Women of Ufology Panel Discussion

1
00:00:22,040 --> 00:00:19,269
[Music]

2
00:00:29,470 --> 00:00:22,050
thank you

3
00:00:33,350 --> 00:00:29,480
[Music]

4
00:00:37,670 --> 00:00:35,389
hey guys welcome back to the channel

5
00:00:39,530 --> 00:00:37,680
good to see uh so many people here in

6
00:00:40,729 --> 00:00:39,540
the live chat already

7
00:00:41,810 --> 00:00:40,739
um yeah I'm really excited about this

8
00:00:44,270 --> 00:00:41,820
conversation

9
00:00:45,590 --> 00:00:44,280
um I've had a lot of requests uh over

10
00:00:47,330 --> 00:00:45,600
the past year since I've been doing the

11
00:00:49,369 --> 00:00:47,340
channel to always keep getting lots of

12
00:00:50,690 --> 00:00:49,379
females on and you know I've done pretty

13
00:00:52,729 --> 00:00:50,700

well

14

00:00:54,410 --> 00:00:52,739

um I think balancing it

15

00:00:55,729 --> 00:00:54,420

um but one thing you've noticed that

16

00:00:58,130 --> 00:00:55,739

I've been doing recently as well is

17

00:00:59,750 --> 00:00:58,140

panel discussions and you know what

18

00:01:01,790 --> 00:00:59,760

better to then bring some of my good

19

00:01:04,729 --> 00:01:01,800

friends together who I've had on

20

00:01:07,190 --> 00:01:04,739

individually and on other shows and just

21

00:01:08,929 --> 00:01:07,200

have a women of ufology panel and like

22

00:01:11,390 --> 00:01:08,939

let's hear this aspect of it that we

23

00:01:13,490 --> 00:01:11,400

don't always uh here as much as some

24

00:01:15,530 --> 00:01:13,500

people would like and I think that it's

25

00:01:17,330 --> 00:01:15,540

time that they kind of were given more

26

00:01:19,789 --> 00:01:17,340

of a voice in this sort of male

27

00:01:22,969 --> 00:01:19,799

dominated world

28

00:01:24,530 --> 00:01:22,979

um so please keep the chat cordial if

29

00:01:25,850 --> 00:01:24,540

you don't mind I'd appreciate it if

30

00:01:29,030 --> 00:01:25,860

anybody wants to ask any questions

31

00:01:31,670 --> 00:01:29,040

please pop them in capital letters um

32

00:01:33,710 --> 00:01:31,680

and I'll get to see them

33

00:01:35,270 --> 00:01:33,720

yeah so

34

00:01:37,789 --> 00:01:35,280

I think that was everything I was gonna

35

00:01:39,950 --> 00:01:37,799

say I'm still a little bit

36

00:01:42,109 --> 00:01:39,960

Dopey after covid so you have to bear

37

00:01:43,670 --> 00:01:42,119

with me a little bit

38

00:01:45,670 --> 00:01:43,680

um yeah let's bring everybody in so

39

00:01:47,870 --> 00:01:45,680

first of all I'd like to introduce

40

00:01:49,910 --> 00:01:47,880

Priscilla Stone Priscilla how are you

41

00:01:51,530 --> 00:01:49,920

doing doing great glad to hear you're

42

00:01:53,690 --> 00:01:51,540

doing better but the covered fog is real

43

00:01:55,069 --> 00:01:53,700

because I had it last year so I totally

44

00:01:57,469 --> 00:01:55,079

get it thanks for having me and I'm

45

00:01:59,990 --> 00:01:57,479

excited to see everybody awesome thank

46

00:02:02,149 --> 00:02:00,000

you thank you next up we have Katie

47

00:02:04,310 --> 00:02:02,159

Howell and Katie how are you doing hey

48

00:02:05,929 --> 00:02:04,320

Vinnie doing great always happy to be on

49

00:02:06,830 --> 00:02:05,939

the channel and thanks for putting this

50

00:02:09,589 --> 00:02:06,840

together

51
00:02:11,150 --> 00:02:09,599
uh it's my pleasure my pleasure next up

52
00:02:13,190 --> 00:02:11,160
we have another returning guest Miss

53
00:02:15,110 --> 00:02:13,200
Britt Barbieri how are you doing Brit

54
00:02:16,369 --> 00:02:15,120
doing well thanks for having me

55
00:02:19,010 --> 00:02:16,379
everybody excited to be a part of this

56
00:02:21,410 --> 00:02:19,020
panel today thanks no thank you for

57
00:02:23,690 --> 00:02:21,420
coming um if any yeah if you have any uh

58
00:02:26,449 --> 00:02:23,700
technical issues Britt just drop out

59
00:02:29,150 --> 00:02:26,459
come back in and it's always no problem

60
00:02:31,550 --> 00:02:29,160
at all finally another good friend of

61
00:02:34,369 --> 00:02:31,560
mine good friend of the show Steph

62
00:02:36,530 --> 00:02:34,379
Elizabeth Steph how you doing wonderful

63
00:02:38,750 --> 00:02:36,540

and so great to see you ladies all

64

00:02:40,430 --> 00:02:38,760

together on Vinnie's Channel thanks so

65

00:02:42,770 --> 00:02:40,440

much for putting this together

66

00:02:44,410 --> 00:02:42,780

I know like the pleasure's all mine um

67

00:02:47,330 --> 00:02:44,420

we've had a lot of good conversations

68

00:02:50,270 --> 00:02:47,340

individually behind the scenes on the

69

00:02:52,130 --> 00:02:50,280

channel and so this is just an extension

70

00:02:54,710 --> 00:02:52,140

of that and and I think a lot of people

71

00:02:57,229 --> 00:02:54,720

are really going to dig this one so uh

72

00:02:58,610 --> 00:02:57,239

yeah let's uh let's jump straight in I'd

73

00:03:00,949 --> 00:02:58,620

really be interested to hear from you

74

00:03:04,130 --> 00:03:00,959

guys how it's been for you being kind of

75

00:03:06,110 --> 00:03:04,140

in the the kind of public eye in ufology

76

00:03:07,850 --> 00:03:06,120

rather than kind of behind the scenes

77

00:03:10,490 --> 00:03:07,860

and stuff and I'd just like to hear how

78

00:03:14,350 --> 00:03:10,500

you how your experiences has been and

79

00:03:16,670 --> 00:03:14,360

changed if it has changed over time

80

00:03:18,410 --> 00:03:16,680

Priscilla let's start with you okay I

81

00:03:20,690 --> 00:03:18,420

was like two weeks right there we need a

82

00:03:23,210 --> 00:03:20,700

button mate like buzz in

83

00:03:25,490 --> 00:03:23,220

um yeah so I mean I've been following

84

00:03:27,170 --> 00:03:25,500

this my whole life literally since I

85

00:03:28,550 --> 00:03:27,180

mean I grew up in a paranormal household

86

00:03:30,110 --> 00:03:28,560

and the UFO thing happened in

87

00:03:31,130 --> 00:03:30,120

kindergarten as most people that know me

88

00:03:33,290 --> 00:03:31,140

know

89

00:03:34,970 --> 00:03:33,300

um but being public about it was totally

90

00:03:37,250 --> 00:03:34,980

kind of like a shock like first I came

91

00:03:39,530 --> 00:03:37,260

out of the room closet as a witch

92

00:03:41,690 --> 00:03:39,540

um in 2014 and that was kind of like

93

00:03:43,130 --> 00:03:41,700

holy cow like like I'm gonna get burned

94

00:03:44,270 --> 00:03:43,140

like I don't know what this fear comes

95

00:03:46,910 --> 00:03:44,280

from

96

00:03:48,530 --> 00:03:46,920

um with like reality I don't know you

97

00:03:50,330 --> 00:03:48,540

know weird right maybe the Inquisition

98

00:03:53,570 --> 00:03:50,340

and being Native American limited

99

00:03:55,910 --> 00:03:53,580

anyways um but um the whole UFO thing

100

00:03:58,490 --> 00:03:55,920

kind of happened on accident

101
00:04:01,070 --> 00:03:58,500
um and like coming public happened it

102
00:04:02,809 --> 00:04:01,080
just happened like organically as they

103
00:04:05,990 --> 00:04:02,819
would say even though um we know

104
00:04:07,369 --> 00:04:06,000
organically means many things but I I

105
00:04:09,289 --> 00:04:07,379
don't know I never thought I'd talk in

106
00:04:10,910 --> 00:04:09,299
front of people and right before Vinnie

107
00:04:12,649 --> 00:04:10,920
kind of like

108
00:04:14,089 --> 00:04:12,659
um he shared one of my you I randomly

109
00:04:15,649 --> 00:04:14,099
showed a UFO post and then he shared it

110
00:04:17,090 --> 00:04:15,659
and I was like who's this guy and then I

111
00:04:18,409 --> 00:04:17,100
was like whoa he's got all kinds of cool

112
00:04:20,090 --> 00:04:18,419
stuff and that's kind of how it started

113
00:04:22,610 --> 00:04:20,100

realizing that there's this whole

114

00:04:24,230 --> 00:04:22,620

Community I was terrified of Twitter I

115

00:04:25,790 --> 00:04:24,240

didn't have a Twitter

116

00:04:28,670 --> 00:04:25,800

um I was terrified of public speaking

117

00:04:30,050 --> 00:04:28,680

some guy told me that like I got a

118

00:04:31,730 --> 00:04:30,060

reading one time and he's like you're

119

00:04:33,170 --> 00:04:31,740

going to be talking about UFOs to people

120

00:04:37,249 --> 00:04:33,180

and I'm like no I'm not I hate public

121

00:04:39,110 --> 00:04:37,259

speaking so so here I am I'm doing it

122

00:04:40,610 --> 00:04:39,120

anyways I guess and I don't sound like

123

00:04:43,730 --> 00:04:40,620

my voice is shaky or anything I don't

124

00:04:45,650 --> 00:04:43,740

think so yeah um so far it's been very

125

00:04:47,270 --> 00:04:45,660

welcoming it's been very freeing it's

126

00:04:48,830 --> 00:04:47,280

been a beautiful time to be involved in

127

00:04:50,950 --> 00:04:48,840

it seeing all this amazing stuff happen

128

00:04:54,290 --> 00:04:50,960

and meeting all these beautiful people

129

00:04:55,969 --> 00:04:54,300

there has been some you know um some

130

00:04:57,650 --> 00:04:55,979

jerks here and there but I guess that's

131

00:04:59,870 --> 00:04:57,660

expected once you join Twitter it's just

132

00:05:01,629 --> 00:04:59,880

like initiation process

133

00:05:04,310 --> 00:05:01,639

um mostly revolving around the way

134

00:05:06,830 --> 00:05:04,320

females look like how they're how they

135

00:05:08,870 --> 00:05:06,840

present themselves like visually is the

136

00:05:11,749 --> 00:05:08,880

only time I've ever run into anything

137

00:05:13,850 --> 00:05:11,759

but um I I love it here and I'm glad to

138

00:05:16,969 --> 00:05:13,860

be here and I'm glad to stay here and

139

00:05:20,510 --> 00:05:16,979

keep helping the subject move forward

140

00:05:22,490 --> 00:05:20,520

excellent Katie on to you

141

00:05:25,189 --> 00:05:22,500

yeah well I guess kind of similar to

142

00:05:28,129 --> 00:05:25,199

Priscilla I never like intended to join

143

00:05:30,469 --> 00:05:28,139

the UAP Community

144

00:05:34,010 --> 00:05:30,479

um I my background was kind of working

145

00:05:36,590 --> 00:05:34,020

in the foreign policy field in DC and

146

00:05:38,330 --> 00:05:36,600

um had like 200 Twitter followers that I

147

00:05:41,629 --> 00:05:38,340

like to tweet about genocide too so I

148

00:05:43,490 --> 00:05:41,639

was like super popular and

149

00:05:45,830 --> 00:05:43,500

um tweeted about something I was putting

150

00:05:47,689 --> 00:05:45,840

together with Chris Mellon and kind of

151

00:05:51,469 --> 00:05:47,699

found myself embroiled in this lovely

152

00:05:55,189 --> 00:05:51,479

and terrifying at times Community

153

00:05:58,909 --> 00:05:55,199

um my experience has been mixed honestly

154

00:06:01,370 --> 00:05:58,919

I think I've met some of the most open

155

00:06:03,050 --> 00:06:01,380

and just encouraging and supportive

156

00:06:05,450 --> 00:06:03,060

people on here like people I know will

157

00:06:08,689 --> 00:06:05,460

be like truly lifelong friends and

158

00:06:11,749 --> 00:06:08,699

that's what I focus on because uh that's

159

00:06:13,310 --> 00:06:11,759

rare to find anywhere much less like on

160

00:06:15,890 --> 00:06:13,320

the internet I get to meet some of them

161

00:06:20,090 --> 00:06:15,900

this week which is so exciting

162

00:06:22,490 --> 00:06:20,100

um Priscilla uh speaking of and I I

163

00:06:24,650 --> 00:06:22,500

think that you know the challenges that

164

00:06:26,930 --> 00:06:24,660

there is some there are some

165

00:06:29,330 --> 00:06:26,940

um less than kind individuals I think

166

00:06:30,710 --> 00:06:29,340

that everyone gets that on Twitter but I

167

00:06:32,450 --> 00:06:30,720

do think that women tend to get it a

168

00:06:34,370 --> 00:06:32,460

little bit more

169

00:06:35,990 --> 00:06:34,380

um and you know that's why I think

170

00:06:37,189 --> 00:06:36,000

events like this are important uh

171

00:06:38,930 --> 00:06:37,199

because I think when we're talking about

172

00:06:41,749 --> 00:06:38,940

like the notion of reality it's

173

00:06:43,610 --> 00:06:41,759

important that we expand the perceptions

174

00:06:45,290 --> 00:06:43,620

and the perspectives that we have to

175

00:06:48,590 --> 00:06:45,300

talk about that because we come from

176
00:06:50,029 --> 00:06:48,600
very different backgrounds and um and

177
00:06:52,249 --> 00:06:50,039
experiences and so that's why I'm so

178
00:06:55,309 --> 00:06:52,259
grateful for you Vinnie

179
00:06:56,930 --> 00:06:55,319
um and for you know forums like this so

180
00:07:00,230 --> 00:06:56,940
really excited to hear what everyone has

181
00:07:01,189 --> 00:07:00,240
to say awesome thank you Steph let's go

182
00:07:03,950 --> 00:07:01,199
on to you

183
00:07:07,070 --> 00:07:03,960
all right well I run UAP experiencers

184
00:07:10,010 --> 00:07:07,080
and my my family and I witnessed a black

185
00:07:13,969 --> 00:07:10,020
triangle uh craft hovering and following

186
00:07:16,490 --> 00:07:13,979
our car back in 1985 and it over the

187
00:07:20,689 --> 00:07:16,500
years has been spoken upon throughout

188
00:07:24,230 --> 00:07:20,699

our family but in privacy and come about

189

00:07:26,749 --> 00:07:24,240

2020 you know we had a big event then it

190

00:07:28,670 --> 00:07:26,759

began to weigh on me and so as that

191

00:07:31,490 --> 00:07:28,680

happened I did find these different

192

00:07:34,730 --> 00:07:31,500

Outlets such as Vinnie Danny Silva a

193

00:07:39,050 --> 00:07:34,740

couple of people who just were very open

194

00:07:41,809 --> 00:07:39,060

to the topic and so as I started to you

195

00:07:43,309 --> 00:07:41,819

know decide well I really feel that this

196

00:07:45,890 --> 00:07:43,319

is an important subject to speak on

197

00:07:48,589 --> 00:07:45,900

because there were multiple Witnesses

198

00:07:50,629 --> 00:07:48,599

and you know we

199

00:07:52,730 --> 00:07:50,639

if there's four people that had seen it

200

00:07:54,350 --> 00:07:52,740

then I think that it's pretty real and

201
00:07:56,629 --> 00:07:54,360
also coming from an aerospace background

202
00:07:59,390 --> 00:07:56,639
I feel that I have to expound on that

203
00:08:01,249 --> 00:07:59,400
because we did grow up around Aerospace

204
00:08:03,110 --> 00:08:01,259
you know airplanes and helicopters and

205
00:08:04,550 --> 00:08:03,120
what have you so

206
00:08:07,610 --> 00:08:04,560
um I felt that it was important to speak

207
00:08:10,070 --> 00:08:07,620
on and now I provide a platform for

208
00:08:13,909 --> 00:08:10,080
people who have experienced

209
00:08:15,589 --> 00:08:13,919
um you know UAP even paranormal it's

210
00:08:17,210 --> 00:08:15,599
starting to come to the Forefront where

211
00:08:18,770 --> 00:08:17,220
I think that a lot of these

212
00:08:20,330 --> 00:08:18,780
conversations are really going to start

213
00:08:22,790 --> 00:08:20,340

putting these pieces of this puzzle

214

00:08:25,730 --> 00:08:22,800

together because I do think that there

215

00:08:27,770 --> 00:08:25,740

is some relation to all of these

216

00:08:29,749 --> 00:08:27,780

subjects that we're all so interested in

217

00:08:31,430 --> 00:08:29,759

so I'm just I'm happy to provide the

218

00:08:34,310 --> 00:08:31,440

platform

219

00:08:36,589 --> 00:08:34,320

um what I'm noticing is uh yes I I

220

00:08:39,949 --> 00:08:36,599

noticed the Twitter drama if you will

221

00:08:43,010 --> 00:08:39,959

and I do intend to stay back from that

222

00:08:44,810 --> 00:08:43,020

I'd like to uh you know keep this as

223

00:08:46,850 --> 00:08:44,820

serious as possible I do think that it's

224

00:08:50,630 --> 00:08:46,860

something that you know needs to take be

225

00:08:52,730 --> 00:08:50,640

taken with with a high level of

226
00:08:54,530 --> 00:08:52,740
seriousness and I understand that there

227
00:08:56,570 --> 00:08:54,540
has been a novelty to this subject

228
00:08:58,430 --> 00:08:56,580
throughout the years and I I would like

229
00:09:01,130 --> 00:08:58,440
to see that change

230
00:09:03,290 --> 00:09:01,140
um what I do uh really notice the most

231
00:09:06,970 --> 00:09:03,300
is I think that there needs to be a

232
00:09:11,630 --> 00:09:06,980
better protocol one for identifying UAP

233
00:09:15,710 --> 00:09:11,640
uh second reporting a proper reporting

234
00:09:18,230 --> 00:09:15,720
system and then also that Witnesses are

235
00:09:21,230 --> 00:09:18,240
directed for proper treatment or therapy

236
00:09:23,389 --> 00:09:21,240
and that's what I'm noticing so glad to

237
00:09:25,850 --> 00:09:23,399
be on board and you know I just I hope

238
00:09:27,350 --> 00:09:25,860

to continue the conversation and you

239

00:09:30,829 --> 00:09:27,360

know we're all we're all here to learn

240

00:09:33,590 --> 00:09:30,839

this is there's something new every day

241

00:09:35,210 --> 00:09:33,600

absolutely yeah now bread just just

242

00:09:36,949 --> 00:09:35,220

before you speak you've been actually

243

00:09:39,230 --> 00:09:36,959

kind of in this for probably a bit

244

00:09:41,090 --> 00:09:39,240

longer than all of us here and you've

245

00:09:43,370 --> 00:09:41,100

even been online done the sort of TV

246

00:09:45,230 --> 00:09:43,380

shows and stuff so you really have you

247

00:09:46,910 --> 00:09:45,240

know been out there for everyone to see

248

00:09:54,650 --> 00:09:46,920

so yeah I'd be interested to see how

249

00:09:58,850 --> 00:09:56,269

my household we always were very open

250

00:10:00,769 --> 00:09:58,860

about any experience we had whether it

251
00:10:02,269 --> 00:10:00,779
be paranormal or UFOs I remember my

252
00:10:03,590 --> 00:10:02,279
uncle my mom talking about the UFOs they

253
00:10:05,269 --> 00:10:03,600
used to see all the time in Arizona and

254
00:10:05,870 --> 00:10:05,279
out west and things like that

255
00:10:08,570 --> 00:10:05,880
um

256
00:10:09,949 --> 00:10:08,580
so for me it was kind of like you know

257
00:10:11,630 --> 00:10:09,959
the only thing that always bothered me

258
00:10:12,949 --> 00:10:11,640
growing up was that people just kind of

259
00:10:14,449 --> 00:10:12,959
poo-pooed it away like it wasn't a real

260
00:10:18,230 --> 00:10:14,459
thing it was kind of just this weird

261
00:10:21,170 --> 00:10:18,240
folklore that wasn't a real thing and

262
00:10:23,150 --> 00:10:21,180
I just was like no it is and so I drove

263
00:10:24,650 --> 00:10:23,160

forward with it even if it's like tried

264

00:10:26,750 --> 00:10:24,660

to drift away from it it always brought

265

00:10:28,850 --> 00:10:26,760

me back into it and then

266

00:10:31,370 --> 00:10:28,860

um getting into it from the level that

267

00:10:33,710 --> 00:10:31,380

I'm at is um you know it's a difficult

268

00:10:36,470 --> 00:10:33,720

position because I work a lot with hot

269

00:10:38,090 --> 00:10:36,480

spots and major locations

270

00:10:40,550 --> 00:10:38,100

um that really deal and see these things

271

00:10:42,110 --> 00:10:40,560

quite often as far as even I deal a lot

272

00:10:44,030 --> 00:10:42,120

with Usos

273

00:10:45,710 --> 00:10:44,040

um a lot of you know objects that are

274

00:10:48,110 --> 00:10:45,720

being seen in the water with different

275

00:10:48,829 --> 00:10:48,120

types of boat captains and things like

276

00:10:49,430 --> 00:10:48,839

that

277

00:10:51,949 --> 00:10:49,440

um

278

00:10:54,470 --> 00:10:51,959

and it's just really fascinating to me

279

00:10:56,389 --> 00:10:54,480

and then of course being able to

280

00:10:58,310 --> 00:10:56,399

um you know dive in the ocean and find

281

00:10:59,990 --> 00:10:58,320

things that just don't make sense as far

282

00:11:01,970 --> 00:11:00,000

as sounds

283

00:11:03,650 --> 00:11:01,980

um and you know the NOAA always tries to

284

00:11:05,569 --> 00:11:03,660

come out with whatever they can to

285

00:11:06,829 --> 00:11:05,579

explain stuff away and sometimes they

286

00:11:09,230 --> 00:11:06,839

just can't

287

00:11:12,290 --> 00:11:09,240

um and of course right now what we're

288

00:11:13,850 --> 00:11:12,300

dealing with is and I I just want to say

289

00:11:16,009 --> 00:11:13,860

I stay away from the Twitter I'm on

290

00:11:17,750 --> 00:11:16,019

Twitter I have like 20 followers I'm not

291

00:11:19,550 --> 00:11:17,760

gonna lie I have like nothing because I

292

00:11:22,069 --> 00:11:19,560

don't I just don't actively work on it

293

00:11:24,590 --> 00:11:22,079

and I I get very frustrated with people

294

00:11:26,210 --> 00:11:24,600

just there's the bullying there's the I

295

00:11:28,370 --> 00:11:26,220

know more than you so I'm gonna put you

296

00:11:29,750 --> 00:11:28,380

down you know and it's like you don't

297

00:11:31,009 --> 00:11:29,760

know what we do behind the scenes all

298

00:11:32,449 --> 00:11:31,019

we're doing is either retweeting

299

00:11:33,829 --> 00:11:32,459

something that we agree with or we're

300

00:11:35,090 --> 00:11:33,839

just putting out a quick comment of some

301
00:11:37,069 --> 00:11:35,100
really cool news update that we want to

302
00:11:39,769 --> 00:11:37,079
share and for some reason somebody feels

303
00:11:41,030 --> 00:11:39,779
it's okay to just lash on you even if

304
00:11:42,170 --> 00:11:41,040
you're a woman I'm sure you guys have

305
00:11:44,090 --> 00:11:42,180
felt this too it's like oh you don't

306
00:11:46,550 --> 00:11:44,100
know anything you're a woman you know

307
00:11:48,230 --> 00:11:46,560
it's like okay

308
00:11:49,790 --> 00:11:48,240
um so I stayed away from that I agree

309
00:11:51,410 --> 00:11:49,800
with Steph I'm trying to keep it very

310
00:11:52,790 --> 00:11:51,420
you know with all the Congressional

311
00:11:53,990 --> 00:11:52,800
hearings that are in place and a lot of

312
00:11:55,910 --> 00:11:54,000
movement going on

313
00:11:57,110 --> 00:11:55,920

um in-house within the government and a

314

00:11:58,430 --> 00:11:57,120

lot of reach out you know I've been

315

00:12:00,590 --> 00:11:58,440

reaching out to the government trying to

316

00:12:02,509 --> 00:12:00,600

request certain things and and details

317

00:12:03,829 --> 00:12:02,519

that I want to move forward with and

318

00:12:06,290 --> 00:12:03,839

sightings and stuff like that I mean

319

00:12:07,970 --> 00:12:06,300

we're getting to a point now where our

320

00:12:09,470 --> 00:12:07,980

sightings have increased where it used

321

00:12:11,030 --> 00:12:09,480

to be you'd get a couple of week a

322

00:12:12,829 --> 00:12:11,040

couple a month you know you're like oh

323

00:12:15,350 --> 00:12:12,839

this is great now it's daily I'm getting

324

00:12:17,990 --> 00:12:15,360

daily reports that are coming in from

325

00:12:20,870 --> 00:12:18,000

airspace you know and from the ocean and

326

00:12:24,110 --> 00:12:20,880

from overseas and so when you get this

327

00:12:25,550 --> 00:12:24,120

heavy amount that you can easily out of

328

00:12:28,009 --> 00:12:25,560

like probably

329

00:12:29,449 --> 00:12:28,019

six out of the 10 videos you get are

330

00:12:30,710 --> 00:12:29,459

legitimate the other ones can be

331

00:12:32,030 --> 00:12:30,720

explained

332

00:12:34,310 --> 00:12:32,040

um you sit there and you kind of go okay

333

00:12:36,050 --> 00:12:34,320

what is really going on and why is this

334

00:12:37,790 --> 00:12:36,060

happening and I do think there's a

335

00:12:38,870 --> 00:12:37,800

difference between many of the vessels I

336

00:12:40,430 --> 00:12:38,880

think some of them are coming from the

337

00:12:41,690 --> 00:12:40,440

ocean some of them are coming from outer

338

00:12:43,129 --> 00:12:41,700

space

339

00:12:45,290 --> 00:12:43,139

um and I think each one has a purpose

340

00:12:46,310 --> 00:12:45,300

and it's it's basically logging all that

341

00:12:48,889 --> 00:12:46,320

so

342

00:12:51,110 --> 00:12:48,899

may not my production partner and

343

00:12:53,090 --> 00:12:51,120

investigator in crime is Ben Hansen and

344

00:12:54,530 --> 00:12:53,100

we work together very closely we do

345

00:12:56,150 --> 00:12:54,540

everything together we do reportings

346

00:12:57,050 --> 00:12:56,160

together we have a lot going on he has a

347

00:12:58,610 --> 00:12:57,060

couple of stuff that we're working on

348

00:13:00,530 --> 00:12:58,620

right now that we can't even discuss yet

349

00:13:02,329 --> 00:13:00,540

because it's going to be coming out that

350

00:13:04,930 --> 00:13:02,339

we're going to be promoting

351
00:13:07,430 --> 00:13:04,940
um but he does have a current video up

352
00:13:09,650 --> 00:13:07,440
on his YouTube channel which I encourage

353
00:13:11,870 --> 00:13:09,660
everyone to please go see in regards to

354
00:13:13,490 --> 00:13:11,880
a pilot report and these things are

355
00:13:16,009 --> 00:13:13,500
happening and it's extremely incredible

356
00:13:18,170 --> 00:13:16,019
what's being seen and so you know I

357
00:13:20,150 --> 00:13:18,180
always get really frustrated which I'm

358
00:13:21,829 --> 00:13:20,160
sure Steph probably has too when you get

359
00:13:23,569 --> 00:13:21,839
these people like oh I know what that is

360
00:13:24,949 --> 00:13:23,579
that's such a ton you're like no you're

361
00:13:26,449 --> 00:13:24,959
wrong because we've got Pilots that have

362
00:13:28,310 --> 00:13:26,459
been doing this for years that are

363
00:13:30,829 --> 00:13:28,320

saying look I've been in this airspace I

364

00:13:32,870 --> 00:13:30,839

know planets I know Stars I know you

365

00:13:33,949 --> 00:13:32,880

know flares I know drones I know these

366

00:13:35,150 --> 00:13:33,959

things that happen at night and

367

00:13:36,829 --> 00:13:35,160

everything has to be logged in the

368

00:13:38,930 --> 00:13:36,839

system when these things are you know

369

00:13:40,250 --> 00:13:38,940

taking place in our airspace so if it's

370

00:13:42,050 --> 00:13:40,260

not being logged it's not in there you

371

00:13:44,449 --> 00:13:42,060

can't track it you can't Target it it is

372

00:13:45,710 --> 00:13:44,459

something unknown it is a UFO you know

373

00:13:48,230 --> 00:13:45,720

and I know they want to call it a UAP

374

00:13:50,210 --> 00:13:48,240

but it's still a UFO especially when our

375

00:13:51,769 --> 00:13:50,220

last Congressional hearing came out and

376

00:13:53,750 --> 00:13:51,779

basically said listen we know it's a

377

00:13:56,150 --> 00:13:53,760

tangible object okay then stop putting

378

00:13:58,910 --> 00:13:56,160

it under UAP go back to what it was it's

379

00:14:01,490 --> 00:13:58,920

a UFO which I've had that discussion

380

00:14:03,829 --> 00:14:01,500

with Vinnie before I refuse I reviewed

381

00:14:06,350 --> 00:14:03,839

the Call of Duty oh thank goodness thank

382

00:14:07,730 --> 00:14:06,360

goodness I do it I make like a joke I'm

383

00:14:09,050 --> 00:14:07,740

like it's uip if you're fancy because

384

00:14:10,490 --> 00:14:09,060

that's all the people are like calling

385

00:14:12,650 --> 00:14:10,500

it like like

386

00:14:14,930 --> 00:14:12,660

I I understand the removing of the

387

00:14:16,610 --> 00:14:14,940

stigma or trying to but it's still

388

00:14:19,190 --> 00:14:16,620

exactly what you said

389

00:14:22,490 --> 00:14:19,200

um even if it's like an orb it's still

390

00:14:23,629 --> 00:14:22,500

something tangible do you know also I

391

00:14:27,230 --> 00:14:23,639

totally agree with that and I'm happy

392

00:14:30,110 --> 00:14:27,240

that you stick with it oh yeah I'm yeah

393

00:14:32,930 --> 00:14:30,120

well I'm fine yeah do you agree that

394

00:14:34,790 --> 00:14:32,940

they rebranded it to get rid of all of

395

00:14:36,769 --> 00:14:34,800

the information that they've redacted

396

00:14:38,329 --> 00:14:36,779

over the years I mean they're they're

397

00:14:41,329 --> 00:14:38,339

trying to erase what had already

398

00:14:43,430 --> 00:14:41,339

happened and here we are doing what we

399

00:14:44,569 --> 00:14:43,440

do now and nothing's stopping us you

400

00:14:47,689 --> 00:14:44,579

know we're we're gonna we're gonna

401
00:14:51,009 --> 00:14:47,699
continue to to fight this so I I'm with

402
00:14:55,790 --> 00:14:51,019
you I like the UFO I may go back to that

403
00:14:58,069 --> 00:14:55,800
I I I'm tell Ben on it I won't change it

404
00:14:59,389 --> 00:14:58,079
it won't change that's right I mean I'll

405
00:15:01,250 --> 00:14:59,399
tell you straight up from like working

406
00:15:02,810 --> 00:15:01,260
in DC I don't think it has anything to

407
00:15:04,970 --> 00:15:02,820
do with any of us I think it has to do

408
00:15:07,250 --> 00:15:04,980
with political cover to be able to start

409
00:15:09,470 --> 00:15:07,260
putting these things into legislation I

410
00:15:11,689 --> 00:15:09,480
think if you ask a congressman to do a

411
00:15:14,030 --> 00:15:11,699
UFO Amendment they're going to get

412
00:15:15,889 --> 00:15:14,040
skewered if you ask them to do a UAP

413
00:15:17,689 --> 00:15:15,899

Amendment they have a little bit of

414

00:15:19,970 --> 00:15:17,699

cover so I think it's a lot more to do

415

00:15:22,430 --> 00:15:19,980

with that but I agree it's really silly

416

00:15:23,569 --> 00:15:22,440

for those of us who are actually

417

00:15:25,509 --> 00:15:23,579

um in the thick of it either as

418

00:15:28,069 --> 00:15:25,519

experiencers or researchers

419

00:15:31,009 --> 00:15:28,079

to use the fancy term

420

00:15:33,530 --> 00:15:31,019

yeah yeah I like both I'll always use

421

00:15:38,290 --> 00:15:33,540

both what is the newest one right isn't

422

00:15:43,430 --> 00:15:41,389

yeah Amy song and you up and all that

423

00:15:44,990 --> 00:15:43,440

you know they keep changing it I can't

424

00:15:46,970 --> 00:15:45,000

keep up with it it's like an alphabet

425

00:15:49,610 --> 00:15:46,980

for UFOs I'm like What's it gonna be

426

00:15:53,230 --> 00:15:49,620

this week I don't know it's a UFO people

427

00:15:55,550 --> 00:15:53,240

just call it what it is not renation

428

00:15:58,189 --> 00:15:55,560

it's funny because each time the office

429

00:16:00,590 --> 00:15:58,199

gets a new name and an acronym I just

430

00:16:02,329 --> 00:16:00,600

about learn it get it down right and

431

00:16:04,189 --> 00:16:02,339

then they bring out a new one like we've

432

00:16:06,250 --> 00:16:04,199

just heard they're gonna rename the

433

00:16:09,730 --> 00:16:06,260

office at the end of the year

434

00:16:13,069 --> 00:16:09,740

it's like come on like

435

00:16:15,290 --> 00:16:13,079

it's uh it's crazy yeah and one thing

436

00:16:17,870 --> 00:16:15,300

that I did pick up on Steph as well that

437

00:16:20,210 --> 00:16:17,880

you said was you mentioned paranormal

438

00:16:22,610 --> 00:16:20,220

again and I think we've seen a lot in

439

00:16:24,050 --> 00:16:22,620

the in the last year or two that these

440

00:16:26,090 --> 00:16:24,060

connections are being made now between

441

00:16:29,090 --> 00:16:26,100

the Paranormal aspect of things the the

442

00:16:30,769 --> 00:16:29,100

kind of esoteric and the kind of nuts

443

00:16:32,990 --> 00:16:30,779

and bolts so I'd like to know how you

444

00:16:34,790 --> 00:16:33,000

guys feels that

445

00:16:37,310 --> 00:16:34,800

and I'm not asking for the answers or

446

00:16:38,930 --> 00:16:37,320

the actual like this is the relationship

447

00:16:40,370 --> 00:16:38,940

but like you know I think a lot of

448

00:16:42,050 --> 00:16:40,380

people have seen it so I just like your

449

00:16:45,829 --> 00:16:42,060

guys take on it

450

00:16:49,790 --> 00:16:45,839

agreed and yeah and there's these

451
00:16:52,610 --> 00:16:49,800
amorphous type things that we we cannot

452
00:16:54,110 --> 00:16:52,620
explain that we're trying to piece

453
00:16:57,110 --> 00:16:54,120
together right and then we have our

454
00:16:59,810 --> 00:16:57,120
Priscilla where she specializes in those

455
00:17:03,170 --> 00:16:59,820
things and then also has been a witness

456
00:17:04,730 --> 00:17:03,180
to a UAP so the more conversations that

457
00:17:06,949 --> 00:17:04,740
we have

458
00:17:09,650 --> 00:17:06,959
um I can say that there's definitely

459
00:17:12,049 --> 00:17:09,660
some sort of a connection

460
00:17:15,169 --> 00:17:12,059
um I can say my sister was a witness to

461
00:17:17,569 --> 00:17:15,179
UAP after we had witnessed it a couple

462
00:17:20,210 --> 00:17:17,579
years later she did have some sort of an

463
00:17:23,210 --> 00:17:20,220

auditory illusion of an uncle whom had

464

00:17:25,189 --> 00:17:23,220

passed so he was calling her name and my

465

00:17:27,110 --> 00:17:25,199

sister doesn't she doesn't follow all of

466

00:17:30,350 --> 00:17:27,120

this stuff she's a total square she's

467

00:17:32,750 --> 00:17:30,360

into software she's she's just like yes

468

00:17:35,029 --> 00:17:32,760

I'll tell I'll for sure tell you guys

469

00:17:37,130 --> 00:17:35,039

what had happened again but you know

470

00:17:39,110 --> 00:17:37,140

she's she's not you know doing what

471

00:17:41,270 --> 00:17:39,120

we're trying to do here's our I would

472

00:17:43,669 --> 00:17:41,280

like to call us Trailblazers

473

00:17:46,850 --> 00:17:43,679

um I've had another way witness who had

474

00:17:49,130 --> 00:17:46,860

witnessed an orb over a cornfield it

475

00:17:51,230 --> 00:17:49,140

blazed past him it was the color green

476

00:17:52,730 --> 00:17:51,240

which is different we see all these

477

00:17:56,210 --> 00:17:52,740

different colors of orbs most of them

478

00:17:58,490 --> 00:17:56,220

are going to be orange but it left no

479

00:18:01,010 --> 00:17:58,500

sort of trail of dust or dirt or

480

00:18:04,130 --> 00:18:01,020

anything such as that it just blazed by

481

00:18:06,710 --> 00:18:04,140

and then soon after that the witness had

482

00:18:09,830 --> 00:18:06,720

seen an image of his grandfather whom

483

00:18:11,570 --> 00:18:09,840

had passed which I think is you know how

484

00:18:13,610 --> 00:18:11,580

do you put all of these events together

485

00:18:15,650 --> 00:18:13,620

from different people you know and

486

00:18:17,990 --> 00:18:15,660

people you're related to and then total

487

00:18:19,789 --> 00:18:18,000

you know you know I call them they're

488

00:18:23,029 --> 00:18:19,799

friends now you know that that's what

489

00:18:25,310 --> 00:18:23,039

this platform is for so you know if you

490

00:18:27,710 --> 00:18:25,320

don't share it then how are we going to

491

00:18:30,950 --> 00:18:27,720

put this piece of the puzzle together so

492

00:18:32,870 --> 00:18:30,960

I yeah Priscilla Woody oh yeah

493

00:18:35,810 --> 00:18:32,880

everything you said and it's common and

494

00:18:37,549 --> 00:18:35,820

before I was actively like switched

495

00:18:40,130 --> 00:18:37,559

everything to Instagram I was doing

496

00:18:42,710 --> 00:18:40,140

metaphysical and meditation type uh

497

00:18:44,330 --> 00:18:42,720

classes with my other friend and we have

498

00:18:46,190 --> 00:18:44,340

like a business of it we made little

499

00:18:49,130 --> 00:18:46,200

spiritual kits whatever but you know um

500

00:18:50,390 --> 00:18:49,140

I did do a I did like a starseed

501
00:18:52,610 --> 00:18:50,400
September right which I know people

502
00:18:54,710 --> 00:18:52,620
cringe at that term especially the more

503
00:18:56,630 --> 00:18:54,720
nuts and bolts people but it is

504
00:18:58,549 --> 00:18:56,640
something it is a group of people that

505
00:19:00,590 --> 00:18:58,559
still needs to be acknowledged that read

506
00:19:01,909 --> 00:19:00,600
about that sort of thing and it's also a

507
00:19:03,770 --> 00:19:01,919
fun thought experiment to think about

508
00:19:06,230 --> 00:19:03,780
where are these different Ships coming

509
00:19:09,230 --> 00:19:06,240
from but the one thing I can tell you is

510
00:19:10,970 --> 00:19:09,240
people that have had sightings do that

511
00:19:13,010 --> 00:19:10,980
I've met just throughout my life before

512
00:19:14,270 --> 00:19:13,020
trying to offer a safe space which is

513
00:19:16,909 --> 00:19:14,280

kind of what my channel is about well

514

00:19:18,350 --> 00:19:16,919

part of it besides books the people

515

00:19:19,549 --> 00:19:18,360

would come to me they would just come to

516

00:19:21,770 --> 00:19:19,559

me be like hey like I know you're not

517

00:19:23,810 --> 00:19:21,780

going to judge me I saw this like I saw

518

00:19:25,549 --> 00:19:23,820

grandpa right like I'm giving my kids a

519

00:19:28,370 --> 00:19:25,559

bath and Grandpa popped up he's been

520

00:19:30,169 --> 00:19:28,380

dead for a while or uh the dream thing

521

00:19:32,090 --> 00:19:30,179

really fascinates me because it Taps

522

00:19:33,890 --> 00:19:32,100

into the subconscious and then that

523

00:19:35,330 --> 00:19:33,900

opens up other questions like like

524

00:19:38,570 --> 00:19:35,340

Jacques valet's book Messengers The

525

00:19:40,909 --> 00:19:38,580

deception like how do they tap into our

526
00:19:43,330 --> 00:19:40,919
Consciousness to help us experience or

527
00:19:46,190 --> 00:19:43,340
for us to experience or process them

528
00:19:48,770 --> 00:19:46,200
however we see it right is that our

529
00:19:52,070 --> 00:19:48,780
brain operating in its limited capacity

530
00:19:54,289 --> 00:19:52,080
or is it them actually projecting these

531
00:19:56,570 --> 00:19:54,299
things that we're registering as

532
00:19:58,370 --> 00:19:56,580
a reality and then you get into the

533
00:20:03,110 --> 00:19:58,380
Paranormal stuff

534
00:20:05,990 --> 00:20:03,120
does seeing a spirit a chupacabra a Yeti

535
00:20:08,090 --> 00:20:06,000
or a UFO suddenly open up your energetic

536
00:20:10,370 --> 00:20:08,100
feelers so you're more aware are you

537
00:20:12,950 --> 00:20:10,380
kind of stuck in this like Ultra hyper

538
00:20:14,870 --> 00:20:12,960

Vigilant state after that so that's why

539

00:20:16,250 --> 00:20:14,880

you notice more there's just so many

540

00:20:19,490 --> 00:20:16,260

questions and that's kind of the part

541

00:20:21,590 --> 00:20:19,500

that gets me and I do believe that

542

00:20:23,570 --> 00:20:21,600

there's a lot of physics that we may

543

00:20:26,150 --> 00:20:23,580

start understanding

544

00:20:28,010 --> 00:20:26,160

that is going to explain a lot of this

545

00:20:29,990 --> 00:20:28,020

including the Liu including the nuts and

546

00:20:32,210 --> 00:20:30,000

bolts and it's going to marry him yep

547

00:20:32,990 --> 00:20:32,220

yeah I I agree with that um Priscilla

548

00:20:34,909 --> 00:20:33,000

especially when you're talking about

549

00:20:36,890 --> 00:20:34,919

having an experience I think a lot of

550

00:20:38,750 --> 00:20:36,900

people are you know we're taught from a

551
00:20:40,549 --> 00:20:38,760
very young age of what is what right

552
00:20:42,049 --> 00:20:40,559
we're taught this is what should be this

553
00:20:43,190 --> 00:20:42,059
is what not supposed to be so if you see

554
00:20:45,289 --> 00:20:43,200
a ghost you're not really seeing a ghost

555
00:20:46,970 --> 00:20:45,299
is not really there they're not real so

556
00:20:49,490 --> 00:20:46,980
I think all along like in life most

557
00:20:50,870 --> 00:20:49,500
people have like a um like kind of a

558
00:20:52,250 --> 00:20:50,880
wall or shell up or even like a helmet

559
00:20:53,750 --> 00:20:52,260
on like they just don't realize that

560
00:20:57,350 --> 00:20:53,760
they have been taught to Zone these

561
00:20:59,150 --> 00:20:57,360
things out not pay attention but a UFO I

562
00:21:00,950 --> 00:20:59,160
think is what cracks open that shell

563
00:21:02,090 --> 00:21:00,960

completely because if somebody sees

564

00:21:03,350 --> 00:21:02,100

somebody on the flash corner of their

565

00:21:05,029 --> 00:21:03,360

eye they kind of don't pay attention to

566

00:21:07,430 --> 00:21:05,039

it because I worked in paranormal for

567

00:21:08,690 --> 00:21:07,440

almost 20 years and so I don't I don't

568

00:21:10,070 --> 00:21:08,700

think they really pay attention they see

569

00:21:11,330 --> 00:21:10,080

shadow figures they're like oh that

570

00:21:12,350 --> 00:21:11,340

could have just been my eye that could

571

00:21:15,230 --> 00:21:12,360

have been something stupid you know

572

00:21:16,909 --> 00:21:15,240

whatever they try and explain it away as

573

00:21:18,350 --> 00:21:16,919

we all do as adults right but as kids

574

00:21:19,549 --> 00:21:18,360

we're innocent we're like oh my God I

575

00:21:20,810 --> 00:21:19,559

just saw grandpa let me tell you what he

576

00:21:22,730 --> 00:21:20,820

said you know we just don't we don't

577

00:21:25,130 --> 00:21:22,740

have a barrier like that yet

578

00:21:27,529 --> 00:21:25,140

um but when you see UFO something that

579

00:21:29,090 --> 00:21:27,539

cannot be explained away I think it

580

00:21:31,130 --> 00:21:29,100

truly cracks open that shell that we

581

00:21:33,169 --> 00:21:31,140

carry and then all of a sudden now we're

582

00:21:35,210 --> 00:21:33,179

way more open we're way more open with

583

00:21:36,590 --> 00:21:35,220

our energy with everything around us to

584

00:21:38,029 --> 00:21:36,600

where now we are having these

585

00:21:39,350 --> 00:21:38,039

experiences because now we're starting

586

00:21:41,810 --> 00:21:39,360

to see the world a little bit

587

00:21:43,549 --> 00:21:41,820

differently so it's it's I think it does

588

00:21:45,169 --> 00:21:43,559

have a major impact and I've I've

589

00:21:46,370 --> 00:21:45,179

noticed it a lot like you were saying in

590

00:21:47,990 --> 00:21:46,380

like Steph was saying with people that

591

00:21:49,970 --> 00:21:48,000

have had experiences I mean I've seen

592

00:21:51,289 --> 00:21:49,980

UFOs myself very close I had a

593

00:21:53,330 --> 00:21:51,299

triangular experience that was like

594

00:21:56,570 --> 00:21:53,340

right above my head it was very very

595

00:21:58,430 --> 00:21:56,580

true like very weird but when you have

596

00:22:00,830 --> 00:21:58,440

those experiences you can't

597

00:22:02,570 --> 00:22:00,840

you can't forget it you don't poo poo it

598

00:22:03,470 --> 00:22:02,580

away it was what it was and then all of

599

00:22:05,510 --> 00:22:03,480

a sudden you start looking at the world

600

00:22:07,490 --> 00:22:05,520

very different you're like okay well if

601
00:22:08,990 --> 00:22:07,500
this is real then maybe aliens really

602
00:22:10,970 --> 00:22:09,000
are real you know like

603
00:22:12,529 --> 00:22:10,980
okay let's let's figure this out maybe

604
00:22:13,789 --> 00:22:12,539
the Egyptians weren't lying there's you

605
00:22:15,710 --> 00:22:13,799
know all these different races you know

606
00:22:17,029 --> 00:22:15,720
like you start like putting stuff

607
00:22:18,590 --> 00:22:17,039
together right because all of a sudden

608
00:22:20,390 --> 00:22:18,600
things are open but that's something I

609
00:22:22,130 --> 00:22:20,400
encourage when I have witnesses come to

610
00:22:23,750 --> 00:22:22,140
me I tell them all the time you know

611
00:22:25,669 --> 00:22:23,760
just because you've seen this be aware

612
00:22:28,070 --> 00:22:25,679
now that you might start being more open

613
00:22:30,230 --> 00:22:28,080

to seeing things and don't be scared of

614

00:22:32,570 --> 00:22:30,240

it the world around us is very

615

00:22:34,669 --> 00:22:32,580

it's deep and nobody explains it we're

616

00:22:36,710 --> 00:22:34,679

only at you know basically the surface a

617

00:22:37,549 --> 00:22:36,720

day-to-day life but beneath it is so

618

00:22:39,230 --> 00:22:37,559

many things especially when science

619

00:22:41,029 --> 00:22:39,240

comes out and talks about we're living

620

00:22:43,190 --> 00:22:41,039

in six different dimensions and they

621

00:22:45,409 --> 00:22:43,200

know that now scientifically so it's

622

00:22:46,850 --> 00:22:45,419

like wow that's insane what are these

623

00:22:48,649 --> 00:22:46,860

other dimensions that we don't know yet

624

00:22:51,350 --> 00:22:48,659

but the fact that science now has come

625

00:22:53,510 --> 00:22:51,360

out and spoke about that it really also

626
00:22:55,669 --> 00:22:53,520
helps you look at the world and go okay

627
00:22:57,529 --> 00:22:55,679
we're not in the 50s anymore we're

628
00:22:59,630 --> 00:22:57,539
allowed to talk openly about this which

629
00:23:02,210 --> 00:22:59,640
is fantastic

630
00:23:04,850 --> 00:23:02,220
no absolutely and I think that you know

631
00:23:07,090 --> 00:23:04,860
for most people who start nuts and bolts

632
00:23:10,070 --> 00:23:07,100
right there's there's almost this this

633
00:23:11,630 --> 00:23:10,080
Evolution where you know I'm not saying

634
00:23:13,490 --> 00:23:11,640
this is absolutely the answer because no

635
00:23:16,190 --> 00:23:13,500
one knows the answer but I think you go

636
00:23:18,529 --> 00:23:16,200
down a path where you eventually come to

637
00:23:20,630 --> 00:23:18,539
Consciousness right and what role does

638
00:23:24,950 --> 00:23:20,640

Consciousness play either in the

639

00:23:27,470 --> 00:23:24,960

manifestation the Pres presentation the

640

00:23:29,270 --> 00:23:27,480

um initiation of these events and I

641

00:23:31,070 --> 00:23:29,280

think that's where a lot of people who

642

00:23:32,330 --> 00:23:31,080

are turned off by the woo don't realize

643

00:23:34,549 --> 00:23:32,340

that you know a lot of people don't

644

00:23:36,770 --> 00:23:34,559

start there right it's after a lot of

645

00:23:38,029 --> 00:23:36,780

research and a lot of understanding of

646

00:23:40,130 --> 00:23:38,039

um different Traditions that you can

647

00:23:42,590 --> 00:23:40,140

kind of find the way there that like

648

00:23:44,810 --> 00:23:42,600

Priscilla said marries the two not not

649

00:23:45,950 --> 00:23:44,820

supersedes the other one

650

00:23:47,990 --> 00:23:45,960

um and one of the things I've always

651
00:23:49,610 --> 00:23:48,000
wondered so I'm unique from all three of

652
00:23:52,250 --> 00:23:49,620
you in that like I've had a ton of

653
00:23:55,190 --> 00:23:52,260
paranormal experiences my whole life

654
00:23:56,930 --> 00:23:55,200
um not so much UAP experiences I've had

655
00:23:58,370 --> 00:23:56,940
some weird experiences during meditation

656
00:23:59,450 --> 00:23:58,380
that

657
00:24:01,070 --> 00:23:59,460
um

658
00:24:03,649 --> 00:24:01,080
I don't know how to categorize

659
00:24:05,210 --> 00:24:03,659
categorize uh but you know I've never

660
00:24:07,130 --> 00:24:05,220
seen a craft and so one of the things

661
00:24:09,049 --> 00:24:07,140
I've always wondered about too is I I

662
00:24:11,690 --> 00:24:09,059
think there are people who act sort of

663
00:24:13,430 --> 00:24:11,700

as Gary Nolan's said lighthouses right

664

00:24:15,409 --> 00:24:13,440

that like for whatever reason having

665

00:24:17,750 --> 00:24:15,419

these experiences turns something on

666

00:24:19,610 --> 00:24:17,760

whether they're attracted to you or your

667

00:24:22,909 --> 00:24:19,620

perception is opened

668

00:24:25,610 --> 00:24:22,919

um but I've wondered why some people see

669

00:24:27,230 --> 00:24:25,620

um physical craft physical beings things

670

00:24:29,630 --> 00:24:27,240

like that other people have these more

671

00:24:32,029 --> 00:24:29,640

esoteric like out of body experiences

672

00:24:34,549 --> 00:24:32,039

and I've always been very curious if

673

00:24:37,610 --> 00:24:34,559

that is due to dual nature of these

674

00:24:39,950 --> 00:24:37,620

things if it's due to some people have

675

00:24:41,930 --> 00:24:39,960

to be contacted in different ways right

676

00:24:44,570 --> 00:24:41,940

in order to kind of get the message

677

00:24:45,770 --> 00:24:44,580

across or the contact across but I'd be

678

00:24:51,789 --> 00:24:45,780

curious to hear what you guys think

679

00:24:56,210 --> 00:24:54,950

because I had to go deliver snacks so um

680

00:24:57,890 --> 00:24:56,220

but yes

681

00:24:59,890 --> 00:24:57,900

I caught the last part so I'll let you

682

00:25:03,110 --> 00:24:59,900

guys go first and then I'll see you

683

00:25:06,289 --> 00:25:03,120

I mean I'm definitely curious Katie to

684

00:25:08,149 --> 00:25:06,299

know uh you know why are certain people

685

00:25:12,470 --> 00:25:08,159

being zeroed in on why are they being

686

00:25:15,409 --> 00:25:12,480

chosen uh also they're they seem to be

687

00:25:17,810 --> 00:25:15,419

hanging out near you know military zones

688

00:25:19,730 --> 00:25:17,820

and installations and uh so there's

689

00:25:22,070 --> 00:25:19,740

definitely a connection there and I know

690

00:25:23,690 --> 00:25:22,080

right you go and you you've done your

691

00:25:25,490 --> 00:25:23,700

research near Catalina which is right

692

00:25:29,690 --> 00:25:25,500

next to San Clemente Island where

693

00:25:32,269 --> 00:25:29,700

there's tons of military uh stuff being

694

00:25:34,310 --> 00:25:32,279

conducted as far as amphibious um you

695

00:25:36,950 --> 00:25:34,320

know helicopters and we've had we've had

696

00:25:39,649 --> 00:25:36,960

helicopters actually

697

00:25:42,350 --> 00:25:39,659

crash and we've had different types of

698

00:25:44,570 --> 00:25:42,360

vehicles such as an amphibious one uh

699

00:25:47,450 --> 00:25:44,580

you know crash as well and it's hard to

700

00:25:49,610 --> 00:25:47,460

talk about because but it's real and the

701
00:25:51,310 --> 00:25:49,620
thing is is if they're altering say

702
00:25:54,649 --> 00:25:51,320
nuclear

703
00:25:56,870 --> 00:25:54,659
mechanics is there a potential for them

704
00:25:58,549 --> 00:25:56,880
to be able to alter other forms of

705
00:26:02,090 --> 00:25:58,559
mechanics which have been spoken about

706
00:26:04,430 --> 00:26:02,100
so it's it's a definite concern that you

707
00:26:07,010 --> 00:26:04,440
know we need to know if is there a

708
00:26:08,630 --> 00:26:07,020
reason why they're zeroing in on our you

709
00:26:10,789 --> 00:26:08,640
know military craft not only are

710
00:26:12,110 --> 00:26:10,799
civilians and our people who who are

711
00:26:14,090 --> 00:26:12,120
starting to come forth which is

712
00:26:15,529 --> 00:26:14,100
promising and and great and we need to

713
00:26:19,269 --> 00:26:15,539

provide these platforms for them to

714

00:26:21,769 --> 00:26:19,279

speak on but but why are these certain

715

00:26:25,130 --> 00:26:21,779

individuals and installations being

716

00:26:26,990 --> 00:26:25,140

chosen so yeah that's kind of what I

717

00:26:28,490 --> 00:26:27,000

have on that there

718

00:26:30,529 --> 00:26:28,500

it's very interesting it's it's

719

00:26:31,909 --> 00:26:30,539

concerning it always it always

720

00:26:33,649 --> 00:26:31,919

fascinates me with the military bases

721

00:26:35,690 --> 00:26:33,659

because I almost feel like they're

722

00:26:37,789 --> 00:26:35,700

almost stopping us from from ourselves

723

00:26:39,710 --> 00:26:37,799

in a lot of cases when it comes to

724

00:26:41,090 --> 00:26:39,720

missiles and

725

00:26:43,430 --> 00:26:41,100

um I mean I have footage that was sent

726

00:26:46,250 --> 00:26:43,440

to me on on some basis over the years

727

00:26:47,450 --> 00:26:46,260

where they were doing testing and these

728

00:26:50,149 --> 00:26:47,460

things would just shoot out of the sky

729

00:26:52,070 --> 00:26:50,159

and come and like literally observe and

730

00:26:53,990 --> 00:26:52,080

then just leave and they're like it's

731

00:26:55,909 --> 00:26:54,000

like they it's like they felt as if

732

00:26:57,049 --> 00:26:55,919

they're being watched on purpose to make

733

00:26:58,909 --> 00:26:57,059

sure they weren't doing something that

734

00:27:01,010 --> 00:26:58,919

was detrimental and I'm like you know

735

00:27:03,110 --> 00:27:01,020

you could go the far extreme a bit and

736

00:27:05,510 --> 00:27:03,120

go well you know if they if they tried

737

00:27:07,070 --> 00:27:05,520

to teach us many many years ago and they

738

00:27:08,390 --> 00:27:07,080

saw that we were just going to end up

739

00:27:10,190 --> 00:27:08,400

hurting ourselves and making the same

740

00:27:12,230 --> 00:27:10,200

mistakes they did I could see them

741

00:27:14,330 --> 00:27:12,240

trying to protect this planet tell us

742

00:27:15,830 --> 00:27:14,340

how you know how to protect it but we

743

00:27:17,810 --> 00:27:15,840

don't really know the whole purpose of

744

00:27:20,390 --> 00:27:17,820

why they're here there could be hundreds

745

00:27:22,850 --> 00:27:20,400

of reasons one reason that I've seen to

746

00:27:25,490 --> 00:27:22,860

I lean a lot towards is

747

00:27:27,529 --> 00:27:25,500

there is substance and minerals that

748

00:27:29,570 --> 00:27:27,539

they need from our planet for themselves

749

00:27:32,630 --> 00:27:29,580

for wherever they're from and I think

750

00:27:34,250 --> 00:27:32,640

that a lot of times that is why like

751

00:27:37,130 --> 00:27:34,260

that whole Channel Island Catalina

752

00:27:40,850 --> 00:27:37,140

Island all of those islands there the

753

00:27:43,250 --> 00:27:40,860

activity is insane I mean I I you can't

754

00:27:46,850 --> 00:27:43,260

I can't it would be like a 10 hour show

755

00:27:48,710 --> 00:27:46,860

it's absolutely absurd but it only leads

756

00:27:50,510 --> 00:27:48,720

me to believe that they are trying to

757

00:27:53,390 --> 00:27:50,520

gather stuff

758

00:27:55,250 --> 00:27:53,400

um for whatever reason and they just

759

00:27:57,289 --> 00:27:55,260

want us to do the best to take care of

760

00:27:58,610 --> 00:27:57,299

this planet in the best way kind of like

761

00:28:01,010 --> 00:27:58,620

look guys I'm trying to stop you from

762

00:28:02,750 --> 00:28:01,020

yourself because this this could go bad

763

00:28:05,029 --> 00:28:02,760

don't do what we did kind of thing

764

00:28:06,710 --> 00:28:05,039

that's one theory that has been out

765

00:28:08,450 --> 00:28:06,720

there and it does make a lot of sense

766

00:28:10,070 --> 00:28:08,460

when they come around a lot of the bases

767

00:28:11,570 --> 00:28:10,080

you know and you're like it just makes

768

00:28:14,210 --> 00:28:11,580

sense

769

00:28:16,669 --> 00:28:14,220

I totally agree with that um but my

770

00:28:18,350 --> 00:28:16,679

other question is how much of these how

771

00:28:20,149 --> 00:28:18,360

much of this interference

772

00:28:21,470 --> 00:28:20,159

is on purpose and I'm not talking with

773

00:28:23,510 --> 00:28:21,480

the nuclear facilities because that

774

00:28:26,510 --> 00:28:23,520

definitely seems like a like catch your

775

00:28:28,610 --> 00:28:26,520

attention like you're doing this to one

776

00:28:32,029 --> 00:28:28,620

of the biggest uh powers in the world or

777

00:28:34,850 --> 00:28:32,039

whatever with on their Bay on their home

778

00:28:37,490 --> 00:28:34,860

base where Nobody messes with with us

779

00:28:38,870 --> 00:28:37,500

right or the United States there so

780

00:28:41,210 --> 00:28:38,880

um that one definitely seemed like it

781

00:28:44,990 --> 00:28:41,220

was purposeful but how much of the other

782

00:28:46,730 --> 00:28:45,000

stuff is on on accident or

783

00:28:49,010 --> 00:28:46,740

um as like almost like a side effect

784

00:28:52,310 --> 00:28:49,020

kind of like what Gary Nolan is studying

785

00:28:54,590 --> 00:28:52,320

with the brain or The Mantel incident

786

00:28:55,909 --> 00:28:54,600

where he chased it or even in some Foo

787

00:28:58,370 --> 00:28:55,919

Fighter incidents where they chased it

788

00:29:00,470 --> 00:28:58,380

you know so to me that's kind of

789

00:29:02,210 --> 00:29:00,480

interesting you know are they actually

790

00:29:04,190 --> 00:29:02,220

some of the stuff that they're doing I'm

791

00:29:05,750 --> 00:29:04,200

sure is purposeful but how much of it

792

00:29:08,210 --> 00:29:05,760

isn't how much of it is just kind of

793

00:29:10,610 --> 00:29:08,220

like a residual thing of like them just

794

00:29:13,010 --> 00:29:10,620

being them whoever they are coincidence

795

00:29:15,649 --> 00:29:13,020

you know um and I the minerals and

796

00:29:17,690 --> 00:29:15,659

resource thing is definitely key and hey

797

00:29:19,789 --> 00:29:17,700

if you guys know if they're listening if

798

00:29:22,389 --> 00:29:19,799

you guys know how to use use salt water

799

00:29:25,549 --> 00:29:22,399

please share your secret because

800

00:29:28,430 --> 00:29:25,559

what are you using it for the technology

801

00:29:32,269 --> 00:29:28,440

that could be possible for

802

00:29:35,870 --> 00:29:32,279

um for us as you know a human race or

803

00:29:38,029 --> 00:29:35,880

humans in general is is something that I

804

00:29:39,769 --> 00:29:38,039

feel like we would like to know about

805

00:29:41,269 --> 00:29:39,779

even though maybe we don't deserve it we

806

00:29:43,430 --> 00:29:41,279

destroyed all our chances or maybe we're

807

00:29:45,289 --> 00:29:43,440

just not there yet maybe we would turn

808

00:29:48,470 --> 00:29:45,299

the salt water into money right somehow

809

00:29:50,029 --> 00:29:48,480

and sell it you know but

810

00:29:52,070 --> 00:29:50,039

um but it does make me wonder why so

811

00:29:53,510 --> 00:29:52,080

many are in the oceans and then that

812

00:29:56,029 --> 00:29:53,520

brings up the other question is have

813

00:29:58,610 --> 00:29:56,039

they evolved alongside with us like some

814

00:30:00,350 --> 00:29:58,620

people think have and I'm lucky like I

815

00:30:02,389 --> 00:30:00,360

think some come from other places in the

816

00:30:03,769 --> 00:30:02,399

solar system I think some may have been

817

00:30:05,930 --> 00:30:03,779

here with us because we look at our

818

00:30:08,450 --> 00:30:05,940

ancestors all over the world and they've

819

00:30:10,730 --> 00:30:08,460

been having experiences as well and then

820

00:30:11,930 --> 00:30:10,740

also you had to bring in the whole Ultra

821

00:30:13,669 --> 00:30:11,940

terrestrial Theory you're talking about

822

00:30:15,529 --> 00:30:13,679

Dimensions right

823

00:30:17,570 --> 00:30:15,539

um right there's the whole many worlds

824

00:30:19,789 --> 00:30:17,580

theory that is just like you try to

825

00:30:22,370 --> 00:30:19,799

Fathom six to mentioned holy cow some of

826

00:30:24,409 --> 00:30:22,380

these theories go up to like 12. so

827

00:30:26,570 --> 00:30:24,419

there's just it's just more questions

828

00:30:29,090 --> 00:30:26,580

and do you guys feel like the more you

829

00:30:32,389 --> 00:30:29,100

learn the less you know and the more

830

00:30:34,789 --> 00:30:32,399

questions you have yeah oh yeah oh yeah

831

00:30:37,130 --> 00:30:34,799

yeah all the time I think I think you

832

00:30:38,690 --> 00:30:37,140

have to go in with that perspective like

833

00:30:40,370 --> 00:30:38,700

anyone who the longer they've been in

834

00:30:43,070 --> 00:30:40,380

here thinks they know more that's like

835

00:30:44,810 --> 00:30:43,080

the automatic red flag right yeah just

836

00:30:46,789 --> 00:30:44,820

avoid those people I like the people who

837

00:30:48,049 --> 00:30:46,799

have say I have no idea what the hell is

838

00:30:49,669 --> 00:30:48,059

going on

839

00:30:51,649 --> 00:30:49,679

um but I want to go back for one second

840

00:30:53,330 --> 00:30:51,659

before I dive into all the trust rules

841

00:30:54,529 --> 00:30:53,340

because I could talk about that for

842

00:30:56,750 --> 00:30:54,539

hours

843

00:30:58,610 --> 00:30:56,760

um to you know I think there's also a

844

00:31:00,529 --> 00:30:58,620

comparison to what's going on too with

845

00:31:03,110 --> 00:31:00,539

what we do with our

846

00:31:05,330 --> 00:31:03,120

uh allies and adversaries you know we go

847

00:31:07,310 --> 00:31:05,340

and we Buzz over and we keep an eye on

848

00:31:08,990 --> 00:31:07,320

what people are doing it's basic

849

00:31:11,029 --> 00:31:09,000

intelligence gathering you know so

850

00:31:13,669 --> 00:31:11,039

whether that's for

851
00:31:15,889 --> 00:31:13,679
um you know nefarious purposes or not I

852
00:31:17,510 --> 00:31:15,899
mean if you were trying to get gain

853
00:31:19,190 --> 00:31:17,520
information what would you do you would

854
00:31:20,330 --> 00:31:19,200
Buzz our military installations you

855
00:31:21,889 --> 00:31:20,340
would try to keep an eye on what we're

856
00:31:23,810 --> 00:31:21,899
doing what tests were doing what

857
00:31:26,389 --> 00:31:23,820
capabilities our experimental aircraft

858
00:31:28,250 --> 00:31:26,399
have you know things like that I also

859
00:31:30,830 --> 00:31:28,260
think one of the one of my biggest pet

860
00:31:32,950 --> 00:31:30,840
peeves with um the UAP Community is

861
00:31:34,750 --> 00:31:32,960
generally when people assume a

862
00:31:37,610 --> 00:31:34,760
singular

863
00:31:39,470 --> 00:31:37,620

motivation with like the government or

864

00:31:41,330 --> 00:31:39,480

like a singular

865

00:31:42,950 --> 00:31:41,340

um perspective and I think we have to be

866

00:31:46,789 --> 00:31:42,960

very careful not to do the same right

867

00:31:49,850 --> 00:31:46,799

there may be some policy or goal

868

00:31:53,450 --> 00:31:49,860

interacted by these various

869

00:31:56,710 --> 00:31:53,460

um species groups but that doesn't mean

870

00:31:58,850 --> 00:31:56,720

that they're all acting 100 within that

871

00:32:00,950 --> 00:31:58,860

framework right so there could just be

872

00:32:02,810 --> 00:32:00,960

random people going off and doing their

873

00:32:05,090 --> 00:32:02,820

own thing as well so I think that was

874

00:32:07,310 --> 00:32:05,100

really important to what Priscilla said

875

00:32:09,529 --> 00:32:07,320

um but yeah I also think that it's I I

876

00:32:11,330 --> 00:32:09,539

think what really

877

00:32:12,889 --> 00:32:11,340

interested me was in Priscilla about our

878

00:32:14,269 --> 00:32:12,899

ancestors I think that's one of the

879

00:32:15,710 --> 00:32:14,279

things we really need to give Credence

880

00:32:17,409 --> 00:32:15,720

to is

881

00:32:20,269 --> 00:32:17,419

you know a lot of times

882

00:32:21,889 --> 00:32:20,279

white people have a tendency to come in

883

00:32:24,470 --> 00:32:21,899

and be like hey guys look what we

884

00:32:26,210 --> 00:32:24,480

discovered and we have our indigenous

885

00:32:28,370 --> 00:32:26,220

people who have been saying for

886

00:32:30,950 --> 00:32:28,380

thousands of years like oh [h__h] right

887

00:32:33,529 --> 00:32:30,960

like we we carved it on rocks for you we

888

00:32:35,570 --> 00:32:33,539

embedded it in our myths you know we did

889

00:32:38,269 --> 00:32:35,580

all of these things and I think if we're

890

00:32:39,950 --> 00:32:38,279

going to you know decolonize this field

891

00:32:42,889 --> 00:32:39,960

a little bit we have to really take

892

00:32:45,049 --> 00:32:42,899

seriously some of those stories and not

893

00:32:46,850 --> 00:32:45,059

just out of a desire to be good to

894

00:32:48,889 --> 00:32:46,860

people but because there's a lot of

895

00:32:51,169 --> 00:32:48,899

Truth and a lot of value and a lot of

896

00:32:52,610 --> 00:32:51,179

insight that we don't have yet

897

00:32:54,769 --> 00:32:52,620

um and so that's why I think that I'm

898

00:32:56,389 --> 00:32:54,779

really happy to see that we're starting

899

00:32:57,529 --> 00:32:56,399

to move in that direction and I think we

900

00:32:59,450 --> 00:32:57,539

definitely need to bring in some more

901
00:33:02,090 --> 00:32:59,460
indigenous forces and some voices to

902
00:33:04,490 --> 00:33:02,100
have um like Brett said history on like

903
00:33:06,769 --> 00:33:04,500
the Egyptian myths and whatnot and try

904
00:33:09,010 --> 00:33:06,779
to dig into those more deeply

905
00:33:11,570 --> 00:33:09,020
yeah I agreed

906
00:33:13,669 --> 00:33:11,580
people do that I've seen people do that

907
00:33:15,649 --> 00:33:13,679
but unfortunately it's the people with

908
00:33:17,389 --> 00:33:15,659
the money and the Hollywood and we've

909
00:33:19,549 --> 00:33:17,399
seen it done on Ancient Aliens and then

910
00:33:21,830 --> 00:33:19,559
it becomes part of stigma like like the

911
00:33:23,990 --> 00:33:21,840
like the uh like the uh hieroglyph of

912
00:33:25,130 --> 00:33:24,000
the the it looks like a gray I can't

913
00:33:27,169 --> 00:33:25,140

remember where it's from right now it's

914

00:33:29,029 --> 00:33:27,179

slipping my mind but

915

00:33:31,190 --> 00:33:29,039

um unfortunately it's sort of been

916

00:33:33,409 --> 00:33:31,200

abused in that way so I think that

917

00:33:35,389 --> 00:33:33,419

another interest and another point that

918

00:33:36,889 --> 00:33:35,399

gets overlooked is we've got plenty of

919

00:33:39,230 --> 00:33:36,899

people working on the nuts and bolts and

920

00:33:41,570 --> 00:33:39,240

we have so many people pushing for

921

00:33:43,310 --> 00:33:41,580

um you know more public hearings more uh

922

00:33:46,130 --> 00:33:43,320

World governments kind of getting

923

00:33:48,830 --> 00:33:46,140

involved in making that policy but we're

924

00:33:51,769 --> 00:33:48,840

we are missing out on is the history

925

00:33:52,970 --> 00:33:51,779

that we might be overlooking and I know

926

00:33:55,370 --> 00:33:52,980

people are like well I'm sick of hearing

927

00:33:56,870 --> 00:33:55,380

the same case over and over again but

928

00:33:59,630 --> 00:33:56,880

every time somebody looks at it with a

929

00:34:01,549 --> 00:33:59,640

fresh eye I think that something gets

930

00:34:03,889 --> 00:34:01,559

interpreted differently which could be

931

00:34:06,289 --> 00:34:03,899

good or bad but you know um but it's we

932

00:34:07,730 --> 00:34:06,299

need fresh eyes on this I love the

933

00:34:10,669 --> 00:34:07,740

people that have been doing this forever

934

00:34:11,690 --> 00:34:10,679

they paved the way they put so much work

935

00:34:13,369 --> 00:34:11,700

and they've been so much passionate

936

00:34:15,109 --> 00:34:13,379

they've been brave to talk about it when

937

00:34:16,790 --> 00:34:15,119

most of us were like like a lot of us

938

00:34:18,829 --> 00:34:16,800

were like oh my gosh I won't talk about

939

00:34:21,050 --> 00:34:18,839

this I'm afraid you know they've been

940

00:34:23,149 --> 00:34:21,060

Fearless so that's that's great thank

941

00:34:25,430 --> 00:34:23,159

you but I think the more people we get

942

00:34:27,710 --> 00:34:25,440

in here kind of reassessing

943

00:34:30,109 --> 00:34:27,720

what we've seen in ancient cultures plus

944

00:34:32,270 --> 00:34:30,119

what V's been seeing in present day like

945

00:34:33,950 --> 00:34:32,280

on what Brit is studying and what stuff

946

00:34:35,690 --> 00:34:33,960

is studying with experiencers and you

947

00:34:37,790 --> 00:34:35,700

with your government experiment

948

00:34:40,149 --> 00:34:37,800

experience you know experiment oops gave

949

00:34:42,169 --> 00:34:40,159

it away You're a government experiment

950

00:34:44,149 --> 00:34:42,179

but you know

951
00:34:45,950 --> 00:34:44,159
um I think that that's something that we

952
00:34:47,210 --> 00:34:45,960
have to like we have to keep doing it I

953
00:34:48,530 --> 00:34:47,220
know it seems redundant for people to

954
00:34:50,810 --> 00:34:48,540
keep going back and saying like ancient

955
00:34:52,849 --> 00:34:50,820
Colony agent you know ancient history

956
00:34:55,010 --> 00:34:52,859
says this this case happened like it's

957
00:34:55,970 --> 00:34:55,020
important to revisit that

958
00:34:58,070 --> 00:34:55,980
um because there's something new look

959
00:35:01,550 --> 00:34:58,080
what happened with people still studying

960
00:35:02,630 --> 00:35:01,560
uh the Calvin like if you guys gave up

961
00:35:05,150 --> 00:35:02,640
on that we wouldn't see that photo

962
00:35:06,950 --> 00:35:05,160
whether we think it's a spaceship or

963
00:35:08,750 --> 00:35:06,960

government Tech it's we still have the

964

00:35:10,490 --> 00:35:08,760

photo now and that's something new that

965

00:35:12,349 --> 00:35:10,500

you never that if you give up on

966

00:35:14,089 --> 00:35:12,359

something you might never get or if you

967

00:35:16,010 --> 00:35:14,099

don't re-examine it you will not get it

968

00:35:18,770 --> 00:35:16,020

so right

969

00:35:20,870 --> 00:35:18,780

yeah I agree I think my biggest problem

970

00:35:22,130 --> 00:35:20,880

is the history that's that's that was

971

00:35:24,349 --> 00:35:22,140

even in the Congressional hearing too

972

00:35:27,170 --> 00:35:24,359

when asked about historical records from

973

00:35:29,150 --> 00:35:27,180

70s and 60s and 80s I mean even current

974

00:35:30,609 --> 00:35:29,160

and they were just like

975

00:35:33,050 --> 00:35:30,619

um

976

00:35:35,290 --> 00:35:33,060

we didn't look never never heard of

977

00:35:39,430 --> 00:35:35,300

maelstrom

978

00:35:43,310 --> 00:35:41,990

oh my gosh that was just like we were

979

00:35:45,050 --> 00:35:43,320

all walking outside but we were just

980

00:35:47,569 --> 00:35:45,060

like yes like I was not expecting that

981

00:35:49,130 --> 00:35:47,579

from him but you know I was really upset

982

00:35:50,510 --> 00:35:49,140

and I will interject and say this I was

983

00:35:52,010 --> 00:35:50,520

mad at the fact that they have these two

984

00:35:53,270 --> 00:35:52,020

Representatives who I know were just

985

00:35:54,950 --> 00:35:53,280

given a script we know how this works

986

00:35:56,270 --> 00:35:54,960

here's what you're allowed to say that's

987

00:35:59,329 --> 00:35:56,280

it we're not if you're asked another

988

00:36:00,950 --> 00:35:59,339

question you just say um well we will uh

989

00:36:02,329 --> 00:36:00,960

look at that and we'll get back to you

990

00:36:04,310 --> 00:36:02,339

um at a later date that's just your

991

00:36:06,890 --> 00:36:04,320

go-to right but what pissed me off

992

00:36:08,450 --> 00:36:06,900

especially as ufologists and my mentor

993

00:36:10,910 --> 00:36:08,460

is Don Schmidt who is like king of

994

00:36:13,790 --> 00:36:10,920

Roswell they're like this is really

995

00:36:15,410 --> 00:36:13,800

passionate to me you know this is we

996

00:36:17,450 --> 00:36:15,420

have got to make this happen because

997

00:36:19,970 --> 00:36:17,460

when those Legends are gone what happens

998

00:36:21,589 --> 00:36:19,980

when all of those stories are gone those

999

00:36:24,050 --> 00:36:21,599

journals are now packed away in in

1000

00:36:25,849 --> 00:36:24,060

vaults what happens to these people's

1001
00:36:28,310 --> 00:36:25,859
lives and the legacies that they had

1002
00:36:30,410 --> 00:36:28,320
it's up to us as the new ufologist to

1003
00:36:32,810 --> 00:36:30,420
keep that candle burning for all of them

1004
00:36:34,609 --> 00:36:32,820
for and I'm a jail and heinek girl like

1005
00:36:36,470 --> 00:36:34,619
I'm trained in the heinek way and that's

1006
00:36:38,510 --> 00:36:36,480
how I'll be so I feel like I have to

1007
00:36:40,910 --> 00:36:38,520
carry his torch with Don and with them

1008
00:36:43,010 --> 00:36:40,920
you know and so it made me so mad when

1009
00:36:44,930 --> 00:36:43,020
they're like so was there any other

1010
00:36:47,210 --> 00:36:44,940
investigative

1011
00:36:50,030 --> 00:36:47,220
um you know programs prior to Project

1012
00:36:53,270 --> 00:36:50,040
Blue Book and they both were like um no

1013
00:36:56,450 --> 00:36:53,280

no there was not and I about choked on

1014

00:36:58,790 --> 00:36:56,460

my water because I was like do they come

1015

00:37:00,950 --> 00:36:58,800

on guys like you could Google it right

1016

00:37:02,870 --> 00:37:00,960

thank you yeah exactly so I'm like you

1017

00:37:03,890 --> 00:37:02,880

can literally Google it like you could

1018

00:37:04,730 --> 00:37:03,900

pull out your phone right now and be

1019

00:37:05,810 --> 00:37:04,740

like I don't know can you can you give

1020

00:37:07,430 --> 00:37:05,820

me a second I'm just gonna pull it up

1021

00:37:09,890 --> 00:37:07,440

but they weren't allowed to Google it no

1022

00:37:11,569 --> 00:37:09,900

I know but but I'm sitting there going

1023

00:37:14,450 --> 00:37:11,579

this is a

1024

00:37:18,050 --> 00:37:14,460

civil representing this new division of

1025

00:37:20,690 --> 00:37:18,060

investigative UA UAP word and it's like

1026

00:37:22,970 --> 00:37:20,700

you can't even legitimately know the

1027

00:37:25,190 --> 00:37:22,980

history so in order to move forward into

1028

00:37:26,450 --> 00:37:25,200

future or current times or somebody

1029

00:37:27,650 --> 00:37:26,460

comes to you and says hey I had a

1030

00:37:30,230 --> 00:37:27,660

sighting like imagine if somebody came

1031

00:37:32,630 --> 00:37:30,240

to Steph and Steph didn't know stuff or

1032

00:37:34,849 --> 00:37:32,640

no crafts or no shapes or no location

1033

00:37:36,349 --> 00:37:34,859

hot spots so if they came something like

1034

00:37:37,970 --> 00:37:36,359

hey I had this sighting this is what it

1035

00:37:40,130 --> 00:37:37,980

looked like this was the speed this was

1036

00:37:41,089 --> 00:37:40,140

a trajectory this is how it moved and it

1037

00:37:43,609 --> 00:37:41,099

was this time of night what do you think

1038

00:37:45,890 --> 00:37:43,619

it was and she was just like you know I

1039

00:37:47,089 --> 00:37:45,900

don't I don't know I'm gonna have to

1040

00:37:48,589 --> 00:37:47,099

um I'll get back to you I'm gonna look

1041

00:37:51,410 --> 00:37:48,599

into that you know and I'll let you know

1042

00:37:52,790 --> 00:37:51,420

and it's like what no you should have a

1043

00:37:53,870 --> 00:37:52,800

go-to immediately in your brain have a

1044

00:37:55,910 --> 00:37:53,880

file and go you know what's really funny

1045

00:37:57,710 --> 00:37:55,920

is what you're describing is a case that

1046

00:37:59,329 --> 00:37:57,720

I remembered for 1978 that happened in

1047

00:38:00,890 --> 00:37:59,339

Mexico right you need to be able to

1048

00:38:02,569 --> 00:38:00,900

freaking pinpoint that stuff to help

1049

00:38:03,950 --> 00:38:02,579

these people and that is something

1050

00:38:05,510 --> 00:38:03,960

that's not happening so if you're going

1051
00:38:07,730 --> 00:38:05,520
to call yourself an investigative team

1052
00:38:09,050 --> 00:38:07,740
out of the you know government you got

1053
00:38:11,630 --> 00:38:09,060
to know your stuff and it's not just

1054
00:38:13,910 --> 00:38:11,640
what happened from 2017 and on we need

1055
00:38:16,490 --> 00:38:13,920
to go back you have to know the history

1056
00:38:19,670 --> 00:38:16,500
to move forward into the future and

1057
00:38:22,849 --> 00:38:19,680
including ancient history

1058
00:38:25,069 --> 00:38:22,859
I mean I have stuff that is like written

1059
00:38:27,650 --> 00:38:25,079
in what looks like old journals we're

1060
00:38:31,250 --> 00:38:27,660
talking from like the 11th century

1061
00:38:34,490 --> 00:38:31,260
of someone writing about a light that

1062
00:38:37,849 --> 00:38:34,500
formed in the water and guided them to

1063
00:38:40,730 --> 00:38:37,859

land when they were lost wow wow that is

1064

00:38:42,589 --> 00:38:40,740

not by a luminescence bioluminescence is

1065

00:38:47,530 --> 00:38:42,599

like hey guys I'm gonna lead you follow

1066

00:38:47,540 --> 00:38:53,109

that's communication essentially yeah

1067

00:38:58,310 --> 00:38:56,089

of a jelly

1068

00:39:00,109 --> 00:38:58,320

April but it's similar to the pilots

1069

00:39:01,430 --> 00:39:00,119

right like those okay we think about

1070

00:39:02,569 --> 00:39:01,440

18th century we think like they don't

1071

00:39:04,609 --> 00:39:02,579

have all this cool equipment whatever

1072

00:39:06,349 --> 00:39:04,619

they don't have sonar but they have

1073

00:39:09,650 --> 00:39:06,359

their eyes and these men were out there

1074

00:39:11,089 --> 00:39:09,660

for months years traveling the sea you

1075

00:39:13,970 --> 00:39:11,099

think they're gonna get confused about a

1076
00:39:16,250 --> 00:39:13,980
glowing jellyfish or bioluminescent mass

1077
00:39:18,890 --> 00:39:16,260
of algae traveling around same thing

1078
00:39:21,349 --> 00:39:18,900
with the pilots like like my son is five

1079
00:39:25,010 --> 00:39:21,359
and he's been able to point out Saturn

1080
00:39:27,290 --> 00:39:25,020
and Jupiter for the since he was four at

1081
00:39:29,030 --> 00:39:27,300
least you think some guy in the sky is

1082
00:39:30,589 --> 00:39:29,040
going to be like oh that's Venus I'm

1083
00:39:32,690 --> 00:39:30,599
gonna follow it I think it's you know

1084
00:39:34,190 --> 00:39:32,700
like but you know if somebody actually

1085
00:39:35,630 --> 00:39:34,200
knew the history which like Priscilla

1086
00:39:38,450 --> 00:39:35,640
you know this and I'm sure all of us

1087
00:39:40,190 --> 00:39:38,460
know this if you know the history of how

1088
00:39:41,870 --> 00:39:40,200

these guys sailed that was the way of

1089

00:39:43,310 --> 00:39:41,880

transportation okay that's how they got

1090

00:39:46,370 --> 00:39:43,320

around we didn't have the fancy

1091

00:39:49,130 --> 00:39:46,380

technology then they actually faced

1092

00:39:52,310 --> 00:39:49,140

their travels off the solar system

1093

00:39:53,930 --> 00:39:52,320

these Stars guided their way so they

1094

00:39:56,089 --> 00:39:53,940

knew the solar system better probably

1095

00:39:58,910 --> 00:39:56,099

than anybody at that time if they

1096

00:40:00,170 --> 00:39:58,920

weren't on on a vessel so if they see

1097

00:40:02,569 --> 00:40:00,180

something that all of a sudden moves

1098

00:40:05,150 --> 00:40:02,579

like a a broken leg in the sky and takes

1099

00:40:07,430 --> 00:40:05,160

off I think they're gonna know you know

1100

00:40:09,530 --> 00:40:07,440

they're not gonna be like oh man Mars is

1101
00:40:11,810 --> 00:40:09,540
drunk tonight what's going on you know

1102
00:40:13,670 --> 00:40:11,820
it's not how it works you know what I

1103
00:40:15,829 --> 00:40:13,680
mean so it's like I don't know I just

1104
00:40:17,810 --> 00:40:15,839
get so frustrated with it right it's

1105
00:40:19,970 --> 00:40:17,820
like you have to know this history the

1106
00:40:22,310 --> 00:40:19,980
Mayans talk about this you can actually

1107
00:40:24,829 --> 00:40:22,320
read about contact through the Mayan

1108
00:40:27,170 --> 00:40:24,839
people think about that that's

1109
00:40:28,670 --> 00:40:27,180
incredible why that isn't being added

1110
00:40:30,650 --> 00:40:28,680
into the research of current right now

1111
00:40:32,089 --> 00:40:30,660
within our government is insane it needs

1112
00:40:34,130 --> 00:40:32,099
to be it needs to be spoke about I mean

1113
00:40:35,390 --> 00:40:34,140

spoken about it's just insane to me and

1114

00:40:36,589 --> 00:40:35,400

you're right indigenous people need to

1115

00:40:37,670 --> 00:40:36,599

come forward I want to hear what they

1116

00:40:39,829 --> 00:40:37,680

have to say because I talk to them all

1117

00:40:41,870 --> 00:40:39,839

the time regarding Sasquatch and I mean

1118

00:40:43,849 --> 00:40:41,880

this is this is the type of stuff it all

1119

00:40:45,349 --> 00:40:43,859

comes together it all comes together we

1120

00:40:47,770 --> 00:40:45,359

all have to be able to be vocal about it

1121

00:40:51,109 --> 00:40:47,780

it's just insane right yeah

1122

00:40:53,390 --> 00:40:51,119

go on staff gone oh well I was just

1123

00:40:56,170 --> 00:40:53,400

gonna say I know Priscilla's spoken upon

1124

00:40:58,550 --> 00:40:56,180

um you know your ancient I'm sorry

1125

00:41:00,349 --> 00:40:58,560

ancestors Time Travelers I mean there's

1126

00:41:02,630 --> 00:41:00,359

a myriad of types of people that are

1127

00:41:05,390 --> 00:41:02,640

visiting us such we've heard of E.T of

1128

00:41:06,829 --> 00:41:05,400

course but there's so many other you

1129

00:41:08,870 --> 00:41:06,839

know avenues that we've been exploring

1130

00:41:10,609 --> 00:41:08,880

that we're finding out about and not

1131

00:41:12,050 --> 00:41:10,619

only that but Britta wanted to touch on

1132

00:41:14,390 --> 00:41:12,060

you know these experiences that these

1133

00:41:16,490 --> 00:41:14,400

people have been you know giving you

1134

00:41:19,190 --> 00:41:16,500

these testimonies on is that they've

1135

00:41:22,670 --> 00:41:19,200

been living with this trauma for Years

1136

00:41:25,190 --> 00:41:22,680

also so think about our ancestors who

1137

00:41:27,290 --> 00:41:25,200

have suffered through that trauma I mean

1138

00:41:28,609 --> 00:41:27,300

they're they're it's not all good so

1139

00:41:31,069 --> 00:41:28,619

it's like you know there's there's

1140

00:41:32,050 --> 00:41:31,079

definitely all of this these um

1141

00:41:34,310 --> 00:41:32,060

different

1142

00:41:36,109 --> 00:41:34,320

types of beings that are visiting

1143

00:41:38,210 --> 00:41:36,119

there's there needs to be a certain

1144

00:41:40,310 --> 00:41:38,220

literature that's put in place for

1145

00:41:42,290 --> 00:41:40,320

people and I do want to say

1146

00:41:46,190 --> 00:41:42,300

um there is a colleague of mine that has

1147

00:41:49,010 --> 00:41:46,200

put together it's you youapmc MC is for

1148

00:41:51,410 --> 00:41:49,020

medical Coalition and it's going to

1149

00:41:53,810 --> 00:41:51,420

serve as what you're basically

1150

00:41:55,609 --> 00:41:53,820

describing so it is it's a free forum

1151

00:41:57,650 --> 00:41:55,619

right now you just sign up you you put

1152

00:41:59,990 --> 00:41:57,660

on your your name and your password and

1153

00:42:02,690 --> 00:42:00,000

you basically can find out

1154

00:42:05,930 --> 00:42:02,700

um historical issues diagnosis multiple

1155

00:42:08,210 --> 00:42:05,940

witness uh situations psychology

1156

00:42:12,109 --> 00:42:08,220

discussions Publications so there's all

1157

00:42:14,569 --> 00:42:12,119

of these things that people can go to as

1158

00:42:19,010 --> 00:42:14,579

a forum not only for say a treatment

1159

00:42:21,170 --> 00:42:19,020

plan but doctors need to understand how

1160

00:42:23,450 --> 00:42:21,180

do they treat a person whom has

1161

00:42:25,490 --> 00:42:23,460

witnessed the UAP so none of that's in

1162

00:42:28,250 --> 00:42:25,500

place either and I get just as hyped up

1163

00:42:31,849 --> 00:42:28,260

as you do about you know people needing

1164

00:42:33,950 --> 00:42:31,859

to understand the um the past so there's

1165

00:42:36,230 --> 00:42:33,960

all of this will marry together as

1166

00:42:38,210 --> 00:42:36,240

Priscilla had mentioned earlier and uh

1167

00:42:40,130 --> 00:42:38,220

you know hopefully the right people are

1168

00:42:42,109 --> 00:42:40,140

listening in on this conversation

1169

00:42:44,569 --> 00:42:42,119

because I really truly don't think that

1170

00:42:45,410 --> 00:42:44,579

one has been had to this degree to be

1171

00:42:48,530 --> 00:42:45,420

honest

1172

00:42:50,390 --> 00:42:48,540

so no yeah yeah no you're right very

1173

00:42:51,950 --> 00:42:50,400

cool um I just want to give a shout out

1174

00:42:53,990 --> 00:42:51,960

to everyone in the chat I have been

1175

00:42:55,310 --> 00:42:54,000

seeing your questions and I've popped a

1176
00:42:57,410 --> 00:42:55,320
few of them that we're going to get to

1177
00:42:59,089 --> 00:42:57,420
in a little bit but just following on

1178
00:43:01,849 --> 00:42:59,099
from what we were just discussing is

1179
00:43:03,470 --> 00:43:01,859
another aspect that I've only in the

1180
00:43:05,089 --> 00:43:03,480
last sort of six to eight months been

1181
00:43:06,770 --> 00:43:05,099
focusing on a little bit more and more

1182
00:43:08,450 --> 00:43:06,780
is the religious aspect and the

1183
00:43:10,069 --> 00:43:08,460
historical

1184
00:43:12,290 --> 00:43:10,079
um connections there you know with the

1185
00:43:14,870 --> 00:43:12,300
work of Diana pasolka really opened it

1186
00:43:17,030 --> 00:43:14,880
up to me and and I mean I spoke to her

1187
00:43:19,370 --> 00:43:17,040
about a case involved in Saint Francis

1188
00:43:21,410 --> 00:43:19,380

of Assisi seeing you know these golden

1189

00:43:23,510 --> 00:43:21,420

orbs and stuff and I've been looking

1190

00:43:26,030 --> 00:43:23,520

more and more into that sort of thing

1191

00:43:29,390 --> 00:43:26,040

more recently with The Apparition side

1192

00:43:31,430 --> 00:43:29,400

of things with um Fatima and Lords and

1193

00:43:34,250 --> 00:43:31,440

stuff and I find that really

1194

00:43:37,550 --> 00:43:34,260

seems to be a you can make connections

1195

00:43:39,170 --> 00:43:37,560

you know it kind of makes sense so what

1196

00:43:40,970 --> 00:43:39,180

uh what have you guys kind of come

1197

00:43:43,250 --> 00:43:40,980

across when it comes to religious sort

1198

00:43:46,190 --> 00:43:43,260

of aspects of the phenomena

1199

00:43:48,290 --> 00:43:46,200

from an experiencer standpoint I thought

1200

00:43:50,390 --> 00:43:48,300

I was seeing Angels my whole life when I

1201
00:43:52,430 --> 00:43:50,400
was having these visitations after and

1202
00:43:53,329 --> 00:43:52,440
they amped up after seeing the things in

1203
00:43:55,370 --> 00:43:53,339
the sky

1204
00:43:58,430 --> 00:43:55,380
the UFOs

1205
00:44:00,530 --> 00:43:58,440
so this whole time I'm having these

1206
00:44:01,849 --> 00:44:00,540
beautiful like religious experiences I'm

1207
00:44:03,890 --> 00:44:01,859
growing up Catholic so I'm learning

1208
00:44:06,950 --> 00:44:03,900
about these

1209
00:44:08,510 --> 00:44:06,960
um you know these these saints that had

1210
00:44:10,250 --> 00:44:08,520
these similar experiences I'm like I'm

1211
00:44:13,010 --> 00:44:10,260
being visited by angels

1212
00:44:14,450 --> 00:44:13,020
well getting further down this rabbit

1213
00:44:15,890 --> 00:44:14,460

hole and talking about it more and kind

1214

00:44:18,370 --> 00:44:15,900

of making it more my focus I'm like what

1215

00:44:22,790 --> 00:44:18,380

have I actually seen

1216

00:44:24,530 --> 00:44:22,800

what was that you know and and so many

1217

00:44:25,910 --> 00:44:24,540

people have described these bangs that

1218

00:44:27,950 --> 00:44:25,920

look a certain way

1219

00:44:29,930 --> 00:44:27,960

and come to think of it it's like they

1220

00:44:31,430 --> 00:44:29,940

didn't have wings you know it's it's a

1221

00:44:33,410 --> 00:44:31,440

being it's an apparition but it's

1222

00:44:34,550 --> 00:44:33,420

glowing of it's like a like a shape it's

1223

00:44:37,430 --> 00:44:34,560

almost like the reverse of a shadow

1224

00:44:40,010 --> 00:44:37,440

person sometimes you know so just from

1225

00:44:41,630 --> 00:44:40,020

an experienter standpoint that learned

1226

00:44:44,089 --> 00:44:41,640

about Catholicism from an early age

1227

00:44:46,430 --> 00:44:44,099

because my family was Catholic even

1228

00:44:47,930 --> 00:44:46,440

though my grandma was into weird stuff

1229

00:44:51,050 --> 00:44:47,940

um it was like

1230

00:44:52,790 --> 00:44:51,060

it was confusing it got more confusing

1231

00:44:55,069 --> 00:44:52,800

because you're learning about the Saints

1232

00:44:58,010 --> 00:44:55,079

and these Angel visitations right and

1233

00:44:59,750 --> 00:44:58,020

you're like man like like that's that's

1234

00:45:01,309 --> 00:44:59,760

not that's I'm not saying like that's

1235

00:45:03,050 --> 00:45:01,319

happening to me on a saint level I would

1236

00:45:05,030 --> 00:45:03,060

not consider myself the same but you

1237

00:45:07,190 --> 00:45:05,040

know but they've been visited by weird

1238

00:45:08,510 --> 00:45:07,200

things right so like if something visits

1239

00:45:10,730 --> 00:45:08,520

you in the night and it's glowing what

1240

00:45:12,770 --> 00:45:10,740

is it when you're growing up Catholic

1241

00:45:14,569 --> 00:45:12,780

an angel from the Native American

1242

00:45:16,370 --> 00:45:14,579

standpoint it's a good spirit because

1243

00:45:18,410 --> 00:45:16,380

it's glowing it's not hurting you yeah

1244

00:45:20,569 --> 00:45:18,420

right and then the more creepy ones are

1245

00:45:22,670 --> 00:45:20,579

what demons like if it scares with the

1246

00:45:26,030 --> 00:45:22,680

demon and then also is it scaring you

1247

00:45:27,650 --> 00:45:26,040

because it's just unfamiliar is it or

1248

00:45:29,510 --> 00:45:27,660

it's not like jumping out and going boo

1249

00:45:32,930 --> 00:45:29,520

you know what I mean or creepy you know

1250

00:45:34,670 --> 00:45:32,940

so there's again more questions but just

1251
00:45:37,190 --> 00:45:34,680
from that standpoint people have been

1252
00:45:39,410 --> 00:45:37,200
seeing glowing beings for a very long

1253
00:45:43,609 --> 00:45:39,420
time across very many different

1254
00:45:45,230 --> 00:45:43,619
religions Hinduism all the Gods uh all

1255
00:45:48,109 --> 00:45:45,240
you know the things that people paint in

1256
00:45:52,370 --> 00:45:48,119
the sky from old Renaissance paintings

1257
00:45:54,410 --> 00:45:52,380
oh yeah stuff like that oh yeah for sure

1258
00:45:56,030 --> 00:45:54,420
absolutely and I I think what that what

1259
00:45:58,250 --> 00:45:56,040
you're getting to is that a lot of

1260
00:46:02,150 --> 00:45:58,260
religion is also about

1261
00:46:04,849 --> 00:46:02,160
our words our vocabulary for things and

1262
00:46:06,410 --> 00:46:04,859
the ability for you know one person to

1263
00:46:07,970 --> 00:46:06,420

interpret understand the exact same

1264

00:46:09,470 --> 00:46:07,980

thing and interpret it in completely

1265

00:46:11,870 --> 00:46:09,480

different ways based on their background

1266

00:46:14,450 --> 00:46:11,880

and their lexicon that they have to kind

1267

00:46:16,069 --> 00:46:14,460

of see that through reality so I had

1268

00:46:17,870 --> 00:46:16,079

like the opposite experience growing up

1269

00:46:19,730 --> 00:46:17,880

basically as an atheist right and I

1270

00:46:22,010 --> 00:46:19,740

think it's almost more alarming when

1271

00:46:25,609 --> 00:46:22,020

that happens because you don't have any

1272

00:46:27,650 --> 00:46:25,619

sort of framework for the anomalous

1273

00:46:30,109 --> 00:46:27,660

frankly right and so I've had this

1274

00:46:32,150 --> 00:46:30,119

experience where I've kind of become

1275

00:46:34,370 --> 00:46:32,160

spiritual right I'm not following

1276

00:46:36,470 --> 00:46:34,380

Priscilla's path thank God for her her

1277

00:46:39,109 --> 00:46:36,480

guidance there

1278

00:46:41,270 --> 00:46:39,119

um where you know you suddenly I think

1279

00:46:43,910 --> 00:46:41,280

Brit mentioned earlier you have this

1280

00:46:46,130 --> 00:46:43,920

sudden awareness that your conception of

1281

00:46:48,349 --> 00:46:46,140

reality is different and I think that

1282

00:46:50,050 --> 00:46:48,359

honestly as we move more and more

1283

00:46:52,190 --> 00:46:50,060

towards some sort of just like

1284

00:46:54,770 --> 00:46:52,200

full-blown disclosure not that I think

1285

00:46:56,210 --> 00:46:54,780

that'll come top down necessarily I

1286

00:46:58,370 --> 00:46:56,220

think it's going to be a lot harder on

1287

00:47:01,790 --> 00:46:58,380

people who don't come from a background

1288

00:47:04,790 --> 00:47:01,800

who have some sort of framework to

1289

00:47:07,809 --> 00:47:04,800

interpret this from right right that at

1290

00:47:12,349 --> 00:47:07,819

least that's been my personal experience

1291

00:47:14,270 --> 00:47:12,359

yeah interesting yeah it's I and go

1292

00:47:16,910 --> 00:47:14,280

ahead go ahead Steph sorry no it's all

1293

00:47:19,250 --> 00:47:16,920

you girl go no

1294

00:47:22,010 --> 00:47:19,260

um in this field I get questioned quite

1295

00:47:24,650 --> 00:47:22,020

a bit on regards to and I'm sure a lot

1296

00:47:26,930 --> 00:47:24,660

of us have is you know well what if

1297

00:47:28,430 --> 00:47:26,940

aliens come down you know then God's not

1298

00:47:30,349 --> 00:47:28,440

real and you know all this different

1299

00:47:32,390 --> 00:47:30,359

stuff right and yeah I grew up like

1300

00:47:34,190 --> 00:47:32,400

Priscilla I was Irish Catholic you know

1301

00:47:37,910 --> 00:47:34,200

so I knew all this stuff you know so

1302

00:47:39,589 --> 00:47:37,920

like for me it's not I I guess for me I

1303

00:47:40,910 --> 00:47:39,599

looked at it more like well this is cool

1304

00:47:42,410 --> 00:47:40,920

we weren't the only planet God made this

1305

00:47:43,910 --> 00:47:42,420

is pretty badass you know I was like I

1306

00:47:45,290 --> 00:47:43,920

never really looked at it and he did

1307

00:47:47,270 --> 00:47:45,300

really than that you know like that's

1308

00:47:48,890 --> 00:47:47,280

just how I perceived it and I guess when

1309

00:47:50,750 --> 00:47:48,900

that question started coming about and

1310

00:47:51,890 --> 00:47:50,760

hearing people say oh my God a few of

1311

00:47:53,510 --> 00:47:51,900

those are real then there's no such

1312

00:47:55,370 --> 00:47:53,520

thing as God and what does this mean and

1313

00:47:56,750 --> 00:47:55,380

you know and it's like on the religious

1314

00:47:58,010 --> 00:47:56,760

aspect of it and I guess it just

1315

00:48:00,349 --> 00:47:58,020

confuses me

1316

00:48:02,569 --> 00:48:00,359

as to why that has to go hand in hand

1317

00:48:04,309 --> 00:48:02,579

like that you know especially when our

1318

00:48:05,930 --> 00:48:04,319

own pope now is talking openly about it

1319

00:48:07,550 --> 00:48:05,940

and there was a UFO that was actually

1320

00:48:10,430 --> 00:48:07,560

seen above the Vatican it was

1321

00:48:12,890 --> 00:48:10,440

photographed you know and so we have

1322

00:48:14,450 --> 00:48:12,900

these uh things that have happened and

1323

00:48:17,150 --> 00:48:14,460

we have past popes that have talked

1324

00:48:18,650 --> 00:48:17,160

about seeing UFOs and extraterrestrials

1325

00:48:20,150 --> 00:48:18,660

and things like that so when you have

1326

00:48:22,730 --> 00:48:20,160

this type of History

1327

00:48:24,109 --> 00:48:22,740

and you have the Vatican who man I have

1328

00:48:26,030 --> 00:48:24,119

so much stuff with the Vatican and it's

1329

00:48:28,370 --> 00:48:26,040

insane but it's like they do know stuff

1330

00:48:30,589 --> 00:48:28,380

but they also have to stay on the side

1331

00:48:32,210 --> 00:48:30,599

of science they can't just come out and

1332

00:48:33,890 --> 00:48:32,220

all of a sudden be like yes UFOs are

1333

00:48:35,210 --> 00:48:33,900

real everybody let it go let it go it's

1334

00:48:36,650 --> 00:48:35,220

been around forever because everybody's

1335

00:48:38,450 --> 00:48:36,660

gonna just be in an uproar because now

1336

00:48:40,849 --> 00:48:38,460

the Vatican is saying it

1337

00:48:44,030 --> 00:48:40,859

um but they try and stay mostly on the

1338

00:48:45,829 --> 00:48:44,040

side of of Science and and basically and

1339

00:48:47,390 --> 00:48:45,839

I I've come to learn from in-house from

1340

00:48:49,670 --> 00:48:47,400

different fathers that now they accept

1341

00:48:50,690 --> 00:48:49,680

the idea of ghosts which was something

1342

00:48:52,370 --> 00:48:50,700

that was never really considered or

1343

00:48:53,690 --> 00:48:52,380

recognized before

1344

00:48:55,490 --> 00:48:53,700

um and it has happened to many different

1345

00:48:58,430 --> 00:48:55,500

pre-string exorcisms where they have

1346

00:48:59,690 --> 00:48:58,440

spoken to a passing soul that was not a

1347

00:49:01,130 --> 00:48:59,700

demon that was trapped within the body

1348

00:49:03,349 --> 00:49:01,140

and they were using the body as a vessel

1349

00:49:05,030 --> 00:49:03,359

to speak to to help save their soul so

1350

00:49:08,030 --> 00:49:05,040

it's very fascinating to hear these

1351
00:49:10,490 --> 00:49:08,040
things because I I researched a lot into

1352
00:49:11,870 --> 00:49:10,500
um I I research everything on in regards

1353
00:49:14,690 --> 00:49:11,880
to anything that has to do with

1354
00:49:16,370 --> 00:49:14,700
paranormal and so it you know the whole

1355
00:49:18,530 --> 00:49:16,380
religious question is always so

1356
00:49:20,569 --> 00:49:18,540
interesting to me because I just never

1357
00:49:22,430 --> 00:49:20,579
understand how it has to be so

1358
00:49:23,569 --> 00:49:22,440
segregated to so at such extent because

1359
00:49:24,589 --> 00:49:23,579
you look at the Native Americans you

1360
00:49:26,089 --> 00:49:24,599
look at the minds they all have their

1361
00:49:27,109 --> 00:49:26,099
own religions Egyptians they all have

1362
00:49:28,550 --> 00:49:27,119
their own Gods and stuff like that but

1363
00:49:30,170 --> 00:49:28,560

they never thought about not talking

1364

00:49:32,150 --> 00:49:30,180

about aliens or people from other

1365

00:49:34,670 --> 00:49:32,160

planets it wasn't a big deal it was like

1366

00:49:36,050 --> 00:49:34,680

we still have our God and our gods and

1367

00:49:37,910 --> 00:49:36,060

there's all these other beings that we

1368

00:49:39,770 --> 00:49:37,920

also know about you know and it's like I

1369

00:49:41,210 --> 00:49:39,780

don't get I don't get now why in this in

1370

00:49:42,890 --> 00:49:41,220

this day and age it's so like well if

1371

00:49:45,349 --> 00:49:42,900

there's aliens there's no God it's

1372

00:49:48,170 --> 00:49:45,359

Prometheus the movie is real it's like

1373

00:49:49,609 --> 00:49:48,180

no this is how it works you know I don't

1374

00:49:52,069 --> 00:49:49,619

know Steph how do you feel

1375

00:49:53,690 --> 00:49:52,079

yeah I agree I mean I grew up kind of a

1376

00:49:54,950 --> 00:49:53,700

hybrid of Christian and Catholic also

1377

00:49:57,170 --> 00:49:54,960

you know you have some friends on one

1378

00:49:59,930 --> 00:49:57,180

side and families on the other and you

1379

00:50:02,030 --> 00:49:59,940

know I've always been a spiritual person

1380

00:50:05,270 --> 00:50:02,040

also so so

1381

00:50:07,730 --> 00:50:05,280

um you know having that said uh I agree

1382

00:50:11,510 --> 00:50:07,740

I don't I don't know why it does have to

1383

00:50:14,210 --> 00:50:11,520

be you know brought up into this but I

1384

00:50:15,770 --> 00:50:14,220

think that when people do see these

1385

00:50:19,130 --> 00:50:15,780

light beings and these holographic

1386

00:50:22,910 --> 00:50:19,140

experiences that they describe it does

1387

00:50:25,550 --> 00:50:22,920

pose that kind of question as to well

1388

00:50:29,630 --> 00:50:25,560

why why are people who are religious and

1389

00:50:31,730 --> 00:50:29,640

not religious stating these testimonials

1390

00:50:34,910 --> 00:50:31,740

that they have seen say someone whom has

1391

00:50:37,550 --> 00:50:34,920

passed so I I think that there is

1392

00:50:39,650 --> 00:50:37,560

something to be said there I mean I'm

1393

00:50:41,809 --> 00:50:39,660

totally confused by it myself I'm like

1394

00:50:43,309 --> 00:50:41,819

well I want I want to understand this I

1395

00:50:45,109 --> 00:50:43,319

want to place this together because

1396

00:50:47,390 --> 00:50:45,119

there's a lot of connections that are

1397

00:50:50,630 --> 00:50:47,400

being made so

1398

00:50:52,790 --> 00:50:50,640

um yeah it's uh I I can't really say

1399

00:50:56,210 --> 00:50:52,800

Obviously none of us can say what it is

1400

00:50:59,089 --> 00:50:56,220

but uh there's there's a connection for

1401
00:51:01,130 --> 00:50:59,099
for paranormal you know and that if

1402
00:51:04,069 --> 00:51:01,140
that's an angel or a demon visiting

1403
00:51:06,650 --> 00:51:04,079
people then maybe that maybe maybe

1404
00:51:08,150 --> 00:51:06,660
that's what it is you know so

1405
00:51:10,010 --> 00:51:08,160
yeah I don't know it's really It's

1406
00:51:12,470 --> 00:51:10,020
Tricky I mean I I there's a woman who's

1407
00:51:13,730 --> 00:51:12,480
actually Irish who sees Angels she can

1408
00:51:16,849 --> 00:51:13,740
see them seen them since she was a

1409
00:51:18,710 --> 00:51:16,859
little kid and her her angel told her

1410
00:51:21,890 --> 00:51:18,720
that when we die

1411
00:51:23,690 --> 00:51:21,900
we are higher ranked we have more access

1412
00:51:25,190 --> 00:51:23,700
to coming and visiting our loved ones

1413
00:51:27,470 --> 00:51:25,200

whenever we want

1414

00:51:28,970 --> 00:51:27,480

um and she said that her angel said

1415

00:51:30,710 --> 00:51:28,980

we're basically the workers our job is

1416

00:51:31,670 --> 00:51:30,720

to take care of the planet to take

1417

00:51:32,690 --> 00:51:31,680

everything so it's like it's very

1418

00:51:34,309 --> 00:51:32,700

interesting because when you look into

1419

00:51:35,750 --> 00:51:34,319

it you're like well that's kind of cool

1420

00:51:38,569 --> 00:51:35,760

you know we can come and go when we want

1421

00:51:41,630 --> 00:51:38,579

so it's like right maybe that's the case

1422

00:51:44,030 --> 00:51:41,640

in some instances you know so maybe when

1423

00:51:45,890 --> 00:51:44,040

you leave the Earth it becomes a portal

1424

00:51:47,930 --> 00:51:45,900

for you to visit your your loved ones I

1425

00:51:50,270 --> 00:51:47,940

mean because that that's a couple of

1426

00:51:52,549 --> 00:51:50,280

that's a couple of uh testimonials that

1427

00:51:55,370 --> 00:51:52,559

I described earlier is these people had

1428

00:51:56,690 --> 00:51:55,380

passed and then they came back and I

1429

00:51:58,670 --> 00:51:56,700

mean why would somebody make something

1430

00:52:00,890 --> 00:51:58,680

up like that you you have to listen you

1431

00:52:02,210 --> 00:52:00,900

have to speculate and be open to you

1432

00:52:04,849 --> 00:52:02,220

know what people what people are

1433

00:52:07,370 --> 00:52:04,859

claiming I I do believe that there's

1434

00:52:08,990 --> 00:52:07,380

other stuff going on also within the

1435

00:52:10,730 --> 00:52:09,000

community I mean I don't want to say

1436

00:52:13,370 --> 00:52:10,740

that there's

1437

00:52:15,829 --> 00:52:13,380

um like a mental health crisis of any

1438

00:52:18,049 --> 00:52:15,839

way but I do think that there's a kind

1439

00:52:20,329 --> 00:52:18,059

of crossover and that's something to be

1440

00:52:22,910 --> 00:52:20,339

understood also especially from doctors

1441

00:52:24,950 --> 00:52:22,920

to understand you know these types of

1442

00:52:27,549 --> 00:52:24,960

conversations that are being had I mean

1443

00:52:30,109 --> 00:52:27,559

look we have people who have notable

1444

00:52:31,609 --> 00:52:30,119

experiences that have occurred and that

1445

00:52:34,490 --> 00:52:31,619

we might have other people that we might

1446

00:52:35,930 --> 00:52:34,500

need to redirect elsewhere and the the

1447

00:52:37,670 --> 00:52:35,940

website that I brought up earlier is

1448

00:52:40,730 --> 00:52:37,680

something that you know hopefully really

1449

00:52:42,470 --> 00:52:40,740

is going to be you know placed out to

1450

00:52:44,450 --> 00:52:42,480

the masses and one day we'll have a

1451

00:52:47,150 --> 00:52:44,460

better protocol for all of these

1452

00:52:48,710 --> 00:52:47,160

experiencers to come forward and share

1453

00:52:51,470 --> 00:52:48,720

um you know my my brother he was

1454

00:52:53,569 --> 00:52:51,480

schizophrenic so he also he lived in

1455

00:52:55,190 --> 00:52:53,579

another reality you know he heard voices

1456

00:52:58,190 --> 00:52:55,200

there were there were people telling him

1457

00:53:00,710 --> 00:52:58,200

certain things that nobody understood so

1458

00:53:04,250 --> 00:53:00,720

but we had very normal conversations

1459

00:53:06,950 --> 00:53:04,260

with him to try and understand what he

1460

00:53:09,890 --> 00:53:06,960

was dealing with and therefore he went

1461

00:53:11,870 --> 00:53:09,900

we seek the proper treatment for him so

1462

00:53:14,270 --> 00:53:11,880

it's a very similar situation that's

1463

00:53:16,130 --> 00:53:14,280

going on in within this community

1464

00:53:18,470 --> 00:53:16,140

um so you know I

1465

00:53:20,030 --> 00:53:18,480

keep keep the events coming that's all I

1466

00:53:22,549 --> 00:53:20,040

have to say is just keep coming forward

1467

00:53:24,770 --> 00:53:22,559

it's you know nobody's here to judge you

1468

00:53:27,049 --> 00:53:24,780

this the stigma is being it's been

1469

00:53:29,089 --> 00:53:27,059

squashed there there's no there's no

1470

00:53:31,190 --> 00:53:29,099

speculation here we we want to hear what

1471

00:53:34,069 --> 00:53:31,200

you have to say and then direct you in

1472

00:53:36,250 --> 00:53:34,079

the right in under the right path

1473

00:53:38,569 --> 00:53:36,260

I I have one question

1474

00:53:41,809 --> 00:53:38,579

oh sorry I have one question for all the

1475

00:53:43,910 --> 00:53:41,819

girls and Vinnie you're included

1476
00:53:45,710 --> 00:53:43,920
um but I do have a question you know do

1477
00:53:47,030 --> 00:53:45,720
you guys ever feel from your research

1478
00:53:49,130 --> 00:53:47,040
it's just something that I've personally

1479
00:53:51,290 --> 00:53:49,140
experienced and and I say this because

1480
00:53:53,210 --> 00:53:51,300
my son was recently diagnosed with

1481
00:53:54,890 --> 00:53:53,220
Asperger's and it's something that I've

1482
00:53:57,829 --> 00:53:54,900
come to learn

1483
00:53:59,630 --> 00:53:57,839
do you ever feel and I know this may

1484
00:54:02,750 --> 00:53:59,640
sound really crazy but

1485
00:54:05,210 --> 00:54:02,760
that we are meant to be dumbed down so

1486
00:54:07,910 --> 00:54:05,220
when people have in your case like your

1487
00:54:09,950 --> 00:54:07,920
brother schizophrenia okay my my

1488
00:54:11,270 --> 00:54:09,960

grandmother with dementia

1489

00:54:12,470 --> 00:54:11,280

um you know these certain cases that

1490

00:54:14,809 --> 00:54:12,480

come forward or people that have

1491

00:54:17,510 --> 00:54:14,819

Asperger's even um or a certain Spectrum

1492

00:54:19,730 --> 00:54:17,520

on the autism spectrum

1493

00:54:21,109 --> 00:54:19,740

does it feel because it feels to me and

1494

00:54:25,150 --> 00:54:21,119

I might just be the only one but doesn't

1495

00:54:28,190 --> 00:54:25,160

it feel as though we as a general race

1496

00:54:30,950 --> 00:54:28,200

are being pushed to be dumbed down to

1497

00:54:33,230 --> 00:54:30,960

close off that inner intelligence or

1498

00:54:35,569 --> 00:54:33,240

understanding or openness of what we're

1499

00:54:39,170 --> 00:54:35,579

hearing and we're being told that's not

1500

00:54:41,150 --> 00:54:39,180

normal well what if I'm Norm like I'm

1501
00:54:43,670 --> 00:54:41,160
the one that's not normal and my son is

1502
00:54:46,089 --> 00:54:43,680
normal but we have bred that out we have

1503
00:54:48,710 --> 00:54:46,099
eliminated that we have shut that off

1504
00:54:51,170 --> 00:54:48,720
and I'm curious if you girls feel

1505
00:54:54,470 --> 00:54:51,180
infinite if you guys feel the same way

1506
00:54:56,329 --> 00:54:54,480
that I do from my research and if you if

1507
00:54:57,589 --> 00:54:56,339
you read and I know people laugh but I

1508
00:54:59,930 --> 00:54:57,599
do bring it up

1509
00:55:02,030 --> 00:54:59,940
um a lot about like the stuff in

1510
00:55:03,890 --> 00:55:02,040
toothpaste and all these different

1511
00:55:05,329 --> 00:55:03,900
things these certain chemicals and if

1512
00:55:06,530 --> 00:55:05,339
you read the history of them and what it

1513
00:55:08,990 --> 00:55:06,540

actually does to the brain it's

1514

00:55:10,730 --> 00:55:09,000

fascinating of how it can shift your

1515

00:55:13,370 --> 00:55:10,740

chemicals your internal chemicals and

1516

00:55:15,290 --> 00:55:13,380

the way you process things and certain

1517

00:55:17,450 --> 00:55:15,300

you know programs that you have to send

1518

00:55:19,790 --> 00:55:17,460

your kids to that just seems like but

1519

00:55:21,470 --> 00:55:19,800

why does he have to do this when you

1520

00:55:22,430 --> 00:55:21,480

know you're basically saying well he

1521

00:55:23,630 --> 00:55:22,440

doesn't have a chart for his

1522

00:55:25,190 --> 00:55:23,640

intelligence of what he's actually

1523

00:55:26,630 --> 00:55:25,200

capable of doing right now but he needs

1524

00:55:29,270 --> 00:55:26,640

to do what everybody else's age is doing

1525

00:55:31,670 --> 00:55:29,280

well but he's he's doing three years

1526

00:55:33,770 --> 00:55:31,680

above his age he's only five

1527

00:55:36,170 --> 00:55:33,780

why do you want him to come back down to

1528

00:55:37,970 --> 00:55:36,180

a mentality of that when he's almost

1529

00:55:40,309 --> 00:55:37,980

like at a nine-year-old grade level but

1530

00:55:42,650 --> 00:55:40,319

you're putting him at a five why you

1531

00:55:44,809 --> 00:55:42,660

know so it just makes me wonder

1532

00:55:46,430 --> 00:55:44,819

if we all can agree that it feels like

1533

00:55:48,170 --> 00:55:46,440

they're trying to still dumb us down as

1534

00:55:50,030 --> 00:55:48,180

a control it feels like it's a control

1535

00:55:52,190 --> 00:55:50,040

you know the Dumber we are the easier we

1536

00:55:53,450 --> 00:55:52,200

are to manipulate to control yeah I

1537

00:55:54,950 --> 00:55:53,460

agree with you completely and I'll be

1538

00:55:56,690 --> 00:55:54,960

really quick I just thinking especially

1539

00:55:58,490 --> 00:55:56,700

in the western world it's just it

1540

00:56:00,829 --> 00:55:58,500

doesn't fit into what's considered to be

1541

00:56:03,770 --> 00:56:00,839

the normal lifestyle of working a nine

1542

00:56:06,530 --> 00:56:03,780

to five working until you're 75 and

1543

00:56:07,849 --> 00:56:06,540

retiring and it's it's we're just so

1544

00:56:10,190 --> 00:56:07,859

ingrained in living in that

1545

00:56:11,030 --> 00:56:10,200

materialistic Society nowadays that we

1546

00:56:15,950 --> 00:56:11,040

don't

1547

00:56:19,549 --> 00:56:15,960

lost what it means to be human maybe

1548

00:56:21,230 --> 00:56:19,559

even or what intelligence actually is so

1549

00:56:23,150 --> 00:56:21,240

yeah that's all I've got to say on that

1550

00:56:25,609 --> 00:56:23,160

I completely agree that that it seems

1551

00:56:27,049 --> 00:56:25,619

that we've been dumbed down

1552

00:56:30,130 --> 00:56:27,059

yeah and I don't know if it's more

1553

00:56:32,809 --> 00:56:30,140

intentional go ahead go ahead Steph

1554

00:56:34,609 --> 00:56:32,819

Katie Katie you went first

1555

00:56:35,750 --> 00:56:34,619

oh no I was gonna say I don't I don't

1556

00:56:36,710 --> 00:56:35,760

even know if it's an intentional but

1557

00:56:39,230 --> 00:56:36,720

also if you just look at like

1558

00:56:41,150 --> 00:56:39,240

evolutionary biology you know there are

1559

00:56:43,490 --> 00:56:41,160

certain things that we have to tune out

1560

00:56:45,710 --> 00:56:43,500

right we have so many sense so much

1561

00:56:47,390 --> 00:56:45,720

sensory input coming into us at any

1562

00:56:50,150 --> 00:56:47,400

um one time that in order to literally

1563

00:56:51,770 --> 00:56:50,160

function in reality we had to have to

1564

00:56:53,630 --> 00:56:51,780

shut different parts off and whether

1565

00:56:55,309 --> 00:56:53,640

that's learned which parts we shut off

1566

00:56:56,990 --> 00:56:55,319

you know and not I think is very

1567

00:56:59,270 --> 00:56:57,000

interesting I think it's fascinating

1568

00:57:02,630 --> 00:56:59,280

that young children are much more open

1569

00:57:04,910 --> 00:57:02,640

to reporting past lives apparitions

1570

00:57:06,470 --> 00:57:04,920

anomalous experiences and then we're

1571

00:57:07,370 --> 00:57:06,480

kind of kind of conditioned away from

1572

00:57:08,750 --> 00:57:07,380

that

1573

00:57:11,750 --> 00:57:08,760

um but I think it's definitely a matter

1574

00:57:16,089 --> 00:57:11,760

of at least one part of it our biology

1575

00:57:21,049 --> 00:57:18,650

yeah I mean our brain function's at only

1576
00:57:22,730 --> 00:57:21,059
10 so imagine I mean they have studied

1577
00:57:24,589 --> 00:57:22,740
in kids that are autistic that their

1578
00:57:26,990 --> 00:57:24,599
brain function is higher they use more

1579
00:57:29,690 --> 00:57:27,000
percentage of their brain so I think

1580
00:57:31,490 --> 00:57:29,700
that scares a lot of what is supposed to

1581
00:57:32,870 --> 00:57:31,500
be Norm because how do you train or

1582
00:57:34,549 --> 00:57:32,880
teach somebody to be normal when you

1583
00:57:36,530 --> 00:57:34,559
know that they're not they're actually

1584
00:57:38,329 --> 00:57:36,540
that's their normal you know and it's

1585
00:57:39,890 --> 00:57:38,339
it's us that have to learn to coexist

1586
00:57:42,049 --> 00:57:39,900
with them because they're smarter than

1587
00:57:45,049 --> 00:57:42,059
us you know and it's like if we continue

1588
00:57:47,809 --> 00:57:45,059

to have that kind of intelligence

1589

00:57:49,490 --> 00:57:47,819

that what what could we do you know so I

1590

00:57:52,370 --> 00:57:49,500

think it's fascinating and I just feel

1591

00:57:54,470 --> 00:57:52,380

like sometimes we're just you know

1592

00:57:55,609 --> 00:57:54,480

I don't know just feels very odd

1593

00:57:56,630 --> 00:57:55,619

especially when you learn about like

1594

00:57:59,150 --> 00:57:56,640

school systems and how it actually

1595

00:58:00,530 --> 00:57:59,160

started how it became very mandatory in

1596

00:58:02,690 --> 00:58:00,540

the early 1900s instead of people

1597

00:58:04,370 --> 00:58:02,700

actually teaching their kids at home and

1598

00:58:05,809 --> 00:58:04,380

the structure of the percentage of of

1599

00:58:07,430 --> 00:58:05,819

intelligence was much greater and much

1600

00:58:09,770 --> 00:58:07,440

higher but they needed to control more

1601
00:58:12,589 --> 00:58:09,780
of how the process was now the teaching

1602
00:58:14,170 --> 00:58:12,599
was done and how the general idea of

1603
00:58:19,250 --> 00:58:14,180
what the

1604
00:58:21,349 --> 00:58:19,260
and what everybody needed to know all at

1605
00:58:22,790 --> 00:58:21,359
one time was done by the way that the

1606
00:58:24,710 --> 00:58:22,800
system needed to be given and how do you

1607
00:58:26,390 --> 00:58:24,720
do that you in-house everyone into one

1608
00:58:27,650 --> 00:58:26,400
building and you teach them a curriculum

1609
00:58:29,870 --> 00:58:27,660
a certain way and then there is no

1610
00:58:31,730 --> 00:58:29,880
outside teaching so it just seemed like

1611
00:58:32,809 --> 00:58:31,740
if you if you look into it it just seems

1612
00:58:34,190 --> 00:58:32,819
very weird and I think that conditioning

1613
00:58:36,109 --> 00:58:34,200

is also being done within house with

1614

00:58:38,450 --> 00:58:36,119

paranormal paranormal

1615

00:58:40,069 --> 00:58:38,460

um aliens UFOs it's been happening since

1616

00:58:42,049 --> 00:58:40,079

Roswell what you saw you didn't see it

1617

00:58:43,609 --> 00:58:42,059

just happened recently with the new uh

1618

00:58:44,750 --> 00:58:43,619

logo that was out for like four days and

1619

00:58:46,130 --> 00:58:44,760

they took it down they're like you

1620

00:58:48,470 --> 00:58:46,140

didn't see anything it was that was just

1621

00:58:51,289 --> 00:58:48,480

an error yeah they basically said my bad

1622

00:58:52,370 --> 00:58:51,299

and they kept going exactly and it's

1623

00:58:53,990 --> 00:58:52,380

kind of like the same thing with Roswell

1624

00:58:55,490 --> 00:58:54,000

it's like oh are bad but if you tell

1625

00:58:57,049 --> 00:58:55,500

anyone this you're all murdered you know

1626
00:58:59,089 --> 00:58:57,059
it's like right it's the same thing it's

1627
00:59:01,309 --> 00:58:59,099
just in a new time frame so it's a

1628
00:59:03,770 --> 00:59:01,319
conditioning it's a control of how they

1629
00:59:06,049 --> 00:59:03,780
need to put stuff out and and have an

1630
00:59:09,109 --> 00:59:06,059
understanding of their public

1631
00:59:11,630 --> 00:59:09,119
yeah well humans have this little habit

1632
00:59:13,430 --> 00:59:11,640
where once our physical body doesn't

1633
00:59:14,210 --> 00:59:13,440
function the way that society says it

1634
00:59:17,750 --> 00:59:14,220
should

1635
00:59:20,210 --> 00:59:17,760
or in a way that is uh easier for people

1636
00:59:24,230 --> 00:59:20,220
to understand that something is wrong

1637
00:59:25,970 --> 00:59:24,240
right like like with autistic children I

1638
00:59:28,609 --> 00:59:25,980

think they're beautiful and I think that

1639

00:59:30,230 --> 00:59:28,619

this world is just I think that they are

1640

00:59:31,849 --> 00:59:30,240

sort of we're seeing more and more

1641

00:59:33,470 --> 00:59:31,859

children being diagnosed now whether

1642

00:59:37,069 --> 00:59:33,480

that's diagnosis

1643

00:59:38,870 --> 00:59:37,079

um going up because of better tests we

1644

00:59:41,690 --> 00:59:38,880

don't know or is it the environment but

1645

00:59:43,910 --> 00:59:41,700

this environment is not for people that

1646

00:59:45,470 --> 00:59:43,920

don't have the mechanism to shut off

1647

00:59:48,770 --> 00:59:45,480

everything and like you said maybe we're

1648

00:59:50,990 --> 00:59:48,780

not supposed to shut off anything and

1649

00:59:51,770 --> 00:59:51,000

it's just does that open them up you

1650

00:59:53,750 --> 00:59:51,780

know we talk about people with

1651
00:59:56,510 --> 00:59:53,760
schizophrenia and dementia is that

1652
00:59:59,750 --> 00:59:56,520
giving them this extra is are they

1653
01:00:01,910 --> 00:59:59,760
getting their senses back to where we

1654
01:00:04,430 --> 01:00:01,920
were before we had to start zoning out

1655
01:00:06,049 --> 01:00:04,440
and tuning out all this EMF stuff before

1656
01:00:08,930 --> 01:00:06,059
our bodies how to just deal with

1657
01:00:10,730 --> 01:00:08,940
processing um artificial things that or

1658
01:00:12,049 --> 01:00:10,740
don't really know the long term because

1659
01:00:13,549 --> 01:00:12,059
think about all the stuff in our food is

1660
01:00:17,690 --> 01:00:13,559
fairly new when it comes to the human

1661
01:00:19,609 --> 01:00:17,700
race and then also cars uh planes all

1662
01:00:22,789 --> 01:00:19,619
this noise around us

1663
01:00:24,349 --> 01:00:22,799

has kind of made us have to drown out a

1664

01:00:26,150 --> 01:00:24,359

lot of things and are because of that

1665

01:00:28,970 --> 01:00:26,160

are we inadvertently drowning out things

1666

01:00:30,349 --> 01:00:28,980

that people that cannot drown it out or

1667

01:00:33,230 --> 01:00:30,359

block it out are able to see like

1668

01:00:34,430 --> 01:00:33,240

autistic people or Alzheimer's people

1669

01:00:36,109 --> 01:00:34,440

maybe they're coming to the end of their

1670

01:00:39,049 --> 01:00:36,119

life and that's like the first stage of

1671

01:00:40,190 --> 01:00:39,059

entering like the spirit realm and it

1672

01:00:42,230 --> 01:00:40,200

just turns

1673

01:00:44,329 --> 01:00:42,240

what we have turned on they have off so

1674

01:00:46,849 --> 01:00:44,339

maybe they're perceiving more or maybe

1675

01:00:49,130 --> 01:00:46,859

it's like a whole nother level of hyper

1676

01:00:50,750 --> 01:00:49,140

perception or hyper vigilance that they

1677

01:00:53,030 --> 01:00:50,760

have that enhances their senses in other

1678

01:00:56,750 --> 01:00:53,040

ways that we don't understand and that

1679

01:00:58,789 --> 01:00:56,760

plays into the phenomena because oh I

1680

01:01:00,170 --> 01:00:58,799

because the phenomenal way it works with

1681

01:01:03,890 --> 01:01:00,180

us it seems

1682

01:01:07,010 --> 01:01:03,900

is very outside of this Newtonian world

1683

01:01:10,250 --> 01:01:07,020

that we know live in and trust and rely

1684

01:01:11,750 --> 01:01:10,260

on it's what if the absolute is

1685

01:01:13,670 --> 01:01:11,760

completely just Bonkers and they're

1686

01:01:16,370 --> 01:01:13,680

seeing what the absolute reality is

1687

01:01:17,990 --> 01:01:16,380

versus what our brain is kind of making

1688

01:01:19,430 --> 01:01:18,000

sense of the best that it can and I

1689

01:01:20,569 --> 01:01:19,440

agree with Katie that it's a survival

1690

01:01:22,250 --> 01:01:20,579

mechanism

1691

01:01:23,390 --> 01:01:22,260

because what if

1692

01:01:25,549 --> 01:01:23,400

um there was a book I was reading I'll

1693

01:01:28,309 --> 01:01:25,559

have to put up he he says if if we

1694

01:01:29,690 --> 01:01:28,319

didn't process reality the way we do we

1695

01:01:31,910 --> 01:01:29,700

wouldn't have survived because we'd be

1696

01:01:35,089 --> 01:01:31,920

lost to like an entropic soup

1697

01:01:37,490 --> 01:01:35,099

so so I'm like sweet I like in chocolate

1698

01:01:39,289 --> 01:01:37,500

soup because it's fun but you know but I

1699

01:01:40,250 --> 01:01:39,299

I just think that they they might have

1700

01:01:42,770 --> 01:01:40,260

the advantage when it comes to

1701

01:01:45,470 --> 01:01:42,780

paranormal and

1702

01:01:47,270 --> 01:01:45,480

because they're not like closed off like

1703

01:01:48,410 --> 01:01:47,280

us we can and we have to fight our way

1704

01:01:49,849 --> 01:01:48,420

back out right we have to have something

1705

01:01:51,770 --> 01:01:49,859

crack US Open like a paranormal

1706

01:01:53,990 --> 01:01:51,780

experience or UFO experience or a

1707

01:01:56,450 --> 01:01:54,000

Sasquatch or sometimes both right at the

1708

01:01:58,010 --> 01:01:56,460

same time you know sometimes but yes I

1709

01:01:59,690 --> 01:01:58,020

do think that it's easier for people

1710

01:02:03,230 --> 01:01:59,700

especially the way we've engineered the

1711

01:02:05,930 --> 01:02:03,240

world to kind of be dumber and not as

1712

01:02:07,670 --> 01:02:05,940

perceptive to like actual reality and

1713

01:02:10,190 --> 01:02:07,680

this might include beings from other

1714

01:02:11,870 --> 01:02:10,200

places right um things in the sky that

1715

01:02:13,309 --> 01:02:11,880

may be cloaked that we don't even notice

1716

01:02:14,990 --> 01:02:13,319

that are they might just be hovering

1717

01:02:17,270 --> 01:02:15,000

around us right now or in the water

1718

01:02:18,890 --> 01:02:17,280

right you might swim by them surf by

1719

01:02:20,930 --> 01:02:18,900

them and you just don't see it right

1720

01:02:23,210 --> 01:02:20,940

just be accepting accepting to these

1721

01:02:24,710 --> 01:02:23,220

things you know we need more acceptance

1722

01:02:26,930 --> 01:02:24,720

right now especially in the UFO

1723

01:02:29,630 --> 01:02:26,940

Community absolutely yeah yeah that

1724

01:02:32,510 --> 01:02:29,640

leads me on to a question from Lara hey

1725

01:02:34,309 --> 01:02:32,520

Lara good to see you uh Lara says as a

1726

01:02:36,170 --> 01:02:34,319

female what one thing would each of the

1727

01:02:39,430 --> 01:02:36,180

panelists like to see happen or change

1728

01:02:43,730 --> 01:02:39,440

within the UFO UAP community

1729

01:02:50,150 --> 01:02:43,740

where to start I'm scared how long you

1730

01:02:53,750 --> 01:02:52,670

who's going standards double standards

1731

01:02:55,190 --> 01:02:53,760

I'll go really quick because I think

1732

01:02:56,750 --> 01:02:55,200

mine's pretty straightforward even

1733

01:02:59,089 --> 01:02:56,760

though I just started even though I just

1734

01:03:01,010 --> 01:02:59,099

stopped talking but um the double

1735

01:03:02,690 --> 01:03:01,020

standard so whenever there's a woman

1736

01:03:04,609 --> 01:03:02,700

that presents herself like Katie had

1737

01:03:06,650 --> 01:03:04,619

posted something about her schedule for

1738

01:03:09,170 --> 01:03:06,660

this week and somebody had said oh what

1739

01:03:11,750 --> 01:03:09,180

makes her qualify whatever they said but

1740

01:03:13,549 --> 01:03:11,760

here's the thing like if an OG like not

1741

01:03:15,049 --> 01:03:13,559

to put say Danny Silva's qualified

1742

01:03:17,809 --> 01:03:15,059

because of his work or you know like if

1743

01:03:19,849 --> 01:03:17,819

any other man posted that new to the

1744

01:03:21,890 --> 01:03:19,859

topic people just like embrace them like

1745

01:03:23,210 --> 01:03:21,900

oh this guy knows stuff man like he's

1746

01:03:26,510 --> 01:03:23,220

such a deep thinker but if a female

1747

01:03:28,730 --> 01:03:26,520

steps out of her mind without

1748

01:03:30,589 --> 01:03:28,740

credentials then you're automatically a

1749

01:03:33,230 --> 01:03:30,599

piece of crap or if your credential is

1750

01:03:35,329 --> 01:03:33,240

like uh Humanities and you're trying to

1751

01:03:37,190 --> 01:03:35,339

comment on nuts and bolts stuff they'll

1752

01:03:39,589 --> 01:03:37,200

be like well you're not an expert when I

1753

01:03:42,049 --> 01:03:39,599

think that it's funny that nobody is an

1754

01:03:43,549 --> 01:03:42,059

expert when it comes to this even we

1755

01:03:46,130 --> 01:03:43,559

think of the most brilliant people

1756

01:03:47,809 --> 01:03:46,140

they're an expert in their realm but

1757

01:03:49,730 --> 01:03:47,819

they don't know do you know what I mean

1758

01:03:51,829 --> 01:03:49,740

so the double standard of a man can pop

1759

01:03:53,630 --> 01:03:51,839

up say whatever he wants

1760

01:03:55,490 --> 01:03:53,640

and people he'll get a following

1761

01:03:58,010 --> 01:03:55,500

automatically whereas a female has to be

1762

01:04:00,170 --> 01:03:58,020

subject to oh she's trying to look a

1763

01:04:02,809 --> 01:04:00,180

certain way to get through to you to

1764

01:04:04,250 --> 01:04:02,819

people or or if she's too sloppy do your

1765

01:04:05,510 --> 01:04:04,260

hair you know like it always goes back

1766

01:04:08,030 --> 01:04:05,520

to the look so I would like to see

1767

01:04:10,370 --> 01:04:08,040

people kind of actually listen to what

1768

01:04:13,069 --> 01:04:10,380

we have to say before judging based on

1769

01:04:15,170 --> 01:04:13,079

the way somebody looks or the fact that

1770

01:04:17,030 --> 01:04:15,180

they're female and you did a quick

1771

01:04:18,770 --> 01:04:17,040

glance at their bio because I guarantee

1772

01:04:20,569 --> 01:04:18,780

you some of these people

1773

01:04:22,370 --> 01:04:20,579

that don't put everything on their bio

1774

01:04:23,569 --> 01:04:22,380

that they actually know and if you

1775

01:04:25,970 --> 01:04:23,579

actually ask them you might learn

1776

01:04:27,170 --> 01:04:25,980

something about them like the same thing

1777

01:04:28,190 --> 01:04:27,180

with Katie I'm going to go back to you

1778

01:04:30,370 --> 01:04:28,200

as an example because I've seen you

1779

01:04:32,510 --> 01:04:30,380

attacked the most recently

1780

01:04:34,730 --> 01:04:32,520

and they're like somebody said that

1781

01:04:37,190 --> 01:04:34,740

you're like mean to experiencers and

1782

01:04:38,630 --> 01:04:37,200

then it was like has had experiences but

1783

01:04:41,890 --> 01:04:38,640

if you would have asked her that you

1784

01:04:45,470 --> 01:04:43,970

I'm just saying like there's a whole the

1785

01:04:47,390 --> 01:04:45,480

whole double standard of you have to fit

1786

01:04:49,250 --> 01:04:47,400

these criteria to speak if you're a

1787

01:04:51,589 --> 01:04:49,260

woman but if you're a man you could just

1788

01:04:53,030 --> 01:04:51,599

show up like whatever and burn your

1789

01:04:54,530 --> 01:04:53,040

mouth and think I think this and then

1790

01:04:57,049 --> 01:04:54,540

people will automatically give you like

1791

01:04:58,549 --> 01:04:57,059

a thousand like thumbs UPS or follows or

1792

01:05:01,730 --> 01:04:58,559

whatever you're looking forward to to

1793

01:05:07,910 --> 01:05:04,250

yeah well said

1794

01:05:10,430 --> 01:05:07,920

I'm trying to not swear

1795

01:05:12,049 --> 01:05:10,440

um yeah I mean I think honestly the one

1796

01:05:13,609 --> 01:05:12,059

thing that always gets me this is even

1797

01:05:16,250 --> 01:05:13,619

outside of the UAP Community but it

1798

01:05:20,150 --> 01:05:16,260

happens here a lot stop with the damn

1799

01:05:22,370 --> 01:05:20,160

mantles like I'm serious I I every every

1800

01:05:23,930 --> 01:05:22,380

UFO conference I want to go to there's

1801

01:05:27,109 --> 01:05:23,940

the ones I've almost bought tickets to

1802

01:05:29,109 --> 01:05:27,119

that I look at it and there's 20 men on

1803

01:05:31,309 --> 01:05:29,119

your poster and I'm like I'm not going

1804

01:05:33,470 --> 01:05:31,319

you know and that's not to say that

1805

01:05:36,410 --> 01:05:33,480

those men aren't very qualified aren't

1806

01:05:38,750 --> 01:05:36,420

very interesting but there are a ton of

1807

01:05:40,250 --> 01:05:38,760

women and I'm not talking about me I'm

1808

01:05:42,829 --> 01:05:40,260

not even talking to people in this room

1809

01:05:45,470 --> 01:05:42,839

necessarily you know who have incredible

1810

01:05:48,109 --> 01:05:45,480

perspectives and I think as organizers

1811

01:05:50,809 --> 01:05:48,119

you know this is what hats off any

1812

01:05:55,069 --> 01:05:50,819

um you know you have to intentionally

1813

01:05:57,710 --> 01:05:55,079

make a choice to make your events more

1814

01:05:59,450 --> 01:05:57,720

representative that includes women that

1815

01:06:01,250 --> 01:05:59,460

includes people with disabilities that

1816

01:06:03,230 --> 01:06:01,260

includes indigenous folks that includes

1817

01:06:05,390 --> 01:06:03,240

folks whose first language is in English

1818

01:06:07,870 --> 01:06:05,400

because there's a lot of UAP experts

1819

01:06:11,089 --> 01:06:07,880

that are not from the UK and in the US

1820

01:06:12,950 --> 01:06:11,099

and I think that you know if we want to

1821

01:06:15,890 --> 01:06:12,960

understand what's going on we're not

1822

01:06:18,410 --> 01:06:15,900

going to get to a new era of

1823

01:06:21,530 --> 01:06:18,420

understanding by rehashing the same

1824

01:06:24,049 --> 01:06:21,540

people over and over and over again and

1825

01:06:25,670 --> 01:06:24,059

so I think that's so important and I'm

1826

01:06:27,529 --> 01:06:25,680

going to just add one more thing someone

1827

01:06:28,309 --> 01:06:27,539

said this to me yesterday and it pissed

1828

01:06:31,549 --> 01:06:28,319

me off

1829

01:06:34,670 --> 01:06:31,559

there is a perception sorry can you tell

1830

01:06:36,049 --> 01:06:34,680

I'm passionate there's a perception that

1831

01:06:38,329 --> 01:06:36,059

I've had repeated to me on several

1832

01:06:40,130 --> 01:06:38,339

occasions that if you're a woman you

1833

01:06:41,630 --> 01:06:40,140

automatically have an easier way through

1834

01:06:43,849 --> 01:06:41,640

in this

1835

01:06:45,170 --> 01:06:43,859

um this community that there's so few of

1836

01:06:48,589 --> 01:06:45,180

us that if you're a woman you just

1837

01:06:51,529 --> 01:06:48,599

happen to be given more opportunities or

1838

01:06:53,270 --> 01:06:51,539

more space and I call [h__h] to that

1839

01:06:56,029 --> 01:06:53,280

because I think the women who stick

1840

01:06:59,630 --> 01:06:56,039

around here are the ones who by default

1841

01:07:01,549 --> 01:06:59,640

had to develop a very thick skin and so

1842

01:07:03,950 --> 01:07:01,559

um you know for those who see that

1843

01:07:05,930 --> 01:07:03,960

happening you know step in call it out

1844

01:07:08,210 --> 01:07:05,940

you know don't let it don't let it go

1845

01:07:10,430 --> 01:07:08,220

I'm not saying cause more drama but just

1846

01:07:13,089 --> 01:07:10,440

shut it down and I think that's what's

1847

01:07:15,650 --> 01:07:13,099

really important in these situations

1848

01:07:17,510 --> 01:07:15,660

I don't want to offend anybody but my

1849

01:07:19,130 --> 01:07:17,520

and I hope that I don't and I hope no

1850

01:07:21,589 --> 01:07:19,140

one takes this the wrong way not in this

1851

01:07:23,809 --> 01:07:21,599

group but just anyone listening my my

1852

01:07:26,930 --> 01:07:23,819

biggest I agree and I second everything

1853

01:07:29,089 --> 01:07:26,940

Priscilla and Katie said hands down and

1854

01:07:31,789 --> 01:07:29,099

I want to add to that posers and by

1855

01:07:33,650 --> 01:07:31,799

posers I mean people that don't know

1856

01:07:36,470 --> 01:07:33,660

anything about the field but they know

1857

01:07:37,430 --> 01:07:36,480

it's a niche that sells and so all of a

1858

01:07:38,930 --> 01:07:37,440

sudden they get asked to make

1859

01:07:40,190 --> 01:07:38,940

appearances or they get asked to go do

1860

01:07:41,390 --> 01:07:40,200

things or they get asked to be a part of

1861

01:07:43,069 --> 01:07:41,400

these things and then when asked the

1862

01:07:45,710 --> 01:07:43,079

series down to the nuts and bolts

1863

01:07:47,210 --> 01:07:45,720

questions they don't know it because all

1864

01:07:49,130 --> 01:07:47,220

they've done is just Googled a couple

1865

01:07:51,289 --> 01:07:49,140

things to make a cool Instagram or Tick

1866

01:07:53,870 --> 01:07:51,299

Took account and

1867

01:07:55,730 --> 01:07:53,880

you know I I can tell from everybody

1868

01:07:57,349 --> 01:07:55,740

here from the research I've done with

1869

01:07:59,630 --> 01:07:57,359

the group here and then my own research

1870

01:08:02,089 --> 01:07:59,640

there are legitimate and I say this like

1871

01:08:03,529 --> 01:08:02,099

so passionately but truly geeked out

1872

01:08:05,150 --> 01:08:03,539

people in this field because we've had

1873

01:08:07,010 --> 01:08:05,160

experiences on the Paranormal I've had

1874

01:08:08,390 --> 01:08:07,020

paranormal I've had Bigfoot I've had all

1875

01:08:10,130 --> 01:08:08,400

different types of experiences and it's

1876

01:08:11,450 --> 01:08:10,140

all led me to where I am today and I'm

1877

01:08:13,309 --> 01:08:11,460

passionate about it and I love it and I

1878

01:08:15,470 --> 01:08:13,319

want to carry that torch it's in my soul

1879

01:08:17,090 --> 01:08:15,480

and I want my kids to do it my son knows

1880

01:08:19,370 --> 01:08:17,100

the Bigfoot claw it's gonna happen

1881

01:08:21,590 --> 01:08:19,380

so I just get really mad when I see

1882

01:08:23,930 --> 01:08:21,600

especially women because they do try and

1883

01:08:25,550 --> 01:08:23,940

do this to look cute on Instagram and

1884

01:08:27,829 --> 01:08:25,560

they have their little alien doll and

1885

01:08:29,990 --> 01:08:27,839

they think it's so funny but it's like

1886

01:08:31,309 --> 01:08:30,000

you know I I love what you guys are

1887

01:08:33,530 --> 01:08:31,319

doing but you're you're not actually

1888

01:08:35,809 --> 01:08:33,540

doing us any good you're making us look

1889

01:08:38,150 --> 01:08:35,819

stupid as a female in the ufology

1890

01:08:39,530 --> 01:08:38,160

community and what we're really doing is

1891

01:08:40,789 --> 01:08:39,540

a lot of behind the scene work that we

1892

01:08:42,169 --> 01:08:40,799

don't post about like if I don't post

1893

01:08:45,050 --> 01:08:42,179

for a couple days it's because I'm

1894

01:08:47,570 --> 01:08:45,060

swamped with actual UAP work that's

1895

01:08:50,570 --> 01:08:47,580

coming into my emails and coming into my

1896

01:08:52,189 --> 01:08:50,580

phone and these people are just posting

1897

01:08:54,590 --> 01:08:52,199

like three reels a day of like

1898

01:08:56,930 --> 01:08:54,600

ridiculous UFO stuff and it's I just

1899

01:08:58,309 --> 01:08:56,940

don't want that anymore like step aside

1900

01:08:59,749 --> 01:08:58,319

and let the real people that are doing

1901

01:09:01,070 --> 01:08:59,759

this hardcore and they really have a

1902

01:09:02,090 --> 01:09:01,080

passion for it and they really love it

1903

01:09:03,349 --> 01:09:02,100

and there's an interest for whatever

1904

01:09:05,809 --> 01:09:03,359

reason

1905

01:09:07,550 --> 01:09:05,819

step step forward and have a voice and

1906

01:09:09,530 --> 01:09:07,560

then you know find another Niche find

1907

01:09:11,150 --> 01:09:09,540

something else so that the serious woman

1908

01:09:13,189 --> 01:09:11,160

can finally be seen and recognized and

1909

01:09:16,070 --> 01:09:13,199

put onto these panels in in larger

1910

01:09:17,090 --> 01:09:16,080

locations and be a be a louder voice for

1911

01:09:19,610 --> 01:09:17,100

sure

1912

01:09:21,349 --> 01:09:19,620

agreed and also

1913

01:09:22,669 --> 01:09:21,359

you're all sorry I didn't know if you're

1914

01:09:25,070 --> 01:09:22,679

wrapped

1915

01:09:26,689 --> 01:09:25,080

um I I totally agree with you and to

1916

01:09:29,289 --> 01:09:26,699

speak on what you spoke on earlier I

1917

01:09:33,169 --> 01:09:29,299

wasn't able to chime in on that but also

1918

01:09:36,050 --> 01:09:33,179

changing the um algorithm to what kids

1919

01:09:38,749 --> 01:09:36,060

are seeing and even adults I think is

1920

01:09:42,349 --> 01:09:38,759

also having a big effect on you know

1921

01:09:44,870 --> 01:09:42,359

just developing as a person and you know

1922

01:09:48,110 --> 01:09:44,880

we need to continually develop as as

1923

01:09:49,370 --> 01:09:48,120

individuals so I just wanted to chime in

1924

01:09:52,729 --> 01:09:49,380

on that

1925

01:09:55,250 --> 01:09:52,739

um and you know not everybody has the

1926

01:09:56,870 --> 01:09:55,260

the finances to homeschool their kids

1927

01:09:58,790 --> 01:09:56,880

the way that they want to either so

1928

01:10:01,130 --> 01:09:58,800

right that's exactly another thing to

1929

01:10:03,709 --> 01:10:01,140

speak on later but

1930

01:10:05,209 --> 01:10:03,719

um Laura Hi how are you so glad to see

1931

01:10:07,910 --> 01:10:05,219

you by the way

1932

01:10:09,470 --> 01:10:07,920

um glad you're here I I wanted to I

1933

01:10:10,250 --> 01:10:09,480

think the most important thing right now

1934

01:10:13,430 --> 01:10:10,260

is

1935

01:10:15,830 --> 01:10:13,440

we need to have a proper identification

1936

01:10:18,950 --> 01:10:15,840

you know program placed out to the

1937

01:10:21,050 --> 01:10:18,960

public that's the first thing we've got

1938

01:10:23,090 --> 01:10:21,060

so much to do down the line we need

1939

01:10:26,570 --> 01:10:23,100

people to know how to properly identify

1940

01:10:28,610 --> 01:10:26,580

and we can go down to you know proper

1941

01:10:30,410 --> 01:10:28,620

reporting so let us know what we're

1942

01:10:33,110 --> 01:10:30,420

looking at first

1943

01:10:34,790 --> 01:10:33,120

then we'll report otherwise you know our

1944

01:10:36,910 --> 01:10:34,800

our people are going to get inundated

1945

01:10:39,410 --> 01:10:36,920

with these these calls from people

1946

01:10:41,450 --> 01:10:39,420

describing a satellite and a weather

1947

01:10:44,330 --> 01:10:41,460

balloon so I think that that needs to

1948

01:10:46,669 --> 01:10:44,340

definitely put be put into place and I I

1949

01:10:49,189 --> 01:10:46,679

came from a logistics background

1950

01:10:51,709 --> 01:10:49,199

um and I think that we go and we need to

1951

01:10:54,950 --> 01:10:51,719

take our steps in starting to you know

1952

01:10:57,410 --> 01:10:54,960

deliver what needs to be done so that

1953

01:11:05,649 --> 01:10:57,420

that to me needs to be that needs to

1954

01:11:10,550 --> 01:11:09,229

views ladies and Vinnie I just it's this

1955

01:11:12,770 --> 01:11:10,560

is such a great room to be in so I

1956

01:11:14,270 --> 01:11:12,780

appreciate it and I respect all that you

1957

01:11:16,610 --> 01:11:14,280

you all are putting forth towards the

1958

01:11:18,770 --> 01:11:16,620

subject so

1959

01:11:20,209 --> 01:11:18,780

same here so all of you based some

1960

01:11:22,370 --> 01:11:20,219

fantastic points there and I'm really

1961

01:11:24,050 --> 01:11:22,380

glad that you mentioned them because I

1962

01:11:26,570 --> 01:11:24,060

think sometimes people are afraid to

1963

01:11:28,189 --> 01:11:26,580

1963
speak out whether that's some females

1964

01:11:30,470 --> 01:11:28,199

that I've seen online or even people

1965

01:11:31,550 --> 01:11:30,480

defending them or have been too afraid

1966

01:11:33,890 --> 01:11:31,560

to

1967

01:11:35,810 --> 01:11:33,900

you know rattle the Hornets Nest as it

1968

01:11:38,030 --> 01:11:35,820

were like I'm just going to scroll past

1969

01:11:40,490 --> 01:11:38,040

and ignore it and I feel like that's

1970

01:11:42,950 --> 01:11:40,500

happened too much in the past as well

1971

01:11:45,350 --> 01:11:42,960

um but I've seen more recently people

1972

01:11:47,390 --> 01:11:45,360

have stepped up to defend especially on

1973

01:11:48,709 --> 01:11:47,400

Twitter so I think we're getting there I

1974

01:11:50,209 --> 01:11:48,719

think we're getting there that's for

1975

01:11:53,149 --> 01:11:50,219

certain and I think more conversations

1976

01:11:56,090 --> 01:11:53,159

like this should happen across

1977

01:11:58,370 --> 01:11:56,100

all kind of podcasts and YouTube

1978

01:12:01,070 --> 01:11:58,380

channels I think and conferences

1979

01:12:03,590 --> 01:12:01,080

especially like you know Katie mentioned

1980

01:12:06,110 --> 01:12:03,600

so and just be afraid of your voice

1981

01:12:07,610 --> 01:12:06,120

don't be afraid to say it that's that's

1982

01:12:08,630 --> 01:12:07,620

a big fear right now people are so

1983

01:12:10,790 --> 01:12:08,640

afraid because they're afraid they're

1984

01:12:12,770 --> 01:12:10,800

gonna get backlashed or canceled and

1985

01:12:14,149 --> 01:12:12,780

it's like so if you are you are then you

1986

01:12:16,130 --> 01:12:14,159

know you're doing something right you've

1987

01:12:18,290 --> 01:12:16,140

got to be a voice for everybody and put

1988

01:12:20,390 --> 01:12:18,300

this out there you're just happy I think

1989

01:12:22,610 --> 01:12:20,400

at the same time people do seem to find

1990

01:12:25,430 --> 01:12:22,620

the right crowd if they if they just

1991

01:12:27,649 --> 01:12:25,440

look yeah like we we're all here friends

1992

01:12:29,689 --> 01:12:27,659

we've all you know came from come from

1993

01:12:31,910 --> 01:12:29,699

different angles and areas and stuff but

1994

01:12:34,310 --> 01:12:31,920

we found a group where people are

1995

01:12:36,350 --> 01:12:34,320

respected no matter what aspect of the

1996

01:12:39,470 --> 01:12:36,360

phenomena they study how they look at it

1997

01:12:40,610 --> 01:12:39,480

what they think of it you know there are

1998

01:12:42,709 --> 01:12:40,620

places where people can have

1999

01:12:45,770 --> 01:12:42,719

disagreements and still be friends and

2000

01:12:48,890 --> 01:12:45,780

improve that here today I guess before

2001

01:12:51,530 --> 01:12:48,900

we finish up I guess a good a good

2002

01:12:53,390 --> 01:12:51,540

question or thing to say is what advice

2003

01:12:56,990 --> 01:12:53,400

would you give somebody new coming into

2004

01:13:00,709 --> 01:12:57,000

the the subject as a female or or as a

2005

01:13:06,410 --> 01:13:03,229

I'll go first stand your ground

2006

01:13:08,630 --> 01:13:06,420

stand your ground no know the history do

2007

01:13:10,850 --> 01:13:08,640

as much reading as possible don't rely

2008

01:13:13,610 --> 01:13:10,860

on the internet to guide you as far as

2009

01:13:16,189 --> 01:13:13,620

the real history or your facts like dig

2010

01:13:18,470 --> 01:13:16,199

into true documentations you know read

2011

01:13:21,110 --> 01:13:18,480

books by people that have done this find

2012

01:13:22,970 --> 01:13:21,120

out who were kind of the main the main

2013

01:13:25,450 --> 01:13:22,980

figures that Forge the way to begin with

2014

01:13:28,310 --> 01:13:25,460

in ufology study their work and create

2015

01:13:29,930 --> 01:13:28,320

your own investigative style from there

2016

01:13:31,970 --> 01:13:29,940

you don't have to mimic you don't have

2017

01:13:34,070 --> 01:13:31,980

to copy but definitely stand your ground

2018

01:13:36,770 --> 01:13:34,080

because you you know at first you will

2019

01:13:38,990 --> 01:13:36,780

be targeted as you know all different

2020

01:13:41,270 --> 01:13:39,000

types of things you know but if you

2021

01:13:43,070 --> 01:13:41,280

stand firm in it and you bring really

2022

01:13:44,689 --> 01:13:43,080

valid points forward or maybe your own

2023

01:13:46,010 --> 01:13:44,699

theories people will start recognizing

2024

01:13:47,990 --> 01:13:46,020

that you really are taking this

2025

01:13:50,390 --> 01:13:48,000

seriously and then there will be a nice

2026

01:13:52,010 --> 01:13:50,400

respect that will follow so just welcome

2027

01:13:53,930 --> 01:13:52,020

to the welcome to this community you're

2028

01:13:56,530 --> 01:13:53,940

welcomed by all of us we we definitely

2029

01:14:01,070 --> 01:13:56,540

will not attack you as some might

2030

01:14:04,550 --> 01:14:03,410

I think listen to your gut you know when

2031

01:14:06,830 --> 01:14:04,560

you're when you're starting to get to

2032

01:14:09,290 --> 01:14:06,840

know people there's going to be red

2033

01:14:12,169 --> 01:14:09,300

flags that go off at times and pay

2034

01:14:15,290 --> 01:14:12,179

attention to them and find a sanity

2035

01:14:17,330 --> 01:14:15,300

buddy I mean I was very lucky in that

2036

01:14:19,790 --> 01:14:17,340

early on I came in and I made friends

2037

01:14:21,649 --> 01:14:19,800

with any and a few other people that I

2038

01:14:23,570 --> 01:14:21,659

was like okay I know I'm with good

2039

01:14:26,090 --> 01:14:23,580

people who you know I'm not saying

2040

01:14:27,770 --> 01:14:26,100

you're perfect but you have a good heart

2041

01:14:29,930 --> 01:14:27,780

and that's gonna matter a lot because

2042

01:14:32,209 --> 01:14:29,940

when you are banging your head against

2043

01:14:34,310 --> 01:14:32,219

the wall you'll be grateful for that and

2044

01:14:36,110 --> 01:14:34,320

last but not least just stay true to who

2045

01:14:38,209 --> 01:14:36,120

you are I mean there's been times and I

2046

01:14:40,189 --> 01:14:38,219

thought I was gonna say things that were

2047

01:14:42,350 --> 01:14:40,199

gonna piss people off and I was gonna

2048

01:14:43,669 --> 01:14:42,360

lose all my followers and whatnot and

2049

01:14:46,310 --> 01:14:43,679

the bottom line is it doesn't matter

2050

01:14:48,350 --> 01:14:46,320

just be you and people are either going

2051

01:14:49,970 --> 01:14:48,360

to like you or they're not that's their

2052

01:14:52,610 --> 01:14:49,980

problem

2053

01:14:54,470 --> 01:14:52,620

um and that's where you can kind of make

2054

01:14:57,169 --> 01:14:54,480

sure that you're at least operating from

2055

01:15:01,850 --> 01:14:57,179

Integrity for yourself

2056

01:15:06,290 --> 01:15:05,330

yeah I agree with you ladies uh I would

2057

01:15:09,590 --> 01:15:06,300

say

2058

01:15:12,530 --> 01:15:09,600

there's a lot of different uh movies to

2059

01:15:14,330 --> 01:15:12,540

watch moment of contact is coming out it

2060

01:15:17,930 --> 01:15:14,340

was incredible it was done incredibly

2061

01:15:20,090 --> 01:15:17,940

well a tear in the sky uh phenomenology

2062

01:15:23,390 --> 01:15:20,100

there's a there's a lot that you can

2063

01:15:25,850 --> 01:15:23,400

just start by learning from watching

2064

01:15:28,550 --> 01:15:25,860

these documentaries

2065

01:15:30,709 --> 01:15:28,560

um and then yeah I always I always come

2066

01:15:33,410 --> 01:15:30,719

forth as a skeptic even though I have

2067

01:15:35,750 --> 01:15:33,420

seen I I'm still skeptical of some

2068

01:15:39,649 --> 01:15:35,760

videos that I've seen so I think when

2069

01:15:42,830 --> 01:15:39,659

you have these uh more I think people

2070

01:15:45,470 --> 01:15:42,840

who are doing the research getting the

2071

01:15:48,709 --> 01:15:45,480

scientific data getting the facts you

2072

01:15:50,390 --> 01:15:48,719

will follow their lead and and realize

2073

01:15:52,189 --> 01:15:50,400

okay well there's there's a there's this

2074

01:15:53,030 --> 01:15:52,199

kind of novelty side and then we have

2075

01:15:56,450 --> 01:15:53,040

this

2076

01:15:59,209 --> 01:15:56,460

very real and serious side that needs to

2077

01:16:01,370 --> 01:15:59,219

be you know taken with some dignity and

2078

01:16:04,669 --> 01:16:01,380

respect so you know don't don't ever

2079

01:16:07,430 --> 01:16:04,679

feel like a fool or a some type of a

2080

01:16:09,649 --> 01:16:07,440

kook or whatever because trust me I mean

2081

01:16:13,130 --> 01:16:09,659

I've felt those ways and in many

2082

01:16:15,770 --> 01:16:13,140

different forums but uh you know yeah

2083

01:16:17,930 --> 01:16:15,780

stick to your guns and and uh you know

2084

01:16:19,550 --> 01:16:17,940

we're here to learn this is this is also

2085

01:16:21,169 --> 01:16:19,560

informational I think that that's

2086

01:16:24,290 --> 01:16:21,179

something that needs to shift in our

2087

01:16:28,310 --> 01:16:24,300

society is that uh we do need to see

2088

01:16:31,729 --> 01:16:28,320

more of videos that are informational uh

2089

01:16:34,130 --> 01:16:31,739

science based not you know all just fun

2090

01:16:35,870 --> 01:16:34,140

and you know cooking shows are great

2091

01:16:38,330 --> 01:16:35,880

makeup is fun and all of that fun stuff

2092

01:16:40,130 --> 01:16:38,340

but we need kids to be feeding their

2093

01:16:42,229 --> 01:16:40,140

brains we need adults to be feeding

2094

01:16:44,330 --> 01:16:42,239

their brains with something that you're

2095

01:16:48,050 --> 01:16:44,340

going to learn from and exercise ideas

2096

01:16:50,810 --> 01:16:48,060

from so just just keep keep an open mind

2097

01:16:53,270 --> 01:16:50,820

keep an open mind we're we're here we're

2098

01:16:56,750 --> 01:16:53,280

here for good we're here for the good

2099

01:16:58,850 --> 01:16:56,760

and uh sorry I just lost my shirt piece

2100

01:17:00,290 --> 01:16:58,860

hi guys we're here for the good just to

2101

01:17:02,990 --> 01:17:00,300

stick it out stick it out we're not

2102

01:17:04,970 --> 01:17:03,000

leaving yep nice yeah I agree with all

2103

01:17:07,430 --> 01:17:04,980

that and I would just add um I agree

2104

01:17:10,370 --> 01:17:07,440

with standing your ground reading more

2105

01:17:12,350 --> 01:17:10,380

um dig into uh the documents yourself

2106

01:17:14,209 --> 01:17:12,360

there's there's great resources you

2107

01:17:15,830 --> 01:17:14,219

don't even have to go on CIA anymore you

2108

01:17:17,510 --> 01:17:15,840

have a couple of great websites that

2109

01:17:19,490 --> 01:17:17,520

have them all in one spot

2110

01:17:20,990 --> 01:17:19,500

um the documentary Steph mentioned I'm

2111

01:17:23,209 --> 01:17:21,000

going to be putting out a top 12 must

2112

01:17:25,250 --> 01:17:23,219

read book list that the book club and I

2113

01:17:26,330 --> 01:17:25,260

kind of really thought about

2114

01:17:27,830 --> 01:17:26,340

um because we've been want to do it for

2115

01:17:29,149 --> 01:17:27,840

a while that's going to be out it's

2116

01:17:32,390 --> 01:17:29,159

going to be a little bit of everything

2117

01:17:33,410 --> 01:17:32,400

for books read read the books

2118

01:17:35,450 --> 01:17:33,420

um when you're looking on the internet

2119

01:17:37,189 --> 01:17:35,460

just double check everything approach it

2120

01:17:40,010 --> 01:17:37,199

like Steph said like a healthy amount of

2121

01:17:43,310 --> 01:17:40,020

skepticism yeah and just I think the

2122

01:17:46,189 --> 01:17:43,320

biggest thing that I learned is you have

2123

01:17:48,410 --> 01:17:46,199

a piece of the puzzle to this whether

2124

01:17:50,090 --> 01:17:48,420

you think you do or you not or you know

2125

01:17:50,870 --> 01:17:50,100

what anybody you think you do or you

2126

01:17:52,130 --> 01:17:50,880

don't

2127

01:17:54,290 --> 01:17:52,140

um you have a piece of the puzzle

2128

01:17:55,669 --> 01:17:54,300

because I've I remember when I first

2129

01:17:56,930 --> 01:17:55,679

started I would tell video I'm like I

2130

01:17:58,310 --> 01:17:56,940

don't know man I'm just a little fish in

2131

01:18:00,169 --> 01:17:58,320

the ocean he's like stop saying that

2132

01:18:01,490 --> 01:18:00,179

like you know like you're just you know

2133

01:18:04,189 --> 01:18:01,500

a fish you know a little fish you know

2134

01:18:07,430 --> 01:18:04,199

like like we're all fish right so um

2135

01:18:09,229 --> 01:18:07,440

that you know and whether you're the

2136

01:18:11,750 --> 01:18:09,239

little boy that saw the light if you're

2137

01:18:14,209 --> 01:18:11,760

a Harvard Professor that's a the boss of

2138

01:18:16,910 --> 01:18:14,219

astrophysics in the University of Thanos

2139

01:18:18,830 --> 01:18:16,920

whatever my little housewife

2140

01:18:20,209 --> 01:18:18,840

um on the Prairie like you you still saw

2141

01:18:21,830 --> 01:18:20,219

something and it's real if you're an

2142

01:18:23,330 --> 01:18:21,840

experiencer and you still have if you

2143

01:18:25,669 --> 01:18:23,340

have a passion about this you have a

2144

01:18:27,830 --> 01:18:25,679

role to play and it's gonna come to you

2145

01:18:30,050 --> 01:18:27,840

no matter how hard I try to stick with

2146

01:18:32,030 --> 01:18:30,060

all the witchiness I always end up back

2147

01:18:33,830 --> 01:18:32,040

with this UFO stuff like always goes

2148

01:18:35,630 --> 01:18:33,840

back to this weirdness so

2149

01:18:36,770 --> 01:18:35,640

um it's not getting rid of me I'm not

2150

01:18:38,810 --> 01:18:36,780

getting rid of it and we don't want to

2151
01:18:41,330 --> 01:18:38,820
get rid of you if you care as much as us

2152
01:18:44,149 --> 01:18:41,340
do so or as much as we do

2153
01:18:47,390 --> 01:18:44,159
exactly one more thing I want to add

2154
01:18:49,850 --> 01:18:47,400
study the space in the ocean yes and by

2155
01:18:51,350 --> 01:18:49,860
that study the airspace study you know

2156
01:18:54,229 --> 01:18:51,360
the the programs that are out there

2157
01:18:55,490 --> 01:18:54,239
SpaceX NASA the different things that

2158
01:18:57,890 --> 01:18:55,500
are happening that are being interjected

2159
01:18:59,990 --> 01:18:57,900
into our space learn about space debris

2160
01:19:01,970 --> 01:19:00,000
so if you are using an eye vision and I

2161
01:19:03,110 --> 01:19:01,980
you will know what each object is you

2162
01:19:04,550 --> 01:19:03,120
can actually identify and learn the

2163
01:19:06,950 --> 01:19:04,560

programs that you can have on your phone

2164

01:19:08,390 --> 01:19:06,960

easy accessible on your tablet so you

2165

01:19:10,370 --> 01:19:08,400

can open it up and actually register and

2166

01:19:12,229 --> 01:19:10,380

see what is around you at that time

2167

01:19:14,090 --> 01:19:12,239

whether it's an air you know there's a

2168

01:19:15,950 --> 01:19:14,100

bunch of different types of apps and

2169

01:19:17,510 --> 01:19:15,960

then also learn the ocean learn the

2170

01:19:19,550 --> 01:19:17,520

different sounds what are natural sounds

2171

01:19:21,530 --> 01:19:19,560

what are not natural sounds learn the

2172

01:19:23,570 --> 01:19:21,540

vibrations learn these things so that

2173

01:19:24,950 --> 01:19:23,580

way if you are coming into ufology and

2174

01:19:27,169 --> 01:19:24,960

someone says something about a pressure

2175

01:19:29,330 --> 01:19:27,179

system within the sky and it creates a a

2176

01:19:31,430 --> 01:19:29,340

different type of um there's actually

2177

01:19:32,810 --> 01:19:31,440

massive mirages that happen within our

2178

01:19:33,890 --> 01:19:32,820

own atmosphere in the sky people think

2179

01:19:36,470 --> 01:19:33,900

it only happens in deserts but it

2180

01:19:37,910 --> 01:19:36,480

happens in the sky with clouds and learn

2181

01:19:39,410 --> 01:19:37,920

these things so if somebody comes to you

2182

01:19:40,790 --> 01:19:39,420

you actually can say no I actually think

2183

01:19:42,709 --> 01:19:40,800

that's just a cloud formation let me

2184

01:19:44,689 --> 01:19:42,719

explain why you know so that you are

2185

01:19:46,850 --> 01:19:44,699

like Priscilla saying you are an act of

2186

01:19:48,770 --> 01:19:46,860

Peace you are you no matter what you

2187

01:19:50,270 --> 01:19:48,780

think you are going to be a huge active

2188

01:19:52,250 --> 01:19:50,280

piece in this puzzle and we need you so

2189

01:19:53,510 --> 01:19:52,260

do the studying we need that help right

2190

01:19:56,390 --> 01:19:53,520

now more than ever

2191

01:19:57,770 --> 01:19:56,400

yeah absolutely really well said well I

2192

01:19:59,270 --> 01:19:57,780

cannot thank each and every one of you

2193

01:20:01,729 --> 01:19:59,280

enough this has been a really really

2194

01:20:05,630 --> 01:20:01,739

amazing conversation I'm so glad we we

2195

01:20:06,890 --> 01:20:05,640

got it arranged and done and I think we

2196

01:20:07,790 --> 01:20:06,900

should do a lot more of these in the

2197

01:20:11,450 --> 01:20:07,800

future

2198

01:20:13,669 --> 01:20:11,460

um by all means so yeah I think that's

2199

01:20:15,530 --> 01:20:13,679

it really so everyone in the live chat

2200

01:20:18,169 --> 01:20:15,540

thank you all so much as well it's been

2201

01:20:20,570 --> 01:20:18,179

uh so much positivity that was just

2202

01:20:22,910 --> 01:20:20,580

really beautiful to see so thank you uh

2203

01:20:24,470 --> 01:20:22,920

Megan T thank you for the donation I

2204

01:20:25,970 --> 01:20:24,480

really appreciate that but I just

2205

01:20:28,130 --> 01:20:25,980

appreciate everybody being here and

2206

01:20:30,830 --> 01:20:28,140

showing that we can have such a really

2207

01:20:32,870 --> 01:20:30,840

nice kind hearted community and we're

2208

01:20:34,850 --> 01:20:32,880

all in it together so yeah once again

2209

01:20:36,470 --> 01:20:34,860

all of you thank you so much I'm sure

2210

01:20:38,510 --> 01:20:36,480

we'll speak soon

2211

01:20:40,070 --> 01:20:38,520

um behind the scenes keep up the good

2212

01:20:42,350 --> 01:20:40,080

work every single one of you you're all

2213

01:20:43,790 --> 01:20:42,360

doing amazing things and yeah that's

2214

01:20:45,830 --> 01:20:43,800

about it

2215

01:20:48,110 --> 01:20:45,840

um whoever's going I think Priscilla

2216

01:20:50,990 --> 01:20:48,120

good luck at the weekend co-host in the

2217

01:20:53,450 --> 01:20:51,000

conference with Jay and James and Kelly

2218

01:20:56,630 --> 01:20:53,460

I know Katie you're going to be there

2219

01:20:57,530 --> 01:20:56,640

and yeah guys that's awesome thank you

2220

01:20:59,090 --> 01:20:57,540

so much

2221

01:21:02,750 --> 01:20:59,100

um I'm going to be back in a few days

2222

01:21:04,490 --> 01:21:02,760

and yeah everyone go and follow all the

2223

01:21:06,050 --> 01:21:04,500

links for all of these wonderful ladies

2224

01:21:07,610 --> 01:21:06,060

are in the description below go and

2225

01:21:09,709 --> 01:21:07,620

follow them across all the social media

2226

01:21:11,570 --> 01:21:09,719

platforms and everything else for now I
