[Music]

2  
00:00:12,559 --> 00:00:17,020

oh

3  
00:00:17,030 --> 00:00:21,510

[Music]

4  
00:00:39,590 --> 00:00:24,030

so

5  
00:00:43,430 --> 00:00:42,150  
hey guys how's it going welcome back to

6  
00:00:46,389 --> 00:00:43,440  
the channel

7  
00:00:47,830 --> 00:00:46,399  
i'm vinnie adams it is saturday so you

8  
00:00:52,869 --> 00:00:47,840  
better believe

9  
00:00:56,790 --> 00:00:54,790  
there we go good to see everybody here

10  
00:00:58,709 --> 00:00:56,800  
in the live chat so many familiar faces

11  
00:01:00,069 --> 00:00:58,719  
thank you thank you so much for being

12  
00:01:01,750 --> 00:01:00,079  
here i really

13  
00:01:03,590 --> 00:01:01,760

really appreciate it

14

00:01:05,670 --> 00:01:03,600

i hope everyone's had a good week and

15

00:01:08,230 --> 00:01:05,680

he's already having a good weekend

16

00:01:10,230 --> 00:01:08,240

i've had a great day family stuff um and

17

00:01:11,190 --> 00:01:10,240

now we're here so

18

00:01:13,109 --> 00:01:11,200

um

19

00:01:14,789 --> 00:01:13,119

i can't wait for this conversation so

20

00:01:17,109 --> 00:01:14,799

i've been following this guy's work for

21

00:01:19,510 --> 00:01:17,119

quite some time um

22

00:01:21,270 --> 00:01:19,520

but finally with the mystery

23

00:01:23,910 --> 00:01:21,280

has kind of

24

00:01:27,109 --> 00:01:23,920

dissipated slightly because we now

25

00:01:28,469 --> 00:01:27,119

we now know who this man is and so i'm

26

00:01:30,390 --> 00:01:28,479

just can't wait so i'm just going to

27

00:01:32,310 --> 00:01:30,400

bring him in straight away so

28

00:01:35,350 --> 00:01:32,320

please welcome

29

00:01:37,590 --> 00:01:35,360

darren aka exo academia darren thank you

30

00:01:38,950 --> 00:01:37,600

so much for being here man vinnie happy

31

00:01:41,510 --> 00:01:38,960

to be here with you and hi to everybody

32

00:01:43,109 --> 00:01:41,520

that's out there i know it's it's this

33

00:01:45,350 --> 00:01:43,119

is like i said i've been looking forward

34

00:01:47,429 --> 00:01:45,360

to this for some time since since we

35

00:01:49,590 --> 00:01:47,439

sort of first spoke and

36

00:01:50,469 --> 00:01:49,600

yeah i guess the first thing would be is

37

00:01:52,710 --> 00:01:50,479

like

38

00:01:54,389 --> 00:01:52,720

you were kind of anonymous for quite

39

00:01:55,910 --> 00:01:54,399

some time and

40

00:01:59,030 --> 00:01:55,920

i can tell you from my point of view

41

00:02:01,510 --> 00:01:59,040

that that added some serious mystique to

42

00:02:03,429 --> 00:02:01,520

everything you do um so tell me what was

43

00:02:05,910 --> 00:02:03,439

the decision to finally sort of make

44

00:02:06,830 --> 00:02:05,920

that step into to being yourself or

45

00:02:09,990 --> 00:02:06,840

showing

46

00:02:12,309 --> 00:02:10,000

yourself right well when i began my

47

00:02:13,589 --> 00:02:12,319

podcast i was thinking you know i didn't

48

00:02:15,990 --> 00:02:13,599

i wasn't sure how much traction the

49

00:02:17,350 --> 00:02:16,000

podcast would get you know i just was

50

00:02:19,270 --> 00:02:17,360

interested in beginning it so i could

51  
00:02:21,750 --> 00:02:19,280  
explore topics that i was interested in

52  
00:02:23,990 --> 00:02:21,760  
uh not just the ufo phenomenon but you

53  
00:02:26,070 --> 00:02:24,000  
know sci phenomena and paranormal stuff

54  
00:02:27,430 --> 00:02:26,080  
and the fabric of reality and how it's

55  
00:02:29,270 --> 00:02:27,440  
all connected and the more i

56  
00:02:30,710 --> 00:02:29,280  
investigated it the more i realized it

57  
00:02:33,509 --> 00:02:30,720  
was all connected

58  
00:02:35,030 --> 00:02:33,519  
um and as that got more traction and

59  
00:02:37,110 --> 00:02:35,040  
people started interacting with me i

60  
00:02:39,509 --> 00:02:37,120  
started getting you know invitations to

61  
00:02:41,110 --> 00:02:39,519  
be involved in various things and

62  
00:02:43,509 --> 00:02:41,120  
projects and whatnot

63  
00:02:45,110 --> 00:02:43,519

and it just became you know increasingly

64

00:02:47,990 --> 00:02:45,120

difficult to do that as an anonymous

65

00:02:49,350 --> 00:02:48,000

person with an alien avatar being my

66

00:02:51,910 --> 00:02:49,360

only identity

67

00:02:53,990 --> 00:02:51,920

so uh you know as i got involved in a

68

00:02:56,229 --> 00:02:54,000

couple events uh more people became

69

00:02:58,470 --> 00:02:56,239

aware of my name and what i look like

70

00:02:59,910 --> 00:02:58,480

and i just kind of got used to it

71

00:03:01,509 --> 00:02:59,920

and once that kind of happened i'm like

72

00:03:04,390 --> 00:03:01,519

yeah this you know this is nice and i

73

00:03:06,070 --> 00:03:04,400

know that for myself i recognize that

74

00:03:07,910 --> 00:03:06,080

the mystique can be nice for a while but

75

00:03:09,509 --> 00:03:07,920

eventually you get to the point where

76  
00:03:11,110 --> 00:03:09,519  
uh you know you pick up some information

77  
00:03:13,350 --> 00:03:11,120  
from people's body language and their

78  
00:03:14,790 --> 00:03:13,360  
demeanor and their presence so i thought

79  
00:03:17,030 --> 00:03:14,800  
yeah i could see how people would like

80  
00:03:18,550 --> 00:03:17,040  
to have more of the uh the 3d

81  
00:03:21,110 --> 00:03:18,560  
impressions so

82  
00:03:22,710 --> 00:03:21,120  
so that's why i sort of came out and uh

83  
00:03:24,309 --> 00:03:22,720  
made myself known

84  
00:03:26,869 --> 00:03:24,319  
yeah that's awesome i think it's a great

85  
00:03:29,110 --> 00:03:26,879  
thing man i do like i mean as much as i

86  
00:03:31,509 --> 00:03:29,120  
loved the mystique i do

87  
00:03:34,390 --> 00:03:31,519  
i do like that person personable

88  
00:03:35,750 --> 00:03:34,400

approach just as much so yeah it's great

89

00:03:38,149 --> 00:03:35,760

so like you mentioned there about

90

00:03:41,110 --> 00:03:38,159

connections as well between different

91

00:03:43,190 --> 00:03:41,120

aspects of the phenomena and paranormal

92

00:03:45,910 --> 00:03:43,200

and stuff like that but let's take it

93

00:03:47,350 --> 00:03:45,920

back and do you remember what first sort

94

00:03:49,750 --> 00:03:47,360

of sparked your interest and what got

95

00:03:51,270 --> 00:03:49,760

you into these kind of subjects

96

00:03:52,949 --> 00:03:51,280

yeah that goes back a long way i would

97

00:03:56,149 --> 00:03:52,959

say um

98

00:03:58,470 --> 00:03:56,159

when i was like a toddler even um my mom

99

00:03:59,750 --> 00:03:58,480

used to uh remark that i was i would go

100

00:04:01,350 --> 00:03:59,760

outside and look at the stars kind of

101  
00:04:02,390 --> 00:04:01,360  
thing in the backyard and

102  
00:04:03,509 --> 00:04:02,400  
um

103  
00:04:06,229 --> 00:04:03,519  
was asking

104  
00:04:08,390 --> 00:04:06,239  
big questions at an early age uh which

105  
00:04:09,830 --> 00:04:08,400  
she definitely noticed and

106  
00:04:12,470 --> 00:04:09,840  
kind of has jokingly said that i sort of

107  
00:04:14,949 --> 00:04:12,480  
came in like a like a little adult and

108  
00:04:19,349 --> 00:04:14,959  
was asking deep questions early on

109  
00:04:22,069 --> 00:04:19,359  
um and then i think uh later on um i got

110  
00:04:24,469 --> 00:04:22,079  
interested in whitley strieber's work

111  
00:04:26,710 --> 00:04:24,479  
was really fascinated with his uh

112  
00:04:29,030 --> 00:04:26,720  
his books and his experience and trying

113  
00:04:30,629 --> 00:04:29,040

to understand that um you know i

114

00:04:32,070 --> 00:04:30,639

remember going up to like mountain

115

00:04:35,430 --> 00:04:32,080

cabins with friends of mine in the

116

00:04:36,629 --> 00:04:35,440

pacific northwest and uh

117

00:04:38,230 --> 00:04:36,639

you know one time i remember us going

118

00:04:39,510 --> 00:04:38,240

around a corner we were driving up to

119

00:04:41,350 --> 00:04:39,520

this cabin it was middle of the night

120

00:04:42,469 --> 00:04:41,360

kind of thing we ran out went around a

121

00:04:44,390 --> 00:04:42,479

corner in

122

00:04:46,150 --> 00:04:44,400

this huge light suddenly shone down on

123

00:04:48,870 --> 00:04:46,160

us from the trees right and so i had

124

00:04:50,390 --> 00:04:48,880

just read um communion at the time

125

00:04:51,430 --> 00:04:50,400

so i kind of freaked out and thought

126

00:04:53,749 --> 00:04:51,440

immediately you know this is it

127

00:04:55,830 --> 00:04:53,759

abduction time uh turns out it was like

128

00:04:57,189 --> 00:04:55,840

a floodlight that went on over this area

129

00:04:59,110 --> 00:04:57,199

where they keep all the salt for the

130

00:05:01,350 --> 00:04:59,120

roads and so it just like gets triggered

131

00:05:02,629 --> 00:05:01,360

by movement but for for a second there i

132

00:05:03,830 --> 00:05:02,639

thought for sure

133

00:05:05,430 --> 00:05:03,840

it was that and by the way there was

134

00:05:06,550 --> 00:05:05,440

another occasion when we got to the

135

00:05:07,670 --> 00:05:06,560

cabin

136

00:05:09,029 --> 00:05:07,680

at one point we were like playing a

137

00:05:10,629 --> 00:05:09,039

board game you know again middle of

138

00:05:12,150 --> 00:05:10,639

nowhere kind of thing up in the in the

139

00:05:14,390 --> 00:05:12,160

wilderness um

140

00:05:16,150 --> 00:05:14,400

and uh the front door suddenly swung

141

00:05:18,070 --> 00:05:16,160

open in the middle you know like 10

142

00:05:19,830 --> 00:05:18,080

o'clock at night it's dark and it was an

143

00:05:22,070 --> 00:05:19,840

interesting sociological experiment

144

00:05:23,350 --> 00:05:22,080

because everyone around the table

145

00:05:25,029 --> 00:05:23,360

freaked out but everybody had a

146

00:05:26,390 --> 00:05:25,039

different fear about what it was like

147

00:05:28,310 --> 00:05:26,400

what one of the women thought it was

148

00:05:29,510 --> 00:05:28,320

like an axe murderer somebody else

149

00:05:30,629 --> 00:05:29,520

thought it was a bear somebody else

150

00:05:32,390 --> 00:05:30,639

thought it was a cougar and i

151  
00:05:33,189 --> 00:05:32,400  
immediately thought scream aliens you

152  
00:05:35,990 --> 00:05:33,199  
know

153  
00:05:37,670 --> 00:05:36,000  
again i just read uh willie strieber's

154  
00:05:39,670 --> 00:05:37,680  
book so

155  
00:05:42,790 --> 00:05:39,680  
that kind of got me in into that and

156  
00:05:44,070 --> 00:05:42,800  
then um then i went for like probably 10

157  
00:05:45,270 --> 00:05:44,080  
years or so where i didn't think about

158  
00:05:47,430 --> 00:05:45,280  
it so much

159  
00:05:49,270 --> 00:05:47,440  
i was still in the back burner i was

160  
00:05:50,870 --> 00:05:49,280  
interested in um

161  
00:05:52,710 --> 00:05:50,880  
different esoteric topics and i was

162  
00:05:53,909 --> 00:05:52,720  
interested again reality and whatnot and

163  
00:05:54,950 --> 00:05:53,919

consciousness

164

00:05:56,710 --> 00:05:54,960

that's why it was kind of like the

165

00:05:59,270 --> 00:05:56,720

perfect brew when later on i kind of

166

00:06:01,430 --> 00:05:59,280

realized it was all connected uh but

167

00:06:03,590 --> 00:06:01,440

then you know having kind of an

168

00:06:05,830 --> 00:06:03,600

anomalous experience of my own

169

00:06:09,909 --> 00:06:05,840

um

170

00:06:11,189 --> 00:06:09,919

know around 2005 also uh kind of uh

171

00:06:12,230 --> 00:06:11,199

added to that

172

00:06:13,270 --> 00:06:12,240

um

173

00:06:15,430 --> 00:06:13,280

and then

174

00:06:18,309 --> 00:06:15,440

just being married to somebody at the

175

00:06:20,390 --> 00:06:18,319

time who had

176

00:06:22,629 --> 00:06:20,400

just had unusual encounters had kind of

177

00:06:24,950 --> 00:06:22,639

you know anomalous stuff going on and i

178

00:06:26,790 --> 00:06:24,960

was actually more skeptical originally

179

00:06:29,350 --> 00:06:26,800

um and had more of a nuts and bolts kind

180

00:06:31,990 --> 00:06:29,360

of perspective i think um

181

00:06:33,749 --> 00:06:32,000

and yet i saw it consistently happening

182

00:06:34,950 --> 00:06:33,759

over time and so that kind of led me

183

00:06:37,029 --> 00:06:34,960

into that too

184

00:06:38,710 --> 00:06:37,039

and then when i finally got in sort of

185

00:06:41,350 --> 00:06:38,720

like around the whole new york times

186

00:06:42,230 --> 00:06:41,360

2017 time really came back in strong

187

00:06:46,870 --> 00:06:42,240

then

188

00:06:49,749 --> 00:06:46,880

and saw the overlap with psi phenomena

189

00:06:51,749 --> 00:06:49,759

and you know quantum theory and

190

00:06:53,189 --> 00:06:51,759

consciousness then it really had me

191

00:06:54,950 --> 00:06:53,199

hooked and i've been i've been going

192

00:06:57,270 --> 00:06:54,960

strong ever since

193

00:06:58,710 --> 00:06:57,280

amazing see i come from really much

194

00:07:00,309 --> 00:06:58,720

different background i spend a probably

195

00:07:02,230 --> 00:07:00,319

a decade plus

196

00:07:03,909 --> 00:07:02,240

coming from such a nuts and bolts

197

00:07:05,749 --> 00:07:03,919

research aspect and it's only in the

198

00:07:06,870 --> 00:07:05,759

last year year and a half that i've kind

199

00:07:08,710 --> 00:07:06,880

of

200

00:07:10,710 --> 00:07:08,720

since i've been doing this and my social

201  
00:07:12,550 --> 00:07:10,720  
media accounts found people that are

202  
00:07:14,230 --> 00:07:12,560  
coming from from more similar side to

203  
00:07:15,029 --> 00:07:14,240  
yourself with consciousness and stuff

204  
00:07:20,790 --> 00:07:15,039  
and

205  
00:07:22,629 --> 00:07:20,800  
i'm really just want to absorb all that

206  
00:07:25,110 --> 00:07:22,639  
kind of consciousness stuff but i am

207  
00:07:27,189 --> 00:07:25,120  
still very new to it so

208  
00:07:29,189 --> 00:07:27,199  
how would you describe consciousness

209  
00:07:31,270 --> 00:07:29,199  
because it's such a big word and it can

210  
00:07:33,270 --> 00:07:31,280  
mean so many different things so if you

211  
00:07:35,189 --> 00:07:33,280  
were to relate it to the phenomena and

212  
00:07:37,589 --> 00:07:35,199  
the paranormal how how would you

213  
00:07:39,189 --> 00:07:37,599

describe it to somebody

214

00:07:40,790 --> 00:07:39,199

well i think that the first thing i

215

00:07:42,230 --> 00:07:40,800

would touch on in terms of how it

216

00:07:45,110 --> 00:07:42,240

immediately connects to the ufo

217

00:07:48,150 --> 00:07:45,120

phenomenon is that um so many of the

218

00:07:50,469 --> 00:07:48,160

experiencers or contactees or witnesses

219

00:07:51,589 --> 00:07:50,479

um have had unusual

220

00:07:53,909 --> 00:07:51,599

um

221

00:07:56,469 --> 00:07:53,919

perceptual shifts in what goes on right

222

00:07:58,309 --> 00:07:56,479

so it's uh you and i might look at a

223

00:08:01,189 --> 00:07:58,319

truck drive by i think in the uk you

224

00:08:02,629 --> 00:08:01,199

would say a lorry would drive

225

00:08:04,070 --> 00:08:02,639

and

226

00:08:06,150 --> 00:08:04,080

you know we would probably describe the

227

00:08:07,430 --> 00:08:06,160

same thing right and if we got 100

228

00:08:09,270 --> 00:08:07,440

people around us we would describe the

229

00:08:11,350 --> 00:08:09,280

exact same thing same color same basic

230

00:08:13,110 --> 00:08:11,360

shape you might get some differences

231

00:08:14,790 --> 00:08:13,120

around you know just witnesses remember

232

00:08:17,029 --> 00:08:14,800

things slightly differently

233

00:08:19,110 --> 00:08:17,039

even in a court of law that would happen

234

00:08:21,589 --> 00:08:19,120

but what's fascinating with the with the

235

00:08:23,830 --> 00:08:21,599

ufo phenomenon is that people will

236

00:08:26,230 --> 00:08:23,840

sometimes get a custom perceptual

237

00:08:27,830 --> 00:08:26,240

experience so you could have two people

238

00:08:29,670 --> 00:08:27,840

um you know like in the classic

239

00:08:31,510 --> 00:08:29,680

abduction case you might have one person

240

00:08:34,389 --> 00:08:31,520

that remembers a ufo

241

00:08:37,190 --> 00:08:34,399

and where and a brother remembers a

242

00:08:39,029 --> 00:08:37,200

school bus you know or cases where one

243

00:08:40,630 --> 00:08:39,039

person remembers um

244

00:08:42,389 --> 00:08:40,640

you know a camper van and somebody else

245

00:08:43,750 --> 00:08:42,399

remembers a cabin with christmas lights

246

00:08:46,389 --> 00:08:43,760

even though it was july you know what i

247

00:08:48,470 --> 00:08:46,399

mean like weird stuff like that where

248

00:08:49,829 --> 00:08:48,480

at first you start saying you know is it

249

00:08:51,430 --> 00:08:49,839

just that they're playing with our

250

00:08:52,710 --> 00:08:51,440

perceptual apparatus you know are they

251

00:08:54,630 --> 00:08:52,720

changing how we're perceiving what

252

00:08:56,630 --> 00:08:54,640

they're there you know people often talk

253

00:08:58,389 --> 00:08:56,640

about screen memories you know they they

254

00:09:01,110 --> 00:08:58,399

put one memory in place of what's really

255

00:09:02,790 --> 00:09:01,120

going on either to fool you depending on

256

00:09:05,030 --> 00:09:02,800

your point of view or to maybe make it

257

00:09:07,910 --> 00:09:05,040

less uh you know debilitating because

258

00:09:09,670 --> 00:09:07,920

they might be shocking to see

259

00:09:11,590 --> 00:09:09,680

but the more you dig it goes even deeper

260

00:09:13,190 --> 00:09:11,600

than that and people often will have

261

00:09:14,870 --> 00:09:13,200

changes in

262

00:09:16,710 --> 00:09:14,880

not just how they perceive the world in

263

00:09:18,870 --> 00:09:16,720

terms of visually but

264

00:09:21,430 --> 00:09:18,880

they will have personality shifts you

265

00:09:23,269 --> 00:09:21,440

know they will have

266

00:09:24,949 --> 00:09:23,279

they will change their values you know

267

00:09:26,550 --> 00:09:24,959

that not just because they suddenly go

268

00:09:27,829 --> 00:09:26,560

oh okay there maybe there's et's out

269

00:09:29,190 --> 00:09:27,839

there

270

00:09:31,350 --> 00:09:29,200

but something about the way they see

271

00:09:33,190 --> 00:09:31,360

reality seems to change you know and uh

272

00:09:35,430 --> 00:09:33,200

people like gary nolan are doing some

273

00:09:37,190 --> 00:09:35,440

really interesting research into

274

00:09:39,430 --> 00:09:37,200

as i'm sure you know like is there

275

00:09:40,710 --> 00:09:39,440

differences in the brain you know

276

00:09:43,030 --> 00:09:40,720

that we could

277

00:09:45,269 --> 00:09:43,040

track this to but that of course raises

278

00:09:46,949 --> 00:09:45,279

interesting questions around

279

00:09:49,110 --> 00:09:46,959

so are some people predisposed to this

280

00:09:51,269 --> 00:09:49,120

at birth and is there a genetic lineage

281

00:09:53,269 --> 00:09:51,279

or does something get switched on

282

00:09:54,949 --> 00:09:53,279

when we look at psi phenomena it seems

283

00:09:56,550 --> 00:09:54,959

that everybody like dean raiden's work

284

00:09:59,030 --> 00:09:56,560

would suggest that everyone has some

285

00:10:00,949 --> 00:09:59,040

degree of psych capacity

286

00:10:02,550 --> 00:10:00,959

some much more than others you know it's

287

00:10:04,150 --> 00:10:02,560

really interesting how

288

00:10:06,630 --> 00:10:04,160

some of their research has suggested

289

00:10:08,389 --> 00:10:06,640

that in certain parts of the world where

290

00:10:10,230 --> 00:10:08,399

there was persecution and basically

291

00:10:12,470 --> 00:10:10,240

killing of certain people that were

292

00:10:14,230 --> 00:10:12,480

considered witches or witch doctors or

293

00:10:15,670 --> 00:10:14,240

anybody who kind of had

294

00:10:16,790 --> 00:10:15,680

information they shouldn't have had it

295

00:10:18,790 --> 00:10:16,800

was assumed that that was like

296

00:10:20,470 --> 00:10:18,800

information from the devil or whatever

297

00:10:22,310 --> 00:10:20,480

and so those people were like you know

298

00:10:24,870 --> 00:10:22,320

often put to death and so you actually

299

00:10:27,030 --> 00:10:24,880

can see that now when you track the

300

00:10:28,870 --> 00:10:27,040

lineage of those populations that the

301  
00:10:30,870 --> 00:10:28,880  
people who weren't in those places tend

302  
00:10:32,630 --> 00:10:30,880  
to still have the strongest ability when

303  
00:10:34,630 --> 00:10:32,640  
it comes to terms to side capacity and

304  
00:10:35,590 --> 00:10:34,640  
when i say psi capacity

305  
00:10:37,590 --> 00:10:35,600  
i mean

306  
00:10:39,670 --> 00:10:37,600  
being able to access information outside

307  
00:10:41,829 --> 00:10:39,680  
the parameters of space time outside the

308  
00:10:45,269 --> 00:10:41,839  
the constrict you know the constrictions

309  
00:10:46,790 --> 00:10:45,279  
of space time as we understand it right

310  
00:10:48,630 --> 00:10:46,800  
and then you look at really great

311  
00:10:50,550 --> 00:10:48,640  
researchers like jacques vallee who've

312  
00:10:51,750 --> 00:10:50,560  
looked into this for decades and decades

313  
00:10:53,190 --> 00:10:51,760

and everyone says you know if you

314

00:10:55,030 --> 00:10:53,200

haven't read chocolate you don't really

315

00:10:57,910 --> 00:10:55,040

understand the ufo phenomenon at all

316

00:11:01,190 --> 00:10:57,920

that's like you know ufo phenomenon 101

317

00:11:02,949 --> 00:11:01,200

is reid chocolate and john keeler

318

00:11:04,790 --> 00:11:02,959

and what he says is that you know the

319

00:11:06,310 --> 00:11:04,800

what the ufo phenomenon teaches us is

320

00:11:08,389 --> 00:11:06,320

that we don't actually understand space

321

00:11:09,990 --> 00:11:08,399

time it's not just that we there's some

322

00:11:12,230 --> 00:11:10,000

pieces we're missing you know we're just

323

00:11:14,790 --> 00:11:12,240

missing the cherry on top he's saying

324

00:11:17,030 --> 00:11:14,800

they do stuff that just to us looks

325

00:11:17,990 --> 00:11:17,040

incredible um

326

00:11:19,990 --> 00:11:18,000

so

327

00:11:23,269 --> 00:11:20,000

yeah all that together makes it very

328

00:11:25,110 --> 00:11:23,279

clear that when they operate with us it

329

00:11:26,710 --> 00:11:25,120

seems to be at a level of consciousness

330

00:11:29,590 --> 00:11:26,720

and and the last piece i'll add to that

331

00:11:31,590 --> 00:11:29,600

is that a lot of the data again with

332

00:11:32,870 --> 00:11:31,600

experiencers of witnesses and i don't

333

00:11:34,630 --> 00:11:32,880

just mean people who remember being

334

00:11:36,150 --> 00:11:34,640

abducted i mean even people who just saw

335

00:11:38,310 --> 00:11:36,160

something in the sky

336

00:11:39,509 --> 00:11:38,320

um you know there there's there's

337

00:11:41,750 --> 00:11:39,519

changes

338

00:11:44,069 --> 00:11:41,760

in them that makes them more likely than

339

00:11:45,590 --> 00:11:44,079

the average population then on to have

340

00:11:47,750 --> 00:11:45,600

something like a near-death experience

341

00:11:48,630 --> 00:11:47,760

or a precognitive dream

342

00:11:50,629 --> 00:11:48,640

um

343

00:11:53,110 --> 00:11:50,639

you know uh even to experience

344

00:11:55,269 --> 00:11:53,120

telekinetic like uh you know effects in

345

00:11:57,430 --> 00:11:55,279

their home poltergeist is somehow

346

00:11:59,350 --> 00:11:57,440

connected you know the the skinwalker

347

00:12:01,910 --> 00:11:59,360

ranch kind of hitchhiker effect seeing

348

00:12:03,350 --> 00:12:01,920

ufos and seeing sasquatch and

349

00:12:06,629 --> 00:12:03,360

seeing portals

350

00:12:08,790 --> 00:12:06,639

and then a relative or a neighbor three

351

00:12:11,430 --> 00:12:08,800

thousand miles away suddenly has

352

00:12:13,030 --> 00:12:11,440

uh experiences that suggest is connected

353

00:12:15,030 --> 00:12:13,040

to someone they didn't even necessarily

354

00:12:16,389 --> 00:12:15,040

know that well but are somehow socially

355

00:12:19,110 --> 00:12:16,399

connected to

356

00:12:21,269 --> 00:12:19,120

again all of this suggests that somehow

357

00:12:23,190 --> 00:12:21,279

the the the common link between all of

358

00:12:24,470 --> 00:12:23,200

those different kind of phenomena is

359

00:12:26,310 --> 00:12:24,480

consciousness

360

00:12:27,430 --> 00:12:26,320

and so that's why for me it's even come

361

00:12:28,949 --> 00:12:27,440

down to

362

00:12:31,190 --> 00:12:28,959

is this saying something fundamental

363

00:12:33,750 --> 00:12:31,200

about reality and that's the level at

364

00:12:35,269 --> 00:12:33,760

which these others are operating on and

365

00:12:37,509 --> 00:12:35,279

they're sort of hacking into our

366

00:12:40,470 --> 00:12:37,519

construct which is space time rather

367

00:12:41,750 --> 00:12:40,480

than space-time being fundamental

368

00:12:43,430 --> 00:12:41,760

amazing

369

00:12:44,790 --> 00:12:43,440

so do you see

370

00:12:46,710 --> 00:12:44,800

like i said i come from that nuts and

371

00:12:48,629 --> 00:12:46,720

bolts and i'm sort of beginning to open

372

00:12:50,310 --> 00:12:48,639

up to the consciousness side but

373

00:12:52,310 --> 00:12:50,320

where does it first meet do you think

374

00:12:55,110 --> 00:12:52,320

for a lot of people like how can we

375

00:12:57,190 --> 00:12:55,120

intertwine the two to to then sort of go

376

00:12:59,430 --> 00:12:57,200

in one direction but encompassing all

377

00:13:01,509 --> 00:12:59,440

aspects of it

378

00:13:03,670 --> 00:13:01,519

well i think um

379

00:13:06,470 --> 00:13:03,680

some people you know that comment more

380

00:13:08,150 --> 00:13:06,480

from an episome balls perspective um

381

00:13:09,829 --> 00:13:08,160

will focus on the craft which i can

382

00:13:11,430 --> 00:13:09,839

understand you know that was my initial

383

00:13:14,310 --> 00:13:11,440

introduction too it's really interesting

384

00:13:15,750 --> 00:13:14,320

in terms of technology right um

385

00:13:17,430 --> 00:13:15,760

and and by the way that's another point

386

00:13:18,310 --> 00:13:17,440

that's really fascinating is you you

387

00:13:20,550 --> 00:13:18,320

can't

388

00:13:22,870 --> 00:13:20,560

it's really hard to tease out like the

389

00:13:25,269 --> 00:13:22,880

spiritual energetic consciousness

390

00:13:27,110 --> 00:13:25,279

aspects from the technology sometimes

391

00:13:28,790 --> 00:13:27,120

people who have had the most

392

00:13:31,190 --> 00:13:28,800

you know spiritually transformative

393

00:13:33,430 --> 00:13:31,200

experiences have also come across meta

394

00:13:34,470 --> 00:13:33,440

material you know that's later been you

395

00:13:35,990 --> 00:13:34,480

know

396

00:13:38,069 --> 00:13:36,000

examined by the government and whatnot

397

00:13:40,629 --> 00:13:38,079

so and has even led to some

398

00:13:42,310 --> 00:13:40,639

breakthroughs in you know biotechnology

399

00:13:43,990 --> 00:13:42,320

and things like that so

400

00:13:45,509 --> 00:13:44,000

really fascinating stuff that people

401  
00:13:47,110 --> 00:13:45,519  
usually think of as being separate

402  
00:13:50,629 --> 00:13:47,120  
topics

403  
00:13:53,189 --> 00:13:52,310  
take experience for accounts seriously

404  
00:13:54,629 --> 00:13:53,199  
you know it doesn't mean you have to

405  
00:13:56,310 --> 00:13:54,639  
take everyone seriously doesn't mean

406  
00:13:57,910 --> 00:13:56,320  
that everyone is telling the absolute

407  
00:13:59,990 --> 00:13:57,920  
truth doesn't mean that everyone's

408  
00:14:01,590 --> 00:14:00,000  
remembering perfectly but when you look

409  
00:14:03,350 --> 00:14:01,600  
at the body of data the literature

410  
00:14:04,790 --> 00:14:03,360  
behind experience for accounts and you

411  
00:14:06,949 --> 00:14:04,800  
look at the credibility of someone like

412  
00:14:08,790 --> 00:14:06,959  
a jacques villa who does his homework

413  
00:14:09,910 --> 00:14:08,800

right interviews people has done it for

414

00:14:11,750 --> 00:14:09,920

decades

415

00:14:13,269 --> 00:14:11,760

goes in with unprejudiced eyes and

416

00:14:14,790 --> 00:14:13,279

really tries to just see what really the

417

00:14:16,310 --> 00:14:14,800

data is telling him

418

00:14:18,230 --> 00:14:16,320

and he he checks these people's

419

00:14:19,990 --> 00:14:18,240

credibility they're professional people

420

00:14:21,189 --> 00:14:20,000

who have reputations and families

421

00:14:22,310 --> 00:14:21,199

they're not the kind of people who are

422

00:14:23,990 --> 00:14:22,320

looking for

423

00:14:26,150 --> 00:14:24,000

fame or fortune or saying something

424

00:14:28,389 --> 00:14:26,160

crazy or being in the national enquirer

425

00:14:29,990 --> 00:14:28,399

uh they they actually often it's the

426

00:14:32,150 --> 00:14:30,000

last thing they want to acknowledge and

427

00:14:33,509 --> 00:14:32,160

yet eventually they do because it is so

428

00:14:34,949 --> 00:14:33,519

transformative

429

00:14:36,150 --> 00:14:34,959

so i would say to people that are new to

430

00:14:38,069 --> 00:14:36,160

it just

431

00:14:39,670 --> 00:14:38,079

keep keep following the rabbit trail see

432

00:14:41,350 --> 00:14:39,680

where it takes you you know see how how

433

00:14:43,990 --> 00:14:41,360

far down the hole you get

434

00:14:46,389 --> 00:14:44,000

um and i think you'll quickly find that

435

00:14:47,670 --> 00:14:46,399

you end up in this territory inevitably

436

00:14:49,910 --> 00:14:47,680

and then i would just say you know keep

437

00:14:51,990 --> 00:14:49,920

an open mind um i recently heard gary

438

00:14:53,670 --> 00:14:52,000

nolan talking about this

439

00:14:55,509 --> 00:14:53,680

for the skeptics of the world not just

440

00:14:57,189 --> 00:14:55,519

like you know debunkers but also like

441

00:14:58,629 --> 00:14:57,199

scientific skeptics

442

00:15:00,629 --> 00:14:58,639

his point would be

443

00:15:02,069 --> 00:15:00,639

clearly we have outlier data that's

444

00:15:04,790 --> 00:15:02,079

saying that our current model for

445

00:15:06,550 --> 00:15:04,800

reality is insufficient and it's

446

00:15:07,350 --> 00:15:06,560

insufficient to a degree that we need to

447

00:15:08,470 --> 00:15:07,360

ask

448

00:15:09,990 --> 00:15:08,480

some really

449

00:15:12,069 --> 00:15:10,000

you know daunting questions about some

450

00:15:14,389 --> 00:15:12,079

of our deepest assumptions about what is

451

00:15:16,389 --> 00:15:14,399

real what is reality that's what this

452

00:15:18,230 --> 00:15:16,399

data seems to be telling us and so i

453

00:15:19,910 --> 00:15:18,240

just say that people embrace that try to

454

00:15:21,430 --> 00:15:19,920

treat it like an adventure i understand

455

00:15:23,189 --> 00:15:21,440

for some people that's

456

00:15:25,990 --> 00:15:23,199

like discombobulating but i would say

457

00:15:27,670 --> 00:15:26,000

just follow that see where it goes take

458

00:15:29,670 --> 00:15:27,680

on a child like demeanor if you can that

459

00:15:31,189 --> 00:15:29,680

we're all in this really unique time

460

00:15:32,710 --> 00:15:31,199

we're discovering things for the first

461

00:15:35,189 --> 00:15:32,720

time together and it might be

462

00:15:36,230 --> 00:15:35,199

civilization changing

463

00:15:39,030 --> 00:15:36,240

excellent

464

00:15:41,110 --> 00:15:39,040

um i've got a question here from elena

465

00:15:43,590 --> 00:15:41,120

hello elena thank you for the question

466

00:15:47,829 --> 00:15:43,600

um what do you think the consciousness

467

00:15:50,389 --> 00:15:47,839

gravity and magnetism connection is

468

00:15:52,790 --> 00:15:50,399

yeah excellent question elena um

469

00:15:55,829 --> 00:15:52,800

yeah that that's a fascinating one

470

00:15:56,870 --> 00:15:55,839

i would say that

471

00:15:58,710 --> 00:15:56,880

so you look at someone like donald

472

00:16:00,069 --> 00:15:58,720

hoffman's work right and what he'll say

473

00:16:01,990 --> 00:16:00,079

is that

474

00:16:04,389 --> 00:16:02,000

what we often notice in in physical

475

00:16:06,790 --> 00:16:04,399

reality is a correlation effect but not

476

00:16:08,389 --> 00:16:06,800

necessarily a causation so

477

00:16:09,829 --> 00:16:08,399

for instance he would say you know if

478

00:16:11,590 --> 00:16:09,839

you um

479

00:16:13,590 --> 00:16:11,600

uh you might have people that show up at

480

00:16:15,590 --> 00:16:13,600

a train platform

481

00:16:17,829 --> 00:16:15,600

um and then you know ten minutes later a

482

00:16:20,150 --> 00:16:17,839

train shows up or five minutes later and

483

00:16:22,230 --> 00:16:20,160

so you could look at that and say aha

484

00:16:24,470 --> 00:16:22,240

people arriving at a platform cause a

485

00:16:25,749 --> 00:16:24,480

train to come right and we would say no

486

00:16:27,590 --> 00:16:25,759

that's not true

487

00:16:30,069 --> 00:16:27,600

what's going on is some deeper reality

488

00:16:32,069 --> 00:16:30,079

like a train schedule is such that it

489

00:16:33,990 --> 00:16:32,079

causes both people to gather together

490

00:16:36,230 --> 00:16:34,000

right so that's the deeper reality and

491

00:16:38,150 --> 00:16:36,240

if you look at too superficial a level

492

00:16:39,670 --> 00:16:38,160

you could make the wrong conclusions

493

00:16:40,710 --> 00:16:39,680

draw the wrong conclusions about what's

494

00:16:42,550 --> 00:16:40,720

going on

495

00:16:44,949 --> 00:16:42,560

and so what he's saying is even when we

496

00:16:46,870 --> 00:16:44,959

see even when gary nolan and jacqueline

497

00:16:48,550 --> 00:16:46,880

are looking at

498

00:16:50,550 --> 00:16:48,560

you know different parts of the brain

499

00:16:52,710 --> 00:16:50,560

and how that seems to be impacted by

500

00:16:54,629 --> 00:16:52,720

contact experiences

501  
00:16:56,949 --> 00:16:54,639  
that might still be a correlate rather

502  
00:16:58,470 --> 00:16:56,959  
than a causation kind of factor and so

503  
00:16:59,990 --> 00:16:58,480  
in the same way i would say with gravity

504  
00:17:02,150 --> 00:17:00,000  
and magnetism

505  
00:17:03,670 --> 00:17:02,160  
that whatever the deeper reality is

506  
00:17:05,429 --> 00:17:03,680  
whether it's consciousness or something

507  
00:17:08,150 --> 00:17:05,439  
else that sort of is the is the bedrock

508  
00:17:09,990 --> 00:17:08,160  
behind the construct of space-time it

509  
00:17:11,750 --> 00:17:10,000  
ends up being manifested in such a way

510  
00:17:13,510 --> 00:17:11,760  
that we see these correlates with

511  
00:17:15,110 --> 00:17:13,520  
gravity and magnetism

512  
00:17:17,110 --> 00:17:15,120  
i don't necessarily think those are

513  
00:17:18,789 --> 00:17:17,120

causing it any more than i think people

514

00:17:19,669 --> 00:17:18,799

arriving at a train station is causing a

515

00:17:21,510 --> 00:17:19,679

train

516

00:17:23,029 --> 00:17:21,520

but it does tell us that it's somehow

517

00:17:25,189 --> 00:17:23,039

connected and it's pointing to some

518

00:17:27,189 --> 00:17:25,199

deeper reality and i think we should pay

519

00:17:28,630 --> 00:17:27,199

attention to that and um

520

00:17:31,110 --> 00:17:28,640

even when it comes to things that people

521

00:17:33,669 --> 00:17:31,120

might usually ignore around astrology

522

00:17:35,990 --> 00:17:33,679

which i'm not big into but i'm saying

523

00:17:37,750 --> 00:17:36,000

there does seem to be some

524

00:17:40,150 --> 00:17:37,760

something behind the idea that certain

525

00:17:42,630 --> 00:17:40,160

magnetic anomalies

526

00:17:44,789 --> 00:17:42,640

or certain gravitational alignments

527

00:17:47,029 --> 00:17:44,799

can perhaps change our consciousness

528

00:17:48,470 --> 00:17:47,039

because that again somehow affects the

529

00:17:51,029 --> 00:17:48,480

energy waves that travel through the

530

00:17:52,950 --> 00:17:51,039

cosmos which we uh you know are

531

00:17:55,350 --> 00:17:52,960

streaming into our brain even though i

532

00:17:57,270 --> 00:17:55,360

think our conscious is non-local so it's

533

00:17:58,390 --> 00:17:57,280

very likely that does play a role and

534

00:18:00,630 --> 00:17:58,400

that would be an interesting thing to

535

00:18:01,990 --> 00:18:00,640

study but i still think ultimately that

536

00:18:03,590 --> 00:18:02,000

points to some

537

00:18:06,150 --> 00:18:03,600

underlying reality that is beyond

538

00:18:08,390 --> 00:18:06,160

spacetime itself

539

00:18:10,150 --> 00:18:08,400

yeah that's so eloquently put as well i

540

00:18:11,909 --> 00:18:10,160

love it i absolutely do and one thing i

541

00:18:14,070 --> 00:18:11,919

have noticed that you know a lot of

542

00:18:17,270 --> 00:18:14,080

these things go beyond our knowledge so

543

00:18:17,990 --> 00:18:17,280

they basically become just hypothesis

544

00:18:20,070 --> 00:18:18,000

of

545

00:18:21,590 --> 00:18:20,080

what the possibilities might be and i do

546

00:18:23,350 --> 00:18:21,600

see a lot of frustration from some

547

00:18:25,110 --> 00:18:23,360

people with that but what i've learned

548

00:18:27,590 --> 00:18:25,120

to do is be patient

549

00:18:29,190 --> 00:18:27,600

form hypotheses let's give it time for

550

00:18:31,270 --> 00:18:29,200

people to work these things out and i

551  
00:18:33,350 --> 00:18:31,280  
think that's i find something comforting

552  
00:18:34,870 --> 00:18:33,360  
in that people are just using their

553  
00:18:36,950 --> 00:18:34,880  
brains to find all these different

554  
00:18:39,430 --> 00:18:36,960  
possibilities and you know hopefully one

555  
00:18:42,549 --> 00:18:39,440  
day we do find one that we suddenly

556  
00:18:43,590 --> 00:18:42,559  
prove and it's another aha moment so

557  
00:18:45,190 --> 00:18:43,600  
yeah

558  
00:18:47,110 --> 00:18:45,200  
i i really do

559  
00:18:49,029 --> 00:18:47,120  
this is why i'm new and so open to

560  
00:18:51,270 --> 00:18:49,039  
learning from this other new perspective

561  
00:18:52,870 --> 00:18:51,280  
that's come into my realm so i really

562  
00:18:54,390 --> 00:18:52,880  
appreciate that but

563  
00:18:55,270 --> 00:18:54,400

one thing i guess that i

564

00:18:57,430 --> 00:18:55,280

have

565

00:19:00,950 --> 00:18:57,440

been aware of regarding or relating to

566

00:19:03,510 --> 00:19:00,960

consciousness throughout the years was

567

00:19:05,270 --> 00:19:03,520

ce5 i guess was my first introduction to

568

00:19:07,590 --> 00:19:05,280

it but obviously now i i'm more likely

569

00:19:09,669 --> 00:19:07,600

to call it a you know

570

00:19:12,950 --> 00:19:09,679

ice or human initiated

571

00:19:14,710 --> 00:19:12,960

contact experiences so

572

00:19:17,590 --> 00:19:14,720

again it's not something i've really had

573

00:19:20,150 --> 00:19:17,600

a chance to try or even speak about that

574

00:19:21,909 --> 00:19:20,160

much so again where does that relate

575

00:19:24,470 --> 00:19:21,919

again to consciousness but the ufo

576

00:19:26,150 --> 00:19:24,480

subject as a whole

577

00:19:28,150 --> 00:19:26,160

right so that that relates to what i'm

578

00:19:30,230 --> 00:19:28,160

saying about space time initially first

579

00:19:34,070 --> 00:19:30,240

of all because um

580

00:19:35,430 --> 00:19:34,080

it seems like the data behind c5 and by

581

00:19:36,630 --> 00:19:35,440

the way i would point that out that this

582

00:19:39,110 --> 00:19:36,640

is important i think for people who

583

00:19:40,950 --> 00:19:39,120

again who are more nuts and bolts

584

00:19:43,190 --> 00:19:40,960

is that

585

00:19:45,190 --> 00:19:43,200

these realities exist in the data that's

586

00:19:46,710 --> 00:19:45,200

where i'm getting this from and so

587

00:19:48,630 --> 00:19:46,720

it's not about wishful thinking it's not

588

00:19:50,950 --> 00:19:48,640

about some people hoping that this is

589

00:19:53,350 --> 00:19:50,960

all love and light and angelic or vice

590

00:19:54,710 --> 00:19:53,360

versa it's about saying what are what

591

00:19:56,230 --> 00:19:54,720

does the body of literature tell us

592

00:19:58,390 --> 00:19:56,240

about people's experiences as they've

593

00:20:00,230 --> 00:19:58,400

been reported over time

594

00:20:02,149 --> 00:20:00,240

and even if you downplay one of those

595

00:20:03,909 --> 00:20:02,159

data points ultimately that creates a

596

00:20:06,789 --> 00:20:03,919

data set which is compelling right

597

00:20:08,549 --> 00:20:06,799

something's going on

598

00:20:10,149 --> 00:20:08,559

but you know with with the space time

599

00:20:11,750 --> 00:20:10,159

thing the reason why i say that comes

600

00:20:14,549 --> 00:20:11,760

into it is because

601  
00:20:15,350 --> 00:20:14,559  
it seems like there's times where

602  
00:20:16,390 --> 00:20:15,360  
um

603  
00:20:19,190 --> 00:20:16,400  
we can

604  
00:20:20,470 --> 00:20:19,200  
initiate contact uh you know say you

605  
00:20:22,310 --> 00:20:20,480  
know sort of send an intention a

606  
00:20:25,990 --> 00:20:22,320  
positive intention to

607  
00:20:28,070 --> 00:20:26,000  
meet with uh this other intelligence uh

608  
00:20:29,909 --> 00:20:28,080  
that is also positive and benign uh

609  
00:20:31,830 --> 00:20:29,919  
benevolent you know we want to meet and

610  
00:20:33,590 --> 00:20:31,840  
have some sort of introduction

611  
00:20:34,710 --> 00:20:33,600  
and then sometimes it can happen almost

612  
00:20:35,830 --> 00:20:34,720  
immediately

613  
00:20:37,350 --> 00:20:35,840

um

614

00:20:39,270 --> 00:20:37,360

even though supposedly they're coming

615

00:20:40,789 --> 00:20:39,280

from somewhere else in the physical

616

00:20:42,950 --> 00:20:40,799

universe right and yet it happens

617

00:20:44,710 --> 00:20:42,960

instantaneously so you could say they

618

00:20:45,990 --> 00:20:44,720

have just really great warp drives or

619

00:20:47,909 --> 00:20:46,000

you could say

620

00:20:50,230 --> 00:20:47,919

somehow they seem to be bypassing space

621

00:20:52,950 --> 00:20:50,240

time altogether again that it's not

622

00:20:55,350 --> 00:20:52,960

uh or they're using a wormhole to like

623

00:20:57,029 --> 00:20:55,360

go from a to b like by folding space you

624

00:20:58,549 --> 00:20:57,039

know something like that

625

00:21:00,310 --> 00:20:58,559

but again i think it's more saying that

626  
00:21:01,990 --> 00:21:00,320  
something about they they start they're

627  
00:21:04,149 --> 00:21:02,000  
hacking into our construct the same way

628  
00:21:05,750 --> 00:21:04,159  
that i might drop a folder into your

629  
00:21:08,230 --> 00:21:05,760  
desktop and you might go wait where'd

630  
00:21:09,990 --> 00:21:08,240  
that desktop folder come from i've got

631  
00:21:12,070 --> 00:21:10,000  
to chase around my computer to find out

632  
00:21:13,669 --> 00:21:12,080  
you know where this alien is that put

633  
00:21:15,909 --> 00:21:13,679  
this folder here and actually the alien

634  
00:21:17,510 --> 00:21:15,919  
just hacked in with the wi-fi you know

635  
00:21:19,350 --> 00:21:17,520  
connection and dropped it in and dropped

636  
00:21:20,789 --> 00:21:19,360  
back out again and we wonder how are

637  
00:21:23,190 --> 00:21:20,799  
they coming in and coming out but that's

638  
00:21:24,470 --> 00:21:23,200

that's what i think it's more like

639

00:21:26,630 --> 00:21:24,480

um

640

00:21:28,710 --> 00:21:26,640

yeah and with the with the ce5 the other

641

00:21:30,549 --> 00:21:28,720

thing that's interesting even beyond c5

642

00:21:32,230 --> 00:21:30,559

you think back to like the tic tac event

643

00:21:34,470 --> 00:21:32,240

right and how

644

00:21:36,870 --> 00:21:34,480

it seemed to know the rendezvous point

645

00:21:38,549 --> 00:21:36,880

before uh it had been even announced and

646

00:21:40,789 --> 00:21:38,559

it was that's one of the most top secret

647

00:21:42,950 --> 00:21:40,799

points uh you know data points right was

648

00:21:44,230 --> 00:21:42,960

that somehow this intelligence knew

649

00:21:46,549 --> 00:21:44,240

where the rendezvous point was going to

650

00:21:48,310 --> 00:21:46,559

be ahead of time and

651  
00:21:49,909 --> 00:21:48,320  
so again it seems like there's this

652  
00:21:51,830 --> 00:21:49,919  
ability to have knowledge outside of

653  
00:21:54,149 --> 00:21:51,840  
space time

654  
00:21:57,270 --> 00:21:54,159  
and with c5 yeah it's just uh you know

655  
00:21:59,590 --> 00:21:57,280  
it's about making that connection um

656  
00:22:02,230 --> 00:21:59,600  
and there are people who will literally

657  
00:22:03,990 --> 00:22:02,240  
say that uh

658  
00:22:05,029 --> 00:22:04,000  
they will take a photo in the sky just

659  
00:22:06,470 --> 00:22:05,039  
because they'll have an inkling

660  
00:22:08,390 --> 00:22:06,480  
sometimes to take a photo in this guy

661  
00:22:10,230 --> 00:22:08,400  
they're not thinking ufo again this is

662  
00:22:11,510 --> 00:22:10,240  
the consciousness piece they just have

663  
00:22:13,110 --> 00:22:11,520

some reason to believe they should take

664

00:22:14,950 --> 00:22:13,120

a photo maybe up in like a part of the

665

00:22:16,390 --> 00:22:14,960

sky there's nothing really there

666

00:22:18,230 --> 00:22:16,400

and only later on will they actually

667

00:22:20,390 --> 00:22:18,240

find a ufo

668

00:22:22,230 --> 00:22:20,400

in the photo so that's fascinating for a

669

00:22:23,270 --> 00:22:22,240

couple reasons one is that

670

00:22:25,430 --> 00:22:23,280

they were somehow directed

671

00:22:27,029 --> 00:22:25,440

telepathically to do that

672

00:22:29,430 --> 00:22:27,039

number two with the naked eye they

673

00:22:31,350 --> 00:22:29,440

couldn't see anything and yet

674

00:22:34,710 --> 00:22:31,360

after the fact in the artifact of the

675

00:22:36,789 --> 00:22:34,720

photo it's there right and so again

676  
00:22:39,029 --> 00:22:36,799  
these kinds of phenomena that happen

677  
00:22:40,390 --> 00:22:39,039  
seem to question our understanding of

678  
00:22:42,149 --> 00:22:40,400  
how things are supposed to happen in

679  
00:22:44,870 --> 00:22:42,159  
reality

680  
00:22:46,230 --> 00:22:44,880  
amazing yeah do you think that

681  
00:22:49,110 --> 00:22:46,240  
do you think that if

682  
00:22:50,789 --> 00:22:49,120  
if if they can manipulate space time or

683  
00:22:52,310 --> 00:22:50,799  
even exist outside of it do you think

684  
00:22:55,909 --> 00:22:52,320  
they could

685  
00:22:57,990 --> 00:22:55,919  
live or dwell somewhere that there is no

686  
00:22:59,909 --> 00:22:58,000  
space time you know rather than just a

687  
00:23:01,909 --> 00:22:59,919  
different dimension that

688  
00:23:04,149 --> 00:23:01,919

you know does have those kind of

689

00:23:05,590 --> 00:23:04,159

laws maybe i'm not quite sure what the

690

00:23:09,669 --> 00:23:05,600

right words are but

691

00:23:11,590 --> 00:23:09,679

are they or could they be that different

692

00:23:14,310 --> 00:23:11,600

that they can just

693

00:23:15,350 --> 00:23:14,320

bypass all the things we know and we we

694

00:23:17,590 --> 00:23:15,360

know through

695

00:23:18,870 --> 00:23:17,600

our knowledge of physics and and then i

696

00:23:19,830 --> 00:23:18,880

guess the second part of that question

697

00:23:20,630 --> 00:23:19,840

is

698

00:23:22,390 --> 00:23:20,640

well

699

00:23:24,230 --> 00:23:22,400

i suppose it's a separate question but

700

00:23:26,310 --> 00:23:24,240

could it could it be dangerous in any

701  
00:23:28,710 --> 00:23:26,320  
way is there any danger to human

702  
00:23:30,149 --> 00:23:28,720  
initiated contact right

703  
00:23:33,669 --> 00:23:30,159  
so the first question i think that's a

704  
00:23:36,549 --> 00:23:34,630  
one of the things that's interesting

705  
00:23:38,870 --> 00:23:36,559  
when you look back at history

706  
00:23:41,029 --> 00:23:38,880  
is that the hypotheses we come up with

707  
00:23:43,990 --> 00:23:41,039  
to try to make sense of the phenomenon

708  
00:23:45,269 --> 00:23:44,000  
often arises out of cutting edge cutting

709  
00:23:47,350 --> 00:23:45,279  
edge physics of the time right so

710  
00:23:48,950 --> 00:23:47,360  
whatever our cutting edge physics is

711  
00:23:50,149 --> 00:23:48,960  
suggesting might be possible we start

712  
00:23:52,149 --> 00:23:50,159  
saying well maybe that's how we make

713  
00:23:55,190 --> 00:23:52,159

sense of the ufo phenomenon

714

00:23:56,870 --> 00:23:55,200

so for people like valet again um they

715

00:23:58,390 --> 00:23:56,880

started thinking interdimensional right

716

00:24:00,470 --> 00:23:58,400

when we started having

717

00:24:03,750 --> 00:24:00,480

uh you know m theory and you know

718

00:24:05,750 --> 00:24:03,760

notions of like 11 12 dimensions

719

00:24:07,350 --> 00:24:05,760

then people started imagining and the

720

00:24:09,029 --> 00:24:07,360

idea of a multiverse right so there you

721

00:24:10,390 --> 00:24:09,039

have the idea that

722

00:24:12,710 --> 00:24:10,400

um

723

00:24:14,470 --> 00:24:12,720

you know rather than believing that we

724

00:24:17,350 --> 00:24:14,480

just happen to be in a universe it seems

725

00:24:19,750 --> 00:24:17,360

really custom crafted for us you know

726

00:24:21,190 --> 00:24:19,760

which makes us seem really important so

727

00:24:23,430 --> 00:24:21,200

what's happened with science is they say

728

00:24:25,990 --> 00:24:23,440

no that's just coincidental because

729

00:24:28,390 --> 00:24:26,000

actually every time a decision point

730

00:24:29,830 --> 00:24:28,400

comes uh the universe splits in two and

731

00:24:31,350 --> 00:24:29,840

so there's like a multiverse of many

732

00:24:33,269 --> 00:24:31,360

many universes and we just happen to be

733

00:24:35,190 --> 00:24:33,279

in the one not surprisingly that is the

734

00:24:36,950 --> 00:24:35,200

one that's suitable for us but it's not

735

00:24:39,430 --> 00:24:36,960

because we're special it's just because

736

00:24:41,430 --> 00:24:39,440

this is one of many right and so that

737

00:24:44,070 --> 00:24:41,440

from that notion of a multiverse which

738

00:24:46,310 --> 00:24:44,080

again was posed as a hypothesis to try

739

00:24:47,750 --> 00:24:46,320

to make sense of phenomena we were

740

00:24:51,269 --> 00:24:47,760

seeing in physics writing and

741

00:24:54,390 --> 00:24:51,279

complexities we were seeing in physics

742

00:24:55,590 --> 00:24:54,400

once that was hypothesized then people

743

00:24:57,750 --> 00:24:55,600

that are familiar with the ufo

744

00:24:59,430 --> 00:24:57,760

phenomenon said wait a second maybe

745

00:25:01,269 --> 00:24:59,440

that's how they're getting here they're

746

00:25:02,870 --> 00:25:01,279

popping in from an alternate dimension

747

00:25:05,510 --> 00:25:02,880

or an alternate universe rather than

748

00:25:07,669 --> 00:25:05,520

from alpha centauri you know in our

749

00:25:09,350 --> 00:25:07,679

physical universe

750

00:25:11,430 --> 00:25:09,360

so so that's possible that that's

751  
00:25:13,110 --> 00:25:11,440  
happening but to your question

752  
00:25:14,950 --> 00:25:13,120  
it's possible that they

753  
00:25:17,190 --> 00:25:14,960  
exist outside the construct of space

754  
00:25:19,350 --> 00:25:17,200  
time altogether and in fact donald

755  
00:25:21,430 --> 00:25:19,360  
hoffman has said the reason why the

756  
00:25:23,430 --> 00:25:21,440  
fermi paradox exists in the fermi

757  
00:25:24,310 --> 00:25:23,440  
paradox for those who are not familiar

758  
00:25:26,549 --> 00:25:24,320  
says

759  
00:25:28,630 --> 00:25:26,559  
if the universe is as big as it is and

760  
00:25:30,789 --> 00:25:28,640  
is even though there's plenty of planets

761  
00:25:32,549 --> 00:25:30,799  
most that would not support life because

762  
00:25:34,870 --> 00:25:32,559  
of the size of the cosmos there should

763  
00:25:37,909 --> 00:25:34,880

be plenty that should support life we

764

00:25:39,669 --> 00:25:37,919

should see still plenty of civilizations

765

00:25:41,029 --> 00:25:39,679

even if some die out or blow themselves

766

00:25:43,190 --> 00:25:41,039

up or whatever

767

00:25:44,789 --> 00:25:43,200

we should still have plenty out there

768

00:25:46,390 --> 00:25:44,799

why aren't we seeing them right that's

769

00:25:47,350 --> 00:25:46,400

that's the paradox

770

00:25:49,350 --> 00:25:47,360

um

771

00:25:50,789 --> 00:25:49,360

and what he would suggest uh hoffman is

772

00:25:53,269 --> 00:25:50,799

that it's because

773

00:25:55,750 --> 00:25:53,279

space time is our construct that

774

00:25:57,190 --> 00:25:55,760

evolution has served up for us so we

775

00:25:59,909 --> 00:25:57,200

make our way through the world it's like

776

00:26:01,669 --> 00:25:59,919

a it's a hack it's a series of shortcuts

777

00:26:04,710 --> 00:26:01,679

to keep us alive so we can reproduce and

778

00:26:07,029 --> 00:26:04,720

that's its only point its point is not

779

00:26:08,870 --> 00:26:07,039

to show us reality as it is and he would

780

00:26:11,110 --> 00:26:08,880

suggest that the

781

00:26:13,110 --> 00:26:11,120

the there's even mathematical proofs

782

00:26:14,870 --> 00:26:13,120

that demonstrate that

783

00:26:16,870 --> 00:26:14,880

our ancestors

784

00:26:18,789 --> 00:26:16,880

didn't see reality as it was they were

785

00:26:21,350 --> 00:26:18,799

the ones that saw the shortcuts like

786

00:26:23,669 --> 00:26:21,360

seeing a video game a virtual reality

787

00:26:25,110 --> 00:26:23,679

they survived because they had the best

788

00:26:27,510 --> 00:26:25,120

shortcuts if you get too much

789

00:26:29,990 --> 00:26:27,520

information you drown in it you die you

790

00:26:31,990 --> 00:26:30,000

don't reproduce so by the fact though

791

00:26:34,470 --> 00:26:32,000

you know those of us who are here now

792

00:26:36,630 --> 00:26:34,480

came from ancestors who

793

00:26:39,830 --> 00:26:36,640

lived with the shortcuts lived with the

794

00:26:41,269 --> 00:26:39,840

hack lived with the virtual reality so

795

00:26:43,750 --> 00:26:41,279

that's his point that that's our

796

00:26:45,750 --> 00:26:43,760

construct space time right and so

797

00:26:47,669 --> 00:26:45,760

space time is within consciousness

798

00:26:49,269 --> 00:26:47,679

rather than consciousness being within

799

00:26:51,590 --> 00:26:49,279

space time as materialists would tell

800

00:26:53,029 --> 00:26:51,600

you so that being the case hoffman would

801  
00:26:55,350 --> 00:26:53,039  
say we shouldn't be surprised that we're

802  
00:26:57,750 --> 00:26:55,360  
not finding aliens in our construct

803  
00:27:00,230 --> 00:26:57,760  
which is just an evolutionary uh kind of

804  
00:27:02,390 --> 00:27:00,240  
derivative or abstraction

805  
00:27:05,510 --> 00:27:02,400  
but he believes that if we can hack

806  
00:27:07,350 --> 00:27:05,520  
outside of this construct we will find

807  
00:27:09,430 --> 00:27:07,360  
uh a reality

808  
00:27:11,510 --> 00:27:09,440  
with infinite numbers of other

809  
00:27:12,710 --> 00:27:11,520  
intelligences so yeah absolutely that

810  
00:27:14,549 --> 00:27:12,720  
could happen

811  
00:27:16,549 --> 00:27:14,559  
not to mention there's this notion

812  
00:27:19,190 --> 00:27:16,559  
called the transcendent hypothesis which

813  
00:27:20,710 --> 00:27:19,200

says that that and this also explains or

814

00:27:22,870 --> 00:27:20,720

is a potential answer for the fermi

815

00:27:25,190 --> 00:27:22,880

paradox is that when a civilization gets

816

00:27:27,430 --> 00:27:25,200

to a certain point of sophistication it

817

00:27:29,269 --> 00:27:27,440

actually just becomes post-biological

818

00:27:32,149 --> 00:27:29,279

and sort of you know exits space time

819

00:27:33,990 --> 00:27:32,159

altogether finds a way to do that and so

820

00:27:36,389 --> 00:27:34,000

we're actually a relatively young

821

00:27:38,470 --> 00:27:36,399

civilization compared to that and the

822

00:27:40,630 --> 00:27:38,480

reason we're not finding them just like

823

00:27:42,950 --> 00:27:40,640

we don't find other civilizations using

824

00:27:44,789 --> 00:27:42,960

radio waves because they've long since

825

00:27:46,789 --> 00:27:44,799

surpassed the need for that technology

826

00:27:48,470 --> 00:27:46,799

so same sort of idea

827

00:27:50,549 --> 00:27:48,480

now to your second question around the

828

00:27:51,990 --> 00:27:50,559

potential danger

829

00:27:54,070 --> 00:27:52,000

uh

830

00:27:55,750 --> 00:27:54,080

i would say that

831

00:27:56,710 --> 00:27:55,760

the distinction that i would draw is

832

00:27:58,470 --> 00:27:56,720

that

833

00:28:01,029 --> 00:27:58,480

the the methods you use the

834

00:28:02,870 --> 00:28:01,039

intentionality you employ really matters

835

00:28:05,029 --> 00:28:02,880

for these kind of things this will be

836

00:28:06,630 --> 00:28:05,039

daunting for some people um and

837

00:28:08,310 --> 00:28:06,640

overwhelming to others especially who

838

00:28:09,830 --> 00:28:08,320

are those who are not familiar with

839

00:28:11,269 --> 00:28:09,840

these kind of notions

840

00:28:12,710 --> 00:28:11,279

um

841

00:28:15,110 --> 00:28:12,720

but because i've been in various

842

00:28:17,029 --> 00:28:15,120

spiritual traditions before was really

843

00:28:18,310 --> 00:28:17,039

heavy into this stuff and i've been to

844

00:28:20,149 --> 00:28:18,320

parts of the world where i've seen

845

00:28:22,389 --> 00:28:20,159

things happen that are supposedly not

846

00:28:23,430 --> 00:28:22,399

supposed to happen within a physicalist

847

00:28:24,950 --> 00:28:23,440

model

848

00:28:26,549 --> 00:28:24,960

and it happened to happen in places

849

00:28:28,950 --> 00:28:26,559

where there was a bit of a looser

850

00:28:30,630 --> 00:28:28,960

consensus reality around certain things

851  
00:28:32,630 --> 00:28:30,640  
not happening and that seems to actually

852  
00:28:34,710 --> 00:28:32,640  
change the likelihood that you could see

853  
00:28:36,310 --> 00:28:34,720  
certain things manifest

854  
00:28:38,310 --> 00:28:36,320  
which might also explain why the way by

855  
00:28:40,310 --> 00:28:38,320  
the way why some people who've had an

856  
00:28:42,630 --> 00:28:40,320  
anomalous experience of some kind

857  
00:28:45,269 --> 00:28:42,640  
keep having them because something

858  
00:28:47,110 --> 00:28:45,279  
some aperture opens up some switch flips

859  
00:28:48,549 --> 00:28:47,120  
on and from then on

860  
00:28:50,070 --> 00:28:48,559  
something in us knows deep in our

861  
00:28:52,630 --> 00:28:50,080  
subconscious that reality is more

862  
00:28:54,710 --> 00:28:52,640  
complex and because we're open to it we

863  
00:28:55,669 --> 00:28:54,720

experience more

864

00:28:57,830 --> 00:28:55,679

um

865

00:28:59,750 --> 00:28:57,840

but because i had those experiences i i

866

00:29:01,909 --> 00:28:59,760

saw some good and some bad things happen

867

00:29:02,710 --> 00:29:01,919

right some light stuff and some dark

868

00:29:05,990 --> 00:29:02,720

stuff

869

00:29:07,909 --> 00:29:06,000

and i think that uh there are absolutely

870

00:29:10,549 --> 00:29:07,919

both entities that are benevolent and

871

00:29:13,269 --> 00:29:10,559

those that are nefarious and malevolent

872

00:29:15,669 --> 00:29:13,279

and uh it's not necessarily like this

873

00:29:18,070 --> 00:29:15,679

sort of stereotypical like evil demon

874

00:29:20,870 --> 00:29:18,080

who forever has always been evil and is

875

00:29:23,590 --> 00:29:20,880

just looking to like steal your soul

876

00:29:25,190 --> 00:29:23,600

it's more about like a uh um an

877

00:29:27,430 --> 00:29:25,200

immaturity a

878

00:29:29,110 --> 00:29:27,440

a lack of sophistication

879

00:29:31,830 --> 00:29:29,120

a kind of a trickster thing sometimes

880

00:29:33,029 --> 00:29:31,840

that just wants to play with people um

881

00:29:34,789 --> 00:29:33,039

you know you think about the batman

882

00:29:36,149 --> 00:29:34,799

movie some some people just want to see

883

00:29:38,549 --> 00:29:36,159

the world burn i think there's some

884

00:29:41,029 --> 00:29:38,559

entities like that you know um that just

885

00:29:41,909 --> 00:29:41,039

like to wreak havoc um

886

00:29:43,190 --> 00:29:41,919

uh

887

00:29:45,190 --> 00:29:43,200

i still think they fit within that

888

00:29:46,470 --> 00:29:45,200

consciousness construct ultimately and

889

00:29:49,269 --> 00:29:46,480

they have to progress through that just

890

00:29:49,990 --> 00:29:49,279

like every every other entity

891

00:29:54,070 --> 00:29:50,000

but

892

00:29:55,590 --> 00:29:54,080

i would also say though importantly um

893

00:29:58,310 --> 00:29:55,600

when you engage in certain activities

894

00:30:01,029 --> 00:29:58,320

like ce5 or heist the whole point is to

895

00:30:03,029 --> 00:30:01,039

go in with a positive intentionality to

896

00:30:04,549 --> 00:30:03,039

have worked through some of your own um

897

00:30:08,149 --> 00:30:04,559

issues that you're not coming in with a

898

00:30:10,549 --> 00:30:08,159

bunch of negative residual energy

899

00:30:13,430 --> 00:30:10,559

because there's a reflective nature to

900

00:30:15,830 --> 00:30:13,440

this phenomenon so much of it right

901  
00:30:17,669 --> 00:30:15,840  
and and because of that

902  
00:30:19,110 --> 00:30:17,679  
it's almost like you are sending an

903  
00:30:21,269 --> 00:30:19,120  
email

904  
00:30:22,950 --> 00:30:21,279  
and without realizing especially if you

905  
00:30:23,669 --> 00:30:22,960  
don't have a lot of self-awareness built

906  
00:30:28,710 --> 00:30:23,679  
in

907  
00:30:30,070 --> 00:30:28,720  
and then the person the other side is

908  
00:30:31,110 --> 00:30:30,080  
going to respond to that because they're

909  
00:30:32,389 --> 00:30:31,120  
like oh

910  
00:30:33,750 --> 00:30:32,399  
you're saying this well i'm going you

911  
00:30:35,510 --> 00:30:33,760  
know in the means there's a reflective

912  
00:30:37,909 --> 00:30:35,520  
nature and even though it's kind of a

913  
00:30:39,669 --> 00:30:37,919

crude analogy i'm saying that our energy

914

00:30:41,830 --> 00:30:39,679

does seem to prime these experiences

915

00:30:43,830 --> 00:30:41,840

somehow so it's really important that

916

00:30:46,230 --> 00:30:43,840

you've done that preparatory work so

917

00:30:48,470 --> 00:30:46,240

that you are sending a signal you're

918

00:30:50,149 --> 00:30:48,480

priming the uh the package that you're

919

00:30:51,750 --> 00:30:50,159

sending across you know

920

00:30:54,149 --> 00:30:51,760

interdimensionally or whatever to say

921

00:30:55,269 --> 00:30:54,159

this is the kind of encounter that this

922

00:30:58,149 --> 00:30:55,279

is going to be

923

00:31:01,110 --> 00:30:58,159

and i think that the data suggests that

924

00:31:02,870 --> 00:31:01,120

that that works that tends to work that

925

00:31:04,710 --> 00:31:02,880

when you again not wishful thinking but

926  
00:31:06,630 --> 00:31:04,720  
when you look at the data for heist and

927  
00:31:08,789 --> 00:31:06,640  
c5 even stuff that was done in south

928  
00:31:10,950 --> 00:31:08,799  
america well before steven greer was

929  
00:31:13,110 --> 00:31:10,960  
doing it

930  
00:31:14,389 --> 00:31:13,120  
the vast majority of the encounters end

931  
00:31:16,230 --> 00:31:14,399  
up being positive you know that's just

932  
00:31:17,909 --> 00:31:16,240  
what the data says so

933  
00:31:19,669 --> 00:31:17,919  
when some people might come out and say

934  
00:31:21,190 --> 00:31:19,679  
well you know you're just guessing you

935  
00:31:23,110 --> 00:31:21,200  
don't know and i'd say well i think

936  
00:31:25,430 --> 00:31:23,120  
there is data and you have to you have

937  
00:31:28,149 --> 00:31:25,440  
to pay attention to it um now do some

938  
00:31:30,070 --> 00:31:28,159

people have negative experiences yes

939

00:31:32,870 --> 00:31:30,080

is going to skinwalker rants potentially

940

00:31:33,830 --> 00:31:32,880

different than going on a ce5

941

00:31:38,389 --> 00:31:33,840

you know

942

00:31:41,590 --> 00:31:38,399

think that that you need to make these

943

00:31:43,830 --> 00:31:41,600

distinctions um recognize that there are

944

00:31:45,669 --> 00:31:43,840

there's a plethora and a spectrum of

945

00:31:47,990 --> 00:31:45,679

entities just like there is with human

946

00:31:49,029 --> 00:31:48,000

beings you know like we have little kids

947

00:31:50,710 --> 00:31:49,039

we don't say

948

00:31:52,549 --> 00:31:50,720

go to any house you want just walk in

949

00:31:55,269 --> 00:31:52,559

it's fine everybody's safe we don't say

950

00:31:57,190 --> 00:31:55,279

that right we we we have some

951  
00:31:58,470 --> 00:31:57,200  
preparation we do some checking we get

952  
00:32:00,470 --> 00:31:58,480  
to know people

953  
00:32:01,830 --> 00:32:00,480  
i'm saying that the same applies here as

954  
00:32:03,350 --> 00:32:01,840  
well

955  
00:32:04,870 --> 00:32:03,360  
that's amazing i really appreciate your

956  
00:32:07,029 --> 00:32:04,880  
analogies and your breakdown of things

957  
00:32:09,269 --> 00:32:07,039  
because it does help it make sense to

958  
00:32:11,430 --> 00:32:09,279  
people like myself that are

959  
00:32:13,350 --> 00:32:11,440  
not quite as

960  
00:32:14,549 --> 00:32:13,360  
aware of some of those talking points

961  
00:32:16,149 --> 00:32:14,559  
and i think that's a great thing that

962  
00:32:17,590 --> 00:32:16,159  
you've done in your podcast on the point

963  
00:32:18,870 --> 00:32:17,600

of convergence

964

00:32:20,870 --> 00:32:18,880

and but one thing that i have wanted to

965

00:32:23,110 --> 00:32:20,880

talk about is you sort of started a

966

00:32:24,389 --> 00:32:23,120

second show within the show liminal

967

00:32:25,990 --> 00:32:24,399

frames

968

00:32:28,549 --> 00:32:26,000

um

969

00:32:30,230 --> 00:32:28,559

and i wanted not so much wanted to know

970

00:32:32,870 --> 00:32:30,240

about the show but more about your

971

00:32:35,029 --> 00:32:32,880

co-host nathan a good friend of mine as

972

00:32:36,630 --> 00:32:35,039

well and so tell me about nathan what

973

00:32:39,190 --> 00:32:36,640

was it that kind of drew you two

974

00:32:40,630 --> 00:32:39,200

together to do this second show

975

00:32:42,789 --> 00:32:40,640

right well that one definitely feels

976

00:32:45,750 --> 00:32:42,799

like a a synchronistic kind of

977

00:32:47,110 --> 00:32:45,760

orchestration and which by the way

978

00:32:49,590 --> 00:32:47,120

i would say again people who get

979

00:32:51,909 --> 00:32:49,600

involved in this often find

980

00:32:53,269 --> 00:32:51,919

that they start having this uncanny

981

00:32:55,669 --> 00:32:53,279

feeling that

982

00:32:57,190 --> 00:32:55,679

strings are being pulled

983

00:32:58,630 --> 00:32:57,200

some people see that as a negative thing

984

00:33:01,029 --> 00:32:58,640

others as a positive in my case it's

985

00:33:02,549 --> 00:33:01,039

been a positive experience

986

00:33:04,230 --> 00:33:02,559

where things happen that you get

987

00:33:05,509 --> 00:33:04,240

introduced to people connections that

988

00:33:06,389 --> 00:33:05,519

just seem

989

00:33:08,389 --> 00:33:06,399

um

990

00:33:11,029 --> 00:33:08,399

surprising based on chance you know it

991

00:33:13,029 --> 00:33:11,039

just seems unlikely uh so the first

992

00:33:14,789 --> 00:33:13,039

thing i would say is that

993

00:33:16,549 --> 00:33:14,799

nathan and i just happen to live in the

994

00:33:18,870 --> 00:33:16,559

same town right which is crazy when you

995

00:33:20,950 --> 00:33:18,880

think about ufo twitter and here i am

996

00:33:21,830 --> 00:33:20,960

talking to you across the pond right

997

00:33:24,310 --> 00:33:21,840

um

998

00:33:27,269 --> 00:33:24,320

and we have people all over the world so

999

00:33:28,789 --> 00:33:27,279

to to you know have the uncanny

1000

00:33:31,350 --> 00:33:28,799

circumstance where we just happen to be

1001  
00:33:33,110 --> 00:33:31,360  
in the same city is pretty amazing

1002  
00:33:35,590 --> 00:33:33,120  
and we were both deeply into the ufo

1003  
00:33:37,509 --> 00:33:35,600  
phenomena and it was only uh later that

1004  
00:33:39,430 --> 00:33:37,519  
i realized wait a second that this guy

1005  
00:33:40,870 --> 00:33:39,440  
you know this guy is nearby because uh

1006  
00:33:41,590 --> 00:33:40,880  
he's in the blue ridge mountains like i

1007  
00:33:43,430 --> 00:33:41,600  
am

1008  
00:33:46,470 --> 00:33:43,440  
um so he reached out to me originally

1009  
00:33:48,149 --> 00:33:46,480  
and said uh hey love your show you know

1010  
00:33:50,630 --> 00:33:48,159  
i'm i'm in the area too maybe we get

1011  
00:33:52,070 --> 00:33:50,640  
together for coffee sometime

1012  
00:33:53,669 --> 00:33:52,080  
and then at the time you know kind of

1013  
00:33:55,990 --> 00:33:53,679

being introverted i didn't i don't think

1014

00:33:58,389 --> 00:33:56,000

i jumped actually at it um

1015

00:34:01,029 --> 00:33:58,399

but then he invited me on to calling all

1016

00:34:03,350 --> 00:34:01,039

beings he and dj invited me on to their

1017

00:34:04,070 --> 00:34:03,360

show calling all beings right

1018

00:34:06,230 --> 00:34:04,080

so

1019

00:34:07,909 --> 00:34:06,240

they did an interview with me and the

1020

00:34:10,310 --> 00:34:07,919

nature of the questions that nathan

1021

00:34:12,310 --> 00:34:10,320

asked uh told me that he was thinking

1022

00:34:14,310 --> 00:34:12,320

about some of the same things i was and

1023

00:34:16,950 --> 00:34:14,320

we even had a similar history in terms

1024

00:34:19,190 --> 00:34:16,960

of uh biblical studies and he did a

1025

00:34:20,629 --> 00:34:19,200

divinity degree and so

1026

00:34:22,869 --> 00:34:20,639

we have been thinking about

1027

00:34:26,950 --> 00:34:22,879

consciousness and spirituality prior to

1028

00:34:28,950 --> 00:34:26,960

this um this ufo stuff uh so

1029

00:34:30,149 --> 00:34:28,960

after that you know

1030

00:34:31,669 --> 00:34:30,159

again putting two and two together

1031

00:34:33,349 --> 00:34:31,679

realizing oh yeah this guy is the one

1032

00:34:35,109 --> 00:34:33,359

that i seem to have stuff in common with

1033

00:34:37,909 --> 00:34:35,119

and we're in the same town we got

1034

00:34:39,430 --> 00:34:37,919

together for coffee and

1035

00:34:41,430 --> 00:34:39,440

and then i started

1036

00:34:44,389 --> 00:34:41,440

thinking you know there are some topics

1037

00:34:46,310 --> 00:34:44,399

i'd like to bridge that maybe are not

1038

00:34:47,109 --> 00:34:46,320

point of convergence material you know i

1039

00:34:58,390 --> 00:34:47,119

i

1040

00:35:01,270 --> 00:34:58,400

phenomenon um but there there are larger

1041

00:35:02,790 --> 00:35:01,280

topics uh that i want to discuss as well

1042

00:35:04,230 --> 00:35:02,800

and also there's something about like

1043

00:35:07,829 --> 00:35:04,240

what we're doing right now like just on

1044

00:35:09,510 --> 00:35:07,839

the fly uh conversational that it's it's

1045

00:35:10,550 --> 00:35:09,520

fun and it's

1046

00:35:12,310 --> 00:35:10,560

always

1047

00:35:14,790 --> 00:35:12,320

compelling how it goes in directions you

1048

00:35:17,109 --> 00:35:14,800

couldn't have imagined beforehand and

1049

00:35:18,630 --> 00:35:17,119

the second you add you know sort of like

1050

00:35:20,630 --> 00:35:18,640

the biblical passage where two or more

1051

00:35:22,550 --> 00:35:20,640

are gathered there's something about the

1052

00:35:24,470 --> 00:35:22,560

the energetic output when you have more

1053

00:35:27,190 --> 00:35:24,480

than one person uh ends up being more

1054

00:35:28,710 --> 00:35:27,200

than the sum of its parts kind of thing

1055

00:35:30,950 --> 00:35:28,720

so we got together and we said hey what

1056

00:35:33,670 --> 00:35:30,960

do you think about you know doing a show

1057

00:35:35,829 --> 00:35:33,680

around that's more conversational nature

1058

00:35:37,750 --> 00:35:35,839

uh and then we can just we can discuss

1059

00:35:38,550 --> 00:35:37,760

all aspects of this and bring in some of

1060

00:35:41,190 --> 00:35:38,560

our

1061

00:35:42,710 --> 00:35:41,200

uh history with with religious studies

1062

00:35:44,470 --> 00:35:42,720

and whatnot as well which plays into

1063

00:35:45,990 --> 00:35:44,480

this because obviously one of the big

1064

00:35:47,910 --> 00:35:46,000

questions is

1065

00:35:50,390 --> 00:35:47,920

were the very you know monotheistic

1066

00:35:52,790 --> 00:35:50,400

religions of our history inspired by

1067

00:35:54,470 --> 00:35:52,800

encounters with the same entities that

1068

00:35:56,230 --> 00:35:54,480

we're encountering now and just calling

1069

00:35:59,349 --> 00:35:56,240

them grey aliens or

1070

00:36:01,109 --> 00:35:59,359

beings from andromeda so uh these are

1071

00:36:03,270 --> 00:36:01,119

all compelling and related questions and

1072

00:36:05,430 --> 00:36:03,280

that's how that how that started

1073

00:36:07,510 --> 00:36:05,440

it's great and i'm sure

1074

00:36:08,870 --> 00:36:07,520

nathan would probably agree on most of

1075

00:36:13,589 --> 00:36:08,880

what you said but

1076

00:36:16,630 --> 00:36:14,870

what's up guys

1077

00:36:17,750 --> 00:36:16,640

because the devil

1078

00:36:20,870 --> 00:36:17,760

here i am

1079

00:36:23,670 --> 00:36:20,880

it's a it's an engineered synchronicity

1080

00:36:25,589 --> 00:36:23,680

yeah i had to do it you know i had to do

1081

00:36:27,270 --> 00:36:25,599

it because you guys do you

1082

00:36:29,190 --> 00:36:27,280

this like i said the

1083

00:36:30,550 --> 00:36:29,200

liminal frames is

1084

00:36:33,109 --> 00:36:30,560

something different from from the

1085

00:36:35,109 --> 00:36:33,119

original podcast that darren started so

1086

00:36:36,790 --> 00:36:35,119

yeah nathan you know give us your point

1087

00:36:38,390 --> 00:36:36,800

of view you know i mean i guess it's the

1088

00:36:40,550 --> 00:36:38,400

same as darren's but

1089

00:36:42,390 --> 00:36:40,560

you know give us it anyway

1090

00:36:44,790 --> 00:36:42,400

sure no there's a lot of commonality

1091

00:36:46,790 --> 00:36:44,800

there uh you know

1092

00:36:48,950 --> 00:36:46,800

people ask me what it's like kind of

1093

00:36:51,270 --> 00:36:48,960

talking with darren and i say well we we

1094

00:36:53,430 --> 00:36:51,280

meet at a place and we basically close

1095

00:36:55,430 --> 00:36:53,440

it down that's how we do it we meet at a

1096

00:36:57,510 --> 00:36:55,440

place and we then later close it down

1097

00:36:58,950 --> 00:36:57,520

and they kick us out uh so

1098

00:37:01,190 --> 00:36:58,960

you know hours go by because our

1099

00:37:03,430 --> 00:37:01,200

conversations are so easy which is not

1100

00:37:05,829 --> 00:37:03,440

to say that we agree on everything we

1101

00:37:08,310 --> 00:37:05,839

certainly don't but uh it's just things

1102

00:37:10,310 --> 00:37:08,320

just flow and it's nice to be in that

1103

00:37:12,390 --> 00:37:10,320

flow state with somebody that is into

1104

00:37:13,829 --> 00:37:12,400

the same topic that you're in

1105

00:37:15,670 --> 00:37:13,839

as he pointed out

1106

00:37:17,589 --> 00:37:15,680

coincidentally just in the same city i

1107

00:37:19,430 --> 00:37:17,599

mean how many people are that fortunate

1108

00:37:21,030 --> 00:37:19,440

to have someone they can meet in person

1109

00:37:23,109 --> 00:37:21,040

and have a coffee or a beer and just

1110

00:37:24,630 --> 00:37:23,119

kind of get into it you know so

1111

00:37:25,910 --> 00:37:24,640

um

1112

00:37:28,069 --> 00:37:25,920

you know i consider myself very

1113

00:37:30,950 --> 00:37:28,079

fortunate to have crossed paths with

1114

00:37:33,190 --> 00:37:30,960

darren and uh it certainly enriched

1115

00:37:35,349 --> 00:37:33,200

you know my understanding of what's

1116

00:37:37,190 --> 00:37:35,359

what's going on with this uh it's it's

1117

00:37:40,230 --> 00:37:37,200

definitely raised new questions and

1118

00:37:41,270 --> 00:37:40,240

opened up new avenues of inquiry for me

1119

00:37:42,710 --> 00:37:41,280

um

1120

00:37:44,069 --> 00:37:42,720

you know something that i've been

1121

00:37:46,150 --> 00:37:44,079

listening along to the show and

1122

00:37:47,750 --> 00:37:46,160

something that came to my mind

1123

00:37:49,190 --> 00:37:47,760

as you guys have been talking and that's

1124

00:37:51,910 --> 00:37:49,200

just this nature

1125

00:37:54,470 --> 00:37:51,920

of of the absurd and and you know dare

1126

00:37:57,510 --> 00:37:54,480

and i we we talk about this uh sometimes

1127

00:37:59,589 --> 00:37:57,520

that that things that are absurd

1128

00:38:02,630 --> 00:37:59,599

you know sort of shake you out of

1129

00:38:04,550 --> 00:38:02,640

whatever routine you happen to be in

1130

00:38:07,349 --> 00:38:04,560

and our human history is sort of

1131

00:38:09,990 --> 00:38:07,359

punctuated with absurd moments which

1132

00:38:11,829 --> 00:38:10,000

then lead and catalyze

1133

00:38:14,390 --> 00:38:11,839

you know change that happens in in the

1134

00:38:17,829 --> 00:38:14,400

society change that might happen in our

1135

00:38:19,750 --> 00:38:17,839

technology and so you know i think

1136

00:38:22,230 --> 00:38:19,760

obviously this is this is speculation

1137

00:38:24,790 --> 00:38:22,240

but there's some element perhaps

1138

00:38:27,030 --> 00:38:24,800

that this absurdity of the phenomena

1139

00:38:30,069 --> 00:38:27,040

that it plays with our

1140

00:38:31,270 --> 00:38:30,079

our ability to understand our ability to

1141

00:38:33,109 --> 00:38:31,280

to grow

1142

00:38:34,950 --> 00:38:33,119

both with what we are learning and the

1143

00:38:37,030 --> 00:38:34,960

way we are interacting and behaving with

1144

00:38:38,150 --> 00:38:37,040

one another it's kind of continually

1145

00:38:40,150 --> 00:38:38,160

pushing us

1146

00:38:42,550 --> 00:38:40,160

in interesting directions

1147

00:38:46,630 --> 00:38:42,560

that maybe only become apparent in

1148

00:38:49,670 --> 00:38:46,640

hindsight not in that moment

1149

00:38:50,950 --> 00:38:49,680

awesome yeah that's great man um

1150

00:38:52,630 --> 00:38:50,960

you mentioned the trickster element

1151

00:38:54,390 --> 00:38:52,640

there and obviously

1152

00:38:57,589 --> 00:38:54,400

that features heavily when people talk

1153

00:38:59,430 --> 00:38:57,599

about skinwalker ranch tricksters and

1154

00:39:00,710 --> 00:38:59,440

hitchhiker effect and all those kind of

1155

00:39:02,069 --> 00:39:00,720

things that's the subject i really

1156

00:39:04,550 --> 00:39:02,079

wanted to jump on

1157

00:39:07,030 --> 00:39:04,560

on about right now so darren if if we go

1158

00:39:09,510 --> 00:39:07,040

to you first you know what's your views

1159

00:39:11,589 --> 00:39:09,520

thoughts hypotheses or anything

1160

00:39:15,430 --> 00:39:11,599

surrounding skinwalker ranch but not

1161

00:39:17,990 --> 00:39:15,440

only now but historically as well

1162

00:39:19,589 --> 00:39:18,000

right i mean there are many hypotheses

1163

00:39:21,829 --> 00:39:19,599

in terms of you know what it is whether

1164

00:39:23,750 --> 00:39:21,839

it's some sort of uh some people see it

1165

00:39:26,870 --> 00:39:23,760

as like kind of spiritual curse right

1166

00:39:28,630 --> 00:39:26,880

and you have the whole notion of um

1167

00:39:30,310 --> 00:39:28,640

uh you know one indian tribe that kind

1168

00:39:32,470 --> 00:39:30,320

of cursed the land because another one

1169

00:39:33,990 --> 00:39:32,480

was coming in kind of thing and and to

1170

00:39:35,349 --> 00:39:34,000

what degree is that

1171

00:39:36,870 --> 00:39:35,359

uh what's really going on that's where

1172

00:39:38,550 --> 00:39:36,880

the name skinwalker comes from right

1173

00:39:41,030 --> 00:39:38,560

this this being that was part of their

1174

00:39:42,870 --> 00:39:41,040

their lore um you have other notions

1175

00:39:45,750 --> 00:39:42,880

that what we really have is an ancient

1176

00:39:47,349 --> 00:39:45,760

technology that was anciently seated but

1177

00:39:49,109 --> 00:39:47,359

is still there today right and there's

1178

00:39:49,910 --> 00:39:49,119

this there's this notion of maybe

1179

00:39:51,270 --> 00:39:49,920

there's

1180

00:39:52,710 --> 00:39:51,280

uh they seem to in some of their

1181

00:39:54,550 --> 00:39:52,720

experiments find things that are you

1182

00:39:56,069 --> 00:39:54,560

know certain point up in the sky so it's

1183

00:39:56,950 --> 00:39:56,079

not this ranch itself it's somewhere

1184

00:39:58,230 --> 00:39:56,960

above

1185

00:40:00,150 --> 00:39:58,240

and there's been other evidence speaking

1186

00:40:01,030 --> 00:40:00,160

of that earlier question elena asked

1187

00:40:02,710 --> 00:40:01,040

about

1188

00:40:05,190 --> 00:40:02,720

magnetic anomalies you know there's

1189

00:40:07,109 --> 00:40:05,200

something below the earth that seems

1190

00:40:09,430 --> 00:40:07,119

anomalous there as well so again are

1191

00:40:11,910 --> 00:40:09,440

those just

1192

00:40:13,750 --> 00:40:11,920

post pointing to something else or are

1193

00:40:16,550 --> 00:40:13,760

they you know the root cause that's

1194

00:40:17,910 --> 00:40:16,560

worth pursuing either way

1195

00:40:19,910 --> 00:40:17,920

in terms of the hitchhiker effect i

1196

00:40:22,630 --> 00:40:19,920

would say that what's interesting is

1197

00:40:25,109 --> 00:40:22,640

that again to me suggests that

1198

00:40:27,270 --> 00:40:25,119

this is another element where space time

1199

00:40:30,230 --> 00:40:27,280

is irrelevant that uh that it's hacking

1200

00:40:31,430 --> 00:40:30,240

the construct altogether um

1201  
00:40:33,030 --> 00:40:31,440  
so i would say

1202  
00:40:34,550 --> 00:40:33,040  
personally i've experienced the

1203  
00:40:37,430 --> 00:40:34,560  
hitchhiker effect

1204  
00:40:40,790 --> 00:40:37,440  
since my experience at monroe

1205  
00:40:44,630 --> 00:40:42,870  
i was around people who had a lot of

1206  
00:40:46,470 --> 00:40:44,640  
experiences right people like chris

1207  
00:40:49,030 --> 00:40:46,480  
bledsoe

1208  
00:40:50,950 --> 00:40:49,040  
i've also been to his house personally

1209  
00:40:53,030 --> 00:40:50,960  
and had experiences there

1210  
00:40:54,309 --> 00:40:53,040  
and then since then i've had some of my

1211  
00:40:57,990 --> 00:40:54,319  
own experiences

1212  
00:41:00,390 --> 00:40:58,000  
and um and uh people who know me

1213  
00:41:01,750 --> 00:41:00,400

uh have out of the blue got in touch

1214

00:41:05,030 --> 00:41:01,760

with me and said you're not going to

1215

00:41:06,550 --> 00:41:05,040

believe this but i saw six ufos

1216

00:41:08,630 --> 00:41:06,560

up on the blue ridge parkway three

1217

00:41:10,309 --> 00:41:08,640

nights ago

1218

00:41:12,069 --> 00:41:10,319

and you have so when you think about it

1219

00:41:13,270 --> 00:41:12,079

you have a similar kind of equation

1220

00:41:15,510 --> 00:41:13,280

there you have

1221

00:41:17,109 --> 00:41:15,520

uh me seemingly picking something up you

1222

00:41:19,349 --> 00:41:17,119

could use the analogy of like a viral

1223

00:41:21,190 --> 00:41:19,359

kind of thing right something i catch

1224

00:41:23,430 --> 00:41:21,200

something from someone that already was

1225

00:41:25,990 --> 00:41:23,440

having uh amazing experiences with a

1226

00:41:28,470 --> 00:41:26,000

phenomenon and then somehow i also pass

1227

00:41:30,309 --> 00:41:28,480

it off but it's not passed off by like

1228

00:41:32,390 --> 00:41:30,319

like covet you walk in a supermarket you

1229

00:41:34,550 --> 00:41:32,400

get too close to someone who sneezes it

1230

00:41:35,990 --> 00:41:34,560

can actually just be the fact that you

1231

00:41:38,150 --> 00:41:36,000

have some sort of consciousness

1232

00:41:40,550 --> 00:41:38,160

connection even if you haven't seen or

1233

00:41:42,630 --> 00:41:40,560

talked to that person in weeks or months

1234

00:41:45,270 --> 00:41:42,640

uh which is fascinating and suggests

1235

00:41:47,910 --> 00:41:45,280

again that the way the the the the

1236

00:41:50,470 --> 00:41:47,920

traffic for these others this

1237

00:41:53,030 --> 00:41:50,480

intelligence is not space-time oriented

1238

00:41:55,109 --> 00:41:53,040

at all it's not spatial temporal at all

1239

00:41:55,910 --> 00:41:55,119

which again is a really intriguing data

1240

00:41:57,510 --> 00:41:55,920

point

1241

00:41:58,870 --> 00:41:57,520

that that i think we should pursue when

1242

00:42:00,230 --> 00:41:58,880

trying to figure out what what this all

1243

00:42:01,990 --> 00:42:00,240

means

1244

00:42:03,589 --> 00:42:02,000

and nathan i'll come to you in a second

1245

00:42:06,309 --> 00:42:03,599

but darren you mentioned there about

1246

00:42:08,470 --> 00:42:06,319

monroe and and chris bledsoe so if we

1247

00:42:10,470 --> 00:42:08,480

could just continue with that and these

1248

00:42:11,829 --> 00:42:10,480

experiences if you could you expand on

1249

00:42:14,309 --> 00:42:11,839

that a little bit

1250

00:42:15,910 --> 00:42:14,319

about monroe and and

1251  
00:42:17,750 --> 00:42:15,920  
the reason why you were with these these

1252  
00:42:19,829 --> 00:42:17,760  
people in these gatherings and i'll just

1253  
00:42:21,510 --> 00:42:19,839  
quickly say sorry before guys i'm seeing

1254  
00:42:23,829 --> 00:42:21,520  
your questions and i'm noting them for

1255  
00:42:24,710 --> 00:42:23,839  
later but while we're just in this uh

1256  
00:42:26,710 --> 00:42:24,720  
you know

1257  
00:42:29,190 --> 00:42:26,720  
let's flow we're just going to continue

1258  
00:42:30,550 --> 00:42:29,200  
for now so i will get to them but sorry

1259  
00:42:31,990 --> 00:42:30,560  
darren yeah

1260  
00:42:34,630 --> 00:42:32,000  
if you still remember the question if

1261  
00:42:37,270 --> 00:42:34,640  
you could go ahead thank you

1262  
00:42:39,109 --> 00:42:37,280  
yeah so uh speaking of you know

1263  
00:42:40,470 --> 00:42:39,119

synchronicity and the hitchhiker effect

1264

00:42:42,710 --> 00:42:40,480

i think it's all connected right those

1265

00:42:44,470 --> 00:42:42,720

are not separate uh issues or somehow

1266

00:42:46,790 --> 00:42:44,480

part of something

1267

00:42:48,069 --> 00:42:46,800

again that's embedded in consciousness

1268

00:42:49,829 --> 00:42:48,079

um but

1269

00:42:51,510 --> 00:42:49,839

uh you know there were some people who

1270

00:42:53,190 --> 00:42:51,520

had experiences with chris bled so

1271

00:42:54,470 --> 00:42:53,200

personally

1272

00:42:55,910 --> 00:42:54,480

and then began to have some of their own

1273

00:42:58,950 --> 00:42:55,920

experiences

1274

00:43:00,950 --> 00:42:58,960

and and and then said again they were

1275

00:43:02,550 --> 00:43:00,960

changed by it like i mentioned earlier

1276  
00:43:03,670 --> 00:43:02,560  
their consciousness was changed their

1277  
00:43:06,309 --> 00:43:03,680  
sense of

1278  
00:43:08,870 --> 00:43:06,319  
this is so dramatic and so uh

1279  
00:43:11,030 --> 00:43:08,880  
life-changing uh perspective altering

1280  
00:43:12,710 --> 00:43:11,040  
that i feel like like behoove to do

1281  
00:43:14,870 --> 00:43:12,720  
something i'm not i'm not supposed to

1282  
00:43:17,349 --> 00:43:14,880  
just passively experience this but i'm

1283  
00:43:19,589 --> 00:43:17,359  
supposed to do something with this

1284  
00:43:20,630 --> 00:43:19,599  
a sense of calling or vocation dawns on

1285  
00:43:22,150 --> 00:43:20,640  
a person

1286  
00:43:24,550 --> 00:43:22,160  
so uh

1287  
00:43:27,109 --> 00:43:24,560  
this person actually began to have the

1288  
00:43:30,069 --> 00:43:27,119

the notion of monroe in their mind they

1289

00:43:32,470 --> 00:43:30,079

this idea of drawing together a group of

1290

00:43:33,990 --> 00:43:32,480

experiencers or what joseph burks would

1291

00:43:36,150 --> 00:43:34,000

call prime experiencers or prime

1292

00:43:38,390 --> 00:43:36,160

contactees people who have

1293

00:43:41,510 --> 00:43:38,400

an unusually high number of uh

1294

00:43:43,510 --> 00:43:41,520

experiences and really dramatic ones

1295

00:43:44,950 --> 00:43:43,520

often going back to childhood

1296

00:43:46,069 --> 00:43:44,960

which chris bledsoe would definitely fit

1297

00:43:47,589 --> 00:43:46,079

that bill

1298

00:43:49,829 --> 00:43:47,599

a combination of those kind of people

1299

00:43:51,670 --> 00:43:49,839

and researchers and even people

1300

00:43:52,950 --> 00:43:51,680

from government military backgrounds who

1301

00:43:54,950 --> 00:43:52,960

also

1302

00:43:57,750 --> 00:43:54,960

dealt with some elements of the ufo

1303

00:43:59,670 --> 00:43:57,760

phenomenon in their careers

1304

00:44:01,910 --> 00:43:59,680

trying to draw that all together as well

1305

00:44:03,349 --> 00:44:01,920

as like people who specialize in psy

1306

00:44:05,829 --> 00:44:03,359

phenomena that i mentioned earlier

1307

00:44:08,550 --> 00:44:05,839

knowing that that's connected as well

1308

00:44:10,710 --> 00:44:08,560

and and preferably do it at a place

1309

00:44:12,710 --> 00:44:10,720

where speaking of what i said earlier

1310

00:44:13,990 --> 00:44:12,720

about sending the email and what are you

1311

00:44:16,550 --> 00:44:14,000

priming it with

1312

00:44:19,190 --> 00:44:16,560

if you do it at a place where already

1313

00:44:21,750 --> 00:44:19,200

it's it has this rich history of

1314

00:44:23,589 --> 00:44:21,760

exploring consciousness then that too

1315

00:44:25,510 --> 00:44:23,599

primes the experience with something

1316

00:44:26,470 --> 00:44:25,520

right people talk about going into holy

1317

00:44:27,990 --> 00:44:26,480

sites

1318

00:44:29,510 --> 00:44:28,000

right that have been around for hundreds

1319

00:44:30,950 --> 00:44:29,520

of thousands of years and feeling

1320

00:44:33,190 --> 00:44:30,960

something i think that's part of that

1321

00:44:35,430 --> 00:44:33,200

it's it's been like

1322

00:44:37,190 --> 00:44:35,440

you know invested into that that area

1323

00:44:39,510 --> 00:44:37,200

and you can feel it somehow and i think

1324

00:44:40,870 --> 00:44:39,520

if we had the right scientific devices

1325

00:44:41,829 --> 00:44:40,880

we could probably measure it at some

1326

00:44:43,270 --> 00:44:41,839

point

1327

00:44:45,030 --> 00:44:43,280

the same way that some people can see an

1328

00:44:45,990 --> 00:44:45,040

aura around people

1329

00:44:47,829 --> 00:44:46,000

so

1330

00:44:49,109 --> 00:44:47,839

he then looked at the monroe institute

1331

00:44:51,510 --> 00:44:49,119

thought this was the perfect place

1332

00:44:53,829 --> 00:44:51,520

they've been pioneering doing pioneering

1333

00:44:55,750 --> 00:44:53,839

research on consciousness since the 60s

1334

00:44:57,270 --> 00:44:55,760

and 70s um

1335

00:44:58,470 --> 00:44:57,280

let's try and do it there that was a bit

1336

00:45:00,150 --> 00:44:58,480

of a challenge because they don't

1337

00:45:01,829 --> 00:45:00,160

usually host private events and this was

1338

00:45:03,910 --> 00:45:01,839

going to be a private event where we

1339

00:45:05,910 --> 00:45:03,920

would design the uh you know the

1340

00:45:08,470 --> 00:45:05,920

schedule but we wanted to do it there

1341

00:45:11,270 --> 00:45:08,480

eventually you know this person

1342

00:45:13,270 --> 00:45:11,280

persevered and got the board to agree

1343

00:45:15,430 --> 00:45:13,280

so then we went there with this group of

1344

00:45:16,309 --> 00:45:15,440

people that were kind of hand-picked uh

1345

00:45:21,109 --> 00:45:16,319

to

1346

00:45:23,349 --> 00:45:21,119

work uh which involved heist as well

1347

00:45:25,109 --> 00:45:23,359

human initiated contact but also

1348

00:45:27,349 --> 00:45:25,119

exploring sci phenomena astral

1349

00:45:29,349 --> 00:45:27,359

projection and all the rest

1350

00:45:30,230 --> 00:45:29,359

amazing and

1351  
00:45:33,430 --> 00:45:30,240  
again

1352  
00:45:35,270 --> 00:45:33,440  
you did mention sightings um

1353  
00:45:36,950 --> 00:45:35,280  
both around that time and and since

1354  
00:45:38,630 --> 00:45:36,960  
visiting chris bledsoe are you able to

1355  
00:45:39,829 --> 00:45:38,640  
just expand on that a little bit because

1356  
00:45:41,589 --> 00:45:39,839  
i think i've noticed a few comments

1357  
00:45:42,630 --> 00:45:41,599  
people are really interested in in what

1358  
00:45:44,390 --> 00:45:42,640  
you saw

1359  
00:45:46,950 --> 00:45:44,400  
right

1360  
00:45:49,270 --> 00:45:46,960  
yeah i mean one of the um

1361  
00:45:50,950 --> 00:45:49,280  
the most common data points and again

1362  
00:45:52,630 --> 00:45:50,960  
this is sometimes i recognize this is

1363  
00:45:54,550 --> 00:45:52,640

frustrating for some of the nuts and

1364

00:45:56,550 --> 00:45:54,560

bolts people who kind of want you know

1365

00:45:58,150 --> 00:45:56,560

like black triangles or

1366

00:46:00,630 --> 00:45:58,160

classics koster or whatever you know or

1367

00:46:03,510 --> 00:46:00,640

a tic tac but often these things uh

1368

00:46:05,190 --> 00:46:03,520

manifest as what we call orbs right

1369

00:46:07,190 --> 00:46:05,200

there's been some some controversy

1370

00:46:08,550 --> 00:46:07,200

recently even around lufon

1371

00:46:10,470 --> 00:46:08,560

deciding whether or not they'll even

1372

00:46:13,030 --> 00:46:10,480

investigate orbs i think that's the

1373

00:46:15,589 --> 00:46:13,040

wrong decision i think that

1374

00:46:16,870 --> 00:46:15,599

arbitrarily saying orbs are one thing

1375

00:46:19,109 --> 00:46:16,880

hard you know

1376

00:46:20,230 --> 00:46:19,119

metal craft or another is is misses the

1377

00:46:21,109 --> 00:46:20,240

point and

1378

00:46:23,030 --> 00:46:21,119

um

1379

00:46:24,390 --> 00:46:23,040

i i know people have had experiences

1380

00:46:26,230 --> 00:46:24,400

where they've seen it shape-shift

1381

00:46:27,270 --> 00:46:26,240

between the two right where it goes from

1382

00:46:29,829 --> 00:46:27,280

something that looks like a ball of

1383

00:46:31,270 --> 00:46:29,839

light or it goes from nothing to

1384

00:46:32,950 --> 00:46:31,280

materializing into a ball of light and

1385

00:46:34,230 --> 00:46:32,960

then turning into a full-on physical

1386

00:46:35,190 --> 00:46:34,240

craft

1387

00:46:38,069 --> 00:46:35,200

and then

1388

00:46:41,030 --> 00:46:38,079

dematerializing again so somehow again

1389

00:46:43,270 --> 00:46:41,040

our space-time notions are insufficient

1390

00:46:45,109 --> 00:46:43,280

at the very least and so making these

1391

00:46:46,790 --> 00:46:45,119

arbitrary decisions about what we'll

1392

00:46:49,109 --> 00:46:46,800

investigate based on our space-time

1393

00:46:50,150 --> 00:46:49,119

assumptions is missing the point

1394

00:46:53,190 --> 00:46:50,160

um

1395

00:46:55,190 --> 00:46:53,200

but in terms of what i've seen so

1396

00:46:56,790 --> 00:46:55,200

at monroe i've talked about this in a

1397

00:46:58,550 --> 00:46:56,800

couple other places too

1398

00:47:00,390 --> 00:46:58,560

we saw a variety of things and which was

1399

00:47:03,190 --> 00:47:00,400

really interesting to me because

1400

00:47:04,550 --> 00:47:03,200

um you know you might go in with a

1401  
00:47:05,990 --> 00:47:04,560  
preconception about what you're going to

1402  
00:47:07,910 --> 00:47:06,000  
see

1403  
00:47:10,069 --> 00:47:07,920  
it can be everything from

1404  
00:47:11,829 --> 00:47:10,079  
a flash in the sky that just clearly

1405  
00:47:14,390 --> 00:47:11,839  
doesn't fit any other

1406  
00:47:15,670 --> 00:47:14,400  
prosaic description it can be sometimes

1407  
00:47:17,270 --> 00:47:15,680  
something that's following a certain

1408  
00:47:18,550 --> 00:47:17,280  
trajectory down the sky but it's

1409  
00:47:19,349 --> 00:47:18,560  
flashing boom

1410  
00:47:24,390 --> 00:47:19,359  
boom

1411  
00:47:26,150 --> 00:47:24,400  
and then you could have something that

1412  
00:47:28,549 --> 00:47:26,160  
at first looks like a satellite in terms

1413  
00:47:30,549 --> 00:47:28,559

of its about the right size going about

1414

00:47:31,750 --> 00:47:30,559

the right speed and it's tracking across

1415

00:47:35,190 --> 00:47:31,760

the sky

1416

00:47:37,190 --> 00:47:35,200

but it'll either then stop and shoot

1417

00:47:39,270 --> 00:47:37,200

straight up into space or dart left or

1418

00:47:42,390 --> 00:47:39,280

right or often what i've seen i saw it

1419

00:47:43,990 --> 00:47:42,400

at monroe and i've seen it since then

1420

00:47:46,470 --> 00:47:44,000

it'll just disappear

1421

00:47:47,990 --> 00:47:46,480

it just goes away satellites don't do

1422

00:47:49,670 --> 00:47:48,000

that right on a clear night when they're

1423

00:47:52,470 --> 00:47:49,680

not going into a cloud bank they don't

1424

00:47:53,750 --> 00:47:52,480

just disappear um so again there's

1425

00:47:55,030 --> 00:47:53,760

certain

1426  
00:47:56,390 --> 00:47:55,040  
it's interesting because when you think

1427  
00:47:58,549 --> 00:47:56,400  
about the intelligence behind this

1428  
00:48:00,790 --> 00:47:58,559  
phenomenon or at least this aspect of it

1429  
00:48:03,030 --> 00:48:00,800  
that i've encountered

1430  
00:48:04,790 --> 00:48:03,040  
it seems to

1431  
00:48:06,710 --> 00:48:04,800  
for me anyway i feel like it knows my

1432  
00:48:07,829 --> 00:48:06,720  
assumptions and sometimes responds to my

1433  
00:48:09,109 --> 00:48:07,839  
assumptions

1434  
00:48:11,910 --> 00:48:09,119  
so

1435  
00:48:13,750 --> 00:48:11,920  
uh you know one example is uh

1436  
00:48:15,589 --> 00:48:13,760  
i remember saying in an interview with

1437  
00:48:17,510 --> 00:48:15,599  
james iandoli for his engaging the

1438  
00:48:19,910 --> 00:48:17,520

phenomenon channel that you shouldn't

1439

00:48:22,069 --> 00:48:19,920

necessarily expect pyrotechnics right it

1440

00:48:23,190 --> 00:48:22,079

can be something quite subtle and if

1441

00:48:24,549 --> 00:48:23,200

you're not paying attention if you're

1442

00:48:25,990 --> 00:48:24,559

not diligent enough and if you don't do

1443

00:48:27,430 --> 00:48:26,000

it for long enough you could easily miss

1444

00:48:29,349 --> 00:48:27,440

it

1445

00:48:32,069 --> 00:48:29,359

but then uh

1446

00:48:33,510 --> 00:48:32,079

you know when i was with chris bledsoe

1447

00:48:35,589 --> 00:48:33,520

just the two of us

1448

00:48:36,630 --> 00:48:35,599

i saw and it did look like a pyrotechnic

1449

00:48:38,390 --> 00:48:36,640

in the sky

1450

00:48:40,470 --> 00:48:38,400

it looked like something lit up like a

1451  
00:48:42,630 --> 00:48:40,480  
quarter of the sky you know it's just an

1452  
00:48:43,670 --> 00:48:42,640  
orb that manifested and then

1453  
00:48:44,950 --> 00:48:43,680  
flared up

1454  
00:48:46,549 --> 00:48:44,960  
corner of the sky and then just

1455  
00:48:50,150 --> 00:48:46,559  
disappeared you know

1456  
00:48:52,230 --> 00:48:50,160  
and um and so that to me was almost like

1457  
00:48:54,309 --> 00:48:52,240  
picking up a sense of humor like

1458  
00:48:56,470 --> 00:48:54,319  
don't the second you try to categorize

1459  
00:48:58,390 --> 00:48:56,480  
how this shows up it might very well do

1460  
00:48:59,910 --> 00:48:58,400  
the opposite of that so it feels like

1461  
00:49:01,430 --> 00:48:59,920  
there's a bit of a play with my

1462  
00:49:02,630 --> 00:49:01,440  
consciousness going on there so that's

1463  
00:49:06,470 --> 00:49:02,640

an example

1464

00:49:07,510 --> 00:49:06,480

um the most recent one i experienced was

1465

00:49:11,750 --> 00:49:07,520

uh

1466

00:49:15,190 --> 00:49:11,760

i drove up on the blue ridge parkway

1467

00:49:16,710 --> 00:49:15,200

which is where where nathan and i live

1468

00:49:17,990 --> 00:49:16,720

and you can drive up to a place called

1469

00:49:21,349 --> 00:49:18,000

mount pisgah

1470

00:49:22,470 --> 00:49:21,359

highest points in the entire eastern

1471

00:49:23,670 --> 00:49:22,480

seaboard

1472

00:49:25,430 --> 00:49:23,680

still not that high compared to the

1473

00:49:28,069 --> 00:49:25,440

rocky mountains or something

1474

00:49:29,589 --> 00:49:28,079

but it's one of the highest points and

1475

00:49:31,990 --> 00:49:29,599

uh

1476

00:49:33,109 --> 00:49:32,000

parked my car and was was looking at the

1477

00:49:34,870 --> 00:49:33,119

night sky

1478

00:49:36,950 --> 00:49:34,880

again sort of just being aware of what

1479

00:49:38,549 --> 00:49:36,960

might or might not show up and at one

1480

00:49:41,109 --> 00:49:38,559

point was just about ready to go home

1481

00:49:42,630 --> 00:49:41,119

i'd been there for a couple hours

1482

00:49:44,309 --> 00:49:42,640

and uh

1483

00:49:45,430 --> 00:49:44,319

and it had just used my binoculars

1484

00:49:47,190 --> 00:49:45,440

actually and didn't see anything and i

1485

00:49:49,910 --> 00:49:47,200

was just about packing up to go home and

1486

00:49:51,990 --> 00:49:49,920

i looked up one more time and something

1487

00:49:54,390 --> 00:49:52,000

shot across only about a hundred feet up

1488

00:49:55,349 --> 00:49:54,400

from me something orb-like shot across

1489

00:49:56,829 --> 00:49:55,359

the sky

1490

00:50:00,470 --> 00:49:56,839

really quick and then just

1491

00:50:01,990 --> 00:50:00,480

dematerialized um so again it it felt

1492

00:50:03,829 --> 00:50:02,000

like

1493

00:50:05,990 --> 00:50:03,839

even the way it was showing up was

1494

00:50:07,349 --> 00:50:06,000

playing with me a little bit and

1495

00:50:09,109 --> 00:50:07,359

uh just when i thought i was going to go

1496

00:50:10,950 --> 00:50:09,119

home and empty-handed that's what

1497

00:50:12,230 --> 00:50:10,960

happened which isn't to say it always

1498

00:50:13,510 --> 00:50:12,240

happens there's plenty of times i go and

1499

00:50:15,589 --> 00:50:13,520

look and nothing happens just to be

1500

00:50:17,589 --> 00:50:15,599

clear but that was the most recent one

1501

00:50:20,950 --> 00:50:17,599

and that too felt like it was somehow

1502

00:50:22,630 --> 00:50:20,960

responding directly to my expectations

1503

00:50:24,710 --> 00:50:22,640

yeah i find that really fascinating and

1504

00:50:27,829 --> 00:50:24,720

it actually it's strange almost in a

1505

00:50:29,670 --> 00:50:27,839

slight synchronous synchronicity way

1506

00:50:30,950 --> 00:50:29,680

that for someone like me

1507

00:50:32,630 --> 00:50:30,960

has this nuts and bolts and you

1508

00:50:34,309 --> 00:50:32,640

mentioned you know triangles and tic

1509

00:50:36,069 --> 00:50:34,319

tacs and stuff and you know that's all i

1510

00:50:38,069 --> 00:50:36,079

ever wanted to see

1511

00:50:40,390 --> 00:50:38,079

but it's taken until earlier this year

1512

00:50:42,790 --> 00:50:40,400

when i did have my first sighting and

1513

00:50:46,069 --> 00:50:42,800

funnily enough it was an orb it was not

1514

00:50:47,030 --> 00:50:46,079

what i was expecting so it's crazy you

1515

00:50:50,710 --> 00:50:47,040

know how

1516

00:50:53,349 --> 00:50:50,720

these things work so i i yeah it it

1517

00:50:54,549 --> 00:50:53,359

baffles me to be honest um

1518

00:50:55,910 --> 00:50:54,559

nathan have you got anything you want to

1519

00:50:58,069 --> 00:50:55,920

add in on that i feel like i'm leaving

1520

00:51:00,470 --> 00:50:58,079

you out man no it's i i'm just here to

1521

00:51:02,549 --> 00:51:00,480

listen to you guys so it's all good um i

1522

00:51:05,349 --> 00:51:02,559

you know all i would add is that um you

1523

00:51:07,829 --> 00:51:05,359

know those of us who've listened to to

1524

00:51:09,750 --> 00:51:07,839

darren and i's show or listen to my show

1525

00:51:10,710 --> 00:51:09,760

uh i have not had an experience and i

1526

00:51:12,150 --> 00:51:10,720

think it's that that's kind of

1527

00:51:14,870 --> 00:51:12,160

frustrating it's like i really want one

1528

00:51:15,589 --> 00:51:14,880

i'm i'm trying to seek one in a way

1529

00:51:17,510 --> 00:51:15,599

but

1530

00:51:19,270 --> 00:51:17,520

you know on the other hand there's one

1531

00:51:20,470 --> 00:51:19,280

way that i look at this now

1532

00:51:23,750 --> 00:51:20,480

and that's

1533

00:51:24,630 --> 00:51:23,760

the interpersonal uh uh component to

1534

00:51:25,750 --> 00:51:24,640

this

1535

00:51:29,510 --> 00:51:25,760

and

1536

00:51:31,829 --> 00:51:29,520

different but taking the stories of

1537

00:51:33,109 --> 00:51:31,839

those who i know and who i meet who i

1538

00:51:35,190 --> 00:51:33,119

interact with

1539

00:51:37,750 --> 00:51:35,200

taking them seriously

1540

00:51:40,390 --> 00:51:37,760

as darren likes to point out it it

1541

00:51:42,950 --> 00:51:40,400

begins to accumulate a body of evidence

1542

00:51:43,910 --> 00:51:42,960

that in a way becomes an experience of

1543

00:51:45,829 --> 00:51:43,920

my own

1544

00:51:47,829 --> 00:51:45,839

so it's it's a type of living

1545

00:51:49,750 --> 00:51:47,839

vicariously but

1546

00:51:51,030 --> 00:51:49,760

you know what i like about this subject

1547

00:51:52,790 --> 00:51:51,040

is it

1548

00:51:55,030 --> 00:51:52,800

it sort of redeems this human

1549

00:51:57,910 --> 00:51:55,040

interaction you know it doesn't

1550

00:52:00,710 --> 00:51:57,920

dismiss another person's experiences and

1551  
00:52:02,630 --> 00:52:00,720  
i think in our western sort of society

1552  
00:52:04,630 --> 00:52:02,640  
we've come to a place where

1553  
00:52:06,630 --> 00:52:04,640  
we really like being dismissive of the

1554  
00:52:08,549 --> 00:52:06,640  
strange things which we have not been

1555  
00:52:11,030 --> 00:52:08,559  
able to put into a box

1556  
00:52:13,030 --> 00:52:11,040  
and what this does it it provides space

1557  
00:52:14,309 --> 00:52:13,040  
for us to say you know what i i want to

1558  
00:52:16,230 --> 00:52:14,319  
hear you

1559  
00:52:18,950 --> 00:52:16,240  
i want to understand what you're saying

1560  
00:52:21,190 --> 00:52:18,960  
i want to you know you know get to the

1561  
00:52:22,549 --> 00:52:21,200  
bottom of whatever this is i'm gonna i'm

1562  
00:52:24,069 --> 00:52:22,559  
gonna treat you and i'm gonna treat this

1563  
00:52:26,630 --> 00:52:24,079

seriously doesn't mean i have to believe

1564

00:52:29,430 --> 00:52:26,640

it but it does give me that space and i

1565

00:52:32,309 --> 00:52:29,440

think something emerges from that space

1566

00:52:34,549 --> 00:52:32,319

that the the two people share in that

1567

00:52:36,630 --> 00:52:34,559

interaction

1568

00:52:38,790 --> 00:52:36,640

yeah i i that makes us so much sense as

1569

00:52:40,470 --> 00:52:38,800

well really does just before we move on

1570

00:52:42,150 --> 00:52:40,480

to the next uh next question i just want

1571

00:52:44,950 --> 00:52:42,160

to give a quick shout out aaron r thank

1572

00:52:46,710 --> 00:52:44,960

you so much for the donation i really do

1573

00:52:49,910 --> 00:52:46,720

appreciate it so that means a lot and

1574

00:52:51,990 --> 00:52:49,920

lara as well thank you so much um it is

1575

00:52:54,710 --> 00:52:52,000

a fantastic conversation i'm having a

1576

00:52:56,630 --> 00:52:54,720

wild great time i knew i would as well

1577

00:52:58,710 --> 00:52:56,640

so thank you guys for the donations it

1578

00:53:00,710 --> 00:52:58,720

really does mean so much but you know

1579

00:53:02,230 --> 00:53:00,720

guys i i always say if you want to ask

1580

00:53:04,069 --> 00:53:02,240

questions you do not have to pay you

1581

00:53:05,430 --> 00:53:04,079

just pop them in capital letters and i

1582

00:53:07,109 --> 00:53:05,440

can tell you i've got a few so what

1583

00:53:09,430 --> 00:53:07,119

we'll do is we'll jump onto it to one of

1584

00:53:11,349 --> 00:53:09,440

you guys questions so

1585

00:53:13,750 --> 00:53:11,359

this one is kind of makes sense to what

1586

00:53:14,870 --> 00:53:13,760

we're talking about sophie asks she's

1587

00:53:17,109 --> 00:53:14,880

interested to know if there is a

1588

00:53:19,430 --> 00:53:17,119

connection in the color of an orb or

1589

00:53:21,589 --> 00:53:19,440

when in the color and or presents itself

1590

00:53:24,390 --> 00:53:21,599

sorry and its intention i have witnessed

1591

00:53:26,630 --> 00:53:24,400

white gold and blue orbs that's a good

1592

00:53:28,630 --> 00:53:26,640

question

1593

00:53:32,230 --> 00:53:28,640

it is and it's it's certainly a

1594

00:53:34,069 --> 00:53:32,240

plausible possibility in my mind um

1595

00:53:35,670 --> 00:53:34,079

and not necessarily in a fixed way right

1596

00:53:37,589 --> 00:53:35,680

like i think again

1597

00:53:39,510 --> 00:53:37,599

what i see is evidence that

1598

00:53:40,790 --> 00:53:39,520

however they manifest spatially

1599

00:53:43,670 --> 00:53:40,800

temporally

1600

00:53:46,150 --> 00:53:43,680

is often meant to communicate something

1601  
00:53:48,150 --> 00:53:46,160  
but it can be crafted on the fly so it's

1602  
00:53:49,990 --> 00:53:48,160  
possible that what you know

1603  
00:53:52,069 --> 00:53:50,000  
blue might mean something to someone and

1604  
00:53:53,270 --> 00:53:52,079  
so it might appear as a blue orb

1605  
00:53:55,190 --> 00:53:53,280  
um

1606  
00:53:57,270 --> 00:53:55,200  
you know to one person because it has a

1607  
00:53:59,829 --> 00:53:57,280  
special significance for them now is it

1608  
00:54:01,670 --> 00:53:59,839  
possible on top of that that um

1609  
00:54:03,190 --> 00:54:01,680  
there's some significance to the colors

1610  
00:54:04,950 --> 00:54:03,200  
in general that's that's possible i

1611  
00:54:06,069 --> 00:54:04,960  
haven't covered that a lot in my own

1612  
00:54:07,510 --> 00:54:06,079  
research

1613  
00:54:09,750 --> 00:54:07,520

i do know that

1614

00:54:11,589 --> 00:54:09,760

in talking to people like chris bledsoe

1615

00:54:13,829 --> 00:54:11,599

who experience these things all the time

1616

00:54:15,109 --> 00:54:13,839

uh they will often like change color as

1617

00:54:17,109 --> 00:54:15,119

they're coming through our atmosphere

1618

00:54:19,430 --> 00:54:17,119

and they they might start white and then

1619

00:54:20,870 --> 00:54:19,440

go gold or vice versa kind of thing

1620

00:54:22,390 --> 00:54:20,880

which might have to do with like you

1621

00:54:23,829 --> 00:54:22,400

know we think about red shifting and how

1622

00:54:25,510 --> 00:54:23,839

we can determine whether something's

1623

00:54:27,910 --> 00:54:25,520

moving away in the universe or coming

1624

00:54:29,750 --> 00:54:27,920

closer things like that like it's it's

1625

00:54:32,230 --> 00:54:29,760

some the color actually is an indication

1626  
00:54:34,309 --> 00:54:32,240  
of what's going on physically uh with it

1627  
00:54:36,309 --> 00:54:34,319  
as well uh it's fascinating question

1628  
00:54:38,390 --> 00:54:36,319  
definitely possible

1629  
00:54:40,150 --> 00:54:38,400  
uh yeah again you mentioned redshift

1630  
00:54:41,829 --> 00:54:40,160  
there and i'll you know without spoiling

1631  
00:54:43,349 --> 00:54:41,839  
too much because obviously

1632  
00:54:44,710 --> 00:54:43,359  
my sighting happened in colombia and

1633  
00:54:46,390 --> 00:54:44,720  
we're kind of halfway through airing the

1634  
00:54:47,349 --> 00:54:46,400  
series that we that we filmed out there

1635  
00:54:49,670 --> 00:54:47,359  
but

1636  
00:54:51,109 --> 00:54:49,680  
yeah what the hell so we saw an orb and

1637  
00:54:53,030 --> 00:54:51,119  
it showed

1638  
00:54:55,190 --> 00:54:53,040

what we think was

1639

00:54:56,950 --> 00:54:55,200

a bits of blue shift bits of redshift at

1640

00:54:58,549 --> 00:54:56,960

certain points

1641

00:55:01,030 --> 00:54:58,559

i don't know i'm not an analyst on

1642

00:55:03,109 --> 00:55:01,040

videos and stuff so you know when

1643

00:55:04,470 --> 00:55:03,119

that when the final episode is aired

1644

00:55:06,870 --> 00:55:04,480

we're going to release all the footage

1645

00:55:08,549 --> 00:55:06,880

we took of this phenomena so people can

1646

00:55:10,630 --> 00:55:08,559

examine it and help us basically but

1647

00:55:13,270 --> 00:55:10,640

that it just resonated with me

1648

00:55:15,670 --> 00:55:13,280

um one thing i did want to get into with

1649

00:55:17,430 --> 00:55:15,680

this talk of orbs and you know with

1650

00:55:19,430 --> 00:55:17,440

nathan here as well and his

1651  
00:55:21,990 --> 00:55:19,440  
his knowledge on the religious aspect of

1652  
00:55:23,270 --> 00:55:22,000  
stuff as well is apparitions fatima

1653  
00:55:26,710 --> 00:55:23,280  
things like that

1654  
00:55:29,030 --> 00:55:26,720  
where does that fit in and

1655  
00:55:38,069 --> 00:55:29,040  
yeah where does it fit in i suppose um

1656  
00:55:41,829 --> 00:55:40,150  
no i mean it's um

1657  
00:55:44,470 --> 00:55:41,839  
you know certainly there

1658  
00:55:48,069 --> 00:55:44,480  
there's a lot of that within the western

1659  
00:55:50,230 --> 00:55:48,079  
christian religious tradition of

1660  
00:55:53,030 --> 00:55:50,240  
speaking with the dead or

1661  
00:55:54,549 --> 00:55:53,040  
uh angelic visitation uh of course you

1662  
00:55:56,069 --> 00:55:54,559  
have possession as well which kind of

1663  
00:55:58,870 --> 00:55:56,079

fits into some of this

1664

00:56:01,109 --> 00:55:58,880

so i think we

1665

00:56:04,150 --> 00:56:01,119

to me this is why this phenomenon is so

1666

00:56:05,349 --> 00:56:04,160

powerful because it it really does have

1667

00:56:07,430 --> 00:56:05,359

tendrils

1668

00:56:09,109 --> 00:56:07,440

uh in sort of all of these different

1669

00:56:11,430 --> 00:56:09,119

types of experiences

1670

00:56:13,109 --> 00:56:11,440

and to go back to things that darren

1671

00:56:14,470 --> 00:56:13,119

said at the top of the show

1672

00:56:17,349 --> 00:56:14,480

when he started talking about

1673

00:56:18,309 --> 00:56:17,359

consciousness and the way that

1674

00:56:21,190 --> 00:56:18,319

we

1675

00:56:22,470 --> 00:56:21,200

sort of mediate reality

1676

00:56:23,990 --> 00:56:22,480

apparitions

1677

00:56:25,670 --> 00:56:24,000

you know they're they're a part of that

1678

00:56:27,430 --> 00:56:25,680

fabric you know that

1679

00:56:28,390 --> 00:56:27,440

just because we can't understand them

1680

00:56:30,870 --> 00:56:28,400

through

1681

00:56:33,670 --> 00:56:30,880

sort of the way we understand me having

1682

00:56:35,510 --> 00:56:33,680

a chat with you in person does not mean

1683

00:56:37,510 --> 00:56:35,520

that that they don't exist that they

1684

00:56:40,309 --> 00:56:37,520

don't uh you know have any kind of

1685

00:56:42,150 --> 00:56:40,319

realness or real quality to them um and

1686

00:56:43,510 --> 00:56:42,160

i find it interesting too that these

1687

00:56:45,910 --> 00:56:43,520

moments that are recorded these

1688

00:56:47,589 --> 00:56:45,920

apparitional moments you know they do

1689

00:56:50,390 --> 00:56:47,599

often spark

1690

00:56:52,230 --> 00:56:50,400

some kind of behavioral shift

1691

00:56:55,349 --> 00:56:52,240

you know within the individual and

1692

00:56:58,870 --> 00:56:55,359

oftentimes those shifts end up creating

1693

00:57:00,309 --> 00:56:58,880

religious behavior you know so i i you

1694

00:57:01,910 --> 00:57:00,319

know sometimes i wonder we've talked

1695

00:57:04,549 --> 00:57:01,920

about this darren you know if you want

1696

00:57:07,030 --> 00:57:04,559

to expound on it but to what extent is

1697

00:57:09,109 --> 00:57:07,040

that intentional you know to where

1698

00:57:11,109 --> 00:57:09,119

these uh sort of apparitions are

1699

00:57:13,750 --> 00:57:11,119

intending us to kind of

1700

00:57:15,910 --> 00:57:13,760

change our behavior to do x y z or if

1701  
00:57:18,150 --> 00:57:15,920  
we're misinterpreting the experience and

1702  
00:57:19,910 --> 00:57:18,160  
we're trying to recreate it and we

1703  
00:57:21,270 --> 00:57:19,920  
recreate it by creating things that we

1704  
00:57:22,870 --> 00:57:21,280  
call rituals

1705  
00:57:24,789 --> 00:57:22,880  
you know that then become religious

1706  
00:57:26,549 --> 00:57:24,799  
behavior you know so i wonder if it's

1707  
00:57:28,069 --> 00:57:26,559  
sort of a lost in translation thing

1708  
00:57:29,270 --> 00:57:28,079  
happening there

1709  
00:57:31,349 --> 00:57:29,280  
interesting

1710  
00:57:33,510 --> 00:57:31,359  
darren what's your take on that

1711  
00:57:35,829 --> 00:57:33,520  
yeah i would say you know one of the

1712  
00:57:37,589 --> 00:57:35,839  
most fascinating parts of you know chris

1713  
00:57:40,549 --> 00:57:37,599

bledsoe's case is his experience with

1714

00:57:42,230 --> 00:57:40,559

the lady figure right and um i can tell

1715

00:57:43,990 --> 00:57:42,240

you that

1716

00:57:45,670 --> 00:57:44,000

people in high places both

1717

00:57:47,589 --> 00:57:45,680

governmentally and in terms of the

1718

00:57:49,109 --> 00:57:47,599

vatican

1719

00:57:51,750 --> 00:57:49,119

there are definitely key figures there

1720

00:57:54,630 --> 00:57:51,760

that see it as the same

1721

00:57:57,109 --> 00:57:54,640

phenomenon as what happened at fatima

1722

00:57:58,630 --> 00:57:57,119

and lourdes and other places where what

1723

00:58:00,549 --> 00:57:58,640

has been considered the virgin mary

1724

00:58:02,789 --> 00:58:00,559

manifested and of course

1725

00:58:05,430 --> 00:58:02,799

when you think about

1726

00:58:07,270 --> 00:58:05,440

what people actually saw

1727

00:58:09,190 --> 00:58:07,280

there's there's no conclusive evidence

1728

00:58:11,510 --> 00:58:09,200

suggesting it's the virgin mary that is

1729

00:58:13,349 --> 00:58:11,520

sort of an after the fact interpretation

1730

00:58:14,470 --> 00:58:13,359

fitting a round peg into a square hole

1731

00:58:16,870 --> 00:58:14,480

kind of thing

1732

00:58:18,470 --> 00:58:16,880

there's some superficial similarities

1733

00:58:20,069 --> 00:58:18,480

but a lot of differences

1734

00:58:22,390 --> 00:58:20,079

and as jacques villa pointed out there

1735

00:58:25,190 --> 00:58:22,400

were sort of classical ufological kind

1736

00:58:27,910 --> 00:58:25,200

of uh elements like even a couple years

1737

00:58:31,349 --> 00:58:27,920

before her manifestation her you know

1738

00:58:33,109 --> 00:58:31,359

whatever that is uh so

1739

00:58:34,470 --> 00:58:33,119

you have one group really you know one

1740

00:58:36,470 --> 00:58:34,480

of the things that nathan and i talk a

1741

00:58:38,230 --> 00:58:36,480

lot about on liminal frames is is

1742

00:58:40,710 --> 00:58:38,240

sociological framing

1743

00:58:41,990 --> 00:58:40,720

so from a catholic point of view

1744

00:58:45,030 --> 00:58:42,000

you have certain assumptions about

1745

00:58:47,510 --> 00:58:45,040

reality so you see a female figure with

1746

00:58:49,190 --> 00:58:47,520

like divine characteristics showing up

1747

00:58:51,349 --> 00:58:49,200

you're gonna check that box right on the

1748

00:58:53,430 --> 00:58:51,359

the four-point possibility that's that's

1749

00:58:56,309 --> 00:58:53,440

the virgin mary right it's not jesus

1750

00:58:57,910 --> 00:58:56,319

it's not lucifer you know it's not uh

1751

00:58:59,109 --> 00:58:57,920

francis of assisi

1752

00:59:00,309 --> 00:58:59,119

uh

1753

00:59:03,030 --> 00:59:00,319

but on the but if you're coming from a

1754

00:59:05,030 --> 00:59:03,040

ufological point of view and you see uh

1755

00:59:06,710 --> 00:59:05,040

what looks like solid craft and even

1756

00:59:08,630 --> 00:59:06,720

like being something to crawl out on a

1757

00:59:11,750 --> 00:59:08,640

ladder from a craft things like that

1758

00:59:13,510 --> 00:59:11,760

that doesn't fit with like a typical

1759

00:59:15,109 --> 00:59:13,520

notion of how angels tend to show up

1760

00:59:18,470 --> 00:59:15,119

right it sounds more like

1761

00:59:20,150 --> 00:59:18,480

uh alien beings right and and technology

1762

00:59:21,270 --> 00:59:20,160

right and yet what what i'm saying is

1763

00:59:22,710 --> 00:59:21,280

that

1764

00:59:25,109 --> 00:59:22,720

all those elements were associated with

1765

00:59:27,270 --> 00:59:25,119

the very same occurrence like in fatima

1766

00:59:29,750 --> 00:59:27,280

you have all those things going on

1767

00:59:31,589 --> 00:59:29,760

and in people like chris's case you have

1768

00:59:32,390 --> 00:59:31,599

all of these things going on everything

1769

00:59:34,069 --> 00:59:32,400

from

1770

00:59:35,190 --> 00:59:34,079

stuff that manifests that looks like a

1771

00:59:36,150 --> 00:59:35,200

tic tac

1772

00:59:39,109 --> 00:59:36,160

to

1773

00:59:40,309 --> 00:59:39,119

a you know angelic lady figure appearing

1774

00:59:41,910 --> 00:59:40,319

you know um

1775

00:59:43,430 --> 00:59:41,920

so

1776

00:59:45,190 --> 00:59:43,440

but we can't really talk about any of

1777

00:59:47,190 --> 00:59:45,200

this without talking about my my

1778

00:59:48,870 --> 00:59:47,200

favorite talking point that i always

1779

00:59:50,470 --> 00:59:48,880

like to bring up is that

1780

00:59:52,630 --> 00:59:50,480

you know the overarching one of the

1781

00:59:55,190 --> 00:59:52,640

biggest questions is is this ultimately

1782

00:59:58,870 --> 00:59:55,200

one phenomenon that's manifesting in

1783

01:00:01,030 --> 00:59:58,880

many ways or is it that we're realizing

1784

01:00:03,109 --> 01:00:01,040

reality is such that

1785

01:00:05,030 --> 01:00:03,119

many different entities potentially from

1786

01:00:06,950 --> 01:00:05,040

completely different origin sources are

1787

01:00:09,510 --> 01:00:06,960

actually interacting with us

1788

01:00:11,990 --> 01:00:09,520

and part of the confusion is that we we

1789

01:00:13,109 --> 01:00:12,000

try to draw from one narrative when

1790

01:00:14,309 --> 01:00:13,119

there's actually

1791

01:00:16,630 --> 01:00:14,319

numerous narratives going on

1792

01:00:18,630 --> 01:00:16,640

simultaneously um

1793

01:00:21,510 --> 01:00:18,640

i was talking to a friend from europe

1794

01:00:23,670 --> 01:00:21,520

today and uh earlier and he he and i

1795

01:00:25,910 --> 01:00:23,680

were talking about how um

1796

01:00:27,589 --> 01:00:25,920

it's like if we discover that you have a

1797

01:00:29,030 --> 01:00:27,599

wi-fi connection and you're like oh it's

1798

01:00:31,430 --> 01:00:29,040

crazy i have this computer it turns out

1799

01:00:33,270 --> 01:00:31,440

it has a wi-fi connection and so vinnie

1800

01:00:36,870 --> 01:00:33,280

dropped a folder

1801  
01:00:38,150 --> 01:00:36,880  
from the uk how did that's amazing right

1802  
01:00:40,710 --> 01:00:38,160  
going

1803  
01:00:44,069 --> 01:00:40,720  
it was weird i've got 10 folders so they

1804  
01:00:46,309 --> 01:00:44,079  
must all be from vinnie turns out nathan

1805  
01:00:48,789 --> 01:00:46,319  
you know in in in the blue ridge

1806  
01:00:50,309 --> 01:00:48,799  
mountains here also dropped one in my

1807  
01:00:52,630 --> 01:00:50,319  
point being the second you discover that

1808  
01:00:54,150 --> 01:00:52,640  
a wi-fi connection is something that

1809  
01:00:56,069 --> 01:00:54,160  
plausibly exists

1810  
01:00:58,470 --> 01:00:56,079  
where things outside of your construct

1811  
01:01:01,030 --> 01:00:58,480  
can drop things into your construct

1812  
01:01:02,950 --> 01:01:01,040  
then to me it seems like the logical uh

1813  
01:01:04,870 --> 01:01:02,960

assumption to go with is that numerous

1814

01:01:06,789 --> 01:01:04,880

entities might be able to access that

1815

01:01:08,390 --> 01:01:06,799

wi-fi connection just like the three of

1816

01:01:10,789 --> 01:01:08,400

us are talking from three different

1817

01:01:12,630 --> 01:01:10,799

locations and until we have compelling

1818

01:01:14,950 --> 01:01:12,640

evidence to suggest it's all vinnie

1819

01:01:17,109 --> 01:01:14,960

doing it from the uk

1820

01:01:19,270 --> 01:01:17,119

to assume actually there's probably many

1821

01:01:21,030 --> 01:01:19,280

actors i think that's

1822

01:01:22,710 --> 01:01:21,040

overwhelming to people because it's

1823

01:01:24,309 --> 01:01:22,720

already such a huge

1824

01:01:26,950 --> 01:01:24,319

shift to go wait a second you're saying

1825

01:01:30,230 --> 01:01:26,960

our reality has a wi-fi connection that

1826

01:01:33,270 --> 01:01:30,240

that other beings from other locales can

1827

01:01:35,190 --> 01:01:33,280

can drop stuff in and interact yes

1828

01:01:36,950 --> 01:01:35,200

and and and the likelihood is that

1829

01:01:39,589 --> 01:01:36,960

there's there's that that connection can

1830

01:01:40,630 --> 01:01:39,599

be accessed from numerous places um by

1831

01:01:42,789 --> 01:01:40,640

numerous different kinds of

1832

01:01:44,470 --> 01:01:42,799

intelligences so that's all i would add

1833

01:01:46,309 --> 01:01:44,480

is that you know

1834

01:01:49,030 --> 01:01:46,319

the encounters i've had are all positive

1835

01:01:50,710 --> 01:01:49,040

right now that's partly because i i do

1836

01:01:52,870 --> 01:01:50,720

practice spiritual hygiene i go in with

1837

01:01:54,549 --> 01:01:52,880

a certain expectation again i'm trying

1838

01:01:55,990 --> 01:01:54,559

to prime the experience i'm trying to be

1839

01:01:58,390 --> 01:01:56,000

self-aware about the way that i might

1840

01:01:59,670 --> 01:01:58,400

get a reflective aspect coming back at

1841

01:02:01,349 --> 01:01:59,680

me how what is that going to be

1842

01:02:03,430 --> 01:02:01,359

populated with when i send that package

1843

01:02:05,430 --> 01:02:03,440

across

1844

01:02:06,789 --> 01:02:05,440

but you know some people do have

1845

01:02:08,549 --> 01:02:06,799

negative interactions and it would be

1846

01:02:10,630 --> 01:02:08,559

disingenuous to pretend those don't

1847

01:02:12,950 --> 01:02:10,640

exist or that they're all just military

1848

01:02:14,710 --> 01:02:12,960

psyops or something um

1849

01:02:16,549 --> 01:02:14,720

but you know

1850

01:02:18,549 --> 01:02:16,559

that is the one of the biggest questions

1851  
01:02:19,990 --> 01:02:18,559  
is like how many are involved where are

1852  
01:02:21,349 --> 01:02:20,000  
they coming from and i would just say

1853  
01:02:23,270 --> 01:02:21,359  
let's not jump to conclusions

1854  
01:02:24,630 --> 01:02:23,280  
prematurely

1855  
01:02:26,309 --> 01:02:24,640  
yeah and if i could just add really

1856  
01:02:28,069 --> 01:02:26,319  
quickly uh it makes me want to change

1857  
01:02:30,069 --> 01:02:28,079  
the wi-fi password

1858  
01:02:32,390 --> 01:02:30,079  
uh just so that uh i don't have that

1859  
01:02:34,230 --> 01:02:32,400  
happening you know i just said i got you

1860  
01:02:36,230 --> 01:02:34,240  
gotta have good network security guys

1861  
01:02:37,910 --> 01:02:36,240  
that's the takeaway here but uh i just

1862  
01:02:39,990 --> 01:02:37,920  
want to say thank you both uh for the

1863  
01:02:41,750 --> 01:02:40,000

time i'm gonna jet it's just a pleasure

1864

01:02:43,670 --> 01:02:41,760

uh listening and talking with both of

1865

01:02:45,670 --> 01:02:43,680

you and and hide all the listeners out

1866

01:02:47,829 --> 01:02:45,680

there as well i keep up the great chat

1867

01:02:50,069 --> 01:02:47,839

and i know i'll see you both around all

1868

01:02:54,549 --> 01:02:50,079

right definitely thank you guys

1869

01:03:01,270 --> 01:02:56,630

oh man i hope you don't mind that i did

1870

01:03:06,069 --> 01:03:03,510

yeah that was a fun surprise very cool

1871

01:03:07,829 --> 01:03:06,079

yeah good good now i've just got a

1872

01:03:10,230 --> 01:03:07,839

couple of more uh questions from from

1873

01:03:12,710 --> 01:03:10,240

the audience here which are fantastic uh

1874

01:03:14,789 --> 01:03:12,720

moon raises an interesting one here is

1875

01:03:18,710 --> 01:03:14,799

the lady similar to the lady scene with

1876

01:03:23,589 --> 01:03:20,710

that is a fascinating question for a

1877

01:03:25,349 --> 01:03:23,599

couple different reasons one being that

1878

01:03:28,230 --> 01:03:25,359

again when we talk about these different

1879

01:03:30,549 --> 01:03:28,240

contact modalities ce5 or heist is one

1880

01:03:32,710 --> 01:03:30,559

right astral projection is another

1881

01:03:35,029 --> 01:03:32,720

psychedelic journeys are another right

1882

01:03:36,150 --> 01:03:35,039

and i've had some experience of those

1883

01:03:39,109 --> 01:03:36,160

myself

1884

01:03:41,029 --> 01:03:39,119

and um have encountered what often feels

1885

01:03:42,470 --> 01:03:41,039

like uh you know a different kind of

1886

01:03:45,190 --> 01:03:42,480

intelligence

1887

01:03:46,950 --> 01:03:45,200

although i will add and i know this will

1888

01:03:48,470 --> 01:03:46,960

sound even more complex to people but i

1889

01:03:50,630 --> 01:03:48,480

would say one of the

1890

01:03:52,549 --> 01:03:50,640

the tricky and prickly parts of this

1891

01:03:54,309 --> 01:03:52,559

entire conversation is that i think we

1892

01:03:55,829 --> 01:03:54,319

ourselves ultimately are

1893

01:03:59,029 --> 01:03:55,839

multi-dimensional

1894

01:04:01,190 --> 01:03:59,039

in nature and so sometimes that

1895

01:04:02,309 --> 01:04:01,200

makes it complex

1896

01:04:03,829 --> 01:04:02,319

knowing

1897

01:04:05,589 --> 01:04:03,839

how are we involved and in what way are

1898

01:04:07,430 --> 01:04:05,599

we involved and one thing i could have

1899

01:04:10,069 --> 01:04:07,440

mentioned earlier was that in terms of

1900

01:04:11,750 --> 01:04:10,079

the consciousness piece

1901

01:04:14,069 --> 01:04:11,760

one thing that people

1902

01:04:15,510 --> 01:04:14,079

often mention about having an

1903

01:04:17,349 --> 01:04:15,520

interaction with these others right one

1904

01:04:19,829 --> 01:04:17,359

of the ongoing questions is is this

1905

01:04:21,029 --> 01:04:19,839

happening in physical reality right

1906

01:04:23,190 --> 01:04:21,039

again that makes all sorts of

1907

01:04:24,789 --> 01:04:23,200

assumptions about what counts as real

1908

01:04:26,470 --> 01:04:24,799

and what doesn't right

1909

01:04:28,069 --> 01:04:26,480

but often people report

1910

01:04:29,109 --> 01:04:28,079

it's seeming to happen almost in an

1911

01:04:30,950 --> 01:04:29,119

alternate

1912

01:04:32,870 --> 01:04:30,960

reality or ultimate domain different

1913

01:04:35,190 --> 01:04:32,880

modality or an altered state of

1914

01:04:37,910 --> 01:04:35,200

consciousness which again brings up what

1915

01:04:40,789 --> 01:04:37,920

happens with psychedelics right um

1916

01:04:43,589 --> 01:04:40,799

i think that ultimately

1917

01:04:46,470 --> 01:04:43,599

even what we consider consensus reality

1918

01:04:49,829 --> 01:04:46,480

actually is just one of many modalities

1919

01:04:51,990 --> 01:04:49,839

that are kind of like a mind space

1920

01:04:54,069 --> 01:04:52,000

a dreamscape if you will that that and

1921

01:04:56,069 --> 01:04:54,079

ultimately this is not fundamentally

1922

01:04:57,829 --> 01:04:56,079

different than what i experienced in a

1923

01:05:00,630 --> 01:04:57,839

dream last night right

1924

01:05:02,470 --> 01:05:00,640

um and or that you are with psychedelics

1925

01:05:05,270 --> 01:05:02,480

and i think what psychedelics might be

1926

01:05:06,950 --> 01:05:05,280

doing is actually allowing to us to hack

1927

01:05:08,630 --> 01:05:06,960

outside of our usual space-time

1928

01:05:10,230 --> 01:05:08,640

construct because

1929

01:05:11,829 --> 01:05:10,240

you're kind of hacking outside of what

1930

01:05:13,430 --> 01:05:11,839

evolution has served up in your normal

1931

01:05:15,990 --> 01:05:13,440

state of consciousness to get through

1932

01:05:17,910 --> 01:05:16,000

the world so i think actually

1933

01:05:19,430 --> 01:05:17,920

we're experiencing more of reality

1934

01:05:20,950 --> 01:05:19,440

sometimes when we're in this altered

1935

01:05:23,349 --> 01:05:20,960

state of consciousness

1936

01:05:25,750 --> 01:05:23,359

um you know when one of the really

1937

01:05:27,990 --> 01:05:25,760

fascinating data points is that

1938

01:05:30,549 --> 01:05:28,000

according to a physicalist model

1939

01:05:32,789 --> 01:05:30,559

um if everything is ultimately located

1940

01:05:35,029 --> 01:05:32,799

in your brain right like in your skull

1941

01:05:36,710 --> 01:05:35,039

and nowhere else then

1942

01:05:38,789 --> 01:05:36,720

if people are having these mind-blowing

1943

01:05:40,870 --> 01:05:38,799

experiences like mind expanding

1944

01:05:43,670 --> 01:05:40,880

consciousness expanding like just these

1945

01:05:45,510 --> 01:05:43,680

stellar experiences on psychedelics we

1946

01:05:47,510 --> 01:05:45,520

should see the brain being lit up right

1947

01:05:49,589 --> 01:05:47,520

we should be able to track that with our

1948

01:05:50,390 --> 01:05:49,599

uh you know our sensor systems and

1949

01:05:52,390 --> 01:05:50,400

whatnot

1950

01:05:54,069 --> 01:05:52,400

what we actually see is the brain looks

1951

01:05:55,349 --> 01:05:54,079

incredibly dormant like not much is

1952

01:05:56,870 --> 01:05:55,359

going on at all

1953

01:05:59,670 --> 01:05:56,880

which immediately contradicts the

1954

01:06:01,270 --> 01:05:59,680

physicalist expectations because

1955

01:06:02,789 --> 01:06:01,280

you're supposed to see a correlation

1956

01:06:05,510 --> 01:06:02,799

there if

1957

01:06:07,349 --> 01:06:05,520

brain matter causes conscious experience

1958

01:06:08,950 --> 01:06:07,359

then if you're having a mind-blowing

1959

01:06:10,710 --> 01:06:08,960

conscious experience you should see it

1960

01:06:12,870 --> 01:06:10,720

lit up in the brain matter and we're not

1961

01:06:14,390 --> 01:06:12,880

seeing that we're seeing the opposite

1962

01:06:15,829 --> 01:06:14,400

which i think suggests we're actually

1963

01:06:18,309 --> 01:06:15,839

hacking outside of the sort of

1964

01:06:20,549 --> 01:06:18,319

evolutionary space-time construct and

1965

01:06:23,430 --> 01:06:20,559

experiencing more of reality and it's

1966

01:06:25,510 --> 01:06:23,440

because we've actually taken our usual

1967

01:06:27,270 --> 01:06:25,520

operating system if you will offline

1968

01:06:28,630 --> 01:06:27,280

that's why it looks like nothing's going

1969

01:06:31,430 --> 01:06:28,640

on with the brain

1970

01:06:33,430 --> 01:06:31,440

but our non-local consciousness

1971

01:06:35,510 --> 01:06:33,440

you can call it that is actually

1972

01:06:37,190 --> 01:06:35,520

experiencing broader reality now in

1973

01:06:40,390 --> 01:06:37,200

terms of whether or not that's the same

1974

01:06:41,750 --> 01:06:40,400

lady could be uh um or but even then i

1975

01:06:43,910 --> 01:06:41,760

would say that

1976

01:06:45,670 --> 01:06:43,920

even people who have experienced uh the

1977

01:06:47,589 --> 01:06:45,680

lady would tell you that or some of them

1978

01:06:49,589 --> 01:06:47,599

anyway would say that when they really

1979

01:06:51,349 --> 01:06:49,599

really feel into it they don't feel like

1980

01:06:53,670 --> 01:06:51,359

that's her true appearance they feel

1981

01:06:55,829 --> 01:06:53,680

like that's a manifestation

1982

01:06:57,430 --> 01:06:55,839

meant to communicate something to us and

1983

01:06:59,589 --> 01:06:57,440

meant to make us feel

1984

01:07:02,549 --> 01:06:59,599

a sense of like a mothering nurturing

1985

01:07:04,390 --> 01:07:02,559

kind of calming it's going to have a a

1986

01:07:05,750 --> 01:07:04,400

you know an effect on us based on our

1987

01:07:07,510 --> 01:07:05,760

history you know

1988

01:07:09,430 --> 01:07:07,520

not just in terms of we had mothers that

1989

01:07:11,029 --> 01:07:09,440

hopefully were caring and nurturing but

1990

01:07:13,029 --> 01:07:11,039

this goes back to the

1991

01:07:15,270 --> 01:07:13,039

the the feminine archetype going back in

1992

01:07:17,190 --> 01:07:15,280

our history right so they have enough

1993

01:07:19,190 --> 01:07:17,200

understanding of us that when they want

1994

01:07:20,789 --> 01:07:19,200

to communicate

1995

01:07:22,150 --> 01:07:20,799

a certain kind of message they show up

1996

01:07:24,069 --> 01:07:22,160

in a certain way

1997

01:07:26,230 --> 01:07:24,079

so as to immediately prime the

1998

01:07:28,150 --> 01:07:26,240

experience with that kind of you know

1999

01:07:29,190 --> 01:07:28,160

preamble or that subject header that

2000

01:07:30,630 --> 01:07:29,200

says

2001

01:07:32,150 --> 01:07:30,640

i'm coming as a mother figure that's

2002

01:07:33,589 --> 01:07:32,160

going to tell you things even if you're

2003

01:07:34,630 --> 01:07:33,599

not consciously aware that it's telling

2004

01:07:35,750 --> 01:07:34,640

you things

2005

01:07:37,270 --> 01:07:35,760

uh so

2006

01:07:39,510 --> 01:07:37,280

so it could be the same but i would just

2007

01:07:41,029 --> 01:07:39,520

say that even there i think that um even

2008

01:07:42,710 --> 01:07:41,039

people who've experienced her have told

2009

01:07:44,150 --> 01:07:42,720

me that

2010

01:07:45,670 --> 01:07:44,160

that's what they experienced because

2011

01:07:48,390 --> 01:07:45,680

that was meant to communicate that's not

2012

01:07:50,789 --> 01:07:48,400

the ultimate form right and that some of

2013

01:07:53,109 --> 01:07:50,799

these beings may not have form right the

2014

01:07:55,270 --> 01:07:53,119

form itself may be part of

2015

01:07:56,870 --> 01:07:55,280

our space-time construct and yet they

2016

01:07:58,789 --> 01:07:56,880

take a form just like

2017

01:08:00,789 --> 01:07:58,799

when i send an email it shows up in a

2018

01:08:02,950 --> 01:08:00,799

certain way in your desktop ultimately

2019

01:08:05,670 --> 01:08:02,960

those are zeros and ones and transistors

2020

01:08:09,029 --> 01:08:05,680

and binary code but we use the the

2021

01:08:11,829 --> 01:08:09,039

familiar uh icon of an email showing up

2022

01:08:12,870 --> 01:08:11,839

right so that we can work with it and

2023

01:08:14,069 --> 01:08:12,880

that's kind of what i think some of

2024

01:08:16,550 --> 01:08:14,079

these others are doing when they when

2025

01:08:17,749 --> 01:08:16,560

they interact with us

2026

01:08:19,269 --> 01:08:17,759

amazing

2027

01:08:21,189 --> 01:08:19,279

i love how you break these things down

2028

01:08:23,189 --> 01:08:21,199

because it does break it down to a level

2029

01:08:24,390 --> 01:08:23,199

where people like myself can can

2030

01:08:26,950 --> 01:08:24,400

understand it

2031

01:08:28,630 --> 01:08:26,960

so i really do appreciate that um

2032

01:08:30,709 --> 01:08:28,640

a couple more questions before we finish

2033

01:08:32,229 --> 01:08:30,719

this is a really interesting one uh from

2034

01:08:33,669 --> 01:08:32,239

andrew hall

2035

01:08:36,950 --> 01:08:33,679

hi vinnie and darren enjoying the

2036

01:08:40,950 --> 01:08:36,960

conversation how important is language

2037

01:08:44,390 --> 01:08:42,870

that's a great question i would say a

2038

01:08:45,829 --> 01:08:44,400

couple things on that

2039

01:08:48,070 --> 01:08:45,839

one is that

2040

01:08:50,390 --> 01:08:48,080

i think part of our challenge and even

2041

01:08:52,880 --> 01:08:50,400

donald hoffman's talked about this

2042

01:08:54,390 --> 01:08:52,890

when we try to discuss reality um

2043

01:08:55,829 --> 01:08:54,400

[Music]

2044

01:08:57,829 --> 01:08:55,839

we have certain expectations or

2045

01:08:58,950 --> 01:08:57,839

assumptions like built into our language

2046

01:09:02,309 --> 01:08:58,960

right like

2047

01:09:04,229 --> 01:09:02,319

uh vinnie called darren right so that's

2048

01:09:06,709 --> 01:09:04,239

we have a subject object kind of a

2049

01:09:08,390 --> 01:09:06,719

relationship and our entire language is

2050

01:09:10,390 --> 01:09:08,400

structured with those assumptions about

2051

01:09:11,430 --> 01:09:10,400

reality built in right

2052

01:09:13,269 --> 01:09:11,440

um

2053

01:09:14,789 --> 01:09:13,279

so that sometimes makes it difficult to

2054

01:09:16,229 --> 01:09:14,799

talk about things that don't seem to

2055

01:09:17,430 --> 01:09:16,239

follow those constructs or those

2056

01:09:19,590 --> 01:09:17,440

assumptions

2057

01:09:21,829 --> 01:09:19,600

um and and one of the interesting things

2058

01:09:23,110 --> 01:09:21,839

with language and i studied this uh some

2059

01:09:26,870 --> 01:09:23,120

of my favorite courses were neuro

2060

01:09:28,630 --> 01:09:26,880

linguistics because talks about how

2061

01:09:29,910 --> 01:09:28,640

the way you think determines how you

2062

01:09:31,430 --> 01:09:29,920

structure a language and then the way

2063

01:09:33,110 --> 01:09:31,440

your language is structured also

2064

01:09:34,950 --> 01:09:33,120

therefore determines how you think and

2065

01:09:36,870 --> 01:09:34,960

so you kind of have this feedback loop

2066

01:09:38,550 --> 01:09:36,880

that is uh you know self-enhancing kind

2067

01:09:40,229 --> 01:09:38,560

of thing um

2068

01:09:42,470 --> 01:09:40,239

i would say that first of all and that's

2069

01:09:44,149 --> 01:09:42,480

part of i think our challenge is that

2070

01:09:46,390 --> 01:09:44,159

part of the reason why debunkers are so

2071

01:09:48,709 --> 01:09:46,400

convinced this can't be real is because

2072

01:09:50,070 --> 01:09:48,719

it just doesn't play well with our rules

2073

01:09:51,829 --> 01:09:50,080

right

2074

01:09:53,349 --> 01:09:51,839

and if you are convinced that your rules

2075

01:09:55,189 --> 01:09:53,359

are absolute

2076

01:09:57,669 --> 01:09:55,199

then you assume people are either being

2077

01:10:00,790 --> 01:09:57,679

frauds or they're misunderstanding or

2078

01:10:02,950 --> 01:10:00,800

whatever right uh

2079

01:10:05,030 --> 01:10:02,960

but what i think it's saying and nathan

2080

01:10:07,110 --> 01:10:05,040

talked about this too like how

2081

01:10:09,030 --> 01:10:07,120

over time the body of data becomes so

2082

01:10:12,390 --> 01:10:09,040

overwhelming you have so much outlier

2083

01:10:16,630 --> 01:10:12,400

data that any scientist you know

2084

01:10:17,990 --> 01:10:16,640

worth his uh weight in uh in credibility

2085

01:10:20,229 --> 01:10:18,000

recognizes that if you have enough

2086

01:10:21,270 --> 01:10:20,239

outline data and it continues to uh uh

2087

01:10:23,110 --> 01:10:21,280

you know

2088

01:10:25,669 --> 01:10:23,120

build over time that's telling you

2089

01:10:26,870 --> 01:10:25,679

something about your model is wrong

2090

01:10:28,390 --> 01:10:26,880

you know it's one thing to have a couple

2091

01:10:30,229 --> 01:10:28,400

things here and there that don't fit you

2092

01:10:31,990 --> 01:10:30,239

know like loose threads but when you

2093

01:10:33,189 --> 01:10:32,000

have this mounting evidence you can't

2094

01:10:34,550 --> 01:10:33,199

just keep saying i'm going to put that

2095

01:10:36,390 --> 01:10:34,560

in the closet close the door and pretend

2096

01:10:37,750 --> 01:10:36,400

it doesn't exist

2097

01:10:39,430 --> 01:10:37,760

if you're a scientist driven by

2098

01:10:40,550 --> 01:10:39,440

curiosity which is the whole point of

2099

01:10:44,070 --> 01:10:40,560

science

2100

01:10:45,830 --> 01:10:44,080

then that's telling you something um

2101

01:10:47,430 --> 01:10:45,840

the last thing i would say too uh in

2102

01:10:49,189 --> 01:10:47,440

terms of language what's fascinating

2103

01:10:51,830 --> 01:10:49,199

with experienter accounts of course is

2104

01:10:53,590 --> 01:10:51,840

that so much of the uh communication is

2105

01:10:55,669 --> 01:10:53,600

telepathic in nature

2106

01:10:57,910 --> 01:10:55,679

and

2107

01:10:59,430 --> 01:10:57,920

but people will often have to think back

2108

01:11:01,270 --> 01:10:59,440

on it and go how did i actually hear

2109

01:11:03,189 --> 01:11:01,280

that was it was it audible or was it in

2110

01:11:04,790 --> 01:11:03,199

my brain but they'll often hear it in

2111

01:11:06,229 --> 01:11:04,800

their native language right and of

2112

01:11:07,669 --> 01:11:06,239

course if these people whether they're

2113

01:11:09,910 --> 01:11:07,679

palladians or

2114

01:11:12,070 --> 01:11:09,920

interdimensional or celestial or

2115

01:11:13,590 --> 01:11:12,080

whatever their origin is clearly they

2116

01:11:15,990 --> 01:11:13,600

probably didn't grow up speaking english

2117

01:11:17,510 --> 01:11:16,000

like you and i right

2118

01:11:19,830 --> 01:11:17,520

and yet there's this substrate of

2119

01:11:22,229 --> 01:11:19,840

consciousness

2120

01:11:25,030 --> 01:11:22,239

that allows for communication that gets

2121

01:11:26,390 --> 01:11:25,040

translated on the fly kind of thing in

2122

01:11:28,630 --> 01:11:26,400

the same way that you might have

2123

01:11:31,189 --> 01:11:28,640

again computer code

2124

01:11:32,470 --> 01:11:31,199

you might you know

2125

01:11:33,830 --> 01:11:32,480

send it in one format and it gets

2126  
01:11:34,950 --> 01:11:33,840  
translated and someone receives it in

2127  
01:11:36,630 --> 01:11:34,960  
another

2128  
01:11:38,310 --> 01:11:36,640  
so

2129  
01:11:40,390 --> 01:11:38,320  
yeah it's fascinating i think that the

2130  
01:11:42,310 --> 01:11:40,400  
telepathic part is is really uh

2131  
01:11:44,709 --> 01:11:42,320  
interesting we should pay attention

2132  
01:11:46,550 --> 01:11:44,719  
and i would just add that

2133  
01:11:48,070 --> 01:11:46,560  
it's not just aliens that are telepathic

2134  
01:11:50,310 --> 01:11:48,080  
again there's all sorts of evidence with

2135  
01:11:52,229 --> 01:11:50,320  
dean raiden's work and whatnot that we

2136  
01:11:54,630 --> 01:11:52,239  
too have this capacity so again i think

2137  
01:11:56,630 --> 01:11:54,640  
this is saying something fundamental

2138  
01:11:59,030 --> 01:11:56,640

about consciousness and about us as

2139

01:11:59,830 --> 01:11:59,040

conscious agents

2140

01:12:02,229 --> 01:11:59,840

yeah

2141

01:12:05,110 --> 01:12:02,239

fantastic again just

2142

01:12:06,790 --> 01:12:05,120

amazing how you make things that seem so

2143

01:12:07,990 --> 01:12:06,800

complex

2144

01:12:09,750 --> 01:12:08,000

you just bring them down to a level

2145

01:12:11,510 --> 01:12:09,760

where it's understandable it's

2146

01:12:12,310 --> 01:12:11,520

fascinating and again it's something

2147

01:12:14,229 --> 01:12:12,320

like

2148

01:12:16,390 --> 01:12:14,239

i think what i appreciate about you and

2149

01:12:18,470 --> 01:12:16,400

your podcast and everything is that you

2150

01:12:20,229 --> 01:12:18,480

talk so much about information and data

2151

01:12:23,189 --> 01:12:20,239

and everything but you don't say this is

2152

01:12:25,430 --> 01:12:23,199

definitive it's possibilities and it's a

2153

01:12:28,390 --> 01:12:25,440

very hard thing to do because people

2154

01:12:30,229 --> 01:12:28,400

pick up on beliefs very very quickly

2155

01:12:31,270 --> 01:12:30,239

and that's what i really love about what

2156

01:12:33,350 --> 01:12:31,280

you do

2157

01:12:34,790 --> 01:12:33,360

now i guess my final question is

2158

01:12:36,870 --> 01:12:34,800

and it's one i ask a lot of people is

2159

01:12:40,550 --> 01:12:36,880

what's next what's next for darren

2160

01:12:43,510 --> 01:12:40,560

what's next for axo academia

2161

01:12:45,110 --> 01:12:43,520

good question well i think um

2162

01:12:46,870 --> 01:12:45,120

you know i'm working on a couple books

2163

01:12:49,189 --> 01:12:46,880

right now um that i'm excited about and

2164

01:12:50,870 --> 01:12:49,199

that's partly why i put my podcast on

2165

01:12:53,110 --> 01:12:50,880

both podcasts on hold for the rest of

2166

01:12:54,709 --> 01:12:53,120

the summer so i can focus uh fully on

2167

01:12:58,550 --> 01:12:54,719

those

2168

01:12:59,669 --> 01:12:58,560

one will be out before the other

2169

01:13:02,550 --> 01:12:59,679

the second one will probably be out

2170

01:13:04,070 --> 01:13:02,560

later or next year but the first one

2171

01:13:04,950 --> 01:13:04,080

will be sometime this year and i think

2172

01:13:06,630 --> 01:13:04,960

people are going to really find it

2173

01:13:07,590 --> 01:13:06,640

compelling

2174

01:13:09,030 --> 01:13:07,600

um

2175

01:13:11,750 --> 01:13:09,040

it touches a lot of the stuff we've

2176  
01:13:12,870 --> 01:13:11,760  
talked about today um specifically but

2177  
01:13:14,390 --> 01:13:12,880  
i'm not going to say more than that for

2178  
01:13:15,110 --> 01:13:14,400  
now um

2179  
01:13:20,070 --> 01:13:15,120  
and

2180  
01:13:22,630 --> 01:13:20,080  
mean

2181  
01:13:24,870 --> 01:13:22,640  
i don't want to just read accounts other

2182  
01:13:26,070 --> 01:13:24,880  
people have but i want to actively

2183  
01:13:28,070 --> 01:13:26,080  
uh you know

2184  
01:13:31,590 --> 01:13:28,080  
to steal james phrase engage the

2185  
01:13:34,950 --> 01:13:33,430  
again with the right protocols in place

2186  
01:13:37,030 --> 01:13:34,960  
with the right intentionality having

2187  
01:13:38,070 --> 01:13:37,040  
done the right spiritual hygiene

2188  
01:13:40,149 --> 01:13:38,080

2189

01:13:42,630 --> 01:13:40,159

want to use various means to continue to

2190

01:13:44,470 --> 01:13:42,640

reach out and try to make contact um and

2191

01:13:46,709 --> 01:13:44,480

it feels very much two-way just so

2192

01:13:48,070 --> 01:13:46,719

that's clear like i feel like i'm

2193

01:13:50,310 --> 01:13:48,080

i've even experienced what you might

2194

01:13:52,550 --> 01:13:50,320

call download since since monroe and

2195

01:13:54,550 --> 01:13:52,560

that's kind of been continuing

2196

01:13:56,149 --> 01:13:54,560

so i want to continue to pursue that see

2197

01:13:58,390 --> 01:13:56,159

where that goes um

2198

01:14:00,709 --> 01:13:58,400

join together with various people in in

2199

01:14:02,470 --> 01:14:00,719

some of these field experiments you know

2200

01:14:03,990 --> 01:14:02,480

um because again i think there's there's

2201  
01:14:06,229 --> 01:14:04,000  
real power when you gather with people

2202  
01:14:08,950 --> 01:14:06,239  
and you have a shared intentionality so

2203  
01:14:11,189 --> 01:14:08,960  
i want to continue to do that and uh

2204  
01:14:12,630 --> 01:14:11,199  
just keep pursuing this most fascinating

2205  
01:14:14,149 --> 01:14:12,640  
question which should be the headline of

2206  
01:14:15,510 --> 01:14:14,159  
every newspaper in the world and maybe

2207  
01:14:16,709 --> 01:14:15,520  
it's not yet but maybe one day it will

2208  
01:14:19,750 --> 01:14:16,719  
be

2209  
01:14:21,669 --> 01:14:19,760  
amazing i i for one can say that i'm

2210  
01:14:23,910 --> 01:14:21,679  
really excited to see what happens next

2211  
01:14:25,910 --> 01:14:23,920  
to read the books and for the return of

2212  
01:14:28,229 --> 01:14:25,920  
the podcast so

2213  
01:14:29,910 --> 01:14:28,239

yeah very exciting stuff um and finally

2214

01:14:31,510 --> 01:14:29,920

i guess i just got to say thank you so

2215

01:14:32,950 --> 01:14:31,520

much man this has been

2216

01:14:34,390 --> 01:14:32,960

seriously and i'm not just saying this

2217

01:14:36,709 --> 01:14:34,400

has been one of the best conversations

2218

01:14:39,110 --> 01:14:36,719

i've had in a long time so i cannot

2219

01:14:40,550 --> 01:14:39,120

thank you enough man oh vinny i

2220

01:14:42,070 --> 01:14:40,560

appreciate that it's been great meeting

2221

01:14:43,189 --> 01:14:42,080

you in person and let's do it again in

2222

01:14:45,430 --> 01:14:43,199

the future

2223

01:14:47,030 --> 01:14:45,440

absolutely man i'd love to have you back

2224

01:14:48,709 --> 01:14:47,040

on and maybe after the books have come

2225

01:14:50,870 --> 01:14:48,719

out and we've got some more things to

2226

01:14:53,430 --> 01:14:50,880

talk about i mean i'm sure we could talk

2227

01:14:54,630 --> 01:14:53,440

about anything to be honest but

2228

01:14:56,070 --> 01:14:54,640

just want to say a big shout out to

2229

01:14:57,830 --> 01:14:56,080

everybody in the live chat for having

2230

01:14:59,990 --> 01:14:57,840

such a great conversation asking such

2231

01:15:02,470 --> 01:15:00,000

fantastic questions i'm sorry if i

2232

01:15:04,229 --> 01:15:02,480

missed some of them it is sometimes a

2233

01:15:05,910 --> 01:15:04,239

little bit difficult i have got some

2234

01:15:08,709 --> 01:15:05,920

great moderators here who do their best

2235

01:15:10,470 --> 01:15:08,719

as well so thank you guys as well um i'm

2236

01:15:13,510 --> 01:15:10,480

going to be back midweek with katie

2237

01:15:15,910 --> 01:15:13,520

holland to discuss the ndaa the iaa and

2238

01:15:17,990 --> 01:15:15,920

a lot of government related uh topics

2239

01:15:19,750 --> 01:15:18,000

for now guys thank you so much enjoy the

2240

01:15:21,669 --> 01:15:19,760

rest of your saturday enjoy the rest of

2241

01:15:23,350 --> 01:15:21,679

your weekend and i will see you soon
