

**What does
Disclosure mean?**

1
00:00:05,030 --> 00:00:03,470
what does disclosure mean and people you

2
00:00:06,829 --> 00:00:05,040
know everybody you ask is going to have

3
00:00:08,810 --> 00:00:06,839
a different definition but but

4
00:00:11,030 --> 00:00:08,820
specifically first of all

5
00:00:11,990 --> 00:00:11,040
what is disclosure who's going to

6
00:00:14,390 --> 00:00:12,000
determine

7
00:00:16,970 --> 00:00:14,400
when we've reached disclosure right that

8
00:00:20,990 --> 00:00:16,980
okay now we have disclosure I mean and

9
00:00:24,410 --> 00:00:21,000
then also who decides uh you know where

10
00:00:26,810 --> 00:00:24,420
we go from here ultimately

11
00:00:29,210 --> 00:00:26,820
um it may be by consensus I don't know

12
00:00:31,609 --> 00:00:29,220
but but who is going to be the one to

13
00:00:33,950 --> 00:00:31,619

say we are now we have now reached a

14
00:00:35,930 --> 00:00:33,960
moment of disclosure because some would

15
00:00:38,270 --> 00:00:35,940
argue we've just had it it's just it's

16
00:00:39,770 --> 00:00:38,280
already happened it was and some have

17
00:00:41,270 --> 00:00:39,780
said well we haven't had it yet unless

18
00:00:44,690 --> 00:00:41,280
you know we have something Landing in

19
00:00:46,549 --> 00:00:44,700
the the White House lawn uh you know we

20
00:00:49,010 --> 00:00:46,559
we first need to decide that as a people
