[Music]

2  
00:00:12,480 --> 00:00:16,990  
hey

3  
00:00:39,350 --> 00:00:19,830  
[Music]

4  
00:00:43,430 --> 00:00:41,270  
hey everybody how's it going welcome

5  
00:00:44,630 --> 00:00:43,440  
back to the channel i'm your host vinnie

6  
00:00:46,310 --> 00:00:44,640  
adams

7  
00:00:47,830 --> 00:00:46,320  
i'm really looking forward to this one

8  
00:00:49,510 --> 00:00:47,840  
it was brought brought forward a couple

9  
00:00:50,950 --> 00:00:49,520  
of days um

10  
00:00:52,869 --> 00:00:50,960  
because chris has been on the road and

11  
00:00:54,869 --> 00:00:52,879  
he's got loads to do and i completely

12  
00:00:56,709 --> 00:00:54,879  
appreciate that but i didn't want to

13  
00:00:58,549 --> 00:00:56,719

miss out so we're doing it now and i'm

14

00:01:01,270 --> 00:00:58,559

not going to waste any more time let me

15

00:01:03,750 --> 00:01:01,280

introduce my guest for today's show

16

00:01:05,429 --> 00:01:03,760

mr chris bartel chris how you doing man

17

00:01:06,870 --> 00:01:05,439

good i'm doing well thanks for taking

18

00:01:09,109 --> 00:01:06,880

the time and moving your schedule around

19

00:01:10,550 --> 00:01:09,119

i appreciate it hey my pleasure my

20

00:01:13,429 --> 00:01:10,560

absolute pleasure

21

00:01:15,030 --> 00:01:13,439

uh so yeah i appreciate you stopping

22

00:01:18,230 --> 00:01:15,040

on your marathon journey that you're

23

00:01:19,670 --> 00:01:18,240

doing so um yeah really so listen chris

24

00:01:22,310 --> 00:01:19,680

before we jump into sort of the more

25

00:01:23,429 --> 00:01:22,320

recent stuff i'd love to just get you to

26

00:01:25,109 --> 00:01:23,439

talk a bit about your military

27

00:01:27,590 --> 00:01:25,119

background if you could

28

00:01:29,670 --> 00:01:27,600

sure um

29

00:01:31,910 --> 00:01:29,680

i joined the united states air force

30

00:01:34,630 --> 00:01:31,920

back in 1997

31

00:01:37,190 --> 00:01:34,640

uh my first duty station was nellis air

32

00:01:40,230 --> 00:01:37,200

force base in 1998

33

00:01:42,950 --> 00:01:40,240

uh served there for almost 10 years

34

00:01:45,350 --> 00:01:42,960

active duty on the main base side

35

00:01:47,590 --> 00:01:45,360

uh during that time i was also stationed

36

00:01:49,990 --> 00:01:47,600

at creech air force base

37

00:01:51,910 --> 00:01:50,000

up in nevada i was a cadre instructor

38

00:01:54,870 --> 00:01:51,920

for gcts

39

00:01:58,230 --> 00:01:54,880

ground combat training squadron and then

40

00:01:59,270 --> 00:01:58,240

uh around 2006 i got out of active duty

41

00:02:03,350 --> 00:01:59,280

status

42

00:02:06,069 --> 00:02:03,360

and went into the reserves until 2009

43

00:02:08,309 --> 00:02:06,079

in 2006 i was hired

44

00:02:10,309 --> 00:02:08,319

for the department of energy uh for the

45

00:02:11,350 --> 00:02:10,319

nevada test site as a security police

46

00:02:13,110 --> 00:02:11,360

officer

47

00:02:14,630 --> 00:02:13,120

and i worked there

48

00:02:16,949 --> 00:02:14,640

for several years

49

00:02:19,350 --> 00:02:16,959

and then my wife when i met nellis she

50

00:02:21,270 --> 00:02:19,360

got orders to mastrum air force base

51  
00:02:23,830 --> 00:02:21,280  
and we moved up there briefly and then

52  
00:02:25,430 --> 00:02:23,840  
came back to las vegas and on that way

53  
00:02:27,190 --> 00:02:25,440  
back to las vegas it was during the

54  
00:02:29,430 --> 00:02:27,200  
federal rehiring freeze

55  
00:02:32,070 --> 00:02:29,440  
so i started making phone calls uh back

56  
00:02:33,830 --> 00:02:32,080  
to las vegas and got hired with

57  
00:02:34,949 --> 00:02:33,840  
a company who had the contract for area

58  
00:02:36,790 --> 00:02:34,959  
51

59  
00:02:39,030 --> 00:02:36,800  
and worked there part time and then at

60  
00:02:40,470 --> 00:02:39,040  
the same time hired with bass

61  
00:02:42,309 --> 00:02:40,480  
but the bass didn't know that i was

62  
00:02:44,390 --> 00:02:42,319  
working at 51 because you can't tell

63  
00:02:47,190 --> 00:02:44,400

people that you work at 51.

64

00:02:49,350 --> 00:02:47,200

and then i like actually quit bass and

65

00:02:51,270 --> 00:02:49,360

then went back to 51 and then went back

66

00:02:53,430 --> 00:02:51,280

to bass full time

67

00:02:56,150 --> 00:02:53,440

wow so then went to skinwalker ranch

68

00:02:59,110 --> 00:02:56,160

from 2010 to 2016

69

00:03:00,869 --> 00:02:59,120

and then left the company in 2018 and

70

00:03:02,470 --> 00:03:00,879

moved to kansas and became a federal

71

00:03:04,390 --> 00:03:02,480

police officer there

72

00:03:06,390 --> 00:03:04,400

wow that's quite the resume

73

00:03:08,070 --> 00:03:06,400

about 25 years of law enforcement

74

00:03:09,750 --> 00:03:08,080

security and

75

00:03:11,750 --> 00:03:09,760

cool things in the desert

76

00:03:13,270 --> 00:03:11,760

absolutely so during your time at like

77

00:03:14,229 --> 00:03:13,280

nellis and malmstrom and that were there

78

00:03:16,390 --> 00:03:14,239

ever any

79

00:03:18,390 --> 00:03:16,400

chatter about ufos and things around

80

00:03:20,949 --> 00:03:18,400

those days

81

00:03:22,949 --> 00:03:20,959

at maelstrom yeah i heard about the the

82

00:03:25,350 --> 00:03:22,959

missile stuff out there i didn't pay

83

00:03:27,190 --> 00:03:25,360

much i mean it was interesting

84

00:03:29,030 --> 00:03:27,200

but with my background and where i used

85

00:03:31,830 --> 00:03:29,040

to work at i'm kind of a little bit

86

00:03:34,229 --> 00:03:31,840

jaded when it comes to uap topic i mean

87

00:03:36,949 --> 00:03:34,239

i'm interested in it i think that's

88

00:03:38,309 --> 00:03:36,959

there is something to it you know

89

00:03:40,630 --> 00:03:38,319

but i think a lot of the tech that we

90

00:03:42,149 --> 00:03:40,640

see is could be our technology that'll

91

00:03:44,789 --> 00:03:42,159

play yeah

92

00:03:46,470 --> 00:03:44,799

so i mean i'm interested in the topic

93

00:03:48,149 --> 00:03:46,480

but i'm mostly boots on the ground

94

00:03:50,070 --> 00:03:48,159

looking for hard evidence on the ground

95

00:03:51,589 --> 00:03:50,080

because i can't control it to the skies

96

00:03:53,270 --> 00:03:51,599

i have a good idea but i can't control

97

00:03:55,030 --> 00:03:53,280

what's up there i can't control what's

98

00:03:57,670 --> 00:03:55,040

on the ground

99

00:03:59,350 --> 00:03:57,680

no that's fair enough and so uh when you

100

00:04:01,750 --> 00:03:59,360

first started working for bass did you

101  
00:04:03,350 --> 00:04:01,760  
initially go straight into the ranch

102  
00:04:05,990 --> 00:04:03,360  
uh when you were when bigelow employed

103  
00:04:07,830 --> 00:04:06,000  
you yeah i came in like the very end of

104  
00:04:09,589 --> 00:04:07,840  
bass pretty much there was only there

105  
00:04:10,470 --> 00:04:09,599  
was only a small handful of us at the

106  
00:04:12,789 --> 00:04:10,480  
time

107  
00:04:15,270 --> 00:04:12,799  
and i was specifically assigned to the

108  
00:04:16,949 --> 00:04:15,280  
ranch that was my detail

109  
00:04:19,189 --> 00:04:16,959  
so i was there

110  
00:04:20,629 --> 00:04:19,199  
i got hired in september in october i

111  
00:04:23,189 --> 00:04:20,639  
was there

112  
00:04:24,790 --> 00:04:23,199  
every month for two weeks off and on

113  
00:04:26,550 --> 00:04:24,800

rotation

114

00:04:28,950 --> 00:04:26,560

and uh yeah

115

00:04:30,550 --> 00:04:28,960

and so was part of that actually

116

00:04:33,590 --> 00:04:30,560

study that you were doing with the ranch

117

00:04:35,830 --> 00:04:33,600

was part of the awesome program

118

00:04:37,990 --> 00:04:35,840

i apparently so i wasn't aware of all

119

00:04:39,670 --> 00:04:38,000

sap at the time but yeah i guess that

120

00:04:41,350 --> 00:04:39,680

was part of it yep i didn't know about

121

00:04:43,350 --> 00:04:41,360

osap until

122

00:04:44,230 --> 00:04:43,360

uh august of 19

123

00:04:46,230 --> 00:04:44,240

right

124

00:04:47,350 --> 00:04:46,240

that's fair enough yeah that's when i

125

00:04:48,710 --> 00:04:47,360

heard about it

126  
00:04:50,710 --> 00:04:48,720  
cool so

127  
00:04:52,469 --> 00:04:50,720  
you know you were you on the ranch

128  
00:04:54,150 --> 00:04:52,479  
permanently staying over on the ranch

129  
00:04:56,790 --> 00:04:54,160  
living there or was it just like you

130  
00:04:58,950 --> 00:04:56,800  
were living nearby yeah i know you lived

131  
00:05:00,550 --> 00:04:58,960  
in vegas but you drove up you got a

132  
00:05:01,510 --> 00:05:00,560  
rental car and you drove up from vegas

133  
00:05:03,510 --> 00:05:01,520  
to

134  
00:05:04,950 --> 00:05:03,520  
uh the ranch which is about a nine hour

135  
00:05:06,390 --> 00:05:04,960  
drive

136  
00:05:07,590 --> 00:05:06,400  
and then you stay at the ranch for two

137  
00:05:09,670 --> 00:05:07,600  
weeks

138  
00:05:11,590 --> 00:05:09,680

and then you rotate back to las vegas at

139

00:05:13,270 --> 00:05:11,600

the time there was when i first got

140

00:05:15,189 --> 00:05:13,280

hired there was two officers up there

141

00:05:16,550 --> 00:05:15,199

myself another person

142

00:05:20,070 --> 00:05:16,560

and then uh

143

00:05:21,990 --> 00:05:20,080

i think it was late 2011.

144

00:05:23,350 --> 00:05:22,000

it might have been early 2011 we went to

145

00:05:25,350 --> 00:05:23,360

one person up there

146

00:05:26,870 --> 00:05:25,360

so one person to secure

147

00:05:28,790 --> 00:05:26,880

at the time almost a thousand acres of

148

00:05:31,029 --> 00:05:28,800

land it was pretty intense

149

00:05:33,270 --> 00:05:31,039

wow that's incredible and so how long

150

00:05:37,029 --> 00:05:33,280

were you on the ranch before your the

151  
00:05:39,110 --> 00:05:37,039  
first uh strange thing happened to you

152  
00:05:40,790 --> 00:05:39,120  
well the first week i was up there

153  
00:05:42,230 --> 00:05:40,800  
honestly i'll be honest with you i kind

154  
00:05:43,990 --> 00:05:42,240  
of just wrote it off as just another

155  
00:05:46,070 --> 00:05:44,000  
ranch you know because i i'm from a

156  
00:05:48,150 --> 00:05:46,080  
small town in kansas grew up on

157  
00:05:50,950 --> 00:05:48,160  
a ranch we had horses and

158  
00:05:52,469 --> 00:05:50,960  
i'm very familiar with that dynamic so

159  
00:05:53,270 --> 00:05:52,479  
my first week up there i was kind of

160  
00:05:55,590 --> 00:05:53,280  
like

161  
00:05:57,110 --> 00:05:55,600  
not very impressed you know but i also

162  
00:05:59,110 --> 00:05:57,120  
went with a very open mind you know in a

163  
00:06:00,070 --> 00:05:59,120

genuine heart and i think that's key

164

00:06:01,670 --> 00:06:00,080

out there

165

00:06:03,670 --> 00:06:01,680

and then the second week

166

00:06:04,790 --> 00:06:03,680

is when i experienced something that was

167

00:06:06,390 --> 00:06:04,800

pretty

168

00:06:08,309 --> 00:06:06,400

that kind of caught me by surprise which

169

00:06:09,590 --> 00:06:08,319

was the big canine

170

00:06:11,029 --> 00:06:09,600

wolf whatever you want to call it

171

00:06:13,909 --> 00:06:11,039

incident

172

00:06:16,070 --> 00:06:13,919

and after that happened it kind of

173

00:06:17,430 --> 00:06:16,080

changed my perspective a little bit like

174

00:06:18,469 --> 00:06:17,440

there is something else going on out

175

00:06:20,390 --> 00:06:18,479

here

176

00:06:21,749 --> 00:06:20,400

uh and then that led me down the rabbit

177

00:06:22,790 --> 00:06:21,759

hole of trying to figure it out

178

00:06:24,309 --> 00:06:22,800

basically

179

00:06:26,710 --> 00:06:24,319

yeah so could you just go into a little

180

00:06:28,390 --> 00:06:26,720

bit more detail on that that canine the

181

00:06:30,390 --> 00:06:28,400

footprints thing because it you know i

182

00:06:31,670 --> 00:06:30,400

know i saw it recently on the episode of

183

00:06:33,029 --> 00:06:31,680

skinwalker ranch and found it

184

00:06:34,230 --> 00:06:33,039

fascinating but for anyone that might

185

00:06:35,990 --> 00:06:34,240

not have seen it you're able to just

186

00:06:37,749 --> 00:06:36,000

talk us through it

187

00:06:39,749 --> 00:06:37,759

yeah i'll talk i'll give you a brief i

188

00:06:42,469 --> 00:06:39,759

mean it's a it's very more detailed it

189

00:06:45,110 --> 00:06:42,479

was a pretty it corresponded in like two

190

00:06:46,710 --> 00:06:45,120

day event basically but

191

00:06:48,309 --> 00:06:46,720

at the time there was another officer up

192

00:06:50,550 --> 00:06:48,319

there and he reported seeing some large

193

00:06:52,070 --> 00:06:50,560

tracks that looked very unusual and then

194

00:06:54,150 --> 00:06:52,080

we followed the tracks and it looked

195

00:06:56,230 --> 00:06:54,160

like it it looked like this animal was

196

00:06:57,270 --> 00:06:56,240

walking on two feet for like maybe 100

197

00:06:59,189 --> 00:06:57,280

feet

198

00:07:01,430 --> 00:06:59,199

for like a three foot stride and it was

199

00:07:03,029 --> 00:07:01,440

just bizarre it just didn't look normal

200

00:07:05,830 --> 00:07:03,039

and then we go to four feet

201  
00:07:08,070 --> 00:07:05,840  
but they're very large tracks and uh

202  
00:07:10,070 --> 00:07:08,080  
so we went out with the mindset like

203  
00:07:11,670 --> 00:07:10,080  
we're gonna capture this thing capture

204  
00:07:13,350 --> 00:07:11,680  
this thing which is looking back now is

205  
00:07:14,550 --> 00:07:13,360  
completely ridiculous but

206  
00:07:17,029 --> 00:07:14,560  
when you're out there when you're out

207  
00:07:19,830 --> 00:07:17,039  
there you just gotta have to kind of

208  
00:07:21,589 --> 00:07:19,840  
uh adjust fire basically and

209  
00:07:22,950 --> 00:07:21,599  
you can't be scared you know

210  
00:07:23,990 --> 00:07:22,960  
and so me and my friend were like well

211  
00:07:25,990 --> 00:07:24,000  
we're gonna go out there and try to

212  
00:07:27,589 --> 00:07:26,000  
capture this thing and then that night

213  
00:07:29,110 --> 00:07:27,599

we went out and

214

00:07:31,110 --> 00:07:29,120

we had the dogs with us we had three

215

00:07:32,950 --> 00:07:31,120

dogs at the time two labs and a little

216

00:07:34,390 --> 00:07:32,960

uh

217

00:07:36,469 --> 00:07:34,400

blue healer

218

00:07:38,469 --> 00:07:36,479

and um the dogs right there very

219

00:07:39,990 --> 00:07:38,479

suspicious the whole night like very

220

00:07:41,350 --> 00:07:40,000

clingy

221

00:07:43,110 --> 00:07:41,360

and uh

222

00:07:45,990 --> 00:07:43,120

we started

223

00:07:47,589 --> 00:07:46,000

backtracking our tracks back about 3 a.m

224

00:07:49,189 --> 00:07:47,599

because we couldn't find nothing

225

00:07:51,270 --> 00:07:49,199

and then it looked like this animal had

226

00:07:53,510 --> 00:07:51,280

been following us the whole night

227

00:07:56,150 --> 00:07:53,520

we found tracks behind our tracks

228

00:07:57,990 --> 00:07:56,160

wow and then when we got to the corner

229

00:08:01,430 --> 00:07:58,000

up by homestead 1 which is now called

230

00:08:02,950 --> 00:08:01,440

the triangle which is crazy

231

00:08:05,749 --> 00:08:02,960

um

232

00:08:08,070 --> 00:08:05,759

i heard this we both heard this growl

233

00:08:10,629 --> 00:08:08,080

how ungodly growl

234

00:08:12,950 --> 00:08:10,639

and we saw this large animal black jump

235

00:08:15,350 --> 00:08:12,960

out of the ditch and run west and we ran

236

00:08:17,430 --> 00:08:15,360

after it and it disappeared

237

00:08:19,430 --> 00:08:17,440

it was it was so the dogs stopped right

238

00:08:21,189 --> 00:08:19,440

in the tracks and looked at us and we

239

00:08:22,950 --> 00:08:21,199

looked at the dogs like what was that

240

00:08:25,029 --> 00:08:22,960

and it was a sun you know just like they

241

00:08:26,869 --> 00:08:25,039

took the wind out of your sails

242

00:08:27,909 --> 00:08:26,879

and i remember on the initial report i

243

00:08:29,350 --> 00:08:27,919

didn't even write i didn't even write

244

00:08:30,309 --> 00:08:29,360

that i saw it because it really freaked

245

00:08:32,230 --> 00:08:30,319

me out

246

00:08:34,149 --> 00:08:32,240

and at the time i had an active q

247

00:08:35,750 --> 00:08:34,159

clearance with a doe still

248

00:08:37,269 --> 00:08:35,760

and if you have an active q clearance

249

00:08:39,589 --> 00:08:37,279

you cannot report stuff like that or

250

00:08:41,110 --> 00:08:39,599

they'll they'll yank your clearance yeah

251  
00:08:42,949 --> 00:08:41,120  
i was crying in a rock and a hard place

252  
00:08:44,870 --> 00:08:42,959  
i didn't know what to say

253  
00:08:46,470 --> 00:08:44,880  
uh but luckily i took photograph prints

254  
00:08:48,310 --> 00:08:46,480  
of it and everything and

255  
00:08:49,430 --> 00:08:48,320  
i kind of just kept that in my brain pan

256  
00:08:52,310 --> 00:08:49,440  
you know like

257  
00:08:53,269 --> 00:08:52,320  
to tell a story to my kids one day

258  
00:08:55,269 --> 00:08:53,279  
and then

259  
00:08:56,949 --> 00:08:55,279  
you know back then there was no talk of

260  
00:08:58,790 --> 00:08:56,959  
a tv show or

261  
00:09:00,870 --> 00:08:58,800  
or anything but i was very interested in

262  
00:09:01,829 --> 00:09:00,880  
in finding out the big mystery out there

263  
00:09:03,350 --> 00:09:01,839

so

264

00:09:04,310 --> 00:09:03,360

yeah that led me down a whole different

265

00:09:05,509 --> 00:09:04,320

path

266

00:09:07,110 --> 00:09:05,519

no it's great i've actually got the

267

00:09:09,110 --> 00:09:07,120

pictures here

268

00:09:11,430 --> 00:09:09,120

let me just show them so yeah we can see

269

00:09:14,550 --> 00:09:11,440

here the the size of these prints now

270

00:09:17,030 --> 00:09:16,150

and uh

271

00:09:18,949 --> 00:09:17,040

there's

272

00:09:23,430 --> 00:09:18,959

and the crazy thing is

273

00:09:25,910 --> 00:09:23,440

back so that happened in october of 2010

274

00:09:28,310 --> 00:09:25,920

and you know i was there for almost

275

00:09:31,190 --> 00:09:28,320

six years or five years after that

276

00:09:32,790 --> 00:09:31,200

or 2016 is my left but

277

00:09:35,030 --> 00:09:32,800

i never encountered the wolf like that

278

00:09:37,509 --> 00:09:35,040

again except for one time

279

00:09:39,509 --> 00:09:37,519

in 2015 i believe i was sitting down at

280

00:09:43,110 --> 00:09:39,519

the east gate in a lawn chair

281

00:09:44,790 --> 00:09:43,120

with the dogs and by by now by 2015 the

282

00:09:46,870 --> 00:09:44,800

ranch became like a second home you know

283

00:09:48,470 --> 00:09:46,880

i wasn't scared i was out there by

284

00:09:50,550 --> 00:09:48,480

myself sometimes i would sleep on the

285

00:09:52,070 --> 00:09:50,560

mesa at night because i really felt like

286

00:09:53,990 --> 00:09:52,080

the more i immersed myself in the

287

00:09:55,829 --> 00:09:54,000

environment the more layers are being

288

00:09:58,790 --> 00:09:55,839

pulled back i mean that's how i felt

289

00:10:01,350 --> 00:09:58,800

like the more i really pushed myself the

290

00:10:03,910 --> 00:10:01,360

more things i would experience you know

291

00:10:05,590 --> 00:10:03,920

so anyways i'm sitting in a lawn chair

292

00:10:07,030 --> 00:10:05,600

and uh

293

00:10:08,790 --> 00:10:07,040

behind me

294

00:10:10,949 --> 00:10:08,800

my back is facing the eastern valley

295

00:10:13,269 --> 00:10:10,959

where i spent most of my time at too

296

00:10:15,110 --> 00:10:13,279

i heard that same how growl like i heard

297

00:10:17,190 --> 00:10:15,120

in 2010

298

00:10:20,230 --> 00:10:17,200

and i came off my chair with the gun out

299

00:10:22,310 --> 00:10:20,240

with no flashlight like in a spin move

300

00:10:23,910 --> 00:10:22,320

and the dogs went after it and then came

301  
00:10:25,430 --> 00:10:23,920  
right back it was like letting me know

302  
00:10:28,710 --> 00:10:25,440  
that it was like

303  
00:10:30,230 --> 00:10:28,720  
still there you know and it's like

304  
00:10:32,389 --> 00:10:30,240  
it's kind of weird because i didn't find

305  
00:10:34,470 --> 00:10:32,399  
any tracks but there was something there

306  
00:10:36,150 --> 00:10:34,480  
that was trying to get my attention and

307  
00:10:38,630 --> 00:10:36,160  
that's how i worked on the ranch when

308  
00:10:39,910 --> 00:10:38,640  
you least expect it things happen but

309  
00:10:41,350 --> 00:10:39,920  
you would think after being out there

310  
00:10:43,509 --> 00:10:41,360  
for so long i'll have thousands of

311  
00:10:45,430 --> 00:10:43,519  
stories and it's not true i only have a

312  
00:10:46,949 --> 00:10:45,440  
small handful of stories that i would

313  
00:10:49,350 --> 00:10:46,959

consider uh

314

00:10:51,030 --> 00:10:49,360

credible you know yeah yeah of course

315

00:10:53,590 --> 00:10:51,040

you can let your imagination go pretty

316

00:10:55,350 --> 00:10:53,600

wild out there if you let it but i i bet

317

00:10:57,430 --> 00:10:55,360

yeah now we heard stories of like

318

00:10:58,790 --> 00:10:57,440

strange wolves right back to the is it

319

00:10:59,750 --> 00:10:58,800

the sherman family that were there

320

00:11:01,430 --> 00:10:59,760

before

321

00:11:03,670 --> 00:11:01,440

bigelow purchased the ranch and they

322

00:11:05,829 --> 00:11:03,680

even said that they tried to follow some

323

00:11:07,590 --> 00:11:05,839

large creature and the tracks just ended

324

00:11:09,350 --> 00:11:07,600

in the middle of the field and so i

325

00:11:10,470 --> 00:11:09,360

guess it sort of relates to that in some

326

00:11:12,710 --> 00:11:10,480

way as well

327

00:11:14,870 --> 00:11:12,720

yeah you know i'd even read the book at

328

00:11:17,190 --> 00:11:14,880

first until because i didn't want to

329

00:11:18,790 --> 00:11:17,200

have any pre-no you know anything in my

330

00:11:21,190 --> 00:11:18,800

mind to kind of like perpetrate

331

00:11:23,269 --> 00:11:21,200

something that wasn't there so

332

00:11:25,430 --> 00:11:23,279

it was months later i read that book the

333

00:11:27,030 --> 00:11:25,440

first the hunt for uh skinwalker and i

334

00:11:29,750 --> 00:11:27,040

was you know the first chapters about

335

00:11:32,069 --> 00:11:29,760

the wolf and i was like what

336

00:11:33,430 --> 00:11:32,079

you know what is that you know i just

337

00:11:34,470 --> 00:11:33,440

it kind of freaked me out a little bit

338

00:11:35,350 --> 00:11:34,480

but

339

00:11:37,590 --> 00:11:35,360

um

340

00:11:39,430 --> 00:11:37,600

yeah they they they probably experienced

341

00:11:42,310 --> 00:11:39,440

something and there is a lot of big

342

00:11:43,750 --> 00:11:42,320

animals out there too so

343

00:11:46,470 --> 00:11:43,760

you know there is big there's mountain

344

00:11:47,910 --> 00:11:46,480

lions out there there's uh you know big

345

00:11:49,430 --> 00:11:47,920

beavers out there

346

00:11:52,389 --> 00:11:49,440

porcupines

347

00:11:54,310 --> 00:11:52,399

very large coyotes but i i'm used to

348

00:11:56,069 --> 00:11:54,320

those animals growing up in a farm you

349

00:11:58,150 --> 00:11:56,079

know this felt like it was something

350

00:12:00,230 --> 00:11:58,160

different because it was a combination

351  
00:12:01,829 --> 00:12:00,240  
of stuff going on it wasn't just a big

352  
00:12:03,590 --> 00:12:01,839  
canine it was like

353  
00:12:04,870 --> 00:12:03,600  
this thing had to jump on us the whole

354  
00:12:06,629 --> 00:12:04,880  
night

355  
00:12:09,350 --> 00:12:06,639  
and was just observing us

356  
00:12:11,269 --> 00:12:09,360  
and the dogs were acting very

357  
00:12:13,269 --> 00:12:11,279  
suspicious

358  
00:12:15,430 --> 00:12:13,279  
so it was a combination of things it

359  
00:12:17,190 --> 00:12:15,440  
wasn't just like a one-time event it was

360  
00:12:19,269 --> 00:12:17,200  
things leading up to a big event and

361  
00:12:21,110 --> 00:12:19,279  
then when the event happened it felt

362  
00:12:23,350 --> 00:12:21,120  
like i was in slow motion like i felt

363  
00:12:26,150 --> 00:12:23,360

like time compressed

364

00:12:28,790 --> 00:12:26,160

it was so bizarre you know and

365

00:12:30,310 --> 00:12:28,800

it was a strange yeah yeah and a lot of

366

00:12:31,750 --> 00:12:30,320

the stories even again dating back to

367

00:12:33,430 --> 00:12:31,760

the sherman family were you know there

368

00:12:35,910 --> 00:12:33,440

was a multitude of phenomena that were

369

00:12:37,990 --> 00:12:35,920

they experienced so did you come across

370

00:12:40,310 --> 00:12:38,000

anything else you know of a different

371

00:12:41,829 --> 00:12:40,320

type so you know we've had

372

00:12:44,550 --> 00:12:41,839

people talking about portals

373

00:12:45,990 --> 00:12:44,560

poltergeists ufos did you

374

00:12:49,509 --> 00:12:46,000

experience any of those things for

375

00:12:51,750 --> 00:12:49,519

yourself i never saw any portal stuff

376

00:12:53,269 --> 00:12:51,760

um

377

00:12:55,509 --> 00:12:53,279

ufo stuff

378

00:12:56,790 --> 00:12:55,519

honestly i didn't see i honestly i

379

00:12:59,350 --> 00:12:56,800

didn't spend much time looking at the

380

00:13:00,949 --> 00:12:59,360

sky because of my background i felt like

381

00:13:02,230 --> 00:13:00,959

i had a pretty good grasp of the sky i

382

00:13:03,110 --> 00:13:02,240

guess that's kind of

383

00:13:04,870 --> 00:13:03,120

uh

384

00:13:06,790 --> 00:13:04,880

dumb on my my part i should have spent

385

00:13:07,829 --> 00:13:06,800

more time looking at the sky

386

00:13:09,509 --> 00:13:07,839

um

387

00:13:10,870 --> 00:13:09,519

i focused more on the ground because i

388

00:13:12,949 --> 00:13:10,880

treated the i treated the ranch more

389

00:13:15,990 --> 00:13:12,959

like a crime scene and i wanted to find

390

00:13:17,110 --> 00:13:16,000

real evidence to back up the data or to

391

00:13:18,230 --> 00:13:17,120

back up people's

392

00:13:19,269 --> 00:13:18,240

stories

393

00:13:20,790 --> 00:13:19,279

um there were you know there were

394

00:13:23,350 --> 00:13:20,800

several nights i would sleep on this one

395

00:13:25,670 --> 00:13:23,360

part of the mesa and skywatch all night

396

00:13:27,670 --> 00:13:25,680

long until the morning and i i did that

397

00:13:29,509 --> 00:13:27,680

quite frequently with the dogs and it

398

00:13:31,750 --> 00:13:29,519

was a very cool experience

399

00:13:34,069 --> 00:13:31,760

um but i i kind of treated it more like

400

00:13:36,310 --> 00:13:34,079

uh with a cop mentality of like this

401  
00:13:38,470 --> 00:13:36,320  
place is a giant crime scene there has

402  
00:13:40,230 --> 00:13:38,480  
to be some type of residual evidence

403  
00:13:42,550 --> 00:13:40,240  
that maybe links up with people's

404  
00:13:43,910 --> 00:13:42,560  
experiences and i was able to find some

405  
00:13:46,629 --> 00:13:43,920  
stuff you know but

406  
00:13:48,550 --> 00:13:46,639  
um the poultry guy stuff yeah there was

407  
00:13:50,069 --> 00:13:48,560  
a couple things that were kind of

408  
00:13:52,389 --> 00:13:50,079  
keep your your the hair on the back of

409  
00:13:54,150 --> 00:13:52,399  
your neck stand up you know

410  
00:13:55,750 --> 00:13:54,160  
but once again trying to document it was

411  
00:13:57,509 --> 00:13:55,760  
so hard there was one time on the

412  
00:14:00,310 --> 00:13:57,519  
western side of the property

413  
00:14:01,189 --> 00:14:00,320

it was me and another officer again

414

00:14:02,389 --> 00:14:01,199

um

415

00:14:04,790 --> 00:14:02,399

we were sitting there

416

00:14:07,509 --> 00:14:04,800

on a tree tree stump

417

00:14:08,870 --> 00:14:07,519

just kind of processing the day whatever

418

00:14:10,230 --> 00:14:08,880

it's probably about three o'clock in the

419

00:14:12,150 --> 00:14:10,240

morning

420

00:14:14,710 --> 00:14:12,160

and uh it wasn't it was in the fall it

421

00:14:17,670 --> 00:14:14,720

was cold and we're about to head back to

422

00:14:20,470 --> 00:14:17,680

homestead one and uh we heard a faint

423

00:14:22,470 --> 00:14:20,480

drum beat like

424

00:14:24,870 --> 00:14:22,480

just just long enough for me to take out

425

00:14:27,670 --> 00:14:24,880

my voice recorder and hit record and it

426

00:14:29,189 --> 00:14:27,680

was gone maybe five seconds

427

00:14:31,350 --> 00:14:29,199

and it felt like it was coming deep

428

00:14:32,790 --> 00:14:31,360

within the tree line so naturally we're

429

00:14:33,910 --> 00:14:32,800

thinking well maybe there's people out

430

00:14:35,750 --> 00:14:33,920

here

431

00:14:38,470 --> 00:14:35,760

having a powwow or you know we're on a

432

00:14:40,069 --> 00:14:38,480

reservation it's not uncommon but when

433

00:14:41,990 --> 00:14:40,079

we went out to look where we heard the

434

00:14:43,590 --> 00:14:42,000

sounds we heard we couldn't find anybody

435

00:14:45,110 --> 00:14:43,600

and this is back in the early days where

436

00:14:47,030 --> 00:14:45,120

there wasn't a lot of people around the

437

00:14:48,230 --> 00:14:47,040

ranch you know it wasn't a mainstream

438

00:14:49,750 --> 00:14:48,240

topic

439

00:14:51,509 --> 00:14:49,760

there was not many people going out

440

00:14:53,030 --> 00:14:51,519

there messing around so

441

00:14:54,310 --> 00:14:53,040

i don't know that's how it kind of works

442

00:14:55,750 --> 00:14:54,320

out there when you least expect it

443

00:14:57,590 --> 00:14:55,760

something happens

444

00:15:00,230 --> 00:14:57,600

yeah and then obviously you were

445

00:15:02,629 --> 00:15:00,240

security was your job on the ranch but i

446

00:15:05,189 --> 00:15:02,639

read in one of your bios somewhere that

447

00:15:07,189 --> 00:15:05,199

even as security you were

448

00:15:08,550 --> 00:15:07,199

you're part of your job was kind of to

449

00:15:11,030 --> 00:15:08,560

investigate

450

00:15:13,110 --> 00:15:11,040

right these things and not just sort of

451

00:15:14,949 --> 00:15:13,120

guard the place let's say so yeah we

452

00:15:16,710 --> 00:15:14,959

weren't yeah there's this pretty notion

453

00:15:18,389 --> 00:15:16,720

of like we were just some walmart guards

454

00:15:20,790 --> 00:15:18,399

out there that is not true at all all of

455

00:15:24,069 --> 00:15:20,800

us out there were combat veterans and on

456

00:15:26,949 --> 00:15:24,079

top of that most of us came with

457

00:15:28,550 --> 00:15:26,959

um clearance backgrounds you know and we

458

00:15:30,629 --> 00:15:28,560

created we treated the ranch like

459

00:15:32,150 --> 00:15:30,639

another job assignment like i would work

460

00:15:34,310 --> 00:15:32,160

out the doe

461

00:15:36,389 --> 00:15:34,320

and um but part of the job was to

462

00:15:38,629 --> 00:15:36,399

collect data it was to secure the

463

00:15:40,629 --> 00:15:38,639

property but also collect data and

464

00:15:43,670 --> 00:15:40,639

report anything out of the ordinary

465

00:15:45,269 --> 00:15:43,680

and sometimes also uh you know partaking

466

00:15:47,749 --> 00:15:45,279

experiments to help

467

00:15:50,069 --> 00:15:47,759

you know figure stuff out and we did and

468

00:15:52,470 --> 00:15:50,079

that's how that's how it was during my

469

00:15:54,470 --> 00:15:52,480

time you know yeah yeah and did you have

470

00:15:55,910 --> 00:15:54,480

like regular sort of visiting scientists

471

00:15:57,189 --> 00:15:55,920

or anything like that coming onto the

472

00:15:59,189 --> 00:15:57,199

ranch ever

473

00:16:00,629 --> 00:15:59,199

we had nobody

474

00:16:01,990 --> 00:16:00,639

so there was no

475

00:16:04,790 --> 00:16:02,000

so you were kind of the lead

476  
00:16:06,629 --> 00:16:04,800  
investigators we were the scientists the

477  
00:16:07,990 --> 00:16:06,639  
security

478  
00:16:09,910 --> 00:16:08,000  
the ranch manager we helped the ranch

479  
00:16:11,910 --> 00:16:09,920  
man we were everything but it that's

480  
00:16:13,590 --> 00:16:11,920  
just how it was it was that's and

481  
00:16:15,430 --> 00:16:13,600  
and maybe that's why they wanted prior

482  
00:16:17,749 --> 00:16:15,440  
military to work more with less that's

483  
00:16:20,550 --> 00:16:17,759  
kind of like the military motto

484  
00:16:22,389 --> 00:16:20,560  
um i know and before my time there was a

485  
00:16:23,990 --> 00:16:22,399  
couple scientists out there helping out

486  
00:16:26,310 --> 00:16:24,000  
and stuff so

487  
00:16:28,150 --> 00:16:26,320  
um during my time i think we had one guy

488  
00:16:30,230 --> 00:16:28,160

but he wasn't there for very long just

489

00:16:31,590 --> 00:16:30,240

little spurts and there was other guys

490

00:16:34,150 --> 00:16:31,600

that would come out in little spurts and

491

00:16:35,910 --> 00:16:34,160

do little things but not for long term

492

00:16:37,990 --> 00:16:35,920

nobody was out there living and because

493

00:16:39,189 --> 00:16:38,000

this is and this is important for people

494

00:16:40,949 --> 00:16:39,199

to remember

495

00:16:42,550 --> 00:16:40,959

to understand what it was like being out

496

00:16:44,470 --> 00:16:42,560

there by yourself okay so you're out

497

00:16:46,710 --> 00:16:44,480

there all night long

498

00:16:48,310 --> 00:16:46,720

working and patrolling looking for data

499

00:16:50,470 --> 00:16:48,320

looking for evidence

500

00:16:51,990 --> 00:16:50,480

you know experiencing things and maybe

501  
00:16:54,150 --> 00:16:52,000  
not experiencing things but your mind

502  
00:16:55,829 --> 00:16:54,160  
the psychological effect of what you're

503  
00:16:57,990 --> 00:16:55,839  
being exposed to you're aggressively

504  
00:16:59,829 --> 00:16:58,000  
looking for the phenomenon and then it's

505  
00:17:01,670 --> 00:16:59,839  
not like you go back to a hotel room and

506  
00:17:04,309 --> 00:17:01,680  
call it a day no you go back to

507  
00:17:06,309 --> 00:17:04,319  
homestead one and you go you go to sleep

508  
00:17:08,230 --> 00:17:06,319  
and that's where it gets kind of sketchy

509  
00:17:10,150 --> 00:17:08,240  
because now you're like okay i have to

510  
00:17:11,510 --> 00:17:10,160  
get some sleep sometime

511  
00:17:13,110 --> 00:17:11,520  
and hopefully somebody doesn't get on

512  
00:17:15,029 --> 00:17:13,120  
the property and kill me

513  
00:17:17,110 --> 00:17:15,039

or hurt somebody or break something or

514

00:17:19,270 --> 00:17:17,120

steal something so your mind is

515

00:17:20,549 --> 00:17:19,280

constantly operating in the red zone the

516

00:17:22,630 --> 00:17:20,559

whole time

517

00:17:24,710 --> 00:17:22,640

and you have no relief

518

00:17:27,189 --> 00:17:24,720

and uh

519

00:17:29,110 --> 00:17:27,199

that's how it was

520

00:17:30,470 --> 00:17:29,120

so

521

00:17:32,310 --> 00:17:30,480

now that's cool and obviously you know

522

00:17:34,150 --> 00:17:32,320

we've we've got we're on the third

523

00:17:37,110 --> 00:17:34,160

season of the secret skimwalker ranch

524

00:17:39,590 --> 00:17:37,120

show now under the uh

525

00:17:41,830 --> 00:17:39,600

uh the brandon fugal ownership right so

526

00:17:44,310 --> 00:17:41,840

do you think that it looks from that

527

00:17:46,870 --> 00:17:44,320

series that things have ramped up more

528

00:17:47,909 --> 00:17:46,880

than when you were there oh absolutely

529

00:17:49,270 --> 00:17:47,919

yeah they

530

00:17:51,350 --> 00:17:49,280

they got

531

00:17:53,270 --> 00:17:51,360

a you know brandon fugo has provided his

532

00:17:55,190 --> 00:17:53,280

team a lot of support to get the job

533

00:17:56,870 --> 00:17:55,200

done and that's not a knock on my

534

00:17:58,870 --> 00:17:56,880

previous employer that's just how this

535

00:18:00,789 --> 00:17:58,880

is that's the truth

536

00:18:01,990 --> 00:18:00,799

um i have no ill will towards my

537

00:18:03,190 --> 00:18:02,000

previous employer that's just the card

538

00:18:05,830 --> 00:18:03,200

that was dealt you know you played your

539

00:18:07,270 --> 00:18:05,840

position yeah and my position was to do

540

00:18:08,710 --> 00:18:07,280

what i had to do

541

00:18:10,789 --> 00:18:08,720

but the team that's out there now i've

542

00:18:12,789 --> 00:18:10,799

been out there several times to help

543

00:18:15,190 --> 00:18:12,799

you know pass over data and information

544

00:18:16,950 --> 00:18:15,200

to help with the ongoing research out

545

00:18:18,710 --> 00:18:16,960

there and they have

546

00:18:20,870 --> 00:18:18,720

incredible amount of stuff out there and

547

00:18:21,990 --> 00:18:20,880

equipment and half the stuff that makes

548

00:18:24,150 --> 00:18:22,000

it to the tv

549

00:18:26,470 --> 00:18:24,160

they have so much data that only a small

550

00:18:28,950 --> 00:18:26,480

fraction of it makes it to the tv show

551

00:18:30,230 --> 00:18:28,960

yeah i mean they have so much stuff

552

00:18:31,990 --> 00:18:30,240

yeah i was going to say that obviously

553

00:18:33,830 --> 00:18:32,000

there's a lot of naysayers that say this

554

00:18:35,430 --> 00:18:33,840

is all just purely for entertainment

555

00:18:37,430 --> 00:18:35,440

purposes

556

00:18:39,669 --> 00:18:37,440

and things like that excuse me and the

557

00:18:41,990 --> 00:18:39,679

ones who say that are the ones

558

00:18:44,070 --> 00:18:42,000

who've never spent any time out there i

559

00:18:45,350 --> 00:18:44,080

mean let's be real here if you want to

560

00:18:47,909 --> 00:18:45,360

find out what's going on and that you

561

00:18:50,390 --> 00:18:47,919

went to basin keywords you went to basin

562

00:18:52,070 --> 00:18:50,400

not just skinwalker ranch i suggest you

563

00:18:53,350 --> 00:18:52,080

lace up your boots and you go spend a

564

00:18:54,630 --> 00:18:53,360

couple weeks out there in the desert

565

00:18:56,549 --> 00:18:54,640

like i just did

566

00:18:58,470 --> 00:18:56,559

yeah and then you tell me and tell other

567

00:19:00,230 --> 00:18:58,480

people that it's not real because it's

568

00:19:01,110 --> 00:19:00,240

this the whole you went to basin that's

569

00:19:03,270 --> 00:19:01,120

got

570

00:19:05,190 --> 00:19:03,280

strange phenomenon and it dates back

571

00:19:06,789 --> 00:19:05,200

centuries and there's petroglyphs

572

00:19:08,630 --> 00:19:06,799

everywhere that proves it

573

00:19:10,710 --> 00:19:08,640

and that's what my biggest focus was was

574

00:19:12,070 --> 00:19:10,720

related the native american history to

575

00:19:15,510 --> 00:19:12,080

the phenomena

576

00:19:17,510 --> 00:19:15,520

indigenous history it's called their

577

00:19:19,350 --> 00:19:17,520

culture we're behind the power curve

578

00:19:21,430 --> 00:19:19,360

they're way ahead of us we're kind of

579

00:19:23,510 --> 00:19:21,440

going back full circle now and trying to

580

00:19:25,830 --> 00:19:23,520

understand what our ancient people were

581

00:19:27,510 --> 00:19:25,840

doing and experiencing and also trying

582

00:19:28,950 --> 00:19:27,520

to explain with science

583

00:19:30,630 --> 00:19:28,960

yeah you know i always say you know it's

584

00:19:32,710 --> 00:19:30,640

not the scientific method that matters

585

00:19:35,029 --> 00:19:32,720

it's the native method that matters

586

00:19:37,669 --> 00:19:35,039

understand that history that is key

587

00:19:39,270 --> 00:19:37,679

to really you have to that's

588

00:19:41,110 --> 00:19:39,280

you're not going to learn about skin

589

00:19:42,950 --> 00:19:41,120

walker ranch spend a couple days out

590

00:19:45,190 --> 00:19:42,960

there or anywhere out there you have to

591

00:19:47,510 --> 00:19:45,200

really immerse your body and soul and

592

00:19:49,990 --> 00:19:47,520

spirit into that land and that may sound

593

00:19:52,310 --> 00:19:50,000

like some weird shamanistic

594

00:19:54,470 --> 00:19:52,320

viewpoint but it's true yeah

595

00:19:56,230 --> 00:19:54,480

and and i just spent a whole

596

00:19:59,909 --> 00:19:56,240

eight days with carl the crusher and

597

00:20:02,390 --> 00:19:59,919

james cannon and we went all over

598

00:20:03,590 --> 00:20:02,400

the place collecting data

599

00:20:05,430 --> 00:20:03,600

and and

600

00:20:07,029 --> 00:20:05,440

exploring new locations that nobody's

601  
00:20:09,190 --> 00:20:07,039  
been to before and

602  
00:20:11,430 --> 00:20:09,200  
and photographing stuff and i mean we it

603  
00:20:13,190 --> 00:20:11,440  
was so much fun but it was exhausting

604  
00:20:14,070 --> 00:20:13,200  
yeah it was a lot of fun but i am pretty

605  
00:20:16,549 --> 00:20:14,080  
tired

606  
00:20:18,070 --> 00:20:16,559  
no i bet uh carl's actually he he was

607  
00:20:20,390 --> 00:20:18,080  
here a minute ago in the chat saying

608  
00:20:22,149 --> 00:20:20,400  
chris is the real deal one of the few so

609  
00:20:23,110 --> 00:20:22,159  
yeah i appreciate that carl we had a

610  
00:20:24,310 --> 00:20:23,120  
good time

611  
00:20:26,230 --> 00:20:24,320  
yeah

612  
00:20:28,070 --> 00:20:26,240  
what was the real deal carl's the real

613  
00:20:29,430 --> 00:20:28,080

deal what he's documenting down in

614

00:20:31,510 --> 00:20:29,440

southern utah

615

00:20:33,190 --> 00:20:31,520

i hope you have him on the show

616

00:20:35,270 --> 00:20:33,200

he is on to something that could

617

00:20:37,669 --> 00:20:35,280

probably change the history books

618

00:20:39,430 --> 00:20:37,679

yeah i'm serious i've

619

00:20:41,990 --> 00:20:39,440

had quite a lot of private video chats

620

00:20:43,830 --> 00:20:42,000

with kyle recently let's say that much

621

00:20:45,110 --> 00:20:43,840

i i feel like he's being guided to

622

00:20:46,630 --> 00:20:45,120

something different and i kind of felt

623

00:20:48,870 --> 00:20:46,640

like i was being guided up there on the

624

00:20:51,029 --> 00:20:48,880

ranch to find stuff too it's kind of

625

00:20:53,110 --> 00:20:51,039

weird and the team that's out there now

626  
00:20:55,430 --> 00:20:53,120  
i you know those guys are being guided

627  
00:20:57,510 --> 00:20:55,440  
for the those who who walk in truthfully

628  
00:20:59,270 --> 00:20:57,520  
footsteps of honesty and that's the you

629  
00:21:01,830 --> 00:20:59,280  
have to have a genuine soul and a

630  
00:21:03,750 --> 00:21:01,840  
mindset when it comes to this subject if

631  
00:21:05,909 --> 00:21:03,760  
you're out there looking to

632  
00:21:07,990 --> 00:21:05,919  
do something malicious or

633  
00:21:09,110 --> 00:21:08,000  
um make profit or whatever i mean

634  
00:21:11,110 --> 00:21:09,120  
there's nothing wrong with making money

635  
00:21:12,549 --> 00:21:11,120  
but there's other people involved in

636  
00:21:15,029 --> 00:21:12,559  
this circle that have had the wrong

637  
00:21:17,190 --> 00:21:15,039  
reasons or the wrong insight and they've

638  
00:21:18,549 --> 00:21:17,200

missed the mark i feel bad for them

639

00:21:20,950 --> 00:21:18,559

because they don't get it and they never

640

00:21:22,710 --> 00:21:20,960

will get it no absolutely and you were

641

00:21:24,230 --> 00:21:22,720

talking there about it being such an old

642

00:21:26,310 --> 00:21:24,240

and ancient kind of

643

00:21:28,149 --> 00:21:26,320

phenomena when you were at the ranch did

644

00:21:30,710 --> 00:21:28,159

you have a good rapport with the the

645

00:21:33,029 --> 00:21:30,720

local utes as and you know in the local

646

00:21:35,110 --> 00:21:33,039

surrounding areas uh it took uh when i

647

00:21:36,149 --> 00:21:35,120

first got there it was

648

00:21:37,830 --> 00:21:36,159

it wasn't

649

00:21:39,190 --> 00:21:37,840

there was there was intel that people

650

00:21:42,230 --> 00:21:39,200

wanted to kill us

651  
00:21:47,190 --> 00:21:44,710  
it was it was a very uh a very easy work

652  
00:21:48,470 --> 00:21:47,200  
environment to say the least but over

653  
00:21:50,789 --> 00:21:48,480  
time

654  
00:21:52,789 --> 00:21:50,799  
years and years and years i was able to

655  
00:21:54,310 --> 00:21:52,799  
befriend a few locals and talk to them

656  
00:21:56,470 --> 00:21:54,320  
and really get some good intel and some

657  
00:21:57,590 --> 00:21:56,480  
good insight about the property that

658  
00:22:00,390 --> 00:21:57,600  
goes back

659  
00:22:01,990 --> 00:22:00,400  
way before people even sell the land

660  
00:22:04,390 --> 00:22:02,000  
um

661  
00:22:05,510 --> 00:22:04,400  
but before then it was kind of sketchy

662  
00:22:07,110 --> 00:22:05,520  
for sure

663  
00:22:08,390 --> 00:22:07,120

um

664

00:22:10,070 --> 00:22:08,400

you know it's just

665

00:22:11,669 --> 00:22:10,080

you're on tribal land it's a different

666

00:22:13,830 --> 00:22:11,679

type of atmosphere you know you have to

667

00:22:15,430 --> 00:22:13,840

be respectful out there you can't be

668

00:22:17,110 --> 00:22:15,440

going out there with an ego and this

669

00:22:19,270 --> 00:22:17,120

arrogant attitude you really have to

670

00:22:20,950 --> 00:22:19,280

just be humble and that's the key

671

00:22:22,789 --> 00:22:20,960

you know and that's kind of and it

672

00:22:24,470 --> 00:22:22,799

helped it helped that my mom

673

00:22:26,870 --> 00:22:24,480

um you know she was born and raised on

674

00:22:28,230 --> 00:22:26,880

reservations throughout the southwest my

675

00:22:31,270 --> 00:22:28,240

grandfather used to be the project

676  
00:22:33,510 --> 00:22:31,280  
manager for a lot of reservations so she

677  
00:22:35,029 --> 00:22:33,520  
raised me very um

678  
00:22:37,990 --> 00:22:35,039  
more like a buddhist mindset with

679  
00:22:39,110 --> 00:22:38,000  
everything sure and uh was very big on

680  
00:22:41,669 --> 00:22:39,120  
traditional

681  
00:22:43,990 --> 00:22:41,679  
history and and the ancient history and

682  
00:22:45,909 --> 00:22:44,000  
then my grandfather on my on my dad's

683  
00:22:48,149 --> 00:22:45,919  
side he's the one that taught me how to

684  
00:22:48,950 --> 00:22:48,159  
look for artifacts and respect the land

685  
00:22:56,230 --> 00:22:48,960  
and

686  
00:22:58,230 --> 00:22:56,240  
he was very uh insightful about that

687  
00:23:00,549 --> 00:22:58,240  
type of stuff but none didn't all click

688  
00:23:02,549 --> 00:23:00,559

until i got to the uintah basin

689

00:23:04,630 --> 00:23:02,559

and then i found myself immersed in real

690

00:23:06,149 --> 00:23:04,640

native culture and history everywhere

691

00:23:07,510 --> 00:23:06,159

yeah i mean throughout the whole basin

692

00:23:10,070 --> 00:23:07,520

you have the walker wars and the

693

00:23:11,590 --> 00:23:10,080

blackhawk wars all that energy frequency

694

00:23:12,950 --> 00:23:11,600

and vibration is displaced in the

695

00:23:14,710 --> 00:23:12,960

natural environment

696

00:23:16,549 --> 00:23:14,720

and you know my theory is maybe some of

697

00:23:18,789 --> 00:23:16,559

the negative blowback that people get

698

00:23:20,789 --> 00:23:18,799

around the basin is simply the fact that

699

00:23:23,110 --> 00:23:20,799

we are trespassing on ancient grounds or

700

00:23:25,190 --> 00:23:23,120

hal or sacred grounds

701  
00:23:27,430 --> 00:23:25,200  
and just to be respectful if you're

702  
00:23:29,270 --> 00:23:27,440  
going to go out there and explore and

703  
00:23:31,350 --> 00:23:29,280  
collect data just have that in your

704  
00:23:33,590 --> 00:23:31,360  
mindset hey i need to be respectful out

705  
00:23:35,270 --> 00:23:33,600  
here there's something much bigger out

706  
00:23:36,390 --> 00:23:35,280  
here and i'm glad they showed that on

707  
00:23:38,549 --> 00:23:36,400  
the tv show

708  
00:23:41,029 --> 00:23:38,559  
because the the ranch in the uintah

709  
00:23:42,710 --> 00:23:41,039  
basin is bigger than my photography it's

710  
00:23:44,789 --> 00:23:42,720  
bigger than a government contract the

711  
00:23:47,269 --> 00:23:44,799  
science experiment tv show documentary

712  
00:23:49,110 --> 00:23:47,279  
well there is real history out there and

713  
00:23:51,830 --> 00:23:49,120

we were just scratching the surface of

714

00:23:52,630 --> 00:23:51,840

what's what we know is our reality you

715

00:23:54,950 --> 00:23:52,640

know

716

00:23:56,710 --> 00:23:54,960

absolutely yeah well said i appreciate

717

00:23:57,909 --> 00:23:56,720

that a lot definitely

718

00:24:00,710 --> 00:23:57,919

so let's talk about you mentioned there

719

00:24:02,870 --> 00:24:00,720

your photography i'd love to like

720

00:24:04,710 --> 00:24:02,880

you know if you could just talk about it

721

00:24:06,390 --> 00:24:04,720

when you first started out with that and

722

00:24:07,750 --> 00:24:06,400

some of the places you've been and the

723

00:24:10,070 --> 00:24:07,760

things that you found

724

00:24:12,950 --> 00:24:10,080

yeah that's yeah um i've always done

725

00:24:14,630 --> 00:24:12,960

photography since high school right

726

00:24:15,669 --> 00:24:14,640

as a hobby through my whole military

727

00:24:17,190 --> 00:24:15,679

career

728

00:24:18,630 --> 00:24:17,200

um

729

00:24:21,350 --> 00:24:18,640

and then las vegas you know i've lived

730

00:24:23,269 --> 00:24:21,360

in las vegas for 20 years i have a huge

731

00:24:25,350 --> 00:24:23,279

portfolio of las vegas pictures that are

732

00:24:27,750 --> 00:24:25,360

probably like probably 30 to 40 000

733

00:24:29,350 --> 00:24:27,760

images of vegas from 2 from 1998 to

734

00:24:30,950 --> 00:24:29,360

2018.

735

00:24:32,310 --> 00:24:30,960

i mean i have so many cool vegas

736

00:24:33,830 --> 00:24:32,320

pictures i need to post more of those

737

00:24:35,990 --> 00:24:33,840

because they're kind of neat and then

738

00:24:38,470 --> 00:24:36,000

when i got to the ranch um i had to you

739

00:24:40,470 --> 00:24:38,480

know i did photography as a hobby but i

740

00:24:42,630 --> 00:24:40,480

had a pretty good mind of the dues and

741

00:24:43,909 --> 00:24:42,640

do nots of photography

742

00:24:45,590 --> 00:24:43,919

and one of the big things that caught me

743

00:24:47,590 --> 00:24:45,600

by surprise was

744

00:24:49,190 --> 00:24:47,600

when i first came out there

745

00:24:50,870 --> 00:24:49,200

i was kind of able to help debunk some

746

00:24:53,750 --> 00:24:50,880

of the dust particles that were mistaken

747

00:24:55,990 --> 00:24:53,760

for orbs through flash photography

748

00:24:58,549 --> 00:24:56,000

and uh let me tell you it didn't i

749

00:25:00,310 --> 00:24:58,559

didn't make too many friends doing that

750

00:25:02,470 --> 00:25:00,320

there were some guys that were pretty

751  
00:25:03,990 --> 00:25:02,480  
upset that i ex not exposed that i was

752  
00:25:05,190 --> 00:25:04,000  
just like hey guys this is not what you

753  
00:25:07,909 --> 00:25:05,200  
think it is

754  
00:25:09,750 --> 00:25:07,919  
if you're taking a picture with a flash

755  
00:25:11,350 --> 00:25:09,760  
inside homestead 2 where there's three

756  
00:25:13,590 --> 00:25:11,360  
inches of dirt

757  
00:25:15,669 --> 00:25:13,600  
and it's at night and there's you're

758  
00:25:17,269 --> 00:25:15,679  
gonna get tons of orbs

759  
00:25:19,269 --> 00:25:17,279  
but if you have three dogs laying at

760  
00:25:21,190 --> 00:25:19,279  
your feet not doing anything

761  
00:25:22,470 --> 00:25:21,200  
the biosensors it tells you that there's

762  
00:25:23,830 --> 00:25:22,480  
nothing there

763  
00:25:26,070 --> 00:25:23,840

if i'm taking a picture and there's a

764

00:25:27,990 --> 00:25:26,080

hundred orbs in it and the dogs are

765

00:25:30,549 --> 00:25:28,000

sleeping i'm sorry there's no energy

766

00:25:32,710 --> 00:25:30,559

there it's dust particles yeah animals

767

00:25:34,230 --> 00:25:32,720

will animals will pick up on stuff way

768

00:25:35,510 --> 00:25:34,240

before we will

769

00:25:37,350 --> 00:25:35,520

so anyways but that's what kind of

770

00:25:39,029 --> 00:25:37,360

brought my camera into it because i had

771

00:25:41,029 --> 00:25:39,039

a better camera more high definition

772

00:25:42,470 --> 00:25:41,039

camera and i was able to kind of clean

773

00:25:45,350 --> 00:25:42,480

out some of the dust particles i would

774

00:25:47,029 --> 00:25:45,360

still get a couple in my camera

775

00:25:49,430 --> 00:25:47,039

and then from then on i just carried my

776

00:25:52,149 --> 00:25:49,440

camera as a second piece of equipment uh

777

00:25:54,390 --> 00:25:52,159

to help photograph the ranch for

778

00:25:56,710 --> 00:25:54,400

evidence but also because i i fell in

779

00:25:58,470 --> 00:25:56,720

love with the place and there was so

780

00:26:00,710 --> 00:25:58,480

many beautiful landscapes and these

781

00:26:02,549 --> 00:26:00,720

things i was finding i'm like man i

782

00:26:03,990 --> 00:26:02,559

gotta photograph this and just document

783

00:26:05,350 --> 00:26:04,000

it because i i fell in love with the

784

00:26:07,110 --> 00:26:05,360

property you know

785

00:26:08,789 --> 00:26:07,120

and i'm glad i did because it was just

786

00:26:11,590 --> 00:26:08,799

really a story to tell my kids one day

787

00:26:13,510 --> 00:26:11,600

you know sure yeah no and for anybody

788

00:26:15,190 --> 00:26:13,520

that wants to have a look at chris's

789

00:26:17,110 --> 00:26:15,200

work obviously he posts a lot on social

790

00:26:19,350 --> 00:26:17,120

media but if you go to the description

791

00:26:21,590 --> 00:26:19,360

below there's a link to uh

792

00:26:23,430 --> 00:26:21,600

what's it called i've forgotten it's a

793

00:26:25,750 --> 00:26:23,440

there's a website you've got which

794

00:26:28,310 --> 00:26:25,760

oh yeah it showcases it

795

00:26:31,190 --> 00:26:28,320

yeah chrisbartel.com and that's uh

796

00:26:32,950 --> 00:26:31,200

you'll also find teres matla's uh

797

00:26:35,190 --> 00:26:32,960

from the university of maryland

798

00:26:38,870 --> 00:26:35,200

um he reached out to me two years ago he

799

00:26:40,549 --> 00:26:38,880

did and asked if i can donate the images

800

00:26:42,390 --> 00:26:40,559

to the museum

801  
00:26:44,549 --> 00:26:42,400  
and i was like absolutely so i donated

802  
00:26:45,909 --> 00:26:44,559  
my whole archive to the university of

803  
00:26:48,630 --> 00:26:45,919  
maryland

804  
00:26:50,230 --> 00:26:48,640  
one to archive it but for two so other

805  
00:26:51,669 --> 00:26:50,240  
people can look at it maybe find

806  
00:26:54,470 --> 00:26:51,679  
something that i missed

807  
00:26:56,070 --> 00:26:54,480  
more academic my eyes on it you know

808  
00:26:57,669 --> 00:26:56,080  
i thought it'd be beneficial for other

809  
00:26:58,630 --> 00:26:57,679  
people to see it and maybe they saw

810  
00:27:02,149 --> 00:26:58,640  
something

811  
00:27:03,110 --> 00:27:02,159  
saw and miscontributed you can correct

812  
00:27:05,110 --> 00:27:03,120  
me

813  
00:27:07,350 --> 00:27:05,120

so that was good i'm glad i did that

814

00:27:08,870 --> 00:27:07,360

because it led to other things

815

00:27:10,710 --> 00:27:08,880

yeah no it's fabulous i recommend

816

00:27:13,110 --> 00:27:10,720

anybody go and check that out the link

817

00:27:14,630 --> 00:27:13,120

is in the description and before we uh

818

00:27:15,830 --> 00:27:14,640

before we move on and talk about what

819

00:27:17,590 --> 00:27:15,840

you've been up to for the last sort of

820

00:27:19,430 --> 00:27:17,600

eight days and that yeah got a couple

821

00:27:21,909 --> 00:27:19,440

questions uh

822

00:27:24,549 --> 00:27:21,919

in the chat there so

823

00:27:26,549 --> 00:27:24,559

witnesses and sean asks has your world

824

00:27:29,430 --> 00:27:26,559

view changed with your experiences and

825

00:27:32,230 --> 00:27:29,440

if so how

826

00:27:33,590 --> 00:27:32,240

absolutely um

827

00:27:36,549 --> 00:27:33,600

you know i had a pretty good open

828

00:27:38,870 --> 00:27:36,559

mindset going into skinwalker ranch

829

00:27:41,510 --> 00:27:38,880

coming from my background with my mother

830

00:27:42,870 --> 00:27:41,520

my upbringing but also the areas i used

831

00:27:44,710 --> 00:27:42,880

to work at

832

00:27:46,070 --> 00:27:44,720

uh professionally before

833

00:27:47,510 --> 00:27:46,080

you know before coming to skinwalker

834

00:27:50,070 --> 00:27:47,520

ranch i had already worked in special

835

00:27:51,990 --> 00:27:50,080

access programs for a

836

00:27:53,750 --> 00:27:52,000

major part of my career

837

00:27:54,789 --> 00:27:53,760

but when you're finally out there by

838

00:27:56,870 --> 00:27:54,799

yourself

839

00:27:58,630 --> 00:27:56,880

and you're immersed in that environment

840

00:28:00,870 --> 00:27:58,640

it's kind of hard i felt i focus more on

841

00:28:03,430 --> 00:28:00,880

like a spiritual spiritual evolution

842

00:28:05,590 --> 00:28:03,440

mindset i felt like i evolved

843

00:28:07,430 --> 00:28:05,600

spiritually being out there and i really

844

00:28:09,350 --> 00:28:07,440

believe my photography

845

00:28:11,350 --> 00:28:09,360

creativity expanded

846

00:28:13,430 --> 00:28:11,360

being out there and it might be just a

847

00:28:15,669 --> 00:28:13,440

simple fact of being alone out there for

848

00:28:17,590 --> 00:28:15,679

so long that that was my only hobby to

849

00:28:19,430 --> 00:28:17,600

get through the weeks out there

850

00:28:20,549 --> 00:28:19,440

but it really helped me practice my

851  
00:28:22,149 --> 00:28:20,559  
craft

852  
00:28:23,190 --> 00:28:22,159  
and um and then meeting some of the

853  
00:28:25,750 --> 00:28:23,200  
local

854  
00:28:27,029 --> 00:28:25,760  
people and talking about oral traditions

855  
00:28:28,789 --> 00:28:27,039  
and then going around seeing the

856  
00:28:30,310 --> 00:28:28,799  
petroglyphs everywhere

857  
00:28:32,389 --> 00:28:30,320  
and just the amazing you know that you

858  
00:28:34,149 --> 00:28:32,399  
went to basements got so much history

859  
00:28:35,510 --> 00:28:34,159  
you can almost feel the energy out there

860  
00:28:36,870 --> 00:28:35,520  
you really can in some of these

861  
00:28:39,110 --> 00:28:36,880  
locations

862  
00:28:40,389 --> 00:28:39,120  
yeah so yeah it made me realize like you

863  
00:28:42,070 --> 00:28:40,399

know people operate on different

864

00:28:43,430 --> 00:28:42,080

frequencies you know lower frequency or

865

00:28:45,190 --> 00:28:43,440

higher frequency

866

00:28:46,549 --> 00:28:45,200

and i really feel like at the ranch i

867

00:28:49,029 --> 00:28:46,559

tapped into a different frequency out

868

00:28:50,710 --> 00:28:49,039

there that opened my mind up a lot a lot

869

00:28:51,669 --> 00:28:50,720

more you know

870

00:28:52,549 --> 00:28:51,679

yeah

871

00:28:54,630 --> 00:28:52,559

i mean

872

00:28:57,430 --> 00:28:54,640

i'd love to spend time out there and

873

00:28:58,870 --> 00:28:57,440

especially meet her with you car vibe

874

00:29:01,029 --> 00:28:58,880

you know it'll be fun

875

00:29:03,029 --> 00:29:01,039

and before we get into that i've got one

876

00:29:05,110 --> 00:29:03,039

more question here yoni says did you

877

00:29:07,029 --> 00:29:05,120

have or still have experiences with the

878

00:29:09,029 --> 00:29:07,039

hitchhiker effect

879

00:29:10,789 --> 00:29:09,039

oh so that one

880

00:29:12,470 --> 00:29:10,799

so

881

00:29:13,430 --> 00:29:12,480

i've only told this story like once or

882

00:29:15,510 --> 00:29:13,440

twice

883

00:29:17,029 --> 00:29:15,520

um because it involves some family

884

00:29:19,430 --> 00:29:17,039

members of mine

885

00:29:21,269 --> 00:29:19,440

but yeah i did we did have a hitchhiker

886

00:29:23,350 --> 00:29:21,279

event that happened in 2011 that

887

00:29:27,029 --> 00:29:23,360

affected not just me but

888

00:29:31,269 --> 00:29:29,510

and this is the honest truth i talked to

889

00:29:32,389 --> 00:29:31,279

my mom because i didn't know what to do

890

00:29:34,070 --> 00:29:32,399

really

891

00:29:35,350 --> 00:29:34,080

and she suggested that the next time i

892

00:29:37,750 --> 00:29:35,360

go to the ranch

893

00:29:39,110 --> 00:29:37,760

grab sage and smudge my house

894

00:29:40,870 --> 00:29:39,120

so i did that

895

00:29:42,710 --> 00:29:40,880

and then shortly after that i felt like

896

00:29:43,750 --> 00:29:42,720

my perception of the ranch changed

897

00:29:45,350 --> 00:29:43,760

because that's when i started finding

898

00:29:46,950 --> 00:29:45,360

artifacts and stuff

899

00:29:49,750 --> 00:29:46,960

but i really believe the hitchhiker

900

00:29:51,350 --> 00:29:49,760

effect uh looking back at it now was

901  
00:29:53,590 --> 00:29:51,360  
at the time i wasn't sure what i was

902  
00:29:54,789 --> 00:29:53,600  
doing out there i had no direction i was

903  
00:29:55,590 --> 00:29:54,799  
just kind of following what i was told

904  
00:29:57,190 --> 00:29:55,600  
to do

905  
00:29:58,870 --> 00:29:57,200  
but i feel like the hitchhiker effect

906  
00:30:00,950 --> 00:29:58,880  
might be uh

907  
00:30:03,269 --> 00:30:00,960  
you know you go to these areas that are

908  
00:30:05,190 --> 00:30:03,279  
sacred with lots of energy there and

909  
00:30:06,789 --> 00:30:05,200  
something attaches to you

910  
00:30:08,789 --> 00:30:06,799  
and follows you home

911  
00:30:11,110 --> 00:30:08,799  
and then presents itself as a warning

912  
00:30:13,510 --> 00:30:11,120  
basically saying you know you trespass

913  
00:30:14,789 --> 00:30:13,520

on my land now i'm trespassing on yours

914

00:30:16,710 --> 00:30:14,799

tread lightly

915

00:30:17,990 --> 00:30:16,720

and once i kind of flipped my mind to

916

00:30:20,070 --> 00:30:18,000

that perception

917

00:30:22,870 --> 00:30:20,080

um everything changed i didn't have any

918

00:30:25,110 --> 00:30:22,880

more hitchhiker problems the ranch kind

919

00:30:27,029 --> 00:30:25,120

of felt more of a positive vibe

920

00:30:28,950 --> 00:30:27,039

than a negative vibe

921

00:30:31,350 --> 00:30:28,960

and uh that that's when everything

922

00:30:33,909 --> 00:30:31,360

changed for me was that event smudging

923

00:30:36,310 --> 00:30:33,919

the house and then realizing hey maybe i

924

00:30:39,110 --> 00:30:36,320

am trampling around out here on

925

00:30:41,029 --> 00:30:39,120

something that i can't find or see yet

926  
00:30:42,470 --> 00:30:41,039  
and that's not and that's not that's

927  
00:30:43,830 --> 00:30:42,480  
just the foundation of the property out

928  
00:30:45,750 --> 00:30:43,840  
there there's other things out there too

929  
00:30:47,269 --> 00:30:45,760  
the gilsonite and the natural

930  
00:30:49,510 --> 00:30:47,279  
occurrences out there the magnetic

931  
00:30:51,430 --> 00:30:49,520  
anomalies there's so many overlapping

932  
00:30:53,510 --> 00:30:51,440  
layers to the ranch and and the new team

933  
00:30:55,669 --> 00:30:53,520  
that's out there now really pulling back

934  
00:30:57,029 --> 00:30:55,679  
the layers i mean they're just

935  
00:30:58,389 --> 00:30:57,039  
it's amazing some of the stuff that i

936  
00:31:00,230 --> 00:30:58,399  
watch the show and i learned things you

937  
00:31:02,630 --> 00:31:00,240  
know when i was out there for a long

938  
00:31:04,389 --> 00:31:02,640

time but what i focused on was most of

939

00:31:06,710 --> 00:31:04,399

the native american lore and traditions

940

00:31:09,269 --> 00:31:06,720

and tying that into everything else

941

00:31:11,509 --> 00:31:09,279

but um yeah so after that never had a

942

00:31:13,669 --> 00:31:11,519

problem again so i feel like i really

943

00:31:15,110 --> 00:31:13,679

feel like the ranch has this um

944

00:31:17,029 --> 00:31:15,120

consciousness about it that knows if

945

00:31:18,389 --> 00:31:17,039

you're genuine or not if you go out

946

00:31:19,909 --> 00:31:18,399

there with ill intentions you're going

947

00:31:22,870 --> 00:31:19,919

to get exposed

948

00:31:24,630 --> 00:31:22,880

if you go out there with a genuine heart

949

00:31:26,870 --> 00:31:24,640

you're going to be okay you got and i

950

00:31:28,710 --> 00:31:26,880

used to tell people you know if you if

951  
00:31:30,470 --> 00:31:28,720  
you're looking for darkness on the ranch

952  
00:31:31,669 --> 00:31:30,480  
you can find it trust me

953  
00:31:33,110 --> 00:31:31,679  
but if you're looking for light on the

954  
00:31:35,509 --> 00:31:33,120  
ranch you can find that as well and

955  
00:31:37,110 --> 00:31:35,519  
that's what i focused on was the light

956  
00:31:40,070 --> 00:31:37,120  
through my photography

957  
00:31:42,549 --> 00:31:40,080  
and um but i had people that i knew

958  
00:31:43,669 --> 00:31:42,559  
that ranch tear them apart you know

959  
00:31:44,830 --> 00:31:43,679  
um

960  
00:31:46,549 --> 00:31:44,840  
yeah

961  
00:31:48,470 --> 00:31:46,559  
wow

962  
00:31:49,990 --> 00:31:48,480  
i really appreciate you sharing that i

963  
00:31:51,909 --> 00:31:50,000

really do because i know like you said

964

00:31:53,669 --> 00:31:51,919

you've not told that before and uh yeah

965

00:31:55,909 --> 00:31:53,679

i feel honored for you to

966

00:31:57,909 --> 00:31:55,919

open up like that i'm a lot more i'm a

967

00:31:59,669 --> 00:31:57,919

lot more open now about some things than

968

00:32:01,590 --> 00:31:59,679

before because i wasn't sure what i

969

00:32:03,190 --> 00:32:01,600

could and couldn't say about you know

970

00:32:04,789 --> 00:32:03,200

having a clearance and stuff but now

971

00:32:06,630 --> 00:32:04,799

it's like i don't feel like i need to

972

00:32:08,950 --> 00:32:06,640

hide anything anymore because it's the

973

00:32:11,509 --> 00:32:08,960

truth and i can back it up with with

974

00:32:12,870 --> 00:32:11,519

evidence and and documentation

975

00:32:15,269 --> 00:32:12,880

you know i just i mean this is the

976  
00:32:17,909 --> 00:32:15,279  
problem with with some of these places

977  
00:32:19,110 --> 00:32:17,919  
you have people that have this

978  
00:32:21,110 --> 00:32:19,120  
perception

979  
00:32:23,029 --> 00:32:21,120  
you know at skinwalker ranch or it's

980  
00:32:24,710 --> 00:32:23,039  
another location and they can write

981  
00:32:26,870 --> 00:32:24,720  
whatever story they want and everybody's

982  
00:32:29,990 --> 00:32:26,880  
going to blindly believe it because well

983  
00:32:30,789 --> 00:32:30,000  
there's already a reputation there

984  
00:32:33,430 --> 00:32:30,799  
but

985  
00:32:36,230 --> 00:32:33,440  
has anybody fact checked those stories

986  
00:32:38,470 --> 00:32:36,240  
and i really try to i try to be truthful

987  
00:32:39,830 --> 00:32:38,480  
as much as i can and there was a time on

988  
00:32:41,830 --> 00:32:39,840

skinwalker ranch where i just stopped

989

00:32:43,909 --> 00:32:41,840

reporting stuff

990

00:32:46,950 --> 00:32:43,919

i did because nobody cared

991

00:32:48,789 --> 00:32:46,960

nobody cared that i reported things and

992

00:32:50,310 --> 00:32:48,799

the the company went into a different

993

00:32:52,230 --> 00:32:50,320

mindset of focusing more on the

994

00:32:53,830 --> 00:32:52,240

aerospace side of the house but that

995

00:32:55,909 --> 00:32:53,840

doesn't mean the phenomena stopped out

996

00:32:57,029 --> 00:32:55,919

there at all but most of us thought who

997

00:32:58,710 --> 00:32:57,039

were left out there we just stopped

998

00:33:01,509 --> 00:32:58,720

reporting things because

999

00:33:04,230 --> 00:33:01,519

it seemed like nobody really cared yeah

1000

00:33:05,590 --> 00:33:04,240

and so why am i going to waste time

1001  
00:33:08,070 --> 00:33:05,600  
reporting a bunch of bunch of crazy

1002  
00:33:09,190 --> 00:33:08,080  
stuff when nobody's listening so at that

1003  
00:33:11,190 --> 00:33:09,200  
point you're just like well i'm here

1004  
00:33:13,269 --> 00:33:11,200  
just on a spiritual evolution or a

1005  
00:33:15,430 --> 00:33:13,279  
spiritual journey basically that's how i

1006  
00:33:16,950 --> 00:33:15,440  
you know looked at it so that's kind of

1007  
00:33:19,590 --> 00:33:16,960  
what's my focus

1008  
00:33:21,269 --> 00:33:19,600  
amazing yeah i can understand yeah

1009  
00:33:23,190 --> 00:33:21,279  
so let's talk about this trip that you

1010  
00:33:26,630 --> 00:33:23,200  
you're literally on your way back from

1011  
00:33:28,789 --> 00:33:26,640  
right now yeah how did that come about

1012  
00:33:30,389 --> 00:33:28,799  
so me and james keenan for last we've

1013  
00:33:31,669 --> 00:33:30,399

been doing this thing every year we try

1014

00:33:34,549 --> 00:33:31,679

to make it a point to go out to the

1015

00:33:36,389 --> 00:33:34,559

uintah basin and spend a good five days

1016

00:33:39,190 --> 00:33:36,399

this time it was over a week

1017

00:33:41,990 --> 00:33:39,200

and really explore new things out there

1018

00:33:43,909 --> 00:33:42,000

and kind of tie it all together uh james

1019

00:33:46,710 --> 00:33:43,919

keenan that guy has a wealth of

1020

00:33:49,029 --> 00:33:46,720

information and he does his research and

1021

00:33:51,909 --> 00:33:49,039

he has scientific equipment to back up

1022

00:33:54,230 --> 00:33:51,919

the data and he doesn't go just here he

1023

00:33:55,029 --> 00:33:54,240

goes all over the country all over the

1024

00:33:58,230 --> 00:33:55,039

place

1025

00:34:01,269 --> 00:33:58,240

himself

1026  
00:34:04,149 --> 00:34:01,279  
and spends the time energy and so i kind

1027  
00:34:05,990 --> 00:34:04,159  
of followed james's lead on these events

1028  
00:34:08,629 --> 00:34:06,000  
as the second guy with i with my

1029  
00:34:11,430 --> 00:34:08,639  
photography and with my experiences and

1030  
00:34:13,669 --> 00:34:11,440  
and uh carl was with us on this trip and

1031  
00:34:15,829 --> 00:34:13,679  
he has a he's on the level two he's

1032  
00:34:16,790 --> 00:34:15,839  
tapped into that frequency frequency as

1033  
00:34:18,950 --> 00:34:16,800  
well

1034  
00:34:21,349 --> 00:34:18,960  
and you know his ability to see

1035  
00:34:22,950 --> 00:34:21,359  
petroglyphs and he's got a great eye for

1036  
00:34:25,349 --> 00:34:22,960  
that i mean he really does he's being

1037  
00:34:27,510 --> 00:34:25,359  
guided too i think and i think he's just

1038  
00:34:28,470 --> 00:34:27,520

started his research and the magic mesa

1039

00:34:31,030 --> 00:34:28,480

down in

1040

00:34:32,230 --> 00:34:31,040

southern utah and i cannot wait to see

1041

00:34:33,510 --> 00:34:32,240

what he finds

1042

00:34:35,349 --> 00:34:33,520

hopefully i get to go out there this

1043

00:34:36,950 --> 00:34:35,359

year and spend a couple days out there

1044

00:34:37,829 --> 00:34:36,960

because i can't wait to photograph that

1045

00:34:39,750 --> 00:34:37,839

area

1046

00:34:41,669 --> 00:34:39,760

and see what i find as well

1047

00:34:44,389 --> 00:34:41,679

and so yeah we go out there and just

1048

00:34:47,270 --> 00:34:44,399

explore all over the uintah basins

1049

00:34:49,829 --> 00:34:47,280

and go to uh new locations and we talk

1050

00:34:51,750 --> 00:34:49,839

to locals around the area and find out

1051  
00:34:53,109 --> 00:34:51,760  
uh stories about this place so we go out

1052  
00:34:55,349 --> 00:34:53,119  
there and spend the night and see if we

1053  
00:34:56,790 --> 00:34:55,359  
can find anything and some nights it's a

1054  
00:34:58,790 --> 00:34:56,800  
bust some nights it's like whoa

1055  
00:35:00,390 --> 00:34:58,800  
something is out here you know

1056  
00:35:01,589 --> 00:35:00,400  
and uh it was pretty fun this time we

1057  
00:35:06,150 --> 00:35:01,599  
went from

1058  
00:35:08,390 --> 00:35:06,160  
wow to

1059  
00:35:10,630 --> 00:35:08,400  
going underground in the cave systems

1060  
00:35:12,310 --> 00:35:10,640  
and i'm out here for two days

1061  
00:35:14,230 --> 00:35:12,320  
and then uh

1062  
00:35:17,109 --> 00:35:14,240  
just hiking everywhere going to see new

1063  
00:35:18,230 --> 00:35:17,119

petroglyphs and mckee springs and

1064

00:35:19,750 --> 00:35:18,240

and uh

1065

00:35:21,349 --> 00:35:19,760

just kind of going where the wind blows

1066

00:35:22,950 --> 00:35:21,359

us i guess we would just go hey let's go

1067

00:35:24,630 --> 00:35:22,960

here and check it out and

1068

00:35:27,270 --> 00:35:24,640

sure enough if we find something like

1069

00:35:29,349 --> 00:35:27,280

wow you know and i photo i have like 4

1070

00:35:31,349 --> 00:35:29,359

000 images i have to go back and

1071

00:35:33,670 --> 00:35:31,359

really dissect and see

1072

00:35:35,270 --> 00:35:33,680

what we missed or what we saw

1073

00:35:37,750 --> 00:35:35,280

because some of the some of the places

1074

00:35:39,589 --> 00:35:37,760

we went to the weather was kind of

1075

00:35:41,109 --> 00:35:39,599

super windy or it was raining a couple

1076

00:35:43,190 --> 00:35:41,119

days and

1077

00:35:46,310 --> 00:35:43,200

so you're kind of rushing through to get

1078

00:35:49,270 --> 00:35:46,320

to find stuff and uh it was a lot of fun

1079

00:35:52,390 --> 00:35:51,030

i've said to carl like i've said to a

1080

00:35:53,829 --> 00:35:52,400

lot of people when i come out to the

1081

00:35:54,790 --> 00:35:53,839

states i'll definitely be paying them a

1082

00:35:58,790 --> 00:35:54,800

visit

1083

00:36:00,230 --> 00:35:58,800

the north and the south you know maybe

1084

00:36:02,150 --> 00:36:00,240

brandon or less

1085

00:36:03,670 --> 00:36:02,160

a few of us come to skimwalker ranch you

1086

00:36:05,109 --> 00:36:03,680

know oh yeah that'd be awesome i think

1087

00:36:07,270 --> 00:36:05,119

you you know getting out there and kind

1088

00:36:08,150 --> 00:36:07,280

of absorbs some of the energy out there

1089

00:36:09,190 --> 00:36:08,160

um

1090

00:36:11,430 --> 00:36:09,200

i think it

1091

00:36:12,390 --> 00:36:11,440

surprises a lot of people because the tv

1092

00:36:13,910 --> 00:36:12,400

show

1093

00:36:16,630 --> 00:36:13,920

kind of pain you only see a little bit

1094

00:36:18,710 --> 00:36:16,640

of what what the whole basin offers yeah

1095

00:36:20,870 --> 00:36:18,720

and there's so many beautiful areas out

1096

00:36:22,550 --> 00:36:20,880

there it's just no wonder people were

1097

00:36:23,670 --> 00:36:22,560

naturally drawn to that location it's

1098

00:36:25,030 --> 00:36:23,680

gorgeous

1099

00:36:26,390 --> 00:36:25,040

yeah and if you bit up to them is it

1100

00:36:28,470 --> 00:36:26,400

mcconkey ranch though they've got the

1101

00:36:30,390 --> 00:36:28,480

petroglyphs in that yeah we've been to

1102

00:36:32,950 --> 00:36:30,400

mcconkey ranch a couple times and they

1103

00:36:35,190 --> 00:36:32,960

got some amazing petroglyphs out there

1104

00:36:36,710 --> 00:36:35,200

go back to the fremont era you know and

1105

00:36:38,310 --> 00:36:36,720

then we went to mckee springs it's

1106

00:36:40,630 --> 00:36:38,320

another place that's got

1107

00:36:42,470 --> 00:36:40,640

amazing glyphs as well

1108

00:36:44,710 --> 00:36:42,480

and that was really fun too going up in

1109

00:36:46,069 --> 00:36:44,720

those hills and finding those

1110

00:36:47,349 --> 00:36:46,079

glyphs and that's everywhere you look

1111

00:36:49,190 --> 00:36:47,359

out there you just wonder is there one

1112

00:36:50,550 --> 00:36:49,200

out there i missed or you know

1113

00:36:52,069 --> 00:36:50,560

because there's still so much out there

1114

00:36:55,030 --> 00:36:52,079

that's being discovered every day you

1115

00:36:55,750 --> 00:36:55,040

know that's what's exciting about it

1116

00:36:57,589 --> 00:36:55,760

so

1117

00:36:59,349 --> 00:36:57,599

before we before we wrap up i wanted to

1118

00:37:00,630 --> 00:36:59,359

know if you've got anything planned for

1119

00:37:02,069 --> 00:37:00,640

the rest of the year obviously you're

1120

00:37:03,910 --> 00:37:02,079

going back to work and

1121

00:37:05,829 --> 00:37:03,920

your normal life but uh anything that

1122

00:37:07,829 --> 00:37:05,839

you've got coming up as well yeah

1123

00:37:09,030 --> 00:37:07,839

actually uh i got a project coming out i

1124

00:37:11,030 --> 00:37:09,040

think it's coming out the end of this

1125

00:37:13,109 --> 00:37:11,040

month with terrazz mala

1126  
00:37:14,790 --> 00:37:13,119  
nice um for the university of maryland

1127  
00:37:17,190 --> 00:37:14,800  
it's a little mini documentary that we

1128  
00:37:20,230 --> 00:37:17,200  
shot last year when i was in dc

1129  
00:37:21,750 --> 00:37:20,240  
i was in washington dc twice last year

1130  
00:37:23,190 --> 00:37:21,760  
and uh we shot this little mini

1131  
00:37:25,589 --> 00:37:23,200  
documentary kind of going over the

1132  
00:37:27,270 --> 00:37:25,599  
photography of skinwalker ranch and

1133  
00:37:28,870 --> 00:37:27,280  
explaining some of my experiences in

1134  
00:37:30,710 --> 00:37:28,880  
more in detail

1135  
00:37:33,270 --> 00:37:30,720  
and i've only seen like a rough cut of

1136  
00:37:35,109 --> 00:37:33,280  
it but it's very well done and it's kind

1137  
00:37:37,670 --> 00:37:35,119  
of cool because it's me telling my story

1138  
00:37:39,829 --> 00:37:37,680

on my own without being you know chopped

1139

00:37:41,430 --> 00:37:39,839

up in production or whatever yeah and it

1140

00:37:43,109 --> 00:37:41,440

really focuses more of what my

1141

00:37:45,109 --> 00:37:43,119

intentions were and

1142

00:37:46,230 --> 00:37:45,119

how my photography has evolved since

1143

00:37:47,589 --> 00:37:46,240

then and

1144

00:37:49,190 --> 00:37:47,599

so i really can't wait to see it and for

1145

00:37:51,589 --> 00:37:49,200

other people to see it and it'll be free

1146

00:37:54,069 --> 00:37:51,599

online it'll be it's an academic project

1147

00:37:56,069 --> 00:37:54,079

so it'll be free on youtube and on the

1148

00:37:58,390 --> 00:37:56,079

maryland university website and i'll

1149

00:38:00,470 --> 00:37:58,400

have it on my website so it's just more

1150

00:38:03,510 --> 00:38:00,480

history about the beautiful area of

1151  
00:38:05,270 --> 00:38:03,520  
skinwalker and the surrounding areas so

1152  
00:38:07,190 --> 00:38:05,280  
i hope people enjoy it

1153  
00:38:09,670 --> 00:38:07,200  
i'm sure they will i can't wait to see i

1154  
00:38:11,990 --> 00:38:09,680  
mean i'm so fascinated by everything in

1155  
00:38:13,430 --> 00:38:12,000  
in those in those areas so i'm sure it

1156  
00:38:15,349 --> 00:38:13,440  
will be amazing

1157  
00:38:17,990 --> 00:38:15,359  
before we go your name's got another

1158  
00:38:19,589 --> 00:38:18,000  
great question sure she says is the

1159  
00:38:21,510 --> 00:38:19,599  
energy around or close to the

1160  
00:38:22,790 --> 00:38:21,520  
petroglyphs different than the rest of

1161  
00:38:24,950 --> 00:38:22,800  
the area

1162  
00:38:26,870 --> 00:38:24,960  
yes there is

1163  
00:38:29,829 --> 00:38:26,880

as a matter of fact carl has done a good

1164

00:38:32,630 --> 00:38:29,839

job documenting it with uh

1165

00:38:33,670 --> 00:38:32,640

magnetic detectors and emf reads and

1166

00:38:35,270 --> 00:38:33,680

reads and

1167

00:38:38,230 --> 00:38:35,280

equipment that shows that there is

1168

00:38:39,990 --> 00:38:38,240

something that some of these glyphs are

1169

00:38:42,069 --> 00:38:40,000

are producing different types of

1170

00:38:45,109 --> 00:38:42,079

magnetic anomalies

1171

00:38:47,190 --> 00:38:45,119

there is something there absolutely

1172

00:38:48,790 --> 00:38:47,200

wow that's incredible i mean i really

1173

00:38:50,150 --> 00:38:48,800

hope carl continues on this journey

1174

00:38:52,230 --> 00:38:50,160

because like i said i've spoken to him a

1175

00:38:53,829 --> 00:38:52,240

lot about it and he's definitely

1176

00:38:55,670 --> 00:38:53,839

working in the right direction to

1177

00:38:56,790 --> 00:38:55,680

finding some incredible

1178

00:38:58,870 --> 00:38:56,800

dogs

1179

00:39:01,190 --> 00:38:58,880

he's on the right path that's for sure

1180

00:39:03,030 --> 00:39:01,200

yeah well listen chris thank you so much

1181

00:39:04,230 --> 00:39:03,040

for taking your time out of your drive i

1182

00:39:06,550 --> 00:39:04,240

know you said you've got about another

1183

00:39:08,150 --> 00:39:06,560

13 hours ahead of you um no i don't i

1184

00:39:09,910 --> 00:39:08,160

don't envy you there

1185

00:39:11,670 --> 00:39:09,920

this is a nice break and that's why i

1186

00:39:13,910 --> 00:39:11,680

want to do this interview while things

1187

00:39:15,990 --> 00:39:13,920

were still fresh in my mind and i didn't

1188

00:39:17,670 --> 00:39:16,000

go back to going back to dad and and

1189

00:39:18,950 --> 00:39:17,680

back to my job so i'm glad we were able

1190

00:39:20,950 --> 00:39:18,960

to work it out and i really appreciate

1191

00:39:22,790 --> 00:39:20,960

your time and allowing me to to tell

1192

00:39:25,030 --> 00:39:22,800

some of my stuff now you're welcome

1193

00:39:27,270 --> 00:39:25,040

absolutely any time man i really i

1194

00:39:29,030 --> 00:39:27,280

really mean that genuinely i cannot

1195

00:39:30,870 --> 00:39:29,040

thank you enough man so please stay in

1196

00:39:32,550 --> 00:39:30,880

touch i look forward to seeing your

1197

00:39:34,310 --> 00:39:32,560

little documentary that's coming out

1198

00:39:35,109 --> 00:39:34,320

yeah so yeah

1199

00:39:37,270 --> 00:39:35,119

all right

1200

00:39:39,510 --> 00:39:37,280

take care thank you man

1201  
00:39:42,870 --> 00:39:39,520  
speak soon safe journey thank you bye

1202  
00:39:45,190 --> 00:39:42,880  
for now bye-bye

1203  
00:39:47,109 --> 00:39:45,200  
well guys that was amazing i really

1204  
00:39:49,670 --> 00:39:47,119  
really appreciated chris literally

1205  
00:39:52,550 --> 00:39:49,680  
stopping mid-journey to come and talk to

1206  
00:39:54,829 --> 00:39:52,560  
to me and answer questions and he did

1207  
00:39:58,790 --> 00:39:54,839  
say he's got another 13 hours of driving

1208  
00:40:00,310 --> 00:39:58,800  
so yeah i know how hard that is um

1209  
00:40:03,510 --> 00:40:00,320  
so guys thank you so much for being here

1210  
00:40:05,670 --> 00:40:03,520  
in the live chat uh i'm hoping to maybe

1211  
00:40:08,550 --> 00:40:05,680  
do a video this weekend i'm gonna be at

1212  
00:40:10,630 --> 00:40:08,560  
the awakening expo in blackpool

1213  
00:40:12,309 --> 00:40:10,640

uh it's this big conference that's

1214

00:40:14,230 --> 00:40:12,319

happening i'm gonna be there with a lot

1215

00:40:15,589 --> 00:40:14,240

of my colleagues from uap media uk so

1216

00:40:17,589 --> 00:40:15,599

i'm thinking about making some kind of

1217

00:40:19,349 --> 00:40:17,599

video possibly even doing some kind of

1218

00:40:21,190 --> 00:40:19,359

live stream i've not decided yet i'm

1219

00:40:23,510 --> 00:40:21,200

gonna check to see what the

1220

00:40:25,270 --> 00:40:23,520

the signals like when i'm up there so

1221

00:40:27,190 --> 00:40:25,280

you know look out for something i will

1222

00:40:29,270 --> 00:40:27,200

be posting a lot across my social medias

1223

00:40:30,950 --> 00:40:29,280

while i'm there

1224

00:40:32,710 --> 00:40:30,960

yeah then next week

1225

00:40:35,030 --> 00:40:32,720

i i've got

1226

00:40:37,270 --> 00:40:35,040

uh who am i joined by steve bassett is

1227

00:40:40,390 --> 00:40:37,280

coming on on the 29th but i have today

1228

00:40:42,630 --> 00:40:40,400

just arranged for the full cast of the

1229

00:40:44,630 --> 00:40:42,640

upcoming phenomenology documentary that

1230

00:40:47,990 --> 00:40:44,640

i was a part of in colombia we're going

1231

00:40:49,750 --> 00:40:48,000

to do a big panel discussion on the 28th

1232

00:40:51,750 --> 00:40:49,760

so i'm looking forward to that

1233

00:40:53,829 --> 00:40:51,760

so again go over to my instagram my

1234

00:40:55,990 --> 00:40:53,839

twitter you can keep keep up with all

1235

00:40:57,030 --> 00:40:56,000

the announcements there

1236

00:40:58,230 --> 00:40:57,040

so yeah

1237

00:40:59,750 --> 00:40:58,240

thank you so much guys i really

1238

00:41:00,790 --> 00:40:59,760

appreciate you being here enjoy the rest

1239

00:41:03,030 --> 00:41:00,800

of your day
