[Music]

2
00:00:12,160 --> 00:00:16,600

oh

3
00:00:16,610 --> 00:00:39,270

[Music]

4
00:00:43,270 --> 00:00:41,910
happy friday everybody and welcome back

5
00:00:45,990 --> 00:00:43,280

to the show

6
00:00:48,150 --> 00:00:46,000
i'm your host vinnie adams it is good to

7
00:00:51,029 --> 00:00:48,160
be here as always good to see you guys

8
00:00:53,270 --> 00:00:51,039
in the live chat um before i bring on my

9
00:00:56,150 --> 00:00:53,280
guest i just want to say thank you to

10
00:00:57,430 --> 00:00:56,160
everybody who has watched

11
00:00:59,110 --> 00:00:57,440
commented

12
00:01:01,349 --> 00:00:59,120
reviewed the

13
00:01:03,270 --> 00:01:01,359

phenomenology documentary series that we

14

00:01:05,189 --> 00:01:03,280

filmed in colombia earlier in the year

15

00:01:07,830 --> 00:01:05,199

we've had such an overwhelming amount of

16

00:01:09,109 --> 00:01:07,840

support and feedback so thank you guys

17

00:01:11,030 --> 00:01:09,119

so much

18

00:01:14,070 --> 00:01:11,040

um we have just announced that you can

19

00:01:17,830 --> 00:01:14,080

now rent the following episodes after

20

00:01:20,550 --> 00:01:17,840

the free one for 3.99 each which is you

21

00:01:22,630 --> 00:01:20,560

know the price of a coffee so the links

22

00:01:23,910 --> 00:01:22,640

are in the uh description of this video

23

00:01:25,270 --> 00:01:23,920

somewhere if you want to go and check

24

00:01:27,670 --> 00:01:25,280

out phenomenology and you haven't

25

00:01:29,510 --> 00:01:27,680

already but uh yeah thank you guys so

26

00:01:31,670 --> 00:01:29,520

much but let's not waste any more time

27

00:01:34,230 --> 00:01:31,680

um i've wanted to speak to my guest for

28

00:01:37,030 --> 00:01:34,240

some time now she is

29

00:01:39,429 --> 00:01:37,040

a ufo researcher cryptozoology

30

00:01:41,670 --> 00:01:39,439

paranormal she covers everything but

31

00:01:44,469 --> 00:01:41,680

she's not just a researcher she's also a

32

00:01:46,630 --> 00:01:44,479

boots on the ground investigator which i

33

00:01:48,389 --> 00:01:46,640

always uh have so much respect for

34

00:01:51,350 --> 00:01:48,399

people that actually get out

35

00:01:53,190 --> 00:01:51,360

and get down and dirty in the field so

36

00:01:55,350 --> 00:01:53,200

guys um

37

00:01:58,069 --> 00:01:55,360

put your hands together for my guest

38

00:02:00,149 --> 00:01:58,079

brit barbieri brit how are you

39

00:02:01,830 --> 00:02:00,159

i'm good vinnie thank you for the

40

00:02:03,749 --> 00:02:01,840

wonderful introduction

41

00:02:05,749 --> 00:02:03,759

hey my pleasure did i pronounce your

42

00:02:08,869 --> 00:02:05,759

surname okay

43

00:02:11,350 --> 00:02:08,879

barbieri yeah yeah cool i was panicking

44

00:02:13,350 --> 00:02:11,360

on that for a while today so i'm glad i

45

00:02:14,949 --> 00:02:13,360

got it i i'm doing good thank you so

46

00:02:16,470 --> 00:02:14,959

much um

47

00:02:19,270 --> 00:02:16,480

i'm just gonna

48

00:02:21,030 --> 00:02:19,280

switch my screen get you up there and we

49

00:02:22,869 --> 00:02:21,040

will shoot with the first question i

50

00:02:25,430 --> 00:02:22,879

would just love to know about what got

51
00:02:28,309 --> 00:02:25,440
you into these you know fringe i guess

52
00:02:30,869 --> 00:02:28,319
their fringe subjects ufos bigfoot where

53
00:02:32,710 --> 00:02:30,879
did it all start for you

54
00:02:34,309 --> 00:02:32,720
um it started i'll apologize really

55
00:02:37,030 --> 00:02:34,319
quick for my voice coming back from

56
00:02:38,470 --> 00:02:37,040
roswell it's it's gone um

57
00:02:40,150 --> 00:02:38,480
it started when i was really young you

58
00:02:42,070 --> 00:02:40,160
know i grew up in essex park colorado

59
00:02:44,470 --> 00:02:42,080
but my family i was born in tucson

60
00:02:46,949 --> 00:02:44,480
arizona so very much an out west girl

61
00:02:49,190 --> 00:02:46,959
horseback riding so forth um growing up

62
00:02:50,949 --> 00:02:49,200
in the woods and when i was really

63
00:02:52,390 --> 00:02:50,959

little my my parents used to talk about

64

00:02:53,670 --> 00:02:52,400

lights they used to see in the sky that

65

00:02:55,589 --> 00:02:53,680

would do erratic patterns and then

66

00:02:57,270 --> 00:02:55,599

disappear as i was a little girl you're

67

00:02:58,869 --> 00:02:57,280

kind of like though it's amazing you

68

00:03:01,430 --> 00:02:58,879

know and my dad and i would sit on the

69

00:03:02,790 --> 00:03:01,440

front porch and look up at the sky um

70

00:03:03,990 --> 00:03:02,800

and he would talk to me about planets in

71

00:03:05,830 --> 00:03:04,000

life and civilizations that could

72

00:03:07,430 --> 00:03:05,840

possibly be another planet so from we're

73

00:03:08,229 --> 00:03:07,440

talking like three four five i remember

74

00:03:09,990 --> 00:03:08,239

these

75

00:03:11,670 --> 00:03:10,000

um and then also growing up in the in

76
00:03:13,030 --> 00:03:11,680
the mountains we had several experiences

77
00:03:15,270 --> 00:03:13,040
in hunters that talked about you know

78
00:03:17,270 --> 00:03:15,280
sasquatch and there was an incident we

79
00:03:19,030 --> 00:03:17,280
had a lot of exotic animals on our farm

80
00:03:20,470 --> 00:03:19,040
and my dad was out of town with business

81
00:03:21,750 --> 00:03:20,480
and my mom and i were feeding the

82
00:03:23,030 --> 00:03:21,760
animals and there were seven of us but i

83
00:03:24,309 --> 00:03:23,040
was the youngest so a lot of my older

84
00:03:25,830 --> 00:03:24,319
brothers sisters had already moved out

85
00:03:28,470 --> 00:03:25,840
so i was helping my mom

86
00:03:30,949 --> 00:03:28,480
and something made

87
00:03:32,550 --> 00:03:30,959
the most horrific sound from directly

88
00:03:33,990 --> 00:03:32,560

across from us and we're on the mountain

89

00:03:35,910 --> 00:03:34,000

we're in the rockies and so your

90

00:03:36,789 --> 00:03:35,920

neighbor is several miles from you in a

91

00:03:39,670 --> 00:03:36,799

sense

92

00:03:41,750 --> 00:03:39,680

um or several acres excuse me from you

93

00:03:43,350 --> 00:03:41,760

and uh we just i dropped the grain

94

00:03:44,949 --> 00:03:43,360

bucket ran in the house left my mom

95

00:03:46,550 --> 00:03:44,959

outside in the barn freaking out you

96

00:03:49,910 --> 00:03:46,560

know i was like eight years old

97

00:03:52,869 --> 00:03:49,920

and i come back out i'm like mom

98

00:03:55,270 --> 00:03:52,879

sorry big bad got you um but you know we

99

00:03:57,350 --> 00:03:55,280

grew up hearing the sounds of bobcat and

100

00:03:58,710 --> 00:03:57,360

mountain lion and bear so and dears

101
00:04:00,630 --> 00:03:58,720
being killed you know that sounds like a

102
00:04:02,789 --> 00:04:00,640
woman being murdered so these sounds

103
00:04:04,789 --> 00:04:02,799
were very familiar to me growing up but

104
00:04:06,229 --> 00:04:04,799
this was not that and then when i shared

105
00:04:07,830 --> 00:04:06,239
it with my older brother

106
00:04:09,350 --> 00:04:07,840
he then was like okay i'm gonna tell you

107
00:04:11,030 --> 00:04:09,360
about something that happened to dad and

108
00:04:12,630 --> 00:04:11,040
i and you know john and josh and my

109
00:04:14,470 --> 00:04:12,640
other brothers when they were hiking

110
00:04:16,229 --> 00:04:14,480
behind the house and something observed

111
00:04:17,430 --> 00:04:16,239
them watch them made noises and then

112
00:04:19,349 --> 00:04:17,440
chase them

113
00:04:21,110 --> 00:04:19,359

and so you know all this started

114

00:04:22,550 --> 00:04:21,120

happening and so as a young kid i wanted

115

00:04:24,310 --> 00:04:22,560

to know more and then my parents

116

00:04:26,310 --> 00:04:24,320

introduced me to jaylen heineck and

117

00:04:28,950 --> 00:04:26,320

project boob book and you know close

118

00:04:30,310 --> 00:04:28,960

encounters and so from that point in my

119

00:04:31,990 --> 00:04:30,320

life you know the first time i ever saw

120

00:04:33,909 --> 00:04:32,000

a ghost i was four it was a native

121

00:04:36,150 --> 00:04:33,919

american in the basement of my house in

122

00:04:38,150 --> 00:04:36,160

colorado and

123

00:04:39,909 --> 00:04:38,160

it all like spiraled out of control for

124

00:04:42,390 --> 00:04:39,919

me and it was kind of like destiny was

125

00:04:44,870 --> 00:04:42,400

like pushing me in that direction so i

126

00:04:46,950 --> 00:04:44,880

couldn't just be in one field like there

127

00:04:48,870 --> 00:04:46,960

was so much to the paranormal that i was

128

00:04:50,150 --> 00:04:48,880

like i can't just do one thing i've got

129

00:04:51,990 --> 00:04:50,160

to do it all

130

00:04:53,350 --> 00:04:52,000

so i started very young and i think i'm

131

00:04:54,950 --> 00:04:53,360

the only person alive today still has

132

00:04:56,870 --> 00:04:54,960

library cards

133

00:04:59,430 --> 00:04:56,880

because i enjoy going and reading books

134

00:05:02,710 --> 00:04:59,440

at the library but yeah so that's how it

135

00:05:04,790 --> 00:05:02,720

all kind of spiraled spiraled for me to

136

00:05:06,790 --> 00:05:04,800

go and do these things and i was very

137

00:05:08,390 --> 00:05:06,800

encouraged by my family to

138

00:05:10,710 --> 00:05:08,400

be the change and be the difference and

139

00:05:12,629 --> 00:05:10,720

stand out so that's what i did

140

00:05:14,710 --> 00:05:12,639

that's amazing and it's so good to have

141

00:05:16,070 --> 00:05:14,720

a supportive family behind you you know

142

00:05:17,990 --> 00:05:16,080

and that was going to be one of my

143

00:05:19,990 --> 00:05:18,000

questions how do your family feel about

144

00:05:21,510 --> 00:05:20,000

it because some people experience a lot

145

00:05:23,510 --> 00:05:21,520

of stigma directly just from their

146

00:05:25,029 --> 00:05:23,520

family members and friends like you know

147

00:05:26,870 --> 00:05:25,039

why are they looking into this weird

148

00:05:28,790 --> 00:05:26,880

stuff so it sounds like that you you

149

00:05:30,310 --> 00:05:28,800

kind of don't get that which is pretty

150

00:05:31,830 --> 00:05:30,320

cool so uh

151
00:05:34,310 --> 00:05:31,840
yeah that's awesome so do you have like

152
00:05:36,310 --> 00:05:34,320
a favorite area area of study that

153
00:05:39,029 --> 00:05:36,320
really sort of stands above the rest or

154
00:05:40,710 --> 00:05:39,039
does it change depending

155
00:05:42,469 --> 00:05:40,720
no i mean like

156
00:05:45,029 --> 00:05:42,479
you know for the longest time i did

157
00:05:47,430 --> 00:05:45,039
paranormal investigating for for ghosts

158
00:05:50,230 --> 00:05:47,440
and you know you do it for so long

159
00:05:52,550 --> 00:05:50,240
but my favorite that and no offense

160
00:05:55,270 --> 00:05:52,560
but my favorite that i always came back

161
00:05:56,150 --> 00:05:55,280
to was uh ufology and cryptozoology and

162
00:05:57,990 --> 00:05:56,160
because

163
00:05:59,990 --> 00:05:58,000

for me growing up with animals and was

164

00:06:01,510 --> 00:06:00,000

an animal trainer handler i worked a lot

165

00:06:03,510 --> 00:06:01,520

with different people my brother owns a

166

00:06:05,510 --> 00:06:03,520

facility and you know

167

00:06:06,390 --> 00:06:05,520

being in that world and training exotic

168

00:06:08,629 --> 00:06:06,400

animals

169

00:06:10,710 --> 00:06:08,639

i learned a lot about the science behind

170

00:06:11,990 --> 00:06:10,720

how animals don't really go extinct even

171

00:06:14,150 --> 00:06:12,000

though they're no longer on the record

172

00:06:16,070 --> 00:06:14,160

we just lose them we must track them and

173

00:06:17,590 --> 00:06:16,080

then that's why they get rediscovered

174

00:06:20,870 --> 00:06:17,600

and so

175

00:06:22,469 --> 00:06:20,880

cryptozoology kind of became a real

176

00:06:24,550 --> 00:06:22,479

a real good topic for me because i

177

00:06:26,070 --> 00:06:24,560

wanted to try and discover animals that

178

00:06:27,990 --> 00:06:26,080

were said to be extinct you know and

179

00:06:29,029 --> 00:06:28,000

then the more i dug into it there was so

180

00:06:32,070 --> 00:06:29,039

much

181

00:06:33,830 --> 00:06:32,080

aligned with it with real zoology that

182

00:06:35,510 --> 00:06:33,840

it didn't make sense why it wasn't being

183

00:06:36,870 --> 00:06:35,520

taught you know we're not saying these

184

00:06:39,430 --> 00:06:36,880

are monsters we're saying these are

185

00:06:41,510 --> 00:06:39,440

actual animals that do exist

186

00:06:42,950 --> 00:06:41,520

and so it was it just always blew my

187

00:06:45,510 --> 00:06:42,960

mind that you know bigfoot was this

188

00:06:47,270 --> 00:06:45,520

ridiculous monster when through history

189

00:06:48,469 --> 00:06:47,280

he's nothing more than a primate that

190

00:06:49,909 --> 00:06:48,479

lived and

191

00:06:51,830 --> 00:06:49,919

kind of

192

00:06:53,990 --> 00:06:51,840

reside next to the native american

193

00:06:55,830 --> 00:06:54,000

tribes of america and other countries so

194

00:06:58,150 --> 00:06:55,840

i just didn't understand why

195

00:06:59,749 --> 00:06:58,160

it was this crazy monstrous beast and it

196

00:07:02,070 --> 00:06:59,759

wasn't looked at as like a actual

197

00:07:04,309 --> 00:07:02,080

primate so that it was one of my

198

00:07:05,189 --> 00:07:04,319

favorites but then ufology really

199

00:07:07,510 --> 00:07:05,199

it's

200

00:07:10,070 --> 00:07:07,520

you know who can't talk about 1947

201
00:07:12,950 --> 00:07:10,080
without getting a a big fire in their

202
00:07:14,309 --> 00:07:12,960
soul to just go and take down the world

203
00:07:16,550 --> 00:07:14,319
absolutely

204
00:07:18,150 --> 00:07:16,560
those two are my uh you know i will go

205
00:07:19,830 --> 00:07:18,160
on investigation if someone asked me to

206
00:07:21,749 --> 00:07:19,840
go and do paranormal investigating any

207
00:07:23,029 --> 00:07:21,759
time and paranormal is a big spectrum

208
00:07:24,469 --> 00:07:23,039
but when you talk about like ghost

209
00:07:26,469 --> 00:07:24,479
investigating or hauntings and things

210
00:07:29,830 --> 00:07:26,479
like that i will go but they're not my

211
00:07:31,749 --> 00:07:29,840
favorite my favorite is cryptid and

212
00:07:33,749 --> 00:07:31,759
hands down by far

213
00:07:35,670 --> 00:07:33,759

excellent let's just stick with bigfoot

214

00:07:37,510 --> 00:07:35,680

for a minute and you mentioned about it

215

00:07:39,749 --> 00:07:37,520

being you know like a proper primate and

216

00:07:41,670 --> 00:07:39,759

not a monster do you think

217

00:07:44,390 --> 00:07:41,680

the gigantopithecus

218

00:07:45,430 --> 00:07:44,400

is the same thing as bigfoot

219

00:07:50,550 --> 00:07:45,440

i do

220

00:07:52,629 --> 00:07:50,560

wholeheartedly i think that that is a

221

00:07:55,270 --> 00:07:52,639

i think it gets overlooked a lot mostly

222

00:07:56,790 --> 00:07:55,280

through media and television um because

223

00:07:59,430 --> 00:07:56,800

i've had this discussion with professor

224

00:08:00,790 --> 00:07:59,440

jeff meldrum on many many times about

225

00:08:02,309 --> 00:08:00,800

you know the the land bridges that

226

00:08:03,990 --> 00:08:02,319

people seem to forget about and the ice

227

00:08:06,230 --> 00:08:04,000

bridges that people think is not

228

00:08:07,749 --> 00:08:06,240

possible but it wasn't like ice bridges

229

00:08:09,589 --> 00:08:07,759

if you actually go and look at the maps

230

00:08:12,390 --> 00:08:09,599

it wasn't like what we think it looked

231

00:08:14,550 --> 00:08:12,400

like um and so yeah i firmly believe

232

00:08:16,469 --> 00:08:14,560

that you know they they that's where it

233

00:08:18,469 --> 00:08:16,479

came from and of course that's orangutan

234

00:08:21,510 --> 00:08:18,479

so we know we have the line of orangutan

235

00:08:23,510 --> 00:08:21,520

that came from the gigantopithecus so

236

00:08:25,430 --> 00:08:23,520

i i don't see why it's so crazy to think

237

00:08:27,029 --> 00:08:25,440

that they're still out there you know

238

00:08:28,629 --> 00:08:27,039

maybe the numbers are smaller but yeah i

239

00:08:30,150 --> 00:08:28,639

do think there's a huge connection there

240

00:08:32,709 --> 00:08:30,160

absolutely

241

00:08:34,630 --> 00:08:32,719

you get a lot of naysayers and skeptics

242

00:08:36,790 --> 00:08:34,640

well in all fields but i think what i've

243

00:08:38,389 --> 00:08:36,800

come across in the little bit of the big

244

00:08:40,389 --> 00:08:38,399

field that i've you know watched and

245

00:08:41,829 --> 00:08:40,399

looked into the

246

00:08:43,430 --> 00:08:41,839

the first thing people say is well how

247

00:08:45,670 --> 00:08:43,440

come we've never really you know seen

248

00:08:48,470 --> 00:08:45,680

one with definitive video evidence and

249

00:08:50,070 --> 00:08:48,480

how do they remain hidden so well

250

00:08:52,949 --> 00:08:50,080

how do you kind of deal with questions

251

00:08:56,310 --> 00:08:54,550

i okay so

252

00:08:58,870 --> 00:08:56,320

i get that a lot too actually i hear

253

00:09:00,949 --> 00:08:58,880

that quite a bit um

254

00:09:02,470 --> 00:09:00,959

i always like to describe it as so let's

255

00:09:04,470 --> 00:09:02,480

imagine you're in your home and there's

256

00:09:06,150 --> 00:09:04,480

a burglar coming in

257

00:09:07,590 --> 00:09:06,160

you know your house better than anybody

258

00:09:09,190 --> 00:09:07,600

including this burglar and you're going

259

00:09:11,190 --> 00:09:09,200

to know the best hiding spot not to be

260

00:09:12,630 --> 00:09:11,200

seen so that burglar might see you in a

261

00:09:13,750 --> 00:09:12,640

shadow very quickly but you're going to

262

00:09:15,350 --> 00:09:13,760

know where to hide your family to

263

00:09:16,389 --> 00:09:15,360

protect them

264

00:09:18,310 --> 00:09:16,399

and so

265

00:09:20,470 --> 00:09:18,320

that burglar does not and the woods are

266

00:09:21,590 --> 00:09:20,480

so dense and you can be walking and

267

00:09:23,190 --> 00:09:21,600

growing up in the rockies you can be

268

00:09:25,829 --> 00:09:23,200

walking and walk right up on a grizzly

269

00:09:26,710 --> 00:09:25,839

and not know it not know it at all

270

00:09:29,590 --> 00:09:26,720

um

271

00:09:31,509 --> 00:09:29,600

and so for me it's

272

00:09:33,590 --> 00:09:31,519

when it comes to proof of evidence of

273

00:09:35,190 --> 00:09:33,600

videos i think there are true videos

274

00:09:37,269 --> 00:09:35,200

that are getting kind of washed in with

275

00:09:39,190 --> 00:09:37,279

a lot of fakes and a lot of hoaxes so

276

00:09:40,790 --> 00:09:39,200

people our natural mind immediately goes

277

00:09:43,269 --> 00:09:40,800

oh that's a fake too because it's too

278

00:09:45,509 --> 00:09:43,279

good the problem is those two good ones

279

00:09:47,509 --> 00:09:45,519

i think are true authentic videos and

280

00:09:48,949 --> 00:09:47,519

they're being labeled as fakes and

281

00:09:50,630 --> 00:09:48,959

unfortunately the general public when

282

00:09:51,670 --> 00:09:50,640

this happens they don't have anyone to

283

00:09:54,230 --> 00:09:51,680

turn to

284

00:09:55,829 --> 00:09:54,240

um to say look at this is what i saw

285

00:09:57,430 --> 00:09:55,839

because immediately it's oh you faked it

286

00:09:58,790 --> 00:09:57,440

or oh you're just crazy you're one of

287

00:10:00,470 --> 00:09:58,800

those crazy people that saw something

288

00:10:01,509 --> 00:10:00,480

and they did it it's real

289

00:10:03,350 --> 00:10:01,519

um

290

00:10:04,949 --> 00:10:03,360

and the woods you know if you've grown

291

00:10:06,790 --> 00:10:04,959

up in them or you've hunted in them or

292

00:10:09,430 --> 00:10:06,800

you know them really well

293

00:10:12,069 --> 00:10:09,440

you grow to know that the woods

294

00:10:13,910 --> 00:10:12,079

are are a massive disguise and it's a

295

00:10:15,670 --> 00:10:13,920

huge camouflage pit

296

00:10:17,509 --> 00:10:15,680

so it doesn't matter what size you are

297

00:10:20,470 --> 00:10:17,519

even when grizzly bear stands up it will

298

00:10:22,710 --> 00:10:20,480

go completely invisible to the naked eye

299

00:10:24,630 --> 00:10:22,720

if you don't know the woods

300

00:10:26,949 --> 00:10:24,640

and and i i have my own theories i do

301

00:10:28,470 --> 00:10:26,959

think sasquatch are able to climb

302

00:10:30,550 --> 00:10:28,480

and i think they can hide in trees very

303

00:10:32,550 --> 00:10:30,560

well above you as well as i do believe

304

00:10:35,509 --> 00:10:32,560

that because of the primate that they

305

00:10:37,110 --> 00:10:35,519

are they are able to go on knuckles and

306

00:10:39,990 --> 00:10:37,120

if you've ever watched a gorilla or a

307

00:10:41,990 --> 00:10:40,000

rang run on all fours and take off

308

00:10:44,470 --> 00:10:42,000

there's no trace of footprints there's

309

00:10:45,670 --> 00:10:44,480

no trace of dirt there's minor scuffs

310

00:10:47,430 --> 00:10:45,680

and in the woods you're not looking for

311

00:10:49,350 --> 00:10:47,440

scuffs you're looking for tracks and

312

00:10:52,710 --> 00:10:49,360

that can be extremely overlooked and you

313

00:10:54,550 --> 00:10:52,720

can gain so much speed so quickly if you

314

00:10:57,509 --> 00:10:54,560

know the area if you're on all fours

315

00:10:59,269 --> 00:10:57,519

taken off in in as far as an ape goes

316

00:11:00,710 --> 00:10:59,279

you know so that's something that i

317

00:11:02,230 --> 00:11:00,720

think heavily needs to always be

318

00:11:03,670 --> 00:11:02,240

considered when they go the tracks have

319

00:11:05,829 --> 00:11:03,680

just disappeared

320

00:11:07,350 --> 00:11:05,839

well you certainly didn't consider the

321

00:11:09,190 --> 00:11:07,360

fact that they could take off running

322

00:11:11,030 --> 00:11:09,200

and two you maybe you haven't looked up

323

00:11:12,790 --> 00:11:11,040

you know and bears hide above us all the

324

00:11:14,710 --> 00:11:12,800

time my god i can't tell you many times

325

00:11:16,310 --> 00:11:14,720

in colorado you'd look up you're like

326

00:11:19,190 --> 00:11:16,320

there's no bear in the tree

327

00:11:21,110 --> 00:11:19,200

oh my god he's like i love us

328

00:11:23,350 --> 00:11:21,120

we didn't even hear you

329

00:11:25,110 --> 00:11:23,360

so these are things to consider

330

00:11:26,790 --> 00:11:25,120

you know so that you know that's that's

331

00:11:29,190 --> 00:11:26,800

a big problem of mine is a lot of times

332

00:11:30,230 --> 00:11:29,200

when they do these series or

333

00:11:31,829 --> 00:11:30,240

media and things like that when they

334

00:11:32,870 --> 00:11:31,839

they have these discussions it's because

335

00:11:33,670 --> 00:11:32,880

a lot of the people they're putting out

336

00:11:35,590 --> 00:11:33,680

in the middle of the woods have never

337

00:11:37,030 --> 00:11:35,600

been in the woods before so they don't

338

00:11:39,350 --> 00:11:37,040

really know

339

00:11:40,790 --> 00:11:39,360

what exactly to look for or feel very

340

00:11:43,509 --> 00:11:40,800

comfortable in the woods so everything

341

00:11:45,750 --> 00:11:43,519

is kind of scary to them

342

00:11:47,190 --> 00:11:45,760

yeah no thank you for that um let's talk

343

00:11:49,590 --> 00:11:47,200

about other cryptids do you have any

344

00:11:51,910 --> 00:11:49,600

others that like really i guess again

345

00:11:54,150 --> 00:11:51,920

are your favorites to to research to

346

00:11:56,710 --> 00:11:54,160

watch videos on and like because i mean

347

00:11:59,670 --> 00:11:56,720

it's quite a broad spectrum of you know

348

00:12:02,870 --> 00:11:59,680

different creatures let's say

349

00:12:05,670 --> 00:12:02,880

in the in the cryptid space there are

350

00:12:08,230 --> 00:12:05,680

i would say hundreds of possible other

351
00:12:10,230 --> 00:12:08,240
cryptids out there um because most

352
00:12:12,550 --> 00:12:10,240
countries have kind of their own version

353
00:12:13,990 --> 00:12:12,560
of bigfoot um

354
00:12:15,190 --> 00:12:14,000
you have different fairies which is

355
00:12:16,389 --> 00:12:15,200
considered encrypted which always

356
00:12:18,710 --> 00:12:16,399
fascinate me because i considered that

357
00:12:20,629 --> 00:12:18,720
more folklore um

358
00:12:23,190 --> 00:12:20,639
but as far as cryptid goes

359
00:12:24,949 --> 00:12:23,200
i've always leaned to

360
00:12:27,350 --> 00:12:24,959
now again the chupacabra i believe is a

361
00:12:28,629 --> 00:12:27,360
canine i think that's just a type of dog

362
00:12:31,030 --> 00:12:28,639
which again

363
00:12:33,430 --> 00:12:31,040

was basically discovered in texas yet

364

00:12:35,269 --> 00:12:33,440

for some reason science is saying ah

365

00:12:38,069 --> 00:12:35,279

it's nothing it's nothing but there is a

366

00:12:40,150 --> 00:12:38,079

crazy looking canine dog in texas and

367

00:12:41,829 --> 00:12:40,160

through mexico that looks like it has

368

00:12:44,629 --> 00:12:41,839

mange but the underbite and the weight

369

00:12:46,550 --> 00:12:44,639

it has these weird um bone nodules on

370

00:12:49,829 --> 00:12:46,560

the back of its hind quarters that's

371

00:12:52,550 --> 00:12:49,839

quite compelling to me to go what kind

372

00:12:54,870 --> 00:12:52,560

of canine is this you know

373

00:12:56,389 --> 00:12:54,880

um and then you know of course in in the

374

00:12:58,870 --> 00:12:56,399

cryptic space there's also loch ness

375

00:13:01,269 --> 00:12:58,880

which has always fascinated me because

376

00:13:03,190 --> 00:13:01,279

i've always believed that dinosaurs

377

00:13:04,470 --> 00:13:03,200

and to a certain extent i want to watch

378

00:13:05,350 --> 00:13:04,480

how i say that people don't think i'm

379

00:13:08,069 --> 00:13:05,360

crazy

380

00:13:11,190 --> 00:13:08,079

do still exist today um and the reason i

381

00:13:13,509 --> 00:13:11,200

like to combat that is because

382

00:13:15,269 --> 00:13:13,519

knowing crocodilian species and

383

00:13:17,509 --> 00:13:15,279

alligator species they have not changed

384

00:13:19,430 --> 00:13:17,519

much since the time of the dinosaurs

385

00:13:20,389 --> 00:13:19,440

they are like a living dinosaur today

386

00:13:22,550 --> 00:13:20,399

and so

387

00:13:24,389 --> 00:13:22,560

i look at a lot of animals that have not

388

00:13:26,069 --> 00:13:24,399

really changed much from that time that

389

00:13:28,550 --> 00:13:26,079

are still alive today

390

00:13:30,230 --> 00:13:28,560

that it does make me wonder about the

391

00:13:33,110 --> 00:13:30,240

successes of some of these other animals

392

00:13:34,710 --> 00:13:33,120

especially ocean bound because the ocean

393

00:13:37,110 --> 00:13:34,720

in truth is only been five percent

394

00:13:39,269 --> 00:13:37,120

discovered so

395

00:13:41,670 --> 00:13:39,279

you know i have theories and megalodon

396

00:13:43,509 --> 00:13:41,680

of course is another one um

397

00:13:45,189 --> 00:13:43,519

that as a scuba diver

398

00:13:46,629 --> 00:13:45,199

i i and i've seen

399

00:13:48,550 --> 00:13:46,639

plenty of photos and sharks and people

400

00:13:50,629 --> 00:13:48,560

sending me uh photos saying you know we

401
00:13:51,509 --> 00:13:50,639
took this picture and i can't explain it

402
00:13:53,990 --> 00:13:51,519
and

403
00:13:56,470 --> 00:13:54,000
it's you know a great white with a

404
00:13:58,550 --> 00:13:56,480
ginormous chunk out of it and it's not

405
00:13:59,990 --> 00:13:58,560
like an orchid did this you know orca

406
00:14:01,670 --> 00:14:00,000
wouldn't have done this it this is

407
00:14:03,110 --> 00:14:01,680
another shark bite

408
00:14:04,470 --> 00:14:03,120
you can tell by the way the teeth are

409
00:14:06,310 --> 00:14:04,480
and

410
00:14:08,470 --> 00:14:06,320
it leaves me to believe

411
00:14:10,629 --> 00:14:08,480
that there's a possibility of a lineage

412
00:14:12,629 --> 00:14:10,639
of megalodon still around but i believe

413
00:14:13,750 --> 00:14:12,639

with the water temperatures changing and

414

00:14:15,269 --> 00:14:13,760

fluctuating as we've seen with the

415

00:14:17,910 --> 00:14:15,279

whales they have to go where the food

416

00:14:20,069 --> 00:14:17,920

sources are and how they need to survive

417

00:14:21,990 --> 00:14:20,079

and there are some really deep parts of

418

00:14:23,750 --> 00:14:22,000

the ocean that we can't get to and i

419

00:14:26,949 --> 00:14:23,760

just

420

00:14:28,949 --> 00:14:26,959

you know and i'm fine jumping in it

421

00:14:31,189 --> 00:14:28,959

doesn't scare me if i see one i'm just

422

00:14:33,110 --> 00:14:31,199

gonna be so thrilled like it doesn't

423

00:14:35,030 --> 00:14:33,120

scare me at all because you know it is

424

00:14:36,470 --> 00:14:35,040

what it is but

425

00:14:38,389 --> 00:14:36,480

i just like to believe that some of

426
00:14:40,389 --> 00:14:38,399
these things still exist and i just

427
00:14:42,230 --> 00:14:40,399
don't want to close the door on them yet

428
00:14:43,430 --> 00:14:42,240
we can't say definitively that they

429
00:14:45,030 --> 00:14:43,440
don't

430
00:14:46,629 --> 00:14:45,040
no that's completely fair enough you

431
00:14:47,670 --> 00:14:46,639
know leave things on the table until

432
00:14:48,629 --> 00:14:47,680
they can be

433
00:14:51,829 --> 00:14:48,639
proven

434
00:14:53,910 --> 00:14:51,839
conclusively to to not exist or to exist

435
00:14:56,310 --> 00:14:53,920
so yeah i'm with you there and i like

436
00:14:58,150 --> 00:14:56,320
the idea of dinosaurs still living i was

437
00:15:00,150 --> 00:14:58,160
fascinated by them as a kid although i

438
00:15:02,870 --> 00:15:00,160

do get a slight jurassic park vibes

439

00:15:05,110 --> 00:15:02,880

about it but

440

00:15:07,269 --> 00:15:05,120

who didn't love jurassic park as a kid

441

00:15:08,790 --> 00:15:07,279

though i mean come on

442

00:15:10,629 --> 00:15:08,800

yeah absolutely

443

00:15:12,710 --> 00:15:10,639

um so let's move on and let's let's get

444

00:15:14,629 --> 00:15:12,720

to ufos because they're you know that's

445

00:15:16,069 --> 00:15:14,639

that's why we're here really i suppose

446

00:15:18,389 --> 00:15:16,079

and i'd like to start by talking about

447

00:15:20,710 --> 00:15:18,399

your podcast because not only do you

448

00:15:22,949 --> 00:15:20,720

host a podcast that way it covers all

449

00:15:26,550 --> 00:15:22,959

subjects but you host it alongside don

450

00:15:28,150 --> 00:15:26,560

schmidt of yes roswell fame so how on

451
00:15:29,350 --> 00:15:28,160
earth did that come about how did you

452
00:15:31,110 --> 00:15:29,360
meet don

453
00:15:31,990 --> 00:15:31,120
it's fascinating

454
00:15:32,870 --> 00:15:32,000
so

455
00:15:34,710 --> 00:15:32,880
um

456
00:15:37,749 --> 00:15:34,720
i've been in the industry since i was a

457
00:15:40,230 --> 00:15:37,759
little girl um and so

458
00:15:42,069 --> 00:15:40,240
i ended up working on a project it was a

459
00:15:44,710 --> 00:15:42,079
little over five years ago now

460
00:15:46,310 --> 00:15:44,720
and i've always idolized of course jail

461
00:15:47,990 --> 00:15:46,320
and hynek you know of course growing up

462
00:15:48,870 --> 00:15:48,000
that was like oh my gosh

463
00:15:53,509 --> 00:15:48,880

and

464

00:15:54,870 --> 00:15:53,519

donald schmidt i mean these are two like

465

00:15:56,790 --> 00:15:54,880

tom carrey you know these are gentlemen

466

00:15:58,790 --> 00:15:56,800

that were like kicking down doors and

467

00:16:01,189 --> 00:15:58,800

taking names you know after after blue

468

00:16:02,790 --> 00:16:01,199

book closed and so when that happened um

469

00:16:04,069 --> 00:16:02,800

i always just kind of bought up all of

470

00:16:05,670 --> 00:16:04,079

his books and and was like i've got to

471

00:16:07,509 --> 00:16:05,680

follow this guy he's just incredible as

472

00:16:09,350 --> 00:16:07,519

far as roswell goes

473

00:16:12,629 --> 00:16:09,360

and then i was on a project that they

474

00:16:14,389 --> 00:16:12,639

needed a specialist in roswell and it

475

00:16:15,829 --> 00:16:14,399

opened the door for me to reach out to

476
00:16:17,749 --> 00:16:15,839
him as you know of course as a

477
00:16:19,030 --> 00:16:17,759
professional in the business but also

478
00:16:21,509 --> 00:16:19,040
to actually get

479
00:16:23,430 --> 00:16:21,519
down to the business on roswell and i

480
00:16:24,550 --> 00:16:23,440
reached out to him and i sent my first

481
00:16:25,990 --> 00:16:24,560
email and i thought oh my god please

482
00:16:27,509 --> 00:16:26,000
respond back this is going to be amazing

483
00:16:29,030 --> 00:16:27,519
and he responds

484
00:16:31,350 --> 00:16:29,040
and he was so nice and then we set up

485
00:16:33,509 --> 00:16:31,360
our first zoom call but on that call

486
00:16:35,350 --> 00:16:33,519
after i got the questions i needed for

487
00:16:37,509 --> 00:16:35,360
his submission i ended up talking to him

488
00:16:39,030 --> 00:16:37,519

for like another hour after that and we

489

00:16:40,870 --> 00:16:39,040

were having this lengthy conversation

490

00:16:43,269 --> 00:16:40,880

and he was like i'm so impressed that

491

00:16:45,030 --> 00:16:43,279

somebody at your age which you know i'm

492

00:16:47,749 --> 00:16:45,040

young but i'm not that young you know

493

00:16:49,430 --> 00:16:47,759

know so much about roswell and heinek

494

00:16:52,629 --> 00:16:49,440

and so forth and he was really taken

495

00:16:55,030 --> 00:16:52,639

back by that and we ended up creating

496

00:16:57,030 --> 00:16:55,040

this incredible friendship to where it

497

00:16:59,590 --> 00:16:57,040

turned into family like my son calls him

498

00:17:01,990 --> 00:16:59,600

uncle don because he became family you

499

00:17:04,069 --> 00:17:02,000

know and then it became a mentoring i

500

00:17:06,150 --> 00:17:04,079

wanted to be a ufologist there were

501
00:17:08,630 --> 00:17:06,160
courses online that they called it

502
00:17:10,309 --> 00:17:08,640
certified as you as you state but you

503
00:17:12,390 --> 00:17:10,319
would just be certified to say hey you

504
00:17:14,789 --> 00:17:12,400
know your business you did the time you

505
00:17:17,270 --> 00:17:14,799
did the hours and you know the you know

506
00:17:18,710 --> 00:17:17,280
from not just the 47 but prior the

507
00:17:20,710 --> 00:17:18,720
history of it all

508
00:17:22,230 --> 00:17:20,720
and he helped me through it you know i

509
00:17:23,590 --> 00:17:22,240
would send him everything i'm like oh my

510
00:17:25,350 --> 00:17:23,600
god i'm waiting for my test results for

511
00:17:27,829 --> 00:17:25,360
my teacher to come back you know and he

512
00:17:30,470 --> 00:17:27,839
was right alongside me the whole time

513
00:17:32,710 --> 00:17:30,480

and we've been trying to create shows

514

00:17:34,870 --> 00:17:32,720

together in fact the time that ufo

515

00:17:36,870 --> 00:17:34,880

witness was being pitched

516

00:17:38,950 --> 00:17:36,880

i was pitching a concept for don and i

517

00:17:41,669 --> 00:17:38,960

to bring back blue book

518

00:17:44,150 --> 00:17:41,679

as like a new actual team investigative

519

00:17:46,630 --> 00:17:44,160

team as the new blue book

520

00:17:49,029 --> 00:17:46,640

and we got into a pitching war in a

521

00:17:50,150 --> 00:17:49,039

sense in regards to you know oh they

522

00:17:51,510 --> 00:17:50,160

already have

523

00:17:53,510 --> 00:17:51,520

you know this other pitch on the table

524

00:17:54,870 --> 00:17:53,520

and what else can you offer and don and

525

00:17:56,070 --> 00:17:54,880

i are like well we can offer this never

526
00:17:57,430 --> 00:17:56,080
that you know but then they went ahead

527
00:17:58,950 --> 00:17:57,440
and purchased it

528
00:18:00,710 --> 00:17:58,960
um and then i got a call of course my

529
00:18:01,909 --> 00:18:00,720
friend ben henson was like hey you know

530
00:18:04,390 --> 00:18:01,919
there will be a host on the show i'm

531
00:18:06,630 --> 00:18:04,400
like yeah yeah i know

532
00:18:08,070 --> 00:18:06,640
i don't want to hear about it um

533
00:18:09,590 --> 00:18:08,080
but yeah and so that you know that's

534
00:18:11,110 --> 00:18:09,600
kind of how that all unfolded and we

535
00:18:12,870 --> 00:18:11,120
continued to

536
00:18:14,230 --> 00:18:12,880
push forward and then we were talking

537
00:18:16,870 --> 00:18:14,240
we're like why don't we just do our own

538
00:18:18,950 --> 00:18:16,880

podcast and bring on the specialists

539

00:18:21,029 --> 00:18:18,960

that we really want to talk to

540

00:18:23,830 --> 00:18:21,039

but really bring the truth out where

541

00:18:25,669 --> 00:18:23,840

they can't control us and we figured out

542

00:18:27,990 --> 00:18:25,679

a way to do that and that was through no

543

00:18:29,510 --> 00:18:28,000

earthly explanation

544

00:18:32,070 --> 00:18:29,520

that's awesome i've listened to a few

545

00:18:33,110 --> 00:18:32,080

episodes and it's fantastic so guys

546

00:18:35,270 --> 00:18:33,120

uh

547

00:18:36,870 --> 00:18:35,280

britslingtree is in in the description

548

00:18:38,390 --> 00:18:36,880

go and check out all her stuff but go

549

00:18:40,710 --> 00:18:38,400

and listen to the podcast it's it's

550

00:18:42,549 --> 00:18:40,720

amazing and so that's just with roswell

551
00:18:44,950 --> 00:18:42,559
does it frustrate you when you see the

552
00:18:47,830 --> 00:18:44,960
multiple government excuses as to what

553
00:18:49,190 --> 00:18:47,840
they claim it was

554
00:18:51,909 --> 00:18:49,200
hands down

555
00:18:53,750 --> 00:18:51,919
it fires me up to no end because

556
00:18:56,310 --> 00:18:53,760
honestly at the end of the day do you

557
00:18:59,110 --> 00:18:56,320
threaten 50 plus people's lives over a

558
00:19:00,470 --> 00:18:59,120
weather balloon no no it doesn't happen

559
00:19:03,190 --> 00:19:00,480
like that and

560
00:19:04,710 --> 00:19:03,200
it it to me it fascinates me that

561
00:19:06,150 --> 00:19:04,720
there's so many people that are like oh

562
00:19:07,510 --> 00:19:06,160
the government will tell us they're

563
00:19:08,789 --> 00:19:07,520

going to tell us and it's like no

564

00:19:10,630 --> 00:19:08,799

they're not i don't want you to hold

565

00:19:12,789 --> 00:19:10,640

your breath it's not going to happen

566

00:19:14,950 --> 00:19:12,799

they don't in a sense they just kind of

567

00:19:15,909 --> 00:19:14,960

want 47 to go away because it was their

568

00:19:18,230 --> 00:19:15,919

biggest

569

00:19:20,070 --> 00:19:18,240

flub that they've ever made when

570

00:19:21,750 --> 00:19:20,080

something like this happened

571

00:19:23,750 --> 00:19:21,760

and they just really want everyone to

572

00:19:25,430 --> 00:19:23,760

forget about it but we can't and we're

573

00:19:27,270 --> 00:19:25,440

not going to so yeah i get really

574

00:19:28,789 --> 00:19:27,280

frustrated because even to this day they

575

00:19:30,710 --> 00:19:28,799

still try and

576

00:19:31,990 --> 00:19:30,720

poo poo it away you know and i i just

577

00:19:33,909 --> 00:19:32,000

get so

578

00:19:35,430 --> 00:19:33,919

i'm like no that's the smoking gun

579

00:19:38,390 --> 00:19:35,440

that's where it all started that's where

580

00:19:41,270 --> 00:19:38,400

it came to the point to we know

581

00:19:42,549 --> 00:19:41,280

you'll do anything to cover up the truth

582

00:19:44,070 --> 00:19:42,559

even to the point of threatening

583

00:19:45,750 --> 00:19:44,080

children's lives that you'll kill their

584

00:19:48,070 --> 00:19:45,760

entire families

585

00:19:50,390 --> 00:19:48,080

if they say anything about seeing

586

00:19:52,390 --> 00:19:50,400

anything or hearing anything

587

00:19:55,270 --> 00:19:52,400

and it's horrible people's lives were

588

00:19:57,110 --> 00:19:55,280

ruined because of it and it's

589

00:19:58,950 --> 00:19:57,120

what harm is it to tell people yeah

590

00:20:02,230 --> 00:19:58,960

something amazing happened and crash and

591

00:20:04,310 --> 00:20:02,240

i get 47 that was a different time frame

592

00:20:05,590 --> 00:20:04,320

mentally for people to kind of accept

593

00:20:08,870 --> 00:20:05,600

that we saw what happened with war of

594

00:20:10,070 --> 00:20:08,880

the worlds i i get it i totally

595

00:20:12,230 --> 00:20:10,080

understand

596

00:20:14,230 --> 00:20:12,240

um but we're not anymore the last 20

597

00:20:15,909 --> 00:20:14,240

years we're not anymore and

598

00:20:17,990 --> 00:20:15,919

and i think that it's too late now for

599

00:20:19,510 --> 00:20:18,000

them to come out and say yeah we lied to

600

00:20:20,789 --> 00:20:19,520

you and then what's the public going to

601
00:20:22,230 --> 00:20:20,799
say well what else are you lying to us

602
00:20:23,430 --> 00:20:22,240
about because that's one of the biggest

603
00:20:25,110 --> 00:20:23,440
things that you've lied to so they

604
00:20:26,870 --> 00:20:25,120
really can't tell us the truth but it

605
00:20:30,230 --> 00:20:26,880
just sucks

606
00:20:31,590 --> 00:20:30,240
yeah i mean there's a lot going on at

607
00:20:33,110 --> 00:20:31,600
the moment isn't there with with the

608
00:20:34,549 --> 00:20:33,120
government and these different

609
00:20:36,470 --> 00:20:34,559
amendments and

610
00:20:38,710 --> 00:20:36,480
national defense authorization acts and

611
00:20:40,310 --> 00:20:38,720
stuff so i do feel like there's some

612
00:20:42,710 --> 00:20:40,320
people within the government who

613
00:20:44,390 --> 00:20:42,720

probably may be on the younger side of

614

00:20:47,110 --> 00:20:44,400

of the government who who now have a bit

615

00:20:50,149 --> 00:20:47,120

of control or or want to see this come

616

00:20:51,750 --> 00:20:50,159

out and i kind of you know

617

00:20:53,270 --> 00:20:51,760

it's difficult for me the way i look at

618

00:20:54,230 --> 00:20:53,280

it is you know they're still going to

619

00:20:56,310 --> 00:20:54,240

get

620

00:20:57,990 --> 00:20:56,320

blocked left right and center if you

621

00:20:59,510 --> 00:20:58,000

know when they they go into certain

622

00:21:01,190 --> 00:20:59,520

areas what do you think about that do

623

00:21:02,549 --> 00:21:01,200

you think that

624

00:21:04,390 --> 00:21:02,559

do you think it's worth it do you think

625

00:21:06,149 --> 00:21:04,400

we should continue pushing or should we

626
00:21:07,430 --> 00:21:06,159
you know look elsewhere and if we look

627
00:21:11,750 --> 00:21:07,440
elsewhere where should we look for

628
00:21:13,950 --> 00:21:13,430
that's a big pill

629
00:21:15,590 --> 00:21:13,960
um

630
00:21:17,110 --> 00:21:15,600
[Laughter]

631
00:21:18,149 --> 00:21:17,120
i mean i don't think we should stop

632
00:21:19,750 --> 00:21:18,159
pushing

633
00:21:21,669 --> 00:21:19,760
at all because there are other cases

634
00:21:24,149 --> 00:21:21,679
that took place after 47 that's just

635
00:21:25,990 --> 00:21:24,159
kind of the mecca that we all lean to to

636
00:21:29,270 --> 00:21:26,000
show that they are willing to cover

637
00:21:30,950 --> 00:21:29,280
things up if need be um and they did

638
00:21:34,070 --> 00:21:30,960

but there were other cases that's why

639

00:21:37,110 --> 00:21:34,080

blue book came about and i and and even

640

00:21:39,110 --> 00:21:37,120

it baffled me and it really set me back

641

00:21:40,390 --> 00:21:39,120

that the two gentlemen they picked for

642

00:21:41,510 --> 00:21:40,400

the congressional hearing here in the

643

00:21:43,350 --> 00:21:41,520

u.s

644

00:21:45,750 --> 00:21:43,360

when asked multiple questions in regards

645

00:21:47,990 --> 00:21:45,760

to several very prominent cases they

646

00:21:49,669 --> 00:21:48,000

knew nothing of it because for some

647

00:21:52,470 --> 00:21:49,679

reason they're only being allowed to

648

00:21:55,430 --> 00:21:52,480

investigate to 2004 and that's it

649

00:21:58,549 --> 00:21:55,440

and how are you to investigate ufos not

650

00:22:01,830 --> 00:21:58,559

uaps ufos if you don't know

651
00:22:03,830 --> 00:22:01,840
the true history that has unfolded and

652
00:22:06,950 --> 00:22:03,840
it fascinated me that when asked if

653
00:22:09,669 --> 00:22:06,960
there was any other investigative team

654
00:22:11,590 --> 00:22:09,679
prior to blue book they said no

655
00:22:13,750 --> 00:22:11,600
which is false

656
00:22:15,590 --> 00:22:13,760
there was grudge and sign that came

657
00:22:18,630 --> 00:22:15,600
directly as soon as the roswell crash

658
00:22:21,510 --> 00:22:18,640
happened and then area 51 opened up so

659
00:22:23,990 --> 00:22:21,520
for them not to have known something was

660
00:22:25,669 --> 00:22:24,000
crazy to me but then i thought or do

661
00:22:26,630 --> 00:22:25,679
they know and they're trying to play

662
00:22:29,270 --> 00:22:26,640
dumb

663
00:22:31,909 --> 00:22:29,280

because that's what they were told to do

664

00:22:33,830 --> 00:22:31,919

so it's frustrating because you could

665

00:22:35,990 --> 00:22:33,840

tell gallagher was trying to nail that

666

00:22:37,909 --> 00:22:36,000

hammer in there to get those points well

667

00:22:40,470 --> 00:22:37,919

you should know this you know we had

668

00:22:42,149 --> 00:22:40,480

nine missiles go no go in a matter of

669

00:22:44,390 --> 00:22:42,159

seconds because of a ufo that went over

670

00:22:46,630 --> 00:22:44,400

a base so and that's

671

00:22:49,029 --> 00:22:46,640

a huge huge issue

672

00:22:50,950 --> 00:22:49,039

and there's multiple cases of that james

673

00:22:53,590 --> 00:22:50,960

clark actually investigated several

674

00:22:55,510 --> 00:22:53,600

other claims from here to the uk

675

00:22:57,029 --> 00:22:55,520

of the same type of identical

676

00:22:59,669 --> 00:22:57,039

occurrences

677

00:23:00,950 --> 00:22:59,679

and the fact that they had no idea

678

00:23:02,549 --> 00:23:00,960

there's two things there either they

679

00:23:04,230 --> 00:23:02,559

really didn't know

680

00:23:05,510 --> 00:23:04,240

or they're supposed to act like they

681

00:23:07,029 --> 00:23:05,520

don't know because they don't want the

682

00:23:08,549 --> 00:23:07,039

public to know about this stuff that

683

00:23:11,110 --> 00:23:08,559

it's real

684

00:23:13,190 --> 00:23:11,120

and it ticked me off that the video they

685

00:23:14,149 --> 00:23:13,200

choose to show they didn't properly set

686

00:23:16,310 --> 00:23:14,159

it up

687

00:23:18,149 --> 00:23:16,320

they give us this little dinky flyby

688

00:23:19,190 --> 00:23:18,159

that it could have been a bug flying by

689

00:23:22,470 --> 00:23:19,200

the window

690

00:23:24,149 --> 00:23:22,480

and we know with on without certainty

691

00:23:24,950 --> 00:23:24,159

they have better footage

692

00:23:30,390 --> 00:23:24,960

so

693

00:23:32,310 --> 00:23:30,400

and it actually fired me up more to say

694

00:23:34,470 --> 00:23:32,320

no this isn't it we need to keep pushing

695

00:23:35,990 --> 00:23:34,480

this this is not going to satisfy us as

696

00:23:37,510 --> 00:23:36,000

much as they want us to we're not going

697

00:23:39,590 --> 00:23:37,520

to be satisfied with this so we're going

698

00:23:42,310 --> 00:23:39,600

to keep pushing because when blue blood

699

00:23:44,310 --> 00:23:42,320

closed officially in january of 1970

700

00:23:45,669 --> 00:23:44,320

hynix said there are 701 cases i could

701
00:23:49,190 --> 00:23:45,679
not explain away and i know for

702
00:23:51,830 --> 00:23:49,200
certainly certainly that there is proof

703
00:23:53,909 --> 00:23:51,840
to this you know the the actual case

704
00:23:55,669 --> 00:23:53,919
that changed him was the lonnie zamora

705
00:23:57,990 --> 00:23:55,679
case that that made him go hold on a

706
00:23:59,830 --> 00:23:58,000
minute because that the same identical

707
00:24:02,549 --> 00:23:59,840
craft appeared a hundred miles the next

708
00:24:04,470 --> 00:24:02,559
night and heinek witnessed that so

709
00:24:05,750 --> 00:24:04,480
he put all those pieces together he

710
00:24:07,110 --> 00:24:05,760
realized that there was something else

711
00:24:09,029 --> 00:24:07,120
going on you can't cover this up but

712
00:24:10,789 --> 00:24:09,039
nasa nasa already sent me letters saying

713
00:24:11,909 --> 00:24:10,799

we were not there has nothing to do with

714

00:24:12,710 --> 00:24:11,919

us i don't know what you're talking

715

00:24:14,870 --> 00:24:12,720

about

716

00:24:16,789 --> 00:24:14,880

and he was in the intel to get that

717

00:24:19,990 --> 00:24:16,799

intel if they really were

718

00:24:21,669 --> 00:24:20,000

so it changed him that was it for him

719

00:24:24,230 --> 00:24:21,679

and that's where kufo started and i

720

00:24:26,149 --> 00:24:24,240

think that there needs to be today

721

00:24:28,310 --> 00:24:26,159

a brand new type

722

00:24:30,549 --> 00:24:28,320

of investigative

723

00:24:32,149 --> 00:24:30,559

center like that that is truly doing the

724

00:24:34,070 --> 00:24:32,159

work because the government is not going

725

00:24:35,750 --> 00:24:34,080

to assist us and they are certainly not

726

00:24:37,510 --> 00:24:35,760

going to be like oh hey guys last night

727

00:24:39,029 --> 00:24:37,520

we had incredible crafts flying over the

728

00:24:39,909 --> 00:24:39,039

you know us capital no it's not going to

729

00:24:41,430 --> 00:24:39,919

happen

730

00:24:42,470 --> 00:24:41,440

they're not going to do it so we have to

731

00:24:44,070 --> 00:24:42,480

push harder and i don't think we should

732

00:24:45,669 --> 00:24:44,080

look elsewhere if we look elsewhere we

733

00:24:47,909 --> 00:24:45,679

should just be pulling that intel like

734

00:24:49,350 --> 00:24:47,919

from brazil and from mexico and from all

735

00:24:51,190 --> 00:24:49,360

these other places that are now

736

00:24:52,630 --> 00:24:51,200

disclosing the information in italy to

737

00:24:54,230 --> 00:24:52,640

their people

738

00:24:55,909 --> 00:24:54,240

then that's where we need to gather that

739

00:24:57,830 --> 00:24:55,919

information say how come you're not the

740

00:24:59,750 --> 00:24:57,840

only country or you're the only country

741

00:25:01,590 --> 00:24:59,760

excuse me not giving this information to

742

00:25:02,710 --> 00:25:01,600

their to the general public when other

743

00:25:05,190 --> 00:25:02,720

countries are

744

00:25:06,870 --> 00:25:05,200

where where are we in this

745

00:25:08,470 --> 00:25:06,880

yeah absolutely i think there needs to

746

00:25:10,630 --> 00:25:08,480

be more collaboration as well with other

747

00:25:12,789 --> 00:25:10,640

countries at least openly because they

748

00:25:15,029 --> 00:25:12,799

may well be talking behind the scenes we

749

00:25:16,230 --> 00:25:15,039

don't necessarily know that but yeah i

750

00:25:17,350 --> 00:25:16,240

agree that we should definitely keep

751
00:25:18,149 --> 00:25:17,360
pushing

752
00:25:19,510 --> 00:25:18,159
um

753
00:25:21,110 --> 00:25:19,520
now let's switch it up a little bit

754
00:25:23,510 --> 00:25:21,120
because i did want to talk about the

755
00:25:26,070 --> 00:25:23,520
appearance you made on unidentified last

756
00:25:28,149 --> 00:25:26,080
year unidentified with demi lovato now

757
00:25:29,990 --> 00:25:28,159
when that first first got announced it

758
00:25:32,149 --> 00:25:30,000
did throw a little bit of controversy

759
00:25:34,390 --> 00:25:32,159
into the the community

760
00:25:36,310 --> 00:25:34,400
you know like this is just hollywood

761
00:25:38,230 --> 00:25:36,320
getting involved what do they know about

762
00:25:39,909 --> 00:25:38,240
ufos um

763
00:25:42,390 --> 00:25:39,919

the way i looked at it is but it's gonna

764

00:25:44,470 --> 00:25:42,400

hit a whole new audience a massive new

765

00:25:47,269 --> 00:25:44,480

audience so surely that is a good thing

766

00:25:49,909 --> 00:25:47,279

to have more people aware of the subject

767

00:25:54,149 --> 00:25:49,919

so i'd like your views on that but also

768

00:25:57,830 --> 00:25:54,159

how it came about for you and how it was

769

00:26:00,230 --> 00:25:57,840

um i was they wanted an expert demi had

770

00:26:02,549 --> 00:26:00,240

never um her friend matthew and her

771

00:26:04,710 --> 00:26:02,559

sister dallas had never really

772

00:26:07,669 --> 00:26:04,720

dove too deep into it and apparently she

773

00:26:10,149 --> 00:26:07,679

had had a personal account um and she

774

00:26:11,830 --> 00:26:10,159

just truly wanted to dive deeper into

775

00:26:13,750 --> 00:26:11,840

this world but she didn't want to do any

776

00:26:15,830 --> 00:26:13,760

research for herself she wanted experts

777

00:26:18,070 --> 00:26:15,840

to tell her what was going on which i

778

00:26:20,470 --> 00:26:18,080

thought was fascinating because that

779

00:26:23,269 --> 00:26:20,480

kind of takes away some of the

780

00:26:25,110 --> 00:26:23,279

uh the color change and tainting and in

781

00:26:26,710 --> 00:26:25,120

the bigger picture so it allows you to

782

00:26:29,190 --> 00:26:26,720

have different you know perspectives

783

00:26:31,110 --> 00:26:29,200

from different experts and i was reached

784

00:26:33,029 --> 00:26:31,120

out um again because of working in the

785

00:26:35,029 --> 00:26:33,039

industry they asked me and they knew my

786

00:26:36,950 --> 00:26:35,039

field work with dawn and they knew and

787

00:26:39,110 --> 00:26:36,960

they said you know being that

788

00:26:41,510 --> 00:26:39,120

you know you work with ben hansen and

789

00:26:42,950 --> 00:26:41,520

you guys know these fields of topic and

790

00:26:44,310 --> 00:26:42,960

and i think that demi would really get

791

00:26:45,909 --> 00:26:44,320

along with you would you be interested

792

00:26:47,350 --> 00:26:45,919

in coming out as an expert as ufologist

793

00:26:49,510 --> 00:26:47,360

in the field of catalina and we know you

794

00:26:51,909 --> 00:26:49,520

also have extensive research that you've

795

00:26:54,870 --> 00:26:51,919

done um on catalina and because i lived

796

00:26:57,029 --> 00:26:54,880

in california in 2008

797

00:26:59,269 --> 00:26:57,039

on the entertainment side all of my

798

00:27:00,789 --> 00:26:59,279

friends we were in stunts and and shows

799

00:27:02,710 --> 00:27:00,799

and they were all doing stunts for

800

00:27:04,789 --> 00:27:02,720

television and movies and they would all

801
00:27:06,630 --> 00:27:04,799
go over and get scuba cide scuba dive

802
00:27:08,470 --> 00:27:06,640
trained and certified at catalina so

803
00:27:10,070 --> 00:27:08,480
whenever i'd go over there

804
00:27:11,190 --> 00:27:10,080
i would be snooping around the museum

805
00:27:12,310 --> 00:27:11,200
and talking to people and wanting to

806
00:27:13,990 --> 00:27:12,320
know more and of course preston

807
00:27:16,310 --> 00:27:14,000
dennett's book really inspired me so i

808
00:27:17,909 --> 00:27:16,320
had to do my own digging after that and

809
00:27:19,110 --> 00:27:17,919
of course the history of giants and so

810
00:27:20,789 --> 00:27:19,120
on it was like the little mysterious

811
00:27:22,230 --> 00:27:20,799
island i had to know

812
00:27:23,909 --> 00:27:22,240
and so i did do extensive research and

813
00:27:25,830 --> 00:27:23,919

so they really wanted me to come on and

814

00:27:28,630 --> 00:27:25,840

talk to her about all these crazy

815

00:27:31,190 --> 00:27:28,640

mysteries um and so when i got the

816

00:27:32,789 --> 00:27:31,200

chance to come on i had the same thing

817

00:27:34,149 --> 00:27:32,799

you know people were like oh this is

818

00:27:37,110 --> 00:27:34,159

gonna be ridiculous you know you're

819

00:27:39,510 --> 00:27:37,120

gonna ruin your name and i was like why

820

00:27:41,510 --> 00:27:39,520

she wants to know the truth everybody

821

00:27:44,310 --> 00:27:41,520

wants to know the truth it's not

822

00:27:46,310 --> 00:27:44,320

hollywood doing anything this was she

823

00:27:49,590 --> 00:27:46,320

wanted to do a show she got the show

824

00:27:51,830 --> 00:27:49,600

sold and she wanted experts to teach her

825

00:27:52,950 --> 00:27:51,840

what she needs to do for real if she

826

00:27:54,070 --> 00:27:52,960

wants to go and do these things by

827

00:27:56,549 --> 00:27:54,080

herself

828

00:27:58,070 --> 00:27:56,559

and i found that fantastic i didn't see

829

00:27:59,590 --> 00:27:58,080

anything wrong with that and i ended up

830

00:28:02,070 --> 00:27:59,600

having a fantastic time with her she was

831

00:28:04,070 --> 00:28:02,080

hilarious her sister was a doll i i

832

00:28:05,430 --> 00:28:04,080

still talk to dallas time to time and i

833

00:28:07,990 --> 00:28:05,440

stay in touch with her because they're

834

00:28:09,590 --> 00:28:08,000

they were really just down to earth nice

835

00:28:11,110 --> 00:28:09,600

you know people regardless of what they

836

00:28:12,710 --> 00:28:11,120

have personally going on they're good

837

00:28:14,389 --> 00:28:12,720

they were good people to me when i was

838

00:28:16,710 --> 00:28:14,399

there and i appreciated that and they

839

00:28:19,590 --> 00:28:16,720

really wanted to know the truth they

840

00:28:21,510 --> 00:28:19,600

didn't want any sugar coating you know

841

00:28:22,789 --> 00:28:21,520

and she you know demi threw out at me

842

00:28:24,630 --> 00:28:22,799

you know is it possible that when people

843

00:28:26,230 --> 00:28:24,640

have seen mermaids over the years could

844

00:28:28,070 --> 00:28:26,240

those have been misidentified

845

00:28:29,669 --> 00:28:28,080

extraterrestrials you know because the

846

00:28:31,029 --> 00:28:29,679

uso activity i was like well yeah sure

847

00:28:32,950 --> 00:28:31,039

anything could be misidentified

848

00:28:34,389 --> 00:28:32,960

absolutely you know i'm not going to sit

849

00:28:36,710 --> 00:28:34,399

here and tell you that's not possible

850

00:28:38,149 --> 00:28:36,720

because sure we don't know the ocean so

851

00:28:40,149 --> 00:28:38,159

sure you know

852

00:28:42,149 --> 00:28:40,159

and i think that

853

00:28:44,789 --> 00:28:42,159

you have to remain an open mind and yeah

854

00:28:46,230 --> 00:28:44,799

i you know i heard a little bit about it

855

00:28:47,669 --> 00:28:46,240

after doing the show but honestly it was

856

00:28:49,110 --> 00:28:47,679

probably one of the best shows that i i

857

00:28:50,950 --> 00:28:49,120

got the opportunity to work on you know

858

00:28:53,510 --> 00:28:50,960

it was so laid back and

859

00:28:56,149 --> 00:28:53,520

fun and they just really wanted us to

860

00:28:58,389 --> 00:28:56,159

do real experiments which we did

861

00:29:01,430 --> 00:28:58,399

we did a crazy uh incredible night watch

862

00:29:02,870 --> 00:29:01,440

with lasers to attract not above as we

863

00:29:04,549 --> 00:29:02,880

normally would in a normal night watch

864

00:29:05,990 --> 00:29:04,559

we were attracting whatever we could in

865

00:29:07,190 --> 00:29:06,000

the ocean which is something that has

866

00:29:08,389 --> 00:29:07,200

not been done

867

00:29:11,430 --> 00:29:08,399

and it was

868

00:29:13,269 --> 00:29:11,440

wonderful i enjoyed it i loved it

869

00:29:15,029 --> 00:29:13,279

excellent yeah no i think you're right

870

00:29:17,029 --> 00:29:15,039

you know it's it's a positive thing when

871

00:29:19,190 --> 00:29:17,039

somebody wants to learn whether it's

872

00:29:20,950 --> 00:29:19,200

someone lives down the road from you or

873

00:29:23,830 --> 00:29:20,960

or a celebrity what's the difference

874

00:29:26,230 --> 00:29:23,840

really so yeah i'm with you on that one

875

00:29:28,389 --> 00:29:26,240

but let's stick with catalina because

876

00:29:29,909 --> 00:29:28,399

you actually are going to appear i think

877

00:29:33,110 --> 00:29:29,919

this i don't know if it's this week or

878

00:29:35,110 --> 00:29:33,120

soon in a new episode of ufo witness

879

00:29:37,590 --> 00:29:35,120

with ben hansen and you're actually

880

00:29:39,350 --> 00:29:37,600

investigating catalina so can you tell

881

00:29:41,430 --> 00:29:39,360

us about that tell us about the

882

00:29:43,269 --> 00:29:41,440

investigation and then can we talk about

883

00:29:45,269 --> 00:29:43,279

the bigger picture of catalina island

884

00:29:48,230 --> 00:29:45,279

that's you know had this uso mystery

885

00:29:50,230 --> 00:29:48,240

surrounding it for decades now

886

00:29:52,310 --> 00:29:50,240

yeah so um the episode actually already

887

00:29:53,269 --> 00:29:52,320

aired for ufo witness uh on tuesday okay

888

00:29:55,269 --> 00:29:53,279

cool

889

00:29:56,789 --> 00:29:55,279

so it's streaming now on discovery plus

890

00:29:59,750 --> 00:29:56,799

um or you can go and see it on travel

891

00:30:02,149 --> 00:29:59,760

channel airs tuesdays at 10 pm

892

00:30:03,909 --> 00:30:02,159

um so i was called in for that because

893

00:30:07,029 --> 00:30:03,919

ben and i like i said we go we go way

894

00:30:09,430 --> 00:30:07,039

back and and i investigate all ufo hot

895

00:30:11,269 --> 00:30:09,440

spots areas of interest sightings

896

00:30:13,430 --> 00:30:11,279

whatever so be it um and i try and

897

00:30:15,990 --> 00:30:13,440

pinpoint a lot of the capitals

898

00:30:17,510 --> 00:30:16,000

and um ben and i of course work together

899

00:30:19,669 --> 00:30:17,520

in this department and we have calls all

900

00:30:21,750 --> 00:30:19,679

the time and talk about these things um

901
00:30:24,789 --> 00:30:21,760
and so he wanted me on because catalina

902
00:30:27,190 --> 00:30:24,799
of course is a hub for me as regards to

903
00:30:28,230 --> 00:30:27,200
a lot of uso activity and ufo activity

904
00:30:30,470 --> 00:30:28,240
and of course some of the abduction

905
00:30:31,350 --> 00:30:30,480
cases are quite phenomenal that come out

906
00:30:32,070 --> 00:30:31,360
of

907
00:30:36,310 --> 00:30:32,080
the

908
00:30:37,190 --> 00:30:36,320
islands and as well as off malibu and so

909
00:30:39,350 --> 00:30:37,200
forth

910
00:30:41,350 --> 00:30:39,360
and um so when i was invited on they

911
00:30:43,029 --> 00:30:41,360
just really wanted ben and i sit down

912
00:30:45,110 --> 00:30:43,039
and talk about what we have already been

913
00:30:48,470 --> 00:30:45,120

working on you know behind closed doors

914

00:30:52,630 --> 00:30:48,480

for years um but then also

915

00:30:55,029 --> 00:30:52,640

talk about why catalina and why this

916

00:30:57,509 --> 00:30:55,039

could be so prominent and normally i

917

00:30:59,590 --> 00:30:57,519

scuba dive um in the shows and and do

918

00:31:01,509 --> 00:30:59,600

that normally um but on this one they

919

00:31:02,789 --> 00:31:01,519

wanted it just to be ben and me being

920

00:31:04,870 --> 00:31:02,799

top side with melissa which was

921

00:31:06,470 --> 00:31:04,880

wonderful i loved it at great time

922

00:31:08,149 --> 00:31:06,480

and um

923

00:31:09,669 --> 00:31:08,159

you know you'll see in the episode we

924

00:31:11,269 --> 00:31:09,679

discover something quite fascinating on

925

00:31:13,029 --> 00:31:11,279

the back side of the island which again

926

00:31:15,990 --> 00:31:13,039

if you go back in time to the original

927

00:31:17,269 --> 00:31:16,000

henson video that came out in 1966 of

928

00:31:20,070 --> 00:31:17,279

the first

929

00:31:22,630 --> 00:31:20,080

really good strong footage from catalina

930

00:31:26,070 --> 00:31:22,640

and you see the object and it was filmed

931

00:31:28,230 --> 00:31:26,080

from a helicopter going over the top and

932

00:31:30,710 --> 00:31:28,240

then disappearing

933

00:31:32,549 --> 00:31:30,720

i always believed you know people had

934

00:31:33,669 --> 00:31:32,559

kind of come up with conspiracy theories

935

00:31:35,029 --> 00:31:33,679

and the fact that oh it went into the

936

00:31:37,750 --> 00:31:35,039

mountainside but there really isn't a

937

00:31:39,430 --> 00:31:37,760

mountainside in catalina like you have a

938

00:31:40,950 --> 00:31:39,440

you have a good high rise but you would

939

00:31:42,710 --> 00:31:40,960

notice if something went inside of an

940

00:31:43,669 --> 00:31:42,720

invisible door you know in in the

941

00:31:46,870 --> 00:31:43,679

mountains

942

00:31:49,029 --> 00:31:46,880

and this didn't and i after 1966 and a

943

00:31:50,389 --> 00:31:49,039

little bit before but after that a lot

944

00:31:52,310 --> 00:31:50,399

of fishermen's came forward talking

945

00:31:53,430 --> 00:31:52,320

about sightings of lights coming up to

946

00:31:54,950 --> 00:31:53,440

the top of their boats and we're not

947

00:31:58,070 --> 00:31:54,960

talking about the regular sea lights

948

00:32:00,710 --> 00:31:58,080

that we get this was an actual physical

949

00:32:01,990 --> 00:32:00,720

uh you know object that came up and

950

00:32:03,590 --> 00:32:02,000

create a lot of there was of course the

951
00:32:04,950 --> 00:32:03,600
other incident where the plane was taken

952
00:32:07,509 --> 00:32:04,960
down and the one gentleman lost his

953
00:32:09,430 --> 00:32:07,519
family member and of course we have all

954
00:32:10,710 --> 00:32:09,440
these incidences that are surrounded by

955
00:32:11,990 --> 00:32:10,720
this island

956
00:32:13,990 --> 00:32:12,000
and it's always really funny to me

957
00:32:16,070 --> 00:32:14,000
because it's spooky catalina you can't

958
00:32:18,870 --> 00:32:16,080
see it from the coast and as you get

959
00:32:21,190 --> 00:32:18,880
close to it there's this ridiculous fog

960
00:32:23,110 --> 00:32:21,200
that always surrounds this island and as

961
00:32:25,430 --> 00:32:23,120
soon as you break through that fog

962
00:32:27,909 --> 00:32:25,440
it's this beautiful little you know

963
00:32:29,110 --> 00:32:27,919

mystery island in the middle of nowhere

964

00:32:31,110 --> 00:32:29,120

and it looks like in the middle of

965

00:32:32,789 --> 00:32:31,120

nowhere and i always think to myself

966

00:32:35,029 --> 00:32:32,799

what a great way to disguise yourself

967

00:32:37,029 --> 00:32:35,039

you've got this beautiful cloud not a

968

00:32:38,710 --> 00:32:37,039

lot of population on this island you

969

00:32:40,710 --> 00:32:38,720

could have inhabited it years ago nobody

970

00:32:43,350 --> 00:32:40,720

would have even known you know and and

971

00:32:45,669 --> 00:32:43,360

so when this in this particular video of

972

00:32:47,509 --> 00:32:45,679

the 1966 i got sidetracked it goes

973

00:32:49,750 --> 00:32:47,519

behind the mountain it disappears so my

974

00:32:51,830 --> 00:32:49,760

research and i believe ben firmly agrees

975

00:32:53,269 --> 00:32:51,840

with me on this as well is that the

976

00:32:56,149 --> 00:32:53,279

belief is that it actually went and

977

00:32:58,070 --> 00:32:56,159

submerged itself behind the island

978

00:33:00,549 --> 00:32:58,080

because catalina has their own bermuda

979

00:33:03,269 --> 00:33:00,559

triangle directly behind the island

980

00:33:04,389 --> 00:33:03,279

where in the episode you will see

981

00:33:07,029 --> 00:33:04,399

and it was something that i was like

982

00:33:09,430 --> 00:33:07,039

listen you know magnetics is a huge key

983

00:33:11,590 --> 00:33:09,440

factor when we're dealing with ufos and

984

00:33:14,230 --> 00:33:11,600

and so forth and usos

985

00:33:19,509 --> 00:33:17,509

it went 45 degrees and it stuck

986

00:33:21,269 --> 00:33:19,519

that's stronger than lightning to pull a

987

00:33:24,630 --> 00:33:21,279

magnetic pull to that extent on your

988

00:33:26,230 --> 00:33:24,640

compass 45 degrees pull

989

00:33:27,990 --> 00:33:26,240

when they were diving over where we

990

00:33:30,389 --> 00:33:28,000

believe is like kind of like the the

991

00:33:33,909 --> 00:33:30,399

main mecca of the bermuda triangle of

992

00:33:35,669 --> 00:33:33,919

catalina and for me that was it

993

00:33:37,430 --> 00:33:35,679

i will go back tomorrow if somebody

994

00:33:40,149 --> 00:33:37,440

calls me up to investigate because i

995

00:33:42,070 --> 00:33:40,159

firmly believe there is something going

996

00:33:43,750 --> 00:33:42,080

on and you'll see too in a lot of the

997

00:33:45,750 --> 00:33:43,760

records we pulled

998

00:33:48,149 --> 00:33:45,760

we have magnetic anomalies that are

999

00:33:49,269 --> 00:33:48,159

showing so bright red directly behind

1000

00:33:51,509 --> 00:33:49,279

the island

1001
00:33:53,990 --> 00:33:51,519
that it doesn't make any sense these

1002
00:33:54,870 --> 00:33:54,000
things shouldn't be there but it would

1003
00:33:57,590 --> 00:33:54,880
home

1004
00:33:59,190 --> 00:33:57,600
and help if you're in a use type you

1005
00:34:01,830 --> 00:33:59,200
know unidentified submergible object for

1006
00:34:03,430 --> 00:34:01,840
those that don't know to help kind of

1007
00:34:05,269 --> 00:34:03,440
hide you because it messes with your

1008
00:34:06,789 --> 00:34:05,279
compasses messes with your gauges you'll

1009
00:34:08,230 --> 00:34:06,799
never if you everything got turned off

1010
00:34:09,669 --> 00:34:08,240
you would be lost

1011
00:34:11,030 --> 00:34:09,679
nothing would tell you where to be

1012
00:34:13,349 --> 00:34:11,040
compass-wise

1013
00:34:14,790 --> 00:34:13,359

so yeah i mean catalina itself is crazy

1014

00:34:17,109 --> 00:34:14,800

so that's what we get to do and we get

1015

00:34:18,710 --> 00:34:17,119

to investigate it even further this time

1016

00:34:21,430 --> 00:34:18,720

than i got to and

1017

00:34:23,430 --> 00:34:21,440

unidentified and my god i'm ready to go

1018

00:34:26,710 --> 00:34:23,440

back tomorrow i freaking love that

1019

00:34:30,149 --> 00:34:26,720

island i do it's crazy that place is oh

1020

00:34:35,589 --> 00:34:32,470

it's incredible

1021

00:34:37,510 --> 00:34:35,599

so what i i mean it's not that far away

1022

00:34:39,030 --> 00:34:37,520

the obviously the nimitz encounters was

1023

00:34:41,270 --> 00:34:39,040

kind of in the channels off of the west

1024

00:34:43,190 --> 00:34:41,280

coast so i mean

1025

00:34:44,710 --> 00:34:43,200

a lot of people or some people talk

1026
00:34:46,869 --> 00:34:44,720
about the tic tac well it's got to be

1027
00:34:48,470 --> 00:34:46,879
just some kind of man-made technology

1028
00:34:50,710 --> 00:34:48,480
some kind of test

1029
00:34:53,589 --> 00:34:50,720
yet with such close relations to

1030
00:34:55,829 --> 00:34:53,599
catalina and the older stories

1031
00:34:57,430 --> 00:34:55,839
i personally don't see that connection

1032
00:34:58,710 --> 00:34:57,440
you know obviously it's possible but

1033
00:35:00,870 --> 00:34:58,720
what about you what are you with your

1034
00:35:03,829 --> 00:35:00,880
thoughts on the tic tac if you had to

1035
00:35:05,510 --> 00:35:03,839
speculate if it was ours or something a

1036
00:35:07,990 --> 00:35:05,520
lot more anomalous where would you be

1037
00:35:10,069 --> 00:35:08,000
sort of pointing

1038
00:35:11,510 --> 00:35:10,079

i i honestly don't think that it's any

1039

00:35:13,430 --> 00:35:11,520

kind of our

1040

00:35:15,190 --> 00:35:13,440

i don't think we are capable of creating

1041

00:35:18,710 --> 00:35:15,200

anything like a tic tac the thing has no

1042

00:35:20,550 --> 00:35:18,720

wings it has no real uh engine i mean

1043

00:35:22,390 --> 00:35:20,560

this thing is like a cylinder and if you

1044

00:35:24,150 --> 00:35:22,400

go back in history tic tacs have been in

1045

00:35:26,069 --> 00:35:24,160

history as far as sightings go for a

1046

00:35:29,349 --> 00:35:26,079

very long time you know we're talking

1047

00:35:32,390 --> 00:35:29,359

egg shape tic tac cigar it's this tic

1048

00:35:34,710 --> 00:35:32,400

tac and cigar almost exactly the same in

1049

00:35:37,510 --> 00:35:34,720

any kind of testimony when described and

1050

00:35:39,109 --> 00:35:37,520

so for me for anybody to say to me

1051
00:35:40,550 --> 00:35:39,119
directly in my personal opinion that

1052
00:35:43,109 --> 00:35:40,560
it's possible that our governments made

1053
00:35:44,710 --> 00:35:43,119
that i no i don't i i don't think that's

1054
00:35:45,589 --> 00:35:44,720
earthbound at all

1055
00:35:48,710 --> 00:35:45,599
and

1056
00:35:50,310 --> 00:35:48,720
i do believe that that is a good version

1057
00:35:52,310 --> 00:35:50,320
of the uso

1058
00:35:54,550 --> 00:35:52,320
of what it looks like because again if

1059
00:35:57,030 --> 00:35:54,560
you look at the 66 video it is very

1060
00:36:00,870 --> 00:35:57,040
similar it is in the same shape the way

1061
00:36:03,270 --> 00:36:00,880
it moves and i i yeah no

1062
00:36:04,710 --> 00:36:03,280
there's no way and and in catalina and

1063
00:36:06,310 --> 00:36:04,720

of course in the videos that we've

1064

00:36:08,870 --> 00:36:06,320

gotten from navy

1065

00:36:10,870 --> 00:36:08,880

that channel is so high active with with

1066

00:36:12,470 --> 00:36:10,880

sightings it's unreal

1067

00:36:14,069 --> 00:36:12,480

and they're not just

1068

00:36:16,470 --> 00:36:14,079

and some of them of course have come

1069

00:36:18,310 --> 00:36:16,480

forward in in an unknown you know you

1070

00:36:21,030 --> 00:36:18,320

don't know me this is me saying what i

1071

00:36:23,349 --> 00:36:21,040

saw and it's it's always in that channel

1072

00:36:25,430 --> 00:36:23,359

i can't explain it it's always off the

1073

00:36:28,069 --> 00:36:25,440

west coast channel and it's

1074

00:36:31,270 --> 00:36:28,079

fascinating to me and if you

1075

00:36:35,109 --> 00:36:31,280

look at the you know the actual

1076

00:36:36,390 --> 00:36:35,119

basically any type of graph of the floor

1077

00:36:38,390 --> 00:36:36,400

and you pull up all the different

1078

00:36:40,390 --> 00:36:38,400

anomalies that are happening there's too

1079

00:36:43,109 --> 00:36:40,400

much going on and i don't believe that

1080

00:36:44,710 --> 00:36:43,119

it's our technology at all and i think

1081

00:36:46,230 --> 00:36:44,720

that's what scares a lot of the

1082

00:36:48,950 --> 00:36:46,240

government because it's

1083

00:36:51,030 --> 00:36:48,960

what is this and where is it coming from

1084

00:36:52,790 --> 00:36:51,040

yeah i agree and if we're talking about

1085

00:36:55,109 --> 00:36:52,800

it being potentially a non-human

1086

00:36:56,470 --> 00:36:55,119

intelligence you know we hear nowadays

1087

00:36:58,310 --> 00:36:56,480

so many different

1088

00:37:00,390 --> 00:36:58,320

possibilities as to what they are

1089

00:37:02,950 --> 00:37:00,400

extraterrestrial interdimensional

1090

00:37:05,589 --> 00:37:02,960

ultra-terrestrial crypto-terrestrial and

1091

00:37:07,990 --> 00:37:05,599

i find myself flipping like one week i

1092

00:37:10,069 --> 00:37:08,000

might see a case or do some research and

1093

00:37:13,030 --> 00:37:10,079

it points in one direction and that may

1094

00:37:14,630 --> 00:37:13,040

flip the week the week later but do you

1095

00:37:16,230 --> 00:37:14,640

if you were to speculate where do you

1096

00:37:20,230 --> 00:37:16,240

think these things are coming from or

1097

00:37:23,910 --> 00:37:22,710

okay so

1098

00:37:31,589 --> 00:37:23,920

i

1099

00:37:34,310 --> 00:37:31,599

why we see

1100

00:37:36,550 --> 00:37:34,320

so many ufos now

1101

00:37:38,150 --> 00:37:36,560

is one because everybody has a phone in

1102

00:37:40,630 --> 00:37:38,160

their you know with a camera in their

1103

00:37:42,710 --> 00:37:40,640

phone so we're able to document it but i

1104

00:37:44,870 --> 00:37:42,720

i've i've been on this fence

1105

00:37:46,870 --> 00:37:44,880

really since i started the use um

1106

00:37:48,470 --> 00:37:46,880

investigations and and going to certain

1107

00:37:50,310 --> 00:37:48,480

locations with so much uptick in

1108

00:37:52,630 --> 00:37:50,320

activity

1109

00:37:54,150 --> 00:37:52,640

i kind of feel as though that treaty

1110

00:37:55,430 --> 00:37:54,160

that was spoke about

1111

00:37:58,550 --> 00:37:55,440

between

1112

00:38:00,950 --> 00:37:58,560

um i believe it was eisenhower

1113

00:38:04,069 --> 00:38:00,960

i do believe firmly that they it's

1114

00:38:06,150 --> 00:38:04,079

possible that this species of whatever

1115

00:38:08,069 --> 00:38:06,160

type of extra extraterrestrial life it

1116

00:38:09,109 --> 00:38:08,079

is and i don't want to put a finger on

1117

00:38:11,910 --> 00:38:09,119

what

1118

00:38:13,829 --> 00:38:11,920

many different types out there

1119

00:38:16,390 --> 00:38:13,839

apparently

1120

00:38:17,990 --> 00:38:16,400

but i do believe that that treaty could

1121

00:38:20,150 --> 00:38:18,000

be accurate and why i say that is

1122

00:38:21,349 --> 00:38:20,160

because if they're really here mining

1123

00:38:23,349 --> 00:38:21,359

and they're really here just taking

1124

00:38:25,270 --> 00:38:23,359

resources from our planet to help their

1125

00:38:26,550 --> 00:38:25,280

planet survive or where they're from you

1126

00:38:28,550 --> 00:38:26,560

know continue to move forward and

1127

00:38:30,790 --> 00:38:28,560

they're giving us intel hell for to help

1128

00:38:32,470 --> 00:38:30,800

us succeed

1129

00:38:34,150 --> 00:38:32,480

i would believe that they had already

1130

00:38:36,870 --> 00:38:34,160

pre-set up

1131

00:38:37,829 --> 00:38:36,880

spots underground in our ocean

1132

00:38:49,670 --> 00:38:37,839

and

1133

00:38:51,510 --> 00:38:49,680

so

1134

00:38:53,270 --> 00:38:51,520

lenient towards these underground bases

1135

00:38:54,870 --> 00:38:53,280

and again i don't know what type of

1136

00:38:56,230 --> 00:38:54,880

species they are and it's really hard to

1137

00:38:58,550 --> 00:38:56,240

say because everybody throws out

1138

00:39:00,390 --> 00:38:58,560

everything from mantis to grays to you

1139

00:39:02,150 --> 00:39:00,400

know all these different

1140

00:39:03,990 --> 00:39:02,160

nordics i mean i could list a whole name

1141

00:39:05,190 --> 00:39:04,000

and it's like oh my god there's that

1142

00:39:06,150 --> 00:39:05,200

many

1143

00:39:07,190 --> 00:39:06,160

um

1144

00:39:09,190 --> 00:39:07,200

but

1145

00:39:11,430 --> 00:39:09,200

you sit there and you go okay it makes

1146

00:39:13,510 --> 00:39:11,440

sense because there are some abduction

1147

00:39:15,430 --> 00:39:13,520

cases where people were not harmed

1148

00:39:17,109 --> 00:39:15,440

they were not physically harmed you know

1149

00:39:18,630 --> 00:39:17,119

lori had one that happened to her she

1150

00:39:20,069 --> 00:39:18,640

she was a scuba diver off the back of

1151

00:39:20,950 --> 00:39:20,079

catalina

1152

00:39:22,790 --> 00:39:20,960

and

1153

00:39:24,950 --> 00:39:22,800

the thing i always draw back to on this

1154

00:39:26,310 --> 00:39:24,960

one was the fact that these beings came

1155

00:39:27,910 --> 00:39:26,320

up to her under the water while she was

1156

00:39:30,550 --> 00:39:27,920

scuba diving and she was older she'd

1157

00:39:31,430 --> 00:39:30,560

done this for her by herself forever

1158

00:39:32,950 --> 00:39:31,440

and

1159

00:39:35,349 --> 00:39:32,960

they were dressed in a metallic type

1160

00:39:38,230 --> 00:39:35,359

suit and they had much like a kind of a

1161

00:39:40,310 --> 00:39:38,240

dome like an astronaut and they had

1162

00:39:41,270 --> 00:39:40,320

spoke to her telepathically and told her

1163

00:39:42,390 --> 00:39:41,280

that they had been observing her and

1164

00:39:44,470 --> 00:39:42,400

watching her and that she'd been getting

1165

00:39:45,990 --> 00:39:44,480

so much better at scuba diving

1166

00:39:47,829 --> 00:39:46,000

and then she had missing time and it

1167

00:39:50,069 --> 00:39:47,839

wasn't until and she woke up on the boat

1168

00:39:52,150 --> 00:39:50,079

after seeing these beings

1169

00:39:54,630 --> 00:39:52,160

and then you know yvonne put her under

1170

00:39:56,230 --> 00:39:54,640

um to let her kind of regress and and

1171

00:39:57,829 --> 00:39:56,240

talk about that incident but it wasn't

1172

00:39:59,510 --> 00:39:57,839

wasn't horrible

1173

00:40:01,510 --> 00:39:59,520

they showed her

1174

00:40:03,589 --> 00:40:01,520

kind of where they're from and what they

1175

00:40:05,349 --> 00:40:03,599

do and then they put her back and it was

1176

00:40:06,950 --> 00:40:05,359

an observing thing and what i found

1177

00:40:08,390 --> 00:40:06,960

fascinating was that in russia in the

1178

00:40:12,069 --> 00:40:08,400

rushing minings

1179

00:40:13,829 --> 00:40:12,079

they had a similar account and this was

1180

00:40:15,190 --> 00:40:13,839

many years apart i mean many years apart

1181

00:40:17,190 --> 00:40:15,200

there's no way that these two stories

1182

00:40:19,270 --> 00:40:17,200

would have ever collided or conversated

1183

00:40:20,710 --> 00:40:19,280

but the beings looked identical

1184

00:40:22,390 --> 00:40:20,720

and they're underwater in the same types

1185

00:40:23,829 --> 00:40:22,400

of suits and observing and seeing what

1186

00:40:24,950 --> 00:40:23,839

we're doing not harming us just

1187

00:40:26,309 --> 00:40:24,960

observing

1188

00:40:27,829 --> 00:40:26,319

and i think a lot of times when we see

1189

00:40:29,829 --> 00:40:27,839

the ufos they're observing they're

1190

00:40:32,470 --> 00:40:29,839

observing our military are we staying

1191

00:40:34,630 --> 00:40:32,480

true to the the treaty if that's real

1192

00:40:36,470 --> 00:40:34,640

if that really took place are they are

1193

00:40:39,109 --> 00:40:36,480

we keeping our end of the bargain as

1194

00:40:41,190 --> 00:40:39,119

they're keeping theirs and so a lot of

1195

00:40:43,030 --> 00:40:41,200

times i i lean with don even don and

1196

00:40:45,190 --> 00:40:43,040

i've had this conversation that it's

1197

00:40:46,470 --> 00:40:45,200

possible they've already been here prior

1198

00:40:48,550 --> 00:40:46,480

to our

1199

00:40:49,910 --> 00:40:48,560

continuous you know kind of growth on

1200

00:40:52,390 --> 00:40:49,920

this place and now they're kind of

1201
00:40:54,470 --> 00:40:52,400
helping us and and not helping us in the

1202
00:40:56,710 --> 00:40:54,480
same and i don't think all of them are

1203
00:40:58,390 --> 00:40:56,720
vicious and vindictive and painful and

1204
00:41:00,390 --> 00:40:58,400
hurtful and hurting people

1205
00:41:02,309 --> 00:41:00,400
and i just think a lot of times they

1206
00:41:03,589 --> 00:41:02,319
they're already here and they have bases

1207
00:41:05,190 --> 00:41:03,599
set up

1208
00:41:07,270 --> 00:41:05,200
and we just need to keep our end of the

1209
00:41:09,270 --> 00:41:07,280
bargain and they'll keep their kind of

1210
00:41:11,030 --> 00:41:09,280
deal you know just as much as if we're

1211
00:41:13,190 --> 00:41:11,040
if it's a military tactic that's what

1212
00:41:15,589 --> 00:41:13,200
you agree to when you join hands with

1213
00:41:17,030 --> 00:41:15,599

another country we have our agreement

1214

00:41:18,309 --> 00:41:17,040

this is our agreement and as long as we

1215

00:41:20,150 --> 00:41:18,319

stay there

1216

00:41:23,030 --> 00:41:20,160

we won't fight each other and i kind of

1217

00:41:25,190 --> 00:41:23,040

feel that's how this is

1218

00:41:26,630 --> 00:41:25,200

set in motion and set in place and we

1219

00:41:28,710 --> 00:41:26,640

found out they've already been here and

1220

00:41:31,270 --> 00:41:28,720

now we've set this you know train in

1221

00:41:32,950 --> 00:41:31,280

motion and now people have phones with

1222

00:41:34,710 --> 00:41:32,960

cameras and now they can kind of be a

1223

00:41:35,750 --> 00:41:34,720

little bit more exposed

1224

00:41:38,069 --> 00:41:35,760

but as long as we keep buying the

1225

00:41:39,349 --> 00:41:38,079

bargain up no no harm no harm to your

1226

00:41:41,109 --> 00:41:39,359

country

1227

00:41:42,870 --> 00:41:41,119

that's how i take it

1228

00:41:44,710 --> 00:41:42,880

no that's cool i appreciate that because

1229

00:41:46,710 --> 00:41:44,720

i know so many different people and i

1230

00:41:48,790 --> 00:41:46,720

have this conversation regularly and

1231

00:41:50,950 --> 00:41:48,800

there are so many different versions and

1232

00:41:52,309 --> 00:41:50,960

opinions and and you know there's a lot

1233

00:41:53,990 --> 00:41:52,319

of disagreements but as long as it's

1234

00:41:55,670 --> 00:41:54,000

done respectfully then

1235

00:41:58,150 --> 00:41:55,680

i'm all up for that kind of conversation

1236

00:41:59,589 --> 00:41:58,160

so i really appreciate that so thank you

1237

00:42:00,870 --> 00:41:59,599

yeah so

1238

00:42:01,990 --> 00:42:00,880

i know i've hit you with a few big

1239

00:42:03,670 --> 00:42:02,000

questions i'm going to hit you with

1240

00:42:06,069 --> 00:42:03,680

another one and that is

1241

00:42:07,910 --> 00:42:06,079

we often hear a lot of people say i want

1242

00:42:09,670 --> 00:42:07,920

the truth i want to know i am ready for

1243

00:42:11,910 --> 00:42:09,680

disclosure

1244

00:42:14,069 --> 00:42:11,920

but some people look maybe that if you

1245

00:42:16,630 --> 00:42:14,079

look around the world the way that we

1246

00:42:19,109 --> 00:42:16,640

kind of handle ourselves as a species we

1247

00:42:21,109 --> 00:42:19,119

may not be ready so what do you think do

1248

00:42:24,230 --> 00:42:21,119

you think we could handle disclosure as

1249

00:42:25,829 --> 00:42:24,240

a you know a global race um

1250

00:42:28,390 --> 00:42:25,839

it's a tough one but yeah i'd like to

1251

00:42:31,430 --> 00:42:28,400

know your thoughts on that

1252

00:42:33,510 --> 00:42:31,440

i am a firm believer that the majority

1253

00:42:34,390 --> 00:42:33,520

is ready

1254

00:42:37,670 --> 00:42:34,400

and

1255

00:42:40,150 --> 00:42:37,680

i say that because

1256

00:42:43,030 --> 00:42:40,160

i i read a lot of what comments that

1257

00:42:45,349 --> 00:42:43,040

people say you know they know that

1258

00:42:47,190 --> 00:42:45,359

it's not these little green men and it's

1259

00:42:49,190 --> 00:42:47,200

not this you know horror story all the

1260

00:42:51,589 --> 00:42:49,200

time they're not gonna come blow us up

1261

00:42:53,910 --> 00:42:51,599

and rip our limbs off and stuff that the

1262

00:42:55,910 --> 00:42:53,920

media likes to push and it's something

1263

00:42:58,950 --> 00:42:55,920

that recently hit me

1264

00:43:01,430 --> 00:42:58,960

that i i think is a question to ask if

1265

00:43:03,750 --> 00:43:01,440

you take away the stigma okay take away

1266

00:43:05,510 --> 00:43:03,760

the stigma of knowing grays and nordic

1267

00:43:07,270 --> 00:43:05,520

and all these different aliens and

1268

00:43:09,109 --> 00:43:07,280

beings and whatever

1269

00:43:11,430 --> 00:43:09,119

and let's just take away the history for

1270

00:43:12,550 --> 00:43:11,440

a second and somebody said to you vinnie

1271

00:43:14,390 --> 00:43:12,560

guess what

1272

00:43:17,510 --> 00:43:14,400

they discovered

1273

00:43:18,870 --> 00:43:17,520

life human life other beings on another

1274

00:43:20,870 --> 00:43:18,880

planet

1275

00:43:22,390 --> 00:43:20,880

and they're awesome

1276
00:43:23,670 --> 00:43:22,400
like

1277
00:43:29,109 --> 00:43:23,680
immediately

1278
00:43:30,630 --> 00:43:29,119
initia you're like it's almost like

1279
00:43:31,910 --> 00:43:30,640
you're stunned you're like

1280
00:43:34,710 --> 00:43:31,920
what

1281
00:43:35,510 --> 00:43:34,720
really that's amazing

1282
00:43:37,750 --> 00:43:35,520
so

1283
00:43:40,710 --> 00:43:37,760
it's the way it's been painted

1284
00:43:42,870 --> 00:43:40,720
over the years from like the 40s to

1285
00:43:44,710 --> 00:43:42,880
about the 70s where a lot of the coining

1286
00:43:46,230 --> 00:43:44,720
of little green men came about of course

1287
00:43:50,390 --> 00:43:46,240
from the kentucky case

1288
00:43:52,550 --> 00:43:50,400

and so when you have these stigmas

1289

00:43:54,550 --> 00:43:52,560

it makes people fearful of what they

1290

00:43:55,990 --> 00:43:54,560

don't understand

1291

00:43:57,589 --> 00:43:56,000

but if you paint it in a way that they

1292

00:43:59,910 --> 00:43:57,599

can understand which is kind of

1293

00:44:01,670 --> 00:43:59,920

happening a little bit more now and

1294

00:44:04,069 --> 00:44:01,680

that's why i think more of the general

1295

00:44:05,990 --> 00:44:04,079

public really are ready for the truth

1296

00:44:07,510 --> 00:44:06,000

people aren't going to question god

1297

00:44:08,390 --> 00:44:07,520

they're not going to go run out and kill

1298

00:44:10,550 --> 00:44:08,400

themselves

1299

00:44:12,309 --> 00:44:10,560

because they understand that

1300

00:44:14,150 --> 00:44:12,319

wait a minute if there's life on other

1301

00:44:15,990 --> 00:44:14,160

other planets there's hope for us then

1302

00:44:17,750 --> 00:44:16,000

maybe we can then go and be with them

1303

00:44:19,270 --> 00:44:17,760

and live on a planet with them like elon

1304

00:44:21,349 --> 00:44:19,280

musk is trying to do you know i mean

1305

00:44:23,349 --> 00:44:21,359

elon could be an alien i'm just saying

1306

00:44:24,230 --> 00:44:23,359

i love that guy um

1307

00:44:25,990 --> 00:44:24,240

but

1308

00:44:26,950 --> 00:44:26,000

you know for me i look at it more like

1309

00:44:30,069 --> 00:44:26,960

hope

1310

00:44:31,990 --> 00:44:30,079

you know and i think we put our

1311

00:44:33,829 --> 00:44:32,000

we put our natural mind and the way that

1312

00:44:35,990 --> 00:44:33,839

we would handle a situation and we know

1313

00:44:37,750 --> 00:44:36,000

that he the human race can be very evil

1314

00:44:40,150 --> 00:44:37,760

and can be very mean sometimes it can be

1315

00:44:42,470 --> 00:44:40,160

brutal it can be rude and it can do harm

1316

00:44:44,630 --> 00:44:42,480

to others when it doesn't need to and so

1317

00:44:46,150 --> 00:44:44,640

i think we immediately assume that if we

1318

00:44:47,990 --> 00:44:46,160

found another race

1319

00:44:49,589 --> 00:44:48,000

of any type of being that they're going

1320

00:44:52,630 --> 00:44:49,599

to do the same thing we do

1321

00:44:54,390 --> 00:44:52,640

but in reality i i don't think that you

1322

00:44:55,990 --> 00:44:54,400

know we don't we can't speak for them we

1323

00:44:57,910 --> 00:44:56,000

don't know because we don't really even

1324

00:44:59,990 --> 00:44:57,920

know if there is a them yet

1325

00:45:02,550 --> 00:45:00,000

and just based off of the research we

1326

00:45:04,470 --> 00:45:02,560

have to go by what we're learning

1327

00:45:05,510 --> 00:45:04,480

and there's a lot of accounts and

1328

00:45:07,430 --> 00:45:05,520

stories in there that we don't need to

1329

00:45:08,710 --> 00:45:07,440

be fearful of if they were going to come

1330

00:45:10,470 --> 00:45:08,720

and blow us up they would have already

1331

00:45:12,630 --> 00:45:10,480

done it if they were going to come and

1332

00:45:14,550 --> 00:45:12,640

do independence day on it they would

1333

00:45:16,790 --> 00:45:14,560

have already done it there's they're not

1334

00:45:18,950 --> 00:45:16,800

waiting for uh you know a certain date

1335

00:45:20,150 --> 00:45:18,960

and time you know i mean

1336

00:45:22,470 --> 00:45:20,160

so for me

1337

00:45:24,950 --> 00:45:22,480

i do believe the majority that are

1338

00:45:27,349 --> 00:45:24,960

asking for it that are wanting that

1339

00:45:29,109 --> 00:45:27,359

drink are truly ready for it because

1340

00:45:31,030 --> 00:45:29,119

they're thirsty for it because they've

1341

00:45:32,390 --> 00:45:31,040

done their research they know the truth

1342

00:45:34,550 --> 00:45:32,400

and they're like please

1343

00:45:35,670 --> 00:45:34,560

stop treating the general public like

1344

00:45:38,150 --> 00:45:35,680

idiots

1345

00:45:41,430 --> 00:45:38,160

we see it for ourselves just tell us the

1346

00:45:44,150 --> 00:45:41,440

truth and then don't paint it so

1347

00:45:46,069 --> 00:45:44,160

horror movies just tell them the truth

1348

00:45:49,349 --> 00:45:46,079

just let the public know we're not alone

1349

00:45:51,510 --> 00:45:49,359

and it's awesome it's not a bad thing

1350

00:45:54,069 --> 00:45:51,520

that's cool i like the optimism as well

1351
00:45:55,990 --> 00:45:54,079
i i always try and remain optimistic and

1352
00:45:58,550 --> 00:45:56,000
the way i look at it is if

1353
00:45:59,430 --> 00:45:58,560
we get disclosure and the right there is

1354
00:46:00,630 --> 00:45:59,440
going to be

1355
00:46:02,309 --> 00:46:00,640
some

1356
00:46:05,109 --> 00:46:02,319
i don't know push back there's there may

1357
00:46:06,950 --> 00:46:05,119
be financial crashes and that but

1358
00:46:08,550 --> 00:46:06,960
we're quite a resilient race as well at

1359
00:46:10,309 --> 00:46:08,560
the same time look at how we've you know

1360
00:46:11,430 --> 00:46:10,319
acted over the past few years we bounced

1361
00:46:13,349 --> 00:46:11,440
back and

1362
00:46:15,030 --> 00:46:13,359
you know again i think i prefer to look

1363
00:46:17,750 --> 00:46:15,040

at it optimistically than

1364

00:46:18,710 --> 00:46:17,760

pessimistically so yeah i appreciate

1365

00:46:21,349 --> 00:46:18,720

that

1366

00:46:23,270 --> 00:46:21,359

so before we finish thank you

1367

00:46:25,510 --> 00:46:23,280

um but before we finish off i'd like to

1368

00:46:26,950 --> 00:46:25,520

know what's next for you what's next for

1369

00:46:29,270 --> 00:46:26,960

brit

1370

00:46:31,829 --> 00:46:29,280

oh my gosh i don't know

1371

00:46:32,950 --> 00:46:31,839

honestly um after coming back from

1372

00:46:34,550 --> 00:46:32,960

roswell

1373

00:46:35,990 --> 00:46:34,560

you know i'll i'll share with you guys

1374

00:46:37,750 --> 00:46:36,000

for a moment

1375

00:46:40,150 --> 00:46:37,760

being a part of the panel with kufos and

1376

00:46:42,150 --> 00:46:40,160

mcdonald and uh donald schmidt and and

1377

00:46:43,910 --> 00:46:42,160

mark chesney and spending you know such

1378

00:46:46,309 --> 00:46:43,920

a great time with them and paul davids

1379

00:46:49,190 --> 00:46:46,319

and james clark was there and and so

1380

00:46:50,790 --> 00:46:49,200

many tom carey um thomas reed was there

1381

00:46:54,230 --> 00:46:50,800

of course ben hansen melissa all these

1382

00:46:56,550 --> 00:46:54,240

wonderful people um who were there uh

1383

00:46:58,950 --> 00:46:56,560

louis elizondo was there as well it was

1384

00:47:02,710 --> 00:46:58,960

quite a quite a turnout but the roswell

1385

00:47:05,190 --> 00:47:02,720

panel changed my life for a multitude of

1386

00:47:06,950 --> 00:47:05,200

reasons when you're sitting there and

1387

00:47:09,030 --> 00:47:06,960

you're listening to these gentlemen who

1388

00:47:10,309 --> 00:47:09,040

have spent i'm going to say 40 50 plus

1389

00:47:12,630 --> 00:47:10,319

years some of them were much older

1390

00:47:14,069 --> 00:47:12,640

dennis is 80 now and so you're looking

1391

00:47:15,349 --> 00:47:14,079

at these gentlemen who have seen it all

1392

00:47:16,790 --> 00:47:15,359

have heard it all were a part of

1393

00:47:19,510 --> 00:47:16,800

deathbed confessions

1394

00:47:22,549 --> 00:47:19,520

and you can't help but sit there and go

1395

00:47:24,710 --> 00:47:22,559

what happens when they're gone

1396

00:47:27,270 --> 00:47:24,720

when these fighters who have fought the

1397

00:47:29,349 --> 00:47:27,280

fight and have come toe-to-toe with

1398

00:47:30,790 --> 00:47:29,359

government officials in escalades and

1399

00:47:32,870 --> 00:47:30,800

gun pointing and everything and i'm not

1400

00:47:35,109 --> 00:47:32,880

joking that is like real stuff that has

1401

00:47:37,109 --> 00:47:35,119

happened to these men

1402

00:47:38,710 --> 00:47:37,119

what happens to the legacy that they

1403

00:47:40,150 --> 00:47:38,720

have set forth for us and for our

1404

00:47:41,829 --> 00:47:40,160

children

1405

00:47:43,270 --> 00:47:41,839

if it doesn't carry on

1406

00:47:45,589 --> 00:47:43,280

and then to have

1407

00:47:47,990 --> 00:47:45,599

two sons from officials that were part

1408

00:47:49,670 --> 00:47:48,000

of the incident in roswell who came to

1409

00:47:52,390 --> 00:47:49,680

speak on behalf of their dads who are no

1410

00:47:54,309 --> 00:47:52,400

longer with us but who are there to say

1411

00:47:55,829 --> 00:47:54,319

thank you to these gentlemen for

1412

00:47:57,750 --> 00:47:55,839

fighting the fight to getting the truth

1413

00:47:59,190 --> 00:47:57,760

out for their dads that were afraid to

1414

00:48:01,190 --> 00:47:59,200

come forward because they didn't want

1415

00:48:02,790 --> 00:48:01,200

anything to happen to us

1416

00:48:05,589 --> 00:48:02,800

and they didn't tell us until they were

1417

00:48:06,470 --> 00:48:05,599

dying because you can't kill a dead man

1418

00:48:08,870 --> 00:48:06,480

and

1419

00:48:10,790 --> 00:48:08,880

it really bugged me because there's

1420

00:48:13,190 --> 00:48:10,800

nobody truly

1421

00:48:15,510 --> 00:48:13,200

interested or caring to carry on that

1422

00:48:16,790 --> 00:48:15,520

fight that torch of j allen heineck you

1423

00:48:19,349 --> 00:48:16,800

know even

1424

00:48:21,270 --> 00:48:19,359

and i just feel that in my gut that's

1425

00:48:23,910 --> 00:48:21,280

going to be my next step

1426

00:48:25,190 --> 00:48:23,920

i need to push forward because if you're

1427

00:48:26,309 --> 00:48:25,200

waiting for the government to tell you

1428

00:48:28,150 --> 00:48:26,319

the truth and ain't going to happen you

1429

00:48:29,910 --> 00:48:28,160

have to go after the truth yourself and

1430

00:48:31,910 --> 00:48:29,920

that's boots on the ground meeting the

1431

00:48:34,309 --> 00:48:31,920

people that are afraid to talk and

1432

00:48:36,470 --> 00:48:34,319

allowing them to feel safe with you and

1433

00:48:39,030 --> 00:48:36,480

telling their story and know that there

1434

00:48:40,630 --> 00:48:39,040

is no judgment we all want the truth no

1435

00:48:41,910 --> 00:48:40,640

matter where that leads us

1436

00:48:44,230 --> 00:48:41,920

and

1437

00:48:46,870 --> 00:48:44,240

i just feel in my heart how much i love

1438

00:48:48,630 --> 00:48:46,880

these men and these women who have done

1439

00:48:50,870 --> 00:48:48,640

this and

1440

00:48:53,109 --> 00:48:50,880

fearful and they told their story anyway

1441

00:48:55,349 --> 00:48:53,119

in books and in writing and in deathbed

1442

00:48:57,510 --> 00:48:55,359

confessions it is up to us the next

1443

00:49:00,470 --> 00:48:57,520

generation to carry that torch

1444

00:49:02,950 --> 00:49:00,480

and as being um you know an apprentice

1445

00:49:05,190 --> 00:49:02,960

to dawn and he is my mentor and he is my

1446

00:49:07,270 --> 00:49:05,200

family i feel it in my god that that's

1447

00:49:08,309 --> 00:49:07,280

my next my next journey is to either

1448

00:49:10,390 --> 00:49:08,319

create

1449

00:49:12,549 --> 00:49:10,400

the brand new blue book that isn't

1450

00:49:14,710 --> 00:49:12,559

attached to the government and actually

1451

00:49:16,630 --> 00:49:14,720

go after this for the truth and continue

1452

00:49:19,349 --> 00:49:16,640

that legacy so when they're gone

1453

00:49:20,950 --> 00:49:19,359

that flame is still burning for roswell

1454

00:49:23,430 --> 00:49:20,960

and we will do whatever it takes to keep

1455

00:49:26,549 --> 00:49:23,440

it alive and i will add vinnie and

1456

00:49:30,150 --> 00:49:26,559

you'll get a kick out of this and i know

1457

00:49:31,589 --> 00:49:30,160

i hate the term uap

1458

00:49:33,670 --> 00:49:31,599

i don't know how you feel about it and i

1459

00:49:36,390 --> 00:49:33,680

don't care what anybody says i hate the

1460

00:49:38,309 --> 00:49:36,400

term uap and you know why because it

1461

00:49:40,390 --> 00:49:38,319

stands for unidentified aerial

1462

00:49:42,230 --> 00:49:40,400

phenomenon now aerial phenomenon is

1463

00:49:43,750 --> 00:49:42,240

anything that takes place in our

1464

00:49:45,349 --> 00:49:43,760

atmosphere and i've studied the

1465

00:49:46,549 --> 00:49:45,359

atmosphere because being a ufologist you

1466

00:49:48,790 --> 00:49:46,559

need to know different elements of

1467

00:49:51,829 --> 00:49:48,800

atmosphere that could create a false

1468

00:49:53,670 --> 00:49:51,839

image of a ufo okay even a major mirage

1469

00:49:55,750 --> 00:49:53,680

as they call it or a super mirage in the

1470

00:49:59,270 --> 00:49:55,760

sky okay fair enough

1471

00:50:01,270 --> 00:49:59,280

but an object unidentified flying object

1472

00:50:04,230 --> 00:50:01,280

is something that is flying around up

1473

00:50:06,950 --> 00:50:04,240

there that is a physical tangible object

1474

00:50:08,790 --> 00:50:06,960

not an aerial phenomenon so i hate that

1475

00:50:11,270 --> 00:50:08,800

the ufos are being lumped in and being

1476
00:50:13,430 --> 00:50:11,280
called uaps because it is not the same

1477
00:50:14,710 --> 00:50:13,440
thing at all and if anybody is paying

1478
00:50:17,109 --> 00:50:14,720
attention and they listen to the

1479
00:50:19,589 --> 00:50:17,119
congressional hearing they flat out said

1480
00:50:23,670 --> 00:50:19,599
in the congressional hearing and i quote

1481
00:50:26,870 --> 00:50:23,680
yes ufos they're a physical object and

1482
00:50:28,309 --> 00:50:26,880
we know this for certain now okay so if

1483
00:50:30,470 --> 00:50:28,319
you know this for certain now that it's

1484
00:50:31,589 --> 00:50:30,480
a physical object then stop calling it a

1485
00:50:35,349 --> 00:50:31,599
uap

1486
00:50:37,829 --> 00:50:35,359
else that's going on in the atmosphere i

1487
00:50:40,150 --> 00:50:37,839
stand by that 100 percent

1488
00:50:42,069 --> 00:50:40,160

wormholes portals whatever opens up the

1489

00:50:43,910 --> 00:50:42,079

atmosphere fine it's a phenomenon but as

1490

00:50:46,630 --> 00:50:43,920

far as ufos they are still an

1491

00:50:48,390 --> 00:50:46,640

unified unidentified flying object

1492

00:50:50,150 --> 00:50:48,400

and until proven otherwise that is what

1493

00:50:53,109 --> 00:50:50,160

they should be called no matter what so

1494

00:50:55,510 --> 00:50:53,119

i say uap to stay pc with everything

1495

00:50:56,790 --> 00:50:55,520

across the board but it does irk me

1496

00:50:58,390 --> 00:50:56,800

because it doesn't make sense that

1497

00:51:00,790 --> 00:50:58,400

you're lumping in something to move away

1498

00:51:02,630 --> 00:51:00,800

from the stigma but in truth we're still

1499

00:51:05,430 --> 00:51:02,640

looking at an object that we cannot

1500

00:51:07,430 --> 00:51:05,440

identify period that's what it is

1501

00:51:09,750 --> 00:51:07,440

call it what it is

1502

00:51:11,750 --> 00:51:09,760

no that's fair enough changing it

1503

00:51:14,230 --> 00:51:11,760

i get it well the thing is that you know

1504

00:51:15,030 --> 00:51:14,240

uap was actually used back in the 50s a

1505

00:51:17,750 --> 00:51:15,040

lot

1506

00:51:19,589 --> 00:51:17,760

so i mean there are many i use both and

1507

00:51:22,630 --> 00:51:19,599

it depends on who i'm talking to the

1508

00:51:24,950 --> 00:51:22,640

situation the case the year that i'm you

1509

00:51:27,190 --> 00:51:24,960

know referring to so yes

1510

00:51:29,990 --> 00:51:27,200

if i was to and this is again just my

1511

00:51:32,390 --> 00:51:30,000

opinion i would ditch both because for

1512

00:51:33,349 --> 00:51:32,400

the reasons you explained about uap i

1513

00:51:36,870 --> 00:51:33,359

agree

1514

00:51:38,190 --> 00:51:36,880

but also a ufo if it is you know an

1515

00:51:40,069 --> 00:51:38,200

anti-gravity

1516

00:51:41,190 --> 00:51:40,079

electromagnetic thing then it's not

1517

00:51:43,910 --> 00:51:41,200

actually

1518

00:51:45,030 --> 00:51:43,920

flying because it's not using you know

1519

00:51:46,309 --> 00:51:45,040

so

1520

00:51:48,549 --> 00:51:46,319

that's true it should just be an

1521

00:51:50,470 --> 00:51:48,559

unidentified object yeah because we

1522

00:51:51,430 --> 00:51:50,480

can't really identify it

1523

00:51:53,990 --> 00:51:51,440

yeah

1524

00:51:55,430 --> 00:51:54,000

so i'm done with it it's a up it's an up

1525

00:51:56,390 --> 00:51:55,440

so we'll just start calling it up vinnie

1526

00:51:57,910 --> 00:51:56,400

that'll be our thing i'll just be like

1527

00:51:59,349 --> 00:51:57,920

okay did you see the up yesterday i did

1528

00:52:03,109 --> 00:51:59,359

i like that

1529

00:52:05,510 --> 00:52:03,119

yeah no stigma it's a new thing

1530

00:52:08,069 --> 00:52:05,520

we'll start and see if it sticks in the

1531

00:52:10,230 --> 00:52:08,079

ufology community we'll see if it sticks

1532

00:52:12,230 --> 00:52:10,240

let's do it let's do it well listen brit

1533

00:52:14,710 --> 00:52:12,240

thank you so much for joining me today i

1534

00:52:17,109 --> 00:52:14,720

really do appreciate it um i just want

1535

00:52:19,030 --> 00:52:17,119

to say to everybody that's watching live

1536

00:52:21,270 --> 00:52:19,040

listening in the future

1537

00:52:24,470 --> 00:52:21,280

uh go and follow brit on all her social

1538

00:52:26,470 --> 00:52:24,480

medias she's always active and you know

1539

00:52:28,309 --> 00:52:26,480

really interesting posts

1540

00:52:30,150 --> 00:52:28,319

yeah no i i honestly that's how we

1541

00:52:32,870 --> 00:52:30,160

connected on instagram and you know

1542

00:52:34,390 --> 00:52:32,880

you're posting so consistently um and i

1543

00:52:35,829 --> 00:52:34,400

really do appreciate all the work that

1544

00:52:37,349 --> 00:52:35,839

you do as well like i have so much

1545

00:52:38,790 --> 00:52:37,359

respect for boots on the ground

1546

00:52:40,470 --> 00:52:38,800

investigations

1547

00:52:41,829 --> 00:52:40,480

i've done it i've got a bug for it i

1548

00:52:43,670 --> 00:52:41,839

cannot wait to get back out and

1549

00:52:46,069 --> 00:52:43,680

investigate a new case

1550

00:52:48,230 --> 00:52:46,079

so yeah no it's great so thank you so

1551
00:52:49,990 --> 00:52:48,240
much i really appreciate you being here

1552
00:52:51,750 --> 00:52:50,000
absolutely it was a pleasure coming on

1553
00:52:53,589 --> 00:52:51,760
when you asked if if i could come on the

1554
00:52:55,829 --> 00:52:53,599
show it was a real honor i follow your

1555
00:52:57,349 --> 00:52:55,839
show i followed your guests you know and

1556
00:53:00,470 --> 00:52:57,359
of course dawn i think was a guest on

1557
00:53:01,670 --> 00:53:00,480
your show as well and so i i have

1558
00:53:03,589 --> 00:53:01,680
followed and i just you know when you

1559
00:53:04,870 --> 00:53:03,599
asked i was like of course absolutely

1560
00:53:06,230 --> 00:53:04,880
i'll come on the show because it's

1561
00:53:08,549 --> 00:53:06,240
really hard to find somebody that kind

1562
00:53:10,630 --> 00:53:08,559
of um sees eye to eye with you on a lot

1563
00:53:12,230 --> 00:53:10,640

of the the theories and and ideas and

1564

00:53:14,230 --> 00:53:12,240

the fact that we we do a line quite a

1565

00:53:15,829 --> 00:53:14,240

bit it it's always nice because you know

1566

00:53:17,430 --> 00:53:15,839

when you have a conversation there's

1567

00:53:20,549 --> 00:53:17,440

gonna be really good questions coming

1568

00:53:23,510 --> 00:53:20,559

out and and uh i was excited i love it

1569

00:53:24,390 --> 00:53:23,520

so and my my instagram page is kind of

1570

00:53:25,510 --> 00:53:24,400

um

1571

00:53:27,589 --> 00:53:25,520

i just feel that we need to have a

1572

00:53:29,670 --> 00:53:27,599

little fun in the field and it shouldn't

1573

00:53:31,829 --> 00:53:29,680

always be so serious so i do have a lot

1574

00:53:34,069 --> 00:53:31,839

of reels that are more on the humorous

1575

00:53:35,990 --> 00:53:34,079

side of trying to bring people in to

1576

00:53:38,150 --> 00:53:36,000

find it more interesting but i do try

1577

00:53:39,430 --> 00:53:38,160

and stay as active as possible and try

1578

00:53:40,950 --> 00:53:39,440

and be in touch with everybody that

1579

00:53:42,950 --> 00:53:40,960

reaches out

1580

00:53:44,470 --> 00:53:42,960

awesome it does it stands out and so

1581

00:53:46,069 --> 00:53:44,480

that's great you know if we can always

1582

00:53:48,150 --> 00:53:46,079

draw in new people

1583

00:53:50,630 --> 00:53:48,160

then it's only a good thing so yeah i

1584

00:53:51,910 --> 00:53:50,640

really appreciate that as well uh just

1585

00:53:53,430 --> 00:53:51,920

want to give a massive shout out to

1586

00:53:55,670 --> 00:53:53,440

everyone in the live chat for keeping it

1587

00:53:58,230 --> 00:53:55,680

cordial as always i really appreciate

1588

00:53:59,670 --> 00:53:58,240

you guys uh being here as well and

1589

00:54:02,150 --> 00:53:59,680

anybody listening or watching in the

1590

00:54:03,990 --> 00:54:02,160

future thank you so much um

1591

00:54:05,829 --> 00:54:04,000

for now guys we're going to say goodbye

1592

00:54:07,510 --> 00:54:05,839

i am going to be back

1593

00:54:10,309 --> 00:54:07,520

just over a week's time i'm going to be

1594

00:54:13,990 --> 00:54:10,319

hosting a panel discussion with ryan

1595

00:54:17,030 --> 00:54:14,000

robbins aka ufo jesus james ian doley

1596

00:54:18,790 --> 00:54:17,040

and danny silva so look out for that but
