00:00:32,470 --> 00:00:29,830

[Music]

2  
00:00:35,030 --> 00:00:32,480  
welcome back everybody it is great to be

3  
00:00:36,549 --> 00:00:35,040  
here as always lovely to see everybody

4  
00:00:38,549 --> 00:00:36,559  
here in the live chat

5  
00:00:42,310 --> 00:00:38,559  
all i ask as usual if you just keep it

6  
00:00:43,350 --> 00:00:42,320  
cordial and polite then that'd be great

7  
00:00:44,869 --> 00:00:43,360  
um

8  
00:00:46,790 --> 00:00:44,879  
normally my interviews go for around an

9  
00:00:48,630 --> 00:00:46,800  
hour but some of you may have seen that

10  
00:00:51,189 --> 00:00:48,640  
i'm actually carrying a an injury at the

11  
00:00:54,069 --> 00:00:51,199  
moment i've torn a calf muscle so as i'm

12  
00:00:56,069 --> 00:00:54,079  
sat now i'm not in too much bad pain

13  
00:00:57,830 --> 00:00:56,079

i've took some painkillers but if it

14

00:00:59,349 --> 00:00:57,840

gets really bad you know i've mentioned

15

00:01:01,189 --> 00:00:59,359

to matthew as well that we may go a

16

00:01:03,590 --> 00:01:01,199

little bit shorter but we'll just see

17

00:01:04,710 --> 00:01:03,600

how we go so i just wanted to put that

18

00:01:06,870 --> 00:01:04,720

out there

19

00:01:09,350 --> 00:01:06,880

um so yeah let's not waste any more time

20

00:01:10,710 --> 00:01:09,360

um i'd like to welcome my guest today

21

00:01:12,630 --> 00:01:10,720

matthew roberts

22

00:01:14,149 --> 00:01:12,640

matthew how are you good how are you

23

00:01:15,990 --> 00:01:14,159

vinny thank you for having me i'm not

24

00:01:18,149 --> 00:01:16,000

bad at all thank you thank you for being

25

00:01:19,270 --> 00:01:18,159

here um i think the best thing to do

26

00:01:20,950 --> 00:01:19,280

really is just to give a bit of a

27

00:01:23,109 --> 00:01:20,960

background on yourself if you don't mind

28

00:01:25,109 --> 00:01:23,119

which led you to sort of joining uh the

29

00:01:27,830 --> 00:01:25,119

military if you don't mind

30

00:01:29,990 --> 00:01:27,840

um yeah well uh what led me to joining

31

00:01:31,350 --> 00:01:30,000

the military is that i i liked i really

32

00:01:32,130 --> 00:01:31,360

liked traveling

33

00:01:33,270 --> 00:01:32,140

and um

34

00:01:35,749 --> 00:01:33,280

[Music]

35

00:01:37,590 --> 00:01:35,759

i thought to myself well you know i i

36

00:01:39,190 --> 00:01:37,600

was gonna join the military so i figured

37

00:01:42,069 --> 00:01:39,200

what branch of the military is going to

38

00:01:44,870 --> 00:01:42,079

have me traveling the most and i being

39

00:01:47,749 --> 00:01:44,880

on a big gray floating ship

40

00:01:50,710 --> 00:01:47,759

um seemed to be the best option you know

41

00:01:54,069 --> 00:01:50,720

because you're constantly moving um yeah

42

00:01:56,630 --> 00:01:54,079

and and so i i definitely loved seeing

43

00:02:00,230 --> 00:01:56,640

the world and traveling so that was that

44

00:02:02,310 --> 00:02:00,240

was kind of why i i chose the navy

45

00:02:05,270 --> 00:02:02,320

um and i and i chose i i wanted to

46

00:02:08,309 --> 00:02:05,280

choose an interesting job right i didn't

47

00:02:11,190 --> 00:02:08,319

i didn't want to just do anything um

48

00:02:12,949 --> 00:02:11,200

that that you would typically think of

49

00:02:13,910 --> 00:02:12,959

as being

50

00:02:15,670 --> 00:02:13,920

um

51

00:02:17,830 --> 00:02:15,680

you know a naval

52

00:02:21,510 --> 00:02:17,840

seafaring job

53

00:02:22,790 --> 00:02:21,520

so i decided to go into cryptology

54

00:02:24,229 --> 00:02:22,800

and that's how i became a naval

55

00:02:26,790 --> 00:02:24,239

cryptologist

56

00:02:30,070 --> 00:02:26,800

so what does that entail exactly

57

00:02:32,710 --> 00:02:30,080

um well it entails quite a bit of school

58

00:02:34,949 --> 00:02:32,720

um to learn how to do your job it's it's

59

00:02:37,110 --> 00:02:34,959

very complex

60

00:02:39,430 --> 00:02:37,120

i work with a lot of

61

00:02:41,750 --> 00:02:39,440

complex equipment

62

00:02:43,589 --> 00:02:41,760

um

63

00:02:46,390 --> 00:02:43,599

you know and it's just uh it's a very

64

00:02:50,229 --> 00:02:46,400

highly technical job and it's uh it's a

65

00:02:52,470 --> 00:02:50,239

subset within intelligence um

66

00:02:55,910 --> 00:02:52,480

signals intelligence is what i what i

67

00:03:00,630 --> 00:02:56,790

so

68

00:03:03,030 --> 00:03:00,640

before you joined the military with

69

00:03:05,750 --> 00:03:03,040

regards to the ufo subject what was your

70

00:03:08,550 --> 00:03:05,760

level of interest if any at all

71

00:03:11,350 --> 00:03:08,560

um i had i had absolutely no interest in

72

00:03:13,670 --> 00:03:11,360

it whatsoever to be honest um

73

00:03:16,149 --> 00:03:13,680

you know i would see like ancient aliens

74

00:03:17,830 --> 00:03:16,159

come on tv and i kind of rolled my eyes

75

00:03:19,350 --> 00:03:17,840

and

76

00:03:21,830 --> 00:03:19,360

channel uh

77

00:03:24,550 --> 00:03:21,840

any time i saw someone bringing it up it

78

00:03:25,670 --> 00:03:24,560

was just like okay time to walk away now

79

00:03:27,910 --> 00:03:25,680

um

80

00:03:29,589 --> 00:03:27,920

i i have no interest in this whatsoever

81

00:03:32,390 --> 00:03:29,599

and i thought it was you know just the

82

00:03:33,830 --> 00:03:32,400

the realm of tinfoil hats and conspiracy

83

00:03:35,830 --> 00:03:33,840

theories i didn't think that there was

84

00:03:38,070 --> 00:03:35,840

anything to it

85

00:03:39,190 --> 00:03:38,080

um

86

00:03:41,990 --> 00:03:39,200

and and i

87

00:03:45,270 --> 00:03:42,000

didn't think it was at all interesting

88

00:03:48,229 --> 00:03:45,280

to be honest i i just

89  
00:03:50,309 --> 00:03:48,239  
me and ufos were not something that went

90  
00:03:52,470 --> 00:03:50,319  
together

91  
00:03:53,750 --> 00:03:52,480  
that's understandable and i've met a lot

92  
00:03:55,270 --> 00:03:53,760  
of people that are like that and then

93  
00:03:56,789 --> 00:03:55,280  
obviously since

94  
00:03:58,390 --> 00:03:56,799  
they've maybe had an experience or a

95  
00:04:00,630 --> 00:03:58,400  
sighting it's you know it's a paradigm

96  
00:04:02,309 --> 00:04:00,640  
change to them so oh yeah i can

97  
00:04:04,390 --> 00:04:02,319  
understand that

98  
00:04:06,869 --> 00:04:04,400  
so let's let's lead up to kind of what

99  
00:04:08,630 --> 00:04:06,879  
happened in 2015 um i mean everybody's

100  
00:04:10,789 --> 00:04:08,640  
familiar i think with the

101  
00:04:12,550 --> 00:04:10,799  
the gimbal and the the go fast videos

102  
00:04:14,949 --> 00:04:12,560  
but um am i writing saying that you were

103  
00:04:17,670 --> 00:04:14,959  
stationed at the time in off of oceana

104  
00:04:20,390 --> 00:04:17,680  
in that kind of training range

105  
00:04:22,150 --> 00:04:20,400  
yes uh yeah we were we were

106  
00:04:25,430 --> 00:04:22,160  
we were the ship was actually stationed

107  
00:04:27,830 --> 00:04:25,440  
at a norfolk virginia at the time um and

108  
00:04:29,270 --> 00:04:27,840  
so we were doing our work up cycle and

109  
00:04:32,230 --> 00:04:29,280  
that

110  
00:04:34,390 --> 00:04:32,240  
entailed kind of going down

111  
00:04:36,550 --> 00:04:34,400  
uh by florida

112  
00:04:38,710 --> 00:04:36,560  
like we often did because we were an

113  
00:04:40,950 --> 00:04:38,720

aircraft carrier i mean we our job was

114

00:04:44,230 --> 00:04:40,960

to capture planes

115

00:04:46,230 --> 00:04:44,240

um catch them and

116

00:04:48,230 --> 00:04:46,240

catch and release all day long that's

117

00:04:50,150 --> 00:04:48,240

what we would do pilots pilot

118

00:04:52,629 --> 00:04:50,160

proficiency training they would come and

119

00:04:54,550 --> 00:04:52,639

land on the deck um and and we would do

120

00:04:56,150 --> 00:04:54,560

that kind of thing all day long but this

121

00:04:57,830 --> 00:04:56,160

time we were doing our workups our

122

00:04:59,670 --> 00:04:57,840

workup cycle getting ready for

123

00:05:01,110 --> 00:04:59,680

deployment so

124

00:05:03,670 --> 00:05:01,120

you know they put you in these

125

00:05:07,510 --> 00:05:03,680

situations where they say okay you're

126  
00:05:09,189 --> 00:05:07,520  
off the coast of this or that you know

127  
00:05:10,870 --> 00:05:09,199  
hostile

128  
00:05:12,950 --> 00:05:10,880  
country

129  
00:05:15,189 --> 00:05:12,960  
and then they throw these scenarios at

130  
00:05:17,749 --> 00:05:15,199  
you to see how are you going to react

131  
00:05:20,469 --> 00:05:17,759  
and they'll test the entire ship right

132  
00:05:23,110 --> 00:05:20,479  
they'll uh will go into

133  
00:05:25,670 --> 00:05:23,120  
you know play acting scenarios of you

134  
00:05:28,150 --> 00:05:25,680  
know there's a missile inbound port side

135  
00:05:30,629 --> 00:05:28,160  
and it's just hit the side of the ship

136  
00:05:31,909 --> 00:05:30,639  
and all the way from the the skipper

137  
00:05:34,469 --> 00:05:31,919  
down to

138  
00:05:36,469 --> 00:05:34,479

the lowliest seaman on the ship you know

139

00:05:38,710 --> 00:05:36,479

how how are you going to react to that

140

00:05:40,150 --> 00:05:38,720

and how well are you going to do it in

141

00:05:43,670 --> 00:05:40,160

terms of

142

00:05:45,749 --> 00:05:43,680

flooding putting out fires um

143

00:05:47,189 --> 00:05:45,759

getting the word out that this has

144

00:05:49,270 --> 00:05:47,199

happened to you that you've been

145

00:05:50,950 --> 00:05:49,280

attacked um

146

00:05:52,710 --> 00:05:50,960

you know and it's just

147

00:05:55,350 --> 00:05:52,720

and and that's what we were doing out

148

00:05:56,710 --> 00:05:55,360

there um at the time

149

00:05:58,070 --> 00:05:56,720

and did you have a good relationship

150

00:06:00,150 --> 00:05:58,080

with a lot of different people on the

151  
00:06:02,150 --> 00:06:00,160  
ship you know whether it be the pilots

152  
00:06:03,830 --> 00:06:02,160  
and things like that was it was it like

153  
00:06:05,270 --> 00:06:03,840  
a group thing or was it was it quite

154  
00:06:07,830 --> 00:06:05,280  
separated

155  
00:06:09,990 --> 00:06:07,840  
um you know it was really it was quite

156  
00:06:12,469 --> 00:06:10,000  
separated for me

157  
00:06:14,790 --> 00:06:12,479  
uh in my particular job

158  
00:06:17,749 --> 00:06:14,800  
uh so we worked

159  
00:06:18,710 --> 00:06:17,759  
uh in a skiff on the ship

160  
00:06:19,670 --> 00:06:18,720  
um

161  
00:06:22,309 --> 00:06:19,680  
which

162  
00:06:23,830 --> 00:06:22,319  
everybody's heard a lot about this with

163  
00:06:26,629 --> 00:06:23,840

you know on the news with the trump

164

00:06:29,430 --> 00:06:26,639

documents and things like that but

165

00:06:32,390 --> 00:06:29,440

but a skiff is just where you

166

00:06:35,350 --> 00:06:32,400

keep sensitive compartmented classified

167

00:06:36,629 --> 00:06:35,360

information um and so that was where i

168

00:06:38,870 --> 00:06:36,639

worked

169

00:06:41,189 --> 00:06:38,880

and of course not everyone had access to

170

00:06:43,510 --> 00:06:41,199

this space there was you know an access

171

00:06:45,990 --> 00:06:43,520

list so it was very tightly controlled

172

00:06:48,070 --> 00:06:46,000

who was coming and going so i didn't

173

00:06:49,749 --> 00:06:48,080

i didn't really see a lot of people

174

00:06:51,670 --> 00:06:49,759

throughout the course of my day i just

175

00:06:54,309 --> 00:06:51,680

kind of stayed in there

176

00:06:56,550 --> 00:06:54,319

um but and i would communicate from

177

00:06:58,390 --> 00:06:56,560

there whatever i needed to communicate

178

00:07:01,189 --> 00:06:58,400

to people

179

00:07:02,870 --> 00:07:01,199

but the pilots i did see them

180

00:07:04,150 --> 00:07:02,880

coming and going from the flight deck

181

00:07:06,150 --> 00:07:04,160

all the time

182

00:07:08,469 --> 00:07:06,160

you know um

183

00:07:10,710 --> 00:07:08,479

my space just so happened to be by one

184

00:07:13,029 --> 00:07:10,720

of the ready rooms so

185

00:07:14,950 --> 00:07:13,039

i would see pilots coming and going all

186

00:07:17,670 --> 00:07:14,960

day long and i

187

00:07:19,189 --> 00:07:17,680

and in fact when when the two pilots

188

00:07:21,589 --> 00:07:19,199

that came forward on the show

189

00:07:23,110 --> 00:07:21,599

unidentified when they came forward i

190

00:07:26,950 --> 00:07:23,120

was watching that show and i was like oh

191

00:07:28,629 --> 00:07:26,960

yeah i recognize them i i remember them

192

00:07:30,790 --> 00:07:28,639

because i would see them in the hallways

193

00:07:33,830 --> 00:07:30,800

all the time you know

194

00:07:35,270 --> 00:07:33,840

coming and going from the ready rooms

195

00:07:36,629 --> 00:07:35,280

so how many squadrons did you have

196

00:07:39,029 --> 00:07:36,639

because obviously ryan graves from the

197

00:07:39,990 --> 00:07:39,039

red rippers um was there more than one

198

00:07:41,909 --> 00:07:40,000

sort of

199

00:07:44,950 --> 00:07:41,919

group on there um

200

00:07:47,830 --> 00:07:44,960

you know i i didn't even really get into

201

00:07:50,230 --> 00:07:47,840

it that much i don't i i don't really

202

00:07:52,710 --> 00:07:50,240

know uh how many squadrons we had we had

203

00:07:54,550 --> 00:07:52,720

like a hilo squadron we had the fighters

204

00:07:58,950 --> 00:07:54,560

obviously then

205

00:08:00,150 --> 00:07:58,960

uh a marine squadron um

206

00:08:01,830 --> 00:08:00,160

i don't know there might have been more

207

00:08:03,430 --> 00:08:01,840

that i might be leaving someone out i

208

00:08:05,430 --> 00:08:03,440

don't know

209

00:08:07,589 --> 00:08:05,440

that's fine no problem at all so let's

210

00:08:10,469 --> 00:08:07,599

bring it right up to the day um or

211

00:08:12,469 --> 00:08:10,479

around the time of of these

212

00:08:14,309 --> 00:08:12,479

interactions with these objects

213

00:08:15,909 --> 00:08:14,319

how did you first hear about it and what

214

00:08:17,909 --> 00:08:15,919

was the kind of general buzz uh

215

00:08:21,029 --> 00:08:17,919

surrounding it like

216

00:08:24,390 --> 00:08:21,039

um yeah i i was you know i was we were

217

00:08:26,790 --> 00:08:24,400

sitting in our space and uh we had just

218

00:08:29,830 --> 00:08:26,800

finished the up cycle so

219

00:08:31,670 --> 00:08:29,840

we had someone in our space a handful of

220

00:08:34,469 --> 00:08:31,680

people that had come on board to

221

00:08:36,709 --> 00:08:34,479

evaluate us specifically and how we

222

00:08:37,589 --> 00:08:36,719

reacted to things

223

00:08:39,670 --> 00:08:37,599

um

224

00:08:40,790 --> 00:08:39,680

and so we had just finished up that

225

00:08:43,509 --> 00:08:40,800

portion

226

00:08:47,590 --> 00:08:43,519

um to my knowledge the entire

227

00:08:48,550 --> 00:08:47,600

um com2x was was finished it was over

228

00:08:50,070 --> 00:08:48,560

um

229

00:08:52,310 --> 00:08:50,080

and there weren't to be any more

230

00:08:55,030 --> 00:08:52,320

exercises so we were just kind of

231

00:08:57,509 --> 00:08:55,040

waiting for our grade um and to be

232

00:09:00,550 --> 00:08:57,519

debriefed on as to how well we did

233

00:09:01,750 --> 00:09:00,560

um i knew we did well obviously i mean i

234

00:09:06,870 --> 00:09:01,760

was

235

00:09:09,430 --> 00:09:06,880

but uh

236

00:09:10,870 --> 00:09:09,440

so as we're sitting there waiting

237

00:09:13,990 --> 00:09:10,880

um

238

00:09:16,870 --> 00:09:14,000

one of my buddies comes in and he worked

239

00:09:19,190 --> 00:09:16,880

in um

240

00:09:20,790 --> 00:09:19,200

well he worked in civic

241

00:09:26,550 --> 00:09:20,800

which is

242

00:09:27,750 --> 00:09:26,560

he was an intelligence specialist and so

243

00:09:35,509 --> 00:09:27,760

he

244

00:09:37,190 --> 00:09:35,519

that on a daily basis

245

00:09:39,910 --> 00:09:37,200

um

246

00:09:41,829 --> 00:09:39,920

and so he comes in and he says hey

247

00:09:43,190 --> 00:09:41,839

you know check this out

248

00:09:45,990 --> 00:09:43,200

um

249

00:09:48,150 --> 00:09:46,000

and so he shows me where it is that the

250

00:09:49,670 --> 00:09:48,160

file is and i go onto my computer and i

251  
00:09:53,670 --> 00:09:49,680  
open it up

252  
00:09:56,310 --> 00:09:53,680  
and i take a look at it and um that was

253  
00:09:57,430 --> 00:09:56,320  
it was the gimbal footage

254  
00:09:59,910 --> 00:09:57,440  
um

255  
00:10:01,030 --> 00:09:59,920  
and the night before i know that we had

256  
00:10:02,470 --> 00:10:01,040  
launched

257  
00:10:04,710 --> 00:10:02,480  
uh

258  
00:10:06,790 --> 00:10:04,720  
launched some jets and i wasn't sure why

259  
00:10:07,990 --> 00:10:06,800  
i remember cli i was climbing into my

260  
00:10:10,630 --> 00:10:08,000  
rack and i heard that they were

261  
00:10:13,030 --> 00:10:10,640  
launching jets and i thought i thought

262  
00:10:14,710 --> 00:10:13,040  
i thought the the exercises were over

263  
00:10:18,710 --> 00:10:14,720

i'm not sure

264

00:10:21,110 --> 00:10:18,720

what's going on you know but uh

265

00:10:22,310 --> 00:10:21,120

so that that was what was going on

266

00:10:23,430 --> 00:10:22,320

apparently

267

00:10:26,389 --> 00:10:23,440

um

268

00:10:28,470 --> 00:10:26,399

and i of course i could not

269

00:10:29,670 --> 00:10:28,480

watch this footage enough it was there

270

00:10:31,829 --> 00:10:29,680

was there were

271

00:10:33,350 --> 00:10:31,839

some files there right and among them

272

00:10:36,389 --> 00:10:33,360

were the gimbal

273

00:10:39,269 --> 00:10:36,399

and the go fast footage uh

274

00:10:40,870 --> 00:10:39,279

and so i find i found myself just

275

00:10:43,030 --> 00:10:40,880

you know watching this footage over and

276

00:10:45,110 --> 00:10:43,040

over again because it was just to me

277

00:10:48,630 --> 00:10:45,120

kind of the most amazing thing i had

278

00:10:49,670 --> 00:10:48,640

ever seen in my life you know i've seen

279

00:10:52,310 --> 00:10:49,680

i've seen

280

00:10:56,230 --> 00:10:52,320

footage you know shot from gun cameras

281

00:10:58,710 --> 00:10:56,240

uh i was very familiar with that um

282

00:11:01,430 --> 00:10:58,720

and so when i saw this it just kind of

283

00:11:03,590 --> 00:11:01,440

didn't make any sense the way it was

284

00:11:05,750 --> 00:11:03,600

flying um

285

00:11:08,389 --> 00:11:05,760

and it didn't seem to have

286

00:11:11,590 --> 00:11:08,399

you know the regular kind of uh flight

287

00:11:13,190 --> 00:11:11,600

surfaces that you would see

288

00:11:15,910 --> 00:11:13,200

um

289

00:11:18,790 --> 00:11:15,920

and so uh i i think i kind of

290

00:11:21,350 --> 00:11:18,800

immediately knew what it was uh and it

291

00:11:23,110 --> 00:11:21,360

was kind of a it was a very big shock to

292

00:11:24,630 --> 00:11:23,120

me because

293

00:11:25,990 --> 00:11:24,640

because you know i had no interest in

294

00:11:28,470 --> 00:11:26,000

this whatsoever

295

00:11:31,509 --> 00:11:28,480

didn't think it was real uh didn't

296

00:11:34,710 --> 00:11:31,519

really care and then here it is

297

00:11:36,230 --> 00:11:34,720

smacking me in the face you know yeah

298

00:11:37,750 --> 00:11:36,240

um

299

00:11:39,829 --> 00:11:37,760

and so that was

300

00:11:43,430 --> 00:11:39,839

that was a very eye-opening

301  
00:11:45,190 --> 00:11:43,440  
moment for me yeah i can imagine there's

302  
00:11:47,269 --> 00:11:45,200  
a lot of been a lot of talk recently

303  
00:11:49,350 --> 00:11:47,279  
about the actual length of the original

304  
00:11:51,269 --> 00:11:49,360  
footage captured of the gimbal in

305  
00:11:52,629 --> 00:11:51,279  
particular with people saying that there

306  
00:11:55,110 --> 00:11:52,639  
are still another four minutes of

307  
00:11:57,030 --> 00:11:55,120  
footage that is not out in the public

308  
00:11:59,670 --> 00:11:57,040  
did you see a longer version than what

309  
00:12:01,829 --> 00:11:59,680  
is currently out there i did not no i

310  
00:12:05,350 --> 00:12:01,839  
did not see a longer version i the clip

311  
00:12:07,990 --> 00:12:05,360  
i saw was the the exact same clip exact

312  
00:12:10,470 --> 00:12:08,000  
same length um so it had been cut down

313  
00:12:11,829 --> 00:12:10,480

to that by the time i saw it

314

00:12:14,230 --> 00:12:11,839

um

315

00:12:16,389 --> 00:12:14,240

so so i i wasn't aware of any

316

00:12:18,790 --> 00:12:16,399

longer version but i'm

317

00:12:21,590 --> 00:12:18,800

you know i'm sure that there not only

318

00:12:24,550 --> 00:12:21,600

are longer versions but other

319

00:12:26,790 --> 00:12:24,560

other videos as well i'm i'm sure of it

320

00:12:30,150 --> 00:12:26,800

i mean i cuz i i knew that

321

00:12:31,190 --> 00:12:30,160

i i had heard that the pilots were

322

00:12:34,790 --> 00:12:31,200

sharing

323

00:12:37,190 --> 00:12:34,800

videos kind of amongst themselves uh of

324

00:12:40,150 --> 00:12:37,200

of what was happening so

325

00:12:41,269 --> 00:12:40,160

there's more i'm i'm sure of that

326

00:12:43,110 --> 00:12:41,279

yeah

327

00:12:45,350 --> 00:12:43,120

excellent because i think with the the

328

00:12:47,110 --> 00:12:45,360

way the pilots are describing the object

329

00:12:49,030 --> 00:12:47,120

and they're looking at the situational

330

00:12:52,069 --> 00:12:49,040

awareness screed saying there's

331

00:12:53,670 --> 00:12:52,079

obviously there's a fleet of them

332

00:12:55,829 --> 00:12:53,680

yeah i can just imagine that if that

333

00:12:57,590 --> 00:12:55,839

footage was was made available that it

334

00:12:59,190 --> 00:12:57,600

would definitely change the conversation

335

00:13:01,670 --> 00:12:59,200

and even further

336

00:13:02,949 --> 00:13:01,680

so uh yeah that would be amazing um just

337

00:13:04,710 --> 00:13:02,959

want to highlight this question here

338

00:13:06,870 --> 00:13:04,720

from your name she says how clear was

339

00:13:09,670 --> 00:13:06,880

the footage that you saw is it the same

340

00:13:11,350 --> 00:13:09,680

version that was made public yes yes it

341

00:13:15,190 --> 00:13:11,360

was

342

00:13:16,629 --> 00:13:15,200

conversation isn't there about the

343

00:13:19,350 --> 00:13:16,639

possibility of it just being another

344

00:13:20,870 --> 00:13:19,360

f-18 shot from a certain angle where

345

00:13:22,550 --> 00:13:20,880

you don't see the kind of thermal heat

346

00:13:24,949 --> 00:13:22,560

coming off of it so what do you say to

347

00:13:27,269 --> 00:13:24,959

things like that i i tell them that

348

00:13:29,509 --> 00:13:27,279

that's an impossibility i mean the

349

00:13:32,310 --> 00:13:29,519

pilot's essay is going to tell them if

350

00:13:34,470 --> 00:13:32,320

that's uh if that's a you know friendly

351  
00:13:36,150 --> 00:13:34,480  
f-18 or not

352  
00:13:39,430 --> 00:13:36,160  
um

353  
00:13:41,670 --> 00:13:39,440  
and and you know it's just

354  
00:13:45,189 --> 00:13:41,680  
i when i hear people say that

355  
00:13:47,590 --> 00:13:45,199  
it just bothers me to no end because

356  
00:13:49,509 --> 00:13:47,600  
it it implies that

357  
00:13:52,069 --> 00:13:49,519  
we don't know what we're doing in the

358  
00:13:54,710 --> 00:13:52,079  
navy right and which of course is

359  
00:13:57,269 --> 00:13:54,720  
ridiculous we know exactly what's going

360  
00:13:59,269 --> 00:13:57,279  
on around the ship right and so if we

361  
00:14:01,189 --> 00:13:59,279  
have an unknown

362  
00:14:03,670 --> 00:14:01,199  
something like that escalates very

363  
00:14:06,150 --> 00:14:03,680

quickly right we don't we're not just

364

00:14:07,750 --> 00:14:06,160

like oh unknown flying around the ship

365

00:14:09,269 --> 00:14:07,760

turn out the lights if you're the last

366

00:14:11,670 --> 00:14:09,279

one in the room and let's all hit the

367

00:14:13,509 --> 00:14:11,680

sack you know i mean that's not the way

368

00:14:17,189 --> 00:14:13,519

that happens this is this is a

369

00:14:17,990 --> 00:14:17,199

multi-billion dollar aircraft uh or we

370

00:14:19,990 --> 00:14:18,000

have

371

00:14:21,590 --> 00:14:20,000

billions of dollars for the aircraft on

372

00:14:23,670 --> 00:14:21,600

board not to mention

373

00:14:25,350 --> 00:14:23,680

the ship itself i mean that's a lot of

374

00:14:27,750 --> 00:14:25,360

money um

375

00:14:29,350 --> 00:14:27,760

riding on that and not to mention human

376

00:14:32,150 --> 00:14:29,360

life so

377

00:14:33,829 --> 00:14:32,160

it just it's it's absolutely ridiculous

378

00:14:36,470 --> 00:14:33,839

to me when people say

379

00:14:38,870 --> 00:14:36,480

or imply that that we

380

00:14:40,710 --> 00:14:38,880

somehow wouldn't know what that is right

381

00:14:42,629 --> 00:14:40,720

i mean that's why the pilots went up

382

00:14:44,629 --> 00:14:42,639

there to take a look to begin with

383

00:14:46,150 --> 00:14:44,639

because we didn't know what it was

384

00:14:47,509 --> 00:14:46,160

so that that's what they were doing out

385

00:14:49,910 --> 00:14:47,519

there

386

00:14:51,430 --> 00:14:49,920

and so it's just uh it's just ridiculous

387

00:14:53,430 --> 00:14:51,440

these people like

388

00:14:54,629 --> 00:14:53,440

mick west that imply

389

00:14:56,710 --> 00:14:54,639

otherwise

390

00:14:58,550 --> 00:14:56,720

you know it's just the dumbest thing

391

00:14:59,990 --> 00:14:58,560

i've ever heard

392

00:15:01,509 --> 00:15:00,000

so you know you say that the pilots were

393

00:15:02,710 --> 00:15:01,519

sent out there specifically to look for

394

00:15:05,910 --> 00:15:02,720

these things does that mean there would

395

00:15:07,990 --> 00:15:05,920

be other data so like radar oh yeah

396

00:15:10,150 --> 00:15:08,000

which yeah for sure been made public

397

00:15:11,509 --> 00:15:10,160

either so you know

398

00:15:12,870 --> 00:15:11,519

if we did have all this data it

399

00:15:14,949 --> 00:15:12,880

certainly would paint a better picture

400

00:15:16,150 --> 00:15:14,959

for everybody to kind of really get to

401

00:15:18,069 --> 00:15:16,160

know what it

402

00:15:21,430 --> 00:15:18,079

potentially could be certainly what it

403

00:15:23,269 --> 00:15:21,440

wasn't you know right exactly yeah yeah

404

00:15:25,189 --> 00:15:23,279

and the pilots going up there they would

405

00:15:26,550 --> 00:15:25,199

have seen that this is a jet

406

00:15:30,230 --> 00:15:26,560

right this is

407

00:15:32,470 --> 00:15:30,240

a a jet within their uh their scopes

408

00:15:34,870 --> 00:15:32,480

that they're looking at right

409

00:15:36,710 --> 00:15:34,880

they've seen that a million times by

410

00:15:37,829 --> 00:15:36,720

this point they're not going to be

411

00:15:40,470 --> 00:15:37,839

fooled

412

00:15:41,350 --> 00:15:40,480

into thinking a jet is is something it's

413

00:15:43,430 --> 00:15:41,360

not

414

00:15:44,629 --> 00:15:43,440

at this point they're very well trained

415

00:15:45,509 --> 00:15:44,639

in that way

416

00:15:47,110 --> 00:15:45,519

so

417

00:15:49,110 --> 00:15:47,120

you know having accumulated as many

418

00:15:50,710 --> 00:15:49,120

flight hours as you would have to have

419

00:15:51,590 --> 00:15:50,720

in order to

420

00:15:56,310 --> 00:15:51,600

be

421

00:15:58,310 --> 00:15:56,320

also taking off and landing on a carrier

422

00:16:00,790 --> 00:15:58,320

which is not easy

423

00:16:04,389 --> 00:16:02,150

you know you you

424

00:16:08,069 --> 00:16:04,399

you pretty much know what things are

425

00:16:09,829 --> 00:16:08,079

um when you see them

426

00:16:11,350 --> 00:16:09,839

absolutely and

427

00:16:12,870 --> 00:16:11,360

i just wanted to quickly touch upon the

428

00:16:14,790 --> 00:16:12,880

go fast video as well because if i'm

429

00:16:16,069 --> 00:16:14,800

right and saying that was shot the same

430

00:16:18,550 --> 00:16:16,079

day

431

00:16:20,870 --> 00:16:18,560

uh wasn't it uh it

432

00:16:23,189 --> 00:16:20,880

you know it may have been i'm i'm not

433

00:16:25,030 --> 00:16:23,199

exactly sure it may have been different

434

00:16:27,269 --> 00:16:25,040

days i don't know so this this whole

435

00:16:29,430 --> 00:16:27,279

event right uh

436

00:16:32,470 --> 00:16:29,440

went on for several days this wasn't

437

00:16:34,550 --> 00:16:32,480

just a one-day event um

438

00:16:36,710 --> 00:16:34,560

and so that's that's another reason why

439

00:16:38,550 --> 00:16:36,720

i have a problem with some of these

440

00:16:40,870 --> 00:16:38,560

explanations like people want to say

441

00:16:42,870 --> 00:16:40,880

it's drones or

442

00:16:44,150 --> 00:16:42,880

or whatever and i don't

443

00:16:45,269 --> 00:16:44,160

i don't know how you would have that

444

00:16:48,470 --> 00:16:45,279

kind of

445

00:16:52,389 --> 00:16:48,480

battery life or fuel on board that for

446

00:16:53,910 --> 00:16:52,399

several days you're doing this um

447

00:16:54,949 --> 00:16:53,920

and people say oh it could have come

448

00:16:57,509 --> 00:16:54,959

from

449

00:16:59,670 --> 00:16:57,519

you know a cargo ship nearby or whatever

450

00:17:01,829 --> 00:16:59,680

but

451

00:17:05,029 --> 00:17:01,839

i again i just

452

00:17:06,710 --> 00:17:05,039

it just really bothers me that people

453

00:17:08,390 --> 00:17:06,720

think that we have no idea what's going

454

00:17:10,470 --> 00:17:08,400

on it makes it sound like we couldn't

455

00:17:11,429 --> 00:17:10,480

find our way out of a paper bag we can

456

00:17:13,829 --> 00:17:11,439

put a

457

00:17:15,510 --> 00:17:13,839

a missile on a pinpoint

458

00:17:18,309 --> 00:17:15,520

um out there

459

00:17:19,909 --> 00:17:18,319

somewhere on land but but if we had to

460

00:17:22,470 --> 00:17:19,919

find our way out of a paper bag we

461

00:17:25,270 --> 00:17:22,480

couldn't do it yeah you know it's just

462

00:17:27,429 --> 00:17:25,280

it's a ridiculous thought it really is

463

00:17:29,909 --> 00:17:27,439

and so if it of course we would have

464

00:17:32,150 --> 00:17:29,919

known what ships were around us we would

465

00:17:34,390 --> 00:17:32,160

have had a very good situational

466

00:17:35,909 --> 00:17:34,400

awareness of what was going on

467

00:17:37,430 --> 00:17:35,919

so i there would have been no way that

468

00:17:40,710 --> 00:17:37,440

drones could

469

00:17:42,549 --> 00:17:40,720

uh somehow creep up on us like that it's

470

00:17:44,070 --> 00:17:42,559

just um

471

00:17:46,230 --> 00:17:44,080

it's it's not

472

00:17:48,310 --> 00:17:46,240

very believable

473

00:17:50,230 --> 00:17:48,320

absolutely i've got a question here from

474

00:17:52,070 --> 00:17:50,240

george he asks if did the pilot get a

475

00:17:54,470 --> 00:17:52,080

response from the uap

476

00:17:55,909 --> 00:17:54,480

um a friend or foe if so what was the

477

00:17:59,350 --> 00:17:55,919

response

478

00:18:03,110 --> 00:17:59,360

uh you know i i don't i don't know i

479

00:18:05,270 --> 00:18:03,120

mean i mean i i heard i had heard um

480

00:18:07,750 --> 00:18:05,280

recently this wasn't something i knew at

481

00:18:10,070 --> 00:18:07,760

the time but that uh something that i

482

00:18:12,390 --> 00:18:10,080

heard was that there were

483

00:18:14,710 --> 00:18:12,400

that it was identified as friendly i

484

00:18:16,710 --> 00:18:14,720

don't know if that's true or not

485

00:18:18,549 --> 00:18:16,720

um

486

00:18:19,909 --> 00:18:18,559

i don't know interesting definitely

487

00:18:21,190 --> 00:18:19,919

interesting

488

00:18:22,310 --> 00:18:21,200

so

489

00:18:24,310 --> 00:18:22,320

you mentioned that you were at the end

490

00:18:26,630 --> 00:18:24,320

of the workup so i assumed like not long

491

00:18:29,350 --> 00:18:26,640

after this event happened that you then

492

00:18:31,350 --> 00:18:29,360

went on deployment if if i'm right so

493

00:18:33,029 --> 00:18:31,360

did the buzz continue once you kind of

494

00:18:34,390 --> 00:18:33,039

left the training areas and went

495

00:18:36,870 --> 00:18:34,400

overseas

496

00:18:39,190 --> 00:18:36,880

oh you know i it it really

497

00:18:41,190 --> 00:18:39,200

i i don't know so the the thing about it

498

00:18:43,669 --> 00:18:41,200

too is that the ship was not a buzz with

499

00:18:46,230 --> 00:18:43,679

this right most people most people on

500

00:18:47,190 --> 00:18:46,240

the ship had no idea what was happening

501  
00:18:51,350 --> 00:18:47,200  
um

502  
00:18:53,270 --> 00:18:51,360  
this was limited to just people kind of

503  
00:18:55,190 --> 00:18:53,280  
in the know or

504  
00:18:57,430 --> 00:18:55,200  
within intelligence or that had

505  
00:18:59,270 --> 00:18:57,440  
clearances this wasn't

506  
00:19:01,430 --> 00:18:59,280  
uh the whole ship

507  
00:19:03,510 --> 00:19:01,440  
knowing about this but

508  
00:19:05,830 --> 00:19:03,520  
but i i you know i would say that for

509  
00:19:08,230 --> 00:19:05,840  
the most part uh the ship was kind of a

510  
00:19:10,789 --> 00:19:08,240  
buzz with it at the time in terms of the

511  
00:19:11,830 --> 00:19:10,799  
people that i was coming in contact with

512  
00:19:14,310 --> 00:19:11,840  
um

513  
00:19:16,710 --> 00:19:14,320

you know i at one point i was going into

514

00:19:18,310 --> 00:19:16,720

a briefing and i heard a couple of the

515

00:19:20,230 --> 00:19:18,320

pilots

516

00:19:22,789 --> 00:19:20,240

standing on a doorway to the room where

517

00:19:25,350 --> 00:19:22,799

this briefing was happening inside civic

518

00:19:26,789 --> 00:19:25,360

and i they were saying

519

00:19:29,110 --> 00:19:26,799

they were talking about it right they

520

00:19:31,110 --> 00:19:29,120

were like oh have you seen the ufos you

521

00:19:33,510 --> 00:19:31,120

know the the videos

522

00:19:36,130 --> 00:19:33,520

and so they were kind of discussing that

523

00:19:37,750 --> 00:19:36,140

so so people were talking about it um

524

00:19:40,470 --> 00:19:37,760

[Music]

525

00:19:42,870 --> 00:19:40,480

i kind of didn't really feel a need to

526

00:19:44,310 --> 00:19:42,880

talk about it um and and then it just

527

00:19:45,830 --> 00:19:44,320

kind of went away when we went on

528

00:19:46,630 --> 00:19:45,840

deployment

529

00:19:49,510 --> 00:19:46,640

but

530

00:19:52,710 --> 00:19:49,520

you know i that same buddy of mine

531

00:19:55,270 --> 00:19:52,720

um i was walking past him one day

532

00:19:58,310 --> 00:19:55,280

um actually headed to civic and he was

533

00:20:00,470 --> 00:19:58,320

headed the opposite direction

534

00:20:02,710 --> 00:20:00,480

and uh

535

00:20:04,710 --> 00:20:02,720

you know he

536

00:20:07,270 --> 00:20:04,720

i and i hate to say this but he did that

537

00:20:08,549 --> 00:20:07,280

you know creepy little girl voice from

538

00:20:11,350 --> 00:20:08,559

um

539

00:20:12,230 --> 00:20:11,360  
poltergeist he said they're back

540

00:20:13,029 --> 00:20:12,240  
you know

541

00:20:16,230 --> 00:20:13,039  
and

542

00:20:18,549 --> 00:20:16,240  
hurry like i had

543

00:20:20,870 --> 00:20:18,559  
a ton to do on deployment i didn't have

544

00:20:22,470 --> 00:20:20,880  
time to just even stop and think about

545

00:20:25,190 --> 00:20:22,480  
this too much

546

00:20:28,149 --> 00:20:25,200  
and as i'm passing him i'm kind of like

547

00:20:29,909 --> 00:20:28,159  
what you know are you serious and he's

548

00:20:31,830 --> 00:20:29,919  
like yeah

549

00:20:33,830 --> 00:20:31,840  
and i was like no way and then i was

550

00:20:35,590 --> 00:20:33,840  
just kind of on my way this is in

551  
00:20:36,870 --> 00:20:35,600  
passing

552  
00:20:38,789 --> 00:20:36,880  
um

553  
00:20:40,789 --> 00:20:38,799  
and so they did they came back when we

554  
00:20:43,190 --> 00:20:40,799  
were on station

555  
00:20:45,350 --> 00:20:43,200  
wow so was that described as a similar

556  
00:20:46,950 --> 00:20:45,360  
object to the gimbal

557  
00:20:50,149 --> 00:20:46,960  
uh you know i never heard any

558  
00:20:52,390 --> 00:20:50,159  
description of it at that time um

559  
00:20:53,669 --> 00:20:52,400  
like i said i i was busy with my stuff i

560  
00:20:57,830 --> 00:20:53,679  
was working

561  
00:20:59,669 --> 00:20:57,840  
maybe 15 20 hours a day so uh yeah

562  
00:21:02,630 --> 00:20:59,679  
i i did we're in an active war zone i

563  
00:21:04,070 --> 00:21:02,640

suppose right yeah exactly i had other

564

00:21:05,510 --> 00:21:04,080

things to do

565

00:21:08,070 --> 00:21:05,520

um

566

00:21:10,310 --> 00:21:08,080

yeah that's understandable completely so

567

00:21:13,029 --> 00:21:10,320

let's fast forward a couple of years to

568

00:21:14,710 --> 00:21:13,039

you know the release of the videos from

569

00:21:17,029 --> 00:21:14,720

to the stars academy

570

00:21:19,190 --> 00:21:17,039

do you remember how where you were or

571

00:21:20,630 --> 00:21:19,200

when you first saw it on the tv or in

572

00:21:21,750 --> 00:21:20,640

the papers or anything and how it made

573

00:21:24,070 --> 00:21:21,760

you feel

574

00:21:25,909 --> 00:21:24,080

yeah i uh

575

00:21:28,149 --> 00:21:25,919

you know i was

576

00:21:30,230 --> 00:21:28,159

it was another kind of

577

00:21:33,669 --> 00:21:30,240

i feel like this the release of it to

578

00:21:35,990 --> 00:21:33,679

the new york times and seeing it

579

00:21:39,110 --> 00:21:36,000

kind of on my phone

580

00:21:40,230 --> 00:21:39,120

was a bigger shock to me than the event

581

00:21:42,630 --> 00:21:40,240

itself

582

00:21:45,029 --> 00:21:42,640

if that makes any sense because yeah

583

00:21:47,350 --> 00:21:45,039

because i wasn't busy at the time right

584

00:21:49,190 --> 00:21:47,360

at the time i had transferred to

585

00:21:51,909 --> 00:21:49,200

washington dc i was working at the

586

00:21:53,909 --> 00:21:51,919

office of naval intelligence and

587

00:21:55,270 --> 00:21:53,919

you know my brother texts me one day and

588

00:21:57,909 --> 00:21:55,280

says hey there's

589

00:22:02,390 --> 00:21:57,919

this article in new york times about

590

00:22:04,470 --> 00:22:02,400

ufos and the government's ufo program

591

00:22:06,630 --> 00:22:04,480

and he said there's footage

592

00:22:08,070 --> 00:22:06,640

and i said oh you know i'll check it out

593

00:22:10,070 --> 00:22:08,080

i really

594

00:22:12,710 --> 00:22:10,080

to me this was not a conversation i

595

00:22:15,190 --> 00:22:12,720

wanted to have with him because my job

596

00:22:16,470 --> 00:22:15,200

was not something that i discussed at

597

00:22:19,350 --> 00:22:16,480

all

598

00:22:21,350 --> 00:22:19,360

i wasn't at liberty to discuss it

599

00:22:23,510 --> 00:22:21,360

so i i couldn't really talk about things

600

00:22:27,350 --> 00:22:23,520

that i had seen

601  
00:22:31,750 --> 00:22:27,360  
behind closed doors but so i watched the

602  
00:22:34,789 --> 00:22:31,760  
footage and i just kind of uh

603  
00:22:36,470 --> 00:22:34,799  
you know it was a big shock to see

604  
00:22:39,029 --> 00:22:36,480  
this footage that i first saw on this

605  
00:22:40,390 --> 00:22:39,039  
gif um now i'm watching it on my phone

606  
00:22:42,310 --> 00:22:40,400  
that was

607  
00:22:43,590 --> 00:22:42,320  
something that never

608  
00:22:46,230 --> 00:22:43,600  
happens

609  
00:22:48,470 --> 00:22:46,240  
i so i it was

610  
00:22:51,909 --> 00:22:48,480  
you know to see it it's like this is

611  
00:22:54,310 --> 00:22:51,919  
classified why is this out in the public

612  
00:22:55,430 --> 00:22:54,320  
you know and i was just very uneasy

613  
00:22:58,149 --> 00:22:55,440

about that

614

00:23:00,310 --> 00:22:58,159

just kind of very immediately uneasy

615

00:23:02,149 --> 00:23:00,320

about that because you

616

00:23:04,310 --> 00:23:02,159

when you deal with classified material

617

00:23:07,029 --> 00:23:04,320

and classified information it's just

618

00:23:08,390 --> 00:23:07,039

drilled into you that there's a place

619

00:23:10,789 --> 00:23:08,400

and a time for that

620

00:23:11,400 --> 00:23:10,799

and watching it on your cell phone is

621

00:23:13,029 --> 00:23:11,410

not

622

00:23:14,630 --> 00:23:13,039

[Laughter]

623

00:23:17,590 --> 00:23:14,640

is not something that should be

624

00:23:20,789 --> 00:23:17,600

happening right um

625

00:23:23,669 --> 00:23:20,799

so you know i was just very shocked

626

00:23:25,590 --> 00:23:23,679

um by all of that and then that that

627

00:23:27,110 --> 00:23:25,600

kind of made me want to dig into the

628

00:23:29,510 --> 00:23:27,120

topic

629

00:23:31,909 --> 00:23:29,520

a little bit more because it mentioned

630

00:23:33,990 --> 00:23:31,919

specific people and organizations and i

631

00:23:36,710 --> 00:23:34,000

and i knew being an intelligence analyst

632

00:23:39,510 --> 00:23:36,720

i thought well i'm going to drill down

633

00:23:40,870 --> 00:23:39,520

on those sources and see what i can find

634

00:23:42,710 --> 00:23:40,880

for myself

635

00:23:44,390 --> 00:23:42,720

yeah

636

00:23:45,990 --> 00:23:44,400

so where did that lead you

637

00:23:50,950 --> 00:23:46,000

where did you start if you don't know me

638

00:23:54,310 --> 00:23:50,960

asking yeah so i i i read some valet um

639

00:23:55,830 --> 00:23:54,320

and uh i read uh you know some of tom

640

00:23:58,710 --> 00:23:55,840

delong's books

641

00:24:00,630 --> 00:23:58,720

um because he was you know with tsa and

642

00:24:02,710 --> 00:24:00,640

mentioned in the article

643

00:24:04,870 --> 00:24:02,720

yeah um

644

00:24:07,669 --> 00:24:04,880

and i couldn't you know

645

00:24:09,510 --> 00:24:07,679

i i of course i knew that these people

646

00:24:11,990 --> 00:24:09,520

were credible people

647

00:24:13,909 --> 00:24:12,000

um you know chris mellon assistant

648

00:24:15,830 --> 00:24:13,919

secretary of defense for intelligence i

649

00:24:18,230 --> 00:24:15,840

mean these people aren't just

650

00:24:20,149 --> 00:24:18,240

just anybody coming out and saying this

651  
00:24:22,470 --> 00:24:20,159  
you know so i knew that there was some

652  
00:24:24,870 --> 00:24:22,480  
weight behind this

653  
00:24:26,230 --> 00:24:24,880  
uh so i just started reading books you

654  
00:24:28,950 --> 00:24:26,240  
know uh

655  
00:24:30,789 --> 00:24:28,960  
first tom de long stuff then tom delong

656  
00:24:34,789 --> 00:24:30,799  
had written the forward

657  
00:24:37,190 --> 00:24:34,799  
of tom delong's books so i

658  
00:24:41,590 --> 00:24:37,200  
that's what got me into valet

659  
00:24:44,830 --> 00:24:41,600  
one thing kind of led to another and um

660  
00:24:46,710 --> 00:24:44,840  
man it was a crazy ride

661  
00:24:48,470 --> 00:24:46,720  
absolutely and i suppose the one thing

662  
00:24:50,789 --> 00:24:48,480  
is as if all of what we've discussed so

663  
00:24:52,390 --> 00:24:50,799

far wasn't you know

664

00:24:53,750 --> 00:24:52,400

exciting enough

665

00:24:55,269 --> 00:24:53,760

right

666

00:24:57,990 --> 00:24:55,279

let's move on to

667

00:25:01,269 --> 00:24:58,000

what happened to you after all that and

668

00:25:02,870 --> 00:25:01,279

and boy a lot happened so yeah i mean

669

00:25:04,310 --> 00:25:02,880

i'll leave it up to you where to start

670

00:25:06,710 --> 00:25:04,320

but what

671

00:25:08,470 --> 00:25:06,720

what was the first thing afterwards or

672

00:25:11,269 --> 00:25:08,480

that came to light about

673

00:25:12,310 --> 00:25:11,279

you actually experiencing something for

674

00:25:14,950 --> 00:25:12,320

yourself

675

00:25:17,830 --> 00:25:14,960

um yeah so i

676  
00:25:18,630 --> 00:25:17,840  
you know i i became an experimenter after

677  
00:25:25,830 --> 00:25:18,640  
that

678  
00:25:28,470 --> 00:25:25,840  
uh and i you know i i went through this

679  
00:25:31,350 --> 00:25:28,480  
this experience where i

680  
00:25:33,510 --> 00:25:31,360  
the first thing that happened um was you

681  
00:25:36,070 --> 00:25:33,520  
know when i started digging into this i

682  
00:25:37,110 --> 00:25:36,080  
started to feel very uneasy about things

683  
00:25:38,070 --> 00:25:37,120  
because

684  
00:26:14,470 --> 00:25:38,080  
i

685  
00:26:16,149 --> 00:26:14,480  
um

686  
00:26:19,590 --> 00:26:16,159  
which just

687  
00:26:21,430 --> 00:26:19,600  
uh was was also another life-altering

688  
00:26:24,470 --> 00:26:21,440

experience was that

689

00:26:25,990 --> 00:26:24,480

i had this day of coincidences

690

00:26:29,110 --> 00:26:26,000

people sometimes call them

691

00:26:33,269 --> 00:26:29,120

synchronicities but they were

692

00:26:35,110 --> 00:26:33,279

they were coincidences that were so

693

00:26:36,950 --> 00:26:35,120

um

694

00:26:38,390 --> 00:26:36,960

so far out there

695

00:26:40,630 --> 00:26:38,400

that

696

00:26:43,669 --> 00:26:40,640

they were terrifying when you put them

697

00:26:45,110 --> 00:26:43,679

all together um

698

00:26:47,510 --> 00:26:45,120

and uh

699

00:26:51,830 --> 00:26:47,520

it led me to reading this book

700

00:26:52,710 --> 00:26:51,840

um called the cavalien by the three

701  
00:26:54,710 --> 00:26:52,720  
um

702  
00:26:56,789 --> 00:26:54,720  
and that was that was the first book i

703  
00:26:58,630 --> 00:26:56,799  
read because i knew that that had

704  
00:27:01,190 --> 00:26:58,640  
something to do with this

705  
00:27:03,669 --> 00:27:01,200  
after after this day of impossible

706  
00:27:05,990 --> 00:27:03,679  
coincidences that just

707  
00:27:08,710 --> 00:27:06,000  
scared the bejesus out of me right

708  
00:27:12,230 --> 00:27:08,720  
because it was so purposeful too it was

709  
00:27:14,230 --> 00:27:12,240  
it was coincidences in such a way that

710  
00:27:17,669 --> 00:27:14,240  
something wanted me to know that these

711  
00:27:21,110 --> 00:27:17,679  
coincidences were constructed this way

712  
00:27:22,310 --> 00:27:21,120  
right and that is terrifying um to think

713  
00:27:24,149 --> 00:27:22,320

of

714

00:27:26,549 --> 00:27:24,159

um

715

00:27:28,870 --> 00:27:26,559

and so uh you know i read this book the

716

00:27:32,190 --> 00:27:28,880

caballian by the three initiates and it

717

00:27:35,110 --> 00:27:32,200

was written in i think

718

00:27:37,190 --> 00:27:35,120

1909 or eight or something by a guy

719

00:27:39,510 --> 00:27:37,200

named william walker atkinson and it

720

00:27:41,830 --> 00:27:39,520

just describes these seven seven

721

00:27:43,590 --> 00:27:41,840

universal principles that govern the

722

00:27:45,669 --> 00:27:43,600

universe

723

00:27:47,029 --> 00:27:45,679

and then of course uh everything that

724

00:27:49,830 --> 00:27:47,039

followed that

725

00:27:51,590 --> 00:27:49,840

um you know beings in my room at night

726  
00:27:54,549 --> 00:27:51,600  
whatever

727  
00:27:56,149 --> 00:27:54,559  
other experiences i had they all kind of

728  
00:27:57,750 --> 00:27:56,159  
fit in

729  
00:28:00,070 --> 00:27:57,760  
with that book

730  
00:28:04,789 --> 00:28:01,990  
and and that book is certainly not

731  
00:28:06,630 --> 00:28:04,799  
something i would have read otherwise uh

732  
00:28:08,549 --> 00:28:06,640  
you know he was he was a

733  
00:28:09,669 --> 00:28:08,559  
rather famous occult

734  
00:28:11,510 --> 00:28:09,679  
writer

735  
00:28:13,510 --> 00:28:11,520  
um

736  
00:28:14,950 --> 00:28:13,520  
wow i mean you mentioned that beings in

737  
00:28:16,470 --> 00:28:14,960  
your room can you are you able to kind

738  
00:28:18,149 --> 00:28:16,480

of expand on that a bit and describe

739

00:28:20,149 --> 00:28:18,159

kind of what happened and you know what

740

00:28:22,310 --> 00:28:20,159

they looked like and whether any kind of

741

00:28:23,750 --> 00:28:22,320

messages were relayed or things like

742

00:28:25,990 --> 00:28:23,760

that

743

00:28:27,590 --> 00:28:26,000

uh yeah so i mean i saw several

744

00:28:29,190 --> 00:28:27,600

different types

745

00:28:32,070 --> 00:28:29,200

um throughout

746

00:28:34,389 --> 00:28:32,080

these experiences the the first one

747

00:28:36,950 --> 00:28:34,399

was um

748

00:28:39,190 --> 00:28:36,960

and i i was not a religious person at

749

00:28:40,950 --> 00:28:39,200

the time i i never

750

00:28:42,389 --> 00:28:40,960

have believed in that i've never been a

751  
00:28:44,950 --> 00:28:42,399  
church goer i wasn't raised in a

752  
00:28:47,669 --> 00:28:44,960  
household where anybody believed any of

753  
00:28:50,389 --> 00:28:47,679  
that so i was

754  
00:28:52,710 --> 00:28:50,399  
i was very much science

755  
00:28:56,310 --> 00:28:52,720  
based and grounded my parents were both

756  
00:28:58,870 --> 00:28:56,320  
college graduates uh with with stem

757  
00:29:00,149 --> 00:28:58,880  
backgrounds so

758  
00:29:01,330 --> 00:29:00,159  
uh

759  
00:29:02,470 --> 00:29:01,340  
to think of some

760  
00:29:05,430 --> 00:29:02,480  
[Music]

761  
00:29:09,909 --> 00:29:05,440  
white bearded man in the sky was just

762  
00:29:11,750 --> 00:29:09,919  
total fantasy to me and uh and not even

763  
00:29:13,430 --> 00:29:11,760

in the realm of anything that i believed

764

00:29:17,190 --> 00:29:13,440

but

765

00:29:18,870 --> 00:29:17,200

so uh the first experience i had was i

766

00:29:22,070 --> 00:29:18,880

was in my room

767

00:29:24,070 --> 00:29:22,080

after having read the caballon i was

768

00:29:25,990 --> 00:29:24,080

asleep one night and i felt something

769

00:29:27,510 --> 00:29:26,000

grab my arm

770

00:29:28,950 --> 00:29:27,520

and wake me up

771

00:29:31,669 --> 00:29:28,960

uh

772

00:29:33,830 --> 00:29:31,679

so i i open my eyes and

773

00:29:36,470 --> 00:29:33,840

i'm in my room and i'm laying on my back

774

00:29:38,630 --> 00:29:36,480

i don't i don't ever lay on my back

775

00:29:41,830 --> 00:29:38,640

uh when i sleep because i eventually

776  
00:29:43,669 --> 00:29:41,840  
will just snore myself awake uh

777  
00:29:44,630 --> 00:29:43,679  
if i do that

778  
00:29:47,269 --> 00:29:44,640  
um

779  
00:29:50,389 --> 00:29:47,279  
so i i wake up on my back and i'm

780  
00:29:53,029 --> 00:29:50,399  
looking at my window and i thought

781  
00:29:55,750 --> 00:29:53,039  
the window's going blurry you know like

782  
00:29:57,510 --> 00:29:55,760  
my vision was clear and then it starts

783  
00:29:59,590 --> 00:29:57,520  
going blurry so i went to go raise my

784  
00:30:03,430 --> 00:29:59,600  
hand to my face to wipe the sleep out of

785  
00:30:06,070 --> 00:30:03,440  
my eyes and i couldn't move um wow

786  
00:30:08,549 --> 00:30:06,080  
so i thought wait a minute i woke up did

787  
00:30:10,389 --> 00:30:08,559  
something grab my arm

788  
00:30:12,870 --> 00:30:10,399

and so i kind of fight to turn my head

789

00:30:13,669 --> 00:30:12,880

to the right and i see this

790

00:30:16,630 --> 00:30:13,679

uh

791

00:30:18,230 --> 00:30:16,640

shadowy figure standing over me

792

00:30:21,669 --> 00:30:18,240

um

793

00:30:23,750 --> 00:30:21,679

just like a torso two arms and a head

794

00:30:26,389 --> 00:30:23,760

like bent over

795

00:30:28,070 --> 00:30:26,399

looking at me and i

796

00:30:30,870 --> 00:30:28,080

and as i'm looking at this all of a

797

00:30:33,269 --> 00:30:30,880

sudden my room starts to light up

798

00:30:34,789 --> 00:30:33,279

from behind this entity and like this

799

00:30:36,389 --> 00:30:34,799

golden light

800

00:30:39,190 --> 00:30:36,399

and then the light

801  
00:30:40,710 --> 00:30:39,200  
becomes blinding it's so bright and then

802  
00:30:42,950 --> 00:30:40,720  
uh

803  
00:30:45,830 --> 00:30:42,960  
the light concentrates into these rays

804  
00:30:46,789 --> 00:30:45,840  
of golden light coming out of her head

805  
00:30:48,630 --> 00:30:46,799  
uh

806  
00:30:51,590 --> 00:30:48,640  
and

807  
00:30:53,590 --> 00:30:51,600  
i thought to myself what is going on you

808  
00:30:55,669 --> 00:30:53,600  
know this is bizarre

809  
00:30:58,549 --> 00:30:55,679  
um

810  
00:30:59,590 --> 00:30:58,559  
so i i fell back asleep

811  
00:31:01,509 --> 00:30:59,600  
um

812  
00:31:02,789 --> 00:31:01,519  
and then i started having this sexual

813  
00:31:08,389 --> 00:31:02,799

dream

814

00:31:10,870 --> 00:31:08,399

it was it was just an ex of mine from 20

815

00:31:13,509 --> 00:31:10,880

years ago and myself

816

00:31:16,950 --> 00:31:13,519

and there was nothing else around um it

817

00:31:18,870 --> 00:31:16,960

was just total pitch black darkness

818

00:31:21,029 --> 00:31:18,880

right and um

819

00:31:22,389 --> 00:31:21,039

so then i wake up again i'm back in my

820

00:31:24,870 --> 00:31:22,399

room

821

00:31:28,470 --> 00:31:24,880

and i can see that there's this woman on

822

00:31:30,470 --> 00:31:28,480

top of me who has blue skin

823

00:31:32,789 --> 00:31:30,480

um and my hands are on her thighs and i

824

00:31:36,310 --> 00:31:32,799

can feel her skin is not

825

00:31:37,110 --> 00:31:36,320

like normal human skin it's it's thicker

826  
00:31:46,230 --> 00:31:37,120  
and

827  
00:31:49,350 --> 00:31:46,240  
talking about this people are like wow

828  
00:31:51,430 --> 00:31:49,360  
this guy has lost

829  
00:31:52,470 --> 00:31:51,440  
his mind right

830  
00:31:59,669 --> 00:31:52,480  
this is

831  
00:32:01,509 --> 00:31:59,679  
i'm working at the office of naval

832  
00:32:02,950 --> 00:32:01,519  
intelligence right

833  
00:32:03,830 --> 00:32:02,960  
um

834  
00:32:05,110 --> 00:32:03,840  
so

835  
00:32:09,909 --> 00:32:05,120  
i

836  
00:32:12,830 --> 00:32:09,919  
you know

837  
00:32:16,070 --> 00:32:12,840  
deluding myself this is happening

838  
00:32:18,230 --> 00:32:16,080

right and um

839

00:32:21,590 --> 00:32:18,240

you know i i started to pick apart that

840

00:32:26,630 --> 00:32:21,600

experience uh in terms of uh the book

841

00:32:28,070 --> 00:32:26,640

the cavalien that i read about and um

842

00:32:30,549 --> 00:32:28,080

you know one of the principles is that

843

00:32:32,549 --> 00:32:30,559

the universe is mental

844

00:32:35,269 --> 00:32:32,559

um that you can think of the universe as

845

00:32:37,909 --> 00:32:35,279

a mental creation of a singular

846

00:32:39,590 --> 00:32:37,919

consciousness of which we are all a part

847

00:32:43,269 --> 00:32:39,600

right

848

00:32:46,789 --> 00:32:43,279

and um i i kind of i feel like

849

00:32:49,750 --> 00:32:46,799

that whole experience was just like uh

850

00:32:52,470 --> 00:32:49,760

a pre prelude of things to come

851

00:32:54,950 --> 00:32:52,480

right it was the the light rays of light

852

00:32:58,549 --> 00:32:54,960

coming from the head kind of

853

00:33:03,909 --> 00:33:01,590

as an allegory for the mental universe

854

00:33:06,710 --> 00:33:03,919

to think of this as a mental

855

00:33:07,990 --> 00:33:06,720

thing rather than

856

00:33:10,470 --> 00:33:08,000

uh

857

00:33:12,549 --> 00:33:10,480

anything else right these these

858

00:33:13,509 --> 00:33:12,559

experiences that follow they're all

859

00:33:16,470 --> 00:33:13,519

mental

860

00:33:18,549 --> 00:33:16,480

and you need to think of them and

861

00:33:20,070 --> 00:33:18,559

and kind of conceptualize them in that

862

00:33:22,950 --> 00:33:20,080

way

863

00:33:24,470 --> 00:33:22,960

uh as as allegory for the mental

864

00:33:27,269 --> 00:33:24,480

universe and i

865

00:33:28,389 --> 00:33:27,279

that that's kind of the the

866

00:33:33,190 --> 00:33:28,399

the

867

00:33:34,630 --> 00:33:33,200

this now um

868

00:33:37,430 --> 00:33:34,640

uh so

869

00:33:40,070 --> 00:33:37,440

yeah i i am not your typical

870

00:33:42,470 --> 00:33:40,080

experiancer i i don't

871

00:33:46,149 --> 00:33:42,480

have the typical views of this that

872

00:33:48,070 --> 00:33:46,159

people normally do i i tend to look at

873

00:33:49,509 --> 00:33:48,080

if i'm looking for sources for all of

874

00:33:51,110 --> 00:33:49,519

this i tend to look at things that have

875

00:33:52,389 --> 00:33:51,120

come down

876

00:33:55,350 --> 00:33:52,399

through

877

00:33:57,750 --> 00:33:55,360

centuries right that are time tested i i

878

00:34:00,549 --> 00:33:57,760

love the works of plato i love the works

879

00:34:03,190 --> 00:34:00,559

of other philosophers that

880

00:34:05,029 --> 00:34:03,200

that spoke on these topics um and the

881

00:34:06,470 --> 00:34:05,039

nature of reality

882

00:34:07,909 --> 00:34:06,480

um because they knew what they were

883

00:34:09,829 --> 00:34:07,919

talking about there's a reason their

884

00:34:12,710 --> 00:34:09,839

their works have survived for thousands

885

00:34:16,629 --> 00:34:14,470

no i appreciate you you're going into

886

00:34:18,470 --> 00:34:16,639

detail there so would you say from these

887

00:34:21,190 --> 00:34:18,480

experiences there was an overall message

888

00:34:22,950 --> 00:34:21,200

of positivity or would it lean more

889

00:34:25,589 --> 00:34:22,960

towards negativity i mean what was the

890

00:34:27,990 --> 00:34:25,599

overall kind of feeling you got

891

00:34:29,589 --> 00:34:28,000

um i'm i'm glad the whole thing happened

892

00:34:30,629 --> 00:34:29,599

to me for sure

893

00:34:32,389 --> 00:34:30,639

um

894

00:34:34,230 --> 00:34:32,399

you know believe it or not

895

00:34:36,710 --> 00:34:34,240

i so i wrote a book about all this it's

896

00:34:38,069 --> 00:34:36,720

called initiated because i realized at

897

00:34:40,069 --> 00:34:38,079

the end of this that this was an

898

00:34:41,669 --> 00:34:40,079

initiatory process

899

00:34:44,710 --> 00:34:41,679

right that

900

00:34:46,950 --> 00:34:44,720

conditions one's mind to start thinking

901  
00:34:48,950 --> 00:34:46,960  
of the universe in a certain way so that

902  
00:34:50,629 --> 00:34:48,960  
at the end of

903  
00:34:52,790 --> 00:34:50,639  
the experiences hopefully if you've

904  
00:34:54,069 --> 00:34:52,800  
played your cards right

905  
00:34:56,149 --> 00:34:54,079  
you

906  
00:34:58,790 --> 00:34:56,159  
come into this

907  
00:35:01,910 --> 00:34:58,800  
uh thing that has been described as like

908  
00:35:05,349 --> 00:35:01,920  
nirvana or enlightenment at the end

909  
00:35:08,470 --> 00:35:05,359  
which i certainly did and

910  
00:35:09,349 --> 00:35:08,480  
and in thinking about it allegorically

911  
00:35:31,910 --> 00:35:09,359  
i

912  
00:35:34,230 --> 00:35:31,920  
allegory um

913  
00:35:36,950 --> 00:35:34,240

and that that's what reality is it's

914

00:35:39,270 --> 00:35:36,960

it's an allegory for a

915

00:35:41,589 --> 00:35:39,280

reality that underlies it

916

00:35:44,230 --> 00:35:41,599

and that's what our physical reality is

917

00:35:46,069 --> 00:35:44,240

and and it just it blows my mind still

918

00:35:48,390 --> 00:35:46,079

to this day

919

00:35:51,190 --> 00:35:48,400

uh when i think about it and kind of

920

00:35:53,910 --> 00:35:51,200

perceive it out there

921

00:35:57,109 --> 00:35:53,920

um i'm not sure if that

922

00:35:58,630 --> 00:35:57,119

goes above people's heads but

923

00:36:01,510 --> 00:35:58,640

i mean it doesn't necessarily go above

924

00:36:03,589 --> 00:36:01,520

my head it's like you said you know

925

00:36:04,870 --> 00:36:03,599

you're not the stereotypical experimenter

926  
00:36:05,750 --> 00:36:04,880  
but then i was thinking straight away

927  
00:36:07,829 --> 00:36:05,760  
well

928  
00:36:09,990 --> 00:36:07,839  
is there a stereotypical experience sir

929  
00:36:11,589 --> 00:36:10,000  
i mean i've spoken to a few and then my

930  
00:36:13,750 --> 00:36:11,599  
good friend jay christopher king runs

931  
00:36:15,589 --> 00:36:13,760  
the experiencer group and you know the

932  
00:36:18,710 --> 00:36:15,599  
amount of differences between a lot of

933  
00:36:20,310 --> 00:36:18,720  
what he's come across i'm sure are just

934  
00:36:21,670 --> 00:36:20,320  
vast so

935  
00:36:23,349 --> 00:36:21,680  
you know

936  
00:36:25,349 --> 00:36:23,359  
i'm sure there's all sorts happening out

937  
00:36:27,430 --> 00:36:25,359  
there um but was this something that

938  
00:36:28,710 --> 00:36:27,440

still continues to this day

939

00:36:31,109 --> 00:36:28,720

for you

940

00:36:33,349 --> 00:36:31,119

yeah it does um

941

00:36:35,270 --> 00:36:33,359

you know there was uh

942

00:36:37,270 --> 00:36:35,280

the author of the caballon was good

943

00:36:39,750 --> 00:36:37,280

friends with this

944

00:36:42,230 --> 00:36:39,760

woman of the time

945

00:36:44,630 --> 00:36:42,240

back in the early 1900s who was named

946

00:36:46,150 --> 00:36:44,640

mabel collins who wrote

947

00:36:47,910 --> 00:36:46,160

several books

948

00:36:48,710 --> 00:36:47,920

about this

949

00:36:52,630 --> 00:36:48,720

and

950

00:36:57,510 --> 00:36:54,630

when the sun moves northward the way of

951

00:36:59,190 --> 00:36:57,520

initiation right and

952

00:37:01,030 --> 00:36:59,200

and i read several books about

953

00:37:03,829 --> 00:37:01,040

initiation and one of the things she

954

00:37:07,670 --> 00:37:03,839

describes is that there is this thing

955

00:37:08,950 --> 00:37:07,680

called waking clairvoyance right and

956

00:37:11,109 --> 00:37:08,960

and i

957

00:37:13,030 --> 00:37:11,119

experi i started to experience this

958

00:37:16,230 --> 00:37:13,040

voice that i would hear

959

00:37:18,069 --> 00:37:16,240

when i was in the the state between

960

00:37:20,710 --> 00:37:18,079

awake and asleep

961

00:37:22,630 --> 00:37:20,720

and i still to this day hear it um and

962

00:37:26,870 --> 00:37:22,640

it will give me

963

00:37:29,349 --> 00:37:26,880

the name of an author to read maybe or

964

00:37:30,230 --> 00:37:29,359

uh an artist to look at

965

00:37:32,310 --> 00:37:30,240

or

966

00:37:35,510 --> 00:37:32,320

uh something else and then i'll see how

967

00:37:37,430 --> 00:37:35,520

it's connected to all of this right and

968

00:37:40,710 --> 00:37:37,440

and and i'll write about it i'm actually

969

00:37:43,510 --> 00:37:40,720

working on another book called um

970

00:37:45,349 --> 00:37:43,520

master of animals is the working title

971

00:37:48,150 --> 00:37:45,359

and and i'm i named it after this

972

00:37:50,790 --> 00:37:48,160

ancient motif right of

973

00:37:55,109 --> 00:37:50,800

and it's just a motif from all over the

974

00:37:57,510 --> 00:37:55,119

world it was everywhere that depicts um

975

00:38:01,109 --> 00:37:57,520

a person standing between

976  
00:38:03,430 --> 00:38:01,119  
two animals kind of holding them at bay

977  
00:38:06,550 --> 00:38:03,440  
and and it represents kind of this idea

978  
00:38:08,470 --> 00:38:06,560  
of taking the buddhist middle road right

979  
00:38:11,109 --> 00:38:08,480  
where you're keeping keeping these

980  
00:38:12,550 --> 00:38:11,119  
beasts at bay and the mind on either

981  
00:38:15,030 --> 00:38:12,560  
side of you

982  
00:38:18,390 --> 00:38:15,040  
to walk that middle road that

983  
00:38:22,150 --> 00:38:18,400  
that fine line where you are none of

984  
00:38:24,069 --> 00:38:22,160  
those beasts right and um

985  
00:38:25,910 --> 00:38:24,079  
and so that's what i'm what i'm calling

986  
00:38:27,510 --> 00:38:25,920  
this new book

987  
00:38:29,190 --> 00:38:27,520  
i like it i like the idea of it i mean

988  
00:38:30,870 --> 00:38:29,200

one thing that comes across to me is

989

00:38:32,630 --> 00:38:30,880

that throughout all of this

990

00:38:34,150 --> 00:38:32,640

you know as i'm sure it was terrifying

991

00:38:35,910 --> 00:38:34,160

but you seem quite grounded so it's

992

00:38:37,750 --> 00:38:35,920

almost like you've found a way to deal

993

00:38:39,829 --> 00:38:37,760

with it or figure it out

994

00:38:42,150 --> 00:38:39,839

but i mean during these times did you

995

00:38:43,270 --> 00:38:42,160

have anyone to talk to about it or was

996

00:38:44,230 --> 00:38:43,280

it kind of something you kept to

997

00:38:48,069 --> 00:38:44,240

yourself

998

00:38:50,069 --> 00:38:48,079

ah i didn't i i kept it to myself uh i i

999

00:38:53,270 --> 00:38:50,079

talked to my brother about it a little

1000

00:38:54,710 --> 00:38:53,280

bit and i i was lucky enough that he

1001  
00:38:56,550 --> 00:38:54,720  
believed me

1002  
00:38:58,829 --> 00:38:56,560  
you know what i mean like he because he

1003  
00:39:02,390 --> 00:38:58,839  
he knows me right so he knows that i'm a

1004  
00:39:04,630 --> 00:39:02,400  
very grounded and serious person and i

1005  
00:39:09,430 --> 00:39:04,640  
had a very serious job

1006  
00:39:11,109 --> 00:39:09,440  
um which i also took very seriously uh

1007  
00:39:12,950 --> 00:39:11,119  
but

1008  
00:39:14,870 --> 00:39:12,960  
you know so he knew that if i was saying

1009  
00:39:18,470 --> 00:39:14,880  
this there's something

1010  
00:39:20,790 --> 00:39:18,480  
something is happening here you know um

1011  
00:39:22,790 --> 00:39:20,800  
so he he didn't disbelieve anything that

1012  
00:39:25,030 --> 00:39:22,800  
i was telling him and in fact

1013  
00:39:27,109 --> 00:39:25,040

you know to this day i i talk to him

1014

00:39:28,710 --> 00:39:27,119

about it all the time

1015

00:39:31,990 --> 00:39:28,720

and then um

1016

00:39:34,069 --> 00:39:32,000

you know post my experiences and and me

1017

00:39:36,310 --> 00:39:34,079

figuring it out i

1018

00:39:39,510 --> 00:39:36,320

i would kind of

1019

00:39:41,990 --> 00:39:39,520

i i became like a philosopher you know

1020

00:39:44,310 --> 00:39:42,000

in a sense like at work we would we

1021

00:39:46,390 --> 00:39:44,320

would go like the people i work with in

1022

00:39:48,390 --> 00:39:46,400

my immediate sphere at work we would go

1023

00:39:51,589 --> 00:39:48,400

down and eat lunch together and we would

1024

00:39:52,630 --> 00:39:51,599

have um woke wednesdays they called it

1025

00:39:54,470 --> 00:39:52,640

where

1026  
00:39:57,670 --> 00:39:54,480  
people would ask me about life and i

1027  
00:40:00,230 --> 00:39:57,680  
would kind of answer their questions and

1028  
00:40:02,790 --> 00:40:00,240  
and guide them

1029  
00:40:03,990 --> 00:40:02,800  
wow that sounds cool yeah yeah

1030  
00:40:05,109 --> 00:40:04,000  
so do you

1031  
00:40:07,030 --> 00:40:05,119  
you know you mention all this sort of

1032  
00:40:09,109 --> 00:40:07,040  
philip philosophical side of things do

1033  
00:40:10,630 --> 00:40:09,119  
you do you link now like

1034  
00:40:12,390 --> 00:40:10,640  
all different aspects of say the

1035  
00:40:14,870 --> 00:40:12,400  
phenomena whether it be the occult

1036  
00:40:16,870 --> 00:40:14,880  
aspect the paranormal you know the

1037  
00:40:18,790 --> 00:40:16,880  
extraterrestrial do you think it's all

1038  
00:40:20,790 --> 00:40:18,800

linked in some way

1039

00:40:23,829 --> 00:40:20,800

oh yeah absolutely i think that all the

1040

00:40:26,870 --> 00:40:23,839

world's religions relate to this um in

1041

00:40:29,109 --> 00:40:26,880

terms of the philosophy of it when

1042

00:40:30,710 --> 00:40:29,119

that that to me at this point is just

1043

00:40:31,510 --> 00:40:30,720

fairly obvious and if you know what

1044

00:40:34,950 --> 00:40:31,520

you're

1045

00:40:39,589 --> 00:40:34,960

then

1046

00:40:42,790 --> 00:40:39,599

religions in fact are the same they're

1047

00:40:44,710 --> 00:40:42,800

all describing the same thing um

1048

00:40:46,150 --> 00:40:44,720

but but a lot of people don't do that

1049

00:40:47,670 --> 00:40:46,160

because they they like to look at these

1050

00:40:51,030 --> 00:40:47,680

stories and then

1051  
00:40:53,910 --> 00:40:51,040  
they interpret them in their own way

1052  
00:40:56,710 --> 00:40:53,920  
but but once you've seen what i've seen

1053  
00:40:59,510 --> 00:40:56,720  
it becomes clear it's like oh that's

1054  
00:41:02,550 --> 00:40:59,520  
what all this is you know and i had i

1055  
00:41:03,589 --> 00:41:02,560  
had no idea before

1056  
00:41:05,430 --> 00:41:03,599  
um

1057  
00:41:08,309 --> 00:41:05,440  
and i you know

1058  
00:41:12,069 --> 00:41:08,319  
in terms of like the universe being

1059  
00:41:14,790 --> 00:41:12,079  
allegory um your your last guest diana

1060  
00:41:16,150 --> 00:41:14,800  
pasalka was on

1061  
00:41:17,670 --> 00:41:16,160  
and um

1062  
00:41:19,030 --> 00:41:17,680  
one of the things that i like to talk

1063  
00:41:20,470 --> 00:41:19,040

about is

1064

00:41:22,230 --> 00:41:20,480

is

1065

00:41:25,030 --> 00:41:22,240

that whether or not you're an introvert

1066

00:41:27,990 --> 00:41:25,040

or an extrovert will depend on how you

1067

00:41:30,470 --> 00:41:28,000

relate to this allegory right right that

1068

00:41:31,990 --> 00:41:30,480

is your relationship to the allegory a

1069

00:41:34,710 --> 00:41:32,000

lot of people think introversion and

1070

00:41:36,710 --> 00:41:34,720

extroversion are just these

1071

00:41:38,870 --> 00:41:36,720

these um

1072

00:41:40,470 --> 00:41:38,880

qualities that you can possess but

1073

00:41:43,190 --> 00:41:40,480

they're much more than that these are

1074

00:41:44,870 --> 00:41:43,200

two different planes of mental existence

1075

00:41:46,150 --> 00:41:44,880

that don't see each other at all and

1076

00:41:49,349 --> 00:41:46,160

that's kind of the reason for a lot of

1077

00:41:51,670 --> 00:41:49,359

the strife that we see in politics today

1078

00:41:54,069 --> 00:41:51,680

but uh

1079

00:41:56,150 --> 00:41:54,079

so diana pasalka described something

1080

00:42:00,390 --> 00:41:56,160

that i thought was very interesting

1081

00:42:01,750 --> 00:42:00,400

about ryan bledsoe and his family

1082

00:42:04,069 --> 00:42:01,760

and

1083

00:42:06,630 --> 00:42:04,079

how he was kind of at the end of his

1084

00:42:08,630 --> 00:42:06,640

experiences he had built this garden

1085

00:42:10,790 --> 00:42:08,640

right to feed

1086

00:42:12,470 --> 00:42:10,800

to feed the world he said

1087

00:42:14,390 --> 00:42:12,480

right and that was something that he

1088

00:42:19,030 --> 00:42:14,400

wanted to do

1089

00:42:22,309 --> 00:42:19,040

and so you know when you think about

1090

00:42:26,390 --> 00:42:22,319

eating and and drinking you're consuming

1091

00:42:29,030 --> 00:42:26,400

right you're consuming information even

1092

00:42:30,390 --> 00:42:29,040

um and so that too becomes something

1093

00:42:32,069 --> 00:42:30,400

allegorical

1094

00:42:34,710 --> 00:42:32,079

right and that's what

1095

00:42:36,470 --> 00:42:34,720

you know drinking the the

1096

00:42:39,190 --> 00:42:36,480

body and the blood of christ is all

1097

00:42:41,109 --> 00:42:39,200

about it's an allegory for the knowledge

1098

00:42:44,390 --> 00:42:41,119

of christ right

1099

00:42:46,309 --> 00:42:44,400

and so you you have this guy who's

1100

00:42:48,710 --> 00:42:46,319

decided he's going to build this garden

1101  
00:42:51,349 --> 00:42:48,720  
to feed the world but

1102  
00:42:52,790 --> 00:42:51,359  
he's he's acting on this in an

1103  
00:42:53,670 --> 00:42:52,800  
extroverted

1104  
00:42:56,550 --> 00:42:53,680  
way

1105  
00:42:59,750 --> 00:42:56,560  
right he's he's he's making this garden

1106  
00:43:01,750 --> 00:42:59,760  
rather than um feeding the world with

1107  
00:43:03,670 --> 00:43:01,760  
knowledge right so

1108  
00:43:05,430 --> 00:43:03,680  
so that's like that those are like the

1109  
00:43:08,470 --> 00:43:05,440  
two different levels introvert and

1110  
00:43:10,390 --> 00:43:08,480  
extrovert and and when you see this in

1111  
00:43:12,470 --> 00:43:10,400  
the world it starts to become fairly

1112  
00:43:14,950 --> 00:43:12,480  
obvious

1113  
00:43:17,109 --> 00:43:14,960

that that that's the way things are and

1114

00:43:19,910 --> 00:43:17,119

that's what reality is

1115

00:43:19,920 --> 00:43:23,990

it's very scary actually

1116

00:43:29,910 --> 00:43:26,550

because you can see people relating to

1117

00:43:31,670 --> 00:43:29,920

one another in an extroverted way and

1118

00:43:33,430 --> 00:43:31,680

you can see

1119

00:43:36,150 --> 00:43:33,440

countries relating to each other in an

1120

00:43:38,790 --> 00:43:36,160

extroverted way and and it's it just

1121

00:43:41,190 --> 00:43:38,800

becomes very very scary because you you

1122

00:43:42,390 --> 00:43:41,200

know where that can end up right and

1123

00:43:44,069 --> 00:43:42,400

yeah

1124

00:43:46,630 --> 00:43:44,079

and and a lot of experiences they're

1125

00:43:50,309 --> 00:43:46,640

shown like these apocalyptic scenes

1126  
00:43:52,470 --> 00:43:50,319  
right of destruction and death um and

1127  
00:43:55,270 --> 00:43:52,480  
things like that but that

1128  
00:43:57,589 --> 00:43:55,280  
that's an allegory for this experience

1129  
00:44:00,790 --> 00:43:57,599  
right you are

1130  
00:44:02,470 --> 00:44:00,800  
your inner life is in turmoil at this

1131  
00:44:04,870 --> 00:44:02,480  
point right because you're going through

1132  
00:44:07,190 --> 00:44:04,880  
this initiation and you

1133  
00:44:10,230 --> 00:44:07,200  
your your whole life has been up ended

1134  
00:44:12,069 --> 00:44:10,240  
and it's catastrophic and you're very

1135  
00:44:13,829 --> 00:44:12,079  
emotional you're very

1136  
00:44:15,190 --> 00:44:13,839  
depressed

1137  
00:44:17,670 --> 00:44:15,200  
um

1138  
00:44:20,550 --> 00:44:17,680

and and so that's that's kind of they're

1139

00:44:23,510 --> 00:44:20,560

showing you the extroverted allegory of

1140

00:44:26,069 --> 00:44:23,520

that to represent what's happening to

1141

00:44:27,510 --> 00:44:26,079

you inside right

1142

00:44:29,349 --> 00:44:27,520

and and that

1143

00:44:31,829 --> 00:44:29,359

and people don't always get the

1144

00:44:35,430 --> 00:44:31,839

symbolism that jim semivan talks about

1145

00:44:37,750 --> 00:44:35,440

how this is they speak to us in symbols

1146

00:44:40,630 --> 00:44:37,760

right and so you have to interpret those

1147

00:44:42,069 --> 00:44:40,640

symbols and interpret the experiences as

1148

00:44:44,470 --> 00:44:42,079

allegory

1149

00:44:46,150 --> 00:44:44,480

to kind of unwrap what's happening to

1150

00:44:50,150 --> 00:44:46,160

you

1151

00:44:52,950 --> 00:44:50,160

i never really stopped to think about it

1152

00:44:55,910 --> 00:44:52,960

that much but it does you know

1153

00:44:58,550 --> 00:44:55,920

does make sense that it's

1154

00:45:00,150 --> 00:44:58,560

doesn't necessarily depict what it means

1155

00:45:01,829 --> 00:45:00,160

it you know you have to

1156

00:45:03,750 --> 00:45:01,839

translate it to

1157

00:45:05,109 --> 00:45:03,760

yeah that yeah i appreciate that and

1158

00:45:08,309 --> 00:45:05,119

it's giving me

1159

00:45:09,750 --> 00:45:08,319

food for thought let's say so yeah and

1160

00:45:11,589 --> 00:45:09,760

and that's why people talk about high

1161

00:45:13,270 --> 00:45:11,599

strangeness because they don't realize

1162

00:45:15,910 --> 00:45:13,280

this about the phenomenon so they want

1163

00:45:18,309 --> 00:45:15,920

to take these experiences at face value

1164

00:45:19,589 --> 00:45:18,319

and when you do that it's nonsense you

1165

00:45:21,349 --> 00:45:19,599

know um

1166

00:45:23,190 --> 00:45:21,359

and and that's why you call it high

1167

00:45:24,950 --> 00:45:23,200

strangeness because it doesn't make any

1168

00:45:25,829 --> 00:45:24,960

sense any other way

1169

00:45:27,910 --> 00:45:25,839

yeah

1170

00:45:30,710 --> 00:45:27,920

valid point absolutely

1171

00:45:32,870 --> 00:45:30,720

um i just got a question here from uh

1172

00:45:34,950 --> 00:45:32,880

jay allen could you ask if we can

1173

00:45:36,870 --> 00:45:34,960

parallel this with hitchhiker reported

1174

00:45:38,790 --> 00:45:36,880

by the dia folks

1175

00:45:41,030 --> 00:45:38,800

if so do you have any theories regarding

1176  
00:45:43,589 --> 00:45:41,040  
the purpose or intent

1177  
00:45:45,829 --> 00:45:43,599  
maybe comment on the contagion theory

1178  
00:45:48,950 --> 00:45:45,839  
yeah i mean absolutely i think i think

1179  
00:45:51,270 --> 00:45:48,960  
it is contagious because

1180  
00:45:52,790 --> 00:45:51,280  
you know as someone like me right i i

1181  
00:45:54,630 --> 00:45:52,800  
start to experience things and the

1182  
00:45:57,430 --> 00:45:54,640  
people around me knew that i was

1183  
00:46:00,309 --> 00:45:57,440  
incredibly level-headed right and very

1184  
00:46:02,230 --> 00:46:00,319  
just grounded um i've been told by many

1185  
00:46:04,550 --> 00:46:02,240  
people in the past that hey you're

1186  
00:46:05,750 --> 00:46:04,560  
you're the most level-headed person i

1187  
00:46:08,069 --> 00:46:05,760  
know

1188  
00:46:09,030 --> 00:46:08,079

uh because there's very little that

1189

00:46:11,190 --> 00:46:09,040

would ever

1190

00:46:13,750 --> 00:46:11,200

make me upset i was just very always

1191

00:46:15,510 --> 00:46:13,760

calm cool collected

1192

00:46:16,710 --> 00:46:15,520

and yet here i am talking about this

1193

00:46:19,030 --> 00:46:16,720

stuff that's

1194

00:46:21,990 --> 00:46:19,040

uh in the realm of tim foil hats so

1195

00:46:24,309 --> 00:46:22,000

there must be something to it you know

1196

00:46:26,790 --> 00:46:24,319

um and so then you know it gets other

1197

00:46:30,309 --> 00:46:26,800

people thinking well okay

1198

00:46:32,390 --> 00:46:30,319

this is real you know and so

1199

00:46:33,589 --> 00:46:32,400

the phenomenon will recognize hey that

1200

00:46:35,670 --> 00:46:33,599

person

1201

00:46:37,670 --> 00:46:35,680

we can maybe get them

1202

00:46:41,109 --> 00:46:37,680

to realize this as well

1203

00:46:43,910 --> 00:46:41,119

let's let's try to initiate them too

1204

00:46:45,589 --> 00:46:43,920

you know and so that's how this kind of

1205

00:46:47,349 --> 00:46:45,599

spreads it

1206

00:46:49,190 --> 00:46:47,359

once you once

1207

00:46:51,510 --> 00:46:49,200

i forgot who said it it was a quote i

1208

00:46:53,670 --> 00:46:51,520

read recently that once you become aware

1209

00:46:56,230 --> 00:46:53,680

of the phenomenon it becomes aware of

1210

00:46:58,870 --> 00:46:56,240

you and that's kind of that's kind of

1211

00:47:00,309 --> 00:46:58,880

how this hitchhiker effect happens you

1212

00:47:01,829 --> 00:47:00,319

know because if you

1213

00:47:04,550 --> 00:47:01,839

if you're working on this behind closed

1214

00:47:07,190 --> 00:47:04,560

doors obviously you know it's real

1215

00:47:10,550 --> 00:47:07,200

right and then you're going to see

1216

00:47:13,589 --> 00:47:10,560

extra types of footage uh

1217

00:47:17,190 --> 00:47:13,599

photographs um whatever and it'll be

1218

00:47:19,349 --> 00:47:17,200

crystal clear um i've seen some of that

1219

00:47:21,510 --> 00:47:19,359

um and i don't know why they don't come

1220

00:47:23,030 --> 00:47:21,520

out with it uh

1221

00:47:24,549 --> 00:47:23,040

but you know

1222

00:47:27,270 --> 00:47:24,559

so

1223

00:47:29,109 --> 00:47:27,280

that too will get you thinking

1224

00:47:31,589 --> 00:47:29,119

you know and then the phenomenon

1225

00:47:33,750 --> 00:47:31,599

suddenly has an inroad with you you know

1226

00:47:35,190 --> 00:47:33,760

because you now understand that this is

1227

00:47:36,549 --> 00:47:35,200

real this isn't

1228

00:47:38,950 --> 00:47:36,559

you're not waking up in the middle of

1229

00:47:41,270 --> 00:47:38,960

the night and this is just a bad dream

1230

00:47:43,190 --> 00:47:41,280

you know uh some people can't tell the

1231

00:47:44,710 --> 00:47:43,200

difference i can

1232

00:47:46,230 --> 00:47:44,720

um

1233

00:47:48,230 --> 00:47:46,240

but uh

1234

00:47:49,670 --> 00:47:48,240

yeah so that that's kind of what the hit

1235

00:47:52,470 --> 00:47:49,680

that's how i would describe the

1236

00:47:55,109 --> 00:47:52,480

hitchhiker effect anyway it's just that

1237

00:47:57,349 --> 00:47:55,119

the the phenomenon realizes it has an

1238

00:47:59,349 --> 00:47:57,359

inroad there with you and so it will

1239

00:48:01,589 --> 00:47:59,359

latch on to that

1240

00:48:03,750 --> 00:48:01,599

and and kind of follow you

1241

00:48:05,030 --> 00:48:03,760

but the question is the question is

1242

00:48:07,349 --> 00:48:05,040

right

1243

00:48:10,309 --> 00:48:07,359

and this is the difference between a

1244

00:48:11,349 --> 00:48:10,319

successful initiation and a failure is

1245

00:48:13,190 --> 00:48:11,359

that

1246

00:48:15,349 --> 00:48:13,200

where are you gonna go with it

1247

00:48:18,150 --> 00:48:15,359

you know how brave are you are you gonna

1248

00:48:19,430 --> 00:48:18,160

go are you gonna dive headlong into this

1249

00:48:23,109 --> 00:48:19,440

or

1250

00:48:25,990 --> 00:48:23,119

are you gonna resist it and run away

1251

00:48:27,670 --> 00:48:26,000

and uh most people

1252

00:48:30,390 --> 00:48:27,680

i think most people find that they're

1253

00:48:33,109 --> 00:48:30,400

kind of really not brave enough to face

1254

00:48:36,950 --> 00:48:33,119

it it's not it's not an easy thing it is

1255

00:48:39,510 --> 00:48:36,960

not an easy thing i have people who

1256

00:48:41,270 --> 00:48:39,520

come across my book in very paranormal

1257

00:48:43,270 --> 00:48:41,280

ways uh

1258

00:48:46,309 --> 00:48:43,280

similar to the way i came across the

1259

00:48:47,349 --> 00:48:46,319

caballon and sometimes they're suicidal

1260

00:48:48,710 --> 00:48:47,359

when they're talking to me because

1261

00:48:51,589 --> 00:48:48,720

they're like am i

1262

00:48:53,750 --> 00:48:51,599

am i going crazy what's what's happening

1263

00:48:54,950 --> 00:48:53,760

to me you know

1264

00:48:58,230 --> 00:48:54,960

and

1265

00:49:00,870 --> 00:48:58,240

that's one of the reasons why i am

1266

00:49:03,510 --> 00:49:00,880

all for disclosure you know this this

1267

00:49:06,069 --> 00:49:03,520

should have never been a secret ever

1268

00:49:07,750 --> 00:49:06,079

it's a part of the the natural universe

1269

00:49:10,790 --> 00:49:07,760

it's like saying that water is

1270

00:49:13,829 --> 00:49:10,800

classified or air is classified it's

1271

00:49:15,430 --> 00:49:13,839

just it's it simply is so let's talk

1272

00:49:17,270 --> 00:49:15,440

about it you know

1273

00:49:18,870 --> 00:49:17,280

yeah absolutely

1274

00:49:21,510 --> 00:49:18,880

so do you think disclosure will come you

1275

00:49:23,190 --> 00:49:21,520

know sooner rather than later and if so

1276

00:49:25,270 --> 00:49:23,200

where will it come from do you think

1277

00:49:26,549 --> 00:49:25,280

that the government are able to disclose

1278

00:49:28,630 --> 00:49:26,559

do you think they're not because they

1279

00:49:30,710 --> 00:49:28,640

don't understand it like where how do

1280

00:49:33,670 --> 00:49:30,720

you see things currently

1281

00:49:35,430 --> 00:49:33,680

um i think that there are very few

1282

00:49:37,829 --> 00:49:35,440

if if

1283

00:49:40,870 --> 00:49:37,839

i i there's there's almost no one who

1284

00:49:43,109 --> 00:49:40,880

understands this um

1285

00:49:46,950 --> 00:49:43,119

i i would say that

1286

00:49:48,710 --> 00:49:46,960

and that's very scary to me because uh

1287

00:49:51,589 --> 00:49:48,720

you know there's all kinds of theories

1288

00:49:53,030 --> 00:49:51,599

out there that are just bunk and and i

1289

00:49:55,270 --> 00:49:53,040

hate to think that people in the

1290

00:49:56,829 --> 00:49:55,280

government are latching on to some of

1291

00:49:59,510 --> 00:49:56,839

those bunk theories but i think

1292

00:50:01,190 --> 00:49:59,520

unfortunately some of them probably are

1293

00:50:03,990 --> 00:50:01,200

um

1294

00:50:05,109 --> 00:50:04,000

and uh that's unfortunate

1295

00:50:07,670 --> 00:50:05,119

um

1296

00:50:09,829 --> 00:50:07,680

and you know i

1297

00:50:11,990 --> 00:50:09,839

uh so i i they don't they don't have any

1298

00:50:14,150 --> 00:50:12,000

idea what's going on there may be

1299

00:50:16,150 --> 00:50:14,160

individuals within

1300

00:50:17,349 --> 00:50:16,160

the apparatus that have an idea just

1301  
00:50:18,390 --> 00:50:17,359  
like i do

1302  
00:50:20,790 --> 00:50:18,400  
um

1303  
00:50:22,549 --> 00:50:20,800  
but of course you know

1304  
00:50:24,549 --> 00:50:22,559  
people being what they are

1305  
00:50:27,190 --> 00:50:24,559  
they'll say oh well that's just that's

1306  
00:50:28,790 --> 00:50:27,200  
just your opinion right you don't you

1307  
00:50:30,470 --> 00:50:28,800  
don't actually know what you're talking

1308  
00:50:32,549 --> 00:50:30,480  
about but

1309  
00:50:34,309 --> 00:50:32,559  
but that's not the truth of it

1310  
00:50:37,190 --> 00:50:34,319  
right and one of the one of the great

1311  
00:50:39,510 --> 00:50:37,200  
things about all of this that i think

1312  
00:50:40,470 --> 00:50:39,520  
um

1313  
00:50:42,950 --> 00:50:40,480

that i think

1314

00:50:45,430 --> 00:50:42,960

has come out is just that

1315

00:50:48,150 --> 00:50:45,440

i was watching an interview with uh dr

1316

00:50:50,309 --> 00:50:48,160

gary nolan the other day it's kind of a

1317

00:50:52,390 --> 00:50:50,319

lesser known interview

1318

00:50:54,630 --> 00:50:52,400

the the podcast host wasn't very well

1319

00:50:56,230 --> 00:50:54,640

known but one of the things he said is

1320

00:50:58,630 --> 00:50:56,240

that there's some really good news in

1321

00:51:02,710 --> 00:50:58,640

this in that you know we have it in our

1322

00:51:05,349 --> 00:51:02,720

heads that with all of our problems and

1323

00:51:06,150 --> 00:51:05,359

that we can't possibly solve all of this

1324

00:51:08,470 --> 00:51:06,160

that

1325

00:51:10,390 --> 00:51:08,480

we're gonna end up destroying ourselves

1326

00:51:12,150 --> 00:51:10,400

right but there's good news in that

1327

00:51:14,870 --> 00:51:12,160

someone

1328

00:51:16,549 --> 00:51:14,880

was able to move past that

1329

00:51:18,549 --> 00:51:16,559

right now we have

1330

00:51:21,670 --> 00:51:18,559

kind of some evidence that

1331

00:51:22,549 --> 00:51:21,680

there's more right we we can get past

1332

00:51:25,430 --> 00:51:22,559

that

1333

00:51:27,910 --> 00:51:25,440

and so the question now becomes how do

1334

00:51:29,190 --> 00:51:27,920

we move from point a where we are now to

1335

00:51:31,430 --> 00:51:29,200

point b

1336

00:51:33,589 --> 00:51:31,440

where we kind of suspect they are

1337

00:51:35,990 --> 00:51:33,599

because they have all this high tech

1338

00:51:38,230 --> 00:51:36,000

it didn't destroy them they can use it

1339

00:51:40,470 --> 00:51:38,240

responsibly

1340

00:51:43,510 --> 00:51:40,480

so how do we get there

1341

00:51:45,109 --> 00:51:43,520

and that's the big question right and i

1342

00:51:49,190 --> 00:51:45,119

think that

1343

00:51:51,270 --> 00:51:49,200

things like philosophy and and theology

1344

00:51:53,270 --> 00:51:51,280

kind of answer those questions

1345

00:51:54,790 --> 00:51:53,280

right i don't think

1346

00:51:56,870 --> 00:51:54,800

i don't think a mathematician or a

1347

00:51:59,990 --> 00:51:56,880

physicist is going to be able to answer

1348

00:52:02,309 --> 00:52:00,000

that for you but uh but philosophy

1349

00:52:03,990 --> 00:52:02,319

certainly can

1350

00:52:05,829 --> 00:52:04,000

interesting absolutely and you mentioned

1351  
00:52:07,349 --> 00:52:05,839  
gary nolan there and you know he's been

1352  
00:52:09,349 --> 00:52:07,359  
involved with a lot of study of

1353  
00:52:11,430 --> 00:52:09,359  
experiences um

1354  
00:52:14,630 --> 00:52:11,440  
over the you know over time have you

1355  
00:52:15,670 --> 00:52:14,640  
ever been approached by anybody to to

1356  
00:52:17,589 --> 00:52:15,680  
you know be

1357  
00:52:18,950 --> 00:52:17,599  
looked at let's say by any of these

1358  
00:52:19,910 --> 00:52:18,960  
people

1359  
00:52:21,430 --> 00:52:19,920  
um

1360  
00:52:23,990 --> 00:52:21,440  
i you know i

1361  
00:52:27,030 --> 00:52:24,000  
there was i was aware of the study that

1362  
00:52:29,589 --> 00:52:27,040  
was happening um

1363  
00:52:31,349 --> 00:52:29,599

while i was you know working at o and i

1364

00:52:33,829 --> 00:52:31,359

but i

1365

00:52:36,150 --> 00:52:33,839

i i was kind of too late to participate

1366

00:52:37,910 --> 00:52:36,160

in it so i to my knowledge my

1367

00:52:40,630 --> 00:52:37,920

information is not involved in that

1368

00:52:42,790 --> 00:52:40,640

study um

1369

00:52:44,390 --> 00:52:42,800

i i could be wrong i don't i don't know

1370

00:52:45,510 --> 00:52:44,400

but i don't think so

1371

00:52:48,549 --> 00:52:45,520

uh

1372

00:52:49,349 --> 00:52:48,559

i mean i never had any scans there was

1373

00:52:51,750 --> 00:52:49,359

right

1374

00:52:54,230 --> 00:52:51,760

uh certainly some talk of that but i i

1375

00:52:56,950 --> 00:52:54,240

never ended up getting any any brain

1376

00:53:00,230 --> 00:52:58,630

interesting so you mentioned that you're

1377

00:53:01,670 --> 00:53:00,240

obviously writing the new book is there

1378

00:53:03,670 --> 00:53:01,680

anything else that you've got going on

1379

00:53:06,069 --> 00:53:03,680

at the moment or always kind of that

1380

00:53:08,630 --> 00:53:06,079

kind of your main focus uh no i yeah

1381

00:53:11,109 --> 00:53:08,640

that's that's kind of my main focus i i

1382

00:53:13,990 --> 00:53:11,119

try to keep kind of a low profile i

1383

00:53:15,750 --> 00:53:14,000

don't uh i don't i don't there's so many

1384

00:53:18,470 --> 00:53:15,760

people that you know they they want

1385

00:53:20,470 --> 00:53:18,480

followers i just don't you you follow me

1386

00:53:23,990 --> 00:53:20,480

or don't i don't really care this the

1387

00:53:25,270 --> 00:53:24,000

choice is yours uh

1388

00:53:27,190 --> 00:53:25,280

you know

1389

00:53:28,790 --> 00:53:27,200

i mean if if you follow me i'm gonna

1390

00:53:31,670 --> 00:53:28,800

talk about some really interesting

1391

00:53:33,510 --> 00:53:31,680

things uh but uh

1392

00:53:35,750 --> 00:53:33,520

if you don't i'm i'm not gonna be

1393

00:53:38,630 --> 00:53:35,760

heartbroken about it and and i and i

1394

00:53:39,589 --> 00:53:38,640

certainly don't i i don't get wrapped up

1395

00:53:42,710 --> 00:53:39,599

in that

1396

00:53:45,589 --> 00:53:42,720

drama online too much

1397

00:53:47,829 --> 00:53:45,599

it's just it's nonsense that i that i

1398

00:53:51,109 --> 00:53:47,839

don't feel a need to participate in you

1399

00:53:52,630 --> 00:53:51,119

know yeah absolutely absolutely well i

1400

00:53:54,710 --> 00:53:52,640

look forward to the book coming out i've

1401

00:53:57,270 --> 00:53:54,720

got your other book on my pile still to

1402

00:53:58,630 --> 00:53:57,280

read um i could just thank you enough

1403

00:54:00,630 --> 00:53:58,640

because this has been a fascinating

1404

00:54:03,109 --> 00:54:00,640

conversation and i've been following you

1405

00:54:05,430 --> 00:54:03,119

for some time and i really do appreciate

1406

00:54:07,430 --> 00:54:05,440

you and your outlook so yeah once again

1407

00:54:09,750 --> 00:54:07,440

thank you so much okay thank you thank

1408

00:54:11,270 --> 00:54:09,760

you for having me vinnie my pleasure

1409

00:54:12,950 --> 00:54:11,280

everyone in the live chat thank you so

1410

00:54:14,309 --> 00:54:12,960

much i'm sorry i didn't get to all of

1411

00:54:15,430 --> 00:54:14,319

your questions

1412

00:54:17,670 --> 00:54:15,440

um

1413

00:54:20,230 --> 00:54:17,680

yeah thank you for being good as always

1414

00:54:21,670 --> 00:54:20,240

uh i'm gonna be back

1415

00:54:23,190 --> 00:54:21,680

next week

1416

00:54:25,030 --> 00:54:23,200

go and follow me on social medias to

1417

00:54:26,790 --> 00:54:25,040

find out who i'm i'm sorry i've been

1418

00:54:29,430 --> 00:54:26,800

redoing my schedules the last few days

1419

00:54:31,750 --> 00:54:29,440

and it's just completely confused me so

1420

00:54:33,510 --> 00:54:31,760

yeah um

1421

00:54:35,270 --> 00:54:33,520

oh nick brown thank you so much for the

1422

00:54:37,190 --> 00:54:35,280

donation

1423

00:54:39,030 --> 00:54:37,200

uh this is a unique the hitchhiker

1424

00:54:41,030 --> 00:54:39,040

element is real i'm on the isle of malls

1425

00:54:42,549 --> 00:54:41,040

scotland and i sense a presence above me

1426

00:54:45,030 --> 00:54:42,559

when i'm walking my dog i know it's

1427

00:54:46,309 --> 00:54:45,040

above me and with me it's personal i

1428

00:54:48,069 --> 00:54:46,319

guess that's a really good point i

1429

00:54:49,670 --> 00:54:48,079

suppose it is it's personal and it's up

1430

00:54:50,829 --> 00:54:49,680

to the individual how they perceive

1431

00:54:54,069 --> 00:54:50,839

things

1432

00:54:56,630 --> 00:54:54,079

so yeah really cool once again guys
