00:00:08,570 --> 00:00:06,190

[Music]

2
00:00:16,990 --> 00:00:08,580

one realizes very quickly we've been

3
00:00:17,000 --> 00:00:25,370

I had access to to all those programs

4
00:00:43,369 --> 00:00:28,310

[Music]

5
00:00:45,410 --> 00:00:43,379

40 feet long no windows no no real wings

6
00:00:47,690 --> 00:00:45,420

or control surfaces no obvious signs of

7
00:00:49,369 --> 00:00:47,700

propulsion and yet this object is

8
00:00:53,630 --> 00:00:49,379

witnessed Now by four separate

9
00:01:03,349 --> 00:01:01,250

[Music]

10
00:01:07,070 --> 00:01:03,359

welcome back everybody

11
00:01:08,870 --> 00:01:07,080

good to be here and before we bring on

12
00:01:10,850 --> 00:01:08,880

my guest we'll just go over the usual

13
00:01:13,190 --> 00:01:10,860

things uh everyone in the chat if you do

14

00:01:14,630 --> 00:01:13,200

have any questions throughout the uh the

15

00:01:16,130 --> 00:01:14,640

interview if you could just pop them in

16

00:01:18,230 --> 00:01:16,140

capital letters that gives me a better

17

00:01:19,609 --> 00:01:18,240

chance of seeing them I can't guarantee

18

00:01:21,469 --> 00:01:19,619

I'll get around to them because I do

19

00:01:23,149 --> 00:01:21,479

have quite a lot that I've already um

20

00:01:24,950 --> 00:01:23,159

pulled in from social media and things

21

00:01:27,649 --> 00:01:24,960

like that but you know I'll do my best

22

00:01:30,530 --> 00:01:27,659

and please keep the chat you know nice

23

00:01:32,270 --> 00:01:30,540

and calm let's not have any drama we can

24

00:01:34,190 --> 00:01:32,280

all have differences of opinion if needs

25

00:01:37,429 --> 00:01:34,200

be but we can still be polite and

26

00:01:39,109 --> 00:01:37,439

courteous about it so

27

00:01:40,609 --> 00:01:39,119

um one thing I will say is James just

28

00:01:42,289 --> 00:01:40,619

joined me a few minutes ago and my

29

00:01:43,850 --> 00:01:42,299

internet just suddenly dropped out I

30

00:01:45,890 --> 00:01:43,860

have a really strong

31

00:01:47,510 --> 00:01:45,900

powerful internet connection I don't

32

00:01:49,910 --> 00:01:47,520

know what happened if it happens again

33

00:01:52,010 --> 00:01:49,920

my apologies we would just have to work

34

00:01:53,149 --> 00:01:52,020

with it I'm hoping it was just a one-off

35

00:01:55,310 --> 00:01:53,159

glitch

36

00:01:57,170 --> 00:01:55,320

but yeah that's about it guys let's jump

37

00:01:58,789 --> 00:01:57,180

straight into it um my guest today is

38

00:02:01,130 --> 00:01:58,799

James foxy has been highly influential

39

00:02:04,190 --> 00:02:01,140

uh over the years for me personally in

40

00:02:05,630 --> 00:02:04,200

my early days watching his documentaries

41

00:02:07,190 --> 00:02:05,640

um it really made me start asking some

42

00:02:10,070 --> 00:02:07,200

of some of the questions that then led

43

00:02:13,130 --> 00:02:10,080

me into to more research so you know

44

00:02:15,949 --> 00:02:13,140

that's uh just amazing so anyway let's

45

00:02:17,809 --> 00:02:15,959

get to it please welcome James Fox hey

46

00:02:21,110 --> 00:02:17,819

James how are you thanks for having me

47

00:02:23,510 --> 00:02:21,120

on yeah it's my pleasure it's it's funny

48

00:02:25,070 --> 00:02:23,520

you know when you when you said that you

49

00:02:28,010 --> 00:02:25,080

know the films out of the blue and I

50

00:02:30,710 --> 00:02:28,020

know what I saw had had uh inspired you

51

00:02:32,570 --> 00:02:30,720

and and uh that's it's a that's a

52

00:02:35,150 --> 00:02:32,580

beautiful thing to hear you know I I

53

00:02:37,130 --> 00:02:35,160

never try to pound my drum and get

54

00:02:39,170 --> 00:02:37,140

people to join my Cult of Believers I I

55

00:02:41,449 --> 00:02:39,180

it's not where I come from do you know

56

00:02:43,009 --> 00:02:41,459

what I mean but I know if yeah but I do

57

00:02:45,710 --> 00:02:43,019

feel there's enough compelling evidence

58

00:02:46,729 --> 00:02:45,720

that tells an extraordinary story that

59

00:02:48,650 --> 00:02:46,739

um

60

00:02:50,030 --> 00:02:48,660

perhaps we're not alone and so that's

61

00:02:51,830 --> 00:02:50,040

what kind of keeps me going and it's

62

00:02:54,710 --> 00:02:51,840

nice that other people are picking up on

63

00:02:56,330 --> 00:02:54,720

that because it's uh you know it's kind

64

00:02:58,070 --> 00:02:56,340

of a big deal

65

00:02:59,509 --> 00:02:58,080

I agree completely and that's the thing

66

00:03:02,089 --> 00:02:59,519

it was watching those documentaries

67

00:03:03,650 --> 00:03:02,099

which left me with so many questions so

68

00:03:05,750 --> 00:03:03,660

that's when I spent a lot you know a lot

69

00:03:08,630 --> 00:03:05,760

of time trolling document archives just

70

00:03:09,949 --> 00:03:08,640

seeing if I can add to that Curiosity uh

71

00:03:12,589 --> 00:03:09,959

and maybe answer some of those questions

72

00:03:14,089 --> 00:03:12,599

and here I am over a decade later still

73

00:03:14,690 --> 00:03:14,099

asking the questions

74

00:03:16,449 --> 00:03:14,700

um

75

00:03:19,729 --> 00:03:16,459

and I love it and I'm not going to stop

76

00:03:20,710 --> 00:03:19,739

well here I am almost three decades

77

00:03:23,089 --> 00:03:20,720

later

78

00:03:24,530 --> 00:03:23,099

and I'm still asking the question that

79

00:03:27,070 --> 00:03:24,540

I'm still like

80

00:03:30,470 --> 00:03:27,080

I don't really know

81

00:03:32,509 --> 00:03:30,480

what the hell's going on oh yeah

82

00:03:34,550 --> 00:03:32,519

absolutely now it's been what about a

83

00:03:36,170 --> 00:03:34,560

month since the release uh the global

84

00:03:37,790 --> 00:03:36,180

release of moment of contact and I guess

85

00:03:39,890 --> 00:03:37,800

the first question would have been how's

86

00:03:42,110 --> 00:03:39,900

it been received um and are you happy

87

00:03:45,890 --> 00:03:42,120

with with that

88

00:03:46,670 --> 00:03:45,900

you know I was a little

89

00:03:48,729 --> 00:03:46,680

um

90

00:03:55,670 --> 00:03:48,739

I wouldn't say reluctant I was a little

91

00:03:58,970 --> 00:03:55,680

uh concerned that this story was a bit

92

00:04:00,589 --> 00:03:58,980

of a far stretch

93

00:04:02,690 --> 00:04:00,599

um because I know

94

00:04:04,009 --> 00:04:02,700

when I heard about it I was making out

95

00:04:06,050 --> 00:04:04,019

of the blue

96

00:04:08,869 --> 00:04:06,060

and it was late 90s and it was my second

97

00:04:11,570 --> 00:04:08,879

documentary I was working on

98

00:04:13,190 --> 00:04:11,580

and my fellow co-producer this guy Tim

99

00:04:15,110 --> 00:04:13,200

Coleman he's British

100

00:04:16,670 --> 00:04:15,120

he was like oh mate you know I've got to

101

00:04:18,650 --> 00:04:16,680

look into this case and it happened in

102

00:04:21,289 --> 00:04:18,660

Brazil just a couple years ago you know

103

00:04:22,790 --> 00:04:21,299

and this UFO crashes and the aliens are

104

00:04:24,290 --> 00:04:22,800

walking through the town I looked at him

105

00:04:26,030 --> 00:04:24,300

and I said dim

106

00:04:28,150 --> 00:04:26,040

I might have picked the wrong partner

107

00:04:31,189 --> 00:04:28,160

here I don't know

108

00:04:34,249 --> 00:04:31,199

but uh go sell crazy somewhere else and

109

00:04:36,890 --> 00:04:34,259

I I shut it down faster than you can say

110

00:04:39,890 --> 00:04:36,900

howdy Duty I mean I'm not kidding you so

111

00:04:43,790 --> 00:04:39,900

I know as someone who is making

112

00:04:45,590 --> 00:04:43,800

documentaries on the UFO topic or UAP at

113

00:04:48,230 --> 00:04:45,600

this point

114

00:04:50,270 --> 00:04:48,240

how quickly I dismissed it so I knew

115

00:04:51,710 --> 00:04:50,280

kind of what I was up against and I was

116

00:04:53,749 --> 00:04:51,720

putting my reputation a little on the

117

00:04:54,650 --> 00:04:53,759

line

118

00:04:56,270 --> 00:04:54,660

um

119

00:04:58,610 --> 00:04:56,280

but

120

00:04:59,990 --> 00:04:58,620

I think overall

121

00:05:02,150 --> 00:05:00,000

I don't think I could have put this film

122

00:05:05,450 --> 00:05:02,160

out 10 years ago I think after the the

123

00:05:07,550 --> 00:05:05,460

2017 New York Times article and the UAP

124

00:05:09,830 --> 00:05:07,560

task force and there's been mention of

125

00:05:11,570 --> 00:05:09,840

recovered debris not a lot but there

126

00:05:14,450 --> 00:05:11,580

have been mention of cover recovered

127

00:05:17,090 --> 00:05:14,460

debris and things of that nature uh in

128

00:05:18,650 --> 00:05:17,100

mainstream Outlets with high-level

129

00:05:23,050 --> 00:05:18,660

government and military officials

130

00:05:25,790 --> 00:05:23,060

discussing this stuff uh that

131

00:05:30,050 --> 00:05:25,800

I guess the climate is

132

00:05:33,590 --> 00:05:30,060

as best as it's ever been but still

133

00:05:34,610 --> 00:05:33,600

you know it's a tall tale I mean uh I

134

00:05:35,810 --> 00:05:34,620

wouldn't have put it out there if I

135

00:05:37,370 --> 00:05:35,820

didn't believe it didn't it actually

136

00:05:38,810 --> 00:05:37,380

happened I wouldn't have spent 12 years

137

00:05:40,370 --> 00:05:38,820

making it if I didn't believe it

138

00:05:43,010 --> 00:05:40,380

happened

139

00:05:44,629 --> 00:05:43,020

um but but here we are and moment of

140

00:05:47,270 --> 00:05:44,639

contact is out there and I think overall

141

00:05:50,510 --> 00:05:47,280

it's got great reviews uh we were the

142

00:05:52,749 --> 00:05:50,520

number one film and independent film on

143

00:05:56,150 --> 00:05:52,759

uh on the platforms for

144

00:05:58,490 --> 00:05:56,160

uh 10 consecutive days

145

00:06:00,050 --> 00:05:58,500

um and that was encouraging

146

00:06:01,850 --> 00:06:00,060

um but you know we'll time will tell and

147

00:06:04,070 --> 00:06:01,860

I think this is a story that's unfolding

148

00:06:05,810 --> 00:06:04,080

it's developing there are more people

149

00:06:07,430 --> 00:06:05,820

coming forward there certainly have been

150

00:06:09,529 --> 00:06:07,440

in Brazil and we'd really look forward

151
00:06:12,110 --> 00:06:09,539
to seeing that in the United States

152
00:06:14,029 --> 00:06:12,120
excellent yeah and congratulations and I

153
00:06:15,710 --> 00:06:14,039
think one thing that's maybe difficult

154
00:06:17,990 --> 00:06:15,720
with it is that it does rely on witness

155
00:06:20,390 --> 00:06:18,000
testimony you know for the majority of

156
00:06:22,129 --> 00:06:20,400
it everybody would love to see proof and

157
00:06:24,170 --> 00:06:22,139
evidence uh you know and it's been

158
00:06:25,930 --> 00:06:24,180
discussed and we'll get to that a little

159
00:06:28,249 --> 00:06:25,940
bit later on so you know I understand

160
00:06:32,290 --> 00:06:28,259
there's nobody out there that wants that

161
00:06:32,300 --> 00:06:38,529
I know how you know we're yeah

162
00:06:42,890 --> 00:06:41,029
we'll discuss that slightly a little bit

163
00:06:45,050 --> 00:06:42,900

later on but I'd like to just go over a

164

00:06:47,270 --> 00:06:45,060

bit of the actual case the Virginia case

165

00:06:48,650 --> 00:06:47,280

itself and one thing that I'd like to

166

00:06:51,170 --> 00:06:48,660

know is how much media interest there

167

00:06:53,689 --> 00:06:51,180

was around the case back in 1996 not

168

00:06:58,430 --> 00:06:53,699

just in Brazil but sort of globally

169

00:07:00,710 --> 00:06:58,440

it had a pretty big impact uh globally a

170

00:07:03,290 --> 00:07:00,720

little impact in the United States a

171

00:07:07,370 --> 00:07:03,300

couple of researchers uh got noticed

172

00:07:09,230 --> 00:07:07,380

John Mack uh Dr Roger Lear there was an

173

00:07:12,290 --> 00:07:09,240

article written in the Wall Street

174

00:07:13,249 --> 00:07:12,300

Journal by a guy named Matt Moffett he

175

00:07:15,290 --> 00:07:13,259

kind of

176

00:07:17,029 --> 00:07:15,300

it's a silly it's a bit of a silly

177

00:07:18,650 --> 00:07:17,039

article overall but it was still an

178

00:07:20,390 --> 00:07:18,660

article in the Wall Street Journal but

179

00:07:21,950 --> 00:07:20,400

apart from that in the United States it

180

00:07:25,029 --> 00:07:21,960

didn't get a lot of attention I think

181

00:07:27,890 --> 00:07:25,039

there were a lot of high-level

182

00:07:29,150 --> 00:07:27,900

U.S researchers like John Mack I'd

183

00:07:31,249 --> 00:07:29,160

mentioned earlier

184

00:07:33,710 --> 00:07:31,259

that were taking it seriously and and

185

00:07:35,570 --> 00:07:33,720

sticking their teeth into it but uh it

186

00:07:38,890 --> 00:07:35,580

hasn't gotten a lot of exposure in the

187

00:07:43,370 --> 00:07:38,900

United States at all in fact a lot of

188

00:07:46,189 --> 00:07:43,380

American researchers and and enthusiasts

189

00:07:48,110 --> 00:07:46,199

said are you sure you want to spend time

190

00:07:50,870 --> 00:07:48,120

on the Virginia case I don't know about

191

00:07:52,909 --> 00:07:50,880

that one you know and I said well you

192

00:07:55,189 --> 00:07:52,919

know we'll see I I think there's

193

00:07:57,650 --> 00:07:55,199

something going on and I went at it and

194

00:07:59,749 --> 00:07:57,660

back and forth multiple times over a

195

00:08:01,189 --> 00:07:59,759

12-year period to Brazil and now I'm

196

00:08:04,129 --> 00:08:01,199

absolutely convinced it happened and

197

00:08:07,730 --> 00:08:04,139

look I don't expect your audience to

198

00:08:09,830 --> 00:08:07,740

believe it I wouldn't but I do say

199

00:08:11,450 --> 00:08:09,840

listen to the eyewitness testimony and

200

00:08:13,790 --> 00:08:11,460

we were talking like the vast majority

201
00:08:16,129 --> 00:08:13,800
of people in the town of Virginia heard

202
00:08:18,110 --> 00:08:16,139
something saw something knew someone who

203
00:08:21,290 --> 00:08:18,120
saw something you know from military

204
00:08:23,089 --> 00:08:21,300
blockades to the threats to the creature

205
00:08:24,710 --> 00:08:23,099
in broad daylight you know how many

206
00:08:27,830 --> 00:08:24,720
people do you know or how many cases do

207
00:08:30,110 --> 00:08:27,840
you know where multiple eyewitnesses

208
00:08:33,889 --> 00:08:30,120
see a creature from eight to ten feet

209
00:08:36,829 --> 00:08:33,899
away in broad daylight alive a sentient

210
00:08:38,630 --> 00:08:36,839
being right and you've got reports from

211
00:08:40,130 --> 00:08:38,640
the fire department you got reports from

212
00:08:42,290 --> 00:08:40,140
the police department you got reports

213
00:08:44,029 --> 00:08:42,300

from the the military the Brazilian

214

00:08:46,550 --> 00:08:44,039

military you got reports from citizens

215

00:08:47,870 --> 00:08:46,560

doctors like it's all there

216

00:08:49,670 --> 00:08:47,880

you know

217

00:08:52,490 --> 00:08:49,680

um and it makes a very compelling story

218

00:08:54,889 --> 00:08:52,500

that something crashed and there were

219

00:08:56,870 --> 00:08:54,899

occupants recovered I I believe that but

220

00:08:58,790 --> 00:08:56,880

yes wouldn't it be great to have that

221

00:09:01,190 --> 00:08:58,800

definitive piece of evidence

222

00:09:02,930 --> 00:09:01,200

um photographic evidence

223

00:09:05,630 --> 00:09:02,940

documentation

224

00:09:07,250 --> 00:09:05,640

from the Brazilians and it would be

225

00:09:09,410 --> 00:09:07,260

great believe me it'd be great excuse me

226

00:09:11,570 --> 00:09:09,420

I'm sipping on some coffee oh no problem

227

00:09:13,490 --> 00:09:11,580

at all um you know we heard early on in

228

00:09:15,470 --> 00:09:13,500

the documentary the commander Commanding

229

00:09:17,090 --> 00:09:15,480

General at the time was just denying the

230

00:09:19,670 --> 00:09:17,100

whole thing yet we've seen so many

231

00:09:21,650 --> 00:09:19,680

military Witnesses come forward and AJ

232

00:09:23,389 --> 00:09:21,660

Javad considers this the most well-kept

233

00:09:26,509 --> 00:09:23,399

secret in the military Circles of Brazil

234

00:09:28,610 --> 00:09:26,519

I mean have you spoken much with AJ

235

00:09:30,230 --> 00:09:28,620

um about his involvement over the years

236

00:09:32,150 --> 00:09:30,240

in the case and has he helped sort of

237

00:09:35,090 --> 00:09:32,160

you in the process

238

00:09:37,250 --> 00:09:35,100

there were three primary investigators

239

00:09:41,269 --> 00:09:37,260

on this case claudiocovo Brazilian

240

00:09:43,610 --> 00:09:41,279

engineer UFO researcher uh uberjada

241

00:09:46,250 --> 00:09:43,620

Rodriguez he was a lawyer a high level

242

00:09:48,730 --> 00:09:46,260

lawyer in the town of Virginia also UFO

243

00:09:51,410 --> 00:09:48,740

investigator and this guy Victor

244

00:09:53,329 --> 00:09:51,420

pekachini who's also Brazilian who is

245

00:09:54,949 --> 00:09:53,339

living in time at the time in the state

246

00:09:57,590 --> 00:09:54,959

of Minnesota which is where all this

247

00:10:00,410 --> 00:09:57,600

stuff took place there was also AJ

248

00:10:02,389 --> 00:10:00,420

javard and a handful of others but the

249

00:10:05,150 --> 00:10:02,399

three primary researchers were

250

00:10:07,790 --> 00:10:05,160

claudiocovo Luba dejara Rodriguez and

251
00:10:11,150 --> 00:10:07,800
packagini and I

252
00:10:13,030 --> 00:10:11,160
I have taken their private so let's see

253
00:10:15,730 --> 00:10:13,040
how do I say this

254
00:10:19,430 --> 00:10:15,740
claudiocovo died

255
00:10:21,050 --> 00:10:19,440
Rodriguez and think in 2005 or 2006

256
00:10:22,970 --> 00:10:21,060
right after his book came out regarding

257
00:10:26,389 --> 00:10:22,980
this case and he's all over the archival

258
00:10:27,889 --> 00:10:26,399
footage in the film and uh he did a 180

259
00:10:29,690 --> 00:10:27,899
and he refused to even talk about the

260
00:10:32,389 --> 00:10:29,700
case anymore

261
00:10:33,889 --> 00:10:32,399
um takachini disappeared for 18 years

262
00:10:35,750 --> 00:10:33,899
because apparently because of the

263
00:10:36,889 --> 00:10:35,760

threats and I kept when we were in

264

00:10:39,350 --> 00:10:36,899

Brazil I was like where is this guy

265

00:10:42,650 --> 00:10:39,360

packaging where is Uber ajara Colonial

266

00:10:45,110 --> 00:10:42,660

kovil I knew had passed and and um

267

00:10:47,269 --> 00:10:45,120

pakachini

268

00:10:48,829 --> 00:10:47,279

disappeared like I said for 18 years he

269

00:10:50,690 --> 00:10:48,839

just resurfaced

270

00:10:54,410 --> 00:10:50,700

as this film was about to come out for

271

00:10:56,630 --> 00:10:54,420

the first time in 18 years and um and

272

00:10:58,310 --> 00:10:56,640

he's made some pretty startling uh Revel

273

00:11:00,350 --> 00:10:58,320

or shared some pretty startling

274

00:11:03,050 --> 00:11:00,360

Revelations regarding his involvement

275

00:11:05,990 --> 00:11:03,060

the threats he experienced the 35 second

276

00:11:08,269 --> 00:11:06,000

video that he was shown

277

00:11:10,190 --> 00:11:08,279

um who he has the name of and the

278

00:11:11,930 --> 00:11:10,200

location and all of that stuff and he

279

00:11:14,150 --> 00:11:11,940

describes in Vivid detail for the first

280

00:11:16,430 --> 00:11:14,160

time ever just a couple of weeks ago to

281

00:11:18,970 --> 00:11:16,440

the New York Post along with another

282

00:11:22,190 --> 00:11:18,980

eyewitness account about this alleged

283

00:11:24,110 --> 00:11:22,200

photographic evidence and so there are

284

00:11:26,569 --> 00:11:24,120

new aspects coming out

285

00:11:28,490 --> 00:11:26,579

I'm hoping that uh you know over time

286

00:11:29,750 --> 00:11:28,500

it'll just keep it'll just keep

287

00:11:32,269 --> 00:11:29,760

unraveling

288

00:11:35,030 --> 00:11:32,279

so you are you still in touch with him

289

00:11:36,829 --> 00:11:35,040

um pakachini you know just to see I'm

290

00:11:39,050 --> 00:11:36,839

into the latest I'm in touch with

291

00:11:40,850 --> 00:11:39,060

packaging every single day wow

292

00:11:42,889 --> 00:11:40,860

communicating every single day because

293

00:11:44,990 --> 00:11:42,899

there's there are efforts behind the

294

00:11:47,150 --> 00:11:45,000

scenes taking place we're very fortunate

295

00:11:52,430 --> 00:11:47,160

the packaging is back on board he was

296

00:11:55,550 --> 00:11:53,509

um

297

00:11:58,130 --> 00:11:55,560

let's just say pakachini had more

298

00:11:59,470 --> 00:11:58,140

traction on this case in 1996 than any

299

00:12:02,210 --> 00:11:59,480

other researcher

300

00:12:04,310 --> 00:12:02,220

he um he did some amazing things I'd

301
00:12:07,009 --> 00:12:04,320
have to let him share all the details

302
00:12:08,750 --> 00:12:07,019
but suffice to say you know a lot of the

303
00:12:10,610 --> 00:12:08,760
military people that we met with that

304
00:12:12,710 --> 00:12:10,620
refused to go on camera from the front

305
00:12:14,630 --> 00:12:12,720
and reveal their identity from just from

306
00:12:16,250 --> 00:12:14,640
the back and describes their voice they

307
00:12:18,949 --> 00:12:16,260
all knew him they all shared things with

308
00:12:20,630 --> 00:12:18,959
him he was in the loop with them back in

309
00:12:22,329 --> 00:12:20,640
1996.

310
00:12:24,530 --> 00:12:22,339
yeah I've been keeping my eye on this

311
00:12:26,030 --> 00:12:24,540
discussion about whether we're going to

312
00:12:27,829 --> 00:12:26,040
see any of this you know amazing

313
00:12:30,410 --> 00:12:27,839

evidence and sometimes it's looking

314

00:12:32,090 --> 00:12:30,420

positive other times it's like it sounds

315

00:12:34,130 --> 00:12:32,100

like people might be too scared or there

316

00:12:35,930 --> 00:12:34,140

might be repercussions so has it been

317

00:12:37,250 --> 00:12:35,940

like that since he's come back on the

318

00:12:39,530 --> 00:12:37,260

scene for the last few weeks has it been

319

00:12:41,990 --> 00:12:39,540

has there been ups and downs are those

320

00:12:43,790 --> 00:12:42,000

ups and downs you know I'm confident

321

00:12:46,430 --> 00:12:43,800

that it will come out the only question

322

00:12:50,449 --> 00:12:46,440

is when we're in touch with the people

323

00:12:52,190 --> 00:12:50,459

who have it it's just a question of when

324

00:12:52,910 --> 00:12:52,200

um not if

325

00:12:55,910 --> 00:12:52,920

um

326

00:12:57,590 --> 00:12:55,920

I'm told that they they distributed the

327

00:12:59,090 --> 00:12:57,600

photographic evidence far and wide they

328

00:13:01,850 --> 00:12:59,100

couldn't just go to one house and

329

00:13:04,550 --> 00:13:01,860

destroy it oh yeah they were yeah they

330

00:13:07,670 --> 00:13:04,560

sent it out broadcasted out so when the

331

00:13:10,190 --> 00:13:07,680

time is right maybe tomorrow maybe next

332

00:13:12,470 --> 00:13:10,200

year I really don't know I am told

333

00:13:15,170 --> 00:13:12,480

unequivocally that it will happen

334

00:13:17,329 --> 00:13:15,180

so so he knows the location of this but

335

00:13:18,889 --> 00:13:17,339

it also has been distributed so there's

336

00:13:20,269 --> 00:13:18,899

multiple versions and copies of it is

337

00:13:22,790 --> 00:13:20,279

what you're saying that's exactly right

338

00:13:26,030 --> 00:13:22,800

yeah wow that's really interesting so

339

00:13:27,850 --> 00:13:26,040

also backups yeah they're also in 1996

340

00:13:29,870 --> 00:13:27,860

there were statements given from

341

00:13:31,550 --> 00:13:29,880

gentlemen that were involved at the

342

00:13:34,250 --> 00:13:31,560

military operations from as a military

343

00:13:36,350 --> 00:13:34,260

base and they went on the record on

344

00:13:37,910 --> 00:13:36,360

camera and it was not to be released

345

00:13:40,430 --> 00:13:37,920

until 2030 but they went on the record

346

00:13:41,930 --> 00:13:40,440

on camera as a sort of security for them

347

00:13:44,090 --> 00:13:41,940

that if anything happened to them those

348

00:13:45,650 --> 00:13:44,100

tapes would be released

349

00:13:47,150 --> 00:13:45,660

and the military knew that and those

350

00:13:48,769 --> 00:13:47,160

tapes were distributed far and wide as

351

00:13:50,750 --> 00:13:48,779

well and I've seen them

352

00:13:52,250 --> 00:13:50,760

they're not excuse me they're not to be

353

00:13:55,610 --> 00:13:52,260

released now but I've seen those I've

354

00:13:57,829 --> 00:13:55,620

seen I've seen those days I'm like what

355

00:13:59,990 --> 00:13:57,839

do you mean I can't use this this is

356

00:14:02,090 --> 00:14:00,000

amazing

357

00:14:03,769 --> 00:14:02,100

yeah I mean I'm sure you've seen in the

358

00:14:05,090 --> 00:14:03,779

past few weeks as well and I noticed uh

359

00:14:06,410 --> 00:14:05,100

give a shout out to Ryan Sprague he's

360

00:14:07,910 --> 00:14:06,420

hearing the comments with the question I

361

00:14:08,870 --> 00:14:07,920

was just about to ask there are lots of

362

00:14:10,310 --> 00:14:08,880

other photographs that have been

363

00:14:12,110 --> 00:14:10,320

cropping up over the past few weeks

364

00:14:14,269 --> 00:14:12,120

claiming to be images of the Virginia

365

00:14:15,710 --> 00:14:14,279

creature have you generally been been

366

00:14:17,509 --> 00:14:15,720

looking at those and keeping an eye on

367

00:14:19,250 --> 00:14:17,519

things I mean I saw one pop up today and

368

00:14:21,470 --> 00:14:19,260

the person was adamant that that's

369

00:14:23,870 --> 00:14:21,480

everything so I asked for chain of

370

00:14:26,509 --> 00:14:23,880

custody I asked for all sorts and they

371

00:14:28,310 --> 00:14:26,519

just don't give it the moment I get

372

00:14:30,650 --> 00:14:28,320

anything like that and I can encourage

373

00:14:34,629 --> 00:14:30,660

people I you know I'm happy to give up

374

00:14:37,009 --> 00:14:34,639

my email it's James C Fox

375

00:14:39,410 --> 00:14:37,019

gmail.com and please

376

00:14:41,150 --> 00:14:39,420

don't you know write me some lengthy

377

00:14:42,410 --> 00:14:41,160

email regarding your sighting I'm

378

00:14:44,030 --> 00:14:42,420

tremendously interested in hearing about

379

00:14:46,670 --> 00:14:44,040

it but not now right now I got a laser

380

00:14:48,350 --> 00:14:46,680

focus on Virginia and if anybody has any

381

00:14:50,509 --> 00:14:48,360

leads or they have a they have a still

382

00:14:52,370 --> 00:14:50,519

frame of something I send it directly to

383

00:14:54,829 --> 00:14:52,380

my contacts in Brazil and make the

384

00:14:56,389 --> 00:14:54,839

determination whether it's it's uh fact

385

00:14:58,910 --> 00:14:56,399

or phony

386

00:15:00,470 --> 00:14:58,920

excellent there you go guys so you heard

387

00:15:02,090 --> 00:15:00,480

it here and I will if it's okay with

388

00:15:03,590 --> 00:15:02,100

James pop that email in the description

389

00:15:05,210 --> 00:15:03,600

below

390

00:15:06,889 --> 00:15:05,220

um and I might write a little statement

391

00:15:09,230 --> 00:15:06,899

just what you said there please don't

392

00:15:10,490 --> 00:15:09,240

send your big lengthy stories at this at

393

00:15:11,930 --> 00:15:10,500

this time

394

00:15:13,670 --> 00:15:11,940

um now the case obviously involves

395

00:15:16,069 --> 00:15:13,680

multiple events we've got the kind of

396

00:15:17,990 --> 00:15:16,079

the distressed craft we've got the crash

397

00:15:20,090 --> 00:15:18,000

itself and we've got the being so how

398

00:15:22,069 --> 00:15:20,100

did you go about deciding how much time

399

00:15:24,710 --> 00:15:22,079

to focus on each or did you just follow

400

00:15:26,389 --> 00:15:24,720

any lead that came in and also were

401
00:15:28,370 --> 00:15:26,399
there any dubious leads that came in

402
00:15:31,430 --> 00:15:28,380
that you were you really didn't want to

403
00:15:33,949 --> 00:15:31,440
go there not a single lead came in we

404
00:15:37,250 --> 00:15:33,959
tracked down all the witnesses not one

405
00:15:39,769 --> 00:15:37,260
person approached us not one in fact the

406
00:15:44,990 --> 00:15:39,779
vast majority of eyewitnesses took years

407
00:15:48,170 --> 00:15:45,000
and years of of of haggling with and

408
00:15:49,970 --> 00:15:48,180
massaging you know relations with

409
00:15:51,650 --> 00:15:49,980
um military X

410
00:15:52,910 --> 00:15:51,660
he said all the amount of money in the

411
00:15:55,069 --> 00:15:52,920
world will not get me to come forward

412
00:15:58,009 --> 00:15:55,079
that's never going to happen but we kept

413
00:16:00,170 --> 00:15:58,019

at it we kept at it we kept at it Marco

414

00:16:02,150 --> 00:16:00,180

Leal deserves tremendous credit for all

415

00:16:06,410 --> 00:16:02,160

of his work groundwork and in the area

416

00:16:08,269 --> 00:16:06,420

uh Marco Laos is is the star of this of

417

00:16:11,689 --> 00:16:08,279

this film I mean he really

418

00:16:13,550 --> 00:16:11,699

spent a lot of time in his even his own

419

00:16:15,230 --> 00:16:13,560

families like son come back to come back

420

00:16:17,930 --> 00:16:15,240

to planet Earth what are you doing

421

00:16:19,550 --> 00:16:17,940

chasing this crazy story down you know

422

00:16:22,189 --> 00:16:19,560

and um

423

00:16:24,829 --> 00:16:22,199

so we we we tracked them down in some

424

00:16:25,970 --> 00:16:24,839

cases like for instance Dr X who he's

425

00:16:29,269 --> 00:16:25,980

filmed for the backside he took the

426

00:16:30,829 --> 00:16:29,279

x-rays that guy we found I think eight

427

00:16:33,530 --> 00:16:30,839

years ago he was still working for the

428

00:16:35,090 --> 00:16:33,540

regional hospital and he's like yeah he

429

00:16:37,490 --> 00:16:35,100

confirmed the stories I'm never coming

430

00:16:39,370 --> 00:16:37,500

forward then he retired and four years

431

00:16:41,870 --> 00:16:39,380

after he retired Marco hit him up again

432

00:16:43,910 --> 00:16:41,880

and ultimately got him to come forward

433

00:16:45,410 --> 00:16:43,920

for the first time ever military acts

434

00:16:47,329 --> 00:16:45,420

got him to come forward for the first

435

00:16:49,730 --> 00:16:47,339

time ever I could give

436

00:16:52,189 --> 00:16:49,740

a detailed account that would probably

437

00:16:55,310 --> 00:16:52,199

go on until the sun come up tomorrow

438

00:16:58,069 --> 00:16:55,320

morning uh you're in England so but

439

00:16:59,629 --> 00:16:58,079

sooner than me what It ultimately took

440

00:17:01,910 --> 00:16:59,639

to get him to come forward but suffice

441

00:17:03,769 --> 00:17:01,920

to say we did it so we didn't land

442

00:17:05,929 --> 00:17:03,779

everything that we tried to land but hey

443

00:17:08,329 --> 00:17:05,939

this is the first

444

00:17:12,890 --> 00:17:08,339

um I feel like we created a body of work

445

00:17:15,110 --> 00:17:12,900

that could present it to a a court uh

446

00:17:16,789 --> 00:17:15,120

and that would sway a jury that

447

00:17:19,130 --> 00:17:16,799

something indeed extraordinary took

448

00:17:20,929 --> 00:17:19,140

place there's just too many witnesses

449

00:17:22,610 --> 00:17:20,939

yeah and I suppose now you've got it out

450

00:17:24,530 --> 00:17:22,620

there the documentary I suppose it would

451
00:17:27,049 --> 00:17:24,540
pop up on a lot more people's radar so

452
00:17:29,450 --> 00:17:27,059
maybe that could have been the the next

453
00:17:31,669 --> 00:17:29,460
step in other people coming forward you

454
00:17:33,770 --> 00:17:31,679
know I mean I'm are there other are the

455
00:17:36,350 --> 00:17:33,780
names that you know are still alive and

456
00:17:38,390 --> 00:17:36,360
who might know something that you

457
00:17:40,490 --> 00:17:38,400
haven't been able to track down or have

458
00:17:42,049 --> 00:17:40,500
refused to talk and you're but you you

459
00:17:45,250 --> 00:17:42,059
feel like that they might come out soon

460
00:17:48,350 --> 00:17:45,260
or or in the near future

461
00:17:50,210 --> 00:17:48,360
yeah to answer your question yes and and

462
00:17:51,830 --> 00:17:50,220
like for instance the firemen that were

463
00:17:54,529 --> 00:17:51,840

involved in the first capture on the

464

00:17:56,390 --> 00:17:54,539

January 20th we have actually videotaped

465

00:17:57,770 --> 00:17:56,400

statements from them but we were not to

466

00:17:58,850 --> 00:17:57,780

be they were not to be released in the

467

00:18:00,110 --> 00:17:58,860

film

468

00:18:02,990 --> 00:18:00,120

um that were directly involved with the

469

00:18:04,850 --> 00:18:03,000

capture of the first creature uh we have

470

00:18:06,710 --> 00:18:04,860

other statements from other people that

471

00:18:08,990 --> 00:18:06,720

will remain anonymous that confirm the

472

00:18:10,250 --> 00:18:09,000

events of the second capture uh so we

473

00:18:12,230 --> 00:18:10,260

felt quite comfortable everything was

474

00:18:14,150 --> 00:18:12,240

accurate we worked behind the scenes

475

00:18:16,730 --> 00:18:14,160

with some researchers with some former

476

00:18:18,590 --> 00:18:16,740

military Brazilian military people

477

00:18:22,010 --> 00:18:18,600

um I even sent this out

478

00:18:23,630 --> 00:18:22,020

months and months ago to some people uh

479

00:18:25,669 --> 00:18:23,640

within the intelligence community in the

480

00:18:27,950 --> 00:18:25,679

United States and and not one of them

481

00:18:29,230 --> 00:18:27,960

said this didn't happen

482

00:18:31,549 --> 00:18:29,240

wow

483

00:18:35,029 --> 00:18:31,559

I felt pretty confident that we were on

484

00:18:36,350 --> 00:18:35,039

the right path and I still do

485

00:18:37,430 --> 00:18:36,360

you mentioned recently as well that

486

00:18:39,350 --> 00:18:37,440

you've got you know you've obviously got

487

00:18:40,669 --> 00:18:39,360

sources within within the government and

488

00:18:42,049 --> 00:18:40,679

the intelligence Community but you

489

00:18:43,850 --> 00:18:42,059

mentioned that you you'd spoken to

490

00:18:45,830 --> 00:18:43,860

someone recently in the UAP task force

491

00:18:47,390 --> 00:18:45,840

who said that the timing was good for

492

00:18:48,770 --> 00:18:47,400

the release of the documentary and that

493

00:18:50,990 --> 00:18:48,780

possibly something would be coming at

494

00:18:53,090 --> 00:18:51,000

the end of October which has now passed

495

00:18:54,830 --> 00:18:53,100

has there any updates on that have you

496

00:18:56,630 --> 00:18:54,840

spoke to this person and said what's

497

00:18:58,730 --> 00:18:56,640

happening the updates I'm getting is

498

00:19:00,950 --> 00:18:58,740

that it's coming it's been delayed that

499

00:19:04,850 --> 00:19:00,960

it's coming is this the UAP report

500

00:19:07,789 --> 00:19:04,860

that's been um it was something you know

501
00:19:11,510 --> 00:19:07,799
the language that he used wasn't

502
00:19:13,070 --> 00:19:11,520
definitive but it gave me the impression

503
00:19:21,409 --> 00:19:13,080
that

504
00:19:22,850 --> 00:19:21,419
crash retrievals was was was spot on so

505
00:19:28,029 --> 00:19:22,860
we'll see

506
00:19:30,169 --> 00:19:28,039
feeling a little bit lonely out here

507
00:19:31,610 --> 00:19:30,179
I mean I feel like I've kind of put my

508
00:19:33,230 --> 00:19:31,620
credibility on the line you know I mean

509
00:19:34,850 --> 00:19:33,240
the last film The phenomenon I had a lot

510
00:19:37,310 --> 00:19:34,860
of back I had a lot of backup I had

511
00:19:39,350 --> 00:19:37,320
former Senate Majority Leader Harry Reid

512
00:19:41,270 --> 00:19:39,360
I had former deputy assistant secretary

513
00:19:43,130 --> 00:19:41,280

of defense for intelligence Christopher

514

00:19:45,169 --> 00:19:43,140

Mellon I had you know Lou Elizondo

515

00:19:47,090 --> 00:19:45,179

publicly endorsing the film

516

00:19:49,909 --> 00:19:47,100

and the list just goes on and on and on

517

00:19:51,770 --> 00:19:49,919

right sure with this with this this one

518

00:19:54,049 --> 00:19:51,780

round there's been a lot of chatter

519

00:19:55,730 --> 00:19:54,059

behind the scenes but so far there have

520

00:19:56,990 --> 00:19:55,740

been very few people in in that

521

00:19:58,370 --> 00:19:57,000

community that are willing to come

522

00:19:59,750 --> 00:19:58,380

forward and say this thing happened I

523

00:20:02,510 --> 00:19:59,760

don't really blame them quite honestly I

524

00:20:03,830 --> 00:20:02,520

mean it's it's a pretty uh it's a pretty

525

00:20:06,590 --> 00:20:03,840

out there story

526

00:20:08,330 --> 00:20:06,600

and I think that this is just I think

527

00:20:11,330 --> 00:20:08,340

this film is

528

00:20:12,950 --> 00:20:11,340

this story is just gaining traction and

529

00:20:16,669 --> 00:20:12,960

I think it'll just it's a developing

530

00:20:17,990 --> 00:20:16,679

ongoing thing and um I'm absolutely

531

00:20:18,650 --> 00:20:18,000

convinced look when I did out of the

532

00:20:20,810 --> 00:20:18,660

blue

533

00:20:23,029 --> 00:20:20,820

the first version

534

00:20:25,010 --> 00:20:23,039

we had lots of

535

00:20:28,909 --> 00:20:25,020

of

536

00:20:31,850 --> 00:20:28,919

information eyewitness testimony on the

537

00:20:33,590 --> 00:20:31,860

infamous Phoenix Lights uh if you call

538

00:20:35,810 --> 00:20:33,600

it Phoenix Lights people will say no

539

00:20:37,850 --> 00:20:35,820

it's the massive UFO flyover but it's

540

00:20:40,730 --> 00:20:37,860

coming over to is the you know the

541

00:20:42,049 --> 00:20:40,740

January 13th 1997 Phoenix Lights

542

00:20:43,789 --> 00:20:42,059

but it was a massive boomerang

543

00:20:46,370 --> 00:20:43,799

shakecraft

544

00:20:48,710 --> 00:20:46,380

um more information like significant

545

00:20:50,690 --> 00:20:48,720

information came out over the years

546

00:20:53,690 --> 00:20:50,700

after that first version of out of the

547

00:20:55,190 --> 00:20:53,700

blue and I revised out of the blue and I

548

00:20:57,710 --> 00:20:55,200

put in the governor I put in all this

549

00:20:59,690 --> 00:20:57,720

additional eyewitness testimony

550

00:21:01,850 --> 00:20:59,700

um I even put in some videotaped

551
00:21:04,430 --> 00:21:01,860
evidence I think that came in that might

552
00:21:07,190 --> 00:21:04,440
have come in with I know what I saw yeah

553
00:21:08,150 --> 00:21:07,200
excuse me but in any case my point is is

554
00:21:09,650 --> 00:21:08,160
that

555
00:21:11,330 --> 00:21:09,660
you put something out in the world hey

556
00:21:13,610 --> 00:21:11,340
look well we like that definitive piece

557
00:21:15,409 --> 00:21:13,620
of evidence well we like a a piece of

558
00:21:18,169 --> 00:21:15,419
documentation from the US government you

559
00:21:20,150 --> 00:21:18,179
damn right we would but am I quitting

560
00:21:22,130 --> 00:21:20,160
and just gonna move on to the next no of

561
00:21:25,190 --> 00:21:22,140
course not I mean this is a this will be

562
00:21:27,650 --> 00:21:25,200
ongoing and and believe me I'm

563
00:21:29,390 --> 00:21:27,660

um I'm not giving up anytime soon and uh

564

00:21:32,270 --> 00:21:29,400

we'll you know it'll it's it's coming

565

00:21:35,029 --> 00:21:32,280

out excellent I like I like that I I

566

00:21:37,610 --> 00:21:35,039

think any good case is always going to

567

00:21:38,930 --> 00:21:37,620

remain open look at Roswell what do we

568

00:21:41,029 --> 00:21:38,940

have on Roswell you have a lot more

569

00:21:44,270 --> 00:21:41,039

eyewitnesses on this case than you ever

570

00:21:46,430 --> 00:21:44,280

did on Roswell yeah you know so I mean

571

00:21:48,770 --> 00:21:46,440

we never other than that bogus Ray

572

00:21:50,510 --> 00:21:48,780

santilly footage that came out you never

573

00:21:52,430 --> 00:21:50,520

had any photographs of any aliens in

574

00:21:53,750 --> 00:21:52,440

Roswell and yet here we are all these

575

00:21:56,210 --> 00:21:53,760

years later and everyone's talking about

576

00:21:56,990 --> 00:21:56,220

it so you got to start somewhere you

577

00:21:59,810 --> 00:21:57,000

know

578

00:22:01,669 --> 00:21:59,820

no absolutely completely agree

579

00:22:03,890 --> 00:22:01,679

um just jumping back to the case and and

580

00:22:06,710 --> 00:22:03,900

obviously you'd spoken to the three

581

00:22:08,990 --> 00:22:06,720

girls in in Virginia before many years

582

00:22:12,770 --> 00:22:09,000

ago and then you know you repeated it in

583

00:22:14,390 --> 00:22:12,780

this uh in this documentary and

584

00:22:16,850 --> 00:22:14,400

you know they were I think they were the

585

00:22:19,370 --> 00:22:16,860

first to see the Creature if I'm right

586

00:22:21,950 --> 00:22:19,380

um but the crash had happened was it a

587

00:22:24,110 --> 00:22:21,960

week earlier yeah what are the theories

588

00:22:26,149 --> 00:22:24,120

on that time period that week leading up

589

00:22:29,090 --> 00:22:26,159

to the first sighting of the creature

590

00:22:31,850 --> 00:22:29,100

it's one of those aspects of this case

591

00:22:33,230 --> 00:22:31,860

it's a little bit ambiguous right um

592

00:22:36,289 --> 00:22:33,240

there's been speculation because I asked

593

00:22:38,750 --> 00:22:36,299

the very same question I did aerial

594

00:22:40,970 --> 00:22:38,760

photography with my drone looking

595

00:22:42,830 --> 00:22:40,980

straight down at all these different uh

596

00:22:45,289 --> 00:22:42,840

you know alleged you know the encounters

597

00:22:47,330 --> 00:22:45,299

the military blockades the alleged

598

00:22:49,250 --> 00:22:47,340

capture and you look at a certain

599

00:22:50,390 --> 00:22:49,260

proximity and then it's like okay well

600

00:22:52,610 --> 00:22:50,400

here's we got

601
00:22:53,990 --> 00:22:52,620
very compelling eyewitness testimony of

602
00:22:55,970 --> 00:22:54,000
an encounter with a strange creature

603
00:22:58,190 --> 00:22:55,980
then a couple blocks away you've got

604
00:23:00,230 --> 00:22:58,200
this other alleged capture with two

605
00:23:03,230 --> 00:23:00,240
military police officers Eric Lopes and

606
00:23:04,909 --> 00:23:03,240
and uh Marco Charisse

607
00:23:07,070 --> 00:23:04,919
um then you've got military blockades

608
00:23:09,110 --> 00:23:07,080
and you've got the people the family

609
00:23:11,870 --> 00:23:09,120
that if you remember this that scene

610
00:23:13,789 --> 00:23:11,880
where the family saw a flying disc yeah

611
00:23:15,710 --> 00:23:13,799
doing a grid search we have all that

612
00:23:18,169 --> 00:23:15,720
from the air we've captured but then

613
00:23:21,230 --> 00:23:18,179

inexplicably you've got the crash site

614

00:23:24,950 --> 00:23:21,240

which is I've heard six miles by the

615

00:23:26,750 --> 00:23:24,960

crow flies you know up to 10 miles

616

00:23:28,250 --> 00:23:26,760

um and some of the researchers said well

617

00:23:30,350 --> 00:23:28,260

there's some speculation there's a river

618

00:23:32,630 --> 00:23:30,360

that flows near the crash site and it

619

00:23:33,890 --> 00:23:32,640

winds up just a few blocks away from

620

00:23:36,710 --> 00:23:33,900

where the girls came into the counter

621

00:23:38,330 --> 00:23:36,720

did these things go in the river I don't

622

00:23:40,070 --> 00:23:38,340

know maybe

623

00:23:43,250 --> 00:23:40,080

um was there an escape pod I don't know

624

00:23:45,529 --> 00:23:43,260

maybe I really don't know and I'd I'd

625

00:23:47,390 --> 00:23:45,539

love to know you know and there's also

626
00:23:49,130 --> 00:23:47,400
sightings there were there were pretty

627
00:23:49,730 --> 00:23:49,140
good reports

628
00:23:51,710 --> 00:23:49,740
um

629
00:23:53,930 --> 00:23:51,720
regarding lots of other than the people

630
00:23:55,730 --> 00:23:53,940
people in the town that saw these

631
00:23:59,870 --> 00:23:55,740
strange creatures and none of the people

632
00:24:01,130 --> 00:23:59,880
in Virginia ever said alien or ET at the

633
00:24:03,710 --> 00:24:01,140
time they were like there's something

634
00:24:05,510 --> 00:24:03,720
really weird you know out here and

635
00:24:06,830 --> 00:24:05,520
they're calling the authorities they're

636
00:24:09,169 --> 00:24:06,840
calling the fire department they're

637
00:24:10,970 --> 00:24:09,179
calling the military police

638
00:24:15,350 --> 00:24:10,980

um it was it was a pretty chaotic scene

639

00:24:19,310 --> 00:24:17,390

and that area where the girls saw the

640

00:24:21,710 --> 00:24:19,320

being you know in the documentary we see

641

00:24:23,990 --> 00:24:21,720

this big sort of heavy door or gate with

642

00:24:26,930 --> 00:24:24,000

a lock on it was that more open back in

643

00:24:29,510 --> 00:24:26,940

1996 so it was sort of freak yeah same

644

00:24:30,830 --> 00:24:29,520

cinder block wall door was not locked it

645

00:24:33,549 --> 00:24:30,840

was more open and they were walking

646

00:24:35,930 --> 00:24:33,559

through that field at about 3 P.M

647

00:24:37,789 --> 00:24:35,940

Saturday I think it was on a Saturday a

648

00:24:41,029 --> 00:24:37,799

very hot Saturday January remember

649

00:24:43,850 --> 00:24:41,039

January in Brazil is summer so it was

650

00:24:46,250 --> 00:24:43,860

January 20th and these three girls it

651
00:24:49,909 --> 00:24:46,260
was uh Katya who was 21 and then the Two

652
00:24:52,490 --> 00:24:49,919
Sisters valkyria 14 and liliani who was

653
00:24:54,890 --> 00:24:52,500
16 and they were walking through that

654
00:24:56,810 --> 00:24:54,900
little field I guess the grass was maybe

655
00:24:59,570 --> 00:24:56,820
just below their knees

656
00:25:00,770 --> 00:24:59,580
and um they saw what they initially

657
00:25:02,630 --> 00:25:00,780
thought was

658
00:25:05,210 --> 00:25:02,640
some kind of

659
00:25:07,370 --> 00:25:05,220
statue or something that was kind of

660
00:25:09,049 --> 00:25:07,380
crouched next to the wall or looking at

661
00:25:10,970 --> 00:25:09,059
it like the hell is that

662
00:25:12,529 --> 00:25:10,980
and um

663
00:25:14,990 --> 00:25:12,539

they got a little closer and a little

664

00:25:17,750 --> 00:25:15,000

closer and then they got between eight

665

00:25:20,690 --> 00:25:17,760

to ten feet from this thing and I think

666

00:25:23,630 --> 00:25:20,700

one of the girls realized that it looked

667

00:25:26,510 --> 00:25:23,640

like it was alive and she let out a Yelp

668

00:25:28,250 --> 00:25:26,520

and at which point the creature turned

669

00:25:30,289 --> 00:25:28,260

and looked them right in the eyes it was

670

00:25:33,409 --> 00:25:30,299

sitting if you can still hear me here

671

00:25:35,390 --> 00:25:33,419

sure it was crouched

672

00:25:39,529 --> 00:25:35,400

against the wall with his hands between

673

00:25:40,970 --> 00:25:39,539

the legs feeble weak cowering it was

674

00:25:43,070 --> 00:25:40,980

just kind of crouched like this against

675

00:25:45,830 --> 00:25:43,080

the wall and when the girls

676
00:25:48,710 --> 00:25:45,840
screamed according to them

677
00:25:51,470 --> 00:25:48,720
all three of them the creature

678
00:25:54,049 --> 00:25:51,480
turned and looked them right in the eyes

679
00:25:57,230 --> 00:25:54,059
the two sisters valkyria

680
00:25:59,289 --> 00:25:57,240
and lydiani 14 and 16 grabbed each other

681
00:26:02,570 --> 00:25:59,299
and just hightailed it out of there

682
00:26:04,610 --> 00:26:02,580
Katya who's 21 was Frozen in her tracks

683
00:26:06,710 --> 00:26:04,620
locked eyes on this thing

684
00:26:09,890 --> 00:26:06,720
lilianni realizes she gets about 100

685
00:26:11,330 --> 00:26:09,900
feet down the path oh Jesus Katya is

686
00:26:13,730 --> 00:26:11,340
still there she's probably in imminent

687
00:26:15,470 --> 00:26:13,740
danger they thought it was the devil she

688
00:26:18,890 --> 00:26:15,480

raises back leaves her sister alone

689

00:26:20,510 --> 00:26:18,900

raises back grabs Katya Yanks her out of

690

00:26:24,289 --> 00:26:20,520

there

691

00:26:25,810 --> 00:26:24,299

and that was where the film title came

692

00:26:28,669 --> 00:26:25,820

from because I was in the field

693

00:26:30,710 --> 00:26:28,679

discussing this and I thought how many

694

00:26:33,710 --> 00:26:30,720

people do I know that that I believe

695

00:26:35,870 --> 00:26:33,720

that came face with a creature a

696

00:26:39,710 --> 00:26:35,880

sentient being that locked eyes on this

697

00:26:41,810 --> 00:26:39,720

thing I said to her you know put me

698

00:26:44,090 --> 00:26:41,820

during that moment of contact when you

699

00:26:45,590 --> 00:26:44,100

locked eyes with this creature what did

700

00:26:47,630 --> 00:26:45,600

you feel

701
00:26:50,690 --> 00:26:47,640
was there any kind of communication like

702
00:26:52,370 --> 00:26:50,700
put me there and she said that that it

703
00:26:55,730 --> 00:26:52,380
was it was communicating with her that

704
00:26:57,289 --> 00:26:55,740
that it was scared it was uh it wanted

705
00:26:59,450 --> 00:26:57,299
help

706
00:27:02,390 --> 00:26:59,460
um it was feeble and weak and suffering

707
00:27:04,250 --> 00:27:02,400
that's what she said

708
00:27:06,230 --> 00:27:04,260
and you know like I said you interviewed

709
00:27:08,149 --> 00:27:06,240
these skills many years apart and did

710
00:27:09,890 --> 00:27:08,159
the stories remain the same

711
00:27:11,690 --> 00:27:09,900
from from the first time you interviewed

712
00:27:14,690 --> 00:27:11,700
them to the to the second

713
00:27:17,690 --> 00:27:14,700

I've got tons of archival footage from

714

00:27:19,669 --> 00:27:17,700

Dr John Mack from Roger Lear from all

715

00:27:21,890 --> 00:27:19,679

the local TV and news stations in the

716

00:27:24,289 --> 00:27:21,900

town of Brazil interviews that I'd done

717

00:27:26,210 --> 00:27:24,299

10 and 11 years ago uh modern day

718

00:27:29,570 --> 00:27:26,220

interviews today they're absolutely

719

00:27:33,890 --> 00:27:29,580

perfectly synced identical

720

00:27:35,570 --> 00:27:33,900

no single word has changed in 26 years

721

00:27:37,730 --> 00:27:35,580

it's very compelling then isn't it yeah

722

00:27:39,470 --> 00:27:37,740

yeah then you've got the mother right so

723

00:27:40,970 --> 00:27:39,480

the girls go home

724

00:27:42,890 --> 00:27:40,980

they get back to the house and they're

725

00:27:45,409 --> 00:27:42,900

screaming we just saw the devil we think

726

00:27:47,090 --> 00:27:45,419

we saw the devil and the mother's like

727

00:27:48,830 --> 00:27:47,100

what are you talking about where you

728

00:27:50,149 --> 00:27:48,840

know and the mother's like let's go and

729

00:27:53,090 --> 00:27:50,159

the girls are like no we're not going

730

00:27:54,649 --> 00:27:53,100

back there so she talks the mother talks

731

00:27:56,510 --> 00:27:54,659

Katya who's not one of the daughters

732

00:27:59,090 --> 00:27:56,520

who's a friend a family friend to go

733

00:28:02,269 --> 00:27:59,100

back to the scene and when they got

734

00:28:06,289 --> 00:28:02,279

there that stench was present that

735

00:28:08,510 --> 00:28:06,299

really strong ammonia sulfur stench was

736

00:28:10,669 --> 00:28:08,520

at the scene according to them according

737

00:28:12,649 --> 00:28:10,679

to the mother she said that got into her

738

00:28:14,690 --> 00:28:12,659

sinuses she couldn't get it out for

739

00:28:16,549 --> 00:28:14,700

weeks with rubbing alcohol

740

00:28:18,529 --> 00:28:16,559

and there was a footprint right where

741

00:28:20,149 --> 00:28:18,539

the girl said the creature was and the

742

00:28:22,490 --> 00:28:20,159

mother drew the footprint for it but

743

00:28:24,289 --> 00:28:22,500

it's basically two digits with one that

744

00:28:26,210 --> 00:28:24,299

looks like it would come out when it's

745

00:28:27,769 --> 00:28:26,220

bipedal when it's walking that could

746

00:28:29,390 --> 00:28:27,779

come out and kind of stabilize its

747

00:28:31,430 --> 00:28:29,400

walking but it's basically two digits

748

00:28:33,289 --> 00:28:31,440

with the side one coming out the side

749

00:28:35,029 --> 00:28:33,299

oh wow that's interesting is that a

750

00:28:36,350 --> 00:28:35,039

question here from someone that says the

751

00:28:39,230 --> 00:28:36,360

footprint sketch by the girl's mother

752

00:28:41,870 --> 00:28:39,240

shows three toes yeah but a witness who

753

00:28:45,350 --> 00:28:41,880

later saw the body said it had two so is

754

00:28:47,029 --> 00:28:45,360

that what uh yeah so you got this right

755

00:28:48,529 --> 00:28:47,039

and when it's walking you've got a third

756

00:28:49,430 --> 00:28:48,539

one that comes out the side to stabilize

757

00:28:52,190 --> 00:28:49,440

it

758

00:28:53,870 --> 00:28:52,200

okay that's interesting that's really

759

00:28:55,490 --> 00:28:53,880

yeah because obviously you hear

760

00:28:56,930 --> 00:28:55,500

inconsistencies like that and it does

761

00:28:59,269 --> 00:28:56,940

sort of throw up a red flag but that's

762

00:29:01,430 --> 00:28:59,279

that's really interesting

763

00:29:03,049 --> 00:29:01,440

and now now not far from where the girls

764

00:29:04,970 --> 00:29:03,059

did witness the being as well we had

765

00:29:08,029 --> 00:29:04,980

this military blockade and you know we

766

00:29:09,169 --> 00:29:08,039

had press asking questions and and I

767

00:29:11,330 --> 00:29:09,179

think all they got was that it was a

768

00:29:12,769 --> 00:29:11,340

matter of National Security and that

769

00:29:14,390 --> 00:29:12,779

they'd even be arrested for asking more

770

00:29:16,310 --> 00:29:14,400

questions so

771

00:29:18,110 --> 00:29:16,320

when speaking to people is that normal

772

00:29:18,970 --> 00:29:18,120

in Brazil for the military to be that

773

00:29:21,049 --> 00:29:18,980

sort of

774

00:29:23,090 --> 00:29:21,059

aggressive let's say and did anybody

775

00:29:25,070 --> 00:29:23,100

ever get to the point of what what they

776

00:29:26,930 --> 00:29:25,080

were meant by National Security what was

777

00:29:30,850 --> 00:29:26,940

their reason or excuse that they were

778

00:29:37,549 --> 00:29:34,090

there was a lot of

779

00:29:40,010 --> 00:29:37,559

inquiry particularly in the country of

780

00:29:42,350 --> 00:29:40,020

Brazil there were some very big media

781

00:29:44,930 --> 00:29:42,360

personalities that have were looking

782

00:29:47,029 --> 00:29:44,940

into this case and asking questions I

783

00:29:49,789 --> 00:29:47,039

feature some of them some of the

784

00:29:52,549 --> 00:29:49,799

coverage the media coverage in the movie

785

00:29:54,710 --> 00:29:52,559

um and ultimately there were two

786

00:29:56,870 --> 00:29:54,720

statements made one of them I think was

787

00:29:59,029 --> 00:29:56,880

I remember I think it's uh Lima General

788

00:30:01,010 --> 00:29:59,039

Lima at who was head of the as a

789

00:30:03,169 --> 00:30:01,020

military base and he did the standard

790

00:30:05,210 --> 00:30:03,179

dismissal you know which is actually

791

00:30:07,130 --> 00:30:05,220

quite revealing it's in the movie as

792

00:30:08,690 --> 00:30:07,140

well but then there was this other guy

793

00:30:10,250 --> 00:30:08,700

who apparently got reprimanded for it

794

00:30:11,930 --> 00:30:10,260

and that was I don't know if that was a

795

00:30:14,029 --> 00:30:11,940

little bit later or if it was a little

796

00:30:15,769 --> 00:30:14,039

bit before I'm not entirely sure but he

797

00:30:16,610 --> 00:30:15,779

made up some story that it was just like

798

00:30:23,810 --> 00:30:16,620

uh

799

00:30:26,450 --> 00:30:23,820

that was homeless and had some mental

800

00:30:28,610 --> 00:30:26,460

health issues and of course everyone

801
00:30:31,549 --> 00:30:28,620
just you know I mean apparently he was

802
00:30:33,169 --> 00:30:31,559
the laughing stock of of Brazil

803
00:30:35,870 --> 00:30:33,179
um and he apparently got reprimanded

804
00:30:39,110 --> 00:30:35,880
because that was more unlikely than what

805
00:30:41,269 --> 00:30:39,120
actually supposedly happened but other

806
00:30:43,549 --> 00:30:41,279
than that as far as I know there were no

807
00:30:47,029 --> 00:30:43,559
other statements made just a complete

808
00:30:48,830 --> 00:30:47,039
denial in fact uh there is a very famous

809
00:30:50,750 --> 00:30:48,840
statement

810
00:30:54,950 --> 00:30:50,760
let me think about that that happened in

811
00:30:57,769 --> 00:30:54,960
the U.S we are not hiding anything the

812
00:31:00,350 --> 00:30:57,779
who was that it'll it'll come to me but

813
00:31:02,269 --> 00:31:00,360

it was like the head of the secretary of

814

00:31:06,049 --> 00:31:02,279

the Air Force Harold Brown I think it

815

00:31:07,789 --> 00:31:06,059

was back in the 50s or 60s probably the

816

00:31:09,289 --> 00:31:07,799

60s you remember when they had

817

00:31:11,389 --> 00:31:09,299

Congressional hearings in America in the

818

00:31:12,950 --> 00:31:11,399

66 and against the eight and Harold

819

00:31:14,450 --> 00:31:12,960

Brown gets up there we have not been

820

00:31:16,370 --> 00:31:14,460

hiding anything we've been totally

821

00:31:18,710 --> 00:31:16,380

honest there's nothing to any of this

822

00:31:21,649 --> 00:31:18,720

you look at a guy you go you are so

823

00:31:24,169 --> 00:31:21,659

clearly lying this is not a shred of

824

00:31:26,450 --> 00:31:24,179

doubt and they gave a very similar press

825

00:31:28,669 --> 00:31:26,460

conference in 1996 where you're going oh

826
00:31:30,769 --> 00:31:28,679
my God and the Press is just peppering

827
00:31:32,269 --> 00:31:30,779
this guy right and you know what were

828
00:31:34,070 --> 00:31:32,279
you doing on that day prove to us what

829
00:31:36,049 --> 00:31:34,080
you were doing what we were doing was

830
00:31:39,409 --> 00:31:36,059
you know for the working for the nation

831
00:31:40,430 --> 00:31:39,419
you know yes but tell us the truth I

832
00:31:41,930 --> 00:31:40,440
don't have to tell you anything more

833
00:31:44,630 --> 00:31:41,940
than that well come on don't you want

834
00:31:46,570 --> 00:31:44,640
the truth out there no stop asking me

835
00:31:49,250 --> 00:31:46,580
any more questions

836
00:31:50,690 --> 00:31:49,260
it's in the movie yeah yeah yeah it's

837
00:31:53,090 --> 00:31:50,700
just yeah but I was laughing I was like

838
00:31:55,549 --> 00:31:53,100

oh my God that's exactly what happens

839

00:31:57,590 --> 00:31:55,559

that's exactly what happens uh you know

840

00:32:00,649 --> 00:31:57,600

I'll I'll share something one more thing

841

00:32:02,930 --> 00:32:00,659

with your audience that was

842

00:32:04,669 --> 00:32:02,940

something that was not in the film that

843

00:32:07,430 --> 00:32:04,679

was a um

844

00:32:12,529 --> 00:32:07,440

uh

845

00:32:16,789 --> 00:32:12,539

it really kept Marco Leal and myself

846

00:32:19,610 --> 00:32:16,799

hot on the trail it really kept

847

00:32:22,610 --> 00:32:19,620

propelling us forward and and it was the

848

00:32:24,769 --> 00:32:22,620

kind of motivation that we needed and it

849

00:32:28,909 --> 00:32:24,779

was I don't remember if it was 2013 or

850

00:32:30,529 --> 00:32:28,919

2014 we met with Jose Carlos Pereira he

851
00:32:32,029 --> 00:32:30,539
was a Brazilian they called him

852
00:32:33,710 --> 00:32:32,039
Brigadier I don't know if it's the same

853
00:32:36,669 --> 00:32:33,720
in the United States but Brigadier is a

854
00:32:40,250 --> 00:32:36,679
high level Brazilian Air Force officer

855
00:32:42,889 --> 00:32:40,260
and he was willing to talk with us about

856
00:32:44,389 --> 00:32:42,899
the reality of UFOs in Brazil which was

857
00:32:47,450 --> 00:32:44,399
great

858
00:32:49,190 --> 00:32:47,460
we interview him he says if you ask me

859
00:32:50,810 --> 00:32:49,200
one question about Virginia this

860
00:32:54,049 --> 00:32:50,820
interview is terminated

861
00:32:55,789 --> 00:32:54,059
you thought Jesus you know okay well

862
00:32:56,750 --> 00:32:55,799
gosh like why don't you just deny it if

863
00:32:58,310 --> 00:32:56,760

you're gonna you know what I mean like

864

00:33:00,950 --> 00:32:58,320

we'll just get you on camera denying it

865

00:33:03,889 --> 00:33:00,960

but he said if you ask me it's over like

866

00:33:05,210 --> 00:33:03,899

I'll get up and leave so okay well I

867

00:33:06,529 --> 00:33:05,220

might as well get what I can out of this

868

00:33:09,049 --> 00:33:06,539

guy and at the end of the interview and

869

00:33:12,590 --> 00:33:09,059

I liked him he was a likable character

870

00:33:14,090 --> 00:33:12,600

well he has since passed and so I am now

871

00:33:16,789 --> 00:33:14,100

going public with what happened after

872

00:33:18,289 --> 00:33:16,799

after the camera stopped rolling Marco

873

00:33:20,870 --> 00:33:18,299

and I and I've got photographs of this

874

00:33:23,149 --> 00:33:20,880

as well we were literally like begging

875

00:33:24,350 --> 00:33:23,159

him pleading me he had a driver waiting

876
00:33:26,450 --> 00:33:24,360
for him

877
00:33:28,610 --> 00:33:26,460
and

878
00:33:30,769 --> 00:33:28,620
I swore up I looked him dead in the eyes

879
00:33:33,230 --> 00:33:30,779
and I said I swear up and down there are

880
00:33:34,789 --> 00:33:33,240
no recording devices No cameras rolling

881
00:33:41,630 --> 00:33:34,799
please

882
00:33:43,190 --> 00:33:41,640
we want to know so bad

883
00:33:45,769 --> 00:33:43,200
and uh

884
00:33:48,110 --> 00:33:45,779
he walked back to the car with Marco and

885
00:33:49,669 --> 00:33:48,120
I Marco was there too

886
00:33:51,590 --> 00:33:49,679
walked back to his car he had a driver

887
00:33:53,450 --> 00:33:51,600
waiting he sits down in the back seat

888
00:33:55,909 --> 00:33:53,460

and he looks up at us with the door

889

00:33:58,730 --> 00:33:55,919

still open and he said it happened

890

00:34:00,350 --> 00:33:58,740

close the door off he went and Mark and

891

00:34:02,090 --> 00:34:00,360

I looked at each other and the hair

892

00:34:04,669 --> 00:34:02,100

stood up in our arms I mean it was like

893

00:34:06,789 --> 00:34:04,679

a lot it was it was electrifying we

894

00:34:10,010 --> 00:34:06,799

looked at each other like

895

00:34:12,530 --> 00:34:10,020

whoa wow that was a level of

896

00:34:15,290 --> 00:34:12,540

confirmation that very few people have

897

00:34:16,970 --> 00:34:15,300

probably ever had why on Earth would he

898

00:34:18,770 --> 00:34:16,980

lie you know why on Earth

899

00:34:19,550 --> 00:34:18,780

yeah what do you say that if it weren't

900

00:34:21,109 --> 00:34:19,560

true

901
00:34:23,089 --> 00:34:21,119
so that

902
00:34:25,129 --> 00:34:23,099
that came that really kept this case

903
00:34:26,930 --> 00:34:25,139
alive and Mark and I never forgot that

904
00:34:29,149 --> 00:34:26,940
man in fact I'll never forget that

905
00:34:31,669 --> 00:34:29,159
moment and I wouldn't share that moment

906
00:34:34,010 --> 00:34:31,679
with the general public had he if he was

907
00:34:35,629 --> 00:34:34,020
still alive but that happened and he's

908
00:34:37,550 --> 00:34:35,639
in the movie you'll see you'll see him

909
00:34:40,550 --> 00:34:37,560
in the movie it says when governments

910
00:34:41,930 --> 00:34:40,560
can't uh explain something they will

911
00:34:44,210 --> 00:34:41,940
cover it up

912
00:34:46,369 --> 00:34:44,220
yeah very powerful indeed I mean that

913
00:34:49,909 --> 00:34:46,379

you know to be that resistant towards

914

00:34:51,950 --> 00:34:49,919

you but then after pressure by you to

915

00:34:54,230 --> 00:34:51,960

then say that it kind of speaks volumes

916

00:34:56,149 --> 00:34:54,240

I was on the verge of kissing his feet

917

00:34:57,710 --> 00:34:56,159

that's how much I was begging I really

918

00:34:58,609 --> 00:34:57,720

was because I could see in his eyes he

919

00:35:00,950 --> 00:34:58,619

knew

920

00:35:03,290 --> 00:35:00,960

you know I mean I just remember I was

921

00:35:05,510 --> 00:35:03,300

like bowing down please like I looked

922

00:35:07,790 --> 00:35:05,520

him right in the eyes please just tell

923

00:35:10,130 --> 00:35:07,800

us please off the Record you know

924

00:35:14,750 --> 00:35:10,140

it happened

925

00:35:16,550 --> 00:35:14,760

off he went wow whoa that was

926
00:35:19,310 --> 00:35:16,560
wow that was that was something else

927
00:35:21,109 --> 00:35:19,320
yeah yeah and speaking of military and

928
00:35:23,109 --> 00:35:21,119
Military Witnesses were you ever

929
00:35:26,410 --> 00:35:23,119
concerned anywhere along the way of

930
00:35:28,970 --> 00:35:26,420
these Witnesses coming forward with a

931
00:35:31,550 --> 00:35:28,980
pre-prepared story that may just muddy

932
00:35:33,710 --> 00:35:31,560
the waters or absolutely not we we

933
00:35:36,650 --> 00:35:33,720
chased them down we knew who they were

934
00:35:40,250 --> 00:35:36,660
we knew their involvement we chased them

935
00:35:43,550 --> 00:35:40,260
down not one witness came to us not one

936
00:35:44,930 --> 00:35:43,560
we knew who they are Marco's done due

937
00:35:46,609 --> 00:35:44,940
diligence he's been in touch with Uber

938
00:35:49,430 --> 00:35:46,619

azshara he's been in touch off the

939

00:35:51,829 --> 00:35:49,440

record with um uh with Claudio Koval

940

00:35:53,690 --> 00:35:51,839

back years and years ago he's seen the

941

00:35:58,190 --> 00:35:53,700

tapes of the testimonials that were

942

00:35:59,630 --> 00:35:58,200

given in 96. you know he he we knew we

943

00:36:01,670 --> 00:35:59,640

knew who we're going after

944

00:36:03,890 --> 00:36:01,680

we knew it very carefully and we spent

945

00:36:06,650 --> 00:36:03,900

years in Marco in particular we're

946

00:36:09,050 --> 00:36:06,660

talking years and years to get those

947

00:36:10,670 --> 00:36:09,060

people to come forward fantastic thank

948

00:36:12,230 --> 00:36:10,680

you I'm just going to move on to a few

949

00:36:15,710 --> 00:36:12,240

questions that I've got from social

950

00:36:17,569 --> 00:36:15,720

media so James 4125 asks does James

951
00:36:19,370 --> 00:36:17,579
think the other policeman who saw his

952
00:36:21,010 --> 00:36:19,380
colleague capture the alien will ever

953
00:36:24,410 --> 00:36:21,020
speak out

954
00:36:27,109 --> 00:36:24,420
very good question you know

955
00:36:31,430 --> 00:36:27,119
um that was a pretty hairy moment in in

956
00:36:37,490 --> 00:36:34,670
this guy had been in hiding for 26 years

957
00:36:40,609 --> 00:36:37,500
all he ever had to do was come forward

958
00:36:43,910 --> 00:36:40,619
with a statement to the media and say

959
00:36:45,470 --> 00:36:43,920
this is fantasy this never happened it's

960
00:36:47,930 --> 00:36:45,480
all Make-Believe

961
00:36:50,210 --> 00:36:47,940
but instead he never did that and he

962
00:36:51,890 --> 00:36:50,220
never gave a statement to the family of

963
00:36:53,030 --> 00:36:51,900

the deceased officer who was also a

964

00:36:56,170 --> 00:36:53,040

friend of his

965

00:36:58,730 --> 00:36:56,180

and every time Marta the deceased

966

00:37:01,130 --> 00:36:58,740

officer's sister

967

00:37:03,410 --> 00:37:01,140

she told me this on camera anytime she

968

00:37:06,589 --> 00:37:03,420

would talk with him

969

00:37:08,569 --> 00:37:06,599

about it begging him like come on he was

970

00:37:10,670 --> 00:37:08,579

sweating and smoking cigarettes back to

971

00:37:13,010 --> 00:37:10,680

back is what she said like sweating and

972

00:37:14,630 --> 00:37:13,020

nervous and smoking now I know that

973

00:37:16,190 --> 00:37:14,640

other military Witnesses were threatened

974

00:37:17,270 --> 00:37:16,200

because they told me the doctors

975

00:37:20,089 --> 00:37:17,280

everybody

976

00:37:22,250 --> 00:37:20,099

so clearly this is a key witness and he

977

00:37:23,870 --> 00:37:22,260

was they said something to him because

978

00:37:26,329 --> 00:37:23,880

he look

979

00:37:28,609 --> 00:37:26,339

people also criticized us for

980

00:37:31,250 --> 00:37:28,619

doorstepping the guy well I have to

981

00:37:33,770 --> 00:37:31,260

remind those people that every other

982

00:37:37,069 --> 00:37:33,780

possible scenario had been exhausted for

983

00:37:39,890 --> 00:37:37,079

26 years contacting his wife contacting

984

00:37:43,190 --> 00:37:39,900

him directly at his home like emails

985

00:37:44,750 --> 00:37:43,200

letters phone calls the the family of

986

00:37:46,130 --> 00:37:44,760

the deceased officer trying to get him

987

00:37:48,230 --> 00:37:46,140

to make up there was the only thing left

988

00:37:50,030 --> 00:37:48,240

with the doorstep the guy so with the

989

00:37:51,890 --> 00:37:50,040

help of the local mayor we found out

990

00:37:54,770 --> 00:37:51,900

where he was and boy that was was that

991

00:37:56,150 --> 00:37:54,780

guy off the beaten path or what like if

992

00:37:57,609 --> 00:37:56,160

you wanted to find a place to hide he

993

00:38:01,609 --> 00:37:57,619

was doing it I mean look at that place

994

00:38:04,069 --> 00:38:01,619

that was crazy and um

995

00:38:05,750 --> 00:38:04,079

he threatened to shoot everybody but he

996

00:38:08,690 --> 00:38:05,760

could have just stepped outside

997

00:38:11,390 --> 00:38:08,700

you know and just said look again

998

00:38:13,310 --> 00:38:11,400

I there's nothing to this story I was

999

00:38:15,470 --> 00:38:13,320

not driving the vehicle I didn't see

1000

00:38:17,990 --> 00:38:15,480

anything I didn't hear anything it's all

1001
00:38:20,990 --> 00:38:18,000
make-believe but he didn't do that

1002
00:38:23,030 --> 00:38:21,000
instead what he said when we rolled up

1003
00:38:25,550 --> 00:38:23,040
all they said is the translator guy

1004
00:38:27,290 --> 00:38:25,560
homelo who's a lawyer in Virginia

1005
00:38:32,810 --> 00:38:27,300
Eric Lopes

1006
00:38:34,550 --> 00:38:32,820
and his response was Eric if you're here

1007
00:38:37,069 --> 00:38:34,560
to talk about the E.T Eric will never

1008
00:38:38,990 --> 00:38:37,079
talk or he will never talk it's like

1009
00:38:40,910 --> 00:38:39,000
it's kind of like that situation where

1010
00:38:42,349 --> 00:38:40,920
the police show up at a party and they

1011
00:38:43,670 --> 00:38:42,359
knock on the door and they open up the

1012
00:38:46,370 --> 00:38:43,680
door and then the first thing the guy

1013
00:38:50,109 --> 00:38:46,380

says that open the door when he sees the

1014

00:38:53,750 --> 00:38:50,119

cops there are no drugs in here sir

1015

00:38:55,430 --> 00:38:53,760

you know and so right off the bat I

1016

00:38:57,170 --> 00:38:55,440

thought that's odd we didn't ask him

1017

00:38:59,270 --> 00:38:57,180

about an ET we didn't ask him anything

1018

00:39:00,890 --> 00:38:59,280

just Eric Lopes from here to see Eric

1019

00:39:02,630 --> 00:39:00,900

Lopes that was the first thing out of

1020

00:39:03,770 --> 00:39:02,640

his mouth and then it was like bullets

1021

00:39:05,810 --> 00:39:03,780

are going to start flying you guys are

1022

00:39:09,290 --> 00:39:05,820

going to get in trouble three times

1023

00:39:11,810 --> 00:39:09,300

so subsequently after that happened we

1024

00:39:13,730 --> 00:39:11,820

contacted his wife with the help of his

1025

00:39:15,710 --> 00:39:13,740

sister Marta

1026

00:39:17,329 --> 00:39:15,720

uh sorry the deceased officer sister

1027

00:39:19,010 --> 00:39:17,339

Marta

1028

00:39:20,990 --> 00:39:19,020

and we said what's it going to take to

1029

00:39:22,430 --> 00:39:21,000

get Eric to come forward and she said

1030

00:39:24,470 --> 00:39:22,440

bring my brother

1031

00:39:27,230 --> 00:39:24,480

my brother because he's this is another

1032

00:39:29,569 --> 00:39:27,240

aspect of the story which is crazy so

1033

00:39:33,170 --> 00:39:29,579

Eric Lopes is married

1034

00:39:36,650 --> 00:39:33,180

to the deceased officer's sister

1035

00:39:39,230 --> 00:39:36,660

Marcus Rosie's sister yeah

1036

00:39:42,770 --> 00:39:39,240

Margaret Tracy has two sisters one of

1037

00:39:44,810 --> 00:39:42,780

which is Marta Tavares she went on

1038

00:39:45,589 --> 00:39:44,820

camera for us and talked about all these

1039

00:39:47,569 --> 00:39:45,599

things

1040

00:39:49,910 --> 00:39:47,579

of the project and then he had another

1041

00:39:52,310 --> 00:39:49,920

sister I don't her Name Escapes you

1042

00:39:54,230 --> 00:39:52,320

right now but he married he married her

1043

00:39:57,290 --> 00:39:54,240

and Marco

1044

00:39:58,910 --> 00:39:57,300

and Eric Lopes had grown up together and

1045

00:40:00,170 --> 00:39:58,920

they became Military Intelligence police

1046

00:40:03,410 --> 00:40:00,180

together

1047

00:40:07,130 --> 00:40:03,420

and the night in question on January

1048

00:40:08,930 --> 00:40:07,140

20th according to the family

1049

00:40:11,450 --> 00:40:08,940

Eric Lopes came to the house and said

1050

00:40:13,010 --> 00:40:11,460

hey I'm on this crazy mission tonight

1051

00:40:14,810 --> 00:40:13,020

Marco treasey wasn't supposed to be

1052

00:40:16,910 --> 00:40:14,820

working I'm supposed to be looking for

1053

00:40:19,069 --> 00:40:16,920

something really strange and unusual do

1054

00:40:20,270 --> 00:40:19,079

you want to join me and Mark was like

1055

00:40:21,349 --> 00:40:20,280

sure and he jumped in the car and off

1056

00:40:23,870 --> 00:40:21,359

they went

1057

00:40:27,290 --> 00:40:23,880

and uh you know and all the rest is

1058

00:40:31,250 --> 00:40:27,300

history but but we contacted his wife

1059

00:40:32,450 --> 00:40:31,260

through the help of his family and what

1060

00:40:34,310 --> 00:40:32,460

will it take to get him to come forward

1061

00:40:36,410 --> 00:40:34,320

she said if bring my brother back to

1062

00:40:38,390 --> 00:40:36,420

life and then he'll talk to you

1063

00:40:40,010 --> 00:40:38,400

wow that sounds pretty yeah I mean I was

1064

00:40:41,870 --> 00:40:40,020

just going to ask about Market Theresa

1065

00:40:43,490 --> 00:40:41,880

since we mentioned him is what are the

1066

00:40:45,050 --> 00:40:43,500

big questions do you know do you think

1067

00:40:46,490 --> 00:40:45,060

that the biggest questions that still

1068

00:40:49,130 --> 00:40:46,500

remain over what happened to him because

1069

00:40:51,410 --> 00:40:49,140

it was all a bit shady I mean he was

1070

00:40:53,270 --> 00:40:51,420

buried really quickly and there were

1071

00:40:56,930 --> 00:40:53,280

just things that

1072

00:40:59,450 --> 00:40:56,940

there was uh well we were very fortunate

1073

00:41:01,190 --> 00:40:59,460

to get Dr Cesario who worked on him on

1074

00:41:03,230 --> 00:41:01,200

camera I think we were the first people

1075

00:41:05,089 --> 00:41:03,240

ever to get him on camera right right

1076

00:41:07,670 --> 00:41:05,099

any production

1077

00:41:09,290 --> 00:41:07,680

um Cesario who's still a a doctor in in

1078

00:41:13,069 --> 00:41:09,300

Virginia and he said he'd never seen

1079

00:41:15,470 --> 00:41:13,079

anything like it prior or since he said

1080

00:41:17,690 --> 00:41:15,480

that uh he had a scratch I think he had

1081

00:41:21,290 --> 00:41:17,700

a scratch like here on his arm and and

1082

00:41:22,910 --> 00:41:21,300

it's it's assumed that it was when he

1083

00:41:24,710 --> 00:41:22,920

captured this creature with his bare

1084

00:41:26,690 --> 00:41:24,720

hands that it kind of just scratched him

1085

00:41:28,310 --> 00:41:26,700

a little bit but he had this weird like

1086

00:41:30,950 --> 00:41:28,320

oil because everyone talked about this

1087

00:41:33,109 --> 00:41:30,960

oil on this brown creature that oily

1088

00:41:36,650 --> 00:41:33,119

just really oily

1089

00:41:40,130 --> 00:41:36,660

and it was smelly and oily and uh

1090

00:41:41,270 --> 00:41:40,140

apparently Marco Teresa was rubbing his

1091

00:41:44,450 --> 00:41:41,280

body down with rubbing alcohol

1092

00:41:46,490 --> 00:41:44,460

afterwards and uh and and it got

1093

00:41:49,190 --> 00:41:46,500

apparently worse and worse and then he

1094

00:41:51,470 --> 00:41:49,200

got like this infection and he admitted

1095

00:41:53,930 --> 00:41:51,480

himself a few weeks later to the

1096

00:41:56,510 --> 00:41:53,940

hospital Dr Cesario was working on him

1097

00:41:58,730 --> 00:41:56,520

Dr Cesario said that he revealed his

1098

00:41:59,990 --> 00:41:58,740

involvement he says it's on camera with

1099

00:42:01,130 --> 00:42:00,000

the case because he was trying to save

1100

00:42:04,250 --> 00:42:01,140

his own life

1101
00:42:07,430 --> 00:42:04,260
and that um

1102
00:42:09,410 --> 00:42:07,440
um he gave him all the antibiotics that

1103
00:42:11,390 --> 00:42:09,420
would normally treat an infection but

1104
00:42:14,270 --> 00:42:11,400
his immune system just failed he was a

1105
00:42:16,910 --> 00:42:14,280
healthy 23 year old a military Soldier

1106
00:42:19,490 --> 00:42:16,920
and um and he died

1107
00:42:20,690 --> 00:42:19,500
the on-call doctor of that day wanted to

1108
00:42:23,030 --> 00:42:20,700
get him in the ground according to his

1109
00:42:25,130 --> 00:42:23,040
family as soon as possible which leads

1110
00:42:26,990 --> 00:42:25,140
me to believe like maybe he was worried

1111
00:42:29,630 --> 00:42:27,000
that that Marco had something on him

1112
00:42:31,370 --> 00:42:29,640
that could spread that killed but you

1113
00:42:33,530 --> 00:42:31,380

know it's all speculation really but

1114

00:42:35,150 --> 00:42:33,540

they did have the autopsy report which

1115

00:42:36,770 --> 00:42:35,160

indicated there was some kind of unknown

1116

00:42:39,650 --> 00:42:36,780

substance eight percent of something

1117

00:42:41,630 --> 00:42:39,660

that that was unrecognizable it's in the

1118

00:42:42,609 --> 00:42:41,640

film it's in the films the sister talks

1119

00:42:45,290 --> 00:42:42,619

about it

1120

00:42:48,109 --> 00:42:45,300

yeah I mean and we mentioned again

1121

00:42:50,870 --> 00:42:48,119

doctors and nurses hospitals and that

1122

00:42:52,550 --> 00:42:50,880

there let's talk about when the uh the

1123

00:42:54,589 --> 00:42:52,560

body of the creature is a at the

1124

00:42:57,349 --> 00:42:54,599

military is it the military hospital and

1125

00:42:59,030 --> 00:42:57,359

x-rays are taken I mean I I mean I'm

1126
00:43:00,770 --> 00:42:59,040
assuming that x-rays like that are

1127
00:43:02,750 --> 00:43:00,780
buried somewhere deep within within the

1128
00:43:04,130 --> 00:43:02,760
military but did you search that out did

1129
00:43:07,069 --> 00:43:04,140
you ask any questions about the

1130
00:43:09,170 --> 00:43:07,079
whereabouts of those x-rays so uh the

1131
00:43:11,390 --> 00:43:09,180
doctor that we interviewed and he

1132
00:43:14,329 --> 00:43:11,400
verified we well we knew for a fact that

1133
00:43:16,849 --> 00:43:14,339
he'd worked at Regional hospital and

1134
00:43:19,309 --> 00:43:16,859
um he said that it was the first and

1135
00:43:22,490 --> 00:43:19,319
only time in his entire career where he

1136
00:43:24,710 --> 00:43:22,500
was unable to to verify the x-rays as

1137
00:43:26,990 --> 00:43:24,720
being good because normally he takes the

1138
00:43:29,690 --> 00:43:27,000

x-rays and then he examines them but the

1139

00:43:31,790 --> 00:43:29,700

military trucks that arrived in armed

1140

00:43:34,550 --> 00:43:31,800

guards he said the whole thing was was

1141

00:43:36,410 --> 00:43:34,560

was terrifying the the mood in the room

1142

00:43:38,450 --> 00:43:36,420

during the during the when he was taking

1143

00:43:40,550 --> 00:43:38,460

these x-rays was just nobody smiled

1144

00:43:42,890 --> 00:43:40,560

nobody looked at him it was just

1145

00:43:44,270 --> 00:43:42,900

business and at the end of it he wasn't

1146

00:43:47,390 --> 00:43:44,280

allowed to look at them and they took

1147

00:43:49,430 --> 00:43:47,400

they took these X-rays and off they went

1148

00:43:52,010 --> 00:43:49,440

wow

1149

00:43:53,630 --> 00:43:52,020

I mean I doubt I say I have doubt you

1150

00:43:55,970 --> 00:43:53,640

know that would be a great piece of

1151
00:43:57,710 --> 00:43:55,980
evidence to leak or come forward but

1152
00:43:59,150 --> 00:43:57,720
wouldn't it be I mean you know those

1153
00:43:59,829 --> 00:43:59,160
went those stayed in the hands of the

1154
00:44:02,690 --> 00:43:59,839
military

1155
00:44:05,270 --> 00:44:02,700
but there were enough civilian and

1156
00:44:08,030 --> 00:44:05,280
people involved and doctors involved

1157
00:44:09,710 --> 00:44:08,040
that they're I'm absolutely convinced in

1158
00:44:11,990 --> 00:44:09,720
fact I can tell you unequivocally that

1159
00:44:14,270 --> 00:44:12,000
there are doctors that

1160
00:44:16,250 --> 00:44:14,280
that took some evidence

1161
00:44:17,750 --> 00:44:16,260
yeah and one thing that I'm quite

1162
00:44:19,550 --> 00:44:17,760
baffled about is that earlier on this

1163
00:44:22,069 --> 00:44:19,560

year we saw I think it was Brazilian

1164

00:44:23,930 --> 00:44:22,079

Senate holding hearings you know talking

1165

00:44:25,430 --> 00:44:23,940

about the UFO subject so it seems like

1166

00:44:27,950 --> 00:44:25,440

they are

1167

00:44:30,349 --> 00:44:27,960

as a country willing to discuss it but I

1168

00:44:31,550 --> 00:44:30,359

mean it was I didn't watch it because a

1169

00:44:34,790 --> 00:44:31,560

lot of it you know I couldn't understand

1170

00:44:36,890 --> 00:44:34,800

but was the Virginia case mentioned uh

1171

00:44:39,710 --> 00:44:36,900

those hearings

1172

00:44:45,490 --> 00:44:39,720

that's so strange no you know they had

1173

00:44:53,150 --> 00:44:50,809

encounter in 1986 uh UFOs over Brazil I

1174

00:44:56,390 --> 00:44:53,160

think UFOs over Sao Paulo where there

1175

00:44:57,710 --> 00:44:56,400

were 12 unknowns that were whizzing

1176

00:44:59,809 --> 00:44:57,720

around in the airspace and they

1177

00:45:01,490 --> 00:44:59,819

scrambled all these Jets and then they

1178

00:45:04,490 --> 00:45:01,500

had a huge press conference and the

1179

00:45:05,990 --> 00:45:04,500

pilot said I I showed some of this in

1180

00:45:08,870 --> 00:45:06,000

the film pilate said that we couldn't

1181

00:45:10,430 --> 00:45:08,880

get we're our job was to to intercept

1182

00:45:12,530 --> 00:45:10,440

and identify and he's like we couldn't

1183

00:45:14,450 --> 00:45:12,540

intercept we couldn't even hear these

1184

00:45:17,089 --> 00:45:14,460

things they would just you know take off

1185

00:45:19,010 --> 00:45:17,099

a little load identify them but they

1186

00:45:21,290 --> 00:45:19,020

were you know they were fully

1187

00:45:23,809 --> 00:45:21,300

transparent back in 1986 regardless but

1188

00:45:25,849 --> 00:45:23,819

I have to remind you know your audience

1189

00:45:27,890 --> 00:45:25,859

is a very big difference between unknown

1190

00:45:29,170 --> 00:45:27,900

objects in the sky and beans on the

1191

00:45:30,770 --> 00:45:29,180

ground

1192

00:45:33,109 --> 00:45:30,780

absolutely

1193

00:45:35,930 --> 00:45:33,119

yeah that's a pretty big step

1194

00:45:36,970 --> 00:45:35,940

indeed it is uh have we got some

1195

00:45:42,109 --> 00:45:36,980

questions

1196

00:45:44,210 --> 00:45:42,119

sorry did you Vinnie did you uh know

1197

00:45:47,510 --> 00:45:44,220

about this case prior to watching the

1198

00:45:49,130 --> 00:45:47,520

film I did yeah you did okay all right

1199

00:45:50,329 --> 00:45:49,140

and how long have you known about this

1200

00:45:53,630 --> 00:45:50,339

case

1201

00:45:57,250 --> 00:45:53,640

uh I think it was probably since your

1202

00:46:01,970 --> 00:45:59,510

yeah something like that but I I've

1203

00:46:04,190 --> 00:46:01,980

always followed foreign I say foreign

1204

00:46:05,990 --> 00:46:04,200

cases I mean I'm from the UK so I've

1205

00:46:07,790 --> 00:46:06,000

always looked at cases here but also

1206

00:46:09,410 --> 00:46:07,800

South America having an interest in the

1207

00:46:11,510 --> 00:46:09,420

country in general and doing

1208

00:46:13,550 --> 00:46:11,520

investigations myself in Colombia so

1209

00:46:16,010 --> 00:46:13,560

I've always been very open

1210

00:46:18,650 --> 00:46:16,020

and not get caught up in the Trap if

1211

00:46:19,970 --> 00:46:18,660

it's a U.S subject it's a U.S issue

1212

00:46:21,890 --> 00:46:19,980

because obviously we all know it's a

1213

00:46:25,130 --> 00:46:21,900

global issue so I've always been of that

1214

00:46:26,870 --> 00:46:25,140

kind of way of thinking so yeah uh did I

1215

00:46:29,569 --> 00:46:26,880

expect to see anything on this level or

1216

00:46:31,910 --> 00:46:29,579

scale on the Virginia case no so it was

1217

00:46:33,890 --> 00:46:31,920

very very exciting from the moment it

1218

00:46:36,349 --> 00:46:33,900

was announced to to seeing the finished

1219

00:46:37,329 --> 00:46:36,359

product was was incredible so

1220

00:46:39,710 --> 00:46:37,339

yeah

1221

00:46:41,510 --> 00:46:39,720

because even the Brazilian UFO

1222

00:46:44,150 --> 00:46:41,520

researchers that watched it and they

1223

00:46:46,309 --> 00:46:44,160

were like wow even you guys got new

1224

00:46:48,890 --> 00:46:46,319

stuff and you guys got these people to

1225

00:46:52,790 --> 00:46:48,900

come forward that's a first you know and

1226
00:46:55,010 --> 00:46:52,800
even having the mayor of the town that

1227
00:46:58,550 --> 00:46:55,020
was you know that's that's something you

1228
00:46:59,750 --> 00:46:58,560
got the elected mayor not retired you

1229
00:47:01,550 --> 00:46:59,760
know basically saying that he believes

1230
00:47:03,770 --> 00:47:01,560
the UFO crashed and live aliens were

1231
00:47:05,150 --> 00:47:03,780
captured in his town I mean

1232
00:47:07,309 --> 00:47:05,160
you know I don't think that could be

1233
00:47:10,010 --> 00:47:07,319
overstated just how significant that is

1234
00:47:11,569 --> 00:47:10,020
yeah absolutely and I mean you were

1235
00:47:12,950 --> 00:47:11,579
careful in the film as well with some of

1236
00:47:15,170 --> 00:47:12,960
the wording that you used you know you

1237
00:47:17,270 --> 00:47:15,180
use the word alleged and you and things

1238
00:47:18,829 --> 00:47:17,280

like that throughout and now obviously

1239

00:47:20,450 --> 00:47:18,839

being there it probably has more of an

1240

00:47:21,950 --> 00:47:20,460

impact on you because you're there face

1241

00:47:24,230 --> 00:47:21,960

to face with the witnesses it must be

1242

00:47:26,030 --> 00:47:24,240

quite difficult to not just throw all

1243

00:47:27,530 --> 00:47:26,040

your chips in them I'm all in no matter

1244

00:47:29,030 --> 00:47:27,540

what kind of thing so how did you kind

1245

00:47:31,750 --> 00:47:29,040

of find that balance because I know how

1246

00:47:35,569 --> 00:47:31,760

difficult that can be

1247

00:47:38,569 --> 00:47:35,579

I feel like I I cannot make any

1248

00:47:41,270 --> 00:47:38,579

definitive statements without definitive

1249

00:47:43,670 --> 00:47:41,280

proof I feel like we have an incredibly

1250

00:47:46,730 --> 00:47:43,680

compelling story with incredibly

1251
00:47:50,329 --> 00:47:46,740
compelling eyewitness accounts firsthand

1252
00:47:54,650 --> 00:47:50,339
eyewitness Counts from doctors from

1253
00:47:55,910 --> 00:47:54,660
civilians from military Brazilian uh

1254
00:47:57,589 --> 00:47:55,920
folks that were involved in the

1255
00:48:01,190 --> 00:47:57,599
operations

1256
00:48:03,589 --> 00:48:01,200
um elected officials uh very very

1257
00:48:05,089 --> 00:48:03,599
compelling story and I'm I'm convinced

1258
00:48:07,910 --> 00:48:05,099
that this is just the tip of the iceberg

1259
00:48:09,650 --> 00:48:07,920
in terms of additional eyewitnesses

1260
00:48:11,510 --> 00:48:09,660
coming forward I mean people want to

1261
00:48:13,550 --> 00:48:11,520
know and I know there are people within

1262
00:48:17,270 --> 00:48:13,560
the intelligence agencies that have seen

1263
00:48:20,210 --> 00:48:17,280

this film and um you know not one of

1264

00:48:23,150 --> 00:48:20,220

them said that this didn't happen

1265

00:48:26,270 --> 00:48:23,160

yeah that's that's you know that holds

1266

00:48:27,829 --> 00:48:26,280

weight it certainly holds weight it's

1267

00:48:29,990 --> 00:48:27,839

nice for me to hear those things you

1268

00:48:34,390 --> 00:48:30,000

know yeah I know I'm not like crazy town

1269

00:48:36,890 --> 00:48:34,400

here yeah absolutely yeah no for sure

1270

00:48:38,390 --> 00:48:36,900

go ahead no I was just gonna say this

1271

00:48:39,950 --> 00:48:38,400

question from Montana with the kind

1272

00:48:42,109 --> 00:48:39,960

donation he says Stan Friedman

1273

00:48:44,390 --> 00:48:42,119

hypothesized the creature was cargo

1274

00:48:45,170 --> 00:48:44,400

rather than the pilot so any thoughts on

1275

00:48:50,809 --> 00:48:45,180

that

1276

00:48:53,089 --> 00:48:50,819

the same thing when we were in Brazil uh

1277

00:48:57,470 --> 00:48:53,099

I

1278

00:48:59,809 --> 00:48:57,480

well you know they didn't have a helmet

1279

00:49:03,290 --> 00:48:59,819

they didn't have any you know space suit

1280

00:49:04,910 --> 00:49:03,300

or anything on you know

1281

00:49:06,650 --> 00:49:04,920

you know it's strange isn't it because

1282

00:49:09,829 --> 00:49:06,660

if you look at the case like aerial

1283

00:49:11,690 --> 00:49:09,839

School in Zimbabwe from 94 and you know

1284

00:49:13,490 --> 00:49:11,700

the children witnessed these beings

1285

00:49:16,970 --> 00:49:13,500

wearing sort of what looked like space

1286

00:49:18,349 --> 00:49:16,980

suits and it's just like yeah uh black

1287

00:49:20,089 --> 00:49:18,359

tight fitting

1288

00:49:21,290 --> 00:49:20,099

suits yeah these these creatures

1289

00:49:22,490 --> 00:49:21,300

according to the eyewitnesses didn't

1290

00:49:23,990 --> 00:49:22,500

have any of that

1291

00:49:26,150 --> 00:49:24,000

I know

1292

00:49:29,450 --> 00:49:26,160

very strange and then other people have

1293

00:49:32,750 --> 00:49:29,460

suggested that they were sort of organic

1294

00:49:35,569 --> 00:49:32,760

robots or would that you know um

1295

00:49:38,569 --> 00:49:35,579

uh what do you call um living robots

1296

00:49:40,309 --> 00:49:38,579

kind of thing okay I I look I don't know

1297

00:49:43,430 --> 00:49:40,319

I'm just telling you sure yeah yeah no

1298

00:49:44,870 --> 00:49:43,440

no I like to hear the theories and and I

1299

00:49:46,609 --> 00:49:44,880

thought to myself well according to the

1300

00:49:47,510 --> 00:49:46,619

eyewitnesses these these beings were

1301
00:49:52,370 --> 00:49:47,520
scared

1302
00:49:53,569 --> 00:49:52,380
were feeble they wanted help

1303
00:49:55,730 --> 00:49:53,579
um

1304
00:49:57,710 --> 00:49:55,740
you know it's very unfortunate I didn't

1305
00:50:00,050 --> 00:49:57,720
get Dr Roger Lear on camera before he

1306
00:50:04,190 --> 00:50:00,060
died because he gave me his tapes yeah

1307
00:50:07,190 --> 00:50:04,200
we we tried to connect in 2013 and 2014

1308
00:50:09,950 --> 00:50:07,200
I can't remember the exact date and I

1309
00:50:12,109 --> 00:50:09,960
was really busy working on uh the

1310
00:50:13,910 --> 00:50:12,119
phenomenon I was working on Rua I'd

1311
00:50:17,809 --> 00:50:13,920
already been to Virginia once or twice

1312
00:50:19,970 --> 00:50:17,819
at that point probably twice and um he

1313
00:50:22,490 --> 00:50:19,980

was super excited that I was doing you

1314

00:50:25,309 --> 00:50:22,500

know doing the case and and we we tried

1315

00:50:26,990 --> 00:50:25,319

to get to get together and and um and do

1316

00:50:28,550 --> 00:50:27,000

an interview but at the end of the day

1317

00:50:29,690 --> 00:50:28,560

he was kind of frustrated and he said to

1318

00:50:31,069 --> 00:50:29,700

me well if you're not going to interview

1319

00:50:33,290 --> 00:50:31,079

me and I said look it's not a question

1320

00:50:35,630 --> 00:50:33,300

of me not wanting to interview you I'm

1321

00:50:37,730 --> 00:50:35,640

so busy right now with all these other

1322

00:50:40,130 --> 00:50:37,740

interviews he didn't say I'm dying of

1323

00:50:42,050 --> 00:50:40,140

cancer get my story on you know I wish

1324

00:50:44,450 --> 00:50:42,060

he had I would have done it at midnight

1325

00:50:46,430 --> 00:50:44,460

you know but uh he did give me the tapes

1326

00:50:50,870 --> 00:50:46,440

and I also got his book

1327

00:50:52,609 --> 00:50:50,880

and in his book The it's just a direct

1328

00:50:54,770 --> 00:50:52,619

translation of the tapes of the

1329

00:50:56,690 --> 00:50:54,780

interviews because I had the tapes and I

1330

00:50:59,450 --> 00:50:56,700

could see and I read the book so I could

1331

00:51:01,130 --> 00:50:59,460

see you know that he transcribed the

1332

00:51:03,290 --> 00:51:01,140

interviews and you know did some editing

1333

00:51:06,230 --> 00:51:03,300

but in the book yeah however there was

1334

00:51:08,210 --> 00:51:06,240

one meeting that he claims in his book

1335

00:51:10,309 --> 00:51:08,220

that he met with some doctors at the

1336

00:51:12,829 --> 00:51:10,319

hospital where I heard that the beans

1337

00:51:14,630 --> 00:51:12,839

were taken and the transported because I

1338

00:51:16,910 --> 00:51:14,640

spoke to the people directly involved

1339

00:51:19,430 --> 00:51:16,920

with that operation so the bean would

1340

00:51:21,829 --> 00:51:19,440

have been there according to them

1341

00:51:23,569 --> 00:51:21,839

um and the doctors met with Dr Roger

1342

00:51:26,390 --> 00:51:23,579

Lear according to Roger Lear and

1343

00:51:27,650 --> 00:51:26,400

according to his statements in his book

1344

00:51:29,329 --> 00:51:27,660

um everything else was accurate so I

1345

00:51:30,950 --> 00:51:29,339

have no reason to not believe it but I

1346

00:51:32,450 --> 00:51:30,960

couldn't get verification on it and I

1347

00:51:34,790 --> 00:51:32,460

didn't include it in the movie but

1348

00:51:37,010 --> 00:51:34,800

apparently according to Dr Roger Lear in

1349

00:51:39,410 --> 00:51:37,020

his book they met with two doctors from

1350

00:51:40,790 --> 00:51:39,420

humanitas hospital that said or maybe it

1351
00:51:43,010 --> 00:51:40,800
might have been Regional Hospital one of

1352
00:51:44,450 --> 00:51:43,020
the two where they're being there was a

1353
00:51:46,370 --> 00:51:44,460
being that was alive and there was some

1354
00:51:49,250 --> 00:51:46,380
telepathic communication with the two

1355
00:51:51,890 --> 00:51:49,260
doctors and those two doctors met with

1356
00:51:53,990 --> 00:51:51,900
Dr Roger Lear and they wouldn't allow Dr

1357
00:51:55,430 --> 00:51:54,000
Roger Lair to film them as he done with

1358
00:51:56,809 --> 00:51:55,440
them all the other Witnesses but they

1359
00:51:58,910 --> 00:51:56,819
said we'll give you our story in which

1360
00:52:01,069 --> 00:51:58,920
he included in his book

1361
00:52:04,250 --> 00:52:01,079
wow that's pretty impressive I mean

1362
00:52:05,390 --> 00:52:04,260
seeing Rogers you know footage in the

1363
00:52:07,010 --> 00:52:05,400

movie I thought was really good he

1364

00:52:09,829 --> 00:52:07,020

obviously did some great work and I

1365

00:52:10,690 --> 00:52:09,839

think he's with uh Uber is it in in the

1366

00:52:17,930 --> 00:52:10,700

yeah

1367

00:52:20,270 --> 00:52:17,940

shame it's a real shame that you know

1368

00:52:22,010 --> 00:52:20,280

unfortunately I know and I you know then

1369

00:52:23,390 --> 00:52:22,020

I found out in his book that he was with

1370

00:52:25,849 --> 00:52:23,400

another gentleman who was a fellow

1371

00:52:27,349 --> 00:52:25,859

doctor so I contacted him and then his

1372

00:52:29,809 --> 00:52:27,359

family said he just died a couple years

1373

00:52:32,089 --> 00:52:29,819

ago I was like oh God you know and then

1374

00:52:33,650 --> 00:52:32,099

Uber ajara won't talk to me so he was

1375

00:52:36,349 --> 00:52:33,660

the only other person in the room that I

1376

00:52:38,030 --> 00:52:36,359

know of maybe ubere will come forward I

1377

00:52:40,309 --> 00:52:38,040

don't know maybe let's keep our fingers

1378

00:52:42,170 --> 00:52:40,319

crossed yeah because I wonder if he

1379

00:52:44,329 --> 00:52:42,180

could back up what the story with the

1380

00:52:45,530 --> 00:52:44,339

doctors and the beings well he could but

1381

00:52:48,349 --> 00:52:45,540

wouldn't it be nice if those doctors

1382

00:52:50,809 --> 00:52:48,359

came forward well after yeah absolutely

1383

00:52:53,150 --> 00:52:50,819

that would be incredible more first-hand

1384

00:52:55,130 --> 00:52:53,160

testimony I mean it's like you say this

1385

00:52:56,990 --> 00:52:55,140

is the start of something rather than

1386

00:52:59,990 --> 00:52:57,000

you know we did our investigations and

1387

00:53:01,849 --> 00:53:00,000

this is the end of the year so I made a

1388

00:53:05,089 --> 00:53:01,859

conscious decision to put this film out

1389

00:53:07,130 --> 00:53:05,099

because we had some very solid leads in

1390

00:53:10,370 --> 00:53:07,140

fact if I wasn't a father with an

1391

00:53:13,370 --> 00:53:10,380

eight-year-old son and a family

1392

00:53:16,010 --> 00:53:13,380

um I would be there right now

1393

00:53:18,049 --> 00:53:16,020

um but we got pretty spooked that last

1394

00:53:20,150 --> 00:53:18,059

round I mean we were getting close

1395

00:53:22,010 --> 00:53:20,160

and it was spooky

1396

00:53:24,530 --> 00:53:22,020

um but again I you know I I would have

1397

00:53:25,790 --> 00:53:24,540

no problems if I wasn't a dad I'd be

1398

00:53:27,650 --> 00:53:25,800

there in Brazil and I wouldn't leave

1399

00:53:30,230 --> 00:53:27,660

till I came home with something I can

1400

00:53:33,230 --> 00:53:30,240

assure you of that but um I got pretty

1401
00:53:35,210 --> 00:53:33,240
spooked it got things got spooky and are

1402
00:53:36,950 --> 00:53:35,220
the witnesses that we were that we

1403
00:53:38,450 --> 00:53:36,960
either just met with or about to meet

1404
00:53:39,410 --> 00:53:38,460
with they were getting phone calls from

1405
00:53:41,210 --> 00:53:39,420
the base

1406
00:53:43,370 --> 00:53:41,220
and they were spooked and they just said

1407
00:53:44,270 --> 00:53:43,380
steer clear of us for six months which

1408
00:53:47,329 --> 00:53:44,280
we did

1409
00:53:49,309 --> 00:53:47,339
yeah scary stuff absolutely

1410
00:53:51,589 --> 00:53:49,319
I've got a great question here from RGH

1411
00:53:54,109 --> 00:53:51,599
UFOs did you try and track down the

1412
00:53:56,630 --> 00:53:54,119
witness from cindactor or hear from

1413
00:53:59,150 --> 00:53:56,640

anyone from USAF U.S southcom

1414

00:54:01,609 --> 00:53:59,160

catch up for all U.S forces related to

1415

00:54:04,549 --> 00:54:01,619

South America NORAD Etc

1416

00:54:07,490 --> 00:54:04,559

so uh no so the the

1417

00:54:09,770 --> 00:54:07,500

um a couple of things one is we spoke

1418

00:54:11,809 --> 00:54:09,780

directly with one a Brazilian researcher

1419

00:54:14,450 --> 00:54:11,819

or Marco Leal did who wrote a book on

1420

00:54:16,609 --> 00:54:14,460

the case and he had a government Insider

1421

00:54:19,430 --> 00:54:16,619

from the Brazilian government that

1422

00:54:21,109 --> 00:54:19,440

confirmed to him that it was NORAD that

1423

00:54:25,970 --> 00:54:21,119

gave them the heads up this it was

1424

00:54:27,290 --> 00:54:25,980

incoming and then I sent the uh film to

1425

00:54:28,549 --> 00:54:27,300

a couple of people I had on the inside

1426

00:54:30,890 --> 00:54:28,559

and they didn't seem to have a problem

1427

00:54:34,250 --> 00:54:30,900

with it so I left it in I went with it

1428

00:54:36,410 --> 00:54:34,260

so I was based on a Brazilian researcher

1429

00:54:38,930 --> 00:54:36,420

who wrote a book whose contact confirmed

1430

00:54:41,569 --> 00:54:38,940

to him but he wanted to remain anonymous

1431

00:54:42,890 --> 00:54:41,579

that the NORAD had given that signal it

1432

00:54:45,349 --> 00:54:42,900

was a tough call but I decided to

1433

00:54:46,910 --> 00:54:45,359

ultimately leave it in yeah and just for

1434

00:54:49,010 --> 00:54:46,920

anyone that's listening or what this is

1435

00:54:50,510 --> 00:54:49,020

the very start of the film where you

1436

00:54:52,849 --> 00:54:50,520

know it shows that Nora have been

1437

00:54:56,390 --> 00:54:52,859

tracking something which is very

1438

00:54:57,890 --> 00:54:56,400

interesting so yeah that's great

1439

00:54:59,510 --> 00:54:57,900

um I'm just conscious of the time we're

1440

00:55:01,609 --> 00:54:59,520

nearly on the hour mark what I'd love to

1441

00:55:04,670 --> 00:55:01,619

talk about before before we uh wrap up

1442

00:55:06,109 --> 00:55:04,680

is your next project uh because we've

1443

00:55:07,730 --> 00:55:06,119

heard you see little say little things

1444

00:55:09,470 --> 00:55:07,740

here and there on social media but if

1445

00:55:11,089 --> 00:55:09,480

you could just sort of give us what

1446

00:55:12,650 --> 00:55:11,099

you're planning and how much you can

1447

00:55:14,930 --> 00:55:12,660

tell us that would be that'd be really

1448

00:55:22,089 --> 00:55:14,940

great thank you sure so I'm starting

1449

00:55:30,290 --> 00:55:27,349

uh I'm starting next week and you know

1450

00:55:33,470 --> 00:55:30,300

when I met with former Senate Majority

1451

00:55:36,049 --> 00:55:33,480

Leader Harry Reid it was a big get for

1452

00:55:38,870 --> 00:55:36,059

me as a filmmaker and researcher I mean

1453

00:55:41,569 --> 00:55:38,880

it was a that was a household name right

1454

00:55:43,010 --> 00:55:41,579

yeah yeah and I have George Knapp to

1455

00:55:44,510 --> 00:55:43,020

thank for that thank you George Knapp

1456

00:55:46,970 --> 00:55:44,520

that was all him

1457

00:55:48,349 --> 00:55:46,980

and uh and actually one other person but

1458

00:55:49,190 --> 00:55:48,359

yeah

1459

00:55:51,049 --> 00:55:49,200

um

1460

00:55:53,569 --> 00:55:51,059

he confirmed

1461

00:55:56,750 --> 00:55:53,579

for me on camera

1462

00:55:58,790 --> 00:55:56,760

that the evidence that's leaked out

1463

00:55:59,990 --> 00:55:58,800

that's gotten out that was on the front

1464

00:56:01,370 --> 00:56:00,000

page of the New York Times and a

1465

00:56:03,410 --> 00:56:01,380

reminder audience that didn't just

1466

00:56:04,849 --> 00:56:03,420

happen those people found a loophole and

1467

00:56:08,270 --> 00:56:04,859

walked that stuff out

1468

00:56:10,430 --> 00:56:08,280

that is just the tip of the iceberg he

1469

00:56:13,970 --> 00:56:10,440

also had had mentioned I think to the

1470

00:56:16,490 --> 00:56:13,980

New Yorker that we talked about the the

1471

00:56:19,490 --> 00:56:16,500

aspect of the shutting down on and off

1472

00:56:20,809 --> 00:56:19,500

the nukes to me but then also in the New

1473

00:56:23,150 --> 00:56:20,819

Yorker things got pushed a little

1474

00:56:25,730 --> 00:56:23,160

further where he said that he'd heard of

1475

00:56:28,190 --> 00:56:25,740

this crash debris material and bodies

1476

00:56:29,690 --> 00:56:28,200

he'd turn accounts of this and for a

1477

00:56:33,710 --> 00:56:29,700

long time that it was with Lockheed

1478

00:56:37,190 --> 00:56:33,720

Martin yeah and um and uh that he had

1479

00:56:38,450 --> 00:56:37,200

asked for authorization for access to

1480

00:56:40,010 --> 00:56:38,460

see some of this stuff and they never

1481

00:56:41,930 --> 00:56:40,020

they refused to give him authorization

1482

00:56:43,609 --> 00:56:41,940

and it's funny it's like you'd say oh

1483

00:56:45,410 --> 00:56:43,619

there's nothing of any kind there you

1484

00:56:47,690 --> 00:56:45,420

know instead it's just a blanket denial

1485

00:56:49,490 --> 00:56:47,700

of no access I remember Barry Goldwater

1486

00:56:52,069 --> 00:56:49,500

said the same thing when he asked

1487

00:56:53,990 --> 00:56:52,079

General Curtis LeMay about access to the

1488

00:56:55,970 --> 00:56:54,000

the I guess it called the Blue Room at

1489

00:56:57,410 --> 00:56:55,980

Wright-Patterson Air Force Base so yeah

1490

00:57:00,829 --> 00:56:57,420

I think it's called the Blue Room yeah

1491

00:57:03,230 --> 00:57:00,839

yeah so I you know and then uh so that

1492

00:57:05,569 --> 00:57:03,240

was like a dangling you know carrot for

1493

00:57:08,089 --> 00:57:05,579

me obviously

1494

00:57:10,190 --> 00:57:08,099

um and then when I went to Brazil this

1495

00:57:13,130 --> 00:57:10,200

last time and we met with a number of

1496

00:57:15,530 --> 00:57:13,140

military former military uh Personnel

1497

00:57:17,270 --> 00:57:15,540

all of which on camera and they all

1498

00:57:18,770 --> 00:57:17,280

confirmed for me they're sprinkled

1499

00:57:20,630 --> 00:57:18,780

throughout the credits at the end as

1500

00:57:22,549 --> 00:57:20,640

well that the Americans were involved

1501

00:57:24,650 --> 00:57:22,559

the air traffic controller has come

1502

00:57:27,349 --> 00:57:24,660

forward recently and said that he saw

1503

00:57:30,410 --> 00:57:27,359

the United States Air Force land and

1504

00:57:31,910 --> 00:57:30,420

without an i without authorization from

1505

00:57:34,670 --> 00:57:31,920

the Brazilian government which is just

1506

00:57:38,630 --> 00:57:36,770

um the the helicopters that went from

1507

00:57:40,490 --> 00:57:38,640

Campinas which is where they all told us

1508

00:57:42,170 --> 00:57:40,500

they drove the bodies to so this

1509

00:57:44,150 --> 00:57:42,180

helicopter lands on the 20th of January

1510

00:57:47,089 --> 00:57:44,160

when these guys are picking up these

1511

00:57:50,030 --> 00:57:47,099

bodies the helicopters go from Campinas

1512

00:57:52,069 --> 00:57:50,040

to Virginia with the US and then back to

1513

00:57:53,870 --> 00:57:52,079

Campinas right so you got that and then

1514

00:57:55,490 --> 00:57:53,880

all these military guys saying that the

1515

00:57:57,290 --> 00:57:55,500

Americans were involved and they took

1516

00:57:59,450 --> 00:57:57,300

this material back to the United States

1517

00:58:00,770 --> 00:57:59,460

of course the trail goes cold once the

1518

00:58:03,109 --> 00:58:00,780

United States Air Force plane left

1519

00:58:05,089 --> 00:58:03,119

Campinas and so

1520

00:58:06,290 --> 00:58:05,099

um I kind of want to walk the halls of

1521

00:58:07,910 --> 00:58:06,300

Congress I want to ask the right

1522

00:58:09,770 --> 00:58:07,920

questions I want to find out where this

1523

00:58:11,450 --> 00:58:09,780

evidence is

1524

00:58:12,549 --> 00:58:11,460

um and who has the authority to release

1525

00:58:16,190 --> 00:58:12,559

it

1526

00:58:17,930 --> 00:58:16,200

yeah I also kind of want to explore the

1527

00:58:19,190 --> 00:58:17,940

idea of and I hate to use the word

1528

00:58:21,410 --> 00:58:19,200

disclosure I know it has a lot of

1529

00:58:23,030 --> 00:58:21,420

baggage but if the story did come out on

1530

00:58:24,950 --> 00:58:23,040

a grand scale

1531

00:58:26,690 --> 00:58:24,960

um the projected anticipation of the

1532

00:58:28,549 --> 00:58:26,700

impact you would have on society and

1533

00:58:29,569 --> 00:58:28,559

religion and cultures and and all that

1534

00:58:31,130 --> 00:58:29,579

stuff

1535

00:58:32,390 --> 00:58:31,140

yeah I think it's the right time for

1536

00:58:34,370 --> 00:58:32,400

something like that personally I mean

1537

00:58:36,109 --> 00:58:34,380

the crash retrieval thing is everywhere

1538

00:58:37,910 --> 00:58:36,119

at the moment so I think that would fit

1539

00:58:39,710 --> 00:58:37,920

in really well I'm sure you would be

1540

00:58:41,990 --> 00:58:39,720

able to take it to another level

1541

00:58:44,150 --> 00:58:42,000

so I certainly look forward to something

1542

00:58:45,530 --> 00:58:44,160

like that the hunt goes on and I can

1543

00:58:47,990 --> 00:58:45,540

assure your audience that this is just

1544

00:58:50,150 --> 00:58:48,000

the beginning I'm not I'm not going

1545

00:58:54,049 --> 00:58:50,160

anywhere and I'm damn straight not

1546

00:58:55,910 --> 00:58:54,059

giving up you know yeah I'm I'm uh and

1547

00:58:57,289 --> 00:58:55,920

if anybody thinks there's anyone on the

1548

00:58:59,030 --> 00:58:57,299

planet that wants that photographic

1549

00:59:01,549 --> 00:58:59,040

evidence more than me I ask you please

1550

00:59:03,650 --> 00:59:01,559

to reconsider this has been a nearly

1551
00:59:06,049 --> 00:59:03,660
30-year Journey For Me In which I make

1552
00:59:07,130 --> 00:59:06,059
all my investigations public with all of

1553
00:59:08,450 --> 00:59:07,140
you

1554
00:59:10,010 --> 00:59:08,460
um because I think we're all entitled to

1555
00:59:12,770 --> 00:59:10,020
know what the bloody hell is going on

1556
00:59:15,349 --> 00:59:12,780
even if it's a little scary and so um

1557
00:59:18,109 --> 00:59:15,359
this is just the beginning and I'm

1558
00:59:20,030 --> 00:59:18,119
um I appreciate your support I

1559
00:59:21,650 --> 00:59:20,040
appreciate all of your all of your

1560
00:59:23,329 --> 00:59:21,660
support I really mean that from the

1561
00:59:24,710 --> 00:59:23,339
bottom of my heart

1562
00:59:26,630 --> 00:59:24,720
um if they want to watch a moment of

1563
00:59:28,789 --> 00:59:26,640

contact I'll quickly say if you want to

1564

00:59:31,609 --> 00:59:28,799

rent it get it from Amazon it's the

1565

00:59:33,770 --> 00:59:31,619

cheapest if you want to buy it well if

1566

00:59:35,390 --> 00:59:33,780

you want to buy it get it from iTunes or

1567

00:59:38,030 --> 00:59:35,400

Vimeo because it comes with two hours

1568

00:59:40,309 --> 00:59:38,040

roughly two hours of bonus material at

1569

00:59:42,589 --> 00:59:40,319

no extra cost you do not get it when you

1570

00:59:43,970 --> 00:59:42,599

buy it on Amazon and I have people upset

1571

00:59:45,890 --> 00:59:43,980

that I didn't tell them that why didn't

1572

00:59:48,109 --> 00:59:45,900

you tell me I bought it on Amazon it's

1573

00:59:50,210 --> 00:59:48,119

like so iTunes and also if your audience

1574

00:59:52,010 --> 00:59:50,220

could take a moment to to rate our the

1575

00:59:54,109 --> 00:59:52,020

film it's tremendously helpful thank you

1576

00:59:55,789 --> 00:59:54,119

yeah no problem at all thank you so much

1577

00:59:57,230 --> 00:59:55,799

and the links are in the description of

1578

00:59:59,510 --> 00:59:57,240

this video where you can go to all of

1579

01:00:02,390 --> 00:59:59,520

those platforms to like James says buy

1580

01:00:04,789 --> 01:00:02,400

or rent it James once again thank you so

1581

01:00:06,710 --> 01:00:04,799

much this really is an honor to speak

1582

01:00:08,870 --> 01:00:06,720

with you directly thank you to everybody

1583

01:00:11,510 --> 01:00:08,880

for all your questions and for your

1584

01:00:13,970 --> 01:00:11,520

donations kc12 and Sean Kettle I'm sorry

1585

01:00:17,950 --> 01:00:13,980

I didn't get to ask you questions I'm

1586

01:00:20,870 --> 01:00:17,960

going to be back on Friday with a 747

1587

01:00:22,430 --> 01:00:20,880

cargo pilot who after six months of

1588

01:00:25,250 --> 01:00:22,440

chatting with him he's decided to come

1589

01:00:27,589 --> 01:00:25,260

forward with his stories of anomalous

1590

01:00:29,030 --> 01:00:27,599

sightings and he has some photographs

1591

01:00:31,849 --> 01:00:29,040

he's going to show us so come and join
