

Joe Murgia

Wilson/Davis Memo & UFOs

TW: I told threesome I wanted formal briefing, tour, etc. – was exploiting my regular authority as Deputy Director DIA/Assistant Joint Chief of Staff J-2 – Told them my not being briefed was oversight they needed to correct – I demanded!

TW: They needed to discuss this (his demand) so hung up. Got called 2 days later and they said they don't want to talk on phone and arranged for face-to-face meeting at their facility.

EWD: Did you go?

TW: Yes, ten days later (mid-June or so). Flew out there

- Met in their conference room in their secure vault
- Three of them show up.

EWD: 3 guys with whom you had telecon?

TW: Yes, same 3

- Security director (NSA-retired, a CI expert)
- Program director
- Corporate attorney
- Called themselves "the watch committee," or gate keepers

**DISCLOSURE
TEAM**

1
00:00:04,670 --> 00:00:02,629
what's up guys welcome back to the

2
00:00:06,889 --> 00:00:04,680
channel thank you so much for being here

3
00:00:09,410 --> 00:00:06,899
live I really do appreciate everyone

4
00:00:10,730 --> 00:00:09,420
being here quick uh before we bring up

5
00:00:12,290 --> 00:00:10,740
bring on my guests just to let you know

6
00:00:14,870 --> 00:00:12,300
as always if you have any questions

7
00:00:16,730 --> 00:00:14,880
throughout the interview just pop them

8
00:00:19,070 --> 00:00:16,740
in capital letters because obviously I

9
00:00:21,950 --> 00:00:19,080
get I'm more likely to see them uh keep

10
00:00:25,550 --> 00:00:21,960
the chat nice and cordial please uh you

11
00:00:29,150 --> 00:00:25,560
always do so uh again I appreciate that

12
00:00:30,589 --> 00:00:29,160
uh yeah let's get into it so uh yeah

13
00:00:32,630 --> 00:00:30,599

I've been looking forward to speaking to

14

00:00:33,950 --> 00:00:32,640

my guest today for some time uh We've

15

00:00:35,150 --> 00:00:33,960

interacted many times on Twitter but

16

00:00:36,650 --> 00:00:35,160

this is the first time that we've

17

00:00:38,510 --> 00:00:36,660

actually spoken so I'm really looking

18

00:00:41,389 --> 00:00:38,520

forward to this conversation so without

19

00:00:43,729 --> 00:00:41,399

further Ado please welcome Joe magia Joe

20

00:00:44,690 --> 00:00:43,739

how are you good I'm great thanks for

21

00:00:47,389 --> 00:00:44,700

having me

22

00:00:48,709 --> 00:00:47,399

um glad to be here thank you so much for

23

00:00:50,810 --> 00:00:48,719

doing this man like I said we've not

24

00:00:52,910 --> 00:00:50,820

spoken face to face before but we have

25

00:00:54,229 --> 00:00:52,920

interacted a lot on Twitter and then you

26
00:00:56,389 --> 00:00:54,239
know everything that you post on Twitter

27
00:00:58,369 --> 00:00:56,399
it covers the whole Gambit when it comes

28
00:01:00,049 --> 00:00:58,379
to the phenomena which I find really

29
00:01:02,209 --> 00:01:00,059
impressive because it's not easy to

30
00:01:04,369 --> 00:01:02,219
cover sort of all those those aspects of

31
00:01:05,810 --> 00:01:04,379
it so so kudos to you

32
00:01:08,030 --> 00:01:05,820
um thank you before we get into sort of

33
00:01:09,109 --> 00:01:08,040
the meeting and potatoes of what we're

34
00:01:11,090 --> 00:01:09,119
going to talk about if you could just

35
00:01:13,190 --> 00:01:11,100
give us a background about how you first

36
00:01:14,929 --> 00:01:13,200
got started in the subject because

37
00:01:17,030 --> 00:01:14,939
um that would just be great to sort of

38
00:01:19,850 --> 00:01:17,040

lay it out there if you don't mind

39

00:01:21,830 --> 00:01:19,860

when I was younger I watched a show

40

00:01:23,810 --> 00:01:21,840

called in search of which was Leonard

41

00:01:26,330 --> 00:01:23,820

Nimoy and it covered all of these topics

42

00:01:28,310 --> 00:01:26,340

and I loved it and I remember also going

43

00:01:30,830 --> 00:01:28,320

to the movies to see a Bigfoot movie it

44

00:01:34,789 --> 00:01:30,840

was called Legend of Boggy Creek I think

45

00:01:36,050 --> 00:01:34,799

it was like 75 73 something like that I

46

00:01:38,330 --> 00:01:36,060

was really young and I went with my

47

00:01:40,789 --> 00:01:38,340

sisters who don't even remember had an

48

00:01:42,890 --> 00:01:40,799

impact on me it was a docu drama so it

49

00:01:45,530 --> 00:01:42,900

was it was written and scripted but they

50

00:01:46,490 --> 00:01:45,540

treated it like a documentary so but it

51
00:01:49,490 --> 00:01:46,500
wasn't

52
00:01:51,050 --> 00:01:49,500
um and then in 77 I saw Close Encounters

53
00:01:53,929 --> 00:01:51,060
of the Third Kind in the movie theater

54
00:01:56,929 --> 00:01:53,939
and I loved it

55
00:02:00,230 --> 00:01:56,939
um I think I saw it by myself too I was

56
00:02:01,789 --> 00:02:00,240
12 years old had I had the T-shirt I had

57
00:02:03,170 --> 00:02:01,799
a great picture of me playing drums with

58
00:02:05,870 --> 00:02:03,180
the Close Encounters of the Third Kind

59
00:02:08,089 --> 00:02:05,880
t-shirt on which I cannot find right now

60
00:02:09,770 --> 00:02:08,099
um and then so but I didn't at the time

61
00:02:11,510 --> 00:02:09,780
I didn't realize you can study you

62
00:02:14,270 --> 00:02:11,520
followed you I'm 12 years old I'm like

63
00:02:17,330 --> 00:02:14,280

so I just went about my life and I

64

00:02:18,890 --> 00:02:17,340

didn't really get interested again until

65

00:02:21,890 --> 00:02:18,900

probably

66

00:02:24,410 --> 00:02:21,900

in the late 80s maybe starting into some

67

00:02:27,229 --> 00:02:24,420

occult stuff and astral out of out of

68

00:02:30,190 --> 00:02:27,239

body stuff out of body projections books

69

00:02:33,530 --> 00:02:30,200

and then 96

70

00:02:35,390 --> 00:02:33,540

my first ex-wife I have two I was

71

00:02:37,490 --> 00:02:35,400

pursuing her and she mentioned the book

72

00:02:39,350 --> 00:02:37,500

she goes my aunt had this experience

73

00:02:40,610 --> 00:02:39,360

with this being

74

00:02:42,350 --> 00:02:40,620

um I'm like what are you talking about

75

00:02:43,790 --> 00:02:42,360

she's like yeah he wrote about it it's a

76

00:02:45,770 --> 00:02:43,800

book called communion by Whitley

77

00:02:47,089 --> 00:02:45,780

strieber I'm like all right so in my

78

00:02:48,350 --> 00:02:47,099

head I'm like I'm gonna buy that book

79

00:02:49,970 --> 00:02:48,360

I'm gonna read it and now I have

80

00:02:51,770 --> 00:02:49,980

something in common with her that I can

81

00:02:53,690 --> 00:02:51,780

talk to her about so I had ulterior

82

00:02:55,790 --> 00:02:53,700

motives but I also had an interest

83

00:02:59,150 --> 00:02:55,800

so I started reading communion this was

84

00:03:00,589 --> 00:02:59,160

96 and I'm like this is really scary I

85

00:03:02,330 --> 00:03:00,599

don't really want to read this I had no

86

00:03:05,449 --> 00:03:02,340

idea what it was about and I put it down

87

00:03:06,770 --> 00:03:05,459

that night I woke up on my couch I fell

88

00:03:09,170 --> 00:03:06,780

asleep on the couch and I couldn't move

89

00:03:11,390 --> 00:03:09,180

I was paralyzed some people will say

90

00:03:13,250 --> 00:03:11,400

it's sleep paralysis I thought the

91

00:03:16,670 --> 00:03:13,260

aliens had Frozen me and were coming to

92

00:03:18,350 --> 00:03:16,680

get me I was so scared I worked my way

93

00:03:19,610 --> 00:03:18,360

out of it I struggled and the next day

94

00:03:21,229 --> 00:03:19,620

I'm like you know what I'm going to take

95

00:03:24,050 --> 00:03:21,239

that as a sign that I need to finish

96

00:03:26,869 --> 00:03:24,060

communion and I did and I loved it and I

97

00:03:28,970 --> 00:03:26,879

read transformation and breakthrough and

98

00:03:30,770 --> 00:03:28,980

I just went down a rabbit hole all of

99

00:03:33,050 --> 00:03:30,780

these different books related to UFOs

100

00:03:35,270 --> 00:03:33,060

and metaphysics

101
00:03:36,530 --> 00:03:35,280
channeling books everything and I just

102
00:03:38,089 --> 00:03:36,540
read everything and I believed

103
00:03:39,530 --> 00:03:38,099
everything I had no filter I had no

104
00:03:42,350 --> 00:03:39,540
discernment

105
00:03:43,910 --> 00:03:42,360
um so that's basically how I got started

106
00:03:45,589 --> 00:03:43,920
that's awesome yeah you mentioned

107
00:03:48,289 --> 00:03:45,599
Richard I was lucky enough to meet him

108
00:03:50,210 --> 00:03:48,299
at the weekend and see him talk for the

109
00:03:51,949 --> 00:03:50,220
first time but he and he talks about you

110
00:03:53,570 --> 00:03:51,959
know what happened to him but there was

111
00:03:55,550 --> 00:03:53,580
something about hearing it directly from

112
00:03:57,229 --> 00:03:55,560
him that really hits home about it you

113
00:03:59,509 --> 00:03:57,239

know because obviously I've read the

114

00:04:01,550 --> 00:03:59,519

book seen a movie read everything over

115

00:04:04,850 --> 00:04:01,560

the years but yeah it was really really

116

00:04:07,130 --> 00:04:04,860

uh really moving actually in a way so

117

00:04:08,449 --> 00:04:07,140

yeah yeah that's really there are people

118

00:04:09,830 --> 00:04:08,459

who are very there are people who are

119

00:04:11,690 --> 00:04:09,840

skeptical of his story and I'm like

120

00:04:14,330 --> 00:04:11,700

there are people there are people that

121

00:04:16,310 --> 00:04:14,340

spend time at his cabin who had their

122

00:04:18,050 --> 00:04:16,320

own experiences they've gone on the

123

00:04:20,509 --> 00:04:18,060

record not all of them so it's like it's

124

00:04:22,189 --> 00:04:20,519

not just him so there is really

125

00:04:24,230 --> 00:04:22,199

something going on and he's open about

126

00:04:26,270 --> 00:04:24,240

saying I don't know if it's positive or

127

00:04:27,830 --> 00:04:26,280

not uh he's gone back and forth over the

128

00:04:29,270 --> 00:04:27,840

years he tries to call them the visitors

129

00:04:30,590 --> 00:04:29,280

because he does not know what they are

130

00:04:33,890 --> 00:04:30,600

which I think is the right way to go

131

00:04:36,170 --> 00:04:33,900

yeah absolutely absolutely

132

00:04:38,210 --> 00:04:36,180

um now let's jump into kind of what what

133

00:04:40,129 --> 00:04:38,220

we're going to get into and I wanted to

134

00:04:42,050 --> 00:04:40,139

start because I mentioned before we came

135

00:04:44,030 --> 00:04:42,060

came on air that I'd not really covered

136

00:04:45,290 --> 00:04:44,040

the Wilson Davis note at all on this

137

00:04:46,430 --> 00:04:45,300

channel

138

00:04:48,469 --> 00:04:46,440

um I kind of was waiting for the right

139

00:04:50,270 --> 00:04:48,479

moment so obviously when we we agreed to

140

00:04:53,150 --> 00:04:50,280

do this that I thought well I've got to

141

00:04:54,650 --> 00:04:53,160

ask Joe about it so if you don't mind

142

00:04:56,990 --> 00:04:54,660

just laying out the kind of basic

143

00:04:59,030 --> 00:04:57,000

outline of what happened you know the me

144

00:05:01,550 --> 00:04:59,040

the alleged meeting let's say and then

145

00:05:03,350 --> 00:05:01,560

you can get into kind of yeah the

146

00:05:06,770 --> 00:05:03,360

nuances from your from your angle if

147

00:05:08,810 --> 00:05:06,780

that's okay okay April 97 I'm listening

148

00:05:11,570 --> 00:05:08,820

to Art Bell staying up till 6 a.m in the

149

00:05:13,370 --> 00:05:11,580

morning every night not sleeping and

150

00:05:16,969 --> 00:05:13,380

then Stephen Greer is on saying oh yeah

151

00:05:19,129 --> 00:05:16,979

I briefed a Joint Chiefs fella at the

152

00:05:22,129 --> 00:05:19,139

Pentagon and I'm like really Steven

153

00:05:24,409 --> 00:05:22,139

Greer briefed a Joint Chiefs fella a

154

00:05:27,290 --> 00:05:24,419

Joint Chiefs guy and I'm like that's

155

00:05:28,670 --> 00:05:27,300

really huge and if it happened and Greer

156

00:05:30,890 --> 00:05:28,680

I don't think he was as controversial

157

00:05:32,930 --> 00:05:30,900

back then so

158

00:05:34,310 --> 00:05:32,940

I kept that in the back of my mind and

159

00:05:36,950 --> 00:05:34,320

then

160

00:05:39,350 --> 00:05:36,960

over the years one of the people who was

161

00:05:42,830 --> 00:05:39,360

there with him was Will Miller so he was

162

00:05:44,629 --> 00:05:42,840

his the sea City military advisor he was

163

00:05:48,230 --> 00:05:44,639

there with Edgar Mitchell and two other

164

00:05:50,510 --> 00:05:48,240

people and and so that was 97 that

165

00:05:54,350 --> 00:05:50,520

briefing happened Admiral Wilson we

166

00:05:56,090 --> 00:05:54,360

later found out and 2007 I had met will

167

00:05:57,890 --> 00:05:56,100

Miller because he did an interview in

168

00:06:00,469 --> 00:05:57,900

Tampa he lived in Florida in the Tampa

169

00:06:02,689 --> 00:06:00,479

area I met him I went to his house in

170

00:06:05,510 --> 00:06:02,699

2007 with the goal of talking to him

171

00:06:07,850 --> 00:06:05,520

about the Joint Chiefs of Staff fella I

172

00:06:10,249 --> 00:06:07,860

wanted him to say oh Steven's just

173

00:06:12,890 --> 00:06:10,259

making that up I just wanted some sort

174

00:06:14,990 --> 00:06:12,900

of feedback or oh yeah it happened but I

175

00:06:16,550 --> 00:06:15,000

had a friend with me who wasn't into UFO

176

00:06:18,170 --> 00:06:16,560

so I did not bring it up and I always

177

00:06:20,930 --> 00:06:18,180

regretted that

178

00:06:23,990 --> 00:06:20,940

um great guy will Miller great guy

179

00:06:25,790 --> 00:06:24,000

um so fast forward 2019 Giuliano

180

00:06:27,469 --> 00:06:25,800

marankovic and me and a couple of other

181

00:06:29,450 --> 00:06:27,479

people were in a Facebook group he goes

182

00:06:31,610 --> 00:06:29,460

guys this is a blockbuster check this

183

00:06:34,249 --> 00:06:31,620

out I'm looking at it and it's like

184

00:06:36,230 --> 00:06:34,259

notes from Eric Davis interviewing

185

00:06:38,330 --> 00:06:36,240

Admiral Wilson I'm looking like oh my

186

00:06:43,370 --> 00:06:38,340

God this is the Joint Chiefs guy that

187

00:06:46,309 --> 00:06:43,380

Greer talked about in 97 and I had

188

00:06:48,710 --> 00:06:46,319

I had become friends with Eric Davis not

189

00:06:50,450 --> 00:06:48,720

too long before that maybe like within

190

00:06:51,950 --> 00:06:50,460

the year I'd become friends with him and

191

00:06:54,050 --> 00:06:51,960

becoming pretty close friends with him

192

00:06:55,670 --> 00:06:54,060

so I wrote to him right away I'm like

193

00:06:58,309 --> 00:06:55,680

what's the deal with this Eric and he's

194

00:07:00,890 --> 00:06:58,319

like no comment and he's not if anybody

195

00:07:03,590 --> 00:07:00,900

knows Eric he never says no comment he

196

00:07:05,270 --> 00:07:03,600

talks forever he writes forever it's the

197

00:07:07,189 --> 00:07:05,280

best private message messages you'll

198

00:07:09,170 --> 00:07:07,199

ever want to get because his memory is

199

00:07:11,390 --> 00:07:09,180

amazing and he knows so many details so

200

00:07:13,730 --> 00:07:11,400

that was what happened and supposedly in

201
00:07:15,650 --> 00:07:13,740
2002 he met with Abra Wilson who wanted

202
00:07:17,629 --> 00:07:15,660
allegedly apparently wanted to get this

203
00:07:20,990 --> 00:07:17,639
off of his chest he talked to Oak

204
00:07:24,290 --> 00:07:21,000
Shannon who was a scientist at

205
00:07:26,870 --> 00:07:24,300
where is it LA Los Alamos yeah um

206
00:07:29,150 --> 00:07:26,880
Shannon knew Eric Davis he knew Admiral

207
00:07:30,830 --> 00:07:29,160
Wilson Wilson said can you vouch for me

208
00:07:32,510 --> 00:07:30,840
can you vouch for Davis is he somebody

209
00:07:35,930 --> 00:07:32,520
worthwhile can I talk to him about what

210
00:07:38,330 --> 00:07:35,940
happened in 97 and in 97 Wilson did

211
00:07:40,249 --> 00:07:38,340
allegedly find this alleged crash

212
00:07:41,930 --> 00:07:40,259
retrieval program he went to where it

213
00:07:43,790 --> 00:07:41,940

was he flew out there and they told him

214

00:07:46,490 --> 00:07:43,800

sorry we'll tell you what the program is

215

00:07:48,710 --> 00:07:46,500

about it's a non-human crash retrieval

216

00:07:50,330 --> 00:07:48,720

program we have an intact craft but

217

00:07:52,309 --> 00:07:50,340

we're not going to give you a tour you

218

00:07:54,589 --> 00:07:52,319

do not you're not on the bigot list I'm

219

00:07:57,350 --> 00:07:54,599

sorry you do not have a need to know so

220

00:07:59,089 --> 00:07:57,360

Wilson was red rejected so then five

221

00:08:01,070 --> 00:07:59,099

years later he's telling Eric Davis all

222

00:08:04,129 --> 00:08:01,080

of the details of what happened when he

223

00:08:05,930 --> 00:08:04,139

was rejected Davis has the notes he

224

00:08:07,730 --> 00:08:05,940

gives copies to at least Edgar Mitchell

225

00:08:09,350 --> 00:08:07,740

and some other folks

226

00:08:11,749 --> 00:08:09,360

um connected to nids I'm not sure if it

227

00:08:13,309 --> 00:08:11,759

was specifically a niche issue and nid's

228

00:08:15,170 --> 00:08:13,319

was started by Robert Bigelow to

229

00:08:17,330 --> 00:08:15,180

investigate paranormal phenomena UFOs

230

00:08:20,570 --> 00:08:17,340

life after death

231

00:08:23,089 --> 00:08:20,580

um so that leaked out in 2019 and then I

232

00:08:24,890 --> 00:08:23,099

wrote a Blog about it and details have

233

00:08:27,110 --> 00:08:24,900

been coming out since then I mean

234

00:08:29,869 --> 00:08:27,120

recently we had Eric Davis in a private

235

00:08:31,490 --> 00:08:29,879

Facebook group say to Peter lavender who

236

00:08:33,589 --> 00:08:31,500

lavender said we have some of the some

237

00:08:36,469 --> 00:08:33,599

of the notes are are not true it's a

238

00:08:38,389 --> 00:08:36,479

mixture of lies lies in truth Eric Davis

239

00:08:40,730 --> 00:08:38,399

jumped in because somebody posted that

240

00:08:43,430 --> 00:08:40,740

on this Facebook group and David said

241

00:08:46,070 --> 00:08:43,440

one should not comment on the validity

242

00:08:48,650 --> 00:08:46,080

of and I'm not I'm paraphrasing the

243

00:08:50,750 --> 00:08:48,660

validity of a document unless one is in

244

00:08:52,850 --> 00:08:50,760

the know in other words if you're not in

245

00:08:55,730 --> 00:08:52,860

the no don't say anything about it and

246

00:08:57,769 --> 00:08:55,740

and Eric knew I was working on a mega

247

00:08:59,509 --> 00:08:57,779

blog I told him I was working all day

248

00:09:02,389 --> 00:08:59,519

and all night on something related to

249

00:09:05,329 --> 00:09:02,399

Wilson Davis not once did he say

250

00:09:07,130 --> 00:09:05,339

wink wink don't waste your time it's a

251
00:09:08,870 --> 00:09:07,140
way he would have told me I'm confident

252
00:09:10,910 --> 00:09:08,880
he would have said something even he

253
00:09:13,190 --> 00:09:10,920
gave me a quote for it about how it

254
00:09:14,329 --> 00:09:13,200
leaked from the Mitchell estate

255
00:09:16,730 --> 00:09:14,339
um and then he talked about how he had

256
00:09:18,470 --> 00:09:16,740
advice for somebody at his job legal

257
00:09:20,090 --> 00:09:18,480
advice to not talk about it because in

258
00:09:21,350 --> 00:09:20,100
the Trump and Obama administration they

259
00:09:22,670 --> 00:09:21,360
were coming down really hard on

260
00:09:24,530 --> 00:09:22,680
whistleblowers

261
00:09:26,690 --> 00:09:24,540
and this was potentially classified

262
00:09:28,610 --> 00:09:26,700
information and he just you know he was

263
00:09:30,769 --> 00:09:28,620

told just not their comments were like

264

00:09:33,550 --> 00:09:30,779

put off made a comment at a lecture

265

00:09:38,030 --> 00:09:36,230

did of Admiral Wilson and it's like oh

266

00:09:39,889 --> 00:09:38,040

he just admitted it but then later on

267

00:09:42,290 --> 00:09:39,899

he's like oh I couldn't hear properly I

268

00:09:45,829 --> 00:09:42,300

misspoke and you know there's there's

269

00:09:50,509 --> 00:09:45,839

been non-denial denials um and then now

270

00:09:53,630 --> 00:09:50,519

we have Congressman Gallagher who era um

271

00:09:55,730 --> 00:09:53,640

Gary Gary Davis Gary Nolan from Stanford

272

00:09:58,370 --> 00:09:55,740

an immunologist said that he had briefed

273

00:09:59,990 --> 00:09:58,380

at uh he had briefed Gallagher on Wilson

274

00:10:02,150 --> 00:10:00,000

Davis and then he entered those

275

00:10:03,650 --> 00:10:02,160

Gallagher entered the Wilson Davis notes

276

00:10:05,570 --> 00:10:03,660

into the public record during the

277

00:10:08,030 --> 00:10:05,580

Congressional hearing on UFOs in May

278

00:10:09,769 --> 00:10:08,040

first time in 50 something years that

279

00:10:11,930 --> 00:10:09,779

we've had UFOs discussed so it's

280

00:10:15,230 --> 00:10:11,940

official now that doesn't mean they're

281

00:10:17,570 --> 00:10:15,240

real but I I'm no I have no doubt that

282

00:10:19,790 --> 00:10:17,580

that meeting took place Eric um Nolan

283

00:10:22,310 --> 00:10:19,800

said that I was in a group with Eric

284

00:10:24,050 --> 00:10:22,320

Davis before I knew I knew about the

285

00:10:25,610 --> 00:10:24,060

Wilson Davis documents before they even

286

00:10:27,650 --> 00:10:25,620

leaked

287

00:10:29,690 --> 00:10:27,660

um and you know it's basically saying

288

00:10:31,670 --> 00:10:29,700

he's basically saying Eric Davis told

289

00:10:33,470 --> 00:10:31,680

him they're real without actually saying

290

00:10:34,670 --> 00:10:33,480

that and burning Eric Davis although I

291

00:10:36,769 --> 00:10:34,680

don't think Davis would get in trouble

292

00:10:38,509 --> 00:10:36,779

at this point

293

00:10:39,949 --> 00:10:38,519

um so yeah I think tell me if I left

294

00:10:41,090 --> 00:10:39,959

anything out I think that's where we

295

00:10:43,310 --> 00:10:41,100

stand there are other people that have

296

00:10:45,530 --> 00:10:43,320

spoken out um

297

00:10:47,150 --> 00:10:45,540

you know over the years and there are

298

00:10:49,190 --> 00:10:47,160

people who stink still think it's fake

299

00:10:50,690 --> 00:10:49,200

yeah I think we'll always have that but

300

00:10:52,310 --> 00:10:50,700

we've got Melinda Leslie in here hello

301
00:10:54,170 --> 00:10:52,320
Melinda she says Joe will you be

302
00:10:56,210 --> 00:10:54,180
bringing up the Shannon Hulk documents

303
00:10:58,430 --> 00:10:56,220
and how they support Wilson Davis so

304
00:10:59,990 --> 00:10:58,440
yeah by all means they came out you know

305
00:11:01,130 --> 00:11:00,000
in the last few weeks

306
00:11:02,389 --> 00:11:01,140
um so yeah what did you think about

307
00:11:05,690 --> 00:11:02,399
those two

308
00:11:08,389 --> 00:11:05,700
I will admit I read I read the shadow

309
00:11:09,829 --> 00:11:08,399
notes I have not Melinda I am so behind

310
00:11:12,650 --> 00:11:09,839
on stuff I haven't read the hawk notes

311
00:11:14,569 --> 00:11:12,660
yet so I need to read that um I don't

312
00:11:17,750 --> 00:11:14,579
know in the Shannon notes I didn't see

313
00:11:19,430 --> 00:11:17,760

anything that confirmed Wilson Davis Jay

314

00:11:21,110 --> 00:11:19,440

from Project Unity interviewed Oak

315

00:11:23,930 --> 00:11:21,120

Shannon and a big part of that interview

316

00:11:26,210 --> 00:11:23,940

is Oak Shannon said

317

00:11:28,430 --> 00:11:26,220

um yeah Admiral Wilson called me and

318

00:11:30,350 --> 00:11:28,440

wanted me to you know vouch for Eric

319

00:11:32,210 --> 00:11:30,360

Davis and

320

00:11:33,829 --> 00:11:32,220

Oak Shannon also said he was dealing

321

00:11:36,470 --> 00:11:33,839

with a heart attack post heart attack

322

00:11:38,810 --> 00:11:36,480

symptoms at the time that's in the notes

323

00:11:40,310 --> 00:11:38,820

so that confirms that part of it he

324

00:11:42,949 --> 00:11:40,320

cannot confirm whether or not they

325

00:11:45,650 --> 00:11:42,959

actually met but I will tell you Vinnie

326

00:11:48,110 --> 00:11:45,660

I have really good sources on this they

327

00:11:50,329 --> 00:11:48,120

met he interviewed Admiral Wilson that's

328

00:11:53,030 --> 00:11:50,339

not that's not in question for me most

329

00:11:55,430 --> 00:11:53,040

people either but did Admiral Wilson

330

00:11:57,590 --> 00:11:55,440

really was he really told that there's

331

00:11:59,630 --> 00:11:57,600

an intact craft by this program manager

332

00:12:01,490 --> 00:11:59,640

in this crash retrieval and reverse

333

00:12:03,949 --> 00:12:01,500

engineering program and if he was told

334

00:12:05,569 --> 00:12:03,959

that is that the truth well now we have

335

00:12:06,530 --> 00:12:05,579

whistleblowers ready to come forward is

336

00:12:08,449 --> 00:12:06,540

that what they're going to talk about

337

00:12:11,150 --> 00:12:08,459

that's really what the focus is Wilson

338

00:12:12,710 --> 00:12:11,160

Davis is kind of a a secondary issue

339

00:12:14,630 --> 00:12:12,720

right now if we have whistleblowers who

340

00:12:16,670 --> 00:12:14,640

work in that program that's who we care

341

00:12:20,030 --> 00:12:16,680

about I don't think we're going to hear

342

00:12:22,009 --> 00:12:20,040

from those people and one reason is I've

343

00:12:24,290 --> 00:12:22,019

tweeted it out today we still don't know

344

00:12:26,150 --> 00:12:24,300

about JFK and his assassination

345

00:12:28,610 --> 00:12:26,160

those documents were supposed to be

346

00:12:30,170 --> 00:12:28,620

released so many times and whoever's in

347

00:12:32,150 --> 00:12:30,180

charge of releasing them is not

348

00:12:34,490 --> 00:12:32,160

releasing them for some reason and

349

00:12:35,930 --> 00:12:34,500

Congress has demanded it they're not

350

00:12:37,850 --> 00:12:35,940

releasing them Congress can say whatever

351
00:12:39,710 --> 00:12:37,860
they want so what's going to happen now

352
00:12:41,329 --> 00:12:39,720
with Congress you know I think Congress

353
00:12:43,250 --> 00:12:41,339
can speak to whistleblowers but I can't

354
00:12:45,230 --> 00:12:43,260
I don't think Congress can demand

355
00:12:47,810 --> 00:12:45,240
anybody to release their craft if they

356
00:12:49,430 --> 00:12:47,820
have one or really Smoking Gun documents

357
00:12:51,650 --> 00:12:49,440
or videos so I think we're going to come

358
00:12:52,850 --> 00:12:51,660
to an impasse I don't know how Congress

359
00:12:54,350 --> 00:12:52,860
is going to get around that they may

360
00:12:56,629 --> 00:12:54,360
have to go to the Supreme Court but in

361
00:12:58,550 --> 00:12:56,639
the past the Supreme the higher courts

362
00:13:00,769 --> 00:12:58,560
have ruled in favor of national security

363
00:13:02,210 --> 00:13:00,779

so we might be screwed and I don't want

364

00:13:03,710 --> 00:13:02,220

to be negative I mean I'm happy with

365

00:13:05,389 --> 00:13:03,720

everything that's going on obviously

366

00:13:07,730 --> 00:13:05,399

especially if whistleblowers are going

367

00:13:10,670 --> 00:13:07,740

to speak to Congress and to the new UFO

368

00:13:12,410 --> 00:13:10,680

office behind the scenes but for us to

369

00:13:13,370 --> 00:13:12,420

have impact on the world it has to be

370

00:13:15,470 --> 00:13:13,380

public

371

00:13:17,810 --> 00:13:15,480

and I don't think people speaking

372

00:13:19,670 --> 00:13:17,820

somebody's saying I worked in the craft

373

00:13:21,410 --> 00:13:19,680

retrieval program and I worked on an

374

00:13:23,389 --> 00:13:21,420

intact craft I don't think that's enough

375

00:13:25,129 --> 00:13:23,399

for most people who are not interested

376

00:13:27,710 --> 00:13:25,139

in this subject I think they need to see

377

00:13:30,590 --> 00:13:27,720

it at least pictures and video and then

378

00:13:32,870 --> 00:13:30,600

maybe and I always joke on the whole you

379

00:13:35,030 --> 00:13:32,880

know down the hallway down the aisle of

380

00:13:37,790 --> 00:13:35,040

Congress they need to roll the in tax

381

00:13:39,470 --> 00:13:37,800

craft in with the bodies right there

382

00:13:40,910 --> 00:13:39,480

like here you go for a lot of people

383

00:13:42,050 --> 00:13:40,920

that's what they're going to need and

384

00:13:44,150 --> 00:13:42,060

then we're going to blow their minds and

385

00:13:45,110 --> 00:13:44,160

say by the way these there's a really

386

00:13:46,250 --> 00:13:45,120

good chance these are not

387

00:13:48,230 --> 00:13:46,260

extraterrestrial they're

388

00:13:50,569 --> 00:13:48,240

interdimensional that was created by an

389

00:13:52,730 --> 00:13:50,579

incredible intelligence that can Super

390

00:13:53,930 --> 00:13:52,740

3D print bodies and crafts so yeah

391

00:13:56,690 --> 00:13:53,940

that's where we are have a great day

392

00:13:59,389 --> 00:13:56,700

everybody and we can't stop them also so

393

00:14:01,190 --> 00:13:59,399

uh Jonathan Davis says I'm told that the

394

00:14:03,410 --> 00:14:01,200

dock is not needed The Whistleblower is

395

00:14:05,449 --> 00:14:03,420

coming forward will be just as big so

396

00:14:07,129 --> 00:14:05,459

maybe I've heard I've heard similar

397

00:14:08,150 --> 00:14:07,139

things as well behind the scenes you

398

00:14:10,190 --> 00:14:08,160

know but

399

00:14:11,930 --> 00:14:10,200

we just don't know do we until it

400

00:14:14,569 --> 00:14:11,940

actually uh you know manifests and

401
00:14:16,310 --> 00:14:14,579
happens so yeah for the members of

402
00:14:18,410 --> 00:14:16,320
Congress and for the members of Arrow

403
00:14:20,090 --> 00:14:18,420
the the office the UFO office who cares

404
00:14:21,829 --> 00:14:20,100
about Wilson Davis at that point I mean

405
00:14:23,329 --> 00:14:21,839
you want the whistleblowers although I

406
00:14:25,190 --> 00:14:23,339
would love

407
00:14:27,889 --> 00:14:25,200
for Admiral Wilson be the first one up

408
00:14:29,990 --> 00:14:27,899
there saying I was turned down from a

409
00:14:32,269 --> 00:14:30,000
program that I felt I should have had

410
00:14:34,190 --> 00:14:32,279
oversight on there's no reason for

411
00:14:35,750 --> 00:14:34,200
somebody who's a direct Vice director of

412
00:14:37,610 --> 00:14:35,760
intelligence for the United States of

413
00:14:39,710 --> 00:14:37,620

America to not know about that program

414

00:14:42,530 --> 00:14:39,720

and not be read in that would be my

415

00:14:43,970 --> 00:14:42,540

first start Eric Davis being there you

416

00:14:45,230 --> 00:14:43,980

know I'm not sure if that's important

417

00:14:46,550 --> 00:14:45,240

because he interviewed Admiral Wilson

418

00:14:48,110 --> 00:14:46,560

But Eric Davis may have other

419

00:14:49,730 --> 00:14:48,120

information I would love to see him

420

00:14:50,870 --> 00:14:49,740

speak and then the whistleblowers if

421

00:14:53,090 --> 00:14:50,880

they've worked in that program that's

422

00:14:54,650 --> 00:14:53,100

that's huge the document at that point

423

00:14:55,910 --> 00:14:54,660

like all right it's a document where we

424

00:14:58,430 --> 00:14:55,920

have the people right in front of us

425

00:15:00,170 --> 00:14:58,440

yeah that's a fair point Melinda's just

426

00:15:02,090 --> 00:15:00,180

raised this as well which is asking

427

00:15:03,949 --> 00:15:02,100

about the AP 10 reference in the Shannon

428

00:15:06,290 --> 00:15:03,959

notes and the security clearance film

429

00:15:08,629 --> 00:15:06,300

from Los Alamos asking for this gift at

430

00:15:10,250 --> 00:15:08,639

BDM both back up Wilson's comments

431

00:15:13,009 --> 00:15:10,260

regarding them yeah and that's John

432

00:15:15,889 --> 00:15:13,019

Alexander um that was an important early

433

00:15:17,930 --> 00:15:15,899

group and BDM is a defense contractor

434

00:15:21,050 --> 00:15:17,940

where they met in their vault for their

435

00:15:23,030 --> 00:15:21,060

meetings so yeah for me it's like

436

00:15:24,949 --> 00:15:23,040

it's I don't want to use the word boring

437

00:15:26,150 --> 00:15:24,959

it's not boring but for me it's like I'm

438

00:15:28,790 --> 00:15:26,160

so beyond

439

00:15:30,050 --> 00:15:28,800

proving that it happened it's like for

440

00:15:31,730 --> 00:15:30,060

me I don't even want to debate it with

441

00:15:33,050 --> 00:15:31,740

people anymore I'm not saying Melinda's

442

00:15:34,970 --> 00:15:33,060

debating it Melinda's providing

443

00:15:36,949 --> 00:15:34,980

information to back it up for people who

444

00:15:38,030 --> 00:15:36,959

are skeptical which is important but

445

00:15:41,090 --> 00:15:38,040

there are people who still have

446

00:15:44,090 --> 00:15:41,100

mentioned it being a movie script or

447

00:15:47,329 --> 00:15:44,100

um disinformation it's maybe the whole

448

00:15:49,790 --> 00:15:47,339

intact crap stories and disinformation I

449

00:15:51,889 --> 00:15:49,800

don't think so but the whole meeting is

450

00:15:53,689 --> 00:15:51,899

a done deal it happens I'm trying to

451

00:15:55,310 --> 00:15:53,699

think of the other Theory oh yeah I

452

00:15:57,829 --> 00:15:55,320

won't mention the name I have in the

453

00:16:00,710 --> 00:15:57,839

past saying that Admiral Wilson it was

454

00:16:02,870 --> 00:16:00,720

an imposter Eric Davis was fooled by an

455

00:16:05,210 --> 00:16:02,880

Admiral Wilson imposter I'm like are you

456

00:16:07,550 --> 00:16:05,220

kidding me you think Eric Davis who's Mr

457

00:16:11,030 --> 00:16:07,560

meticulous was fooled by an Admiral

458

00:16:12,650 --> 00:16:11,040

Wilson imposter and um Paul Paul I

459

00:16:15,050 --> 00:16:12,660

forget Paul's last name he's in the UK

460

00:16:17,030 --> 00:16:15,060

he made a picture of the fake Admiral

461

00:16:19,189 --> 00:16:17,040

Wilson Paul Reddington is it Paul

462

00:16:21,050 --> 00:16:19,199

Reddington and it's like it's so great I

463

00:16:23,150 --> 00:16:21,060

said yep he was fooled by the fake and

464

00:16:24,470 --> 00:16:23,160

Pastor he's like he just couldn't tell

465

00:16:27,470 --> 00:16:24,480

what Admiral Wilson looked like it might

466

00:16:29,210 --> 00:16:27,480

give me a break that to me I was like

467

00:16:31,009 --> 00:16:29,220

whoever's saying that

468

00:16:33,769 --> 00:16:31,019

I think they have ulterior motives but

469

00:16:37,189 --> 00:16:33,779

just an opinion hey that's fair enough

470

00:16:39,230 --> 00:16:37,199

we've all got them absolutely uh good to

471

00:16:41,509 --> 00:16:39,240

see red panda koala here shout out to

472

00:16:43,610 --> 00:16:41,519

that was an awesome episode with Jesse

473

00:16:45,410 --> 00:16:43,620

on American Alchemy uh he's got a

474

00:16:48,050 --> 00:16:45,420

question for you says Joe what do your

475

00:16:49,730 --> 00:16:48,060

insiders say about occult info I think

476

00:16:52,249 --> 00:16:49,740

that's influence history and

477

00:16:55,550 --> 00:16:52,259

significance in the UFO topic

478

00:16:57,889 --> 00:16:55,560

back in I think it was 96 I went I took

479

00:16:59,569 --> 00:16:57,899

my my first wife her mom and her aunt

480

00:17:01,610 --> 00:16:59,579

across the state in Florida to see

481

00:17:04,250 --> 00:17:01,620

Richard Hogan speak it was a free

482

00:17:06,230 --> 00:17:04,260

lecture at Brevard Community College

483

00:17:08,929 --> 00:17:06,240

right in the shadows of Cape Canaveral

484

00:17:11,210 --> 00:17:08,939

for our Cape Canaveral Florida where we

485

00:17:14,270 --> 00:17:11,220

launch uh rockets in the space shuttle

486

00:17:16,429 --> 00:17:14,280

and um he talked about the NASA occult

487

00:17:18,949 --> 00:17:16,439

connection for five hours it was a free

488

00:17:20,390 --> 00:17:18,959

lecture I was wide awake even though I

489

00:17:24,590 --> 00:17:20,400

drove there and I had to drive back that

490

00:17:27,049 --> 00:17:24,600

night uh my my ex my mother-in-law and

491

00:17:28,850 --> 00:17:27,059

my her aunt they were all asleep by like

492

00:17:30,169 --> 00:17:28,860

three hours in and I was like this is

493

00:17:32,630 --> 00:17:30,179

amazing

494

00:17:34,789 --> 00:17:32,640

he's connecting all of this stuff to the

495

00:17:37,190 --> 00:17:34,799

occult to Nazis to Hitler they were

496

00:17:39,789 --> 00:17:37,200

launching rockets at certain dates and

497

00:17:42,230 --> 00:17:39,799

angles with certain stars and certain

498

00:17:44,330 --> 00:17:42,240

hyperdimensional physics numbers in 19.5

499

00:17:46,430 --> 00:17:44,340

which Hogan is known for it's like

500

00:17:49,010 --> 00:17:46,440

obviously they were doing that somebody

501
00:17:52,909 --> 00:17:49,020
was telling them when to launch as an

502
00:17:55,549 --> 00:17:52,919
homage to sirius to O2 to Osiris the

503
00:17:56,930 --> 00:17:55,559
belts of Osiris Orion on Hitler's

504
00:17:59,029 --> 00:17:56,940
birthday there's a connection there and

505
00:18:01,310 --> 00:17:59,039
plus we have the paper clips paperclip

506
00:18:04,610 --> 00:18:01,320
scientists who came over after the war

507
00:18:06,830 --> 00:18:04,620
who worked in NASA Werner Von Braun so

508
00:18:08,990 --> 00:18:06,840
there's definitely a cult slash Nazi

509
00:18:11,570 --> 00:18:09,000
influence and it's interesting that in

510
00:18:13,250 --> 00:18:11,580
the Jesse Michael's Liu interview Lou

511
00:18:15,470 --> 00:18:13,260
brings up the occult connection with

512
00:18:17,750 --> 00:18:15,480
NASA and it's such a big connection that

513
00:18:19,070 --> 00:18:17,760

people will find out I hopefully in the

514

00:18:20,810 --> 00:18:19,080

near future

515

00:18:23,150 --> 00:18:20,820

um it's a big part of

516

00:18:24,950 --> 00:18:23,160

somebody wanting and I'm jumping ahead

517

00:18:27,650 --> 00:18:24,960

somebody wanting to communicate with

518

00:18:29,090 --> 00:18:27,660

interdimensional beings allegedly

519

00:18:31,370 --> 00:18:29,100

um that's why I don't think

520

00:18:34,310 --> 00:18:31,380

extraterrestrial is the issue here maybe

521

00:18:36,010 --> 00:18:34,320

ETS are here too but the problem we need

522

00:18:38,450 --> 00:18:36,020

to deal with is related to

523

00:18:42,409 --> 00:18:38,460

interdimensional beings mentioned in the

524

00:18:44,210 --> 00:18:42,419

Bible in the Quran all all holy books

525

00:18:45,529 --> 00:18:44,220

people maybe humans trying to

526
00:18:47,270 --> 00:18:45,539
communicate with them and then maybe

527
00:18:49,490 --> 00:18:47,280
humans

528
00:18:51,470 --> 00:18:49,500
we can get down we can get into the

529
00:18:54,049 --> 00:18:51,480
interdimensional problem the the

530
00:18:55,909 --> 00:18:54,059
basically the one story that's come out

531
00:18:58,130 --> 00:18:55,919
since the early 1900s and it's

532
00:19:00,350 --> 00:18:58,140
controversial is there are certain

533
00:19:02,870 --> 00:19:00,360
beings I think they're parasites I stole

534
00:19:05,210 --> 00:19:02,880
that idea from Paul Eno a researcher

535
00:19:07,010 --> 00:19:05,220
they feed off of negativity from from

536
00:19:08,870 --> 00:19:07,020
human emotion which sounds ridiculous

537
00:19:10,549 --> 00:19:08,880
and I've had people say really they're

538
00:19:12,890 --> 00:19:10,559

feeding off of our emotions how does

539

00:19:14,210 --> 00:19:12,900

that work I don't know I've heard it the

540

00:19:16,190 --> 00:19:14,220

first time I heard it was I went to

541

00:19:19,610 --> 00:19:16,200

these lectures in the mid 90s in Florida

542

00:19:21,529 --> 00:19:19,620

uh like 97 where somebody at that it was

543

00:19:23,510 --> 00:19:21,539

a workshop and I went every week I would

544

00:19:25,010 --> 00:19:23,520

go and this one person said oh yeah

545

00:19:26,630 --> 00:19:25,020

these beings feed off your negative

546

00:19:28,370 --> 00:19:26,640

emotions I'm like what the hell is that

547

00:19:29,990 --> 00:19:28,380

what are you talking about

548

00:19:32,630 --> 00:19:30,000

um and then I did some research recently

549

00:19:33,470 --> 00:19:32,640

and like Rudolph Steiner mentions it

550

00:19:34,789 --> 00:19:33,480

um

551
00:19:37,370 --> 00:19:34,799
I'm trying to think who mentions is

552
00:19:39,409 --> 00:19:37,380
Carlos Castaneda who people say was

553
00:19:41,990 --> 00:19:39,419
writing fiction but he did mention it in

554
00:19:44,990 --> 00:19:42,000
his books Tom DeLong mentioned it he

555
00:19:46,669 --> 00:19:45,000
goes love is like a nuclear missile to

556
00:19:48,650 --> 00:19:46,679
the heart of the UFO they feed off

557
00:19:50,930 --> 00:19:48,660
negative emotions

558
00:19:53,390 --> 00:19:50,940
um and then interesting one of the books

559
00:19:54,890 --> 00:19:53,400
that Lou recommends chains of the sea in

560
00:19:56,690 --> 00:19:54,900
which I was told behind the scenes is

561
00:19:59,090 --> 00:19:56,700
even more accurate about our current

562
00:20:01,789 --> 00:19:59,100
situation and our future Than People

563
00:20:03,289 --> 00:20:01,799

realize talks about these beings they

564

00:20:06,230 --> 00:20:03,299

call them I think they call them others

565

00:20:08,330 --> 00:20:06,240

various others that feed off of humans

566

00:20:09,770 --> 00:20:08,340

different beings get different things

567

00:20:10,490 --> 00:20:09,780

from us

568

00:20:12,470 --> 00:20:10,500

um

569

00:20:14,330 --> 00:20:12,480

and then they also feed off of other

570

00:20:15,650 --> 00:20:14,340

animals and I know it's fiction uh but

571

00:20:17,570 --> 00:20:15,660

like I said the person who told me that

572

00:20:19,190 --> 00:20:17,580

said there are a lot of details in that

573

00:20:21,529 --> 00:20:19,200

book that really hit home as far as

574

00:20:23,750 --> 00:20:21,539

accuracy I won't say who that person is

575

00:20:26,870 --> 00:20:23,760

but they're they're a well-known name in

576

00:20:28,430 --> 00:20:26,880

our in our community so if and this is

577

00:20:30,230 --> 00:20:28,440

the theory and we can talk also

578

00:20:32,150 --> 00:20:30,240

controversial David Ike he's talked

579

00:20:34,490 --> 00:20:32,160

about it too if they're if they're

580

00:20:36,289 --> 00:20:34,500

feeding off of negativity is that why

581

00:20:38,390 --> 00:20:36,299

the world is filled with negativity have

582

00:20:40,130 --> 00:20:38,400

there been humans that have done

583

00:20:42,230 --> 00:20:40,140

something to try to communicate with

584

00:20:44,510 --> 00:20:42,240

these beings in exchange they helped

585

00:20:46,850 --> 00:20:44,520

shape the world where it is you talk

586

00:20:49,610 --> 00:20:46,860

about the elite it's massive conspiracy

587

00:20:51,110 --> 00:20:49,620

I know what it sounds like I don't say I

588

00:20:53,630 --> 00:20:51,120

believe it but it's definitely something

589

00:20:55,250 --> 00:20:53,640

I'm in and that's not new to me I I've

590

00:20:57,590 --> 00:20:55,260

been into this for such a long time

591

00:21:00,169 --> 00:20:57,600

since 96 and it came up early back then

592

00:21:01,970 --> 00:21:00,179

and I dismissed it it's so out there and

593

00:21:04,010 --> 00:21:01,980

it's so conspiratory even when I hear it

594

00:21:05,570 --> 00:21:04,020

now Vinnie I'm listening to Ike's new

595

00:21:08,330 --> 00:21:05,580

book and I'm like this is so

596

00:21:10,070 --> 00:21:08,340

conspiratorial I'll reject this for now

597

00:21:13,730 --> 00:21:10,080

and I'll focus on the stuff I agree with

598

00:21:16,310 --> 00:21:13,740

or at least may you know I may share the

599

00:21:17,990 --> 00:21:16,320

same opinion so and I know I'm rambling

600

00:21:19,909 --> 00:21:18,000

now but there's so much going on the

601
00:21:21,770 --> 00:21:19,919
past three weeks or so it's like I've

602
00:21:23,690 --> 00:21:21,780
changed my focus and I know people I've

603
00:21:25,549 --> 00:21:23,700
lost followers because of it because

604
00:21:27,350 --> 00:21:25,559
people think I'm sharing somebody like

605
00:21:29,270 --> 00:21:27,360
who's sharing who's spreading hate and

606
00:21:31,549 --> 00:21:29,280
I've never gotten that from him I've

607
00:21:34,370 --> 00:21:31,559
attended his lectures 96 I saw him with

608
00:21:36,470 --> 00:21:34,380
20 people in Florida with my first wife

609
00:21:38,029 --> 00:21:36,480
and we loved it somebody had told me

610
00:21:40,070 --> 00:21:38,039
early in the day hey there's this guy

611
00:21:42,830 --> 00:21:40,080
David like he's going to speak about the

612
00:21:44,570 --> 00:21:42,840
New World Order and I'm like what is the

613
00:21:47,149 --> 00:21:44,580

New World Order I have no idea what that

614

00:21:50,690 --> 00:21:47,159

is he goes just go just go so it was 20

615

00:21:52,490 --> 00:21:50,700

bucks or 15 bucks 20 people there and he

616

00:21:54,230 --> 00:21:52,500

spoke and I was like this is really good

617

00:21:56,510 --> 00:21:54,240

stuff and at the very end somebody in

618

00:21:58,430 --> 00:21:56,520

the back the guy goes I'm having these

619

00:22:01,310 --> 00:21:58,440

abduction type experiences but they're

620

00:22:02,210 --> 00:22:01,320

reptilian beans and I I remember he's

621

00:22:04,250 --> 00:22:02,220

like

622

00:22:05,810 --> 00:22:04,260

I'm starting to get those reports I'm

623

00:22:07,730 --> 00:22:05,820

looking into it so that was a very big

624

00:22:09,970 --> 00:22:07,740

the early start for him

625

00:22:13,909 --> 00:22:09,980

um I've seen him lecture for nine hours

626
00:22:15,470 --> 00:22:13,919
amazing uh not bored once so all of that

627
00:22:17,090 --> 00:22:15,480
stuff together

628
00:22:19,490 --> 00:22:17,100
and then we could talk cyclical

629
00:22:21,110 --> 00:22:19,500
cataclysms if we can go off on so many

630
00:22:22,909 --> 00:22:21,120
different tangents many so I'm really

631
00:22:24,710 --> 00:22:22,919
enjoying I actually enjoy all this stuff

632
00:22:26,930 --> 00:22:24,720
I don't I don't think of it as negative

633
00:22:28,430 --> 00:22:26,940
like people are like you're focusing on

634
00:22:30,110 --> 00:22:28,440
the negative and these negative emotions

635
00:22:32,270 --> 00:22:30,120
and these beings I'm like no I love it I

636
00:22:34,010 --> 00:22:32,280
love it it's like I'm not I'm in a good

637
00:22:36,529 --> 00:22:34,020
mood all the time I'm just up till three

638
00:22:39,950 --> 00:22:36,539

in the morning finding new stuff and I'm

639

00:22:42,590 --> 00:22:39,960

so tired but I'm enjoying it so yeah the

640

00:22:45,049 --> 00:22:42,600

one thing I found similar I I listen and

641

00:22:47,149 --> 00:22:45,059

watch all sorts of things that you know

642

00:22:48,529 --> 00:22:47,159

someone if might look at that and go why

643

00:22:50,350 --> 00:22:48,539

on Earth are you watching that for and

644

00:22:52,909 --> 00:22:50,360

it's like well I'm absorbing everything

645

00:22:56,990 --> 00:22:52,919

just so that I'm not sort of focusing on

646

00:22:59,750 --> 00:22:57,000

one narrow you know Echo chamber and

647

00:23:01,130 --> 00:22:59,760

yeah most of it probably is crazy but at

648

00:23:02,810 --> 00:23:01,140

least you know if anything ever comes up

649

00:23:04,730 --> 00:23:02,820

in the future you can be like oh I heard

650

00:23:06,590 --> 00:23:04,740

that here and maybe then start putting

651
00:23:08,630 --> 00:23:06,600
little puzzle pieces together maybe it's

652
00:23:11,690 --> 00:23:08,640
a waste of time but that's just the way

653
00:23:14,029 --> 00:23:11,700
it is I'm afraid so yeah one important

654
00:23:15,289 --> 00:23:14,039
thing I know with like people accuse him

655
00:23:16,490 --> 00:23:15,299
of and I'm not going to use certain

656
00:23:18,890 --> 00:23:16,500
words I don't want to get your channel

657
00:23:21,470 --> 00:23:18,900
in trouble because certain things will

658
00:23:22,970 --> 00:23:21,480
give you a strike and he's been accused

659
00:23:25,669 --> 00:23:22,980
of spreading hate

660
00:23:27,649 --> 00:23:25,679
if I actually thought he was spreading

661
00:23:29,090 --> 00:23:27,659
hate I would not mention his work I

662
00:23:32,090 --> 00:23:29,100
would find other sources of information

663
00:23:34,370 --> 00:23:32,100

to get that information to people a lot

664

00:23:35,690 --> 00:23:34,380

of his stuff is only him saying it but

665

00:23:37,669 --> 00:23:35,700

there are other places I can find

666

00:23:40,669 --> 00:23:37,679

certain information so I would not share

667

00:23:44,149 --> 00:23:40,679

it I do not believe what people claim he

668

00:23:45,950 --> 00:23:44,159

is so just know that if I did I would

669

00:23:47,930 --> 00:23:45,960

not share it I'm not to the I'm not the

670

00:23:49,549 --> 00:23:47,940

kind of person that says screw you all

671

00:23:50,870 --> 00:23:49,559

right maybe he's full of hate but I'm

672

00:23:52,610 --> 00:23:50,880

going to share that information nope

673

00:23:54,110 --> 00:23:52,620

that's not me I just don't agree that

674

00:23:56,390 --> 00:23:54,120

he's that and if you read his books

675

00:23:58,549 --> 00:23:56,400

attend his lectures you'll see that so

676

00:24:00,590 --> 00:23:58,559

just wanted to say that not fair enough

677

00:24:01,610 --> 00:24:00,600

absolutely one thing I wanted to talk to

678

00:24:03,770 --> 00:24:01,620

you about is your relationship with

679

00:24:05,330 --> 00:24:03,780

George Knapp and Jeremy Corbell and sort

680

00:24:06,890 --> 00:24:05,340

of if you could sort of go back to sort

681

00:24:08,990 --> 00:24:06,900

of how that sort of started and then

682

00:24:11,210 --> 00:24:09,000

sort of moving into their work and and

683

00:24:14,029 --> 00:24:11,220

everything right up to sort of up to now

684

00:24:18,350 --> 00:24:14,039

as it were I was um

685

00:24:20,750 --> 00:24:18,360

probably fall probably fall of 2017 I

686

00:24:22,070 --> 00:24:20,760

wrote nap a private a DM he had followed

687

00:24:24,590 --> 00:24:22,080

me on Twitter

688

00:24:26,630 --> 00:24:24,600

and we started conversing back and forth

689

00:24:28,130 --> 00:24:26,640

and that's how that relationship started

690

00:24:29,570 --> 00:24:28,140

and then

691

00:24:32,330 --> 00:24:29,580

I don't remember where when it was but

692

00:24:35,510 --> 00:24:32,340

he had me and Danny Silva on Coast to

693

00:24:37,730 --> 00:24:35,520

Coast a few times and then Ryan post

694

00:24:40,070 --> 00:24:37,740

disclosure UFO Jesus was on the last

695

00:24:41,930 --> 00:24:40,080

time we were on and then Corbell I would

696

00:24:43,490 --> 00:24:41,940

interact with on Twitter and then the

697

00:24:46,549 --> 00:24:43,500

same thing we started private you know

698

00:24:48,649 --> 00:24:46,559

messaging and then back and forth some

699

00:24:50,570 --> 00:24:48,659

phone calls and then recently

700

00:24:52,370 --> 00:24:50,580

I saw that Korbelt and Knapp were

701
00:24:54,770 --> 00:24:52,380
speaking at the Star Trek convention and

702
00:24:56,029 --> 00:24:54,780
I had already met corbellet I I got

703
00:24:58,909 --> 00:24:56,039
invited to the

704
00:25:01,010 --> 00:24:58,919
Skinwalker Ranch Premiere here and then

705
00:25:02,690 --> 00:25:01,020
I attended the Lazar Premiere in Los

706
00:25:05,149 --> 00:25:02,700
Angeles

707
00:25:08,029 --> 00:25:05,159
um so I saw him and nap here and then I

708
00:25:10,010 --> 00:25:08,039
saw him and nap at UFO Megacon a few

709
00:25:11,930 --> 00:25:10,020
years ago so I had seen him in person

710
00:25:14,149 --> 00:25:11,940
but then now that I consider them

711
00:25:15,950 --> 00:25:14,159
friends I said hey you're going to be in

712
00:25:17,330 --> 00:25:15,960
for the convention you want to get

713
00:25:19,610 --> 00:25:17,340

together for lunch and Corbell's just

714

00:25:20,870 --> 00:25:19,620

just come down to the conference so I

715

00:25:22,730 --> 00:25:20,880

did so I hung out with them in the hotel

716

00:25:24,890 --> 00:25:22,740

room beforehand and then afterwards we

717

00:25:27,529 --> 00:25:24,900

went and got some food and during that

718

00:25:28,970 --> 00:25:27,539

conference that lecture about UFOs 101

719

00:25:30,950 --> 00:25:28,980

which Jeremy said you're going to be

720

00:25:32,690 --> 00:25:30,960

bored it's UFO's 101 I'm like I don't

721

00:25:34,669 --> 00:25:32,700

care I mean I love this stuff it's fine

722

00:25:37,250 --> 00:25:34,679

most of the questions were about Lazar

723

00:25:38,510 --> 00:25:37,260

and then Corbell says oh by the way we

724

00:25:40,789 --> 00:25:38,520

were supposed to go on Coast to Coast

725

00:25:42,830 --> 00:25:40,799

tonight but for the first time since

726

00:25:44,570 --> 00:25:42,840

I've been investigating UFOs there was

727

00:25:46,970 --> 00:25:44,580

some suppression efforts that went on

728

00:25:48,769 --> 00:25:46,980

and we're not doing it it's a big big

729

00:25:51,529 --> 00:25:48,779

detail that people need to look over and

730

00:25:54,950 --> 00:25:51,539

Corbell has not expanded on it

731

00:25:56,810 --> 00:25:54,960

um I think it was related to 2000 2019

732

00:25:59,029 --> 00:25:56,820

and his Witnesses but I don't know for

733

00:25:59,990 --> 00:25:59,039

sure so hopefully we'll hear more about

734

00:26:01,549 --> 00:26:00,000

that

735

00:26:03,710 --> 00:26:01,559

um you hear from Lou over the years

736

00:26:05,450 --> 00:26:03,720

there's been a group allegedly from

737

00:26:07,490 --> 00:26:05,460

somebody that Lou was close to who

738

00:26:09,950 --> 00:26:07,500

worked in UFOs that would come in and

739

00:26:11,630 --> 00:26:09,960

grab UFO data they would engage in

740

00:26:15,350 --> 00:26:11,640

intimidation

741

00:26:17,029 --> 00:26:15,360

stories too from other people that are

742

00:26:20,029 --> 00:26:17,039

not even public so

743

00:26:22,610 --> 00:26:20,039

I don't know hopefully it's not I mean

744

00:26:26,450 --> 00:26:22,620

we talk about whistleblowers needing

745

00:26:29,149 --> 00:26:26,460

protection and who knows I don't if if

746

00:26:31,549 --> 00:26:29,159

is you know my most out there theory

747

00:26:32,990 --> 00:26:31,559

that Ike talks about if that's true the

748

00:26:35,450 --> 00:26:33,000

people who have the secret are going to

749

00:26:37,070 --> 00:26:35,460

do whatever they can to keep it I don't

750

00:26:39,289 --> 00:26:37,080

know how far they would go but if I'm a

751
00:26:43,370 --> 00:26:39,299
whistleblower I'm saying you need to

752
00:26:47,210 --> 00:26:43,380
make sure 100 I am safe

753
00:26:48,649 --> 00:26:47,220
24 7 my family Total Protection I made a

754
00:26:49,850 --> 00:26:48,659
joke that it's kind of like the UFO

755
00:26:52,070 --> 00:26:49,860
version of the witness protection

756
00:26:53,870 --> 00:26:52,080
program but it kind of is This is the

757
00:26:55,549 --> 00:26:53,880
biggest story in the history of the

758
00:26:57,470 --> 00:26:55,559
planet if we think it is what we think

759
00:26:58,850 --> 00:26:57,480
it is you know especially if it starts

760
00:27:01,250 --> 00:26:58,860
getting into some of the conspiracy

761
00:27:03,529 --> 00:27:01,260
stuff with humans being involved so you

762
00:27:04,909 --> 00:27:03,539
need protection so I don't I if I'm one

763
00:27:06,230 --> 00:27:04,919

of those whistleblowers I would be

764

00:27:07,730 --> 00:27:06,240

concerned right now and I don't want to

765

00:27:09,649 --> 00:27:07,740

I don't want to put it out there because

766

00:27:10,970 --> 00:27:09,659

people are saying well UFO Twitter is

767

00:27:13,909 --> 00:27:10,980

keeping those people from coming forward

768

00:27:15,890 --> 00:27:13,919

no I don't think so I think it's very I

769

00:27:17,450 --> 00:27:15,900

think it's a very common sense thing to

770

00:27:19,430 --> 00:27:17,460

make sure they have protection and I'm

771

00:27:20,690 --> 00:27:19,440

sure they they show I'm sure that I'm

772

00:27:21,710 --> 00:27:20,700

not saying anything that they don't

773

00:27:24,710 --> 00:27:21,720

already know

774

00:27:26,269 --> 00:27:24,720

so let's see where that goes because I

775

00:27:28,549 --> 00:27:26,279

don't I'm not I'm a little skeptical

776

00:27:30,110 --> 00:27:28,559

that it's gonna come out because

777

00:27:32,149 --> 00:27:30,120

I don't know I don't know what what

778

00:27:33,890 --> 00:27:32,159

Congress how far Congress can go how

779

00:27:35,750 --> 00:27:33,900

much power Congress has to force

780

00:27:38,330 --> 00:27:35,760

information to come out so let's and how

781

00:27:39,649 --> 00:27:38,340

much will they have to keep pushing you

782

00:27:41,090 --> 00:27:39,659

know keep pushing at it because they're

783

00:27:43,250 --> 00:27:41,100

going to need to do that

784

00:27:45,049 --> 00:27:43,260

absolutely and one thing that I'm not

785

00:27:48,830 --> 00:27:45,059

convinced about is we've seen multiple

786

00:27:50,570 --> 00:27:48,840

iterations of a UFO office uh over the

787

00:27:52,549 --> 00:27:50,580

last couple of years that it just keeps

788

00:27:53,990 --> 00:27:52,559

changing re-staffing and how are they

789

00:27:55,850 --> 00:27:54,000

ever going to get any work done if

790

00:27:58,010 --> 00:27:55,860

they're just forever changing and and

791

00:27:59,750 --> 00:27:58,020

that so maybe it's going to take another

792

00:28:01,909 --> 00:27:59,760

new office to be formulated which

793

00:28:03,649 --> 00:28:01,919

supposedly is happening and then a bit

794

00:28:05,090 --> 00:28:03,659

of time a time for them to actually do

795

00:28:07,370 --> 00:28:05,100

some work

796

00:28:09,110 --> 00:28:07,380

um maybe then things will start moving I

797

00:28:11,390 --> 00:28:09,120

don't know I just everything seems to be

798

00:28:13,190 --> 00:28:11,400

moving quickly again and I'm just trying

799

00:28:14,690 --> 00:28:13,200

to look at it you know taking a step

800

00:28:16,190 --> 00:28:14,700

back and not expecting it all to come

801
00:28:17,510 --> 00:28:16,200
out really really quick yeah that's a

802
00:28:19,909 --> 00:28:17,520
good attitude you know and if we get

803
00:28:22,310 --> 00:28:19,919
surprises along the way great I mean I'm

804
00:28:24,049 --> 00:28:22,320
not saying I mean I did did not think we

805
00:28:25,789 --> 00:28:24,059
were going to have hearings this year

806
00:28:27,830 --> 00:28:25,799
because I was told

807
00:28:29,870 --> 00:28:27,840
a source said that there was nothing in

808
00:28:31,490 --> 00:28:29,880
the works but it happened so I was like

809
00:28:33,110 --> 00:28:31,500
yeah I was wrong person who told me it

810
00:28:35,330 --> 00:28:33,120
was wrong I was happy I mean obviously

811
00:28:38,090 --> 00:28:35,340
it's not exactly what we wanted you know

812
00:28:40,610 --> 00:28:38,100
the hearings it was a start but

813
00:28:42,350 --> 00:28:40,620

for me I want the whole ASAP stuff to be

814

00:28:44,210 --> 00:28:42,360

discussed because that goes down the

815

00:28:46,490 --> 00:28:44,220

interdimensional being route and and

816

00:28:48,649 --> 00:28:46,500

hitchhikers and all that stuff and why

817

00:28:50,690 --> 00:28:48,659

are they here and George Knapp spoke

818

00:28:52,970 --> 00:28:50,700

about and Knapp and Kelleher spoke about

819

00:28:55,190 --> 00:28:52,980

these beings possibly creating fear

820

00:28:57,769 --> 00:28:55,200

artificially because they get something

821

00:28:59,750 --> 00:28:57,779

from it so that's brought up in skit in

822

00:29:01,130 --> 00:28:59,760

Hunt for the skinwalker and now we have

823

00:29:02,750 --> 00:29:01,140

skin workers at the Pentagon talking

824

00:29:04,310 --> 00:29:02,760

about hitchhikers which I'd never heard

825

00:29:05,930 --> 00:29:04,320

before and that goes into Poltergeist

826

00:29:08,149 --> 00:29:05,940

cases too there are other books out

827

00:29:10,010 --> 00:29:08,159

there before skinwalkers at the Pentagon

828

00:29:12,830 --> 00:29:10,020

came out that talk about that same thing

829

00:29:14,690 --> 00:29:12,840

hitchhiker phenomenon so I think that's

830

00:29:17,210 --> 00:29:14,700

important too and I do have theories on

831

00:29:18,590 --> 00:29:17,220

that but it's just a theory so no that's

832

00:29:20,330 --> 00:29:18,600

fair enough it's good to have theories

833

00:29:22,730 --> 00:29:20,340

it's good to speculate as long as you

834

00:29:24,950 --> 00:29:22,740

don't put it across as factual then

835

00:29:27,649 --> 00:29:24,960

everything's there yeah very rare that

836

00:29:30,649 --> 00:29:27,659

I'll say I know for a fact I'm like this

837

00:29:32,630 --> 00:29:30,659

is an opinion please do not box me in

838

00:29:34,250 --> 00:29:32,640

here and sometimes I think out loud and

839

00:29:36,049 --> 00:29:34,260

I'll put my thoughts on Twitter too soon

840

00:29:37,549 --> 00:29:36,059

but I'd rather do that and say oh yeah I

841

00:29:39,289 --> 00:29:37,559

was wrong about that you know I'm just

842

00:29:41,750 --> 00:29:39,299

thinking thinking out loud so you guys

843

00:29:43,610 --> 00:29:41,760

can see that no that's it that's I

844

00:29:45,710 --> 00:29:43,620

appreciate that answer we you did

845

00:29:49,310 --> 00:29:45,720

mention in that last bit about Corbell

846

00:29:52,250 --> 00:29:49,320

and the 2019 case and when we add that

847

00:29:53,990 --> 00:29:52,260

to sort of Nimitz

848

00:29:56,269 --> 00:29:54,000

um Theodore Roosevelt and that and then

849

00:30:00,049 --> 00:29:56,279

we get into that whole conversation of

850

00:30:01,909 --> 00:30:00,059

is it anomalous or is it black Tech you

851
00:30:03,230 --> 00:30:01,919
know Advanced drones where where do you

852
00:30:05,750 --> 00:30:03,240
sit in that whole picture of that

853
00:30:08,210 --> 00:30:05,760
conversation well in the past week I've

854
00:30:10,669 --> 00:30:08,220
given more thought to the human Tech on

855
00:30:13,130 --> 00:30:10,679
2019 but

856
00:30:14,810 --> 00:30:13,140
I don't think it was testing of tech if

857
00:30:17,990 --> 00:30:14,820
it's human Tech that

858
00:30:20,090 --> 00:30:18,000
that basically all those ships dealt

859
00:30:22,430 --> 00:30:20,100
with these drone-like objects that

860
00:30:24,889 --> 00:30:22,440
appeared where they weren't able to

861
00:30:26,450 --> 00:30:24,899
track them coming in they weren't able

862
00:30:27,950 --> 00:30:26,460
to track them going out so they don't

863
00:30:30,470 --> 00:30:27,960

know who's operating

864

00:30:32,450 --> 00:30:30,480

if it's human Tech it's such Advanced

865

00:30:33,950 --> 00:30:32,460

that it can just basically be stealth

866

00:30:35,930 --> 00:30:33,960

until the time where they're just right

867

00:30:38,269 --> 00:30:35,940

there and then hit a switch there they

868

00:30:40,130 --> 00:30:38,279

are or it's non-human Tech and it's

869

00:30:42,350 --> 00:30:40,140

Child's Play for them to you know

870

00:30:45,230 --> 00:30:42,360

basically pop in and out I don't know

871

00:30:47,630 --> 00:30:45,240

which I always leaned I I leaned

872

00:30:49,250 --> 00:30:47,640

non-human for a while now I'm probably

873

00:30:52,210 --> 00:30:49,260

leaning

874

00:30:54,889 --> 00:30:52,220

I probably would lean human but

875

00:30:56,510 --> 00:30:54,899

anomalous definitely Anonymous anomalous

876

00:30:58,669 --> 00:30:56,520

and then you ask why why would that go

877

00:31:00,049 --> 00:30:58,679

on and my theory would be whatever that

878

00:31:03,470 --> 00:31:00,059

is it's basically trying to send a

879

00:31:05,210 --> 00:31:03,480

message I would think it's not US tech I

880

00:31:07,430 --> 00:31:05,220

don't think it was testing maybe it was

881

00:31:09,590 --> 00:31:07,440

a non-governmental group saying look at

882

00:31:12,409 --> 00:31:09,600

this is our technology this is what we

883

00:31:14,029 --> 00:31:12,419

can do you can't stop it so you better

884

00:31:16,010 --> 00:31:14,039

do what we're saying and I've never said

885

00:31:18,470 --> 00:31:16,020

that publicly before because

886

00:31:20,210 --> 00:31:18,480

I know it's not more conspiratorial but

887

00:31:22,010 --> 00:31:20,220

I would I think there's another group

888

00:31:24,110 --> 00:31:22,020

out there a human group that's not

889

00:31:26,149 --> 00:31:24,120

connected to a government that has some

890

00:31:27,769 --> 00:31:26,159

of this technology which gets me into my

891

00:31:29,690 --> 00:31:27,779

my kit Green interview which I know

892

00:31:31,789 --> 00:31:29,700

people are waiting for

893

00:31:35,029 --> 00:31:31,799

um there's a hold up because at the end

894

00:31:36,590 --> 00:31:35,039

he talks about a non-government group he

895

00:31:37,970 --> 00:31:36,600

thinks that's responsible for some of

896

00:31:40,310 --> 00:31:37,980

this he actually also talks about

897

00:31:41,810 --> 00:31:40,320

calaris where he thinks it was a human

898

00:31:43,210 --> 00:31:41,820

group and I thought about it I'm like

899

00:31:45,950 --> 00:31:43,220

you know what you might be right because

900

00:31:47,029 --> 00:31:45,960

Clariss does not match any other UFO

901
00:31:49,490 --> 00:31:47,039
cases like

902
00:31:51,230 --> 00:31:49,500
all of a sudden the the whatever

903
00:31:52,850 --> 00:31:51,240
non-human intelligence is going to just

904
00:31:55,070 --> 00:31:52,860
start shooting beams at people and

905
00:31:57,590 --> 00:31:55,080
killing them I mean maybe it was maybe

906
00:31:58,430 --> 00:31:57,600
it wasn't non-human it just doesn't fit

907
00:32:00,409 --> 00:31:58,440
um

908
00:32:01,789 --> 00:32:00,419
so you got into if it wasn't who was

909
00:32:03,049 --> 00:32:01,799
that group and I don't think it was a

910
00:32:04,730 --> 00:32:03,059
you know he says I don't think it was

911
00:32:07,010 --> 00:32:04,740
the United States government and he he

912
00:32:08,389 --> 00:32:07,020
throws the n-word in there Nazis he

913
00:32:10,130 --> 00:32:08,399

brought it up

914

00:32:12,529 --> 00:32:10,140

um you hear stories about them you know

915

00:32:13,909 --> 00:32:12,539

relocating in Argentina did they have a

916

00:32:16,549 --> 00:32:13,919

breakthrough at some point they're known

917

00:32:18,049 --> 00:32:16,559

for a cult you know all the occult that

918

00:32:19,730 --> 00:32:18,059

Hitler was interested in did they have a

919

00:32:21,529 --> 00:32:19,740

breakthrough with these interdimensional

920

00:32:23,149 --> 00:32:21,539

beings that they develop technology that

921

00:32:25,130 --> 00:32:23,159

way I don't know

922

00:32:27,049 --> 00:32:25,140

um this is stuff that Lou brought up the

923

00:32:29,149 --> 00:32:27,059

NASA occult connection so anybody who

924

00:32:30,830 --> 00:32:29,159

interviews him again assuming Jesse

925

00:32:32,810 --> 00:32:30,840

hasn't asked him about it somebody needs

926

00:32:34,549 --> 00:32:32,820

to ask him and he'll ask and he'll

927

00:32:37,730 --> 00:32:34,559

answer I'm sure if it's not classified

928

00:32:39,830 --> 00:32:37,740

obviously he may pass because I've asked

929

00:32:40,789 --> 00:32:39,840

some stuff where he I don't think it was

930

00:32:44,149 --> 00:32:40,799

classified

931

00:32:45,769 --> 00:32:44,159

sensitive information a lot of these

932

00:32:48,169 --> 00:32:45,779

guys will not talk about sensitive

933

00:32:50,630 --> 00:32:48,179

information which bothers me

934

00:32:53,149 --> 00:32:50,640

um I was told sensitive information that

935

00:32:54,590 --> 00:32:53,159

I could not share publicly and it I was

936

00:32:56,690 --> 00:32:54,600

like what it's like if it's not

937

00:32:57,950 --> 00:32:56,700

classified let me share it like no it's

938

00:33:00,590 --> 00:32:57,960

too embarrassing for the US government

939

00:33:02,389 --> 00:33:00,600

that's ridiculous you know so that's

940

00:33:04,789 --> 00:33:02,399

their time and I understand I mean but

941

00:33:07,669 --> 00:33:04,799

it frustrates me classified okay

942

00:33:10,490 --> 00:33:07,679

sensitive no let me share it so

943

00:33:12,230 --> 00:33:10,500

yeah um there are questions that Lou can

944

00:33:13,610 --> 00:33:12,240

be asked about a lot of stuff and we

945

00:33:14,870 --> 00:33:13,620

haven't you and I we haven't even talked

946

00:33:17,269 --> 00:33:14,880

yet about

947

00:33:19,310 --> 00:33:17,279

The Reincarnation stuff all that stuff

948

00:33:20,570 --> 00:33:19,320

plays into this if the theory is right

949

00:33:23,810 --> 00:33:20,580

and I think

950

00:33:24,769 --> 00:33:23,820

I have not a strong opinion but I have a

951
00:33:26,330 --> 00:33:24,779
nice

952
00:33:28,250 --> 00:33:26,340
I'm trying to think of the word my

953
00:33:29,750 --> 00:33:28,260
opinion is that all this stuff plays in

954
00:33:33,470 --> 00:33:29,760
together whether it's interdimensional

955
00:33:35,560 --> 00:33:33,480
black technology maybe maybe Nazi

956
00:33:35,990 --> 00:33:35,570
technology interdimensional

957
00:33:36,769 --> 00:33:36,000
[Music]

958
00:33:38,690 --> 00:33:36,779
um

959
00:33:40,610 --> 00:33:38,700
and The Reincarnation stuff which we can

960
00:33:42,049 --> 00:33:40,620
maybe get into later on which for me I

961
00:33:44,210 --> 00:33:42,059
have no doubt the evidence for

962
00:33:46,549 --> 00:33:44,220
reincarnation is very strong whether

963
00:33:48,350 --> 00:33:46,559

it's connected to this whole conspiracy

964

00:33:51,350 --> 00:33:48,360

I don't know and I know for a lot of

965

00:33:52,430 --> 00:33:51,360

people that's way too much so far out of

966

00:33:53,990 --> 00:33:52,440

the box

967

00:33:55,490 --> 00:33:54,000

there are some people who are nuts and

968

00:33:57,710 --> 00:33:55,500

bolts people who don't want to I'd say

969

00:33:59,029 --> 00:33:57,720

90 of what I said today is nonsense to

970

00:34:00,590 --> 00:33:59,039

them

971

00:34:01,909 --> 00:34:00,600

um and then you have people that are

972

00:34:04,490 --> 00:34:01,919

somewhere above here and then you go

973

00:34:06,409 --> 00:34:04,500

into reincarnation they're like oh no no

974

00:34:07,970 --> 00:34:06,419

no no no no no I'm like but the

975

00:34:09,290 --> 00:34:07,980

evidence if you look at Ian Stevenson

976
00:34:11,750 --> 00:34:09,300
and Jim Tucker the evidence for

977
00:34:13,550 --> 00:34:11,760
reincarnation is really strong there's

978
00:34:15,710 --> 00:34:13,560
been Psychology today and I think

979
00:34:18,109 --> 00:34:15,720
Scientific American had articles based

980
00:34:20,629 --> 00:34:18,119
on Ian Stevenson's work the guy studied

981
00:34:22,909 --> 00:34:20,639
3 000 children cases of reincarnation

982
00:34:24,589 --> 00:34:22,919
alleged reincarnation Leslie Kane wrote

983
00:34:27,349 --> 00:34:24,599
about it in her book

984
00:34:28,970 --> 00:34:27,359
um her life after death book yeah so I

985
00:34:31,450 --> 00:34:28,980
think it's a part of this whole story

986
00:34:34,609 --> 00:34:31,460
but it's it's a lot for people to accept

987
00:34:36,950 --> 00:34:34,619
so I I'm still going there on Twitter

988
00:34:38,930 --> 00:34:36,960

I'll go here on any show people ask me

989

00:34:42,530 --> 00:34:38,940

about it but and I have asked people

990

00:34:45,290 --> 00:34:42,540

behind the scenes and I will continue to

991

00:34:47,389 --> 00:34:45,300

hold on give me a second Vinnie yeah no

992

00:34:49,430 --> 00:34:47,399

worries

993

00:34:51,649 --> 00:34:49,440

guys I have been seeing your questions I

994

00:34:53,270 --> 00:34:51,659

think I've got them all lined up uh keep

995

00:34:55,790 --> 00:34:53,280

them coming but please pop them in

996

00:34:57,230 --> 00:34:55,800

capital letters it just stands out uh

997

00:34:59,690 --> 00:34:57,240

because I've got my notes and obviously

998

00:35:01,970 --> 00:34:59,700

all sorts going on so so I will continue

999

00:35:03,890 --> 00:35:01,980

to ask sources I want that whole back I

1000

00:35:05,450 --> 00:35:03,900

will say hey this is my theory am I off

1001
00:35:07,310 --> 00:35:05,460
on the wrong track am I wasting my time

1002
00:35:09,349 --> 00:35:07,320
some of them I've already had feedback

1003
00:35:10,550 --> 00:35:09,359
on some stuff oh I don't yeah I don't

1004
00:35:12,890 --> 00:35:10,560
think so but I'm like all right I don't

1005
00:35:14,690 --> 00:35:12,900
agree with you but that's fine

1006
00:35:16,430 --> 00:35:14,700
um I know they have different views

1007
00:35:18,109 --> 00:35:16,440
behind the scenes all the players they

1008
00:35:19,910 --> 00:35:18,119
don't agree on stuff so

1009
00:35:21,410 --> 00:35:19,920
I definitely would like to get some of

1010
00:35:23,150 --> 00:35:21,420
their opinions and I will continue to do

1011
00:35:25,069 --> 00:35:23,160
that um but I'll continue to share stuff

1012
00:35:26,630 --> 00:35:25,079
and like I say on Twitter if something I

1013
00:35:29,089 --> 00:35:26,640

share offends you I'm sorry you can

1014

00:35:31,370 --> 00:35:29,099

unfollow I totally understand but this

1015

00:35:33,230 --> 00:35:31,380

is where I feel like I need to go and

1016

00:35:36,170 --> 00:35:33,240

it's something I got into early on and I

1017

00:35:38,150 --> 00:35:36,180

made a complete circle so here I am yeah

1018

00:35:39,950 --> 00:35:38,160

that's I think it's a great thing you

1019

00:35:42,050 --> 00:35:39,960

know I like to think I've got an open

1020

00:35:44,390 --> 00:35:42,060

mind sometimes it's difficult when you

1021

00:35:46,849 --> 00:35:44,400

hear one part of the subject you like

1022

00:35:48,230 --> 00:35:46,859

you know that just sounds too crazy but

1023

00:35:49,849 --> 00:35:48,240

then if you don't know then we don't

1024

00:35:51,349 --> 00:35:49,859

know so you know I think it's Brave that

1025

00:35:53,690 --> 00:35:51,359

you're willing to go out onto those

1026
00:35:55,490 --> 00:35:53,700
those extremes and that and I'll always

1027
00:35:57,230 --> 00:35:55,500
listen to those kind of things and we'll

1028
00:35:59,089 --> 00:35:57,240
definitely get into The Reincarnation

1029
00:36:00,829 --> 00:35:59,099
stuff in a bit but a follow-on question

1030
00:36:03,470 --> 00:36:00,839
here from uh

1031
00:36:05,750 --> 00:36:03,480
numb her too please ask Joe his takes on

1032
00:36:07,190 --> 00:36:05,760
Timothy Taylor and kit green

1033
00:36:12,650 --> 00:36:07,200
Tim Taylor

1034
00:36:14,270 --> 00:36:12,660
uh I know he has his ritual that he goes

1035
00:36:16,550 --> 00:36:14,280
through that Diana posalka spoke about

1036
00:36:19,010 --> 00:36:16,560
and

1037
00:36:21,050 --> 00:36:19,020
he may be getting information from

1038
00:36:23,450 --> 00:36:21,060

although I've heard people skeptical

1039

00:36:24,230 --> 00:36:23,460

that his information is helpful

1040

00:36:27,050 --> 00:36:24,240

um

1041

00:36:29,630 --> 00:36:27,060

and he's developed amazing

1042

00:36:32,150 --> 00:36:29,640

Technology based on his

1043

00:36:35,329 --> 00:36:32,160

Protocols of how to communicate with

1044

00:36:36,170 --> 00:36:35,339

whatever he's communicating with

1045

00:36:37,970 --> 00:36:36,180

um

1046

00:36:39,470 --> 00:36:37,980

kit green

1047

00:36:41,329 --> 00:36:39,480

I'm sorry I don't know a ton about

1048

00:36:43,130 --> 00:36:41,339

Timothy Taylor but kit green and

1049

00:36:44,930 --> 00:36:43,140

somebody wants to add in and ask me a

1050

00:36:45,770 --> 00:36:44,940

specific question about something feel

1051

00:36:49,490 --> 00:36:45,780

free

1052

00:36:51,650 --> 00:36:49,500

kit green I wrote to Kit Green in 2019 I

1053

00:36:53,270 --> 00:36:51,660

said hey I I really don't know I'm

1054

00:36:55,550 --> 00:36:53,280

really open I don't know what UFOs

1055

00:36:57,010 --> 00:36:55,560

represent and I went through basically

1056

00:37:00,290 --> 00:36:57,020

somebody I forgot to tell you somebody

1057

00:37:01,730 --> 00:37:00,300

shared with me an audio recording which

1058

00:37:03,890 --> 00:37:01,740

had been floating around but I didn't

1059

00:37:06,890 --> 00:37:03,900

have it and it was of Kit green talking

1060

00:37:09,530 --> 00:37:06,900

with his favorite medical intuitive

1061

00:37:11,390 --> 00:37:09,540

who is doing sessions on an experiencer

1062

00:37:13,069 --> 00:37:11,400

basically she's like this is what I'm

1063

00:37:15,349 --> 00:37:13,079

picking up on the experienter what

1064

00:37:18,710 --> 00:37:15,359

happened what's going on with these et's

1065

00:37:20,270 --> 00:37:18,720

in the area and his health issues she's

1066

00:37:22,609 --> 00:37:20,280

more known for her medical information

1067

00:37:24,109 --> 00:37:22,619

so I did the whole transcript and I

1068

00:37:25,550 --> 00:37:24,119

wrote to kid green I'm like hey I got

1069

00:37:27,530 --> 00:37:25,560

this transcript I know you probably

1070

00:37:30,170 --> 00:37:27,540

didn't want this out but I have it I'm

1071

00:37:32,810 --> 00:37:30,180

putting it on my blog I go can I also

1072

00:37:35,089 --> 00:37:32,820

interview you and he goes yeah you can

1073

00:37:36,950 --> 00:37:35,099

um yeah he let me interview him in 2019

1074

00:37:39,950 --> 00:37:36,960

December I have not put it out yet it's

1075

00:37:42,050 --> 00:37:39,960

almost done I'm just I'm just hung up on

1076

00:37:43,310 --> 00:37:42,060

the on the human Tech aspect trying to

1077

00:37:45,230 --> 00:37:43,320

figure out where I want to go because I

1078

00:37:47,270 --> 00:37:45,240

usually add stuff to the transcripts

1079

00:37:49,609 --> 00:37:47,280

I'll add links and my own thoughts yeah

1080

00:37:52,250 --> 00:37:49,619

that part is hanging me up so

1081

00:37:53,870 --> 00:37:52,260

he let me interview him

1082

00:37:56,329 --> 00:37:53,880

it was

1083

00:37:57,950 --> 00:37:56,339

probably like a couple hours a really

1084

00:37:59,450 --> 00:37:57,960

smart guy and at the time I had an

1085

00:38:02,210 --> 00:37:59,460

opinion when he was speaking about black

1086

00:38:04,490 --> 00:38:02,220

technology I'm like ah this is kit just

1087

00:38:06,050 --> 00:38:04,500

being skeptical and just being the you

1088

00:38:08,089 --> 00:38:06,060

know giving the

1089

00:38:10,069 --> 00:38:08,099

Devil's Advocate and he's just not

1090

00:38:12,109 --> 00:38:10,079

wanting to talk about non-human

1091

00:38:14,270 --> 00:38:12,119

technology or non-human intelligence but

1092

00:38:16,130 --> 00:38:14,280

three years later I don't think that's

1093

00:38:17,630 --> 00:38:16,140

what was going on I mean I mean yeah he

1094

00:38:19,370 --> 00:38:17,640

works in a medical practice he has to be

1095

00:38:20,829 --> 00:38:19,380

careful of what he says

1096

00:38:23,329 --> 00:38:20,839

um but

1097

00:38:25,970 --> 00:38:23,339

he shared a story about his parents

1098

00:38:28,910 --> 00:38:25,980

having a UFO sighting in Wisconsin in

1099

00:38:31,490 --> 00:38:28,920

the early 30s of a classic Flying Saucer

1100

00:38:33,470 --> 00:38:31,500

coming out of the water with multiple

1101

00:38:35,750 --> 00:38:33,480

Witnesses it was in Wisconsin so

1102

00:38:37,069 --> 00:38:35,760

obviously that's not black Tech I would

1103

00:38:38,870 --> 00:38:37,079

say

1104

00:38:41,569 --> 00:38:38,880

um I don't think he thinks it's

1105

00:38:44,150 --> 00:38:41,579

extraterrestrial either so

1106

00:38:45,829 --> 00:38:44,160

I would really be we don't go down the

1107

00:38:48,410 --> 00:38:45,839

interdimensional route in that interview

1108

00:38:50,089 --> 00:38:48,420

I wish I had been where I am now

1109

00:38:51,470 --> 00:38:50,099

back then because I would have asked him

1110

00:38:53,870 --> 00:38:51,480

about it but

1111

00:38:55,730 --> 00:38:53,880

yeah he was a really interesting guy he

1112

00:38:58,069 --> 00:38:55,740

was back in the early days of the remote

1113

00:38:59,930 --> 00:38:58,079

viewing program he's right there

1114

00:39:01,970 --> 00:38:59,940

um he was on the UFO desk and in my

1115

00:39:03,890 --> 00:39:01,980

interview I said he goes the UFO desk

1116

00:39:05,870 --> 00:39:03,900

was you know we did remote viewing and

1117

00:39:08,990 --> 00:39:05,880

some UFO cases three cases I had three

1118

00:39:09,589 --> 00:39:09,000

classified documents on UFOs

1119

00:39:12,109 --> 00:39:09,599

um

1120

00:39:13,370 --> 00:39:12,119

bent Waters because of the nuke angle

1121

00:39:15,770 --> 00:39:13,380

yeah

1122

00:39:18,770 --> 00:39:15,780

think Claris and then I forget what the

1123

00:39:22,550 --> 00:39:18,780

other one was I think it was Terran 77

1124

00:39:23,990 --> 00:39:22,560

Iran case so he goes it's I said are you

1125

00:39:26,030 --> 00:39:24,000

frustrated that

1126

00:39:28,190 --> 00:39:26,040

you spend such a you spent such a small

1127

00:39:29,750 --> 00:39:28,200

time amount of your small such a small

1128

00:39:31,730 --> 00:39:29,760

amount in your life has been spent on

1129

00:39:33,349 --> 00:39:31,740

UFOs but you're known as the UFO desk

1130

00:39:35,690 --> 00:39:33,359

guy and he's like I said is that

1131

00:39:38,630 --> 00:39:35,700

frustrating he goes he says they're

1132

00:39:40,069 --> 00:39:38,640

freaking really upsets me he's like he

1133

00:39:41,390 --> 00:39:40,079

was upset you know not really upset with

1134

00:39:42,950 --> 00:39:41,400

me but yeah

1135

00:39:46,010 --> 00:39:42,960

um but he goes but hey it's not true

1136

00:39:46,730 --> 00:39:46,020

it's not not untrue I do do that

1137

00:39:49,730 --> 00:39:46,740

um

1138

00:39:53,390 --> 00:39:49,740

he he is the one I believe when Jim

1139

00:39:55,490 --> 00:39:53,400

semivan the former CIA spy had he had

1140

00:39:58,790 --> 00:39:55,500

his abduction but he also had a hooded

1141

00:40:00,770 --> 00:39:58,800

being he says walk through his wall

1142

00:40:04,010 --> 00:40:00,780

and it was the same night his friend

1143

00:40:05,930 --> 00:40:04,020

died and there might be a connection so

1144

00:40:07,190 --> 00:40:05,940

yeah this was after his abduction I

1145

00:40:09,470 --> 00:40:07,200

don't know the year of it he had this

1146

00:40:11,270 --> 00:40:09,480

hooded Bean come in stay there and then

1147

00:40:14,750 --> 00:40:11,280

walk right through the wall again

1148

00:40:16,430 --> 00:40:14,760

and he said that uh I think he he didn't

1149

00:40:18,890 --> 00:40:16,440

say who the person was but he says a

1150

00:40:20,450 --> 00:40:18,900

doctor who has a temper wanted me to

1151
00:40:22,430 --> 00:40:20,460
communicate with that being and I told

1152
00:40:24,650 --> 00:40:22,440
him I'm not interested in communicating

1153
00:40:26,270 --> 00:40:24,660
with that I'm pretty sure that was kit

1154
00:40:29,630 --> 00:40:26,280
green who told him to go communicate

1155
00:40:31,490 --> 00:40:29,640
because kit does have a temper some of

1156
00:40:33,470 --> 00:40:31,500
the emails we exchanged

1157
00:40:34,790 --> 00:40:33,480
um were on good terms right now no

1158
00:40:36,170 --> 00:40:34,800
problem it was just something we had a

1159
00:40:38,270 --> 00:40:36,180
disagreement on but

1160
00:40:41,329 --> 00:40:38,280
I think that was kit green kit green I

1161
00:40:42,589 --> 00:40:41,339
think kit green realizes I think if I

1162
00:40:44,210 --> 00:40:42,599
were to interview kit green today and

1163
00:40:45,290 --> 00:40:44,220

talk about interdimensional he may be a

1164

00:40:46,910 --> 00:40:45,300

lot more open

1165

00:40:48,170 --> 00:40:46,920

but I'm not sure like I said he works in

1166

00:40:49,730 --> 00:40:48,180

a medical practice and you have a

1167

00:40:51,530 --> 00:40:49,740

reputation reputation you don't want to

1168

00:40:53,630 --> 00:40:51,540

be known as the medical practice that

1169

00:40:55,250 --> 00:40:53,640

has that crazy guy who talks about

1170

00:40:56,870 --> 00:40:55,260

interdimensional beings so you have to

1171

00:40:59,630 --> 00:40:56,880

he has to be careful obviously he still

1172

00:41:02,750 --> 00:40:59,640

works you know I think he's in his 70s

1173

00:41:03,410 --> 00:41:02,760

um still really sharp though yeah so you

1174

00:41:05,030 --> 00:41:03,420

know you're talking about

1175

00:41:07,910 --> 00:41:05,040

interdimensionals a lot more kind of

1176
00:41:09,770 --> 00:41:07,920
higher than the the E.T hypotheses but

1177
00:41:11,390 --> 00:41:09,780
where does the kind of ultra-terrestrial

1178
00:41:13,970 --> 00:41:11,400
fit in for you you know we recently saw

1179
00:41:16,370 --> 00:41:13,980
put-offs paper come out so is that still

1180
00:41:17,569 --> 00:41:16,380
kind of hovering in between for you I

1181
00:41:20,150 --> 00:41:17,579
think Ultra terrestrial is really

1182
00:41:21,710 --> 00:41:20,160
interdimensional okay um is it possible

1183
00:41:24,050 --> 00:41:21,720
there's also something that was on this

1184
00:41:26,690 --> 00:41:24,060
planet that was here like the Atlantis

1185
00:41:29,510 --> 00:41:26,700
Theory yeah it's possible but when when

1186
00:41:32,210 --> 00:41:29,520
I hear Keel talk about ultra-terrestrial

1187
00:41:34,250 --> 00:41:32,220
it's to me it's 100 interdimensional

1188
00:41:37,069 --> 00:41:34,260

that has amazing abilities that can see

1189

00:41:38,930 --> 00:41:37,079

the past future uh he thinks he thinks

1190

00:41:40,790 --> 00:41:38,940

psychics and mediums are communicating

1191

00:41:42,530 --> 00:41:40,800

with these beings

1192

00:41:44,810 --> 00:41:42,540

um that we're not mediums or not talking

1193

00:41:47,510 --> 00:41:44,820

to the dead and these beings will mess

1194

00:41:48,770 --> 00:41:47,520

with us as Jim semivan says you know he

1195

00:41:50,690 --> 00:41:48,780

says they're effing with us they're

1196

00:41:52,430 --> 00:41:50,700

effing with us

1197

00:41:53,270 --> 00:41:52,440

um those are the same inner dimensionals

1198

00:41:54,890 --> 00:41:53,280

I think

1199

00:41:57,589 --> 00:41:54,900

um they also heal people people have

1200

00:41:59,390 --> 00:41:57,599

gotten healed so it's like I think I

1201
00:42:01,790 --> 00:41:59,400
personally think

1202
00:42:03,530 --> 00:42:01,800
and this is this is not a strong opinion

1203
00:42:05,030 --> 00:42:03,540
I think maybe some of those beings who

1204
00:42:08,089 --> 00:42:05,040
are doing the healing are the same one

1205
00:42:10,609 --> 00:42:08,099
negative wise but it's propaganda

1206
00:42:13,010 --> 00:42:10,619
propaganda is a part of this if you read

1207
00:42:14,870 --> 00:42:13,020
Linda Moulton's house Linda Moulton Howe

1208
00:42:17,210 --> 00:42:14,880
and people are like Oh Linda Moulton

1209
00:42:19,310 --> 00:42:17,220
Howe I'm like listen I've criticized her

1210
00:42:22,609 --> 00:42:19,320
too but in her book glimpses of other

1211
00:42:24,109 --> 00:42:22,619
realities volume two she talks about the

1212
00:42:26,089 --> 00:42:24,119
writers who communicated with Ray

1213
00:42:27,829 --> 00:42:26,099

Boucher and I may even be saying his

1214

00:42:29,270 --> 00:42:27,839

name wrong he's irreverent and they were

1215

00:42:31,250 --> 00:42:29,280

talking about how

1216

00:42:33,950 --> 00:42:31,260

there's certain there was two DOD people

1217

00:42:36,050 --> 00:42:33,960

that showed Rey their credentials and

1218

00:42:37,670 --> 00:42:36,060

they said in these programs there are

1219

00:42:38,569 --> 00:42:37,680

people in these black programs that try

1220

00:42:40,430 --> 00:42:38,579

to communicate with these

1221

00:42:42,170 --> 00:42:40,440

interdimensional beings

1222

00:42:43,790 --> 00:42:42,180

um and they believe that they're using

1223

00:42:45,290 --> 00:42:43,800

these beings but meanwhile Rey's like

1224

00:42:47,270 --> 00:42:45,300

these these guys are like no these

1225

00:42:48,050 --> 00:42:47,280

beings are using them

1226

00:42:51,290 --> 00:42:48,060

um

1227

00:42:53,030 --> 00:42:51,300

for technology and and I forgot where I

1228

00:42:54,050 --> 00:42:53,040

was going Vinnie what was I just saying

1229

00:42:57,050 --> 00:42:54,060

about

1230

00:42:59,630 --> 00:42:57,060

before that uh what kind of a

1231

00:43:02,569 --> 00:42:59,640

terrestrial interdimensional crossovers

1232

00:43:03,950 --> 00:43:02,579

uh Linda Martin Howe Linda Martin Howe

1233

00:43:05,750 --> 00:43:03,960

so yeah

1234

00:43:07,550 --> 00:43:05,760

um I forgot what I say about that but

1235

00:43:10,010 --> 00:43:07,560

it's in her book and I will pull that

1236

00:43:10,849 --> 00:43:10,020

out it's also on Ray bolshe's website he

1237

00:43:15,650 --> 00:43:10,859

has

1238

00:43:16,510 --> 00:43:15,660

on his website if you just type in his

1239

00:43:19,550 --> 00:43:16,520

name

1240

00:43:21,470 --> 00:43:19,560

b-o-e-c-h-e Reverend Ray boshay and he

1241

00:43:23,150 --> 00:43:21,480

has all that interaction that was from

1242

00:43:25,670 --> 00:43:23,160

the book it's also online you can read

1243

00:43:27,589 --> 00:43:25,680

about it and

1244

00:43:31,490 --> 00:43:27,599

the person one of my sources told me

1245

00:43:33,230 --> 00:43:31,500

read Boucher read valet read paselka

1246

00:43:35,270 --> 00:43:33,240

those are the three

1247

00:43:37,970 --> 00:43:35,280

um I think those are all in an

1248

00:43:40,190 --> 00:43:37,980

interdimensional Realm like I said and I

1249

00:43:42,890 --> 00:43:40,200

had somebody also tell me that

1250

00:43:45,290 --> 00:43:42,900

the aliens slash ETS are the ones we

1251
00:43:49,730 --> 00:43:45,300
know the least amount about really don't

1252
00:43:51,650 --> 00:43:49,740
know so I get I get I don't get confused

1253
00:43:54,230 --> 00:43:51,660
but I get hung up on

1254
00:43:55,910 --> 00:43:54,240
abductions are they really I think some

1255
00:43:57,890 --> 00:43:55,920
abductions are these interdimensionals

1256
00:44:00,050 --> 00:43:57,900
making it look like a physical abduction

1257
00:44:02,210 --> 00:44:00,060
whether it's technology I don't know how

1258
00:44:03,770 --> 00:44:02,220
they do it slide nine activity slide 9

1259
00:44:05,870 --> 00:44:03,780
abilities

1260
00:44:08,510 --> 00:44:05,880
um being able to cognitively interface

1261
00:44:10,550 --> 00:44:08,520
with us but maybe there's also ETS that

1262
00:44:12,890 --> 00:44:10,560
are doing it too because I think it was

1263
00:44:14,750 --> 00:44:12,900

John lamb lash who wrote In His Image he

1264

00:44:16,490 --> 00:44:14,760

talks about how these beings archon

1265

00:44:17,930 --> 00:44:16,500

slash these interdimensionals all the

1266

00:44:21,410 --> 00:44:17,940

same thing and maybe there are different

1267

00:44:23,809 --> 00:44:21,420

groups but how they they really love to

1268

00:44:26,390 --> 00:44:23,819

engage in mimicry they'll do something

1269

00:44:28,250 --> 00:44:26,400

that already exists and then they'll do

1270

00:44:30,470 --> 00:44:28,260

it too just just to throw people off

1271

00:44:32,329 --> 00:44:30,480

wait a second was that extraterrestrial

1272

00:44:33,470 --> 00:44:32,339

was it physical was it non-physical is

1273

00:44:35,630 --> 00:44:33,480

it interdimensional is it black

1274

00:44:37,730 --> 00:44:35,640

technology and basically well we'll all

1275

00:44:39,230 --> 00:44:37,740

debate it for the next 30 years because

1276

00:44:41,690 --> 00:44:39,240

there's enough there

1277

00:44:43,010 --> 00:44:41,700

for everybody to have the discussion and

1278

00:44:45,349 --> 00:44:43,020

everybody to make their points and

1279

00:44:47,450 --> 00:44:45,359

meanwhile we never come to a conclusion

1280

00:44:48,770 --> 00:44:47,460

a friend of mine my friend who I who I

1281

00:44:50,329 --> 00:44:48,780

interviewed for my Twitter yesterday who

1282

00:44:51,650 --> 00:44:50,339

I stayed with in La he's the one that

1283

00:44:53,990 --> 00:44:51,660

brought up he's like yeah they'll give

1284

00:44:56,450 --> 00:44:54,000

you enough just so the conversation goes

1285

00:44:58,190 --> 00:44:56,460

around and around and around and John

1286

00:45:00,349 --> 00:44:58,200

lamb lash is like that's what they do

1287

00:45:03,530 --> 00:45:00,359

they're not creative beings they could

1288

00:45:05,030 --> 00:45:03,540

just they just mimic stuff and confuse

1289

00:45:07,910 --> 00:45:05,040

and I've used the word misdirection

1290

00:45:10,010 --> 00:45:07,920

other people have used misdirection

1291

00:45:11,329 --> 00:45:10,020

um making it look extraterrestrial so

1292

00:45:13,010 --> 00:45:11,339

we're looking out there meanwhile

1293

00:45:14,569 --> 00:45:13,020

they're here yeah they're doing what

1294

00:45:16,490 --> 00:45:14,579

they do so

1295

00:45:19,130 --> 00:45:16,500

now I've come across the review show a

1296

00:45:21,290 --> 00:45:19,140

few times and I've kind of I'd be like

1297

00:45:23,150 --> 00:45:21,300

that's a big rabbit hole that I'd never

1298

00:45:26,270 --> 00:45:23,160

go around to sort of jumping into it but

1299

00:45:28,069 --> 00:45:26,280

you know maybe he's very very Christian

1300

00:45:29,990 --> 00:45:28,079

and I am not very Christian although I

1301
00:45:31,790 --> 00:45:30,000
grew up Catholic and then went to born

1302
00:45:32,329 --> 00:45:31,800
again Christian Church

1303
00:45:35,150 --> 00:45:32,339
um

1304
00:45:36,710 --> 00:45:35,160
but a lot of what he says you know I'm

1305
00:45:37,970 --> 00:45:36,720
open to it I was trying to interview him

1306
00:45:40,250 --> 00:45:37,980
I have not been able to contact him

1307
00:45:42,050 --> 00:45:40,260
recently hopefully he's okay

1308
00:45:43,790 --> 00:45:42,060
so yeah I know for a lot of people a lot

1309
00:45:45,710 --> 00:45:43,800
of this stuff it's um

1310
00:45:47,270 --> 00:45:45,720
Bill Bankston who does healing of mice

1311
00:45:49,069 --> 00:45:47,280
with his technique which I'm going to

1312
00:45:50,870 --> 00:45:49,079
interview on November 1st he talks about

1313
00:45:52,130 --> 00:45:50,880

the Boggle Factor so there's a certain

1314

00:45:53,990 --> 00:45:52,140

level

1315

00:45:55,849 --> 00:45:54,000

Bigfoot people will get to a certain

1316

00:45:58,190 --> 00:45:55,859

level like yeah Bigfoot is real and then

1317

00:46:00,890 --> 00:45:58,200

you say what about psychic Bigfoot nope

1318

00:46:02,870 --> 00:46:00,900

nope nope nope so it's like that with

1319

00:46:04,250 --> 00:46:02,880

everything they talk about that in Hunt

1320

00:46:05,750 --> 00:46:04,260

for the skin walker too in the book

1321

00:46:07,609 --> 00:46:05,760

there's a level so everybody has their

1322

00:46:11,030 --> 00:46:07,619

comfort level and once you go past it

1323

00:46:13,010 --> 00:46:11,040

people will turn off I don't have that I

1324

00:46:14,150 --> 00:46:13,020

don't have that it's like obviously some

1325

00:46:16,490 --> 00:46:14,160

stuff I'm like

1326
00:46:18,230 --> 00:46:16,500
that sounds ridiculous I'll keep it over

1327
00:46:19,970 --> 00:46:18,240
here for now

1328
00:46:22,069 --> 00:46:19,980
um especially some of the

1329
00:46:24,710 --> 00:46:22,079
I forget the guy's name Randy Kramer

1330
00:46:27,230 --> 00:46:24,720
talks about mantis beings and reptilians

1331
00:46:29,809 --> 00:46:27,240
fighting on Mars that's like all right I

1332
00:46:32,990 --> 00:46:29,819
don't think that's the case or there's

1333
00:46:34,970 --> 00:46:33,000
supposedly a portal in in El Segundo

1334
00:46:36,650 --> 00:46:34,980
California where you can just transfer

1335
00:46:38,569 --> 00:46:36,660
over to another planet I'm like all

1336
00:46:40,730 --> 00:46:38,579
right I hope that's true I don't think

1337
00:46:42,589 --> 00:46:40,740
it is it's a little too far out for me

1338
00:46:43,849 --> 00:46:42,599

and I'll keep that way over there just

1339

00:46:46,190 --> 00:46:43,859

in the back of my mind I think it's

1340

00:46:47,329 --> 00:46:46,200

nonsense but you never know no of course

1341

00:46:49,309 --> 00:46:47,339

of course

1342

00:46:50,329 --> 00:46:49,319

um before we get into The Reincarnation

1343

00:46:52,069 --> 00:46:50,339

again

1344

00:46:55,010 --> 00:46:52,079

um I'd just like to touch upon briefly

1345

00:46:57,170 --> 00:46:55,020

the recent James Fox documentary moment

1346

00:46:59,270 --> 00:46:57,180

of contact that came out yesterday I

1347

00:47:01,370 --> 00:46:59,280

believe it was yeah yesterday now I was

1348

00:47:02,930 --> 00:47:01,380

lucky enough to see an early edit of it

1349

00:47:03,829 --> 00:47:02,940

oh I'm going back two or three months

1350

00:47:07,670 --> 00:47:03,839

now

1351
00:47:10,910 --> 00:47:07,680
really well laid out case and then watch

1352
00:47:12,770 --> 00:47:10,920
the the final product and you know for

1353
00:47:14,569 --> 00:47:12,780
me you'll get no complaints from me

1354
00:47:16,670 --> 00:47:14,579
really on James Fox I think it lays out

1355
00:47:18,890 --> 00:47:16,680
the case well do I think it progresses

1356
00:47:21,710 --> 00:47:18,900
the case any further unfortunately not

1357
00:47:22,730 --> 00:47:21,720
but in know let me let me hear your

1358
00:47:24,410 --> 00:47:22,740
thoughts on it because I know you went

1359
00:47:26,750 --> 00:47:24,420
to the premiere yeah I went to the

1360
00:47:28,069 --> 00:47:26,760
premiere in LA and I I drove and when I

1361
00:47:30,109 --> 00:47:28,079
got there I picked up my friend and when

1362
00:47:31,490 --> 00:47:30,119
I got to the movie I was tired so I was

1363
00:47:34,250 --> 00:47:31,500

I was falling asleep throughout the

1364

00:47:36,290 --> 00:47:34,260

entire thing luckily I did not snore

1365

00:47:38,390 --> 00:47:36,300

because I asked my friend I'm like did I

1366

00:47:41,270 --> 00:47:38,400

snore he's like no I'm not good

1367

00:47:43,790 --> 00:47:41,280

um so I liked it but

1368

00:47:46,309 --> 00:47:43,800

it was too many Talking Heads for me and

1369

00:47:47,930 --> 00:47:46,319

being so tired I need to watch it again

1370

00:47:50,690 --> 00:47:47,940

um I love that they went to the alleged

1371

00:47:52,490 --> 00:47:50,700

craft site and crash site and I'm sorry

1372

00:47:54,410 --> 00:47:52,500

if people haven't seen it but the

1373

00:47:56,930 --> 00:47:54,420

witness believes this was the crash site

1374

00:47:58,309 --> 00:47:56,940

so it was emotional and new interviews

1375

00:47:59,870 --> 00:47:58,319

with people and then another guy

1376

00:48:01,970 --> 00:47:59,880

claiming he's gonna shoot them if they

1377

00:48:04,190 --> 00:48:01,980

don't get off his property

1378

00:48:06,230 --> 00:48:04,200

um things I wanted to see I wanted to

1379

00:48:07,970 --> 00:48:06,240

see them investigate the property the

1380

00:48:10,130 --> 00:48:07,980

land see if they could find any

1381

00:48:12,170 --> 00:48:10,140

materials any radiation anything like

1382

00:48:13,790 --> 00:48:12,180

that but I mean you know I I realize

1383

00:48:15,470 --> 00:48:13,800

funding is limited and I'll have to go

1384

00:48:17,390 --> 00:48:15,480

back and do that and it's it's the first

1385

00:48:19,130 --> 00:48:17,400

step for the movie

1386

00:48:21,290 --> 00:48:19,140

um on Twitter I said I was a little

1387

00:48:22,490 --> 00:48:21,300

bored I was because Talking Heads you

1388

00:48:24,589 --> 00:48:22,500

know it's like there's only so many

1389

00:48:26,690 --> 00:48:24,599

Talking Heads I can see and I know James

1390

00:48:29,450 --> 00:48:26,700

is limited and I love James Fox I love

1391

00:48:32,450 --> 00:48:29,460

his work he's one of the best things in

1392

00:48:33,710 --> 00:48:32,460

this field you know so I'm not down on

1393

00:48:35,569 --> 00:48:33,720

him at all and I know people probably

1394

00:48:36,829 --> 00:48:35,579

don't like that I'm not raving about the

1395

00:48:40,069 --> 00:48:36,839

movie but I think it's important

1396

00:48:41,630 --> 00:48:40,079

especially historical whatever that is I

1397

00:48:44,030 --> 00:48:41,640

don't know if it was an extra Crush real

1398

00:48:46,370 --> 00:48:44,040

craft with a being that was in trouble

1399

00:48:47,930 --> 00:48:46,380

and you know like oh my God this little

1400

00:48:48,890 --> 00:48:47,940

being he needs help I don't know if

1401

00:48:50,630 --> 00:48:48,900

that's the case or if that was

1402

00:48:53,089 --> 00:48:50,640

propaganda from the interdimensional

1403

00:48:54,349 --> 00:48:53,099

thing because somebody said today in the

1404

00:48:56,270 --> 00:48:54,359

movie they brought it up it smelled like

1405

00:48:58,670 --> 00:48:56,280

sulfur you look there's so many cases

1406

00:49:01,730 --> 00:48:58,680

like that related to sulfur somebody

1407

00:49:03,589 --> 00:49:01,740

said in the Bible the word Brimstone is

1408

00:49:05,210 --> 00:49:03,599

sulfur it's like the smell of sulfur or

1409

00:49:08,450 --> 00:49:05,220

the sulfur you look at it it's

1410

00:49:10,670 --> 00:49:08,460

everywhere so and there's stuff from the

1411

00:49:12,410 --> 00:49:10,680

Lord that's not positive there's a lot

1412

00:49:14,089 --> 00:49:12,420

of negativity there so it might be

1413

00:49:16,309 --> 00:49:14,099

connected to that interdimensional thing

1414

00:49:18,109 --> 00:49:16,319

what we talk about interdimensional

1415

00:49:20,750 --> 00:49:18,119

Force intelligence

1416

00:49:23,150 --> 00:49:20,760

so but that's a theory so am I open to

1417

00:49:25,190 --> 00:49:23,160

it being an extraterrestrial craft I am

1418

00:49:27,410 --> 00:49:25,200

you know it starts off the movie starts

1419

00:49:29,690 --> 00:49:27,420

off with supposedly NORAD you know

1420

00:49:31,370 --> 00:49:29,700

warned Brazil about this that you have a

1421

00:49:34,190 --> 00:49:31,380

craft coming in

1422

00:49:35,990 --> 00:49:34,200

um so yeah more I don't know we even if

1423

00:49:38,510 --> 00:49:36,000

we get video or pictures that he's

1424

00:49:39,890 --> 00:49:38,520

trying to get he said a lot of money has

1425

00:49:41,870 --> 00:49:39,900

been offered for that but they've

1426

00:49:43,550 --> 00:49:41,880

rejected it he said that in the Q a and

1427

00:49:44,930 --> 00:49:43,560

he said it on interviews

1428

00:49:46,609 --> 00:49:44,940

how are we going to confirm that that's

1429

00:49:48,650 --> 00:49:46,619

even authentic how do you know it's like

1430

00:49:50,630 --> 00:49:48,660

it may look amazing I'm like there it is

1431

00:49:52,910 --> 00:49:50,640

it's got red eyes the three claws

1432

00:49:54,470 --> 00:49:52,920

whatever it was

1433

00:49:55,849 --> 00:49:54,480

um how do we confirm that how do you

1434

00:49:57,530 --> 00:49:55,859

authenticate something like that you

1435

00:49:58,970 --> 00:49:57,540

know yeah absolutely I mean he was on an

1436

00:50:00,829 --> 00:49:58,980

interview well two or three hours ago

1437

00:50:04,510 --> 00:50:00,839

with Max Moskowitz which I watched and

1438

00:50:08,210 --> 00:50:04,520

yeah he's like 99.9 convinced that

1439

00:50:10,430 --> 00:50:08,220

videos and photos do exist and you know

1440

00:50:12,950 --> 00:50:10,440

his confidence is obviously very clear

1441

00:50:15,230 --> 00:50:12,960

and very high and yeah he he did say

1442

00:50:16,190 --> 00:50:15,240

there's a a big amount of money so you

1443

00:50:17,809 --> 00:50:16,200

know

1444

00:50:19,550 --> 00:50:17,819

he was hesitant in parts of the

1445

00:50:21,530 --> 00:50:19,560

interviews but as well about what he

1446

00:50:23,690 --> 00:50:21,540

wanted to say you could see he wanted to

1447

00:50:25,490 --> 00:50:23,700

say more but so I think it'll be

1448

00:50:27,650 --> 00:50:25,500

interesting to see where that story goes

1449

00:50:29,690 --> 00:50:27,660

but hopefully we'll get more on that

1450

00:50:32,270 --> 00:50:29,700

case and it's not just his documentary

1451

00:50:34,010 --> 00:50:32,280

end of right on to the next thing so

1452

00:50:35,690 --> 00:50:34,020

great yeah it's a great first step and

1453

00:50:37,190 --> 00:50:35,700

something that would be important if it

1454

00:50:38,809 --> 00:50:37,200

wasn't just a being but if it was the

1455

00:50:41,510 --> 00:50:38,819

being and the military people who you

1456

00:50:43,490 --> 00:50:41,520

could see and and identify that would be

1457

00:50:45,170 --> 00:50:43,500

huge and then you could talk to those

1458

00:50:47,450 --> 00:50:45,180

folks and if they say yeah I was there

1459

00:50:49,849 --> 00:50:47,460

that's the being

1460

00:50:52,190 --> 00:50:49,859

um you know then we had the guy who died

1461

00:50:54,109 --> 00:50:52,200

yeah from being too close that for me

1462

00:50:56,210 --> 00:50:54,119

suggests something extraterrestrial that

1463

00:50:57,710 --> 00:50:56,220

he had an interaction with you know

1464

00:50:59,630 --> 00:50:57,720

but

1465

00:51:01,790 --> 00:50:59,640

I and I know people think it's a major

1466

00:51:04,250 --> 00:51:01,800

strap in a stretch and me being cynical

1467

00:51:06,710 --> 00:51:04,260

by saying it might not be E.T it might

1468

00:51:08,510 --> 00:51:06,720

be some sort of and let me just preface

1469

00:51:10,430 --> 00:51:08,520

that John Alexander talked about

1470

00:51:12,410 --> 00:51:10,440

Skinwalker Ranch and this intelligence

1471

00:51:14,750 --> 00:51:12,420

having a precognitive sentience

1472

00:51:16,430 --> 00:51:14,760

phenomena means basically it would be

1473

00:51:18,349 --> 00:51:16,440

always one step ahead it knew what was

1474

00:51:21,290 --> 00:51:18,359

coming John Keel says they know the past

1475

00:51:24,530 --> 00:51:21,300

present and future so I don't know who

1476

00:51:26,270 --> 00:51:24,540

it was I think or here we go the Linda

1477

00:51:29,809 --> 00:51:26,280

Moulton Howe the writers from the dod

1478

00:51:31,549 --> 00:51:29,819

told Bosh boshay that don't even put it

1479

00:51:33,589 --> 00:51:31,559

Beyond these beings to actually put

1480

00:51:35,870 --> 00:51:33,599

stuff in the past knowing that in the

1481

00:51:37,010 --> 00:51:35,880

future it's going to be referred to if

1482

00:51:40,130 --> 00:51:37,020

they're trying to trick us meaning

1483

00:51:41,930 --> 00:51:40,140

ancient maybe someranian the stories

1484

00:51:43,430 --> 00:51:41,940

about these beings coming down it might

1485

00:51:46,730 --> 00:51:43,440

have been planted

1486

00:51:48,829 --> 00:51:46,740

to be brought up now you know hundreds

1487

00:51:50,210 --> 00:51:48,839

of years later or in the case of Brazil

1488

00:51:52,069 --> 00:51:50,220

96

1489

00:51:53,750 --> 00:51:52,079

so people can look back and say oh yeah

1490

00:51:55,849 --> 00:51:53,760

it's it's extraterrestrial all those

1491

00:51:57,770 --> 00:51:55,859

poor little beings so it's propaganda

1492

00:51:59,329 --> 00:51:57,780

misdirection that's that needs to be

1493

00:52:00,770 --> 00:51:59,339

part of the story

1494

00:52:03,230 --> 00:52:00,780

um when you hear it from several places

1495

00:52:04,670 --> 00:52:03,240

so yeah that's that's I just want to

1496

00:52:06,890 --> 00:52:04,680

keep my mind open to that possibility

1497

00:52:08,809 --> 00:52:06,900

yeah I agree completely and for everyone

1498

00:52:10,849 --> 00:52:08,819

watching or listening please do go out

1499

00:52:13,010 --> 00:52:10,859

and support James and his work it is a

1500

00:52:13,970 --> 00:52:13,020

great piece of work uh it's a it's a

1501
00:52:16,910 --> 00:52:13,980
very compelling case the witness

1502
00:52:21,170 --> 00:52:16,920
testimony is great so let's hope we hear

1503
00:52:23,530 --> 00:52:21,180
more on that story right Joe

1504
00:52:26,450 --> 00:52:23,540
let's jump into the the

1505
00:52:28,609 --> 00:52:26,460
reincarnation and that kind of this is a

1506
00:52:32,829 --> 00:52:28,619
side of things that I've never really I

1507
00:52:41,710 --> 00:52:34,990
hold on

1508
00:52:45,770 --> 00:52:43,970
[Laughter]

1509
00:52:47,569 --> 00:52:45,780
oh that's funny I've still got a load of

1510
00:52:48,950 --> 00:52:47,579
you guys questions lined up as well they

1511
00:52:50,870 --> 00:52:48,960
were coming in thick and fast at one

1512
00:52:53,329 --> 00:52:50,880
point I'll try and get to them all but I

1513
00:52:55,250 --> 00:52:53,339

can't make any promises sorry no no it's

1514

00:52:58,910 --> 00:52:55,260

all good that's all good so yeah you

1515

00:53:01,549 --> 00:52:58,920

know reincarnation afterlife near-death

1516

00:53:03,410 --> 00:53:01,559

experiences are they all kind of in that

1517

00:53:05,329 --> 00:53:03,420

same realm connected in some way like

1518

00:53:07,730 --> 00:53:05,339

where does one start with that kind of

1519

00:53:09,170 --> 00:53:07,740

thing so

1520

00:53:11,930 --> 00:53:09,180

um I'm trying to think when I first read

1521

00:53:13,030 --> 00:53:11,940

Many Lives Many Masters by Brian weissu

1522

00:53:15,829 --> 00:53:13,040

he was a

1523

00:53:18,589 --> 00:53:15,839

psychiatrist I think who was

1524

00:53:20,270 --> 00:53:18,599

he was he was regressing his patients

1525

00:53:21,829 --> 00:53:20,280

who were having phobias and issues in

1526

00:53:23,690 --> 00:53:21,839

our lives and then

1527

00:53:25,430 --> 00:53:23,700

he noticed some of them were jumping

1528

00:53:27,109 --> 00:53:25,440

back to previous lives which he wasn't

1529

00:53:28,849 --> 00:53:27,119

interested in but he just went with it

1530

00:53:31,790 --> 00:53:28,859

and he noticed when they were talking

1531

00:53:33,230 --> 00:53:31,800

about it it would resolve their issues I

1532

00:53:35,990 --> 00:53:33,240

think there was one case he was able to

1533

00:53:37,549 --> 00:53:36,000

verify one person maybe that they

1534

00:53:38,690 --> 00:53:37,559

claimed to have been because that's a

1535

00:53:40,609 --> 00:53:38,700

big issue it was like how do you even

1536

00:53:43,250 --> 00:53:40,619

prove that this person was that person

1537

00:53:44,450 --> 00:53:43,260

who they claimed to be that book wasn't

1538

00:53:46,069 --> 00:53:44,460

about that

1539

00:53:49,069 --> 00:53:46,079

um then I read some other books life

1540

00:53:51,230 --> 00:53:49,079

between life about what goes on in

1541

00:53:53,569 --> 00:53:51,240

between lives and how you plan it you

1542

00:53:55,549 --> 00:53:53,579

come in here and you you're going to

1543

00:53:57,530 --> 00:53:55,559

play a role and you agree to come here

1544

00:53:59,630 --> 00:53:57,540

so that's kind of very common in the New

1545

00:54:02,270 --> 00:53:59,640

Age field and then at some point I read

1546

00:54:03,650 --> 00:54:02,280

Ian Stevenson's work he investigated 3

1547

00:54:05,390 --> 00:54:03,660

000 children's cases where the kids

1548

00:54:07,670 --> 00:54:05,400

anyway they're like two to five years

1549

00:54:09,109 --> 00:54:07,680

old they're like when they first start

1550

00:54:11,089 --> 00:54:09,119

to speak and put sentences together

1551

00:54:13,609 --> 00:54:11,099

they're saying you're not my father

1552

00:54:15,170 --> 00:54:13,619

you're not my mother my real parents are

1553

00:54:17,030 --> 00:54:15,180

so and so and they'll name them and

1554

00:54:18,410 --> 00:54:17,040

they'll even name the town eventually

1555

00:54:19,910 --> 00:54:18,420

the parents will give in they'll take

1556

00:54:22,130 --> 00:54:19,920

them to the town and they'll meet the

1557

00:54:24,770 --> 00:54:22,140

family this kid said he was reincarnated

1558

00:54:26,329 --> 00:54:24,780

from he was in this past life and

1559

00:54:28,309 --> 00:54:26,339

they'll name all the family members

1560

00:54:29,690 --> 00:54:28,319

they'll have details there's no way the

1561

00:54:30,829 --> 00:54:29,700

child should have known or could have

1562

00:54:33,230 --> 00:54:30,839

known

1563

00:54:37,370 --> 00:54:33,240

um there was one great case where this

1564

00:54:38,990 --> 00:54:37,380

kid this girl said that this guy and

1565

00:54:41,809 --> 00:54:39,000

older guy was her husband in her

1566

00:54:43,609 --> 00:54:41,819

previous life and then she met him and

1567

00:54:44,809 --> 00:54:43,619

she's and he's told her that he had

1568

00:54:48,290 --> 00:54:44,819

remarried

1569

00:54:51,349 --> 00:54:48,300

and she said you told me you would never

1570

00:54:53,329 --> 00:54:51,359

love anybody else how could you remarry

1571

00:54:54,410 --> 00:54:53,339

and the guy was so devastated he goes I

1572

00:54:55,849 --> 00:54:54,420

can't meet with her again you can't

1573

00:54:57,829 --> 00:54:55,859

bring her again it's just too difficult

1574

00:54:59,270 --> 00:54:57,839

stories like that there's a lot of those

1575

00:55:01,549 --> 00:54:59,280

stories um

1576

00:55:03,829 --> 00:55:01,559

so like over 3 000 cases like that he

1577

00:55:05,690 --> 00:55:03,839

traveled all over the world Jim Tucker

1578

00:55:07,329 --> 00:55:05,700

he died but Jim Tucker took up his work

1579

00:55:09,650 --> 00:55:07,339

it was at the University of Virginia

1580

00:55:11,329 --> 00:55:09,660

somebody I forget if it was related to

1581

00:55:13,910 --> 00:55:11,339

IBM but somebody who had a lot of money

1582

00:55:15,290 --> 00:55:13,920

left an endowment for them to do this

1583

00:55:17,750 --> 00:55:15,300

research so that's how they were able to

1584

00:55:19,490 --> 00:55:17,760

do it so that paid for salaries and he

1585

00:55:21,470 --> 00:55:19,500

was able to travel around he was always

1586

00:55:23,270 --> 00:55:21,480

like this doesn't prove reincarnation

1587

00:55:25,130 --> 00:55:23,280

but it's very consistent with what you

1588

00:55:27,770 --> 00:55:25,140

would expect if reincarnation is real

1589

00:55:30,230 --> 00:55:27,780

this this goes towards that but then you

1590

00:55:32,390 --> 00:55:30,240

add in biological cases there are

1591

00:55:34,370 --> 00:55:32,400

children when they verify they go to

1592

00:55:36,290 --> 00:55:34,380

verify this other person who they claim

1593

00:55:38,510 --> 00:55:36,300

to have been in the past life

1594

00:55:40,910 --> 00:55:38,520

as an example this person and most of

1595

00:55:43,670 --> 00:55:40,920

these kids you remember there they died

1596

00:55:45,410 --> 00:55:43,680

in a violent death right the majority

1597

00:55:46,790 --> 00:55:45,420

are violent that somehow that those

1598

00:55:48,589 --> 00:55:46,800

cases are remembered these children

1599

00:55:50,930 --> 00:55:48,599

remember it and there's cases where the

1600

00:55:54,349 --> 00:55:50,940

person the the previous personality

1601
00:55:56,329 --> 00:55:54,359
was shot in the head so here's the entry

1602
00:55:59,030 --> 00:55:56,339
Moon here's the exit wound they were

1603
00:56:01,370 --> 00:55:59,040
able to get autopsies not in every case

1604
00:56:03,530 --> 00:56:01,380
in the new Kid the new reincarnation

1605
00:56:04,670 --> 00:56:03,540
kids got a birthmark here and a

1606
00:56:06,950 --> 00:56:04,680
birthmark here

1607
00:56:09,589 --> 00:56:06,960
or in the previous life the kid lost an

1608
00:56:11,930 --> 00:56:09,599
arm in the new life he's got a stub of

1609
00:56:14,329 --> 00:56:11,940
an arm so somehow it transfers over

1610
00:56:16,970 --> 00:56:14,339
that's he has an entire book about the

1611
00:56:17,930 --> 00:56:16,980
biological evidence that's really

1612
00:56:19,370 --> 00:56:17,940
impressive

1613
00:56:21,470 --> 00:56:19,380

um like I said that's why you see

1614

00:56:23,569 --> 00:56:21,480

Psychology today and Scientific American

1615

00:56:25,430 --> 00:56:23,579

looking at those willing to take an

1616

00:56:27,470 --> 00:56:25,440

article on about it because it's so

1617

00:56:29,030 --> 00:56:27,480

impressive it's like this surely looks

1618

00:56:32,030 --> 00:56:29,040

like reincarnation and The Reincarnation

1619

00:56:34,069 --> 00:56:32,040

took place in the same area

1620

00:56:36,530 --> 00:56:34,079

um not far away they were reincarnating

1621

00:56:38,630 --> 00:56:36,540

and then within a drive you know an hour

1622

00:56:40,130 --> 00:56:38,640

or two I'm not sure exactly when and

1623

00:56:43,010 --> 00:56:40,140

something else there did not seem to be

1624

00:56:44,270 --> 00:56:43,020

anything karma karma doesn't seem to be

1625

00:56:46,250 --> 00:56:44,280

a thing it just seems like some

1626
00:56:47,870 --> 00:56:46,260
biological physical process that takes

1627
00:56:50,150 --> 00:56:47,880
place

1628
00:56:51,890 --> 00:56:50,160
um and you always hear well

1629
00:56:53,450 --> 00:56:51,900
we come back because we have to learn

1630
00:56:55,970 --> 00:56:53,460
lessons we're going to stay here until

1631
00:56:57,230 --> 00:56:55,980
we learn our lessons and I don't know if

1632
00:56:58,670 --> 00:56:57,240
it ever I don't know if I ever

1633
00:56:59,750 --> 00:56:58,680
questioned that until recently I heard

1634
00:57:01,849 --> 00:56:59,760
somebody bring it up it might have been

1635
00:57:04,609 --> 00:57:01,859
like with somebody else now I'm like it

1636
00:57:06,290 --> 00:57:04,619
makes no sense our memories are wiped we

1637
00:57:07,730 --> 00:57:06,300
have no knowledge except at the

1638
00:57:09,109 --> 00:57:07,740

childhood level and then we forget about

1639

00:57:11,210 --> 00:57:09,119

it as we get older what are we supposed

1640

00:57:13,130 --> 00:57:11,220

to learn what are we basing it now we

1641

00:57:14,510 --> 00:57:13,140

have nothing to base on anything and

1642

00:57:15,710 --> 00:57:14,520

we're like oh you can't have all of your

1643

00:57:17,329 --> 00:57:15,720

memories from these past lives you

1644

00:57:19,910 --> 00:57:17,339

wouldn't be able to handle it I don't

1645

00:57:22,370 --> 00:57:19,920

know if that's the case so the theory is

1646

00:57:24,650 --> 00:57:22,380

the theory is there's some sort of trap

1647

00:57:27,170 --> 00:57:24,660

put in place by some non-human Force to

1648

00:57:30,170 --> 00:57:27,180

make us keep coming back here

1649

00:57:31,730 --> 00:57:30,180

um because these beings need us over and

1650

00:57:33,829 --> 00:57:31,740

over for whatever reason whether it's

1651
00:57:35,510 --> 00:57:33,839
feeding off of our negativity they just

1652
00:57:36,950 --> 00:57:35,520
need us to keep Recycling and there's

1653
00:57:40,370 --> 00:57:36,960
some sort of Technology put in place

1654
00:57:41,630 --> 00:57:40,380
it's not a new idea I think John Lear

1655
00:57:43,490 --> 00:57:41,640
mentioned there was some sort of

1656
00:57:46,190 --> 00:57:43,500
soul-catching device on the moon and I

1657
00:57:48,710 --> 00:57:46,200
remember at the time I was like he is

1658
00:57:50,809 --> 00:57:48,720
crazy right so I'm not sure if I heard

1659
00:57:52,130 --> 00:57:50,819
it where else I heard it but then Ike is

1660
00:57:53,630 --> 00:57:52,140
talking about it there's another guy

1661
00:57:54,349 --> 00:57:53,640
talking about it

1662
00:57:56,329 --> 00:57:54,359
um

1663
00:57:57,950 --> 00:57:56,339

farsight Institute a remote viewing

1664

00:58:00,049 --> 00:57:57,960

group they talk about it their data is

1665

00:58:00,950 --> 00:58:00,059

coming in you can't verify this data

1666

00:58:03,170 --> 00:58:00,960

obviously

1667

00:58:05,510 --> 00:58:03,180

um they talk about death traps which is

1668

00:58:07,490 --> 00:58:05,520

really unpleasant it's basically

1669

00:58:08,990 --> 00:58:07,500

electrical shock just whatever they need

1670

00:58:11,150 --> 00:58:09,000

to do to make you forget before you're

1671

00:58:12,589 --> 00:58:11,160

sent back into the system and you hear

1672

00:58:13,609 --> 00:58:12,599

stories about near-death experiences

1673

00:58:15,890 --> 00:58:13,619

well

1674

00:58:18,950 --> 00:58:15,900

you know I was told I was I was met by

1675

00:58:21,290 --> 00:58:18,960

my relatives you know yeah they're going

1676

00:58:23,150 --> 00:58:21,300

to tell me and now it's not time or

1677

00:58:25,309 --> 00:58:23,160

reincarnation you hear people in their

1678

00:58:26,809 --> 00:58:25,319

hypnosis saying they they my Ralph has

1679

00:58:28,430 --> 00:58:26,819

met me and they told me where to go or

1680

00:58:31,190 --> 00:58:28,440

being of light said you need to go here

1681

00:58:33,230 --> 00:58:31,200

listen if if reincarnation if life after

1682

00:58:35,089 --> 00:58:33,240

death is real do we really need

1683

00:58:36,770 --> 00:58:35,099

directions on where to go in the

1684

00:58:38,450 --> 00:58:36,780

afterlife is it really that complicated

1685

00:58:41,030 --> 00:58:38,460

meaning it's like is it like this

1686

00:58:43,789 --> 00:58:41,040

massive Highway listen you're gonna get

1687

00:58:45,410 --> 00:58:43,799

lost so I'm here I'm your mom I'm gonna

1688

00:58:48,230 --> 00:58:45,420

show you which door to go through it

1689

00:58:49,910 --> 00:58:48,240

makes zero sense so I'm like it seems

1690

00:58:52,490 --> 00:58:49,920

like a lie it seems like misdirection

1691

00:58:53,930 --> 00:58:52,500

those beings Joe mcmonocle is a remote

1692

00:58:56,329 --> 00:58:53,940

viewer he had this

1693

00:58:58,670 --> 00:58:56,339

by location event where he saw his dad

1694

00:59:00,470 --> 00:58:58,680

on this UFO and he goes you're not my

1695

00:59:02,390 --> 00:59:00,480

dad he goes the guy wasn't acting

1696

00:59:03,289 --> 00:59:02,400

anything like my dad and he just popped

1697

00:59:04,609 --> 00:59:03,299

out

1698

00:59:07,250 --> 00:59:04,619

um it seems like whatever this is

1699

00:59:08,329 --> 00:59:07,260

engages in misdirection

1700

00:59:10,250 --> 00:59:08,339

um because they want us to keep coming

1701

00:59:13,789 --> 00:59:10,260

back here and then people are like but

1702

00:59:15,829 --> 00:59:13,799

that whole energy sucking energy is so

1703

00:59:17,030 --> 00:59:15,839

ridiculous right off the bat they'll

1704

00:59:19,250 --> 00:59:17,040

close their minds to the to The

1705

00:59:21,109 --> 00:59:19,260

Reincarnation trap idea

1706

00:59:22,430 --> 00:59:21,119

um but people talking about we have to

1707

00:59:23,809 --> 00:59:22,440

come back come back here and learn the

1708

00:59:25,970 --> 00:59:23,819

lessons it just doesn't sit right with

1709

00:59:28,130 --> 00:59:25,980

me um and I do think The Reincarnation

1710

00:59:30,650 --> 00:59:28,140

evidence is strong some people will say

1711

00:59:32,270 --> 00:59:30,660

well there's some other transfer ESP

1712

00:59:34,309 --> 00:59:32,280

somehow those kids are getting the

1713

00:59:35,630 --> 00:59:34,319

information about this other lifetime

1714

00:59:37,910 --> 00:59:35,640

it's coming through some other way but

1715

00:59:40,849 --> 00:59:37,920

then you have the biological evidence so

1716

00:59:42,950 --> 00:59:40,859

for me I do think I don't believe but

1717

00:59:45,410 --> 00:59:42,960

I'm really strong that reincarnation is

1718

00:59:47,990 --> 00:59:45,420

legit the whole trap thing I don't know

1719

00:59:49,549 --> 00:59:48,000

but it also it does make sense to me

1720

00:59:51,890 --> 00:59:49,559

um so that's kind of where I'm going

1721

00:59:53,870 --> 00:59:51,900

there and and like I said I did I've

1722

00:59:56,690 --> 00:59:53,880

asked about it privately and

1723

00:59:58,430 --> 00:59:56,700

it wasn't basically I did not get a

1724

00:59:59,930 --> 00:59:58,440

response that said you're way off Target

1725

01:00:02,030 --> 00:59:59,940

because I said am I deluding myself

1726

01:00:03,770 --> 01:00:02,040

really good source if I'm deluding

1727

01:00:05,630 --> 01:00:03,780

myself tell me and I won't waste my time

1728

01:00:07,190 --> 01:00:05,640

and that's not I did not get that

1729

01:00:10,670 --> 01:00:07,200

response back so

1730

01:00:12,049 --> 01:00:10,680

it was about reincarnation as a trap and

1731

01:00:14,930 --> 01:00:12,059

what was the other question I asked

1732

01:00:17,750 --> 01:00:14,940

where I I was told something I wasn't

1733

01:00:18,950 --> 01:00:17,760

told yes that's true but basically it's

1734

01:00:20,930 --> 01:00:18,960

been looked at I'm trying to think what

1735

01:00:22,490 --> 01:00:20,940

other what else I brought up and I can't

1736

01:00:24,890 --> 01:00:22,500

remember right now but

1737

01:00:26,510 --> 01:00:24,900

yeah if I if I do if somebody tells me

1738

01:00:28,250 --> 01:00:26,520

you're deluding yourself and this is why

1739

01:00:30,349 --> 01:00:28,260

I will listen I'm like it's not the

1740

01:00:32,089 --> 01:00:30,359

first time I have deluded myself Vinnie

1741

01:00:34,789 --> 01:00:32,099

it wasn't with the UFOs it's a long

1742

01:00:36,890 --> 01:00:34,799

story I told about on on Twitter so

1743

01:00:38,450 --> 01:00:36,900

it's it's not impossible but I don't

1744

01:00:40,609 --> 01:00:38,460

think that's the case here but I'm still

1745

01:00:41,750 --> 01:00:40,619

a little cautious and I'm really curious

1746

01:00:44,510 --> 01:00:41,760

to see what people are thinking they're

1747

01:00:46,069 --> 01:00:44,520

like what is he talking about do you

1748

01:00:47,329 --> 01:00:46,079

know what the comments seem really

1749

01:00:48,829 --> 01:00:47,339

positive one thing that you mentioned

1750

01:00:50,930 --> 01:00:48,839

there is about what doesn't make sense

1751

01:00:52,490 --> 01:00:50,940

is life lessons and if if the memory is

1752

01:00:53,750 --> 01:00:52,500

wiped so we come back then how are we

1753

01:00:55,789 --> 01:00:53,760

learning but could it could the

1754

01:00:57,230 --> 01:00:55,799

subconscious conscious connection play

1755

01:00:58,549 --> 01:00:57,240

into that that would maybe learning on a

1756

01:01:01,609 --> 01:00:58,559

subconscious level and building it

1757

01:01:03,530 --> 01:01:01,619

building up kind of as we're unaware and

1758

01:01:05,630 --> 01:01:03,540

maybe for some reason I don't know I'm

1759

01:01:08,630 --> 01:01:05,640

just throwing throwing ideas out there

1760

01:01:10,370 --> 01:01:08,640

it could be and um

1761

01:01:11,990 --> 01:01:10,380

and it's not the first time and also

1762

01:01:13,849 --> 01:01:12,000

there are other sources that say avoid

1763

01:01:16,309 --> 01:01:13,859

the light the light is a trick I've

1764

01:01:18,109 --> 01:01:16,319

heard it and I've had somebody privately

1765

01:01:19,549 --> 01:01:18,119

tell me the same thing another respected

1766

01:01:21,109 --> 01:01:19,559

same person is respected in this

1767

01:01:22,730 --> 01:01:21,119

community so

1768

01:01:24,349 --> 01:01:22,740

I don't know

1769

01:01:27,349 --> 01:01:24,359

how would you prove that as the question

1770

01:01:29,030 --> 01:01:27,359

I mean unless there's some technology if

1771

01:01:30,890 --> 01:01:29,040

we know and basically a lot of This

1772

01:01:32,510 --> 01:01:30,900

falls into a lot of some of the

1773

01:01:34,010 --> 01:01:32,520

researchers say

1774

01:01:36,770 --> 01:01:34,020

on this planet we're living in a

1775

01:01:39,170 --> 01:01:36,780

simulation that plays into that

1776

01:01:41,089 --> 01:01:39,180

um how far the simulation goes out when

1777

01:01:42,829 --> 01:01:41,099

did the simulation start I don't know

1778

01:01:44,569 --> 01:01:42,839

another thing how do you prove that I've

1779

01:01:46,069 --> 01:01:44,579

had like I've had sources behind the

1780

01:01:47,990 --> 01:01:46,079

scenes at least one source like no I

1781

01:01:50,450 --> 01:01:48,000

don't believe in the simulation

1782

01:01:51,349 --> 01:01:50,460

but yeah it's really hard to prove that

1783

01:01:55,430 --> 01:01:51,359

so

1784

01:01:57,230 --> 01:01:55,440

with Ike I I love his positive take

1785

01:01:58,849 --> 01:01:57,240

basically he's like no matter what they

1786

01:02:00,950 --> 01:01:58,859

throw at you no matter what negativity

1787

01:02:03,230 --> 01:02:00,960

he goes remember just remember who you

1788

01:02:04,730 --> 01:02:03,240

are and people don't realize this he

1789

01:02:06,230 --> 01:02:04,740

talks about being a powerful spiritual

1790

01:02:08,750 --> 01:02:06,240

being this is a this is a physical

1791

01:02:11,089 --> 01:02:08,760

experience you're so much more powerful

1792

01:02:13,010 --> 01:02:11,099

than you realize people have no idea how

1793

01:02:16,010 --> 01:02:13,020

powerful we are we're we're taught to

1794

01:02:18,109 --> 01:02:16,020

forget where Consciousness is just not

1795

01:02:19,490 --> 01:02:18,119

spoken about people who expand their

1796

01:02:21,530 --> 01:02:19,500

Consciousness with Ayahuasca or

1797

01:02:23,870 --> 01:02:21,540

mushrooms it's frowned upon he goes that

1798

01:02:25,730 --> 01:02:23,880

they don't want whoever's in control

1799

01:02:27,530 --> 01:02:25,740

whether it's non-human and humans they

1800

01:02:29,089 --> 01:02:27,540

do not want people to realize how

1801
01:02:31,010 --> 01:02:29,099
powerful humans are because if they do

1802
01:02:32,569 --> 01:02:31,020
the whole system comes crashing down and

1803
01:02:36,049 --> 01:02:32,579
that's why the secrecy and Desperation

1804
01:02:37,789 --> 01:02:36,059
to keep the secret because if let's say

1805
01:02:39,589 --> 01:02:37,799
this is a parasitic intelligence that

1806
01:02:42,170 --> 01:02:39,599
needs to survive that's another thing

1807
01:02:44,630 --> 01:02:42,180
people talk about demons no if it's a

1808
01:02:46,609 --> 01:02:44,640
parasite and Lou does have experience in

1809
01:02:48,950 --> 01:02:46,619
parasitology whether that's a

1810
01:02:50,930 --> 01:02:48,960
coincidence or not I'm I'm skeptical

1811
01:02:52,910 --> 01:02:50,940
that it's a coincidence that would that

1812
01:02:54,230 --> 01:02:52,920
would AI that would be one of the guys I

1813
01:02:55,670 --> 01:02:54,240

would bring in if that's part of his

1814

01:02:56,710 --> 01:02:55,680

resume

1815

01:02:59,390 --> 01:02:56,720

um

1816

01:03:02,210 --> 01:02:59,400

parasites need to survive they don't

1817

01:03:04,190 --> 01:03:02,220

probably do not look at it as evil it's

1818

01:03:06,470 --> 01:03:04,200

like just give me what I need I don't

1819

01:03:10,609 --> 01:03:06,480

care I survive on this if it's negative

1820

01:03:12,650 --> 01:03:10,619

energy so yeah not demonic although it

1821

01:03:14,329 --> 01:03:12,660

would come across as demonic uh

1822

01:03:16,190 --> 01:03:14,339

something I've never spoken about on a

1823

01:03:18,049 --> 01:03:16,200

show I I've had experience that would

1824

01:03:19,970 --> 01:03:18,059

seem demonic it was in

1825

01:03:22,430 --> 01:03:19,980

the summer when I was probably like

1826
01:03:23,690 --> 01:03:22,440
probably like 12 13 14 something like

1827
01:03:26,030 --> 01:03:23,700
that and I was sleeping in my parents

1828
01:03:27,349 --> 01:03:26,040
room with my sister because we had they

1829
01:03:28,730 --> 01:03:27,359
had the only air conditioning in the

1830
01:03:29,990 --> 01:03:28,740
house and it was summer and it was hot

1831
01:03:34,130 --> 01:03:30,000
in New York

1832
01:03:36,770 --> 01:03:34,140
and I heard an audible evil laugh I mean

1833
01:03:38,930 --> 01:03:36,780
it was it was loud first time I've ever

1834
01:03:41,390 --> 01:03:38,940
heard anything audible I've had my own

1835
01:03:42,950 --> 01:03:41,400
inner voice but this was Audible and it

1836
01:03:45,589 --> 01:03:42,960
was evil and it was a laugh I was like

1837
01:03:48,170 --> 01:03:45,599
what the hell is that so we're not going

1838
01:03:51,890 --> 01:03:48,180

into details my house was a house where

1839

01:03:53,630 --> 01:03:51,900

that might be very it might be very

1840

01:03:55,130 --> 01:03:53,640

attractive to some negative intelligence

1841

01:03:56,690 --> 01:03:55,140

I'll say that it's too personal to go

1842

01:03:58,849 --> 01:03:56,700

into on here

1843

01:04:01,069 --> 01:03:58,859

um trauma basically there was trauma in

1844

01:04:03,349 --> 01:04:01,079

my house uh one thing I could share I

1845

01:04:06,470 --> 01:04:03,359

might I've never shared this either when

1846

01:04:08,630 --> 01:04:06,480

I was before I was born my sister was

1847

01:04:10,490 --> 01:04:08,640

eight years old

1848

01:04:12,470 --> 01:04:10,500

mother driving with my electric sisters

1849

01:04:14,809 --> 01:04:12,480

also car gets stuck on the railroad

1850

01:04:16,730 --> 01:04:14,819

tracks kills my sister

1851

01:04:19,069 --> 01:04:16,740

yeah it's like before I was born her

1852

01:04:21,170 --> 01:04:19,079

name was Josephine I was born because of

1853

01:04:24,289 --> 01:04:21,180

that the priest who was on the train

1854

01:04:26,750 --> 01:04:24,299

told my parents he goes

1855

01:04:29,870 --> 01:04:26,760

he he counseled them afterwards luckily

1856

01:04:31,549 --> 01:04:29,880

he was there father Bruce I think

1857

01:04:33,049 --> 01:04:31,559

he goes uh

1858

01:04:35,569 --> 01:04:33,059

you should have another child this will

1859

01:04:38,750 --> 01:04:35,579

help you get over the loss of her

1860

01:04:40,730 --> 01:04:38,760

um so that's me that's how I was born so

1861

01:04:41,990 --> 01:04:40,740

it's like so there was trauma that

1862

01:04:44,329 --> 01:04:42,000

started there and then later on more

1863

01:04:45,950 --> 01:04:44,339

trauma so maybe if it brings Focus if

1864

01:04:47,870 --> 01:04:45,960

beings feed off of negativity and

1865

01:04:49,250 --> 01:04:47,880

traumas-like situation maybe that

1866

01:04:51,109 --> 01:04:49,260

attracted them my sister had an

1867

01:04:54,170 --> 01:04:51,119

experience too not good

1868

01:04:56,390 --> 01:04:54,180

um my middle sister I'm the youngest so

1869

01:04:57,950 --> 01:04:56,400

the youngest middle and then older so

1870

01:05:00,109 --> 01:04:57,960

yeah

1871

01:05:01,670 --> 01:05:00,119

um and I've had dreams of people dying

1872

01:05:03,349 --> 01:05:01,680

twice both of them happened I've had

1873

01:05:04,609 --> 01:05:03,359

stuff like that happen what is that I

1874

01:05:06,049 --> 01:05:04,619

don't know

1875

01:05:08,630 --> 01:05:06,059

um

1876

01:05:10,069 --> 01:05:08,640

I don't know where I was going but

1877

01:05:11,450 --> 01:05:10,079

where do we even start I don't know what

1878

01:05:13,130 --> 01:05:11,460

you asked but that's the thing it just

1879

01:05:15,589 --> 01:05:13,140

seems like that aspect of the phenomena

1880

01:05:17,630 --> 01:05:15,599

just you just go and go and go and break

1881

01:05:20,270 --> 01:05:17,640

off into all different branches of it I

1882

01:05:22,609 --> 01:05:20,280

mean where would you suggest anybody

1883

01:05:24,829 --> 01:05:22,619

start then if you know if I tomorrow's

1884

01:05:26,569 --> 01:05:24,839

was like right after what speaking to

1885

01:05:29,450 --> 01:05:26,579

Joe I want to look into reincarnation

1886

01:05:31,309 --> 01:05:29,460

where would I go first all right let me

1887

01:05:33,829 --> 01:05:31,319

just add one thing about um sure yeah

1888

01:05:35,930 --> 01:05:33,839

yeah reincarnation oh yeah

1889

01:05:39,470 --> 01:05:35,940

so my sister she was eight when she died

1890

01:05:42,170 --> 01:05:39,480

and so that was before I was born but

1891

01:05:44,150 --> 01:05:42,180

when I attended a metaphysical church

1892

01:05:46,069 --> 01:05:44,160

the Reverend who married my first wife

1893

01:05:47,930 --> 01:05:46,079

and I she's no longer here the Reverend

1894

01:05:49,549 --> 01:05:47,940

she would give readings on Wednesdays

1895

01:05:51,530 --> 01:05:49,559

we'd do psychic readings one question

1896

01:05:53,150 --> 01:05:51,540

raise money for the church

1897

01:05:54,890 --> 01:05:53,160

I had a reading with her private a

1898

01:05:57,109 --> 01:05:54,900

couple private readings and she did a

1899

01:05:59,329 --> 01:05:57,119

medium type reading and she brought she

1900

01:06:01,849 --> 01:05:59,339

goes I bring forth a little girl who's

1901

01:06:03,289 --> 01:06:01,859

appears to be eight years old she nailed

1902

01:06:04,430 --> 01:06:03,299

the date yeah that I don't remember what

1903

01:06:05,630 --> 01:06:04,440

other details so it was really

1904

01:06:07,549 --> 01:06:05,640

interesting

1905

01:06:08,809 --> 01:06:07,559

um whether or not she got it right guest

1906

01:06:09,890 --> 01:06:08,819

I don't know

1907

01:06:12,530 --> 01:06:09,900

um

1908

01:06:15,289 --> 01:06:12,540

reincarnation where to start

1909

01:06:16,910 --> 01:06:15,299

old souls by Tom Schroeder although you

1910

01:06:18,349 --> 01:06:16,920

can start on Washington The Washington

1911

01:06:20,030 --> 01:06:18,359

Post

1912

01:06:21,349 --> 01:06:20,040

I don't know if Tom Schroeder wrote the

1913

01:06:23,569 --> 01:06:21,359

article or somebody else wrote the

1914

01:06:26,870 --> 01:06:23,579

article it was Washington Post Magazine

1915

01:06:28,430 --> 01:06:26,880

they did a Sunday article on Ian

1916

01:06:30,109 --> 01:06:28,440

Stevenson's work it's a really good

1917

01:06:32,089 --> 01:06:30,119

place to start and I could tweet it out

1918

01:06:33,289 --> 01:06:32,099

later I'll find it I think it might be

1919

01:06:35,029 --> 01:06:33,299

good yeah I don't have the Washington

1920

01:06:36,650 --> 01:06:35,039

Post link but if somebody else put it on

1921

01:06:39,650 --> 01:06:36,660

and it makes it look like it shows you what

1922

01:06:41,210 --> 01:06:39,660

he did and how skeptical he was

1923

01:06:44,150 --> 01:06:41,220

um and also like I said the Scientific

1924

01:06:46,789 --> 01:06:44,160

American I'll read I'll retweet

1925

01:06:49,190 --> 01:06:46,799

and I'll tag you the Washington Post

1926

01:06:50,750 --> 01:06:49,200

article the Scientific American article

1927

01:06:52,609 --> 01:06:50,760

on the psychology today article and if

1928

01:06:53,870 --> 01:06:52,619

people like that they have Leslie Kane's

1929

01:06:55,849 --> 01:06:53,880

book which isn't focused on

1930

01:06:57,049 --> 01:06:55,859

reincarnation but she she deals with a

1931

01:06:58,789 --> 01:06:57,059

couple of cases and there are there's

1932

01:07:00,890 --> 01:06:58,799

one case where it seems like the

1933

01:07:02,210 --> 01:07:00,900

researcher was fooled but overall some

1934

01:07:04,430 --> 01:07:02,220

of these cases are really interesting

1935

01:07:06,230 --> 01:07:04,440

and then Tom I'm not sure if Tom

1936

01:07:07,910 --> 01:07:06,240

Schroeder followed up old souls with

1937

01:07:10,190 --> 01:07:07,920

another book if he has I need to get it

1938

01:07:11,690 --> 01:07:10,200

he's the one who took up the work of Ian

1939

01:07:14,329 --> 01:07:11,700

Stevenson so that's a good place as far

1940

01:07:15,230 --> 01:07:14,339

as a trap yeah I wouldn't even go there

1941

01:07:17,089 --> 01:07:15,240

yet

1942

01:07:18,529 --> 01:07:17,099

um Ike's book I recommended that

1943

01:07:20,089 --> 01:07:18,539

somebody who I saw in the chat I don't

1944

01:07:21,770 --> 01:07:20,099

know if she's still here Nora

1945

01:07:23,150 --> 01:07:21,780

I don't know if I would and I

1946

01:07:24,950 --> 01:07:23,160

recommended it to other people I don't

1947

01:07:26,390 --> 01:07:24,960

know if you really have to be open to

1948

01:07:27,710 --> 01:07:26,400

the conspiracy stuff otherwise you're

1949

01:07:29,630 --> 01:07:27,720

going to be bogged down right away

1950

01:07:32,089 --> 01:07:29,640

you're going to be like this is nonsense

1951

01:07:34,010 --> 01:07:32,099

but chapter six which I'm reading Now

1952

01:07:36,589 --> 01:07:34,020

talks about reality and the simulation

1953

01:07:38,029 --> 01:07:36,599

and it's really really good

1954

01:07:42,230 --> 01:07:38,039

um and it's like I said the message is

1955

01:07:44,390 --> 01:07:42,240

so positive from him about love about

1956

01:07:47,089 --> 01:07:44,400

infinite we're infinite beings people

1957

01:07:48,890 --> 01:07:47,099

don't realize that him I mean but I

1958

01:07:51,230 --> 01:07:48,900

caught his breakthrough it was a

1959

01:07:52,730 --> 01:07:51,240

download when he was in Peru

1960

01:07:54,589 --> 01:07:52,740

um basically the information came

1961

01:07:56,210 --> 01:07:54,599

through he's just standing there and it

1962

01:07:58,010 --> 01:07:56,220

just poured into him a download and then

1963

01:07:59,750 --> 01:07:58,020

he had another experience when he took

1964

01:08:01,849 --> 01:07:59,760

Ayahuasca and it was just he said it was

1965

01:08:03,890 --> 01:08:01,859

so impressive when he got home he had

1966

01:08:05,210 --> 01:08:03,900

all Total Recall of everything that they

1967

01:08:07,130 --> 01:08:05,220

told him it was basically about

1968

01:08:08,450 --> 01:08:07,140

simulation and stuff like that

1969

01:08:10,430 --> 01:08:08,460

um it was a woman's voice which it

1970

01:08:12,950 --> 01:08:10,440

usually is with Ayahuasca it's a female

1971

01:08:14,930 --> 01:08:12,960

Spirit yeah if it's a spirit it's a

1972

01:08:17,209 --> 01:08:14,940

female presence energy that comes

1973

01:08:18,769 --> 01:08:17,219

through in Ayahuasca I would love to do

1974

01:08:20,809 --> 01:08:18,779

Ayahuasca but I'm definitely scared

1975

01:08:23,870 --> 01:08:20,819

because you hear all the stories between

1976

01:08:25,249 --> 01:08:23,880

vomiting and diarrhea and and I have a

1977

01:08:27,769 --> 01:08:25,259

heart issue which is pretty good right

1978

01:08:28,430 --> 01:08:27,779

now I'm not sure if I should do that

1979

01:08:31,370 --> 01:08:28,440

um

1980

01:08:33,229 --> 01:08:31,380

and it lasts for like 12 hours and this

1981

01:08:35,390 --> 01:08:33,239

world totally disappears I just somebody

1982

01:08:36,650 --> 01:08:35,400

I worked with the other day uh randomly

1983

01:08:39,769 --> 01:08:36,660

we went out to lunch he's like yeah I

1984

01:08:42,050 --> 01:08:39,779

had I took Ayahuasca it was amazing and

1985

01:08:43,430 --> 01:08:42,060

yeah yeah I had the opportunity in

1986

01:08:45,410 --> 01:08:43,440

Colombia at the start of the year with

1987

01:08:47,570 --> 01:08:45,420

the shaman and

1988

01:08:50,269 --> 01:08:47,580

I didn't do it you know but the good

1989

01:08:51,890 --> 01:08:50,279

thing is when I when I didn't do it I

1990

01:08:53,390 --> 01:08:51,900

actually got to see the phenomena that

1991

01:08:55,729 --> 01:08:53,400

that what I was there for so it kind of

1992

01:08:56,930 --> 01:08:55,739

you know swings around about so it you

1993

01:08:59,510 --> 01:08:56,940

know it was all good it was worth it

1994

01:09:01,309 --> 01:08:59,520

it's a big step I mean that's a really

1995

01:09:03,229 --> 01:09:01,319

big step yeah absolutely talk about

1996

01:09:04,249 --> 01:09:03,239

mushrooms and stuff like that but this

1997

01:09:06,769 --> 01:09:04,259

ayahuasca

1998

01:09:08,150 --> 01:09:06,779

DMT if some there's a new DMT that

1999

01:09:10,010 --> 01:09:08,160

supposedly I forget what it's called but

2000

01:09:12,169 --> 01:09:10,020

Graham Hancock talks about it but that

2001
01:09:13,849 --> 01:09:12,179
lasts like 15 minutes so maybe uh maybe

2002
01:09:15,470 --> 01:09:13,859
I would consider doing that but I Alaska

2003
01:09:17,749 --> 01:09:15,480
12 hours

2004
01:09:20,269 --> 01:09:17,759
well if you have a bad trip and people

2005
01:09:22,010 --> 01:09:20,279
do have bad experiences yeah it lasts

2006
01:09:23,749 --> 01:09:22,020
for 12 hours so you're kind of screwed

2007
01:09:24,669 --> 01:09:23,759
for 12 hours

2008
01:09:29,269 --> 01:09:24,679
yeah

2009
01:09:32,030 --> 01:09:29,279
come on no there's um a woman here cat

2010
01:09:33,890 --> 01:09:32,040
Courtney that who was doing a lot of

2011
01:09:35,689 --> 01:09:33,900
Ceremonies around the United States and

2012
01:09:37,910 --> 01:09:35,699
that she got arrested for DMT

2013
01:09:40,849 --> 01:09:37,920

distribution which was total bogus but

2014

01:09:42,829 --> 01:09:40,859

she got an she got an A year probation

2015

01:09:44,450 --> 01:09:42,839

so she's just doing classes right now

2016

01:09:46,309 --> 01:09:44,460

amazing

2017

01:09:47,930 --> 01:09:46,319

Shaman if you want to not go to another

2018

01:09:49,189 --> 01:09:47,940

country although I don't think I don't

2019

01:09:51,229 --> 01:09:49,199

think she could do it here again she'll

2020

01:09:52,970 --> 01:09:51,239

have to go to Costa Rica and host it but

2021

01:09:57,169 --> 01:09:52,980

she's amazing from everything I know

2022

01:09:59,209 --> 01:09:57,179

about her amazing shaman foreign I'm

2023

01:10:02,450 --> 01:09:59,219

going back out to Colombia in February

2024

01:10:04,790 --> 01:10:02,460

March 23 so hey maybe I'll be

2025

01:10:07,250 --> 01:10:04,800

you know ready for it then I'll see I

2026

01:10:09,410 --> 01:10:07,260

just don't know until I'm there

2027

01:10:11,750 --> 01:10:09,420

um listen Joe Before I Let You Go I've

2028

01:10:14,930 --> 01:10:11,760

got a couple of questions here from uh

2029

01:10:17,689 --> 01:10:14,940

the viewers so your name asks Joe do you

2030

01:10:19,550 --> 01:10:17,699

think we will a will we do you think we

2031

01:10:21,290 --> 01:10:19,560

will be able to fully grasp the vastness

2032

01:10:23,990 --> 01:10:21,300

of the phenomena like really understand

2033

01:10:26,390 --> 01:10:24,000

it I don't know if the vastness of

2034

01:10:28,790 --> 01:10:26,400

everything because you know I've heard

2035

01:10:31,790 --> 01:10:28,800

about ET time travel interdimensional

2036

01:10:34,070 --> 01:10:31,800

Bigfoot I heard that behind the scene um

2037

01:10:35,990 --> 01:10:34,080

what I would love if if we're in a

2038

01:10:37,850 --> 01:10:36,000

simulation or if there is a

2039

01:10:39,530 --> 01:10:37,860

reincarnation trap and we can somehow

2040

01:10:41,209 --> 01:10:39,540

and it's technological it's something

2041

01:10:44,270 --> 01:10:41,219

that we can break

2042

01:10:45,350 --> 01:10:44,280

that would be my first goal let's focus

2043

01:10:47,810 --> 01:10:45,360

on that

2044

01:10:50,030 --> 01:10:47,820

um and if there are humans that are

2045

01:10:51,350 --> 01:10:50,040

helping these interdimensional beings or

2046

01:10:53,450 --> 01:10:51,360

believe they're helping these

2047

01:10:55,189 --> 01:10:53,460

interdimensional beings and messing with

2048

01:10:57,590 --> 01:10:55,199

life on this planet

2049

01:10:59,990 --> 01:10:57,600

I don't know how we would actually stop

2050

01:11:01,610 --> 01:11:00,000

that but just to at least expose it that

2051
01:11:03,590 --> 01:11:01,620
it's going on and maybe some of them

2052
01:11:05,270 --> 01:11:03,600
have amazing technology

2053
01:11:05,810 --> 01:11:05,280
we didn't get into

2054
01:11:08,330 --> 01:11:05,820
um

2055
01:11:10,550 --> 01:11:08,340
you know if if they had a breakthrough I

2056
01:11:12,350 --> 01:11:10,560
don't know how we would battle that

2057
01:11:14,630 --> 01:11:12,360
um unless we have our own technology or

2058
01:11:17,330 --> 01:11:14,640
as a species

2059
01:11:19,010 --> 01:11:17,340
if there are ETS here or or ETS out

2060
01:11:20,750 --> 01:11:19,020
there I think as a species and I'm not

2061
01:11:23,450 --> 01:11:20,760
the first one to say this if we woke up

2062
01:11:25,250 --> 01:11:23,460
enough where we asked for help maybe we

2063
01:11:27,470 --> 01:11:25,260

can get help I don't think I don't think

2064

01:11:29,570 --> 01:11:27,480

somebody's gonna just step in right and

2065

01:11:31,430 --> 01:11:29,580

help us unless we ask for help more the

2066

01:11:33,709 --> 01:11:31,440

the non-interference Star Trek not

2067

01:11:35,450 --> 01:11:33,719

intervention type of thing

2068

01:11:38,390 --> 01:11:35,460

um I don't know how many people it would

2069

01:11:39,590 --> 01:11:38,400

take for us to be open to ask for that

2070

01:11:42,530 --> 01:11:39,600

to happen

2071

01:11:44,450 --> 01:11:42,540

and if ETS are here probably most of

2072

01:11:46,130 --> 01:11:44,460

them are indifferent

2073

01:11:49,430 --> 01:11:46,140

um probably some are negative some are

2074

01:11:51,229 --> 01:11:49,440

positive but as far as helping I I think

2075

01:11:53,330 --> 01:11:51,239

somebody mentioned to me privately that

2076

01:11:55,250 --> 01:11:53,340

they're going to keep hands off unless a

2077

01:11:58,610 --> 01:11:55,260

certain line is crossed what that line

2078

01:12:01,669 --> 01:11:58,620

is I don't know right yeah that makes

2079

01:12:03,290 --> 01:12:01,679

sense I guess uh red panda koala thank

2080

01:12:05,689 --> 01:12:03,300

you so much for the donation I really

2081

01:12:07,729 --> 01:12:05,699

appreciate it uh that's a great Point

2082

01:12:09,470 --> 01:12:07,739

actually he's asking uh if you get a

2083

01:12:11,990 --> 01:12:09,480

chance on Joe's Insider's thoughts on

2084

01:12:13,970 --> 01:12:12,000

Havana syndrome and anything on Chuck

2085

01:12:15,350 --> 01:12:13,980

Missler in the Collins Elite Scientology

2086

01:12:17,450 --> 01:12:15,360

influence so if you want to tackle any

2087

01:12:19,189 --> 01:12:17,460

of them before we finish that would be

2088

01:12:21,649 --> 01:12:19,199

cool I'll avoid Scientology only because

2089

01:12:23,330 --> 01:12:21,659

I know only because I don't know enough

2090

01:12:24,649 --> 01:12:23,340

to speak Scientology but I've had people

2091

01:12:27,050 --> 01:12:24,659

say you know what what you're talking

2092

01:12:28,010 --> 01:12:27,060

about now is Scientology and I avoid it

2093

01:12:29,870 --> 01:12:28,020

because I'm like okay I don't really

2094

01:12:32,330 --> 01:12:29,880

know what Scientology is I never studied

2095

01:12:33,590 --> 01:12:32,340

it yeah I did go and leave that up there

2096

01:12:35,330 --> 01:12:33,600

for a second video I'll get to that yeah

2097

01:12:35,990 --> 01:12:35,340

so I don't forget

2098

01:12:38,390 --> 01:12:36,000

um

2099

01:12:40,430 --> 01:12:38,400

I went to the Clearwater headquarters

2100

01:12:41,990 --> 01:12:40,440

which is a massive headquarters for

2101
01:12:44,450 --> 01:12:42,000
Scientology and I wanted to get a tour

2102
01:12:45,830 --> 01:12:44,460
but they were too busy very very weird

2103
01:12:47,270 --> 01:12:45,840
they all dressed in the same outfit

2104
01:12:49,070 --> 01:12:47,280
coming off a bus it looked really

2105
01:12:51,050 --> 01:12:49,080
robotic

2106
01:12:53,030 --> 01:12:51,060
um yeah whether or not they have any

2107
01:12:54,350 --> 01:12:53,040
part of the truth I don't even know

2108
01:12:56,689 --> 01:12:54,360
um did they talk about people being

2109
01:12:58,070 --> 01:12:56,699
dumped here dumped here like from other

2110
01:13:01,070 --> 01:12:58,080
planets

2111
01:13:02,510 --> 01:13:01,080
the background I'm not too sure when but

2112
01:13:04,729 --> 01:13:02,520
I've looked into it briefly in the past

2113
01:13:07,310 --> 01:13:04,739

that as soon as it got into that

2114

01:13:10,729 --> 01:13:07,320

alien thing I I kind of Switched Off

2115

01:13:12,169 --> 01:13:10,739

after a while yeah here's one thing in

2116

01:13:14,209 --> 01:13:12,179

life science I've shared this article

2117

01:13:16,790 --> 01:13:14,219

before they talk about the apocalypse of

2118

01:13:18,709 --> 01:13:16,800

James so it's an extra biblical book

2119

01:13:22,610 --> 01:13:18,719

that did not get into the Bible and it

2120

01:13:25,430 --> 01:13:22,620

looks as Jesus as a teacher and it says

2121

01:13:27,410 --> 01:13:25,440

that Jesus Jesus told James that

2122

01:13:29,330 --> 01:13:27,420

basically and this is the writer saying

2123

01:13:31,610 --> 01:13:29,340

this but basically we're living on a

2124

01:13:33,709 --> 01:13:31,620

prison planet and it's like the Matrix

2125

01:13:35,750 --> 01:13:33,719

and when you die you're gonna face these

2126

01:13:38,390 --> 01:13:35,760

archons and to get to the actual real

2127

01:13:39,770 --> 01:13:38,400

afterlife you need to have the passwords

2128

01:13:41,689 --> 01:13:39,780

um unfortunately somebody else has

2129

01:13:43,910 --> 01:13:41,699

co-opted the prison planet term Alex

2130

01:13:45,229 --> 01:13:43,920

Jones which really sucks because then

2131

01:13:47,390 --> 01:13:45,239

you mentioned prison planet and they

2132

01:13:49,850 --> 01:13:47,400

connect you with him but this was you

2133

01:13:51,770 --> 01:13:49,860

know the nagamadi the gnostics um

2134

01:13:53,149 --> 01:13:51,780

talking about this and I'm like do I

2135

01:13:55,310 --> 01:13:53,159

really think there are passwords you're

2136

01:13:56,630 --> 01:13:55,320

supposed to know like do you get to the

2137

01:13:57,950 --> 01:13:56,640

archons and you have to give the

2138

01:13:59,930 --> 01:13:57,960

password and if you get it wrong you get

2139

01:14:01,790 --> 01:13:59,940

sent back down or if you put in the

2140

01:14:05,209 --> 01:14:01,800

wrong password or you barred from trying

2141

01:14:06,590 --> 01:14:05,219

again for three weeks and there are

2142

01:14:08,330 --> 01:14:06,600

people on Reddit who are like does

2143

01:14:10,430 --> 01:14:08,340

anybody have the passwords if you type

2144

01:14:12,290 --> 01:14:10,440

it in gnostics passwords archons people

2145

01:14:14,090 --> 01:14:12,300

are asking for the passwords I don't

2146

01:14:16,010 --> 01:14:14,100

think there are actual passwords maybe

2147

01:14:17,810 --> 01:14:16,020

it's something you need to realize that

2148

01:14:19,610 --> 01:14:17,820

you're a powerful spiritual being and

2149

01:14:21,470 --> 01:14:19,620

these archons have no control if that's

2150

01:14:25,370 --> 01:14:21,480

even a literal thing

2151

01:14:27,290 --> 01:14:25,380

um just remember who you are so

2152

01:14:28,250 --> 01:14:27,300

Havana syndrome

2153

01:14:31,010 --> 01:14:28,260

um

2154

01:14:33,410 --> 01:14:31,020

I'll just say this and

2155

01:14:35,870 --> 01:14:33,420

Whoever has that technology is able to

2156

01:14:38,390 --> 01:14:35,880

avoid detection so whoever has that

2157

01:14:40,550 --> 01:14:38,400

technology has some really Advanced

2158

01:14:42,530 --> 01:14:40,560

capabilities and for the United States

2159

01:14:44,030 --> 01:14:42,540

government to say I mean they've thrown

2160

01:14:46,370 --> 01:14:44,040

it out there like oh a lot of this is

2161

01:14:48,649 --> 01:14:46,380

just in their head or it's some sort of

2162

01:14:49,729 --> 01:14:48,659

basic prosaic technology that they're

2163

01:14:51,770 --> 01:14:49,739

mistaking

2164

01:14:54,169 --> 01:14:51,780

the government also is paying people now

2165

01:14:55,610 --> 01:14:54,179

who were affected by it so obviously

2166

01:14:57,470 --> 01:14:55,620

it's real and there's a hardcore group

2167

01:14:59,330 --> 01:14:57,480

of people CNN just did an hour special

2168

01:15:01,310 --> 01:14:59,340

on it 60 Minutes to the special it's

2169

01:15:03,410 --> 01:15:01,320

ruined their life I mean it's really

2170

01:15:04,729 --> 01:15:03,420

affected them neurologically it's a real

2171

01:15:05,570 --> 01:15:04,739

thing

2172

01:15:07,729 --> 01:15:05,580

um

2173

01:15:10,130 --> 01:15:07,739

is that here's my opinion here's my

2174

01:15:11,209 --> 01:15:10,140

speculation is that some sort of human

2175

01:15:14,390 --> 01:15:11,219

group

2176

01:15:16,790 --> 01:15:14,400

saying this is what we can do

2177

01:15:18,770 --> 01:15:16,800

and if you don't do what we say we can

2178

01:15:21,050 --> 01:15:18,780

keep doing this because you can't catch

2179

01:15:22,669 --> 01:15:21,060

us you're not going to catch us

2180

01:15:25,370 --> 01:15:22,679

um Gary Nolan said

2181

01:15:27,950 --> 01:15:25,380

that and it was in his vice interview

2182

01:15:30,229 --> 01:15:27,960

Vice magazine uh he said that he thinks

2183

01:15:32,149 --> 01:15:30,239

that at least one injury Thomas

2184

01:15:34,010 --> 01:15:32,159

Winterton who and Gary didn't say Thomas

2185

01:15:35,750 --> 01:15:34,020

Winterton but Winterton later on he's

2186

01:15:37,850 --> 01:15:35,760

the superintendent at Skinwalker Ranch

2187

01:15:40,550 --> 01:15:37,860

yeah he's later on said yeah that's my

2188

01:15:42,169 --> 01:15:40,560

case Nolan said he thought that involved

2189

01:15:44,630 --> 01:15:42,179

a state actor

2190

01:15:46,310 --> 01:15:44,640

putting that that would hurt him and

2191

01:15:48,770 --> 01:15:46,320

Brandon fugle immediately said I don't

2192

01:15:50,930 --> 01:15:48,780

agree Winterton said I don't agree at

2193

01:15:52,189 --> 01:15:50,940

the time I was like but now I'm like I

2194

01:15:54,229 --> 01:15:52,199

think he's right I don't think State

2195

01:15:55,669 --> 01:15:54,239

actor though I think non-state actor I

2196

01:15:58,310 --> 01:15:55,679

don't think it's a foreign country that

2197

01:16:01,370 --> 01:15:58,320

has so much although

2198

01:16:03,709 --> 01:16:01,380

I mean with Havana

2199

01:16:06,050 --> 01:16:03,719

we know where it's taking place

2200

01:16:08,149 --> 01:16:06,060

and I'm not sure if we have see that's

2201
01:16:10,250 --> 01:16:08,159
the thing maybe maybe it can be detected

2202
01:16:11,990 --> 01:16:10,260
if you know the attack is coming this is

2203
01:16:14,689 --> 01:16:12,000
coming out of the blue just like at

2204
01:16:16,729 --> 01:16:14,699
Skinwalker maybe there is some sort of

2205
01:16:19,250 --> 01:16:16,739
human presence that's here's another

2206
01:16:20,630 --> 01:16:19,260
theory human presence if there is a

2207
01:16:22,490 --> 01:16:20,640
technology if there is a group out there

2208
01:16:24,050 --> 01:16:22,500
that interacts with interdimensionals

2209
01:16:26,330 --> 01:16:24,060
where would you want and maybe that

2210
01:16:28,070 --> 01:16:26,340
group has advanced technology where

2211
01:16:29,450 --> 01:16:28,080
would you hang out to have most access

2212
01:16:31,550 --> 01:16:29,460
to those interdimensionals you would

2213
01:16:34,370 --> 01:16:31,560

hang out at a place like Skinwalker or

2214

01:16:35,870 --> 01:16:34,380

they'll say New Mexico or Sedona or

2215

01:16:37,910 --> 01:16:35,880

there are other places around the globe

2216

01:16:40,610 --> 01:16:37,920

Yakima Washington

2217

01:16:41,930 --> 01:16:40,620

um maybe that's and maybe they're I

2218

01:16:43,970 --> 01:16:41,940

don't know if they're able to stay

2219

01:16:46,430 --> 01:16:43,980

stealth but there are there are reports

2220

01:16:48,890 --> 01:16:46,440

on Skinwalker that always made me think

2221

01:16:50,570 --> 01:16:48,900

you know you hear there are Footsteps in

2222

01:16:53,270 --> 01:16:50,580

one of the trailers during the mid ears

2223

01:16:55,310 --> 01:16:53,280

just like foot human footsteps was that

2224

01:16:57,709 --> 01:16:55,320

some human technology that made them

2225

01:16:59,570 --> 01:16:57,719

invisible or was it just poltergeistlect

2226

01:17:02,330 --> 01:16:59,580

activity I'm more open to the human

2227

01:17:04,130 --> 01:17:02,340

technology angle but I totally I mean

2228

01:17:06,050 --> 01:17:04,140

Skinwalker stuff goes back hundreds of

2229

01:17:08,450 --> 01:17:06,060

years that's not human so I think it's a

2230

01:17:11,090 --> 01:17:08,460

mix that's going on there

2231

01:17:12,530 --> 01:17:11,100

um so yeah Havana is a massive problem

2232

01:17:14,270 --> 01:17:12,540

that's not talked about in this

2233

01:17:15,709 --> 01:17:14,280

community at all and I think it should

2234

01:17:18,410 --> 01:17:15,719

be Lou has said there's a connection

2235

01:17:20,689 --> 01:17:18,420

between uaps and Havana he won't say

2236

01:17:22,370 --> 01:17:20,699

what I think they got their technology

2237

01:17:25,310 --> 01:17:22,380

from UFO

2238

01:17:26,990 --> 01:17:25,320

Tech and turn that into Havana

2239

01:17:29,330 --> 01:17:27,000

um and also slide nine I'm starting to

2240

01:17:30,830 --> 01:17:29,340

wonder is slide nine an enemy of the

2241

01:17:34,189 --> 01:17:30,840

United States that engages in

2242

01:17:37,370 --> 01:17:34,199

psychotronic weapons and pre you know in

2243

01:17:40,550 --> 01:17:37,380

they can cognitively interface with us

2244

01:17:42,110 --> 01:17:40,560

and affect decision makers is that

2245

01:17:43,910 --> 01:17:42,120

non-human or is that human are they

2246

01:17:46,550 --> 01:17:43,920

talking about this human group that's

2247

01:17:48,290 --> 01:17:46,560

involved with Havana you know that's a

2248

01:17:49,370 --> 01:17:48,300

recent theory that pops into my head I

2249

01:17:51,790 --> 01:17:49,380

don't know I don't know if they're not

2250

01:17:54,290 --> 01:17:51,800

if they're talking about humans

2251

01:17:56,209 --> 01:17:54,300

non-governmental group or

2252

01:17:57,830 --> 01:17:56,219

non-human intelligence as far as Collins

2253

01:17:58,550 --> 01:17:57,840

Elite

2254

01:17:59,990 --> 01:17:58,560

um

2255

01:18:01,790 --> 01:18:00,000

they don't think we should study this

2256

01:18:04,010 --> 01:18:01,800

because they think it's demonic I

2257

01:18:05,930 --> 01:18:04,020

understand after what I just said you

2258

01:18:07,610 --> 01:18:05,940

know that these beings come across as

2259

01:18:10,030 --> 01:18:07,620

demonic I don't think that's the case

2260

01:18:14,090 --> 01:18:10,040

and and I debate it with somebody online

2261

01:18:16,130 --> 01:18:14,100

on Twitter and they're like listen if

2262

01:18:19,330 --> 01:18:16,140

if some of the worst things that happen

2263

01:18:22,130 --> 01:18:19,340

on this planet are egged on by humans

2264

01:18:23,689 --> 01:18:22,140

just to placate these interdimensionals

2265

01:18:25,370 --> 01:18:23,699

and that's all evil I'm like you're

2266

01:18:27,890 --> 01:18:25,380

right from a human standpoint that is

2267

01:18:30,950 --> 01:18:27,900

100 evil we're talking about rape and

2268

01:18:32,870 --> 01:18:30,960

incestors and and and pedophilia all

2269

01:18:35,450 --> 01:18:32,880

that worse stuff if that's going on

2270

01:18:37,910 --> 01:18:35,460

putting out that negative food

2271

01:18:40,010 --> 01:18:37,920

that's horrible and evil but from a

2272

01:18:41,810 --> 01:18:40,020

non-human standpoint that survives off

2273

01:18:44,270 --> 01:18:41,820

that stuff they might not see it like

2274

01:18:46,090 --> 01:18:44,280

that and Lou says you need to stop

2275

01:18:49,370 --> 01:18:46,100

looking at this from a human Viewpoint

2276

01:18:51,229 --> 01:18:49,380

it's part of the natural world so if

2277

01:18:53,270 --> 01:18:51,239

that's going on okay but if we have

2278

01:18:55,610 --> 01:18:53,280

humans that are adding to that and and

2279

01:18:59,149 --> 01:18:55,620

and doing the bidding in their minds of

2280

01:19:01,430 --> 01:18:59,159

these non-humans that's really really

2281

01:19:03,229 --> 01:19:01,440

messed up um and that's basically David

2282

01:19:04,970 --> 01:19:03,239

Ike and other people it's not just Ike

2283

01:19:06,410 --> 01:19:04,980

although Ike talks about it the most and

2284

01:19:08,450 --> 01:19:06,420

I know it's controversial and I know

2285

01:19:09,649 --> 01:19:08,460

people think it's crazy

2286

01:19:11,149 --> 01:19:09,659

um but if you put all the pieces

2287

01:19:12,950 --> 01:19:11,159

together it's like certain things start

2288

01:19:15,350 --> 01:19:12,960

clicking you're like

2289

01:19:16,669 --> 01:19:15,360

and Peter levanda and Tom DeLong in the

2290

01:19:18,350 --> 01:19:16,679

last book they put out to like certain

2291

01:19:20,810 --> 01:19:18,360

things on this planet do not make sense

2292

01:19:22,130 --> 01:19:20,820

something feels off I think a lot of

2293

01:19:23,750 --> 01:19:22,140

people have thought that this does not

2294

01:19:26,630 --> 01:19:23,760

seem right there are people starving on

2295

01:19:28,910 --> 01:19:26,640

this planet we have billionaires yeah it

2296

01:19:31,790 --> 01:19:28,920

just doesn't make any sense to me no

2297

01:19:34,729 --> 01:19:31,800

completely I completely agree well uh

2298

01:19:35,990 --> 01:19:34,739

Joe thank you so much for this amazing

2299

01:19:37,850 --> 01:19:36,000

conversation

2300

01:19:39,649 --> 01:19:37,860

um for anybody that may be watching or

2301

01:19:41,990 --> 01:19:39,659

listening now or in the future if you

2302

01:19:43,850 --> 01:19:42,000

don't follow Joe all of his links are in

2303

01:19:45,890 --> 01:19:43,860

the description below you follow me on

2304

01:19:47,570 --> 01:19:45,900

Twitter he's got his own blog site and

2305

01:19:50,270 --> 01:19:47,580

and other things as well please please

2306

01:19:52,490 --> 01:19:50,280

please go and follow Joe

2307

01:19:54,770 --> 01:19:52,500

um yeah you won't be disappointed the

2308

01:19:57,050 --> 01:19:54,780

the work he puts in on Twitter is is

2309

01:19:58,729 --> 01:19:57,060

second to none uh it's it's always

2310

01:20:00,169 --> 01:19:58,739

highly appreciated and I know a lot of

2311

01:20:03,229 --> 01:20:00,179

people go that way for for their

2312

01:20:05,030 --> 01:20:03,239

information so Joe thank you so much

2313

01:20:07,370 --> 01:20:05,040

um to everyone in the chat thank you

2314

01:20:09,229 --> 01:20:07,380

again as always for for keeping it nice

2315

01:20:11,149 --> 01:20:09,239

cool calm and collected I really

2316

01:20:12,770 --> 01:20:11,159

appreciate it everybody listening on the

2317

01:20:15,890 --> 01:20:12,780

Anonymous podcast Network in the future

2318

01:20:17,209 --> 01:20:15,900

thank you for tuning in I will be I

2319

01:20:19,070 --> 01:20:17,219

think I'm having next week off I'm gonna

2320

01:20:21,350 --> 01:20:19,080

have a little vacation

2321

01:20:23,570 --> 01:20:21,360

um I might release something if it's

2322

01:20:25,370 --> 01:20:23,580

edited by then maybe not if not I'll see

2323

01:20:27,590 --> 01:20:25,380

you the week after but guys thank you

2324

01:20:28,370 --> 01:20:27,600

once again and we'll see you soon take
