

627

00:23:31,830 --> 00:23:28,960

the first thing i did was uh myspace at

628

00:23:33,110 --> 00:23:31,840

the time when i had help from the gerd

629

00:23:34,230 --> 00:23:33,120

family

630

00:23:35,190 --> 00:23:34,240

um

631

00:23:38,710 --> 00:23:35,200

and

632

00:23:41,430 --> 00:23:38,720

they also helped me set up a a a

633

00:23:44,710 --> 00:23:41,440

a page for facebook

634

00:23:46,230 --> 00:23:44,720

and a lot of people were on facebook

635

00:23:48,950 --> 00:23:46,240

which i mean it just kind of really

636

00:23:51,750 --> 00:23:48,960

started taking off at this that point

637

00:23:54,230 --> 00:23:51,760

um and i tell you if it wasn't when that

638

00:23:55,590 --> 00:23:54,240

was it wasn't for that platform i

639

00:23:56,470 --> 00:23:55,600

probably wouldn't have found most of

640

00:23:58,710 --> 00:23:56,480

them

641

00:24:00,950 --> 00:23:58,720

but that's how i initially started doing

642

00:24:02,789 --> 00:24:00,960

it and then p then they were hearing who

643

00:24:04,950 --> 00:24:02,799

who's this guy making a story about our

644

00:24:06,789 --> 00:24:04,960

story

645

00:24:09,190 --> 00:24:06,799

it was very interesting some people's

646

00:24:10,630 --> 00:24:09,200

attitudes it was great though um and

647

00:24:12,549 --> 00:24:10,640

then i started getting you know they

648

00:24:13,669 --> 00:24:12,559

started contacting me

649

00:24:15,830 --> 00:24:13,679

and

650

00:24:18,950 --> 00:24:15,840

i'm still getting contacted by kids that

651
00:24:21,430 --> 00:24:18,960
were there who finally you know found

652
00:24:23,830 --> 00:24:21,440
out because some people aren't living in

653
00:24:25,669 --> 00:24:23,840
west the western world at all

654
00:24:27,510 --> 00:24:25,679
you know they don't even have computers

655
00:24:29,830 --> 00:24:27,520
although

656
00:24:31,830 --> 00:24:29,840
i found yeah i found that when trying to

657
00:24:33,510 --> 00:24:31,840
track a few down myself for interviews

658
00:24:35,269 --> 00:24:33,520
and they are they scattered literally

659
00:24:38,149 --> 00:24:35,279
all four corners of the glass all over

660
00:24:40,230 --> 00:24:38,159
the place yeah yeah that's so true

661
00:24:41,590 --> 00:24:40,240
so do you think like with these you say

662
00:24:44,230 --> 00:24:41,600
you've still got one coming forward

663
00:24:46,470 --> 00:24:44,240

could we see like a an extended version

664

00:24:49,029 --> 00:24:46,480

of the film in the future with extra

665

00:24:50,870 --> 00:24:49,039

scenes with new witnesses well the film

666

00:24:52,630 --> 00:24:50,880

was

667

00:24:54,390 --> 00:24:52,640

our you know

668

00:24:56,149 --> 00:24:54,400

we had a four hour rough cut when we

669

00:24:58,149 --> 00:24:56,159

started and we had to whittle it down

670

00:25:00,149 --> 00:24:58,159

whittle it down whittle it down

671

00:25:02,470 --> 00:25:00,159

so the version that i wanted to put out

672

00:25:03,669 --> 00:25:02,480

was two hours 12 minutes something like

673

00:25:06,470 --> 00:25:03,679

that

674

00:25:08,310 --> 00:25:06,480

but nobody would take a 2 hour 12 minute

675

00:25:09,590 --> 00:25:08,320

movie you know what i mean

676
00:25:11,269 --> 00:25:09,600
like

677
00:25:13,669 --> 00:25:11,279
i had to get it down

678
00:25:15,909 --> 00:25:13,679
it's 90 minutes is the standard

679
00:25:18,070 --> 00:25:15,919
so i'm over that by eight minutes but

680
00:25:20,630 --> 00:25:18,080
that's fine i had to get into that

681
00:25:22,390 --> 00:25:20,640
certain area where you know you have

682
00:25:24,070 --> 00:25:22,400
people's attention that's when they

683
00:25:26,310 --> 00:25:24,080
start to lose attention is after 90

684
00:25:27,430 --> 00:25:26,320
minutes unless it's really good

685
00:25:29,669 --> 00:25:27,440
um

686
00:25:31,430 --> 00:25:29,679
and then so yeah the the director's cut

687
00:25:34,390 --> 00:25:31,440
still exists so

688
00:25:35,590 --> 00:25:34,400

we already did it um it's just a longer

689

00:25:38,310 --> 00:25:35,600

version

690

00:25:39,750 --> 00:25:38,320

and uh we're gonna look at it again just

691

00:25:41,029 --> 00:25:39,760

to see

692

00:25:43,350 --> 00:25:41,039

how we can

693

00:25:44,470 --> 00:25:43,360

make it better even better and put more

694

00:25:45,430 --> 00:25:44,480

into it

695

00:25:46,950 --> 00:25:45,440

um

696

00:25:48,549 --> 00:25:46,960

but yeah that'll be a worthy watch

697

00:25:50,710 --> 00:25:48,559

because there's just so many great

698

00:25:51,830 --> 00:25:50,720

things that we had to cut

699

00:25:53,830 --> 00:25:51,840

you know

700

00:25:57,430 --> 00:25:53,840

we had hundreds and hundreds of hours of

701
00:25:58,789 --> 00:25:57,440
footage it was 400 and then another 200

702
00:26:01,269 --> 00:25:58,799
b roll

703
00:26:03,430 --> 00:26:01,279
so we had a huge amount of films most

704
00:26:05,269 --> 00:26:03,440
films have a hundred hours 200 hours we

705
00:26:06,230 --> 00:26:05,279
had about 600.

706
00:26:08,230 --> 00:26:06,240
wow

707
00:26:10,390 --> 00:26:08,240
that's incredible

708
00:26:12,149 --> 00:26:10,400
i'd certainly watch i'd watch easily

709
00:26:14,630 --> 00:26:12,159
watch four or five hours of it i can

710
00:26:16,310 --> 00:26:14,640
tell you all right it is fascinating

711
00:26:18,070 --> 00:26:16,320
just watching all the archival back to

712
00:26:19,269 --> 00:26:18,080
back to back to back you're like oh i

713
00:26:20,630 --> 00:26:19,279

know that kid

714

00:26:22,630 --> 00:26:20,640

that's that yeah

715

00:26:23,590 --> 00:26:22,640

yeah yeah i had to figure out who who

716

00:26:27,029 --> 00:26:23,600

was who

717

00:26:30,310 --> 00:26:27,039

i had pictures and i was like okay

718

00:26:32,390 --> 00:26:30,320

drawings whose drawings is this

719

00:26:34,070 --> 00:26:32,400

you know all this cross-referencing to

720

00:26:36,149 --> 00:26:34,080

figure out who was who

721

00:26:37,510 --> 00:26:36,159

subtleties in their language

722

00:26:39,190 --> 00:26:37,520

something you know they talked about a

723

00:26:43,190 --> 00:26:39,200

tuck shop i didn't understand what that

724

00:26:45,269 --> 00:26:43,200

was you know what it is right i do yeah

725

00:26:46,630 --> 00:26:45,279

we have them at school here

726

00:26:49,029 --> 00:26:46,640

oh that that's what they call it in

727

00:26:50,390 --> 00:26:49,039

england as well yeah yeah ah

728

00:26:52,870 --> 00:26:50,400

didn't know that

729

00:26:55,190 --> 00:26:52,880

yeah so there was and there was another

730

00:26:57,269 --> 00:26:55,200

word for carpool

731

00:26:59,669 --> 00:26:57,279

uh that i didn't understand what they

732

00:27:01,269 --> 00:26:59,679

were even talking about and i finally

733

00:27:04,830 --> 00:27:01,279

figured that out

734

00:27:07,190 --> 00:27:04,840

um but yeah this language things that

735

00:27:08,549 --> 00:27:07,200

happens that's amazing

736

00:27:10,630 --> 00:27:08,559

now there was one point wasn't there in

737

00:27:12,710 --> 00:27:10,640

the making of this where

738

00:27:14,149 --> 00:27:12,720

and maybe before the making but where

739

00:27:16,470 --> 00:27:14,159

there was rumor that the school had

740

00:27:18,310 --> 00:27:16,480

burned down

741

00:27:20,789 --> 00:27:18,320

can you talk about that and how that

742

00:27:21,990 --> 00:27:20,799

must have felt deflating you know

743

00:27:24,149 --> 00:27:22,000

oh yeah

744

00:27:25,269 --> 00:27:24,159

yeah i had no hope after a little while

745

00:27:25,990 --> 00:27:25,279

i uh

746

00:27:28,070 --> 00:27:26,000

was

747

00:27:29,750 --> 00:27:28,080

after i got max footage and started

748

00:27:31,350 --> 00:27:29,760

looking at that and

749

00:27:33,269 --> 00:27:31,360

like how am i gonna make a movie with

750

00:27:34,549 --> 00:27:33,279

just this stuff

751
00:27:35,990 --> 00:27:34,559
you know

752
00:27:38,149 --> 00:27:36,000
it's not enough

753
00:27:40,310 --> 00:27:38,159
so i tried to track down the school and

754
00:27:42,789 --> 00:27:40,320
people told me it was burnt down that it

755
00:27:45,029 --> 00:27:42,799
had been abandoned that's no longer a

756
00:27:46,389 --> 00:27:45,039
school anymore over and over

757
00:27:50,549 --> 00:27:46,399
and

758
00:27:51,510 --> 00:27:50,559
or we got in touch somebody gave me the

759
00:27:53,350 --> 00:27:51,520
name

760
00:27:56,630 --> 00:27:53,360
and i think i i called her she was a

761
00:27:57,990 --> 00:27:56,640
reporter nikki carter in south africa

762
00:27:59,029 --> 00:27:58,000
and uh

763
00:28:00,789 --> 00:27:59,039

she said

764

00:28:02,470 --> 00:28:00,799

yeah it's still there there's three

765

00:28:05,269 --> 00:28:02,480

teachers that are still there

766

00:28:07,990 --> 00:28:05,279

from 1994 my nephew went

767

00:28:09,669 --> 00:28:08,000

i'm like you got to be kidding me

768

00:28:12,070 --> 00:28:09,679

and i was like

769

00:28:14,149 --> 00:28:12,080

very next day i booked my flight because

770

00:28:16,630 --> 00:28:14,159

i and then i you know it took like two

771

00:28:19,430 --> 00:28:16,640

months to prepare like i had to pack my

772

00:28:21,110 --> 00:28:19,440

gear i had to look i didn't want to draw

773

00:28:22,310 --> 00:28:21,120

too much attention

774

00:28:23,590 --> 00:28:22,320

um

775

00:28:25,669 --> 00:28:23,600

and then i got on the plane and i

776

00:28:28,070 --> 00:28:25,679

realized oh yeah i am not prepared for

777

00:28:29,669 --> 00:28:28,080

this at all

778

00:28:31,350 --> 00:28:29,679

everybody on the plane is warning me

779

00:28:33,909 --> 00:28:31,360

like you need to be careful in this

780

00:28:35,430 --> 00:28:33,919

country really careful over and over and

781

00:28:36,630 --> 00:28:35,440

over on the plane

782

00:28:37,990 --> 00:28:36,640

but uh

783

00:28:39,669 --> 00:28:38,000

and then i just when i got on the ground

784

00:28:42,070 --> 00:28:39,679

i just bought their clothes that they

785

00:28:43,909 --> 00:28:42,080

wore so i wouldn't stand out because and

786

00:28:45,990 --> 00:28:43,919

and their shoes like i just didn't want

787

00:28:46,870 --> 00:28:46,000

to stand out

788

00:28:51,350 --> 00:28:46,880

but

789

00:28:53,990 --> 00:28:51,360

anyway i'll stop talking again

790

00:28:56,710 --> 00:28:54,000

no no please i love it i i really do i

791

00:28:58,950 --> 00:28:56,720

can keep going on but yeah

792

00:29:01,269 --> 00:28:58,960

but did i answer your question

793

00:29:02,710 --> 00:29:01,279

yeah absolutely yeah okay

794

00:29:04,389 --> 00:29:02,720

this is the thing and i said this before

795

00:29:05,990 --> 00:29:04,399

we came on that wherever this

796

00:29:08,389 --> 00:29:06,000

conversation goes if it goes on a

797

00:29:11,190 --> 00:29:08,399

tangent that's absolutely great i love

798

00:29:13,269 --> 00:29:11,200

those you know organic conversations so

799

00:29:16,470 --> 00:29:13,279

please don't worry about talking too

800

00:29:18,149 --> 00:29:16,480

much people are here to listen to you

801
00:29:20,470 --> 00:29:18,159
that's one thing i really wanna yeah go

802
00:29:21,590 --> 00:29:20,480
ahead no sorry i just wanted to talk

803
00:29:23,269 --> 00:29:21,600
about this

804
00:29:24,549 --> 00:29:23,279
part of the story which i've heard here

805
00:29:26,549 --> 00:29:24,559
and there is that

806
00:29:28,710 --> 00:29:26,559
there was supposedly a uranium mine

807
00:29:30,630 --> 00:29:28,720
nearby and this is what these

808
00:29:33,029 --> 00:29:30,640
beings may well have been

809
00:29:35,830 --> 00:29:33,039
doing in that location you able to talk

810
00:29:37,020 --> 00:29:35,840
about that to any degree

811
00:29:39,110 --> 00:29:37,030
um

812
00:29:41,510 --> 00:29:39,120
[Music]

813
00:29:43,990 --> 00:29:41,520

how did that get out

814

00:29:46,470 --> 00:29:44,000

i can't remember to be honest that's

815

00:29:49,029 --> 00:29:46,480

really interesting i i you know there's

816

00:29:51,830 --> 00:29:49,039

somebody else uh

817

00:29:55,590 --> 00:29:51,840

that can speak to that that's uh i'd

818

00:29:57,590 --> 00:29:55,600

rather not say anything but to to say

819

00:29:59,830 --> 00:29:57,600

that person will

820

00:30:03,909 --> 00:29:59,840

he's got a lot more credibility than i

821

00:30:05,190 --> 00:30:03,919

do and i hope he uh shares it with

822

00:30:06,310 --> 00:30:05,200

with the world

823

00:30:08,310 --> 00:30:06,320

but

824

00:30:10,310 --> 00:30:08,320

it's interesting

825

00:30:13,350 --> 00:30:10,320

i did look at that

826

00:30:16,870 --> 00:30:13,360

um when it was brought up to me

827

00:30:17,830 --> 00:30:16,880

but it's not my story i don't know

828

00:30:19,510 --> 00:30:17,840

it

829

00:30:21,350 --> 00:30:19,520

made sense though

830

00:30:25,029 --> 00:30:21,360

in the larger picture

831

00:30:26,549 --> 00:30:25,039

you know if that's the case which i do

832

00:30:27,830 --> 00:30:26,559

yeah this is hard

833

00:30:33,350 --> 00:30:27,840

how do i

834

00:30:35,909 --> 00:30:33,360

at the same time it's tricky

835

00:30:37,750 --> 00:30:35,919

to not violate people's confidence not

836

00:30:40,230 --> 00:30:37,760

step on their

837

00:30:44,950 --> 00:30:40,240

their their additions to the story which

838

00:30:47,029 --> 00:30:44,960

are from their own work in their own

839

00:30:48,310 --> 00:30:47,039

investigations so

840

00:30:50,470 --> 00:30:48,320

um

841

00:30:52,549 --> 00:30:50,480

but yeah that the whole nuclear thing is

842

00:30:54,710 --> 00:30:52,559

very interesting

843

00:30:57,269 --> 00:30:54,720

they seem to be very focused around that

844

00:30:59,750 --> 00:30:57,279

stuff and i

845

00:31:02,389 --> 00:30:59,760

seems like a message i don't know

846

00:31:04,389 --> 00:31:02,399

yeah absolutely that's fair enough i i

847

00:31:05,750 --> 00:31:04,399

won't push you too far i understand you

848

00:31:07,029 --> 00:31:05,760

know

849

00:31:08,630 --> 00:31:07,039

you have to keep certain things to

850

00:31:10,230 --> 00:31:08,640

yourself and not

851
00:31:11,509 --> 00:31:10,240
divulge things if people have told you

852
00:31:13,350 --> 00:31:11,519
things in confidence or they're not

853
00:31:15,669 --> 00:31:13,360
ready to talk about their work that's

854
00:31:16,830 --> 00:31:15,679
that's fully understandable so

855
00:31:18,630 --> 00:31:16,840
move on

856
00:31:19,990 --> 00:31:18,640
yeah

857
00:31:22,830 --> 00:31:20,000
i just want to give a shout out because

858
00:31:25,350 --> 00:31:22,840
gunther's here right now oh my god

859
00:31:28,630 --> 00:31:25,360
[Laughter]

860
00:31:31,590 --> 00:31:28,640
what a what an amazing man gunter is

861
00:31:34,549 --> 00:31:31,600
he's brilliant i just uh you know

862
00:31:35,990 --> 00:31:34,559
humble and very wise and i loved our

863
00:31:38,870 --> 00:31:36,000

conversations

864

00:31:41,509 --> 00:31:38,880

because he makes he made me think

865

00:31:44,389 --> 00:31:41,519

you know on a deeper level about things

866

00:31:47,350 --> 00:31:44,399

and obviously he had thought a lot out

867

00:31:48,870 --> 00:31:47,360

over the years that takes that takes a

868

00:31:50,710 --> 00:31:48,880

long time

869

00:31:53,830 --> 00:31:50,720

yeah absolutely

870

00:31:55,750 --> 00:31:53,840

i hope he's doing well with his his uh

871

00:31:58,230 --> 00:31:55,760

wife and and

872

00:32:00,470 --> 00:31:58,240

son right i think it's his son

873

00:32:03,029 --> 00:32:00,480

his child i know he had a child

874

00:32:06,389 --> 00:32:04,950

gunther you're gonna get another message

875

00:32:08,789 --> 00:32:06,399

from me soon because it's about time you

876

00:32:12,149 --> 00:32:08,799

came back on for the third time man it's

877

00:32:13,029 --> 00:32:12,159

always always a great conversation

878

00:32:14,950 --> 00:32:13,039

um

879

00:32:16,870 --> 00:32:14,960

so listen let's go a bit down the

880

00:32:18,149 --> 00:32:16,880

speculative route i mean you must over

881

00:32:21,590 --> 00:32:18,159

the years have

882

00:32:23,590 --> 00:32:21,600

theorized about what these beings

883

00:32:25,029 --> 00:32:23,600

might have been and the messages that

884

00:32:26,950 --> 00:32:25,039

they may be

885

00:32:28,630 --> 00:32:26,960

bringing so are you able to talk on

886

00:32:35,110 --> 00:32:28,640

maybe if that's changed over the years

887

00:32:35,120 --> 00:32:38,230

yeah i i

888

00:32:42,230 --> 00:32:40,389

went on a long journey i guess with that

889

00:32:44,070 --> 00:32:42,240

whole

890

00:32:46,549 --> 00:32:44,080

thing

891

00:32:49,350 --> 00:32:46,559

feeling like i didn't

892

00:32:53,190 --> 00:32:49,360

i didn't i still cannot say i know you

893

00:32:54,789 --> 00:32:53,200

know i definitely have evolved

894

00:32:56,870 --> 00:32:54,799

my perspective

895

00:32:58,950 --> 00:32:56,880

um

896

00:33:01,190 --> 00:32:58,960

and that came a lot largely due to

897

00:33:04,310 --> 00:33:01,200

traveling all over the world flying all

898

00:33:07,509 --> 00:33:04,320

over the world not you know myself

899

00:33:09,669 --> 00:33:07,519

and then not not literally but

900

00:33:11,990 --> 00:33:09,679

just flying and being above

901
00:33:13,830 --> 00:33:12,000
the ground and looking at our planet and

902
00:33:14,710 --> 00:33:13,840
looking at things and taking pictures of

903
00:33:16,389 --> 00:33:14,720
things

904
00:33:19,509 --> 00:33:16,399
from the air

905
00:33:23,430 --> 00:33:21,269
yeah i mean i we i think people have

906
00:33:26,389 --> 00:33:23,440
gotten into this argument about they're

907
00:33:29,669 --> 00:33:26,399
good or bad or you know

908
00:33:30,789 --> 00:33:29,679
malignant benign evil good you know

909
00:33:33,190 --> 00:33:30,799
i just don't

910
00:33:35,190 --> 00:33:33,200
want to go it's just not about that

911
00:33:36,470 --> 00:33:35,200
you know i don't think that's what we're

912
00:33:42,389 --> 00:33:36,480
looking at

913
00:33:44,310 --> 00:33:42,399

extremely evolved species

914

00:33:45,830 --> 00:33:44,320

i mean

915

00:33:47,190 --> 00:33:45,840

god only knows how long they've been

916

00:33:49,269 --> 00:33:47,200

around

917

00:33:50,549 --> 00:33:49,279

um

918

00:33:53,110 --> 00:33:50,559

and

919

00:33:55,830 --> 00:33:53,120

i think they look at this planet as

920

00:33:58,630 --> 00:33:55,840

something rather unique

921

00:33:59,509 --> 00:33:58,640

not the only one of course

922

00:34:00,950 --> 00:33:59,519

but

923

00:34:03,750 --> 00:34:00,960

um

924

00:34:05,350 --> 00:34:03,760

unique as a biosphere full of

925

00:34:07,750 --> 00:34:05,360

full of all kinds of life that are

926

00:34:10,629 --> 00:34:07,760

unique to this solar system

927

00:34:13,349 --> 00:34:10,639

that's my feeling like that they're not

928

00:34:15,750 --> 00:34:13,359

that they're concerned about the planet

929

00:34:17,510 --> 00:34:15,760

itself and what it supports not just

930

00:34:19,109 --> 00:34:17,520

human beings

931

00:34:21,349 --> 00:34:19,119

that's where i've come to

932

00:34:22,950 --> 00:34:21,359

and i and i and that makes sense to me

933

00:34:24,790 --> 00:34:22,960

when i

934

00:34:26,230 --> 00:34:24,800

think about all the people i've talked

935

00:34:28,310 --> 00:34:26,240

with and

936

00:34:29,990 --> 00:34:28,320

all the things i've learned

937

00:34:32,389 --> 00:34:30,000

from those people

938

00:34:34,710 --> 00:34:32,399

all the events that i'm aware of there's

939

00:34:37,109 --> 00:34:34,720

a very consistent they're not they don't

940

00:34:39,030 --> 00:34:37,119

seem to be they seem to be being very

941

00:34:40,629 --> 00:34:39,040

careful

942

00:34:41,510 --> 00:34:40,639

and

943

00:34:44,869 --> 00:34:41,520

uh

944

00:34:45,750 --> 00:34:44,879

very kind you know you call it covert

945

00:34:48,149 --> 00:34:45,760

but

946

00:34:50,550 --> 00:34:48,159

i mean it's when you tame we're an

947

00:34:53,349 --> 00:34:50,560

untamed species

948

00:34:55,750 --> 00:34:53,359

and we don't even know that we're wild

949

00:34:57,829 --> 00:34:55,760

animals because we haven't had

950

00:34:59,510 --> 00:34:57,839

a higher order species

951
00:35:00,950 --> 00:34:59,520
interact with us

952
00:35:03,670 --> 00:35:00,960
so when

953
00:35:05,750 --> 00:35:03,680
so that higher order species like when

954
00:35:07,670 --> 00:35:05,760
we go to tame an animal is going to take

955
00:35:09,750 --> 00:35:07,680
its time that's the only way you do it

956
00:35:11,910 --> 00:35:09,760
takes a long time and they're dealing

957
00:35:13,109 --> 00:35:11,920
with a colony of human beings a whole

958
00:35:15,910 --> 00:35:13,119
bunch of them

959
00:35:17,190 --> 00:35:15,920
so this is i'm just saying my my thought

960
00:35:18,550 --> 00:35:17,200
my current thought

961
00:35:21,510 --> 00:35:18,560
that's great

962
00:35:23,670 --> 00:35:21,520
but it you know and what it seems like

963
00:35:25,750 --> 00:35:23,680

is they're taking their time they don't

964

00:35:26,630 --> 00:35:25,760

want to freak us out but they want us to

965

00:35:28,630 --> 00:35:26,640

change

966

00:35:30,470 --> 00:35:28,640

and i don't understand i think we need

967

00:35:33,270 --> 00:35:30,480

to know why they're here

968

00:35:35,030 --> 00:35:33,280

and what their intentions are

969

00:35:36,950 --> 00:35:35,040

i think it's really important for us we

970

00:35:39,349 --> 00:35:36,960

need to we don't know

971

00:35:40,550 --> 00:35:39,359

we we've only seen what they've

972

00:35:43,750 --> 00:35:40,560

you know

973

00:35:46,870 --> 00:35:43,760

what's been available there's tons more

974

00:35:48,630 --> 00:35:46,880

and we can make educated decisions the

975

00:35:51,349 --> 00:35:48,640

more data we have

976
00:35:52,310 --> 00:35:51,359
so that's i am for that we need we need

977
00:35:54,390 --> 00:35:52,320
that

978
00:35:56,710 --> 00:35:54,400
much i agree and everybody it's

979
00:35:58,790 --> 00:35:56,720
happening that's what i can't believe

980
00:36:01,589 --> 00:35:58,800
like oh my god you know nasa starts

981
00:36:08,310 --> 00:36:04,870
yeah you heard me tim said today that

982
00:36:09,829 --> 00:36:08,320
astronaut from england oh yes

983
00:36:12,390 --> 00:36:09,839
yeah been discussing it all day with

984
00:36:14,150 --> 00:36:12,400
some of my colleagues uh yes it's

985
00:36:15,990 --> 00:36:14,160
because he spoke only

986
00:36:17,990 --> 00:36:16,000
a month or two ago

987
00:36:20,230 --> 00:36:18,000
and he came at it from a bit more of a

988
00:36:21,750 --> 00:36:20,240

skeptical viewpoint and he seems like

989

00:36:23,990 --> 00:36:21,760

he's now becoming more comfortable

990

00:36:25,510 --> 00:36:24,000

talking about it which is amazing that's

991

00:36:27,030 --> 00:36:25,520

great that's the way it's going to go

992

00:36:28,710 --> 00:36:27,040

the more people that are willing to take

993

00:36:29,589 --> 00:36:28,720

the risk the more people will follow

994

00:36:30,950 --> 00:36:29,599

that

995

00:36:33,589 --> 00:36:30,960

and there's plenty of people out there

996

00:36:35,589 --> 00:36:33,599

and a lot of the guys you know they're

997

00:36:38,069 --> 00:36:35,599

pilots military pilots

998

00:36:40,470 --> 00:36:38,079

they're like hardcore jobs that people

999

00:36:42,710 --> 00:36:40,480

trust their lives with these people

1000

00:36:43,750 --> 00:36:42,720

they're not they don't make this stuff

1001

00:36:46,069 --> 00:36:43,760

up

1002

00:36:48,150 --> 00:36:46,079

they have no reason to do so

1003

00:36:50,870 --> 00:36:48,160

uh and they've seen a lot

1004

00:36:53,589 --> 00:36:50,880

yeah yeah and i love it bring them

1005

00:36:55,910 --> 00:36:53,599

anybody please come you know if you

1006

00:36:57,430 --> 00:36:55,920

if this is probably the best time ever

1007

00:36:59,910 --> 00:36:57,440

you're going to get to come forward and

1008

00:37:02,230 --> 00:36:59,920

we it's going to shift we got to make

1009

00:37:05,109 --> 00:37:02,240

this transition to say all right

1010

00:37:06,790 --> 00:37:05,119

they're out there you go to africa

1011

00:37:10,470 --> 00:37:06,800

you know they think you're crazy if you

1012

00:37:15,670 --> 00:37:14,069

yeah they really do they they're they uh

1013

00:37:16,790 --> 00:37:15,680

i remember standing next to this guy and

1014

00:37:19,030 --> 00:37:16,800

he you know

1015

00:37:20,630 --> 00:37:19,040

i asked him he was in in one of the

1016

00:37:22,550 --> 00:37:20,640

villages and

1017

00:37:24,310 --> 00:37:22,560

we were staring at the sky and he's like

1018

00:37:25,990 --> 00:37:24,320

do you think i said to him do you think

1019

00:37:28,069 --> 00:37:26,000

there's anything out there and he said

1020

00:37:29,910 --> 00:37:28,079

he looked at me like really strange he's

1021

00:37:31,750 --> 00:37:29,920

like of course

1022

00:37:34,710 --> 00:37:31,760

he thought it was insane

1023

00:37:38,150 --> 00:37:34,720

to even say that anyways it's funny

1024

00:37:41,430 --> 00:37:39,589

i guess you must have obviously looked

1025

00:37:43,109 --> 00:37:41,440

at this some of the other school cases i

1026
00:37:44,950 --> 00:37:43,119
know in a recent interview you mentioned

1027
00:37:47,109 --> 00:37:44,960
that you actually went out to wales and

1028
00:37:48,710 --> 00:37:47,119
to the bro investigated the broadhaven

1029
00:37:50,069 --> 00:37:48,720
case and

1030
00:37:53,190 --> 00:37:50,079
am i right in saying that they were not

1031
00:37:55,910 --> 00:37:53,200
comfortable with coming forward

1032
00:37:58,950 --> 00:37:55,920
no they were not um i spoke to three of

1033
00:38:00,230 --> 00:37:58,960
them privately and uh wanted to do it on

1034
00:38:03,750 --> 00:38:00,240
camera

1035
00:38:06,310 --> 00:38:03,760
uh i did go to the library uh and i

1036
00:38:07,990 --> 00:38:06,320
recovered all their drawings

1037
00:38:09,829 --> 00:38:08,000
um there was a library across from

1038
00:38:10,950 --> 00:38:09,839

broadhaven that has all their drawings

1039

00:38:13,270 --> 00:38:10,960

that was

1040

00:38:18,150 --> 00:38:13,280

important to me as how it compared to

1041

00:38:20,390 --> 00:38:18,160

ariel yeah um but they all told me it

1042

00:38:22,790 --> 00:38:20,400

happened for real

1043

00:38:24,550 --> 00:38:22,800

and they were just they don't it had

1044

00:38:26,630 --> 00:38:24,560

already caused so much trouble in their

1045

00:38:29,270 --> 00:38:26,640

lives they just didn't think there was

1046

00:38:30,829 --> 00:38:29,280

going to be anything good to come from

1047

00:38:33,589 --> 00:38:30,839

them being on camera

1048

00:38:35,910 --> 00:38:33,599

anymore i guess you have to respect that

1049

00:38:39,670 --> 00:38:38,150

in the ufo community we probably you

1050

00:38:41,430 --> 00:38:39,680

know we just want as many people to come

1051
00:38:43,030 --> 00:38:41,440
forward but we you know i always try and

1052
00:38:44,630 --> 00:38:43,040
take a step back and imagine that the

1053
00:38:47,829 --> 00:38:44,640
ridicule and the stigma they must have

1054
00:38:49,670 --> 00:38:47,839
been through for the 40 plus years since

1055
00:38:51,349 --> 00:38:49,680
it happened you know is that something

1056
00:38:53,829 --> 00:38:51,359
that you've seen change during the

1057
00:38:56,710 --> 00:38:53,839
filming of you know 15 years of making

1058
00:38:57,829 --> 00:38:56,720
ariel have you seen that stigma change

1059
00:38:59,670 --> 00:38:57,839
yes

1060
00:39:00,870 --> 00:38:59,680
i have uh that's good i mean you think

1061
00:39:03,990 --> 00:39:00,880
about when

1062
00:39:05,990 --> 00:39:04,000
whales happened that was i think 76

1063
00:39:06,950 --> 00:39:06,000

77 77

1064

00:39:09,109 --> 00:39:06,960

um

1065

00:39:10,230 --> 00:39:09,119

they i mean that it was really rough

1066

00:39:12,150 --> 00:39:10,240

back then

1067

00:39:15,349 --> 00:39:12,160

the people in the 80s they had a little

1068

00:39:16,710 --> 00:39:15,359

slightly little better the 90s maybe a

1069

00:39:19,750 --> 00:39:16,720

little bit more

1070

00:39:22,470 --> 00:39:19,760

and then now i mean ever since that new

1071

00:39:24,630 --> 00:39:22,480

york times article and the pentagon

1072

00:39:27,030 --> 00:39:24,640

stuff uh

1073

00:39:29,589 --> 00:39:27,040

things have began begun to shift in sort

1074

00:39:32,230 --> 00:39:29,599

of a fat at a faster pace

1075

00:39:37,109 --> 00:39:34,870

so yeah i've seen i i've seen

1076

00:39:39,030 --> 00:39:37,119

they were diagnosing people in the 70s

1077

00:39:40,630 --> 00:39:39,040

as schizophrenic if they had seen

1078

00:39:42,870 --> 00:39:40,640

something like this and then they moved

1079

00:39:44,310 --> 00:39:42,880

it to another psychological

1080

00:39:47,750 --> 00:39:44,320

you know

1081

00:39:49,510 --> 00:39:47,760

um manifestation and and

1082

00:39:51,990 --> 00:39:49,520

it just went on and on and on i don't

1083

00:39:53,430 --> 00:39:52,000

think we got one now

1084

00:39:55,190 --> 00:39:53,440

you know

1085

00:39:56,870 --> 00:39:55,200

but not not that everybody's healthy in

1086

00:39:58,069 --> 00:39:56,880

the field but

1087

00:40:00,150 --> 00:39:58,079

um

1088

00:40:02,470 --> 00:40:00,160

you know

1089

00:40:03,670 --> 00:40:02,480

we're i think we're in a good place and

1090

00:40:05,190 --> 00:40:03,680

uh

1091

00:40:07,750 --> 00:40:05,200

one of the things that keeps a lot of

1092

00:40:10,309 --> 00:40:07,760

people from coming out i can tell you

1093

00:40:11,510 --> 00:40:10,319

that is is

1094

00:40:13,430 --> 00:40:11,520

is

1095

00:40:17,670 --> 00:40:13,440

the you know the conference the sort of

1096

00:40:19,190 --> 00:40:17,680

uh i don't know the hype of it all

1097

00:40:20,630 --> 00:40:19,200

um

1098

00:40:22,630 --> 00:40:20,640

they just don't wanna

1099

00:40:25,510 --> 00:40:22,640

that's not their forum

1100

00:40:28,150 --> 00:40:25,520

you know they want to come out in uh

1101
00:40:30,230 --> 00:40:28,160
a session of congress or something like

1102
00:40:31,349 --> 00:40:30,240
that they that's how a lot of people

1103
00:40:33,270 --> 00:40:31,359
think

1104
00:40:34,230 --> 00:40:33,280
so you won't see any of those people at

1105
00:40:35,910 --> 00:40:34,240
anything

1106
00:40:38,550 --> 00:40:35,920
you shouldn't even know their names you

1107
00:40:40,309 --> 00:40:38,560
know it's like

1108
00:40:42,309 --> 00:40:40,319
um you may

1109
00:40:44,230 --> 00:40:42,319
who knows i don't know we all we all

1110
00:40:46,870 --> 00:40:44,240
meet these people that just want to be

1111
00:40:48,309 --> 00:40:46,880
quiet you know even though

1112
00:40:50,870 --> 00:40:48,319
they could come out and make a big

1113
00:40:53,829 --> 00:40:50,880

difference because of who they are

1114

00:40:55,910 --> 00:40:53,839

um

1115

00:40:58,230 --> 00:40:55,920

yeah i've got a great question here from

1116

00:41:07,030 --> 00:40:58,240

uh from wilfred he asks what made the

1117

00:41:07,040 --> 00:41:09,750

hmm

1118

00:41:14,230 --> 00:41:11,270

um

1119

00:41:18,150 --> 00:41:16,870

and one way oh man i was impacted by so

1120

00:41:20,550 --> 00:41:18,160

many things

1121

00:41:23,190 --> 00:41:20,560

you being able to capture it

1122

00:41:27,910 --> 00:41:23,200

you know while it was happening

1123

00:41:32,390 --> 00:41:29,990

to be able to

1124

00:41:35,750 --> 00:41:32,400

be in these kids lives and have them

1125

00:41:38,150 --> 00:41:35,760

trust me that i wasn't gonna

1126

00:41:39,990 --> 00:41:38,160

exploit them or

1127

00:41:42,870 --> 00:41:40,000

you know

1128

00:41:45,670 --> 00:41:42,880

hurt them in that way at all

1129

00:41:48,790 --> 00:41:45,680

um yeah i felt honored that they trusted

1130

00:41:50,630 --> 00:41:48,800

me and they and they allowed me to film

1131

00:41:53,030 --> 00:41:50,640

such a delicate environment which is why

1132

00:41:54,390 --> 00:41:53,040

i didn't want any crew with me

1133

00:41:56,470 --> 00:41:54,400

because i knew it was a one-on-one

1134

00:41:58,870 --> 00:41:56,480

conversation you start to put people in

1135

00:42:00,470 --> 00:41:58,880

the room it changes everything

1136

00:42:03,190 --> 00:42:00,480

you don't get good interviews with a lot

1137

00:42:05,670 --> 00:42:03,200

of equipment you get good interviews

1138

00:42:07,190 --> 00:42:05,680

with a lot of eye contact and

1139

00:42:08,069 --> 00:42:07,200

trust building

1140

00:42:09,270 --> 00:42:08,079

yeah

1141

00:42:09,990 --> 00:42:09,280

um

1142

00:42:15,109 --> 00:42:10,000

so

1143

00:42:18,950 --> 00:42:15,119

lighting or whatever you know but

1144

00:42:21,349 --> 00:42:18,960

it's more powerful to see truth

1145

00:42:22,870 --> 00:42:21,359

truth man it's growth on the wrong track

1146

00:42:24,150 --> 00:42:22,880

they got to go to back to truth because

1147

00:42:25,750 --> 00:42:24,160

that sells

1148

00:42:26,870 --> 00:42:25,760

absolutely

1149

00:42:28,309 --> 00:42:26,880

i love that

1150

00:42:29,829 --> 00:42:28,319

raw it looks like

1151

00:42:30,710 --> 00:42:29,839

yeah that raw feel to some of those

1152

00:42:33,190 --> 00:42:30,720

scenes

1153

00:42:36,309 --> 00:42:33,200

we're moving because of the fact that it

1154

00:42:39,589 --> 00:42:36,319

wasn't just a big setup lit set it was

1155

00:42:40,790 --> 00:42:39,599

pure organic and real so

1156

00:42:42,150 --> 00:42:40,800

i felt it

1157

00:42:44,390 --> 00:42:42,160

definitely

1158

00:42:46,309 --> 00:42:44,400

that's great um jay allen's got a great

1159

00:42:48,069 --> 00:42:46,319

question here have there been any

1160

00:42:51,670 --> 00:42:48,079

follow-ups to the events were there any

1161

00:42:54,069 --> 00:42:51,680

kind of hitchhiker type events following

1162

00:42:56,390 --> 00:42:54,079

um and then any ongoing events this day

1163

00:42:58,790 --> 00:42:56,400

with these beings

1164

00:43:00,390 --> 00:42:58,800

with that with the kids yeah if they

1165

00:43:01,750 --> 00:43:00,400

have experienced any

1166

00:43:02,950 --> 00:43:01,760

i suppose

1167

00:43:04,870 --> 00:43:02,960

effects

1168

00:43:06,390 --> 00:43:04,880

since the incident and lived with any

1169

00:43:08,069 --> 00:43:06,400

kind of you know we talk about the

1170

00:43:09,910 --> 00:43:08,079

hitchhiker effect where strange things

1171

00:43:12,790 --> 00:43:09,920

happen to people that have been witness

1172

00:43:14,230 --> 00:43:12,800

to to ufo sightings so i wondered if any

1173

00:43:15,910 --> 00:43:14,240

of the kids have talked about anything

1174

00:43:18,069 --> 00:43:15,920

strange still occurring in their lives

1175

00:43:20,950 --> 00:43:18,079

during during your time knowing them

1176

00:43:23,829 --> 00:43:20,960

they have i i they have asked me not to

1177

00:43:24,870 --> 00:43:23,839

Speak about it you know because

1178

00:43:25,910 --> 00:43:24,880

yeah

1179

00:43:29,109 --> 00:43:25,920

it's

1180

00:43:31,190 --> 00:43:29,119

i don't know how widespread it is but i

1181

00:43:32,309 --> 00:43:31,200

i can think of

1182

00:43:33,910 --> 00:43:32,319

a few

1183

00:43:35,750 --> 00:43:33,920

that i know

1184

00:43:38,470 --> 00:43:35,760

well i haven't even got that because i

1185

00:43:40,470 --> 00:43:38,480

got there with them because they haven't

1186

00:43:41,670 --> 00:43:40,480

even got there with that you know what i

1187

00:43:44,150 --> 00:43:41,680

mean so

1188

00:43:45,430 --> 00:43:44,160

i i have to start with ariel where it

1189

00:43:46,950 --> 00:43:45,440

all started

1190

00:43:50,069 --> 00:43:46,960

and uh

1191

00:43:51,589 --> 00:43:50,079

yeah i i just i i can't wait to start

1192

00:43:55,990 --> 00:43:51,599

having them on

1193

00:43:58,069 --> 00:43:56,000

you know on with me or on their own um

1194

00:44:00,150 --> 00:43:58,079

because it's their story they can tell

1195

00:44:02,309 --> 00:44:00,160

you better than i can i mean i know

1196

00:44:04,230 --> 00:44:02,319

actually my value is i did all the

1197

00:44:06,470 --> 00:44:04,240

research and did all the

1198

00:44:09,109 --> 00:44:06,480

you know i know when things happen but

1199

00:44:10,630 --> 00:44:09,119

in in what order and all that

1200

00:44:12,390 --> 00:44:10,640

yeah so that's where i'm helpful when

1201

00:44:13,589 --> 00:44:12,400

they're on it's like oh no no that was

1202

00:44:16,470 --> 00:44:13,599

before

1203

00:44:18,230 --> 00:44:16,480

they went out the first time

1204

00:44:20,550 --> 00:44:18,240

no that was after they ran in and told

1205

00:44:23,349 --> 00:44:20,560

the teachers anyway there's this

1206

00:44:26,870 --> 00:44:23,359

it was a whole event i went on for 10 15

1207

00:44:29,990 --> 00:44:28,230

but you also mentioned there were other

1208

00:44:31,990 --> 00:44:30,000

sightings

1209

00:44:33,270 --> 00:44:32,000

outside of the school

1210

00:44:35,109 --> 00:44:33,280

because we know there was some rocket

1211

00:44:37,349 --> 00:44:35,119

reentry or talk of a rocket reentry

1212

00:44:38,390 --> 00:44:37,359

around that week but was there also

1213

00:44:40,710 --> 00:44:38,400

other

1214

00:44:42,069 --> 00:44:40,720

ufo sightings as well is there anything

1215

00:44:44,309 --> 00:44:42,079

you can tell us about that without

1216

00:44:46,390 --> 00:44:44,319

breaking any trust or problems sure it

1217

00:44:49,349 --> 00:44:46,400

was um

1218

00:44:52,630 --> 00:44:49,359

according to was a strategic air command

1219

00:44:54,630 --> 00:44:52,640

at the time there was a russian

1220

00:44:57,829 --> 00:44:54,640

russia launched the spy satellite in

1221

00:44:59,030 --> 00:44:57,839

august 27th 26th 27th of the month

1222

00:44:59,910 --> 00:44:59,040

before

1223

00:45:02,870 --> 00:44:59,920

and

1224

00:45:05,829 --> 00:45:02,880

a rocket body it's our

1225

00:45:07,750 --> 00:45:05,839

53a i believe is the number because i i

1226

00:45:09,750 --> 00:45:07,760

did a whole foia

1227

00:45:10,870 --> 00:45:09,760

to the strategic air command which is

1228

00:45:12,550 --> 00:45:10,880

now

1229

00:45:14,550 --> 00:45:12,560

another organization

1230

00:45:17,750 --> 00:45:14,560

um

1231

00:45:20,390 --> 00:45:17,760

i did yes uh that and got that

1232

00:45:21,829 --> 00:45:20,400

information oddly that booster was not

1233

00:45:25,270 --> 00:45:21,839

on that list

1234

00:45:27,910 --> 00:45:25,280

um but i do know that it probably did

1235

00:45:30,309 --> 00:45:27,920

come over africa on that wednesday

1236

00:45:31,270 --> 00:45:30,319

but that was not what everybody

1237

00:45:34,710 --> 00:45:31,280

saw

1238

00:45:37,750 --> 00:45:34,720

sure i mean that you know booster or

1239

00:45:40,230 --> 00:45:37,760

rocket re-entry i've seen him before

1240

00:45:42,630 --> 00:45:40,240

it's pretty straight line you know art

1241

00:45:45,750 --> 00:45:42,640

arc it arcs over the sky but it's pretty

1242

00:45:48,550 --> 00:45:45,760

consistent the break up little pieces

1243

00:45:49,910 --> 00:45:48,560

but when you talk to the a lot of the

1244

00:45:51,349 --> 00:45:49,920

people that were

1245

00:45:53,109 --> 00:45:51,359

there

1246

00:45:54,710 --> 00:45:53,119

they talked about something that

1247

00:45:56,309 --> 00:45:54,720

happened at uh

1248

00:45:57,270 --> 00:45:56,319

earlier

1249

00:45:59,589 --> 00:45:57,280

that

1250

00:46:02,230 --> 00:45:59,599

made turns

1251
00:46:04,950 --> 00:46:02,240
you know that was close to the ground

1252
00:46:06,550 --> 00:46:04,960
that was silver you know that wasn't in

1253
00:46:08,150 --> 00:46:06,560
a disc shape

1254
00:46:09,829 --> 00:46:08,160
that wasn't that thing

1255
00:46:13,349 --> 00:46:09,839
and that kept happening over and over

1256
00:46:14,710 --> 00:46:13,359
i'm like wow okay well good cover

1257
00:46:16,870 --> 00:46:14,720
do it right after

1258
00:46:18,470 --> 00:46:16,880
you were you can just

1259
00:46:21,109 --> 00:46:18,480
you know oh yeah that was a re-entry no

1260
00:46:23,349 --> 00:46:21,119
there was and then the pilots

1261
00:46:25,349 --> 00:46:23,359
there were multiple pilots that saw that

1262
00:46:26,790 --> 00:46:25,359
thing not just on

1263
00:46:29,910 --> 00:46:26,800

wednesday

1264

00:46:31,270 --> 00:46:29,920

but on thursday it was it it went on

1265

00:46:34,069 --> 00:46:31,280

this whole thing went on you know how

1266

00:46:36,870 --> 00:46:34,079

they call these things uh

1267

00:46:39,589 --> 00:46:36,880

waves ufo waves or whatever

1268

00:46:41,829 --> 00:46:39,599

and i've heard that in in my country

1269

00:46:45,109 --> 00:46:41,839

and it's where they show up for in one

1270

00:46:46,870 --> 00:46:45,119

location for about a week and um

1271

00:46:47,829 --> 00:46:46,880

that seems to be what is what happened

1272

00:46:53,349 --> 00:46:47,839

there

1273

00:46:55,750 --> 00:46:53,359

and i haven't found them all by far

1274

00:46:57,430 --> 00:46:55,760

that's fascinating sorry i'm

1275

00:46:58,630 --> 00:46:57,440

just having a bit of a technical issue

1276

00:47:00,230 --> 00:46:58,640

here there we go

1277

00:47:01,430 --> 00:47:00,240

watching youtube or something on the

1278

00:47:02,870 --> 00:47:01,440

side no one

1279

00:47:04,790 --> 00:47:02,880

one of the guys in the chat has asked

1280

00:47:07,030 --> 00:47:04,800

where he can watch aerial phenomenon in

1281

00:47:10,390 --> 00:47:07,040

in the uk i think if you just go to

1282

00:47:14,790 --> 00:47:13,670

we got it all smoothed out now

1283

00:47:17,190 --> 00:47:14,800

yes

1284

00:47:20,230 --> 00:47:17,200

excellent um i thought i had another

1285

00:47:23,589 --> 00:47:21,990

no i didn't so i'm gonna go back to my

1286

00:47:24,870 --> 00:47:23,599

questions now

1287

00:47:27,430 --> 00:47:24,880

what i found quite interesting was that

1288

00:47:29,829 --> 00:47:27,440

you recently attended the scu conference

1289

00:47:31,190 --> 00:47:29,839

in huntsville alabama how was that i

1290

00:47:33,109 --> 00:47:31,200

mean i saw a photo of you with colonel

1291

00:47:34,870 --> 00:47:33,119

john alexander can you tell us any

1292

00:47:37,109 --> 00:47:34,880

stories about people you met any

1293

00:47:39,349 --> 00:47:37,119

conversations that without going into

1294

00:47:43,030 --> 00:47:39,359

too much personal private information

1295

00:47:46,230 --> 00:47:43,040

how was it it was great and um

1296

00:47:48,549 --> 00:47:46,240

all i can really say is uh

1297

00:47:49,589 --> 00:47:48,559

it's just amazing to see the right

1298

00:47:51,349 --> 00:47:49,599

people

1299

00:47:53,030 --> 00:47:51,359

getting involved

1300

00:47:54,630 --> 00:47:53,040

finally

1301
00:47:56,309 --> 00:47:54,640
like

1302
00:47:58,390 --> 00:47:56,319
i couldn't believe i can't believe some

1303
00:47:59,829 --> 00:47:58,400
of the people i'm meeting

1304
00:48:01,190 --> 00:47:59,839
it's just

1305
00:48:02,309 --> 00:48:01,200
incredible

1306
00:48:06,309 --> 00:48:02,319
yeah

1307
00:48:08,230 --> 00:48:06,319
and it's and there's also that thank god

1308
00:48:10,470 --> 00:48:08,240
thank god here they are because they're

1309
00:48:13,190 --> 00:48:10,480
they're here the right people are here

1310
00:48:14,390 --> 00:48:13,200
brilliant scientists

1311
00:48:15,670 --> 00:48:14,400
navy

1312
00:48:17,349 --> 00:48:15,680
air force

1313
00:48:18,470 --> 00:48:17,359

army

1314

00:48:20,710 --> 00:48:18,480

like

1315

00:48:23,349 --> 00:48:20,720

the best of the best

1316

00:48:25,589 --> 00:48:23,359

and i'm excited about that i had some

1317

00:48:28,950 --> 00:48:25,599

just incredible conversations in the

1318

00:48:33,430 --> 00:48:31,750

i can't say anything at all of course of

1319

00:48:35,589 --> 00:48:33,440

course i understand i had to ask you

1320

00:48:38,470 --> 00:48:35,599

know i appreciate it and i'm not trying

1321

00:48:42,390 --> 00:48:38,480

to do whatever it's just no no i totally

1322

00:48:43,910 --> 00:48:42,400

understand that but uh wow

1323

00:48:46,230 --> 00:48:43,920

i mean i saw some of the names of the

1324

00:48:47,990 --> 00:48:46,240

people and photographs of people just at

1325

00:48:48,950 --> 00:48:48,000

that conference and it was a who's who

1326

00:48:53,109 --> 00:48:48,960

of

1327

00:48:54,630 --> 00:48:53,119

i'd love to have been there so but no i

1328

00:48:56,150 --> 00:48:54,640

appreciate you

1329

00:48:59,910 --> 00:48:56,160

you know

1330

00:49:04,549 --> 00:48:59,920

what was exciting was to see a lot of

1331

00:49:05,589 --> 00:49:04,559

uh highly educated physicists and uh the

1332

00:49:07,510 --> 00:49:05,599

real

1333

00:49:08,710 --> 00:49:07,520

the me the big minds

1334

00:49:09,990 --> 00:49:08,720

that were there

1335

00:49:11,910 --> 00:49:10,000

and

1336

00:49:15,589 --> 00:49:11,920

i i watched i didn't really watch too

1337

00:49:17,190 --> 00:49:15,599

many of the presentations well i did but

1338

00:49:19,190 --> 00:49:17,200

not all of them and

1339

00:49:21,270 --> 00:49:19,200

but i when i watched i was like you know

1340

00:49:23,030 --> 00:49:21,280

what i think these guys got it

1341

00:49:24,230 --> 00:49:23,040

they're on the right track they're doing

1342

00:49:25,750 --> 00:49:24,240

everything

1343

00:49:28,870 --> 00:49:25,760

the way it's supposed to be done

1344

00:49:30,549 --> 00:49:28,880

scientific method which is great love it

1345

00:49:31,990 --> 00:49:30,559

and uh

1346

00:49:34,790 --> 00:49:32,000

and they're just doing it and it's the

1347

00:49:35,430 --> 00:49:34,800

right group of people so i feel like scu

1348

00:49:37,670 --> 00:49:35,440

is

1349

00:49:40,630 --> 00:49:37,680

it's the only conference i go to

1350

00:49:42,390 --> 00:49:40,640

right because i'm only interested in the

1351

00:49:45,270 --> 00:49:42,400

people that can solve it

1352

00:49:46,870 --> 00:49:45,280

right and they have this tool you know

1353

00:49:49,990 --> 00:49:46,880

they got the tools that's what we need

1354

00:49:52,710 --> 00:49:50,000

is access to those satellites access to

1355

00:49:54,630 --> 00:49:52,720

the platforms where we can document this

1356

00:49:56,710 --> 00:49:54,640

stuff and learn more

1357

00:49:57,589 --> 00:49:56,720

yeah fascinating

1358

00:49:59,190 --> 00:49:57,599

yeah

1359

00:50:00,790 --> 00:49:59,200

great question here coming in from

1360

00:50:02,630 --> 00:50:00,800

christopher playing hey chris good to

1361

00:50:04,549 --> 00:50:02,640

see you my friend was there anything in

1362

00:50:09,030 --> 00:50:04,559

randall's research that caught him by

1363

00:50:09,040 --> 00:50:13,990

putting you on the spot here

1364

00:50:19,750 --> 00:50:16,309

yeah

1365

00:50:22,950 --> 00:50:21,990

we won't tell anyone

1366

00:50:25,510 --> 00:50:22,960

um

1367

00:50:27,109 --> 00:50:25,520

it was when i went into the i was like

1368

00:50:27,990 --> 00:50:27,119

well

1369

00:50:30,470 --> 00:50:28,000

i knew

1370

00:50:33,109 --> 00:50:30,480

zimbabwe had you know had radar at this

1371

00:50:35,430 --> 00:50:33,119

time and definitely south africa south

1372

00:50:39,030 --> 00:50:35,440

africa is kind of the big

1373

00:50:41,349 --> 00:50:39,040

biggest military power south of egypt

1374

00:50:43,270 --> 00:50:41,359

um

1375

00:50:46,790 --> 00:50:43,280

so i went into the air force base i'm

1376

00:50:49,510 --> 00:50:46,800

like i'm going in i'm gonna ask him

1377

00:50:51,829 --> 00:50:49,520

and uh so i went in talked to this guy

1378

00:50:54,150 --> 00:50:51,839

he was the commander of the base

1379

00:50:56,950 --> 00:50:54,160

he brought and i said you know i i've

1380

00:50:58,710 --> 00:50:56,960

seen some stuff and uh so you hear about

1381

00:51:00,309 --> 00:50:58,720

the aerial case and

1382

00:51:03,589 --> 00:51:00,319

he brought me into his office with a

1383

00:51:06,390 --> 00:51:03,599

female lieutenant colonel and

1384

00:51:08,790 --> 00:51:06,400

he we sat we went in his office and he

1385

00:51:11,349 --> 00:51:08,800

said yeah we see him all the time

1386

00:51:14,549 --> 00:51:11,359

wow and i said what and i was like can i

1387

00:51:20,470 --> 00:51:17,750

i always had my my camera in in like a

1388

00:51:23,109 --> 00:51:20,480

bag hanging off my you know one of my

1389

00:51:26,309 --> 00:51:23,119

small cameras for just this thing

1390

00:51:32,150 --> 00:51:29,109

and and what was interesting is he said

1391

00:51:32,950 --> 00:51:32,160

um we see him on radar all the time

1392

00:51:34,390 --> 00:51:32,960

and

1393

00:51:36,870 --> 00:51:34,400

he said what are you doing in this

1394

00:51:39,589 --> 00:51:36,880

country why are you asking me this

1395

00:51:41,829 --> 00:51:39,599

oh this this is your country

1396

00:51:43,030 --> 00:51:41,839

they're in charge of this stuff

1397

00:51:44,950 --> 00:51:43,040

and i was like what do you mean it's

1398

00:51:48,829 --> 00:51:44,960

like well they they've been working on

1399

00:51:54,390 --> 00:51:51,589

interesting um

1400

00:51:56,150 --> 00:51:54,400

he said a few things to me and

1401

00:51:58,549 --> 00:51:56,160

i followed up on those things but it

1402

00:52:00,950 --> 00:51:58,559

came from another military

1403

00:52:03,829 --> 00:52:00,960

who told me quite a bit

1404

00:52:05,589 --> 00:52:03,839

uh that was surprising i walked in there

1405

00:52:07,910 --> 00:52:05,599

figuring he was going to say get out of

1406

00:52:09,910 --> 00:52:07,920

here yeah

1407

00:52:11,670 --> 00:52:09,920

he's like no we see him on the radar all

1408

00:52:12,470 --> 00:52:11,680

the time

1409

00:52:14,710 --> 00:52:12,480

wow

1410

00:52:16,950 --> 00:52:14,720

crazy speeds

1411

00:52:19,270 --> 00:52:16,960

didn't expect that no i'd imagine not

1412

00:52:20,790 --> 00:52:19,280

sorry

1413

00:52:22,390 --> 00:52:20,800

by surprise

1414

00:52:23,990 --> 00:52:22,400

there you go chris i hope that answered

1415

00:52:26,150 --> 00:52:24,000

your question because that's amazing

1416

00:52:27,109 --> 00:52:26,160

thank you so much for for telling us

1417

00:52:28,790 --> 00:52:27,119

that

1418

00:52:30,630 --> 00:52:28,800

um

1419

00:52:31,990 --> 00:52:30,640

i will go to this question by jay allen

1420

00:52:33,349 --> 00:52:32,000

because i'm interested in this too do

1421

00:52:35,510 --> 00:52:33,359

you have any comments on the recent

1422

00:52:37,109 --> 00:52:35,520

congressional hearings

1423

00:52:39,589 --> 00:52:37,119

um

1424

00:52:41,589 --> 00:52:39,599

for example they seem to

1425

00:52:42,790 --> 00:52:41,599

be they're very basic easily dismissed

1426
00:52:45,430 --> 00:52:42,800
events i just wondered if you had any

1427
00:52:47,910 --> 00:52:45,440
overall thoughts on the hearings

1428
00:52:49,109 --> 00:52:47,920
um it's never been done before

1429
00:52:52,630 --> 00:52:49,119
which i

1430
00:52:54,950 --> 00:52:52,640
it's not it wasn't perfect uh with a lot

1431
00:52:59,750 --> 00:52:54,960
liked a lot more time

1432
00:53:04,950 --> 00:53:02,950
i think it and i think it's the opening

1433
00:53:07,589 --> 00:53:04,960
they opened the door

1434
00:53:09,190 --> 00:53:07,599
to this i really believe that

1435
00:53:10,470 --> 00:53:09,200
this is not the last time that's going

1436
00:53:13,190 --> 00:53:10,480
to happen

1437
00:53:15,670 --> 00:53:13,200
and a lot of things are having happening

1438
00:53:18,230 --> 00:53:15,680

behind closed doors at the minority

1439

00:53:19,030 --> 00:53:18,240

report meetings which you know it's just

1440

00:54:07,349 --> 00:53:19,040

a

1441

00:54:08,829 --> 00:54:07,359

my perspective let's find out

1442

00:54:11,109 --> 00:54:08,839

deal with it

1443

00:54:12,950 --> 00:54:11,119

absolutely right well i've come to the

1444

00:54:15,270 --> 00:54:12,960

bottom of my question list i have one

1445

00:54:17,670 --> 00:54:15,280

final question which is

1446

00:54:19,990 --> 00:54:17,680

do you have any plans or thoughts

1447

00:54:22,230 --> 00:54:20,000

on doing another documentary maybe on

1448

00:54:25,589 --> 00:54:22,240

ufos or are you working on anything at

1449

00:54:26,870 --> 00:54:25,599

the moment um before i started ariel i

1450

00:54:28,870 --> 00:54:26,880

was doing a

1451
00:54:29,670 --> 00:54:28,880
documentary on bud hopkins before he

1452
00:54:32,390 --> 00:54:29,680
died

1453
00:54:34,230 --> 00:54:32,400
right so i shot for probably three years

1454
00:54:35,510 --> 00:54:34,240
and um

1455
00:54:40,150 --> 00:54:35,520
i

1456
00:54:42,150 --> 00:54:40,160
know a sampler

1457
00:54:46,950 --> 00:54:42,160
and

1458
00:54:49,190 --> 00:54:46,960
that so i have a whole movie in the can

1459
00:54:50,950 --> 00:54:49,200
about bud whole another movie about

1460
00:54:53,430 --> 00:54:50,960
other people in africa

1461
00:54:54,470 --> 00:54:53,440
that witnessed a hundred witnesses ever

1462
00:54:56,950 --> 00:54:54,480
at least

1463
00:54:58,870 --> 00:54:56,960

that i interviewed on the side like

1464

00:55:00,309 --> 00:54:58,880

because these people say yeah i saw

1465

00:55:03,030 --> 00:55:00,319

something i'm like would you be willing

1466

00:55:04,549 --> 00:55:03,040

to talk about it on camera and they did

1467

00:55:07,430 --> 00:55:04,559

so there's that and there's another

1468

00:55:10,710 --> 00:55:07,440

story that i i that's in africa that i

1469

00:55:13,910 --> 00:55:10,720

really want to do and um

1470

00:55:15,829 --> 00:55:13,920

you're able to tell us about that

1471

00:55:17,829 --> 00:55:15,839

if i say anything someone's going to do

1472

00:55:20,150 --> 00:55:17,839

it

1473

00:55:21,990 --> 00:55:20,160

i need a good six months off before i go

1474

00:55:23,589 --> 00:55:22,000

back in there and do that one that one's

1475

00:55:26,870 --> 00:55:23,599

gonna be tough

1476

00:55:28,710 --> 00:55:26,880

but amazing it's an another amazing

1477

00:55:33,990 --> 00:55:28,720

story that hasn't been told a lot

1478

00:55:39,670 --> 00:55:36,309

the best ones kind of have been

1479

00:55:42,390 --> 00:55:39,680

scrubbed you know i got this uh

1480

00:55:44,470 --> 00:55:42,400

cynthia heinberg ufos oh yeah yeah yeah

1481

00:55:46,870 --> 00:55:44,480

yeah fascinating shout out to gunter

1482

00:55:49,430 --> 00:55:46,880

again who sent me this i mean

1483

00:55:51,589 --> 00:55:49,440

some incredible cases in this book i'd

1484

00:55:53,910 --> 00:55:51,599

recommend it to people but it's a it's

1485

00:55:55,190 --> 00:55:53,920

very expensive to find but they're hard

1486

00:55:57,990 --> 00:55:55,200

to find now

1487

00:56:00,470 --> 00:55:58,000

i heard the mit conference book

1488

00:56:02,549 --> 00:56:00,480

uh remember they had the mit conference

1489

00:56:05,030 --> 00:56:02,559

in 1992

1490

00:56:07,349 --> 00:56:05,040

right yeah they had it at mit about this

1491

00:56:08,230 --> 00:56:07,359

subject matter the the textbook was this

1492

00:56:10,230 --> 00:56:08,240

thick

1493

00:56:11,589 --> 00:56:10,240

on textbook which i have one because i

1494

00:56:12,630 --> 00:56:11,599

was there

1495

00:56:15,349 --> 00:56:12,640

uh

1496

00:56:17,990 --> 00:56:15,359

what is worth a thousand dollars online

1497

00:56:20,710 --> 00:56:19,190

wow

1498

00:56:22,470 --> 00:56:20,720

i mean i'm not surprised i'm not

1499

00:56:25,990 --> 00:56:22,480

surprised at all

1500

00:56:28,710 --> 00:56:27,589

randall

1501

00:56:30,230 --> 00:56:28,720

i mean i've come to the end of the

1502

00:56:31,910 --> 00:56:30,240

interview i could hang out and do this

1503

00:56:33,670 --> 00:56:31,920

all day long to be honest it's such a

1504

00:56:35,750 --> 00:56:33,680

good conversation but it's good to just

1505

00:56:37,750 --> 00:56:35,760

relax and be myself and

1506

00:56:39,990 --> 00:56:37,760

not try to talk to anything

1507

00:56:41,829 --> 00:56:40,000

you know that's what i wanted and i'm so

1508

00:56:43,270 --> 00:56:41,839

happy with this conversation so i cannot

1509

00:56:45,030 --> 00:56:43,280

thank you enough

1510

00:56:47,589 --> 00:56:45,040

and i think i got to thank my crew and

1511

00:56:49,829 --> 00:56:47,599

my all the supporters and

1512

00:56:51,510 --> 00:56:49,839

uh and the kids and their parents and

1513

00:56:53,750 --> 00:56:51,520

the teachers and

1514

00:56:56,230 --> 00:56:53,760

everybody so many people helped make

1515

00:56:58,630 --> 00:56:56,240

this happen i

1516

00:57:00,549 --> 00:56:58,640

wouldn't have happened without them

1517

00:57:02,870 --> 00:57:00,559

yeah 100

1518

00:57:04,630 --> 00:57:02,880

well thank you again uh thank you to

1519

00:57:07,829 --> 00:57:04,640

everybody in the live chat thank you for

1520

00:57:09,990 --> 00:57:07,839

the questions um i if you haven't seen

1521

00:57:11,829 --> 00:57:10,000

an aerial phenomenon please i cannot

1522

00:57:13,910 --> 00:57:11,839

recommend it enough you will not be

1523

00:57:16,710 --> 00:57:13,920

disappointed show it to your friends and

1524

00:57:19,030 --> 00:57:16,720

family they will enjoy it too um but

1525

00:57:20,710 --> 00:57:19,040

yeah thank you guys i'm going to be back

1526

00:57:22,549 --> 00:57:20,720

in about 10 days time i'm having a short

1527

00:57:23,670 --> 00:57:22,559

vacation next weekend for my partner's

1528

00:57:24,789 --> 00:57:23,680

birthday

1529

00:57:26,549 --> 00:57:24,799

so

1530

00:57:28,710 --> 00:57:26,559

yep a little delay there but guys thank

1531

00:57:30,390 --> 00:57:28,720

you so much for watching uh have a great

1532

00:57:32,150 --> 00:57:30,400

rest of your day and i'll see you on the
