[Music]

2  
00:00:12,880 --> 00:00:17,370

oh

3  
00:00:17,380 --> 00:00:40,310

[Music]

4  
00:00:44,229 --> 00:00:42,630

welcome back to the channel guys

5  
00:00:45,990 --> 00:00:44,239

i've been away i think for about eight

6  
00:00:48,470 --> 00:00:46,000

days since i did my last show which i

7  
00:00:50,630 --> 00:00:48,480

believe is the longest break i've had

8  
00:00:53,110 --> 00:00:50,640

since doing this show in

9  
00:00:54,549 --> 00:00:53,120

just over a year now it's crazy to think

10  
00:00:55,830 --> 00:00:54,559

it's been over a year since i've been

11  
00:00:57,910 --> 00:00:55,840

doing this so

12  
00:01:00,389 --> 00:00:57,920

i'm really happy to be back the weekend

13  
00:01:02,549 --> 00:01:00,399

just gone i was at the awakening expo in

14

00:01:04,149 --> 00:01:02,559

blackpool which was awesome it was my

15

00:01:06,630 --> 00:01:04,159

first conference

16

00:01:08,310 --> 00:01:06,640

i was there representing uap media uk it

17

00:01:11,190 --> 00:01:08,320

was amazing

18

00:01:13,270 --> 00:01:11,200

but that's another story um i want to

19

00:01:15,190 --> 00:01:13,280

get straight into this one because it's

20

00:01:16,870 --> 00:01:15,200

always an amazing conversation with my

21

00:01:19,429 --> 00:01:16,880

guest tonight here it's been about 10

22

00:01:22,149 --> 00:01:19,439

months since he was last on the show

23

00:01:24,550 --> 00:01:22,159

so a lot has happened in that time so

24

00:01:27,510 --> 00:01:24,560

let's jump straight up into it and let

25

00:01:29,030 --> 00:01:27,520

me welcome mr steve bassett steve how

26  
00:01:31,590 --> 00:01:29,040  
are you

27  
00:01:33,190 --> 00:01:31,600  
benny it's great to be with you uh i

28  
00:01:35,030 --> 00:01:33,200  
hope everything is well on the other

29  
00:01:38,390 --> 00:01:35,040  
side of the pond

30  
00:01:42,069 --> 00:01:38,400  
it's good congratulations to the queen

31  
00:01:45,270 --> 00:01:43,190  
all as well

32  
00:01:46,950 --> 00:01:45,280  
yep excellent excellent just a quick

33  
00:01:48,789 --> 00:01:46,960  
message for the people in the live chat

34  
00:01:50,069 --> 00:01:48,799  
if you do have any questions i've no i

35  
00:01:51,670 --> 00:01:50,079  
noticed some people have already dropped

36  
00:01:54,389 --> 00:01:51,680  
some in and i've put them to one side

37  
00:01:55,910 --> 00:01:54,399  
for later but as the uh the show's going

38  
00:01:57,510 --> 00:01:55,920

on if you pop them in capital letters

39

00:01:59,749 --> 00:01:57,520

that will help me see them clearly and

40

00:02:01,270 --> 00:01:59,759

then again i can put a little star next

41

00:02:03,670 --> 00:02:01,280

to them and ask them at the right

42

00:02:05,590 --> 00:02:03,680

relevant time maybe during the interview

43

00:02:07,190 --> 00:02:05,600

it may be towards the end but

44

00:02:08,389 --> 00:02:07,200

uh that would be that would be great and

45

00:02:10,469 --> 00:02:08,399

helpful for me

46

00:02:12,390 --> 00:02:10,479

so steve like i said it's been 10 months

47

00:02:14,309 --> 00:02:12,400

since we spoke we've had so many things

48

00:02:16,390 --> 00:02:14,319

happening in the community in that time

49

00:02:18,710 --> 00:02:16,400

we had towards the end of last year the

50

00:02:23,110 --> 00:02:18,720

ndaa announced with uh for fiscal year

51  
00:02:24,309 --> 00:02:23,120  
22 the gila brand amendment aoi msg

52  
00:02:27,030 --> 00:02:24,319  
and then into this year with the

53  
00:02:28,869 --> 00:02:27,040  
hearings so let's jump back to last year

54  
00:02:31,509 --> 00:02:28,879  
with the announcement

55  
00:02:34,309 --> 00:02:31,519  
of the ndaa how did that feel for you at

56  
00:02:38,869 --> 00:02:36,869  
uh i've been at this quite a while now

57  
00:02:39,910 --> 00:02:38,879  
26 years

58  
00:02:43,190 --> 00:02:39,920  
so

59  
00:02:44,630 --> 00:02:43,200  
nothing that's happening is

60  
00:02:45,430 --> 00:02:44,640  
overwhelming

61  
00:02:47,670 --> 00:02:45,440  
okay

62  
00:02:49,910 --> 00:02:47,680  
you know it's like it's like knowing

63  
00:02:51,750 --> 00:02:49,920

about your surprise birthday party uh

64

00:02:53,190 --> 00:02:51,760

eight months in advance

65

00:02:54,550 --> 00:02:53,200

um

66

00:02:57,190 --> 00:02:54,560

but

67

00:02:59,670 --> 00:02:57,200

everything we're seeing now

68

00:03:01,030 --> 00:02:59,680

is the result of developments five years

69

00:03:02,550 --> 00:03:01,040

ago

70

00:03:04,229 --> 00:03:02,560

which i can't believe it's been five

71

00:03:06,149 --> 00:03:04,239

years the anniversary of which is coming

72

00:03:07,190 --> 00:03:06,159

up in a few months and that is

73

00:03:08,630 --> 00:03:07,200

uh

74

00:03:11,750 --> 00:03:08,640

as a result of

75

00:03:14,949 --> 00:03:11,760

the efforts of certain individuals

76

00:03:16,550 --> 00:03:14,959

who were part of a organ a a new

77

00:03:19,670 --> 00:03:16,560

organization that was formed and

78

00:03:21,830 --> 00:03:19,680

announced in october of 2017

79

00:03:22,949 --> 00:03:21,840

to the stars academy

80

00:03:24,390 --> 00:03:22,959

uh

81

00:03:26,630 --> 00:03:24,400

some article some information was

82

00:03:28,869 --> 00:03:26,640

delivered to the new york times uh that

83

00:03:29,990 --> 00:03:28,879

published two now famous historical

84

00:03:33,110 --> 00:03:30,000

articles

85

00:03:34,229 --> 00:03:33,120

uh on the 16th of december 2017 in the

86

00:03:37,430 --> 00:03:34,239

print

87

00:03:39,030 --> 00:03:37,440

and then uh the next day online all

88

00:03:40,070 --> 00:03:39,040

right and these of course the articles

89

00:03:42,949 --> 00:03:40,080

about

90

00:03:44,830 --> 00:03:42,959

a program which was nicknamed atip

91

00:03:47,509 --> 00:03:44,840

advanced aerospace studio identification

92

00:03:48,470 --> 00:03:47,519

program uh but the actual formal name

93

00:03:51,190 --> 00:03:48,480

was

94

00:03:52,470 --> 00:03:51,200

asap i don't want to go there but that

95

00:03:54,789 --> 00:03:52,480

will do

96

00:03:56,309 --> 00:03:54,799

uh and then of course and most

97

00:03:57,270 --> 00:03:56,319

importantly

98

00:03:58,789 --> 00:03:57,280

uh

99

00:04:01,030 --> 00:03:58,799

via

100

00:04:03,589 --> 00:04:01,040

christopher mellon

101

00:04:05,589 --> 00:04:03,599

three gun camera footages

102

00:04:07,030 --> 00:04:05,599

of actual gun camera

103

00:04:08,710 --> 00:04:07,040

uh events

104

00:04:11,509 --> 00:04:08,720

filmed events

105

00:04:27,189 --> 00:04:11,519

were allowed out of the pentagon

106

00:04:32,870 --> 00:04:29,990

some pretty much understanding

107

00:04:34,790 --> 00:04:32,880

uh and that changed everything since

108

00:04:37,350 --> 00:04:34,800

then in five years

109

00:04:40,310 --> 00:04:37,360

these gun camera clips

110

00:04:43,270 --> 00:04:40,320

which is cameras in our

111

00:04:44,150 --> 00:04:43,280

f-18 uh warplanes

112

00:04:47,990 --> 00:04:44,160

that

113

00:04:49,749 --> 00:04:48,000

uh always are filming

114

00:04:50,950 --> 00:04:49,759

except in i expect certain combat

115

00:04:53,670 --> 00:04:50,960

situations

116

00:04:55,110 --> 00:04:53,680

all activities of these planes in other

117

00:04:56,950 --> 00:04:55,120

words they're on train missions they

118

00:04:59,830 --> 00:04:56,960

want to have a record if if they go up

119

00:05:02,230 --> 00:04:59,840

to check out a bogey or an unidentified

120

00:05:04,390 --> 00:05:02,240

aerial phenomena they film it right

121

00:05:07,110 --> 00:05:04,400

always they've been doing that

122

00:05:08,390 --> 00:05:07,120

for 70 years all right i don't know if

123

00:05:11,110 --> 00:05:08,400

you remember watching those old

124

00:05:12,790 --> 00:05:11,120

documentaries about world war ii we have

125

00:05:15,430 --> 00:05:12,800

all these shots

126

00:05:18,150 --> 00:05:15,440

of they're actually in in battle right

127

00:05:21,350 --> 00:05:18,160

and they're they're showing film right

128

00:05:23,110 --> 00:05:21,360

guess what those are gun cameras meaning

129

00:05:28,150 --> 00:05:23,120

they call them gun cameras because the

130

00:05:32,870 --> 00:05:31,270

Pods on the plane instead of a gun right

131

00:05:33,909 --> 00:05:32,880

yeah okay not all planes have them but

132

00:05:36,629 --> 00:05:33,919

they do

133

00:05:38,469 --> 00:05:36,639

over the last 75 years they have

134

00:05:41,270 --> 00:05:38,479

accumulated thousands

135

00:05:43,990 --> 00:05:41,280

of these in just the united states alone

136

00:05:45,830 --> 00:05:44,000

a lot of people don't know that but it's

137

00:05:48,390 --> 00:05:45,840

the uk has

138

00:05:50,550 --> 00:05:48,400

a very large number of these film clips

139

00:05:52,469 --> 00:05:50,560

right where the uk sends up a plane to

140

00:05:56,390 --> 00:05:52,479

check out a uap

141

00:05:58,710 --> 00:05:56,400

france canada australia russia china all

142

00:05:59,830 --> 00:05:58,720

of these countries how many thousands of

143

00:06:02,469 --> 00:05:59,840

these

144

00:06:06,629 --> 00:06:02,479

one two five eight ten twenty minute

145

00:06:08,150 --> 00:06:06,639

quote clips records of a uh a uap

146

00:06:10,230 --> 00:06:08,160

intercept are in the files these

147

00:06:11,350 --> 00:06:10,240

countries we don't know but it is a big

148

00:06:13,830 --> 00:06:11,360

number

149

00:06:17,350 --> 00:06:13,840

and you may say well if that's the case

150

00:06:21,189 --> 00:06:17,360

why have only three been released to the

151

00:06:23,189 --> 00:06:21,199

public in 75 years because these

152

00:06:25,029 --> 00:06:23,199

countries know

153

00:06:27,510 --> 00:06:25,039

uh certainly what the united states and

154

00:06:29,670 --> 00:06:27,520

its allies and countries know

155

00:06:31,670 --> 00:06:29,680

china knows and soviet union and russia

156

00:06:34,550 --> 00:06:31,680

know that if they started releasing

157

00:06:36,309 --> 00:06:34,560

these things the truth embargo would end

158

00:06:37,350 --> 00:06:36,319

uh it would end it pretty quick and

159

00:06:40,550 --> 00:06:37,360

therefore

160

00:06:42,150 --> 00:06:40,560

uh they have to remain in the vault

161

00:06:44,629 --> 00:06:42,160

now this is something i've known for a

162

00:06:47,670 --> 00:06:44,639

very long time the average citizen of

163

00:06:49,430 --> 00:06:47,680

the of most countries they don't they

164

00:06:51,670 --> 00:06:49,440

don't they don't understand this they

165

00:06:54,230 --> 00:06:51,680

know that such things are done but they

166

00:06:56,150 --> 00:06:54,240

don't understand that the government has

167

00:06:58,469 --> 00:06:56,160

all this

168

00:06:59,589 --> 00:06:58,479

so when the first three in history are

169

00:07:01,350 --> 00:06:59,599

released

170

00:07:03,350 --> 00:07:01,360

in uh december

171

00:07:05,510 --> 00:07:03,360

of 2017

172

00:07:08,230 --> 00:07:05,520

and put up on the new york times website

173

00:07:10,550 --> 00:07:08,240

where since then they have been posted

174

00:07:12,469 --> 00:07:10,560

on news websites

175

00:07:14,550 --> 00:07:12,479

as part of news articles and god knows

176

00:07:17,830 --> 00:07:14,560

what all over the world have been seen

177

00:07:19,270 --> 00:07:17,840

by i don't know x hundreds of millions

178

00:07:21,350 --> 00:07:19,280

of times

179

00:07:24,469 --> 00:07:21,360

and maybe a billion i don't know

180

00:07:26,550 --> 00:07:24,479

that's kind of a a significant change

181

00:07:30,070 --> 00:07:26,560

from the past

182

00:07:31,909 --> 00:07:30,080

all right and so everything starts then

183

00:07:33,510 --> 00:07:31,919

and i've been following it as close as i

184

00:07:35,189 --> 00:07:33,520

could over the last five years

185

00:07:37,110 --> 00:07:35,199

contributing as well as i could and

186

00:07:38,230 --> 00:07:37,120

watching this whole issue

187

00:07:39,830 --> 00:07:38,240

mature

188

00:07:46,469 --> 00:07:39,840

into

189

00:07:47,589 --> 00:07:46,479

appropriate to the importance of the

190

00:07:51,270 --> 00:07:47,599

subject

191

00:07:52,710 --> 00:07:51,280

as opposed to everything prior to 2017

192

00:07:54,950 --> 00:07:52,720

where it was not

193

00:07:58,230 --> 00:07:54,960

and so what's happening now is what

194

00:08:01,510 --> 00:07:58,240

should have happened back in the 50s

195

00:08:04,150 --> 00:08:01,520

or the 60s certainly definitely the 70s

196

00:08:06,390 --> 00:08:04,160

80s absolutely and definitely in the

197

00:08:08,390 --> 00:08:06,400

early 90s after world war ii

198

00:08:11,990 --> 00:08:08,400

it took another

199

00:08:14,469 --> 00:08:12,000

30 years since the end of the cold war i

200

00:08:17,270 --> 00:08:14,479

said world war ii i met the cold war

201  
00:08:20,070 --> 00:08:17,280  
for us finally to get to the place where

202  
00:08:22,309 --> 00:08:20,080  
we're now in a somewhat normal situation

203  
00:08:25,589 --> 00:08:22,319  
with respect to the reality

204  
00:08:27,350 --> 00:08:25,599  
of the extraterrestrial presence

205  
00:08:30,710 --> 00:08:27,360  
i excited

206  
00:08:33,430 --> 00:08:30,720  
no yeah not too much am i optimistic yes

207  
00:08:36,709 --> 00:08:33,440  
am i tired oh you better believe it

208  
00:08:38,550 --> 00:08:36,719  
uh so that that's the answer to the

209  
00:08:39,829 --> 00:08:38,560  
question now uh

210  
00:08:41,509 --> 00:08:39,839  
if you want to ask me any specifics

211  
00:08:42,310 --> 00:08:41,519  
about certain things i'll be happy to

212  
00:08:44,149 --> 00:08:42,320  
give

213  
00:08:46,550 --> 00:08:44,159

a picture i don't want to get into the

214

00:08:48,630 --> 00:08:46,560

do the granular details here because i

215

00:08:50,630 --> 00:08:48,640

think most of your audience is like

216

00:08:52,310 --> 00:08:50,640

whatever i can definitely

217

00:08:54,230 --> 00:08:52,320

paint the picture

218

00:08:56,150 --> 00:08:54,240

that they need to have to really

219

00:08:57,590 --> 00:08:56,160

understand what's going on and where

220

00:08:59,509 --> 00:08:57,600

it's going

221

00:09:01,590 --> 00:08:59,519

do you feel that towards when we saw the

222

00:09:03,030 --> 00:09:01,600

announcement of the ndaa last year and

223

00:09:06,230 --> 00:09:03,040

then there was quite a few back and

224

00:09:08,310 --> 00:09:06,240

forths before it finally get got passed

225

00:09:10,870 --> 00:09:08,320

and during that time we saw the pentagon

226

00:09:14,070 --> 00:09:10,880

jump in with this new organization aoi

227

00:09:16,150 --> 00:09:14,080

msg which which was very it's it seemed

228

00:09:18,070 --> 00:09:16,160

a bit iffy at the timing that they were

229

00:09:19,910 --> 00:09:18,080

still trying to control the narrative

230

00:09:21,590 --> 00:09:19,920

did you did you worry about that at all

231

00:09:23,350 --> 00:09:21,600

or did you think it would would all sort

232

00:09:26,389 --> 00:09:23,360

of play out how it should

233

00:09:27,670 --> 00:09:26,399

no no no i i i have generally pretty

234

00:09:28,949 --> 00:09:27,680

good feelings about everything that's

235

00:09:31,350 --> 00:09:28,959

going on

236

00:09:33,509 --> 00:09:31,360

uh but i'm not unsympathetic with the

237

00:09:34,870 --> 00:09:33,519

fact that many many people who are in

238

00:09:37,190 --> 00:09:34,880

this issue meaning they're actually

239

00:09:40,070 --> 00:09:37,200

involved in a direct way they may have a

240

00:09:41,190 --> 00:09:40,080

podcast they may be a researcher

241

00:09:44,389 --> 00:09:41,200

uh

242

00:09:47,190 --> 00:09:44,399

they may be a journalist focusing on uap

243

00:09:49,269 --> 00:09:47,200

uh i have i understand why

244

00:09:51,430 --> 00:09:49,279

and of course social media god bless it

245

00:09:53,110 --> 00:09:51,440

which i'm on believe me i'm i'm i can't

246

00:09:54,070 --> 00:09:53,120

build twitter followers fast enough

247

00:09:55,670 --> 00:09:54,080

right

248

00:09:58,070 --> 00:09:55,680

twitter

249

00:09:59,590 --> 00:09:58,080

follow me folks follow me um i

250

00:10:01,750 --> 00:09:59,600

understand why they're they're viewing

251  
00:10:03,350 --> 00:10:01,760  
some of this with consternation i don't

252  
00:10:05,030 --> 00:10:03,360  
have that problem and

253  
00:10:07,910 --> 00:10:05,040  
and the reason is simply this i've been

254  
00:10:09,269 --> 00:10:07,920  
following it for 26 years focused

255  
00:10:12,790 --> 00:10:09,279  
specifically

256  
00:10:14,949 --> 00:10:12,800  
primarily not on the phenomena

257  
00:10:17,190 --> 00:10:14,959  
not on what do we tease look like and

258  
00:10:20,790 --> 00:10:17,200  
how did their craft run and all that but

259  
00:10:22,550 --> 00:10:20,800  
but rather the politics of it the

260  
00:10:23,990 --> 00:10:22,560  
historical process

261  
00:10:25,910 --> 00:10:24,000  
uh

262  
00:10:27,509 --> 00:10:25,920  
and and how that's all playing out and

263  
00:10:29,750 --> 00:10:27,519

ultimately for me it's all about the

264

00:10:32,150 --> 00:10:29,760

troop embargo and ending that truth

265

00:10:34,310 --> 00:10:32,160

embargo and so because of all that time

266

00:10:36,630 --> 00:10:34,320

and uh the context of what's happening

267

00:10:38,870 --> 00:10:36,640

now is relatively clear to me but

268

00:10:41,910 --> 00:10:38,880

probably not to most people

269

00:10:43,670 --> 00:10:41,920

and so with respect to these actions uh

270

00:10:45,829 --> 00:10:43,680

that you're referring to

271

00:10:48,870 --> 00:10:45,839

this is just part of the normalization

272

00:10:50,389 --> 00:10:48,880

process that's going on meaning what

273

00:10:52,790 --> 00:10:50,399

it reflects

274

00:10:54,150 --> 00:10:52,800

the the fact that

275

00:10:55,030 --> 00:10:54,160

finally

276

00:10:57,509 --> 00:10:55,040

uh

277

00:11:01,190 --> 00:10:57,519

really for the first time

278

00:11:03,750 --> 00:11:01,200

though one can say back in 1968 and 1966

279

00:11:05,829 --> 00:11:03,760

when two one day hearings were held on

280

00:11:07,910 --> 00:11:05,839

capitol hill for a couple of witnesses

281

00:11:09,670 --> 00:11:07,920

to come on and talk about the phenomena

282

00:11:11,590 --> 00:11:09,680

and then it was over and the

283

00:11:13,190 --> 00:11:11,600

government's attitude is don't bother us

284

00:11:15,030 --> 00:11:13,200

ever again

285

00:11:16,790 --> 00:11:15,040

this is now the first time there has

286

00:11:19,910 --> 00:11:16,800

been a normal

287

00:11:23,509 --> 00:11:19,920

uh interaction uh on this issue

288

00:11:26,470 --> 00:11:23,519

appropriate to the issue which is to say

289

00:11:30,949 --> 00:11:26,480

that the congress finally stepped in

290

00:11:32,550 --> 00:11:30,959

two years ago and that uh that happened

291

00:11:35,269 --> 00:11:32,560

the formerly stepped in

292

00:11:37,430 --> 00:11:35,279

when uh marco rubio the chairman of the

293

00:11:39,269 --> 00:11:37,440

our senate intel committee the most

294

00:11:41,030 --> 00:11:39,279

powerful important committee i think in

295

00:11:42,389 --> 00:11:41,040

the us congress

296

00:11:45,190 --> 00:11:42,399

um

297

00:11:46,310 --> 00:11:45,200

put language in the uh appropriations

298

00:11:48,630 --> 00:11:46,320

bill

299

00:11:50,710 --> 00:11:48,640

it was not it was not in the enumerated

300

00:11:53,269 --> 00:11:50,720

section it was in the comment section so

301

00:11:55,990 --> 00:11:53,279

it was not a a legal demand but it was

302

00:11:57,829 --> 00:11:56,000

clearly uh yeah you got to do this uh

303

00:12:00,790 --> 00:11:57,839

calling for

304

00:12:03,350 --> 00:12:00,800

uh the the a report

305

00:12:04,629 --> 00:12:03,360

to be delivered uh nine months six

306

00:12:07,110 --> 00:12:04,639

months after the signing of the bill

307

00:12:09,590 --> 00:12:07,120

which ended up being a deadline of june

308

00:12:10,870 --> 00:12:09,600

25 2021

309

00:12:14,389 --> 00:12:10,880

um

310

00:12:17,030 --> 00:12:14,399

back to the congress and to the public

311

00:12:18,790 --> 00:12:17,040

and this was a big deal

312

00:12:19,670 --> 00:12:18,800

because that had never happened before

313

00:12:22,150 --> 00:12:19,680

really

314

00:12:23,590 --> 00:12:22,160

and so that was the beginning of the

315

00:12:25,190 --> 00:12:23,600

political

316

00:12:27,990 --> 00:12:25,200

engagement

317

00:12:29,509 --> 00:12:28,000

since then uh there has been a back and

318

00:12:31,190 --> 00:12:29,519

forth between

319

00:12:34,150 --> 00:12:31,200

the the congress

320

00:12:36,470 --> 00:12:34,160

uh the senate as well as the house

321

00:12:39,670 --> 00:12:36,480

the intel committee uh involving

322

00:12:41,590 --> 00:12:39,680

language and three different bills

323

00:12:43,670 --> 00:12:41,600

uh and then the the department of

324

00:12:45,190 --> 00:12:43,680

defense responded and then the congress

325

00:12:47,590 --> 00:12:45,200

responded and it's been going back and

326

00:12:49,190 --> 00:12:47,600

forth which is normal yeah that's

327

00:12:50,829 --> 00:12:49,200

exactly the way things are supposed to

328

00:12:53,350 --> 00:12:50,839

be all right

329

00:12:55,430 --> 00:12:53,360

so uh now

330

00:12:57,030 --> 00:12:55,440

in terms of

331

00:12:59,269 --> 00:12:57,040

what the congress has done and what

332

00:13:00,949 --> 00:12:59,279

members of congress have said

333

00:13:03,430 --> 00:13:00,959

which is unprecedented

334

00:13:05,350 --> 00:13:03,440

uh you have now on the record

335

00:13:07,269 --> 00:13:05,360

quite a few members of the us congress

336

00:13:08,069 --> 00:13:07,279

speaking directly to the issue or taking

337

00:13:10,949 --> 00:13:08,079

uh

338

00:13:12,069 --> 00:13:10,959

actual formal action marco rubio

339

00:13:15,670 --> 00:13:12,079

senator

340

00:13:18,790 --> 00:13:15,680

uh

341

00:13:21,509 --> 00:13:18,800

mark warner senator reuben gallego

342

00:13:24,150 --> 00:13:21,519

congressman tim burchett congressman

343

00:13:25,590 --> 00:13:24,160

uh andre carson congressman

344

00:13:27,430 --> 00:13:25,600

uh these are these are people that are

345

00:13:29,829 --> 00:13:27,440

taking formal actions and making direct

346

00:13:33,829 --> 00:13:29,839

statements about the uap issue

347

00:13:35,829 --> 00:13:33,839

uh in just the last two years all right

348

00:13:38,470 --> 00:13:35,839

and so

349

00:13:40,230 --> 00:13:38,480

that is going on and people are trying

350

00:13:42,710 --> 00:13:40,240

to understand

351

00:13:45,910 --> 00:13:42,720

why this why that why did they do this

352

00:13:47,670 --> 00:13:45,920

why did the dod dod do this and and and

353

00:13:49,030 --> 00:13:47,680

for people that have some knowledge

354

00:13:50,710 --> 00:13:49,040

about this issue

355

00:13:53,269 --> 00:13:50,720

as do you watch this they're scratching

356

00:13:55,590 --> 00:13:53,279

their head and going i get that doesn't

357

00:13:57,110 --> 00:13:55,600

that doesn't make sense all right that's

358

00:13:59,430 --> 00:13:57,120

they shouldn't have done that or the

359

00:14:01,590 --> 00:13:59,440

appropriate reaction should be this and

360

00:14:02,870 --> 00:14:01,600

so they're getting frustrated and then

361

00:14:04,310 --> 00:14:02,880

of course

362

00:14:05,750 --> 00:14:04,320

generally the people out there that are

363

00:14:07,590 --> 00:14:05,760

really following the issue they may not

364

00:14:08,949 --> 00:14:07,600

be directly involved but they want to

365

00:14:11,189 --> 00:14:08,959

know the truth

366

00:14:12,550 --> 00:14:11,199

their their attitude is just tell us the

367

00:14:14,629 --> 00:14:12,560

truth right

368

00:14:15,990 --> 00:14:14,639

just stop the silly

369

00:14:17,829 --> 00:14:16,000

fiddle faddling and back and forth just

370

00:14:18,710 --> 00:14:17,839

tell us the damn truth right what's your

371

00:14:20,629 --> 00:14:18,720

problem

372

00:14:21,910 --> 00:14:20,639

they get it okay so they're frustrated

373

00:14:22,870 --> 00:14:21,920

they're confused

374

00:14:26,069 --> 00:14:22,880

well

375

00:14:28,069 --> 00:14:26,079

my job is to solve all that for them to

376

00:14:30,069 --> 00:14:28,079

to put that at risk put them in ease and

377

00:14:31,750 --> 00:14:30,079

allow them to go back to a nice normal

378

00:14:33,590 --> 00:14:31,760

life while they follow this amazing

379

00:14:35,509 --> 00:14:33,600

process that's my job

380

00:14:38,629 --> 00:14:35,519

that's why i've given

381

00:14:41,750 --> 00:14:38,639

in just the last two years alone 100 and

382

00:14:43,269 --> 00:14:41,760

maybe 45 interviews of which this is the

383

00:14:45,430 --> 00:14:43,279

latest okay

384

00:14:47,670 --> 00:14:45,440

uh i'm looking forward to a larger

385

00:14:50,550 --> 00:14:47,680

audience i'm working my way slowly back

386

00:14:52,710 --> 00:14:50,560

onto cnn and msnbc and fox news or

387

00:14:55,910 --> 00:14:52,720

whatever i'm working there not there yet

388

00:14:59,189 --> 00:14:55,920

but i'll get there eventually okay

389

00:15:01,829 --> 00:14:59,199

so what am i trying to say here

390

00:15:06,389 --> 00:15:01,839

here's what i'm trying to say

391

00:15:09,829 --> 00:15:06,399

what everyone in this world is watching

392

00:15:12,470 --> 00:15:09,839

is not the united states or the uk or

393

00:15:14,949 --> 00:15:12,480

any other government suddenly figuring

394

00:15:17,350 --> 00:15:14,959

out or realizing wait a minute there

395

00:15:19,590 --> 00:15:17,360

there's a phenomena going on and we

396

00:15:20,470 --> 00:15:19,600

don't fully understand it

397

00:15:22,949 --> 00:15:20,480

and

398

00:15:25,590 --> 00:15:22,959

we probably should address that

399

00:15:29,110 --> 00:15:25,600

we should do some appropriate things

400

00:15:29,990 --> 00:15:29,120

we should uh set up a a task force we

401  
00:15:34,790 --> 00:15:30,000  
should

402  
00:15:37,509 --> 00:15:34,800  
take appropriate legislative action we

403  
00:15:40,949 --> 00:15:37,519  
should conduct oversight that is not

404  
00:15:43,189 --> 00:15:40,959  
what is going on okay let me be

405  
00:15:45,269 --> 00:15:43,199  
emphatically clear i can't be any more

406  
00:15:47,590 --> 00:15:45,279  
clearer than this

407  
00:15:49,749 --> 00:15:47,600  
the united states government

408  
00:15:50,949 --> 00:15:49,759  
the united kingdom

409  
00:15:53,030 --> 00:15:50,959  
france

410  
00:15:55,350 --> 00:15:53,040  
canada australia

411  
00:15:58,150 --> 00:15:55,360  
soviet union russia

412  
00:15:59,990 --> 00:15:58,160  
china and throw in you know most of the

413  
00:16:03,030 --> 00:16:00,000

germany

414

00:16:04,790 --> 00:16:03,040

every one of these countries

415

00:16:07,030 --> 00:16:04,800

has known

416

00:16:09,990 --> 00:16:07,040

that there is an extraterrestrial

417

00:16:10,949 --> 00:16:10,000

non-human phenomena underway

418

00:16:15,030 --> 00:16:10,959

since

419

00:16:16,710 --> 00:16:15,040

no later than 1947 or within a year or

420

00:16:18,870 --> 00:16:16,720

two of that

421

00:16:21,590 --> 00:16:18,880

all right let me repeat that

422

00:16:23,110 --> 00:16:21,600

all of these countries now by that i

423

00:16:24,150 --> 00:16:23,120

don't mean every single person running

424

00:16:25,749 --> 00:16:24,160

around

425

00:16:27,110 --> 00:16:25,759

you know

426

00:16:28,710 --> 00:16:27,120

in in the government in the uk or

427

00:16:30,230 --> 00:16:28,720

anywhere else is oh yeah it knows about

428

00:16:32,150 --> 00:16:30,240

this no i'm saying that there are people

429

00:16:34,150 --> 00:16:32,160

within every one of these governments

430

00:16:36,870 --> 00:16:34,160

who are fully aware of this it's their

431

00:16:38,949 --> 00:16:36,880

job to know that they are in the know

432

00:16:41,910 --> 00:16:38,959

they are informed and quite a few others

433

00:16:44,389 --> 00:16:41,920

within these governments who may not be

434

00:16:46,470 --> 00:16:44,399

quote on a need to know basis they may

435

00:16:49,189 --> 00:16:46,480

not be involved in a specific program

436

00:16:51,189 --> 00:16:49,199

related to uap or et

437

00:16:52,870 --> 00:16:51,199

but they they figured it out or they've

438

00:16:54,550 --> 00:16:52,880

been tipped off at a cocktail party by

439

00:16:56,150 --> 00:16:54,560

one of their close friends right so they

440

00:16:57,350 --> 00:16:56,160

know it but that doesn't mean they're

441

00:17:00,310 --> 00:16:57,360

involved and they're certainly not going

442

00:17:03,030 --> 00:17:00,320

to talk about it every one of those

443

00:17:08,870 --> 00:17:03,040

countries and every one of those

444

00:17:13,029 --> 00:17:10,150

film

445

00:17:16,710 --> 00:17:13,039

of this phenomena taken from their

446

00:17:19,909 --> 00:17:16,720

defense airplanes designed to defend and

447

00:17:22,789 --> 00:17:19,919

and check out all activity within their

448

00:17:25,429 --> 00:17:22,799

sovereign airspace every one of them has

449

00:17:28,789 --> 00:17:25,439

gun camera clips clips like

450

00:17:29,750 --> 00:17:28,799

the gimbal like the tic tac in their

451  
00:17:31,830 --> 00:17:29,760  
vaults

452  
00:17:33,350 --> 00:17:31,840  
all right again i want that to sink into

453  
00:17:37,909 --> 00:17:33,360  
people okay

454  
00:17:41,350 --> 00:17:39,029  
why is it

455  
00:17:42,950 --> 00:17:41,360  
why now why not

456  
00:17:45,029 --> 00:17:42,960  
much earlier

457  
00:17:48,150 --> 00:17:45,039  
simple

458  
00:17:51,510 --> 00:17:48,160  
there has been since the late 1940s

459  
00:17:55,110 --> 00:17:51,520  
matured and developed in the early 1950s

460  
00:17:57,750 --> 00:17:55,120  
fully institutionalized by the 1960s

461  
00:17:59,669 --> 00:17:57,760  
absolutely solidly institutionalized as

462  
00:18:02,230 --> 00:17:59,679  
the cold war develops

463  
00:18:05,350 --> 00:18:02,240

a policy of what i call started calling

464

00:18:06,630 --> 00:18:05,360

and i think around 2000 a truth embargo

465

00:18:09,350 --> 00:18:06,640

a formal

466

00:18:11,110 --> 00:18:09,360

national security-based policy

467

00:18:13,430 --> 00:18:11,120

that the

468

00:18:15,430 --> 00:18:13,440

acknowledgement of this issue formally

469

00:18:17,750 --> 00:18:15,440

would not happen

470

00:18:20,230 --> 00:18:17,760

that uh

471

00:18:22,950 --> 00:18:20,240

efforts would be made to minimize the

472

00:18:23,750 --> 00:18:22,960

ability of journalists or academics

473

00:18:25,590 --> 00:18:23,760

uh

474

00:18:28,789 --> 00:18:25,600

anybody with money or just a general

475

00:18:29,990 --> 00:18:28,799

population to quote change that

476  
00:18:33,510 --> 00:18:30,000  
narrative

477  
00:18:35,270 --> 00:18:33,520  
or to infer otherwise would be taken

478  
00:18:37,029 --> 00:18:35,280  
and that the formal formal

479  
00:18:39,350 --> 00:18:37,039  
acknowledgement subject would be

480  
00:18:42,390 --> 00:18:39,360  
institutionalized until uh i'm sorry

481  
00:18:44,630 --> 00:18:42,400  
would be embargoed until such time

482  
00:18:47,909 --> 00:18:44,640  
as the governments felt it was

483  
00:18:51,029 --> 00:18:47,919  
appropriate for their citizens to know

484  
00:18:53,909 --> 00:18:51,039  
what they have known since the 1940s

485  
00:18:57,510 --> 00:18:53,919  
that policy used to be referred to still

486  
00:18:59,430 --> 00:18:57,520  
is occasionally as the ufo cover-up

487  
00:19:00,549 --> 00:18:59,440  
we've worked very hard to get away from

488  
00:19:04,070 --> 00:19:00,559

that term

489

00:19:06,070 --> 00:19:04,080

it's bad for two reasons one ufo is not

490

00:19:09,110 --> 00:19:06,080

what this is it's it well let me put it

491

00:19:12,390 --> 00:19:09,120

this way ufo is a is a corrupted term

492

00:19:15,750 --> 00:19:12,400

deliberately corrupted term to symbolize

493

00:19:17,590 --> 00:19:15,760

the uh the ridicule the disdain and the

494

00:19:19,990 --> 00:19:17,600

dismissal of this issue and so if you

495

00:19:21,510 --> 00:19:20,000

want to talk ufos you might as well just

496

00:19:23,750 --> 00:19:21,520

leave the room because nobody wants to

497

00:19:25,830 --> 00:19:23,760

hear what you have to say uh so we had

498

00:19:28,230 --> 00:19:25,840

to get rid of that and we've we finally

499

00:19:30,789 --> 00:19:28,240

successfully established uap as the

500

00:19:33,270 --> 00:19:30,799

proper term means exactly the same thing

501  
00:19:35,430 --> 00:19:33,280  
cover-up was wrong because the policy

502  
00:19:37,430 --> 00:19:35,440  
from the beginning was legal

503  
00:19:39,029 --> 00:19:37,440  
legal in the uk legal in france legal

504  
00:19:41,669 --> 00:19:39,039  
and canada illegal in the united states

505  
00:19:44,470 --> 00:19:41,679  
it was a legal national security policy

506  
00:19:47,669 --> 00:19:44,480  
same just as legal is the reason why we

507  
00:19:50,870 --> 00:19:47,679  
don't give public tours of our active

508  
00:19:52,470 --> 00:19:50,880  
icbm sites you know meaning come on down

509  
00:19:54,549 --> 00:19:52,480  
and uh you know check it out right

510  
00:19:56,710 --> 00:19:54,559  
here's here's here is where the launch

511  
00:19:58,630 --> 00:19:56,720  
stuff happens and here is some you know

512  
00:20:00,950 --> 00:19:58,640  
what no we don't do that it was a

513  
00:20:02,710 --> 00:20:00,960

nationals it was legal and you do not

514

00:20:03,750 --> 00:20:02,720

cover up people

515

00:20:05,590 --> 00:20:03,760

and if you're trying to get the

516

00:20:07,909 --> 00:20:05,600

cooperation of the government to change

517

00:20:10,230 --> 00:20:07,919

their policy it's best not to

518

00:20:12,310 --> 00:20:10,240

inappropriately uh

519

00:20:14,310 --> 00:20:12,320

uh criminalize them meaning you all guys

520

00:20:15,750 --> 00:20:14,320

are criminals you you you're you're you

521

00:20:17,669 --> 00:20:15,760

all should be in jail

522

00:20:20,310 --> 00:20:17,679

you know you're operating a cover-up

523

00:20:21,750 --> 00:20:20,320

okay no no no no and so it's truth

524

00:20:29,270 --> 00:20:21,760

embargo

525

00:20:32,710 --> 00:20:29,280

to an end

526  
00:20:35,669 --> 00:20:32,720  
and that therein lies the problem and

527  
00:20:37,190 --> 00:20:35,679  
the confusion and the upset and the

528  
00:20:38,070 --> 00:20:37,200  
irritation

529  
00:20:39,669 --> 00:20:38,080  
why

530  
00:20:41,830 --> 00:20:39,679  
okay

531  
00:20:43,430 --> 00:20:41,840  
what we're seeing now

532  
00:20:46,470 --> 00:20:43,440  
is the process

533  
00:20:49,669 --> 00:20:46,480  
that is going to end the truth embargo

534  
00:20:51,190 --> 00:20:49,679  
and that process is now not simply the

535  
00:20:53,669 --> 00:20:51,200  
effort of

536  
00:20:55,750 --> 00:20:53,679  
the activists and disgruntled citizens

537  
00:20:57,830 --> 00:20:55,760  
and the researchers who figured out long

538  
00:20:59,990 --> 00:20:57,840

ago that this is e.t and they know the

539

00:21:02,470 --> 00:21:00,000

proof is piled up to the ceiling

540

00:21:05,750 --> 00:21:02,480

no this process now has the cooperation

541

00:21:07,350 --> 00:21:05,760

and involvement of our institutions

542

00:21:10,710 --> 00:21:07,360

high-end journalists

543

00:21:13,270 --> 00:21:10,720

academics the senate the congress the

544

00:21:14,950 --> 00:21:13,280

air force the navy and the department of

545

00:21:17,590 --> 00:21:14,960

defense

546

00:21:20,789 --> 00:21:17,600

they're now involved in this too okay

547

00:21:23,110 --> 00:21:20,799

well good all right well fine then then

548

00:21:24,630 --> 00:21:23,120

let's just get it done ah

549

00:21:27,750 --> 00:21:24,640

and and let's just do it rip the

550

00:21:30,870 --> 00:21:27,760

band-aid off let's get it done no

551  
00:21:33,590 --> 00:21:30,880  
the process is complicated and difficult

552  
00:21:35,590 --> 00:21:33,600  
for a myriad of reasons

553  
00:21:37,750 --> 00:21:35,600  
and the best way i can point that out is

554  
00:21:38,870 --> 00:21:37,760  
this

555  
00:21:40,870 --> 00:21:38,880  
when

556  
00:21:42,149 --> 00:21:40,880  
you know governments lie we all know

557  
00:21:44,230 --> 00:21:42,159  
that

558  
00:21:45,750 --> 00:21:44,240  
governments do stupid stuff and we all

559  
00:21:48,549 --> 00:21:45,760  
know that right

560  
00:21:49,669 --> 00:21:48,559  
uh sometimes they do evil things even

561  
00:21:52,470 --> 00:21:49,679  
when they're

562  
00:21:54,470 --> 00:21:52,480  
good governments right democracy with

563  
00:21:56,549 --> 00:21:54,480

moral standing and all that stuff and

564

00:21:58,630 --> 00:21:56,559

then there's really awful countries that

565

00:22:01,029 --> 00:21:58,640

do evil stuff on a daily basis and can

566

00:22:02,230 --> 00:22:01,039

care less we know that too

567

00:22:03,110 --> 00:22:02,240

all right

568

00:22:05,029 --> 00:22:03,120

so

569

00:22:07,830 --> 00:22:05,039

the situation now

570

00:22:09,909 --> 00:22:07,840

is the united states in particular

571

00:22:12,710 --> 00:22:09,919

it's we're carrying that burden but it's

572

00:22:14,230 --> 00:22:12,720

also the case for the uk and brazil and

573

00:22:16,070 --> 00:22:14,240

canada and china and those other

574

00:22:18,070 --> 00:22:16,080

governments but they

575

00:22:19,669 --> 00:22:18,080

we're the one carrying the burden

576  
00:22:21,669 --> 00:22:19,679  
that's that we could go into the reasons

577  
00:22:23,350 --> 00:22:21,679  
for that but we're we're basically at

578  
00:22:26,390 --> 00:22:23,360  
the point of the spear here figuring

579  
00:22:29,909 --> 00:22:26,400  
this out getting this done

580  
00:22:32,230 --> 00:22:29,919  
when you have been lying to the world

581  
00:22:34,710 --> 00:22:32,240  
about probably the most important piece

582  
00:22:36,789 --> 00:22:34,720  
of information the world

583  
00:22:40,310 --> 00:22:36,799  
will ever receive

584  
00:22:42,630 --> 00:22:40,320  
and you've been lying for 75 years when

585  
00:22:45,830 --> 00:22:42,640  
you have you have you have taken

586  
00:22:47,750 --> 00:22:45,840  
significant measures to undermine the

587  
00:22:49,909 --> 00:22:47,760  
efforts of the public to get at the

588  
00:22:52,310 --> 00:22:49,919

information when you've done some things

589

00:22:54,149 --> 00:22:52,320

which probably are illegal but

590

00:22:56,390 --> 00:22:54,159

ultimately will be justified under

591

00:22:58,710 --> 00:22:56,400

national security protocols

592

00:23:00,789 --> 00:22:58,720

when you have been screwing around with

593

00:23:02,390 --> 00:23:00,799

reality at this level

594

00:23:04,710 --> 00:23:02,400

for that long

595

00:23:05,750 --> 00:23:04,720

it's not like one day you can just say

596

00:23:11,029 --> 00:23:05,760

sorry

597

00:23:12,789 --> 00:23:11,039

you know you know

598

00:23:15,110 --> 00:23:12,799

it's like yeah it was national security

599

00:23:17,270 --> 00:23:15,120

what can i say okay it's like

600

00:23:19,350 --> 00:23:17,280

that's what we had to do okay let's move

601  
00:23:22,070 --> 00:23:19,360  
on

602  
00:23:23,750 --> 00:23:22,080  
with the way that things have been been

603  
00:23:26,390 --> 00:23:23,760  
going in the last few years within the

604  
00:23:28,149 --> 00:23:26,400  
world that surely russia may well have

605  
00:23:30,149 --> 00:23:28,159  
come come forward and said well we're

606  
00:23:32,789 --> 00:23:30,159  
going to be the ones to take the lead in

607  
00:23:35,669 --> 00:23:32,799  
this and disclose before the us

608  
00:23:37,590 --> 00:23:35,679  
absolutely uh when i say the process i'm

609  
00:23:39,990 --> 00:23:37,600  
referring to is the one that's going on

610  
00:23:42,710 --> 00:23:40,000  
now okay and it's now been going on for

611  
00:23:44,470 --> 00:23:42,720  
five years that's the process there

612  
00:23:47,430 --> 00:23:44,480  
there could technically be other

613  
00:23:49,669 --> 00:23:47,440

parallel processes underway i don't see

614

00:23:51,830 --> 00:23:49,679

them i mean there could be a process in

615

00:23:53,830 --> 00:23:51,840

russia right now where we're seeing a

616

00:23:56,149 --> 00:23:53,840

back and forth and this coming out no

617

00:23:58,310 --> 00:23:56,159

what we're seeing is russia trying to

618

00:24:00,710 --> 00:23:58,320

regain its glory uh that it once had

619

00:24:01,990 --> 00:24:00,720

under peter the great uh we could see

620

00:24:04,950 --> 00:24:02,000

this proc there could be a similar

621

00:24:06,630 --> 00:24:04,960

process in china but no that they don't

622

00:24:07,909 --> 00:24:06,640

want to go there and they're not going

623

00:24:11,830 --> 00:24:07,919

there they're they're involved in other

624

00:24:13,750 --> 00:24:11,840

things uh the uk can't china okay there

625

00:24:15,909 --> 00:24:13,760

is a little thing going on in brazil

626

00:24:18,710 --> 00:24:15,919

okay recently they actually had some

627

00:24:20,470 --> 00:24:18,720

testimony uh to their senate it was the

628

00:24:22,549 --> 00:24:20,480

first time that any witness on the

629

00:24:23,669 --> 00:24:22,559

nuclear weapons tampering

630

00:24:25,990 --> 00:24:23,679

phenomena

631

00:24:27,750 --> 00:24:26,000

testified before any legislative body

632

00:24:29,669 --> 00:24:27,760

that was robert salas he waited i don't

633

00:24:31,510 --> 00:24:29,679

know 30 years for that

634

00:24:33,350 --> 00:24:31,520

it should have been our our congress

635

00:24:35,269 --> 00:24:33,360

first but it ended up being brazil

636

00:24:37,110 --> 00:24:35,279

because we we're a little slow and we

637

00:24:38,870 --> 00:24:37,120

have a little harder problem here but

638

00:24:40,310 --> 00:24:38,880

really the process is in the united

639

00:24:42,549 --> 00:24:40,320

states so that's the one i'm referring

640

00:24:44,830 --> 00:24:42,559

to at any time another country could

641

00:24:47,510 --> 00:24:44,840

step in and say

642

00:24:49,350 --> 00:24:47,520

uh excuse us uh

643

00:24:53,590 --> 00:24:49,360

press could you come over here please uh

644

00:24:55,830 --> 00:24:53,600

yes yes yes i'm boris johnson

645

00:24:57,110 --> 00:24:55,840

and i i actually got a haircut for this

646

00:24:59,590 --> 00:24:57,120

this actually

647

00:25:01,350 --> 00:24:59,600

so that i would look very spiffy uh you

648

00:25:02,549 --> 00:25:01,360

know i i think all this dilly dallying

649

00:25:04,070 --> 00:25:02,559

going on in the universe is really

650

00:25:05,750 --> 00:25:04,080

really constant

651  
00:25:08,070 --> 00:25:05,760  
you know creating concentration so i'm

652  
00:25:11,190 --> 00:25:08,080  
just going to resolve the issue

653  
00:25:15,669 --> 00:25:11,200  
uh we are about to release to a 450 gun

654  
00:25:16,789 --> 00:25:15,679  
camera clips eclipse of our fine uh uk

655  
00:25:20,070 --> 00:25:16,799  
uh

656  
00:25:21,990 --> 00:25:20,080  
planes um of this phenomena right doing

657  
00:25:24,230 --> 00:25:22,000  
the kinds of things that you have been

658  
00:25:25,830 --> 00:25:24,240  
seeing lately all over the damn place

659  
00:25:27,190 --> 00:25:25,840  
and uh i'm going to be able to now

660  
00:25:28,789 --> 00:25:27,200  
confirm to you that yes this is

661  
00:25:31,830 --> 00:25:28,799  
extraterrestrial

662  
00:25:34,950 --> 00:25:31,840  
those are those are not from you know uh

663  
00:25:36,390 --> 00:25:34,960

portugal uh and so uh i'm the disclosure

664

00:25:39,590 --> 00:25:36,400

prime minister okay

665

00:25:41,430 --> 00:25:39,600

at any time that could happen i if that

666

00:25:43,990 --> 00:25:41,440

starts to happen i will love it it will

667

00:25:45,510 --> 00:25:44,000

be fun to watch boris how you doing i

668

00:25:47,350 --> 00:25:45,520

hope things get better for you i know

669

00:25:50,310 --> 00:25:47,360

you're having a rough time but trust me

670

00:25:52,549 --> 00:25:50,320

we're having a rough time here too so uh

671

00:25:53,830 --> 00:25:52,559

but i want to talk about the process

672

00:25:56,630 --> 00:25:53,840

underway

673

00:25:57,990 --> 00:25:56,640

here all right yeah so

674

00:25:59,430 --> 00:25:58,000

again

675

00:26:01,110 --> 00:25:59,440

what you're seeing

676  
00:26:03,510 --> 00:26:01,120  
is

677  
00:26:06,190 --> 00:26:03,520  
american institutions

678  
00:26:09,430 --> 00:26:06,200  
trying to now get out from under the

679  
00:26:12,630 --> 00:26:09,440  
75-year truth embargo

680  
00:26:13,510 --> 00:26:12,640  
and that is not you can't simply do it

681  
00:26:15,110 --> 00:26:13,520  
it it

682  
00:26:17,590 --> 00:26:15,120  
somebody just can't walk forward and do

683  
00:26:20,149 --> 00:26:17,600  
it it has to be done in a way

684  
00:26:23,190 --> 00:26:20,159  
that is going to be responsible

685  
00:26:25,510 --> 00:26:23,200  
uh minimally destructive or disruptive

686  
00:26:27,590 --> 00:26:25,520  
it would be nice if it made you know

687  
00:26:30,149 --> 00:26:27,600  
people look good trying to be nice if

688  
00:26:31,909 --> 00:26:30,159

the dod kind of kind of came out of it

689

00:26:34,149 --> 00:26:31,919

looking okay or the air for the air

690

00:26:36,070 --> 00:26:34,159

force is screwed but the navy would be

691

00:26:38,470 --> 00:26:36,080

nice that the congress was looking good

692

00:26:40,630 --> 00:26:38,480

and members of congress uh it would be

693

00:26:42,789 --> 00:26:40,640

nice if the witnesses were able to to

694

00:26:45,029 --> 00:26:42,799

come forward all of this

695

00:26:46,710 --> 00:26:45,039

and and then it would be nice if the

696

00:26:48,310 --> 00:26:46,720

president

697

00:26:49,990 --> 00:26:48,320

could then come forward to make the

698

00:26:52,950 --> 00:26:50,000

confirmation in this case it would be

699

00:26:53,830 --> 00:26:52,960

joseph robin at biden uh

700

00:26:56,710 --> 00:26:53,840

in a

701  
00:26:58,630 --> 00:26:56,720  
way that is not too political and and

702  
00:27:02,070 --> 00:26:58,640  
and positive and constructive

703  
00:27:05,190 --> 00:27:02,080  
that's what they're trying to do

704  
00:27:07,269 --> 00:27:05,200  
and here is their dilemma

705  
00:27:09,269 --> 00:27:07,279  
it's not easy

706  
00:27:13,110 --> 00:27:09,279  
and in order to end

707  
00:27:14,390 --> 00:27:13,120  
this truth embargo this huge lie this

708  
00:27:19,510 --> 00:27:14,400  
big lie

709  
00:27:21,029 --> 00:27:19,520  
in the uk that we're dealing with a big

710  
00:27:22,549 --> 00:27:21,039  
lie in the united states right now

711  
00:27:24,710 --> 00:27:22,559  
another big lie

712  
00:27:28,149 --> 00:27:24,720  
and it's and it's causing a significant

713  
00:27:30,630 --> 00:27:28,159

amount of problems in fact at times it

714

00:27:31,510 --> 00:27:30,640

is dominating the u.s media it's that

715

00:27:34,230 --> 00:27:31,520

big

716

00:27:36,310 --> 00:27:34,240

okay fine whatever uh whatever one's

717

00:27:39,350 --> 00:27:36,320

opinion is about that what i just said

718

00:27:41,590 --> 00:27:39,360

is true but let me make it clear the big

719

00:27:45,110 --> 00:27:41,600

lie regarding the reality of an

720

00:27:47,990 --> 00:27:45,120

extraterrestrial presence is way

721

00:27:50,470 --> 00:27:48,000

bigger than the current big lie okay

722

00:27:53,110 --> 00:27:50,480

take that big lie multiply it by about

723

00:27:55,750 --> 00:27:53,120

500 and you're dealing with the level of

724

00:27:58,470 --> 00:27:55,760

lie that i'm talking about all right

725

00:28:06,870 --> 00:27:59,590

in

726

00:28:09,590 --> 00:28:06,880

right now let me restate that

727

00:28:11,909 --> 00:28:09,600

in other words in order to

728

00:28:14,230 --> 00:28:11,919

get out from under the big lie they're

729

00:28:16,789 --> 00:28:14,240

going to have to lie a little bit more

730

00:28:19,190 --> 00:28:16,799

but to greater purpose

731

00:28:21,190 --> 00:28:19,200

now some people purists are going to go

732

00:28:23,590 --> 00:28:21,200

well let's just not accept

733

00:28:25,669 --> 00:28:23,600

right that is not acceptable we want the

734

00:28:27,430 --> 00:28:25,679

government to take the stand

735

00:28:29,269 --> 00:28:27,440

he wanted to take it oak

736

00:28:31,029 --> 00:28:29,279

we wanted to tell the truth the whole

737

00:28:33,110 --> 00:28:31,039

truth and nothing but the truth we want

738

00:28:35,510 --> 00:28:33,120

that next week thank you very much and

739

00:28:36,870 --> 00:28:35,520

let the consequences be damned

740

00:28:37,909 --> 00:28:36,880

and the government is saying to those

741

00:28:39,669 --> 00:28:37,919

people

742

00:28:41,909 --> 00:28:39,679

sorry that's not where it's going to

743

00:28:45,110 --> 00:28:41,919

happen okay right yeah you're going to

744

00:28:46,549 --> 00:28:45,120

have to get real this is the real world

745

00:28:48,389 --> 00:28:46,559

all right so

746

00:28:51,110 --> 00:28:48,399

what we're seeing

747

00:28:53,029 --> 00:28:51,120

is a lot of people

748

00:28:55,750 --> 00:28:53,039

like members of congress names that i

749

00:28:58,630 --> 00:28:55,760

guess gave earlier yeah like staffers

750

00:29:01,350 --> 00:28:58,640

and high-level people at the pentagon

751

00:29:03,830 --> 00:29:01,360

uh like witnesses

752

00:29:06,710 --> 00:29:03,840

like operatives like louis elizondo and

753

00:29:09,430 --> 00:29:06,720

uh and christopher mellon and so forth

754

00:29:12,470 --> 00:29:09,440

and former members of the government now

755

00:29:15,909 --> 00:29:12,480

retired but with substantial gravitas

756

00:29:18,070 --> 00:29:15,919

and and and resume like john radcliffe

757

00:29:19,990 --> 00:29:18,080

and james woolsey

758

00:29:22,630 --> 00:29:20,000

and brennan and so forth former cia

759

00:29:24,870 --> 00:29:22,640

directors nationals uh you know homeland

760

00:29:26,950 --> 00:29:24,880

security directors so forth stepping

761

00:29:29,190 --> 00:29:26,960

into the issue academics like avi lopes

762

00:29:31,269 --> 00:29:29,200

stepping into the issue

763

00:29:34,630 --> 00:29:31,279

what we're seeing is people

764

00:29:37,029 --> 00:29:34,640

trying to now do the right thing but

765

00:29:39,750 --> 00:29:37,039

with limitations

766

00:29:41,669 --> 00:29:39,760

all right in other words

767

00:29:44,389 --> 00:29:41,679

we're going to have to do this but i

768

00:29:46,950 --> 00:29:44,399

can't say that i've got a non-disclosure

769

00:29:49,029 --> 00:29:46,960

agreement regarding that we can't go

770

00:29:52,470 --> 00:29:49,039

there we can't do this now it has to

771

00:29:54,389 --> 00:29:52,480

wait we we have to hedge our statements

772

00:29:56,310 --> 00:29:54,399

we have to hedge our bets

773

00:30:00,230 --> 00:29:56,320

and in fact we're gonna have to outright

774

00:30:02,549 --> 00:30:00,240

lie in order to get this done

775

00:30:04,950 --> 00:30:02,559

now i'm okay with that

776

00:30:07,510 --> 00:30:04,960

all right i'm perfectly okay with that

777

00:30:09,430 --> 00:30:07,520

uh the the person who has done the most

778

00:30:11,590 --> 00:30:09,440

interviews on this subject as part of

779

00:30:14,149 --> 00:30:11,600

this process beyond anything anybody

780

00:30:15,590 --> 00:30:14,159

else has done he's the front spokesman

781

00:30:17,590 --> 00:30:15,600

for this process

782

00:30:20,070 --> 00:30:17,600

essentially he may not be appointed but

783

00:30:21,830 --> 00:30:20,080

he is the front spokesperson is louis

784

00:30:23,669 --> 00:30:21,840

elizondo

785

00:30:25,669 --> 00:30:23,679

i don't know if i could catch up with

786

00:30:27,990 --> 00:30:25,679

his podcast if i started watching him

787

00:30:30,470 --> 00:30:28,000

right now i he's done i don't know 10 20

788

00:30:31,909 --> 00:30:30,480

30 40 70

789

00:30:33,990 --> 00:30:31,919

and if you

790

00:30:36,549 --> 00:30:34,000

and and more than anybody else if you

791

00:30:38,310 --> 00:30:36,559

listen or watch lou

792

00:30:41,510 --> 00:30:38,320

taking these questions and going on

793

00:30:43,430 --> 00:30:41,520

these podcasts you're seeing a constant

794

00:30:46,149 --> 00:30:43,440

dynamic in which

795

00:30:48,389 --> 00:30:46,159

he can only go so far

796

00:30:50,789 --> 00:30:48,399

he can only say this

797

00:30:52,789 --> 00:30:50,799

sometimes he'll invoke the nda sometimes

798

00:30:55,590 --> 00:30:52,799

he'll say i really can't go there and

799

00:30:56,470 --> 00:30:55,600

what he's saying and he said many times

800

00:30:59,029 --> 00:30:56,480

uh

801  
00:31:00,070 --> 00:30:59,039  
if you only knew everything that i knew

802  
00:31:03,190 --> 00:31:00,080  
right

803  
00:31:04,789 --> 00:31:03,200  
you know and and and and uh and he he

804  
00:31:07,350 --> 00:31:04,799  
even shouldn't say that you know in

805  
00:31:08,950 --> 00:31:07,360  
other words he he is he is basically a

806  
00:31:09,750 --> 00:31:08,960  
guy that wants the truth and he wants it

807  
00:31:11,669 --> 00:31:09,760  
now

808  
00:31:14,230 --> 00:31:11,679  
he is he's definitely a patriot he's a

809  
00:31:16,149 --> 00:31:14,240  
hero and uh he's going to get treated

810  
00:31:17,029 --> 00:31:16,159  
that way historically

811  
00:31:19,190 --> 00:31:17,039  
but

812  
00:31:21,909 --> 00:31:19,200  
so he wants he would like to just sit

813  
00:31:23,750 --> 00:31:21,919

down and say here's the scope

814

00:31:26,149 --> 00:31:23,760

and he would be the

815

00:31:28,389 --> 00:31:26,159

the disclosure

816

00:31:30,789 --> 00:31:28,399

former dia guy well

817

00:31:32,789 --> 00:31:30,799

that's not the way the world works

818

00:31:34,789 --> 00:31:32,799

disclosure cannot come from louis

819

00:31:37,430 --> 00:31:34,799

elizondo or melon

820

00:31:39,350 --> 00:31:37,440

or or the secretary of defense or

821

00:31:41,350 --> 00:31:39,360

anybody else it can only come from a

822

00:31:43,269 --> 00:31:41,360

head of state as i define it and his

823

00:31:46,070 --> 00:31:43,279

history will define it disclosure

824

00:31:48,149 --> 00:31:46,080

capital d the formal confirmation lou

825

00:31:50,070 --> 00:31:48,159

elizondo cannot formally confirm the

826

00:31:52,389 --> 00:31:50,080

extraterrestrial presence nor can any

827

00:31:54,470 --> 00:31:52,399

one of the witnesses nor can rubia or

828

00:31:56,149 --> 00:31:54,480

gillibrand the only person that can do

829

00:31:57,029 --> 00:31:56,159

that is biden

830

00:31:58,070 --> 00:31:57,039

or

831

00:32:00,950 --> 00:31:58,080

johnson

832

00:32:04,070 --> 00:32:00,960

or trudeau or macron or putin or xi

833

00:32:05,750 --> 00:32:04,080

jinpings only they can do it and one of

834

00:32:07,830 --> 00:32:05,760

them will go first unless they got

835

00:32:09,830 --> 00:32:07,840

together and coordinated a joint

836

00:32:11,430 --> 00:32:09,840

announcement and how they can't even get

837

00:32:13,350 --> 00:32:11,440

together to decide whether they want to

838

00:32:14,389 --> 00:32:13,360

have a nuclear war or not so it's it's

839

00:32:17,509 --> 00:32:14,399

going to be one

840

00:32:18,630 --> 00:32:17,519

person first okay so

841

00:32:20,630 --> 00:32:18,640

so

842

00:32:21,750 --> 00:32:20,640

they're they're having to move this

843

00:32:25,190 --> 00:32:21,760

forward

844

00:32:27,750 --> 00:32:25,200

and do it in a way that will succeed in

845

00:32:29,190 --> 00:32:27,760

getting the job done

846

00:32:30,630 --> 00:32:29,200

and so

847

00:32:39,669 --> 00:32:30,640

all of the

848

00:32:42,070 --> 00:32:39,679

of the in some cases outright mendacity

849

00:32:44,789 --> 00:32:42,080

it's irritating to those in the know

850

00:32:47,350 --> 00:32:44,799

it's frustrating to those in the know

851

00:32:49,269 --> 00:32:47,360

uh it's generally frustrating to just

852

00:32:51,190 --> 00:32:49,279

everybody else because why don't they

853

00:32:55,190 --> 00:32:51,200

just tell us kind of thing

854

00:32:56,470 --> 00:32:55,200

but it absolutely is necessary to get to

855

00:32:58,470 --> 00:32:56,480

disclosure

856

00:33:00,710 --> 00:32:58,480

all right and so

857

00:33:04,070 --> 00:33:00,720

and what is the get to process it's

858

00:33:06,789 --> 00:33:04,080

really not that complicated in its

859

00:33:08,310 --> 00:33:06,799

in its fundamental

860

00:33:10,870 --> 00:33:08,320

the fundamental process is not that

861

00:33:12,710 --> 00:33:10,880

complicated what we have always needed

862

00:33:14,710 --> 00:33:12,720

and we've been trying to get for decades

863

00:33:18,870 --> 00:33:14,720

unsuccessfully

864

00:33:21,830 --> 00:33:18,880

is for the best military witnesses

865

00:33:25,430 --> 00:33:21,840

because this is a basically a in its

866

00:33:26,310 --> 00:33:25,440

ground uh state a uh a national security

867

00:33:28,389 --> 00:33:26,320

issue

868

00:33:30,710 --> 00:33:28,399

nobody would deny that right

869

00:33:32,870 --> 00:33:30,720

uh for the best military witnesses to

870

00:33:34,630 --> 00:33:32,880

testify in front of the

871

00:33:37,509 --> 00:33:34,640

appropriate committees of congress who

872

00:33:39,590 --> 00:33:37,519

have oversight responsibility over our

873

00:33:40,710 --> 00:33:39,600

national security and actions of our

874

00:33:42,230 --> 00:33:40,720

agencies

875

00:33:44,710 --> 00:33:42,240

a certain amount of oversight ability

876

00:33:46,389 --> 00:33:44,720

okay which they have not been exercising

877

00:33:48,470 --> 00:33:46,399

to the degree they should have

878

00:33:50,149 --> 00:33:48,480

to testify before these committees at

879

00:33:51,350 --> 00:33:50,159

length under oath

880

00:33:52,789 --> 00:33:51,360

about

881

00:33:54,950 --> 00:33:52,799

a whole lot

882

00:33:59,590 --> 00:33:54,960

of events and evidence some of which we

883

00:34:01,110 --> 00:33:59,600

have seen since 1990 uh 2017 uh and it's

884

00:34:03,430 --> 00:34:01,120

been continued to sort of come out but

885

00:34:05,110 --> 00:34:03,440

we we're seeing that develop believe me

886

00:34:08,470 --> 00:34:05,120

it's a fraction of everything that's out

887

00:34:10,230 --> 00:34:08,480

there testify for days and days and days

888

00:34:11,909 --> 00:34:10,240

in open

889

00:34:13,430 --> 00:34:11,919

public

890

00:34:17,270 --> 00:34:13,440

video

891

00:34:19,909 --> 00:34:17,280

the whole world

892

00:34:21,589 --> 00:34:19,919

can watch it happen and see this

893

00:34:23,430 --> 00:34:21,599

evidence unfolded

894

00:34:26,230 --> 00:34:23,440

accompanied by

895

00:34:28,710 --> 00:34:26,240

testimony classified testimony in closed

896

00:34:30,790 --> 00:34:28,720

session with these same committees about

897

00:34:33,190 --> 00:34:30,800

information they cannot reveal publicly

898

00:34:36,550 --> 00:34:33,200

but the committees can hear

899

00:34:38,550 --> 00:34:36,560

and that to happen in an orderly fashion

900

00:34:40,790 --> 00:34:38,560

under oath

901  
00:34:41,829 --> 00:34:40,800  
and at some point and it won't take very

902  
00:34:44,950 --> 00:34:41,839  
long

903  
00:34:46,790 --> 00:34:44,960  
what the world will see

904  
00:34:50,389 --> 00:34:46,800  
will be sufficient

905  
00:34:52,869 --> 00:34:50,399  
to convince the world uh yeah uh

906  
00:34:55,829 --> 00:34:52,879  
whatever doubts i had about this being i

907  
00:34:57,589 --> 00:34:55,839  
don't know chinese technology or some

908  
00:34:59,750 --> 00:34:57,599  
hidden species that's living in the

909  
00:35:01,589 --> 00:34:59,760  
center of the earth no no no this is

910  
00:35:03,829 --> 00:35:01,599  
off-world technology multiple

911  
00:35:07,030 --> 00:35:03,839  
civilizations been here since at least

912  
00:35:08,550 --> 00:35:07,040  
the 40s we have craft we have a lot of

913  
00:35:10,710 --> 00:35:08,560

information about that it's

914

00:35:12,230 --> 00:35:10,720

extraterrestrial we're not alone in the

915

00:35:14,710 --> 00:35:12,240

universe okay

916

00:35:16,630 --> 00:35:14,720

and the moment the president

917

00:35:18,390 --> 00:35:16,640

right and i assure you biden knows

918

00:35:19,750 --> 00:35:18,400

there's an e.t presence

919

00:35:22,390 --> 00:35:19,760

trust me on this

920

00:35:24,390 --> 00:35:22,400

the president sees that

921

00:35:25,589 --> 00:35:24,400

and the congress sees that and the dod

922

00:35:27,349 --> 00:35:25,599

sees that

923

00:35:29,190 --> 00:35:27,359

then there will be a little back and

924

00:35:30,790 --> 00:35:29,200

forth some conversations some email

925

00:35:32,150 --> 00:35:30,800

exchanges whatever the hell and the

926  
00:35:34,150 --> 00:35:32,160  
president is going to come forward and

927  
00:35:36,069 --> 00:35:34,160  
confirm the e.t presence

928  
00:35:37,670 --> 00:35:36,079  
and that process won't take very long

929  
00:35:39,670 --> 00:35:37,680  
once it gets started

930  
00:35:42,069 --> 00:35:39,680  
the run-up to it is taking a long time

931  
00:35:45,190 --> 00:35:42,079  
but once it gets started and by the way

932  
00:35:47,990 --> 00:35:45,200  
it technically got started on the 17th

933  
00:35:50,710 --> 00:35:48,000  
of may when the first hearing short

934  
00:35:52,390 --> 00:35:50,720  
modest was held in front of the uh a

935  
00:35:54,870 --> 00:35:52,400  
subcommittee of the house

936  
00:35:57,670 --> 00:35:54,880  
on may 17th lasted about an hour and 10

937  
00:36:00,950 --> 00:35:57,680  
minutes okay the first such hearing on

938  
00:36:02,150 --> 00:36:00,960

uap since 1968 54 years that was the

939

00:36:04,630 --> 00:36:02,160

beginning

940

00:36:07,030 --> 00:36:04,640

and the only reason that we didn't then

941

00:36:08,950 --> 00:36:07,040

start moving forward real quick is we

942

00:36:09,910 --> 00:36:08,960

have a few other issues here that we're

943

00:36:12,790 --> 00:36:09,920

dealing with

944

00:36:13,670 --> 00:36:12,800

okay uh which are sort of getting in the

945

00:36:14,550 --> 00:36:13,680

way

946

00:36:17,430 --> 00:36:14,560

uh

947

00:36:20,870 --> 00:36:17,440

you know the run-up to world war three

948

00:36:22,550 --> 00:36:20,880

um insurrections uh in massive

949

00:36:24,470 --> 00:36:22,560

investigations going on of a former

950

00:36:27,109 --> 00:36:24,480

president on and on and on this this is

951  
00:36:28,230 --> 00:36:27,119  
just unfortunate timing but it's not

952  
00:36:30,710 --> 00:36:28,240  
enough

953  
00:36:32,870 --> 00:36:30,720  
to to ultimately

954  
00:36:34,550 --> 00:36:32,880  
uh indefinitely postpone this this thing

955  
00:36:35,589 --> 00:36:34,560  
is going to get going again

956  
00:36:37,430 --> 00:36:35,599  
so

957  
00:36:38,230 --> 00:36:37,440  
that is what's going on

958  
00:36:41,030 --> 00:36:38,240  
and

959  
00:36:43,910 --> 00:36:41,040  
i'll finish with this if

960  
00:36:46,470 --> 00:36:43,920  
that is what they need to do

961  
00:36:50,390 --> 00:36:48,550  
and and you know that

962  
00:36:54,390 --> 00:36:50,400  
why are you

963  
00:36:56,390 --> 00:36:54,400

going public and telling everybody

964

00:36:59,190 --> 00:36:56,400

that's what's going on why are you

965

00:37:01,510 --> 00:36:59,200

letting us know that they're having to

966

00:37:03,030 --> 00:37:01,520

do a lot of little white lies and and

967

00:37:06,790 --> 00:37:03,040

play some games here in order to get

968

00:37:09,829 --> 00:37:06,800

this done aren't you ruining it for them

969

00:37:11,430 --> 00:37:09,839

oh no that's not what's going on

970

00:37:13,109 --> 00:37:11,440

look

971

00:37:16,470 --> 00:37:13,119

i'm not that big a deal

972

00:37:18,470 --> 00:37:16,480

uh my saying these things uh right now

973

00:37:21,030 --> 00:37:18,480

wherever the venue is is not going to

974

00:37:22,630 --> 00:37:21,040

throw the issue up in here no it's not

975

00:37:24,390 --> 00:37:22,640

uh

976  
00:37:26,150 --> 00:37:24,400  
and and so i know they're not worried

977  
00:37:27,349 --> 00:37:26,160  
about that neither am i

978  
00:37:28,310 --> 00:37:27,359  
however

979  
00:37:30,950 --> 00:37:28,320  
right

980  
00:37:34,550 --> 00:37:30,960  
there is a very good reason why

981  
00:37:36,790 --> 00:37:34,560  
a reasonable number of people

982  
00:37:38,630 --> 00:37:36,800  
thousands hundreds of thousands whatever

983  
00:37:40,310 --> 00:37:38,640  
understand this

984  
00:37:41,670 --> 00:37:40,320  
understand that yeah that's what they

985  
00:37:42,630 --> 00:37:41,680  
have to do

986  
00:37:44,790 --> 00:37:42,640  
so

987  
00:37:49,670 --> 00:37:44,800  
i unders i get it right

988  
00:37:53,270 --> 00:37:49,680

uh and the reason for that is that

989

00:37:54,710 --> 00:37:53,280

it's not in the best interest

990

00:37:57,910 --> 00:37:54,720

of

991

00:38:01,030 --> 00:37:57,920

that

992

00:38:02,950 --> 00:38:01,040

everybody be taken in again by the

993

00:38:06,470 --> 00:38:02,960

solution

994

00:38:08,950 --> 00:38:06,480

uh uh as we have been by the problem in

995

00:38:11,270 --> 00:38:08,960

other words

996

00:38:15,430 --> 00:38:13,510

we the more people that know that this

997

00:38:16,550 --> 00:38:15,440

is what they're trying to do righteously

998

00:38:20,790 --> 00:38:16,560

trying to do

999

00:38:22,470 --> 00:38:20,800

done and having to go through these

1000

00:38:24,390 --> 00:38:22,480

hoops and jump through these over these

1001  
00:38:26,630 --> 00:38:24,400  
uh

1002  
00:38:29,270 --> 00:38:26,640  
it's important the more people that kind

1003  
00:38:31,670 --> 00:38:29,280  
of know that

1004  
00:38:36,150 --> 00:38:31,680  
the less likely

1005  
00:38:38,790 --> 00:38:36,160  
that this kind of necessary mendacity

1006  
00:38:40,470 --> 00:38:38,800  
doesn't continue

1007  
00:38:42,950 --> 00:38:40,480  
all right in other words here is what's

1008  
00:38:45,670 --> 00:38:42,960  
supposed to happen

1009  
00:38:47,510 --> 00:38:45,680  
the dod and the navy and congress and

1010  
00:38:49,430 --> 00:38:47,520  
former members and academics and

1011  
00:38:51,910 --> 00:38:49,440  
everything else need to play along with

1012  
00:38:54,069 --> 00:38:51,920  
this somewhat contrived scenario in

1013  
00:38:56,230 --> 00:38:54,079

order to get the right thing done but

1014

00:38:58,150 --> 00:38:56,240

once the right thing is done

1015

00:39:00,790 --> 00:38:58,160

once the president has confirmed the

1016

00:39:03,589 --> 00:39:00,800

extraterrestrial presence the mendacity

1017

00:39:06,470 --> 00:39:03,599

the game playing the uh the charades the

1018

00:39:09,349 --> 00:39:06,480

kabuki theater all of that needs to end

1019

00:39:12,150 --> 00:39:09,359

and after that it's transparency

1020

00:39:17,510 --> 00:39:15,270

you want to know this we cannot tell you

1021

00:39:20,069 --> 00:39:17,520

it is classified not we're going to

1022

00:39:21,589 --> 00:39:20,079

dance around with you and your foias for

1023

00:39:23,589 --> 00:39:21,599

eight or nine years and then finally

1024

00:39:25,190 --> 00:39:23,599

announce we can't find the files you

1025

00:39:26,710 --> 00:39:25,200

know either tell you the truth or we

1026  
00:39:29,430 --> 00:39:26,720  
tell you we can't tell you the truth and

1027  
00:39:31,030 --> 00:39:29,440  
we tell you why right and then i

1028  
00:39:33,349 --> 00:39:31,040  
and then again there is a unveiling

1029  
00:39:35,430 --> 00:39:33,359  
process where more and more previously

1030  
00:39:37,589 --> 00:39:35,440  
classified information is coming out

1031  
00:39:40,230 --> 00:39:37,599  
there's open cooperation at the maximum

1032  
00:39:42,069 --> 00:39:40,240  
level maximum transparency that it needs

1033  
00:39:44,230 --> 00:39:42,079  
to happen

1034  
00:39:45,750 --> 00:39:44,240  
the moment disclosure takes place and

1035  
00:39:47,910 --> 00:39:45,760  
there's going to be a temptation on the

1036  
00:39:49,910 --> 00:39:47,920  
part of a lot of people that are going

1037  
00:39:51,430 --> 00:39:49,920  
to be thinking like this you know

1038  
00:39:53,430 --> 00:39:51,440

we got away with the truth embargo

1039

00:39:55,510 --> 00:39:53,440

itself for 75 years

1040

00:39:57,910 --> 00:39:55,520

that was pretty cool and then we were

1041

00:39:59,589 --> 00:39:57,920

able to manipulate the whole uh ending

1042

00:40:01,270 --> 00:39:59,599

of the truth embargo process and play

1043

00:40:03,910 --> 00:40:01,280

some games and got that job done that

1044

00:40:05,750 --> 00:40:03,920

was pretty special and so okay now the

1045

00:40:08,550 --> 00:40:05,760

world knows we're not alone but let's

1046

00:40:10,470 --> 00:40:08,560

face it we can play this thing some more

1047

00:40:12,230 --> 00:40:10,480

there's all kinds of things we can do

1048

00:40:14,150 --> 00:40:12,240

right we can you know

1049

00:40:16,230 --> 00:40:14,160

we can take that angle in this game and

1050

00:40:18,550 --> 00:40:16,240

that charade or whatever and we can we

1051  
00:40:20,790 --> 00:40:18,560  
can we can make it easier for us in the

1052  
00:40:21,750 --> 00:40:20,800  
post-disclosure world

1053  
00:40:27,109 --> 00:40:21,760  
no

1054  
00:40:29,190 --> 00:40:27,119  
educate people to the fact that

1055  
00:40:32,069 --> 00:40:29,200  
uh what you're seeing now is not

1056  
00:40:33,670 --> 00:40:32,079  
straight up but it's necessary it's not

1057  
00:40:36,150 --> 00:40:33,680  
the truth the whole truth and nothing

1058  
00:40:39,990 --> 00:40:36,160  
but the truth but it is necessary to get

1059  
00:40:41,030 --> 00:40:40,000  
to an absolute absolute

1060  
00:40:42,630 --> 00:40:41,040  
uh

1061  
00:40:43,510 --> 00:40:42,640  
event we must have

1062  
00:40:45,109 --> 00:40:43,520  
right

1063  
00:40:47,589 --> 00:40:45,119

for the interest of planet

1064

00:40:50,550 --> 00:40:47,599

and and and understand that so be

1065

00:40:53,030 --> 00:40:50,560

understanding however

1066

00:40:54,710 --> 00:40:53,040

any efforts to continue this game this

1067

00:40:56,230 --> 00:40:54,720

way after disclosure you must be

1068

00:40:58,630 --> 00:40:56,240

relentless

1069

00:40:59,910 --> 00:40:58,640

in saying look i understood it i get it

1070

00:41:01,510 --> 00:40:59,920

no more

1071

00:41:04,390 --> 00:41:01,520

and then lastly

1072

00:41:06,390 --> 00:41:04,400

there is this right

1073

00:41:07,990 --> 00:41:06,400

overall the truth embargo

1074

00:41:09,270 --> 00:41:08,000

and its entire

1075

00:41:10,870 --> 00:41:09,280

production

1076

00:41:12,230 --> 00:41:10,880

in all countries everywhere but

1077

00:41:14,150 --> 00:41:12,240

certainly in the united states and i

1078

00:41:16,309 --> 00:41:14,160

think the uk to a great extent probably

1079

00:41:17,510 --> 00:41:16,319

more than any other country

1080

00:41:19,349 --> 00:41:17,520

uh

1081

00:41:20,950 --> 00:41:19,359

in order for it to be maintained for 70

1082

00:41:23,829 --> 00:41:20,960

years it had to make make a fool out of

1083

00:41:25,349 --> 00:41:23,839

everybody yeah we've all been the tools

1084

00:41:28,390 --> 00:41:25,359

the researchers the journalists the

1085

00:41:30,069 --> 00:41:28,400

academics right people actually in in

1086

00:41:32,829 --> 00:41:30,079

military services and have to walk out

1087

00:41:35,670 --> 00:41:32,839

in front of cameras and utterly lie

1088

00:41:37,270 --> 00:41:35,680

uh himself to death there because they

1089

00:41:39,510 --> 00:41:37,280

have no choice

1090

00:41:41,829 --> 00:41:39,520

right it is made fools of us they sent

1091

00:41:43,829 --> 00:41:41,839

us off down blind alleys running around

1092

00:41:46,230 --> 00:41:43,839

and chasing our tails stumbling around

1093

00:41:48,309 --> 00:41:46,240

in the in a in the dark in the in the

1094

00:41:50,069 --> 00:41:48,319

living room smashing into furniture for

1095

00:41:51,589 --> 00:41:50,079

75 years

1096

00:41:54,390 --> 00:41:51,599

and to

1097

00:41:55,430 --> 00:41:54,400

i want to minimize

1098

00:42:06,950 --> 00:41:55,440

the

1099

00:42:08,550 --> 00:42:06,960

final solution which we must have

1100

00:42:11,270 --> 00:42:08,560

doesn't

1101

00:42:12,230 --> 00:42:11,280

also make a fool of too many people in

1102

00:42:13,670 --> 00:42:12,240

other words

1103

00:42:15,030 --> 00:42:13,680

it's going to make a fool of a lot of

1104

00:42:17,109 --> 00:42:15,040

people already is there a lot of people

1105

00:42:18,950 --> 00:42:17,119

going on twitter and raiding cravings

1106

00:42:20,390 --> 00:42:18,960

claiming this and claiming that and then

1107

00:42:21,430 --> 00:42:20,400

not too long from now they're going to

1108

00:42:23,589 --> 00:42:21,440

go oh

1109

00:42:25,670 --> 00:42:23,599

uh oh gee

1110

00:42:29,190 --> 00:42:25,680

doing that i wouldn't have tweeted this

1111

00:42:30,710 --> 00:42:29,200

or man i'm sorry i whatever and they're

1112

00:42:32,550 --> 00:42:30,720

going to feel like a fool

1113

00:42:35,030 --> 00:42:32,560

right so i'm trying to mitigate that a

1114

00:42:36,790 --> 00:42:35,040

little bit uh and i'll talk to the

1115

00:42:37,670 --> 00:42:36,800

biggest audience possible

1116

00:42:42,390 --> 00:42:37,680

this

1117

00:42:44,390 --> 00:42:42,400

by a lot of people i don't care how many

1118

00:42:46,710 --> 00:42:44,400

is not going to stop it

1119

00:42:47,990 --> 00:42:46,720

in fact it may help it because you get a

1120

00:42:50,309 --> 00:42:48,000

less you get a less you get less

1121

00:42:51,910 --> 00:42:50,319

blowback less trolling perhaps as people

1122

00:42:53,910 --> 00:42:51,920

become more understanding and you go

1123

00:42:55,750 --> 00:42:53,920

okay i get it keep moving forward as

1124

00:42:57,430 --> 00:42:55,760

opposed to going online and blowing

1125

00:42:59,910 --> 00:42:57,440

their brains out and thanks for having

1126

00:43:01,990 --> 00:42:59,920

exploding heads over what this person

1127

00:43:03,990 --> 00:43:02,000

said or why that didn't happen

1128

00:43:06,470 --> 00:43:04,000

it actually may help that to some degree

1129

00:43:08,950 --> 00:43:06,480

now this may be hubris on my part there

1130

00:43:11,030 --> 00:43:08,960

may be people over the dod saying that's

1131

00:43:13,430 --> 00:43:11,040

son of a

1132

00:43:15,190 --> 00:43:13,440

would just [h\_\_h] up and just

1133

00:43:16,309 --> 00:43:15,200

go somewhere take a vacation we'll get

1134

00:43:18,069 --> 00:43:16,319

this done

1135

00:43:23,190 --> 00:43:18,079

all right we know what he wants it's

1136

00:43:24,630 --> 00:43:23,200

going to happen so just you know s-t-uf

1137

00:43:26,069 --> 00:43:24,640

right but i'm hoping there's some over

1138

00:43:28,150 --> 00:43:26,079

there they're going hey you know i get

1139

00:43:30,230 --> 00:43:28,160

it uh that's cool that's cool man we're

1140

00:43:32,390 --> 00:43:30,240

all gonna cross the finish line together

1141

00:43:35,190 --> 00:43:32,400

we'll all get together have drinks share

1142

00:43:36,950 --> 00:43:35,200

a meal talk about the great old days and

1143

00:43:38,950 --> 00:43:36,960

so forth and that's that's what i hope

1144

00:43:41,190 --> 00:43:38,960

will happen i like the sound of that

1145

00:43:42,950 --> 00:43:41,200

definitely i suppose my next question is

1146

00:43:44,550 --> 00:43:42,960

kind of a two-parter we obviously had

1147

00:43:47,030 --> 00:43:44,560

that first hearing with moultrie and

1148

00:43:48,390 --> 00:43:47,040

brey as witnesses and everyone since

1149

00:43:50,550 --> 00:43:48,400

then is just screaming when are we going

1150

00:43:52,150 --> 00:43:50,560

to see the people that that really are

1151  
00:43:54,390 --> 00:43:52,160  
in the know and then we hear people like

1152  
00:43:56,470 --> 00:43:54,400  
louie elizondo say you may see some

1153  
00:43:57,750 --> 00:43:56,480  
familiar faces at the next hearings so

1154  
00:43:59,270 --> 00:43:57,760  
yeah that's the first part of my

1155  
00:44:01,030 --> 00:43:59,280  
question who do you think we might see

1156  
00:44:03,910 --> 00:44:01,040  
but the second part is what your

1157  
00:44:05,829 --> 00:44:03,920  
thoughts are on amnesty for people that

1158  
00:44:08,230 --> 00:44:05,839  
may have been uh you know part of the

1159  
00:44:10,069 --> 00:44:08,240  
cover-up or or even some criminal

1160  
00:44:11,910 --> 00:44:10,079  
offences to keep the cover-up in the

1161  
00:44:14,069 --> 00:44:11,920  
past going forward should they have

1162  
00:44:16,710 --> 00:44:14,079  
amnesty first question is easy the

1163  
00:44:20,829 --> 00:44:16,720

second one's more complex okay

1164

00:44:25,589 --> 00:44:23,190

um right now

1165

00:44:28,069 --> 00:44:25,599

the january 6 hearings are underway and

1166

00:44:31,109 --> 00:44:28,079

they are a big deal trust me very big

1167

00:44:33,190 --> 00:44:31,119

deal yeah i mean they're pure politics

1168

00:44:34,630 --> 00:44:33,200

disclosure is political but what's

1169

00:44:37,270 --> 00:44:34,640

happening right now is

1170

00:44:38,390 --> 00:44:37,280

political cubed yeah

1171

00:44:39,910 --> 00:44:38,400

uh they've had

1172

00:44:43,030 --> 00:44:39,920

five i think

1173

00:44:43,750 --> 00:44:43,040

uh they're going to take a recess

1174

00:44:45,109 --> 00:44:43,760

of

1175

00:44:47,349 --> 00:44:45,119

a week

1176

00:44:49,109 --> 00:44:47,359

maybe two

1177

00:44:50,870 --> 00:44:49,119

so

1178

00:44:52,950 --> 00:44:50,880

the next one is

1179

00:44:53,990 --> 00:44:52,960

going to be probably about a week into

1180

00:44:55,270 --> 00:44:54,000

july

1181

00:44:56,309 --> 00:44:55,280

around there

1182

00:44:59,030 --> 00:44:56,319

it's

1183

00:45:00,790 --> 00:44:59,040

highly unlikely that

1184

00:45:03,109 --> 00:45:00,800

another committee

1185

00:45:04,550 --> 00:45:03,119

it'll either be a one more subcommittee

1186

00:45:06,630 --> 00:45:04,560

house or senate

1187

00:45:08,390 --> 00:45:06,640

or it'll be right to one of the intel

1188

00:45:10,069 --> 00:45:08,400

committees house or senate intelligence

1189

00:45:11,670 --> 00:45:10,079

committee which are the big ones these

1190

00:45:12,470 --> 00:45:11,680

are really the critical

1191

00:45:14,069 --> 00:45:12,480

uh

1192

00:45:15,990 --> 00:45:14,079

it's unlikely one of those can happen

1193

00:45:17,270 --> 00:45:16,000

between now and then it's not that they

1194

00:45:18,390 --> 00:45:17,280

couldn't do it i mean you could have you

1195

00:45:20,870 --> 00:45:18,400

could have a

1196

00:45:23,349 --> 00:45:20,880

you you could have the um uh the january

1197

00:45:25,430 --> 00:45:23,359

6th hearing going on which is not a

1198

00:45:27,910 --> 00:45:25,440

standard hearing it is not

1199

00:45:29,589 --> 00:45:27,920

uh it is a special committee set up and

1200

00:45:31,990 --> 00:45:29,599

they're orchestrating that entire thing

1201  
00:45:34,870 --> 00:45:32,000  
but you could have that happening and

1202  
00:45:36,710 --> 00:45:34,880  
then over in another hearing room you

1203  
00:45:39,030 --> 00:45:36,720  
could literally have the witnesses

1204  
00:45:41,030 --> 00:45:39,040  
testifying in front of the senate intel

1205  
00:45:44,150 --> 00:45:41,040  
committee at the same time

1206  
00:45:46,470 --> 00:45:44,160  
but that's not going to happen because

1207  
00:45:49,270 --> 00:45:46,480  
both of these these are incredibly

1208  
00:45:51,510 --> 00:45:49,280  
significant events and you do not want

1209  
00:45:53,190 --> 00:45:51,520  
them competing with each other

1210  
00:45:54,630 --> 00:45:53,200  
uh you know one of the most important

1211  
00:45:56,390 --> 00:45:54,640  
things about hearings like this whether

1212  
00:45:58,470 --> 00:45:56,400  
it's a watergate hearing the rand contra

1213  
00:46:00,630 --> 00:45:58,480

hearings january 6 hearings and

1214

00:46:02,710 --> 00:46:00,640

certainly the disclosure

1215

00:46:04,950 --> 00:46:02,720

is you want a huge audience

1216

00:46:06,630 --> 00:46:04,960

uh transparency and the audience is

1217

00:46:08,150 --> 00:46:06,640

pretty important this isn't just

1218

00:46:09,430 --> 00:46:08,160

standard business where you've got

1219

00:46:11,030 --> 00:46:09,440

nobody in the room and they're just

1220

00:46:13,510 --> 00:46:11,040

doing some you know hearing that they

1221

00:46:15,510 --> 00:46:13,520

need to do and some housekeeping matter

1222

00:46:17,190 --> 00:46:15,520

somewhere in the house in a room that

1223

00:46:19,589 --> 00:46:17,200

most journalists never even knew existed

1224

00:46:21,430 --> 00:46:19,599

no no no this is big the first day of

1225

00:46:23,589 --> 00:46:21,440

the january 6th earrings they had 20

1226

00:46:26,630 --> 00:46:23,599

million people ultimately view

1227

00:46:28,390 --> 00:46:26,640

right uh and it was on c-span

1228

00:46:30,230 --> 00:46:28,400

c-span two

1229

00:46:33,190 --> 00:46:30,240

uh since then they've gotten more

1230

00:46:36,069 --> 00:46:33,200

coverage uh eventually you're gonna see

1231

00:46:37,910 --> 00:46:36,079

probably a major one of these in which

1232

00:46:39,990 --> 00:46:37,920

the audience may get up in the 40-50

1233

00:46:42,309 --> 00:46:40,000

million range uh and it's going to be

1234

00:46:45,510 --> 00:46:42,319

covered everywhere

1235

00:46:48,230 --> 00:46:45,520

the the disclosure hearings

1236

00:46:49,750 --> 00:46:48,240

will almost certainly surpass that

1237

00:46:52,390 --> 00:46:49,760

meaning

1238

00:46:54,829 --> 00:46:52,400

obviously the first one didn't

1239

00:46:59,030 --> 00:46:54,839

but it was broadcast on

1240

00:47:01,030 --> 00:46:59,040

on c-span 2 and it was broadcast uh on

1241

00:47:02,630 --> 00:47:01,040

youtube and some other things yeah

1242

00:47:04,870 --> 00:47:02,640

ultimately

1243

00:47:07,829 --> 00:47:04,880

the people watching

1244

00:47:10,390 --> 00:47:07,839

the coming hearings will get in the 40

1245

00:47:11,349 --> 00:47:10,400

50 60 70 80 million

1246

00:47:13,910 --> 00:47:11,359

range

1247

00:47:15,510 --> 00:47:13,920

and then much higher depending upon

1248

00:47:17,430 --> 00:47:15,520

how much uh

1249

00:47:19,670 --> 00:47:17,440

coverage is coming in from how much

1250

00:47:21,430 --> 00:47:19,680

coverage from from outside the u.s

1251

00:47:23,270 --> 00:47:21,440

this issue obviously is an absolutely

1252

00:47:24,549 --> 00:47:23,280

international issue there's no reason

1253

00:47:26,870 --> 00:47:24,559

every country

1254

00:47:29,190 --> 00:47:26,880

out there it would not want their people

1255

00:47:30,870 --> 00:47:29,200

to be watching these hearings live with

1256

00:47:32,150 --> 00:47:30,880

whatever captions or translations so

1257

00:47:34,069 --> 00:47:32,160

it's going to be a huge number and

1258

00:47:36,230 --> 00:47:34,079

that's important they want that and so

1259

00:47:38,069 --> 00:47:36,240

you you these these you want the

1260

00:47:40,790 --> 00:47:38,079

hearings on this cannot be competing

1261

00:47:42,309 --> 00:47:40,800

with something else and so

1262

00:47:43,910 --> 00:47:42,319

we're not going to get anything until

1263

00:47:47,109 --> 00:47:43,920

after the

1264

00:47:49,030 --> 00:47:47,119

the january 6 hearing settled down

1265

00:47:51,190 --> 00:47:49,040

now when

1266

00:47:54,470 --> 00:47:51,200

i don't think it's much longer

1267

00:47:56,470 --> 00:47:54,480

i think uh there'll be a few more

1268

00:47:59,270 --> 00:47:56,480

uh once they start again there may be a

1269

00:48:00,870 --> 00:47:59,280

couple in quick succession and i think

1270

00:48:02,230 --> 00:48:00,880

we're going to then

1271

00:48:04,309 --> 00:48:02,240

see indictments coming in from the

1272

00:48:06,630 --> 00:48:04,319

department of justice and once those

1273

00:48:09,589 --> 00:48:06,640

indictments start okay that's going to

1274

00:48:12,790 --> 00:48:09,599

be a big story all right no question

1275

00:48:14,950 --> 00:48:12,800

but it's also going to be an ugly story

1276

00:48:17,670 --> 00:48:14,960

uh and it's going to

1277

00:48:19,190 --> 00:48:17,680

be very intense and very ugly

1278

00:48:21,030 --> 00:48:19,200

at that point

1279

00:48:22,390 --> 00:48:21,040

to resume the

1280

00:48:25,190 --> 00:48:22,400

disclosure what i call like the

1281

00:48:27,510 --> 00:48:25,200

disclosure hearings uap hearings

1282

00:48:28,790 --> 00:48:27,520

will be possible because they'll be able

1283

00:48:30,630 --> 00:48:28,800

to get the audience they won't be

1284

00:48:33,430 --> 00:48:30,640

competing

1285

00:48:36,950 --> 00:48:33,440

but also that is these are going to be

1286

00:48:38,870 --> 00:48:36,960

very positive in a way very exciting

1287

00:48:40,630 --> 00:48:38,880

non-political hearings i mean these are

1288

00:48:43,109 --> 00:48:40,640

going to be hearings of incredible

1289

00:48:45,109 --> 00:48:43,119

global significance which is exactly

1290

00:48:47,750 --> 00:48:45,119

what the world is going to need

1291

00:48:49,430 --> 00:48:47,760

as the the ugliness of the last few

1292

00:48:51,430 --> 00:48:49,440

years sort of finally starts getting

1293

00:48:52,870 --> 00:48:51,440

resolved all right

1294

00:48:53,829 --> 00:48:52,880

and then also

1295

00:48:56,870 --> 00:48:53,839

uh

1296

00:48:59,349 --> 00:48:56,880

it would be nice if we were able to get

1297

00:49:01,190 --> 00:48:59,359

the hearings done and get to disclosure

1298

00:49:01,670 --> 00:49:01,200

this

1299

00:49:04,230 --> 00:49:01,680

as summer

1300

00:49:06,870 --> 00:49:04,240

as possible so that

1301

00:49:08,390 --> 00:49:06,880

uh all of the people running for our

1302

00:49:10,390 --> 00:49:08,400

office here in the us which is

1303

00:49:11,670 --> 00:49:10,400

approximately 400 and

1304

00:49:14,829 --> 00:49:11,680

at the national level which is

1305

00:49:19,349 --> 00:49:17,910

68 uh candidates

1306

00:49:21,349 --> 00:49:19,359

every one of them could be running in

1307

00:49:23,589 --> 00:49:21,359

the post-disclosure world meaning

1308

00:49:25,990 --> 00:49:23,599

they're out campaigning and

1309

00:49:28,390 --> 00:49:26,000

you know the press asking well uh

1310

00:49:30,230 --> 00:49:28,400

candidate so and so uh

1311

00:49:32,230 --> 00:49:30,240

what do you what is your take and what

1312

00:49:33,750 --> 00:49:32,240

is your position regarding the fact that

1313

00:49:35,510 --> 00:49:33,760

it's just been confirmed to us by

1314

00:49:37,109 --> 00:49:35,520

president biden that that this

1315

00:49:39,030 --> 00:49:37,119

phenomenon is not is not human it's

1316

00:49:40,870 --> 00:49:39,040

extraterrestrial we're not alone anyway

1317

00:49:42,829 --> 00:49:40,880

what do you how do you think

1318

00:49:45,750 --> 00:49:42,839

we should deal with that

1319

00:49:46,870 --> 00:49:45,760

uh what are your views on it and so

1320

00:49:48,790 --> 00:49:46,880

forth and so these people could

1321

00:49:50,950 --> 00:49:48,800

literally and and they'll be able to do

1322

00:49:53,030 --> 00:49:50,960

that uh more importantly that's a

1323

00:49:55,109 --> 00:49:53,040

non-political question i mean it's not

1324

00:49:57,349 --> 00:49:55,119

like uh tell me candidate what is your

1325

00:49:59,109 --> 00:49:57,359

view on the extraterrestrial question so

1326

00:50:00,710 --> 00:49:59,119

that i can then take that and use it to

1327

00:50:02,790 --> 00:50:00,720

beat the crap out of you because i want

1328

00:50:03,589 --> 00:50:02,800

the other other woman or the guy to win

1329

00:50:05,829 --> 00:50:03,599

no

1330

00:50:08,950 --> 00:50:05,839

these are these are universal powerful

1331

00:50:10,870 --> 00:50:08,960

non-political matters and it'll give all

1332

00:50:12,150 --> 00:50:10,880

of these candidates the opportunity to

1333

00:50:15,190 --> 00:50:12,160

put the

1334

00:50:16,390 --> 00:50:15,200

that that persona aside that they have

1335

00:50:18,230 --> 00:50:16,400

to put up

1336

00:50:20,309 --> 00:50:18,240

in order to somehow

1337

00:50:22,470 --> 00:50:20,319

not only raise the millions of dollars

1338

00:50:25,270 --> 00:50:22,480

they have to raise to even win the damn

1339

00:50:26,950 --> 00:50:25,280

election but get the votes necessary and

1340

00:50:28,790 --> 00:50:26,960

put up put out all those nonsense get

1341

00:50:31,109 --> 00:50:28,800

the votes to win they could just be

1342

00:50:33,990 --> 00:50:31,119

honest and say what they think

1343

00:50:35,750 --> 00:50:34,000

we want that that is really needed badly

1344

00:50:37,510 --> 00:50:35,760

and we can have that if we're willing to

1345

00:50:39,750 --> 00:50:37,520

get the job done

1346

00:50:41,670 --> 00:50:39,760

if they don't get those hearings later

1347

00:50:45,109 --> 00:50:41,680

this summer

1348

00:50:47,030 --> 00:50:45,119

and they don't happen until next year

1349

00:50:49,109 --> 00:50:47,040

think of it this way

1350

00:50:50,870 --> 00:50:49,119

the public will learn next year that

1351  
00:50:52,630 --> 00:50:50,880  
there's an extraterrestrial presence it

1352  
00:50:54,390 --> 00:50:52,640  
will also learn that they could have

1353  
00:50:57,589 --> 00:50:54,400  
told us last year

1354  
00:50:59,349 --> 00:50:57,599  
and so uh why did you delay it

1355  
00:51:00,790 --> 00:50:59,359  
that was a very political thing

1356  
00:51:03,270 --> 00:51:00,800  
president biden

1357  
00:51:04,790 --> 00:51:03,280  
you know uh senator uh

1358  
00:51:06,710 --> 00:51:04,800  
uh warner

1359  
00:51:08,309 --> 00:51:06,720  
right congressman diego that's a very

1360  
00:51:09,910 --> 00:51:08,319  
political thing you did you didn't give

1361  
00:51:10,950 --> 00:51:09,920  
us a chance to have that

1362  
00:51:13,030 --> 00:51:10,960  
in our

1363  
00:51:14,470 --> 00:51:13,040

our uh you know our knowledge base in

1364

00:51:16,790 --> 00:51:14,480

order to do this election why did you do

1365

00:51:18,150 --> 00:51:16,800

that and it's going to really demean the

1366

00:51:19,670 --> 00:51:18,160

process they're going to be angry as

1367

00:51:21,589 --> 00:51:19,680

hell and you can say now we got all

1368

00:51:23,270 --> 00:51:21,599

these members in congress

1369

00:51:24,950 --> 00:51:23,280

right and we don't know what the hell we

1370

00:51:27,670 --> 00:51:24,960

think about this issue

1371

00:51:29,349 --> 00:51:27,680

right and and and if we had known about

1372

00:51:30,950 --> 00:51:29,359

this and been able to talk to them about

1373

00:51:33,109 --> 00:51:30,960

this we might have decided to vote for

1374

00:51:34,230 --> 00:51:33,119

somebody else and so this is what

1375

00:51:36,069 --> 00:51:34,240

they're dealing with i mean publicly

1376

00:51:38,230 --> 00:51:36,079

said this is all nonsense no it's not

1377

00:51:41,270 --> 00:51:38,240

it's fundamental real politique all

1378

00:51:43,270 --> 00:51:41,280

right so the government has a decision

1379

00:51:44,950 --> 00:51:43,280

get this done before the election which

1380

00:51:47,910 --> 00:51:44,960

they can still do the witnesses are

1381

00:51:50,069 --> 00:51:47,920

ready to testify my god there's probably

1382

00:51:52,309 --> 00:51:50,079

a hundred military witnesses out there

1383

00:51:54,790 --> 00:51:52,319

right now that if get sent a plane

1384

00:51:55,589 --> 00:51:54,800

ticket would get on it the next day

1385

00:51:58,150 --> 00:51:55,599

and

1386

00:51:59,510 --> 00:51:58,160

be in washington

1387

00:52:01,829 --> 00:51:59,520

to testify

1388

00:52:03,589 --> 00:52:01,839

yeah so that that's the so that is what

1389

00:52:05,589 --> 00:52:03,599

i hope will happen

1390

00:52:08,950 --> 00:52:05,599

and

1391

00:52:11,190 --> 00:52:08,960

expect military witnesses only

1392

00:52:14,710 --> 00:52:11,200

or national security meaning it could be

1393

00:52:15,589 --> 00:52:14,720

civilian people from the dod or whatever

1394

00:52:17,670 --> 00:52:15,599

no

1395

00:52:20,549 --> 00:52:17,680

people like me

1396

00:52:22,630 --> 00:52:20,559

no uap researchers you know no members i

1397

00:52:24,470 --> 00:52:22,640

don't mean maybe uh maybe they had a

1398

00:52:27,030 --> 00:52:24,480

move on or something i doubt that it's

1399

00:52:28,710 --> 00:52:27,040

going to be national security base

1400

00:52:31,190 --> 00:52:28,720

it's going to be lou elizondos and

1401  
00:52:34,710 --> 00:52:31,200  
dietrich's and framers and solaces and

1402  
00:52:36,390 --> 00:52:34,720  
so forth uh uh that's the stuff that

1403  
00:52:37,910 --> 00:52:36,400  
that matters they don't they're not

1404  
00:52:40,390 --> 00:52:37,920  
gonna be getting into the woods and

1405  
00:52:42,710 --> 00:52:40,400  
starting from scratch okay witness could

1406  
00:52:44,710 --> 00:52:42,720  
you uh could you provide uh your

1407  
00:52:46,950 --> 00:52:44,720  
perspective on everything that happened

1408  
00:52:47,910 --> 00:52:46,960  
since 1947 when yeah

1409  
00:52:48,950 --> 00:52:47,920  
it's gonna be what do you know about

1410  
00:52:50,470 --> 00:52:48,960  
this what do you know about that what

1411  
00:52:51,910 --> 00:52:50,480  
about this event what about that event

1412  
00:52:53,750 --> 00:52:51,920  
and so forth did this happen did that

1413  
00:52:55,829 --> 00:52:53,760

happen and then you may have witnesses

1414

00:52:58,829 --> 00:52:55,839

turning up from the pentagon

1415

00:53:02,630 --> 00:52:58,839

right uh saying uh okay

1416

00:53:05,109 --> 00:53:02,640

um uh secretary secretary uh of

1417

00:53:07,190 --> 00:53:05,119

intelligence uh uh defense for

1418

00:53:10,390 --> 00:53:07,200

intelligence uh uh we understand you

1419

00:53:12,870 --> 00:53:10,400

brought with you today 12 uh films

1420

00:53:16,069 --> 00:53:12,880

regarding additional encounters with uap

1421

00:53:18,390 --> 00:53:16,079

taken from our our defense planes uh uh

1422

00:53:19,829 --> 00:53:18,400

we're going to run some of those now and

1423

00:53:21,910 --> 00:53:19,839

then we'd like you to comment it's going

1424

00:53:24,470 --> 00:53:21,920

to be things like that that's what to

1425

00:53:25,910 --> 00:53:24,480

expect wow

1426

00:53:33,430 --> 00:53:25,920

the

1427

00:53:35,829 --> 00:53:33,440

that you would like to see will not

1428

00:53:38,710 --> 00:53:35,839

expand but it will expand until after

1429

00:53:40,309 --> 00:53:38,720

disclosure after disclosure the range of

1430

00:53:43,589 --> 00:53:40,319

potential witnesses that could come on

1431

00:53:45,750 --> 00:53:43,599

the hill uh will grow greatly and you

1432

00:53:47,030 --> 00:53:45,760

will see a much broader range of

1433

00:53:48,790 --> 00:53:47,040

testimony but that's in the

1434

00:53:51,589 --> 00:53:48,800

post-disclosure world that's after

1435

00:53:53,510 --> 00:53:51,599

disclosure until then think military

1436

00:53:56,470 --> 00:53:53,520

witnesses national defense witnesses

1437

00:53:58,630 --> 00:53:56,480

only that's amazing i i love how

1438

00:53:59,910 --> 00:53:58,640

confident you are and i you know there's

1439

00:54:01,430 --> 00:53:59,920

very few times that you've ever been

1440

00:54:03,030 --> 00:54:01,440

wrong in this subject steve over the

1441

00:54:04,950 --> 00:54:03,040

years so i'm really

1442

00:54:06,390 --> 00:54:04,960

happy to hear you say those things now

1443

00:54:10,710 --> 00:54:06,400

we're getting a plan

1444

00:54:16,390 --> 00:54:13,670

okay this is complicated

1445

00:54:18,069 --> 00:54:16,400

i i support of course the concept of

1446

00:54:20,309 --> 00:54:18,079

amnesty and i support the concept of

1447

00:54:21,910 --> 00:54:20,319

truth and reconciliation right but

1448

00:54:23,829 --> 00:54:21,920

there's a lot of confusion out there

1449

00:54:26,790 --> 00:54:23,839

about that

1450

00:54:32,870 --> 00:54:29,430

amnesty

1451  
00:54:36,870 --> 00:54:34,230  
somebody

1452  
00:54:40,870 --> 00:54:39,030  
accidentally

1453  
00:54:42,630 --> 00:54:40,880  
says something

1454  
00:54:44,630 --> 00:54:42,640  
which act violates

1455  
00:54:47,109 --> 00:54:44,640  
a national security

1456  
00:54:49,349 --> 00:54:47,119  
directive or an nda or their clearance

1457  
00:54:51,109 --> 00:54:49,359  
or what have you which could happen

1458  
00:54:53,670 --> 00:54:51,119  
okay

1459  
00:54:55,670 --> 00:54:53,680  
and theoretically and not theoretically

1460  
00:54:58,870 --> 00:54:55,680  
but it could also be used to protect

1461  
00:55:01,270 --> 00:54:58,880  
them about being forced to say something

1462  
00:55:02,789 --> 00:55:01,280  
under oath publicly

1463  
00:55:05,030 --> 00:55:02,799

that in fact

1464

00:55:07,270 --> 00:55:05,040

legally they shouldn't do

1465

00:55:08,230 --> 00:55:07,280

all right

1466

00:55:11,030 --> 00:55:08,240

but

1467

00:55:12,789 --> 00:55:11,040

that's not

1468

00:55:15,829 --> 00:55:12,799

that doesn't quite properly describe the

1469

00:55:17,750 --> 00:55:15,839

situation okay here's the situation

1470

00:55:19,270 --> 00:55:17,760

look

1471

00:55:21,589 --> 00:55:19,280

the people that are gonna come forward

1472

00:55:24,150 --> 00:55:21,599

to testify under both

1473

00:55:27,670 --> 00:55:26,630

are not criminals

1474

00:55:29,670 --> 00:55:27,680

so

1475

00:55:31,990 --> 00:55:29,680

by and large i mean it's highly unlikely

1476

00:55:33,910 --> 00:55:32,000

that any of them they're all basically

1477

00:55:36,549 --> 00:55:33,920

people who have important things to say

1478

00:55:37,829 --> 00:55:36,559

they couldn't say them before all right

1479

00:55:40,630 --> 00:55:37,839

and they will come up to the hill and

1480

00:55:42,390 --> 00:55:40,640

they will testify under oath

1481

00:55:45,030 --> 00:55:42,400

and because they are they've already

1482

00:55:46,710 --> 00:55:45,040

taken an oath as a member of uh of the

1483

00:55:48,789 --> 00:55:46,720

national security structures or any of

1484

00:55:49,910 --> 00:55:48,799

the services this will be their second

1485

00:55:52,789 --> 00:55:49,920

oath

1486

00:55:53,829 --> 00:55:52,799

and so they are going to tell the truth

1487

00:55:56,230 --> 00:55:53,839

now

1488

00:55:58,789 --> 00:55:56,240

if any member of congress

1489

00:56:02,069 --> 00:55:58,799

uh committee member asks them about

1490

00:56:04,630 --> 00:56:02,079

something that is in fact classified

1491

00:56:06,150 --> 00:56:04,640

that they are not supposed to discuss

1492

00:56:08,390 --> 00:56:06,160

publicly

1493

00:56:09,109 --> 00:56:08,400

all they have to do is say

1494

00:56:15,109 --> 00:56:09,119

uh

1495

00:56:16,710 --> 00:56:15,119

speak to that in a classified session

1496

00:56:18,309 --> 00:56:16,720

and i'll be happy to do so and of course

1497

00:56:20,309 --> 00:56:18,319

that's then they'll ask that same

1498

00:56:22,150 --> 00:56:20,319

question in classified session there's

1499

00:56:23,990 --> 00:56:22,160

no reason that any person is going to be

1500

00:56:25,750 --> 00:56:24,000

forced all right now look i don't care

1501

00:56:28,230 --> 00:56:25,760

you know you need to say this publicly

1502

00:56:31,190 --> 00:56:28,240

we're not going to go no no no okay

1503

00:56:33,990 --> 00:56:31,200

and so they don't need amnesty for that

1504

00:56:35,589 --> 00:56:34,000

right you just don't need it okay

1505

00:56:37,430 --> 00:56:35,599

now let's talk about truth and

1506

00:56:41,190 --> 00:56:37,440

reconciliation

1507

00:56:42,789 --> 00:56:41,200

which would be a which would be it would

1508

00:56:44,870 --> 00:56:42,799

be a law that would have to be passed

1509

00:56:45,990 --> 00:56:44,880

the amnesty would also be a law probably

1510

00:56:48,069 --> 00:56:46,000

yeah both of them would have to be

1511

00:56:49,910 --> 00:56:48,079

legislated truth and reconciliation is

1512

00:56:53,910 --> 00:56:49,920

not something else

1513

00:56:55,190 --> 00:56:53,920

it's about somebody active or retired

1514

00:56:56,230 --> 00:56:55,200

uh

1515

00:56:58,870 --> 00:56:56,240

who

1516

00:57:02,470 --> 00:56:58,880

in servicing the truth embargo

1517

00:57:04,390 --> 00:57:02,480

has committed illegal acts

1518

00:57:06,470 --> 00:57:04,400

either by order

1519

00:57:08,150 --> 00:57:06,480

or freelance

1520

00:57:10,069 --> 00:57:08,160

meaning okay the truth embargoes got to

1521

00:57:11,349 --> 00:57:10,079

be protected and that's going on and i'm

1522

00:57:13,910 --> 00:57:11,359

going to go over here and i'm going to

1523

00:57:17,270 --> 00:57:15,109

for instance

1524

00:57:19,750 --> 00:57:17,280

let's go all the way back to 1947. we

1525

00:57:21,670 --> 00:57:19,760

have witnesses about how

1526

00:57:25,829 --> 00:57:21,680

army people

1527

00:57:27,910 --> 00:57:25,839

some civilian operatives from uh

1528

00:57:29,670 --> 00:57:27,920

intelligence we're going around roswell

1529

00:57:31,910 --> 00:57:29,680

and threatening the hell out of some

1530

00:57:33,349 --> 00:57:31,920

nice people in roswell meaning if you if

1531

00:57:35,589 --> 00:57:33,359

you say anything about what you have

1532

00:57:37,349 --> 00:57:35,599

seen regarding this event yeah we're

1533

00:57:40,230 --> 00:57:37,359

going to take you and your family and on

1534

00:57:41,910 --> 00:57:40,240

a one-way trip to the deep desert

1535

00:57:43,349 --> 00:57:41,920

and you're not coming back

1536

00:57:45,670 --> 00:57:43,359

uh

1537

00:57:47,510 --> 00:57:45,680

some some may view that as illegal

1538

00:57:49,510 --> 00:57:47,520

okay and say that was that was that

1539

00:57:51,829 --> 00:57:49,520

violated no you can't do that it's

1540

00:57:54,390 --> 00:57:51,839

illegal and uh

1541

00:57:57,030 --> 00:57:54,400

you know sergeant whatever you're gonna

1542

00:57:58,309 --> 00:57:57,040

have to be accountable for that

1543

00:57:59,750 --> 00:57:58,319

that's not gonna be a problem because

1544

00:58:02,470 --> 00:57:59,760

they're all dead

1545

00:58:04,630 --> 00:58:02,480

okay but you get my point

1546

00:58:06,870 --> 00:58:04,640

legal illegal don't know all right

1547

00:58:09,030 --> 00:58:06,880

however there may be some instances

1548

00:58:11,030 --> 00:58:09,040

where things were done

1549

00:58:12,789 --> 00:58:11,040

not that long ago

1550

00:58:14,710 --> 00:58:12,799

which any reasonable person would

1551  
00:58:16,630 --> 00:58:14,720  
consider absolutely illegal and if it

1552  
00:58:18,069 --> 00:58:16,640  
was freelance meaning they they weren't

1553  
00:58:20,150 --> 00:58:18,079  
they weren't under orders they took it

1554  
00:58:21,349 --> 00:58:20,160  
in their own to do this then they

1555  
00:58:23,510 --> 00:58:21,359  
technically have committed an illegal

1556  
00:58:26,309 --> 00:58:23,520  
illegal act

1557  
00:58:28,230 --> 00:58:26,319  
however okay that said

1558  
00:58:29,670 --> 00:58:28,240  
what happened we need to know about

1559  
00:58:30,789 --> 00:58:29,680  
right it's important that we know about

1560  
00:58:31,670 --> 00:58:30,799  
these things

1561  
00:58:33,829 --> 00:58:31,680  
uh

1562  
00:58:36,630 --> 00:58:33,839  
because we we we don't want to do this

1563  
00:58:37,910 --> 00:58:36,640

anymore you know it's like you know we

1564

00:58:39,670 --> 00:58:37,920

really don't want to have any more

1565

00:58:42,390 --> 00:58:39,680

embargoes like this we don't want to go

1566

00:58:43,910 --> 00:58:42,400

down this road any longer it's already

1567

00:58:45,750 --> 00:58:43,920

damaged the hell out of the government

1568

00:58:48,870 --> 00:58:45,760

undermine trust across the board

1569

00:58:51,589 --> 00:58:48,880

contributed to the chaos we have now uh

1570

00:58:53,430 --> 00:58:51,599

uh exposed us to

1571

00:58:54,950 --> 00:58:53,440

you know minimized our ability to deal

1572

00:58:55,670 --> 00:58:54,960

with the nuclear issue and on and on and

1573

00:58:58,630 --> 00:58:55,680

on

1574

00:59:00,309 --> 00:58:58,640

so we really want to hear from these

1575

00:59:01,349 --> 00:59:00,319

people and i don't think there's a lot

1576

00:59:03,190 --> 00:59:01,359

of this

1577

00:59:05,030 --> 00:59:03,200

much less than what was involved in the

1578

00:59:07,109 --> 00:59:05,040

apartheid situation in south africa

1579

00:59:09,190 --> 00:59:07,119

where you had a host of people that did

1580

00:59:11,910 --> 00:59:09,200

awful things and the new government

1581

00:59:16,150 --> 00:59:11,920

wanted to know about it and so uh

1582

00:59:17,349 --> 00:59:16,160

with a lot of support uh by desmond tutu

1583

00:59:19,349 --> 00:59:17,359

ultimately they got a truth and

1584

00:59:21,030 --> 00:59:19,359

reconciliation act in south africa so a

1585

00:59:23,190 --> 00:59:21,040

whole bunch of people could come forward

1586

00:59:26,309 --> 00:59:23,200

and say i did this i did that i did this

1587

00:59:27,430 --> 00:59:26,319

and it was not good but they were not

1588

00:59:29,910 --> 00:59:27,440

going to their lives were going to

1589

00:59:31,829 --> 00:59:29,920

continue all right they were reconciled

1590

00:59:34,309 --> 00:59:31,839

but they had to tell the whole truth

1591

00:59:37,030 --> 00:59:34,319

okay yeah there's not that many people

1592

00:59:38,870 --> 00:59:37,040

here there are maybe some and so truth

1593

00:59:39,990 --> 00:59:38,880

and reconciliation may be appropriate

1594

00:59:41,750 --> 00:59:40,000

for them

1595

00:59:43,589 --> 00:59:41,760

but that'll be post-disclosure not

1596

00:59:46,710 --> 00:59:43,599

pre-disclosure okay and so

1597

00:59:49,829 --> 00:59:46,720

post-disclosure i fully support

1598

00:59:52,710 --> 00:59:49,839

truth and reconciliation legislation

1599

00:59:54,789 --> 00:59:52,720

that will increase our ability to get

1600

00:59:57,589 --> 00:59:54,799

everything we need to know about what

1601  
01:00:00,309 --> 00:59:57,599  
the hell happened between 1947 and now

1602  
01:00:02,710 --> 01:00:00,319  
even if it involves some illegal acts

1603  
01:00:04,230 --> 01:00:02,720  
that people would uh have a problem with

1604  
01:00:05,510 --> 01:00:04,240  
if they are able to talk to us about

1605  
01:00:07,589 --> 01:00:05,520  
that okay

1606  
01:00:09,750 --> 01:00:07,599  
with respect to amnesty

1607  
01:00:11,910 --> 01:00:09,760  
okay

1608  
01:00:43,589 --> 01:00:11,920  
i

1609  
01:00:45,589 --> 01:00:43,599  
concerned about

1610  
01:00:47,109 --> 01:00:45,599  
they could just say that's okay that's

1611  
01:00:50,069 --> 01:00:47,119  
okay commander it's all right that's

1612  
01:00:52,069 --> 01:00:50,079  
okay we'll we'll deal with that later

1613  
01:00:54,069 --> 01:00:52,079

okay well okay oh fine but aren't you

1614

01:00:56,950 --> 01:00:54,079

limiting no well

1615

01:00:58,150 --> 01:00:56,960

that's a very small limitation

1616

01:01:00,309 --> 01:00:58,160

however

1617

01:01:02,150 --> 01:01:00,319

talking about amnesty now

1618

01:01:04,789 --> 01:01:02,160

trying to go there just helps delay the

1619

01:01:06,789 --> 01:01:04,799

process one but two

1620

01:01:08,230 --> 01:01:06,799

it sort of implies

1621

01:01:10,710 --> 01:01:08,240

to the world

1622

01:01:12,069 --> 01:01:10,720

that these people have got issues

1623

01:01:14,069 --> 01:01:12,079

right we got to have amnesty for all

1624

01:01:15,270 --> 01:01:14,079

these witnesses because boy they're all

1625

01:01:16,950 --> 01:01:15,280

walking up to the hill with all these

1626

01:01:19,109 --> 01:01:16,960

issues in other words we're really it's

1627

01:01:21,829 --> 01:01:19,119

intimidating and it's really giving a

1628

01:01:23,030 --> 01:01:21,839

false representation of of the status of

1629

01:01:25,430 --> 01:01:23,040

these witnesses

1630

01:01:27,750 --> 01:01:25,440

right almost none of them have any need

1631

01:01:29,990 --> 01:01:27,760

for amnesty and so talking about it is

1632

01:01:31,589 --> 01:01:30,000

giving this indication oh my god

1633

01:01:33,109 --> 01:01:31,599

right we got to get amnesty because

1634

01:01:34,630 --> 01:01:33,119

these people are compromised as hell no

1635

01:01:37,349 --> 01:01:34,640

that is not the case

1636

01:01:39,030 --> 01:01:37,359

and so my position is this we don't need

1637

01:01:41,109 --> 01:01:39,040

amnesty and let's don't talk about it

1638

01:01:42,950 --> 01:01:41,119

unless we're talking about it as it has

1639

01:01:44,950 --> 01:01:42,960

it may be needed in the post-disclosure

1640

01:01:47,190 --> 01:01:44,960

world as we start getting into the much

1641

01:01:48,789 --> 01:01:47,200

more granular stuff you know really

1642

01:01:51,190 --> 01:01:48,799

getting down into the weeds to get the

1643

01:01:53,109 --> 01:01:51,200

details so that we can understand

1644

01:01:56,630 --> 01:01:53,119

everything that happened

1645

01:01:58,390 --> 01:01:56,640

between 1947 and disclosure

1646

01:01:59,829 --> 01:01:58,400

there may be a number of people that

1647

01:02:01,510 --> 01:01:59,839

would be nice if they had amnesty in

1648

01:02:03,750 --> 01:02:01,520

case in the

1649

01:02:05,190 --> 01:02:03,760

in the the tumult of the post-disclosure

1650

01:02:06,870 --> 01:02:05,200

world were people coming forward saying

1651

01:02:08,710 --> 01:02:06,880

this saying that they oh my goodness

1652

01:02:09,510 --> 01:02:08,720

screwed up and i shouldn't have said

1653

01:02:12,549 --> 01:02:09,520

that

1654

01:02:14,549 --> 01:02:12,559

uh and and the dod comes to him and says

1655

01:02:16,950 --> 01:02:14,559

boy you really shouldn't have said that

1656

01:02:19,109 --> 01:02:16,960

you know and he said i'm very very sorry

1657

01:02:20,710 --> 01:02:19,119

but the dod will say okay but don't

1658

01:02:22,789 --> 01:02:20,720

worry you're not going to have a problem

1659

01:02:23,670 --> 01:02:22,799

because uh under the amnesty act it's

1660

01:02:26,390 --> 01:02:23,680

okay

1661

01:02:28,069 --> 01:02:26,400

right it's all right you're forgiven so

1662

01:02:30,549 --> 01:02:28,079

that's that's my view you see how

1663

01:02:31,829 --> 01:02:30,559

complicated this is absolutely yeah i

1664

01:02:33,430 --> 01:02:31,839

appreciate the chance to say that

1665

01:02:34,470 --> 01:02:33,440

because you know i'm hoping other people

1666

01:02:36,789 --> 01:02:34,480

will share

1667

01:02:39,109 --> 01:02:36,799

that because that is non-trivial

1668

01:02:41,270 --> 01:02:39,119

remember every one of these witnesses

1669

01:02:43,109 --> 01:02:41,280

that are going to come forward

1670

01:02:45,510 --> 01:02:43,119

even though whether they want to or not

1671

01:02:46,789 --> 01:02:45,520

most of them want to still are facing

1672

01:02:48,549 --> 01:02:46,799

having to go

1673

01:02:50,309 --> 01:02:48,559

and sit

1674

01:02:52,950 --> 01:02:50,319

like we're seeing witnesses right now in

1675

01:02:55,829 --> 01:02:52,960

the hill sit in a chair take an oath and

1676

01:02:57,670 --> 01:02:55,839

be seen by tens of millions of people

1677

01:03:00,470 --> 01:02:57,680

talking about the most controversial

1678

01:03:02,470 --> 01:03:00,480

issue in history and so it's not like

1679

01:03:04,150 --> 01:03:02,480

you know they want to be there but it's

1680

01:03:05,430 --> 01:03:04,160

not going to be a walk in the park and

1681

01:03:06,950 --> 01:03:05,440

we don't want to do anything to make it

1682

01:03:08,150 --> 01:03:06,960

any harder than it needs to be

1683

01:03:09,270 --> 01:03:08,160

absolutely

1684

01:03:10,870 --> 01:03:09,280

that's a good point i never really

1685

01:03:12,710 --> 01:03:10,880

looked at it in that respect with

1686

01:03:14,630 --> 01:03:12,720

regards to amnesty but you've made a

1687

01:03:16,789 --> 01:03:14,640

very good point and i hope that

1688

01:03:18,710 --> 01:03:16,799

people pick up on that because it's it's

1689

01:03:20,470 --> 01:03:18,720

certainly an interesting slant to what

1690

01:03:21,670 --> 01:03:20,480

everyone thinks of amnesty is just you

1691

01:03:23,910 --> 01:03:21,680

know

1692

01:03:25,270 --> 01:03:23,920

letting people speak freely but it does

1693

01:03:26,710 --> 01:03:25,280

give that impression that there is

1694

01:03:28,309 --> 01:03:26,720

something wrong before they've even

1695

01:03:29,829 --> 01:03:28,319

spoken so

1696

01:03:31,910 --> 01:03:29,839

yeah i see where you're coming from now

1697

01:03:33,270 --> 01:03:31,920

listen steve before we go i want to read

1698

01:03:35,670 --> 01:03:33,280

out a couple of great questions that

1699

01:03:38,230 --> 01:03:35,680

i've got from the audience here uh elena

1700

01:03:40,549 --> 01:03:38,240

campbell asks uh is this the the year

1701

01:03:42,549 --> 01:03:40,559

for world disclosure day

1702

01:03:45,270 --> 01:03:42,559

or do you think we're past that but also

1703

01:03:47,190 --> 01:03:45,280

the curve of the paradigm clock

1704

01:03:48,630 --> 01:03:47,200

seems akin to drifting closer to the

1705

01:03:49,829 --> 01:03:48,640

singularity

1706

01:03:51,430 --> 01:03:49,839

so if you could just talk about the

1707

01:03:53,109 --> 01:03:51,440

clock that would be well the keratin

1708

01:03:55,190 --> 01:03:53,119

clock is something that i created a long

1709

01:03:58,710 --> 01:03:55,200

time ago and i managed it for a long

1710

01:04:00,309 --> 01:03:58,720

time and i've stopped managing it uh uh

1711

01:04:02,470 --> 01:04:00,319

i maybe i'll

1712

01:04:04,390 --> 01:04:02,480

reset it get i think i want to try to

1713

01:04:06,710 --> 01:04:04,400

bring that back to life a little bit

1714

01:04:09,190 --> 01:04:06,720

uh so i'll do that i'll reset it real

1715

01:04:10,789 --> 01:04:09,200

close to midnight no question

1716

01:04:13,430 --> 01:04:10,799

um

1717

01:04:14,789 --> 01:04:13,440

so there's that and then another thing

1718

01:04:17,430 --> 01:04:14,799

that i'm going to bring back to life is

1719

01:04:19,109 --> 01:04:17,440

world disclosure day which i i uh

1720

01:04:20,150 --> 01:04:19,119

uh sort of made a thing a number of

1721

01:04:22,390 --> 01:04:20,160

years ago

1722

01:04:24,230 --> 01:04:22,400

it has a it has a website and i at

1723

01:04:25,990 --> 01:04:24,240

worlddisclosureday.org

1724

01:04:27,349 --> 01:04:26,000

i encourage people to go to it i'm going

1725

01:04:29,510 --> 01:04:27,359

to see if i can't bring it back to life

1726

01:04:33,430 --> 01:04:29,520

i think i've got about 5 000 people

1727

01:04:35,109 --> 01:04:33,440

that's that emailed in using a form uh

1728

01:04:37,270 --> 01:04:35,119

their support for it

1729

01:04:39,270 --> 01:04:37,280

uh and i think it's time to

1730

01:04:41,190 --> 01:04:39,280

invigorate that yes

1731

01:04:43,029 --> 01:04:41,200

i set you know because there's always

1732

01:04:45,349 --> 01:04:43,039

there's been a world ufo day for some

1733

01:04:47,190 --> 01:04:45,359

time and as you know it gets a lot of

1734

01:04:49,430 --> 01:04:47,200

press and recently it got some more

1735

01:04:52,230 --> 01:04:49,440

press and i think it's july the fourth

1736

01:04:53,829 --> 01:04:52,240

or fifth thanks to four and that's fine

1737

01:04:56,670 --> 01:04:53,839

but you know my attitude about this it's

1738

01:04:59,430 --> 01:04:56,680

not about ufos it's about uh

1739

01:05:01,910 --> 01:04:59,440  
extraterrestrial presence and the

1740

01:05:03,990 --> 01:05:01,920  
problem is ending the truth embargo

1741

01:05:06,870 --> 01:05:04,000  
and so i created world disclosure day

1742

01:05:09,990 --> 01:05:06,880  
which is meant to be the day to quote

1743

01:05:11,109 --> 01:05:10,000  
recognize the disclosure process yeah

1744

01:05:13,670 --> 01:05:11,119  
now

1745

01:05:14,789 --> 01:05:13,680  
i set that date as as july the 8th as

1746

01:05:17,029 --> 01:05:14,799  
opposed to

1747

01:05:18,549 --> 01:05:17,039  
the fourth the world the world ufo day

1748

01:05:19,589 --> 01:05:18,559  
is kind of based on

1749

01:05:22,390 --> 01:05:19,599  
when

1750

01:05:23,910 --> 01:05:22,400  
the roswell crash was engaged

1751

01:05:26,390 --> 01:05:23,920

right and i think kind of when they

1752

01:05:27,990 --> 01:05:26,400

think it happened we don't really know

1753

01:05:29,270 --> 01:05:28,000

uh but it's in that it's about that it's

1754

01:05:31,589 --> 01:05:29,280

about the crash

1755

01:05:33,829 --> 01:05:31,599

world of uh disclosure day

1756

01:05:36,789 --> 01:05:33,839

was set for a specific date july 8th and

1757

01:05:39,349 --> 01:05:36,799

the reason i chose that day is july the

1758

01:05:41,829 --> 01:05:39,359

8th is the day that evening early

1759

01:05:44,549 --> 01:05:41,839

evening when roger raymie held the new

1760

01:05:45,750 --> 01:05:44,559

press conference and made jesse marcel

1761

01:05:47,670 --> 01:05:45,760

hold up a

1762

01:05:50,630 --> 01:05:47,680

a bunch of reynolds wrap that had been

1763

01:05:52,069 --> 01:05:50,640

in general freezer wrapped around some

1764

01:05:54,230 --> 01:05:52,079

some trout

1765

01:05:56,150 --> 01:05:54,240

and say no it was a weather balloon

1766

01:05:58,549 --> 01:05:56,160

okay to me that is the

1767

01:06:00,309 --> 01:05:58,559

probably the best form the way the best

1768

01:06:02,230 --> 01:06:00,319

form of formal beginning of the truth of

1769

01:06:04,549 --> 01:06:02,240

barbara that's when it really begins in

1770

01:06:06,789 --> 01:06:04,559

some sort of formal way all right and so

1771

01:06:08,069 --> 01:06:06,799

i i made it that now world disclosure

1772

01:06:09,510 --> 01:06:08,079

day ultimately is not going to be the

1773

01:06:11,349 --> 01:06:09,520

july the 8th though they still have a

1774

01:06:13,349 --> 01:06:11,359

little time that's going to be another

1775

01:06:15,589 --> 01:06:13,359

date and what i've said publicly in the

1776

01:06:17,430 --> 01:06:15,599

past is the moment that happens the day

1777

01:06:19,990 --> 01:06:17,440

that the president of the united states

1778

01:06:22,230 --> 01:06:20,000

discloses say it's um

1779

01:06:23,750 --> 01:06:22,240

september five okay okay i will

1780

01:06:25,589 --> 01:06:23,760

immediately go to my site and change

1781

01:06:27,190 --> 01:06:25,599

this world

1782

01:06:29,109 --> 01:06:27,200

reply all right

1783

01:06:30,710 --> 01:06:29,119

but now that we're this close i think

1784

01:06:32,470 --> 01:06:30,720

i'm gonna see if i can bring it to live

1785

01:06:33,589 --> 01:06:32,480

life again and get people thinking about

1786

01:06:35,990 --> 01:06:33,599

that

1787

01:06:37,670 --> 01:06:36,000

and and uh saying hey uh you know this

1788

01:06:39,190 --> 01:06:37,680

is another way to have some fun support

1789

01:06:40,710 --> 01:06:39,200

world disclosure day

1790

01:06:43,270 --> 01:06:40,720

so um

1791

01:06:45,670 --> 01:06:43,280

that's that's what's going on there uh

1792

01:06:47,910 --> 01:06:45,680

and i'll i think i'll i i put the clock

1793

01:06:50,710 --> 01:06:47,920

up many times as part of some posting

1794

01:06:53,029 --> 01:06:50,720

that i'm doing on social media yeah um

1795

01:06:55,430 --> 01:06:53,039

uh and and that's about

1796

01:06:58,069 --> 01:06:55,440

the race between disclosure and nuclear

1797

01:06:59,430 --> 01:06:58,079

war i i i condensed the whole damn thing

1798

01:07:02,630 --> 01:06:59,440

going on right now around the world to

1799

01:07:04,549 --> 01:07:02,640

this it's like you know my geo politics

1800

01:07:06,470 --> 01:07:04,559

is basically this you know whatever else

1801

01:07:07,910 --> 01:07:06,480

is going on it's it's secondary to the

1802

01:07:10,230 --> 01:07:07,920

fact that there's a race going on

1803

01:07:11,990 --> 01:07:10,240

between the the doomsday clock and the

1804

01:07:13,670 --> 01:07:12,000

paradigm clock yeah thursday clock

1805

01:07:15,190 --> 01:07:13,680

midnight that's nuclear war that's a bad

1806

01:07:16,630 --> 01:07:15,200

thing uh

1807

01:07:17,990 --> 01:07:16,640

uh

1808

01:07:20,470 --> 01:07:18,000

midnight on the paradigm clock is

1809

01:07:22,549 --> 01:07:20,480

disclosure that's a good thing all right

1810

01:07:24,630 --> 01:07:22,559

the parent that this the doomsday clock

1811

01:07:25,829 --> 01:07:24,640

is now the closest to midnight ever 100

1812

01:07:27,670 --> 01:07:25,839

seconds

1813

01:07:29,910 --> 01:07:27,680

and that's not a trivial thing this is

1814

01:07:31,349 --> 01:07:29,920

the bolton atomic scientist and they

1815

01:07:33,109 --> 01:07:31,359

posted it and you can find their

1816

01:07:35,029 --> 01:07:33,119

announcement about that it went down a

1817

01:07:37,910 --> 01:07:35,039

year ago and all the reasons why they

1818

01:07:39,990 --> 01:07:37,920

made it 100 seconds to midnight and let

1819

01:07:41,990 --> 01:07:40,000

me let me say this i think it should be

1820

01:07:44,230 --> 01:07:42,000

closer than that but 100 seconds is

1821

01:07:47,349 --> 01:07:44,240

close enough all right um

1822

01:07:49,589 --> 01:07:47,359

and we are we are we are we are dancing

1823

01:07:51,510 --> 01:07:49,599

on the edge of the volcano with respect

1824

01:07:53,190 --> 01:07:51,520

to nuclear war right now i've talked

1825

01:07:54,710 --> 01:07:53,200

about that a great deal most people are

1826

01:07:57,109 --> 01:07:54,720

tired of hearing about it i get it but

1827

01:07:59,349 --> 01:07:57,119

if the rockets fly forgive me for being

1828

01:08:01,589 --> 01:07:59,359

right now in terms of

1829

01:08:03,750 --> 01:08:01,599

the disclosure clock

1830

01:08:06,870 --> 01:08:03,760

uh again we're close on that

1831

01:08:09,349 --> 01:08:06,880

and and the and the equation the math

1832

01:08:11,349 --> 01:08:09,359

math here is very simple

1833

01:08:14,230 --> 01:08:11,359

it's not hard to figure out

1834

01:08:15,190 --> 01:08:14,240

if the doomsday clock hits midnight

1835

01:08:18,390 --> 01:08:15,200

first

1836

01:08:21,430 --> 01:08:18,400

the disclosure clock doesn't matter okay

1837

01:08:23,430 --> 01:08:21,440

it doesn't matter i you know maybe the

1838

01:08:25,189 --> 01:08:23,440

president will survive the nuclear war

1839

01:08:27,110 --> 01:08:25,199

and from a bunker somewhere under the

1840

01:08:28,470 --> 01:08:27,120

denver airport they'll put out an

1841

01:08:31,590 --> 01:08:28,480

announcement

1842

01:08:32,950 --> 01:08:31,600

uh so sorry what happened up there

1843

01:08:34,950 --> 01:08:32,960

you know i know it's kind of rough on

1844

01:08:37,430 --> 01:08:34,960

you people uh though the bunker down

1845

01:08:39,110 --> 01:08:37,440

here is rather quite nice uh but yeah

1846

01:08:41,669 --> 01:08:39,120

there is an extraterrestrial presence

1847

01:08:43,749 --> 01:08:41,679

i'm sorry we didn't tell you sooner okay

1848

01:08:45,349 --> 01:08:43,759

who gives a [h\_\_\h] and so consequently

1849

01:08:47,990 --> 01:08:45,359

that's okay but

1850

01:08:49,189 --> 01:08:48,000

if the disclosure clock hits midnight

1851

01:08:52,070 --> 01:08:49,199

first

1852

01:08:53,590 --> 01:08:52,080

i can make a realistic case it may be

1853

01:08:56,630 --> 01:08:53,600

the one thing

1854

01:09:00,229 --> 01:08:56,640

that makes it possible to prevent

1855

01:09:01,269 --> 01:09:00,239

the doomsday clock from ever striking

1856

01:09:03,590 --> 01:09:01,279

midnight

1857

01:09:05,749 --> 01:09:03,600

and that's the math and if anybody

1858

01:09:07,829 --> 01:09:05,759

doesn't get that math you know email me

1859

01:09:10,550 --> 01:09:07,839

and i'll explain it to you again

1860

01:09:12,149 --> 01:09:10,560

it's not complicated one of those clocks

1861

01:09:13,349 --> 01:09:12,159

is going to get to midnight first i

1862

01:09:15,990 --> 01:09:13,359

assure you

1863

01:09:18,630 --> 01:09:16,000

and it better be the disclosure clock

1864

01:09:20,789 --> 01:09:18,640

now if just because we get disclosure

1865

01:09:22,630 --> 01:09:20,799

and we have and we and and uh when we

1866

01:09:24,229 --> 01:09:22,640

get midnight on the the disclosure

1867

01:09:25,430 --> 01:09:24,239

paradigm clock rather forgive me

1868

01:09:27,110 --> 01:09:25,440

paranoid

1869

01:09:29,749 --> 01:09:27,120

doesn't mean we can't still have nuclear

1870

01:09:32,149 --> 01:09:29,759

war oh we can't yeah we could have it

1871

01:09:33,829 --> 01:09:32,159

i'm just saying that i think we have a

1872

01:09:35,669 --> 01:09:33,839

better chance of not having it and

1873

01:09:37,189 --> 01:09:35,679

anything that helps us not have it

1874

01:09:40,630 --> 01:09:37,199

that's a good thing

1875

01:09:42,229 --> 01:09:40,640

okay a very good thing and so you know

1876

01:09:43,189 --> 01:09:42,239

if i ever get on cnn that's the first

1877

01:09:44,550 --> 01:09:43,199

thing i'm going to say they're going to

1878

01:09:45,829 --> 01:09:44,560

say steve what's the weather out there

1879

01:09:47,269 --> 01:09:45,839

and i'm going to say look i'm going to

1880

01:09:48,950 --> 01:09:47,279

explain to you the difference between

1881

01:09:50,789 --> 01:09:48,960

the disclosure

1882

01:09:52,070 --> 01:09:50,799

and the tube state clock what clock

1883

01:09:53,590 --> 01:09:52,080

clock what are you talking about you

1884

01:09:56,310 --> 01:09:53,600

know and cut that camera get this guy

1885

01:10:00,390 --> 01:09:57,990

listen let's jump onto i've got a couple

1886

01:10:03,030 --> 01:10:00,400

more questions before we wrap it up so

1887

01:10:04,950 --> 01:10:03,040

strafe wilson says um he'd be interested

1888

01:10:07,270 --> 01:10:04,960

in knowing what you think now about dr

1889

01:10:08,870 --> 01:10:07,280

steven greer seeing as it seems that a

1890

01:10:12,149 --> 01:10:08,880

lot of the ufo community have turned

1891

01:10:15,669 --> 01:10:13,350

look

1892

01:10:17,750 --> 01:10:15,679

dr stephen greer

1893

01:10:20,390 --> 01:10:17,760

has made enormous contributions to this

1894

01:10:22,709 --> 01:10:20,400

field going all the way back to the 80s

1895

01:10:24,950 --> 01:10:22,719

uh he had a lot of resources to begin

1896

01:10:27,590 --> 01:10:24,960

with he's put ton of those into the

1897

01:10:28,550 --> 01:10:27,600

effort he's also raised a lot of money

1898

01:10:33,110 --> 01:10:28,560

uh

1899

01:10:36,070 --> 01:10:33,120

his work in relation to disclosure

1900

01:10:39,189 --> 01:10:36,080

is not is not going to be overlooked and

1901

01:10:39,990 --> 01:10:39,199

it's going to be historically important

1902

01:10:41,189 --> 01:10:40,000

uh

1903

01:10:42,870 --> 01:10:41,199

and so

1904

01:10:44,470 --> 01:10:42,880

and every one of us have tried to do

1905

01:10:46,950 --> 01:10:44,480

that what we can

1906

01:10:47,750 --> 01:10:46,960

uh and all of this uh

1907

01:10:49,910 --> 01:10:47,760

uh

1908

01:10:51,430 --> 01:10:49,920

our our track record and what we've done

1909

01:10:52,470 --> 01:10:51,440

we've got people that like it and don't

1910

01:10:53,270 --> 01:10:52,480

like it

1911

01:10:55,189 --> 01:10:53,280

right

1912

01:10:56,550 --> 01:10:55,199

of course i hope no one dislikes me i

1913

01:10:58,310 --> 01:10:56,560

hope it's me

1914

01:11:00,149 --> 01:10:58,320

i'm one of those personalities you hate

1915

01:11:01,590 --> 01:11:00,159

i hate it when somebody doesn't like me

1916

01:11:03,590 --> 01:11:01,600

and i want to call them up and say look

1917

01:11:05,110 --> 01:11:03,600

what can we talk about here let's fix it

1918

01:11:06,870 --> 01:11:05,120

uh and so

1919

01:11:08,550 --> 01:11:06,880

that's what's important

1920

01:11:10,229 --> 01:11:08,560

all right uh

1921

01:11:14,390 --> 01:11:10,239

so i'm more than comfortable in saying

1922

01:11:16,310 --> 01:11:14,400

that and and it's true uh and i i i'm

1923

01:11:18,709 --> 01:11:16,320

i i think i think it'll be a little

1924

01:11:20,550 --> 01:11:18,719

easier in the post-disclosure world

1925

01:11:22,550 --> 01:11:20,560

for everyone in this field to arrive at

1926

01:11:25,350 --> 01:11:22,560

a more proper appreciation for the

1927

01:11:28,550 --> 01:11:25,360

contributions of everyone

1928

01:11:31,030 --> 01:11:28,560

yeah look past their mistakes

1929

01:11:33,350 --> 01:11:31,040

uh and everyone's got them yeah and uh

1930

01:11:35,830 --> 01:11:33,360

we'll all move forward together uh in

1931

01:11:37,990 --> 01:11:35,840

what i hope will be a a new complete era

1932

01:11:39,270 --> 01:11:38,000

in human history absolutely yeah

1933

01:11:41,189 --> 01:11:39,280

couldn't agree more

1934

01:11:43,990 --> 01:11:41,199

the next question comes from john he he

1935

01:11:45,430 --> 01:11:44,000

asks which event in modern times do you

1936

01:11:47,830 --> 01:11:45,440

think is the most has the most

1937

01:11:50,709 --> 01:11:47,840

compelling evidence that ufos are

1938

01:11:51,990 --> 01:11:50,719

extraterrestrial

1939

01:11:53,350 --> 01:11:52,000

uh

1940

01:11:54,790 --> 01:11:53,360

okay

1941

01:11:56,950 --> 01:11:54,800

it's

1942

01:11:58,950 --> 01:11:56,960

this is purely an opinion

1943

01:12:00,390 --> 01:11:58,960

not a complicated question

1944

01:12:02,790 --> 01:12:00,400

but i like my answer and you're going to

1945

01:12:04,709 --> 01:12:02,800

be hearing me say this a lot

1946

01:12:08,470 --> 01:12:04,719

without question

1947

01:12:10,470 --> 01:12:08,480

the most important evidence

1948

01:12:12,790 --> 01:12:10,480

in terms of

1949

01:12:14,470 --> 01:12:12,800

its confirmation power

1950

01:12:15,430 --> 01:12:14,480

its timing

1951

01:12:17,430 --> 01:12:15,440

right

1952

01:12:18,709 --> 01:12:17,440

and its overall significance

1953

01:12:21,910 --> 01:12:18,719

to the issue and the move and the

1954

01:12:23,189 --> 01:12:21,920

disclosure process is roswell okay the

1955

01:12:25,030 --> 01:12:23,199

crash

1956

01:12:26,630 --> 01:12:25,040

of a non-human

1957

01:12:27,830 --> 01:12:26,640

built

1958

01:12:30,229 --> 01:12:27,840

vehicle

1959

01:12:33,430 --> 01:12:30,239

piloted by non-humans who who were not

1960

01:12:38,229 --> 01:12:33,440

from portugal or minsk or

1961

01:12:39,669 --> 01:12:38,239

anywhere on this planet frankly um

1962

01:12:41,430 --> 01:12:39,679

well maybe they were born here one of

1963

01:12:43,030 --> 01:12:41,440

their bases but it's not like their

1964

01:12:45,110 --> 01:12:43,040

their ancestors were here you know

1965

01:12:46,709 --> 01:12:45,120

they're from outside our solar system

1966

01:12:49,669 --> 01:12:46,719

uh it's been proven beyond a reasonable

1967

01:12:50,870 --> 01:12:49,679

doubt it was proven by a huge amount of

1968

01:12:54,070 --> 01:12:50,880

research

1969

01:12:55,910 --> 01:12:54,080

than this

1970

01:12:58,149 --> 01:12:55,920

and the the the

1971

01:12:59,830 --> 01:12:58,159

two researchers that particularly stand

1972

01:13:00,630 --> 01:12:59,840

out and i'm not diminishing any of the

1973

01:13:02,470 --> 01:13:00,640

others

1974

01:13:04,550 --> 01:13:02,480

is that donald schmidt and thomas carey

1975

01:13:06,070 --> 01:13:04,560

they wrote several books on roswell

1976

01:13:09,270 --> 01:13:06,080

including the witness to roswell which

1977

01:13:13,189 --> 01:13:09,280

is the summon bonum of their work

1978

01:13:15,350 --> 01:13:13,199

they interviewed hundreds of witnesses

1979

01:13:17,350 --> 01:13:15,360

many of who are now dead

1980

01:13:18,630 --> 01:13:17,360

they got forgive me they got bed

1981

01:13:19,990 --> 01:13:18,640

confessions

1982

01:13:21,910 --> 01:13:20,000

and if the person was dead they

1983

01:13:23,669 --> 01:13:21,920

interviewed their kids

1984

01:13:25,110 --> 01:13:23,679

yeah yeah

1985

01:13:26,390 --> 01:13:25,120

and

1986

01:13:28,870 --> 01:13:26,400

forgive me

1987

01:13:30,950 --> 01:13:28,880

and so all i can say is if you read

1988

01:13:33,110 --> 01:13:30,960

witness to roswell

1989

01:13:34,550 --> 01:13:33,120  
and maybe a couple of others just

1990

01:13:36,149 --> 01:13:34,560  
as the main course and a couple of other

1991

01:13:38,070 --> 01:13:36,159  
side dishes

1992

01:13:40,709 --> 01:13:38,080  
if you are a reasonable person you will

1993

01:13:41,990 --> 01:13:40,719  
get the fact that roswell absolutely

1994

01:13:44,470 --> 01:13:42,000  
happened

1995

01:13:46,630 --> 01:13:44,480  
and that's that's it

1996

01:13:47,750 --> 01:13:46,640  
once you get there that's that's it case

1997

01:13:50,149 --> 01:13:47,760  
closed

1998

01:13:51,750 --> 01:13:50,159  
and but the most important thing that i

1999

01:13:53,430 --> 01:13:51,760  
add to that and why this particular

2000

01:13:55,669 --> 01:13:53,440  
event is so critical

2001

01:13:58,310 --> 01:13:55,679

is that guess what

2002

01:14:01,110 --> 01:13:58,320

the government knows all about roswell

2003

01:14:03,590 --> 01:14:01,120

right the soviets knew about roswell the

2004

01:14:05,750 --> 01:14:03,600

uk knew about roswell right they all

2005

01:14:07,910 --> 01:14:05,760

knew about roswell maybe china came late

2006

01:14:09,590 --> 01:14:07,920

to the to the game because china was

2007

01:14:13,110 --> 01:14:09,600

going through a you know much more

2008

01:14:16,630 --> 01:14:13,120

complex situation there uh involving uh

2009

01:14:17,830 --> 01:14:16,640

uh korea and and and the

2010

01:14:29,750 --> 01:14:17,840

the

2011

01:14:31,590 --> 01:14:29,760

how bizarre this is and so yeah roswell

2012

01:14:33,189 --> 01:14:31,600

and i and i can't say it enough there

2013

01:14:35,030 --> 01:14:33,199

are plenty of books out in there roswell

2014

01:14:36,070 --> 01:14:35,040

read them all a lot of them are

2015

01:14:38,390 --> 01:14:36,080

you can read them for practically

2016

01:14:39,270 --> 01:14:38,400

nothing but if you're going to read one

2017

01:14:41,430 --> 01:14:39,280

book

2018

01:14:43,030 --> 01:14:41,440

on this subject you just got to this

2019

01:14:44,709 --> 01:14:43,040

subject because you you opened up the

2020

01:14:47,110 --> 01:14:44,719

paper and you saw that they're having a

2021

01:14:49,350 --> 01:14:47,120

uap hearing what the hell is that

2022

01:14:50,950 --> 01:14:49,360

and you watch it go what is going on

2023

01:14:53,430 --> 01:14:50,960

here i got to get into this

2024

01:14:56,149 --> 01:14:53,440

aside from the 80 billion things on

2025

01:14:56,830 --> 01:14:56,159

internet that you could go check out go

2026

01:15:02,550 --> 01:14:56,840

to

2027

01:15:04,310 --> 01:15:02,560

and kindle and read that one book

2028

01:15:05,750 --> 01:15:04,320

and keep an open mind

2029

01:15:07,590 --> 01:15:05,760

and by the time you're finished that

2030

01:15:08,870 --> 01:15:07,600

book you're going to be going holy

2031

01:15:11,189 --> 01:15:08,880

mackerel

2032

01:15:12,390 --> 01:15:11,199

some et's crashed in 1947 and roswell

2033

01:15:15,110 --> 01:15:12,400

and the government's known about it ever

2034

01:15:16,149 --> 01:15:15,120

since okay now i'm paying attention

2035

01:15:17,910 --> 01:15:16,159

right

2036

01:15:18,870 --> 01:15:17,920

give me give me you know give me more

2037

01:15:20,470 --> 01:15:18,880

okay

2038

01:15:22,149 --> 01:15:20,480

that's the best answer i got to that

2039

01:15:23,590 --> 01:15:22,159

question and all the other stuff that's

2040

01:15:25,669 --> 01:15:23,600

happened and all the other research i

2041

01:15:27,030 --> 01:15:25,679

love you all right but yeah i was asked

2042

01:15:29,110 --> 01:15:27,040

that question i had to answer it that

2043

01:15:31,030 --> 01:15:29,120

way that's great that's fair enough as

2044

01:15:33,430 --> 01:15:31,040

well listen steve uh you've been

2045

01:15:34,310 --> 01:15:33,440

fantastic as always one thing i will say

2046

01:15:36,870 --> 01:15:34,320

is that

2047

01:15:39,270 --> 01:15:36,880

when these next hearings happen i have

2048

01:15:41,430 --> 01:15:39,280

to have you back on almost immediately

2049

01:15:42,470 --> 01:15:41,440

so you look out for that email because

2050

01:15:43,830 --> 01:15:42,480

it's coming

2051  
01:15:46,149 --> 01:15:43,840  
look yeah actually you're going to have

2052  
01:15:48,550 --> 01:15:46,159  
me on sooner than that yeah because i

2053  
01:15:51,189 --> 01:15:48,560  
have a kind of a big thing i'm about to

2054  
01:15:52,470 --> 01:15:51,199  
announce okay very big thing yeah so i'm

2055  
01:15:54,550 --> 01:15:52,480  
going to want to count on your show

2056  
01:15:58,229 --> 01:15:54,560  
right away absolutely tell everybody

2057  
01:16:01,110 --> 01:15:58,239  
about it okay yeah so uh just keep keep

2058  
01:16:04,229 --> 01:16:01,120  
a slot open for uh let me see

2059  
01:16:05,990 --> 01:16:04,239

2060  
01:16:07,910 --> 01:16:06,000  
all right well listen thank you so much

2061  
01:16:09,430 --> 01:16:07,920  
uh if you just hang around we'll we'll

2062  
01:16:11,270 --> 01:16:09,440  
say goodbye to everyone in the audience

2063  
01:16:12,870 --> 01:16:11,280

thank you so much for being here all

2064

01:16:14,950 --> 01:16:12,880

2065

01:16:16,950 --> 01:16:14,960
