1
00:00:11,669 --> 00:00:08,150
[Music]

2
00:00:11,679 --> 00:00:16,190
oh

3
00:00:38,790 --> 00:00:23,210
[Music]

4
00:00:43,590 --> 00:00:40,790
we made it guys thank you so much for

5
00:00:47,270 --> 00:00:43,600
being patient sometimes these technical

6
00:00:49,430 --> 00:00:47,280
issues arise but we got there um so yeah

7
00:00:52,069 --> 00:00:49,440
thank you guys so much it's good to be

8
00:00:54,549 --> 00:00:52,079
back i'm your host vinnie adams

9
00:00:56,549 --> 00:00:54,559
and let's let's get straight to it um i

10
00:00:57,990 --> 00:00:56,559
really want to enjoy this conversation i

11
00:01:00,630 --> 00:00:58,000
know we're going to it's going to be

12
00:01:02,790 --> 00:01:00,640
fascinating so let's jump straight in

13
00:01:05,750 --> 00:01:02,800

and please welcome my guest mr ronnie

14

00:01:07,590 --> 00:01:05,760

vernette ronnie how are you

15

00:01:09,350 --> 00:01:07,600

hello uh

16

00:01:11,750 --> 00:01:09,360

thank you for inviting me

17

00:01:13,109 --> 00:01:11,760

we have had some technical issues

18

00:01:15,190 --> 00:01:13,119

but i think when it's live it's

19

00:01:17,510 --> 00:01:15,200

something you have to

20

00:01:20,550 --> 00:01:17,520

happen it happens occasionally so i'm

21

00:01:22,630 --> 00:01:20,560

sorry but we are i'm here i'm able to to

22

00:01:23,749 --> 00:01:22,640

answer all your questions

23

00:01:25,990 --> 00:01:23,759

and let's go

24

00:01:28,070 --> 00:01:26,000

thank you so much it would be great if

25

00:01:29,670 --> 00:01:28,080

before we get into sort of talking about

26

00:01:32,469 --> 00:01:29,680

the hearings if i could just learn a

27

00:01:34,149 --> 00:01:32,479

little bit about you as a person um your

28

00:01:37,510 --> 00:01:34,159

background and when you first got

29

00:01:41,830 --> 00:01:37,520

interested in the ufo subject

30

00:01:43,270 --> 00:01:41,840

yes i'm not a ufo guy i'm just i'm an

31

00:01:46,310 --> 00:01:43,280

electronic engineer electronic and

32

00:01:50,310 --> 00:01:48,789

i i entered in this in this subject i

33

00:01:53,030 --> 00:01:50,320

entered this stuff

34

00:01:56,069 --> 00:01:53,040

because reasons that i even cannot

35

00:01:58,069 --> 00:01:56,079

explain how the the the synchronicity

36

00:01:59,830 --> 00:01:58,079

of things that happened

37

00:02:03,429 --> 00:01:59,840

and uh

38

00:02:05,429 --> 00:02:03,439

i i was interested in this topic but not

39

00:02:10,469 --> 00:02:05,439

do my own research

40

00:02:12,309 --> 00:02:10,479

not not to to do an activity stuff so

41

00:02:13,190 --> 00:02:12,319

two years ago

42

00:02:16,470 --> 00:02:13,200

uh

43

00:02:19,430 --> 00:02:16,480

for some reasons i work i work as a

44

00:02:21,830 --> 00:02:19,440

brazilian government employee

45

00:02:23,270 --> 00:02:21,840

i work in a brazilian state oil and gas

46

00:02:25,430 --> 00:02:23,280

company

47

00:02:27,830 --> 00:02:25,440

and for some reasons i get in contact

48

00:02:29,830 --> 00:02:27,840

with some guys from from the national

49

00:02:30,869 --> 00:02:29,840

indigenous foundation because of my job

50

00:02:33,350 --> 00:02:30,879

my work

51
00:02:35,270 --> 00:02:33,360
and and i had contact with them and and

52
00:02:36,949 --> 00:02:35,280
some people from there from there from

53
00:02:38,550 --> 00:02:36,959
the national indigenous foundation said

54
00:02:41,830 --> 00:02:38,560
to me oh

55
00:02:43,830 --> 00:02:41,840
we had some cases in amazon between

56
00:02:45,589 --> 00:02:43,840
where some indigenous people are being

57
00:02:49,110 --> 00:02:45,599
affected by some

58
00:02:51,350 --> 00:02:49,120
strange phenomena this phenomena enter

59
00:02:54,070 --> 00:02:51,360
and and goes out of out of the water

60
00:02:56,070 --> 00:02:54,080
some cylindrical cylindric objects

61
00:02:58,550 --> 00:02:56,080
this electric objects illuminated

62
00:02:59,750 --> 00:02:58,560
cylinder objects

63
00:03:01,990 --> 00:02:59,760

shot some

64

00:03:04,630 --> 00:03:02,000

ray being some light beams in indigenous

65

00:03:05,750 --> 00:03:04,640

people it's something the federal police

66

00:03:07,190 --> 00:03:05,760

and the oh

67

00:03:09,910 --> 00:03:07,200

and we from national indigenous

68

00:03:12,869 --> 00:03:09,920

foundations are investigating

69

00:03:15,030 --> 00:03:12,879

uh maybe you're interested and so i i

70

00:03:16,390 --> 00:03:15,040

started to to get deep deeper and deeper

71

00:03:19,110 --> 00:03:16,400

in the subject

72

00:03:21,110 --> 00:03:19,120

and and get some documents and i became

73

00:03:23,270 --> 00:03:21,120

involved in all this

74

00:03:25,990 --> 00:03:23,280

and and i started to know some apologies

75

00:03:28,789 --> 00:03:26,000

in brazil to discuss these cases and

76

00:03:29,750 --> 00:03:28,799

everything get started to happen and to

77

00:03:36,390 --> 00:03:29,760

to

78

00:03:38,789 --> 00:03:36,400

me inside this subject so a lot of

79

00:03:40,470 --> 00:03:38,799

coincidence a lot of things started and

80

00:03:41,830 --> 00:03:40,480

now i'm here

81

00:03:44,149 --> 00:03:41,840

to talk with you

82

00:03:46,710 --> 00:03:44,159

excellent thank you now

83

00:03:48,550 --> 00:03:46,720

obviously the the main focus seems to be

84

00:03:49,830 --> 00:03:48,560

in the united states when it comes to

85

00:03:51,830 --> 00:03:49,840

ufos

86

00:03:53,830 --> 00:03:51,840

but you know from my own experience in

87

00:03:54,869 --> 00:03:53,840

south america it seems that the the

88

00:03:57,910 --> 00:03:54,879

culture

89

00:04:01,750 --> 00:03:57,920

is way more acceptable of ufos is that

90

00:04:04,470 --> 00:04:01,760

something that you see in brazil as well

91

00:04:07,030 --> 00:04:04,480

yes uh i think brazilian government is

92

00:04:10,869 --> 00:04:07,040

very very open to the subject

93

00:04:12,470 --> 00:04:10,879

uh we had the we had the event in 1986

94

00:04:15,190 --> 00:04:12,480

the brazilian were officially four

95

00:04:17,430 --> 00:04:15,200

nights where you have the the commander

96

00:04:21,030 --> 00:04:17,440

of the brazilian air force go to tv and

97

00:04:23,430 --> 00:04:21,040

say oh did our our fighters purchase

98

00:04:26,230 --> 00:04:23,440

some objects and no objects this

99

00:04:29,670 --> 00:04:26,240

happening so this is a demonstration of

100

00:04:33,430 --> 00:04:29,680

how open it we are to this subject uh

101
00:04:34,390 --> 00:04:33,440
our own air force many years ago had uh

102
00:04:36,070 --> 00:04:34,400
uh

103
00:04:38,070 --> 00:04:36,080
had had

104
00:04:40,790 --> 00:04:38,080
give the documents to the our national

105
00:04:42,550 --> 00:04:40,800
archives to people access it

106
00:04:44,629 --> 00:04:42,560
tons of documents

107
00:04:48,070 --> 00:04:44,639
so i think we are we are very open to

108
00:04:48,870 --> 00:04:48,080
this issue however we know have some

109
00:04:52,390 --> 00:04:48,880
more

110
00:04:54,710 --> 00:04:52,400
secrets the high resolution videos the

111
00:04:57,909 --> 00:04:54,720
the better photos for operation software

112
00:05:00,870 --> 00:04:57,919
for example and the the the big stuff is

113
00:05:03,510 --> 00:05:00,880

hidden we know that but we have some

114

00:05:06,950 --> 00:05:03,520

transparency we have some some openness

115

00:05:11,430 --> 00:05:08,950

and does the government in brazil do

116

00:05:14,070 --> 00:05:11,440

they currently have a ufo program that

117

00:05:17,510 --> 00:05:14,080

is publicly known about

118

00:05:18,550 --> 00:05:17,520

we had some ufo pro programs in the past

119

00:05:20,950 --> 00:05:18,560

we have

120

00:05:23,590 --> 00:05:20,960

in the 60s the ceo honey

121

00:05:26,070 --> 00:05:23,600

uh it was a branch of air force to

122

00:05:28,629 --> 00:05:26,080

investigate this case

123

00:05:30,710 --> 00:05:28,639

we had the operation saucer in amazon to

124

00:05:32,950 --> 00:05:30,720

investigate some cases that was

125

00:05:35,189 --> 00:05:32,960

affecting a lot of cities in states of

126
00:05:38,310 --> 00:05:35,199
maryam and para

127
00:05:40,790 --> 00:05:38,320
two big states of amazon uh but we don't

128
00:05:43,430 --> 00:05:40,800
have we do have some some further

129
00:05:45,990 --> 00:05:43,440
investigations other investigations but

130
00:05:48,870 --> 00:05:46,000
some isolated ones not uh not a

131
00:05:51,430 --> 00:05:48,880
permanent body to start the subject and

132
00:05:53,749 --> 00:05:51,440
i and and i discussed it in senate last

133
00:05:55,990 --> 00:05:53,759
last weekend that this that this is the

134
00:05:57,590 --> 00:05:56,000
one of the the biggest problems we have

135
00:05:59,270 --> 00:05:57,600
we don't have the the

136
00:06:01,110 --> 00:05:59,280
uh uh

137
00:06:03,670 --> 00:06:01,120
an opportunity to centralize to

138
00:06:05,510 --> 00:06:03,680

coordinate everything we have for

139

00:06:08,070 --> 00:06:05,520

example national indigenous foundation

140

00:06:10,150 --> 00:06:08,080

have federal police have air force doing

141

00:06:13,110 --> 00:06:10,160

some real investigations but they don't

142

00:06:15,830 --> 00:06:13,120

don't talk with each other and

143

00:06:17,350 --> 00:06:15,840

and at the end of the day just uh put

144

00:06:19,029 --> 00:06:17,360

all the information

145

00:06:20,390 --> 00:06:19,039

hidden and that's what's happened in

146

00:06:21,990 --> 00:06:20,400

brazil

147

00:06:24,309 --> 00:06:22,000

and how is the subject seen in the

148

00:06:27,510 --> 00:06:24,319

mainstream media uh because here in the

149

00:06:29,990 --> 00:06:27,520

uk and a bit in america as well we see

150

00:06:31,670 --> 00:06:30,000

it kind of a bit of the stigma is still

151
00:06:33,670 --> 00:06:31,680
attached to the subject what's it like

152
00:06:36,150 --> 00:06:33,680
in brazil

153
00:06:37,510 --> 00:06:36,160
i think we are more open than many of

154
00:06:40,629 --> 00:06:37,520
countries

155
00:06:41,749 --> 00:06:40,639
uh but we had we have also a lot of

156
00:06:44,950 --> 00:06:41,759
stigma

157
00:06:48,390 --> 00:06:44,960
uh we have a lot of skeptics that that

158
00:06:49,189 --> 00:06:48,400
do a joke about people that saw ufos

159
00:06:54,710 --> 00:06:49,199
uh

160
00:06:56,950 --> 00:06:54,720
see that the clear stigma our pilots our

161
00:07:00,230 --> 00:06:56,960
military don't don't want to talk about

162
00:07:02,629 --> 00:07:00,240
it i think today in u.s you have uh more

163
00:07:04,790 --> 00:07:02,639

and more openness to this topic with the

164

00:07:07,270 --> 00:07:04,800

military because of the the navy people

165

00:07:08,870 --> 00:07:07,280

because of ryan graves alex dietrich and

166

00:07:11,589 --> 00:07:08,880

and many others

167

00:07:13,749 --> 00:07:11,599

that came forward to to discuss the

168

00:07:16,230 --> 00:07:13,759

subject i think this is something

169

00:07:19,029 --> 00:07:16,240

is starting to happen in brazil we had

170

00:07:21,670 --> 00:07:19,039

some some months ago um

171

00:07:24,390 --> 00:07:21,680

air traffic controller uh

172

00:07:26,070 --> 00:07:24,400

talking things about the virginia case

173

00:07:29,670 --> 00:07:26,080

that uh

174

00:07:31,830 --> 00:07:29,680

james fox will show in his uh next the

175

00:07:35,110 --> 00:07:31,840

commentary moment of contact

176

00:07:36,550 --> 00:07:35,120

uh we had we had some weeks ago a

177

00:07:38,790 --> 00:07:36,560

fighter pilot

178

00:07:40,710 --> 00:07:38,800

describing encounter a close encounter

179

00:07:43,830 --> 00:07:40,720

that he had

180

00:07:46,550 --> 00:07:43,840

and and i think that that things are are

181

00:07:48,629 --> 00:07:46,560

slowly but starting to change in brazil

182

00:07:50,869 --> 00:07:48,639

we have more military and traffic

183

00:07:53,110 --> 00:07:50,879

controllers that will come forward to

184

00:07:56,869 --> 00:07:53,120

talk about their experiences but i think

185

00:07:59,029 --> 00:07:56,879

that is a very very slow process

186

00:08:01,350 --> 00:07:59,039

yeah yeah i agree i mean we find that in

187

00:08:03,270 --> 00:08:01,360

most countries that it's a a slower

188

00:08:05,830 --> 00:08:03,280

process now let's talk about the

189

00:08:07,270 --> 00:08:05,840

hearings when did they first

190

00:08:10,070 --> 00:08:07,280

you know when did we first hear about

191

00:08:14,309 --> 00:08:10,080

them and and why now

192

00:08:17,189 --> 00:08:14,319

yeah um many months ago i talked with aj

193

00:08:20,390 --> 00:08:17,199

javier with which one which which is who

194

00:08:22,629 --> 00:08:20,400

is one of the the the most know of

195

00:08:24,830 --> 00:08:22,639

ufologists in brazil i have a good

196

00:08:28,469 --> 00:08:24,840

contact with him

197

00:08:30,550 --> 00:08:28,479

uh i i knew him about because of the the

198

00:08:31,830 --> 00:08:30,560

case in amazon yeah

199

00:08:34,709 --> 00:08:31,840

so

200

00:08:38,949 --> 00:08:34,719

i approached java i said java i need i

201
00:08:42,070 --> 00:08:38,959
uh we have to we have to do something uh

202
00:08:44,230 --> 00:08:42,080
in the model of us to to

203
00:08:45,910 --> 00:08:44,240
to get deeper in this subject we we need

204
00:08:48,310 --> 00:08:45,920
to to do some

205
00:08:50,910 --> 00:08:48,320
legislations we need to approach some

206
00:08:54,310 --> 00:08:50,920
politics some senators some some

207
00:08:57,670 --> 00:08:54,320
representatives to talk with dan and and

208
00:08:59,990 --> 00:08:57,680
and and and they start to to to work her

209
00:09:01,829 --> 00:09:00,000
job to do some love some legislation

210
00:09:03,990 --> 00:09:01,839
about this topic and jeff i said oh

211
00:09:06,070 --> 00:09:04,000
ronnie i had a head i also call i had

212
00:09:09,110 --> 00:09:06,080
the contact i have a contact right now

213
00:09:11,110 --> 00:09:09,120

with senate senator edward jerome

214

00:09:13,030 --> 00:09:11,120

which is who is a senator

215

00:09:14,150 --> 00:09:13,040

that's very very interested in this

216

00:09:17,509 --> 00:09:14,160

topic

217

00:09:20,389 --> 00:09:17,519

and we he wants to do uh open hearing

218

00:09:23,269 --> 00:09:20,399

about this to start the conversations uh

219

00:09:27,030 --> 00:09:23,279

and this was and and general and and

220

00:09:28,389 --> 00:09:27,040

jeff yeah uh was was talking even before

221

00:09:30,550 --> 00:09:28,399

the the

222

00:09:33,590 --> 00:09:30,560

the kovid pandemic

223

00:09:36,949 --> 00:09:33,600

so but the kobe pandemic comes they had

224

00:09:40,870 --> 00:09:36,959

to post upon the plans uh

225

00:09:43,110 --> 00:09:40,880

the u.s the subject in u.s uh uh evolved

226

00:09:46,310 --> 00:09:43,120

very fast we had the open hearing we

227

00:09:48,630 --> 00:09:46,320

have the gibran gallego

228

00:09:51,509 --> 00:09:48,640

amendment we have the uap test first

229

00:09:55,670 --> 00:09:51,519

report and we had a lot of love of

230

00:09:58,870 --> 00:09:55,680

things that in fact helped us to to to

231

00:10:01,430 --> 00:09:58,880

justify to have this this presentation

232

00:10:04,630 --> 00:10:01,440

is open here in in brazil and this is

233

00:10:07,590 --> 00:10:04,640

the background it was a plan that was

234

00:10:09,590 --> 00:10:07,600

already started but because of the the

235

00:10:12,949 --> 00:10:09,600

environment the happenings in brazil and

236

00:10:15,670 --> 00:10:12,959

the world we we just did it uh in the

237

00:10:17,910 --> 00:10:15,680

last june 24 which was the a good day

238

00:10:21,269 --> 00:10:17,920

because it was the the day of sight of

239

00:10:23,910 --> 00:10:21,279

kenneth arnold uh the the ufo day so it

240

00:10:26,790 --> 00:10:23,920

was very symbolic for us

241

00:10:28,230 --> 00:10:26,800

yeah and uh are these the first ufo

242

00:10:30,310 --> 00:10:28,240

hearings that have ever happened in

243

00:10:33,110 --> 00:10:30,320

brazil

244

00:10:35,430 --> 00:10:33,120

yes the first ufo here is that ever

245

00:10:36,550 --> 00:10:35,440

happened in brazil and i i think in a

246

00:10:39,269 --> 00:10:36,560

senate

247

00:10:42,389 --> 00:10:39,279

uh is the first one in the world i think

248

00:10:45,030 --> 00:10:42,399

i think in the u.s you had uh decades

249

00:10:48,230 --> 00:10:45,040

ago because of blue book and so on some

250

00:10:50,949 --> 00:10:48,240

here in the house of representatives but

251
00:10:53,750 --> 00:10:50,959
i think in a senate which is a is a more

252
00:10:58,829 --> 00:10:53,760
prominent house uh i think that the

253
00:11:06,069 --> 00:11:01,190
was oh

254
00:11:10,870 --> 00:11:08,310
very very huge because i think that the

255
00:11:12,630 --> 00:11:10,880
senators have the power to to move this

256
00:11:14,870 --> 00:11:12,640
object forward

257
00:11:18,710 --> 00:11:14,880
and that and i think we'll discuss it

258
00:11:21,829 --> 00:11:19,990
yeah and i'm hoping you know we're

259
00:11:24,150 --> 00:11:21,839
hearing a lot of rumors about the us

260
00:11:25,750 --> 00:11:24,160
holding more hearings as well and i

261
00:11:28,550 --> 00:11:25,760
really hope that we get

262
00:11:29,990 --> 00:11:28,560
the senate side of things next um

263
00:11:32,550 --> 00:11:30,000

but listen you obviously gave a

264

00:11:34,470 --> 00:11:32,560

presentation at these hearings um for

265

00:11:36,790 --> 00:11:34,480

anybody that hasn't seen the hearings

266

00:11:38,710 --> 00:11:36,800

are you able to give us a breakdown of

267

00:11:41,190 --> 00:11:38,720

what your presentation

268

00:11:47,190 --> 00:11:41,200

was about

269

00:11:49,190 --> 00:11:47,200

in in the amazon forest

270

00:11:50,949 --> 00:11:49,200

cases uh

271

00:11:52,790 --> 00:11:50,959

without the investigation all my all my

272

00:11:53,990 --> 00:11:52,800

presentation was based in official

273

00:11:58,150 --> 00:11:54,000

documents

274

00:12:03,509 --> 00:11:58,160

uh so we start i started my my my speech

275

00:12:05,590 --> 00:12:03,519

in 70s where they had in 77 78 in brazil

276

00:12:07,590 --> 00:12:05,600

the operation saucer

277

00:12:10,310 --> 00:12:07,600

it's it's it's something we know about

278

00:12:13,670 --> 00:12:10,320

colors because uh is where the the

279

00:12:16,550 --> 00:12:13,680

things started to overrun

280

00:12:18,790 --> 00:12:16,560

in a in a serious serious way a lot of

281

00:12:21,990 --> 00:12:18,800

in effect a lot of people but we we have

282

00:12:24,629 --> 00:12:22,000

cases in two big states in many cities

283

00:12:27,190 --> 00:12:24,639

uh almost in all the cities that's

284

00:12:30,470 --> 00:12:27,200

located near of the the shore near the

285

00:12:33,269 --> 00:12:30,480

ocean we had all the the cities affected

286

00:12:35,430 --> 00:12:33,279

in status of maryam first and after the

287

00:12:36,310 --> 00:12:35,440

state of para so

288

00:12:41,509 --> 00:12:36,320

my

289

00:12:44,629 --> 00:12:41,519

cases about the what the evidence the

290

00:12:48,150 --> 00:12:44,639

operations officer encountered uh at the

291

00:12:50,710 --> 00:12:48,160

i find of the first part i talked

292

00:12:52,069 --> 00:12:50,720

with the the direct to the air force

293

00:12:54,870 --> 00:12:52,079

please therefore

294

00:12:57,430 --> 00:12:54,880

uh publish all the documents that you're

295

00:13:00,230 --> 00:12:57,440

hiding that you're not published yet you

296

00:13:02,550 --> 00:13:00,240

know i know you have a lot of photos i

297

00:13:06,790 --> 00:13:02,560

know a lot a lot of videos we have

298

00:13:09,910 --> 00:13:06,800

almost 60 hours of videos wow formats

299

00:13:12,790 --> 00:13:09,920

shopper age and supper 16 uh that was

300

00:13:14,870 --> 00:13:12,800

made by the the the crew the military

301

00:13:16,389 --> 00:13:14,880

crew of eureka orlando who was the

302

00:13:20,150 --> 00:13:16,399

commander

303

00:13:22,870 --> 00:13:20,160

and i i i urged their first to to to be

304

00:13:25,030 --> 00:13:22,880

open and and publish these documents

305

00:13:27,910 --> 00:13:25,040

also you respect queer and yolanda which

306

00:13:31,030 --> 00:13:27,920

was who was a a very very very good

307

00:13:34,069 --> 00:13:31,040

military he was so good that he had he

308

00:13:36,069 --> 00:13:34,079

had uh some videos that was from his

309

00:13:37,829 --> 00:13:36,079

particular inventory

310

00:13:39,750 --> 00:13:37,839

the video part of the videos was not

311

00:13:41,670 --> 00:13:39,760

from the air force part of the videos

312

00:13:43,030 --> 00:13:41,680

was from european london eventually

313

00:13:45,670 --> 00:13:43,040

london was a

314

00:13:48,230 --> 00:13:45,680

so good military that he gave everything

315

00:13:51,350 --> 00:13:48,240

to the air force and and he never saw

316

00:13:53,670 --> 00:13:51,360

his own videos and when and i think when

317

00:13:56,230 --> 00:13:53,680

he when he he died when he committed

318

00:13:59,590 --> 00:13:56,240

suicide i think one of the most the on

319

00:14:02,629 --> 00:13:59,600

the things that he he was so sad

320

00:14:05,829 --> 00:14:02,639

it was about the that videos that their

321

00:14:09,110 --> 00:14:05,839

first stolen never and he could never uh

322

00:14:11,750 --> 00:14:09,120

see the the the light

323

00:14:12,790 --> 00:14:11,760

so the first first part of my speech was

324

00:14:14,870 --> 00:14:12,800

about it

325

00:14:17,509 --> 00:14:14,880

is embarrassing because

326

00:14:19,910 --> 00:14:17,519

out the other commanders of navy army

327

00:14:23,750 --> 00:14:19,920

and and air force were invited by the

328

00:14:24,949 --> 00:14:23,760

senators but no one accepted the to to

329

00:14:27,990 --> 00:14:24,959

be present

330

00:14:30,470 --> 00:14:28,000

and but embarrassing is that air force

331

00:14:33,509 --> 00:14:30,480

sent to uh

332

00:14:34,870 --> 00:14:33,519

superior officials officials to the to

333

00:14:37,670 --> 00:14:34,880

the event

334

00:14:39,430 --> 00:14:37,680

to colonels that there was two colonies

335

00:14:41,110 --> 00:14:39,440

of air force there

336

00:14:43,590 --> 00:14:41,120

uh when i was

337

00:14:45,670 --> 00:14:43,600

talking they they were taking notes

338

00:14:47,509 --> 00:14:45,680

every time what was saying they could i

339

00:14:50,389 --> 00:14:47,519

could see it in front of me

340

00:14:52,710 --> 00:14:50,399

and i think they will they will uh

341

00:14:56,069 --> 00:14:52,720

talk with the commanders about

342

00:14:57,910 --> 00:14:56,079

what what they they saw what they they

343

00:15:00,150 --> 00:14:57,920

they think it's important and i think

344

00:15:03,030 --> 00:15:00,160

this discussion will be will be moving

345

00:15:04,870 --> 00:15:03,040

further the second part of my of my just

346

00:15:08,790 --> 00:15:04,880

my my speech

347

00:15:10,150 --> 00:15:08,800

was about the cases uh in in amazon

348

00:15:12,829 --> 00:15:10,160

forest

349

00:15:16,150 --> 00:15:12,839

but nowadays cases between

350

00:15:17,750 --> 00:15:16,160

2013 and 2016

351

00:15:21,189 --> 00:15:17,760

in another state

352

00:15:24,069 --> 00:15:21,199

in the in the west of brazil near the

353

00:15:26,550 --> 00:15:24,079

border with the country peru

354

00:15:29,189 --> 00:15:26,560

uh between indigenous people

355

00:15:31,430 --> 00:15:29,199

uh all the cases in seventies you know

356

00:15:35,670 --> 00:15:31,440

that operation of software investigated

357

00:15:37,509 --> 00:15:35,680

was uh between on that phenomenal and uh

358

00:15:40,949 --> 00:15:37,519

fisherman village

359

00:15:42,870 --> 00:15:40,959

uh and these cases in amazon were more

360

00:15:46,069 --> 00:15:42,880

interesting because was interactions

361

00:15:48,710 --> 00:15:46,079

with our isolated indigenous people

362

00:15:51,110 --> 00:15:48,720

and these these people were affected

363

00:15:53,670 --> 00:15:51,120

with life beings and so on

364

00:15:56,230 --> 00:15:53,680

so this started a very very huge

365

00:15:57,590 --> 00:15:56,240

investigation between national regional

366

00:15:59,430 --> 00:15:57,600

foundation

367

00:16:01,430 --> 00:15:59,440

brazilian army getting tested the

368

00:16:04,470 --> 00:16:01,440

intelligence community of brazil got

369

00:16:07,910 --> 00:16:04,480

interested we have a big investigation

370

00:16:09,269 --> 00:16:07,920

of federal police the prosecutors a lot

371

00:16:11,829 --> 00:16:09,279

of a lot of

372

00:16:14,069 --> 00:16:11,839

officers in brazil governmental options

373

00:16:15,990 --> 00:16:14,079

what it does in this case

374

00:16:18,389 --> 00:16:16,000

and some information

375

00:16:21,189 --> 00:16:18,399

never saw the light of the day

376

00:16:23,509 --> 00:16:21,199

when it started to become more

377

00:16:25,829 --> 00:16:23,519

aggressive we have some injustice that

378

00:16:28,069 --> 00:16:25,839

was hospitalized

379

00:16:30,550 --> 00:16:28,079

because of the light beings and when

380

00:16:33,430 --> 00:16:30,560

this event more aggressive event started

381

00:16:36,389 --> 00:16:33,440

the the government started to not talk

382

00:16:37,749 --> 00:16:36,399

about it and i'm trying to today to get

383

00:16:40,790 --> 00:16:37,759

some documents

384

00:16:44,230 --> 00:16:40,800

of the kids after 2016 because it was

385

00:16:46,710 --> 00:16:44,240

the most impressive ones and we have no

386

00:16:48,389 --> 00:16:46,720

much documentation about it and my last

387

00:16:51,990 --> 00:16:48,399

part of speech

388

00:16:54,470 --> 00:16:52,000

was about um a scientific investigation

389

00:16:55,590 --> 00:16:54,480

something i doing by myself in brazil

390

00:16:57,670 --> 00:16:55,600

and uh

391

00:17:00,470 --> 00:16:57,680

and and asking for the government for

392

00:17:03,189 --> 00:17:00,480

the senators to do something more

393

00:17:06,150 --> 00:17:03,199

professional with the using the the

394

00:17:08,230 --> 00:17:06,160

academy using our federal universities

395

00:17:11,270 --> 00:17:08,240

uh to investigate this this stuff in

396

00:17:13,350 --> 00:17:11,280

more scientific way and coordinated way

397

00:17:16,069 --> 00:17:13,360

because as i said in the beginning we

398

00:17:17,350 --> 00:17:16,079

have a lot of of uh offices in brazil

399

00:17:19,750 --> 00:17:17,360

governmental offices in brazil

400

00:17:23,189 --> 00:17:19,760

investigating this topic but

401

00:17:26,069 --> 00:17:23,199

uh in isolated form not in a

402

00:17:28,630 --> 00:17:26,079

collaboration not sharing results and so

403

00:17:31,510 --> 00:17:28,640

on so this is what's the best last part

404

00:17:33,430 --> 00:17:31,520

of my my speech there

405

00:17:35,430 --> 00:17:33,440

wonderful thank you and you mentioned

406

00:17:38,310 --> 00:17:35,440

there about you're trying to get hold of

407

00:17:39,909 --> 00:17:38,320

some documents is that using the freedom

408

00:17:43,029 --> 00:17:39,919

of information act that you have in

409

00:17:45,270 --> 00:17:43,039

brazil and and if so is that a good

410

00:17:47,110 --> 00:17:45,280

resource do you normally

411

00:17:49,350 --> 00:17:47,120

get files from them or is it a bit

412

00:17:52,310 --> 00:17:49,360

difficult

413

00:17:56,390 --> 00:17:52,320

yes all the documents i obtained from

414

00:17:57,110 --> 00:17:56,400

the cases of 2013 2006 between jesus

415

00:18:00,549 --> 00:17:57,120

from

416

00:18:02,710 --> 00:18:00,559

indigenous tribes and uaps were obtained

417

00:18:05,190 --> 00:18:02,720

through brazilian freedom of information

418

00:18:11,029 --> 00:18:08,870

the federal police never never

419

00:18:14,870 --> 00:18:11,039

shared any documentation

420

00:18:17,430 --> 00:18:14,880

therefore also never shares anything

421

00:18:20,310 --> 00:18:17,440

everything obtained it was from the our

422

00:18:22,710 --> 00:18:20,320

national prosecutors ops

423

00:18:25,270 --> 00:18:22,720

and our national indigenous foundation

424

00:18:27,350 --> 00:18:25,280

it was the because then

425

00:18:28,390 --> 00:18:27,360

which which normally we don't we don't

426

00:18:29,270 --> 00:18:28,400

we don't

427

00:18:31,430 --> 00:18:29,280

uh

428

00:18:33,110 --> 00:18:31,440

do a request for these offices because

429

00:18:34,870 --> 00:18:33,120

we we never imagined that the national

430

00:18:37,110 --> 00:18:34,880

engineering foundation or the the

431

00:18:38,549 --> 00:18:37,120

prosecutor's office we have something

432

00:18:40,870 --> 00:18:38,559

about ufos

433

00:18:43,510 --> 00:18:40,880

but as i said in the beginning i had a

434

00:18:46,630 --> 00:18:43,520

lot of coincidence in my life that i

435

00:18:49,190 --> 00:18:46,640

that led me to to to know people and

436

00:18:52,470 --> 00:18:49,200

these people uh wanting to help

437

00:18:54,870 --> 00:18:52,480

say to me oh do this type of

438

00:18:56,950 --> 00:18:54,880

request for the freedom of information

439

00:18:59,830 --> 00:18:56,960

act and you will obtain

440

00:19:02,470 --> 00:18:59,840

good things and this is uh how i

441

00:19:04,390 --> 00:19:02,480

achieved this document

442

00:19:07,430 --> 00:19:04,400

excellent and now there are obviously

443

00:19:09,029 --> 00:19:07,440

other speakers at the hearings from from

444

00:19:10,390 --> 00:19:09,039

other countries as well and now one

445

00:19:13,110 --> 00:19:10,400

thing that

446

00:19:15,110 --> 00:19:13,120

i found confusing is that louis elizondo

447

00:19:17,750 --> 00:19:15,120

apparently was meant to have

448

00:19:19,190 --> 00:19:17,760

done a prepared speech like a video

449

00:19:21,590 --> 00:19:19,200

but for some reason there's nothing

450

00:19:26,230 --> 00:19:21,600

online did he give a speech like a video

451
00:19:28,630 --> 00:19:26,240
presentation at all yes uh the aj javier

452
00:19:30,310 --> 00:19:28,640
was responsible to organize with the

453
00:19:31,510 --> 00:19:30,320
senator's team

454
00:19:34,150 --> 00:19:31,520
the event

455
00:19:37,510 --> 00:19:34,160
sure i was helping and for example in

456
00:19:40,789 --> 00:19:37,520
many moments java said to me ronnie i

457
00:19:43,669 --> 00:19:40,799
lost contact with with felizondo

458
00:19:46,070 --> 00:19:43,679
i cannot reach him and i help it with

459
00:19:49,510 --> 00:19:46,080
many in india and i and i

460
00:19:51,350 --> 00:19:49,520
i i like to thank to to many members of

461
00:19:54,630 --> 00:19:51,360
of ufo twitter

462
00:19:56,710 --> 00:19:54,640
that that happened that helped me to to

463
00:19:57,750 --> 00:19:56,720

get in touch with alessando and many

464

00:20:01,110 --> 00:19:57,760

others

465

00:20:02,710 --> 00:20:01,120

to to do this event happening this is

466

00:20:04,470 --> 00:20:02,720

what i think this

467

00:20:06,950 --> 00:20:04,480

this community is fantastic because of

468

00:20:09,190 --> 00:20:06,960

that when you have something we need

469

00:20:11,110 --> 00:20:09,200

everyone tries to help

470

00:20:13,350 --> 00:20:11,120

uh even if you don't know how to help

471

00:20:15,510 --> 00:20:13,360

you ask other people to to

472

00:20:17,750 --> 00:20:15,520

to to help and and this is how a

473

00:20:19,830 --> 00:20:17,760

community is supposed to work so i like

474

00:20:21,590 --> 00:20:19,840

to thank you many members of ufo twitter

475

00:20:24,149 --> 00:20:21,600

about it and

476

00:20:26,390 --> 00:20:24,159

and and in many moments many people

477

00:20:29,430 --> 00:20:26,400

helped to to strengthen the relation

478

00:20:31,110 --> 00:20:29,440

between java and arizondo

479

00:20:33,350 --> 00:20:31,120

uh what i know

480

00:20:35,590 --> 00:20:33,360

is that elizondo

481

00:20:39,270 --> 00:20:35,600

could not

482

00:20:40,870 --> 00:20:39,280

be present there because

483

00:20:42,870 --> 00:20:40,880

many people criticized in brazil

484

00:20:45,430 --> 00:20:42,880

criticized at this event in senate they

485

00:20:46,549 --> 00:20:45,440

said we have we have a lot of problems

486

00:20:50,549 --> 00:20:46,559

with a

487

00:20:51,909 --> 00:20:50,559

healthy uh security education puberty in

488

00:20:54,710 --> 00:20:51,919

brazil

489

00:20:56,710 --> 00:20:54,720

uh and you are talking about ufos sure

490

00:20:58,710 --> 00:20:56,720

it's people that's not aware about this

491

00:21:00,070 --> 00:20:58,720

topic they they know they don't know

492

00:21:02,630 --> 00:21:00,080

what's happening in the world about this

493

00:21:04,230 --> 00:21:02,640

topic and and and and i have to give

494

00:21:06,149 --> 00:21:04,240

credits because they simply don't have

495

00:21:08,870 --> 00:21:06,159

the information and and they

496

00:21:10,710 --> 00:21:08,880

they create kids it's just uh fair

497

00:21:13,029 --> 00:21:10,720

because they are not informed

498

00:21:17,270 --> 00:21:13,039

and and and so because of that the

499

00:21:19,430 --> 00:21:17,280

senator said we can't expand any penny

500

00:21:21,510 --> 00:21:19,440

to do this event happen

501
00:21:23,430 --> 00:21:21,520
and all the people me

502
00:21:27,190 --> 00:21:23,440
uh the gary

503
00:21:28,789 --> 00:21:27,200
uh and bob salas all the present people

504
00:21:31,510 --> 00:21:28,799
present there

505
00:21:34,070 --> 00:21:31,520
all the cost was not covered by the

506
00:21:36,390 --> 00:21:34,080
the the brazilian government the cover

507
00:21:38,310 --> 00:21:36,400
by ourselves the covered by our some

508
00:21:40,630 --> 00:21:38,320
representative or senator that wants us

509
00:21:42,470 --> 00:21:40,640
to help and and push the penny from his

510
00:21:44,549 --> 00:21:42,480
pocket soon this happened

511
00:21:48,950 --> 00:21:44,559
so it's important to say that and this

512
00:21:52,230 --> 00:21:48,960
is is is is the reason that we couldn't

513
00:21:54,070 --> 00:21:52,240

bring elizondo to to be there because

514

00:21:57,830 --> 00:21:54,080

brazilian government for this specific

515

00:22:01,590 --> 00:21:57,840

event was not covering any any

516

00:22:04,310 --> 00:22:01,600

and and what do i know what i know uh uh

517

00:22:06,230 --> 00:22:04,320

from jeremiah is that elizondo promises

518

00:22:09,350 --> 00:22:06,240

to send a video

519

00:22:10,549 --> 00:22:09,360

with a testimony from him logically not

520

00:22:14,710 --> 00:22:10,559

on

521

00:22:15,909 --> 00:22:14,720

unclassified briefing for pro brazilian

522

00:22:19,029 --> 00:22:15,919

senators

523

00:22:20,549 --> 00:22:19,039

and they lost connections a lot of times

524

00:22:23,190 --> 00:22:20,559

i don't know the reason why they lost

525

00:22:25,669 --> 00:22:23,200

connections between the zombies a lot of

526

00:22:28,950 --> 00:22:25,679

times i establish again these

527

00:22:31,669 --> 00:22:28,960

disconnections and and and the last last

528

00:22:35,029 --> 00:22:31,679

thing i know is that elizondo would not

529

00:22:37,990 --> 00:22:35,039

send a video but sent for the vara text

530

00:22:40,470 --> 00:22:38,000

uh a little text to be to be read in the

531

00:22:41,990 --> 00:22:40,480

in the brazilian sense i don't know i i

532

00:22:44,470 --> 00:22:42,000

didn't have the opportunity to talk with

533

00:22:47,909 --> 00:22:44,480

jeff again after the hearing

534

00:22:49,750 --> 00:22:47,919

uh i didn't know if jeff i was not happy

535

00:22:52,070 --> 00:22:49,760

with feliz under that promise at the

536

00:22:55,270 --> 00:22:52,080

beginning to send a video and identify

537

00:22:57,270 --> 00:22:55,280

the final at the end sent just a little

538

00:23:00,230 --> 00:22:57,280

text i don't know what happened

539

00:23:02,789 --> 00:23:00,240

uh but the the the the

540

00:23:04,789 --> 00:23:02,799

the result everyone knows the the

541

00:23:07,510 --> 00:23:04,799

the text of arizona was not read in

542

00:23:09,430 --> 00:23:07,520

brazil senator we didn't have the videos

543

00:23:12,630 --> 00:23:09,440

and that's what's happening so i think

544

00:23:15,029 --> 00:23:12,640

the best people to that best person to

545

00:23:15,669 --> 00:23:15,039

to clarify what's happening is the deja

546

00:23:17,750 --> 00:23:15,679

vu

547

00:23:19,590 --> 00:23:17,760

to say what's happening the information

548

00:23:21,190 --> 00:23:19,600

i know i'm talking with you right now

549

00:23:22,870 --> 00:23:21,200

okay

550

00:23:24,470 --> 00:23:22,880

yeah that's wonderful thank you so much

551
00:23:27,350 --> 00:23:24,480
for clearing that up i think a lot of

552
00:23:29,510 --> 00:23:27,360
people were unsure about what happened

553
00:23:31,909 --> 00:23:29,520
there i got jonathan davis here in the

554
00:23:34,070 --> 00:23:31,919
live chat saying what did lou elizondo

555
00:23:36,549 --> 00:23:34,080
say in his letter i guess there's the

556
00:23:39,350 --> 00:23:36,559
answer he got a text message across to

557
00:23:41,590 --> 00:23:39,360
to the brazilian senators so

558
00:23:43,909 --> 00:23:41,600
so yeah so um

559
00:23:45,830 --> 00:23:43,919
uh obviously we had other uh foreign

560
00:23:48,549 --> 00:23:45,840
people you mentioned bob salas gary

561
00:23:52,950 --> 00:23:48,559
hesseltein from the uk were there any

562
00:23:56,470 --> 00:23:52,960
major takeaways from what they discussed

563
00:23:58,390 --> 00:23:56,480

yes uh the the the question is very good

564

00:24:00,470 --> 00:23:58,400

because i i'm curious to know about

565

00:24:03,029 --> 00:24:00,480

these texts that elizon said

566

00:24:05,430 --> 00:24:03,039

i asked jennifer about that uh as i said

567

00:24:07,990 --> 00:24:05,440

i didn't have the opportunity to to talk

568

00:24:10,070 --> 00:24:08,000

of javascript i was very busy busy doing

569

00:24:11,990 --> 00:24:10,080

some crap some some some we were for

570

00:24:14,070 --> 00:24:12,000

events in brazil these days

571

00:24:15,029 --> 00:24:14,080

and i couldn't reach him to talk about

572

00:24:17,269 --> 00:24:15,039

it but

573

00:24:19,269 --> 00:24:17,279

as soon as i have opportunity i'll talk

574

00:24:21,430 --> 00:24:19,279

with him too to know and maybe i can

575

00:24:25,029 --> 00:24:21,440

share something about the stacks of

576
00:24:25,909 --> 00:24:25,039
feliz under a few uh we had also

577
00:24:28,070 --> 00:24:25,919
two

578
00:24:29,990 --> 00:24:28,080
international representatives from us

579
00:24:33,190 --> 00:24:30,000
robert salas

580
00:24:36,710 --> 00:24:33,200
bob salas was talking about the

581
00:24:40,149 --> 00:24:36,720
the nuclear cases between uavs and the

582
00:24:43,110 --> 00:24:40,159
debates he commanded in maelstrom so he

583
00:24:47,269 --> 00:24:43,120
he he made a very good uh presentation

584
00:24:49,269 --> 00:24:47,279
about that our our senators

585
00:24:51,350 --> 00:24:49,279
became very present with the information

586
00:24:53,269 --> 00:24:51,360
that bob starts presented

587
00:24:58,310 --> 00:24:53,279
and

588
00:25:01,269 --> 00:24:58,320

presented the global disclosure what the

589

00:25:03,830 --> 00:25:01,279

event that was happening since 40 until

590

00:25:06,310 --> 00:25:03,840

now uh

591

00:25:09,190 --> 00:25:06,320

if you dancing that that some kind of

592

00:25:11,590 --> 00:25:09,200

disclosure is coming uh

593

00:25:13,750 --> 00:25:11,600

and and and gary this the speech of gary

594

00:25:16,710 --> 00:25:13,760

hessentine was very important because he

595

00:25:19,990 --> 00:25:16,720

was very emotional he was very uh

596

00:25:24,070 --> 00:25:20,000

effusive about his his thoughts about

597

00:25:26,070 --> 00:25:24,080

this the angry about that that that uh

598

00:25:28,230 --> 00:25:26,080

that uh

599

00:25:31,830 --> 00:25:28,240

protection that was made about the

600

00:25:36,149 --> 00:25:31,840

subject uh of pentagon of of government

601
00:25:38,710 --> 00:25:36,159
of the world so his his his his acts his

602
00:25:42,870 --> 00:25:38,720
speech was very very very emotional and

603
00:25:45,510 --> 00:25:42,880
very very very good for us to to to see

604
00:25:46,230 --> 00:25:45,520
so this is what's the what the the gary

605
00:25:50,310 --> 00:25:46,240
and

606
00:25:52,470 --> 00:25:50,320
the event

607
00:25:54,630 --> 00:25:52,480
great that's great thank you i've got a

608
00:25:57,909 --> 00:25:54,640
question here that says could you please

609
00:26:00,470 --> 00:25:57,919
explain to us why geraldo limos nito was

610
00:26:04,310 --> 00:26:00,480
talking about spirit prisons on the moon

611
00:26:06,710 --> 00:26:04,320
and aliens from the planet chiron

612
00:26:10,630 --> 00:26:06,720
yes as i said i didn't organize the

613
00:26:14,390 --> 00:26:10,640

event i personally don't agree with this

614

00:26:16,470 --> 00:26:14,400

mix of science facts and religion

615

00:26:19,350 --> 00:26:16,480

but we have also to understand the

616

00:26:21,909 --> 00:26:19,360

context in brazil in brazil we have

617

00:26:23,510 --> 00:26:21,919

millions of people that believe

618

00:26:26,470 --> 00:26:23,520

in

619

00:26:28,549 --> 00:26:26,480

the the religion of conspiracies okay

620

00:26:31,669 --> 00:26:28,559

uh and in brazil we have a personal

621

00:26:34,870 --> 00:26:31,679

colleague shiko javier chavez was a

622

00:26:36,549 --> 00:26:34,880

leader of this religion that was uh

623

00:26:39,269 --> 00:26:36,559

nominated to the

624

00:26:42,470 --> 00:26:39,279

nobel nobel prize of peace

625

00:26:45,029 --> 00:26:42,480

and everything he he he died poor

626

00:26:47,110 --> 00:26:45,039

because everything he he

627

00:26:49,029 --> 00:26:47,120

gained with his books his

628

00:26:52,310 --> 00:26:49,039

donated everything and at the end of

629

00:26:54,070 --> 00:26:52,320

their life he had nothing because uh he

630

00:26:55,830 --> 00:26:54,080

donated everything for institutions of

631

00:26:58,230 --> 00:26:55,840

charity so

632

00:27:02,149 --> 00:26:58,240

he was he was a man that

633

00:27:04,390 --> 00:27:02,159

uh is very very very admitted in brazil

634

00:27:05,590 --> 00:27:04,400

even from the from the non-religious

635

00:27:07,909 --> 00:27:05,600

people

636

00:27:10,070 --> 00:27:07,919

and we have a lot of as i said have a

637

00:27:12,590 --> 00:27:10,080

millions of people in brazil that follow

638

00:27:14,950 --> 00:27:12,600

the spirit is a lot of senators and

639

00:27:16,230 --> 00:27:14,960

representatives in brazil follow the

640

00:27:22,070 --> 00:27:16,240

spirit scene

641

00:27:26,149 --> 00:27:23,590

stories from the from the biggest

642

00:27:28,070 --> 00:27:26,159

mediums about extraterrestrial life

643

00:27:30,470 --> 00:27:28,080

about interdimensional life

644

00:27:31,430 --> 00:27:30,480

so this is the reason the senators

645

00:27:34,070 --> 00:27:31,440

choose

646

00:27:35,590 --> 00:27:34,080

to to to get their dilemmas which is who

647

00:27:36,950 --> 00:27:35,600

is the person that

648

00:27:40,149 --> 00:27:36,960

is a is a

649

00:27:41,909 --> 00:27:40,159

almost a son of shikoh because he he he

650

00:27:43,350 --> 00:27:41,919

leave it with shaksha via during his

651
00:27:44,470 --> 00:27:43,360
life

652
00:27:47,029 --> 00:27:44,480
uh

653
00:27:49,510 --> 00:27:47,039
so senators choose to to to have this

654
00:27:50,630 --> 00:27:49,520
conversation shoes to bring because they

655
00:27:53,350 --> 00:27:50,640
know that

656
00:27:55,750 --> 00:27:53,360
in brazil we have a lot of up to you

657
00:27:58,310 --> 00:27:55,760
from population about this subject and

658
00:28:01,110 --> 00:27:58,320
many people laughed when geraldo said

659
00:28:02,710 --> 00:28:01,120
about the life in saturn for example

660
00:28:03,990 --> 00:28:02,720
because they say oh life is something

661
00:28:06,310 --> 00:28:04,000
that's not possible we know that

662
00:28:10,870 --> 00:28:06,320
scientifically you have no conditions to

663
00:28:12,630 --> 00:28:10,880

have life in saturn but uh why i i i

664

00:28:16,149 --> 00:28:12,640

don't agree totally with the religion

665

00:28:18,389 --> 00:28:16,159

but what uh they they they're speeches

666

00:28:20,950 --> 00:28:18,399

talks about life is softer and mass for

667

00:28:23,590 --> 00:28:20,960

example is interdimensionalized it's not

668

00:28:25,590 --> 00:28:23,600

necessarily life in our physical form in

669

00:28:27,909 --> 00:28:25,600

our three-dimensional world they they

670

00:28:30,870 --> 00:28:27,919

call they have seven dimensions and

671

00:28:32,789 --> 00:28:30,880

these beings in saturn in other planets

672

00:28:33,590 --> 00:28:32,799

could live in any of these dimensions

673

00:28:41,190 --> 00:28:33,600

that

674

00:28:42,070 --> 00:28:41,200

not uh it's not uh an answer but uh just

675

00:28:44,310 --> 00:28:42,080

uh

676

00:28:47,110 --> 00:28:44,320

something that

677

00:28:50,549 --> 00:28:47,120

to fit more out of the box and just to

678

00:28:53,750 --> 00:28:50,559

to to eventually uh start to study and

679

00:28:56,389 --> 00:28:53,760

and maybe in scientific uh study some

680

00:28:57,990 --> 00:28:56,399

years uh in future maybe we can prove

681

00:29:00,230 --> 00:28:58,000

that we have

682

00:29:02,149 --> 00:29:00,240

in fact some inter-dimensional

683

00:29:04,870 --> 00:29:02,159

roads or international

684

00:29:06,789 --> 00:29:04,880

beings uh as some people are saying or

685

00:29:08,870 --> 00:29:06,799

maybe people coming from future which is

686

00:29:12,230 --> 00:29:08,880

another uh

687

00:29:14,389 --> 00:29:12,240

location in space time also uh so maybe

688

00:29:17,029 --> 00:29:14,399

maybe something that in religions we

689

00:29:20,549 --> 00:29:17,039

could science could prove some years ago

690

00:29:21,669 --> 00:29:20,559

but uh uh i agree that that this is

691

00:29:23,669 --> 00:29:21,679

is is

692

00:29:26,230 --> 00:29:23,679

a little strange to talk with uh

693

00:29:28,470 --> 00:29:26,240

religious and and and brazilian

694

00:29:30,470 --> 00:29:28,480

government documents everything together

695

00:29:33,110 --> 00:29:30,480

maybe some people get confused about

696

00:29:34,789 --> 00:29:33,120

that and i understand

697

00:29:37,590 --> 00:29:34,799

i really appreciate you answering that

698

00:29:39,669 --> 00:29:37,600

question thank you so much um joss has a

699

00:29:41,750 --> 00:29:39,679

really good question here is there a

700

00:29:44,870 --> 00:29:41,760

connection between brazilian nuclear

701
00:29:45,750 --> 00:29:44,880
facilities and uap

702
00:29:50,950 --> 00:29:45,760
uh

703
00:29:55,269 --> 00:29:50,960
and

704
00:29:57,430 --> 00:29:55,279
don't have a

705
00:29:59,750 --> 00:29:57,440
nuclear weapons

706
00:30:02,470 --> 00:29:59,760
we don't have nuclear wraps but we have

707
00:30:05,990 --> 00:30:02,480
uh nuclear energy facilities

708
00:30:08,870 --> 00:30:06,000
and i i made some some requests for the

709
00:30:11,430 --> 00:30:08,880
freedom of information act some months

710
00:30:13,110 --> 00:30:11,440
ago and our regulatory commission of

711
00:30:15,669 --> 00:30:13,120
energy says that

712
00:30:20,470 --> 00:30:15,679
they didn't don't have in the in their

713
00:30:23,350 --> 00:30:20,480

records any cases between ufos uaps and

714

00:30:25,350 --> 00:30:23,360

nuclear facilities uh i don't know if

715

00:30:27,669 --> 00:30:25,360

they're hiding something but this is the

716

00:30:29,590 --> 00:30:27,679

the official uh

717

00:30:30,789 --> 00:30:29,600

answer for this

718

00:30:32,630 --> 00:30:30,799

question

719

00:30:35,350 --> 00:30:32,640

yeah thank you so much

720

00:30:37,669 --> 00:30:35,360

now since the hearings have finished and

721

00:30:40,389 --> 00:30:37,679

what has the reaction been like

722

00:30:42,149 --> 00:30:40,399

have the mainstream media covered it is

723

00:30:44,149 --> 00:30:42,159

there some positives as well as

724

00:30:46,630 --> 00:30:44,159

negatives

725

00:30:49,190 --> 00:30:46,640

it was very very strange feedback

726

00:30:56,149 --> 00:30:52,950

uh before the event we had all the major

727

00:30:59,350 --> 00:30:56,159

media saying oh we will have a ufo

728

00:31:01,269 --> 00:30:59,360

session at june 24 the senate will

729

00:31:05,590 --> 00:31:01,279

discuss for the first time

730

00:31:06,950 --> 00:31:05,600

and and after the the the hearing uh no

731

00:31:10,149 --> 00:31:06,960

no one

732

00:31:12,310 --> 00:31:10,159

no big media talked about it they didn't

733

00:31:15,110 --> 00:31:12,320

simply didn't talk about it they didn't

734

00:31:17,509 --> 00:31:15,120

talk it uh uh

735

00:31:19,750 --> 00:31:17,519

didn't we was respecting some of the

736

00:31:23,509 --> 00:31:19,760

parts of the middle say oh this this

737

00:31:25,350 --> 00:31:23,519

this is a this is a joke uh this uh

738

00:31:27,110 --> 00:31:25,360

didn't need to be discussed in senate we

739

00:31:29,909 --> 00:31:27,120

have a lot of other problems but they

740

00:31:32,389 --> 00:31:29,919

simply forget about it it was very very

741

00:31:35,750 --> 00:31:32,399

strange uh i don't know if they forget

742

00:31:37,669 --> 00:31:35,760

in fact and some and and someday they

743

00:31:39,990 --> 00:31:37,679

they they will remember oh my god they

744

00:31:41,110 --> 00:31:40,000

they they they even just happened and we

745

00:31:44,950 --> 00:31:41,120

didn't know this

746

00:31:47,590 --> 00:31:44,960

uh or maybe they noticed but notice this

747

00:31:49,830 --> 00:31:47,600

week and the event was two weeks ago and

748

00:31:51,750 --> 00:31:49,840

they don't want to to notice

749

00:31:53,750 --> 00:31:51,760

this anymore i don't know but they

750

00:31:55,590 --> 00:31:53,760

simply didn't talk about it this was

751
00:31:57,830 --> 00:31:55,600
very very strange

752
00:31:59,269 --> 00:31:57,840
yeah lovely thank you so much uh

753
00:32:01,750 --> 00:31:59,279
jonathan davis with another great

754
00:32:03,750 --> 00:32:01,760
question what comes next will there be

755
00:32:05,990 --> 00:32:03,760
another hearing soon with the military

756
00:32:10,230 --> 00:32:06,000
involved

757
00:32:12,389 --> 00:32:10,240
uh after the the hearing uh the hearing

758
00:32:14,950 --> 00:32:12,399
the duration was five hours they

759
00:32:17,590 --> 00:32:14,960
initiated 10 am

760
00:32:20,149 --> 00:32:17,600
and finishes 3 p.m

761
00:32:21,990 --> 00:32:20,159
and after the the session

762
00:32:27,430 --> 00:32:22,000
we we

763
00:32:29,909 --> 00:32:27,440

with with senator jiren and his team

764

00:32:31,830 --> 00:32:29,919

uh i cannot discuss everything i

765

00:32:34,070 --> 00:32:31,840

discussed with him but

766

00:32:35,509 --> 00:32:34,080

uh i give him a lot of the

767

00:32:38,710 --> 00:32:35,519

recommendations

768

00:32:39,590 --> 00:32:38,720

basically uh to follow the model that's

769

00:32:41,029 --> 00:32:39,600

being

770

00:32:43,669 --> 00:32:41,039

uh

771

00:32:45,190 --> 00:32:43,679

follow it in usa okay

772

00:32:47,590 --> 00:32:45,200

uh

773

00:32:51,750 --> 00:32:47,600

and and what i think what i think is

774

00:32:55,830 --> 00:32:51,760

that uh the senators will start to poke

775

00:32:58,310 --> 00:32:55,840

uh the the next of the armed forces

776

00:33:01,669 --> 00:32:58,320

mainly the air force and navy

777

00:33:03,830 --> 00:33:01,679

and also our minister of defense

778

00:33:06,310 --> 00:33:03,840

to know to start the conversations and

779

00:33:10,149 --> 00:33:06,320

say oh let's do a classified briefing

780

00:33:13,669 --> 00:33:10,159

what you know that you cannot reveal uh

781

00:33:16,230 --> 00:33:13,679

and and and and what you can uh uh open

782

00:33:18,149 --> 00:33:16,240

to the public at this time what's the

783

00:33:20,630 --> 00:33:18,159

national security issue and so on the

784

00:33:21,509 --> 00:33:20,640

conversation will start

785

00:33:24,310 --> 00:33:21,519

and

786

00:33:26,630 --> 00:33:24,320

the the senator jerome in his team are

787

00:33:29,830 --> 00:33:26,640

very very

788

00:33:32,230 --> 00:33:29,840

motivated to do a legislation to start

789

00:33:34,470 --> 00:33:32,240

conversations about the legislation in

790

00:33:38,389 --> 00:33:34,480

the model of gillibrand rubio and

791

00:33:40,389 --> 00:33:38,399

galileo amendment u.s to have a

792

00:33:43,990 --> 00:33:40,399

permanent body a permanent office of

793

00:33:47,190 --> 00:33:44,000

investigations uniting the armed forces

794

00:33:49,430 --> 00:33:47,200

the academy the universities and the

795

00:33:52,630 --> 00:33:49,440

ufologists and so on the civil

796

00:33:54,549 --> 00:33:52,640

organizations in brazil and i think uh

797

00:33:55,430 --> 00:33:54,559

this will lead

798

00:33:58,470 --> 00:33:55,440

to

799

00:34:01,350 --> 00:33:58,480

at least some additional hearings maybe

800

00:34:04,789 --> 00:34:01,360

some hearings with the the the members

801
00:34:06,950 --> 00:34:04,799
of ahmed fathers and so on and and

802
00:34:08,470 --> 00:34:06,960
i know that we have also a lot of

803
00:34:10,790 --> 00:34:08,480
representatives from the house of

804
00:34:13,750 --> 00:34:10,800
representatives interested in the

805
00:34:15,909 --> 00:34:13,760
subject entitles to do a second hearing

806
00:34:18,230 --> 00:34:15,919
in house of representatives and i think

807
00:34:20,550 --> 00:34:18,240
this will happen so

808
00:34:22,550 --> 00:34:20,560
wonderful thank you um so what's

809
00:34:24,389 --> 00:34:22,560
actually next for yourself then in this

810
00:34:27,430 --> 00:34:24,399
subject do you have anything planned any

811
00:34:29,430 --> 00:34:27,440
other cases that you're working on

812
00:34:30,550 --> 00:34:29,440
uh i i i

813
00:34:34,790 --> 00:34:30,560

four years

814

00:34:36,550 --> 00:34:34,800

started to visit

815

00:34:39,190 --> 00:34:36,560

first i read the book i read a very

816

00:34:40,869 --> 00:34:39,200

interesting book from a brazilian one of

817

00:34:42,790 --> 00:34:40,879

the main brazilian followers in brazil

818

00:34:45,349 --> 00:34:42,800

it's called marco pichi

819

00:34:47,909 --> 00:34:45,359

uh which the for me is the number two or

820

00:34:50,069 --> 00:34:47,919

number three after java followed us in

821

00:34:53,430 --> 00:34:50,079

brazil serious apologies

822

00:34:55,829 --> 00:34:53,440

and this book of hands talked about the

823

00:34:57,430 --> 00:34:55,839

beauty here in my stage in a huge

824

00:35:01,270 --> 00:34:57,440

january in brazil

825

00:35:03,109 --> 00:35:01,280

which allegedly was a hot spot in brazil

826

00:35:04,710 --> 00:35:03,119

and i started to scratch my head and

827

00:35:06,710 --> 00:35:04,720

said oh

828

00:35:09,990 --> 00:35:06,720

it's serious

829

00:35:10,870 --> 00:35:10,000

this kind of phenomena happens there and

830

00:35:13,750 --> 00:35:10,880

uh

831

00:35:16,310 --> 00:35:13,760

and instead of crit size

832

00:35:19,270 --> 00:35:16,320

i put my boots i put my pants and i went

833

00:35:20,870 --> 00:35:19,280

there i and it started in 2008

834

00:35:22,470 --> 00:35:20,880

to to

835

00:35:31,109 --> 00:35:22,480

to

836

00:35:33,430 --> 00:35:31,119

incredible things there many phenomenas

837

00:35:35,190 --> 00:35:33,440

that are very very uh

838

00:35:36,390 --> 00:35:35,200

like has darling phenomenal light

839

00:35:39,349 --> 00:35:36,400

phenomena

840

00:35:42,550 --> 00:35:39,359

in some cases and is important i clarify

841

00:35:45,270 --> 00:35:42,560

to people uh

842

00:35:47,670 --> 00:35:45,280

it's not it's not uh it's very very yeah

843

00:35:49,990 --> 00:35:47,680

the event happens very often

844

00:35:52,150 --> 00:35:50,000

but nothing like oh i'll go there the

845

00:35:54,790 --> 00:35:52,160

first time and i will see something no

846

00:35:57,750 --> 00:35:54,800

you have to be consistent you have to go

847

00:35:59,589 --> 00:35:57,760

a lot of times maybe you you you'll see

848

00:36:02,310 --> 00:35:59,599

something the first time maybe you see

849

00:36:05,030 --> 00:36:02,320

something in the tough time so it's it's

850

00:36:07,910 --> 00:36:05,040

not it's happens often but it's not

851
00:36:10,470 --> 00:36:07,920
something magical that you go there the

852
00:36:13,829 --> 00:36:10,480
first time and see beings and see like i

853
00:36:16,710 --> 00:36:13,839
want one time i saw lights near me and i

854
00:36:17,990 --> 00:36:16,720
say near me was about one meter two

855
00:36:20,550 --> 00:36:18,000
meters

856
00:36:23,670 --> 00:36:20,560
very strange lights no sounds no

857
00:36:25,750 --> 00:36:23,680
luminous effects in my eyes and and this

858
00:36:27,109 --> 00:36:25,760
is the first event

859
00:36:27,990 --> 00:36:27,119
in four years

860
00:36:30,790 --> 00:36:28,000
uh

861
00:36:33,910 --> 00:36:30,800
the second event it was one that i

862
00:36:36,550 --> 00:36:33,920
testimonies in senate when i saw the big

863
00:36:38,150 --> 00:36:36,560

huge orange light and when this orange

864

00:36:39,349 --> 00:36:38,160

light

865

00:36:42,710 --> 00:36:39,359

diminished

866

00:36:45,750 --> 00:36:42,720

and turned off i saw with my eyes being

867

00:36:48,310 --> 00:36:45,760

three big big black beans uh three to

868

00:36:52,230 --> 00:36:48,320

five meters top and i testimonies that

869

00:36:53,910 --> 00:36:52,240

incentive expecting our academics and

870

00:36:57,109 --> 00:36:53,920

our government to being status to

871

00:36:59,829 --> 00:36:57,119

investigate the place because uh uh i

872

00:37:02,390 --> 00:36:59,839

want the the the uh and i recommended

873

00:37:04,470 --> 00:37:02,400

that to the senate go to that place and

874

00:37:07,109 --> 00:37:04,480

see by our eyes and investigate and

875

00:37:10,790 --> 00:37:07,119

bring the equipment and do you see stuff

876

00:37:13,510 --> 00:37:10,800

because uh i think that we if we it's

877

00:37:15,030 --> 00:37:13,520

like a a mini skin rocker range we have

878

00:37:17,190 --> 00:37:15,040

in brazil we have a lot of hot spots in

879

00:37:19,670 --> 00:37:17,200

brazil this is just one

880

00:37:21,990 --> 00:37:19,680

uh and i think if you start academic

881

00:37:24,550 --> 00:37:22,000

study scientific study installing some

882

00:37:27,030 --> 00:37:24,560

equipment we'll have some some results

883

00:37:30,550 --> 00:37:27,040

there and my project right now we have

884

00:37:33,349 --> 00:37:30,560

uh a lot of cameras i installed uh camo

885

00:37:36,550 --> 00:37:33,359

cameras high obstacle zone cameras and

886

00:37:39,349 --> 00:37:36,560

sensors there started right now i

887

00:37:41,910 --> 00:37:39,359

inaugurated there in the same day we had

888

00:37:44,630 --> 00:37:41,920

the event in brazil senate

889

00:37:48,069 --> 00:37:44,640

and we are right now collecting data and

890

00:37:51,430 --> 00:37:48,079

maybe we could uh have some results and

891

00:37:54,470 --> 00:37:51,440

i said it said that maybe uh soon we'll

892

00:37:58,069 --> 00:37:54,480

have the first high resolution video

893

00:38:01,990 --> 00:37:58,079

collected by uh season institute

894

00:38:05,109 --> 00:38:02,000

me or galileo or other projects that

895

00:38:08,150 --> 00:38:05,119

other people are are starting to to

896

00:38:10,550 --> 00:38:08,160

because i think it's something uh that's

897

00:38:13,190 --> 00:38:10,560

unstoppable me and other people will

898

00:38:15,829 --> 00:38:13,200

start to do this kind of research and in

899

00:38:18,150 --> 00:38:15,839

some moment i think some moment people

900

00:38:19,990 --> 00:38:18,160

start catching some very very compelling

901
00:38:22,550 --> 00:38:20,000
very very impressive i think it's a

902
00:38:24,710 --> 00:38:22,560
matter of time and i think this is

903
00:38:27,109 --> 00:38:24,720
something that scares the government

904
00:38:30,150 --> 00:38:27,119
because the the people are starting to

905
00:38:32,630 --> 00:38:30,160
wake and starting to do his own research

906
00:38:34,470 --> 00:38:32,640
to not depend of the government data and

907
00:38:36,310 --> 00:38:34,480
i think this is a movement that will get

908
00:38:37,430 --> 00:38:36,320
a bigger bigger bigger in the next few

909
00:38:39,030 --> 00:38:37,440
years

910
00:38:40,790 --> 00:38:39,040
that's wonderful and i really i really

911
00:38:43,510 --> 00:38:40,800
wish you all the luck with that project

912
00:38:45,030 --> 00:38:43,520
definitely i've got a question here from

913
00:38:46,710 --> 00:38:45,040

from shardl

914

00:38:49,349 --> 00:38:46,720

are there any cases from brazil where

915

00:38:51,829 --> 00:38:49,359

there is evidence of hostile intent from

916

00:38:54,069 --> 00:38:51,839

the brazilian military or the uap

917

00:38:56,790 --> 00:38:54,079

themselves

918

00:38:57,990 --> 00:38:56,800

yeah we have cases in brazil that the

919

00:38:59,510 --> 00:38:58,000

pilots

920

00:39:02,950 --> 00:38:59,520

try to

921

00:39:06,230 --> 00:39:02,960

to shock the uap but didn't have success

922

00:39:09,750 --> 00:39:06,240

because the uap just disappeared

923

00:39:12,069 --> 00:39:09,760

uh we had we had some cases where we had

924

00:39:14,230 --> 00:39:12,079

the european fighting

925

00:39:16,150 --> 00:39:14,240

light beams in people for for example in

926

00:39:17,030 --> 00:39:16,160

the amazon collards we had a lot of

927

00:39:21,270 --> 00:39:17,040

people

928

00:39:24,150 --> 00:39:21,280

that

929

00:39:26,630 --> 00:39:24,160

became some mental regression i knew

930

00:39:28,550 --> 00:39:26,640

these people because i went there

931

00:39:32,630 --> 00:39:28,560

people that was affecting seventies and

932

00:39:35,270 --> 00:39:32,640

today has uh uh uh brain damage that the

933

00:39:38,230 --> 00:39:35,280

these people act today like child of 12

934

00:39:41,030 --> 00:39:38,240

years and this kind of phenomena uh

935

00:39:43,589 --> 00:39:41,040

happening we don't know if it's

936

00:39:46,069 --> 00:39:43,599

the intention we don't know if it's if

937

00:39:48,870 --> 00:39:46,079

it's uh

938

00:39:53,109 --> 00:39:48,880

they wanted to do that or it's like

939

00:39:56,390 --> 00:39:53,119

something uh our body a specific

940

00:39:58,870 --> 00:39:56,400

people's body uh reaction to that light

941

00:40:03,270 --> 00:39:58,880

being we don't know

942

00:40:05,190 --> 00:40:03,280

but it's happening it's happening yeah

943

00:40:07,430 --> 00:40:05,200

mr driscoll asks is there any truth to

944

00:40:10,470 --> 00:40:07,440

the mage incident that went viral a few

945

00:40:14,390 --> 00:40:10,480

years back was it a viral hoax or maybe

946

00:40:16,870 --> 00:40:14,400

that smoke actually came from a fire

947

00:40:20,309 --> 00:40:16,880

yes this was a question that i i

948

00:40:23,589 --> 00:40:20,319

responded at the final part of the uap

949

00:40:28,950 --> 00:40:26,470

many people in internet was interested

950

00:40:31,510 --> 00:40:28,960

about this this that growing became

951
00:40:33,670 --> 00:40:31,520
international cases very very fast this

952
00:40:35,589 --> 00:40:33,680
is the the power of the internet but i

953
00:40:38,630 --> 00:40:35,599
think the internet has

954
00:40:40,470 --> 00:40:38,640
had something good and bad thing the bad

955
00:40:41,349 --> 00:40:40,480
thing is that a lot of people try to

956
00:40:44,309 --> 00:40:41,359
fake

957
00:40:47,510 --> 00:40:44,319
some images take some videos talk some

958
00:40:49,510 --> 00:40:47,520
lies about it and i can't i can't talk

959
00:40:50,870 --> 00:40:49,520
about this case with prophet because i

960
00:40:52,950 --> 00:40:50,880
was

961
00:40:55,349 --> 00:40:52,960
one of the four people in brazil for

962
00:40:57,829 --> 00:40:55,359
investigators in brazil that came into

963
00:40:58,710 --> 00:40:57,839

the site i spent one week there in my

964

00:41:01,750 --> 00:40:58,720

jet

965

00:41:02,790 --> 00:41:01,760

i talked to hundreds of people about it

966

00:41:05,270 --> 00:41:02,800

and

967

00:41:08,870 --> 00:41:05,280

what i can say about it we cannot prove

968

00:41:12,230 --> 00:41:08,880

that something related to ufo uap

969

00:41:14,309 --> 00:41:12,240

happening but we had a huge military

970

00:41:15,430 --> 00:41:14,319

operation conducted by the brazilian

971

00:41:16,390 --> 00:41:15,440

army

972

00:41:19,589 --> 00:41:16,400

uh

973

00:41:22,150 --> 00:41:19,599

and and i i have documentation that i

974

00:41:23,190 --> 00:41:22,160

achieved from the the brazilian army

975

00:41:24,550 --> 00:41:23,200

itself

976
00:41:27,430 --> 00:41:24,560
saying that

977
00:41:28,870 --> 00:41:27,440
they had a lot a huge operation there

978
00:41:31,510 --> 00:41:28,880
not imagine

979
00:41:33,510 --> 00:41:31,520
but in a in a

980
00:41:36,230 --> 00:41:33,520
area of uh

981
00:41:37,270 --> 00:41:36,240
environmental protection ecosystem near

982
00:41:42,630 --> 00:41:37,280
majes

983
00:41:45,030 --> 00:41:42,640
and something happened happening there

984
00:41:47,910 --> 00:41:45,040
that the military the brazilian army

985
00:41:50,230 --> 00:41:47,920
needed to do operation there they say it

986
00:41:53,270 --> 00:41:50,240
was a training operation but they

987
00:41:55,349 --> 00:41:53,280
refused to give me any document about

988
00:41:57,910 --> 00:41:55,359

this training because of national

989

00:41:59,829 --> 00:41:57,920

security issues uh

990

00:42:02,870 --> 00:41:59,839

okay but this is what's only a training

991

00:42:05,510 --> 00:42:02,880

because you cannot offer any documents

992

00:42:08,950 --> 00:42:05,520

this is a problem and and they confirmed

993

00:42:11,829 --> 00:42:08,960

all the helicopters that was fighting

994

00:42:15,349 --> 00:42:11,839

and the people from ajay uh

995

00:42:18,150 --> 00:42:15,359

saw during this event and all the dates

996

00:42:20,710 --> 00:42:18,160

other times uh are totally compatible

997

00:42:23,349 --> 00:42:20,720

with that operation of brazilian army

998

00:42:25,990 --> 00:42:23,359

imagine so a huge operation

999

00:42:29,190 --> 00:42:26,000

takes place took place there

1000

00:42:31,829 --> 00:42:29,200

but unfortunately i cannot

1001
00:42:34,470 --> 00:42:31,839
affirm i cannot say to you what really

1002
00:42:36,790 --> 00:42:34,480
happened why they that military people

1003
00:42:38,790 --> 00:42:36,800
was involved there maybe we can we can

1004
00:42:40,470 --> 00:42:38,800
find something soon

1005
00:42:42,710 --> 00:42:40,480
hopefully hopefully

1006
00:42:44,390 --> 00:42:42,720
uh final question here is from jonathan

1007
00:42:47,030 --> 00:42:44,400
davis have you been involved with the

1008
00:42:49,030 --> 00:42:47,040
new james fox investigation and the new

1009
00:42:51,430 --> 00:42:49,040
movie

1010
00:42:53,349 --> 00:42:51,440
no but i have a very very good friend a

1011
00:42:55,670 --> 00:42:53,359
very competent researcher in brazil

1012
00:42:58,309 --> 00:42:55,680
colin marco relu

1013
00:43:01,750 --> 00:42:58,319

the world will know him a lot because he

1014

00:43:04,069 --> 00:43:01,760

has a very very big participation in

1015

00:43:06,630 --> 00:43:04,079

james fox next documentary moment of

1016

00:43:09,750 --> 00:43:06,640

contact he was the main adviser and

1017

00:43:13,030 --> 00:43:09,760

producer of james fox for this

1018

00:43:16,150 --> 00:43:13,040

documentary marco aurelius

1019

00:43:18,870 --> 00:43:16,160

presented to to james fox all these of

1020

00:43:20,069 --> 00:43:18,880

the witnesses that he interviewed in the

1021

00:43:24,230 --> 00:43:20,079

commentary

1022

00:43:27,349 --> 00:43:24,240

and i i think marco will have a a big

1023

00:43:29,750 --> 00:43:27,359

big hole in ufo twitter and this topic

1024

00:43:31,270 --> 00:43:29,760

and then after the the release of the

1025

00:43:33,109 --> 00:43:31,280

documentary

1026

00:43:35,510 --> 00:43:33,119

yeah thank you i've been lucky enough to

1027

00:43:37,109 --> 00:43:35,520

see an advanced copy of the documentary

1028

00:43:39,270 --> 00:43:37,119

and the amount of

1029

00:43:40,470 --> 00:43:39,280

testimony and witnesses in it is is

1030

00:43:42,309 --> 00:43:40,480

unbelievable

1031

00:43:44,069 --> 00:43:42,319

uh well listen ronnie thank you so much

1032

00:43:45,990 --> 00:43:44,079

for joining me today i really do

1033

00:43:47,910 --> 00:43:46,000

appreciate it we got through the

1034

00:43:50,390 --> 00:43:47,920

technical hitches at the start and

1035

00:43:52,230 --> 00:43:50,400

that's been a fascinating conversation

1036

00:43:54,069 --> 00:43:52,240

hopefully in the future there'll be more

1037

00:43:55,670 --> 00:43:54,079

hearings in brazil and i'd love to have

1038

00:43:57,510 --> 00:43:55,680

you back to discuss them when they

1039

00:43:59,510 --> 00:43:57,520

happen

1040

00:44:01,430 --> 00:43:59,520

thank you very much thank vinnie thanks

1041

00:44:03,349 --> 00:44:01,440

for disclosing tim

1042

00:44:04,150 --> 00:44:03,359

thank you for everyone that watcher from

1043

00:44:08,870 --> 00:44:04,160

the

1044

00:44:11,190 --> 00:44:08,880

uh i i hope that i i

1045

00:44:13,430 --> 00:44:11,200

i could respond to all the questions

1046

00:44:15,829 --> 00:44:13,440

that you had uh i think was a good

1047

00:44:19,109 --> 00:44:15,839

conversation and i i hope to to talk

1048

00:44:21,030 --> 00:44:19,119

with you soon uh because i think brazil

1049

00:44:23,910 --> 00:44:21,040

have the the a lot of

1050

00:44:25,510 --> 00:44:23,920

big news coming in the next month

1051

00:44:27,030 --> 00:44:25,520

that's wonderful

1052

00:44:29,030 --> 00:44:27,040

to everyone watching thank you for

1053

00:44:32,150 --> 00:44:29,040

everyone in the chat some fantastic

1054

00:44:34,309 --> 00:44:32,160

questions and it's always good to see so

1055

00:44:36,870 --> 00:44:34,319

many cool people having a great chat and

1056

00:44:40,870 --> 00:44:36,880

a great time i'm going to be back this

1057

00:44:44,870 --> 00:44:40,880

friday with brit barbieri she is a ufo

1058

00:44:46,630 --> 00:44:44,880

researcher a cryptozoologist and also a

1059

00:44:48,309 --> 00:44:46,640

researcher of the paranormal so

1060

00:44:50,550 --> 00:44:48,319

something a little bit different on

1061

00:44:52,790 --> 00:44:50,560

friday but for now everyone enjoy the
