## Skinwalker Ranch, Remote Viewing & Historical Research

RYAN SKINNER AND CHERYL CARTER

**SKINWALKER  
RANCH**  
THE BASIN FILES

Skinwalker Ranch is an anomalous place that holds on to secrets; secrets that whisper of legends, ancient energies, forbidden knowledge, and other worldly beings.

Available on Amazon and Amazon

TEAM**

1  
00:00:10,390 --> 00:00:06,070

[Music]

2  
00:00:16,430 --> 00:00:13,549

they were complex narratives of being

3  
00:00:20,529 --> 00:00:16,440

taken by alien beings into UFOs on beams

4  
00:00:31,130 --> 00:00:23,450

the Air Force is trying to cover up with

5  
00:00:36,110 --> 00:00:33,590

from my own point of view I'm going to

6  
00:00:37,910 --> 00:00:36,120

be very disappointed if UFOs turn out to

7  
00:00:39,170 --> 00:00:37,920

be nothing more than visit us from

8  
00:00:42,770 --> 00:00:39,180

another planet because I think there

9  
00:00:42,780 --> 00:00:45,920

foreign

10  
00:01:08,090 --> 00:01:05,329

[Music]

11  
00:01:10,070 --> 00:01:08,100

what is up everybody welcome back to the

12  
00:01:12,350 --> 00:01:10,080

disclosure team Channel I'm your host

13  
00:01:13,609 --> 00:01:12,360

Vinnie Adams

14

00:01:15,230 --> 00:01:13,619

um you'll have to excuse if you're

15

00:01:16,730 --> 00:01:15,240

watching I feel like I've got this green

16

00:01:18,649 --> 00:01:16,740

Hue around me

17

00:01:20,929 --> 00:01:18,659

the green screen is playing up for me

18

00:01:23,510 --> 00:01:20,939

today so if you notice it my apologies

19

00:01:25,850 --> 00:01:23,520

uh before we bring on my guest it's the

20

00:01:27,350 --> 00:01:25,860

usual kind of house rules please leave

21

00:01:29,510 --> 00:01:27,360

any questions that you might have during

22

00:01:32,090 --> 00:01:29,520

the interview in capital letters or

23

00:01:33,590 --> 00:01:32,100

super chats if you wanted to uh donate

24

00:01:36,890 --> 00:01:33,600

to the to the channel

25

00:01:39,350 --> 00:01:36,900

and please keep the chat cool calm kind

26

00:01:41,710 --> 00:01:39,360

collected all that good stuff which you

27

00:01:45,890 --> 00:01:41,720

normally do but you know just in case

28

00:01:48,289 --> 00:01:45,900

and uh one last thing is that we are now

29

00:01:51,170 --> 00:01:48,299

going to be doing pretty much one show a

30

00:01:52,490 --> 00:01:51,180

week every Wednesday I wanted to sort of

31

00:01:54,649 --> 00:01:52,500

form some kind of structure going

32

00:01:57,350 --> 00:01:54,659

forward so that you know it it's not

33

00:01:58,850 --> 00:01:57,360

just chopping all over the place uh the

34

00:02:00,950 --> 00:01:58,860

only reason why that might change every

35

00:02:02,510 --> 00:02:00,960

now and again is if a guest can't make

36

00:02:04,969 --> 00:02:02,520

it on let's say a Wednesday but they can

37

00:02:06,530 --> 00:02:04,979

make it on a Thursday but obviously I

38

00:02:08,510 --> 00:02:06,540

will post about that across all my sort

39

00:02:10,130 --> 00:02:08,520

of social media platforms and stuff so

40

00:02:11,330 --> 00:02:10,140

yeah

41

00:02:13,550 --> 00:02:11,340

um I just want to give a shout out as

42

00:02:16,309 --> 00:02:13,560

well to all my patreons and YouTube

43

00:02:18,650 --> 00:02:16,319

members I haven't been producing much

44

00:02:20,809 --> 00:02:18,660

content away from the live interviews uh

45

00:02:23,270 --> 00:02:20,819

over the past few months but going

46

00:02:24,830 --> 00:02:23,280

forward 2023 I promised myself I would

47

00:02:27,470 --> 00:02:24,840

start putting out more content that's

48

00:02:29,330 --> 00:02:27,480

not just the kind of live interviews so

49

00:02:32,570 --> 00:02:29,340

I am working on some new projects for

50

00:02:33,949 --> 00:02:32,580

you guys the members and the patreons

51  
00:02:35,270 --> 00:02:33,959  
um if you're interested in that until

52  
00:02:38,089 --> 00:02:35,280  
you can find the links in the

53  
00:02:40,490 --> 00:02:38,099  
description below but if not the videos

54  
00:02:42,410 --> 00:02:40,500  
will be made public just not at the same

55  
00:02:44,869 --> 00:02:42,420  
time just a little bit later so yeah

56  
00:02:47,210 --> 00:02:44,879  
there we are guys so my guest today

57  
00:02:49,490 --> 00:02:47,220  
Cheryl Lynn Carter is a

58  
00:02:52,309 --> 00:02:49,500  
psychic medium a remote viewer an

59  
00:02:55,369 --> 00:02:52,319  
investigator researcher of the

60  
00:02:57,710 --> 00:02:55,379  
Paranormal UFOs Bigfoot so many

61  
00:02:59,330 --> 00:02:57,720  
different aspects of the phenomena and

62  
00:03:01,550 --> 00:02:59,340  
we're going to touch upon all of those

63  
00:03:03,770 --> 00:03:01,560

subjects tonight in the interview so

64

00:03:06,770 --> 00:03:03,780

let's not waste any more time and please

65

00:03:08,750 --> 00:03:06,780

welcome Charlene Carter hi Cheryl how

66

00:03:10,430 --> 00:03:08,760

are you I'm good

67

00:03:13,009 --> 00:03:10,440

thank you so much for being here I

68

00:03:14,390 --> 00:03:13,019

really appreciate it

69

00:03:16,190 --> 00:03:14,400

so

70

00:03:18,290 --> 00:03:16,200

I mean there's a lot to talk about but I

71

00:03:20,270 --> 00:03:18,300

guess the the first question would

72

00:03:22,430 --> 00:03:20,280

really be going back to your your very

73

00:03:23,809 --> 00:03:22,440

first interests in in any kind of

74

00:03:25,790 --> 00:03:23,819

straight High strangeness or the

75

00:03:27,770 --> 00:03:25,800

phenomena paranormal where did it all

76

00:03:33,229 --> 00:03:27,780

start for you

77

00:03:36,290 --> 00:03:34,490

meters all

78

00:03:37,910 --> 00:03:36,300

right and when when you're kids you

79

00:03:40,070 --> 00:03:37,920

don't know what it is I just I just

80

00:03:43,009 --> 00:03:40,080

think everybody does this

81

00:03:44,390 --> 00:03:43,019

but the first thing I saw was I was at

82

00:03:46,009 --> 00:03:44,400

my grandma's

83

00:03:48,170 --> 00:03:46,019

my aunt's Farm

84

00:03:51,589 --> 00:03:48,180

and I was about four or five years old

85

00:03:54,050 --> 00:03:51,599

and I was upstairs and I went into one

86

00:03:56,149 --> 00:03:54,060

of the rooms and she had a bunch of old

87

00:03:58,850 --> 00:03:56,159

Trunks and boxes you know little kids

88

00:04:01,309 --> 00:03:58,860

like to Snoop and see what's in there

89

00:04:03,649 --> 00:04:01,319

so I'm looking nothing nothing close and

90

00:04:06,289 --> 00:04:03,659

then I saw this little boy standing

91

00:04:08,449 --> 00:04:06,299

behind one of the trunks he was about my

92

00:04:10,130 --> 00:04:08,459

age and I thought that's strange my aunt

93

00:04:11,690 --> 00:04:10,140

shouldn't have a little boy up in her

94

00:04:13,910 --> 00:04:11,700

attic

95

00:04:15,770 --> 00:04:13,920

and I got closer and I noticed I could

96

00:04:18,289 --> 00:04:15,780

see through him

97

00:04:20,270 --> 00:04:18,299

which I thought was strange too and that

98

00:04:22,909 --> 00:04:20,280

he reached out his hand to touch me he

99

00:04:25,310 --> 00:04:22,919

was really cold and I ran down the

100

00:04:28,850 --> 00:04:25,320

stairs and I never told anybody

101  
00:04:31,310 --> 00:04:28,860  
I didn't tell my aunt for years

102  
00:04:32,810 --> 00:04:31,320  
but like I said it was just normal to me

103  
00:04:34,670 --> 00:04:32,820  
all these things would happen to me all

104  
00:04:37,010 --> 00:04:34,680  
the time I would see things I would hear

105  
00:04:38,450 --> 00:04:37,020  
voices and I would know things that I

106  
00:04:40,310 --> 00:04:38,460  
shouldn't know

107  
00:04:42,950 --> 00:04:40,320  
but I just thought it was a natural

108  
00:04:44,810 --> 00:04:42,960  
thing all the kids could do stuff

109  
00:04:47,450 --> 00:04:44,820  
like that until I found out I was

110  
00:04:49,270 --> 00:04:47,460  
different and you know keep people in

111  
00:04:51,650 --> 00:04:49,280  
school thought it was weird

112  
00:04:53,390 --> 00:04:51,660  
so when did that when did you first kind

113  
00:04:55,550 --> 00:04:53,400

of start actually developing these kind

114

00:04:57,710 --> 00:04:55,560

of abilities probably high school

115

00:04:58,610 --> 00:04:57,720

because then then I met somebody else

116

00:05:02,810 --> 00:04:58,620

and

117

00:05:05,090 --> 00:05:02,820

then then we start finding books because

118

00:05:07,850 --> 00:05:05,100

there were no TV shows and on you know

119

00:05:09,650 --> 00:05:07,860

no internet at that time to see these

120

00:05:12,469 --> 00:05:09,660

things to know that you weren't the only

121

00:05:14,990 --> 00:05:12,479

one uh knowing this stuff you know

122

00:05:16,670 --> 00:05:15,000

and did you kind of you know go to the

123

00:05:19,610 --> 00:05:16,680

library look at books on the on the

124

00:05:21,590 --> 00:05:19,620

subject yeah and understand it more yeah

125

00:05:24,830 --> 00:05:21,600

that's fascinating yeah

126

00:05:26,930 --> 00:05:24,840

so you know moving on when did that you

127

00:05:29,629 --> 00:05:26,940

know enhance into more kind of research

128

00:05:31,070 --> 00:05:29,639

and let's say investigations as well

129

00:05:32,870 --> 00:05:31,080

because you know if you you've kind of

130

00:05:35,150 --> 00:05:32,880

got this psychic medium aspect to your

131

00:05:36,710 --> 00:05:35,160

life that you've grown up with and then

132

00:05:38,570 --> 00:05:36,720

obviously you've gone off in so many

133

00:05:41,810 --> 00:05:38,580

other directions so what came first

134

00:05:44,450 --> 00:05:41,820

after that and and how did that start

135

00:05:46,189 --> 00:05:44,460

yeah probably when I was was 20 because

136

00:05:48,290 --> 00:05:46,199

then I I started going out and I started

137

00:05:51,469 --> 00:05:48,300

investigating places

138

00:05:52,909 --> 00:05:51,479

and I I thought it was was so much fun

139

00:05:55,310 --> 00:05:52,919

because

140

00:05:56,810 --> 00:05:55,320

people had all their equipment but I

141

00:05:58,430 --> 00:05:56,820

could actually have the spirits talk to

142

00:06:03,290 --> 00:05:58,440

me

143

00:06:04,909 --> 00:06:03,300

recorder going and they played it and I

144

00:06:06,710 --> 00:06:04,919

and I told him what a spirit told me and

145

00:06:08,749 --> 00:06:06,720

then they played it back and the spirit

146

00:06:10,310 --> 00:06:08,759

said that on the recorder too so I loved

147

00:06:12,170 --> 00:06:10,320

that was

148

00:06:14,749 --> 00:06:12,180

so I'm I'm like an extra piece of

149

00:06:17,510 --> 00:06:14,759

equipment sure sure and what sort of

150

00:06:22,430 --> 00:06:17,520

locations were you kind of visiting

151  
00:06:23,689 --> 00:06:22,440  
oh I've been to Waverly Hills many times

152  
00:06:27,050 --> 00:06:23,699  
um

153  
00:06:31,670 --> 00:06:29,629  
down in Alton Illinois

154  
00:06:34,790 --> 00:06:31,680  
at the Mineral Springs hotel and

155  
00:06:37,070 --> 00:06:34,800  
probably seen that on TV a lot of times

156  
00:06:39,529 --> 00:06:37,080  
that was a little place yeah all kind of

157  
00:06:42,529 --> 00:06:39,539  
famous known kind of Haunting haunted

158  
00:06:44,390 --> 00:06:42,539  
spots maybe Saint Albans in West

159  
00:06:46,129 --> 00:06:44,400  
Virginia

160  
00:06:47,510 --> 00:06:46,139  
yeah I mean I I

161  
00:06:49,670 --> 00:06:47,520  
obviously I've watched a lot of

162  
00:06:53,029 --> 00:06:49,680  
paranormal TV shows over the years but I

163  
00:06:55,370 --> 00:06:53,039

I put myself in those places and I just

164

00:06:57,110 --> 00:06:55,380

I'd be so scared I don't think I could

165

00:06:59,210 --> 00:06:57,120

stay there for very long that's great

166

00:07:00,350 --> 00:06:59,220

I've only run into something scary one

167

00:07:04,010 --> 00:07:00,360

time

168

00:07:07,010 --> 00:07:04,020

I guess I guess when you can't see

169

00:07:09,110 --> 00:07:07,020

what I see that it might be scary to you

170

00:07:10,909 --> 00:07:09,120

yeah the only the only time something

171

00:07:13,370 --> 00:07:10,919

was scary was

172

00:07:15,650 --> 00:07:13,380

when I I was at a Madison Summit

173

00:07:17,390 --> 00:07:15,660

seminary in Ohio

174

00:07:19,309 --> 00:07:17,400

and my friends and I have gone there

175

00:07:22,309 --> 00:07:19,319

many times and we were just in the wrong

176

00:07:25,070 --> 00:07:22,319

place at the wrong time that night and

177

00:07:28,370 --> 00:07:25,080

something jumped into my friend

178

00:07:30,529 --> 00:07:28,380

wow and you know you see that on TV and

179

00:07:31,490 --> 00:07:30,539

they just go heck yeah we're gonna you

180

00:07:33,830 --> 00:07:31,500

know just I don't know what you're gonna

181

00:07:34,909 --> 00:07:33,840

do to get it off and scared the heck out

182

00:07:38,330 --> 00:07:34,919

of me because he turned around and

183

00:07:42,469 --> 00:07:38,340

looked at me and his eyes were black

184

00:07:45,529 --> 00:07:43,909

I mean how'd you deal with something

185

00:07:47,270 --> 00:07:45,539

like that like I said if it was me I

186

00:07:49,490 --> 00:07:47,280

just wouldn't be able to to cope with it

187

00:07:51,110 --> 00:07:49,500

it would just I'd be scared it would

188

00:07:53,450 --> 00:07:51,120

freak me out I think I'd get that

189

00:07:55,850 --> 00:07:53,460

natural you know fight or flight and run

190

00:07:57,710 --> 00:07:55,860

kind of I took my I took my cross off my

191

00:07:58,370 --> 00:07:57,720

neck and I stuck it on his forehead and

192

00:08:00,529 --> 00:07:58,380

we

193

00:08:02,570 --> 00:08:00,539

sent over him and that wasn't helping

194

00:08:04,550 --> 00:08:02,580

so my other friend came up and he got

195

00:08:07,129 --> 00:08:04,560

him outside he says walk it off walk it

196

00:08:09,110 --> 00:08:07,139

off and I said he can't walk it off as I

197

00:08:10,909 --> 00:08:09,120

was vending that weekend so I went in my

198

00:08:13,490 --> 00:08:10,919

truck and I had Saint Benedict's medals

199

00:08:15,529 --> 00:08:13,500

which they use for exorcisms

200

00:08:16,969 --> 00:08:15,539

so I went and I got one I I put it

201  
00:08:18,890 --> 00:08:16,979  
around his neck he goes what's that go

202  
00:08:20,450 --> 00:08:18,900  
just just put it on just put it on and

203  
00:08:22,610 --> 00:08:20,460  
within seconds

204  
00:08:26,270 --> 00:08:22,620  
his face changed his eyes were normal

205  
00:08:28,730 --> 00:08:26,280  
and he was okay again those things work

206  
00:08:30,350 --> 00:08:28,740  
so these these Spirits or entities that

207  
00:08:32,149 --> 00:08:30,360  
you encountered during these paranormal

208  
00:08:34,370 --> 00:08:32,159  
investigations where do they reside is

209  
00:08:36,529 --> 00:08:34,380  
it like a spirit realm or is it another

210  
00:08:39,290 --> 00:08:36,539  
dimension and you know how do you kind

211  
00:08:41,449 --> 00:08:39,300  
of know where they are and that

212  
00:08:44,149 --> 00:08:41,459  
I'm not sure if some of them are

213  
00:08:46,850 --> 00:08:44,159

actually at the location or if some

214

00:08:49,009 --> 00:08:46,860

might come and go from the locations

215

00:08:50,509 --> 00:08:49,019

yeah and I do believe there's still even

216

00:08:52,070 --> 00:08:50,519

though they're at that location they're

217

00:08:54,170 --> 00:08:52,080

in different dimensions

218

00:08:55,130 --> 00:08:54,180

at that place

219

00:08:56,750 --> 00:08:55,140

when do you think there's any connection

220

00:08:58,970 --> 00:08:56,760

between that kind of entity the

221

00:09:00,949 --> 00:08:58,980

paranormal ghost like entity and and

222

00:09:10,850 --> 00:09:00,959

let's say some of the entities seen in

223

00:09:14,150 --> 00:09:12,470

it could be aliens could it be

224

00:09:15,710 --> 00:09:14,160

inter-dimension we could be talking all

225

00:09:17,389 --> 00:09:15,720

kinds of things you're just assuming

226

00:09:19,490 --> 00:09:17,399

it's a human spirit

227

00:09:21,829 --> 00:09:19,500

yeah and that's the thing I think until

228

00:09:23,930 --> 00:09:21,839

we have you know that 100 conclusive

229

00:09:26,570 --> 00:09:23,940

evidence of what things are I suppose

230

00:09:29,870 --> 00:09:26,580

you need to keep more things open and on

231

00:09:34,550 --> 00:09:31,970

I see somebody's asking who trained me

232

00:09:35,650 --> 00:09:34,560

in remote viewing nobody I was just born

233

00:09:39,170 --> 00:09:35,660

this way

234

00:09:41,150 --> 00:09:39,180

oh wow we're definitely don't ask me how

235

00:09:43,250 --> 00:09:41,160

I do I just do it I don't know how

236

00:09:45,410 --> 00:09:43,260

nobody definitely we'll get on to that

237

00:09:46,790 --> 00:09:45,420

in a minute I think in fact it might as

238

00:09:48,230 --> 00:09:46,800

well let's just let's jump on to that

239

00:09:50,690 --> 00:09:48,240

can you tell us about what the sci

240

00:09:52,730 --> 00:09:50,700

Institute is how it came about

241

00:09:54,050 --> 00:09:52,740

um what you kind of wanted to get from

242

00:09:56,389 --> 00:09:54,060

it

243

00:09:58,430 --> 00:09:56,399

well I I had a I had a friend in

244

00:10:00,470 --> 00:09:58,440

Illinois that you know that I met at a

245

00:10:02,810 --> 00:10:00,480

conference and he wanted to put together

246

00:10:06,530 --> 00:10:02,820

a group of Psychics to help look for

247

00:10:10,009 --> 00:10:06,540

missing people and close uh cold cases

248

00:10:11,870 --> 00:10:10,019

and so he put together eight people and

249

00:10:13,970 --> 00:10:11,880

we are from all different parts of the

250

00:10:15,350 --> 00:10:13,980

United States I think I've only met two

251  
00:10:17,269 --> 00:10:15,360  
in person

252  
00:10:19,009 --> 00:10:17,279  
so we don't talk to each other when

253  
00:10:21,769 --> 00:10:19,019  
we're getting our information but he'll

254  
00:10:23,509 --> 00:10:21,779  
he'll go here's a case for us and he

255  
00:10:26,690 --> 00:10:23,519  
he'll just show us the person's picture

256  
00:10:28,910 --> 00:10:26,700  
and say they're missing us and and so I

257  
00:10:32,389 --> 00:10:28,920  
have to look at their picture and

258  
00:10:34,490 --> 00:10:32,399  
I can see where they were who was around

259  
00:10:37,009 --> 00:10:34,500  
them if someone did something to them I

260  
00:10:39,350 --> 00:10:37,019  
could see who the person was and then we

261  
00:10:40,790 --> 00:10:39,360  
give him all our information and he goes

262  
00:10:42,710 --> 00:10:40,800  
to the police

263  
00:10:44,810 --> 00:10:42,720

and hopefully the police will listen

264

00:10:47,030 --> 00:10:44,820

sometimes they don't

265

00:10:49,490 --> 00:10:47,040

sometimes they say oh psychics yeah go

266

00:10:51,590 --> 00:10:49,500

away yeah about have the police actually

267

00:10:53,750 --> 00:10:51,600

approached you in certain cases to kind

268

00:10:56,210 --> 00:10:53,760

of as a not me directly they've got to

269

00:10:57,889 --> 00:10:56,220

him and then he comes yeah and what kind

270

00:11:00,170 --> 00:10:57,899

of success have you had doing these kind

271

00:11:01,730 --> 00:11:00,180

of uh you know remote viewing or

272

00:11:03,590 --> 00:11:01,740

forensic remote very good and then I

273

00:11:06,769 --> 00:11:03,600

actually I also have a um software

274

00:11:09,110 --> 00:11:06,779

program on my computer it's called faces

275

00:11:11,690 --> 00:11:09,120

and it's like the composite that the

276

00:11:13,490 --> 00:11:11,700

police use and I can I can make a

277

00:11:15,949 --> 00:11:13,500

picture of the face

278

00:11:18,350 --> 00:11:15,959

of like the killer or the abductor I can

279

00:11:20,150 --> 00:11:18,360

make a picture to send the police also

280

00:11:21,410 --> 00:11:20,160

yeah because I read obviously in your

281

00:11:25,130 --> 00:11:21,420

bio I think it's something like nearly

282

00:11:28,009 --> 00:11:25,140

400 500 missing children rescued closed

283

00:11:30,290 --> 00:11:28,019

21 cold cases and shut down 19 human

284

00:11:32,030 --> 00:11:30,300

trafficking rings I mean that's an

285

00:11:33,710 --> 00:11:32,040

impressive number across the board on

286

00:11:35,750 --> 00:11:33,720

all of those things so because you could

287

00:11:37,970 --> 00:11:35,760

be be looking for one person and then

288

00:11:39,829 --> 00:11:37,980

when they find them there could be six

289

00:11:41,630 --> 00:11:39,839

people there that they found that's how

290

00:11:43,490 --> 00:11:41,640

we got all the number in the human

291

00:11:44,329 --> 00:11:43,500

trafficking because one could turn into

292

00:11:46,970 --> 00:11:44,339

many

293

00:11:48,590 --> 00:11:46,980

yeah so with this you know these this

294

00:11:50,509 --> 00:11:48,600

remote viewing and have you spoken to

295

00:11:52,009 --> 00:11:50,519

other remote viewers is it is it the

296

00:11:53,630 --> 00:11:52,019

kind of skill that I mean obviously you

297

00:11:55,970 --> 00:11:53,640

say you kind of had it naturally but is

298

00:11:59,090 --> 00:11:55,980

it still something that you can develop

299

00:12:00,710 --> 00:11:59,100

and and make stronger

300

00:12:02,750 --> 00:12:00,720

the only way I think you can do is just

301  
00:12:05,509 --> 00:12:02,760  
practice

302  
00:12:07,910 --> 00:12:05,519  
yeah yeah have you looked at I mean have

303  
00:12:09,710 --> 00:12:07,920  
you done any other kind of work with

304  
00:12:11,690 --> 00:12:09,720  
remote viewing when it comes to studying

305  
00:12:13,190 --> 00:12:11,700  
the Paranormal say or UFOs or anything

306  
00:12:15,769 --> 00:12:13,200  
like that

307  
00:12:18,650 --> 00:12:15,779  
well the other thing I do is I I have a

308  
00:12:20,750 --> 00:12:18,660  
I have a team that lives in my friends

309  
00:12:23,210 --> 00:12:20,760  
that lived in Georgia and when they're

310  
00:12:25,790 --> 00:12:23,220  
doing an investigation they will

311  
00:12:27,470 --> 00:12:25,800  
get on Facebook Messenger with me and I

312  
00:12:29,569 --> 00:12:27,480  
will help them during their

313  
00:12:30,769 --> 00:12:29,579

investigation because I can remote view

314

00:12:32,930 --> 00:12:30,779

there

315

00:12:35,090 --> 00:12:32,940

wow

316

00:12:36,650 --> 00:12:35,100

now you've actually you're a member of

317

00:12:38,269 --> 00:12:36,660

mufon is that is that still a current

318

00:12:41,030 --> 00:12:38,279

membership or was that something in the

319

00:12:43,430 --> 00:12:41,040

past no still a member I'm studying to

320

00:12:45,290 --> 00:12:43,440

be a field investigator as we speak oh

321

00:12:46,670 --> 00:12:45,300

one of us great and when so when did you

322

00:12:48,110 --> 00:12:46,680

first join and what was it that you kind

323

00:12:50,750 --> 00:12:48,120

of wanted to get from it was it just you

324

00:12:53,569 --> 00:12:50,760

wanted to just develop more skills about

325

00:12:55,490 --> 00:12:53,579

six years ago just curious yeah just

326

00:12:58,370 --> 00:12:55,500

curious I wanted to you know meet other

327

00:13:00,290 --> 00:12:58,380

people it's it's not like the Paranormal

328

00:13:02,629 --> 00:13:00,300

and the Paranormal somebody might say

329

00:13:04,129 --> 00:13:02,639

all right my evidence is better than

330

00:13:06,889 --> 00:13:04,139

yours and all that

331

00:13:08,990 --> 00:13:06,899

the UFO Community you you sit there and

332

00:13:10,730 --> 00:13:09,000

talk and people listen they just stop

333

00:13:13,370 --> 00:13:10,740

and listen to you talk and they don't

334

00:13:15,590 --> 00:13:13,380

judge you it's a whole different

335

00:13:18,110 --> 00:13:15,600

and uh we're right now we're we're doing

336

00:13:20,030 --> 00:13:18,120

remote meetings but we used to have a

337

00:13:22,009 --> 00:13:20,040

meeting once a month out of at a place

338

00:13:23,750 --> 00:13:22,019

and the public could come in and we'd

339

00:13:25,550 --> 00:13:23,760

have a guest speaker

340

00:13:27,710 --> 00:13:25,560

and it was very nice but it was nice

341

00:13:30,350 --> 00:13:27,720

that you could get together with other

342

00:13:32,090 --> 00:13:30,360

people and discuss stuff

343

00:13:34,670 --> 00:13:32,100

oh that's great so as a field

344

00:13:36,170 --> 00:13:34,680

investigator would that be a once you've

345

00:13:37,970 --> 00:13:36,180

qualified for that would is that boots

346

00:13:39,530 --> 00:13:37,980

on the ground research is that going out

347

00:13:42,350 --> 00:13:39,540

to locations

348

00:13:43,970 --> 00:13:42,360

what how does it work you you could go

349

00:13:45,650 --> 00:13:43,980

out to a location or you could talk to

350

00:13:47,870 --> 00:13:45,660

the people on the phone too but you're

351

00:13:49,730 --> 00:13:47,880

you're checking you know what was the

352

00:13:51,610 --> 00:13:49,740

those all kinds of reports to check what

353

00:13:53,930 --> 00:13:51,620

was in the what was the weather that day

354

00:13:55,610 --> 00:13:53,940

what could be in the sky at that time

355

00:13:57,949 --> 00:13:55,620

there's all kinds of reports that you

356

00:13:59,750 --> 00:13:57,959

check to before you just take their word

357

00:14:02,750 --> 00:13:59,760

that something happened

358

00:14:05,269 --> 00:14:02,760

yeah wow that's incredible

359

00:14:07,129 --> 00:14:05,279

um another thing is ce5 consciousness is

360

00:14:08,750 --> 00:14:07,139

another part of the UFO subject is that

361

00:14:10,550 --> 00:14:08,760

something that you've tried touched upon

362

00:14:12,470 --> 00:14:10,560

and had any success with

363

00:14:14,629 --> 00:14:12,480

yeah I actually actually at one of our

364

00:14:16,069 --> 00:14:14,639

meetings there was two speakers there

365

00:14:18,050 --> 00:14:16,079

that they started talking about

366

00:14:19,850 --> 00:14:18,060

something called ce5 and I said well

367

00:14:21,710 --> 00:14:19,860

that sounds interesting you know because

368

00:14:24,290 --> 00:14:21,720

they said we need remote viewers and I

369

00:14:26,690 --> 00:14:24,300

said okay I can do that so yeah we I

370

00:14:28,310 --> 00:14:26,700

haven't done anything last year at all

371

00:14:31,550 --> 00:14:28,320

we didn't meet or else I missed the

372

00:14:34,790 --> 00:14:31,560

meetings but we go to the same place and

373

00:14:37,490 --> 00:14:34,800

we maybe a dozen of us and

374

00:14:41,449 --> 00:14:37,500

we put our lawn chairs in a circle

375

00:14:43,910 --> 00:14:41,459

and we don't we meditate

376

00:14:45,410 --> 00:14:43,920

sometimes we have singing balls singing

377

00:14:47,150 --> 00:14:45,420

balls when we use the singing bowls we

378

00:14:50,689 --> 00:14:47,160

attract a lot more

379

00:14:53,509 --> 00:14:50,699

and we just look up in the sky

380

00:14:55,490 --> 00:14:53,519

and I've got some crazy photos coming

381

00:14:56,509 --> 00:14:55,500

out of the woods something coming out of

382

00:14:58,730 --> 00:14:56,519

the woods

383

00:15:00,829 --> 00:14:58,740

now that doesn't mean that it was alien

384

00:15:02,990 --> 00:15:00,839

but we definitely attracted something

385

00:15:05,870 --> 00:15:03,000

with the singing bulls that night

386

00:15:07,370 --> 00:15:05,880

wow there were I saw two balls I'm

387

00:15:09,710 --> 00:15:07,380

looking straight up the woods there were

388

00:15:11,389 --> 00:15:09,720

two balls of light and it was far enough

389

00:15:12,710 --> 00:15:11,399

away so they're probably as big as

390

00:15:14,449 --> 00:15:12,720

basketballs

391

00:15:16,430 --> 00:15:14,459

just like somebody just turned on two

392

00:15:18,410 --> 00:15:16,440

lights and I said okay that's weird

393

00:15:20,269 --> 00:15:18,420

it's like guys look over there and they

394

00:15:21,710 --> 00:15:20,279

go that's nothing and they're looking up

395

00:15:23,150 --> 00:15:21,720

in the sky so I think something's

396

00:15:24,889 --> 00:15:23,160

happening right there

397

00:15:26,990 --> 00:15:24,899

so I'm watching and I should have done

398

00:15:29,569 --> 00:15:27,000

video but I just had my Fleur

399

00:15:32,689 --> 00:15:29,579

and I took pictures and they started

400

00:15:35,389 --> 00:15:32,699

dancing to the singing bowls they were

401  
00:15:37,670 --> 00:15:35,399  
going back and forth changing places and

402  
00:15:40,370 --> 00:15:37,680  
the one got up and it was was wiggling

403  
00:15:43,189 --> 00:15:40,380  
like that and it came back down into the

404  
00:15:45,710 --> 00:15:43,199  
ball and then all of a sudden they just

405  
00:15:47,389 --> 00:15:45,720  
we watch them like 10 minutes all of a

406  
00:15:49,550 --> 00:15:47,399  
sudden they just stopped and that's like

407  
00:15:52,329 --> 00:15:49,560  
somebody turned the flashlights off

408  
00:15:54,290 --> 00:15:52,339  
wow Have you shared those pictures

409  
00:15:56,030 --> 00:15:54,300  
so have you shared those pictures

410  
00:15:58,490 --> 00:15:56,040  
publicly at all

411  
00:16:00,889 --> 00:15:58,500  
a few times here I'd be interested to

412  
00:16:04,189 --> 00:16:00,899  
see that yeah I wish I would have done

413  
00:16:07,430 --> 00:16:04,199

video but the pictures yeah

414

00:16:08,810 --> 00:16:07,440

hindsight is a wonderful thing well it's

415

00:16:10,490 --> 00:16:08,820

like it's like people you know trying to

416

00:16:13,189 --> 00:16:10,500

take a picture of a UFO you don't think

417

00:16:15,470 --> 00:16:13,199

I'll take in your phone out or something

418

00:16:16,970 --> 00:16:15,480

yeah I didn't think I didn't think to

419

00:16:19,129 --> 00:16:16,980

hit video I just wanted to get a picture

420

00:16:20,689 --> 00:16:19,139

of whatever it was yeah I've heard that

421

00:16:21,829 --> 00:16:20,699

so many times from different people when

422

00:16:23,569 --> 00:16:21,839

they're you know in the in the moment

423

00:16:25,370 --> 00:16:23,579

they just do something but then in

424

00:16:27,170 --> 00:16:25,380

hindsight they wish they'd done

425

00:16:30,170 --> 00:16:27,180

something else and that seems to be

426

00:16:34,210 --> 00:16:30,180

quite a common occurrence in yeah what's

427

00:16:36,829 --> 00:16:34,220

there yeah no absolutely so during

428

00:16:38,870 --> 00:16:36,839

absolutely absolutely but going back to

429

00:16:40,490 --> 00:16:38,880

kind of some of the investigations that

430

00:16:43,550 --> 00:16:40,500

you've done you know boots on the ground

431

00:16:45,470 --> 00:16:43,560

and stuff is there anything that uh

432

00:16:46,550 --> 00:16:45,480

really made you question what you were

433

00:16:47,990 --> 00:16:46,560

doing

434

00:16:50,749 --> 00:16:48,000

um you know anything particularly

435

00:16:53,030 --> 00:16:50,759

negative that kind of stood out to you

436

00:16:55,310 --> 00:16:53,040

or all positive maybe are there any big

437

00:16:56,870 --> 00:16:55,320

cases that that really sort of sit Above

438

00:16:59,269 --> 00:16:56,880

the Rest

439

00:17:01,490 --> 00:16:59,279

no I mean you know of course you you

440

00:17:03,710 --> 00:17:01,500

want to bring the missing person back

441

00:17:05,990 --> 00:17:03,720

home and sometimes they're not alive you

442

00:17:09,049 --> 00:17:06,000

know so that is upsetting

443

00:17:11,150 --> 00:17:09,059

but you do bring them back home there's

444

00:17:13,370 --> 00:17:11,160

some people that they never find any

445

00:17:16,069 --> 00:17:13,380

place so at least if you can bring them

446

00:17:20,150 --> 00:17:16,079

back home in one way or another

447

00:17:21,829 --> 00:17:20,160

that's helpful but yeah it's it's hard

448

00:17:23,390 --> 00:17:21,839

yeah absolutely

449

00:17:24,890 --> 00:17:23,400

the next thing I'd like to talk about

450

00:17:26,689 --> 00:17:24,900

are your books because you've written

451

00:17:28,309 --> 00:17:26,699

quite a few books and the first one I'd

452

00:17:30,169 --> 00:17:28,319

like to discuss which I haven't read yet

453

00:17:32,750 --> 00:17:30,179

but I'm going to is Dimensions the

454

00:17:35,029 --> 00:17:32,760

mystery triangles of the US which was

455

00:17:37,549 --> 00:17:35,039

released back in I think September 2021

456

00:17:39,650 --> 00:17:37,559

that's the one now that's kind of you

457

00:17:41,810 --> 00:17:39,660

know it talks about strange locations

458

00:17:43,549 --> 00:17:41,820

strange artifacts sightings and

459

00:17:45,470 --> 00:17:43,559

occurrences so what's the kind of

460

00:17:47,270 --> 00:17:45,480

premise between like what the triangle

461

00:17:49,070 --> 00:17:47,280

itself means because I think the first

462

00:17:51,049 --> 00:17:49,080

thing I saw when I saw mystery triangles

463

00:17:52,970 --> 00:17:51,059

is you know triangles in the sky like

464

00:17:55,190 --> 00:17:52,980

UFOs but it's not actually about that is

465

00:17:57,110 --> 00:17:55,200

it

466

00:17:59,029 --> 00:17:57,120

um they're they're not really triangles

467

00:18:02,150 --> 00:17:59,039

I guess that they they use certain

468

00:18:05,930 --> 00:18:02,160

points to say it's a triangular area

469

00:18:08,029 --> 00:18:05,940

some of them are more rectangular

470

00:18:10,190 --> 00:18:08,039

but they just they just use that premise

471

00:18:12,470 --> 00:18:10,200

and it's like the Bermuda Triangle

472

00:18:14,270 --> 00:18:12,480

except that I've got 10 other ones in

473

00:18:15,289 --> 00:18:14,280

the United States that are that are in

474

00:18:16,850 --> 00:18:15,299

the book

475

00:18:20,090 --> 00:18:16,860

you've probably seen a lot of the

476

00:18:23,390 --> 00:18:20,100

Alaskan triangle yeah on Ancient Aliens

477

00:18:26,870 --> 00:18:23,400

lately and I I live in Michigan we we

478

00:18:29,570 --> 00:18:26,880

have a Michigan Triangle never knew that

479

00:18:32,270 --> 00:18:29,580

till I started researching and the the

480

00:18:35,330 --> 00:18:32,280

Michigan Triangle has has actually

481

00:18:38,810 --> 00:18:35,340

recorded more missing ships and

482

00:18:42,230 --> 00:18:38,820

airplanes than the Bermuda Triangle

483

00:18:44,090 --> 00:18:42,240

wow okay that's that is strange

484

00:18:46,250 --> 00:18:44,100

so what sort of occurrences do you know

485

00:18:48,049 --> 00:18:46,260

are there sightings of like more UFO

486

00:18:50,390 --> 00:18:48,059

sightings like hot spots and things like

487

00:18:52,850 --> 00:18:50,400

that as well that's what I found out

488

00:18:55,730 --> 00:18:52,860

when I was doing the book I wasn't going

489

00:18:58,190 --> 00:18:55,740

that direction but yes they all have

490

00:18:59,870 --> 00:18:58,200

lots of UFO hot spots every one of these

491

00:19:02,090 --> 00:18:59,880

triangles

492

00:19:04,010 --> 00:19:02,100

could it be the energy there I don't

493

00:19:05,810 --> 00:19:04,020

know what it is

494

00:19:07,310 --> 00:19:05,820

yeah and and you mentioned the energy is

495

00:19:08,510 --> 00:19:07,320

that something that can be measured have

496

00:19:10,130 --> 00:19:08,520

you sort of been out to any of the

497

00:19:12,590 --> 00:19:10,140

locations with any equipments kind of

498

00:19:14,330 --> 00:19:12,600

measure you know electromagnetic uh

499

00:19:16,850 --> 00:19:14,340

frequencies and and things like that

500

00:19:19,070 --> 00:19:16,860

well I mean you could there could be Ley

501  
00:19:21,110 --> 00:19:19,080  
lines there or some people don't believe

502  
00:19:23,150 --> 00:19:21,120  
in Lay lines I do

503  
00:19:28,930 --> 00:19:23,160  
I know when I'm standing near one

504  
00:19:33,409 --> 00:19:31,370  
I'm kind of

505  
00:19:35,630 --> 00:19:33,419  
a little bit off I can I can tell when

506  
00:19:37,970 --> 00:19:35,640  
there's a Ley line but

507  
00:19:38,930 --> 00:19:37,980  
yeah you could use your tri-field meter

508  
00:19:40,669 --> 00:19:38,940  
to get

509  
00:19:42,650 --> 00:19:40,679  
some readings yeah that's got going to

510  
00:19:44,510 --> 00:19:42,660  
read the Ley line but

511  
00:19:46,669 --> 00:19:44,520  
there's like them in the field your

512  
00:19:48,169 --> 00:19:46,679  
tri-field could help you do that

513  
00:19:50,270 --> 00:19:48,179

yeah

514

00:19:51,590 --> 00:19:50,280

so now one another area of your research

515

00:19:53,830 --> 00:19:51,600

obviously and this is kind of one of the

516

00:19:55,970 --> 00:19:53,840

big ones for me is the skin worker Ranch

517

00:19:57,650 --> 00:19:55,980

phenomena let's say but so you've

518

00:20:00,470 --> 00:19:57,660

written about the ranch but also kind of

519

00:20:01,870 --> 00:20:00,480

the Uinta Basin in general as well and

520

00:20:04,190 --> 00:20:01,880

obviously we've heard about

521

00:20:07,010 --> 00:20:04,200

investigations throughout you know at

522

00:20:08,810 --> 00:20:07,020

least three decades with Robert Bigelow

523

00:20:10,789 --> 00:20:08,820

and the nid's team and then obviously

524

00:20:12,110 --> 00:20:10,799

more recently with Brandon fugel's

525

00:20:14,150 --> 00:20:12,120

investigation

526

00:20:15,890 --> 00:20:14,160

so you know when you were started

527

00:20:16,850 --> 00:20:15,900

researching it for the first time you

528

00:20:18,650 --> 00:20:16,860

know um

529

00:20:21,169 --> 00:20:18,660

how did you sort of go about it with

530

00:20:23,450 --> 00:20:21,179

there being so much history in in so

531

00:20:27,590 --> 00:20:23,460

many aspects of the phenomena whether

532

00:20:29,810 --> 00:20:27,600

it's UFOs or Cryptids or the Paranormal

533

00:20:31,370 --> 00:20:29,820

so how did you kind of go about it and

534

00:20:33,529 --> 00:20:31,380

what did you find

535

00:20:35,029 --> 00:20:33,539

well the first thing I did when I did

536

00:20:36,590 --> 00:20:35,039

the first book not this manager the

537

00:20:39,049 --> 00:20:36,600

first book

538

00:20:41,750 --> 00:20:39,059

I wanted to know who were all the people

539

00:20:43,610 --> 00:20:41,760

that lived on this land before

540

00:20:46,730 --> 00:20:43,620

you know we only know certain names so I

541

00:20:50,330 --> 00:20:46,740

mean I I went all the way way back to

542

00:20:52,730 --> 00:20:50,340

when they were allotting land to the Ute

543

00:20:53,990 --> 00:20:52,740

tribe yeah and then selling the rest to

544

00:20:56,450 --> 00:20:54,000

the white man

545

00:20:59,090 --> 00:20:56,460

so I went all the way back and I got all

546

00:21:00,710 --> 00:20:59,100

those owners I got all the Deeds it was

547

00:21:02,510 --> 00:21:00,720

kind of interesting so now I could put

548

00:21:04,430 --> 00:21:02,520

and I found pictures so I could have

549

00:21:06,230 --> 00:21:04,440

names and pictures these are just

550

00:21:08,390 --> 00:21:06,240

ordinary people

551  
00:21:09,529 --> 00:21:08,400  
trying to make a living with all this

552  
00:21:11,810 --> 00:21:09,539  
strange stuff

553  
00:21:13,850 --> 00:21:11,820  
and then it just turns out that it's

554  
00:21:16,970 --> 00:21:13,860  
just not just the ranch it's the whole

555  
00:21:19,549 --> 00:21:16,980  
Basin that's very strange

556  
00:21:21,110 --> 00:21:19,559  
yeah and some I mean obviously you know

557  
00:21:22,669 --> 00:21:21,120  
you say you found the photographs and

558  
00:21:25,310 --> 00:21:22,679  
you had names and that was there

559  
00:21:27,289 --> 00:21:25,320  
historical evidence of

560  
00:21:29,390 --> 00:21:27,299  
that the skinwalker itself being

561  
00:21:31,730 --> 00:21:29,400  
mentioned in like historical texts or

562  
00:21:33,169 --> 00:21:31,740  
anything like that no no you don't you

563  
00:21:36,350 --> 00:21:33,179

don't start hearing stuff like that

564

00:21:38,090 --> 00:21:36,360

until the Shermans right but obviously

565

00:21:40,070 --> 00:21:38,100

you know we hear that happened before

566

00:21:41,630 --> 00:21:40,080

but yeah because you hear about stories

567

00:21:43,370 --> 00:21:41,640

of the you passing it down through

568

00:21:45,049 --> 00:21:43,380

generations I just wasn't sure if it was

569

00:21:48,590 --> 00:21:45,059

like any kind of written documentation

570

00:21:50,390 --> 00:21:48,600

you know historically but that's fair

571

00:21:52,370 --> 00:21:50,400

enough I mean did you actually get to

572

00:21:56,510 --> 00:21:52,380

speak to any sort of Youth tribe members

573

00:21:58,070 --> 00:21:56,520

at all no I didn't no but but the the

574

00:22:00,470 --> 00:21:58,080

reason you don't hear a lot about Skin

575

00:22:02,630 --> 00:22:00,480

Walkers because you you don't say that

576

00:22:06,110 --> 00:22:02,640

name you don't talk about

577

00:22:08,330 --> 00:22:06,120

I've got a friend who who is Navajo

578

00:22:10,310 --> 00:22:08,340

and we're talking about it one time and

579

00:22:11,450 --> 00:22:10,320

she says well you know we we don't say

580

00:22:14,450 --> 00:22:11,460

that name

581

00:22:15,950 --> 00:22:14,460

we don't say we don't talk about that

582

00:22:17,510 --> 00:22:15,960

and she says I'll tell you something

583

00:22:20,270 --> 00:22:17,520

that happened to me when I was a child

584

00:22:22,669 --> 00:22:20,280

and this gave me chills

585

00:22:24,470 --> 00:22:22,679

she says I was about five

586

00:22:27,110 --> 00:22:24,480

am

587

00:22:29,870 --> 00:22:27,120

we lived in a one-room house on the

588

00:22:33,649 --> 00:22:29,880

reservation in New Mexico

589

00:22:35,750 --> 00:22:33,659

and I'm looking out the window at night

590

00:22:37,730 --> 00:22:35,760

and she's she described you know how you

591

00:22:40,430 --> 00:22:37,740

see the skin walker with the the paint

592

00:22:43,549 --> 00:22:40,440

on the face and the

593

00:22:45,289 --> 00:22:43,559

animal skin on and everything and she

594

00:22:48,169 --> 00:22:45,299

says it was

595

00:22:49,850 --> 00:22:48,179

looking in the window at me at all my

596

00:22:51,950 --> 00:22:49,860

family

597

00:22:54,049 --> 00:22:51,960

and she says and I I want to reach my

598

00:22:56,210 --> 00:22:54,059

hand out and grab my father but I

599

00:22:58,430 --> 00:22:56,220

couldn't move and I wanted to scream and

600

00:22:59,750 --> 00:22:58,440

I couldn't speak I was like

601  
00:23:00,890 --> 00:22:59,760  
petrified

602  
00:23:02,870 --> 00:23:00,900  
hmm

603  
00:23:05,270 --> 00:23:02,880  
and she says and then

604  
00:23:07,070 --> 00:23:05,280  
I finally went to sleep and got up the

605  
00:23:08,810 --> 00:23:07,080  
next day forgot all about it and I'm in

606  
00:23:11,870 --> 00:23:08,820  
my coloring book

607  
00:23:13,730 --> 00:23:11,880  
and my father runs outside he comes back

608  
00:23:16,070 --> 00:23:13,740  
in he grabs his shotgun and he says

609  
00:23:18,350 --> 00:23:16,080  
don't anybody leave the house

610  
00:23:20,390 --> 00:23:18,360  
and he came back in and his her mother

611  
00:23:22,130 --> 00:23:20,400  
says what's wrong and he says the

612  
00:23:24,470 --> 00:23:22,140  
neighbor got killed by a skin marker

613  
00:23:26,570 --> 00:23:24,480

last night now these are real

614

00:23:29,870 --> 00:23:26,580

this isn't just a story this is a friend

615

00:23:31,490 --> 00:23:29,880

of mine I know she wouldn't make this up

616

00:23:34,250 --> 00:23:31,500

so have you been down onto the ranch

617

00:23:37,450 --> 00:23:34,260

yourself or in the area at least we're

618

00:23:40,490 --> 00:23:37,460

in the area yeah up to the gates yeah

619

00:23:43,730 --> 00:23:40,500

a remote view there I wasn't

620

00:23:45,529 --> 00:23:43,740

fully there part of me was and what kind

621

00:23:47,390 --> 00:23:45,539

of experience have you had anything sort

622

00:23:49,490 --> 00:23:47,400

of you know happen to you or felt any

623

00:23:59,930 --> 00:23:49,500

kind of kind of strange things while

624

00:24:04,130 --> 00:24:02,390

happening on the ranch

625

00:24:06,289 --> 00:24:04,140

you know there's there's there are

626

00:24:09,890 --> 00:24:06,299

spirits from natives that used to live

627

00:24:12,529 --> 00:24:09,900

there there's um things up in the sky

628

00:24:14,930 --> 00:24:12,539

things under the groom because I know

629

00:24:17,149 --> 00:24:14,940

there's a cave system and I saw there

630

00:24:18,590 --> 00:24:17,159

were like two Dimensions trying to merge

631

00:24:20,690 --> 00:24:18,600

into one

632

00:24:22,549 --> 00:24:20,700

and then there's the Elementals which

633

00:24:24,169 --> 00:24:22,559

are just something from nature that have

634

00:24:26,450 --> 00:24:24,179

always been there so there's all kinds

635

00:24:29,029 --> 00:24:26,460

of things happening

636

00:24:30,710 --> 00:24:29,039

at this yeah yeah I mean I regularly

637

00:24:32,330 --> 00:24:30,720

I've spoken to a few people you know

638

00:24:33,409 --> 00:24:32,340

that have worked on the ranch of work

639

00:24:35,210 --> 00:24:33,419

then now and have worked there

640

00:24:37,370 --> 00:24:35,220

previously and there's so many different

641

00:24:39,710 --> 00:24:37,380

theories and you know you touched upon a

642

00:24:41,690 --> 00:24:39,720

few there and Christopher Bartel you

643

00:24:44,270 --> 00:24:41,700

know he's really focuses on the kind of

644

00:24:45,590 --> 00:24:44,280

the the ancient kind of petroglyphs and

645

00:24:46,789 --> 00:24:45,600

things like that have you been and

646

00:24:48,770 --> 00:24:46,799

witnessed the petroglyphs for yourself

647

00:24:51,890 --> 00:24:48,780

at all in the area

648

00:24:54,649 --> 00:24:51,900

yeah I went to um

649

00:24:57,710 --> 00:24:54,659

Dinosaur National Monument I I went to

650

00:24:59,570 --> 00:24:57,720

Nine Mile Canyon I went to Sejo Canyon

651  
00:25:00,850 --> 00:24:59,580  
that's all in the area yeah those are

652  
00:25:02,630 --> 00:25:00,860  
amazing

653  
00:25:03,890 --> 00:25:02,640  
and that's the thing I mean it's

654  
00:25:06,169 --> 00:25:03,900  
fascinating because of all these

655  
00:25:07,610 --> 00:25:06,179  
different possibilities so you know I'm

656  
00:25:09,409 --> 00:25:07,620  
really pleased that there is still

657  
00:25:12,049 --> 00:25:09,419  
investigative work still happening on

658  
00:25:14,990 --> 00:25:12,059  
the ranch I know it can be controversial

659  
00:25:17,330 --> 00:25:15,000  
some people uh you know don't like the

660  
00:25:19,669 --> 00:25:17,340  
fact that it's portrayed in a TV show I

661  
00:25:21,529 --> 00:25:19,679  
mean each to their own

662  
00:25:22,490 --> 00:25:21,539  
um but you know I'm pleased that it's

663  
00:25:23,390 --> 00:25:22,500

happening

664

00:25:24,710 --> 00:25:23,400

um

665

00:25:27,049 --> 00:25:24,720

what about yourself what are your

666

00:25:28,610 --> 00:25:27,059

thoughts on on Brandon and the team at

667

00:25:31,010 --> 00:25:28,620

the moment and have you spoken to them

668

00:25:31,020 --> 00:25:34,970

welcome to all of them and I I think

669

00:25:38,870 --> 00:25:37,010

I think it's not like in watching a

670

00:25:41,029 --> 00:25:38,880

paranormal show where they're acting

671

00:25:43,250 --> 00:25:41,039

goofy and stuff this is really a

672

00:25:46,370 --> 00:25:43,260

scientific investigation

673

00:25:48,289 --> 00:25:46,380

and it's going 24 7. you only see

674

00:25:49,909 --> 00:25:48,299

maybe two percent of what they actually

675

00:25:52,789 --> 00:25:49,919

filmed on TV

676

00:25:54,470 --> 00:25:52,799

they're still filming

677

00:25:56,210 --> 00:25:54,480

yeah absolutely I'm just going to bring

678

00:25:58,669 --> 00:25:56,220

up this question here from your name she

679

00:26:00,289 --> 00:25:58,679

says hi Cheryl could you elaborate more

680

00:26:03,289 --> 00:26:00,299

on what you remove viewed from

681

00:26:08,750 --> 00:26:06,950

well I says I I saw that and um first

682

00:26:12,230 --> 00:26:08,760

thing I saw was

683

00:26:13,250 --> 00:26:12,240

a native woman she's probably 20 years

684

00:26:20,750 --> 00:26:13,260

old

685

00:26:23,810 --> 00:26:20,760

she looked right at me I I looked into

686

00:26:27,409 --> 00:26:23,820

her eyes she saw me

687

00:26:30,950 --> 00:26:27,419

and she said Medicine Woman save my baby

688

00:26:33,350 --> 00:26:30,960

and I could see her baby was dead

689

00:26:37,370 --> 00:26:33,360

and she said that the animals trampled

690

00:26:39,470 --> 00:26:37,380

my baby I I can't help you you know

691

00:26:42,289 --> 00:26:39,480

so then she went and she buried her baby

692

00:26:45,169 --> 00:26:42,299

up on top of the Mesa

693

00:26:45,769 --> 00:26:45,179

and then I saw

694

00:26:47,510 --> 00:26:45,779

um

695

00:26:49,730 --> 00:26:47,520

a beaver stream

696

00:26:51,830 --> 00:26:49,740

or a stream with a beaver dam and

697

00:26:54,169 --> 00:26:51,840

they're two beavers and there's a native

698

00:26:56,330 --> 00:26:54,179

man standing there

699

00:26:58,610 --> 00:26:56,340

and he looked familiar to me and I

700

00:27:00,950 --> 00:26:58,620

thought how could that be

701  
00:27:02,330 --> 00:27:00,960  
and then I realized when when I go to

702  
00:27:04,549 --> 00:27:02,340  
sweat lodge

703  
00:27:06,710 --> 00:27:04,559  
he has been appearing to me for seven

704  
00:27:08,810 --> 00:27:06,720  
years in sweat lunch

705  
00:27:10,909 --> 00:27:08,820  
before I even knew what Skinwalker Ranch

706  
00:27:14,090 --> 00:27:10,919  
was

707  
00:27:16,490 --> 00:27:14,100  
so that that's crazy and he keeps he

708  
00:27:18,289 --> 00:27:16,500  
keeps pointing to the east showing I

709  
00:27:23,510 --> 00:27:18,299  
need to see something in the East but I

710  
00:27:27,649 --> 00:27:25,490  
so you mentioned before before we

711  
00:27:29,510 --> 00:27:27,659  
actually went on live that you um

712  
00:27:31,669 --> 00:27:29,520  
you know you speak to Brandon's wife

713  
00:27:34,010 --> 00:27:31,679

quite a bit and and he obviously told me

714

00:27:35,450 --> 00:27:34,020

quite an interesting meeting that took

715

00:27:38,269 --> 00:27:35,460

place you were able to just sort of

716

00:27:41,330 --> 00:27:38,279

speak to to that publicly here

717

00:27:45,769 --> 00:27:41,340

should I find the picture yeah go ahead

718

00:27:51,409 --> 00:27:49,250

yeah I was actually invited to Brandon's

719

00:27:53,330 --> 00:27:51,419

office

720

00:27:55,130 --> 00:27:53,340

when I was going to phenomicon you know

721

00:27:57,649 --> 00:27:55,140

his wife says why don't you not to stop

722

00:27:59,510 --> 00:27:57,659

by the office you know so we can chat

723

00:28:01,310 --> 00:27:59,520

but their air conditioner was broke down

724

00:28:03,169 --> 00:28:01,320

that day so she was at home waiting for

725

00:28:05,750 --> 00:28:03,179

the repair guy so she didn't get to be

726

00:28:07,549 --> 00:28:05,760

with us but yeah he showed me all around

727

00:28:09,590 --> 00:28:07,559

the office for

728

00:28:11,330 --> 00:28:09,600

a good hour

729

00:28:13,070 --> 00:28:11,340

and he showed me all his movie

730

00:28:15,590 --> 00:28:13,080

paraphernalia I think everybody has

731

00:28:18,730 --> 00:28:15,600

probably seen lots of the stuff he's

732

00:28:20,870 --> 00:28:18,740

he's got the Terminator he's got the um

733

00:28:22,610 --> 00:28:20,880

costumes that Daniel wore and Harry

734

00:28:25,610 --> 00:28:22,620

Potter and his magic wands he's got all

735

00:28:28,190 --> 00:28:25,620

these cool stuff and he's got so many

736

00:28:29,510 --> 00:28:28,200

first edition signed books and so he

737

00:28:32,149 --> 00:28:29,520

opened it up and he goes here's one of

738

00:28:34,310 --> 00:28:32,159

my favorites he goes this is from I

739

00:28:36,950 --> 00:28:34,320

forgot which king it was that um I think

740

00:28:38,450 --> 00:28:36,960

was King Edward he says when he owned

741

00:28:41,930 --> 00:28:38,460

Stonehenge

742

00:28:44,750 --> 00:28:41,940

wow and I said oh I know all about this

743

00:28:47,570 --> 00:28:44,760

I says I'm I'm writing a book about it I

744

00:28:49,490 --> 00:28:47,580

I I see you know who all the different

745

00:28:51,529 --> 00:28:49,500

people had was handed down you know

746

00:28:53,690 --> 00:28:51,539

through the family's Stonehenge and then

747

00:28:55,430 --> 00:28:53,700

this guy actually bought it at an

748

00:28:56,930 --> 00:28:55,440

auction

749

00:28:59,510 --> 00:28:56,940

look at that

750

00:29:02,529 --> 00:28:59,520

and he goes yeah he was all impressed

751

00:29:05,450 --> 00:29:02,539

that I'm going I'm in Brandon's office

752

00:29:07,310 --> 00:29:05,460

don't hitch who's gonna believe this you

753

00:29:09,649 --> 00:29:07,320

know so we're just having everyday

754

00:29:11,450 --> 00:29:09,659

conversations he's a very down-to-earth

755

00:29:13,430 --> 00:29:11,460

person

756

00:29:14,149 --> 00:29:13,440

did he give you any kind of heads up or

757

00:29:15,710 --> 00:29:14,159

any

758

00:29:18,850 --> 00:29:15,720

you know behind the scenes information

759

00:29:22,010 --> 00:29:18,860

regarding the ranch at all or was it

760

00:29:23,930 --> 00:29:22,020

went lucky yeah I I know I'd be uh

761

00:29:27,110 --> 00:29:23,940

probably quite cheeky and asking if he

762

00:29:29,269 --> 00:29:27,120

can tell me anything but what I I didn't

763

00:29:30,789 --> 00:29:29,279

want to overstep myself and start asking

764

00:29:33,230 --> 00:29:30,799

questions right

765

00:29:35,630 --> 00:29:33,240

right after all I'm I'm here we don't

766

00:29:37,669 --> 00:29:35,640

want to mess this up right no that's

767

00:29:39,470 --> 00:29:37,679

fair enough that's fair enough but no

768

00:29:43,250 --> 00:29:39,480

that sounds like a a wonderful

769

00:29:45,889 --> 00:29:43,260

experience so so then when I when I I

770

00:29:48,649 --> 00:29:45,899

was heading to phenomicon last year

771

00:29:51,110 --> 00:29:48,659

and when I went there I I went out with

772

00:29:54,230 --> 00:29:51,120

a friend down to the stop sign in front

773

00:29:58,909 --> 00:29:56,630

all right we got I got it back up here

774

00:30:00,470 --> 00:29:58,919

after I remote viewed

775

00:30:02,930 --> 00:30:00,480

something followed me home from skin

776

00:30:06,049 --> 00:30:02,940

marker Ranch

777

00:30:07,669 --> 00:30:06,059

hitchhiker yeah and I I've never had

778

00:30:09,710 --> 00:30:07,679

anything follow me home when I remote

779

00:30:11,090 --> 00:30:09,720

viewed before but this is skin walker

780

00:30:13,669 --> 00:30:11,100

Ranch

781

00:30:14,990 --> 00:30:13,679

and it was something standing on my left

782

00:30:16,669 --> 00:30:15,000

side and I thought it was a shadow

783

00:30:19,370 --> 00:30:16,679

figure but then I said no it's something

784

00:30:23,149 --> 00:30:19,380

standing in the shadows and they started

785

00:30:26,149 --> 00:30:23,159

downloading binary code into my head

786

00:30:27,409 --> 00:30:26,159

just like James penistone in Randolph

787

00:30:30,110 --> 00:30:27,419

Forest

788

00:30:31,130 --> 00:30:30,120

and have you decoded it in any way I

789

00:30:36,710 --> 00:30:31,140

could

790

00:30:40,010 --> 00:30:38,510

yeah because you hear people say that

791

00:30:41,750 --> 00:30:40,020

these are kind of like instant downloads

792

00:30:44,690 --> 00:30:41,760

where there's just floods of information

793

00:30:46,730 --> 00:30:44,700

yeah it was it was I could see it on but

794

00:30:48,649 --> 00:30:46,740

it was so fast as maybe somebody

795

00:30:49,549 --> 00:30:48,659

hypnotized me one time I would get her I

796

00:30:50,930 --> 00:30:49,559

don't know

797

00:30:53,630 --> 00:30:50,940

and so

798

00:30:55,789 --> 00:30:53,640

I go down by the the stop sign by

799

00:30:59,269 --> 00:30:55,799

Skinwalker Ranch and I heard the same

800

00:31:01,130 --> 00:30:59,279

voice say pick up that rock

801  
00:31:03,169 --> 00:31:01,140  
and I'm laughing and my friends says

802  
00:31:04,909 --> 00:31:03,179  
what's so funny and I said well the The

803  
00:31:06,710 --> 00:31:04,919  
Voice told me to pick up a rock and run

804  
00:31:10,010 --> 00:31:06,720  
a gravel rope

805  
00:31:12,230 --> 00:31:10,020  
so I walked around and I saw this oval

806  
00:31:14,029 --> 00:31:12,240  
flat shot shape Rock

807  
00:31:20,090 --> 00:31:14,039  
and

808  
00:31:23,269 --> 00:31:20,100  
okay

809  
00:31:26,090 --> 00:31:23,279  
so I looked and I found another one and

810  
00:31:29,930 --> 00:31:26,100  
I found this rock right here

811  
00:31:34,490 --> 00:31:32,630  
and the voice said the binary code has

812  
00:31:38,389 --> 00:31:34,500  
now been activated well I still don't

813  
00:31:41,389 --> 00:31:38,399

feel any enlightened but someday Maybe

814

00:31:43,430 --> 00:31:41,399

yeah maybe just one day a little fall

815

00:31:46,250 --> 00:31:43,440

into place you'll come to some kind of

816

00:31:48,830 --> 00:31:46,260

realization or or understanding of what

817

00:31:51,289 --> 00:31:48,840

it you know was so all I know

818

00:31:53,090 --> 00:31:51,299

is I can take this rack

819

00:31:55,250 --> 00:31:53,100

a driveway with

820

00:31:56,690 --> 00:31:55,260

with tri-field meter and the the needle

821

00:31:58,909 --> 00:31:56,700

goes up to four

822

00:32:00,710 --> 00:31:58,919

it's a rock

823

00:32:02,750 --> 00:32:00,720

um now I don't know if there's crystals

824

00:32:04,850 --> 00:32:02,760

in it I don't know but I don't want

825

00:32:08,210 --> 00:32:04,860

anybody to crack it open because I don't

826

00:32:15,830 --> 00:32:09,649

no

827

00:32:18,529 --> 00:32:15,840

hopefully

828

00:32:20,510 --> 00:32:18,539

we'll see you have to let us know if

829

00:32:22,730 --> 00:32:20,520

anything does does come up at any point

830

00:32:25,909 --> 00:32:22,740

uh it's been a while I just keep going

831

00:32:27,529 --> 00:32:25,919

tell me yeah yeah I've got another great

832

00:32:30,230 --> 00:32:27,539

question here from your name she says

833

00:32:32,570 --> 00:32:30,240

knowing your abilities could you see or

834

00:32:34,310 --> 00:32:32,580

Define The Hitchhiker

835

00:32:37,010 --> 00:32:34,320

oh I could see it perfect well they're

836

00:32:39,470 --> 00:32:37,020

actually two yeah it was

837

00:32:41,269 --> 00:32:39,480

something in the shadows and it's like

838

00:32:43,549 --> 00:32:41,279

it had a hood

839

00:32:46,070 --> 00:32:43,559

and big eyes

840

00:32:47,630 --> 00:32:46,080

but I felt it I don't know if it was

841

00:32:49,190 --> 00:32:47,640

alien I felt that it was

842

00:32:50,810 --> 00:32:49,200

interdimensional

843

00:32:52,310 --> 00:32:50,820

but you can have aliens that are

844

00:32:54,230 --> 00:32:52,320

interdimensional too couldn't you I

845

00:32:56,149 --> 00:32:54,240

don't know what it was I just felt it

846

00:33:00,649 --> 00:32:56,159

was interdimensional

847

00:33:06,230 --> 00:33:02,750

not sure what it was yeah that's

848

00:33:08,029 --> 00:33:06,240

interesting because I thought it had big

849

00:33:10,190 --> 00:33:08,039

so there was no negative effects either

850

00:33:11,570 --> 00:33:10,200

no physical negative effects because we

851  
00:33:14,389 --> 00:33:11,580  
hear obviously you know knowing the

852  
00:33:16,610 --> 00:33:14,399  
ranch you know we've seen Thomas you

853  
00:33:18,169 --> 00:33:16,620  
know the voice kept him I said you know

854  
00:33:21,909 --> 00:33:18,179  
don't don't do this I don't understand

855  
00:33:27,529 --> 00:33:25,490  
strange very strong you'll understand

856  
00:33:30,169 --> 00:33:27,539  
later well I'm still waiting to

857  
00:33:35,029 --> 00:33:31,330  
now

858  
00:33:36,350 --> 00:33:35,039  
there's two books you've done on the

859  
00:33:38,509 --> 00:33:36,360  
Skinwalker Ranch

860  
00:33:40,730 --> 00:33:38,519  
um sort of studies but you also touch

861  
00:33:43,909 --> 00:33:40,740  
upon in those books sort of military

862  
00:33:46,070 --> 00:33:43,919  
bases Air Force bases with UFO reports

863  
00:33:47,870 --> 00:33:46,080

so going back to the 40s and and you

864

00:33:49,850 --> 00:33:47,880

know right up until more Modern Times

865

00:33:51,710 --> 00:33:49,860

And but there are Air Force bases that

866

00:33:53,509 --> 00:33:51,720

I'd not really heard of in in America

867

00:33:55,850 --> 00:33:53,519

that much which is Hill Air Force Base

868

00:33:57,710 --> 00:33:55,860

and Buckley Air Force Base Are you able

869

00:34:00,289 --> 00:33:57,720

to sort of tell us about any particular

870

00:34:02,330 --> 00:34:00,299

sightings or experiences investigations

871

00:34:04,490 --> 00:34:02,340

that that you encountered looking into

872

00:34:06,490 --> 00:34:04,500

those two those bases

873

00:34:09,349 --> 00:34:06,500

um Hill

874

00:34:12,290 --> 00:34:09,359

Air Force Base um

875

00:34:13,730 --> 00:34:12,300

some think it's uh part of the new area

876  
00:34:15,550 --> 00:34:13,740  
51.

877  
00:34:17,930 --> 00:34:15,560  
it's what's known as

878  
00:34:21,349 --> 00:34:17,940  
r6413 but they they people think it's

879  
00:34:23,210 --> 00:34:21,359  
the new Area 51 and they they have a

880  
00:34:25,070 --> 00:34:23,220  
unclassified document it's called

881  
00:34:26,930 --> 00:34:25,080  
project grunge

882  
00:34:29,990 --> 00:34:26,940  
and they sent information to

883  
00:34:32,149 --> 00:34:30,000  
Wright-Patterson Air Force Base in Ohio

884  
00:34:33,589 --> 00:34:32,159  
which we know is uh kind of where

885  
00:34:35,690 --> 00:34:33,599  
they're supposed to send those alien

886  
00:34:39,050 --> 00:34:35,700  
bodies from area 51.

887  
00:34:41,750 --> 00:34:39,060  
but on May 25th 1949 there were five

888  
00:34:44,329 --> 00:34:41,760

officers out in the salvage yard

889

00:34:45,889 --> 00:34:44,339

and they start seeing this Global shaped

890

00:34:48,829 --> 00:34:45,899

object out in the sky

891

00:34:50,210 --> 00:34:48,839

and it was traveling East to South and

892

00:34:52,430 --> 00:34:50,220

they're watching it for quite a while

893

00:34:54,409 --> 00:34:52,440

and then they saw another one and it

894

00:34:57,770 --> 00:34:54,419

went the same direction too

895

00:35:00,230 --> 00:34:57,780

so these are officers talking so

896

00:35:01,790 --> 00:35:00,240

you gotta take their word that something

897

00:35:03,950 --> 00:35:01,800

really happened there and this

898

00:35:06,050 --> 00:35:03,960

information again they sent it to Ray

899

00:35:08,150 --> 00:35:06,060

Patterson

900

00:35:10,430 --> 00:35:08,160

yeah I want to go there sometime because

901  
00:35:12,230 --> 00:35:10,440  
you could take a tour of the place and

902  
00:35:13,250 --> 00:35:12,240  
just with my abilities I want to know

903  
00:35:14,210 --> 00:35:13,260  
what I might pick up there because

904  
00:35:15,710 --> 00:35:14,220  
they're not going to show you anything

905  
00:35:17,870 --> 00:35:15,720  
good but

906  
00:35:20,510 --> 00:35:17,880  
true yeah I better still be in the

907  
00:35:22,609 --> 00:35:20,520  
building I might pick something up yeah

908  
00:35:24,530 --> 00:35:22,619  
you never know I think just because you

909  
00:35:26,030 --> 00:35:24,540  
know just something that that I stood

910  
00:35:29,870 --> 00:35:26,040  
out to me because you know we hear about

911  
00:35:32,030 --> 00:35:29,880  
the the the bases the the Big Air Force

912  
00:35:33,370 --> 00:35:32,040  
Base is to do with the subject so it's

913  
00:35:35,329 --> 00:35:33,380

good to sort of see some new names

914

00:35:36,109 --> 00:35:35,339

cropping up so I found that really

915

00:35:38,150 --> 00:35:36,119

interesting because there's

916

00:35:40,010 --> 00:35:38,160

documentation as well which is always

917

00:35:41,930 --> 00:35:40,020

great to see in any kind of books it's

918

00:35:43,310 --> 00:35:41,940

you know it shows that there's research

919

00:35:45,410 --> 00:35:43,320

being done and that there are Paper

920

00:35:47,150 --> 00:35:45,420

Trails that you can follow so yeah that

921

00:35:48,950 --> 00:35:47,160

really stood up I don't like to report

922

00:35:50,690 --> 00:35:48,960

to somebody's UFO sighting if I don't

923

00:35:54,430 --> 00:35:50,700

have documentation and all kinds of

924

00:35:59,569 --> 00:35:56,810

I've seen UFOs but I have no pictures

925

00:36:02,630 --> 00:35:59,579

and I can't prove anybody I saw it

926

00:36:05,569 --> 00:36:02,640

so just an anecdotal story I was just my

927

00:36:07,370 --> 00:36:05,579

saying that I have it I can't prove it

928

00:36:08,930 --> 00:36:07,380

yeah just gonna jump back to The

929

00:36:10,790 --> 00:36:08,940

Hitchhiker I've got a question here from

930

00:36:13,730 --> 00:36:10,800

Tony he asks how did you get rid of the

931

00:36:18,290 --> 00:36:16,310

oh really

932

00:36:20,270 --> 00:36:18,300

but I suppose if it's not a negative one

933

00:36:21,530 --> 00:36:20,280

then I suppose it's not as impactful as

934

00:36:23,390 --> 00:36:21,540

if it was something yeah no problem

935

00:36:25,329 --> 00:36:23,400

wasn't being here

936

00:36:27,770 --> 00:36:25,339

wow

937

00:36:29,990 --> 00:36:27,780

obviously it has something more wants to

938

00:36:31,970 --> 00:36:30,000

tell me

939

00:36:33,829 --> 00:36:31,980

maybe it'll be eventually the one that

940

00:36:36,349 --> 00:36:33,839

kind of makes you understand binary code

941

00:36:40,550 --> 00:36:36,359

or something like that well that's just

942

00:36:42,290 --> 00:36:40,560

like I think maybe it's directing me to

943

00:36:43,670 --> 00:36:42,300

write the new book I'm writing I don't

944

00:36:45,290 --> 00:36:43,680

know

945

00:36:46,790 --> 00:36:45,300

what can you tell us about that it's got

946

00:36:48,530 --> 00:36:46,800

nothing to do with Skinwalker Ranch but

947

00:36:50,870 --> 00:36:48,540

this might be part of it

948

00:36:54,230 --> 00:36:50,880

okay all right I'm writing a new book

949

00:36:56,690 --> 00:36:54,240

I'm I'm calling it uh chosen it's a

950

00:36:59,450 --> 00:36:56,700

real Encounters of

951  
00:37:01,190 --> 00:36:59,460  
real stories about encounters and alien

952  
00:37:03,530 --> 00:37:01,200  
abductions

953  
00:37:05,089 --> 00:37:03,540  
so these like historical cases are you

954  
00:37:07,569 --> 00:37:05,099  
speaking to Witnesses

955  
00:37:11,530 --> 00:37:07,579  
these are historical cases with

956  
00:37:14,990 --> 00:37:11,540  
government documents

957  
00:37:19,310 --> 00:37:15,000  
collating it all into a to one book yeah

958  
00:37:21,589 --> 00:37:19,320  
like the Falcon like that is just

959  
00:37:23,750 --> 00:37:21,599  
Nationwide everyone knows about Falcon

960  
00:37:25,670 --> 00:37:23,760  
Lake I still think it's an underrated

961  
00:37:28,490 --> 00:37:25,680  
case you don't hear that much about it

962  
00:37:31,310 --> 00:37:28,500  
these days no but there's I mean I have

963  
00:37:34,730 --> 00:37:31,320

so many documents all different

964

00:37:36,829 --> 00:37:34,740

organizations that have investigated

965

00:37:40,970 --> 00:37:36,839

this and all saying that this guy's

966

00:37:46,790 --> 00:37:45,230

yeah but yet he died from

967

00:37:48,710 --> 00:37:46,800

reading you know

968

00:37:50,510 --> 00:37:48,720

this is the thing biological facts are

969

00:37:52,910 --> 00:37:50,520

such an importantly you know talked

970

00:37:54,470 --> 00:37:52,920

about aspect of the the subject yet I

971

00:37:56,089 --> 00:37:54,480

felt like that case did he just flew

972

00:37:57,069 --> 00:37:56,099

into the radar a little bit for me that

973

00:38:00,230 --> 00:37:57,079

yeah

974

00:38:02,569 --> 00:38:00,240

for us you know Burrows also have

975

00:38:04,910 --> 00:38:02,579

radiation poisoning and they were

976  
00:38:06,349 --> 00:38:04,920  
denying him any kind of benefits saying

977  
00:38:09,890 --> 00:38:06,359  
no you don't

978  
00:38:12,530 --> 00:38:09,900  
yeah I mean Israeli got us benefits but

979  
00:38:14,990 --> 00:38:12,540  
it took him how many years a long long

980  
00:38:17,270 --> 00:38:15,000  
decade I think it was yeah it's like the

981  
00:38:19,310 --> 00:38:17,280  
it's like they they don't

982  
00:38:22,849 --> 00:38:19,320  
want to uh prove her stories right

983  
00:38:25,370 --> 00:38:22,859  
they're out there to disprove you

984  
00:38:29,270 --> 00:38:25,380  
because in the in the Falcon Lake

985  
00:38:31,130 --> 00:38:29,280  
you had uh the condom from uh

986  
00:38:32,510 --> 00:38:31,140  
Boulder Colorado

987  
00:38:34,670 --> 00:38:32,520  
and it's like whenever they're

988  
00:38:37,910 --> 00:38:34,680

investigating the UFO stories

989

00:38:38,569 --> 00:38:37,920

they never say yeah the person saw that

990

00:38:40,910 --> 00:38:38,579

um

991

00:38:42,170 --> 00:38:40,920

I go what kind of committee is this well

992

00:38:44,089 --> 00:38:42,180

you can't be

993

00:38:45,710 --> 00:38:44,099

you're judgmentally already coming at

994

00:38:47,450 --> 00:38:45,720

the beginning going I know this guy made

995

00:38:49,550 --> 00:38:47,460

it up you know every story I've ever

996

00:38:51,710 --> 00:38:49,560

investigated that has their name

997

00:38:53,569 --> 00:38:51,720

connected to it they can't say Yep this

998

00:38:57,050 --> 00:38:53,579

is the real deal

999

00:38:57,710 --> 00:38:57,060

yeah yeah I've noticed that yeah

1000

00:38:59,810 --> 00:38:57,720

um

1001  
00:39:03,290 --> 00:38:59,820  
so

1002  
00:39:05,870 --> 00:39:03,300  
book if you've got a kind of publishing

1003  
00:39:08,510 --> 00:39:05,880  
date or if you've got a a day you'd like

1004  
00:39:10,130 --> 00:39:08,520  
it to be published by I just I just

1005  
00:39:12,829 --> 00:39:10,140  
started writing it about two weeks ago

1006  
00:39:14,510 --> 00:39:12,839  
oh wow okay so it is fresh fresh and new

1007  
00:39:16,069 --> 00:39:14,520  
yeah

1008  
00:39:19,430 --> 00:39:16,079  
that's a lot of work still to do then

1009  
00:39:23,329 --> 00:39:19,440  
but but it's like I I just I just woke

1010  
00:39:25,250 --> 00:39:23,339  
up one day I go I need to do this

1011  
00:39:27,109 --> 00:39:25,260  
that's it yeah

1012  
00:39:32,930 --> 00:39:27,119  
feels like some telling you to do it

1013  
00:39:37,550 --> 00:39:35,270

## Something Told Me

1014

00:39:41,569 --> 00:39:37,560

to write this children's book

1015

00:39:47,150 --> 00:39:44,690

it's only 31 pages but it's it's the

1016

00:39:49,370 --> 00:39:47,160

story of a little wolf that came down

1017

00:39:51,829 --> 00:39:49,380

from the Mesa and had an adventure in

1018

00:39:54,349 --> 00:39:51,839

Skinwalker Ranch here we go

1019

00:39:56,569 --> 00:39:54,359

wow I'll have to get a copy from my

1020

00:40:02,390 --> 00:39:59,390

that's got it's got very I made I made

1021

00:40:03,650 --> 00:40:02,400

very nice photos and

1022

00:40:05,270 --> 00:40:03,660

wait did you

1023

00:40:10,370 --> 00:40:05,280

did you do those

1024

00:40:13,190 --> 00:40:10,380

what I I I I made them in uh dolly

1025

00:40:16,310 --> 00:40:13,200

and then all right and then I put them

1026  
00:40:18,410 --> 00:40:16,320  
in um Pixar and I made them all snowy

1027  
00:40:20,450 --> 00:40:18,420  
looking because it's snow outside where

1028  
00:40:23,030 --> 00:40:20,460  
there's yeah so it's like a combination

1029  
00:40:27,890 --> 00:40:25,849  
it's like AI generated well that's

1030  
00:40:29,810 --> 00:40:27,900  
impressive I don't you know but the

1031  
00:40:31,490 --> 00:40:29,820  
dolly let me

1032  
00:40:33,589 --> 00:40:31,500  
I want the wolf to look all the same and

1033  
00:40:35,390 --> 00:40:33,599  
then yeah and then I put it in the other

1034  
00:40:40,190 --> 00:40:35,400  
one to to make a you can do a snow

1035  
00:40:43,370 --> 00:40:40,200  
effect wow I like it now another um

1036  
00:40:45,410 --> 00:40:43,380  
a topic which is big in the Uinta Basin

1037  
00:40:47,210 --> 00:40:45,420  
as well is and has been going on for

1038  
00:40:49,310 --> 00:40:47,220

decades is cattle mutilations and

1039

00:40:51,410 --> 00:40:49,320

strange animal deaths so what can you

1040

00:40:53,210 --> 00:40:51,420

tell me about that from stories you may

1041

00:40:54,890 --> 00:40:53,220

have heard or or is there anything again

1042

00:40:56,630 --> 00:40:54,900

that stands out from any of those cases

1043

00:40:59,329 --> 00:40:56,640

that you've looked into

1044

00:41:02,270 --> 00:40:59,339

I've I've just noticed that there's just

1045

00:41:05,150 --> 00:41:02,280

Lots like this book was about um Utah

1046

00:41:07,550 --> 00:41:05,160

and Colorado and Colorado has a lot more

1047

00:41:08,390 --> 00:41:07,560

mutilations than Utah but they're all

1048

00:41:11,270 --> 00:41:08,400

the same

1049

00:41:14,150 --> 00:41:11,280

and uh Linda mutant how the journalist

1050

00:41:16,790 --> 00:41:14,160

investigator one of her Specialties is

1051

00:41:19,250 --> 00:41:16,800

investigating animal mutilations

1052

00:41:20,390 --> 00:41:19,260

and she actually went to Skinwalker

1053

00:41:22,510 --> 00:41:20,400

Ranch

1054

00:41:24,770 --> 00:41:22,520

and she was investigating there

1055

00:41:27,890 --> 00:41:24,780

Ned's National Institute of Discovery

1056

00:41:31,010 --> 00:41:27,900

with Bob Robert Bigelow he's got many

1057

00:41:33,530 --> 00:41:31,020

many investigations about not just the

1058

00:41:36,589 --> 00:41:33,540

Skinwalker Ranch but other calculations

1059

00:41:40,730 --> 00:41:36,599

and they're all similar the animals are

1060

00:41:43,550 --> 00:41:42,170

the problem with that that I find is

1061

00:41:45,890 --> 00:41:43,560

that we still hear about them to this

1062

00:41:48,290 --> 00:41:45,900

day but there never seems to be any kind

1063

00:41:50,030 --> 00:41:48,300

of resolution or no or anything we're

1064

00:41:52,670 --> 00:41:50,040

still dealing with multiple theories as

1065

00:41:54,230 --> 00:41:52,680

to what these uh what what how these

1066

00:41:56,690 --> 00:41:54,240

things are dying and being mutilated

1067

00:41:58,010 --> 00:41:56,700

even in some strange cases where you

1068

00:41:59,510 --> 00:41:58,020

know people have turned their back and

1069

00:42:02,510 --> 00:41:59,520

Something's Happened and they've turned

1070

00:42:04,550 --> 00:42:02,520

around and it's all you know it makes

1071

00:42:06,829 --> 00:42:04,560

you question how something could do that

1072

00:42:08,510 --> 00:42:06,839

in that amount of time that's that's

1073

00:42:11,150 --> 00:42:08,520

happened to the Shermans because they

1074

00:42:13,910 --> 00:42:11,160

did have a an instance there it was in

1075

00:42:15,470 --> 00:42:13,920

1996 and they were they were tagging

1076

00:42:17,870 --> 00:42:15,480

their their cattle and they they just

1077

00:42:19,490 --> 00:42:17,880

tagged a calf and they walked over on

1078

00:42:21,770 --> 00:42:19,500

the other side of the field

1079

00:42:24,349 --> 00:42:21,780

we're tagging more and then their dogs

1080

00:42:27,109 --> 00:42:24,359

start acting funny and ran over by the

1081

00:42:29,030 --> 00:42:27,119

calf and they went back and the calf was

1082

00:42:30,829 --> 00:42:29,040

skinned and organs were missing just

1083

00:42:33,530 --> 00:42:30,839

like that

1084

00:42:34,670 --> 00:42:33,540

and they didn't see anything happen

1085

00:42:36,890 --> 00:42:34,680

you know because they weren't looking

1086

00:42:40,609 --> 00:42:36,900

but

1087

00:42:41,870 --> 00:42:40,619

yeah it happened right by them yeah it's

1088

00:42:44,329 --> 00:42:41,880

just it's just another one of the

1089

00:42:46,130 --> 00:42:44,339

strange aspects of the phenomena that

1090

00:42:48,349 --> 00:42:46,140

I mean there's so many strange aspects

1091

00:42:50,150 --> 00:42:48,359

the whole phenomena is strange but you

1092

00:42:51,650 --> 00:42:50,160

know it just throws up so many questions

1093

00:42:52,849 --> 00:42:51,660

and you know you

1094

00:42:55,370 --> 00:42:52,859

over the years with all the

1095

00:42:57,650 --> 00:42:55,380

investigations it's just uh it's

1096

00:43:03,349 --> 00:42:57,660

mind-boggling to to you know some say

1097

00:43:07,490 --> 00:43:06,109

soil okay maybe some of it is but I

1098

00:43:09,170 --> 00:43:07,500

don't think it all is

1099

00:43:11,089 --> 00:43:09,180

yeah that's the thing if it's like you

1100

00:43:12,710 --> 00:43:11,099

like we said those cases we mentioned of

1101  
00:43:14,210 --> 00:43:12,720  
something happening in in a matter of

1102  
00:43:16,550 --> 00:43:14,220  
minutes I mean

1103  
00:43:18,710 --> 00:43:16,560  
you know surely you'd see kind of tracks

1104  
00:43:20,809 --> 00:43:18,720  
from people or vehicles or if it's

1105  
00:43:23,089 --> 00:43:20,819  
helicopters involved and all these kind

1106  
00:43:24,890 --> 00:43:23,099  
of potentials as to how they would do

1107  
00:43:27,470 --> 00:43:24,900  
that that it a lot of it just doesn't

1108  
00:43:31,329 --> 00:43:27,480  
fit with with what's happened so yeah

1109  
00:43:34,130 --> 00:43:31,339  
it's it's it's a mystery I suppose

1110  
00:43:35,270 --> 00:43:34,140  
I got two stories that I investigated

1111  
00:43:37,250 --> 00:43:35,280  
where the

1112  
00:43:40,010 --> 00:43:37,260  
the people saw

1113  
00:43:43,069 --> 00:43:40,020

a calf being pulled up into a beam of

1114

00:43:48,770 --> 00:43:46,490

wow the the Judy daughter case I just

1115

00:43:50,870 --> 00:43:48,780

wrote an article about that for from my

1116

00:43:53,990 --> 00:43:50,880

magazine and

1117

00:43:55,670 --> 00:43:54,000

she got somehow caught into the beam of

1118

00:43:57,290 --> 00:43:55,680

light but she saw she's standing outside

1119

00:43:58,849 --> 00:43:57,300

her car and she saw the calf being

1120

00:44:01,190 --> 00:43:58,859

pulled up

1121

00:44:02,990 --> 00:44:01,200

was there a craft at all or anything

1122

00:44:04,790 --> 00:44:03,000

like that no she thought there was a

1123

00:44:07,010 --> 00:44:04,800

craft there and a beam of light and the

1124

00:44:09,410 --> 00:44:07,020

the calf was was picked up

1125

00:44:11,390 --> 00:44:09,420

and she was I don't know if she was

1126

00:44:14,569 --> 00:44:11,400

really there's there's still

1127

00:44:18,109 --> 00:44:14,579

they wonder if she was really abducted

1128

00:44:20,210 --> 00:44:18,119

or if it was her body experience

1129

00:44:21,770 --> 00:44:20,220

because she says when she was found

1130

00:44:24,349 --> 00:44:21,780

herself in the craft but they said

1131

00:44:26,210 --> 00:44:24,359

you're not supposed to be here

1132

00:44:29,630 --> 00:44:26,220

so I don't I don't know if she really

1133

00:44:31,670 --> 00:44:29,640

got picked up or you know sure body

1134

00:44:34,510 --> 00:44:31,680

experience you know

1135

00:44:37,250 --> 00:44:34,520

yeah I mean again it's like another

1136

00:44:39,589 --> 00:44:37,260

anecdotal story isn't it so how do you

1137

00:44:41,510 --> 00:44:39,599

how do you kind of you know if you speak

1138

00:44:43,849 --> 00:44:41,520

to someone or read something how do you

1139

00:44:46,069 --> 00:44:43,859

kind of deal with it from a

1140

00:44:48,589 --> 00:44:46,079

a belief perspective or do you try not

1141

00:44:49,849 --> 00:44:48,599

to jump in with beliefs like sort of you

1142

00:44:52,550 --> 00:44:49,859

know something that I find really

1143

00:44:55,130 --> 00:44:52,560

difficult to do and I almost have some a

1144

00:44:57,290 --> 00:44:55,140

a reasonable a reasonable amount of

1145

00:44:59,030 --> 00:44:57,300

skepticism when when it's just an

1146

00:45:00,890 --> 00:44:59,040

anecdotal story you know how do you deal

1147

00:45:03,050 --> 00:45:00,900

with things like that as to not look

1148

00:45:04,450 --> 00:45:03,060

disrespectful to the witness but at the

1149

00:45:09,290 --> 00:45:04,460

same time be

1150

00:45:10,910 --> 00:45:09,300

open-minded and logical let's say

1151

00:45:12,470 --> 00:45:10,920

yeah since being a Paranormal

1152

00:45:16,609 --> 00:45:12,480

Investigator and stuff and I'm working

1153

00:45:21,770 --> 00:45:19,010

yeah you know that's that's their story

1154

00:45:23,150 --> 00:45:21,780

you go oh that didn't happen or try to

1155

00:45:25,069 --> 00:45:23,160

or try to help him along with their

1156

00:45:27,829 --> 00:45:25,079

story just let them talk

1157

00:45:29,690 --> 00:45:27,839

yeah and then and then ask questions

1158

00:45:31,370 --> 00:45:29,700

maybe you could bring out some more form

1159

00:45:33,230 --> 00:45:31,380

because I I like what I'm talking about

1160

00:45:34,010 --> 00:45:33,240

something I want people to listen to me

1161

00:45:37,849 --> 00:45:34,020

too

1162

00:45:40,370 --> 00:45:37,859

yeah and I I like when I go to a UFO

1163

00:45:43,849 --> 00:45:40,380

event because all like-minded people

1164

00:45:46,309 --> 00:45:43,859

come and we're all telling stories

1165

00:45:49,370 --> 00:45:46,319

and someone else told me they had binary

1166

00:45:51,230 --> 00:45:49,380

code too so now I don't feel so weird no

1167

00:45:52,790 --> 00:45:51,240

that's it I find exactly the same thing

1168

00:45:54,109 --> 00:45:52,800

some of the best conversations I've had

1169

00:45:55,970 --> 00:45:54,119

is when you're in a

1170

00:45:57,650 --> 00:45:55,980

uh you know a setting like a convention

1171

00:46:00,349 --> 00:45:57,660

or conference and you know you just get

1172

00:46:01,849 --> 00:46:00,359

to hear people people's stories and it

1173

00:46:03,470 --> 00:46:01,859

is a case like you said it's a case of

1174

00:46:05,630 --> 00:46:03,480

they obviously just want someone to talk

1175

00:46:07,670 --> 00:46:05,640

to someone to listen someone that's not

1176  
00:46:10,069 --> 00:46:07,680  
going to judge them and you know the the

1177  
00:46:12,710 --> 00:46:10,079  
UFO community in particular can be quite

1178  
00:46:13,970 --> 00:46:12,720  
brutal sometimes and you know I think

1179  
00:46:24,230 --> 00:46:13,980  
that

1180  
00:46:27,589 --> 00:46:25,490  
you're not coming

1181  
00:46:29,170 --> 00:46:27,599  
I come have fun

1182  
00:46:32,150 --> 00:46:29,180  
well yeah I mean

1183  
00:46:33,530 --> 00:46:32,160  
because you believe I believe yeah and

1184  
00:46:35,630 --> 00:46:33,540  
when I use the word belief it's more

1185  
00:46:37,030 --> 00:46:35,640  
that I believe in something I don't

1186  
00:46:39,349 --> 00:46:37,040  
believe exactly

1187  
00:46:41,990 --> 00:46:39,359  
yeah for me personally it's like I don't

1188  
00:46:44,390 --> 00:46:42,000

necessarily believe in aliens or

1189

00:46:46,670 --> 00:46:44,400

ghosts and spirits because I don't have

1190

00:46:49,670 --> 00:46:46,680

that conclusive proof or evidence you

1191

00:46:52,670 --> 00:46:49,680

know but yeah it's it's a it's a funny

1192

00:46:54,470 --> 00:46:52,680

way it's a funny experience and way of

1193

00:46:56,809 --> 00:46:54,480

dealing with belief because you know

1194

00:46:57,710 --> 00:46:56,819

people get labeled as true believers I

1195

00:46:59,569 --> 00:46:57,720

mean

1196

00:47:01,670 --> 00:46:59,579

it's very easy for people to say that

1197

00:47:03,410 --> 00:47:01,680

but everyone's different I find we're in

1198

00:47:04,730 --> 00:47:03,420

their their levels of belief in that is

1199

00:47:09,530 --> 00:47:04,740

that kind of the same with you have you

1200

00:47:13,730 --> 00:47:11,569

you're looking yeah exactly yeah I mean

1201

00:47:15,109 --> 00:47:13,740

I've not experienced much but at the

1202

00:47:17,510 --> 00:47:15,119

same time I've done you know over a

1203

00:47:19,609 --> 00:47:17,520

decade's worth of research and seen and

1204

00:47:20,569 --> 00:47:19,619

read an awful lot so that I think that's

1205

00:47:22,730 --> 00:47:20,579

kind of

1206

00:47:25,130 --> 00:47:22,740

I could very easily believe in a lot of

1207

00:47:26,990 --> 00:47:25,140

different things but yeah I've kind of

1208

00:47:29,210 --> 00:47:27,000

learned to kind of

1209

00:47:31,790 --> 00:47:29,220

be a bit more logical and study it and

1210

00:47:33,950 --> 00:47:31,800

I've got you know from investigating you

1211

00:47:36,290 --> 00:47:33,960

know I've got so many EVPs

1212

00:47:37,550 --> 00:47:36,300

they're just amazing they're first class

1213

00:47:39,410 --> 00:47:37,560

and

1214

00:47:42,349 --> 00:47:39,420

really who are we talking to we still

1215

00:47:43,849 --> 00:47:42,359

don't know yeah even though I'm having a

1216

00:47:46,069 --> 00:47:43,859

conversation with something you know

1217

00:47:46,730 --> 00:47:46,079

what is it is that a person or what is

1218

00:47:53,210 --> 00:47:46,740

it

1219

00:47:55,370 --> 00:47:53,220

would you sort of or what advice would

1220

00:47:57,410 --> 00:47:55,380

you give to someone new that maybe is

1221

00:47:58,970 --> 00:47:57,420

new to the field or or maybe just

1222

00:48:00,710 --> 00:47:58,980

they're not new to the field but they're

1223

00:48:02,809 --> 00:48:00,720

new to actually investigating it for

1224

00:48:05,089 --> 00:48:02,819

themselves like what kind of advice

1225

00:48:08,210 --> 00:48:05,099

would you give them

1226

00:48:11,030 --> 00:48:08,220

have an open mind and but first of all

1227

00:48:13,130 --> 00:48:11,040

when when you walk into whatever this

1228

00:48:15,950 --> 00:48:13,140

building is you're investigating

1229

00:48:17,870 --> 00:48:15,960

people laugh at me sometimes I I walk in

1230

00:48:19,309 --> 00:48:17,880

and I say I hope it's it's okay if we

1231

00:48:21,230 --> 00:48:19,319

come tonight we didn't call ahead

1232

00:48:22,790 --> 00:48:21,240

because you're walking into someone's

1233

00:48:24,770 --> 00:48:22,800

house

1234

00:48:26,510 --> 00:48:24,780

someone's residence and you don't just

1235

00:48:28,550 --> 00:48:26,520

walk into your friend's house and and

1236

00:48:30,109 --> 00:48:28,560

start demanding and you don't demand

1237

00:48:32,270 --> 00:48:30,119

that they tell you something because

1238

00:48:34,730 --> 00:48:32,280

they're not going to talk to you

1239

00:48:37,190 --> 00:48:34,740

I said just have a conversation with

1240

00:48:40,370 --> 00:48:37,200

them like your friends

1241

00:48:44,270 --> 00:48:40,380

don't ask him to knock on the wall or

1242

00:48:48,829 --> 00:48:46,370

that's not respectful and it doesn't

1243

00:48:50,990 --> 00:48:48,839

tell me anything either

1244

00:48:53,390 --> 00:48:51,000

just have a conversation with them and

1245

00:48:56,030 --> 00:48:53,400

always have your recorder going as soon

1246

00:48:58,790 --> 00:48:56,040

as you walk through that door

1247

00:49:01,010 --> 00:48:58,800

because I've I've got EVPs of them

1248

00:49:03,770 --> 00:49:01,020

saying they're coming

1249

00:49:05,809 --> 00:49:03,780

as soon as we walked in the door

1250

00:49:07,790 --> 00:49:05,819

they know they know you're coming before

1251

00:49:10,490 --> 00:49:07,800

you get there

1252

00:49:12,650 --> 00:49:10,500

now as a medium I always have a spirit

1253

00:49:14,210 --> 00:49:12,660

talking to me about three days before I

1254

00:49:17,870 --> 00:49:14,220

go to a location

1255

00:49:21,710 --> 00:49:19,550

not sure where I'm going to find them in

1256

00:49:23,809 --> 00:49:21,720

the building but I un evidently I will

1257

00:49:25,730 --> 00:49:23,819

find them sooner or later

1258

00:49:28,370 --> 00:49:25,740

but they know you're coming they are

1259

00:49:30,050 --> 00:49:28,380

aware of us

1260

00:49:31,910 --> 00:49:30,060

it's fascinating let's keep that in mind

1261

00:49:33,349 --> 00:49:31,920

you know yeah but it's good that you're

1262

00:49:35,150 --> 00:49:33,359

taking equipment in there where you can

1263

00:49:37,010 --> 00:49:35,160

actually record and get data as well

1264

00:49:39,109 --> 00:49:37,020

well you must always have your recorder

1265

00:49:41,569 --> 00:49:39,119

that is probably your best you can take

1266

00:49:44,030 --> 00:49:41,579

photos but photos don't speak to me

1267

00:49:46,010 --> 00:49:44,040

yeah yeah I think you know don't I mean

1268

00:49:48,829 --> 00:49:46,020

I I don't know that much about that that

1269

00:49:50,270 --> 00:49:48,839

aspect of of the kind of uh paranormal

1270

00:49:51,950 --> 00:49:50,280

but you know from what I've heard and

1271

00:49:53,630 --> 00:49:51,960

that isn't it that photographs don't

1272

00:49:56,089 --> 00:49:53,640

always work they don't you don't capture

1273

00:49:57,410 --> 00:49:56,099

what people see uh all right you could

1274

00:49:59,150 --> 00:49:57,420

see something right in front of your

1275

00:50:00,829 --> 00:49:59,160

eyes and you take a photo and nothing

1276  
00:50:02,510 --> 00:50:00,839  
comes out because they mess with your

1277  
00:50:05,030 --> 00:50:02,520  
camera we see that on skin walking Ranch

1278  
00:50:08,390 --> 00:50:05,040  
on TV they mess with your equipment

1279  
00:50:10,010 --> 00:50:08,400  
or or you can you can hear a voice with

1280  
00:50:12,050 --> 00:50:10,020  
your ears and your recorder didn't pick

1281  
00:50:14,150 --> 00:50:12,060  
it up it happens

1282  
00:50:16,309 --> 00:50:14,160  
all right I was with a friend and we

1283  
00:50:18,770 --> 00:50:16,319  
standing next to each other maybe two

1284  
00:50:21,050 --> 00:50:18,780  
feet away from each other and I got all

1285  
00:50:23,390 --> 00:50:21,060  
these amazing clear sentences and she

1286  
00:50:27,349 --> 00:50:25,190  
so I just always have all different

1287  
00:50:29,510 --> 00:50:27,359  
equipment of course she had a digital

1288  
00:50:32,390 --> 00:50:29,520

recorder and I have analog I always use

1289

00:50:34,910 --> 00:50:32,400

analog right I don't know if that makes

1290

00:50:36,589 --> 00:50:34,920

a difference but I get great stuff with

1291

00:50:38,089 --> 00:50:36,599

my analog recorder

1292

00:50:40,010 --> 00:50:38,099

first and you also get used and you know

1293

00:50:41,990 --> 00:50:40,020

your equipment and yeah that makes sense

1294

00:50:43,609 --> 00:50:42,000

that makes sense well because as as the

1295

00:50:45,950 --> 00:50:43,619

tape is going through the recorder it's

1296

00:50:47,390 --> 00:50:45,960

also letting off white noise and that's

1297

00:50:48,650 --> 00:50:47,400

where Spirits speak to you through the

1298

00:50:51,230 --> 00:50:48,660

white noise

1299

00:50:55,790 --> 00:50:54,290

and but listen before we wrap this up I

1300

00:50:57,470 --> 00:50:55,800

do want to go to a few questions that

1301  
00:50:59,450 --> 00:50:57,480  
I've starred here in the in the comments

1302  
00:51:00,530 --> 00:50:59,460  
so Paige is asking about this is when

1303  
00:51:01,970 --> 00:51:00,540  
you're looking for kind of missing

1304  
00:51:03,410 --> 00:51:01,980  
people missing children and that and

1305  
00:51:05,990 --> 00:51:03,420  
it's how much information you actually

1306  
00:51:08,930 --> 00:51:06,000  
need before you kind of do your remote

1307  
00:51:11,450 --> 00:51:08,940  
remote viewing in order to find them I

1308  
00:51:13,309 --> 00:51:11,460  
just need their picture right

1309  
00:51:14,750 --> 00:51:13,319  
and then that just zeros you in on a

1310  
00:51:16,549 --> 00:51:14,760  
location is it a

1311  
00:51:20,930 --> 00:51:16,559  
does it go straight to them or is it

1312  
00:51:26,030 --> 00:51:22,549  
sick all right

1313  
00:51:27,950 --> 00:51:26,040

wow I'm I'm I'm seeing through their

1314

00:51:29,930 --> 00:51:27,960

eyes where they are

1315

00:51:32,030 --> 00:51:29,940

I hear what they hear

1316

00:51:35,089 --> 00:51:32,040

I hear sounds that's how we found

1317

00:51:38,569 --> 00:51:35,099

somebody one time because I I saw a

1318

00:51:40,609 --> 00:51:38,579

warehouse and I heard train whistles

1319

00:51:43,309 --> 00:51:40,619

so that's how they found two girls we're

1320

00:51:48,170 --> 00:51:43,319

looking for one we found two

1321

00:51:51,049 --> 00:51:49,790

I mean it's amazing and it's amazing

1322

00:51:53,089 --> 00:51:51,059

that you're able to do this kind of

1323

00:51:54,650 --> 00:51:53,099

thing and have such a track record of it

1324

00:51:57,530 --> 00:51:54,660

as well you know it's an honorable thing

1325

00:51:58,790 --> 00:51:57,540

so you know my hat's off to you on that

1326  
00:52:00,650 --> 00:51:58,800  
respect I just realized the other

1327  
00:52:02,210 --> 00:52:00,660  
question I had already asked I started

1328  
00:52:03,410 --> 00:52:02,220  
and then well listen is there anything

1329  
00:52:05,750 --> 00:52:03,420  
that you feel that we haven't covered

1330  
00:52:08,210 --> 00:52:05,760  
that you kind of uh you know that you

1331  
00:52:09,589 --> 00:52:08,220  
feel is important thing to mention or is

1332  
00:52:11,270 --> 00:52:09,599  
there anything else coming up besides

1333  
00:52:13,970 --> 00:52:11,280  
the book any other locations that you

1334  
00:52:16,190 --> 00:52:13,980  
plan on visiting what's next for you

1335  
00:52:18,290 --> 00:52:16,200  
well I gotta work on this book and then

1336  
00:52:19,790 --> 00:52:18,300  
I I had another book I had started

1337  
00:52:22,030 --> 00:52:19,800  
before this and I'm supposed to just

1338  
00:52:24,829 --> 00:52:22,040

stop and do this one now

1339

00:52:27,470 --> 00:52:24,839

it's it's about uh I'm not sure what the

1340

00:52:29,930 --> 00:52:27,480

other tile is I might call it a ancient

1341

00:52:33,650 --> 00:52:29,940

Earth energies I'm it's about

1342

00:52:37,069 --> 00:52:33,660

um different places not just the us all

1343

00:52:39,109 --> 00:52:37,079

over the world who have a connection to

1344

00:52:40,970 --> 00:52:39,119

Pleiades

1345

00:52:43,069 --> 00:52:40,980

so that's I'm not sure what title that

1346

00:52:44,390 --> 00:52:43,079

book's going to be but I'm supposed to

1347

00:52:47,089 --> 00:52:44,400

do this

1348

00:52:48,829 --> 00:52:47,099

UFO one first so

1349

00:52:49,970 --> 00:52:48,839

fair enough we look forward to it I'm

1350

00:52:52,309 --> 00:52:49,980

just getting another couple more

1351  
00:52:53,870 --> 00:52:52,319  
questions in um Wilfred I see that you

1352  
00:52:56,089 --> 00:52:53,880  
think your questions disappeared I've

1353  
00:52:58,970 --> 00:52:56,099  
just scrolled up and I can't see it

1354  
00:53:02,030 --> 00:52:58,980  
um if you want to repost it then you can

1355  
00:53:04,130 --> 00:53:02,040  
but Davey asks uh has Sharon ever felt

1356  
00:53:05,930 --> 00:53:04,140  
threatened by any Spirits or non-human

1357  
00:53:08,210 --> 00:53:05,940  
intelligence

1358  
00:53:10,190 --> 00:53:08,220  
just just that time that that one jumped

1359  
00:53:12,710 --> 00:53:10,200  
into my friend

1360  
00:53:14,750 --> 00:53:12,720  
I didn't feel threatened but it scared

1361  
00:53:16,670 --> 00:53:14,760  
the heck out of me that what do I do you

1362  
00:53:18,230 --> 00:53:16,680  
know yeah do you think that some of

1363  
00:53:21,589 --> 00:53:18,240

these entities are

1364

00:53:23,630 --> 00:53:21,599

or have a sort of negative

1365

00:53:25,010 --> 00:53:23,640

um what's the word I'm looking for do

1366

00:53:27,530 --> 00:53:25,020

you think they they want to act negative

1367

00:53:29,450 --> 00:53:27,540

towards towards us you know is it a

1368

00:53:31,430 --> 00:53:29,460

balance are there good entities and

1369

00:53:34,910 --> 00:53:31,440

negative entities or

1370

00:53:36,410 --> 00:53:34,920

well I I had I had seen this spirit in

1371

00:53:39,230 --> 00:53:36,420

the building before

1372

00:53:40,790 --> 00:53:39,240

he was either a doctor or he took care

1373

00:53:43,430 --> 00:53:40,800

of of people there

1374

00:53:46,010 --> 00:53:43,440

and he wasn't good he wasn't a good one

1375

00:53:47,630 --> 00:53:46,020

called evil but he wasn't a good man and

1376

00:53:50,030 --> 00:53:47,640

he was chasing this woman

1377

00:53:52,010 --> 00:53:50,040

and I know he killed her and maybe this

1378

00:53:53,690 --> 00:53:52,020

was the anniversary of the night he

1379

00:53:56,750 --> 00:53:53,700

killed her and that's why all this

1380

00:53:59,150 --> 00:53:56,760

happened I I don't know

1381

00:54:01,069 --> 00:53:59,160

but why he jumped into my friend we'll

1382

00:54:02,089 --> 00:54:01,079

never know why he did that

1383

00:54:06,049 --> 00:54:02,099

yeah

1384

00:54:10,730 --> 00:54:06,059

it was there was no reason to do that

1385

00:54:12,770 --> 00:54:10,740

oh that's uh it's one of those things

1386

00:54:14,390 --> 00:54:12,780

well listen Cheryl thank you so much for

1387

00:54:15,710 --> 00:54:14,400

coming on and talking to us about all of

1388

00:54:17,210 --> 00:54:15,720

your work you know I find it so

1389

00:54:19,010 --> 00:54:17,220

impressive that you're able to do so

1390

00:54:20,930 --> 00:54:19,020

many different or look at so many

1391

00:54:23,150 --> 00:54:20,940

aspects of of the phenomena and that but

1392

00:54:25,549 --> 00:54:23,160

also get out there and and research and

1393

00:54:27,410 --> 00:54:25,559

investigate as well so

1394

00:54:30,530 --> 00:54:27,420

um thank you so much I really do

1395

00:54:34,130 --> 00:54:32,390

right everyone in the chat you've been

1396

00:54:36,170 --> 00:54:34,140

great as well I'm sorry if you missed

1397

00:54:38,870 --> 00:54:36,180

your question I've just uh tried to find

1398

00:54:41,030 --> 00:54:38,880

it and I'm sorry if I didn't get to all

1399

00:54:43,250 --> 00:54:41,040

of them but uh you can now catch me

1400

00:54:46,370 --> 00:54:43,260

every Wednesday but follow me on all my

1401

00:54:48,650 --> 00:54:46,380

social medias and uh guys thank you so
